Northville, Michigan, Thursday, November 19, 1953

\$2.50 Per Year in Advance

## for the Record

by G. H. C.

It has often been said, and rightly, that the greatest enemy of progress is ignorance. This is the case in science, agriculture, medicine, engineering, government, or any field of human endeavor.

Life has become so complicated, and most of us are so busy trying to earn a living, that it has become almost impossible for the average man or woman to be well informed about very many things that do not affect their every day doings. Without doubt this is one of the big reasons why Time Magazine has had such a phenomenal growth. It interprets happenings throughout the world in words that everyone can understand. Likewise, Readers Digest serves up in capsule form condensed articles from other magazines on a wide variety of subjects. It, too, has been exceptionally successful.

Even so, the latest issue of Readers Digest published a story about "The Man Who Wouldn't Tell", which promises to go down in history as one of the biggest literary hoaxes of our day. And the conservative and well-edited Wall Street Journal made a serious misstatement of fact last week in stating that a large local company was in default in its mortgage payments to the Reconstruction Finance Corp.

The Detroit Free Press also pulled a boner in its article on Livonia last Sunday. Livonia city officials have pointed out the numerous errors of fact and inference which this article contained. (See story elsewhere on this page.) The Wall Street Journal published a correction immediately upon learning its error. The publisher of the Readers Digest has promised to do likewise in its next issue. Their action sets the stage for the Free Press to follow suit if it chooses, without losing face with its readers.

We do not believe the editor of the Free Press would have permitted the Livonia story to be printed had he known how seriously it was in error. Nor do we believe that the reporter would have written the damaging story if he had been well versed in the subject of municipal government.

Unfortunately, only a comparatively small number of citizens really know much about their municipal government, or about taxes, except that they have to be paid twice a year by property owners. The trouble with the Free Press story is that it was written by a reporter who apparently lacked the proper background knowledge to know whether or not he was on solid ground. Nor did he, apparently, make any real investigation of the truth or falsity of his "facts". That is inexcusable, even though it stems from basic ignorance of the subject that he was writing about.

Even worse, however, is the probability that the story was read and taken at face value by many thousands of persons who also lack the basic knowledge to detect its many inaccuracies. Not only was it an unwarranted attack on the new city of Livonia, which is recognized by students of government everywhere as a model of good city planning and sound finances; it also serves to mislead the people in other communities who may be called upon to vote on city incorporation for their own villages. Northville, of course, is such a community. The subject of city incorporation is bound to come up again in the not distant future. We hope that those Northville voters who read the Free Press story will spend the time necessary to read the reply of Livonia City Attorney William Brashear and City Clerk Marie Clark. While it is very difficult to combat such a story effectively, we believe they have done an excellent job.

We hope that the next time the Free Press assigns a reporter to do a story on municipal government, it makes certain that his background knowledge is such that his story will be a credit to the paper, which we personally like to read because it is usually well edited and one of the nation's good newspapers.

### Board Simplifies Name of Northville School District

The Northville School District will have a new name after the first of the month.

The old name was "School District No. 2 Fractional Northville, Novi, Salem, Lyon Township, Counties of Wayne, Oakland and Washtenaw."

The school board, at a meeting Monday, voted to change that tongue-twister to simply: "Northville Public Schools, Wayne County."

The change was made since the school district name must be printed on all official documents connected with the upcoming elementary school bond issue.

The board felt the change would save money and prevent voter eye-strain.

The change, permitted under Public Act 15 passed by the 1953 session of the legislature, must still be approved by the Wayne County Board of Education.

Superintendent of Schools Russell Amerman has been assured the Board will approve. Last Monday's meeting was

called to discuss the bond issue with Fred Thrun, Lansing attorney, who will direct the project. Thrun is expected to report back to the December meeting of the board with the official bond issue plan, listing voting dates, amount, etc.

### Union Thanksgiving Services to be Held at Presbyterian Church

Union Thanksgiving Eve services will again be conducted by the Presbyterian and Methodist churches of Northville.

This year's meeting will be held at the First Presbyterian Church at 7:30 p.m., Wednesday, Nov. 25. The Rev. Ivan Hodgson, pastor of the First Methodist Church, will preach. His topic will be "In Christ We Triumph."

Special music will be provided by the chancel choir of the host church, directed by William G. Williams. The Junior High Girls Choir will sing under the direction of Miss Ann Katzenmeyer. Part of the service will be given to the reading of the annual Thanksgiving Proclamation of the President of the United States.

## Commission Votes to Go Ahead With Water Survey

The Village Commission voted unanimously Monday night to proceed immediately with a study of Northville water rates and a survey of the water system.

The job will be handled by the engineering firm of Ayres, Lewis, Norris and May of Ann Arbor, which submitted a bid several weeks ago.

The twin surveys are expected to cost in the neighborhood of \$1,000.

The water rate study will involve an analysis of water supplied and rates charged to all Village water users. Much of this data will be compiled by Clerk Mary Alexander.

### TO MAP SYSTEM

The water system survey will include the compiling of maps and blueprints of the present water system.

The engineering firm, when it completes its survey, will submit recommendations on revising both water rates and revamping the system itself.

The Commission then tentatively plans to draw up a new water ordinance.

Commissioner Gerald Woodworth said the survey should be completed before the next Village budget is drawn up the first of next year.

### RATES ANTIQUATED

The water study was first called for several months ago after Commissioner John Stubenvoll pointed out that Village water rates are antiquated.

He said the Northville was falling far behind the other similar communities in the amount of revenue received from water sales and that the Village water department had found it difficult to build up any reserve for expansion or repair.

### V.F.W. Contributes \$100 to Mother's Club Milk Fund

The Northville V.F.W. Post 4012 voted Tuesday evening to contribute \$100 to the Mother's Club Milk Fund.

The V.F.W. contribution apparently assures the success of the milk drive since the Mother's Club estimates \$125 is needed each year for the program. The remainder will undoubtedly be deposited in milk bottles distributed in Village business places.

In announcing its gift, the veterans' group said "we feel it is our duty to work with the Mother's Club on this important community project."

The money is used to supply milk to elementary school youngsters who otherwise might not get it.

### Most Stores to Start Xmas Shopping Hours on Dec. 11

The majority of Northville retail stores plan to begin staying open until 9 p.m. starting Friday, Dec. 11 to accommodate Christmas shoppers.

A few of the stores will stay open evenings starting Dec. 4 while at least one—Stone's Gamble Store—will start Christmas hours immediately after Thanksgiving.

The Retail Merchants Association, at a meeting last week, reached unofficial agreement on Dec. 11 as the date to begin Christmas shopping hours.

However, stores are still free to choose their own starting date.

Pvt. William Gaab, son of Mr. and Mrs. William Gaab of Fairbrook Ave., arrived last week on leave from Ft. Lee Quartermaster School in Virginia. He left Tuesday evening for reassignment at Camp Chaffee in Arkansas.

This scene was enacted dozens of times at the school open house last Thursday evening. Here Mr. and Mrs. Joseph Miles of East Eight Mile Rd. discuss their son's progress in school with one of the boy's teachers, Stanley Johnson. (More open house pictures on Page 8.)

## Livonia City Officials Call Free Press Story "Misleading"

Livonia city officials are turned up about what they describe as "a distorted and misleading story" about their city. It appeared in the magazine section of last Sunday's Detroit Free Press.

William Brashear, Livonia city attorney, termed the story ridiculous in its statement that "Livonia, which four years ago thought it had discovered a pot of gold at the end of the rainbow, has now wound up with a million dollar headache."

### Dispute Free Press Accuracy

"The facts are quite to the contrary," Brashear said.

"Livonia is one of the best planned and best run cities in the United States, and is so regarded by authorities on city planning everywhere. Its population has doubled in the past three and one-half years. Its assessed valuation has increased from \$14,000,000 to \$61,000,000, and its income has increased from \$60,000 a year to over \$900,000 in the same period. But Livonia's city tax rate is only \$1.00 per \$1,000 of assessed valuation despite the large expansion which has been necessary in police and fire departments to keep pace with its growth, and the many other necessary municipal expenses which occur in a growing area. The city has no bonded debt and has always been on a pay-as-you-go basis."

(Northville's rate is \$14.90 per \$1,000. Livonia has been able to keep its rate low because of its revenue from the Detroit Race Track and taxes on large industries located along the C. & O. Railroad.)

### Tax Rates Are Low

Brashear also pointed out that Livonia's school tax rate is lower than it was before Livonia became a city.

Mrs. Marie Clark, Livonia city clerk, described the Free Press story as "stupid, full of inaccuracies, and obviously based on misinformation." Mrs. Clark's specific answers to some of the story's statements follow:

Free Press—"The fire department was hit by the world's costliest fire." (General Motors Hydro-dramatic)

Mrs. Clark—"Ridiculous. Didn't the writer ever hear about Mrs. O'Leary's cow kicking over the lantern that started the Chicago fire? Was it Livonia's fault that G.M. architects and engineers built their buildings so a fire could race through it unobstructed? Didn't G.M. have another fire just a few days ago in its new Willow Run plant?"

Free Press—"A new patrolman accidentally struck and killed a little girl."

Mrs. Clark—"Yes, and no one feels worse about it than the police officer. It was a tragedy, but by the same token, it was an act of God that could have happened anywhere. It has no relation to

the fact that Livonia is a city."

Free Press—"A water department employee admitted embezzling \$5,000."

Mrs. Clark—"And didn't a Wayne County circuit court employee just get away with \$40,000 right under the noses of the circuit court judges?"

Build New Dog Pound

Free Press—"Livonia became a dumping ground for tramp dogs. So the city had to build a dog pound."

Mrs. Clark—"Livonia's old dog pound was a disgrace and wasn't fit to keep a dog in. The Michigan Humane Society asked us to build a new pound, which we did. And we're proud of it. Any village, if it could afford to do so, would do the same thing. It wasn't a matter of being a city, except that our revenue is large enough to permit us to do the decent thing, even when it concerns stray dogs."

Disputed Sewer Connection

Free Press—"The city was accused of trying to sneak a connection onto a neighbor's sewer line."

Mrs. Clark—"This is absolutely false. The connection had been approved by the Wayne County Drain Commission and the Wayne County Road Commission. The 'objection' which caused a little flurry was purely political by one person and we understood the situation perfectly when it arose. It is no longer an issue, and was never anything which could by any stretch of the imagination be an argument against becoming a city."

Free Press—"The county balked at taking care of the new city's 116 miles of roads. Result: Expensive road machinery had to be purchased, a Department of Public Works formed, and DPW quarters purchased."

Acquire New Building

Mrs. Clark—"The truth is that the growth of our community was such that the old justice court's quarters were utterly inadequate. We had no place where the city council or other city groups could hold meetings, and no place for our employees' desks as more and more persons had to be hired to handle the growing city's business."

City Handles Street Repairs

Mrs. Clark—"False. The county did not balk at taking care of our roads, but after getting some of their bills for maintenance and repairs, we figured we could do it much cheaper ourselves. As a result, the city council on July 31, 1950 on its own initiative cancelled its contract with the county

### Baby's Coughing Alerts Family to Fire in Home

Mr. and Mrs. Rex Jernigan, awakened by the coughing of their infant daughter, escaped unhurt early Wednesday morning when fire swept a portion of their home at 46320 West Ten Mile Rd.

The Jernigans said they were roused shortly after midnight by their infant daughter, Cheryl, and discovered a fire in the kitchen. They snatched the baby from its bassinet and fled to safety.

The fire gutted the kitchen and caused smoke and water damage to adjoining rooms. Damage was estimated at \$3,000.

The blaze was fought by the Novi and Northville fire departments for a half hour. The flames broke out again at 5 a.m. Wednesday morning and the Novi firemen were again summoned.

George Simmons, father of Mrs. Jernigan, who lives nearby, said he believed the fire was started by mice chewing on matches stored under the kitchen sink.

## Village Fathers Voice Approval of Tentative Plan

The Village Commission hopes to lease the Community Building to the Northville School Board as soon as it is completed, it was disclosed this week.

The leasing plan was discussed last week at a joint meeting of school board and commission members and reported to the commission as a whole Monday night.

The joint meeting was attended by Commissioners John Stubenvoll and M. A. Allen, Robert Coolman, president of the school board and Superintendent of Schools Russell Amerman.

Stubenvoll and Allen said the school officials indicated they were interested in leasing the building for one year, with an option to renew for up to 15 years.

### SCHOOL FOOTS BILL

Under the plan, the school system would pay all maintenance costs. The Village would provide water and handle insurance costs. The school board would make the building available to the Recreation Board two evenings a week (more if necessary) and on Saturdays and Sundays.

The board also would have charge of scheduling activities in the building.

Commission members, interested in any plan which will relieve the Village of responsibility for maintaining the \$206,000 structure, indicated they were in favor of turning it over to the school.

