For State Representative

2 Farmington Men File As Candidates

Two Farmington men—one a Republican and the other a Democrat—have filed as candidates for State Representative from the Third Legislative District in the special primary election to be held Thursday, Jan. 21.

Allen C. Ingle, an attorney and Farmington Justice of the Peace, is one of four Republican candidates running in the primary.

The Democratic candidate from Farmington is Fred Wilkinson, an accountant. He will have two opponents in the primary.

ELECTION FEB. 11

The special election, scheduled for Feb. 11, was caused by the resignation of State Rep. Howard R. Estes. Estes resigned in November to devote full time to his duties as manager of the Oakland County Infirmary and Convalescent Hospital.

Polls will be open at the Novi Township Hall and the Farmington and South Lyon city halls.

The "old" Third District, in which the election will be held, is composed of Novi, Lyon, Farmington, Troy, Bloomfield, West Bloomfield, Milford and Commerce townships.

The district recently was changed. However, Atty. Gen. Frank Millard has ruled that the special election must be held within the limits of the old district.

LOCAL CANDIDATES

Ingle and Wilkinson are the only candidates from the southern part of the district.

In a statement this week, Ingle said he would make only one campaign statement and that is "If I am elected I will remember that I am the servant of the people and will serve them to the best of my ability."

"I believe a representative of the people should go to Lansing and act as their eyes, ears and

ALLEN C. INGLE

voice, and report back to them," he said. "I am willing to give my time to do this and I feel my accounting and legal background qualifies me to represent all the people of this district."

A life-long resident of Michigan, Ingle is married and has one son. He is a graduate of the Detroit College of Law and the Detroit Institute of Technology, with a degree in accounting.

WAR VETERAN

A veteran of World War II, he served with the infantry and the Office of Strategic Services in the China, Burma, India theater.

Wilkinson, the other Farmington hopeful, is Farmington Township Democratic Chairman, a former president of the Farmington Civic Association and a former

Businessmen Show Cautious Optimism Over '54 Prospects

A cross-section of Northville businessmen this week expressed cautious optimism concerning 1954 business prospects, all of them discounting widespread talk of a recession.

While none of the men interviewed felt that 1954 would match 1953 business-wise, the general feeling was that there was no great cause for alarm.

In a statement solicited by the Record, John Boyce, president of Depositors State Bank, said "1954 will be a reasonably good year for business."

"Adjustments have been under way for several months and much of the recession has been anticipated and substantially discounted already. Further adjustments will take place. Some individuals will be hurt and some businesses will fail but the overall outlook is definitely not pessimistic. Insurance of bank deposits and conservative banking will do much to stabilize the entire economy."

STONE OPTIMISTIC

Roy Stone of Stone's Gamble Store said that while he expected a slight slump in business in general, his store looked forward to a good year.

"We have set our goal at 15% more business this year than last," he said. "We're running ahead of last year right now. Of course, to keep ahead we're going to have to sell harder than we have in the past."

Tom Carrington of the Carrington Insurance Agency said he saw no reason why "we can't have a reasonably good year."

"I think payrolls will be down a bit because there will be less overtime work," he said. "While business won't be as good as last year, I don't feel we're going to have a recession."

HIMMELSTEIB CAUTIOUS

Harry Himmelsteib of the Brader Store said it was hard to predict right now what's going to happen.

"We're starting 1954 a little behind last year but I do think business will pick up," he said. "I'm not optimistic or pessimistic... just medium. I think we'll do all right."

Himmelsteib predicted some price cuts.

"People won't be making as much money this year as they did in 1953," he said. "There will have to be some price cuts because of this."

A PESSIMIST

Orson Atchinson of Atchinson Motor Sales was pessimistic about '54 prospects.

"Things don't look too good right now and worse than that, the spring business outlook isn't too bright," he said. "We should know one way or the other in about two months. But unless things pick up by spring, it's going to be a rough year... in our business, at least."

Garrett Barry, the real estate broker, summed things up this way:

"Business will have to be good this year. If it isn't, the Republicans might just as well join the Club of Forgotten Men."

Robert Herter Is Admitted to Bar

Robert J. Herter of Northville was admitted to the Michigan State Bar in ceremonies performed Thursday, Jan. 7, at the Veterans' Memorial Building in Detroit.

Herter obtained his Bachelor of Arts degree at Concord State College in Athens, W. Va. He received his LL. B. from the University of Michigan Law School.

Mr. and Mrs. Herter and their two children, Roberta and Daryl, live at 46327 West Seven Mile Rd., Northville.

Leo Mainville, Mrs. Mae Neff and Mrs. Patricia Schoof pause to pose while dismantling the soda fountain at Northville Drug. At right is Ernie Beaubien, a drug salesman.

End of An Era

Well, the sad rumor is true. We heard about it Monday. Alarmed, we checked up.

"It's official, we're sorry to say."

Progress has finally caught up with that grand old American institution—the drug-store soda fountain.

Gunsell's Drug Store and Northville Drug revealed (without shedding even ONE tear) that they're taking out their soda fountains.

