\$2.50 Per Year in Advance

for the Record

by G. H. C.

We hope that when all nominating petitions are filed there will be more candidates for election to the Village Commission at the March 8th election than there are vacancies to be filled. We also hope that each candidate will be a person of outstanding ability, with a good understanding of the basic problems which will confront Northville in the years immediately ahead, and persistence enough to keep on working toward a sound solution of those problems.

The first big job that will confront the new Village Commission will be to draw up an operating budget for the coming fiscal year. This budget determines expenditures that may be made by the Village, and sets the pattern for the year's property tax levy. The rate was \$14.90 per \$1,000 of assessed valuation last year, or within 10 cents of the maximum permitted by law. Assessed valuations in the Village are low, however, and up to now taxes have not been onerous.

The budget for next year won't be as difficult to establish, perhaps, as those of recent years, because little or no provision will have to be made for capital improvements like sewers, curbs, gutters, paving, etc. This won't be because such things are not needed, but because the Village will be in a financial straight jacket that won't permit such expenditures for at least two years. Financial commitments made in 1953 for the Community Building and the 7 Mile Road cut-off will require every dollar the Village can lay hands on in excess of funds required for bare operating expenses. Should it become necessary to raise the pay of Village employees after the budget is set up, or should some other unforeseen expense arise, some temporary financing to cover a deficit might be necessary.

Because of the thin margin on which the Village must operate for a couple of years it should be a matter of concern to every resident that two of the commissioners whose terms expire, and who are not planning to run for re-election, constitute the Commission's finance committee. They are Jack Stubenvoll and Gerald Woodworth, whose services in drawing up the budget each year, and otherwise guiding the Village's fiscal policy, have been extremely valuable in the past. Regardless of the ability of any newly elected members of the Village Commission, it is regrettable that both men have decided, for personal reasons, not to seek re-election this year. Mike Allen's term also expires, but he is running to succeed himself, and well deserves re-election.

Actually, there is some talk of "drafting" Stubenvoll to run for re-election, or as an alternative, for Village President. Those who have mentioned drafting him—and they include several older and more responsible residents—point out that his eight years' experience in village government and his knowledge of financial matters, qualify him excellently for either position. Con Langfield, our present president, is known to have said that if Stubenvoll would run for the top job he would be glad to hand over the reins.

The talk is that some of Stubenvoll's friends may circulate nominating petitions in his behalf and obtain the names of enough representative citizens so he would find it difficult to refuse to run. Another week will tell the story.

The Wayne Eagle reports that a new move is getting under way to incorporate the Village of Wayne into a city. An attempt last fall bogged down in the Wayne County Board of Supervisors when objections were made to city boundaries that would have included portions of Canton Township. Some supervisors were against this expansion.

Blood Drive Nets 176 Pints

Northville really rolled up its sleeves for the Red Cross Bloodmobile last Friday.

A total of 176 Villagers stopped by the Methodist Church House during the afternoon and evening and contributed a pint of blood.

"It was one of the most successful Bloodmobile visits we've had," said Mrs. William Forney, chairman.

Some 280 persons signed up in advance. A few couldn't make it. Others were turned down after physical examinations.

Local volunteers handled the job of

registering donors while Red Cross workers gave each an examination. Red Cross Grey Ladies served coffee and donuts.

Assisting Mrs. A. C. Carlson, local Red Cross Chapter Chairman, and Mrs. Forney were the following volunteers: Mrs. Gladys Johnson, Mrs. Donald Secord, Mrs. Edith McKenna, Mrs. Emma Reid, Mrs. Harold Schultz, Mrs. Louise Cansfield, Mrs. Herbert Brown, Mrs. Gerald Gilmore, Mrs. Merrill Sweet, Mrs. Harry Wagenschütz, Mrs. York Conroy, Mrs. N. K. Pattison, Mrs. Jennie York, Mrs. William Dowsett, Mrs. Clifford Winter, Mrs. Eldon Biery and Miss Ruth Angell.

For Four Days

Chest X-Ray Unit to Be Here Next Week

Here's an opportunity to make sure you're not marked as a victim of one of the nation's deadliest killers—tuberculosis.

The opportunity will cost nothing more than five minutes of your time.

The Wayne County Health Department's mobile chest X-ray unit will be in Northville for four days next week, providing ample time for every Village resident to have a free examination.

Appointment Unnecessary

No appointment is necessary. Results will be returned to you within two weeks.

Medical experts have said there are thousands of persons in the United States suffering from tuberculosis who aren't

aware of the fact. A chest X-ray is the best bet for making sure you're not an unsuspecting victim of T.B.

In cases where T.B. exists in early stages, the X-ray serves to alert the patient while there is still a good chance to lick the disease.

The X-ray unit will be here Tuesday through Friday.

SCHEDULE LISTED

Tuesday, it will be in operation at the rear of the high school from 10-12 and 1-4:30, servicing school children and faculty members.

On Wednesday, Thursday and Friday the unit will be parked in front of the Village Hall.

The daily schedule is as follows: Wednesday, 2:30-5 p.m. and 6-8:30 p.m.; Thursday, 10-12 a.m. and 1-4:30 p.m. and Friday, 2:30-5 p.m. and 6-8:30 p.m.

The visit of the X-ray unit was planned last Wednesday at a meeting held in the Village Hall.

Miss Catherine McCarthy and Mrs. Beatrice Martin represented the County health department. Villagers planning the project were Dr. V. George Chabut, Mrs. Robert Coolman, Mrs. Louise Cansfield and Mrs. Edward Molena.

Bird House Contest Judging March 8

Judging in the annual bird house contest, sponsored by the Northville Branch of the Women's National Farm and Garden Association, will be held at the Village Library March 8.

The contest is open to boys in grades eight through 12.

Prospective contestants have been attending classes in bird house construction at the high school. The instructor is Willard Renard.

Prospects "Good" for Oil Strike on Wilson Farm

Prospects of a new oil strike west of Northville brightened this week.

The newest well is on the farm of Ralph Wilson at 10489 W. Seven Mile Rd. The hole was drilled to a distance of 3200 feet in 1947 but it was decided to deepen it after the recent strike on the LeMaster farm on Napier Rd.

While rumors persisted that oil already has been hit on the Wilson farm, those in a position to know denied it.

Ken Fox, a representative of the W. C. Taggart Co., which is drilling the well, said it had been deepened less than 100 feet during the past week. He said the crew ran into parts trouble and had to quit work for a period.

Both Mr. and Mrs. Wilson said they had no knowledge of a strike.

However, Mrs. Wilson said Fox told her the well "looked good".

The state geologist's office in Lansing, usually one of the first to hear of oil strikes, also said there had been no report from Taggart on the Wilson well.

The drilling rig was set up on the Wilson farm after drillers failed to find oil in a deepened hole on the Glenn Angell farm at the corner of Napier and Seven Mile.

The Angell well, first drilled in 1946, was deepened to 4,521 feet but failed to show any signs of oil.

Water Safety Course Offered to Northvillites

A water safety instructor's course, open to Northville residents, has been scheduled at Henry Ford School at 16140 Driscoll Ave. in Dearborn.

The course will begin at 7 p.m. Friday, Feb. 26.

W. George Wibby, water safety director of the Detroit Red Cross Chapter, will be the instructor. Red Cross certificates will be issued to those completing the course.

In order to qualify, a person must be 18 years of age and hold at least a current senior life saving certificate.

Four Candidates Definitely In Race For Commission

St. Paul's to Mark Anniversary This Sunday

The fourth anniversary of the dedication of St. Paul's Lutheran Church will be observed in two special services this Sunday.

At the 10 a.m. service, Rev. Walter Rutkowski, pastor of St. Paul's Lutheran Church in Farmington, will be the guest speaker. The 30-voice youth choir, directed by Miss Hazel McDaris, will render two vocal selections.

Rev. Oscar Gerken, pastor of St. Matthews Lutheran Church at Walled Lake, will preach at the 8 p.m. service. Special musical numbers also will be presented.

