AN EAGER AND PETITE student at Northville High school is Miss Traute Schafer, 16-year-old German girl studying here under the sponsorship of the U. S. Army. She is shown above going over her lessons with Mr. and Mrs. Lynn Sullivan, of Eaton Dr., with whom she resides.

Record Turnout Is Expected At Novi Election

A record turnout is expected in Novi School Dist. No. 8 Monday day as voters go to the polls to decide on a \$200,000 bond issue for ten new class rooms.

"It is important that the voters realize that 1954 taxes will nearly clear the district of its 1950 bond issue and indebtedness, several years earlier than was foreseen at that time," said Mrs. Lewis Larson, secretary of the school board. "The earlier bond issue was levied for 8 mills for the years 1950-1966, but increased valuation has made it possible to reduce this \$87,000 debt to \$39,000 in four years.

"It is fully expected by the Board of Education and by township officials that 1954 taxes (plus the \$9,920 reserve on hand) will further reduce this debt to about \$4,000. The two bond issues will overlap only 1955 taxes, when approximately three mills will be levied to complete payment on the 1950 debt, and eight mills will then be levied to apply on a new 1954 bond issue which is under consideration. Therefore, the new levy will be an extension of the former tax levy, rather than an increase, except for the slight increase in 1955."

The Novi school district has increased in school census as follows: From 1951 to 1954, 0 to 4 years old; 145, 143, 161 and 173; 5 to 19 years old, 295, 316, 354 and 384. Total census from 1951 to 1954 is 440, 459, 515 and 557.

The change of census is reflected in increased total school membership as follows: 1946 - 123; 1947 - 140; 1948 - 163; 1949 - 180; 1950 - 223; 1951 - 217; 1952-234; 1953 - 256; 1954 - 291. However, the rise in census and school membership has been accompanied by a steady increase in property valuation so that the district can well afford properly to house and instruct these children, Mrs. Larson believes. The county assessed valuation has increased from \$905,150 in 1946 to \$3,051,292 in 1954.

Voters who are in favor of the building program must vote "YES" on the two proposals, Mrs. Larson pointed out.

Woman's Club Opens Fall Season With Luncheon at Union

Luncheon at the Michigan Union in Ann Arbor will mark the opening of the Northville Women's club fall season Friday afternoon, Oct. 1.

Members of the club will meet in the ballroom of the Union for Luncheon at 12:30.

Speaker of the day will be the popular professor of English, Literature and Rhetoric at Michigan State Normal college, Dr. Marian Magoon. Dr. Magoon, who is also the author of several books for young people, will speak on "Woman's Future in Industry."

Club members are promised a humorous discussion on Women, past, present and future. Her books include "The Emperor's Nephew" and "I Smell the Devil," an Indian story.

The day's program also includes several piano selections by Mrs. Paul Bernd of Detroit. Mrs. Bernd is a member of the Tuesday Musical club in Detroit and teaches music in Detroit schools. She is also accompanist for the Board of Education.

Mrs. R. M. Atchison will preside at the meeting following the luncheon which honors past presidents and life members. Mrs. Atchison begins her duties as president of the club as the club begins its 62nd year.

Members have been asked to park in the Maynard street parking lot and to enter the Union by the side door because only men use the main entrance. Mrs. Douglas Bathey, chairman of the transportation committee, will arrange rides for any member calling 348.

NEW LIBRARY HOURS

Effective as of Sept. 27, the winter library hours will be as follows: Monday through Thursday, 11:30 a.m. to 8 p.m. Closed Fridays. Open Saturdays 9 a.m. to 6 p.m.

MORE THAN 250 Northville friends of Mr. and Mrs. Clifton D. Hill gathered Saturday afternoon at the Hill home, 17740 Beck Rd., for an open house in honor of Judge James H. Sexton, of Plymouth, a member of the Wayne county probate court since 1923. Shown above are (left to right, seated) Mrs. Hill and Mrs. L. W. Snow; (rear) Mayor Claude N. Ely of Northville, Judge and Mrs. Sexton, Northville Comm. John Stubenvoll, Hill, and Dr. Snow.

New Subdivision Proposed Here; To Cost \$500,000

A proposal for a new subdivision containing 66 family units and costing approximately \$500,000 struck a snag when presented to the Village commission at its meeting Monday night.

Provided all the details can be worked out, the subdivision is to be built on the six acre property formerly owned by Mrs. Jennie Cousins, of Ann Arbor, at the West end of Dubuar St. Jack Burkman, Northville builder, said he purchased the property two weeks ago.

At the commission meeting he presented blueprints to show the location of nine duplexes and three multiple dwelling units which he plans to start this year. Since the area already is zoned, he has made application to the Northville Zoning board for approval of the multiple units.

Paving Proves Snag

The snag Burkman encountered in his request for acceptance of the plat concerned paving of a street through the property. The thoroughfare, a continuation of Dubuar St., would be in the form of an inverted "S", and under FHA regulations must be improved. The commission was asked if it would authorize paving of the street. This met immediate opposition.

"I can't see putting in a street on property that has paid no taxes, at the expense of the taxpayers," commented Comm. John Stubenvoll.

Burkman pointed out that the community would benefit if the property were developed, by having it on the tax rolls. However, the commissioners countered by saying that they couldn't see how the Village could bear the cost of curbs and gutters and paving. They suggested that it is the responsibility of the subdivision owner to provide the streets.

Big Burden

"That's putting a big burden on the property," said Burkman. "Your request would put a big burden on the taxpayer," replied Mayor Claude N. Ely. "We've had one such experience, with Oakwood subdivision, which cost Northville more than it will get back for years. I'm against the Village standing the expense of development of property for to make money on. As for a special assessment on the property owner—we got caught on that one before."

Comm. Ed Welch commented that if a special assessment were made, that would entail a bond issue and abandonment of the pay-as-we-go plan.

"If we do that in this case, then we should assess the whole village of Northville. There are lots of people who would like to have their streets paved."

"And we've practically guaranteed that certain streets will be next," chimed in Comm. Alton Peters. "I can't see doing this, when there are other streets that have needed paving for a long time. They should come first."

"Progress Needed" "The council is not against progress in Northville," declared Welch. "We need it, heaven knows. But first things should come first."

After much more discussion, it was agreed among the commissioners that the street should be in, and the question of water and sewer capacity settled, before the Village would accept the proposed plat.

Comm. Earl C. Reed and Stubenvoll were appointed as a committee to study the proposition if Burkman is able to satisfy the requirements. A report is to be made at a subsequent session.

Burkman said he hopes to find a way to comply, and if successful, and the zoning board acts favorably on his proposal, he will start construction of the first duplex units this fall. One multiple unit will be started in the spring, if all goes well, and the other units at a later date.

Mr. and Mrs. Harry German of Orchard Drive held open house Sunday honoring their daughter and son-in-law, Mr. and Mrs. Ray Curtis who were here from Davenport, Iowa to celebrate their first wedding anniversary. Harry E. German and family from Belding were here for the week-end also.

