Hatcher To Speak At 21's Banquet

Northville's newest voters will be honored next Wednesday, Oct. 21, at the annual Citizenship Banquet, sponsored by the Village Coordinating Council.

President Harlan Hatcher of the University of Michigan will be principal speaker at the dinner, which will begin at 6:45 at the St. Paul Lutheran Church.

Frederick Sterner will be toastmaster. Persons wishing to attend the dinner must make their reservations by Friday, Oct. 16. Reservations can be made by calling Robert Coolman, chairman of the affair, at Northville 23. Tickets cost \$2.00.

Driver Escapes Injury in Crash at R.R. Crossing

A Plymouth truck driver narrowly escaped death or serious injury Monday when his truck stalled on the Baseline crossing of the Chesapeake and Ohio railroad and was struck by a freight train.

The driver, Robert Totten of 42431 Hammill St., Plymouth, jumped to safety when he saw the train approaching some 250 feet away.

The truck, owned by the Northville Refrigeration Service, was pushed ten feet down the tracks. However, damage amounted to only \$100, according to Police Sgt. Gil Glasson.

Totten told Glasson he noticed the warning lights flashing as he approached the crossing, which is near the Novels Lumber and Coal Co. However, since the train was not in sight, he decided to keep going.

The truck stalled in the center of the tracks. Sgt. Glasson said the train was going approximately 15 miles per hour when it struck the truck.

3 Local Legionnaires Named to Committees by State Commander

Three members of the Northville American Legion post were appointed to state-wide committees last week by State Commander Billy Wickens.

They included George R. Simmons, Ten Mile Rd., Wolverine Boys' State Committee; Oscar C. Hammond, North Center St., director of Civil Defense on National Security Commission, and David McDougall, Napier Rd., Joint Poppy Committee.

Plants Need Water

Northville gardeners were warned this week that the long dry spell makes it imperative that trees and shrubs in the area be watered frequently.

The warning comes from John Miller of Greenridge Nurseries. He said the long drought is particularly hard on newly transplanted trees and shrubs.

David L. Lee, (second from left), son of Mr. and Mrs. Leslie G. Lee, 807 Fairbrook St., Northville, and Robert K. Erwin, (far left), son of Mr. and Mrs. James N. Erwin, 40085 West Ten Mile Rd., Farmington, are among the members of the Michigan State College marching band, who are taking directions with Professor Leonard Falcone, director of the group. Also shown in the picture is Donald H. Clark of Livonia.

HONORED GUESTS

Honored guests at the dinner will be Northville residents who celebrated their 21st birthday during the past year and are now eligible to assume a prime responsibility of citizenship—voting. The Council will present each with a certificate of recognition.

Also attending the affair will be members of the student government at Northville High School and Viktoria Schmidt and Karl Hofmann, two German Exchange students who are attending school here this year.

Mrs. Samuel Geraci, chairman of "21'er" Registration, reported this week that more than 15 new voters have registered for the dinner.

21'ers LISTED

They include Faye Austin, Harold W. Atwood, Ann Beckel, Laura Mae Black, William Cansfield, Thomas Campbell, Corrine Clark, Charles Freydl, Russell Frid, Dorothy Kehl, Susan Ketner, Richard Pohl, John Poulos, Peggy Price, Shirley Smith, Jean Stovall, Jeannette Wick and Alice Woodruff.

Atwood, Frid and Pohl are in service and will be unable to attend the banquet. Their certificates will be presented to their parents.

Certificates also will be presented to parents of Cansfield, Poulos, Miss Price and Miss Woodruff, who are attending college.

Mrs. Dorothy Nimmi and Mrs. W. E. McCarthy are co-chairmen of the decorating committee.

The dinner is expected to attract some 200 guests.

Masons Hold Dinner for Past Masters

Northville Masonic Lodge will honor its Past Masters on Monday, Oct. 26. Lodge will open at 5:30 followed by a banquet at 6:30.

The Rev. Charles G. Morse, pastor at the Novi Baptist Church, will address the lodge.

At the conclusion of the dinner hour, the Past Masters, under the direction of Roy Stone, P.M., will confer the Master Mason Degree.

Members wishing dinner reservations should call the secretary, Brother Robert Coolman, P.M., or contact any of the officers.

Map Disaster Plans

Red Cross and Civil Defense officials met last Thursday night at the Village Hall to discuss plans for disaster relief. Left to right: Mrs. A. C. Carlson, Mrs. Louise Cansfield, Police Chief

Joseph Denton, Philip Ogilvie, Mrs. Edith McKenna, Fire Chief Bill McGee, Charles Carrington, Roy Stone, Miss Bea Ware, Miss Ruth Knapp, James Blair, Jr. and Mrs. Samuel Geraci.

Ten Candidates for Homecoming Queen

Northville High School students this week are choosing their 1953 Homecoming Queen, who will be crowned during half-time of the Northville-Centerline Homecoming game at Ford Field tomorrow night.

Ten candidates are vying for the honor. They include Winifred Welch, Ulinda Ely, Pat White, Judy Drew, Pat Hix, Jackie Keys, Joyce Farrell, Georgiana Kahler, Judy Walker and Joan Perry.

Results of the contest, sponsored by the "N" Club, will be announced Friday. The girls in second and third place in the voting will comprise the Queen's Court.

Votes cost one-cent apiece and a student can buy as many as he or she wishes. Proceeds will be used to buy equipment for the school.

Northville Rotarians to Attend Conference

President Philip Ogilvie and other members of the Northville Rotary Club will join Rotarians from 36 other southeastern Michigan clubs at a conference at Rotary District 223 Oct. 22 and 23.

Rotarians from the southern part of Ontario will also attend. The two-day annual meeting will be held in the Highland Park High School, Second and Glendale avenues. The Highland Park and the Hamtramck Rotary clubs will be co-hosts.

W. Hugh Williams, Wyandotte attorney, who is the district governor, will officiate at the conference.

New Plymouth on Display at Miller's

The 1954 Plymouth will be introduced at dealers in the area today, including G. E. Miller Sales & Service, 127 Hutton St.

The new Plymouth features new body lines, 64 improvements in styling and engineering design and more colorful interior. Hy-drive, the no-shift transmission introduced in the 1953 models; Sanchro-Silent three-speed transmission and Synchro-Silent with overdrive will be offered. The power steering unit reduces steering effort up to 80 per cent, Plymouth engineers report.

Note to Football Spectators

At the Centerline game tomorrow night, sections will be roped off for the high school band and Pep Club. Spectators are asked to refrain from sitting in these areas.

Expert On Children To Address P.T.A.

Mrs. Helena Guernsey, president of the Michigan Council of Cooperative Nursery Schools, will be the principal speaker at the second regular monthly meeting of the Northville Parent-Teachers Association, at 8 p.m. Thursday, Oct. 22.

The meeting will be held in the Elementary School lunchroom. The program will be presented by the Northville Cooperative Nursery School, which is sponsored by the Northville P.T.A.

Preceding Mrs. Guernsey's talk,

there will be exhibits and movies of the local nursery school's work. Mrs. Guernsey, who has had 12 years experience in nursery school work, is president of the Michigan Council of Cooperative Nursery Schools and a member of the Detroit Mayor's Committee for Youth.

She also is chairman of the Exceptional Child Committee of the Detroit Council of P.T.A. and a member of the Adult Education Department of the Detroit Board of Education.

Mrs. Guernsey will speak on the subject "Cooperative Nursery Schools Strengthen Home and Community."

Refreshments will be served at the meeting. The Social Committee is composed of Mrs. Harry Richardson, Mrs. James Cowie, Mrs. William Schoultz, Mrs. Richard Nelson, Mrs. George Kohs, Mrs. Howard Meyer and Mrs. William Kleinsorge.

