CITY PLAN PROVOKES HOT DEBATE

for the Record

by G. H. C.

Where do we go from here?

This question should be uppermost in the minds of members of the City Incorporation Committee this week, for not only as the Northville Village Commission turned a deaf ear to its request for endorsement of its plan for making Northville a city, but it also has learned that even with a favorable aggregate vote at the April 6 election, a ruling by the State Supreme Court undoubtedly will be necessary if the plan fails to be approved in either of the areas in Novi and Northville townships outside the present village limits.

James E. Littell, who has served as attorney for the Northville Township Board for eleven years and as attorney for the Village for four years, has told the Northville Township Board that he believes that the proposition of becoming a city must receive a favorable vote in the Village of Northville and also in the parts of both Novi and Northville townships that it is proposed to incorporate into the new city. This is contrary to the acknowledged legal requirement that applies to incorporation of cities lying wholly in one county, which provides that even if voters in a territory to be annexed fail to approve being brought into the city boundaries, their negative vote is ineffective if the total "yes" vote is favorable. Most members of the City Incorporation Committee do not anticipate a favorable vote in the portion of Novi township which it is proposed to annex, and there is considerable doubt about the vote in that portion of Northville township outside the Village.

Under such circumstances, it is fairly obvious that even though the city plan piles up a high enough majority in the village to offset any negative votes in the township areas, it probably will be contested in court under Mr. Littell's interpretation of the law.

Mr. Littell's opinion is based upon the case of Norton vs. Walled Lake, in which incorporation of Walled Lake as a city was rejected in the Oakland County Circuit Court on the ground that even though the total vote in those portions of Commerce and Novi townships to be incorporated was favorable, the fact that one township voted against it nullified the over-all favorable vote.

The City Incorporation Committee has based its planning and its proposed city boundaries on the Michigan Municipal League's advice that it is the total vote that should count. The League discounts the Circuit Court decision in the Walled Lake case as being of doubtful legality had the case been carried to the Supreme Court.

In fairness to Mr. Littell if there should be some question as to why he has not informed either the Village Commission or the City Incorporation Committee of his opinion, it should be stated that he has not been asked for an opinion by either group. This is regrettable, especially as we believe his legal talent is acknowledged to a point where the City Incorporation Committee might have decided otherwise on the boundaries of the proposed City had it had the benefit of his legal advice when those boundaries were being decided.

The negative attitude of the Village Commission toward the City Incorporation Committee's request for endorsement of its plan for making Northville a city requires further explanation by those members, (except Commissioners Ely and Stubenvoll) who refused to put themselves on record. Commissioner Ely need make no apologies. He has made no pretense at any time of being in favor of Northville becoming a city, nor has he ever hedged on making his position perfectly clear in commission meetings and elsewhere. Even though we do not agree with his

Park Place Lease Under Consideration

Nelson Schrader, Jr. appears to have taken the Village Commission off the proverbial "hot seat" Monday evening when he suggested that Park Place (the hole in the ground across from the spring) might be leased to Michigan Powdered Metal Products Co. under a proviso that this company give the Weber Machine Tool Co. a sub-lease on a portion of the area for five years. Both companies, under this arrangement, would fill in the hole and use the land for employee parking.

Both Weber and Michigan Powdered Metal have been anxious for some time to acquire the Park Place area either by purchase or lease, preferably the former. The Village Commission has wanted to please both parties, but knowing that it could be sold to only one of them, has procrastinated on making any decision.

As a result of Schrader's suggestion, the Commission appointed two of its members to see if the lease and sub-lease arrangement would be satisfactory to both parties.

Gay Duerson, a freshman at the University of Michigan, took top honors in the prose narrative division in the University's annual Hopwood contest. Her "Two Short Stories" won her a \$50 award in the competition for creative writing for freshman students. Gay is the daughter of Mr. and Mrs. Harry C. Duerson of 21400 Meadowbrook Rd.

Bandits' Bond Is Set at \$10,000

Wall Assaultants Held on Charge of Robbery Armed

Marvin Norton, 38, and his nephew, Albert Rolin, 24, both of Detroit were brought before Justice-of-the-Peace E. M. Bogart for a preliminary hearing Monday, Mar. 2 on a charge of robbery armed arising from their alleged assault a week earlier upon 94-year old Northville resident Peter Wall, at his home on Griswold St.

After hearing Mr. Wall testify that both men had taken part in severely beating and robbing him after threats to take his life if he refused to give them more money than he had on his person and in his home, and testimony by the arresting officer that he had recovered Wall's pocketbook from their possession, Justice Bogart ordered both men held for trial in Wayne County Circuit Court on charges of armed robbery. Bond for each was continued at \$10,000, with two sureties.

Justice Bogart denied a plea by Rolin's attorney for dismissal of the charge against his client, based on his contention that Mr. Wall's testimony had failed to implicate Rolin as a willing participant in the alleged assault and robbery. Norton, who was recently released from Jackson Prison, was not represented by counsel.

Wall, still showing the effect of the charge against his client, (Continued on Page 10)

Bird House Contest March 11 at School

Schoolboys in grades seven through twelve are busy putting the finishing touches on bird houses before the deadline of the annual contest sponsored by the Northville Branch of the National Farm and Garden Association. This year's event will take place Monday afternoon, March 9, in the Grade School lunch room with judging beginning at 2 o'clock.

Judges Robert Sherrard and Harold Hartley will name first, second and third place winners with cash awards totaling \$65.

Following rules specified by the Detroit News, the boys are building wren, martin and bluebird houses and feeders under the supervision of Willard Renard, high school manual training teacher. Some of the entries may be purchased at the exhibit.

Mrs. George Alexander is chairman of the contest for the sponsoring association. The public is urged to visit the exhibit from 3:30 to 6 p.m. and view the craftsmanship of the contestants.

Church Group Plans Fish Fry Tomorrow

The Adult Fellowship Group of the First Methodist Church is sponsoring a Fish Fry tomorrow evening, Friday, at the church house. The public is cordially invited to attend the family style dinner which will be held from 5 to 7 p.m.

Mrs. Wilson Clark is general chairman of the event and tickets may be obtained at the D & C Store or may be purchased at the door.

Club Speaker to Discuss Europe

Mrs. Dorothy Markle will talk to the Northville Woman's Club on "Present Economic Conditions in Europe" at the meeting Friday, March 6, in the Village library. She will illustrate her talk with colored slides.

Mrs. Markle, whose home is in Rochester, Mich., is now social action chairman of the Congregational Women's Fellowship of Detroit. She was graduated from the University of Michigan and for some time was public affairs chairman of the central branch of the Detroit Y.W.C.A.

Bond Is Set at \$10,000

Albert Rolin (left) and Marvin Norton (center) were arraigned last week before Justice of the Peace E. M. Bogart (seated) on robbery charges arising out of the attack and severe beating which they were charged with giving 94-year old Peter Wall of Northville. At a preliminary hearing held this week Justice Bogart held both men for trial in Wayne County Circuit Court. Police Chief Joe Denton is shown between the two bandits.

'53 Street Program' Easter Seal Drive Under Way Today

With the mailing of the 1953 Easter Seals today, March 5, the 20th annual Easter Seal Campaign was launched in Northville spearheaded by John Miller, Easter Seal chairman.

The familiar seals will arrive in a few days at hundreds of residences appealing for funds to support the Wayne-Out County Chapter, Michigan Society for Crippled Children and Adults, to enable them to carry on direct services to the handicapped persons living in the Northville area. A quota of \$1500, an increase over last year's returns, has been set by Mr. Miller to meet the chapter's rising cost in services and equipment.

Mr. Miller and committee members Rev. Dr. Harold F. Fredsell and Dr. Walter Belasco, Miller said.

As a result of funds raised during the 1952 Easter Seal campaign, several handicapped persons in Northville are being provided with diagnostic clinics, physical and occupational therapy, provision of braces and equipment, summer day camp for the month of July and homebound teaching.

"The gradual increase in the number of crippled persons being treated is directly responsible to growing support of the annual Easter Seal campaign," Mr. Miller said.

Mr. Miller and committee members Rev. Dr. Harold F. Fredsell and Dr. Walter Belasco, Miller said.

Red Cross Drive to Start Monday

Monday, March 9, volunteers will begin a month-long canvas of the village and environs in the annual drive for funds to round out the \$1700 quota of the Northville chapter of the American Red Cross for 1953.

Northville's quota of \$1700 is an increase of \$200 more than in 1952, said Mrs. Arthur Carlson, chairman of the local drive. The goal has been raised to help defray the cost of collecting blood for gamma globulin, a serum recently made available for use in preventing or modifying the crippling effects of polio.

Assisted by co-chairman Mrs. Forney, Mrs. Carlson has prepared plans for a house-to-house canvass for solicitation of contributions. Organizations and residents of outlying districts will be contacted by mail.

"Every home is a potential beneficiary of the Red Cross program, for no one knows when polio will strike," Mrs. Carlson emphasized. The need is especially great this year in view of the continuing Korean War. As Mrs. Carlson pointed out, the Red Cross Home Service maintains an active program and is frequently called upon to make contacts with overseas veterans and their families.

Village Commission Alibis Its Unwillingness To Go On Record For Or Against Move

The City Incorporation Committee got a cold shoulder from the Village Commission Monday evening when Dr. L. W. Snow, chairman, rendered his committee's formal report and asked for endorsement of its current effort to make Northville a city.

Not only did Commissioner John F. Stubenvoll's resolution of endorsement fail to find a supporter among the other commissioners present, but his later "watered down" motion that the commission accept the City Incorporation Committee's report "with favor" also met with a similar fate. In the end, the village commission took no action on the report.

Highlights of City Committee Report

In summary form below are pertinent portions of the report by the City Incorporation Committee to the Northville Village Commission, as presented in a letter from Dr. L. W. Snow, chairman. The report is printed on Page 2 in its entirety.

Whether we live in the Village or Township, the important question is: "Is city incorporation good for the community as a whole?"

In setting boundaries, it was a MUST that some new territory be added because there is hardly a building lot left in the Village. To the south was the park, cemetery and terrain that was either too low or too high. To the west the area to Clement Rd. and the north side of Main St. were included because most people in this area already receive a portion of our present village services. Single water rates, garbage collection and other city services to which they will be entitled, plus lending a helping hand to produce a more prosperous community, may be some consolation to them for their inclusion.

The loss to Novi Township by inclusion of a few acres west of Center St. and the area east of Oakwood subdivision over to Novi Rd. should be less than \$100 yearly because the township levies no real estate tax.

To the east the committee found a gravel pit and Gerald Ave. subdivision. The people here are entitled to much more than they are receiving. They have no streets, sidewalks or sewers. Sewers can be laid, at cost to the taxpayer. To offset a liability, the committee looked for some revenue producing property. The State Hospital was the answer, and this was the first reason for its inclusion. It was fully considered from all angles — what it would mean to the new city and how much it would embarrass the township financially.

In capsule form, the picture will be this: By Northville becoming a city neither Novi nor Northville townships will be injured financially, but the city will have an additional \$100,000 annually.

Optimists to Name Wilson Funk as Honorary Member

At a dinner meeting of the Northville Optimist Club tonight, Wilson Funk, recreational director of the Village of Northville, will be presented an honorary membership in the organization.

The honor is being conferred in recognition of Mr. Funk's outstanding success in establishing and maintaining a workable recreational program for the youth of the community.

