for the Record

by G. H. C.

(G.H.C. is on vacation. In his absence, Sup. Mollie Lawrence of Northville township contributes the following on township government.)

by Mollie Lawrence — Guest Editor

Some time ago, a request came to me from a group of the League of Women Voters asking for an outline of township government and it may be of interest to those who are not too familiar with the subject.

The officers are supervisor, clerk, treasurer, and two trustees, all elected every two years. These officers form the township board.

One of the first duties of the supervisor is the preparation of the assessment roll, which requires checking all the property in the township, including the Village of Northville. New buildings, improvements, and changes of ownership, etc., are checked. The supervisor is assisted by the Wayne County Tax commission, which has a number of field men. This is necessary for the equalization of values throughout the state and county.

Secondly, all emergency cases of illness or accident are handled by the supervisor and also indigent cases. The investigation of welfare cases is done by the Wayne County Department of Social Welfare. This work was taken over in 1940 by an act of the legislature.

There are many calls for emergency relief for food and clothing, and especially where children are involved, these requests are granted and paid for by the township.

The supervisor is also a member of the Wayne County Board of Supervisors. There are 16 townships in the county and 17 cities, exclusive of Detroit, which makes a good representation in the out-county. I have found that the out-county supervisors are loyal to one another in matters affecting any one particular area, and the city members are generally cooperative, at least enough of them to make possible most of our needs.

The clerk supervises all state, county and township elections; takes all registrations for voting; and keeps the records of all meetings and transactions of the township board. Writes all orders for bills payable, and keeps a complete set of books in conjunction with the treasurer.

The treasurer collects all taxes, sends out the bills for them, and writes all checks, and also keeps a complete set of books.

The trustees attend all board meetings, and act as committeemen on different projects for the township.

The problems are many, but most outstanding is the loss of taxable property.

In the first place, we are only half a township, comprising 11,520 acres, of which approximately 4,500 acres have been taken over for state, county and city institutions, and the parkway system.

The institutions are the Wayne County Training school, Maybury sanatorium, Women's Division of the Detroit House of Correction and the Northville State Mental hospital.

With all of this land taken from our tax roll, it restricts moneys that can be raised under the 15 mill tax limitation, for schools and general township purposes, but for a number of years past we have assessed one mill for the township.

I would like to call attention to the public library. The township owns the building. It was a gift from Miss Mary Lapham many years ago, and was serviced by volunteers from the Women's club until 1938, when the Wayne County Library commission took over the active management. The township still maintains the building, however. A few years ago, with the help of a generous donor, the main room was redecorated, and refurnished, with four love seats, several easy chairs with groupings of tables, lamps and throw rugs, making it a beautiful living room library, of which Northvillites are very proud.

Last year it was necessary to install a new heating system, the year previous an outside paint job, and with full coverage of insurance on the building and books the library is quite an item in the township budget.

Recently the township contributed \$20,000 to the sorely needed Seven Mile Cut-off, which is well under way. The township has an agreement with the Village for fire protection, which is very satisfactory.

In closing, I'd like to pay tribute to some of the township officers:

First, W. A. Ely, who resigned in 1942 because of his health. The kindness and understanding of Mr. Ely have never been equalled; and, Dean F. Griswold, deceased, truly one of the deans of township government; C. A. McCullough, C. M. Chase, D. Harper Britton and Ernest Willis, all of whom served the township well and faithfully.

Population Survey Scheduled Aug. 16

Special questions on part-time workers will be asked Northville residents in addition to the usual inquiries on employment and unemployment in the August Current Population survey, according to Supervisor Edward T. St. Arnold of the U. S. Census Bureau's district office at Detroit. The survey will be conducted in this area during the week of Aug.

16.

The purpose of the special questions is to provide information on the number of people who work part-time, the reasons for their short hours and how many want and could accept full-time work. This information, along with similar data collected in previous surveys, will make possible accurate estimates of employment conditions in the nation, indicating how many persons work part-time from choice and how many do so because of economic factors such as slack work or material shortages.

Clearing of Land for Seven Mile Rd. Cut-off Is Started

The deafening rumble of gravel trucks and other large vehicles down Northville's Main St. will soon be a thing of the past.

Work on the new Seven Mile Rd. cut-off has been started, and bulldozers already have cleared away many of the trees on the approximately half-mile stretch between Plymouth Rd. and Edward N. Hines Parkway.

Heavy Traffic Banned Once the cut-off is completed, according to Village authorities, all heavy traffic through the area will be routed that way. Many merchants and shoppers, as well as Village authorities, have long considered use of Main St. by the trucks as a nuisance, and also as a traffic hazard.

The new highway is expected to be completed in early winter, foremen on the project said. A bridge must be constructed over the River Rouge about half way between the Northville-Plymouth Rd. and Hines Parkway, and this will consume some time.

A large amount of fill dirt must be hauled in to raise the road to the level of the parkway, which at the intersection point—just east of the bridge near the southeast corner of Northville Downs—is approximately eight feet higher than the surrounding terrain.

Intersects Northville Rd. The eastern end of the cut-off will intersect Northville-Plymouth Rd. just west of the Rathburn Chevrolet garage. This will make a jog in Seven Mile Rd. about a hundred yards west of the present Seven Mile-Northville Rd. intersection.

The cut-off was initiated some time ago, and in July, 1953, was assured when Northville township officials offered to pay \$20,000 of the total of \$37,500 estimated by the Wayne County Road Comm.

This offer was accepted, and the Village raised another \$20,000 under an agreement with the road commission which would permit the Village share of \$37,500 to be paid in two installments.

Installation Deferred The second installment was set for September this year, but due to delays in starting construction, at the request of Village authorities the amount still due, \$17,500, was deferred until September, 1955.

Meanwhile, other highway construction in the area is proceeding. Center St., from Main to Hines Drive, was surface treated recently, and at present county road crews are busily engaged in blacktopping Hines Drive from Phoenix Rd. to Seven Mile Rd. This section, already under way, is expected to be completed by next week.

Optimists Plan Detroit Outing for Children

The Northville Optimist club will be host today to boys and girls who will be taken on a trip to Detroit.

Feature of the outing will be the Detroit Tigers—Cleveland Indians baseball game at Briggs stadium. Prior to the game, however, other events of interest have been planned, according to Donald B. Severance, president of the club.

Parents also have been invited to attend, and all will meet at the Boy Scout building at 9 a.m. Those needing transportation will be provided for, Severance said, but it is hoped that a number of the parents will bring their cars.

Goodwill Truck Here August 19

The Goodwill Industries pickup trucks will be in Northville and Plymouth Thursday, Aug. 19, to collect usable household discards for its rehabilitation program.

Pickup arrangements may be made by telephoning Miss Edith Sorenson, local telephone representative for Goodwill Industries, Northville 571. Miss Sorenson reports that it is necessary to keep discards flowing into the workshops to keep employment at its present peak.

FACELIFTING OPERATIONS are under way in Northville's business district, where Detroit Edison crews are busy this week installing new street lights. A crane is shown above hoisting one of the new style light-standards into place in front of the Bell Telephone building on the northeast corner of Main and Center streets. The building also is being remodeled.

Foreign Exchange Students Feted Here Prior To Returning To Homes In Germany

Rotarians and foreign exchange students returning to Germany gathered at the First Presbyterian church here Monday evening for a farewell banquet. Approximately 175 persons attended to wish good luck to the 27 youths and girls who have been studying in Michigan schools for the past year under Rotary sponsorship.

Tuesday morning, 26 of the students left Northville by bus for Montreal, where they will board ship for their homes in Europe. The 27th will stay in Canada, his parents having immigrated there while he was studying in a Michigan high school.

The students were accompanied by Mr. and Mrs. Arvid Andren, of South Lyon. Mrs. Andren is executive secretary of the Ann Arbor Council of Churches and director of the exchange student program.

Returning students came here with their sponsors from cities as far west as St. Joseph and Muskogee, and north to Mancelona. Northville was selected as the gathering and "jumping off" point, and the banquet here constituted the finale of their year's study in American schools.

District Gov. Gordon Eaton, of Leamington, Ont., was a guest at the banquet, at which each of the departing students spoke. Miss Traute Schaefer, 18, of Germany, also was introduced as Northville's exchange student for next year. Karl Hoffmann was the student last year.

Monday night, the students were quartered in the homes of various Rotarians throughout Northville, prior to their departure for Montreal.

The banquet program included: master of ceremonies, Russell Amerman; invocation, Rev. Harold Fredsell; dinner, served by the ladies of the First Presbyterian church; welcome, G. Fred; memorial service for Elfi Luedtke, who returned to Germany in May and died of leukemia; group singing, Tilman Tonndorf, leader; and Arlene Jerome, accompanist; toast to students, Lynn Sullivan; toast to host families, Horst Jaecel; introductions, Mrs. Rachel Andren; highlights of the year, students and host parents; closing circle and benediction, Arvid Andren and Rev. Fredsell.

Man Is Treated Here After Fall on Street

James Tizzard, 580 Northville Rd., was treated at Sessions hospital and released after he suffered a heart attack while walking toward his car, and fell to the street.

He was taken to the hospital in the Casterline ambulance, and was treated for a cut finger and abrasions on the face and neck.

BOWLING LEAGUE TO MEET The Royal Recreation Monday night bowling league will have its business meeting Monday, Aug. 16 at 8 p.m.

Rev. E. E. Rossow Accepts Call To Saginaw

After 17 years as pastor of St. Paul's Lutheran church, Rev. Edwin E. Rossow will leave Northville Sept. 1 for a new post in Saginaw, it was announced this week.

In his new post, Rev. Rossow will administer religious activities in ten hospitals and the county jail in Saginaw. He will preach his final sermon here Aug. 29.

Born in Fowler in 1895, he attended high schools there and in St. Johns before enrolling at St. John's college in Kansas. Later he attended Concordia seminary in St. Louis, and following graduation founded the Pilgrim Lutheran church in Detroit. He was its first pastor.

In 1937 he accepted a call to Northville, where he has resided since with his wife, the former Leila A. Graft, whom he married in 1923. They have six children: Mrs. Leila A. Billmeier, Saginaw; Mrs. Esther Holland, Northville; Mrs. Catherine Klug, Benton Harbor; Edwin J., now serving a vicarage in Elk City, Okla.; Karl, who will enter Concordia seminary, St. Louis, Mo. in September; and Lois, twin sister of Karl, who will begin teaching in the Christian Day school of Trinity Lutheran church, Utica, in September.

While in Northville, Rev. Ros-

Rev. Edwin E. Rossow

sow served also as chaplain at Maybury sanatorium; since 1948 as Protestant chaplain at the Detroit House of Correction; has ministered to patients of East-lawn sanatorium in Northville for 17 years; and is one of the fine members of the Wayne County Board of County Institutions, which has charge of the 7,000 patient hospital at Eloise.

He is an honorary active member of Rotary, and is a member of the Northville Optimist club.

Leonard Pledges "Clean Campaign" for Governorship

"Win or lose, you have to live with yourself. I'll never do anything that I can't explain to my three children."

Thus, Donald S. Leonard, Republican candidate for governor and a visitor to Northville just before the primaries, summarized his attitude shortly after he won the GOP nomination.

The 51 year-old Leonard, who won a national reputation as a police administrator and combines ability with experience in state government, added this:

"I've got an idea that people are interested in a guy with character, integrity of purpose and unquestioned honesty."

