Northville has its Rotary, Exchange and Optimist clubs for men; its Woman's club, Garden club, Business and Professional Women's club and Mothers club for women, and a lot of other organizations serving varied community needs.

However, there is another group in this Northville area which is much more difficult to join than any of the organizations listed above. It is so exclusive, in fact, that to be admitted to membership is an achievement which comes only after a lifetime of effort.

This group is composed of older men and women, grandfathers and grandmothers of those of us who are still in the hey-day of our activity. They have experienced most of the thrills and disappointments which come to everyone at one time or another.

An appropriate name for this group could be the EIGHTY-PLUS CLUB, with membership limited to those who have celebrated their eightieth birthday.

While it probably isn't feasible to actually organize such a club in Northville, The Record is going to do the next best thing. It is planning to run a series of pictures and biographical stories about those respected members of this community who have achieved the distinction of an eightieth birthday.

What we need to start this project is the cooperation in suggesting names of men and women who are in the Eighty-Plus group.

Tom Carrington is working hard to line up votes for Pat Cleary as the Republican gubernatorial candidate in the primary election Aug. 3.

Tom's high regard for Cleary is shared, we recall, by The Record's former copublisher, Nat Hopkins. Nat was raised in Cleary's home town of Ypsilanti, was a schoolmate of his from kindergarten through college, and has high respect for his integrity and ability.

Fred Lyke, Northville township clerk, warns voters in the primary election that they cannot split their ballot and vote for candidates on more than one party ticket.

IMPORTANT — Luke Bathey, who retired as a General Motors executive a couple years ago and built a home on Sheldon road, has been playing golf for 34 years.

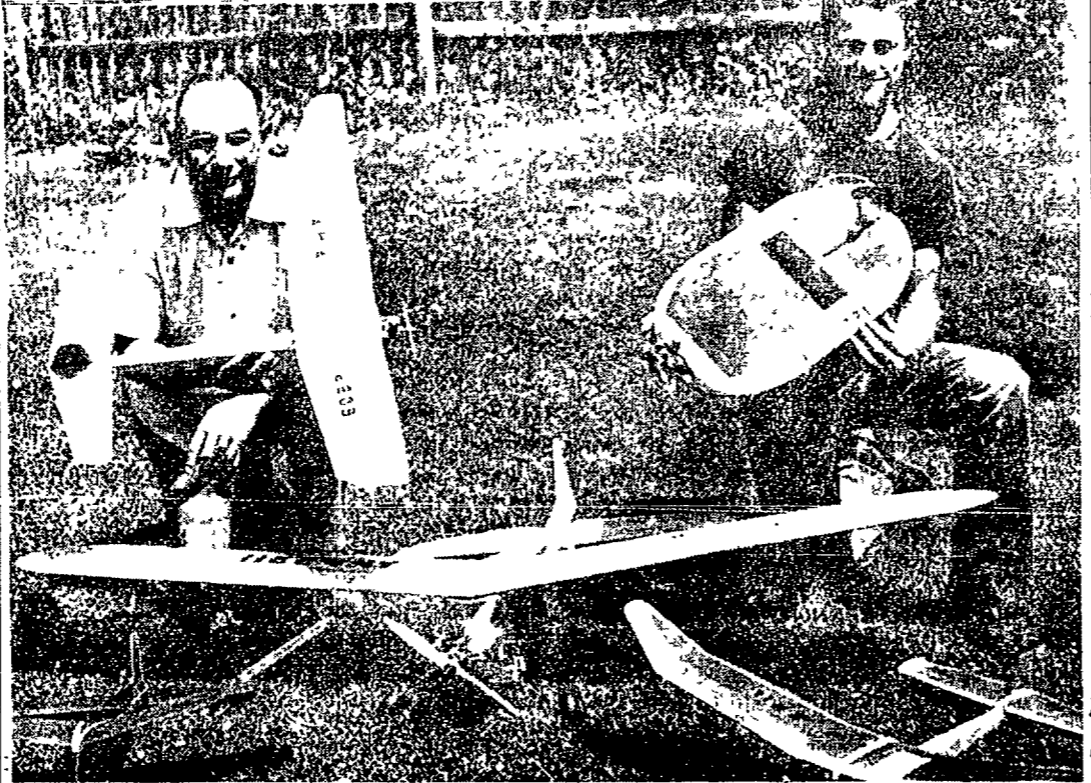

NOT BAD — Bert Swanger, who is in the adding machine and typewriter business in Detroit, also turned in a top performance in his field this week by selling two typewriters and one adding machine to fellow pallbearers at a funeral.

Northville's Chick Harbert — Champion!

Chick Harbert, genial professional at Northville's Meadowbrook Country club, is the newly crowned king of professional golfers.

Beaming and happy, Harbert was lifted upon the shoulders of friends and escorted to a waiting car.

NORTHVILLE'S REPRESENTATIVES to the national model airplane contest in Chicago July 28 to Aug. 1 will be Alvin Skow (left) and his son, Delano, 15, who hope to win a prize with one of the gasoline-powered models shown above. That's not a "Flying Washboard" Delano is holding, but a "flying saucer" that really flies.

Things Happen In Novi; Now It Is Gas Station Fire, Chase and Capture

Things seem to happen in Novi, small as it is. To help cover the news in the community, a prominent Novi citizen and business man was asked by The Record to represent it.

Driver Escapes Train, Car Crash Near Northville

Carl John Von Gruenigen, operator of a juke box circuit in the Northville-Salem area, can thank his lucky star for an almost incredible escape from death.

The car was demolished, twisted and set on fire by the impact, and was dragged along the rails before the train could be stopped.

At Sessions hospital the man was found to be suffering from lacerations of the head, various bruises. Most serious of his injuries were first and second degree burns on the back and arms, caused by the flaming gasoline.

Fluoride Program to Start Monday

The fluoride dental program will start Aug 2 for a period of three weeks. Miss Ruth Knapp would like to remind parents, whose children have appointments for the treatments, to be at the basement of the grade school Monday and Tuesday so the project can proceed according to schedule.

A white albino robin was seen by C. F. Logeman Friday. The white robin was feeding with three other robins on the Merner Elber property on Rayson St.

Northville Owls Get Offer of Home, Plenty to Eat

Northville's now famous hoot owls — five, count 'em five — are assured of a home and plenty to eat if the Village commission and officials of the Methodist church do not object.

Wayne County Training school officials on Sheldon Rd. said they could use the owls to help curb mice and small birds around the training school granary.

Marvin Guntzville, noted taxidermist at Ten Mile and Taft roads, to whom the owls at first were to be delivered, said that owls subsist 90 per cent on rodents.

Clement Roehl, in charge of stores at the training school, told Village Atty. Philip Ogilvie Monday that he'd like to have the owls around when they got old enough to shift for themselves.

Meanwhile, members of the Methodist church congregation were reported somewhat concerned over the prospect of losing the steeple where the five owls were found last week.

Commissioners are against the spending of \$600 to paint the steeple, as requested by church officials.

