Optimist Jr. Horse Show Slated May 31

Prize lists and entry blanks are out for the Optimist Club's 5th Anniversary Northville Junior Horse Show, scheduled for Sunday, May 31 at Northville Downs. The show will get under way at 11 a.m. and will run through to 8 p.m.

Rated as one of the top junior shows of the nation, there will be entries from all over Michigan, Ohio, Indiana and Illinois.

Juniors, all the way from two years of age up to 18 will be competing in the 28 classes making up the show. Of great interest to the kindergarten set will be the lead line class which is for children

run up to six years old. To the youngest will go a special trophy as well as the regular trophy and ribbons to the winners. Youngest entry to date is Maggie Owen, daughter of the Orlov Owens, Seven Mile Rd., Northville.

All types of competition are scheduled for saddle horses, hunters, jumpers, western horses, trail horses, pleasure and parade horses.

Featured event of the show is the opening games of the Junior Equestrian Teams-low score competition. Sponsored by the Northville Optimist Club, this competition runs all through the summer, with the winning team determined by the largest number of games won during the season.

The show committee, headed by J. P. Mailey, general chairman, is made up of Dr. Waldo Johnson, tickets; Emmett Wirth, Harry Seeley, Dr. J. K. Eastland, program advertising; Alex Lawrence, Al Wistert, concessions and refreshments; L. C. Stewart, grounds; Walter Couse, George Zerbel, trophies; and James Green, stabling, assisted by all members of the Optimist Club.

Mrs. Franklin Beeks is the show secretary, assisted by Mrs. Stanton Shaffer. Mrs. Robert Hass, chairman of the hostess committee, will announce her full committee at a later date.

The show is the annual event of the Northville Optimist Club for the purpose of raising funds for its extensive youth work that is carried on all year in the community. These funds make many worthwhile projects possible that otherwise could not be done.

Don Merritt Buys Main St. Store

Don Merritt has purchased the store building at 125 E. Main St., formerly occupied by the Northville Railroad Salvage Store, from Maude Bennett.

Merritt plans to alter the interior to provide ground floor space for his insurance office which is now located at 133 E. Main St. The balance of the ground floor will be rented for business purposes, he stated.

47 Seniors to Go on Annual Senior Trip Saturday

Forty-seven senior boys and girls will realize the fruits of four years of projects and money-making activities Saturday evening when they board the "Sportsman" in Plymouth for the beginning of their Senior Trip to Washington, D.C.

The trip, a planned tour arranged by the Chesapeake and Ohio Railroad Co., will take the students to many interesting places en route to Washington, and provide an all-day tour of the nation's capital, followed by trips to public buildings and many other activities sandwiched between the guided tours.

4 Years of Work Money was poured into the class treasury during the four-year careers of the students in small and large sums from plays, dances, sales of candy, baked goods, magazines, pop corn, scrap drives and many other money-making efforts until a total of about three thousand dollars was accumulated.

Boys and girls who participated in the activities were given credits in proportion to their efforts, and those credits became good for a certain share of the total collected. Principal E. V. Ellison said more than half of the students have qualified to have most of the cost of the trip paid for by the credits they have accumulated. Others, who have not gained so many credits, must make up the balance of the \$64.45 cost from their own pockets.

As Usual, No Sleep Mr. and Mrs. Albert Jones and Miss Diana Lance will accompany the 47 cheering boys and girls as the train pulls out at 6:20 p.m. Saturday. If tradition holds true, nobody will do much sleeping that night.

Sunday morning the train will pass through White Sulphur Springs and will arrive at Charlottesville, Va. about 11 a.m. where the trippers will have lunch at the Monticello Hotel. Chartered buses will then leave Charlottesville on a trip through Shenandoah National Park on the Skyline Drive.

An all-day tour of Washington will be the schedule for Monday, with dinner at the Casino Royal that evening. The balance of the evening will be free for exploring and resting.

A three-hour tour of public buildings will take up part of Tuesday, with the afternoon off for more exploring. A moonlight cruise of the Potomac is scheduled for that evening.

After breakfast Wednesday, the boys and girls will board the bus again for the beginning of the trip home. Arrival time in Plymouth will be about 7 a.m. Thursday morning, May 21.

Seniors taking the trip this year are: Leland Brown, David DeJohn, Pete Mellen, Bill Sullivan, Judd Green, Ted Mapes, Pat Herbert, Bill Bailey, Gerry Graham, Mike Rackow, Dick Somers, Richard Burton and Jim Lapham.

Ursula Hamacher, Terry Duchesneau, Barbara Couse, Pat Baschins, Ione Holmes, Carolyn Ratliff, Kay Petersen, Arlene Nelson, Ellen Stark, Janie Beckel, Barbara Bayless and Roberta Malott. Sally Davis, Rosemary Dix, Krantz, Marlene Weiss, Catherine Rambeau, Judy Tetzlaff, Walter Newton, Dave Severance, Jurgen Bonnet, Lin Fritz, Lillian Dickinson, Shirley Wick, Carolyn Miller and Eva White.

The list ends with Bob Dixon, Larry Gots, Otto Wendt, Allen Krafve, Harvey Russell, Bob Wilson, Bill Mosher, Garry Hix and Bruce Wagenschutz.

School Board Seeks Permission To Dispose of Annexed Land, Buildings

3 File for 2 Posts On School Board

Three candidates, one a woman, will be contesting for election to fill two vacancies on the Northville Board of Education at the school election June 8.

The woman, Mrs. Eliza M. Wagenschutz, will be making her first bid for public office. Incidentally, she will be the first woman to seek a position on the school board since Mrs. E. H. Lapham served a one year term in 1924. She is the wife of Harry F. Wagenschutz, manager of the Northville Detroit Edison office.

The seats she is contesting are those now held by George L. Clark, present secretary of the board of education, and Nelson Schrader, also a member of the board. Both Clark's and Schrader's terms are expiring and both are seeking reelection.

R. H. Amerman, superintendent of schools, points out that anyone residing in the Northville School District and registered with the clerk of the township in which he or she resides, will be eligible to vote. The deadline for registration is 5 p.m. May 29.

Because of the recent enlargement of the school district through consolidation, Mr. Amerman points out that those who live in Novi Township should register with Earl Banks, clerk; Salem Township with Grant Currie; Lyon Township with Lyman Joslin and Northville Township with Fred Lyke.

Although registration must be in the township of residence, all ballots will be cast in the Northville Village Hall.

Voters expecting to be absent from the school district on election day, June 8, may secure an absentee ballot from George L. Clark, secretary of the Board of Education, or R. H. Amerman, superintendent of schools up to 2 p.m., June 6.

James Coit Killed As Car Overturns

A safety belt intended to prevent harm may have contributed to the death of James O. Coit, Jr., 8673 Six Mile Rd., who was killed late Tuesday night, May 6, when his car struck an embankment at the side of the highway and overturned on Six Mile near Beck.

Wayne County Road Patrol deputies said Mr. Coit might have been thrown clear of the convertible as it turned over if the belt had not been fastened. Mr. Coit's wife, Juliet, said he had feared that he might be thrown forward into the windshield in a collision and had equipped his car with the belt, similar to those in airplanes.

Mr. Coit, a manufacturer's agent, was driving alone with the convertible top down. Sheriff's deputies said he may have fallen asleep while driving. He was the father of two sons, Cordly, 11, and Kemp, 7.

Flash Fire Destroys Fred Napier Barn

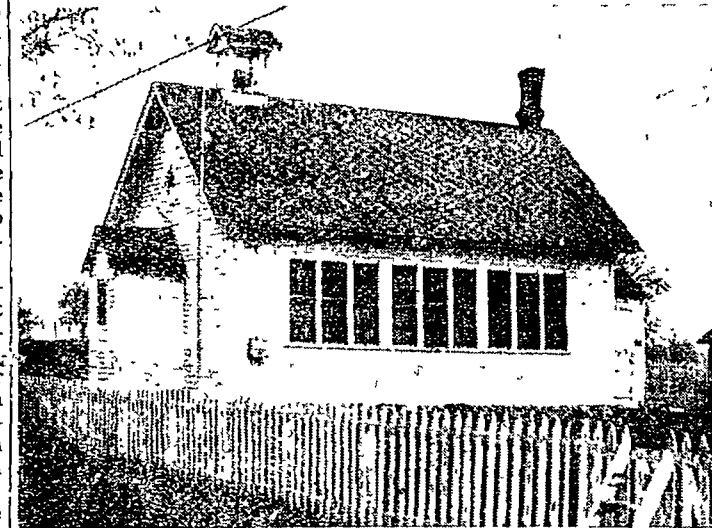

Fire of undetermined origin completely destroyed the large barn on the Fred Napier farm in Lyon Township, Friday evening, with losses estimated at approximately \$50,000. The farm is located on the corner of Napier road and Grand River.

Ten head of cattle died in the blaze which apparently had its beginning in the mow and quickly swept through the huge structure. A large herd of cattle and goats were saved, however, said New Hudson Fire Chief Mr. F. J. Knapp.

Manager of the farm is Ralph Napier, son of the owner, Fred Napier, who is ill in a Detroit hospital.

The old red brick Thayer School at Six Mile and Napier roads is one of the properties now annexed to the Northville School District. The board of education will ask voters at the annual school meeting June 8 for permission to dispose of properties in Thayer and two other annexed districts when and if such disposal should become favorable. Below is the Baseline School located on Eight Mile Rd. near Garfield.

Proclamation

Whereas: By authority of Congress, the Veteran organizations of the United States are granted due permission to conduct an annual sale of Poppies, and

Whereas, all proceeds of the sale are used to provide immediate aid for deserving war veterans and for the widows and orphans of deceased veterans; and Whereas, the wearing of memorial poppies on the Thursday, Friday and Saturday before Memorial Day brings to our minds and hearts the memory of these gallant dead:

Therefore, I, Conrad E. Langfield, mayor of the Village of Northville do proclaim Thursday, May 21; Friday, May 22, and Saturday, May 23 as the time for the sale of poppies, and urge that all citizens observe these days by wearing the memorial poppy.

(Signed) Conrad E. Langfield Mayor of Northville

Play Groups Hold Annual Convention

More than 170 representatives of Michigan Cooperative Play Groups met for their annual convention Tuesday, May 12 at the Kellogg Center on the campus of Michigan State College.

Speaker of the day was the noted educator, Dr. Katherine Whiteside-Taylor, who is supervisor of parent education in Baltimore, Md. Her address explained how "Cooperative Nursery Schools Educate Families".

Following a luncheon at the Center, workshops covering various phases of nursery school problems were made available to the guests and a mass meeting to coordinate workshop information preceded a second address by Dr. Whiteside-Taylor.

Representatives from the Northville group attending the all-day session were Mrs. M. J. Orlick, Mrs. James Scheifer, Mrs. W. B. Madigan, Mrs. William Chizmar, Mrs. R. G. Nelson, Mrs. C. D. Hill and Mrs. Howard Myer who served as hospitality and equipment display chairman of the convention.

