### It Could Be Your Life at Stake

Over the years since 1935, a number of attempts have been made by community groups in the suburban area northwest of Detroit to cooperate in the erection of a hospital to serve this rapidly growing area. For one reason or another, the project has never got further than the talking stage until now. Perhaps the need was not felt to be great enough to warrant the cost, or the timing was not right to insure the widespread public cooperation that is necessary to raise funds for such a project.

Whatever the reasons may have been for previous failures, two facts are important today. First, the need for a large modern community hospital in the area has grown a hundred fold since the idea was originally brought up nearly two decades ago. Second, the project is again being advanced for consideration, under the sponsorship of a determined group of men and women from Northville, Livonia, Plymouth, Redford and Farmington whose efforts promise success instead of failure.

This time, the plan calls for a 120-bed hospital to be erected in a central location at the southwest corner of Levan and Five Mile Roads in Livonia, on a 20-acre site contributed by the Felician Sisters. It is to be known as the St. Mary Hospital. The Felician Sisters are also contributing \$50,000 in cash toward the \$2,000,000 which it is estimated will be required to erect and equip the structure. Members of their Order have been trained in the highly technical skills required in a hospital and are prepared to administer it to serve the entire area. Its medical staff is to consist of doctors chosen solely on the basis of professional qualifications and high ethical standards.

Those who may question the need for such a community hospital should be interested in these vital facts:

At present there is no modern general hospital in the rapidly growing communities of Farmington, Livonia, Northville, Plymouth and Redford, with a total of over 90,000 persons.

In these five communities, the population is expected to go beyond 136,000 during the next five years.

Persons now requiring hospitalization for serious illness must rely on Detroit hospitals where it is becoming increasingly difficult and at times impossible to be admitted.

The development of new drugs and medical techniques today require facilities that are available only at a hospital for effective application.

Participation in group insurance hospitalization plans has practically tripled the demands for hospital care in the past 25 years.

Prospective mothers in increasing numbers are seeking admission to hospitals to give birth to their babies and receive maternity care.

In the event of epidemics, natural calamities and industrial or other disasters, the immediate availability of hospital facilities and services may mean the difference between life and death for the stricken or injured.

Statistics show that approximately one person in every ten will require some form of hospital care during the coming year.

St. Mary Hospital will be a valuable and vitally needed facility for civil defense in the case of enemy attack.

Leading citizens, both men and women from all walks of life, have been organized into committees that are spearheading an intensive money-raising campaign to secure funds for construction of the building. Those from Northville include Lewis D. Crusoe, Mrs. Edwin C. Langtry, Dr. R. M. Atchison, Bruce L. Turnbull and E. C. Welch.

While it is to be expected that industry and business in the area will contribute generously to the project, and in fact will account for a very substantial part of the entire \$2,000,000 that is needed, the unselfish financial support of individual residents of the communities also will be necessary. The hospital is a vital community need that merits universal support without any thought of religion or sectarian considerations.

Everyone pitches in to clear the tables after Northville Rotary Club meetings—even Congressmen. Here, U. S. Representative Charles Oakman waits to deposit a pile of dirty dishes in the kitchen of the First Presbyterian Church.

### Fly-Catcher and 100,000 Victims Disappear

Skip and Harv Ritchie, who run the Laundromat at 144 N. Center are on the lookout for the culprit who walked off with their 100,000 flies—and their never-fail fly-catcher.

The contraption, a gallon jug with a one-way top, lures flies with a piece of fish. Before its disappearance, the fly-catcher stood guard at the back entrance of the Laundromat.

"Best fly-catcher we ever saw," Harv says. "It's supposed to hold 200,000 flies. I emptied it once this summer, and it was half full again when someone 'borrowed' it."

"Whoever took it is welcome to the flies," he added. "But we'd like the fly-catcher back."

### Rotary Speaker

District Governor Hugh Williams will address the Northville Rotary Club, Oct. 27. Williams also will receive reports from committee chairmen of the local Rotary Club.

## Merchant Parking Lot Fund Receives \$3,300 in Pledges

Cash pledges to the Retail Merchants Association parking lot fund hit the \$3,300 mark this week, it was announced by Nelson Schrader, president of the Association.

The Merchants group hopes to raise \$16,000 to purchase land to be used as off-street parking areas.

Schrader said seven business have so far responded to a written appeal for funds sent last week to owners of businesses and business property in the downtown area.

### CONTRIBUTORS LISTED

Contributors thus far include the Brader Store, Carrington Agency, Ritchie Bros. Laundromat, Bloom Agency, Schrader's Furniture, Northville Driving Club and the Northville Record.

Schrader said businesses not responding to the written appeal will be visited by members of the parking lot committee which includes, besides himself, Harry Himmelsteib and Essie Nirider.

The Merchants Association president emphasized that money given to the parking lot fund is "not a contribution but an investment in Northville's future."

"We have to start planning now for our needs in the years to come," he said. "And one of the biggest needs will be increased parking space."

### TO PURCHASE SITES

The Association plans to purchase sites in the rear of the Spagnuolo, C. F. Smith, Gamble, Sally Bell, Merritt and Depositors State Bank properties and the former DesAutel property at 118 East Dunlap St., now owned by the Northville Record.

The sites to be bought, plus those in the rear of Brader's Department Store and the A. & P., which are to be blacktopped by the owners, would provide space for 82 cars.

The lots would be deeded to the Village in return for an agreement to construct an alley, blacktop the surface and install two-hour parking meters.

## Driver Escapes After 80-Mile An Hour Chase

A Whitmore Lake man is being sought on a reckless driving charge after he allegedly led a Northville police officer on a bullet punctuated 80-mile-an-hour chase out West Seven Mile Rd.

Patrolman F. J. Heintz said he first noticed the driver, proceeding down South Rogers St. in a panel truck with only one headlight early Wednesday morning.

When the driver disregarded Heintz' order to stop, the policeman took chase in his patrol car.

Heintz said he pulled beside the man six times in an attempt to force him to the curb but each time the driver swerved and the two cars almost collided. The Northville officer said he fired six times at the truck.

After realizing he could not stop the man without an accident, Heintz took the license number and returned to Northville. He then called Washtenaw County authorities and asked them to pick up the driver, identified by the license number as Alphonse T. Rensner, 177 East Shore, Whitmore Lake.

The truck later was found rolled over at the corner of Severi Mile and Pontiac Trail, according to authorities. Washtenaw County Sheriff's officers were to pick up Rensner Wednesday.

He will be returned to Northville where a warrant has been issued charging him with reckless operation of a motor vehicle.

### Christmas Packages

Christmas mailing for the Armed Forces should be done not later than Nov. 15 and as soon as possible to assure delivery before the holiday, Northville Postmaster Leland B. Smith said this week.

Since some service post offices have a weight limit of 50 pounds and others, of 70 pounds, mailers should check with the post office for information as to weight limits.

## Ferguson Warns Real Korea Peace Unlikely In Talk Before Rotary Club

Senator Homer Ferguson and Congressman Charles Oakman took time out from a busy round of activities in Northville Tuesday to drop in on 83-year old W. A. "Uncle Bill" Ely at his home on Linden St. Pictured above are Ely, T. R. Carrington, Senator Ferguson and Rep. Oakman. At lower left, the Senator addresses the Northville Rotary Club. At his right is Viktoria Schmidt, German exchange student at Northville High School. At his left (behind cigar) is Rotary President Phil Ogilvie, and Harry Smith.

## Says Reds Would Use Peace Talks for Propaganda

Senator Homer Ferguson, on the second month of a "Report To The People" tour of Michigan, made a high-speed four-hour visit to Northville Tuesday as part of the Village's observance of United Nations Week.

The Senator spoke before a noon meeting of the Northville Rotary Club at the Presbyterian Church, addressed a high school assembly and sandwiched in visits to two Northville residents.

He was joined on the trip by Congressman Charles Oakman, who returned to the Village Wednesday to speak before the Exchange Club.

During his visit here, Ferguson was guided by T. R. Carrington, chairman of the Rotary UN Week Committee and a prominent Northville Republican.

### OVERFLOW CROWD

In his speech before an overflow crowd of Rotarians, many from neighboring towns, Ferguson said he doubted that the United Nations will be able to win a permanent peace in Korea when and if the peace conference is held.

"The Communists will use this conference—as they have every other meeting since World War II—simply as a propaganda medium," he said.

