\$2.50 Per Year in Advance

## for the Record

by G. H. C.

Probably no civic project carried out by a local service club in years has engendered more interest than the Optimist club's "Rate Your Town" questionnaire. The club's original intention was to get a "yes" and "no" vote from its members to a long list of questions applicable to any community. Enthusiasm of members was so great that The Record decided to send the questions to its local subscribers to obtain a broader viewpoint than that represented by just the club membership.

Apparently all who wish to reply to the questionnaire have done so. The answers are illuminating, to say the least. Perhaps it is not tactful to mention those that may be embarrassing, but we shall do so nevertheless because it may be well to see ourselves as others see us. Then we can say: (1) the public is wrong; (2) it is right but we want to be as we are; (3) it is right and we'll try to make some changes.

Seventy-three persons said Northville is a progressive community but 164 said it is not.

Sixty-one said the business section looks modern and prosperous, but nearly three times as many (176) disagreed.

Sixty individuals said well stocked stores keep shoppers in town but 161 voted otherwise.

Opinion on how easy it is to find parking space downtown was closely divided, 114 voting "yes" and 124 "no". Likewise, there was nearly a tie on the proposition that at least one restaurant serves outstanding meals, with 110 saying "yes" and 108 "no".

Thirty persons said public toilets are provided for farm folk shopping in town; 186 said "no".

Eighty-nine said getting a loan on a sound business venture is easy and 118 voted otherwise.

Obviously the foregoing replies are of the utmost importance to every local business man.

Another group of replies relating to broader matters of community interest were equally revealing.

The acute housing shortage and extremely high prices asked for local property brought 154 answers that young couples have trouble finding a place to live. Only 79 said it is easy to find accommodations.

Only 74 agreed that schools have plenty of room for students; 175 said they are crowded.

One hundred ninety-six said "no" to the statement that "all streets are paved and sidewalks are in good shape". Forty-eight said they are all right.

To the proposition that streets throughout the community are well lighted, 106 voted "yes" and 121 said "no".

One hundred twenty-two said there is no recreation center where young people can dance, while 88 said there is such a center.

One hundred sixty-nine felt that good zoning keeps factories away from residential areas, while 40 said it does not.

The questions listed are only a small portion of the entire list, although they appear to be among the most significant in relation to the village's future. We don't presume to know what should be done, if anything, to change the situation. Perhaps it is as our people wish it to be. Time alone will provide the answer. But the replies given to the questions afford a basis for self-evaluation if we care to see ourselves as others see us.

### Parental Influence To Be PTA Subject

Dr. Marie I. Rasey will be the speaker at the regular monthly meeting of the Northville Parent-Teacher meeting to be held on Thursday, April 22 at 8 p.m. in the grade school lunch room. Dr. Rasey will speak on "The Influence of Parents Upon Children". This topic was discussed at last month's meeting by a panel, presenting the parents' and students' viewpoints. Dr. Rasey will discuss it from a viewpoint of a teacher.

The public is cordially invited to attend this meeting. Dr. Rasey will speak promptly at 8 p.m. and the business meeting will follow her talk.

### Northville Soldier Is Transferred to Artillery in Korea

7th Division, Korea—Army Pfc. Gordon J. Timbrooks, son of Mr. and Mrs. Homer Timbrooks of Northville, was recently transferred to the 7th Infantry Division's 48th Field Artillery Bn. in Korea.

Timbrooks had been serving as a radio operator with the 45th Infantry Division which is being returned to the U.S. He will finish his tour of Korean duty with the 48th Field Artillery Bn., now undergoing training to maintain combat efficiency.

He entered the Army in July, 1952, and completed basic training at Fort Riley, Kan.

## Community Calendar

- April 12—Lady of Victory Altar Society meeting with Mrs. Monroe Weston, 561 Grace St., 8 p.m.
- April 16-17—Movie, Scout Building, "Curley" in color, 20 cents.
- April 16—Regular business meeting of Orient Chapter, OES, 7:30.
- April 19—Recreation trip. Leave Scout Building at 1 p.m., home by 4 p.m.
- April 20—Card party at American Legion Hall on Dunlap, 8 p.m. Sponsored by Our Lady of Victory Church.
- April 21—Co-ordinating Council meeting at grade school lunchroom, 8 p.m.
- April 23—Wayne County Home Extension Service meeting at the Northville Library, 9:30 a.m. to 3 p.m. Lesson: "Latest Cleaning Methods in Detergents".
- April 23-24—Methodist Church rummage sale.
- April 29-30—Blue Star Mother's rummage sale at American Legion Hall.

### Sodium Fluoride Plan to Involve 250 Children

Children now in the 2nd, 5th and 8th grades in Northville schools are to participate in the dental program which will be conducted this summer. Each child will have his teeth thoroughly cleaned and have four applications of sodium fluoride applied over a period of two weeks. About 250 children are affected.

A senior dental hygienist from the University of Michigan, who will be under the supervision of Miss Ruth Rogers, state hygienist, will conduct the program. Miss Ruth Knapp, RN, school nurse, with the help of Mrs. Lawrence Hilts and Mrs. Marshall Huff, will make the appointment dates.

A charge of \$3 will be made, to be paid by May 1.

### Baseball, Golf Are on Program at High School

A full program of spring sports will be offered students of Northville high school again this spring. Teams will be fielded in baseball, junior varsity baseball, golf, track and tennis.

The varsity baseball squad is scheduled to get into action this week, weather permitting. Last week's opener with Howell here was rained out, and the varsity's initial contest was scheduled for Holy. The first home game for the varsity will be against Brighton on Apr. 22.

Coach Al Jones has a rebuilding program facing him this year. Gone from the squad are such well-known players as Catcher Gary Hix, Infielders Dick Somers, Bill Mosher and Al Iversen, and Pitchers Otto Wendt and Bud Lovett.

Returning lettermen include First Baseman Paul Schulz, Third Baseman Gene Reitzke, Utility Infielder John Hayes, and Infielders Ernie Lemon, Lamar Nally and Joe Girardin. The remainder of the squad must come from Freshmen Maelyn Burns, Aubrey King, Bud Bell, and junior varsity men Bob Engel, Larry Meyers, Ed Mollema, Virgil Houtz and John Bale.

As in the past, a junior varsity baseball team will be fielded. Coaches are working with candidates in an effort to pick a starting nine.

The track team again will be small in number. George Rambeau and Bob Burgess are the only two returning lettermen. The remainder of the team will be chosen from the following: John Campbell, Ray Hamer, Tom Heatley, John Fisher, Roger Rathburn, Joe Wooten, Bob Wagenschutz and Max Robertson.

The golf team began practice this week for the first match, scheduled at Brighton Apr. 21.

Coach M. F. Meaker expects the team to do well this year, especially Glen Haworth, Bruce Feller, Allan Cockin, Lynn Matzen, and Harold Wilson, all returning lettermen. In addition, Paul Hamlin will give some needed reserve strength. Other prospects include Dave Goss, Richard Krafve, Dave Kirkey, Bill Lessway, Bob Schiffrer, Jerry Schnute and Jim Weston.

For the first time, the girls have been invited to come out this year, and about ten future linkswomen have reported to Coach Meaker.

Tennis was introduced into the spring sports program last year under the eye of Ron Schipper, varsity coach. Although the team was unable to gain a single victory, it did show up well for a first-year team, and much improvement is expected this season. Returning lettermen include Roger Nieuwkoop and James Rambeau.

Hopfuls include Darwin Tashka, John Fisher, John Clarke, Brodie Humphries, John Funk and Allan Maltby.

Mrs. Mabel Walker Miller entertained at a dinner party in her home on Cambridge drive Sunday. Her guests were Mr. and Mrs. C. H. Walker, Mr. and Mrs. Henry Grimshaw, Mr. and Mrs. Ray Howell, Clarence Davis, all of Northville, and Mr. and Mrs. Ray Pletsch of Detroit, and Mr. and Mrs. Linn Fill of Grosse Pte.

"QUEEN FOR A DAY" was the smiling Northville lass pictured above when she was awarded first prize on a Detroit television program Saturday. Daughter of Mr. and Mrs. James McNeice of North Center St., she is Donna Suzanne, 5 years old. Her smile was voted the most attractive by the judges of the "Sunshine of Your Smile" contest, and she was the guest of "Milky", the Twin Pines clown, for the remainder of the day.

### Northville Stores Will Vote on Staying Open Thursday Evenings

The Northville Retail Merchants Ass'n. voted Monday evening to poll local stores on whether they will remain open Thursday evenings. If 80% are in favor, the policy of remaining open Thursday, as well as Friday evenings, will become effective and will be advertised locally and in surrounding communities.

**Citizens' Advisory Group**  
The association also adopted a resolution favoring the creation of a citizens' advisory group to study and make recommendations to the Village commission on matters of community interest. Such an advisory group, it was felt, should be non-political in character, and composed of capable men and women who are interested in constructive long-range planning for Northville and the surrounding area. The opinion was expressed that if a group of representative Northville people could be gotten together who would be willing to devote some time and study to Village affairs, they could be of assistance to the Village commission in many ways.

Background for adoption of the resolution was afforded by an informal suggestion to the commission relative to such a study group by John Canterbury, of S. Wing St. had appeared at its last meeting to inquire about its policy with respect to having property owners repair broken sidewalks, and the reason for apparent abandonment of plans announced last year for paving S. Wing St., in which he said he had a personal interest because he resided there.

**Policy on Improvements**  
Village President Claude N. Ely explained that in a village where everyone knows everyone else it is difficult for the commission to adopt a firm attitude in forcing repair of sidewalks, even though it is obvious that their state of disrepair in many instances is a definite hazard.

He said that with respect to paving S. Wing St. the commission had decided to do other street work instead.

Canterbury's suggestion of a citizens' advisory group was made during the course of a discussion about Northville's long-established pay-as-you-go policy of handling its entire public improvement program rather than financing it through the issuance of bonds as most other cities do.

The village commission has been traditionally opposed to paying interest on borrowed money to obtain good streets and other improvements, but instead has tried to take money out of each year's budget. In the meantime, streets are not paved but inflation has so advanced construction costs that any saving of interest has been wiped out. The Community building is a case in point. Its cost now is double what it would have been a few years ago.

**Keen Interest Shown**  
Keen interest was expressed by the Retail Merchants Ass'n. in the trend throughout the Detroit metropolitan area toward keeping retail stores open three or more nights a week, with special reference to Northland Shopping center, whose stores offer potential competition to local merchants. Several store owners expressed the opinion that if they make shopping in Northville as convenient as it is in other localities, and otherwise give good service, there will be little reason to fear any substantial loss of trade.

It is to increase the convenience of shopping here that the vote is being taken on staying open Thursday evenings as well as Friday. Some stores which now remain open both Friday and Saturday evenings, will also cooperate in remaining open Thursday evenings if that become the general practice.

A proclamation designating April as Cancer Control Month, and calling on residents of Northville to support the drive, was issued Tuesday by Mayor C. N. Ely.

### Northville Downs Ruling Expected In High Court

A decision on whether Northville Downs will be permitted to reinstitute running races after a lapse of 14 years was expected to be handed down by the state supreme court Wednesday or Thursday.

On Thursday, the supreme court will complete its winter session, and Racing Comm. James H. Inglis said Tuesday that undoubtedly some action will be taken before adjournment on the suit of Mark Leach, Northville Downs lessor, seeking to force the commission to extend the season and allow the Northville track to resume running races.

The last such racing in Northville was in 1940, when an 11-day meeting was held, with an average daily mutuel take of \$31,239.

**Harness Races Continue**  
Leach's attempt to bring running races to Northville has no relation to harness racing at the Downs, which will continue this summer as heretofore.

Leach, a Detroit automobile dealer, filed mandamus proceedings late last month after the racing commission had denied his application for running races. Inglis was named in the suit, and in a lengthy brief filed in Lansing said that he regarded the Northville Downs facilities as inadequate. He also said it was inadvisable to extend the racing season in the Detroit area, and that most turfmen agreed with him.

**Unsuitable for Flat Races**  
The Northville track is all right for harness racing, but does not have a paddock, jockey quarters, nor suitable stables for running races, the commissioner stated in his reply.

Leach could not be reached for comment, but in his complaint he cited longer racing seasons in Illinois and New York as precedents for his application. Inglis, however, told The Record Tuesday that the circumstances are not comparable, and that it is his belief an increase in the dates in the Detroit area would be harmful to racing. He declared that some racing authorities agreed with him, and that he does not believe the public favors an extension.

"Of the 41 major tracks in the United States," Inglis said, "Sportman's Park at Chicago is the only half-mile track of the group."

**Business Women Invited to Canada**  
Northville's Business and Professional Women's club has been cordially invited by a like organization in London, Can., to attend its sixth International Night which will be held on May 1 and 2 at Hotel London.

Dr. S. V. Arnaldo, director of the New York office of UNESCO, will be the speaker at a dinner on May 1. Sunday brunch will be served at 10:30 a.m. and Sen. Muriel McQueen Ferguson of Fredericton, N.B., will speak.

