TWELVE PAGES THIS ISSUE

Northville, Michigan, Thursday, August 6, 1953

\$2.50 Per Year in Advance

for the Record

by G. H. C.

Rotary President Phil Ogilvie dashed into our office between rain drops Tuesday noon to ask for assistance in locating Rotary's new American flag. Seems the club paid \$54 for the new flag this spring; then loaned it for the Fourth of July parade and whoever borrowed it has neglected or forgotten to return it. Ogilvie describes the flag as having 48 white stars in a blue background in the upper left corner and thirteen red and white horizontal stripes. He thinks there also may have been some fringe on the end, but is not certain on this point. Anyone knowing its whereabouts should communicate with him. Phone 500.

Speaking of Rotary, Con Langfield had such good luck salmon fishing in British Columbia recently he is planning a salmon dinner for the club's meeting next Tuesday. As if this were not enough, he told his fellow members of the Village Commission, who long have been protesting the uncomfortable shape of the chairs they use when the Commission meets, that he is going to buy and donate new (and comfortable) chairs to the Village for this express purpose. And a new table to sit around when the Commission meets.

Lew Dibble, a friend over Birmingham way who makes a few good puns and more bad ones, probably would remark that Con will be helping our local politicians feather their nests. Speaking for ourselves, we're going to grab off the best chair the Commission discards, locate a nice soft pillow and do likewise to the best of our ability. Thereafter we shall at least be able to cover future Commission meetings in comfort.

Any apparent connection between our mention last week of the time lag in putting up 2-hour parking signs in the municipal parking lots and their erection the same day the paper appeared was purely coincidental. Their erection started before the paper came out. It is gratifying to see the vacancies in the lots now that all-day parking is no longer permitted.

If the Commission now were to devise a means of financing better parking and alleys for the area in the rear of stores on the north side of Main St. between Center and Hutton, the local situation would be still further improved.

Any Northville resident with either a practical or an academic interest in cemeteries will be well repaid by a visit to the local Rural Hill Cemetery. In contrast to its run-down condition when the Village took it over from private ownership a few years ago, it is now a well-kept and beautiful spot that is a credit to Northville. Its condition reflects the many hours which Superintendent A. Malcolm Allen has given to its rehabilitation without cost to the Village. Next week, "Mike" plans to start straightening up the stones in the old cemetery on Cady street at a price that amounts to a sizable gift in time and services to Northville.

We are planning a feature story about the operation of Rural Hill Cemetery for the Aug. 13 issue.

Storm Sewer Bids Are Lower Than Last Time

Bids ranging from a low of \$18,232 to a high of \$31,879 were received by the Village Commission this week for construction of storm sewers on Rogers, Dubuar, Linden and Randolph streets.

It was the second time this year the Village has received bids for the storm sewer job. The first occasion was June 15, when bids ranging from \$24,069 to \$33,735 were rejected as "too high" upon the recommendation of George Jerome & Co., Detroit, consulting engineers on retainer by the Village.

The bids submitted this week were from seven contractors. They are to be checked in detail by the Jerome Company, along with the experience and responsibility of the various bidders. After this check is completed the Jerome Company will make a recommendation to the Village Commission at a special meeting Friday, Aug. 7 concerning the best bid for the Village to accept.

Should the low bid of \$18,232 check out correctly and be accepted, it will represent a saving of \$5,837 over the low bid of six weeks ago. It also is about \$3,000 less than the sum provided in the Village's 1953 budget for the work.

The low bidder this week was the Cairo Construction Co., followed by D'Angela and Pollicelli with a bid of \$18,912 and Dewey Burrell with a bid of \$22,007. High bidder was the United Construction Co., Inc., at \$31,879.

Amvets Auxiliary Names Delegates

New delegates to the Amvets Auxiliary Regional meeting, Aug. 10 in Pontiac, will be Doris Callan, Dorothy MacDermid and Loretta Bell. Alternates are June Ray, Audrey Ortwine and Jeanne Clarke.

The Auxiliary is now planning a style show and card party to be held Aug. 28 at the Novi Community building.

Call Meeting to Accept Sewer Bid

The Northville Village Commission will hold a special meeting at 8 p.m. Friday, Aug. 7, to decide on the successful bidder for the storm sewer job in the northwest part of the Village, and to discuss blacktopping at the Main St. end of the municipal parking lot adjacent to the First Presbyterian church.

Rotary to Have Rummage Sale

A rummage sale which will benefit countless handicapped children, and provide education and medical help for others will be held by the Northville Rotary Club Sept. 11 and 12 at Northville Downs under the grandstand.

Between now and then, Rotarians will conduct a widespread search for contributions of articles for the sale among residents of the village and township.

\$800 Last Year

Last year's rummage sale, the first for the club, netted about \$800, which went into a benefit fund and eventually toward such projects as the Easter Seal campaign, the Farmington Crippled Children's Home, the Christmas program, the Scholarship fund and the Exchange Student program.

Rotarians will be happy to pick up any used or new articles of furniture, kitchen utensils, clothing, books, old shoes, or money, which residents wish to contribute. Cy Frid, general chairman for the sale, said that any Rotarian may be contacted for pickup, and that pickups will occur chiefly on Saturdays until Sept. 11.

Among last year's most popular items in the sale were small kitchen articles, old shoes and books. Old newspapers, Rotarians said, are not desirable for sale items.

Last year's items ran the gamut from ice picks, in the small article department, to stoves, refrigerators, water softeners and sofas.

Recreation Group Visits Willow Run, Inspects Planes

Thirty-five boys and girls visited Willow Run, Tuesday, on a tour sponsored by the Northville Recreation department and conducted by Ken Dario, (extreme left, above) manager of the Detroit branch of Northwest Airlines. The group went through one of Northwest's planes while Mr. Dario explained flight conditions, then visited repair shops and hangars. What impressed one girl was that everything in the repair shop was exactly where it should be, so that machinery and tools may be used without loss of time. "That's the way mommy has her kitchen," she commented. Wilson Funk is at extreme right.

Weber Machine Plans Expansion In Novi Twp.

The Novi Township Zoning Board has scheduled a public hearing at 8 p.m. Aug. 12 at the Novi Township Hall on a proposed amendment to reclassify certain township areas for use by light industry.

One such area, at the corner of Grand River and Taft road, will make possible the expansion of the Weber Machine Tool Co. into Northville Township, and provide additional land area for utilization by other light industry as the need arises, according to Novi Township officials. The land up for rezoning lies on both sides of Grand River on the east side of Taft Road.

Other parcels to be considered for light industry include the site of the new General Filters, Inc., plant on the north side of Grand River just west of the railroad and a parcel on the east side of Novi Road just south of the Township Hall.

On the edge of Northville, the Zoning Board will consider zoning the land occupied by the Northville Milling & Lumber Co. and Warren Products Co. for light industry.

Should the Weber Machine Tool Co. expand into Novi Township, it will be because the firm has sought unsuccessfully for two years for another plant location in Northville.

Ogilvie Instructed to Expedite Repair of Street Holes

Village Attorney Philip R. Ogilvie was instructed Monday night by the village commission to find out why Consumers Power Co. has not completed repair of holes in Northville streets made when the company laid and repaired gas lines during the past two years.

Ogilvie was told to tell Consumers Power that the company must repair the sunken patches to the satisfaction of the village, or the village will repair them and bill the company.

Gunnison House Gets Formal Village Commission Approval

The Village Commission this week formally approved the action of Building Inspector Stanley Waterloo in issuing a permit for construction of a Gunnison prefabricated house on Rayson street.

The vote to uphold Waterloo followed a ruling by Village Attorney Philip R. Ogilvie that the building inspector has discretionary power to permit deviations in construction to include new materials and methods.

Mr. Sid Frid, who had contended that the Gunnison house used certain sizes of lumber which private contractors are not permitted to use, contended that approval of the Gunnison house gave the large manufacturer an unfair advantage over conventional builders.

Commission members pointed out, however, that Waterloo has assured them that private construction that meets the necessary strength tests will be permitted in the same manner that prefabricated construction methods have been approved.

During the discussion centering around the Gunnison house it became apparent that every member of the Commission has been keenly interested in studying its construction principles and the materials that have been used, and that individual members have inspected the house in person so they might vote intelligently on its approval.

All members voiced their belief that new construction methods and materials are of sufficient importance to warrant thorough study of Northville's building code with a view of bringing it abreast of progress.

Mr. William Nelis, technical representative of the Gunnison firm, appeared at the Commission meeting with Harry G. Duerson, the company's local representative, to answer questions which the Commission might ask. He pointed out that the prefabricated house qualifies for mortgage approval of the Federal Housing Administration and that it has been approved for construction in many cities in Michigan and throughout the United States. Among the Michigan cities where it is approved are Detroit, Grand Rapids, Saginaw, Bay City, Lansing, Battle Creek, Kalamazoo, Coldwater and Bronson, he said.

Under questioning by Mr. Frid he admitted that it is not approved for construction in some cities, where it has been successfully opposed by local builders.

The following are typical comments of various Commission members:

ELY: "I feel that the action of our building inspector is conservative and in line with progress of the times. If the big cities will allow them then this community should follow suit. The prefabricated house is here to stay."

Ely then moved that the Commission approve the action taken by Waterloo in issuing the Gunnison building permit. Seconded by Commissioner A. Malcolm Allen, the motion carried unanimously.

ALLEN: "As long as the Gunnison house is approved for mortgage loans by the F.H.A. we should accept the fact that they make a thorough investigation to be sure the house will hold up."

PETERS: "Its laminated construction looks fairly rigid to me. As Mr. Allen says, we're considering a new type of building that people want. If the cities approve it, I see no reason why we should refuse."

STUBENVOLL: "In view of the new methods of construction which are being used throughout the country these days, I believe we should review Northville's present building code to incorporate such methods. Detroit is now revising its building code to include proven building features. The new Detroit code is to be published this fall. We should get it and include in our specifications the features which are applicable to our situation."

"I see no reason why the Gunnison home should not be built in Northville."

At a later point in the Commission's meeting, Walter Anicka, Ann Arbor architect who has drawn the Village's Community Building plans, told the Commission that he believed it had acted properly in approving the Gunnison home.

Edison No Longer Phone Agency

The Detroit Edison Co. office at Dunlap and Center streets is no longer an agency for accepting payment of Michigan Bell Telephone bills.

Bills may be paid at the C. Har- old Bloom Insurance office

Name L. D. Crusoe to Committee for Hospital Drive

Lewis D. Crusoe, 44000 West Nine Mile road, has been named Northville's representative on the executive committee of the St. Mary Hospital building fund campaign, it was announced Tuesday by Sterling Eaton, Plymouth Mail publisher and campaign general chairman.

Mr. Crusoe is one of five associate general chairmen appointed to head the campaign which will raise funds for the construction of a 120-bed general hospital in Livonia. The hospital will serve people in Farmington, Livonia, Northville, Plymouth and Redford.

Is Ford Executive

The Northville chairman is vice-president and a director of the Ford Motor Co. and general manager of the Ford Division. He is a member of and former national vice-president of the National Association of Cost Accountants, and a member of the Detroit Athletic Club, the Recess Club, the Detroit Golf Club and the Bloomfield Open Hunt.

Other associate chairmen are: James Tagg, co-publisher of the Farmington Enterprise; W. W. Edgar of Livonia, formerly sports editor of the Detroit Free Press for 25 years; James T. Gallimore of Plymouth, president of the Plymouth school board, and Ross E. Northrop, Jr., of Redford, a partner in the R. B. Northrop & Son Funeral Home there.

New Water Main on DuBuar Street

Laying of a four-inch water main west from Rogers St. to the Cy Frid property as a replacement for the present two-inch pipe which needs replacement, was authorized this week by the Village Commission.