"That's only part of it" Comm. F. Malcolm Allen said Tuesday. "I figure it would cost about \$1,000 to repair the clock and then what would we have?"

Comm. John Stubbenvoll suggested at the last commission meeting that the steeple be torn down if the church would not accept responsibility.

Maintenance Supt. Herman Hartine would be thankful whatever action was taken.

"It's a tough job, climbing up there once a week when the clock is working," he said, "and cranking the old fashioned gears and weights"

Hatner estimated the clock and the steeple were all of 40 years old, if not older. The steeple was built by a man named Gardner and deeded to the Village of Northville.

Others include a "Buzzer" with a six-foot wing span and a Torpedo 23 motor, two "Kwaki" half-A gas models, and a "Lift-master" half-A PAA which carries a three-ounce lead dummy.

Skow and his son are members of the Northville Aerobics club which consists of a number of men and boys who like to build and fly gas-powered aircraft.

Most interesting of the Northville entries is a 20x15 inch model of a "flying saucer", powered by a tiny gasoline motor.

Others include a "Buzzer" with a six-foot wing span and a Torpedo 23 motor, two "Kwaki" half-A gas models, and a "Lift-master" half-A PAA which carries a three-ounce lead dummy.

After all, he said, "I took them over and fed them, sprayed them, and am raising them. They're a lot of trouble, so I think I should have something to say about what becomes of them."

The five wide-eyed birds just don't give a hoot at all the trouble they've caused.

To young to hoot, they simply hiss — like a blatant goose.

Optimists Sponsor Tiger Ball Game for Northville Boys

Aug. 12 will be a big day for all boys interested in baseball. That is a day the Optimists hope the boys won't forget, for they are sponsoring a trip to a Tiger baseball game at Briggs Stadium.

The boys will be taken to a Boy's club on Livernois in Detroit where they will swim in the morning, have lunch and go to the game. There will be 4,000 boys from all over the state attending.

Boys should arrange their own transportation by groups. The drivers will be included in the luncheon and game also.

H. A. Willis Named Advertising Manager of Kelvinator Co.

H. A. Willis of 220 N. Wing St., Northville, has been named national advertising manager, it was announced today by D. A. Packard, general sales manager.

Willis joined Kelvinator in 1944 as supervisor of commercial advertising. He also served as manager of electric range advertising and in 1947 was named electric range and water heater sales manager. Since 1951 he has been supervising national advertising.

No Teenage Gangs In Northville, Says Police Official

Northville is free of the teenage gangs such as have been terrorizing Detroiters in recent weeks.

Youthful brawlers, gangfighters and just plain hoodlums have been appearing in court in increasing numbers, following the fatal stabbing of a Mackenzie High school athlete last January, and a 12-year-old boy a week later.

Chief of Police Joseph Denton thinks there is not even a gang potential in Northville.

Little Trouble

"We have had very little trouble with teenagers here," he said Tuesday. "They know us and respect us. They know we have sympathy for them and an understanding of their problems, but that we will not tolerate rowdiness, vandalism or hoodlumism."

"We have a fine bunch of boys and girls in Northville. Northville people do more for the teenagers than most communities; see to it that they have wholesome things to do that will satisfy, in large part, their natural urge for an active life."

This was attested to in a letter to the editor, published elsewhere in this issue, from Judge Nathan Kaufman of Detroit, complimenting Chief Denton for his help in youth activities.

The letter was an evident tribute not only to Chief Denton and Northville, but to the teenagers themselves.

Six young Detroit hoodlums who assaulted another Detroit youth at Novi township park a week ago, and are under \$500 bonds each to appear for trial July 29 provided the nearest incident of its kind to Northville.

Organized Gangs

In Detroit, however, well organized gangs known variously as "Shakers", "Dukes", "OoLoos" and "Jokers" have become so openly obnoxious that citizen's groups and law enforcement agencies are highly alarmed.

Biggest gang of all is the "Shakers", reported to have 300 members.

Little Interest In Primary Here

Northville voters will go to the polls Tuesday — but not many, judging from the lack of interest in the primary election.

Although state and county offices, and seats in congress are at stake only two candidates have campaigned in Northville or plan to visit the area.

These are Francis D. Ross, Belleville attorney who is a candidate for state representative from the 21st district, and Donald S. Leonard, GOP gubernatorial candidate, who will visit friends here Friday.

Ross, a World War II veteran, said here that he hopes for support in this area. He said that otherwise Livonia, with a majority of votes in the district, probably will continue to control the selection of a state representative as it has in the past. He is seeking to break Livonia's hold on elections.

Church School to End This Sunday

The final session of the Sunday Church School at the First Presbyterian church will be held this Sunday at 10 a.m. During the month of August, there will be no classes in any of the departments.

Classes will start again on Saturday after Labor Day, Sept. 2, with plans for Christmas Education Sunday to occur Sunday, Sept. 26.

PETEY, SPOKESMAN for five owls found in the Methodist church steeple, squirms in the grasp of Patrolman Frank Hines after their capture and "arraignment" on a charge of sabotaging the Village clock. The five are being fed a diet of bread and milk and hamburger.

NOTICE OF Special Election

To the Qualified Electors: NOTICE IS HEREBY GIVEN, That a Special Election will be held in the Township of Novi, County of Oakland, State of Michigan, at

NOVI TOWNSHIP HALL

Within said Township on

TUESDAY, AUGUST 3, 1954

To The Qualified Electors of the County of Oakland, State of Michigan:

NOTICE IS HEREBY GIVEN, that a Special Election will be held in the County of Oakland, State of Michigan, on Tuesday, the 3rd day of August, 1954, from 7:00 o'clock in the forenoon until 8:00 o'clock in the afternoon, Eastern Standard Time, to vote upon the propositions set forth in the following resolution adopted by the Board of Supervisors of said County on the 18th day of January, 1954, to-wit:

"BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE COUNTY OF OAKLAND, MICHIGAN, AS FOLLOWS:

1. That said Board of Supervisors deems it expedient and necessary for the said County to erect a County Building in the City of Pontiac, Michigan, to house the Courts and general county offices (sometimes hereinafter referred to as the "improvement"). That said Board of Supervisors does hereby declare the said improvement to be a permanent improvement, and hereby determines to make the same and to defray the cost thereof by the issuance and sale of Bonds, as hereinafter provided.

2. That said Board of Supervisors does hereby adopt the estimate of Four Million Five Hundred Thousand Dollars (\$4,500,000) made by the Special County Building Committee, as the amount needed to pay the cost of said improvement and does hereby determine to finance such cost by the issuance of bonds in the principal sum of Four Million Five Hundred Thousand Dollars, (\$4,500,000). The said Board of Supervisors does hereby determine that the estimated period of usefulness of said improvement is thirty (30) years and upwards.