Reservations must be in by Apr. 22, and should be mailed to Miss Jessie Malloch, 419 Dundas St., London, Can.

**Wayne Realtors to Hold Annual Meet**  
The annual TriBoard meeting of the Western Wayne County Board of Realtors, Dearborn Real Estate Board, and Downriver Board of Realtors will be held Monday evening, April 19, at the Dearborn Inn.

Herbert U. Nelson, Executive Vice-President of the National Association of Real Estate Boards, will be the guest speaker. Instrumental in the organization of many professional groups in the real estate field, Nelson is a man of national prominence in real estate. Under his leadership NAREB has played an increasingly important part in national affairs. It has aided the federal government in many programs related to real estate, such as defense housing, land acquisition for military purposes, maximum utilization of industrial space, appraisal work, and problems in taxation. In all of these fields, Nelson has frequently acted as a consultant to the government.

### School Study Group To Begin Work April 21

Its organization virtually completed, the new Citizens School Study committee which will survey the needs of six school districts including and adjoining Northville, will begin its work next week, it was announced Wednesday.

The survey, expected to take a year or more and devoted primarily to fact-finding, is to be presented to the electorate of the six districts with a view toward possible consolidation. Recommendations to be made, Oakland county school authorities said, probably will include building of necessary schools, changes or improvements in present curricula, and related matters.

### Merchants Ass'n. Elects Three New Directors for 1954

New directors of the Northville Retail Merchants Ass'n. for the coming year will be Harry Himmelstein of S. L. Bader Co., Essie Nirider of D & C Stores, and Roy Stone of Stone's Gamble Store. They were to meet Wednesday evening with hold-over directors to elect a new president to succeed Nelson Schrader, whose term expires now.

### Dutch Elm Spray Project to Begin

Spraying of Northville's elm trees against the spreading of Dutch elm disease will begin Friday morning, according to John Miller of Green Ridge Nursery, which was awarded the contract by the village commission last month.

Miller said Tuesday that automobile owners should be careful not to park their cars in the vicinity of the elms Friday and Saturday, so that spraying chemicals would not fall upon the cars.

### Northville Twp. Surplus \$54,048

Northville township closed its 1953-54 fiscal year on Mar. 19 with a surplus of \$54,048. This represented the difference between the township's total assets of \$112,161 consisting of cash, investments and taxes receivable, and its total liabilities of \$58,113.

Total income for the fiscal year was \$44,089, of which more than 83% represented refunds of state sales and intangibles taxes. Local property tax receipts of \$6,633 represented 15% of total income. They amounted to \$2,569, or 6% of total income in the preceding year.

Total disbursements for the 1953-54 fiscal year were \$55,176, including \$20,000 paid to the Wayne County Road Commission as the township's share of the cost of building the 7-mile cut-off.

Among the other larger cash outlays during the year were \$7,909 for welfare cases, \$3,660 for fire protection, \$3,000 contributed to the Village's recreation program, \$2,565 legal expenses and \$1,295 expense in connection with zoning.

### Mrs. A. M. Lawrence on Recreation Group

Mrs. A. M. Lawrence of Northville township has been appointed as the new member of the Northville Recreation committee by Township Supervisor Mollie Lawrence. The new member is widely known for her outstanding work with the Girl Scouts of the Village.

At the same time, Sup. Lawrence reappointed R. D. Merriam for the third year. Merriam is the present chairman of the committee.

Other members of the group appointed by Village Pres. Claude N. Ely at the last commission meeting are: R. H. Amerman, Robert Coolman, Lynn Sullivan, E. C. Welch and Toni Bongiovanni.

Gay Duerson returned to the University of Michigan Sunday after a week's spring vacation with her parents, Mr. and Mrs. Harry Duerson of Meadowbrook Rd.

**36 Members**  
A rapidly growing population, overcrowding of present schools, and the desirability of providing the area with an up-to-date school system, are factors involved in the study. Thirty-six residents of the six districts comprise the committee, and already have been assigned to five sub-committees to carry on various phases of the project.

The five groups will operate in the following fields of study: Population, finance, program, buildings, auxiliary, and a sixth—trends—to be organized later.

**Clark Heads Committee**  
At the last meeting, held in the Novi school, Frank Clark of Novi was chosen permanent chairman of the study group. James Erwin of Farmington was named co-chairman, and Claude Elmore of the Oakland County schools ofice was elected secretary. Mrs. Martha Milne of Northville was named publicity chairman.

It was decided that meetings will be held every other week on Wednesday nights, and at the meeting to be held Apr. 21, which will be in the Northville grade school, actual work of the committee is expected to begin.

At this meeting, Dr. Howard McCluskey of the University of Michigan will talk on "Adult Education". Sub-committee meetings are to be held prior to 8 p.m., when Dr. McCluskey will speak to the group and members of the Northville PTA.

**Three Phases Named**  
Ken Brown, superintendent of schools of Oakland county, has outlined three phases for the study effort. They are: Phase 1: What Have We?—(Fact finding stage of the study.) Phase 2: What Do We Want?—(Facts will be presented to the people.) Phase 3: How Do We Get It?—(A plan will be worked out to present to the steering committee.)

Brown emphasized to the 36 delegates that personal feelings are to be kept out of deliberations. "The committee is to look for facts, and then let these facts sell them on what is needed," he said.

**Committee Members**  
The membership of the various sub-committees is as follows: Population: Robert Krug, chairman, Putnam; Dora Ebby, recorder, Novi; Frank Bosak, librarian, Durfee; Nina Miller, Chapman; Robert H. Shafer, Northville; Earl Banks, East Novi.

Finance: James Littell, chairman, Northville; Georgiana Couse, recorder, Northville; James N. Irwin, librarian, East Novi; Frank Watzka, Putnam; Walter Ross, Chapman; A. J. Heslip, Durfee; Georgia Larsen, Novi; George Lien, Novi.

Program: Charles Yahne, chairman, Northville; Mrs. Kalin Johnson, recorder, Chapman; Mrs. Herbert N. Frogner, librarian, Northville; Mrs. Andrew Burgess, Putnam; Mrs. Franklin D. Smith, Durfee; George Atkinson, Novi; Mrs. Robert Spicer, East Novi.

Buildings: Robert Coolman, chairman, Northville; Don Matzen, recorder, Chapman; Don Hines, Putnam; Charles Ratliff, Durfee; Eural Clark, Northville; William Mairs, Novi; Harold Miller, Novi; William Harris, East Novi.

Auxiliary: Paul Beard, chairman, Durfee; Martha Milne, Northville; George Simmons, Putnam; Bill Templeton, Chapman; George Clark, Northville; Russell Taylor, Novi; Ray Scheffer, East Novi.

The American Cancer Society educational crusade will get off to a start on Apr. 19 and end Apr. 30 under the chairmanship of Mrs. Gladys Clark. Co-chairmen of the drive are Mrs. Frank Russell, who is also membership chairman and treasurer, and Mrs. A. A. Holcomb. Mrs. John Klaserer is chairman of Novi township.

## \$1120 Contributed In Northville for Christmas Seals

Residents of Northville contributed \$1120 to the 1953 Christmas Seal Sale of the Tuberculosis and Health Society, Richard L. Lea, executive director, announced Wednesday.

Of this total \$851 was received in the mail from 393 contributors. Northville school children bought \$115 worth of double-bar cross Christmas Seals and \$30 was contributed at dispensers placed in local stores.

Patients and personnel at William Maybury Sanatorium gave \$123 toward the fight against tuberculosis.

Mrs. V. George Chabut, 18585 Sheldon Rd., was chairman of the Northville Seal Sale.

During the past year Northville has received many services from the TB and Health Society. The recent chest X-ray program was made possible through the cooperation of the society and other health and civic agencies.

Norbert Reinstein, member of the health education staff of the society, is permanently assigned to the Northville area for consultation in public health problems. He aids groups in setting up health programs and speaks and shows films to clubs and organizations.

A staff of psychologists is maintained at Maybury Sanatorium the year round to provide vocational counseling and training for patients. An out-patient service helps him with employment and family and personal problems when he is out of the sanatorium.

## Northville Couple Gets Away from Civilization's Noise On Trip Down Ohio

If you want to get away from telephones, door bells, television, radios, automobiles and land, take a fascinating 20-day trip such as the one from which Mr. and Mrs. William B. Walker, Jr. of East Eight Mile Rd. returned last week. The April issue of "Life-time Living" contains an article describing just such a trip in detail.

The Walkers boarded the Delta Queen, three - passenger - deck stern-wheeler with 100 or so double rooms, at Cincinnati where the cruises begin and end. Most of the rooms on the boat are air conditioned and heated too, when

the weather is chilly. The boat never travels much over eight miles an hour and there is never any seasickness as the steamer moves quietly and smoothly on the 3,000 mile trip from Cincinnati to New Orleans and return.

The Delta Queen tied up at Louisville to allow passengers to attend church and sailed down the Ohio through the beautiful Oxbow Bends, the rich tobacco fields around Owensboro, past Cave-in-Rock, and Cairo Point where Illinois, Missouri and Kentucky meet.

Here it entered the Mississippi with quaint old river towns and colorful Memphis and Vicksburg. At Natchez they visited the beautiful gardens and pre-Civil war mansions—the Louisiana State Capitol building in Baton Rouge—cruised down the famous "Arcadian Coast" to New Orleans where they enjoyed a three-day stay. The Delta Queen was always docked within easy walking distance of the towns and was their "floating hotel".

No door bells, no television, no radio, or automobiles. How about that?

## Square Dance Fete Plans Completed

Plans are now complete for the annual square dance festival to be held in the Plymouth high school gymnasium on Saturday evening, Apr. 24.

This dance is a part of the Creative Arts exhibit and is open to all who enjoy square dancing.

The Morrison Music Makers, whose specialty is playing for square dancing, will furnish the music.

Several guest callers will add variety to the fun of the evening.

Committee members to contact for any information are: Mr. and Mrs. Robert Carson, Mr. and Mrs. Gene Niles of Plymouth, and Mr. and Mrs. Gordon Hubbard, Mr. and Mrs. Sid Moose, Mr. and Mrs. Charles George, of Northville.

## VFW AUXILIARY REQUESTS DONATIONS FOR VETERANS

The VFW Auxiliary has requested donations of playing cards, including pinocle decks, cribbage boards and radios for hospitalized war veterans. Anyone having any of these items they would like to contribute please call Mrs. Clayton Myers at 887-J or leave the article at her home, 359 First St.

## THE VILLAGE - - - AT WORK

A Visit With Your Neighbors On the Job

Paul looks on smilingly as Mrs. Folino serves Patrolman Frank Hines with refreshments.

When Paul Folino was a mere lad he used to watch his uncle, wide-eyed, as the latter went about his work of making delicious chocolates, creamy caramels and other tasty candies. Occasionally his uncle, who lived in Holland, Mich., would let him sample the tidbits—and it may be that Paul—since boys will be boys—sort of helped himself once or twice when his uncle wasn't looking.

At any rate, Paul developed a liking for candy and candy making and decided some day he would own a shop of his own and make his own candy too, which is just what he is doing. His uncle had been in the business for over 40 years and taught Paul many

candy-making secrets. It's mighty good candy too.

Paul was born and raised in Northville and is well known in his home town. Always ambitious and energetic, he is holding down two jobs at the present time. Day times he services accounting machines for the Burroughs Adding Machine Co., in Detroit, and evenings, Saturdays and Sundays he spends in his new store. When he is in Detroit, his wife, the former Mamie Guerrero from Garden City, efficiently and pleasantly manages the business. The Folinos have been married for four years.

Paul's hobby is hunting—rabbits, deer or pheasants.

## Social Security Test Decides Coverage of House Workers

Employers of household workers often wonder if their employees are covered by the Social Security law. Harry Baltuck, manager of the Detroit-Northwest social security office, suggested this simple test to determine coverage for the household worker:

1. Each person who works in the home regularly on at least 24 different days during the calendar quarter and —
2. Who is paid at least \$50 in cash wages during that calendar quarter is covered by the law.

The above is the 24 days plus \$50 test. Employers who have domestic help who meet this test are required to send in quarterly wage reports to the Director of Internal Revenue. These reports must show the employee's name, social security number and total wages paid.

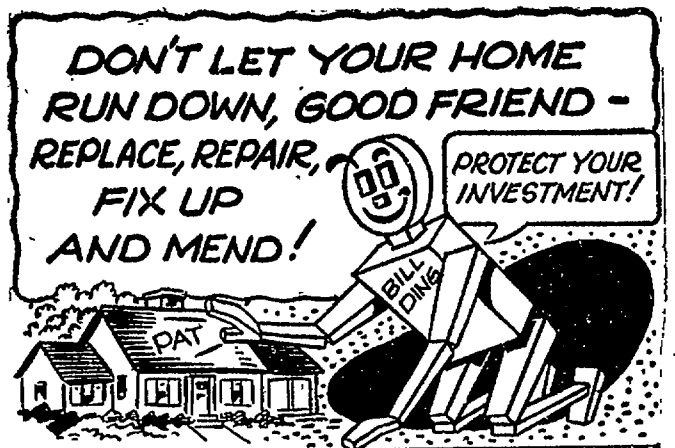

Intelligence tells us that things change and wisdom indicates that the change is often for the better.