Although present needs do not justify the larger pipe, according to Commissioner Claude N. Ely, it will make available the water that would be necessary if and when the Cousins property is opened for development.

Anything smaller than a four-inch pipe would have to be replaced, at greater cost to the Village, when this property is placed on the market, he said.

Community Bldg. Plans Okay; Ask for Construction Bids

Northville's much-discussed Community Building moved a step closer to realization this week with acceptance of the architect's plans by the Village Commission and instructions to advertise for construction bids to be opened September 8.

The structure is to cost approximately \$200,000 and will be located on West Main street between the Village Hall and the Northville High School. It will contain a gymnasium 58 feet wide and 96 feet long, a meeting room 34 feet wide by 67 feet long, a glassed-in lounge 85 feet long and

14 feet, eight inches wide

Rouge Pollution Is Charged to Northville Downs

Pollution of the Middle Rouge River by drainage from the stables at Northville Downs was charged by Health Commissioner Dr. V. George Chabut at the Village Commission meeting Monday evening. The matter is to be called to the attention of the Wayne County Health Department, Dr. Chabut told the Commission.

Chabut's charge of pollution arose from following up a complaint to him by Mrs. J. G. Alexander, of 358 Beal St., that manure from the Northville Downs stables is being piled up against her line fence and that seepage after rain storms flows over the fence on her parking lot. Chabut and members of the Village Commission expressed themselves individually as feeling that this situation affects only private property owners and is not a matter of public concern. Chabut pointed out, however, that the Rouge River pollution arises from a drain which Northville Downs constructed some time ago across the Alexander property with permission of the owner.

Drainage from the stables goes into the river and flows down through the park where thousands of persons picnic during the summer, he said.

Arrangements to Be Made

Definite arrangements for operation of the Community Building after it has been built, including who will handle the scheduling of community events that will be held there, have not been decided yet. Discussions up to now have centered around a lease arrangement with the Northville schools which in effect would give control over such matters to the school system with the latter providing maintenance, heat and janitor service.

The building, under such an arrangement, would provide the schools with gymnasium space that is badly needed and might make it possible for the high school to convert part of its present gymnasium to classroom space if school authorities feel this is desirable. Conversion of such space had been a feature of previous community building plans.

\$180,000 Is Available

The Village has on hand to construct the Community Building approximately \$180,000, representing an accumulation of several years' receipts from Northville Downs as compensation for police, water and special services rendered by the Village during the racing season. Another approximately \$20,000 from the current year's racing was to have been added to the Community Building fund this year, but the Village Commission voted at its meeting July 20 to temporarily divert this sum to construction of the 7 Mile Road cut-off. It is to be repaid to the Community Building fund out of next year's race receipts. If it is needed sooner to complete the Community Building, the Village Commission plans to borrow temporarily from the local bank.

Several Years' Study

Carrying the Community Building project to its present state has been a matter that has taken several years of study and debate. The present structure lacks some (Continued on Page 10)

Northville, Auto Club in Crucial Playoff Game

The Northville and Auto Club baseball teams will face each other Sunday at Cass Benton Park, in one of the most crucial games of Inter-County League play-offs. The game will start at 1 p.m.

Auto Club swamped Teamsters last Sunday, 17 to 2, to post its 14th consecutive victory this year. Northville nipped River Rouge two weeks ago in its only play-off game to date, 6 to 5.

Northville manager Steve Follino said he will send George Tracey to the mound in the important game. Auto Club will pitch either Don Chappie or Tom Kritch.

Farris was eliminated from the lose-two-and-out tournament Sunday by River Rouge. Wayne trimmed Plymouth 3 to 2. The Grandale-Food Fair match was rained out.

Contractors Begin Retaining Walls

Contractors moved equipment in this week and began work on the concrete retaining walls in the alley and parking space south of East Main Street and preparations were made for laying a hard top asphalt surface.

Work also began on the curb and gutter installations on Novi Ave., and Rouge and Oakland streets.

Contractor for the alley work is the Detroit Concrete Products Co., whose bid of \$13,407 for retaining wall, pavement and a storm water inlet, was accepted by the Village Commission. Trenches have already been dug for the sewers and pouring of concrete for the walls began Tuesday.

The curb and gutter construction will be done on Novi Ave., from Lake to Baseline, on Rouge from Novi to Oakland, and on Oakland from Rouge to Baseline. Contractor for the work is the Tony Angelo Cement Construction Co., of Hazel Park, whose bid was \$7,554.

Recreation Events to End Aug. 14

The Recreation Department's summer program will end Friday, Aug. 14, after a week crowded with activities for all age groups, according to Wilson Funk, director.

Heading Monday's program will be a checker tournament to begin at 9 a.m., with a zell-ball tournament at the school playground in the afternoon at one o'clock.

A bike hike and picnic are planned for Tuesday, to leave the playground at 11 a.m. Hikers should bring a lunch for the outing which will end at 3 p.m. There will be a teen-age swim at Whitmore Lake Tuesday evening, with a dance following. The bus will leave at 6:30 p.m.

A special trip to Camp Dearborn has been planned for Wednesday at 1 p.m. The last picnic and swim of the year will be Thursday, said Mr. Funk. The bus will leave the playground at 10:30 a.m. and return to Northville at 3 p.m. Swimmers should bring lunch, bathing suits and fifteen cents. Another teen-age swim at Whitmore Lake will be at 6:30 p.m.

There will be a bike hike for teen-agers Friday, the last day, at 9 a.m. The Recreation building will be open at 2 p.m. for ping pong practice in preparation for the coming tournament.

Rolling Down The River

by the PETZ BROS.

Fellow we know who drops around this automobile sales mart of ours and occasionally purchases a bright new Studebaker, came in yesterday to have a bit of lubrication and oil change in the '52 model he is driving at the moment. "Wouldn't have made it today," he said, "as I was mowing the lawn. About half done, too, and the last half looked bigger than the whole lawn did when I started. So up come two youngsters and offer to hire out as official lawn mowers. "What," I tell them, "I'm half through."

"Mr.," said the eldest mopey, "you'd be surprised at the jobs we pick up from guys that are half through."

Many a time we've wished someone would come along and rescue us from the same job, because while we don't mind mowing the lawn (not much), it is more fun to be around when you come in to see if the Studebaker is everything we've maintained it to be. And it is! For sheer beauty; for rugged power; for riding comfort; and ease of handling, there's nothing to match this extra fine car on the road today. And when you discover how truly economical it is to operate, you'll wonder how come you didn't own one sooner. Come in for a demonstration today.

We've heard rumors, every now and then, that food prices were going to drop, but from all evidence available such rumors are simply a base canard. As one tourist we talked to recently complained, "In this country you read everything from left to right, except a menu!"

Well, we have to report that our shop is still staggering along at the same old prices, and we sometimes wonder how we'll ever make the fee of a beefsteak if we're going to practically give things away. You should be happy, though, and hurry right in for that lubrication, oil change and motor tune-up your car is asking for so urgently.

That's that, but for the benefit of those who mourn their lost youth, growing old isn't so bad... when you consider the alternative.

Yours,

BILL & WILL PETZ

ELECTRICAL STORM HITS SALEM

Many families of Salem were without electricity most of Saturday night during and following the violent electrical storm which thundered its way into our community about 9:30 p.m. Some Salem residents claim it was the worst storm of its type they had ever seen, and many of them were reminded of tornado hazards by the wind and hail stones almost an inch in diameter which accompanied the thunderstorm.

WITH OUR VACATIONERS

Mr. and Mrs. Robert Wilson and family had fun over last weekend on a camping trip in Ludington State Park in Northern Michigan on the shore of Lake Michigan. Leaving Salem at noon on Friday, Mr. and Mrs. Raymond Walby and family, of Brighton, also camped out with the Wilsons. Mrs. Maltby and Mrs. Wilson are sisters. They all enjoyed the hiking trails and the white beach sand, and said they saw several deer while on their weekend stay. They traveled through Manistee State Forest on their way to the Park. Donald Proctor, son of Mr. and Mrs. Kenneth Proctor, returned home last week from a month's tour of Europe as part of the 4-H Judging team which won national honors. Donald took several colored movies of the trip and people around Salem hope he will show them here.

During their two week's stay in Northern Michigan the Knowles Buers family saw and did many things of interest, including a 3-day trip in the Upper Peninsula. Mrs. Buers' parents, Mr. and Mrs. Glen Northrup, of Johannesburg, accompanied them. The Buers returned to Salem on Saturday.

Rev. Lucia M. Stroh is visiting the Gordon Swartz family in Chicago, for a few days.

Friends in Salem are glad to hear that Rev. and Mrs. Douglas R. Couch are enjoying their trip to California where they are visiting relatives.

SOCIAL LIFE

Mrs. Kenneth Proctor and son, Donald, visited at the home of Mr. and Mrs. George Bennett on Wednesday of last week. Donald showed some of the souvenirs he collected while in Europe on the 4-H judging tour.

Mr. and Mrs. Edward Bauman, of Plymouth, were Saturday evening callers at the Bennett home.

Mr. and Mrs. Wallace Bussey and three children, of Detroit, visited Saturday evening at the home of their aunt and uncle, Mr. and Mrs. Arthur Wheeler. Later in the evening Mr. and Mrs. Geo. Tanner and family, of Salem, called at the Wheeler home.

COURAGEOUS POLIO VICTIM in MODEL PLANE CONTEST

IN 1950 RONALD MAZE, 11, OF WINSTON-SALEM WAS STRUCK DOWN AND CRUELLY CRIPPLED BY POLIO. UNDAUNTED AND ENCOURAGED BY DOCTORS, HE PURSUED HIS HOBBY OF BUILDING MODEL PLANES; ACTUALLY ENTERED LOCAL MEETS.

RONALD HAS WON NUMEROUS LOCAL WINSTON-SALEM TROPHIES AND HOPES THIS YEAR TO QUALIFY FOR PLYMOUTH MOTOR CORPORATION'S 7TH INTERNATIONAL MODEL PLANE CONTEST AT DETROIT, AUGUST 19-24.

MOSTLY CONFINED TO A WHEELCHAIR, RONALD IS LEARNING TO SWIM. FOR ENJOYMENT IN THE WATER HE INSTALLED A TINY MODEL PLANE MOTOR INTO A HYDROPLANE BOAT. RONALD KEEPS BUSY, MENTALLY AND PHYSICALLY, TO OVERCOME POLIO.

NEWS FROM NOVI

Mrs. Luther Rix — Phone Northville 245-J

The Novi Chapter of the Blue Star Mothers will meet with Mrs. Gertie Lee at Walled Lake on Monday, Aug. 10, for their annual picnic scheduled for the afternoon at 1:00 o'clock.

Mr. and Mrs. Glen Shirliff accompanied their daughter and her husband, Mr. and Mrs. Albert Melchert on a week-end trip to Houghton Lake, Gaylord, Johannesburg and other places in Northern Michigan.

Bruce Wendland, son of Mr. and Mrs. Rudolph Wendland, came home from service last week. Bruce had served for 18 months in Korea. Sunday evening about 30 friends and relatives gave him a welcome home party at the Wendland home.

Mrs. Ethel Smith and her sister, Mrs. Rachel Clumber of Lansing, left Novi Monday evening for a two weeks' vacation at Ionia and Kalamazoo.

Mrs. R. E. Ward is entertaining her brother, Arthur Lackey, from Arkansas, also her niece, Mrs. Clarence Stone and children, are visiting the R. E. Wards and Mr. and Mrs. J. W. Candler, of Wixom, and other relatives in Novi.

Jimmy Mitchell, who has been in Mt. Carmel hospital and later in Atchison Memorial hospital in Northville, following injuries sustained in an automobile accident July 24, returned to his home on Whipple St. last Tuesday. His friends will be interested to know he is getting along nicely.