The resolution reads in part: "WHEREAS: as recreational director, Wilson Funk has been singularly and outstandingly successful in maintaining a recreational program for the youth of the community, and

"WHEREAS: the Northville Optimist Club believes that the service rendered by Wilson Funk to the youth of this community should be duly and appropriately recognized,

"THEREFORE: Wilson Funk is hereby tendered a membership in the Northville Optimist Club."

Commissioners present at the meeting included Claude Ely, acting mayor, Alton Peters, Gerald C. Woodworth, Malcolm A. Allen and Stubenvoll.

Littell Offers Resignation

Discussion of the City Incorporation Committee's report was punctuated by vigorous debate between Stubenvoll and Ely, and in the end was highlighted by an offer to resign by Village Attorney James E. Littell. Mr. Littell's proffered resignation was based upon a possible conflict of interest occasioned by the fact that he is also attorney for the Northville Township Board. It arose after Commissioner Allen had asked him if it would be proper for the Village Commission to endorse the City Incorporation Committee's report and Mr. Littell replied that this must be considered as a matter of ethics. He took the position that the present Village Commission had not been elected on a platform calling for incorporating Northville as a city, and that whether the commission should endorse the report was a debatable subject.

Foresaw Conflict of Interest

Mr. Littell explained to the commission that he had anticipated the possibility of a conflict of interest between the township and the village at some point in the current move for city incorporation and that he had decided to resign when and if such a conflict arises.

Commissioner Ely replied to Littell's resignation offer by saying: "I hope you won't resign". Stubenvoll took the position that Littell should resign when the present controversy reaches the point that a conflict of interest arises in serving as attorney for both the Village and the Northville Township Board.

Northville Record Is Criticized

The Northville Record's handling of news about city incorporation was also criticized by Commissioner Ely, who said: "I think the Record has printed some very misleading statements."

Dr. Snow's report to the commission also asked that the commission clarify the fact that he was originally asked by Village President Langfield to head up the incorporation committee (in answer to critics who have termed him a "self-appointed chairman") and that the commission also verify his statement that the incorporation committee has not asked for village funds to carry on its work.

Clark Hdwe. Now on Self-Serve Basis

The George Clark Hardware store this week is completing a store modernization program that will give Northville the first Self-Serve hardware in Michigan. The move is in line with present day merchandising trends in the hardware business, according to Mr. Clark, and will enable the store to give better and faster service to customers. Most departments are now on a Self-Serve basis. Those that are not, deal in merchandise which can be handled better by personal consultation with customers, he states.

Kroger Manager and Wife Vacation In New York City

Northville residents will recognize the smiling gentleman at the right as Mr. Edward Barnes, manager of the local Kroger store, who with Mrs. Barnes, received an all-expense paid "millionaire's" vacation in Washington and New York as first prize in a recent sales contest of Kroger employees. The picture was taken at the world-famous Club "21" in New York City. The "other man" in the picture is movie actor Richard Conte, who will soon be seen in the Universal International film "Desert Legion". Other employees of the winning Northville store received prizes.

Former Exchange Student Plans Return to America

The following letter was received this week from Ingeborg Rothenpieler, who left Northville last fall for her native Germany following a year's visit in the Village as German Exchange student under the "Youth for Understanding" program, sponsored by the Northville Rotary Club.

Ingeborg Rothenpieler
 Kassel
 Plueschowstrasse 6

Kassel, 18 Feb. 53

Dear friends:

Several times now I have received the "Northville Record" and you people just can't imagine how glad I was to read the papers and to know what is going on, what people do and think the town, which for a year has been my home.

I want to thank you very much for sending the paper over here, and to assure you, that I very appreciate it. It seems to be a very good way to keep up on Northville—although I hear many things through the correspondence with the Sullivan and Johnson families. Every time the mailman brings a paper, I feel so close to all of you, and in a way I feel like belonging to you yet. And I think about the same problems you do: the new community building or a new school, about the question whether Northville should become a city or not—which apparently has not

been decided yet, and before all, naturally, I am interested in the news about Northville High School. Not only I myself read the paper though; part of it is translated to my parents, to friends, and some of the girls and fellows always borrow the paper when I get through with it, take it to English class and so on.

It is very important to me not to lose the connection to "my American town," especially as I plan to be back in the near future. If you can, please continue sending me the paper over, I would surely appreciate it a lot.

As you maybe know, I am working with an Air Force division of the USAF here in Kassel now, and I dare say, that I like it a lot. One Sgt. whose wife lives over here too, is from Detroit, and he has been talking a lot about the city and Michigan as a whole; he knows Northville pretty well, too. One of the Lts. has been living in Birmingham, Mich. So you see, we have a real club of Michiganders! The boys here all read the "Stars and Stripes," and I often do too, lately I've been looking for the hockey scores especially, and been hailing for old Detroit.

Although I don't write very often and not to many people, I want you to know that lots of times I think of Northville and look at the pictures I have.

In fact I think that—out of free will—I have adopted a lot of your thinking and your way of living, more than is good for living in Germany. But I can't

Text of City Incorporation Committee's Final Report to Village Commission

March 2, 1953

President Langfield
 Members of the Village Council
 Northville, Michigan

Dear Sirs:

At the request of President Langfield I am making a report of the City Incorporation Committee, which, by the way, will be a final report. I wish to say that ten long months have been spent on the project of Northville's incorporation as a Home Rule City. The Committee does not see why this should be such a controversial issue. We need ask ourselves only one question, no matter where we live, in the Village or Township. Is City Incorporation good for the community as a whole? I hope in this report to definitely show that it will not be injurious to either Township and will be a great financial advantage to the city, as well as all the other advantages that have been enumerated during the past few weeks.

The Committee has secured the necessary signatures on the Incorporation petitions, with a minimum of twenty-five signatures in each of the three political subdivisions, a total of over two hundred seventy secured, with a figure of one hundred and thirteen necessary. They were filed with the Secretary of State on February 11, 1953, even though the opposition went so far as to secure affidavits from signers, requesting that their names be removed from the petitions. Nominating petitions for eleven candidates to serve as Charter Commissioners were filed with the Clerk of Wayne County, February 16, 1953. On advice of the Secretary of State the petitions requesting a census of the consolidated area were not filed, but will be filed at a later date. Everything is now complete and the electorate will have the opportunity to vote on the issue and to elect nine Commissioners to draw up the new Home Rule Charter.

The boundaries for the new City have been severely criticized. In fact all the boundaries have met opposition, but let us analyze the situation. First, it

change anymore and I don't want to even. Maybe that is hard to understand for somebody who has never experienced something like that. It is not that I don't get along with people—no, not at all.

Germany belongs to the old country, and although many of the youths have adopted ideas of the new world and are trying to get away from the old way of living—this country always will be part of the old country. By our whole history and our centuries—old basic thinking and our traditions we are bound to the fate, which we can't dive out of.

Only now I can truly see the differences between your people and our people, after looking at and kind of through both of them with open eyes.

Probably the fact that our average living standard is far below yours, and the fact that we have lost the war, that our cities are yet destroyed to a large percentage, all form the over-all picture. They form man, too. Most of our people have had a lot of sorrow, both private and national—more so than your people. Our country is divided and I, close to the border, almost daily see and feel the troubles and bitterness growing out of that artificial dividing line. The knowledge that another war will be hardly possible to avoid gives the feeling that there is no use in building up anyway; people get indifferent and think they don't have anything to fight for and to defend. They lack the certain forward push which your people all have, but one can't blame them for it.

Lots of times I feel lonesome among my own people. That may sound very silly to you. Of course, I love Germany, it's my home country, and my folks live here. I too love our culture, our music, our poetry, our old castles and a whole lot of things. But yet I want to live in the States. It is like I don't fit in right anymore.

Believe me, it is not easy to defend one's opinions, and to convince people of what I saw and learned. They think often times, that I see everything through pink glasses, and don't see the reality. I feel that I am old enough to draw my own conclusions and to see things as they are.

I think this is about all for today. I am glad that I finally got around to writing to you, which I've had in mind for a long time. Tell all and every one of my friends there "hello." I'll see them all in not too long a while. Meanwhile, I am
 Yours very truly,
 INGE

PS: How are the German kids in Northville now doing? I have not heard anything about them at all.

was a must that some new territory had to be added, due to the fact that there is hardly a building lot left in the Village; therefore, if there was expansion it had to come from the periphery or fringe area. In looking to the south we found the park, cemetery and a terrain that was either too high or too low, so we looked to the west and included the area to Clement Road and the north side of Main Street. Most of the people in this area already receive a portion of our present Village services, yet some of these persons apparently are grieved. Perhaps with single water rates, garbage collection and the other City services to which they will be entitled, plus lending a helping hand to produce a more prosperous community, there might be some consolation. We went to the north and after careful consideration proposed an area of a few acres west of Center Street, in Novi Township and the area east of Oakwood Subdivision over to Novi Road, but again opposition. The loss to Novi Township of these two areas, since they levy no real estate tax, amounts to less than one hundred dollars yearly. Now to the east, what do we find? a gravel pit and Gerald Avenue Subdivision. There is certainly no doubt in the mind of any one that the people here are entitled to much more than they are receiving. They have no streets, sidewalks nor sewers. This area was checked by Mr. Jerome, an engineer, and sewer services can be given, of course, at a cost to the taxpayer; so in order to offset a liability, the Committee looked for some revenue producing property. The State Hospital was the answer and was the first reason for its inclusion. It was fully considered from all angles—what it would mean to the new city and how much it would embarrass the Township financially.

Since the State Sales Tax Rate is proportioned by census, which was taken in 1950 and since there were no individuals at the State Hospital in 1950, and with no rebate forthcoming to the Township from the Sales Tax Diversion until 1960, we felt the City should have this rebate, because, as a City, we are entitled to a census in the consolidated area and the community would be receiving the Sales Tax this year, the seven years following and from then on until such time as the Legislature may see fit to change the tax structure (now under consideration and which would increase the city rebate to \$15.00 per person and drop the townships and villages accordingly. It has definitely been stated that by taking Gerald Avenue Subdivision, the State Hospital and the area on the west side from the Township, the amount of money lost would not amount to more than one thousand dollars yearly and with a surplus of ten thousand dollars from year and by gaining an additional three thousand dollars from welfare money spent annually, they would be two thousand dollars better off this coming year than they were last year.

In capsule form the picture will be this: By Northville becoming a City neither Novi nor Northville Townships will be injured financially, but the City will have an additional one hundred thousand dollars annually. I now request your honorable body to kindly clarify to the citizens of this area that I was not self appointed to the Chairmanship of the City Incorporation Committee, but was acting at the request of President Langfield; that I have not appeared before the Village Council to

1953 Studebaker Commander V-8 Starlight Coupe. White sidewall tires, chrome wheel discs—and glare-reducing tinted glass—optional at extra cost.

Presenting
 the New 1953 Studebaker
The new American car with the European look!

It's almost unbelievably low! It's impressively long and wide!

It has the sleek-lined smartness of a costly foreign car

and it's right down to earth in price!

It's less than five feet high!

1953 Studebaker Starliner hard-top convertible!

Truly a new sight into the future!

The completely new, sensationally different 1953 Studebaker unquestionably is the most daring step forward of our times in automobile design.

Here, first by far in an American car, is the continental charm of Europe's most distinguished cars—an impressively long new Studebaker that is so very low most people can see over its top!