"Tide of the times," Mrs. M. C. Gunsell, wife of the one proprietor said when the Record inquired. (Her husband, significantly, was busy stirring up a prescription.)

Leo Mainville, proprietor of Northville Drug, said the same thing.

"Times change and we have to change with them," he said.

"Some articles we used to sell we just can't sell at a fair profit nowadays," Mrs. Gunsell said. "We're running out of display space and decided that the soda bar had to go."

This revolution, this return of drug stores to selling drugs, isn't confined only

to Northville.

Mainville said some 55 drug stores between here and Detroit had taken out their soda fountains during the past ten months.

The effect of this minor revolution will be felt most keenly in the high school set.

No longer can teen-age Lotharios play the big spender, order a ten-cent coke and two straws, and sit and scheme with their sweethearts by the hour.

They'll have to find some other roosting place.

When we stopped in Northville Drug on Monday, Mrs. Mae Neff and Mrs. Patricia Schoof were busy packing up the glassware—schooners which once held those scrumptious sundaes, the maraschino cherry bottle, chocolate syrup jars...

Mainville pointed out that the store will still sell packaged ice-cream and novelties such as choco-pops and cream-sicles.

"But no more soda fountain," he repeated.

Somehow, drug stores will never be the same—to us, anyway.

Troop Competes in Annual Sweepstakes

Two patrols from Northville Boy Scout Troop 5 competed in the 13th annual running of the Dawson City Sweepstakes, held last Sunday at the Warren Valley Country Club.

The sweepstakes gave Scouts a chance to apply some of the skills they've learned, such as signalling and use of compasses.

The Wolf Patrol of Troop 5 placed third among troops of the Sunset District in the "Klondike" sled race. The patrol scored 103 points of a maximum 140 points, showing particular skill in signalling and cooking.

A total of 420 scouts competed in the event.

Troop 5 is headed by Clifford Powell, George Muller, neighborhood Scout Commissioner, assisting in judging the signalling event.

Harbert Wins \$2,050 in Golf Tournament

Chick Harbert, pro at Meadowbrook Country Club, tied for second place this week in the Los Angeles Open Golf Tournament.

Harbert and Jerry Barber of La Canada, Calif., each collected \$2,050 in second place money.

The tourney was won by Fred Wampler.

Four Villagers Listed on Jan. 21 Army Induction List

Four Northville men are listed on the Jan. 21 army induction call, released this week by Local Board No. 102.

The Villagers are Earl L. Hollis, Ronald J. Grissom, Bruce E. Stratton and Garry A. Hix.

Plymouth inductees include Gary E. Sockow, Kenneth J. Stoops and James H. Goodale.

Draftees from Livonia are Douglas C. Schuur, Weldon W. Phillips, Randall L. Artman, Michael C. McGrath, Frank L. Briolat and Richard T. Noble.

Symphony Concert Sunday, January 17

The Plymouth Symphony Orchestra, under the direction of Wayne Dunlap, will present its annual family concert at 4 p.m. Sunday, Jan. 17, in the Plymouth High School auditorium.

The symphony will feature music for young people, Dunlap said, and the program will include one of the most popular symphonic works for children—"Peter and the Wolf" by Prokofiev.

This musical fairy tale, written in the late 1930's but already considered a classic, will be narrated by Dunlap while Richard Thurston conducts the orchestra.

WOODWIND SOLOS

The woodwind section will be spotlighted during the first part of the family concert. The soloists, with one exception, are faculty members at the University of Michigan.

Nelson Hauenstein has been a member of the Plymouth Symphony for some time, often appearing as a soloist. He has been on the University of Michigan teaching staff for six years.

Theodore Hager is assistant professor of music literature at the University and was first oboist with the Duluth Symphony Orchestra for 10 years. He was also a member of the Minneapolis Symphony in 1928-29.

Another of the soloists, William Radant, is clarinet instructor at the University, and played with the Oklahoma Symphony before coming to Ann Arbor.

William Weichlein, instructor in music literature at the University of Michigan, is a bassoonist of much professional experience in Chicago. He was a member of the Chicago Civic Orchestra, the WGN Radio Orchestra and the orchestra of the Chicago Opera Company.

The last of the group, Leland Bartholomew, has been a member of the Plymouth Symphony Orchestra for the last three seasons. He is a graduate of the University of Michigan and has played with numerous professional groups around Detroit. He was in the horn section of the Scandinavian Symphony Orchestra on its recent European tour.

Polls at Village Hall to be Open from 7 A.M. - 8 P.M.

Northville School District voters will ballot next Tuesday, Jan. 19 on a \$300,000 bond issue to finance the construction of a new elementary school building.

The polls will open at Northville Village Hall at 7 a.m. Tuesday and close at 8 p.m.

Eligible to vote are some 2,500 registered electors in the school district, which is composed of parts of Northville, Novi, Salem and Lyon Townships.

A simple majority vote is all that's needed to authorize the bond issue.

TWO PROPOSALS

There will be two proposals on the ballot.

The first calls for a 5.5 mill tax increase, lasting 20 years, to provide a debt retirement fund.

The second would permit the sale of the \$300,000 bond issue.