## Refrigerator MOTORS by DELCO

When your refrigerator motor needs replacing, why not have us install a Delco, the choice of leading manufacturers because of their quiet operation, long life, peak performance and dependability. Delco builds a size and type for all makes.

## Final Plea Made on Easter Seals

As the 1954 Easter Seal drive enters the last four days of a month-long appeal, Chairman John Miller makes a final plea to citizens in Northville who have not mailed in their contributions that funds are urgently needed to reach the campaign goal.

"We have received \$553 from the 2500 appeal letters mailed out at the opening of the drive as of last week," stated Miller. Northville has a goal of \$1500 to reach before the campaign ends, Easter Sunday, Apr. 18.

Despite the rain Saturday, Apr. 10, Mrs. Ida Cooke, lily sale chairman and her youthful volunteer workers received \$101 for their sale of artificial Easter lilies to the shoppers. Funds contributed for the sale will go toward the Northville campaign goal.

The annual Easter Seal appeal is sponsored by the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults, who give services to 1330 handicaps registered at the Chapter which covers 22 cities, villages and townships in Southwestern Michigan.

All monies will go to support case findings, transportation to treatment centers and clinics, therapy and educational assistance. The chapter sponsors an Easter Seal day camp for orthopedically handicapped children in the summer and has organized a fellowship club for senior homebound handicaps.

## IN MEMORIAM

In memory of our daughter and sister who passed away three years ago, April 13. Calm and peaceful she lies sleeping.

Sweetest rest has followed pain. We who loved her sadly miss her, But in heaven we'll meet again. Mr. and Mrs. Hugh Blackwell Mrs. Donat Bedore Mr. and Mrs. Clarence Bolton Mr. and Mrs. Bill Birt

## OTWELL HEATING & SUPPLY "Winkler Products You Should Try"

Phone 1701-J Day or Night

265 W. Ann Arbor Road Plymouth

## Novi Minister Receives Call for Eleventh Year

Rev. J. M. McLucas, minister of the Novi Methodist church, received a unanimous call for the 11th year with a raise in salary at the fourth quarterly conference and annual church meeting held Tuesday evening in the Novi Methodist church.

Reports from all departments of the church indicated a steady growth in interest, finances and membership during the past year. Many improvements have been made on the church property including a new electric organ, new carpeting in the church and an off-street parking lot. Plans are in the making for an addition to the church building. Several new members united with the church Palm Sunday evening. Mrs. James D. Mitchell and Mrs. Russell Button were elected delegates to the Detroit Annual Conference held June 9 to 13 in the Mt. Olivet Methodist church, Dearborn.

Rev. McLucas received a unanimous call from the First Methodist church, Brighton for the 12th year. Novi church is served in connection with the Brighton church.

## Dear Editor:

... the letters start. Then from all over the free world come such comments as these from readers of THE CHRISTIAN SCIENCE MONITOR, an international daily newspaper:

"The Monitor is most reading for straight-thinking people. . . ."

"I returned to school after a lapse of 18 years. I will get my degree from the college, but my education comes from the Monitor. . . ."

"The Monitor gives me ideas for my work. . . ."

"I truly enjoy its company. . . ."

You, too, will find the Monitor informative, with complete world news. You will discover a constructive viewpoint in every news story.

## NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT  
Phone Farmington 1461-M

Mr. and Mrs. Melvin Strom of Flint were Sunday afternoon guests of their uncle and aunt, Mr. and Mrs. Emerson Ault of Mayfield Ave.

Mr. and Mrs. Velva Barnes of Farmington Rd. spent last week-end in Flint, where they attended bowling tournament.

Mr. and Mrs. Forrest Ault and Mrs. M. E. Ault were callers in Redford last Sunday evening.

Mr. and Mrs. Force and their children of Terre Haute, Ind., are occupying part of the Rehoboth house on Mayfield Ave.

Ed Grant of Farmington Rd. is reported on the sick list.

Mrs. Edith Willet of Redford is a dinner guest last Sunday at her son, Cecil Willet and his family, of Mayfield Ave.

Mrs. Austin Ault of Brentwood Ave. was an all-day guest of her daughter, Mrs. Loren Read, in North Lyon Tuesday.

The Edwin Johnsons of Clarita Ave. were Sunday visitors at the home of Mrs. Johnson's sister, Mrs. Thomas W. Roberts in Mon-

Mrs. Lena Oldham of Farmington Rd. and Mrs. M. E. Ault of Mayfield Ave. attended a meeting of their Rug Club held at the home of Mrs. Elizabeth Holcomb in Farmington.

Mr. and Mrs. Charles Haas and children of Redford were Wednesday afternoon visitors at the home of the Misses Lora and Freda Ault, on Norfolk Ave.

Kenneth, five-year-old son of Mr. and Mrs. Kenneth Skow of Mayfield Ave., is on the sick list.

Mrs. Austin Ault of Brentwood Ave. was a Friday night guest at a linen demonstration party held at the home of Mrs. George Thorne of Ypsilanti.

Freda Ault of Norfolk Ave. called on Mrs. William Greene in Redford Thursday morning.

Mrs. Arthur Muir of Shadyside Ave. has been suffering with a bad attack of laryngitis.

After a week's spring vacation spent with his parents, Mr. and Mrs. Howard Middlewood, of Farmington Rd., Howard Middlewood, Jr. has returned to Michigan State College in Lansing. Recently 21, he was able to cast a vote in the recent election.

Sailor William Varhol, eldest son of Mr. and Mrs. John Varhol, Shadyside Ave. is arriving this week-end for a ten day visit.

Mrs. Margaret Bone of Dearborn called at the home of Misses Lora and Freda Ault, Norfolk Ave., Friday.

Mr. and Mrs. Tom Roberts of Monroe were Saturday night dinner guests of Mr. and Mrs. Edwin Johnson on Clarita Ave.

Jeanie, youngest daughter of Mr. and Mrs. John Allen of Mayfield Ave., has been ill.

A family get-together at the home of Mr. and Mrs. Don Voorheis on Seven Mile Rd. last Saturday evening, was a most pleasant affair. About 14 were present.

Mr. and Mrs. John Aittama of Shadyside Ave. visited with their daughter, Mrs. Max Holland and her family in Detroit, last Sunday.

Mr. and Mrs. Robert Hunter and their daughter, Mary Margaret of Detroit, were calling on various relatives in this neighborhood.

Mr. and Mrs. Johnson Porter and their three children of New London, O., are week-end guests of Mrs. Porter's parents, Mr. and Mrs. M. E. Ault, on Mayfield Ave. and other relatives of the vicinity.

Our boys and girls are to have a real Easter vacation. They are to be dismissed from school Wednesday, Apr. 14; not to return until the following Wednesday.

Mrs. E. W. Stange of Mayfield Ave. has been ill in bed with neuritis.

Richard Varhol of Shadyside Ave. has accepted a position at the Van Valkenburg Funeral home in Detroit.

After several days illness, during which time she was hospitalized, Mrs. Stanley Narsavage has returned to her home on Hubbard Ave.

Mrs. George W. Sandau of Hubbard Ave. was a visitor in Ionia this Saturday.

The WSCS of the Livonia Methodist church held their regular business meeting in the church last Thursday afternoon. The group is working hard preparing for a rummage sale to be held the latter part of the week following Easter.

Mrs. Grace Simpson of Mayfield Ave. returned home Friday afternoon from a stay of several days with her sister, Mrs. Briggs, in Redford.

Mr. and Mrs. Allan Ross of Jackson visited at the home of their aunt and uncle, Mr. and Mrs. Ernest Tallman of Mayfield Ave. last Saturday. The children, Denny and Donna Shelman, who had been with them for a week, accompanied them back to the home of their grandparents, the Tallmans.

Freda Ault, Norfolk Ave., called on Mrs. Russell Kline in Detroit Friday.

Mr. and Mrs. Ralph Ryan of Flint were guests last week of Mr. and Mrs. J. C. Dunaman on Farmington Rd. Other recent guests of Mr. and Mrs. Dunaman were the latter's sister, Mrs. Chester Krumm and her husband of Traverse City.

The Arthur Muirs of Shadyside Ave. were guests April 10 at a "bon voyage" party arranged for

Mr. Muir's mother, Mrs. Maymie Muir, who is shortly leaving for California. The affair was held at the home of the honored lady's daughter, Mrs. Hoyt, and her husband, in Detroit.

The usual square dance crowd gathered at Livonia Methodist church Friday evening and enjoyed a pot-luck supper and an evening of dancing.

A family pot-luck supper was in order at the Edwin Johnson home on Clarita Ave. Apr. 10. About 25 relatives participated.

One of the nicest of recent affairs was an April Fool party given by ladies of the Livonia Methodist church, taking the form of a "brunch" held at the home of their pastor, Rev. Andrew Michelson on Flamingo Ave. For the occasion, Mrs. Robert Kellogg and Mrs. John Stoughton baked coffee cakes and Mr. Lewis Nickles fried doughnuts. About 25 participated. Each presented the Michelsons with a label-removed can of food. The couple were most agreeably surprised.

Mrs. Walter Rehahn of Mayfield Ave., is suffering with a bad attack of neuritis.

This week children were being registered for kindergarten in Pierson school for next September. Among them were Linda Sandau, Billy Stewart and Bobby Wiltzie.

Mrs. Ward McCain of Shadyside Ave. and Mrs. William Fisher of Mayfield Ave. attended a Livonia Health Guild luncheon and meeting held at Madonna College Thursday afternoon.

In a fall down a flight of steps, 15-month-old Don Maynard of Shadyside Ave. received painful, though not necessarily severe facial injuries.

Local employees for Kaiser at Willow Run have been warned that by Apr. 26 they must choose transfers to either East Detroit, Dowagiac, Mich. or Shadyside, O.

Mrs. Daye Kelbert of Hugo Ave. was hostess to a group from the Church of Christ, Seven Mile Rd., Thursday evening.

Mr. and Mrs. Austin Ault of Brentwood Ave. were recently calling on Mrs. Ted Masters in Wyandotte.

Kathleen Cooke, eldest daughter of Mr. and Mrs. George Cooke of Albion Ave., is slightly improved after being dangerously

## U-M To Be Medical Center In Case of Atomic Bombing

Ann Arbor—In the event of atomic warfare the University of Michigan's medical facilities would be increased six-fold.

The University hospital has worked out a joint plan with Civil Defense officials to make emergency changes which would permit the treatment and hospitalization of 6,000 casualties.

This would make Ann Arbor the medical center of the state should there be atomic bombing of industrial areas.

ill with a complication of measles and flu.

Mr. and Mrs. Robert Laughman and their son, Billy, have moved from Mishawaka, Ind. to Livonia and for the present are residing with Mrs. Laughman's parents, the Ernest Tallmans, of Mayfield Ave.

### SERVICES:

Maundy Thursday, April 15th, 8 P.M.

Good Friday, April 16th, 1:30 P.M.

Easter Sunday, April 18th, 10 A.M.

ALL WELCOME

Dr. Roger B. Nelson, associate director of University hospital and hospital co-ordinator for civil defense operations of all Wash-

tenaw county hospitals, said: "The first thing we would have to do at University hospital is mass-evacuate about 90 per cent of our present patients to dormitory row until their families could come and transport them home."

The remaining 10 per cent of the hospital's patients are not

capable of discharge under any circumstances, he declared.

University officials have approved emergency use of three dormitories which lie directly south of the hospital should the state undergo atomic incident. Stockwell, Alice Lloyd and Mosher residence halls have a present total house capacity of 1,451.

"Taking all our physical resources together," said Dr. Nelson, "we could hospitalize a total of 6,000 patient-casualties."

## A Cure for Juvenile Delinquency

Police officers in Franklin Township, near Middlebush, New Jersey, have tried a new system to curb acts of juvenile vandalism. After rounding up a group of children who had carried out various escapades in their neighborhood, the police took them to headquarters and made tape recordings of their confessions.

Then the police scheduled a date for parents of the children to come to headquarters and hear their children's confessions. The idea is that the parents, upon hearing how their sons and daughters spend their spare time, will best be able to correct the wayward inclinations of their offspring.

No doubt many of the parents will be surprised at their children's free-time activities and the tape recordings should be an

educational experience for them. The police believe that if the juvenile delinquents are not corrected in time, one or more of them could develop into a serious case.

The police plan to erase the tapes after parents hear their children's confessions. They are trying this remedy rather than sending the juveniles to a judge, but if this recourse does not produce results, then the delinquents can "tell it to the Juvenile Court judge".

We endorse the method being tried in Franklin Township, New Jersey, long having believed today's juvenile delinquency is the result of two things: A lack of supervision and care from parents and an ignorance on the part of parents as to what their children are doing in their free time.

