

# Beating The Heat In Northville: Two Hot Weather Standbys And One New Twist

Clinging to tradition, Charles Eugene Mitchell, 5 (left), sticks to the ice cream style of beating the heat wave which hovered over Michigan and the midwest this week. Charles is the son of Mr. and Mrs. John Mitchell, 515 West Main St.

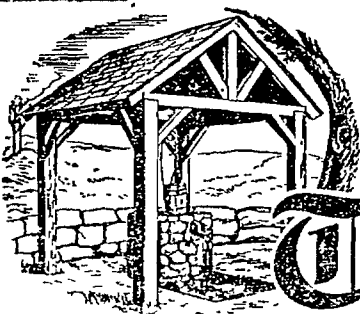

At right, other kids just took matters in their own hands and splashed in the wading pool at Cass Benton Park while mothers and fathers watched from the edge. The elders also gave in after a while and took to wading.

Two of the coolest people in Northville (at right) were Mrs. Margaret Lee (with knife), of Pennell St., and Mrs. Betty Spangler, Napier Rd., who worked at the Kroger Store meat department in a comfortable 72 degrees. They were in and out of the huge 32-degree walk-in meat box all day. "Had to come out to get warm," they said. The boom was lowered at 6 p.m., however. They had to go home.

If you're complaining of the heat, keep this issue of the Record and take a look at it again about the middle of January.

### Hot News Tip:

## It's Only 89 Days 'til Winter

Northville tried hard to beat the heat this past week. The village water pumps worked at double normal capacity. Electric fans sold like (pardon the expression) hot cakes. Beer, soft drinks and liquor sales were reported 20 per cent above normal at one store. Ice sales from one automatic dispenser jumped 100 per cent. **Losing Battle** But it was a losing battle. The weatherman saw to that. He kept

**THE WEATHERMAN GIVES THIS FORECAST FOR NORTHVILLE AND VICINITY TODAY AND TOMORROW:** Hot and humid today with generally fair skies. High about 93°. Some relief is expected Friday in the form of showers or thundershowers. However, the mercury is expected to stay near the 90° mark most of the day. Cooler weather is expected over the week-end. By Wednesday, it had been over 90° for nine consecutive days in Northville.

the mercury in the 90's during the day and only slightly lower at night. Herman Hartner, Jr., street and water superintendent, said the village's two pumps handled nearly 700,000 gallons of water each day — about twice as much as usual. Fortunately, there was little danger of a water shortage, despite the drought. Hartner said he had received "only a couple" of complaints on low water pressure — the first sign that the village's water system is overburdened. **Caught With Fans Down** The heat wave caught Northville Electric Co. by surprise. "We'd taken our fans out of the windows and substituted Duo-Therm heating units, thinking the fan season was about over," Manager Bruce Turnbull explained. "But when the mercury went up so did our fan business. We changed the window display in a hurry." Turnbull said he sold approximately 12 fans this past week. (Continued on Page 10)

## Postpone Flynn Examination

Examination of Mrs. Catherine Flynn, accused of murdering her husband, Warren, Aug. 19, was postponed until Monday, Sept. 14. Original date for the examination in the court of Judge E. M. Bogart was Monday. Northville Police Sgt. Gil Glas-son, who investigated the case Aug. 19 although off duty at the time, has charge of the case. Mrs. Flynn is accused of shooting her husband once with a .22 rifle as he sat in the kitchen of their home at 116 North Rogers St. She said the shooting ended a long series of domestic squabbles over her attention to another woman.

route home this week for a 30-day furlough. The soldier's father, James, said his son apparently sailed from Inchon, Korea, Wednesday, Aug. 26, aboard the U.S.S. General John Pope. The ship was expected to take about two weeks for the trip to the West Coast. **Word by Telegram** The Andrews family, now living in Detroit, received the first direct word from their son last Thursday in the form of a telegram sent from the ship by way of Tokyo. The telegram read: **Dear Parents:** I've been released by the Reds at last. Feel pretty good for the shape I'm in. Nothing wrong that being home won't cure. I'm en route home by boat now. Love, Jack

Viktoria Schmidt, (center) one of Northville's two German exchange students, shows her picture album to her foster parents, Mr. and Mrs. James Brummel, 10690 Six Mile Road. Viktoria, 17, will attend Northville High School and will live with the Brummels for a year.

## Early Copy Will Help

There's one thing certain about a newspaper deadline. It's inflexible. Which means the Record staff will enjoy the Labor Day holiday Sept. 7 as much as anyone. Until Tuesday, that is. On Tuesday, two days of work must be crowded into one. Therefore, early news and early advertising copy this week will take much of the pressure off the Record staff next week. And will be much appreciated.

## Band Practice to Be Held Tonight

Leslie G. Lee, director of music at Northville High School, has announced that there will be a band practice this evening, Thursday, at 7 p.m. in preparation for the band's concert at the State Fair on Monday afternoon, Labor Day.

## Vacation Is Almost Over; School to Begin Sept 14

The vacation will be at an end when Northville school students begin trooping back to classrooms and books next week. They will still have the last days of vacation Monday, Tuesday and Wednesday, but Thursday, Sept. 10, grades seven, eight and nine will report at the regular 8:30 a.m. starting time for a full day session. Buses will make their first runs on the regular schedule that day. Boys and girls enrolled in kindergarten through the sixth grade will report for the first time on Friday, Sept. 11. All students will report for classes Monday, Sept. 14. New students in the community not registered should report Thursday afternoon and Friday morning, Sept. 3 and 4, to the high school principal's office. A second registering session will take place Tuesday and Wednesday, Sept. 8 and 9.

## Barton Connors to Teach Music at Clarkston, Mich.

Barton Connors left Tuesday for Clarkston, Mich. where he has accepted a position with the Clarkston Community School as director of band and instrumental instruction. Barton is the son of Mr. and Mrs. Barton Connors of West Dunlap St.

## New Exchange Students Here for Year's Visit

Two German exchange students arrived this week for a year-long look at life in Northville. And if first impressions mean anything, they like what they see. The two visitors, Viktoria Schmidt and Karl Hofmann, both 17 years of age, landed in the United States Aug. 15 with 28 other German youngsters bound for Michigan homes. They came to Northville Sunday. The program is an experiment in international understanding handled on a state-wide basis by the Michigan Council of Churches and locally by the Northville Rotary Club. **Foster Parents** Viktoria is staying at the home of Mr. and Mrs. James Brummel on West Six Mile Rd., while Karl is living with the Al Jones family on Horton. "Viktoria is all excited about the United States and she likes Northville," Brummel said. She spent Tuesday morning registering for her senior year at Northville High School and attended a Rotary meeting with her foster father at noon. **Football Prospect** Jones, athletic director and football coach at the school, found himself with a gridiron prospect in Karl. The boy, who played soccer in his homeland, reported for practice Tuesday. Although he landed in the United States less than three weeks ago, Karl has spent most of his time in Canada. The Jones family took him along when they went on their vacation at Elgin, Bay in Ontario. Mrs. Jones reported that Karl has been having "a wonderful time" since his arrival. Karl, whose home is in Mell-

## Rotarians Appeal for Rummage Sale Contributions

Northville Rotary Club members appealed again this week for goods to sell at the club's rummage sale Sept. 11 and 12. "Nothing is too small to help us out," Fred Anderson, co-chairman of the rummage sale publicity committee, reminded. "I wish everyone in the Village would take another look through their attic for something they might not need... but might be of use to somebody else." Anderson said collections thus far have been "only a fraction of what we need." "The sale is less than two weeks away and things will have to be picked up if it's going to be a success," he said. Housewives can arrange for a pickup of rummage sale goods by calling any Rotary Club member. Most pickups will occur on Saturdays until Sept. 11. The sale, to be held under the Grandstand at Northville Downs, will go to help children who need medical care or educational opportunities. Last year, the club raised approximately \$800 for this worthy cause through the rummage sale.

## Village Commission to Meet Sept. 8

The Northville Village Commission will meet Tuesday, Sept. 8, at 8 p.m. instead of Monday because of the Labor Day holiday.