Mr. and Mrs. Emory Chapman, of Mt. Clemens, were the weekend house guests of Mr. and Mrs. Luther Rix at their Pretty Lake cottage at Mecosta.

Mrs. Walter Betzing, of Mt. Healthy, Ohio, and her son, Robert Betzing and his fiancée, Mrs. Pauline Hunback, of Hamilton, Ohio, came up last Friday to visit Mrs. Betzing's sister, Mrs. John

Klasner of Novi Rd. Robert and Pauline left for their homes in Ohio on Monday, but Mrs. Betzing will spend some time with her sister.

Three people were killed and one critically injured in a head-on collision near the Bob-O-Link Golf Club, West Grand River, Saturday afternoon.

Mr. and Mrs. Rex La Plante and daughter, Carol, took the latter's father, Elmo Richards, of Detroit, with them to visit their cousins at Detroit East Side.

Rev. and Mrs. Charles G. Morse and having a week of vacation at Green Lake, Wisc.

Mr. and Mrs. Rex La Plante and daughter, Carol, recently attended the graduation of their nephew, Kenneth Richards in the Rckham Memorial auditorium, Detroit.

The Sunshine Club postponed their August meeting until the second Wednesday in September. The meeting will be held at the home of Mrs. Dan Linder.

Sunday morning services at the Novi Baptist church were conducted by Mrs. Rex La Plante. Mrs. Oral Holmes McRobbie gave a talk on the recent house party at Hillsdale.

The Lutheran Ladies Aid meeting will be held Thursday, Aug. 13 at the parish hall at 1:30. Co-hostesses will be Mrs. George Schuchard and Mrs. Fred Sterner, St.

August is a good time to seed marshy lowlands to reed canary grass, reminds Carter Harrison, Michigan State College forage specialist. It's also a good time to seed bromegrass-alsike clover mixtures in lowlands that can be cultivated.

Northville Gets \$2,939 from State Highway Fund

Northville's share of the Motor Vehicle Highway Fund for the second quarter of 1953 is \$2,939, according to the Michigan State Highway Department.

Net receipts of the fund amounted to \$26,682,633, which is distributed to the highway department, counties, cities and incorporated villages of the state. The 1953 total is higher than the second quarter of 1952, which amounted to \$23,841,478.

The highway fund is made up of all of the state gasoline and weight taxes, the diesel fuel tax and a small amount of miscellaneous fees. After deductions for non-highway uses and collection costs, the rest of the money is divided as follows: 44 per cent to the state highway department for expenditure on state trunkline highways in both rural and urban areas; 37 per cent to the counties for expenditure on county roads, and 19 per cent to the cities and incorporated villages for their roads and streets.

Wayne county receives \$2,237,622 from the fund for the second quarter, and Oakland county gets \$514,254. Plymouth gets \$6,938.

Livonia Finishes Angling Road Bridge

A new arch-type bridge which spans a branch of Rouge River at Angling Road, has been completed by the Department of Public Works and is now open to traffic. The bridge, located just north of Seven Mile road on Angling, replaces a faulty one-lane bridge which previously created a traffic hazard.

Just under 100 feet long and spanning 24 feet from bank to bank, the bridge is constructed of corrugated steel which arches across the Rouge branch.

The road surface continues across the full length of the bridge, concealing it completely.

During construction of the new bridge, the Rouge channel was straightened to permit a better flow of water.

Previously, water had been "backing up" at the point where the bridge crosses the channel.

Grading operations continued throughout the week at the site at D.P.W. crews worked to raise the road surface to the level of the bridge.

The construction project began in June.

Redlegged grasshoppers prefer orchards that are sod-mulched, according to reports to Ray Hutson, head of the Michigan State College entomology department. He advises spraying orchards with parathion for the hoppers.

2 Local Clubs In 4-H Fair

Two local 4-H clubs, with combined membership of 50 boys and girls, will participate in the Oakland County 4-H Fair to be held Aug. 11 through 15 in Pontiac at the fairgrounds.

The Northville Lucky Leaf club is made up of 20 boys and the Novi "Country Slicks" has 30 active girls.

Representing the Novi club will be its queen, Donna Frisbie, chosen as much for activity in the club as for beauty. Northville members of the Novi club are Nancy Williams and Cookie Willis.

Projects taken by the "Country Slicks" are baby sitting, calves, clothing, flowers, food, food preservation, home improvement, horses, junior leadership, photography, poultry, rabbits, first aid and 4-H Club Girl.

Leaders of the Novi club are Mrs. Sally Wimmer, Mrs. Sharpe and Mrs. Kolk.

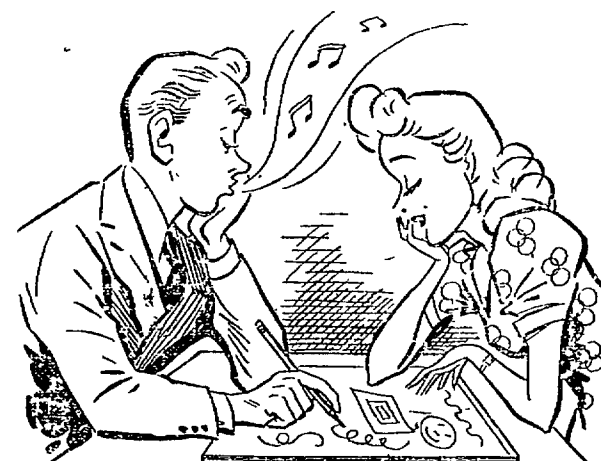

James Reid, president of the

Oakland County fair, is leader of the Lucky Leaf club here. The Department of Agriculture of Michigan sponsors the fair.

Events will include a parade of clubs at 7:30 Wednesday evening, Aug. 12, and an all-day horse show Saturday. The fair will officially open Tuesday, Aug. 11, at 7:00 p.m. Meals will be served on the ground.

Edison Home Service Advisor, left, shows Mrs. Desmond Walters the latest technique in wrapping foods for freezing. The Walters' 20-cubic-foot freezer is always well-stocked with good things to eat.

with an ELECTRIC farm freezer

Mr. and Mrs. Desmond Walters farm about 90 acres in St. Clair County. They are general farmers with a milking herd of 12 cows. They also keep 200 to 500 laying hens, and raise 500 broilers a year.

The Walters keep their farm freezer packed with meats, fruits and vegetables, either home-grown or purchased. Mrs. Walters says she doesn't know how they would get along without it. She finds freezing easier than canning, and loves the convenience of always having tasty food at her finger tips.

You, too, can enjoy better meals and extra convenience the year round with a farm freezer. For full information see your Edison Home Service Advisor.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

DETROIT EDISON

TOURIST TIPS

The Michigan Tourist Council publishes a number of little known booklets of tremendous value to tourists, campers, hunters and fishermen. Unless you specifically ask them for information about a subject covered by one of these booklets you'll probably never hear of it.

As an example, if you were at all interested in canoeing some of our streams or rivers and the Tourist Council heard about it you might be the lucky recipient of a book called "Canoe Trails in Michigan." There is no charge for it, and it is packed with detailed information adequate enough to make it a complete guide book on the subject.

Includes Map

A map about a yard square, with the rivers printed in contrasting blue, is included—and there are 44 different "canoe trails" fully described. The material is presented for the novice and the expert, and is painstakingly authentic. It begins with a description of different types of canoes, the purpose to which each type is best suited. Then comes an itemized list of articles you should take along on the trip. Pointers for the novice that might save your life are clearly preferred.

Trips for All

Let's assume you've had some ex-

perience in a canoe in fast water and feel fairly capable in this type of craft. You might like the Presque Isle River in the Upper Peninsula's Gogebic county. "Canoe Trails in Michigan" describes it as follows: "This is a river ONLY for experts. It is a wild river . . . a fast river. . . one that flows thru rugged country . . . but it is a magnificent river! There is no livery service. You take your own. You can put in just east of Marquette on U.S. 2. The trip is about 100 miles and will take from 5 to 7 days." Other details follow relative to fishing, camping, portages etc.

On the easier side how about the White River in Oceana and Muskegon counties? This is a 60 mile run you should make in 2 days. Ed Henning at Newago will outfit you with the canoe, and supplies if you wish. The best place to put in is just south of Hesperia, and the whole trip is thru practically uninhabited country. You'll feel just like an Indian!

Camping places are easy to find along the bank, and you'll be sorry when the trip ends at White Lake on U.S. 31.

These are only samples. "Canoe Trails in Michigan" lists 44 such trips, each on a different Michigan river. If you like to canoe get this book. It's a worthy guide to an important part of Michigan Outdoors!

Mort Neff's "Michigan Outdoors" television show can be seen every Thursday over WWJ-TV, Channel 4, in a thrilling full half-hour show—10:00 till 10:30 p.m. DON'T MISS IT!

Problems of Rural Schools Discussed by MSC Forum

Major problems faced by rural school districts in Michigan were discussed by the annual forum on state and local government at Michigan State College.

Under discussion were the problems of finances, "equalizing" rural school programs and opportunities in comparison with those of urban schools, and the annexation issue.

Best and Worst

Michigan has "some of the best" education programs and some of the poorest," according to Frank

Killian, of the department of psychology and education at Central Michigan College of Education. "Financial needs are only a part of the picture," he said.

Killian described as a major problem the "equalizing" of rural and city education programs, calling rural children "handicapped" in matching the quality of work done in urban schools.

The tangle of opinion about annexation and consolidation of schools obscures the answer to the problem, according to a MSC department head, who said that rural people want to hold on to their schools, claiming it would hurt their communities in many ways if their schools were closed.

Boards Without Duties

There are 928 school districts, with 2,984 school board members who have no duties to perform because the districts they represent are not in operation. These members are receiving a total of approximately \$75,000 a year.

People in rural areas are reluctant to lose operation of a school "because they feel they would lose control of a local unit of government," according to R. O. Land Strolle, chief of school facilities in the state department of public instruction.

C. E. MacDonald, superintendent of East Lansing schools, said he favors "the bringing up of assessments to meet the demands" of schools. "Some districts are already up to their mill limit because of low assessed valuations," he said.

A warning was issued against schools becoming too large. "When the student and teachers lose the 'family' feeling and no longer have a feeling of unity, the school has become too large," Strolle said.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO:

Northville Township electors smashed all voting records in the primary election Aug. 5, by casting 1,397 ballots.

Summer cooperative church services in Northville were scheduled to begin Aug. 10 in the First Methodist church.

La Vern Anderson won a new Ford Crestline Victoria in a drawing at a "Get Together" celebration held for wholesale customers by the Ford Dealers of Metropolitan Detroit. Mr. Anderson sells Ford parts through his Mobilgas service station.

The 60-member Northville High School and Community Band, under the direction of Leslie G. Lee, were invited to play a half-hour concert in the Music Shell on Sept. 1 at the Michigan State Fair.

The \$5,000 Governor G. Mennen Williams Feature trot, Aug. 8, climaxed the last week of harness racing at Northville Downs.

Rev. and Mrs. Ivan Hodgson attended the five-day World Institute of Missions in Lake Forest, Ill.

Nancy Kaye and Susan Rae were the names given to the twin girls born to Mr. and Mrs. Ralph Bogart of Randolph St., on July 25.

PFC Phyllis Kreeger, of Northville, left July 22 for Pusan, Korea, where she was to be stationed with a headquarters company for two years.

After representing the Presbyterian Church U.S.A. at the Mission Church Conference of the Presbyterian Church in Jamaica, B.W.I., the Rev. Dr. and Mrs. Harold F. Fredsall returned to Northville.

John Rackov, winner of a Regents Alumni scholarship in 1951, was to return to the University of Michigan for his second year on renewal of the scholarship for two semesters by the Regents Alumni Board.

