MERCHANTS ASK BETTER PARKING

for the Record

by G. H. C.

We have intended for some time to write a follow-up column about youth activities to offset the splash we made three or four weeks ago when a few boys and girls sort of got off the reservation. But, like the Village Commission, which would like to do a lot of things that it can't find time for, we have been putting it off from day to day.

This week, we are addressing parents in particular, although our subject is their children. Our purpose is to promote an idea which originated with a group of young people in one of our local churches. In a nutshell, it was that an adult organization be formed in Northville to serve in a big-brother capacity in helping teen-age boys and girls carry on programs and projects which they want but don't know how to go about getting.

Ed Welch took up the matter at the recent basketball banquet and explained the need so eloquently that the idea snowballed into something that looked good to 60 Northville men and women who met in the Grade School Monday night to explore its possibilities. Dick Kay chairmanned the meeting, which was attended also by a dozen high school boys and girls who wanted to know what their elders were up to, and to participate jointly, if the program promised to appeal to teen-agers.

Until a formal organization has been completed and decisions made relative to definite projects in which adult assistance might be welcomed by teen-agers, objectives can be discussed only as possibilities. Among these was a community dinner honoring the High School band, which is a credit to the entire community but lacks the public recognition which it richly deserves. Another proposal was for dinners during the year for members of the football and basketball teams and members of opposing teams. Still another a project in which young people would be aided in raising funds for better lighting at Ford Athletic Field. Still another, which is especially appealing to us, was for adult sponsorship of a "canteen" for teen-agers, with a snack bar, juke box, and floor space for games, dancing and other recreational activities.

While many other projects undoubtedly can and will be added if the organization is formed, the foregoing illustrate the purposes which are visualized. On one point there was common agreement — the organization MUST NOT BE ESTABLISHED ON A BASIS THAT SMACKS OF CENSORSHIP OR A PARENTAL ATTEMPT TO ESTABLISH "RULES". IF THAT WERE THE OBJECTIVE, IT WOULD BE IMPOSSIBLE TO GAIN THE COOPERATION AND ACTIVE PARTICIPATION OF TEEN-AGERS, LACKING WHICH THE ENTIRE PROJECT MIGHT FAIL.

To explain what the parents are thinking about, Dr. R. M. Atchison will meet with the Student Council at the High School next Tuesday morning. It is hoped that each grade at the High School will select a committee whose members will work with representatives of the parents to decide the needs and wants of the teen-age group and in the formulation of methods and means of meeting such needs.

The entire program to date, and as visualized for the future, is a healthy one that merits widespread support, not only from parents who have children in school but from others not too old to have an active interest in youth activities.

On the lighter side, we were intrigued this week by two items in the Northville Optimist Club's weekly bulletin. The first: "Forrest F. Phillips, new owner of the Schrader Funeral Home came (to the weekly meeting) with Dr. Snow. This gentleman rated two hosts. Dr. Holcomb was the other." Collusion? We hope not.

The second gem: "Dr. Donald C. Young, who heads the department of contagious diseases at Herman Kiefer Hospital, and recently established his home just outside Northville, will get you any contagious disease you want — wholesale."

Getting back to the subject of our young folk again, we are looking forward with interest to the next Village Commission meeting, when a decision is to be made relative to construction of the Northville Community Building. Two hundred thousand dollars is on hand for this purpose; saved over the past eight years from the \$500 per day which Northville Downs pays the village for each day of racing. The building that is proposed seems to us to have been designed primarily for the purpose of serving as an adjunct to the High School. It will provide a large gymnasium and other facilities that are greatly needed. And these facilities will be available, when not being used by the school, for various "group" youth programs for boys and girls at large.

All this sounds very fine, as far as it goes. One need, however, seems to have been by-passed or overlooked by the Funk committee which had the plans drawn. No provision is made for a youth center that will provide a meeting place and recreational activities for teen-age boys and girls at large.

Twp. Land Valuation Up 50%

\$558,000 Increase Lifts Total Past \$6½ Million Mark

Assessed valuation of all land parcels in Northville Township in excess of four acres have been increased 50% by the Wayne County Tax Commission. Aggregate increase for the township is \$558,000, bringing the total assessed valuation for 1953 township, county and school taxes to \$6,578,000 compared with \$6,020,000 in 1952.

The increase in valuations applies only to land in excess of four acres. Valuation of buildings is unchanged.

Background of the present increase is a protest by Novi Township officials that Northville Township valuations were too low, according to Mrs. Leo Lawrence, supervisor. This inequality, it was claimed, resulted in Northville Township property paying too low a proportion of school and county taxes in relation to taxes paid by Plymouth, Canton and Novi Townships.

As a result of the Novi Township protest, the State Equalization Board sent examiners into Northville Township last summer. They compared valuations here with those in Plymouth and Canton townships and found our valuations materially lower than they should have been. Mrs. Lawrence stated. Against an average valuation of \$50 per acre for Northville Township, the Equalization Board found Canton Township's valuation to be \$80 and Plymouth Township's from \$75 to \$300 per acre, depending upon the desirability of property for industrial use.

Roy M. Terrill, Northville Township treasurer, pointed out that the township officials had successfully resisted an attempt to boost land valuations here by 100%, and that the 50% increase was a compromise.

No land valuations inside the Village of Northville were affected.

Educational Drive Combats Cancer

The Cancer Crusade during the month of April is primarily educational and is based on a concentrated, nationwide drive to make people aware of the seven danger signals of the disease.

The drive, pointed at persons over fifty years of age, urges six-point physical check-ups, which would, in the opinion of the American Cancer Society's medical director, save 35,000 lives annually.

The drive locally is headed by Mrs. E. J. Willis. Volunteers are leaving printed information with persons visited by them. Chairman of this campaign is Mrs. R. G. Wetterstrom, with Mrs. Fred Collins as co-chairman. Mrs. A. Russell Clarke is treasurer, and Mrs. John K. Klesner is chairman for the Novi district.

PTA Program to Feature Travel Talk

Miss Ione Palmer will present the Parent-Teachers Association program when the group meets at the grade school next Thursday, April 23.

Miss Palmer's program, "Dreams Do Sometimes Come True," will consist of slides showing some of the European countries she visited last summer, with a commentary of songs and poems associated with the slides. She will be dressed in costumes appropriate to the subjects of the pictures.

Nomination of officers will also be made at the meeting.

V.F.W. Post Officers Installed Sunday

The Veterans of Foreign Wars Post 4012 installed elective and appointive officers in a joint ceremony with the Auxiliary and DADS of Foreign Service Veterans Sunday, April 12. Above, left to right, front row, are: Sgt. J. Myers, Arthur Ash, Commander Glenn Gerrard, Barnaby Bird and Robert Dearing. Back row, left to right, are: Bud Baker, Lawrence McArthur, Floyd Kupsky, Arthur Carlson, Wilfred Throop, Clayton Myers, Milton Weeks, Frank Light and John Shanks.

Cooking School Slated for May 1

Northville homemakers will have an opportunity to learn new methods and tricks in cookery at the Philco Cooking School to be conducted at the Penniman-Allen Theatre in Northville May 1 at 2 p.m. The program will be under the sponsorship of Northville Electric Shop and the Exchange Club.

The school will be conducted by food lecturer Mary Scott, who will present an array of new recipes and household hints. Highlights of the program will include demonstrations of newest cooking methods, new menu ideas, new ways to plan, prepare and serve meals.

Feature attractions will be the new Philco "Broiler-Under-Glass" method of broiling foods without smoke, soot or stain; the new Philco Built-In electric Jiffy Griddle that the company says fries and grills foods faster and tastier.

Proceeds of the program, for which a fifty-cent admission will be charged, will go into a fund set up by the Exchange Club to buy glasses for children who need them, but who cannot afford to pay for them. The glasses will be bought at the school nurse, Miss Ruth Knapp, R.N., recommends them, said Exchange Club Turnbull.

Recipe sheets containing Mary Scott's favorites, including those she demonstrates from the stage, will be available without charge. While many of them will be new to members of the audience, the recipes favor the kind of cookery that the average woman can use every day, rather than dishes that might be prepared once a year. Tickets for the cooking school will be offered for sale within a week by most Northville businessmen, and by members of the Exchange Club.

