Mrs. Wagenschutz, Schrader Win in School Election

Michigan Bell Seeks Phone Rate Increase

Mrs. Eliza M. Wagenschutz became the first woman member of the Northville School Board since 1924 in voting on two vacancies Monday, June 8. Nelson C. Schrader, Jr. was re-elected to fill the other vacancy. Both will serve three year terms.

Service Cost Would Jump 20 to 28%

George L. Clark, candidate for re-election, was defeated. The 446 votes cast in the election break down this way: Mr. Schrader, 164; Mrs. Wagenschutz, 161; Mr. Clark, 120. J. Stanley Waterloo received one write-in vote.

Someone Stole Home

It must have been frustrating. There stood the umpire, brush in hand, with no home plate to dust off.

Cost of telephone service for Northville residents will be 25% to 28% higher, and for business men 20% to 27.5% more, if and when the Michigan Public Service Commission grants the Michigan Bell Telephone Company's current request for permission to increase its rates.

These percentage increases in monthly residential and business rates are derived from figures released Tuesday by the company when it announced the filing of its new rate schedule at Lansing. The company's statement said cost of residence service would be increased from 1 to 3 cents per day in Northville, and individual-line business service about 7 cents per day in Northville.

for the Record

by G. H. C.

Michigan Bell Telephone Company's petition to the State Public Service Commission for permission to charge higher rates is the natural aftermath of granting pay increases to employees this spring. The company warned when it gave the increases that it would have to look to its subscribers to foot the bill, and it has moved promptly to bring this about. All of which adds up to prudent management.

In view of the general public's limited knowledge of the complexities of utility rate structures and the factors that must be considered in arriving at rates which are fair to company and public alike, it is well that the State Public Service Commission has a staff capable of analyzing the company's proposed new rate structure. Presumably the Commission will protect the public's interest by making a thorough study of the proposed new rates.

Without presuming to be critical of the company's new rates, it is interesting to note that in both Detroit, Northville and intermediate points, it is asking for a flat increase of 90 cents per month for individual line service.

For Northville, this is equivalent to a 25.7% increase in cost of individual line service, but for Livonia, it is an increase of only 17%. In Detroit it figures out as a 15% increase.

In the case of a four-party line, each Northville subscriber will pay 70 cents more if the new rates go into effect, or a total added revenue of \$2.80 per month against 90 cents per month new revenue from the single party line.

Also interesting is the fact that Northville subscribers can call only 14,000 other numbers without extra charge, whereas South Lyon subscribers by paying 25 cents more per month can call twice as many numbers. Walled Lake and Plymouth, with \$4 monthly rates, can call 43,000 and 54,800 numbers.

The foregoing is not intended as criticism of the telephone company, which by and large does a pretty good job over the years. We would not argue the point that the phone company is entitled to a fair return on its investment. If it does not get a fair return it will be unable to obtain the capital which it must have to extend and further improve its service.

We mention the difference in the amount of service Northville residents get for their money as compared with neighboring communities merely so our readers may know what might be available to them if they chose to try to buy it. It is like a woman shopper who may be entirely satisfied with her purchase until her neighbor Mrs. Jones, tells about the bargains to be found in the store across the street.

Two antique relics of the distant past have been brought to the Record office during the past few days. One is a book, "The Freeman's Guide," which was published in 1812. It is owned by Leo Lawrence and contains the Federal Constitution and the constitutions of the different states, together with the Declaration of Independence and Washington's Farewell Address.

The other is a copper coin, one and one-quarter inches in diameter, with this inscription on the reverse side: "One Penny, Union Chapter, No. 55, R.A.M., Northville, Mich. Chartered Jan'y 8th, 1868". This coin was found recently by Benjamin Onisko, of Maybury Sanatorium, who brought it to the Record for identification.

For the benefit of anyone who may be curious, the coin is glued to the glass in the front window of the Record office. Perhaps some reader may be able to identify it.

Red Cross Chairman Appeals for Disaster Preparedness Volunteers

Fearing the consequences of inadequate disaster preparation, Mrs. A. C. Carlson, local Red Cross chapter chairman, has issued a call for volunteers for several departments of the chapter concerning disasters and disaster relief.

"When everything runs smoothly," she said, "it is human nature to be lax in preparation for such disasters as floods or tornadoes. The headlines in this week's Detroit papers could have read 'Northville in Ruins,' rather than the neighboring towns of Milford and Flint."

"If a storm should strike Northville now," she pointed out, "we would be helpless during the storm, and even more helpless later, except for what aid neighboring Red Cross chapters could give."

James Blair, Out-County chapter chairman from Detroit American Red Cross met with Mrs. Carlson Tuesday to begin plans as outlined by the national office.

Most needed at present are volunteers to work on such disaster committees as authority and responsibility, policies, survey, warning, registration and information, clothing, medical services, medical facilities, dental services, first aid, rescue and evacuation,

Eastland to Head Northville Optimists

A new slate of officers, headed by President J. K. Eastland, will take over the reins of the Northville Optimist Club July 1.

Also elected club officers early this month were Alex M. Lawrence, first vice-president; Emmett A. Wirth, second vice-president; Alvin Skow, secretary; James F. Green, treasurer; Monroe Weston, sergeant-at-arms, and Rev. E. E. Rossow, chaplain. Trustees are Paul H. Steencken, Maxwell Austin and J. W. Cheatham.

Installation will be at the first meeting in July at a Ladies Night program.

Owen J. Cleary, Secretary of State, to Be Main Speaker

Sixty young men and women will cross the stage at Northville High School gymnasium Thursday night, June 11 to receive diplomas marking the end of their high school careers.

Among them will be six students graduating with honors, a salutatorian, valedictorian, and two German exchange students.

Michigan's Secretary of State Owen J. Cleary will deliver the commencement address.