Ball Game Ends In 2 to 2 Deadlock

An Inter-County League baseball game between the Northville and Farris Furniture teams ended in a 2 to 2 deadlock at the end of the eighth inning Sunday.

The automatic time limit imposed on League games calls for starting of the game at 1 p.m., with no new inning starting after 3:15 p.m.

The Northville team, sponsored by the Cy Owens Ford dealer and by the S. L. Brader Department Store, picked up runs in the first and fifth innings. Farris Furniture scored both its runs in the second inning.

Northville hurler Rudy Zeppa went the route, allowing six hits, while his teammates also collected six safeties. The Northville infield nailed Farris batters and baserunners in three double plays, and narrowly missed a fourth.

Northville will play the highly-regarded Auto Club team Sunday at Cass Benton Park at 1 p.m. Auto Club swamped the Bodker team 22 to 3 in its first game, and trounced Wayne, also regarded as a powerhouse, 10 to 5 last week. Northville player - manager Steve Polino said this week that no support for the local team would be appreciated at the park.

"Mibs" Tournament to Begin Monday

The fifth annual marble tournament, sponsored by the Northville Recreation Committee will get under way Monday, May 18, said Wilson Funk, recreation director.

The tournaments held during recess and lunch hour at Northville Grade School, are open to boys and girls of the grade school and junior high.

An inter-school tourney will be an added feature this year with the school winner competing against the winner of Our Lady of Victory School for the village championship, stated Mr. Funk.

State School Law Requires Approval of District Voters

Permission to dispose of three pieces of school property in the former Thayer, Baseline and Waterford school districts will be asked by the Northville School Board in the annual school meeting June 8.

Such permission, required by state school law, would permit the board to sell or otherwise dispose of the properties when and if favorable opportunities to do so should occur.

Without the blanket permission, the board would be forced to ask voters in costly special elections for permission each time it wanted to make

Northville Assets Increase \$10,642

Net assets of the Village of Northville increased \$10,642 during the fiscal year ended Feb. 28, 1953 and amounted to \$190,689 at the end of the year, according to the annual audit just completed by Iccerman, John & Hoffman, certified public accountants. This was represented by \$174,257 worth of village property and equipment, \$17,815 cash and \$4,608 of taxes and accounts receivable.

The report shows that 96.7% of the 1952-53 tax levy was collected. Cash and investments of the public improvement (Community Bldg.) fund totaled \$182,154 at Feb. 28, 1953, an increase of \$19,139 for the year.

Outstanding bonds totaling \$10,000 were paid during the fiscal year, reducing the Village's bonded indebtedness to \$10,000 at Feb. 28, 1953. (This was paid off April 1, 1953.)

General fund revenue receipts from local taxes, rebates of state-collected taxes, and other sources, totaled \$168,716 as compared with \$149,500 for the preceding year. Included in the foregoing were receipts of \$9,810 from parking meters, which were used for the acquisition of off-street parking areas and traffic control.

General fund operating disbursements totaled \$182,204 for the 1952-53 fiscal year as compared with \$183,678 during the preceding year.

The audit disclosed that the Water Department operated at a profit of only \$439 for the year. This compared with a profit of \$1,609 in the previous fiscal year and a loss of \$871 in the year ended Feb. 28, 1951.

Poppy Sale Is Set for May 21-22-23

A three-day Poppy Sale will be conducted in Northville May 21-22-23 under the joint auspices of the American Legion's Lloyd H. Green Post 147 and Veterans of Foreign Wars Post 4012.

Barnaby J. Bird of Scott Ave will direct the V.F.W.'s Buddy Poppy campaign, assisted by Wilfred Throop as co-chairman, Florence Russell, chairman for the V.F.W. Ladies Auxiliary and co-chairman Betty Kupsky.

The American Legion's campaign will be directed by Robert Porterfield of Novi Ave. as chairman, and Mrs. George Simmons as chairman for the American Legion Ladies Auxiliary.

It is proposed to attract the active cooperation of scores of Northville community residents in working with the Legion and V.F.W. in sale of replicas of the poppies that grew so profusely in Flanders fields in France.

Optimists to See Racing Movie

Members of the Optimist Club will see movies of the "Grand Prix d'Endurance" at its meeting next Wednesday evening.

The 24-hour endurance race is regarded as the most gruelling test of engine speed and stamina and is held at Le Mans, France.

Property in the former Baseline district consists of a small wedge of land and a frame building located on Eight Mile Rd. west of Garfield Road. The Waterford property is located on Franklin Rd. north of Mill St.

The Thayer School, an old red brick structure at the corner of Six Mile and Napier roads, is now owned by the Northville district, although the land on which it rests belongs to the Thayer estate and will revert to the estate when the land is not used for school purposes for a period of two years.

Property in the DeKay and Hinman districts was disposed of before they were annexed to the Northville district.

Waterford, DeKay and Hinman districts were annexed to the Northville district in the fall of 1952, with Thayer following in the spring of 1953 and Baseline coming in last fall.

Annexation assured students in the five districts of permission to attend Northville High School, and provided access to the Northville Grade School for elementary grade pupils.

Fireworks Display for Fourth of July

The Northville Retail Merchants Association will provide the funds and the Veterans of Foreign Wars the manpower to stage a fireworks exhibition on Ford Field, Northville, on the night of the Fourth of July.

This decision was reached Monday evening after members of the Merchants Association had listened to a plea for assistance by Al Smith, Jr., on behalf of the VFW, which last year raised the funds to purchase the fireworks and also put on the exhibition in the evening.

Other portions of the Fourth of July celebration remain to be worked out by the V.F.W., especially the day-time program of special events. Merchants probably will be solicited for prizes to be given away to the winners of games and athletic events.

Members of the Merchants' Association were in unanimous agreement that the program staged last year by the V.F.W. was so good that it merited support again this year. In this connection, they passed a resolution commending the V.F.W. for its forward-looking program with respect to the many community events it has sponsored in the past.

Local Dance Duo to Perform on TV

Monday will be a big day for Racena Bailey and Richard Drew of Northville.

They've been scheduled to perform their tap duet routine on television's popular children's talent show, "Auntie Dee", on Monday, May 18. The program may be seen from 5 to 5:30 p.m. on channel 7.

Racena is the daughter of Mr. and Mrs. William Bailey of East Cady St. and Mr. and Mrs. Morris Drew of Horton St. are Richard's parents.

Even the African Dodger Had A Good Time at the PTA Carnival

Everyone had a good time at the PTA Carnival last Friday, including the young fry and the oldesters, and even the "African Dodger" who let the suckers throw baseballs at his head sticking through a hole in the canvas.

Everything considered, it was the most successful event financially that the PTA has ever staged in Northville. More than \$1,000 was chalked up in the profit column to be added to the PTA scholarship fund and for use in other worthy projects during the year.

Chairman Richard W. Ambler and Co-Chairman James D. Mahoney have asked the Record to express their thanks to the Northville merchants and others who contributed the prizes, the members of the various service clubs and other participants who took part in the program, and the public who patronized the carnival so wholeheartedly.

The two choicest prizes, a boy's and a girl's bicycle, were won by Johnny Wortman and Maureen Donnelly respectively. Other prizes and winners were: handbag (Sibley's), Glen Campbell, Salem; gift certificate (Ellis Electronics),

Christopher Schifer; dish (Blake's), Larry Putnam; spot light (Rathburn Chevrolet), Billy Skeltis; table cloth, Mary Ellen Ferguson; detergent, Mrs. J. D. Howarth; wagon, Mrs. John Ling; filters (Ely's), Janet Wickie.

Others were: table lighter, Judy Drew; corn popper, A. T. Gillahan; pearls, Clarence Patterson; fishing rod, David Stillson; coffee maker (Northville Electric), Mickey O'Leary; sport shirt (Northville Men's Shop), Jackie Campbell; baseball glove (D & C Store), Barbara Mapes; toaster (Stone's Gamble Store), Mrs. Jack Barry; neckerchief (Marlene Shop), Irene Kopec; \$10 gift certificate (Atchinson Motor Sales), Barbara Zerbel; spot light and rubber mats (Lyke's Gift Service), Margaret Ann Fredsell; Ford fog lights (Cy Owen Ford), Kim Marburger; serving spoon (Tewksbury Jewelers), Stew Robinson; blanket (Freyd's Men's Shop), Harvey Russell; fog lights (Petz Bros.), Connie Schock; shoe shine kit (Northville Shoe Repair), Jayne Williams; box of candy (Northville Cooperative Play Group), Frederick Lupke; side view mirror (Miller's Dodge), Irene Kopec.

Junior Police Camp-Out Is Saturday

Dozens of Junior Policemen and fathers are expected to go on the annual Junior Police camp-out Friday night, May 15, at the Strawberry Lake cottage of Ivan Ely.

The camp-out which has gained the enthusiastic approval of both boys and fathers, will begin officially at 4:30 p.m. Friday when cars will leave the Scout Recreation building at the corner of Dunlap and Hutton streets. Boys will arrive home at 10 a.m. Saturday,

although other cars will come home at 7 a.m.

Heading the list of men who will have charge of the boys and the camp-out are Police Chief Joseph Denton, Clarence Jerome, George Kohs, Dr. Morris Klopfenstein and Guy Williams.

Dinner and breakfast will be served by the men. Total cost of the camp-out will be fifty cents payable to Police Sergeant Gil Glasson, who, with Chief Denton, conduct the year-round activities of the Junior Police.

Recreation Director Wilson Funk said dads who want to go along and drive cars are welcome, and boys were asked to bring blankets or bed rolls; an old knife, fork or spoon; a canteen filled with water if one is available; a flashlight and towel; change of pants and shirt, and pajamas and toilet articles.

Besides fishing and the popular campfire, Mr. Kohs and Mr. Keller will furnish rides in speed boats at the lake.

Rolling Down The River

by the PETZ BROS.

What with nurds whipping trout streams from here to there, it is most seemly we tell a fish story, so here it is: Once there was a group of fishermen lined up along a bar, just in case the trout stream should go suddenly dry and find them unprepared. Each man had a special story and in each story the fish got bigger and the poor bartender, not being a drinking man, grew more and more tired. Finally he spoke, "Gentlemen, when I was young, I used to go fishing too, but my father, fearing I was not strong enough, never let me go fishing for the big ones. In fact I never caught a fish that measured any more than this." He held his hands up, about 15 inches apart. "Of course," he added, "in my part of the country, in those days, we only measured a fish by the distance between his eyes!"

Now we're had to adopt somewhat the same policy when it comes to discussing the measure of value you receive when you buy the Studebaker for 1953. If you were to take its beauty, its power, its comfort and its economy in one lump sum, the value figure would be astronomical. So we take them one by one and let you discover for yourself how much more you'll get in a Studebaker. Of one thing we're certain, if you haven't been around for a demonstration, you've missed the driving thrill of the year; if you haven't seen the new hard-top 'convertible' you've missed seeing the most beautiful car since wheels were invented. We hope you'll make haste to drop in this Studebaker Mart of ours to correct such a situation.