Coordinating Council to Meet Tonight

A meeting of the Northville Coordinating Council will be held at 8 o'clock tonight, Thursday, in the Village Hall.

All members and representatives are urged to be present at this important meeting.

Annual PTA Carnival Set for Presentation on May 8

The Parent-Teachers Association Carnival, one of the Northville schools' major events of the year, is organizing speedily for presentation Friday evening, May 8.

Representatives of service clubs, and teachers and parents will meet in Room 1 at the high school tonight, April 16, at 8 o'clock to discuss content of the carnival this year, but it is expected to follow essentially the same pattern as in former years due to past enthusiastic response, said Richard W. Ambler, chairman this year.

Central theme of the carnival the past two years has been the huge "midway" located in the high school gymnasium, a fun-spot for all ages of students and adults. A smaller midway, games booths, displays, exhibits and a Gypsy tea room were set up last year in the grade school building, and other exhibits and chance-

Hearing on Village Budget Is Monday

The proposed 1953-'54 budget for the Village of Northville will have a public hearing at 8 o'clock Monday evening, April 20, at the Village Hall, at which time all citizens of the village may be present and air their opinions.

The proposed budget was printed in last week's issue of The Record, and it is posted at the Village Hall for inspection previous to the hearing Monday.

Parent-Teen Age Cooperative Group Forming

Approximately 75 people attended an organizational meeting Monday evening for a proposed parent and teen-age club.

Its purpose, as described by Chairman Richard Kay, will be to provide adult assistance and guidance to youth programs which high school boys and girls wish to carry on. Such projects would be selected by the teen-agers themselves, with adult membership concerned chiefly with ways and means of carrying

them out successfully, Kay said. The meeting was held in the Elementary School. It was devoted largely to interchange of ideas as to proper functions for such an adult-teen-age club, establishment of committees to handle various organizational details, discussion of a proper name, etc.

Consensus of opinion was that the club's success will depend upon the active participation of teen-agers and that its programs must be such that they will have wide appeal to this group. Emphasis was placed on the neces-

Ass'n to Urge Quick Action to Alleviate Serious Problem

Speedy action to alleviate the serious parking situation in Northville is to be urged upon the Village Commission by the Northville Retail Merchant's Association at its next meeting.

Protesting at the long delay since the Village Planning Commission presented a comprehensive off-street parking program last summer at the Village Commission's request, the Merchant's Association adopted a resolution at its meeting Monday evening urging the commission to proceed at once to put into execution the plan proposed by the Planning Board.

The action was taken after the Merchant's Association had considered the serious threat to their business arising from construction of the new J. L. Hudson Northland Shopping Center and the new Major Shopping Center on Plymouth Road. Both are within 15 minutes driving time from Northville, and will be assured of heavy patronage by residents of the Northville area, es-

Ann Arbor Hospital Hit by Blood Lack; Could Happen Here

A section of the University Hospital's blood bank ran dry Tuesday, resulting in a hurry-up call for professional donors in the Ann Arbor area. Several operations scheduled for the morning were postponed because of the blood shortage.

Blood supplies from Detroit and Jackson Prison put the bank back in business later Tuesday.

A community as small as Northville, however, might have more difficulty replenishing blood supplies if the local bank ran dry, Red Cross representatives in Northville feel.

The bank is constantly at a level lower than that recommended for safety. Some operative cases might be postponed for a few hours but almost, any kind of major calamity, such as a two or three car collision, might completely wipe out local blood supplies in a matter of minutes.

Another emergency call for blood on the heels of such an accident could easily result in tragedy unless blood could be moved here quickly, or unless professional donors could be rounded up in a hurry. Many patients have been known to require ten to twenty pints of blood.

The perfect preventative measure, says the Northville blood drive chairman, is to keep the Northville bank at a strong level by allocating a portion of blood in local drives to the local bank. This can be done only by those giving blood in the drives.

The next opportunity to do so will be May 4, when the Red Cross bloodmobile will be at the First Methodist Church House in the afternoon and evening.

Thugs Who Robbed 94-Year Old Man Plead Guilty

Two thugs who mercilessly tortured and robbed 94-year old Peter Wall, of Griswold street, Feb. 23, pleaded guilty to a charge of robbery unarmed Wednesday morning, April 15, in Wayne County Circuit Court before Judge Ira W. Jayne.

The men, Marvin Norton, 38, and his nephew, Albert Rolin, 24, both of Detroit, were charged with both robbery armed and robbery unarmed, but were allowed to plead guilty to the lesser charge after a conference among prosecuting authorities, stated Detective Earl C. Freel, of the Wayne County Sheriff's Detective bureau.

The men were referred to the Probation Department for recommendation of sentence at a later date, Detective Freel said.

Mr. Wall said the men had come to his home Feb. 23 to buy a chicken, and snuggled and knocked him down in his chicken house. They then half-carried, half-led him into his house, where they commenced beating him and pricking his neck with a pointed instrument.

The men were frightened off when two Detroit women knocked on Mr. Wall's door, noted the stranger who answered, and left hurriedly. They noted the license number of a strange car parked nearby and notified Northville Police, who radioed Wayne County sheriff's road patrol. The men were then arrested shortly.

Chief Denton and the two women, Mrs. Lou Howard, and her sister, Mrs. Zell Rice, both of Delaware street, were present at the trial, along with Detective Freel.

Norton has a long record which dates back to 1932, said Freel, including two escapes from Jackson prison and another from the Detroit House of Correction. Rolin has no previous police record.

Legion to Host Allied Veterans

Rev. Robert Richards, pastor of the Newburg Methodist Church, will be guest speaker of the Lloyd H. Green Post 147 of the American Legion at its annual Allied Banquet in the Veterans' Memorial Hall at 6:45 p.m., Saturday, April 18. Allied veterans and legionnaires of the community are invited to attend the cooperative dinner.

This annual banquet is given by the post to honor those men who served with our allies in the two world wars but are not eligible to belong to the local post, said Conrad Springer, post commander.

Parent-Teen Age Cooperative Group Forming

from their own ranks. Dr. Atchison met with the Student Council Tuesday morning and it was decided at this meeting that the matter should be presented to the entire student body early next week.

A temporary program committee was appointed to plan another meeting of both parents and teen-agers at a date to be decided later. This committee consists of Drake Older, chairman, Mrs. Drake Older, Mrs. Richard Kay, Mrs. Maxwell Austin, Priscilla Blackburn, Julie Hammond, Winifred Welch and Bob Burgess.

Rolling Down The River

by the PETZ BROS.

Well, here it is spring once again and all over the land, there is many a guy counting the days until fishing season opens. We'll have to tell you of a certain customer of ours, that professes to take fishing most seriously. Personally we sort of doubt it and figure the fellow is just looking for an excuse to get away from the office. Every year he most faithfully overhauls his fishing tackle, acquires new baits and checks the fishing calendar for the days designated to be the most likely ones for catching the limit. Come opening day, off he goes and whips many a stream for miles around, black and blue. So the other day when he drops in we get curious and ask him personally, has he ever caught any fish? "Can't truthfully say I have," he answered, "been dropping them a line off and on for years, but have yet to receive a reply."

Now there's a couple of you, out there, that are just like that. We've been dropping you this column for quite some time, but haven't as yet had the opportunity to show you the remarkable Studebaker. And if it so happens that you missed seeing and driving the '53 model, you've missed the greatest car thrill in years. Sleek, beautiful, powerful, you'll find that Studebaker for '53 has everything that you had hoped for in a motor car. Super economy too, that will save dollar after dollar, mile after mile. You owe it to yourself to try the Studebaker, why not pay off by coming in for a demonstration this week?

Oh well, talking about selling things, did we ever get around to telling you of the stuttering salesman that requested a twenty minute interview to enable him to get over a five minute sales talk.