Robert Dayton, Jerry Freydl and Donald Maclean enlisted in the United States Navy.

FIVE YEARS AGO:

Clayton J. Gasper, former Fenton salesman, purchased the Gamble Hardware store on Main street from Richard Bartholomew.

Eural F. Clark was appointed to the Northville School Board fulfilling the vacancy created by the death of William H. Cansfield, board president.

Preston Fuller, George Stalker, Carl Ely, Charles Murphy, Tom Carrington, Ernest J. Willis, Forrest Doren and Harry Wagenschutz were appointed as a plan-

ning commission for the Village of Northville, by President Conrad E. Langfield.

TEN YEARS AGO:

Nearly \$1,000 in prizes was offered for Victory Gardens at the Northville Wayne County Fair.

Hugh Dye entered service in the navy and Kenneth Martin, Roy Warner and Henry Lester left for the army.

TWENTY YEARS AGO:

The long period of draught was finally broken by heavy rains, the first since July 2, with excessive dryness beginning before Memorial Day. Local farmers reported severe crop losses.

Fred C. Schrader announced that he would display his two buffalos at the Northville Wayne County Fair, Aug. 23-26. Imported from the plains of Colorado, the buffalos were being raised on Mr. Schrader's farm west of Plymouth.

Cash payments to Wayne County farmers of \$17,468 were to be made by the U. S. Department of Agriculture before the next wheat harvest if all farmers of the county cooperated with the government plan of stabilizing the wheat industry.

Four men employed by the Marx factory located in the rear of the Ford Sales and Service building on Main street, began production on the manufacture of pump impellers which were to number 1,000 daily.

Among the visitors to Northville's Free Street Dance was P. H. Grennan, head of Farm Crest, who complimented businessmen here on their sagacity in promoting the entertainment.

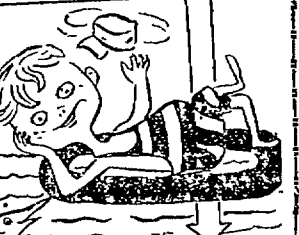

Affirmative editorials were being written on the advisability of the Village of Northville building a public swimming pool with plans for use as a skating rink during the winter months.

Veterans' Term Insurance to Get Automatic Renewal

Four million veterans with GI term insurance in force will no longer have to apply to Veterans Administration for renewal of their policies for another five-year term before their old policies expire.

VA said it will do this for them automatically if their old policies are not lapsed at the expiration of the term period. This means, said VA, that the policy must be in force, with premiums paid, at the end of the term period for renewal to be automatic.

In Effect July 23

The new procedure went into effect July 23 when President Eisenhower signed Public Law 148, which will save, it is thought, at least \$600,000 a year in administrative costs. The new law covers only those term policies that expire on or after July 23, 1953. The VA said it cannot be applied retroactively to term policies which expired before that date.

Approximately 270,000 World War I and World War II term policies are expected to be renewed

automatically under the new law during 1954.

Once the automatic renewal is made, the veteran has a new five-year term policy on which he must pay the increased premiums if he wishes to be covered. If he misses payments, he may reinstate the policy at any time before the end of the term period.

Is taxpayers' money wasted? Of course, it shouldn't be. And it's the job of the Auditor General to see that it isn't. The department he administers makes certain that all money is used as the Legislature intended and approves each of the 200,000 checks written each month. This means handling \$650,000,000 in state expenditures this year.

Present Auditor General is John B. Martin, Jr., a tall, quiet, handsome man, with wavy hair.

prematurely gray. Because he deals every day with Michigan's bank account, he is in a good position to discuss state financial matters.

Little danger exists of a deficit in this year's state budget," states Mr. Martin. "In fact," the Auditor General continued, "if sales tax returns maintain their present level and we collect what we expect from the new business receipts tax, we can probably reduce the deficit—perhaps by as much as \$10,000,000." Best estimates of revenue to come from the business receipts tax, according to Mr. Martin, amount to \$36,000,000 per year.

When smoke of suspicion rises in state finance, the Auditor General is called in to see if there's actually a fire. If things are not an order, it's his job to find the cause and recommend a way to prevent a recurrence.

This is exactly what happened several months ago when it was suspected that a school district in Michigan had been overpaid in state aid money because of false enrollment figures supplied to the state department of public instruction. An investigation carried out by the Auditor General, working with state school authorities showed that Michigan taxpayers had been defrauded out of

some \$359,000 over a 10-year period. In addition, about \$28,000 could not be properly accounted for.

This school scandal, and a few others involving much less money, led to a new law requiring annual audits of all school districts. The legislation was recommended by the Auditor General and the state Superintendent of Public Instruction. It was passed in the last Legislative session.

School districts receiving more than \$100,000 from the state each year must have a Certified Public Accountant handle the audit; districts receiving less are not required to employ a CPA but must have an audit.

"This will supply protection for everyone," explains Mr. Martin. "Local school boards and superintendents will be free from suspicion and the taxpayer public won't be overcharged."

Main responsibilities of the Auditor General's office amount to a sizeable task. Briefly the staff must perform these duties: 1. Audit records of all state agencies; 2. audit books of all counties (except Wayne which maintains its own Auditing Board); 3. Handle the collection of delinquent taxes; 4. Pay bills.

Mr. Martin, now in his second term as Auditor General, is particularly suited for this task. A native of Grand Rapids, he graduated from U. of M.'s law school. During World War II he was at various times a naval secret service agent in Europe, head of the National Office of Civil Defense

and a member of the prosecutor's staff at the Nurnberg War trials. He has also represented Kent County in the state Senate.

"Government can be as efficient as private business and often is," Mr. Martin stated. "But it is more difficult to maintain efficiency because there is no profit motive." But he tries to supply a similar incentive.

When each audit is completed, it is submitted to the department head with any recommendations for changes in procedure that would improve service or lower cost. The Auditor General also requests a report from the department concerning what has been done about putting the recommendations into effect. This report is often submitted to the Appropriations Committee of the Legislature. An uncooperative department head needs some good answers if he fails to act on the Auditor's suggestions.

"This threat to a department's appropriation in government acts much like a desire to make a profit in the business world," explains Mr. Martin, "and is a fine lever to secure increased efficiency."

Payroll padding and liquor stealing was recently uncovered in a Detroit Liquor Control Warehouse. An auditor's investigation revealed need for some new methods. They were suggested and put into effect. Improvements were almost immediately noticeable on the records.

All examples of the Auditor's functions are not so dramatic but every year they find 10 or 12 cases of embezzlement or instances where money is spent in an unauthorized manner. "These matters are usually small and relatively easily rectified," said Mr. Martin.

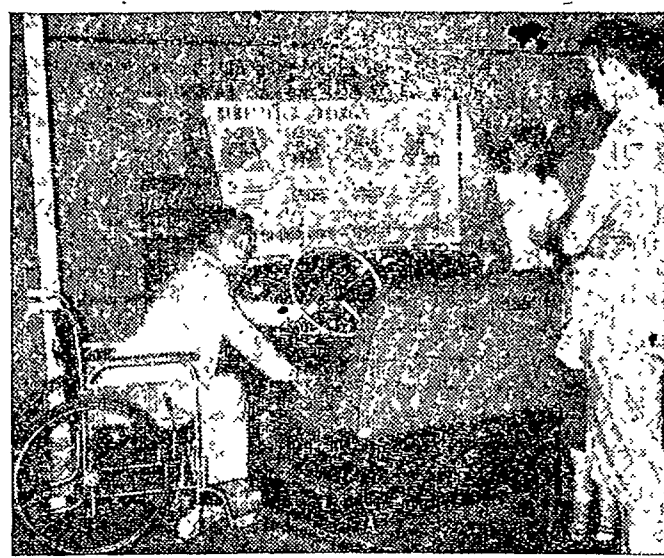

Questions sometimes arise concerning the Legislature's intentions. For instance, money was appropriated for a number of new beds for a hospital. Does that mean for beds only, or for beds and other equipment needed to service the patients? Can part of this money be used to outfit quarters for the increased staff, laboratory equipment, more instruments, etc.? That question is under discussion.

Taxpayers can look with a little more understanding upon the problems of state finance when they consider the elaborate care taken to get a dollar's value for a dollar spent.

For there can be little doubt that a keen Auditor General's staff can increase economy, reduce theft and embezzlement, and help guarantee efficient operation in government.

DRIVING MADE EASY FOR HANDICAPPED

Meet a star sales engineer with Chrysler Corporation's "New Worlds in Motion" styling and engineering show. He is R. F. Fournier of Omaha, Nebraska, who was struck down by polio in 1952. A year later he took a daily four-hour turn as a demonstrator explaining to large audiences how Plymouth's simplified driving controls for handicapped people actually operate. The Plymouth device is available at all Chrysler, Dodge, DeSoto and Plymouth dealerships. It is easily installed and enables handicapped persons to drive safely with manual controls. Fournier joined the show when it played Omaha recently. The temporary job marked a big step forward in his rehabilitation, while the driving kit he demonstrated holds hope for many handicapped persons.

Police Adopting Firmer Policy on Speed Violators

Chief Joe Denton today announced that the Police Department of Northville has adopted a firmer policy of enforcing the speed laws. This action is being taken at the official request of the Michigan Press Association for firmer enforcement to combat the rising traffic toll in Michigan.

"The increases in the first five months of 1953 in Michigan are terrifying," the Chief said, pointing to accidents increasing 12%, injuries up 21% and deaths up 13%, according to State Police records.

"To battle this traffic disaster the department will apply a carefully throughout 3-pronged attack," the Chief continued. "I have instructed our officers to increase their vigilance for speeders. Motorists exceeding the speed limit may be expected to be stopped by a police officer, even if they are only going five miles over the speed limit," he added.

"Five miles over the speed limit may not seem like much," the Chief pointed out, "but such illegal practice far too often launches a career of traffic violations which leads to more and more severe violations. As a matter of fact," the Chief stated, "a motorist should appreciate being stopped for going five miles over the speed limit, if this serves as a forceful reminder and prevents a more serious violation later which might cause a serious accident—perhaps to the same motorist."

"The second prong of the department's attack to save lives will be the policy of charging more motorists with the more

serious charge of 'reckless driving' instead of 'speeding' in cases where the speeder endangered the lives of other people or property while committing the violation," the Chief explained. "This will result in a higher fine and a more serious black mark on the driver's license," he added.

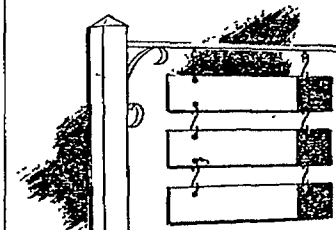

"The third part of the department's plan to cut accidents calls for the more intensive investigation of traffic accidents and the placing of charges against one or both drivers for any violations which were committed that caused the accident or contributed to it," the Chief continued.

Chief Denton called upon all law abiding citizens of the area to give their full support to the traffic accident prevention activities of their police department. "I am sure," the Chief said, "that the great majority of our motorists who obey the traffic laws will be heartily in favor of this plan to crack down on the relatively small percent of motorists who are the violators who are causing the accidents."

Roadside Chain Sign

A GOOD looking chain sign, located near the curb or roadside, can be an effective way of selling products or services. The sign may be made at little expense of materials obtained from any lumber yard.

In the sign illustrated, the materials used were a 4 by 4-inch post, tapered to a point; a Masonite Presdwood product known as Tem-

pered Duolux, which is 3/16" thick and smooth on both sides; an iron angle for suspending the signs, and pieces of light chain for fastening them together.

The Tempered Duolux, after being primed and painted, may be lettered with a sales message. Of course, the post and other parts of the installation should be painted too, and the portion of the post in the ground should first be treated with creosote or a similar preservative.

