Northville, Michigan, Thursday, August 13, 1953

\$2.50 Per Year in Advance

for the Record

by G. H. C.

Bargain rates are in effect at the Northville water department for small and large users alike in comparison with what home owners and industrial users pay in Farmington, Livonia and Plymouth.

The minimum rate of 30 cents per 1,000 gallons in Northville is 32% less than in Livonia, 40% less than in Farmington, and 42% lower than in Plymouth.

The big Northville customer using 500,000 gallons over a three month period pays 65% less than if he were buying water from Plymouth, 51% less than if he bought from Farmington, and 66% less than he would pay in Livonia.

Considered alone, the foregoing figures make it appear that Northville residents and Northville taxpayers are especially fortunate. They even give the superficial appearance of efficiency that goes with sound financial administration of the local water system.

There is one essential difference, however, between Northville's water system, and those of its neighboring cities. Northville's water is being sold so cheaply that the water department is only breaking even. The other cities have created rate structures that enable them to build up a surplus that will provide in part for future enlargement of the systems or the retirement of bond indebtedness incurred in such enlargement.

Northville's situation may be likened to the business man whose profits are so low that he is unable to set aside enough each year to replace his equipment as it wears out and provide additional equipment for even moderate growth.

Plymouth, Livonia and Farmington, in contrast, are earning sufficient money to provide for replacement and modest growth of their water systems.

Farmington's water department earned a net profit of \$8,383 in the fiscal year ended June 30, 1953. This was equal to 34.4 cent profit out of each \$1.00 of water sales. Plymouth's net profit for the fiscal year ended June 30, 1952 (latest available) was \$34,213, or 32 cents out of each \$1.00 of water sales. Northville's net profit of \$440 amounted to only 2 cents per \$1.00 of water sales.

Even so, the argument can still be made that it is just as well to go ahead from year to year on a break-down basis, and face up to the problem of future expansion or large scale replacement of water mains and other equipment when the occasion arises. This argument would have greater validity were it not for the fact that Northville water department has skated so close to the ragged edge that it has lost money in 11 of the past 14 years. During this period a deficit that is larger than the system's total revenue from all sources in the fiscal year ended Feb. 28, 1953 has been permitted to accumulate.

Another interesting aspect of the Northville water department's rate structure is that when the Village Commission raised water rates a couple years ago it added 25% to the bill of the small user and actually reduced the cost of water 16% to the industrial customer who uses 500,000 gallons over a three month period.

This fact detracts somewhat from the argument that everyone is getting a good break under the present cheap rate structure. Apparently it is the large user who has been getting a good deal, while the impact of the raise two years ago is being borne principally by the average home owner.

The actual figures of comparative water rates in the various communities are illuminating. The minimum water rate in Northville for consumption up to 6,000 gallons in a three month period is 30 cents per 1,000 gallons. The comparable minimum rates are 44 cents for Livonia, 50 cents for Farmington and 52.3 cents for Plymouth. These rates apply generally to residential use.

The Northville user of 500,000 gallons of water over a three month period pays \$43.30. In Livonia the cost would be \$129.24, including \$22.68 for a 6-inch meter. Farmington would charge \$88.58 and Plymouth's charge would be \$125.89, including \$38.50 for a 6-inch meter.

Study of the rate structures of the four cities shows that Northville's neighbors bill their customers at a net rate, and add 10% to their bills if they are not paid on time. Northville, however, assumes that it is necessary to offer some financial inducement to spur payment of its water bills, so it offers a 10% discount if they are paid on time. If Northville were to adopt the net billing system of its neighbors, this alone would have added \$1,870 to last year's net profit. Instead of earning 2 cents on each \$1.00 of sales, it would have earned 10 cents.

Northville, Plymouth and Farmington pursue the same policy in setting rates for water customers outside their boundaries, each charging double the rate applicable to their own residents. Plymouth deviates from this practice in one respect — its double rate applies only to consumption up to 67,000 gallons, which brackets in all private individual users, but does not penalize industrial customers located outside the city limits. In this respect Plymouth recognizes the desirability of industrial growth as a stimulant to trade and community growth, but even so, its industrial rate is nearly three times as high as Northville's industrial rate.

Legion, Auxiliary Officers Installed

New officers of the Lloyd H. Green Auxiliary of the American Legion were installed Tuesday evening at Veterans' Memorial Hall in public ceremonies. Above, left to right, standing, are: Robert Porterfield, sergeant-at-arms; Robert Cory, senior vice-commander; Don Severance, commander; Ray Altenburg, service and welfare officer, and Robert Yerkes, finance officer. Seated at left, Frank Lewis, chaplain; at right, Elbridge Miles, adjutant. Not in picture are Robert Campbell, junior vice-commander, and Con Springer, historian and past-commander.

Alexander, secretary; Marguerite Cory, president; Florence Schoulz, historian; Hazel N. Severance, junior past president, and Virginia Burnham, first vice-president. They were installed in joint ceremonies with the Legion.

New officers of the Lloyd H. Green Post 147 of the American Legion were installed Tuesday evening at Veterans' Memorial Hall in public ceremonies. Above, left to right, standing, are: Robert Porterfield, sergeant-at-arms; Robert Cory, senior vice-commander; Don Severance, commander; Ray Altenburg, service and welfare officer, and Robert Yerkes, finance officer. Seated at left, Frank Lewis, chaplain; at right, Elbridge Miles, adjutant. Not in picture are Robert Campbell, junior vice-commander, and Con Springer, historian and past-commander.

International Horse Show at Downs Aug. 20-23 to Attract Large Entry

Northville Downs will be the site of the Third International Horse Show Thursday through Sunday, Aug. 20-23, when more than three hundred of the nation's most outstanding horses are expected to participate, along with entrants from other countries.

Co-chairmen of the show are Keith N. White, of Ortonville, the president, and Gerald F. Taft, of West Eight Mile Rd., who is treasurer.

Prize competition includes the following classes: five- and three-gaited saddle horses; fine harness; walking horses; junior division judging on equitation and horsemanship over jumps; Morgan horses; conformation hunter division; working hunter division, and jumpers and western horses.

\$10,000 Prize List

Officials of the show say the entries, competing for a prize list of \$10,000 in cash and trophies, will set a new record for the show. Among the horses to be shown here next week will be several belonging to Mr. Taft which won 17 ribbons in 20 classes at the National Morgan Horse Show at Northampton, Mass. July 31.

Aug. 2. There were more than two hundred horses in that show.

Novice Wins

The recent bride of William D. Taft, the former Joann Van Aken, drove Springbrook Peggy to an impressive victory in the Ladies Fine Harness Class against 20 entries. This was young Mrs. Taft's first experience in the show ring, and followed a month of tutelage by her father-in-law, Gerald.

Bill Taft rode Springbrook Peggy in the Fine Harness Class for mares and geldings and won the blue ribbon and trophy in a class of 23 entries. Driving the same mare on Sunday afternoon, he placed her Champion Harness Horse in the show, winning the Dr. Wallace L. Orcutt Perpetual Challenge Memorial trophy.

Northville Band to Play at Fair

The Northville High School and Community Band, directed by Leslie G. Lee, will be one of 75 Michigan bands participating in the Michigan State Fair Sept. 4 through 13, according to Graham T. Overgard, musical director.

The 50-member Northville aggregation will play a half-hour concert in the music shell on Sept. 7.

Each band coming to the Fair will perform in the shell and members of the organizations will be guests of General Manager James M. Hare and members of the Fair's board of managers at many of the Fair's special attractions.

The 75 bands represent the largest number ever selected to play at the Fair, now in its 104th year.

Northville Downs Handles High of \$11,512,019 in 1953 Meet

Northville Downs mutuels windows handled a record \$11,512,019 during its just-concluded 48-night harness race meeting, according to figures released to the Record by the Dick Frederick Agency, Detroit publicity bureau for the Downs.

The total represents an increase of nine per cent if based on the same number of race nights last year. The nightly average was computed at \$239,833 in the unofficial figures.

Northville's share, at \$500 a night for providing police and fire protection, and water, will be about \$24,000, minus expenses of the services, which will amount to about \$4,000.

\$101,302 If City

Contrasted to the approximate \$20,000 which Northville will net from the meet, is about \$101,302 which Northville would have gotten had it been voted a home-rule city last spring.

The \$101,302 figure represents 20 per cent of the state's 4 per cent share of the total handle, which this year amounts to \$506,513, including \$85,375 breakage, according to the Dick Frederick figures.

Attendance 230,000

Total attendance during the 48-night meet is estimated at 230,000. The "race, rain or shine" policy agreed on by Downs officials and horsemen held true on all nights

Principal Urges Early Registration for Grade School

Early registration for new kindergarten pupils and pupils new to the community who will be entering Northville Grade School for the first time is now being conducted in preparation for the opening of school, according to Principal C. T. Pregitzer.

"We're urging boys and girls entering kindergarten and grades one through six to register well in advance of opening day," said Mr. Pregitzer, "so we may have a better idea of how many pupils to expect." The school is already crowded to capacity, with more than 700 listed now. About a hundred of these are in kindergarten, with another 40 expected to attend.

Children who were attending Northville Grade School at the time it closed last spring need not register, Mr. Pregitzer said, as they are already included in the basic registration list.

Children entering kindergarten, according to state law, must be five years of age on or before Dec. 1, 1953.

The Northville Grade School principal's office will be kept open this week and next between 9 and 11:30 a.m. and 12:30 to 3 p.m. for registering, Mr. Pregitzer stated. "If these hours are not suited to parents' schedules," he said, "they should telephone Northville 1130 and arrange for a more convenient time."

Begin Remodeling of Gamble Store

Work was scheduled to begin this week on remodeling and enlarging of the Stone's Gamble Store on East Main St. to make it one of the most modern and complete stores in this area.

Double Floor Space

The rebuilding operation includes taking over the second floor of the building for expansion, clearing a new basement and widening the back space, according to Owner Roy Stone. This will about double the present floor space of the store.

Rest rooms for men and women and a drinking fountain will be attractive features, and a new heating plant will be installed. Remodeling will also include a new store front from top to bottom.

Business will go on as usual during remodeling, said Mr. Stone and a grand opening is planned for about Sept. 15.

Schrader Remodeling

News of the Gamble Store expansion follows close on the heels of remodeling of the Schrader Furniture Store on North Center St., which has already begun with tearing out of the front windows for installation of a complete new front and moving of the store entrance.

Extensive remodeling is going on inside the building at the same time. Business is conducted at Schrader's as usual during the operation.

Goodwill Trucks Here on Aug. 20

The Goodwill Industries pick-up trucks will be in Northville and Plymouth on Thursday, Aug. 20, to collect usable household discards for its rehabilitation program.

Pick-up arrangements may be made by telephoning Miss Edith Sorenson, local telephone representative for Goodwill Industries, at Northville 571.

Miss Sorenson reports that employment at Goodwill Industries is at its highest level in history, but that it is necessary to keep discards flowing into the workshops to keep employment at its present volume.

Gov. Williams to Speak Here

Gov. Williams

Governor G. Mennen Williams will be guest speaker at the annual Memorial Dinner at the First Methodist Church House Friday, Aug. 14, sponsored by the 17th District of the American Legion and Auxiliary.

New Department of Michigan Commander Billy Wickens, of Midland, will also be present, along with other Legion notables.

School Tax Set at \$16 Per Thousand

A special meeting of the Northville Board of Education Friday night, Aug. 7, set up the school tax rate for the 1953-54 year.

The board voted to levy \$13 per thousand dollars of assessed valuation for general fund purposes and \$3.00 per thousand for debt service. The \$16 total compares with a total of \$15 levied last year.

Bible School to Begin Aug. 17

The fall session of the Vacation Church School, sponsored by the First Methodist and First Presbyterian Churches, will begin on Monday, Aug. 17 at 9 a.m., and continue daily for a two-week period with classes for kindergarten, primary, junior and junior high ages.

Mrs. J. C. DeJohn, director of the school, extends an invitation to all children in the community to attend the 9 to 11:30 a.m. classes.

"The Bible will be our theme for the school," said Mrs. DeJohn. "We want our pupils to have a growing knowledge and an appreciation of God and to know and love the Bible."

"We want our pupils," Mrs. DeJohn continued, "to do their part in their home, their church, the community and the world, to know and appreciate people regardless of race, color or creed."

Early registration will be taken by Mrs. Roy Soule, 241 South Wing St. Her phone is Northville 112.

25-Ounce Baby Dies Tuesday

A 25-ounce boy born three months prematurely Sunday died Tuesday after fighting for his life in an incubator at Mt. Carmel Mercy Hospital.

He was born Sunday to Mrs. Joan Murray, of 16757 Meade. She is the former Joan Gellner, the wife of James Murray, a foreman in the Bathey Manufacturing Co.'s plant at Plymouth. The child was their first.

Owners Must Move Trailers

Police warned today that all house trailers must leave Northville's village limits on or before Tuesday, Aug. 18, or be subject to fine.

The warning was issued by Police Commissioner John Stubbenvoll through Sgt. Gil Glasen, who said action would be taken on owners whose trailers are still here on the 19th.

The recently-adopted trailer ordinance specifies that trailers must not remain in Northville after ten days following close of the race meet here.

except one, a Saturday night in July when the auto on which the mobile starting gate is mounted could not get enough traction in the wet sand to provide a smooth start for the trotters and pacers.

Downs officials expressed surprise at the 21 per cent increase in daily double betting, which amounted to \$640,811. The highest amount bet through the daily double windows on a single night was \$19,960.

Record betting for a single race was the \$48,836 poured through the mutuels in the second dash of the Michigan Pacing Derby last Friday night, the Frederick agency said.

Ball Team Loses to Auto Club

A disastrous first inning spotted with four errors and only two hits by Auto Club sent the Northville baseball team down to its first defeat in Inter-County League play-offs Sunday at Cass Benton Park.