Republicans closed ranks behind Leonard after a primary election campaign characterized by the party unity and harmony theme laid down by State Chairman John Feikens.

"I think we're in better shape than we ever have been," Leonard told GOP State Central Committee officers at a meeting the day after the primary. "The campaign was conducted on a high level and we are a united and harmonious party."

Both State Treasurer D. Hale Brake and Secretary of State Owen J. Cleary, defeated by Leonard, pledged their full support to his campaign.

"Unlike the Democrats, we came out of the primary election unscarred and are ready for the big battle in November," commented Peikens.

The Republican State convention will meet in Grand Rapids Aug. 21 to nominate candidates for secretary of state, attorney general, state treasurer and auditor general for the November election.

Clock Resumes Striking Following Owl Removal

Death has claimed one of Northville's famous five owls, now known from coast to coast, but the four others still are languishing in "durance vile" at the Village hall, and growing fat under the care of Police Dispatcher Arnold Teshka and his family.

The five young "hooters" found by Patrolman Frank Heintz in the steeple atop the Methodist church, have practically convicted themselves of a charge of sabotage.

Since their removal and incarceration, the Village clock in the steeple has begun working again. It now strikes every hour, as it used to do before the owl invasion.

Novi Supervisor To Visit Yellowstone National Park

Frazer Staman, Novi township supervisor, and Mrs. Staman, left this week on a vacation trip to the West.

One of the points of interest they will visit will be the Yellowstone National park.

Home Construction in Metropolitan Detroit Area at High Peak

Favorable Credit Terms Available for Construction

Families in Northville and vicinity desiring to build, buy or modernize a home can now take advantage of the most favorable credit terms ever offered, following recent Congressional approval of the new federal housing act, according to Harold C. Church of the Nowels Lumber & Coal Co., local retail lumber dealer and member of the Public Affairs committee of the National Retail Lumber Dealers Assn.

"The new legislation permits lower down payments, a longer period for repayment of mortgage loans, and larger loans than ever have been offered on single-family homes insured by the FHA, including older homes which are resold," Mr. Church said.

"The more favorable terms authorized on existing homes means that it will be easier for families to sell the home in which they now live when they wish to purchase a new one."

"While the terms of FHA's Title I repair and modernization loans remain the same, the new act gives home owners greater protection against unscrupulous operators who have misused these loans in the past."

"The public still can borrow sums up to \$2,500 with three years to pay and no down payment required for essential home improvements and repairs and is assured of full protection against fraud or misrepresentation when loans are arranged through established local materials supplies and lending institutions."

"Under the new housing act, FHA will insure loans on new homes up to \$20,000 and down payments may be as low as five percent on the first \$9,000 of approved valuation and 75 percent of the remainder. The repayment period on mortgages may run as long as 30 years."

City Status To Be Discussed At Council Meeting

Northville citizens will have a chance to voice their opinions on whether this community should become a city when the Village commission meets Monday night.

Anticipating that there will be many who will want to hear the report to be made by a special committee named two months ago to make a study of the situation, Mayor Claude N. Ely and the Village commission decided to hold the regular Aug. 16 meeting in the Community building. However, because many people are on vacation, the meeting will be held in the Village hall as usual.

There, the commission and the special committee will answer questions concerning the report, and will give any information concerning a probable city-status campaign that may be requested.

Thomas R. Carrington, chairman of the survey committee, said Tuesday that the group had held a number of meetings, and already has prepared its report. He said they have considered all aspects of the situation, and while he would not disclose the recommendations to be made in the report, other sources indicated that a campaign to place the issue before the electors next spring would be favored.

Besides Carrington, the committee is composed of Levi Eaton, Cy Frid, Robert B. Coolman and John Canterbury.

Following the discussion of the report, if time allows, regular business of the commission will be taken up, Mayor Ely said.

Construction of homes in the Northville-Nowi area will continue at a high peak for some time to come, a survey revealed this week.

Already, more than 19,000 building permits have been issued in the metropolitan Detroit area which includes all of Wayne and parts of other counties. While the figure is nearly 1,000 higher than for a comparable period a year ago, a lag in the city of Detroit itself kept the total from going a great deal higher.

At Highest Rate

"Residential building in this area as indicated by building permits issued, is running at the highest rate since 1950," said William P. Edmonson, assistant director of the Detroit Metropolitan Area Regional Planning Commission. "In the Detroit region—covering all of Wayne, Oakland and Macomb counties and the four eastern townships of Washtenaw county—building permits for a total of 19,385 new dwellings were issued during the first six months of 1954. The record total in 1950 was 23,170. In 1953, the six-months figure was only 18,477."

"This high residential building rate indicates that housing demand continues strong and that decline in employment in the region seems to have made little impression on home building."

"It is significant to note," he added, "that though residential building permits in Oakland and Macomb counties topped the 1953 figures during the first half of 1954, in Wayne county there was a 1954 drop of slightly over 1,000. Macomb registered a gain of 373 additional units over 1953, and Oakland county showed an increase of 1,524. Monthly building permits for new dwelling units in the Detroit region mounted steadily from January to May, then dropped off in June this year. The same condition held true in Wayne and Oakland counties. But in Macomb county there was a consistent increase month by month for the entire six months."

The 19,000 new homes, if occupied by the average of three persons per family, would have a population the size of the city of Jackson. A total of 24 permits was issued for Northville township construction during the first six months of this year. The Village of Northville issued 16 in the same period.

An Improvement

While these figures are small compared to those of nearby communities, they still are considered an improvement for the immediate area.

Other communities topping the list of new home construction include: Livonia, 818; Redford township, 1,519; Garden City, 783; city of Farmington, 41; Farmington township, 226; Novi township, 39.

Included in the total of building permits issued by the Village of Northville are those issued to: Charles Altman, Jr., 555 River St., a house at 866 Grace St.

Ivan Ely, 316 S. Center, a house and garage on East St. between Walnut and Elm.

William Brown, of Detroit, a house on Rayson between Center and Hutten.

Gerald Gelner, 624 Carpenter, a house on Carpenter St. between Baseline and Carlisle.

Carl Johnson, 355 Orchard Dr., a dwelling on Carpenter between Baseline and Carlisle, and another house on Grace between Baseline and Carlisle.

Harold McElroy, 709 Spring, a house at Spring and Eaton.

Harvey Ritchie, 514 W. Main, at 821 Spring Dr.

Marguerita Steiner, Walled Lake, at 139 Walnut.

Donald B. Severance, on Fairbrook Ct., between Cady and First.

Harold Tuck, 830 Scott, at 351 S. Rogers.

News Around Northville

Mrs. Charles Conklin of W. Main St. left for California Monday where she will visit her daughter and family in Fairbanks. Mrs. Conklin plans to return the first of September.

Miss Grace Pollack and her mother left Monday for a month's visit in California.

Mr. and Mrs. Ross Bush of Fairbrook St. returned home Aug. 5 after spending a week in Nanpanee, Canada where they visited Mr. Bush's mother.

Mr. and Mrs. Leslie Lee, Mary Louise and Katharine of Fairbrook Rd., left Aug. 2 for a ten day's vacation in the Upper Peninsula. Their son, David, is still touring the Scandinavian countries.

Mr. and Mrs. Richard Ambler and three children spent last week-end in Wallaceburg, Canada visiting Mrs. Ambler's mother, Mrs. Anna Aichison, and her grandmother, Mrs. Susan Smith, who recently celebrated her 105th birthday.

Royal Recreation now open for bowling — try our "Range Finder".

Mr. and Mrs. Robert Coolman and daughter, Becky, are spending several days vacationing in Ludington, Mich.

Dr. and Mrs. F. H. Letchfield of Pinconning were Sunday guests of the doctor's father and Mrs. C. Ray Letchfield of S. Center St.

Betty Genest and Marilyn McCumpha returned last week from a two weeks' motor trip through the East visiting Washington, D.C. and relatives. They drove to Hampton Beach in New Hampshire returning by way of Boston and the Mohawk Trail to Buffalo. From there they drove home through Canada. They covered some 2,400 miles.

Miss Patricia Murray of Milford was the recent house guest of Miss Carolyn Pauli of Gardner St.

Mrs. Harry Wagenschutz and Sally are enjoying a month's vacation at their cottage on Rifle lake.

Bowling at its best at Royal Recreation.

Mr. and Mrs. S. C. Benton and daughter, Dorothy, write they are having a wonderful time touring the Gaspé Peninsula in Canada.

Mrs. Donald Webster of Grosse Pointe visited Miss Molly Spencer and Mrs. Norman Spencer for a few days last week. The Spencers occupy an apartment in the Leo Lawrence home on Fairbrook.

Mr. and Mrs. T. E. Read and daughter, Julia, were guests this past week of Mr. and Mrs. William Weidner and their three boys, Tom, Bill and Jim, at Blaney Park. They reported a wonderful time but upon their arrival home found Mrs. Weidner's father, M. T. Green, had been taken to Henry Ford hospital. He is expected to remain there for a few weeks.

Mrs. Donald Miller of First St. left Aug. 5 for Salem, Ore. to visit her son, Roger, and his family. Don expects to fly to Oregon this week to join them.

Come in and bowl on the newly refinished alleys at Royal Recreation.

Sunday night dinner guests of the J. E. Straus of Beck Rd. were Mrs. Maurice Richards of Birmingham and Mrs. Richard Norton of Detroit.

IT'S THE MAN WHO PAYS

Back in the unremembered days of "East Lynne" and "Bird In A Gilded Cage", those specimens of the genus homo on the distaff side used to moan tearfully "It's The Woman Who Pays!"

And they'd point, as proof, to the prevailing custom of cinema portrayals of "Never darken my bathtub again!"

Or recite tearjerking instances where women, the poor things, had suffered beyond endurance. It was terrible the way they were treated, according to them. To those in the know, that was a lot of hogwash.

If we can believe our historians, the women were putting it on a bit. Maybe the matter had oughta be delved into to see which shoe was on the other foot.

For example, as we get it, back in the days when knight-hood was in flower, the ladies were a sheltered lot, fed and clothed handsomely, and protected from sordid things, like a man commenting aloud prefaced by a low whistle: "Wow! Yonder cometh a well-stacked babe!"

Whereupon a passing knight, hearing his words, would rap him on the scone with a spiked mace and challenge him to mortal combat. All this for sully the fair name of the fair babe—pardon, damsel.

So the two would get themselves all toggled out in enough hardware to sink a mudscrew, get hoisted on their chargers, and with loud cries of "Have at thee, varlet!" would stab, slice and clout each other with lance, sword and battle-axe something shameful.

Meanwhile the fair damsel would be sitting demurely on the sidelines, screaming "Kill the dirty rat!" at the top of her lungs. And everybody else would be screaming likewise, not caring who smote whom lustily, just so somebody got smoted.

When it was all over, and they carried the bleeding and broken body of the vanquished past her, the fair damsel would have a momentary twinge of pity.

After all, a gal didn't get whittled at often in those days, and they sorta regretted the bloody demise of one brave enough (or thoughtless enough) to pursue his lips and give forth with a hot breath or two.

Just look at all the dames who have brought woe to men, merely with a coy smile or a "Get that for me, daddy!"

Mr. and Mrs. Art Thompson of Bay City were guests of Mrs. Tillie Horsfall the week of Aug. 10.

Mr. and Mrs. C. W. Rogers and John and Ann of Baseline Rd. returned to Northville after a vacation in northern Michigan.