The program will begin at 8 p.m. as the seniors, gowned in traditional scholars' robes, enter the gymnasium in two files as processional music is played by Arlene Jerome.

Following the singing of the national anthem, "The Star Spangled Banner", by the audience, led by Leslie G. Lee, an invocation will be given by the Rev. E. E. Rossow.

Eva White will give the salutatory address, after which Janie Beckel and Ardena Leavenworth will play a clarinet duet accompanied by Marlene Weiss. Miss Weiss will then deliver the valedictory address. Group music will be given by members of the senior class.

The scholarship awards will precede the address by Mr. Cleary. High School Principal E. V. Ellison will present the class and Superintendent R. H. Amerman will give the diplomas. The exercises will close with the singing of "America" by the audience and a benediction by Rev. Rossow.

Mr. Cleary, a prominent member of the Republican party, has been president of Cleary College in Ypsilanti since 1940, after graduating from the school in 1920 and becoming assistant to its president in 1936.

His education includes graduation from Ypsilanti High School in 1917, from Cleary in 1920, Michigan State Normal College in 1922, an A.B. degree from the University of Michigan in 1925, and a jurisprudence degree from the University of Detroit law school in 1931.

He was admitted to the Michigan State Bar in 1931 and became a member of the Cleary and Weins law firm, which later became the firm of Cleary, Weins, Jackson and Scallen.

He is a member of the American Legion, Rotary International, the Board of Commerce and various other public and political organizations.

Mr. Cleary was chairman of the Michigan State Liquor Control Commission from 1947 to 1949. Since 1921 he has been a delegate to county and state Republican conventions many times, has been secretary of the Washtenaw County Republican Committee, chairman of the Michigan Republican State Central Committee, chairman of the Midwest and Rocky Mountain State Chairmen's Association, and, from 1952 to 1953, was a member of the Republican National Committee.

Baseball Team Wins 5th Game

The Northville baseball team stayed in the thick of the fight for the Inter-County league crown Sunday by turning back the Teamsters team 3 to 0 at Cass Benton Park Sunday afternoon.

The Northville team, managed by Steve Polino, pushed across runs in the third, fifth and seventh innings to shut out Teamsters. George Tracey struck out 13 and held Teamsters to 5 hits.

Northville, sponsored jointly by the Cy Owens Ford dealership and the S. L. Brader Department store, now has five wins, no losses and one tie to rank right behind league-leading Auto Club, with six wins.

Northville will play Walled Lake at Cass-Benton Park Sunday at 1 p.m.

First O.L.V. Class Graduates Monday

Two boys and two girls became the first class to graduate from Our Lady of Victory parochial school Monday night, June 8.

Michael Murphy, Paul Hinko, Edna Jones and Janet Wicko were awarded eighth grade diplomas in church rites by the Rev. Fr. Anthony J. Heraty as friends and relatives watched.

A breakfast in the O.L.V. church hall honored the four graduates Monday morning. Thirty-six students of the fifth, sixth and seventh grades were invited as guests.

Following the breakfast, seventh-grader Philip Loranger was master of ceremonies and introduced the graduates. Michael read the class will and Paul gave the farewell address. Edna and Janet then presented gifts to the Rev. Heraty and to Sister Anita Marie.

The breakfast for the students was put on by the newly-organized Mothers Club, with Mrs. Marshall Huff, as president, assisted by Mesdames C. A. Crusoe, William Madigan, Carroll Mulligan, John Siok, William Riley, Herman Hartner and William Gill.

Expect 100 Entries in Triangle Riding Club Show Sunday

More than a hundred entries are expected in the fourth annual Triangle Riding Club horse show to be held Sunday, June 14, at the Northville Riding Academy, 38100 Seven Mile Rd.

The show, to begin at 1 p.m., will be staged in the new jumping stadium set in a valley near the barns. Only one other such stadium, with outside courses, has been set up in the United States, according to Clarence Hastings, manager of the academy.

Young riders from five to 18 years of age will compete in 12 equitation and jumping classes, although one event, for adults 40 and over, will be held late in the afternoon.

Entries, all members of the Triangle Club, will come from Detroit, Livonia, Northville, Wayne and other communities in this area. No admission will be charged.

The Triangle Club was originally set up some time ago as a means of combating juvenile delinquency and began in Detroit as a small inter-church group. It incorporated such sports as tennis, bowling and riding and began attracting new members from neighboring communities until it has grown into a large organization.

VFW Ready for July 4 Celebration Here

Plans began taking shape this week for the huge Fourth of July celebration to be held at Ford Field and elsewhere in Northville on the national holiday.

Heading up the program is a Veterans of Foreign Wars committee chaired by Alfred Smith, Jr., in cooperation with the Retail Merchants Association and the Recreation Department, with assistance from the village.

Currently planned as morning activities are a penny scramble, bike races, boat rides on the Ford mill pond and pony and horse rides.

The V.F.W. hardball team for boys sixteen and under will play a game in the afternoon at Ford Field, and the V.F.W. softball team will play a five-inning exhibition game about 6:30 p.m. It's planned, now that the game will be between the V.F.W. team and the team leading the adult recreation league at the time.

An added attraction this year will be a performance by the Ford Motor Company's 30-voice choir, to begin at 8:30 p.m. and to last until the stellar attraction of July 4 — the fireworks — begin. The choir is directed by Lou Fenker, of Ypsilanti.

48-Night Meeting at Northville Downs to Open June 15

It's that time of year again.

Hundreds of automobiles will pour into Northville six nights a week as Northville Downs opens a 48 night harness race meeting beginning Monday, June 15.

The exodus of horses, drivers and owners began some time ago from the Hazel Park track, scene of the first racing meet in this area this year. Most of them are moving to Northville after a meet which has been regarded as highly successful. Almost a half-million dollars poured through the Hazel Park mutuels windows on one night to set a record.