A social hour, with refreshments furnished by the Ladies Aid, will follow the evening service. Rev. E. E. Rossow cordially invites all Villagers to attend both services and enjoy the social hour.

Members of the committee planning the observance are Fred Sterner, Sr., chairman; Adolph Neuman, Victor Miller and Edward Dews.

The keynote of the fourth anniversary celebration is "What Great Things The Lord Hath Done".

St. Mary Fund Workers to Meet Next Tuesday

Volunteer workers for the St. Mary Hospital Fund drive will meet at 8 p.m. next Tuesday, Feb. 23, at the V.F.W. Hall.

Northville has pledged a total of \$22,944 thus far to the hospital building fund, including \$12,899 pledged to door-to-door canvassers.

Mustangs Beaten By Clarkston

A second half collapse and a red-hot Clarkston High School basketball team combined to spell defeat number three for the Northville High School Mustangs Tuesday night.

The score was 62-58.

The loss, suffered on their home court, failed to shake the Mustangs' hold on first place in the Wayne-Oakland County League. They now have an 8-2 league record and a 10-3 overall record.

SCORE 26 POINTS

The Mustangs looked as good as they've looked all year during the first and second quarters. They poured in 26 points during the first quarter and 14 in the second and led 40-30 at the half. Then came the slump. The defense was first to go. Clarkston players continually slithered through Mustang defenders for easy goals and the visitors rang up 20 third quarter points to only 13 for Northville.

The Mustang offense dissolved completely in the last quarter. The locals (the same ones who scored 26 points in the first quarter) managed exactly five in the final eight minutes.

DUNSTON STARS

Clarkston, sparked by Bill Dunston, poured in 12 points in the final period and took the lead for keeps.

PRESIDENT	Langfield Stubenvoll
VILLAGE COMMISSION	Allen Doran Facknitz Stubenvoll Welch Weston
No Contest	
CLERK	Alexander
TREASURER	Clarke
ASSESSOR	Bogart

The above represents the prospective list of candidates for Village offices at the election March 8, with the exception of Stubenvoll, who has said he will not seek re-election to the Village Commission, on which he has served for the past eight years.

There is a strong feeling in some quarters, however, that his services have been so valuable to the Village in the past that he should be "drafted" for service again.

DRAFT STUBENVOLL TALK

If this draft develops into something more than talk, and if Stubenvoll lends a sympathetic ear, he could be a candidate for either Village President or to succeed himself as a commissioner. Which office he might seek probably would depend upon whether Langfield decides to run for re-election. The latter has said he would be glad to terminate his public service with the expiration of his present term in office and that he would welcome Stubenvoll as a candidate for the job. On

the other hand, Commissioner Claude N. Ely has been circulating "Langfield for President" nominating petitions and is reported to be only waiting word from Langfield to file them and bring the candidacy into the open.

LANGFIELD CANDIDACY

One local political personage familiar with Village needs and back-stage maneuvering, has suggested that an excellent arrangement for the Village would be for Stubenvoll to try for re-election to the Commission for the next four years and Langfield to remain President for the next two years. He figures that within this two year period Northville will become a city, and that a new election of city officers will come up when that happens. This course would preserve Stubenvoll's talents for the Village Commission for the time being, and give Langfield an opportunity to bring to completion some projects initiated under his regime, this person says.

Then, his argument goes, Commissioner Ely could run for mayor of the new city, a post which he would richly deserve after his years of service on the Commission.

Ford Motor Offers Ford Field to Village for \$5500

Ford Motor Co. has offered to sell Ford Field and some surrounding territory to Northville for \$5500, Village Attorney Philip Ogilvie reported to the Commission Monday night.

In exchange for the land, Northville also would be required to deed to Ford a small triangle of land north of Plymouth Rd. and in front of the Ford Valve plant, Ogilvie said.

In return the Village would get Ford Field proper plus land west of the present fence and running in a northeasterly direction to the millpond. The Village also would be given the dam and flowage rights.

Total area of the plot is about six and one-half acres.

Ford, just as conscious as anyone of the current oil "boom", said it would reserve mineral rights on the property it sells to the Village.

The Commission instructed Ogilvie to draw up a contract and bring it back to the Commissioners for final action.

Ogilvie said Ford officials emphasized they were in no particular hurry to complete the deal.

Neither is the commission since the purchase price definitely will have to come out of next year's budget.

Four generations of the Miller family of Novi were represented when month-old Michael Stanley Orzechowski was baptized recently. Michael is held by his great-grandmother, Mrs. Ida Miller. At left is his grandfather, Harold

Miller, and at right is the baby's mother, Mrs. Stanley Orzechowski. Little Michael's christening dress was made 45 years ago by his great-grandmother out of her own wedding dress. It has since been worn by three generations.

Rolling Down The River

by the PETZ BROS.

We suppose that kids are smarter these days than when we went to school. A mother in the garage recently for a bit of lubrication for her '51 Studebaker, told us of her daughter who started kindergarten this mid-year. The principal, passing the mother and daughter the first day, stopped and in a playful mood, asked the small fry whether she were a little boy or girl and the kid answered "a little boy". When the slightly shell-shocked mother asked why she gave such an answer the child retorted "if they ask me a dumb question they're going to get a dumb answer."

We're glad that sort of thing doesn't happen to us but then our customers ask some very intelligent questions. They drop around and ask about the new Studebaker and naturally we're there with the intelligent answers. Sort of easy though. All we have to mention is the worlds of power and extra economy packed in each and every Studebaker. The thrilling body styles, the beautiful color schemes and extra comfort are items they see and feel for themselves. Why don't you drop around?

Fellow in the office the other day for no apparent reason except to talk, told us he read a geological paper on the fact that in ancient times Europe used to touch America. Thing that puzzled him was he didn't know it had stopped.

Well, that sort of thing can go on forever, like the need of your car for a touch of grease and oil every now and then. If it don't get it, you'll suddenly discover you're back on your feet which isn't too good, especially if you live more than two blocks off the beaten path. We suggest you bring the car around and let our experts put it in A-1 condition immediately.

That's that, but we heard a woman say her husband liked a clinging gown. At least the one she was wearing had been clinging to her for three years.

Yours,
BILL & WILL PETZ

Your Congressman Reports

By Representative CHARLES G. OAKMAN
17th District, Michigan

Newspapers all over the country are lauding the action of the Senate and House Public Works Committee in approving the St. Lawrence Seaway bill. It is apparent that the project has great public support than we have been led to believe by the vociferous minority opposing it. Much of the favorable editorial comment comes from the heart of so-called anti-Seaway territory. While prospects are exceedingly bright, I am urging every voter in my District to seek support for the St. Lawrence by writing to House leaders, who must be kept constantly aware of the national attitude toward this economic life-line. Write to Representatives Joseph Martin (Speaker of the House), Charles Halleck (Majority Leader), Leslie Arends (Majority Whip), Leo Allen (the Chairman of the House Rules Committee), John McCormack (Minority Leader), and Sam Rayburn (former Democratic Speaker). Send all communications to the House Office Building, Washington, D.C. We need your help and support.

Prospects are good also for an adequate Federal-aid Highway program. Last week, Representative J. Harry McGregor (Republican of Ohio), Chairman of the Public Works sub-Committee on Roads, of which I am a member—introduced a bill to authorize expenditure of approximately \$870,000,000 a year for assistance to states in highway building during the fiscal years 1956 and 1957. This is \$290,000,000 above current spending. For the first time, motorists would receive full value in better roads for the \$910,000,000 paid annually in federal gasoline taxes. In fact, it's possible that even more may go into roads since the White House has suggested incorporating in the road bill an extra \$50,000,000 as an emergency cushion against sudden disruption of the Interstate Highway System. Provision is made for greater spending on urban streets, primary, secondary and interstate highways. Interstate matching funds would be

Last week I introduced H. J. Resolution 371 to amend the Pledge of Allegiance to the Flag by inserting "under God" following the word "indivisible". It would read, "one Nation indivisible under God". We profess our faith in a Supreme Being on our coins marked, "In God We Trust". It seems more appropriate to me to recognize the Deity in our spiritual dedication to the flag, the symbol of our God-given freedom. Our belief in God highlights one of the fundamental differences between us and the Communists.

