## Want to Be St. Nick? Here's Your Chance

This is what two youngsters wrote to Santa Claus this year:

**"Dear Santa:**  
I'm three years old. I've had meningitis and now am blind but I am a good boy and love to do things. I like the sounds of guns and would like a holster set. I would also like a toy piano and a musical guitar. I hope you can get these for me."

**And:**  
"Dear Santa:  
My name is Gerald. I'm on a frame. I'm eight years old. I was here last year. We had a good time last year. Please send me an army set, a tool set or toy machine gun. Thanks for the things you sent me last year."

Mrs. V. George Chabut of Sheldon Rd. receives hundreds of such letters each year. They're from children at Maybury Sanatorium and the Children's Convalescent Home at Farmington who depend on Mrs. Chabut to deliver their Christmas requests to Santa Claus.

Mrs. Chabut, in turn, counts on the residents of Northville to make the holiday season a little brighter for these youngsters who must spend months in lonely hospital rooms, away from their families and friends.

The older children at the two hospitals compose their own letters while the smaller ones dictate their requests to nurses.

The letters are delivered to Mrs. Chabut, who acts as a clearing house to make sure that no child is forgotten.

Anyone interested in answering individual requests should contact Mrs. Chabut at Northville 131 or stop by her home at 18585 Sheldon Rd.

She'll see that you are supplied with the name of a child and what he or she wants for Christmas.

Gifts should be wrapped in Christmas paper with the names of the children placed on the outside of each package. They should also be marked "From Santa Claus".

The letters may be left at the post office and mailmen will deliver them to the children Christmas Eve.

## Four Oldest Masons Honored at Dinner Monday Evening

The four oldest members of the Northville Lodge No. 186, F. & A.M. were honored at a dinner Monday night at the Masonic Hall.

The four are Willard Ely, 83; William Edwards, 81; Fred Lyke, 76, and C. Ray Van Valkenburgh, 74.

Ely, who became a third degree Mason in 1902, and Edwards, who has been a member here since 1901, were unable to attend the banquet.

Ely lives on Linden St. while Edwards is now a resident of Ovid, Mich.

Before the banquet, Van Valkenburgh and Lyke stopped by the Ely home to present "Uncle Bill" with a 50 year pin.

Lyke and Van Valkenburgh also became third degree Masons 50 years ago.

The banquet was attended by approximately 140 members.

## Local Youngsters Sing, Dance on TV

The many Northville youngsters, and grown-ups too, who are regular fans of the "Auntie Dee" television show were delighted last week with the appearance of two representatives from their own town. And the act was so well liked that they made a return appearance on the Sunday morning show.

Forming the team were Racena Kaye Bailey, daughter of Mr. and Mrs. William Bailey of Cady St., and David Hay, son of the David Hays, Sr., of Sunset Ave. Racena is well known in Northville for her ability to dance and of course receives her instructions from her parents, who have the Bailey Dance Studio. Dave also is a Bailey-pupil and has been taking lessons for less than a year.

The youngsters were dressed as little toughies and sang and danced to the number "Down By the River Works".

## Novi Twp. Residents Ask Additional Police Protection

Residents of Novi Township held a meeting last Friday night in an attempt to find answers to several community problems principally police protection.

The meeting, attended by approximately 45 persons, was held at the Amvet Hall on Ten Mile Rd.

Much of the discussion centered on dissatisfaction with what was termed "inadequate" police protection in the township at the present time.

### PLAN DISCONTINUED

Up until Oct. 1, the Township was serviced by a full-time policeman. However, on that date the plan was discontinued by the Township Board and an arrangement was made whereby the township is patrolled by Oakland County sheriff's deputies.

Many of the persons at the meeting felt that the present police protection was not adequate. They hope to find ways to revive the full-time protection set-up.

Other residents felt they were not getting enough for their tax money under the present arrangement.

### TO WORK WITH BOARD

Attorney John Flannery and Ernest Pitchford were named to form a citizens committee to work with the Township Board in solving the problem.

Township Clerk Earl Banks said it was decided to discontinue the use of a full-time policeman because there was "dissatisfaction" with the arrangement.

He claimed that the Township is getting "more for its money" with Oakland County protection than under the old set-up.

"We're also spending more for police protection now than we were before," he said. "We want to at least give this new plan a try."

Township residents at the meeting also discussed ways to improve the condition of roads in the area.

## Women's Club Entertains Faculty

The Northville Women's Club entertained the faculty of the Northville Elementary School and high school Friday evening, Nov. 20 in the Village Library.