"Oh for the life of a Councilman!"

Want To Be a Councilman? Step Right Up! What's a Little Abuse From Irate Citizens?

"You can please some of the people some of the time, some people you can't please much of the time, and you can't please all of the people any of the time." If that garbled quotation has you properly confused, consider the plight of the poor, unguided or misguided quimet which makes up the Northville Village commission.

Much of the time they don't know whether they're coming or going. Not that they are lacking in intelligence, initiative or energy. Actually, they form as conscientious a group of public servants as can be found anywhere.

Perpetual Uncertainty

It's just that the demands made upon them by unthinking, inconsiderate citizens—who seem to believe the commission can perform miracles, at little cost to the taxpayer, naturally—keep them in a perpetual state of uncertainty.

Few people come to commission meetings — unless they want something or want to complain about "injustices". One citizen Monday night complimented Comm. F. Malcolm Allen, of the public works department, for his handling of one matter—an instance so rare it was considered worthy of comment. Usually the lot of the councilman is one of verbal abuse no matter what he does.

Take "The Case of the Rambling Sidewalk", for example. Out on Grace St. there was an old sidewalk that had its ups and downs. A property owner appeared before the commission some time ago to complain about it, and to request that something be done.

Now It Starts

A new sidewalk was completed recently. That was the signal for a torrent of abuse heaped on the commission. Nothing was right about it. Although Comm. Alton Peters contends it is a good sidewalk, there were those who found all sorts of fault.

Several residents want the Village to fill in their yards to the level of the new sidewalk. Others want their driveways fixed, and still others complain about this and that. On the opposite side of the street homeowners complain that water fills their basements during storms. They want action on drainage.

"I took abuse for 45 minutes over the phone," Mayor Claude N. Ely said when the question was brought up Monday night. "A man called me practically every name in the book. Said nothing we'd done was right. Finally I couldn't take any more of it. I told him: 'Next year we'll hire you to do it!'"

Nobody Satisfied

Other members of the council reported similar incidents. The same situation obtains on Rogers St., where sidewalk and street work are in progress. Rough terrain makes the task difficult, but despite all the efforts of the

commission and the work crews, nobody is satisfied.

"Except on Plymouth Ave.," interjected Ely. "The people there were so glad to get a sidewalk they filled in their own yards, and did other work. Usually, though we get nothing but abuse."

One commissioner was even called at 7 a.m. to hear a complaint that street work wasn't being done right.

"Grace St. residents howled for a sidewalk," said Ely. "Now that they have it, everybody's squawking. Maybe we ought to tear up the new walk and replace the old one."

One Complaint Justified

To be fairminded, the commission agreed that certain of the complaints were just, particularly that of one Grace St. resident who found that the new walk, being higher than his driveway, prevented him from driving his car into his yard. The commission voted to take care of that.

Certain other corrections will be made, too, but on the advice of Village Atty. Philip Ogilvie, no further sidewalks will be built unless the property owners sign an agreement on just what is to be done.

Northville Men Hunt Mule Deer in West

Lee Prunty, Richard Juday, Walter Hammond of Northville and Art Johnson of Ft. Wayne, have returned from a big game hunting trip in Wyoming. They left Sept. 1 for a place with the interesting name of Ten Sleep to hunt mule deer in the Big Horn mountain area. Hunting was good and they returned with five. In the Powder river region they hunted antelope and brought back three.

On their return home they visited Yellowstone park and Mt. Rushmore.

Play Day on Horses Planned Saturday

The class of 1957 of the Northville High school is all set with thrills and spills at Franfield farm, West Eight Mile Rd., from 11 a.m. to 5 p.m., Saturday, Sept. 25. This horsey event is designed to give all local owners of horses a chance to show off their talent and have a good time in so doing.

The list of events includes horsemanship classes for all ages, tack and ability. Also junior stock horse and trail horse classes. Games; such as musical chairs, egg and spoon, saddle-up races will provide fun for all.

This fund raising project of the Sophomore class was developed for the current year in hopes of averting the countless money-raising projects which are necessary to finance that Senior year trip.

The finale of the day will be a barn dance at Franfield farm to which all ages are urged to attend.

Civil Defense Program Given Boost Here

An active civil defense program for Northville was inaugurated at a recent special meeting in the Village hall, and those attending joined in making plans for a public civil defense meeting to be held Oct. 25.

Oscar Hammond, Northville civil defense chairman, pointed out that regardless of size or location, every community in the nation should have a basic organization, ready to go into action if the need arises.

"Without fully organized communities," he said, "there can be no adequate national civil defense program. Civil defense can be effective in Northville only if the citizens are solidly behind those who are willing to lay the ground work. Civil Defense is here to stay. We will need it as long as we need a strong military force."

Charles Carrington, disaster chairman of the Northville Red Cross branch, outlined the plans already worked on with Mrs. A. C. Carlson, branch chairman, for cooperation in a civil defense public meeting to be held in the Community Building late in Oct.

The Business and Professional Women's club has offered its services to Hammond and will work with the Women in civil defense projects, Mrs. Carlson said.

Attending the kick-off meeting were: Oscar Hammond, Claude Ely, Mayor, Commissioner Reed F. Malcolm, James Blair, Detroit Red Cross Representative, Past master Leland Smith, Barnaby American Legion rescue squadron, Charles Carrington, Red Cross Disaster chairman, Mrs. A. C. Carlson, Red Cross branch chairman, Mrs. William Cansfield, Red Cross Home Service chairman, Mrs. Richard Nash, Red Cross Volunteers Service chairman, Mrs. Emma Reid, Mrs. C. C. Winter, Miss Marg Roger, Red Cross Board of Directors.

Mayor Ely expressed his approval of the work already done. He pledged the cooperation of the Village commission and offered the Village hall as Civil defense headquarters.

Committee meetings will be held frequently to keep plans moving and the public will be kept informed of progress.

Speeding Teenager Apprehended Here

A 15-year-old Northville girl who is accused of speeding in a car on Baseline Rd. Sunday has been certified to Wayne county juvenile court for action.

The girl was chased by Officers Eugene King and Frank Heintz, and is said to have been driving at a speed of 65 miles an hour in an attempt to elude them. When they closed in on her, they said she jumped from the car and fled but was found later at her home.

She and her parents appeared at the Village hall Sunday afternoon, and were given a summons to appear in juvenile court.

Children's Safety, Drain Problems Put Up To Village Commission

An appeal to do something to safeguard children who walk to school along W. Main between Orchard Dr. and Rogers St. was made to the Village commission by Mrs. Harry Wagenschütz Monday night.

She pointed out that there are no sidewalks in that block, and accordingly children must use the pavement to reach the sidewalk on the east side of Rogers. The traffic hazard, therefore, is great, she said.

A letter on the same subject, from Supt. of Schools Russell Amerman, also was read. The matter was taken under advisement until such time as funds are available to make a fill and construct a walk. Meanwhile, caution signs will be erected.

