MUSTANGS BATTLE KEEGO HARBOR FOR TITLE

Success of Parking Lot Fund Drive Seems Assured

With signed pledges of \$6,900 already received from local business men and property owners, and oral promises of an additional \$3,600, the Northville Retail Merchants Association appears headed toward a successful conclusion of its campaign to raise \$16,000 to buy a large area for off-street parking in the rear of stores on the north side of Main St. between Center and Hutton streets.

Nelson Schrader gave a progress report to Association members at their regular monthly meeting Monday evening and, with the unanimous support of those present, announced that personal solicitation of business men and property owners who have not responded yet to the appeal for funds will start immediately.

Messiah Rehearsals Start This Sunday

Rehearsals for the 20th annual performance of Handel's "Messiah" will begin at 4 p.m. this Sunday afternoon at the Presbyterian Church House, it was announced by Leslie Lee.

Lee asked that all persons who participated in the program in past years report for rehearsal Sunday. He said new singers also will be welcome.

The Messiah will be sung at the Presbyterian Church at 7:30 on Dec. 20, by a chorus of approximately 75 members from Northville and surrounding communities.

The soloist will be supplied by the University of Michigan, if the custom from past years is followed.

Goodwill Trucks to Be Here Nov. 19

Trucks from Goodwill Industries will be in Northville and Plymouth Thursday, Nov. 19, to pick up discarded materials.

Persons wishing to arrange for a truck pick-up should call Miss Edith Sorensen, Goodwill's local telephone representative, at Northville 571.

The number of physically handicapped employees at Goodwill Industries now exceeds 400 for the first time in the history of the organization, according to Harold H. McKinnon, executive secretary.

This represents a growth of approximately one-third during the past year and is the direct result of increased contributions of usable household discards of clothing, furniture, toys, dolls, small appliances and other household articles.

Stores Especially Benefitted

Schrader described the project as one that will serve the entire community and especially should benefit the Main Street stores whose rear entrances will open on the area to be purchased. These include the building at the corner of Main and Center streets in which the Marlene Shop, Tewksbury Jewelers, and the telephone office are located, the D & C Store property owned by Gerald C. Woodworth, the adjoining building owned by James Spagnuolo, in which are located Spagy's Grocery, the Sally Bell Bakery, and the Smith Store. Stone's Gamble Store, which is owned by Edwin Gage of Birmingham, the store property recently purchased by Don Merritt, the Depositors State Bank building, the A & P Store building, owned by Sam Brader, the Brader Department Store, and the Northville Electric Store, owned by Cliff Turnbull.

Contributions to Date

Businesses and property owners along Main St. from whom pledges have been received are Carl Barton, owner of the telephone building property, Tewksbury Jewelers, D & C Store, Gerald Woodworth, Depositors Bank, Brader's Department Store and Northville Electric.

Other businesses located on Center St. and Hutton St. adjacent to the proposed parking lot area which have pledged financial support include the Carrington Insurance Agency, Ritchie Brothers (Laundromat), Cloverdale Dairy and George Miller Sales and Service.

Businesses which will benefit only indirectly, but which nevertheless have pledged support, are

(Continued on Page 7)

Final Decision on Water Review Expected Monday

The Village Commission is expected to decide next Monday night whether to contract for a comprehensive survey of the Northville water system.

The Commission delayed final action on the problem at its last meeting until clarification could be obtained on a bid for the job received from the Ann Arbor engineering firm of Ayres, Lewis, Norris and May.

The Ann Arbor firm offered to do the job for approximately \$1,000. However, the letter did not make clear whether this fee covered both a review of water rates and a full-scale map of the water system.

Commissioner John Stubenvoll contacted the engineers last week and found they would cover both phases of the problem for either a flat fee or on a per diem basis. In either case, the firm said, the cost would be approximately \$1,000.

The firm is expected to recommend the boosting of Northville water rates, since it has been pointed out that the Village falls far below surrounding communities in rates charged for water.

Military Funeral Held Today for George J. Hayes, 76

A full military funeral will be held at 2 p.m. today (Thursday) at the Phillips-Bahnmler Funeral Home for George J. Hayes, who died Tuesday, Nov. 10 at the Veterans' Hospital in Dearborn. Mr. Hayes was a veteran of the Spanish-American war.

He was born in Detroit in 1877, the son of Louis and Elizabeth Ford Hayes. After spending his early life in Detroit, he became a farmer, and later operated a summer resort at Marcellus, Mich.

Mr. Hayes lived for the last few years at 113 Main St. and was a member of Northville V.F.W. Post 4012. He is survived by a sister, Mrs. Mary E. Hagerty, and a half-brother, John Newton, both of Detroit.

Rev. Ivan E. Hodgson will conduct the service, and interment will be in Rural Hill Cemetery.

Members of the Northville V.F.W. post will provide a color guard.

Legion Feather Party Nov. 20

The Lloyd H. Green Post No. 147 of the American Legion will hold its annual Feather Party at 8 p.m. Friday, Nov. 20 at the Veterans' Memorial Hall on Dunlap St.

A large tom turkey, very much alive, will be given as a door-prize.

S. B. Stevens is chairman of the entertainment committee. He will be assisted by Merrill Sweet, Robert Porterfield, Robert Cory, C. Oscar Hammond and Conrad Springer.

The annual affair is open to the public. Legion officials say they have room for 200 guests.

Merchants Plan Prizes for Best Holiday Displays

The Retail Merchants Association this year will award a prize to the store and the home judged the best decorated for the Christmas season.

The winners in each category will receive a 15 pound turkey. Ten pound turkeys will be given to second prize winners.

The Association also has named a committee to begin mapping plans for Christmas decorations along Main St.

Chairman of the group will be Leland V. Smith. He will be assisted by Harry Sedan, Harry Ritchie, George Clark, Frank Defina and Charles Altman.

These seniors, with the exception of Lamar Nalley, will be playing their last football game for Northville High School when the Mustangs battle Keego Harbor for the league championship at Ford Field tomorrow night. Back row, left to right: Doug Bennett, Gene Robitzke, co-captain Al Iversen, Bob Scheffer, Dick Willis

and Gil Black. In the center row are Lamar Nalley, Glenn Howarth and Ed Nash. Seated in front are Karl Hofmann, Jack Waterloo, Bruce Felker and Bob Engle. Seniors missing from the picture are co-captain Bob Burgess and Jim Mitchell. Nalley, the team's leading scorer, will be on the sidelines tomorrow night. He's been out of action since Oct. 16 with injuries.

"Harvest of Gold" Is Big Success

Northville's "Harvest of Gold" week end Nov. 5-7 proved to be one of the most successful merchandising events in the Village's history.

Promoted by a special 12-page "shoppers' section" of the Northville Record which was circulated to 19,500 homes and business places in the Livonia, Walled Lake, South Lyon, Plymouth, Farmington, Wixom and New Hudson areas, as well as to regular Record subscribers, the event attracted several thousand visitors and customers to local stores last Thursday, Friday and Saturday.

The event was originally planned to center around three local businesses, Schrader's Home Furnishings, the Glenn Long Plumbing and Heating Co. and Stone's Gamble Store, all of which had just completed major enlargement and modernization programs. These merchants originally had intended to hold separate "Grand Openings" but instead decided to get together on simultaneous opening. As an example of excellent cooperation which contributed much to the successful shopping week-end, both

Roy Stone and Glenn Long postponed their openings for several weeks to permit Nelson Schrader to complete an outstanding modernization of his store.

Several other local merchants joined these three by special advertising which was so successful that they are interested in another Christmas bargain week-end early in December.

Nelson Schrader estimates that between 2,000 and 2,500 persons visited his store on Friday and Saturday. "We made no effort to sell merchandise on those days," he said. "Instead, we wanted as many families as possible to pass judgment on our effort to make Schrader's one of the most modern and well-stocked stores in Western Wayne County. Judged by their comments, we believe we have succeeded in doing so."

MERCHANTS ENTHUSIASTIC

Other merchants were just as enthusiastic.

"We were more than pleased with the results we got from the shopper," said Roy Stone of Stone's Gamble Store. "I personally hope we can have three shoppers a year."

(Continued on Page Seven)

Second-Story Man Comes to Aid of Lady in Distress

Note to the crowd at the corner of Main and Center streets about 8:30 Saturday evening:

That wasn't a burglar climbing up a ladder to a second floor window of the Record building.

It was Bruce Turnbull of Eaton Dr. performing an act of chivalry. Seems Mrs. Mary Donovan, a Record office manager, left her upstairs apartment for a minute to talk to a friend.

Unfortunately, her apartment door slammed shut. The key was inside.

As Mrs. Donovan stood shivering on the corner of Main and Center wondering where she could find a room for the night, Turnbull happened along.

He tried a few of his keys on the door. None worked. There was nothing to do but crawl through the window and open the door.

Turnbull, owner of Northville Electric, picked up a ladder at his place of business and up he went.

By this time a fair-sized crowd had gathered to watch the spectacle and a few wondered if they shouldn't call a policeman.

They wouldn't have had to call very loud.

A cop stood at the base of the ladder, keeping it steady as Turnbull made his climb.

League Leaders To Meet at Ford Field

The Northville High School football team, hoping to write a story book ending to its 1953 season, meets Keego Harbor tomorrow night at Ford Field in a battle to decide the Wayne-Oakland County League championship.

Kickoff is at 8 p.m. A capacity crowd is expected to watch the Mustangs and the Presidents, each with 4-1 league records, end their seasons with the climactic title game.

The Mustangs, who have won six and lost only two thus far this year, will enter the game at full strength, with the exception of halfback Lamar Nalley, who has been out with a shoulder separation since the Centerline game, Oct. 16.

Board Meeting to Plan Bond Issue

The Northville Board of Education will hold a special meeting Monday night to begin formulating plans for a bond issue to finance the proposed new elementary school.

The meeting will be attended by Fred Thrun, a Lansing attorney, who will supervise the bond issue.

The issue is expected to amount to some \$300,000.

Negotiations are under way at the present time on a site for the school, a ten acre plot of ground on the west side of North Center St. between Carlisle and Hill. The land is owned by Manning & Locklin Gravel Co.

Plymouth Classes in Adult Education Open to Villagers

An agreement has been reached whereby Northville residents may enroll in adult education classes offered by the Plymouth Recreation Department, Northville Recreation Director Wilson Funk announced this week.

Instruction is offered in the following courses: welding, rug hooking, sewing and tailoring, millinery, ceramics, community chorus, flower arranging, badminton, square dance and Swedish gymnastics.

In addition, there are still openings in the Plymouth Symphony Orchestra.

All classes will meet at Plymouth High School with the exception of ceramics, which will be held Monday and Tuesday at Jackson's Ceramic Studio on North Mill St.

Persons interested in enrolling are asked to contact Herb Woolweaver at Plymouth 895, who will supply information on meeting times and course fees.

Mother's Club Asks Contributions to School Milk Fund

The Northville Mother's Club is again asking contributions to its fund to supply milk for elementary school children.