3. That for the purpose of paying the cost of said improvement, there shall be borrowed on the faith and credit of the County of Oakland, the sum of Four Million Five Hundred Thousand Dollars, (\$4,500,000) and the bonds of the County issued therefor, which bonds shall be sold at not less than par, shall bear interest at not to exceed 3 1/2% per annum payable semi-annually, and shall be payable serially as shall be determined by the County Board of Supervisors, the first maturity to be not more than two (2) years and the last not more than twenty (20) years from the date of issuance; provided, that the said Board of Supervisors shall adopt such supplemental and/or additional resolutions as shall be necessary to effect the issuance and sale of said Bonds, when and if the issuance of said Bonds shall be approved by the electors.

4. That the proposition of the issuance and sale of said bonds shall be submitted to the electors of the County of Oakland, qualified to vote thereon, at a special election to be held on the 3rd day of August, 1954, (the same being a date coincident with county-wide primary election with said County of Oakland) from 7:00 o'clock A.M. to 8:00 o'clock P.M., Eastern Standard Time, which proposition shall appear upon the ballots or voting machines in the following form:

"Shall the County of Oakland, State of Michigan, borrow the sum of Four Million Five Hundred Thousand Dollars (\$4,500,000) and issue and sell its full faith and credit bonds therefor, for the purpose of paying the cost of erecting a county building in the City of Pontiac, Michigan, to house the courts and the general county offices, said bonds to bear interest at a rate not to exceed 3 1/2% per annum payable semi-annually, and to mature serially as shall be determined by the County Board of Supervisors, the first maturity to be not more than 2 years and the last not more than 20 years from the date of issuance?"

5. That nothing contained in this resolution shall be construed to permit the making of said improvement or the borrowing of said sum of \$4,500,000 and the issuing of the bonds of the county therefor, until the foregoing proposition shall have been approved by a majority of the electors of the county, qualified to vote thereon and voting at said special election.

6. That for the purpose of paying the principal and interest on said bonds and providing a reserve therefor, it is necessary that the tax rate limitation in the County of Oakland be increased by 1/2 of 1 mill for a period of twenty (20) years from 1954 to 1973, both inclusive, and that the proposition of such increase shall be submitted to the electors of the County of Oakland qualified to vote thereon, at said special election, which proposition shall appear upon the ballots in the following form:

"Shall the limitation on the total amount of taxes which may be assessed each year against property in the County of Oakland, State of Michigan, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided in Section 21 of Article X of the Constitution of Michigan, for a period of 20 years from 1954 to 1973, both inclusive, by 1/2 of 1% (50c per \$1,000) of the assessed valuation as equalized, for the purpose of paying principal and interest on, and establishing a reserve for bonds aggregating not to exceed \$4,500,000 in principal amount, to be issued to pay the cost of erecting a county building in the City of Pontiac, Michigan, to house the courts and the general county offices?"

7. That the County Clerk shall call said special election in accordance with the terms of this resolution and any resolution supplementary thereto.

8. That this resolution is adopted pursuant to the provisions of Act No. 118, Michigan Public Acts of 1923, as amended, and acts supplementary thereto.

9. That all resolutions and parts of resolutions, insofar as the same may be in conflict herewith, are hereby rescinded. MR. CHAIRMAN, I move the adoption of the foregoing resolution.

Motion was seconded by Supervisor Barnard. VOTING: AYES: 64. NAYS: 3. CARRIED.

The following statement has been received from the County Treasurer as to previously voted increases in the total tax rate limitation affecting taxable property in the County of Oakland, to-wit:

Northville Businessman Is Subject of Article in National Plumbing Magazine

A Northville business man is the subject of a feature article in the July issue of "Plumbing & Heating Business".

Well illustrated with photographs, the article tells how Glenn C. Long, Northville contractor, went about conducting a "grand opening" and housewarming.

Entitled "Give That New Store a Grand Opening", the article reads, in part:

"No one just moves into a new home. Almost always, there is the traditional housewarming by which the owner announces his new location to neighbors and friends and tells them how proud and happy he is with his new home."

"The housewarming idea can be applied to the opening of a new plumbing-heating store. In fact, it must be applied if the contractor is to get the right start. So contractor Glenn C. Long of Northville Township, Michigan, gave his new store a grand opening through advertisements and personal invitations, he asked the whole town to come in and look over his new establishment. He offered the always-compelling lure of 'something-for-nothing'.

COLOR PRINT SERVICE

Kodachrome and Kodachrome print orders are quickly serviced. The average delivery time does not usually exceed 7 days. Special delivery shipments sent and received each day make this possible. Ektachrome and Ansco color film are processed or printed in about the same length of time. A trial will convince you.

Prompt service on 35mm. duplicate slides and 8mm. and 16 mm. duplicate movies as well.

ing. And he attracted crowds which helped make his new store investment start paying off right away.

"Long timed the opening of his store to coincide with reopenings of two other Northville businesses. For the two-day event, the local weekly newspaper put out a 12-page insert with its regular issue. The insert had a special circulation of 15,000 in addition to the paper's regular 2,000, and was distributed to all neighboring communities. The regular issue also ran front-page stories on the openings.

"Besides using newspaper ads to invite people to the opening, Long sent out 150 invitations to contractors, customers and friends.

"The 'something-for-nothing' he offered was a grand drawing for three prizes, a National food waste disposer, a Westinghouse roaster and a Westinghouse Cook-Fly. Chances on the drawing were given to persons attending the opening, one to a family.

"Many souvenirs were handed out to visitors—ash trays imprinted with the store's name and telephone number below a Westinghouse seal; gift certificates worth \$25 off on major appliances; balloons for the children, and clip-its, clothes-pin like devices for clipping together kitchen reminders.

"Long took good advantage of an opportunity afforded him during the grand opening. The cards used for the drawings, as a matter of course, had to have the visitor's name, address, city and telephone number.

"In addition to that, Long decided that to be eligible for the prizes, those filling out the cards had to check, from a list of major appliances, what particular ones they were interested in.

"These cards, of which 400 were properly filled out, helped Long decide what he should stock to answer his customer's needs. The cards are also being used for a mailing list. From time to time, Long goes over the cards and then sends out reminders to customers, telling them that the items they checked are in stock.

"Long had operated from a three-car garage behind his home until last year when township authorities started to more rigidly enforce already existing zoning laws. When he decided to build he found that Northville Township had nothing to offer in the way of land except lots with houses on them.

Candidate Described As "Best Informed"

D. Hale Brake, state treasurer and Republican candidate for governor in the Aug. 3 primary election, was described today as the best informed man in Michigan on the problems of state government and the one candidate who can unite the Republican party for victory in November. The speaker was Charles H. King, dean of Detroit College of Law and chairman of the Wayne County Brake for Governor committee.

Dean King predicted that Brake would win the nomination and defeat the Democratic incumbent in November. He pointed to Brake's record as a vote-getter in four elections to the state senate and six elections to the office of state treasurer. In the 1952 general election, Brake polled more votes than U.S. Senator Potter,

Gov. Williams, Lt. Gov. Reid and the Republican candidate for Secretary of State.

Detroit, Mich.
On Friday, July 16th, when I visited Northville, I was particularly impressed with the enthusiasm which several young boys displayed over their membership in Chief Denton's "Junior Police Club".

The way they affectionately referred to the Chief as "Joe" prompts this note to publicly compliment Chief Denton for the manner in which he interests himself in the youth of the community.

