## Mustang Cagers Beat Brighton, South Lyon

Things are looking up for the Northville High School basketball team.

After losing to Plymouth in their opening game, the Mustangs have snapped back with decisive victories over Brighton and South Lyon.

Brighton was beaten 45-33 Friday night at the N.H.S. gym and the Mustangs travelled to the South Lyon gym Tuesday night to topple the Lions by 10 points, 35 to 25.

Ed Nash led the scoring parade in both games. He scored 19 points against Brighton and dumped in 12 at South Lyon, despite sitting out about a third of the game.

### FIRST BASKET

Lamar Nalley got the Mustangs rolling against South Lyon with a basket early in the opening quarter and the local squad was never threatened.

Northville held a 12-4 advantage at the end of the first quarter and was out in front 22 to 8 at half time.

Coach Dick Kay sent in his reserves early in the third quarter but the regulars returned to action when South Lyon narrowed the spread to 33-24.

Barney McIlvay led South Lyon with 10 points.

### FIRST LEAGUE WIN

The win over Brighton was Northville's first league game and indicated the Mustangs will give a good account of themselves this year in Wayne-Oakland County League play.

Brighton managed to stay with reach of Northville during the first half, trailing only 20-18 at intermission.

However, Northville scored ten points in the final quarter, five of them by Al Iversen, and 15 points in the final period to ice the win.

Glenn Howarth was second in scoring with five field goals and one foul shot for 11 points.

The Mustangs will be idle through the Christmas vacation. Their next game is at Clarenceville on Jan. 8.

## Village Blood Bank Reported Down to 50 Pints

Deposits in the Northville Blood Bank have dropped dangerously low.

Only 50 pints of blood are available for emergency use, it was reported by Red Cross officials this week.

However, Village residents will have a chance to replenish the vital stock of blood when the Red Cross Bloodmobile visits Northville Feb. 12.

To make arrangements for the Bloodmobile's visit, a planning committee representing all organizations in Northville will meet Jan. 4 at the Legion Hall. At that time, James Blair, Red Cross field representative, will help plan the donor recruiting program.

Local Red Cross officials said that more than 200 donors must be recruited between now and the end of January before the visit of the Bloodmobile can definitely be set.

The last Village Blood Bank was held last May. A total of 300 persons pledged blood of which 215 responded and 167 were accepted.

Ninety-five pints were designated for the armed forces, 62 for the Northville community, two for Plymouth Rock Lodge No. 47, three for polio treatment centers, one for Ford Motor Company, one for Belleville Community and one for Union Local 157. Two other donors asked that the blood be kept for themselves.

## One Villager On Dec. 17 Army Call

Thomas Wick of Fairbrook Rd. is the only Northville man named on the Dec. 17 army induction list issued this week by Local Board 102 in Plymouth.

Plymouth men leaving for the service include Charles H. North and Darryl Speers. Charles J. Sergison, William C. Philippi and Lawrence R. Barnes of Livonia also are on the draft list.

## All We Want for Christmas Is... EARLY COPY

We're going to press one day early next week.

Christmas, you know. Instead of printing on Wednesday, the presses will roll Monday and Tuesday. The paper will be delivered to your homes on Wednesday instead of Thursday.

Although we make this appeal nearly every holiday week during the year, we'll repeat it again:

### EARLY COPY... PLEASE

The earlier the better. If you have news and advertising copy for next week's edition of the Record, bring it to the office this Thursday and Friday.

The absolute deadline is 5 p.m. Monday.

You've always heeded our pleas in the past. We hope you won't fail us this time.

Thank You.

## Map Registration Plans for School Bond Election

Superintendent of Schools Russell Amerman was busy this week contacting clerks of Northville, Novi, Lyon and Salem townships arranging for a special voter registration period in connection with the Jan. 19 school bond election.

Amerman said he probably will know next week when the special registration period opens. It will close Jan. 8.

### REGISTRATION RULES

Only those persons not now registered as general electors must make special registration for the school election, it was emphasized.

The election, to be held Jan. 19 at the Northville Village Hall, will decide the fate of a proposed \$300,000 bond issue to finance a much needed elementary school.

Meanwhile, Mrs. William Milne, president of the Northville Parent Teachers Association, said her group was "100 per cent" behind plans for the new school.

### SITUATION REVIEWED

"Mr. (Robert) Coolman of the school board reviewed the situation at a P.T.A. meeting early this year and it was very evident that Association members were solidly in favor of a new building," she said.

"Many of the members asked what they could do to help make the school a reality," she said. "We decided the most important thing is simply getting out to vote when the question comes up for approval."

## Home Christmas Decorations To Be Judged Dec. 22-23

Planning to decorate your home for Christmas?

Better do it before Dec. 22.

On the 22nd and 23rd, judges from the Retail Merchants Association will tour the Village, searching for the best and second best decorated home.

The winner will receive a 15-pound turkey and the runner-up will get a ten-pound gobbler.

Judging in the store decoration contest will be done the same nights.

## It's Beginning To Look A Lot Like Christmas '53 Township Taxes

Snow spells fun for some people, hard work for others. Though most everyone wants a White Christmas, Gene Keller was hoping the snow would hold off until Christmas Eve. However, it didn't... and Gene turned to with a shovel Monday

afternoon to clear the walk in front of Northville Cab stand at the Four Corners. At right, one of the season's first snowmen begins to take shape behind the Village Hall. The sculptors are Jimmy and Billy Jordan and Otis Ray Tewksbury.

## Mairs and Atwood Head Masonic Orders

George Mairs

George Mairs, the new Worshipful Master of Northville Lodge No. 186, F. & A. M., will be installed at a public ceremony at 8 p.m. this Saturday night at the Masonic Temple.

Other new officers include William Monroe, Senior Warden; Jack Liss, Junior Warden; Robert Coolman, Past Master, Secretary; William Duguid, Past Master, Chaplain; Lawrence Miller, Senior Deacon; Bert Hawbecker, Junior Deacon; Ernest Whitlock, M. J. Willing, Thomas Quinn and John Borkowski, Stewards; William H. Francis, Marshal; C. R. Van Valkenburgh, Past Master, Tyler, and George Lemke, Organist.

Frank H. Dunsford is retiring Worshipful Master.

In another ceremony last Friday night at the Masonic Temple, Howard I. Atwood was installed as Thrice Illustrious Master of Northville Council No. 89, Royal and Select Masons, for the ensuing Masonic year.

George Fairbanks was installed as Deputy Master. Other new officers are Dewey Lake, Companion Conductor of Work; Ernest Whitlock, Past T.I.M., Recorder; William Neal, Treasurer; James Spooner, Prelate; C. Ray Van Valkenburgh, Companion Captain of Guard; Arthur Buckberry, Companion Conductor of Council; Matthew Jernigan, Steward, and Past T.I.M. Armand Larsen, Sentinel.

The Grand Installing staff consisted of Past Thrice Illustrious Master Ernest Whitlock, P.T.I.M. Ernest Klatt and Companion C. Ray Van Valkenburgh as Grand Soloist. Van Valkenburgh was accompanied by his wife.

The election and installation of officers was preceded by a turkey dinner served by the ladies of the lodge.

## William Parson R.A.M. High Priest

William M. Parson was installed as High Priest of Union Chapter No. 55, Royal Arch Masons, in ceremonies held last Saturday night at the Northville Masonic Lodge.

Other new officers are Laurence Miller, King; Milton Orr, Scribe; T. R. Carrington, P.H.P., Treasurer; Martin Sommers, P.H.P., Secretary; Stewart H. Dodge, Chaplain; Wilfred Hawbecker, Captain of the Host; James Slaughter, Principal Sojourner; Cecil E. Fehrlin, Royal Arch Captain; Haig Kakusian, Master of the Third Veil; William Croll, Master of the Second Veil; L. Jacobs, Master of the First Veil; C. Ray Van Valkenburgh, P.H.P., Sentinel, and Stewart H. Dodge, Director of Ceremonies.

The new officers were elected last Wednesday night.

Retiring High Priest is Stewart H. Dodge.

Installing officers included Robert H. Soule, Howard I. Atwood, Daniel Murray and William Machan, all Past High Priests.

## Woman's Club to Hold Christmas Musicales Tomorrow

The Northville Woman's Club will have a Christmas musicale and tea to welcome new members on Friday, Dec. 18 at 2 o'clock in the library.

Miss Saul Bernat, cellist, and Mrs. Marshall Houghton, pianist, well known in Detroit music circles, will be the guest artists. Mrs. Bernat and Mrs. Houghton are both active in the Tuesday Musicales. Mrs. Bernat also plays in the Detroit Woman's Symphony.

The numbers which they have chosen are as follows: "Sonata in A Minor" by Grieg; "Andante Molto Tranquillo"; "Allegro Agitato"; Marjorie Bernat, cellist, and Doris Houghton, pianist; "Allegretto"; Beethoven; "Revolutionary Etude"; Chopin; "Berceuse"; Chopin; "Scherzo in C# Minor"; Chopin; by Doris Houghton, pianist; "Serenade Espagnole" by Glazounov; "Sicilienne" by Faure; "Scherzo in D Major" by Van Goens will be played by Marjorie Bernat, cellist, and Doris Houghton, pianist.