## Men On Other Planets

Dr. Harlowe Shapley, Harvard astronomer and publisher of the new book "Climate Change", says there are probably millions of other planets where conditions are suitable for a high form of life. Dr. Shapley's reasoning is not sensational guess work but based on a very conservative theory.

He supposes that only one star, or sun, in each million has planets. Then he sup-

## That Meeting With Russia

The Russian Government recently announced it had accepted a proposal, made by the United States in behalf of this country, Great Britain and France, that the April 26 conference between these three countries and Russia and China, and others, be held in the old League of Nations building. Although the site is not particularly important, there is some significance in the Russian acceptance.

Just prior to the Russian announcement, it was being speculated, even by Secretary of State John Foster Dulles, that the Russians might use a disagreement over the site to stall the April 26 conference. It will be remembered that the Russians haggled and refused to agree on a site for the Berlin meetings for some weeks prior to that conference.

We have never looked for big things from the April 26 meeting at Geneva. Nor

poses only one in a thousand of these planets, or families of planets, has conditions suitable for a high form of life.

That leaves us with one life-bearing planet in every billion stars. But, to play it safe, Dr. Shapley supposes that a high form of life is to be found on only one of every thousand of these billion planets. That leaves 100,000,000 planets where life is possible, or probable.

did we expect much to come from the Berlin meeting, which was the first session between foreign ministers of the East and West in some years. The French hope ardently that they will get a settlement of the long-fought Indo-China War at Geneva.

If the Russians can gain a truce for France in Indo-China, no doubt this would make a wide impression on the French nation—which is already heavily infested with Communists and Communist thinking. The major goal of the Communists at the April 26 meeting is probably a first step in getting China recognized as one of the world's Big Five powers. Unless the Russians think they can make capital gains in France by aiding in arranging a truce, the Communists will probably not be eager for an armistice in Indo-China despite recent French successes.

## MSC Spring Term Enrollment 13,176

East Lansing—Student registration for the Michigan State college spring term totals 13,176, Registrar Robert S. Linton reported. Latecomers are expected to boost the figure finally to 13,400.

Linton said the 13,176 figure is 386 greater than spring term

a year ago and is a normal decrease of 736 from winter term.

Of the number registered, 8,566 are men and 4,610 are women. Linton said the figure includes 372 new students—51 of them doing graduate work.

Men students with service records include 1095 veterans of the Korean war and 470 veterans of World War II.

## 27 Killed, 232 Hurt In 1953 Hunting Season In Michigan

Lansing—During the 1953 deer and small game seasons in Michigan, 27 persons were killed and 232 wounded by hunting weapons.

A total of 671,000 persons purchased small game licenses. During those hunting seasons, 14 persons were killed and 171 wounded by firearm and archery discharges, an average of one fatality per 48,000 hunters and one wounding per 3,900 hunters. In 1952, these averages were one fatality per 74,000 hunters and one wounding per 3,500 hunters.

During deer seasons, 468,000 persons purchased licenses. Of this total, 13 persons were killed and 61 wounded, an average of one death per 36,000 hunters and one wounding per 7,700. The previous year, one person per 29,000 hunters was killed and one per 5,200 wounded.

As in past years, the most dangerous problem was the hunter's own weapon or that of his friend. At least 18 of the 27 deaths were self-inflicted or were caused by members of the victim's own hunting party.

## Greenfield Village To Celebrate Its 25th Anniversary

The concurrent celebration of the Diamond Jubilee of Thomas Edison's invention of the electric light and the 25th anniversary of The Henry Ford Museum and Greenfield Village at Dearborn, will occupy the spotlight during this institution's forthcoming heavy tourist season starting May 1.

The 200-acre area occupied by the Museum and Village, located 12 miles from downtown Detroit, is being readied for one of its biggest years.

Commemorative plans for the dual celebration, including joint displays by the Museum, The Detroit Edison Company, General Electric Company, and Westinghouse Electric Corporation, will stress the Jubilee's theme, "Light for Freedom, Power for Progress".

One of the focal points of light's 75th anniversary will center in Edison's restored Menlo Park Laboratory in Greenfield Village, where his world-famous invention took place Oct. 21, 1879. The original Menlo Park electrical generators and lighting equipment will be in operation to furnish light for eight Edison buildings.

## WE SERVICE

A replica of the Edison Illuminating Company, Detroit's first electrical power station in 1886, has been put into operation by the Detroit-Edison Company. In 1887 the Illuminating Company provided power for the city's 10,000 incandescent lights.

The Illuminating Company will provide power to light a 50,000 watt lamp, largest in the world when it was made in 1936, which will be illuminated in the Village. The immense lighting device will get its power from three antique steam driven bi-polar generators serviced by the late Henry Ford, who was the plant's chief engineer at the time he was working on his very first car.

A spectacular "Light Sorcery" demonstration on the theories of light and some of the phenomena surrounding it will be presented in cooperation with the General Electric Company. The dramatic working presentation, to be held in the Museum Theater, will run continuously throughout the summer jubilee season from May through October.

## MICHIGAN MIRROR

A REPORT FROM THE CAPITOL by Gene Alleman

Quick, tricky legislative action in final days of the 1954 session is responsible for a law designed to "prevent the milk bottle from becoming a medicine bottle". The bill, which was defeated in one session only to be passed in the next, needs only the governor's signature to become effective.

Super-fortification of milk was the issue. Milk processors, mostly from Detroit, were anxious that the present law remain unchanged. Farm groups were determined that limits should be placed on amounts of vitamins, iron, iodine and other chemicals that could be added to "nature's most perfect food".

The ensuing maneuvering taxed parliamentary talents of supporters of both sides.

Basis for the battle is a practice that has developed in recent years to add more and more "fortification" to milk. The specific product sold at present contains sufficient "souping up" to cause medical authorities and nutritionists to consider it a menace on the market. The milk, usually sold in a brown bottle, is priced two cents above the standard milk grade; one cent above homogenized milk with the acceptable 400 units of vitamin D added. The argument does not concern homogenized milk. About 100,000 quarts of super-fortified milk is sold each day, according to the department of agriculture.

Super-fortification is considered by its opponents a dangerous trend in tampering with food. They contend that a normal diet supplies sufficient vitamins, minerals, etc., for a normal person. Too much concentration of some vitamins, they explain, can cause serious health difficulties.

Dairies competing for sales, they point out, could easily "spike" milk more and more until the danger point is reached. If other food manufacturers began adding extra vitamins, nutrition experts say that diets could go haywire.

Higher milk consumption is claimed by processors who favor super-fortified milk with a resulting benefit to farmers.

Dairy farmers got into the fray after hearing warnings from several food experts who were concerned that "doctoring up" of milk might move it from the food category into a drug or tonic class. Both Prof. Margaret Ohlson, Michigan State College diet authority, and Dr. Harry A. Towle, pediatrician from the University of Michigan have warned against that danger. Since nutritionists are a great force in promoting milk as an excellent food, farmers do not want to see anything happen that would lessen their support.

The bill that would outlaw super-fortification of milk passed the House some time ago and came up last week in the Senate when legislators were battling budget problems and several others. It lost by one vote. Democratic senators from Detroit were anxious to bury the issue still deeper. Sen. Charles S. Blodgett and Sen. Charles C. Diggs, Jr. attempted this by the use of Senate rules and nearly succeeded.

Frantic do-or-die thinking by representatives of the Michigan Farm Bureau and others came up with a plan within the Senate rule structure—and one that worked.

The proposal which failed to pass was quickly assembled as an amendment to another dairy bill. Letters in its support from the Michigan State Medical Society and from the State Department of Health were read by Republican Sen. Edward Hutchinson from Fennville. Both scientific groups opposed super-fortification.

Sen. James M. Teahen, Jr. (R-Owosso) stimulated debate by charging, "I have never encountered so much lobbying as I have against this bill by the big creameries—much of it misleading lobbying." He also needed: "I can't help but be interested in the enthusiasm shown against this bill by the Democratic senators from the great dairy area—Detroit."

After dramatic debate the vote showed a clear victory for opponents of super-fortification. The final tally was by party lines: 23-8. Sen. Donald W. Gilbert from Sag-

inaw was the only Republican who voted for super-fortification. The other seven votes were cast by Senate Democrats. The eighth Democrat was not present.

An \$80 million bonus for Korean veterans will be decided by Michigan voters at the fall election. Both chambers of the legislature passed resolutions which will put the question on the ballot.

There was virtually no dissension in the Legislature. In the House only two voted against the proposal: Representatives Lewis G. Christman, Ann Arbor, and Eugene C. Betz, Monroe. In the Senate there were also two negative votes: by Sen. Clyde H. Geerlings, Holland, and Sen. Donald W. Gilbert, Saginaw. All four age Republicans.

"Where is it going to end?" ask Rep. Christman. He prefers to set some money aside for veterans who have emergency needs. Rep. Betz opposed the bill because he thought the voters should know where the money to pay the bonus is coming from. Sen. Geerlings believes that the payment of bonuses for military service can no longer be justified because present world conditions indicate that Michigan men will be serving for many years. A bonus to everyone who serves, he thinks, will be impossible. "It was the general opinion that there would be no more fighting after World War II," the Senator explains. "A bonus then didn't seem to be the permanent thing that a bonus under today's conditions does."

Little inclination was shown by Legislators to debate their bonus. This is a campaign year and the general feeling exists among lawmakers that the bonus issue is nothing to wrangle about—"Let the voters decide."

This proposal pays a top of \$500 to a service man. To be eligible, a veteran must have served in the armed forces from June 27, 1950 to Dec. 31, 1953. He will be paid \$15 for each month of overseas duty; \$10 for each month of duty inside the U.S. Bonuses are expected to average about \$270 per veteran.

## CAN STARTS FIRE

HAMDEN, CONN. — A can, filled with gasoline, rolled off a truck and ignited as it spilled over leaves along the highway. The flames set fire to woods nearby.

## look to Plymouth for power news

In the low-price field, ONLY PLYMOUTH brings you NEW POWER for flashing new performance—NEW POWER for still more driving ease—NEW POWER for greater driving safety!

## new PowerFite transmission with new PowerFlow engine

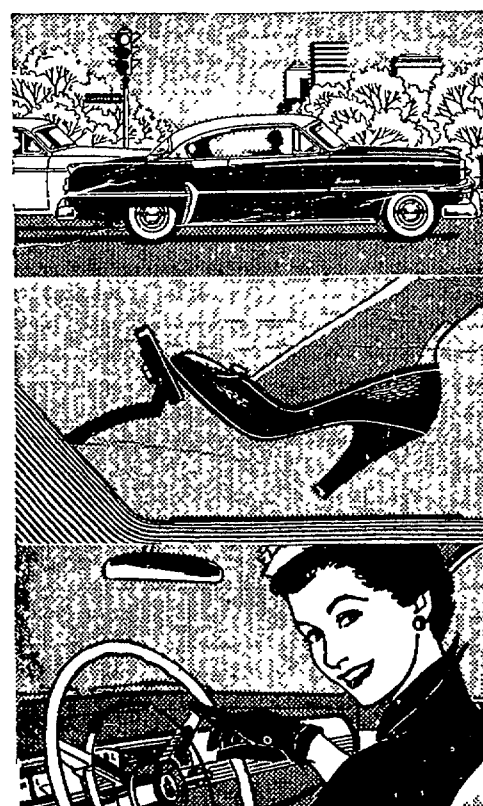

PowerFite, the newest, smoothest fully automatic no-clutch transmission in the low-price field, combined with the great new PowerFlow engine, gives you flashing acceleration with no lurch or lag. The PowerFlow engine's new 110 horsepower gives you ample reserve power for any driving need.

## new Power Brakes

You get quick, smooth, straight-line stop with only half the usual pedal pressure! New Power Braking works with Plymouth's famous Safe-Guard hydraulic brakes which have two brake cylinders in each front wheel, where competing low-price cars have but one.

## full-time Power Steering

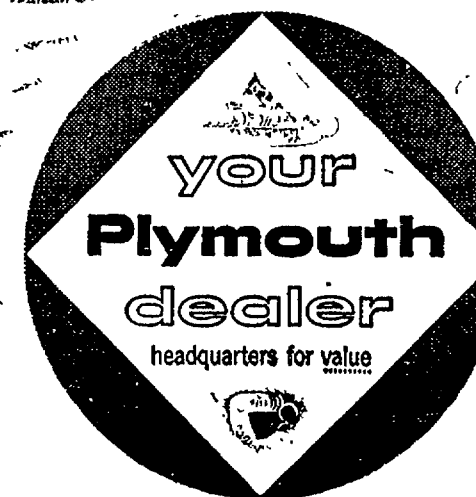

Plymouth's Power Steering works full-time, not "on again-off again." It soaks up road shocks, eliminates "wheel fight," gives you more precise control on rough, bumpy roads or in deep sand or mud. And Plymouth's Power Steering lets you park with one-fifth the normal effort!