Northville Downs, starting its tenth season, is looking forward to the best in its history. President Harold B. Dennison and Executive Manager John Carroll report that everything is ready (Continued on Page 10)

Al Jones Replaces Smith As School Athletic Director

ALBERT E. JONES

Albert E. Jones, coach and teacher, will be the new athletic director at Northville High School when the school session begins next fall. He replaces Harry B. Smith, athletic director since 1946, who requested to be relieved of the post so he can devote all his time to the driver training program and to teaching mathematics.

Mr. Smith handled most of the high school's coaching duties before World War II, and, after his return to the school system in 1946, gradually gave up coaching duties as new coaches were added, while he assumed more responsibility in driver training classes. "Now," he said, "I just want more time to spend with my family."

Mr. Smith joined the high school staff in 1937, but was with the infantry from before the Pearl Harbor attack until 1946. He was discharged as a captain and is now a reserve major.

Mr. Jones will be starting his sixth year at Northville in the fall. He has been football and baseball coach, and has served as coach for reserve and junior high basketball. As athletic director, he will continue as football coach and will continue teaching social science and health classes.

The athletic directorship will not be an unfamiliar job for Mr. Jones. He held that post for three years at Zeeland High School before joining the Northville school system.

9-Week Summer of Fun Program Planned for Youth

The widely-varied Summer of Fun program sponsored by the Northville Recreation Committee will begin Monday, June 15 and continue nine weeks through August 14.

Activities have been roughly divided into two age groups: girls and boys under 12 years, and those 12 and older.

Twelve and under activities will center around the playground at Northville Grade School, open from 9 a.m. to noon, and 1 p.m. to 4 p.m. Monday through Friday. Leaders will be Yvonne North and Jean Campbell.

Included in the wide range of activities will be croquet, checkers, table games, brand new crafts, new games, daily swims, a pet show, day camp, picnics, fishing at the mill pond, trips to the Detroit zoo each Thursday, roller skating to music and new junior zell ball.

Calls Increase Essential

Dean Sipson, manager here for Michigan Bell, termed the proposed rate increase "essential if we are to continue to maintain high-quality service." He emphasized that "even with the proposed increase, telephone service still would be a bargain," and pointed out that Northville customers can now call 14,000 telephones on a local call basis, compared with about 1,400 in 1946 before extended-area service was inaugurated.

Under the proposed schedules, monthly rates in Northville would be increased as follows:

	Present Rate	Proposed Rate	Increase
Residence Service:			
Individual line	\$3.50	\$4.40	25.7%
2-party line	3.00	3.75	25.0%
4-party line	2.50	3.20	28.0%
Rural line	3.50	3.75	7.1%

	Present Rate	Proposed Rate	Increase
Business Service:			
Individual line	7.25	9.25	27.5%
2-party line	6.25	7.50	20.0%
Rural line	5.25	5.75	9.5%

Pay Less — Get Less

Mr. Sipson also supplied the Northville Record, by request, with figures showing comparative rates and the extent of service in neighboring communities. These figures appear below. They show that Northville's present single-party residential line rate of \$3.50 per month is lower than the rates paid by subscribers in any of the five neighboring communities — Livonia, Farmington, Plymouth, Walled Lake or South Lyon.

Likewise, the number of telephones that can be called by Northville subscribers without added cost is lower than for any surrounding community. South Lyon subscribers pay 25 cents per month more than Northville subscribers, but can call twice as many other phones. Walled Lake subscribers pay 50 cents more per month and can call three times as many numbers, and Plymouth, which also pays 50 cents more than Northville, can call nearly four times as many numbers. The table below shows comparative rates and service in neighboring communities.

Comparative Telephone Rates!

Town	(Individual Residential Line)		
	Present Rate	Proposed Rate	Can Call
Livonia*	\$5.25	\$6.15	183,000 Res. Phones
Farmington*	4.25	5.15	55,356 "
Plymouth	4.00	4.90	54,900 All "
Walled Lake	4.00	4.90	43,000 " "
South Lyon	3.75	4.65	27,350 " "
Northville	3.50	4.40	14,600 " "

(* Rates are for optional single party extended rate service.)

Mr. Sipson pointed out that "one substantial element of our costs is our wage bill. General wage increases, alone, have

amounted to \$1.50 for every \$1 of rate increases in the same period. During that period wage costs per telephone per month have jumped from \$1.54 to \$3.39. Further, taxes paid by the company per telephone have increased from 82 cents to \$1.26 a month. "In total, costs per telephone per month are, now \$6.45, as against \$3.88 in 1946.

"As a result of this lag in the price of our service behind the increased costs of providing it, our earnings are about a third of the rate of earnings of outside industry during a period when business activity has been at an all-time high."

Local Exchangites Attend State Club Convention

The Northville Exchange Club will be represented at the 1953 convention of the Michigan State Exchange Clubs by D. J. Stark, Bruce Turnbull and Merritt Meaker. In addition to the official delegates, a number of other local Exchangites may attend the annual meeting of the state organization, to be held at the Pantlind Hotel in Grand Rapids June 11, 12 and 13. Grant Macfarlane of Salt Lake City, a member of the national board of control of The National Exchange Club, will be the principal speaker at the convention. He is a prominent member of the Utah bar who was president of the Utah state senate for four years during his 14 years of service as a member of the state legislature. His election to membership on the governing body of The National Exchange Club followed service as national regional vice president. He has served as a

member of the executive board of the Boy Scouts of America and has been an active figure in civic and humanitarian movements in Utah for many years. A World War I veteran, he is a member of the American Legion.