Mr. William Williams, accompanied by Mrs. Williams, sang two ballads, "Dedication" by Franz and "Kachmiri Song" by Woodford.

The speaker for the evening was Dr. Colton Storm, director of William L. Clements Library at the University of Michigan. His topic was "I Take My Pen in Hand", which dealt with the contents of original letters by famous people.

The social committee served refreshments to climax the evening's entertainment.

## Mrs. Gagner Honored on Television Show

Mrs. Leon Gagner of Seven Mile Rd. was chosen "Lady of the Day" recently on the "Ladies Day" television program in Detroit.

An orchid was pinned to her shoulder and she received a manicure set as part of being honored.

Mrs. Gagner is state president of the Veterans of Foreign Wars Ladies Auxiliaries and she attended the program with a group of ladies who belong to the Redford Wolverine Ladies Auxiliary Post 171. Although Mrs. Gagner is a member of the Wolverine Auxiliary she instituted and organized the local V.F.W. ladies auxiliary in 1945.

Mrs. Gagner will be honored again on Dec. 5 when a testimonial dinner will be given in her honor by the Wolverine Auxiliary.

The Mother's Club milk fund was swelled this week by a gift of \$100 from the Northville V.F.W. Post. Post Commander Glenn Gerrard is shown presenting the check to Mrs. Rano Pappini, president of the Mother's Club. Looking on are Al Smith, Jr., V.F.W. chaplain, and Miss Ruth Knapp, R.N., school nurse. The Mother's Club acknowledged the gift with thanks and reminded Villagers that contributions still are being accepted in milk bottles distributed in Northville business places. The money is used to buy milk for Elementary School youngsters who might not have the funds to do so themselves.

## Mustang Footballers To Be Feted Dec. 9

The Northville High School varsity football team and its coaching staff will be honored at a banquet Wednesday, Dec. 9, at the Methodist Church House.

The banquet is sponsored by the Exchange Club. The program will start at 6:30. Male faculty members will be guests of the club while the players' fathers are invited to attend as paying guests.

Details of the banquet program and the list of lettermen will be published in next week's Record. Cliff Hill will be in charge of the evening's entertainment.

The Exchange Club will present each player with a group picture of the squad.

### SENIORS NAMED

The special guests of honor at the banquet will be the 16 seniors who spear-headed the Mustangs to a 6-3 season record and second place in the Wayne-Oakland County League.

The graduation list includes Co-Captains Al Iversen and Bob Burgess, Lamar Nalley, Gene Reitzke, Jim Mitchell, Jim Bonar, Ed Nash, Jack Waterloo, Dick Willis, Glenn Howarth, Bruce Felker, Bob Scheffer, Gil Black, Bob Engle, Karl Hofmann and Doug Bennett.

Only six players—Larry Meyer, Arland Lovett, Paul Schulz, Paul Hamlin, Joe Girardin and David Goss—will be back next year who saw what amounted to front line service this season.

**OTHER VARSITY MEN**  
Other varsity men who have at least another year are Buddy Bell, Chuck Rogers, Dick Biery, John Fisher, Virgil Houtz, Ernie Lusk, John Funk, Bob Wagenschutz, Dale Swegles, Augie Ritt and David Goss.

Particularly hard to replace next season will be Iversen, Burgess and Lamar Nalley.

Nalley was the team's leading scorer despite missing nearly half the season with injuries. Iversen was the team's standout defensive performer while Burgess starred both offensively and defensively.

The 1953 Mustangs scored 163 points to their opponents' 69 in beating Plymouth, South Lyon, Milford, Clarenceville, Clarkston and Brighton and losing to Centerville, Holly and Keego Harbor.

## Smith Issues Reminder on Mail

Postmaster Leland V. Smith this week issued the following reminder to householders in the area:

Letters to foreign countries should have the return address plainly written and each letter weighed by the postal clerk. The rate has increased and many letters have held in the post office because of short postage. Postage is now eight cents for the first ounce and four cents for each additional ounce. This rate applies to Europe, Asia and Africa only.

In mailing parcels for Christmas the package should be sealed with a good paper sealing tape and then bound with a strong twine. Addresses should be written on at least two sides of the package.

Rural patrons should paint their names on the boxes and city patrons should have their name cards pasted on the box. House numbers should be clearly visible. The Christmas mail is expected to be about ten per cent heavier than any previous year and as substitutes are carrying mail all mail receptacles should be in first class condition.

## Walker to Show Films on Europe Next Monday Night

Northville residents will have an opportunity to visit some of the less publicized beauty spots of Europe and get a first hand view of the Coronation when Charles H. Walker shows his colored pictures at the Presbyterian Church next Monday night, Nov. 30.