Come in and find out about the exciting new 1953 Studebaker—dramatic in verve and flair—breath-taking in beauty inside as well as outside. Find out how down to earth in price it really is.

A brand new type of Power Steering

A Studebaker exclusive—available in Commander V-8 at moderate extra cost

★

Huge new expanses of safety glass all around

All models—Champions and Commander V-8s—have one-piece rear windows as well as windshields

★

A new and safer low center of gravity

It gives the car road-light stability on sharp turns as well as curves

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

The Northville Village Commission approved a five-year contract between the village and Northville township for housing, operation and maintenance of the township's fire truck and payment of the cost of 24-hour telephone service at the Village Fire Hall.

Stone's Gamble Store held a grand opening at their new store on East Main street, March 8. Portions of Fairbrook and Orchard streets were tentatively marked for paving in 1952 and 1953 by the Northville Village Commission.

The Northville Teacher's Club requested a revision of their 1947 schedule which would grant them a \$150 raise in minimum beginning pay and other benefits. Ch. Guntire of Franclie, pointer owned and bred by the J. P. Malley of Beck road, was declared Best of Breed at the Detroit Kennel club's 35th Annual Dog show.

FIVE YEARS AGO—

Mr. and Mrs. George McClelland of 46800 W. Nine Mile road, observed their golden wedding anniversary at an open house March 7.

Gerritt P. Rooks, State Project Engineer, announced that the one million dollar power plant project was begun Feb. 27 at the Northville State Mental Hospital. The 1948 American Red Cross Drive got under way under the chairmanship of George A. Locke. Quota for the local drive was set at \$1225.

"The Eggsoot Four", local members of the S.P.E.B.S.Q.A. entertained at the Community Old Time Dance held Feb. 26 at the Presbyterian Church house. The quartette consisted of Ralph Bogart, Charles Straus, Ernie Widmaier and Howard Wilkinson.

Mrs. Spencer Clark, one of the oldest residents of Northville, passed away at the home of her son-in-law, C. Ray Van Valkenburg February 26 at ninety-eight years of age.

TEN YEARS AGO—

Michigan's best Victory gardeners will be eligible to win merit awards and war bond prizes for gardening efforts in 1943, under plans of a statewide contest committee.

"Trouble", the white English shepherd dog of Mr. and Mrs. D. H. VanHove enlisted for action.

1179 Starkweather Ave. Plymouth

In a recent edition of the Saturday Evening Post.

Fred W. Lyke has purchased the interest of Roscoe Lang in the firm Lang & Lang and will continue the business.

The final debate of the season occurred in the high school auditorium this week. The team was composed of Ada Ely, Starr Northrop and Raymond Watts. They met Ypsilanti Normal High School and the local team won unanimously under the direction of Miss Aletha Yerkes, coach.

FORTY-FIVE YEARS AGO—

Carmi Benton came out with a fine new top on his milk wagon. Lyman Brooks purchased the August Root place on Wing street with plans to tear down the old house and build a new one.

Village Will Lose this 14 Car Parking Lot March 19

This parking lot at the corner of Center and Dunlap streets, which the village has been leasing from Ralph Pickard for the past year, will not be available for this purpose after the present lease expires March 19. Its loss for public parking will intensify the already serious congestion in the downtown area.

Northville Police Supporting Safety Program

Chief Joseph E. Denton today announced that the Northville Police Department is actively participating in the March state wide emphasis program sponsored by the State Safety Commission to make motorists aware of the responsibilities that go with a driver's license. "According to our records," the Chief said "we have checked a lot of licenses since March 1 and found several cases where the driver did not have his license with him and several times cases where the license had expired. In commenting on the importance of the driver's license the Chief said, "Our department realizes that when our examiner qualifies an applicant this is a very serious thing and if we fail to discover weakness in such a driving ability or an unwillingness to obey traffic laws this may result in such a driver being involved in a serious accident. In an effort to reduce traffic accidents we are studying each new applicant even more carefully than we have in the past."

"Our department believes" the Chief continued, "that any motorist who repeatedly commits hazardous moving violations should have his license suspended and whenever we discover such a motorist we shall recommend that he be re-examined by the state authorities." In conclusion the Chief urged all motorists to realize that they do not have a right to a driver's license but must qualify for the privilege by examination and they must drive safely to continue to justify their retaining the privilege of having a drivers license.

THE CASE FOR THE SPORTSMAN'S CLUBS

A very small percentage of all sportsmen in Michigan are affiliated with an organized group of kindred souls, and the fact is somewhat surprising when possible benefits are examined.

No one is going to deny that a well-operated sportsman's club can bring together a group of individuals with a common purpose: to gain the most fun and wholesome relaxation from their hobby of hunting and fishing. The club serves as a trading post for ideas, a forum place for the exchange of varied opinions on fish and game regulations, a training camp for young, up-and-coming sportsmen, and a birthplace for crusades in conservation which may one day have far-reaching beneficial effects on resources everywhere in Michigan Outdoors.

The Case Against

Despite all of these attractions hundreds of thousands of able-bodied, clear-thinking sportsmen studiously refrain from (1) joining any club, and (2) aiding or abetting any movement to start a new one. Ask them why, and they'll tell you no uncertain terms! Some have been club members. Others have been on the outside looking in — without envy they'll tell you that too many clubs are shot with internal feuds and politics. There are too many personal axes to grind in any ap-

proach to problems which should be viewed in the light of maximum benefits for all. Cliques form inside the clubs resulting in petty clashes and bitterness. Elections bring mud-slinging on a wholesale basis — and unlike politics on a state or national level, the memory lingers on. In short, they'll tell you, selfishness rules the roost.

The Cure

And in that last statement lies the word that could be written on the gravestones of many a departed club. When personal interests in any club are placed above the interests of the entire group, disaster is soon to follow. When farm groups band together to regulate against the non-land-owning cousins trouble is on the way. On the other hand, when the "city" sportsman screams against trespass laws, and crusades for a "don't-fence-me-out" set of rules he forgets that this is a world of give and take, and that he isn't offering to give a thing while he's taking all. When it comes to a universal law for sportsmen there's one rule that tops them all — that's the Golden Rule.

Put THAT in your constitution when you start a new sportsman's club! Put THAT in a new by-law if you're a member of a currently operating fightin' and feudin' club. The Golden Rule can point the way to a golden future for more and more sportsmen's clubs everywhere in Michigan.

Michigan Outdoors will return to the air on March 19th over WWJ-TV, Channel 4 with a thrilling full half-hour show from 7:00 p.m. till 7:30 p.m. DON'T MISS IT!

Ave. visited her daughter, Mrs. George Ring, in Detroit Monday afternoon.

Mr. and Mrs. Clinton Ault of Thirteen Mile Rd. visited with the Misses Lora and Freda Ault on Shadyside Ave. Tuesday morning.

The William Fishers of Mayfield Ave. have returned from their vacation in Florida.

Mrs. Cecil Willet of Mayfield Ave. was a Detroit visitor Tuesday.

Mr. and Mrs. Robert Kellogg and children of Filmore Ave. spent last Sunday with friends in Keego Harbor.

Pfc. Howard and Mrs. McLellan of Watertown, N.Y. were last Saturday guests of the William McLellans on Westmore Ave.

Mrs. Harry S. Wolfe of Shadyside Ave. gave a birthday luncheon honoring Mrs. George Robbins of Detroit, Tuesday, Feb. 17. Guests were Mrs. Frances Greene, Mrs. Ralph Voorheis, Mrs. Clarke Bonar, Mrs. Pat Mahoney, Mrs. Jo Potter, Mrs. Frances Wagner and Mrs. Stuart Shauler.

Illness of a brother-in-law called Mr. and Mrs. Harold Knapp to Bay City last Sunday.

Mrs. Frank Smith and her son, Allan, of W. Eight Mile Rd. were recent Sunday guests of Mr. and Mrs. Lawrence Shafer of Hazel Park.

Mr. and Mrs. Sofus Persson and daughter, Hazel, of Filmore Ave. were guests of friends in Detroit last Saturday evening.

Mrs. Reginald Ingraham of Detroit was the Sunday guest of Mr. and Mrs. Dallas Hay on W. Seven Mile Rd.

Mr. and Mrs. Chester Matteson and daughter, Patty, of Irving Ave. spent last week end with friends in Lapeer.

Mr. and Mrs. Orville Lindsley of Loveland Ave. had their two children, Ann Augusta and David Wallace baptized at St. Mark's

Episcopal Church, Detroit, last Sunday.

Mrs. Frances Greene and Mrs. George Robbins of Detroit were last Sunday guests of Mrs. Francis Wagner of Westmore Ave.

Ervin Bohlinger of Mayfield Ave. visited Mrs. Bohlinger in University Hospital, Ann Arbor, on Thursday.

J. C. Dunaman of Farmington Rd. spent a few days of this week as a patient in St. Joseph's Hospital, Ann Arbor.

Mrs. V. C. Reddy, Mrs. George Houtz and Mr. and Mrs. J. C. Dunaman were all in Detroit Wednesday.

Mr. and Mrs. Bob Bloch of Halsted Rd. called at the M. E. Ault home Monday.

Mrs. Edward Brugman of Norwayne visited with her mother,

Mrs. Grace Simpson, on Mayfield Ave. Thursday morning.

Mrs. M. E. Ault of Mayfield Ave. called on her daughter-in-law, Mrs. Robert Hunter in Detroit Thursday morning.

Mrs. Martin Breitmeyer of W. Seven Mile Rd. is enjoying a vacation in California.

Mrs. E. W. Stange of Mayfield Ave. entertained a dozen of her women neighbors at a Stanley party Thursday afternoon. At the beginning a dessert luncheon was served.

Mrs. Grattop, of near Traverse City, has been spending the winter with her son, A. Grattop, and his family on Mayfield Ave.

Emerson Ault of Washington, D.C. was a mid-week visitor at his home on Mayfield Ave.

Mr. and Mrs. Ernest Tallman of Mayfield Ave. visited relatives in Cass City last Sunday. Mrs. Tallman's sister, Mrs. Ethel Starr, returned home with them and for the past week has been a guest at the Tallman home.

Mrs. Walter Rehahn of Mayfield Ave. visited relatives in Wayne Thursday evening.

Mrs. J. C. Dunaman of Farmington Rd. and her niece, Mrs. "Red" Kraemer of Redford called on Mrs. Ervin Bohlinger in University Hospital, Ann Arbor, on Thursday afternoon.

Mr. and Mrs. Frank Smith of W. Eight Mile Rd. are grandparents again. In St. Joseph's Hospital, Pontiac, on Feb. 19, a seven pound, eleven ounce daughter, Susan Marie, was born to Mr. and Mrs. Wesley Smith of Farmington Rd.

At her home on Farmington Rd., Miss Carol Lee Shauler recently honored Mrs. Arthur Tousignant with a stork shower. Mrs. Tousignant is the former Orene Rutenbar. Sixteen guests were present. Bunco provided entertainment. On Feb. 15, a four pound, eleven ounce daughter, Karen Lorraine, was born to Mr. and Mrs. Tousignant.

Residents of this community have learned with regret of the death in Detroit about Feb. 15 of Mrs. McLean, widow of Dr. McLean, who, for many years, resided on Seven Mile Rd.

Mrs. Lawrence Smith of Lambertville is a house guest this week of her daughter, Mrs. Louis Jennings and her family on Norfolk Ave.