All voters are eligible to vote on the first proposal. The second proposal is limited to property owners.

It has been pointed out that the 5.5 mill increase does not necessarily mean that the full amount will be levied each year until the 20 year period expires.

FULL TAX UNLIKELY

The 5.5 figure simply provides a maximum tax ceiling and school officials say it is almost certain the full amount will not be levied. They also reminded voters that as soon as the bond issue is retired, the tax will be cancelled, as provided by law.

The bond issue would be used to build a nine-room elementary school on a ten-acre site off North Center St., between Carlyle and Hill.

The need for the new school is demonstrated by the fact that the present elementary school already is three rooms short.

By next fall, school officials fear they will be forced to institute half-day sessions unless more space is made available.

Mrs. Alexander Elected President of Garden Club

Mrs. George Alexander of 752 Spring Drive was elected president of the Northville Branch, Woman's National Farm and Garden Association, at a meeting held Monday at the home of Mrs. N. W. Hopkins on Lakeside Drive.

Other new officers include Mrs. Glenn Cummings, first vice-president; Mrs. D. H. Clark, second vice-president; Mrs. Orson Atchinson, corresponding secretary; Mrs. Luther Rix, recording secretary, and Mrs. Gerritt Rooks, treasurer.

Following the election, Miss Patricia Chase of Eight Mile Rd. showed colored slides of her European trip last year.

Miss Chase, a graduate of Oberlin College, was granted a scholarship to the University of Stockholm by the Swedish government with the cooperation of the Swedish-American Foundation.

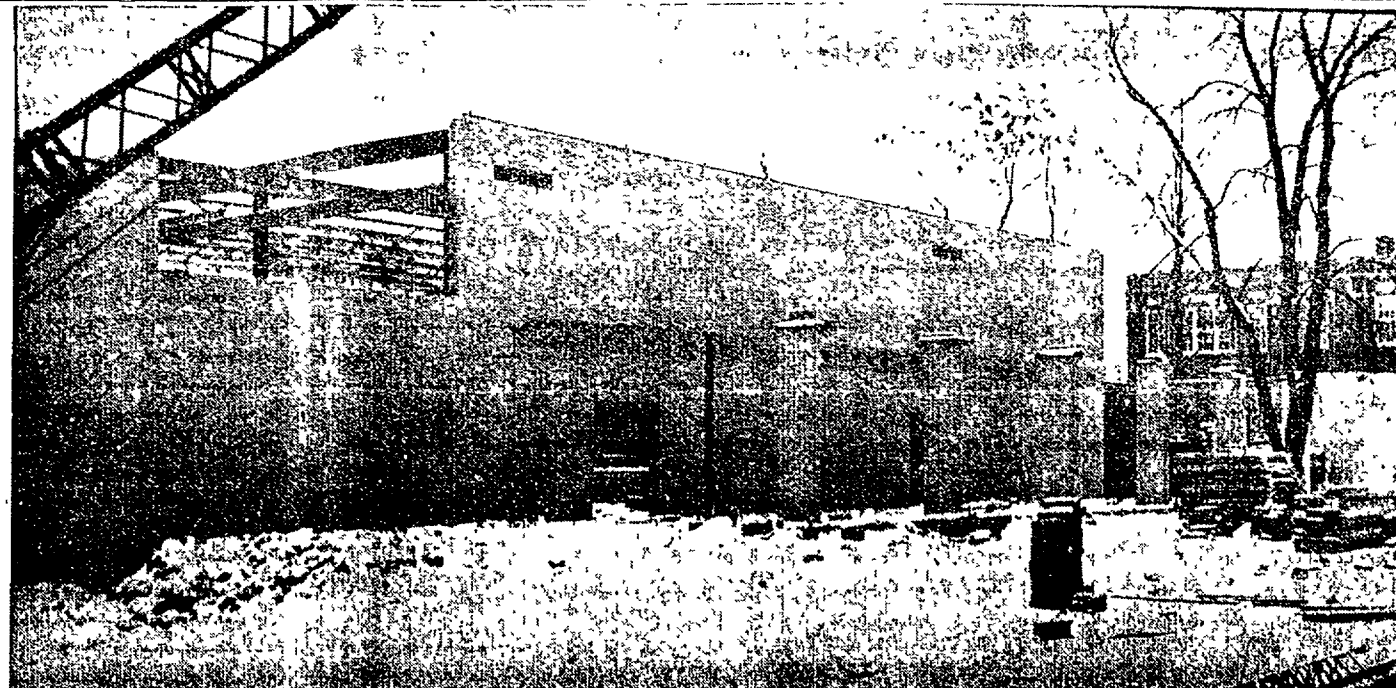

Last summer, she and her parents, Mr. and Mrs. William B. Chase, toured Sweden, Norway and Germany. Later, Miss Chase traveled with a student group through Greece, Italy, Lebanon, Syria, Jordan and Israel. She then worked in Sweden for three months before returning to the United States in December.

Assisting Mrs. Hopkins at the tea which preceded the meeting were Mrs. Herbert Brown, Mrs. Ray Casterline, Mrs. Howard Meyer, Mrs. William Walker and Mrs. Cummings.