F. A. Clinton, 745 Grand View, also appeared with William Davis, 744 Grandview, to request that something be done about standing water in the street. The water, they said, has no drain to carry it away, and after each rain makes a deep mudhole until dried by the sun.

Discussion centered around a drain being put in to alleviate the situation.

"Can't we run it up Davis' driveway?" queried Atty. Philip Ogilvie with a laugh.

"That's up hill," answered Davis.

"Well," commented Mayor Claude N. Ely dryly, "some people think we can run drains uphill."

Comm. John Stubenvoll said that people all over Northville were concerned with drainage, because of the peculiar terrain in many sections.

"We could have a list of water problems as long as your arm if we tried to take care of them all, but I think the public works department can do something about this one."

Said Comm. Ed Welch, who had been silent all through the discussion, "The next time we lay out a village, I hope it will be on level ground!"

\$45,000 Damages Asked In Six Suits

Six separate suits totalling \$45,000 have been filed against Lloyd O. Presser on behalf of three former members of the Northville High school football team, it was revealed Wednesday.

The suits grew out of an automobile accident on Grand River a year or so ago and involving James Mitchell, Eddie Nash and Al Iversen. Presser lives on Beck Rd. in Novi township.

Absentee Ballot Change Announced

Northville boys serving in the US military forces here or abroad must write direct to Township Clerk Fred Lyke to obtain an absentee ballot if they wish to vote in the fall election, according to a ruling by the state attorney general. In other years many boys had their parents pick up absentee ballots and send them on. This year they must apply themselves.

Attracting Teachers Theme of Meeting

Lansing—The ever-acute problem of "Attracting More and Better Teachers, will be the subject for one of the forum sessions at the Sixth annual meeting of the Michigan Association of School Boards, set for Oct. 20 at Michigan State college.

The one-day conference, which will draw about 400 school administrators is developed around the theme of "Improving Schools and School Board Members."

Mustangs Face South Lyon After Bowing to Plymouth, 19-6

Schulz Scores On Thrilling Play In 2nd Quarter

The score wasn't 50 to 0—as some pessimists had predicted.—In fact, Northville's Mustangs, a trifle green around the edges, gave a good account of themselves Friday night before falling to Plymouth in the season opener, 19 to 6.

Their toughest opponent behind them, the Mustangs will take on South Lyon here Friday night, and confidently expect to notch their initial 1954 victory. However, Coach Dick Kay and his assistants, Ron Schipper and Stan Johnston, have warned their players not to take the game for granted. South Lyon, defeated 33 to 7 last year, would like nothing better than to upset the Mustangs.

Luker, Is Thorn

If it hadn't been for a lad named Luker, Northville might have duplicated its 1953 victory over Plymouth. But the Mustangs saw too much of Luker—usually the No. 11 on his jersey from behind—and the speedy halfback tallied two of Plymouth's three touchdowns.

And if it hadn't been for heads-up play on the part of Northville's Paul Schulz, the Mustangs probably would have been whitewashed, for they were outweighed as well as outplayed in their initial bid for a victory.

Schulz kicked off to open the game. Co-Capt. Joe Girardin, one of the highlights in Northville's play, tackled the receiver on the Plymouth 30 yard line. Then Luker began being the thorn in Northville's side.

First he ran right end for six yards. Then he slipped through tackle to make it first down on the 49. A pass from Davidson to Wilkins was good for five, but on the next play Davidson fumbled, recovered, but eventually had to punt to Northville's 25.

No Gain

Unable to gain, Northville punted back to the Plymouth 47. Girardin nailed Davidson, back to pass, for a one yard loss, but Luker picked up eight yards on two tries before Plymouth punted again. Bell was dropped on the 16.

Girardin got seven at right tackle, but Northville was off-side and after two more plays kicked to the 49. Schulz saved a score when Luker, taking a pass from Davidson, was tackled on the 34 when it seemed he would go all the way.

Luker crossed up the defense on the next try, however, took a pass on the 15 and went over for the tally. The kick for the

THIS PASS was good for a nice gain in the third quarter as Northville strove to even the score. Dave Biery, No. 81, took the pass deep in Plymouth territory, but the tackler coming up on the left took him before he could get away.

extra point was wide and Plymouth led, 6 to 0.

After the kickoff, Girardin tried a couple of passes, then completed one to Dave Biery for a nine yard gain. Unable to sustain a drive, Bell kicked out of bounds on the Plymouth 15 as the quarter ended.

Luker lost no time in getting started again. He made a first down on the 44, running 20 yards around right end. He got to the 49 on another try, but then Davidson fumbled and Girardin recovered for Northville.

Girardin teamed with Biery, Bell and Funk to work the ball to the Plymouth 44. Spigarelli caught Lovett by the foot and dropped him on the 39, but Girardin then plowed through the same spot for a first down on the 32.

Michigan Team Picked To Win Over Washington

Michigan's Wolverines are picked to defeat the Washington Huskies in the opening game of the season for the Big Ten representative.

Last year Michigan trounced Washington by a score of 50 to 0, but with few veterans on the 1954 edition, the Wolverines are expected to have no easy time. Washington opened its season last week by edging a strong Utah squad, 7 to 6.

Pigskin Pete, who turned in a percentage of .686 while forecasting college football games last fall, is back on the job eager as the keenest sophomore to improve his past-season record, which included 308 victories and 132 defeats. Ten of Pete's picks will appear in the Northville Record every week by arrangement with The Sporting News.

Northville Nine Plays Tie Game

Northville Merchants played a 4 to 4 tie with Detroit Teamsters in the Inter-County League baseball game played at Cass Benton Park Sunday, and will have to wait two weeks to determine whether it will remain in the running for the league title.

The teamsters were leading 4 to 3 in the ninth when, with two out and a man on second, Bob Turzyn drove in the tying run with a sharp single to right field. Darkness halted the game in the tenth, however, and next Sunday the team draws a bye.

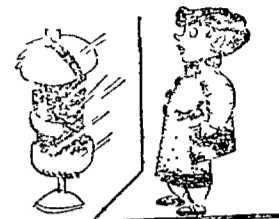

Detroit Auto Club also played a tie, with River Rouge, 5 to 5. The Auto Club, tied for first place in the playoffs, will tackle the Teamsters Sunday at Cass Benton park.

When Stan Musial hit three singles and a triple in a losing game against the Dodgers Aug. 4, he pushed his lifetime total bases over the 4,000 mark. That's tops in the majors since Mel Ott hung up his glove in 1947. Eighteen major league players have topped the 4,000 mark in total bases. Ty Cobb is at the top of the list with 5,863.

Mr. and Mrs. Loyal Sheets, Mr. and Mrs. Don Sheets and Mrs. Nell Coolman, from Ft. Wayne, Ind., were the September 11 week-end guests of Lyl and Don Sheets' sister, Mrs. Homer Coolman and her family on Shady-side. Also on Saturday, the 11th, they attended the marriage of their niece, Shirley Ault to Wallace Seger.