Milk bottles will be distributed in Village stores next Monday and the public is urged to drop in their change.

The money is used to supply milk during school hours to children who may not have the means to buy it themselves. The recipients are designated by Miss Ruth Knapp, the school nurse, and the teachers.

An average of \$125 a year is needed for the project.

Village to Receive Share of State Tax

The Village of Northville will receive \$3,009.83 as its share of third quarter Motor Vehicle Highway Fund collections, the state highway department announced this week.

The money represents part of the amount collected by the state in gasoline, weight and diesel fuel taxes. A total of \$27,370,543.99 was taken in by the state during the third quarter of this year.

Herman Harner, Jr. and Bruce Turnbull unload one of five trash receptacles donated by the Northville Retail Merchants Association and distributed about town Tuesday morning. Looking on are Harry Sedan and George Clark.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

Drivers must pay more if present traffic facilities are to be improved. This is unavoidable. More roads, more laws, more education, more policemen are required to check the staggering loss of life and property from highway mishap. Only problem now is to see that money is wisely spent; that fair value is received.

Automobile production skyrocketed since the war. In 1950 nearly seven million vehicles were produced; this year only a few less will be turned out by our factories. Next year manufacturers expect to make 8 1/2 million more.

Terrific strain to our highway system has resulted from this great increase in automobiles. Not only are there more cars and trucks in existence, but each of them covers more distance each day on our roads. Figures show that in 1954 1,658,538 vehicles were licensed by the state; in 1952, this number increased to 2,833,876. State Police estimate that drivers covered 16 million miles on Michigan roads in 1946. This compares to 24 billion in 1952. Each day last year 64 million miles were driven by Michigan motorists. This is equal to traveling around the earth 2,800 times. Today's average is 71 million driving every 24 hours.

Figures of the Oil and Gas Association show the average consumption of gasoline per vehicle jumped from 633 gallons per year in 1946 to 771 last year.

Serious problems result from these increases: 36% more drivers; 60% more vehicles; 50% more miles driven.

Traffic deaths in rural areas increased 33%. There were 46% more accidents, 42% more injuries, 17% more deaths.

Solutions exist, but they cost money.

Present highway system is inadequate to handle today's traffic load says Highway Commissioner Charles M. Ziegler. He says \$250 million is needed to meet existing emergency deficiencies. Highway people are hoping fervently that new studies and more money will be forthcoming from January's legislative session.

They want to widen and repair mail arteries; build new bridges. East-west highways in line for improvement are U.S. 16, 12, 2, 28. North-south arteries, badly in need of attention are routes 13, 10, 31, 131.

"More policemen are needed," says State Police Commissioner Joseph A. Childs. At present only 295 state officers are available for patrol duty each 24 hours. The Commissioner is asking for 150 more. Allowing for sickness and leave time, 134 additional troopers would then divide each day's duties.

State traffic laws are subject to re-examination. A new drivers' license law took effect Oct. 2. Safety groups are considering the advisability of a speed limit, the training of young drivers and other steps.

Improvements will benefit motorists. Turnpikes and expressways will permit safer, faster driving. Such super highways are under study for routes from Detroit to Chicago and Detroit to Toledo.

Additional lanes on present roads will mean less congestion.

Money to finance the Mackinac Straits Bridge may be forthcoming soon because lenders are encouraged by the marked increase in traffic between peninsulas. Prentiss Brown, chairman of the bridge authority, reports that the Straits traffic for October was 20% higher than last year; that 1952's average will be about 12% more.

Income has increased by 60% over last year mostly because price of ferry tickets was raised in May.

No short term project, efficient, safe highway systems are not expected overnight. It is a matter of years. Perhaps Commissioner Childs summed it accurately when he said, "No one group can solve the traffic problem. It'll take much effort by many people and over a long period of time."

Do your Christmas shopping at Stone's Gamble Store. Use our convenient Lay-Away Plan. 24

THE VILLAGE --- AT WORK

A Visit With Your Neighbors On the Job

This week's Villager at Work is familiar to many of Northville's early risers.

He's Don Miller, who's been driving his Twin Pines Dairy milk route for 13 years.

Miller's job is ideal in one respect. The biggest share of his day's work is behind him early in the afternoon.

However, that has its drawbacks too. It means he's on the job before most of us think about getting up.

Miller was born in Northville and raised on farms in the area. He lived for some time at what is now the Arthur Miller property on Nine Mile Rd.

First a farmer, then a carpenter, he started his own dairy in 1930 at 810 First St., where he now lives.

In 1940, he stopped doing his own processing and began working as an independent dealer for Twin Pines. As a dealer he owns his own route and also owns a percentage of the dairy, which is a cooperatively-owned business. He delivers to customers over a 35-mile route.

Miller married Lillian Chatfield in 1920 and they have four children. Linwood is attending Ferris Institute at Big Rapids while Roger lives in Oregon and another son, Gerald, resides in Alaska. The Miller's only daughter, Mrs. Donna Sanford, lives at Rochester.

Miller devotes a good deal of his spare time to bowling. He's particularly proud of a 279 score he once racked up.

Livonia Charter Amendments OK'd

Governor G. Mennen Williams has officially approved the five proposed amendments to Livonia's city charter, clearing the way for a special election Dec. 14.

The city council voted last month to place the proposals before the people. State law requires review and approval by the governor before the amendments can appear on the ballot.

The governor has the power to veto amendments he considers undesirable or illegal.

Approved for the ballot were amendments to provide four-year terms for all elective administrative officials; allow for setting salaries of city officials by ordinance; make the city clerk an elective official; provide five-year terms for the Parks and Recreation Commission, and create a municipal court to replace the present justice court.

Village Population Increases More Than 7% in Three Years

The Village of Northville and Northville Township recorded a population increase of more than seven per cent from April, 1950, to July 1, 1953, according to figures released this week by the Detroit Metropolitan Area Regional Planning Commission.

The population of the Wayne County portion of the Village increased from 2,981 to 3,200, or 7.3 per cent.

Forty-one new residents were added to the section of the Village in Oakland County, raising the population from 259 to 300, for a 15.8 per cent increase.

TOWNSHIP INCREASE

Northville Township's population increased by 316 persons during the three year period and now stands at 4,500. The percentage gain was 7.5.

Population in the entire Detroit metropolitan area (Wayne, Oakland and Macomb counties) increased to 3,350,000 by July 1, the commission reported. This means a gain of 333,603 since the census was taken in April, 1950, and represents a growth of 11.1% from the 3,016,197 people counted at that time. The city of Detroit has grown from 1,849,568 in 1950 to 1,400,000 in the 3 1/4 years following the census, an increase of 90,432 or 4.9%.

These estimates were prepared by the population section of the Research Committee of the commission. Rollin Woodward, statistician of The Detroit Edison Company, headed the population study group. Other members included Albert Moellmann, promotion and research department of the Detroit News; John Stewart, statistician for the Detroit Board of Commerce; Sam Stearn, chief of the labor market analysis section of the Michigan Employment Security Commission, and Paul M. Reid, planning analyst of the Regional Planning Commission.

The estimates made by these men—and approved by the Research Committee as a whole—were based on customer counts of The Detroit Edison Company, residential building permits issued by local units of government, the Detroit City school census, births and deaths in the metropolitan area, and labor force figures. Last year the group estimated the metropolitan area population as 3,250,000 and that of the city of Detroit as 1,915,000 as of July 1, 1952. The practice of making yearly estimates will be continued.

In Wayne County, the city of Detroit increased its population by 90,432, while the rest of the county added 100,315 from April 1950 to July 1, 1953. The rate of increase for the out-county com-

munities for the 3 1/4 year period was 17.1%. That of the city of Detroit was only 4.9%.

OUT-COUNTY INCREASES

Population in the out-county area grew 49.3% from 1940 to 1950. The 1950-53 gain of 17.1% represents a ten-year rate of increase of 52.6%. Thus the outlying communities of Wayne County have been increasing their population at an even faster rate than they did in the decade of the 1940's.

Redford Township gained 15,860 in population from 1950 to 1953 for the greatest growth in the out-county area. The city of Dearborn was next with 14,206. Allen Park's growth rate of 106.8% in the 3 1/4 year period was the highest. This city snow-balled its population from 12,329 in 1950 to 25,500 on July 1, 1953. Lincoln Park made a gain of 10,190, while Inkster Village grew 9,072. Livonia, next to Detroit the city with the largest land area, gained 7,336 in population.

Among the townships, next to Redford, the largest gains were made by Dearborn Township with 6,165, Ecorse Township with 5,618 and Taylor Township with 3,352.

O.L.V. to Meet Nov. 17

The O.L.V. Altar Society will meet Tuesday, Nov. 17, at one o'clock at Mrs. Carroll Mulligan's home on Eight Mile Rd. Following the annual election of officers, tea will be served by Mrs. V. Goodrich and Mrs. C. Mulligan, assisted by Mesdames F. Politz, A. Heslip, J. Gill and F. Jentgen.

Rolling Down The River

by the PETZ BROS.

Well someone finally got around to sending us a letter and we're not quite sure whether we should file it, use it here or toss it in the waste basket. Part of this masterpiece reads: have been following your column for some time and thought you would like to know that the person who yawns in the middle of your favorite story may not be very polite, but oh man, he sure escapes a lot of punishment.

You can escape a lot of punishment in the new car purchase department by dashing around to our front door and collecting one of these ever so fine Studebakers for '53. And if you've been listening or reading about the special offers being made these days by one company or another, please remember that each and every company has a stockholder or two that expect dividends at regular intervals, so no one is giving away the bread from the children's table. You'll discover the trade-in allowance we make is every bit as good as you could get elsewhere and man, 'o man, what a car you'll have.

Like the man says, "if you could sell your experience for half what it cost you, you could retire for life."

Now if you've been driving for any length of time your experience should have taught you the best way to save money, this time of year, is to spend a little. Spend it having the car properly winterized by our expert mechanics and relax in the knowledge that no matter what the weather, your car "can take it!"

That's that, but we'd like to remark you're not really a success in life until the man who hands out free passes to football games, brags about knowing you.

Yours,

BILL & WILL PETZ

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Roberta Malott was crowned Northville High School Homecoming Queen.

The Northville High School football team was honored at a banquet sponsored by the Exchange Club. Speakers were Fullback Pat Harder of the Detroit Lions and Don Mason, a member of the Michigan State College football staff.

Marie Shames was installed as Worthy Matron and Earl Gray of Plymouth as Worthy Patron at a public installation ceremony by Orient Chapter No. 77, O.E.S.

It was revealed that Marguerite Coykendall would be commissioned by the First Baptist Church of Northville to serve as a missionary in Nigeria, Africa.

Mrs. Sarah Lewis of 112 East Dunlap St. and Noble P. Lewis of Stubberville, Ohio, announced the engagement of the daughter, Ruth Ann, to Richard C. Ritchie.