He pointed out that the ceasefire in Korea was preceded by 25 months of negotiations while a peace treaty for Austria still has not been written, despite a total of 264 meetings between the free world and Russia.

These cases, he said, pointed up the Communists lack of desire for a real peace.

### WORLD WAR II

Ferguson said it was regrettable that the United Nation's first job after its formation was not the formulating of a peace treaty ending World War II.

"We have since found that one reason the UN did not tackle this job was that the Communists did not want peace," he said. "The seeds of the Cold War were sown at the places the United Nations was born—Yalta, Tehran and Potsdam."

Despite its shortcomings, however, the Senator said the UN could still be an instrument for building a peaceful world.

He said that under the new Republican administration, the United States has proved more "aggressive" in its dealings in the United Nations.

### TAX CUT PROMISED

Turning to domestic issues, Sen. Ferguson said the only way to cut taxes is to cut the cost of government.

This the Republicans are doing, he said.

"And we're going to cut taxes next January," the Senator added.

In his talk to the 9th, 10th, 11th and 12th grades at Northville High School, Ferguson again stressed his hope that the United Nations will eventually become an important instrumentality for peace.

Ferguson also reminded his young listeners that the United States still is a pioneer nation—"waiting for the leadership and new ideas that you citizens of tomorrow can provide."

## Commission Issues Reminder on Fires

The Village Commission Monday night reminded residents that it is against the law to burn leaves or trash on sidewalks or in gutters.

All material must be burned on private property.

Police Chief Joe Denton also asked that householders make sure that fires are completely out before they're left unattended.

He said he had spotted several smoldering fires around town during the past several weeks which could have caused serious

## Hustle, Hustle, Hustle Is A Senator's Lot

This may not be an election year, but you'd never guess it from checking Senator Homer Ferguson's day-to-day schedule.

For the past two months, the Senator has been touring the state to make "a report to the people." So far, he's touched nearly every county.

It's an 18-hour a day job, according to his secretary, Jerry Kenney.

"We're on the go at eight most mornings and rarely return home or to our hotel room before midnight," Kenney said.

Tuesday, the day of the Senator's visit to Northville, was a comparatively easy one.

The Senator and his party didn't leave Detroit until 11 a.m. After a four hour visit here, which included two speeches, they went to Plymouth for a meeting with Republican leaders there.

Then it was off to Belleville to address a dinner meeting of the combined service clubs.

After another stop at Ypsilanti, the Senator finally went home.

Kenney, a young Michigan State College graduate, likes his work but he has one thing to say about the Senator's whirlwind pace:

"I'm tired."

Senator Ferguson liked this story so well he told it twice during his visit here—once to the Rotary Club and again to the high school assembly.

Seems a Senator (presumably Wayne Morse of Oregon) was embarked on what proved to be a 22-hour filibuster.

At about the half way point, another Senator who had left the chamber called a page-boy on the phone and inquired: "What's the senator talking about?"

Replied the page boy: "I don't know. He's only talked 12 hours and hasn't said yet."

W. A. "Uncle Bill" Ely of Linden St. had one of the big thrills of his 83 years when Senator Ferguson and Representative Oakman stopped by for a short visit.

Ely is a former township supervisor and was active for years in Republican circles.

He recalled meeting Ferguson when the Senator was a Wayne County Circuit Judge. Ely also found that he was a good friend of two of Rep. Oakman's uncles.

Ferguson and Oakman later stopped at the Stanley Kopeck gauge plant on Randolph St.

## Profit Realized on Sale of Bonds in Improvement Fund

A slight profit was realized on the first sale of government bonds in the Village Improvement Fund to provide cash for the Community Building, Commissioner John Stuebenvoll, finance committee chairman, reported Monday evening.

The bonds, bought over a period of several years for \$124,000, were sold for slightly more than that figure, Stuebenvoll said. In addition, the Village has been collecting interest on the bonds during the period they were held.

### FIRST PAYMENT

Stuebenvoll said \$18,000 of the amount realized on the bond sale was used to make the first payment on the \$205,000 building.

Of the \$105,000 left, \$100,000 will be used to purchase 90-day U.S. Treasury Bills, which will provide a slight interest return.

The public improvement fund also contains \$31,000 in Government series G bonds and a certificate of deposit with the Depositors State Bank totalling \$24,000.

Stuebenvoll said he and Village Treasurer Russell Clark hoped to sell the series G bonds on Dec. 1, their anniversary date, and redeem the certificate of deposit next month.

This money, totalling \$55,000, would be used to make the next payment on the Community Building, leaving the \$100,000 in treasury bills undisturbed to collect interest for three months.

### Deadline Extended

The Village Commission voted Monday night to extend the deadline for payment of Village taxes to Nov. 20.

## Halloweeners to Raise \$\$\$ Instead of You-Know-What

Some Northville youngsters will be raising money instead of havoc Halloween night this year.

As usual, their cry will be "Trick or Treat". But the treats this year will be for the world's underprivileged children, helped through UNICEF—the United Nations International Children's Emergency Fund.

The fund-raising project is sponsored by the women of the Methodist Church.

They ask that all Village youngsters stop at the Methodist Church house after 4 p.m. on Halloween Day, Oct. 31, and pick up UNICEF canisters to carry with them on their rounds.

Miss Marjorie Lanning, chairman of the project, said children will be informed of the project by announcements in school and Sunday School.

The unique fund-raising idea was developed two years ago by a number of church groups. Last year, many communities took it up, with schools and civic groups participating.

## Ogilvie Asked to Assemble Data on Zoning Changes

Village Attorney Philip Ogilvie was instructed Monday night by the Commission to begin collecting material relating to possible changes in the Village zoning ordinance.

The point was raised by Commissioner Gerald Woodworth, who said that the Village should exercise tighter control on building permits issued in and near the business district so as not to jeopardize future expansion programs.

For instance, he pointed out that the setting up of adequate parking facilities in the downtown district depended primarily on keeping a closer check on the use of land.

Commissioner John Stuebenvoll suggested that the Village zoning ordinance make certain that any business erecting new property here should provide a certain number of parking spaces, depending on the size of the building.

All Commissioners agreed that the zoning ordinances needed a thorough re-vamping in the near future.

## Rolling Down The River

by the PETZ BROS.

According to the calendar, special reports and an incidental feel of frost in the air, fall is here. It's the time of beautiful leaves, tangy wood smells and autumn drives. Some people even go so far as to buy a new suit or overcoat so we thought we'd check up on our wardrobe as it is important we look pretty good when you come in to buy your new Studebaker. The price bothered us momentarily as the only late quotation we had on clothing of any sort was a bathing suit a certain lady purchased last summer. At the same cost per ounce of material, we figured our new overcoat would cost \$1,300.00.

It didn't though and we were most pleasantly surprised as you will be the moment you try this fine Studebaker we sell and service. All it takes is a stretch of open road, the Studebaker, and you at the wheel of course. The magnificent performance of the car, its thrilling power, the comfort of the ride and ease of handling will quickly convince you that here is the car you should have for your own. Of course when you balance its amazing economy against your budget you'll know that here is the one way you can have a new car and most of your money too.

Fellow finally got around to reading this column the other day and brought his car in for a bit of this and that. He bragged he hadn't been near a shop for quite some time and the car showed it. As a matter of fact, after he and our master mechanic went over the needs of the car item by item, they decided his best bet was to keep the oil and change the car.

Of course we know you're one of those fellows that takes care of the car at all times. But for the fellow that forgets once in a while, we hope he takes the wheel of his car in hand and wheels it over this way with a minimum of detours. Especially now, with these cold mornings and all, the quicker you have the car lubricated, winterized, and generally put in top condition, the better. Hurry!

That's that, but a fellow tells us that everything is worth a lot of money these days, except money!

Yours,

BILL & WILL PETZ

## Northville Teachers to Attend Detroit School Convention

Teachers from Northville and other Wayne County communities will assemble in Detroit Oct. 29 and 30 for the regional conference of the Michigan Education Association.

Featured speakers at the meeting will be Dr. Ashley Montagu, famous anthropologist and author, and Omar B. Ketchum, of the V.F.W.