Mrs. Tillie Horsfall of Horton St. attended the funeral of her brother-in-law, Fred E. Smith, of Port Huron Aug. 3.

Larry Schram of Tilbury, Ont. is visiting his aunt and uncle, Mr. and Mrs. Jim Spagnuolo, this week.

Ford To Build New Division General Offices

A 67-acre site at the southwest corner of Southfield Rd. and Rotunda Dr., Dearborn, has been selected for a new Ford Division general office building, it was announced by L. D. Crusoe, vice-president, Ford Motor Co.

The division's general offices have been located since 1951 at Plymouth and Middlebelt roads, Livonia.

Construction will start next spring, according to present plans.

The Ford Division plan for the new building provides approximately 450,000 square feet of space to accommodate the division's entire general office organization, including general sales, industrial relations, purchasing and controller's offices, as well as headquarters of manufacturing operations, and parts and accessories operations. The building will be air-conditioned, and will provide modern food, medical, and other employee service facilities.

The Southfield-Rotunda site is owned by Ford and faces the south side of the Ford test track.

cultivated the crops and minded the younguns in their spare time, leaving the Noble Red Man to hunt and fish and things like that.

And we white men thought we could improve on such a system! Stupid, aren't we?

NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT
Phone Farmington 1461-M

Mr. and Mrs. Robert Laughman and sons, Billy and Denny, of Mayfield Ave. were Sunday, Aug. 1 visitors in Romeo.

Mr. and Mrs. Austin Ault of Brentwood Ave. were in South Lyon Sunday, Aug. 1 attending a birthday dinner honoring their son-in-law, Loren Read.

Mrs. Owen Stevens of Detroit was the Wednesday guest of her father, F. Broquet, on Norfolk.

Mr. and Mrs. Herman Keyser of Huntington Woods called on the Misses Lora and Freda Ault of Shadyside Ave. Wednesday.

Mr. and Mrs. Harry Duffy of Battle Creek were Sunday, Aug. 1 guests at the home of the latter's daughter, Mrs. Herman Schult, Shadyside Ave.

Mr. and Mrs. John Ackermann of Dearborn were Wednesday evening guests of the latter's sister, Mrs. M. E. Ault, Mayfield.

Mrs. E. W. Stange of Mayfield Ave. spent several days last week with her sister-in-law, Mrs. Clara Ahler, in Detroit.

Roger, youngest son of Mr. and Mrs. Robert Lang, Mayfield Ave., has recovered from the mumps.

Mrs. Keith Updgrove of Flint was the week-end guest Aug. 1 of her daughter, Mrs. Forrest Ault and her family on Hubbard Ave.

Mrs. James Maynard and children of Detroit visited the Schultz home, Shadyside Ave., Tuesday, Aug. 3.

Mr. and Mrs. James Weatherdon of Detroit visited the latter's father, F. Broquet, Norfolk Ave., Thursday. Mr. Broquet is ill.

David McMillan of Detroit was a guest last week of his uncle and aunt, Mr. and Mrs. Virgil Reddy Shadyside Ave.

Miss Beverly Bohlinger of Mayfield Ave. is spending August with her aunt, Mrs. Fred Oldenburg in Adrian.

Reefus, son of Mr. and Mrs. Smith, Norfolk and Hubbard, is still in critical condition in University hospital, Ann Arbor.

Mr. and Mrs. Joe Robinson of Akron, O., were week-end guests of Mr. and Mrs. Emerson Ault, Mayfield Ave., and visited among some of the Ault families of the vicinity.

Herman Schult of near Ellwood, Ind., where he is employed, spent last week-end with his family on Shadyside Ave.

Cpl. Alfred Schult, son of Mr. and Mrs. Herman Schult, Shadyside Ave., who has been serving with the army in Korea, started back to the states July 27.

Coastguardsman Wayne Ault, who has been serving at Guam arrived at Alameda, Calif. Sunday, Aug. 1 and by long distance spoke to his parents, Mr. and Mrs. Clinton Ault, Mayfield Ave. He reached Detroit about 11 p.m. and was hitch-hiking his way home when picked up by Mrs. Norbert Schmidt. The young man had been overseas nearly two years.

Mr. and Mrs. J. C. Dunamon of Farmington Rd. have returned from a week's vacation visit with a brother and other relatives near Ludington, Mich.

Mr. and Mrs. William Sherman, Mayfield Ave., are grandparents again. Tuesday, Aug. 3 a daughter was born to Mr. and Mrs. John Sherman of Livonia. John or "Jack" Sherman is the only son of the William Shermans. Mrs. William Sherman spent all of last week at her son's home.

Raymond Biglow and daughter, Nina, Pembroke Ave., are leaving shortly for a vacation trip to northern Michigan.

New owners have taken possession of the former Brunelle property on Mayfield Ave. Before moving, Mrs. Brunelle became Mrs. Burton.

A. D. Ahler, Detroit, visited his uncle, E. W. Stange, Mayfield Ave., Thursday evening.

Mrs. Bill Reish and three children of Flint spent Wednesday, Thursday and Friday of last week with Mrs. Reish's sister, Mrs. Forrest Ault and her family, on Hubbard Ave.

Mrs. Edith Willet of Detroit was the Aug. 1 guest of the Willets on Mayfield Ave.

Mrs. Robert Lang entertained at her home on Mayfield Ave. Saturday afternoon, honoring the seventh birthday of her daughter.

Mr. and Mrs. Albert Owen of Mayfield Ave. and Mrs. Ralph Voorhies of Shadyside Ave. and Mr. and Mrs. Austin Ault of Brentwood Ave. were in Detroit Saturday evening attending a Silver Wedding celebration honoring Mr. and Mrs. Norman Gedig. Mrs. Gedig is the sister of the women named and the couple are frequent visitors in this community.

About 14 women, mostly from this community, were in attendance Tuesday night at a party at the home of Mrs. Dave Kelbert, Hugo Ave.

A pot-luck luncheon given by the Sunshine Sisters at the Neighborhood church Wednesday, was successful. About 30 participated in the meal. Honor guests were Mrs. Dessie Morgan and her granddaughter, Mary Lou Morgan of Akron, O. and Mrs. John Ackermann of Dearborn. At the close of the luncheon, candles were lit on a birthday cake and greetings sung for Pat Reddy, who was celebrating his seventh birthday and was present with his mother.

The next Sunshine meeting will be held Aug. 18 at 2 p.m. "Snobbishness" will be the topic.

Mrs. Roy Standish of Ypsilanti recently visited at the home of his sister, Mrs. Herman Schult on Shadyside Ave.

Frances Ann, youngest daughter of the Posners, Farmington Rd., was given a birthday party by her young friends and relatives July 31.

Mrs. Cecil Willet of Mayfield Ave. is reported suffering from a bad case of oak poisoning.

Mr. and Mrs. Albert Owen attended the Police Field day in Detroit Aug. 7. Their son, William, is a Detroit policeman.

The Earl Compeaus of Eight Mile Rd. left Friday for a vacation trip to northern Michigan.

Mr. and Mrs. James Schult

in northern Michigan.

Salem Soldier Gets Advanced Training

Fort Campbell, Ky. — Pvt. First Class Richard A. Honke, son of Mrs. Bessie Honke, 8096 Six Mile Rd., Salem, is undergoing advanced unit training with Company "A" of the 645th Engineer Bn. here.

Pfc. Honke was inducted into the army in May, 1953, and took his basic training at Fort Belvoir, Va. For his honorable active service, he has been awarded the National Defense service medal.

He attended Northville High school, and was employed by the Evans Products Co. before his induction. With Company "A", Honke is the driver of the company commander's "jeep".

HAIR ENTANGLED, DIES

Detroit — John Schweitzer, 52, was injured fatally at a local factory when his hair accidentally became entangled in a metal-shaping machine he was operating.

NOTICE TO CONTRACTORS
1,586 MILES OF GRADING AND DRAINAGE STRUCTURES, 20 FT. AGGREGATE SURFACE, BITUMINOUS AGGREGATE SURFACE, CONCRETE CURB AND GUTTER AND 20 FT. PRIME AND DOUBLE SEAL ON GROUNDS OF NORTHVILLE STATE HOSPITAL IN WAYNE COUNTY.
PROJECT: MIR 82-193, C4

Shoe Repair

NORTHVILLE SHOE REPAIR
104 EAST MAIN ST.
Quality Work Always

This project is 7E Subcontract D and Subcontract Cc, Class F-2.

Sealed proposals for the construction of this project located in Northville Twp., Wayne County, will be received from contractors having 1954 Michigan State Highway Department pre-qualifications, in the Veterans Memorial Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 11:00 A.M., Eastern Standard Time on Wednesday, August 18, 1954, and will then and there be publicly opened and read.

Proposals may be mailed to the Contract-Estimate Office, 715 Stevens T. Mason Bldg., Lansing, Michigan.

The work will consist of grading the roadway Cross Section, placing Drainage Structures, Aggregate Surface Course and Bituminous Aggregate Surface Course (4.07) Cc Class F-2.

Completion date for entire

The Department's Standard Specifications (1950 Edition), its current Soils Manual, the plans for this project, the special provisions governing subletting and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, 715 Stevens T. Mason Bldg., Lansing, Michigan, up to 5:00 P.M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to

A Certified or Cashier's Check, Bank Money Order, or Certificate of Deposit, properly endorsed, on an open, solvent bank, in the sum of \$3500.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder, will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

FORD GIVES YOU MORE

KNOW THE SCORE
AND
YOU'LL BUY A FORD

Only Ford in its field offers you V-8 power.

For LESS than most manufacturers' "sixes," you can own Ford's V-8! It's the most modern of all V-8's, backed by Ford's 22 years of V-8 leadership. It has advanced deep-block construction and low-friction design.

Only Ford in its field offers you Ball-Joint Front Suspension

Only two more expensive cars and Ford have this advanced new suspension. Nothing else can pay off like it on rough, rutted roads! You'll find your Ford takes the curves as if on rails. And that "new-car feel" lasts longer.

Only Ford in its field offers you up-to-date styling

Not only are Ford's features more advanced, its looks are more advanced, too. No ugly bulges mar its clean-cut lines. You'll find this new Ford will be America's trade-in champ next year... your most prudent new-car buy.

Only Ford in its field offers you so many modern features

You get the world's most advanced V-8 or America's newest Six... Ford's Astra-Dial Control Panel... Center-Fill Fueling... and Ford's greater choice of color combinations. See all of Ford's "Worth More" features at your Ford Dealer's, today!

Only Ford can offer you, right now, so many features that are still in the future for other cars in the low-price field. So Ford will be worth more at resale, when other cars in its field are automotive "has-beens."

Building Boom Will Continue

This year a million houses will be built, and it looks as if next year will be another housing humdinger, say Washington authorities. This is also the biggest year yet for the construction of new school buildings. A total of one billion, 800 million dollars is being spent on the public schools. And more than a half billion will be spent on churches this year.

Stores, office buildings, highways — the boom continues. But not as many new factories are going up. Still, factory construction will continue to be high for the foreseeable future — a bright sign for a healthy economy ahead.

No slackening of home construction is noticeable in the Northville- Novi-Livonia area. The demand still exceeds the supply of homes.

Car Bargains To End

A majority of officials in the automobile industry are agreed that the day of major discounts in the new-car market will probably come to an end by the end of this year. They expect retail dealers to order only as many 1955 models as they can sell, and not be caught with an over-supply of new cars.

