Thinking men and women who are disturbed by attempts which are being made to restrict freedom of thought and speech in the United States will take heart from the virtually unanimous action last week of the 166th General Assembly of the Presbyterian Church in the U.S.A. in affirming the need for distinguishing between treason and dissent. The church's action took the form of a resolution that the general assembly "adopt and proclaim as its own" the controversial "Letter to Presbyterians" which was issued last fall as a protest against widely published charges by leaders of congressional committees that Communists were infiltrating the Protestant ministry.

Supporting the resolution, the Rev. John S. Bonnell, DD, declared the issue goes to the root of our existence as a church. He said:

"Personally, I despise any citizen of the United States who hides his Communist affiliations under the Fifth Amendment. I scorn with equal fervor any congressman who slanders the character of worthy citizens of this nation under the cloak of congressional immunity. There is little to choose between them."

On another front in Washington, the House Committee investigating tax-free educational institutions heard a San Francisco lawyer, Aaron M. Sargeant, charge that some such institutions are promoting socialism. Sargeant is head of the Fund for American Leadership, Inc., a California non-profit organization for the education of leaders in anti-subversive work. The committee is studying whether foundations like those created by the Rockefellers, the Carnegies and the Fords are using their funds for "un-American" programs. Sargeant mentioned Sen. Paul Douglas and Edward R. Murrow, television commentators, which he does not approve.

Douglas observed afterward that the incident is an example of Congress' need to pass a code of procedure. The best example of this need, of course, is the current McCarthy-Armey embroglio in Washington, whose rules of evidence and procedure leave much to be desired.

Baccalaureate Service To Be Held Sunday for 72 Northville Seniors

Baccalaureate service for seniors Sunday, June 6, will open the 85th Commencement exercises at Northville High school. Seventy-two seniors will wear caps and gowns for the first time in this service which will be held in the new Community Center building at 8 o'clock. This will be the first time services have not been held in a church.

Rev. Peter Nieuwkoop will address the class on the topic, "The Great Purpose of Life". The Rev. Dr. Harold F. Fredsell will give the invocation and Rev. Ivan E. Hodgson the benediction.

Band to Play
The high school band will play the processional and recessional for the first time due to the adequate space in the new Community center. The choir will sing two numbers.

The junior and senior banquet attended by school personnel and members of the board of education will be held in the Community Center meeting room preceding the class night program.

Bruce Felker, senior class president, will open the program at 8 o'clock. The senior committees have made out the class will, prophecy and history to present that evening. Members of the class will receive gifts planned by the giftatory committee and musical numbers will be played before the farewell.

Graduation June 10
Graduation exercises will take place on Thursday, June 10, at the Community Center - - another "first", and all bleacher seats will be open to the public. Chairs are reserved for seniors and guests.

Fred Warner Neal, visiting lecturer and assistant professor in political science at the University of Michigan, will give the commencement address—"Survival, Success and the Class of 1954". He will be introduced by the school superintendent, R. H. Amernan, who will also grant the diplomas. E. V. Ellison will make the class presentation.

Barbara Prunty will give the valedictory speech and Jean Nieuwkoop the salutatory speech.

Group music will be presented by members of the senior class and Lucien Lovewell will play a piano solo.

Ten scholarships will be awarded.

400 Present at Dedication Dance

Approximately 400 persons attended the Dedication dance held at the new Community Center gymnasium Monday night, according to Carl Johnson, chairman of the Northville Rotary club committee which sponsored the affair. The WJR orchestra furnished the music.

"We are well pleased with the turnout for the first social event to be held in the new building," Johnson said. "Considering the weather, the crowd was bigger than we had expected. So successful was the affair, in fact, that a number of persons have suggested that similar dances be held throughout the year."

Proceeds from the sale of tickets will be used to purchase various items of furnishings for the Community Center.

Milford Girl Wins Beauty Contest

Frances Danley, daughter of Mr. and Mrs. Robert Danley of Milford was the winner of the beauty contest of the Perry Kenner AmVet Post No. 78, which was held in Novi last week. Entrants were accepted from the Northville- Novi - Walled Lake area.

Frances receives an all-expense trip to Kalamazoo when the state convention of the AmVets will be held there June 11, 12 and 13. She will compete there for the title of "Miss Michigan AmVet of 1954". The winner of that contest will go on to the national contest which will be held at Miami Beach, Fla. in August.

Jane Holmes, daughter of Mr. and Mrs. Hiram Holmes of Novi Rd., was runner-up.

421 Contestants Entered In Northville Junior Horse Show

All Time Record Is Set for Spring Classic

With an entry list of 421 contestants in the 27 scheduled classes, the Northville Junior Horse show this coming Sunday sets an all time record.

The junior classic will get under way at 11 o'clock Sunday morning at Northville Downs with the beginners horsemanship classes. Featured events will include the opening games of the Junior Olympic league jumping teams, junior stock horse competition, trail horse class and the Harry B. Clark Memorial Championship trophy for saddle horses.

Seeks Third Victory

Seeking her third victory will be the defending champion of the Western division, Miss Janet Porath of Northville. In the Saddle Horse division, Miss Suzanne Divine of Madison, Wis. will make the long journey again to annex the championship.

Western competition and jumping will be run off in the afternoon and the show will conclude at 8 p.m. with the Olympic team awards.

Canada's top horsewoman and member of the Canadian International Olympic team, Mrs. W. H. Hall-Holland of London, will be the senior judge. Saddle Horse classes will be judged by Dr. J. R. DeVries of Owosso, Mich., and the western classes will be handled by Chuck Haass of Detroit.

The 6th annual show is sponsored by the Northville Optimist club and the proceeds are to be used for youth work and underprivileged children. The show has become the outstanding junior event of the state. J. P. Malley is generally chairman. Music will be furnished by the Northville (Continued on Page 7)

Rotarians Collect Items for Use by Crippled Children

Northville Rotarians, cooperating with the Wayne Out-County Chapter of the Michigan Society for Crippled Children and Adults, requested Northville residents this week to donate various items, including scraps of leather, felt, string and cloth, for use at the Easter Seal Day camp.

