Community Building To Get Under Way Tomorrow

for the Record

by G. H. C.

Arriving home after a trip through the West that included a visit to awe-inspiring Grand Canyon, we come back to the job with the feeling that A-bombs and H-bombs, and whether or not Man succeeds in inventing a Frankenstein weapon to destroy himself, are matters of little importance in the over-all scheme of things on earth. Only a person with utter lack of imagination and scant knowledge of history can view the geological wonder that is Grand Canyon without realizing that Man's efforts to establish himself here on earth are indeed puny in relation to the forces of nature, which over billions of years have carved this gigantic canyon.

The tornado which swept its awful path across the city of Flint this summer, and the volcanic eruptions that wiped out entire islands in the Aegean Sea only a month ago, were other impressive demonstrations of the littleness of Man in the face of Nature's unleashed forces.

Such philosophizing, however, does not deprive us of the joys of every-day living, nor render us insensible to our good fortune in residing in Michigan, rather than in Utah's desert country or Montana's unending desolate plains. Each time we return from the West, the realization grows stronger that those whose roots are deep in the fertile Great Lakes region have reason to give thanks for their good fortune.

We were cheered this week by a visit from Mrs. A. C. Carlson, local Red Cross chairman, who says plans are well under way for an adequate relief program in case of disaster here. (See story elsewhere in paper). It is regrettable that human nature being as it is, civic minded leaders like Mrs. Carlson too often find their efforts to enlist public support and cooperation fruitless until disaster actually occurs. More power to the present Red Cross disaster program.

Also to the good are the many signs of activity throughout the Village, with storm sewers, curbs and gutters being installed along several streets and razing of old houses nearly completed to make way for the new Community Building. In addition, several local stores have undertaken improvement programs this summer to keep abreast of the times, parking facilities have been improved and quiet progress is being made toward reconciliation of the conflicting viewpoints that defeated the move to incorporate Northville as a city last spring. If and when the matter is voted on again, it undoubtedly will be on a basis to include only the present village area.

Only disturbing note at the moment is that in undertaking the Seven Mile cut-off and the Community Building, the latter at a cost somewhat in excess of earlier estimates, the Village is over-spending itself this year. Under its pay-as-you-go policy, the amount that is over-spent this year will have to come out of next year's taxes. If this is done, there will be no money available for other public improvements for a year or two. The only possible "out" would be if a vote to become a city were taken early enough in 1954, and carried, the community would be assured of ample funds from racing to carry out an extended improvement program. Its revenue from this source in 1952, had the vote last spring been favorable, would have been in excess of \$100,000. This is nearly 50% more than the Village's total tax levy.

Mrs. Flynn Bound Over for Trial on Murder Charge

Mrs. Catherine Flynn of Northville, accused of the first degree murder of her husband, was characterized by two of the slain man's brothers this week as "a fine woman and a devoted wife and mother."

The brothers, Raymond and Arthur Flynn, both of Detroit, testified Monday at the examination of Mrs. Flynn before Justice E. M. Bogart. Both men said they felt no malice whatsoever toward the defendant and felt sympathetic toward her.

After nearly two hours of testimony by five persons, Mrs. Flynn was ordered held without bond for trial on first degree murder charges during the next term of Wayne County Circuit Court. She is accused of shooting her husband, Walter W. Aug. 19 as he sat sipping coffee in their home at 116 North Rogers.

ADMITTED SHOOTING

Mrs. Flynn has admitted firing the fatal shot. She said the murder climaxed more than eight months of domestic discord centering around her husband's alleged attentions to another woman. The defendant also told police her husband and the "other woman" were attempting to "frame" her in an effort to get her committed to a mental institution.

The brothers testified that Mrs. Flynn had been a "devoted wife and mother" to her husband and two children, both of whom are now grown. The daughter lives in Detroit and the son recently returned after Army service in Korea.

Mrs. Flynn did not testify. She sat sobbing next to her daughter, Mrs. Catherine Threlkeld, her face buried in a handkerchief.

Stubenvoll Warns of Tight Squeeze on Village Funds

Commissioner John Stubenvoll, chairman of the Commission Finance Committee, warned Friday night that Northville will have to forego any general improvement programs during 1954 because of the strain put on Village finances by the Community Building and the Seven Mile cut-off project.

"We just don't have the money," Stubenvoll said. "All we'll be able to support is a maintenance program."

The financial picture on the two projects stacks up this way:

At the present time there is \$180,000 available to pay for the Community Building. To this fund is added \$20,000 in 1954 race track money earmarked for the building which swells the total to an even \$200,000.

However, the Community Building will cost \$208,104 plus \$9,500 still owed architect Walter Anicka for plans and supervision of construction—a total of \$217,604.

Besides that, the Village still owes \$17,500 as its share of the Seven Mile cut-off. Stubenvoll said the \$15,604 extra for the Community Building and the \$17,500 for the road program will have to come out of the General Fund.

"There just won't be money available for any extras," Stubenvoll said.

Cpl. Snow Gets Discharge from Army

Corporal Linwood W. Snow, Jr., son of Dr. and Mrs. L. W. Snow, and husband of Mrs. Mary Elaine Snow, all of 502 W. Main St., Northville, Mich., was separated from active service in the Army this week at the Quartermaster Training Command, Fort Lee, Va. Before his induction into the Army, Cpl. Snow was a student at Alma College where he received his B.A. degree in 1951.

Private Jack Andrews looks over the Record story telling of his release from a Communist prison camp in Korea. Andrews was captured in July and spent more than a month as a Red prisoner. The former Northville resident is home

on 30-day furlough at the present time. He still has five more years of his present Army hitch to serve and says he may make the Army his career, despite his Korean experiences.

"Lucky to Be Alive" — Ex-POW Andrews

Private Jack Andrews figures he's one of the luckiest men in the U.S. Army.

Andrews, a former Northville resident who less than a month ago was sweating it out in a Communist prison camp in Korea, told this week of missing almost certain death during one of the bitterest battles of the war.

The 21-year old soldier had been attached to an artillery outfit entrenched in the Kumsong Valley on the Central Front.

However, on July 14th—the 12th here in the states—Andrews was with another unit, about 12 miles away from his original outfit.

REDS ATTACK

"The Chinese picked that day to launch one of their 'human sea' attacks," Andrews told the Record. "They just kept coming and coming. My old outfit was overrun. I heard only 16 of 350 men survived. The 16 were taken prisoners."

"I was taken prisoner that day but I still consider myself a damn lucky guy," he said.

Andrews said his section of the front also came under heavy Chinese attack.

"We had to either fall back or be killed so we started withdrawing," he said. "Four of us—a lieutenant, reconnaissance sergeant, radioman and myself—were about seven miles behind the main line when a bunch of Chinese surrounded us. That was at 12 noon on the 14th."

THREE DAY MARCH

"We then started marching north . . . and we kept it up for three days," he said. "The Chinese told us we walked more than 130 miles."

Andrews' group eventually included 70 South Koreans and three G.I.s. The lieutenant was left at a Communist interrogation center along the way.

"We weren't exactly mistreated

Pilgrim Shrine No. 55

Pilgrim Shrine No. 55 will have a stated meeting at the Plymouth Masonic Temple Sept. 21 at 7:45 A social hour will follow the meeting.

No Smiles for Good Humor Man

The Good Humor Man may be a hero to the youngsters but he's a persona non grata as far as Northville school officials are concerned.

It's not that they're anti-ice cream. Nor are they opposed to free enterprise. They've just found that in their case, at least, small fry plus popsicle spells trouble.

The youngsters line up at the Good Humor wagon at the school grounds and forget to board their bus. Or they buy their treats 30 seconds before the school bell rings and then drip chocolate over themselves and the school. Some entrances to the school are veritable forests of paddle sticks.

High School Principal E. V. Ellison asked the Board of Education this week if he could request the Good Humor man to distribute his good cheer elsewhere.

The Board told him to go ahead. No word yet from the youngsters.

ATTACKED BY PLANES

Andrews told how on the third day of the forced march the ragged band of prisoners was bombed by U.S. Navy planes, which apparently mistook the group for Communists.

Three of the group were killed. Andrews suffered a broken ear drum and a concussion burn on his foot.

The 21-year old soldier eventually arrived at Prison Camp Six, about 30 miles from Wonsan Harbor in North Korea.

"We slept on bare cement floors

(Continued on Page Two)

Wallace Construction Company Low Bidder

The Northville Community Building stood only a day away from the ground-breaking stage today following Village Commission approval of a bid from the Wallace Construction Co. of Farmington to handle the \$200,000-plus project.

At an hour-long special meeting Friday night, the Commission accepted the Farmington firm's basic bid of \$205,000—the lowest offer made by six bidding concerns.

A Commission decision to accept one of eight alternate phases of construction listed in the architect's plans raised the overall cost of the building to \$208,104, not including \$9,500 still owed in architect's fees.

FOLLOW RECOMMENDATION

Architect Walter Anicka of Ann Arbor, who inspected the work of the three low bidders on the project after bids were opened Sept. 7, recommended that the Commission accept the Wallace offer.

Herman Wallace, head of the Farmington firm, said ground would be broken this Friday, Sept. 18. Wallace told Anicka the job would be finished by next April 15, thirty days less than their original planned completion time of May 15.

The Wallace firm actually was the only one considered at the Friday meeting. Its bid was \$1,600 less than the figure named by the next lowest bidder, Kurtz Construction Co. of Ann Arbor.

HOURLONG DISCUSSION

Final approval of construction plans was preceded by an hour of discussion by Commission members, much of it concerning the various "alternate" phases of construction listed in the architect's plans. For instance, some members felt that the kitchen in the building should be completely finished while others felt that basic construction already would cost too much more than the \$200,000 originally planned for the project.

Finally, the Commission agreed that service clubs and other groups using the building might take the lead in finishing some un-completed facilities.

The building will include several large meeting rooms, a regulation basketball court with bleachers for more than 700 persons, and a large stage.

Some Commission members al-

Amerman Authorized to Borrow Funds

The Board of Education Tuesday night authorized Superintendent of Schools Russell Amerman to borrow up to \$60,000 in anticipation of state aid and tax money in order to pay necessary school expenses.

Amerman said the state aid funds would not arrive until January. By that time, he said, the school treasury would be nearly dry.

New Building Described by Funk

Many Northville residents have wondered just what their new Community Building will contain when it's completed sometime next year.

So to supply the answers, the Record asked Recreation Director Wilson Funk to give a general description of the building's interior.

Funk said the front of the building will be dominated by two large glass-fronted meeting rooms occupying an area of 88 by 18 feet.

CLOAKROOM FACILITIES
These rooms will be adjoined by toilet and cloakroom facilities and an office which can be used for smaller gatherings.

The building's main feature, the gymnasium, will be 99 feet long and 78 feet wide. One side of the gym there will be a stage measuring approximately 22 by 96 feet with a 40 foot front opening.

The other side of the gymnasium will be occupied by bleachers which, according to Funk, will seat some 700 persons for basketball games and programs on the stage.

TWO-WAY STAGE

At the back of the stage area, there will be a utility room, measuring approximately 34 by 67 feet, which can be used both for meetings and as an audience area for plays or programs performed on the stage.

A half-floor below the stage, there will be shower and dressing rooms for use by teams using the gym or play performers.

The building also will contain a kitchen which eventually will be able to handle a large number of meals. However, the kitchen is not expected to be in operation until some time after the building is completed.

Funk said the front of the building will correspond in appearance with the grade school building—right down to the color.

Enrollment Request

Superintendent of Schools Russell Amerman requests that prospective students so far not enrolled or attending classes in Northville schools do so by Oct. 2 at the latest.

He has a good reason. Oct. 2 is the date on which state aid to the local school system is determined. Aid is based on the number of students attending classes.