Auto Club won 8 to 2 after piling up seven runs in the first inning as Northville blew two chances for double plays to retire the Detroit club.

Auto Club got another run in the second inning. Northville pushed runners across the plate in the fourth and sixth innings.

The victory establishes Auto Club as leader in the tournament with two wins against no losses. Northville now has a one and one record.

All teams in the play-offs will play double headers Sunday, Aug. 16, except Teamsters, which will play only one.

Northville will play Grandale at Cass Benton Park at 1 p.m. Sunday. Loss of the game will mean elimination, but a win will send the team to Plymouth Riverside Park at 3:30 to play Wayne. Auto Club will play Wayne at Plymouth at 1 p.m., then come to Cass Benton to play at 3:30.

Rolling Down The River

by the PETZ BROS.

So the other day we were sitting around wondering whether we should be up and about but the weather being what it was, we stayed where we were, even though we knew of a spot where the fish should be biting pretty well. We were interrupted, though, by a weary traveler who stopped in for a bit of motor service and to report that there is a town in Kansas with a tavern that sports a large sign reading "The Office". Must make it awfully convenient for the tired businessmen of that city to go home and report to the wife that they "had a tough day at the office."

Perhaps some enterprising businessman should open a similar named institution in these parts, but practically all the people loaded with enterprise are busy buying new Studebakers. They buy them, of course, because they recognize the finer quality, the power, the beauty and out and out economy of the Studebaker for 1953, and we hope that you follow their lead and come in for a demonstration soon. Why not today?

Well, prices keep on going up in spite of the new administration and all, and sometimes it's tough making a living. As a local housewife told us the other day, "You used to worry about how a rich man would get into Heaven. Now we wonder how in Heaven the average man can stay on earth!"

We're not sure we have the answer to that, but we do know the average man will have a much easier time getting from here to there on earth if he services that car of his at regular intervals. You'll be surprised at how much more zip the car will have if you have these expert mechanics of ours give it a touch of proper lubrication and a thorough motor tune-up.

Yours,

BILL & WILL PETZ

Commissioner A. M. Allen and his men were hard at work this week resetting and straightening headstones in the old cemetery adjoining Cady St. Several of the larger stones, such as the one above, were raised from where they

had tumbled with a power hoist mounted on Allen's truck. Above, at left, is Mr. Allen as one headstone was raised. At right is Claude Ressler, of Milford, who works for Mr. Allen. On the truck is Mr. Allen's son, Jimmy.

Above is just one beautiful place in Rural Hill Cemetery showing the effect of much hard work on the part of Superintendent A. M. Allen and his crews in re-beautifying the once un-

cared for property. Many of the roads have been relocated for better appearances and efficiency, and several, such as the one above, have been surfaced to minimize dust.

Recent Care, Landscaping Have Beautified Rural Hill Cemetery

If Superintendent A. Malcolm Allen of the Rural Hill Cemetery were not in the monument business, and somewhat afraid his motive might be misinterpreted, he probably would hold "open house" at the cemetery this month. The reason is that he is justifiably proud of the cemetery grounds, which are in the best condition in many years. Himself being largely responsible, it is understandable that he would like every resident of Northville and the surrounding area to visit the cemetery personally to see the transformation that has occurred over the past four years.

Charles Carrington and Sid Frid, the other two members of the cemetery board, join with Mr. Allen in urging that those living in the area take a few minutes to drive into the cemetery grounds and over the winding drives that criss-cross its rolling acres. If visitors are in a mood to enjoy the peace and quiet that prevails in the Rural Hill grounds, they will be amply repaid, say the cemetery board members.

Additional Maintenance
The occasion for this story featuring Rural Hill Cemetery is that last week the Northville Village Commission authorized the transfer of \$200 from the Village's general fund to the Cemetery Fund for additional maintenance. In voting the expenditure, which is the first since the Village has operated the cemetery, the Commission noted that since the Village took over the cemetery from private ownership four years ago a major rehabilitation has been brought about. The cemetery today compares favorably in appearance with any of the large private cemeteries in the Detroit area, and from the standpoint of cost of burial space, is much more reasonable, it was pointed out.

Mr. Allen describes what has been accomplished in beautifying the grounds as "hard work and education." The work has consisted of elimination of certain overgrown shrubbery, trimming of trees and shrubs, cleaning out patches of lilies of the valley and other plants that had been permitted to run wild for many years, and straightening stones whose foundations had fallen apart over the years.

Organize Planting

The education has been with the relatives of those who are buried in Rural Hill, to get them to confine their plantings on graves to locations near the headstones, instead of at odd locations. The reason is to make it easier for the workmen to mow the graves by confining planting to

regular spaces. Otherwise, mowing would be impracticable on many lots without special trimming, for which there is not enough money available.

Rural Hill Cemetery was opened up many years ago by a private company, and lots were sold to Northville families by salesmen working for the company. Proper provision for perpetual care of the cemetery was not made by the organizers, however, and eventually the first company went broke. It was reorganized by a new group and carried on for another period of years. Again it failed financially, and again it was reorganized. This process has occurred several times since the cemetery's original founding.

Community Asset

It was this situation, and a feeling by the Village Commission four years ago that the Rural Hill Cemetery was, in a sense, both a community asset and responsibility, that led to the Village taking over its management and operation. What has been done since then in rehabilitation and development reflects the initiative of the Cemetery Board, supported by the active direction of Superintendent Allen.

As it is now being operated, the cemetery should be self-sustaining, in so far as new lots sold are concerned. They are priced at \$70 per burial space, of which \$30 is invested to provide income for perpetual care. The other \$40 goes for cemetery operating expenses.

Can Complete

The cemetery is equipped to provide the same grave-side services as are obtainable in the large private cemeteries in and around Detroit. Being municipally-operated, such services are provided on a basis that is close to cost, whereas in the privately-operated cemetery which is run for profit they cost much more, according to Superintendent Allen. The area of Rural Hill Cemetery that is presently developed consists of 23 acres of rolling, wooded fields. Adjoining this

Church Softball League Playoffs

The Salem Federated softball team started the playoffs right by defeating the Milford Presbyterians on Monday, Aug. 3 by a score of 10-3. They were unable to keep up the good play Thursday of last week, however, when they lost to Sunnyvale 13-6. Nevertheless the Salem Church team had to play a third playoff game last Monday evening. Results will be announced in next week's column.

Wayne Man Injured in Accident

Henry Kelly of Wayne, Mich., who was hired by Glenn Stacey of Napier Rd., east of Salem, to help with farm work, was taken to Sessions Hospital, Northville, then to Wayne County General Hospital on Wednesday, Aug. 5, after his leg was crushed in Mr. Stacey's combine when he stuck his foot into the combine canvas in an effort to start the machine after it had refused to start by more conventional methods. The combine did start at that unfortunate time, however, and caught Mr. Kelly's foot and lower leg in such a manner that the shoe and stocking were torn from his foot and his leg bones and flesh were damaged to such an extent that doctors at the Wayne County General Hospital were forced to amputate the limb. Mr. Kelly is the father of six children.

It's a Boy

Mr. and Mrs. Edwin Hamilton of Five Mile Rd., southeast of Salem, are the parents of a fourth son with the arrival of Robert Mark, at 7:38 p.m. on his father's birthday, Aug. 7 in St. Joseph Hospital, Ann Arbor. The baby, who was 21 inches long and weighed nine pounds, nine ounces at birth, has three brothers, Douglas, David and James, and a sister, Mary.

Social Life in Our Community

Mr. and Mrs. Glenn Burnham and daughter, Bonnie, traveled to Kippen, Ontario, Canada, Saturday afternoon by way of the Blue Water highway to visit relatives there and to bring back Mrs. Burnham's mother, Mrs. Crystal Anderson, of Ypsilanti, who spent the past two weeks in Canada visiting with her two sisters-in-law and a brother-in-law.

Mrs. Maude Read of South Lyon and Mrs. Elsie Childs of New Hudson were Sunday afternoon

visitors of the Arthur Wheelers. Mr. and Mrs. Calvin Wheeler of Ypsilanti returned home last Thursday afternoon from their fishing trip to northern Michigan. Friday afternoon they visited their father and mother, Mr. and Mrs. Arthur Wheeler of Salem and brought them some of the fish they had caught.

Mr. and Mrs. Fred Buers were Saturday night guests of Dr. and Mrs. Carl January of Plymouth, for dinner at Devon Gables.

Mr. and Mrs. Carleton Hardesty, Mr. and Mrs. Charnell Hardesty, Mr. and Mrs. Glenn Hardesty, Mr. and Mrs. Deane Hardesty, Mr. and Mrs. Ronald Hardesty, all of Salem, and Mr. and Mrs. John Hardesty, and Pvt. Ned Hardesty, home on furlough, and girl friend of Whitmore Lake enjoyed a Saturday evening of thrills watching the midget auto races in Detroit after having supper at the Chick Inn.

Miss Fredericka Louise Vici and Lee Roy Jones are to be married Saturday evening, Aug. 15 at 7:30 p.m. in the First Methodist Church of Birmingham. Miss Vici is a niece of Rev. Lucia M. Stroh.

Rev. Lucella Boyson and Rev. Lucia M. Stroh returned home to Salem last Thursday from Chicago, where they had been visiting Rev. and Mrs. Gordon Swartz, cousins of Mrs. Stroh, for a few days.

Mr. and Mrs. Seeburger and two sons of Adrian, attended the Congregational Church services Sunday; also Mr. and Mrs. Albert Kiddy and son, Frederick, of Detroit. The Kindys were dinner and supper guests of Rev. Lucia M. Stroh Sunday.

Rev. and Mrs. Douglas Couch reported that they were happy to be back in Salem after their vacation in California and other Western spots of interest.

Frank Skiver, who is stationed at an air base in Dover, Del., spent Saturday night and Sunday with Mr. and Mrs. Holly Odyke.

Salem Congregational Church. Rev. Ward Clark, our missionary to the Navajo Indians, returned to his home in Sanders, Ariz. after a very successful missionary tour to various churches in this locality and Detroit.

Salem Federated Church. The Federated Ladies' Aid will meet at the home of Mrs. Stanley Clinansmith, 150 S. Mill St., Plymouth on Thursday, Aug. 27.

ARTHRITIS

I have been wonderfully blessed in being restored to active life after being crippled in nearly every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.

News Around Northville

Cliff Turnbull, his son, Bruce, and grandson, Bobbie, spent the weekend visiting his mother, Mrs. William Turnbull, at Delhi, Ont., Canada.

Dr. and Mrs. Guy Frogner of Western Montana arrived Tuesday at the home of the former's brother, Herbert N. Frogner, of Sheldon Court. They will visit here until Friday, when the two families will leave to attend the Frogner reunion to be held at Appleton, Wisc. over the week end.

Mr. and Mrs. Robert Niemi and sons, Bobby and Billy, of Northview have returned from a vacation trip to New York City. After seeing the sights the boys flew home Wednesday. Their parents stayed on as guests of Mr. and Mrs. Ed Kertscher of Long Island and enjoyed a deep sea fishing trip. They returned to Northville Sunday.

Mrs. E. J. Willis returned to her home on Rayson St. Tuesday following a stay in Lexington with Mr. and Mrs. Allan H. Breese.

Birthday congratulations to Carol Gaffield, whose birthday occurs today, Aug. 13.

Chief of Police and Mrs. Joseph Denton left Monday on a vacation trip which will take them through western Canada. They will be gone three weeks.

Among the guests at the home of Mr. and Mrs. Donald Severance Sunday were Mr. and Mrs. Fred Bowles of Bayton Beach, Fla., formerly of Detroit, and Mr. and Mrs. John Quimby and family of Rochester, Mich.

Get our bid—and you will "Buy Buick." Come in for a neighborly visit just as soon as you can. Livingston Motor Sales, Buick Dealers, Howell, Mich. 9-13

Julie, Chris and Mark Gazlay of South Rogers St. announce the arrival of a new baby sister, Martha Elizabeth, born Aug. 6 at Mt. Carmel Hospital, Detroit. Mr. and Mrs. Francis Gazlay are the parents of the group. The baby's birth weight was seven pounds, one ounce.

Mr. and Mrs. Harry German and sons, Dave and Dale, of Belding are spending this week visiting their parents, Mr. and Mrs. Alfred Smith of Beal Ave., and the Harry Germans of Orchard Dr. Harry is vacationing from his job as manager of the Belding D & C Store.

Mrs. J. R. McColl is driving to Cape Cod this week to visit Mrs. Alice Baker Hyde and her mother, Mrs. Ray Stannard Baker. Mrs. Harvey Whipple will go with Mrs. McColl as far as Pittsfield, Mass. where she will board the train for West Redding, Conn. to visit her daughter, Mrs. Oscar Karrel.

The F.O.E. Ladies Auxiliary will hold a regular meeting on Thursday, Aug. 13 at 8 p.m. in their lodge hall on East Main St. Mr. and Mrs. R. W. Doeksen and children of Orchard Drive returned Sunday after visiting various towns in northwest Iowa and South Dakota. Mrs. Doeksen had the pleasure of seeing a sister whom she had not seen for 17 years.

Don Merritt is now a licensed broker. His office is located at 125 E. Main St.

The Lutheran Ladies Auxiliary will meet Thursday, August 20 at 8 p.m. Mrs. Herman Kresger will be the hostess at her home, 9585 Six Mile Rd.

Mr. and Mrs. Vernon Newton visited their son, Pvt. Cleon Newton at Indianapolis, Ind. over the week end. Cleon is stationed at Fort Benjamin Harrison, Ind.

Dr. and Mrs. Stuart F. Campbell and children, Janice and Donald, have recently moved to 411 Horton St. They purchased the home from Mr. and Mrs. John Thomasson, who formerly lived there.

Mr. and Mrs. Arthur Estep of Hutton St. returned last week from a vacation spent fishing at Copper Harbor, Mich.

Mrs. Myrtle Fox has returned to her home in the Willis Apartments after having spent six weeks with her children and their families at their cottages on Lake Charlevoix.