Headquarters for Region I, to which Detroit M.E.A. members belong, are in the Cass Technical High School. Region 2 members are those educators in Wayne County outside of the Detroit school system. Mary Robinson, teacher-counselor at Theodore Roosevelt High School in Wyandotte, is chairman for this region's conference; secretary for the conference is Mrs. Jean York, teacher at McCann School, Wyandotte, and Sarah McCullagh is regional executive secretary.

Registration for Region 2 will begin at 8 a.m. at the Auditorium Lobby of the Masonic Temple. The morning will include a breakfast in the Fountain Room,

with Rev. H. Norman Jackson, of the First Congregational Church of Wyandotte giving the invocation, a style show sponsored by Crowley Milner's Department Store, and a symposium on "Education in the Political Scene", with prominent professional and lay persons as panel members.

The first general session of Region 1, to which members of Region 2 are invited, will be held at the auditorium of Cass Technical High School on Thursday evening at 8 p.m.

Speakers for the evening will be M. P. Anderson, president of the M.E.A.; Joy Elmer Morgan, editor of the National Education Journal; Clair Taylor, state superintendent of public instruction, and Ashley Montagu, chairman of the department of anthropology at Rutgers University.

On Friday morning all conferees will attend section meetings covering a variety of special interests.

The general session for Region 1 on Friday afternoon will be a panel discussion on juvenile delinquency, while Region 2 will hear talks by Clair Taylor and Omar Ketchum. Mr. Ketchum, who formerly was mayor of Topeka, Kansas, is director of the National Legislative Service of the V.F.W.

## THE VILLAGE --- AT WORK

A Visit With Your Neighbors On the Job

Police Chief Joe Denton spends a good share of his working day listening to people's troubles.

"But Chief, I was only going to park there for a minute and I didn't have a nickel with me."

"Mr. Denton, I wish you could do something about my neighbor's dog. He's kept me awake for the last four nights."

"Chief, Johnny should have been home from school two hours ago. Do you know where he is?"

And on and on.

But despite the fact that this office is the gathering place for the Village's miseries, the Chief loves his work.

"My job is my heart and soul," he says. "I can't think of anything I'd rather do."

Fortunately, most of the trouble in town is of a minor nature—thanks to Northville citizens.

### CITIZENS' HELP

"The people in town make my job easy because of their cooperation," he says. "It's rare that we have any big trouble here."

The Chief will round out his tenth year as head of the Northville Police Dept. next April. At the present time, he heads a staff of two patrolmen and one sergeant, Gil Glasson.

He has a broad background for the job—14 years in the British Army and more than five years with the Michigan State Police and National Guard.

Born in England, Denton had his first state of battle as a bugle boy in the Boer War.

In 1904, he immigrated to Canada and until 1914, worked on horse and cattle ranches in the western part of the country.

reer, winning the Marine Star, the General Service Medal, the Military Medal, the Victory Medal and other decorations.

In lieu of a second Military Medal, Denton received a King's Commission in the field, rising from sergeant to lieutenant. When the war ended, he held the rank of major.

Leaving the army in 1920, Denton came to the United States and for more than 20 years, served as superintendent of Farm Crest Farms on Six Mile Rd. He later joined the State Police before taking charge of the Northville Police Force.

A 30-year resident of the Northville area, the Chief lives with his wife at 503 Randolph. His daughter, Mrs. Pearl Stephens, lives in town while his two sons, Carleton George and Raymond, live in Detroit. Both are employed at Farmcrest Bakeries.

The Chief is on the job six days a week and on call all hours of the day. But what time he can

spare is devoted to his favorite hobby, gardening.

In addition, the Chief has always had a great interest in children.

That interest led to the establishment five years ago of the Junior Police Program, which has provided dozens of Village youngsters with not only good fellowship, but a chance to learn the elements of good citizenship.

be discharged from the service and will then return home.

This weekend, the Dunamans, of Farmington Rd., are entertaining relatives from Traverse City.

Mr. and Mrs. George Middlwood, of Farmington Rd., were recently calling on the George Houtz family in Northville.

Her many friends in this area regret to learn that Miss Georgina Read, for many years a beloved Health Nurse in this section of Wayne County, recently suffered a severe heart attack and was removed to a hospital, where she is receiving treatment. Mrs. Meta Hoenicke, the Welfare Nurse of this area is also in a hospital, being treated for lobular pneumonia.

A. R. Oldham, of Farmington Rd., who recently underwent surgery at Mt. Carmel Hospital, is reported holding his own, though still under an oxygen tent.

Mr. and Mrs. Pete Stamp, from Grand Rapids, spent a few days of last week with the former's sister, Mrs. John Varhol, Shadyside Ave. On Friday Mrs. Varhol and her guests visited in Detroit. William Varhol, eldest son of Mr. and Mrs. John Varhol, who has lately been stationed with U. S. Navy near Japan, is expected back at Norfolk, Va., by the middle of next month. He still hopes to spend the holidays in Michigan.

At her home on Farmington Rd. last Wednesday evening, a family celebration was on, honoring the birthday of Mrs. Ed. Grant.

Mr. and Mrs. George W. Sandau, of Hubbard Ave., spent last Thursday evening with the Okerstrom family, near the Old Dutch Mill.

## VISIT IN IONIA

Mrs. George W. Sandau, of Hubbard Ave., accompanied by one or two lady friends from Detroit, visited in Ionia last Saturday.

Mrs. Edwin L. Johnson, of Charita Ave., accompanied her daughter, Anne, and members of the latter's Brownie troop, on a tour through one of the large dairies last Thursday. One or two other mothers were also in the group. The trip was made in the Red Cross station wagon, with Mrs. Austin Ault, Brentwood Ave. as driver.

Women of the Livonia Methodist Church, are endeavoring to organize an W.S.C.S. group to meet evenings. This will not interfere with the activities of the group now meeting regularly at afternoons scheduled. The idea is to enlist the services of women employed during the day. Plans were made at a meeting held in the church Thursday night.

Mrs. Emerson Ault, Mayfield Ave., was visiting with friends in Mt. Carmel Hospital Friday evening.

The first night in October soap written and drawn "bad words" and crazy cartoons began appearing on windows in this area. After the last night of the month it may be worth while to have a window-washing day.

Mrs. Howard Palmer and her son, Matthew, of Shadyside Ave., were visiting with relatives in Detroit Wednesday.

Freda Ault, Norfolk Ave., was calling at Harper Hospital last Friday.

## MRS. NACKER IMPROVES

Mrs. Albert Nacker, who for more than two weeks has been a patient in the Atchison Memorial Hospital, Northville, now seems somewhat improved and has hopes of returning next week to her home on Farmington Rd. During these several weeks, Mr. and Mrs. Robert Sweezy, son-in-law and daughter of Mr. and Mrs. Nacker, are spending most of their time at the Nacker home.

Mrs. Koffalo, from Detroit, was a three-day guest last week of her daughter, Mrs. Kenneth Skow and family on Mayfield Ave.

Miss Caroline Allen, of Parker Ave., is ill with a bad flu attack. Friday guests of Mr. and Mrs. J. C. Dunaman, Farmington Rd., were Master and Miss Kraimer, from Redford.

Now is the time for all good citizens to give earnest attention to the United Foundation.

Mrs. Erwin Bohlinger, who, at University Hospital, Ann Arbor, underwent major surgery a few weeks back, is now getting out and around again much as usual.

A sister, Delora, from near Lambertville, O., was the guest last week of Mrs. Louis Jennings and her family on Norfolk Ave. A "Style-Show Party" given at the home of Mrs. Ed. Grabowski, Hubbard Ave., last Wednesday morning is reported to have been a most enjoyable one.

Mr. and Mrs. Cecil Willet and their daughter, Joanne, of Mayfield Ave., are returning home this week end from ten days of bow and arrow hunting in northern Michigan.

# Your friend in need!

## BLUE CROSS-BLUE SHIELD

protection brings modern medical science within the financial reach of everyone!

THE CHANCES ARE 1 IN 3

THAT YOUR FAMILY WILL FACE A HOSPITAL BILL WITHIN THE YEAR!

ARE YOU PROTECTED?

Your doctor is your friend in need in more ways than one.

You know him of course, as an expert on getting you well and keeping you that way. Less known, though perhaps not less important is the role he plays in helping you protect your family against the cost of illness or accident.

Fourteen years ago, together with hospital officials, business men and labor leaders, Michigan doctors helped start the Blue Cross - Blue Shield non-profit organizations to bring modern medical science within the financial reach of everyone.