Although the 1955 models will not be introduced until late in the year, retailers are already cutting down on their stocks of new cars. The all-time inventory high since the war was reached on May 1st of this year. At that time the industry estimated there were over 600,000 new cars in inventory.

Recent figures, however, show that this figure is steadily declining. A July 1st estimate was something over 500,000 new cars in inventory, and it generally agreed that, by August 1st, the total will be below 500,000 for the first time since the end of last year.

There is a difference of opinion whether prices will be cut on 1955 models, although the recent increase in the price of steel may have hurt chances for price cuts.

There is no doubt that the buying public has enjoyed the plight of retail automobile dealers immensely in the last ten months. It was the first time that dealers had become so overstocked since World War II, although there was a short period prior to the Korean War when new cars could sometimes be had on liberal trade-in allowances, or discounts.

If industry officials are correct, the consumer heyday will soon come to an end, and normal conditions may once again prevail in the automobile trade.

U. S. Losing Air Race

Alarming news has been gathered by U.S. intelligence experts concerning the growth of air power in Russia. This news, if accurate, indicates the United States does not hold much of a margin in the race for an all-jet heavy bomber, that the Russians are probably producing more powerful jet engines for their heavy bombers than we are, and that the Russians have a new rocket engine superior to anything the United States now possesses.

It is reported that production of these super-bombers which are capable of bombing the United States and returning to Russian bases, is now under way. Production of the first U.S. all-jet heavy bomber is just getting under way also. If the Russians are using jet engines which develop considerably more power than those being used by U.S. aircraft, then the Russians have actually gained the lead in the race for heavy bombers. If true, this is certainly a sour note coming after all the talk of U.S. heavy bomber superiority in recent years.

For some time the Russians have been known to outnumber us in fighter aircraft, and the MIG-15 proved to be an efficient, high-performance fighter in Korea. The Russians are thought to have an improved version of this model.

The disquieting news about Soviet air advances may force President Eisenhower, and those charged with the responsibility of planning the U.S. defense, to increase the defense budget. Whether this increase will come this year we do not know, but it seems obvious that if the United States is not to fall too far behind in the air power race, a stepped-up effort may be necessary.

Here Comes That Hawk Again

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

ONE OF THE WORLD'S most elaborate birthday parties is being planned to commemorate the 100th anniversary of Michigan State college.

"Centennial fever" is a common disease affecting faculty, students and staff. For nearly a year a special office has been laying groundwork for the impressive program which will last from February to December in 1955.

"If the education world doesn't become more conscious of Michigan State as an outstanding university, it will be because they are unable to observe the quality of work being done here in teaching, research and extension," says James H. Denison, chairman of the Centennial committee.

And if everyone in the state doesn't hear about Michigan State college next year, it will be because of reams of newspapers, hours of radio time, stacks of letters, and millions of words never reached an audience. "We expect

about a half-million people more than usual to visit the campus during the celebration," states Alvie Smith, centennial director.

There will be ample opportunity for both public and academic figures to become more familiar with the college. Nationally prominent people will be on hand to take part in various programs and conferences.

There is reason to believe that President Eisenhower will be the speaker at one of the most impressive attractions of the year. He is expected to be the honored guest at the October Convocation when college authorities are planning for 50,000 visitors.

President Theodore Roosevelt visited MSC back in 1905, when the institution was celebrating its 50th birthday, and college authorities would like to see the President come for the 100th birthday.

Along the cultural lines, 10 symposiums are scheduled; one

for each branch of the college. "Symposium" is a more formal name for an organized bull session.

Special efforts have been made to attract leaders in each field so that significant discussions can take place. Subjects for the symposiums are: Agriculture, Engineering, Business and Public Service, Home Economics, Science and Arts, Veterinary Medicine and Experiments, Education, Communications, Continuing Education and Basic College.

Biggest attraction will be the Centennial of Farm Mechanization. This event, which takes place in August, is expected to bring more than 200,000 people to the East Lansing campus.

Basic ingredients for the show are a gigantic display of modern farm machinery; demonstrations of important farm operations; exhibits, pageants and tours showing progress of the century in the farm world.

Immense plans for the program include specially constructed grandstands to seat 6,000; much cooperation with many state and national farm organizations.

An industrial exposition of significant scale will be held in May.

Major manufacturers in many fields plan to exhibit their products.

Included will be automobiles of the future and the latest railroad trains. Chemical companies will demonstrate the newest wonders they have developed.

Numerous other programs in arts and sciences are scheduled during the year.

Six home football games in 1955 took several years' arranging. In 1954 only four games will be played in East Lansing. The Centennial year will see games with Notre Dame, Stanford, Illinois, Purdue, Minnesota and one opponent yet to be arranged.

A concentrated effort was made to secure the U of M game for East Lansing by MSC representatives but they report that university officials did not approve the idea, that the game will be played in Ann Arbor.

Official beginning of the Centennial observance will be Feb. 12, Lincoln's birthday. This is considered appropriate because it was Lincoln who signed the Morrill Act which provided for the establishment of land-grant education institutions.

The opening ceremony will be

called Founders' Day. It will be a "cap and gown" affair, to which many of the outstanding educators of the world will be invited. A distinguished leader in education will be announced as speaker.

The entire program is controlled by a Centennial Committee made up of MSC administration people, students, alumni and citizens.

It is headed by Jim Denison, executive assistant to President John A. Hannah.

There are special sub-committees to plan for the anticipated crowds. One for invitations, housing and food, awards and citations; even traffic.

When the celebration is complete, MSC officials hope they have demonstrated that the first 100 years were very productive; that the next century can bring even greater accomplishment.

"When nobody disagrees with you, you're either terribly brilliant or the boss."

—Raymond Duncan

"Wealthy people miss one of the greatest thrills in life—paying the last installment."

—H. V. Eschenbrenner

"If a man says he sees eye to eye with his wife, he simply means that his vision has been corrected."

—O. C. Kelley

"Small towns have more gossip because it's more fun watching a game when you know the players."

—S. C. Barry

WOMAN'S WORLD

Here Are Ways To Keep Make-Up Smooth in Summer

MAKE-UP running and face perspiring all through a warm day? Many women know what a nuisance this can be. It's not good for the morale either to have the face "unmade" a half an hour or so after you've applied your cosmetics.

To keep make-up smooth during warm humid days will require somewhat more careful preparation than cooler days, but the extra moments are well worth the time spent. You'll have the satisfaction of being certain your make-up is good for several hours, and there will be no need to touch it up constantly.

Use Foundation

As always, the face must be thoroughly clean before any kind of cosmetic is used on the face. You should clean the face no matter how late the hour, the night before, and then a quick washing or bathing will do in the morning.

It may be necessary to use a different foundation during the warm months than the one used previously. Buy small sizes and experiment with several, using one type for each day. You can have a choice of a light lotion or cream, a cake type applied with a sponge or with the fingers. Use the directions suggested in each case.

Always wipe off the excess foundation before attempting to apply rouge, powder and lipstick incidentally, if you have difficulty with

A tisket, a tasket, a gray and yellow basket! There's a gray and yellow sports outfit too, which consists of striped shorts and a wrap-around halter. There's even a matching skirt for this informal outfit which can be made out of topsail, sturdy sportswear that will wash repeatedly without shrinking out the fit.

keeping lipstick on in warm weather, you'll find that applying a foundation to the lips will help the lip color to cling better.

Setting the Make-Up

Do you powder properly? This means dusting the skin generously with powder and then wiping the excess off carefully with cotton quilted pads. Now saturate a cotton ball in your favorite cologne or astringent and squeeze until almost dry. Hold it for a second against each area of the powdered face. This sets the powder and helps remove that pasty look.

Buffet Should Also Please the Eye

If you're entertaining a crowd you're probably doing it buffet style, that is, setting out the food and letting everyone help himself or herself.

Then select foods which are tempting to the eye as well as the palate. If foods are to be hot, make it easy to have them hot, served this style. You'll be smart, too, if you have foods on the table that can be replenished easily by the time seconds are in order.

Cheese-filled tomatoes with processed Swiss cheese and fluffy white rice fill this tall order:

CHEESE-FILLED TOMATOES

- (Serves 6)
- 6 large tomatoes
- 1/2 teaspoon salt
- 1/2 cup chopped onion
- 2 tablespoons salad oil
- 1/2 teaspoon cinnamon
- 1 teaspoon marjoram
- 1 teaspoon oregano
- 1 cup cooked rice (1/2 cup uncooked)
- 1/2 pound processed Swiss cheese
- 1 tablespoon water

Remove blossom from tomato. Cut off a top slice of tomato and save. Scoop out center to make a shell; save pulp. Sprinkle salt into each tomato shell.

Drain excess liquid from tomato pulp. Saute onion in oil until lightly browned. Combine tomato pulp, onion, cinnamon, marjoram, oregano, rice and Swiss cheese. Divide mixture evenly into tomato shells. Replace top of tomato, cut side up. Arrange in oblong baking dish. Add water to baking dish. Bake in a moderate (350°F.) oven about 15 to 20 minutes. Serve at once.

Of Interest To Women - - -

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Record's society editor, Telephone 200.)

"What's for dessert?" If it's a lemon pie everyone beams at the Ed Welch home on South Wing St. A lemon pie with a golden brown meringue is almost a universal favorite and this recipe is excellent and different. The butter makes it different. Dorothy and Mary Welch watch their mother as she removes the pie from the oven — golden brown and delicious — and Dorothy gives the "OK" sign to her sister.

LEMON PIE

- 3 T Cornstarch
- 1 Cup Boiling Water
- 3/4 Cup Sugar
- 2 Egg Yolks
- 1/2 Tsp. Salt
- 1 Tbls. Butter
- Juice and grated rind of One Lemon.

Mix slightly beaten egg yolks, lemon juice and rind together. Mix sugar, salt and cornstarch in a sauce pan — add boiling water slowly, stirring meanwhile, and cook until thick and clear, but keep on stirring.

Add egg yolks and juice mixture and cook for three minutes, stirring constantly. (If mixture is too thick, add more water.) Remove from heat and add butter.

Cool and place in baked and cooled 9-inch pie shell. Top with meringue made of 2 egg whites beaten stiff with 1/4 cup of sugar and 1/4 teaspoon of vanilla added.

Brown meringue under broiler.

The Welch's have three daughters, Dorothy and Mary, who are pictured above with their mother, and Winifred, who graduated from Northville High school this year.

Planning a Luncheon?

How about a nutritious vegetable plate—peas served in turnip cups, cucumbers in sour cream and buttered asparagus, suggests Roberta Hershey, foods and nutrition extension specialist at Michigan State college.

ONE VICTIM HELPS OTHERS

Providence, R.I. — When the picture of little Andy Charlette, 5-year-old polio victim, appeared in the newspaper, showing his tricycle smashed by youthful vandals, the response was so overwhelming that Andy received six tricycles, all gifts from strangers. Andy is giving his extra three-wheelers to other polio victims of his own age so they, too, can build up their bodies.

Home Demonstration Agent's Column

The food prepared for your community supper or picnic may be a hazard to health if you fail to take proper precautions against spoilage. It is the "stewed" chicken that stands in its broth on the kitchen table, or the stuffed hard-cooked eggs that waited several hours in the picnic basket, or the unrefrigerated cream-filled or custard-filled cakes or pastries that are most apt to spoil. Cooked food accounts for most cases of food poisoning in hot summer weather, reports Emma DuBord, home demonstration agent for Wayne county.

