for the Record

by G. H. C.

When Senator McCarthy was monopolizing newspaper, radio and television headlines by his claims of a Communist under every cabbage leaf, there were many men in high positions in the United States who felt that the senator's dust was obscuring our ability to perceive some things that are of far greater importance to our ultimate security as a nation. They referred to such things as the newest H-bombs, the near-collapse of resistance to Communist conquest of Indochina, and the highly controversial policy of "massive retaliation" announced by Secretary of State Dulles in his New York speech of Jan. 12.

Now that the Senator has been forced into the background, temporarily at least, public opinion has been focused on these matters more effectively than ever before. The sight is not a reassuring one. Guardedly, in whispers, a bit at a time, we learn about the H-bomb explosion on Bikini on Mar. 1. Some call it a "runaway" explosion which far exceeded in its intensity anything which the scientists expected. A Detroit, Secretary of Defense Charles E. Wilson, describes it as "unbelievable". Asked if the American people might be told more about the tests, he said: "I don't think you should scare everybody so they can't sleep nights." On Capitol Hill, Rep. Holifield (D., Calif.), who recently returned from Bikini, said: "The danger of destroying civilization has become very real." He is a member of the Senate-House Atomic Committee.

In London, Prime Minister Winston Churchill attempted to reassure members of the House of Commons, saying: "I can say, from our own scientific knowledge, that there is no foundation for the suggestion that these explosions are incalculable in the sense that those making the tests are unable to set limits to the explosive power of the atom, or to calculate in advance what the main effects will be."

Even so, there is little cause for reassurance in the admission by Civil Defense officials that the only protection against an H-bomb is mass evacuation of cities. Obviously, that is utterly impracticable except for a fortunate few living on the outskirts, with adequate transportation at hand for a fast flight into open country. It points up Rep. Holifield's conclusion that "mass extermination of millions in any and all nations can occur during a weekend."

What about the Eisenhower-Dulles policy of "massive retaliation?" And his more recent speech urging the free world to take "united action" to prevent Communist conquest of Indochina? Men of integrity and good judgment can argue endlessly as to the pros and cons of Mr. Dulles' warnings. Each side can advance many arguments to support its position. Personally, we don't profess to know the answer, and we don't believe anyone else knows it, either.

Under the circumstances, many men and women will turn to their religion for such guidance and comfort as they can obtain.

On the lighter side today, but mighty serious when we first read it last Thursday, was a boner in this column last week. In commenting on sending out "Rate Your Town" questionnaires, we WROTE that the purpose was "to STIMULATE discussion and understanding of matters that are of importance to every city and village". Some gremlin interfered with our good intention, however, and the sentence that appeared in the paper said we were doing it "to ELIMINATE discussion and understanding, etc."

Jim Littell says Readers Digest will pay good money for such typographical errors. If any subscriber can collect, he's welcome to whatever he gets.

Northville Buddies Meet In Korea

Two Northville men now serving in Korea never miss a chance to get together although stationed 20 miles apart. Pfc. Jack Doran (left) son of Mr. and Mrs. Forrest Doran of Randolph St., and Pfc. Charles Lapham, son of Mrs. Beth Lapham of W. Main St., are pictured here at an encampment near Seoul, Korea. Each Sunday, duty permitting, the two Northville service men get together to take pictures and talk over old times.

Jack graduated from Northville High school in 1949 and after spending two years at Alma College enlisted in the air force. He has been in service two years, and in Korea since last November. He is a member of the "Gay Blades" quartette which will entertain the 5th Air Force contest June 4. Jack is better known in Northville without his handlebar mustache.

36 Persons Named To Study School Needs

Many Problems To Be Faced In School Survey

Will Novi outstrip Northville in population in the next decade?

Will such an increase in population, if it materializes, necessitate establishment of a separate school system?

Should the five districts in the Novi-Farmington area continue sending pupils to the Northville schools?

Or should they join with Northville in establishing a consolidated school district, with new grade schools and a high school centrally located?

These are some of the questions expected to be considered by the new Citizens Study group of 36, members of which were appointed by the various school boards Monday with the exception of one member of Novi No. 6. The latter, however, will be one of three members of the school board.

Guides Group

Names of the persons selected were forwarded to William Emerson, superintendent of schools of Oakland county, who has been guiding the discussions which led to the formation of the study group.

At a meeting held at the Novi school last week, Emerson said that from experience with similar study groups in other parts of the county, there are six points for investigation, centering around:

1. Finance—The ability of the area to bear the cost of expansion and development of the proposed school district.

2. Buildings—What facilities exist in the area and what additional structures should be provided.

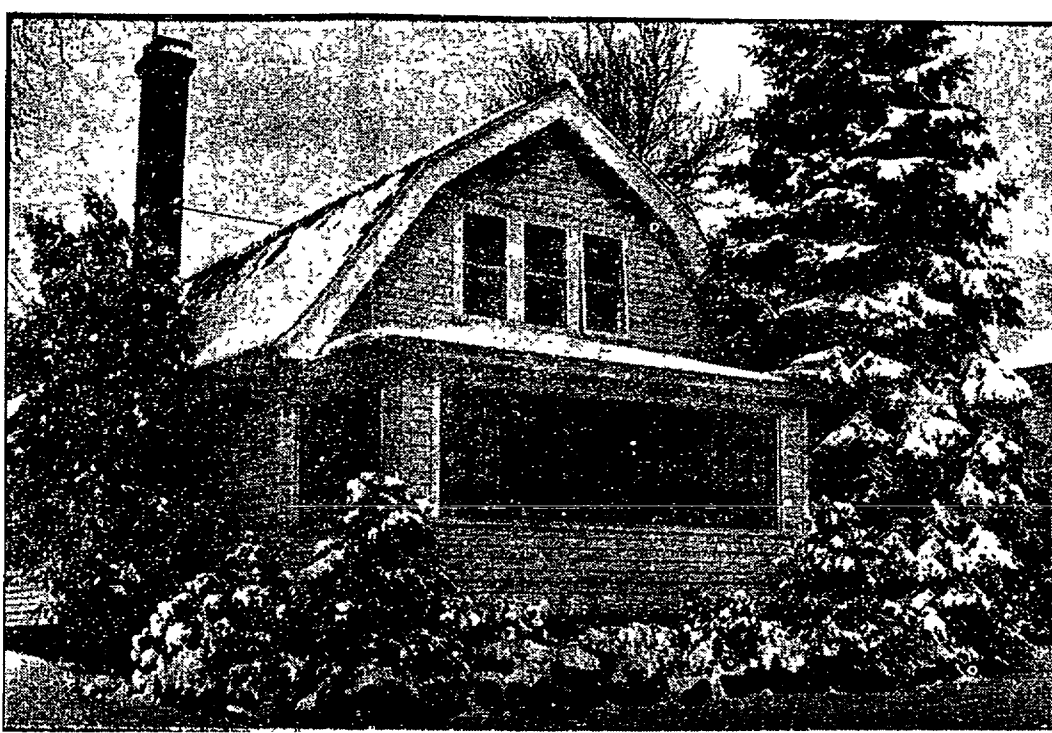

3. Population—Possible future growth.

4. Curriculum—What sort of an educational program should be planned for the future; i.e., vocational, agricultural, or various combinations.

5. Educational trends—Possible new educational program to be recommended for the area based on national experience.

6. Transportation—Problems to be met in transporting students to and from the various schools.

(Continued on Back Page)

WHILE THE LAMBS hid somewhere, tail-end March winds whipped snow into drifts around homes and along streets. Above, the home of former Mayor E. E. Perrin, 236 S. Center St., presents a picture of cold beauty.

A MARCH LION, that is, the photograph above was taken Monday at the height of the freak March snowstorm that dumped an estimated eight inches of the fleecy white stuff on the Northville-Detroit area. Pedestrians and motorists alike found the going rather slippery.

Mrs. R. M. Atchison Head of Woman's Club Next Year

The Woman's Club of Northville concluded its 61st year of activity on Mar. 26 at a tureen luncheon and a playlet "Good Neighbors", written and directed by Mrs. Richard Johnson. Its cast included Mrs. Albert Northrup, Mrs. F. O. Butler, Mrs. J. P. Anderson, Mrs. Donald Severance and Mrs. Johnson.

Mrs. R. M. Atchison was elected president for the coming year. Other new officers who assumed their duties officially were Mrs. E. A. Chapman, vice-president; Mrs. Maxwell S. Austin, recording secretary; Mrs. James A. Congo, corresponding secretary, and Mrs. Emmett A. Wirth, treasurer.

New members of the board of directors are Mrs. Fred Van Atta, Mrs. Waldo T. Johnston, Mrs. A. Russell Clarke, Mrs. J. R. McColl and Mrs. Nelson C. Schrader, Jr. Mrs. Atchison appointed the following program committee for the coming year: Mrs. C. D. Yahne, Jr., Mrs. A. J. Vershaeve, Mrs. C. D. Hill, Mrs. C. M. Chase, Mrs. L. D. Rambeau, Mrs. D. W. Hahn and Mrs. F. C. Beeks.

The club held a short business meeting to act on annual committee reports and to adopt a new constitution and by-laws prepared by a committee under the chairmanship of Mrs. J. R. McColl and including Mrs. Harvey Whipple and Mrs. W. H. Cansfield.

Mrs. Drake Older, accompanied by Mrs. Wm. Williams, sang Auld Lang Syne at the conclusion of the meeting, and a rising vote of thanks was given to Mrs. Fred Van Atta in appreciation of her successful two-year term as club president.

Lightning Bolt Strikes Novi Home Only One Time, But Once Is Enough

It was a distinct shock to Mr. and Mrs. Henry Sauer, 25899 Clark St., Novi, when a bolt of lightning struck their home last Thursday morning.

And it was a distinct shock to their neighbors, as well as their insurance adjuster, too.

Mrs. Sauer said they rose about 7 a.m., and that her husband decided it was raining too hard for him to go to work. They went back to bed and were sound asleep at 7:35 when the lightning struck.

A neighbor reported seeing a brilliant flash of light at the top of the Sauer television antenna over the front bedroom. The bolt apparently exploded inside the walls, and these events quickly followed:

Every window in the house was broken; the light fixtures in every room were smashed; the bedroom wall was pushed out into the living room; the ceiling came tumbling down in the back bedroom; one end of the house was blown out; tile blocks were blown off the bathroom walls; the refrigerator outlet was fused and

hurled back of the stove; all other outlets were blown out; Mr. and Mrs. Sauer were awakened.

An insurance adjuster said he had never seen anything like it in all his experience settling lightning claims. He estimated the damage at several thousand dollars.

Neither Mr. or Mrs. Sauer suffered injury. But they were no little shocked when they saw the devastation wrought by the bolt.

"I've heard lightning never strikes twice in the same place," Mrs. Sauer said, viewing the wreckage of her home. "Well, once is enough."

Aged Resident of Northville Dies

Emma M. Kehrl, long a resident of Northville, died at Sessions Hospital Monday. Born 60 years ago at Livonia Center, Mich., she lived for 57 years at 10601 W. Seven Mile Rd.

Mrs. Kehrl's husband, Rudolph, preceded her in death Sept. 3, 1943. She is survived by a son, Roy, of Northville, and two daughters, Mrs. Erma Shoenberger of Wayne and Mrs. Nora Dudley of Livonia, and two grandchildren, Mrs. Betty Lazar and Miss Dorothy Kehrl.

Funeral services will be held at the Castlerline Funeral home today (Thursday). Arnold Kehrl from Scribner Avenue Baptist Church of Grand Rapids, and David L. Reider, First Baptist Church of Plymouth will officiate. Burial will be at the Thayer cemetery in Salem.

2 Convicts Who Terrorized Home Held for Trial

Two ex-convicts captured in Toledo after terrorizing a Plymouth township home 10 days ago were bound over to circuit court Monday by Justice Leo C. Nye of Livonia. The two, Robert Lee Simmons, 28, of Detroit, and James Banks, 40, of Flint, will be tried at a date to be set later on charges of assault, breaking and entering, and additional charges.