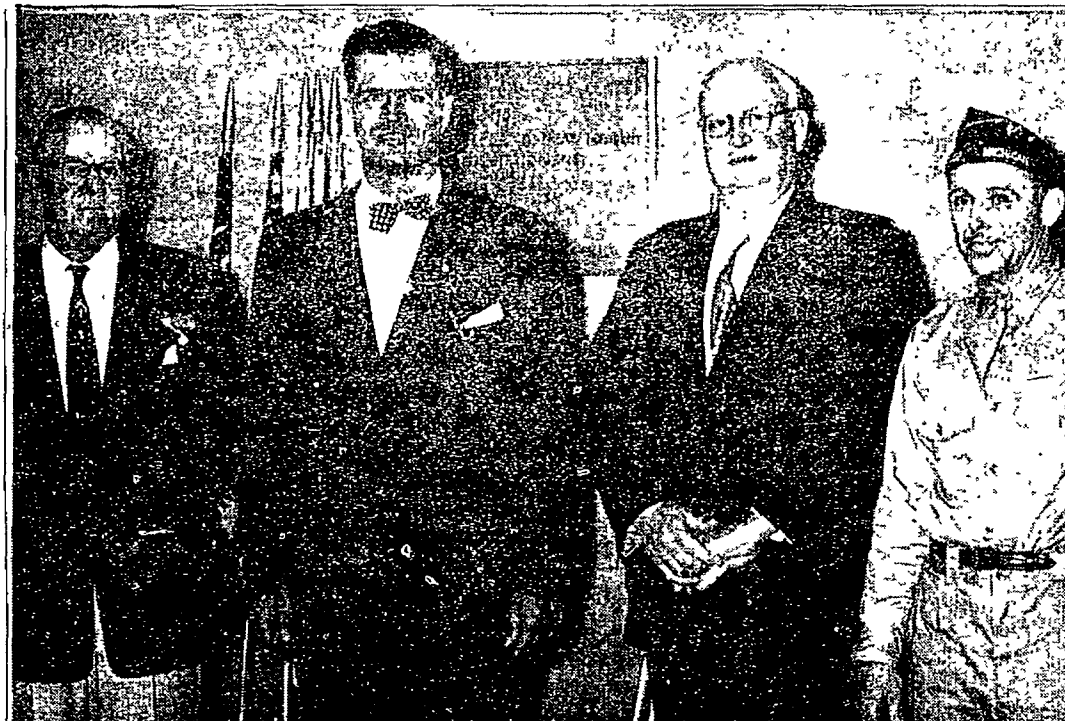

The donations will be used by crippled children in the making of handicraft articles, according to John Miller, Rotary committee chairman.

Anyone desiring to supply any of the items on the list below is asked to leave them at The Record office. There they will be collected and delivered to the Day camp.

Tin lids of large containers such as lard cans, 10 inches in diameter up, for decorated trays; scraps of leather and leatherette, for purses, cuff link boxes, etc.; yarn, any size or color, to decorate hassocks; glass bottles or containers that can be made into very small vases, to go with a 12-inch shadow box; felt, any color, flat pieces, may be as small as 2 1/2 by 8 inches, to cover bottom of bricks for book ends; wooden cigar boxes, that are not covered with paper, for treasure chests; scraps of plywood, any thickness at least 6 by 8 inches, to be made into small wagons for planters; pieces of soft wood, balsa and other woods, for picture frames; old x-ray film that can be cleared, to be used for glass for picture frames; string and cord, to bind cans on the hassocks.

Oatmeal boxes with lids, 3-pound size, for knitting boxes; clay tile that can be used as tea tile, decorated for hot pads; wooden dowel rod, 1/2-inch in diameter, lengths 18 inches or over, to make a toy; tuna fish cans, to be made into jewel boxes; decals, any that children would use for trimming; tall 14-ounce juice cans with at least one end in, for hassock; large pieces of heavy cloth to be used as covers for hassocks; upholstery material, unused cotton bats, for top of hassocks; candles, any color. We would like two of one color, if possible, for candle holder; partially burned candles to be used for wax, to be used in back of copper pictures; coffee can keys and the roll of tin from the lid of the coffee can. Please leave rolled up with key in the center, to be used for Christmas tree trimmings for Christmas in July.

Tops and bottoms of small cans (the frozen juice size) to be used for Christmas tree trimming for Christmas in July; doll house that your child has outgrown to be donated and used during camp.

GOV. G. MENNEN WILLIAMS posed with Northville civic leaders in the lobby of the Community Center following his address at an assembly in the auditorium. SOLEMN RITES are performed at Oakwood Cemetery in honor of the war dead of the Northville area. Above, the American Legion firing squad fires a volley.

Dr. Fredsell Moves On To Broader Duties With Presbytery of Detroit

The Rev. Dr. Harold F. Fredsell has tendered his resignation as minister of the First Presbyterian church, Northville, to become Director of Church Extension and executive of the Presbytery of Detroit on Aug. 1. Announcement of his impending departure, which is scheduled for June 30, was made by Dr. Fredsell last Sunday. He has been minister of the local Presbyterian church since June 1941. This is the longest pastorate in the 125-

year history of the local church. The annual Deacon's Dinner, which is to be held Friday evening, June 4, at 8:30 p.m., is to be a farewell dinner honoring Dr. and Mrs. Fredsell. Elder C. Ray VanValkenburgh will act as toastmaster.

Dr. Fredsell has been one of the most popular ministers ever to serve in Northville, and has been highly regarded by the community at large. His work with youth groups in the local Pres-

byterian church has been outstandingly successful.

Mrs. Fredsell has been a soloist and choir member throughout her husband's tenure as minister, and in addition during the past year she had been leader of the church's bell choir.

Dr. Fredsell is a graduate of New York University, with a Master's Degree from Columbia University, a Theological Degree from Union Seminary and five years toward his Doctor's degree at the University of Michigan. He has been a member of the Detroit Presbytery since 1941 and served with distinction as its Moderator in 1952.

75 Teams Enter Milford's Annual "Paddle Push"

Southeastern Michigan canoeists will have stiff competition from northern teams in the third annual Paddle Push down the Huron river from Milford into Kensington Metropolitan park on Sunday, starting at 2 p.m.

Nine teams from Oscoda Canoe club, including last year's winners, will endeavor to better the record time of 1:15.55 for the eight mile course set last year by Ralph Sawyer and Eugene Roy. On May 16, this pair won the Bear Lake Canoe race in Manistee county.

More than 75 teams of two are entered in nine classifications for various ages and both sexes, and several thousand spectators will line the course. High water will make for good canoeing water, according to Charles Newell, president of the Milford Board of Commerce, which offers nine loving cups as prizes.

Awards will be made at a dinner at Arrowhead lodge in Kensington park by Kenneth L. Hallenbeck, director of the Huron Clinton Metropolitan Authority. Tom Loomis, American Youth Hostels director, is in charge of an hour-long water show to precede the start of the race at Milford bridge.