The dark squares at the right are painted with a slate material. Use chalk to mark the prices of the commodities or services offered.

Dog Quarantine

In accordance with the statutes of the State of Michigan and the action of the Wayne County Board of Supervisors, all dogs in the Village of Northville and surrounding area are placed under strict quarantine effective June 15. All dogs must be vaccinated and licensed. Quarantine will continue until Sept. 15. All unmuzzled dogs will be picked up and impounded in the Village Pound, vaccination and tag notwithstanding. Dogs must be muzzled to comply with the statute.

Signed:

V. GEORGE CHABUT, M.D.

Health Commissioner

Tom Heslip Wins MSC Scholarship

Tom Heslip, 42680 Nine Mile road, a third year student at Michigan State College, has been awarded a \$150 scholarship for the 1953-54 year, according to a college spokesman. Tom is one of 106 recipients of various scholarships announced this week.

The awards were made under the William and Sarah E. Hinman Endowment fund and range from \$150 to \$1,000. Tom is a 1951 graduate of Northville High school and won the Exchange Club scholarship that year.

His major field of study at MSC is pre-veterinary medicine, a course which he will complete in five more years.

Requirements for the scholarships were high scholastic standing, character and personality demonstrated by participation in extra-curricular campus activities, and financial need.

This demonstration showed me the way to a better deal!

I'd been planning to buy a higher-priced car until I found out all Chevrolet offered—and how much I could save!

You get more power on less gas

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gear shift models offer the advanced 108-h.p. "Thrifty-King" engine.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

You get greater getaway with the new Powerglide*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

News Around Northville

Mr. and Mrs. Don Hamilton and Mr. and Mrs. Forest Doren attended the funeral of their uncle, James Whitacre, in Pennville, Ind. on Friday.

After vacationing across the Straits for several days last week, Mr. and Mrs. William Asher and sons, Ronny and Jerry, are back home on Grace St.

Mr. and Mrs. Harvey Leffler and Tilda Reagan, of Sessions Hospital, were entertained three days last week by Mrs. V. L. Slater at her summer cottage at Mullet Lake.

Get our bid—and you will "Buy Buick." Come in for a neighborly visit just as soon as you can. Livingston Motor Sales, Buick Dealers, Howell, Mich. 9-13

Birthday congratulations to Edward Mollma, of South Wing St, on Aug. 11.

Houseguests of the Howard J. Rodgers of West Dunlap St., this week, were their son Howard, Jr., and his wife, of Zanesville, Ohio; Mr. Rodgers sister, Mrs. Chester Singer, of Bloomfield, Ont., and his aunt, Mrs. Fred Greatrix, of Picton, Ont.

Jerry Graham, son of the F. E. Grahams of Grace St., reported for military duty July 13 at Ft. Leonard Wood, Mo. He was a member of this year's graduating class of Northville High School.

Pvt and Mrs. William Stanford returned to Lawton, Okla., July 24, after a ten-day furlough spent with their parents, the Frank Stanfords, of Dubuair St., and the John Morels, of Detroit. Pvt. Stanford has been assigned to headquarters battery, where he will attend four weeks of flash chief school to be followed by an assignment as instructor with the 187th Field Artillery at Ft. Sill, Okla.

Mr. and Mrs. N. E. Allison, of First St., were called to Pennville, Ind. last week by the sudden death of Mrs. Allison's brother, James Whitacre. Her mother, Mrs. Anna Whitacre, who had been visiting the Allisons for the past nine weeks, went with them, remaining in Pennville.

Mrs. Perry Taylor returned Saturday to her home on Pennell Ave., following a week's stay in the Atchison Memorial hospital.

Mr. and Mrs. John J. Hassen and four children of Swanton, Ohio, spent Sunday with Mr. and Mrs. Perry Taylor of Pennell Ave. Mrs. Hassen is a niece of Mrs. Taylor.

Mrs. Walter Grant was house guest of her sister, Mrs. William Horsfall, of Horton St., last week, and another sister, Mrs. Ed Wackerly of Bay City was weekend visitor. Here to spend the week is her sister-in-law, Mrs. Richard MacKeldey of River Rouge.

News Around Northville

After serving with the Marines the past year in Korea, Jerry Heaton is enjoying a 30-day leave with his parents, Mr. and Mrs. Lee Heaton of Orchard drive. He will report to Quantico, Va. at the conclusion of his visit, for further duty. Attending a family dinner held in his honor, Sunday, were Mr. and Mrs. B. F. Smythe, of Wayne, and Mr. and Mrs. F. M. Lambert, of Northville.

The Joseph Kirkeys, of Carpenter street, returned Saturday after vacationing in Port Huron, Alpena and North Houghton where they visited relatives and friends.

The family of the Harry G. Richardsons of West Main St. are back in town after enjoying a week's camping trip through northern Michigan to Tahquamenon Falls. The return trip took them along Lake Michigan into Indiana where they visited Mrs. Richardson's parents in Syracuse, and her sister's family in Angola.

The Joseph Kirkey family is planning to attend the Silver wedding anniversary celebration of their friends, Mr. and Mrs. Clair Kipp, of Port Huron, this weekend.

House guests of the Merner Eilers, of Rayson St., this week have been Professor and Mrs. L. A. Birk and daughter Sheila, and son Arthur, of Guelth, Ont. Mrs. Birk is a sister of the hostess.

Weekend guests at the Charles Logeman home on Rayson St. were Mr. and Mrs. O. B. Moan and two daughters, of Arlington Heights, Ill. The John F. Younger family from Brookings, S. D., also dropped in to spend the weekend on their way to Niagara Falls.

Mr. and Mrs. Ralph Simons of West street, and Mr. and Mrs. Roy Emory (Ruth Simons) of East Lansing spent last week touring Florida and other southern states.

Mrs. Bessie Wagner, of Dearborn, spent several days last week with her brother, George Dixon and family.

Word was received this week from Miss Marcella Ladd, stating that she is now director of Christian Education at the Bethany Union Church in Chicago. Miss Ladd formerly worked with the young people of Northville and previous to her appointment to Chicago she was with the First Presbyterian Church at Midland, Michigan.

On the first night of her return from a two week's vacation in Wisconsin, the Walter Wackerly family of Hill street, when entertained at a terrace supper at the home of Mr. and Mrs. Joseph Kirkey on Carpenter street, last Saturday evening. Home for the evening was the Kirkey's son, Bob, who has been summering in the north, and their nephew, Bill Kirkey of Notre Dame, Ill.

Reservist PFC Donald A. Thomson, of West Seven Mile road, and Pvt. William C. Bailey, Jr., of East Cady street, will leave Saturday for Parris Island, S. C., for active duty in the Marine Corps.

November Bride-Elect

Mr. and Mrs. Emil Nuottila of Northville Rd. announce the engagement of their daughter, Sally Ann, to Ronald Rutledge, son of Mr. and Mrs. William Rutledge of Ann Arbor. The bride-elect attended grade school in Hancock, Mich., coming to Northville in 1951 where she was graduated from Northville High School, Class of 1953. At present, she is employed by the local branch of the Michigan Bell Telephone Company. Her fiancé is a graduate of Ann Arbor High School, Class of 1952, and is employed by the Western Electric Company. Plans are being made for a November wedding.

Presbyterians Host Union Services

The summer union services of the First Methodist and First Presbyterian churches, of Northville, will be held in the Presbyterian church for the concluding weeks of the joint worship services.

The Rev. Ivan E. Hodgson will conduct the nine o'clock services during the month of August and Sept. 6.

Howard Cole Given Corporal Rating

Howard J. Cole, son of Mr. and Mrs. Howard G. Cole of Brighton, Mich., was recently promoted to corporal with the Army's 74th Ordnance Battalion in Korea. The Coles formerly made their home on North Center street in Northville, and Mrs. Pauline Cole, of Northville, is the corporal's grandmother.

The soldier's wife, Linda Louise, is also a resident of Brighton.

Cpl. Cole is a personnel administrative supervisor with the battalion's headquarters detachment. Since his arrival in Korea last December, he has been awarded the UN and Korean Service ribbons.

The 74th Ordnance Battalion, a segment of the U. S. Eighth Army, is responsible for vehicle and weapons maintenance in support of front line troops.

New Chairs for Village Fathers

The Village Commission moved this week to alleviate the acute shortage of seating accommodations for spectators at its bi-monthly meetings by purchase of 20 folding chairs for emergency use.

Simultaneously, Village President Conrad E. Langfield announced his intention of purchasing a new table and comfortable chairs for members of the Village Commission and presenting them to the Village as a gift. His offer follows considerable discussion several months ago about the uncomfortable shape of the present chairs and the general unprepossessing appearance of the Commission's meeting quarters.

Well Acidization Bids Are Sought

Bids for acidizing Northville's No. 2 water well to clean screens, casings and pump to improve the rate of flow and drinking properties of the water are being asked by the Village Commission. They will be opened at the next Commission meeting Aug. 17.

The decision to acidize the well followed the almost perennial question by Commission Alton Peters: "What are we going to do about the water?"

Commissioner Claude N. Ely reported that the Wayne County Health Department has been asked to tell the Village what kind of equipment is necessary to carry out the chlorination program which the Department recommended earlier this summer. When this information is received, and the necessary equipment obtained, the chlorination program can proceed, he said.

Get Started On West Wayne Co. Garbage Survey

The official garbage and rubbish survey committee for communities in western and northern Wayne County has hired Robert Stillwagon, of Detroit, to make a survey for the communities.

The committee is composed of representatives from the communities of Northville, Allen Park, Dearborn Township, Garden City, Inkster, Livonia, Melvindale, Nankin Township, Northville Township, Plymouth and Plymouth Township and Wayne.

The area involved is about 131 square miles and contains about 144,000 persons.

The survey report, to be completed within four months, will include information about:

1. Present volumes of garbage and rubbish.
2. How long present disposal methods will last.
3. Possible methods for immediate and future disposal.
4. Location of future disposal sites.
5. Methods of financing disposal systems, and length of haul.

Total cost of the survey is near \$4,400, which is being shared by each of the communities entering the survey based on 1950 population.

Many communities are faced with near-exhausted facilities at present and others will be faced with similar problems in the near future, according to the Central Wayne Planning Commission. The results of the survey are looked upon as being the answer to the garbage and rubbish disposal problems for these communities.

William Draner Dies in Georgia Hospital

William Draper died Monday afternoon, Aug. 3, at a hospital in Atlanta, Ga., at the age of 80 years. He made his home with a daughter in Pine Lake, Ga. Funeral service will be held Friday afternoon at the Casterline Funeral Home at 2 o'clock with Rev. Peter Nieuwkoop officiating. Burial will take place at Pleasant Valley Cemetery near Brighton.

Mr. Draper was born June 27, 1873, in Stainer, Canada, the son of the late Mr. and Mrs. Dan Draner. He worked in the lumber business as a young man and later took up the watch repairing business which he followed until an eye injury forced him to give it up. He continued employment as a painter and carpenter until he retired.

He was united in marriage with Lucy Dell Sayers on August 22, 1893 and they lived the greater part of their lives in Cheboygan County near Black Lake. They moved to Northville about 16 years ago, making their home on W. Dunlap St. Mrs. Draper died five years ago. Two years ago Mr. Draper went to Georgia to make his home with a daughter.

Surviving the deceased are two sons, Ralph of Taylor Center, Mich., and Dan of Pine Lake, Ga., and two daughters, Mrs. R. D. Caldwell of Pine Lake, and Mrs. Fred Lahr, Jr., of Carpenter St., Northville. Two other sons, Charles and Fern, preceded him in death.