Purse Found

A small purse, containing a sum of money, can be claimed by its owner at the police station.

The purse was found last Saturday near the Four Corners.

The Northville Community Building will be ready for use before we know it. The outside walls have been completed and the roof framework is nearly finished. The building should be

roughed in within a few weeks, barring too much bad weather. Even with the mercury almost down to "0", progress continues. The building should be completed by April.

Rolling Down The River

by the PETZ BROS.

Well, here's a story, we got to use about now or wait until Father's Day. A very good customer of ours dropped in shortly after Christmas to discuss the ever-so-new Studebaker for '54. Of course, we asked him how Christmas was at his house and did he do all right? "Sure did," said he, "even got an electric razor, which I tried out shortly after I found it under the tree. Worked beautifully, only the small son couldn't understand it. When he heard the noise of the razor's motor coming from the bathroom, he came to the door, took one look and ran for his mother. 'Come quick,' he yelled, 'Daddy's vacuuming his face.'"

Of course, it's a little late for us to discuss Christmas presents but if you didn't get the '54 Studebaker as a major gift item, some one slipped up on the finest present possible. No matter what you want in a fine motor car, you'll find it in a Studebaker. Comfort, the last word; power, more than you'll ever need; beauty, the American car of continental lines, plus color themes that are the smartest ever; economy, of the sort that makes driving the car a pleasure. We're sure that it would be a very good idea if you should drop around for a demonstration in the immediate future.

We hear tell of a local doctor that was obliged to go to the funeral of a neighbor. Putting it off until the last moment, he dashed from his office and sped down the street. A squad car pulled him over to the side of the road and the officer got out. "Don't stop me now," called the man of medicine, who knew the cop, "I'm on my way to a funeral."

"Okay, Doc, could be," said the arm of the law. "I don't doubt your word a bit, but I didn't think you'd ever admit it."

Now when you car owners tell us that the car you drive is operating in tip-top shape we don't doubt your word a bit either, but . . . we do think that it would be just a bit safer if you were to have that lubrication taken care of at regular intervals. Instead of in a hit or miss fashion, and we do know that the motor will give you a much more satisfactory performance if you give our mechanics a chance to keep it operating on each and every cylinder at all times. Let's start the year right with a perfectly conditioned car.

That's that, but a newspaper friend of ours tells us that if editors told the truth in obituaries, you'd be surprised at how many people would either quit dying or would change their mode of living.

Yours,
BILL & WILL PETZ

A Visit With Your Neighbors On the Job

Mrs. Eleanor Dethloff

Child psychologists estimate that children between the ages of three and six ask an average of 300 questions each day.

If that's the case (and judging from the 3 and 4-year olds we've seen in action, it is) Mrs. Eleanor Dethloff of 212 High St. must feel like a walking information booth some days.

Mrs. Dethloff daily cares for about a dozen youngsters, ranging in age from two to six, at the supervised play center in her home.

The center opened last November. Mrs. Dethloff had worked with children and knew that many of Northville's working mothers needed a place where they could safely leave their child while they worked.

Children at the center follow a daily schedule which includes as much outdoor play as possible, a story hour, creative work such as clay modelling and short naps. Mrs. Dethloff also gives the children their lunch.

This week's Villager at Work graduated from Northville High School and had a year of general secretarial work at the Detroit Business Institute. She plans to enter night school at Wayne University for special teacher training in child development.

Mrs. Dethloff has two children of her own, and has worked with children in girl scouts and church groups. She serves on both the Girl Scout Council and a working committee for Troop 13, and for five years taught Sunday School at the Lutheran Church.

Early Purchase of License Plates Asked by Cleary

Secretary of State Owen J. Cleary informed T. R. Carrington, manager of the local Secretary of State's office, that a state-wide campaign has been planned to push the sale of 1954 license plates between Jan. 15 and Feb. 15.

Newspapers, radio and television stations, and theatres have been asked to carry the message "Buy Your Plates Early and Avoid the Rush."

"I would be the happiest and most pleased man in Michigan if we had no line-up for plates on Feb. 28," Cleary said.

He revealed that through Jan. 4, a total of 324,177 plates had been sold—a 53% increase over last year.

Cleary hopes to sell 1,500,000 plates by Feb. 15. There are over 3,000,000 car owners in the state. The Secretary of State said \$10,000 could be saved if every-

one would cooperate and avoid the last minute rush.

Birthday congratulations to Mrs. Sam Pickard of Eaton Drive, who will celebrate her birthday on Sunday, Jan. 17.

STYLE DIVIDEND

3 New Body Styles... 28 models

Ford offers you three brand new body styles in its line of newly created models. There's a new transparent-roofed Crestline Skyliner... a sparkling new Crestline Fordor... and a smart new Customline Ranch Wagon. There are 28 models in all, for each of Ford's 14 body styles is available with the new Y-block V-8 or the new I-block Six engine.

New Astra-Dial Control Panel

It's designed both for beauty and practicality. The speedometer is placed high on the panel where you can quickly spot the figures almost without taking your eyes off the road. Like the '54 Ford's beautiful new upholstery and trim, the Astra-Dial Control Panel is color-harmonized with the sparkling new outside body color of your choice.