Record Names New Managing Editor and Office Manager

Two key staff appointments were made this week by the Northville Record, Tom Nicholson becoming managing editor to succeed Taylor Ball, resigned,

and Mrs. Mary Donovan becoming office manager.

Nicholson, 26 years old, joined the Record after more than two years as a staff correspondent for the United Press in Minneapolis, Minn. and Detroit. He joined United Press following graduation from Michigan State College in March, 1951.

Nicholson, a native of Pittsburgh, Pa., lives in Ferndale at the present time.

Mrs. Donovan is a former resident of Belding, Mich. and before joining the Record, worked for the C. H. Runciman Co. in Lowell. Prior to her marriage to the late Dr. John Donovan of Belding she was a systems expert for National Cash Register Co., specializing in the installation of that company's equipment in accounting departments.

Ball joined the Record staff four years ago after graduation from Albion College. He has served as both advertising manager and managing editor. He resigned to accept a position in Cleveland.

TOM NICHOLSON

Board Plans New Building

School Enrollment Sets New Record

Northville public school enrollment climbed to a new all-time high this week as a total of 1,255 students reported Monday for elementary, junior high and high school classes.

The 1953 student body exceeded even the most optimistic pre-registration estimates made by school officials and intensified the already-acute space problem.

Meanwhile, the Board of Education, meeting Tuesday night, set plans in motion to acquire at least one school site by the first of the year in hopes that an eight to ten room elementary school can be ready for classes by next fall.

SEVERAL SITES CONSIDERED

Several sites are under consideration. One is the gravel pit area

at the end of Hill St., west of Center and north of Baseline. Another is the Marshall property at Bradner and Six Mile in Waterford.

The Board's decision to move ahead immediately with new school plans came after Superintendent Russell Amerman predicted that within ten years, the Village will need a minimum of 22 more classrooms, each accommodating 35 students. Amerman based his figures on an area survey he made this summer. He said the same figure was arrived at by the Northville Township Planning Board.

High School Principal E. V. Ellison reported that 573 junior high and high school students reported for classes this week—92 each in the seventh and eighth

MORE STUDENTS EXPECTED

In addition, he said, 65 children appearing on the pre-registration list have so far not reported for classes. Presumably, about 40 of these will be added to the lower school total.

Grade school enrollment last year hit 699 while the number of junior and high school students climbed a little over the 500 mark.

The space problem is particularly bad in the high school. Ellison said assembly programs had been temporarily cancelled because the auditorium stage has been made over for a classroom. He said he hoped to have some programs in the gymnasium. Mechanical drawing and driver training classes in the high school are being held in a tunnel leading to the furnace room.

Ellison also asked the board if it might not be possible to use the stage at Wayne County Training School for the junior and senior plays. Board member Robert Coolman was to write officials at the school and find out.

Rolling Down The River

by the PETZ BROS.

Well of course we wouldn't say so ourselves, but a fellow dropped around the garage the other day with this observation after spending a bit of time in his old home town. "Man," said he, "if no one knows the trouble you've seen, you haven't been living in a small town!"

Maybe he's right, but the way we feel at the moment, an ideal vacation would be a month on each of the Thousand Islands.

Of course, were we to stay away so long, we'd be deprived of the opportunity of telling of and selling you the finest car in these parts, the 1953 Studebaker. For comfort, for power, for economy, it's the best buy on the market and you truly owe it to yourself to test the car at once. Come on in, we've a demonstrator all ready for your personal convenience and it will take only a short drive to convince yourself you've been missing the thrill car of the American highway.

So another fellow we know also had a bit of vacation and dashed out to spend part of it in Nevada, the state where gambling is legal and they have all sorts of games of chance. "One thing about that country," he remarked, "if you meet some one with long tapering fingers, the chances are he or she is a dealer, not a musician."

Now the hands of our expert mechanics aren't long or tapering, but they contain a lot of "know-how". Maybe that's the reason it's no gamble when you bring your car in and leave it with them for a bit of a check-up. You'll get it back full of sparkling performance and surging power. Be a good idea, too, to have the car completely lubricated for the long fall drives ahead.

That's that, but we've been asked to remind you that since vacations are over and you are back again on home cooking . . . "taste makes waist."

Yours,

BILL & WILL PETZ

Pontiac Man Injured In Ten Mile Crash

A Pontiac man, Newton Skillman, Jr., was seriously injured last Friday when his car collided with a truck on Ten Mile between Beck and Taft roads. The truck driver and his helper escaped unhurt. Skillman, co-owner of a Whitmore Lake engineering firm, was taken to Redford Receiving Hospital. At left, preparations are made for putting Skillman in the Casterline ambulance.

Pontiac Driver Badly Hurt in Ten Mile Crash

A Pontiac man was recovering today from serious injuries suffered last Thursday afternoon when his car collided with a truck on Ten Mile between Taft and Beck roads.

Newton Skillman, Jr., 1220 Lake Angelus Rd., Pontiac, was taken to Redford Receiving Hospital by the Casterline ambulance

where doctors said he was suffering from shock, fractured ribs, a broken ankle and severe lacerations of the hands and head.

TRUCKERS UNHURT

Skillman's 1952 Lincoln Cosmopolitan sedan smashed into a Phillips Petroleum Co. truck driven by Clay McMahon, 28, also of Pontiac. The accident occurred as McMahon waited to turn left off Ten Mile into the driveway of the Leonard Gross home, where he was to deliver oil.

McMahon and his helper, William Reynolds, 26, Drayton Plains, escaped uninjured although their Ford truck was badly damaged.

The front end of the Skillman car was demolished.

McMahon told Oakland County Sheriff's Deputy W. Pattenhson of Novi that he saw Skillman's car speeding toward him at about 65 miles per hour as he waited to turn into the Gross driveway.

WHEEL LOCKS

McMahon said it appeared to him that one of the wheels on Skillman's car locked when he applied the brakes and swung the car toward the middle of the road. Tire marks indicated that Skillman's car skidded more than 30 feet before the crash.

Skillman, co-owner of the O and S Bearing Manufacturing Co. at Whitmore Lake, was on his way to Detroit at the time of the accident according to Fred R. Smith, Birmingham, sales manager for the firm, who was following in another car.

New License Rules Revealed by Denton

New rules and regulations concerning drivers' licenses were released this week by the Secretary of State's office in Lansing, Northville Police Chief Joseph Denton reported.

The most important change is concerned with the expiration time of driver's licenses, he said. The new rule reads: "Every operator's license issued shall expire on the birthday of the person to whom issued in the third year following the date of its issuance unless suspended or revoked prior thereto . . . except that licenses issued prior to the effective date of this act shall be valid until the next birthday of the person to whom issued after three years from date of issue but in no event shall any such license be issued for a longer period than three

Community Bldg.

Continued from Front Page)

so felt that money might be saved if the start of construction was delayed until spring.

REASONS LISTED

However, Anicka listed three reasons why supposed savings with summer construction work are largely illusory:

- 1) An average contractor is willing to take winter work at less profit in order to keep their crews together.
- 2) Work begun now will be done under present wage scales. If construction began next year, he said, hourly rates per worker would be boosted an average of 20 cents per hour, which has been the pattern for the yearly boosts won by the building trades.
- 3) It might be difficult to find a satisfactory firm to do the job in the spring since most of them are so swamped with work they're not anxious to bid.

The bid to accept the Wallace bid was made by Commissioner Claude Ely and seconded by Commissioner Alton Peters. It passed unanimously. Commissioner Mike Allen was the only one absent.

The only alternate accepted by the Commission called for the installation of terrazo tile in the front lobby instead of asphalt tile.

years. Any person holding a license may at any time within three months prior to the expiration of his license make application for a new license."

License fees also have been changed. Original drivers licenses now will cost \$3, operator's licenses \$1.50, chauffeur's licenses \$2 and minor's restricted licenses \$1.

The new rules are effective Oct. 2.

Construction in Livonia Setting New Record

Livonia—one of Michigan's fastest-growing municipalities—is heading for a new construction record this year.

Livonia issued 10,55 residential building permits for a total valuation of \$11,673,800 during the first eight months of 1953.

This compares with 725 permits for a valuation of \$7,719,826 during the first eight months of 1952, according to Donald Wilson, the city's chief building inspector.

With four months yet to be reported, the number of new homes built or started in Livonia during 1953 already exceeds the total for the entire record-breaking year of 1952 when 905 permits were issued for a valuation of \$9,637,126.

Symbolic of Livonia's rapid growth since its incorporation as a city in February 1950 was the dedication of a new \$300,000 city hall last Sunday.

The city fathers take particular pride in the fact that building

was completely paid for before dedication day.

At the ceremony, Mayor Jesse Ziegler told the assembled citizens:

"It is difficult to believe that during the short period of Livonia's existence as a home rule

city, its income as a government unit has increased from \$60,000 to approximately \$900,000, its population has increased from 18,000 to approximately 36,000, and its assessed valuation has increased from approximately .14 million to more than 60 million."

Detroit Studies Sales of "Continental" Studebaker

By a WALL STREET JOURNAL Staff Reporter
DETROIT—Studebaker, which was a big factor in setting early postwar auto styles, may now be setting the pattern for the next few years.

Its 1946 model, designed with lavish use of glass by Raymond Loewy, was the first completely redesigned postwar car. The South Bend, Ind., concern made no further major change until its current 1953's; with these it introduced low, rakish styling. Also designed by Loewy, the new model cost \$27 million to introduce, double the 1946 cost.

A top Detroit stylist, employed by a rival manufacturer, says that the current model will affect the future looks of Studebaker and that the industry would like to admit that.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

The Village Planning Commission rejected the petition of Glenn Long for a change in zoning of his property on Baseline Rd. from residential to commercial.

A huge crowd gathered at Northville's main intersection for the Retail Merchants Association drawing. Leo Hollis won the first prize of \$250.

Plans for storm sewer and pavement.

ing Rogers St. and storm sewers along Dubuq, Linden, Randolph and High streets were submitted to the Village Commission by George Jerome & Co.

Albert Earehart was installed as president of the newly-chartered "Dads" of Foreign Service Veterans Post 130.

The Northville Junior Olympic Equestrian team won the big silver challenge trophy at the Hunt-Trials.

FIVE YEARS AGO—

Northville voters cast 353 ballots for Republican gubernatorial candidate Kim Sigler and 46 for Democratic candidate G. Mennen Williams in the general primary election.

Police Chief Joe Denton addressed the Parent Teachers Association on "Northville's Safety Problems."

Albert Jay Boelens and Frank Levi Eaton received degrees at the close of summer sessions at the University of Michigan.

Proximity, one of harness racing's biggest money winners, was scheduled to race in the Northville Driving Club Trot.

Mrs. Muriel Allen of Plymouth was hired as secretary of the First Presbyterian Church.

Delores Eleanor Schroder of Ridge Road became the bride of Jackie Orland Boyd of East Eight Mile Road in a ceremony performed at the Bushnell Congregational Church in Detroit.

TEN YEARS AGO—

The Northville Veterans' Memorial Hall Fund Campaign got off to a good start with a \$5,000 pledge from the Lloyd H. Green American Legion Post.

Service notes: Seaman Second Class Jack Brigham was home on a nine day leave from Great Lakes Naval Training Station. Lt. Mary Flowers of the Army Nursing Corps was stationed with a hospital unit somewhere in North Africa. Rollen P. Hollis left for Fresno, Calif., after enjoying a 10-day leave at home.

Frank Hunter of South Wing St. was the only Northville man on the draft list released by the board in Plymouth.

D. H. Van Hove of Beck Rd. went to Chicago to attend the presentation of the "E" award to the Great Lakes Steel Corp. Van Hove was founder of the Corporation.

TWENTY YEARS AGO—

Glen Salow, Sr., well known Northville farmer, discovered the mutilated body of Mrs. Aurore McCann, who had been murdered two weeks earlier. The body was found in the brush off Taft Rd.

Russell H. Amerman started his first official year as superintendent of Northville schools.