Officers of the Michigan State Exchange Clubs are: Dr. Victor E. Ferguson of Benton Harbor, president; William E. Strickland of Ann Arbor, vice-president; Henry W. Baker of Battle Creek, secretary; Elbert W. Wilmot of Pontiac, treasurer, and Herbert W. Truemmer of Flint, immediate past president.

Let all things be done decently and in order.

Chief Denton Urges Passing Caution

Chief Denton called attention today to the fact that passing cars on city streets with parked cars and frequent intersections can be exceedingly dangerous.

He said, "There are not many conditions which justify passing on a city street where parked cars only allow one lane of traffic in each direction. The speed limit on most city streets is 25 miles per hour. If the car ahead is going 20 miles per hour, the difference in speed is only 5 miles per hour. To be able to go 5 miles per hour, faster for a short trip will not save enough time to make it worth while to pass.

"Parked cars add a special hazard to passing, and hide pedestrians, especially children, who may thoughtlessly run out into the street. In many areas, the block lengths are not long enough to permit passing before reaching the intersection," he added.

All motorists are urged to cooperate with the traffic safety campaign under the leadership of State Highway Commissioner Charles M. Ziegler, and sponsored by the Michigan State Safety Commission, of which Ziegler is chairman.

The Chief suggested the following safety tips to help motorists who wish to pass with safety:

(1) Be sure that there is no car close behind you which may try to pass you as you pull out.

(2) Make sure that there is no car right ahead of the car you are going to pass which might block you.

(3) Be certain that there is no oncoming car or, if there is one, that it is far enough away so that you have plenty of time to complete your pass before it arrives.

(4) Assure yourself that there is no intersection, driveway, or filling station entrance from which a car could come and interfere with your passing maneuver.

(5) When you are certain of cars behind you and in front of you, and of all entrances to the roadway, then pass rather quickly so that you do not have to stay on the wrong side of the roadway very long. It is recommended that, when highway conditions and the speed limit permit safe passing, that you travel about 15 miles per hour faster than the car you are passing. Less than this will take you too long. More than this will make it harder for you to stop in time if an emergency develops.

"Obey the official safety slogan 'Keep in Lane—Don't Be a Road Hog.'"

When Michigan hay fields average only a ton and a half yield per acre, there's a lack of lime and plant food in the soil, stresses E. D. Longnecker, Michigan State College soil scientist.

SO BEAUTIFUL! SO POWERFUL!

GENERAL MOTORS LOWEST PRICED EIGHT

SO ROOMY! SO LOW IN PRICE!

Judge Pontiac purely from the standpoint of quality and it's hard to believe that it is actually a low-priced car.

Here's a car so handsomely styled it's one of the most beautiful on the road.

Performance-wise, too, Pontiac will take on all comers. Its big, high-compression engine gives you split-second response in city traffic, lets you cruise at highway speeds with plenty of power to spare and economy, too.

Pontiac is a big car—in fact, no car so big is priced so low. Its long 122-inch wheelbase means road-hugging safety. And inside you'll find Pontiac's big, roomy Body by Fisher gives you plenty of space to relax.

But Pontiac's outstanding feature is its price—a price so low that if you can afford any new car you can afford a Pontiac.

We'll be glad to prove that dollar for dollar you can't beat a Pontiac!

Dance, Piano Recitals Set

Jordan Dancers to Present Recital

The Jordan Dance Studio of Northville will present its annual Dance Recital on Sunday, June 14 at 8 p.m. The program will be held at Bentley High School auditorium, located on Hubbard Rd. near Five Mile Rd. in Livonia.

A program of tap, ballet and toe divestissements has been arranged by dancing instructor, Kathleen Jordan. Several three and four-year-old ballerinas will make their debuts along with several other more seasoned performers in their age group in a tap routine, "Watch Me Now". The ever-popular "Old Soft Shoe" has been included in the program to contrast with the "Top Hat-White Tie-Tails" routine and variety of other dance selections.

"Alice In Wonderland" tales will come to life in the second half of the program when, as the story goes, Alice falls asleep playing at the edge of the forest. In her dreams she meets the various characters portrayed by the young dancers.

Cynthia Mellen, student instructor, will be starred in the role of "Alice."

Participating will be pupils from Livonia, Farmington, Detroit, South Lyon, Plymouth, Milford and Novi as well as Northville.

Tickets may be obtained from the pupils of the studio or at the door. The public is cordially invited to attend.

Harrison Pupils to Give Program

The piano pupils of Mrs. Gerald V. Harrison will be presented in their annual spring recital Sunday afternoon, June 4 at 4:30 p.m. at the First Presbyterian Church House.

Mrs. Harrison's students who will perform are Connie Crump, Janice Williams, Margaret Ann Fredsell, Carolyn Langtry, Rusty Atchison, Cinda Sue Beattie, Julie Gazlay and Don Gardiner.

Also participating will be Donalyn McKinsey, Mary Welch, Sydney Richard, Susie Blackburn, Mike Richard, Dorothy Welch, Sammy Chizmar, Marilyn Collins, Roy Chelfits, Tucker Williams, Barbara Weiss and Dewey Gardiner.

Mrs. Harrison has extended a cordial invitation to the public to attend the concert.

Couple to Mark 50th Wedding Date

Flower Show Draws Large Spectator Crowd

One of Northville's prettiest June customs was enjoyed Thursday when the First Methodist Church House was transformed into a lovely garden by the choice blossoms of amateur gardeners.

The event was the 14th annual Flower Show of the Northville Branch of the Woman's National Farm and Garden Association. The cheerless, rainy day contrasted sharply with the garden-like foyer where guests received a gay corsage by the hostess, Mrs. E. B. Cavell. The vivid scarlet of the oriental poppies along with the gay yellows and bronze hues of the iris combined to splash color into the room.