Margaret Stanley has returned to her home on Hutton St. after spending a week with her grandmother, Mrs. Mollie Stanley, in St. Louis, Mo.

Mr. and Mrs. A. J. Dickson and family of Auburn, N.Y. recently visited their daughter, Sharon, their parents, Mr. and Mrs. Geo. C. Robertson, and Mrs. Dickson's sister and family, the James H. McNeice's of North Center St. After an enjoyable family gathering they motored back through Canada to their home.

In answer to many inquiries for the Christian Culture Series, sponsored by Assumption College, Mrs. E. J. Willis, director of the Southwestern Deane, DACCW, states that Bishop Fulton J. Sheen will open the 20th year series on Sunday, Aug. 23 at 8:30 p.m. in the Masonic Auditorium, Detroit. The following dates are Oct. 26, Dec. 6, Jan. 17 and Feb. 28.

Denny Kay Boyden of Willow Run Village is visiting her grandparents, Mr. and Mrs. Horace Boyden of First St. for a few days.

Marcia Rodocker and Sharon Myers of Northville, and Karen Chappell of Farmington are accompanying an aunt from Detroit on a trip touring Canada and the New England states.

Dr. and Mrs. James Kaler left last Thursday to visit the former's father, James Kaler, in South Whitley, Ind. They returned to their home on Beck Rd. Monday.

BPW Organizes Work for Coming Year

The official staff of the Northville Business and Professional Women's Club met Wednesday night, Aug. 5, to organize the work and plans of the club for the coming year. Above, left to right, sitting, are: Miss Elizabeth Elz, parliamentarian; Mrs. Mabel Cooley, president; Mrs. Marcella Douglas, legislation committee; Miss Evelyn Ware, junior past-president; Miss Leona

Parmalee, recording secretary; Mrs. Eria Clark, treasurer; Miss Rosa Sales, remembrance committee; Mrs. Mae Babbitt, acting finance chairman. Standing, left to right are: Miss Mariora Manica, vice-president; Mrs. Ethel Wendover, corresponding secretary; Mrs. Bea Carlson, membership chairman, and Mrs. Iva Tabor, music chairman.

Social Security Office Answers Insurance Queries

Harry Baltuck, manager of the Detroit-Northwest Social Security office, said this week that answering questions on Old-Age and Survivors Insurance is one of the many services offered by the Social Security field offices. Experience has shown that the following questions are most frequently asked:

1. Question: How much can a person earn and still receive social security payments?

Answer: A person who receives social security payments may earn wages up to \$75.00 a month in work that is covered by the Social Security Act. However, if a person is age 75 or over, it does not matter how much he earns.

2. Question: Can a self-employed person choose to have social security coverage?

Answer: No. The self-employed person is required to make a return of his self-employment income if he has net earnings of \$400.00 or more in a taxable year from a trade or business covered by the law. This is compulsory and is not a take it or leave it basis.

3. Question: Do all self-employed people now have social security?

Answer: Most of them — there are a few exceptions such as farm operators or the professional men who are not self-employed.

4. Question: Can a person who has more than one job get a refund of social security taxes if he has paid more than \$54.00 in one year?

Answer: Yes. He may apply for

the refund at the time he files his income tax return.

5. Question: If a person is disabled can he receive social security payments before he becomes age 65?

Answer: No. The worker must be age 65 or over.

6. Question: Does a person ever need more than one social security number?

Answer: No. Only one number is needed for a lifetime. For further information and the answers to other questions contact any social security office. The Detroit-Northwest office is located at 14600 Grand River, Detroit 27, Michigan. The telephone number is BRoadway 3-1717.

Contract for Storm Sewers Awarded

Caira Construction Co., 12501 Conant St., Detroit, was awarded the contract for storm sewer construction on North Rogers, Dubuar, Linden, Randolph and High streets on recommendation of Engineer Gilbert Jerome at a special meeting of the Village Commission Friday, Aug. 7.

The Caira company was low bidder with a base bid of \$18,232.30 for the job.

Trucks Added to Livonia D.P.W.

Three new vehicles—a chloride spreader and two dump trucks—have been put into operation by the city's Department of Public Works.

The spreader is currently traveling Livonia's dirt roads, laying dust with application of a calcium chloride solution.

The solution is sprayed onto the roads through a series of jets which are fitted to a horizontal bar attached to the rear of the truck.

The spreader's tank holds a capacity of 1,000 gallons of the solution, equivalent to one mile of dust laying.

Look Ahead 10 Years!

(WHEN YOU'RE CHOOSING AUTOMATIC OIL HEAT)

AND YOU'LL BUY—

It pays to get the best! Most people know that. But some, when they come to choosing the heating system that must serve them for years, hesitate about Timken Silent Automatic—for one reason. It costs a little more.

To those people we say, look ahead ten years. The amount of fuel oil and electricity your Timken Silent Automatic Wall-Flame Oil Burner will use over that time will probably be 25% less than an ordinary gun-type burner will use. Maintenance costs will be much lower, too, because the only moving part in the entire burner is the self-lubricating mono-rotor. All this, plus the proud knowledge that you have the best in advance-designed heating equipment, puts you far ahead of the shortsighted man who accepts less than a Timken Silent Automatic.

Phone today! We'll be glad to arrange easy terms—10% down, 36 months to pay, if desired—on the Timken Silent Automatic unit that's right for your home. You couldn't make a better buy!

Registration Due for Play School

Registration for the Northville Cooperative Play School is nearly complete, but mothers of three and four year olds still interested in entering their youngsters should call Mrs. V. G. Chabut, 131, or Mrs. George Scheifer, at 936-Mill, right away for registration blanks and further information.

Mrs. Mildred Madigan will again teach at the school which will begin sessions at the Presbyterian Church Sept. 14.

Wedding Shower Honors March Bride

Pink and white was the color theme chosen by Barbara Busch and Jean Buttermore for a miscellaneous bridal shower honoring Mrs. Norman Rody (Joanne Toussaint) last Wednesday night. Twenty former classmates of Joanne's joined her at the Buttermore residence for games and talk of old school days. After the many gifts were opened refreshments were served in the recreation room.

Joanne is the daughter of Mr. and Mrs. Henry Toussaint of Horton Ave. She became the bride of Norman Rody, son of Mr. and Mrs. C. Rody of Currie Rd. March 25, 1953.

Niagara Honeymoon Follows Spess-Boyd Rites

Large bouquets of white gladioli and candelabra formed the background Saturday evening for the wedding which united Barbara Jean Boyd and William Spess, Jr., in marriage. Mr. and Mrs. Clal Boyd of Maxwell Rd. are the parents of the bride, and the bridegroom's parents are Mrs. Gertrude Kiernick of Dearborn and William Spess, Sr. of Farmington.

The Rev. Ivan E. Hodgson officiated at the double ring service which took place at the First Methodist Church at 8 o'clock. Mrs. Richard Somers played the organ and accompanied Mrs. Hodgson as she sang "I Love You Truly", "The Lord's Prayer" and "Because".

Escorted down the aisle by her father, the bride was wearing a ballerina-length gown of white nylon net and satin. Brocaded flowers of net fell over the entire underdress of satin and also formed the long sleeves. The fitted bodice buttoned up the back and was closed with a collar. Her fingertip veil was held in place by a crown of seed pearls and she carried a bouquet of white roses.

As her only attendant, the bride chose her sister, Mrs. Gene

Garner, of Northville. Mrs. Garner wore a ballerina-length gown of pink brocaded nylon net over satin. She carried red roses and they also were used to decorate the cap which adorned her head.

Attending the bridegroom as best man was James Boyd Jr. of Lakeland, cousin of the bride, and the ushers were Ralph Krontz of Salem and Robert Gregory of Northville.

For her daughter's wedding Mrs. Boyd chose a grey and red print bemberg dress and a corsage of gardenias was pinned to her shoulder. Mrs. Kiernick wore a red and grey silk dress and gardenias were also used in her corsage.

A reception followed the ceremony at the home of the bride's parents where 100 guests gathered. The bride's sister, Charlene, had charge of the guest book.

The newlyweds left on a wedding trip to Niagara Falls where they will stay a week. For traveling Mrs. Spess chose a brown dress and white accessories.

Barbara graduated from Northville High School with the class of '53 and is employed at the S. L. Brader Store. Her husband is a Farmington High School graduate and is employed at Petz Bros. They will make their home in Farmington.

Cold Drinks Won't Always Cool You

You can't count on "cold" beverages to cool you off during the hot August days. They may have just the opposite effect.

Nutritionists of the Michigan Department of Health advise that cold drinks such as lemonade, sodas, malted milks and so on make you feel cooler temporarily. But, they ultimately increase metabolism and may make you feel warmer than before you drank them. Try "cool" drinks, no "cold" drinks.

The nutritionists also emphasize that a good diet is just as essential during the hot weather as it is in winter, and that often our calorie needs increase rather than decrease during a hot spell.

Don't let the zooming thermometer dictate your food intake. It's the energy you expend and not the temperature which determines the foods you need. Children, who usually become more active in summer and persons who go in for outdoor sports may need more rather than fewer calories when the mercury climbs. Protein requirements remain fairly constant regardless of outside temperature.

Cool milk can be just as refreshing as other cool drinks and at the same time will supply valuable nutrients. Good hot weather meals should include at least a quart of milk daily for the youngsters and a pint for grown-ups.

Hot weather meals should also include at least one serving of meat, fish or poultry daily, as well as an egg. Meals can be hot or cold as long as they include the needed nutrients, but planning for one hot dish may result in better planning for the rest of the meal.

Plenty of fruits and vegetables, whole grain or enriched bread or cereal and butter or fortified margarine should be included daily in the hot weather diet.

Novi Lodge News

Sister Rowena Salow will entertain the Novi Past Noble Club for a dinner party and afternoon meeting, at her home Thursday, Aug. 20.

A group of Novi Odd-fellows and Rebekahs are planning a visit to the Odd-fellow and Rebekah Home at Jackson Sunday, Aug. 16. All desiring to go are asked to meet at the hall at 9:30. Transportation will be available for those who have none. Please bring table service and a dish to pass for the pot-luck picnic dinner.

Revitzer Home Scene of Reunion

Memories of a group of ladies were turned back some thirty years Wednesday afternoon when they met for a reunion at the home of Mrs. Joseph Revitzer of Bathany Rd.

Entertaining her guests on the lawn, Mrs. Revitzer recalled with them the days when they were co-workers at Sanders' first Woodward Ave. store. It was the first reunion for many of the women in more than thirty years.

Bridesmaids Wear Pink for Couse-Siebert Wedding Service

Church bells rang Saturday night for Carol Jean Siebert and Blake Thomas Couse. Their wedding took place at the Northville First Presbyterian Church with the Rev. Dr. Harold F. Fredsell officiating at the single ring, candlelight service at 8 o'clock.

The bride is the daughter of Mr. and Mrs. Wm. J. Siebert of East Seven Mile Rd., and her husband's parents are Mr. and Mrs. Walter L. Couse of West Seven Mile Rd.

Given in marriage by her father, the bride appeared in a floor-length gown of bridal white lace over satin. An edge of lace encircled her neck and the sheer yoke was enclosed with the lace which fell over the molded bodice and full skirt, ending in billows of net. Her long close fitting sleeves were made of matching lace and a cap etched with seed pearls held in place her fingertip veil. White gardenias and stephanotis formed the bridal bouquet.

Attending as matron of honor was Mrs. Marshall Sayre of Metuchen, N. J. She wore a ballerina-length dress of pink net over satin. A sheer net jacket was worn over the strapless bodice and the net which fell over the satin skirt was caught to the waistline with accordion pleats. Her shoes and headpiece were of matching pink and she carried a bouquet of pink and red geraniums.

The bridesmaids were Barbara and Elsa Couse, sisters of the bridegroom; Delores Germaine of Columbus, O., and Mrs. Robert Gilfallin of Grand Rapids. Their costumes were identical to the matron of honor's and they carried bouquets of pink geraniums. Monty K. Marshall of Flint performed the duties of best man and seating the guests were Frank Stocking of Arlington, Va. Ben-

Mrs. Blake T. Couse

ton Gates of Ann Arbor, Kenwood Henzie of Detroit and Keith Simmons of Northville.

Two hundred guests gathered at Botsford Inn following the ceremony to attend the reception. Mrs. Siebert greeted the guests wearing a toast colored lace dress with beige and toast accessories. Gardenias formed her corsage. Mrs. Couse chose a champagne colored dress with brown accessories. Her corsage consisted of brown orchids.

When the newlyweds left on their honeymoon trip to Douglas Lake, Carol was wearing a pale pink linen dress and white accessories. The center gardenias from her bouquet were pinned to her shoulder. Upon their return they will make their home in Detroit.

September Date Set for Fur Style Show

The annual "Holiday in Furs" style show, sponsored by the Women's Volunteer Committee of the American Cancer Society, will take place Wednesday, Sept. 16, according to Mrs. E. J. Willis, chairman of the Northville branch. The show will be presented at the Krim Theater, Highland Park, at 1:30.

Several four skin fur scarfs will be given away as door prizes during the afternoon. Further information may be secured by calling Mrs. Willis.

Women Bowlers to Organize Tonight

There will be a women's bowling meeting tonight, Thursday, at the Royal Recreation Bowling Alleys, at 7:30. Those interested in bowling this year should plan to attend the meeting.

Those unable to attend the meeting may call the secretary, Earlene Gaffield, 723-J, or call Joe Alessi, 9154.

Betty Tugh Wed Saturday Night

Mr. and Mrs. George Tugh of Ann Arbor Trail, Plymouth, announce the marriage of their daughter, Betty, to James Little of Plymouth. The wedding took place Saturday night, Aug. 8 at the First Baptist Church in Plymouth.