Donald Tapp, 44505 Gov. Bradford Rd., whose household the men terrorized for more than three hours following their escape from the Detroit House of Correction Mar. 19, is reported recovering from a stab wound in the back said to have been administered by Banks. Tapp was attempting to shield his wife Irene, and ten-day-old daughter, Joy, while trying to fight off the intruders, when he was wounded. Officers who captured the men in a Toledo hotel said Banks told them Tapp had backed into the knife he was holding, and that he had not intended to stab Tapp at all.

Prior to their escape, the two men were serving long terms, Simmons 3 to 15 years for attempted robbery, and Banks 2 to 14 years for passing worthless checks.

FIRST AID MEETING SET

A first aid civil defense meeting will be held each Wednesday for the next nine weeks at the Novi township hall, according to Mrs. John B. Flannery of Wixom. The meetings will begin at 7:30 p.m.

Six Districts Involved In Consolidation Plan

Start of a year-long survey to determine the needs of the six school districts in the Northville area was a step closer Wednesday as a study committee of 36 residents was named by the various school boards.

The committee will hold its initial meeting at the Novi school house Apr. 7, and will then elect officers and set meeting dates, according to R. H. Amerman, superintendent of the Northville schools, who will act as advisor to the group. Mrs. Mary Ann Atkinson, superintendent of the Novi schools, also will act in an advisory capacity.

Oil Operators Step Up Their Activities Here

Black gold continued to flow Wednesday from the LeMaster's No. 1 oil well near Northville, effectively squelching rumors that it had started pumping water, and that it was on fire. Investigation proved both rumors, which gained wide circulation Tuesday, were false.

The drilling crew of W. C. Taggart found the well troublesome the past few days when they began the tubing operation to put LeMasters No. 1 into permanent production. This operation consists of installing a pipe approximately 4400 feet long down to production strata. With the well opened to capacity to relieve the pressure, the flow was so great that all available storage was overflowed, and the crew worked in a cold oil bath. The flow has been cut down to 220 barrels per day.

Other oil activity in the Northville area, as reported by various operators:

Collins and Berlin: On the Whipple No. 1 well, Eight Mile Rd., progress is good, now driving pipe below 200 ft. depth.

Collins and Berlin: Moving in (Continued on Page 12)

Purpose of the study, Amerman said, is to determine the feasibility of merging the six districts into one, building new schools, and coping with transportation and other problems.

Send Students Here

At present, many students from outside Northville are sent here on a paid tuition basis. However, the growth of the population in the area already is overloading the existing school facilities. Educators and parent groups alike are becoming increasingly aware of the need for action, and several meetings already have been held in an attempt to decide what should be done.

Establishment of the Citizens' Study committee was agreed upon at a meeting Mar. 24, which was attended by representatives of all six boards, and by William Emerson, superintendent of the Oakland county schools, and Mills Wilbur, of the state department of public instruction. Sec. Donald Severance and Treas. Eural Clark represented the Northville board, with Supt. Amerman along as an observer.

Previously, a steering committee had been formed, with Frank Clark of Novi as chairman. This committee will meet with the study group Apr. 7 to help in the organization of the permanent committee, and then will disband.

Members Named

Those named to the study committee are:

Northville: Eural F. Clark, High St.; George L. Clark, W. Main St.; Robert F. Coolman, W. Dunlap St.; Mrs. Walter L. Couse, W. Seven Mile Rd.; Mrs. Herbert N. Frogner, Sheldon Rd.; James E. Littell, W. Seven Mile Rd.; Mrs. William S. Milne, W. Dunlap St.; Robert H. Shafer, Sheldon Rd., and Charles D. Yahne, Eaton Dr.

Novi No. 6: A. J. Heslit, Mrs. Franklin D. Smith, Charles Ratliff, Frank Bosak, and a fifth member to be named later from the school board membership.

Novi No. 8: Georgia Larsen, George Lien, William Mairs, Harold Miller, Mrs. Jack Eby, Russell Taylor and George Atkinson.

Novi No. 7: Walter Ross, Mrs. Victor Miller, William Templeton, Don Matzen and Mrs. Kalin Johnson.

Novi No. 9 Fractional: Don Hines, Gladys Burgess, Frank Watzka, Robert Krug and George Simmons.

Farmington No. 2 Fractional: William W. Harris, Mrs. Robert Spicer, Raymond Scheffer, J. N. Erwin and Earl Banks.

"Rate Your Town" Returns Reveal Wide Diversity

First returns in the "Rate Your Town" poll, conducted by The Record in cooperation with the Northville Optimist club, reveals a wide diversity of opinion on Northville's standing as a desirable community in which to live and work.

This diversity, of course, was anticipated, and provided an additional topic for discussion at the Optimist club meeting in the Lutheran church Tuesday evening.

Two Groups

Divided into two groups—those who reside in Northville and those who live nearby—the first 150 cards returned by residents this week fall generally into two classifications: Those envisioning Northville as a quiet, restful village, and want it kept that way; and those who go all out for progress, expansion and modernization. (Continued on Page 12)

Villagers Give Some Very Frank Answers to Questions About Northville

Are your ears burning? If you're a resident of Northville, then you might as well know that unkind things have been said about your town.

Of course, there have been some good things said too in the "Rate Your Town" questionnaire which has attracted so much attention in the past two weeks. The caustic remarks, however, the ones that might have set your ears tingling, have been directed by those who filled out the list toward those who oppose progress.

Here are samples of comments on cards returned to the Northville Optimist club, which sponsored the poll:

"Northville is 25 years behind times. Very much retarded."

"I believe in a city instead of a one-horse town."

"Zoning keeps factories away—period!" " - - - And how!" " - - - Need employment."

"Too much like Sinclair Lewis story 'Babbitt'."

Some who evidently oppose progress commented:

"Northville is not progressive—that is why we moved here."

"Active PTA? Too active!"

"Questions 1, 3, 5, 8, 18, 33, 34, 35 irrelevant — mostly propaganda for further expenditures."

"Let's keep Northville as it is."

By far the great majority of the answers, however, stuck closely to the questions in an apparently fair, factual manner. Some residents even signed their names to show their good faith, although this was not required.

You Are, or You Aren't

Let us suppose that you are asked a simple, direct question—which can be answered with a simple, direct "Yes" or "No". The question is this: "Are you a Communist?"

If you are not—and if you are a loyal American—your answer would be a resounding "NO!"

But suppose you say, "I refuse to answer that question on the grounds that it might incriminate me. I invoke the Fifth Amendment."

Are you a Red traitor to America, or are you not? It's as simple as that. If you are not, why shouldn't you say so?

By executive order, President Eisenhower has directed that any government employee who invokes the Fifth Amendment before a Congressional investigating committee runs the risk of losing his job. It would seem that Ike wants the Communist question answered by a straight "Yes" or "No".

The Race, and the Goal

Census experts say that our population in 1975 should be around 200 million or more persons. It is a prediction that warrants sober thought and planning.

Huge populations are a liability rather than an asset if they are non-productive and without equipment or resources. That is where capital comes into the glowing picture which the experts paint—capital goods and equipment on a large scale.

Our 1975 labor force is expected to be around 88 million—a third larger than it is today. Jobs necessarily must be created

for 22 million new workers, most of them in business and industry. There is a \$12,000 investment behind the average job in America today, which means we'll need around 264 billion dollars of new investment by 1975 to provide equally productive jobs for our increased work force.

So, here's the 264-billion dollar question: Will government costs and taxes be cut enough to permit the saving and investment needed for the future? That is a fervent hope, for the benefit of the glorious goal to be won, and the generations to come.

We Wish to Thank You

The family of J. O. Monroe wish to thank the following for their kindnesses in their recent bereavement: Casterline's, the Rev. Morse and Rev. McNeil, and friends and neighbors.

I wish to thank Dr. Sparling and nurses for care while I was in Sessions Hospital. Rev. Hodgson for his calls, the WSCS, friends, neighbors and relatives for cards, flowers and other kindnesses shown me. They were all greatly appreciated.

We wish to thank the Plymouth Rock Lodge F & A M No. 47, Chapter 55 of Northville, Rev. Hodgson, with special thanks to Fred Casterline, and all the neighbors and friends for their kindness and thoughtfulness during our recent bereavement.

We wish to thank our relatives, friends and neighbors for their

cards, flowers and many acts of kindness during our recent sorrow; the Northville and Livonia Police for their service. Special thanks to Mrs. Pennell and Fred Casterline.

I wish to thank all my friends, the L.L.L. Men's Club and the Lutheran Ladies Aid for the beautiful cards and many kindnesses. Especially do I want to thank Rev. Rossow for his visits and spiritual guidance. Many thanks to the doctors, nurses and hospital staff for their kindness and wonderful care during my illness at Atchison Memorial Hospital. I surely appreciate everything.

I wish to thank my friends, neighbors, Order of the Eastern Star and my Birthday Club for their many kindnesses. Especially do I wish to thank Dr. Bosch, nurses and hospital staff for their kindness and wonderful care during my illness at Sessions Hospital.

We wish to thank our relatives, friends and neighbors for their

Novi Civic Highlights

The constitution of the state provides that each organized township may have up to four justices, each elected for a four year term.

A justice of the peace is required to establish sureties for indemnification of those to whom he becomes liable on monies passing through his hands in his capacity as justice of the peace. These sureties must be approved by the township supervisor or by the county clerk.

In criminal cases he has jurisdiction over all criminal offenses in his county where the crime is punishable by a fine of up to \$100 or up to three months imprisonment in the county jail. Complaints may be brought before him and he may issue, under certain circumstances, warrants where it appears that a crime has been committed. Any properly based appeal from the decisions in the justice court would be to the county circuit court.

Civil actions, i.e., those in which an individual is bringing suit for damages, may also be brought before the justice of the peace but with certain limitations. In general, it is true that the justice court has original jurisdiction over civil actions up to \$100, and has concurrent jurisdiction in matters over \$100 and up to \$300. This last means that the individual may bring his action in either the justice court or in the circuit court.

Another elected official is the constable who serves all warrants, notices and process lawfully directed to him by the Township Board or any officer. He may serve any of the above, if lawfully directed to him, in any township in his county. He

THE VILLAGE --- AT WORK

A Visit With Your Neighbors On the Job

When S. R. Carrington came to Northville in 1885, it was just a temporary visit—he thought. But he liked Northville pretty well, so he stayed permanently, went into business, and raised a family.

Now his son, Thomas R. Carrington, and his son, Charles, are in business together—all kinds of insurance, the Northville outlet for Western Union and issuing license plates for the Department of State. One of T. R. Carrington's early ventures was the retail shoe business in which he remained for six years. Following this he was connected with the Federal Income Tax Unit for another six years.

He has been in the insurance business since 1913 and has occupied an office downtown since 1935. In 1946, Charles joined his father in the insurance business and it is a partnership affair now. Charles served three years in the army and previous to that had been connected with the purchasing department of Detroit Diesel.

Another son, Thomas Carrington, II, is an officer in a bank in Bristol, Conn.

Mr. and Mrs. T. R. Carrington are proud grandparents—Charles has one daughter, Ruth Ellen, six years of age, and Thomas has two boys and a girl: Mark 7, Thomas III, and a new baby girl, Jane.

In the photograph above, Charles is explaining the procedure of issuing a license plate to Miss Muriel Parmelee of 128 S. Rogers St., while his father looks on.

acts in a ministerial capacity to the justice and, when notified by the sheriff, attends upon the sessions of the circuit court for his county.

To protect those harmed by any neglect in, or non-performance of, service or return of process he gives surety on taking of office. His sureties are approved by the supervisor or by the township clerk.

Many a life of the party is a wash-out at home.

