\$2.50 Per Year in Advance

Appointments of Village Officers Given Approval

The Northville Village commission unanimously approved appointments to various Village offices and committees which were submitted by Pres. C. N. Ely at the regular commission meeting Monday night.

Most of the appointments were, in effect, reappointments, except for committee designations of the two new commissioners, E. C. Welch and Earl L. Reed, and Oscar Hammond as civil defense chairman.

The appointments follow: Chief of Police, Joseph Denton; police sergeant, Gil W. Glasson; Public Works Supt., Herman Hartner; Public Works assistant, Lewis Clark; Health Officer, Dr. V. George Chabut; Village Attorney, Philip R. Ogilvie; caretaker, Arnold Teshka; Fire Chief, William McGee; Asst. Commissioner of Police, John F. Stubenvoll.

Finance committee, John F. Stubenvoll, chairman, and Earl L. Reed; Public Works committee, A. Malcolm Allen, chairman, and F. Alton Peters; Recreation committee, Comm. E. C. Welch, R.H. Amerman, Robert Coolman, Lynn Sullivan, Toni Bongiovanni—representing township, Mollie Lawrence and R.D. Merriam.

Co-ordinating Council, E. C. Welch; Civil Defense, Oscar Hammond, chairman, and Comm. Earl L. Reed; Community Building committee, F. Alton Peters, A. Malcolm Allen, Wilson Funk, Lynn Sullivan; Board of Review, Garrett Barry, Levi M. Eaton; Mayor pro tem, Comm. John F. Stubenvoll.

Zoning Board of Appeals: three-year term, Elmer DeKay, chairman, Mollie Lawrence, Lawrence LeFevre; two-year term, Ernest Wilsher, Harry German, Arthur Schnute; one-year term, James Green, A. C. Carlson.

Planning Commission: three-year term, T. R. Carrington, chairman, Harry Wagenschütz, Charles Murphy; two-year term, George Zerbel, Ernest Ebert, Carl Ely; one-year term, Preston Fuller, Joseph Hoehl.

PTA Carnival Is Set for May 7

Various organizations and clubs in the community are busy planning their activities for the annual Northville PTA carnival to be held Friday, May 7 in the grade and high schools.

The merchants and business people of Northville have been most generous in their donations for the event and these donations are being displayed in the store windows.

Pony rides, weight-guessing, candy booth and a midway are again features of the carnival. Refreshments will be available; hot dogs, ice cream and cake, coffee. A variety of entertainment will be offered as it has in past years.

Sunday Open House at VFW Hall

The VFW Post and Auxiliary will hold their annual installation of officers Sunday at 2 p.m. This meeting will be open to the public and lunch will be served following the installation proceedings.

City Status for Northville Seen As Aid To Program of Repairing Sidewalks

If Northville possessed the status of a city, the sidewalk program could move along more smoothly, Village Pres. C. N. Ely intimated in response to a citizen's query at the commission meeting Monday night.

John Canterbury, of S. Wing St., appeared at the meeting to inquire into delays in repairing sidewalks and paving streets. He said a program had been set up a year ago, but nothing had been done about it.

"Something should be done about our street program," he said. "If the commission would only get behind it—it needs a little push."

Pres. Ely pointed out that while the paving of Wing, Fairbrook

MRS. H. M. ATCHISON is the new president of the Northville Women's club. She succeeds Mrs. Fred Van Atta.

Building Code Requested for Novi Township

Adoption of a standard building code for Novi township to keep pace with the anticipated growth of the area was urged at the annual meeting of Novi township Monday afternoon.

The proposal was made to Supt. Frazer W. Staman by James Erwin, who remarked: "When you see some of the buildings being erected—we need a building code. If we are more strict on our building, the growth of Novi may not be as fast, but it will be better. Fast growth is not always desirable."

Erwin said that if the growth of population in the township is as great "as some say it will be, then we're going to need some restrictions, and fast."

He declared there already had been considerable criticism of the lack of building standards by newcomers who had bought houses in recent months, and then found that their new homes were below standard.

"I'm afraid that some of these subdivisions already started, and those to be started, can get by with anything," he said.

In the discussion that followed mention was made of the desirability of restricting the size of building lots to a minimum of 9,000 square feet, with a 60-foot frontage. Another suggestion made was to consider making Novi into a city, and possibly absorbing Northville, instead of the other way around, but this was laughed off and it was decided that the building code should be brought up at a regular meeting of the township board after consideration by the zoning board.

Supt. Staman said that the last census showed a total of 4,086 persons in the township, but that the population growth since then had been increasing in proportion to the rest of the area. He said he hoped there would be a census again in 1955, and believes it will show a considerable increase. (No federal census, however, is due until 1960.)

Estimated valuation of Novi township was given as \$7,117,125, an increase of \$888,570.

Novi Township's 1954-55 Budget Set At \$37,200

Novi township's budget for the 1954-1955 fiscal year was set at \$37,200 at the annual township meeting held in the Novi offices Monday.

The meeting was sparsely attended, with only the township officers, four citizens and an automobile salesman from Northville present. The salesman blundered into the meeting seeking to promote a trade-in involving a pickup truck parked outside.

Supt. Frazer W. Staman presided at the meeting, and presented the following budget:

Expenses: salaries, \$10,000; general expenses, \$9,000; electricity, \$1,400; fire protection, \$3,000; police \$8,400; highways, \$5,000, elections \$400.

Anticipated revenue: intangible tax, \$5,700; state sales tax, \$28,000; liquor tax, \$2,850; building permits, \$500—total, \$37,050.

The township financial statement revealed receipts into the general fund of \$56,491, including \$27,784 in sales tax rebates from the state and \$2,842 taxes rebated by the State Liquor Control Commission. All money received into the general fund was disbursed, \$37,442 being transferred to the contingent fund from which operating expenses are paid, \$14,926 was paid out to schools and \$4,111 was paid to the Novi park fund.

Contingent fund receipts totaled \$38,673 and expenditures were \$34,683, leaving a surplus for the year of \$3,989. This brought the contingent fund balance at the close of the fiscal year to \$30,129.

The township's total school tax levy for 1953 was \$177,808, of which \$21,483 was delinquent at the date of the report.

Novi AmVets Post Host to Rally

AmVets posts of Region Six, including Novi, Royal Oak, Pontiac, Berkley, Drayton Plains, Oak Park and Keego Harbor, will join forces in giving a banquet in honor of National Commander Henry J. Mahady at 6 p.m. Saturday, April 10 in the Novi Community Building.

The banquet will highlight a two-day rally of AmVets from Region Six, and others from out-state, with the Perry Kenner No. 76 Post, Novi, acting as host at

Henry J. Mahady

its clubhouse located at Meadowbrook and Ten Mile Rds. Mahady was elected National Commander of AmVets at the ninth annual convention in Indianapolis Sept. 6, 1953.

Included in the two-day function will be the State Executive Committee meeting which will convene on April 10 at 1 p.m. in Novi. The family style banquet in the evening will be followed by a dance in the Perry Kenner No. 76 club house.

Department Commander Charles Trickey and Region Six Commander Leo Harwood teamed up to make the key arrangements with AmVets posts for the rally.

Whopping Cough Increases

Whooping cough is on the increase in Michigan, Dr. Albert E. Heustis, state health commissioner, reports, in advising vaccination for all children under five years of age.

HAROLD H. BLACKETT has been named Eminent Commander of Northville Commandery No. 39, Knights Templar. He and other new officers will be installed at public rites Saturday evening.

Masonic Lodge to Install Officers

Harold H. Blackett will be installed as Eminent Commander of Northville Commandery No. 39 during public installation rites at Northville Masonic Temple on Saturday evening, April 10 at 8 p.m. This will be the 69th annual installation of officers of this local Commandery of Knights Templar.

Other officers to be installed are Lawrence W. Matthews, generalissimo; G. Louis Balch, captain general; Edwin M. Seife, senior warden; Cecil E. Fehrline, junior warden; Herbert Rayner, prelate; Robert F. Coolman, treasurer; C. R. Van Valkenburgh, recorder; R. J. Livingston, St. bearer; Harry F. Hartman, Sw. bearer; Arlin Gallagher, warden; Ward A. Cook, sentinel; G. Louis Balch, member to Masonic Temple Association; R. Kenneth Thorpe, first guard; Haig Kakushian, second guard, and Edwin D. Scott, third guard.

Alexander Wood is the retiring commander.

Northville Commandery during its long existence has been actively engaged in perpetuating the ideals of Templar Masonry and has become an integral part of the fraternal and social life of Northville.

Don Severance New President of Optimist Club

Don Severance was elected as president of the Optimist club at their annual election meeting last night. Other officers elected were William S. Milne, vice-president; Max Austin, vice-president; Al Skow, secretary, and Drake Older, treasurer.

Initial School Study Meeting Scheduled

The initial meeting of the Citizens' School Study committee which will make a year-long survey to determine the needs of the six school districts in the Northville area was scheduled to be held last night at the Novi school house.

On the agenda of the meeting, according to R. H. Amerman, superintendent of the Northville schools, was the election of permanent officers, organization of the committee, setting of meeting dates, and other matters pertaining to the study.

Red Cross Drive Goes Over The Top

Northville's Red Cross drive has gone over the top. Red Cross officials reported Tuesday, closing day for the 1954 campaign. The goal was \$1,200.

Those who have been late with their contributions are asked to send them to Mrs. Clifford Winter, 230 N. Rogers.

Softball Meeting Tuesday, Apr. 13

There will be a meeting of softball enthusiasts next Tuesday, April 13 at 7:30 at the Scout building. Any managers, or players, who are interested, please appear at this meeting so we can get organized early in the season.

Village Taxes To Increase

Proposed 1954-55 Northville Budget

General Fund	Approp. 1953-54	Expend. 1953-54	Proposed 1954-55
Administration	\$ 11,500.00	\$ 11,673.16	\$ 12,925.00

GENERAL FUND - Spread on Tax Roll 1954-55 \$ 90,750.00

Northville Township Officials Will Receive Higher Salaries In 1954

Modest increases in salaries for Northville township officials and a recommendation by Supervisor Mollie Lawrence that the township's tax rate continue at one mill per \$1,000 were the highlights of an almost unattended annual township meeting last Monday, April 5.

Only five Northville township residents, exclusive of the township officials, attended the meeting. They were Village President Claude N. Ely and Mrs. Ely, Mrs. Fred Lyke, Leo Lawrence and a reporter for the Northville Record.

Township officials in attendance were Supervisor Mollie Lawrence, Clerk Fred Lyke, Treasurer Roy Terrill, Trustee Ralph L. Hay and Justice E. M. Bogart.

Mrs. Lawrence discussed the township's finance and recommended a one mill tax rate again in 1954 as being sufficient to defray township expenses. The local levy supplements revenue from the state in the form of rebated sales, liquor and intangible taxes, she explained.

Treasurer Terrill explained that the township's financial statement was not ready to present to the meeting because of delay in receiving the delinquent tax roll from the county treasurer's office. It will be ready within a week, he said, and is to be advertised in the Northville Record next week so residents may study it. In a summarized report he stated that the township's total receipts for the fiscal year were

\$53,017 and disbursements were \$49,123, leaving a surplus of \$3,894.

A motion by Justice Bogart to raise the pay of the supervisor, clerk and treasurer by \$50 per month, and of the trustees to \$20 (Continued on Page 10)

Legislature Ready to Adjourn Session

Lansing—Legislative adjournment is scheduled for this week-end with Republican law-makers struggling to balance the budget for the fiscal year beginning July 1.

The possibility that the budget may be unbalanced arose when the Civil Service Commission ordered a salary increase which will add approximately \$6,000,000 a year to state payrolls. Finance committees of both houses are carefully balancing appropriations to bring them within estimated revenues.

New Sweet Shop to Have Grand Opening

Northville's newest business enterprise will begin operation today when Paul's Sweet Shop, on 144 E. Main St., will formally open its doors.

Grand opening ceremonies will run through Saturday, and the shop will feature dairy products, ice cream, lunches and candies.

Paul F. and Mamie D. Folino are the proprietors.

Boost of 19 Per Cent Is Planned In New Budget

A 19 per cent increase in taxes for residents of the Village of Northville was forecast Monday night when the finance committee presented a proposed budget calling for \$90,750 in taxes at the regular meeting of the Village commission.

The budget calls for total expenditures of \$237,750 for the fiscal year, of which \$90,750 would be raised by taxation and \$147,000 would come from rebates of state sales, intangibles and liquor taxes, parking meters, receipts from racing, etc.

Village, Township Officers Get Raise

Salaried and hourly employees of the Village of Northville, and officials of Northville township will receive modest increases in pay under budgets proposed at meetings Monday.

Village salaried officers would receive \$100 more annually, and hourly employees 10 cents per hour additional. Township officials are to receive \$600 more annually if the budget is approved.

Sound Drubbing Administered To Livonia's Mayor

A coalition of citizens' groups administered a sound drubbing to Livonia's incumbent municipal administration in a city election Monday, sending Mayor Harry S. Wolfe down to defeat and installing Elbert M. Hartom, a poultry raiser, in his stead. In all, 8,008 votes were cast.

Hartom, headin the Municipal Monitors ticket, formed five months ago in protest against handling of sewage and water problems and alleged closed meetings, polled nearly 1,000 votes more than Wolfe. Wolfe had been active in Livonia officialdom for the past 18 years.