The Depositors State Bank paid the second half of the ten per cent dividend declared during its first year of operation.

Dr. L. W. Snow and several other members of the Village Commission went to Lansing to present plans for improvement of the water system in an effort to get state aid for the project.

Fire destroyed a barn on Rouge Avenue owned by George Hicks and rented by Louis Sprenger.

Services Held for Norman Thrams, 78

Funeral service was held Saturday, Sept. 6, at the Ross Northrop Funeral Home in Redford for Norman Thrams of Spring Lane, who died Sept. 5 at University Hospital. He was 78 years old.

Reader Morris Kempthorn of the Christian Science Church officiated at the funeral service.

Mr. Thrams, a long-time Detroit resident, moved to Northville two years ago and resided near the home of his daughter, Mrs. A. E. Northrup.

Survivors include, besides Mrs. Northrup, his wife, Nellie; a sister, Mrs. Don King of Colon, Mich., and a brother, Ben, of Indianapolis, Ind. Two grand-children and four great-grandchildren also survive.

Mr. Thrams was born in 1875 near Colon. In his early years he was a musician and for a long period played with Finzel's Band in Detroit.

He later worked at the Ternstedt division of General Motors and retired only three years ago as chief of the stock room.

to visit with relatives and friends.

Edgar Lyke passed away at his home in Detroit. Funeral services were held at the Schrader Funeral Home.

Chris Nelson exhibited his herd of Jersey cattle at the State Fair and received 14 premiums for the 15 head he took to the show.

The new addition to the Downs grandstand was completed just in time for the fair.

Famous Train Leaves Ford Museum for Display Before "Home" Folks

The famous DeWitt Clinton train—which has been a highlight of the Henry Ford Museum at Dearborn for the past 18 years—is on its way "home" for a short stay.

The train will be on public view in New York City's famed Grand Central Station for a special motive power exhibit sponsored by the New York Central System beginning on Sept. 22 and ending Sept. 26.

The diminutive train, first to run on a New York State railroad and the third in the United States, is shorter in its entire length than a modern two-unit diesel locomotive. Including the locomotive, tender, and three 18-passenger coaches, the DeWitt Clinton is only 65 feet long and weighs 12½ tons.

NAMED AFTER GOVERNOR

Named after the seventh governor of New York, the De Witt Clinton made its maiden run on the Mohawk Hudson Railroad, first line of the present New York Central System, on July 30, 1831. It was not until ten days later, however, that it made its first "Grand Excursion" from Albany to Schenectady, traveling the 17 miles in one hour and 45 minutes carrying numerous state and local officials on board.

Although it could attain speeds of up to 30 miles an hour, frequent stops to take on wood and water lowered the primitive locomotive's average speed to just over eight miles per hour.

TROUBLE ON TRIP

History records that although

ous plume of jet black smoke, burned holes in frilly dresses, parasols, dress coats and beaver hats worn by the guests and dignitaries. Chain connecting links between the cars nearly jerked passengers from their seats. Nevertheless, the little train's arrival in Schenectady was greeted by enthusiastic crowds and a noisy brass band.

For 14 years, the De Witt Clinton faithfully carried out its duties for the Mohawk & Hudson until it was finally honorably retired. It was not until 1920 that it was taken from a New Jersey warehouse, rebuilt from original parts and moved to Grand Central Station, world-famous passenger depot of the New York

Central. The De Witt Clinton has been a focal point of The Henry Ford Museum's extensive transportation section where it has been since 1935, except for infrequent public appearances at railroad expositions.

First and Third Tuesday of

Each Month.

their wives of Detroit, was a Saturday evening guest at a birthday dinner honoring her sister, Mrs. John Ackermann in Dearborn.

Mrs. Grace Simpson of Mayfield Ave. and a friend, Mrs. McShane, attended the Fair Labor Day.

Robbie Imonen, who became ill with polio three weeks ago, is now in fair condition at Sigma Gamma Hospital in Mt. Clemens.

At a dinner party given at the Ault residence on Shady Side Ave. last Saturday evening, the birthday of Mrs. Russell Ault was honored. In addition to the immediate family, 12 relatives were present.

Out-of-town guests were Mrs. Elvira Brautigan and her son, Clarence, of Pittsburgh, and Mrs. T. J. Slevin of Akron, O. Mrs. Ault received a number of lovely cards and gifts.

Mrs. George W. Sandau and two of her daughters of Hubbard Ave. recently spent a day in Ionia.

Mrs. John Aittama of Shady Side Ave. returned home last week end from the Pontiac Hospital, where for three weeks she had been a patient.

The Austin Aults of Brentwood Ave., several members of the Edwin Johnson family, Clarita Ave., and Mrs. Elvira Brautigan and son, Clarence, and Mrs. T. J. Slevin, all visiting here from out-of-town, spent an enjoyable day at Greenfield Village Saturday.

Mrs. Ervin Bohlinger, who has been a patient in University Hospital, Ann Arbor, returned home on Mayfield Ave. Tuesday. She will enter the hospital for further treatment in two weeks.

E. W. Stange and son, Edward, have been ill.

The John Aittamas of Shady Side Ave. are grandparents again. On Sept. 2, a son was born to Mr. and Mrs. Marx Holland of Detroit. Mrs. Holland is Dorothy, only daughter of the Aittamas.

Richard Stevens who, for a year

has been employed in the Canal Zone arrived Friday. His wife and three sons, who had preceded him home were already established in their residence on Hubbard Ave.

Billy, eldest son of Mr. and Mrs. Charles Hoff, of Mayfield Ave., is on the sick list and was unable to return to school at regular opening time.

Sailor William Varhol, stationed in China, wrote his mother, Mrs. Varhol of Shady Side Ave., that in a recent accident he had fractured his right wrist. As it happens, Bill is a left-handed writer.

From Stuttgart, Germany, West Point Park friends have been receiving interesting picture postcards mailed them by the William Soos family, who have spent the summer vacationing in Europe. They will return shortly to their home on Shady Side Ave.

Pfc. Alfred Schult, son of Mr. and Mrs. Herman Schult of Shady Side Ave. has written appreciatively of mail sent him while in a hospital convalescing from injuries received in Korea. At one time he received 18 cards and letters.

Freda Ault of Norfolk Ave. was a Detroit visitor Thursday.

Ina Mae Tallman, granddaughter of the Ernest Tallmans, with whom she resides, spent last week with her uncle and aunt, Mr. and Mrs. Robert Laughman, in Mishawaka, Ind. The Laughmans accompanied her home and spent the Labor Day week end with the Tallmans.

Mr. and Mrs. Lee Galloway of Garden City spent Wednesday evening with their aunt, Mrs. Walter Rehahn on Mayfield Ave.

The Jones family of Brightmoor were Labor Day guests of the Tallmans on Mayfield.

At the Reddy home on Shady Side Ave. last Saturday, family friends of Detroit joined with nearby neighbors and conducted a "bee" for the benefit of the Reddys who are having an addition built on their house.

The Rossow family of Detroit were guests last Saturday of the Reddys on Shady Side Ave.

V. C. Reddy of Shady Side Ave. was a business visitor in Cleveland Friday.

The Sandaus of Hubbard Ave. recently enjoyed a day's outing during which they visited in Port Huron and Sarnia.

Mrs. Carrie Rowe of Detroit was a Monday night guest of the Austin Aults on Brentwood Ave.

Mrs. Albert Owen of Mayfield Ave., Mrs. Austin Ault of Brentwood Ave. and Mrs. Ralph Voorhies of Shady Side Ave. were all Thursday visitors at the home of their sister, Mrs. Norman Gedig, in Detroit.

Mr. and Mrs. J. C. Dunaman of Farmington Rd. visited in Plymouth Friday.

David Dahline of Brentwood Ave. has been a patient in Wyandotte General Hospital for some time. During his stay Mrs. Dahline is the guest of relatives in Dearborn.

Several members of the Homer Coolman family of Shady Side Ave. attended the Sheets family reunion near Ft. Wayne, Ind. over the Labor Day week end.

Mrs. Gerald Roberts of Mayfield Ave. was in the group.

At the home of Mrs. James Smith in Rosedale Thursday evening, a very lovely miscellaneous bridal shower was tendered Miss Charlene Hall of West Seven Mile Rd., whose marriage to Arthur Harrison is to be an event of Sept. 17. Thirty-two guests were present. Mrs. Clarke Bonar, mother of Mrs. Smith, was assistant hostess. Another shower was also tendered Charlene by Mrs. Harold

Ford, with Mrs. Barrett assisting, at the Ford residence on Six Mile Rd. one evening last week. Livonia Methodist ladies participated in this affair.

Mrs. George Throne of Tpsilanti and her sister, Mrs. Loren Read of South Lyon, called on their parents, Mr. and Mrs. Austin Ault, on Brentwood Ave. on Thursday evening, and later attended the bridal shower honoring Charlene Hall.

Mr. and Mrs. William Griffith and daughter, Cathie, of Dearborn called on Lora and Freda Ault of Norfolk Ave. Friday evening. Mrs. Griffith and her daughter remained to be week end guests of the former's parents, Mr. and Mrs. E. W. Stange, of Mayfield Ave.

The Reddys of Shady Side Ave. visited the McMullins in Detroit last Tuesday.

Mr. and Mrs. George Sandau of Hubbard Ave. attended the wedding of their niece in Detroit last Saturday evening.

Accompanied by their father, Clyde Buckingham, Wallace, David and Carol Buckingham, of Norfolk Ave. spent last Sunday at the State Fair.

The Spencers of Norwayne were the Labor Day guests of Mrs. Spencer's parents, Mr. and Mrs. Gordon Vance on Mayfield Ave.

Miss Beverly Bohlinger of Mayfield Ave. returned home last week end after a two months' stay with relatives in Adrian and Lansing and at a summer camp.

Mrs. Emerson Ault of Mayfield Ave. was a guest recently at a family dinner party given at the home of her brother, Robert Borland, in Redford.

Available until Sept. 30 only!

A Special Blue Cross-Blue Shield Plan for anyone who can't join through a group!

✚ NOW you can enroll your family for this protection
✚ against hospital and surgical bills, all by yourself!

✚ NOW you don't need the help of any "group" to join,
✚ if you are a Michigan resident under 65 years of age!

✚ No physical examination or health statement is ever
✚ required for enrollment in Blue Cross-Blue Shield!

Chances are one in three that someone in your family will have to go to the hospital this year.

If that happens, it will be worry enough to you... so, don't risk having to worry about the bills.

Protect your family now, during this special Blue Cross-Blue Shield non-group enrollment campaign. Here's the one chance you will have this year, as an individual, to get the best protection against hospital and surgical bills that money can buy.

But, ACT NOW—before the September 30th deadline. Use the coupon below!

How Blue Cross - Blue Shield Protects You

This special Blue Cross Plan pays as much as \$10 a day for your hospital room and board. It covers in full the expensive extras on your hospital bill, as described below. This

special Blue Shield Surgical Plan pays liberally for services of a licensed surgeon anywhere in the world.

Blue Cross - Blue Shield Rates are
Low for the Protection You Get!

Only pennies per day! And, best of all, your contract will never be cancelled because you have occasion to use its benefits.

Your benefits are not reduced after age 65.

No enrollment fees or agent's commissions to pay.

No claims to fill out. Blue Cross - Blue Shield pay your hospital and doctor directly.

Act Now! Send No Money!

This special non-group enrollment opportunity is limited to the next few days. So today, fill out and mail the coupon below. This will put you under no obligation... nor will it make you a member. No one will call on you.

How the SPECIAL NON-GROUP PLANS
take care of your family's
hospital and surgical bills!

Thirty full days of hospital care for each enrolled family member. Another 30 days available when you have been out of the hospital for at least 6 months.

Surgical plan pays your doctor liberal stated amounts for surgical operations.