Basketball Instruction for Boys and Girls in Final Stages

Basketball official Jack Cotton, and the second group for high school students, alumnus, and a few boys from Farmington. Among the alumnus of Northville are Eddie Nash, Tom Stanford and Bruce Felker. Ex-Korean vet Jerry Heaton also attended.

Kay stressed basketball fundamentals throughout the six-week program ending each night practice with a scrimmage game. The technique of ball handling, shooting and dribbling were given special attention.

Training films were also shown

to show basketball techniques and a complete film of the Wayne university vs. Niagara basketball game was shown. Cooley High school coach Walt Wagerly was also guest instructor on July 20.

Northville has done exceptionally well in the past three years. Northville joined the Wayne-Oakland County league in 1951 and since then has ended up in first place twice and second place once.

Kay feels well satisfied with the results of his instruction. Basketball school ends six weeks of instruction and practice this Friday.

Juniors Wallop Plymouth, Cooper

The Northville Juniors baseball team, a member of the Livonia Recreation league, Class C, pounded out two more victories last week by defeating Plymouth 11 to 9 and Cooper school, Livonia, 14 to 5. This gave the Juniors their sixth straight win and an overall record of six wins, two losses and one tie game.

In the Plymouth game, Cap Pethers did the pitching while Darryl Burns did his usual fine job behind the plate. The game was marked with several errors on both sides which influenced the lead in changing hands several times. Each team made four hits.

The Juniors had easier going in its contest with Cooper. The boys, all 14 years old and under, played one of their best games of the season by committing only one error and collecting eight solid hits at the plate. Burns had a perfect day with four for four, while Goodrich and Pethers each had a double. Jeff Goodrich did the pitching and had a shutout going until the seventh inning when he tired and allowed five runs.

Members of the Northville Juniors are Joe Krith, Pete Gross, Dick Buckley, Dick Biery, Stephen Juday, Bill Juday, Darryl Burns, Cap Pethers, Jim Hammond, Bob Bake, Karl Karg, Roger Atchinson, Bill Yahne, David Janetzke, JoJo Gotro, Jeff Goodrich, Ray Hood and Tucker Williams.

Merchants Lose Game on Forfeit

The Merchants forfeited to the Legion in the Northville softball league Thursday. The Merchants team was a man short at game time and the game was ruled forfeit.

There was an unofficial game played however, giving the Legion the edge 9 to 0. In the second game of the evening the Optimists defeated Blooms team 6 to 0. The Optimists earned their 6 runs on 5 hits and 1 error, and Blooms ended up with no runs on 4 hits and 1 error.

Stones played DEHOCO at DEHOCO, winning 7 to 5.

In other recent games, the Optimists were defeated by Stones by the score of 7 to 6. The game went nine innings with the final tally by Perry Graham, who scored on Etherington's fly ball to the center fielder. Stones ended up with 7 runs on 9 hits and 1 error. The Optimists had 6 runs on 7 hits and 2 errors.

The second league game of the night was won by the Legion team 5 to 4 against Blooms. Dave Pottinger hit one of the longest balls of the season into the Ford Motor parking lot, driving in the fourth run and scoring the fifth himself. Pottinger also was credited with the win, giving up 4 runs, 2 hits and no errors.

Graber pitched for Blooms, giving up 5 runs 4 hits and no errors. Graber has pitched three no-hit ball games this year.

The other game played was at DEHOCO with the Merchants defeating DEHOCO 4 to 1.

The final night of this year's softball league is Aug. 3. The games will start as usual, the first one starting at 7, and the second game starting at 8:30.

This year there will be no play-off as has been in the past. The team ending up in first place will take all.

Surprise Event

To top off the summer recreation program the Northville Recreation Dept. will present a big pet and doll show on Aug. 10. Prizes will be given to many winners as your favorite pet, doll, dog, buggy, bike, or float parade by the judges. Entry blanks are now available. You may get yours at Paul's Sweet Shop or from Jean Campbell and Lila Lea Skow. The girls will be at the high school playground daily, Monday through Friday, 9 a.m. to 12 noon.

Kids! Do you like badminton, tether tennis, croquet, or crafts of many varieties? It is all yours simply by dropping around to the elementary school playground any morning, Monday through Friday. The time is from 9 a.m.

to 12 noon. Jean and Lila will welcome you for a morning of fun.

The teen-agers are sure having fun on those night swims. Grooms Beach at Whitmore lake becomes alive when Northville arrives. The kids can hardly wait to get off the bus so they can be the first ones in the water.

There's splashing, ducking, sliding and diving until someone mentions hot dogs or pop corn. The grand rush then leads back to the bathhouse and the eats department.

There is something about swimming that urges the appetite to great gastro capacities, as yours truly can readily testify, but this observer had to take a back seat one night as he observed three hot dogs, one hamburger, a box of pop corn, three candy bars, and two bottles of pop seek its final resting place in the stomach of a hungry swimmer.

If you would like to go on a night swim, be at the high school any Tuesday or Thursday at 6:30 p.m. Bring 30 cents and make sure you are 12 years old or over.

You can go swimming during the day if you will be at the school at 1 p.m. and day, Monday through Friday. The charge is 15 cents.

Northville Officer in Golf Tourney

Washington — Col. Ward H. Van Atta, son of F. E. Van Atta, 136 E. Cady, Northville, took part last week in the Military District of Washington golf championships at Fairfax, (Va.) Country club.

The tourney attracted some 100 Washington area military golfers who vied for the five medalist positions in the open division and two slots in the senior division for the all-Army golf championship which opened July 26.

Col. Van Atta, who began playing golf in 1949, is supply officer at the Engineer Center, Fort Belvoir, Va. He first entered the Army in 1937 and is a 1951 graduate of Harvard.

SPORTS FLASHES

from The Sporting News
by J. G. Taylor Spink

The National League's No. 1 swing team, the Cardinals, leading in team batting, hits, runs and total bases — has a jukebox in its clubhouse presided over by Doc Harrison Weaver, the club's veteran trainer. Just before the June 15 swapping deadline, Weaver labeled one of the numbers on the juke box "June 15" as a gag. When a player pressed that number the machine played the record, "You're Gone."

When the Giants signed Paul Giel to a bonus contract calling for an estimated \$75,000 recently

it was revealed that the two-sport All American from the University of Minnesota selected the New York club because of their sociable players. Giel had met such Giant players as Sal Maglie, Hoyt Wilhelm and Westrum at mid-winter sports dinners in Minneapolis and was impressed and flattered with the attention they gave him. Other clubs might have been willing to offer 75 grand to the young pitcher, but they couldn't match the good impressions Giel had formed of the Giants.

Northvillites Attend Gull Lake Sailboat Races Sunday

Mr. and Mrs. Walter Couse and their daughter, Elsa, and Dr. and Mrs. Leonard Howard attended the sailboat races at Gull Lake Sunday. This annual race is called the Great Lakes Snipe championship race and boats are entered from Grand Rapids, Indian Lake, Akron, Ohio; Peoria, Illinois; Portage Lake and various other places. It was first organized in 1938.