Encouraging testimony emanates from 2-week old hearings before the Joint Committee on the Economic Report. Secretaries of Agriculture, Commerce, Labor and the Treasury all agree that the most painful aspects of adjusting to a peacetime economy are now behind us. George P. Hitchings, Chief Economist for the Ford Motor Car Company, said: "The worst of the decline in general business activity has already taken place." Rensis Likert, University of Michigan analyst, said surveys show that consumers are optimistic about the year ahead.

The GREEN THUMB

by Paul Newton

February is the month to prune trees, shrubs and grapes, but not evergreens.

Pruning is done to train a tree for shape, to produce growth for fruit, or to retard growth, as in the case of peach trees. All cross branches are cut out, and all diseased and dead wood and suckers are cut away. It is bad pruning when a triple crotch is left, because it will be a weak spot and liable to split under the weight of heavy fruit or in wind storms.

PRECAUTIONS TO TAKE

Tree pruning is easy if certain elementary precautions are taken. Large branches should be removed in three steps:

(1) Make the first cut from the bottom side of the limb upward about one-third through the branch and out about one foot from the tree trunk;

(2) About four inches beyond this cut saw downward through the limb until it falls. The under cut will prevent the branch tearing off a strip of bark down the tree trunk, as may happen if the first cut is made from the top side of the limb.

(3) Saw off the remaining stub so close to the main trunk that a smooth flush wound results. There are several compounds on the market for covering the wound to prevent decay and insects entering.

In trimming smaller branches, cut one-quarter inch beyond a bud which points in the direction you want the branch to grow. Make a slanting cut away from the bud.

WHEN TO TRIM SHRUBS

Shrubs such as barberry, honeysuckle, lonicera, hydrangea, snowberry, viburnum (fruited varieties), which bloom in late summer and fall, should be pruned as soon as their flowers are dead. These include beauty bush, deutzia, lilac, mock orange, flowering quince, weigela and viburnum carlesii.

DON'T PRUNE EVERGREENS

Pruning of evergreens, either coniferous or broadleaved, is best left until their new growth is starting in spring. This is because evaporation from the cut surfaces when pruning is done in the winter is apt to kill them. One-half of last year's growth may be removed. Evergreens are different from other trees and shrubs in that they cannot produce new growth from old wood. If large branches which expose old wood are removed, this cannot be covered up because no new growth will start there. Evergreens grow entirely from the ends of the branches so it is important to keep them trimmed back and shaped while they are young. If this is done, only a small amount of corrective trimming will be required in their later years.

Arbor vitae, hemlock and cypress can be sheared back to form a more compact growth. Other evergreens can be pruned by removing the center buds at the ends of the branches.

PRUNE GRAPE VINES NOW

Grape vines should be pruned now. Cut out all diseased and old shoots, and all puny shoots. Very large, overgrown canes are generally sterile, so cut them at their starting points. The canes about the thickness of a lead pencil are the ones whose green shoots will bear fruit this summer. Limit these canes to about three pair for each vine. Each pair should be trained horizontally at right angles to the main trunk along wires spaced about 18 inches apart, with each cane allowed to

bear six to ten buds, depending upon the strength of the vine. The vine should bear approximately two clusters of grapes per bud.

At the crotch where each of these canes joins the main stem, leave a small stub of cane. Then next year the cane which develops from this stub will be left to bear fruit and the cane which bears fruit this year can be pruned. This keeps renewing the wood and maintains a productive vine.

PRUNING FRUIT TREES

Little pruning of fruit trees is necessary during their first years of bearing, except removal of cross branches and damaged ones. As fruit trees grow older, however, more pruning is advisable to replace the old growth with new fruiting wood so the tree will continue to bear fruit. Such pruning consists of cutting back the top to the lateral or spreading branches. Development of fruit requires sunlight and air. Peach trees seven or eight years old should have their center thinned and a new top developed. The longer growth in the top and outside should be cut back to the lateral branches and all cross branches should be removed.

DWARF FRUIT TREES

Prune the dwarf fruit trees before the sap starts. Such trees are best trained as a pyramid rather than with a flat rounded head. The branches are distributed from the ground to the top, with the lower branches left longer than those at the top. The annual pruning should be done in a way that will preserve the pyramid shape.

N.H.S. Debaters to Compete in U. of M. Tourney

The Northville High School debate team will be among the 60 teams competing in the elimination series of the debate tournaments being held by the Michigan High School Forensic Association, which is sponsored by the University of Michigan Bureau of School Services.

To be held during the week of Feb. 22, the second set of debates will consider "Resolved: That the President of the United States should be elected by the direct vote of the people."

Some 2,000 high school students participated in the preliminary series of eight debates. The 60 schools with the best record in this series were chosen for the coming tournaments. The six teams winning the elimination series will travel to Ann Arbor in April for the final round with scholarships up to \$1200 to be offered to the three winning students.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

State politicians act like they are walking on eggs.

There are live issues to fight out but right now they get the soft shoe treatment. Eyes are on the fall elections and heads realize the situation: today's action can easily become tomorrow's campaign target. Upsetting the party applecart is the chief fear of all concerned.

Most of the fighting had been under cover. When lines are drawn, activity can be expected to take place in the open.

Key to delay has been the race for Governor.

Republicans, not sure who will run or who has the best chance for victory in the primary, have been laying low until things clear up.

The Democrats, not sure who will run for which office, have been marking time also.

Refusal to announce his intentions until the latest possible moment permitted Gov. Williams to make the most of the situation—and he has. Until political figures could identify opponents, no one was anxious to start swinging.

Even after John Feikens, GOP state chairman, tried to force his hand, the Governor withheld a public decision. Feikens predicted that Soapy would try for a fourth term as chief administrator because labor bosses refused to finance any other campaign.

G. Mennen Williams simply answered, "I haven't yet made up my mind."

The one target for all Republican candidates would be, by mutual agreement, the Democratic candidate. This is the effect of a resolution GOP hopefuls have decided upon.

Another effect is that they won't be needing each other. Disunity produced from rigorous primary campaigns is blamed by some for Republican election losses in other years.

Harshest words of the legislative session were spoken in arguments about FEPC.

The House committee considering Fair Employment Practices legislation tabled the matter—an action which usually kills proposals.

Republicans are in an embarrassing position on FEPC. President Eisenhower backs the measure strongly, but state GOP members show little enthusiasm to make it law here. At one time Governor Williams threatened to call upon the President for help in passing the legislation. Apparently he thought better of it.

Eugene C. Betz (R. Monroe) chairman of the State Affairs committee and in strong opposition to the bill, offered to debate the issue with the Governor via the airways. His challenge was not accepted.

A bill similar to FEPC is under consideration by the same committee. It outlaws discrimination in employment but differs in the method that it deals with violations. What happens to this remains to be seen.

Ducking for cover are those who argued only last year that new Michigan taxes on manufacturers would force factories from the state.

Since General Motors' announcement that the mammoth corporation would spend three quarters of a billion dollars expanding production facilities in Michigan, proponents of the "you're driving them away" theory have been happy to talk about

any other subject. DuPont and General Electric also announced intentions to build new plants in Michigan.

Feuding continues about the highway department. At intervals during the last year, Highway Commissioner Charles M. Ziegler has been defending himself from blasts by the Democratic administration.

All this time the argument concerned the same question: Is all available federal money used in the state highway program? Williams charges, "No" Ziegler produces data to back his emphatic, "Yes".

Republican suggestion for investigation into the matter met with approval from the Governor, but he wanted some Democrats on the committee to "be sure there is no whitewash".

Ziegler says he has no objection to investigation. He offers to supply detailed figures used to compile the report which the Highway department files annually. "The legislature requires a report every two years—we give them one every year," he explains.