With its trend-setting advances... Ford's worth even more for '54

It's the Dividends that make it Worth More

PERFORMANCE DIVIDEND

New 130-h.p. Y-BLOCK V-8

An extra-deep skirt extending below crankshaft gives greater rigidity for smoother, quieter operation, longer engine life. Free-turning overhead valves, low-friction design, Double-Deck Intake Manifold and high-turbulence combustion chambers give brilliant new responsiveness... 18% more power, greater economy.

New 115-h.p. I-BLOCK SIX

This new Six has an extra-deep block for greater rigidity, smoother, quieter performance, longer engine life. Free-turning overhead valves, high-turbulence combustion chambers, low-friction design and Ford's Automatic Power Pilot help produce 14% more power—with finer performance on even less gas.

RIDE DIVIDEND

New Ball-Joint Front Suspension

This revolutionary new suspension is the greatest chassis advance in 20 years... and it's exclusive to Ford in its field. It gives front wheels greater up and down travel to smooth out the going on rough roads. And it helps keep the wheels in true alignment for consistently easy handling. Movement of the wheels is on ball joints whether up and down, as wheels travel over rough spots, or in steering as wheels turn right or left. Ball joints are sealed against dirt and water.

DIVIDEND IN DRIVING EASE

Ford offers five optional power assists* you might expect to find only in America's costliest cars

Master-Guide power steering does up to 75% of your steering work, yet leaves you with natural steering "feel" on the straightaways. Swift Sure Power Brakes do up to one-third of the work in stopping. Fordomatic Drive gives torque converter smoothness and the "Go" of automatic mechanical gears. And only Ford in its field offers Power-Lift Windows, both front and rear, that open or close at a button's touch... and a 4-Way Power Seat that adjusts up and down, as well as front and back, at a touch of the controls. They're all worth-while optional extras available in the 1954 Ford!

The GREEN THUMB

by Paul Newton

Twelfth Night, Jan. 6th, marked the end to all holiday trimmings. Only the poinsettias, azaleas and cyclamens brighten our rooms, but with proper care these plants may be kept for a month or more.

The poinsettias, if given abundant water, humidity, direct sun and an even temperature of 65°, may retain their leaves and last for another two weeks. They must be kept out of drafts, which is difficult in many homes.

KEEP CYCLAMEN COOL

The cyclamen likes to be kept cool. It will take about two hours of sun daily, but requires plenty of water and a feeding every two weeks while in bloom.

The azalea is primarily an Easter plant, but newly developed techniques in forcing have made it a Christmas product also. It needs a cool room and plenty of water. The foliage should be sprinkled with water twice a week and faded blooms should

Volunteers Begin Door-to-Door Drive for Hospital Fund

Door-to-door solicitations for the St. Mary Hospital Fund began Monday night after a meeting of volunteer workers at the V.F.W. Hall.

The workers were addressed by Dr. R. M. Atchison, who stressed the need for the hospital, which would serve all the communities of this area.

The Phillips-Bahnmler Funeral Home at 404 West Main St. will serve as a depot where volunteer workers may replenish their supply of campaign materials.

The door-to-door appeal will be concluded about the end of this month.

be removed daily. The azalea can be planted in the outside garden in summer and brought in again in the fall before the frosts.

NEW HOUSE PLANT

The epiphyllum is a new and not too well known house plant which resembles the Christmas cactus. It is commonly called the "orchid cactus". Its jewel-toned flowers are borne in huge clusters on graceful arching stems. They are ideal for table arrangements; also for corsages. Epiphyllum needs very little care. Its requirements are similar to begonias and ferns. It is the brightest blooming plant of the great cactus family and at this time of year some varieties will bring a riot of color to your plant shelf.

One of the fool-proof flowers for forcing at this season is the lily of the valley. Special forcing pips should be purchased. These are planted closely in a bowl of sphagnum moss which is moistened and set in a cool, dark room until bud stalks are visible. Then it should be brought out to a temperature of about 65°. If kept out of the sun, the tiny bells will last and send their fragrance throughout the house.

BULBS OR FORCING

Another of the easy forcing bulbs is the paper white narcissus and the yellow Soliel d'Or narcissus. These are planted in a low bowl containing about two inches of stones or vermiculite, bulbs should be placed on top of the stones and water poured in just to cover the base of the bulbs. Invert paper bags over the bowls and place them in a cool, dark place until root growth is well developed and the leaf growth is about three inches high. Check them every few days to replant the water. They should be brought to a subdued light for a day or so after root and leaf growth has developed sufficiently; then put in a cool window which does not get bright sunshine. They should flower about ten days after being brought to the light.

Friday dinner guests at the Robert Alexander home on Chubb Rd. were Mr. and Mrs. Donald Alexander and Mrs. Alvina Alexander, all of Fowlerville.

Louis Covach Dies in Salem

Louis Covach, one of 12 children of John and Anna Covach, was born in Roumania on Aug. 15, 1885. He first came to the United States in 1910 and after going back to his native country for a short time, returned to America in 1914 to make this his home land.