Just as Plymouth has always brought you the newest developments in riding comfort and driving safety, Plymouth now brings you the newest power advances in the low-price field! Come in and try Plymouth's sensational new performance, experience its great new driving ease—let us arrange your demonstration drive today!

PowerFite, Power Brakes and Power Steering each available at low extra cost.

Fun for the whole family! Enjoy "That's My Boy" each week on CBS-TV. See TV page for time and station.

## Births...

A baby girl, Kathi Louise, was born to Mr. and Mrs. Sheldon L. Williams in Jacksonville, Fla. Apr. 4. Sheldon is in his fourth year serving in the navy and is the son of Rev. W. Leslie Williams, who served the Northville Methodist church.

## More Gray Ladies Sought at Hospital

The recruitment drive for new Gray Ladies to serve at Northville State hospital is still in progress. Anyone interested in serving as a Gray Lady, who is between 25 and 55, has a high school education or its equivalent and who can volunteer a minimum of 150 hours a year, is invited to come to the hospital on either Thursday, Apr. 15, or Tuesday, Apr. 20, between 10 a.m. and 4 p.m. for an interview with a Red Cross representative.

## Honored at Luncheon

Mrs. Belle McColl, noted lecturer, world traveler and expert gardener, was the honor guest at a surprise luncheon at Botsford Inn Tuesday.

The luncheon was given by 20 Northville women who are members of a class in parliamentary usage, and was planned in cooperation with Mrs. McColl's daughter, Mrs. Alex Lawrence of Meadowbrook Rd., with whom she resides.

Mrs. McColl was a personal friend of Emma Fox, whose book on parliamentary law is used all over the world. She has been conducting the class on an informal basis for some time.

## Ellison Tea Colorful Affair

A beautiful pink and white soup tureen complete with ladle and platter in Staffordshire was the inspiration for the color scheme of the dining room in the E. V. Ellison home on W. Dunlap St. where Mrs. Ellison held a spring tea last Friday afternoon.

Pale blue walls and deep pink drapes were the background for the colorful tea table which was covered with a grey cloth. Pink snapdragons centered the table with white milk glass candle holders and pink candles on each side. Pink napkins and pink and white candies also carried out the color motif.

Pouring at the tea table during the afternoon were Mrs. Del Hahn, Mrs. Russell Atchison, Mrs. Walter Couse, Mrs. Albert E. Northup, Mrs. Fred Collins, Mrs. William Cansfield, Mrs. George Alexander and Mrs. C. M. Goodrich.

## Alley Project Looks Favorable

That an alley will finally be built in the rear of stores fronting on the north side of E. Main St. and the east side of N. Center St. is now virtually certain, Nelson C. Schrader, Jr., president of the Northville Retail Merchants Ass'n., reported at the organization's meeting Monday evening.

Schrader said he has told the Village Commission that local merchants will contribute approximately \$8,000 toward hard surfacing the alley when the village has secured all pieces of property necessary for the alley right-of-way. Only a small footage from the rear of the Pickard lot at the corner of N. Center and Dunlap streets remains to be acquired, the Spagnuolo family having recently agreed to donate a key strip of land in the rear of its Main street frontage, Schrader said.

Roy Stone, of Stone's Gamble Store, expressed the opinion that if the village puts through the alley and hard surfaces it most of the merchants along Main St. will black-top the area between the alley and their stores so the public can enter from the rear.

## News Around Northville

Mrs. Millard Lampell and small daughter, Jane, are returning to their home in New York City Thursday after spending the past week with Mrs. Lampell's mother, Mrs. Harvey Whipple, of W. Main St.

Mrs. Alex Christianson has returned to her home on E. Nine Mile Rd. from a several months' vacation in St. Petersburg, Fla.

Mrs. Jack Blackburn and Mrs. George Keskey of Detroit spent last week-end in Dayton, Ohio visiting Mr. Charles Paul and Mrs. Charles Blackburn.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Mr. and Mrs. Ed Asher of Grace St. celebrated their 39th wedding anniversary Sunday, Apr. 11, at the home of their oldest son and daughter-in-law, Mr. and Mrs. George Asher of Berkeley, Mich.

There were 32 present, including 18 grandchildren. The other sons and daughters that were present were Mr. and Mrs. Tony Bombach, Garden City; Mr. and Mrs.

Arthur Tibbitts, Kinde, Mich.; Mr. and Mrs. Robert Sturm, Port Austin; Mr. and Mrs. William Asher, Northville, and son, Edward. They were presented with a purse of money.

Come in and see the new paint designs. Super Kemtone Appli-kay roller kit. Gambles. 46ff

Mr. and Mrs. Earl Patterson of Cady St. have returned from Clymer, Pa. where they attended the funeral of Mr. Patterson's father.

The Blue Star Mothers would like donations for their rummage sale to be held Apr. 29-30 at the American Legion hall on Dunlap St. Anyone desiring to make a donation, kindly call 645-M in the evening or 960-J during the day, and the donations will gladly be picked up.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Mr. and Mrs. Fred Kidman of Rogers St. are spending a few weeks in Florida. They were accompanied by Mr. and Mrs. Claude Goodrich of Dowagiac, Mich.

Mr. and Mrs. F. M. McCormick of Maxwell Rd. spent Saturday in Kalamazoo, visiting Mr. and Mrs. John Squire, aunt and uncle of Mr. McCormick.

Super Kemtone has 24 beautiful new colors for your spring decorating. Now available at Clark's. 44-47

Mrs. Mabel Walker Miller entertained her Bolivia club at a dinner at her home on Cambridge Dr. Monday evening. Her guests for the evening were Mrs. T. Knapp, Mrs. E. Miller, Mrs. C. C. Yerkes, Mrs. James Huff, Sr. and Mrs. N. C. Schrader, Sr.

Clark's newly enlarged paint department has dozens of delightfully new paint colors for your spring painting. 44-46

Mr. and Mrs. Frank Hamil went to Washington, D.C. this week to view the cherry blossoms.

Mr. and Mrs. Robert Williams of Detroit spent last week-end with Mrs. Williams' parents, Mr. and Mrs. Harold Bloom.

Gail Matzen and her school-mate, Judy Barnsbach, visited

Gail's parents, Mr. and Mrs. Donald Matzen of Novi Rd., Apr. 8 to 14. The girls were here on spring vacation from Monticello college in Illinois.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Mrs. Stan Schaefer, Mrs. Robert Williams, Gail Matzen, Judy Barnsbach and Gay Duerson were dinner guests of Barbara Couse last Saturday.

Mr. and Mrs. Norman Witt of N. Center St. entertained 65 guests at dinner Sunday in honor of the confirmation of their daughter, Margaret, at St. Paul's Lutheran church. Guests were present from South Lyon, Wayne, Fowlerville, Dexter, Ann Arbor, Farmington, Arlington, Va. and Northville. Margaret received many lovely gifts.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Mr. and Mrs. Charles Luchman of Orchard Dr. have returned from an extended trip through the East, visiting in New York City and Bridgeport, Conn. They were guests of Elmer Moss, president of Cadence Record Co. While in New York City the Luchmans attended the Arthur Godfrey show "Break the Bank" and "Double-or-Nothing" television shows as well as several Broadway plays. They enjoyed their return trip via American Airlines. Mr. Luchman is director of music at Bloomfield Hills high school.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Howard Meyer, who attends Albion college, is home this week for spring vacation visiting his parents, Mr. and Mrs. Howard Meyer, of W. Eight Mile Rd.

Arlene Nelson will be home tomorrow to spend her spring vacation from Michigan State Normal college with her parents, Mr. and Mrs. R. G. Nelson, of Napier Rd.

Mr. and Mrs. Robert Gage, Mr. and Mrs. Bruce Gage of Grand Rapids and the Hemingsen family of Royal Oak are spending Easter at the Paul A. Bayless home on W. Eight Mile Rd.

Barbara Bayless is expected home this week for her Easter vacation from Michigan State college.

Mrs. Ernie Shave has returned to Northville after a two months' vacation at her winter home in Lake Worth, Fla.

Rummage Sale, at Methodist Church, Apr. 23 and 24. 46

Mrs. Howard Meyer and Mrs. R. G. Nelson report that there has been a splendid representation of women from the Presbyterian Women's Organization at the Jefferson Avenue Presbyterian church in Detroit. Twelve women were present at the meeting this month which was the annual meeting.

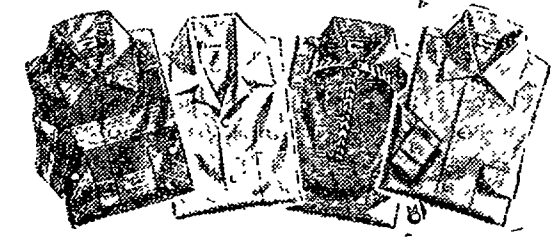

Word has been received in Northville of the death of James Stephenson, husband of Mina and brother of Mary and Harrie Cassie, last Sunday afternoon at Mound Park Hospital, St. Petersburg, Fla. The Stephensons were former residents of Northville.

FORREST F. PHILLIPS

CHARLES BAHNMILLER

**CARD OF THANKS**  
I wish to thank everyone for the many cards and flowers and gifts I received while in Mt. Carmel Hospital and since returning home. Special thanks to Rev. E. E. Rossow, Dr. Wetterstroem and Dr. E. Capuzzi.

Margaret Witt

**CARD OF THANKS**  
I wish to thank all my old friends and neighbors for the cards and letters. They have helped so much during my illness.

Mrs. Alice Des Autels  
DeFuniak Springs, Florida

### VFW Post, Auxiliary Install Officers

Public installation of officers of the Veterans of Foreign Wars Post and Auxiliary to the post was held at the VFW hall on Plymouth Rd. last Sunday.

Taking office with Commander Art Ash were senior vice-commander, Barnaby J. Bird; junior vice-commander, Alfred Smith, Jr.; chaplain and service officer, Wilfred Troups; quartermaster, Lawrence McArthur; three year trustee, Glen Gerard; two year trustee, Clayton Meyers, and one year trustee, Jack Nulty.

Mrs. Florence Russell was installed as president of the auxiliary and taking office with her were senior vice-president, Beatrice Myers; junior vice-president, Dorothy Perry; treasurer, Lee McArthur; secretary, Glory Brown; chaplain, Ruth King; conductress, Grace Bird Light; guard, Mary Slessor; three year trustee, immediate past-president, Margaret Rager; two year trustee, Stephanie Bird; one year trustee, Zeta Riley.

Installing officer for the Auxiliary was Department of Michigan President Ethel Gagner, and Post Department Commander of Michigan Goldie Slater was installing officer for the post.

Luncheon was served for 100 members and guests, and visitors were there to attend the impressive ceremonies from all over the state.

Intelligence does not always accompany the degrees that some people acquire.

### Boy Scout Troops Sponsor Movie

This week's movie will be a technicolor feature — "Curley". Also news reel and travelogue. Friday and Saturday at the Scout building. Admission 20 cents.

The Explorers of Troop N-1 Boy Scouts are the sponsors of this week's films and all proceeds will go to that organization.

### Recreation Trip Planned Monday

A recreation trip is planned for next Monday and both girls and boys are invited. Wear jeans or slacks, pack your lunch and meet at the Scout building at 10 a.m. and plan to be home around 4 p.m. Be sure and get your trip slip signed for this outing.

### WOMAN'S WORLD

#### Here Are Tips On Curing Those Washday Blues

YES, there are more clothes in the laundry these days! It seems to be one of those things that comes with more outdoor living with its increase in play clothes, extra changes of clothing to keep comfortable, and perhaps even going out more frequently.

There are some solutions to the problem of extra laundry, and though each tip may seem small, they do add up to time and effort saved.

First of all, check before you buy anything more. Denims and seersuckers as well as wrinkle-resistant fabrics, of which there are many, will cut down on your ironing. Have you made as much use of these as possible?

Nice drying days with gentle breezes will whip wrinkles out of clothing fast, to be sure. Fold things into your laundry basket right off the line. Some things can go right into the drawers, while the others will need little ironing, as they're unwrinkled.

**Soak Greasy Clothing**  
Do you have a mechanic, junior or senior model, in the home? These clothes are a headache, but not if you soak them in hot soapy or detergent suds.

This pre-washing soaking should be done in a tub so that you can save yourself cleaning the washing machine. These clothes should then be washed in very hot water with rich suds, either soap or detergent type.

If clothing is very dirty, use washing soda, borax or one of the water-softening powder in their laundering.

**Solled Handkerchiefs**  
Men folk don't realize what a problem solled handkerchiefs can be in the laundry. They can amount to a wash in themselves, and really should be treated as such. Encourage the family to drop handkerchiefs into small plastic bags, and this saves sorting.

When you've collected enough of them, wash separately and all together. It may be necessary to add bleach to the wash water, then make certain the handkerchiefs are thoroughly rinsed.

If handkerchiefs are badly stained, bleach before washing by soaking in a quart of very hot water to which a tablespoon of chlorine bleach is added, for 15 minutes. Then wash and rinse as usual.