WHERE & WHEN

King's Daughters

Mizpah Circle of the King's Daughters will have their spring spread on Tuesday, Apr. 6 at the home of Mrs. Del Hahn, 548 W. Main St. Members are requested to bring a passing dish and their own table service.

Orient Chapter No. 77, OES

Orient Chapter No. 77, OES, will hold a special meeting Friday evening at 7:45 p.m. in the Masonic Temple. The degrees will be exemplified by the regular officers. A social hour with refreshments will follow the meeting.

MSC Alumni Meeting

MSC alumni will hold a social meeting at 8:30 p.m. Friday, Apr. 2 at Farmington Township hall, corner of Grand River and Farmington Rd. All alumni are urged to come and enjoy square and modern dancing, conversation and coffee.

Wesleyan Service Guild

The Wesleyan Service Guild will hold their regular meeting in the Methodist church house at 8 p.m., Apr. 6. Rev. Ivan Hodgson will be the speaker.

OLV Mother's Club

OLV Mother's club will meet at 8 o'clock Tuesday evening, Apr. 6 at the home of Mrs. Claude Cruse, 43180 W. Nine Mile Rd. Refreshments will be served by the second grade mothers.

Cooperative Playschool

The Cooperative Playschool will hold its monthly meeting Monday, Apr. 5 at 8 p.m. at the Presbyterian church. Dr. Helen Teves will give her last lecture of the season entitled "Rights, Respects and Responsibilities of the Family". Following her talk she will show a movie on the "Roots of Happiness". All interested parents are invited to attend the meeting.

Girl Scout Leader Meeting

The Girl Scout leader meeting will be held Wednesday, Apr. 7, 9 a.m. at the Scout Building. The Wayne County Health Department will be in charge of the program and will show the Walt Disney film "Growing Up". Mrs. Joseph Page, leader chairman, announces that all mothers of girls are invited to attend this meeting.

Ladywood Mother's Club

Ladywood High School Mother's club will meet Monday, Apr. 5 at Ladywood school. Rita Hovan, director of Wayne University Speakers Bureau, will show her slides pertaining to Fatima, Rome and Lourdes. Guests are invited.

Lutheran Ladies Aid

St. Paul's Lutheran Ladies Aid meets Apr. 8 at 1:30 p.m. in the Parish Hall. Mrs. Dewey Burrell will act as hostess.

NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT
Phone Farmington 1461-M

Mr. and Mrs. Irvin Manning of Berkley called on Mr. and Mrs. George Welsh, Mayfield Ave. on Saturday.

Mr. and Mrs. E. W. Stange of Mayfield Ave. were Sunday dinner guests of Mr. and Mrs. William Griffith in Dearborn.

A recent nice affair given by the WSCS of the Livonia Methodist Church was a luncheon and card party held at the home of Mrs. A. F. Sudnik on Munger Ave. Thursday, Mar. 18. About 30 were in attendance. The occasion proved both pleasant and profitable.

With Judge Nye performing the ceremony, the marriage of Mrs. Irma Mason and Ed Kendell took place at 6:30 p.m. Saturday, Mar. 20. The bride wore a blue outfit with a corsage of pink and white carnations. Mr. and Mrs. L. Sheriff of Livonia were the only attendants. Following the marriage a reception was held at the home of the bride's brother,

Robert Lang, on Mayfield Ave. About 50 friends and relatives were present. A buffet lunch was served. They will make their home in Farmington.

Mrs. O. R. Ault of Shadyside Ave. has been ill all week with a bad attack of the flu.

Mrs. V. C. Reddy of Shadyside Ave. is convalescing from an attack of illness during which she underwent a few days treatment in Harper Hospital, Detroit.

Two small boys, one a kindergarten, and the other a preschool age child, got matches in their possession Wednesday and set fire to the woods, off Hubbard Ave. near Pembroke. Mothers managed to stifle the flames without summoning the fire department.

Mrs. Louverna Wagner of Detroit spent last week-end at the Reddy home on Shadyside Ave.

Mayor Jesse Ziegler has been vacationing in Florida. Mrs. M. E. Ault of Mayfield Ave. and Mrs. Lena Oldham of Farmington Rd. were in Detroit Monday attending a luncheon party composed of Eastern Star ladies.

Freda Ault of Norfolk Ave. was hostess to a Poly-Plastic party Tuesday evening. Several neighbors enjoyed the friendly get-together.

Mr. and Mrs. John Aittama of Shadyside Ave. visited the former's brother and sister-in-law, Mr. and Mrs. Rudy Aittama in Detroit. Richard Varhol of Shadyside

Ave. is expecting shortly a call from his draft board.

Mrs. Howard Palmer of Shadyside Ave. was reported on the sick list this week.

Mr. and Mrs. Marnus Nelson of Wyandotte were Saturday guests of their nephew and niece, Mr. and Mrs. Kenneth Skow on Mayfield Ave.

Kenneth Nielson of Wayne called at the home of his cousins, Mr. and Mrs. Kenneth Skow on Mayfield Ave., Monday.

Mrs. George Throne of Ypsilanti and Mrs. Loren Read of South Lyon were both calling on their parents, Mr. and Mrs. Austin Ault on Brentwood Ave., Friday.

At her home on Mayfield Ave. Thursday afternoon, Mrs. Grace Simpson was hostess to the Alice Missionary Circle of the First Baptist Church in Farmington.

There were 13 ladies present. There was a noon lunch followed by a devotional service conducted by Mrs. Gordon Way. Part of the afternoon was given over to rolling bandages for a worthy cause.

Mr. and Mrs. Peter Stamp of Grand Rapids spent part of last week-end with the former's sister, Mrs. John Varhol and her family, Shadyside Ave. On Tuesday, Bob Stamp, also of Grand Rapids, was a guest of his sister.

Last Sunday evening at their home on Mayfield Ave., Mr. and Mrs. Kenneth Skow informally entertained a large group of relatives and friends. Guests were from Detroit and nearby communities. A buffet supper was served.

Robert Hunter, Jr. of Detroit, called on his uncle, Clinton Ault, on Mayfield Ave. last Saturday.

Freda Ault of Norfolk Ave. called on Mrs. Russell Kline in Detroit Friday.

Mr. and Mrs. William Griffith and their daughter, Cathie, of Dearborn were Friday evening guests of Mrs. Griffith's parents, Mr. and Mrs. E. W. Stange on Mayfield Ave. Mrs. Griffith and her daughter remained for a week-end stay.

A grass fire at the rear of the Brunelle property on Mayfield Ave. last Tuesday was fortunately, speedily quenched.

Mrs. Grace Simpson of Mayfield Ave. spent the early part of this week with the McShanes in Southfield.

Mr. and Mrs. Robert Laughman and son, Billy, and niece and nephew, Denny and Donna Shelman, of Mishawaka, Ind., arrived Wednesday evening to spend several days with Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman on Mayfield Ave.

Mr. and Mrs. J. C. Dunaman of Farmington Rd. visited in Northville Thursday.

Richard Cooke of Albion Ave., Farmington, was a guest last Saturday afternoon of his aunts, the Misses Lora and Freda Ault, of

Norfolk Ave.

Ernest Tallman, who since before Christmas, has been confined to his home on Mayfield Ave. most of the time with a heart condition, has improved so much that he expects to return to his employment about Apr. 5.

Mrs. Dave Kelbert of Hugo Ave. has lately been ill, and may shortly undergo surgery in one of the Detroit hospitals.

Mrs. Leslie Grundy of Hubbard Ave. is now employed at Hudson's, at Northland Center.

Johnnie, youngest son of Mr. and Mrs. Richard Stevens of Hubbard Ave., continues on the sick list, and is soon to undergo a tonsil operation.

Last Thursday many a householder in this locality was ready to give his home away rather than clean out a flooded basement.

More kites have already been seen than any spring for several years past.

Goodwill Industries, Inc. will make their monthly collection of discarded in Farmington and the West Point Park area Monday, Apr. 5. Persons desiring a pickup should arrange for same by calling Farmington 1461-M.

Mrs. Pyle of Parker Ave. has been quite ill.

Al Hardy of Wayne was a luncheon guest Tuesday and also Friday of his mother, Mrs. Walter Rehahn on Mayfield Ave.

J. C. Dunaman of Farmington Rd. is reported much "under the weather."

Mrs. Ernest Tallman of Mayfield Ave. visited in Detroit Friday.

Livonia Citizens To Plant Nearly 500 Flower Trees

Nearly 500 Almey flowering crab trees will be planted by Livonia residents during the week of Apr. 5-12, officially proclaimed as "Livonia Planting Week" by Mayor Pro Tem Harry S. Wolfe.

The "Planting Week" was designated on the recommendation of the Rosedale Gardens branch of the Woman's National Farm and Garden Assn.

Last fall the city council, acting on the suggestion of the Rosedale Gardens club, named the Almey flowering crab as the official tree of the city of Livonia.

The trees, pruned and ready to plant, will be distributed by club members in front of the city hall on Apr. 2, between 1 p.m. and 8 p.m., and Apr. 3, between 10 a.m. and 6 p.m.

The Almey flowering crab, a disease-free tree, is recognized by its fiery crimson blooms which are larger than silver dollars. It attains a maximum height of 12 to 15 feet at maturity.

Walled Lake Soldier On Leave In Japan

(Special to The Record)

Kokora, Japan—Sgt. James H. Menard, son of Mr. and Mrs. Dennis Menard, 623 S. Lake Dr., Walled Lake, recently spent a seven-day rest and recuperation leave in Kokora, Japan.

Sgt. Menard, whose wife, Sara, lives at 446 Starkweather, Plymouth, is stationed in Korea as an assignment platoon sergeant in the 25th Infantry Division's 35th Regiment. He entered the Army in October, 1952, and arrived overseas last April.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

Michigan's rapidly deteriorating state parks may undergo their greatest face-lifting since the start of World War II this year.

If everything goes well, the Legislature is expected to appropriate about \$900,000 in capital improvements for recreational April 9.

That's about three times as much as the lawmakers have been setting aside for this vital work in recent years.

During the last 10 years, the Conservation Department has spent about \$3 million on state parks or an average of \$300,000 a year.

Gov. G. Mennen Williams recommended appropriation of \$1 million for parks this year. He'll be happy if they get \$900,000.

State park enthusiasts would also be happy with the big appropriation. They are disappointed that the Legislature has not taken any action on the lucrative Nakkula State Park bill. Sponsored by Rep. Walter G. Nakkula (R-Gladwin), the bill would do this:

All revenue received by the State from sale or lease of minerals on state owned land would be earmarked for capital improve-

ments of state parks.

The Conservation Department never knows how much it will get from year to year for parks. This year the appropriation will be high. Next year it may be cut back to \$300,000 or less.

Under the Nakkula bill, the Conservation Department could count on receiving about \$1 million a year for state park improvements. That's how much the general fund now gets from mineral rights.

Reported out favorably by the House Conservation Committee the bill was then referred to the Ways and Means Committee. It will probably die there. Members of the committee say it will be a minor miracle if the bill comes out at this late date.

This year's big appropriation will give the Conservation Department an opportunity to inaugurate its five-year capital outlay program for parks.

It calls for improvements totaling \$1,037,500 during the 1954-55 fiscal year. Improvements totaling \$2,787,000 have been blueprinted for next five years.

But the long-range program can fall flat on its face next year if the Legislature reduces appropriations for parks. The only way the program can be

carried out is with a fixed amount of money available each year.

"We have fared reasonably well during the last few years, but we are not keeping up with the demands for wholesome outdoor recreation for people of our state," says Arthur C. Elmer, chief of the Conservation Department's parks and recreation division.

"What we need more than anything else is a definite and continuing source of income for park development, maintenance and operation."

If it dies, the Nakkula bill probably will be introduced again next year. Its chances of becoming law should be much better then because lawmakers will have had a full year to think over the idea.

At first, several Ways and Means Committee members felt the bill would set up another restricted fund. But by the time their fears were soothed, it was late in the session.