## Begin Collection of '53 Township Taxes

Northville Township Treasurer Roy M. Terrill will be at his station in the Depositors State Bank starting this Friday, Dec. 18, to collect township taxes.

Terrill plans to be at the bank every Tuesday and Friday during banking hours through the month of February. The tax deadline is Feb. 28. Tax bills have already been mailed to Township residents.

The 1953 tax rate per thousand is \$24.38 for Northville and Novi School District No. 2 Fr., \$18.04 for Northville and Novi School District No. 6 Fr., and \$26.44 for the Plymouth Township District.

### EXTRA ASSESSMENT

In each case, there will be an extra assessment for the Middle Rouge Interceptor Drain.

A total of \$110,793.25 is earmarked for the school system while \$59,284 will go to the county.

However, since the tax roll amounts to only \$165,613.79, the deficit of roll of \$4,463.46 will be paid from the Township general fund.

Last year's tax roll was \$142,669.

### ASSESSED VALUATION

The assessed valuation of real estate and personal property in the township amounts to \$6,578,220.

The county tax is divided thusly: \$42,036.11 for general county tax.

\$7,422.85 for care of poor.

\$5,657.05 for individual assessments for the Middle Rouge Interceptor Sewer.

\$4,167.99 for the Township share of the Middle Rouge Sewer assessment.

## Twp. Taxpayers Share in Cost of Interceptor Drain

Northville Township taxpayers found an extra item on their tax bill this year.

It was an added assessment to help finance construction of the Middle Rouge Interceptor Drain at the Warren Ave. Interceptor Plant in Livonia.

The \$4,000,000 project is being financed by taxpayers in all western Wayne County communities.

In the case of Northville Township, it will mean an extra \$2 or \$3 tax bite for the next 15 years.

However, it could have been a lot more if it had not been for Township Clerk Molly Lawrence.

Although Northville Township is serviced by the Middle Rouge Interceptor Sewer, Mrs. Lawrence pointed out to the Wayne County Drain Commission that this area is among the least benefited among western Wayne County communities.

Therefore, she asked that the Northville Township assessment be graded down accordingly. The Drain Commission agreed.

Mrs. Lawrence also succeeded in having institutions in the Township, such as Maybury Sanatorium and Wayne County Training School, help foot the township's bill.

The drain project, financed by a bond issue, already is under way. The assessments will provide a bond retirement fund.

## Ross Edgar Riddell Dies Tuesday Night

Ross Edgar Riddell of 133 East Dunlap St. died Tuesday night at Wayne County General Hospital. He was the husband of Mrs. Jessie Riddell and the father of Mrs. John W. Swain, Jr. and Ross Edgar Riddell, Jr., all of Northville.

Funeral plans may be obtained by calling the Casterline Funeral Home. A full obituary will be published in the Record next week.

## Increase Reported In Number Of Village Businesses

At least 25 new businesses have been established in Northville during the past seven years, it was reported this week by Dun and Bradstreet.

The November, 1953, Dun and Bradstreet Reference Book, recently completed, lists a total of 115 rated business in Northville at the present time, compared to 90 in 1946, an increase of 28%.

J. H. McDonald, manager of Dun and Bradstreet's Detroit office, which covers Northville, says the reference book includes commercial enterprises—manufacturers, wholesalers, retailers and other businesses, generally those buying regularly on credit.

The book does not, however, include some service and professional establishments, such as real estate brokers and barber and beauty shops.

## Santa Arrives Tonight; Messiah Sunday

MEMO TO NORTHVILLE SMALL-FRY:

Get your Christmas lists ready and be on your extra-special good behavior.

Santa Claus comes to town tonight.

The Mayor of the North Pole will make his headquarters this evening at Alex Lyke's Plumbing and Heating Store at 116 South Center St.

Then, starting tomorrow he'll make his rounds each late afternoon and early evening through downtown Northville, dealing out candy canes from his well-stocked bag.

### HOLIDAY DRESS

He should feel right at home. Main and Center streets have already taken on their holiday dress, with plenty of bright lights, evergreen and tinsel making the downtown district brighter.

While Santa's arrival marks the official start of holiday time, there's another event which has become one of the most anticipated of the Christmas season.

This is the annual performance of Handel's "Messiah," scheduled for 7:30 this Sunday evening at the First Presbyterian Church.

The stirring Christmas oratorio will be presented by a chorus of

some 75 singers from Northville and surrounding communities.

### FOUR SOLOISTS

Soloists this year will be four University of Michigan students—Joan St. Denis Dudd, soprano; Mary Ellen Rousa, alto; Robert McGrath, tenor, and Syver Thingstad, bass.

The chorus, under the direction of Leslie Lee, has been rehearsing for weeks. Attending is always a rewarding experience.

At least two community Christmas parties are planned for Village youngsters.

This Saturday morning at 9:30, the Junior Police Club will assemble at the high school gymnasium for games, movies and gifts.

### MOVIES, TOO

Stanley Johnson will take charge of the games. Youngsters who prefer to do their celebrating sitting down will be treated to a series of filmed cartoons.

At 11:30 a.m., Chief Joe Denton will draw door prizes and then he'll distribute treats.

Youngsters are asked to wear either tennis shoes or extra stockings so as to save wear and tear on the gym floor.

Next Wednesday afternoon, Ford Local 896 of the C.I.O. United Auto Workers Union will hold its annual children's Christmas

party at the Penniman-Allen Theatre.

### ANOTHER MOVIE

Youngsters in grades one through six are invited. A movie will take up part of the afternoon and Santa Claus will stop by to distribute gifts.

Meanwhile, the true spirit of Christmas is again being shown by the dozens of persons who have responded to appeals for gifts to deliver on Christmas morning to children at Maybury Sanatorium and the Children's Convalescent Home at Farmington.

Mrs. V. George Chabut, who each year collects the "Dear Santa Claus" letters from the hospitals, reports that residents of Northville and surrounding communi-

## Holiday Hours for Library

Miss Rhea Lyon this week announced holiday hours for the Northville Library.

On Dec. 24 and Dec. 31, the library will be open from 11:30 a.m. to 5:30 p.m. It will be closed on Dec. 25 and 26 and Jan. 1 and 2.

Regular 11:30 a.m. to 8:30 p.m. hours will be in force on all other days.

ties have really opened their hearts—and their purses.

### EVERYONE PITCHES IN

More than 200 letters were answered. Scout troops, men's and women's organizations and other groups have pitched in to help, not only filling requests but delivering packages and locating hard-to-find articles.

"We actually have more 'Santa's' than we have letters," Mrs. Chabut said. "I hope everyone knows how much their kindness means to these youngsters. They can be assured that their thoughtfulness will brighten Christmas Day for some child who might otherwise have been forgotten."

Offers of help came this year not only from Northville but from Detroit, Walled Lake, Salem, Plymouth, Novi, Birmingham and Holly.

Some of the requests are a little tough to fill.

One tyke asked for a "magic rock." No one is quite sure just what that is but a few volunteer Santas are still looking.

### ADULT GIFTS

Last year, a child, asked for a bird's nest—with eggs.

That request was filled, believe it or not. Someone found a real nest and filled them with painted

by the PETZ BROS.

We're glad to report that the Christmas spirit seems to be taking over in these parts and every one seems cheerful and happy except the guys that deliver the mail, which consists of mostly Christmas cards. As a matter of fact, one of these fellows tell us "if you hear a knock on the door these days, it isn't opportunity, but one of us. Guys with a 'postage due' greeting card!"

Of course a very fine way to get in the Christmas giving spirit is to drop around and look over the fine Studebakers for the 1954 season. Magnificent cars, beautifully styled with unsurpassed color themes. You'll marvel at the power of the V-8 motor in the Land Cruiser and Commander series; at the unsurpassed economy of the Champion. You'll find smartly styled hard-tops, coupes and sedans, plus a brand new Station Wagon especially designed to fit your every need. We suggest you hurry right over and select the car you'll give the family for Christmas.

A lady from a local PTA dropped in to have our expert technicians "technic" her car the other day. Told us of a recent open house at the school where a woman attempted to grill a teacher on why her son had such poor marks. After some conversation that didn't reflect too well on her pride and joy the Mother finally asked, "well, wouldn't you say that Jimmy was trying?" And the teacher answered, "Very!"

Incidentally, have you been in our service department lately? We've been trying very hard to have you drop around. Your car really needs the service you owe it and besides the boys get lonesome. Why not make it a point to drop in, say hello, and give the old bus that much needed tune-up and lubrication treatment?"

Yours,

A Visit With Your Neighbors On the Job

This is the slow season for James Schomberger, owner of the Northville Gun Shop at 41860 West Seven Mile Rd. "Hunters store their guns and forget about them after hunting season," he says. "Then, along about the end of summer, they suddenly remember hunting season is right around the corner. That's when I'm rushed."

Schomberger has been operating the Gun Shop for about three years. He sells and repairs all types of guns and handles a full line of gun supplies.

Before opening his store here, Schomberger worked at the Plymouth Sports Shop as a gunsmith.

Schomberger lived all his life in the Northville area and at the present time resides at 5715 Napier Rd. with his wife and eight-year-old son.

His hobbies—as you might expect—are hunting and collecting guns and swords.