## 'Cap' Entertains Million Guests

You'd probably do a double take if you read this item in the Record's "News Around Northville" column: "E. R. 'Cap' Widmyer is entertaining 1,000,000 guests at his place on Fairbrook Rd. The Widmyer visitors are from New York, New Hampshire and Iowa." Sounds preposterous — but it's true. Except that the Widmyer guests are fish. Widmyer, director of the U.S. Fish and Wildlife Service station here, estimates that nearly 1,000,000 brown, brook and rainbow trout and bass and bluegill leave his station each year to tempt

anglers in Michigan, Ohio, Indiana and Kentucky. They're distributed on federal, state and private waters. Some leave when they're fingerlings. Others take advantage of Widmyer's — and the Government's — hospitality until they reach the legal size of seven inches. The 300,000 to 400,000 bass and bluegill produced at the station each year are spawned on the spot by brood stock. Trout eggs come from other states — brook from New Hampshire, brown from New York and Rainbow from Iowa.

The trout spend nearly 15 months here if they're kept until they reach legal size. For the first 60 days they stay in a hatching trough. Then they move to a rearing trough for a three-month stay and then to the outside ponds. **Arrive in December** Eggs usually arrive in December. During the summer each year, nearly 500,000 fingerlings are picked from the outside ponds for distribution while trout kept until they reach legal size don't leave until the following April. Widmyer explained that trout (Continued on Page 10)

## Rolling Down The River

by the PETZ BROS.

We wouldn't know, but perhaps this younger generation is getting too smart for us. Had some company the other day, part of which was a five-year old girl. Before they left we pulled out a twenty-five cent piece and laid it before her. "Know what this is?" we asked.

"Sure," said she, "it's heads!"

Now that's the way life goes, and the only way you can be sure of calling the right turn of the coin when it comes to a new car is by owning a Studebaker, of course. You'll be surprised at how much automobile has been built into such a compact package. You'll thrill at the speed, power, comfort and economy that's yours when you drive the Studebaker. Come in for a demonstration now.

So we wander around the other day and run into an old friend of ours and it turns out he is a bachelor of sorts as his recent bride is on a trip back to the old home town. He tells us that he's lonesome and by her letters she's lonesome, too. As a matter of fact, to show how lonesome she is, she sends a picture of herself sitting forlornly out on the beach. "Yeah," he said, "she sure looks lonesome, but I'd give anything to know WHO took that picture!"

Now you can be pretty lonesome yourself, sitting along some road waiting for a tow truck if you don't have that car of yours properly serviced before starting that vacation jaunt. May we suggest a visit to our shop for a complete lubrication and motor tune-up before you go? You'll be glad you did.

Yours,

# Mustangs Are 'Hot' In First Football Drills

Northville's gridiron warriors found the going very hot Monday when they opened the football season with their first practice at Cass Benton Park. Players turned out in shorts and dungarees (all the law would allow) for the drills under Head Coach Al Jones and Assistant Dick Kay. Above, left, Gene Rebitzke, Bob

Scheffer and Lamar Nalley take time for a breather and find that fans from the Phillips-Bahnmler Funeral Home helped to stir up a little breeze. Other players congregated around the water faucet and fountain to cool down (right). Paul Schulz takes the full treatment under the faucet as others wait their turn.

Coach Al Jones and his staff greeted 50 players Monday morning as the Northville High School football team opened pie-season practice at Cass Benton Park.

Despite the 95-degree weather, the squad wasted no time in getting down to business.

The morning session was devoted partly to blocking practice. In the afternoon, the squad ran through signal drills and practiced punting.

Jones said scrimmage sessions were planned before the end of the week.

The coaching staff expressed disappointment over the turnout.

"We had hoped to have about 70 out for practice," Jones said. "Some of them may show up before the end of the week but we're still wide open for candidates. I hope any boy in town who feels he'd like to play football will come down and get a suit."

Northville opens its season Sept. 18 at Ford Field with Plymouth providing the opposition.

### Motor City Pace Highlights Card at Livonia Track

The \$10,000 added Motor City Pace highlights the week's racing at Wolverine Harness Raceway as the track moves into the final half of the season.

A field of at least 22 top pacers are scheduled to go in the event which will be run in two heats today, Sept. 3 with the top five meeting in a third heat to determine the winner. The total purse is expected to exceed \$18,000, which will make it the richest of the year.

The Motor City Pace will be the final race before Grand Circuit racing begins at Wolverine on Saturday, Sept. 12. That night will see the trotting of the \$5,000 Governors Purse. A field of 17 has been entered in the two dash race which is for four and five year olds.

The final week of racing will see five \$10,000 stakes highlighted by the Wolverine Pace on Saturday, Sept. 19. That night will also feature Grand Circuit racing. Other stakes on that week's card are the Victory Song, The Bombs Away, The Ensign Hanover and the Scottish Pence.

Wolverine Raceway is located at Schoolcraft and Middlebelt roads at the Detroit Race Course.

### Wild Life Notes...

#### PHEASANT PROSPECTS—

There's good pheasant hunting in prospect in the southern Lower Peninsula this fall.

More than 585 rural mail carriers, participating in the state conservation department's eighth annual midsummer census of pheasants, counted a whopping 32 per cent more broods than last year.

The mail carriers covered 38 southern Lower Peninsula counties from July 27 to August 8 and counted nearly 5,000 pheasant broods.

The broods averaged about six birds each — little change from previous years. Sixty-eight per cent of the hens were seen with broods, about the same as in 1952.

The population increase showed up generally throughout the pheasant range.

The Thumb counties again showed the highest population, registering a 36 per cent increase over the 1952 count.

The Ottawa-Allegan county area was second again this year, although only a moderate increase showed up.

The southeastern counties which showed a slight increase, placed third, while the central counties of the southern Lower Peninsula placed fourth in total population with a 30 per cent increase in broods counted.

#### FISHING—

September 13 marks the end of the general trout season in Michigan... the fisherman's last chance to take brook and brown trout.

However, anglers will still be able to take advantage of the special rainbow season after that date.

Most of the state's waters directly connected with the Great Lakes will be open until Nov. 30 in the extended fall season.

The list of waters to remain open includes a large number of lakes and all the major streams. Waters in 56 of the state's 83 counties will be open to the late rainbow fishermen.

A list of waters open during the season may be obtained from the conservation department's fish division in Lansing or from local conservation officers.

#### DUCK HUNTING—

Michigan duck hunters are expected to have about the same number of targets this year as last.

The U.S. Fish and Wildlife service says production on the prairie provinces of Canada, the major nesting grounds on the North American continent, has been slightly below last year, but still above the five-year average.

To counteract the drop in Canadian production, however, production of birds nesting in Michigan has been excellent this year and will supplement the migratory flights.

Cold, rainy weather early in the

**THE CRY OF "POLITICS"** can be heard in every corner of the state capitol. The charge is hurled more often these days than during campaigns or the midst of a legislative session.

"Politics" is blamed currently for the ouster of former Director Agriculture Chas. Figg. "Politics" is also blamed for lack of improved prison conditions; for the circumstance of the Conservation Commission where one member is serving beyond the time limit of his term because a new member has not been appointed and confirmed. "Politics" is the reason that no special legislative session was immediately called to discuss changing unemployment compensation. In short, "politics" is blamed for most of the undesirable conditions that exist; and for desirable conditions that do not exist.

Crying "politics" is also an easy way to keep from digging out facts that might be unsavory. The case of Charles Figg is interesting to examine from this standpoint. Is it politics or is it not? Is it a combination of political expediency and something else?

A fact is that Director Figg has the support of much of the state agricultural circle both individual farmers and farm organizations. Another fact: The Agriculture Commission consists of three Democrats, all of whom voted for the firing; two Republicans who voted to retain him. Reasons given for the dismissal sounded lame to the public.

Democrat Commissioners say Figg "is not himself"; Figg says he feels fine and presents two

doctors statements that he is in good health. Democrat Commissioners say Ag department employee morale is low and administration is poor. This is hard for the common man to ascertain.

Most conclusive fact of all is that Director Figg is fired. The party balance of the Ag Commission is not new. It could have been aligned to discharge the director anytime for several years. Commissioner Clarence Smith of Williamston, a Democrat and reputed personal friend of Figg, might be considered to have cast the decisive vote. He was convinced that it was the wise thing to do either by political pressures or by shortcomings in Figg's performance.

Perhaps time will bring out the facts that will permit judgment of the Commission's action. Until it does, the question of foulness or fairness of Figg's firing will be clouded with the charge of "politics".