### NO DEFINITE AGREEMENT

No definite agreement has been made, it was emphasized. No further negotiations are planned until the two school officials report on the joint committee meeting at a full meeting of the School Board the first of next month.

It is then tentatively planned to engage an attorney and work out details of the shift.

Amerman said the school would like to limit its first lease to one year "to see how things work out."

He said the Board must determine how much it costs to maintain the building and how much it will be used before any long-term arrangement is made.

### BOND ISSUE

He also pointed out that with a \$300,000 elementary school bond issue in the offing, the Board must avoid too many commitments.

Commission members agreed that the schools could make best use of the building.

Allen said he had made an informal survey of community clubs and found that only one group indicated any interest in using the building.

Tentative plans call for the school board to set up a schedule of fees for any group using the building for private functions.

## Early Copy Needed Next Week, Please

Since next Thursday is Thanksgiving, the Record will go to press Tuesday, Nov. 24, and be delivered to your homes on Wednesday.

This poses problems for the Record staff. It means we have only a day and a half to do all the work we normally handle over a two and one-half day period.

However, you can help us out of our predicament by bringing in your news and advertising copy EARLY.

Any copy for next week's paper you can bring us today, tomorrow or Saturday will be greatly appreciated. In any event, we need your contributions by Monday afternoon, at the latest.

Thank you.

## Staff at Kroger Store Wins Contest

Employees of the Northville Kroger Store hit the jackpot last week — especially Manager Ed Barnes.

The Northville store was announced as winner of the food firm's annual employee sales contest, which was just concluded.

Barnes will receive a \$1,000 U.S. Government savings bond.

Each employee at the store will be presented with merchandise prizes, such as household appliances, sporting goods, home furnishings, toys and clothing.

Approximately 1,830 Kroger stores competed in the contest, which was held during the seven-week period of the company's annual sales event.

Barnes and his staff will be given their awards at a special ceremony at the store.

## Commission Votes To Change Meters in Village Lot

The parking meters in the municipal lot on East Main St. are going to get a change of diet.

The Village Commission decided Monday night to re-vamp the meters so they'll accept not only nickels but pennies too. In other words, they'll be similar to the meters along Main and Center streets.

Several commissioners said they had heard complaints that the parking spaces were not being used because parkers objected to paying a minimum of five cents.

A penny will entitle motorists to 12 minutes of parking time while a nickel will keep a ticket away for one hour. The meters will take a maximum of 12 pennies.

In voting to change the meters, the Commission also moved to install meters in the lot at the Four Corners.

Commissioner Gerald Woodworth was the only dissenter to this plan. He said he favored the change in existing meters but felt that no new meters should be installed until the Commission has a better idea of how much the present meters will be used.

## Christmas Club Members Get Checks

The Depositors State Bank this week mailed checks totalling \$87,683 to 911 Christmas Club members.

Last year, \$66,151.25 was distributed to 780 club members, bank officials said.

(Continued on Page 10)

## Rolling Down The River

by the PETZ BROS.

One of the mechanics that so ably services your car was complaining about the weather this fine brisk morning. "Man oh man," he moaned, "this is the time of the year you wonder what happened to last summer's wages and last winter's overcoat."

And one of these autumn mornings you're going to wonder what happened to last summer's motor unless you take a slight touch of this advice we've been handing out so free and easy the past several years! Get that car in soon for a complete motor tune-up and some extra special lubrication, the kind that makes your car want to run and run and run. With winter so close at hand it's about time to join the S.P.C.H.A. (The Society for the Promotion of Cruelty to Human Animals) and have the car completely winterized.

A stranger drove in this Studebaker motor mart of ours the other day. We knew he was a stranger because he asked us to sell him a car and forgot to mention how much someone else had offered him on his trade-in. We wrapped him up awfully fast, because in these trying times, when a dollar or two floats around you naturally put it in your pocket. He managed to tell us though, that he was a missionary and had spent the past several years in some of the western oil camps. "The sort of places," he said, "where it's more usual to open a meeting with a pair instead of a prayer."

Just in case you've suddenly got the urge to head for the wide open spaces yourself, we suggest you drop around and invest in a 1953 Studebaker to make the trip so much more pleasant. You'll be so surprised at the liberal allowance we'll make on the old car you'll forget to argue and will be only too happy to drive away in one of the finest motor cars ever built, the '53 Studebaker. We suggest that you hurry though, the quicker you're here the more money you make!

That's that but we'd like to repeat a remark we overheard recently, "though a lot of men can make a lot of money, a lot of money has yet to make a man."

Yours,

BILL & WILL PETZ

## THE VILLAGE --- AT WORK

*A Visit With Your Neighbors On the Job*

Calvin Cross has no fancy name for his job at Bob Lyke's gas station on W. Main St.

Unlike some mechanics, he doesn't consider himself a "doctor of motors" or an "engine rehabilitation specialist."

"I'm just a plain grease-monkey," Cal says.

This week's Villager at Work has been at the gas station since 1947. When he started working, the station was owned by Orson Atchinson. Three years ago, it was bought by Lyke.

Cal was born in Cohutta, Ga., and graduated from high school there before joining the Navy. He served overseas for 18 months in Europe and Africa. His battle record shows two battle stars. After returning to the states, Cal trained Navy recruits at bases in New York and Virginia.

Cal started working in a gas station—his uncle's—while still a high school boy. After his release from the Navy, he worked for a period in Dalton, Ga., and then moved to Northville where his wife, the former Mary Robertson, had lived for 12 years.

The Crosses have one daughter, seven-year old Mary Jane. The family makes its home at Apple Crest Farm on Eight Mile Rd.

Cal figures each day he spends at the gas station helps build a good foundation for his future. He hopes eventually to own a station of his own.

## Springer Named as Assistant Chief of Civil Defense

Conrad Springer was appointed assistant chairman of Civil Defense Monday night as the Village Commission called for a revitalizing of the Northville C.D. set-up.

Springer will assist civil defense chief Philip Ogilvie.

Springer's appointment came after Ogilvie said he was too busy with other community activities to give the civil defense job the attention it deserves.

Commissioner president pro tem, Claude Ely, also instructed M. A. Allen, assistant fire commissioner, and assistant police commissioner John Stubenvoll to take immediate steps to form auxiliary fire and police departments.

Allen and Stubenvoll were told to meet with Police Chief Joe Denton and Fire Chief Bill McGee and work out details of the auxiliary groups.

Heads of the auxiliaries will serve as assistants to Ogilvie. Most commissioners felt that the Civil Defense set-up here had fallen behind those of other communities in preparing for possible disaster.

"We should do something before it's too late," one said.

## Search for New Ways to Fire-Proof as Result of G.M. Fire at Livonia

Many of the nation's roofing manufacturers have stepped up research to find new fire-proof materials as a result of information provided by Livonia's Fire Chief Calvin Roberts after his analysis of the General Motors transmission plant fire.

Chief Roberts' report showed that tar and asphalt roofing was the major cause for the spread of the blaze that destroyed the GM plant last August.

"The manufacturers haven't found the answer yet, but we showed them the present roofing materials constitute a definite fire hazard," Roberts said.

The GM plant was roofed with layers of asphalt and tar over a thin steel plating, Roberts explained. When the intense heat of the fire buckled the plates it also ignited the tar and asphalt, which then dripped down into the plant, spreading the fire.

**FORD WAITS**  
Roberts pointed out that the Ford Motor Company is currently holding up the roofing of five plants now under construction, waiting for roofing manufacturers to develop a fire-proof adhesive to replace tar and asphalt. "The Ford people even conducted fire tests on tar and asphalt roofing," Roberts said. "The tests bore out our findings at the GM fire—tar and asphalt feed fires."

During the GM blaze, Roberts and Director of Public Safety James Hagen noticed that the fire seemed to be spreading along the roof more rapidly than at floor level.

Immediately after the fire they inspected the wreckage and confirmed it was the combustible roofing that spread the blaze. The floor of the building was marked with thousands of spots where the flaming tar had dropped from the roof.

Since the fire, Roberts and Hagen have been approached by dozens of industrial, construction, and insurance officials who were puzzled by the rapid spread of the blaze.

Roberts even received a letter of inquiry from a Paris, France, automobile firm.

"We reduced it to simple physics for the industrialists and roofing manufacturers," Roberts said. "We pointed out that the tar and asphalt roofing ignites at about 400 degrees and some steel buckles at around 1000 degrees. The temperature in the plant reached about 2000 degrees."

"The tar and asphalt was dripping into the plant like burning rain," Roberts continued.

"When we showed that almost 3 1/2 million pounds of tar and asphalt were consumed in the fire, the manufacturers were convinced. Now they're at work developing more fire-resistant materials," Roberts said.

## Parking Prohibited on Village Streets Between 2-6 A.M.

Effective immediately, parking is prohibited on Village streets between the hours of 2 and 6 in the morning.

That was the decision Monday night of the Village Commission. The move was made to accommodate snow removal crews, who do a good share of their work during those hours.

The rule isn't as strict as it may seem, however.

Police Chief Joe Denton said tickets would be issued only in the event of a storm. He asked Village car-owners to move their cars off the street at the first sign of snow.

Mrs. C. Harold Bloom will entertain her bridge club today (Thursday) at 12:30 at her home on West Main St. A luncheon will be served.

## Tentative Site Picked for Clinic at Walled Lake

The committee planning the Dr. O. R. MacKenzie Memorial Clinic has selected a plot of ground at the corner of Pontiac Trail and Milan St. in Walled Lake as a tentative site for the proposed building.

The property was purchased by the late Dr. MacKenzie before his death and has been offered to the group by his widow. The 12,300 square foot parcel has a frontage of 109 feet on Pontiac Trail and 150 feet on Milan St.

### NO FINAL DECISION

The committee has emphasized that the decision to use this land for the clinic is not final. Definite selection of a site will be determined after additional reports are compiled by the building and

### ONE YEAR AGO—

Initial plans were discussed by the Livonia, Northville and Plymouth Hospital Authority for a 100-bed hospital to serve the three communities.

Mrs. Arthur C. Carlson of Fairbrook Rd. was appointed head of the Northville Red Cross chapter.

### site committee.

This committee, headed by Jim Farley, has been instructed to gather more information in regard to sewage, parking and room for possible expansion at the tentative site.

### INCORPORATION PLANS

The incorporation committee has submitted a plan to determine membership in the corporation on the basis of financial participation. According to the plan all organizations contributing \$25 or more and all individuals contributing \$5 or more are listed as active members entitled to a vote. Organizations contributing less than \$25 and individuals contributing less than \$5 are listed as associate members without voting privileges. The plan was adopted by the group.

At the present time the memorial group is still operating as a temporary standing committee. All meetings are open to the public and all citizens who are interested enough to be present for the meetings have the right to present their views and vote on all decisions.

### Social Security Representative at Plymouth Nov. 27

Northville residents are reminded that a representative of the Detroit-Northwest Social Security office will be at the Plymouth Post Office Friday, Nov. 27, to answer any questions on social security matters.

The representative will be available from 9 a.m. to 12 noon that day.

His scheduled visit to Plymouth on Thursday, Nov. 26, has been called off because of the Thanksgiving holiday.

## Events of the Past in Northville

News Items Taken From the Files of the Record

The Village Commission granted permission to Consumers Power Co. to lay more than 17,000 feet of two and four inch gas mains on 20 Northville streets.

Fourteen-year old Fred Schultz of Seven Mile Rd. got his buck at 9:30 a.m. on Nov. 15, the first day of deer season. Fred was hunting near Cadillac, with his father and Mr. and Mrs. C. P. McClelland of Royal Oak.

Rev. and Mrs. E. E. Rossow announced the engagement of their daughter, Esther Elizabeth, to Allan Helland, of Denver, Colo.

### FIVE YEARS AGO—

Approximately 150 members of the Lloyd H. Green Post 147 of the American Legion witnessed mortgage burning ceremonies at the Veterans' Memorial Hall on Armistice Day.

The Northville Exchange Club made plans for a combination quiz show and musical comedy called "Fun For You". Proceeds were to be turned over to the Recreation Committee for the purchase of a television set at the school.

Mrs. W. Leonard Howard of West Eight Mile Rd. was named chairman of Northville's 1948 Christmas Seal Drive.

The Northville Rotary Club, headed by Neil Hannaford, planned to handle Christmas decorations along Main St.

Mrs. Jack McCrumb and Dorothy Adams were elected president and vice-president respectively of the Methodist Wesleyan Guild at a meeting held at the home of Mrs. Fred Hicks, Jr. of West Main St.

### TEN YEARS AGO—

Leo Griffin of Plymouth joined the Northville Police force.

Northville's War Chest Drive went over the top with more than \$3600 subscribed. The Village quota was \$3500.

Rev. Leslie Williams of the Northville Methodist Church was chosen to act as dean of the Protestant School of Religion.