Fellow tells us of dropping in the office of a C.P.A. and telling the crew that flu germs multiply with astonishing rapidity. "In fact," he told them, "they double themselves every second and if you were to place two of them in a quart jar at noon, by one o'clock the jar would be full," he added. "I wonder when the jar would be half full?" Adding machines and computers whirled merrily as the mathematical minds strove for an answer. Might have been working yet if the boss C.P.A. hadn't arrived to inform his laboring staff the jar would be half full at one second to one.

Now of course that motor in that car of yours never catches the flu, but it can get full of bugs that only an expert tune-up by our expert mechanics can remove. Especially now, with spring and summer at hand, we urge that you bring your car in for a thorough check-up and complete lubrication, that the car will be ready for those long motoring trips you have planned. This year, why not drive with a carefree mind, knowing the car is perfectly conditioned to take you places . . . and to bring you back.

That's that, but a beautiful girl that had everything she needed in exactly the right places, just left the office. One of the mechanics told us he was going to send her a FORM letter.

Letters to the Editor

The Record welcomes letters to the editor about matters of community interest. Anonymous communications will not be published, but in instances where the writer does not wish his or her name to appear, it will be held confidential.

To the Editor: 30 April, '53

Dear Mr. Cummings:
On the 26 March, 53, you published an article in your paper signed "17."

Well I happened to get a copy of your hometown paper from a buddy of mine.

I would like this boy "17" to know my opinions on his "old fashioned hell" and some of his other views on life.

It seems as though the kids nowadays figure their parents are stupid or something.

"17" your parents are older and wiser than you.

They have probably learned the hard way and are trying to prevent you from doing the same.

As for raising some "old fashioned hell", 17, you are all wet. You have movies, dances and

sports to let off steam. You don't have to tear the town apart to have fun.

If you start tearing the place apart you'll only land in jail. People won't think much of you then. But I guess it doesn't matter much to you.

You just think of yourself and nobody else.

As for driving 90 miles an hour you have a loose screw in your head.

You say you have to drive that fast because your girl lives 15 miles away.

Well, mine lives 80 miles away from me and I haven't driven over 55 mph. And I drive that every day, both ways, when I am home on leave.

I think your girl would rather see you alive and in one piece than in a coffin.

You know how far your girl lives so why not leave 20 minutes ahead of time. That gives you plenty of time.

Or don't you figure your life or someone else's is worth it?

Why not drop in to your nearest State Police or town police office and let them show you the pictures of past accidents.

There are guys getting their guts blown apart over here. You think we like the idea of "young speed demons" on the road like you?

There is just a possibility that a "speed demon" like yourself might kill one of our loved ones back home.

It wouldn't set so well if it ever happened.

Think twice before throwing that gas pedal to the floor. And then don't do it.

Technologists to Show Procedures at "Lab" Open House

Many Detroit area hospitals are planning to hold Laboratory Open House for part of one day during National Hospital Week, May 10 through May 16 in order to acquaint the public with the role played in modern medicine by the hospital laboratory and the medical technologist.

The public is cordially invited to visit and inspect the laboratories at Wayne County General Hospital on Saturday afternoon, May 16 to observe medical technologists performing some of the tests essential to doctors in the diagnosis and treatment of disease.

Senior girls who are interested in pursuing some phase of a medical career, are especially welcome to visit to see how some of these vital tests are actually carried out. The present need for qualified medical technologists has become acute, say hospital authorities, and interested high school graduates are urged to look into the possibilities of a career as a medical technologist by seeing first hand what goes on "behind the scenes" as necessary preliminaries to treatment or surgery.

For information concerning other hospitals' Open House programs, call Mrs. L. M. Hotchkiss, Farmington 2875.

Pupil Wins Honor at Wisc. Forensic Meet

From Ashland, Wisc. comes word that Patricia Sykes of Delta, a student at Ashland High School, won an "A" rating at the State Forensic meet held at Madison recently. She was the only Ashland student eligible to enter the meet.

Patricia is the daughter of Mr. and Mrs. Robert Sykes. Mr. Sykes was formerly associated with the local Fish Hatchery and his family made their home on Fairbrook Ave. Patricia attended Northville Grade School.

Caught Red Handed

The time for wildlife to produce its youngsters is fast approaching, a time when conservation officers are faced with a hatful of headaches caused by such "cute" youngsters as this baby raccoon, live-trapped last year at Rose Lake wildlife station. Fawns, bear cubs and baby raccoons all make fine enough pets, but it's strictly against the law to keep them. Conservation officers, charged with keeping wild animals in the wild, are yearly faced with the tough job of preventing people from picking up woodland youngsters and are asking help in the problem. This young coon was given an ear tag and immediately released for later study at the game station.

Pvt. Mayo Joins Airborne Groups

Information received from the 11th Airborne Division at Fort Campbell, Ky. states that Pvt. Jack L. Mayo, son of Mrs. Cora Gow of Randolph St., has volunteered for parachute training.

Upon completion of basic training he will be assigned to an Airborne School where he will be taught the technique of parachute jumping.

Pvt. Mayo is taking his basic training with Company E, 511th Airborne Infantry Regiment of the 11th Airborne Division at Ft. Campbell, Ky.

New Detroit Edison Steam Turbine Largest In the World

Detroit Edison has ordered two giant steam turbine generators—the largest in the world—which will boost Southeastern Michigan's electric energy supply by 520,000 kilowatts, nearly 700,000 horsepower.

The big machines are the first two that will be installed in a new Edison generating station to be known as the River Rouge Edison Plant. The new plant is being planned for location at the joining of the Detroit and Rouge rivers.

Construction is set to start in January, 1954.

Announcing the ordering of the new equipment, Detroit Edison Manager of Purchases Chester F. Ogden, said the two turbine generators—each with a capability of 260,000 kilowatts—are the largest ever designed in the United States or in the world. Ogden said one has been ordered from General Electric and the other from Westinghouse.

Two 150-foot high boilers also have been ordered by the company—one for each new turbine. Each of these boilers is capable of producing nearly a million and three-quarters pounds of steam an hour and delivering it to the turbine at a pressure of 2,000 pounds per square inch.

Ogden said the boilers will come respectively from the shops of the Combustion Engineering Company and the manufacturing firm of Babcock and Wilcox.

The Rouge plant will be the second started by The Detroit Edison Company since 1950. It will be the sixth for the company.

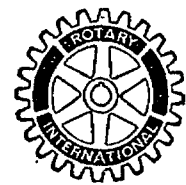

When the St. Clair plant is completed and the first two units of the Rouge plant are in operation, Detroit Edison's total generating capability will be more than 3,000,000 kilowatts—four million horsepower. This is a 50 per cent increase over the present capability of the Detroit Edison system.

Tidbits From The Tots . . .

by Carolyn Miller

Last week Mrs. Connor's fourth grade class held a talent show with Arthur Anderson acting as master of ceremonies. Competition was strong among the 13 acts which included imitations, piano playing, singing and dancing. The contest ended in a tie between Nelson Goodrich, who imitated Red Skelton, and Carol Janetzke, who sang "Everything I Have Is Yours".

Mr. Vanzanni and Mr. Wenrich of the University of Michigan Vocational Education Department conferred for several hours with Mr. Amernan, Mr. Ellison and Mr. Clark about Northville's school vocational program. They strongly urged that two or more faculty members attend their vocational workshop for two weeks in August. This workshop consists of informal discussions which aid schools in solving their program problems.

We feel that recognition is due Miss Lyon, librarian of the local branch of the Wayne County Library, for the work she is doing with the grade school pupils. Each week, 18 classes of first through sixth graders visit the library. Miss Lyon teaches them how to find books and tells them stories.

For The Trip

by Catharine Rambeau

At a Senior class meeting held Thursday, the question of what to wear and take along on the trip was hashed over. The two main points brought out were: travel light, and take a pair of shoes comfortable enough to tramp around in all day. If you girls want to, take a pair of dressier shoes to wear on the train and to dinner. Most of the girls will be wearing suits on the train, and after dinner switching to slacks to cat-nap in. Boys are required to wear a jacket while dining, so bring either a suit or slacks and a sport jacket. A camera will be a handy accessory, as will small musical instruments, such as ukuleles and harmonicas.

We were advised not to take large sums of money—ten or fifteen dollars should be ample. If you plan to go swimming, don't forget your you-know-what—swimming holes are hard to find in Washington.

The Motor City will contribute such models as Packard's prize winning Pan American Sports Car and the Caribbean Sports Car and will loan its fabulous Italian, hand-made Abarth. Chevrolet's fiberglass Corvette Sport Car, seen only once previously in Detroit, will be exhibited.

Kaiser-Frazer has already announced its intention to build a colorful display around its new fiber-glass sports car.
 Nash will also display its new Le Mans Hardtop Sports car and an English built Healey racing car powered with a Nash motor which finished third in the Le Mans 24-hour race in France.

Motor Show Features Sport, Foreign Cars, Record Breaking Hot Rods

California and other far western states will ship as many as 20 specially designed automobiles to the First Annual Michigan Motor Show to be held at the Michigan State Fair Grounds, June 2-7.
 The first exhibition of its kind to be held in Michigan, the show will feature 100 vehicles in the sports, custom, foreign, classic vintage and antique car and hot rod fields as well as stock models officials said.

One of the Western creations will be the Kenz-Leslie twin-engine "Ford" from Denver which hit 250 mph on the Bonneville Salt Flats in 1952 to become the world's fastest hot-rod.
 A large section of the Fair Grounds buildings will be devoted to a display of record setting motorcycles from every part of the country with other large exhibit areas devoted to sports car organizations and foreign manufacturers.

Things . . . and Stuff

by Catharine Rambeau

On Saturday, May 16, at 6:20 p.m., the "Sportsman" will pull out of Plymouth loaded with about 50 NHS Seniors bound for Washington. As most of us don't expect to sleep that night, we will walk back to the dining car for breakfast at 6:00 the next morning. About an hour later we'll pass through White Sulphur Springs where, from the train window, we can see the very beautiful Greenbrier Hotel. At about 11 a.m. we'll reach Charlottesville, Va. and will lunch at the Monticello Hotel. After lunch, chartered buses will leave Charlottesville and take the Skyline Drive through Shenandoah National Park. After a brief stop for dinner, we will reach Washington at 10. There, rooming assignments will be made, baggage taken care of, and then we can look forward to a good night's sleep—wanna bet??

Monday an all-day tour of Washington is in store for us. At 7 that evening we'll have dinner at the Casino Royal, and then the balance of the evening is free. Tuesday, there will be a three-hour tour of the public buildings. After lunch we are free until 6:30, when we report to the hotel for dinner. Following dinner, there will be a moonlight cruise on the Potomac.

After breakfast Wednesday, we will pile into the bus and head for the depot and the train home. And at seven o'clock Thursday morning the "Sportsman" will pull into Plymouth loaded with about 50 haggard NHS Seniors bound for home—and bed.