Leading state, community and sports figures will serve as judges for the race.

"Happy Birthday To Us!"

Yes, that's what members of the staff of The Record were singing as this issue came off the press.

For today The Record passed its 84th milestone—an eventful span since Samuel Little founded it in 1869.

Then it was known as The Wayne County Record. At first it was published semi-monthly, but later was changed to a weekly. As such, it is the oldest newspaper in Wayne county.

Heads College Group
Tom Johnson, son of Dr. and Mrs. Waldo Johnson, 22047 Novi Rd., Northville, has been elected president of Section 1 at the college of Wooster, Ohio.

The Lesson-Sermon "God The Only Cause and Creator" will include the following passage from the King James Version of the Bible:

"For thus saith the Lord that created the heavens; God himself that formed the earth and made it; he hath established it, he created it not in vain, he formed it to be inhabited: I am the Lord; and there is none else" (Isaiah 45:18).

Among the citations from "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following will be read: "Jesus of Nazareth was the most scientific man that ever trod the globe. He pined beneath the material surface of things, and found the spiritual cause" (313:23-26).

The Golden Text is from Revelation: "Thou art worthy, O Lord, to receive glory and honour and power: for thou hast created all things, and for thy pleasure they are and were created" (4:11).

Presbyterian Church School To Be Held June 14 to June 25

June 14th at 9 a.m. will mark the beginning of another year in the Vacation Church school at the First Presbyterian church. The school, this year, will meet for two weeks, starting June 14 until June 25. Classes will convene on Monday through Friday mornings at 9 a.m. until 11:30 a.m.

The theme for the school this year, "The Church", follows the Faith and Life Curriculum used throughout the year in the Sunday Church School. The students will have a chance to develop creative interests, learn new hymns, and learn more of the history of the church.

There will be three departments in the school this year. The kindergarten department will be under the direction of Mrs. Rolf Batzer with Mrs. Joseph A. Petrock and Mrs. Robert L. Hart as her assistants. Mrs. Howard Meyer, Mrs. Earl Collins, Mrs. Charles Hall and Miss Peggy Price will have the primary department. Miss Janie Beckel, Miss Barbara Couse and Miss Ann Katzenmeyer will be in charge of the junior department. Many junior high and senior high young people will be helping in all the departments during the two week school.

Advance registration is being handled through the church office by Miss Ann or Mrs. Chase.

History of Oakwood Cemetery Is Dug Up By Earl L. Reed

Residents of Northville who have wondered for years when Oakwood cemetery was started, and whether it belonged to the Village of Northville or the Northville school district, will be able to satisfy their curiosity somewhat through the efforts of Earl L. Reed, Village commissioner and an employee of the Abstract & Title Guaranty Co. of Detroit.

After nine months of effort, during which he pored over countless records, Reed has come to the conclusion that the cemetery, located on W. Cady St., was started about 1828, for the graves of Edwin Randolph and Henry E. Cady, both of whom died in that year, are there. However, Reed in his studies found that the history of the cemetery and matters pertaining to its ownership over the years is quite confusing.

"It will be necessary to break the chain of title down into seven parts," said Reed, "because the title to the whole tract comes down from the U.S. Government in seven different lines though Ira Rice took title on 160 acres which includes the cemetery property and he deeded to Hiram Robinson the same 160 acres. At this point the chain of title then branches in various lines. The accompanying diagram is numbered to correspond with each of the different chains of title as they develop."

The history of the various plots follows:

No. 1
Conveyance made in 1826—U.S. to Ira Rice and Sarah Rice, of the Southwest 1/4 of Section 3, Town 1 South, Range 8 East, of 160 acres. In 1830 they deeded to Hiram Robinson the entire 160

acres. On his death his wife Julia Robinson was appointed Administratrix in 1832, and the Probate Court of Wayne County ordered Partition proceedings with part of the 160 acres set aside to the widow as her dower right and part to two sons of the deceased. On March 10, 1835, Julia A. Robinson, Administratrix, deeded a strip 165 feet east and west and 297 feet north and south, which is parcel No. 1 on the sketch, to Daniel L. Cady, William Dunlap, and Elisha Morse, School Directors of District No. 2, "To be used as a Public, free burying ground".

No. 2 and 3
Charles A. Robinson (son of Hiram Robinson) and Abigail A. Robinson, his wife, and Julia A. Robinson (widow of Hiram Robinson) deeded 36 acres (which included parcels 2, 3 and 6 on the chart) to Peter Phillips on January 15, 1852. On March 16, 1922, on petition of A. G. Newman and wife, to determine heirs of Peter Phillips the Court decided that he died on the way to California in 1852 and left as heirs: Mary A. Phillips, his widow, and Joseph M. Phillips, father. However it is interesting to note that Joseph M. Phillips and Mary A. Phillips deeded as husband and wife on Sept. 26, 1853, to Merritt Randolph a six acre portion of the 36 acres but which included parcels No. 2, 3 and 6 of the sketch plat. Merritt Randolph deeded the six acres to William and Ursula Ambler January 12, 1854, who in turn deeded land that is in parcels No. 2 and 3 to Mary Whipple on July 7, 1854. (Parcel No. 3 is not used as cemetery but by the Village for storage of machinery and trucks). On March 3, 1873, Mary Whipple deeded Parcels No. 2 and 3 to the President and Trustees of the Village of Northville and "Excepting one ordinary sized burial lot near a walnut tree near the west side of the lot to be used for cemetery lot". It might be noted here that the Village does not own that lot if it can be determined exactly where it is located.

No. 4
William Robinson (son of Hiram Robinson) and Pamela, his wife, deeded to Adam Van Valkenburgh and Mary, his wife, on May 1, 1855, 22 acres which included parcels No. 4, 5 and 7. On May 13, 1864, they deeded to Amos and Elizabeth Stone, 16 acres, and on July 12, 1864, they deeded to Amos and Elizabeth Stone, 16 acres, and on July 12, 1864, the Stones deeded to John Owenshire the Parcel marked as No. 4. A deed dated August 13, 1864, from John and Catherine Owenshire to Henry P. Cobb is for Lot 14 in Owenshire's Addition to the Northville Cemetery. There is no recorded deed as to the balance of Parcel No. 4.