Michigan has one of the finest systems of public parks in the country. But in order to maintain its leadership, it must continue to improve the present parks and add new recreation areas south of the Muskegon-Bay City line.

Ever expanding population in this

part of the state creates continuously growing needs.

More than 14 million persons visited state parks during 1953, according to official figures. Park attendance is expected to reach the 20 million mark by 1960.

"Good, clean outdoor recreation areas are just as important today as water, sewage and housing," says Mr. Elmer.

"There is nothing wrong with Michigan's park system that wise financing by the Legislature can't cure."

Charges by Auditor General John Martin, Jr. that conservation books are kept "with an amazing lack of accounting" will probably not ease the way for the department to get more money. Mr. Martin did not hint that there were "irregularities" and he did state that Conservation officials had responded to his suggestions for his improvement.

Conservation Director Gerald E. Eddy realizes that he must have a clean bill of financial health to remain in the line of "hopefuls" for bigger appropriations. He can be expected to put his house in order at the earliest possible moment.

BUICK PRESENTS A STUNNING NEW

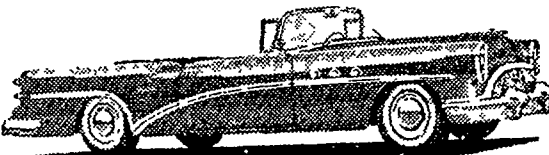

Spring Fashion Show

* Gay new cars * Fresh new colors * Smart new décors

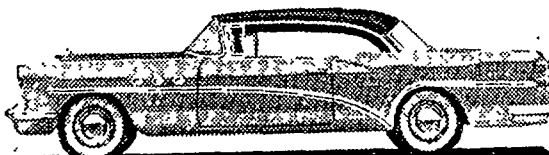

SLEEK NEW FASHION IN "HARD-
TOPS" is the brand-new, all-new
200 horsepower Buick CENTURY
Riviera shown here—with the look
of tomorrow that is in every '54
Buick today.

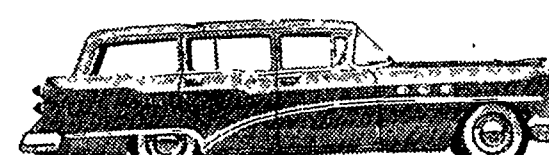

Now in the **SPECIAL** and **CENTURY** models!

New Convertibles Just Arriving!

New Rivieras First Time Available!

New Estate Wagons Now All-Steel Bodied!

BRIGHT NEW SPRING AND SUMMER COLORS!

Gulf Turquoise • Tunis Blue

Lido Green • Condor Yellow

Matador Red • Malibu Blue • Willow Green

—and many more, including fresh new two-tones!

**WE cordially invite you to a fashion showing
of a bright new springtime on wheels...**

To see the tomorrow-styled Buicks we have ready for you today—but now in airy new body styles never available before, and in fresh new summer colors never shown before.

For these are smart new Convertibles, handsome new "hardtop" Rivieras and new all-steel Estate Wagons ready for the first time in the budget-priced V8 SPECIAL models, and in the high-powered CENTURY models—and all with the ultramodern windshield design of sweepback pillars.

And these high-fashion beauties come in brilliant new summer colors—rich new hues that lift your spirits like a robin's spring song.

Come see our sampling of these rakish new cars and fresh new colors—and discover, in the doing, what beautiful buys these supremely powered, smoothly responsive Buicks are in every way.

NEWS NOTES FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX
Phone Northville 245-J

Novi School Champion Speller Martha Goodfellow, a fifth grade pupil in Mrs. French's class, won the school championship in the Detroit News Spelling Bee Friday, Mar. 26.

There were five contestants remaining when the word "brilliant" was presented. It was misspelled by Dennis Snow, seventh grade; Judy Wood, seventh grade; Michael Eby, fifth grade; and Carol Wendland, eighth grade; then Martha spelled the word correctly.

The four way tie for runner-up was broken when Dennis Snow was eliminated with the word "broach".

The three-way tie ended when Carol Wendland spelled the word "censor" correctly and became the official runner up.

Martha Goodfellow, 11, is the daughter of Mr. and Mrs. Clarence Goodfellow who reside at 44790 W. Twelve Mile Rd., had been sick two days prior to the spelling bee. She came to school Friday to be in the bee and came out triumphant but still not feeling well. Mrs. George Atkinson, superintendent, suggested that Martha call her mother and tell her the good news. She did call her mother but ask her to pick her up at school because she felt ill. Not until Mrs. Goodfellow arrived at the school did she know that her daughter was the champion.

Mr. and Mrs. Rudolph Wendland are the proud parents of the runner-up Carol Wendland. Carol comes from a family of winners. Last year Carol won the grade dictionary, making a total of ten dictionaries in the family. Three times some one in the family won the school championship and once in the district.

Martha will be a contestant in the district contest April 9 at

Milford. The second graders have some very interesting specimen of fish, snails and tadpoles in their aquarium.

The third grade has a new pupil, Mary Endarffer. Friday April 2, there will be no school. The teachers will be attending County Institute at Birmingham High school.

Plans are under way for the Novi School Fair to be held May 7. All parents and children, also all others, are urged to participate to make this affair a big success.

Hazel Moore enrolled in the fourth grade this week. She and her family moved to Walled Lake from Wayne.

Ruth Boldt has virus pneumonia and will be in the Sessions Hospital at Northville for several days longer.

SOCIAL NEWS

Mr. and Mrs. Alfred Gow were hosts to the members of their pinocle club Saturday evening at their home on Novi Rd. Mr. and Mrs. Russell Race, who have been on vacation in Florida, were again present completing the three tables as of usual. Ladies prizes went to Mrs. Luther Rix, Mrs. Howard Greer and Mrs. Ed Rix. Mens prizes were won by Russell Race, Ed Rix and L. C. Rix.

Mr. and Mrs. Roy Hammell and daughter Nancy and son John of California are visiting the latter's sister Mrs. Helen Stevenson.

Mr. and Mrs. Willis Miller are the parents of a new baby daughter born Saturday March 27th.

The Novi Union of the W.C.T.U. will meet this Thursday afternoon at the home of Mrs. Fred Garlick.

The Sunshine Club will have a get together next week at the home of Miss Marietta Gobel.

There will be a pot luck dinner at noon.

The Am-Vets had a very successful pancake supper at the Post Home, serving around 120. Chas. Trickey Jr. was the general chairman.

Last Tuesday evening representatives from several organizations and the Novi churches met to make plans for Chest X-rays April 20th from noon to 8 p.m. at the Township hall. The Novi Mothers Club will register all those who come for x-rays. For any other information call Mrs. Atkinson.

The Novi Country Slicks Girls 4 H Club will hold pre-achievement day Friday, Apr. 2 at the Novi Community Building. Other Girls 4H Clubs who will take part are, Nu-Ly-Wixs (New Hudson, South Lyon and Wixom), Busy Fingers (New Hudson) and Classy Clovers (Northville) who will supply the program, which consists of a dress review, talent show and square dancing. After which refreshments will be served.

Mr. and Mrs. Russell Button returned last week from a vacation in Florida. Mrs. Button had been with her sister, at Winter Park for a few weeks before her husband went down.

Funeral Services were held for Mrs. Anna Hallahan, Monday morning at Carson City. A great many Novi friends and neighbors attended. Mrs. Hallahan who has been ill for several months passed away at the home of her daughter, Mrs. George Atkinson Saturday morning March 27th.

Novi Rebekah Lodge initiated four new members at the regular meeting last Thursday night, Mar. 25. Degree Team party and practice will be Thursday night, Apr. 1. Independent Club will be at the Hall Wednesday, Apr. 7. Visitation will be at Fidelity Lodge Apr. 7.

GIRL SCOUT NEWS

Brownie Troop No. 493 met at Novi School Mar. 24 and took a trip to the Guntzville Taxidermy Shop. Transportation was furnished by Mrs. Louis Gombasy, Mrs. Robert Skellinger and Mrs. Bernice McCollum.

Brownie Troop No. 492 met at Novi School Mar. 24. They played games after which they all had treats.

Intermediate, Troop held their regular meeting at Novi School

Mar. 24. The girls turned in money for the cookie sale. Co-leader Pat Jackson taught the girls a new game based on bird study. Treats were cookies.

Senior Troop held regular meeting at the home of leader Pauline Bassett. Money turned in on cookie sales. Plans were made for the coming year following election of officers. The new officers are president, Jean Bassett; vice-president, Pat White; secretary, Nancy Brown; treasurer, Nadine Hayes; hall, Shirley Snow; scrapbook, Suzanne Mairs. Nadine was hostess for the evening.

The Novi Neighborhood Leaders meeting was held at Novi School Monday, Mar. 22. Plans were discussed for Day Camp. There is a need for workers at Day Camp so any mother who feels she can give some time to the project call Dora Eby at 1223-W1 for information. Plans were also made for Farmington-Novi Leaders club meeting to be held at the Community Building Monday, Apr. 5. All committee members are urged to attend. Pauline Bassett and Evelyn Tuck served coffee and donuts.

Anyone desiring additional cookies (girl scout), contact Bernice Harwood at 1327-M.

Cub Scout Program

All parents and friends are reminded of the Scoutorama taking place Apr. 3 from 2 until 9:30 at Farmington High School. Merit badge, demonstrations and displays are continuous until 9:30 except during the Cub Scout show at 3 and the Scout show at 7:45.

On Tuesday, Mar. 23, teachers and representatives of Mother's Club met to discuss a project on which they will be cooperating. Date of May 7 was set for Novi School Fair. Each room will participate in various ways, such as cake walk, white elephant, free time telling, fish pond, gift shop, cake walk, white elephant, free bingo, polioroid pictures, etc. There will be a small admission charge with plenty of door prizes. Mrs. Russell Taylor is general chairman.

AmVet Auxiliary News

Thirty delegates and guests were present at the Regional Tea held at Perry Kenner AmVet Hall Sunday, Mar. 28. Guests included Helen Rogers, state president; Gladys Zuk, junior vice president; Lucille Poviltz, region one director, and Gerry Bartlett, regional six director. Posts represented were Bemis Olson, GBU, Jimmy Day and Perry Kenner.

The Auxiliary held its regular meeting at the post home Mar. 16. In connection with the child welfare program of helping retarded children at Lapeer State Home and Training School, they had a special speaker from Detroit, President Ralph Faulk of the Lapeer Parents Association. To further the work in this project the auxiliary is still interested in collecting various articles such as discarded nylon hose, old jewelry, scraps of lumber for bird houses, yarn and crochet cotton (odds and ends), scraps of new material for doll clothes and all kinds of toys. If you have any of these articles please call Market 4-1456. During the business meeting the hospital chairman, Dorothy McDermid, reported on cancer pads completed, and recommended a subscription for a man's magazine to be sent to Marine Hospital. Doris Callan reported on regional meeting and read a request for \$15 to send an underprivileged child to camp this summer from Judge Moore of Probate Court. Meeting closed with refreshments served by Betty Sutton and her committee.

Village Marble Championship Starts April 21

A village-wide marble championship with a marble king and queen is planned for the Village of Northville by the Northville Recreation Committee. The grade school tournament will get under way Wednesday, Apr. 21 and the grade school championship will be played Thursday, Apr. 29 at 12 noon.

The Our Lady of Victory tournament will start right after the Easter vacation with the championship on Wednesday, Apr. 28. This is the first year for the marble tournament in the Catholic school and the boys and girls are looking forward to the event.

The Village of Northville championship will be an evening affair this year under the lights with the Boys Committee of the Northville Optimist Club in charge. The date of the finals will be Friday, Apr. 30 at 7 p.m.

A foolish idea a day keeps the mind working, at least. Most of the good things that come to individuals in life have to be paid for in some manner.

News Around Northville

Mr. and Mrs. Frank Sumner returned to Northville Monday, Mar. 22, after spending the winter with Mr. Sumner's sister, Mrs. Walter Williams of Batesville, Arkansas.