Mr. and Mrs. John Varhol of Shadyside Ave. visited their daughter, Miss George Ring, in Detroit Friday evening. A birthday celebration was in order for Mrs. Ring.

Mrs. E. W. Stange of Mayfield Ave. reports that her daughter, Mrs. William Griffith, who has been seriously ill in the Wy-

lotte Hospital, is now much improved, and has returned to her home in Dearborn.

At his home on Shadyside Ave. Friday evening a family dinner celebrated the birthday of Russell Ault.

At her home on Hugo Ave. Tuesday night, Mrs. Dave Kelbert was hostess at a dinner at which school girl friends, some of whom she had not seen for thirteen years were guests. Place cards featuring old snapshots of the ladies were used at the place settings. Those in attendance were Mrs. Carol Donohia, Miss Mary Davis and Mrs. Phyllis Brown, of Detroit, and Mrs. Evelyn Donaldson of Riverside.

Mrs. James Maynard and her three children, who, for the last week have been with Mrs. Maynard's mother, Mrs. Schult, on Shadyside Ave. returned to their home in Norwayne this Saturday.

Mrs. Emerson Ault of Mayfield Ave. was a mid-week caller at the home of her sister, Mrs. John Ackermann, in Dearborn. Mr. Ackermann is ill and being treated at the Veterans' Hospital.

Mrs. Andrew Wedge of Flamingo Ave. entertained her W.S.C.S. group of the Clarenceville Methodist Church Tuesday evening.

Mr. and Mrs. George Throne of Ypsilanti and Mr. and Mrs. Loren Reed of South Lyon were all in Thursday evening to visit with the ladies' parents, Mr. and Mrs. Austin Ault, on Brentwood Ave. and to attend the party honoring Mrs. Wheeler at Bentley High.

Mrs. Austin Ault of Brentwood Ave. attended a Red Cross workers' meeting in Detroit Friday afternoon.

Refrigerator MOTORS

When your refrigerator motor needs replacing, why not have us install a Delco, the choice of leading manufacturers because of their quiet operation, long life, peak performance and dependability. Delco builds a size and type for all makes.

DeKay Electric
431 Yerkes Street
Northville Phone 262

Ervin Bohlinger of Mayfield Ave. visited relatives in West Branch last week end.

The draft board is very busy. Edward Stange, Jr. was one of those who received a questionnaire this past week. David Grattop of Mayfield Ave. was among those called for medical examination Thursday.

Doing unto others as we would that they do by us, is immortality's self. Intrepid, self-oblivious love fulfills the law and is self-sustaining and eternal.

There is no such way to attain to greater measure of grace as for a man to live up to the little grace he has.

Here is Chrysler Quality
at SURPRISINGLY LOW COST!

- If you're "budget-minded," this may astonish you : : :
• . . . this stunning new Chrysler Windsor can be had for little more than a low-priced car with all its extras!
- Here's Chrysler quality and prestige at modest cost. Plus Chrysler size, comfort, and safety, too!
- Famous Spitfire engine is a joy to command : : :
in every driving situation!
- Full-time Power Steering, if you wish it, lets you turn and park with the gentlest of guidance. No wheel fight, ever!

- Immediate response, too . . . you don't have to turn the steering wheel so much to turn the front wheels. It's safer all ways!
- Revolutionary Oriflow shock absorbers waft you over roughest roads as gently as you'd carry a basket of eggs!
- Chrysler engineering has added more new improvements . . . first . . . to motor cars than all others put together!
- If your next new car means a "big decision" on your part, isn't it smart to investigate the most that's to be had? . . . especially when it's priced below all normal expectation!

The beautiful
CHRYSLER WINDSOR - one of America's first family of fine cars!

On March 24, Mr. McCarroll of the Moody Bible Institute will show the inspiring scientific picture "Hidden Treasures" in the church at 7:30 p.m.

(Continued on Back Page)

CHRISTIAN SCIENCE CHURCHES

Man's true relationship to God is explained in the Lesson-Sermon entitled "Man" to be read in all Christian Science churches on Sunday, March 8.

The Golden Text is from Psalms (84:4,12): "Blessed are they that dwell in thy house: they will be still praising thee . . . O Lord of hosts, blessed is the man that trusteth in thee."

Among the Bible citations is this passage (Gen. 1:27): "So God created man in his own image, in the image of God created he him; male and female created he them."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, include: "Continuing our definition of man, let us remember that harmonious and immortal man has existed forever, and is always beyond and above the mortal illusion of any life, substance, and intelligence as existent in matter." (P. 302)

FIRST METHODIST CHURCH OF NORTHVILLE

Ivan E. Hodgson, Minister

Res.: 548 W. Dunlap - Tel. 699-M

Sunday, March 8:

10 a.m., Church School. A class for everyone.

Good Start for a Good Day

The average American family shown above is illustrating how to avoid jangled nerves, lowered efficiency, lack of energy and dull wits.

They are doing it simply enough by eating a good breakfast. For, according to nutrition experts, all those symptoms can result if you skip or skimp breakfast.

Speaking to his board of governors, Curtis H. Scott, of Louisville, Ky., chairman of the American Bakers Association, recently related numerous findings on what happens when you start omitting the first meal of the day, or cutting it down to a minimum.

Studies have shown that people who omit breakfast lose efficiency around mid-morning. They make more mistakes in their work, slow up generally. Children show less response in school than do those who eat a complete breakfast.

Scott figured that a loss of ten minutes per day per person as a result of poor breakfast habits can account for 43,000 lost man hours per year in a company employing 1,000 persons, as one ex-

ample of what can happen if breakfast habits are bad.

He quoted from a number of eminent authorities who emphasize that the human body cannot stay efficient if it does not receive food between the evening meal and lunch the next day.

He related a report from Dr. E. V. McCollum of John Hopkins University who notes that bodily stores are reduced during the night and if they are not replenished by adequate breakfast, weakness, irritability and reduced stamina result.

And what is a good breakfast? Nutritionists list fruit or juice, cereal, eggs and breakfast meat, toast and your usual morning beverage with milk preferred.

That kind of a breakfast provides a suitable proportion of the body's requirements for the day ahead in protein, calories, calcium, vitamins and minerals and other elements.

Woman's Union to Meet Wednesday

A combination playlet and Lenten musicale will highlight the meeting of the Women's Union of the Presbyterian Church Wednesday, March 11 at 1:30 o'clock.

Ladies of the Nellie Yerkes Circle who will participate in the play are Mesdames George Weiss, William Williams, L. Orlick, William Weidner, Howard Meyer and Mrs. Alfred Parmenter.

Serving on the reception committee for the afternoon will be Mesdames Parmenter, Weismeyer and Orlick.

Spring drive. Dino is a graduate of Northville High School and in November completed a five-year course in chemical engineering at the University of Detroit, although graduating exercises will not be held until June.

Dino Politz Leaves for Air Force Duty

Dino J. Politz left Northville last Saturday to begin officers training in the Army Air Force and is now stationed at San Antonio, Texas. He is the son of Mr. and Mrs. Frank Politz, of

Girl Scouts Plan Fair to Observe 41st Anniversary

The 41st anniversary of the founding of the Girl Scouts of America will be commemorated in Northville by the presentation of a Girl Scout Fair on Saturday, March 14, at the First Presbyterian Church House. The fair will be open from 2 to 4 o'clock.

Fourteen active troops in the village, which include 235 Girl Scouts and Brownies, will have on display handicrafts, camping equipment and projects completed during the past year.

A program consisting of songs, and a playlet, will begin at 2:30 p.m. under the direction of Mrs. Francis Jennings, general chairman of the event. Refreshments will be served by the executive council of the Northville Girl Scout community committee.

Scouting activities are under the supervision of 29 leaders and co-leaders—local women who have volunteered much time and effort in maintaining a well-rounded scouting program.

Parents of Scouts and Brownies are encouraged to attend the fair to view the accomplishments and to learn more about the aims and ultimate benefits of the scouting program, as presented here in Northville.

Style Show Set by Legion Auxiliary

Mrs. Paul Burnham and her committee are busy making final arrangements for the style show which the auxiliary to the Lloyd H. Green Post 147, American Legion, is planning to present Thursday afternoon, March 19.

A dessert luncheon will be served during the style show at 1 o'clock at the Memorial Hall.

Mrs. Nellie Barry, owner of the Freydl Ladies Store, has arranged to show smart spring and summer casual ensembles with the functional approach, her latest spring-into-summer fashions. Guests may play cards following the show with prizes being awarded for each table.

Tickets may be purchased from Mrs. Merrill Sweet, phone 337, or at the Freydl Ladies Store.

2 Varsity Debaters Enter State Scholarship Contest

The technique of effective speaking developed through practice session, preliminary debating engagements and careful coaching will be demonstrated by Lucien Lovewell and Walter Newton when they participate in the Debate Scholarship Contest at Ann Arbor, March 17 and 18.

Varsity debaters, Lucien and Walter, who are seniors at Northville High school, became eligible for competition in the contest by winning the District Elimination Debate Tournaments held last week in Farmington.

The boys tally an above average scholastic rating and a record of inter-scholastic debating for two years under the guidance of Miss Florence Panattoni, debate coach.

The competition which is given under the auspices of the Detroit Free Press, is open to debaters whose school is a member of the Michigan High School Forensic association.

Cash awards, in the form of an account deposited with the president or registrar of the college of the students choice, will be granted in the amounts of \$1200, first place; \$800, second place, and third place winner will receive \$500.

Discussion on the formulation of by-laws to govern the Northville Cooperative Play School was held Wednesday evening, Feb. 25 when officers of the State Board of the Michigan Council of Cooperative Nursery Schools and three representatives of the Wayne-Oakland County area met at the home of Mrs. Howard Meyer of Eight Mile Rd.

The group laid plans for the annual meeting of the council to be held May 12 on the campus of Michigan State College, East Lansing. Mrs. Katherine Whiteside-Taylor, who has been very active in the promotion of cooperative nursery schools and has helped establish 78 units in a western city, has been engaged as speaker of the convocation.

Officers of the Michigan Council attending the meeting were Mrs. Helena Guernsey of Detroit, president; William Genné of Flint, vice-president; Miss Margaret Smith of Ann Arbor, secretary-treasurer, and George Holmes, Lansing, newsletter service.

Mrs. Cecil Pretty of Allan Park, Mrs. Marjorie Mitchell of Detroit and Mrs. Sherry Meyer of Northville are the representatives of the Wayne-Oakland County area serving on the 14 man state board of the Michigan Council of Cooperative Nursery Schools.

Church Circle Plans Bake Sale Tomorrow

Ladies of the Friendship Circle of the First Presbyterian Church are planning to hold a bake sale, beginning at 10 o'clock tomorrow, Friday, at the Northville Men's Shop on East Main St. Any kind of baked goods donations will be appreciated, said a spokesman for the group, as well as customers to purchase the items.

Any person desiring to have their contributions picked up at their home, may call Mrs. Franklin Beeks, phone 786-M tonight for arrangements.

AmVet Ladies Plan Future Activities

Perry Kenner Amvet Auxiliary of Post No. 76 met at the home on Grand River February 17. The ladies decided that they should meet twice a month, the first and third Tuesdays.

A pancake supper will be given by the auxiliary March 18 at the new community building from 5:30 to 7:30.