These mechanics of ours would like to have you leave your car around the shop for a slightly longer interval. They've been watching you drive by and have come to the conclusion it's about time that you had your oil changed in that car of yours and it could stand a bit of lubrication also. In fact a couple of you are driving a car with a sluggish motor, left that way by the winter no doubt, and that motor certainly could use a bit of a tune-up. They suggest that you drive a car in tune with the times and let them take care of it at once or maybe sooner. Drop around.

Fear of Progress Surprises Reader

It was rather surprising to find that so many people in Northville and surrounding area are afraid of progress. For months the paper has contained reams of articles; the common conversation amongst almost anyone in the Village has been the issue of City vs. Village. Prior to that issue common complaints heard everywhere were lack of parking lots, lack of paving, lack of business generally—yet the first opportunity that presented itself to at least make some of these improvements feasible, if not all of them at once, is unmercifully defeated.

Everyone discusses the advancement of Plymouth, Livonia and South Lyon and the threat it makes to the businessmen of Northville—which is all true—but the very ones complaining the bitterest are the ones who are afraid to take the initiative to provide the remedy.

Northville area is probably one of the most beautiful residential sections in this part of the country and with the trend toward new people moving out to this locale, it could be the most progressive and most prosperous. Being a City would neither change the people nor the section—it was a means toward an end—a simple way to provide added revenue and modern government for a more modern community. Perhaps the boundaries of the proposed City were not just as you would have wished them—that could be remedied later. You must learn to creep before you can walk. At least an attempt was being made to supply facilities needed to the proposed area, when that had been successfully accomplished from the added revenue—other sections could have been annexed and successfully serviced. From the growth and expansion seed in surrounding Cities—any attempt to sit back and do nothing is a step backwards. The City vs. Village issue was defeated because of lack of foresight; by some because they want the Village to be a quiet unobtrusive section where they come back to "sleep nights"—they earn their livelihood elsewhere and likewise spend it other places; others say, it was good enough 35 years ago as a Village it is now. Others—afraid of higher taxes—they won't be as high as a City with the additional revenue as they will as a Village if any improvements are made. The merchants depend upon their living here from the residents here and from attracting business from other communities—to do so they must offer the people the incentive to come to Northville to shop and the conveniences that modern day shopping requires and demands—yet they too, are afraid to stand together as a body and speak out for the betterment of the community they service.

What started out to be at least a step forward toward progress ended up in defeat—but, some people were not voting for or against any issue other than a personal one. Instead of looking forward to the future with open eyes, for the good of the community in general they enjoyed a selfish personal satisfaction.

The picture in last week's Northville Record told a better story than any words. The pioneers in Northville had a thriving community, including industry, and they built it for tomorrow—what they established by foresight—you are enjoying today. What about you thinking of the future a little too? Whether Northville be a City or remain a Village—let the residents stand together and make it the best place in Michigan to live—stand behind the Merchants who are trying to help the community and work toward progress and betterment of ALL. The City was the most economical means of accomplishing some of these purposes—but it can also be done as a Village—first you must have the desire to be progressive and remember that nothing can be a success without 100% COOPERATION OF ALL. Don't just live for today—BUT HELP BUILD FOR THE FUTURE.

Junior Optimists Building Boat for Recreation Dept.

The Northville Recreation department will have a new 12-foot rowboat in a few weeks, as soon as the Junior Optimist Club finishes its first major project in community service.

The boat will be assembled from a Chris-Craft kit bought by the Recreation Department, said Director Wilson Funk on Monday. The assembly will take many hours of Junior Optimist time. The Club has set aside Monday, Wednesday and Friday nights from 7 to 9 p.m. for the work, and will continue until the boat is ready to be put into the water. Monday night was spent laying out the various parts and getting a work-plan organized, and painting was begun Wednesday. Actual assembly will begin Friday night under the adult supervision of members of the Optimist Club, with George Zerbel in charge at the Boy Scout building.

When finished, the boat will join the aluminum canoe already in use by the Recreation Department, and the two will comprise the Recreation "water fleet."

Two other boats will be built by Junior Optimists at a later date: a 12-foot runabout, and a 14-foot deluxe runabout. These will be offered for sale, according to present plans.

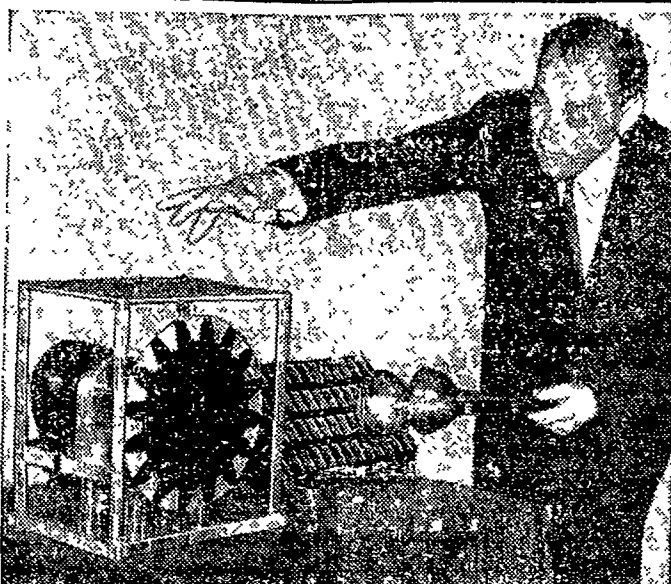

The rowboat kit, broken down into its parts, cost the Recreation department only \$79, and will produce a boat which would have cost the department more than a hundred dollars if bought retail.

Beam of the rowboat will be 53 inches amidship, and 47 inches at the transom (stern). It will be 15 inches deep and weigh 117 pounds.

Some of the features of construction will include Philippine mahogany ribs, transom-reinforcing frame and keel; highest grade fir marine-plywood side and bottom panels; white oak outer stern, and brass recessed-head screws.

The boat is designed for easy rowing, but is said to perform well with outboard motor, too. The comparatively light 117 pounds of weight makes it suitable for car-top carrying when used on water jaunts.

"HOUSE OF MAGIC" SUN MOTOR

THE world's first "sun motor" of its size and kind is demonstrated in the General Electric "House of Magic" science show by W. A. Gluesing. This is one of many demonstrations in the science show which consists of interesting and unusual new developments of the General Electric Research Laboratory in Schenectady, N. Y. The painted gear at the left is driven by a motor which runs on electric energy converted from light. The power plant which makes electricity from light is the bank of voltaic cells at the right.

Mother, Daughter Exhibit Jewelry Made in Home Hobby Workshop

A Northville mother and daughter who have worked on a costume jewelry hobby exhibited their work as part of a display in Plymouth on Friday, Saturday and Sunday.

Mrs. Arthur Verschaeve, and Miss Artura Verschaeve produced enameled copper and silver jewelry and silver-work rings, pins and bracelets for the exhibit, sponsored by the Plymouth Recreation Department at Plymouth High School.

The two women work together in a studio-workshop in the basement of their home on Clement Road. Mrs. Verschaeve, a retired art teacher who last taught at Central High in Detroit, specializes in earrings, pins, pendants, bowls, ash trays, tie pins and plaques.

Miss Verschaeve puts her hobby time into silver bracelets, rings and pins, three of which have won blue ribbons in Art Institute exhibits and other displays.

Artura has enjoyed the work as both a hobby and as part of her profession since high school days, but Mrs. Verschaeve found enthusiasm for her hobby has begun to crowd out time for her first love, water color painting.

Artura studied with Arthur Neville Kirk while at Wayne University, and with Greta Pack, former jewelry instructor at Cass Tech in Detroit. Artura later was graduated by Michigan State Normal College at Ypsilanti. She has taught private classes in Detroit, and managed to find time from her teaching duties in Novi last year to conduct another private class. Mrs. Verschaeve is now thinking about a private class in her specialty next year.

During World War II, Artura taught jewelry-making in veteran hospitals for the Red Cross.

Most of the work turned out by the ladies is sold on sight, they say, although the hobbies are pursued for fun rather than for profit. The profits, however, help to pay for high costs of raw material.

Artura's silverwork leans toward the heavier-appearing jewelry which has become so popular in the last few years and requires many hours of carving and fashioning to acquire the proper balance between daintiness and weight, and the proper appearance which marks it as handmade without a commercial "finished" look.