Mrs. Keith Burton, Northville grade school music supervisor, and Mary Lynn Schroeder, teacher of elementary music in Plymouth schools, spent Friday and Saturday in Chicago attending the Music Educators National convention.

Mrs. Laura Smith of Grace Avenue entertained friends from Ellsworth, Michigan, over the week end.

Miss Barbara Hodgson celebrated her ninth birthday March 26 by entertaining nine girl friends at a party. Those present were Joanne Malik, Sandra Ware, Stevie Slater, Christine Muller, Karen George, Lynn Speitz, Moella LaFevre, Carol Jones and Fern Kinnaman.

Clark's newly enlarged paint department has dozens of delightfully new paint colors for your spring painting.

Mrs. Mark Gardner of Randolph St. returned Monday after

spending the week-end with Mrs. E. A. Wilson in Flint.

Super Kemtone has 24 beautiful new colors for your spring decorating. Now available at Clark's.

Marcia Ann Rodocker, daughter of Mr. and Mrs. Robert Cummings of Grace St., celebrated her 12th birthday Monday, Mar. 29 at a family party.

Come in and see the new paint designs. Super Kemtone Appli-kay roller kit. Gambles.

Nancy Littell, who attends Carleton college in Minnesota, is home for spring vacation visiting her parents, Mr. and Mrs. James Littell of W. Seven Mile Rd. Before returning, Nancy and her parents are going up to their cottage on Lake Michigan for a week end.

David Lee, Peggy Price, Jim Whipple, Dick Gursell, Dick Coolman and Bob Irwin are home "between terms" from Michigan State College.

Billy Ferguson, five-year-old son of Mr. and Mrs. Clyde Ferguson of Maplewood Ave., is home from Sessions Hospital recuperating from an operation.

Mrs. Phillip Anderson of W. Eight Mile Rd. entertained 12 of her friends at a luncheon Tuesday.

The GREEN THUMB

by Paul Newton

Lawns covered with snow this week hardly make the subject of lawn care one of immediate importance. Nevertheless, it is the care which is given in early spring that pays dividends of lush green grass during hot dry summer days. Now is the time this care should be given, especially a good rolling to eliminate air-pockets around the grass roots caused by alternate freezing and thawing, followed by ap-

plication of a suitable fertilizer.

Suitable Fertilizer

The best lawn fertilizer is one that is high in nitrogen content, such as 10-6-4, meaning 10 parts nitrogen, 6 parts phosphorous and 4 parts potash. Such a fertilizer will produce strong stems and leaf growth. It should be applied three times during the season—in early April, again after an interval of six to eight weeks, and toward the close of the growing season in September. When purchasing prepared fertilizers it is important to note the chemical analysis on the bag. Usually given also are directions for its application, which in the case of a 10-6-4 formula is approximately 10 pounds per 1,000 square feet.

Shady Lawns Take More

Shady lawns require more fertilizer than those in the sun. Applications should be made monthly from April through September. In all cases, fertilizer should be put on when the lawn is dry, and then washed in by spraying immediately after it is applied.

If your dealer does not carry a 10-6-4 fertilizer other types can be substituted, but in different amounts as follows:

25 pounds of 4-12-4 or 4-12-8 per 1,000 square feet;
20 pounds of 5-10-5 or 6-12-4 per 1,000 square feet;
30 pounds of 3-12-12 or 3-18-9 per 1,000 square feet.

These substitutes which are low in nitrogen, should be followed with two applications of some organic nitrogenous fertilizer which can be broadcast on green grass (at recommended rates) without danger of burning the green foliage. The most commonly used organic fertilizers are Milorganite, Agrinote, soybean meal and cottonseed meal. These materials are applied at the rate of 20 pounds per 1,000 square feet about May 15 to June 1 and again August 15 to September 1.

Because clover is rich in nitrogen it is unnecessary to use a high nitrogen content fertilizer on lawns where it is desired to have a heavy stand of white clover. A desirable formula is 0-12-12, whose phosphorous and potash stimulate the white clover's growth, whereas a fertilizer rich in nitrogen would stimulate the

growth of aggressive grasses and retard the clover.

Lime Not Needed

Lime should be spread on lawns in Michigan only in exceptional circumstances. Michigan soil is on the alkaline side, and the constant watering of lawns with water which is rich in lime will generally take care of that need. Should there be any doubt about the acidity or alkalinity of your soil, send a sample of it to the local county agricultural agent, Mr. Bebesheimer in Wayne, Mich. for a soil analysis.

Lots of Water

Water is required in great quantities for a lawn. It is better to water the lawn to a depth of 6 to 8 inches twice a week than to water it every evening to a depth of a few inches. In the first method the roots will go down, in the second they will spread out to a shallow depth where they are easily injured by drought.

Mowing Height

Sunny lawns made up of Kentucky blue grass, red fescue and rough blue grass should be kept mowed to a height of one and one-half to two inches. Shady spots should be kept at a height of two to three inches. Grass that is allowed to grow six or eight inches before cutting loses the strength which should have gone into the roots.

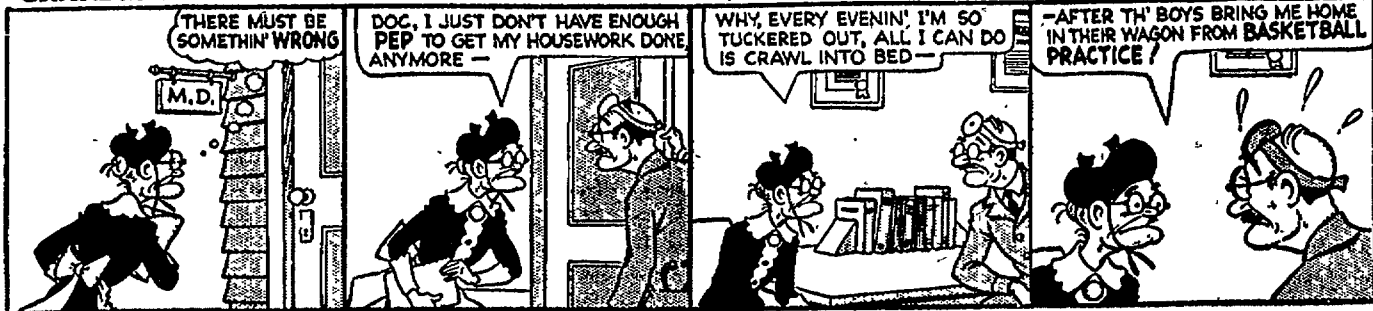

In a shady lawn it is best to mow less frequently. This allows the grass to grow to a greater height and manufacture plant food which is needed to combat the season of drought.

Seeding the bald spots in the lawn must be done no later than Apr. 1 so the roots may become well established before hot weather. Fall is a better time than spring for all lawn planting.

It is a common mistake to plant grass seed too thickly. The seeds germinate, but as soon as the little plants are one inch high they begin to vie for food and moisture and soon wilt and die. New seedlings must always have plenty of moisture.

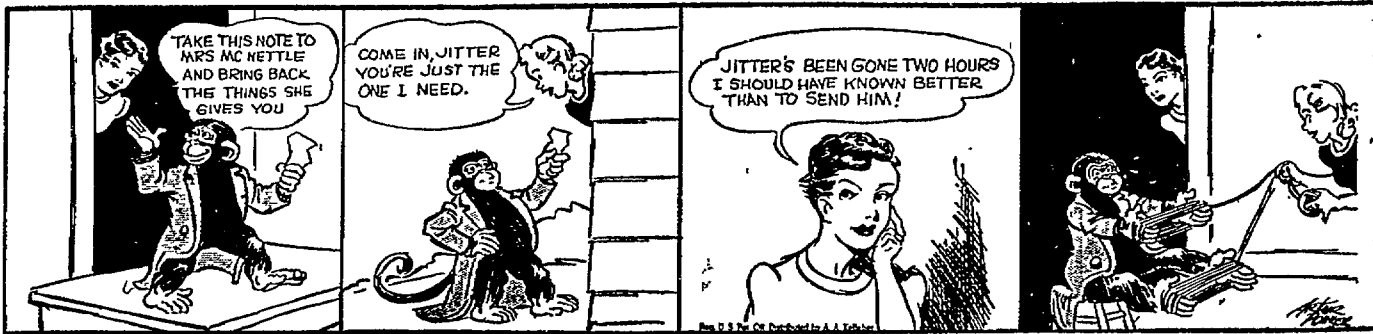

Dr. Chapman, of Michigan State College, advises the purchase of two types of grass seed, one mixture for the sunny portion of the lawn and a shady mixture for the areas on the north side of buildings and under shade trees.

New Citizens of Michigan

The Hungarian partridge, a rapid-flying little game bird, may someday develop into an important wildlife species in Michigan. Conservation department wildlife workers at least hope they will take to show those releases, made in the eastern upper peninsula recently. At upper left is a portrait of one of the 49 "Hunkies" received from southeastern Ontario, where the birds seem to be thriving in the wild. At upper right, an Air Force helicopter helps department workers spot good terrain west of Sault Ste Marie in which to release the birds. A particular type of cover was necessary in order that the birds might thrive. Lower left shows game worker Lloyd Schemenauer banding one of the birds before release and at lower right the birds explode out of their shipping crates and into their new home territory.

Dr. Charles F. Schuller, Director of the Audio-Visual Center at Michigan State College, and Charles A. Norford, head of on-campus services for the Center, observe a student demonstrating proper techniques of using the over-head transparency type of projector in a visual aids class. Instruction is part of an over-all program of the Center to provide services to the more than 45,000 Michigan teachers and other adult community organizations. The Center maintains a film rental library of 1,700 titles available to these groups.

The anxiety of some newspaper writers to present news leads them to publish friction.

CHRISTIAN SCIENCE CHURCHES

That the spiritual understanding which enables man to differentiate between the true and the false, is God bestowed and is unlimited by material heredity and

environment—is a leading point to be brought out at Christian Science services Sunday.
Selections from the King James Version of the Bible and correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy comprise the Lesson-Sermon entitled "Unreality."

Scriptural texts to be read include the following from James: "Every good gift and every perfect gift is from above, and cometh down from the Father of lights, with whom is no variableness, neither shadow of turning" (1:17).
Readings from Science and Health will include the following: "Spirit imparts the understanding which uplifts consciousness and leads into all truth...Understanding is the line of demarcation between the real and unreal...This understanding is not intellectual, is not the result of scholarly attainments; it is the reality of all things brought to light (505:16-17, 21-22, 26, 28).
The Golden Text is from Romans: "The night is far spent, the day is at hand: let us therefore cast off the works of darkness, and let us put on the armour of light" (13:12).

Second Methodist Conference To Be Held at MSC

BISHOP OXNAM

The Second Annual All-State Leadership Conference of Methodist Men will be held at the Michigan State College Auditorium, Apr. 10. The general theme for this meeting is "Methodist Men on the March." The program has been carefully planned by a committee including several laymen, Bishop Marshall R. Reed, Dr. Glenn Freye, and representatives of Michigan State College. The highlight of the one-day conference will be various discussion group meetings on pertinent topics important to Methodist men. There will be special music during the conference.

Two outstanding speakers have been obtained: Honorable Prentiss Brown of Detroit and Bishop E. Bromley Oxnam, Washington, D. C. Mr. Brown, former Senator and Chairman of the Board of the Detroit Edison Co. will speak on the theme "Why I Am For The Church."

Bishop G. Bromley Oxnam will give the closing address. He is a native of California, has been pastor, Theological professor and college president. As bishop of the Methodist Church since 1936 he has served on the Omaha, Boston, New York and Washington areas. He is an editor and author of 19 books and numerous articles on social, industrial and religious subjects. Lately accused of Communist activities by a member of the Congressional Committee, he asked to be heard and was completely exonerated by unanimous vote of the committee.