UNLIMITED—use of operating room • anesthesia (when administered by hospital employees) • laboratory examinations • drugs and dressings • physical therapy • oxygen • basal metabolism examinations and other listed hospital services for 30 full days of care when performed at any of the more than 200 Michigan Blue Cross participating hospitals.

Only 6 months waiting period for

chronic and pre-existing conditions and for removal of children's tonsils and adenoids.

Up to \$9 a day for hospital care plus a delivery fee of \$50 for maternity cases after only nine months of membership.

All Benefits of the Non-Group Contracts are available in more than 200 participating hospitals in Michigan.

Benefits in non-participating hospitals provide for payment to the hospital up to \$6.50 per day for room, plus \$65 per admission for other hospital services.

Enrolled persons may keep their protection after they become 65, with no reduction in benefits.

This coupon
must be mailed
before Sept. 30th

Don't put it off for another minute! Take the one chance you will have to get protection without the help of a group. Mail this coupon now. Pass the coupon on to a friend if you already have Blue Cross-Blue Shield.

ELECTRIC DRYER DAYS are here!

SAVE WORK

Hanging clothes is hard work—lifting, lugging, bending, stretching! With an electric dryer you load it, flip a switch and your wash dries in minutes.

SAVE TIME

It takes time to hang clothes... more time to check on whether they're dry. An electric dryer saves all this. You're free to do other, more important things.

SAVE WORRY

A weather worrier? An electric dryer gives you perfect drying weather the year around. And for working wives—your dryer will dry just as well at night!

SAVE MONEY

You'll need fewer linens, less clothing with an electric dryer because washing and drying take only minutes. Too, dryer-dried clothes stay newer, brighter.

You'll love an electric clothes dryer. It simplifies so many chores. Its gentle action freshens, fluffs and softens clothes... tosses out wrinkles so that ironing's easier.

School Officials Attend Vocational Education Meeting

A fresh appraisal of vocational education in the Northville school system is planned as a result of a conference on the problem attended by two Village school officials.

The conference, held Aug. 3-14 at the University of Michigan, was attended by high school Principal E. V. Ellison and Miss Kathryn Giltner, head of the commercial department.

The conference attracted principals, coordinators and teachers of home economics, industrial arts, machine shop, commercial subjects and science from all parts of Michigan.

TWENTY CONSULTANTS

The group met with members of the University Workshop staff and 20 special consultants to discuss such problems as child guidance, curriculum planning, attitudes, finances and public relations.

Miss Giltner said the group agreed that community surveys

should be taken to determine the needs and desires of the locality. Ellison said the conference "pointed up the fact that where there is a need to determine just what Northville students need in the way of vocational education" in order to best prepare them for post-school careers.

BROADER PROGRAM

Miss Giltner said the conference group also thought that in order to help children select a vocation, vocational education should be a part of each grade beginning in the kindergarten and continuing through school with the last year almost entirely devoted to the field of the student's choice.

It was also urged by some attending the meeting that where crowded conditions exist, home economics and industrial arts courses should begin in the ninth grade and that cooperative work programs be established where work opportunities exist.

Man-made fibers now account for more than one-fifth of all the fibers used in the United States, a newspaper survey reveals. At the same time, use of cotton has reached an all-time high, with 9,500,000 bales consumed in this country in 1952.

Builders Reported Wary Despite Boom at Present Time

Michigan and other midwestern states are maintaining a better pace than the rest of the nation as the United States heads for its fifth straight "million plus" home-building year, the Federal Reserve Bank of Chicago reports.

However, despite the current boom, bank officials report that builders continue to feel apprehensive about future prospects.

For the nation as a whole, the number of dwellings started in the first seven months of 1953 totaled 647 thousand units, four per cent more than year-ago figures. In July, however, housing starts across the nation were 65 per cent behind the same month last year—the first significant year-to-year drop in 1953.

Houses have been somewhat harder to sell in recent months, the bank points out in its monthly review, "Business Conditions", because buyers are getting fewer and more choosy while mortgage money on liberal terms has become less readily available.

LANSING GAINS

Although generally well ahead of last year—in contrast to the nation—Midwest building activity has varied widely among individual centers. At midyear, 11 out of 15 Midwest metropolitan areas showed gains of 4 to 42 per cent over 1952's first half. These were: Lansing (42%), Grand Rapids (35%), Kalamazoo (33%), Detroit (28%), Des Moines (26%), Indianapolis (24%), Chicago (18%), Madison (14%), South Bend (12%), Rockford (10%), and Flint (4%).

Because of the size and population growth of the Chicago and Detroit metropolitan areas, their home-building activity is especially important to the Midwest. Since 1939 about 310,000 dwellings have been constructed in Detroit and 300,000 in Chicago. Currently, however, Chicago is ahead of Detroit in actual number of homes being built—and promises to remain that way for some time.

Detroit, to a greater extent than Chicago, received much of its boost in housing demand from the

large number of workers who poured into the city during the past decade. This demand probably will taper off as the influx of labor decreases.

CHICAGO PROSPECTS

Figuring in Chicago's building future is the age of its present dwellings. The Reserve bank points out that the effect of a relatively higher building rate (relative to population size) has been to give Detroit a much more modern housing inventory than Chicago. Thus, more Chicagoans are

Judith Tetzlaff Enrolls at Wayne U.

Judith H. Tetzlaff, 542 West Main St., Northville, daughter of Mrs. Elly Ann Chapko, has been admitted to the Wayne University College of Nursing for the semester beginning September, 1953, officials of the University announced this week.

She attended Northville High School, graduating in June, 1953

Hospital Host to 60 Social Workers

Northville State Hospital played host Monday and Tuesday of this week to 60 psychiatric social workers from all the state hospitals, who met to discuss the question "The Hospital and the Community."

Co-chairmen of the two-day institute were Miss Marguerite Parrish and Mrs. Carolyn Seefeldt, directors of social service at Pontiac and Northville State Hospitals respectively.

General speaker was Horace White, director of social service at the Lapeer Consultation Center in Detroit. Luncheon meeting speakers included Dr. Philip N. Brown, medical superintendent, Joseph Gill, business executive and Jack Patterson, personnel officer, all of Northville State Hospital, and Herbert Bodwin, administrative assistant of the Michigan Department of Mental Health, Lansing.

Workshops were conducted where the groups discussed ways and means of working more closely with the local hospital community and including the community as a member of the hospital team.

Assisting on the luncheon committee were Mrs. Betty Matzen and Miss Selma Schnute, both of Northville, who are social service department employees. Mrs. Matzen is the social service admissions worker and Miss Schnute the social service receptionist.

Berries of the sassafras tree feed 18 species of birds.

For Whom the (School) Bell Tolls

School bells rang again this Monday for hundreds of happy (?) Northville youngsters. Here, Jack Waterloo, Lida Killeen, Lynn Harnden and Chuck Rogers manage to smile as they prepare to

enter the high school for classes. You'll have to forgive the absence of books in the picture. After all, it was only the first day.

News Around Northville

It's A Girl!

Congratulations to Mr. and Mrs. Fred Campbell of Milford Rd., who became the parents of a baby girl Friday, Sept. 11 at Sessions Hospital. The baby has been named Melinda Sue and weighed seven pounds, 14 ounces at birth. Mrs. Campbell is the former Joan Oliver.

Red Cross Disaster Plans Shaping Up

The chairman of the Northville Chapter of the American Red Cross reported this week that plans are well under way to provide the village with an adequate relief program in case of disaster. Mrs. Arthur Carlson said that committees are being formed to handle the different phases of disaster work. She said that a meeting of Red Cross workers in Livonia Monday night helped to crystallize the local chapter's thinking in planning the disaster set-up.

The meeting was attended by Mrs. Carlson, Disaster Chairman Roy Stone and his assistant,

Charles Carrington, and Mrs. William Forney, chairman of the Blood Bank. Mrs. Carlson said present disaster plans include 11 phases: the original call for help to the disaster chairman, notification of the Red Cross chapter house, survey of the disaster area, arrangements for food, and the setting up of facilities for first aid, medical aid, shelter, transportation, registration, nursing, and clothing. Each phase of the overall program would have a chairman. Mrs. Carlson explained. The whole effort would be coordinated by the disaster chairman.

Vacationing
Mr. and Mrs. Ray Sporkowski of Center St. are vacationing for two weeks at Eau Gallie, Fla.

Farm and Garden Association Holds First Fall Meeting

Local members of the Woman's National Farm and Garden Association held their first fall meeting on Monday this week at the home of Mrs. M. L. Hoysradt on Waterford Rd.

Speaker for the afternoon session was Mrs. Frank D. Webb, president of the Birmingham Garden Club, who gave an informal and instructive talk on "Gardening With Roses".

Mrs. R. D. Merriam, president of the Northville club, announced as special events for September the Belle Isle Farm and Garden Work Shop to be held Sept. 17 and 18 at the White House on Belle Isle, and a flower show to be held Sept. 19 in Bentley High School, Livonia, under sponsorship of the Livonia Garden Club.

ROSE CARE

In discussing the care of hybrid tea roses, Mrs. Webb recommended dusting or spraying at 10 day intervals to prevent black spot and mildew, and the removal and burning of all leaves that turn yellow or develop black spots. She warned especially that roses should be dusted after a rain.

Mrs. Webb displayed a "Peace" rose as her favorite hybrid tea. She also recommended several older varieties, including Charlotte Armstrong and Miranda, with the advice that gardeners will get maximum satisfaction if they plant three or more roses of the same variety, rather than single specimens of several varieties.

COMBINATION SHOWN

Among the hardy climbers, Mrs. Webb suggested Blaze combined with New Dawn. Peace also comes as a climber now, but must be protected from Michigan winters, she said. Another good hardy climber which she recommended was floribunda Goldilocks. The new floribunda, Ma Perkins, with shades from deep coral to shell pink, also was displayed.

An unusual color combination suggested by the speaker was a planting of First Love roses in front of clematis Jackmanii. Another was annual galardia with Irish bell used as a foliage accent. Artemesia was suggested as excellent for planting between roses and phlox whose colors do not harmonize.

Assisting Mrs. Hoysradt as hostess for the afternoon meeting were Mrs. N. K. Pattison, Mrs. Ralph Hay, Mrs. Merner Eilber, Mrs. Arthur Pohl and Mrs. H. D. Tuck. Mrs. Joseph Denton and Mrs. Edwin Flaherty presided at the tea table which was centered with a large flower arrangement of pink and lavender asters and chrysanthemums.

Coolman to Speak at P.T.A. Meeting

The first Parent-Teachers Association meeting for the coming year will be held Thursday, Sept. 24 in the high school gym at 8 o'clock. Robert Coolman, president of the school board, will give a general presentation of the school's situation at present and some of the problems facing the school board.

C. T. Pregitzer and E. V. Ellison, grade and high school principals respectively, will give some specific information on the immediate and future needs of their respective buildings.

Refreshments will be served following the meeting by the social committee with Mrs. Harry Richardson, Jr. in charge.

The P.T.A. treasurer has given the following report of how they have spent the money earned at last year's carnival: Total in the treasury, \$1,128.20; P.T.A. Scholarship to Sally Davis, \$150; High School electric typewriter, \$275; grade school piano, \$200; Safety Patrol, \$100; nursery school rental, \$45; printed programs for the coming year, \$65; miscellaneous, \$185; total amount spent, \$1,020.

Open House Honors Clarence Jeromes on Silver Anniversary

More than 100 friends and relatives gathered at the home of Mr. and Mrs. Clarence Jerome on Du-buar St. Sunday, Sept. 6 to help them celebrate their Silver Wedding anniversary. Guests were present from California; Cincinnati, Grosse Pointe, Clawson, Detroit, Plymouth and Northville. The guests were served from a table which was centered with two large cakes, one being a white tiered cake decorated in a motif for the occasion and rose buds and hearts adorned the other cake.