The Presbyterian Men's Club will hold a dinner for both men and women at 8:30 that evening.

Following the dinner, Walker, who has developed a reputation for excellent photography, will show pictures of Funchal, Madeira; Casablanca, Morocco; Malaga, Spain; Lisbon, Portugal; Gothenburg, Sweden; Oslo, Norway, and London. He will then show a 400 foot color film of the Coronation.

Dinner reservations may be made by calling John W. Blackburn at 481 or William Davis at 1123-R. Proceeds from the dinner will go to the church building fund program and to send a delegate to the national meeting of Presbyterian Men.

## Chapel Service Held at Northville High

Rev. Anthony Heraty will conduct a Chapel Service for students of grades seven through 12 at 2:45 Wednesday at Northville High School.

Students not wishing to attend the service will be permitted to go to a study room.

## Village Churches Schedule Services of Thanksgiving

### Village Doctor Voices Need for St. Mary Hospital

(The following appeal for funds for St. Mary Hospital was written by a Northville doctor. However, the code of ethics of the Wayne County Medical Society prohibits the use of his name in connection with publicity material.)

Daily the medical man has as his contestants the inevitable visitor—death. Not so many years ago this visitor came early in life, accomplishing its end on man through diphtheria, pneumonia, scarlet fever, and smallpox. Medical combatants striking back thru diphtheria toxoid, antibiotics, tetanus antitoxin, and vaccination tipped the scales for a time in man's favor.

Medical and surgical emergencies such as heart attack, shock following automobile accidents and its accompanying body injuries, tubal pregnancies, gastric hemorrhage and industrial accidents call for immediate use of new methods—blood and special anesthesia, blood and surgical procedure and blood and new medical drugs. The drop in mortality rates resulting from the use of these methods is becoming nearly as impressive as the drop in the mortality rate of meningococcus meningitis when penicillin came into use.

Team work is responsible—teamwork between large hospital units and teamwork within large hospital units providing an adequate anesthesia service, blood banks that don't go dry, X-ray facilities, laboratory investigation and cooperation between medical specialties with adequate manpower—cooperating sciences that with merely a flip of your phone immediately swing into action to protect you and your family.

We have such hospital systems now for our use in Mt. Carmel, Mercy, New Grace, Mt. Sinai and the University of Michigan Hospital and in any institution we would care to utilize but all of them are 30 minutes away and sometimes longer—much longer.

There is an old rhyme that every child knows: "For want of a nail, a shoe was lost, etc." Let us not allow this to be changed to: "For want of a hospital—The blood was lost."

For want of blood—The life was lost.

Let's build St. Mary's of Livonia.

## Scout Pack N-1 to Meet Dec. 7 at V.F.W. Hall

The Northville Cub Scout Pack N-1 will meet Dec. 7, instead of Dec. 8, at the V.F.W. Hall on Plymouth Rd.

This will be the pack's first meeting at the Veterans' Hall. The Scouts formerly met at the Presbyterian Church.

Scout leaders wish to extend their thanks to the Presbyterian Church for making its facilities available over the past years.

Rev. William Green of Wixom will deliver the sermon.

Nowicki, 37, has served with the Wayne County Road Patrol and Michigan State Troops.

He is married and the father of three children. The Nowicki family lives in Detroit.

The new police officer replaces Legatte Oaks, who resigned.

## Santa Claus Is Coming to Town on Dec. 17

Santa Claus is coming to town Dec. 17.

The Record's North Pole correspondent reported this week that St. Nick expects to arrive in time to set up shop at Lyke's Service Station on N. Main St. the evening of the 17th.

He plans to travel along Main St. each afternoon and evening from the 17th until Christmas Eve, dispensing candy canes and good cheer.

He also will be available for pre-Christmas consultations with Village youngsters.

As in past years, the Retail Merchants Assn. is making sure the Village business district has a holiday dress.

Leland V. Smith, chairman of the Association's Christmas decoration committee, says his group plans to string lights on Main and Center streets this coming Sunday.

Two reindeer will be stationed at the Four Corners.

The Association has asked individual merchants to decorate their own stores.

Prizes will be given to the best decorated stores and homes. First prize in each category is a 15-pound turkey while second prize winners will receive 10-pound gobblers.

Smith reminded that his committee has evergreen roping for sale at 25 cents a yard for use as store, home and church decorations.

The Merchants finance the street display and keep Santa's bag full of candy with voluntary contributions. The project is expected to cost about \$800 this year.