The artistic talents of many Northville ladies became apparent as the coveted ribbons were tagged to their entries displayed on the long white covered tables. Entries were particularly beautiful this year making judging difficult for Mr. and Mrs. Stanley Norton of Ypsilanti. Mr. Norton is a florist with a specialty in orchids. Mrs. Andrew Vargha of Plymouth assisted with the judging along with Mrs. Roberts, state president of the National Farm and Garden Association.

Mrs. Gerritt Rooks was general chairman of the show assisted by Mrs. Merner Eilber, Mrs. George Alexander and Mrs. M. L. Hoysradt. Ceramics, hand-painted china pieces, hooked rugs, knitting and oil paintings were interesting entries in the Hobby Corner. A bit of Hawaii was transplanted to the "tropical garden" punch table where attendants, Mrs. McIntyre and Mrs. William B. Chase, in Hawaiian costume and Mrs. E. M. Flaherty served the frosty fruit drinks.

Prize winners according to entry classification are as follows:

Vegetables: Mrs. William McLean, first and second; Mrs. Raymond Stillson, third; Mrs. David Stillson, honorable mention.

Specimen flowers: Mrs. William B. Chase, two winners; Mrs. Roy Matheson, Mrs. T. Bellanger, first; Mrs. T. Bellanger, second; Mrs. Merner Eilber, third.

Bette Thompson Wears Blue Lace for Evening Nuptials

Bette Thompson carried a white Bible adorned with a blue orchid, white shattered carnations and satin streamers when she exchanged nuptial vows with Harold Chaffee at a candlelight ceremony Wednesday evening, May 29, in St. Paul's Lutheran Church.

The bride, daughter of the late Mr. and Mrs. Thompson, resides at 616 Oakland St., Northville. Mr. and Mrs. Earl Chaffee of Grand Haven are the bridegroom's parents.

Bette wore a ballerina length gown of bridal blue Chantilly lace distinguished by a scalloped hemline and long fitted sleeves which ended in scallops at the wrists. A lace petal motif edged the neckline of silk illusion and rhinestones frosted the molded lace bodice of the bridal gown. A Juliet cap of matching lace sprinkled with rhinestones held the shoulder length veil of silk illusion.

Matron of honor was Mrs. Hazel Beshear of Oakland St. gowned in a ballerina length frock of ice green net over antique silk taffeta which topped the strapless bodice. White carnations which fashioned her demi-hat matched her colonial bouquet.

Little Sharon Beshear, daughter of the honor matron, wore yellow net over taffeta for her role as flower girl. A tiny band of carnations capped her hair and she carried a miniature bouquet of carnations.

Charles Chaffee of Grand Haven, was his brother's best man and another brother, Arthur, also of Grand Haven, and Jim Davis of Detroit were ushers.

The bridal party greeted 100 guests at the reception which was held following the ceremony at the Plymouth Grange Hall. The new Mrs. Chaffee donned a suit of confection pink and white accessories for a week's wedding trip to Niagara Falls and New York City.

The couple now resides at 616 Oakland St. Mrs. Chaffee is employed by the Burroughs Adding Machine Company and the bridegroom is associated with the Livonia plant of the Ford Motor Co.

Jean Brockmiller Speaks Vows in Farmington Church

Masses of fragrant white peonies, white gladioli and delphinium flanked an improvised altar in the home of the senior Fred Brockmillers of Milford Friday evening when their daughter, Jean Ellen, spoke her wedding vows to John Todosciuk of Ann Arbor. He is the son of the late Mr. and Mrs. George Todosciuk of Howell.

The Rev. Cora M. Pennell of South Lyon performed the double ring ceremony at eight o'clock before a gathering of 100 friends and family members.

Escorted to the altar by her father, the bride wore a waltz length gown of nylon tulle with

a ruffled edged panel of Chantilly lace forming an apron effect on the voluminous skirt.

A long-sleeved jacket of matching lace fastened with several tiny buttons at a Peter Pan collar. Confining her shoulder length veil of illusion was a tiara of orange blossoms and white carnations and Stephanotis composed her wrist bouquet.

Mrs. Robert Hoffman of Ecorse was her sister's maid of honor and the bridesmaids were Mrs. Robert Sutton of Northville and Mrs. Betty Bucholtz of Ann Arbor.

They wore ballerina length frocks of nylon with matching brief jackets in blue, yellow and orchid respectively with wrist corsages of carnations in complementary hues.

Francis Todosciuk of Howell acted as his brother's best man, and the ushers were Robert Hoffman of Ecorse and Fred Brockmiller, Jr. of Milford.

A reception was held at the home immediately following the ceremony. Mrs. Brockmiller received the guests in a pastel blue print afternoon dress and white accessories. Her flowers were pink carnations.

Mr. and Mrs. Todosciuk will make their home in Milford following a honeymoon in New York and Virginia and a brief visit with John's relatives in Windsor, Ont., Canada. For traveling, the bride chose a lilac linen costume suit with her bridal corsage pinned to her shoulder.

Jean was graduated from Northville High School with the class of 1947 and is currently employed in an Ann Arbor bank. Her husband is an employee of Barnes, Gibson and Raymond of Ann Arbor.

Garden Club Hears Expert Advice on Modern Art Pieces

Thirty-two members of the Northville Branch of the Woman's National Farm and Garden Association heard Mrs. Marion Sober discuss "Modern Art in the Home" at their meeting Monday afternoon.

Mrs. T. G. Hegge was hostess for the affair at her home on Phoenix Road.

Mrs. Sober, a well-known local artist and a member of the J. L. Hudson Speakers Bureau, offered to her audience practical suggestions on how hand-made art pieces of American and imported decorating accessories in brass, ceramics, enamel, copper or wood could add color and character to any room in the home.