A second casualty was William J. Taylor, member of the council since Livonia assumed the status of a city in 1950. Taylor polled only 1,770 votes.

The results of the voting: mayor, Hartom, 3,619; Wolfe, 2,732, and Harold A. Bower 1,589.

Clerk: Mrs. Clark, 3,259; Mrs. Agnes Klessig, 3,143; Sidney T. Eder, 1,260.

Treasurer: Carl J. Wagenschütz, (incumbent), 6,334.

Council: John T. Daugherty, 3,418; Rudolph R. Kleiner, 3,278; David Jones, 3,069; W. W. Edgar (incumbent), 2,668, and Harry R. Killam, 2,570. A number of other council aspirants were listed, but lost decisively.

Justice: Leo O. Nye (incumbent), 4,122; William N. Ponder, 2,067, and Donald C. Doremo, 1,549.

Constables: Ray Owens, 4,847; and Charles Walker, 4,137; John M. Miller, 2,882.

Drilling Begins On Three New Oil Wells

Three new oil wells started this week, bringing the total for the area to 14.

The William Albers Co. moved

A public hearing on the budget will be held at 8 p.m. Apr. 19, at which time protests or complaints will be heard. This hearing is required by law to be held 14 days from the date of the first presentation.

Comm. John F. Stubenvoll, chairman of the finance committee composed of himself and Comm. Earl L. Reed, said in presenting the budget that the increase is necessary to provide approximately \$15,000 more than last year to defray the cost of additional obligations incurred.

He cited some of these as: a new police car; pay raises for employees; new sanding and salting equipment; \$1,000 for spraying the Village's beautiful elm trees against the Dutch elm disease; curb and gutter work on Rogers, Linden and Dubur streets; and \$1,000 for renovation of the public parking lot adjoining the new Northville Community building, and \$35,000 to complete the community building.

Stubenvoll said that he anticipated returns from the state sales tax will be less next year, due to decreases in business transactions. Parking meter revenue should be more, since additional meters have been installed, but this would not offset the decrease in sales tax revenue. The amount of sales taxes received last year was \$23,522. This was \$3,522 more than anticipated. For 1954-55, the expected return is \$22,000.

The tax rate, Stubenvoll explained, will be kept at approximately the same figure as last year—\$14.90 per \$1,000. Under existing law, the rate cannot exceed \$15 per \$1,000, but an additional mill will not produce the desired revenue. Thus, the valuation must be increased for all Northville property.

The amount of the increase cannot be determined by the assessor, the commissioner said, until after approval of the budget. When the assessor is given the approved figures following the public hearing Apr. 19, he will then begin re-assessment work. This is expected to be completed some time in May.

in on the south side of Eight Mile Rd., between Napier and Chubb roads.

Evans Oil Co. of Mt. Pleasant, is drilling on Merritt farm on east side of Napier, between Seven and Eight Mile roads. Drilling is being done by Harry Roberts, drilling contractor of Mt. Pleasant, with rotary rig.

W. L. Taggart moving in on the Seven and Eight, and adjoining Maybury Sanatorium property. Drilling is being done with rotary rig.

Payment of \$17,500 for Seven Mile Road Cut-off Is Deferred for Year

Payment of \$17,500 to the Wayne County Road Comm., representing the balance due from the Village of Northville for the Seven Mile Rd. cut-off, has been deferred until September, 1955.

This was announced at the meeting of the Village commission Monday night. The money was to have been paid next September, but because work on the cut-off—supposed to have been begun last summer—has not yet been started, the Wayne county commission agreed to the deferment. Twenty thousand dollars already has been paid, according to Village Clerk Mary Alexander.

Members of the Northville high school history class were interested spectators at Monday evening's meeting, and took many notes to be used in their studies.

Pres. C. N. Ely introduced members of the commission and village officials present, for the benefit of the students.

The commission received a communication from the Spagnuolo family asking the right to park trucks in the alley behind its property at 113 E. Main St. in return for an easement which would permit the alley to be widened. Comm. John Stubenvoll asked if there would be enough room for fire equipment to get by if necessary, and upon being assured that there was, moved that the request be granted.

In other actions the commission: Approved a motion by Comm (Continued on Page 10)

The Descent Is Easy

The Administration has about decided that Indo-China will not be allowed to fall into Communist hands—whatever the cost. That is the substance of Mr. Cromley's dispatch from Washington yesterday, and it is supported both by other reports on State Department thinking and by the tenor of Secretary Dulles' speech on Monday evening.

Now it is one thing to appreciate the value of Indo-China to the Western world and to recognize the dimensions of the loss should it fall into hostile hands. It is something else again to go on to the conclusion that its value is so stupendous it must be held no matter what the circumstances or what the cost.

To act upon this conclusion could very well lead the U.S. step by step so deeply into the jungle of Indo-China that we would become prisoners of past commitments and lose all our freedom of action, to our sorrow.

So long as we think in terms of measuring the value of Indo-China—and its value is indeed great—we have some basis for reckoning what our efforts should be. But once we adopt the view that it is worth any cost whatsoever, then we can find no limit on what we should do in particular circumstances. One measure, being inadequate,

leads to another. If the cost is no longer a factor, there is no stopping place.

There are some disturbing signs already of this progression. The U.S. at this moment paying nearly eighty per cent of the cost of French resistance in Indo-China. As the French have grown more and more reluctant to carry on, the U.S. has been drawn more and more into that war. And the French, it is quite plain, grow more reluctant still.

Washington reports are that the Administration now talks of throwing in all the planes and supplies that are needed to win the current battles. If that fails, there is talk of a naval blockade and a call to the United Nations to bolster units now fighting in Indo-China. The last U.N. army consisted mostly of U.S. fighting troops.

It is not our purpose here to argue that these particular measures ought not to be taken. The threat there is very grave and the U.S. should certainly be resolute in its support of the French as they fight against Communist aggression.

But the descent into another frustrating and paralyzing fringe war could be all too easy if we do not watch our going. We should constantly bear in mind how difficult is the return.

—Wall Street Journal, Apr. 1, 1954

"The trouble with so many conferences is that they're meetings at which people talk about things they should be doing!"

vented with still other miracle-producing chemicals added—MR-2; XCL; DR-3; TRI-44; and maybe ETC. How come all of a sudden they've discovered so many wonder-working ingredients?

Maybe this scene in a prominent advertising agency will help you understand.

Account Executive: "Gad, J.G., Conserambulated Oil has come out with a new gasoline. It'll revolutionize the industry. They have added CA-9 to it."

J. G. "CA-9? What's that?" A.E. "I dunno. Probably nine drops of carbonated water to each gallon."

J.G. "Pulling a fast one on us, eh? Well, we'll add 30 drops. Call it—er—ah PAP. Parafinated Aqua Pura. PAP-30. That's it! That'll fix 'em!"

Or take soap. A. E. "Say, D.B., 'Rocker and Bramble are advertising their new soap as getting clothes whiter than NEW! We've got to do something to counteract that, or we're finished."

D.B. "H'm. Well, let's add—er—zodum to ours. That'll make clothes whiter than WHITE!"

A.E. Admiringly "D.B., you are a genius. Why didn't I think of that?"

Cigarettes with Di-GL; motor oil with Extrinol; gargle with Mi-1—everything has to have something added, or it's no good. Not that this is something new.

Scene in Garden of Eden: Eve: "Adam, honey, take a bite of this apple."

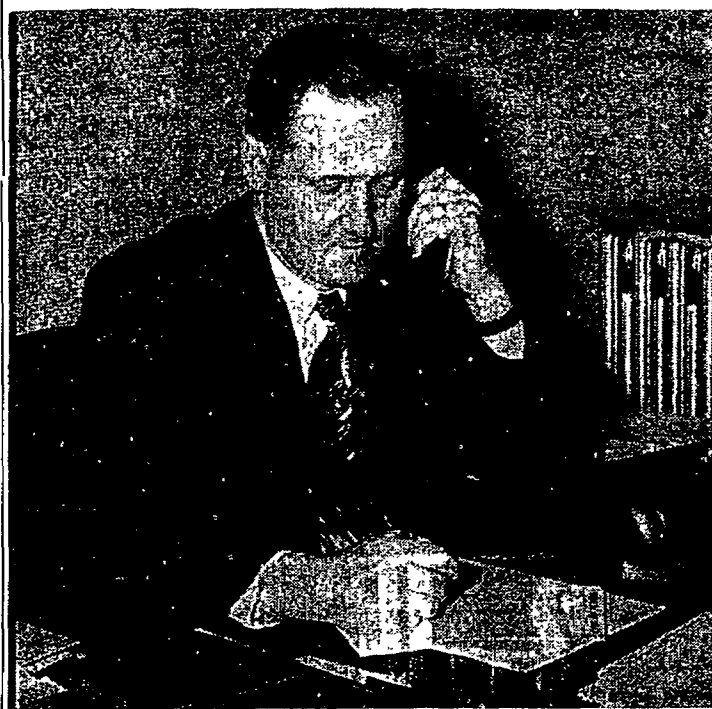

Adam: (smacking lips) "Say, what's this? Gives a man new perspective!"

Eve: (archly) "That's no ordinary apple, Adam honey. It has S.A. added."

Curtain. Maybe you noticed how this column sparkles, how every word stands out with unusual clarity and force. That's because the ink used has ExTM added—extra-thiomarginate.

THE VILLAGE --- AT WORK

A Visit With Your Neighbors On the Job

Engineers are a dime a dozen to Atty. Philip Ogilvie. Not that he has anything in particular against engineers. It's just that after starting out to be an engineer himself, he decided that an engineering career was not for him, so he switched to law.

Now he is well established in Northville, where he hung out his shingle almost four years ago when he moved to this community from Detroit to become associated with the law office of Cliff Hill at that time they took over the law office of Cliff Hill. At that time they took over the automobile accident in 1950.

Phil was born and raised in Detroit where he attended Lawrence Tech., Detroit Institute of Technology and Detroit College of Law graduating in 1949 with a degree of Doctor of Jurisprudence. In his earlier years he attended Henry Ford trade school in order to get his education and earn his way at the same time.

He was in the Navy 20 months and very nearly covered the United States in his various transfers, such as Washington, D.C., Ft. Lauderdale, Fla., Chicago, Oklahoma and Nashville, Tenn. Each time he was due to be transferred he asked for sea duty and each time he was sent inland to some other state but never fulfilled his desire to go to sea as his grandfather had.

The Ogilvie's have a new home, which they bought a year ago, and one daughter, Janet Karen, aged three and a half.

Boys Hunt Injuns, Police Confiscate Their Artillery

Police confiscated two air rifles and severely reprimanded two Northville boys who set out, heavily armed, to free the community of certain dastardly renegades and redskins known (apparently only to them) to be lying in ambush along Northville streets.

When caught by police, the two boys had just finished polishing off six street lamps disguised as marauding redskins, and had put holes through a number of storm windows.

Police Chief Joseph E. Denton said he had talked with the parents of the boys, and had warned them that the Detroit Edison Co. might expect them to pay for the damage. He called upon other parents of Northville boys to curb adventurous tendencies and to caution their offspring that destructiveness would lead only to trouble—and maybe the proverbial woodshed.

For Free Listing (Courtesy Northville Men's Shop) Apply to the Northville Record not later than 5:00 p.m., Tuesday.

STILL TIME TO GET THAT EASTER SUIT

NORTHVILLE MEN'S SHOP MEN'S WEAR — BLANKETS

Off Hand --- --- And Casual Like

by John Stone

Ever stop to think that this is indeed the age of miracles?

We don't mean such minor miracles as radio, the steam locomotive, television or the newly announced plane that will take off straight up and land vice versa. Those are more commonplace miracles, to be shrugged off as run-of-the-mill, every day occur-

rences. What we marvel at specifically is the multitude of products made better, more palatable or attractive by the addition of mysterious substances no one ever thought of before. Life certainly has changed.

Look around any Northville gasoline emporium, food store or other business establishment. You'll be amazed at the number of products there are that have been improved far beyond the originator's wildest dreams.

If the advertising boys haven't been pulling our collective leg, no self-respecting citizen would be caught dead with an ordinary toothpaste nowadays. If it doesn't have Gardum, GL 117 or some such labeled substance in it, then you're behind the times. You may not know what GL 117 stands for, but it's there. The manufacturer says so, and if you don't want your molars to be pitted like a battlefield, and your incisors to

fall out, you'd better give up ordinary toothpastes.

You just don't know whom to believe any more. One instant coffee ad says it is composed of hollow flavor buds. Another counters: "Huh! Ours are solid—no stale air trapped inside". We'll defy any coffee drinker to tell the difference.

The gasoline you have been putting in your car for years has undergone a miraculous change. It used to be that all you needed to make your car go was a volatile fluid that would explode in the cylinders, thereby imparting power to the rear wheels. Now you've got to have gasoline with TCP—at two cents more per gallon—or your motor is apt to give up the ghost. But TCP, whatever that is, is not the only power additive that will make your jalopy kick up its heels.

Take a look around Northville, Novi, Farmington, Walled Lake or any other locality where they still have gas stations (some day you may be able to buy a tiny capsule of concentrated gasoline at a drug store.) You'll see other gasolines ad-

Guess how much is
enough to cover your
next hospital bill!

☐ \$10 A DAY? ☐ \$30 A DAY?
☐ \$20 A DAY? ☐ \$40 A DAY?