HOW TO DISCOVER FOR YOURSELF... THE FINEST CAR AMERICA HAS YET PRODUCED

1. Look for Power. Not just "horsepower," . . . but actual drive power. Here, in the Imperial, is a new kind of power found nowhere else except in some Continental sports cars. We invite you to try its absolute mastery.

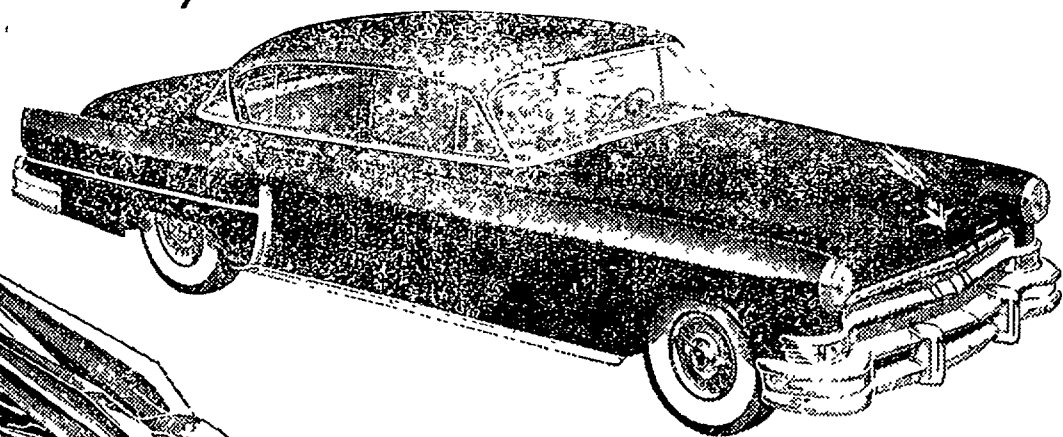

2. Look for Control. Not just imitations of today's big advances in driving safety . . . but the original Pull-time Power Steering and Power Brakes. Here, in the Imperial, you ride, steer, and stop in new ways that keep you safer on the road. We invite you to try this remarkable new car control!

3. Look for Luxury. Not just the glitter and gloss . . . but the innate taste and distinction which results from careful hand-crafting. Here, in Imperial, is a fineness of decor leading Americans seem to favor. We invite you to experience this new kind of leadership!

What the Classes Are Doing

by Larry Gotis

SENIORS

The Seniors who are going on the trip attended a meeting last week, Thursday, at which they learned what to take, and what to expect to do in Washington. The train leaves Plymouth Saturday at 6:30 p.m.

JUNIORS

The Juniors announce a \$200 profit on their play, "Our Miss Brooks".

SOPHOMORES

The Sophomores have boosted their goal from \$500 to \$600, as they have nearly reached the \$500 mark and believe they can make another hundred before the end of the year. Good going, Sophs! A bake sale is planned for June 6 and a class party will be held in the near future.

The Eighth, Ninth, Tenth and Eleventh grades have been making out their schedules for their remaining years of school. Home rooms have been extended to half an hour for that purpose.

'Welcome Back' Tea Held for Teacher

Upon her recovery from her recent accident, Mrs. Carrie Dickinson, third grade teacher, was welcomed back with a tea presented by her two room mothers, Mrs. George Mellen and Mrs. David H. Clark.

WOMAN'S WORLD

Vegetables Spark Lazy Appetites With Their Appeal

DON'T try to stuff your family with hearty meals all of the time! Right now with warm weather slowly making itself felt, they're apt to show a distinct lack of interest in meals.

Vegetable combinations make excellent main dishes if you add a protein food such as eggs or cheese to them. Besides, it's an excellent way to keep the food budget trim.

Green peppers stuffed with this corn mixture are a pretty as well as nourishing and interesting vegetable dish. You'll want to keep this recipe on file for the next several months:

Corn-Pepper Bake
(Serves 6)
6 large green peppers
4 slices bacon
1 egg
1 tablespoon butter
2 tablespoons finely diced onion
2 tablespoons flour
1 teaspoon sugar (optional)
1 1/2 teaspoons salt
1 1/2 cups milk, scalded
2 cups cooked corn
1/2 cup soft bread crumbs

Wash peppers, cut a slice from the side of each and remove seeds and fibrous parts. Cover with boiling water and simmer 5 minutes. Meanwhile cook bacon, drain and dice. Beat egg slightly. Melt butter, add onion and cook until tender. Add flour, sugar, seasonings and blend. Add milk and cook

Bacon and corn go into a custard-like mixture as a stuffing for parboiled green peppers to make a satisfying and colorful main dish for lunch or supper. Cheese Sauce adds nourishment to the vegetables.

or low heat until thickened, stirring constantly. Add corn, crumbs, bacon; stir in egg. Fill green peppers. Bake in a pan of hot water in a moderately slow (325°) oven for 45 minutes or until filling is set. Serve with cheese sauce.

Cheese Sauce
(Makes 1 1/2 cups)
3 tablespoons butter
3 tablespoons flour
1/2 teaspoon salt
1 1/2 teaspoon pepper
1 1/2 cups milk
1 cup grated American cheese
Melt butter, add flour and seasonings and blend. Add milk gradually and cook until thick, stirring constantly. Add cheese; stir until melted and serve hot with Corn-Pepper Bake.

Sewing for a Child Can Be Profitable

While economists try to figure a way to control inflation, many mothers have already taken matters into their own hands to stretch the clothing dollar. With more than 18,000,000 pre-teen-age children in the country, ranks of home seamstresses are increasing daily.

There's creative satisfaction in converting fabric into dainty or practical garments for work and play. There is, also, better fit, sturdier construction in clothes that mothers make.

If you haven't hopped on the sewing bandwagon yet, remember that in making children's garments for your first projects, you'll eliminate many of the fitting problems which arise when you sew adult clothing.

Small garments require little fabric and you'll often find these on a remnant counter. Many find that leftover yardage from other projects can be enough for a little blouse, skirt or pinafore.

Make Pattern Adjustments
In selecting patterns for children, local sewing center experts advise gauging the size to use by the child's chest measurement rather than by the child's age. Then, too, as when sewing for child or adult, the pattern is to be fitted to the figure and adjustments made before cutting the pattern from the material.

Most patterns for children need shoulder, waist and length adjustment, even though the pattern fits fairly well as to size.

Achieve Growing Room
Fabric allowance for "growing girls" is easily achieved by placing tucks on the inside of the dress just above the waistline and again at the hemline. Stitches for the tucks should be long and loose so they can be removed easily when the time comes.

Old hamlines of let-down frocks can be hidden with decorative trim such as rick-rack.

Cindy Smith Marks Birthday With Party

Cynthia Ann Smith celebrated her fourth birthday Monday, May 4 with a party at her home on South Center St. She is the daughter of Mr. and Mrs. Stanley Smith.

Cindy's guests were David McCrumb, Kathy and Kristy Defina, Mike, and Karen Meyers, Lynda Bogart, Dickie Sinclair, Betty Lou Stremich and Sharon Meyers.

Also present at the festivities were Mrs. Robert Sinclair, Mrs. Warren Bogart, Mrs. Jack McCrumb, Mrs. Clayton Meyers, Cindy's mother and her grandmothers, Mrs. Alex Lyke and Mrs. Alfred Smith.

Grade Teacher Is Honor Guest at Tea

Mrs. D. H. Clark and Mrs. George P. Mellen entertained at a tea Thursday afternoon, May 7, at the Clark home on East Seven Mile Rd.

The affair was given in honor of Mrs. Carrie Dickinson who recently returned to her duties as third grade teacher at the Northville Grade School following a prolonged convalescence from injuries sustained in an auto accident.

Invitations were extended to mothers of children in Mrs. Dickinson's class and the grade school teachers.

Work Hair Beauty Into Your Routine

When your hat comes off, and your hair is turned loose to bask in the warm, bright sunlight, it's important that your tresses be in top-notch condition for their Spring-time debut.

You say you have no time for hair glamour routine at a time when you're busy with a dozen housekeeping items like painting the closet, washing curtains and airing bedding. You can accomplish hair beauty while doing these other things if you use a system!

While you shampoo your locks or manicure your nails, think over the week's menus or shopping list. Then, while you do your other chores, a self-neutralizing home permanent can be processing.

Match Lotion to Hair.

Select a self-neutralizing permanent which will give you a type of lotion to match your particular hair. There's a very gentle one for the easy-to-wave hair, or the color-treated or naturally curly hair. There's a super one for tresses which are resistant to waving and a regular lotion for normal hair.

On the day you plan to achieve hair beauty, set the alarm clock a little earlier for yourself so you can have a head start on the family. Include a shampoo with your shower or plan to wash the hair in basin or sink.

Starting the Wave

Now, lay out the supply of pin curlers, hair net and contents of your kit. Read the directions thoroughly. Next, block off the hair in the regular home permanent wave blocking pattern.

While the hair is still damp, start rolling the curls. Saturate each strand with waving lotion, slip on end papers and curlers. Once wound, you can forget about the hair for 30 minutes and get breakfast for the family.

Half an hour later finds you rinsing the curls briefly with clear water and towel blotting to out-drip. Slip a scarf on the head until your husband leaves, then substitute a hair net to hold the curls in place.

Recital Planned for Music Pupils

Henry Schnute's music pupils will be heard in recital Thursday evening, May 21, at 8 p.m. in the First Presbyterian Church House. The public is cordially invited to attend the program which will feature piano, violin, accordion, trumpet and guitar solos.

Billy Schnute, Linda Kolk and Jacquelyn Sharp are planning violin solos. Charlene McGee, Michael Eastland, Delores Feole and John Crusoe will play their guitars with Jim Weston doing a trumpet solo. Frank Bosak, Kenneth Wimmer, Nancy Williams and Penny Niece are rehearsing accordion numbers, said Mr. Schnute.

Mastering the fine points of their piano solos are students: Susan Eastland, Margaret Teter, Danny Smith, Billy Hiltz, Shirley Schnute, Mary Slater, Sandra Crupi, Marilyn Lahr, Joe Hay, Sharon Hinchman, Judy Stubbe, James Lawrence, Peggy Moore, Ed Williams, Claudia Williams and Stevie Slater.

The list of young piano artists continues with Joan Brayman, Barbara A. Lewis, Kay A. Benjamin, Suzanne Price, Judy Smith, Dorothy Sutherland, Elsa Couse, Elaine Schnute, Mary Long, Barbara Rollings, Kathleen Farley, Jerry Brayman, Sheila Keller, Ardith Robertson, Edythe Bosak, Barbara Millington, Frances Walter, Gail Ann Waterman, Sandy Moase, Suzanne Dewsbury, Stanley Hicks, Barbara Schad and Sarah Burke.