This year's winner was a bot from Wauwassee, Ind. — a third time winner.

The Howards and Couses visited friends, Mr. and Mrs. Don Zinn, whose son, Arden, sailed one of the entries in the race. The Zinn's daughter, Betty, was recorded for the meet.

4000 FOXES AND 62 COYOTES ARE BOUNTIED

Lansing — Hunters and trappers bountied 62 coyotes and about 4000 foxes during June, conservation department workers report.

The state paid \$1090 in bounties for the coyotes and about \$20,000 for foxes. Final fox bounty figures, still being computed, were expected later in the month.

Who likes to cook during hot summer weather?

I don't imagine there are many ladies that like cooking on a hot summer day. But I can show you plenty of homemakers who find summer cooking easier and much more pleasant since they started using an automatic gas range. And, they learned about the advantages of a modern gas range the same way you are right now.

They read all about the new easier, faster cooking features such as spacious ovens, smokeless broiling, accurate top burner controls, convenient electric outlets, smart styling, and easy-to-clean porcelain finishes. But what really sold them was the automatic clock controls that enabled them to bake and roast complete dinners automatically. They could relax or take it easy while cooking chores were taken care of with hardly any work at all.

Why don't you stop in at your gas range dealers store and see these new gas ranges. You'll be amazed when you learn how easy it is to own and enjoy one in your home. Get the facts! Don't wait. See them today!

Your Gas Appliance Dealer...
will be glad to show you these new automatic ranges. They cost less to buy, less to use, and less to install than any other automatic range on the market today.

Chamberlain

A Timely Phrase

It's a happy and stirring phrase—"Invest in America." It's a timely phrase, when there are people of little faith who would sell our country short.

It's a call for faith—faith in ourselves, and faith in our country's future.

An increasing flow of venture capital, of the savings of individual citizens, into the nation's business enterprises will create an assurance of continued prosperity and job security.

But prosperity, job security and ever higher living standards begin with capital formation—and it begins with the savings of individuals and of business enterprises, possible only under an economy-minded government and an equitable system of taxation.

Eisenhower And 1956

A considerable amount of speculation has already arisen over the course President Dwight D. Eisenhower will follow at the 1956 Republican National Convention. Several visitors to the White House lately have reported that the President does not intend to run again, and this has set off a chain of comments.

Only about one thing is certain at this stage of the political speculation. That is that the President, and every other Republican official, has no knowledge of conditions which will prevail in the summer of 1956. If the country is at war, we are willing to go on record as predicting that Mr. Eisenhower will offer services again.

If other circumstances arise which tend to make the President feel that he has a job to finish, we believe Mr. Eisenhower will decide to run again, even if there is no war. If there is some particular candidate who seems assured of the nomination if Mr. Eisenhower does not run, we believe this would have a considerable bearing on his decision.

Only if the country is in relatively sound financial condition and if there are several strong candidates, for the Republican nomination, in which situation the President's weight could swing the convention to his choice, the President might step down. There is no doubt that being President of the United States is no picnic and that President Eisenhower is tired of the great game of politics.

However, it seems to be easier for Presidents to conclude that they will not run for reelection two years before the time comes than it is the year of the nominations. In Mr. Eisenhower's case, we are willing to go on record that the President still maintains a high degree of personal popularity throughout the country and that he is the strongest single personality in the party, and able to draw the largest number of votes.

Thus, if for any reason the President declines to offer his services in 1956, the Republican Party will suffer at the polls as the result. So far few top Republican officials are willing to believe that the President will not run, but then we remember a day in the spring of 1952. We hadn't thought President Truman could step down either, but he did.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

The "do or die" period of the primary campaign is at hand.

Little more than two weeks remains before the Aug. 3 balloting. Candidates and party-workers are busy with personal appearances, radio and TV programs, newspaper ads and news stories supply election information for the voter.

The unusual offer of Democrat senators from Washington supplied campaign fodder for guns of Moody's opponents, both Democrat and Republican.

Senators Lehman (N.Y.), Douglas (Ill.), Mansfield (Mont.), Jackson (Wash.), Kennedy (Mass.), Humphrey (Minn.), Magnuson (Wash.), and Monroney (Okla.), all offered to fill speaking engagements for Blair Moody, whose physical condition prevents the active campaign originally scheduled.

Moody's primary opponent, Patrick V. McNamara, was heard from immediately after the offer was announced. In burning telegrams to each of the eight senators, Democratic National Chairman Stephen A. Mitchell, former President Truman and the 1952 presidential candidate Adlai Stevenson, McNamara roundly denounced the proposal.

"I find the announcement unbelievable that you will campaign in the Michigan primary for my ailing opponent," he stated.

Blunt facts in the Democratic camp are said to be these:

McNamara is not actually considered to have much chance to beat Moody.

Although Gov. G. Mennen Williams has not blessed Moody officially, there is little doubt about how he feels.

Williams is said to have taken the action in an effort to discredit Fitzgerald rather than aid Phil T. Hart, the governor's choice for the post. "If Hart were opposed by a 'legitimate Democrat' say about party leaders, 'the governor

Moody's backers strongly assert that the former senator did not suffer a heart attack. A particularly virulent form of pneumonia laid him low, they say, with complications that resembled a heart attack.

Campaign plans for Moody went up in smoke with the onset of the illness. After a complete rest which doctors insist upon, Moody will attempt to sell himself via a state wide television hook-up scheduled for July 29.

The illness proved an unexpected source of material for GOP point out in words of Republican State Central Committee Chairman John Feikens that "Michigan citizens are able to pick their candidates without having out-of-state people help them form opinions."

Republicans expect to hit Moody hardest on his voting record as a senator. They point to his support for the 1951 tax program which "cost the people of Michigan \$466 million in consumer taxes." Included in the bill, which was advanced by president Truman at the time of the Korean "police action," was 1/2c increase per gallon of gas; 1c per pack for cigarettes; 11% hike in income taxes; increase from 7% to 10% in excise taxes for automobiles.

Democratic answer is that taxes were voted for only a short period; were necessary to meet additional expense of military operations.

Provocative action by Gov. Williams in seeking to disown George S. Fitzgerald, candidate for the Lt. Governor's office, from the Democratic party makes more apparent a split in ranks that has existed.

Stakes will be higher in the fall balloting; the campaign will be harder.

would not have spoken out."

Except for their "bad boy" the Republican campaign is running a little more smoothly.

Dr. Eugene Keyes, who refused to go along with a GOP move to maintain unity by not attacking fellow candidates, is being pointedly ignored by party leaders.

Michigan's improved financial situation, with the state operating in black for the first time in years, makes excellent campaign material. Republicans point with pride to "their" legislative program that made it possible to eradicate deficits of \$65 million.

Moving forward due dates for corporation taxes and passing the business receipts tax are responsible for the happy financial state. GOP supporters are quick to point out that Williams supported neither move.

Democrats, however, refer to the end of red ink operation as a "joint achievement." "The solution found was not to everyone's liking," they say, "but at least it worked."