THE FACT IS, there just isn't any way of predicting a hospital bill. Yet, when you can't tell how much a hospital bill will be, how can you be sure your family is adequately protected?

And think of how important adequate protection is... with one in every three families facing a hospital bill each year!

Would you feel adequately protected if the hospital services you needed were to cost \$25 a day or more... yet, to pay for these services, your protection allowed you only \$10, \$15, or some other limited amount per day?

On the other hand, wouldn't you feel adequately protected if you knew that in case of illness, you'd be automatically entitled to needed hospital services themselves? This is the Blue Cross ideal.

Not for profit, Blue Cross is the only organization for hospital care officially approved by the American Hospital Association. Over 3,000,000 Michigan people have Blue Cross. Chances are, your neighbor has it. See if he doesn't agree that there is no finer protection at any price!

Hospital Service Protection... the Blue Cross way

When you become a member of a Blue Cross Group it is like becoming the "owner" of a wide range of hospital services... such as bed and board, expensive extras like oxygen, drugs and medicines, operating room and so forth. Blue Cross hospital service benefits apply at over 200 Blue Cross participating hospitals in Michigan alone. And every enrolled member in your family is entitled to the same protection.

Doctor Bill Protection... the Blue Shield way

There is no problem of unpredictable cost, however, when it comes to paying doctor bills.

Because, in almost every case, your doctor can tell you beforehand what his charge will be. The thing he can't tell you, however, is when you are going to need his services. So, against that need, Blue Shield offers a smart way to take doctor bills in your stride.

Blue Shield offers two basic plans—one, a straight surgical plan, the other, a medical-surgical plan. Under either plan, Blue Shield pays generous, specific amounts directly to your doctor for thousands of surgical procedures, including maternity care. And in non-surgical cases, under the medical-surgical plan, Blue Shield also pays liberal amounts for your doctor's visits to you in the hospital. Often the doctor's full bill is covered.

The cost is low

For only pennies per day, Blue Cross - Blue Shield entitle you to the most complete protection against hospital and medical bills it is possible to obtain. One way you can help keep the cost low is by using Blue Cross - Blue Shield only when necessary. Please do not ask your doctor to put you in the hospital for diagnostic treatment which could just as easily be performed in his office.

How to get Blue Cross - Blue Shield

Ask your employer or your union representative how you can get low-cost Group Enrollment. A company with as few as 5 employees may qualify as a group. Check your Farm Bureau. Write or phone your nearest Blue Cross - Blue Shield office.

BLUE CROSS - BLUE SHIELD
Michigan Hospital Service - Michigan Medical Service
234 State Street, Detroit 26

Blue Cross-Blue Shield have more
Michigan members than all other plans combined!

NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT
Phone Farmington 1461-M

Thursday, March 25th, in the Oakwood Hospital, Dearborn, an 8 lb. 9 oz. son, Randolph Michael, was born to Mr. and Mrs. James Sparr, of W. 8 Mi. Rd. Mother and son are now home and doing nicely.

Mr. and Mrs. Lee Galloway, from Garden City were Sunday dinner guests of their aunt, Mrs. Walter Rehahn, on Mayfield Ave.

While her husband is busy in northern Michigan, Mrs. Don Masters and her son David, from Wyandotte, are spending a week or two with Mrs. Master's parents, Mr. and Mrs. Ed Grant, of Farmington Rd.

Mrs. A. R. Oldham of Farmington Rd. and Mrs. M. E. Ault, of Mayfield Ave., were Monday attendants at a meeting of their Rug Club held at the home of Mrs. Ethel Schroeder, over on the Nine Mile Rd.

Sally and Janet Grant, of Farmington Rd. were last Sunday guests of their sister, Mrs. Harry Ray, in Northville.

During the recent Red Cross drive, the district canvassed by

Mrs. Arthur Muir practically headed the list. Mrs. Muir visited neighbors in her own subdivision. Mrs. Austin Ault, Brentwood Ave., has been suffering from severe leg burns received when a cup of scalding tea was accidentally spilled in her home ten days ago.

Miss Marie Bolyard, of Hubbard Ave., was a Sunday guest of her sister, Mrs. Robert Young, near Farmington, Mr. and Mrs. Young and their two children recently returned from a few months stay in Florida.

Honoring the 6th birthday of her eldest daughter, Barbara, Mrs. Charles Koski entertained at her home on Farmington Rd. Saturday afternoon, Mar. 27. Barbara's little playmates of the neighborhood were guests. There were the usual features and a happy time was had by all.

Twelve girl friends were guests at a very lovely 12th birthday celebration honoring Miss Marion Johnson, eldest daughter of the Edwin Johnsons, Clarita Ave., held at the Johnson home Saturday afternoon, the 27th. A pretty luncheon was a feature. Miss Johnson received a number of beautiful gifts.

Little Miss Linda Muir, of Shadyside Ave., was on the sick list most of this week.

Mrs. Russell Ault and her daughter, Shirley, of Shadyside Ave., were visitors in Northville Monday.

Kenneth Shaw and his daughter, Beverly, of Mayfield Ave., have both been on the sick list. Robbie, eldest son of Mr. and

Mrs. E. C. Imonen, Hubbard Ave., has been ill.

Janet, youngest daughter of Mr. and Mrs. Herman Schult, Shadyside Ave., has been ill with flu for this past week.

Mrs. A. R. Oldham, of Farmington Rd. and Mrs. M. E. Ault, of Mayfield Ave., were in Oxford Thursday attending an all day meeting of the Oakland Co. Eastern Star Association. Both ladies came home with attractive door prizes.

Miss Shirley Ault, of Shadyside Ave., was a visitor at the Flower Show in Detroit Thursday night. Mr. and Mrs. Austin Ault, of Brentwood Ave., and Mr. and Mrs. Clinton Ault, of Mayfield Ave., were all Thursday night dinner guests of Mr. and Mrs. Loren Read, in South Lyon.

Neighborhood Sunshine Sisters held their regular meeting in Neighborhood Church last Wednesday afternoon. Ten were present. "A Fool" was the devotional topic. Some special activities for April were planned. In evidence at this get-together were several "April Fool" parcels for Secret Pals. This added much merriment to the occasion. Mrs. Stanley Chavey served refreshments. The next Sunshine meeting will be held in Neighborhood Church on Wednesday, April 14th and "Easter" will be the topic.

A few ladies of the neighborhood dropped in at the home of the Misses Lora and Freda Ault, Norfolk Ave. Thursday evening and enjoyed a Cosmopolitan Party.

Mrs. Nelson Cameron, from Redford, was in charge.

After several days illness, Miss Ann Marie Wallman, of Mayfield Ave., returned to school Friday.

At her home on Farmington Rd. last Saturday evening, Miss Patricia Baldwin informally entertained a group of her young friends.

From this area on Thursday Mrs. Cecil Willet, Mrs. Bob Dickieson, Mrs. Arthur Muir, Mrs. V. C. Reddy and Mrs. Brashear attended a luncheon at the International Institute in Detroit. The menu was Roumanian in character. An interesting demonstration was given of methods for preparing dishes served.

Stanley Chavey, son of the Chaveys, on Mayfield Ave., and who for some time has been with the U. S. Navy at Norfolk, Va., has been transferred to a base in Rhode Island.

Miss Shirley Sandau, of Hubbard Ave., is reported quite ill. A group of her little friends called at the home of Karen Narsavage, Hubbard Ave., last Monday evening and tendered her a 6th birthday celebration. There were games, refreshments and gifts. All had a happy time.

Whooping cough has invaded the family of Clarence Bowman, Parker Ave.

Kathleen, two year old daughter of Mr. and Mrs. George Cooke, Albion Ave., is ill with measles.

Mrs. Grace Simpson, Mayfield Ave., is ill with an eye and throat infection.

Honoring the second birthday of her son, Tommy, and also the second birthday of Forrest II, son of Mr. and Mrs. Forrest Ault, Hubbard Ave., Mrs. Robert Kellogg gave a beautiful luncheon party at her home on Hubbard Ave. Wednesday, March 31st. Guests were Mrs. Arthur Gotts and her young son, from Northville, Mrs. Stuart Shaffer and her infant son, from Detroit; Mrs. Arthur Muir, Mrs. V. C. Reddy, Mrs. Louis Jennings and her daughter Cynthia, and Mrs. Forrest Ault and her son, Forrest; from Livonia. The honored young gentlemen exchanged some very handsome gifts.

Miss Patty Schult, Shadyside Ave., had a tonsillitis attack this week.

Indications are that the April pick up by trucks from the Goodwill Industries will be far more gratifying than in the last few months. At the time of this writing, as many persons from this vicinity have already called in requesting collection of discarded goods for February and March together. This is good evidence of the fact that housewives are seriously tackling spring housecleaning.

Mrs. Mildred Seyfarth, of Hubbard Ave., is entertaining guests from Pennsylvania.

Freda Ault, Norfolk Ave., visited in Harper Hospital, Detroit, Friday.

Mrs. Purser, of Farmington Rd., and Mrs. James Maynard, of Shadyside Ave., visited in Detroit Monday.

Mr. and Mrs. Robert Laughman and their son, Billy, who have been guests for a week of Mrs. Laughman's parents, Mr. and Mrs. Ernest Tallman, Mayfield Ave., returned to their home in Mishawaka, Ind., Friday. On the way they expected to stop and call on relatives in Jackson. Shortly the Laughmans will return to Michigan and expect to establish a new residence somewhere in this locality.

At the home of his parents, Mr. and Mrs. Forrest Ault, Hubbard Ave., a family dinner party Friday evening honored the second birthday of Forrest Ault II.

Mrs. Claude Centers, Westmore Ave., and Mrs. Howard Palmer, Shadyside Ave., had luncheon together in Detroit Friday and at-

Home Owners Not Alert to Danger of Elm Disease

Judging by requests made by owners of elm trees for spraying this spring to prevent infestation with the dreaded Dutch elm disease, individuals prefer to run the risk of losing their elms to taking steps to protect them, according to John Miller, proprietor of Green Ridge Nurseries. Miller is under contract to spray elm trees on Village property and, at the suggestion of the Village Commission, will make arrangements to spray privately-owned trees at the same time.

Since this service was announced only a few home owners have inquired about it. Miller plans to start spraying about April 15 and will do the entire job in three or four days. Anyone wishing to make arrangements for the service should do so immediately.

tended a theater performance. Mrs. William Griffith and her daughter, Cathie, from Dearborn, were last Saturday evening guests of the Misses Lora and Freda Ault, of Norfolk Ave.

Mrs. Charles Koski, of Farmington Rd., has taken a position as nurse in the Mental Hospital, near Northville.

Denny and Donna Shelman, who were orphaned by an auto crash last Feb. 6th left last Sunday for Jackson, where, for a time, they will be with relatives. Mrs. Russell Ault, Shadyside Ave., who has been ill with a serious flu attack, is somewhat improved.

Mr. and Mrs. George W. Sandau, Hubbard Ave., were recent guests of East Detroit friends sponsoring a dance party.

Arthur Muir, Shadyside Ave., has been suffering with a sprained ankle.

Easter Lily Day Next Saturday

Village President Claude N. Ely has proclaimed Apr. 10 as "Easter Lily Day", to be observed by the sale of paper Easter lilies on the streets of Northville from 10 a.m. to 4 p.m.

Mrs. Ida Cooke, chairman, will conduct the lily sale as she has done for a number of years for the benefit of crippled children during the annual Easter Seal campaign.

She will be assisted by a host of young boys and girls wearing arm bands and carrying baskets of Easter lilies to distribute among the shoppers.

The little paper lilies are made by homebound handicapped men and women who have no other way of earning a livelihood. All lilies for the local sale are made in Michigan.

Contributions received by the young workers will go to help support the services of the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults.

Northville shoppers donated \$113 to last year's sale and more contributions are hoped for this year so that the Chapter can add more services as funds permit.

When Mr. Ely issued his proclamation he stated it seemed fitting that a special day be set aside for the benefit of crippled children, at which time all citizens could avail themselves of the opportunity to support this humanitarian cause in their own individual way.

Easter Seal chairman, John Miller, reports contributions are being received from the 2,500 appeals letters mailed at the opening of this month-long drive.

As the 1954 campaign enters its final week, Mr. Miller, urged the people of Northville to mail

Easter's Date Set 1629 Years Ago, Says Astronomer

Ann Arbor, Apr. 7—Highlight of April, astronomically speaking, will be the arrival of Easter on Apr. 18, states a University of Michigan astronomer, Associate Prof. Hazel M. Losh.

According to Prof. Losh, the formula for finding the fluctuating date of Easter was decreed first by the Council of Nicaea in 325 A.D.

At that time, churchmen decided that Easter would fall on the first Sunday after the 14th day of the month following Mar. 21. This should be a day of a nearly full moon, she explained, but if the moon should be completely full, Easter would be the next Sunday.

She points out that the churchmen decided on this formula for both historical and practical reasons, giving pilgrims the light of the full moon for their travels. But the widely fluctuating date, from Mar. 22 to Apr. 25, causes much upset in present day habits and observances, she adds.

Prof. Losh claims that those advocating calendar reform propose Apr. 8, or the second Sunday of April, as a definite holiday date. This year, she continues, the astronomical full moon occurs at 12:48 a.m., E.S.T., on Apr. 18. Therefore it falls in some parts of the world on Easter and in others on the previous day.