Assisting the Jerome children, Arlene and Gerald, at the open house were Mrs. Ethel Clark, Joan White, Carol Ann Sparling, Margaret Jean Campbell and Lila Skow.

Lockhart-Wollgast Rites Pledged In Farmington

Beverly Jean Wollgast and Staff Sergeant Hugh E. Lockhart exchanged their nuptial vows in evening rites Sept. 11 in the Salem Evangelical Lutheran Church in Farmington.

The Rev. Carl H. Schultz read the double ring ceremony before an altar banked with baskets of white gladioli.

The bride is the daughter of Mr. and Mrs. George Wollgast of Edgington Rd., Livonia. Her husband is the son of Mr. and Mrs. George Lockhart of Northville.

For her wedding, Beverly chose an air force blue suit with navy accessories and an orchid corsage.

Attendants at the wedding were Lee Bowring and Elise Lockhart, sister of the bridegroom. Elise wore a grey suit with aqua accessories and a red rose corsage.

Mrs. Wollgast, mother of the bride, chose to wear a grey suit with black accessories and a red rose corsage, while the bridegroom's mother, Mrs. Lockhart, wore black with coral accessories and a yellow rose corsage.

Following the ceremony there was a family dinner at Botsford Inn, after which the couple left for a week's stay at Birch Lodge on Higgins Lake.

The bride graduated from Bentley High School in Livonia and Harper Hospital School of Nursing. Her husband received his education in Northville. Having recently returned from Korea, he will report to Scott Air Field early in October for his last year of service.

District Auxiliary Installs Officers

The 17th District American Legion Auxiliary held their installation ceremonies at Plymouth High School last Thursday night at 8 p.m. At a very formal ceremony, Mrs. Hazel Severance was installed president and Mrs. Helen Sweet secretary. Past presidents of the 17th district served as installing officers at the ceremony.

Alice Mighens was installed as Junior Past president by Lydia Murphy, and Mrs. Severance was installed as president by Catherine Johnston. Mrs. Johnston has performed this service for Mrs. Severance twice before, both times installing her as president of the Lloyd H. Green Auxiliary Unit. Following the installation ceremonies, the Lloyd H. Green unit gave Mrs. Severance a gardenia corsage as a token of their esteem.

Guest of the Auxiliary was Miss Bernice Collins of Lansing, junior past department president, who praised Mrs. Severance for her work at Wolverine Girl's State.

After the auxiliary completed their installation ceremonies, they were guests at the 17th district American Legion installations.

D.A.R. Meeting Set for Monday

Members of the Sarah Ann Cochran chapter of the Daughters of the American Revolution will hold their first meeting of the ensuing year at the home of Mrs. David Mather of Park Place, Monday, Sept. 21 at 1 p.m.

The program will consist of highlights of the Children of the American Revolution conservation week held at Cedar Lake Camp.

Guests and prospective members are invited to attend this meeting.

The regional or district conference of the Daughters of the American Revolution will be held at the St. Johns Episcopal Church in Royal Oak Saturday, Sept. 26 at 9:30 a.m.

Novi Ladies Enjoy Fall Style Show

A fall style show and card party was held at the Novi Community Building Friday evening, Aug. 28. The show was sponsored by the auxiliary of Perry Kenner Post 76, Amvets and pronounced a success.

Clothes shown were from Freydl's Women's Wear of Northville and modeled by the following ladies: Millie McHale, Pat Kozak, Christine Watson, Donna Frisbie, Lorraine Darling, Jean Clarke, Mae Atkinson, Irene Kahl, June Rea, Doris Callan, Dorothy MacDermaid and Alma Klasner.

Floral arrangements were donated by the Jones Floral Company of Northville. The winners of door prizes were Mrs. G. C. Geyer, Mrs. Wines, Lillian Lockwood, Millie McHale, Signe Mitchell, Mary Lou Morris, Viola Seeley, Nellie Rachov and Kathleen Rea.

Following the show a card party was held and refreshments were served.

Piano selections throughout the program were played by Mrs. Celia Sharpe.

Mrs. Crusoe Heads Ladywood Mothers

The Ladywood Mother's Club met Monday evening, Sept. 14 at Ladywood High School, located at Newburg and Five Mile roads.

Officers elected for the ensuing school term were Mrs. Claude Crusoe, president; Mrs. Clarence Brandell, vice-president; Mrs. Dewey Buckland, recording secretary; Mrs. Charles Allen, corresponding secretary, and Mrs. Roy Bondi, treasurer.

The next meeting will be held Monday, Oct. 5.

Rainbow Girls to Install Officers Tuesday Night

Rainbow Assembly No. 29 of Northville will hold a public installation Tuesday night, Sept. 22 at 7:30 in the Masonic Temple.

Arlene Jerome will be installed as Worthy Advisor with Jean Campbell, Worthy Associate Advisor.

Other girls to be installed are Beverly Calvin, Hope; Lila Lea Skow, Charity; Phyllis Wormer, Faith; Ulin-da Ely, Love; Janice Stanford as Religion; Jackie Campbell, Nature; Phyllis Howard, Immortality, and Norene Denune, Fidelity.

Also to be installed are Elise Lockhart as Patriotism; Lois Leavenworth, Service; Marcia Doeksen, Outer Observer; Sue Cantrell, Inner Observer; Delores Teshka, Musician; Sandy York, Drill Leader; Gail Waterman, Chaplain; Donna Cobb, Recorder; Janice Morgan, Treasurer, and Rita Skow, Prompter.

CHURCH NEWS

Salem Congregational
The Congregational Ladies Aid will meet Thursday, Sept. 24 for a pot-luck dinner at noon at the home of Mrs. Henry Rodamsky on Currie Rd. Mrs. Clarence Rody will be co-hostess.

Last Sunday little Donna Jean Doolin, daughter of Mr. and Mrs. Raymond Doolin, was dedicated to the Lord in the Congregational Church services. An aunt, Miss Nancy Griswold and Mr. William Corwin were sponsors with the

parents and both grandmothers, Mrs. Griswold and Mrs. Doolin.

Salem Federated

Rev. Finley, our visiting evangelist during the current revival services, will speak for the last time at the Sunday Evening service.

The Federated Ladies Aid will meet Thursday, Sept. 24 at the home of Mrs. Hugh A. Means, 302 W. Ann Arbor Rd., Plymouth.

A group of ladies from the Federated Ladies Aid met at the church Wednesday to paint and clean the church kitchen. Other women hope next week to clean the cupboards used by the primary Sunday School departments, and also finish the "fall" cleaning of the church basement.

Oct. 13 is the date which has been set as the evening for the harvest pot-luck supper at Federated Church sponsored by the Ladies Aid. All are welcome to attend and bring a dish to pass—table service will be furnished by the ladies along with coffee and rolls.

SALEM UNION SCHOOL NEWS

Lower Room News

The primary room has 29 pupils. Mrs. Isabelle Faidherbe is the teacher again this year. There are 17 girls and 12 boys in our room.

Monday, Wesley Wilson brought a little turtle to school. His name is Crackey Greenback.

We have heard that Mrs. Ruth Devine, last year's upper room teacher, is now teaching in Dexter High School.

Mrs. Harvey Pohnert and Mrs. Faidherbe attended the teachers' institute at Carpenter School on Friday, Sept. 11, 1953.

Upper Room News

Mrs. Harvey Pohnert of Whitmore Lake, retired former teacher of Salem Walker School, has accepted the job of teaching the upper grades of Salem Union as a substitute teacher for the first six weeks period because of the great shortage of active teachers these days.

There are 27 children enrolled in the upper grades this year. The new fifth graders are Robert Bryant, Tom Dolan, Verne Baggett and Donald Roberts.

PLASTIC COMPANY PICNIC

Employees of the Great Lakes Plastic Company plant of Salem had an enjoyable evening Saturday with their families at a company picnic held in the Salem Town Hall after the cold, windy weather made them decide to give up their plan to hold the picnic in the park.

EXTENSION NEWS

The Salem Extension Club met with Mrs. Charnell Hardesty of Six Mile Rd. Tuesday evening, Sept. 8 with 12 members present. Election of officers was held which resulted in Mrs. Leola King becoming chairman, Mrs. Ralph Jean Hardesty, vice-chairman, and Mrs. Margaret Kelly, secretary-treasurer. A very enjoyable report was given on the "fun side" of the trip made to the Homemakers' Convention in Boston, Mass., by Mrs. Florence Van Atta, Mrs. Laura Verran and Mrs. Robert Wilson. Next month they will give a report on the more serious side of the trip. Refreshments were then served by the hostess with everyone present having a pleasant evening.

SOCIAL NEWS

Mr. and Mrs. Deane Hardesty and Mr. and Mrs. Elmer Bennett attended the Michigan State Fair last Sunday.

Mr. and Mrs. Elmo Clemens went to the Michigan State Fair last Wednesday, Sept. 9. Last Tuesday the Clemens family attended the Saginaw County Fair.

Sunday, Mr. and Mrs. John Hardesty and son, John, and Mr. and Mrs. Don Tiffin had dinner with Mr. and Mrs. Carleton Hardesty and family in Salem.

John Bond had a good time

Local Orchard's Display Wins First Prize At State Fair

Gov. G. Mennen Williams pauses to inspect the exhibit of Foreman Orchard, West Seven Mile Rd., Northville, which won first prize among artistic fruit exhibits at the Michigan State Fair. The award brought a blue ribbon—and more important—\$450 to the Foreman family. It featured prune plums, Barlett pears, Hale Haven peaches, crab, Macintosh, Wealthy and other varieties of apples and measured 10 by 15 feet. All of the fruit was grown on the Foreman Orchard. The exhibit was an educa-

tional one, designed to show when the different kinds of fruit start their growing seasons and how long it takes them to mature. Most of the work on the display was done by Ralph Foreman, Sr., his son and daughter-in-law, Mr. and Mrs. Louis Foreman, and Ferris Combs. The group worked all last Thursday and until 3 a.m. Friday morning getting their display in shape for the Saturday morning judging. Judges were Bob Loree and Kelly Langer of the faculty of Michigan State College.

during his four-day fishing trip to the Thunder Bay area in northern Michigan last week, staying at Hillman, Mich. He caught several perch, bass and pike.

Sunday afternoon, Mr. and Mrs. Howard Shipley of Plymouth called at the George Bennett home, west of Salem. Saturday evening, Sept. 5, Mr. and Mrs. Edward Bauman and daughter, Sandra, of Plymouth, Mr. and Mrs. Russell Merritt, and Mrs. Wanda Bingner and two daughters were callers at the Bennett home, and on Sunday, Sept. 6,

the Bennetts visited with the Kenneth Proctor family and the Walter Bower family of Chelsea who called at the home that afternoon.

Saturday callers at the Arthur Wheeler home were their son, Mr. and Mrs. C. L. Wheeler of Ypsilanti, and another son and his wife, Mr. and Mrs. W. G. Wheeler of Holly, visited with their parents on Sunday afternoon.

Mr. and Mrs. Charles Johnson and family called on Mr. and Mrs. Charles Stacey Labor Day evening.

BIRTHDAY PARTY

Nancy Alter, 6-year-old daughter of the Gilbert Alters of South Salem Rd., was honor guest Saturday at a birthday party in her home. Among the children present who enjoyed several different games and prizes were nine of Nancy's school classmates and friends and Nancy's three cousins, Mickey, Paula and Corinne Cucchetti, of Wayne. Also at the party were Mrs. Cucchetti, Mrs. Carleton Hardesty, Mrs. Henry LaMont and Mrs. L. Birkelbaw, along with Nancy's mother and sister and brother. Another small cousin, Vicki Alter, daughter of Mr. and Mrs. Wally Alter of Detroit, spent the week end with her uncle and aunt while her parents were up north looking for a cabin to use during the coming deer hunting season.

Following the games, Nancy opened her many nice gifts and her mother and aunt served refreshments of ice cream and chocolate birthday cake with white frosting with Cinderella's coach as decoration.