Since then, Blue Cross - Blue Shield have paid out over 300 million dollars in benefits. With over 3 million members, Blue Cross-Blue Shield is Michigan's most widely used health-care protection.

What BLUE CROSS Does!

Blue Cross Comprehensive Group Hospital Plan covers a wide range of hospital services, for up to 120 days, in any one of over 200 participating hospitals.

What BLUE SHIELD Does!

Blue Shield Medical-Surgical Plan pays generous amounts to your doctor for thousands of listed medical-surgical procedures, and for his hospital visits in non-surgical cases.

Protection Without Problems!

There's no red tape with Blue Cross - Blue Shield. Simply show your identification card to your doctor or hospital admitting clerk. Needed benefits are taken care of automatically!

How to Get BLUE CROSS-BLUE SHIELD:

Ask your employer. Check your Farm Bureau or Grange! Write or call your nearest Blue Cross - Blue Shield office.

# You'll get more than you expect

In feature after feature, Ford matches the finest...

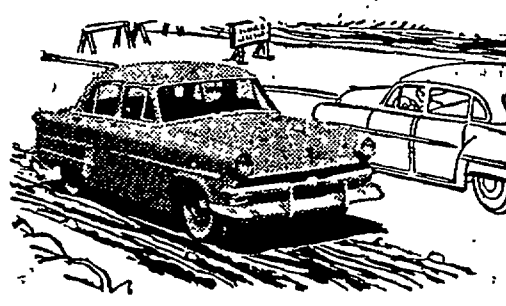

with fine car ride... fine-car build... and fine-car V-8 GO!

Check these fine car features that are yours when you buy a Ford, the one fine car in the low-price field. You get glass area galore... the most in Ford's field. You get more usable inside space than in any other low-priced car. Seats are foam-rubber-cushioned, both front and rear. You get such Ford advances as convenient Center-Fill Fueling and suspended clutch and brake pedals. But here are the big reasons why Ford is worth more when you buy it and when you sell it, too!

## V-8 or Six power

Only Ford in its field offers you a fine-car high-compression V-8 engine... the result of Ford's experience building more V-8's than all other makers combined. And Ford's high-compression, low-friction Six is the most modern Six in the industry. Both engines have Ford's exclusive Automatic Power Pilot which squeezes the last drop of power out of every drop of gasoline.

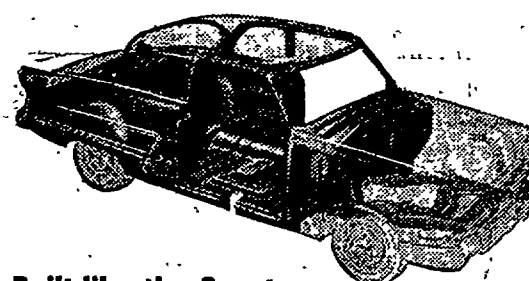

## Up to 80% less road shock

Ford has reduced front end road shock (the kind you notice most) up to 80%. And by a perfect teaming-up of rear springs, diagonally-mounted rear shock absorbers and tailored-to-weight front springs, Ford has proved that a car can ride smooth as silk without gas-eating extra weight.

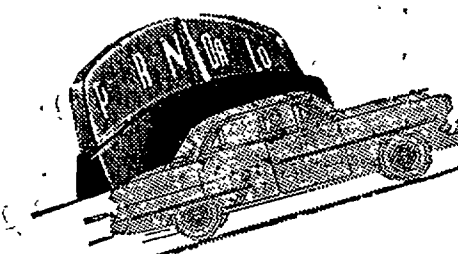

## Master-Guide power steering

Ford Master-Guide is the last word in power steering. It does up to 75% of the steering work for you when you need it... yet it leaves you with a natural feel of steering on the straight-away. And it helps you control the car on rough, rutted roads. Available on all V-8 models.

## Built like the finest

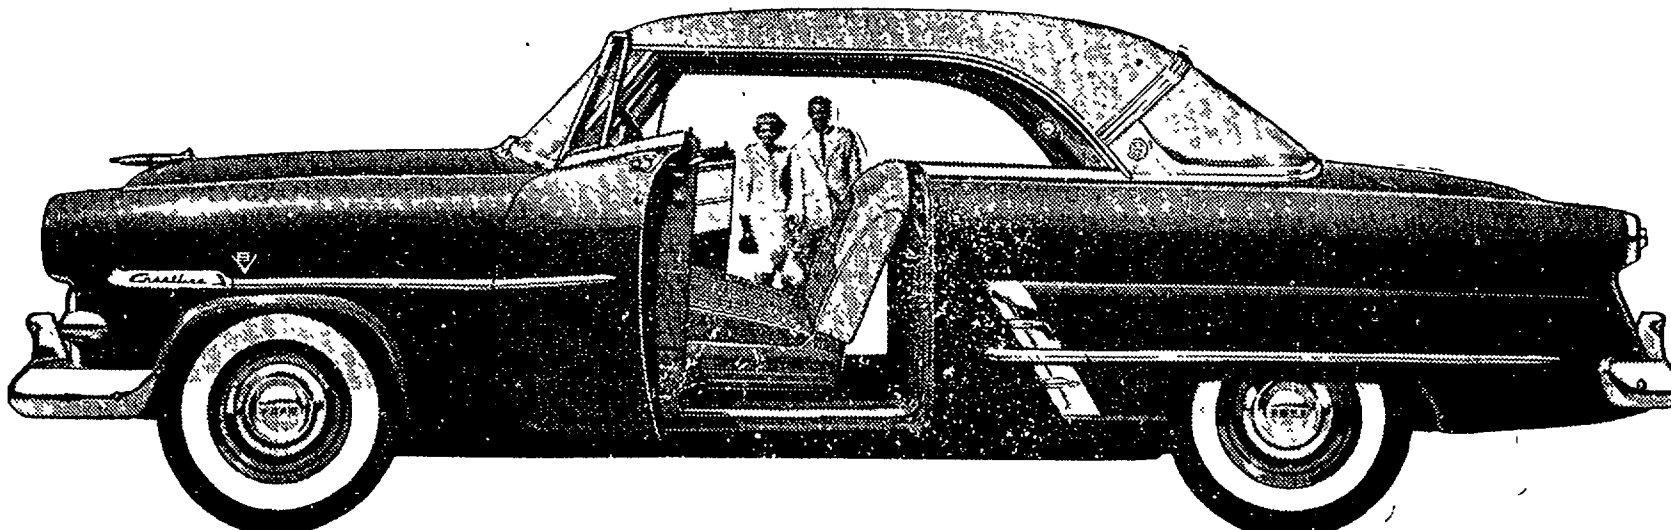

Ford's hull-tight body is sealed against water, dust and draft. Body panels are made of steel of the same quality and thickness as that used in the costliest cars. Ford's rugged box-section frame has five strong cross members including a special K-bar member which adds extra twist resistance... gives longer car life.

## Fordomatic Drive

It's the finest, most versatile of all automatic drives... combines the smoothness of a fluid torque converter and the "Go" of automatic mechanical gears. Ford also offers you Overdrive and Conventional drive.

## Events of the Past in Northville

News Items Taken From the Files of the Record

## One Year Ago—

One of Northville's oldest telephone numbers—39— was restored to Village veterinarian Dr. Edwin B. Cavell. The number was originally given the Doctor in 1906 by the Citizens Telephone Co., which was then operating in Northville.

Men of the Novi Baptist church made final plans to finish building the home of Brant Munro on Taft Rd., who had been constructing the dwelling himself. The men of the church decided to pitch in and finish the dwelling before Munro's daughter, Ruth, four years old, returned from University Hospital, where she was suffering from polio.

Governor G. Mennen Williams was scheduled to speak before a combined meeting of the Northville Exchange and Rotary Clubs Wednesday, Oct. 29.

Shirley Way became the bride

of Albert Behnke, Jr., in a ceremony performed at the Salem Evangelical and Reformed church. Mrs. Belle Baldwin McCall of Meadowbrook Rd., was named one of the "Women of Achievement" of Detroit by the Detroit Historical Society.

## Five Years Ago—

The Lester D. Stage home on East Cady St., was badly damaged by fire, believed to have been caused by an overheated furnace. The American Legion, invited all Villagers to attend a mortgage burning ceremony at the Veterans Memorial Building.

Funeral services were held at the Casterline Funeral Home for Miss Cora S. Sloan, who died at her home on South Wing St. at the age of 71.