FIVE YEARS AGO—

For the first time in 13 years,

Northville High School beat Plymouth in football. The score was 20-7.

Robert G. Ely and Loyola German were married in a ceremony performed at the Northville Presbyterian Church. Rev. Harold F. Fredsell officiated.

Postmaster Fred Van Atta reported that a recent survey of mail routes in the city indicated that many residents had allowed their mail boxes to get into very poor condition. He asked that steps be taken to put them in better shape.

Funeral services were held for Mrs. David Sutton, who died Nov. 7 at the age of 31. Mrs. Sutton had lived in Northville for 11 years but moved to South Lyon with her family a short time before her death.

Harriet Harwood of the J. L. Hudson Co. of Detroit spoke to the Northville Women's Club on "Books for Young Readers".

TEN YEARS AGO—

Dr. L. N. Snow was re-elected president of the Northville Driving Club while Elton Eaton, Arthur Schnute and Nelson Schrader took over as vice-president, treasurer and secretary pro-tem, respectively.

Percy C. Angove of Northville, executive secretary of the Michigan Society for Crippled Children and Disabled Adults, was appointed by Gov. Harry Kelly to the state advisory commission to consider problems of youth guidance.

Ralph H. Kuehnell took over as superintendent of the Ford Motor Company Northville plant, succeeding Harry Cassie, who resigned.

Service notes: Edwin King of Plymouth Ave., was promoted to private first class at Camp Shelby, Miss.; Pfc. Alvin Teshka was promoted to Staff Sergeant at his post in Pocatella, Ida. James Ritchie was assigned to the University of Wisconsin for special radio training. Tony Bongiovanni wrote from Camp Perry, Va., where he was serving with the Seabees.

Mr. and Mrs. Charles S. Arnold of W. Seven Mile Rd. announced the engagement of their daughter, Theda, to Andrew H. Sak of Brighton.

TWENTY YEARS AGO—

A. V. Jacobson, a former Northville High School teacher, and his wife were arrested in Helsingfors, Finland and both were charged with being members of a Communist spy ring. Jacobson taught mathematics here for a short period, leaving Northville in 1932.

Russell H. Amerman, superin-

tendent of schools, reported that the school treasury was nearly dry and said that state aid was needed if classes were to continue until June.

Thieves broke into the home of Mrs. Eva Johnson on N. Wing St. and stole a few bits of jewelry, gloves and silk stockings.

Colonel Heinrich Pickert, deputy collector of customs in Detroit, explained his duties at a meeting of the Exchange Club.

The Village Commission planned a drive to collect delinquent water bills totalling \$400.

THIRTY YEARS AGO—

Mrs. G. E. Richardson and two children spent the week end with her sister in Chicago.

Mr. and Mrs. Don P. Yerkes, Sr. returned from a few week's visit with Mr. and Mrs. H. L. Weaver at Traverse City.

Mrs. W. A. Ely and son arrived in Northville from Riverside, Cal. They also planned a visit with Detroit friends.

One of the most active students at Alma College in 1923 was Cleon Day, a freshman. He was selected to be assistant yell leader and also played in the band.

Mr. and Mrs. E. C. Hinkley motored to Belleville, where they were joined by a party of friends and drove to Toledo.

Birmingham Phone Users to Dial Own Long Distance Calls

The Michigan Bell Telephone Co., on Nov. 20, will inaugurate a plan at Birmingham which will make it possible for telephone users in that community to dial their own long-distance calls to many points all over the country.

Eventually, the same service will be made available to Northville-area customers, according to Dean Sipson, Bell Telephone manager at Plymouth.

Under the plan, Birmingham customers will be able to dial direct to more than 13,000,000 telephones in the metropolitan areas of New York, Boston, Philadelphia, Pittsburgh, Cleveland, Chicago, Baltimore, San Francisco, Milwaukee, New Haven (Conn.), Newark, Washington D.C., Sacramento, and Oakland.

A revolutionary method of speeding long-distance service, customer toll dialing was first inaugurated in Englewood, N. J., two years ago.

Birmingham was chosen as the second community in the nation to come under the plan because it is served by a particular type of central office equipment which is readily adaptable to long-distance dialing.

Further, Birmingham customers, the company said, place a high percentage of toll calls per capita — and to a wider range of cities throughout the country than do subscribers in many exchanges.

Automatic accounting equipment will register each step of a customer-dialed long-distance call for billing purposes.

Key to the long-distance dialing plan is what telephone engineers call a "4A Toll Crossbar Machine." One of these huge—almost human mechanical brains—has been installed in Michigan Bell's headquarters building in Detroit. When a call is dialed into it, it automatically searches out an available circuit and rings any telephone in most of the nation's major cities in a matter of seconds.

Mercury to Pass Between Earth and Sun on Nov. 14

Stargazers will witness a rare astronomical spectacle the morning of Nov. 14, when the planet Mercury passes directly between the earth and the sun, according to Dr. Hazel M. Losh, University of Michigan associate professor of astronomy.

Such transits, when the planet appears as a tiny black dot on the sun's bright surface, occur on the average of about 13 times per century. Few of them are easily observable, however.

LIKE SOLAR ECLIPSE

Professor Losh likens the event to a solar eclipse, when the moon passes between the earth and the sun. Mercury's transit differs in

that it cannot be observed without a telescope. This is due to the planet's great distance from the earth, which does not permit it to block out much of the sun's disk.

This year's crossing will take place near the northern limb of the sun, and will continue from 10:37 a.m. to 1:12 p.m. The planet's last transit took place Nov. 11, 1940, and seven more are scheduled for the 20th century.

Professor Losh explains that "the first authentically observed transit of this planet was made by the astronomer Cassendi on Nov. 7, 1631, in Paris."

SCIENTIFIC VALUE

The astronomer points out that these transits are of scientific value, since they offer a means of determining accurately the position and motions of these planets.

Among other astronomical events will be the appearance of Jupiter around 8 p.m. in the northeastern portion of the sky.

Days will be continually shorter in November, Professor Losh points out, due to "the sun's rapid southward movement, which consequently shortens daylight hours." "By the end of the month, the day will have decreased to about nine hours and 20 minutes, with only about 15 minutes to go to the shortest day," she states.

Here are two points to remember when you buy a car! . . .

CHEVROLET PRICES

CHEVROLET VALUE

are the LOWEST is the HIGHEST

of any line in its field!

Chevrolet's thrilling "Two-Ten" 4-door sedan. With 2 great new series, Chevrolet offers the widest choice of models in its field.

See it, drive it, and you'll know that it alone brings you all these features of highest-priced cars at the lowest prices and with such outstanding gasoline economy!

You know, of course, that again in 1953 more people are buying Chevrolets than any other car.

And you also know that more people own Chevrolets today than any other make—it's ahead in total registrations by almost 2 million!

But would you like to know why this is true? Would you like to know what it means to you in terms of getting maximum motor car value? Then, come examine Chevrolet, and see for yourself.

You'll find, as so many others have found, that Chevrolet gives more fine features at lowest cost: More beauty, inside and out, with the widest choice of body-types and colors in its field.

More driving thrills, with either of Chevrolet's two great high-compression Valve-in-Head engines!

More comfort, more road-stability and more safety with this stronger, heavier, longer lasting car!

More value throughout, when you buy, while you drive, when you trade!

Come in, confirm these facts to your own satisfaction, and you, too, will choose Chevrolet!

*Optional at extra cost. Combination of Powerglide automatic transmission and 115-h.p. "Blue-Flame" engine available on "Two-Ten" and Bel Air models. Power Steering and E-Z-Eye Plate Glass available on all models.

MORE PEOPLE BUY CHEVROLETS THAN ANY OTHER CAR!

FINE ENTERTAINMENT ON THE AIR!

TOWN TALK

Don Sheets of near Ft. Wayne, Ind. spent a recent week end with his sisters, Mrs. Homer Coolman and Mrs. Russell Ault, and their families, of Shadyside Ave. On the trip to Michigan he was accompanied by his mother, Mrs. Lily Sheets, who will spend a few months visiting relatives in this vicinity.

Last Sunday Forrest Ault of Hubbard Ave. and his brother-in-law, Tom Roberts, of Monroe, visited the Roberts' summer cottage in northern Michigan.

Mr. and Mrs. John Varhol and their four daughters, Beverly, Dolores, Pauline and Barbara spent

a recent Sunday in Grand Rapids. The occasion was Mrs. Varhol's birthday.

Saturday, Oct. 31, Mr. and Mrs. William Cole of Canton, O., Mrs. Grace Martin of Massillon, O. and Mrs. Arthur Bosley of Akron, O. made calls on their cousins, the Misses Lora and Freda Ault of Norfolk Ave., Mr. and Mrs. Russell Ault of Shadyside Ave., Mr. and Mrs. Clinton Ault and Mrs. Emerson Ault of Mayfield Ave.

A small group of friends enjoyed a hymn-sing at the home of Mrs. Walter Rehahn, Mayfield Ave. Sunday, Nov. 1.

The Heckmans, who for some time made their home on West

Eight Mile Rd., have moved to Detroit.

Mrs. Russell Ault of Shadyside Ave., and her mother and daughter, Mrs. Lily Sheets and Miss Shirley Ault, visited at the Gerald Pease home in Plymouth on Monday, Nov. 2.

Mrs. Ethel Starr of Cass City is the house guest of her sister, Mrs. Ernest Tallman on Mayfield Ave.

Dale Graham of the U.S. Air Force stationed in Delaware, is visiting his parents, Mr. and Mrs. Louis Graham of Mayfield Ave. He will be home until about Nov. 15.

The William Shermans of Mayfield Ave. returned home from a vacation visit with relatives in Pennsylvania.

Mrs. Ernest Tallman; her sister, Mrs. Ethel Starr, Mrs. Gerald Roberts and the Misses Lora and Freda Ault, attended a plastic party given at the home of Mrs. Fred Sherman on Colgate Ave.

Freda Ault of Norfolk Ave. was a Monday evening dinner guest of Mrs. Charles Haas, near Redford.

Mrs. M. E. Ault, Mrs. Forrest Ault and her son, Forrest; Mrs. Edwin L. Johnson and her children, Hannah and Don, visited in Detroit Tuesday, Nov. 3.

GOODWILL PICKUP DEC. 7

Trucks from the Goodwill Industries, Detroit, were on hand to make their regular monthly collection in this area Monday and Tuesday, Nov. 2 and 3. We have a suspicion that much used clothing intended for the Industries was confiscated by the witches, elves and goblins on Halloween. All things considered, however, results of the pick up were not too bad. The trucks are due in this vicinity again Monday, Dec. 7.

Mr. and Mrs. Ernest Tallman and their granddaughter, Ina Mae, of Mayfield Ave. are spending this week end with the Tallman's youngest daughter, Mrs. Robert Laughman and her family in

Mishawaka, Ind.

While teachers were busy at their regular monthly conference Thursday afternoon school boys and girls had an opportunity to try out a fair sample of winter weather.