Open House Sunday to Honor Munros on Golden Anniversary

Open house will be held Sunday, Aug. 16 at the home of Mr. and Mrs. William Hansor at the corner of Taft and Grand River, to honor Mr. and Mrs. J. O. Munro, who this week are celebrating their Golden Wedding anniversary. Their many friends and relatives will gather from 2 to 5 p.m. Sunday afternoon at the house where the honored couple exchanged marriage vows Aug. 12, 1903.

Among the guests planning to attend will be 86-year old Mrs. Delos Leavenworth, who owned the house at the time the Munros were married, and Mrs. Julia Hutton of Detroit, who was a witness at the ceremony. Mrs. Hansor is a cousin of Mr. Munro.

The Munros have lived at 44601 W. Grand River their entire married life. They have two children, Donald, who lives in California and Mrs. Mary Guntzville of Taft Rd. They also have six grandchildren, Larry, Timothy and Engel Munro, Alvin and Lana Whistle, and Charles Voss Guntzville.

The reception followed at the bride's home.

The newlyweds are now honeymooning in northern Michigan.

Blue Star Mothers Name Friday "Daisy Day"

The Northville Chapter of the Blue Star Mothers has set Friday, Aug. 14, as "Daisy Day" in the village.

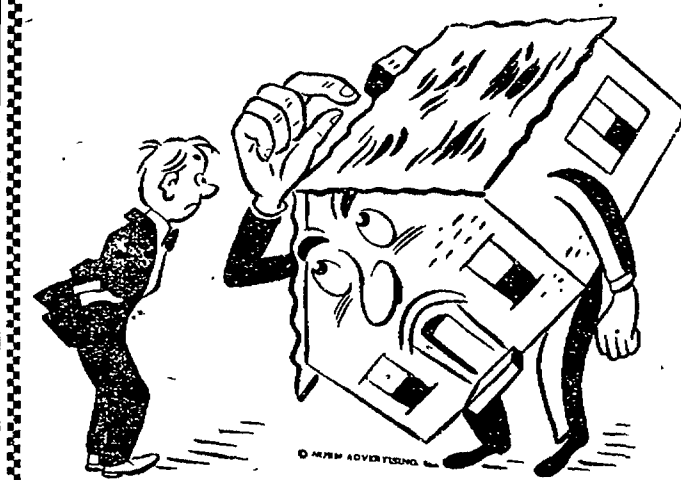

The ladies of the chapter will be on the streets that day to accept donations to support their rehabilitation work with veterans.

The "daisies" to be sold Friday are made by veterans and are sold throughout the country on days designated by Blue Star Mothers chapters.

Part of the money collected will be sent to Lake Orion, where a home for disabled veterans is maintained by all Michigan Chapters of Blue Star Mothers. The remaining funds will be used to carry on work among local needy veterans and their children. Maybury and Eastlawn Sanatoriums are among the hospitals visited regularly by the ladies.

Sunday School to Have Picnic Fri.

The annual Baptist Sunday School picnic will be held at Island Lake Friday, Aug. 14. Those planning to attend are asked to meet at the church at 3 p.m. and transportation will be furnished. Supper will be served at 6:30 to be followed by a program which will include showing the Gospel film "Betrayed".

Replace It For About \$5.00 A Month!

That's all it costs to reroof the average house with quality materials from NOWELS.

NOTICE TO BIDDERS

Sealed bids will be received at the office of the Village Clerk, Village of Northville, Michigan, on or before August 17, 1953, at 8:00 p.m., at which time they will be opened, setting forth the manner and cost of doing the following described work:

Acidizing of No. 2—10 inch by 90 foot water well in which:

1. One thousand gallons of 15% (10 Be.) Hydrochloric acid will be used.

2. An inhibitor will be used in the acid which will properly protect the metal of the well screen, casing and pump; and the inhibitor will have non-toxic properties.

3. The contractors will give the Village Commissioners a sample of the solvent to be used for test should it be desirable to conduct such test.

4. The work will be done under the supervision of a licensed chemical engineer.

5. The contractor doing the work will remain on the job until all acid is flushed from the well and flowing water tests alkaline with Ph indicator.

The Village of Northville reserves the right to accept or reject any or all bids, or to accept the bid which in the opinion of the Village Commissioners is to the best interests of the Village. Dated August 4, 1953.

Village of Northville, Mary Alexander, Clerk 10-11

TO THE SUPERVISOR OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN.

Madam: You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on July 23, 1953, decide and determine, that the certain street described in the minutes of said Board should be a County road under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said street are hereby made a part of this notice, and are as follows:

All of Westview Drive as dedicated for public use in Westview Estates, a sub. of part of the E. 1/4 of the N.W. 1/4 of Sec. 5, T13S, R2E, Northville Twp., Wayne Co., Mich. as recorded in Labor 74 of Plats on page 73, Wayne County Records; constituting a total of 0.407 mile of county road.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes: Commissioners Wilson, O'Brien and O'Hara. Nays: None.

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 282 OF THE PUBLIC ACTS OF 1905, AS AMENDED. In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 30th day of July, A. D. 1953.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN.

Charles L. Wilson, Chairman
Michael J. O'Brien, Vice-Chairman
John P. O'Hara, Commissioner
By Sylvester A. Noetzel Secretary and Clerk of the Board. 10-13

5 YEARS FREE SERVICE

HERE'S HOW IT WORKS:

When we sell you a new appliance, we agree to provide:

- **FREE LABOR ON YOUR SERVICE CALLS** FOR 5 YEARS FROM DATE OF SALE
- **NO CHARGE AT ALL** WHILE PARTS WARRANTY IS IN EFFECT

Naturally, where the parts guarantee has expired, there will be a charge for PARTS NEEDED ONLY.

How Can We Afford To Do This?

1. We have always maintained a large service department. Therefore, we can handle the additional service calls.
2. We feel that our exceptional service brings us additional business, and of course, that's what we're after.
3. We have COMPLETE FAITH in the quality of the products we sell . . . Therefore, service needs will be at a minimum.

We also service, at our regular fees, all makes of appliances regardless where purchased.

'Country Slicks' in Oakland County Fair

The Novi "Country Slicks" 4-H Club is taking part in the Oakland County Agricultural and 4-H Club Fair at Pontiac Aug. 11 through 15.

The girls posed for a picture with some of their exhibits just before the Fair opened Tuesday. See story for identification.

Optimists Leading Play-Off Tourney in Softball League

The Optimist Club softball team has apparently turned giant killer in the Adult softball league, after barely squeezing into the play-offs.

As of Tuesday night, the Optimists were at the top of the play-off heap after winning two games over teams which finished ahead of them in regular season play.

V.F.W. Fades Out

The seemingly invincible VFW team, which led the league down to the wire, faltered at the end and wound up in a first-place tie with Cy Owens. The falter turned into collapse, however, as both the Mayors and Cy Owens beat V.F.W. Monday and Tuesday night, 6 to 1 and 3 to 0 respectively, to force V.F.W. elimination from the two-loss and out tournament.

The Optimists, ending the regular season in a fourth place tie with Clarenceville, edged Clarenceville in a game to determine eligibility for the play-offs, 1 to 0. Caldwell pitched the Optimists to victory with a one-hitter, although Roberts, the Clarenceville hurler, allowed the Optimists only two hits.

Novi, Northville Clubs In County 4-H Show

Competing in the Oakland County Agricultural and 4-H Fair at Pontiac this week are two clubs from this area, the Novi "Country Slicks" and the Northville "Lucky Leaf" clubs.

Projects taken by the "Country Slicks" for the show, Aug. 11 through 15, are baby sitting, calves, clothing, flowers, food, food preservation, home improvement, horses, junior leadership, photography, poultry, rabbits, first aid and 4-H Club girl.

Leaders of the Novi club are Mrs. Sally Wimmer, Mrs. Sharpe and Mrs. Kolk.

"Country Slicks" in the adjoining picture are, left to right, Barbara Wimmer, Donna Frisbie,

Sharon Edelmann, Jacqueline Bailey, Joan Keck, Carol Clemens, Jacqueline Sharpe, Barbara Archer, Sue Tobin, Ann Shoemaker, Marilyn Sharpe, Linda Kolk, Gail Putnam and Mrs. James Wimmer, leader.

The show opened Tuesday with the placing of all exhibits and choosing of the Fair Queen. The South Lyon High School Band played just before the fireworks display.

Wednesday's activities included judging of home economics exhibits, and judging of dairy classes and general exhibits. There was an archery contest, dairy showmanship, a baseball game between the Lucky Leafs and

Optimists Win 2

The Optimists beat Cy Owens 2 to 0 Monday night, and swamped the Mayors 20 to 1 on Tuesday to post a perfect record.

Wednesday night's game, between the Mayors and Cy Owens, eliminated the loser.

Tonight, Thursday, the Optimists will play the winner of Wednesday's game. An Optimist victory will end the tournament. An Optimist loss will even the

score and force a final game Friday night.

The teams which finished in first four places in the Adult league qualified for playoffs. The eight teams finished in this order: V.F.W. and Cy Owens, tie for first; Mayors, third; Optimists, fourth; Clarenceville, fifth; Legion, sixth; Bloom's, seventh, and Walled Lake Door, eighth.

USE RECORD CLASSIFIEDS

Rolling Acres and a parade of clubs before the pig scramble.

Today's events will concern the judging of hogs, sheep and beef, with a baseball game in the afternoon. Contest night for children and adults will be at 8:30 p.m.

Friday's major events will be a 4-H tour of General Motors Truck and Coach display, a tractor field day and a machinery parade. The Chrysler Kiltie band will perform at 8 p.m. and a 4-H Amateur program will follow at 8:30.

The Fair will end Saturday with judging of horses at 9 a.m. followed by an all-day horse show.

WHAT ARE MY CHANCES?

Nineteen out of every 20 who ever get saved do so before they reach the age of 25! (The scriptural term "saved" means that a person's sins are forgiven and they have experienced the new birth whereby they have received everlasting life.)

After 25, only one in 10,000. After 35, only one in 50,000. After 45, only one in 200,000. After 55, only one in 300,000. After 75, only one in 700,000. Dr. Wilbur Chapman tested a meeting where 4,500 were present. The results were:

400 were saved before 10 years of age.
600 were saved between 12 and 14.
600 were saved between 14 and 16.
1,000 were saved between 16 and 20.
25 were saved after 30 years of age.
1,875 were unsaved.

One can easily see from these statistics that the older one gets the less opportunity there is to be saved. The continuing hardening of one's heart, and the dulling effect caused by constant refusal to accept God's invitation are no doubt the main continuing factors.

Ted Baldwin Is Commissioned Second Lieutenant

Former Master Sergeant Ted Baldwin, Jr. has been commissioned a second lieutenant in the Army Medical Service Corps, and is serving with an Army Dispensary detachment in the Presidio of San Francisco, Calif.

Lt. Baldwin learned of the commission when he returned Aug. 1 to California after he and his wife, Jane, and their three sons, Michael, Richard and Stephan, had spent a 30-day furlough in Northville with Mrs. Baldwin's mother, Mrs. F. R. Lanning.

Lt. Baldwin is the son of Mrs. Lillian Baldwin, of Jackson, Mich., formerly of Northville.

Lt. Baldwin first entered service in February, 1945, and served for two years. He then served a three-year enlistment in the Reserve before enlisting in the Michigan National Guard. He was recalled to active duty in January of 1951 and in June was sent to Korea. He was sent to his present station in California when he returned from Korean duty.

A brother, Master Sergeant Ransom E. Baldwin, is now stationed in Germany with his wife and daughter.

David Severance in Naval Graduation

David Severance was among the Airman Recruit Trainees taking part in the graduation exercises held at the U. S. Naval Air Station at Grosse Ile, Mich., Wednesday, Aug. 5. Another member of the class was John Harris, of Ypsilanti, who has visited David many times and is known to the Northville younger set.

Open house was held after the exercises at which time the trainees were allowed to show their guests around the station.

David is the son of Mr. and Mrs. Don Severance. He will continue to study at the Radar School at the air station until October.

Who Wants A Bird?

Mrs. Carol Richards acts as official "pigeon custodian" as she phones to find a home for the bird, a homing pigeon which didn't go home. Mrs. Richards, society editor at the Northville Record, inherited the pigeon after it was found wandering in Main street traffic.

Stranded Homing Pigeon, Hurt, Gets New Home

"Flunkie", the homing pigeon who got lost, has found a new home near Northville. This probably makes him very happy, but not nearly as happy as several Northville Record employees.

The bird was literally dropped into the collective lap of the Record staff Thursday afternoon by Bob Pullen, of East Eight Mile Rd., who found him wandering in traffic at Center and Main streets.

Mrs. Carol Richards, society editor at the Record, found herself unanimously elected pigeon custodian for the day when other staffers displayed ignorance about the bird except as squab on toast.

Customers Don't Help Customers dropping into the Record office admired the bird, but had no constructive suggestions, so Mrs. Richards decided to phone the Guntzville Taxidermy people on Taft Rd. on the theory that since they stuff and mount all kinds of animals and birds, they could probably offer a good solution.

Marvin Guntzville promptly offered the bird a home with the other pigeons in his barn. He said it probably belonged to one of several Belgian groups in Detroit which train homing pigeons and release them in this area, timing their flights back to their home lofts.

"No use in returning this one," Mr. Guntzville said. "They don't want pigeons that don't fly straight home."

Flunked Out The bird was immediately named "Flunkie", since he had obviously washed out of flight training.

"He knew what he was doing all the time," someone remarked. "He just prefers quiet old Northville to the noise and dirt in Detroit." But someone else asked: "Then what was he doing wandering around among all the trucks on Main street?"

Guntzville settled the question when the pigeon was delivered to his home. "This bird has been shot, or injured some other way," he said. "Feel him. He's light as a cork." Guntzville said he would fatten him up in short order.

Everyone was happy with that arrangement, and "Flunkie" will be too, unless he gets to wondering about all those stuffed birds and animals in the Guntzville showroom.