COMING EVENTS

Tuesday, Sept. 22 — Salem 4-H Clothing group will meet at the home of Mrs. William Bock at 7 p.m. All girls between 10 and 20 who wish to join the club should plan to attend and bring their mothers.

Thursday, Sept. 24 — Federated Ladies Aid meets at the home of Mrs. Hugh A. Means, 302 W. Ann Arbor Rd., Plymouth.

Thursday, Sept. 24 — Congregational Ladies Aid will meet for pot-luck dinner at noon at the home of Mrs. Henry Rodamsky on Currie Rd.

Sunday, Sept. 27 — Rally Day at the Salem Federated Church.

Northville Gridders Set for Opener Tomorrow At Ford Field

Meet Favored Plymouth Rocks; Kickoff 8 P.M.

The Northville High School Mustangs raise the curtain on the 1953 football season tomorrow night in a battle with the powerful Plymouth Rocks under the lights at Ford Field.

Kickoff is at 8 p.m. The undermanned Mustangs will rank as definite underdogs in the opener with the neighboring Rocks, who swept through the 1952 season undefeated.

The Mustangs have been working out at Cass Benton Park for three weeks. However, all the practice in the world won't solve their biggest problem—lack of depth.

"We have a strong first eleven but after that we're pretty shallow," Coach Al Jones said this week.

MAKE PROGRESS

After a disappointing first two weeks of practice, Jones said the local squad has shown definite

progress in smoothing over some of their offensive rough spots. However, at times Jones was handicapped by the lack of enough men to field two varsity elevens for scrimmage purposes. On several occasions less than 20 players turned out.

Northville's tentative starting offensive line-up for the opener lists Eddie Nash and Paul Schulz at ends, Jim Mitchell and Jim Bonar at the tackles, Co-captain Al Iversen and Paul Hamline at guards and Bruce Felker at center.

STARTING BACKFIELD

Gene Rebitzke will fill the quarterback slot while Lamar Nalley and Bob Scheffer will start at the halves and Arland Lovett at fullback.

Hamline, a transfer student, will find some familiar faces among the opposition linemen. He played for Plymouth last year.

The Northville squad has been strengthened by two other transfers, Auggie Ritt of Bellaire and Virgil Houtz, who attended Bentley High School last year.

Wild Life Notes...

FISHING REGULATIONS

The Michigan Conservation Department hopes to formulate more liberal fishing regulations for warm water anglers as a result of three experiments scheduled for nine lakes throughout the state.

Most of the lakes are the same ones used for experiments from 1946 to 1950 that led to relaxed regulations on panfish. Those tests indicated there was no good reason for size limits on panfish. They also showed that season limits on bluegills and sunfish also were unnecessary.

The new series of tests, scheduled to start in the near future, will be aimed at testing present regulations on bass and wall-eyed and northern pike.

Three of the nine lakes in the tests will be open to year-round fishing for all species of fish. However, present creel and size limits will remain in effect.

This test is designed to show whether more big fish than presently can be taken from a lake allowed without hurting the parent stock.

Pontiac Lake in Oakland County, Whitmore Lake in Washtenaw and Livingston counties and Bear Lake in Manistee County have been chosen for this experiment.

The other two sets of lakes will be used for a study of present size limits. On three of the lakes anglers will be permitted to take bass and pike of any size, while on the other three, pike under 24 inches long or bass under 16 inches will be protected.

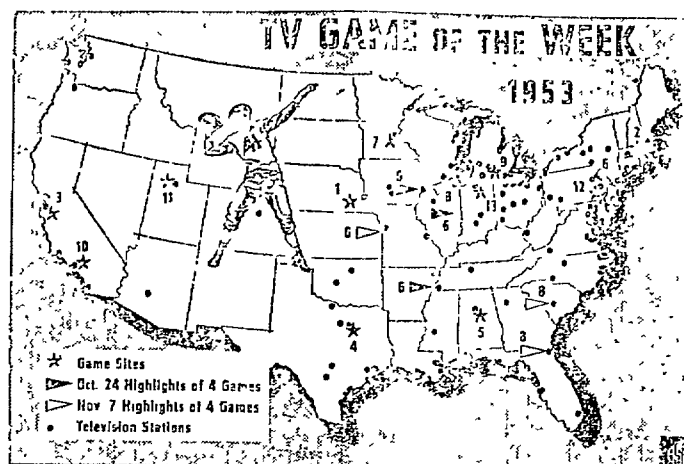

At present, the Department has considerable "creel census" data from all lakes involved in the tests. This information will provide comparison with catches anglers make under the new experimental regulations.

The experiment, if approved by the conservation commission, is expected to get under way on the test lakes early next year.

BEARS

Veteran game men have this strong reminder to pass along to tourists visiting northern Michigan—"Never trust a bear".

They say bears are notoriously treacherous. Even animals long believed tame have been known

The above map illustrates the nationwide scope of the 1953 TV Football Game of the Week series being sponsored by General Motors over the 84-station NBC network starting Sept. 19. The 13-week schedule of game telecasts, set up by the NCAA, includes 11 single games and two panoramic telecasts of the highlights of four separate games.

The games to be telecast, as indicated by number on the map, include (1) Nebraska vs. Oregon at Lincoln, Sept. 19; (2) Dartmouth vs. Holy Cross at Lynn, Mass., Sept. 26; (3) California vs. Ohio State at Berkeley, Oct. 3; (4) Texas vs. Oklahoma at Dallas, Oct. 10; (5) Alabama vs. Tennessee at Birmingham, Oct. 17; (6) highlights of the Princeton-Cornell, Arkansas-Mississippi, Illinois-Syracuse, and Iowa-Indiana games on Oct. 24; (7) Minnesota vs. Pittsburgh at Minneapolis, Oct. 31; (8) highlights of the Florida-Georgia, South Carolina-North Carolina, Northwestern-Wisconsin, and Kansas-Kansas State games on Nov. 7; (9) Michigan State vs. Michigan at East Lansing, Nov. 14; (10) Southern California vs. UCLA at Los Angeles, Nov. 21; (11) Utah vs. Brigham Young in a Thanksgiving Day game at Salt Lake City, Nov. 28; (12) Army vs. Navy at Philadelphia, Nov. 28; and (13) Notre Dame vs. Southern Methodist at South Bend, Dec. 5.

The black dots on the map indicate locations of the NBC television stations which are scheduled to carry the TV Game of the Week series across the nation.

to display wild, animal tendencies.

This was tragically pointed out in Arizona recently when a three-year-old child was mauled and killed by a "tame" bear. The bear had been purchased as a cub three years ago and was reared by its owner.

Throughout Michigan's north country, a number of semi-wild bears are known as regular visitors to woodland garbage dumps. As tourist attractions, they are unparalleled, but game men warn photographers and interested northern visitors to regard the animals with extreme caution at all times.

And while on the subject of bears... three more of the animals have been captured and tagged at the Cusino wildlife experiment station near Shingletown in the Upper Peninsula.

The wild trio—a 190-pound female and her two cubs—were captured at the station's big bear live-trap, a huge section of metal culvert closed at the back and fitted with a front trap door.

Workers found the female locked in the trap and captured the two cubs nearby. Both cubs were males, weighing 53 and 47 pounds respectively.

A spray gun was used to shoot ether into the trap so the bear could be subdued, after which she and her cubs were weighed,

marked and released.

The next-to-impossible wildlife captures bring to four the number of bears now tagged in the Cusino area. Game men hope to learn more about bear habits, movements and development through the experiment. Such information would help considerably in developing the present state program on control and hunting of bear.

Harness Racing Ends This Saturday at Livonia Track

Harness racing in the Detroit area comes to an end this Saturday, Sept. 19 as Wolverine Harness Raceway at Livonia winds up its 36-night meeting.

Two big stake features, The Scottish Pence for 2-year-old pacers, and the Wolverine Pace for all pacers highlight the last three nights of racing at the Schoolcraft Middlebelt plant.

At least 11 young pacers are expected to go in the Scottish Pence in two 1-mile dashes. Purse for the event will be \$10,000. Among others the field includes B. W. Smith, Dale Frost, Doctor Pick, Jimmie Taylor, Lela Bay and Parker Byrd.

OTHER ENTRIES

Others are R. C. Byrd, Royal-I-Frisco, Scotch Byrd, Top Deck, and Zoom Lite. Although unknown to harness fans now, the list includes several horses who figure to be some of the nation's top 3-year olds next year.

Final feature on the Wolverine program will be the Wolverine Pace on Saturday, Sept. 19. An Open Pace in two 1-mile dashes for \$10,000, the field includes at least 10 top pacers.

HEADS THE FIELD

Direct Rhythm, the nation's fastest horse last year with a 1:56.1 record at Lexington, Ky. heads the field. Others slated to

Gavilan Defends Title in Friday Night TV Fight

Kid Gavilan, bolo punching welterweight champion of the world makes his first title defense since defeating Chuck Davey last February when he meets rough, tough Carmen Basilio, holder of the New York State welter title in Syracuse, Friday night, Sept. 18 on the Cavalcade of Sports, presented by the Gillette Safety Razor Co.

The championship bout will be seen on 75 NBC television stations, and broadcast over the ABC radio network of 320 stations starting at 10 p.m. Eastern Daylight Time.

The Keed from Cuba, famed for his vicious flurries, has a record of 112 professional fights, winning 95, losing 13, with four draws and 27 knockouts. He's a crowd-pleaser, and a top favorite among television audiences. He lost one fight this year, being decisioned by Danny (Bang-Bang) Womber in an over the weight match.

Basilio, the most improved man in the 147-pound class, scored his seventh straight win beating Billy Graham to become the New York State welter champ. A two-

go are Dudley Hanover, H. D. Hanover, Irish Hal and Meadow Rice.

Still others figured to go in the big event are Mighty Sun, Poular Dell, Prince Adios, Thomas B. Scott and Wilmington's Star.

Wolverine Harness Raceway is located at Schoolcraft and Middlebelt roads. Post time is 8:30 with admission at \$1.00.

A life insurance company reports that nearly 75 per cent of policy-holders who died in 1952 were the victims of diseases of the heart, or blood vessels, or of cancer. The high toll of these diseases was declared due to reduced mortality from other diseases and to the fact that more policy-holders are living to an advanced age.

fisted slugger, his record shows 51 professional fights with 37 wins, 10 losses, five draws and 18 knockouts. He has beaten such outstanding fighters as Vic Cardelli, Ike Williams, Carmine Fiore and Sammy Gullini. In his bout with Chuck Davey, he was declared the winner only to have the commission change the decision to a draw the following day when an error was found in the referee's score.

The fight is being held in Syracuse where Basilio is a tremendous drawing card. It will be blacked out on television in Syracuse, Utica, Rochester and Binghamton. However, it will be broadcast in those cities.

Pursell Office Supply

637 S. Main, Plymouth Phone 502

Michigan Outdoors is best of all in late September and October. You who choose your vacation time for this season are lucky indeed—and here are a few suggestions on where to go and what to see.

Throughout America the color of fall looks best of all in Michigan. While the area above the Straits has more a touch of the wilderness and brighter coloration in the hardwoods, our lower peninsula shines forth, too—particularly in the northern half of the state—offers an indescribably beautiful "colorama" with the touch of frost in the trees.

Upper Peninsula Wonderland

In late September and October drive along famed Highway No. 2 west from St. Ignace, bordering lovely Lake Michigan. You may choose to stop at Blaney Park, about 60 miles from the Straits, for lunch. Blaney Park is one of the outstanding resort developments in this part of our State. Then your route will carry you westward to Manistique and Escanaba, along the Big and Little Bay De Noc. Turn north now, to the Lake Superior shore, stopping for a look at Marquette. The drive from Escanaba to Marquette through the heavy hardwood will be memorable for its color pagentry—and continuing westward through the iron ore communities of Ishpeming and Negaunee you'll see just how this giant industry has molded the way of life.