Though thorough cooking destroys most bacteria, it does not protect food against later contamination and then spoilage of the food is not refrigerated. In fact, cooking makes many foods and particularly protein foods, more soft and moist for easier growth of bacteria.

For safety, Miss DuBord advises that you chill food as promptly as possible after cooking and keep it at 40 degrees F. or colder until served, or until reheated for serving. Nowadays when so many people use frozen cooked dishes, care must be taken against spoilage during thawing. If food takes as many as three or four hours to thaw at room temperature, there may be spoilage. For such food, thawing in the refrigerator is advisable, says Miss DuBord.

On Freezing Eggs

Many homemakers have questions about freezing eggs. Use only strictly fresh eggs, Miss DuBord emphasizes. Cleanliness in handling the eggs is very important, too. Dirt from shells may spoil the keeping qualities. Freeze only liquid eggs. Take the precaution of breaking each egg into a small dish before adding it to the other eggs.

Then you can discard undesirable ones. To freeze whole eggs, break the fresh and clean eggs into a bowl. Add one tablespoon corn syrup or honey, or one teaspoon salt, to each two cups of liquid eggs. This prevents the yolk from becoming gummy in frozen storage. Mix thoroughly, breaking all yolks, but do not whip in air, directs Miss DuBord.

Or, if you prefer to separate whites from yolks for freezing, you can package the whites without mixing or adding anything. To the yolks add one tablespoon corn syrup or honey, or one teaspoon salt, to each two cups of yolks. Mix well, but do not beat in air. Freeze only the amount of whole eggs, egg yolks or whites that will be used at one time in each package. Use moisture-vapor-proof containers. Eggs may be stored 8 to 10 months. When you plan to use the frozen eggs—use them as soon as thawed. And use as you would fresh eggs. One tablespoon of yolk is equal to one egg yolk. Two tablespoons of egg white, equals one egg white. One cup holds about 5 eggs.

Births...

Mr. and Mrs. Faris Combs of Ridge Rd., Northville, are the parents of a baby daughter, Patricia Ann. She was born in Sessions hospital Aug. 4 and weighed ten pounds.

Richard Wayne is the name of the new son born to the Willard Kauffmans of W. Seven Mile Rd., Northville, at Sessions hospital on Aug. 4. Richard weighed eight pounds, eleven ounces.

Mr. and Mrs. Ed Wilson of Randolph St., Northville, are the proud parents of a son, John Charles, born July 7 at Sessions hospital. The baby weighed four pounds, nine ounces.

Mr. and Mrs. Dale Richmond of Beal St., Northville, announce the birth of Mark Dale, born July 16 at Providence hospital, Detroit. The baby weighed eight pounds, nine ounces. Mrs. Richmond was formerly Doris Hubbard.

A son, Randy Lee, was born to Mr. and Mrs. Henry Treas of Farmington, July 28. Randy, born in Sessions hospital, weighed seven pounds, eight ounces.

Mr. and Mrs. Donald Ashby of Farmington announce the birth of a baby girl, Evelyn Lee, born July 30 in Sessions hospital. The baby weighed eight pounds.

Judith Ann Walker Troth Announced

Judith Ann Walker

Mr. and Mrs. William Lee Walker of 42625 E. Seven Mile Rd. announce the engagement of their daughter, Judith Ann, to Christie J. Miller of Middlebury, Ind. No date has been set for the wedding.

LACE DRESSES

Lace dresses are headlines in the season's fashion picture. If you decide to make your own, remember that the beauty of a lace dress lies in the design of the lace itself — not in the design of the dress. For this reason, you will be wise to choose a pattern that is designed especially for lace, or else one that has few seams, advise clothing specialists at Michigan State college.

Defina-Davitt Rites Held in OLV Church

Bouquets of white flowers decorated Our Lady of Victory church for the wedding of Elizabeth Defina and Charles P. Davitt on July 24, at 9 a.m. with the Rev. Anthony J. Heraty officiating at the double ring ceremony.

Elizabeth is the daughter of Mr. and Mrs. N. Defina of 311 Yerkes Ave., and Charles is the son of Mr. and Mrs. C. Davitt, of Ferndale.

The bride wore a strapless gown of white tulle over satin with a jacket of Chantilly lace. The jacket was fashioned with a mandarin collar and long sleeves. The bouffant tulle skirt was inset with panels of satin over a hooped skirt. She carried white roses and white carnations. Her fingertip illusion veil fell from a pearl beaded Juliet cap.

Lucy Bongiovanni, maid of honor, was gowned in yellow net and lace over yellow satin and carried blue carnations with yellow streamers. The three bridesmaids were Mrs. Frank Defina, Mrs. Norma Buckler of Farmington and Mrs. Lloyd Jackson of Northville. They wore identical gowns of blue net and lace over blue satin and carried yellow carnations with blue streamers.

The flower girls, nieces of the bride, Karen Jackson of Northville and Suzanne Mitchell of Flint, were attired in frocks of blue net over satin. They wore sweetheart bonnets and carried baskets of pink flowers.

Edgar Myles of Royal Oak as-

sisted the groom as bestman. Ushers were Frank Defina and Lloyd Jackson of Northville, and Roy Paqua of Ferndale.

Mrs. Defina chose blue crepe for her daughter's wedding and wore a corsage of white carnations. Mrs. Davitt wore rose crepe and a corsage of white carnations.

Following a reception for 300 guests at the American Legion hall, the new Mrs. Davitt changed to a black and pink princess dress with white accessories for their honeymoon trip by motor to Houghton lake.

The young couple will make their home in Hazel Park where Charles is employed by Consumers Power Co.

Elizabeth was a graduate of Northville High school and Charles graduated from Hazel Park High school. He also attended the Detroit College of Engineering.

Grecian Girl Guest of J. E. Straus

Stella Garkinos of Detroit, formerly of Athens, Greece, was the house guest of Mr. and Mrs. J. E. Straus of Beck Rd. last week. Miss Eva Johnson of Maybury San. and Mrs. Mary Isley of Farmington, joined them for a picnic supper at Kensington park.

Miss Garkinos was impressed by an open air square dance Saturday night which was held in Ypsilanti where Dave Palmer did the calling. The Andy Orphans of Northville and Ike Evans of Plymouth were also in the party.

When a husband wonders what his wife wants with two new dresses he soon finds out — two new hats.

WOMAN'S WORLD

Good Advice for Women Who Choose Ties for Husbands

SINCE WOMEN do most of the buying in the country, and that means they even buy wearing apparel for their husbands, it's smart for them to know just what kind and type of ties are suitable for the gentlemen.

There have been recent changes in the fashions for men, and there are definite rules about what's good taste in ties. On the whole, ties are conservative, much more so than they were several years ago.

Selecting Tie Wardrobe

A man's basic tie wardrobe may consist of anywhere from three to five dozen ties. These, of course, are chosen for different occasions as well as the suits which the man has in his wardrobe.

To be sartorially correct, a man should not wear the same tie dur-

'Round the Clock tie wardrobe shows the proper neckwear for each hour of the day. Reading clockwise from 9 o'clock are a striped repp, a ready-tied repp in the same stripe, a matelasse with a small "beneath the knot" design; a figured satin, narrow-striped satin, a jersey with small design and the newly popular square end, a silk patterned bow; a gray-toned striped dacron, a rayon with an unusual design and black and white bow ties for formal wear. Young man wears an embroidered satin tie in blue, red and yellow with white background suitable for semi-formal occasions.

ing the day as he does during the evening when going out, even though his suit may be the same. More conservative ties are the order for daytime, while evening, informal affairs call for more bold pattern or design.

A good way to start the day, especially when a man goes to work in an office is to put on a striped repp or ready-tied repp. Solid colors or fancy under-knot patterns are correct for business wear.

Pattern, Texture Interest

If he's going out for lunch on a special occasion, the properly attired male will like a simple stripe or a neat pattern.

Matelasse solids with single embroidered designs are new also and are certain to warrant a second look from envious admirers.

Variety in Material

It may come as a surprise to the women that men's ties come in every fabric known, and it isn't just women who are fabric connoisseurs.

In adding to a man's tie wardrobe it's wise to choose solid colors as well as repps, fancy designs, woven fabrics, miracle blends, novelty fabrics and designs, matelasses, jerseys, grenadines and embroidery designs.

Chicken, 'Burgers' Are Picnic Winners

Prepare barbecued chicken at home and bring it to the picnic, or shape hamburgers at home and grill them at the picnic ground. Either way, you'll have a main dish that's guaranteed to please picnickers.

BARBECUED CHICKEN

(Serves 4-5)

- 1 (2½ to 3½ pound) broiler-fryer chicken
- 2 tablespoons fat
- 1 medium onion, chopped
- 1 8-ounce can tomato sauce
- ½ tablespoon prepared mustard
- ½ cup water
- 1 teaspoon salt
- 1 tablespoon vinegar
- 2 tablespoons brown sugar
- 1 tablespoon Worcestershire sauce

Brown chicken in frying pan containing the fat, for 15 to 20 minutes, turning occasionally. Remove chicken to roasting pan. Cook onions in frying pan until golden in color. Add remaining ingredients. Simmer 10 minutes while stirring and pour over chicken. Bake in a moderate (350°F.) oven for an hour, basting frequently. If sauce becomes too dry, add a little water. For extra crispness, increase heat to 500°F. or place under broiler during the last few minutes.

New Fabrics To Make Fall Debut

San Francisco — Even greater emancipation for American women is promised with the fall fashion forecast.

Since the days when Susan B. Anthony led the militant feminists toward suffrage, women have found greater freedom in work and in play — and in their dress.

A California designer, champion of casual clothes with a cosmopolitan look, leans heavily on separates in support of the feminine cause. In her new collection are wondrous fabrics, where miracle fibers have been introduced to long-accepted natural materials so that the clothes may be washed at home, and pleated skirts never die and never ask to be rejuvenated.

An example of fabric news is Donegal tweed, the Irish highlands fabric, which gets combined with 15% nylon for a smooth polished look. Tubnit jersey, smooth and cashmere-soft with a silk-like luster, is a blend of 80% orlon and 20% wool, hand washable and free from shrinkage. Flannelon, with its half orlon and half wool flannel composition, banishes moth worries. Warm, without weight, it has a rich worsted-hand look. And it recovers rapidly from wrinkles. Velvetene, with its fine lustrous pile-fast twill, also takes to tub-bings.

The new fall silhouette is a tribute to the women who want to be youthful and charming — and women. It's a twofold silhouette. Dresses include the slim-molded line from shoulder to hem and the full-skirted line.

The full skirt, treated to a built-up midriff, goes from typewriter to dance floor with elegance. Slim skirts, while reed-like in appearance, offer walking grace because of controlled pegs, and pockets are conversation pieces as well as catchalls for overflow handbag needs.

Collars are large and important news. The boy's shirt, which women long have coveted, gets simplified with a soft-rounded collar. And then a mile of ruffles converts the boy look to a demure one.

Full-length slacks, walking shorts and smartly-pants — abbreviated slacks — in exciting and subdued colors offer further emancipation for women in their leisure hours.

This fall the news is that the silhouette, the fabrics, the styles and the colors all invite the eye of women for their most emancipated moods.