"Talking with his head in the clouds," is a description Ziegler had for Williams. "The governor is deliberately misunderstanding some of the complications involved," continued Ziegler. The commissioner was referring to the complex formula used and time lags between appropriation of money in Washington and completed pavement. Ziegler declares that Michigan people are getting roads as quickly as possible. In some cases, bookkeeping transactions have permitted pavement to be completed a year earlier than might otherwise have been the case, he explained.

The important point the commissioner emphasizes: "Michigan has never lost a single penny of federal money building roads."

He explains that the 1954-55 appropriation from Washington is

expected to amount to \$19 million. Of this \$3 automatically goes to counties. Of the remaining \$16 million, about \$6 million has already been programmed.

The governor wants to be sure the balance of the \$10 million is matched with federal dollars; Ziegler says he hopes so too. On that point, all are agreed.

Open board meetings for governing bodies of Michigan State College and University of Michigan would be required by a proposal by Sen. Harold D. Ryan (D-Detroit). A similar measure he sponsored last year died in committee. At present MSC opens its meetings to accredited newspaper reporters; U. of M. holds closed sessions.

Township Grants '53 Permits for 34 New Dwellings

Building permits for 34 new residential dwellings were granted in Northville Twp. during 1953, the Detroit Metropolitan Area Regional Planning Commission reports.

Twelve residential building permits were granted in the Village proper last year, a figure reported several weeks ago by Building Inspector J. Stanley Waterloo.

A total of 71 building permits were issued in Novi Twp. while Salem Twp. reported 22.

Northville, the boom town of Wayne County, issued permits for 1372 new homes.

Residential building in the Detroit region as a whole during 1953 showed a 22.8% gain over 1952, the planning commission said.

The region includes all of Wayne, Oakland and Macomb counties and four eastern townships of Washtenaw County.

Rotarians to Mark Group's 49th Birthday

The Northville Rotary Club will join 7,500 other clubs in the Rotary world in observing the organization's 49th anniversary the week of Feb. 22-27.

President of Rotary International for 1953-54 is Joaquin Serratos Cibils of Montevideo, Uruguay.

The Northville Club was organized in 1926.

Livonia to Get Own Post Office

Livonia is finally going to get its own post office, Rep. Charles Oakman announced last week in Detroit.

During a Lincoln Day speech, Oakman said he had heard from Washington that a post office for the city had been approved. He did not know when the building will be constructed.

When Livonia was still a township, it was served by six post offices — Northville, Plymouth, Farmington, Garden City, Detroit 19 and Detroit 23.

For the past year, it was served by one Detroit post office.

D. B. Lawrence New Assistant Sales Mgr.

D. B. Lawrence of 41666 Nine Mile Rd., has been named assistant sales manager of the Evans Products Company's Heating & Ventilating Division in Plymouth. Lawrence, who has been with the company for more than 12 years, had been credit manager and more recently in the sales department of the Heating & Appliance Division.

Livonia officials have been pleading for years for a post office to serve the booming community, now the state's second largest city in area. Livonia has some 30,000 residents.

Van Dusen Easy Winner in Third District Election

Richard Van Dusen of Birmingham was an easy winner last Thursday in the Third District special election for the State Legislature.

Van Dusen, a Republican, drew 1,782 votes to 838 for his Democratic opponent, John Westerdale of Commerce Township.

Van Dusen, an attorney, carried all districts in the Third except Commerce Township, West-

erdale's home and West Bloomfield Township. Birmingham gave the winner a 902 to 128 edge. Bloomfield Hills favored Van Dusen by a 85 to 3 margin. Novi Township favored Van Dusen by a 32 to 5 margin. The third district includes the townships of Novi, Lyon, Farmington, Troy, Bloomfield, West Bloomfield, Milford and Commerce. Van Dusen replaces Rep. Howard Estes who resigned last fall. He will serve out the remainder of Estes' term, which expires Dec. 31, 1954.

NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT

Phone Farmington 1461-M

Mr. and Mrs. Max Holland and their three children of Detroit, and Mr. and Mrs. John Aittama, Jr. and their son, Johnny, were all visiting with Mr. and Mrs. John Aittama on Shady Side Ave. Sunday of last week.

Mr. and Mrs. Tom Roberts and their three daughters of Monroe, were visiting at the home of Mrs. Roberts' parents, Mr. and Mrs. M. E. Ault on Shady Side Ave. Saturday evening of last week.

Mrs. E. W. Stange of Mayfield Ave. returned home last Tuesday from a visit of several days with her daughter, Mrs. William Griffith and her family in Dearborn.

The Edwin Johnsons of Clarita Ave. attended a friend's funeral in Northville Saturday afternoon.

Little Miss Sharon Wyman of Shady Side Ave. was on the sick list all of last week.

At the home of Mrs. James Nicholas of Brentwood Ave., Friday evening a very lovely miscellan-

eous bridal shower was tendered Miss Jane Reitz of Howell. Miss Reitz' marriage to James Nicholas, Jr., is to be an event of Feb. 20. Relatives and friends of the Brentwood Ave. section were in attendance.

Forrest Ault of Hubbard Ave. was a flu victim last week.

VISIT AT MONROE

Mrs. M. E. Ault of Mayfield Ave. was an overnight guest on Wednesday of her daughter, Mrs. Tom Roberts and her family in Monroe. Due to a serious eye injury received while doing some carpenter work last Sunday, Tom Roberts was in a hospital all of last week.

Saturday evening guests of Mrs. Walter Rehahn, Mayfield Ave. were her son, Albert Hardy, with his wife and son, Duane, from Wayne. On Sunday, Mr. and Mrs. Lee Galloway from Garden City were dinner guests of their aunt, Mrs. Rehahn.

The Richard Stevens family of Hubbard Ave. attended the Shrine Circus in Detroit last Tuesday night. They were accompanied by Bobby Wyman and Janet Schult of Shady Side Ave.

Mrs. Ethel Starr of Cass City is spending a few days with her sister, Mrs. Ernest Tallman and her family on Mayfield.

Mr. and Mrs. Kenneth Skov and their three children spent last Sunday afternoon with relatives in Detroit.

Marine Dail Tallman arrived from California last Tuesday to visit with her parents, Mr. and Mrs. Ernest Tallman of Mayfield Ave. for 28 days. He was on hand for the funeral of his sister, Mrs. Fred Shelman and her husband last Wednesday.

Mrs. William Spencer of Norwaryne was the guest of her parents, Mr. and Mrs. Gordon Vance last Wednesday and attended the

Shelman funeral. Mrs. Ralph Houtz and her son from near Ypsilanti, were Wednesday guests of Mrs. Houtz' mother, Mrs. William Fisher on Mayfield Ave. and were in attendance at the Shelman funeral.

Mr. and Mrs. Robert Laughman and their son, Billy, who arrived from Mishawaka, Ind. last Sunday to spend several days with Mrs. Laughman's parents, the Ernest Tallman of Mayfield Ave. and be on hand for the funeral of Mr. and Mrs. Fred Shelman, brother-in-law and sister of Mrs. Laughman, returned home Friday.

While working recently on his paper route, Merwyn McPherson was bitten by a dog. Proper precautions have been taken.

Miss Patty Schult of Shady Side Ave. is reported ill.

Clinton Ault of Mayfield Ave. had a bad attack the middle of last week.

This week, most of us had at least six calls from many school boys and girls urging us to subscribe for magazines. We wish them all luck but find it impossible to do business with every one.

HOME ON FURLOUGH Mr. and Mrs. Earl Harrison of West Eight Mile Rd. are anticipating the arrival home of their daughter, Sgt. Barbara Harrison, who, since 1949, has been serving with the Women's Army Corps. She has been located in Tokyo since 1951.

While her two-year-old brother, Joey, is convalescing from surgery underwent at Sessions Hospital, Northville, Jackie, little daughter of Mr. and Mrs. Red Kraemer, Detroit, is the guest of her uncle and aunt, Mr. and Mrs. J. C. Dunaman of Farmington Rd.

During the birthday service in Neighborhood Bible School last Sunday morning, notice was taken of the birthdays of Linda Sandau, Mary Grant and Miss Lora Ault.