Leona Mae White of South Rogers St., and Jay J. Leavenworth of Beal Ave., were married at the First Presbyterian Church.

Rev. E. E. Rossow, of St. Paul's Lutheran Church marked his 25th anniversary in the Ministry.

## Ten Years Ago—

Service notes: Pvt. Ray Westfall was home on a 15-day leave before reporting to Camp Claiborne, La. Sgt. Fred Robinson left for Salt Lake City, Utah, to report for re-assignment. James M. Beall, newly promoted to technical sergeant, was in his 28th month of service in Alaska.

Robert F. Hazlett, private first class, was serving with an artillery group of the U. S. Army somewhere in England. Orient Chapter No. 77, Order of the Eastern Star, celebrated its 52nd Anniversary.

Fred Warner Neal of Washington, D. C., formerly of Northville, was one of 11 journalists who collaborated with Ray F. Harvey, of New York University, in writing "The Politics of This War". An inch of snow fell in Northville on Saturday night, Oct. 16.

The Northville Drug Store, then owned by L. C. Stewart,

celebrated its 21st birthday. Mr. and Mrs. Walter Lyon celebrated their 49th wedding anniversary.

## Twenty Years Ago—

Sixty-five year old James Cull of E. Cady St., was struck and killed by an automobile driven by Cletus Batts while crossing the road at the Pere Marquette springs.

Northville's professional football team, the A.C.'s lost 7-0 to the Nodame club of Detroit. The A.C.'s, sparked by the passing of "Bull" Hinchman, came within one foot of scoring a touchdown as the whistle blew to end the first half.

Mrs. William Pawle Brown and Mrs. Russell H. Walker, local horse enthusiasts, attended the horse show at the Chicago Century of Progress exposition.

All but half of the day shift and a few members of the night shift at the Ford Valve plant were laid off, leaving about 100 men on the job.

Four members of the Frank Freydl family narrowly escaped serious injury when their Ford sedan overturned at the Freydl farm on Seven Mile Rd.

## Thirty Years Ago—

Mrs. H. R. Richardson stepped on a nail, causing serious injury to one of her feet.

Mrs. W. A. Fraser and Miss Euphemia Marquis of Detroit were guests of Mrs. J. B. Tinkham during the W.C.T.U. convention.

A census taken by Charles A. Sessions showed that the population of the Village in 1923 was 2,351 persons.

Dr. Dan Henry, was seriously injured in an automobile accident but was reported recovering. Northville defeated Redford, 7-6, in one of the "hardest fought games" of the 1923 football season.

Virtue is bold, and goodness never fearful.

Mrs. Homer Ferguson, wife of the U.S. Senator, was honored Tuesday afternoon at a tea held at the home of Mrs. Carl Bryan on West Main St. Mrs. Ferguson's husband was in the Village for a speech before the Northville Rotary Club. The tea was attended by 40 women and

the Bryan home was decorated with autumn leaves and flowers for the occasion. Mrs. Leo Lawrence poured and assisting were Mrs. T. R. Carrington and Mrs. John Burkman. Pictured above, left to right, are Mrs. Conrad Langfield, Mrs. Carrington, Mrs. Bryan and Mrs. Ferguson.

### Women's Club Tours Cranbrook Art Museum

Some 30 members of the Northville Woman's Club traveled to the Museum of the Cranbrook Academy of Art in Bloomfield Hills last Friday to view a collection of art from 2500 B.C. to the present.

The tour guide, Miss Margot Cramer, is at Cranbrook as an exchange student from Leyden Uni-

versity in Holland. In Leyden she studied the History of Art for five years. She is the fourth generation of a family of art dealers who reside at The Hague. Margot is a research assistant at Cranbrook Museum.

The biennial exhibit which is on display is the selection made by the museum director, Eva Ingerson, whose hope is to bring together a limited number of examples of painting and sculpture which are expressions of our times.

Miss Cramer explained that it must be viewed with the thought in mind that much of the art of today is an experiment, as we live in a day of experimentation. While some of today's artistic experimentation will surely fall into discard as will some of today's scientific experimentation.

The Glasco painting, "Female Head", with a texture created by mixing sand with oil and varnish bears out this thought.

The two purchases made by Cranbrook for its permanent collection were Herbert Ferber's welded sculpture, Black Object, and Ben Shahn's water color, "Discord".

### Blue Star Mothers to Elect Officers

The Northville Blue Star Mothers held their monthly meeting last Monday night at the home of Mrs. Charles Westphall. Mrs. Emma Reid and Mrs. Cass Bolton were elected to the nominating committee for officers of the coming year.

Mrs. Mamie Nulte and Mrs. Cecil Thompson were elected delegates to the national convention to be held at Grand Rapids. The next meeting will be held at the home of Mrs. Theresa Catton, 249 Rayson St., Nov. 9.

### Knights Templars

Eighty-two Knight Templars from this area attended Hospital Services at the Plymouth Presbyterian Church Sunday. Following the services the Sir Knights and their wives were served dinner by the Eastern Star and Masonic Lodge at the Masonic Temple in Plymouth. A highlight of the day's activities were the pictures shown by Dr. Henry Walch of his recent trip to the Holy Land.

Mrs. Gerritt Rooks of East Seven Mile Rd. doesn't recommend this hat for every day wear, even though it's a near prize winner. The hat was awarded honorable mention last week in a contest sponsored by the Michigan Council of Farm and Garden Associations at the Detroit Yacht Club. Competing were flower show chairmen from the different garden clubs in this section of the state. Each hat had to be made with garden material. Mrs. Rooks' chapeau was a straw cornucopia with garlands of bittersweet. The winner was picked by applause from the assembled club members. Attending from Northville were Mrs. Robert Merriam, Mrs. Paul Schulz, Mrs. George Alexander, Mrs. John Haller, Mrs. Glenn Cummings and Mrs. Rooks.

### Mrs. Joseph Mann to Speak to Local B.P.W. Club Oct. 26

Mrs. Joseph W. Mann, coordinator of Women's activities for the Michigan Office of Civil Defense, will be the featured speaker at the regular monthly meeting of the Northville Business and Professional Women's Club, Oct. 26th, at the Methodist Church. The dinner meeting starts at 6:30. The public is invited. Mrs. Mann, whose home is in Detroit, will be introduced by Miss Margaret Rager, chairman of the Northville B.P.W. Health and Safety Committee. She will discuss the place of women in civil defense.

Mrs. Mann has long experience in women's organizational work. She is a former National President of the Ladies Auxiliary to the Veterans of Foreign Wars of the United States, having advanced through all the chairs, local, state and national. For the past three years Mrs. Mann served as national chairman of the Ladies Auxiliary's Cancer Research Fund program which was started during her National presidency.

She is Trustee for the Sixth Service Command for the V.F.W. National Home for Widows and Orphans in Eaton Rapids and has many other state and local Auxiliary responsibilities. She is also a member of the Order of Eastern Star and the Daughters of the Nile. In addition to her other duties she was recently appointed National Director of Civil Defense for the Ladies Auxiliary to the V.F.W.

### Council Supplies Cans for Trash

by Peggy Hammond

The Student Council has already completed several projects with the new school year less than two months old.

Male council members have purchased four oil drums, painted them orange and black and labeled them "Senior Student Council" for use as trash cans along Cady St. on the Village green, and behind the high school.

The Council has also added cider to the list of items for sale at the food stand during Friday night football games.

The Council has offered to pay the luncheon fee for eight delegates from Mr. Meaker's sociology class, who are traveling to Detroit for a student convention.

A new health officer was elected recently. She is Gertrude Anschuetz.

### Team Starts Football Drills

by Marilyn McCarthy

After practicing on Saturdays for four weeks, the Junior High team started their daily practice last week. They played the Plymouth High team last night at Ford Field. This was their first game this year. A game with Novi is also scheduled.

Practice for the annual Kats and Rams game began last week. These teams are made up of sixth, seventh and eighth grade boys with boys from all three of these classes on each of the teams. As in previous years Mr. Jones will coach the Rams and Mr. Kay will coach the Kats. The game will be played on Thursday, Oct. 29, 7:30 p.m. at Ford Field.

Winifred Welch, a senior, was crowned the Northville High School homecoming queen at last Friday night's Northville-Centerline game by 1952 queen, Roberta Malott. Members of Queen Winifred's court were Miss Jacqueline Keys and Miss Georgiana Kahler.