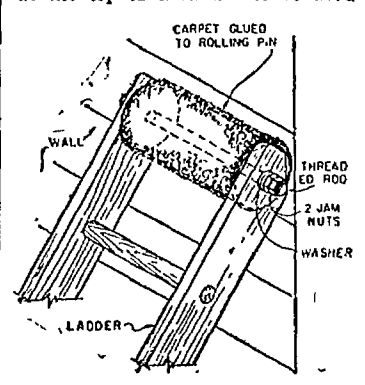

Handy Jim's FIX-UP TIPS For Farm and Home

For Protecting Walls

ANOTHER use for an old rolling pin is illustrated by courtesy of the professional builders' magazine, *American Builder*.

The rolling pin has been installed at the top of a ladder to be used in painting a house. It has been covered with a piece of carpeting glued in place.

Other operations required to make this improvement, which simplifies the moving of the ladder and prevents scratching the wall, include the drilling of a hole through the center of the pin, lengthwise, and the insertion of a long threaded rod or bolt. Washers and jam nuts are then attached to hold the rolling pin firmly in place.

TV "Cinderella" Is Mrs. Frank Bosak

A trip to Detroit to help celebrate a daughter's birthday has resulted in an all-expense paid "millionaire's" weekend in New York for Mrs. Frank Bosak, 43000 West Nine Mile road, winner of the fabulous "Cinderella Weekend" TV quiz program Friday.

"I've never won anything in my life—guess it was just my lucky day," says the happy young woman, mother of six children.

The excitement all began Wednesday afternoon when Mrs. Bosak took her daughter, Edythe, to WWJ-TV's program "Cinderella Weekend", as part of Edythe's twelfth birthday celebration and was selected from the audience as a contestant to appear on the show.

Wednesday Winner

Her fine background in the study of history (she was a history major at Marygrove college and University of Detroit Law School) paid off to the tune of winning the "Cinderella for the Day" competition with questions selected from the history category. A shower of prizes punctuated the day's excitement and Mrs. Bosak promised to return on Friday to compete against three other daily winners for the grand prize of "Cinderella for the Week."

The happy story reached a grand climax on Friday's program when the Northville contestant provided rapid-fire answers and won easily over her fellow contestants to be named "Cinderella for the Week."

New York Holiday

Mr. and Mrs. Bosak will board a plane tomorrow evening from Willow Run Airport for a never-to-be-forgotten weekend in New York City where they will be guests at the Hotel Statler. A Greyhound tour of the city and a guided tour of Rockefeller Center are just a part of the crammed program planned for them.

In addition to the prize of the trip, Mrs. Bosak was loaded down with gifts for her home when she left the studio that afternoon—undoubtedly one of the happiest girls in town!

Partv Fetes Couple To Wed Saturday

Blake Couse and Carol Seibert shared the role as guests of honor at a party given Sunday night at the Taft summer home at Silver Lake. Mr. and Mrs. Keith Simons, Mr. and Mrs. Harold Dayton and Mr. and Mrs. Frank Defina gathered there to honor the couple on their approaching marriage.

The wedding will take place Saturday night, Aug. 8, at the Presbyterian church.

BORN IN ENGLAND

A telegram received Monday by Mrs. Dorothy MacDermid, of Horton street, announced the birth of a niece the day previous in Birchington, Kent, England. The new arrival, weighing eight pounds, nine ounces, is the daughter of S/2 and Mrs. Duane Small, formerly of Northville, who make their home near the base at Birchington where Duane is stationed. On hand to receive congratulations as grandmother, is Mrs. Vera Small, who left Northville more than a month ago to visit her son and his wife.

Mrs. George Gordon O'Leary

Pauline Rodgers Weds in Gown of Dresden Lace

Janet Pauline Rodgers and George Gordon O'Leary exchanged their nuptial vows in mid-afternoon rites Saturday, Aug. 1, in the Northville First Methodist Church.

The Rev. Dr. Harold F. Fredsell read the double ring ceremony before a candlelit altar banked with baskets of white gladioli and palms. Music preceding and during the ceremony was presented by Mrs. Richard Somers at the organ console.

The bride is the daughter of Mr. and Mrs. Howard C. Rodgers, of West Dunlap St. Her husband is the son of Mr. and Mrs. William H. O'Leary of Detroit.

Pauline's gown of bridal-white Dresden lace was distinguished by a scalloped portrait neckline embroidered with seed pearls and opalescent paillettes. The full skirt was a sunburst of accordion pleating, billowing over underskirts of net and satin. A Juliet cap of matching Dresden lace etched with seed pearls confined her fingertip veil of imported silk illusion and she carried a cascade arrangement of white roses centered by a white orchid.

For her role as honor maid, Helen Ann Cansfield of Northville, wore a sleeveless gown of salmon pink shantung with an overskirt of pink nylon tulle and shantung falling to a ballerina length. Her pink demi-veil and matching pink shoes contrasted with the deep pink happiness roses which she carried.

William O'Leary, of Detroit, was best man for his brother and ushering were Clayton Rodgers, of Northville, and Howard Rodgers, Jr., of Zanesville, O., the bridegroom's new brothers-in-law. Mrs. Rodgers, mother of the bride, chose to wear a street

Honor Rotarians for Perfect Attendance

Lynn Sullivan and Arthur J. Schnute were honored at the Northville Rotary Club meeting Tuesday with ten-year perfect attendance numerals for their Rotary membership pins, according to Philip R. Ogilvie, club president.

Also honored were the Rev. Harold F. Fredsell with a perfect record of nine years and Joseph Revitzer with a five-year perfect attendance record.

Public Invited to 4-H Fair Aug. 11-16

The annual Wayne County 4-H Fair will be held at Belleville, beginning Tuesday, Aug. 11 and continuing through Sunday, Aug. 16. Mr. Beibersheimer, Wayne County Agriculture Agent and 4-H Fair secretary, has extended an invitation to everyone who is interested in the work of the 4-H boys and girls to attend.

The grounds are located on Ecorse road and may be reached by taking the Willow Run Expressway to Ecorse road.

Local Girls Attend Dance Convention

Cynthia Mellen, Virginia Kwasek and Bonnie Bellinger attended the National Association of Dance & Affiliated Artists Convention (NADAA) which was held at the Sheraton-Cadillac Hotel, Detroit, last week.

The girls took lessons in tap, ballet, modern, Hawaiian and many other forms of dancing from nationally known teachers. In recognition of their attendance and work, each of the girls received a pin. Cynthia received a second year pin, as she attended the convention in Chicago last year. They were accompanied by their teacher, Mrs. Kathleen Jordan, of the Jordan Dance Studio, Northville.

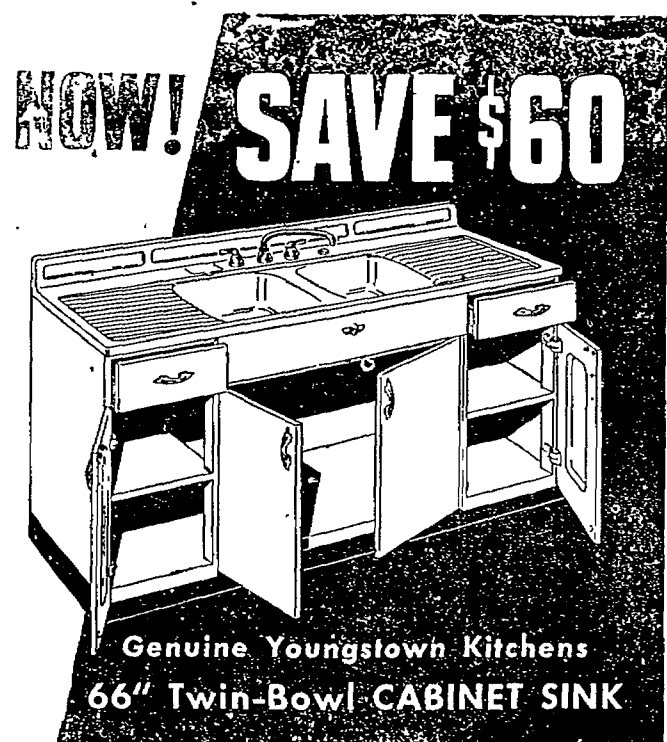

Bank Staff Enjoys Picnic at Capac

Thirteen employees of the Depositors State Bank tramped to Capac, Mich., Wednesday afternoon for a get-together with their friend and former co-worker, Mrs. Albert Benhke (nee Shirley Way).

The hostess entertained the group at a cooperative picnic dinner on the lawn of her hospitable farm home. Shirley left her position as teller at the bank last fall to be married and has since made her home in Capac.

State Hospital Gets Library

Northville State Hospital on Seven Mile road now has a 3100-book library, the gift of Detroit Cooties, a veterans organization. The West Side Hospital committee of the Second District made the dedication of the library and a plaque recently.

8:00 p.m., Voters Assembly each second Monday of the month.

Lutheran Ladies Auxiliary on each third Thursday of month.

Holy Communion, first Sunday of each month.

CHRISTIAN SCIENCE CHURCHES

The understanding of Spirit is important to every one who worships God. How to worship Him "in spirit and in truth" is brought out in the Lesson-Sermon entitled "Spirit" to be read in all Christian Science churches on Sunday, Aug. 9.

The Golden Text is from I Corinthians (2:12): "Now we have received, not the spirit of the world, but the spirit which is of God; that we might know the things that are freely given to us of God."

Among the Bible citations is this passage (I John 4:6): "We are of God: he that knoweth God heareth us; he that is not of God heareth not us. Hereby know we the spirit of truth, and the spirit of error."

NOVI TOWNSHIP

BOARD OF EDUCATION MINUTES

The annual school meeting of School District No. 8 of the Township of Novi, County of Oakland and State of Michigan, was called to order at the Novi Township Community Building by President Fraser Staman.

The minutes of the meeting held July 30, 1952, were read by Secretary James D. Mitchell and approved.

The treasurer's report was read by Treasurer William MacDermid. A motion was made by George Atkinson and supported by Georgia Larson that the treasurer's report be accepted. Motion carried.

The budget for the school year 1953-'54 was read by Secretary James D. Mitchell. A motion was made by J. W. Erwin and supported by Erwin Martin that the proposed budget for the school year 1953-'54 be accepted as read. Motion carried.

A motion was made by George Mairs and supported by J. W. Erwin that all money in the Building and Site Fund, together with any future delinquent taxes that were originally assessed for that fund, be transferred to the Debt Retirement Fund. Motion carried.

A motion was made by George Mairs and supported by William Mairs that a school term of ten months be inaugurated for the school year 1953-'54. The motion did not carry.

A motion was made by Glen Salow and supported by Erwin Martin that a school term of 9 1/2 months be maintained for the school year 1953-'54. Motion carried.

Mrs. Celia Sharp, chairman of the Election Board reported the following results of the election.

SCHOOL TRUSTEE FOR A TERM OF ONE YEAR:

(One to be elected.)

GEORGIA LARSON, 42.

RUSSELL BUTTON, 21.

SCHOOL TRUSTEE FOR A TERM OF THREE YEARS:

(One to be elected.)

J. W. ERWIN, 62.

A total of 66 ballots were cast. Three were rejected as being improperly marked.

A motion was made by Erwin Martin and supported by Helen Crawford that the meeting be adjourned. Motion carried.

JAMES D. MITCHELL

Secretary Board of Education.

WILLIAM MACDERMID, Treasurer,
Board of Education.

August Is Month of Shooting Stars

ANN ARBOR — August, the month of showers, has arrived, but the showers will consist of meteors, or the well-known "shooting stars," a University of Michigan astronomer states.

According to Dr. Hazel M. Losh, U-M associate professor of astronomy, meteors will be seen all month, "darting across the skies at a rate greater than at any other time of the year." In addition, the absence of a bright moon during the first half of the month will make them all the easier to see.

Paths Intersect

"Although these flashes of light may be seen anywhere in the sky," the professor points out, "their paths seem to intersect in the northeast."