CARD OF THANKS

We wish to thank all our friends and neighbors, and the Casteline Funeral Home for their kindness and thoughtfulness during our recent bereavement.

Mr. and Mrs. Fred Lahr and family

Draft Preliminary Plan to Widen Farmington Cut-Off

Preliminary planning on the rebuilding of the Grand River Cut-Off to allow two-way traffic around Farmington is nearly completed, E. A. Bellenbaum, Route Location Engineer of the State Highway Department, announced last week.

Bellenbaum emphasized, however, that the Highway Department still has considerable work to do on the land survey. He also stated that the preliminary plans must still be formally approved by the Department. They have been verbally approved, however, Bellenbaum added.

According to the preliminary plans, the existing one-way road would become the west-bound lane. A new road would be constructed approximately 140 feet south of the existing highway for east-bound traffic. The new road would run generally parallel to the existing road, with a green belt in between. The two strips would allow two lanes of traffic each way and would run between the present east and west ends of

the Cut-Off.

Bellenbaum stated that work on the land survey is expected to be completed in the next month. Although Bellenbaum could give no specific date when the project would be started, he added that State Highway Commissioner Charles Ziegler has expressed a desire to get the construction under way as soon as possible.

The Highway Department has already approved the construction of a new limited access highway from the west end of the Grand River Cut-Off to Kent Lake. The new road will by-pass Novi and New Hudson to the north. The extension of two-way traffic around Farmington will tie in with the new road on the west.

State Fair to Show Match Box Radio Receiving Set

A complete radio receiving set, no larger than a small match box, will be among the articles of equipment displayed in the Michigan State Police exhibit at the Michigan State Fair.

The Fair, which opens Sept. 4 and continues through Sept. 13,

contains many other public service exhibits.

Another portion of the State Police exhibit contains a series of apertures in which rolling balls moving on wire tracks depict the effects of speed, braking and other maneuvers in the operation of cars.

Illuminated panels show the value of road signs and the traffic dangers they avoid if obeyed. Another exhibit, showing the result of negligent and criminal driving, includes a small car running a red traffic light that actually turns on and off.

All visitors to the Fair are invited to stop at the Social Security Administration exhibit where a representative will tell you and your family what you need to know about your social security. If there are any questions about Old-Age and Survivors Insurance, he will answer them and explain your rights under the Social Security law.

The Michigan Civil Service Commission will also be on hand to explain the objectives of their program. Copies of all current examination announcements will be on display and application forms will be distributed to interested parties.

In every way, more car for your money!

Ford gives you V-8 power like that of costly cars . . . fine car build . . . fine car ride and "at-home-everywhere" good looks - but the price tag never moves out of the low-price field

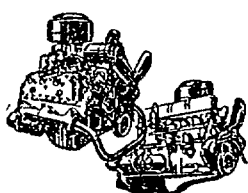

Everywhere you go people are making the swing to Ford. And can you blame them? Many cars costing over \$1000 more offer no more of the things you need and want. Here are some of Ford's "Worth More" features . . . but to get the full Ford "Worth More" story, Test Drive a new Ford today!

Less front-end road shock. The kind of shock you feel most is reduced up to 80% with Ford's new ride. You get a smoother, more balanced, more comfortable ride all around!

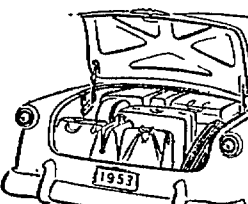

Suspended pedals are designed to work easier and make foot space of your Ford's entire floor area. Suspended pedals are also a "keep out" sign to dirt and drafts . . . make it easier to keep the floor clean!

Smooth V-8 power is exclusive to Ford in its field. And Ford's Mileage Maker is the most modern Six you can own! Both the V-8 and Six-cylinder power plants deliver their hill-climbing "go" on regular gas—and not much of that, thanks to Ford's Automatic Power Pilot!

An extra suitcase will fit into Ford's luggage compartment—the roomiest in the low-price field. In fact, Ford's combined luggage and passenger space is the greatest in the low-price field . . . compares with that of many cars of higher price.

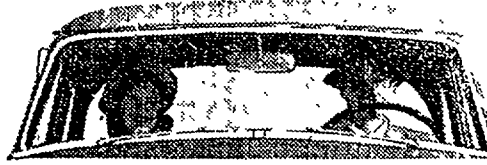

Center-Fill Fueling permits filling your Ford from either side . . . saves you time when refueling . . . and puts an end to those scratches on your fender!

Curved one-piece windshield (below) and large picture windows, give Ford the most "look out" area in the low-price field . . . another reason your Ford is worth more when you buy it . . . worth more when you sell it!

GREAT TV! FORD THEATRE,

See it . . . Value Check it . . . Test Drive it . . .

Fall Activities Planned by Recreation Dept.

A fall recreation program which will include tournaments, boat trips, hikes, new time groups and junior high school football is being planned now by Wilson Funk, Recreation Director, and

others interested in the recreation program.

Archery and Ping Pong

First in the series of events will be archery and ping pong tournaments scheduled for the early fall. Village President Conrad E. Langfield is sponsoring both tournaments with trophies now on display in the window of the Northville Men's Shop.

The tournament will be open to all age groups, with a handicap system to be set up after the first tryout rounds. Entries should be made on Thursday, Aug. 27 or by mailing cards to "Northville Recreation, Village Hall", giving name, address and the tournament selected for entry.

Boat Trips

Canoe trips, fishing expeditions, camping trips and a boat float down the Huron River will be offered to teen-agers on Saturdays during September and October, according to Mr. Funk.

Scout Building

The billiard tables and juke box, plus a new magazine section, will be open at the Recreation Building Aug. 28, Mr. Funk said. A new outdoor basketball play-off under the lights will begin Friday, Aug. 28, with teams forming on Thursday and Friday, Aug. 27 and 28.

Nature Hikes

Also on Friday, Aug. 28, will be a Nature Hike by the Northville Nature Club through the section of Kensington Metropolitan Park damaged by recent high winds. The hike will begin at 9:30 a.m. W. Hopkins will be the leader on the trip, assisted by Charles Damm, of the Park Commission. Mrs. Cy Frid, Mrs. Harold Hartley and Mr. Funk will supervise the group.

All boys and girls interested should sign up so transportation may be arranged in advance. Arrangements should be made with either Mrs. Hartley or Mrs. Frid. Hikers should bring a lunch and their best walking shoes, according to Mr. Funk. Adults are also invited to join this group.

New Time Groups

Younger boys and girls and teen-agers will be separated in their activities at the Recreation Building to some extent this year, said Mr. Funk. Youth under 12 years will have full use of the recreation equipment from 1 to 3 p.m. Monday through Friday. The teen-agers will take over from

GRANDMA

By Charles Kuhn

JITTER

By Arthur Poinier

VIRGIL

By Len Kleis

3 to 5 p.m. daily and from 7 to 10 p.m. until school opens.

Junior Police

Junior Police this year will be under the supervision of Police Sergeant Gil Glasson, with Mr. Funk assisting. The first meeting, to elect officers, will be Sept. 2.

Football

Junior High football will get

an early start this year with a game with Plymouth planned by High School Athletic Director Al Jones and members of the Recreation Committee.

Junior High football has been delayed until late in the season during the past four years, but new equipment now makes possible an early start. The cooperation of Mrs. Ida Cooke, the Junior High Student Council and the Recreation Committee has added the new equipment, and, along with the older togs inherited from the varsity team, complete uniforms may now be worn by the players. Coaches Jones and Dick Kay will again supervise the Junior High group.

Brengle Herd Officially Typed

Roland M. Brengle, Jr., of South Lyon, has recently had his herd of registered Holstein-Friesian dairy cattle classified for type (body conformation) under the official Type Classification program, conducted by The Holstein-Friesian Association of America, national organization of Holstein-Friesian cattle breeders.

Official inspector was R. D. Briggs, Cobleskill, N. Y. This was the first time the herd has been classified under the official program, maintained in an effort to improve still further the Holstein breed.

Of 10 eligible animals in the herd now classified, 5 are designated "Good Plus", 3 "Good".

Junior Police to Elect Officers

Northville's Junior Police will elect new officers at their first fall meeting Wednesday, Sept. 2, according to Police Sergeant Gil Glasson, advisor of the group. They will also plan the fall and winter programs at the meeting.

Five new events are in the planning stage. Organized detail work with instructive movies will make the 1953 winter full of interesting meetings for Junior Police, according to Sgt. Glasson.

Glasson urges all Junior Police to shine up their badges and show up in large numbers for this first meeting of the new year and take advantage of the new program.

MIDWEST CHEESECAKE—Despite grown-up competition from an "unending line of national beauty contests, midwest youngsters go right on attracting their share of attention—and laurels. AT LEFT is unidentified Indian miss who obviously deserves her place as a "doll among dolls" to attract tourists to an Indian resort in Wisconsin. AT RIGHT is Patricia Kittle, 2, of Hutchinson, Kansas, who refused to let a city ordinance requiring all dogs be penned up the year 'round keep her from getting a pet. So she got a pet goose named "Beeper" and its "honks" draw many "ganders" as they cycle in the park.

News from West Point Park

Miss L. A. Ault

Mr. and Mrs. Reek and children of Dearborn were last Sunday afternoon guests of Mr. and Mrs. Arthur Muir on Shadyside Ave.

Mr. and Mrs. William Griffith and their daughter, Cathie, of Dearborn were calling on Mr. and Mrs. E. W. Stange, Mayfield Ave., last Sunday afternoon.

Mr. and Mrs. Ed Grant of Farmington Rd., accompanied their son-in-law and daughter, Mr. and Mrs. Don Masters, of Wyandotte, on a visit to the Grant's eldest son, Ted Grant, in Battle Creek, last Saturday.

Mr. and Mrs. Roy Standish of Ypsilanti were visiting the former's sister, Mrs. Herman Schult, and her family, on Shadyside Ave. last Sunday.

Miss Ina Mae Tallman of Los Angeles, Calif. arrived by plane Sunday to be the guest for a month of her grandparents, Mr. and Mrs. Ernest Tallman, on Mayfield Ave.

Mrs. William Allen of Detroit spent last Monday with Mrs. E. W. Stange on Mayfield Ave.

Mr. and Mrs. Robert Hunter and daughter, Mary Margaret, of Detroit were Monday evening guests of Mr. and Mrs. Forrest Ault on Hubbard Ave.

The Kenneth Skow family of Mayfield Ave. spent last Sunday at Boh-Lu.

Albert Owen of Mayfield Ave. is a patient at Sessions Hospital, Northville.

Mrs. Virginia Oman of Brentwood Ave. was a last week-end guest of her brother-in-law and sister, Loren and Helen Read, of South Lyon.

Mr. and Mrs. Cecil Willet and their daughter, Joanne, and Joanne Craig, of Mayfield Ave., who had been in northern Michigan for two weeks, returned home Tuesday evening.

Mr. and Mrs. Austin Ault of Brentwood Ave. were at South Lyon last Sunday attending a birthday dinner honoring their son-in-law, Loren Read.

Mr. and Mrs. William Sherman and their daughters, Elizabeth and Ruth, of Mayfield Ave. have returned home from a vacation trip to Florida.

Robert Judd and his daughter, Loretta, of Grosse Pointe called on the former's mother-in-law, Mrs. E. W. Stange, on Mayfield Ave., Wednesday afternoon.

Mrs. Kenneth Skow of Mayfield Ave. had her mother, Mrs. Koffalo of Detroit as a house guest three days of this week.

Mr. and Mrs. George Middlewood and their nephew, Don Bohlinger, were visiting the latter's mother, Mrs. Ervin Bohlinger, in University Hospital, Ann Arbor, Tuesday evening.

The Carlos family, who for a time occupied what is known as the Brunelle house on Mayfield Ave., have returned to their former home in Florida.

Miss Beverly Bohlinger of Mayfield Ave. and her cousin, Pat Middlewood, of Farmington Rd., are spending this week with their aunt, Miss Esther Middlewood, who is vacationing in the Upper Peninsula.

Mr. and Mrs. Thomas Roberts and their three daughters from Monroe were Wednesday night guests of Mr. and Mrs. Forrest Ault on Hubbard Ave.

Miss Janet Schult of Shadyside Ave. spent three days of this week with her sister, Mrs. James Maynard and her family, in Norway.

Mr. and Mrs. Harvey Taylor, with a daughter and grandson, of Detroit, were calling on Mrs. Walter Rehahn, Mayfield Ave., Thursday afternoon.

The Neighborhood Sunshine Sisters met in the church last Wednesday afternoon. Another Sunshine meeting will be held in the church on Wednesday, Aug. 19. Continued from the last meeting, the topic "Sunday School Literature" will be up for discussion.

At the family home on Shadyside Ave., Mrs. John Varhol entertained Friday evening honor-

ing the 12th birthday of her daughter, Pauline. A large group of the young lady's friends were in attendance. There were games with pretty prizes and birthday cake with proper accompaniments. Pauline received many attractive gifts.

Robert Baldwin of Farmington Rd. and his nephew, William Dixon, of Shadyside Ave., have returned home from a most successful fishing vacation in Canada.

Neighborhood Church, near the corner of Mayfield and Norfolk, is now open for mid-week services each Thursday at 8 p.m. Gordon Cameron, of Redford, spoke inspiringly last Thursday evening.

Miss Dorothy Smith of West Eight Mile Rd. has returned home from a vacation to Colorado.

Mrs. Clinton Ault of Mayfield Ave. called at the Brown home on Greening last Wednesday.

Mrs. Kline, of Detroit, spent Thursday at the home of her son, Russell Kline, on Parker.

The Kenneth Skows of Mayfield Ave. visited in Detroit Thursday evening.

Mrs. Herman Schult and her son, Fred, of Shadyside Ave. visited with Mrs. James Maynard and her family in Norway last Wednesday evening.

Mrs. George W. Sandau, Hubbard Ave. was in attendance Wednesday night at a stork shower honoring one of her friends in Redford.