He has a collection of some 60 firearms, the oldest one dating back to Revolutionary War times.

## Tips on Proper Care of Your Christmas Tree

It's easy to have a green Christmas—at least where trees are concerned and provided that these forest products get proper treatment—according to two University of Michigan faculty members.

Almost any Christmas tree will stay green and fresh throughout the holiday season if the base is kept in water, says Prof. Kenneth P. Davis, chairman of the U-M forestry department.

Shave a little off the bottom of the tree to expose a fresh surface, states Frank Murray, U-M forest manager. This will remove dried resins which may form over the base and prevent water absorption.

### GREEN SPRUCE

With proper care, even the lowly spruce can be kept green; in fact, it can actually be made to sprout buds. Though often black-listed for early shedding of its needles as it dries, the tree can compete with all others if it has been cut recently and is not allowed to dry out.

According to Murray, the "Austrian pine is the prettiest tree locally produced, although it is hard to tell from the Scotch pine, which grows faster and is more open in foliage."

Scotch pines are being very widely planted in Michigan for use as Christmas trees. They are the most popular trees for this purpose.

The Douglas fir and balsam also are good selections, the former keeping "its needles 'til next spring."

### DEPENDS ON STORAGE

Of trees shipped into market, Professor Davis explains that their longevity depends upon where they have been stored. Even if cut in October, as most are, a cool and moist storage place will enable them to keep their needles as long as the more recently cut ones. This fall's warm weather may have a negative effect, however, he comments.

For making wreaths and house decorations, Murray points out, most pine is too coarse. But white pine is included in the list of best ingredients, along with balsam, spruce and white cedar.

Of the cones, all are good for decorative purposes, except those of the white pine, which are covered with pitch.

Professor Davis explains that barberry and boxwood also are good greens. As for holly, the Michigan variety, found in the southern Lower Peninsula, consists solely of berries, with no leaves.

## Sixth Grade Students Hear Talk on Clouds and Weather by Pilot

Sixth grade pupils of Miss Gertrude Martin were treated last Thursday to a talk on cloud formations and the weather by Paul Beard, a former pilot and flying instructor.

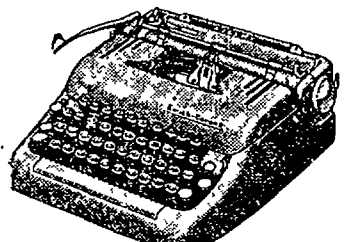

The students prepared for his visit by studying the subject in their science class.

They also painted murals of a tornado and different types of clouds and had drawn up a weather map.

The murals were made by Edward Proctor, Carolyn Millington, Gary Morgan, Christ Krauter, Carolyn Van Atta, Nancy Beard, Ann Downer and Carole Tabor.

The class plans to visit the University of Michigan Observatory this year.

## Festive Fruit Dessert

If you are having an overabundance of rich, filling foods during the holiday season it is time for fruit. Combinations of fruits which are attractive and festive in appearance, cost no more than a like quantity of a single fruit.

The advantages of this dessert are that it is good, easy, quick and inexpensive. Use the combination of canned fruits given here or try other family favorites.

**Holiday Compote**  
1 1-lb. can pear halves Whole cloves  
1 1-lb. can peach halves 1 orange  
1 1-lb. can dark sweet cherries

Chill fruits. Drain off part of the syrup and empty canned fruits into a bowl. Squeeze juice of half an orange over them, adding a bit of grated orange peel if you like it. To make party-pretty, stick whole cloves around sides of half an orange and place in the center of the serving dish. Light to ten servings.

**COOKIE JAR MAGIC**—These made-in-a-jiffy cookies are good to serve with fruit:

**Quick Minicmeat Cookies**  
1 cup canned minicmeat 2 tablespoons m'lks  
1/2 teaspoon salt 1 1/4 cups graham cracker crumbs  
1/2 cup chopped nuts  
Mix first four ingredients thoroughly. Stir in the crumbs. Drop by teaspoonfuls onto a greased cookie sheet. Bake in a moderate oven (375°F.) about 10 minutes. Makes about 2 1/2 dozen cookies.

## Garden Club Holds Christmas Meeting

Mrs. Paul N. Schulz was hostess to members of the Northville branch of the Women's National Farm and Garden Association on Monday, Dec. 14. The co-hostesses were Mrs. Edwin Flaherty, Mrs. Gerritt P. Rooks, Mrs. Lee Heaton, Mrs. H. D. Tuck and Mrs. Harvey Whipple. The occasion was the club's annual Christmas party. A regular business meeting was and Mrs. Schulz' home was festively decorated for the occasion. called after the luncheon, by Mrs. R. D. Merriam, club president. Mrs. Glenn H. Cummings, chairman of the Greens Market, held Dec. 12, gave her report on the project. The club members expressed their thanks to Mrs. Cummings for the many hours of work and the effort it had taken to make the market so successful.

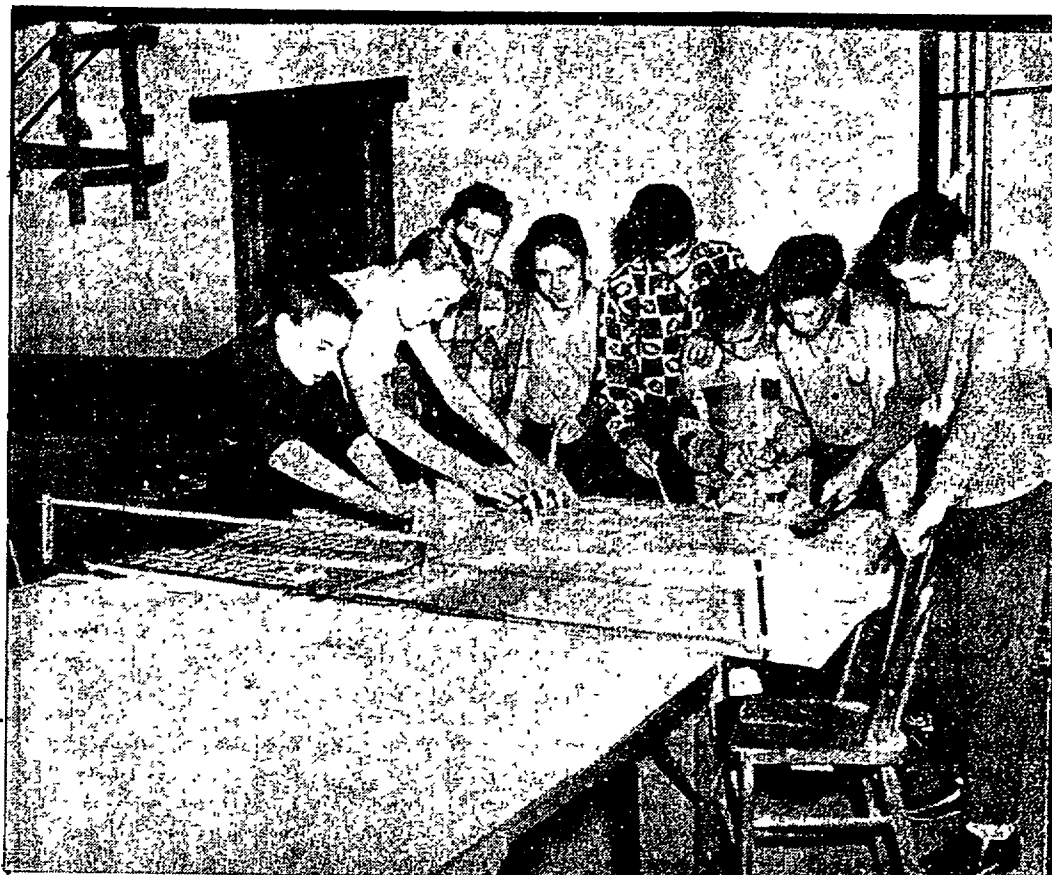

Girls of Brownie Troop No. 15, sponsored by the Garden Club, were present and sang a number of Christmas carols. They were accompanied on the piano by Mrs. W. G. Williams. Mrs. H. Handorf, leader of the group, and co-leader Mrs. J. K. Eastland were also present. Mrs. Handorf gave an account of the troop's activities and displayed some of the attractive articles the girls had made during the year. Santa Claus then came in and distributed gifts to the girls and club members.

## Hospital Staff Honors Volunteers at Tea Wednesday

The staff of Northville State Hospital Wednesday held its annual tea in honor of the hospital's volunteer workers.

During the past year, the eight volunteers have freely donated their time to the hospital and have taken an active part in the institution's over-all treatment program.

Mrs. Isobell Partridge has served as a member of the American Red Cross Gray Lady Service while Mrs. Arthur Verschaeve teaches art to the patients. Mrs. S. H. Robinson volunteers her time in the patients' sewing room. Mrs. Jim Green, Mrs. Lawrence Rambeau, Mrs. Robert Yerkes, Mrs. Alfred Millington and Mrs. Ruth Starkweather serve in the patients' library.

Members of the Northville Boys Club are pictured at work on their latest project—repainting Village street signs. Some of the signs have been finished and are back on the job. They're now a striking red and white in color.