On July 5, 1916, he married Miss Marie Ola in Indianapolis, and they lived in Indiana Harbor until moving to Highland Park in 1922. Mr. Covach and his family successfully operated farms in Livonia and the Plymouth and Salem areas until purchasing their farm home on West Six Mile Rd.

Because of a heart condition, Mr. Covach was forced to give up his chosen occupation, and while resting spent many happy hours. He passed away in his sleep Jan. 7.

Memorial services were held in the Phillips Funeral Home in South Lyon on Sunday, Jan. 10 at 2 o'clock with the Rev. C. Pennell of South Lyon bringing words of spiritual comfort to the family and friends. Harry Richards of Salem sang "Beyond The Sunset". Interment was in South Lyon Cemetery.

Mr. Covach is survived by his wife, and sons, Louis, Jr. of Livonia, John of Plymouth, and a daughter, Anna, who lives in the family home, and three grandchildren, Suzanne, John, and Mary Kathryn Covach of Plymouth.

Births...

On Jan. 6, a seven pound, 12 ounce baby boy was born to Mr. and Mrs. Donnie Stout of Plymouth. The baby has been named after his father.

Mr. and Mrs. Lyman Larson, Main St., announce the birth of a son, Michael Elliott, weighing six pounds, 12 ounces. He was born Friday, Jan. 8, at Sessions Hospital.

Mr. and Mrs. Victor Riblett, of Plymouth, have named their new daughter, born Dec. 5, Debra Anne. Debra weighed six pounds at birth.

Mr. and Mrs. Charles Altman, Jr. of River St. are the proud parents of a baby girl, Susan Louise, born Jan. 2 in Mt. Carmel and weighing seven pounds, nine ounces. Mrs. Altman is the former Ann Ray of Plymouth.

er member of the Township School Board.

He was an unsuccessful candidate in 1948 for the State Legislature and lost in 1950 when he opposed Lynn Allen in the race for Oakland County Clerk.

Wilkinson said he was in favor of Fair Employment Practices legislation and increased facilities for the care of mentally-disturbed children.

The other Republican primary candidates include Richard Van Dusen and Lawrence McKay, of Birmingham, and Stanley M. Brown of Bloomfield Township. John C. Westerdahl of Commerce Township and Marvin Kuchinsky of Troy Township are Democratic candidates.

Frid Granddaughter Only Pupil in State's Smallest School

Sid Frid of 865 Grace St. stopped in the Record office this week to show us a newspaper clipping concerning his five year-old granddaughter, Leanna Plaut.

According to the story, Leanna, who lives on Bois Blanc Island near Cheboygan, has the distinction of going to the smallest school in Michigan.

In fact, Leanna is the only student.

The youngster's teacher is Mrs. D. B. MacDonald, who also is the island's postmistress.