Mrs. J. C. Dunaman of Farmington Rd. is convalescing from foot surgery performed ten days ago.

Mrs. E. W. Stange of Mayfield Ave. is reported quite ill.

Richard, Kathleen and Helen Cooke of Albion Ave. were Friday evening dinner guests of their grandparents, Mr. and Mrs. O. R. Ault of Shady Side Ave. Their parents, Mr. and Mrs. George Cooke, were guests of friends enjoying a fish dinner.

Mrs. Charles A. Armstrong of Mayfield Ave. was a luncheon guest Tuesday of friends in Detroit. Honoring Mrs. Armstrong's birthday, cake was served.

As the result of a fall suffered while doing chores around her home Friday, Mrs. Walter Rehahn is being handicapped by a lame knee.

Freda Ault of Norfolk Ave. spent Monday and Friday in Detroit.

In honor of her 20th birthday, Mrs. Howard Palmer of Shady Side Ave. was the recipient of numerous congratulatory gifts and cards Feb. 7.

This coming week, Feb. 21-28 is the time when householders of the West Point Park area should sort out their discards to have ready for the monthly collection by the Goodwill Industries truck Monday, March 1. Persons desiring pick-up should call Farmington 1461-M.

Jimmie Shinaver of Farmington Rd. and who developed pneumonia just as he was expecting to undergo an appendix operation is now much improved and will probably have surgery some day next week.

Mrs. Louis Carroll, formerly of Mayfield Ave., but now living in northern Michigan, was visiting with old neighbors Wednesday.

First grade boys and girls of this section had full day school sessions, beginning last Monday. It is hoped the second and third graders will soon have the same privilege.

Fred Shelman Killed in Car Crash

Tragedy struck hard in this community Saturday, Feb. 6, when Mr. and Mrs. Fred Shelman of Colgate Ave., Farmington, while on their way to visit the latter's sister, Mrs. Robert Laughman at Mishawaka, Ind., were killed in an auto accident near South Bend, Mr. Shelman's brother, Frank, resides on Norfolk Ave. Mrs. Shelman, who was Betty Jane Tallman, was born and brought up in the section known as West Point Park. She was the eldest daughter of Mr. and Mrs. Ernest Tallman of Mayfield Ave. during the earlier part of the week a constant stream of relatives and friends from all over Michigan, as well as distant points, kept arriving at the Tallman home.

Frederick Shelman was born April 7, 1919. Betty, his wife, was born Oct. 9, 1925. They were married Jan. 15, 1944. For the last seven years they had resided in Farmington. A three-year-old son,

Dennis, and a two-year-old daughter, Donna, survive. In addition are Mr. Shelman's parents, the before-mentioned brother and a sister, Mrs. Harold Friedline of Farmington; as well as Mrs. Shelman's parents, her brother, Dail Tallman and a sister, Ina Mae Laughman. The pair were a respected couple and had many friends.

Mr. and Mrs. Ernest Tallman of Mayfield Ave., report that their grandson, Frederick Shelman, who received minor injuries at the time of the head-on collision, which took the lives of his parents, Mr. and Mrs. Fred Shelman near South Bend, Ind. last Saturday, Feb. 6, was discharged from the hospital Wednesday. For a time he will be with his uncle and aunt, Mr. and Mrs. Robert Laughman at Mishawaka, Ind. Donna, two-year-old sister of Dennis, was able to return to Michigan with the Laughmans.

Until noon Wednesday, the bodies rested in the Thayer Funeral Home, Detroit. Services were held at the First Methodist Church in Farmington. Rev. Russell Sursaw, pastor of the church, and Rev. Ira Wood of the Calvary Missionary Church, Detroit, were in charge. Interment was at Oakland Hills Memorial Gardens.

TV Writer on Town Hall Program

Robert Shaw, well-known script writer for television, will tell a Detroit Town Hall audience what is both good and bad about present day TV. The speaker's lecture, "The Monster in Your Living Room", will be given Wednesday, morning, Feb. 24, at 11 o'clock in Fisher Theatre.

In his frank summary, Shaw will consider the tremendous impact TV has had on the American home, especially on the children.

Shaw writes many of the scripts for Robert Montgomery Theatre, and for "Schlitz Playhouse of Stars". He went into television from radio where he conceived such programs as "Mr. District Attorney", "Philo Vance" and "Mr. Keen, Tracer of Lost Persons".

Reservations for the lecture are at Grinnell's, Wo. 2-1124.

Sgt. Green Serving in Japan

Serving in Japan with Marine Aircraft Group 11 of the 1st Marine Wing is T/Sgt. Robert W. Green, son of Mr. and Mrs. William L. Green of 8762 Napier Rd., Northville, and husband of Mrs. Marjorie B. Green of Oceanside, Calif.

A former student of Henry Ford Trade School, T/Sgt. Green entered the Marine Corps in November, 1947.

Group 11 has operated from the Atsugi Naval Air Base since arriving in Japan in August 1953.

Personnel of the group accompanied it from an east coast port of the United States, through the Panama Canal, to its present location on Honshu, the main island of Japan.

Reserves Win Sixth Game By 49-39 Score

The Northville Junior Varsity basketball team notched its sixth win in 13 starts Tuesday night, beating Clarkston 49-39.

Down 12-10 at the end of the first quarter, the Colts swept back with 16 points in the second quarter and held a 26-19 edge at the half.

Northville outscored the visitors 23-19 during the second half. Dave Waterloo scored 14 points to lead the Northville scoring. Clarence Patterson netted 11 for the Mustangs.

If you could— WOULD YOU SAVE YOUR FAMILY...

...from a fire?...from a killer?...from TB?

Of course your answer is YES to all three!

Well, TB (tuberculosis) is a killer. It can spread like a fire, and if you've got TB, your family can get it from you!

Make sure you don't have TB— If you do have TB, you'll be told how to get well and protect your family from it.

Good Kitchens Must Be Planned

"Good kitchens don't just happen, they must be planned," says Miss Marjorie Bettsworth, Jackson home economist. Here are some suggestions she gave for planning counter space: Plan for 15 inches by refrigerator (adjacent to open side of door); 36 inches to the right side of sink bowl; 30 inches to the left side of sink bowl; 24 inches beside and within reach of the range; 36 inches for mixing and food preparation.

Students Ask For Historical Data

The eighth grade history class at the high school is compiling a history of Northville.

The history will be published in booklet form and copies will be put on sale.

If any resident of Northville has any information relating to the early history of the Village, they should contact Alvin Skow or any eighth grade student. Skow's phone number is 497-M.

Movie Program

This Saturday's Junior Police movie program will feature "The Good Humor Man", with Jack Carson and Lola Albright, and "Wings Across the Pacific", a travelogue.

There will be showings at 2:30 and 7:30 p.m. at the Presbyterian Church House.

Four Candidates

(Continued from Page One)
sion. Ely's term as Commissioner still has two years to run.

OTHER CANDIDATES

Others interested in running for the three seats on the Village Commission are Mike Allen, incumbent, Forrest "Doc" Doran, Konrad A. Facknitz, Ed Welch.

Doran's actual candidacy is a matter of speculation at this time because of his statement that he "is not a candidate". However, petitions are being circulated in his behalf.

Other village offices to be filled are unlikely to have any candidates except incumbents seeking re-election. Mary Alexander is a candidate to succeed herself as clerk, as are A. Russell Clarke, treasurer, and E. M. Bogart, assessor.

Final Plans Ready for Safety Patrol Dinner

Final plans for the Safety Patrol banquet to be held Thursday, Feb. 25, at St. Paul's Lutheran Church have been announced by P.T.A. President Mrs. William Milne and Mrs. Richard Martin of the Room Mother's Club.

Dick Kay will be master of ceremonies. The program will commence with the singing of the "Star Spangled Banner", Mrs. Russell Atchison at the piano.

Rev. E. E. Rossow will give the invocation, followed by the dinner, prepared by the ladies of the Lutheran Church. Mrs. J. Feele is chairman of the dinner committee.