Flying out in all directions from this radiant point, many of the "falling stars" appear to be travelling upward instead of down. The bits of iron and stone become visible only when encountering the earth's atmosphere, where their high speed is checked, resulting in friction which sets them burning.

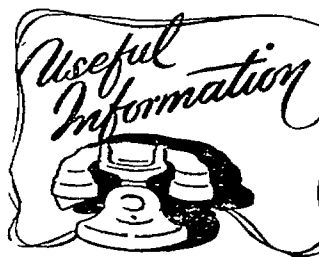

Most dependable in appearance is the Perseids group, she explains. The Perseids sometimes are called "The Tears of St. Lawrence," since they occur on his feast day, the anniversary of his martyrdom in the third century.

Radiate from Perseus

These meteors appear to radiate from the constellation Perseus, depicted as the legendary hero who rescued Andromeda from the sea monster, Dr. Losh says. Besides the hero and heroine, the group includes Cetus (The Monster), Eridanus (The River) and Pegasus (The Winged Horse), all characters in the legend.

Perseus is easily recognized from its curving line of stars, similar to the letter K. The upward part points to Algol, the "Blinking Demon." Professor Losh explains that Algol marks the head of the Medusa, which Perseus, the Champion, holds in his outstretched hand.

Perseus can be found by its location in the Milky Way, which dominates the August sky. The Milky Way has the great long bar of the Northern Cross at its zenith this month.

Pacing Derby Is Highlight of Last Week at Downs

Eleven of the nation's top pacers will compete in the ninth annual \$10,000 Michigan Pacing Derby Friday, Aug. 7, at Northville Downs in what stacks up as one of the best races presented this season in the Midwest.

Added interest has been given the Derby since three of the top contenders hail from Michigan. The trio includes: Walter McKlyo, owned by Al Linahan, Jr., of Adrian; Detroit Bill Brown's defending champion Royal Blackstone, and My Volo, owned by L. M. Kehoe of Imlay City.

Early Favorite

Walter McKlyo looms as the early favorite by virtue of his performance in races at Yonkers and Roosevelt Raceways in New York. The four-year-old picked up \$10,000 and was clocked in the fast time of 2:02 1-5 in a recent victory.

Blackstone, winner in 1952 and victor in one of the two dashes in 1950 and 1951 hasn't hit his best form yet. He was sidelined for some time with leg injuries but was sent back to competition a month ago and has shown considerable improvement each time out. He will have to be considered as a definite threat.

Track Record

My Volo holds Northville's track record of 2:02 2-5. H. D. Hanover, driven by Edgar Leonard, a five-year-old son of Billy Direct, is another challenger. Hanover showed that he is ready by sweeping a free-for-all pace a

week ago from the top sidewheelers at the half-mile oval. Others still included among the list of probable starters include: Mike Ennis' Dominion Boy; Bert Brennan's Denny Pointer; Saunders Mills' Mr. Dean and Scottish Chief; Brother Harmony; Theo. A. Abbe and Tuck Primrose.

The Derby will be the final stake of the season for Northville Downs which concludes a successful 48-night meeting on the following night, Saturday, Aug. 8. The mutual handle and crowds have shattered all records to date and only bad weather in the closing week will keep the track from bettering all previous marks.

Ford brings you fine-car Power Steering at a new low price!

Now you can have America's newest, most improved power steering—Ford Master-Guide—for \$40 less than any other power steering in the low-price field.

Yes, you're reading right! Ford has added a brand new "Worth More" to its long list of fine-car features . . . Ford Master-Guide—the newest and finest in power steering . . . a system exclusive in Ford's field!

You're going to love this new kind of steering! A finger turns the wheel even when the

car's standing still. Imagine how helpful this can be whenever you're tightly parked! Yet on the road Ford Master-Guide, unlike some systems, gives you the same natural "feel" you'd have without power steering. Master-Guide is safer, too. It takes hold only when needed. Try Ford Master-Guide today!

Handling and parking's a pushover! With the car standing still, you can "dial" the steering wheel with one finger . . . Master-Guide supplies the "muscle" for you! Of course, Fords have always been easy to handle, steer and park. But with Master-Guide "muscling in" when you need it, you use up to 75% less effort!

See it . . . Value Check it . . . Test Drive it today!

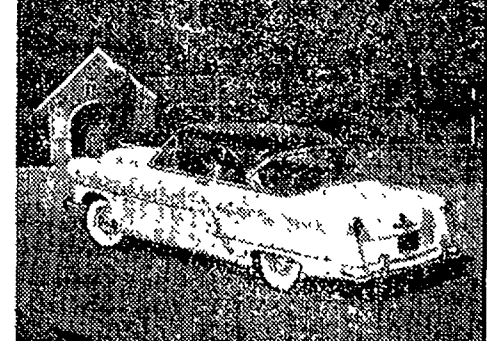

NO RADICAL CHANGE IN DRIVING HABITS

You get the same kind of "feel" you get with ordinary steering systems, so there's no need to learn how to drive all over again with Ford Master-Guide. This natural feel comes mainly from having the force applied close to the front wheels. Steering ratio doesn't change; you always have complete control!

SO SIMPLE . . .

Master-Guide lets you turn with ease, steer as you're used to! Driving on "shoulders" and rutted roads is even safer. And should the hydraulic system ever lose its power (which is highly unlikely due to Ford's simple design), the conventional steering system remains operative as in cars without power steering.

What Would You Do If

The Camp Stove Blew Up?

If clothing is on fire, get the victim on the ground and douse flames with a coat or blanket. If burns are extensive, cover them with a thick sterile dressing and keep the victim lying down. Get a doctor. Clean and trim the wicks of the stove and make sure you read directions about such camp equipment as kerosene stoves before using them. Learn how to detect hazards, prevent accidents, and give emergency care by joining a Red Cross first aid class.

Mr. and Mrs. George W. Sandau, of Hubbard Ave., visited in Ionia, last Tuesday.

Mr. and Mrs. Edwin L. Johnson and their four children, of Clarita Ave., spent the week-end with relatives in Grand Rapids.

An aunt, from Tennessee, has been a house guest this week of Mr. and Mrs. John Allen, on Mayfield Ave.

Mrs. Robert Diehle, of Shady-side Ave., is convalescing from an infection which developed as the result of a wasp sting received a few weeks ago.

Sunday, July 26, a seven and

one-half pound daughter was born in Detroit Osteopathic hospital, to Mr. and Mrs. Nelson Alette, of Brentwood Ave.

Jimmy Muir, of Shady-side Ave., is a guest of the Reddys, as the family mentioned take a two week vacation trip into the mid-West.

Mrs. Charles A. Armstrong, Mayfield Ave., was a last Tuesday luncheon guest of friends in Detroit.

Ruth Ann Oman, of Brentwood Ave., spent last week with her uncle and aunt, Mr. and Mrs. George Throne, near Ypsilanti.

Mary Margaret Hunter, from Detroit, visited with her aunts, the Misses Lora and Freda Ault, Norfolk Ave., Thursday evening.

Mrs. A. Grattop, of Mayfield Ave., left last week-end for a vacation visit to Tennessee.

Walled Lake

School, last Sunday, Richard Kline, of Parker Ave., received an award for faithful attendance.

The Norman Kauranen family, of Mayfield Ave., spent last Sunday at a lake in northern Michigan.

Mr. and Mrs. Arthur Block and their two children, of Norfolk Ave., are leaving shortly for several days vacation in northern Michigan.

Mr. and Mrs. George W. Sandau and the former's brother, Frank, of Hubbard Ave., spent last Sunday in Detroit.

Al Hardy, from Wayne, visited his mother, Mrs. Walter Rehahn, Mayfield Ave.

Mrs. Grace Simpson, of Mayfield Ave., left Tuesday to spend ten days with friends in Detroit.

The Houtz family, of Farmington Rd., are moving this week-end to their new home near Northville. Certain complications had postponed their moving. Mr. and Mrs. Knipple and their four children will promptly take possession of the property.

Rev. Michaelson, the new pastor of the Livonia Methodist church, has been making calls among and getting acquainted with members of his congregation.

Rev. Gordon Cameron, from Detroit, was making calls in the Neighborhood Church section last Wednesday. He will conduct a special service in Neighborhood Church tonight (Thursday).

Four-weeks-old Helen Marie

Cooke, of Albion Ave., made her first appearance, at the home of her grandparents, Mr. and Mrs. Russell Ault, on Shady-side Ave., last Saturday evening. About ten relatives enjoyed the happy occasion and the young lady received a number of very pretty gifts. The hostess served refreshments.

Many people in this vicinity, as they listened last Sunday to radio broadcasts saying the Battleship New Jersey was keeping up a constant fire at one of the Korean ports, remembered that Sailor William Varhol, eldest son of the John Varhols, Shady-side Ave., is stationed on the ship mentioned. Bill expects to get home in time for Christmas.

Coastguardsman Wayne Ault, son of Mr. and Mrs. Clinton Ault, Mayfield Ave., will have a birthday on Aug. 22. Friends and relatives are hoping his mail will be extra heavy on that date. His ship is "The Vance," which is busy in the Far East.

Mrs. Erwin Bohlinger, of Mayfield Ave., is still a patient in University Hospital, Ann Arbor. It is expected that she will shortly undergo major surgery.

The Hoff house, under construction on Mayfield Ave., is rapidly nearing completion and Mr. and Mrs. Hoff, Sr., expect to occupy it before the end of next month.

In certain sections of the neighborhood residents complain that flocks of pheasants are doing as much harm as so many chickens in their truck patches.

Mr. and Mrs. Sagor Miller, from Hastings, were from Tuesday until Friday guests of the former's sister, Mrs. J. C. Dunaman, and Mrs. Dunaman's mother, Mrs. Mil-

ler and Mr. J. C. Dunaman, of Farmington Rd. During these few days the Millers and Dunamans toop a trip to Niagara Falls and also enjoyed a day's outing at Belle Isle.

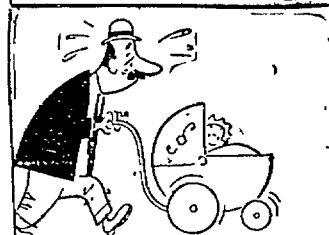

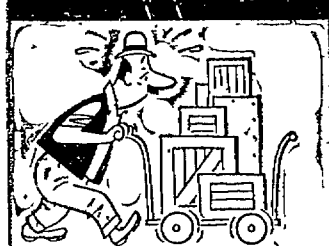

Mr. and Mrs. George Throne, from near Ypsilanti, were last Saturday night guests of Mrs. Throne's parents, Mr. and Mrs. Austin Ault, on Brentwood Ave.

Lt. and Mrs. Al Guilmette, recently of Hawaii, but soon to be located in New York, were Thursday night guests of Mr. and Mrs. J. C. Dunaman, of Farmington Rd. Mrs. Guilmette will be remembered as Elizabeth Mercer, daughter of Mrs. Bertha Mercer, now of Los Angeles, Calif., a former resident of West Seven Mile Rd.

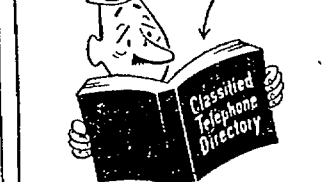

Mr. and Mrs. Robert Laughman and their son, Billy, from Mishawaka, Ind., spent the weekend with Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman, of Mayfield Ave.

The Barnes family, of Mayfield Ave., have returned from a vacation visit with relatives in Tennessee.

Community Bldg.

(Continued from Front Page)
features of earlier plans. To this extent it represents a compromise

between what many residents believed desirable and the practical matter of providing the money for its construction.
The earlier building was devised for integration into the

school building program, and from that point mushroomed, at the suggestion of the Village Commission, into a structure that would have included also a new Village Hall and a jail. With these added features its estimated cost ran up to more than \$500,000, which prompted the Village Commission to abandon the project on the more elaborate scale.