### F.T.A. to Host League Meeting

by Peggy Hammond

## Commission to Lend Bulldozer to Twp. for Gerald Avenue Work

A request from Northville Township for use of the Village bulldozer for grading Gerald Ave. was accepted by the Village Commission Monday night.

The Commission agreed to lend the bulldozer after Commissioner

Claude Ely said the Township would pay \$8 for use of the machine plus the operator's salary. Ely said the job would be done on Sunday so as not to interfere with Village work.

The Commission agreed to the Township request unanimously, although Commissioner John Stubbenvoll said he did not believe the Village was getting a fair price for use of its equipment.

## IN MEMORIAM

In loving memory of our sister, Mrs. Ethel Salow, who passed away one year ago, Oct. 21, 1952. Your memory to us is a keepsake, with which we will never part.

Though God has you in His keeping we always have you in our heart.

## Commission Beats Wayne Commissioner

Wayne County Drain Commissioner Christopher Muelle visited the Village Commission meeting Monday night to ask local authorization for the proposed \$4,000,000 Middle Rouge Interceptor Sewer. However, his trip was unnecessary. The Commission had acted on his written request before he arrived.

The sewer will service part of Northville. However, the Village is not required to contribute to the cost of its construction.

## 2 New Street Lights to Be Installed

Village Clerk Mary Alexander is making application to the Detroit Edison Co. for new streetlights at two locations in Northville.

One light will be placed on Rouge St. while the other will be installed on the north of East Main St., just west of the bank entrance.

Commissioner Claude Ely said he had surveyed both areas and agreed that lights were needed.

## Methodist Church Participating in Fund Raising Drive

The First Methodist Church of Northville is participating in a Detroit Conference Church Extension campaign for the purpose of establishing a revolving fund for the construction of churches in strategic areas within the conference.

Goal for the campaign is \$450,000.

Rev. Ivan Hodgson of Northville was one of a committee of five which set up the pattern for the campaign last year. It was accepted by the Conference Board of Missions and approved by the Annual Conference last June.

The First Methodist Church of Northville plans to make this campaign of a dual nature—one-third for the Conference Extension Fund and two-thirds for local property improvements. Subscriptions may be paid over a period of one hundred weeks.

Preparation for the campaign began with a district meeting on Sept. 23, under the leadership of Dr. Frank M. Inman. On the staff of the Methodist Board of Missions, he is conducting briefing conferences in each district. District banquets are being held in October, before the canvass for funds in the local churches. The drive will reach the local church on Sunday, Nov. 1, and close the following Sunday. It will involve an Every-Member Canvass of the local parish, inviting them to Loyalty Sunday when their pledge cards will be deposited at the altar of the church.

A similar campaign will be held in the Michigan Methodist Conference, covering the western half of the Lower Peninsula, next year.

## Scout Investiture Wednesday Evening

The public is cordially invited to attend an investiture ceremony for Girl Scout Troop 13 to be held in the high school gymnasium Oct. 28 at eight o'clock.

Seventeen girls, who have completed their work as Brownies are to become Intermediate Girl Scouts with Mrs. Stuart Thomson and Mrs. Hurd Sutherland as co-leaders. Mrs. William S. Milne will represent P.T.A., the sponsoring group. All members of the Girl Scout Council will be present and Mrs. C. M. Goodrich, the Council president, will welcome the troop and their guests.

Girls from Troops 10 and 11, under the leadership of Mrs. Paul Beard and Mrs. William O'Brien, are to assist in the investiture, at which time the candidates make their Scout promise, repeat the Scout laws and receive their pins. Singing incidental to the ceremony will be directed by Mrs. George Weiss.

Mrs. Warren B. Cooksie of Detroit is to address the gathering. Her topic will be "Your Job in Scouting is Important". Mrs. Cooksie, who was born and reared in China, is on the Board of Region No. 7 of the Girl Scout organization.

## Hospital Campaign Picks Up Steam

The St. Mary Hospital Building Fund campaign picks up steam next week as the Memorial Gifts Committee, under Chairman Herbert Hart of Farmington, completes its training period and begins active solicitation of individuals in Northville.

The Northville Professional Committee, under Chairman R. M. Atchison, M.D., and the Commerce and Industry Committee under Chairman Bruce L. Turnbull, have been soliciting prospects for the past two weeks under the memorial program.

A Memorial, as explained by Mr. Hart, is an item or a place in the hospital, which can be designated by means of a plaque, or other suitable recognition, as a living memorial to a loved one.

Recruiting of volunteers for the general phase of the campaign, involving door-to-door solicitation of all homes in the community is still being carried on, according to Community Appeal Chairman Grace Middlewood, and E. C. Welch, Northville chairman. The workers will be asked to attend two training meetings before visiting their prospects. This phase of the campaign will take place from Nov. 23 to Dec. 10, when the campaign will be concluded.

The Friends and Benefactors Committee, under Al Wistert, of Northville, meets tonight at Madonna College for the first time.

Virtue lies not in sackcloth. True holiness consists, not in quitting satin, but in quitting vice. —Sadi

# DOLLAR FOR DOLLAR YOU CAN'T BEAT A PONTIAC!

## It's the RIGHT CAR!

What's the "right car" for you? It must be handsome, of course. A good performer, too. And dependable? Economical? For beauty, Pontiac offers the Silver Streak distinction that is admired everywhere. The power and stamina of Pontiac's rugged, high-compression engines are unmatched at anywhere near the price. Pontiac's dependability and long-life economy are a matter of record. For every important value extra Pontiac's your car!

## It's the RIGHT PRICE!

The price of a Pontiac will never sway you from buying the right car. Pontiac engineers discovered long ago that—for very few extra dollars in price—they could build into Pontiac cars a great deal of extra quality. Come in and let us prove how easy it is to own a big, luxurious, fine-performing Pontiac!

## It's the RIGHT TIME!

Your present car will never be more valuable as a trade-in! So don't put off the pleasures of Pontiac ownership. "Dollar for Dollar you can't beat a Pontiac" never meant more than it does today! We're sure you'll agree it's the right car—the right price—and the right time.

Mr. and Mrs. Roy Stone extend a cordial invitation to all Village shoppers to visit the new toy department on the second floor of the Stone Gamble Store, East Main St. The department—containing more than 6,000 separate items—opened today in plenty of time for the Christmas shopping season. Mrs. Stone will manage the department.

## Novi Lodge News

by Mrs. William Mairs

Members of the degree team met at the hall last Thursday night, Oct. 15 for practice, followed by a party. Hostesses were Doris Darling, Grace Frisbie and Irene Kahl. Prize winners were Elsie Brooks, Olga Tuck and Ruth Woodworth.

Delegates Flossie Eno and Kathryn Bachert, also Irene Kahl, Dawn Holcomb, Alice Hopkins, Dorothy Snow and Rowena Salow attended the sessions of the Rebekah Assembly held at Grand Rapids this week. Sisters Dorothy Snow and Rowena Salow received the "Decoration of Chivalry" in a beautiful and impressive ceremony conducted there Tuesday evening.

Novi Rebekah Lodge No. 482 will meet in regular session on Thursday night, Oct. 22 of this week.

## The Hamills Attend Baptist Convention

Mr. and Mrs. Frank Hamill of Center St. attended the Michigan First Baptist convention at Adrian Friday through Sunday. Addresses were given by Rev. Kelly of Haiti, Dr. Edson of Long Beach, Calif., Dr. Walker of New York City and others. The Adrian musical talent was supplemented by choirs and soloists from Ann Arbor and Jackson.

Next year's convention will be in Ann Arbor.

There is nothing truly valuable that can be purchased without pains and labour. —Horace

## DON'T BELIEVE IT!

Do not believe everything you read. A lie can be printed as easily as the truth. A person that uses good judgment will ponder what he reads and compare it with what he already knows on the subject. If possible he will gather further information from reliable sources before making up his mind. In this age of inexpensive printing there are thousands of books, magazines, pamphlets and tracts printed on the subject of religion. Some are true and some are absolutely false. Since they often times contradict each other we know that some are right and some are wrong. Let me encourage you to check what you read directly from your own Bible. Just because a tract has a scripture passage on it does not mean that the scripture is used correctly. Note that passage in your Bible, read the whole chapter in which it is found and see if the verse is used honestly according to the context. Satan quoted scriptures to prove his point in the Temptations of Jesus, but he used scripture in a false way. The best safeguard against being led astray is to get a working knowledge of your Bible by studying it and attending a church where the Pastor expounds the Bible and not his own theories.