AMERMAN TO SPEAK

Following the meal, Russell Amerman, superintendent of schools, will say a word of welcome. Other after-dinner speakers will be Police Chief Joe Denton and James Madigan, supervisor of the public school Safety Patrol. The movie, "One, Two, Three", furnished by the Automobile Club, will then be shown. The committee arranging table

decorations is under the chairmanship of Mrs. Richard Juday. She is assisted by Mrs. George Kohs, Mrs. William Weidner and Mrs. Stuart Thomson.

With the help of Girl Scouts of Troop 13, the committee is making nut cups for each patrol member. The handles of the cups will form an eight-inch tall Safety Patrol boy or girl. Scattered throughout the center of the tables will be 12-inch figures of Safety Patrol people. On the speaker's tables will be three larger figures—one patrol boy, a patrol girl and a policeman—symbolizing the spirit of cooperation. The color theme will be green and white.

30 YEARS OLD

The Safety Patrol program, in existence for some 30 years, was first started in Northville in 1935.

Besides the more than 50 members of the public school Safety Patrol attending the banquet, whose names were published last week, the following youngsters will attend from Our Lady of Victory School: Shane Murphy, Dennis Madigan, Philip Loranger, Max Dillenbeck, Martin Flavin, Ray Hood, Richard Weber, John Crusoe, Richard Heslip, Roger Weber, Michael Baggett, Pat Gill, Michael Modos, John Klocke, Robert Mitchell, Gordon Hubbard, Chris Pollitz, John Manica, Lynwood Mitchell, Michael Flavin and George Funke.

Get-Together Club

The Get-Together Club will meet at the home of Mr. and Mrs. Russell Rinehart on Bradner Rd. Feb. 20.

Woman's Club Has Annual Dinner

Members of the Northville Woman's Club held their annual dinner meeting at the First Presbyterian Church House last Friday evening, with their husbands and friends as guests. Dr. Charles E. Irwin, Assistant Professor of Speech at Michigan State College, was guest speaker for the occasion.

Dr. Irwin's theme for the evening was that many of us have lost the key to happy living by the rush and pressure of our every day lives. His talk was interpreted with lively humor that kept his audience in laughter much of the time.

Table decorations consisted of red Valentines with a button sewn on the center, the latter symbolizing the title of Dr. Irwin's speech, which was "Button, Button, Who's Got The Button". The decorating committee was Mrs. Richard Kay and Mrs. Al Wistert.

Seated with Dr. Irwin at the speaker's table were Mr. and Mrs. Fred Van Atta, Dr. and Mrs. Russell Atchison, Mr. and Mrs. Carl Bryan and Dr. and Mrs. Harold Fredsell.

Mrs. Atchison will succeed Mrs. Van Atta as president of the Woman's Club for the coming year.

Harry Jackson Dies Feb. 17

Livonia Seeks New Member on County Board

Livonia has received permission to conduct a special census in an attempt to prove the city is entitled to one more member on the Wayne County Board of Supervisors.

Permission for the census came Monday from the Secretary of State's office in Lansing.

Some observers in Detroit predicted that other fast-growing communities in Wayne County will follow suit, with the result that control of the board will pass from Detroit to the suburbs.

There are 97 members on the board, 50 of whom come from Detroit and 47 from out-county cities, villages and townships.

Under the present set-up, Livonia, with a 1950 census population of 17,534 persons, is entitled to two members of the board.

However, city officials say Livonia has about 37,000 residents. If this is borne out by the census, Livonia will be entitled to one more member on the board.

Many other Wayne County communities have doubled the population since 1950.

Give Demonstration of Psychodrama

A psychodrama team from the Northville State Hospital presented a demonstration Feb. 16 in Detroit at a meeting of the Detroit Association for Adult Education.

Psychodrama is a form of group therapy in which patients act out scenes with hospital staff members. They often portray life situations which have troubled the patient.

Psychodrama also is used as a means of preparing patients ready to leave the hospital for such things as applying for a job.

Participating in the program were Abraham Brickner, psychiatric social work supervisor, who is director of psychodrama at the hospital; Dr. G. F. Newman, hospital psychiatrist; Mrs. Freda Galli, psychiatric nurse, and Harold Bynum, clinical psychologist.

This type of presentation is part of the hospital's information and mental health education program. Tours of the hospital and speeches by staff members before community groups also can be arranged by calling Northville 1290 weekdays between 9 a.m. and 5 p.m.

Father and Son Dinner Held at Lutheran Church

More than 100 guests attended the Father and Son banquet held last Friday evening at St. Paul's Lutheran Church.

Sponsored by the Ladies Aid Society, the program featured a roast beef dinner, musical selections, a magician, and prizes for the oldest father, youngest father and son, and father with the most sons.

Music was supplied by Richard Miller, John Kendrick and Louis Meisner while the magician was Roy Rew.

The oldest father present was Andrew Carlson, who attended with his son, Arthur; grandson, Arthur, Jr., and great-grandson, John Gibson, Jr.

The prize for being the youngest father went to Howard Miller, Jr. while the youngest son was Steven Carter. The father with the most sons attending the dinner was Carl Hughes, who has five boys.

Edward Landau was toastmaster at the dinner while Mrs. Lawrence Le Fevre presented the official welcome. Konrad Facknitz presented the toast to the sons while Tommy Lein toasted the fathers.

Program chairman for the affair was Mrs. Arnold Heidt while Mrs. Arthur Janetzke served as ticket chairman. Mrs. Vernon Newton was dinner chairman and dining room chairman was Mrs. Fred Heidt, Jr.

"GOD" INSURANCE

Please excuse me if the title of this article sounds a bit sacrilegious to you, but it expresses the religious tendency of many people. These people know very little about God since they do not read the Bible in which God reveals himself to man.

They therefore do not know that their sin has separated them from God so they are "without hope and without God in this world." But since there is a certain element of risk in living and a sure time of death in which we must depart from this earth, these people hold some sort of religious beliefs which I have termed "God Insurance." This insurance, they think, will bring them help through prayer when they need it and heaven in eternity when they die. Their religion is often as superstitious as those in heathenism. Christianity is based upon the truths as expounded in God's Word, the Bible. The matter of right standing with God according to this Faith is alone through repentance and faith in the Lord Jesus Christ. And religion that denies the truths taught in the Bible cannot rightfully be called Christianity. I urge you readers to get first hand information by reading St. John's Gospel for yourself.

Ford's New Ball-Joint Suspension gives you the Newest Ride on the Road!

This revolutionary new Ford front suspension soaks up road shock before it reaches you! Makes all riding and handling easier!

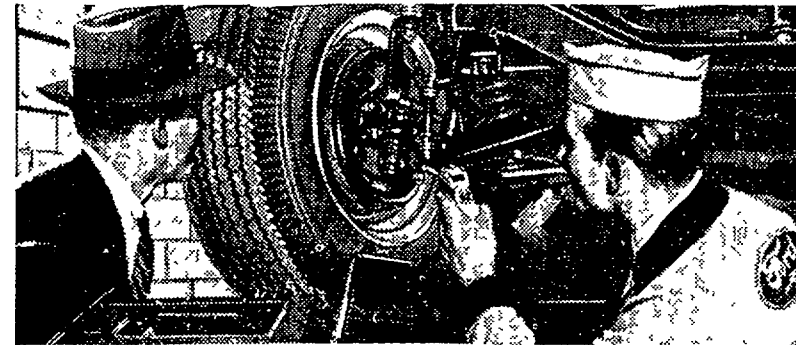

Seals out dirt. You can forget road splash because dirt and water can't get into the ball joints in Ford's new front suspension. Each of the four joints is effectively sealed by a unique rubber-and-metal shield. This means that contact surfaces of each ball and socket remain clean—wear is kept to a minimum.

Keeps that new-car feel. You'll enjoy Ford's new-car feel much longer because ball joints are spring-loaded to compensate automatically for any wear. Front wheels hold alignment far longer than with conventional systems. Ball joints can't stick or bind. Steering remains consistently easy.