Service notes: Jack Schaeper of Nine Mile Rd. was home visiting his parents after completing boot training at Farragut, Idaho. Also home on furlough was Pfc. George Thompson of E. Seven Mile Rd., who was stationed at Reading, Pa. Ensign Robert Castro was serving as an instructor at Rodd Field near Corpus, Texas.

The latest list of draftees from this area included three Northville men: James C. Jewell of R.F.D. No. 2, Shellie S. Linder of Randolph St. and Robert V. Jones of Newburg Rd.

Miss Mary Margaret McCullough, daughter of Mr. and Mrs. John M. McCullough, of Halstead Rd., Northville, was married to Lt. Albert E. Jones, USAF of East Lansing in a ceremony at the First Methodist Church of Dearborn on Thursday, Nov. 18.

### THIRTY YEARS AGO—

Jack McCloud, a farm laborer, was killed by a falling tree on the Szingarek farm about three miles west of Novi on Grand River.

Superintendent of Schools Russell Amerman, in a speech delivered before the Rotary Club, appealed for some means to provide noon-day lunches for undernourished children.

Arvid V. Jacobson, former Northville High School teacher arrested in Helsinki, Finland, admitted being a member of a Communist espionage ring, according to an Associated Press dispatch. (Jacobson served a term in prison and later broke with the Communist party. He is now a brilliant and respected member of the faculty at Wayne University.)

Miss Ann Deloney and Richard Smith were married Nov. 4 by Father Joseph Schuler at the rectory of Our Lady of Victory Church.

Mrs. Adella Brooks was honored on her 88th birthday at a small party given at her home. Guests were invited by Mrs. Brooks' two nieces, Mrs. C. C. Yerkes and Mrs. Frank Thompson.

### THIRTY YEARS AGO—

Miss Beth Ponsford, daughter of C. A. Ponsford, was reported recuperating satisfactorily after an appendectomy at Harper Hospital in Detroit.

Mr. and Mrs. W. M. Tousey and their son, Harold, left Northville for a visit to Washington, D.C. From there, they planned to go to Florida for the winter.

The Hall brothers of Detroit leased Balden Hill and planned to make it into a ski slide.

Guy C. Filkins of Northville gave another in a series of popular organ recitals at the Central Methodist Church in Detroit.

## Shelden Center Opening Planned on Dec. 3, 4 and 5

A three-day program of activities is being planned for Dec. 3, 4 and 5 to celebrate the opening of Shelden Center, a shopping area located at the intersection of Plymouth and Farmington roads, Livonia.

Appearances of local choral groups, bands, radio and television personalities and a square dance will highlight the inaugural celebration.

Jesse Ziegler, mayor of Livonia, in a statement welcoming the new merchants to Livonia, declares that "the project is a major milestone in Livonia's forward progress."

Shelden Center will service the residents of Northville, Farmington, Plymouth, Redford, Canton and Nankin, in addition to Livonians.

Civic officials will be on hand

to participate in the celebration during the first three days of business. The choral group from Madonna College, Livonia, and the Livonia Civic Chorus will sing Christmas carols. A 30-foot Christmas tree will be erected in front of the shopping district, through the cooperation of the Livonia Department of Parks and Recreation.

**CHECK HOT WATER WHEN  
BUYING AUTOMATIC WASHER**

Before you think of buying an automatic washer, check the amount of available hot water, cautions Lucile Ketchum, extension home management specialist at Michigan State College. In general—a 50-gallon hot water tank is the medium for an automatic washer. Before you decide upon your automatic washer find out how much hot water it requires. This varies from about 15 gallons to almost double that amount.

## NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT  
Phone Farmington 1461-M

### AROUND TOWN

Mrs. Herman Schult and daughter, Janet, and son and daughter-in-law, Mr. and Mrs. James Schult of Shadyside Ave., enjoyed an outing at Kensington Park Sunday, Nov. 8.

Mr. and Mrs. Herman Keyser of Huntington Woods were guests of Mr. and Mrs. O. R. Ault on Shadyside Ave. Sunday, Nov. 8.

Mrs. Clarence Roberts of Mayfield Ave. is confined to her bed, ill.

Mr. and Mrs. Emerson Ault of Mayfield Ave. and Mr. and Mrs. Forrest Ault and their three children were Sunday dinner guests of Mr. and Mrs. Tom Roberts in Monroe.

Mrs. Harley Hooker of Irving Ave. recently visited her sister, Mrs. Don Masters in Wyandotte. The Don Masters have now completed and are occupying a handsome modern home.

Mr. and Mrs. George Throne of Ypsilanti and Mr. and Mrs. Loren Read of South Lyon were Sunday evening supper guests of Mr. and Mrs. Austin Ault of Brentwood Ave.

Hiram Smith of Hubbard Ave. is on the sick list again.

Marcia Meade of Hubbard Ave. is ill with bronchitis.

Mrs. George W. Sandau of Hubbard Ave. spent Monday, Nov. 9 in Tonia.

The Gordon Vances of Mayfield Ave. spent a recent week end with relatives in Ohio.

Mrs. Don Masters and son from Wyandotte visited her parents recently, Mr. and Mrs. Ed Grant, of Farmington Rd.

"Poly-Party" style, Mrs. Grace Simpson entertained at her home on Mayfield Ave. Tuesday afternoon, Nov. 10. Dessert luncheon was served at one o'clock. About

15 ladies of the neighborhood were guests.

### RUG CLUB MEETS

Mrs. A. R. Oldham of Farmington Rd. and Mrs. M. E. Ault of Mayfield Ave. spent Monday, Nov. 9 at the home of Mrs. William Abrahamson of Twelve Mile Rd. Mrs. Abrahamson entertained her Rug Club.

Neighborhood Church will be open from 3 to 4 p.m. during the winter season for an informal service.

Mrs. R. Gibbons of Hubbard Ave. has returned home from a nine weeks visit with her sister and other relatives in Canada.

Bobby and Jimmy McVicar of Shadyside Ave. have both been on the sick list this week.

Joyce Roberts of Mayfield Ave. is reported ill.

The Bob Dickinsons of Parker Ave. were in Chicago two days of this week.

Mr. and Mrs. A. Grattop of Mayfield Ave. left Thursday, Nov. 12 for a two week's stay with relatives near Traverse City. Mr. Grattop planned to do some hunting.

At her home on Mayfield Ave. last Wednesday afternoon, Mrs. Walter Rehahn entertained a group of Sunshine Sisters. Peace was the devotional topic. Contributions to the afternoon's program were made by Mrs. Stanley Chavey, Mrs. V. C. Reddy and Mrs. O. R. Ault. A new neighbor, Mrs. James Sutton was welcomed into the group. Mrs. Arthur Muir served refreshments.

The next meeting of the Sunshine Sisters will be held Wednesday afternoon, Nov. 25. According to present plans the ladies will meet in the home of one of the neighborhood shut-ins. Each is requested to bring or send a can of food.

Mr. and Mrs. Charles Haas and their daughter, Darlene, of Grand River left last Saturday for a vacation in Alabama. Mr. and Mrs. Haas formerly resided on Hubbard Ave.

Mrs. V. C. Reddy of Shadyside Ave. was again hostess at a luncheon party Tuesday noon. Several local ladies were guests.

Mr. and Mrs. Brinker are the new occupants of the cottage at the corner of Mayfield and Eight Mile.

Herman Schult, who for a year and a half has been a patient at Healthwin Hospital, South Bend, Ind., has been discharged from the institution and is expected back at his home on Shadyside Ave. this week end.

Mr. and Mrs. Al Hardy and their son, Duane, from Wayne were Thursday evening dinner guests of Mr. Hardy's mother, Mrs. Walter Rehahn on Mayfield Ave.

Robbie Imonen who, for several months has been a patient suffering with polio at Sigma Gamma Hospital, Mt. Clemens, was to be discharged last week end and to be at his home on Hubbard Ave.

### BRIDAL SHOWER

At the home of Mrs. James Nicholus, Brentwood Ave. Thursday evening, a very pretty bridal shower was tendered Miss Roberta Beach, youngest daughter of Mrs. Emily Beach, for years a well-known resident of this community. A nice group of friends and neighbors enjoyed the pleasant occasion and the honored lady received numerous lovely gifts. Miss Beach's marriage to Bud Miller of Brentwood Ave. is to be an event of the near future.

Mrs. Josephine Konopka of Detroit is spending a few days at the home of her daughter, Mrs. Kenneth Skow on Mayfield Ave. Freda Ault of Norfolk Ave. was a Friday luncheon guest of Mr. and Mrs. Nelson Cameron in Redford and also called on Mr. and Mrs. Gordon Cameron.

In celebration of her 12th birthday, a large group of girl friends gathered at the home of Miss Esther Ann Middlewood, daughter of Mr. and Mrs. George Middlewood at the Middlewood home on Farmington Rd. Saturday the 14th.

Mrs. Ward McCain of Shadyside Ave. and Mrs. William Fisher of Mayfield Ave. were among the local women in attendance at a meeting of the Livonia Health Guild held at Faith Lutheran Church last Thursday. A very interesting and instructive program is reported. Mr. Elliot

I. Schwartz, director of Home Accident Prevention of the Wayne County Board of Health, spoke on "Household Hazards". A delicious luncheon preceded the lecture and was greatly enjoyed by all.

Robert Hunter of Detroit was calling on the Austin Aults of Brentwood Ave. last Saturday.

Mr. and Mrs. James Maynard and their three children of Shadyside Ave. visited in Ypsilanti on Sunday, Nov. 8.

Friends of William Varhol, who has been stationed with the U.S. Navy on the New Jersey, near Japan, hear that he has now reached California and will be home about Dec. 1. His leave is expected to last about 18 days.

The Ernest Tallmans of Mayfield Ave. report being the victims of a trying accident while on their way to visit a daughter in Indiana last week end. On the highway, a truck sped past, taking off almost the entire side of their car. Fortunately no one was injured.

Mrs. M. E. Ault of Mayfield Ave. and Mrs. Oldham of Farmington Rd. were in Detroit last Wednesday attending a birthday luncheon honoring one of their friends.

Herman Schult of Shadyside Ave. left Sunday night for Indiana where he will be employed by the Zimmer firm near Ellwood, Ind.

Mrs. Russell Ault of Shadyside Ave. was an all-day guest Friday of her daughter, Mrs. George Cooke and her family in Farmington.

David Buckingham of Mayfield

## Beef Sandwiches Brighten Your School Lunches

Back to school days mean more lunches will be packed. If you're among this group, then you'll find it wise to purchase a large beef roast or a pot-roast so you will have leftovers ready for tempting and hearty sandwiches.

Remember, however, to carefully store leftover meat. When cool, tightly wrap with waxed paper or aluminum foil and place in the refrigerator, says Reba Staggs, home economist.

Here are a few suggestions for beef sandwich making. Grind the meat and combine with pickle relish, chopped celery, chopped hard-cooked egg and salad dressing. Spread on various breads such as rye, whole wheat or pumpernickle.

Ground cooked beef also may be sliced and spread with horseradish. Or the beef may be ground and combined with minced green pepper and mayonnaise. For still another spread, combine the chopped beef with thinned cream cheese and a tablespoon of chutney.

If you want to include lettuce and tomatoes, wrap them separately in wax paper so they may be added to the sandwich at lunch time. To prevent spreads from soaking into the bread, spread a thin layer of butter or margarine on both slices of bread instead of buttering just one slice.

Ave. was on the sick list again part of this week.

The Grattops of Mayfield Ave. were hosts to a very nice dinner party last Wednesday evening. A group of out-of-town friends were guests.

Miss Janet Schult of Shadyside Ave. was on the sick list the early part of this week.

During the week, William Griffith of Dearborn called at the home of his parents-in-law, Mr. and Mrs. E. W. Stange on Mayfield Ave.

A special Thanksgiving service will be conducted in the Neighborhood Bible School Sunday, the 22nd. This Sunday School meets at 11 a.m.

Johnny, youngest son of Mr. and Mrs. Russell Kline, Parker Ave., was reported on the sick

list this week. Mrs. Cecil Willet, Torch Drive director, successfully completed her work Wednesday.

### U. of M. Alumni Club Schedules Meeting on Dec. 1

The University of Michigan Alumni Club of Northville, recently revived after two years of inactivity, will meet at 6:30 p.m. Tuesday, Dec. 1, at the home of Dr. and Mrs. Waldo Johnston, 22647 Novi Rd., for a pot-luck dinner.

The club cordially invites members, prospective members or anyone interested in the University to attend the meeting.

Special guests will be T. Hawley Tapping, Ann Arbor, executive secretary of the U. of M. Alumni Association, and Wendell Miller, president of District Nine Alumni Association. Miller lives in Plymouth.

President of the U. of M. Club is Mrs. Levi Eaton, while Miss Elizabeth Beard has been elected secretary; Mrs. Al Wistert, secretary; Mrs. Waldo Johnston, schol-

arship chairman, and Mrs. Kalin Johnson, membership chairman. Al Wistert is program chairman, E. C. Mollema, student advisor, and Mrs. E. C. Mollema, publicity chairman.