**UNLESS STARTLING DISCOVERIES** are made at final hearings of the Legislative investigation of retail gasoline price boosts, you can expect a few objections to justice of the increases.

Members of the committee are willing to admit unofficially that "it's tough to pay more for gas, but little can be done about the price". Their figures show that a comparison between pre-war costs and today's does not put the present price in a bad light.

All aspects of the gasoline business, they also indicate, do not smell as pure as high-octane ethyl. "Although we can't prove that price fixing exists in the refinery business," said one committee member, "there is much to indicate that it does".

He referred to a situation in Dearborn where a retailer lowered his prices. A "gas war" developed. The Dearborn local government passed an ordinance closing all gas stations between midnight and 6 a.m. The station owner, who charges that the ordinance was passed primarily to hurt his business rather than for the good of the city, is seeking court intervention on the grounds of trade restraint.

The committee also listened to retailers, representatives of the state, trade organizations and several other groups. While they do not endorse all operation practices, the committee cannot find sufficient grounds to charge that the price boosts are unjustified.

**MEN FROM 141 MICHIGAN** communities gathered last week at University of Michigan. They were on hand for the annual district convention of Kiwanis International. Their general aim was to review their community building programs and to survey blueprints for greater service in months ahead.

The "We Build" motto of Kiwanis is known in every locality where there is an organization. Those who attended busied themselves with routine but necessary Kiwanis business, panel discussions, committee reports, lunches and dinners.

There were top-notch speakers on hand, Charles Phelps Taft, younger brother and one time law partner of Senator Robert A. Taft,

spoke at a Sunday evening meeting which was open to the public. His subject was "Applying Christianity in Daily Living". Other speakers included Kenneth McFarland, noted Kansas educator; John R. Wright, Lakeland, Fla., realtor and citrus grower; Bennett O. Knudsen, Albert Lea, Minn., attorney and radio station operator; Kenneth P. Greenaway, Montreal, Quebec, public relations executive; and Walter J. L. Ray, Detroit banker and immediate past president of Kiwanis International.

### Plymouth Elm Trees Free of Disease

No traces of Dutch Elm disease have been found in Plymouth, it was reported last week by the State Department of Agriculture. A check of Plymouth trees began a month ago revealed that there are "no suspect trees". Northville's elms were declared free of disease in a survey conducted previously.

### Summer Deaths Bring Labor Day Safety Warning

State Police Commissioner Joseph A. Childs is urging Labor Day week-end motorists to drive with the utmost caution and avoid a bloody conclusion to what has been one of the most deadly summer vacation periods in Michigan history.

"The months of June, July and August," Childs said, "have accounted for more than 500 traffic deaths and many delayed reports are yet to be received. Last year 493 persons were killed between Memorial Day and Labor Day."

"The Labor Day week-end death toll last year was 33. The high was 46 in 1940 and the low was seven in 1944. We should aim to avoid a new high and establish a new low."

"Many persons take advantage

of the extended week-end for the season's final motor trip. Others are closing their summer cottages and bringing the children home for the start of school. But too often drivers try to travel too far and too fast, which is a deadly combination.

"With favorable weather traffic this week-end will be the heaviest ever experienced for this holiday. All available State Police troopers will be on patrol, but they will need the help of every motorist to keep accidents at a minimum."

"Every driver and pedestrian should exercise special care. Live to enjoy the holiday — not regret it."

### Goodwill Truck in Novi Sept. 8

Mrs. Harnden, telephone representative for Goodwill Industries in Novi, announces that the Goodwill pick-up trucks will visit that community on Tuesday, Sept. 8, to collect usable household discards for its rehabilitation program. Pick-up arrangements may be made by phoning Mrs. Harnden at Northville 9142.

Mrs. Harnden reports that employment at Goodwill Industries is at its highest level in history. To maintain this record employment, it is necessary that discards keep flowing into the Goodwill workshops at their present volume.

## News About Salem

Mrs. Lloyd Birckelbaw, Jr.—Phone Northville 905-R12

### SCHOOL NEWS

Salem Union School will start on Tuesday, Sept. 8. I cannot give the teachers' names at this time as no teachers have yet been secured for the upper grades.

### CHURCH NEWS

#### Salem Federated

The Ladies' Missionary Circle met Tuesday, Sept. 1 at the home of Mrs. Emma Buers, with Mrs. Arthur Hoffman as co-hostess. During the meeting the women continued work on layettes to be sent to the various missionaries which our church helps to support.

Members of the church board met Tuesday evening at the home of the pastor.

A Sunday School council meeting has been called for Tuesday, Sept. 8 at 7:30 p.m. at the church. All Sunday School teachers and officers are urged to attend.

The week of Sept. 13-20 will be our revival services with Rev. Allen Finley as guest speaker. There will be special music every night and messages that you are sure to enjoy.

### BOYS IN SERVICE

Pvt. Charles Westerfield has finished his basic training and is now with the medical corps at Camp Pickett, Va.

Bob Benjamin, son of Mr. and Mrs. William Benjamin, arrived in Germany two weeks ago and is now stationed near Frankfurt, Germany with the 50th Supply Squad of the U. S. Air Force.

Mr. and Mrs. Glenn Renwick returned Monday, Aug. 24 from Mississippi, after visiting their son, Jack, who is serving with the Air Force there.

### 4-H NEWS

Members of various 4-H clubs in this area are busy showing and preparing for show exhibits of some of their work this summer season. Paul Geiger, son of Mr. and Mrs. Frank Geiger of Five Mile Rd., is showing a four-year old cow and senior yearling at the State 4-H Show at Lansing which started last Tuesday and continues through Friday of this

week. Also having exhibits at this show are Marian Thompson, daughter of Mr. and Mrs. DeForest Thompson of Five Mile Rd., with a senior yearling; and Nancy Cort, daughter of Mr. and Mrs. Drayton Cort of Six Mile Rd., who is showing a senior calf. These three boys and girls are members of the Worden 4-H club group.

Members of the Lapham Corners 4-H Garden group are preparing exhibits of their garden projects to show at the Michigan State Fair which starts Friday, Sept. 4. If the hot dry weather of the past couple weeks doesn't spoil their plans, the following five members will exhibit baskets of garden vegetables at the fair: John Conant, Nevin and Ronald Compton, David Hawker and Lyle Clinan-smith. Their leader, Mrs. Herbert Conant, will also show an educational exhibit at the fair this year. Nevin Compton of the Lapham Corners group is representing his club at the State 4-H show at Lansing this week with his rabbit.

The last meeting of the Lapham Corners 4-H Garden group was held Friday, Aug. 21 at the home of Berva Adams, where they finished their project write-ups.

### SOCIAL LIFE

The next meeting of the Sunshine Club will be held Sept. 9 at the home of Mrs. Clara Baumgartner with Mrs. Opal Carr as co-hostess. Be sure to bring your needle and thread for our sewing project.

Mr. and Mrs. John Gable of Chicago, who visited relatives in Detroit last week-end, made calls on several friends in Salem, their former home town, during their Michigan stay.

Mrs. Cloyd Hardesty of Whitmore Lake and Mrs. Carleton Hardesty of Salem spent Monday shopping in Flint.

Mr. and Mrs. Knowles Buers and Ted and Elizabeth, and Joyce Wilson, Jim Clemens and Marjorie Clemens, and Cornelia Pickard enjoyed swimming in Briggs Lake, near Brighton, where they visited their friends, Mr. and Mrs. Eddie Musgrave last Sunday.

Mrs. R. B. Barnes of Highland Park visited Saturday afternoon and night and over Sunday with her friends, Mr. and Mrs. Ray Pond of Salem.

### DAHL'S VACATION IN EAST

Mr. and Mrs. Arthur Dahl and sons, David and Raymond, had an enjoyable 8-day vacation when they drove to Niagara Falls then up to Lake Brandt in northern New York where they visited with Mr. Dahl's sister, Catherine. On their return trip they spent some profitable time seeing Ft. Ticonderoga, Mt. Defiance and Mr. Ft. Hope, then came home by way of Cleveland, O.

### HONORED AT SHOWER

Mrs. Dick Miller was feted at a post-wedding personal shower given in her honor by Mrs. Murray Lucas at her home on West Seven Mile Rd. Thursday, Aug. 27. She received many lovely and useful gifts at this shower and the guests all enjoyed games and refreshments. Mrs. Miller was the former Lila Rakestraw before her marriage July 11.