THE "OLD" roads won't seem the same with Ford's new Ball-Joint Suspension "paving" the way for you. You'll enjoy a softer, more level ride because Ford's new system allows greater shock absorbing movement of the front wheels. Handling is far better, too, not only on turns but on the straightaways as well. That's because conventional kingpins have been replaced by simple, sealed ball joints that won't stick or bind. No other car in Ford's field can equal this modern ride—because no other has Ball-Joint Suspension.

Agile new performance, too, is yours in a '54 Ford. Whether you choose Ford's new 130-h.p. Y-block V-8 or 115-h.p. I-block Six you get the quick response and smooth, quiet operation of a modern overhead valve, low-friction deep-block engine. And no matter which of Ford's 28 new models you choose you enjoy recognized style leadership—with clean, modern lines... sparkling new colors... and harmonizing upholstery fabrics and trim.

Eliminates 12 wear points. Ford's Ball-Joint Front Suspension eliminates 12 of 16 points of wear found in conventional systems. Rubber-bushed supports at inner ends of suspension control arms not only reduce the number of wear points but also insulate chassis from road noises.

We cordially invite you to Test Drive a '54 Ford

The Frederick Collins home on E. Cady St. was filled to overflowing last Friday afternoon as more than 100 women gathered at a tea honoring Mrs. George Alexander, new president of the Garden Club, and Mrs. Russell

Aitchison, chosen recently as president of the Woman's Club. In the picture above, Mrs. Collins is flanked by Mrs. Alexander, left, and Mrs. Aitchison.

Collins Tea Is Colorful Affair

Valentine's Day and a hint of spring combined to make Mrs. Frederick Collins' Tea, Friday, Feb. 12, a colorful affair.

The hostess, in a cherry red tulle dress, greeted her guests at the door with the two honored guests, Mrs. R. M. Aitchison, attired in a printed navy and white paper taffeta, white hat and corsage of white carnations, and Mrs. George Alexander, who wore a black taffeta dress with white hat and corsage of red carnations.

The Valentine theme was carried out at the tea table with a lovely centerpiece of red carnations and white stock tied with white tulle, red paper napkins and red and white candies. White tapered lighted the table. Many attractive new spring "bonnets" gave the hint of spring. Many members of the Garden Club and the Woman's Club were there to greet the new president of the Woman's Club, Mrs. Aitchison, and the new Garden Club president, Mrs. Alexander.

January Building Sets Record in Livonia

The 148 residential building permits issued in Livonia during January set a new winter-month high for home construction in the city.

Only four times since the city was incorporated in 1950 have more home permits been issued in one month.

But all four of the months that have bettered January's total were spring and summer months—the time of the year when home building is at a normal peak.

Figures released this week by Don Wilson, Livonia's chief building inspector, show that the 148 permits for homes valued at a total of \$1,567,500.

Six commercial permits, for buildings valued at \$45,860, were also issued last month.

The preceding month (December 1953) saw 90 residential and two commercial permits issued.

South Lyon Man Killed in Crash on Ten Mile Rd.

A South Lyon man was killed Saturday night when the car in which he was riding rammed the rear of another automobile on Ten Mile at Novi Rd.

The victim was George York, 37, of 60100 Eight Mile Rd., South Lyon.

State police said York was riding in a car driven by James Speagle, 31, also of South Lyon, when the Speagle car struck the rear of a car driven by Daniel Rivers, 42, of Drayton Plains.

Speagle, who suffered minor injuries, was held for investigation of negligent homicide. Also injured were Rivers and Robert Lee, 36, South Lyon, another passenger in the Speagle car.

York is a cousin to Sgt. Alvin York, the famed World War I hero. His body will be returned to Jamestown, Tenn., the family home for burial.

For the Record . . .

Boundaries now proposed are those suggested by the Detroit Metropolitan Area Regional Planning Commission.

This determination by Northville's neighbor to become a city suggests that similar steps might well be initiated here along lines that would include only the area within the present Village boundaries. There has been considerable talk along this line since the original proposal was defeated last spring, but no organized move has been made to bring this about. Perhaps we can get started this spring.

Students Compete in Essay Contest

Plans for a nation-wide essay contest, open to Northville High School students, were announced this week by the local V.F.W. Ladies Auxiliary Chapter.

The contest is open to students in grades nine, ten, eleven and twelve. Local winners will have a chance for prizes not only from the local V.F.W. chapter, but from the state and national V.F.W. groups.

First prize in the national competition is \$1000 and a gold medal. The essay subject is "Build Through Citizenship". Entries are limited to 1,000 words.

Ed Yahnke of the high school faculty is handling the local entries. Essays must be given to him not later than March 15.

Judges are Rev. Dr. Harold Fredsell, Lynn Sullivan and Francis Gazlay.

Northville Edges Milford, 62-57

The Northville High School Mustangs avenged their only league basketball defeat Friday night, edging Milford 62-57.

The victory was a sweet one for the Mustangs, losers to Milford by a 57-47 count last month. Starting slowly, Northville overcame a 21-14 first quarter deficit and went on to virtually eliminate the Redskins from title consideration.

The win was Northville's eighth in Wayne-Oakland County League play. Milford, which until three weeks ago held undisputed first place, suffered its third loss.

Glenn Howarth was the big gun for Northville. The lanky senior poured in seven field goals and nine free throws for 23 points. Ed Nash was runner-up with 14 points while Bob Stallsmith led Milford with 18 points.

The over-anxious Mustangs made a poor showing during the first quarter. Milford cashed in on seven foul shots and seven field goals while the local squad managed only 14 points.

It was different in the second quarter. With Howarth hitting for eight points and Nash for five, the Mustangs chalked up 21 points and held a 35-33 lead at half time.

The Mustangs increased that lead to ten points in the third quarter, leading 50-40 when that frame ended. Northville then turned back a Milford surge in the fourth quarter which saw the Mustang lead narrowed to only four points at one juncture.

Reserves Lose to Milford by 59-33 Score

A strong Milford High School reserve basketball team had little trouble turning back Northville, 59-33, last Friday night on the Redskins home floor.

The Skins, paced by Jim Green and Ron Glynn, ran up an early lead and were never headed.

The home team led 22-7 at the end of the first quarter and held a 33-18 advantage at the half.

Green and Glynn scored 14 points apiece for the Redskins. Northville scoring honors were shared by Max Hollis and John Funk, each of whom scored eight points.

Faces Durando in Friday Bout

Rock Castellani, runner-up to champion Bobo Olson in the middleweight division, and Ernie Durando, the kayo artist, meet for the third time in a scheduled 10-round match at the Friday, Feb. 19 television and radio feature from Madison Square Garden.

In their first meeting, Rocky won a close decision while Ernie avenged this by kayoing him in their second get-together. The impending rubber tilt promises an interesting evening for viewers and listeners since both boys are regarded as crowd pleasers with their aggressive styles. The bout starts at 10 p.m. EST.

Castellani, boxing in the pro ranks since 1946, is noted for a fast combination style of attack. Among his victims in a total of 46 wins are, in addition to Durando, Pierre Langlois, Johnny Bratton, Joe Giardello and Gene Hairston. Although he has gained only 8 victories via the kayo route, Rocky has developed into a dangerous hitter, especially after being hurt by his opponent.

Durando, known as "The Rock", is well-remembered by fans for his five appearances against Paddy Young. A total of 36 wins gained since his pro debut in 1946 includes an impressive total of 27 knockouts. Along with Young and Rocky Castellani, Norman Hayes and Joey DeJohn have met defeat at the hands of Ernie.

FISHERMAN'S WORLD DOTH CHANGE!

How would you like to live in a state where you could throw away the rule book, and go fishing for just about any fish you please just about any time you please? It's coming closer and closer according to a recently released summary of changes in fishing regulations now in effect in all of our 48 states.

Nearly every state now has some year-round fishing. Twenty-three states now allow the taking of bass the entire year. Thirty-seven open a season on pan fish for 12 months annually, but only three states still permit year-round trout fishing although 40 others have long open seasons on this species.