Reverend and Mrs. Charles Gillman Morse of Novi stand at the pulpit of a church in Wheatfield, Indiana, which Mr. Morse built with his own hands. Mrs. Morse also is an ordained Baptist minister.

## Rev. Morse, of Novi, A Builder of Churches

The Rev. Charles Gillman Morse of the Novi Baptist Church is a spry, 76-year old preacher with the plans and energy of a man 50 years younger.

He is a builder of churches, a man who does God's work from the pulpit on Sunday and lives his faith during the week by constructing places of worship with his hands. Last week end, Rev. Morse travelled to Indiana to watch the final chapter of a dream he once had.

In the 1940's, Rev. Morse was a district supervisor for the Baptist Church in Indiana. He supervised churches in one-third of the state.

### NEW CHURCH

The parishioners in one of the small towns on his circuit—Wheatfield—had been worshipping in a temporary building when Rev. Morse decided they should have a new church.

There was almost no money available. Materials were expensive. Many of the men in the parish were too busy to help.

But Rev. Morse gave Wheatfield its church. For six years, he labored building it. He quarried his own brown limestone for the interior and collected tons of fieldstone for the exterior. The oak flooring was cut by Rev. Morse from trees donated by a parishioner. He found windows for the church in a Chicago junkyard.

### MAGAZINE INTERESTED

Life magazine became interested in Rev. Morse's work and for eight days a photographer followed the Reverend on his rounds, recording his work on film.

Finally, in 1950 the church—which seats approximately 300 people—was finished and dedicated.

However, it still had no parsonage. Finally, after several years of saving, the Wheatfield congregation—which has grown from 50 to 100 members during the past three years—managed to purchase a home nearby for use as a parsonage.

The building was dedicated last week end and Rev. Morse was present as an honored guest.

The Wheatfield Church is only

one of the Reverend's projects. He estimates that over the years he has either built, re-built or helped plan over 100 new churches in Indiana, Michigan, Idaho and Washington.

### TO LEAVE NOVI

Rev. Morse plans to leave Novi the first part of next year, but not to enjoy a well-earned retirement. There's too much work to do for that.

Rev. Morse is at present working on a church at Imlay City. Several others are planned near Ypsilanti.

"I'll work anywhere a church is needed," he said. "Anywhere new homes are being built and there is no church—I'll be there."

Rev. Morse was ordained in 1904. His wife also is a minister.

At 76, Rev. Morse figures he has years of work still ahead.

"I'm in perfect health," he says. "I've found that when I feel myself getting tired, all I have to do is work a little harder. The tiredness goes away."

## Sorority to Hold Birthday Party in Hospital Ward

The Detroit Alumnae of Zeta Tau Alpha Sorority on Saturday, Nov. 21, will hold the next monthly birthday party in the Northville State Hospital ward which they "adopted" a year ago.

Each month, members of the sorority come to the hospital and give a party for their ward. The party includes entertainment and refreshments and a gift for each patient having a birthday during the month.

### PUPPET SHOW

The party on the 21st will feature a puppet show, put on by sorority members, and the showing of colored slides of Germany, which were taken by Mrs. Wayne Mohr during a recent trip to Europe.

The project is carried on by the sorority's Service Committee, under the chairmanship of Mrs. G. William Calhoun of Detroit.

### OTHER MEMBERS

Other members of the committee are Mrs. Keith Strong of 241 Rayson St., Northville; Mrs. Harry C. Schaefer of Birmingham; Mrs. Wayne E. Hill of Berkley; Mrs. Galen J. Hoggatt of Dearborn; Mrs. W. Hudson Ragsdale of Pontiac and Miss Marion A. Lindsay, Mrs. J. R. Blanchard and Mrs. John D. M. White, all of Detroit.

Any community group interested in this type of activity at the hospital is urged to contact Mrs. Carolyn Seefeldt, director of Social Service at the hospital. Mrs. Seefeldt may be reached during the week at Northville 1290.

Mr. and Mrs. Paul Steenken were guests at a farewell party given in their honor Saturday evening at the home of Mr. and Mrs. Edwin Langtry on Thayer Blvd. Guests included Mr. and Mrs. Fred Casterline, Mr. and Mrs. George Muller, Mr. and Mrs. James Cowie and Mr. and Mrs. Robert Sechrest. Refreshments were served and card games furnished the evening's entertainment.

## AUTOMATIC HOME HEATER FITS FLUSH IN THE WALL

All the comforts of automatic heating from a heater of revolutionary design and efficiency! Fits flush in wall, no room space wasted. Smartly styled and finished. Furnishes an abundance of gently circulated warm air plus sun-like radiant heat. Side grilles available for directed heat flow. Deluxe thermostatically controlled heating, with every feature for economical operation.

Fits in space no bigger than a closet—heat emitting grille is flush with wall.

## Dr. Colton Storm to Talk Before Woman's Club November 20

Dr. Colton Storm, assistant director of the Clements Library at the University of Michigan, will talk to members of the Northville Woman's Club at 8 p.m. Friday, Nov. 20 at the Village Library.

The title of Dr. Storm's talk is "I Take My Pen In Hand". He will discuss original letters and manuscripts of Abraham Lincoln, Nathaniel Greene, Oliver H. Perry, George Washington, John Keats, Thomas Jefferson and Sir Henry Clinton. Teachers in the Northville schools are invited to hear Dr. Storm's talk.

Dr. Storm describes himself as a "midwesterner and very proud of it". He was graduated from Oberlin College in 1930. After several years as a dealer in rare books in New York City he came to the University of Michigan as a member of the Clements Library staff. He is now working on a new book dealing with the collection of rare Americana.

He is president of the Manuscript Society, formerly known as the National Society of Autograph Collectors, which he helped to organize several years ago.

## News Around Northville

Pvt. William Moon, presently stationed in Philadelphia, will be the house guest this week end of his sister and brother-in-law, Mr. and Mrs. Carl H. Clendenen of Six Mile Rd. The Clendenens and their guest plan to attend the Michigan-Ohio State football game.

A surprise birthday party in honor of Robert Liles of Maxwell Ave. was held Saturday night at the home of his youngest son, Harold, in Ferndale. A large group of friends and relatives enjoyed a buffet supper and square dancing. Guests were present from Northville, Ferndale, Detroit and Royal Oak.

Co-chairmen at the rummage sale to be held in the Methodist Church House Friday and Saturday are Mrs. W. B. Walker and Mrs. Clifford Winter. The committee asks that sale articles be brought to the church house on Thursday afternoon between one and three o'clock. Anyone having garments to be picked up may call 298.

Mrs. John Burkman honored Mrs. E. J. Frost of Boston, Mass. at a luncheon Friday at her home on Eight Mile Rd. Eighteen guests were present for lunch and bridge. Mrs. Frost is the house guest of Mrs. W. F. Chapman of Dunlap St.

Rummage Sale at the Methodist Church House Friday, Nov. 20 from 10 to 5 and Saturday, Nov. 21 from 9 to noon.

Saturday evening guests at the home of Mr. and Mrs. Don Starr of River St. were Ethel Bulson and Rose Lomonaco, of Plymouth.

A former Northville boy who is making the Army his career would like to hear from Northville residents during the holidays. Write to: Sgt. Paul Clymer, R.A. 36498654, 164th M.P.P.W. Pw. Co., A.P.O. 973, c/o Postmaster, San Francisco, Calif.

Mrs. Lydia Ebersole of West Main St., enjoyed Sunday dinner

with her son, Wilbur, and family of Plymouth. The dinner celebrated the 12th birthday of her grandson, Tommy.

Alvis Taubee of Wixom Rd. returned Monday night from a hunting trip to Baldwin, Mich. He was accompanied on the trip by Art Chapman and Ray Deaton of South Lyon.

Rummage Sale at the Methodist Church House Friday, Nov. 20, 10 to 5, and Saturday, Nov. 21, from 9 to noon.

Linda Marie Black, daughter of Mrs. Laurie Black, was baptized Sunday in the Lutheran Church by the Rev. E. E. Rossow. Following the ceremony, Doris Wick, the child's grandmother, entertained the sponsors and friends at a Sunday dinner. Guests included Diane Woodruff of Walpole Lake and Lyster Wick of Northville, who were sponsors; Mrs. Laura Black, Fred Wick and Mrs. Inez Marks and daughter, Sandra.

Rummage Sale at the Methodist Church House Friday, Nov. 20, from 10 to 5 and Saturday, Nov. 21, from 9 'til noon.

Mr. and Mrs. Charles Denune of Wing St. spent Wednesday and Thursday of last week visiting the former's father, Mr. J. L. Denune, in Columbus, O. It was the elder Mr. Denune's 80th birthday.

Max Burns and his sons, Jerry and Darryl, have gone deer hunting at Manistique, their former home. While there they will visit with Mr. Burns' parents, Mr. and Mrs. Walter Burns.

Jerry Burns is visiting his parents, Mr. and Mrs. Max Burns, on a 15-day furlough from Fort Sheridan, Ill.

Wednesday afternoon at 3:45, Brownie Troops 6 and 19 held a joint investiture ceremony at the Scout Hall. Leader of Troop 6 is Mrs. Riley Allen, with Mrs. Stuart Campbell and Mrs. Gerald Doub as co-leaders. Mrs. Robert Shafer, with Mrs. Gordon Hubbert as co-leader, heads Troop 19. Following the ceremony, refreshments were served.

Legitimate business pays as well as anything else if you stick with it.

A good time is something that everyone expects to have.

### USE HONEY ON HAM

Brush or drizzle honey on that ham during the last half hour of baking, suggest food authorities at Michigan State College. It adds flavor and gives a golden glaze—and, it's plentiful these days.

## Gift Fund Swells Hospital Memorial to \$132,000

A total of \$132,680 in memorial gifts has been subscribed to the St. Mary Hospital Building Fund, it was announced this week.

A memorial gift is a room or an item in the hospital which can be designated as a memorial to a loved one.

Herbert Hart, chairman of the memorial gifts committee, pointed out that a memorial can be obtained at a cost of less than 88 cents per day.

"I can think of no better way to preserve the memory of someone dear than to have some part of our new hospital dedicated to his or her memory. Those who can afford a memorial should consider this plan seriously."

The hospital is to be located in Livonia but will serve all communities in this area.

Memorial donors living in the communities to be served by St. Mary Hospital are as follows: Dr. R. M. Atchison, King's Daughters, Mayor Langfield, Dr. I. L. Sparling and Dr. R. G. Wetterstroem, all of Northville; Bernard C. Adams, Mr. and Mrs. H. E. Coolman, Dr. Joseph J. Gadbaw, W. J. Gardner, Dr. Lee Halstead, Herbert W. Hart, Mrs. Jennie Smith Hart, Joseph Himmelsbach, Mrs. George Hohwart, Frank J. Knight, Dr. Theodore W. Ling, Sebastian Mancuso, Karl Ritter and Mrs. Edward W. Smith, all of Farmington; Henry Alper, Ed Conway, Charles Cook, the Felician Sisters, O.S.F., Rocco Ferrera, Abe Green, Dr. Loris Hotchkiss, Madonna College Alumnae, Dr. I. J. Palmisano, Dr. O. P. Rosbolt, Tony Rossi, Dr. George R. Rovin, Max Stollman, Philip Stollman, W. W. Edgar, A. H. Etterheimer, and Harry S. Wolfe, all of Livonia.

William E. Gapen, Frank Henderson, Mr. and Mrs. Floyd Kehrl, Mr. and Mrs. Russell Powell, Paul J. Wiedman, Inc., as well as several anonymous donors, all of Plymouth; and the Automotive Rubber Co., Inc., Dr. M. J. Franjac, the George Trapp Company, all of Redford.

The campaign committee has decided to conduct the door-to-door canvass of the neighborhood after Jan. 1. This allows time for recruiting an even greater number of workers. Although the response on the part of the volunteer workers has been gratifying, it is necessary that more be enlisted in order that the task of visiting all the homes in the community be carried out more effectively.

Mrs. Mae Neff of Scott Ave. visited friends and relatives in her home town of Mio this past week end.

## Births...

Mr. and Mrs. Clyde Wheaton of Horton St. announce the birth of a daughter, born Tuesday morning in Garden City Hospital. The baby, unnamed as yet, weighed seven pounds, two ounces.

William James is the name chosen for their new son by Mr. and Mrs. Alfred Bush of Fairbrook Ave. The baby was born in Sessions Hospital and weighed eight pounds, eight ounces.

Mr. and Mrs. Raymond Hinz are the proud parents of a girl, born Friday, Nov. 13 at Sessions Hospital. The seven pound, 12 ounce girl was named Teresa.