### COMING EVENTS

Sept. 8 — Salem Union School starts its 1953-54 school year.  
Sept. 8 — the Salem Extension Club will meet at the home of Mrs. Charnell Hardesty.  
Sept. 9 — Sunshine Club meets at the home of Mrs. Clara Baumgartner.  
Sept. 13 thru Sept. 20 — Revival meetings at the Salem Federated Church.

"Peanut's Place" closed down last week until Sept. 14 while the restaurant's owner, Donald Poster, honeymooned with his bride, the former Joyce Aenchbacher, of West Seven Mile Rd. The couple were married in Indiana

Saturday morning, Aug. 29. "We hated to close the place," Poster said, "because of the regular customers who eat here day in and day out, but the restaurant will be open again on the 15th of September."

## NEWS FROM NOVI

Mrs. Luther Rix — Phone Northville 245-J

## Potatoes Too Costly to Grow, Says MSC Authority

When Grandpa was a boy, he raised potatoes — but now it's cheaper for most farmers to buy five or six bags than raise them, points out Norman Thompson, of Michigan State College farm crops department.

It has become a specialized industry, he notes, with a big machinery investment. Growers op-

erating large acreages must bone up on potato disease, culture and harvest knowledge.

Specialization has paid off in increased yields — more than twice the bushels per acre that were raised a decade ago.

All loves should be simply stepping-stones to the love of God. —Plato

Be ye strong therefore, and let not your hands be weak; for your work shall be rewarded.

## Farmington Twp. Eyes Hunting Ban

On Oct. 5, the qualified electors of Farmington Township will go to the polls to decide whether or not hunting shall be banned in the township.

The question has already created considerable interest and it is expected to increase as the special election draws near. Action on the proposed ban was initiated by residents of the township through Howard Estes, State Representative. After a survey of the township and a public hearing the legislation was approved by the House and advanced to the State Senate under the sponsorship of George Higgins. Just prior to the adjournment it was passed by the Senate and signed by the Governor. Included in the legislation is a provision that the proposal must be approved by the voters before it can become law.

Prior to the hearing before the House Conservation Committee, letters both for and against the proposal were sent to Lansing by residents of the township. In addition, a number of citizens attended the hearing in person to voice their opinions. Since the Governor signed the legislation a number of letters have appeared in The Farmington Enterprise representing both sides of the question.

According to the legislation, known as Enrolled House Bill No. 17, "It shall be unlawful for any person or persons, whether residents of this or any other state, to hunt with firearms in or upon any lands or premises in the Township of Farmington." The bill also provides that, "any person or persons violating any of the provisions of this act shall be deemed guilty of a misdemeanor and on conviction thereof shall be punished by a fine of not more than \$100 or by imprisonment in the county jail for not more than 90 days or by both such fine and imprisonment in the discretion of the court."

The legislation shall not take effect until approved by a majority of the electors voting in the special election.

## WCTS Cow Ends Testing Period

With 19,476 pounds of milk and 634 pounds of butterfat to her credit, Wacots Prince Bessie Mabel, a registered Holstein-Friesian cow owned by Wayne County Training School, has completed a 365-day production test in official Herd Improvement Registry.

She was milked three times daily, and was eight years, one month of age when she began her testing period.

Her record averages approximately 25 quarts of milk daily for the period covered by her test.

Testing was supervised by Michigan State College, in cooperation with the Holstein-Friesian Association of America.

## Pretty Summer Angel Tray

Simple desserts that combine light sweetness with refreshing coolness add much to the enjoyment of warm weather menus, especially when served in an attractive way.

A pretty and easy warm weather dessert to serve to family and guests is a combination of uniced angel cake wafers and orange ice. Cut a packaged, uniced angel cake from your grocery's ready-to-eat cake department. Or maybe two—depending on the number of guests you will serve. These cakes are made from home type cake mixes, 1 1/2 cups of oil.

To serve, spoon orange ice into a round or rectangular tin, cover with a round tray or chop plate. Arrange cake wafers in a circular pattern in a center bowl. Bring this arrangement to the table, and make beautiful savings from it.

## Kensington Park to Change Over to Fall Activities

Full operation of all summer recreation facilities will continue until after Labor Day in the parks of the Huron-Clinton Metropolitan Authority. After the holiday, there will be a gradual change-over to fall activities, though bathhouses will remain open while the weather stays warm.

### Water Ski Shows

The last of the popular daily water ski exhibitions at St. Clair Metropolitan Beach will be given at 3:30 p.m. on Labor Day. After the holiday, no parking tolls will be charged except on the weekend of Sept. 12-13. The beach will be open daily for picnics and other outings; the bathhouse will be open on all warm days and the Food Bar will be open daily.

The boat-launching ramp, that has handled up to 400 boats on a single day during the summer, is expected to receive even heavier use during September.

### Changes at Kensington

One of the two Kent Lake bathing beaches at Kensington Metropolitan Park will be closed after the holiday. Martindale Beach will be open daily through Sept. 20 and again on Sept. 26-27. The grill as well as the bathhouse will be in operation on these days.

The boat rental dock will be kept open at least through Oct. 4, perhaps longer.

### Record Attendance

Hiking trails in Kensington Park and also in Lower-Huron Park near Belleville are being relabeled for autumn use and maps are being prepared for color tours.

## Joyce Aenchbacher, Donald Poster Exchange Vows

In a quiet ceremony performed Saturday, Aug. 29 in Angola, Ind., Joyce Aenchbacher, daughter of Horace Aenchbacher of West Seven Mile Rd., became the bride of Donald Poster.

The bridegroom is the son of Mr. and Mrs. John F. Poster of Wayne.

A shoulder corsage of white carnations accented the slate blue dressmaker suit Joyce chose to wear for her wedding. A matching blue hat and navy accessories complemented her costume.

Honor attendant was Mabel Karschnick of Northville, wearing a blue and white linen suit with navy accessories and a corsage of red sweetheart roses.

Assisting Donald as best man was Horace Aenchbacher, father of the bride.

Mrs. Aenchbacher attended the ceremony in a navy suit dress and white accessories. Her flowers were talismans roses.

Following the ceremony, the bridal party dined at the Shamrock Inn, near Angola.

After their return from a two-week wedding trip to Florida, the new Mr. and Mrs. Poster will make their home in Northville.

The bride attended Northville schools and had been employed as a waitress at the Northville Restaurant. Her husband is owner of "Peanut's Place" on West Main St.

## WSCS Sets Opening Meeting for Sept. 15

At a recent board meeting of the Woman's Society of Christian Service, of the First Methodist Church, it was decided to hold the regular September meeting on Tuesday, Sept. 15.

The program for the day, "Jesus' Ministry to Village People" will be dramatized. Mrs. Frederick Turney, R.N., will have charge of the nursery during the afternoon program, stated Mrs. Merner Eilber, president of the W.S.C.S.

### Meet Sara Sue Finney!

## Engagement News Heads Social Calendar Here

Patricia Marie Lamontage

The engagement of Patricia Marie Lamontage to Oscar LaShore Leaser has been announced this week by Pat's parents, Mr. and Mrs. Royal Lamontage of Walled Lake. Oscar is the son of Mrs. Velma Bentley, also of Walled Lake.

They'll exchange nuptial vows by candlelight in the First Methodist Church of Walled Lake on Saturday, Sept. 26 and will receive their guests at a reception immediately following the ceremony at the American Legion Hall in Farmington.

The bride-elect has asked Lois Mitchell of Novi to be her maid of honor and her cousin, Mrs. Rita White of Detroit, will attend as bridesmaid.

Pat's friends have been busy planning bridal showers and parties in her honor to fill the days before her wedding.

Her sister-in-law, Mrs. Irene Lamontage, and Mrs. Margaret Bingham started the party ball rolling with a shower at the Bingham home in Novi Thursday evening. Last night, Lois Mitchell entertained at a personal shower at her Novi home and tonight, Mrs. Donald Leaser and Mrs. Welch are co-hosting a linen shower at the home of the prospective bridegroom's mother, Mrs. A. Bentley at Walled Lake.

Next week on Sept. 11, a Detroit cousin, Mrs. Harold White, will honor the bride-to-be at a miscellaneous shower.