Freda Ault, Norfolk Ave., visited in Harper Hospital, Detroit, Thursday and Friday of this week.

Mrs. Ervin Bohlinger of Mayfield Ave. is still a patient in University Hospital, Ann Arbor, where she is convalescing from surgery. She hopes to return home next week.

Mr. and Mrs. George Middlewood and daughter, Esther, of Farmington Rd. are spending the week-end with Mrs. Middlewood's parents in southern Michigan. Esther may remain for a longer visit.

The Robert Langs of Mayfield Ave. entertained a group of Detroit relatives Thursday evening.

Miss Nina Biglow of Pembroke Ave. spent Thursday in Detroit.

Sailor William Varhol of the battleship, New Jersey, is expected home in December. His mother, Mrs. John Varhol, of Shadyside Ave. and a certain young lady from down in Livonia are said to be getting together on plans for a Christmas wedding.

Two trucks from the Goodwill Industries, Detroit, were out Mon-

day and Tuesday collecting useful discards from this area, which includes not only Farmington, but also West Point Park section between Eight and Seven Mile roads. It should be remembered that while the Goodwill Industries appreciate the donation of almost any kind of household article that can be renovated or repaired, they are not at the present time in a position to accept davenport or overstuffed furniture. The next pickup will be on Aug. 31, since the regular time for collection would fall on Labor Day Monday. For information, call Farmington 1461-M.

Wilder Family Buys Newhouse Property

Mr. and Mrs. Grant Wilder, of Farmington, have purchased the property at 110 Rayson street, from Mr. and Mrs. Norton Newhouse, who now live in Willow Village. E. M. Bogart was the realtor handling the sale.

NEWS FROM NOVI

Mrs. Luther Rix — Phone Northville 245-J

Lillian Mair, daughter of Mr. and Mrs. William Mair, of Seelye road, accompanied Mr. and Mrs. James Wimmer and three children, Barbara and Jerry on a tour through Canada to Sault Ste. Marie and back through Michigan.

Visiting Mr. and Mrs. William Mair for ten days are Laurence Dallas, Wanda, Phillip and Triamason, of Wayne.

Mr. and Mrs. George Tobias, of Williamston, spent the week-end with their daughter and son-in-law, Mr. and Mrs. Luther Rix at

their lake cottage in Mecosta county.

About 35 ladies were present for the Blue Star Mothers picnic at Walled Lake, Monday afternoon. Several Farmington Blue Star Mothers were guests, as well as friends and relatives of the local chapter members who came from Ferndale, Wixom, Walled Lake, Novi and out state relatives from Arkansas and Cincinnati, Ohio.

Sunday, Aug. 9, official Blue Star Mothers Day, the Novi Chapter numbering 12, attended church services in full uniform at St. Williams at Walled Lake.

After the service they were served doughnuts and coffee.

Mrs. Norman Rowley and son, Tommy, and Mr. Robert Rowley, returned to their home at Pomona, Calif., after spending two weeks visiting friends and relatives in Michigan. Enroute to California, they visited relatives in Battle Creek and Minnesota.

The Kresin Family Reunion was held at the home of Mr. and Mrs. Gerald Race last Sunday. About 45 relatives were present.

Mr. and Mrs. Russell Race, Jr., and daughter Janet, are having a two week's vacation at Cape Cod.

Mr. and Mrs. Russell Race, Sr., attended a shower honoring their niece, Mrs. Babwek, at Royal Oak, Thursday evening.

Mr. and Mrs. Clare Lockwood are the new owners of the Novi Convalescent Home and have taken over their duties as managers. They have a full house at the present time and will retain the same staff of helpers.

Mitchell Rackov attended a birthday dinner at the home of Miss Linda Harnden in honor of her sister Sue, last Thursday evening in Redford.

John Rackov has a renewed scholarship by the Regents Alumni of the University of Michigan beginning his third year this fall. He has been pledged to join the Triangle Fraternity and has received his baseball letter.

The W.S.C.S. of the Novi Methodist church will have their annual picnic Wednesday, Aug. 19,

What Would You Do If

Grandma Tripped on a Broken Step?

Don't move her until you check for injuries. If you suspect a bone is broken, immobilize the bone ends and adjacent joints with a splint of padded boards, a blanket, or pillow. Get medical help. Fix that step before it causes more harm. Learn how to detect hazards, prevent accidents, and give emergency care by joining a Red Cross first aid class.

at the pool in Cass Benton Park. For transportation call Mrs. Leo Harrawood, 1327M. Meet at her church at 11:30 a.m.

Mrs. Charles Perry is spending several days with her daughter, Mrs. Warren Rice in Pontiac.

The Perry Kenner Post of the Amvets, had a special meeting last Thursday evening in the interests of raising funds to buy the Meadowbrook Clubhouse. Several prizes were donated by local business men. A sewing machine, donated by Arthur Poole, was awarded to Kenneth Rippey; oil change, donated by Ted Slentz, was given to Earl Burlafusser; case of oil, donated by Harry Watson, was given to J. W. Ray and a sandwich grill, donated by James Frisbie, was given to Harold Noggle.

Mr. and Mrs. William Rackov and sons, John and Mitchell, attended the wedding of a cousin of the latter, the present Mr. and Mrs. Stanley Wilk, in Detroit, last Saturday.

Mrs. Robert Hunt and daughter, Dorothy, and Mrs. Sam Bingham spent the last two weeks touring the New England states, spending several days at Bar Harbor, Maine fishing and enjoying the scenery.

The Novi Methodist Sunday School will vacation Sunday, Aug. 23 and 30, and Sept. 6.

Final Rites Held for Harold West

Harold West died at the Brighton Hospital Sunday after an illness of several months. He was 63 years of age. The Wests formerly lived in Northville, moving to New Hudson about two years ago.

Funeral service was held Wednesday afternoon at the Phillips-Bahnmler Funeral Home with Rev. Ivan Hodgson officiating. Burial took place at Roseland Park.

Mr. West was born in Holly, Mich., the son of the late John and Electa Stickney West. For many years he made his home in Farmington and from there he moved to Northville, living on Horton street. He had been an employee at Novi Equipment Co. for a number of years. Mr. West was a member of the B.P.O.E. Chapter 810, Pontiac.

Surviving are the wife, Irene, and a twin brother, Henry, of Farmington.

Village Youngsters Visit Camp Dearborn

Nineteen boys and girls were taken on a nature hike through Kensington Park last Wednesday as part of the Northville Recreation program. They were guided on the hike by Mr. Hopkins, State Naturalist for the park. Mrs. Harold Hartley and Mrs. Cy Frid were co-leaders for the trip.

This group later met another group of 58 Northville youngsters at Camp Dearborn for swimming, tennis, archery and boat rides. The second group was accompanied by Wilson Funk, Gail Peters and Jean Campbell. Lunch was enjoyed at the camp and the boys and girls returned to Northville by bus at 3:30.

The camp facilities were made available to the group through the courtesy of Mayor Orville Hubbard of Dearborn.

Village Commission Proceedings

REGULAR MEETING — JULY 20, 1953

A regular meeting of the Northville Village Commission was held at the Village Hall Monday evening, July 20, 1953 at 8:00 p.m.

Absent: Pres. Langfield and Comm. Woodworth.

Present: Comm. Ely, Allen, Peters and Stubenvoll.

Minutes of last regular meeting were read and approved.

Finance Committee audited following bills:

Sec'y. of State, Oper. Licenses	\$141.25
Geo. L. Young, Elec. Inspector	50.00
David Hay, July 4th Spec. Police Duty	3.10
Manning & Locklin, Gravel	16.56
Pay Roll	2386.32
R. J. Nix, Lettering Police Car	1795.82
Edw. M. Bogart, Assessor	35.00
Cy Owens, Repairs and Towing	850.00
C. Harold Bloom, Ins.	54.24
Michigan Bell Tel. Service, Service	26.20
Geo. Jerome & Co., Engineering on Storm Sewer Project	91.00
Consumers Power Co., Gas	1227.54
Heichman & VanEvery, Gravel	1.89
Marsh Office Supply, Inc., Supplies	37.84
G. E. Miller Sales & Service, Towing	20.81
Lyke's Gulf Service, Car Washes and Gas	3.30
Contractor Publishing Co., Adv. for Bids	5.24
Detroit Edison Co., Street and Traffic Lights	23.44
Mich Alexander, Co. Sewer Coll. Fees	799.24
Michigan Hydrant & Valve Mfg., Supplies	48.66
	15.48
	\$7850.79

Rural Hill Cemetery Fund

Pay Roll	148.80
Huston & Co., Lawn Mower	24.50
	\$ 173.30

Moved by Stubenvoll, supported by Allen, that bills be paid. Carried.

Moved by Stubenvoll, supported by Allen, that the date for collection of 1953 taxes without penalty be extended to Aug. 20, 1953. Carried.

Moved by Peters, supported by Stubenvoll, that two additional oxygen tanks be ordered for the new E. & J. Resuscitator. Carried.

Comm. Ely reported that a meeting was held in the office of Pres. Langfield with Mr. Roy Smith, of the Wayne Co. Rd. Commission; Mrs. Mollie Lawrence, Twp. Supervisor; James Littell, Twp. Atty.; Pres. Langfield and Comm. Ely present, at which an agreement was reached to accept the proposal of the Wayne Co. Rd. Comm. to start work on the so-called Seven Mile cut-off in 1953 and complete the road construction in 1954, providing the Northville community will contribute \$57,500.00 towards the cost of this cut-off, of which the Northville Twp. Board will pay \$20,000 and the Village of Northville the balance of \$37,500.00; the Village to pay \$20,000 of their share before work is started and the balance of \$17,500.00 on or before Sept. 1st, 1954. It was moved by Stubenvoll, supported by Allen, that this agreement be confirmed, and that the Village Commission accept the contract as prepared between the Wayne Co. Rd. Commission, the Northville Twp. Board and the Village of Northville. In the absence of Pres. Langfield, Pres. Pro Tem Claude N. Ely, and Mary Alexander, Village Clerk are authorized to execute the contract in behalf of the Village. Motion was carried.

Because of the question brought up by Sydney Frid about the construction of the Gunnison home on Rayson St. not complying with the Building Code because of the fact that 2x4 rafters are used instead of the 2x6 as called for, Mr. Harry Duerson, local representative for these homes was present with two state representatives of his company, who fully explained the roof construction of their homes. After a thorough discussion of the matter, it was moved by Stubenvoll, supported by Allen, that the Village Attorney go over the Village Building Code very carefully and give an opinion to the Village Commission as to whether or not the construction of the Gunnison homes is in violation of this code. If it is found they are in violation, it was agreed that a public hearing should be held giving interested parties the chance to express themselves regarding this matter, with a view to amending the Building Code to allow their construction if desirable.

Communication was read from Ralph Bidwell, of South Lyon, Michigan, bidding on the demolition of the three houses standing on the site to be used for the Community Bldg., in which he agreed to raise these houses for the material in them and promised to complete the job in thirty days. Atty. Ogilvie was instructed to confer with Mr. Bidwell to see if he could furnish the necessary bonds to cover the liability and performance. Clerk was also instructed to get in touch with several housewrecking firms to see if they would be interested in bidding on this project.

The report of J. Stanley Waterloo, Bldg. Inspector, was presented for the first six months of 1953, and read as follows:

48 Building Permits were issued, consisting of	
11 New Homes	Estimated Cost \$121,500.00
21 House Alterations	Estimated Cost 21,500.00
7 Commercial Alterations	Estimated Cost 76,750.00
1 Demolition	Estimated Cost 500.00
8 New Garages	Estimated Cost 5,500.00
	Total \$225,425.00

This report was accepted and placed on file.

Letter was read from Mrs. Beatrice Carlson requesting the Village Commission to consider extending time for automobile trailers to remain in the Village to include the meet at the Wolverine Race Track, as Livonia would not allow trailers parked in their city. She stated that it would benefit our local merchants and property owners if this extension was allowed. The Commissioners present were not in favor of complying with this request, as by so doing they would be in direct violation of the ordinance, which they had spent a great deal of time to prepare.

Commissioner Stubenvoll explained why storm sewer bids were not received on July 20, 1953, as advertised, stating that at a special meeting held at the office of Pres. Langfield regarding the 7-Mile cut-off it was agreed that the Village should enter into an agreement for its construction at this time and that the money set aside for storm sewer might have to be used for the cut-off. However, after further consideration of the means of financing this work, it was decided to use the money received from the Race Meet for 1953, for the construction of the 7-Mile cut-off, and to proceed with the receiving of bids on Storm Sewer construction as originally planned. Clerk was instructed to contact Geo. Jerome & Co. asking them to re-advertise for bids on this project, same to be opened Aug. 3rd, 1953, at 8:00 p.m.

Comm. Allen reported that he had met with Edw. Flaherty, Supt. of the local Ford plant and the property manager of the Ford Motor Co. at Ypsilanti, to discuss the purchase of Ford Field and adjacent property (consisting of 6.8 acres) by the Village. It was brought out that the Ford Motor Co. would like to have the Village of Northville acquire this property and would give them the first option to negotiate a favorable contract. The results of this meeting were as follows: Ford Motor Co. has found that it costs too much to give property away because of the costs involved for survey, engineering fees and appraisal required to make a transfer. Comm. Allen pointed out that the Village owned a piece of property adjacent to the Main St. plant which is practically in the front door of the Northville Ford Plant when the new office entrance is completed, which might be exchanged for the Ford Field property. Mr. Flaherty and Mr. Holloway felt that perhaps a satisfactory arrangement could be worked out for exchanging properties, plus the fact that the Village would pay the costs of necessary survey and appraisals. Letter pointing out these facts has been written to the General property manager of the Ford Motor Co. by Atty. Ogilvie and a reply will be forthcoming.

It was also agreed that if the Village did acquire this property, the name of "Ford Field" would remain as it is.