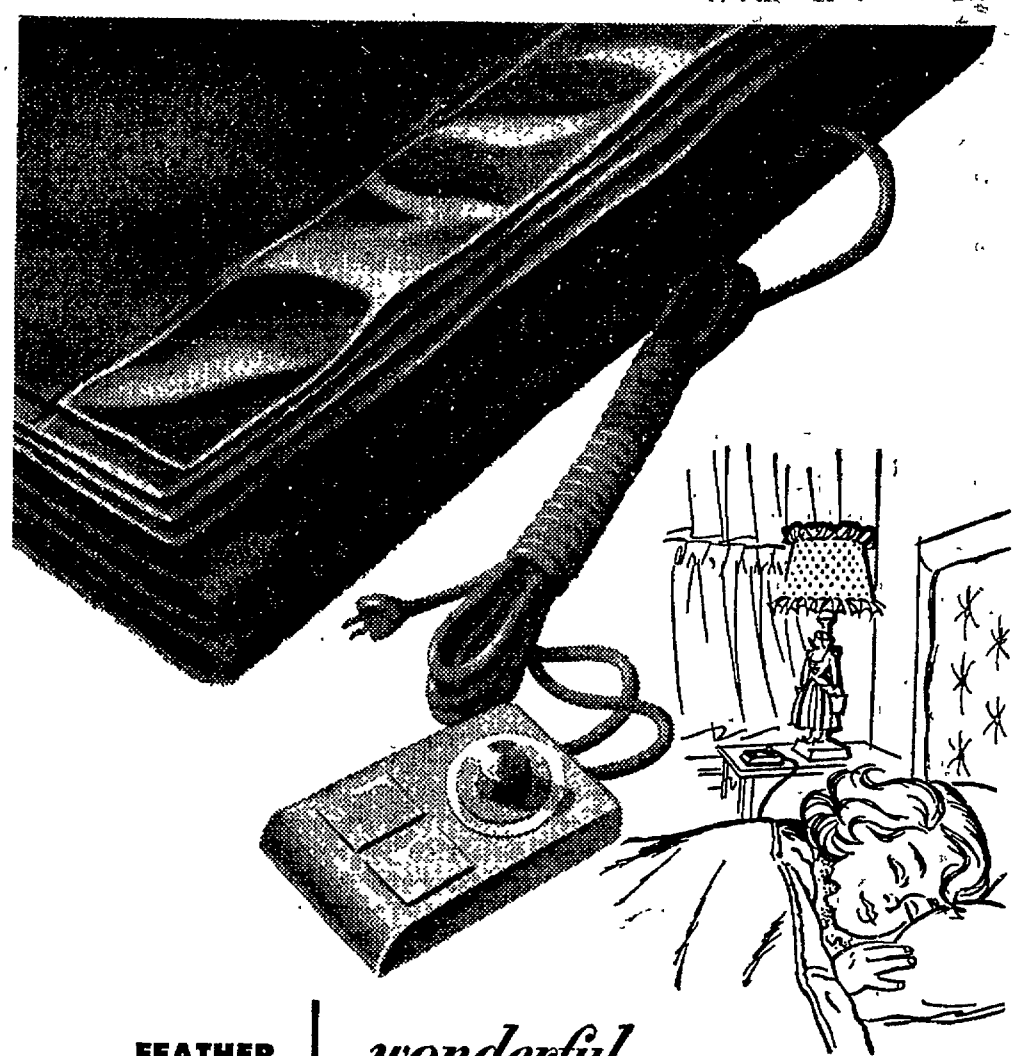

Last year, Mrs. MacDonald had to do twice as much work. She had two students then.

King's Daughters Report on '53 Projects

(Editor's Note: Because King's Daughters use money and material collected from the public to finance some of their projects, the group would like to take this opportunity to report to the people of Northville on how their contributions were used during the past year.)

The Mizpah Circle of King's Daughters recently held their annual meeting and, judging from the various annual reports, 1953 proved to be a busy and active year for this organization.

The material was provided, cut and sewn for more than 7,000 cancer pads, while other sewing projects included the making of bed jackets for child patients in the University of Michigan Hos-

pital, as well as the repairing of used clothing. The latter is collected throughout the year and after being put in good condition, is given to deserving families in the village.

Two local girls were sponsored for a two week period at the King's Daughters' camp Missaukee at Lake City, Michigan.

Seventy-five dollars was also donated toward camp improvement.

The King's Daughters and Sons' Home in Redford received \$225 from the Mizpah Circle in addition to gifts of soap, honey and miscellaneous items.

The visiting committee made many calls on shut-ins, besides sending flowers, fruit and books to them throughout 1953. The

hospital bed and wheelchair, belonging to the Circle, are in constant use. Assistance was given to a family whose home burned out, as well as another family, where the parents were victims of an automobile accident.

King's Daughters members contribute their time and effort toward promoting, staffing and being donors for the local Red Cross blood bank.

The total amount spent by this group for the year, 1953 on community projects in Northville is approximately \$300.

With the help of the local police force in compiling lists of needy families, and the generosity of the taxi service in delivering, twelve Christmas baskets of food, toys and articles of new clothing were distributed. In addition, two plants, ten "Christmas Annual" books and 13 fruit plates were given to village shut-ins.

Beyond their local charitable program, the Mizpah Circle of the King's Daughters has subscribed to a pledge of \$1200 to provide for a nurses' station in the proposed St. Mary's Hospital. This amount will be raised by donations from its members and special projects of the group.

To date, the first payment, in the amount of \$400, has been made to the hospital fund. The balance of the pledge will be made over a period of three years.

This completes a summary of the activities of the Mizpah Circle King's Daughters group in Northville.

Mustangs Trounce Clarenceville, 57-29

The much improved Mustangs of Northville High School have served notice that they'll be in the thick of the Wayne-Oakland County League basketball race this year.

Coach Dick Kay's cagers, in their most impressive show so far this season, swamped Clarenceville High School, 57 to 29, on the Trojan's floor last Friday night. It was strictly no contest.

NASH SCORES 19

Sparked by sharp-shooting Ed Nash, the Mustangs rolled to a 25-5 first half advantage and were only slightly less effective during the second half.

Nash had one of his best nights, He hit for 19 points on nine field goals and one counter from the foul line.

He has now scored 56 points in four games.

Northville took a 10-4 lead in the first quarter on two field goals and a foul shot by Nash, a field goal and foul shot by Darwin Teschka and another two pointer by Al Iversen.

ADD 15 MORE

The Mustangs added 15 more points in the second period—eight of them by Nash—while Clarenceville managed only one point, a foul shot by Glenn Reed.

Clarenceville perked up a bit in the third period, scoring eight points. In the final period, the Trojans added 16 points against the Northville second-stringers.

While Nash slacked off a bit in scoring during the second half, Glenn Howarth and Lamar Nalley more than filled the gap.

Nalley hit for two points in the third quarter and added eight in the final period. Howarth scored

all of his seven points in the second half.

Northville meets Milford at the N.H.S. gym this Friday night.

Sandy Saddler Returns to Ring in Friday Bout

Sandy Saddler, world feather-weight champion, meets Bill Bossio in a top flight ten-rounder to be nationally televised and broadcast from the famous St. Nick's Arena Friday night, Jan. 15 on the Cavalcade of Sports.

The fight, marking the return of the champion to the ring wars after two years' service in the army, will start at 10 p.m. EST and may be seen over the NBC television network and heard on ABC radio.