Mrs. Verschaeve's copper and silver pieces are enameled by hand, then baked in a kiln to acquire the ceramic finish front-side or backside, or both, which distinguishes her work.

A combination of speeding and swearing at a patrolman cost Elwyn E. Ferguson, of 255 E. Pearl St., Plymouth, a fine of \$60 in Justice Court here, according to the Northville Police report.

Mr. Ferguson was tagged for traveling 45 miles per hour in a 25-mile per hour zone on Northville-Plymouth Rd. by Patrolman Frank Heintz Saturday.

Patrolman Legette Oaks ticketed Ernest W. Klocke of West Nine Mile Rd., for reckless operation involving improper speed, at W. Main and Wing streets Sunday, according to police. He was fined \$50 and costs by Judge E. M. Bogart.

Paper Drive Set by Junior Police

Junior Police will cover the village Saturday, May 9 in a paper drive. Patrolman Gil Glas-son will be in charge of the drive. Proceeds of the drive will be used for badges, equipment and to help buy uniforms for the drill team which is currently being trained by Patrolman Glas-son. This team meets every Wednesday after school for a training session at Ford Field.

Junior Police are asking that magazines, paper in small cardboard boxes and bundles be tied and placed on front porches and curbs to aid them in collecting the material quickly. They will criss-cross the town in trucks.

Residents who want to get rid of their paper and magazines before May 9 can help Junior Police by taking the paper in tied bundles to the village lot next to Rural Hill Cemetery where they will find a pile of paper and a sign showing where the bundles should be left.

Anyone living out of town, but near by, should mail a card to Junior Police, Village Hall, giving name and address. Junior Police will then pick up the bundles.

Twenty-five per cent of all drivers involved in fatal auto accidents in the U.S. last year were under 25 years old.

Michigan Mirror:

Legislature Still Looking for Way to Solve State's \$65 Million Deficit

by Gene Alleman

Time for action in the Legislature finally came with the passing of the spring election and the April 10 deadline for getting proposed bills out of house committees. There was a surge of activity preceding last Friday characterized by jammed house calendars, night sessions, and last minute lobbying to prevent favored bills from dying in committee. Law makers now know all the matters they must consider before May 22, the final day of this session.

Perhaps most important of problems yet to be solved is the state's deficit now estimated at \$65,000,000, and what taxes are needed to operate without future deficits. Although no one seems sure of the figure for arguments sake, it is assumed to be about \$30,000,000 to \$40,000,000. Latest indications are that some decision about a tax to balance the budget will be made before May 22, although there are many who think lawmakers will not be able to agree by then, and will have to meet later.

A means of paying off the deficit will probably be considered separately and stands a good chance of not being settled at all until the end of the state's fiscal year, June 30. Reason for this is that returns from sales tax revenue are mounting to a much higher total than was previously expected. If this continues, or increases, the deficit will diminish. Legislators would like to wait and see the exact sum of the deficit so they know how much money must be raised.

Serving as spokesman for Michigan industry, on the subject of taxes is the Detroit Board of Commerce which opposes enactment of a payroll tax, a corporation profits tax, an individual income tax as a means to balance the state budget.

Leaders were reported to be worried that a payroll tax, for example, might not be removed by the Legislature two years from now should the deficit cease to be a problem.

Here's the dilemma facing Michigan industry.

The Citizens' Tax Advisory Group, which sponsored the 1953 State Aid Survey, is convinced that Michigan is levying enough taxes today to meet needs of state and local governments. If the \$400 million in state collected taxes could only be distributed properly, no new taxes would be needed, so the survey concludes.

Such a re-distribution can come only by a new constitution whereby present crippling earmarking of state funds to local governments could be eliminated.

Some industrialists are reported to favor a strategy which enacts a new tax with a broad base, whereby many individuals would be affected. The payroll tax on any employer with one or more employees would do just this. Furthermore, it has been proposed that such an employer tax should provide credit for franchise fees paid by corporations, so that corporations could not be taxed twice.

As the long-range solution of state aid must be popularized at the ballot box a new tax on a temporary emergency basis would have a fighting chance of being repealed if the tax were unpopular. If the tax hit only a few corporations, chances are good that the levy would be continued indefinitely. Voters tend to ignore the tax reality that corporations must add taxes to consumer prices and that the consumer ultimately foots the bill.

A new tax upon all employers would certainly hit many voters as compared to the illusive corporation profits tax. This would be particularly true if the legislature resisted pressure of lobbyists for special exemptions and if business leaders on every Main Street in Michigan as well as farmers had to reckon with the new levy. And yet the fact remains that the same sponsors of the State Aid Survey, proposing a long-range solution through revision of the Constitution, are nervously wary about the possibility of being trapped in their own program.

If the voters in 1954 were to

SPRING FISHING IN MICHIGAN

Michigan anglers are fortunate indeed to have such a wide variety of fishing presented so early in the season. There's scarcely a break in the sport from the time ice fishing ceases to the beginning of the eagerly awaited smelt runs.

Actually, at Beulah on Crystal Lake, sportsmen may still find sufficient ice for deep water fishing for trout while the mouth of Cold Creek at the east end of the lake is teeming with silvery smelt! And the Cold Creek run is usually the earliest in the State.

Days later thousands upon thousands of dippers cruise along the highways skirting Lake Huron and Lake Michigan, searching for tiny streams and drainage ditches which usually harbor a good run of smelt. In some areas of the Great Lakes the runs are so heavy that one may merely scoop the waters near the beach and be assured of a good catch. Techniques vary, calling for wire or twine nets with handles ranging from 4 feet to 16 feet long.

Whitney Drain Popular

State Police have estimated as many as 10,000 dippers in a single night at the famous Whitney Drain just below Tawas while the run is at its peak. Here you'll see wash-tubs floating beside wading dippers with short handled nets. When the dippers threaten to sink they're towed ashore and another dipper takes over the spot. Space is at a premium!

favor continuation of the present high state aid to local governments, then industries would be caught in a squeeze.

This predicament has prompted suggestions that a "manageable deficit" might not be such a bad thing after all; the legislature might well postpone action until later; rising sales taxes might help solve the problem. And so it goes,—evading the issue and postponing the solution until tomorrow.

Marks of harmony between Republicans and Democrats can be seen at the present session, although this, naturally enough, does not extend to all issues. Gov. Williams publicly complimented the Legislature on its sound approach to major state problems,

including finance, and listed many other subjects he would like to see covered before adjournment. Among them are modernization of civil defense, improving control over drivers' licensing, lowering voting age to 18, adopting "Little Hoover Commission" reorganization proposals, a state seal of quality for agricultural products, a fair employment practices law, revision of criminal law, including sexual deviate provisions, laws to stop the spread of animal diseases, increased farm research facilities, laws providing more benefits for workers, and more adequate medical facilities.

One party difference exists over the question of opening welfare rolls to public inspection. A

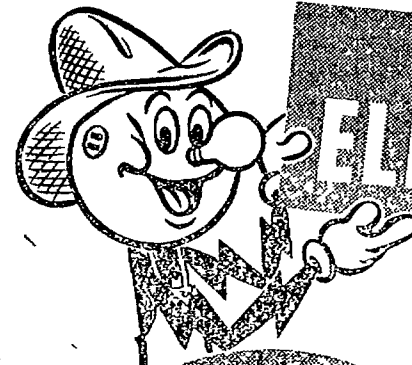

bill to permit this was passed last week by the House 56-41, with all Democrats voting against the bill. Seven Republicans also cast negative ballots. Although the bill can expect favorable action in the Senate, it can also expect to be vetoed by the governor. Since bills require a two-thirds majority

in both houses to pass over a veto, Republicans are faced with the problem of finding 11 more affirmative votes in House of Representatives.

There were 127,400 more persons injured in U.S. motor vehicle accidents last year than in 1951.

LOWER CEILING

If you want your ceiling to seem lower, paint it with warm or dark hues in contrast with side walls, suggest Michigan State College home economists. A square room will take on "new" dimensions if one wall is painted a dark or warm color.