The Amvets and Auxiliary are planning to present an electric roaster to the new Community Building and Doris Calan is in charge of a project to sell shampoo to obtain a coffee maker for the new Amvet Hall. The Auxiliary has decided to do some sewing on baby dresses for the Children's Hospital.

Northville Girls Attend Hospital Tea

Miss Ruth Knapp, school nurse and five girls attending Northville High School who are interested in a nursing career, attended a tea given Thursday by the faculty and students at Highland Park General Hospital. The girls were Eva White, Arlene Jerome, Lila Lee Scow, Sharon Teshka and Norine Venune.

Following tea, guests were taken on a visit through the hospital, the pediatrics ward and the nurses home. While there the girls saw Luanne Robinson, who is a graduate of N.H.S. and in training there.

Six graduates of N. H. S. are now in training or recently completed their courses: two at Henry Ford School of Nursing, one at Grace, one recently graduated from Sparrow School of Nursing at Lansing.

Post Nuptial Shower Fetes Mrs. Tredick

Sixty friends and colleagues of Mrs. George Tredick attended a post-nuptial shower given in her honor Monday evening at the home of the hostess, Mrs. W. Leonard Howard on West Eight Mile road.

Mrs. Tredick, who was Miss Ida Schreffler previous to her marriage on Feb. 14, has been on the staff at Maybury Sanatorium for several years. Her husband, D. Tredick, became a Maybury staff member about two years ago.

High School Senior Reveals Engagement

Ardena Grace Leavenworth

Mr. and Mrs. Carl Leavenworth of Twelve Mile Rd., Novi, announce the engagement of their daughter, Ardena Grace, to Allan Patterson (Pat) Willis, son of Mr. and Mrs. Allan Willis of Wolverine Lake.

Ardena is a member of the 1953 graduating class of Northville High School. Her fiancé is employed by Briggs Manufacturing Co.

No date has been set for the wedding.

Mrs. G. Cummings Hosts Garden Club

Members of the Northville Branch of the Woman's National Farm and Garden Club will meet at the home of Mrs. Glenn H. Cummings, 43525 West Six Mile road, Monday, March 9, at one o'clock.

"A Preview of Spring," illustrated by slides of her garden showing early spring blooms, will be the first topic of the two selected by the afternoon's speaker, Mrs. H. B. Putnam of East Seven Mile road.

Slides from the personal collection of Jan deGraaff, a West Coast horticulturist, famous for his work in lilies and for the development of many outstanding strains, will be shown to illustrate Mrs. Putnam's second topic. Her remarks will tell of a visit at the renowned Jan deGraaff Lily Farms in Gresham, Oregon. The famous lily gardens were especially included in the itinerary of Mr. and Mrs. Putnam while on a recent tour of the West Coast.

Buddy Also Discharged

Christmas Tree Festivities Preserved for Returned Vet

Pfc. William Klaserner found a Christmas tree with all the trimmings waiting for him Saturday evening when he returned from 15 months as a machine gunner with the 12th Infantry, 28th Division in Heilbronn, Germany. Bill telegraphed his parents, Mr. and Mrs. J. K. Klaserner Monday when his ship docked in New York and they picked him up Saturday at Fort Custer for an overnight pass.

Bill's eyes were almost as bright as the colored lights which he burst into his family's home at 26909 Novi Rd., Novi, where he was greeted by his brother, John, and a host of neighbors, friends and relatives.

His parents explained that they had kept their Christmas tree and Bill's gifts since the holidays to provide their son a real welcome home.

Exclaimed Bill after opening his gifts, "Christmas in Germany was fine, but this sure beats everything. This is wonderful!"

Soldiers Entertain

Christmas Day in Germany was a busy one for Bill and his company. The group entertained at an orphanage near their camp, providing both the children and the soldiers with a merrier day than they might otherwise have had.

After two years of service, Bill will be discharged some time this week at Fort Custer. Immediate plans include catching up with local news and some of Mrs. Klaserner's good home cooking.

Tuck Returns

Similar excitement prevailed in the Walter Tuck home on

43111 Grand River, Novi, when their son, Cpl. Harold Tuck, returned Saturday evening from 15 months service with the mechanical supply corps of the same division in Germany with which Bill Klaserner served. He was detached from military service Tuesday.

The boys entered the army the same day in March two years ago and while serving in Germany, were stationed only a mile apart.

Was Mechanics Student

Harold tells of attending an eight week's course at mechanic's school in Esch-Wegge, a camp located on the Russian border. One night while on guard duty along the border's fence, a frenzied group of snarling dogs lurched at Harold from the Russian side, apparently displaying what the well-trained Russian dog does on border patrol. Nice people, these Russians.

Girl Scout News

Monday, February 9 we had a party. The Cardinal patrol cooked and served for the Eagle patrol. The Eagle patrol put on a play for the Cardinal patrol. Two girls were invested the same night. They were Sarah McKiddie and Brenda Alcon.

We met at the Presbyterian church February 25. We went in to our patrol groups. That day each group was going to do a skit. We thought of a skit then went into a room and practiced it. The Eagle patrol gave their skit but we didn't have time for the Cardinal's. Then we had a discussion. After we ended the ceremony with "Hands Around the World."

Lou Ann Comer, Scribe

Brownie Troop No. 3 had their regular meeting at the Novi school February 25. They discussed Juliet Lowe's birthday and cut our Brownie dolls. We were assisted by Mrs. Marge F'Geppert and treats were furnished by leader Jean Clark. Sharon LaFond's name was omitted last week in the group of those who flew into Brownie Troop No. 2.

Board of Review, Novi Township

BROWNIE TROOP NO. 14

Our Brownie troop celebrated its birthday with a big party last Thursday. We invited our Mothers, Grandmas, Aunts and little brothers and sisters.

After the Flag Ceremony, our leaders, Mrs. LeFever, Mrs. Parmenter and Mrs. Williams, presented us with our one year pendants. Then we entertained our guests with two plays, "Sleeping Beauty" and "The Brownie Story."

We bought our cake with brown and yellow and had a Brownie emblem with a big candle in front of it. Our troop committee Mrs. Mulligan, Mrs. Lee, Mrs. Muller, Mrs. Hochkins and Mrs. Gaudy served us sandwiches, punch and candies too.

Julie Gazley, Scribe

Girl Scout leaders Mrs. Eddle-mann, Mrs. Bassett and Mrs. J. Clark attended a day camp reunion program February 25 in the Ranch Room at the Birmingham Community Hall.

A Novi Girl Scout leader and committee meeting was held at the home of Mrs. Mary Guntz-viller on Eleven Mile Road Tues-day, Feb. 24. Plans were discussed for the Juliet Lowe cere-monies at the Farmington gym March 14 from 7:30 to 9:00. All the Girl Scouts and their families

Bounce Per Ounce

It doesn't take long for this fellow to get started on his way, as the conservation department photographer discovered. But that speed, added to the white-in-winter, dark-in-summer coloration makes snowshoe hare hunting one of Michigan's outstanding sports. The snowshoe hare gains his name from the size of his hind feet, large enough to carry him over deep snow without bogging down.

Church or General Scientist Lecture Set for March 10

PAUL STARK SEELEY, C. S. B.
Portland, Oregon

Paul Stark Seeley of Portland Oregon, will deliver a free Christian Science lecture entitled "Christian Science: Christianity in Action" in Fourth Church of Christ, Scientist, Detroit, on Tuesday, March 10, at eight p. m.

In this lecture, Mr. Seeley will show that unconditional freedom from the tyranny of materialism, including fear, disease, lack and sin is a present possibility today through the spiritual understanding of the teachings of Christ Jesus.

Mr. Seeley is a graduate of Princeton and Harvard Universities of Law School and spent some years with an engineering company in the Northwest before resigning to devote his full time to Christian Science. He has traveled throughout the English-speaking world, Europe, S. America, S. Africa, and Australia, speaking on Christian Science.

Advances in Styling, Engineering Mark K-F Fiberglass Sports Convertible

Kaiser-Frazer Corp. today announced details of its forthcoming Fiberglass sports car the DKF-161—first automobile with a body of reinforced-plastic to be scheduled for volume production.

The low, sleek convertible combines the rakish flavor of European sports car styling with the advanced techniques of American automotive engineering.

Styled by Howard A. Darrin, Paris and Hollywood car designer, the sports model is 15.3 feet long from bumper to bumper, and only 36 inches high from ground to cowl. With the convertible top in place, over-all height is 54 inches, lower than any U. S. production car. The body at the widest point is 69 inches.

Fabricated completely of corrosion proof, lightweight Fiberglass reinforced plastic the DKF's shell weighs only 300 pounds, a fraction of the weight of an equivalent body in steel. With a road weight of slightly over 2,000 lbs. the sports model weighs about 1,500 pounds less than the lightest American convertible.

The DKF's length and silhouette combine to provide a low center of gravity and outstanding stability, particularly in "cornering" without sway or roll. Precision center-point steering and a full 132 square inches of braking surface are added road safety feature.

Developing over 100 horsepower its six-cylinder engine has a high compression head and a compression ratio of 8 to 1. Three carburetors are mounted in line on the L-head power plant to provide the most efficient air-fuel mixture, and a dual exhaust system with twin tail pipes insure rapid elimination of all exhaust gases.

Scheduled for production in July, the DKF-161 features a high horsepower to weight ratio which provides exceptional high speed acceleration. Engine efficiency and low over-all car weight combine to offer a high degree of fuel economy.

From the headlights which are "frenched" into the fenders, to the protruding plastic tail lamps, the crisp sports styling lines are completely uninterrupted by chrome ornamentation. Chrome trim is used only along the rocker panel at the base of the body.

Seats, door panels and dash are finished throughout in top grain leather in solid colors to harmonize with body paint. Each of the individual "bucket type seats is nearly 24 inches in width.

Instrument panel dials are set into the padded leather, dash, which extends the full width of the body. Gauges, in addition to conventional speedometer, oil pressure, amperage, fuel, and water temperature dials, include a tachometer to indicate engine revolutions per minute.

The folding three position top is completely concealed under the rear deck when not in use. It may be mounted in conventional convertible top position, or in landau style with front quarter open.

Innovations in body design include doors which slide into closed compartments in front fenders when in position. The sliding door feature facilitates exit and entry in curbed parking lots, and in crowded parking lots, as well as eliminating the hazard of accidental opening when the car is in motion.

The DKF's sports car will be offered in a full range of new colors and a series of custom styled interiors. Wire wheels will be available as optional equipment.

Wall Assaultants Held for Trial

(Continued from Front Page)

of the severe beating which he testified was administered by the two men a week previously, said that after coming to his house to buy a chicken, the men slugged and knocked him down in his chicken house. Then, he said, they picked him up in a dazed condition and half-carried, half-led him inside his house where they threw him on the bed and commenced beating him and pricking his neck with a pointed instrument which he believed to be a knife, although he could not see it. Norton, Wall testified, threatened to take his life if he didn't produce more money than the \$12.50 they had found in his pocketbook.

Concerning Rolin's part in the affair, Wall testified that the younger man urged his companion at one point to "stop beating the old man because you'll kill him if you keep it up".

The wives of both men were present at the hearing. Mrs. Rolin told a Record reporter after the hearing that her husband had not been in trouble previously but on the day when the Wall assault occurred Norton, his uncle, stopped at their home and invited the nephew to go out and have some drinks with him. Both men had been drinking separately previously, she said, and her husband went along with the uncle. "Normally", she said, "we tried to avoid associating with Norton because he is no good and always in trouble. This time, when my husband had been drinking too, he accepted his uncle's invitation to accompany him for another drink."