## Holiday Recipe For Small Fry Fun

Their own "real movies" at home provide exciting fun for youngsters in a happy holiday party they can plan themselves.

Holiday parties are such fun! Let your youngsters enjoy them to the hilt, but make it easy for yourself and important to them by letting them do their own entertaining.

How about a party of their own—a "real movie" party at home with "theater tickets" they send as invitations to their friends? Invite their favorite celebrities to do the show—Woody Woodpecker, Howdy Doody, Mighty Mouse—even Santa himself in that favorite theme, "The Night Before Christmas"—all in the form of real Hollywood movies you can get from any camera store in 8mm and 16mm subjects at very low cost. If you don't have the projector, you can rent or borrow one.

Refreshments can be simple and easy. Make snowy popcorn balls or frosted gingerbread, animal cut-out cookies or marshmallow snowmen, for gay and tasty treats. Presto! You have a party that's easy on you, on the house, and on the neighbors, too. And the children will simply love it.

## Candy Bars Spell Merry Christmas

This is a most practical Christmas decoration. Because every bit of it—with the one exception of poor Santa's head—can be eaten. And each piece is delicious!

Turn the backs of Milky Way bars—then letter them with icing. This is easy to do, even for the most amateur confectioner. Use the recipe that follows. One letter of MERRY CHRISTMAS is etched on each bar with the aid of a pasty bag. The result is a gay-looking, good-tasting decoration that's bound to be the delight of Christmas parties. And, how easily this idea can be adapted to other holidays of the year.

### Regal Icing

1 cup confectioners' sugar 1/2 cup boiling water  
1/4 teaspoon cream of tartar 1 egg white

Put all ingredients in a large bowl. Beat with rotary beater or electric beater at high speed until frosting is thick enough to stand in peaks. This will take 15 minutes or more, but it does the frosting no harm to interrupt the beating from time to time.

### Organization Notes:

## When and Where

A List of Meeting Times and Places

### Methodist W.S.C.S. Circles

The circles of the W.S.C.S. of the Northville Methodist Church will meet Tuesday, Nov. 24 for pot-luck luncheon and a business meeting.

The Grace Tremper Circle will meet at the home of Mrs. Hazel Boyden, 230 First St., while the Bertha Neal Circle will meet with Mrs. Sarah Miller, 42770 First St. (Waterford). The Lucy Filkins Circle will meet at the home of Mrs. Merner Elber, 321 Rayson St.

### Lutheran Ladies Aid

The Lutheran Ladies Aid will meet in the parish hall today (Thursday) at eight o'clock. Mrs. Marion LeFevre will act as hostess.

### Pre-School Play Group

On Tuesday, Dec. 1, the Northville Cooperative Pre-School Play Group is sponsoring a square dance to be held from eight to 11 o'clock in the high school gym. Dave Palmer will be the caller. Admission is \$1.50 a couple.

### Northville Mother's Club

The Northville Mother's Club will meet Monday, Nov. 23 at eight o'clock at Mrs. Eldon Bieri's home on West Dunlap St. Mrs. Paul Terry and Mrs. John Blackburn will be co-hostesses at the social evening, which will honor new members Mrs. Wayne Wilcox, Mrs. Irvin Marburger and Mrs. Harry Richardson.

### American Legion

Beginning Nov. 20, the Northville American Legion will sponsor an entertainment program every Friday night at 8 p.m.

### O.E.S. Chapter No. 77

A regular meeting of O.E.S. Chapter 77 will be held Friday, Nov. 20 at 7:30 in the Masonic Temple.

### Home Demonstration Meeting

The next Wayne County Home Demonstration leader's meeting will be held Tuesday, Nov. 24 from 9:30 to 3:30 at the Northville Library. Miss Emma DuBord, Wayne County Demonstration agent, will discuss "Building Sound Attitudes", one of the year's major lessons.

### B.P.W. Club

The regular monthly meeting of the Business and Professional Women's Club will be held at the Methodist Church Monday, Nov. 23. Dinner will be served at 6:30.

### U. of M. Alumni Club

The U. of M. Alumni Club will meet Tuesday, Dec. 1 at 6:30 p.m. at the home of Dr. and Mrs. Waldo Johnson, 22647 Novi Rd. for a pot-luck supper. Members, prospective members, and anyone interested in the University is invited.

Northville Woman's Club  
Northville Woman's Club will meet at the library Friday, Nov. 20 at 8 p.m. The speaker will be Dr. Colton Storm, assistant director of Clements Library, U. of M. Northville teachers are invited.

## Tips on Storing Clothes - Via Mrs. Samuel Geraci

For you homemakers who have not as yet put your summer clothing in storage, here are a few tips from Mrs. Margaret Hearn, of Michigan States' textile and clothing department, relayed by Mrs. Samuel Geraci of Clement Rd.

Don't bother ironing all that clothing, says Mrs. Hearn. It will wrinkle no matter how carefully it's packed. But be sure that everything is clean. And don't store starched articles—starch attracts silverfish and, over a period of time, will weaken the fabric. Summer shoes will look much

more attractive if you have them repaired and polish them before you store them. Stuff them to preserve their shape, using either tissue paper or newspaper. Ordinary shoe trees tend to stretch the leather.

After packing, seal the storage boxes with masking tape, and then label the boxes. Identifying labels on boxes can save you hours later on. Each label should bear a complete list of everything contained in the box.

So don't spoil your winter clothes by stuffing them in overcrowded closets—start storing for summer.

## Bill Puzzles Village Fathers - Then Chief Denton Explains

The Village Commission was a bit puzzled Monday night when it received a bill for \$1.86 from a Livonia restaurant.

Then Police Chief Joe Denton explained.

Seems the Livonia police department has offered to provide overnight accommodations for prisoners arrested in Northville, if the Village will pay for the prisoners' supper.

"I figure that's cheaper than hiring a guard to watch our jail all night on the rare occasions when we have a tenant," the Chief said.

## Langfield, Ill

Commissioner Claude Ely presided at the Village Commission meeting Monday night, in the absence of Mayor Conrad E. Langfield.

Langfield has been ill for the past several weeks.

USE RECORD CLASSIFIEDS

Nothing makes a youngster happier than to have a chance to show Dad one of their accomplishments at school. At left, Joan Malik, a fourth grader, proudly shows her father, Joseph Malik, and younger brother, Tom, a picture she helped prepare. Looking on at right is Joan's teacher, Miss Ada Fritz. In the center picture, young Jim Cowie prepares for that distant day when he'll be allowed to drive. Jim is testing his reaction time at a display sponsored by the school's driver training class. Recording the data at left is Donna Brooks. To her left are June King, Thomas Heatley and Janice Lyke. At far right, Mrs. Robert Niemi, Mrs. Earl Ryder and Mrs. Nelson Schrader pause on their rounds to chat with high school teacher Ron Schipper.

## Chief Denton Warns Motorists to Prepare for November Snow Storms

Police Chief Joe Denton warned today that November snowstorms (when and if they come) can be more hazardous to motorists than January blizzards since they come unexpectedly and find many motorists unprepared both mechanically and psychologically for the problems that snow driving brings.

Right now is the time, Denton emphasized, for all wise motorists to observe the following safety rules:

1. Don't blame accidents on the weather; be prepared for bad weather.
2. When snow comes, get the "feel" of the road when starting out.
3. Keep the windshield clear of fog and frost, and be sure head-

lights, windshield wiper blades, and defrosters are working.

4. On snow and ice, use tire chains. They cut stopping distance in half, and give 4 to 7 times greater traction.
5. When you have to stop, don't jam on the brakes. "Pump" your brakes to avoid skids.
6. Follow other cars at a safe distance. Give yourself room in which to stop.

## No. 2: You Can't Stop in 10 Feet at 10 Miles Per Hour

That pedestrian who pops out from between parked cars can put you on the spot. The parked car hides him until the last second. When you are far enough along to see him you may have only 10 feet in which to stop.

That fatal triangle in the drawing tells the story. See how close the car is before the line of sight of the driver can reach the pedestrian. He only has to move 5 feet to be in front of you.

At 10 miles per hour your reaction time of  $\frac{1}{4}$  of a second moves you 11 feet before your foot hits the brake. You will still skid 7.5 feet before you stop. In 18.5 feet you would have run over him.

Michigan Association of Chiefs of Police  
Michigan State Safety Commission  
Automobile Club of Michigan

Denton said that the report of the National Safety Council's Committee on Winter Driving hazards has found that snow tires with special treads cannot approach tire chains for safety.

Even less reliable, Denton added, are so-called "inertia" or gyro type anti-skid devices. These, he explained, are mysterious pipe-like gadgets which are being widely sold and installed under the rear frame or luggage trunk of automobiles, on the claim that they prevent winter skids. National Safety Council tests, the chief said, show these so-called "stabilizing" devices to be of no help whatever on snow or ice. He warned against being misled into trouble by a false sense of security.

## Livonia Reports Big Increase in Home Building

Residential building in Livonia for the first ten months of 1953 has surpassed the combined total of home construction during 1950 and '51, the city's first two years of incorporation.

The 88 building permits issued last month brings the total of new homes in the city this year to 1,236. 1950-51 saw 1,103 homes constructed in Livonia.

The 1952 total of 905 new homes was exceeded during the first seven months of the current year.

**VALUATION INCREASE**  
Dollar-wise, home building for the first ten months of this year shows a valuation of \$13,828,825, according to Donald Wilson, Livonia's chief building inspector.

This figure is over \$3 million more than the total valuation of new homes built here in 1950-51, and \$4 million over last year's total.

Commercial building also continues at a brisk pace in Livonia, with 75 building permits already issued this year. Valuation on these buildings is \$1,182,200.

Sixty-three commercial permits were issued in 1952, 29 in 1951, and 93 in 1950.

April was the busiest month for residential construction this year. Permits that month totaled 264, with a \$2,795,050 valuation.

Twenty-nine permits were issued in January, 116 in February, 195 in March, 118 in May, 145 in June, 72 in July, 116 in August, and 93 in September.

### IT'S TRADE-IN TIME FOR A BETTER DEAL

Want top allowance on your present car? See us this week for a deal that will raise your pride. Now is your chance to drive a moneysaving bargain.

## It raises your pride and races your pulse

**Y**ou feel it the moment we turn over the keys to you.

You now own the handsomest "hardtop" around - a Buick Riviera - and the warm glow goes all through you.

But not alone for the racy beauty of the car.

You feel that prideful surge, too, from the fact that here you bought yourself a whale of a lot of room and power and soft luxury and ride steadiness—for a lot less than you expected.

For the automobile pictured here is a Buick SPECIAL Riviera—which means it delivers locally for just a few dollars

more than the "hardtop" models of the "low-price three."

But it's only when you drive away in your bounteous new beauty that the real thrills begin and the satisfaction deepens...

When the highest Fireball 8 power in Buick SPECIAL history whispers away the miles with effortless ease...

When Twin-Turbine Dynaflo\* gives you instant getaway response with silken smoothness, and the Million Dollar Ride levels every inch of your way...

When the deep wide seats cradle you in spacious comfort and the great glass

areas give you visibility practically unlimited.

Surely you ought to look into this great Buick that's so prideful to own, so thrilling to drive, so easy to buy. We'll be happy to arrange a sampling. Can you visit us this week?

## - LEGALS -

Donald B. Severance, 707 Federal Building, Detroit 26, Michigan  
**STATE OF MICHIGAN**  
County of Wayne  
ss. 414,243

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the ninth day of November, in the year one thousand nine hundred and fifty-three.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of AUGUSTA FOSS, also known as AUGUSTA FOSS, Deceased.

An instrument in writing purporting to be the last will and testament of said deceased having been delivered into this Court for probate:

It is ordered, That the Eleventh day of December, next at ten o'clock in the forenoon at said Court Room be appointed for proving said instrument.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

James H. Sexton, Judge of Probate  
I do hereby certify that I have compared the foregoing copy of the original record thereof and have found the same to be a correct transcript of such original record.

Walter D. Holland, Deputy Probate Register

## Scout Building Open to Students During Noon Hours

The Recreation Building on Dunlap St. will be open from 11:30 to 1:30 on weekdays for use by school children, Recreation Director Wilson Funk announced this week.

The program started this Tuesday. Students will be free to eat, read, play pool or just plain relax during the two hour period.

The Northville Boys Club plans to sell hot dogs, milk and pop to youngsters who want to buy their lunch at the building.

The building was opened as a result of a request by the Student Council at Northville High School.

## School Students Receive Shots

Northville school students were given toxoid shots and vaccinations Wednesday.

Some of the youngsters received their third toxoid shots plus a vaccination while other youngsters were inoculated with their second toxoid shot.

Miss Ruth Knapp, school nurse, supervised the inoculation. Assisting her were Mrs. Beatrice Herbert, R.N., Mrs. M. J. Willings, R.N., Mrs. James Cowie, Mrs. William Weidner, Mrs. Lawrence Hiltz and Mrs. Lawrence Hills.

## NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a public hearing on an amendment to the text of the Zoning Ordinance of the Township of Novi, to provide for the regulation of Trailer Coaches, Trailer Coach Parks, the Moving of Buildings and Performance Requirements for all Uses, will be held at 8:00 o'clock P.M. Eastern Standard time at the Township Hall located at 25850 Novi Road, November 24th, 1953.

NOTICE IS FURTHER GIVEN that a copy of the tentative text may be examined at the Township Hall during the office hours each day, Monday through Saturday, until the date of the public hearing.

## NOVI TOWNSHIP ZONING BOARD

George S

# Livonia . . .

(Continued from Front Page)

eral years in the future. The church is now used as a court room, for council chambers and meetings of the zoning board of appeals, the planning commission, parks and recreation meetings, civil defense meetings and as a voting precinct. It is also available for all public meetings, and

is constantly in use for this purpose.

**Save Residents \$50,000 a Year**  
"An additional factor is that the 'old chicken coop' has been converted into our third fire station. This improvement in our fire fighting equipment has brought Livonia residents a reduction in fire insurance rates that is saving them \$50,000 a year in insurance premiums. Savings from this source alone will be equivalent to the entire \$300,000 cost of our new city hall in six

years. It has already been paid for, without any increase in taxes."  
Free Press—"Many Livonia people learned suddenly to their horror that they had not checked the township zoning ordinance when erecting homes. Some residences had been built in what should have been industrial zones. "So a new zoning ordinance was drawn up. Pronto, protest meetings, charges of 'special interest', a court restraining order, threats of libel suits, and finally a costly referendum before the ordinance

## Bagwell Appointed Head of 1954 State March of Dimes Campaign

Paul D. Bagwell, head of the Department of Communication Skills at Michigan State College, has been appointed State Chairman of the 1954 March of Dimes. It was announced today by Basil O'Connor of New York, president

could go into effect."

Mrs. Clark—"The referendum cost the city \$700, which wasn't very costly. While no zoning ordinance is 'perfect' and suits everyone, the fact that it was approved by a 2 to 1 majority shows that it is pretty well liked by most people."

Free Press—"Three new industries moved to Livonia and needed sewers. So the first big sewer had to be built through the very section of the city that most bitterly opposed incorporation."

Mrs. Clark—"Industry is paying 70% of the cost of the sewer, and it is located mostly in vacant land; not in a portion of the city that opposed incorporation."

Free Press—"Health authorities claimed seepage from many new septic tanks was flowing over lawns and past schools. The city tried to get special assessment bonds approved for sewers, even agreed to pay a big share of the cost. Result: Political row, still unsettled. Seepage continues."

Mrs. Clark—"The special assessment sewer bond issue was approved Tuesday, Nov. 17 by the Michigan Municipal Finance Commission."

## Pal, Hero of World War II, Dies at Age 11

Mr. and Mrs. Forrest L. Doren of Randolph St. are mourning the death of one of Northville's World War II heroes.

The medal holder was Pal, an 11-year old German shepherd dog with a record of meritorious service during World War II. Pal died last week of old age.

During the war, Pal served with the Army's K-9 Corps as a sentry at prisoner of war camps and army bases.

The Dorens bought Pal in 1945 as "war surplus" and he had been with the family ever since.

The man who owns but one suit is spared at least one decision every day of his life.

of the National Foundation for Infantile Paralysis.

In announcing the appointment of Prof. Bagwell, Mr. O'Connor said he looks to Michigan to play an important part in the raising of \$75,000,000 nationally to continue the fight against polio.

"For the first time since the National Foundation was organized, we are embarking on a costly program of polio prevention," Mr. O'Connor said. "In this program, we are earmarking \$26,000,000 for the manufacture and field trials of a new vaccine against polio and stepping up our program of administering gamma globulin, the successful, but temporary preventive."

### OUTSTANDING JOB

"It is a pleasure to have a man of Mr. Bagwell's caliber on the polio-fighting team. He has demonstrated his interest in the program and will do an outstanding job in the great state of Michigan."

Under Prof. Bagwell's direction, the 1953 March of Dimes raised over \$2,000,000 in Michigan. Because of the great onslaught of infantile paralysis in this state during the past five years, this amount and more has been spent in 1953 to pay the cost of medical care and hospitalization of Michigan victims.

Plans for the 1954 campaign are now being made in all of the state's 83 counties. It will be held during the entire month of January and will be climaxed in most areas with a "Mothers' March on Polio" on the night of January 29. On that night, thousands of volunteers will collect funds in a house to house campaign where porch-lights will signal the occupant's desire to give voluntarily.

Prof. Bagwell is widely known for his service as president of the U. S. Junior Chamber of Commerce in 1948-49. In 1950 he was named "Outstanding Citizen of the Year" by the V.F.W. Auxiliaries. He is now a member of the U. S. national commission on UNESCO.

Nancy Dewsbury and Winifred Welch study their lines in "Dear Ruth", which will be presented by the senior class of Northville High School at the Wayne County Training School Auditorium Dec. 2 and 3. Nancy and Winifred will share the title role in the Norman Krasna comedy.

No television or radio program ever was so good that somebody in the room didn't think his two cents' worth of chatter was better.

## MICHIGAN MIRROR

A REPORT FROM THE CAPITOL  
by Gene Alleman

**BURSTING POINT** was nearly reached in Lansing by politicians waiting for Governor Williams to announce plans for his political future.

Both friend and foe have been wanting to know what course Williams will take in order to pattern their own. Since the Governor hasn't been saying, pressure has been building up for action. But political strategy demands that the governor's course be outlined before action takes place.

There are rumors, of course. "Williams has decided to enter the field of national politics and run for senator. Phil Hart will get his blessing in governor's race."

"Williams has decided to run for a fourth term as governor. Blair Moody is anxious to take on Sen. Homer Ferguson in the next election."

The governor has not yet decided. "The governor has decided and is waiting for what he considers the most opportune moment to capitalize on his position."

Things will happen fast when Soapy does announce his decision.

Until that time, reports of disgust among "fellow-Democrats" and dissatisfaction of labor backers are common.

Timing is causing trouble for Republicans too.

But Senator Homer Ferguson who may be faced by Williams in a contest for his position, wasn't badly handicapped by not knowing who his candidate will be. If he had the information, he might have been able to pattern his recent campaign tour to be more effective.

The senator just completed a 90 day trip into 72 of Michigan's 83 counties. He made as many as 11 speeches a day while covering 11,000 miles, for a total of 600 talks to 100,000 people. He found plenty to discuss—mostly the significance of national situations. "I've been explaining what we're trying to do, and I have had a very fine reception," says the senator.

All-but-announced candidate, Donald S. Leonard, police commissioner of Detroit, is under pressure to act. Detroit's Mayor Cobo is reported to be tired of the present situation. He is said

to be pressing Leonard to get all the way into the political swim, or to take off the "swimming costume" and spent all his time running the city's police department.

Worst kept secret of the coming campaign was the plans of State Treasurer D. Hale Brake. When he announced his candidacy three weeks ago, no one at the Capitol was surprised. But his candor permits him to set up campaign machinery openly. A Brake For Governor club has already been formed and boasts more than 200 members.

Brake says that he has stepped aside previously in hope of party unity; that he is in this campaign to stay.

**TEACHER SHORTAGE** in Michigan is bad, but there's disagreement about how bad.

The National Educational Association reported that Michigan's need is greater than any other state—9,000 during the 1952-53 school year.

Dr. Clair L. Taylor, state superintendent of schools, would not affirm this figure. He set Michigan's need at 5,500. In Dr. Taylor's opinion, the state's need is worse than any other except California. For the 1953-54 year, he places the number of additional teachers needed at 7,000.

Average yearly salary for Michigan teachers was computed to be \$3,900. California, Maryland and New York are only states with a higher figure.

**ONLY HALF AS MANY DEER** will be killed this year as was taken in 1952, say game experts. Some are predicting less than that. Last year about 160,000 deer were taken. Conditions were favorable: large herd, some ideal weather, a special season of three days. Conversely, Monday dawned in Michigan on a much smaller herd, weather is uncertain, special season is only one day.

Conservation officials are hopeful, but not sure, that enough deer will be killed to eliminate starvation among those remaining in the woods.

**MORE BABIES THAN EVER** were born in Michigan during September. Health Department figures show that 16,966 new citizens arrived to establish a new record. During the first nine months of 1953 a total of 130,938 births have been recorded compared to 128,844 during the same period in 1952.

Predictions for the whole year are 176,642 new babies. This will be a new grand total for Michigan.

## Jerry Warren's Band Will Play at J-Hop

Northville High School's annual J-Hop will be held next Friday, Nov. 27 from nine until one o'clock in the high school gym. Jerry Warren's orchestra will provide music for the evening, and will play all requests. Besides smooth popular numbers the orchestra plays rhumbas, mamboes, tangos and waltzes. Admission is \$2.00 a couple.

## News About Salem

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY

### CHURCH NEWS

The Salem Federated Ladies Aid will meet at the Arthur Dahl home Thursday, Nov. 19 with a pot-luck dinner at noon and election of officers. Plans will be made for the Christmas party and cancer pads will be finished.

The young people of Salem Federated Church will meet again this Thursday in the parsonage for their Prayer and Bible Study class at 8 p.m.

Rev. Perry Temple of the Bible Meditation League will be guest speaker at the Salem Federated Church on Nov. 29. He will have with him kodachrome pictures showing Gospel literature in action among orphans and refugees of Korea.

### EXTENSION NEWS

The Salem Extension Club met at the home of Mrs. Ruth Gates with a good number present. The business meeting was held and plans for a Christmas party made. The remainder of the evening was spent learning how to make brocade pillow tops, after which a delicious lunch was served.

### IT'S A BOY

Mr. and Mrs. Fred Brockmiller, Jr. of Milford are announcing the arrival of a son born Saturday, Nov. 14. He weighed ten pounds and six ounces. Mrs. Brockmiller is the former June Trapp of Salem.

### SOCIAL NEWS

Mr. and Mrs. Calvin Wheeler and granddaughter, Ann, were Wednesday dinner guests at the A. C. Wheeler home.

Mrs. Emily Lewis is recovering from an operation. She is in New Grace Hospital.

Mr. and Mrs. Glenn Hardesty are glad to be moved into their new home.

Holly Opdycke is reported on the sick list.

Mrs. Pauline Merritt picked a bouquet of larkspur in her garden Friday afternoon. This is unusual for this time of the year.

Mrs. Oscar Kuhn spent Thursday evening with Mrs. Pauline Merritt.

Mr. and Mrs. Howard Shipley were Sunday afternoon callers at the George Bennett home.

Mrs. Don Butler of Napier Rd. was a week end guest at the George Bennett home.

Mrs. Marcel Mantyk and Shirley Stacey were Saturday afternoon callers at the Charles Stacey home.

The Salem Fire Department was called to a grass fire on Chubb Rd. Saturday morning.

Mr. and Mrs. Charles Raynor, Jr. were Sunday dinner guests at the Charles Raynor home.

Mrs. Carleton Hardesty entertained guests at a Stanley demonstration Thursday evening.

Henry LaMont has been released from University Hospital.

Mrs. Charles Raynor, Jr. en-

tertained guests at a Stanley party Saturday evening.

Virginia, Mary and Ruth Birkelbaw were Sunday guests at the Lloyd Birkelbaw home.

### SCHOOL NEWS

George Clemens is back in school after a week's illness.

Barbara McGarry, Diane Alexander, Jerry Pullen and Susanne Tibbs are back in school. They had the flu.

Johnnie Young, Sharon Tanner and Cynthia Honke are ill.

The primary room is making Thanksgiving books.

Kenneth Hardesty caught a coon.

Elizabeth Buers was visiting some friends in Brighton when the little boy she was visiting cut her lip with an axe. Fortunately the accident was not serious.

George Hawes, Charles Hawes, Janice Lyke, Jo Raynor, Patsy Fagen and Darlene Nagel visited the primary room last Friday. Charles drew a fine picture of an airport for us.

Frank Gendron, county 4-H agent, was at the Town Hall last Wednesday, and organized a Community Club with the Sewing and Handicraft Clubs from Lapham Corners and Salem Union. Nov. 28 they will meet again and elect officers. Mrs. Compton and Robert Wilson are in charge.

The fifth through eighth grades have finished their achievement tests.

Charles Sulkowski, Billy and Dennis Young have been out with colds.

The eighth grade square dance with the "Rhythm Rascals" will be held this Saturday at 9 p.m. It will be held in the Town Hall.

### ★ Try The Want Ads

**STORM DOORS AND SASH, THE KIND TO BEAT THE WINTER'S COLD AND SNOW AND SLEET**

Maybe you have storm windows and doors but you are overlooking a possible bad heat loss problem if you have not insulated the attic. Zonolite House Fill is a pouring type easy to use which will give excellent results and a couple of hours time will do it.