DOLLAR FOR DOLLAR YOU CAN'T BEAT A

Pontiac

A GENERAL MOTORS MASTERPIECE

Its Great Name Makes Its Price Remarkable!

Consider the respect in which the name Pontiac is held—then consider that this great car is priced only a few dollars above the lowest—and you can come to only one conclusion: that here, indeed, is the biggest value your automobile dollar can buy.

The reason is very simple: Pontiac is the one car deliberately engineered to give you features of the costliest cars at a price right next to the lowest.

You see proof of this in its distinctive

Dual-Stroke styling, in its longer wheelbase and when you realize that under the hood there's more power than you'll ever likely need. And as the miles roll by, you get the most positive evidence of all in its amazingly low maintenance cost.

Why not take your first step toward Pontiac ownership by investigating Pontiac's modest cost? You'll quickly see that so low a price on so great a car represents a truly remarkable value. Come in at your first opportunity.

Mackinac Ferries on Spring Schedule

The Michigan State ferries, operating across the Straits of Mackinac between St. Ignace and Mackinaw City, are now on their spring schedule, Highway Commissioner Charles M. Ziegler reports.

On the spring schedule, the state boats will leave both cities every 1½ hours night and day starting at 6 a.m. E.S.T.

Following is the schedule of departures from both cities: 6 a.m., 7:30 a.m., 9 a.m., 10:30 a.m., 12 noon, 1:30 p.m., 3:00 p.m., 4:30 p.m., 6:00 p.m., 7:30 p.m., 9 p.m., 12 midnight, 1:30 a.m., 3:00 a.m. and 4:30 a.m.

Commissioner Ziegler says ice conditions in the Straits of Mackinac made it possible to advance the starting time of the spring schedule two weeks earlier than usual and to step up service for the public. The spring schedule will be replaced by the summer schedule with departures every hour about May 24.

Navy Still Looking for Stenos, Typists

Miss Mary Kelly, Navy representative, Navy Recruiting Station, Detroit, Mich., announced today that she will accept applications until May 9 for stenographic and typist positions with the Navy Department in Washington D.C.

Starting salaries range from \$246 to \$265 a month. Persons selected for appointment receive liberal paid vacation and sick leave.

The Navy Housing Office will make reservations for temporary housing and will assist individuals in locating suitable permanent housing.

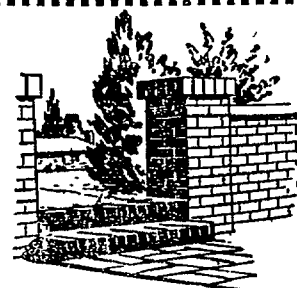

General requirements include the ability to type 40 words a minute for typists and 80 words a minute dictation for stenographers. Applicants must have reached their 18th birthday on or before the day they wish to begin work, however, high school seniors may request that their entrance on duty be delayed until after graduation. No experience is necessary for some of these positions.

Miss Kelly may be contacted by writing Navy Recruiting Station, Room 423, Federal Building, Fort and Shelby Sts., Detroit, or calling at her office Monday through Fridays from 9 a.m. to 5 p.m. and Saturday mornings. Special appointments may be made by calling Woodward 3-9330 extension 420.

TIDBITS from the TOTS

Mrs. Funk's 5th grade class is now engaged in a project of information exchange with the state of Ohio. The pupils are exchanging letters with another 5th grade class in a small Ohio town. These letters contain facts and history about both of the towns and states. Each group also sends a picture scrapbook and samples of local resources to the other.

"Many Moons" netted a profit of \$180.00 for the ambitious members of Miss DeKett's 5th grade. In spite of the sudden illnesses of Carol Tabor and Harold Hartley, the cast performed like troupeurs. Sally Stroh and Jimmy Burnham ably replaced their classmates with Jimmy learning his lines the day of the play.

The class now has \$330.00 earned towards their May 21 and 22 visit to our state capital in Lansing. The children will fly to Lansing and return home by train.

Miss DeKett deserves a great deal of praise for her modern and effective methods of teaching.

The kindergarten classes have been discussing pets. Some of the children brought their own pets to school to show their classmates. Among those brought were a cat, two bunnies, and two baby chicks.

SENIORS—"Rhapsody in Blue" Soft shades of blue and music furnished by Ray LaBarree's orchestra—could there be a more perfect setting for dancing? You'll find all of this at this year's Senior Prom on the evening of April 24. Tickets may be purchased from any senior.

At last Friday's class meeting details were settled for the senior trip to Washington. The trip is scheduled for May 16.

JUNIORS—The committees for the play have been formed and have already started work. Many of the problems involved in the production of a play have already been encountered. The search is on for a boy's bicycle with a back wheel standard. If you know the whereabouts of one, the juniors sure would appreciate hearing about it. The walls of that schoolroom to be occupied by the cast of "Our Miss Brooks" will soon be up and ready for that sensational play.

SOPHOMORES—Did you get spring fever and attend the "Spring Fever Hop" last week Friday night? The evening was perfect for dancing and the special feature, a floor show, was enjoyed by everyone who attended.

The sophomores are anxiously awaiting their turn to show off class rings. For two years they have been admiring the rings of the junior and senior classes and now, at last, they will be able to model ones of their own.

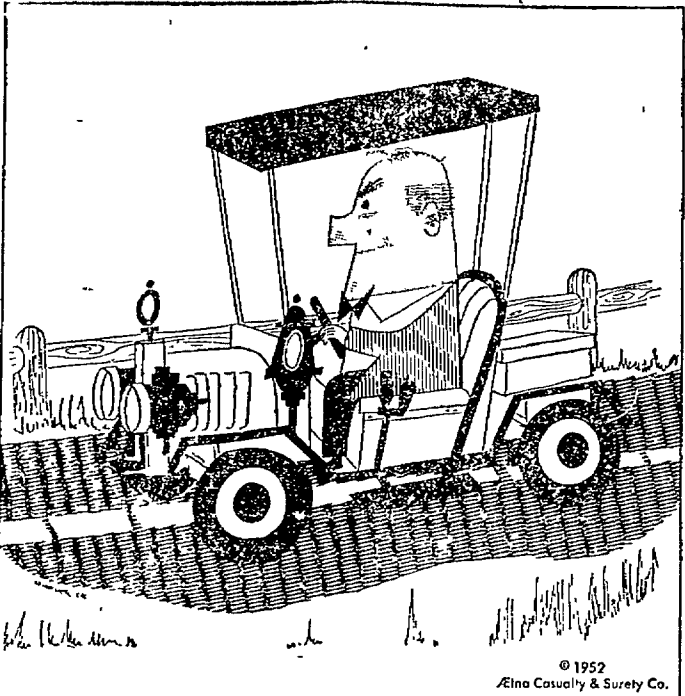

FRESHMEN—What have the freshmen been doing with their spare time? It seems like they could devote some of it to a few class projects. This is the year to start stacking up some money in that class treasury, freshmen.

VA Now Checking on GI Bill Schools

A new program to make sure that schools training veterans under the Korean GI Bill are meeting all standards of the law has just been put in effect, Veterans Administration announced today. Under the new program, VA Educational Benefits Representatives will make periodic visits to schools and establishments in which Korean GI trainees are enrolled, to see whether all provisions of the training law are being complied with.

Among the provisions to be checked are safeguards that protect the interests of the trainee and the Government, such as minimum standards that certain schools and courses have to meet, limits on the tuition a veteran has to pay, and the like.

VA said the Korean GI Bill gives it a number of responsibilities that can be carried out only through the system of periodic check-ups.

For example, VA is required to discontinue the GI monthly allowance of any veteran who is taking a course that fails to meet standards set up by law.

Likewise, the allowance may be stopped if the veteran's school or establishment fails to live up to the legal standards which formed the basis of GI approval by the State Approving Agency.

Another VA responsibility is to disapprove schools for further veterans' enrollment if VA finds that they charge veterans more for tuition and fees than they do non-veterans enrolled in the same course.

Still other VA responsibilities are to see that allowances are not paid to veterans for absences in excess of allowable limits; that veterans' conduct and progress remain satisfactory; that the ratio of veterans and non-veteran students enrolled in some types of schools conforms with the minimum requirements of the law.