Junior Police Elect New Officers

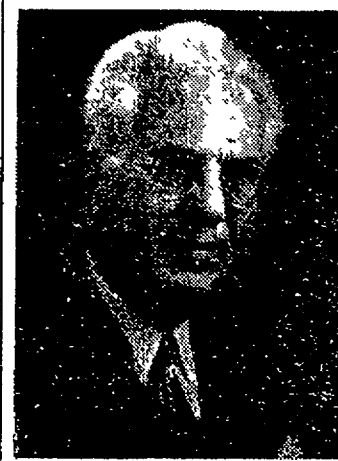

Richard Dahmer was elected president of the Junior Police at a meeting Oct. 10.

Other new officers include Michael Baggot, first lieutenant; John Baggot, second lieutenant, and Richard Kernozek, sergeant.

The officers will meet this Friday, Oct. 16 at Strawberry Lake. A hike has been planned for all Junior Police members on Oct. 31.

Village Observes UN Week

Ferguson, Oakman Talk Here

Senator Homer Ferguson

Two prominent Michigan political figures will speak before Northville service clubs next week as part of the Village's observance of United Nations Week.

T. R. Carrington, chairman of the Rotary Club committee planning UN Week events, said Senator Homer Ferguson would address Rotary Tuesday, Oct. 20.

On Wednesday, Oct. 21, Rep. Charles Oakman will speak to members of the Exchange Club.

Carrington also has arranged to have Northville preachers refer to the work of the United Nations at services next Sunday, Oct. 18. United Nations Day is scheduled for Saturday, Oct. 24.

Village to Receive \$1,050 in UF Funds

Organizations in Northville will again receive \$1,050 from the United Foundation fund, it was reported this week by Mrs. Louise Cansfield and Mrs. Walter L. Couse, who administer the fund locally.

The UF Torch Drive will get under way in the Metropolitan Detroit area on Oct. 19. The goal this year is \$13,100,000.

The amount to be returned to groups in this community is Northville's share of the donations made to the fund by Ford, Detroit Edison and Bell Telephone Company employees who live in the Village but make their donations where they are employed.

Local organizations benefitting from the fund are the Boy Scouts, the Girl Scouts, the Village Recreation Committee, the Boys Club, the King's Daughters and the Bird House contest, sponsored by the Garden Club.

Bill Green Home on 30-Day Leave

A/IC William L. Green, son of Mr. and Mrs. W. L. Green of Napier Rd., returned Saturday after serving 19 months in Japan and nine months in Korea.

Following a 30-day leave, Bill will report to Lake Charles, La. He still has one year to serve.

Civil Air Patrol

Civil Air Patrol meetings are held every Tuesday night at the Plymouth High School at 7:30. Anyone interested is welcome.

DISASTER GROUPS MAKE FRESH PLEA FOR VOLUNTEERS

Northville Red Cross and Civil Defense officials voted fresh appeals for new volunteers this week after meeting to discuss preliminary plans for rescue and rehabilitation work in the Village in case of disaster.

The meeting, held Thursday night at the Village Hall was concerned primarily with mapping areas of responsibility of Red Cross and Civil Defense in case of either man-made or natural disasters.

However, the two groups agreed that an adequate job could not be done unless more interest is shown by Village residents.

Northville Man Stung 200 Times by Angry Hornets

A 41-year old Northville man is recovering in a Missoula, Montana hospital after being bitten an estimated 200 times by a swarm of angry hornets.

The victim is Harvey Guntzville, who lives at 24293 Taft Rd. He and his brother, Marvin, operate a taxidermy shop at that address.

Guntzville was attacked by the hornets while hunting with friends near the south fork of the Flathead River, in the Missoula area.

HORNET'S NEST Interviewed by reporters in a Missoula hospital, he said his party was traveling on horseback on a forest trail when the lead horse apparently stepped on a hive of hornets.

The hornets attacked the party caused Guntzville's horse to buck him off. Then the animal stepped on his left leg, breaking it.

PROTECTED EYES "I guess I was only there about five minutes but it seemed hours," Guntzville told reporters. "I had to scrape them off my arms. They didn't get in my eyes. Somebody threw a coat over me but that only made it worse because the hornets were trapped inside with me."

"They kept stinging me until I killed every one of them. But by then I must have gotten 200 stings."

Marvin Guntzville, who talked to his brother by phone, said he reported he was in "pretty good shape." It is now known when he will be released from the hospital.

Guntzville and his party had just entered the forest on an extended hunting trip when the accident occurred.

Denton Announces Safety Campaign

Northville Police Chief Joseph Denton this week announced the opening of a state and local traffic safety campaign aimed at reducing accidents to pedestrians.

"Our community is cooperating with the State Safety Commission on this important program to protect the underdog in traffic—the pedestrian," the Chief said.

The pedestrian protection educational program is launched this time of year because increasing hours of darkness make it much harder for motorists to see pedestrians. The official safety slogan for October and November, to be used on posters, leaflets, newspaper and radio programs is "Darkness Hides Walkers—Slo Down."

The Chief stated that the police department of Northville will give special attention to motorists who commit traffic violations near pedestrians.

SPEBSQSA Gives \$146 to School Music Department

High School Music Director Leslie Lee this week extended his thanks to the now-defunct Northville Chapter of the Society for the Preservation and Encouragement of Barber Shop Quartet Singing in America for a gift of \$146.82.

The money was left in the SPEBSQSA treasury when the group decided to disband and it was turned over to the school. Lee said the money would be used to purchase new music.

NEED MORE INTEREST

"Right now, we don't have a tenth of the people we need to do the job," Charles Carrington, co-chairman of the Red Cross Disaster Committee said. "We're all going to have to go out and recruit committee chairmen and volunteers to fill those committees before it's too late."

Carrington pointed out that at the present time, chairmen have been named for only four of the ten disaster sub-committees, which would handle such jobs as providing shelter and food for disaster victims.

The meeting was attended by James Blair, Jr., Red Cross field representative; Mrs. A. C. Carlson, chairman of the Northville Red Cross chapter; Roy Stone, Red Cross disaster committee chair-

man; Carrington; Mrs. Edith McKenna, Red Cross canteen chairman; Mrs. Louise Cansfield, Red Cross home service committee chairman; Miss Bea Ware, Red Cross chapter secretary; Mrs. Samuel Geraci; Miss Ruth Knapp, head of the Junior Red Cross here; Philip Ogilvie, Village Civil Defense chairman, Police Chief Joseph Denton and Fire Chief Bill McGee.

AGREEMENT NEEDED

Blair stressed that the Red Cross and Civil Defense groups should reach early agreement on what each group would do in case of disaster.

He said that an agreement reached in Washington called for the Red Cross to assume primary responsibility in case of natural disaster while Civil Defense would take charge in case of a man-made disaster, such as atomic bombing.

Carrington pointed out that in a community of this size, the groups have an even heavier responsibility to work together. Carrington suggested that he, Ogilvie and Stone meet and try to seek agreement on areas of responsibility. They then would report back to the full committee with their recommendations.

GROUNDWORK LAID

At the present time, much important groundwork has been laid in the disaster set-up.

Provisions have been made for providing transportation for victims and women have been recruited to handle emergency kitchens at Village churches. It also has been arranged to use three churches, one school and the first aid room at Ford Motor Co. as disaster centers.

Plans also have been made for summoning doctors and nurses in case disaster strikes.

However, the set-up is far from complete and Red Cross and Civil Defense officials both agreed that more manpower is needed before final arrangements can be made.

Innoculate 154 Children on First Day of Program

A total of 154 children assembled at the Northville Elementary School last Wednesday to receive toxoid shots and vaccinations.

Miss Ruth Knapp, school nurse, said 31 youngsters received their first doses of toxoid while 69 others were given booster shots. Fifty-four school and pre-school children were vaccinated.

The next inoculation program will be held Oct. 28 and will include high school children who need vaccinations.

The toxoid shots contain antigens to battle whooping cough, diphtheria and tetanus.