Comm. Allen also reported that the contract between Michigan Powdered Metals Prod. Co. and the Village of Northville regarding the transfer of property owned by the Village adjacent to the property of Michigan Powdered Metals had been presented to Mr. John Haller, and he thought the contract would be acceptable if it met with the approval of his attorney.

Comm. Stubenvoll stated that he felt the Village should do something about the purification of the Village water, and Clerk was instructed to get in touch with Mr. Morton Hilbert of the Wayne Co. Health Dept. to find out what equipment is recommended for this purpose.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

REGULAR MEETING — AUGUST 3, 1953

A regular meeting of the Northville Village Commission was held at the Village Hall Monday evening, Aug. 3rd, 1953 at 8 p.m. Present: Pres. Langfield, Comm. Ely, Allen, Woodworth, Peters and Stubenvoll.

Minutes of last regular meeting were read and approved.

Finance Committee audited the following bills:

J. Stanley Waterloo, Bldg. Inspector	\$87.50
Frank Lewis, Mower Part	1.07
Philip R. Ogilvie, Retainer and Fees	110.00
Bd. of Wayne Co. Rd. Comm., Street Repairs	192.63

V. George Chabut, Health Comm.	50.00
Wayne Co. Treas., Tr. Park License Fees	82.50
Ryke's Gulf Service, Gas and Car Washes	8.85
Geo. Clark Hdwys., Supplies	72.30
Judy's Standard Service, Gas and Oil	50.98
Kenneth Anderson Co., Supplies	168.85
John H. Campbell, Inc., Supplies	14.65
	\$8299.87

Rural Hill Cemetery Fund

Pay Roll	148.80
Village of Northville, Refund for Adv. from Cash	22.97
Northville Milling & Lbr. Co., Supplies	7.38
Pure Oil Products Co., Gas and Oil	4.90
Henry Budd, Rebuilding Power Mower	22.50
Village of Northville, Anderson Water Rates	7.00
	\$ 213.55

Public Improvement Fund

W. T. Anicka, Architect Fees	\$2500.00
Moved by Stubenvoll, supported by Allen, that bills be paid.	Carried.

Moved by Stubenvoll, supported by Allen, that the date for collection of 1953 taxes without penalty be extended to Aug. 20th, 1953. Carried.

Moved by Ely, supported by Stubenvoll, that the resolution submitted to the Village by the Board of Wayne Co. Rd. Comm. asking that they be granted jurisdiction over a strip of land 100 feet wide, extending from Plymouth Ave. to Edw. Hines Drive, for the construction of the Seven-Mile cut-off, be adopted. Carried.

Moved by Stubenvoll, supported by Allen, that the bids on storm sewer be closed. Carried.

Bids on storm sewer to be installed on N. Rogers, DDubuar, Linden, Randolph and High streets were opened from the following:

Caira Construction Co.	Base Bid \$18,232.30
D'Angela & Policelli	Base Bid 19,912.90
Dewey Burrell	Base Bid 22,007.03
American Underground Corp.	Base Bid 22,777.55
K. S. Excavating Co.	Base Bid 22,822.34
E. H. Shea	Base Bid 24,270.30
United Contracting Co., Inc.	Base Bid 31,879.75

Gilbert Jerome, Engineer, will tabulate these bids, and a special meeting of the Village Commission will be held Friday evening, Aug. 7th, 1953, at 8:00 p.m. to award the contract for this project.

Atty. Philip Ogilvie reported that Sec. 5.09 of Article V of the Building Code on General Engineering requirements, gives the Building Inspector discretionary powers in approving new types of construction, which would give him the authority to approve the Gunnison home erected on Rayson St. Moved by Comm. Ely, supported by Comm. Allen that Stanley Waterloo be supported in his action of approving Gunnison homes. Carried. However, Comm. Stubenvoll feels the building code should be revised to include the newer methods of construction, so that there can be no question as to the Building Inspector's authority.

The report of Treas. A. R. Clarke for the month of July, 1953, showing the following balances in the several accounts of July 31st, 1953:

General Fund	\$50,532.94
Water Fund	11,225.40
Rural Hill Ceme. Fund - Gen.	243.22
Rural Hill Ceme. Fund - Trust	738.75
Public Imp. Fund - Cash	4,010.06

The report for the Police Dept. was read by the Clerk in the absence of Chief Denton. Dr. V. Geo. Chabut also submitted his report for the month of July.

Moved by Stubenvoll, supported by Woodworth, that these reports be accepted and placed on file. Carried.

W. T. Anicka, Architect for the Community Bldg. was present to report that his office is all set to advertise for bids, and was instructed to do so, bids to be received until 7:30 p.m. Tuesday evening, Sept. 8th, 1953, and to be opened at 8:00 p.m. Detailed drawings were examined by the Village Commission and met with their approval.

Moved by Comm. Stubenvoll, supported by Allen, that Ralph Bidwell, of South Lyon, Mich., be awarded the contract to remove the three houses at 219,303 and 311 W. Main St., with the understanding that 303 and 311 W. Main St. will be removed by Sept. 1st, 1953, and the house at 219 W. Main St. by Sept. 15th, 1953, the Village of Northville to furnish the liability bond covering this work, Mr. Bidwell to cover his employees with Compensation Insurance. Carried.

Letter was read from the United States Committee for United Nations Day asking the Village to cooperate in the observance of this occasion, and requesting that the Village President publish a proclamation at the time the President of the United States does so. Pres. Langfield appointed Mr. T. R. Carrington to act as Chairman of a Committee to look after the details of this matter.

Moved by Peters, supported by Ely, that the Village purchase two dozen folding chairs for use in the Council room. Carried.

Moved by Ely, supported by Allen, that the warehouse well screen be acidized, and that the Clerk advertise for bids on this work, to be received at the regular meeting to be held Aug. 17th, 1953, at 8:00 p.m. Carried.

The Village Commission authorized the installation of a 4" water main from Rogers St. to the property of Cyril Frid, 515 Dubuar St. at this time, as the present 2" main is inadequate to take care of the Cousins property at 543 Dubuar St., and while the larger main may not be necessary for present needs, it was decided that as long as it was necessary to provide the Cousins property with a more adequate supply, it would be advisable to install the larger main to take care of future needs.

Moved by Ely, supported by Allen, that \$200 be transferred from the General Fund to the Rural Hill Cemetery Fund if it is needed to meet the Cemetery Pay Roll. Carried.

No further business appearing, meeting was adjourned. (Signed) Mary Alexander, Clerk

SPECIAL MEETING — AUGUST 7, 1953

A special meeting of the Northville Village Commission was held at the Village Hall Friday evening, Aug. 7th, 1953, at 8 p.m. Present: Pres. Langfield, Comm. Ely, Allen, Peters and Stubenvoll.

Absent: Comm. Woodworth.

This meeting was called for the purpose of awarding storm sewer contract and for changing parking lot specifications.

On recommendation of Engineer Gilbert Jerome, it was moved by Comm. Ely, supported by Stubenvoll, that the contract for construction of storm sewer on N. Rogers St., Dubuar St., Linden, Randolph and High streets be awarded to Caira Construction Co. \$2501.18,232.30. Detroit 12, Michigan, the low bidder, the base bid being \$18,232.30. Motion was carried.

Comm. Allen was designated to meet with Mr. Gilbert Jerome on Monday, Aug. 10th, 1953, at 3:00 p.m., to discuss with him slight changes to be made in Main St. parking lot entrance.

No further business appearing, meeting was adjourned. (Signed) A. R. Clarke, Acting Clerk

Church Services

CHRISTIAN SCIENCE CHURCHES

The realization that Soul is immortal, destroys the fear of death. The Lesson-Sermon under this subject will be read in all Christian Science churches on Sunday, August 16.

The Golden Text is from I Chronicles (22:18,19): "Is not the Lord your God with you? and hath he not given you rest on every side?... Now set your heart and your soul to seek the Lord your God."

Among the Bible citations is this passage, (Deut. 6:5): "Thou shalt love the Lord thy God with all thine heart, and with all thy soul, and with all thy might."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Because Soul is immortal, it does not exist in mortality. Soul must be incorporeal to be Spirit, for Spirit is not finite." (P. 335)

FIRST PRESBYTERIAN CHURCH

Rev. Dr. H. F. Fredsell, Pastor
9:00 a.m., Sunday morning service.

Aug. 9 through Sept. 6 we will worship at the Presbyterian Church, with the Rev. Ivan Hodgson, preaching.

FARMINGTON 2663-W

Michigan
Mirror

by Gene Allenman

"No one likes paying taxes and that includes me," says Michigan's Tax Commissioner. His name is Louis M. Nims, and he combines in his quiet, friendly personality a sympathy for people who must pay hard earned money into his department, and a relentlessness to collect every cent that is due.

Nims has held his civil service job since the tax commission was

established January 10, 1942. Despite unpleasant things said about tax collectors in Bible stories, Robin Hood's day and modern times, he has the reputation of being agreeable, fair and efficient.

Setting up machinery to collect the new business receipts tax is keeping the department of revenue busy. About 10 auditors and five office workers will be added to the staff.

By early September, Nims expects to have complete instructions and forms for taxpayers who are affected. There is no known precedent to base procedure on since this is the first tax of its kind in the U.S.

Commissioner Nims, however,

MICHIGAN OUTDOORS

THE HUNTING DOG PROBLEM

The choice of a hunting dog is a problem that most bird hunters have to face at some time in their lives—and in the discussion and opinions that follow this writer knows he's playing with fire! Gun dog owners are a proud lot! They're going to take exception to many of the suggestions made, herewith. Nevertheless, at this time of year so many hunters are looking for a good shooting dog that some help should be forthcoming—no here goes!

The "New" Gun Dogs

Swedish pointers, German short-hair, Weimaraners, and even the Brittany Spaniel may be considered relatively "new" breeds of hunting dogs in America. How do they compare with the old standards set by English Setters, Pointers and Spaniels?

Well, if you're going to buy a dog let's first consider the type of hunting that interests you most. If you spend most of your time in the field hunting pheasant in the southern part of Michigan my personal opinion is that you're better off with a well-trained Springer Spaniel. A pheasant is a running bird. He'll rarely hold to a point, especially after opening day. Too many pointing dogs will hold a point too long, while your bird is racing to heavy cover where shooting is impossible. The Springer, well-trained mind you, will work close, keep moving, yet show definitely by his actions when the game is near-by. Some pointing dogs will handle a moving pheasant perfectly, but too many don't.

Again, what about those "new" gun dogs? The Swedish and German Short Hair Pointers are singularly popular because they are new, and people like to try new things. The same is true of the Weimaraners, an all-purpose hunting dog. All three of these breeds are often high strung and hard to train. Of the three the Weimaraner is the best "pet," and after all one must live with a dog twelve months of the year.

Brittany Well-Established

The fourth breed, the Brittany Spaniel, is fast getting a firm grip in this country. It's the only pointing Spaniel, is rugged, easily trained, but should not be hunted for both grouse and pheasant. It is a specialist, and should be trained as such.

Grouse hunters will do best with a Pointer or Setter, with the latter getting the nod because of a steadier temperament. Pointers shine in the "style" department, but are hard to live with.

Before you buy that new dog why not check over a few favorite breeds at field trials? You'll be in a much better position to judge for yourself!

Bright girl — Bright future

"Isn't Sue pretty? And bright, too. Got a telephone job all lined up when she graduates."

"...so why don't you think about a telephone job, Joan—quite a few girls from school will be working there!"

"Guess what, Sue, I'm going to be a telephone operator, too. You were right, I didn't need experience to get the job—and I'll be paid while I learn. It's a good salary with regular raises."

"Bright young girls like telephone work. It's challenging work—among friendly people and in cheerful surroundings. You might enjoy it—find out more about it soon."

MICHIGAN BELL TELEPHONE COMPANY

108 Center

Pennies you pay as sales tax add to the biggest single account on the tax books. About \$269 million was collected in the year which ended June 30, 1953. That's some \$23 million above the previous year and an all time high.

Piddling by comparison are the \$16 million collected from intangible tax, \$8 million from inheritance tax, \$15 million from utilities and \$25 million from cigarettes.

The tax pie, which totaled \$342,400,000 last year, is cut every three months. About 62% is sent to the state's local school districts on a per capita student basis to finance education at the local level. Balance goes for other state expenses.

Biggest problem is cigarette bootleggers. The relative ease with which tobacco can be transported across state lines thus dodging Michigan's tax, keeps the department on its toes. Tax agents work closely with federal representatives and state police. When they do catch a culprit, they are entitled to confiscate the entire inventory. With the present selling price of cigarettes, each tax-dodging shipment caught finances lots of others which might go untaxed.

It costs 82 cents to collect \$100. Commissioner Nims is proud of Michigan's low collection rate. It was \$1.77 in 1940 when he started work and it declined more or less steadily ever since. "Most states work on a two or three per cent basis," he explained.

The present staff consists of 600 people compared to 469 when the department was organized. Auditors, bookkeepers, file clerks and investigators are busy checking records constantly.

"We can tell in ten days everyone who has not paid their current taxes, and we must do what we can to collect," said Nims. How well the job is done is shown by figures: only \$2 million—less than one per cent is not paid. Much of this is held up by present litigation or coming in slowly from installment payments. The latter were arranged for the bene-

fit of merchants whose records were audited to discover large sums unpaid.

There are several ways the commission handles delinquent tax payers. The big club is the right to revoke a merchant's license through legal action. This is seldom done. But a bond may be required from a consistently delinquent merchant which requires him to pay an estimated three months taxes in advance.

"Putting people out of business is sometimes a favor to them," said Nims. "And sometimes we can perform a real service for a merchant we audit." He elaborated by explaining that department auditors accumulate vast amounts of information. Certain business facts become established, with defined patterns and norms.

"Often we can tell by examining books of a man unable to pay his taxes that he simply cannot make a go of his business—and long before he is willing to admit it to himself," Nims stated. The commissioner also described incidents where auditors were able to advise merchants that they were being robbed by either employee or customer.