# Northville Opens Crucial Part of League Campaign

## Centerline Snaps Win Streak, 18-0; Clarkston Next Foe

The Northville High School football team, its dream of a perfect season shattered by powerful Centerline, will seek its third straight Wayne-Oakland County League win tomorrow night in a game with Clarkston at Ford Field.

The Clarkston game marks the opening of the crucial phase of the Mustang schedule. The local squad will meet four straight league opponents, closing the season with powerful Keego Harbor.

The Keego-Northville match could well decide the title. The Mustangs are currently in first place with two wins while Keego has won two and lost one.

Turning back to last Friday night's disappointment:

If Coach Al Jones were one to make excuses, he could find a handful to explain his team's 18-0 loss to Centerline. He was missing his best men on both offense and defense.

### IFVERSEN, NALLEY MISSING

Co-captain Al Iversen, main cog in the Mustang defense, did not even dress. He was suffering from a bad case of boils.

Halfback Lamar Nalley, the team's scoring leader with 27 points and its top offensive performer, was injured on Northville's third play from scrimmage. He suffered a shoulder separation and is expected to be out for the rest of the season.

In addition, tackle Jim Bonar missed his third straight game due to injuries and center Bruce Felker and Quarterback Gene Reitzke operated at reduced efficiency for the same reason.

Taking all things into consideration, Northville played well.

"I think we did a pretty fair job under the circumstances," Jones said.

### TURN BACK VISITORS

Offensively, young Larry Meyer was a stand out. The defensive line showed its stuff at the end of the first half, when it held Centerline for four downs inside the four yard line and ended the series by pouncing on a fumble on their own two.

Northville's weak line was pass defense. Centerline Quarterback Larry Bielat threw strikes all during the first half and it wasn't until late in the second period that Northville mustered a semblance of defense.

Bielat's passes set up two Centerline touchdowns and kept Northville off balance all evening. On the ground, fullback George Leppke picked up when Bielat left off.

Northville kicked off to open the game and on the first play from scrimmage, Centerline lost the ball on a fumble on their own 33.

Arland Lovett made two yards and a Nalley to Bob Burgess pass fell incomplete. On the next play, Nalley was injured while driving for four yards.

After an exchange of punts, Centerline had the ball on the Northville 45 yard line. Bielat passed to the 12 yard line, from

which point Leppke bulldozed over for the score. The extra point try was no good.

### 6-0 AT HALF

Northville turned back a scoring bid, as the first half ended and the visitors held a 6-0 lead at intermission.

Centerline's second touchdown came in the third period after a

pass, a running play and a 15-yard penalty for unsportsmanlike conduct put the ball on the one yard line. Halfback Jim Smith scored.

Late in the same period, Leppke galloped 75 yards from scrimmage for the third Centerline touchdown.

Northville made a scoring bid in the fourth quarter when a recovered fumble gave the local squad the ball on the Centerline 30 yard line. The Mustangs made it to the eight yard line but lost the ball on a fumble.

## Annual Kats-Rams Game Scheduled for October 29 Under Lights at Ford Field

Junior High School youngsters will take the local football spotlight Thursday, Oct. 29, as the "Kats" and the "Rams" tangle under the lights at Ford Field.

Kickoff is 8 p.m. with the admission price set at 35 cents for children and 50 cents for adults.

Varsity Head Coach Al Jones will head the Ram squad while the Kats will be coached by assistant varsity mentor Dick Kay.

According to Jones, his team ranks as a definite underdog.

"My scouts tell me the Kats are loaded this year," he said.

Kay, whose team has lost three years in a row, had no comment on his team.

However, it is known he has been under increasing pressure from alumni of the sixth grade, who want a winner.

"He better start producing—or else," one prominent alumni said ominously.

The Rams squad includes Robert Griswold, Mike O'Leary, Pete

Gross, Bill Chizmar, "Tack" Walker, Jim Strange, Bill Gingell, Roger Smith, Ron Dethloff, "Tiger" Loring, Bill Yayne, David Janitzke, David Rayne, Norm Tibble, Larry Clark, John Sanders, Fran Dempsey, "Bulldog" Parrish, Sumner Gow, Blaine Ashby, Gary Morgan, Joe Gotro, Jim Burnham, Mike Eastland, George Funke, Paul DeJohn, "Spike" Stillson and Leavy Leavenworth.

The Kats roster: Bob Niemi, Richard Buckley, Nelson Schrader, III, Terry Junod, Roger LeFevre, Jim Hammond, Charles Gow, Dick Biery, Cap Pethers, Harry Sedan, Mike Willis, Tucker Williams, Joe Kritch, Hank Bathey, Gordon Parham, Roger Atchison, Larry Nitzel, Woody Aenschbacher, Fred Mitchell, David Nash, Gary Howell, David Smith, Charles Yerkes, John Nichols, Mike Janschick, Lynn Gates and Bob Lyke.

The two teams have been practicing several evenings a week and on Saturday morning. Players from both squads played the Plymouth Junior High School team Wednesday night at Ford Field.

Those who have most to do, and are willing to work, will find the most time.

### REMEDY FOR SMALL LAKES

Among Michigan's 11,000 inland lakes are many ranging from 10 to 50 acres which are rarely of much consequence for fishing. Some are privately owned—many more are within public fishing areas—and all are good prospects for excellent fishing, if we are to judge from recent experiments concluded in our neighboring State of Wisconsin.

How fishing can be extremely poor because there are too many fish, and then become phenomenally good when fish are given more room and food has been clearly proven by the fish management division in Wisconsin. One pond chosen for the test had an area of 27 acres. It was loaded with carp and stunted panfish, and the water was extremely murky.

### Poison Used

All fish were removed by poisoning... the water cleared quickly, and the lake was stocked with 15 pairs of largemouth bass, 15 pairs of northern pike and just two pairs of bluegills! There was a tremendous hatch of bass and in the middle the second growing season these fish were about 10 inches long, a growth rate of about twice normal. A conservation biologist caught 21 of these fish in an hour in contrast to the usual success ratio of only .6 fish per hour.

### Experiment Duplicated

A second lake under observation was very muddy, and overpopulated with under-sized panfish and carp. Fishing had been poor for many years. Again the Wisconsin Fish Division moved into the picture. The lake was poisoned out, all fish killed, and again the water cleared shortly thereafter. A cottage owner said he had never been able to see the bottom of the lake before. Once the poison had been dissipated this particular lake was also stocked with bass and pike in small quantities—30 pairs of each. Big hatches followed in the next season with the fish staging rapid growth in water where there was plenty of room and plenty of food. Fishing success at the end of the second season was spectacular.

Here in Michigan similar experiments have concurred with these results—pointing to the possibility of tapping a huge new reservoir of fishing waters in the future.

Obviously, the problem of poisoning out large lakes is a difficult one. For the time being the project will probably have to be restricted to the smaller bodies of water. Private owners should contact the Fish Division of the Conservation Department relative to the approach to the problem. Organized sportsmen's clubs can get back of recommendations where public lakes are involved.

# MICHIGAN MIRROR

A REPORT FROM THE CAPITOL  
by Gene Alleman

If disaster struck, your community could count on organized help from many Michigan young men who daily go quietly about their work.

These are the men in the Michigan National Guard. They undergo a continuous training program so they can be ready to answer any emergency, local or national.

"Healthy growth" is taking place in the National Guard today, says Major Versal Case, of the Guard staff in Lansing. Since reorganization took place after World War II, the Guard has reached a strength of nearly 10,000. National Guard officers are happy to note an intense interest in several communities for their organization. They hope to see this sentiment expanded in future years.

"We like to impress upon people's minds that the National Guard is primarily a local unit," says Brigadier General George C. Moran, adjutant general in Michigan. "We want people to know that local units really belong to local communities."

First new army since 1926 was recently constructed and was dedicated in Alma Monday, Oct. 26. Other armories are planned for Cadillac and Ironwood. Construction will begin next April and be completed by the following year. Still others are under consideration for Cheboygan, Detroit, Kingsford and Marquette.

Local Guard units are under administration of local people; members of the Guard in its own community. And new armories are erected in areas where people show active interest and support.