### News from NORTHVILLE GIRL SCOUTS

Gathered by Janice Tuchelski  
Troop 10—The girls in Troop 10 received their world and Scout pins. They reviewed how to purify water and some of the girls made tin can stoves.

Joanne Lessway, Scribe

Troop 8—Meeting was held at the home of Mrs. Alex Lawrence. The troop's best friend, Mrs. Chris Witwer led a discussion on "Teen Talk".

Janice Tuchelski, Scribe

Troop 13—Plans were made for a Mothers' tea to be held Apr. 23 at the Scout building. Linda Hix is soon to be invested and become a full-fledged girl scout.

Helen LaRose, Scribe

Troop 12—We played a game for the International Friendship badge and talked about the train trip to Detroit.

Carol Allen, Scribe

Troop 11—Some of the girls worked on their efficiency badge. Two girls worked on their cooking badge and made cup cakes for the nibble box.

Carol Ann Bensen, Scribe

Troop 21—We went for a long walk by the Mill Pond, over to Novi Rd. along Baseline, down Center street to Main street and back to the church.

Lou Ann Comer, Scribe

### BROWNIES

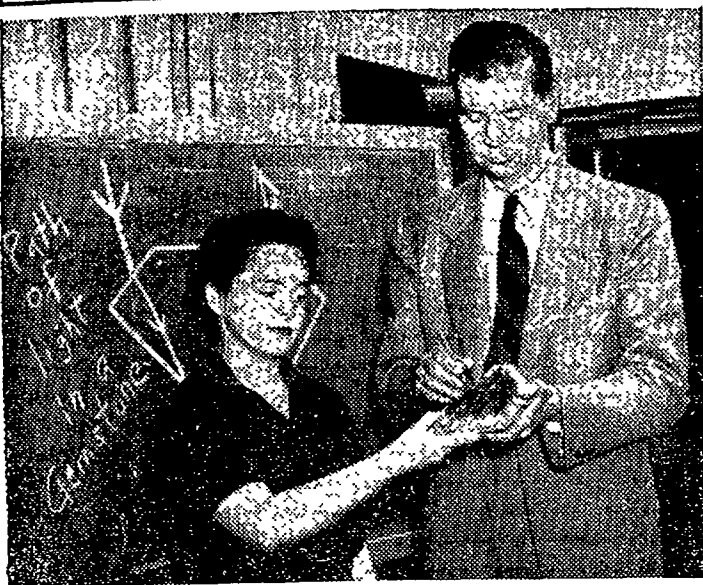

Troop 17—A business meeting was held after which we played games and ate cookies from our nibble box.

Mary Wetterstroem, Scribe

Troop 15—We had a business meeting and then made place mats for children at the San. After that we had cookies for refreshments. We are going to Greenfield Village Monday, Apr. 12 and will take our lunch with us. We will visit the Village and museum.

Pam Kay, Scribe

### Precious Gem Minerals Are Rare In Michigan, Says Wayne Geologist

Examining a specimen of amethyst crystals are Dr. Willard H. Parsons, chairman of Wayne University's geology department, and Helen Kertes of Port Huron, a senior in Wayne's College of Liberal Arts.

Precious gems were perhaps man's earliest cherished possessions. What is a gem? What makes a gem precious? Do gem quality minerals occur in Michigan?

Dr. Willard H. Parsons, chairman of the geology department at Wayne University, says that a gem must have the following characteristics: (1) Beauty—a gem must have a pleasing color and a certain amount of transparency. (2) Durability—a gem must hold up under hard wear. It must be hard enough to resist scratching and tough enough to resist breakage. (3) Rarity—to be highly prized, a gem must be rare.

In Michigan, gem variety minerals are a rarity, indeed. Although three or four diamonds have been found in glacial gravels in scattered localities, no large deposits of gem stones have been discovered in Michigan. However, there are a number of minerals which have unusual color markings but are not well-known or "fashionable" enough to be considered gem quality.

Michigan agate which has red and white banded coloring is found on the shores of the Keweenaw Peninsula in Upper Michigan. The Thomsonite, greenstone, and dat-

ite are minerals which occur only in Michigan, in the Lake Superior-Ile Royale district. Petoskey stone, found along the beach near Petoskey, is a fossil coral. It is solid and takes a high polish. Quite soft and easily scratched, however, it is used primarily for decorative objects.

Gems may be classified into three groups—natural occurring gem materials, synthetic gem stones, and imitations. Synthetic gem stones, according to Dr. Parsons, are man-made but contain the same properties and composition as the natural material. Imitations are those "gems" which are made of glass, plastics, or ceramics. Some organic materials, such as pearl and coral, are considered gem quality.

It takes a trained eye and special equipment to distinguish most synthetics and many imitations from a genuine gem stone. Unless Dr. Parsons says, a prospective buyer has special training, he should avoid "shady deals" and depend on a reliable jeweler.

Dr. Parsons is appearing on a current Wayne University television series over WJBK-TV in Detroit about the origin, industry, and care of gems called "Nature's Treasure Trove."

### We have a line the gals go for (Have you seen our Spring Fashion Show?)

YOU can't fool the ladies when it comes to styling.

From clothes and hemlines, to cars and color schemes—they insist on a fresh new look and a fresh new change—and anything else won't do.

So it's easy to see why the gals—bless 'em!—have been going for Buick in a great big way—going for the glamorous modernity of these new-day automobiles ever since the first public showing a few short months ago.

From the beginning, they've been going for the sleeker, longer, lower lines—the futuristic shaping of the new windshields—the stunning décor of the striking new fabrics—the clean simplicity of the new instrument panels.

But you ought to see how they go for the gay new car models in Buick's Spring Fashion Show! Fresh new Convertibles, Rivas and Estate Wagons never before available—and in gorgeous new summer colors never shown before!

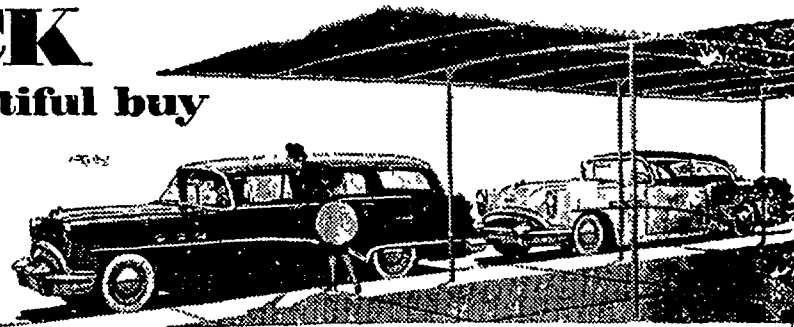

And you ought to see how they go—as the men certainly do—for the

thrilling new V8 power, the buoyant new ride, the superb new control, and the almost effortless handling ease that are all part and parcel of every new 1954 Buick.

Why not visit our Spring Fashion Show and see for yourself the fresh new tomorrow that's here now—in today's Buick? Then we can show you the prices that make this beauty the buy of the year.

### BUICK the beautiful buy

THE COMPLETE LINE-UP OF BUICK BEAUTIES FOR 1954 includes stunning new all-steel Estate Wagons and "hardtop" Rivas, as well as gay new Convertibles, in both the low-priced V6 Special Series and in the high-powered Century Series.

## Softball Entry Deadline Set

Deadline for registration of teams in the Northville Softball league has been set for Apr. 29. All team managers must contact Wilson Funk, recreation director, or Douglas Slessor by that date to permit completion of the sche-

dule. There will be no exceptions, Funk said.

The last meeting of the team managers before the start of play will be May 4.

The cub scout committee meeting was held at the home of Mrs. Don Hicks last Monday evening. Plans were made for the next pack meeting which concerns movies and a skit that will be presented by Den No. 1.

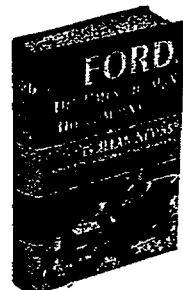

Here's fun for the gang! Smooth bowling on well-conditioned and maintained alleys. No wonder old friends make this their "fun-night" headquarters.

## Northville Center Recreation

Phone 235

The monumental record of a mechanical, economic and social revolution as traced in the story of one of the great industrial organizations of the United States—the story of an age and a movement as well as that of a company and its head.

# FORD

## THE TIMES, THE MAN, THE COMPANY

By ALLAN NEVINS

Winner of the Pulitzer and Bancroft Prizes for Biography

This book by the distinguished historian Allan Nevins is a definitive work not only on Henry Ford, the man, but on an entire era, one of the most exciting in American history. Based on a mass of hitherto confidential material, it describes the forces and men that produced the gasoline engine and the first automobile. Here in one volume is a powerful, highly readable interpretation of America and American industry in a great period of creation and growth.

### RURAL HILL CEMETERY FUND

Pay Roll ..... \$7,829.15

George Jerome & Co., Survey ..... 396.50

Moved by Stubenvoll, supported by Reed, that bills be paid. Carried.

### PUBLIC IMPROVEMENT FUND

Moved by Stubenvoll, supported by Reed, that bills be paid. Carried.

Communication was read from the Wayne Co. Rd. Comm., recommending that the Village write the Detroit Edison Co. that they wished to change the traffic lights at Main and Center Sts. from two-way to four-way signals at the time these signals are changed to the new Edison poles to be installed. Moved by Allen, supported by Welch, that the Clerk write the Detroit Edison Co. as recommended. Carried.

Moved by Allen, supported by Peters, that a letter be written to the Board of Wayne Co. Road Commissioners, thanking them for the courtesy of extending of \$17,500.00 payment still due on the Seven-Mile Cut-off from Sept. 1st, 1954 to Sept. 1st, 1955, and also that agreement to cover this change be approved and signed when it is received. Carried.

The letter read from the Detroit Edison Co. regarding an ordinance providing that no permanent buildings be constructed over utility easements, was turned over to Atty. Ogilvie for study and recommendation.

Pres. Ely recommended the following appointments for the ensuing two years: Chief of Police, Joseph E. Denton; Police Sergeant, Gil W. Glasson; Public Works Supt., Herman Hartner; Public Works Asst., Lewis Clark; Health Officer, V. George Chabut; Village Attorney, Philip R. Ogilvie; Caretaker, Arnold Teshka; Fire Chief, Wm. McGee; Asst. Fire Comm., John F. Stubenvoll; Bldg. Inspector, J. Stanley Waterloo; Elec. Inspector, George L. Young.

Finance Committee, John F. Stubenvoll, Chairman, Earl L. Reed; Public Works Comm., A. Malcolm Allen, Chairman and Alton Peters; Recreation Committee, E. C. Welch, R. H. Amerman, Robert Coleman, Lynn C. Sullivan, Anthony Bongiovanni, and from the township Mollie Lawrence and R. D. Merriam; Civil Defense, C. Oscar Hammond, Earl L. Reed; Community Bldg., F. Alton Peters, Chairman, A. Malcolm Allen, Wilson Funk, Lynn Sullivan; Board of Review, Garrett Barry, Levi M. Eaton; Mayor Pro Tem, John F. Stubenvoll; Cemetery Committee, A. Malcolm Allen, Chairman, E.C. Welch, Chas. Carrington, Conrad Springer.

It was moved and supported that these appointments be confirmed as recommended. Carried.

Pres. Ely then stated that in order to have all appointments made at the same time, he was recommending that the Zoning Board of Appeals be re-appointed, as well as the Village Planning Commission, and the following are his recommendations:

Zoning Board of Appeals (3-year term, Elmer DeKay, Chairman, Mollie Lawrence, Lawrence LeFevre; (2-year term), Ernest Wilsner, Harry German, Arthur Schnute; (1-year term), James Green, A. C. Carlson.

Village Planning Commission (3-year term), T. R. Carrington, Chairman, Harry Wagenschutz, Charles Murphy; (2-year term), George Zerbel, E. W. Ebert, Jr., Carl Ely; (1-year term), Preston Fuller, Joseph Hoehl.

Moved by Stubenvoll, supported by Peters, that these appointments be confirmed. Carried.

Treasurer's report was submitted and showed the following balances in the several accounts as of March 31st, 1954:

General Fund ..... \$5,853.27

Water Fund ..... \$1,054.59

Rural Hill Cem. Fund - Gen. .... \$ 944.70

Rural Hill Cem. Fund - Trust ..... \$ 254.90

Rural Hill Cem. Fund - Investments .... \$5,400.00

Public Improvement Fund ..... \$48,304.30

Upon recommendation of Treas. Clarke, it was moved by Peters, supported by Reed, that \$10,000 be transferred to the General Fund from the Public Improvement Fund as a temporary loan. Carried.

Chief Denton gave the report of the Police Dept. for the month of March, 1954.

Fire Chief McGee reported that there had been six grass fires during the month and that fire damage to houses amounted to approximately \$3,200.00 according to insurance estimates.

Supt. Hartner gave a report of the work done by his department during the same period. Moved by Allen, supported by Stubenvoll, that these reports be accepted and placed on file. Carried.