Shirley Nuotilla Arrives in Germany

There was a happy reunion in Frankfurt, Germany, Saturday afternoon, when Mrs. Bill Nuotilla (nee Shirley Carlson) stepped off a TWA Airliner after an 18-hour flight to meet her husband, Pfc. Nuotilla who is stationed with the army there.

Bill had an apartment waiting for her arrival (Shirley plans to stay from three to six months.)

Shirley's mother, Mrs. Arthur Carlson, of Fairbrook Rd. and her mother-in-law, Mrs. Emil Nuotilla of Northville Rd., accompanied Shirley to LaGuardia Air Field, New York. After her departure on Friday afternoon, the ladies enjoyed a round of visits with Mrs. Nuotilla's relatives in New York City.

Nancy Anne Sanislow Is Early June Bride-Elect

Mr. and Mrs. Alexander Sanislow of Seven Mile Rd. announce the engagement of their daughter, Nancy Anne, to Adrian Wilhelm, son of Mr. and Mrs. Adam Wilhelm of Plymouth. The bride-elect is a student at Michigan State College. Plans are being made for a June wedding.

Introducing...

Mr. and Mrs. L. H. Wood, former Detroiters, who moved last week into their recently completed home on West Nine Mile Rd. Bobby, aged two, and five-year old Larry are principal members of the Wood family.

The Wood's built their ranch-type home on an attractive hill-top site adjacent to the new home of the C. A. Smiths, Mrs. Wood's parents.

Mr. Wood is employed in Detroit as customer service engineer for International Business Machines Corporation.

Wayne County Students May Apply for Scholarship

The Emma DuBord Scholarship Fund has been made available again this year, according to an announcement made by the Wayne County Home Demonstration Council.

To qualify, candidates for the scholarship must be enrolled in Michigan State College with plans to prepare for a home demonstration career in Michigan. The student must be a resident of a Wayne County Home Demonstration Council area requiring financial assistance and must present adequate scholastic standing. An interest in 4-H Clubs or other youth organizations (such as a church program) is a necessary qualification indicating an appreciation of community life and a talent for leadership.

Application should be made to the executive committee, chairman of the Emma DuBord Scholarship of the Wayne County Home Demonstration Council. The address and further information may be secured from the County Home Demonstration Agent, 3930 Newberry, Wayne, Mich. or by calling Mrs. Samuel Geraci, phone Northville 168.

This scholarship amounting to approximately \$175 per year, is offered annually from funds contributed by the Wayne County Home Demonstration Council membership, explained Mrs. Geraci, publicity director of the council.

W.I.L. Dinner Honors Dr. Henry H. Crane

Two hundred guests attended a donors' dinner at the Central YWCA in Detroit Thursday, May 7 sponsored by the Women's International League for Freedom and Peace honoring Dr. Henry H. Crane of the Central Methodist Church, Detroit.

Guest speaker of the event was Dr. Homer A. Jack, Unitarian minister of Evanston, Ill., who told of his travels in Africa.

Attending the affair from Northville were Mrs. George Ramshaw and Constance, Mrs. C. E. Woodruff, Miss Ida Blucher, Miss Alta Powers and Miss Yvonne North.

Mrs. E. J. Willis, director of Southeastern Deaneys, announces that a board meeting will be held Saturday, May 16 at 5 p.m. at the Michigan Union, Ann Arbor. Dinner will follow the meeting.

Garden Club Marks 17th Year Monday

The founding 17 years ago of the Northville branch of the Women's National Farm and Garden Association was celebrated at the club's meeting Monday afternoon.

Mrs. J. W. Hoehl was hostess to 42 club members at her home on Randolph St. Assisting her as co-hostesses were Mesdames Roy Matheson, Joseph Denton, P. J. Steencken and Howard Greer. Guest list at the meeting included Mrs. William McLean, Mrs. William Wernett and Mrs. John Walker of Jackson who is visiting her daughter, Mrs. Raymond Stilson.

The rock garden at the Hoehl home was a thing of beauty with interesting wild flowers adding a surprising note to the variety of spring blossoms.

During the business session, Mrs. Gerritt Rooks, general chairman of this year's flower show, reported on the progress of her committee. "Song of Spring" has been chosen as the theme of the show to be held on June 4 in the Methodist Church House.

Mrs. Orson Atchinson, chairman of the special committee to investigate garden needs of the Northville State Hospital, requested that each member bring a potted plant of house or garden variety to the flower show. These will be displayed at the exhibit and will later be donated for use in planting boxes in the hospital as a gift from the club.

Annual reports were given by the officers and committee chairmen.

Club officers for the coming year are: Mrs. R. D. Merriam, president; Mrs. George Alexander, first vice-president; Mrs. Orson Atchinson, second vice-president; Mrs. D. H. Clark, recording secretary; Mrs. Gerritt Rooks, corresponding secretary, and Mrs. N. K. Pattison, treasurer.

Blue Star Mothers Plan Luncheon, Bazaar for May 21

The Northville chapter of the Blue Star Mothers will hold a chicken pie luncheon and bazaar at the Veterans Memorial Hall on Thursday, May 21.

Serving of the dinner will begin at 11 o'clock and will continue until 2 p.m., said dinner chairman, Mrs. Raymond Lewis.

There will be an assortment of fanciful work including towels, aprons and doilies made by the Blue Star members, for sale at the bazaar, Mrs. J. P. Smith, chapter president, pointed out. But highlighting the afternoon affair will be the giving away of the old-fashioned hand-made block quilt, she added.

Tickets for the joint luncheon and bazaar may be obtained at the Villa Hat Shop or may be purchased at the door.

Mrs. Smith explained that proceeds from the project are used entirely in rehabilitation work with veteran patients at Maybury Sanatorium and in maintenance of the Blue Star Mothers Home at Indian Lake, (near Lake Orion) which is open to returned veterans in need of care and a home.

Quick Flavor Tricks With Molasses

Ten-to-one your family will go for these ten ways to season foods with old-fashioned molasses. This "unsulphured" molasses contributes sweetness, because it's the concentrated juice of sugar cane, and distinctive flavor.

A tablespoon of molasses gives sweetness and an aromatic touch to grapefruit halves. If you like caramel sundaes, you'll like a "Taffy Sundae" which is a tablespoon or two of unsulphured molasses poured right from the jar over a serving of ice cream. Sweet unsulphured molasses provides a beckoning aroma to baked beans, baked acorn squash and apples. It is a syrup treat on hot cooked cereal, biscuits, pancakes. Youngsters and father will go for open-face sandwiches spread with peanut butter and topped with a tablespoon of unsulphured molasses. And in the beverage line, a tablespoon or two of molasses added to a glass of milk gives spicy flavor and needed iron in the daily diet.

Molasses Quickie Baked Beans
Combine 4 tablespoons unsulphured molasses, 1 tablespoon prepared mustard and 1/2 teaspoon salt. Add alternately with 4 cans baked beans to bean pot. Bake in a moderate oven (350°F.) 45 minutes. YIELD: 8-12 servings.

Molasses Acorn Squash
Halve acorn squash; remove seeds. Place in baking pan. Fill each half with 2 tablespoons unsulphured molasses, 1 tablespoon butter or margarine and a dash of salt, and cinnamon. Cover the bottom of the baking pan with a small amount of hot water; bake in a moderate oven (350°F.) 1 hour, or until tender.

Molasses Baked Apples
Wash, core and pare apples 1/4 of the way down from stem end. Mix equal parts of unsulphured molasses and sugar; fill center of each apple. Add enough water to cover bottom of dish. Cover and bake in a moderate oven (375°F.) 30 to 40 minutes, or until tender. Serve hot or cold with cream.

Botsford Inn Reception Follows Home Wedding

Dorothy Jane Congo and James Robert Hoogesteger exchanged marriage vows at two o'clock Saturday afternoon, May 9, at the home of the bride's parents, Mr. and Mrs. James A. Congo, of Dunlap St. Mr. and Mrs. Cornelius Hoogesteger of Highland Park are the bridegroom's parents.

Mrs. Iva Tabor played the wedding march for the double ring ceremony read by the Reverend Harold F. Fredsell, D.D., of the First Presbyterian Church.

The bride wore a ballroom-length gown of white silk shantung fashioned with a molded bodice and a bateau neckline distinguished by a band of Venice lace. A tiny cap of a braided silk design secured a fingertip veil of silk illusion and white carnations and stephanotis composed the bridal bouquet.

Honor maid was Naomi Buehler of Detroit, a roommate of the

bride's, gowned in aqua silk shantung. She carried a bouquet of yellow daisies.

Dr. Frederick Latimer was his brother-in-law's best man and assisting at the wedding was George W. Checketts of Farmington, a cousin of the bride.

Mrs. Congo, mother of the bride, received the guests in a beige silk suit complemented by brown accessories. A powder blue dress and matching hat were chosen by the bridegroom's mother.

A reception at Botsford Inn followed the ceremony with guests attending from Grand Rapids, Flint, Port Huron, Owosso, New York City, Boston, Chicago, Indianapolis and Detroit.

For their southern honeymoon trip the bride chose a navy suit with white accessories.

The couple will be at home after June 1 at 270 Rychton Ave., Highland Park.

The bride was graduated with a degree in sociology from the University of Michigan where she was affiliated with Alpha Gamma Delta.

Her husband is a graduate of Wayne University with a degree in electrical engineering.

WESLEYAN GUILD SETS MEETING FOR MAY 19

Installation of officers will be the order of business at the next meeting of the Wesleyan Service Guild on Tuesday evening, May 19.

The meeting, scheduled to begin at 8 p.m. will be held at the home of Mrs. Walter Belasco, 790 West Main St.

Birthday Open House Honors Tunis Biddle

Mrs. Tunis P. Biddle held open house Sunday afternoon and evening in honor of her husband's birthday. Many relatives and neighbors called at the Biddle home on Seven Mile Rd. to extend their congratulations to Mr. Biddle on his 59th birthday.

Among the guests were the Biddle's son, Quentin, and family, and their nephew, Vernon, and family. Another son, Henry, is serving with the Army.

CHRISTIAN SCIENCE CHURCHES

That the real man is immortal is shown in the Lesson-Sermon entitled "Mortals and Immortals" to be read in all Christian Science churches on Sunday, May 17.

The Golden Text is from Romans (8:6): "To be carnally minded is death; but to be spiritually minded is life and peace."

Among the Bible citations is this passage (Acts 17:24,25): "God that made the world and all things therein, seeing that he is Lord of heaven and earth, dwelleth not in temples made with hands; neither is worshipped with men's hands, as though he needed anything, seeing he giveth to all life, and breath, and all things."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "In Science, man is the offspring of Spirit. The beautiful, good, and pure constitute his ancestry. His origin is not, like that of mortals, in brute instinct, nor does he pass through material conditions prior to reaching intelligence." (p. 63)

Funeral Services Held Monday for Mrs. Fred Landau

Funeral services were held Monday afternoon at the Casterline Funeral Home for Mrs. Fred Landau, who died Thursday, May 7. She was 75 years of age. Rev. Peter Nieuwkoop officiated at the final rites and burial took place at Clarenceville Cemetery.