Over 1,000 Methodist men are expected to attend. The following men from the Northville church will be among the number: Russell Amerman, Donald Robinson, James McNeice, Drake Older, Paul Beard, D. J. Stark, Wilfred Becker, Robert Dearing, and Joe DeJohn. Rev. Ivan E. Hodgson may accompany the group.

Northville Couple at Chicago Meeting

Mr. and Mrs. Elroy V. Ellison spent last week in Chicago where Ellison, principal of the Northville High school, attended the annual meeting of the North Central Assn. of Colleges and Secondary schools which was held at the Palmer House. The theme of the convention was "Education's Responsibilities for Freedom."

A couple of the topics under discussion, which were particularly interesting, were "How can young men be assisted in developing long range goals in the face of impending military service?" and "Citizenship education for today's youth."

Northville Men's Shop BULLETIN BOARD

The Mizpah Circle of King's Daughters will hold their annual luncheon and bazaar April 29 at the Methodist Church House, Northville. Luncheon will be served from 11:30 to 1:30. Donations, \$1.00.

Sanctuary Choir Presents Cantata

Lenten musical vespers at the First Methodist church, Sunday evening at 7:30, will feature the Sanctuary choir in its presentation of the Cantata: "The Sermon on the Mount" by Shepherd. It will be directed by Mrs. Ivan E. Hodgson with Mrs. Richard Somers at the organ console. Solo parts will be sung by Margaret Sours and Jean Campbell, Mrs. Drake Older, Mrs. Wilfred Beaker and Mrs. Charles Strautz.

Also participating in the service will be the Carol and Harmony choirs.

Infant Dies at Livermore Home

Robin Lee Livermore, infant child of Mr. and Mrs. John Livermore, died at her home on 39640 W. Nine Mile Rd. Robin Lee was born Aug. 5, 1953 in Pontiac. Besides her parents, the baby is survived by two sisters, Margaret Ann and Patrice.

Funeral services will be held at the Casterline Funeral Home at 1 p.m., Friday with Dr. Harold Fredsell officiating. Burial will be at Plainfield cemetery, Gregory, Mich.

News From Salem

SOCIAL NEWS

Mr. and Mrs. William Wheeler of Holly were Wednesday evening callers at the A. C. Wheeler home. Wednesday afternoon callers at the Charles Stacey home were Mr. and Mrs. Ernest Evans of Plymouth.

The Federated Ladies Aid met Thursday, Mar. 25 at the A. F. White home on Five Mile Rd. A pot-luck dinner was served at noon. After the meeting we started work on nightgowns for the children at the sanatorium.

Mrs. Glenn Northrup is recovering from her operation. She is in Mt. Carmel Hospital.

Glenn Northrup has been staying at the Knowles Buehrs home from Wednesday until Sunday.

Mrs. Pauline Merritt is reported on the sick list.

Glenn Burnham came home from the hospital Friday.

Mr. and Mrs. Gilbert Alter were Saturday evening callers at the home of Mr. and Mrs. Alter in Lincoln Park.

Mr. and Mrs. Gilbert Alter will be guests at the Wally Geda home Monday, Mar. 29. Mr. Geda will celebrate his birthday.

Mr. and Mrs. C. E. Kincaid of Plymouth and Mrs. Pearl Green of Northville were Sunday afternoon callers at the George Bennett home.

Mrs. Elmer Bennett and Gale, and Mrs. Eleanor Tanner and Sharon were guests at a wedding shower for Miss Donna Steers held at the home of Mrs. Floyd Proctor at Grass Lake Sunday afternoon.

Upper Grade School News

The Salem Union School has bought a new movie projector and film strips and also dark shades. Miss Linda Atchinson was out to show us different film strips for our projector so we could choose the film strips that we wanted.

The upper grade room made poems and descriptions of the rainy day last Thursday.

Some activity groups are getting ready to report to Frank Gendron and parents on soil conservation Tuesday, Mar. 30.

Mrs. I. Faidherbe was ill Monday, Mar. 29. The lower grades had no school.

4-H News
4-H club members are finishing winter projects.

Achievement days are Apr. 6 and 7.

All winter projects must be completed and turned in to Robert Wilson by Apr. 3.

Men's Club Returns from Chicago Meet

The Men's Club of the First Presbyterian Church will have a dinner meeting on Monday, Apr. 5 at 6:30 p.m.

The officers of the Men's Club have just returned from a three-day meeting in Chicago, of the National Council of Presbyterian Men.

The national meeting was most instructive and stimulating and officers of the local chapter of the Men's Club have planned a real inspiring program.

For reservations for the dinner meeting telephone Joe Petrock at 999-R11 or William Davis, 1123-R.

CARD OF THANKS

We wish to thank our friends, neighbors, VFW and woman's auxiliary, also Blue Star Mothers and the fire department for their kindness during our recent fire. Chubb and Florence Konopaski and family

Roger Rathburn to Head Explorer Post

The new Boy Scout Explorers Post 731, sponsored by the American Legion, Post 147, held its first meeting Mar. 25. Officers elected for the coming year were as follows: senior crew leader, Roger Rathburn; scribe, Murray Lyke; crew leaders, Ronnie Detloff and Jimmy Strange; post advisor, former scoutmaster of Troop N-1, Monroe Weston, and assistant post advisor, Harold Wagenschultz.

The committee consists of the following: institutional representative, Paul Burnham; chairman, William Croll; committeemen as follows: Max Dillinback, Sr., Myran Lyke and Harry Sedan, Sr.

Middle age is that period in a man's life when he'll do anything to feel better except give up what's hurting him.

Livonia's Amazing Growth From Rural Area to Modern City Told in Booklet

A vividly illustrated booklet of interest to citizens of Northville, Southfield and other Detroit-area communities possessing city-state aspirations was distributed this week to each of Livonia's approximately 6,500 households.

The booklet, entitled "Livonia, USA," tells the story of the community's amazing transformation from rural township to modern industrial city in a span of less than four years. It is designed to acquaint both new and old residents with Livonia's colorful history, dating back to frontier days, and its ambitious planning for future development.

The booklet also explains how each branch and agency of the city government serves the people.

Highlighted in the Livonia story is the surging vitality of a city which took in stride a population jump from 18,000 to 37,000 since incorporation in February, 1950, and confidently looks forward to 100,000 residents by 1965.

The booklet points out how industrial expansion and residential development have kept step with the rapid tempo of population growth.

Refrigerator MOTORS by DELCO

When your refrigerator motor needs replacing, why not have us install a Delco. The choice of leading manufacturers because of their quiet operation, long life, peak performance and dependability. Delco builds a size and type for all makes.

\$15,000,000.

"On Sept. 13, a modern \$300,000 city hall was publicly dedicated. It was one of few city halls in American history, if not the only one, to be completely paid for on dedication day.

"In December, 1953, a new \$5,000,000 shopping center was opened at Plymouth and Farmington roads, and Michigan Bell Telephone Co. began construction of a \$400,000 exchange building in the city. "With equipment completely installed, the exchange building would be valued at \$2,500,000.

"By the end of 1953, Livonia's assessed valuation had reached a new high of \$64,000,000, and population also reached a new high of 37,000."

The final chapter of "Livonia, USA" sketches broad plans for the city's future development.

It points out that the city's master plan includes a proposed civic center; a thoroughfare plan; proposed park and school sites; regulations for subdivision development; the city's zoning ordinance and an off-street parking plan.

Elaborating the master plan, the booklet states:

"With the new city hall as its hub, the proposed civic center is projected for construction on a 22-acre site at Five Mile and Farmington roads. The completed center is expected to include a modern headquarters for police and fire departments, a public auditorium, a post office and a library.

"It is anticipated that a large shopping center will take shape around the civic center. Planned between the civic center and the shopping center is a paved parking lot with a capacity for 2,500 automobiles."

The master plan also calls "for a school and adjacent park in almost every square mile of the city. A 10-acre site has been designated for each school and an equivalent area for each adjoining park."

With faith in itself and plenty of elbow room for stretching out in all directions inside its 36 square miles, Livonia USA is a city that welcomes the future.

Junior Red Cross Collects \$88.42

Miss Ruth Knapp reports the receipts for the Junior Red Cross drive were: grade school, \$56.05, and high school, \$32.37—a total of \$88.42. For their participation in the drive, each room will receive a copy of the Junior Red Cross magazine.

FORREST F. PHILLIPS
CHARLES BAHNMILLER

Babson Says . . .

Roger W. Babson

Babson Discusses Unemployment Figures

Babson Park, Mass., I urge readers not to take too seriously the Federal Unemployment figures which are released the second week of each month. Until they are issued on a per-capita basis and properly adjusted, I believe them to be unreliable and misleading.

How Such Figures Are Guessed At

There are 63,000,000 employees (other than farmers) in these United States. Of these, only very few employees are interviewed. There are over 45,000,000 families in the United States. Of these, only 25,000 families are interviewed. Thus, it will be seen that to give out a figure of "3,385,000" is really ludicrous. It surely would be more logical to say about "3,400,000," and call it a "rough estimate."

The figures never show the real situation. When families are interviewed they report not only those who have been laid off, but many who are ill, or working at home, or perhaps too lazy to work. Recently, to help the Republicans get the farm vote, the coverage has been increased from 123 counties to 450 counties. This greatly increases the percentage of farm families included in the count. I forecast such figures will be found very unreliable as regards the status of those helpers who live on the farm, whether or not a salary is being paid them.

Politics Creep In Badly
When I was Director of information and Education of the Labor Administration, I tried to overcome the political slant. For instance, during the Truman Administration, the Republican families were constantly expecting a business collapse. Hence,

OTWELL HEATING & SUPPLY "The Best in Town, We Satisfy!"

Phone 1701-J
Day or Night
265 W. Ann Arbor Road
Plymouth

Reports, Department of Labor, Washington, D.C. Before leaving your present state to seek a job somewhere else, you should carefully read this Report by states.

What Latest Figures Show

The reported unemployment of the entire United States on February 13, 1954, was 3,385,000 by the standard Method, 3,671,000 by the new "C.I.O." Method. These both are based on a total population of about 161,350,000, but this population is increasing about 250,000 a month. This means that the unemployed, figured on a labor force of 63,000,000, is, on a per-capita basis, only two per cent of the entire population. This compares with about ten per cent unemployed in 1932. I severely criticize any of the Labor Department or Commerce Department (who are

the remains of a Democratic Bureau) for refusing to use the per capita figures. They are not only ignoring growth of the country, but may also be changing the method of compiling the figures, to please the C.I.O. This is like changing the rules of a game in the midst of a game. Furthermore, the increase reported under these new rules is largely based on the reported "unemployed" on a few farms, which is a very debatable figure.

Regarding your own state: Neither of the above figures for present total United States unemployment (the standard figure of 3,385,000, nor the C.I.O. figure of 3,671,000) can be broken down by states. Both are too much of

a guess. Moreover, of the present United States population of 161,350,000 about 12% are over 60 years of age and 6% are over 70 years of age. These figures differ greatly with different states. For this distribution of the age group, the Labor Department makes no adjustment. It thus will be seen that the whole business is guess work and should be corrected or suppressed. However, an unemployment of only 2% is nothing to worry about. Such a small percentage should give confidence and optimism for the 1954 Outlook.

Getting along amicably in life is largely a problem of getting along with people just about as good as you are.

HEADLINES OF SPRING

The winter of '53-'54 in Michigan has not been unkind to our wildlife, according to current surveys by our game biologists and sportsmen observers. Despite moderately heavy snows throughout the state our birds and mammals have been able to find sufficient food to come thru the season in excellent condition.

Deer Healthy

In the upper peninsula the deer herd "yarded" in many areas—especially the west end where snows were ranging two feet deep—or more. Most of the winter yards in that section are well supplied with cedar browse, so that we can expect no severe starvation factor to affect the animals. Deer continued to move through most of the remainder of Michigan, ranging for food. In spots where winter starvation has been evident heretofore—notably in the Mio district—sportsmen say deer are emerging in fair to good condition. A thorough search when snows have melted is not expected to produce a report of more than a normal number of dead animals.