VA said it expects the new program of compliance surveys to accomplish two things:

First, to help schools and business establishments understand all provisions and requirements of the law; and second, to assure that monthly education and training allowances are paid to Korean GI trainees only where all the provisions of the law are met.

CARD OF THANKS

I wish to extend sincere thanks to all my friends and relatives, and to the teachers of the elementary school who so generously remembered me with flowers, candy, cards and fruit, and to the third grade children for the lovely basket of fruit, and Easter plant and other fine gifts while I was in the hospital and since returning home. Thanks also for your many inquiries.

Shirley Maloney Pledges Vows In Morning Nuptials

Shirley Ann Maloney, daughter of Mr. and Mrs. C. R. Schmidt of Spring Drive, became the bride of Dwight E. Justice in a ceremony Saturday morning, April 11, at Our Lady of Victory Church. The bridegroom is the son of Mrs. Marguerite Justice of Detroit and the late Charles Justice.

The couple spoke their nuptial vows before the Rev. Anthony J. Heraty in the presence of 100 friends and relatives.

For the ten o'clock rites, the bride wore a gown of white satin trimmed with nylon net, seed pearls and applied satin rosebuds. A four-inch ruffle of nylon net edged her satin cathedral train and a crown of satin accented by seed pearls and satin rosebuds secured her fingertip veil of illusion. The bridal bouquet was of white calla lilies.

The bride's sister-in-law, Mrs. John Maloney, of Northville, attended her as matron of honor. She wore a gown of pink taffeta accented by a headpiece of pink for-get-me-nots and her flowers were a sheaf bouquet of pink roses.

Junior bridesmaid was Sylvia Justice, sister of the bridegroom. Her gown was of ice green iridescent taffeta and she carried a

bouquet of blush pink roses. Best man was John P. Maloney, brother of the bride, and seating the guests were Donald and James Schirhart of Detroit.

A reception for 75 guests took place at The Vineyards, Franklin Hills, immediately following the ceremony. Mrs. Schmidt, mother of the bride, received guests in a plum colored dinner suit, complemented by a white hat and a corsage of pink tea roses.

When the young couple returns from a fifteen day wedding trip to Washington, D. C., they will make their home at 14256 Auburn road, Detroit. For traveling, the new Mrs. Justice donned a lilac suit with matching accessories and pinned a corsage of white and pink rosebuds to her shoulder.

The bride is a graduate of Northville High school and attended the Detroit Business Institute. She had been employed by the Detroit Diesel Division, General Motors Corporation, for the past five years.

Mr. Justice is a graduate of Redford High school and is also employed by the Detroit Diesel Division.

June Holmes Wed in Indiana Saturday

June Ann Holmes, daughter of Mr. and Mrs. Hiram Holmes of Novi, and Joseph Tarantowski of

Mrs. Joseph Tarantowski

Willis, Mich., were married Saturday afternoon, April 11, in a quiet ceremony performed in Angola, Ind.

The bridegroom is the son of Mrs. W. Tarantowski and the late Walter Tarantowski of Willis.

The bride is a graduate of Northville High School, class of 1950, and is employed by the Michigan Bell Telephone Company of Plymouth. Her husband, a veteran of World War II, is affiliated with the Great Lakes Steel Corporation.

The couple is residing in their new home in Wayne.

Open House to Mark Golden Wedding

Mr. and Mrs. Mark Green will mark their Golden Wedding anniversary with an open house at their home, 9761 Six Mile Rd., Salem, Sunday afternoon, April 19.

Friends and relatives are cordially invited to attend the affair from 2:00 to 5:00 o'clock.

The couple moved from Ann Arbor to their farm in Salem ten years ago. They are the parents of a daughter, Mrs. L. W. Pingley, of Fenton and a son, Edmund, of Chelsea. There are three grandchildren.

Auxiliary Names Poppy Poster Contest Winners

Winners in three classes have been named in judging of the annual Poppy Poster Contest sponsored by the Auxiliary of the American Legion. Judging was done April 13, at the Veterans' Memorial Building.

The contest consisted of posters made by children in grades four through 12, and were divided into three classes.

Winners in Class I, grades 4 through 6, were Thomas Weidner, first; Roger Atchinson, second, and David Rayl, third.

Class II winners, grades 7 through 9, were Deanna Millington, first; Sally Lemke, second, and Lucille Pullen, third.

Jim Hollis placed first in Class III, grades 10 through 12. Second place winner was Catherine Rambeau, and third was Barbara Bayless.

Special recognition was given to the fourth grade. Winners were Mary Long, Jack Nitzel and Margaret Dresselhouse.

Judges of the contest were Mrs. Jim Green, Mrs. Carl Johnson, Mrs. Joseph Sands, Eural Clark and the Rev. Ivan Hodgson. They picked winning posters on the basis of 50 points for originality; 25 points on the ability to attract attention; 15 points on artistic ability, and 10 points for neatness.

The posters will be sent to the 17th District of the American Legion, where they will compete with winners from other schools.

Final Rites Held for Mrs. Sanders

Funeral services were conducted Saturday afternoon, April 11 from the Casterline Funeral Home for Mrs. Catherine Sanders who died April 8 at 93 years of age.

Rev. Ivan E. Hodgson of the First Methodist Church officiated at the chapel rites and at the graveside commitment services at Forest Lawn Cemetery.

Mrs. Sanders was born May 3, 1859, in Canada to the late Peter and Margaret Zubrigg and was the wife of the late James Sanders. The deceased lived in Detroit until 14 years ago when she moved to Northville to make her home with her daughter and family, Mrs. Floyd Wilbur, 1939 Clement Rd.

Surviving besides Mrs. Wilbur are two other daughters, Mrs. Henry Schukraft and Mrs. Florence Scott of Detroit. A brother, Peter Zubrigg, of Detroit, and a sister, Mrs. John Stockfish of Canada, also survive.

Rummage Sale, at Methodist Church House, April 24, 9 to 5. 44-48

Dorothy Corey Wed in Afternoon Rites

The First Methodist Church of Northville was the setting of a four o'clock ceremony Saturday, April 4 in which Dorothy Mae Corey, daughter of Mr. and Mrs. Jesse Boyd of Dubuair St., became the bride of Al Stevenson, son of Mr. and Mrs. Robert Stevenson of Plymouth.

Rev. Ivan E. Hodgson officiated at the double ring ceremony at which only members of the immediate families were present.

Attending the bride and bridegroom were Mr. and Mrs. Walter Stobbe, Jr., of Northville, sister and brother-in-law of the bridegroom.

A reception for 75 guests followed in the evening at the home of the bride's parents. Guests were present from Detroit, Ann Arbor, Wayne, Walled Lake, Plymouth, Brighton and Northville. Honeymoon destination of the newlyweds was California where they will make their new home.

Surprise Party Held for Caroline Cantrell

A surprise party Saturday afternoon highlighted Caroline Sue Cantrell's 14th birthday celebration.

Sixteen of her ninth grade girl friends were on hand for the affair held at her home on W. Nine Mile Rd. As an added surprise, three of her former school chums from Post Intermediate School in Detroit were also invited.

A centerpiece of pastel spring flowers flanked by pink tapers graced the buffet table and the girls enjoyed an evening of games and dancing.

Caroline Sue is the daughter of the Robert L. Cantrells, who recently moved to the Village from Detroit.

OLV Altar Society to Hold Meeting, Tea

Mrs. Joseph Gill of Haggerty Rd. will be hostess to a tea and business meeting to members of Our Lady of Victory Altar Society Wednesday afternoon, April 15.

Co-hostesses assisting Mrs. Gill will be Mrs. Carroll Mulligan, Mrs. Lee Heaton and Mrs. Laudon.

Plymouth U-M Club to Host Livonia, Local Clubs Tonight

The Plymouth University of Michigan Alumni Club will be hosts to the Northville and Livonia branches at a cooperative dinner this evening, Thursday, at 6:30 p.m. in the Plymouth High School auditorium.

Speaker of the evening will be W. K. Pierpont, vice-president of the University, who will discuss expansion plans of the school with particular emphasis on development of the north campus.