Jennie Mae Landau was born March 7, 1878 to the late Joshua and Matilda Harrington. She and her husband made their home for 22 years on a farm located at 41980 East Seven Mile Rd., recently moving to Livonia. She was a past member of the Macca-bees.

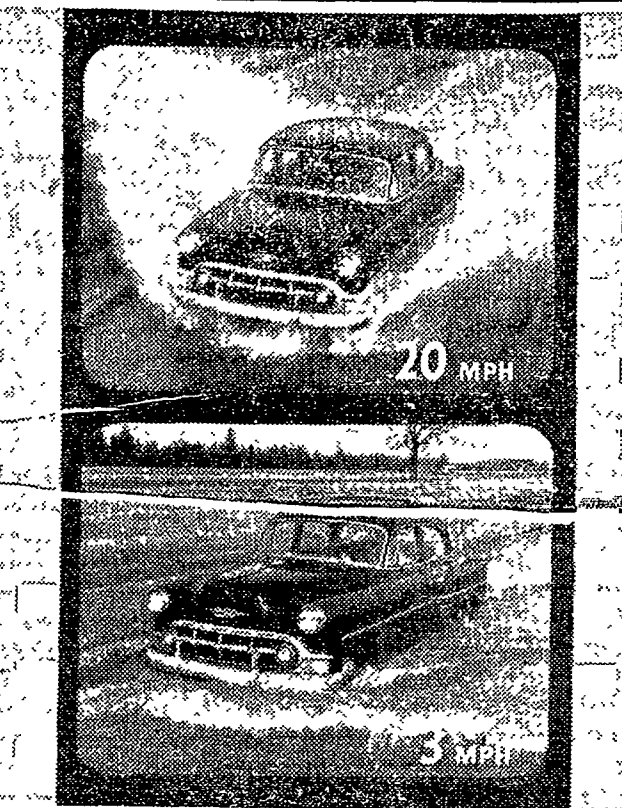

Surviving are her husband, Fred; one daughter, Mrs. Edna Ziegler of Livonia, and many nieces and nephews.

Final Rites Held for Paul Jackson

Paul C. Jackson died at Maybury Sanatorium Thursday, May 7 at the age of 47 years. The remains lay-in-state at the Casterline Funeral Home until Monday when the body was removed to Loogootee, Ind. for burial.

The deceased was born June 6, 1905 to John and Harriet Jackson of Loogootee, Ind. Besides his parents he is survived by two sisters, Hattie Jackson of Belleville and Mrs. Marion Babcock of St. Louis, Mo.

Driving Through Water is Not the Time to Make a "Big Splash"

Although today's automobile has progressed far beyond the point where a severe spring rain will stall the engine, it still is not an amphibious vehicle. Failure of the engine to bring you through normal flood waters, which might cover highways, can be attributed mostly to water on the ignition system caused by splashing. Today's engines are better equipped to combat excessive moisture and driving through water, by the use of such things as improved rubber housings on the spark plug terminals. These pictures show the splash effect when a car "plows" into a seven-inch depth on a flooded highway. At 20 m.p.h., the water shoots high, completely drenching the underneath part of the car. At 3 m.p.h., the forward motion of the car creates a small wave running ahead of the front bumper, with control of the vehicle greatly improved. When you encounter an inundated highway, slow your car down and approach with caution. As a safety tip, on driving through flooded areas, remember to try out your brakes at slow speed immediately after reaching dry ground. When wet brakes do not respond to pedal action, hold brake-pedal down—moderately with left foot, while right foot feeds enough power to carry car forward and dry out brakes. This action, over a few hundred yards, should restore your brakes to safe driving condition.

Aviation Program to Theme Air Show

"50 Years of Aviation Progress" is the theme of the Aero Club of Michigan's 6th Annual International Aviation Exposition to be held at Wayne County Major Airport July 9-10-11-12.

What aviation has done and is doing for the American people will be dramatized in four-hour flying demonstrations and by ground displays covering more than 2 million square feet during the four-day show.

The event has been nationally approved by the Aircraft Industries Association and is regarded as a major contribution to the international celebration of the 50th Anniversary of Powered Flight.

An innovation in this year's four-day exposition is that the first two days will consist primarily of a trade show, during which the flying field will be open for demonstrations of all types of the aeronautical equipment. In addition, the military procurement agencies will maintain offices on the field where manufacturers may meet with procurement officers to discuss mutual problems.

Key installations for the exposition will be two structures, each nearly a quarter mile in length, forming a "Golden Promenade of Progress". This will be in the nature of a grand entrance to the main outdoor aircraft display area and to the spectator stands for the aerial activities. The structures thus will afford exhibitors a half-mile of display booths featuring maximum visibility.

The second two days of the exposition are programmed to appeal more widely to the public. The military services will be represented.

Fresh Berries Give Glamor to Desserts

Strawberries are the first of the lovely berries to arrive, bringing with them a colorful magic to your table. Use them whole and sugared for simple desserts, combine with other fruits for salad, or mold them into delicious pastries for supremely luscious desserts.

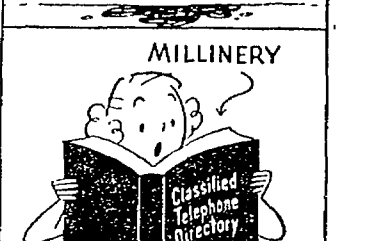

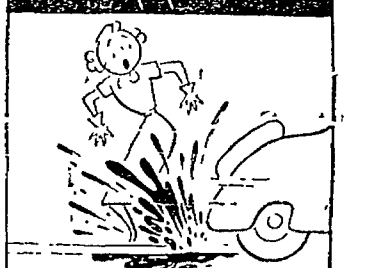

Here's a modern version of an old-fashioned strawberry cream pie made with fresh strawberries, coconut and packaged vanilla pudding.

Strawberry Cream Pie
1 package vanilla pudding and pie filling mix
2 cups milk
1 baked 8 or 9-inch pastry shell
1 cup fresh, sliced strawberries
½ cup heavy cream, whipped
Place pie filling in saucepan. Add milk gradually, blending well. Cook and stir over medium heat until mixture comes to a boil and is thickened. Cool slightly, stirring once or twice. Turn one-half of the pie filling mixture into pastry shell. Top with a layer of strawberries. Cover with remaining filling. Chill. Spread with whipped cream and garnish with coconut and whole berries. Quick-frozen, sliced strawberries thawed, may be used in place of the fresh berries, if desired.

Livonia Rotary Club Carnival Scheduled for This Week-End

Opening day, Thursday, May 14, of the seventh annual Livonia Rotary Club Carnival and Exposition at the Detroit Race Course has been designated Exhibitors

Day by Clarence Jahn, general chairman. More than 50,000 people are expected at the 4-day affair.

Jahn also announced that Friday will be Northville and Plymouth Day; Saturday will be Farmington and Garden City Day and Sunday will be Wayne and Dearborn Day.

A joint letter by Jahn and Mayor Jesse Ziegler, of Livonia, has been sent to the mayors of the adjoining communities inviting them to be special guests. The letter also invites all citizens of the communities to join Livonia in trying to raise money for the Youth Center.

Admission and parking at the Carnival and Exposition are free, as also is the entertainment program to be held Friday, Saturday and Sunday afternoons and evenings before the Detroit Race Course grandstand. Admission to more than 100 exhibits under the grandstand also will be free.

There will be free square dancing with Governor Williams calling out the dances at 2 p.m. Sunday.

The show and entertainment will include circus acts, horse acts, a junior horse show and a Western horse show.

On Friday and Saturday nights Robert Seymour, the "Bobbin with Robbin" show on Station WKMH, will make personal appearances with celebrities a guests.

A large, beautiful doll house replete with breezeway and garage will be on exhibition at the Carnival. The doll house is the annual donation to the Carnival of Harry E. Wolfe, Livonia builder. Meanwhile the \$20,000 Dream Home on Five Mile near Farmington road will be open for inspection every day from 9 a.m. to 9 p.m.

Weeds May Indicate Lime Deficiency Say Soil Experts

If your lawn is thin, weedy or patchy, it is not necessarily your fault.

Weeds may indicate too much lime in the soil. If this is so and the soil is not too heavy, the addition of a chemical which will both fertilize the ground and gradually acidify it to a mild degree is one solution. Next step is either to pull the weeds or to spray with one of the weed killers.

The chemical which does this acidifying most effectively is ammonium sulphate, because it discourages weeds and harmful bacteria while feeding nitrogen to the grass.

If your lawn is afflicted with crab grass, which the ordinary weed killer does not effect, a special chemical known as "scuti" has been developed.

Where the soil is poverty stricken and patchy grass results, some means will have to be found for enriching it. One of the proven methods is to dress the lawn with top-soil, gradually building it up into a body of good top soil.

The lawn can be fed with soluble chemical fertilizer, but this soluble material, if put on too heavily, washes away or may even kill the grass. If put on in the proper quantity, it is good for only about two months. It should therefore be applied at that interval during the growing season. A good medium light top-dressing would be about one pound of fertilizer to every 100 square feet.

Spreading the fertilizer should be done only when the grass is dry; otherwise, the grass may be burned. As soon as the fertilizer has been applied, it should be washed in with a hose. There are also devices for spraying it on in solution.

Although this chemical benefits the grass, it does not improve the physical character of the soil and improves the soil's chemical character only temporarily.

However, the physical character of the soil can be bettered by using one of the new spike-tooth devices which penetrate the ground and open up holes through which aeration can take place. This is most important, since soil, to be healthful and beneficial to plant growth, must allow for vigorous activity of beneficial bacteria. The bacteria thrive only in the presence of oxygen; hence the need of aeration.

Rev. McLucas Begins Decade of Service at Novi Church

Rev. M. J. McLucas, pastor of Novi Methodist Church for the past nine years, has received a unanimous vote to serve the church for another year.

The announcement was made at the fourth quarterly conference and annual church meeting Tuesday evening, said Rev. McLucas, who is now looking forward to a decade of service with the Novi church.

Reports presented at the meeting indicated that the church enjoyed a successful year with an increase in membership, church attendance and finance. Mrs. James D. Mitchell and Mrs. Russell Button were elected delegates to the Annual Conference to be held June 8-12 in Albion College, Albion, Mich.

Rev. McLucas, who also serves the First Methodist church in Brighton, was extended a unanimous call by the Brighton church to continue in the capacity as minister for the eleventh year.

Northville's Share of Motor Vehicle Fund Is \$6,433

Northville's share of the \$57,836,268 Motor Vehicle Highway fund for the first quarter of this year is \$6,433.

The fund, under a 1951 Public Act, is composed of all of the State gasoline and weight taxes, diesel fuel tax and a small amount of miscellaneous fees. After deductions for non-highway uses and collections costs, the rest of the money is divided as follows: 44 per cent to the State Highway Department for expenditure on state trunkline highways in both rural and urban areas; 37 per cent to the counties for expenditure on county roads, and 19 per cent to cities and villages for their roads and streets.