Lack of Crust Important

Deep snows alone will not contribute seriously to wildlife hardship in

the winter. Alternate thawing and freezing, producing heavy unbreakable crusts is the weather that is the real killer. Ground food is then sealed in, and until the crust is thawed birds and animals alike must slowly starve. No real ice storms hit northern Michigan this year until very late in the season—and a quick thaw following this one removed the danger within 24 hours.

Pheasants In Record Supply

Reliable reports from the counties in which pheasant populations are found say that unprecedented numbers of hens and roosters are seen along highways and in fields. One Huron County resident counted more than 200 pheasants in a two-mile drive. The ratio of hens to roosters is normal—and expected broods of chicks, barring flooding rains, may bring us the best pheasant crop for fall shooting in Michigan's history!

In certain areas of southeastern Michigan unusually heavy concentrations of quail are apparent, too. Dog trainers constantly find big coveys—and we may be heading for the day when some pretty fair quail hunting will be added to the sportsmen's calendar in the Wolverine State!

"they sometimes have trouble getting their tails and bases under water."

Beavers are equipped well for aquatic life, he claims. Their ears and nostrils automatically close under water, and their lips close behind their large incisors, "so that they can chew while swimming—still working like beavers," Lawrence comments.

BOUNTIES FAIL—

Bounties, apparently, have failed their intended purpose of cutting predator numbers in Michigan, as game workers long ago pointed out would be the case. In 1935, bounties were paid on 27 wolves and 3028 coyotes. In 1953—after \$857,000 in bounties on the two species had been paid during intervening years—27 wolves were again bountied, along with 3148 coyotes.

With foxes, the story is a little different. Trappers and hunters received payments for 20,968 during 1948, first full year fox bounties were paid. Last year, after \$866,000 had been paid out during intervening years, 19,532 foxes were bountied.

Between 1935 and 1953, more than \$1,568,000 have been paid in bounties, game workers report.

TRAINED FISH—

Widespread interest will at-

tend the April 24 general trout season opening in Michigan when anglers will have their first try against "trained" hatchery-raised trout.

Large numbers of trout at Wolf Lake hatchery have been taught that the way to a long, happy life is to avoid predators and other pitfalls that often have meant the downfall of untrained fish.

In the past, trout were raised in ponds and greeted every shadow on the water as a promise of food.

One complaint about such fish was that they were too easy to catch. Also, tests showed that they did not, in general, increase trout productivity.

To lick these problems, the fish have been conditioned to feed at night, to avoid humans and bird predators and to live as they would have to under stream conditions. A number of the trained fish have been released in recent months in several lower peninsula streams.

Judy Leavenworth at Dog Training Demonstration

Judith Ann Leavenworth, and her Collie, Golden Laird of Bellhaven, was chosen as one of a group to represent the Sportsman Dog Training Club at a training demonstration held in Edgewood School in Taylor Township last Wednesday night. Several members and their dogs, entertained the Parent Teachers Association of that area.

Judith spends nearly all of her spare time either training dogs for Obedience Degrees or helping a the Dea-Haven Collie Kennels in Novi.

Girl Scout Leader Course Under Way

The Plymouth Girl Scout Council will hold a training course for leaders. The course began Tuesday, Mar. 30, and will continue for three consecutive Tuesdays. It will be given at Plymouth Cabin and all Northville candidates are welcome.

Any Northville candidates having small children may leave them free of charge at the Nursery school of Mrs. Eleanor Dethloff, 212 High St. The Northville Girl Scout Council will assume this expense.

EXTENSION LEADERS MEET

The latest news on cleaning agents will be discussed when leader of Home Economics Extension groups meet to study "Cleaning Agents". The meeting will be held Friday, April 23-9:30 A.M.-3 P.M. at Northville Library.

A race track is a place where windows clean people.

Radio writer returned to his suburban home the other day to find his seven-year-old son brawling with a contemporary, "You get away from me," the home-ground child was saying. "And you stay away, you-you-you SPONSOR."

Those who prefer long life might as well obey traffic regulations; the habit may not guarantee immunity from injury but it will help.

Son of Northville Man Wins Wrestling Title

Hank Henson, son of Webb Henson of Northville, received congratulations this week as the first state wrestling champion in the history of Berkley High school.

Henson won the 154-pound title in the state tournament finals held at Ann Arbor. To take the crown, he was victorious in three matches, and tied a fourth. The clincher was a 7 to 4 decision over a member of Lansing Eastern High school's state championship squad.

Michigan State Spring Classes Start April 5

East Lansing — Spring term classes, including the evening college, will begin at Michigan State college Apr. 5.

An estimated 13,300 students are expected to enroll and register for classwork Mar. 31 through Apr. 2 in MSC's regular term. An additional number of students and adults from the Central Michigan area will register the same dates for evening college work. Both terms will close on June 18.

Regular term enrollment is expected to show a slight but normal decline for the winter term.

Walled Lake Man Now In Germany

(Special to The Record)

Mannheim, Germany—Pvt. Roy C. Smith, 22, whose wife, Doloris, and parents, Mr. and Mrs. Roy G. Smith, live at 1811 E. Lake Dr., Walled Lake, has joined the 7th AAA Automatic Weapons Bn. in Mannheim, Germany.

His unit, part of the Seventh Army, helps form a strong cordon of American defense forces stretching across the U.S. Zone of Germany.

Pvt. Smith, a field wireman in Battery C, entered the Army in April, 1953. He was last stationed at Fort Hood, Tex., with the 141st Signal Co.

Girl Scout Camp Rally Is Planned

A Girl Scout camp rally will be held at 3:30 on Friday, Apr. 2 in the school lunch room. A representative from Ypsilanti, accompanied by Intermediate Scouts, will show pictures of Camp Cedar Lake and will lead the singing of camp songs.

All Girl Scouts, ten years of age and older, are urged to attend. Mothers of the girls should also attend, if possible, so that they may see for themselves the advantages Camp Cedar Lake offers.

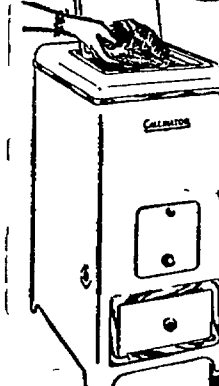

Any older girls who would like to become camp aides are invited to make themselves known at this rally.

895

It's enticing, it's a housecoat, it's an all day pleasure... it's what the busiest housewife will wear and look like a lady of leisure. Fashioned of willless Everglaze embossed cotton, it washes in a single sudsing, needs no ironing. Frosty lace outlines collar and pocket flaps of this short coachman coat, cinched at waistline with pearl buttons. In maize, copen. Sizes 12 to 18.

SUPER KEM-TONE

adds so much to a room...
yet costs so little!

\$5.45 GAL. Deep Colors \$5.69

It's the wall paint value of the century! Super Kem-Tone, the latex wall paint that flows on smoothly with either brush or Roller-Koater and will give you a "new" room in less than a day. A gallon will cover an average room and Super Kem-Tone dries to a tough, super-washable finish that actually resists wear. Choose today from more than a hundred lovely decorator-approved colors.

News from NORTHVILLE GIRL SCOUTS

Gathered by Janice Tuchelski

Troop 11—
Troop 11 met in the basement of the Catholic church. Half of the troop worked on their cooking badge but the meeting was mostly social, with games, etc.
Carol Ann Bensen, Scribe

Troop 12—
Troop 12 worked on the five knots they must learn for second class badges.
Carol Allen, Scribe

Troop 13—
Troop 13 planted bulbs and decorated the containers as a project for their second class ranks. They also played games and received cookies to sell.
Helen LaRose, Scribe

Troop 21—
Troop 21 divided into two groups—the Mustangs and Drag-nets. They sewed on their scouties. Mrs. Willing wants the girls to bring thread, needle and Scout books to the meetings.
Lou Ann Comer, Scribe

Troop 10—
Troop 10 received their year, world and some Scout pins. They also talked about their second class badge and worked on their badge.
Joanne Lessway, Scribe

Troop 8—
Troop 8 met at the home of Linda Smith. Mr. and Mrs. George Weiss came and showed films and slides of previous camping trips and outings.
Janice Tuchelski, Scribe

BROWNIES

Gathered by Mary Lovewell

Troop 18—
At the Monday meeting of Mrs. Willis' Brownies, the girls molded ash trays and figurines from clay. Before they made their goodnight circle, they shared the nibble box which Vicki Junod brought.
Sharon Beshear, Scribe

Troop 19—
Mrs. Shafer's Brownies planted narcissus and daffodil bulbs which were donated to them by Mrs. Kathern Thompson. After this, they worked on their Fun Books of pictures and games, which will be given to 19 "adopted" girls at Maybury Sanatorium. Dorothy Budd brought the nibble box.

Troop 6—
Mrs. Doub's Brownies cut out pictures and articles for their scrapbooks. The clean-up committee, consisting of Jill Rowland and Judy Shoner, were selected for a tea for the Brownies mothers.
Jill Rowland, Scribe

Troop 16—
These Brownies, under the leadership of Mrs. Cockins, are extending their good will to other less fortunate girls by preparing scrapbooks for girls at Maybury Sanatorium. They continued work on their towels and shared in the nibble box brought by Mrs. Morgridge.
Judy, Lonn, Scribe

Troop 15—
At the conclusion of their regular business meeting, Mrs. Handorf's Brownies were taken on a tour of the Northville Laundromat, where they were shown the washing, drying and ironing steps. This week's nibble box was brought by Shirley Custer for the troop.
Pam Kay, Scribe

Troop 17—
Mrs. Earl Collins', with Mrs. Lloyd Phillips as guest, and her Brownies went on a penny hike during their last meeting. This consists of taking a walk by flipping a coin (penny) at each corner to find the directions. Their Scout cookie sale resulted in a \$5.00 profit for the troop. Lynn Johnson donated the nibble box.
Mariora Manicka, Scribe

Troop 14—
Mrs. Parmenter's Brownies were pleasantly surprised at their last meeting by receiving, each, a copy of the standard Girl Scout handbook. These were purchased from the funds earned by the girls at the past Scout Fair. During the meeting the girls made green plastic covers for the books and imprinted them with a Girl Scout Trefoil. Their nibble box was brought by Mural LeFever.
Christine Muller, Scribe

A Communist has been described as a chap who borrows your pot to cook your goose.

DAR Pilgrim

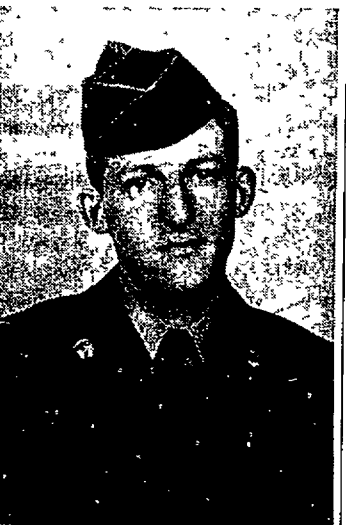

Jean Nieuwkoop, attractive and popular 18-year-old daughter of Rev. and Mrs. Peter Nieuwkoop, was selected the DAR Pilgrim of Northville High school for 1954. Along with all Michigan chapter award winners she attended the state convention in Battle Creek last Saturday where the good citizen for the state was selected.

The senior girls nominated three girls from their graduating class whom they felt exhibited outstanding qualities of good citizenship, leadership and character and the final selection was made by the Northville High school faculty.

Another former Northville student, Nancy Proctor, was selected the DAR Pilgrim of South Lyon High school.

CANCER PADS AVAILABLE
Cancer pads are available at her home, reports Mrs. Gladys Clark, 618 Carpenter St., cancer pad chairman, for anyone desiring to sew. She deeply appreciates the time and effort put forth by various organizations and individuals in Novi and Northville in sewing cancer pads and donating white cloth. However, more white cloth is urgently needed to keep up this good work.