Optimists to Hear Judge Payne Tonight

Judge Jay H. Payne, probate and juvenile court judge in Ann Arbor, will address a joint dinner meeting of the Northville Optimist Club and the newly organized Junior Optimist Club tonight, Thursday, at the Lutheran Church house.

Judge Payne is present Lieutenant Governor for the Southwest Zone of the 17th District of Optimist International of which the local organization is a part. In this capacity he will formally charter the recently formed junior service club and will induct new members into the organization.

Junior Police Bake Sale Nets \$155

The Northville Junior Police are richer today by \$155. Receipt of the amount from the bake sale held at the Northville Record office Saturday morning was announced this week by Mrs. Howard Meyer, chairman of the Junior Police Finance committee, sponsors of the project.

"The response of townspeople was overwhelming", Mrs. Meyer exclaimed in expressing her appreciation for the cooperation of those who provided the saleable baked goods and those who purchased them.

The sale is the first of a series of projects planned by the recently organized finance committee to raise funds for Junior Police activities which up to this time had been financed solely through the quiet generosity of one man. Chief of Police Joseph Denton, founder of the organization in Northville, states that the present enrollment of these young "sidewalk policemen" numbers more than two hundred with a growing demand for membership.

New Talk About Village Parking

James E. Littell, Village attorney, urged in a letter to the Village Commission Monday evening that it revive negotiations with property owners, and if necessary take legal action, to secure portions of certain property on the north side of Main St. and west of Hutton St. for completion of a proposed alley program in that block.

There remain to be obtained, he said, conveyances covering necessary areas of lots 696, 697, 698, 699, 700, 708, 711 and 715 of Assessors Northville Plat No. 7.

Arrangements were also made by the Commission to have Commissioner Claude Ely and Herman J. Hartner, Jr., superintendent of public works, meet with Gilbert T. Jerome, Village consulting engineer, next Tuesday to work out plans for completion of the alley and parking lot program south of Main St. between Center St. and the First Presbyterian Church. Work remaining to be done includes hard surfacing the parking lot and alley, and construction of some additional retaining wall sections. Mr. Jerome is to provide the Village with an estimate of the cost of such work.

Boys and girls of the Grade school have been given an opportunity to show their appreciation for the loyal work of the patrols by bringing a penny or two to school Thursday or Friday to help finance the dinner.

Farmington Players Stage Broadway Hit

The newly-formed Farmington Players' group will present its first play, "The Torchbearers", Mar. 6 and 7 at the Farmington Methodist Church.

The play, which is directed by Mrs. George Nahstoll, is a famous Broadway hit, staging a play within a play and cleverly presenting to its audience the trials of local adult dramatic groups.

The American Association of University Women is sponsoring the project with a view to developing a permanent dramatics group in the area, and also raising funds for aiding research in science and education.

Legion Promotes Membership Drive

An intensive membership drive was launched this week by the Lloyd H. Green Post 147, of the American Legion of Northville.

Through the concerted efforts on the part of officers and members of the local post, membership interest runs high in planned activities and projects which may attribute to the exemplary record of the local post.

Many benefits available to ex-servicemen and women have been brought about through the efforts of the American Legion organization. An outstanding example is the familiar "G. I. Bill of Rights." This legislation was conceived, written and propelled through Congress solely by the American Legion as a tribute to World War II veterans and is now available in substantially the same form to Korean servicemen. Rehabilitation for veterans and their dependents is one of the active programs of the American Legion, as well as the sponsorship of such activities as Boys' State, junior education, Boy Scouts, school awards and oratorical contests.

"The American Legion is consistently conscious of its obligations to veterans of war service and to their dependents—the department is ever on the alert to secure and preserve both Federal and state benefits for such veterans. The administrative and service personnel are constantly in contact with the congress and the legislature to seek passage of initiatory and amendatory legislation in the interests of veterans." Each one of these programs requires money and manpower. The American Legion needs active, interested members to help carry on this program for the good of the community, state and nation.

All veterans are urged to join NOW. Any information regarding membership in this organization can be obtained by contacting Donald B. Severance, membership chairman.

For The Record

(Continued from Front Page)

views we know that he is perfectly sincere and that he has the courage of his convictions. Stubbenvoll has been in favor of becoming a city, and has worked as a member of the Incorporation Committee. His wish to have the Village Commission endorse the Committee's work is understandable.

We are at a loss to understand, however, the reasoning of other Village Commission members who this week refused to go on record as either for or against the proposal. No one can know better than they the limitations and obstacles to progressive government that they face under the present outmoded charter. And with another year's budget coming up within a month, under which villagers will be asked to pay in property taxes approximately \$70,000 during the coming year, they must have known that endorsement of the Incorporation Committee's plan probably would have been a decisive factor in obtaining a favorable vote at the election April 6. Such a favorable vote could have resulted in the proposed city obtaining approximately the same amount as the coming tax levy as a rebate of the state's share of the proceeds of parimutuel betting at Northville Downs this season.

We are puzzled by the argument advanced by Village Attorney Littell in reply to Commissioner Allen's request for his opinion on the propriety of the commission endorsing the move to make Northville a city. Mr. Littell told the Commission that because they had not been elected on a platform calling for adoption of a city form of government, they could not ethically endorse it now.

If this was sound advice, it may also be argued that no village commission may ever take action on any important matter that has not been foreseen at the time its individual members were elected. Carrying this line of reasoning to its logical conclusion, four years would be required for election of a village commission pledged to support becoming a city, or willing to support or disagree with any other proposal which members had not pledged themselves to support when they were elected. If this is the case, the village may expect nothing to be accomplished by the present commission toward giving it better parking facilities, a community building, or improved paving of its streets if it appears that there is any division of public opinion. We believe that even Mr. Littell, when he has had time to reflect, will recognize the absurdity of his advice to the commission Monday evening.

But even though we disagree with Mr. Littell on this point, and despite the fact that when he based his advice on ethical grounds we mentioned that there may be a conflict of interest in his serving both the Northville Township Board and the Village of Northville as attorney, we do not believe that he must necessarily resign as attorney for the village, as he offered to do. Mr. Littell is a capable attorney who has served the village well. Not only would it be extremely difficult to secure an equally competent attorney to take his place; we do not feel that this should be necessary.

As an alternative, he could follow the example of many jurists who have voluntarily disqualified themselves from hearing cases in which there may be a personal element involved. By so doing, he would refrain from participation in the legal aspects of city incorporation, but continue to serve the village's other interests as in the past.

We know for a fact that Jim Littell's advice has saved the Village far more in money than it has paid him in salary and legal fees. We feel also that had his legal advice been sought by the City Incorporation Committee, the danger of legal attack upon the result of the vote April 6 might have been materially lessened.

The Northville Record has favored city incorporation for Northville in the past. It still favors it, even though the Village Commission has failed to support the move. Opponents have raised legal objections based largely upon ambiguities in the law. Perhaps they are right. Perhaps they are mistaken. Only the courts can decide.

It seems to us that those who want a city form of government here should support the City Incorporation Committee's effort in this direction by an affirmative vote at the April 6 election. Then, and only then, can the law's conflicting provisions be carried into court and clarified for the ultimate good of other villages whose geographical location is in two counties.

Poor Cornland Hurts Average

Lansing-Michigan could cut off one-fourth its corn acreage and boost average yield on the other three-fourths for a bigger total corn yield and more profit, says Dr. Lloyd M. Turk, Michigan State College soil scientist.

Poor soil, poor drainage, too much dry eroding land and growth of corn in areas where the season is normally too short cuts Michigan's average. It was 37.5 bushels per acre for the past 12 years, including the unusual 50 bushel average in a rare corn season in 1952.

With 1,672,000 acres in corn—as in 1952—the average total would be nearly 63 million bushels of corn.

Better rotations, high producing adapted seed, heavier plantings, more fertilizer—especially nitrogen—and other practices can boost the production easily to 55 bushels per acre.

The net result, from 55 bushels on three-fourths as many acres, would be nearly 69 bushels. This extra six million bushels—worth about eight million dollars—could be produced on the better cornland and the poor cornland could produce other more-suited crops.

It is vain to expect any advantage from our profession of the truth if we be not sincerely just and honest in our actions.

—Sharpe

intersection of Main and Center streets, by a car driven by David DeJohn of 17637 Beck road.

According to the police report, the pedestrian was crossing Main street against the light and David was travelling east at 18 miles per hour with the green signal, but vision to his left was obscured by two cars which had waited for the light and had not yet started up.

David was released pending investigation Saturday by Chief of Police Joseph Denton.

during March only!

Here's the opportunity of a lifetime to enjoy important savings on a dependable Timken Silent Automatic oil heating unit. During March only, any furnace, boiler, conversion burner or water heater in our shop is yours at a 10% discount. We're making this offer only because our installation crews must be kept busy during this slack season. If you act now, you can accomplish big savings! A Timken Silent Automatic conversion burner can be operating in your present coal-furnace or boiler before your house has had an opportunity to cool off. Phone today! Ask about easy terms, as low as 10% down, 36 months to pay!

The famous wall-flame burner, heart of every Timken Silent Automatic oil unit, blankets heating plant walls with a blue-hot flame—assuring efficient, economical heating. Consistently saves up to one fuel oil dollar in every four. If you have an oil-hog gun-type burner, replace it now!

G.A.L. Ball Tourney Past Halfway Mark

by Joanna Weismeyer

The basketball tournaments are well under way; in fact, there aren't many more games left in the series. Tuesday night, Prunty's junior team beat Hick's freshman team; Springer's sophomore team beat Snow's freshman team, and Adcox's sophomore team beat Laney's freshman team.

There will be basketball playdays in the future.

6th Graders Hear Symphony Concert

by Carolyn Miller

Today some of the sixth graders are attending the last in a series of symphonic concerts offered to the metropolitan area by Detroit Public Schools. Four such concerts have been offered enabling most of the sixth graders to attend with Mrs. Burton, their music instructor. These concerts are given by the Detroit Symphony Orchestra in the Masonic Temple.

HOT WATER LUXURY With an Automatic GAS WATER HEATER Fast • Convenient • Clean

The luxury of clean hot water begins the day you install an automatic Gas water heater. You'll find household chores are easier and faster. The whole family will enjoy the pleasure of all the hot water they want day and night. No more weary trips to the basement to tend the old fashioned heater every time someone wants hot water. And here is one luxury that is both practical and economical because you get convenience and dependability for only a few cents a day.

Response Good in Clothing Drive

by Carolyn Miller

Through the generosity of many grade and high school students and their parents, many contributions were received for the clothing drive held in the schools recently. This drive was sponsored by the school superintendents of the nation and was called "Save The Children Federation, Inc." The clothes received will be used to help the less fortunate children of our own area and any surplus will be sent on to the needy of the state and nation.

Speech Panel Debates Homework Problem

Last Thursday's meeting of the Parent-Teachers Association featured a panel discussion by seven speech students, Jean Nieuwkoop, Winifred Welch, Ursula Hamacher, Nancy Dewsbury, Jurgen Bonnet, David Severance and Lynnwood Fritz. The subject was homework, that ever-present problem. The discussion was an interesting pro and con interchange with audience participation.