Mr. and Mrs. Robert Judd of Grosse Pointe called at the home of the latter's mother, Mrs. E. W. Stange, last Sunday afternoon.

The William Griffith family of Dearborn are spending the week end with the Stanges on Mayfield Ave.

Freda Ault of Norfolk Ave. was present last Friday evening at a get-together of friends enjoying a plastic demonstration in the home of Mrs. Charles Haas, near Redford.

Mrs. Grace Simpson of Mayfield Ave. spent last Wednesday evening and Thursday with her daughter, Mrs. Edward Brugman, and her family in Novi. Mrs. Brugman recently suffered a foot injury as the result of a accidental fall.

Mrs. Harold Wulf of Brentwood Ave. is quite ill with an attack of the flu.

Mrs. Robert Padot and two daughters of Monroe arrived last Friday evening to spend the week end with the former's parents, Mr. and Mrs. Joseph Roberts, of Mayfield Ave. This Saturday, another daughter of the Roberts, Mrs. Edward Kochanek, and her three children from Inkster are also arriving for a week end visit. On Sunday there will be a birthday celebration for Mrs. Roberts.

Mrs. William Dixon of Shadyside Ave. spent Friday in Detroit. Mr. and Mrs. Julius Walt of Farmington Rd. are making plans to move to Novi.

The Russell Klavis of Parker Ave. plan to move to Detroit.

BIRTHDAY PARTIES

Mrs. Howard Palmer entertained in honor of her husband's 20th birthday at their home on Shadyside Ave. Tuesday evening, Nov. 3. A large group of friends and

relatives, mostly from Detroit, were guests. The affair was a complete surprise for Mr. Palmer. He received a number of gifts. Ice cream and birthday cake was enjoyed by all.

A number of friends and relatives of this community were interested in and participated in a celebration honoring the 71st birthday of Mrs. G. Howe, held at the latter's home on Hancock Ave., Farmington, on Wednesday, Nov. 4. Mrs. Howe's sisters, Mrs. Dietle and Mrs. Reniss, were on hand. Eight nieces of the well known ladies of this area, three sisters were present.

Mrs. Ernest Tallman of Mayfield Ave. visited her brother, James Kitchen, in Mt. Carmel Hospital, Monday, Nov. 2. Mr. Kitchen was recently injured in a traffic accident and remains in a serious condition.

Mr. and Mrs. William Wiltzie are having some improvements made on their Mayfield Ave. property.

Mr. and Mrs. James Maynard and children, Sharon and Bobby, visited in Bay City last Sunday.

Mr. and Mrs. J. C. Dunaman of Farmington Rd. called in Plymouth and Northville last Friday.

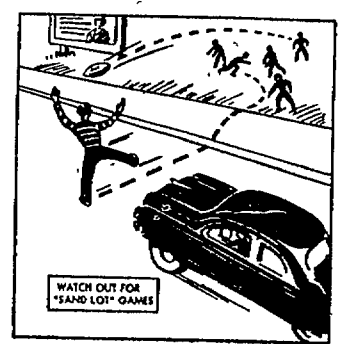

Mrs. John Mercer, formerly of Seven Mile Rd., has left California and is on her way East. She expects to arrive in this community about the 16th and will spend two weeks visiting among old friends and neighbors. Later, she will go on to New York to spend the holidays with her son-in-law and daughter, Lt. and Mrs. Guilmette.

Two Local Men Named to American Legion Committee

Two Northville men have been appointed to American Legion committees by National Commander Arthur J. Connell.

Charles Murphy of High St. has been named to the National Rehabilitation Commission Advisory Board. Appointed to the Marksmanship Committee of the American Commission is Oscar Hammond of N. Center St.

No. 1: Watch Out For Sand Lot Ball Players

Whenever you spot a vacant lot with youngsters practicing football, look out. Get your foot on your brake and prepare for an emergency stop.

The future football star who dashes into the street to retrieve that long punt or pass may be too preoccupied to worry about traffic.

If he suddenly backs in front of you it may be too late for a warning blast of your horn. Parked cars could limit your dodging. Whether you hit him or not may depend entirely on how quickly you stop.

Unless you have slowed down to under 20 you may be in real trouble. Even then you will go 22 feet while you react to the situation and slide another 30 feet before you stop.

Nichigan Association of Chiefs of Police
Michigan State Safety Commission
Automobile Club of Michigan

Chief Announces Safety Lessons

Police Chief Joe Denton today announced a series of ten safe driving lessons dealing with pedestrian safety, which will be run by the Northville Record as a public service to assist in saving the lives of local residents while they are on foot in traffic.

"All motorists and pedestrians are urged to study the illustrations to be shown in the series because they represent the most common types of difficulty which result from mixing the man on foot with the man on wheels in the traffic stream," the Chief said.

According to Denton, any motorist or pedestrian who learns these ten lessons will be much less apt to become involved in a pedestrian accident than a person who has not thought out these practical driving and walking situations.

Miller Mechanics Win Training Awards

Luvorn Insland and Jack Barry, mechanics for George Miller Sales and Service, have received special four-year service training awards from the Chrysler Corporation's Dodge Division.

The awards are based upon the study of films showing methods to be used in servicing Dodge cars. Such films are shown to mechanics in all Dodge service stations throughout the country. Insland has been with George Miller Sales and Service seven years. Barry has worked there six years.

Rotarians Honor Livonia Officials

Mayor Jesse Ziegler and George Bentley, prominent Livonia educator, have been selected as the first honorary members of the city's Rotary Club.

Mayor Ziegler and Bentley were presented honorary membership scrolls at the Rotary Club's weekly meeting by H. O. Johnson, the club's charter president.

The Rotarians honored Mayor Ziegler and Bentley for parallel accomplishments in the fields of local government and education. Both men have been elected to public office for over 30 years.

In presenting the scrolls, Johnson cited the new honorary members for "meritorious service in

the furtherance of the Rotary ideals of fellowship, service, community betterment, and high standards in business and professional life."

"Together you have given us better schools and better government. Your contributions toward making Livonia a safe, healthy and beautiful place in which to live have left a lasting mark for the youth of this community," Johnson said.

New Gas Station

John Litsenberger of W. Dunlap St., a long-time Northville resident, announces the grand opening of his Shell Gas Station on North Center St. on Nov. 13 and 14.

Litsenberger operated a service station at the same address from 1933 through 1937. In recent years, the station was operated by S. B. Stevens.

The sociology class at Northville High School toured the Northville State Hospital last Wednesday, Nov. 4. Pictured above, right to left, are Martha Nuotilla of Plymouth Rd., and Mrs. Onella Green, of the Food Service Department; Bruce Danto, psychiatric social worker, and Bob, a patient at the hospital. Danto, Mrs. Betty Matzen, admissions clerk, and Mrs. Marie Shames, beautician, served as guides for the tour.

Mrs. Matzen and Mrs. Shames are residents of Northville. On the day preceding the students tour, Miss Harriet Miller, director of occupational therapy, and Miss Jean Haring, psychiatric social work supervisor, visited the sociology class, taught by Merritt Meaker, at the high school. During the visit, the functions of hospital staff members were explained. There also was a question and answer period.

Livonia Adopts Official Tree

The City of Livonia has blossomed out with an official tree. It's the Almey Flowering Crab, a colorful shrub tree that blooms each spring with large crimson flowers.

The city council adopted the Almey as the city's official tree on the recommendation of a local garden club, the Rosedale Garden branch of the Women's National Farm and Garden Association.

A relatively new tree, the Almey reaches a height of 12 to 15 feet. Almeys are widely used as dwarf shade trees, to form screens along lot lines, and to flank walks and drives.

Livonia's Parks and Recreation Department is now cooperating with the garden club and a local nursery in a program to beautify the city with the trees.

Plans call for placing Almeys in city parks and recreation areas, around municipal buildings, and on every homeowner's lawn.

LOCAL NEWS

John Arnold Visits Friends Here

John Arnold, son of Mr. and Mrs. John Arnold, formerly of Northville, spent the week end here visiting friends. While in Northville he was the house guest of James Rambeau, son of Mr. and Mrs. L. D. Rambeau of Eight Mile Rd. John returned Sunday to his home in Etie, Pa.

Honored With Baby Shower

Mrs. Duane Heath gave a baby shower last Thursday at her home on Center St. for Mrs. Ruth Cole. The shower was attended by some 30 friends.

Child's Death Demonstrates Need for New Hospital

Sterling Eaton, chairman of the St. Mary Hospital Building Fund Campaign, today pointed to another example of the need for adequate hospital facilities in the area.

A Livonia infant, seven weeks old, Carolyn Hacko, 30642 Puritan, died last week enroute to the Wayne County General Hospital. She had suffered an attack of convulsions, which necessitated her being rushed to the nearest hospital.

"If there were a hospital within easy reach of this little girl's home, she might be living today," Mr. Eaton said. He added, "The same misfortune can strike any of us, at any time. Let's do something about it. Let's all support the St. Mary Hospital Campaign, and help solve this very critical problem."

Moved by Stubenvoll, supported by Allen, that bills be paid. Carried.

Letter was read from Ayres, Lewis, Norris & May, Engineers, as to their fees for making a survey of our water system and the revision of water rates. Comm. Stubenvoll was instructed to contact them before the next regular meeting to clarify certain points before making any agreement to have this work done.

It was agreed that signs should be erected in the islands at the entrance to the Municipal Parking Lot on E. Main St. indicating that it is a "Municipal Parking Lot" and that there is a two-hour parking limit.

Reports of the Village Treasurer, Police Dept., Health Commissioner, and Public Works Dept., also the Building Inspector, were received, and it was moved by Peters, supported by Woodworth, that these reports be accepted and placed on file. Carried.

It was moved by Peters, supported by Woodworth, that a chlorinator be purchased if possible to do so for \$300.00 or less, and that same be used at the well situated in the Village Park, under the supervision of the Wayne Co. Health Dept. Carried.

Moved by Allen, supported by Stubenvoll, that Supt. Hartner be instructed to put bumpers in the Main and Center St. parking lot and mark same off for parking. Carried.

It was decided that no meters would be installed until a check is made of how much those installed in the E. Main St. parking lot are used.

No further business appearing, meeting was adjourned. (Signed) Mary Alexander, Clerk

Two Recreation Classes Still Open

Adult classes in leathercraft and oil painting are still open to anyone interested in enrolling. Wilson Funk, recreation director, reminded this week.

The class in leather tooling meets at 7 p.m. each Tuesday at the Recreation Scout Building while the leather carving class convenes at 8:30 on the same night.

The oil painting class is offered at the Marion Sober Studio on Sheldon Rd. Anyone interested should phone for an appointment. Funk said that after Christmas, classes in dog training, typing, speech, wood-working and square dancing for teen-agers will be offered.

The enrollment deadline is next Tuesday for a class in antique-refinishing, which meets at 7 p.m. that evening in the high school shop. Willard Renard is the instructor.