No. 5 and 7
Amos and Elizabeth Stone deeded on September 15, 1864, 17 acres, including Parcels 5 and 7, to Levi W. Rogers and wife, Elizabeth. On March 31, 1865, they deeded 5 acres, including Parcel 5, to Adin and Mary Cummings. On April 13, 1876, Cummings deeded land to Henry M. White, with the following "excepting and reserving a strip of land 33 feet wide and 179.5 feet long off of Northeast corner of above land heretofore deeded to President and Trustee of said Place". This parcel was evidently deeded by Adin Cummings and wife to the President and Trustees of the Village of Northville prior to September 1876, but there is no recorded deed showing the transfer. Levi and Elizabeth Rogers deeded 2 acres to Charles and Lura Richardson on September 2, 1871, which description ran "to a lump of mineral coal between two bricks buried in depth of 2 feet". They deeded the same description to Zilpha Kendrick on February 25, 1879, who deeded Parcel No. 7, a strip 12 feet wide to the President and Trustee of the Village of Northville and their Successors in Office provided "The second parties (Village) are to move the fence on the line". There is a quit claim deed dated January 16, 1880, from Charles G. Harrington to the President and Trustees of Northville on this Parcel, probably intended to clear a mortgage.

No. 6
William and Ursula Ambler deeded to Ambrose and Jared S. Lapham on June 1, 1854, 3.84 acres which included Parcel No. 6. Ambrose Lapham deeded his 1/2 interest to Jared S. Lapham on May 10, 1870. Jared S. Lapham and Martha G. Lapham deeded Parcel No. 6 to the President and Trustees of Northville on January 19, 1876.

This completes the record title and places part of the title in the Village of Northville and part in School District No. 2 and parcels 4 and 5 without any deeds to the Village.

The GREEN THUMB

by Paul Newton

Each year we try to think of something new and novel for our porch box, but invariably we end up with petunias or geraniums or both.

One of the boxes we shall always remember was at Northport. Salmon colored geraniums were planted with white petunias in the foreground, the balcony variety which trails down over the edge of the box.

A heavier planting, for a plant box along a walk, would be zinnias of a bright color. Perhaps the new variety, "Blaze", would brighten a spot near your yard entrance.

Double petunias planted with a single variety of a lighter shade make an attractive showing, too. For blossoms all summer, petunias are an excellent choice; also wax begonias and ageratum can be included in this list. Nasturtiums do well in boxes on the floor of the porch. Their larger leaves seem to give a massive and substantial feeling as you look down at them.

Coleus makes a splendid showing of color and requires very little care, except to pinch back now and then, to keep them from becoming too tall and leggy.

Care of Plants
The length of the blooming period of the flowers will be extended by keeping all the dead blooms picked. If a plant forms seeds it will not continue to bloom. Watering must be done daily as evaporation is excessive in a plant box. A layer of stones or coarse gravel in the bottom of the box will prevent the soil from becoming soggy.

Fertilizing should be done once a month. The new liquid fertilizers are ideal. They should not, however, be applied oftener than once a month because more frequent feeding will cause the plants to produce leaves and less flowers. Fertilizer should be applied when the soil is damp, with care not to get it on the foliage.

If at the end of summer, your plant box seems exhausted, replant it with potted chrysanthemums for color during September and October.

IVY IN FULL BLOOM
East Lansing—Michigan's weather may be tough on the flowers that bloom in May, but poison ivy is doing all right. More than 30 cases of poison ivy or poison sumac have been treated by health officials at Michigan State college in recent weeks. Grounds Supt. Burt Ferris, however, announced that spraying had begun to destroy the plants, principally along the campus' Red Cedar river.

School Band Has Award Dinner

Sixty members of the Northville High school band and guests held their fifth annual banquet in the Lutheran church hall recently.

Letters were awarded to two year band members by Director Leslie G. Lee, Juniors and seniors who have played in the band for more than two years were given recognition certificates to supplement the letters they received at the end of their school year. Other special awards were given to members.

C. Autrey, faculty member of the music department of Michigan State college, gave several coronet solos. Mr. Stover, assistant director of the marching band showed pictures of the 1952 band formations at some of the football games.

Present as guests were members of the school board and their wives, Mr. and Mrs. R. H. Amernan, Mr. and Mrs. Elroy Ellison, Mr. and Mrs. Renard, Mr. and Mrs. Robert Williams and Mr. Severance is the incoming president of the Optimist club which gave \$100 toward the banquet.

Mr. Lee introduced the guests and gave tribute to the senior members of the band. Mr. Ellison spoke in behalf of the high school faculty and congratulated the band members on their achievements.

Many Northville students will go to work this summer for a few weeks or for the entire vacation. They must have a social security card to show their employer, social security officials said this week.

There are five important facts to remember about the social security card:

1. If you have never had a card, you can get one at your local social security office.
2. If you have lost your card, replace it now! Apply for a duplicate card which will show your original number.
3. If you have changed your name since getting your social security card, be sure to take your card to a social security office. The number remains the same but you will get a card showing your new name.
4. You will need only one social security number throughout your life.
5. Be sure to show your card to your employer. He can then record your name and number exactly as it is on your card.

Scholarships Given Northville Students

The regents scholarship committee of the University of Michigan has notified the Northville U. of M. club that Ronald Birtles and Lucien Lovewell, Northville High school seniors sponsored by the U. of M. club, have qualified for honor awards.

No student can be considered eligible to take a competitive examination for this award, the committee explained, unless he is recommended by his high school as being outstanding in personality, extra-curricular activities, citizenship, and interest in scholastic achievement which must be demonstrated by rank in the upper third of his class.

No student is eligible for a scholarship unless he has first qualified for an honor award.

A student who receives an honor award can submit a scholarship application to the regents scholarship committee at any time during his undergraduate years in case of financial reverses due to death, illness, or serious accident in his family. Thus, an honor award constitutes financial insurance for the college years.

An honors assembly will be held by the university during orientation week in September. At this time all students who have qualified for honor awards will be publicly presented with certificates.

"The two Northville seniors who are award winners are especially to be commended for the fact that they have carried a maximum number of hours of the heaviest courses offered by the high school in addition to engaging in a very full extra-curricular schedule throughout their entire four years in high school," a committee spokesman said.

Through the Book Loan fund and the Emergency Loan fund, newly started by the U of M club, scholarship students may have further assistance. The U of M club is happy to sponsor two such superior candidates."

Above, Lucien Lovewell, son of Drs. Paul and Victoria Lovewell, and Ronald Birtles, son of Mr. and Mrs. K. Prauter of Rayson St., University of Michigan award winners. Lucien was given an Honors award from the University, and Ronald a scholarship.

Easter Seal Drive Report Is Made

Roy Stone, newly appointed Northville Rotary club Crippled Children Committee chairman, reported on Northville's part in the current drive at the Easter Seal campaign evaluation meeting, held in Belleville Friday.