Comm. Reed reported that before deeding the land wanted from the Spagnolos for alley purposes, they want assurance that they will be granted the privilege of loading and unloading their trucks in the alley for business purposes, with no police violation tickets for so doing, and it was moved by Comm. Reed, supported by Comm. Stubenvoll that a written agreement be executed granting them the right to do what they request. Carried.

Moved by Peters, supported by Reed, that the Village pay one-half of the cost of removing a tree located on W. Cady St. which is endangering the building of Angelo Gadiola, and which is partially located on Village property. Carried.

Letter was read from Village Planning Commission recommending that the Village commission re-zone Lots 2 and 3 of Millview Subdivision as R-3, and it was moved by Stubenvoll, supported by Welch, that this recommendation be adopted. Carried.

Comm. John F. Stubenvoll, Chairman of the Finance Committee, presented the proposed budget for the year 1954-55, and after going over the items at some length, it was moved by Comm. Stubenvoll, supported by Comm. Peters, that same be posted in three public places as set forth in the charter and that a notice of public hearing be printed in the Northville Record stating that final hearing will be held on Apr. 19th, 1954, at the Village Hall at 8:00 P.M., at which time all citizens are invited to participate in such hearing. Carried.

No further business appearing, meeting was adjourned.

(Signed) Mary Alexander, Clerk

## NEWS NOTES FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX  
Phone Northville 245-J

### Social News

About 20 friends and relatives surprised Doyce Ward at his home Saturday evening to help him celebrate his birthday which occurred earlier in the week.

John and Mitchell Rackov, who are attending the University of Michigan, spent the week-end with their parents, Mr. and Mrs. William Rackov, on First St.

Sue F'Geppert, daughter of the Erwin F'Gepperts, will celebrate her ninth birthday on Friday, which is Good Friday.

Mrs. Luther Rix left by plane Tuesday evening for Washington, D.C. to visit her son, Victor, and his family for a few days.

Two dances were held in Novi Saturday evening. One at the Community hall and the other at AmVet post home. Both dances were well attended.

Mrs. Clare Lockwood attended the funeral of her cousin in Detroit Tuesday.

Inside repair work is taking place at the Novi Convalescent Home this week.

Mrs. Julia Baylo, a guest at the Novi Convalescent home, is visiting her niece in Detroit, Easter.

Edna Hoaglin, also a guest at the home, is spending Easter week-end with Mrs. Jean Van Sickle.

Mrs. William Mairs visited at the Novi Convalescent home on Monday in the interest of the Sunshine club.

Rev. O'Neill, pastor of the Novi Baptist church, called at the convalescent home and conducted services for Mr. Eugene Root and Mr. William Blackwell.

### Novi School News

Martha Goodfellow, Novi school spelling champion, attended the district bee in Milford Friday afternoon. Her mother, Mrs.

Goodfellow, her teacher, Mrs. French, Carol Wendland, runner-up, and Harry Schenimann accompanied Martha.

Each grade is busy on plans for the School Fair May 7. The grades will give a square dance demonstration free at the beginning of the evening's program.

The eighth grade class planted 600 multiflora roses on the Roy Moody farm. They expect to plant over 100 spruce and pine trees on this farm. Mr. Moody's farm will be a model farm to show what farmers may do in order to help conserve our natural resources.

The eighth grade has just purchased a large aquarium for the purpose of exhibiting native fish.

The fourth grade Penny club will sponsor an Easter Egg contest Apr. 14. A two-cent fee must accompany each entry. Ask any fourth grader for a copy of the contest rules.

Waldon Stevenson has moved from Novi School district to Redford.

The fourth grade Penny club made \$6.76 from their apple and fudge sale. The money will be used to purchase film strip for the room.

The third grade has a new boy in their room. Jimmie Jones of Plymouth. Ivan Fisher is back in school again after an attack of bronchial pneumonia.

The mothers of the school children are already sending articles that they have made for the gift booth for the School Fair.

Mrs. Ralph Folkenroth of Berkeley gave an interesting and educational talk on polio vaccine to parents of the first, second and third grade pupils Apr. 8 at the Community building. Mrs. Fol-

kenroth is public education chairman for Southern Oakland county.

### Card Party Apr. 23

The Novi Chapter 47, Blue Star Mothers, will sponsor a card and bunco party at the Novi Community hall on Friday, Apr. 23, beginning with a luncheon at one o'clock. Prizes for each table and door prizes. Mrs. John Klaserner will be in charge.

The Novi Chapter of the Blue Star Mothers made a trip to Maybury San. this week on Wednesday, with 65 Easter baskets for disabled veterans. Those who went were the chairman, Mrs. Gardella, and other mothers were Mesdames Klaserner, Ward, Miller, Mandilk and Stephens.

Several Blue Star Mothers served the dinner at the Novi AmVet banquet Saturday evening. They were Myra Ward, Hazel Mandilk, Alma Johnston, Ethel Smith, Laney Rix, Thyra Gardella and Zeta Tuck.

### Novi Girl Scout News

Novi Girl Scout Troop No. 493 learned a lot about how a newspaper is edited when they were conducted through the Northville Record offices last Thursday; for which they wish to thank the Record personnel. They also want to thank Harold Bloom, who treated the girls to ice cream cones at Cloverdale Dairy. The mothers who furnished transportation were Mrs. Leo Harrawood, Mrs. George Lien and Mrs. George McCollum.

Novi Brownie Troop No. 492 met in the Novi Community building Wednesday, Apr. 7. They made Easter baskets. Treats were furnished by Rita Crawford and Carol Ann Newbegin.

Novi Intermediate Troop met at Novi School Wednesday, Apr. 7. They made Easter gifts for their mothers. Several girls worked on games for their second class badge. Jackie Bailey and Linda Kolk furnished treats.

Novi Senior Girl Scouts had their regular meeting at the home of the leader, Pauline Bassett. Plans were made for a camporee week-end in June with the Farmington girls.

On Tuesday, Apr. 6 at one o'clock, the Novi Brownie and Intermediate leaders met at the

home of Dora Eby on Twelve Mile Rd. to discuss plans for fall. There will be two additional troops, one Brownie and one Intermediate, to register them, so any mothers interested in being committee women, contact Mrs. Georgia Larson, neighborhood chairman.

The following leaders attended day camp training Wednesday, Apr. 7 at the Lutheran Church in Huntington Woods: Mrs. Edelman, Mrs. Dye, Mrs. Jackson, Mrs. La Plante and Mrs. Eby. These leaders are planning on attending the last day camp sessions Aug. 3 through 13. Day camp this year will be known as Westwood Day Camp to be located at the end of Carleton Rd., near Nine Mile Rd., between Telegraph and Beck roads. The fee this year will be \$6.25, slightly higher than last year, however, this amount covers an eight day session with all lunches furnished as well as bus service. All Brownies and Scouts who have not yet received a reservation card contact your leader or Mrs. Larson at once.

Don't forget the Novi School Fair May 7, 7:30-10. Many, many events are in store as each room will sponsor one or more activities. In Mrs. Sharpe's room, the youngsters will see special Walt Disney films and the best cooks in Novi are donating to their bake sale. Mr. Knodle's eighth grade is planning the most varied greenhouse any gardener ever viewed. They will have not only plants suitable for Mother's Day gifts and Decoration Day plantings, as well as shrubbery and rose bushes for the new home owner. They plan on catering to those who can't grow things by having beautiful artificial flower corsages and carnations. They guarantee to satisfy the greenest green thumb. More about the other rooms next week.

### Novi Church News

The Novi WSCS will meet Wednesday noon, Apr. 21 at the church.

The son of Mr. and Mrs. Joseph Rackov, three children of Mr. and Mrs. Charles Beebe, and the daughter of Mr. and Mrs. Kenneth Rippey, were baptized last Sunday.

The following were taken into

Novi Chest X-ray  
Mobile Unit at Twp.  
Hall April 20

The chest x-ray mobile unit will be at the Novi Township hall Apr. 20, from 12 noon until 8 at night. This service is free and all adults over the age of 15 are urged to take advantage of this opportunity for a chest check-up.

the church membership last Sunday: Mr. and Mrs. George McCollum, Mrs. Gertie Trotter, Mr. and Mrs. Gerald Trotter, Mr. and Mrs. Herbert Dryer and Mr. and Mrs. Kirkwood.

## News From Salem

by Mrs. Carleton Hardesty  
Social News

Emma Hushings was a caller at the Pauline Merritt home Thursday afternoon.

Mr. and Mrs. Hiram Opdycke of Detroit were Sunday dinner guests at the Holly Opdycke home.

Glenn Northrup spent the week-end at the Knowles Buer home.

Harry Brow was a dinner guest at the Knowles Buer home Sunday.

Sunday afternoon callers at the Knowles Buer home were Mr. and Mrs. Gerald Fisk of Jackson and Mrs. William Brewer.

Mr. and Mrs. Charles Heintz

and son, Charles, spent Sunday evening at the Charles Stacey home.

**Upper Grade School News**  
Twenty-seven of the children from the upper grade room went on a tour of Lansing.

The upper room has two new bats and balls.

**Lower Room School News**  
Mr. Thayer visited the primary room last Thursday. He made a tape recording on the conservation unit.

The primary room brought part of their hobbies to school last week. Elizabeth Buer collects china cups and saucers. Kay Roberts has dolls from every nation. Mary Beth Birkelbaw collects shells. Jimmy Dolan collects buttons.

## Babson Says . . .

Roger W. Babson

### BABSON DISCUSSES MOST IMPORTANT PEOPLE OF 1954

Babson Park, Mass., April 8. President Eisenhower and his Cabinet will not be the most important people of 1954. The Senators and Congressmen will not be the most important people of 1954. And this same statement can be made regarding bankers and other big shots. Conditions often make presidents, but presidents cannot make conditions.

**SALES CLERKS DETERMINE 1954 EMPLOYMENT**  
The most important people during 1954 will be those now employed as salesmen, and especially the sales clerks in your stores. In previous years these people have not been so important; they served largely as "order takers," wrapping parcels and making change. But, conditions in 1954 will be different. They must create sales.

Fundamentally, prosperity and good times depend upon EMPLOYMENT which supplies the money to buy. But manufacturers cannot furnish employment without orders for their goods. The orders depend upon the men and women at the counters of the stores. Prosperity or depression starts with the salesmen and sales clerk.

**WHAT ABOUT ADVERTISING?**  
I am a believer in honest advertising. A merchant's success is very dependent upon his advertising. Advertising bears the same relation to profits for the merchant as fertilizer does for the farmer. Still, the farmer cannot depend solely upon his seed and fertilizer. He must cultivate, spray, and gather his crops.

The same is true of advertising. Although advertising is absolutely necessary and much more of it should be used in 1954, yet merchants cannot expect it to take the place of hard work. Customers need to be cultivated the same as do crops. Advertising will help get people into the store and interest them in certain products; but the SALE must be made by a man or woman employee.

**MY FATHER WAS A STOREKEEPER**  
My father kept a dry goods, novelty, and sort of "variety store" in Gloucester, Mass. I worked in this store on Saturdays and during winter vacations. My father was very successful with this store, starting with nothing and becoming the leading merchant of Gloucester and vicinity.

He used to say to me: "Roger, when you grow up, either become a merchant or invest your money in good merchandising organizations, rather than in railroads or industrial promotions. A merchant with a fair turnover has nothing to fear and can always make money." But, my father was a good worker, at the store from 7:00 A.M. to 6:00 P.M., six days a week.

**KNOWING EVERY CUSTOMER**  
My father was a deacon in the local church; he had a large-Sunday School class. He was very much interested in knowing and helping people. There were no such things as card files in those days; but he kept a book listing the children of each customer and, especially, listing cases of sickness. Then, there were no trained nurses. Neighbors would volunteer to "watch" at night with the sick, accepting, of course, no pay. Every week my father would be away some night watching by the bedside of the husband of some humble customer.

Father trained his clerks to get truly acquainted with everyone who entered his store. He would constantly check on the clerks—not by asking: "Did you make a sale?" but by asking: "How many children has that woman? Is there illness in the family?" He not only was the city's most successful merchant, but at his funeral the church could not hold the people who loved him and who loved all who ever worked for him. He didn't have a private office up a flight of stairs in the back of the store. His desk was by the door so he could say "Good Morning" to all as they came in, and "Good Luck" as they left. Sales are made through FEELINGS rather than through FIGURES.

**A SUGGESTION**  
I forecast that if all the Chambers of Commerce would operate properly led night schools for their local Sales Clerks, national purchasing would so increase that there need be no unemployment, the Federal budget could be balanced, and taxes could be reduced. America does not need more money, but it needs more confidence and friendliness so that the money we have will circulate more freely and more often.