Assisting in the inoculation program last week were Mrs. William Weidner, Mrs. James Cowie, Mrs. Lawrence Hills and Mrs. M. J. Willing.

Rolling Down The River

by the PETZ BROS.

The other day we discovered a friend of ours was in the hospital so naturally we wandered over to discover "how-come" and "how-bad." Wasn't really too much to it. He had read our column advising a regular check-up and decided he came before the car. "Had some X-rays," said he, "plus other incidentals. Even took my blood pressure which proved to be normal. But they won't let me out, as the doc says, with world conditions such as they are these days, normal isn't very good."

Of course our blood pressure varies from day to day and with the greatest of ease. If you come in and buy a car before we have a chance to even say hello, well of course nothing happens to the old pressure, but let us get to telling you of all the fine features that Studebaker has to offer such as power, economy, comfort, durability and many others and that pressure just climbs as each exciting new point unfolds. You'll love the car too and thrill to the test drive in a Studebaker for '53.

We've decided the best way to keep healthy is to steer clear of a revengeful woman. Especially one of the sort that spent a week end with an old girl friend. Annoyed with the antics of the friend's two children and the lack of control exerted by the mother, the lady bided her time until she returned home. From the safety of her own ramparts she sent tokens of affection to the children, an air-rifle for the eldest and a box of soft, colored chalk to the youngest.

By the way, we received a postcard from a friend vacationing in the far west. "Cheer up," he writes. "I was driving along highway 2 and a Studebaker, carrying your nameplate on the trunk door, went by me so fast I had to look at the gear lever to find out if I had the car in reverse. Evidently, someone reads your advertising and has his car tuned at proper intervals!"

Of course, we'd be the first to admit he shouldn't drive so fast, but it's nice to know you can if you had to. Better bring us the car for a complete tune-up and winter lubrication this week end.

Yours,

BILL & WILL PETZ

"N" Club Sponsors Queen Contest

by James Rambeau

The "N" Club has started selling votes, 1 cent each for the Football Queen Contest. This week ten girls will be picked and run for another week. Being crowned at the homecoming game will be the reward for the queen and the two runners-up. Last year's winner was Roberta Malott.

Last week the "N" Club elected its officers for the year. Jim Mitchell was elected president; Bob Burgess, vice-president, and Larry Meyer, secretary-treasurer. Mr. Johnston was elected club sponsor.

David Mosher Elected Sophomore President

by Adeana Gleason

The sophomores held their first class meeting where the following officers were elected: David Mosher, president; Jim Mosher, vice-president; Ulinda Ely, secretary, and Larry Graham, treasurer. Miss Giltner and Mr. Johnston are to be asked to become the class sponsors.

Enjoy New Piano

First grade youngsters at Northville Elementary School gathered around the school's new piano as Mrs. Eleanor Burton leads them in song. The piano was bought with funds supplied primarily by the Parent Teachers Association and school officials are particularly thankful it arrived this year. "When we lost our music room due to overcrowding we were in dire need of a piano we could take from room to room."

Principal C. T. Pregitzer said. "Now we have one—thanks to the P.T.A." The piano gets a real workout. It is used by first graders three times a week and visits grades two through six twice a week. "Our children really enjoy music and the piano has been a great help," Mrs. Burton said. The children are planning music programs at Christmas, Easter and to mark the coming of Spring.

Forensic Club Enjoys Party

by Marcia Doeksen

The Forensic Club started off with a bang by having a party at Severance's cottage on Ore Lake Saturday, Oct. 10. The huge crowd enjoyed a pot-luck supper and ended the evening singing

and playing games. The next meeting of the Forensic Club is being planned to divide the club into sections, since the turnout has increased.

G.A.L. to Start Bowling Soon

by Jean Campbell

The pins will be falling soon! On Wednesday, Oct. 14, the G.A.L. Bowling League will start. There will be two groups, one starting Monday, Oct. 26 and the other Wednesday, Oct. 14. Whitefang vs. Mustangs! The teams will be fighting when the pins start dropping. The highest teams name will go on our G.A.L. plaque. The girls will all be working individually so that they might be the one with the highest score. The bowling league will be under the leadership of Miss Corine Clark and Claudette Doan will be our manager.

There are 11 teams at the present time. We will bowl at Northville Recreation, better known to some people as "Angie's". We are looking forward to a very successful season.

On Oct. 27, the G.A.L. volleyball season starts. This will meet one night a week and will be managed by Barbara Archer.

The best man or woman is the most unselfed.

School Safety Patrol

Pictured above is one shift of the safety patrol corps at Northville Elementary School. The youngsters play an important part in the school's safety program. Left to right, they are: James Madigan, safety supervisor; Fred Strautz,

Edith Witt, Laurie Bogart, Sharon Lasky, Sam Chismar, Lynn Gates, Sandra Harris, Woody Aenschbacher, David Carney, Roy Parrish, John Archer, Ronald Niece, Jeff Rainey, Elsie Sedan, patrol captain; John Dietrich and Linda Hix.

School Has Broad Safety Program

Northville Elementary School children get their safety lessons in big doses.

James Madigan, school safety supervisor, reports that a total of 7,005 "safety contacts" were made by elementary school teachers during September.

That doesn't mean that each child was contacted individually that many times. The figure is arrived at by multiplying the number of students by the number of times individual teachers talked on safety to their classes.

SAFETY REMINDERS

The safety reminders concern activity on streets, bicycles and buses and were given in the form of talks, poems and stories.

Children also are reminded of

safety by nearly two dozen "3-D" safety posters made by students and pasted on school walls. The poster subjects were taken from a booklet distributed by the Village Retail Merchants Association.

All League Concert To Be Held Here

by Jean Campbell

Plans are being made for the All-League Band. There will be a meeting of the conductors soon to decide what types of music will be furnished at these concerts.

Northville will be privileged to have an All League Concert at our own school this year. This week our woodwind quintet will get under way for another successful year. The quintet, consisting of Priscilla Blackburn, clarinet; Arlene Jerome, flute; Kathleen Heatley, oboe; Janice Howarth, bassoon, and Jean Campbell, French horn, will start making plans for the solo and ensemble festival. Two of our band members are taking private lessons from Mr. William Fitch of Michigan State Normal College. They are Priscilla Oldger and Kathleen Heatley on the oboe.

The League has been discussing the idea of having an All League Chorus. At the present time it seems to have a lot of weight among the directors.

Junior Class Starts Magazine Sale

by James Rambeau

The Juniors are off and flying on their way to the largest magazine sale in the history of Northville High. A gold watch will be awarded to the best salesman. There also is a competition between the three Junior home rooms.

Queen's Tutor to Speak at Town Hall

Vicomtesse Antoinette de Bell-aigue, former tutor for Queen Elizabeth and Princess Margaret Rose of England, will speak at Detroit Town Hall, Wednesday morning, Oct. 21 at 11 o'clock in Fisher Theatre.

Her subject will be, "The Seven Most Colorful Women in the World".

Born to the Purple herself, and married into an illustrious French family, the Vicomtesse taught English and French in the Royal household until 1948 when she joined the staff of the fashionable Spence School in New York. In June, she returned to England to be guest of the Queen Mother in the Coronation box at Westminster Abbey.

Following her talk at Fisher Theatre, the Vicomtesse will be guest of honor at a special Town Hall celebrity luncheon to be given at the DAC.

Families of Polio Patients Invited to Detroit Talk

The Wayne County Chapter of the March of Dimes is inviting families of polio patients to meet with Morton A. Seidenfeld, Ph.D., on Wednesday, Oct. 21, at 8 p.m. in the Red Arrow Room, Veterans' Memorial Building, 151 West Jefferson Ave., Detroit.

Dr. Seidenfeld, an eminent psychologist, is director of psychological services for the National Foundation for Infantile Paralysis in New York. He will discuss all aspects of re-adjustment and family relationships which may occur when a family has had a member stricken with polio and the patient returns to the circle with problems of adjustment. The talk will be followed by a question and answer period.