What Mike's small loan did for you

Plenty, even though you've never heard of Mike. It put money in your pocket, as well as his!

In taking out his small loan, Mike did his bit to confirm the American principle of healthy consumer credit...the lending of moderate sums to individuals for the things they need. He used his money for manufactured goods, clothing, and to keep himself and his family in good health. Add his loan to the millions made by other average folks and the total's tremendous.

And that's important to you... plenty. Dollars in circulation help maintain prosperous business, high living standards, a flourishing economy for everybody.

General Public Loan has served thousands of people like Mike in the Greater-Detroit area in the past seventeen years. And now there's a new General Public Loan office in Livonia.

At any of the twelve General Public Loan offices in this area up to \$500 can be obtained for clothing, fuel, home or auto repairs, or any worthy purpose. Most loans are made in one day on the borrower's name only or other plans.

V.F.W. Post Asked to Join Battle Against Bingo Ban

V.F.W. posts in the state, including the one in Northville, have been asked to cooperate in organized drives in their communities in an effort to legalize charitable bingo.

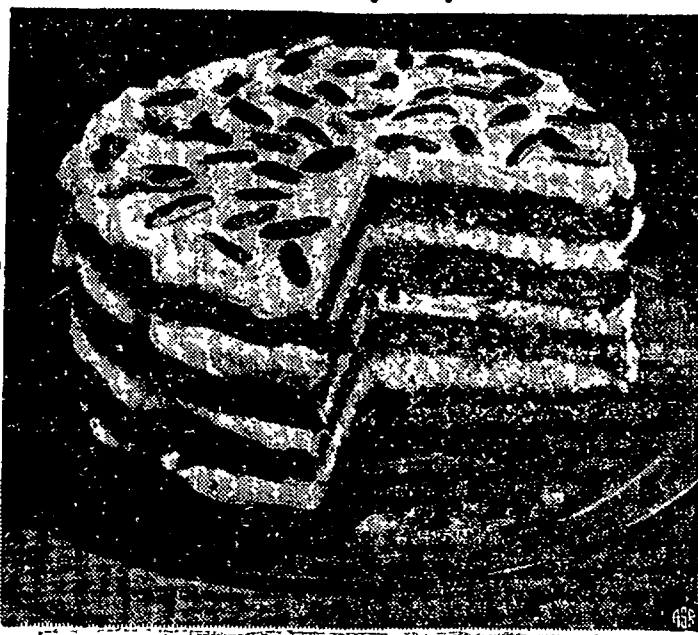

State Commander Joseph H. Rittenheim, of Saginaw, is urging all posts to cooperate on a local level with agencies which have started organized moves to legalize bingo or to take the initiative in the event communities have not already started action.

Rittenheim said he was throwing the entire strength of the more than 450 V.F.W. posts and 350 ladies auxiliaries behind the move which he said, should lead eventually to a favorable "ballot show-down."

POINTS OUT BENEFITS

"I don't believe that many persons would argue the benefits derived from proceeds of bingo as conducted by charitable and patriotic organizations," Rittenheim said. "I know that our own organization has given thousands for community services through monies derived from holding bingo games. I know the same situation prevails for many other organizations who conducted games for worthwhile and charitable causes."

Spice Party Layers

Giving a new twist to her newest creation, Ann Pillsbury has given the old flavored spice cake a modern glamor role. Here's how she helps you prepare easily this tasty, different looking, party cake.

Bake Spice Cake Mix as directed on package in two 8 or 9-inch layers. Cool. Whip 2 cups (1 pint) whipping cream with rotary beater until stiff. Blend in 1/4 cup sugar and 2 teaspoons vanilla with a few additional turns of the beater. Divide each cooled cake layer into two layers, making four layers in all. Do this by placing heavy sewing thread halfway up side of cake layer. Gently pull thread back and forth in sawing motion to cut through cake.

Spread top of each layer with one-fourth of the whipped cream. Then stack layers and decorate top with slivered pecans or other nuts if desired.

Nurses Needed at VA Hospital

Twenty registered nurses are urgently needed at Dearborn Veterans Administration Hospital, Dr. Thomas P. Crane, manager, announced today.

Because of the acute shortage of nurses everywhere, Dr. Crane said that VA is now offering a new type of appointment to nurses over the age of 40, provided they are in good health and can meet the professional requirements. Previous age limit for first appointment was 40.

Beginning salary is \$3,740.00 a year. Salaries of higher grade nurses range up to \$5,610.00 a year. This is an excellent opportunity for nurses to serve in a hospital maintaining the highest professional standards.

Qualified nurses are invited to call or write the Personnel Officer, Veterans Administration Hospital, Dearborn, Mich., for full information.

Michigan produced 52 per cent Staaf veneer logs removed from Lakes States woodlands during 1952.

But the Lakes States, including Minnesota and Wisconsin, collectively produced only 78 million board feet of the logs during the year.

It's *WHERE* you buy a used car that counts!

When you can trust the dealer
who sold you a used car, you
can trust the car.

The next question, then, is: Who can you trust most?

We Ford Dealers are established business men with large investments at stake. Our business reputation depends on every business transaction—whether it is a new car sale, a used car sale or a service operation.

We want your used car business, and some day we hope to sell you a new car or another used car. And we want your service business, too!

"But," you say, "granted that you Ford Dealers have

reputations to uphold, granted that your mechanics and service facilities make it easier to put your used cars in good shape—how do you compare in price?"

Let us give you some facts and the answer will be obvious. Ford Dealers handle used cars and trucks as a service to customers who trade them for new cars. When we get overloaded with trade-ins, our capital is tied up. Like everyone else, we have to pay our bills. So we must always offer used cars at rock-bottom prices to keep things moving.

We don't have to make much of a profit on used cars, but we do have to keep moving them out to make room for more trade-ins on '53 Fords.

These are the plain facts... and when you see the wide selection of fine makes and models we are taking in trade, you're bound to agree that the best place to buy a used car and truck is at your Ford Dealer's.

You can trust your **FORD DEALER'S**

Fine Arts Expert to Speak Nov. 18

Dr. Edgar P. Richardson, director of the Detroit Institute of Arts and noted authority on fine arts, will be the second speaker in the Michigan Antiques Lecture series at the Henry Ford Museum on Wednesday, Nov. 18 at 8:30 p.m. His topic will "The American Spirit in Painting".

Dr. Richardson will discuss what makes paintings American in character and what differentiates them from European works. For those interested in interior decoration, he will cover the availability of American paintings within the price range of the average budget.

Dr. Richardson has been with the Detroit Institute of Arts since 1930. He became assistant director in 1934 and director in 1945. He is an editor of "Art Quarterly" and is the author of three books on American art.

Dr. Richardson will illustrate his talk with colored slides. Tickets for individual lectures in the Michigan Antiques series are \$1.50 and season tickets for the remaining four programs are \$4.00.

Parking Lot

Continued from Front Page

The Harold Bloom Insurance Agency, Schrader's Furniture Store, Northville Men's Store, Johnson's Gift Shop, Northville Record and Northville Driving Club.

Outsider Compliments Merchants
Barton, in pledging his financial support, complimented the Merchants Association for its foresightedness in seeking to buy property for parking while it is still cheap. "This," he said, "may forestall eventual development of a large shopping center between Northville and Plymouth, which would be 'ruinous' to existing business property in both places."

In describing progress to date in soliciting funds, Schrader explained that the Merchants Association anticipates that A & P and Kroger will make the largest individual contributions toward the \$16,000 fund because they do the largest business in Northville. It plans to approach them, however, only after local merchants and property owners have given concrete evidence of their intention to make the project a success by definitely pledging to stand a major share of its cost.

Investment in Future

"We know that the A & P and Kroger managements are well aware of the need for better parking here, not only to meet present needs but to provide for the future as well," Schrader said. "We also feel that they, like our strictly local merchants, will regard their support as an investment which will return them an excellent financial return if it makes shopping in Northville easier for their customers. In no sense is a pledge of financial support toward better parking a 'contribution.' Instead, it is one of the soundest investments any business man can make."

Funds being raised by the Merchants Association are to be turned over to the Village for use in acquiring by purchase through condemnation or otherwise the vacant property behind stores on the north side of Main St. and the old Des Autels property on Dunlap St., which is now owned by the Northville Record. In return for this financial assistance, the Village is to agree to black-top the area and construct an alley entrance from Dunlap St. through the Record lot.

Do your Christmas shopping at Stone's Gamble Store. Use our convenient Lay-Away Plan. 24

"Harvest of Gold"

(Continued from Page 1)

Bruce Turnbull of Northville Electric said he was "very much impressed" with the results.

"The shopper drew many new people from out of town who had never been in the store before," he said. "Our business last Saturday was far above average."

Mrs. Glenn L. Long, wife of the owner of Glenn Long Plumbing and Heating, said "we had a very good turnout at our grand opening and were pleased with the results of the shopper. We noticed particularly that the opening was attended by people from Farmington, Livonia and Plymouth... as well as Northville."

George Clark, owner of Clark's Serv-It Hardware, said his business was "very good" as a result of the shopper.

"I hope we have another one early in December," he said. The merchants weren't the only

winners as a result of the "Harvest of Gold".

DOOR PRIZES

Three lucky visitors at Glenn Long's and the same number of Stone's Gamble Store walked away with expensive door prizes.

L. W. Steeper of Marilyn Rd. won first prize at Long's — a garbage disposer. Second prize of a Westinghouse roaster went to John Lee of Northville Rd. George Chaundy of Livonia won third prize of a Westinghouse cook 'n' fryer.

First prize winner at the Gamble Store was F. M. Emery of Cambridge Drive, who won \$25 in trade.

Mrs. Ann Aenchbacher of Peanut's Place won second prize, an electric clock radio. Third prize of \$10 in trade went to Mrs. D. Schuler of W. Seven Mile Rd.

The prize was particularly welcome to Mrs. Aenchbacher. The Aenchbachers lost all their belongings in a fire several weeks ago.

School System

(Continued from Front Page)

pation in school affairs is satisfactory at the present time?

A. It is good in most areas. Overall participation is satisfactory. Most Northville parents are interested and have supported every school project that has been placed before them.

Mr. and Mrs. George B. Peck are visiting at the home of Dr. and Mrs. S. F. Campbell for a week. Mr. Peck has just finished a period of military service in Korea, and is celebrating his return with visits to relatives in various parts of the country. Mr. Peck is a nephew of the Campbells.

Michigan will play host to the tri-state fisheries meeting next year, with delegates expected from Minnesota and Wisconsin.

Planning Commission Reports on Detroit-Area Building

A total of 14 home building permits were issued in Northville Township during the third quarter of 1953 while none were issued in Northville proper, the Detroit Metropolitan area regional planning commission reports.

During the first nine months of this year, a total of 30 permits have been issued in the township while 11 new residential buildings have been authorized in the Village proper, a commission study indicated.