Prof. Joseph T. Cox, Michigan State College Extension specialist in landscaping architecture, addressed 65 leaders of the Wayne County Home Demonstration Extension Service at the American Legion Hall in Northville last week. His subject was "Doorway Flowers and Landscaping Your Yard." Emma DuBord, Wayne County Demonstration Agent, was chairman of the meeting.

LONG DISTANCE calls now cost you less

Recent reduction in federal excise tax means a worth-while saving on every Long Distance call

The reduction in the excise tax from 25% to 10%, voted by Congress, is good news for Long Distance users.

It means that every Long Distance call you make—to anywhere in the country—now will cost you less than it did before April 1.

Long Distance rates remain the same. What you save is the difference between the old and the new tax.

Now it costs you even less to keep in touch by telephone.

LOCAL SERVICE ALSO COSTS LESS
Excise tax reduced from 15% to 10%

MICHIGAN BELL TELEPHONE COMPANY

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

Morals, money and medical care, all matters of basic importance to Michigan family life, have been under consideration at this session of the Legislature.

Most spectacular issue was the McCune bill, designed to censor beer and wine advertising on TV. Explosiveness of this issue was demonstrated by the frantic handling it received in the House of Representatives. The bill was killed by the House Liquor Committee. At the last minute, after thousands of letters from church and temperance groups swamped the House, it was suddenly revived and put out for a vote.

After much hedging and many letters on both sides of the beer-TV issue, Representatives passed

the proposal. The House, in relieving itself of immense pressure on this controversy, merely turned them in the direction of the Senate.

The McCune bill died in Senate Committee by a one vote margin—but only with the understanding that a resolution would be forthcoming in its place. This is to "serve notice" to the beer industry that it faces legislative regulation next year if its TV commercials are not redesigned.

Far from settled is the liquor question. More will be heard of it before next year. At least two Michigan counties, Hillsdale and Ottawa, will be voting this fall on a complete ban of alcoholic beverages.

Edgar C. Prettyman, executive secretary of the Michigan Temperance Foundation and a leading supporter of the McCune bill, referred to the legislative battle as "a shot in the arm for our campaigns." "People everywhere, including many so-called 'wets,' are fed up with the behavior of the liquor industry," he said, "and unless the liquor people get its house in order, prohibition will come back."

Defeat by a two to one vote was predicted by James D. Dorsch, executive director of the

Michigan Table Top Congress, who stated that the dry issue would fail. The Table Toppers is a group of tavern representatives. Mr. Dorsch claims that the McCune controversy benefited the group "because it brought to the public just what the Temperance Foundation methods are." "It's only a name," he charged. "Their real aim is total prohibition—we'll beat it handily."

Several counties will go dry within the next 10 years predicted Dr. Prettyman, who pointed to six Michigan counties already dry on Sunday. They are Isabella, Tuscola, Oceana, Muskegon, Ottawa and Newaygo.

The prohibition issue was defeated at the polls in three counties since 1933: Branch, Barry and Lapeer.

Few situations are so distressing to a family as the need of medical care and the inability to locate a doctor. A House resolution requesting an investigation into the Basic Science regulation as it relates to the shortage of doctors has been under consideration in a House Committee.

Introduced by Rep. Ben E. Lohman of Allegan, the proposal would provide a committee of five representatives which would submit a report for the next session of the Legislature. Its aim is to determine if present law permits the state to utilize all available medical skill—not to consider a change in present medical requirement standards says Rep. Lohman.

Fate of this proposal will not be known until last days of the session since it is then that the Resolutions Committee usually reports out resolutions. Adrian deBoon, Owosso, is chairman of that group.

Probably more bitter words were exchanged on the Legislative floor about unemployment benefits than about any other subject this year.

This is a matter that concerns every household faced with loss of income should the "breadwinner" be laid off or released from his job.

Final outcome on this matter may not be decided until the last day of the session. There has been talk that recess or more time might be required to settle the issue, but a great attempt will be made to conclude by the April 9 date.

Biggest fights about unemployment compensation developed within the ranks of the Republicans themselves. Democrats took great delight in the wrangling and in the threat Gov. Williams has maintained over the GOP.

The argument concerns the amount that should be allowed each week; details of eligibility to receive claims. Although Michigan's rates are considered to be among the highest in the nation, there is strong pressure to increase them. Present rate here is \$27 per week, up to \$41 with dependents. Ohio pays \$30 and \$35. Average payment in Indiana is \$24 per week. Kentucky pays \$28, nothing extra for dependents.

Strength in the Governor's position is the possibility that he might veto a bill containing payments too low to suit him; then call a special session of the Legislature. With a full campaign coming up, politicians want to be home as much as possible drumming up votes.

A second thought that gives Republican leaders cold chills is Williams' threat to make an unemployment formula part of the Constitution by proposing an amendment at the fall election. This would encourage many voters, presumably Democratic, to visit the polls. And while they were voting for the Williams proposal, it can be assumed that they would vote for many Democratic candidates.

Both chambers stuck their necks out. The Senate passed the Teahen sponsored unemployment bill, which was described by opponents as "written by big business" and "full of gimmicks."

The House junked this bill and came up with one of its own which omits some controversial points and sets higher minimums: \$30 per week for 26 weeks; \$43 for a man with four or more children.

Wisdom and fairness of the legislature in dealing with these

Trout Season Coming Up

Lansing, Apr. 7—Anglers, the time draws nigh.

Streams in 25 counties will open to rainbow trout fishing on Apr. 10 in the annual extended season, conservation fisheries workers point out.

The season is set by law to open the second Saturday in April and gives trout fishermen a chance to limber their casting arm before the general game fish seasons open, this year on Apr. 24.

All Michigan's Great Lakes waters also will be open during the season.

problems of alcoholic beverages, medical care and money for jobless workers, all of which have such a direct bearing on family life, is likely to be considered by family people a standard for the way lawmakers deal with other problems more remote from the home.

Here's fun for the gang! Smooth bowling on well-conditioned and maintained alleys. No wonder old friends make this their "fun-night" headquarters.

Northville Center Recreation

Michigan Deer Herd Still Very Large

Lansing, Apr. 7—Indications that Michigan's special deer seasons have not reduced total herd numbers by more than a small dent came this week from the Baldwin and Gladwin areas.

In the old Gladwin "Refuge", open to hunting for many years, hunters shot off 32 deer per square mile during the three-day 1952 special season.

Last fall, however, hunting was limited once again to bucks only

and game workers now report the refuge again overpopulated with deer using heavy cover more than in the winter of 1952-53.

In the Baldwin district, game workers have kept a tally of highway road kills during the last five years. In 1949, automobiles killed 44 deer in highway accidents in the area, 82 were killed in 1950 and 103 in 1951. For 1952, the total was 111 and last year 92 were killed.

Field men emphasize that these totals are unimportant except to indicate an abundance of deer in the area.

A real newspaper is what the first syllable of its name implies.

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Philip R. Ogilvie was appointed village attorney by village president, C. E. Langfield.

Donald Foster, known to many villagers as "Peanuts", took over the proprietorship of the Cottage Inn.

The proposal to make North-

ville a city lost at the polls Apr. 6. From the Orange and Black school news: "Beverly Wood is a stewardess with Eastern Airlines. Dave Pottinger was awarded the bronze star for meritorious service in Korea."

FIVE YEARS AGO—

New self-service Laundromat,

owned and operated by Harvey and Richard Ritchie, opened for business with 12 Westinghouse automatic washing machines. The Northville Business and Professional Women's club celebrated its first birthday.

Five hundred dollars was received in the local Easter Seal drive. Half of the money remains in the village to care for crippled children.

W. L. Couze of W. Seven Mile Rd. was one of the principal speakers at the 21st annual banquet of the Michigan Road Builders Assoc. in Grand Rapids.

TEN YEARS AGO—

F. Alden Shaw, president of the Detroit Country Day School, was elected president of the Private School Assoc. of the Central States at a meeting in Chicago.

Mrs. L. M. Eaton and Mrs. T. R. Carrington of the Northville canteen group and Mrs. Ernest Wood of the nursing corps, assisted with the Red Cross blood bank in Dearborn on Tuesday.

Northville girl scouts are taking complete charge of salvaging grease in the community for the war effort.

Harvey Guntzville of Taft Rd. wrote his parents that he expects to return home early in May. Harvey has been overseas two years.

TWENTY YEARS AGO—

The family of Mr. and Mrs. J. N. McLaughlin with their children, Jack, Tom, Nan and Pat, moved into the home in Oakwood subdivision, owned by Dr. Stuart Willis.

Some of the members of the senior class play, "Boots and Buddies" are: Doris Sears, Merle Fraser, Nelson Schrader, Mary Jane Denne, Harold Booth, Arthur Cook, Jack McLaughlin, Vera Horsfall, Lucille Cavell, Mary Harper, Marjorie Pierpont and Otis Tewksbury.

Mrs. Bertha Neal was hostess to Rev. and Mrs. H. H. Mallison and their guest, Mrs. Gray, for Easter dinner.

Mr. and Mrs. Eural Clark will entertain the class of 1916 of the Northville high school at a card party at their home on High street this afternoon.

Little Mary Ellen, daughter of Mr. and Mrs. K. H. Babbitt, is quarantined with scarlet fever.

THIRTY YEARS AGO—

The senior class, accompanied by the principal, Mrs. Larkins, leave for Washington this week by way of Cincinnati.

Manager W. J. Thompson of the Alseum theater has placed an order for new seats with which he will re-seat the main floor of the theater, and also placed an order for a pipe organ which will be installed in a few weeks. With these new improvements, Northville can boast of one of the most modern equipped playhouses in the State. Poli Negri and Jack Holt in "The Cheat" will be shown Apr. 10.

(Advertisements) Chevrolet 5-passenger touring car, \$495, FOB Flint. 7-room house, furnace, bath, electricity, garage, \$5,000. Ford touring car, \$295. Demountable rims and starter, \$85 extra.

F. E. Van Atta will soon begin the erection of a new residence in Orchard Heights.

Glenn Richardson and Charles Schoultz left last week for Clermont, Fla. to spend a few days, after which they will drive T. J. Richardson's car back home.

FIFTY-FIVE YEARS AGO—

A couple of Northville boys are now getting a taste of battle at Manila. Myron Taylor and Harry Wood are fighting with the 3rd regulars.

bury.

News from NORTHVILLE GIRL SCOUTS

Gathered by Janice Tuchelski

Troop 21 assembled at Mrs. Older's house for their meeting. They listened to recordings of the Scout Fair and also sewed on their sashes.

Lou Ann Comer, Scribe

Troop 10 discussed selling the balance of their sashes left from the Fair. They also worked on camp craft and out-of-door badges for their second class badge.

Joanne Lessway, Scribe

Troop 11 held no meeting on Friday because of the camp rally.

Troop 12 made Easter baskets for patients at the State Hospital. They also talked about the rally.

Carol Allen, Scribe

Troop 8 held their meeting in the Home Ec. room of the high school. They finished their ditty and sea bags. They also discussed a "teen talk" for their next meeting and a proposed trip to the Waterford plant.

Janice Tuchelski, Scribe

Troop 15:

During their regular meeting, the Brownies each made two paper fancy containers and filled them with candy. Afterwards they enjoyed the nibble box brought by Sally Wilson.

Pam Kay, Scribe

BROWNIES

Gathered by Mary Lovewell

Troop 14:

The Brownies' meeting this week was held in the grade school lunchroom, where they saw a movie on outdoor camping, in preparation for their coming summer camp session of two to four weeks at Cedar Lake Camp. Following the movie, they sang several scout songs.

Christine Muller, Scribe

Troop 18:

The regular weekly meeting of these Brownies was cancelled this week. See you again next week.

Sharon Beshear, Scribe

Troop 19:

During their regular meeting the Brownies divided into two groups. One of these acted out the dramatics for the Brownie story, while the other assembled a ring toss and a horseshoe game. These games will be used by the Brownies for recreation at their meetings. The nibble box was brought by Kathy Collins.

Christine Moase, Scribe

Troop 17:

After all of the Brownies had assembled at the Scout Hall, they went over to the Northville Laundromat and were shown the various steps utilized in the washing process. Then Mrs. Collins, their leader, treated them to this week's nibble box at the Bakery.

Mary Wetterstrom, Scribe

Troop 16:

In keeping with the Easter season, these Brownies colored, painted, and dressed eggs to look

Fluoride Program To Continue for Third Year

Miss Ruth M. Knapp, school nurse, reports that the sodium fluoride treatment program has been made available to the Northville schools, and is carried on with the approval and cooperation of the local dentists, the PTA and Mothers' Club.

Arrangements have been made for a senior student hygienist from the University of Michigan, under supervision of the Michigan Department of Health, to give the topical fluoride treatment to children who have just completed the above mentioned grades. The fee is \$3, payable to Miss Knapp before May 1. Treatment is given during the summer months and the definite dates will be announced later.

The fluoride treatment reduces the number of NEW cavities by 40 per cent. There are four visits to the clinic over a two-week period. The teeth are cleaned and a series of four applications of fluoride is made to the surface of the teeth. While it has no effect on decay already present, and is NOT a substitute for regular care by a dentist, it can be applied even though a child may need dental care at present.

Miss Knapp would like to stress that it is most important that all appointments be kept promptly as scheduled.

Retired Maybury Engineer Dies

Edward Lockman, retired engineer from Maybury Sanatorium died Apr. 3, at New Grace Hospital at the age of 78. He was born in Royal Oak, Mich., the son of Peter and Marian Lockman.