Supplementing her talk was an interesting display of exemplary art pieces. Receiving special attention were two Danish pewter urns, a Danish brass server and a salt glazed vase by Gamboni. Mrs. Sober also selected a Schier pottery bowl and an enameled metal compote by "Winter of Cleveland" for her display. Lengths of textiles chosen to complement the art pieces dramatized the exhibition.

Garden Club guests for the day were Mrs. William McLean and Mrs. Harry Lesley of Cissimmi, Fla. Mesdames Glenn H. Cummings, E. B. Cavell, Clyde Schultz and M. L. Hoysradt assisted Mrs. Hegge as co-hostesses.

ca, expects to be with us in the near future.

There will be a Father's Day service at the Church June 21 at 10:30 p.m.

Salem Federated
The Federated Church softball team will play its first game this Thursday evening, June 11 at Milford. Game time 6:30 p.m.

Daily Vacation Bible School will begin June 22. There will be many Bible stories, hand work, and games, so be sure to tell any children who live near you. If enough children plan to come a bus will be rented in order to furnish transportation. Classes will range in age from beginners to intermediates.

The Ladies' Missionary Circle which met at the home of Mrs. Frank Davis last Tuesday accomplished much work toward the making of layettes to be sent to missionaries in Tennessee and Kentucky. During the business meeting the members voted to discontinue having meetings until September.

REMEMBER OUR SICK
Mrs. Frances Burnham, who returned home from Atchison Hospital Saturday evening, and Mrs. Coda Savery, who was injured at the Salem Farmers' Club picnic at Cass Benton Park last week.

SALEM UNION SCHOOL NEWS
Children of the upper room are out of school, but those in the beginners and primary classes must go to school this week because they missed five days of school during the year and state law requires that they have 180 days' schooling in order to receive state aid.

The school picnic was held on Thursday, June 4 at the Willows. A large number of friends and parents were present, and the children enjoyed the day very much.

While Elizabeth Bueers was chasing a little cat, she fell into a patch of nettles Elizabeth says she won't chase cats again.

Cynthia Honke tells us that her brother, Richard, who is in the service, will be home on a furlough soon. Richard, who entered the service in May, is stationed in Virginia.

EIGHTH GRADE GRADUATION

About fifty parents and friends attended the eighth grade graduation exercises at Salem Union School Thursday night, June 4. Invocation was given by Rev. Stroh and Mrs. Cora Pennell extended greetings to the graduates. Speaker for the evening was E. V. Ellison, principal of Northville High School, and music was provided in the form of a vocal solo by Harry Richards, Sr. and a piano medley of favorites by Mrs. Lloyd Birckelbaw, Jr. Diplomas were then presented to the graduating eighth graders by Mrs. DeVine. Those graduating include John Campbell, David Dahl, Marjorie Dix, George Hawes, Daniel Klock, Murray Lyke, Margaret Smythe and Janice Lyke. Frank Skiver will also receive a diploma. Frank attended school until his enlistment in the army in April, and is now stationed in New York.

After the receipt of their diplomas and the benediction by Rev. Couch, the graduates, parents and friends enjoyed ice cream and cake served to them by members of the 1952-53 seventh grade class with Mrs. Myrlan Lyke supervising. Centering the refreshment table was a pretty white frosted cake with red roses and green leaf trim. Bouquets of peonies and other lovely flowers which graced the room were arranged by Mrs. Myrlan Lyke.

BOYS AND GIRLS IN SERVICE

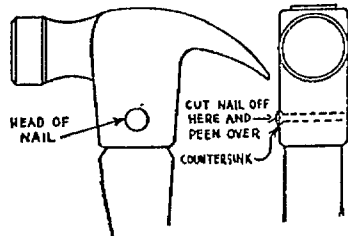

Jack Renwick, son of Mr. and Mrs. Glenn Renwick of Angle Rd., has enlisted in the U.S. Air Force and left Wednesday morning, June 3 for Ann Arbor from where he was sent to Fort Wayne for a few days prior to being stationed elsewhere. His wife, Janet, who also lives on Angle Rd., will remain here for the present.

Mary Keys, airman, daughter of Mrs. Marian Keys, W. Six Mile Rd., Salem, who is serving with the U.S. Navy and stationed at the Naval Air Station at Pensacola, Fla., is home for a ten-day leave until Thursday, June 11.

4-H WIENER ROAST

About thirty parents and members attended the closing party for the winter project members of Salem 4-H clubs at the home of Mr. and Mrs. Robert Wilson on Saturday evening, June 6. They enjoyed the wiener roast and ice cream, then received 4-H pins, ribbons and certificates for the winter project completion.

TRAFFIC LIGHT PROBLEM

Last week mention was made of the letter that our Township Board had sent to the Washtenaw County Board of Road Commissioners, requesting a public hearing on the proposed Railroad flasher lights that were ordered to be installed by the Michigan Public Service Commission. We promised further information for this week in regard to this matter.

Sometime last September the C & O Railroad had petitioned the Michigan Public Service Commission for a flasher light at the Chubb Rd. crossing. A hearing was held with the railroad officials, a member of the Service Commission, and the engineer of the County Road system present. Sometime in October the Michigan Public Service Commission had issued an order for the installation of the lights.

In April of this year our Township Board had heard through the supervisor that this order had been issued and that the Township would have to stand for 50% of the county cost. The Township shares would be around or somewhere near \$2500, and this amount would be deducted from its local road fund. The Town Board then went on record as being opposed to the installation of this light on an off road that had very little automobile traffic. The only traffic on this road is the heavy gravel trucks and they are required to come to a stop before crossing the tracks. The Town Board at its May 4th meeting passed a resolution that the Michigan Public Service Commission be requested to reconsider its order, reinvestigate the entire matter. On May 8th the Board received a letter from the Service Commission stating that it was out of order for them to "accept (resolution) for the purpose for which you intended it". They advised Mr. Scheel that our Township Board should address themselves to the Washtenaw County Road Commission, as they have "full and complete jurisdiction over the Chubb Rd. crossing." The Road Commission advises us "that they do not nor ever have considered it necessary or advisable to have flasher lights at this crossing." The Public Service Commission in its order of last fall reserves unto itself complete jurisdiction in the matter.