"More than 600 cases of polio have been reported in Wayne County since Jan. 1, 1953, and many 1952 victims, with paralytic involvement, have returned to their homes during the year," Donald W. Barton, administrator of the Wayne County Chapter of the March of Dimes said. "Dr. Seidenfeld's advice and counsel are needed by their families. Many problems may arise and intelligent attitudes on the part of the family can be of tremendous help to the patient on the road to maximum recovery."

The meeting is NOT open to polio patients or children. There is no admission charge as this public service is made possible by the March of Dimes.

Walled Lake Soldier Arrives in Korea

Army Pvt. James W. Yawn, son of Mrs. R. M. Crutchfield, 305 Duana St., Walled Lake, recently arrived in Korea for duty with the 7th Infantry Division.

Pvt. Yawn, a rifleman in the division's 32d Regiment, entered the Army last March and completed basic training at Camp Rucker, Ala., before being assigned overseas.

Men of the "Hour Glass" division are constantly undergoing an intensive training and reconditioning program to maintain the peak level of combat efficiency

which marked the 7th all the way from Pusan to the Yalu.

...DO SO MUCH FOR SO LITTLE

Life is so rushed these days and there's so much that keeps us busy, it's a wonder there's any time left for leisure.

That's why the telephone is such a handy helper. It takes work off your hands, runs errands, reaches people, and generally lightens your load.

Yet its price isn't up nearly as much as most things you buy. With all the time and trouble it saves, your telephone is easily one of your biggest bargains.

WORTH A LOT MORE THAN IT COSTS

Most-liked low-priced car

... among people who want more for their money
when they buy ... and more money when they sell!

There's a big reason why more folks are buying more Fords than ever before. No other low-priced car offers so many of the things people want and need for today's driving. In fact, to get such "Worth More" Ford features as a V-8 engine, completely automatic transmission and fine-car power steering in any other car, you'd have to step well up from the low-price field.

Of course, Ford owners will discover that Ford's worth more when they sell it, too. Surveys of used car prices show year-old Fords returning a higher proportion of their original cost than any other car.

because it's most like high-priced cars

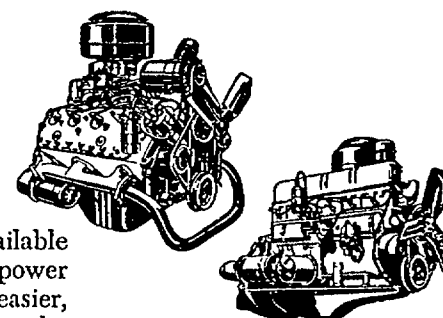

...more and more people are considering Ford
as the one fine car in the low-price field!

It's hard to believe that a car which is built like the finest still sells in the low-price field. Yet a Ford with its hulltight Crestmark body, its Full-Circle Visibility (most in its field), its new fine car ride and roomy luggage locker (roomiest in its field) delivers at a figure that keeps it right down in its price class.

Ford's the only low-priced car which offers you a choice of a completely automatic transmission (Fordomatic), Overdrive or Conven-

tional Drive. And Ford Master-Guide, available on all V-8 models, is the last word in power steering... makes turning up to 75% easier, yet retains the natural feel of the wheel on the straightaway.

See... Value Check... Test Drive the Ford of your choice at your Ford Dealer's. Find out why Ford is America's "Worth More" car.

Ford's V-8 is the same type of engine powering America's finest (and costliest) cars. And Ford's Mileage Maker Six is the most modern Six in the industry.

Noted Missionaries to be Guests at Methodist Dinner Thursday, Oct. 22

Rev. and Mrs. Henry T. Wheeler, who helped pioneer the Central Congo mission station at Tunda, Africa, will be guests of honor at the second annual Missionary Banquet, to be held Thursday, Oct. 22 at the Northville Methodist Church.

The pot-luck dinner will start at 6:30 p.m. in the church house.

Rev. Wheeler will give a commentary to accompany his colored pictures of the work of the missionaries in Africa.

NOW ON FURLOUGH
Now on furlough from their work, the couple will begin a new project when they return to the Congo next summer. Rev. and Mrs. Wheeler have been chosen to supervise the construction work for the Kindu Urban Center where they will have charge of evangelistic, educational and social work for the 500 people in that area.

"We are determined to make the center self-supporting on recurring items," says Mr. Wheeler. "If the church at home can help us put up the necessary buildings, we'll do the rest." Methodist churches throughout America will this year by their special giving help to make Mr. Wheeler's project a reality.

Presbyterians Here to Aid New Church

Members of the First Presbyterian Church of Northville will help bring into being a new church in the neighboring community of Farmington. A survey of the Farmington area will be made Sunday afternoon, Oct. 18 from 2 p.m. to 5 p.m. by the members of the Senior High Westminster Fellowship of the Northville Church under the direction of Miss Ann Katzenmeyer, director of Christian Education, and Richard W. Kay, the sponsor of the youth group. Young people of the Redford Presbyterian Church will also assist.

The first Sunday services of the Farmington Presbyterian Church will be held on Sunday, Oct. 25 at 10:30 a.m. meeting temporarily in the new Farmington High School on Shawassee and Orchard Lake roads. A Sunday School staff meeting will be held on Thursday, Oct. 22 at the home of the new pastor, the Rev. Charles Geiger, on Oakland St., Farmington. John W. Blackburn of Northville will assist in directing the new Church School. The Manse at Farmington was purchased by Elder Walter L. Couse on behalf of the Board of Church Extension of which he is a member.

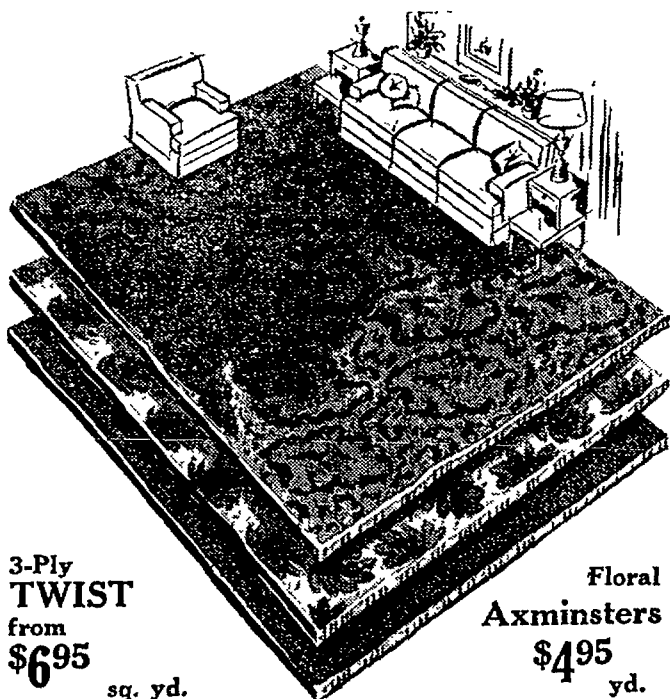

The Northville Church is very interested in the re-establishment of a Presbyterian Church at Farmington because for many years the two churches were served by the same pastor. A Presbyterian Church served Farmington from 1825 to 1880. At that time it federated with another denomination and in time lost its identity. The Farmington church was the parent of the local First Presbyterian Church of Northville which was organized as the founding church in 1829. Farmington now has a population of 20,000 and is in great need of another church.

Mrs. McKinney Speaks at Wayne
Mrs. J. L. McKinney of West Dunlap St. spoke last Saturday night at the open air class at the First Methodist Church in Wayne. She explained the home teaching program and the part the Rotary, Exchange and Kiwanis clubs, and Easter Seal Society plays in the program. Her talk was illustrated with pictures from various areas of the country.

Westminster Fellowship
The Senior High Westminster Fellowship will meet Sunday at 1:15 in front of the Presbyterian Church for a trip to Farmington.