Boxing fans have the opportunity to determine the effects a two-year absence from the ring may have upon the title-holder. Saddler has expressed a willingness to defend his title within 60 days of his discharge from the armed forces, and considers Friday's bout a most important tune-up. His record shows a total of 142 appearances, gaining 129 wins, 90 by KO and 11 losses.

Bill Bossio is now ranked 10th in his class and features a slam-bang body style of attack. He has appeared in 55 bouts, and scored 40 wins—14 by KO—with 13 losses.

Jimmy Powers will be at the TV microphone, with Don Dunphy and Win Elliot handling the radio chores.

WINTER WONDERLAND

Thousands of Michigan residents are opening their eyes these days to the possibility of outdoor fun thruout the cold, snowy months, and they are joining the crowds of "snowbirds" flocking to some 38 winter resort areas thruout the State.

Dozens of communities in both our upper and lower peninsulas are planning a full schedule of winter sports. To those who might like to arrange their week end accordingly, here are a few details on where and when to go: Ski enthusiasts are finding big-

ger and better equipment in operation this year. The eastern half of the state has terrain and towns suitable for the sport all the way from Pontiac in the south to Cheboygan in the north. Notable among the favored spots are Tawas, West Branch, Roscommon, Grayling, Waters and Gaylord.

In western Michigan new facilities are in operation at Boyne City, Traverse City, Mesick and Cadillac. Above the Straits where skiers take to the air in jumping championships, Ironwood, Iron Mountain and Ishpeming are key communities.

February Schedule

Here are a few specific events, with dates, now on the agenda for the month of February: Alpena's annual winter sports carnival will draw the usual loyal alumni of that city plus thousands more on the first week end in February. On the same dates Grayling will compete for attention with sports centering around a big downhill run for toboggans and skis. On February 7th the Southern Michigan Ski Jumping Championships will draw the crowds at Mesick—longest ski jump in the lower peninsula. The following week end—February 13 and 14—is a date to remember for Houghton Lake's annual Tip Up Town celebration, and Grayling's selection of the Michigan Winter Queen.

Upper Peninsula Attractions
The North American Cross Country Ski Championships are scheduled for Ishpeming on February 20th, together with the 50th Anniversary Celebration of the National Ski Ass'n.—an event of nation-wide importance.

Reserves Lose to Clarenceville by 40-35 Score

The Clarenceville Reserves, trailing 19-13 at the half, poured in 27 points in the third and fourth quarters, Friday night, to win, 40-35, over the Northville Junior Varsity basketball team.

After scoring only six points in the first quarter and seven in the second, the Trojans exploded for 12 points in the third period and added 15 markers in a strong last period finish.

Garbin led the Trojan scorers with 18 points on seven field goals and four free throws.

The Mustangs reserves got off to a slow start in the first period, scoring only five points, but netted 14 points in the second quarter to take a six point lead at half time.

However, they were held to only four points in the fourth quarter as the Trojans pulled ahead, 25-23.

Max Hollis made a one-man effort to put Northville back in the ball game with ten points in the final period but it wasn't enough to overcome the determined Trojans. Clarence Patterson, who also scored 12 points, shared team scoring honors with Hollis.

THE SCARS REMAIN

This is the story of a small boy who repeatedly disobeyed his mother, until one day she conceived the idea of neatly hanging over his bed a clean smooth board.

Each day that he was disobedient, she would drive a nail into the board, she told him.

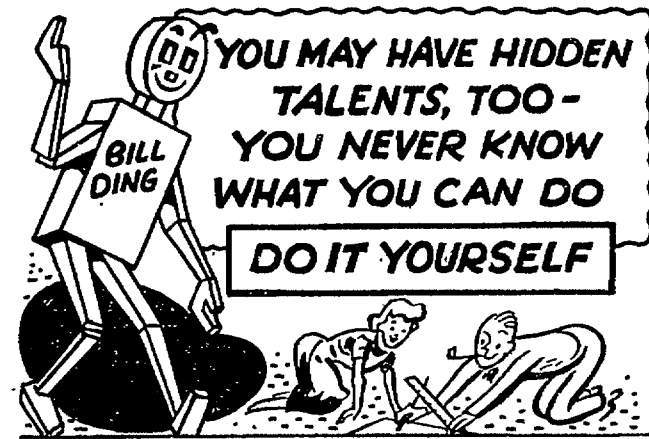

He was so eager to keep his board clean that several days passed without disobedience. Then one night mother had to drive in the first nail. The little fellow was broken hearted, and cried because his board was spoiled. The mother promised to pull the nail out at the end of the week as long as at that time there were no more nails beside it. The week closed without any more disobedience, and he eagerly watched mother as she drew out the nail.

Then, with sudden disappointment, he said, "Oh Mother, you took away the nail, but you didn't take away the hole!" Friend, just as surely as there is sin, there are scars of sin. Just because you are a Christian does not mean that you can live as you please. No matter how completely God forgives you, sin leaves its ugly welts and scars upon you, that cannot be erased. You have only one life upon this earth to live for God's glory. Be careful how you live it!