Blue, Gold Banquet Honors Cub Scouts

The annual "Blue and Gold" banquet honoring the Northville Cub Scout packs, was held Tuesday evening in the Presbyterian Church House.

Scouts of the nine active dens were present with their parents and friends for the cooperative dinner which was climaxed by the presentation of awards earned by the boys.

News About Salem

by Mrs. Lloyd Birkelbaw, Jr. Phone Northville 905-R12

UNION SCHOOL NEWS

Lower Room
The spring scrapbooks are almost completed.
Friday, April 10 the school nurse, Mrs. Mitchell, visited Salem Union School.
The immunization clinic will be held at the Salem Union School on April 21. Request slips for smallpox, tetanus, and diphtheria are being sent to all parents.
The third and fourth grades challenged the fifth grade to a

game of baseball and the fifth grade won.
Suzanne Stibbs is home again following a mastoid operation at the University Hospital in Ann Arbor.
Ruth Ann Birkelbaw visited school with her sister, Mary Beth on Monday.
The lower room is making health posters.

UPPER GRADE NEWS

A group of twenty pupils from the third through eighth grades will be chosen to participate in the WUOM Station music broadcast from 2-2:30 p.m. Wednesday, April 22. These broadcasts are given on Mondays and Wednesdays of each week in preparation for the Music Festival to be held May 6.

Raymond Dahl is continuing his practice for the spelling contest which will take place this coming Friday at Carpenter School near Ypsilanti.

The fifth and sixth graders are having geography "Quiz-downs" to determine which grade has the better knowledge of geographical locations.

The baseball game started by the fourth and fifth grades last Friday will be continued probably this week Friday at 3:15 p.m. The fifth grade was winning at the end of the third inning.

BOYS IN SERVICE

Frank Skiver, who used to stay with the Opdykes, is now stationed at Sampson Air Base in New York. He would very much like to hear from friends here in Salem. Gary Cooper, who also made his home with the Opdykes, is also at Sampson Air Base. The two boys have not met at camp yet.

Mrs. Carlton Hardesty received a letter from Ned Hardesty, who is stationed at Camp Rucker, Ala. He too would appreciate letters from home folks.

Bob Benjamin, son of Mr. and Mrs. William Benjamin has been transferred to Camp Clovis, near Albuquerque, N. M. Bob is serving in the Air Force.

Leon Holman, son of the Frank Holmans, of Salem, was recently transferred from Camp Chaffee, Ark., to Fort Sill, Okla.

4-H NEWS

Last Wednesday evening I attended the annual Washtenaw County Achievement Day program and dress revue at Ann Arbor High School. One hundred and ninety-three girls and one boy modeled their 4-H garments

in the dress revue; four of them were from Salem. Joan Wilson, first year clothing; Priscilla Hilton, second year, and Bonnie Burnham and Joyce Wilson, third year 4-H clothing members. Following the style show, awards to winners of the various branches of 4-H projects were given. We are happy that Dennis Young in fourth year handicraft club, was listed on the County Honor Roll. Dennis' leader was Robert Willson, whose club had a large display of their work on the achievement tables. Also receiving an award was Loren Geiger of Warden, who received a check for a milk production award.

There were 61 clothing clubs in Washtenaw County last winter, and 35 men and women served as volunteer leaders in the 4-H work, which is doing a very good job in helping to build better citizens from the future men and women of our country.

SOCIAL LIFE

Mr. and Mrs. Arthur Wheeler were Sunday dinner guests of their grandson, Sam Wheeler, and family of Ypsilanti.

Mrs. Renstadler and mother, Mrs. McFadden, formerly of Salem, came from Flint Sunday morning to visit with Mrs. Raymond Lewis.

Mary Ellen Rathburn has returned home after visiting during Easter vacation with her grandmother, Mrs. Frank McFarland.

Mrs. Cloyd Hardesty and her daughter, Lois, of Whitmore Lake were Sunday visitors at the home of Mrs. Hardesty's parents, Mr. and Mrs. Holly Opdyke.

Chuck and Sally Raymor of Concord, Mich., spent the week end with his parents, the Charles Raymors, in Salem.

MISCELLANEOUS

Mr. Lewis Haab, a long-time resident of Salem, who has been ill recently, died Sunday at his brother's home in Dexter. The late Mr. Haab was a brother-in-law of Mrs. Bert Stanbro.

Arthur Dahl is proudly driving around these days in his new Packard automobile.

After cleaning several of the slimy creatures Monday I can truthfully say that the season of the smelt run is here again. Although I can't honestly say that I look forward to cleaning the smelt, they do make good eating.

Mr. James Coit will make a business trip to spots in Ohio and also to Louisville, Ky. this week.

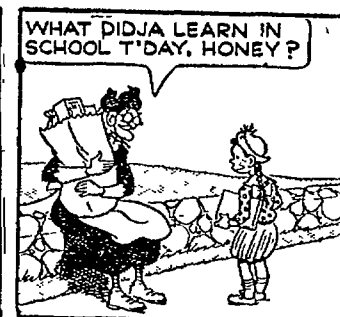

Mr. and Mrs. Don Tiffon and two children have sold their home on Nine Mile Rd. and are living temporarily with Mrs. Tiffon's parents, Mr. and Mrs. A. E. White, on Salem Rd. until they can find a desirable home to buy. Their

CHRISTIAN SCIENCE CHURCHES

Not all people understand what

is meant by the atonement of

Christ Jesus. Christian Science

explains this in the Lesson-Ser-

mon entitled "Doctrine of Atonement"

which will be read in all

Christian Science churches on

Sunday, April 19.

The Golden Text is from John

I (1:3): "That which we have

seen and heard declare we unto

you, that ye also may have fellow-

ship with us: and truly our

fellowship is with the Father,

and with his Son Jesus Christ."

Among the Bible citations is

this passage, (I John 3:21): "Be-

lieved, if our heart condemn us

not, then have we confidence to-

ward God."

Correlative passages from "Sci-

ence and Health with Key to the

Scriptures" by Mary Baker Eddy

include: "To keep the command-

ments of our Master and follow

his example, is our proper debt

to him and the only worthy evi-

dence of our gratitude for all

that he has done." (p.4).

Bright Idea for Bonnets

Brighten your bonnet with gay flowers—made from old nylon stockings! Transforming torn or mislabeled nylons into floral trims and corsages is latest home hobby rage. It's astonishingly easy—and lots of fun. All you need besides the nylons are some color remover, all-fabric dye and the customary tinting vessels for the color-change and strands of copper screening, floral tape and scissors for creating the flowers. Blossom centers can be made by dipping colored crochet cotton into paraffin or by rolling a small ball of the fabric. The same flowers can be removed from the hat later and reassembled for use as corsages or for hair, wrist, dress and coat decorations. Or you can make entirely new flowers the same way. The Tintex Home Economics Bureau is distributing a free leaflet with detailed directions, obtainable at any all-fabric dye counter or from the bureau, 485 Fifth Ave., New York 17, N. Y.

Red Cross Gray Ladies at Northville State Hospital Seeking Volunteers

"No task is too large, no task too small for Gray-Clad Angels." That's the simple motto of the Red Cross Gray Ladies, who are seeking volunteers to join their group for beneficial work at Northville State Hospital on Seven Mile Road.

Volunteers are especially sought during the Gray Ladies recruiting drive April 22, 24, 28 and 30. These are the days when women of the area are invited to the State Hospital to see and learn what they can do to help.

"Those women who are interested in spending satisfying hours doing volunteer work at the hospital as American Red Cross Gray Ladies will have the opportunity to find out about the existing program at the hospital, to register for service and to be interviewed within the next two weeks," said a representative of the hospital.

Better Parking

(Continued from Page 1)

pecially if it continues to be as hard to find a parking spot next year as it is now, it was pointed out.

Also emphasized was the fact that the possibility of realizing additional revenue through becoming a city is now dead for at least two years.

"There are many ways in which volunteers can meet the great need of the hospital for volunteer help," he said. "You need not be a technician or an expert. Everyone can be placed in a job that will offer many gratifications in seeing sick persons returned to health. There is nothing more satisfying than knowing you've been a part of the actual rehabilitating process, in knowing that you've helped."