Residential building permits issued in the Detroit Region during the third quarter of 1953 totalled 8,326, slightly less than during the corresponding period of 1952 when 8,399 were issued, according to the report issued.

"But the high level of building during the first two quarters of 1953," said T. Ledyard Blakeman, executive director of the commission, "shot the nine-months record to 26,797 new dwelling units, more than 5,000 above the 1952 total of 21,517 for the similar period. On Oct. 1, the number of new homes in the Region was 24.5% ahead of last year."

"In the city of Detroit, building permits were issued for 4,655 new dwelling units," continued Blakeman. "It is important to note that 2,138 of 46.7% of these were for public housing in the Jeffries and Douglass home projects. For every new home permit issued in the City of Detroit during the first three quarters of this year, five were issued in the rest of the Region, covering Oakland, Macomb and Wayne Counties and the four eastern townships of Washington County. We anticipate that

the 12-month total for the Region in 1953 will still be several thousand above the 1952 total, with the fourth quarter probably falling below that of 1952."

Residential building permits issued by the communities outside the city of Detroit in Wayne County totalled 9,791 for the first nine months of 1953. This was 19% more than the 8,221 permits issued during the similar period of 1952.

Redford Township's 1,759 was the highest number in the out-county area. Livonia came second with 1,146, while the city of Dearborn was third with 893.

Services Held for Samuel W. Morrison

Services were held yesterday afternoon from the Casterline Funeral Home for Samuel W. Morrison, who died Sunday, Nov. 8 at Veterans' Hospital in Dearborn. Rev. Douglas Couch conducted the service and burial took place at Thayer Cemetery in Salem.

Mr. Morrison was born in Washington, Penn., the son of the late William and Mary Morrison. Employed for 20 years at the Detroit Athletic Club, he lived in Salem since 1945.

Kindergarten Program Attracts 65 Parents

Approximately 65 mothers and fathers of kindergarten children attended a "get-acquainted" program at the Elementary School lunchroom last Wednesday, Nov. 4. After a greeting by Superintendent of Schools Russell Amerman and Elementary School Principal C. T. Pregitzer, the parents

were introduced to the three kindergarten teachers, Mrs. Ann Chizmar, Miss Grace Pollock and Mrs. Joyce Schipper, who planned the program.

KINDERGARTEN AIMS
Mrs. Chizmar acquainted parents with the general aims of the kindergarten program. She stressed that one of the major goals of the pre-school program is to give each child a feeling of security.
Mrs. Alta Moore visiting teacher, gave a short talk on the emotional development of children and its relation to learning. This theme was further developed in a film "Preface to a Life."

DISCUSSION GROUPS
The parents then gathered in small discussion groups which formulated questions that were brought before the entire group for discussion.
Most of the questions dealt with the emotional adjustment of kindergarten children.

A questionnaire filled out by the parents indicated that they were in favor of more meetings of this type.
A social hour, arranged by the Room Mothers, followed the program.

Mrs. Joseph Page was chairman of the social committee. She was assisted by Mrs. Kenneth Conley, Mrs. William Walker, Mrs. R. E. Parmenter, Mrs. W. Fossen, Mrs. Carl Clendenig, Mrs. Donald Secord, Mrs. J. Gibson, Mrs. W. Crump, Mrs. R. M. Atchison, Mrs. J. Mc Neiece, and Mrs. C. Logeman.

Organization Notes:

When and Where A List of Meeting Times and Places

PAST MATRONS MEET
The Past Matrons Club will meet with Mrs. Horace Boyden, 230 First St., Wednesday, Nov. 18 for a 12:30 dessert luncheon. Mrs. Ed Seitz will serve as co-hostess.

TCP, a Shell discovered additive, now blended into Shell Premium Gasoline, stops the greatest cause of power loss. Acts so rapidly engine power is increased up to 15% after using two tankfuls. Continued use of Shell Premium retains this gain.

NORTHVILLE'S NORTH-SIDE OUTLET for

The Greatest Gasoline Development in 31 Years

CENTER STREET SHELL
340 N. Center Phone 635

FAVORS FOR BOTH ADULTS AND CHILDREN

A new day in fuel for the American motorist is here—a day which, for the first time, allows him to get the full power built into his engine. The biggest cause of both fuel and power waste affecting the majority of cars on the road today has been overcome.

Prior to Shell's discovery of TCP additive, the natural by-products of fuel combustion accumulating on spark plugs and in combustion chambers caused spark plugs to misfire and the fuel-mixture to pre-ignite—especially when accelerating, hill climbing or touring on the open highway.

To overcome this condition, Shell research discovered and developed an additive, TCP. Blended into Shell Premium Gasoline, TCP additive prevents these deposits from causing misfiring of the spark plugs and, at the same time, controls pre-ignition. For the average motorist, this means a power boost

*Patent applied for

of up to 15%, an increase in spark plug life of up to 150% plus an increase in miles per gallon!

Shell Premium Gasoline with TCP is the most significant motor fuel advance since the introduction of tetraethyl lead in 1922.

New and old engines benefit

If you have a new car, particularly one with a high-compression engine, Shell Premium with TCP additive is essential if you want it to keep on delivering its original power for the normal life of the spark plugs. But high-compression or not, Shell Premium with TCP keeps your engine working like new.

Owners of older cars also benefit. Even if your car has gone 30,000 miles or more, your engine can get back much of its original power by the use of Shell Premium with TCP.

Shell Premium with TCP acts fast

So rapidly does Shell Premium with TCP additive act that by the time you've finished the second tankful you'll feel your engine's had a tune-up.

Available only at your Shell Dealer's

TCP is Shell's trademark for the remarkable additive originally developed by Shell Research for aviation fuels. Until now it has been largely restricted to military aircraft.

Now at all Shell Dealer Stations.

Northville Strikes Early To Down Brighton, 20 to 6

Bob Burgess was the man of the hour, both offensively and defensively, last Friday night as Northville beat Brighton, 20-6. Above, Burgess dives into the end zone for the first Northville touchdown. Minutes later, he blocked a Brighton punt to set up the second Northville score. Center, three Brighton defenders are ready to pounce on Northville quarterback Gene Robiske after he reels off a short gain. In the photo at right, Bob Scheffer of Northville strains for that extra step as Brighton's Jim Meeks gains on him.

Mustangs Score Twice Early in First Quarter

The Brighton High School Bulldogs must have wondered what hit them in the first quarter of their game with Northville last Friday night. They'd hardly received the opening kickoff before Northville had two touchdowns. The Mustangs could hardly have scored quicker if they'd taken the kickoff themselves. On the game's second play from scrimmage after a Brighton passer wafted the ball into the arms of Northville guard Paul Hamlin, who was downed on the home team's 40.

BURGESS SCORES

The Mustangs drove straight down the field for a touchdown, Bob Burgess scoring from the two. Karl Hofmann's kick was no good and Northville had a 6-0 lead with less than five minutes gone.

The Bulldogs then tried again. They received the kickoff, tried in vain to advance and on fourth down went into punt formation.

PUNT BLOCKED

But Burgess burst through, blocked the punt on the Brighton 18 and it was again Northville's ball.

Despite a penalty, the Mustangs wasted no time in racking up their second counter. Arland Lovett scored after five running plays and Karl Hofmann converted, making it 13-0 Northville.

Northville simmered down at that point, managing only one more touchdown—a 30 yard pass from Bob Scheffer to Ed Nash—and an extra point by Hofmann to give them a 20-6 victory.

The Bulldogs scored in the final

minutes of the closing quarter on a short sweep by right half Leon Sipes.

Burgess was Northville's star for the evening. He played a superlative game at his defensive

Deer Checking Station Locations

The conservation department is again this year calling on hunters to help in the Michigan deer management program. Checking stations will be located at Brohman, Howard City, Remus, Shepherd, Sanford and Standish during the first three days of the November 15-30 deer season and again during the special season on December 1. Sub-stations also will be located at Gaylord, Traverse City, Mio, Baldwin and Gladwin during those days to check deer for age, physical condition and sex. Hunters are asked to voluntarily stop at any of these stations to give department biologists chance to gather the necessary information.

MSC-Michigan Game on TV This Saturday

America's television audience will watch a neighborhood grid Saturday afternoon (Nov. 14) when the University of Michigan State College meet at Mackinac Island in the TV Football Game of the Week.

The game, which will be seen over the nationwide NBC television network starting at 1:30 p.m. (EST), will pit two of the country's top college teams against each other in a game that will have much to do with the Big Ten conference standings as well as the national football ratings.

The matter of neighborhood supremacy, too, is important to these two schools, located some 60 miles apart. So, with state, conference, and national prestige riding on the outcome, Saturday's Michigan-Michigan State game truly is the Game of the Week.

Millions of television fans will join the sellout stadium crowd in watching the contest to make Saturday's TV Game of the Week the most looked at college football game ever played.

Try The Want Ads

Northville Teams Eligible for Plymouth Basketball League

A men's basketball league, open to teams from Northville, is forming in Plymouth.

Deadline for team entries is Nov. 30 and the first scheduled games will be played Tuesday, Dec. 8 and Thursday, Dec. 10.

Entry fees for Plymouth Township teams will be \$50 while outside teams, including those from Northville, will pay \$85.

Each team will have a maximum of 12 players.

Anyone interested in playing in the league is urged to contact the Plymouth Recreation Department, phone 895; Henry Hees, Plymouth 775-J, or Don Dennison, Ypsilanti 2640.

Plymouth Swimming Program Under Way

The Plymouth Recreation Department this week invited Northville residents to take advantage of a swimming program offered at the Plymouth High School pool.

Wednesday from 7:30 to 9 is father and son night while Thursday is adult night. Saturday is teen-age night. The 7:30-9 hours apply in all cases.

Plymouth Recreation Director Herb Woolweaver said if more interest is not shown in the adult program, the pool will be made available on Thursday nights to mothers and daughters.

Senator Ferguson Speaks

In addressing the local high school on the subject of the United Nations, the Senator from Michigan said one of the contributing factors for the lack of success in the United Nations assembly was lackadaisical attitude of the American representatives who spend much of their time in the halls laughing and drinking cokes. Meanwhile, the Russians with dead earnestness are taking over. What a rebuke to American politics in view of the grave crisis that confronts the nations. I once read this—"America is laughing itself to death". Much of our radio and TV time is taken up by comedians who make us laugh. A good joke is always welcome. Now, I'm not against humor in its place, but when we must face the cold facts of life and death, it calls for seriousness not humor. The same could be said for our religious responsibilities. One aged preacher remarked, "We have too many jokes in the pulpit and not enough tears." It is regrettable that many churches would rather have a good Master of Ceremonies as a preacher than a great expositor of the Word of God. The seriousness of life, death, judgment, heaven and hell should warrant the sober consideration of every sane minded person. It's high time for sober thinking.

DEER STATIONS —

Again this year, the conservation department will operate deer checking stations during parts of the hunting season to gather information about Michigan's deer herd.

Last year, the department set up 27 of the stations during deer season. Biologists were placed at each. When successful hunters volunteered to stop, game men checked the age, physical condition and sex of their deer.