SENIORS

The various committees for this year's Senior Prom have met and are planning the theme, decorations, refreshments, advertising, and all the other necessary items for a successful dance. Already visions of the Washington trip are dancing in the heads of the busy seniors — and no wonder, for that event is only two and a half months away!

MSC Student Group Hear Mr. Amerman

by Carolyn Miller

Last week, Mr. Amerman, superintendent of Northville schools, addressed women students of a home economics club at Michigan State College. The subject of his address was "How To Be A Successful Teacher". Following his talk, there was a discussion concerning letters of application and the technique of a good interview when applying for a job. Two graduates of Northville High School were present in the group. Corrine Clark, daughter of the Eural Clarks, of Northville, a senior, and Mrs. Robert Parmenter, a junior at MSC, was chairman of the program.

NHS Talent Wins at DAR Amateur Show

by Carolyn Miller

Students of Northville schools exhibited a remarkable amount of talent last week at a talent show sponsored by the DAR. The contest was held in Plymouth for talent of the surrounding area. The following Northvillites took top honors at the show: In the senior high school division, Sarah Burks, Donna Frisbie and Cynthia Mellen took first, second and third place, respectively. George Bennett and Lee Campbell took first place in the junior high division. The grade school winners were Racina Bailey, first place and Richard Drew, third place.

Good luck, to these potential stars of tomorrow.

Girl Scout Troop 11, Patrol 2 We met Thursday at Mrs. Sedan's house. We worked on pillowcases to give our mothers for Mother's Day. We also worked on the plywood covers for our patrol set up book. We had taps and closed the meeting. Linda McKinney, Scribe

DOLLAR FOR DOLLAR YOU CANT BEAT A

53 Pontiac

A GENERAL MOTORS MASTERPIECE

Solid Choice of Solid Citizens!

In its distinctive beauty, its size and comfort, its interior luxury and its all-around performance, Pontiac ranks high among America's quality cars — yet it's priced just above the lowest!

Thus Pontiac has an almost irresistible appeal to people who find it wise to keep their automobile investment at a minimum — without sacrificing quality. It is this unique combination of goodness and price which makes Pontiac the solid

choice of those solid citizens who are money wise and quality conscious.

The reasons for this preference were never more obvious than in the 1953 Pontiac. But more important, it carries on Pontiac's tradition of long life and carefree, economical dependability.

Come in and see how this great new car offers wonderful proof that "Dollar for Dollar You Can't Beat a Pontiac."

FINEST OF FEATURES AT THEIR LOWEST COST

and Mrs. J. D. Mitchell will open her home to the group this Tuesday.

Bill Klaserner spent the week end with his parents, Mr. and Mrs. John Klaserner. Harold Tuck also spent the week end with his parents, Mr. and Mrs. Walter Tuck. Both young men have returned to Camp Custer and will receive their discharges some time this week.

Albert Lees returned to Fort Sill, Oklahoma on Monday after a ten day furlough with his parents, Mr. and Mrs. Fred Lees of Twelve Mile Rd.

Mrs. Leo Harwood entertained Saturday afternoon at a party in honor of her daughter, Debra's sixth birthday. Present were Joan and Billy Lanning, June and Jane Loynes, Diane Eby, Linda Early and Christine Larson.

Lenten services are being held at the Novi Methodist Church every Wednesday evening beginning at 7:30.

The Brownie committee women are serving the Board of Commerce dinner Thursday evening at the school house.

Mr. and Mrs. George Mairs entertained the Novi faculty and husbands and wives Saturday evening.

Mrs. Helen Smith, the public school nurse, will be at the school two days each week instead of one day. The days are Monday and Wednesday.

Karen Keck, Sharon White, Judy LaFond and Carolyn Mairs were unable to attend school all last week because of illness.

A Father and Son banquet will be held at the Odd Fellow Hall Tuesday, March 17. Tickets may be obtained from Harry Watson, George Atkinson and Glen Salow, Jr.

Margaret Nail is ill with the mumps.

The Novi-New Hudson Grade School basketball game scheduled to be played at New Hudson on Friday was postponed.

The high school boys who have been playing basketball at 7:30 p.m. on Wednesday may have the gym at the same time on Tuesday of each week until further notice.

Two new pupils at Novi School are Michael Anderson in the second grade and Claudia Ander-

MENU NEWSREEL

A rich golden, yellow cake—covered with deep, luscious chocolate frosting, so joyfully decorated for the festive Easter dinner!

Step 1. Use one 17 oz. package yellow cake mix. Bake in two 8-inch layers. Follow directions on package (as easy as 1-2-3). Cut each layer in two, about 1/4 inch off center. Makes 2 large, 2 small pieces.

Step 2. Using 3-4 squares unsweetened chocolate, prepare easy chocolate frosting according to package directions. Spread chocolate frosting on cake pieces. Put together with smaller pieces on outside. Stand cake, cut side down, on plate. Using sharp knife, trim at outer edge to give cake egg shape.

Step 3. Cover with remaining frosting, filling in to make egg shape. Tint shredded coconut with liquid food coloring to a spring green. Arrange around base of cake. Nest var-colored jelly bean Easter eggs in coconut grass. Place 2 chicks on top of cake, facing each other as if talking.

"Easter Egg Cake with its chocolate frosted egg shape, chatting chicks and gay decorations will bring shouts of glee at first sight and yelps of joy with the first bite! A glorious end to your festive Easter dinner!"

Emily Adams

son in the fourth grade. Both are from Detroit.

The Novi Extension group met at the home of Mrs. Fred Gibbons on Twelve Mile Rd. Feb. 17. Mrs. Rex LaPlante gave the lesson on oven and broiler meals.

Eight members and one guest, Mrs. Buchanan of North Carolina, were present. The next meeting will be held with Mrs. Ralph Walden Tuesday, March 10 at 12:30 with Mrs. LaPlante in charge of the lesson.

Arrival of Spring Highlights March Astronomy Events

ANN ARBOR — Highlight of the blustery month of March will be the official opening of spring, scheduled to take place, March 20, according to a University of Michigan astronomer.

The event will occur at 5:01 p.m., when the sun crosses the equator on its journey toward the north, explains Hazel M. Losh, U-M associate professor of astronomy. This will be six hours later than last year, she says, because of the uneven number of days this year. There will be 365.2422 days in 1953.

Professor Losh points out that the sun started its journey on Dec. 21 and has been steadily climbing northward at the rate of about a degree a day. As it goes higher and higher, daylight hours will increase, and the days will be warmer.

Of special interest this month will be the full moon on March 30, which sets the date of Easter as April 5. Professor Losh explains that "probably the principal reason for using the full moon for reckoning Easter was to enable pilgrims to the Holy City to have the advantage of moonlight for safe travel by night as well as by day."

Among other stellar highlights will be Venus, which reaches its greatest brilliancy on March 8. It will be bright enough to be seen in the daytime without a telescope and will be found about 40 degrees east of the sun. By the end of the month, Venus will have decreased appreciably and will be setting sooner and sooner after sunset. By April 13, it will be completely out of sight in the evening.

Mars, much fainter but red in color, may be seen in the evening about seven degrees below Venus. Jupiter and Saturn also will be on display this month.

In the constellations, Professor Losh explains that Spica, "Queen

Star of the Spring", in the constellation of Virgo, will be the star rising in the East. Virgo is a large constellation made up mostly of faint stars and hard to trace out, except for Spica, which shines brightly. "Spica" means an "ear of wheat" and on the ancient star maps marks the sheaf of wheat which Virgo holds in her left hand.

Church to Show 'Hidden Treasures'

"Hidden Treasures", latest religious-science film of Moody Institute of Science, delving into the wonders of creation as seen through telescope and microscope, will be shown in the Salem Congregational Church, Dickinson St., Tuesday, March 24 at 7:30 p.m.

Produced by Dr. Irwin A. Moon, director of Moody Institute of Science, "Hidden Treasures" represents eighteen months of tedious camera work in out-of-the-way places to find the small but perfect treasures of God's handiwork.

Delving into the infinitesimal things of the creation, the film contains a featured sequence on diatoms—a one-cell plant that is so minute that it would take 15 million to fill an ordinary thimble.

With the 200-inch lens of the Mt. Palomar telescope—the world's largest—"Hidden Treasures" reveals some of the hundred million island universes around the billion light-year radius which have recently been opened by the fabulous instrument.

Novi Rebekah News

Past Noble Grand Club met at the home of Mrs. Irene Staman Thursday, Feb. 19. Luncheon was served by the hostess, after which games were played.

The Rebekah Lodge served a roast turkey dinner and all the trimmings to the Board of Commerce members, their wives and friends Saturday night, Feb. 21 at the new Community Building. The tables were appropriately decorated in a patriotic manner with reference to Washington's birthday. Two hundred and ten persons were served. Mrs. Margaret Marshall had charge of the dining room and decorations and Mrs. Flossie Eno had charge of the kitchen.

Mrs. Irene Kahl, Mrs. Irene Staman, Mrs. Irene Wendland, Mrs. Rowena Salow and Mrs. Flossie Eno attended the Visitation at Warren Tuesday, Feb. 24. The Degree team party and practice will be held Thursday night, March 5, with Mrs. Alva Bean, Mrs. Gertrude Enders and Mrs. Rowena Salow entertaining. The Independent Club met at the hall Wednesday, March 4 with luncheon at noon. Mrs. Eve Behrendt and Mrs. Nellie Tibble were the hostesses. The group sewed on cancer pads after the business meeting.

Educational TV Advancing Rapidly

Educational television in Detroit last week took two more strides toward becoming an actuality. Articles of incorporation of the Detroit Educational Television Foundation were signed and the Board of Education agreed to provide two studios and a site for erection of a transmitting tower.

The Foundation, a joint venture of 17 Detroit area educational and cultural institutions, will be administered by a 15-member Board of Trustees. They will obtain a license to broadcast non-commercial television programs on ultra high frequency channel 56. The channel was reserved for Detroit educational television purposes by the Federal Communications Commission last April.

Funds for establishment and maintenance of the station will come from private sources. A commitment of \$150,000 toward the purchase of equipment for the station has already been received from the Fund for Adult Education, a subsidiary of the Ford Foundation.

Studios will be on the Wayne University campus and at the public schools' radio station, WDR-FM, on Lawton. A third studio is planned at the University of Detroit. The Foundation will furnish the studios with television cameras, relays and other equipment at an estimated cost of \$99,345 per studio.

William E. Storton, assistant to the president at Wayne and secretary of the General Committee, said the committee hopes to have the station operating in Detroit by the end of this year.

IN MEMORIAM

In loving memory of our dear husband and father, Sam Pickard, who left us March 4, 1951. You are gone, but not forgotten. Never will your memory fade. Our sweetest thoughts will ever linger. O'er the spot where you are laid. Always remembered by his loving wife and children. 40x

**UP
GOES THE
POWER
OF EVERY
BUICK-**

Special Super and Roadmaster!

World's
newest
V8

Television treat—
the BUICK CIRCUS HOUR—
every fourth Tuesday

It's more than pride that makes a man want a lot of horsepower beneath the hood of the car he owns.

For the real point in reaching record horsepowers and compression ratios goes beyond miles per hour. It steps up performance and economy in normal driving.

That's what Buick engineers did when they upped the power and compression of each 1953 Buick—SPECIAL, SUPER and ROADMASTER—to the highest figures in Buick's fifty-year history.

In the SUPER and ROADMASTER, they put a new kind of V8 Engine—first passenger-car V8 with 8.5 to 1 compression, and a long list of other major engineering advances.