## Theatre Group to Present Comedy

The Plymouth Theatre Guild will present the three-act comedy, "Lo and Behold", by John Patrick, Wednesday and Thursday, Dec. 2 and 3 at the Plymouth High School gym. Curtain time is 8:15 and student as well as adult tickets are available.

### UNION SERVICES

Union Thanksgiving Eve services by the Methodist and Presbyterian churches of Northville will be held at 7:30 Wednesday evening at the First Presbyterian Church.

Rev. Ivan Hodgson of the Methodist Church has chosen as his sermon topic: "In Christ We Triumph".

Rev. Harold Fredsell of the Presbyterian Church will conduct the service.

The Presbyterian Junior High Girls' Choir, under the direction of Miss Ann Katzenmeyer, will sing the "Prayer of Thanksgiving" and the adult choir, directed by William G. Williams, will sing "We Give Thanks".

### SUNDAY SERVICE

The Methodist Church also will hold a service of Thanksgiving Sunday morning.

At 10 a.m. Thursday morning, St. Paul's Lutheran Church has scheduled its Thanksgiving service.

Rev. E. E. Rossow has titled his sermon: "Let Us Give Thanks Unto The Lord".

Music will be supplied by the 30-voice children's choir under the direction of Miss Hazel McDaris.

At the close of the Thanksgiving service, the church will dedicate its new \$500 bulletin board, which was furnished by the Lutheran youth group, the Walther Leaguers.

Rev. Anthony Heraty of Our Lady of Victory Church said no special Thanksgiving services had been scheduled.

All of the Village pastors join in urging all of us to attend services at the church of our choice.

## "Dear Ruth" Tickets on Sale at School

Tickets for the comedy hit "Dear Ruth", performed by a cast of Northville High School seniors, are on sale at the high school.

The play will be given Dec. 2 and 3 at the Wayne County Training School auditorium.

Produced first in New York early in 1944, "Dear Ruth" deals with the urgent wooing of an army flyer with only a few days leave of a girl he had previously known only by letters sent to him under her name by a mischievous sister.

The play is typical of the war years, when servicemen and their girls separated by service-duty, were forced to condense courtship and their weddings within the briefest periods of time.

"Dear Ruth" quickly became the No. 1 war-time stage comedy. But even after the war was over, "Dear Ruth" continued to be one of the most popular plays of this generation.

It was made as a movie in 1947. In the production here, Winifred Welch and Nancy Dewsbury will play Ruth while Lt. Seawright will be played by Lamar Nalley and Bob Burgess.

Others in the play include Ruth Pullen, Carol Ann Sparling and Jim Bonar.

The cast is directed by Miss Florence Panattoni.

## Flynn Case In Hands of Jury

A Circuit Court jury in Detroit Tuesday continued deliberating the fate of Mrs. Catherine Flynn, who is charged with the fatal shooting of her husband in their home at 116 South Rogers St., Northville, last Oct. 19.

The case went to the jury Monday night but the jurors were sent home without reaching a verdict.

Mrs. Flynn's attorney, Louis Colombo, Sr., said the tragedy occurred because his client became mentally disturbed over an alleged love affair between her husband and another woman.

## THE VILLAGE --- AT WORK

A Visit With Your Neighbors On the Job

"Cream in your coffee?"  
"Hashed browns or mashed?"  
Asking questions comprises a good share of a day's work for Donna Benson Huffman, waitress at the Northville Restaurant.  
"Some people look down on waitressing," says Donna. "But I've been a cashier and a secretary, and not only do I enjoy this more, but I'm better paid."  
Donna was born in Indianapolis, Ind., and went to Technical High School there, which is said to be the largest high school in the country.  
Married once, Donna has a three year old son who lives with her parents, Mr. and Mrs. B. B. Benson of Indianapolis. An older brother is a scholarship student attending the University of Michigan Law School.  
Donna has an unusual but typical feminine hobby. She collects earrings.  
"I have about 75 pairs of almost every size, shape and color," she says.  
"And I like to cook. Baked ham, candied yams, deep-dish apple pie, and things like that. No tinned meats and instant coffee for me, thanks."  
After living here for four months at her apartment on Center St., Donna has decided that she likes Northville. "It's a nice town, and the people are friendly."

# THANKSGIVING

## *For blessings received . . . a time to give thanks*

Let us approach this Thanksgiving Day in the spirit of the Pilgrim Fathers. Let us enjoy the feast, of course; the family reunions, the gatherings with friends. But let us not lose sight of the inspiration and true purpose of the occasion: gratefully to give thanks to God for the blessings we have received.