Despite the vigorous activity in primary campaigns, the big battle is expected to take place before the general election in November.

Each party machine will make every effort to win Michigan into its camp.

Whether the Wolverine state sends a Republican or Democrat senator to Washington is a question which has immense significance at the national level. With so much at stake, and the situation as unpredictable as political observers believe it to be, no time will be lost when the primary is over.

Stakes will be higher in the fall balloting; the campaign will be harder.

WAS THE \$150,000 BATTLE with the gypsy moth a success? The first part of June state officials were shocked to learn that this parasite, which destroys

nearly all green plants, had been identified for the first time in history west of Pennsylvania. It had been found in several areas in central Michigan. Plans were hastily prepared for a spraying project aimed at killing every moth in the state. It took four airplanes about a week to finish the attempt.

"As of today no live gypsy moth has been seen in Michigan since we sprayed," said C. A. Boyer, chief of the Bureau of Plant Industry.

A necessary part of the fight against this pest, Boyer explained, is a trapping program to test the efficiency of the spray. Traps

have been located over a 1,600,000 acre area in a 25 mile radius of Lansing; 10 miles further in each direction along key highways.

They are baited with portions of the female moth which will attract males from a distance of one half mile. "We feel our traps are 100% fool proof but we can't say for sure for another 50 trapping days that our spray has killed all the moths," explained Boyer. "Even if none are trapped," he added, "a visual search will be continued for eggs that might have been laid by untrapped females."

"It looks very good, so far," Boyer stated.

Six feet from the flames

At 6:50 o'clock on a below-zero Sunday morning, a lone signal light glowed on the Bad Axe telephone switchboard. It was the United Missionary Church's line. Operator Maxine McLeod plugged in, thought she heard a sizzling, crackling sound . . . like FIRE! Immediately she rang that number. Mrs. Marcus Krake, the minister's wife, came from the rear of the parsonage, which adjoined the church, to answer the telephone. She was horrified to see the church basement ablaze . . . six feet away! The call had come just in time. Both church and parsonage were on the same

telephone line. Fire eating into the wiring in the church caused the operator's switchboard light to come on. Right after Mrs. Krake gave the address to the operator, the line went dead.

Miss McLeod rang the alarm siren. As volunteer firemen all over town called in, she told them where the fire was. Thanks to the alert operator, firemen were able to save the minister's home and nearby houses.

Davis, assistant professor and director for the special course. Seated is James Rambeau, 40100 E. Eight Mile Rd., and standing is Sally Wagenschutz, 341 Beal.

Sally Wagenschutz, daughter of Mr. and Mrs. Harry Wagenschutz of Beal St. and James Rambeau, son of Mr. and Mrs. L. D. Rambeau have returned home after a four week's course in the High School Speech Institute at Michigan State college.

Three one-act plays were given in the final week of the course and Sally was selected to play the lead in the play "Overtones", a play written by Alice Gerstenberg. At the final luncheon at Phillips Hall, James Rambeau was toastmaster for the program which was presented. James also gave an oration—"The Unknown Soldier", at this luncheon. Following the luncheon certificates were presented to the 36 students from Michigan who were enrolled for this course.

Platt Seeks Office of Wayne Prosecutor

Endorsed by prominent civic, business, veteran, religious groups and the legal profession, Samuel S. Platt, Detroit attorney, and former assistant prosecuting attorney, entered the final stages of his campaign this week for the office of Wayne County prosecutor.

Platt served as assistant prosecutor in charge of homicide under Prosecutor James N. McNally during 1947 and 1948 and received public acclaim for the many convictions he obtained.

tertained ten of their friends at a breakfast Sunday, July 18. Their guests were Dr. and Mrs. Robert Scott, Dr. and Mrs. P. N. Brown, Mr. and Mrs. Herbert Frogner, Mr. and Mrs. Glenn H. Cummings and Mr. and Mrs. Walter Couse.

Mrs. Otis Tewksbury and children, Sue, Ray and John, have returned from a 6,000 mile trip to the West coast. Leaving June 21, they drove to Fort Collins, Colo.; Boise, Idaho; and Paradise, Calif., where they visited Mrs. Tewksbury's sister and brother-in-law, Mr. and Mrs. L. V. Sonnenberg.

Mrs. Wilbur Lute of Beck Rd. was guest of honor at a stork shower recently given by Mrs. Homer Lute and Mrs. Othal Baggett at the home of the former on Newburg Rd. Monday evening. Among the 12 guests were Mrs. Ralph Glenn and Mrs. Herbert Simons from Stockbridge.

Mr. and Mrs. James Congo returned this week from a month's vacation in the West. They drove through the Black Hills of North Dakota, Band Lands, Yellowstone and several other national parks, passing through 18 states before they returned to Michigan.

Bruce Paulsen, son of Mr. and Mrs. Bennett Paulsen of Mundelein, Ill. has been spending the past two weeks with Randy Haass at their ranch on W. Six Mile Rd. Mrs. Robert Haass, Patty and Randy are driving Bruce to Chi-

cago this week-end where his parents will meet him and drive back to Mundelein.

Mrs. J. R. McColl left Thursday in her car for Northport to spend two weeks at Cedar Lodge with friends from Illinois.

Jane Ceslar of Dundee, Mich. spent last week-end with Marilyn Funk, daughter of Mr. and Mrs. Wilson Funk on Yerkes St. Jane and Marilyn were roommates at the University of Michigan.

Twenty members of the Business and Professional Women's club gathered at the home of Mrs. Bea Carlson to honor Mrs. Oren Schneider with a shower Monday, July 12. Mrs. Schneider received many lovely gifts.

Mr. and Mrs. George W. Cohs and their sons, Curtis, Gary and George Jr., drove to Lake Maxinkuckee today, Thursday, to spend homecoming week on the campus of Culver Military Academy at Culver, Ind.

The ranch of Mr. and Mrs. Robert A. Haass on W. Six Mile Rd. was the scene of a birthday celebration for Robert Sunday afternoon when some 25 guests gath-

ered for a barbecued chicken feast. The guests included the Leo Meyers, William Browns, Don Cushings, Paul Green, Russ O'Brien and Margaret Larsen of Ann Arbor; Dr. G. D. Stobbe, Hugh Rader and the Harry Beardslees, of Detroit; the Orlov Owens, Ernie Shaves, Robert Yerkes, Donald Yerkes and Harry Duersons, of Northville.

Emily and Susie Edwards of Birmingham were the house guests of Donna May Lien for the past week. Donna May is the nine year old daughter of Mr. and Mrs. George Lien of Twelve Mile Rd. The Liens son, Thomas, visited his friend, Michael Tiffany, in Oak Park for several days. Emily, Susie and Michael all formerly resided in Novi. Tom will leave shortly for a vacation at Camp Nissokonee in Oscoda, Mich.

ATTEND JEWELRY FAIR

Mr. and Mrs. Otis R. Tewksbury are among the thousands of jewelers in attendance at the annual Jewelry Fair which opened at the Conrad Hilton hotel Sunday, July 25 and will close July 29.