But hunter response to the checking stations was so heavy last year that game division workers are going to streamline the operation this fall and concentrate their efforts in fewer places.

This year, seven major stations will operate as last year, but instead of 19 sub-stations, only five will be used. These will be at Gaylord, Traverse City, Mio, Baldwin and Gladwin district headquarters buildings. The seven major stations will be located at Brohman, Sanford, Remus, Shepherd, Standish and St. Ignace. Each of these points was chosen because of its location on an important north-south highway.

The stations will be in operation on Nov. 15, 16 and 17 to service the heavy traffic of the first three days of deer season and again on Dec. 1 and 2 to handle traffic of the special Dec. 1 "any deer" season in the northern lower peninsula.

Information gathered at these checking stations has helped the department learn more about the state's deer herd. Last year, the animals checked showed some general improvement from 1951; they were bigger and heavier and had better antlers than the 1951 crop.

DEER KILL PROPHECY

The Michigan Conservation Department's latest predictions on total deer kill for 1953 tell us not to expect a harvest of more than 80,000 animals, including those killed during the one-day "any deer" season on December 1st. This is just about half the total taken last year.

There are many folks who live in the north central counties of our lower peninsula who don't believe that figure will top 50,000 and these same skeptics have told this writer that the buck kill won't be more than 30,000, which is quite a drop from the 100,000 estimated kill just a few years ago.

Follows Department's Formula
Far from dismayed at the current smaller size of our deer herd, game men feel that the population is now being fitted to the amount of available food in their range, and that the future health of our Michigan deer will be greatly improved. They look for more multiple births in coming years, plus a normal rate of growth which will produce bigger bucks. Winter starvation has stunted thousands of animals in the past.

Low Kill Expected in One-Day Season
Last year about 110,000 deer were killed in the 3-day any-deer season.

These "extra" days included a week-end bringing out a huge army of hunters. This year several factors will work against any such kill. First, of course, there won't be as many deer. Next there will be less territory open for hunting (lower peninsula only, above M-55, as against area above M-20

NEWS NOTES FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX
Phone Northville 245-J

Last Sunday, Mr. and Mrs. Ted Remain and daughter, Tudy, Mr. and Mrs. Clyde Johnston and Mrs. Belle Walter were the dinner guests of Mrs. Edith McDermott at Livonia.

Mrs. Andrew McCollum of West Eleven Mile Rd. is on the sick list. Dinner guests at the home of Mr. and Mrs. Al Pritchard Sunday were Mr. and Mrs. Thomas Pritchard and children and the latter's mother, Mrs. Bennett, of Grosse Pointe.

Mrs. Al Pritchard entertained the Sunshine Club of Novi at her home on Novi Rd. Wednesday at a Thanksgiving party. After a bountiful dinner, entertainment was in order. The club has \$25 to turn in on its latest project.

Mrs. Gerald Trotter and son, Jimmy, returned recently from a week's visit with her mother in Washington, D.C.

PROUD PARENTS

Mr. and Mrs. Ted Remain are the parents of a son, David Allyn, born at Sessions Hospital in Northville Monday, Nov. 9. David weighed eight pounds, three ounces at birth.

Mrs. L. C. Rix entertained sev-

eral ladies Tuesday. After luncheon they spent the afternoon playing Samba. The guests were Mrs. Walker Holden, Mrs. Vernon Gilmore, Mrs. George Schwarz and Mrs. Florence Pottinger, all of Detroit, and Mrs. Russell Race, Sr. of Twelve Mile Rd.

TORCH DRIVE REPORT

The following names have been added to the list of workers on the Torch Drive: Mrs. Ira Cheeseman, Mrs. W. A. Doan, Mr. and Mrs. Edwin Hill, Mrs. Grace Metloss, Frank DeKay, Van Kemper and Frank Clark. Over half the quota is now collected. Still to be turned in is money from the Kozak factory on Thirteen Mile Rd., Holcomb Tool and Die Co. and Novi Equipment Co. Another list of names will follow.

METHODIST CHURCH NEWS

The W.S.C.S. of the Novi Methodist Church will meet at the church for a pot-luck dinner and monthly business meeting next Wednesday, Nov. 18. Come prepared to sew on cancer pads. White material for the cancer pads is urgently needed. Hostesses for the day will be Mrs. Schefter and Mrs. Gillette.

The Methodist ladies had a very successful bazaar and luncheon at the Community Hall Wednesday. They cleared \$320. Mrs. Frank Watz, vice-president of the W.S.C.S., was the general chairman and she wishes to thank all those who contributed to the success of the bazaar. Mrs. Leo Harwood had charge of the kitchen and dining room and all the ladies were present to lend a helping hand.

Mrs. Rex LaPlante had surprise callers Sunday afternoon. They were old friends, Mr. and Mrs. Knox of Salisbury, N.C.

NOVI SCHOOL NEWS

The school children who sold

magazines received their prizes last week. They will also have a free movie in the near future.

Five new pupils have enrolled in the Novi School this week, making the total enrollment 286. Larry Myers is the new pupil enrolled in the fifth grade. The fudge sale took place as usual this week with the fifth grade children, Robert Smith, Billy Trotter, Walter Doan and Donald Coleman supplying the candy.

Mr. Griffith, president of the Novi Teachers Club, represented the club at Pontiac Friday, where plans are being made for the spring seminar.

The fourth grade Penny Club had a bake sale Friday and made \$5.40 profit.

NOVI BAPTIST CHURCH

The ladies of the Novi Baptist Church Mission Band will meet on Thursday this week with Mrs. Mary Flint on Twelve Mile Rd. with a pot-luck dinner at noon.

A new Junior Guild has been organized at the Baptist Church for girls from 10 to 13 years of age. Mrs. Russell is the leader.

The date for the Christmas program has been set for Dec. 18. Rev. Grace Morse is making plans for a Christmas pageant.

NOVI BLUE STAR MOTHERS

Mrs. John Klesner was hostess Monday evening to the Novi Chapter of the Blue Star Mothers. There were 15 present. Plans for the annual bazaar and luncheon to be held Wednesday, Dec. 9 at the Community Building were completed at this meeting.

Mrs. Mabel Blake, new member, was initiated.

The following mothers were appointed to take charge of the bazaar and luncheon: Mrs. Russell Race, chairman; Mrs. Joseph Gardella, co-chairman; kitchen committee, Mrs. Fred Mandell, Mrs. Gertrude Lee, Mrs. George Fisher, Mrs. Ethel Smith and Mrs. Stephen Stephens. Mrs. John Klesner has charge of the dining room assisted by Mrs. Walt Tuck, Mrs. Rex LaPlante and Mrs. R. E. Ward. Working at the booths will be Mrs. Russell Race and Mrs. Frank Pennell; baked goods, Mrs. Mabel Blake and Mrs. Clyde Johnston; Afghan and ceramic doll tickets, Mrs. Luther Rix; fish pond, Mrs. Royal Lamontague; aprons, Mrs. J. P. Burton and luncheon tickets, Mrs. A. McCollum.

The Novi Chapter has sent 20 fruit cakes to overseas servicemen and is sending around 30 gifts of money to servicemen in the states. Please send addresses of Novi Township servicemen to Mrs. R. E. Ward, telephone 693-J2. Mrs. Gertrude Lee, MA. 4-1246 or any other Blue Star Mother of the Novi chapter.

NOVI GIRL SCOUT NEWS

The Novi Intermediate Girl Scouts and Brownies of Novi went to Franklin, Mich. Saturday, Nov. 7 to a Girl Scout bazaar and county fair and to visit the Franklin Cider Mill for doughnuts and cider. Mrs. Edelmann, leader and Mrs. Ritter, co-leader, took charge of Brownie Troop No. 2. Mrs. Harwood, leader and Mrs. Ely and Mrs. Jackson, Co-leader, took care of the Intermediate troop. Transportation was furnished by leaders and co-leaders. Mrs. Klesner also assisted with the girls.

Brownie Troop No. 12 held regular meeting at Novi School on Nov. 4. Treats were furnished by Donna Lien and Shirley Coleman.

The Girl Scouts of Novi are making many articles to be sold at their annual bazaar Dec. 5 at the Novi Community Building. They have a wide variety of articles that will make lovely Christmas gifts.

Shirley Snow will be the guest of the Northville Senior Girl Scouts Nov. 12 at the home of Mrs. Alex Lawrence on Meadowbrook Rd. to tell of her experiences at International Encampment for Senior Girl Scouts at Cody, Wyo. Shirley also spoke of her trip at the home of Mrs. J. Blackburn Nov. 4.

Brownie Troop No. 3 held their regular meeting Nov. 4 at Novi School. The following officers were elected: Diane McCollum, president; June Leiby, secretary, and Diane Ely, treasurer. The Scouts wish to give special thanks to Mrs. Trout for the use of her first grade room each Wednesday. Treats were furnished by Dianna Harwood and Christine Larson.

Novi Lodge News

Novi Rebekah Lodge will meet in regular session Thursday evening, Nov. 12.

Several members of Novi Rebekah Lodge are planning to attend the annual district convention at Pontiac Friday, Nov. 13. The Novi Lodge will provide the entertainment, which will be a humorous square dance in costume.

The Novi Degree team has accepted an invitation to conduct initiation ceremonies for the Plymouth Rebekah Lodge at Plymouth Friday night, Nov. 13.

Brother M. J. Moeren continues to be a patient at Sessions Hospital, Northville, and his condition remains about the same.

Traffic Deaths Continue High in September

There were 181 persons killed in traffic accidents in Michigan during September, or one more than in the same month last year, State Police report. The average for September during the seven-year period of 1946 to 1952.

The State Police monthly statistical report also shows 5,073 persons injured and a total of 14,844 accidents, as compared to 4,257 injuries and 12,404 accidents in the same month a year ago. The increase in deaths was one per cent, injuries 18 per cent and accidents 20 per cent.

Particularly alarming was an increase of 45 per cent in run-off-roadway accident in rural areas resulting in a 115 per cent increase in deaths and a 44 per cent increase in injuries as compared with September last year.

The record for the first nine months of this year shows 1,355 persons killed, 41,879 injured and 131,627 accidents. This is an increase of nine per cent in deaths over the first nine months of 1952, a 20 per cent gain in injuries and a 14 per cent increase in accidents.

Estimated mileage for the first eight months of this year, the latest figures available, is 17.5 billion, or 10 per cent higher than the 16 billion in the same period last year. Despite the increases in total deaths, however, the death rate of 6.7 per 100 million miles of travel was still up less than 2 per cent.