Jack Doren Expected Home
Mr. and Mrs. F. L. Doren report that their son, A/C Jack Doren, expects to be home soon on a 15-day furlough. Jack will report in San Francisco the 29th for shipment overseas.

HELP WANTED

APPRENTICE PRINTER
The Record is looking for a boy over 18 who would like to learn the printing trade. Apprentice printers usually attend printing school at their own expense to learn the rudiments of the trade—stereotyping, linotype, hand composition and press operation. We prefer, however, to select a local boy and train him in all phases of the business.

Those who become proficient in the trade are always assured of steady work at better-than-average pay, with an opportunity for advancement into executive positions.
Contact Mr. Mackinder, Northville Record.

Guest from England
Week end guests of the Parker Holdens were Harold Goodwin of Stratford-on-Avon, England, who is making a two week visit in this country as a member of a British Royal Air Force Military delegation; also, Holden Drury, their nephew, who recently returned from a 16-month tour of European countries.

Mr. and Mrs. Bert Snow and Mr. and Mrs. Chester Arthur visited relatives in Dansville and Williamston Saturday.

Board of Education Minutes

October 5, 1953

The regular meeting of the Northville Board of Education was held in the Board Room on Monday, October 5, 1953, Robert Coolman presiding.

Present: R. F. Coolman, E. F. Clark, N. C. Schrader, R. H. Amerman.

Absent: D. B. Severance, Eliza Wagenschutz.

Others present: Alice Hosback, E. V. Ellison, M. F. Meaker, F. Stefanski, Messrs. Cook and Thompson of the Michigan National Bank.

Minutes of the last regular meeting were read and approved. Communications: Mr. H. A. Marshall, owner of the Bradner Road proposed school site, setting a figure of \$22,000.00 as his selling price; financial report from A. E. Jones, Athletic Director, showing gross receipts from Plymouth game \$1,128.85 and the Milford game \$662.75.

Reviewed the School Facilities Survey which had just been completed for the Department of Public Instruction which revealed the possibility that the school population may double in the next ten years, and that an immediate and long-range building program will be needed to handle this population growth.

Motion by Mr. Clark, second by Mr. Schrader that we re-instate the order of last year for upwards of 120 lockers at \$3.04 each for the girls' locker room. Carried.

The superintendent was authorized to arrange with Eberle M. Smith, architect, for an early inspection of the North Side prospective school site and to draw up preliminary sketches and costs for a new elementary building. Also Mr. Fred Thurne is to be consulted, relative to bonding details.

Treasurer Clark reported receipts and balances as follows:

Received since last meeting \$26,337.77

Balance in General Fund 30,199.58
Balance in Debt Retirement Fund 13,192.25
Balance in Site Fund

Upon motion by Schrader and second by Clark, the report of the Treasurer was accepted.

The Auditing Committee approved vouchers for payment as follows: Bills \$3,117.04; Payrolls, \$23,154.84. Upon motion by Clark and second by Schrader the bills and payrolls were ordered paid.

Mr. W. J. Cook, representing the Michigan National Bank, presented an investment program whereby accumulated debt retirement reserves might be invested in State-approved securities at 2 1/2% interest. Action on this matter was tabled for action by the entire Board.

Upon motion by Clark and second by Schrader the meeting was adjourned at 11 p.m.

Medical Doctor to be Guest Preacher for Presbyterians

Brian K. Bradford, M.D., formerly on the staff at Maybury Sanatorium, will preach the 11 a.m. service at the Northville First Presbyterian Church this Sunday, Oct. 18, to mark the annual Laymen's Sunday services.

While living in Northville, Dr. Bradford was instrumental in organizing the Couples Club at the First Presbyterian Church and also taught the Men's Bible Class.

A former medical officer in the army during World War II, he is a son of the Manse. His father served as pastor of the Reformed Church in Bogata, N.J. for over 30 years.

Dr. Bradford now is in private practice in Toledo, O.

It is estimated that over 100,000 laymen will be speaking in Protestant churches throughout the nation this Sunday. The project is sponsored by The Laymen's Movement for a Peaceful World with headquarters at Rye, N.Y. Assisting with the morning service at the Presbyterian Church here will be the officers of the Men's Club, John W. Blackburn, Joseph Petrock, Paul H. Steencken and William Davis. A men's

Michigan Beauty Spots Described by Mrs. Whipple

Famous gardens and parkways in Michigan were described by Mrs. Ruth Huston Whipple in a talk at the Oct. 12 meeting of the Northville Branch of the Woman's National Farm and Garden Association. Of special interest locally was Mrs. Whipple's description of the arboretum along Edward Hines Drive, which she said is planted with 800 different varieties of trees, all labeled for ready identification.

The meeting was held at the home of Mrs. W. L. Howard on W. Eight Mile Rd.

The Garden Club selected Mrs. Gerritt P. Rooks, chairman of the Club's spring flower show, to design an "original" hat to be made with flowers or vegetables. Mrs. Rooks is to model the hat at the Detroit Boat Club today (Thursday), where the Michigan division of the Farm and Garden group is having a luncheon and fashion show.

Mrs. Whipple suggested several spring garden pilgrimages for those interested in gardening, including the Nichols Arboretum at Ann Arbor, the Weinberg garden on West Huron St., Ann Arbor, and the Earhart gardens on Geddes St., Ann Arbor. The Nichols Arboretum has a lilac collection of 250 species, which ranks second in the United States, and 400 varieties of peonies, she said.

Others given special mention included the Beale Arboretum in East Lansing, with over 1,000 varieties of perennials, the formal gardens at Cranbrook, which have an outstanding display of a visit in the spring, and the Henry Ford estate "Fairlane", which is being preserved and may eventually be given to the public.

Wayne County alone has 14,000 acres of parkways, including Cass Benton Park and Middle Rouge

Pictured above are the Novis Blue Star Mothers, who celebrated their 11th anniversary Monday with a dinner at Black's White House. Attending the dinner were Myra Ward, president; Lanny Rix, past president and financial secretary; Elva Pennell, senior vice-president; Hazel Mandilk, junior vice-president; Lottie Race, hospital chairman; Viola LaMontagne, chaplain; Thyra Gardella, flag bearer; Gerlie Lee, treasurer; Leda Pless, Esther Smith, Mary Stephan, Alma Klasner, Caroline McCollum, Elizabeth Burton, Mabel Blake, Irene Robertson, Mildred Robertson, Bernice Harwood and Mary Lou Morris.

Parkway in this area, Mrs. Whipple said. Among the varieties of tree plantings to be found along Edward Hines Drive are 11 kinds of pine, 19 varieties of willow, 11 of birch and seven of beech. Mrs. Whipple classed the gingko tree, the pin oak and the purple beech as especially beautiful trees that are perfect for this area. Her talk was prefaced by a quotation from Francis Bacon's essay on gardens written in 1561: "God Almighty planted a garden, and indeed it is the purest of all human pleasures." She was introduced by Mrs. George L. Alexander, first-vice-president of the Garden Club.

Also discussed by Garden Club members at the meeting was the special award given to Mr. and Mrs. William Walker, Jr. by the Michigan Horticultural Society for their garden "Happy Acres". Mrs. M. L. Hoysradt and Mrs. Paul Schulz presided at the tea table. The centerpiece of fall flowers flanked by orange and black candles carried out the seasonal colors.

Mrs. Howard Whipple, co-hostess, and her committee consisting of Mrs. Arlo M. Hauger, Mrs. Luther Rix, Mrs. George Price and Mrs. Raymond N. Stillson served the 38 members and their guests.

New members welcomed to the club were Mrs. Herbert Froger, Mrs. Howard Meyer and Mrs. Wayne Wilcox.

B.P.W. Guests of Plymouth Club

Woman's Club to Visit Cranbrook

Members of the Northville Woman's Club will journey to Bloomfield Hills on Friday, Oct. 16 to see Cranbrook Museum's first biennial survey of American painting and sculpture.