## Surprised by Party on 25th Anniversary

Mr. and Mrs. Henry Evert of Farmington were tendered a surprise party, by 40 relatives and friends last Sunday evening on the occasion of their 25th wedding anniversary, which was Dec. 16. A buffet luncheon was served. The centerpiece was an anniversary cake baked by Mrs. Robert Sutton of Northville.

Mrs. Harold Milton of Detroit, a niece of the Everts, poured.

## Warn Against Use of Glass Ball Fire Extinguishers

Michigan residents have been warned not to buy glass ball fire extinguishers to hang on their Christmas trees.

The Michigan Department of Health found in a series of tests on these extinguishers that they failed to put out a Christmas tree fire and that they produced toxic vapors and gases of carbon tetrachloride and phosgene in concentrations hazardous to life and health.

In conducting its tests, the health department burned three Christmas trees, fastening the glass ball extinguishers on them according to the manufacturer's instructions. The extinguishers failed to put out the fires in all three cases.

During the burning of two trees samples of air were taken to measure the concentration of carbon tetrachloride, which in both instances was 4,800 parts per million, and the phosgene concentration which was 36 parts per million in one instance and 37 parts per million in the other.

Two minutes exposure to this concentration of phosgene, a poison gas used in World War I, would result in serious illness, which in many cases would be followed by death in a few weeks.

As of February 1953, more than 5,200,000 persons were receiving monthly old-age and survivors insurance payments under the Federal social security law.

## Junior Police Schedule Next Movie on Dec. 29

"Birth of a Nation", second in a series of movies sponsored by the Northville Junior Police Club, will be shown Tuesday, Dec. 29 at the Methodist Church House.

There will be a show at 2:30 in the afternoon for youngsters and another performance at 7:30 p.m. for teen-agers and adults.

The new year will start Saturday, Jan. 2, with a 2:30 and 7:30 showing of "Destination Moon" as the man feature and "Spotlight on Sports" as the added attraction.

More than 250 persons attended last Saturday's movie, Abbott and Costello in "Hit the Ice". Also shown was a short Christmas film.

Projectors were loaned to Chief Joe Denton by the Northville Optimist Club and the Board of Education. Bill Taft and Wilson Funk had charge of the projection room.

The Christmas film and part of the Abbott and Costello movie were shown to young patients at the Maybury Sanatorium with Bill Dietz and Wilson Funk operating the projector.

## Holiday Tips on Canapes, Appetizers

Those holiday meals you prepare deserve a good start. And good starters run the gamut of appetite provoking foods, from oysters on the half shell to various high flavor preparations of meat, fish, vegetables and cheese.

When preparing canapes keep them quite small, just large enough to be eaten in one or two bites, advises Katherine Hart of Michigan State College's institution administration department. Since long standing spoils most of them you'll want to prepare them not more than 30 minutes before serving, she adds.

A true canape always has a base for the savory morsel of food. The bases may vary from bread to puff paste. Crackers and pastry bases should be crisp. When toast is used, select day-old close textured bread. Swedish rye bread or pumpernickle are the bread very thin and cut it excellent for this purpose. Slice into desired shapes with cookie cutters. Toast it on one side only by sauteing it in a little butter in a hot skillet over low heat, until it is nicely browned. Spread the topping on the untoasted side.

With melba toast, dip each piece in the white of an egg and place it in a 150 degree oven for drying. This forms a resistant coating and makes it less absorbent, explains Miss Hart.

You can choose from various canape butters such as anchovy, pepper, sardine and mushroom. chutney, lobster, shrimp, garlic. Easy-to-fix spreads include cucumber, chipped beef, peanut and bacon, deviled ham, liver paste and finely chopped lobster or crabmeat blended with chopped celery and moistened with mayonnaise.

Hot canapes of ham, chicken or crabmeat spreads (with or without cheese) are heated under a slow broiler.

Hors d'oeuvres is the term used to describe savory little appetizers or relishes other than canapes. Unlike canapes, they are not served on bases of toast, bread or crackers.

## Scout Court of Honor Scheduled for This Evening

Twenty Northville Boy Scouts will receive awards at a Boy Scout Court of Honor, scheduled for 7:30 tonight (Thursday) at the Scout Hall.

Two boys will receive their Star Scout pins while one will be promoted to First Class and six others to Second Class. Six boys will receive their Tenderfoot badges.

Scoutmaster Monroe Weston also announced that three boys will receive special camping medals while six others will receive awards for participating in their first campout last month.

### OTHER AWARDS

Two other scouts will receive a first aid and swimming award. The awards will be pinned on the Scouts by their parents. Recipients will not be announced until tonight.

Following the ceremony, two films will be presented. One will show the activities at the Boy Scout summer camp at East Tawas while the other film was taken at the Boy Scout Jamboree in Europe.

### NO PARENT — NO AWARD

All Scout parents are urged to attend, since the boys cannot receive their awards unless their parents are present.

Northville Scouts have planned a campout near Brighton for this week end.

Mel Mitchell and Les Gingell will help Scoutmaster Weston keep an eye on the 30 boys who plan to go.

## Children's Christmas Refreshment

At Christmas time the latchstring is out for friends and family, and in particular the holiday season is a gala one for the younger generation. Comings and goings to exclaim over Christmas trees and gifts provide many occasions for little parties and impromptu refreshments. And no trouble at all for the youngsters to take care of their own entertaining if gay paper plates and cups are used.

Best of all to serve at these informal gatherings is a delicious drink. Cookies, candies and nuts may be passed, but a beverage is sufficient as featured refreshment. Pale dry ginger ale, well chilled, is excellent for children's parties. It gives sparkle and tang to fruit juices and combines with liquid and powdered flavors to make fine thirst-quenchers. Here are two drinks the younger set will like.

**Party Special**  
1 cup apple juice 2 tablespoons heavy cream  
¼ cup chocolate syrup Pale dry ginger ale  
Combine apple juice, chocolate syrup and heavy cream; mix well. Divide among 4 tall glasses. Fill glasses with ice cold pale dry ginger ale. Stir gently to mix.  
**Sparkling Cocoa Flip**  
¼ cup instant cocoa 1 teaspoon sugar  
¼ cup light cream Sparkling water  
Blend cocoa, cream and sugar. Pour equal amount into each of 4 tall glasses. Fill glasses with ice cold sparkling water; stir gently. Serve as ice cream sodas, using chocolate, vanilla and coffee ice cream.

An estimated 700,000 Michiganders are expected to visit Florida by car during the coming year, reports Automobile Club of Michigan Travel Director Harry N. Rogan. This will be a slight increase over the 660,000 who made the trip in 220,000 cars during 1953. The two major routes to the Sunshine State will be almost completely free of detours, an Auto Club survey reveals. Motorists have a choice of the eastern route, which takes them through Cincinnati, Lexington, Knoxville and Atlanta; or the western route which takes them through Louisville, Nashville and Columbus (Ga.). Although the non-mountainous western route is about 100 miles longer, it is about the same as the eastern route in actual hours on the road. Estimated driving time to Miami (at 375 miles per day) is four days; to St. Petersburg and Tampa, three and one-half days; and to Jacksonville, three days.

### Novi Scout News

Novi Cub Scout Pack 54, sponsored by the Perry Kenner Amvets Auxiliary, held its annual Christmas party at the Novi Community Building Dec. 11. Several movies were shown. The Cubs from all dens presented their parents with gifts they had made. Santa Claus gave gifts to all the children and refreshments were served.

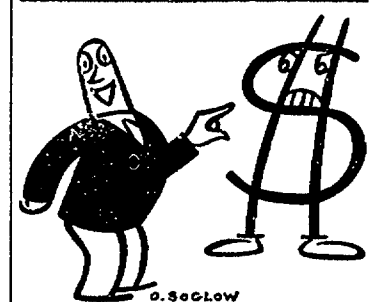

Novi Brownie Troop 2 held a regular meeting Dec. 9 and worked on Christmas gifts for their mothers. Julia LaFonde and Virginia Pounders had treats. Mrs. George Mairs assisted Mrs. Rex LaPlante with the meeting.

Novi Intermediate Troop held a regular meeting at Novi School Dec. 9. There was a short business meeting followed by reports on the recent bazaar. The girls, led by Pat Jackson, sang and played games. Mrs. Leo Harra-wood furnished cookies. The girls planned a Christmas party for Dec. 16.

Novi Brownie Troop No. 3 held a regular meeting last Wednesday at the school. They worked on Christmas presents for their fathers and decorated Christmas cards. Linda Early and Linda Ran furnished treats. They then drew names for their Christmas party.

There will not be any Scout or Brownie meetings on Dec. 23.

Don't let your dollars worry you! You won't have to if you save today with U.S. Savings Bonds! Save the easy, automatic way... join the Payroll Savings Plan! The amount you decide on will be set aside automatically every payday and invested in United States Savings Bonds! You can have \$10,699 in less than 10 years, if you start now to save \$18.75 each week in safe, dependable Savings Bonds. They now return 3% compounded semi-annually when held to maturity. And both principal and interest are guaranteed by the United States Treasury.

### Molasses Flavors A Home Barbecue

Barbecued spareribs and chicken are apt to be brisk weather days. If you think barbecued meats are elaborate of preparation, you're in for a surprise. The sauce is a sweet-spicy blend of unsulphured molasses, tomato sauce, vinegar, mustard and onion. These ingredients, heated one minute, are ready to baste baked spareribs or broiled chicken. Mellow unsulphured molasses contributes to the sauce's rich reddish-brown color, and it balances the tart flavor of tomato.