He came to Northville when the Maybury Sanatorium was under construction and remained here as chief maintenance engineer until his retirement in 1944. His wife, Delia, died in 1944 and he is survived by two sons, Edmund of Northville and Wallace of Royal Oak; two daughters, Mrs. Marjorie Burns of Detroit and Esther Lockman of Northville; a brother, Rupert, of Royal Oak, and four sisters, Sister M. Lepore and Sister M. Loretta, Mrs. Stella Eckert and Mrs. John Cavanaugh of Royal Oak. There are four grandchildren: John E. Midshipman Richard F. Mary Ellen and Catharine Burns.

The body lay at the Casterline Funeral Home until the funeral at 9 a.m. Tuesday at Our Lady of Victory church. Interment was at Holy Sepulchre cemetery.

like little individuals. Barbara Forsyth then treated all of the Brownies to the nibble box.

Judy Lonn, Scribe

Troop 6:

These Brownies made invitations for their mother's tea and practiced the program which they will present at that time. After this, games were played.

Jill Rowland, Scribe

Large savings for the home owner have been made possible by the development of the new Rheem "Coppermatic" automatic storage gas water heater. First heater to use a complete copper tank inside a steel tank, the popularly priced "Coppermatic" cannot rust and checks corrosion many times longer. Its new capsule-shaped tanks and multiple-flue design promote faster heating. The unique new Rheem "Coppermatic" heater is pressure-proved at more than double the pressures in actual use.

A TANK OF COPPER INSIDE A TANK OF STEEL

The Rheem Coppermatic won't rust, lasts longer.

Births...

Mr. and Mrs. James Christenson of Plymouth announce the birth of an 8 pound boy, Gerald Lee, born March 22, at Sessions Hospital.

Mr. and Mrs. John Lewis of Plymouth are the parents of a baby girl, Deborah Jean, born March 26, at Sessions Hospital. The baby weighed 8 pounds 1 ounce.

Terri Ann is the name chosen for the 5 pound 10 ounce baby girl born to Mr. and Mrs. Charles Moore of Plymouth, Mar. 26 at Sessions Hospital.

Mr. and Mrs. Eugene Goodman of Plymouth announce the birth of a baby girl, Jacqueline Marie, born March 26, at Sessions Hospital. The baby weighed 6 pounds 11 ounces.

Mrs. Helwig Dies Following Long Illness

Mrs. Lucinda Helwig of 15505 Patton, Detroit, died Sunday at the age of 76 in the Atchison hospital after a long illness. She was the mother of Mrs. Paul Ginst of Novi who is also well known in the Northville area.

Mrs. Helwig was born in Nashville, Tenn., and moved to Topeka, Kan., at the age of two. She remained there until moving to Detroit in 1919. She is survived by her husband, Charles, sons Raymond of Buffalo, N. Y., John and Neal of Detroit; daughter Mrs. Paul Ginst of Novi; six grandchildren and six great grandchildren.

She was a member of the VFW Johnson post and Spanish war auxiliaries, and had always been active in girl scout and church work.

Memorial services will be held at 8 p. m. on April 6 by the VFW and at 12 noon April 7 by the Spanish War Veterans.

Funeral services were held Wednesday at the Northrup Funeral home in Redford with Dr. Grafton of the Central Woodward Christian church officiating.

Forrest Roberts of Salem Dies

Forrest Roberts of 8021 Chubb Rd., Salem, died Apr. 7. He is survived by his wife, Mabel; sons, Earl of Salem, Clarence of Commerce Lake and Wallace Duncan of New Hudson, and daughter, Mrs. Earl Foote of Leslie.

For information regarding funeral services, call Casterline Funeral home.

WHERE WERE YOU?

A few weeks ago about 200,000 Michigan trout fishermen were supposed to be vitally concerned—even incensed—with our Conservation Department's recommendations for changes in our trout fishing regulations. Such was the intensity of the alleged tumult that the Rackham Auditorium in Detroit was leased by the Department for a public hearing at which the walls were expected to bulge, jammed with voluble anglers. Sixty-eight fishermen showed up. Five or six of them had something to say, not all of which was pertinent to the problem at hand. Others were curious onlookers.

All Smoke—No Fire?

Was this a typical example of lack of organized effort on the part of Michigan sportsmen to defend conservation policies with which they agreed or disagreed? Or was it evidence of sufficient faith in the Department's Fish Division to permit them to go ahead and make the changes which they deemed would improve Michigan trout fishing in future years? Newspaper writers anticipating objections to the changes in fishing laws editorialized against the proposals, predicting widespread veto from anglers. The open meeting for discussion in Detroit got plenty of

publicity. It was going to be a real "show-down"—the fisherman's chance to tell the Conservation Department how to improve trout fishing. Sixty-eight people had no trouble finding seats! It was all smoke—no fire!

Prediction:

On the basis of this lack of interest—or let's say lack of condemnation on the part of the public, it is the belief of this writer that the Conservation Commission may logically proceed with their planning. When the trout season opens in 1955 certain streams will be restricted to: (1) "The use of single hooks with natural bait, or artificial flies;" (2) Reduction of creel limit to 8 trout daily; (3) Increase in size limit of trout to 8 or 10 inches on some but not all trout streams; (4) Elimination of natural spawn from any fish for chumming and bait.

The new regulations will not apply to streams where there are spring and fall runs of steelhead trout.

Any proposed regulations against night fishing on trout streams will probably be dropped.

These are personal predictions. Check 'em a year from now and look for a lot of long-range planning for better fishing in Michigan Outdoors!

Are you one of the 15-million persons in the U.S. who suffer some degree of hearing impairment? Only a specialist can determine the type and amount of hearing loss, but answering the following questions may give you a clue as to whether your hearing is normal:

...Do you find that people seem to be "mumbling" or slurring their words when they talk to you?
...Do you hear better in noisy places than in quieter ones?
...Are you bothered by head noises or "ringing" in the ears?
...Do harsh loud noises seem actually painful?
...Do you find that, at one moment, you cannot hear someone speaking to you and, at the next, they seem to be shouting?
...Can you hear the sound of a voice but find it difficult or impossible to understand what is being said?
...Do you seem to hear better with one ear than the other?
...Do you pucker your brow and scowl—perhaps without realizing it—while straining to catch what people are saying?
...Do you have trouble hearing when attending church, listening to the radio, watching television or seeing a movie?
If your answer to any one of the questions is "yes," you may have a hearing loss. If your answer is "yes" to more than one question, your hearing is probably impaired. In either case, you should consult a doctor or a reputable hearing aid

Garden Tips

Hybridizers have realized that vegetables put into the deep freeze are superior in flavor to those canned by pressure cooker. Hence they have kept pace with this better method and developed varieties which freeze well.

When buying seeds for your garden it might be well to choose kinds that have been tested and suggested by horticulturists who have experimented and found new disease resistant varieties.

A list suggested by Michigan State College's horticulture department may help your selection.

Snap beans (green), round podded—Top Crop or Rival.
Snap beans (wax), round podded—Pure Gold (mosaic resistant).
Early carrots—Nantes, Gold Spoke.
Lima beans—Fordhook 242.
Broccoli—Waltham 29.

Window Shoppers

AFTER a fire, you'll have to go out looking for new furniture and other household contents. And the prices will be terrific.

Will your present insurance give you the help you'll need to get back to normal? Let's make sure.

**Easter Seal
Day Camp**

The Wayne Out-County Chapter conducts a five-week Easter Seal Day camp in Plymouth each summer. They sponsor a senior group of homebound handicaps who meet once a month for social activity.

Each year as the Wayne Out-County communities grow more services of case findings, equipment and therapy treatment are requested of the Easter Seal Society.

"Only through the generous support of the public can these needs be met," said Mr. Miller. This month-long drive ends April 18.

**FORMULA FOR
WORLD PEACE**

Man has experimented for years on how to bring peace to the Universe whose soil has been stained time and again with the blood of its youth. The tragedy of war is merely the harvest of man's sin and this crop shall continue until the corruption in human nature is dealt with.

There are five matters which need to be corrected before peace can come to this old world. (1) Palestine must be restored to the Jewish people to whom it was given by God. (2) The devil must be cast into hell where he belongs. (3) Evil and rebellious mankind must be judged by God. (4) The Church of Jesus Christ must take the place prepared for her by the Lord Jesus. (5) The Lord Jesus must take the earthly throne which is given to Him by the decree of the Father. The Bible plainly declares that these things shall surely take place, and when they do, then and then only shall we have the peace we long for now. Nineteen hundred years ago men hated Him who is the God of Peace. They would not have Him reign over them and at last showed their contempt by condemning Him and hanging Him upon a cross. The reign of Christ is the answer for Peace.

News Around Northville

Mrs. J. P. Malley and Miss Verma Broad attended the International Dog Show in Chicago last week-end where Mrs. Malley judged pointers for the show. A special feature was the Midwest Pointer Club show. Fifty-one pointers were entered and it was one of the largest international shows ever held.

You are invited to see the lovely new spring colors in Clark's recently enlarged paint department.

Mrs. George W. Kohs of W. Cady St. entertained eight of her friends at a luncheon at her home on Wednesday.

Skip Howard, son of Dr. and Mrs. Leonard Howard of W. Eight Mile Rd. is home this week on vacation from Ann Arbor. Skip is in the medical school at the University of Michigan.

Mary Jean Woodworth is spending her spring vacation from the University of Michigan in New York City visiting Miss Gabriel Simons, who also is a student at the university.

Mrs. R. G. Nelson and Mrs. Howard Meyer gave a shower for Linda Jane, new baby daughter of Mr. and Mrs. Robert Orlick, at the Nelson home on Napier Rd. Tuesday night.

Wilson Funk, accompanied by his daughter, Marilyn, who is on vacation from the University of Michigan, are visiting his mother, Mrs. J. W. Funk, in Denton, Md., on the eastern shore. They will be gone all this week.

Come in and see the new paint designs. Super Kemtone Applikay roller kit. Gambles. 41

Pfc. J. Henry Biddle, who was called home from Ft. Devons, Mass. by the death of his father, Tunis Biddle, returned to Ft. Bragg, N.C. last Saturday. He expects his discharge about the middle of July.

Mr. and Mrs. Donald P. Yerkes, Jr. returned Sunday from a three

week's vacation in Florida and Southern Pines, N.C. The weather was perfect all the time until they hit Somerset, Pa. on the Pennsylvania Turnpike on their return home when they encountered some of that frigid weather covering the New England states.

Mr. and Mrs. Claude Crusoe and their children, Mary and Jack, spent last week at their "Pioneer Ranch" in Cheboygan.

Becky Coolman and Gail Lawrence attended the CAR convention in Flint last Saturday. After election of officers, Morris Guy, well known speaker, told the group tales of Paul Bunyan.

Mr. and Mrs. Russell P. Wynings and son, Rusty, of W. Main St. returned last week-end from Florida where they vacationed at Ft. Lauderdale and Daytona Beach with Dr. and Mrs. Fred Hambrecht of Galesburg, Ill.

Sherry O'Brien, daughter of Mr. and Mrs. William F. O'Brien, celebrated her seventh birthday with a "carnival motif" party at her home on Beck Rd. last Saturday. The little friends who joined her and her sister, Maureen, were Karen Wetterstroem, Nancy Bosak, Peggy McGuire, Jo Flattery, Bridget Murphy, Mary Heslop and Joyce Pankow.

Mr. and Mrs. Ed Cheeseman of Norton Rd. announce the birth of a son, William Gerard on Mar. 24 at Mt. Carmel Hospital.

The Tuesday Book Club met at the home of Mrs. Walter Couss on W. Seven Mile Rd. this week. Mrs. Pieter Schipper reviewed "We Chose The Islands" by Sir Arthur Grimble.

Mr. and Mrs. Leo Lawrence attended the testimonial dinner for retiring Livonia Mayor Jesse Ziegler last Thursday evening. Approximately 100 of Mayor Ziegler's friends were in attendance. Toastmaster was Judge Ira Jayne.

Sandra Niles celebrated her 12th birthday Apr. 3 by entertaining 13 of her friends and relatives. Those present at the party were Rosie Frost, Janet Wickie, Clarice Wickie, Cici Newton, Jo Ann Beal, Jean Beal, Stephanie Brown, Eva Shaffer, Jo Ann Lessway, Jackie Simonds, Pat Reed, Elsie Wagenschutz, Laura Stratton. Also present were Mr. and Mrs. Archie Niles, Sandra's sisters, nieces and nephews.

Mrs. Charles Yahne and Mrs. Russell Atchison are entertaining the members of the program committee of the Northville Woman's Club at a 1 o'clock luncheon Friday at the home of Mrs. Atchison on Rogers St. The members are Mrs. Frank Beeks, Mrs. Ruth Chase, Mrs. L. D. Rambeau, Mrs. Del Hahn, Mrs. Arthur J. Verschaeve and Mrs. Cliff Hill, and Mrs. Carl Bryan, who was a committee member last year.

Dodge-Coolman Engagement Is Announced

Mr. and Mrs. Kenneth Dodge of Walled Lake announce the engagement of their daughter, Jean, to Dick Coolman, son of Mr. and Mrs. Robert Coolman of 542 W. Dunlap St., Northville. Jean graduated from Walled Lake high school and is now employed by the Michigan Bell Telephone Co. in Birmingham. Dick graduated from Northville high school and will graduate from Michigan State College next December.