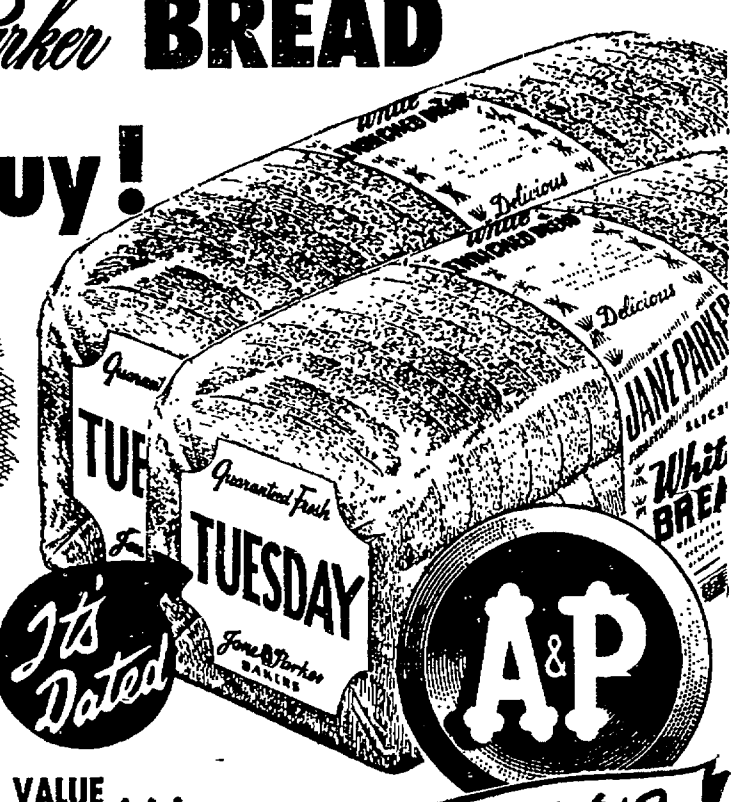

CARD OF THANKS
I wish to thank our friends and neighbors for their many kindnesses during and after the fire. Willis and Edna Miller

Mizpah Circle Aids St. Mary's Fund

At the last meeting of the Mizpah Circle of the King's Daughters, the members subscribed to the memorial fund for the new St. Mary's Hospital. Their donation will be used toward a nurses station on the second floor.
"This subscription will be over and above the local program of the Mizpah Circle, and will be raised by personal pledges and special projects," stated Mrs. Donald Severance, club leader.
Mrs. Elden Biery, treasurer of the Mizpah Circle, was elected vice-president of the Wayne County Chapter of the King's Daughters and Sons at the county convention held in Detroit recently.

ARNOLD H. EXO

Christian Scientist to Speak Nov. 20

How to apply Bible teachings to problems of the individual and the home, will be the topic of a free public lecture on Christian Science, to be delivered in Detroit Friday evening, Nov. 20, by Arnold H. Exo, of Chicago, it was announced today.
A member of The Christian Science Board of Lectureship, Exo will speak under the auspices of Eighth Church of Christ Scientist, in the church auditorium located at Grand River Avenue and Evergreen Rd., at 8 p.m. His subject will be "How Christian Science Blesses the Individual."

Thursday, Nov. 19 for a pot luck dinner at noon. Election of officers and plans will be made for the Christmas party. We will also finish the cancer pads.

and the Family".
Exo is currently on a nationwide tour. A native of Iowa, he had a successful career in the sales and advertising field prior to leaving the business world to devote his full time to the practice of Christian Science. He has been active in the denomination since 1928 and served as a Christian Science War-time Minister during World War II. He has been an authorized teacher of Christian Science since 1949.

lowest-priced V-8 in America! And the only V-8 in the low-price field. Ford's high-compression V-8 power plant delivers its "Go" on regular gas!

Most Modern Six of all is Ford's high-compression, low-friction Mileage Maker. With Overdrive, it was the winner in 1953 Mobilgas Economy Run.

Smoother Ride, with front and rear shock reduced up to 80%, is another Ford big-car feature... and you get it without gas-eating extra weight.

Fine-Car Build means using steel of the same quality and thickness as in costliest cars. Ford is the most completely insulated car in its field.

Automatic Drive is the only "automatic" in its field with the "Go" of an automatic intermediate gear plus the smoothness of a torque converter.

Finest Power Steering—that's Ford Master-Guide. Does up to 75% of the steering work yet retains normal steering "feel" on the straightaways.

Pictured are the Spiritual Jubilee Singers of Chicago, who will present a concert of Negro Spirituals during four nights of Evangelistic meetings at the Northville Baptist Church. The world-renowned singing group will present their first concert tonight (Thursday) at 7:30 and will sing nightly through Sunday evening. Pastor Peter Nieuwkoop will preach on each evening. The public is cordially invited to attend these four programs. The Jubilee Singers also will present a concert Friday morning at Northville High School.

New Chairman Named to Spark Drive for Walled Lake Clinic

Charles Riffenberg has been named to succeed Ray Munde as chairman of the temporary committee for the Dr. O. R. MacKenzie Memorial Clinic, planned in honor of the well-known Walled Lake physician killed recently in an automobile accident.

Munde submitted his resignation because he felt that as an attorney he could serve more effectively in an advisory capacity.

GROUP MEETS

At a recent meeting held at St. Matthew's Lutheran Church, it was decided to proceed with the formation of a permanent organization to guide the project. The incorporation committee, headed by Ralph Buffmyer, was instructed to draft the necessary articles of incorporation and by-laws and present them to the group this Friday, Nov. 6 at 8 p.m. at the Walled Lake Baptist Church. Other members of the incorporation committee are: Clifford Smart, Elmer Conrad, Ollie Sertel and Dan McVety.

TENTATIVE PLAN

Dr. Harry Munson, Dr. MacKenzie's successor in Walled Lake, reported on his discussions with an architect in regard to the number and size of the various rooms needed in the proposed clinic. Included in the tentative plans are a waiting room, eight examining rooms (including an emergency room), three offices, a laboratory room, therapy room, two lavatories, one bathroom for physical therapy, and storage rooms. In view of this report, the committee established the tentative building goal at \$60,000.

Dr. Munson also emphasized the advantages of a clinic for the general Walled Lake area. First

of all, he pointed out that it would encourage more doctors to practice in the area. This would insure more adequate care because a doctor would then be available for emergencies at any time. The emergency room in the clinic would also permit quicker treatment. Furthermore, X-ray equipment would eliminate the need of sending suspected fracture cases to the hospital and then waiting several days for the X-ray reports. Finally, the doctor mentioned that a clinic with more medical help would permit the establishing of a well-baby and sick-baby clinic to provide free child care on a certain day of the week.

A campaign committee was named at the Friday evening meeting to direct the fund drive necessary for the erection of the clinic. Tony Bloch, Margaret Dennis and Charles Riffenberg are the members of this new committee.

First Unit of Shopping Center to Open Dec. 3

Plans were announced this week for the opening of the first unit of Shelden Center, a shopping area under construction at the present time on Plymouth Rd. at the intersection of Farmington Rd. in Livonia. The center will open Dec. 3, 1953.

Two supermarkets, a department store, a five-and-ten, a drug store and eight smaller shops comprise the first unit of Shelden Center. The one-story structure is 561 feet long and 140 feet deep, containing a total of 78,540 square feet. Plans call for the addition of a two-story department store and another one-story structure, 400 feet long and 150 feet deep.

The shopping center is owned by the Shelden Lang Company and the Leonard P. Reaume Company is rental agent. Among the first tenants are: Wrigley Stores, Inc., Kroger Super Markets, The S.S. Kresge Company, Cunningham Drug Stores, The Bambi Shop, Grand Jewelers, Linda Lee Women's Apparel, Tom Henry's Men's Wear, Reed's Department Store, First Federal Savings and Loan Association, Hocking-Gillies Shoe Store.

All the Shelden Center tenants will be open for business by Dec. 3, except Reed's, First Federal and the Hocking-Gillies Shoe Store, which will open in March, 1954.

Refrigerator MOTORS

When your refrigerator motor needs replacing, why not have us install a Delco, the choice of leading manufacturers because of their quiet operation, long life, peak performance and dependability. Delco builds a size and type for all makes.

Orange and Black News

N.H.S. ORGANIZATION NEWS

BAND

The Northville High School and Community Band is now preparing for its final half-time show during the Northville-Keego Harbor game football game at Ford Field tomorrow, Nov. 13.

Many of the senior band members will be making their final appearance of the year.

BRASS SEXTET

The Brass Sextet has been formed for the 1953-54 school year. The group is hard at work at the present time in hopes of winning a "1" rating at the annual festival this year instead of the "2" they received last year.

Members of the sextet are Barbara Prunty and Frances Malley, cornet; Joel Soule, baritone; John Funk, trombone; Jean Campbell, French horn; and Dennis Proctor, bass. The group is under the direction of Keith Burton.

WOODWIND QUINTET

The Woodwind Quintet also has been practicing for several weeks. This ensemble consists of Kathleen Heatley, oboe; Janice Howarth, bassoon; Jean Campbell, French horn; Priscilla Blackburn, clarinet; and Arlene Jerome, flute. Kathleen Heatley and Priscilla Blackburn are new members. The Woodwind Quintet is directed by Leslie Lee.

G.A.L. NOTES

G.A.L. activities for the year Bowling is claiming most of the are in full swing.

Attention at the present time and competition is keen between the various teams, which bear such names as White Fangs, Woman Wolves and Sweet Skunks. The G.A.L. is planning a bake sale Nov. 14 at Depositors State Bank.

High bowler Monday, Nov. 2 was Janice Brown, with an average of 125. June King took top spot Wednesday with a 137 score.

Team honors for the week were taken by the White Fangs, with an average of 114. Carol Ann Sparling rolled a 75 while Gail

Waterman scored 123, June King 137 and Jean Campbell 121. In second place were the Be-bops and the Cool Cats, both with 110 averages.

DEBATE CLUB

Last week the Bentley debaters held a discussion with our Northville debaters here in Northville. The experience gained from this type of thing is a great deal of help to the debaters when the District Debates begin. Next week the team will have a practice debate with the Hazel Park debating squad.

CLASS NEWS

SOPHOMORES

The sophomores sponsored a very successful dance after the Clarkston game, making \$88 profit which boosted their treasury to a grand total of \$129. They are planning a bake sale in the future. After a slow freshman year, the present sophomores are off to a wonderful start this year.

SENIOR CLASS

After much deliberation, the senior class has chosen to go to Washington on their annual trip. They will leave from Plymouth May 15 at 6:15 p.m. It will cost each person approximately \$68.80 for the entire 6-day trip. The class has been raising funds for this trip during the past four years.

Role of "Dear Ruth" To Be Double Cast

Winifred Welch and Nancy Dewsbury have been chosen to share the title role of Ruth Wilkins in "Dear Ruth", the Norman Krasna comedy chosen for the senior play, which will open Dec. 2 for a two-night run in the auditorium of the Wayne County Training School.

The part of Ruth's 16-year-old sister, Miriam, will be shared by Lynn Harnden and Jacqueline Keys.

CARD OF THANKS

I wish to thank all my friends and relatives who so kindly sent me cards, flowers and gifts during my recent illness.