The Town Board now finds the Road Commission and the Public Service Commission in complete

disagreement with each other and on May 13 sent a resolution to the Service Commission requesting a public hearing on the entire matter.

In return the Service Commission advised us that our Township had no right by law to request such a hearing. The Town Board then made this request of the County Road Commission who we understand have made the formal request for a public hearing. What the outcome of this request is not known at this writing. The Town Board feels that if we are to share in the cost we should at least have a voice in a hearing. The Public Service Commission did not deem it advisable to invite our Board when they did hold such a hearing last fall. What do you think?

WHAT IS TOLERANCE?

According to the dictionary definition it is "our willingness to bear with others, especially those whose views differ from one's own". Our country was founded by many who believed in religious tolerance & therefore is strongly written into the Constitution of the United States. The right for every man to worship God or anything else as he sees fit is granted to every citizen of the United States. It seems strange that many have beliefs and societies which have sprung up and exist today in our country because the Constitution granted them liberty are the very ones who now desire to suppress others who do not agree with them. For example, in many public schools where the theories of atheists are taught for facts through the text books, the Bible is forbidden to be taught or even read. This is not tolerance! Another example is that a certain religious council received permission from the United States Government to approve all the chaplains for the armed forces and then used this permission to admit only those who agreed to teach what they prescribed. This is not tolerance either! True Christian faith is based on Christ's invitation of "whosoever will". When we resort to force or suppression of others then we are working contrary to God's method.

Janet Malot, Betty Strange, Barbara Weiss and Peggy Hammond will help in the nursery and kindergarten.

VFW, Owens Lead Softball League

The Cy Owens softball team pounded out an 11 to 2 decision over Walled Lake Door in the last softball league at Ford Field last Thursday night, but lost to the V.F.W. team Monday night, 5 to 1, in a game called at the end of the fifth inning because of rain.

The Mayors team apparently tuned loose everything it had Tuesday night in a 21 to 3 rout of the Bloom's Insurance team while the Optimists turned back Walled Lake Door 9 to 3.

Standings in the league, as of Tuesday night, are:

VFW	2	0
Cy Owens	2	1
American Legion	1	0
Mayors Team	1	1
Optimists	1	1
Bloom's Insurance	1	1
Clarenceville	0	1
Walled Lake Door	0	3

Two games are played on Monday and Tuesday nights, at 7 and 8:15 p.m. at Ford Field, and a single game is played on Thursday nights at 7 p.m. See schedule elsewhere in this issue.

To Move Houses on Site of Proposed Community Building

Planning for the proposed Northville Community Building moved forward another couple of steps last week with the serving of 30-day notices to move on the occupants of three houses on W. Main St. where the Community Building will be located and a decision by the Village Commission to advertise the houses for sale to be moved from the lots.

Simultaneously, the Village Commission instructed Village Attorney Philip Ogilvie to proceed with a contract between the Village and Walter Anicka, the Ypsilanti architect who is preparing plans for the Community Building. This contract has been delayed somewhat by the Commission's desire to be assured that the building can be erected for the approximately \$200,000 now on hand. Mr. Anicka last week offered to make certain changes in the contract which would protect the village in this respect.

Junior Police Plan Ice Cream Social

The Northville Junior Police will hold an Ice Cream Social on the lawn of the Veterans Memorial Building on Friday afternoon and evening, June 19.

The event has been planned in an effort to raise funds to finance a summer program of activities for the junior-size policemen, according to finance committee chairman, Mrs. Howard Meyer.

Racing

(Continued from Front Page) for the first post at 8:15 p.m. Monday. John Jenunie, racing secretary, has arranged nine races featuring an Inaugural Pace, for the grand opening night.

"Harness racing is due to reach new heights of popularity this year, judging from reports and records from all over the country," Mr. Dennison comments.

Many Improvements

Northville Downs fans will discover many improvements at the track this season. Downs representatives say. Parking facilities have been increased for the handling of a thousand additional cars on the grounds adjoining the grandstand, bringing the total space to nearly 2,000 parking places.

The stretch in front of the grandstand will be one of the best lighted in the country, following the installation of 40 new flood lights and standards. Brand new concession stands have replaced those of past years.

Also, 40 more stalls have been added this year as part of the five-year improvement program begun some time ago by the Downs.

There will be nine races nightly, Monday through Saturday, from June 15 to August 8, with the usual daily double on the first and second races.

CHRISTIAN SCIENCE CHURCHES
That we may ever look to God for protection from all evil is emphasized in the Lesson-Sermon entitled "God the Preserver of Man" to be read in all Christian Science churches on Sunday, June 14.
The Golden Text is from Proverbs (29-25): "Whoso putteth his trust in the Lord shall be safe."

Among the Bible citations is this passage, (Ezek. 34-11): "For thus saith the Lord God; Behold, I, even I, will both search my sheep, and seek them out."
Correlative passages from "Science and Health with Key to the Scriptures," by Mary Baker Eddy include: "Father-Mother is the name for Deity, which indicates His tender relationship to His spiritual creation. As the apostle expressed it in words which he quoted with approbation from a classic poet: 'For we are also His offspring'" (p. 332).