Let us share with the Pilgrims that unquestioning trust in God, without which they would never have embarked upon their historic voyage. Let us partake of the steadfast faith that sustained them through the trials of their first year in the New World. Let us, above all, follow their example in recognizing the Hand of the Creator in all good things that have come to us.

Each of us will find his own personal blessings for

which to be thankful. All of us share in those paramount blessings that come to us as Americans. A free people, we walk in dignity and sleep at peace, and without fear. We are free to worship God, each in his own way. We are free to know the truth and speak our minds about it. We are free to choose our own work.

We are free to grow, to create, to achieve . . . each to the utmost of his own ability, with no shackles of regimentation to curb his ambition or thwart his progress.

These freedoms are the strength of America. They are the priceless blessings enjoyed by every American. For them on this Thanksgiving Day . . . in our churches and in our family circles . . .

## *Let Us Give Thanks to God, From Whom All Blessings Flow*

The first Thanksgiving of the Pilgrim Fathers was more than a feast. Above all, it was a day specially set apart for giving thanks. The first cruel winter had been weathered. The first harvest had been reaped. The foothold in the New World had been made secure. True, this took vision, courage and a great deal of plain hard work. But the Pilgrims knew in their hearts that none of their gallant band could have survived without the gracious intervention of Divine Providence. And so, in all humbleness, they took a day of surcease from their toil to express their deep gratitude to Almighty God.

# Why the big swing is to Ford!

More than a million buyers decided on Ford this year... because Ford's

"worth more when you buy it... returns more of its worth when you sell it!"

They like it in traffic!

They're swinging to Ford for good reason. Only Ford in its field offers you a choice of V-8 or Six, with the smooth, agile performance you need for getting around in today's kind of traffic. You get a choice of three great

drives... conventional, fuel-saving Overdrive or Fordomatic, the only automatic in Ford's field with an automatic intermediate gear for extra GO. You get the full visibility you want, too... the most in Ford's field.

They like it in the hills!

Both V-8 and Six give you hill-flattening GO on "regular," thanks to the Automatic Power Pilot. And Master-Guide power steering, available on all V-8's, makes turning up to 75% easier yet retains the natural "feel" of steering on the straightaway.

They like it for ride, for room, and for just plain good looks!

Front end road shock alone is reduced up to 80%! Ford's wide seats accommodate six, while the trunk is a whole suitcase bigger. And Ford's good looks speak for themselves.

Come in... See... Value Check... Test Drive

Is hypnotism a true remedial agent? This important question is explained in the Lesson-Sermon to be read in all Christian Science churches on Sunday, Nov. 29, under the title: "Ancient and Modern Necromancy, alias Mesmerism and Hypnotism, Denounced." The Golden Text is from III John (1:11): "Beloved, follow not that which is evil, but that which is good. He that doeth good is of God; but he that doeth evil hath not seen God."  
Among the Bible citations is this passage, (Ps. 62:11): "God hath spoken once; twice have I heard this; that power belongeth unto God."  
Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "Evil is a negation, because it is the absence of truth. It is nothing because it presupposes the absence of God, the omnipotent and omnipresent. Every mortal must learn that there is neither power nor reality in evil." (p. 186)

No. 4: Don't Surprise a Motorist By Jumping In Front of Him

Sure, it's a long way down to the corner when you are in the middle of the block and you want to get across the street. And it looks like such a short jump straight across. But, that short jump is likely to scare two people half to death—the driver of that car you thought was a long ways off—and yourself.

Mixing two-footed lightweights and four-wheeled heavyweights in the same traffic ring is an unfair battle at best. That's why crosswalks are painted at intersections to give the pedestrian his own place to cross.

When you cross in the middle of the block the motorist is not expecting you—and you may be hidden by a parked car.

### Perez-Gallardo Battle in Friday Television Bout

Larrupin' Lulu Perez and fast-punching Dave Gallardo will try it again in Madison Square Garden Friday night (Nov. 27) in a ten round featherweight scrap to be nationally televised and broadcast on the Cavalcade of Sports.

The fight will start at 10 p.m. EST and will be seen on the NBC television network and heard over the ABC radio network.

When these two boys opened the Garden fight season in September, they went eight fast and furious rounds before Perez was awarded a TKO when Gallardo suffered a deep cut over the eye.

Perez, a heavy favorite going into the fight, ran into a tarter in Gallardo, and many TV fans and sportswriters had Dave ahead on points when the fight was stopped.