Stop to Fish

Lake trout trolling is best of all in late September and for the first week of October. Stop at Baraga or L'Anse au Baraga Bay and charter a boat for a day to enjoy the "deep sea thrills" that go with this Lake Superior sport. The Bay is well protected from the strong westerly winds that make mountainous waves in open water, and rocky reefs along the bottom provide good fishing grounds.

Bird Hunters' Paradise

Or you may choose to take along a shotgun, for the partridge season opens October 1st, and gunning for this game bird provides unforgettable sport in this vicinity. Residents of Upper Peninsula communities are always helpful in guiding visitors to good hunting grounds.

On to the Copper Country

Your visit to the renowned copper country of Michigan in and around Houghton and Calumet will prove a highlight at any time of the year—but in the fall it's at its prettiest. The Brockway Drive is a composite color picture blending all of nature's hues into one tremendous picture, framed by the blue-green waters of Lake Superior. Your color camera will bring home a vacation story that will prove to your friends—see Michigan Outdoors in the fall and you see it at its best!

4 Rules For Bible Study

There are certain rules of interpreting the Bible which must be followed if we would understand what we read. Allow me to pass on to you the four rules used by the godly John Bengel in writing his commentary on the N.T. Rule 1—Get everything out of the Book. Rule 2—Read nothing into the Book. Rule 3—Let nothing escape you that is in the Book. Rule 4—Apply yourself wholly to the Book and apply the Book wholly to yourself. These are good rules to follow and if observed will not only help you to understand your Bible but also guard you against error in interpretation. Since Christ is the foundation for our Christian faith and our source of information about Christ and His way is from the Bible, it is important that we be taught to handle the Word properly so we can understand what God intended to convey to us. We have over and over urged the readers of this column to study their Bibles and to measure what they read and hear by what the Bible teaches. A study of this book will "make you wise unto salvation" (1 Tim. 3:15) and the Gospel obeyed will bring forgiveness of sins and the hope of life eternal to your soul. Build your faith on what the Bible says!

Rotary Rummage Sale Nets \$450

Village bargain-hunters bought items ranging from a zither to a kitchen sink and poured \$450 into the Rotary Club benefit fund at a rummage sale held last Friday and Saturday under the grandstand at Northville Downs.

Along with the usual odds and ends found at a rummage sale a few out-of-the-way items were noted. A meat press, used in the old butcher shops for making meat patties, and a zither, a musical instrument with from 30 to 40 strings, were sold.

The money will be used in several ways: to aid crippled children; to sponsor foreign exchange students; to send local teen-agers to the Little League of Nations in Hillsdale, and for the Rotary Club Christmas projects which help to brighten the Christmas season for children at the Convalescent Home and at Maybury Sanatorium.

Fuel Oil Blamed for Crash at Intersection

Spilled fuel oil has been blamed for an accident at the corner of North Center and Randolph streets Monday morning which caused damage estimated at \$400 to two cars.

Police said a car driven by James Woodrow Harris, 58, Novi, slid through the stop sign at the intersection and collided with another vehicle driven by Larry Gotts, 18, North Center St.

Officers said Harris attempted to stop at the corner. However, the oil made the street so slick his brakes were rendered useless.

Police were unable to find out who spilled the fuel oil.

Damage to the Gotts car was estimated at \$300 while the Harris automobile suffered \$100 damage. Neither driver was injured.

Wisdom is oftentimes nearer when we stoop than when we soar.

For the Record . . .

(Continued from Front Page)

Congratulations also to Pat Malley for his successful efforts to establish equestrian competition as a popular sport for teen-age boys and girls. Last week end young riders and their horses from Northville, Birmingham, Bloomfield Hills and other localities competed in the Northville Hunter Trials at Malley's "Frankfield Farm". The youngsters were full of competitive spirit and good sportsmanship which caused a feeling that here was a worthwhile sport for boys and girls. Combining competitive interest with love of animals, it should make for good character in an age when parents are coping with delinquency and other problems of youth.

The Northville Hunter Trials are an outgrowth of Malley's work with junior horsemen through the Northville Junior Horse Show over the past five years. Seeing the lapse in continuing competition between these animal events, Pat has worked out the idea of team competition for juniors and the organization of a full-fledged league of junior equestrian teams that compete against each other the same as in baseball, hockey and football. The competition is built around the Federation Equestre Internationale, the world-wide governing body of the Olympic Games in the division of horsemanship. The ultimate goal of these young horsemen is to develop riding skill that will enable them to make the United States Olympic Team. Whether they achieve the pinnacle of success is far less important than the fact that they are acquiring traits of good character that will stand them in good stead in the future. The Northville Optimist Club, which sponsors the Junior Horse Show, and the community, should give Pat Malley credit for the good job he is doing.

Funeral Services Held Wednesday for William Holmes Yerkes, 93

William Holmes Yerkes, one of Northville's oldest residents, died at his home at 315 Griswold Ave., Saturday, Sept. 12. He was 93.

The body lay in state at Phillips-Bahnmler Funeral Home until services were conducted on Wednesday from the Presbyterian Church with Rev. H. F. Fredsell officiating. Interment was in the Yerkes Cemetery.

Mr. Yerkes was born in 1860 in Novi Township to Robert and Sarah Holmes Yerkes.

GOES TO WEST COAST

After graduating from Northville High School and Michigan State Normal School, he went to Tacoma, Wash., and then to other West Coast cities where he worked on the docks for a short time. Upon returning to Northville, he worked on the old Bogart farm. Becoming interested in the milling business, he bought and operated mills at Seville and Marysville, O., and later managed a mill at Ypsilanti. In partnership with his brother, Donald, Mr. Yerkes owned mills in Northville and Milford. His share of the Milford mill was later purchased by his brother, Donald, and his share in the Northville mill by Lyman McRobert.

Mr. Yerkes' father, Robert

Holmes Yerkes was one of the seven sons of William Purdy Yerkes, who traveled to Michigan in 1825 on foot from New York in search of farmland. He returned in 1826 with his family and settled in Farmington Township.

LIVED AT "OAKLAND PLACE"

Mr. Yerkes family later moved to "Oakland Place", the farm on Eight Mile Rd.

In 1883, Mr. Yerkes married Helen Antoinette Blackwood, who passed away in 1924. He married Edith Mead in 1926. She preceded him in death in November, 1951.

Mr. Yerkes was an excellent swimmer and celebrated his 75th birthday by swimming across Orchard Lake (2 1/2 miles). Other hobbies he enjoyed were ice skating, for which he won many prizes; bridge, which he taught for some time, and dancing. Mr. Yerkes helped organize the Pastime Dancing Club and taught square dancing.

The only survivors of the deceased are several nieces and nephews. They include Mrs. Harold R. Smith of Grosse Pointe Farms, Mrs. Winfield L. Holden of Detroit, Donald Purdy Yerkes, Robert G. Yerkes and Mrs. John C. Burkman, all of Northville.

Metamora Team Wins Junior Equestrian Event

Riders from the Metamora Club swept to victory in the three-day event for Junior Olympic Equestrian teams held last week end in connection with the Northville Hunter Trials at Frankfield Farm, West Eight Mile Rd. The three Metamora riders chalked up perfect scores in the cross-country competition, first phase of the event. That gave them such a commanding point lead they were able to win the complete competition and carry home the first place trophies.

The Northville team, close behind Metamora in the cross country, gained 288 1/2 points in the first event, 116 points in Dressage and 227 1/2 points in jumping to place second.

The Junior Olympic three-day event for teams marks the first time this type of equestrian competition has ever been held in Michigan. Four teams completed the competition. Riders, with the same horses, were required to compete in three separate types of horsemanship—cross country, Dressage, and jumping. This is identical with the requirements of the Olympic Games.

With a possible score of 900 points, representing perfect scores in all events, the final team standings were as follows:

Metamora, first with 701 points; Northville second with 631 1/2 points; Grants Equestrians third with 625 1/2 points and Oakland's team fourth with 624 1/2 points.

These were the final games of the all-season competition among junior equestrian teams for the honor of winning the Northville Optimist Club "Junior Equestrian Team Challenge Trophy", placed in competition last year by the Optimists of Northville for the promotion of interest by junior horsemen in International and Olympic type of competition.

Riders on the Northville team are Frannie Malley, Jan Schaefer, Mary Casenheiser and Sharon Cashchak. Coach of the team is Stan Schaefer.

Sponsoring the trials, which is for the benefit of the junior equestrian division of the Northville Optimist Club, were The Optimist Club, Northville Driving Club, Mr. and Mrs. Robert Haass, Mr. James Jones of Detroit, Mr. and Mrs. Arthur Dowd of Birmingham, and Mr. and Mrs. J. P. Malley.

Bazaar-Luncheon Date Is Sept. 24

Thursday, Sept. 24 is the date of the annual bazaar and luncheon which is sponsored each year by the Ladies Aid of St. Paul's Lutheran Church. The event will be held in the Lutheran parish hall and lunch will be served from 11 to 1:00 o'clock.

W. Main Sidewalk Repair Scheduled

The Village Commission agreed unanimously at a special meeting Friday night to accept the bid of Donald Bidwell of Plymouth for 400-feet of new sidewalk on the north side of West Main St. from Rogers to the residence of Dr. L. W. Snow.

Approval came after it was reported that Village Clerk Mary Alexander had received the approval of four property owners

along the stretch to go ahead with the project at their expense.

Bidwell offered to do the job for 32 cents a square foot, 14 cents less than a price offered earlier by another contractor. The Commission earlier had been informed that Bidwell would do the work for 30 cents a foot. However, members still felt they were getting a bargain.

The new sidewalk will be three feet wide and four inches thick. Part of the agreement with Bidwell calls for the village to break and remove the old concrete and handle all grading and filling work.

Mrs. Stoianoff Dies Suddenly

Mrs. Peter Stoianoff of Six Mile Rd., Salem, died very suddenly Wednesday morning. Friends may call at the Phillips-Bahnmler Funeral Home where services will be held.

A full obituary will appear in the next issue of the Record.

Tuesday night, World Wide Guild.

Wednesday, Deaconess Board dinner at the parsonage.

Christian Scientists Plan Radio Series

The Christian Science Church this week announced plans for a new series of weekly 15-minute radio programs illustrating the power of prayer in everyday life. The series will be released Sept. 18.

Each program presents a firsthand, documentary narrative in which a guest tells of his own religious experience—how he experienced physical healing through prayer in Christian Science.

The accounts are being tape recorded from persons of many different walks of life from all over the United States, Canada, Europe, Africa, Australia and other parts of the world.

Following the narrative a short inspirational message will be presented on how the listener can solve his own problems through prayer.

The programs—carrying the series title "How Christian Science Heals"—are produced by The Mother Church, The First Church of Christ, Scientist, in Boston, Mass., according to an announcement by Thomas E. Hurler, manager of Christian Science Committees on Publication.

They will be heard on about 600 radio stations throughout the United States, Canada, and Australia, and at points in Latin America, Europe and New Zealand.

Thursday, Mother's Club of the Novi Baptist Church will hold a dessert luncheon at the parsonage at one o'clock.

Saturday afternoon at 2 o'clock, Junior Choir rehearsal and party.

SALEM CONGREGATIONAL CHURCH

Mrs. Lucia M. Stroh, Minister
10:30 a.m., Divine Worship. The pastor will bring the message.

11:45 a.m., Sunday School. Norman R. V. acting superintendent.

The Congregational Ladies Aid will meet Thursday, Sept. 24 for a pot-luck dinner at noon at the home of Mrs. Henry Rodamsky on Currie Rd. Mrs. Clarence Rody will be co-hostess.

SALEM FEDERATED CHURCH

Douglas R. Couch, Pastor

Sunday:

10:30 a.m., Morning Worship service. Rev. Allen Finley will again preach the sermon.