Mrs. Arthur Bosley from Akron, O., attended the Ault-Seger wedding, Sept. 11, and spent the last week visiting among relatives in this locality.

Mrs. John Timmer, from Muskegon, was a Tuesday guest of her brother, Edwin L. Johnson and his family on Clarita Ave.

Mrs. M. E. Ault, Mayfield Ave., attended a meeting of her Rugby club in the home of Mrs. Elizabeth Holcomb Bradley, in Farmington, Sept. 13.

Mr. and Mrs. William Sherman and their two daughters of Mayfield Ave. have returned from a vacation trip during which they visited parts of New England. They were in Boston at the time that city was struck by a cyclone.

During the Sept. 11 week-end, Mr. and Mrs. George W. Sandau visited the former's son in Wisconsin.

Mrs. R. Gibbons, of Hubbard Ave., recently spent a day visiting with friends in Howell.

Mr. and Mrs. Harvey Taylor, from Dearborn, were recent afternoon guests of Mrs. Walter Rebalin, on Mayfield Ave.

Mr. and Mrs. Ernest Tallman, of Mayfield Ave., are again spending a week with Mr. and Mrs. James Kitchen, at New Hudson.

Glenn Vance, of Mayfield Ave., was a visitor in Veterans' Hospital, Dearborn, Thursday.

Gary, youngest son of Mr. and Mrs. Ed Grant, Farmington Rd., has been recuperating from facial and head injuries received in a recent bicycle accident near the Davis store on Farmington Rd.

Beverly Skow, of Mayfield Ave., is ill.

Miss Joanne Gibbons, of Hubbard Ave., has returned to her school, the St. Joseph's Academy in Canada.

Honoring their son, Coast Guardsman Wayne Ault, who left Friday for New Jersey, where he is now to be stationed, Mr. and Mrs. Clinton Ault entertained at their home on Mayfield Ave., Thursday evening. A large group, mostly relatives, were guests. Slides depicting scenes in Guam, where the young serviceman recently served a year provided interesting entertainment. A bountiful lunch climaxed the pleasant affair.

Honoring the 6th birthday of her son, Kenneth, Mrs. Kenneth Skow entertained at her home on Mayfield Ave., Monday afternoon the 13th. About a dozen guests, mostly the young man's playmates were guests. Birthday cake and other good things were served. Kenneth received a number of very nice gifts.

The local telephone representative for the Goodwill Industries has received official announcement that the next collection of discards in this area will be on Monday, Oct. 4. Call Farm. 1461M to arrange for a pick-up.

The Misses Kathleen and Helen Cooke, from Farmington, were

Thursday guests of their grandparents, Mr. and Mrs. O. R. Ault, of Shady-side Ave. Their parents, Mr. and Mrs. George Cooke and their brother, Richard Cooke, were visiting at University Hospital, Ann Arbor.

As the result of a dog-bite received while delivering newspapers Wednesday evening, Jim Muir, of Shady-side Ave., is hobbling about with a lame leg.

Mr. and Mrs. Ed Johnson, of Clarita Ave., and Mr. and Mrs. Forrest Ault, of Hubbard Ave., attended the "Do It Yourself Show" together Sunday.

William H. Callan, formerly, for many years, of Hubbard Ave., but lately, of Irving Ave., died, after a long period of ill health Wednesday, the 15th. Surviving are his wife, Pearl; two daughters, Mrs. Lillian Charlton and Mrs. Eleanor Dorsey; and four sons, Elmer, Garnet, Edward and Murray. There are also 14 grandchildren, three brothers and five sisters. Funeral services were held from the Thayer Funeral Home in Farmington at 1 p.m. Saturday.

At her home on Shady-side Ave. Monday, the 13th, family and friends aided Barbara, youngest daughter of the John Varhols, in celebrating her 8th birthday. There were the usual features of such an occasion.

Mrs. Ervin Bohlinger, of Mayfield Ave., spent Sunday, the 12th with her sister, Miss Esther Middlewood, in Lansing, and on Monday visited University Hospital, Ann Arbor.

Mr. and Mrs. Deloid Ramage, of Robinson Ave., returned Thursday night from a three-weeks vacation stay at their cabin in northern Michigan.

Mrs. Herman Schult and her son, Alfred Schult, of Shady-side Ave., and Mrs. Irene Stafford, of Livonia, left Tuesday night, the 14th for a short trip to Tennessee. They were expected home during the week-end.

A dinner party at the Kenneth Skow home, Mayfield Ave., Tuesday evening, the 14th, honored visitors from Aurora, Illinois.

At the Farmington Children's Hospital, Vernon, nine-year old son of Mr. and Mrs. Floyd Dolmage, W. 8 Mile Rd., remains critically ill with polio.

Accompanied by house guests from Indiana, the Homer Coolmans, of Shady-side Ave., visited Canada Sunday the 12th.

Mrs. E. W. Stange, Mayfield Ave., reports that her granddaughter, Mrs. Richard DeSinger, who formerly resided with her in this neighborhood, but now lives in East Detroit, had been taken

critically ill and sent suspected of polio to Herman Keifer Hospital. Later diagnosis disproved the polio theory, but she is still quite ill.

Neighborhood Bible School is awarding six lovely plaques, Scriptural in character, to pupils who managed to keep up their interest in Bible study during the vacation season. Those who spent part of the summer away from home brought reports from teachers in the Sunday Schools visited. A boy, Freddy Kansik, had the most points to his credits. Others receiving recognition rewards were Eve Marie Kansik, Pauline Varhol, Mary Garant, Mary Allen and Jeanne Allen.

Cloudy skies above and dampness underfoot cut down on attendance at the Sunshine meeting held in Neighborhood Church Wednesday afternoon. Consequently, the topic "Why Keep Promises" is being postponed for use at the meeting scheduled for Wednesday, Sept. 29.

A number of local people were in attendance Saturday evening, the 11th, at the marriage of William Varhol, son of Mr. and Mrs. John Varhol, Shady-side Ave., and Miss Neila Fleming of Detroit, and which was conducted in the North Woodward Congregational Church, Detroit. Robert Sooy, of Shady-side Ave., was the groom's best man. Darrel Middlewood, of Farmington Rd., and Dick Varhol of Shady-side Ave., were ushers. It is reported to have been a very beautiful wedding. Following the ceremony a reception was held in the church. Afterward, the couple left to spend a week's honeymoon in Canada. Upon their return they will proceed to Norfolk, where the groom, now serving with the U.S. Navy, is stationed, and go to housekeeping in an apartment. The bride is a former Livonian and a graduate of Bentley High.

Mr. and Mrs. Fred Gansik and their three children, of Osnus Ave., were all visiting Mrs. Kansik's sister in Dearborn Sunday, the 12th. They were also in attendance at the Dearborn Methodist Church; Mrs. Kansik and her children receiving baptism during the service.