On the evening before their wedding, the Paul Ginstel's of Twelve Mile Rd., will hold an open house in honor of Pat and Oscar.

Diane Geraldine Woodruff

At a dinner party at their Wolverine Lake home Sunday, Mr. and Mrs. Grover Woodruff, Jr., announced the engagement of their daughter, Diane Geraldine, to Lyster Wick. The bridegroom-elect is the son of Mrs. Doris Wick and Henry Wick of Northville.

The bride-to-be was graduated from Walled Lake High School in June and is now employed at the Birmingham branch of the Michigan Bell Telephone Company. Her fiancé is a graduate of Northville High School and Cleary College and is presently employed in the accounting department of the Nash-Kelvinator Corporation.

## Northville Teacher to Appear on TV

Merritt Meaker, Northville High School social studies teacher, will participate in a panel discussion of state hospitals this Sunday over television station WJBK-TV.

Meaker will appear on the program "Our Modern Mind" with Austin Whipple of Plymouth, Richard Arhaud, of the Pontiac State Hospital social service department, and Mrs. Carolyn Seefeldt, director of the social service department at Northville State Hospital.

The group will discuss community programs to keep the public informed about their hospitals as they are being developed by state hospital personnel. They also will consider what the average person can do to assist in the treatment program.

The program, moderated by Ken Kline, is scheduled for 12 noon Sunday over Channel 2.

## Woman's Union to Begin Season With Luncheon Sept. 9

The opening luncheon of the Woman's Union of the First Presbyterian Church will be held at 12:30 p.m. Wednesday, Sept. 9, in the church house.

The Rev. James A. Cannon, pastor of the Witherspoon Memorial Church, Detroit, will be the speaker for the afternoon, according to Mrs. George Weiss, program chairman. Mrs. J. R. McColl will lead the devotionals.

All women of the church are invited to attend the affair.

## Aldon Campbells Mark 60th Wedding Anniversary

Mr. and Mrs. Aldon Campbell

Mr. and Mrs. Aldon Campbell celebrated their 60th wedding anniversary Sept. 3 at their home, 9741 West Seven Mile Rd.

They were married in Hartford City, Ind. in 1893 where they made their home for several years before moving to Detroit. They established their present home in Northville 23 years ago.

A plasterer by trade, Mr. Campbell retired 19 years ago as maintenance man at Maybury Sanatorium.

They are the parents of a daughter, Mrs. Ray Honsinger of West Eight Mile Rd. There are two grandchildren and six great-grandchildren.

Grandchildren living in Northville are Mrs. Edgar Wilder and Dean Honsinger. Great-grandchildren here are Barbara and Corinne Springer, Donna and David Wilder, and Jimmy and Jeffrey Honsinger.

## Harvest Moon to Herald Arrival of Autumn at 3:07 A.M. September 23

A full harvest moon will herald the arrival of autumn at 3:07 a.m. Sept. 23.

Then the sun will cross the equator on its way south, thus entering the autumnal equinox, Miss Hazel M. Losh, associate professor of astronomy at the University of Michigan, reported this week.

That day the sun will rise and set at exactly the east and west points, and the day and the night will be approximately equal. Precise computation, according to Professor Losh, shows that the daylight hours will exceed the hours of darkness by as much as eight minutes, and that the equal lengths of day and night will not show up until Sept. 26.

The harvest moon doesn't always appear just before the coming of autumn, the astronomer points out. This full moon during some years may occur as much as two weeks on either side of the date of the equinox.

### Romantic Connections

The peculiarity of this moon as distinguished from other full moons, besides its romantic connections, is that it rises quite early for several nights near the autumnal equinox, making evenings of unusually bright moonlight.

A constellation of interest during September is the Great Square of Pegasus, which is well placed in the eastern sky just after dark, Professor Losh states. The square is marked by four stars at equal distances apart.

### The star at the northeastern

corner of the square really belongs to the figure of Andromeda, but conveniently occupies a position to complete the square. This star and three others in Andromeda form a line parallel to the eastern horizon as they rise.

### Great Nebula

Perhaps of most interest in Andromeda is the Great Nebula, which occurs above the third star in the row of Andromeda, the first being the star in the Pegasus Square.

Professor Losh says that photographs using huge telescopes give evidence that the Great Nebula is a universe similar to our own galaxy or Milky Way system and quite comparable in size, perhaps made up of one hundred billion stars, interspersed with nebulous material and dust. It is the most distant object visible without a telescope, being perhaps a million and one-half light-years from us, Professor Losh reports.

## Jeromes Married 25 Years Sept. 1

Open house will be held on Sunday, Sept. 6 at the home of Mr. and Mrs. Clarence Jerome in honor of the couple's Silver Wedding anniversary which occurred Tuesday.

Their many friends and relatives will gather to congratulate the Jeromes from 2 to 5 p.m. at their home on Dubuay St.

## News Around Northville

The summer months have been especially pleasant for the Wilbur H. Johnstons of West Dunlap St. They left in June for a visit with their son and his wife, the Bill Johnstons, in San Diego, Calif. where they awaited the birth of their granddaughter, Sarah Patricia, who arrived July 24. Mr. Johnston returned to the village shortly after, while Mrs. Johnston stayed on until last week.

Young David Meaker of Flat Rock is visiting his grandparents, Mr. and Mrs. Merritt Meaker, of West Seven Mile Rd. for the week while his parents, the Merritt Meakers, Jr. vacation in Alpena.

Week-end guests at the cottage of Mr. and Mrs. Claude Goodrich at Kelsy Lake, near Detroit, Mich., were Mr. and Mrs. F. H. McCormick of Maxwell Rd. Mrs. Fred Hungerford of Benton Harbor joined them for the week-end. Mrs. Goodrich and Mrs. Hungerford are aunts of Mrs. McCormick.

Mrs. Ernest Miller returned to her home on West St. Monday after spending the past three weeks in Seaside, Calif., where she was the guest of her granddaughter and her husband, the Ned Stirtons. Mrs. Miller made the trip via United Airlines.

Mr. and Mrs. S. C. Butz of Dayton, O. are visiting at the home of their nephew and family, the C. C. Boyds of Bloomcrest Drive. A family picnic was held in their honor on Sunday at Cass Benton Park with 61 relatives representing five generations coming from Detroit, Ann Arbor, Chelsea, Wyandotte, Dearborn, Carleton, St. Clair, Vanderbilt and Northville.

Mr. and Mrs. William Wilson of Grace St. received word this week that their son, Jack, has been promoted to the rank of sergeant. Jack is stationed in Korea.

Mrs. Alex Lawrence, Nancy Ann and Jimmy, have returned from a motor trip to points north. From Grayling, they paddled a canoe 50 miles down the Au Sable River, camping overnight on the way. A car brought them and the canoe back to Grayling, from which point they motored farther north for a 10-day stay at Crystal Lake where they took a cottage on the Congregational Assembly grounds. Mrs. Lawrence's mother joined them there.

Helen Meaker of West Seven Mile Rd. is planning to enter nurses training at Bronson Methodist Hospital in Kalamazoo on Sept. 13. Helen is the daughter of the Merritt Meakers.

Now is the time to lay away your Christmas items at Stone's Gamble Store. 1244

Mr. and Mrs. Richard Foor of Flint spent last week with Mrs. Foor's parents, the Wilbur H. Johnstons, of West Dunlap St.

Mr. and Mrs. Frank Defina and daughters, Kathy and Kristy, of Stoneleigh Rd., returned Wednesday after vacationing the past week in Williamston, Va. and Boston, Mass.

Mr. and Mrs. Olive Dickins of Stony Creek, Miss Isabella Mitchell of Detroit, Mr. and Mrs. Loren Schlabach and boys of Highland Park and Professor Lawrence

Schoenhals of Seattle Pacific College, Seattle, Wash. were the Sunday guests of Rev. and Mrs. Ivan E. Hodgson.

Mrs. Jerry Taggart of Whitmore Lake and Mrs. Robert Hamilton of South Lyon spent Monday with the Russell O'Neal family in Clarkston.

Mr. and Mrs. Earl Stephans, Jr. and daughter, Mary Jane, and Sharon Wick of West Seven Mile Rd. are spending the week with Mr. and Mrs. Earl Stephans, Sr., of Repton, Mich.