Plan Meals in Advance

The homemaker will get more for her money by planning meals in advance. Menus should be flexible enough, however, to make use of leftovers easily, advise home economists at Michigan State college.

Serve cheese fingers with salads for a special treat to the family or guests, suggest food specialists at Michigan State college. To make them, cut bread in finger shapes. Brush with a mixture of 2 tablespoons of melted butter, cooled, and one beaten egg. Roll fingers in grated American cheese and brown lightly under the broiler.

Textile specialists at Michigan State college suggest that you invest in only one nylon sheet until after you've tried sleeping on it. Many individuals like the luxurious feel of the sheets, but others say they feel like they are slipping off the bed. You may find the sheets are not too comfortable in hot, humid weather, either.

Here's Chicken Loaf to Tempt Tired Palates

BY DOROTHY MADDOX

HERE'S a perfect summertime main dish: Diced chicken, celery, green pepper and pimento molded in clear gelatin.

Molded Chicken Loaf

(12 servings)

Two envelopes unflavored gelatin, 3½ cups cold chicken stock, 1 teaspoon salt, 1 tablespoon lime juice, ¼ teaspoon Tabasco; 3 cups diced cooked chicken, 1 cup diced celery, ¼ cup diced pimento, ½ cup chopped green pepper.

Sprinkle gelatin on 1½ cup cold stock. Place over boiling water and stir until gelatin is dissolved. Add to remaining 2 cups stock. Stir in salt, lime juice and Tabasco.

Chill until the mixture is the consistency of unbeaten egg white. Mix in chicken, celery, pimento and green pepper. Turn into an 8-cup loaf pan; chill until firm.

Unmold on platter; garnish top with toasted almonds, if desired.

Note: Four bouillon cubes dissolved in 3½ cups hot water may be substituted for the chicken stock. Reduce salt to ½ teaspoon. Recipe may be reduced by one half and molded in 6 individual molds or small loaf pan.

Another molded main dish—this one using leftover baked ham or canned luncheon meat. The meat and cheese provide first-class protein and the gelatin adds some good protein also. Therefore, the recipe produces a good "meaty" main dish for hot-weather eating.

Molded Ham 'n Cheese Loaf

(8-10 servings)

Two envelopes unflavored gelatin, 1 cup cold water, 1 teaspoon salt, 2 tablespoons lemon juice, ¼ teaspoon Tabasco, 1½ cups salad dressing, 1 tablespoon grated onion, 1½ cups finely diced celery, ½ cup finely diced green pepper, 1½ cups ground ham, ½ cup grated American cheese.

Sprinkle gelatin on cold water to soften. Place over boiling water and stir until gelatin is dissolved. Add salt, lemon juice

Here's chicken loaf in a new, taste-tempting form that will delight you.

and Tabasco; cool. Gradually stir into salad dressing; mix in remaining ingredients.

Turn into a 5-cup loaf pan; chill until firm. Unmold and garnish with spiced peach halves filled with pickle relish and salad greens. Note: Cut recipe in half to fill 4 to 5 individual molds.

South Lyon Girl Weds N. Balko

The First Presbyterian church of South Lyon was the scene Saturday, July 31 of the wedding of Norma Arlene Braun and Norwood N. Balko. The Rev. Orville Roth, pastor of the church, read the 8 o'clock double ring ceremony in the presence of 200 guests.

Norma is the daughter of Mr. and Mrs. Raymond W. Braun of South Lyon, and Norwood is the son of Mr. and Mrs. Fred Balko, Sr. of Napier Rd., Northville.

The church was candlelighted with tapers with white, satin ribbon bows and sprays of huckleberry greens centering each window. Tall branch-candelabra and white gladioli and greens decorated the altar and formed an impressive setting for the ceremony.

The bride, who was given in marriage by her father, wore a floor-length gown of Chantilly lace and net over white bridal satin fashioned with a fitted bodice, long pointed sleeves of lace and illusion yoke. Her double finger-tip veil of illusion was bordered with the Chantilly lace and was fastened to a lace calot.

She carried a white Bible, a gift of the bridegroom, with a white orchid, white satin ribbon streamers and Stephanotis.

Marjorie Scheel, cousin of the bride, was maid of honor. She

tara of pink bebe mums and carried daisy and bebe mums, in shades matching the gowns, made in the form of a basket. Zolhe Visnyat of Northville was bestman. Neil Braun, brother of the bride, and Dwight Miller seated the guests.

Mrs. John Hertzberg sang "I Love You Truly" and the "Lord's Prayer".

Mrs. Braun chose a street-length dress of shell pink rayon linen with lace trimmed in sequins and seed pearls for her daughter's wedding. Mrs. Balko wore pale blue lace. Both wore shoulder corsages of pink rose buds.

Norma Wooster of Pryor, Okla., Hazel Braun, aunts of the bride, and Dorothy Adams of Northville, Mrs. Kenneth Frith, Kathleen Wooster, Joyce Balko and Theresa Babcock assisted with the reception which was held in the dining room of the church.

The bride is a graduate of South Lyon High school and attended Elkhart University in Indiana. The bridegroom graduated from Northville High school. The new Mrs. Balko changed to a navy blue linen ensemble before leaving on a honeymoon trip to Canada. Upon their return they will reside on Napier Rd., Northville.

Out of town guests were present from Detroit, Ann Arbor, Grant, Mason, Hartland, Royal Oak, Ypsilanti, Danville, Howell, Walled Lake, Bloomfield Hills, Plymouth, Farmington and Highland Park.

My Neighbors

By BILL PAULSON

"Yes, dear—working late. No, dear, I don't hear any pops corking."

Miss Murray Married in Garden City

Margaret Edith Murray became the bride of Leroy Edward Titus in a double ring ceremony performed by Rev. R. R. Rives at the Presbyterian church in Garden City Aug. 6 at 8 p.m.

Margaret is the daughter of Mr. and Mrs. Harold R. Murray of Maple Woods Ave. The Murrys resided in Northville for 20 years previous to moving to Garden City one year ago.

Leroy is the son of Mr. and Mrs. John T. Titus of Arcola St., Garden City.

The bride's waltz-length gown of Chantilly lace was worn over a hoop skirt. A tiara of seed pearls and rhinestones held in place an illusion fingertip veil. She carried a bouquet of white gladioli and Shasta daisies.

Ellen Fox, matron of honor and the bride's only attendant, wore a waltz-length frock of mist green. Her matching hat was trimmed with pearls and rhinestones and she carried a bouquet of yellow gladioli and Shasta daisies.

For her daughter's wedding, Mrs. Murray chose a pastel blue eyelet lace dress with navy blue accessories and wore a corsage of pink rose buds.

Mrs. Titus wore a gown of navy blue linen with white accessories. Bill Titus was his brother's bestman. James H. Murray, brother of the bride and Robert Titus, brother of the bridegroom, were ushers.

Following a reception in the church parlor, the young couple left for a wedding trip to northern Michigan.

Upon their return they will make their home in Garden City.

Helen Ann Cansfield Married Tuesday at Methodist Church

In a gown of white-Dresden lace, Helen Ann Cansfield became the bride of Wayne Edward Smith Tuesday, Aug. 10, which was also the wedding anniversary of the bride's parents, grandparents and three aunts and uncles, in the First Methodist Church of Northville. Helen was escorted down the aisle by her uncle, Walter L. Moreland of Birmingham, who gave her away.

The Rev. Robert Searls of Franklin, Mich., a mutual friend of the bride and groom, read the double-ring rites before an altar of white gladioli, palms and candelabra.

Helen Ann is the daughter of Mrs. William H. Cansfield of W. Dunlap St. and the late William H. Cansfield. Wayne is the son of Edwin Smith and the late Mrs. Smith of Dundee, Mich.

The bride's gown had a fitted bodice with a scalloped portrait neckline embroidered with seed pearls and opalescent paillettes. The floor-length bouffant lace skirt was accented with underskirts of net and satin. Her

cousin of the bride from Lansing, assisted at the reception in the church house for the 150 wedding guests.

Helen Ann is a graduate of Northville High school, Albion college and Michigan State Normal college. She was affiliated with Zeta Tau Alpha sorority. She worked in the Northville Record office before teaching in Van Dyke last year. Wayne graduated from Dundee High school, Adrian college and Michigan State Normal college, and was affiliated with Phi Sigma Epsilon fraternity. He will be a student in the graduate school of theology at Oberlin college next year and Helen Ann has accepted a teaching position in a school at Amherst, O.

Before leaving for a two weeks wedding trip to Canada, Helen changed to a red and white print dress with red jacket and white accessories.

The young couple will make their home in Oberlin, O.

Don't buy green pineapples thinking they'll ripen into a sweeter fruit, warns Eleanor Ragon of the foods and nutrition department at Michigan State college. Pineapples do not increase in sweetness after they are harvested.

Put Eggs in Freezer Now
This is the best time of year to put eggs into your home freezer. Eggs are top-quality, the supply is good and prices are probably the best you'll find for some time.

HONORMAN of his recruit company at the U.S. Naval Training Center, Great Lakes, Ill., was Robert W. Westerfield, seaman recruit. Westerfield, son of Mr. and Mrs. Wallace A. Westerfield, 50888 W. Nine Mile Rd., Northville, was selected as honorman by his commanding officers and fellow company members. At the recruit graduation Westerfield is shown as he received an honorman certificate and an engraved identification bracelet from Captain Letts, commanding officer of the Recruit Training Com.

Your Congressman Reports

By Representative CHARLES G. OAKMAN
17th District, Michigan

THE RAILWAY - HIGHWAY
Crossing Elimination Act of 1954
—This is the title of the bill I introduced in the House of Representatives today. It will provide that the Bureau of Roads may participate jointly with the States and their subdivisions in the elimination of rail-road crossings in urban areas as defined in the 1914 Federal-Aid Highway Act on the basis of 60 per cent Federal participation and 40 per cent State-local contribution. In all sections of the United States there is a need for this assistance. I know what this would accomplish for Detroit alone.

"CAN THE LEOPARD change his spots?"—America has been forcibly reminded by the Communists this is not possible. In a July story from Moscow, Pravda denounced religion as "a clinging, harmful remnant of Capitalism" and demanded its complete destruction. In our American freedom I wonder if many last week saw the President's comment wherein he stated: "If we do not believe in the spiritual character of man, we would be foolish indeed to be supporting the concept of free government in the world — free government as opposed to dictatorship. So long as we do recognize the spiritual values in man, his spiritual side, and recognize the dependency of free government upon these spiritual values, then everything that we are trying to do makes sense. Then the words 'the dignity of man' assume real meaning."

IRAN — This, too, figured in the news last week and is another indication of our success in this Republican Administration in fighting Communism. For a while it appeared that the Soviets would seize Iran as they wanted to acquire its oil reserves—as you know 60% of the world's oil re-

serves are in Iran and Iraq. However, American relief and assistance helped to keep all the friends we could in that corner of the world which was to our best interest. The people in Iran have learned to distrust communism because they have lived next door to it and have had an opportunity to know of its ambitions. We can feel that we have not set the stage for another Russian conquest. Much credit for the amicable settlement putting Iranian oil back on the world market for the first time in 3 years is due to the able and capable son of a famous father, Herbert Hoover, Jr., like his father an engineer, negotiated the agreement.