Mrs. Walter Rehahn, Mayfield Ave., was in Garden City Thursday attending the wedding of her friend, Mrs. Bennet, who so frequently visits her.

During the Sept. 18 week-end, Mrs. William Griffith and her daughter, Cathie, from Dearborn, were visiting with their relatives, the Stanges, on Mayfield Ave., and with friends in the neighborhood.

Mrs. Lena Oldham of Farmington Rd., and Mrs. M. E. Ault, Mayfield Ave., were in Waterford Thursday attending a pot-luck dinner sponsored by Past Matrons of the Eastern Star Lodge.

The Ruth Circle of the Livonia Methodist W.S.C.S. held what was practically an all day meeting at the Ford residence on Six Mile Rd., Wednesday.

Palms and baskets of white gladiolus tastefully arranged in the Baptist Church of Farmington

made a beautiful setting for the marriage at 3 p.m. Saturday, the 11th, of Shirley L. Ault and Wallace C. Seger. A double ring ceremony was performed by Rev. Norman Allen of Dearborn. The church was filled.

The bride wore a gown of white satin and lace, sequin-trimmed with an illusion neckline and finger-tip veil. Her bouquet was white stephenitis, and white mums with a white orchid center. The headpiece was of small white mums. The matron of honor was Mrs. George Cooke, sister of the bride. Her gown was of green iridescent taffeta and net and her flowers were fugi mums. The bridesmaids, Mrs. George Thorne and Miss Majorie Bury were similarly attired and carried bouquets of bronze mums.

The two and one-half year old flower girl was Kathleen Cooke, niece of the bride. Her dress was lace trimmed yellow nylon. The ring-bearer was 3 and a half year old Jimmy McFarland, brother of the groom. Both performed their parts with perfection.

The best man was James Carley, from Chicago. Ushers were George Cooke and Joe Meyrelles. Mr. Paul Woolley was soloist. In pleasing style he rendered "Because" and "Oh, Promise Me".

For the occasion, Mrs. O. R. Ault, the bride's mother, wore powder blue lace with pink accessories and a pink rose corsage. The groom's mother, Mrs. Dietrich McFarland, wore brown taffeta with bitersweet accessories and a tailsman rose corsage.

Following the church service a reception was held at the home of the bride's parents, Mr. and Mrs. O. R. Ault, 20130 Shady-side Ave. Guests were present from Ohio, Ind., Monroe, Brown City, Northville and Detroit, as well as Farmington and Livonia. 150 persons partook of the buffet supper, served from the dining-room, graced by an unusually lovely centerpiece of autumn flowers and a handsome five-tiered wedding cake.

The bride's bouquet was tossed from the balcony of the Ault home. It was caught by Miss Marcia Meade of Hubbard Ave.

About ten-thirty the happy couple left on a honeymoon, during which they will visit Canada and Niagara Falls. The bride's going away outfit was gray, with pink accessories. Upon their return they will reside at 28915 Grand River.

Mr. Seger attended school in Farmington, is a Navy veteran, and engaged in the florist business. Mrs. Seger is a Farmington high graduate and has been employed as a secretary in downtown Detroit.

NOTICE OF Special Election

To The Qualified Electors of School District No. 8 of The Township of Novi Oakland County, Michigan

NOTICE IS HEREBY GIVEN, that an election will be held in School District No. 8 of the Township of Novi in the County of Oakland and State of Michigan, on Monday, the 27th day of September, 1954, from 7:00 o'clock A.M. to 8:00 o'clock P.M., Eastern Standard Time, to vote upon the following propositions:

- Shall School District No. 8 of the Township of Novi, County of Oakland, State of Michigan, borrow the sum of not to exceed Two Hundred Thousand Dollars (\$200,000) and issue its bonds therefor, for the purpose of defraying the cost of erecting and furnishing an addition to the school building in said school district and acquiring an addition to the site thereof?
- Shall the limitation on the total amount of taxes which may be assessed each year against property in School District No. 8 of the Township of Novi, County of Oakland, State of Michigan, for all purposes except taxes for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided in Section 21 of Art. X of the Constitution of Michigan, for a period of twenty (20) years from 1955 to 1974, both inclusive, by 8/10ths of 1% (\$8.00 per \$1,000) of the assessed valuation as equalized, for the purpose of paying principal and interest on bonds aggregating not to exceed \$200,000 in principal amount to defray the cost of erecting and furnishing an addition to the school building in said school district and acquiring an addition to the site thereof, and for the purpose of establishing a reserve for the payment of said principal and interest?

NOTICE IS FURTHER GIVEN, that the voting place for said election will be the Auditorium of the Novi School building.

NOTICE IS FURTHER GIVEN, that the Board of Education of said school district has estimated that Two Hundred Thousand Dollars (\$200,000) is the amount of money necessary to be borrowed for the project for which said bonds are to be issued.

The following statement has been received from the County Treasurer as to previously voted increases in the total tax rate limitation affecting taxable property in the school district, to-wit:

COUNTY TREASURER'S STATEMENT

I, CHARLES A. Chinese Warfare

There are many indications that the Chinese Communists welcomed the destruction of two of their fighter planes by U. S. Navy fighter aircraft recently as an incident from which they could reap considerable propaganda value. The Chinese protest to the United States Government made a major point of the fact that a United States fleet had been ordered into the waters in the vicinity of the East Coast of Hainan Island, which is a part of China, and they also attempted to make capital out of charges that Chinese territory had been flown over by U.S. planes.

The Chinese charged that four United States carrier planes invaded the air above Port Pulin at 0925 hours, and that later twelve United States fighter planes invaded the air above Loh Huei. They claim, naturally, that the two United States aircraft which shot down the two Chinese planes attacked the Communist aircraft first.

Despite the fact that the Communists are known to lie for propaganda purposes, their claims about territorial integrity and the invasion of the air above them by U. S. planes will have some effect on oriental opinion. The U. S. Navy planes did exactly the right thing, in the true circumstances, and that was to defend themselves when they were attacked.

However, there are indications that the Chinese Communists, like their brutal Russian comrades, are delighted to sacrifice the lives of two of their pilots in an incident from which they think they can gain considerable propaganda advantages. It is unfortunate that propaganda value can be made of the incident, and the United States aircraft certainly could not have done otherwise in view of the circumstances.

The incident merely proves anew that, in opposing a regime which has no regard for truth, and which censors the news, there is no way in which to get the United States' position across to hundreds of millions of Asiatics, and this is what makes a Communist such a dangerous foe.

Savings Increase

An encouraging economic factor is the latest report of both the Government and life-insurance companies, which shows that savings are continuing to increase. Figures released recently indicate that Americans are putting up as much, or more, money this year than they did in 1953.