The Ethel Seeley Circle of the First Methodist Church will hold its first regular meeting of the season on Thursday, Sept. 10 at the home of Mrs. Esther Cockin, 19801 Smock Rd.

Former villagers, Mr. and Mrs. P. A. Hauver of Madison, Wisc. were week-end house guests of the Wilbur H. Johnstons of West Dunlap St.

Mrs. J. P. Malley, Miss Verna Brode and Franny Pat Malley returned last week after spending a month at their cabin on Burt Lake. During their stay, Franny Pat entertained Virginia Beeks and Marilyn McCarthy of Northville as her guests. "Top O' The Bee" boat races and the water show at Petoskey highlighted the girls' vacation.

Mr. and Mrs. C. M. Hammond and children returned this week to their home on Timberlane after vacationing the past two weeks at Brevort in the Upper Peninsula.

Mr. and Mrs. M. J. Meaker and daughter, Helen, of West Seven Mile Rd., have been vacationing in Charlevoix, Mich. and Syracuse, N.Y. during the past weeks.

Chief of Police Joseph Denton enjoyed a good visit with friends

in his old home town of Manitoba, Canada, during his three weeks' vacation. He and Mrs. Denton chafed up 5,000 miles touring through Wisconsin, Minnesota, Montana, then up to Manitoba and Alberta, Canada. Mrs. Denton was most impressed with the sight of the Great Divide in British Columbia while the Chief was especially interested in the gigantic ice fields of the Yohoe Valley.

Margaret Rager, president of the Ladies Auxiliary of the Veterans of Foreign Wars Post 4012 held her first meeting on Wednesday, Aug. 19, since returning from the national encampment of the V.F.W. at Milwaukee, Wisc.

Mrs. W. Reynolds of Baseline Rd. was transferred Tuesday from Atchison Memorial Hospital where she had been a patient for the past several weeks, to the University Hospital, Ann Arbor.

## HEALTH FACTS

Persons with a hearing loss are crippled—not as evidently as a person who has lost an arm or leg—but in many ways much more seriously crippled—both physically and mentally.

One in every 10 adults has a hearing problem... 15,000,000 hearing problems in the U.S.—Today hearing losses can often be stopped or cured—if discovered and treated early. To prevent and help solve hearing problems is the purpose of the Michigan Association for Better Hearing.

Loss of hearing can crush a person's spirit—reduce his ability to get and keep a job—tend to make him suspicious, hard to get along with, unsociable, lonely.

YOU make possible the work of the MICHIGAN ASSOCIATION FOR BETTER HEARING when you give to United Campaigns—United Fund, United Community Chest and Torch Drives.

## Goodwill Phone Representative Attends Luncheon

Edith Sorensen, of 248 Linden St., was entertained at a luncheon and tour of the Goodwill Industries' building in Detroit Wednesday, Aug. 26, along with 27 other Goodwill representatives.

Miss Sorensen is Goodwill's telephone representative in Northville and Plymouth.

The 28 representatives from the southeastern part of Michigan visited the Goodwill plant to see for themselves how the materials which the Goodwill trucks collect provide jobs, training and rehabilitation for nearly 400 physically handicapped men and women.

Miss Sorensen was accompanied by her mother, Mrs. Martin Sorensen, and by Ora Glass, who offered to provide transportation for the ladies. Jones Floral Co. presented the ladies with corsages for the luncheon.

The representatives were particularly interested in the workings of the clothing department, where repairable dresses, coats, men's suits and children's clothing and other wearing apparel are sorted, cleaned and renovated before being placed on sale in one of Goodwill's three retail stores in the Detroit area.

Proceeds from these sales provide the funds to pay the wages of Goodwill employees.

Returning from a luncheon and tour of the Goodwill Industries' building in Detroit Aug. 26 were (from left) Edith Sorensen, 248 Linden, Goodwill's telephone representative in Northville and Plymouth; her mother, Mrs. Martin Sorensen, and Ora Glass, co-owner of the Northville Taxi Co., who provided transportation to Detroit.

## New Bus Schedules for Schools Announced by Bus Director

The 1953-54 bus schedule for Northville schools incorporates only a few changes, according to High School Principal Elroy V. Ellison, who has charge of bus transportation this year.

Routes for kindergarten children, however, have been almost completely altered to care for the new classes.

The schedule printed below shows only pick-up times at road intersections, rather than times at which the buses will be near specific homes.

Parents can easily compute the times the buses will be near their homes by noting the times at which the buses will appear at nearby intersections.

## Smart cooks know how to beat the heat

What homemaker wouldn't like to be free from cooking worries, especially during the hot summer months?

What woman wouldn't like to be able to visit with her friends, take in a movie, or go to the beach with her children on these wonderful summer afternoons?

You may not believe me—but thousands of smart cooks are doing these things every day. It's no trick at all when you cook with a wonderful new, fully automatic gas range. You simply prepare a complete oven meal, place it in the oven of your range, set the automatic controls and you are free to do as you please. When the time comes to sit down to the evening meal the dinner is cooked to perfection, waiting, ready to serve.

Your automatic gas range took over the complete cooking job. It maintained the correct temperature . . . it turned "on" and "off" at just the right time to meet your schedule perfectly.

But don't take my word for it. Come in. See these new gas ranges. Ask your friends, or neighbors about their new automatic gas ranges and you'll understand why they're called smart cooks.

### Your Gas Appliance Dealer...

will be glad to show you these new automatic ranges. They cost less to buy, less to use, and less to install than any other automatic range on the market today.

## CHRISTIAN SCIENCE

**CHURCHES**  
Man's true relationship to God is explained in the Lesson-Sermon entitled "Man" to be read in all Christian Science churches on Sunday, Sept. 6.

The Golden Text is from Genesis (1:26): "And God said, Let us make man in our image, after our likeness."

Among the Bible citations is this passage, (Acts 17:28): "For in Him we live, and move, and have our being; as certain also of your own poets have said, For we are also his offspring."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "In Science man is the offspring of Spirit. The beautiful, good, and pure constitute his ancestry. His origin is not, like that of mortals, in brute instinct, nor does he pass through material conditions prior to reaching intelligence." Later all were taken for a complete tour of the plant.

## Pipeline's Progress

Stretching snakelike across an upper peninsula landscape, this section of the 30-inch petroleum pipeline, presently being laid across Michigan, will soon be dropped in the ditch at right and covered with earth by bulldozers. When completed, the line will carry petroleum from the Edmonton, Alberta, oilfields to the Port Huron-Sarnia area, spanning Michigan's upper and northern lower peninsulas in the process. Here the line curves through a state forest.

Mr. and Mrs. Leonard Nordstrom and children of Farmington Rd. are visiting relatives near the Straits and Lake Superior.

Mr. and Mrs. Louis Jennings and three children of Norfolk Ave. spent last Sunday with relatives at Lambertville, Mich.

Wallace, David and Carol Buckingham of Norfolk Ave. visited their cousins in Center Line Friday evening.

Mrs. Emerson Ault of Norfolk Ave. spent Saturday in Lansing. Mr. and Mrs. Earl Compeau and children of West Eight Mile Rd.

left last week end for a vacation in northern Michigan.

Delbert Bosley of Detroit visited his cousins, Lora and Fred, of Norfolk Ave. Friday evening.

Mr. and Mrs. Joseph O'Brien and children of Farmington Rd. have been away on a two weeks' vacation trip.

The Edward Bruggmans, formerly of Mayfield Ave but now of Norwayne, are getting settled this week in their newly constructed home at Novi. Their three children are guests of their grandmother, Mrs. Grace Simpson.

Opportunity is rare, and a wise man will never let it go by him.

A thrilling pictorial record of an 18-month expedition in Africa. All the beauty and savagery of the Dark Continent.

Please Note: Showings at 8:45 and 9 p.m.

You're "sitting pretty" behind the wheel

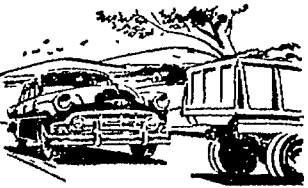

Take this Bel Air model. First thing you'll notice is the quality of the interior. Rich-looking appointments. Roomy seats with foam rubber cushions. Turn the key to start the engine and you're ready to go.