The young couple have not set a definite date for the wedding which will take place the latter part of this year.

District Forensics To Be Held Tonight

The district forensic contest will be held Thursday of this week at the Presbyterian church in Holly, starting at 9:30 in the morning.

The ten Northville students who will participate in this contest are Susan Dewsbury, Ulinda Ely, Mary Ann Ratliff, Adeana Gleason, Barbara Springer, Cynthia Gates, Jean Neuwkoop, David Mosher, Lucien Lovewell and Barbara Archer. Mr. Skow and Miss Panattoni will accompany the students on their trip to Holly.

Invitations Out for Ellison Tea

Birds, daisies and butterflies in pink, grey and gold adorned the 125 invitations issued by Mrs. Elroy Ellison of 552 W. Dunlap St. for her spring tea to be given Friday afternoon of this week.

She is giving the tea in honor of spring and we hope spring will be kind and put in an honest-to-goodness appearance.

The GREEN THUMB

by Paul Newton

The urge to start seed indoors often leads to the house being over run with ugly looking boxes and flats. This can be solved by sowing the seeds in paper drinkin' cups filled with good garden loam and peat moss. Perforate the bottom of the cups with small holes and set them in pie or cake tins. Keep the soil moist but not soaked. Sow the seeds as the last of the water goes down into the soil for it will pull the smaller ones down with it. Place a glass over the tops of the cups and a newspaper over all. As soon as the seeds germinate, remove the newspaper and raise the glass gradually and keep at a temperature of 65 degrees. When the seedlings are up about half-inch remove the glass and place in the basement window but not in the direct sun. When two leaves appear, transplant them into flats about two inches apart until a good root system is formed, then outside into your border when the danger of frost is past. Your morning glories would get a head start this way.

Azalias Outdoors

Azalia plants cannot withstand our cold winters, but can be placed outdoors during the summer months and brought inside in September to bloom in January or February. If the plant seems crowded in its present pot, repot it in good soil one-third sand, one-third leaf mold or peat moss, one-third loam and two tablespoons bone meal. Press soil down well around the plant and leave half-inch below the top of the crock for watering.

Select a spot where the azalia will not get the direct sun from 11 to 2 o'clock. The danger of earth worms crawling around the roots and forming air pockets can be avoided by filling the hole around the pot with coal ashes. Lower the pot into the ashes, so the rim is above the ground level.

When watering the lawn let the direct spray go on to the plant to kill any red spider present, for red spider will never stick to a plant that is moist. About every ten days give it a cup of a solution of aluminum sulphate made by adding one 1/2 spoon aluminum sulphate to one gallon of water. Always keep the top of the pot above ground level.

Many gardeners are confused about using different fertilizers for different plants. Some plants do need special requirements but on the average the following is a good complete fertilizer recommended by Hrand Hampikian, a Detroit landscape architect:

Three parts Driconure, one part milorganite, one part Vigoro, one part bone meal, one-half part Super-phosphate (Swift's 0-20-0).

The fertilizer which reconditions the soil at the same time it enriches it comes from the compost pile. This is often called artificial manure.

Next week's article will be about compost.

Gray Lady Drive for State Hospital Set for April 13

The American Red Cross Gray Lady recruitment drive at Northville State hospital will be held Apr. 13, 15 and 20. Representatives from the Detroit chapter will be at the hospital from 1 to 4 p.m. on these days to discuss the program with applicants and hospital personnel will also be available to answer questions.

Any women interested in volunteer work at Michigan's newest state hospital are urged to visit on these days. The following qualifications have been set: age, 25 to 55 years; physical examination by the applicant's physician and personal references. The training course will be conducted at the hospital and is followed by a 35-hour probationary period. Gray Ladies are asked to serve a minimum of 150 hours a year and purchase their own uniform and shoes.

One of the first Gray Ladies, who has been volunteering at the hospital since September, 1952, is Mrs. Marvin Partridge of 54433 W. Eight Mile Rd. and she is most enthusiastic about her work. She helps at birthday parties on different wards, assists in other recreational activities, entertainments, dances, library and bingo parties. She herself says that "it is a worthwhile activity and we wish there were twice as many of us as there is so much to be done."

Migrants Topic at Women's Union

The Woman's Union of the Presbyterian church will hold its regular monthly meeting Wednesday, April 14 at which time Mrs. Robert Woods of Alma college will speak on "Migrants." Both Mrs. Woods and her husband are members of the teaching staff at Alma college and are considered authorities on this subject as they have done a great deal of work and research among migrants.

CARD OF THANKS

I would like to thank my friends in Northville for the cards and good wishes extended to me during my recent illness.

My recipe for COCONUT COOKIES ...

always successful in my ELECTRIC RANGE

Mrs. Harold Dietrich often goes hunting with hubby. On one trip she got this cookie recipe from Mrs. Murphy, a lodge cook. When Mrs. Dietrich bakes these cookies in her electric oven she knows that they'll be ready in minutes—always golden brown and perfect.

Why be an oven pecker, or a lid lifter? Your electric range can do your watching for you—and better than you can. Surface-unit and oven temperatures are scientifically controlled. There are no guesswork adjustments. You simply snap a switch to the exact heat needed and walk away. Be sure! Be modern! Cook electrically!

"MRS. MURPHY'S" COCONUT COOKIES
Temp: 425°F. Time: 8 min.
1 cup shortening 1 teaspoon baking powder
1 1/2 cups brown sugar 1/2 teaspoon soda
1 egg 1 teaspoon salt
1 1/2 cups pastry flour, sifted 1 1/4 cups quick-cooking rolled oats
1 cup coconut

Cream shortening and sugar together. Add egg and beat until light. Sift flour, baking powder, soda and salt together. Add to first mixture. Add oats and coconut. Mix well. Roll into balls, place on ungreased cookie sheet, flatten slightly. Bake. Cool slightly before removing from cookie sheet.

Ask for other interesting recipes at your Edison office.

Mrs. Irene Pratt

IN MEMORIAM

In memory of our Mother and Grandmother, Mrs. Bessie Pearl Campbell, who

High School Highlights

Mr. Meaker's U.S. history classes will visit the LeMaster's oil field on Friday of this week.

The student council attended the monthly meeting of the Wayne-Oakland student council league in Clarenceville this week. Students attending were Lucien

Lovewell, Bruce Felker, Gertrude Anschutz, Kathleen Heatley and Eugene Rebitzke. Mr. E. V. Ellison acted as sponsor.

A meeting regarding the need for foreign languages in high schools is scheduled for next Tuesday, Apr. 13 at 8 o'clock in the high school. There will be a discussion of what languages to offer and also the benefits to be derived therefrom. Parents of

students interested in foreign languages are urged to attend with the students.

A letter from the North Central Assoc. of Colleges and Secondary schools, sent to the administrative head of the high school, Mr. Ellison, states: "We are pleased to inform you that the Northville high school has been placed on the list of secondary schools approved for the ensuing year. This action was taken at the annual business meeting in Chicago which Mr. Ellison attended Mar. 22 to 26."

The Northville grade and high schools will close Wednesday, April 14 at 3:30 and re-open Wednesday, April 21 at 8 in the morning for Easter vacation.

Chapel services on April 14 will be sponsored by the assembly committee of the High school and will be held in the gymnasium at which time a local minister will speak. Music will be provided by High school groups.

Thursday of this week Lieutenant Phillips, from the Grosse Ile Naval Air Reserve, will be at the High school at 3 o'clock to talk to those boys of 17 years of age or older who are interested in the Naval Air Reserve. Part of the program is a two weeks, tour, by land or water, during summer vacation. This is credited towards their selective service program.

Group photos will be taken next Monday afternoon, by Spellman of Detroit, of the following organizations: Junior Play cast, Paladium staff, GAL champs, golf team, tennis squad, track squad and baseball teams.

The Future Teachers Club, consisting of 9 members, went to a dinner last Monday night sponsored by the Walled Lake Future Teachers Club. All the F.T.C. clubs in this area were represented and there were about 70 students plus the sponsors, Mr. M. E. Carmony, Director of Public Relations of the Michigan Educational Association, addressed the meeting and his subject was "Why You Should Be a Teacher". The purpose of the meeting was to stimulate and encourage future teachers.

Methodist WSCS To Meet

The Methodist WSCS general meeting will be held at the church house Tuesday, Apr. 13. The official board will meet at 11:30, prayer group at 12; luncheon at 12:30. Mrs. Clifford Schreiner will be the guest speaker. Her topic will be "Alcohol and Our Christian Responsibility." A cordial welcome will await the Presbyterian women as guests for the day.

Traffic Deaths Show Increase Over Year Ago

Traffic accidents in Michigan claimed 119 lives during February, three more than in the same month last year. Injuries and accidents also increased, according to the State Police monthly report.

There were 4,033 persons injured, an increase of 708, or 21 per cent over 3,325 in February of 1953. Accidents totaled 14,850, a gain of 2,322 or 19 per cent over 12,528.

It was the second month in 1954 that injuries and accidents were higher than for the corresponding month in 1953. Part of the increase was attributed to a program that has been carried on for more complete reporting of accidents.

A drop in urban deaths was more than offset by an increase in rural deaths.

Michigan's traffic toll for the first two months of 1954 includes 245 persons killed and 8,393 injured in 32,324 accidents.

Legal

STATE OF MICHIGAN
County of Wayne, ss. 414,243

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Nineteenth day of March, in the year one thousand nine hundred and fifty-four.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of AUGUSTA FOSS, also known as AUGUSTA VOSS, Deceased.

On reading and filing the petition of Lena E. Hammond, executrix of the last will and testament of said deceased, and instruct said petitioner as to the disposition of the assets of said estates; and having rendered to this Court her first and final account in said matter praying that the residue of said estate be assigned in accordance with the provisions of said last will as determined by this Court:

It is ordered, That the twenty-second day of April, next at ten o'clock in the forenoon at said Court Room be appointed for examining and allowing said account and hearing said petition. And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

James H. Sexton, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

Dated March 19, 1954
Nicholas Balcoff

JEAN DODGE, daughter of Mr. and Mrs. Kenneth Dodge of Walled Lake, has announced her engagement to Dick Coleman of Northville. (Story on Page 8)

HOMEMAKING TIPS

Home economists at Michigan State College suggest this quick new way with mashed potatoes: Use dry milk solids instead of heating milk. Sprinkle about two tablespoons dried milk over slightly mashed potatoes, enough for six persons. Whip well. Then add hot water until you have the consistency you want. The dry milk does not cool your potatoes.

Payment of

(Continued from Page 1)

F. Alton Peters that the Village debar half the cost of removing a big tree near the bowling alley on Center St.

Approved the transfer of \$10,000 from the public improvement fund to the general fund on a temporary loan basis, to be repaid when taxes are collected.

Reports Approved

Approved reports of the chief of police, treasurer, clerk, and fire department for the month of March.

Heard a motion by Comm. Alton that the cemetery fund be incorporated in the general fund to lessen bookkeeping. When it was pointed out that the existing contract may prohibit such action, the motion was withdrawn pending a report by auditors.

Approved a petition of George

Clark for rezoning of property at Griswold and Butler streets so that an apartment building can be erected. No property owners in the vicinity objected, and Lots 2 and 3 were ordered reclassified R-3.

Higher Salaries

(Continued from Page 1)

per meeting, was adopted unanimously. The new salary schedule will be: supervisor, \$3,050; clerk, \$2,600; treasurer, \$2,600. The trustees' pay had previously been \$10 per meeting. The motion by Justice Board put a limitation of 18 meetings per year for trustees as the number to be paid for at the new rate.

Following the vote on salaries, Mrs. Lawrence pointed out that

the Northville township board had been the lowest paid in Wayne County. She added that since she first became supervisor in 1942 the township's valuation has increased from \$3,000,000 to \$6,950,800 in 1953. The increase has been almost entirely due to new construction, she said.

She also reported having received a telephone call from the Wayne County Department of Health offering the township

such assistance as might be possible in improving the Gerald Ave. section. However, neither Mrs. Lawrence nor a county health department representative who was at the meeting had any idea of what might be done to improve the area.

Village President Ely thanked the township board in behalf of the village for its contribution of \$20,000 toward construction of the 7-Mile cut-off.

Northville Area Resident Gains Fame As "Mr. Chips" of Country Day School

Our many local readers who are acquainted with F. Alden Shaw, of 52905 W. Nine Mile Rd., will be interested in the following feature story about his work at Detroit Country Day School. It was written by Roberta Mackey, and appeared in the Mar. 21 Detroit Free Press.

Forty years ago F. Alden Shaw, a young man just out of Harvard, came to Detroit. Mr. Shaw was a man with one idea: He wanted to start a school for boys.

Four students were enrolled in 1914. Mr. Shaw was headmaster, faculty and janitor. The school building was the Shaw home on Ferry Ave.

Today, Detroit's "Mr. Chips" is still headmaster. He presides over a school of 240 students, about 40 of them girls recently admitted to the first six grades.

His plant is a rambling white country-style building on W. Seven Mile Rd., just west of Wyoming. It is a U-shaped building surrounding a pleasant little courtyard.

Outwardly, Detroit Country Day School little resembles the original, but in other ways it is still the school that its founder envisioned in 1914.

"I still believe in fundamentals," he states firmly. "I want my boys to learn to communicate with others and to receive communication."