CARD OF THANKS
I want to thank all those who sent me flowers, fruit and cards while a patient in the hospital. Especially Mrs. Irene Slater, Dr. and Mrs. Stone for all they did for me.

VFW Women Attend Defense Conclave

Forty-eight women's organizations including the Veterans of Foreign Wars Auxiliaries attended the first Michigan Women's conference on civil defense May 6 at the Hotel Olds in Lansing.

An address by Governor G. Mennen Williams began the program at 9 a.m. "Michigan's Civil Defense" was discussed by General Maitland, Director of Defense, and subjects touching on various phases of defense were discussed throughout the day. Especially enlightening were the vital topics of "Home Defense", "Home Fire Fighting", "Evacuation" and "Sky Watch".

Attending the conference were Mrs. Meta Myers, service officer for the Ladies Auxiliary to the Veterans of Foreign Wars, Post 4012 and Mrs. Ethel Gagner of Northville who is senior vice-president of the Department of Michigan Ladies Auxiliary of the Veterans of Foreign Wars.

Brownie Troop 12

Brownie Troop 12 met Wednesday, May 6 for the Fly-Up ceremony which they shared with Troop 13. Mrs. Riley Allen and Mrs. Stuart Campbell pinned the wings on Troop 12 girls and Marlene Cokkendall did the same for Troop 13 girls. After the girls got their wings they walked through a decorated bridge to say their Girl Scout Promise. The girls from Troop 12 said their promise to Mrs. Edwin Langtry and Mrs. Herman Dresselhouse. The girls from Troop 13 said their promise to Mrs. Hurd Sutherland. After this, Sandra Phillips and Sarah Schrader presented Mrs. Allen with a necklace as a thank you gift from the troop. A birthday cake for Carol Allen and Carol Janetzke was served from a table with yellow flowers and green and yellow candles. Then the troop was taken over from Mrs. Allen and Mrs. Campbell by Mrs. Langtry and Mrs. Dresselhouse. Racina Bailey, Scribe

Mrs. Balko Buried in Friday Rites

Mrs. Elizabeth M. Balko died at her home, 2300 Novi road, Walled Lake on Tuesday, May 5, at 73 years of age.

The deceased lay in state at the Casterline Funeral Home until 11 a.m. Friday. Rev. O. R. Gerkin conducted funeral services Friday afternoon at the St. Matthew Lutheran church, Walled Lake. Interment was made at Rural Hill cemetery.

Mrs. Balko was born in Morgenwetter, Germany, March 11 1880, and at an early age came to America where she lived most of her life in the vicinity of Northville. She was the wife of the late Louis Balko and the mother of three daughters who survive her: Mrs. Dorothy Mason and Mrs. Roy Smith of Walled Lake, and Mrs. Ted Baker of Portville, N.Y. The deceased was the grandmother of five children.

Two sisters, Mrs. William Kreeger and Mrs. Charles Themm, of Plymouth, also survive.

No doubt about it... Chevrolet trucks must be the best buy!

This year—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. That couldn't be true unless Chevrolet trucks offered more of what you want.

Already, 1953's official sales figures tell a remarkable story of clear-cut and decisive preference for Chevrolet trucks. But, this is not surprising, for truck users everywhere are discovering how far ahead of all others Chevrolet trucks really are.

They are discovering things like the tremendous new power in advanced Load-master engines in heavy-duty models... the remarkable gasoline economy... the extra ruggedness and strength of heavier, more rigid frame construction. And, in addition to all these advantages, the Chevrolet line lists for less than any other trucks of comparable size and capacity. So, before you buy any truck, stop in and see us.

WITH OUR CHURCHES

Salem Congregational
Many attended the beautiful Mothers' Day service Sunday. The altar was banked with lovely baskets and bouquets and plants. Mrs. Anna Burgess received the plant as the oldest mother. Mrs. Irving Hansen, the youngest mother; Mrs. Hayes as the mother with the largest family present, and Lois Rody and Sharon Woodard each received a plant as participants in the program "Our Tribute to Mother".

There will be a special Memorial Day service held in the Salem Congregational Church on Sunday, May 31, to which all the

soldiers of all wars and their families are cordially invited to attend.

Word has been received from Rev. and Mrs. Ward Clark, who are working with the Navajo Indians at Sanders, Ariz. that over \$700 has come in on their \$2000 down payment for their home and gospel chapel they hope to buy.

Salem Federated

Monday evening several of the young people from the church enjoyed roller skating with Christian young people from other churches at Riverside Arena in Plymouth.

Over 150 attended Mother's Day

services at Salem Federated Church. Flowers were furnished for the service by Mrs. Clifford Malby of Detroit in memory of her mother, Mrs. Hattie Bennett, who was a Salem resident until her death May 10, 1951, at the age of 90 years.

The Federated Youth Fellowship members, who visited the home for the aged in Detroit on May 4, went to the Open Door Mission in Detroit for another special meeting on Tuesday evening, May 12.

On Thursday, May 21, Billy Graham's picture "Oiltown U.S.A." will be shown in the Calvary Baptist Church of Plymouth. As admission will be by ticket only, please let Rev. Couch know if you would like to attend.

There will be a Sunday School Council meeting next Sunday afternoon, May 17 at 4:30. If you are a Sunday School teacher or an officer, please plan to attend as arrangements must be made for Daily Vacation Bible School which will start the first part of June.

SALEM UNION SCHOOL NEWS
We were all sorry to hear about Mr. Coit's death, and the lower and upper rooms took up a collection, which Mrs. Coit suggested should be used to buy something for the school.

Robert Bryant was 11 years old Monday.

Johnnie Young now has a colic dog.

Mary Beth Birckelbaw spent Friday night and Saturday with her grandmother in South Lyon.

We greatly enjoy the bouquets of spring flowers which the children bring to school.

Nearly all the little girls went to the Mother-Daughter social.

The third, fourth and upper room grades went to the May festival in Ann Arbor May 7. After the festival the children were shown through the printing press rooms of the Ann Arbor paper.

Diane Alexander has a new baby sister named Kathie Rose.

The lower room is making new posters about safety and health.

The seventh and eighth grades will go on a conservation trip to Kensington Park Thursday, May 14 at 9:30 a.m. Mrs. Devine will accompany them, with transportation being furnished by Mr. Stoll and his truck.

SALEM BOYS IN SERVICE
Robert Benjamin, airman third class, son of Mr. and Mrs. William Benjamin, is spending a 20-

day leave at his home from Clovis Air Base, N. M.

Richard Honke, son of Mrs. Bessie Honke, of Six Mile Rd., and Johnny Nagy, son of Mr. and Mrs. Louis Nagy, Six Mile Rd., were inducted into the service Thursday, May 7. Word has been received from Dick that he and John are now stationed at Fort Knox, Ky. awaiting further assignment.

EXTENSION CLUB NEWS
Mrs. Evelyn Wilson attended the Home Extension party for Washtenaw County women in

Ypsilanti Tuesday, May 5 when the new council officers were elected. Two members from each of the six districts in the county had previously been elected junior and senior representatives from their respective district at local meetings, and from these 12 junior and senior representatives, officers for the group were chosen for the coming year. Mrs. Wilson, who was elected junior representative at District 1 meeting at Whitmore Lake a few weeks ago, was nominated as recreation director for the county group for the coming year, during the forenoon meeting at McKenny Hall in Ypsilanti.

Following lunch in the cafeteria at the hall the extension club members went to the auditorium of the Roosevelt High School in Ypsilanti where new council officers were installed in a candlelight service.

Miss Hershey, food specialist of Michigan State College, was the main speaker during the meeting which followed, and talked about freezing foods. She told of one thing that Michigan women should know—that is, that paraffin seal on jams and jellies wasn't practical in Michigan because atmospheric changes cause too much expansion and contraction of the paraffin to make a good seal. It's better to seal jams and jellies with lids and rubbers. Another hint she gave was to use a brine solution of one teaspoon salt to one cup water when freezing asparagus or string beans in order to keep them from becoming stringy after being frozen. She also told of a new way to make berry jam—first crush berries with sugar, then heat commercial pectin with water called for in recipe to boiling point for one minute, add to sugared berries and let stand in refrigerator for 24 hours, then seal in freezing containers and freeze until used.

The Salem Extension Group met Tuesday, May 12 at the home of Mrs. Adolph Trapp. Discussion centered about closets and storage space.

4-H CLUB NEWS
Mrs. Wilson says enough girls have signed up so that there will be a group of baby sitters in 4-H for all girls interested. Names of members of the group must be registered in Ann Arbor by the end of next week, so if you have not signed up yet and wish to do so, please call Mrs. Robert Wilson immediately.

Any girls interested in taking a project of food preservation—canning, freezing, or drying of foods, please call Mrs. Lloyd Birckelbaw, Jr. within the next week. You don't have to live on a farm to be a 4-H member.

NEW LITTLE SALEMITES
Kathie Rose Alexander put in an appearance on May 6. Her parents are Mr. and Mrs. Robert Alexander who live on Chubb Rd.

60th WEDDING ANNIVERSARY
Mr. and Mrs. Arthur C. Wheeler celebrated their 60th wedding anniversary Sunday, May 10 at the home of their grandson and wife, Mr. and Mrs. Sam Wheeler in Ypsilanti. Only the immediate family were present, consisting of two sons and wives, four grandsons, three great-granddaughters and one great-grandson.

PETS FROM THE WILD

In late April, May and June life begins for many new residents everywhere in Michigan Outdoors. Skunks, raccoons, foxes, opossums, squirrels and most other mammals produce their young and expose them to a host of natural enemies not the least of which is man. Between the ages of one and two months almost every animal is irresistibly "cute." It is a natural temptation for man to pick up the youngster of the wilderness and attempt to domesticate it. In many instances the net results may prove disastrous.

Raccoons First Choice

Because of the appealing masked face, and playful antics of a young 'coon this common Michigan animal is most frequently appropriated from its natural wild habitat by man. If the animal is no more than a couple of months old when acquired it is likely to make an interesting pet for the first six or seven months of its life. Its mischievous curiosity is comical to watch, and the native intelligence of the 'coon ranks very high in the animal kingdom.

However, with the coming of winter the raccoon wants less and less attention from man, preferring to curl up in seclusion in a state of partial hibernation. The appetite all but disappears and the animal ceases to offer much attraction as a pet.

While mammal biologists predict this "reversion to the wild" as commonplace, some animals retain a strong affinity for man and remain devoted pets. BUT your chances of finding such a youngster are extremely slim. Skunks are probably most likely to remain more or less domesticated, but not many people are attracted to their slothful habits.

A fawn taken from the woods can prove itself a dangerous "pet." Razor-sharp hooves have inflicted serious injury to young children.

Conservation Legislation
That's why our Conservation Department discourages wild animal "pets." It's not a matter of saving the species—it is a matter of saving YOU! A permit from the Conservation Department is required if you plan to keep a wild animal as a pet and be forewarned, a permit will not be readily given.