Seal chairmen from various communities in southwestern Michigan and board members of the Wayne Out-County Chapter for Crippled Children and Adults, met to report 1954 campaign returns, discuss current problems and make future plans for the 1955 drive.

John Miller, who served the local Rotary for two years as Crippled children chairman, reported to the chapter that Northville citizens contributed \$1075 to the 1954 drive.

"Ten of the sixteen areas which conduct Seal campaigns have reported returns totaling \$15,247," said Charles DePlanche. DePlanche served as chapter chairman and is the society's treasurer.

Mrs. John Clark, chapter lily parade organizer, reported that 12 lily sales were held during the campaign which helped boost the drive funds by \$2455.

The Easter Seal day camp for orthopedic handicapped children will be held at the Plymouth Girl Scout Cabin during July according to Mrs. Herma Taylor, R. N., executive secretary of the Wayne Out-County chapter.

Directors of the society expressed appreciation to those who supported the 1954 campaign and extended their thanks to the host of volunteer workers who gave their time and effort to enable the Easter Seal society to carry on services to those in need.

Areas represented at this meeting were, Northville, Wayne, Norwayne, Inkster, Belleville, Plymouth and Allen Park.

Woman's Union to Hold Garden Tea

The Woman's Union of the First Presbyterian church is having a garden tea June 9 at 1:30 p.m. at the home of Mrs. Ross Correll, 46400 W. Ten Mile Rd. The subject of the program will be "Christ Calls Us to Witness Through Medical Mission". Mrs. A. J. Marcoux will be the chairman and the reception committee will be composed of Mrs. Ross Correll and Mrs. Alfred Parmenter. Co-chairmen are Mrs. John Blackburn and Mrs. William G. Williams.

Grade School To Present Show

The Northville grade school is presenting a "Western Fantasy" in three scenes tonight, Thursday, at 8 p.m. in the Northville Community Center. The play was written by Clarissa A. Randall and is being directed by Mrs. Eleanor Burton, elementary school music director.

sistant grand marshal. Following the ceremonies in the Community building, the various patriotic groups reformed and marched to local cemeteries. There wreaths were laid on war graves and a firing squad and a bugler performed the traditional rites.

Commenting on the dedication of the Community Center, Mayor Ely said that rumors of widespread vandalism had proven to be unfounded. He quoted a letter from H. E. Wallace, of the Wallace Construction Co., which expressed appreciation to the children and teen agers of Northville for their cooperation and orderly conduct while the building was under construction.

The mayor also commended Commissioners F. Malcolm Allen and Alton Peters and their aides for their work in preparing the cemeteries and making them attractive. For some years, he said, oth of the cemeteries had been allowed to "run down", but now they are again presentable and a credit to the community.

Mar-Lo Farm Entertains Children

Sixty-five South Lyon third and fourth grade students and their parents were the guests of Mrs. Marjorie Dugan of Mar-Lo Farm, West Eight Mile Rd. last week.

They were treated to a horse show featuring Betty Mar-Lo who performed flawlessly the tricks taught her by David Batton. A birthday cake in honor of David Batton was served to the guests.

New Sales Manager at Otwell Heating

Russell A. Webb is the new sales manager for Otwell Heating and Supply Co. of Plymouth, it was announced this week.

Webb, who was born and raised in the South Lyon area, has been active in the heating business for the last 30 years. Webb is the state representative of the local HI-12 club, and has been in Plymouth several times to meet with them.

GOOD JOB FOR OLDER MAN

Local business firm has an opening in its advertising department for well educated man, probably in the 50 to 60 year age group. NHS Reserve Prospects Good

Although the Northville High school reserve baseball team is

looking for its first win of the season, several promising prospects are improving rapidly and are expected to fill key spots on the varsity "nine" next week.

One of the prospects is Larry Graham, who is doing a fine job at first base and also is hitting the ball well, Coach Jones said. Another is John Chapman, who has been doing all the pitching. John has hurled several three and four-hit games, plus one two-hitter. Failure to get support from the outfield has been the big factor in games lost by the Colts.

Rick Atchinson, Jerry Grotts, David Biery and Joe Humphries also are good prospects for future Mustang teams, and are doing better every game, Jones declares.

Hopes are high for victory against the Plymouth reserves in a home and home series June 3 and 8.

June 14 Date of Annual Flower Show

The Northville branch of the Woman's National Farm and Garden Assn. will present the 15th annual flower show Monday, June 14 at "Happy Acres", the home of Mrs. William B. Walker, Jr.

Competition for this show is open only to members of the association and exhibits will be received from 8:30 a.m. to 11:30 a.m. The public is invited.

Methodist Vacation Church School To Begin June 14

The opening session of the Methodist vacation church school will begin Monday, June 14 at 9 a.m. Held in the Methodist church house, the school will have classes for kindergarten, primary, junior and junior high department ages.

Mrs. Ariel Hodgson and Mrs. Becky Robinson will lead the junior high group. Mrs. Helen McCarthy, Mrs. Louetta Reng, Mrs. Audrey Becker and Mrs. Wilma Logeman are in charge of the junior department. Mrs. Ann Christmire, Mrs. Ione Palmer, Mrs. Doris Somers and Mrs. Mildred Peterson are directing the primary children.

Mrs. Lillian Engel, Mrs. Betty Dearing, Arlene Jerome and Marilyn Engel are in charge of the kindergarten group.

All young people between the ages of 4 and 16 years of age are invited to attend.

Services Held for Michael Allen Boyd

Michael Allen Boyd, infant son of Mr. and Mrs. Jack Boyd, 346 S. Rogers St., died at Beyer hospital in Ypsilanti May 31.

Surviving are his parents, and grandparents, Mr. and Mrs. John Schroeder and Mrs. Thelma Boyd. Funeral services were held Wednesday at the Casterline Fu-

neral home, with Dr. Harold F. Fredsell officiating. Interment was at Oakland Hills Memorial Gardens.

Northville Judge Warns Motorists

Justice E. M. Bogart of Northville announced that his court is cooperating with the Michigan State Safety Commission on the annual state-wide public education program aimed at reducing traffic accidents due to dangerous passing.

"Every effort is being made to acquaint drivers with the hazards of passing—especially on two lane highways at high speed. During June and July this court will display the official poster carrying the message 'Share the Road—Keep in Lane' and remind each defendant of the hazards by giving him a personal copy of the safety leaflet containing 20 tips on passing," the Judge said.