Completes Course

PVT. TED MASTERS, 19, son of Mr. Vance Masters, 133 W. Dunlap St., Northville, has completed a course in automotive engine rebuilding at the Ordnance Automotive school at Atlanta, Ga.

682 Pounds of Clothing Collected for Child Care

A total of 682 pounds of clothing was collected in the recent "Save The Children" bundle drive, reports C. T. Pregitzer, Northville grade school principle. The clothing was packed in 27 bags which were shipped via northwest of the discovery well. Also ren Federation, Inc." in New York City. Supt. of Public Instruction Clair R. Taylor was chairman for Michigan Bundle Week.

Pregitzer expressed his appreciation for the cooperation and help given by the children and their parents in this drive to help clothe homeless children in other parts of the world.

Coleman Returns To Evans Products Co.

Ben Colman, for 24 years associated with the Evans Products Co. of Plymouth, has rejoined the company, Pres. E. S. Evans, Jr., has announced. Colman was loaned to the General American-Evans Co. three years ago to develop that subsidiary.

Colman will have assignments in connection with the program of expansion and development of the Evans Co.

The Boy Scout Troop N-1 started the meeting as usual with the pledge to the flag. After that we worked on knots until the meeting ended.

Dennis Ferguson, Scribe

Square Dance Fete Set for April 24

Plans are under way for the annual square dance festival to be held in the Plymouth High school gymnasium on the night of Apr. 24, Bob and Betty Carson, dance chairmen, announced Tuesday.

Many Northville lovers of the square dance will attend, and Beatrice Ware, of Northville, will be in charge of one of the sections of the Creative Arts exhibit, of which the dance will be a part.

Several guests callers will be present, and music will be by the Morrison Music Makers, a well-known trio of women whose specialty is playing for square dancing.

Northville members of the committee are: Gordon and Betty Hubbert, Sid and Marian Moase and Charles and Barbara George.

Susan Dewsbury Places First in Declamation Contest

Susan Dewsbury placed first in the Northville High school forensics contest Tuesday. Twenty-seven students originally entered this contest and after four preliminary meetings, the following ten were selected to participate in the finals: Carolyn Burkman, Betty Buckner, Ulinda Ely, James Mosher, Pat Hicks, Susan Dewsbury, Evelyn Clark, Donna Frisbie, Janice Howarth and Gail Lawrence.

Ulinda Ely captured second place and James Mosher placed third. Susan and Ulinda are now eligible to go to the district contest.

Swimming Tuesday for Boy Scouts

The Boy Scout swimming class will meet Tuesday at the Wayne County Training school at 7:30 p.m. The leaders would like more boys to take advantage of this opportunity. Rides to, and from school are provided. Boys who already know how to swim can enjoy an evening's recreation and boys who are learning receive expert instruction so let's have a good turnout next Tuesday.

Many Problems

(Continued from Page 1)

with allied problems of health, lunches, recreational facilities, etc.

Others May Arise

These would be the basic points for a committee to study, Emerson said, but there probably would be others that would come up.

R. H. Amerman, superintendent of the Northville schools, said that preliminary talks among members of the six districts involved were begun about a year ago. He pointed out that the findings of the new Citizens Study committee will be recommendations only, that the voters still will have to pass upon them.

"This is simply a fact-finding group," he declared. "We hope that it will determine the needs of this entire area for years to come, and present its findings to the voters so that appropriate action can be taken."

He said it was important that the Northville school board should know as soon as possible whether it would be expected to take care of students from the other districts in the future. He said Robert Coolman, president of the board, had so told a previous meeting of representatives of the six boards, saying that the Northville schools already were crowded. However, it would be disastrous if Northville built additional classrooms and then found that students from the other districts were going elsewhere.

Meet Twice a Month

Emerson suggested that the study committee meet twice a month until the study is complete. Similar studies in other areas have taken from 12 to 14 months.

Commenting on the study to be made, Paul Beard, member of the Novi No. 6 district board, said he believes the findings will be of benefit to the whole area.

"The study will reveal, we are sure," he declared, "the course we should follow in working out mutual school problems. As it is now, no one district is large enough to stand by itself. Through this survey we should be able to understand each other's needs better, and thus can arrive at conclusions that will be satisfactory to all."

Father of School Board Head Here Dies in Ludington

Robert Coolman, president of the Northville school board, was called to Ludington last week by the sudden illness and death of his father, Sydney S. Coolman. His father was 79 years of age and had been a resident of Ludington for over 35 years. He is survived by his wife, Maude; two daughters, Grace and Angie Coolman, and four sons, Robert, Harold, Lloyd and Lee. Funeral services were held Saturday in Ludington.

ADVICE FROM BEN FRANKLIN

"Never leave until tomorrow that which you can do today" is advice given by this man who had a keen understanding of the human nature's proneness to put off very important matters. People have heard these words many times and yet often times we hear of those who have waited too long and their opportunity is passed. Long before Uncle Ben said these words the Bible warned about the danger of delay. In Eccl. 9:10 we read "Whatsoever thy hand findeth to do, do it with thy might; for there is no work, nor device, nor knowledge, nor wisdom in the grave whither thou goest". What we would do must be done while we are living in this life. There will be no opportunity beyond the grave to rectify the sins of this life or to finish what we have left undone. Especially is this true about the matter of our personal salvation of which the Bible says so much. Many people who expected someday to settle the matter of their salvation in the near future never reached that convenient day. The tomorrow they were expecting never came. How fitting then the scripture says: "Behold, now is the accepted time, behold, now is the day of salvation". Don't put it off any longer—accept Him now.

Oil Operators

Continued from Front Page
this week on the Gowans farm, Chubb Rd. and Eight Mile Rd., to begin drilling operations.

C. W. Collins: On the Howell property, 48525 W. Eight Mile Rd. Rigging up to start the Howell-Walker No. 1 well. First half of the hole will be put down with a rotary drill and the second half with cable tools.

O. K. West: Moving in equipment to start the McDonald-Taft well on Eight Mile Rd.

W. C. Taggart: Now drilling the LeMaster's No. 2 well. This new well is located 660 feet northwest of the discovery well. Also drilling on J. P. Malley's Franfield Farm.

"Rate Your Town"

(Continued from Page 1)

Many of the 34 who gave an affirmative to Question No. 38: "All considered, do you regard Northville as a progressive community?" indicated by answers to the other questions that it has progressed far enough. Those who answered "No" invariably were somewhat critical of the village, and indicated they would like to see more streets paved, more housing, and up-to-date facilities.

Cites Obstacles

The question of paving came in for much discussion at the Optimist club meeting. Village Pres. C. R. Ely, commenting on the situation, pointed out to the members that there were a number of obstacles to surfacing additional streets and sidewalks. Others said they thought that the Village had done very well, considering its financial resources and lack of cooperation of some property owners. Ely said that some time ago when the Village commission announced it would defray one-third of the expense of new sidewalks, only two property owners responded. Ely also said it has been the village's policy to do paving on a "pay-as-you-go" basis, rather than to borrow money to do it later.

Approximately 16% of the cards sent to subscribers of The Record have been returned. Those who have not yet filled in the questionnaire are requested to do so this week. No signature nor postage is required, and frank and unbiased opinions are desired both by the Optimist club and The Record in the interest of community service.

A tabulation of initial returns follows:

	Yes	No
1. Most high school graduates stay in town.	19	92
2. Getting a loan on a sound business venture is easy.	46	51
3. The local paper constantly pushes civic improvements.	95	17
4. Local speeders pay the same fines as out-of-towners.	51	35
5. There's a place to swim, within easy reach.	42	67
6. Young couples have little trouble finding a place to live.	43	75
7. Town entrances are free from junk, shacks and billboards.	69	39
8. Teachers' salaries are better than the state average.	53	36
9. There's a library with a good collection of recent books.	73	11
10. Newcomers quickly feel they're part of the town.	46	45
11. Schools have plenty of room for students.	46	84
12. Fire insurance rates are low for your type of town.	50	14
13. Service, veterans' and women's clubs team up on projects.	60	25
14. There is an active, well-organized Boy Scout troop.	67	13
15. A modern hospital is within your trading area.	56	48
16. All streets are paved and sidewalks are in good shape.	31	94
17. Well-stocked stores keep shoppers in the town.	29	82
18. There's a hotel or motel you'd enjoy if you were a visitor.	34	103
19. It's easy to find parking space in the business area.	54	60
20. At least one restaurant serves outstanding meals.	53	50
21. The sewer extension program keeps pace with new housing.	52	47
22. It's easy to get volunteers for any worthwhile project.	50	49
23. Public toilets are provided for farm folk shopping in town.	9	96
24. Prompt, reasonably priced ambulance service is available.	92	16
25. Good zoning keeps factories away from residential areas.	83	19
26. There's an annual Clean-Up, Paint-Up, Fix-Up week.	42	55
27. Streets throughout the community are well lighted.	55	60
28. More than half the church congregations are younger than 40.	47	51
29. Shade trees line nearly all the streets.	101	21
30. There's an ample supply of good drinking water.	73	41
31. There's a recreation center where young people can dance.	47	61
32. The business section has a modern, prosperous look.	33	79
33. There's as much interest in local as national elections.	34	79
34. The tax rate is attractive to new industry.	55	36
35. There's a community council to guide town progress.	69	22
36. There's an active PTA.	99	8
37. Firemen must take regular training courses.	45	29
38. All considered, do you regard Northville as a progressive community?	34	79

VETERANS WHO ARE patients at the Northville State hospital will be able to spend many relaxing hours listening to radio music, talks and sports through the generosity of Mrs. Agnes Brown, Rosedale Park. Mrs. Oscar Hammond of Northville, rehabilitation chairman for the American Legion Auxiliary, Lloyd H. Green Unit No. 147, is shown presenting an armchair model radio to Dr. Philip N. Brown, medical superintendent of the hospital. The donation was in memory of Mrs. Brown's husband, William Chet Brown, who was active in un-American activities investigations, and was adjutant of the 17th District, American Legion, when he was killed in an automobile accident in Canada.

Northville Students Will Attend Model League of Nations

H. B. Smith, new president of the Rotary club and also a member of the Northville school faculty, is taking a group of students to Hillsdale, Apr. 2 and 3 to attend the model League of Nations Assembly. This is sponsored by Rotary International and is an annual event that is always eagerly anticipated by the Northville club.

The students selected for this trip are Bruce Felker, Karl Hoffman, Mary Lovewell and Gayle Ashburn.

Zoning Board Okays 4-Family Structure

Approval of the proposal of George Clark, Northville hardware man, to erect a four-family apartment house at Griswold and Butler streets was granted Monday night by the Northville Zoning board.

The proposal now goes to the Village commission for final action.

- LEGALS -

STATE OF MICHIGAN
County of Wayne,
ss. 414,243

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Nineteenth day of March, in the year one thousand nine hundred and fifty-four.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of AUGUSTA FOSS, also known as AUGUSTA FOSS, Deceased.

On reading and filing the petition of Lena E. Hammond, executrix of the last will and testament of said deceased, praying that this Court construe the last will and testament of said deceased, and instruct said petitioner as to the disposition of the assets of said estate; and having rendered in said matter her first and final account in said matter praying that the residue of said estate be assigned in accordance with the provisions of said last will as determined by this Court:

It is ordered, That the twenty-second day of April, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

James H. Sexton, Judge of Probate

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated March 19, 1954

Nicholas Balcoff
Deputy Probate Register
44-46

Arthritis?

I have been wonderfully blessed in being restored to active life after being crippled in life every joint in my body and with muscular soreness from head to foot. I had Rheumatoid Arthritis and other forms of Rheumatism, hands deformed and my ankles were set.

Limited space prohibits telling you more here but if you will write me I will reply at once and tell you how I received this wonderful relief.