Since then, Perez has fought once, knocking out Joey Cam in 48 seconds of the eighth round. Gallardo has been waiting for his eye to heal before taking another shot at Perez.

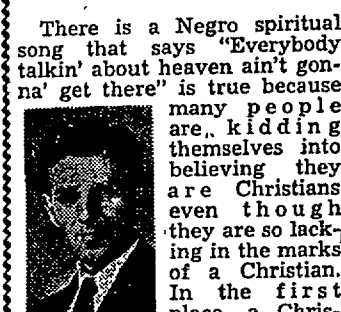

Perez, looking forward to a crack at Willie Pep, has won 23 straight, with 19 of his victories being by the kayo route. In all he has won 33, dropping only one fight.

Gallardo, featherweight champ of California, at 23 years of age is much more experienced than his opponent, three years younger. Dave has had 64 fights, with 46 wins, 14 losses, and four draws. He has knocked out eight opponents. In boxing circles, this rematch is known as a "natural".

The last time the Michigan State Spartans played in a post-season game was in 1938 when they lost 6-0 to Auburn in the Orange Bowl.

The team, coached by Charlie Bachman, had an 8-1 record.

### THE MARKS OF A CHRISTIAN

There is a Negro spiritual song that says "Everybody talkin' about heaven ain't gonna get there" is true because many people are kidding themselves into believing they are Christians even though they are so lacking in the marks of a Christian.

In the first place, a Christian is a sinner who has repented of his sin and has turned to Jesus Christ as his Lord and Saviour. That very moment he is born into the family of God, receiving new life in his soul and the Holy Spirit comes to dwell in his body. This great miracle of the New Birth changes his life completely so that there is a radical change of the desires of the heart. On the negative side—he has an increasing hatred for sin. On the positive side—he takes a liking for the things of God. Here are some of the marks commonly found in the life of a Christian. (1) He enjoys reading his Bible. (2) He is anxious to see others come to know Christ. (3) He is not ashamed of the fact that he is a Christian. (4) He is a regular attendee of the House of the Lord. (5) He is a worshipper of God in daily prayer. These marks will be found in any Christian regardless of their denomination. How about you?

# MICHIGAN MIRROR

A REPORT FROM THE CAPITOL  
by Gene Alleman

The voice of Michigan agriculture—what is it saying on current issues such as price support, the firing of Charles Figy, the Michigan State Fair?

Politicians are weighing resolutions recently adopted by two Michigan agricultural organizations for answers.

The Michigan Farm Bureau, spokesman for nearly 60,000 farm families and the Michigan Grange, leader for some 30,000 members held their annual convention recently. If you analyze their resolutions carefully, you'll be fully convinced that the two groups constitute collectively, in spirit at least, a "voice" representative of the thinking of Michigan farmers

who are a sturdy and independent lot.

"Who shall speak for farmers?" asks a Farm Bureau resolution. It "deplores the attempts of federal government action agency groups to speak," stating, "Only farm organizations, maintained through the initiative and voluntary membership of farm people themselves can adequately and truly represent farmers."

A third organization, the Farmers Union, is believed to claim nearly 5,000 families, but even this figure is challenged by some.

Hottest political stand is that supporting secretary of Agricul-

ture Ezra T. Benson. Farm Bureau members offer this support completely. Their resolution also charges that "unwarranted attacks are made upon his administration by the very individuals and interest that are chiefly responsible for creating the problems he inherited."

The Bureau also backs the controversial reorganization of the U.S.D.A., which somehow has become confused with lack of support by the administration for soil conservation. Carl Buskirk, Paw Paw, president of Michigan Farm Bureau, said soil conservation would be supplied more efficiently under the new plan. "What some people are really worried about is job conservation," he said.

"Everyone seems in favor of government economy until the loss of job situation arises," the president continued. "Then economy seems to take on an 'evil' aspect."

"We keenly resent this sinister trend." That's a quote from a Farm Bureau resolution which refers to politics in the state Department of Agriculture.

The Michigan State Grange makes itself equally clear on the same subject by charging that Gov. Williams violated the intent of the 1945 "bipartisanship" statute by "replacing members (of the agricultural commission) whose terms of office have expired regardless of their ability, qualifications or periods of efficient service."

Both groups were talking about the controversial firing this summer of Charles Figy, director of agriculture, and the subsequent replacing of commissioners who opposed the action.

The Grange also expressed fear that the state fair board will be subjected to even more pronounced political pressures. This they hoped to avert by proposing that control of fair be transferred from

## Promoted in Korea

Charles E. Lawson, whose wife, Barbara, lives at 870 Edgewood Dr., Walled Lake, Mich., was recently promoted to corporal while serving with the 40th Infantry Division in Korea.