"Weather co-operating, Michigan could be headed for the best tourist season ever," predicts Robert

J. Furlong, executive secretary of Michigan Tourist Council. That's the office that shows people where and how to enjoy themselves in this "Water Wonderland" state. More happy tourists in Michigan mean better livelihoods for resort owners and louder jangles of vacation dimes and dollars. Most of this, sooner or later, finds its way into the hands of Michigan retailers, wholesalers and manufacturers. People are surprised to learn

that tourist trade ranks among the top three industries in Michigan. Manufacturing is first. Agriculture and resorting come next, but most representatives of both fields are unwilling to state flatly which is second. Surveys show that of 10 billion dollars spent yearly by Americans, well over \$500 million (about 5%) will be spent in Michigan. More than half by residents from outside the state who learn of sunny sands, deep forests and

blue waters. Surveys also show that sightseeing is Michigan's biggest attraction. Mr. Furlong says that 70% of people touring here include it in their program. "About 55% go fishing," he added, explaining that, "nearly all tourists enjoy several different activities during their visits."

Michigan Tourist Council is a clearing house which attempts to co-ordinate all tourist promotion. The staff consists of only five hardworking people in Lansing, headed by Mr. Furlong, who has a conservation department background. Administrative assistant is John Gray, who for five years has been speaking, photographing and writing about the glories of our state. The council works closely with Michigan's four existing regional associations: East, West, Southeastern and Upper Peninsula.

A sum of money, appropriated each year by the Legislature, finances the Tourist Council. The state carefully designates how much of this shall be spent on promotion.

The remainder can be used for administration. In 1945 when the council was originated, \$25,000 was appropriated. Recently it was increased to \$296,000; this year it is \$326,000.

Of this, \$25,000 is credited to each regional office which must use it for advertising. Most of the blame is used for ads in national magazines and Michigan newspapers.

"A careful check is made of coupons returned from these ads," says Mr. Furlong, "so the council will know which are worthy." Coupon senders are asked to check the part of Michigan they want to visit; their names are referred to one of the four regional associations.

Thousands of beautifully printed booklets picturing advantages of Michigan vacations are distributed to interested people. Other publications about activities like canoeing, fishing and winter sports, are sent out daily.

Upon request art and information is available to writers or news commentators. Pictures of Michigan scenes are supplied for calendar or promotion pieces. Much material for a fine article in National Geographic was provided by the Tourist Council. It was called "Work Hard—Play Hard Michigan" and must have appealed to thousands of traveling readers.

WHAT ABOUT 1953 DEER LAWS?

Following the recent publication of final results of the 1952 deer hunting season sportsmen are beginning to wonder what's going to happen next fall. Will there be another widespread legalized kill of "any deer" in the lower peninsula? Will the "any deer" areas be specially designated? Or will we go back to the one buck regulation?

Big Percentage of Does and Fawns Killed

From a survey the Department reports that the total kill hit the 162,000 mark last fall, with 465,000 persons licensed to hunt. That means one out of three got a deer. About 52,000 bucks were killed during the regular season, and 110,000 during the last three days when it was legal to shoot any deer, any size, any sex. However, 103,000 were either adult does or fawns—a figure that alarmed a lot of people. But our game division sees little or no cause for alarm because of this. As a matter of fact they looked for a much larger kill in most areas.

Plenty of Deer in Evidence

They point out that the spring showing of deer in the lower peninsula, even where the last fall kill ran high, is entirely satisfactory. The past winter was apparently easy on the animals, the food supply was adequate for the existing herd, and at the moment all is well. BUT, a couple of hundred thousand

fawns—maybe more—will soon be born to create another problem. Will there be enough food to see them thru next winter? Or should the ranks be thinned again next fall to assure a herd of healthy animals? There's no definite answer as this is written.

The Conservation Department's game biologists will probably come up with some recommendations soon. Chances are specific areas will be chosen for some kind of an "any deer" season in critical spots where food is short and deer are too plentiful. Such a "season" might be shortened to one day rather than three.

Upper Peninsula Kill Light

No special laws are likely to affect the upper peninsula. Only 19,000 deer, all bucks, came from that area last fall, out of a total state kill of 162,000, a figure that bears out hunters' stories of seeing fewer deer across the Straits this year.

Problem Complicated

Wherever game management is practiced the problem is quite involved. It's especially difficult with deer because of persistent public pressure. People love to see lots of deer in the north country all summer, and have little concern with what they can't see: the misery and cruelty of slow starvation in the winter months. So bear with our Department. They're trying to make a better Michigan Outdoors for all of us, including the deer!

Mort Neff's "Michigan Outdoors" television show can be seen every Thursday over WWJ-TV, Channel 4, in a thrilling full half-hour show—10:00 till 10:30 p.m. DON'T MISS IT!

are also examined. At present several are under consideration. They include a plan to keep school open 12 months a year, giving classes and teachers vacations as long as at present, but staggered around the calendar. This will permit fuller use of schools and, incidentally, benefit the tourist trade.

Another idea is to encourage "off season" vacations in industry. This would permit the resort owner to use his facilities all year while more people could enjoy fall and winter sports or spring fishing.

The council supports Senator Don Vanderwerp's proposed law which would change all except religious holidays to Monday so

that the public would have more play time every year.

More immediate concern is the matter of estimating tourist increase resulting from the proposed Mackinaw bridge. Mr. Furlong

believes the bridge will be a terrific boom to travel. "It will be an attraction in itself as an engineering sight," he predicts. "Its convenience will permit the passage of many, many more people across the straits than were willing to wait for the ferries."

A "Know Your Michigan" week is already under consideration by several state agencies and when it comes into existence about a year from now, you can be sure that the Michigan Tourist Council had a hand in its creation.

Southeastern Michigan Tourist and Publicity Association.

Michigan's tourist trade did not develop by accident. It is the result of favorable treatment by Mother Nature and the hard work of many people. Among these are the members and the staff of the Michigan Tourist Council.