Communication, in his view, includes things like arithmetic, just as much as writing.

"The three R's are no joke," says Mr. Shaw. And on the three R's are founded the Country Day curriculum.

Mr. Shaw still has two things he brought when he came to Detroit: A Boston accent that seems to have changed little through the years and the influence of the

Boston Latin School. Boston Latin, of which he is a graduate, is over 300 years old. It prepares its students for Harvard, and they never flunk out of the university.

"After Boston Latin, Harvard seems easy," Mr. Shaw observes. As a ninth grader he took six subjects, including Greek, and Latin. He's not impressed by present-day students who think they are working too hard.

Detroit at first seemed a little wild to the Bostonian of 1914. The city was going through a trying adolescence. Its growing pains were evident.

"I liked it, though," he reminisces. "It didn't have many of the things that Boston did, but the dynamics of the city have always fascinated me."

The school enrollment quickly grew to 40 boys, and the site was moved to Euclid Ave., but when the United States got into the first World War, Mr. Shaw and his entire staff enlisted.

Classes resumed in 1919, this time in Senator Palmer's old home in Palmer Park. A later, but temporary, move back to Euclid was the last before the present location was adopted in 1923.

In 1923 also, it became a member of the Country Day School system, based on the principle of keeping a boy on the grounds for a full day's activities.

Lunch is served at school, and classroom hours are followed by an athletic program for everybody.

"A sound mind in a healthy body": The school's motto is also its headmaster's first precept.

He sets his scholastic standards high. He also puts value on the lessons learned on the playfield.

Every boy at Country Day is on a team, but winning isn't what counts. Win or lose, Mr. Shaw feels, they're learning sportsman-

Babson

Says . . .

Roger W. Babson

Babson Park, Mass., April 1. It is sad that men of equal experience and intelligence so totally disagree as to the outlook for 1954. I am one of few who believe that at least the first half of the year will be fairly good.

ARE WE AS WE THINK? Business is partly, but not wholly, a psychological affair. Constructive thinking aids both business health and our physical health. Too many people are optimistic or pessimistic due to their physical condition, to the newspaper headlines, and to what radio commentators say. But these men may guess at their conclusions.

Most people think that stocks go up when there are more buyers than sellers, and go down when there are more sellers than buyers. This is a totally wrong belief, as there can never be a seller without a buyer, nor a buyer without a seller. Stocks go up when people are more impatient to buy than to sell, and stocks go down when people are more im-

patient to sell than to buy. The same principle applies to general business, real estate sales, and even wages. The impatience to buy, or to sell, determines prices. Impatience to buy, followed by impatience to sell, followed again by impatience to buy, causes Business Cycles.

HOW TO MEASURE IMPATIENCE

No one as yet has discovered how to measure mass impatience. Photographers claim they can do it by photographing and studying the faces of the people on the streets, or in stores, or at public gatherings. Physicians claim they can measure the relative impatience of their "patients" who call upon them. The Dow-Jones theorists think they can determine the relative impatience of people by a study of their charts; but I have never found any charts which show people who become rich by such a study! Statisticians hope that the mechanical brains being developed by the International Business Machines Corporation, or Remington Rand, or National Cash Register Company will solve the problem. I, however, have more faith in the work of Dr. Ernest Furchtgott, Professor of Psychology, University of Tennessee, Knoxville, Tennessee.

Our brains, hearts, and other organs are constantly sending

entire body is sending out such waves. It is entirely possible that our impatience, ambition, self-control, worries, courage, and even spiritual factors (which are forces that make for prosperity or depressions) could be ascertained by studying the electric waves or chemical compounds which our skin is constantly throwing off. If it is possible to diagnose individuals individually, we should be able to diagnose a community en masse. I forecast this will be done some day, first analyzing the Ph of the sputum of the group.

A FINAL THOUGHT

Television broadcasting stations are now sending waves into our homes. By studying the faces of speakers, when unconsciously in repose, it may be possible to know their characters and attitude toward life. This was well illustrated by Senator Estes Kefauver's Crime Hearings which were shown two years ago on tele-

vision. Now let us assume that a leading broadcasting station temporarily shuts down daily for two minutes and that every public group becomes a sending station and broadcasts its own bodily waves, greatly amplified in power. These could be collected by this broadcasting station, which could temporarily become a receiving station. If these mass waves can be interpreted, it should be possible to forecast business conditions with accuracy, barring an unforeseen catastrophe.

If the combined analyses of all sections showed the nation to be frightened and impatient for security only, then a business decline may safely be forecast. So long, however, as these people are throwing off optimistic waves or normal skin reactions, then continued prosperity can be assured. All authorities could then agree as to the future. From the poll of 970 leading newspaper publishers

which we took in December, we concluded that less than 5% of the people were then discouraged. Hence, we cannot now be pessimistic about 1954.

Garden Inter-Club Annual Luncheon

The Northville, Plymouth, and Rosedale Garden branch of the Woman's National Farm and Garden Assoc. are having their

annual inter-club luncheon Monday, Apr. 12.

The Plymouth Garden club is acting as host and the meeting will be held in the Plymouth Masonic Temple at 12:30 p.m. J. G. Haye, professor in the dairy department of Michigan State College, will give a humorous lecture entitled "The Cow". Professor Haye contributes his lecture fee to an \$18,000 student loan fund which he established.

From the world's largest maker, a completely new kind of V-8

The V-8 engine has come a long way since Ford introduced its first V-8 over 22 years ago. During these years, preference for the V-8 engine has grown steadily . . . and today there are twice as many V-8's being built as there were right after World War II. This demonstration of car buyers' preference is proof that the V-8 engine is best suited to modern motoring needs.

For 1954, Ford has stepped even farther out front with the revolutionary new Ford Y-Block V-8 . . . the most modern "eight" in any car at any price! This new deep-block, low-friction engine brings you even smoother, quieter power . . . even longer engine life and less gas waste. And this great, overhead-valve V-8 costs less than any other "eight" . . . less than practically any other "six," too.

But the new Y-block V-8 engine is only one of the many "Worth More" features you get in a V-8 Ford. You also get the smoother riding and easier handling of Ford's new Ball-Joint Front Suspension. You get your pick of 14 brilliant new body styles—with trend-setting interiors. And you can have power steering, power brakes, power windows, power front seat, and Fordomatic Drive as options.*

*at extra cost

NEWS FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX
Phone Northville 245-J

Mrs. R. E. Ward and Mrs. George Fisher attended the installation of the Walled Lake AmVets Saturday evening.

Mr. and Mrs. James Crump of Plymouth were Sunday visitors at the home of Mr. and Mrs. Luther Rix.

Mr. and Mrs. Glen C. Salow spent Saturday with the latter's brother, Louis Risner and his family, at Manito Beach.

Mathew Moeren, who has been ill for several months, passed away at the Moeren-Staman home in Novi Monday. Funeral services will be held today (Thursday) at the Heeney Funeral Home in Farmington.

Mr. and Mrs. Kenneth Hicks are new residents in Novi. They moved into the Lockwood apartment on Monday of this week.

The Reformed Church of Farmington held church services at the Novi Convalescent Home Sunday afternoon. On Tuesday afternoon the Farmington Baptist Church conducted the services.

Mrs. Bayne Pratt is now home again after undergoing major surgery at Beyer Memorial Hospital in Ypsilanti.

Mr. and Mrs. Glen Schenimann and family were called to Missouri as the latter's father and mother had been in a serious automobile accident. They were gone about a week and came home last Friday.

Methodist Church News

Next Sunday evening at eight o'clock the last Lenten service will take place at the Novi Methodist church.

There will be baptismal services and reception of new members on Palm Sunday.

Good Friday services at the Methodist church will be conducted from 12:30 to 1:30 p.m.

On Easter Sunday morning two church services will be held at the Novi Methodist church, one at 8:30 and one at 9:45 a.m.

Rebekah Lodge News

The Independent Rebekah club met at the hall this Wednesday. They had a pot-luck dinner at noon.

The degree team had a party at Rebekah hall last Thursday evening. Mrs. Doris Darling, degree team captain, was in charge. Hostesses were Elva Bean, Larlee Bell and Eve Behrendt.

Mar. 25, four new members were initiated in the Rebekah lodge. They were Mrs. Glen Salow, Sr., Mrs. Jean Burkhardt, Mrs. Effie Garner and Mrs. Whittaker.

IOOF News

The Clarenceville Odd Fellow lodge put on the first degree work at the Novi Odd Fellow lodge Monday evening. Several Rebekah Sisters served lunch after the initiatory work was completed.

Coming Events

The Blue Star Mothers Chapter 47 will meet next Monday evening, Apr. 12 at the home of the president, Mrs. R. E. Ward, W. Grand River. All mothers who would like to see colored slides of Florida scenery are urged to come at 7 o'clock as the pictures will be shown before the meeting.

Novi School News

Mr. Brown and Mr. Elmore of the Department of Instruction of Oakland county, visited Novi school Tuesday and had lunch with the faculty and students.

Novi school has several new enrollments which include Wesley Moore and Richard Schneider, sixth grade, and Lynn Gretchen, Robert and Karen Schneider who have enrolled in grades one, two and five, respectively.

The third grade is in charge of the exhibit cabinet for April. Kenneth Hayes, Jeff Crawford and Dennis Paquette contributed several old model cars and Judy LaFond brought in an Indian head model. Others who contributed are Ginger Cheeseman, Frank Steinberger and Robert Boldt.

Last Wednesday, the Novi school pupils had a snow structure contest. Each grade took part. Grade one, with a large rabbit, and grade four with "Goldilocks and the Three Bears" tied. Each got a prize.

On Apr. 8 at 1:30 p.m., Mrs. Ross Falkenburgh of Berkley, chairman of the Educational Committee on polio vaccine, will be at the Novi Community building to talk and show slides to parents of first, second and third grade pupils in Novi township.

This lecture precedes the date of polio vaccination which will take place the week of Apr. 26.

Novi Girls 4-H Club News

A capacity crowd attended the Girls 4-H club pre-achievement day program at the Novi Community building last Friday evening. Novi 4-H club was host to the Nu-Ly-Wib, Busy Hangers, Lucky Leaf and Classy Clover 4-H clubs from New Hudson, South Lyon, Wixom and Northville. The talent show and style review were a great success. Mr.

Bray, Oakland county 4-H leader, was the speaker after which there was square dancing and refreshments. County achievement days will be held at Pontiac Friday and Saturday, Apr. 9 and 10.

Novi Girl Scout News

Novi Brownie Troop No. 493 met in the Community building Wednesday, Mar. 31. They made doll cradles from oatmeal boxes. Lois Gattrell had treats for all the girls.

Novi Brownie Troop No. 492 went on a color hike Wednesday, Mar. 31. Treats were brought by Barb Wallace and Sharon Gattrell.

Novi Intermediate troop is working on their basketry badge. This week they started making reed baskets. Judy Wood and Cheryl Murphy brought treats.

Novi Senior Scouts attended the show "The Robe" Tuesday, Mar. 30 at Walled Lake. Those furnishing transportation were Mrs. Vincent Hayes and Mrs. George Mairs. Senior Scout Shirley Snow spoke on her trip to Cody, Wyo. before the Novi-Farmington Teachers' club meeting at the Community building Monday, Apr. 6.

Boy Scout News

Several people from Novi attended the Scoutorama program in the Farmington high school gym Saturday, Apr. 4, which was presented by all the dens in the Ottawa District of the Clinton Valley Council of Boy Scouts. Pack No. 54 gave a puppet show in the stage show and demonstrated plaster molds in their booth. Among those present were Mr. and Mrs. Russell Taylor, Mrs. Dorothy Schenimann, Mr. and Mrs. Crawford, Mr. Earle and Mrs. William Gregory.

School Fair

Don't forget the School Fair on May 7 from 7:30 to 10. Added to the list of fast growing events will be movies, greenhouse, game room and candy booth. Mrs. Mary Louise Taylor, general chairman, announces the following committees from each class room. Working with Mrs. Mesdames Stubb, Trotter, Smith, Edmonds, Wil-lacker and Spenger; Mrs. Trout's first grade, Mesdames Altzoff, Hines and Brugman; Mrs. Garner's first grade, Mesdames Stiles, Griffith and Dye; Mrs. Crane's second grade, Mesdames Mitchell, Loynes and Larson; Mrs. Boyd's third grade, Mesdames Harra-wood, F'Geppert and Klaserne; Mrs. Salow's fourth grade, Mesdames Simenton, Snow and Rice; Mrs. French's fifth grade, Mesdames Eby, LaPlante and Jack-son; Mrs. Ritenour's sixth grade, Mesdames Ritter, Race and Schenimann; Mr. Griffith's seventh grade, Mesdames Edelmann, Leavenworth and Crawford; Mr. Knodle's eighth grade, Mesdames Sientz, Ray and Smith. These people will be contacting every parent so all may share in the planning of this very special evening. General admission will be 25c with plenty of door prizes.

Births

Mr. and Mrs. Clifford Eckles are the parents of a baby boy, Gary Alan, born Apr. 1. Gary weighed six pounds, 12½ ounces.

Mr. and Mrs. William McDermoid of Clark St. have a new son born Apr. 3 and his weight was five pounds, 12 ounces.

Everyone in the community is invited to attend the square dance at Novi Community hall Saturday evening, Apr. 10 at 8:30. Chet Finney will be the caller.