Farm Help Aid Is Offered at Dearborn

Farmers in the Northville area who are having trouble obtaining harvest workers should contact the state employment service in Dearborn, Kenneth Glass, farm placement specialist, said here Tuesday.

Glass said that unemployment in some areas does not guarantee adequate help for local farmers and food processors, and that the

Dearborn office can be of material assistance in obtaining qualified workers.

A newcomer to Northville is Mrs. Edna Knoll of Harrisburg, Pa., who has come to make her home with the Joe Krichs at 360 Rayson St. Mrs. Knoll will spend some of her time with Mrs. Ed Byrne of Spring Dr. Bonnie, 12-year old daughter of Mrs. Knoll, will join her mother in time to attend school in Northville in September.

Tennis Class In Final Stage

With the final week of summer tennis instruction under way, Director Ron Schipper is concluding this program with an interclass round robin tournament. The six week training program began June 21 for 44 young boys and girls from ages 9 through 14. Classes were held from 1 to 5 p.m. daily Monday through Friday at Cass Benton park. Classes were divided into four age groups including boys and girls of the fourth through sixth grades, two groups of junior high girls, and one group of junior high boys. Since the majority of the students were beginners, the first few weeks were devoted to the fundamentals of the game. This training included forehand, backhand, service and court techniques. The feature of the program was the participation of all class members in the Detroit News Novice Tennis Tournament. The tournament is limited to players who have had little or no experience in competitive play. Competition was kept throughout the entire tournament. Janet Malott won the girls under 15 trophy and Ardye Attwood received the medal for runner-up. Winner of the boys under 15 trophy was Tucker Williams, and Jim Hammond received the medal as runner-up. These four are participating this week in the finals being held at Palmer park in Detroit. The tournament finals will include entries from Detroit and suburbs.

Church Services

CHRISTIAN SCIENCE CHURCHES

The spiritual basis of true peace and brotherhood will be brought out in Christian Science services Sunday in the Lesson-Sermon entitled "Love".

The vital importance of love for God and man will be stressed in the readings from the King James Version of the Bible, including the following passages (1 John 5:2): "By this we know that we love the children of God, when we love God, and keep his commandments"

Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (467:9-13): "It should be thoroughly un-

derstood that all men have one Mind, one God and Father, one Life, Truth and Love, Mankind will become perfect in proportion as this fact becomes apparent, war will cease and the true brotherhood of man will be established."

The Golden Text is from Zephaniah (3:17): "The Lord thy God in the midst of thee is mighty; he will save, he will rejoice over thee with joy; he will rest in his love he will joy over thee with singing."

Obituaries

CHARLES J. MALLISON

Charles J. Mallison died Saturday at Eastlawn Sanatorium at the age of 61. He was born June 30, 1893 in Dowagiac, Mich., the son of Edward and Ella Mallison.

Surviving is his mother, Mrs. Ella Ashbaugh of Battle Creek.

The body was taken from the Casterline Funeral home to Quincy, Mich. for burial in Lakeview cemetery.

MISS WINIFRED WALLIN

Services were held Saturday, July 24 for Miss Winifred Wallin, who died a few hours after an accident which occurred in her home Wednesday, July 21.

Winifred, with her parents Dr. and Mrs. M. L. Wallin, and two sisters, lived in Northville and vicinity for many years. An accomplished pianist, she was musical instructor in the college at Creston, Iowa. Many of the older townspeople have enjoyed her solos and accompaniments to the violin played by her sister, Mar-

aquita, who survives her.

A number of Northville friends attended the funeral which was held in Detroit.

INFANT SIMONS

The infant son of Keith and Lois Simons of Eaton Drive, died at Mt. Carmel hospital July 14.

Graveside services were held at Rural Hill cemetery.

IDA M. STAGE

Ida M. Stage died at her home on 335 E. Cady St. July 21 at the age of 81. She was born April 8, 1873 in New York, N.Y., the daughter of Isaac and Hortense White. Mrs. Stage has lived in Northville for 54 years.

She is survived by a son, L. D. of Torrance, Calif.; a brother, Ernest White, of St. Petersburg, Fla., and a sister, Mrs. Belle Burice of Fowlerville Mich.

Funeral services were conducted by Rev. Nieuwkoop at the Casterline Funeral home Friday. Interment was in Thayer cemetery.

Kroger Scholarship Goes to Pontiac Youth

Charles Gamster of Pontiac has been selected to receive the first Kroger scholarship awarded to a distributive education student in Michigan it has been announced by C. Olaf Talla, manager of the Detroit branch of the Kroger Co. which operates stores in this area.

The \$500 award will be available next fall at Michigan State college for study toward a degree in food distribution. Michigan State is the only college in the country offering a course of this kind. It is designed to train students for future executive and managerial positions within the nation's retail food industry.

William Canfield, age 76, recalls for Ed Alchin, County Agent, how much harder farm work was before electricity came along. Today, electric power saves time and labor . . . boosts production and profits.

Warm Milk HELPS HEAT MILK HOUSE

Electric pump attached to milk cooler does the trick

William Canfield, Oakland County farmer, uses an electric heat pump in connection with his modern front-opening milk cooler. Taking heat from warm milk and well water, it keeps the milk house comfortable in freezing weather.

Mr. Canfield and son, James, own 100 acres, most of which are devoted to seed corn. They use electricity wherever possible. It powers corn drying, ventilating, conveying, and elevating equipment. It operates water heaters in the milk house and home, providing him and his family with plenty of hot water to make speedy work of dairy and household chores.

Is electricity doing all it can for you? For further information, see your Edison Farm Service Advisor.

Good wiring is always important. So always ask your Farm Service Advisor for his recommendations.

Let's Reason

By A. M. Smith
About Our Com-Dem

That is, about Communist Democracy. Are you aware of the fact that by an impulsive reaction against grasping corporations early in this century Congress incorporated in the law of the land one of the fundamental principles of the Communist Manifesto of Carl Mark (1848)? The tax structure of our country is virtually built around this Communist principle, and we do nothing about it.

We take the Devil to our bosom and keep him there, but fight against admitting more of his

satanic majesty's crew. We seem ignorant of the fact that so long as we house the Devil his crew will forgoth and sneak in, despite all we can do to keep them out and throw them out.

The second point of Marx and Engels' ten-point program demands a "heavy progressive or graduated income tax", in order to make "despotic inroads on the rights of property" and as "unavoidable as a means of entirely revolutionizing the mode of production". Effective 1913, Amendment XVI to the Constitution of the United States gives Congress the right to adopt the Marx principle of taxation Congress has been doing just this, with increasing damage to the prosperity and progress of this country. The danger of democracy hurting itself was stated clearly by Aristotle (384-322 B. C.) "Do we need 2,000 years more to 'get sense'?" Note that Marx deliberately planned to make DESPOTIC inroads on the RIGHTS OF PROPERTY and revolutionize the MODE OF PRODUCTION. That is precisely what our Government has been doing under the aegis of Amendment XVI—taking arbitrarily from those who have much "because they can afford to pay it in taxes". The immediate effect

Japanese Beetle Found in Michigan

Lansing — Discovery of the presence of Japanese beetle, which threatens nearly any kind of vegetative matter, was recently made in a highly concentrated fruit section at Coloma in Southwestern Michigan and at Niles, also in Berrien county. Fieldmen in the Michigan Department of Agriculture's bureau of plant industry went to work immediately with a trapping and soil treating program which has proven so satisfactory in controlling the pest in the state for nearly a quarter century.