Wild animals don't belong in back yards. Nature put them in Michigan Outdoors. They're better off living there!

Mort Neff's "Michigan Outdoors"

television show can be seen every Thursday over WWJ-TV, Channel 4, in a thrilling full half-hour show—10:00 till 10:30 p.m. DON'T MISS IT!

extend their sincere heartfelt sympathy to Mrs. James Coit and two sons during their bereavement because of the death of their husband and father, who was killed at midnight Tuesday, May 6 when his convertible automobile overturned on Six Mile and Beck Rd.

Mrs. Marion Starr and Jacqueline Keys narrowly escaped death Saturday night when the station wagon in which they were riding stalled on the Per Marquette railroad on Ten Mile Rd. at the outskirts of South Lyon just a little while before a train came down the track toward them. Mrs. Starr and Miss Keys managed to jump clear just in time and saw their station wagon completely demolished before their eyes.

Edwin Hamilton had the misfortune to run a nail deep into his arm Tuesday, May 5.

MUTUAL AID FIREMAN'S ASSOCIATION MEETING
Members of the Salem Township Fire Department were host to the Mutual Aid Fireman's Association last Thursday evening, May 7. This association consists of fire department members from Novi, Northville, Lyon Township, Superior, City of South Lyon, Canton Township, Van Buren Township, Plymouth Township, Garden City, City of Plymouth, City of Livonia and Salem Township fire departments of the House of Correction and Wayne County Training School are also members of the association.

After the regular business meeting election of officers was in order. Among those elected were president, Jack Miller; former Chief of House of Correction Fire Dept.; vice-president, Harry Hunter, present fire chief of Detroit House of Correction; secretary-treasurer, Harold R. Hills, Plymouth Township Fire Dept.

Following the election of new officers the meeting was turned over to the new president and secretary by the retiring chairman, Charles Raymer of Salem who has headed the association for the past year. Other retiring officers were: vice-president, Bud Holmes of Plymouth Township, and secretary-treasurer, Chester Dix of Salem Township.

The discussion topic for the evening was "Civil Defense" which brought up many a question and problem for the various departments to discuss on a mutual aid basis. After the discussion had lasted for about an hour, the men were ready for the luncheon that was prepared.

It makes a person feel good to know that a group of fire fighters from neighboring cities and townships came out to this meeting on their own time without pay in order to discuss problems concerning their neighbors as well as themselves.

MOTHER-DAUGHTER SOCIAL
Fifty mothers and daughters had a good time at the Mother-Daughter supper at Salem Federated Church Friday night. The affair was planned and carried out by the Federated Youth Fellowship group, who deserve a vote of thanks for their good work. After a spaghetti supper had been enjoyed by all, the guests went upstairs where an entertaining program was presented. Mrs. Couch acted as toastmistress, and after some group singing, she introduced Darlene Adams, who gave the toast to the mothers, followed by a reply from Mrs. Beth Biers who represented the mothers present with a toast to the daughters.

Interspersed between the other items on the program was special music in the form of a duet by Mrs. Elmo Clemens and daughter, Marjorie, and songs by the little Misses Mary Beth and Ruth Ann Birckelbaw. Miss Pat Benjamin recited the amusing poem "No Occupation", which was enjoyed by all.

Then came the presentation of pink carnation corsages to the honor guests. Mrs. Pauline Mer-

ritt received the corsage for the oldest mother present, Mrs. Donald Babcock was the youngest mother there, and Mrs. William Pickard was honored for having four daughters and one daughter-in-law present.

THANKS, BERT.
FOR A JOB WELL DONE
Bert Stanbro has completed the painting of the Salem Federated Church and it looks almost like a different building inside. All members of this church should feel it a privilege to dig deeper into their pockets to contribute to this redecoration so that Mr. Stanbro can be paid soon. He spent four weeks of hard, laborious work using wall cleaner first, then paint brush and tall ladders in order to do this work. Mr. Stanbro, who isn't as young as he used to be, certainly deserves a vote of thanks.

SOCIAL LIFE IN SALEM
Rev. Lucia M. Strich was a Sunday dinner guest in the Henry Hansen home in Northville. Saturday callers in the Congregational parsonage were Mr. and Mrs. Roscoe Griffith of Williamsburg, Ky. and Mrs. Frank Huff and Mr. Clements of Ypsilanti.

Mr. and Mrs. Charles Jacobs of Detroit stopped Tuesday and stayed overnight at the Gilbert Alter home on their way home to Detroit from a vacation trip that took them to Chicago, Milwaukee and Peoria. Sunday visitors and dinner guests at the Alter home were Mr. and Mrs. Frank Cochetti and three children of Wayne. Mrs. Cochetti is Mrs. Alter's twin sister.

Last Thursday, Mrs. John Bond was very happy to have as dinner guests her cousin and wife, Mr. and Mrs. Ralph Wickoff from Bell, Calif. Mrs. Bond hadn't seen her cousin for 26 years. Other dinner guests were Mrs. Bond's

sister and husband, Mr. and Mrs. Raymond White of Pontiac, and her mother, Mrs. Golden.

Wednesday afternoon, May 6, Mr. and Mrs. Arthur Wheeler visited George Bennett, who has been in ill health most of the past winter, but is feeling much better now. They also called at the home of Mrs. Myra Taylor.

Mr. and Mrs. R. J. Boyle of Detroit were Saturday callers at the home of Mrs. Myra Taylor. Callers on Mothers' Day at Mrs. Taylor's were Mr. and Mrs. Clifford Malby of Detroit.

Saturday, Mr. and Mrs. Ray Clark and two sons, Grief and Ross, of Ypsilanti visited George Bennett. Mother's Day visitors at the Bennett home were Mr. and Mrs. Clifford Malby of Detroit, and Mr. and Mrs. George Tanner of Salem.

Mr. and Mrs. Fred Carter of Northville visited at the home of their daughter, Mrs. Robert Wilson, and family on Mother's Day.

Mr. and Mrs. Glenn Renwick, Mr. and Mrs. Leonard Millross, David and Leonard, Jr., of Plymouth were dinner guests of their respective son and daughter, Mr. and Mrs. John Renwick on Angle Rd. on Mother's Day.

Mrs. Evily Lewis and Mrs. Charles Stacey went to visit Mrs. Lewis' sister at Farmington last Wednesday afternoon, May 6.

Mrs. Margaret Rogers is spending a couple of months with Mr. and Mrs. Earl Roberts and family.

Spending money may be fun to some people, but to Legislators this year it's the occasion for bickering, badgering and even open warfare. Both House and Senate have passed bills appropriating money they expect to collect from the new tax program so long in the making.

House proposals, which were concerned with expenditures for operating funds, were passed with little controversy. Only important change was the elimination of money to operate Michigan's naval reserve; a saving of \$27,167. Representatives voting against this appropriation charged that the naval militia is made up of 1,900 men who do nothing; constitute nothing more than an officers club. The men draw \$50 allowance for uniforms that have no use. Only meetings held, ac-

ording to Representatives fighting the appropriation, are for an hour or two every six months to figure out how much to ask from the state.

More controversy existed in the Senate where a small band of Senators tried unsuccessfully to reduce appropriation bills for capital outlay mostly for new building or remodeling. The group aimed to deduct \$4,494,000 from a total of \$7,938,000 which the Committee on Appropriations has designated for new construction of State institutions.

Representatives rubbed their hands in gleeful anticipation of some wholesale cutting of the Senate provisions as soon as they reached the House floor for consideration. They felt safe on their own program since expenditures were about the same as last year. By legislative custom the chambers alternate in the designing of a budget. One year the House studies and proposes capital outlay measures; the Senate operating expense. The next year, the subjects are reversed.

Basic difference in thinking between those who proposed the spending of money for new buildings and those who oppose it seems to be this: One group says we need the buildings now, with emphasis on the now. The second group believes that the state should spend no money until its present deficit problem is solved. Senator Creighton Coleman, a young Republican leader, pointed out that an elaborate program is

needed now because Michigan has done little building in the last 20 or 30 years while the population has increased from 30 to 40 percent. The Jackson prison situation, for example, demands immediate action.

A major attack was made to remove funds for an artificial ice rink in the Upper Peninsula. Critics of the appropriation pointed to this expenditure of \$159,100 for Dec Stadium at Houghton College of Mining and Technology, claiming that the money was desperately needed for medical aid for Michigan citizens, and should not be spent for such facetious items as ice rinks in north Michigan. Other efforts were made to reduce expenditures for libraries and other buildings at Michigan State College and University of Michigan. But in the end, bills passed were very similar to what the Appropriation's Committee recommended.

Much study was devoted, said members of the Senate Appropriation Committee, to the proposals they made and they stood behind them. Senator Don Vanderwerf, western Michigan Republican, said that Houghton was the first college in the state to make much of ice hockey and that investigation showed the rink was an integral part of the recreation program. He also indicated that committee members were not surprised at attempts to reduce their appropriation plans, adding that it is much easier to try to improve a thing than it is to create it in the first place.

Memories of troubles at Jackson

prison were recalled by the budget which allows a total of \$487,000 for that institution. Of this \$81,000 is earmarked to remodel Cell Block 9; \$32,000 to remodel a dining room; \$250,000 to remodel two floors of cell block 1. Marquette would receive \$529,700 from the proposed budget, \$500,000 of which is designated to pay for the construction of 200 new cells at a total cost of \$950,000.

Other figures include \$660,000 for modernizing University Hospital in Ann Arbor; \$1,320,000 for libraries and roads for U of M; \$1,370,000 for a new library, new barns and storage space at MSC; \$58,000 improving facilities at Ferris Institute; \$169,200 (includes the 159,100 for the ice rink) for College of Mining and Technology at Houghton; \$500,000 for libraries and classrooms at Central Michigan College of Education in Kalamazoo; \$26,682 for water mains at Michigan State Normal; \$125,000 for the Northern Michigan College of Education improvements, and \$100,000 for a maintenance building at Western Michigan College of Education.

School for the Blind picked up what most people considered a well deserved boost when Senators Harold M. Ryan (D-Detroit) and Elmer R. Porter (R-Blissfield) called for and won \$125,000 to make the structure fireproof. About 140 blind children are housed in a four story building which will be improved.

Usual objections from Wayne County are present when it comes to the localities where money is being spent. They point out that their area has greatest need for hospitals of all types. Still bitter about state distribution of tuberculosis hospitals. Detroit people claim they don't get a fair share of Michigan money considering the vast sums that are collected from Wayne and spent out-state.

Detroit's Senator Ryan lost his fight last week to get a new children's hospital for Wayne University or in Northville. One million dollars was being appropriated for a new institution, which will cost \$2 million, for children needing psychiatric treatment. Debate grew bitter over this question with Senator Ryan stating that the University of Michigan didn't even need lobbyists to get whatever it wants from the Legislature. The Senate voted to locate the hospital at Ann Arbor.