The former California National Guard division, which arrived in Korea during early 1952, is undergoing intensive post-truce training.

Lawson, a truck driver with the 980th Field Artillery Battalion's Battery A, was employed by Stainless Ware of America before entering the Army in October 1952.

the board to the agricultural commission.

Most important and far-reaching Farm Bureau, resolution in the opinion of its spokesmen, is the stand it takes on research and education.

Termining price supports and stabilization plans "temporary and economic pain killers at best," the resolution calls for study to find new uses for farm products and higher return from land under cultivation.

"Only through an accelerated program of research and education can the farmer receive a fair investment and labor, and provide a dependable, adequate supply of food and fiber for the consumer," says Clark L. Brody, vice-president of the Bureau.

"High price supports are hard on the integrity of a nation," he said. "It presents a difficult ethical problem to farmers when they are paid money for crops that they know are not put to efficient use."

A state speed limit is backed by the Grange. They suggest a 60 mile an hour limit by day; 50 mph after dark. The Bureau, however, is not sure a speed limit will solve the problem. It urges more study.

Support for distributing money from sales tax on a current basis is forthcoming from both groups. This matter is expected to be considered in the next session of the legislature under a bill proposed by Rep. Rollo G. Conlin, (R-Lenawee). Under the present system there is a two year lag between the time sales tax money is collected and the time it is returned to local branches of government.

Township government, now under attack as unfair and inefficient, also gets backing of both

groups. "We believe in home rule, but we also realize that we must be willing to do our part to make good government a reality in our local communities," reads a Farm Bureau resolution.

Other subjects advocated, by the Grange include: no limits on earnings of people drawing social security benefits; hospital privileges for osteopathic physicians; uniform inter and intra state traffic laws.

Grange resolutions opposed: voting rights for 18 year olds; lifetime front and rear license plates; additional fortification of milk, which would be a move "to turn it into a patent medicine."

There was approval from the Farm Bureau for: improved state grading; uniform Sunday hunting regulations on a regional basis; promotion of the "Ask the Farmer First" campaign for hunters.

Bureau resolutions were against changes in the state sales tax diversion plan; taxation on a state equalization plan; compulsory social security for farmers; a federal sales tax.

These policies were expressed only after much serious thinking and discussion. The responsibility for them was keenly felt. This is best demonstrated by a few lines in the foreword of the Farm Bureau list of resolutions. They read: "We cannot, as the spokesman for nearly 60,000 Michigan farm families, afford the luxury of unsound decisions. The prestige and strength of the Farm Bureau requires that our policies be a part of the solution—not part of the problem."

Annual Doll Show  
Now Under Way  
at Ford Museum

The Henry Ford Museum's 3rd  
annual toy and doll show is in  
progress at Greenfield Village  
with "Christmas in Many Lands"  
as its theme.

Divided into seven sections, the  
exhibition illustrates the play-  
things of children, mainly with  
dolls, in the United States, Ger-  
many, France, Italy, England,  
the Scandinavian countries, and  
the Orient.

Largest section will be the Amer-  
ican which has its focal point  
a miniature Buffalo Bill's Wild  
West Show, authentically created  
by Jean LeRoy, former circus  
clown and now a miniature set-  
builder for the Jam Handy Or-  
ganization. The diminutive circus  
is being shown in its entirety to  
the public for the first time.

ORIGINAL SHOW

Every circus wagon, cook and  
side show tent, "big top", and  
even the tepees which went with  
Buffalo Bill's original show have  
been reconstructed in miniature  
by LeRoy. The circus covers 335  
square feet of table space.

Flanking the Wild West Show  
are more than 100 American In-  
dian dolls representing typical  
chiefs and squaws of 50 tribes.

Also included in the American  
section are many products of the  
famous nineteenth century Amer-  
ican toymaker, Milton Bradley,  
from Springfield, Mass.; one of  
the first American china-headed  
dolls; a rare, century-old rubber  
doll, and early folk toys carved  
by fathers for their sons.

Because of its reputation as the  
manufacturer of the world's most  
outstanding toys and dolls, Ger-  
many is the next largest section  
represented. Included are spec-  
imens of wood-carved toys from  
the Black Forest region and Obe-  
rammberg, portrait dolls with  
porcelain heads copied after Dolly  
Madison and Jenny Lind, and one  
doll copied from a Currier & Ives  
print. One of the most unusual  
dolls is a Kathie Kruse baby doll  
with a "worried look" on its face.  
It was made during World War  
II and an over-sensitive Nazi gov-  
ernment closed the Kruse fac-  
tories because of the expressions  
on the dolls' faces.