Any ladies seeking further information should telephone the hospital at Northville 1290 and ask for the Gray Lady service.

Prolonged Illness Claims Mrs. Smith

Mrs. Naomi A. Smith of 410 North Center St. died Tuesday, April 14 at Sessions Hospital following a prolonged illness.

The body will lay in state at the Casterline Funeral Home until 11 a.m., Friday. Funeral services will be conducted at 2 p.m. from the First Baptist Church, Northville, Rev. Peter F. Nieuwkoop, officiating. Burial will be made in Oakland Hills Memorial Cemetery.

The late Mrs. Smith is survived by her husband, Herbert, and young son, Kenneth, of the home. A complete obituary will appear in the next issue of the Record.

Northville Groups to Host York Rite Regional Meeting

The first social event of the recently organized general committee of the York Rite Masons of Wayne County, will be a get-together and dinner at the Northville Lodge, No. 186, Union Chapter No. 55 and Northville Council No. 89, R. & S.M. at 6:15 p.m., Saturday, April 18.

Representatives of 14 Lodges, six chapters, councils and Commanderies attending the affair will hear talks given by Hollis Collier of Pleasant Ridge and other grand officers.

Acting vice chairman, Stewart H. Dodge, has requested that reservations be made through each chapter's respective officers and that all final reservations be forwarded to him: phone Plymouth 399.

Thrift Shop Sales Ahead of 1952

Sales of the Thrift Shop conducted by the Women's Union of the First Presbyterian Church have exceeded those of last year by a substantial margin, officers of the Union report.

Its success this year, they believe, is attributable to the excellent location of the old Record Building, which they were permitted to use by the present owner, Mr. Gerald C. Woodworth, and to the generosity of the many residents of the community who contributed clothing and other valuable articles.

The Thrift Shop closed its doors for this year on Monday, April 13.

For the Record . . .

Continued from Front Page

girls who are not participating in a particular group activity. We believe there is need for a youth center or "hang-out room" for boys and girls who are a little beyond the group activity age, who would like to watch television, or put a nickel in the juke box and do a little dancing, or play cards, or read magazines. Such a room could be fitted up without too great expense and, as long as Northville Downs is to continue paying Northville some \$25,000 per year so long as racing continues here, failure to provide such a youth center cannot be excused on the grounds that there isn't enough money available. There will be enough money available for this purpose, and to provide proper supervision, if the City Fathers don't decide to bury it in the ground in the future in the form of sewers, water mains, and other municipal services that should be paid for through taxation.

As Our Neighbors See Us

(Reprinted from Plymouth Mail)

"Northville is going to remain just a sleepy, easy going village for at least another year and a half."

This was the opening sentence of the Plymouth Mail's story about defeat of the proposal to make Northville a city. These 19 words summed up the matter better than the Record did in a column and a half story.

Rites Conducted for H. Fray Croll

H. Fray Croll of 635 N. Center St. died Wednesday, April 8 at Atchison Memorial Hospital following a brief illness.

The deceased was born June 5, 1893, in Tontogany, O., to the late George and Nettie Croll. He attended the University of Michigan and was graduated from Michigan State Normal College. Following graduation, he taught several secondary schools and then became affiliated with the local division of the Ford Motor Company where he had been employed for the past 16 years.

He was past commander of the Lloyd H. Green Post 147, American Legion, and was a member of

Plant Trout Today

Members of the Northville Exchange Club will take netfull of trout from the pools at the Fish Hatchery today and plant them in the Rouge River running through Cass Benton Park.

This will assure targets for flies and plugs cast by youthful anglers in the Fish Derby planned by the Exchange Club for the opening day of trout season April 25.

I Feel Complimented!

Now and then preachers have some kind sister or brother ring their hand at the close of the morning service and say how they enjoyed the morning sermon. However this compliment came in the form of criticism to me.

"The trouble with your church is that they are always talking about salvation. They are always trying to get people saved!" Now say, I'm glad people feel that way about our church and you can feel complimented if they say the same about yours. As I read my Bible I find that the major part of its contents is taken up with the message of salvation which centered around the crucified and risen Saviour. I see about being saved. The mission of our Lord was expressed when He said, "I came to seek and to save the lost". I read of the sacrificial and heart-burning passion for the salvation of the lost in the early church and among the Apostles. I read of the martyrs in the early church who died because they carried the Gospel that tells people how to be saved. When I consider all this I am glad that people can say that our church is interested enough to talk to men and women about their souls needs.

AFCO's B.T. Udee Says...

AFCO AUTOMATIC HEAT PROVIDES COMPLETE WINTER COMFORT

While materials are available, replace your out-of-date furnace with a modern AFCO heating unit.

For years to come the entire family will enjoy many months of winter indoor living while an AFCO air conditioning furnace provides filtered clean, humidified warm air to every room of the house.

Economy of installation and operation add to the comfort of your pocketbook. You save on fuel and your house furnishings last longer because they stay cleaner.

Choose the fuel you want to burn. Let your AFCO man help you select the proper furnace for your home. For a free heating survey and estimate,

Events of the Past in Northville

News Items Taken From the Files of the Record

Northville's two mayors shook hands, as Mrs. Donald B. Severance examined the badge with which Village President Conrad E. Langfield (left) designated post Edgar A. Guest honorary mayor of Northville. Guest was the principal speaker at a program April 15 sponsored by the Auxiliary of the Lloyd H. Green Post 147 of the American Legion. Mrs. Severance was 1952 president of the Auxiliary.

ONE YEAR AGO—

The Northville Parent Teachers Association announced plans for their third annual carnival to be held May 2.

Mr. and Mrs. Pieter W. Schipper of Bradner road and Mrs. Elizabeth Stoovogel of Holland, house guest of the Schippers, were among the 325 Detroiters of Dutch descent who were personally introduced to Queen Juliana of the Netherlands at a reception in Detroit.

Roy Stone was chosen as the 1952-'53 president of the Northville Retail Merchants Association.

Carl Johnson of Orchard drive purchased the home and adjacent property of Dr. E. B. Cavell on Griswold street.

High school forensics students won all five first places in the District Speech contest held at Northville High School.

FIVE YEARS AGO—

The Northville Exchange club celebrated the 25th anniversary of its founding April 21.

Girl Scouts joined in the Cancer Campaign Drive for funds by sponsoring a Cancer Tag Day.

The Northville High School baseball season was set to get under way April 22 with the Mustangs meeting Holly for their opening game.

TEN YEARS AGO—

Five Northville men who left for service were Donald Persell, Carl Schultz, Harry Larkins, Edwin King and Roy Laney.

Dr. Ted Hegge of the Wayne County Training School was elected president of the Northville Rotary Club.

Events of the Past in Northville

News Items Taken From the Files of the Record

Northville was well represented at the All-American Aircraft show at Detroit. Those who attended were D. B. Bunn, Elmer Smith, Edward Mills, Dr. L. W. Snow, Sherrill Ambler, Louis Stewart, Sterling Eaton, Dr. E. B. Cavell and Dr. Paul Alexander.

The herds of two neighboring dairy farms were purchased by the Detroit Creamery. The farms selling their herds were the Booth Stock farm and the Brennan Fitzgerald and Sink farms.

Rev. O. L. G. Riese, pastor of the St. Paul's Lutheran Church here, resigned to accept pastorate in a large Detroit church.

The Kilgour store opened for business.

THIRTY YEARS AGO—

G. C. Filkins gave an organ recital at the Plymouth M. E. Church, at the dedication service of their new organ.

Word was received of the death of Fred M. Warner, former governor of Michigan, who was a familiar figure in Northville.

Mr. and Mrs. P. M. Gillespie of Detroit moved to Northville.

Mr. Gillespie assumed the position as manager of the sanatorium which Dr. A. B. Wickham of Detroit established on Scotten Hill.

Lawn Feeding & Seeding Time Again

Proper feeding is the first important step to lawn beauty. The best feeding is our expert application of SCOTTS TURF BUILDER. Your lawn will get a solid lasting meal, not the short-term pick-me-up of ordinary type feeding.