Museum director Eva Ingersoll Gating has gathered new works from 50 leading U.S. painters and 25 sculptors. A highlight of the exhibition is the abundance of sculpture in a new medium, welded iron.

Walter Midener, the only Detroit artist invited to participate in the biennial survey, has a piece done in wood, called "Sacrifice". Milton Hebbald's romantic wood sculpture, "The Storm" is also on display. Alexander Calder, a pioneer in mobile sculpture, has a brass and crimson painted piece which is smaller and more charming than many of his recent works.

In the painting section, the school of romanticists is represented by Eugene Berman's "Viva Mexico". Of the surrealists, Yves Tanguy and Kay Sage are significant. Joseph Glasco mixed sand with oil and varnish, applied his paint so it stands out in relief. Jackson Pollock, who founded the school of dripping house paint, set up an unusual effect by playing white against silver.

Herbert Ferber's welded sculpture "Black Object" and Ben Shahn's water color "Discord" have been purchased for Cranbrook Museum's permanent collection.

Members of the Woman's Club who need transportation are to call Mrs. James Corie at 1124-J.

Vary Pot Roast With Each Serving

When mealtime calls for a flavorful, homey dish, a beef pot-roast is a unanimous answer. With abundant supplies of beef on the market, pot-roasts are an especially wise purchase today. Just because pot-roasts are classed in one general group is no reason why they must all be prepared alike, points out meat expert Reba Staggs. First of all there is a variety of cuts to use—beef arm or blade pot-roasts or rump cuts are excellent.

The cooking method used for pot-roasts—known as braising—also offers opportunity for variation because it calls for liquid and each liquid adds its own particular "flavor" to the meat. It might be tomatoes, tomato juice or other vegetable juice, milk, sour cream, cream diluted vinegar or meat stock.

Taking a cue from Swiss steak you might have a Swiss pot-roast for a variation. To prepare this dish, dredge the meat with seasoned flour. Then brown well on both sides in lard or drippings, using a heavy utensil such as a Dutch oven or a heavy frying-pan with a cover. Slice 2 or 3 medium onions and place slices on meat. Then add liquid, tomato juice or canned tomatoes. For a 3 to 4-pound pot-roast 1 1/2 to 2 cups of tomatoes will be sufficient.

Then cover the pot-roast closely and let the pot-roast cook slowly until tender, about 3 or 4 hours. When pot-roast is done, remove from pan and thicken the liquid for gravy.

SAVE Drippings

Gravy or sauce is an important part of a Swiss steak or any other braised steak serving. This is because in cooking by moist heat there is a certain amount of flavor lost to the drippings. Making use of the drippings in gravy, the meat flavor and nutrients are saved.

NOVI SCHOOL NEWS

The Novi School football team played the Holly Junior High team on Wednesday this week under the lights at Holly. The 18 boys on the team are David LaFond, John Ledford, Steve Spizak, Allen Geer, Ron Loynes, Don Baker, Tom Sechrest, Hugh Crawford, Tom Lien, George Lytle, Denny Ireland, Bob Sientz, Skippy Moody, Paul Keck, Tom Ledford, Russ Taylor, Ed Schenimann and Duke Bellinger. Richard Ritter and Dale Lytle are the managers and Bill McDermid, coach. Joan Roney, a pupil in the first grade, will leave Novi with her parents for California in the near future. The family plans to live in Los Angeles.

Roselma Bunn and Kay Ray have been chosen as leaders of the two teams in the sixth and seventh grades selling magazine subscriptions. The money collected from the sales will be used for some new school improvements.

Youngsters in the fifth grade have obtained the help of their mothers in their fudge selling project.

Fourth grade pupils are making scrap books to be sent to Children's Hospital as part of their social studies.

The Novi Fire Department visited the Novi School Friday and

gave the children important information. Some of the pupils made fireman's hats. To observe Fire Prevention Week the school had a fire drill. Every one was out of the school in one minute and 14 seconds.

All teachers of the Novi School faculty are attending M.E.A. at Birmingham Thursday and Friday.

The Penny Parade held by Novi School children netted \$19.39 for the United Foundation drive. The kindergarten had the largest donation with \$5.02.

About 150 people attended the reception sponsored by the Novi Mothers Club in honor of the teachers and Board of Education Wednesday, Sept. 30.

Miss Mildred Chambers, educational consultant from the Scribner Book Co., was a luncheon guest Wednesday of the faculty.

The eighth grade class has just purchased 14 tropical fish for their new aquarium, and also have a new light and heating element. The class enjoyed a hay ride and wiener roast at Dee Klein's recently.

The fourth grade organized a club Friday afternoon. The officers are: president, Donna Mae Lien; vice-president, James Frisbie; secretary, Freda Angel, and treasurer, J. R. Barton. The class had a cookie and cake sale Friday afternoon and earned \$8.92 to help buy playground equipment.

New pupils at Novi School are Mildred McDuff, fifth grade, from Howell, and Jimmy McDuff, sixth grade. Two pupils have left Novi: Joan Roney for Los Angeles, Calif., and Cynthia Sandray for Hartland, Mich.

One-Year Kroger Ad Budget — \$6,000,000
More than six million dollars was spent for newspaper advertising by the Kroger Co. last year, it has been reported by William J. Sanning, director of advertising for the retail food firm.

That amount represents a steady increase during the past 50 years, Sanning said, pointing out that his company has been a major buyer of newspaper space since before the turn of the century.

Ads for early Kroger sales were tiny notices about B. H. Kroger's "fine coffees, teas, and spices," appearing in only one or two papers. In contrast today, the company plans to use more than 20 million lines to advertise its 71st annual fall sales event, now in progress. Translated into everyday terms, that would add up to a super-size newspaper of approximately 10,000 pages, if all the ads were in one issue.

Kroger ads appear regularly in more than 1,100 daily and weekly papers, Sanning explained, pointing out that the company has spent more than \$22,000,000 for newspaper space in the past five years alone.

Education makes people easy to lead, but difficult to drive; easy to govern, but impossible to enslave.

Is he in business "to stay?"

When you buy a used car from a Ford Dealer, you're dealing with an established businessman who has a large investment and his good name at stake. We're here today, and we'll be here tomorrow!

Does he really know cars?

Ford Dealers are in the service business, too; work with cars day in and day out. We know how to spot trouble fast. And, our expert Ford mechanics have the equipment and "know-how" to handle any service job.

Are his prices really fair?

Ford Dealers handle used cars and trucks as a service to customers who trade them for new ones. We get a lot of trade-ins. And we keep these used cars moving to free our working capital. That's one reason why we offer our used cars and trucks at rock-bottom prices.

Is he interested in you?

Remember—we Ford Dealers want to keep your good will because someday we hope to sell you a new car, or another used car, and we want your service business. It's just plain good business for us to play square with you.

Do his cars meet A-1 standards?

When you go to a Ford Dealer's and see the A-1 label on a car, you know it has met with the dealer's A-1 standards. And because you can trust the man you bought it from, you can trust the car.

IT'S WHERE
YOU BUY IT

Attorney: Edmund P. Yerkes, Northville, Michigan

STATE OF MICHIGAN, County of Wayne, ss. \$95,012

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Sixth day of October in the year one thousand nine hundred and fifty-three.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of MARTHA M. MARTENS, Deceased.

Edmund P. Yerkes, Executor of the last will and testament of said deceased, having rendered to this Court her first and final account in said matter:

It is ordered, That the thirtieth day of November, next, at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing in the Northville Record, a newspaper printed and circulated in said County of Wayne.

JAMES H. SEXTON, Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record of said estate and find the same to be a correct transcript of said original record.