A&P Makes Youngsters Feel Big

Shopping is a big job for youngsters. And most of them take it pretty seriously. They want to be treated just like grownups . . . and that's the way they are treated at A&P.

When your youngsters shop at A&P they are in good hands. Helping hands, too. For all A&P employees are instructed to give special attention to the special needs of children. All of which helps to make junior's job and mother's mind—easier!

Your Congressman Reports

By Representative CHARLES G. OAKMAN
17th District, Michigan

NATURAL GAS RATES—Last week I introduced H. R. 8605, a bill to save natural gas consumers in Michigan an estimated \$3.25 million a year that would be added to gas bills if an attempt to change the Federal Power Commission's historic rate-making policy is successful. Panhandle Eastern Pipeline Company has asked the Federal Power Commission to permit it to charge as much for gas it owns and produces as it pays for that part of its gas it buys on the open market. By Panhandle's own admission, this would mean about 13 cents a thousand cubic feet more, or a total increase of \$445 million on the company's 3.5 trillion cubic feet of gas reserves. Gas consumers have already paid the cost of producing this gas in their rates. Every court in the land, including the U.S. Supreme Court, has upheld the FPC's rate-setting policy, which my bill would freeze into law. I also have asked the FPC Chairman Kuykendall to hold up a decision in the Panhandle case until my bill

can be considered by the Interstate and Foreign Commerce Committee. Senator Ferguson has introduced a similar bill in the Senate.

HOUSING ACT OF 1954—The House has passed and sent to the Senate the Administration's comprehensive Housing Bill which is aimed at providing a decent home for everyone in clean, healthy neighborhoods. Among other things, the bill lowers down payments on homes purchased with government insured loans, provides for insuring mortgages on existing homes as well as new ones, and allows persons dislocated by public works projects to purchase homes costing up to \$7,600 or \$8,600 in high-cost areas, with 100 percent insured mortgages which can be amortized over a 40-year period. Among the outstanding features of the bill is a sound program for slum clearance and neighborhood renewal, as well as a plan to prevent urban areas from becoming blighted. The act would authorize the construction of 35,000 public

"Talking Books" Is Subject of Talk

Miss Rhea Lyons was guest speaker at the recent meeting of the King's Daughters. Miss Lyons subject was "Talking Books" which was of interest to the Mizpah Circle in conjunction with their service program for shut-ins and elderly people.

April will be a busy month for this organization, inasmuch as they will be in charge of the Good Friday church service. Mrs. Lena Hammond has been named chairman for this service and past leaders of the Mizpah Circle will usher. Mrs. E. B. Cavell and Mrs. Richard Johnson, co-chairmen, announced plans for the forthcoming luncheon and bazaar to be held Apr. 29 at the Methodist Church.

housing units next year, in order to carry out the commitments already made by the Federal Housing Administration. In addition, it authorizes 35,000 units for the following year.

PROFIT-SHARING PLAN—For the past few years we have experienced a considerable growth in the profit-sharing movement in America. More and more employers and employees are coming to the realization that the philosophy of profit-sharing is of material assistance to them in resolving their differences and solving their common problems. Plant after plant is reporting beneficial results by way of increased production and improvement in management-labor relations. By boosting production, the company realizes more profit to pass out among its employees. Management and Labor come to view each others problems more sympathetically and with a great deal more understanding. To encourage this spreading idea of profit-sharing, I have introduced H. R. 8690 to provide a measure of tax relief for employers and employees who adopt the plan. It would exempt 25 percent of an employer's income and 25 percent of income derived from the profit-sharing plan by the employee from Federal income taxes. Since it would encourage employees to gain and employers to grant a greater share of profits taxable by the government, I don't believe any revenue would be lost to the Federal Treasury.

ST. LAWRENCE SEAWAY—I regret to report that the opponents of the Waterway have succeeded in stalling action by the House Rules Committee until after the Easter Recess. They managed this over the protest of Chairman Leo Allen at a Committee meeting last Thursday. In 15 years of government experience, I have never seen as big a farce as was staged by the anti-seaway forces at that session. Definitely there was a lack of sincerity in the irrelevant and immaterial question propounded. Unfortunately, it had the desired effect for the Seaway's enemies. Representatives Howard Smith of Virginia asked in effect where the St. Lawrence River was, and Representative William M. Colmer of Mississippi intimated that there were mountains in the Seaway's course which would have to be portaged. We still feel optimistic because we have the wholehearted backing of the President of the United States.

No Big Rush for Ore Fleet in 1954

Lansing, Apr. 7—The Great Lakes' 276-ship ore-boat fleet is looking forward to a slow, easy season this year, conservation department geologists report.

In most recent years, the carriers started their runs from western Lake Superior ore ports to southern Great Lakes' industrial centers as soon as the ice went out, generally about Apr. 1. Then operations continued full-tilt until mid-December, when ice would force a halt.

This year, however, the fleet will not start operations until Apr. 20 and the bulk of the ships will wait until May 1 to start their runs. Also, the present outlook indicates their work will be done in mid-November.

Ore stockpiles at southern industrial ports are still high and fewer furnaces are operating this year. In 1953 at this date, 192 steel furnaces dependent on ore from the western Lake Superior region were in operation in the U.S. At present, 147 are in operation.

A record of nearly 99 million tons of ore was taken from the Lake Superior region last year, supplying more than 80 per cent of the total U.S. output. The total was so high, the boats were able to halt operations in late November rather than mid-December as is customary.

This year, the boats expect to cut back their total haul to about 80 million tons for the entire season.

Goodwill Trucks Are To Be Here Apr. 15

The Goodwill Industries' trucks will be in Northville and Plymouth on Thursday, Apr. 15, it was announced today by Miss Edith Sorenson, local Goodwill representative.

Miss Sorenson said that Goodwill has now opened a new electrical repair department which enables them to accept both televisions and radios. This department will be headed by a disabled war veteran trained in electronics. He will be assisted by another disabled war veteran who has been trained at Goodwill as an electrical repairman.

Dolls, toys, clothing, small appliances and furniture that you decide to discard at spring cleaning time are other materials which keep the Goodwill plant in operation to aid the area's handicapped workers.

Call Miss Sorenson at 571 if you have any clothing, furniture toys or small appliances for Goodwill Industries.

An honest laborer, when paid for his work, gives himself to his work.

Rev. McLucas of Novi Receives Call for Twelfth Year

Rev. J. M. McLucas, minister of the Novi Methodist church and First Methodist church, Brighton, has received a unanimous call for the 12th year with a raise in salary. The action was taken at the Fourth Quarterly conference and annual church meeting Monday evening.

Reports from all departments indicate an increase in attendance, membership and finance. The Novi church congregation is outgrowing the church building, and plans are in the making for an addition to the church building.

Many necessary improvements have been made on the church property including a new electric organ and parking lot during the past year.

Mrs. James D. Mitchell and Mrs. Russell Button were elected delegates to the annual conference which will be held June 9-13 in Mt. Olivet Methodist church, Dearborn.

Methodist Church To Hold Good Friday Services

The community Good Friday service will be held this year in the First Methodist church in Northville Apr. 16 from 1:30 to 3:00 p.m. The speaker will be Captain William H. Roberts of the Detroit Temple Corps of the Salvation Army. Capt. Roberts was graduated from the Detroit school system in the Salvation Army college in Chicago. His first appointment was to the Bowery Corps in the midst of Detroit's Skid Row and had the opportunity of seeing many alcoholics reclaimed. While a minister in Plymouth, he erected a new citadel which was debt free one year after dedication. He was president of the Plymouth Rotary in 1953 and served the Plymouth Ministerial Assoc. in the same capacity for two years.

The local Methodist church will furnish music for this Holy Day. The Sanctuary Choir will sing "Lamb of God" by Christiansen and "All in the April Evening" by Bitgood. Rev. Ivan E. Hodgson will preside with Dr. Harold F. Fredsell sharing in the service.

The Good Friday service is sponsored by the Mizpah chapter of the King's Daughters.

VFW Auxiliary To Hold Rummage Sale

The auxiliary rummage sale at the VFW Hall on Plymouth Ave. will be open for business every Friday and Saturday during the month of April at 10 o'clock in the morning. Mrs. Barnaby Bird, publicity chairman, announced that there are plenty of suits, coats and various other clothing for sale which are in good condition.

Novi 4-H's Hold Style, Talent Show

The Oakland county 4-H pre-achievement day program drew a crowd of 300 at the Novi Community hall Apr. 2, where they held a style show and exhibit of articles made by the 4-Hers. The main attraction of the evening was the "LaPetite Dress Salon" put on by the girls and under the management of Marilyn Sharp. Lillias Mair was mistress of ceremonies. Members were present from the 4-H clubs of South Lyon, Wixom and Novi.

A talent show, consisting of various musical numbers, followed the style show and those participating in the former were: Barbara Wimmer, soft shoe dance; Karen Scheffler, piano solo; Rosemarie Willis, saxophone; Nancy Williams, accordion; Donald Wimmer, trumpet; Jackie Sharpe, violin; Dick Carino, accordion, and a quartet composed of Phil Alco, Bob McCrary, Jim Atchinson and Ken Smith. A short skit was put on by the Lucky Leaf 4-Hers entitled "What Not To Do When In Society".

John Bray, Freida Bennett, Jim Reid and Jack Appling are the 4-H county leaders. Mrs. James Wimmer is the leader of the 4-H "Country Slickers" of Novi.

Refreshments and square dancing rounded out the program for the evening.

Wallpaper Designs Are New for 1954

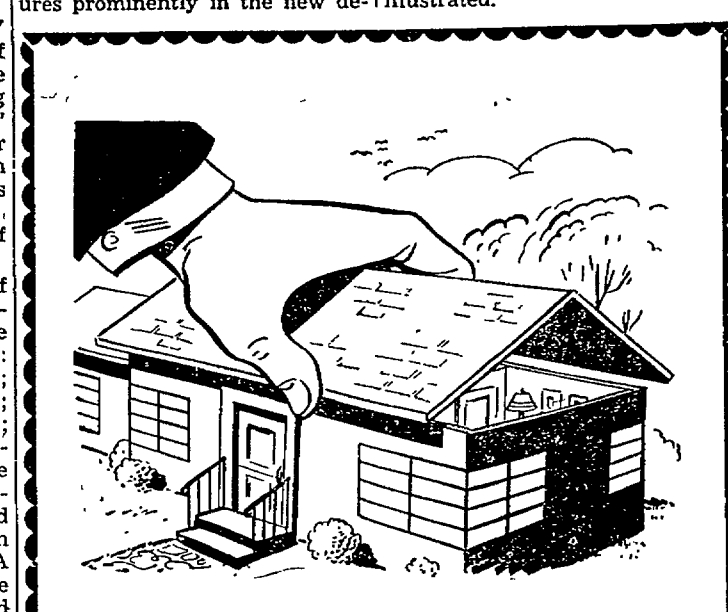

Strictly "eye foolers" are the new wallpaper designs for 1954 just now reaching the Wallpaper Decorating Center at Clark's Serv-Self Hardware, headquarters for United Wallpaper designs.

Metallics you've seen during the past few years in upholstery, draperies and apparel now appear in wallpapers. And with their textured effects, rooms can look as though they're smoothly upholstered in gold or silver-touched

St. Paul's Confirmation Service Next Sunday

Confirmation services will be held at St. Paul's Lutheran church next Sunday for the following: Martin G. Strasen, Ronald O. Hughes, Bernhard F. L. Muller, Paul G. Keck, David C. Janetzke, Constance M. Schoch, Leroy S. Moody, Dennis J. Ireland, Ronald L. Dethloff, Joan C. Boomus, Glenda M. Nitzel, Sharon J. Budd, Sandra J. Moody, Sandra A. Strasen and Margaret L. Witt.

decorator fabric. Splatter dashes you once saw only in linoleum, on modern chinaware, or in a kindergarten "painting" now form enticing wallpaper designs. Imitation grass cloth also figures prominently in the new designs. It looks almost real, but it is both washable and fadeproof. The power of money, and its influence upon men, is never better illustrated than when it is illustrated.

THE PERFECT FIT IN . . . COLOR, STYLE AND PRICE!

That's the kind of roofing you'll find at NOWELS. Smart colors and patterns in all-weather roofing that you can pay for on Budget Terms.

About \$6.88 a month for materials to reroof the average 6-room home.

Make your own "proving ground" test

The new 1954 Chevrolet Bel Air 4-door sedan. With 3 great trailers, Chevrolet offers the most beautiful choice of models in its field.

... and we know this is what you'll find

Chevrolet is out ahead in powerful performance

Chevrolet is out ahead in economy

You can easily tell the difference between engines when you drive —and the difference is all in Chevrolet's favor! That's because Chevrolet's great engines deliver full horsepower where it counts—on the road. What Chevrolet promises, Chevrolet delivers!

There's new power, new performance and new economy in both 1954 Chevrolet engines—the "Blue-Flame 125" in Powerglide models and the "Blue-Flame 116" in gearshift models. And they bring you the highest compression ratio of any leading low-priced car. That's why they can deliver a big gain in power, acceleration and all-around performance, along with important gasoline savings!

Your test car's ready now... We'll be glad to have you compare the smooth, quiet performance of this new Chevrolet with any other car in its field. Come in and put it through any kind of "proving ground" test you care to, and judge its performance for yourself. Your test car's ready now and we hope you are, too.

Year after year more people buy Chevrolets than any other car!