"Conscience money" makes another problem. It amounts to more than \$1,000 per year. Usually it comes in cash, mailed in an envelope with a note saying: "I've owed this for years and it's been bothering me," or something similar.

Spite often motivates people to write or phone the tax office with a tip that someone is cheating. These reports are investigated by a special group of agents, but about half are found to be without foundation.

A new law permits Nims to pay up to \$5,000 for tips on tax dodgers but he has had no occasion to use it yet. "One man did offer to tip us off to 10,000 cases of tax evasion at \$10 each," chuckled

State Fair to Have
Lamphrey Display

A large display of live lamphreys, the parasites that have been infesting Michigan waters, will be a part of the vast free Sportsman's Show at the Michigan State Fair, Sept. 4 through Sept. 13.

Another new feature will be a display by the Michigan Department of Conservation illustrating game and deer conservation, farm planting and game habitat. Movies of large and small game, fishing and outdoor life will be shown at regular intervals.

The public will be invited to use an 80-foot casting area and a large archery range free of charge. Equipment will be supplied or visitors are welcome to bring their own.

There will be nightly demonstrations by nationally known experts of casting, archery, the use of firearms and other sports equipment. There will also be nightly programs of dog training and expert trainers will be available for free questioning.

Bleacher seats will be provided for those who just want to watch. The show has been organized

It's certainly plain to see...

Chevrolet trucks
must be the best buy!

This year again—for the 12th straight production year—truck users are buying more Chevrolet trucks than any other make. It's plain to see that Chevrolet trucks out-sell all others because they out-value all others!

For the best buy
—buy now!

When truck users show a continued preference for one particular make of truck, you can be sure that preference is based on a single sound reason: It's the best buy!

Year after year, truck users in every field show a clear-cut preference for Chevrolet trucks by buying more of them than any other make.

Why not drop in and see why so many more truck buyers choose Chevrolet? You'll find, as they have, that Chevrolet trucks offer more of the features and advantages you want... more solid value in every way... yet it's the lowest-priced truck line of all!

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—
Ursula Hamacher and Jurgen Bonnet arrived to make their homes in Northville for a year as German exchange students.
Lisle Alexander was granted life membership in the Lloyd H. Green Post 147 of the American Legion at the Legion's state convention held in Grand Rapids. It was the first life membership granted by the local post.
At the completion of its busiest season, the Northville Downs tallied record attendance during the racing season and the largest betting total since its opening several years ago.
Registration for senior and junior high school students was scheduled for August 26 and 27. Gala events were planned for

the people of Northville during the village's second "Parade of Progress" from August 27 to September 28.
Members of the Northville Optimist Club held a stag picnic at the Wallace School of Horsemanship in lieu of its regular weekly meeting.
Northville scouts were joining the nation's "Get-Out-The-Vote" campaign.
The Morgan horses of G. F. Taft's Springbrook Farms of Northville captured seven blue ribbons and two championships at the National Morgan Horse Show at Northampton, Mass.
Thirty-six former Garden City High School students who were denied attendance at that school due to overcrowded conditions, were accepted as tuition students at Northville High School on approval of the Northville Board of Education.

perintendent of Maybury Sanatorium was named a member of the depositors committee of the Depositors State Bank.
Application blanks were available for loans under the new Home Loan Act to home owners who had lost their homes through foreclosures during the two years previous and to those whose homes were in the process of foreclosure.
Local merchants were backing the NRA League.
Monroe Weston accepted a position with the Rathbun Chevrolet Sales Co.
Fred Casterline and family, formerly of Plymouth, moved to Waterford.
Mrs. Seth Benton was in charge of the Village Library for two weeks during the absence of Mrs. Jennie Cousins.
E. M. Bogart, proprietor of the E.M.B. Food Market, showed his appreciation of the faithfulness of Frances Sprenger and Miss Marie Schoof by granting them in turn a week's vacation with pay.

FIVE YEARS AGO—
T. R. Carrington was elected chairman and Carl R. Ely was elected secretary of the newly organized Village planning commission.
D. H. VanHove was issued a patent for an improvement on an automobile seat cushion spring.
The Norman K. Pattison's moved to Northville from Dearborn.
Northville's Brader sponsored handball team took top honors in the Little Rock League by defeating the Plymouth Mail 23 to 10.
The annual American Legion Seventeenth District Memorial service and banquet were held in the First Methodist Church.

TEN YEARS AGO—
The 27th Northville Free Fair opened for five days.
Corp. Mildred Ely, Northville WAC, was on active duty with the First Battalion in Great Britain.
Lt. Robert Bray told of his flying experiences in China at the Exchange-Rotary meeting.
A mock alert and bombing of the county brought out the village emergency service.
Toy Clark was honored by the post office staff from which he retired July 31 after 37 years of service.

THIRTY-FIVE YEARS AGO—
Northville citizens gathered for religious worship services to pay their last respects to the late President Harding.
Forty-five years ago—
C. C. Yerkes, L. A. Babbitt, T. E. Murdock and R. C. Yerkes leased for a term of years the Bell Telephone plant here and were to operate it beginning August 1.

FIFTEEN YEARS AGO—
Mrs. L. Irving Xondit had as her guests at her cabin on the Ausable, Mrs. Sherwin A. Hill and Mrs. T. Glenn Phillips.
Louise Alexander and Edward Angove were guests at the J. N. McLoughlin cottage near Lewiston.
Mr. and Mrs. Ben Steers entertained the members of the Horse Show committee at a dinner party to discuss plans for the Fair Horse Show.

Twenty years ago—
For the first time in several months the Maybury Sanatorium met its payroll of \$13,000 in cash.
Mr. and Mrs. George Biery received word of the safe arrival of their family, Mr. and Mrs. Harry Willis and children in Ireland, after a trip abroad the S.S. Caledonia.
The ninth annual reunion of the East Novi School was held at the home of Mrs. Lily Angell. More than 80 old teachers and pupils were present.
Notification was made to Northville business men that the first return of the general sales tax which went into effect July 1, was to be filed in the Detroit office of the Tax Board by August 15, accompanied by one dollar for a license to sell at retail. Neither scrip nor postage was to be accepted for payment of tax.
Dr. B. H. Douglas, medical su-

Plymouth Considers Plan for Locating Doctors Quickly
The Plymouth Chamber of Commerce is considering plans to set up a new system whereby doctors could be located in emergencies through the city hall switchboard.
Chamber Secretary Nat Sibbold said that city hall officials have authorized use of the city hall switchboard on a 24-hour basis for this purpose.
If local doctors will cooperate on this measure, Sibbold said, the plan is to have at least one doctor available for emergency calls through the switchboard at all times. This would eliminate the difficulty encountered in locating doctors on short notice, he said.
Sibbold stated that the many complaints, which had been registered with him lately because doctors could not be reached in the evenings and on week-ends, precipitated consideration of this system.

Nature Study Hikes Popular at Huron Clinton Parks

Thousands of adults and youngsters are gaining a more intimate knowledge of bird, plant and animal life this summer through the nature study program of the Huron-Clinton Metropolitan Authority.
More than 1300 persons were taken on conducted nature tours of Kensington Metropolitan Park last month and hundreds more toured the Authority's other parks.
Much unusual bird life is reported by the Authority's two staff naturalists, William F. Hopkins and Charles Damm.
Comparatively rare birds to be seen at Kensington Metropolitan Park are American egrets, loons and grebes or "hell divers." Five broods of Canada geese have been hatched this season; young mallards and ruffed grouse may be seen, and among the more unusual tree nests are those of the chickadee, tufted titmouse and scarlet tanager.
In an exhibition of beach bird life at the St. Clair Metropolitan Beach children's play area headquarters are mounted specimens of the least bittern, American bittern, blue-winged teal, green-winged teal, black tern, common tern, sandpiper, cardinal and red-winged black bird, nests of the marsh wren, redbird, catbird, yellow warbler, warbling vireo, wood pewee and gold finch, and eggs of various birds, loaned by members of the St. Clair Metropolitan Beach Sanctuary Association. There are also photographs of the recently found nests.
Lower Huron Metropolitan Park near Belleville and Dexter-Huron Metropolitan Park near Ann Arbor are also popular spots for nature hikes. Trees have been labeled at Dexter-Huron Park and Lower Huron Park has a marked nature trail.
Nature trails, including the three at Kensington Park are now being relabeled for late summer and fall hikes.
Arrangements for conducted hikes for organized groups may be made by calling the Huron-Clinton Metropolitan Authority headquarters, 1750 Guardian Building, Detroit 26, telephone WO. 1-5865. The service is free of charge.

Pvt. Roy Pearsall Now in Korea

Pvt. Roy W. Pearsall, 18, son of Mrs. Echo Trubull, of Gerald Avenue, recently arrived in Korea and is serving with the Second Infantry Division.
The division participated in two of the Korean conflict's most historic battles. It captured "Heartbreak Ridge" after weeks of bitter fighting in October of 1951 and took "Old Baldy" in July of 1952.
Pvt. Pearsall, a rifleman, entered the Army in April, 1952, and took basic training at Camp Breckinridge, Ky. He has been awarded the Army of Occupation medal for service in Germany.

If your garden is far from the source of water, you will need to give thought to the construction of artificial bird baths, he says.
Filling a shallow pan with water is the simplest way you can furnish water for drinking or bathing, Professor Hann suggests. Place the pan on a post or stump, or sink it into the ground. If you place the bath on the ground, be sure that there are bushes within four or five feet to serve as escape cover from cats.
You may make a simple bird bath of concrete by digging a

shallow depression in the ground. This should be two to three feet in diameter. The bath should not be more than three inches deep in the center and should slope very gently from the margin toward the center. Most birds prefer water less than two inches deep.

Off On 'Cinderella Week-End' Trip

Mother and father kissed the children goodbye last week end, then took off on an all-expense paid trip to New York City, with television's "Cinderella Week End" program footling the bill. Above, left to right, are the children of Mr. and Mrs. Frank Bosak, of 43000 West Nine

Mile Road; Edythe, 12; Nancy, 5; Robert, 7; Susan, 4, and Frank Jr., 10. Mrs. Bosak holds Virginia, 21 months, as Mr. Bosak waits to begin the trip. Mrs. Doris Wick cared for the children while the Bosaks were gone.

August Is 75th Anniversary of Michigan Bell Co.

Seventy-five years ago this month Michigan's first telephone exchange was opened for business with 53 subscribers in Detroit.

Now, three-quarters of a century later, the Michigan Bell Telephone Company is marking its Diamond Jubilee, serving over two million in its territory throughout the state.

According to Dean Sipson, manager here for the company, Northville's first exchange was installed in 1933 in Wheeler's Grocery with about a dozen subscribers.

Service was crude compared with that of today. At first, wires were strung from most any convenient spot above ground. Roofs of buildings and tall trees were made use of instead of poles. There were frequent interruptions in service and it was almost as easy to open the window and shout to your party as it was to

Poison Ivy Found All Over Michigan

No person is completely immune to ivy poisoning and there is no section of Michigan where the three-leaved poison ivy plant

attempt to talk to him over the telephone.

Because of growth and demand for telephone service, frequent additions were made to that early switchboard and the central office was moved several times. The consolidation of the Bell Company and an independent firm also serving the community took place in 1913.

By 1924, the local exchange was serving over 900 telephones.

The telephone continued to grow with the community and to have a part in the growth of Northville itself. Since the time of the first local exchange, the system has been completely rebuilt and more facilities added from time to time.

Total telephones served by the local central office now number over 3,000.

cannot be found, the Michigan Department of Health said in advising care in avoiding the plant.

Learn to recognize the plant and stay away from it. Ivy poisoning is always unpleasant and it can be serious, causing a month-long illness which may require hospitalization.

Oil Is Poison

The poison in the ivy plant is an oil which can be carried on smoke, soot, dust, on the fur of pets, garden tools, firewood or other items which have come in contact with the plant. A person may have a recurrence of ivy poisoning from wearing uncleaned clothes which were worn at the time of the original contact. First precaution is to learn to recognize the plant and avoid it. If you think you may have been exposed, wash thoroughly with a strong laundry soap, leaving the lather to dry, then rinse. If irritation occurs and blisters appear, see your doctor.

Poison ivy can be eradicated by spraying the leaves with a 2, 4-D or "ammate" solution. Spraying should be repeated every year until plants no longer appear.

In its program of approving resorts, the Department requires that poison ivy or other noxious plants either be eradicated or controlled for the protection of the public.

Scald Vegetables Before Freezing

An important rule to remember during the home freezing season for vegetables is that all must be scalded (blanched) according to directions and cooled before freezing.

Boiling water is the surest method for scalding, according to foods and nutrition specialists at Michigan State College.

Use a large kettle holding at least four quarts of water. Scald only one pound of the prepared vegetable at one time so the temperature of the water will not be lowered too much when the vegetable is added.

Scalding time varies with each vegetable. Use a reliable guide for the time ranges for each vegetable. One such guide is the bulletin entitled "Freezing Foods for Michigan Homes" which may be obtained through your nearest extension office or agent.

Time for scalding depends on the size, age and variety. Be sure that the product has been heated to the center. Place the vegetable in a wire basket, colander or cheesecloth. After the water has reached a rolling boil, place the product into it. Count the time from the instant the vegetable is immersed. Stir occasionally to get uniform heating. Bring the water to a vigorous boil between each batch.

Cool the product immediately after removing it from the boiling water. Use cold running water or ice water. Quick, effective cooling makes better frozen products. Leave in the cold water only long enough to cool the product to the center. Drain excess water from product.

3 Young Vacationers on 8,000 Mile Trip

Three Northville young men left the village Aug. 5 on an automobile vacation on which they expect to cover approximately

8,000 miles between now and September.

The vacationers, William "Bud" Cansfield, Robert Erwin and Robert Freydl, will camp out on most of their stops in such places as Yellowstone National Park and others.