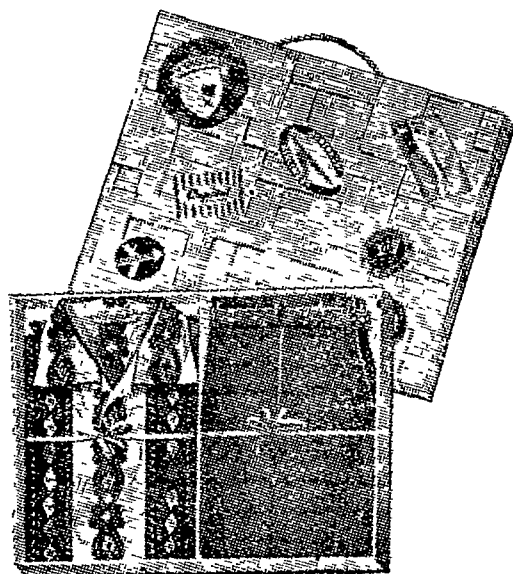

## WATER, WATER, WATER!

No drink can possibly satisfy as a good drink of water. Northville residents turned on their faucets and drained more than 72 million gallons of water in a single year. It costs so little and we have so much of it that we take little time to appreciate how good it is to be able to use so much water. Jesus once told a woman of Samaria about another kind of water. He called it "living water." He said in John 4:14 "Whosoever drinketh of the water that I shall give him shall never thirst; but the water that I shall give him shall be in him a well of water springing up into everlasting life." Then a few days later while at a convention in the synagogue He said, "He that believeth on me, as the scriptures hath said, out of his belly shall flow rivers of living water" (John 7:38). This terminology may be strange to some of you and therefore I hasten to explain that He was speaking of the Holy Spirit which He gives to bring life to souls that are dead in trespasses and sin. Without this living water the soul cannot live eternally. Do you thirst for this kind of water? You may have it by accepting Christ.

**ELECTRIC RANGE**

Energetic Mrs. Harry R. Smith crowds civic projects, selling real estate, club activities and home-making into her busy life. And she thrives on it. She loves to entertain, too. When friends call she often serves this Spicy Torte. It's delicious . . . and so simple to make with the help of her dependable electric range.

It's easy to be a good cook with the help of a modern electric range. There's no guesswork, watching or waiting—you simply snap a switch for the exact heat needed for every cooking job. Why wait? Change to electric cooking now.

### SPICY RAISIN TORTE

- |                        |                           |
|------------------------|---------------------------|
| 1 cup brown sugar      | 1 cup sifted pastry flour |
| 1 1/2 cups hot water   | 1/4 tsp. soda             |
| 2 tbsps. shortening    | 1/4 tsp. salt             |
| 1 cup raisins or dates | 1 cup quick-cooking oats  |
| 1/4 tsp. cloves        | 1 cup chopped nuts        |
|                        | 1/4 tsp. nutmeg           |

Combine sugar, water, shortening, raisins and spices. Boil 5 minutes. Cool. Sift flour, soda, salt, and add to cool mixture. Fold in rolled oats and nut meats. Bake in an 8 x 8 greased pan at 350°F. for 35-45 minutes. Serve warm with whipped cream or ice cream. May be reheated.

Carl Simpson and friend, Mr. Allison came over from Milan to attend the dance given by the junior baseball team Wednesday night.

### DOG PROTECTS BOY

PALMYRA, ILL.—When Danny Pratt, 3, was found by a searching party after he had been missing eight hours, they found the child's collie, Corcky, lying on top of him, keeping him warm and dry. Danny was taken to a hospital for examination and was found to be suffering from bruises, scratches and exposure, but was otherwise unharmed.

Selfish people never made a nation great, regardless of the fortune they manage to acquire.

## Obituaries

### FORREST W. ROBERTS

Forrest W. Roberts, a life-long resident of Salem, died at his home on 8021 Chubb Rd. Apr. 7, at the age of 73. He was a member of the Masonic Lodge 188 of Northville, Eastern Star No. 77, Orient Chapter, and the South Salem Farm Bureau, and was a well known fruit farmer.

He is survived by his wife, Mable; sons, Earl of Salem, Clarence of Commerce Lake, and Wallace of New Hudson, and one daughter, Mrs. Carl Foote, of Leslie, Mich., and 14 grandchildren.

Funeral services were held last Saturday at the Casterline Funeral home with Rev. Douglas Couch officiating. Burial was at Thayer cemetery, Salem.

### GEORGE W. BENNETT

During a long life, George W. Bennett of Six Mile Rd., helped to sustain the fine tradition of Salem farmers. However, for the past four years he had been an invalid, and unable to till the soil he loved so much. He passed away in St. Joseph hospital in Ann Arbor Apr. 6.

Services were held at the Casterline Funeral home Apr. 8 with Rev. C. M. Pennell and Douglas R. Couch in charge.

Interment was in Salem-Walker cemetery.

Mr. Bennett was the son of John and Hattie Bennett, and was born on a farm, west of Salem and had lived all his life in this vicinity.

He was married to Rachel Shipley Jan. 3, 1911 and had four children: Mrs. Kenneth Procter of Chelsea, Mrs. Eleanor Tannar of Salem, Elmer of Salem, and Mrs. Ray Clark of Monroe.

Mr. Bennett leaves his wife, children, 11 grandchildren, four brothers: Glenn of Salem, LeRoy Clifford and Coe of Detroit, and one sister, Mrs. Clifford Malby of Detroit. Three great-grandchildren also survive.

### WILLIAM K. GREEN

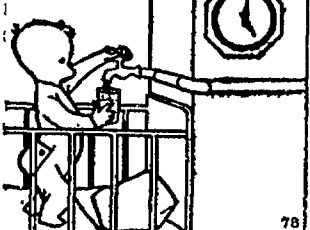

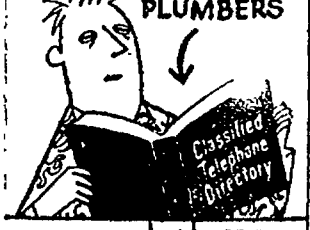

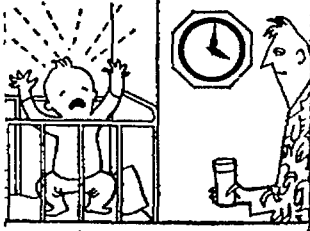

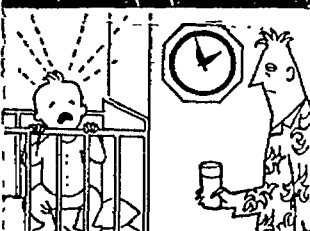

Funeral services were held on Wednesday, Apr. 7 for William K. Green, who passed away Sunday, Apr. 4 after a lingering illness.

Mr. Green was born Aug. 15, 1889 in Pontiac, Mich. to the late H. Frank and Sarah J. Green. He has been a resident of Ypsilanti for the past 17 years.

Surviving are his wife, Gertrude; one daughter, Elsie M.; one son, Lloyd H., and two grandchildren, all of Ypsilanti; two brothers, James F. Green of Northville and Harlow D. Green of Flint; one sister, Mrs. Pauline Staman of Northville, and 11 nieces and nephews.

Services were held at the Moore Funeral home, and interment was at Highland cemetery, Ypsilanti.

The choir from the Grand Rapids School of the Bible will present a program at the Northville Baptist Church Saturday evening, Apr. 17.

## CHRISTIAN SCIENCE CHURCHES

Man's spiritual unity with God, as taught and lived by Christ Jesus, will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Doctrine of Atonement."

Keynoting the Lesson-Sermon is the Golden Text from I Timothy:

"There is one God, and one Mediator between God and men, the man Christ Jesus; Who gave himself a ransom for all, to be testified in due time" (2:5, 6).

The following passage will be among those read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy:

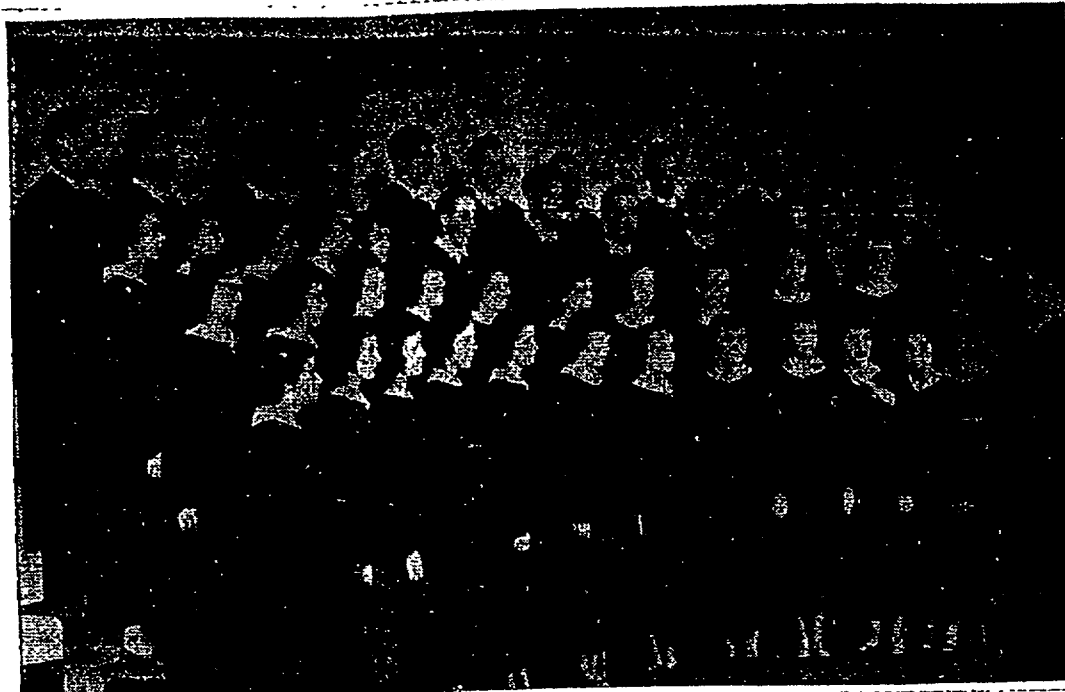

"We acknowledge Jesus' atonement as the evidence of divine efficacious Love, unfolding man's unity with God through Christ Jesus the Way-shower; and we acknowledge that man is saved through Christ, through Truth, Life, and Love as demonstrated by the Galilean Prophet in healing the sick and overcoming sin and death" (497:13).

From the Bible the following verses will be among those read:

"Therefore if any man be in Christ, he is a new creature: old things are passed away; behold, all things are become new. And all things are of God, who hath reconciled us to himself by Jesus Christ, and hath given to us the ministry of reconciliation; Now then we are ambassadors for Christ, as though God did beseech you by us: we pray you in Christ's stead, be ye reconciled to God" (II Corinthians 5:17, 18, 20).

How Christian Science Heals  
"What Makes Prayer Effective?"

WHRV (1600 k.c.)  
Sunday — 9 A.M.

THE 40-VOICE CHOIR of the Baptist Theological seminary at Grand Rapids will give a sacred concert in Northville Saturday night. The concert will be held at the First Baptist church beginning at 8 p.m. There will be no admission charge, according to Pastor Peter Nieuwkoop, and the public is invited to attend.

## Mrs. Cansfield Elected District Head of WSCS

Mrs. William Cansfield of W. Dunlap St. was elected president of the Ann Arbor district of the Women's Society for Christian Service of the Methodist church, at a district meeting in Ypsilanti Apr. 6.

For the past two years, she has been vice-president of the district in charge of program planning. In her new office she will have 86 societies under her jurisdiction.

Let us decide honestly what we can do, and then do it with all our might.

—Amelia D. Barr

For in Thee, O Lord, do I hope; Thou wilt hear, O Lord my God.—(Psalm 38, 15.)

All of our worldly hopes—for health, happiness, or whatever—will be in vain unless we place all of our hope in the Lord, and have unflinching faith in His love; unless we have faith that He hears our prayers, and that all things are possible if we only believe.

There is not the least flower but seems to hold up its head and to look pleasantly, in the secret sense of the goodness of its heavenly Maker.

—Robert South

## OBITUARY

# New strength and stamina! Lower upkeep costs!

## New Chevrolet Trucks...

do more work per day . . . more work per dollar!

**You save hours on the road.** Thanks to new high-compression engine power, you can maintain faster schedules without driving at higher maximum road speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

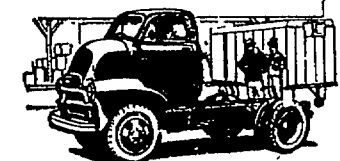

**You save time on deliveries.** With new truck Hydra-Matic transmission, you save valuable time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

**You save extra trips.** That's because of the extra load space you get in the new Advance-Design bodies. New pickup bodies are deeper . . . new stake and platform bodies are wider and longer. Also, they're set lower to make loading easier.

**You save with lower upkeep, too.** Extra chassis strength saves you money on maintenance. For example, there are heavier axle shafts in two-ton models . . . bigger clutches in light- and heavy-duty models . . . stronger frames in all models.

**You save on operating costs.** High-compression power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

**And your savings start the day you buy.** In fact, they start with the low price you pay—and continue over the miles. Chevrolet is America's lowest-priced line of trucks. And it's also the truck that has a traditionally higher trade-in value.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!