The present building represents the ideas of a committee of local men and women under the chairmanship of Wilson Funk, Village recreation director. Mr. Funk was named committee chairman by Village President Conrad E. Langfield last spring. It held several meetings, visited other community buildings in the area, and finally selected W. T. Anicka, of Ann Arbor, as architect. Anicka has designed and supervised the construction of several similar buildings.

Members of the Community Building committee in addition to Funk were: Robert Coolman, member of the board of education; Alton Peters, village commissioner; Mrs. William Milne; Harry B. Smith, high school athletic director; Lynn Sullivan, George Kohs and Del W. Hahn.

Wrecking Plans

Coincident with approval of building plans and the decision to advertise for construction bids, the Village Commission accepted a proposition for the razing of three houses where the building will stand.

Earlier this summer, the Commission advertised unsuccessfully for bids for the three houses. Bidwell proposes to "wreck them for materials that can be salvaged. The only other wrecking offer came from a Detroit concern which asked \$1300 compensation for doing the job, in addition to the materials that it could salvage.

FOR SALE

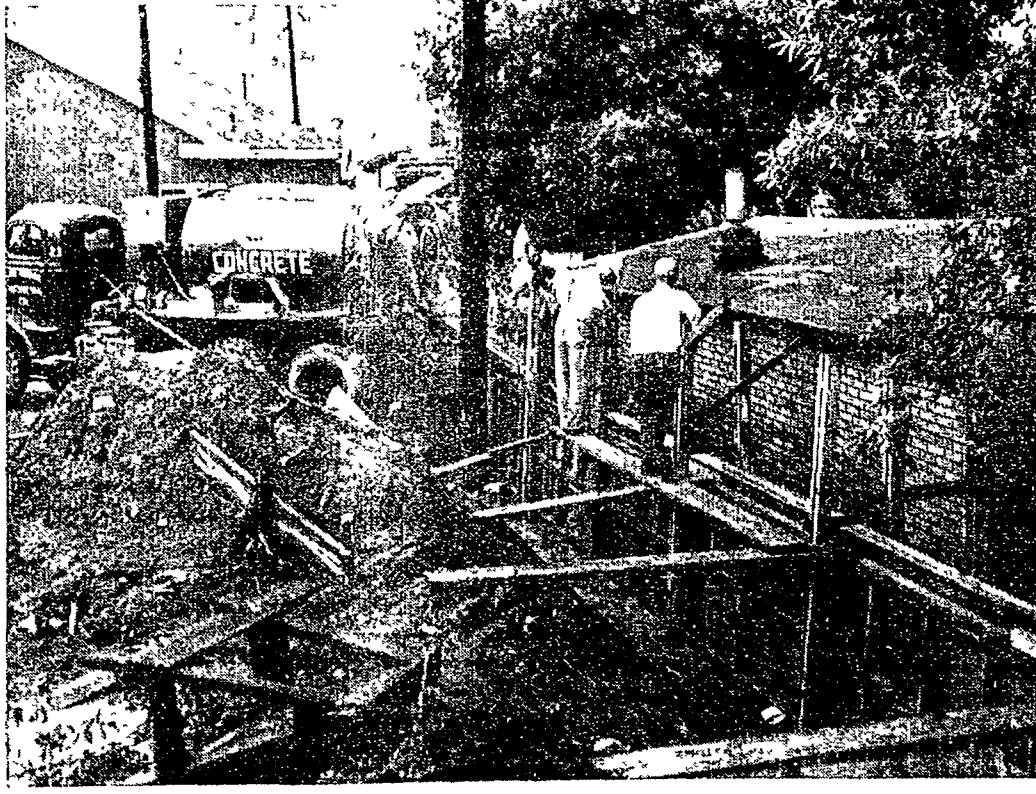

\$7,500. NEW two bedroom on 1 acre. Living room, dining room, kitchen. Some work to do inside. Terms. Call Northville 362R. Midway Exchange.

Parking Lot Gets Retaining Wall

An Ann Arbor cement firm began pouring concrete into forms which will be the retaining wall along the south side of the alley and municipal parking lot on the south side of East Main street. The alley will soon also have an asphalt black top the length of the alley.

2 New Exchange Students Coming

Two new German Exchange students, a boy and a girl, will arrive in Northville about Aug. 15 to make their homes for a year with foster parents here.

A boy will live with the Albert E. Jones family, 791 Horton street, and a girl will live with the James J. Brummell family, 10690 Six Mile road. Mr. Jones is athletic director and football coach at Northville High School. Mr. Brummell owns the Brummell Locker Service on Six Mile.

Sponsored by the Ann Arbor Council of Churches and the State Department, through the Northville Rotary Club, the students will be part of a group of 30 German teen-agers coming to Michigan.

They will arrive on the same ship, "The Independence," which took Ursula Hamacher and Jurgen Bonnet, last year's exchange students in Northville, home last week.

While in Northville, the students will attend Northville High School and live with their foster parents as members of the families.

Guard Against Anthrax Epidemic

An alert to guard against a repetition of 1952's deadly anthrax epidemic, the worst in the nation's history, was recommended today by the American Foundation for Animal Health.

Late summer and early fall are special danger periods for anthrax because close grazing on sparse pastures more readily exposes livestock to the anthrax germs which live in the soil.

The Foundation said 1,644 outbreaks were reported in 32 states last year, killing nearly 3,500 head of livestock. The 1952 epidemic was marked by the occurrence of the disease in many new areas.

"This 'seeding' of new areas

with anthrax germs has increased the danger," the Foundation said. "All livestock raisers in these localities must be constantly alert for new outbreaks."

Since anthrax can strike with deadly speed, killing apparently healthy animals overnight, the Foundation recommended that all "mystery" livestock deaths be reported immediately to the local veterinarian or state and federal authorities.

Church School Fall Session Scheduled

The fall session of the Vacation Church School, sponsored jointly by the Methodist and Presbyterian churches, will start Monday, Aug. 17 and continue for a two-week period, ending Aug. 28. There will be classes for kindergarten, primary, junior and junior high ages.

Mrs. J. C. DeJohn, dean of the Methodist Church School, extends an invitation to all children in the community to attend the daily classes held from 9 a.m. to 11:30.

Mrs. William Chizmar and Mrs. Harvey Engle will direct the kindergarten classes; Miss Grace Pollach and Mrs. Fred Hicks the Primary department; the juniors will be led by Mrs. Charles F. Logeman and Mrs. George Bradford, and the Junior high group will be taught by the Rev. Ivan Hodgson. A special Bible art class will be taught by Mrs. Joseph Sands.

"The Bible" will be the theme with special emphasis on instruction in the child's place in his home, church and community.

Early registration will be taken by Mrs. Roy Soule, 241 South Wing street, phone 112.

Police Answer 175 Calls in July

The police department collected \$1162 in fines during the month of July, and answered 175 calls, according to the report submitted by Chief Joseph Denton at the village

commission meeting Monday night.

Officers investigated seven accidents, recorded 90 traffic violations and issued 81 summons. Two cases of grand larceny were listed, and two cases of petty larceny.

Four juvenile cases were reported, but no cases of vandalism. Police handled two breaking and entering cases and answered two prowler calls. One person was listed as missing and one recovered. One auto was stolen and recovered, and one bicycle was stolen and recovered.

Police made 22 arrests resulting in 22 court cases. Two persons were bitten by dogs and two dogs placed under observation. Two dogs were sent to the pound, their owners fined and the dogs reclaimed. Seven dogs were destroyed.

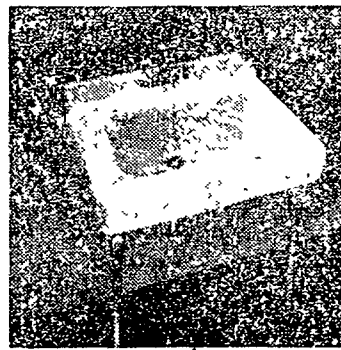

Police found five windows open and unscreened during their checking rounds, and two doors unlocked. The department sent out six teletype messages. One person was taken to Eloise hospital.

Legion, Auxiliary to Install Officers

A joint installation service for new officers of the American Legion's Lloyd H. Green Post 147 and Auxiliary will be held Tuesday, Aug. 11, at Veterans Memorial Hall at 8 p.m.

To be installed as Commander of the post will be Donald B. Severance who will replace Conrad Springer. Mrs. Marguerite Corey, to be installed as Auxiliary president, will be serving her second term following re-election in June.

New Designs

New designs in bathroom fixtures have just been announced by American Standard. Like the beautiful lavatory above, these new fixtures are streamlined in appearance and harmonize in design with the company's famous Neo-Angle bath and other tubs.

Representing advanced styling at its best, the new design fixtures are available in white and several colors for both bath and powder rooms.

They are now on display at (retailer's name and address).

T. R. Carrington Appointed to Head UN Day Committee

Thomas R. Carrington, prominent Northville businessman and resident, has been appointed chairman of a committee to observe United Nations Day locally in conjunction with a national observance.

Mr. Carrington will appoint a local committee, and in October, Village President Conrad E. Langfield will issue a UN Day proclamation simultaneously with President Eisenhower. More than 5200 communities participated in the world observance last year.

"This day," said a letter from the American Association for the United Nations, "together with UN Week, is the focus for popular educational programs on the United Nations."

The day of observance will probably be Oct. 24, the day on which the UN charter came into force.

The committee was established by the U. S. Government in 1948

No Dutch Elm Disease in Northville

There is no Dutch Elm disease in Northville's trees. That's the verdict of representatives of the Michigan Department of Agriculture, which surveyed the village last Wednesday and Thursday.

Eight trees were suspected of having the destroying disease, but laboratory tests on them showed they were healthy.

Although the number of elms in Northville is relatively small, an outbreak of the disease could destroy the beauty of the village's tree-lined streets, said John M. Miller, of Green Ridge Nurseries.

Red Cross Thanks Legion Auxiliary

The following is an excerpt from a letter received last week from the Detroit chapter of the American Red Cross by Mrs. Marguerite Corey, president of the Lloyd H. Green Unit, 147, American Legion in acknowledgement of the auxiliary's practice of serving meals to visiting Bloodmobile personnel.

"I would like to express in behalf of both our volunteer and

professional staff of the American Red Cross Bloodmobile Units our appreciation for the continued efforts by the members of your auxiliary in providing a meal when we are in Northville. It is a distinct contribution to the blood program and exemplifies the fine cooperation between service groups in your city.

Such cooperative effort provides an additional motive for our volunteers to meet the community needs through Red Cross. We hope that you will continue to offer such excellent assistance in this very worthwhile project."

A DIFFERENT JESUS

Let me quote you a verse from II Cor. 11:4. "For if he that cometh preacheth ANOTHER JESUS, whom we have not preached, or

if ye receive ANOTHER SPIRIT, which ye have not received, or ANOTHER GOSPEL, which ye have not accepted, ye might well bear with them."

The Apostle Paul was fearful lest these unstable and carnal members of the church of Corinth would accept "another Christ, another Spirit, another Gospel" than that which he had preached unto them. Now what did he mean by "another Christ?" Simply this—though these false teachers referred to the same Jesus as to His person, yet they so portrayed Him in a different light and explanation of His work and purpose so that He was a different Christ than the God appointed Apostle had preached. What was true in that day is also true today. There are those who deny the deity of Christ, the miracle working Christ, the sin bearing Christ, the resurrected and ascended Christ, and the second coming of Christ. Those who deny any or all of these scriptural facts concerning Christ are preaching "another Christ."

Let me close with Isaiah 8:20. "To the law and to the testimony: if they speak not according to this word it is because there is no light in them."