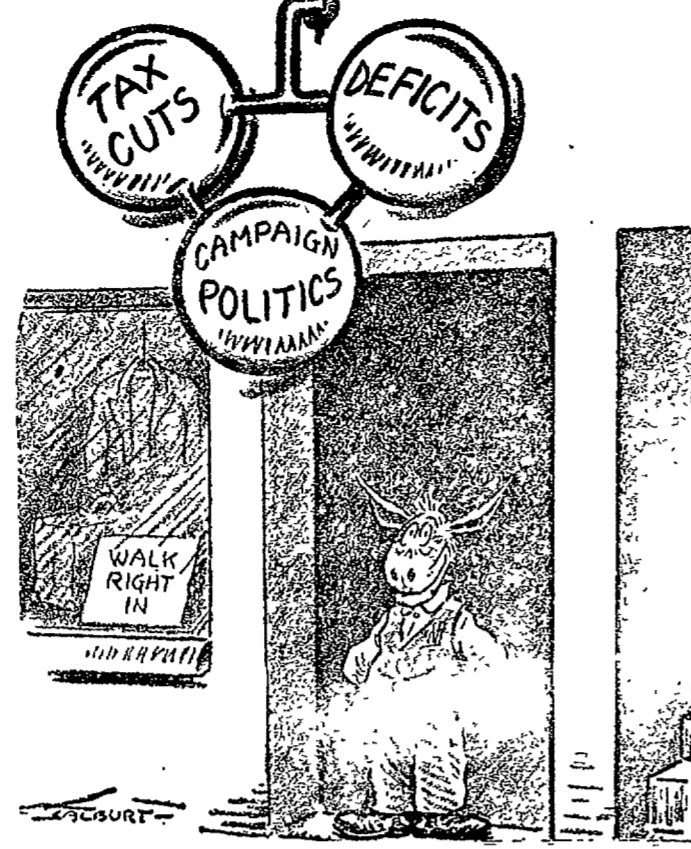

These savings go into U.S. savings bonds, into life insurance, bank deposits and other forms of savings.

The U. S. Treasury reports that in the first six months of 1954 it sold thirteen per cent more "E" and "H" savings bonds than it had in the first six months of 1953—a boom year. The Institute of Life Insurance has reported record purchases of new policies in the same period.

It is also reported that accident and health insurance policy purchases are higher this year than in 1953. The significance of these increases is to be seen when it is realized that total personal income in the United States is definitely down from the record total of 1953.

The combined effect of these statistics shows clearly that the average American is hedging for a rainy day, and increasingly turning his attention to the future and his future security. In spite of the fact that there is more job security and Government-aid in this field than ever before, Americans are increasing their savings even while the nation's personal income total decreases slightly.

SIGN OF THE TIMES

Let's Reason

by A. M. Smith
 About Courage
 Who does not need repeated reminders of the need of courage in this world of crucial personal problems and unexpected calamities? Every child of Man encounters the hard mountain to climb, the hard decision between ways to choose, the unexpected blow to withstand, many times in the passing years. Dangers and trying exigencies strew the way of life. How to meet them?

One can have a deep and abiding faith that all things ultimately work for good. Faith says this is the law of the Universe. Yet I must be assured that the Universe was not created just for me. Courage to meet difficulties and calamities cannot be picked up quickly by the way. It is a quality cultivated in the midst of the storms of life. Faith that one can possess victorious courage is a prime factor of useful living, and useless living has never been happy — really happy — in all human history.

One can share in the courage of those who have gone before. They help us bravely to refuse to surrender when evil calamity threatens or we find ourselves emmeshed in the fateful net of Nature—we may still meet fate with unconquered courage. We can share the courage of Great Souls as they stood alone and unbowed, facing what seemed a lost cause or loss of life itself.

William Makepeace Thackeray never gave up the fight. He had sublime courage. He could write, but not well enough to succeed for many years. He suffered many financial losses and knew poverty. His young wife, whom he adored, died. In the following years much of his writing was only mediocre — far from "success". But at last he produced some great books, and one of the greatest novels ever written. "Henry Esmond"

There is the magnificent faith of Lincoln, a sorrow-laden soul, but unconquered spirit; the indomitable courage of Washington at terrible Valley Forge; the courage of Gethsemane in the face of treachery that might have been escaped. Courage to bring glorious victory out of pain and seeming defeat.

But godliness with contentment is great gain. — (1 Timothy 6.6.)
 True contentment comes when the mind is calm and sure and the soul is at peace, but these cannot be had unless one's conscience is completely at ease. Such an untroubled "inner voice" comes when we live in godliness, in the fullness of God's love.

Strenuous Day
 Cherreyville, N. C. — It was a strenuous day for Mrs. Bertie Benfield recently. She became a grandmother and a great-grandmother on the same day. Her daughter, Mrs. Lithia B. Polk, 38, bore a son and her granddaughter, 16, had a daughter.

Dips Employer
 Bombay, India. — Following an argument with his employer as he drove him along the Marine drive, a chauffeur deliberately drove the car containing his employer and his two sons across a crowded beach and into the sea. Police chased the car, which stopped after sea water got into the engine, and the drenched occupants clambered out. The chauffeur was arrested.

Needle In Foot
 Santa Ana, Cal. — Seventy-six years ago Guy J. Gilbert, now 83, swallowed a needle. About six months ago he began feeling a dull ache in one of his feet. Recently, a physician removed an inch-long needle from Gilbert's right foot.

A Good Prophet
 Townsend, Mass. — After marrying a couple — Mr. and Mrs. Eugene O. Woodward — the minister who performed the ceremony 68 years ago, said: "I hope you both live to be 100." Mr. Woodward died recently at the age of 100. His wife died a year ago, age 100.

No Tame Bear
 Central City, Col. — Delighted tourists pointed their cameras at what they thought was a tame bear in this historic old mining

town. Sheriff Kenneth McKenzie took a closer look at the full grown animal and shouted. "That's a real bear, not a tame one." The tourists quickly scattered.

 TIMELY REASONS WHY

You'll always be glad you bought a Chevrolet now!

- You'll stay proud of Chevrolet's lasting good looks
 Other low-priced cars just don't have the quality look you see in Chevrolet. And if you like Chevrolet's looks now, you'll like its looks always. For there's fine design in those clean and smoothly curved lines (nothing "boxy" about Chevrolet!). And fine design like this never really goes out of style.
- You'll enjoy exclusive features for finer motoring
 Chevrolet's the only low-priced car with Body by Fisher. It has the highest-compression power of any leading low-priced car, for more fun in the going and more miles out of the fuel. Chevrolet puts your safety first with the biggest brakes and the only full-length box-girder frame in the low-price field. It's the only car in its field with that smoother, softer Unitized Knee-Action ride.
- You save when you buy and when you trade
 Chevrolet is priced below all other lines of cars. (That's possible because Chevrolet builds the most). And at trade-in time, you'll be ahead again from Chevrolet's traditionally higher resale value!
- You'll get a special deal right now
 Right now, we're in a position to give you the deal of the year on a new Chevrolet. Come in and let us show you how much you'll gain by buying now!
 Now's the time to buy!
 Get our big deal! Enjoy a new...