You can see all around

You look out and down through a wide, curved, one-piece windshield. The panoramic rear window and big side windows provide a clear view in all directions.

And it's the lowest-priced line

A demonstration will show you that Chevrolet offers just about everything you could want. Yet it's the lowest-priced line in the low-price field.

Biggest brakes for smoother, easier stops

An easy nudge on the pedal brings smooth, positive response—right now! Chevrolet's improved brakes are the largest in the low-price field.

I figure this demonstration saved me many hundreds of dollars!

I expected to pay that much more for a new car until I discovered I was better off in every way with this new Chevrolet!

Let us demonstrate all the advantages of buying a Chevrolet now!

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

You get greater getaway with the new Powerglide\*

A lot finer performance on a lot less gas. That's what you get with the new Powerglide automatic transmission. There's no more advanced automatic transmission at any price.

You get more power on less gas

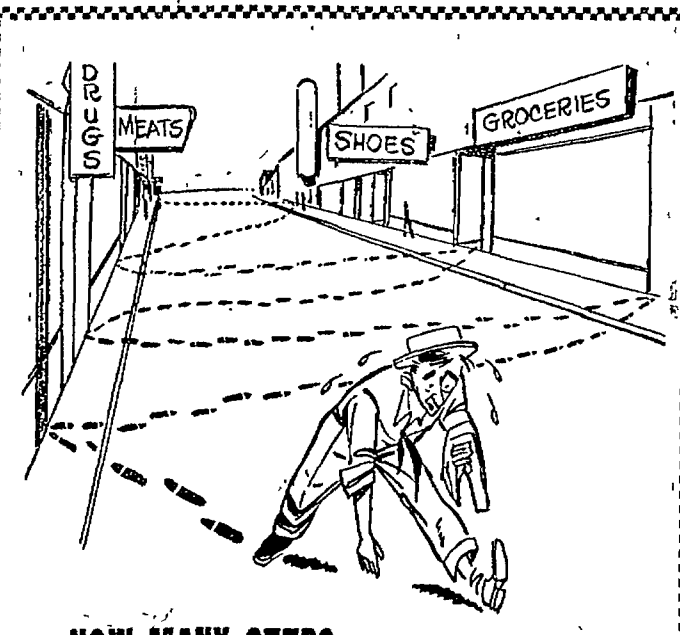

That's because Chevrolet's two great valve-in-head engines are high-compression engines. In Powerglide\* models, you get the most powerful engine in Chevrolet's field—the new 115-h.p. "Blue-Flame." Gearshift models offer the advanced 108-h.p. "Thrill-King" engine.

It's heavier for better roadability

You're in for a pleasant surprise at the smooth, steady, big-car ride of this new Chevrolet. One reason is that, model for model, Chevrolet will weigh up to 200 pounds more than the other low-priced cars.

\*Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine optional on "Two-Ten" and Bel Air models at extra cost.

# Round-Up of State Fair Events Shows Best Times to Attend

When to go to the Michigan State Fair?  
That may be a hard question

For many people of Michigan to answer because the 1953 State Fair, in Detroit Sept. 4 through 13, will be so chuck full of exhibits, special events and entertainment that it's going to be difficult to choose any one time for a visit.

A million people are expected this year.

Most of the agriculture, livestock and general exhibits are open throughout the Fair, but there are many special judging, entertainment and other events which will be held on designated days.

### Opening Day

Grand Opening Day will feature the opening day parade, in downtown Detroit at 11 a.m. There will be a repeat, by popular demand, of the religious Sunrise Service on Sunday, Sept. 6, at 8 a.m. The speaker will be the dynamic Luther W. Youngdahl, who was formerly governor of Minnesota and now holds a judgeship in the Federal Court for the District of Columbia.

Visitors attending the service will be admitted free to the Fairgrounds until 8 a.m. and may remain for the entire day. The Detroit Police Band will give a concert prior to the service, starting at 7:30 a.m.

### Beauty Queen

The beauty queen, "Miss Michigan State Fair", will be crowned by Governor Williams on Govern-

or's Day, Wednesday, and all veterans, with proper credentials, will be admitted free on Veterans' Day, Saturday, Sept. 12.

Some of the nation's top recording artists will make personal appearances in the Coliseum. There will be three shows daily — 3 p.m., 6 p.m. and 9 p.m. — Sept. 4 through 7 and Sept. 11 through 13. Teresa Brewer and Louis Armstrong will star along with the Harmonicats, the Four Freshmen, Kirby Stone Quintette, and Billy Ward's Dominoes.

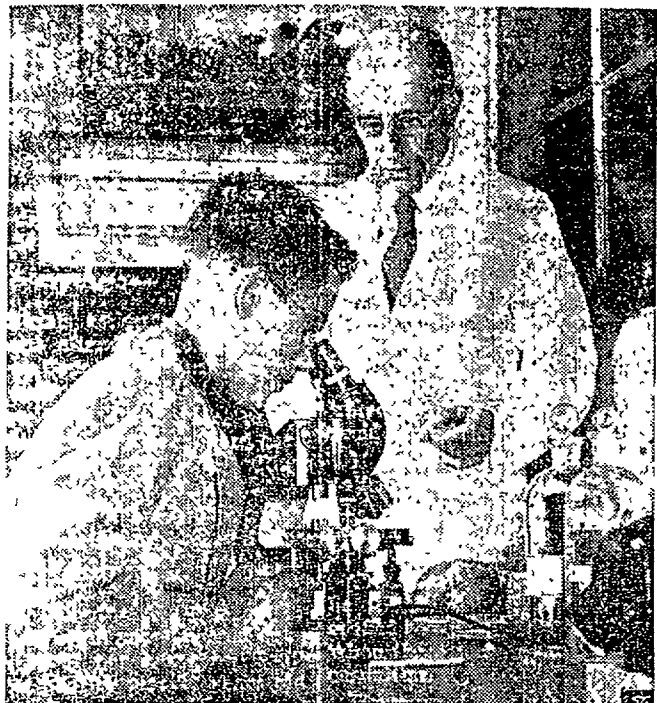

### Special Attractions

Special attraction will be Eddie Fisher for the two closing days, Sept. 12 and 13; while Charlie Ventura will be in for the opening days, Sept. 4 through 7.

The Coliseum will be given over on Tuesday, Wednesday and Thursday, Sept. 8, 9 and 10, to livestock judging and agricultural events. There'll be an emcee throughout the judging to announce winners and explain points of merit. The champion livestock auction will be held on Wednesday, Sept. 9, at 1 p.m.

The Detroit Mounted Police will give exhibitions during the evening shows scheduled for three days. This program, starting at 7 p.m., will include a million dollar champion livestock parade, the famous Border Collie sheep dog exhibitions, pony hitches, Morgan and Arabian pleasure class horses, draft horse demonstrations, horse pulling contests, horse dres-

## 81-year-old Scientist Advises Youth

Dr. Benjamin Duggar, world famous microbiologist who discovered the "wonder drug" Aureomycin, technically known as chlortetracycline, celebrated his 81st birthday on September 1. He still carries on a full research program. Dr. Duggar is shown here giving advice to 14-year-old David Pruess, would-be scientist, in his laboratory at Lederle Laboratories, Pearl River, N. Y. David, who will begin his science studies this fall, wanted some help in deciding what type of research work to prepare for. Dr. Duggar, incidentally, discovered the "wonder drug" several years after he was retired by the University of Wisconsin.

sage, plus clowns, bands and other entertainment.

### Canadian Daredevils

The Canadian Daredevils will appear in front of the Grandstand on Friday and Saturday, Sept. 4 and 5, with a "Motorized May-

hem" auto thrill show. There'll be both matinee and evening performances.

The Cavalcade of Thrills will play to the Grandstand, matinee and evening, from Sunday, Sept. 6 through Sept. 12. This consists of a dozen outdoor circus acts including such features as the Human Cannonball, Trapeze and Unicycle acts, trained dogs and pigs, elephants, lions and tigers, jugglers, clowns, bands and everything that goes into a bang-up one-ring circus. These replace the rodeo of previous years.

### Stock Car Race

Closing the Grandstand entertainment will be the 250-mile stock car race Sunday afternoon, Sept. 13. The race will get under way at 2 p.m. with more than 60 nationally known riders participating. Sunday night there will be a Hillbilly Jamboree with fiddlers, dancing and mountain music.