HANOI — When the unarmed British commercial plane was shot down off Hanoi, (not the case of mistaken identity) two Chinese Communist fighter planes sought to attack our two mercy planes whereupon our fighters came down from above and put an end once and for all to these Communist belligerents. The United States is showing the Communies that we do not believe in the 'shrinking violet' attitude. This Administration is establishing a doctrine of 'hot pursuit' and we will stand up vigorously for our rights.

LEGAL

EDMUND P. YERKES
Attorney for Said Estate
Northville, Michigan

STATE OF MICHIGAN,
County of Wayne,
ss. 421,378

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Nineteenth day of July, in the year one thousand nine hundred and fifty-four.

Present James H. Sexton, Judge of Probate.
In the Matter of the Estate of GLADYS T. WENDT, Deceased.

On reading and filing the petition of Fred M. Wendt praying that administration of said estate be granted to himself or some other suitable person:

It is ordered, That the Twentieth day of August, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Joseph N. O'Sullivan,
Deputy Probate Register
Dated July 19, 1954. 10-12

Moved by Welch, supported by Reed, that bills be paid. Carried.
Reports of Treasurer, Chief of Police, Dept. of Public Works and Health Comm. for the month of July, 1954, were submitted, and it was moved by Reed, supported by Peters that same be accepted and placed on file. Carried.

Comm. Allen reported that a survey had been made by a State representative of the elm trees in the Village, and that several trees had been found on the new school site that were infected by Dutch Elm disease. State was assured by the Board of Education that these trees would be removed and destroyed. The State law requires such trees must be removed within ten days after the disease is discovered, and that the bark must be peeled off and burned before the tree is hauled away, as the infestation is in the bark. Several other trees in the Village showed suspicious symptoms, and if found to be infected, will be removed. Pres. Ely appointed Comm. Allen, Atty. Ogilvie and John Miller to go over the State Ordinance and incorporate its important points in the ordinance that is being drawn up for the Village.

Sidewalk conditions were discussed at some length, as they are badly in need of repairs in many parts of the Village, and it was agreed to have Wilson Funk make a survey of the village sidewalks and report to the Village Commission where repairs are needed.

It was moved by Comm. Welch, supported by Comm. Reed, that the following resolution be adopted regarding sidewalk repairs and maintenance:

"Whereas, the Northville Village Commission has, by virtue of the authority granted it under Chapter VI, Sections 14 and 20, of the Village Charter, the power to build, rebuild, maintain and keep in repair sidewalks and crosswalks in the public streets and alleys, to charge the expenses of same upon the property adjacent to and abutting upon such sidewalks, to require the owners and occupants of said property to build, rebuild and maintain the sidewalks in the public streets adjacent and abutting upon their respective properties upon such lines and grades and of such width, materials and manner of construction and within such time as the Commission may by ordinance or resolution prescribe, and to charge the expenses thereof to the respective owners or occupants and;

</

Home Building —

(Continued from Page 1)

the above list, compiled by Village Clerk Mary Alexander, already are finished and are occupied. Others are under construction or awaiting it.

According to national building experts, 1954 should be the best construction year in history. A record 36 billion dollars is expected to be spent on new residential units. June construction alone was 31 per cent higher than last year.

Northville Soldier In Test Maneuvers

Augsburg, Germany — Cpl. Robert H. Visnyak, 21, son of Mr. and Mrs. Louis Visnyak, 50191 W. Nine Mile Rd., Northville, was a participant in the recently-completed maneuvers held in Southern Bavaria by the 5th Inf. Div.

Taking place during some of the worst weather Germany has had in years, the maneuver required infantrymen to go for long periods without food or sleep. The purpose of the maneuver was to test the combat-readiness of the unit under realistic fighting conditions.

Visnyak, a squad leader in the 11th Regiment's Co. K, entered the army in April, 1953, and arrived overseas four months later.

31 FOREST FIRES ARE REPORTED IN MICHIGAN

Lansing — Fourteen acres were damaged in 31 reported forest and grassland fires in Michigan last week, the conservation department reports.

To date this year, 3,116 acres have been reported damaged. The reports cover all lands in Michigan except federal forests.

W. Sterner Named To College Council

Wilfred A. Sterner, 22701 Beck Rd., Northville, has been invited by Valparaiso university, Valparaiso, Ind., to attend the first campus convention of the Valparaiso Advisory Council Aug. 29-31. Convention participants will discuss problems and methods of gaining increased understanding and support for Valparaiso's program of Christian education.

Sterner recently accepted an appointment from Dr. O. P. Kretzmann, V.U. president, to serve as a member of the Valparaiso Advisory Council. The council is composed of representatives from congregations of Synodical Conference Lutheran churches.

Sterner is a member of St. Paul's Lutheran church in Northville.

Driver Convicted On Drunk Charge

Convicted on a charge of driving while drunk, George Bevins, 49825 W. Nine Mile Rd., paid a fine of \$50 and costs of \$5 when arraigned in Justice Ed Bogart's court last week. His driver's license also was suspended for 90 days.

Bevins was arrested after, police say, he endangered the lives of Mrs. Elaine Hoyer, 630 East St., and her two children, last Thursday.

Mrs. Hoyer signed a complaint charging Bevins with swerving toward her while she and her children were walking on East near Walnut. She told officers who investigated that she had to drag the children, one of whom was in a walker, aside to avoid being hit.

While the officers were talking to other motorists near the scene, Bevins drove by, they said. They checked the license number given by Mrs. Hoyer and gave chase. They caught up with Bevins on Carpenter St. and arrested him. Bevins paid the fine and costs rather than serve 45 days in the Detroit House of Correction.

Our good neighbor, Canada, with a population of 15,000,000, consumes 25% of all U. S. commercial exports. We buy 60% of all their exports.

Rotary Auction Sale Slated for September

The Northville Rotary club is planning an auction sale to be held in September — the exact place and date to be announced later. Anyone wishing to donate clothing, household goods, machinery, etc. to this sale, kindly contact Wally Westerfield, 405-J2 or any other Rotarian in this area.

Meadowbrook Gets PGA Tournament

Meadowbrook Country club has been awarded the 1955 Professional Golfers Assn. tournament, it was announced in Chicago Tuesday.

Thus, Chick Harbert, Meadowbrook pro who won this year's PGA tourney at St. Paul, will defend his title on his home grounds.

Meadowbrook was scheduled to hold the 1955 Motor City Open, but after Harbert won the PGA trophy the Meadowbrook board of directors decided to go after the PGA championship meet instead, Glenn Sisler, president of the club, said Tuesday. Announcement of the award in Chicago followed.

Details concerning the dates and the purse remain to be worked out. However, it is anticipated that Meadowbrook will have to raise approximately twice the \$17,500 it paid in prize money for the 1954 Motor City Open.

AN UNUSUAL ACCIDENT
Dallas, Texas — Sylvia Norman, 16, of Waco, had taken an airplane ride with her uncle in his flight plane. As she climbed from the plane, she lost her balance and fell into the spinning propeller, which cut off her left hand at the wrist.

SEWING CONTEST ENTRY

Throughout the country home sewers are matching skill in preparation for the nation-wide 1954 "Save With Cotton Bags" Sewing Contest. This smart dress made from cotton feed and fertilizer sacks is typical of contest entries. The unique competition, a feature of 45 state and regional fairs, is sponsored by the Textile Bag Manufacturers Association and the National Cotton Council with the cooperation of Pfaff Sewing Machine Co. Winners will receive valuable prizes, and an "International Cotton Bag Sewing Queen" will be named.

March of Dimes Drive To Start

An emergency March of Dimes campaign will get under way Monday with Mrs. Elden Biery, 217 W. Dunlap, as chairman for the Northville area.

In calling for volunteer solicitors, Mrs. Biery said that the drive was made necessary because contributions last spring had fallen \$20,000,000 short of the needs for 1954, and that funds were wiped out in paying for patient care, the vaccine trials and gamma globulin.

As a special feature of the drive, teenagers will make a house-to-house canvass on the evening of Aug. 31, between 6:30 and 8 o'clock.

Those who would like to volunteer for this canvass are asked to call any of the following: David Hartner, 1282; Carolyn Burkman, 65; Harold Wilson, 204; Pat Hix, 92-J; Bill Yahne, 503-J; Mike Willis, 185; or Dorothy Welch, 26.

Following collections, the teenage volunteers will return to the Community building, where there will be dancing, with soft drinks provided by Northville merchants.

Women Patients Get Orchids
Dallas, Texas — Each of the women patients of Dr. Nard Lair gets an orchid from the doctor while she is recuperating in the hospital. The doctor grows the orchids himself as a hobby.

The WEALTHIEST PEOPLE

Who are the wealthiest people in the world? Immediately the names of some multi-millionaires come to our mind. In reality these people are paupers in comparison to the people I have in mind. Perhaps you are one of the wealthy persons and do not know it. The wealthiest people in the world are Christians and I'll prove it to you. The Bible tells us plainly in Romans 8:17 that Christians are "heirs of God and joint heirs with Christ." A joint heir, as any lawyer knows, shares full inheritance. It is not the case of one heir receiving a half a share and the other heir the other half, but two joint heirs receiving the entire inheritance. Now Christians may not be wealthy in worldly possessions. Many of them may be found in poor houses. Some may be barely getting along on old age pensions. But God has blessed them with all spiritual blessings in the heavens in Christ and in a few years they shall enter into their inheritance as a joint heir with Christ. Those who have faithless hearts find it hard to realize that such a hope is tangible but those who have put their trust in Christ know that the promises of God are sure. How rich are you?

Here's Lifetime Beauty!
FOR WALLS, CEILINGS, TOP SURFACES

LAMIDALL®
THE NEW DECORATIVE PLASTIC LAMINATE

TOUGH
Wear-resisting. Unlike top bonded to a strong 1/4" thick plywood base.

DURABLE
Resists heat, stains, moisture — will not warp, chip or peel.

ECONOMICAL
Made possible by Lamidall's unique manufacturing process.

EASY TO APPLY
Lamin (up to 4 ft. x 12 ft.) panels install easily over new or old walls.

LASTING
Lamidall beauty lasts for years — eliminates costly maintenance and redecorating.

Beautiful Wood Grains, Colors, Patterns
Easily Installed Panels, Up to 4 ft. x 12 ft.

Now with Lamidall you can enjoy the beauty, long life and maintenance-free advantages of a genuine plastic laminate at a low cost — on your walls, ceilings, counter tops . . . in your kitchen, bath, den . . . for all your modern rooms!

Lamidall isn't an ordinary wall paneling material — its durable beauty of rich wood grains, attractive patterns and colors is protected by a glass-hard plastic.

You'll like the easy way its large panels can be installed and the way it keeps clean (just wipe with a damp cloth). Lamidall resists heat, stains, hard blows — keeps its new beauty for a room's lifetime!

Whether yours is a new home — a remodeling job — or a store, restaurant, apartment, office, hotel — any place that needs the advantages of Lamidall . . . come in, see samples and get a more detailed story. You'll be glad you did.

"Growing Old Is A Privilege Denied To Many"

A man with a past is William Mairs, 43034 Grand River, in Novi.

It's been a colorful past, and an interesting one as well as long, for Mairs has seen much of this world and its troubles.

He'll be 80 come next February, and though he's not as spry as he used to be, he's still active in a variety of interests.

Mairs has lived 32 years of his life in Novi, and is well known and liked in the community. Rural folk know him, too, for he has spent much time threshing grain in the Novi-Northville-Walled Lake area.