#### Molasses Barbecue Sauce

¾ cup unsulphured molasses 1 8-ounce can tomato sauce  
1 tablespoon prepared mustard ¼ cup chopped onion  
1 tablespoon vinegar ¼ teaspoon Tabasco  
Combine all ingredients in saucepan. Bring to a boil; boil one minute. YIELD: ¾ cup.

#### Barbecued Spareribs

Have 3 pounds spareribs cut in serving pieces. Place in shallow pan. Roast in a moderate oven (350°F.) 1½ to 2 hours. Baste with Barbecue Sauce twice during last hour of roasting. YIELD: 6 servings.

#### Barbecued Chicken

Have a 1½ to 2-pound broiler cut in half. Place in shallow pan; skin side up. Brush with melted butter; sprinkle with salt and pepper. Bake in moderate oven (350°F.) 1½ hours; turn twice during baking. Baste with barbecue sauce during last hour of baking. YIELD: 2 servings.

### Spode STARTER SET

#### INDIAN TREE

The symbolic Indian Tree of Life is painted in Chinese lacquer red, enlivened by two bands of lustre. In color and design it is as appropriate with Modern as with the Georgian settings with which it was first used.

**SERVING COFFEE TO A LARGE GROUP?**

Serving coffee to a large group? Gladys Knight with Michigan State Colleges tourist and resort program says you can figure that 1 pound of coffee plus 2 1/2 gallons of water will yield about 40 to 50 cups. In figuring the cream you'll need, remember that 1 quart gives you 64 tablespoons. If all take cream, you'd need about 1 1/4 quarts; less if fewer take cream.

**LAST DAY OF REGISTRATION**

**SCHOOL ELECTION**

Notice of last day of registration of the qualified electors of Northville Public Schools School District

Wayne, Oakland and Washtenaw Counties, Michigan

To the Qualified Electors of Said School District:

Please Take Notice that the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District on Tuesday, January 19, 1954.

Section 2 of Act 199, Public Acts of Michigan, 1951, effective September 28, 1951, provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides . . ."

**THE LAST DAY IN WHICH PERSONS MAY REGISTER WITH THE APPROPRIATE TOWNSHIP CLERK IN ORDER TO BE ELIGIBLE TO VOTE AT THE SPECIAL ELECTION CALLED TO BE HELD ON TUESDAY, JANUARY 19, 1954, IS FRIDAY, JANUARY 8, 1954. PERSONS REGISTERING AFTER 5:00 O'CLOCK P.M., EASTERN STANDARD TIME, ON THE SAID FRIDAY, JANUARY 8, 1954, ARE NOT ELIGIBLE TO VOTE AT SAID SPECIAL SCHOOL ELECTION.**

Under the provisions of Act 199, Public Acts of Michigan, 1951, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside are registered school electors. Persons planning to register with the township clerk must ascertain the days and hours on which the clerk's offices are open for registration.

This Notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

## NEW ARCHER'S SPORT

Between 30,000 and 40,000 bow-hunters in Michigan are probably on the verge of a mass discovery of new sport in their field. While they've gone all out for big game—deer and bear—they're swinging their sights downward a little these days in an effort to extend their hunting season—and their target is the fleet-footed cottontail rabbit! Archers gathered recently at the Ferris Farm near Perry for a test of their skill—and the results prove conclusively that Michigan bunnies are in for a lot more exercise, and a slight decrease in population at the hands of these amazingly accurate sportsmen.

## Beagles Used in Chase

The first step in the organization of such a hunt is the selection of an area where rabbits are reasonably plentiful. Farm country spotted with numerous small swales or swamps is best. If you choose a large swampy terrain the cottontails will simply run circles around you—circles so big you won't get close enough to shoot.

Next, get together with a Beagle club. The Beagle hound is very, very popular in Michigan, and owners are generally affiliated with a club group. Always

anxious to display the prowess of these colorful hunting dogs, owners will be found co-operative.

## Technique Simple

The procedure when properly handled calls for a group of as many as a couple of hundred archers to surround the small swamp or swale—and then release the Beagles. Soon those hounds will give tongue and rabbits will start bounding around the swale ahead of their pursuers. Archers spotted along the edge will get plenty of shooting at the cottontails zig-zag past—and it takes SOME shooting to hit them on the run.

In a demonstration of the sport at the Ferris Farm about 100 bowmen were in the field. More than half of them got shooting—and plenty of excitement was evident. The hunt wound up with 4 rabbits for the pot, and the vow that "next time, Br'er Rabbit, look out!"

## Special Game Heads Required

The sport will probably set up a few rules for the chase, not the least important of which is the arrow. The sharp-pointed field arrow and broadhead should be outlawed for safety's sake—and because it is not as effective on small game. Best arrow is tipped with "game head"—a flat rubber head which kills or stuns instantly by concussion, and travels only a short distance at top velocity.

We're sure to see a lot more of this sport in the months ahead in Michigan Outdoors.

## Drunk Driver Handed Heavy Sentence by Judge Bogart

A Plymouth motorist who was doing a bit of pre-holiday celebrating while driving erratically through Northville last week end was handed a near record sentence for drunk driving Monday.

Keith Garner of 746 N. Mill St. was fined \$50 and costs and sentenced to ten days in the Detroit House of Correction by Judge E. M. Bogart. He also lost his driver's license for six months.

Garner said there received at least three separate calls Saturday from Villagers who spotted Garner driving all over the road while taking an occasional nip from a whiskey bottle. He was finally nabbed on Yerkes St.

## From Football Dinner:

## Words of Wisdom and Otherwise

Notes and quotes from last Wednesday night's Northville High School football banquet:

**Coach Al Jones**—"I can truthfully say that Dick (Kay) and I have never been subjected to any pressure from the people of Northville. That's one factor that has made the job of head coach here a pleasure. . . . Al Iversen (1953's Most Valuable Player) is probably one of the finest performers in Northville history. I think he'll go a long way in college ball. (Al plans to attend Michigan State.) . . . We're losing 17 seniors but I still think we'll have a good team next year."

**Toastmaster Cliff Hill**—"I put Jones on the spot the first time I faced him. He was walking down Main St. one day and I marched up to him and demanded: 'When are you going to put my son in a game?' Al, thinking I was just another irate father, answered quickly: 'I think I can squeeze him in about the third quarter of the next game.' My son was six months old at the time."

**Assistant Wayne County Prosecutor Ralph Garber**—"Life is just like the game of football. You have to play according to the rules to be a winner."

**Fred Trosko**, head football coach at Michigan State Normal College—"At our school we are interested in boys who are, one,

good students; two, good citizens, and three, good football players. . . . We're not interested in boys who don't want an education. . . . Frankly, I'd rather not commit myself on whether or not I'm in favor of the new (limited substitution) rule. However, we've found at Normal that it lengthens instead of shortens the time of a game. We've also noticed no appreciable increase in injuries. It does make it easier on a college with a small coaching staff since the whole squad works on one thing at one time."

**Les Bingham** of the Detroit Lions—"In answer to a question on his weight from the audience—"Well, I haven't been down to the stockyards to get weighed lately, but I judge I go around 315. . . . Vince Banonis says he's all through after this season. This also probably will be Pat Harder's last year also. . . . I think there's just as much spirit in professional football as in college ball. I know I get tears in my eyes and butterflies in my stomach before a game and I think most of the other guys on the team do too. . . . I'd say the Chicago Bears and the San Francisco Forty-Niners have about the toughest offensive lines in the league. . . . I think Buddy Young (now with the Baltimore Colts and Bingham's teammate at Illinois) is one of the finest football players in the game today."

**Thurman McGraw**, also of the Lions—"to a dinner companion—"I weigh about 235 but I'm still one of the smallest defensive tackles in the league."

The letterman list included 31 players. A few were absent. Those on hand stood while Jones paid them short tributes. In almost every case, they hung their heads sheepishly as Jones listed their contributions to this year's team. Bob Engle displayed the most vivid blush.

Special applause from the more than 200 present went to Joe Girardin and Paul Hamlin, next year's co-captains, and Iversen.

Iversen and Bob Burgess presented a pair of gloves and a scarf to Coaches Jones and Kay on behalf of the team.

Bingham and McGraw, after answering questions from the multitude immediately after dinner, stayed around after the program for more of the same.

The players and guests stoked up on a delicious chicken dinner served by the ladies of the Methodist Church.

## Mustang Reserves Wallop South Lyon 53-18, for First Victory of Season

The Northville High School Junior Varsity basketball team, sparked by lanky Clarence Patterson, broke into the win column with a bang Tuesday night by trouncing the South Lyon reserves, 53 to 18.

Patterson, a sophomore, scored 14 points as the Colts coasted to their first win of the year after losing to Plymouth and Brighton. The game was played on the South Lyon floor.

Patterson's best quarter was the third when he netted three baskets and a pair of free throws for eight points.

Max Hollis scored eight points for Northville while Norm Somers and Paul Hamlin scored six each against the out-classed Lion junior varsity.