Tackle Changes, Too

And everywhere the change toward lighter tackle is in evidence. More spinning outfits are finding their way into more homes—not just for the man of the house but for the former anglers "widows" who used to stay home while hubby had all the fun. Spin-fishing is easy to learn. The ladies are good customers—and good fishermen, too.

More Water Available

In the south many states have created huge artificial lakes, making entirely new fishing grounds. In the short space of three years many of these man-made lakes have developed excellent fishing. Naturally good spawning conditions have combined with plenty of food to stock plentifully in an astoundingly short time.

New Attitude

But, implies this report, the most important change noted is in the attitude of the fishermen. Many of them are now realizing that the number of fish on the stringer or in the creel is of secondary importance. If the fishing trip was "an adventure in pleasant relaxation", regardless of the amount of tangible evidence—it's called a big success.

Maybe the ladies have a lot to do with this. When the men were fishing alone there may have been a subconscious feeling that they HAD to bring home a big catch to justify their long absence! With "mama" along is all for the best! Sportsmen everywhere will readily admit they're not out for the kill. They're out for the "fun of it", and where can you find more wholesome, healthful fun than in the pursuit of a hobby like hunting or fishing?

Try it more often this year in Michigan Outdoors!

NEW CHEVROLET TRUCKS FOR '54

Completely new—the most powerful, finest performing, best-looking Advance-Design trucks ever built! And you can have new automatic transmission* on ½-, ¾- and 1-ton models!

New 1954 Chevrolet trucks offer you the last word in no-shift truck driving ease. You can make door-to-door deliveries . . . drive in heavy traffic or on the open highway without shifting gears or operating a clutch. Fact is, there is no clutch.

A new truck Hydra-Matic transmission* does the work for you—smoothly, silently, economically. You can keep your hands on the wheel and your eyes on the road. As a result, you drive more relaxed, more easily, more safely.

This proved automatic transmission is available not only on ½- and ¾-ton Chevrolet Advance-Design

trucks, but on 1-ton models, too! You'll find many, many other big new benefits in the new Chevrolet trucks for '54. Plan to stop in soon and let us give you all the facts.

They're packed with brand-new advantages you need—

NEW ENGINE POWER. You get more power—and the right power for your job, plus new operating economy with three advanced valve-in-head engines. Bigger, brawnier "Thrifty-master 235" engine. Rugged, durable "Loadmaster 235" engine. Mighty all-new "Jobmaster 261" engine.

NEW COMFORTMASTER CAB.

The big new one-piece curved windshield provides greater visibility. The new instrument panel is easier to read and the controls easier to reach. New Ride Control Seat* offers extra comfort for drivers. Seat cushion and back move as a unit to eliminate back-rubbing.

NEW, BIGGER LOAD SPACE. New pickup bodies have deeper sides . . . new stake bodies are wider and longer to give you extra load space. In addition, they're set lower to the ground for easier loading and unloading.

NEW CHASSIS RUGGEDNESS. Extra strength and stamina! Heavier axle shafts on 2-ton models . . . newly designed clutches and stronger, more rigid frames on all models.

NEW ADVANCE-DESIGN STYLING. Handsome new styling reflects new power and ruggedness. New front-

end design is more massive and sturdy in appearance. New parking lights are positioned to indicate the full width of the truck.

*Optional at extra cost. Ride Control Seat is available on all cab models. "Jobmaster 261" engine on 2-ton models. Rear corner windows on standard cab optional at extra cost.

THE 200-hp CENTURY! (horsepower)

SENSATION IN POWER AND PRICE

It's a record-breaker in more ways than one—this spectacular CENTURY.

It's a record-breaker in power-to-weight ratio—with the greatest power-per-pound figure in all Buick history.

It's a record-breaker in horsepower-per-dollar—brings you more power than you get in any other car in America at the price.

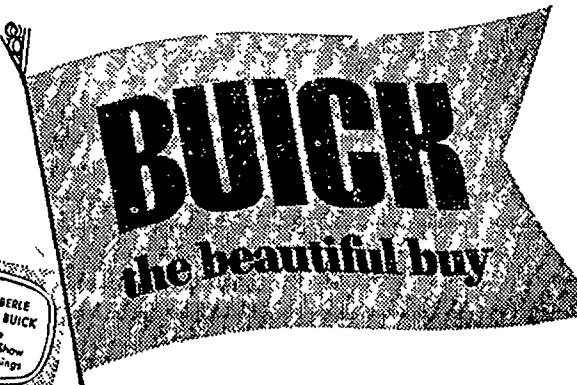

And what this phenomenal CENTURY can deliver in thrilling and safer road command is a deep satisfaction.

It's there, this CENTURY power, to give you brilliant performance at a modest price . . .

To give you getaway with immediate response—cruising and hill-

climbing with unbelievable ease—and enormous emergency reserve power instantly at hand when you need it.

Why not drop in this week to see, sample and price the tomorrow-styled Buick CENTURY? We believe you will find it the power and price sensation of today's automotive world.

Rev. J. M. McLucas read the single ring ceremony. The couple was attended by Betty Jane Bryce sister of the bride, and Theodore R. Spaulding, both of Fowlerville.

After a short honeymoon trip, the young couple will make their home in Fowlerville.

Novi Civil Defense Conducts Survey

A meeting on Feb. 16, in the Novi Community Hall sparked a drive by Novi Township residents to perfect a local Civil Defense organization. Workers were assigned districts for the assembling of data "designed" to tabulate the resources of the township (as to trained personnel and equipment) available for use in an emergency.

It is expected that the survey will be completed within two weeks and that unit organization will be achieved by March 5. On that date another general meeting will be held at which the completed organizational plan and the training schedules will be presented to Novi residents.

Volunteers are still needed for all phases of Civil Defense work. If you can help you are asked to phone Mr. Flannery, Market 4-1082, or Mr. Pitchford, Market 4-1430.

Novi Civic Highlights

(As a public service and through the cooperation of this newspaper and Novi Township officials, this series of articles is being presented by the West Road Property Holders Association, Inc.)

Township Government Offices

Novi Township is governed by a board of elected officials composed of the supervisor, clerk, treasurer and two trustees. This governing body is sometimes called the Township Board. Any three members constitute a quorum for the conduct of business. The Supervisor presides at its meetings as moderator.

The Township Board is required to meet at least once annually. The Novi Township Board meets monthly on the first Monday of each month at 8 p.m. in the Township Hall. Meetings are open to the public.

Among the duties of the Township Board are: An annual audit of the accounts of the Township Treasurer; to act and pass on expenditures made on behalf of the township; determine the amount of the performance bond and the number of sureties required of the township clerk; determine and allow reasonable expenditures by township officers in the performance of their duties as township officials; publish annually a statement of township finances.

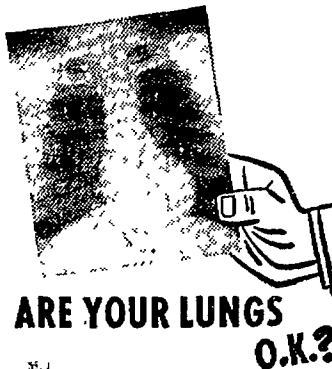

In addition, the Board has authority to appoint a Township Park Commission under certain conditions, operate and maintain public parking facilities, establish pounds for straying livestock, establish and control trailer camps, etc.

The compensation of township officers may be set by the voters and where such has not been done may be set by the Township Board.

There is also a Zoning Board which meets and recommends the adoption of, or change in, zoning or building restrictions. A building inspector enforces compliance with ordinances regulating buildings and issues building permits. When a builder is dissatisfied with the decision of the building inspector his recourse is to another board known as the Board of Appeals, composed of three members including a member of the Township Board.

Other township offices are: justice of the peace, who is the judge for the locality, and constable, who serves all warrants, notices or processes directed to him by the Township Board or by any other officer of the board.

The terms, specific duties, etc. of these officers will be taken up in more detail in later articles.