For the SPECIAL, they redesigned the famed F-263 Fireball 8 Engine—gave it

shorter flame travel, faster firing, higher horsepower and compression.

And to these spirited engines they coupled the new Twin-Turbine Dynaflo Drive* that adds flash-fast, quiet getaway to utter smoothness.

Just to give you an example of what all this means: The 1953 Buick SPECIAL with Dynaflo can beat the mighty 1952 ROADMASTER on getaway—can reach 30 mph (when the law allows) with a combined speed and jerk-free smoothness no other car can equal.

Of course, there's far more to these new Buicks for 1953—some seven dozen new features alone.

But why not come in and see for yourself that these are the greatest Buicks—and the greatest values—in fifty great years.

REGISTRATION NOTICE

FOR

Biennial Spring Election

MONDAY, APRIL 6, 1953

To the Qualified Electors of the Township of Novi,
County of Oakland, State of Michigan

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Clerk, will, upon any day, except Sunday and a legal holiday, the day of any regular election or primary election, receive for registration the name of any legal voter in said Township, City or Village not already registered who may APPLY TO ME PERSONALLY for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth day before any regular, special or official primary election and the day of such election.

NOTICE IS HEREBY GIVEN THAT I WILL BE AT
THE NOVI TOWNSHIP HALL

ON

MONDAY, MARCH 9, 1953 - - LAST DAY

The Thirtieth day preceding said Election

As provided by Section 10, Chapter 1, Part 2 (a), Act No. 306, Public Acts of 1929, as amended by Act No. 291, Public Acts of 1945 and Act No. 108, Public Acts of 1951.

From 8 o'clock a.m. until 8 o'clock p.m. on each said day for the purpose of REVIEWING the REGISTRATION and REGISTERING such of the qualified electors in said TOWNSHIP, CITY or VILLAGE as SHALL PROPERLY apply therefor.

The name of no person but an ACTUAL RESIDENT of the precinct at the time of registration, and entitled under the constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

Unregistered Persons Not Entitled to Vote

SEC. 1. The inspectors of election at any election or primary election in this State, or in any District, County, Township, City or Village thereof, shall not receive the vote of any person whose name is not registered in the registration book of the precinct in which he offers to vote. (As provided under Act 108, P.A. 1951.)

IT ISN'T THE AMOUNT YOU SPEND.

For you can spend too much — you can also spend too little. Having spent too much, you merely lose money. BUT, when you spend too little you stand to lose everything when the article purchased falls in its performance.

That's why it will pay you to buy your next used car where cars are priced at what they are worth and where your purchase is protected with a dependable guarantee.

Moved by Stubenvoll, supported by Allen, that bills be paid. Carried.

Atty. James Littell submitted forms which he had prepared, for application for trailer permit, as well as trailer permit, to be used in conjunction with Ord. No. 129 which will become effective on Feb. 23rd 1953. It was moved by Stubenvoll, supported by Woodworth, that these forms be adopted and that a supply of same be printed any time after this ordinance becomes effective. Carried.

In connection with Community Bldg. project, it was stated by Mr. Sydney Frid that he did not wish to continue as Chairman of the Community Bldg. Committee. The following names were presented by Comm. Stubenvoll to compose a newly formulated Committee: Wilson Funk, Chairman-Mrs. Wm. Milne, Robert Coolman, F. Alton Peters, Harry B. Smith, Lynn Sullivan, Del W. Hahn and George W. Kohn. It was then moved by Stubenvoll, supported by Allen, that the previous committee be discontinued, and that the new committee

be appointed as named; also that the Clerk write letters notifying these members of their appointment and that Wilson Funk, Chairman, will call a meeting as early as possible. Carried.
Clerk was instructed to contact Gilbert Jerome of Geo. Jerome & Co., requesting that he come to Northville to confer with the Village Commission about which projects should be undertaken during 1953 and of their approximate cost, so that the Commission could make up the 1953-54 budget.

Comm. Stubenvoll also moved that street lights be placed on Griswold Rd., one at the corner of Griswold and Pennell, and another at the curve on Griswold. Also that the boulevard light in front of 152 E. Main St., which has been out of service for several years, be put back into service. Motion was supported by Allen and same was carried.

The condition of the sidewalks in the Village was discussed at some length especially those for which the Village is directly responsible, and it was decided that these sidewalks would be replaced as soon as weather would permit. It was also decided that the Village would repair other bad stretches of sidewalk, for which property owners themselves are responsible, and charge same back to the owners.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

2 Women Graduate from Nursing Course

Eleven students will complete the one-year approved program in practical nurse education this week at the Ann Arbor Practical Nurse Education Center. Graduation exercises were held Thursday afternoon, Feb. 26, in the Jones School auditorium. A reception was held for the graduates and their families following the exercises by the Practical Nurse Center Advisory Committee and the Ann Arbor Practical Nurse Association.

Students from Northville completing the course are Mrs. Edna P. Brummel, who affiliated at Beyer Memorial Hospital in Ypsilanti, and Miss Florence Farrell, who affiliated at St. Joseph's Mercy Hospital in Ann Arbor. The graduating students will take State Board of Nursing examinations in April. Candidates for the state examination must have completed a year's program in a practical nurse school approved by the State Board of

Nursing Candidates who successfully pass the examination must have completed a year's program in a practical nurse school approved by the State Board of Nursing. Candidates who successfully pass the examination become licensed practical nurses in the state of Michigan.

Miss Mae Edna Doyle, R.N., director of the Ann Arbor School, said the school is now accepting applications for the class starting Sept. 14, 1953. Those desiring information may write or call Miss Doyle at 401 North Division St., Ann Arbor, Mich. Phone 3-1332.

LIGHT FOR MIGHT
CLEVELAND, O. — Approximately 75 per cent of cargo between defense plants is being handled by trucks. Because only 15 per cent of the nation's street lighting is adequate, this vital truck traffic at night is open to accident, reports the National Street and Traffic Safety Lighting Bureau.

Notice to Salem Township Residents

Dog Vaccination Clinic will be held at Salem Township Fire Hall — SATURDAY, MARCH 7, from 2-4 p.m. Dog licenses may be obtained at the same time. Dr. Wright will vaccinate at \$1.50 per dog.

Registration Notice for GENERAL PRIMARY ELECTION Monday, April 6, 1953 To the Qualified Electors of Northville Township County of Wayne, Michigan

Notice is hereby given that in conformity with the "Michigan Election Law", I, the undersigned Township Clerk, will, upon any day, except Sunday, and a legal holiday, the day of any regular or special election or primary election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Provided, however, that I can receive no names for registration during the time intervening between the Thirtieth Day before any regular, special, or official primary election and the day of such election.

Notice is hereby given that I will be at my home at 430 East Main Street, Northville, Michigan, until the Thirtieth Day preceding said election from 8:30 o'clock A.M. until 8:00 o'clock P.M. on said day for the purpose of reviewing the registration and registering such of the qualified electors in said Township as shall properly apply therefor.

In any Township or City in which the Clerk does not maintain regular daily office hours, the Township Board or legislative body of such Township or City may require that the Clerk of such Township or City shall be at his office or other designated place for the purpose of receiving applications for registration, on such other days as it shall designate prior to the last day for registration, not exceeding five days in all.

Notice is hereby further given that I will be at the Northville Village Hall Saturday, March 7, and Monday, March 9 from 8:30 o'clock A.M. to 8 o'clock P.M. March 9 is the last day of registration for the election.

The name of no person but an ACTUAL Resident of the Precinct at the time of said registration, and entitled under the Constitution, if remaining such resident, to vote at the next election, shall be entered in the registration book.

FRED W. LYKE, Township Clerk

Brighton Trips Milford to Capture League Title

by Otto Wendt

As a result of Tom Evenson's twenty-eight point scoring effort, the Brighton Bulldogs downed the Milford Indians by a score of 65 to 51 to take back to Brighton the Wayne-Oakland League title.

The final standings in the league are as follows:

Brighton	8	2
Northville	7	3
Milford	5	5
Clarkston	5	5
Clarenceville	3	7
Holly	2	8

The Northville Mustangs may have lost the Wayne-Oakland League title to Brighton but they haven't lost the ability to play exciting, close basketball. Although every game the Mustangs played in the 1952-53 season had its share of thrills, three games stand out as being particularly

close and exciting. Game number one was on Jan. 21 when the arch rival, Plymouth Rocks, came to Northville to do battle with the Mustang quintet. The Mustangs, unsatisfied to win in the allotted time, battled through two overtime periods until Gary Hix decided to end the game by sinking a beautifully executed free throw to put the game on ice with the Mustangs on the long end of a 61-60 score. The second Donny Biooke took place at Holly. The Mustangs and the Bionchos played a game which saw the lead see-sawing back and forth time and time again as each team could never get more than a two point advantage over the other. However, apparently that just wasn't the Mustang's night as a Holly guard stole the ball and raced down the length of the court to score in the last second of play. Even the officials got into the act this time when they refused a foul to Gerry Graham which would have given the Mustangs two extra points and a possible victory. As a result the Mustangs lost 50 to 49.

WIN LAST GAME

The Mustangs saved an equally exciting contest for the last game of the season when they beat Clarkston last Friday night by a score of 37 to 35 with Eddie Nash galloping down court to break a 35-35 tie with only a few precious seconds left to play in the game.

SOMERS HIGH

Although Nash technically saved the game, Dick Somers should be given particular notice. Somers, a senior, ended his playing days for the Mustangs by being high scorer of the night netting eleven points, five points resulting from the foul line while the remaining six were scored from all points on the court.

CARD OF THANKS

I wish to thank my neighbors for their lovely cards, and the nurses at Sessions Hospital, Irene Sparling and Fred Casterline.

defeats. The Colts were ahead throughout the entire game and although the game was close at the start the Colts gradually pulled away to a strong finish.

High scorer for the Colts was Darwin Teshka who flipped in five field goals and three foul shots for a grand total of thirteen points.

BELIEF IN GOD BY 99%

According to a poll taken, 99% of the American people believe in God. Only one percent do not believe in a supreme Being. At first glance we are well pleased with the results set forth by this poll. However, this poll does not reveal too much after all, when we take into consideration the varied beliefs about who God is and what God is like. In a recent article in "Colliers", children were asked, "What is God?" One girl replied, "God is a woman. She is the mother of the world." One boy said, "God is a man with a lot of hands. He can do everything." Another, "God is a King riding a chariot in the sky." These various beliefs concerning God are only reflections of adult minds, for here we find the same pattern. There is one book in all the world that tells us more about God than any other. That book is the Bible. This book tells us that God is that perfect and eternal spiritual Being that He is sovereign, omnipotent, omniscient, omnipresent and Holy. There is but one God who has revealed Himself in three persons; Father, Son and Holy Spirit. The Bible is the best source of information about God. Will you start now to read it and learn more about Him?

You've got to Value Check this new Ford's 41 "Worth More" features to know why Ford's worth more when you buy it . . . worth more when you sell it!

In this new '53 Ford you'll find not only a new concept of driving comfort . . . you'll find more of the things you want and need for the money than in any other car. You'll find the "Go" you need, in Ford's high-compression V-8 and Six engines. You'll find unhindered visibility . . . easy handling, braking and parking. And you'll discover style-setting beauty. No wonder it's the New Standard of the American Road.

See it . . . Value Check it . . . Test Drive it