CHRISTIAN SCIENCE CHURCHES

How understanding of the spiritual nature of reality brings enduring health, harmony, and progress — will be set forth at Christian Science services Sunday.
The Lesson-Sermon entitled "Reality" includes the following from I Peter (1:24,25): "For all flesh is as grass, and all the glory of man as the flower of grass. The grass withereth, and the flower thereof falleth away: But the word of the Lord endureth for ever. And this is the word which by the gospel is preached unto you."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy the following correlative passage will be read (335:27-29): "Reality is spiritual, harmonious, immutable, immortal, divine, eternal. Nothing unspiritual can be real, harmonious, or eternal."
The Golden Text is from I Corinthians (1:31): "As it is written, He that glorieth, let him glory in the Lord."

The GREEN THUMB

by Paul Newton

The planting and dividing that we do this fall will pay double dividends in the spring. One of the loveliest combinations for your garden next summer should be planted now. Delphinium for the back ground and madonna lilies in the foreground.

After more than 6,000 years the Madonna lily is one of the most popular and familiar to all gardeners. It should be planted now to take advantage of the fall growing season. These bulbs are freshly dug and shipped in damp moss as live plants. Dried out bulbs are worthless.

The catalogue will list them as Liliun Candidum. The cascade strain is more hardy and disease resistant and the flowers have wider petals and better substance than other strains.

They should be lightly fertilized in spring when the growth starts.

Disease Control

Old foliage should be cut off in spring, the ground dusted, new foliage and stalks sprayed with bordeaux mixture to prevent botrytis blight.

Lily growers advise the placing of bamboo stakes at the time the bulbs are planted. Staking the plants prevents wind damage to the flowers in rain and wind storms. If the stakes are placed when the bulbs are planted, this prevents root damage to the bulb in case you aren't quite sure where the roots have formed.

Madonna lilies bloom in mid June, in this locality, with the delphinium. There are a multi-

Legion Auxiliary Start Fall Season

Virginia Burnham, new president of the American Legion Auxiliary, Lloyd H. Green Unit No. 147, presided over the first meeting of the new year held Sept. 17. The president's assistants for the ensuing year will be; first vice president, Dolly Chedwick; second vice president, Lois Becker; secretary, Lorraine Steimel; treasurer, Lila Chapman; historian, Clara Alexander; Sgt.-at-arms, Mary Bahnmüller and chaplain, Ruth King.

The president and secretary are to represent the Lloyd H. Green Unit at the fall conference in Lansing, Oct. 9 and 10.

Mary Lovewell, Gayle Ashburn, Priscilla Blackburn, Leanna Doekson and June King, Northville's representatives at Wolverine Girls' State last June, will give their reports to the Unit at the Sept. 28 meeting. After the

tude of other strains of lilies which will extend the lily season to October. Lilies have become one of the most popular flowers.

The best location for Madonna lilies is a spot in your garden where they will get morning sun and some shade in the afternoon. Good drainage is important and so is good air circulation about the plants.

Soil

They are not too particular about their soil, they prefer a sweet or alkaline clay enriched with dried sheep manure. These lilies prefer shallow planting in contrast to other lily bulbs. The specialists advise not over two inches of soil on top of the bulb. Bulbs to be set about a foot apart.

Soon after these bulbs are planted a rosette of waxy leaves appear from each bulb. A mulch of peat moss, compost or pine needles is placed around but not over the foliage. The mulch is left on to conserve moisture and keep down weeds.

meeting all members and friends are urged to come and hear the girls and enjoy the social hour with the Post. The Unit will furnish the lunch for the after-meeting social hour.

The Unit president, Virginia Burnham, entertained the committee chairmen at her home Sept. 21 for a school of instruction on their duties for the coming year.

Edward J. Zebrowski

This week marks eight years since Edward J. Zebrowski and Frank J. Schumacher formed their partnership as owners of the Union Wrecking Co. They are also celebrating their first successful year of operations at their Main Yard on which they have built a modern Hardware Store and Building Supply Sales Center.

The company employs 35 men who are highly experienced in dismantling of houses and this being the peak of their season wreck between 15 and 18 houses per week. All salvage materials are trucked to the company's main yard, which is located at 31245 West 8 Mile Road.

The picture you see is the home of the Union Wrecking Co. This week is the company's anniversary. Although in the wrecking business for many years, this week is celebration time because 1 year ago the company built this modern hardware store and building supply yard. Edward J. Zebrowski and Frank J. Schumacher, Owners, personally invite you to take advantage of this celebration sale.

Northville Man Wins Promotion

New manager of Northville's A & P store is Joseph Elliott, who replaces Warren Ottinger. Ottinger has been promoted to a larger store in Trenton.

Prior to coming to Northville Elliott was assistant manager in one of A & P's new stores on Southfield and Grand River. In his 12 years with the company he has covered all phases of operation including personnel, training and sales.

George Cumberworth, manager of the meat department, who has been in Northville the past eight months, will continue on in that capacity.

General Fund	\$40,557.39
Water Fund	4,574.11
Water Fund loan to General Fund	10,000.00
Rural Hill Cem. Fund — Cash	122.40
Rural Hill Cem. Fund — Investments	5,400.00

Supt. Hartner reported that work on curb and gutter job on No. Rogers, Dubuar and Linden Sts. was progressing slowly.

Moved by Peters, supported by Stubenvoll, that these reports be accepted and placed on file. Carried.

John Miller, who has charge of the tree care program for the Village of Northville, reported that the Dutch elm disease problem is becoming serious, and Pres. Ely appointed Merrill Sweet in addition to Comm. Allen and John Miller, as a committee to confer with Atty. Ogilvie on the drawing up of an ordinance covering the control of the kind of shade trees to be planted in the Village, as well as this problem of Dutch elm disease, etc. This ordinance is to be presented for consideration at the next regular meeting.

Representatives from the American Legion, sponsors of Boy Scout troops, as well as Boy Scout leaders, were present to discuss with the Village Commission the report which had reached them by hearsay that Scouts had been blamed for damage and disorderliness in the Scout Bldg. They also stated that they had been instructed to take their belongings out of the building, which they resented. They were assured that the Village Commission did not lay blame for damage on the Boy Scouts as an organization, but they did feel that the youth of the community who had been accorded the use of the building had abused the privilege in some instances. However, even though the Board of Education is to use the first floor as a class room, the basement of the building will be available to the Boy Scout organizations, and if the space available is not always adequate for their needs, the Board of Education has agreed to provide for meetings either in the new Community Building or in the High School Bldg. Comm. E. C. Welch was appointed by Pres. Ely to arrange a meeting in the near future with the several organizations interested in the use of the Scout Bldg. after the school relinquishes same, to definitely establish responsibility for the care and maintenance of the building.

Comm. Allen reported that the Village Clock steeple will not be painted, as the steeple jack who had agreed to take the job for \$290.00 had changed his mind upon closer examination of the work involved and wanted \$550.00 to do the work.