Judge Bogart pointed out that the traffic violation of "crossing the yellow line" on hills and curves is a very serious one. If this act actually endangers someone it will very likely result in a still more serious charge—that of reckless driving. In addition to a heavy fine which may be expected, such offenses make a very black mark against the driver's license. This may start him on his way to losing it—or if he has had previous offenses may actually result in his losing his

license.
In conclusion Judge Bogart called upon all motorists to cooperate with the official agencies on this safety campaign. "Getting ahead of the car ahead may not save you as much time as you think," he added.

2 Northville Students Albion Graduates

Leonard R. Howard, son of Dr. and Mrs. W. L. Howard of 47787 West Eight Mile, and John Poulos, Jr., son of Mr. and Mrs. J. Poulos of 795 Thayer, will receive their bachelor of arts degree at the Albion college commencement ceremonies June 7, in the Kresge gymnasium. Following the commencement address by Dr. Grove Patterson, editor-in-chief of the Toledo Blade, bachelor of arts degrees will be awarded to 192 young men and women and the master of arts degree to two graduate students by President W. W. Whitehouse of Albion college.

At the end of his junior year at Albion, Howard began his professional study at the University of Michigan Medical school. Now, at the successful completion of his first year at the latter, Albion college is awarding him his bachelor of arts degree, on a combine course arrangement with the University of Michigan.

Police Chief Asks Driving Caution

Police Chief Joe Denton of Northville this week appealed to motorists to cooperate on the June-July program aimed at cutting down traffic accidents due to dangerous passing.

He warned motorists to be particularly careful not to exceed the speed limit when passing. "Many an accident happens," he said, "because one driver got up to too high a speed in trying to pass another. The result was that when an emergency developed he was going too fast to stop in time to avoid the accident."

Chief Denton also cautioned motorists about passing at intersections. "A common dangerous situation arises," he said, "when the car you are passing stops suddenly to let a car or pedestrian on its right pass in front of it. You may not be able to see this coming because the car you are passing blocks your vision. Thus, you may have a car or pedestrian dropped right in your lap—when it's too late to stop."

In conclusion Chief Denton pointed out that this concerted drive against dangerous passing is not just a local affair. It is sponsored by Chiefs of Police throughout Michigan through the Assn. of Chiefs of Police. It has the cooperation of the Michigan Trucking Assn. and the Michigan State Safety Comm.

Passing on a hill is like driving on a dark night without headlights. You can't see what's ahead. You can't tell when a car will pop over the hill. If it does you're in for a head-on collision—the death of somebody else may be on your hands.

"Blind" hills on all state highways and on some county highways have a yellow line telling you where you cannot pass. Less important hills may not have this protection. Don't take a chance. When in doubt, don't do it.

Remember the higher the speed of both cars the longer it takes to pass—so at high speed do your passing a long ways before you reach that hill you can see ahead.

When you make this combination fresh-cooked-strawberry pie you probably will agree with Mrs. Richard Ambler that it is the best berry pie you have ever made. It is a favorite with her family and will be with yours. Now that strawberries are on the market and home-grown ones soon will be, you will have a chance to try out this recipe.

The Amblers, with their three children, live at 417 W. Dunlap St. Besides six-year old Diane, who is shown "reading" recipes to her mother in the above picture, they have another daughter, Nancy, who is two and a young son, Ricky, who is eight months old. Diane and Nancy are "little dolls" who look like children.

Both Mr. and Mrs. Ambler have lived in Northville all their lives and take an active

part in the affairs of the Village. Ambler is associated with the Johnson Farm Service of Plymouth.

Here is Mrs. Ambler's favorite recipe:

Strawberry Pie

Wash and drain 4 cups of strawberries
4 cups of strawberries
3/4 cup of sugar
3/4 cup water
3 tablespoons cornstarch
1/4 teaspoon of salt

Add water to one cup of berries and bring to a boil and simmer about three minutes. Strain out one cup of juice and add sugar, cornstarch and salt and boil until clear and thick. Cool.

Place three cups of fresh berries (cut up if desired) on a baked pie shell and pour over the cooled, cooked mixture.

Cover with whipping cream and drool!

to be one and the same. Some dealers reaped such fast profits that they began financing their own projects with full FHA guarantees.

In spite of all the above, the Government has not suffered financially as a result of these reprehensible practices. The FHA is a mutual insurance fund, not unlike the Federal Deposit Insurance Corp., which insures the individual depositors against loss. The FHA insures the loans of the lending institutions against loss. The mortgagors, the people who build and repair their homes with FHA insured loans, pay all the costs. The FHA has repaid to the federal treasury the entire capital of \$65,497,432.65 that the U. S. Treasury had advanced it. In addition, it has paid interest thereon amounting to \$20,385,528.87.

The total number of loans made up to February 28, 1954, under Title I, The Home Improvement program, totaled 16,773,461. Up to February 28, 1954, FHA had insured 2,199,875 (1 to 4 family units) new homes. All of the FHA reserves today amount to in excess of \$350,000,000 and are increasing at a rate of over \$8,000,000 a month. The FHA IS A SOUND INSTITUTION. The great majority of the builders, the dealers, and the leaders who have participated in the FHA program are good honest Americans. The program has literally assisted millions to build new homes and modernize existing ones who otherwise would be living in deficient housing today. We can't tear up the machinery because some of the parts need replacing. As an American, and as your representative in Congress, I claim

that this housing program can and will be freed from the graft and corruption that invaded its administration.

ST. LAWRENCE SEAWAY — My prediction is that the last legal barrier to construction of this vital project will be cleared before the Supreme court recesses on June 7.

A survey conducted of 97 industrial firms showed that only 10 per cent of the men fired lost their jobs because they were technically incompetent, while 90 per cent lost theirs because they couldn't take responsibility.

Eye Exercises Can't Change Need for Glasses

Ann Arbor—Spectacle wearers had better be content with the sharp vision their glasses provide, rather than try through eye exercises to make the lenses unnecessary.

Dr. William U. McReynolds of the University of Michigan's Department of Ophthalmology had this to say in a medical talk: "A person cannot change his need for glasses by so-called eye exercises anymore than he can

influence his height. Any improvement of vision noted after such exercises has been shown to be due to the person's ability to interpret blurred images—just as a deaf person can learn to read lips.

"Glasses are not crutches and they cannot weaken our eyes, as a certain physical cultist would

have us believe."

Clearing the rear ledge helps prevent injuries in automobile accidents. Safety experts agree that many injuries could have been prevented in accidents if the ledge had been cleared off and a sudden stop had not catapulted objects into the back of the driver's head.