FRENCH DOLLS

Several French fashion dolls of  
the nineteenth century were not  
used as playthings, but demon-  
strated fashions in dress and  
hair-styles before the use of en-  
gravings. Two Jumeau mechanical  
dolls have built-in music boxes  
and perform such simple mechan-  
ical actions as dancing and pour-  
ing tea.

In the Italian section, there are

This whimsical crocodile, whose body stretches  
80 feet long, will slither through Detroit streets  
in the J. L. Hudson Company's 27th annual  
children's parade on Thanksgiving morning. It  
is one of 20 huge floats, depicting favorite story-  
book characters of all boys and girls. Starting  
in mid-town Detroit, the parade moves down-  
town as tens of thousands of youngsters watch.  
One of the largest events of its kind in the U.S.,  
it requires a year to plan and build, and has  
1,000 marchers.

### Member of Draft Board Serving Village Resigns; Claims Members Blocked Files

A member of Selective Service Board 102, which serves Northville, has resigned his position after explaining he could no longer conscientiously serve with the board.

The member is Mowry Arnold of Plymouth, who has been on the board since 1945.

In making public his resignation, Arnold said:

"I am not willing to be a member of a board where I can see and review only about 25 per cent of the files processed by the board. In the past I have spent many hours each week reviewing all of the files that were due to come before the board for action."

#### BARRED ACCESS

Arnold said the board recently barred any individual member from access to the files or entering the office to review current cases, as had been his policy for the past several years.

Arnold's letter of resignation continued:

"As this board now operates each member classifies the files in front of him and does not see the balance of the files unless some member calls the attention of the others to some particular facts. The four or five extra hours I put in were usually done on week-ends or Monday or Tuesday evenings. Certain members complained that I knew entirely too much of what is contained in the files."

#### OPPOSED SECRET SESSIONS

"Secondly, I am tired of being criticized for my refusal to vote with other members on classifying files contrary to them. I have never and never will be a part of classifying an individual contrary to the classification of the same general class. No one has ever been able to accuse me of trying to grant a favor through selective service."

Arnold further pointed out that he refused to serve with a board which would take action on a particular individual in a secret session of which he was not notified. He protested the action to Col. Arthur Holmes, state selective service director, who in turn returned the letter to local chairman John Mokorsky of Inkster.

In his letter of resignation Arnold says of the above incident: "At the board meeting of October 21, our chairman (Mokorsky) first had copies of my letter to Holmes made and gave them to other board members. He then proceeded to berate me verbally for writing to state headquarters and accused me of trying to stab him and other board members in the back. I was willing at this time to sit and talk the whole situation over, but this was not acceptable so he and the other two members of the board walked out of the meeting."

Members of the board other than Arnold and chairman Mokorsky are George Rose of Garden City and supervisor Leonard Brokay of Redford.

He concludes his letter of resignation as follows: "If you care to check you will find I have given freely of my time, and gladly, to Selective Service and have enjoyed my contacts with state headquarters. I have taken considerable abuse and criticism from inside and outside the board but there never has been a file where my judgment has been swayed by any kind of pressure. However, when things come to the point they reached on the October 21 meeting I have had enough."

### Announce Change in Mid-Day Classes in Grade School

The Northville Elementary School has announced a change in the mid-day time schedule, effective Monday, Nov. 30.

The change came after the parents voted overwhelmingly in favor of the plan, which was suggested by teachers.

The new set-up will find kindergarten youngsters meeting from 8:30 to 11 in the morning and from 1 to 3:30 in the afternoon, instead of from 12:40 to 3:30 p.m.

#### AFTERNOON SESSION

Grades one through six will meet from 8:30 to 11:30 in the morning and from 1 to 3:30 in the afternoon.

Under the old schedule, grades one through six met from 8:30 to 11 o'clock in the morning while grades one through six met from 12:40 to 3:30 in the afternoon.

#### NOTICE SENT HOME

Parents were told of the changes in a notice sent home with their children.

Parents also were reminded that since the revised mid-day schedule delays the call of afternoon kindergarten sessions by 20 minutes, it will delay afternoon bus pick-ups the same amount of time.

Staff members favored the change because it provided a longer morning for children of grades one through three, at which time children are more alert; equalized the time of morning and afternoon kindergarten sessions, and provided a uniform and extended time for lunch periods.