Perez Meets Cam in Friday Night Television Bout

Brilliant little Lulu Perez, who has lost only once, meets hand punching Joey Cam in a ten round featherweight match to be nationally telecast and broadcast from St. Nicholas Arena Friday night, Oct. 16 on the Cavalcade of Sports.

The scrap will start at 10 p.m. New York time and will be seen

vs.
JOEY CAM
(W:20, L:4, KO:59)

on the NBC television network and heard over the ABC radio network.

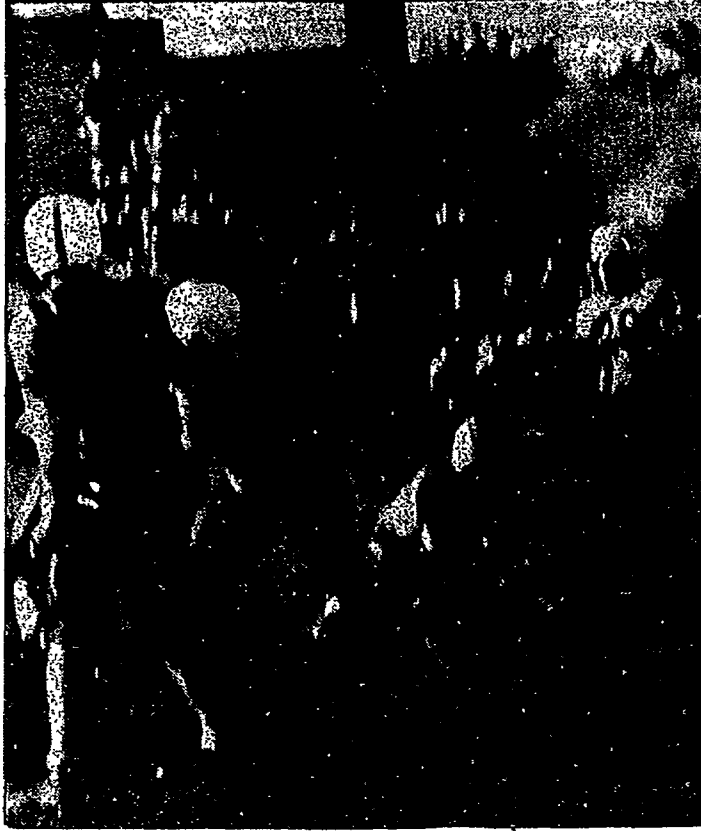

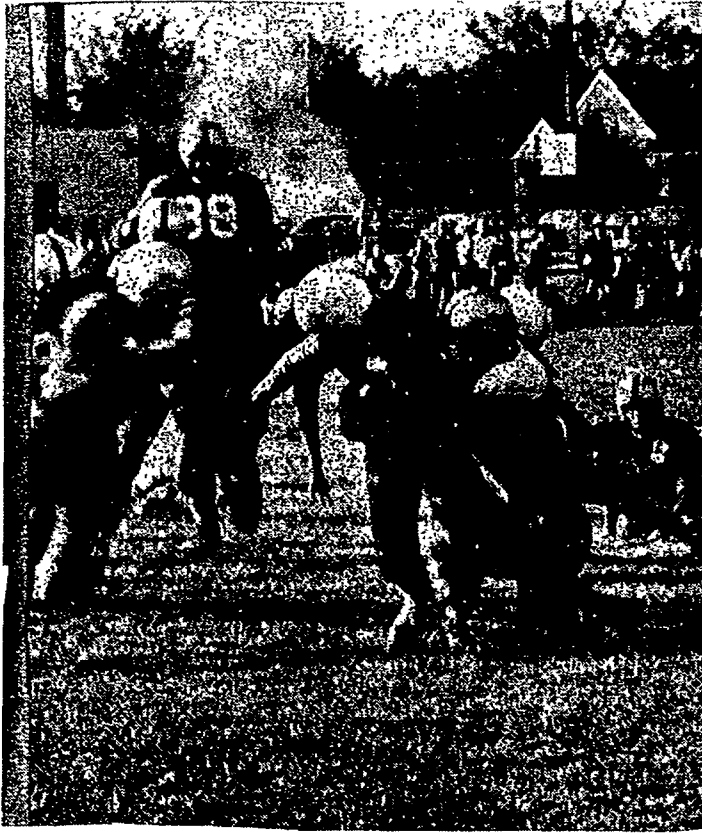

Perez who ranks sixth, is only 20 years old, and has racked up 32 victories in his 33 professional outings. His kayo punch has accounted for 18 of these victories. Currently he is on a 22 straight win streak, eight of his triumphs coming this year. In his last outing, he licked seventh ranked Dave Gallardo. The fight was stopped in the eighth round.

Cam, who used to fight out of Boston, has had a sensational run of victories in California during the current year. Though unranked, Cam recently took the measure of Bill Bossio who is ranked ninth in the feather class. Cam's record is 20 wins, four losses and nine kayos.

It was a tight squeeze, but Northville made it. The Mustangs scored a touchdown and extra point in the last three minutes to score a 20-19 victory over Clarenceville last Friday afternoon. At left, a Clarenceville ball carrier is in the clear after taking a pass. He made 20 yards before he was brought down. Center, Northville

Center Joe Girardin digs for that extra yard as Clarenceville defenders drag him down. At right, Karl Hofmann kicks what proved to be a mighty important extra point. Karl's kick came after the first Northville touchdown and that plus Nally's plunge for the second conversion, proved the difference between victory and defeat.

Start Work on New Entrance to Ford Field

Work got under way this week on a new entrance at the north end of Ford Field.

Members of the Northville Boys Club cleared trees and a bulldozer, operated by Street and Water Superintendent Herman Hartner, Jr., began leveling the area.

According to Recreation Director Wilson Funk, space will be cleared to park the team and hand buses and allow both groups to enter the field from the north gate.

Funk said eventually the project will provide an entrance to a proposed new parking area behind the field. The area is now owned by Ford Motor Co.

Correction

The Record erroneously reported in its Oct. 8 issue that Arland Lovett scored the last touchdown in Northville's 36-0 victory over Milford. The touchdown was made by Bob Scheffer.

IS JESUS GOD?

Here is a question, the answer to which, even many Church people will stumble over. Many people have been taught the truth that Jesus Christ is the Son of God but have never realized that the Bible teaches at the same time that He is very God. Just take your Bibles and follow these passages with me. An O.T. prophecy concerning Christ said that His name would be called Immanuel (Isaiah 7:14) and in Matthew's Gospel (Ch. 1:23) we read the interpretation of that name which means literally "God with us." In John's Gospel (1:1) we read "In the beginning was the Word (Logos) and the Word was with God and the Word was God." In vs 14 we read that "The Word became flesh and dwelt among us." Again in I Timothy 2:16 we read, "And without controversy great in the mystery of godliness; GOD WAS MANIFEST IN THE FLESH." A man once asked another, "what does God look like?" Back came the answer, "If you want to see what God looks like, get a description of Jesus Christ as found in the Bible and you will see what God looks like." The great mystery of the Christian faith is the fact of God's incarnation, without which the doctrine of substitution has no intrinsic value.

Orson Atchinson, Northville auto dealer, presents \$5 first prize to George Miller and Bob Gillick, winners of a 15 1/2 mile "Poker Run" sponsored by the "Bent Eighties", local hot-rod club. Details in story below.

Hot-Rodders Run In Unique Race

George Miller and Bob Gillick won \$5 last Thursday for holding a winning poker hand—but they weren't playing cards.

Miller and Gillick were winners of a unique race called a "Poker Run", run by a group of local hot-rod enthusiasts called the "Bent Eighties".

The race works this way: A 15 1/2 mile course on back roads in the Northville area was set up early Thursday evening by club members Pete Mellen, Conrad Burkman, Don Tuck and Bob Schoch.

Participants in the race—ten boys in five cars—were mistaken about the term "hot-rod". What they are actually thinking of are "shot-rod"—boys with old junk heaps that actually are a menace on the highways.