FHA SCANDALS—The "mess" Banking and Currency Committee in Washington on this subject has been considered by the House for six days in executive sessions. After these six sessions I am forced

to believe that (1) crimes have been committed by personnel in FHA, and also by those doing business with FHA; that (2) there has been organized professional fraud in the FHA on a basis never before witnessed in America; and (3) a high official in FHA (recently fired) has a long police record, many convictions and numerous aliases. This man had been with the Democratic administration in FHA for 19 years and was promoted time and time again.

Briefly, here is how tens of thousands of small home owners were swindled out of millions of dollars by crooked dealers and lenders under Title I, The Home Improvement program. Bands of swindlers and ex-convicts would move into a city. At one time 64 of these human termites were registered in a hotel in one mid-west city, while 200 others of the same ilk were lodged in two hotels in another far western city. Their first move was to "canvas" the homes for prospects. Then the "suede-shoe dynamiters" would follow through to get the signature on the line. These teams would see that the owner was furnished with two or more "competitive" bids covering the proposed improvements. The tricks and schemes used to get the owner's signature often challenge the human imagination. As frequently as possible, these "dynamiters" would encourage the owner-borrower to use some of the proceeds from the loan for purposes not permitted under the Housing law. They felt this would preclude the owner from proceeding against them and it often did; such as the case in Detroit where one fellow financed the alimony payments to his wife with an FHA Home Improvement Loan (perhaps in some cases this might be considered a home improvement). The unscrupulous dealer and the crooked lender in some cases turned out

Babson

Says . . .

Roger W. Babson

The leveling-off in business activity which figures such as these represent will be reflected in the business of the railroads. During this second quarter our railroads are anticipating about a 27% decline in automotive shipments, a 17% decline in steel loadings, and an approximate 8% decline in coal and coke carloadings. On the other hand, some increase is expected in transporting such things as fruits, frozen foods, cotton, and cement. So, I forecast that total carloadings this quarter will reflect a drop of only about 8% over the second quarter of last year.

REASONS FOR OPTIMISM

There are, in fact, some substantial reasons for optimism. For nearly a year now we have been working down the unsold goods on our shelves and in our warehouses. People are still in a good position to buy; they have the money. Did you know that personal income rose to about \$285 billions by the end of 1953, compared with around \$280 billions at the end of 1952? During this same period, salaries increased more than 2% so that our living standards and savings reached the highest point in history.

Further, our banks have both cash and government securities in an amount equal to about 60% of deposits, and the easy-money policy which encourages business is back with us. The construction industry keeps booming. For example, the Commerce Department reports that new construction expenditures for first-quarter 1954 were the highest in our entire national history. A number of manufacturers polled indicate that March 1954 was either the second or third best in the history of their companies.

THE UNEMPLOYMENT QUESTION

There has been too much loose talk about unemployment. I am especially concerned by the way in which unemployment data have been presented by many magazines and newspapers. This could have an adverse psychological effect upon business which is not warranted. Granted, across the country there have been more instances of local labor surpluses. No one likes to see anybody out of work. But the picture is not nearly so alarming as some analysts would have us believe.

I believe the best way of presenting unemployment figures is on a per capita or percentage basis. To illustrate: In 1928 the population was 120,501,000. The unemployed totaled 2,935,000. Therefore, the per cent of unemployment per capita was only 2.4. In 1938 the population had increased to 129,825,000 and unemployment to 10,390,000. The per capita unemployment, therefore, was then 8%. Now take 1954. Our present population numbers roughly 160,000,000. Even with a high estimate of 4,000,000 unemployed, the per-capita percentage figure would equal only 2.5, or about the same as in the boom year of 1928! Be careful how you let the prophets of doom lead you astray. Business conditions are

YOUR CORRESPONDENT — MISS L. A. AULT

Phone Farmington 1461-M

Saturday afternoon, the 22nd, the Livonia Methodist Sunday school class taught by Mr. Wilkins enjoyed a trip to the Detroit Zoo. A dozen boys and girls participated.

Mr. and Mrs. Forrest Ault and their three children, of Hubbard Ave., spent Sunday afternoon, the 23rd, at the home of Mrs. Ault's sister, Mrs. Leo Woods, near Inkster, where a family re-union was being held. Specially honored at this get-together was Marine Marjorie Woods, who has been home on leave before going to Hawaii.

Mr. and Mrs. Robert Diehl, of Shadyside Ave., have purchased a summer cottage near Brighton and expect to spend most of the next few months enjoying it.

Mr. and Mrs. John Aittama, of Shadyside Ave., were visiting in Brighton Sunday afternoon, the 23rd.

Freda Ault, of Norfolk Ave., was calling at the home of Mrs. Nelson Cameron, in Redford, Friday afternoon.

Mr. and Mrs. Jos. Roberts of Mayfield Ave., accompanied by their daughter, Mrs. Edward Kochanek and her family, of Inkster, enjoyed a family picnic Saturday, the 22nd, held at the home of the Roberts' youngest daughter, Mrs. Robert Padot, in Monroe.

Mrs. Herman Schult and her daughter, Mrs. James Maynard, of Shadyside Ave., visited in Pontiac Tuesday.

Mrs. Emerson Ault, Mayfield Ave., was hostess to her Rug Club Monday, the 24th. Several ladies were on hand to enjoy the day's work.

A. D. Ahler, from Detroit, was a Sunday, the 23rd guest of his uncle, E. W. Stange and his family on Mayfield Ave.

Mrs. George Welsh, of Mayfield Ave., has been ill in bed with a heart ailment.

Mrs. Max Holland, from Detroit was a Monday, the 24th guest of her parents, Mr. and Mrs. John Aittama, on Shadyside Ave.

On the grounds of their home on Shadyside Ave., Sunday evening, the 23rd, Mr. and Mrs. Howard Palmer gave a most enjoyable barbecue supper. Ten friends from Detroit were guests.

Miss Susie Lewis, of Hubbard Ave., is ill with measles.

Mr. and Mrs. Cecil Willet and their daughter, Joanne, of Mayfield Ave., spent last week-end at their cottage in northern Mich.

Mrs. Grace Simpson, of Mayfield Ave., was a recent overnight guest of her daughter, Mrs. Edward Burgman, of Novi, and attended a party honoring the birthday of her young grandson, Eddie Brugman, Jr.

Clarence, Jr., youngest son of Mr. and Mrs. Clarence Roberts, Mayfield Ave., is quite ill with flu.

Kathleen and Helen Cooke, from Farmington, were all-day guests Thursday of their grandparents, Mr. and Mrs. O. R. Ault, of Shadyside Ave. The girls parents, Mr. and Mrs. George Cooke and their brother, Richard, were visiting University Hospital, Ann Arbor.