**It's a Deal!**

**You want a New Ford!**

**We want your old car!**

### HERE'S A SUGGESTION:

Drive in today to see the new, "Worth More" Ford. While you're seeing for yourself the many features that make Ford your best buy, we'll give you a price on your car. And it'll be a price you'll like! Just pick out the model you want (Ford has eighteen of 'em) and the deal's practically made! We're prepared for quick delivery and your old car will probably be your down payment. It's as easy as that. Should take less than an hour—15 minutes for business details and the rest of the time for us to show you first hand that Ford is the car that delivers the most for the money.

Crestline Victoria V-8 illustrated

## THE '53 FORD DELIVERS THE MOST FOR THE MONEY!

Its 41 "Worth More" features make Ford worth more when you buy it...worth more when you sell it!

From front end (where road shock is reduced up to 80%) to back (where the convenient Center-Fill Fueling is located) Ford is the most car for your money! A short drive around the block makes Ford's many features stand out. You sit on comfortable foam-rubber seats—only Ford in its field has them on all seats in all models. You have no trouble seeing all around you—only Ford in its field has so much glass area. You have your choice of three great drives—completely automatic drive (Fordomatic), Overdrive or Conventional. And again, only Ford in its field offers all three. But take a Test Drive and find out for yourself. All you can lose is your heart!

THE TIME IS RIPE TO TRADE FOR A FORD—  
*Come in Today!*

Brief fellowship period following the service with coffee served. If you have no church affiliation you are cordially invited to worship with us.

An informal parish gathering will be held in the Church Hall on Saturday evening, Nov. 21 at 7:45 p.m. to discuss some important matters pertaining to the life of the parish. All parishioners are urged to attend.

## CHRISTIAN SCIENCE CHURCHES

How everyone may have a healthful body is shown in the Lesson-Sermon to be read on Sunday, Nov. 22, in all Christian Science churches, under the subject of "Soul and Body".

The Golden Text is from Matthew (6:22): "The light of the body is the eye: if therefore thine eye be single, thy whole body shall be full of light."

Among the Bible citations is this passage, (Ps. 104:24): "O Lord, how manifold are thy works! in wisdom hast thou made them all: the earth is full of thy riches."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Beauty, as well as truth is eternal; but the beauty of material things passes away, fading and fleeting as mortal belief." (p. 247)

## SALEM FEDERATED CHURCH

Douglas R. Couch, Pastor  
10:30 a.m., Morning Worship service.

11:45 a.m., Sunday School Blaine Hicks, superintendent.

6:30 p.m., Federated Youth Fellowship.

7:30 p.m., Sunday Evening service.

Wednesday:  
7:30 p.m., Prayer Service and Bible Study.

8:30 p.m., Choir practice.

The Federated Ladies Aid will meet Thursday, Nov. 19 for pot-luck dinner at noon. We will have election of officers and make plans for our Christmas party, then finish the cancer pads we have left.

The young people will meet

## Tangerine Mums A Yummy Dessert

As typical of Christmas as candles, the little zipper-skin fruit from Florida is here again in good quantity to play its part in your Yule festivities. Tangerines in the toes of stockings, and in your fruit bowls, you'll naturally have. And you can let them solve your dessert problems during the holidays, as witness these tangerine chrysanthemums, as pretty and as toothsome a dessert as you could concoct. Simply cut the peel into thin strips with scissors, starting from the stem end and leaving attached at the bottom. Separate the sections at the top, to form a cup in the center of each tangerine, and fill this with raisins. Here the fruit platter is centered with candied grapefruit peel for those who have confirmed sweet-tooth tendencies. Serve with coffee, and forget waistline worries! Fruit is sensible after heavy meals, and tangerines, like other members of the citrus family, are excellent sources of vitamin C.

**Candied Grapefruit Peel**  
2 Florida grapefruit  
½ cup sugar  
Remove peel in 4 lengthwise sections from each grapefruit. Cover with cold water; boil 12 minutes; drain. Repeat 3 times, cooking the last time until peel is tender. Cut peel in thin strips with scissors about ¼ inch wide. Combine sugar, corn syrup and water in saucepan. Stir over low heat until sugar is dissolved. Add grapefruit peel and cook about 40 minutes, stirring occasionally to prevent peel from sticking to pan. Cook until all or most of the syrup is absorbed. Roll peel, a few pieces at a time, in granulated sugar. Let dry about 24 hours. When dry, store in covered container.  
YIELD: Approximately 1½ pounds

## Christian Scientists Plan

### Special Thanksgiving Service

As is customary in all Christian Science Churches, a special Thanksgiving service will be held on Thanksgiving Day in Plymouth in First Church of Christ, Scientist.

Following the usual order of service there will be a brief period in which members of the congregation may express their gratitude for healings and other help which they have received during the past year.

The Golden Text from Revelation (7:12) to be used for the occasion reads: "Blessing, and glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever."

The Bible citations include Psalms (103:1,2): "Bless the Lord, O my soul: and all that is within me, bless his holy name. Bless the Lord, O my soul, and forget not all his benefits."

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, (p. 3) will be the following: "Are we really grateful for the good already received? Then we shall avail ourselves of the blessings we have, and thus be fitted to receive more. Gratitude is much more than a verbal expression of thanks. Action expresses more gratitude than speech."

again this Thursday in the parsonage for their prayer and Bible study class at 8 p.m.

Nov. 29, Rev. Perry Temple of the Bible Meditation League will be our guest speaker.

## FIRST PRESBYTERIAN CHURCH

Rev. Dr. H. F. Fredsell, Pastor  
Sunday, Nov. 22:  
10 a.m. Sunday Church School with classes for all age groups.

8:00 p.m., Voters Assembly each second Monday of the month.

Lutheran Ladies Auxiliary on each third Thursday of the month.

Holy Communion, first Sunday of each month.

Scouts to Leave for Week End Camp-out

Northville Scout Troop N-1 and Explorer Post N-1 will leave tomorrow afternoon for a week end camp-out at the Brighton Boy Scout camp.

The group of approximately 50 boys will be led by Monroe Weston, Mel Mitchell and Roy Stone.

## BUY BEEF BY GRADES

If you buy beef by grades you'll save on the meat bill, advise home economists at Michigan State College.

Beef from the lower grades is wearing attractive price tags right now—and is plentiful.

These lower grades are the ones you'll use in stews, pot roasts and casserole dishes.

## DR. L. E. REHNER

OPTOMETRIST  
Phone Plymouth 433  
809 Penniman, Plymouth

## HOURS

Monday, Tuesday, Thursday,  
1 P.M. to 3 P.M.

Wednesday, Friday, Saturday,  
10 A.M. to 5 P.M.

## SLOGAN SOUGHT

A slogan is being sought for Michigan State College's Centennial observance in 1955, according to Alvie L. Smith, Centennial director. Suggester titles should be brief, general and unique, reflecting the character of the university, he said. The winner will be honored during the Centennial year. Slogans may be sent to Smith in care of the Centennial Office, Wells Hall, Michigan State College, East Lansing.

## NEWS FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX  
Phone Northville 245-J

### CHURCH NEWS

Last Friday the Young Mother's Club of the Novi Baptist Church had charge of the Family Night supper. A good-sized crowd was present.

Twelve Junior Guild Girls met at the Baptist parsonage last Thursday evening. The group is being sponsored by Mrs. L. Russell of West Grand River.

### DEER HUNTERS

Mr. and Mrs. L. J. Putnam and Clare Lockwood are deer hunting at Lewiston.

Mr. and Mrs. Charles Trickey, Sr. are spending the deer hunting season near Mio.

Don Walters and Jim Graybeck were at Curran at the opening of the deer hunting season and expect to go back again later.

Luther Rix and son, Ed, of Plymouth were deer hunters for the week end at Evert.

### ON SICK LIST

Erwin Martin returned to his home on Eleven Mile Rd. last Friday after undergoing a major operation at Pontiac General Hospital.

Mrs. Anna Hallahan is ill at the home of her daughter, Mrs. George Atkinson and is being cared for by her daughter, Mrs. Hadley Bachert.

Larry Bailey, son of Mr. and Mrs. Bailey, Novi Rd., returned to his classes at school this week after an illness of two weeks.

### SCOUT NEWS

Cub Scout Pack 54 held their Harvest Fair Friday, Nov. 13 at the Community Building. It was very successful and a good time was had by all.

Novi Girl Scouts are engaged in the annual sale of Girl Scout calendars, the proceeds of which go principally toward financing Michigan girl scout camps. Mrs. Leo Harwood's Intermediate Scouts are taking orders from parents and friends, while Mrs. Kenneth Bassett's troop will set up display tables at the Novi Post Office and Porritt's Restaurant. The calendars will be on display from ten o'clock until noon Saturday, Nov. 21.

### SOCIAL NOTES

Mr. and Mrs. Sam MacDermid are the proud parents of a baby boy born Nov. 15. The baby weighed eight pounds and has been named Gerald Samuel.

Mrs. Russell Race celebrated her birthday last Thursday with a party prepared for her at the Country Convalescent Home on Wixom Rd., where Mrs. Race is nursing at the present time.

Mr. and Mrs. William Paquette and children, Dennis and Janice, have moved into their new home in Clark's Subdivision.

The new caretakers for the Novi Township Hall are Mr. and Mrs. Napoleon Dompierre of Farmington. They moved into their apartment with their two children.

## Refrigerator MOTORS

When your refrigerator motor needs replacing, why not have us install a Delco, the choice of leading manufacturers because of their quiet operation, long life, peak performance and dependability. Delco builds a size and type for all makes.

ren last week.  
Mrs. Henrietta Hicks of Detroit is spending a few days of this week with her daughter, Mrs. Erwin F. Geppert and Mrs. Russell Taylor of Novi Rd.

Mr. and Mrs. Andy Kozak and daughter, Kim, moved last week into their new home in Clark's Subdivision.

Mr. and Mrs. Harry Drayton and son, Russell, who now live on a farm near Howell, were Sunday visitors at the home of Mr. and Mrs. William Mairs.

### W.C.T.U.

The Star Federation of the W.C.T.U. will hold its Institute Tuesday, Dec. 1 as the guests of a new union at Beach Park. The Novi Union will be helping with the program.

At the November meeting of the Novi Union W.C.T.U. held at the home of Mrs. Elwin Deering in Northville, the following officers were elected: Mrs. William Mairs, president; Mrs. A. McCollum, vice-president; Mrs. Belle Walter, secretary, and Mrs. Fred Garlick, treasurer.

### NOVI SCHOOL NEWS

The open house at school last week was well attended. The teachers would like to thank the people of Novi Township for their cooperation. Everyone enjoyed visiting in the rooms and especially liked Mr. Ellison's fine talk.

Mrs. Garner's first grade and the eighth grade had the highest percentage of visitors for open house. Each room received a prize.

The seventh and eighth grades have started their basketball practice in preparation for playing many new teams this year.

The Junior Red Cross drive in Novi School has ended with a collection of \$31. Mrs. Ritenour's sixth grade made the largest contribution.

The fifth grade pupils have just finished making salt and flour relief maps which they painted with water colors.  
Michael O'Neill had charge of the fifth grade fudge sale this week.

The third and fourth grades engaged in a spelling bee last Thursday afternoon with the third grade victorious.

Novi School has one new pupil, Jacqueline Miller, in kindergarten.

Leaving Novi School for Oakley Park is Mary Spencer, fourth grade pupil.

First grader Beth Ann Remein, has a new baby brother, David Alyn, born Nov. 9 at Sessions Hospital, Northville. Congratulations, Beth Ann.

### Novi Lodge News

Brother Erwin is recuperating at his home after several weeks treatment including an operation at Pontiac General Hospital.

Delegates Irene Kahrl and Irene Wendland and several other members attended the district meeting at Pontiac last Friday. Eighteen sisters put on a humorous square dance in costume for the entertainment on the program.

Twenty-eight members of Novi Rebekah Lodge visited Plymouth Rebekah Lodge Friday, Nov. 13. The Novi Degree Team conducted ceremonies for candidates joining the Plymouth Rebekah Lodge.

The Novi Past Noble Grand Club meets at the hall Thursday of this week, Nov. 19, for dinner and afternoon meeting, with Sisters Susie Mairs and Rena Lindner, hostesses.

Several Brothers of the I.O.O.F. Lodge at Novi attended "Visitation" at Clarenceville Wednesday night of this week.

# Northville Two Yards Away From Title---But Keego Wins

## Lapse By Official Helps Seal Fate of Mustangs

Northville High School came within two yards and seven points of the Wayne-Oakland County League football championship.

But close isn't good enough. Instead of dusting off a spot in their trophy case to install a memento of a 1953 league championship, the Mustangs must content themselves with the loser's traditional lament:

"Wait 'til next year."