Northville spurred to a 12-3 lead at the end of the first quarter and led 28 to 8 at the half. Coach Stan Johnson emptied his bench during the second half.

hunting pressure and conditions. **FISHING BULLETINS**—

Now that hunting seasons have, for the most part, passed from the 1953 scene, sportsmen will have chance to turn to angling for a pleasant change of pace.

And for those fishermen who like to read about their sport, three new bulletins were recently made available through the conservation department's fish division at Lansing.

One, called "Fishing in Twelve Michigan Lakes Under Experimental Regulations," contains background research results that helped bring about changes in panfish regulations so that fishermen may now angle longer and take more panfish than before. Price of this pamphlet is 50c.

Another concerns "Production and Harvest of Bait Fishes in Michigan," and is a detailed report of a study made on bait-type minnows. Price, 25c.

The third booklet is a long, exhaustive study of a type of burrowing mayfly and of its importance to lakes in southern Michigan. It is priced at \$1 for a paper bound edition and \$1.50 in cloth. The research and writing that went into the three pamphlets was done by members of the department's institute for fisheries research at Ann Arbor.

## Bowls 743 Series

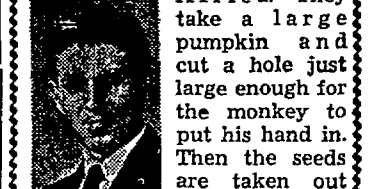

Lee Winkler of Wolverine Lake rolled quite a series at Walled Lake's B. and M. bowling alley last week.

Winkler, who bowls with the East Shore Tavern team, put together games of 263-222-258 for a 743 series, far outdistancing the former Walled Lake alley series record of 698.

His feat entitles him to a "700 Club" plaque and other prizes from the American Bowling Congress.

## CATCHING MONKEYS

They have a very interesting way of catching monkeys in Africa. They take a large pumpkin and cut a hole just large enough for the monkey to put his hand in. Then the seeds are taken out and the pumpkin filled half full of corn. The monkey likes corn and when he comes along and smells the corn and puts his hand into the hole he takes all his hand will hold. When his hand is full he cannot pull it back through the hole. He will pull and pull but he cannot free his hand. The natives then can capture the monkey. It seems that the monkey would rather be captured or even die rather than let go of his prize possession. Now it may appear a bit foolish to some, but that is exactly the way some human beings behave who have some pet sin that they will not give up to become a Christian. They know that some things which are practiced by people of this world are not consistent with the Christian life and therefore to accept Christ would mean they have to let go of this favorite sin. Repentance and faith demand that you turn from your idols to serve the living God. (1 Thess 1:9)

# MICHIGAN MIRROR

A REPORT FROM THE CAPITOL  
by Gene Alleman

Will Michigan's potent prison problem remain unsolved after the legislature return in January? This question disturbs many people interested in the welfare of the state in general and penal problems in particular. A repetition of the 1952 riots has been predicted if present conditions are not corrected.

If recent statements by Adrian deBoom, (R-Owosso) foreshadow sentiment of a large group of lawmakers, the taken-for-granted issue of a new prison can turn into a first class row causing serious delay.

Rep. deBoom announced recently that he planned to ask for a special legislative committee to review the whole problem of prisons—even at the expense of postponing construction until another year.

He criticized the new organized Corrections Commission for embracing the advice of "out of state experts."

Object of this attack is considered to be Austin MacCormick, nationally recognized prison authority who was executive director of a non-partisan special committee appointed by the governor to study the startling Jackson riots.

MacCormick is also the author of an article in the December Reader's Digest. In it he holds up Michigan's prison system as a horrible example. Millions of Digest subscribers read his description of how Jackson prisoners with no activity to divert their time were jammed together in crowded cells. "Caged, idle men are the dynamite of which prison explosions are made," he wrote.

Serving with him on the committee when he investigated Michigan's riots were several well known state citizens. Its chairman was Prentiss M. Brown.

A complete report was filed in February last year based on the April, 1952 riots. Most emphatic of its recommendations was that overcrowding must be reduced. It proposed a 1,200-man prison expected to cost about \$14 million, which would "sort out" of prisoners, particularly psychopathic criminals.

The legislature, with more discussion about the location of the new building than about the cost, appropriated \$75,000 to lay plans. Rep. deBoom was present for this legislation but did not vote upon the issue.

They appropriated nearly half a million dollars to remodel Jackson.

A commission type administration for state prisons was also created. This body began functioning Oct. 2. All its members were appointed by Gov. Williams. deBoom charges that the commission held a "secret" session in Detroit with MacCormick a few days before publicly endorsing the proposed \$14 million institution for Ionia.

Commission members are said to occupy a very weak position to take action since none have been confirmed by the senate and the "secret meeting" in Detroit leaves them open to criticism.

Now comes a request from Rep. deBoom for more time to study the prison situation. He suggests that another solution might be better. Perhaps a 600-man institution for an estimated \$7,200,000—or maybe two of them in different portions of the state.

Best argument is that "out-of-state" experts were wrong another time—when they recommended that Jackson prison be built. Its gigantic size is now considered by other "experts" to make it an administrative impossibility. deBoom is said to favor more probationary camps.

Economic facts of legislative life cannot be overlooked. Fourteen million dollars is a large sum of money. The state financial situation is a chief concern of many lawmakers.

Much of Michigan's income is derived from taxes which shrink shockingly when business drops off. Returns from sales taxes and business receipt taxes would reduce overnight should there be a recession.

If this should develop, the legislature would prefer not to be caught spending \$14 million when it might be argued that \$7 million would do as well.

"Temporary uneasy peace exists behind bars," said Austin MacCormick in his Digest article. It could easily be broken with newer and more serious riots if conditions that caused previous

uprisings are not rectified.

Prisoners have no one to lobby in their interests. If legislative action does not meet minimum living needs, no one should be surprised at another revolt. Their fate is interwoven with politics, economics and other factors beyond their control.

The governor is stuck with accepting the recommendation of the commission he just appointed. To refuse would be to invite its members' resignation.

The legislature is stuck with the dilemma of beginning a prison construction program now, or facing blame for future riots which MacCormick says must be expected.

Inmates are stuck in red tape of inactivity. After two years of investigating, they face the possibility that investigators will start all over again. In the meantime they exist in cramped quarters, seasoned criminals with first offenders; lunatics with "normal" prisoners. Insufficient activity; insufficient medical care, and certainly insufficient rehabilitation programs.

Taxpayers are stuck with the bill. Whatever is decided, they will pay the check. If the deci-

sions of the legislature are wise and made in time to remedy a situation long overdue for action, they can take some comfort from the knowledge that a social situation that no one is proud of has at last been dealt with in a sound manner.

## Slogans Asked for MSC's 100th Birthday

How would you sum up the achievements or the future of America's ninth largest university—on the threshold of its 100th year—in a few choice words?

Well, you're welcomed to try. And, if your suggestion is used, you will be honored during the university's 100th anniversary.

The institution, of course, is Michigan State College which observes its Centennial year in 1955.

Suggested slogans should be brief, general and unique, reflecting the character of M.S.C., and should be in the mail by the first of the year, according to Alvie L.

Smith, Centennial director.

Some that already have been suggested are "Century of Progress in Education", "A Century of Service Through Education and Service", and "A Century of Education for Freedom and Responsibility".

Entries should be addressed to the Centennial Office, Wells Hall, Michigan State College, East Lansing.

And—no fair using the words "Rose Bowl", Smith asked.

## Auto Accidents in State Headed for New Record

With new highs reported for the month of October, traffic injuries and accidents in Michigan during 1953 probably will exceed all previous records.

The State Police monthly statistical report shows 184 persons killed during the month, an increase of 22 per cent over 151 in October last year. The death toll was 36 higher than the October average for the years of '46 to '52.

There were 14,938 accidents and 4,980 injuries. This was a gain of 13 per cent in accidents and 19 per cent in injuries over the same

month a year ago.

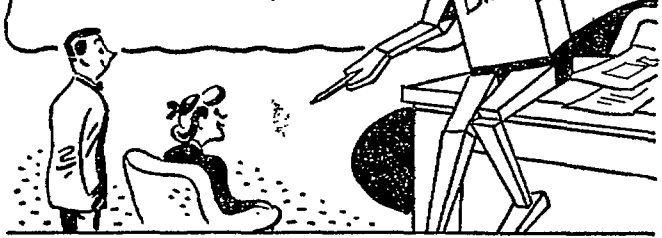

All of the increase in fatalities occurred in rural areas. Most of it was in one-car accidents in which the vehicle either over-turned or ran off the roadway.

During the first 10 months of this year there were 1,536 traffic deaths, 46,869 injuries and 146,565 accidents. The increase over the first 10 months of last year is 11 per cent in deaths, 20 per cent in injuries and 14 per cent in accidents.

Mileage for the first nine months of this year, the latest estimate available, totaled 19.7 billion, up 10 per cent from 17.9 billion miles in the same period last year.

The death rate of 6.9 per 100 million miles of travel was the same as for the first nine months of 1952.

Tuesday morning, there was much excitement among the seniors of Northville. They received their pictures and were busily trading with all their friends. It

seems that many of the girls think that Spellman Studios flattered them, but they didn't mind.