The insect is about a quarter-inch long and has an iridescent orange-green back. In the beetle stage it feeds on nearly anything green, especially basswood, fruits of all sorts and numerous other kinds of plants. The female lays eggs in turf or grassy areas, and the resulting grubs live in the ground 10 months where they feed on roots.

It's the Hit that's writing New History

TAKE a look, if you please, at the car and the styling that are changing historic sales standings.

Take a look at the beauty and the buy called Buick — the car that is forging ahead to new sales heights in the 1954 market.

Take a look at the new best seller that has moved into the "Big Three" of the nation's top sales leaders — into that very exclusive circle that for two decades has held only the so-called "low-price three."

For today, as national sales figures for the first five months reveal, Buick is outselling all other cars in America except two of these "low-price three." And each new

month firms Buick's new position.

It takes solid worth to bring this about — a lot more automobile per dollar in Buick than in other cars.

But it also takes the glamorous new tomorrow styling that is Buick today. It takes the highest V8 horse-powers, Series for Series, in all Buick history. It takes the room and comfort and ride and handling that are Buick's proud tradition.

And it takes a range of cars to satisfy a wide range of people — with prices that most people can well afford. So you find the low-priced SPECIAL, the high-powered CENTURY, the extra-spacious SUPER, and the custom-built

ROADMASTER — the four big reasons for Buick's tremendous sales success.

Come in for a demonstration and you'll see what we mean.

With the years-away styling of this glamor car, you'll be way ahead at resale time. And right now you're money ahead with the big trade-in allowance our volume sales can bring you. Drop in this week.

AmVet Auxiliary News
The Perry Kenner AmVet Auxiliary Post No. 76 held their regular meeting July 20 at the new post home in Wixom. A good percentage of the membership was present and all new members

took the obligatory given by Sr. Vice Audrey Ortwine, assisted by Dorothy MacDermaid, acting as chaplain. Each member brought a baby gift for the absentee baby shower. Plans were discussed regarding the annual Charter banquet in September. Regional delegates: Doris Callin, Laree Bell and Dorothy MacDermaid reported on the recent regional meeting held in Pontiac July 12. Audrey Ortwine is in charge of Christmas cards. Anyone desiring cards may order from Mrs. Ortwine before Nov. 1 deadline. The traveling trophy was discussed and bake sale plans for this purpose. Following the meeting Laree Bell and Dawn Bailey served refreshments.

Bake sale at Trickey's Hardware and Fishing store, E. Grand River, on Saturday, July 31 at 10:30 a.m. Sponsored by the Novi AmVet Auxiliary.

**FATHERHOOD
THEORY
EXPLODED**

One of the common doctrines of apostate Protestantism is the "Fatherhood of God" and the "Brotherhood of man" theory. It sounds nice and it arouses a kindred spirit within us—but the truth is that God is not the father of all men. How do I know? The Bible says so. Jesus said of certain individuals in John 8:44 "Ye are of your father the devil, and the lusts of your father ye will do." Again in Ephesians 2:3 "—and were by nature the children of wrath—". The in I John 3:10 "In this the children of God are manifested and the children of the devil." Alright, it's plain as ABC. A—Some people are classed as children of God. B—Some people are classed as the children of the devil. C—Hence all people are not the children of God and therefore cannot call God Father. Sin has alienated man from God so that the only way to get into God's family and have God for a Father is to accept God's offer of salvation through Jesus Christ. Galatians 3:26 speaking to the Galatian Christians "Ye are all the children of God by faith in Christ Jesus" John 1:12 tells us that only those who have received Him have the right to become the sons of God.

on Exhibit in N.Y.**

Mrs. J. B. Johnson of 355 Orchard Dr., Northville, is among the 200 entrants whose work will be exhibited at Gimbels, N.Y. in the National Amateur Art competition. This competition is sponsored by the Amateur Artists Assn. of America.

The successful competitors in the AAAA were selected by a jury of distinguished experts—Frederick Whitaker president of American Water Color Society; James Baudreau, dean, Art School, Pratt Institute, and Stewart Klonis, director, Art Students League.

All the work entered in the competition will be exhibited at Gimbels store in New York during the Summer Festival there July 26 to 31.

The award-winning work and other selected examples will later go on a nation-wide tour to schools, libraries, organizations, etc.

A great-granddaughter presented her with a beautiful orchid. Mrs. Cook's sister, Mrs. Flora Maloin, and Miss Jane Oliver spent the week-end with her.

IN NORTHVILLE COURTS . . .

Jack Dugan, 35, of Northville, was fined \$10 and costs of \$5 when found guilty of creating a disturbance in the Northville Bar. Dugan is said to have gotten into an altercation with Jack W. Andrews, formerly of Northville, who was on pass from the army and was helping his parents celebrate a wedding anniversary.

In the case of George Strange, complaint of creating a disturbance was filed by the owner of a local restaurant, instead of Robert O. Driscoll, of Northville, as reported last week Driscoll was said by police to have been involved in a scuffle with Strange over the parking of a car, for which Strange was found guilty and fined.

William Teatio, of Indian River, Mich. was fined \$50 and costs of \$10 for assault upon Patrolman Roman Nowicki after he had been arrested on a charge of drunkenness. Taken to Plymouth jail, he struck Nowicki as he was being taken from the patrol car, and had to be subdued with the help of Plymouth officers.

Contest Sunday**

The Junior Equestrian teams will meet in their third competition of the season Sunday at Franfield Farm show grounds at 46820 W. Eight Mile Rd.

This competition, sponsored by the Northville Optimist club, now has ten teams in the league: Northville, Outland's, Grant's, Metamora, Triangle, Outland Kangaroos, Grant's Irishmen, Toledo-Howard, Michiganders and Bloomfield Hunt club.

The Northville team, sponsored by the Optimists, is made up of Frannie Malley, Patty Haass, Jan Schaefer and Mary Casenhise.

Going into the third games, the league is wide open, with Grant's and the Irishmen having won a series each. A new winner Sunday will produce a three-way tie, with two more series to complete the season.

The program for the day will be as follows: Starting at 12 noon, the first event will be the first team jumping class, second event, the Elementary Dressage; third event, the Junior Olympic jumping event; fourth event, Horsemanship, and the fifth event, the team Relay jumping.

Plans are now in the making to hold an inter-sectional meet in September, where the champion Michigan team will compete with the champions from the Chicago area.

Our country has 7500 public libraries and 1450 book stores—far to few of each, say worried intellectual leaders. . . But we do have more than 116,000 newsstand outlets which sell millions of paper-back books and magazines.