Judging dates are: horses, Sept. 8, 9 and 10; beef cattle, Sept. 7, 8, 9 and 10; dairy cattle, Sept. 8, 9 and 10; sheep, Sept. 7, 8, 9 and 10; swine, Sept. 7, 8, 9 and 10. Poultry, pigeons, rabbits, agriculture, horticulture, vegetables, dairy products, apiary, and maple products will be judged Saturday, Sept. 5.

There will be daily band concerts, musical and amateur shows, nationality programs, and other free entertainment in the Music Shell. The Old Timers' platform will have daily drum major and majorette contests, agricultural contests, square dancing and musical programs.

As usual there will be daily parades on the Fairgrounds, and free fireworks nightly in front of the Grandstand.

Great opportunities come to all, but many do not know they have met them. The only preparation to take advantage of them, is simply fidelity to what each day brings.

## Mrs. L. Blumberg Succumbs Wed.

Mrs. Louise Blumberg died Aug. 26 at her home, 48445 West Seven Mile Rd. at 63 years of age. She was born Aug. 29, 1890 in Lombard, Ill., the daughter of the late Christopher and Louise Truscynsky. Her husband, Sam, preceded her in death.

Surviving is a daughter, Mrs. John Blair of Northville, and two sons: Robert of Melrose Park, Chicago, Ill. and Roy of Detroit. Also surviving are three sisters: Mrs. George Hefflin of Mango, Fla.; Mrs. Adolph Wolf of Glen Ellen, Ill., and Mrs. Mary Diller of Wheaton, Ill.

Rosary was said Friday evening at the Casterline Funeral Home with the Rev. Fr. Anthony J. Heraty officiating. Requiem Mass was held at 9 a.m. Saturday at Our Lady of Victory Church with burial following at Grand Lawn Cemetery.

## Final Rites Held for Mrs. Tizzard

Funeral services were conducted for Mrs. Marietta Tizzard at 2 p.m. Friday, Aug. 28, from the Casterline Funeral Home, with the Rev. Ivan E. Hodgson officiating. She died Aug. 26 at Sessions Hospital at 75-years of age.

The deceased was born June 16, 1878 in Sockbridge, Mich., the daughter of the late Henry and Alice Nima. In 1894 she was married to Clarence Eckles, who passed away in 1919. In 1921 she became the wife of James Tizzard, of 508 Plymouth Ave., who remains to mourn her loss.

She is also survived by a cousin, Mrs. Lola Richmond of Stockbridge.

Mrs. Tizzard was a member of the First Methodist Church of Northville. Interment was in Riverside Cemetery, Plymouth.

Many men do not allow their principles to take root, but pull them up every now and then as children do the flowers they have planted, to see if they are growing.

**The Perfect Squelch**  
That's that, but have you noticed how TV has made honest men of sports broadcasters? The Budweiser Beer Company held a parade in Waco, Texas last March 21. It planned and received a great deal of advanced publicity. They had eight immense Clydesdale horses pulling a huge wagon load of dummy beer cases. The Emmanuel Baptist Church helped put a surprise tail on the parade. They purchased a wrecked car, placed some ketchup splattered young people in various positions in it and hauled it on a trailer behind the parade. The young people acted their part so well by hanging out of the smashed vehicle that some actually thought it to be the real thing. A large sign on the trailer read "If you drive, don't drink. If you drink, don't drive." What a PERFECT SQUELCH! As a nation we have more barmaids than college girls and spend nine billion dollars yearly for liquor. (Nine times more than that given for religious training and two and a quarter times more than we spend for educational purposes.) Personally we believe that this industry is just one of the many devices used by Satan to ruin and damn the souls of men. It is for this reason that we urge Christians not to support that which has caused so much suffering and poverty in this life to save nothing of the awful future results.

# Look what your FORD dollar buys !

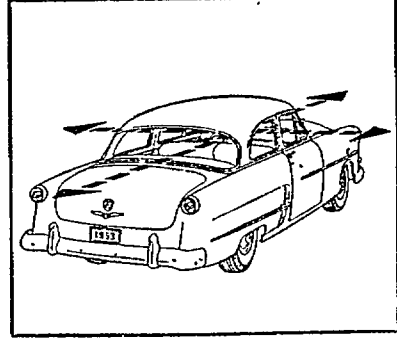

Check the features below against any car in the low-price field and you'll see why Ford's worth more when you buy it...worth more when you sell it.

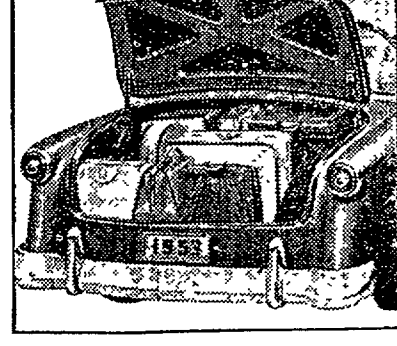

**V-8 POWER** is yours in Ford—but not in other low-priced cars. It's the product of Ford's experience in building over 13,000,000 V-8's! Ford's high-compression, low-friction Mileage Maker Six with Overdrive, is the Economy Sweepstakes winner.

**ROAD-LEVELING RIDE** reduces front end road shock alone up to 80%. Wide front tread, diagonally-mounted shock absorbers take tilt out of turns. You'll discover in the '53 Ford that a car need not be excessively heavy to ride smooth as silk.

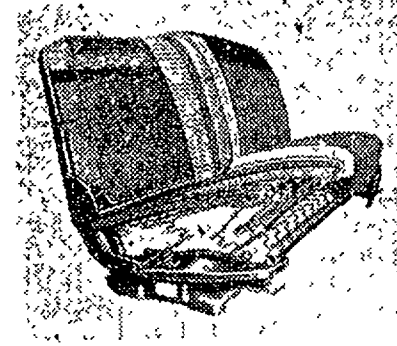

**FULL-CIRCLE VISIBILITY** is yours in Ford. With huge, curved, one-piece windshield, car-wide rear window and "picture windows" all-around, Ford has more "look out" area than any car in the low-price field. I-REST tinted glass also available.

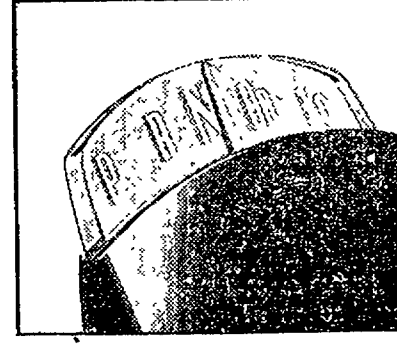

**ROOMY TRUNK** is one suitcase bigger... bigger than any other luggage compartment in Ford's field... bigger than you'll find in many of the expensive cars. With Ford's Center-Fill Fueling, there's no long gas-fill pipe to eat up your trunk space.

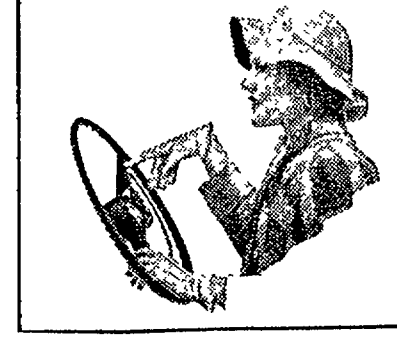

**SUSPENDED PEDALS** make braking and clutching easier... allow more clear floor space... eliminate dusty, drafty floor holes. This feature, exclusive to Ford in its field, permits dash-mounting of brake master cylinder for easy accessibility.

**FOAM-RUBBER CUSHIONS** over non-sag springs in Ford's sofa-wide seats make even long trips a treat. And you'll find that only Ford in the low-price field offers this fine-car feature as standard equipment on both front and rear seats in all models.

**FORDOMATIC DRIVE**—an optional extra—is really two automatic drives in one. It has a fluid torque converter for smooth, steady power flow. It has automatic gears for greater "get-up-and-go." Ford also offers you Overdrive and Conventional Drive.

**MASTER-GUIDE POWER STEERING**—an optional extra on V-8 models—gives you the natural "feel" of steering on the straight-away yet takes the work out of turning. Absorbs road shocks before they reach the steering wheel—adds to safety.

If you're interested in **A-1** used cars, be sure to see our selections.