Monday evening, the play cast will present their play, "Dear Ruth" at the Northville State Hospital. This has been a request of the patients and we feel honored to be able to be of some service to them. Each year they arrange to have the sociology class take a trip through their building as well as sending speakers to our school. We hope that we can repay them in a small way by presenting our play for them.

## Directors Named for Dimes Drive

William R. Bernard, member of Detroit's Health Commission and vice-president of the Detroit Coca Cola Bottling Company, as director, and Charles L. Gehringer, vice-president of the Detroit Baseball Company, as assistant director, have accepted appointments to lead the 1954 March of Dimes in Wayne County. The campaign will run from Jan. 2 through 31.

In a joint statement issued by Bernard and Gehringer, they summarized the need for the slogan, "Please Give More in '54'."

"Faced with the added burden of financing validity testing of the new polio preventive vaccine and the commitment to purchase a vast quantity of gamma globulin, which together add up to approximately \$28,500,000, the March of Dimes must raise more than ever before this coming January," they stated.

"More than 66,000 polio victims of this and former years are depending on the March of Dimes to help them attain maximum recovery. We cannot let them down, nor fail those unfortunate enough to get polio before the vaccine has been tested. Patient care costs in Wayne County from Jan. 1, 1950, through Oct. 1953, averaged \$33,800 per month. The Wayne County Chapter received \$125,000 from the national emergency fund in 1953 alone.

"We feel sure that the people of Wayne County will respond to the need, especially when scientists are about to test a vaccine—developed with March of Dimes contributions—which may end the threat of polio for all time to come."

For an insured worker without dependents whose social security payments are based solely on work after 1950, the average monthly payment is about \$65.

## Traffic Violators Get Second Chance in Livonia

Motorists stopped for traffic violations in Livonia are receiving pleasant surprises these days—policemen are issuing tickets that do not require a n appearance in court or the payment of a fine.

At least the first ticket is "for free."

But if a motorist is nabbed for a traffic violation by the Livonia police a second time, he must appear in court and pay the fines on both tickets.

STARTS DEC. 1

The "two chance" traffic ticket program was put into effect Dec. 1 by James Hagen, Livonia's director of public safety.

The program is designed to screen out the habitual traffic violator while giving the benefit of the doubt to the average driver who momentarily forgets himself and violates a traffic ordinance.

Hagen explained the program applies only to minor traffic violations. "Naturally, we're not issuing 'two-chance' tickets to persons who commit serious offenses, such as reckless or drunk driving," Hagen said.

Improper turns and parking violations are typical offenses that will rate a second chance to a first offender.

Tickets issued under the new program are stamped with the notation that the violator does not have to appear in court if it is his first ticket since Dec. 1. The officer's copy of the ticket goes on file in the violations bureau of the city's traffic court.

## Two Motorists Killed in Grand River Accidents

Two motorists, one from Walled Lake and the other from Milford, automobile accidents on Grand River near Ten Mile in Farmington Township.

In both cases, the accidents involved trailer trucks.

Twenty-four year old Louis R. Pulis of Walled Lake was killed at 3:45 a.m. Saturday when his car collided with a trailer truck driven by Robert Stallion of Lincoln Park. Stallion told police the head-on crash occurred when the Pulis car veered over the center line at high speed.

Frank Pershoh, 60, of Milford, was killed at the same spot 13 hours later. Police said Pershoh made a left turn onto Grand River in the part of a semi-trailer driv-

en by John McVicker of Hazel Park.

## Food Sense—Not Nonsense

## Winds Blew Free—But Sailors Had No 'C'

Of those who sailed the high seas of old, it rarely could be said, "they never had it so good." Food supplies on voyages were limited and outbreaks of scurvy were common. Scurvy is now known to be caused by lack of vitamin C.

It was by chance that sailors discovered that citrus fruits could prevent scurvy. Science revealed that the anti-scurvy—antiscorbutic—properties were due to the acid—vitamin C—now known as ascorbic acid. Although scurvy is rare in this country today, a lack of adequate amounts of ascorbic acid in the diet can be recognized. A shortage will result in weakened walls of the capillaries—those tiny blood vessels which form an amazing network in the body. Those who have mild shortages may bruise easily. Lack of energy, muddy complexion and slow healing of wounds are other indications of a deficiency. Scurvy in children is frequently diagnosed as infantile rheumatism. If a deficiency of vitamin C is not too advanced, it may be corrected by adequate amounts of the vitamin in the diet.

Because the body is limited in its ability to store vitamin C, this nutrient must be obtained daily. The easiest way to meet the daily C requirement is through a generous serving of citrus fruit at breakfast. In fact, a well planned breakfast will not only furnish vitamin C but will furnish significant portions of the other nutrients we require. Enriched or whole grain cereal or toast, an egg or serving of breakfast meat and a glass of milk supply the breakfast's share of proteins, B vitamins and minerals.

Daily use of canned or fresh tomatoes, or tomato juice is also a simple way to get one's vitamin C. Often overlooked as sources of this nutrient are potatoes, cabbage and green vegetables, especially if uncooked. Although vitamin C is more readily destroyed by heat or exposure to air than other vitamins, it is not always lost in cooking; most of the original "C" is retained in a baked potato. Acid fruits, prepared and refrigerated overnight lose little of this vitamin by breakfast time.

Streets, Mrs. Charles A. Armstrong, Mrs. Albert Owen, Mrs. Arthur Muir and daughter, Linda, Mrs. V. C. Reddy and Mrs. Forrest Ault and son, Forrest II. The New Testament story of Dorcas provided a background for the theme "Christmas Planning". At the close of the discussion refreshments were served. After the annual Sunshine Christmas party to be held Wednesday, Dec. 16, there will not be another meeting of the Sunshine Sisters until Wednesday, Jan. 6. The Christmas party will take the place of the Sunshine meeting scheduled for Dec. 23.

Mrs. Gerald E. Powers of Cambridge Drive christened a destroyer escort named in honor of her son, Ensign Oswald A. Powers, who lost his life in the Battle of Midway. The ship was launched Dec. 17 at the Boston Navy Yard.

Ivan Gray was installed as Worshipful Master of the Northville Masonic Lodge. W. Grier, father of Mrs. Harper

Britton, opened a tailoring shop at 128 W. Main St.

Service Notes: Mr. and Mrs. L. D. Kimmel of Ridge Rd. received word that their son, Don, had been wounded in the Italian campaign. Mr. and Mrs. Charles Schultze received a letter from their son, Harold, informing them he had arrived in the Hawaiian Islands. Robert Parmenter was home on seven days leave from the Coast Guard Training Station at Groton, Conn.

More than 100 guests attended the wedding of Elizabeth Lanning and Perry Kenner at the Northville Methodist Church. The couple planned to live at 251 East Main St.

### TWENTY YEARS AGO—

Local Ford workers looked forward to a brighter Christmas after the local plant was ordered to work at top speed turning out valves for the 1934 model. William Gregory, chief shipping clerk, said the plant hoped to have 225 men on the job.

Twenty-four members of the 1933 Northville High School football team were entertained at a venison dinner at the home of Jr. The coach in those days was their captain, Nelson Schrader, Ted Watts, one of the all-time greats of Mustang football.

An overheated stove touched off a fire which caused \$150 damage to the home of Lee Herrick on Horton St.

Charles Gotts and his sons, Arthur and Fred, put the finishing touches on a new home for the William Clark family of Detroit. The home is located in Mead's mills.

The directors of Irish Hills Distilleries announced that the firm had purchased a three-acre site on the Northville-Plymouth Boulevard. Edward Hines, chairman of the

Wayne County Road Commission, gave a history of County Roads in a talk before the Rotary Club.

### THIRTY YEARS AGO—

Carl Ely left for Florida where he planned to spend several weeks recuperating from a serious illness.

Mr. and Mrs. C. H. Smock were Sunday guests of Mr. and Mrs. Lyman J. Craig of the Parker-Webb Co. of Detroit.

H. R. Richardson wrote from Clermont, Florida, that he had a wonderful trip down south and had embarked on a sight-seeing trip through the state.

Mrs. L. W. Simmons left for Detroit, where she planned to spend several weeks.

### FIFTY YEARS AGO—

James Palmer was badly injured while at work in the woods when a limb of a tree fell on his head. Palmer was reported suffering from a broken nose and upper jaw. However, he was expected to recover.

George A. Walters was expected home from Hankow, China in the near future.

Justice Bogart was busy dispensing justice in his court at the Forest Grove home in Oakland County.

Mrs. John Tinham of Alpena and Mrs. Bernhart of Grand Rapids were summoned here by the serious illness of their father, Asa Randolph.

## Northville Bomber Pilot Awarded Medal for Meritorious Achievement in Korea

Captain Kenneth A. Martens, a native of Northville, received the Air Medal Third and Fourth Oak Leaf Cluster during ceremonies held this month at Pinecastle Air Force Base in Orlando, Fla.

Martens, a graduate of Northville High, is the son of John C. Martens, now of Spokane, Wash.

His sister, Mrs. Alex Johnson, Jr., resides at 404 Dubuar. Also at the Dubuar St. address is a brother, Harold, while another brother, David, lives in Walled Lake. Two other sisters live in Detroit.