LIME MARKINGS

They were informed that along the route, they would notice lime splashes on the road and within 15 or 20 feet of these markings, they'd find tin cans, containing envelopes. Each envelope held a card from a regular playing deck.

There were nine lime marks along the way, but four of the tin cans were empty so that each driver returned to the starting line with five envelopes.

BEST HAND WINS

The pair holding the best poker hand won. In this case it was Miller and Gillick with three treys, a deuce and an ace.

The \$5 prize was presented by Orson Atchinson, who sponsored the run.

The minimum time for the 15 1/2 mile run had been previously established by Mellen and Schoch and any cars making better time were to be disqualified. None were.

Miller and Gillick, driving a 1942 Ford convertible, were first to leave and first to return. The cars left the starting point at five minute intervals.

Mellen, secretary-treasurer of the club, said the race demonstrated once again that hot-rodgers can be and are responsible drivers.

"We tested our brakes and lights before we started the race, just like any good driver would," he said.

Mustangs Manage Late TD To Shade Clarenceville, 20-19

The Northville High School football team ran head on into the football facts of life last Friday afternoon.

After piling up 90 points in rolling over three early season opponents, the Mustangs finally met a team that proved that spirit can make up for a lot of other shortcomings.

The team was Clarenceville—out-manned, out-weighted and enjoying no gaudy record of three straight victories. In one game against a common opponent, Clarenceville struggled to a 6-6 tie with Milford while Northville walloped the Indians 36-0. But Clarenceville had it last Friday.

WIN 20-19

The Mustangs finally managed to win, 20-19. But they're still thanking their lucky stars.

The Mustangs couldn't do anything right in the game at Clarenceville. They didn't block and they didn't run hard. Tackling was sloppy. Offensive timing was practically non-existent.

And fumble. Lamar Nally fumbled three times himself. Arland Lovett committed another bad bobble. There were others, too. "They were just plain horrible,"

Mustang Scoring

Player	td	ep	tp
Nally	4	3	27
Schulz	2	12	
Girardin	2	12	
Meyer	2	12	
Nash	2	12	
Bell	1	6	
Rebitzke	1	6	
Lovett	1	6	
Burgess	1	6	
Scheffer	1	6	
Hofmann	4	4	
Howarth	1	1	
Totals	17	8	110

Coach Al Jones summed up after the game.

Clarenceville, on the other hand, played inspired ball during the entire game. If anything beat them, it was the fact that Northville finally got hold of itself in the closing minutes of the game and the Mustangs' power paid off.

NALLY-MEYERS PASS

The tally came on an eight yard pass from Nally to Larry Meyer and tied the score 19-19. Nally partially made up for some of his early errors by crashing over for the extra point.

Actually, Northville was lucky it had its let-down against Clarenceville. If they look as feeble against, say, Holly, Keego Harbor, or any of the other league teams, for that matter, it's good-bye chances for a league title. They'll also have to be on their toes this Friday night at Ford

Field when they meet undefeated Centerline.

Northville received to open the game but went no place. They punted to midfield and Clarenceville marched straight down the field to a touchdown. The point try was no good. Clarenceville 6, Northville 0.

Northville bounced right back. After returning the kick-off to their own 30, the Mustangs marched 70 yards to score. Lovett made ten yards and Nally peeled off a 15 yard run. After the running attack sputtered, Nally passed to Burgess, who made it to the eight yard line. After Lovett failed to gain through the line, Nally passed to Burgess for the touchdown. Karl Hofmann converted to give Northville a 7-6 lead.

MORE FUMBLES

A series of fumbles by both teams spoiled scoring chances during the early part of the second quarter. The Mustangs finally scored on an eight yard Nally-to-Nash pass in the closing minutes of the first half. Hofmann's kick was no good and Northville started the intermission with a 13-6 lead.

In the third period, Nally passed to Burgess for a touchdown, the play covering 40 yards, but the score was nullified because of a penalty. The drive finally sputtered on the 20 yard line.

Clarenceville struck quickly for two touchdowns, both of them set up by Nally fumbles. After a punt drove the Mustangs back to their own eight, Nally lost the ball and the home team recovered. They marched to a touchdown in three plays, and made the extra point to tie the score 13-13.

On the next kickoff, Nally lost the ball on the second play from scrimmage and Clarenceville took over on the Mustang 40. A Clarenceville man then ran 40 yards on the first play from scrimmage for the score. The point try was no good. Clarenceville 19, Northville 13.

The Mustangs began to realize what was happening and got rolling. With less than three minutes to go, Nally passed ten yards to Meyer for the winning score. Then Nally went back in place kick formation, took the ball on a direct snap, and scored the extra point to give Northville a 20-19 win.

FARMER VERSUS THE PEOPLE

About the time the fall hunting season rolls around in the southern half of Michigan the farmer gets to be very, very popular. He has callers by the score, most of them complete strangers who would like to be treated like old friends. They have one purpose in mind, one question to ask after appropriate introductory remarks: "Do you mind if we hunt on your land?" In a way this is a break for the farmer. Lots more of these once-a-year visitors don't bother to ask. They climb fences and start hunting. To the hunter who has sufficient respect for the rights of private land owners to ask permission most farmers are more kindly disposed to grant the requested privilege. And thanks to the efforts of organized sportsmen's clubs there'll be a lot more hunters schooled in the proper approach this year.

Willing to Co-operate

When the MUCC and individual sportsmen's clubs came up with a suggestion for better co-operation the farmers were willing. But they know this won't solve the problem because any co-operative plans affect only members of these clubs—too small a percentage of Michigan's vast army of hunters. The farmer still has to contend with the non-conformant trespasser who sneaks over a fence on the back forty, cuts wires that might interfere with a hunting dog at work, and endangers live stock that might wander in his line of gunfire. Such persons have no respect for the property of others, and give the entire hunting fraternity a black eye. Their tendency toward downright vandalism might be lessened if they'd stop to realize that the farmer's really a square-shooter, generally willing to grant permission if it's properly requested.

MUCC Active

Michigan's United Conservation Clubs with a membership of about 60,000 have faced this problem fairly and squarely, and have had numerous meetings with representative groups of farmers. While the farmer is in a perfect position to say "NO!" to all comers who want to hunt his land he's just not that kind of a guy. Those who live off the good land don't know the meaning of snobbery, and they are inherently unselfish by nature. They're neighborly folks—and having to refuse a favor even to a stranger is

ble!

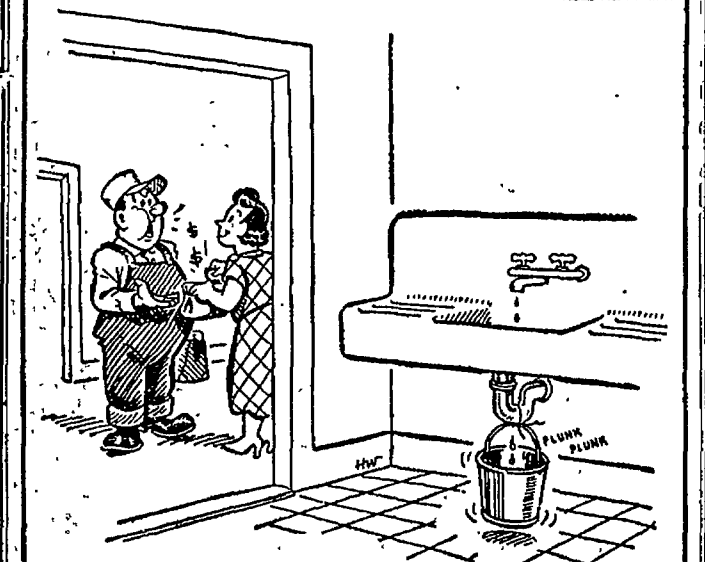

Here's fun for the gang! Smooth bowling on well-conditioned and maintained alleys. No wonder old friends make this their "fun-night" headquarters.