Miss Mary Margaret Hunter, from Detroit, was a Thursday guest of her grandmother, Mrs. Emerson Ault, on Mayfield Ave.

good, and with your help they are going to be even better in the months to come.

The Varhols of Shadyside Ave. spent last week-end with Mrs. Varhol's sister, Mrs. Randolph Holmes of Flint. Mrs. Holme's daughter, Linda, returned home with her aunt and will, for the next few weeks be a house guest of the Varhols.

Neighborhood Sunshine Sisters held their regular meeting in the Neighborhood Church Wednesday, May 26. "Summer Sabbath Keeping" was the topic. A feature of the program was a period during which each of the 12 ladies present described the sort of dinner usually served in her home on Sunday. It was found that the old fashioned "big Sunday dinner" is definitely going out of style. The Sunshine group prepared and sent out greetings to Mr. and Mrs. George Welsh, who were celebrating their 28th wedding anniversary and to Mrs. Stanley Morgan, who is critically ill in Detroit Osteopathic Hospital. The next meeting will be held Wednesday afternoon, June 9 at 2 p.m. It is expected that a representative from the Goodwill Industries of Detroit will address the meeting. Light refreshments will be served.

Mr. and Mrs. Louis Jennings and their three children of Norfolk Ave. visited with relatives in Lambertville, Mich. Wednesday evening, the 26th. Mrs. Jennings, with her daughter, Darlae Mae and Cynthia, accompanied her mother and sisters to a Mother and Daughter banquet held in Lambertville.

Miss Beverly Skow of Mayfield Ave. is convalescing satisfactorily from the tonsil operation she underwent last week. Mrs. Adolph Konopka of Detroit was a recent day guest of her daughter, Mrs. Kenneth Skow and her family on Mayfield Ave. Mrs. Claude Centers of Westmore Ave. recently entertained

Mr. and Mrs. Lloyd Knoph and children of Whitlock Ave. were visiting in Port Huron Sunday, May 23.

Miss Barbara Varhol of Shadyside Ave. has been quite ill. Mrs. Clinton Ault of Mayfield Ave. was visiting with her niece, Mrs. Stanley Morgan, in Detroit Osteopathic hospital Thursday.

Mrs. Ralph Kerzka of Farmington Rd. is reported quite ill.

Mr. and Mrs. Howard Palmer of Shadyside Ave. visited with Detroit friends last Saturday evening.

Mrs. E. W. Stange of Mayfield Ave. spent one day last week visiting with her sister-in-law, Mrs. Clara Ahler in Detroit.

Mrs. Grace McShane of Oakland county visited with Mayfield Ave. friends one evening last week.

The Clarence Roberts home on Mayfield Ave. has been undergoing some remodeling.

Robert Hunter, a Detroit resident who visits frequently among friends and relatives of this community, since his parents reside on Mayfield Ave., and he himself is a Mayfield Ave. property owner, injured a leg severely while at his employment Thursday. It is expected that he will be confined to his home some time.

Recently, on Farmington Rd., between Seven and Eight Mile, window peepers have been a nuisance.

Improvements are getting under way in the Varhol house on Shadyside Ave.

Mrs. M. E. Ault, Mayfield Ave. was an all day visitor in Detroit Wednesday.

The school census is getting well under way. However, the worker expects to make many repeat calls because of the large number of homes where both parents are working days.

Forty-seven per cent of the families who own their own homes have mortgages on them. The average mortgage is about \$4,500.

BUSINESS CONDITIONS LOOKING UP

Babson Park, Mass.—Last December in this column I predicted

we would NOT have a sharp drop in business during 1954. So far this has not taken place, although there has been a temporary period of unemployment. The question is: What will be the pattern of business from here on? This I will discuss in a few weeks when I make my extended forecast for the last six months.

HOW BAD ARE CONDITIONS?

Because some of my critics were overly pessimistic for the first quarter and business conditions failed to bolster their attitude, they have now become pessimistic about the second half. I think they are still wrong! Sure, retail sales have dropped some in a number of lines since the first of the year. Automobile sales for most companies have been poor. Steel production has slowed to about 70% of capacity, but is still almost 30% better than that of 1940 or 1946. The squeeze has been on, too, for the marginal farmer, with the trend to larger farms, greater mechanization, and fewer farm hands. Last year's 8% drop in farm income caught the farm machinery manufacturers off balance. I anticipate this condition will continue well into 1954.

HOME DEMONSTRATION AGENT'S COLUMN

Are you the shirt buyer in your family? Sales records indicate that women buy more shirts than men and that they all too often use the "guess" method in deciding on size. Two measurements that are important in selecting a well-fitting shirt, says Emma Durbord, are the neck band size and sleeve length. Look for these measurements listed on the shirt rather than the term small, medium or large, advises Miss Durbord. Most sleeve length range from 32 to 36 inches. A few manufacturers have a range of 31 to 37 inches.

To determine the correct length, measure from the bone at the back of the neck to the wrist bone, with the arm held straight out at the side. Neck sizes in most shirts for men range from 14 to 18 inches. To be sure of getting the right size, measure the inside of the neck band from the center of the button to the far end of the buttonhole. Shoulder length is important, but if the neck band size and sleeve length are correct, the shoulder will usually be right. Check collar

After, Mary Ann Bock took us outside and showed us the barn and her horse. Everyone had a nice time at Mrs. Bock's and was very sorry when it was time to leave.

REQUIRED FAITH

It is very evident to the person who reads his Bible that the method God uses to justify sinners is the "Faith Method". For example, in Romans 5:1, "Therefore being justified by faith—" John 3:16—"whosoever believeth in Him", Eph 2:8 "For by grace are ye saith through faith—" Many people have been confused about the place of "works" or the practical aspects of the Christian life. Generally it is believed that one is justified by "faith in Christ" plus self effort. Though this sounds reasonable to the average human mind it is contrary to the plans set forth in the Bible. Romans 5:5 "But to Him that worketh not, but believeth on Him that justifieth the ungodly. HIS FAITH is counted (or accepted) for righteousness. Salvation is the gift of God to sinners who will repent and accept Christ. Therefore it must be given to the sinner without merit or it would lose its identity as a gift. (See Romans 11:6). Now after a person receives the gift of salvation which includes not only the forgiveness of sins but also new life from God, he then has the desire and also the ability to live a holy life which is otherwise impossible by limitation. The Saviour who died for you stands ready to save you through faith."