The Keego Harbor Presidents—aided by an official's apparent mistake and Northville's inability to move inside the ten yard line—won the title last Friday night at Ford Field by taking a 6-0 victory.

Thus, Northville ended its season with a 4-2 league record and a 6-3 overall count.

The game's lone touchdown came with less than seven minutes gone and, as was the case in Northville's other league loss, it came on a questionable play.

### KICK TO MID-FIELD

Northville received the opening kickoff but couldn't move past its own 30 yard line. They kicked to midfield and Keego took over.

After two tries at the line produced little yardage, quarterback Lester O'Shaughnessy dropped back and pumped a 25 yard pass to end Dennis Singleton behind the Northville secondary. Singleton streaked down the right side of the field for 25 more yards and the touchdown.

According to just about everybody in jam-packed Ford Field except the head linesman, Keego had five men in the backfield when the play originated.

### SPOT EXTRA MAN

Coaches Al Jones, Dick Kay and Ron Schipper saw the extra man as did three reporters covering the game and dozens of spectators along both side lines. The Keego players also apparently knew they had lined up in illegal formation. They chided their Northville opponents about it the rest of the night.

Jones pointed out the rule violation to the head linesman. The official, however, said he hadn't seen it and the touchdown stood.

Jones was philosophical about the matter Monday morning.

"Actually, the fifth man in the backfield had no effect on the play itself," he said. "The fact remains that the Keego end got

behind our secondary, took a pass and scored a touchdown. However, there should have been a five-yard penalty on the play and the touchdown nullified."

### OFFICIAL'S LAPSE

It is ironical that another lapse by an official was responsible for Northville's other league loss by a score of 7-6 to Holly.

In this instance, Holly got into the scoring position on a long "sleeper" pass which originated directly in front of their own bench. This practice is supposed to result in a 15 yard penalty for unsportsmanlike conduct.

The Keego touchdown not withstanding, Northville had three golden chances to win last Friday night.

On the kickoff after the Keego score, Joe Girardin galloped to mid-field and was nearly in the clear when a Keego man tugged him down on the President 40.

Bob Burgess, Larry Meyer and Girardin powered to the nine yard line but that was the end of the line.

### PASS DROPPED

One running play and three passes—one of them dropped on the one yard line—failed to produce a touchdown.

In the third quarter, Bob Scheffer set up another Northville scoring opportunity when he picked off a Keego pass on the Northville 40 and returned to the Keego 35.

Once again, Northville drove down to within ten yards of the goal line only to sputter and stop. This threat ended when Scheffer was smothered at the ten yard line attempting a pass.

After Keego punted out, Northville roared right back and held the ball on the 11 yard line where Larry Meyer fumbled a hand-off and Keego recovered.

Quarterback Lester O'Shaughnessy was the big offensive gun for Keego Harbor last Friday night as the Presidents nosed out Northville, 6-0, in the Wayne-Oakland County League title game. In the picture above, the Keego quarterback is shown picking his way through a hole in the Northville line. Below, it's Mr. O'Shaughnessy again. However, he didn't go far this time. Little Gene Rebitzke rares back and prepares to drive in for the tackle. Other Northville players in the picture are Bob Burgess (4) and Chuck Rogers (9).

## Wild Life Notes...

### NUT GATHERING—

The ancient and honorable woodland sport of "nutting" may now pay fruitful rewards in more ways than one, the conservation department notes.

This being the season when woodland visitors like to gather the tasty kernels of hickories, walnuts and other tree types, it can also be the time to capture prizes in the annual cash award contest being sponsored by the Michigan Nut Growers Association.

The MNGA wants top seedling nuts of the black walnut, hardy English walnut and hickory types and is willing to pay for them. Three prizes will be awarded for each of the three types.

Entry blanks and rules of the competition may be obtained by writing Dr. James Moulton, the Horticulture Building, Michigan State College, East Lansing.

### RARE BIRD—

Al Harger, biologist at the Houghton Lake wildlife station near Roscommon, recently caught a goshawk, one of Michigan's rarest birds, with his bare hands.

Harger saw the bird one day while making his rounds through brush and woodland near the station. The goshawk, noted for its speed in flight and sharp eyes, was resting on a stump.

Harger has a reputation among fellow workers of being able to move through the woods "like a bashful ghost". In this case, he had to creep and crawl a considerable distance before making a final dash to grab the bird.

Goshawks have been used in the past in falconry, the ancient method of hunting birds and small game. Harger hopes to train his hawk as a test of this hunting method. In the meantime, he'll be able to study the bird's habits.

### TOUGH DUCK—

Probably one of the toughest ducks to ever grace a hunter's dinner table was shot recently on the Munuscong marshes in the Eastern Upper Peninsula.

The male black duck, bearing a federal leg band, was shot early this season by Alphonse LeLievre of Sault Ste. Marie. It had been captured as an adult in 1940 and banded at the Munuscong marshes.

Game men say it's very unusual that a duck should survive that many hunting seasons, or, for that matter, survive 13 years or more under any conditions.

### DEER HUNTING—

Those "easy hunting" days have ended for Michigan buck deer hunters.

The new era of tougher hunting was ushered in last Sunday, Nov. 15, the opening day of Michigan's 1953 buck deer season.

The buck kill will be down this year in the northern lower peninsula, game men say, possibly as much as 25 per cent.

If that's the case, hunters may have to work harder, stalk longer, get colder noses and toes before success comes their way—if it arrives at all.

But while the dyed-in-the-wool buck hunter is, in the future, to be faced with having to work harder for his kill, the day of the deer hunter, as such, is beginning to flower.

For game men insist we no longer can expect to shoot only bucks, but in the future must expect to take all types of deer, including does and fawns, when necessary.

By doing this, the average deer kill through the years can remain at a high level, despite occasional annual fluctuations. However, there will be fewer fortunate hunters who will take home prize racks of antlers in the future.

This year, for example, game men say the buck kill will be down considerably from last year.

At the same time, they expect the total kill of all deer, including deer taken in the special season, to be as high or higher than

## Seven Varsity Men Back as N.H.S. Cagers Open Practice for 1953-54 Campaign

Coach Dick Kay greeted seven returning varsity men Monday as the Northville High School basketball squad opened practice for the 1953-54 season.

In addition, seven players from last year's reserve squad were on deck as the Mustangs began preparations for the Dec. 4 opener against Plymouth in the Rocks' gym.

Only three of the varsity men—Glenn Howarth, Ed Nash and Lamar Nalley—were first-stringers last year.

Howarth, a six-foot plus stringbean, led the team in scoring.

### ALL SENIORS

The other varsity men hoping to break into the starting lineup are Gene Rebitzke, Al Iversen, Jim Mitchell and Bruce Felker.

All seven varsity men are seniors.

The promotion list from the reserve squad lists Bill Tierney, Walter Palmer, Paul Schulz, Darwin Teschka, Joe Girardin, John Funk and Buddy Bell. Kay also is hoping for service from Augie

Ritt and Paul Hamlin, who transferred to Northville from other schools this year.

### WEAKER TEAM

Kay figures his team to be weaker than last year's squad, which compiled a 14-4 record, good for second place in the Wayne-Oakland County League and a shot at the regional title.

Northville beat Walled Lake and Howell in the district elimination tourney and then lost to Utica in the regional playoff.

One of Kay's big problems is finding a replacement for graduated first stringers Dick Somers and Gerry Graham, play-makers for last year's team.

The coach is hoping that Rebitzke will fit into one of the open slots.

Candidates for the reserve squad were to report Wednesday. They will be coached by Stan Johnson.

## TV Game of Week Features USC-UCLA

America's vast television audience will get its first 1953 look at UCLA's All-American half-back, Paul Cameron, Saturday afternoon, Nov. 2 when he leads his team against Southern California in the TV Football Game of the Week at the Los Angeles Coliseum.

The game will be televised over the 90-station, nationwide NBC television network starting at 1:15 p.m. (EST) Saturday.

During the past two seasons, the hard charging Cameron established himself as one of the greatest backs ever to play in the Pacific Coast conference. He has more than lived up to that reputation so far this year.

Saturday's neighborhood classic shapes up as one of the most important games of the season for both teams, with a possible conference championship riding on the outcome.

For UCLA, there is an added incentive of a 1954 Rose Bowl bid. Southern California, winner over Wisconsin in the 1953 Rose Bowl, is ineligible for the 1954 Tournament of Roses game under a new Pacific Coast ruling which prohibits any Pacific Coast team from playing in the Rose Bowl more than once in two years.

the total actual deer kill in 1951—the last year when only antlered bucks were legal game. The special season this year is slated Dec. 1 in the northern lower peninsula, with any deer legal game at that time.

## A TRAGIC OMISSION

From the pages of the Westminster's Teachers Quarterly comes the following article:

Jesus Christ, the Son of God, sinner's Friend, should be the theme of every sermon. No other theme will so meet and minister to human needs. It is said that on one occasion three people went

to church to get help. The first was a businessman who failed and was contemplating suicide. The second was a youth of extravagant tastes who, finding his wages insufficient, was planning to steal from his employer. The third was a young woman of gay habits and conduct who had been tempted from the path of virtue. The choir arose and sang an anthem about the walls of Zion. The minister addressed an eloquent prayer to the Lord, and then preached a sermon on the theme, "Is Man Inhabited?" and thus the hungry souls who needed bread received stones. The man committed suicide, the boy stole and landed in the penitentiary, and the woman went home to a life of shame. How unlike that great Bible preacher Charles H. Spurgeon when he was criticized for the sameness of message said, "It's like this, no matter where I start in the Bible it always leads to the Saviour and Clavary. Oh, let's talk more about Jesus!"

## Vejar Meets Martinez in Friday TV Bout

Chico Vejar, kayo-punching TV fistic favorite and Vince Martinez, explosive two-fisted swarmer, meet in a rematch that has the ring world buzzing, Friday night (November 20) at Madison Square Garden in a ten-round welterweight bout to be nationally telecast and broadcast on the Cavalcade of Sports.

The fight, starting at 10 p.m., EST, will be seen on the 90-station coast-to-coast NBC-TV network, and heard over the 320-station radio network of ABC.

In the last meeting between these two boys, Martinez was on a long winning streak and was being hailed as a coming champ. Vejar, having lost twice to Chuck Davey, was on the short end of the odds. Vejar upset the dope and copped the decision, giving Martinez a sound pasting.

The records show there is no question about the knockout ability of either fighter. Vejar, only 22 years old, from Stamford, Conn. has had 51 wins, only three losses and 29 kayos. Among his victims are Carmen Flores, Enrique Bolanos and Fittie Pruden.

Martinez, who fights out of Paterson, N.J., is 24-years old. His record shows 28 wins, three losses and 17 knockouts. Among others, he has knocked out Tough Tony Pellone and Don Williams. He holds a decision over Sammy Giuliani.

### "INFANT" TOURIST BUSINESS

Year after year we hear the story that Michigan's tourist business is second only to the automobile business in dollar volume, yet we are now beginning to suspect that we have just begun to scratch the surface in exploiting our outdoor attractions. In future years we may look back at current figures to prove that this is just the beginning, that the industry is still in its infancy, and that we overlooked the revelation that Michigan is truly the year-round state for outdoor fun.

### Summer Boom Too Short

To many resort owners, particularly in the northern part of the state, the brief 2 1/2 months of real summer make it hard to realize much profit in their ventures. Some stay open only for the summer months, while others hold forth for nine months, closing December 1st right after the end of the deer season.

Lately emphasis on winter sports has attracted thousands of enthusiasts to more than a score of Michigan resorts near skiing, tobogganing and ice-fishing facilities. In some areas accommodations in the winter months are completely inadequate, and, with more winter sports publicity on the way, conditions may grow even worse.

Michigan resort associations will be wise to take stock of unexploited off-season attractions, and to plan their advertising accordingly.

### Beauty in the Snow

Modern highway snowplows keep our roads open and clear the winter thru. Motorists face little or no damage of being snowbound—and are willing to drive a long way for an attractive menu of winter sports. The scenic splendor of northern Michigan in the snow is left for native residents to admire, yet it could be "sold" to an army of appreciative tourists. Ice-fishing is a sport too little publicized. With the introduction of the new lightweight "thermal" clothing to keep us warm way below zero, countless more sportsmen will find fun outdoors in mid-winter in Michigan.

### Springtime Underrated

Springtime, too, fails to get a deserving spotlight. With the breakup of lakes and streams new life is evident everywhere. Wildfowl are in the skies and along our lake shores, pausing in migration. The air has a freshness about it that is truly a tonic as a new season is born. Folks like to be out in the spring-yet places to go and things to see in Michigan are rarely publicized.

Somebody's missing the boat and a couple of million "tourists" are missing some of the year's best fun in Michigan Outdoors!

Here's fun for the gang! Smooth bowling on well-conditioned and maintained alleys. No wonder old friends make this their "fun-night" headquarters.