### FLIES NIGHT MISSIONS

Col. J. E. Roberts, commander of Pinecastle, presented the award in recognition of Martens' meritorious achievement while participating in night interdiction missions against enemy forces in Korea during the periods from Dec. 28, 1951, to Feb. 7, 1952, and Feb. 8, 1952 to March 16, 1952.

Martens was cited for demonstrating "exceptional airmanship in piloting his B-26 type light bomber in sustained operations against enemy installations, supplies and ground forces, many of the sorties being flown at the maximum range of the tactical aircraft."

### STATIONED AT PINECASTLE

At the present time, Capt. Martens is a B-47 flight instructor at Pinecastle.

He entered the service in 1941.

ver City, N. M. The Martens have a three-year old daughter, Joan, and live in Orlando.

For a widow with two children whose social security payments are based solely on the deceased worker's earnings after 1950, the average monthly payment is about \$150.

Nearly two million mothers and children are now getting old-age and survivors insurance payments under social security.

**Don't let a used car's price tag Blind you!**

Remember! It's where you buy that counts. Check the price, of course; But check the dealer, too.

An unusually "good deal" on a used car is not necessarily a good value. But we Ford Dealers can put rock bottom price tags on A-1 used cars because we don't depend upon used car profits to stay in business. We sell used cars mainly as a service to our customers who trade them for new cars. Naturally, we must keep these used cars moving to make room for the constant stream of trade-ins we get.

In addition, we Ford Dealers know it pays to play square with you. We want your good will... your service business. And, some day, we want to sell you a new car or another used car. So our good reputation rides with the used cars we sell. When you can trust the dealer, you can trust the used car, too.

## CHRISTIAN SCIENCE CHURCHES

What was the origin of man and the universe? That interesting question is explained in the Lesson-Sermon to be read in all Christian Science churches on Sunday, Dec. 20, under the subject "Is the Universe, Including Man, Evolved by Atomic Force?" The Golden Text is from Hebrews (1:10): "Thou, Lord, in the

beginning hast laid the foundation of the earth; and the heavens are the works of thine hands."

Among the Bible citations is this passage, (Ps. 93:1): "The Lord reigneth, he is clothed with majesty; the Lord is clothed with strength, wherewith he hath girded himself; the world also is established, that it cannot be moved."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include, "The true theory of the universe, including man, is not in material history but in spiritual development." (p. 547)

appointive. It was adopted 2,700 to 167 after winning the endorsement of the Livonia Taxpayers Association and the Central Livonia Taxpayers League.

The other proposals, all of them strongly backed by Mayor Jesse Ziegler, were defeated handsily. They would have:

1. Established a four-year term for all elective offices.

2. Let the council and mayor set salaries of all city officials.

3. Provided five-year terms for members of the Parks and Recreation Commission.

4. Abolished the justice court and established a municipal court.

Fewer than 3,000 of more than 11,000 qualified voters went to the polls.

gathered at the I.O.O.F. Hall Saturday night for their annual Christmas party. Sister Frances Denton was general chairman of the affair, assisted by Noble Grand Irene Kahl, who ordered all the food. They were assisted by Clara Putnam, Marge Marshall, Elva Bean, Gertrude Enders and Ruth Woodworth, who helped prepare and serve a roast turkey dinner with all the trimmings.

The tables were decorated with greens and holiday colors for the occasion. An exchange of gifts followed the dinner. Thirty-four were present for a delightful evening.

### WATER-PROOFED SHOES

If you child's feet are particularly sensitive, he may not be able to wear water-proofed shoes. A doctor has said that shoes of

this type should be treated as overshoes, that a child should take off water-proofed shoes and change to others when he is indoors. Otherwise, the perspiration is allowed to accumulate and the feet become more and more tender and sensitive, explains Lola Belle Green, extension clothing specialist at Michigan State College.

(REPLACING OUR OFFICE AT 865 S. MAIN ST.)  
**THRU THURSDAY, DECEMBER 24th**

## A GOOD PLACE TO SAVE

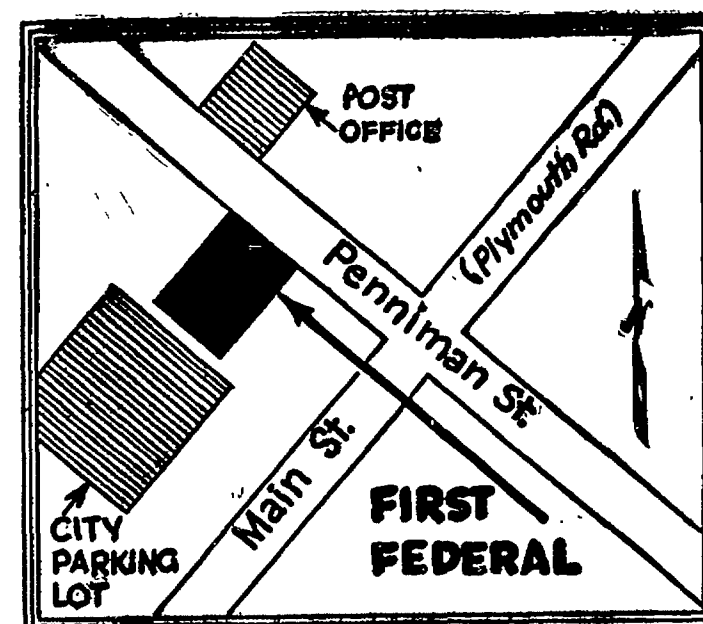

First Federal Savings of Detroit welcomes you to its new Plymouth headquarters—at 843 Penniman, across from U. S. Post Office. During the Grand Opening Celebration, there'll be souvenir gifts for all who drop in, and special gifts for people who open insured savings accounts.

So this is a good time to join the 68,000 people who have their savings at First Federal Savings—whose assets now exceed 114 million dollars. Two per cent current rate is paid here on savings.

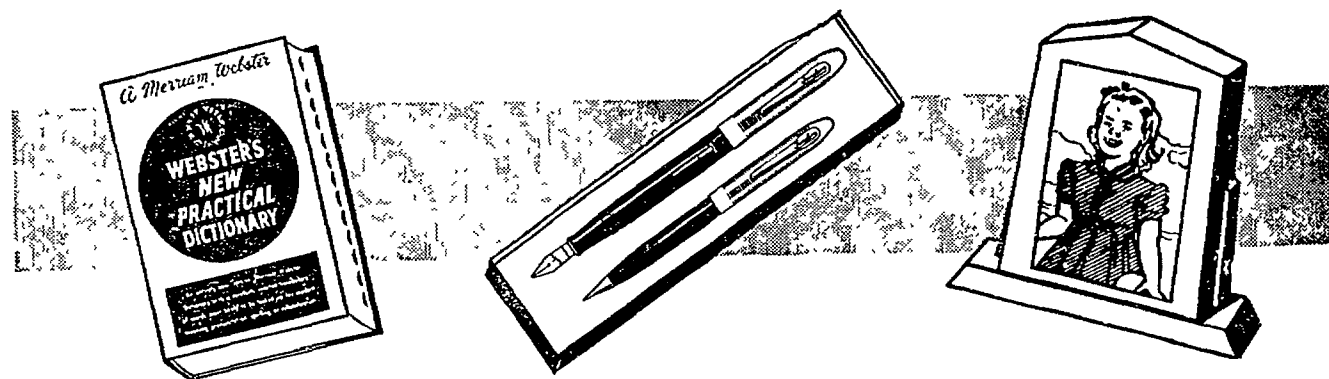

Each saver's funds are insured to \$10,000 by Federal Savings and Loan Insurance Corporation, a government agency.

The Plymouth Branch is serving a large number of families, including some who live a great many miles from Plymouth. For convenience, we offer a Save-by-Mail plan, by which you can open an account, add to savings, and withdraw entirely by mail. Postpaid mail-saving envelopes are furnished on request.

Hope to see you during the Grand Opening!

## Get a Useful Gift When You Open Your New Savings Account

When you open a new savings account with \$10 or more, during our Opening, you have your choice of:

**WEBSTER'S NEW PRACTICAL DICTIONARY**—concise, up-to-date, unabridged, this indexed dictionary makes a useful and dignified gift for students, businessmen, or anyone. It comprises 824 pages with 40,000 words. This Webster's is illustrated and has an appendix of abbreviations, vocabulary of rhymes, foreign words and phrases, the Constitution of the United States, and a table of weights and measures.

**SHEAFFER FINELINE PEN AND PENCIL SET**—nationally known, attractively styled and nicely packaged. There is no advertising imprint on pen or pencil; you can use as a welcome gift or keep for your own use.

When you open your account with \$1 or more, during our Opening, you will have your choice of:

**JACK-IN-THE-BOX BANK**—This gay and amusing coin bank makes a lively gift for children or others around the holiday season.

**PICTURE FRAME BANK**—of metal, in a streamlined design. Holds your favorite 2 1/8" x 3 3/8" snapshot. Handy for saving coins and bills; especially good for the youngsters.

**SOUVENIR GIFTS FOR ALL**—Just pay us a visit during the Opening, and you'll receive some useful gifts including a gay children's coloring book, 3 1/2" plastic thrift bank and a useful pencil. Bring your friends and neighbors. No obligation; nothing to buy—just drop in to see our new Plymouth office!