In the case of Alma, Cadillac and Ironwood, the municipalities made substantial contributions to the cost of the armories. Local areas provided land, utility services, and various amounts of cash. Of the cost, which approximates \$225,000, the federal government paid \$150,000 and the state \$50,000.

Present organization of Michigan's National Guard consists of 144 units in 52 communities. General Moran believes 95% of the men live within 50 miles of a unit where they could enlist. He says that in several sections of the state many unit members drive that far to meetings.

Purposes of the Guard, says the General, are two fold: to be ready for service as a unit in case of national emergency and to aid civil authorities in civil disaster.

"We have an obligation," he states, "to all our members—but particularly young men in the 17-18½ year group." The General was referring to present draft law which exempts a man in this range if he has enlisted in a National Guard unit. Such youths are not drafted unless they miss five drill sessions in one year, or are discharged from the Guard for some other reason. "But it is our job to see that these Guardsmen receive training of a high caliber so they will be well prepared if they are called to active duty," General explains.

Serious need exists, say Guard officials, for more armories. At present there are 30 state-owned buildings and 27 armories under rental.

There are economic as well as morale values to the local control aspect of the Guard. Col. Herbert F. Layle, Quartermaster General for Michigan, uses cost of rations as an outstanding example. "The regular army spends \$1.10 per day, per man," he claims. "But during the Flint disaster, we were able to supply rations of equal quality for 70¢ per man and pay prevailing local prices."

Developing local interest is a principle aim of Guard officers

in state headquarters. They consider their office one to give advice or support when requested. They are anxious to leave as much of the administration of each unit as possible to people in each community. And they emphasize that they are glad to work with anyone from areas interested in organizing new units or improving those already in existence.

## World Traveler to Speak at Town Hall

Color movies of Africa will be shown and narrated by "Singapore Joe" Fisher, world traveler and master raconteur, at Detroit Town Hall. He will speak at 11 o'clock, Wednesday morning, Oct. 28, in Fisher Theatre.

"Singapore Joe" who is called "the modern Sinbad" was born and brought up in South Africa, and knows every inch of the continent. Featured in the beautiful film which he will present at Town Hall are the Kimberly diamond mines, Africa's modern cities, wonderful Victoria Falls, Rhodesia, land of Cecil Rhodes and all the fascinating native and wild-life of the dark continent. Tickets are at Grinnell's, WO, 2-124.

## News About Salem

**Father Killed, Wife Hurt**  
Mrs. Roy Klix was notified that her sister and brother-in-law, of Wayne, were in an automobile accident. Mrs. Lucas is in critical condition. Their automobile crashed into another car which had been pushed into the highway. The funeral services for Mr. Lucas was held Saturday afternoon.

### Extension News

The Salem Extension group met with Mrs. Raymond Kelly and Mrs. William Kelly with 12 members and two guests present. It was planned to exhibit pillow tops at the craft tea in November, with Ruth Clay and Margaret Kelly in charge of the display. A very interesting lesson on color in the home with a color wheel and il-

lustrations was given by Ruth Gates. Florence Van Atta, Laura Verran and Evelyn Wilson gave an interesting report on the trip to Boston to the convention, following which refreshments were served by the hostesses.

### Farm Bureau News

The Farm Bureau met Thursday, Oct. 15 at the home of Mrs. LeMaster with 40 members present. They discussed the method of electing the president. Committee members were Mrs. Art Dahl, Mrs. Ralph Wilson, Mrs. Leo Van Bonn and Mrs. James Brummel. They played games and then the hostesses served sandwiches and pumpkin pie.

### Social News

Motion by Peters, supported by Woodworth, that bills be paid. Carried.

Reports of Treasurer, Police Chief, Street Supt., and Health Commissioner for the month of September, 1953, were submitted, and it was moved by Ely, supported by Allen, that same be accepted and placed on file. Carried.

H. J. Hayward, representative of the firm of Ayres, Lewis, Norris and May, Engineers, of Ann Arbor, Michigan, reported to the Village Commission that he had spent the afternoon with the Clerk and Supt. Harner checking the records of the Water Department and the water system, and that if the Commission wanted his firm to do so, they would make a study of the amount of water sold and the revenue obtained at the present rates, and they would then be in a position to submit a proposition for the revision of rates. He also stated that it would be valuable to make a study of the water system itself in order to give the Village a complete picture of the situation. The Village Commission decided that the rate study should come first, and that the other matters pertaining to the water system be deferred until a later date, and they instructed Mr. Hayward to proceed with the rate study as soon as possible.

T. R. Carrington, representing the Carrington Agency, discussed writing insurance on the Community Bldg. construction. He suggested that coverage be carried on a "Builder's Risk Completed Value Form" during construction of building; such a policy in the amount of \$185,000.00 including fire, extended coverage and vandalism could be written for \$331.15, which would be cancelled pro rata on completion of building. Moved by Ely, supported by Stubenvoll, that such insurance be purchased from the Carrington Agency. Carried.

Moved by Allen, supported by Stubenvoll, that an additional \$500.00 of Rural Hill Cemetery Trust Funds be invested in U.S. Savings Bonds-Series "K". Carried.

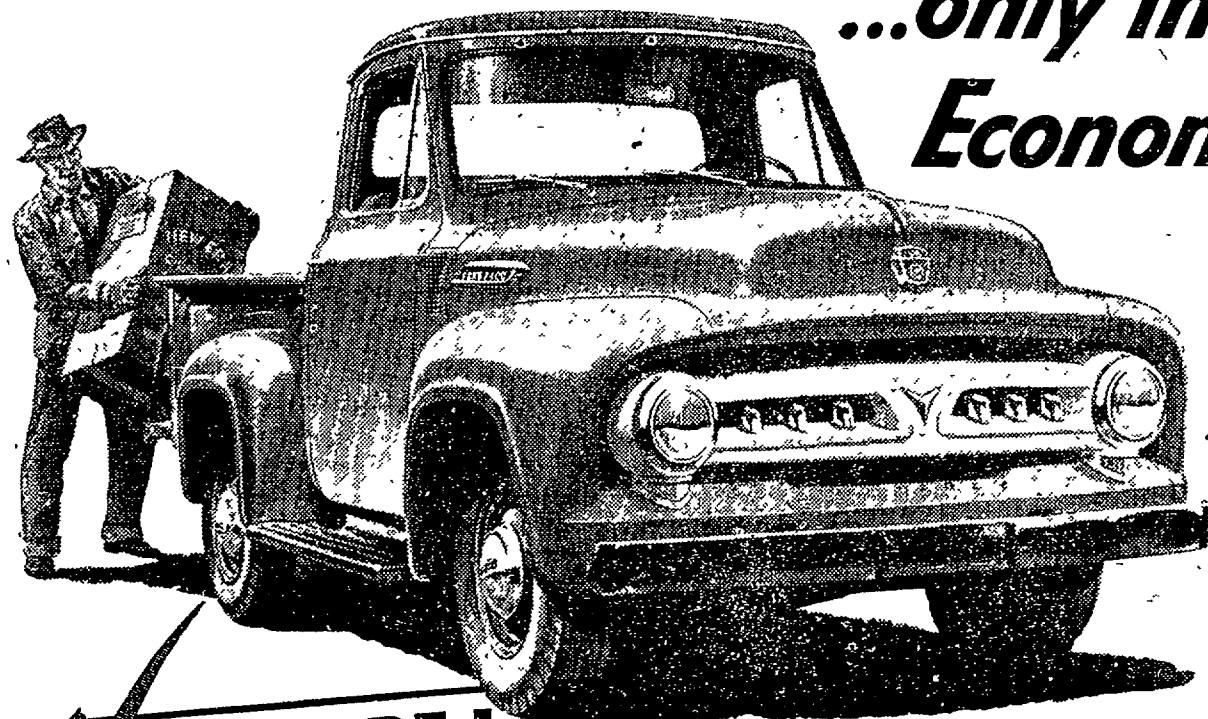

Comm. Ely reported on survey made for location of cross walk at E. Main and Hutton near parking lot, and stated that same could be located without removing parking space. The suggestion that a sign permitting right turn on red light after traffic is clear going east on Main St. into parking lot, and going west on Main St. into Hutton, was also reported favorably.

No further business appearing, meeting was adjourned.

(Signed) A. R. Clarke, Acting Clerk