It was only a few weeks ago that he took his grain separator and tractor to a farm at Taft and Ten Mile roads to thresh wheat for a project sponsored by the Novi Odd Fellows lodge, to which he belongs. Although now slightly stooped by his advancing years, he tended the machinery and did as much work as many a younger man.

More than a half century ago — 52 years to be exact — Mairs bought a huge Russell steam engine and started out to help farmers harvest their grain. The following year, 1903, he bought a 15 horsepower Port Huron Compound, and in 1908 added a Port Huron separator.

Harvest methods have changed considerably in the intervening years, he states. Threshing in the fields came into vogue in the '20s. Before that, grain fields were cut and the sheaves were stacked in the open and stored in barns to await threshing.

Now the sheaves are hauled directly to the separator in trucks, thus saving much time and double handling.

Mairs' present equipment has long been superseded by later models, but he is still proud of the way his 1928 tractor runs and operates, and of his 1922 separator. In the Odd Fellows project, the machinery turned out 350 bushels of golden wheat without a hitch.

Some years ago Mairs, who likes to tinker with things mechanical, bought a lawn mower sharpening machine and tools with which to repair his lawn mower and those of a few neighbors.

Many others heard of his skill and began coming to him for help. Now he has all he can do in his little garage shop to take care of mowers and similar machines brought to him for repair or sharpening.

Letters to Editor

The Record welcomes letters to the editor about matters of community interest. Anonymous communications will not be published, but in instances where the writer does not wish his or her name to appear, it will be held confidential.

CONSCIENTIOUS OBJECTORS

To the Editor:

Congratulations to the Lloyd H. Green Post of Northville on the resolution covering the employment of conscientious objectors in our State institutions. The action taken on this matter at the American Legion State convention deserves the applause of every Michigan taxpayer.

We, of Michigan, especially we of the community surrounding or "surrounded by institutions", have a vital interest in employment in our local area. Why C.O.'s should be protected by Civil Service and hold jobs that local people could use in this critical time of unemployment is a matter I believe bears investigation.

I noticed in the Detroit paper that the excuse was, that the time of the first use of the Mental Hospital C.O. help was the only kind obtainable—if this is so, why should we, the taxpayers, build huge institutions knowing they cannot be staffed?

I personally know of a few instances where well qualified people were not able to get employment because of the jobs being held by C.O.'s.

If these conscientious objectors refuse military service for our country—why should they have the protection of jobs covered by Civil Service and paid for by we, the taxpayers?

NORTHVILLE TAXPAYER
(Name withheld on request)

To the Editor:

You are to be saluted for your editorial on the C.O.'s in last week's edition. I personally believe that you presented the matter very well, both pro and con.

The American Legion's preamble to the Constitution states in part: "To inculcate a sense of individual obligation to the community, state and nation." This we feel is one of our obligations and our line of duty to see within our power that veterans and citizens alike receive a just treatment.

We know of cases of veterans being let out from the Northville State hospital. And listen to this reason: "Because, they were told they didn't pass the Civil Service exams." Yet, when

jobs were available in industry and men were hard to induce into hospital jobs, and they knew months ago these same men had not made a qualifying mark, why weren't they told then?

I'll tell you why, because they didn't have a waiting register for these jobs at that time.

We also have known that the objectors were sent here legally through legislation. But I doubt if there is anywhere in the legislature stating that these objectors must be given supervisory positions in the Northville State hospital. We know it to be a fact that there is resentment among the more oriented veteran patients and also employees that these boys are serving in such a capacity.

The Lloyd H. Green Post invites any comments on this subject.

A PAST COMMANDER
Lloyd H. Green Post 147
American Legion

Northville Woman Given VFW Honor

Mrs. Leon Gagner of Seven Mile Rd., Northville, immediate past department president of the ladies auxiliary of the Veterans of Foreign Wars, was honored by being appointed as National Banner Bearer at the 41st National Encampment of the organization held in Philadelphia last week.

The Department of Michigan received many citations and high

honors for its outstanding work, Mrs. Gagner said. Michigan was first in number of patriotic programs held and also in the number of students taking part in the high school essay contest. Plymouth Auxiliary No. 6695 had the nation's best publicity scrap book, and should have received the Ernie Pyle plaque, but the book was received too late to be judged.

Michigan took top honors with the Achievements Citation for its excellent and faithfully executed program under legislative work. The state had an outstanding rehabilitation program. The Michigan department was also cited for its work in Civil Defense as well as Youth Activities, for which it received a \$25 bond and a citation.

well be proud of contributing 22,940 hours for hospital work and donating \$61,813.17 for hospitalized veterans.

Throughout the United States, Mrs. Gagner said, the ladies auxiliary contributed 848,513 hours of voluntary service and \$1,615,428.00 in caring for veterans. For Community Service Michigan was cited for outstanding work.

Under the guidance of Mrs. Gagner this past year, the Department of Michigan organized 13 new auxiliaries for 1953-54 with Ohio organizing a like number, these two states being top winners in new auxiliaries. A \$50 award and a plaque was awarded Michigan for the increase in membership.

SPORTS FLASHES

from
The Sporting News by J. G. Taylor Spink

When Joe Adcock hit four homers in one game against the Dodgers July 31, he joined a select group of only seven men, including himself. In all major league baseball, only six other men had hit four homers in one game. They were Bobby Lowe in 1894, Ed Delahanty in 1896, Pat Seerey in 1948 and Gil Hodges in 1950.

The double that Ted Williams hit in the first inning of a game against the Detroit Tigers Aug. 1, was the 800th long hit of his major league career. The total was made up of 384 doubles, 63 triples and 354 home runs. Only one active major leaguer, Stan Mu-

sial, has had more extra-base blows. Up through Aug. 1, he had 984.

The New York Giants can call the Cincinnati Reds most hospitable cousins. They have won 14 games against Cincinnati while losing only five. But strangely enough, the Redleg pitchers are no cousins to slugger Willie Mays. In 19 games against Cincinnati, Mays has batted only 257 with three homers. He batted in only four runs, and, in addition, the Redlegs nailed him for four double plays.

In case Eddie Cantor is interested, there's a well known man in Chicago who is encroaching

Team	W	L	%
Legion	13	2	.867
Optimists	11	4	.733
Blooms	7	8	.466
Merchants	6	9	.400
Stones	5	10	.333
DeHoCo	3	12	.200

on his record as a family man. As everyone knows, Cantor is the father of five children, all girls. When a baby was born to Mrs. Phil Cavarretta in Chicago July 30, it was their fourth child—and all girls.

The first major leaguer to bat in 100 runs this season was Stan Musial of the Cardinals. He got to the 101 mark by batting in seven runs in a 13 to 4 victory over the Dodgers, Aug. 5. He brought in the seven with two homers and a sacrifice. This makes seven years in which Musial has batted in 100 or more. Mel Ott holds the National league record with nine.

The Cleveland Indians, with their Big Three in pitching, also have a Tiny Two. The Big Three, of course, are Bob Lemon, Mike Garcia and Early Wynn. The men called the Tiny Two are Ray Narleski and Don Mossi, who have been doing brilliant work in relief. While they're called Tiny, they are anything but that. Narleski stands six feet one and Mossi an even six feet.

HIGH 'N' DRY—Candy Anne Weber swings from the family clothesline in Milan, Ill., and not because someone washed the baby clothes with Baby inside them. Candy, four-month-old daughter of Mr. and Mrs. Rolan Weber, has a precedent for her ability. Little brother Billy, now 7, was a tree-branch swinger at seven months of age.

Women Bowlers Meeting Tonight

The annual fall meeting of the Northville Women's Bowling league will be held tonight, Aug. 12, at the Northville Center Recreation bowling alleys.

Anyone interested in joining the league is cordially invited to attend this meeting as this is the time the teams are formed for the league. If you are unable to attend, you may contact Gladys Johnson, phone 593; or Tina Bauer, phone Plymouth 305-J.

Northville Bowlers To Hold First Meet

Northville bowlers will meet at 8 p.m. Aug. 24 to make plans for the 1954-55 season, it was announced Tuesday.

The meeting will be held at the Royal Recreation alleys.

Bowlers who want to participate Tuesday evenings are asked to call 9154 or 723-J.

Deer Licenses To Be Distributed Soon

Lansing — Conservation department workers will begin mailing about 1,600,000 deer and small game hunting licenses to Michigan's 4,000 license dealers next week.

The chore of sorting and distributing the permits will take about six weeks.

Included in the total will be 890,000 resident and 21,000 non-resident small game licenses; 580,000 resident and 30,000 non-resident deer licenses; 70,000 resident and 10,000 non-resident archery deer licenses and 4,500 camp permits.

NAGS CAUSES THEFTS

New York — Alexander P. Maran, 57, of Brooklyn, a State hospital accountant, admitted to police that he had embezzled \$267,000 over the last five years. He claims he had bad luck and lost it all on horse-race bets.

 Ruth and Al Finley \$25.00
 Paul Zimmerman \$20.00
 Galilean Children's Home \$5.00
 American Bible Society \$5.00
 Christian Witness to the Jews \$5.00

Fluoride Hygienist Treats 73 Children
 Seventy-three youngsters received four fluoride treatments each at the grade school last week. Joan Randolph, senior hygienist, administered the treatments. Miss Ruth Knapp, R.N., estimates that over 200 children will receive fluoride treatments this summer.
 With less than 7 per cent of the world's population, our country produces more than 42 per cent of the world's electricity—four times as much as Russia, ranking second

Events Of The Past In Northville

ONE YEAR AGO—
 Preparations are being made for the international horse show to be held at Northville Downs Aug. 20-23. Gerald F. Taft, West Eight Mile Rd., is treasurer.
 Police warned all owners of house trailers that they must leave the village limits on or before Aug. 18 or be subject to a fine.
 Novi and Northville 4-H clubs are preparing exhibits for the Wayne county 4-H show.

FIVE YEARS AGO—
 VFW Post 4012 has decided to sponsor a Labor Day program.
 Supt. R. H. Amerman has announced the new school faculty. New teachers in the high school are Keith Burton, Carl Zwinck and Ralph Barron. New grade school teachers are Principal Charles T. Pregitzer, Richard Kay, Gertrude VanHorn and Mrs. Nita L. Wolfe.
 Mr. and Mrs. Eldon Biery announce the birth of a son, Don Ray.
 Fred Casterline is chairman of the annual Northville Rotary club picnic.

FIFTEEN YEARS AGO—
 Remodeling of the S. L. Bradner store on Main St. has begun.
 Gates of the Northville fair will open Aug. 16.
 Alfred Parmenter of Northville was one of the winners in the Detroit News novice tourney.

THIRTY-FIVE YEARS AGO—
 Archie Morris broke both ankles when he fell off a ladder.
 The Women's Relief corps gave a "welcome home" banquet in honor of returning servicemen.

CARD OF THANKS

I wish to thank all my friends and relatives for the nice cards and flowers sent me during my stay at Mt. Carmel hospital. Especially Dr. Capuzzi and the staff at Atchison Memorial hospital.
 Mrs. John Humphries

One advantage of the horse and buggy was that even if the driver didn't know where he was going—the horse did.

CARD OF THANKS

We wish to thank all who helped us at the time of our accident on Seven Mile Rd. Special thanks to Mr. and Mrs. Slater, Freddie Casterline, Harold Webber, and Drs. Bosch and Holcomb.
 Mrs. Florence Lefler
 Mrs. Tilda Reagan

To build and equip the average schoolroom costs \$38,000.