11:45 a.m., Sunday School. Blaine Hicks, superintendent.

6:30 p.m., Federated Youth Fellowship.

7:30 p.m., Sunday Evening service. Rev. Finley, visiting evangelist during the current revival services, will speak for the last time during this series of meetings at this evening service.

Wednesday:

7:30 p.m., Prayer Service and Bible Study.

8:30 p.m., Choir practice.

NEWS FROM NOVI

Mrs. Luther Rix — Phone Northville 245-J

AM VET NEWS

The AmVets Perry Kenner Post No. 76 has moved to its new home, formerly Meadowbrook Hall, at Ten Mile and Meadowbrook roads.

The post plans to sponsor a dance the first and third Saturday of each month. The first dance is scheduled for this Saturday.

The AmVet Auxiliary of Post 78 served dinner to the Novi Board of Commerce Thursday evening, Sept. 3. Plans are also being made by the Auxiliary for their annual charter dinner to be held at Highland Manor Wednesday evening, Sept. 23.

On Wednesday, a group of auxiliary members attended the Coffee and Cakes TV show. Those who won prizes were Arlene Rippey, Dorothy McDermaid and Jean Barber.

SOCIAL NEWS

Mike Rackov attended the Freshman's Rendezvous, from Sept. 11 to 14 at the University of Michigan fresh air camp sponsored by Lane Hall. Mike is beginning his first year at the University with orientation this week.

Mr. and Mrs. Paul Rackov have purchased five acres of land from Mr. Miller on West Grand River and have their new house partly built.

Mr. and Mrs. William Rackov and family and Mr. and Mrs. Mike Rackov attended funeral services at St. Francis and Holy Sepulchre Church for Joseph Wagner of Detroit last Thursday.

Mr. and Mrs. Alfred Gow are vacationing at Washington, D.C. this week where they will visit the latter's nephew, Donald Mann, and family.

Mr. and Mrs. George Atkinson and Mr. and Mrs. Glen C. Salow spent the Labor Day week end at their cottages near Lewiston from whence they motored to Garden Lake in Canada, north of the Canadian Soo, spending two days there.

Twelve ladies of the Sunliner Club met with Mrs. Don Linder on Eleven Mile Rd. last Wednesday. Mrs. Charles Perry was presented with a gift as a farewell gesture and a lovely cake was served in honor of her recent birthday. Mrs. Mary Watson, who was a former member and now living in California, was also present.

Mrs. Mary Watson left for her home with her daughter at Mill Valley, Calif. on Saturday after spending three weeks with her son's family, the Harry Watsons, and other relatives and friends.

Mr. and Mrs. Luther Rix spent last week end at Oak Knoll cottage at Pretty Lake, Mecosta. Their house guests were the former's brother and his wife, Prof. and Mrs. Clifford N. Rix, of Pomona, Calif.

On Labor Day, Mr. and Mrs. Luther Rix attended the wedding of their niece, Ann Rix, daughter of Mr. and Mrs. Carl Rix, of Petersburg, to Eugene Wilt of Deerfield at the Catholic Church of Deerfield. A reception followed the ceremony at Petersburg.

Mr. and Mrs. Ed Branch spent their vacation recently at their cottage at Crystal Lake.

Recent visitors at the Andrew McCollum home were Mrs. Gow and son, Raymond, of Detroit.

Mr. and Mrs. Fred Garlick spent last Sunday with Rev. and Mrs. Dean Parker at Mt. Rose.

BLUE STAR MOTHERS

The Novi Chapter of the Blue Star Mothers met at the home of Mrs. Joe Gardella on Twelve Mile Rd. Monday evening with 12 members and two visitors present. The business of the evening included plans for Daisy Day to

be held on Saturday, Sept. 26, with Mrs. L. Rix in charge. Thursday evening, Oct. 1, a demonstration will be held at the home of Mrs. Gertrude Lee at Walled Lake. Monday evening, Oct. 12, the Blue Star Mothers will celebrate their 11th anniversary at a dinner. Mrs. R. E. Ward and Mrs. Paul Ginstle will have charge of the arrangements. Several mothers plan to attend the national convention of the Blue Star Mothers at Grand Rapids from Oct. 24 to 28.

CONVALESCENT HOME NEWS

Mrs. Charles Ice had callers on Wednesday. They were her husband and her son, Harry, and her daughters, Ruth and Dorothy, all of Detroit.

Lydia Denke spent Saturday at the home of her parents, Mr. and Mrs. Timothy S. Denke, on Novi Rd.

Mrs. Eva Wagoner had a visit from her grandson, John, of Detroit, and her grandson, William Poppinger, of Livonia, on Sunday.

William R. Blackwell, Sr. visited last week were his daughter, Blanche, and his son, William Blackwell, Jr.

Mr. and Mrs. Frank Ellis of Ferndale, Mr. and Mrs. Fred Wilsdon of Highland Park, sister and brother-in-law, and Mrs. William Muller and daughter, Katherine of Detroit, were the week end guests of Major Martin Hansz.

Novi Lodge News

The Novi Independent Rebekah club met at the home of Sister Pearl Wallace at 1601 West Lake Dr., Wednesday, Sept. 2. The annual bazaar, sponsored by the club, is scheduled to take place Thursday, Oct. 1 at the Oddfellows hall at 1:00 p.m. Dinner will be served to the public from 5:30 to 7:30 p.m.

President Marge Marshall has asked members of the club to meet at the hall on Wednesday, Sept. 30 to arrange for the affair.

Sister Lillian Trickey will entertain the Novi Past Noble Grand club for a dinner party and afternoon meeting at her home, Thursday, Sept. 17.

Novi Rebekah Lodge No. 482 will meet in regular session Thursday night, Sept. 24. This will be the first meeting following the summer vacation.

FARMINGTON 2663-W

Come in and see... value check... and test drive a Ford today!

No doubt about it...

Ford's the one fine car
in the low-price field!

feature after feature... part after part...

Ford is as fine as the finest...

yet it's priced with the lowest.

No car ever built has won such enthusiastic and growing preference as the '53 Ford... and no wonder. For no other car with such a wealth of fine-car features costs so little as Ford.

Yes, Ford, with all its fine-car quality, is offered at a price that's easy to pay.

You can have a Ford with a V-8 engine—the same type of engine that powers America's most expensive cars—for hundreds less than many Six-cylinder

cars. And a Ford powered with the high-compression Mileage Maker Six costs even less.

Then, too, Ford's body is built like the best, with steel body panels of the same quality and thickness as in the most expensive cars.

Ford also proves that a car doesn't need to carry gas-thirsty extra weight to "gentle" you over the bumpiest roads! For Ford's smooth, level ride blots out the bumps... cuts front end road shock alone up to 80%!

Also, you can have your Ford V-8 with Master-Guide, the last word in power steering. Master-Guide cuts up to 75% of turning

effort yet it leaves you with the natural "feel" of steering on the straightaway.

There are many other fine-car features, too! Ford Full-Circle Visibility... foam-rubber cushioned seats front and rear on all models... finishes that are baked on over a complete rust-proofing treatment... to mention a few.

It takes all these features to make a fine car truly fine... worth more when you buy it... and in resale, too! A survey of used car lots proves that people are willing to pay a larger percentage of the original cost for year-old Fords than for any other used cars. No doubt about it, Ford's your best buy!

Worth more when you buy it... worth more when you sell it!

If you're interested in A-1 used cars, be sure to see our selections!

COME SEE...
COME SAVE
AT A&P

Customers' Corner

This is "Better Breakfast Month"...

And because good, hearty breakfasts are so important, you can depend on A&P to feature those foods which make it a real meal.

For instance: you'll find fruits, juices and cereals galore. Bacon? The best! Eggs? We're famous for 'em. You'll want A&P's delicious butter for your golden-brown Jane Parker toast... and Ann Page Jellies and Preserves to top it, of course. Farm-fresh milk for your youngsters... rich, heavy cream for your heavenly A&P Coffee.

Yes, you'll find all your favorites here... all at money-saving prices... all through the year. Come see... come save... at A&P!

CUSTOMER RELATIONS DEPARTMENT
A&P Food Stores

Michigan Mirror

by Gene Alleman

WHETHER MICHIGAN WILL FOLLOW the lead of several other states in setting up a fee system for state parks will be decided by the next Legislature. Until then, and probably long afterwards, the question will be subject for many an argument by many people in many parts of the state.

Foremost of several plans to raise additional money is one requiring windshield stickers for every automobile entering a park. Stickers would be good for a year. Price could be changed from year to year. At present, the fee most often proposed is \$1 per year. Other proposals would set a lower amount for each person who entered a park or charge higher rates to out-of-state visitors. Those who oppose a general "admission" fee suggest higher rates for campers or simply a bigger appropriation from the state treasury.

Tourist business is a big industry in Michigan and the Legislature has been hesitant to do anything that would discourage the annual influx of vacationers.

Endorsement of the fee idea has been made by the Conservation Commission several times, but the Legislature has never acted favorably on the plan.

Conservation Director Gerald E. Eddy says that he understands money raised from admission fees would not be used to cover operating costs. "But we have a serious need for a source of revenue that can produce a predictable amount for capital improvement." Typical example, he said, is Sterling Park in Monroe. "Improvements there will cost nearly \$1 million," he said. "This would be spent over a period of several years, but we can't start a program until we are sure of enough funds to complete it."

Until the Lake Erie beach is improved, everyone, particularly south west Michigan people are deprived of practical use of the shoreline, he explained.

Survey of park needs in 1946 showed it would cost \$17 million to put state recreational facilities in tip-top condition. This included required sanitation, electric, bathhouse, toilet and road installations.

Cost for the same improvements today would probably be \$35 million.

Only way conservation officials can see to get extra money is through new charges or fee plan. Hence their support of ideas.

Public reaction in Minnesota state parks will be observed by all interested parties. Fee plan for state parks was put in effect there for the first time this summer. If a sizeable amount is raised without much public objection, it will be a strong argument to start practice in Michigan.

National parks in both United States and Canada have admission charges which are generally well accepted by the public. Several states besides Michigan are now considering fee plans to help finance recreational facilities.

FAIRLY OR UNFAIRLY Michigan's Justice of the Peace system has long been attacked as inadequate. Justices have been charged with illegal actions which resulted according to critics, from ignorance or unethical practices. Included are "paying off" arrest-

Walker Home Wins Horticultural Award

Mr. and Mrs. W. B. Walker, Jr., this week were presented an "Award of Merit in Horticulture" by the Michigan Horticultural Society in recognition of the display and arrangements of perennials, bulbs and flowering shrubs and trees at their country home, "Happy Acres".

The Walker home is located at 39900 East Eight Mile Rd.

ing officers, levying excessive fines and court costs.

A "conspiracy" exists to do away with Justices' altogether, charges "Official Michigan", publication of the Michigan Justices of the Peace Association. Listed by the magazine as a part of the movement to abolish the state system are "some few prosecutors" and some members of the Michigan Bar Association.

In defense of their offices the Justice association states that its members, themselves, have tried to improve the status of Justice Courts. They invite all critics, particularly the Bar Association, to join with them to accomplish the task.

Three plans are listed by the Justices for consideration.

The "Certified Justice Plan", which has been defeated by several Legislatures in spite of statements by negative voters that "it's a good law". This plan would set up standards to be met by any who wish to become a Justice; provide a "certifying board" to judge applicant's qualifications.

A second plan, offered by Saginaw Attorney John D. MacKenzie, would permit a Justice to handle cases where defendants plead guilty. Not guilty pleas would be handled by a new type court, presided over by an attorney paid on a per diem basis. The Justice would act as court clerk.

Justices cannot be expected to support a third plan which would abolish their courts completely. County courts would be created instead, with judges appointed by the Governor subject to the approval of groups of local attorneys.

The U. S. government has more employees than the country's eight largest corporations combined.