Comm. Stubenvoll reported that he had been informed by Mr. Ralph Pickard, the owner of the lot at the corner of Dunlap and Center Sts. which has been used as a parking lot by the Village in the past, could again be used for that purpose if the Village would pay the Village and Township Taxes on this property, as well as take care of snow removal. Atty. Ogilvie was instructed to contact Mr. Pickard and bring a proposed lease before the Village Commission.

No further business appearing, meeting was adjourned.

Signed, Mary Alexander, Clerk.

BED FALL SAVES CHILD
 Great Falls, Mont. — Because Frances Jean Nelson, 12, fell out of her bed she is alive today. Overcome by carbon monoxide while he slept, she tumbled from bed unconscious and her parents, attracted by the fall, rushed her to fresh air. A defective bathroom heater was blamed for the gas seepage.

Baltimore, Md. — George William Mack was just leaving the jail after four and half years of a six-year term of burglary. The usual routine shakedown search was performed and Mack gathered up his few belongings and prepared to leave. Excusing himself for a moment, he dashed to the basement and returned with a small bundle he said he had almost forgotten. In it, officers found First Sergeant Champ Zumbun's gold watch and cigarette lighter. Mack was promptly charged with larceny and again lodged in jail.

News Around Northville

Mr. and Mrs. Clel Boyd of Maxwell Rd. were pleased to see their friends, Mrs. Arvid Mann and 15-month-old daughter, of Van Nuys, Calif. on the Art Baker TV show, "You Asked For It", Sunday night. The Mann baby was one of the baby swimmers on the show.

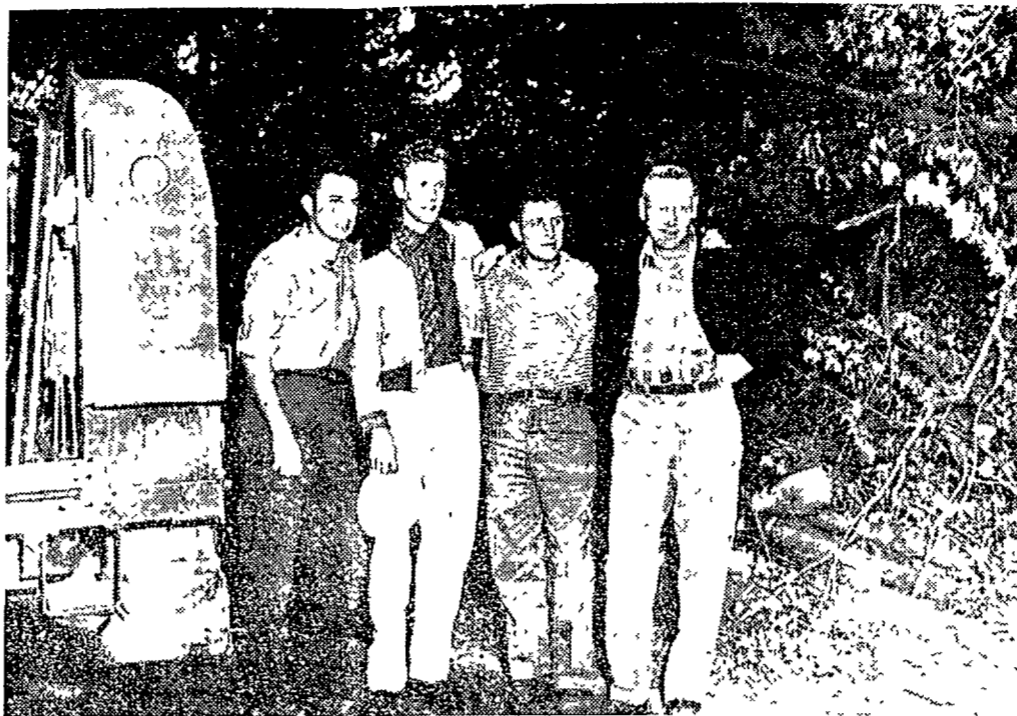

Mr. and Mrs. Charles E. Osborne and son John left last week for their new home in Missoula, Montana where Charles has a position in the music department of Montana State University. Mrs. Osborne is the former Dorothy Grieger.

Mr. and Mrs. Ed Smith of Norfolk, Va. and St. Petersburg, Fla. were guests last week of Mrs. Smith's niece and sister, Mrs. H. C. Duerston, and Mrs. Carolyn Roy of Meadowbrook Rd.

Several back-to-college names were omitted last week and we are glad to add to the list this week: Mary Lou Litsenberger returns to Kalamazoo college; Peggy Price, Joan Wiesmeyer, Jim Whipple, Michigan State; Tom Johnson, Wooster, Ohio; Helen Meaker, Bronson Methodist hospital at Kalamazoo; Lucien Lovewell, University of Michigan; Eva Clark, Eastern New Mexico University; Terry Chappell, Cleary college, Ypsilanti.

Mr. and Mrs. Lawrence Parmenter of Plymouth entertained at a family steak roast Saturday. The Parmenter's grill in their garden provided a pleasant spot for outdoor dining. Besides the Parmenter and their three children were Mr. and Mrs. Earl Collins and three children, Peggy Price and Terry Chappell, Mr. and Mrs. George Emery of Detroit and Mr. and Mrs. Cloyce Meyers of Dearborn.

The Jack Burkmans of Baseline Rd. entertained at a birthday dinner for Jack Saturday night. Included in the guest list were the Harry Wagenschutz, Del Hahn, Walter Cousins, E. A. Chapmans, D. P. Yerkes, Jr., Ted Kampfs, Robert Yerkes, Allan Buckleys, Harold Bloom and Dr. and Mrs. Weir Burkman of Birmingham.

PART OF THE 330-man task force sent to New England last week by the Michigan Bell Telephone Co. to help restore that area's storm-mangled telephone service were these local men. Against a background of hurricane-torn tree limbs, Virgil Wilt, Paul Brumley, both of Ann Arbor, Fred Wick, Northville, and Gordon Moe, Plymouth, are shown at Rockland, Maine. By Champion, of Plymouth, foreman of the group, was not present when the picture was made.

Arthur Carlson was the surprised guest at a birthday party given at his home last week. A chop suey dinner with birthday cake and gifts was enjoyed by the members of the Carlson family. Included were Mr. and Mrs. John Gibson and their two children, John and Peggy; Mr. and Mrs. Gerry Gilmore and son, Robert, Mr. and Mrs. Ed Landau and their children, Barbara and Edward, Mr. and Mrs. William Nuotilla and their daughter, Carol, Art Carlson, Jr., who will enter the armed services next month and Mr. and Mrs. Andrew Carlson.

Mr. and Mrs. J. Westover of Seven Mile Rd. left Wednesday for New Orleans to spend the winter. The Westovers have two daughters living there, Mrs. Arthur Schuit and Mrs. W.A. Hooker. Mrs. Hooker's husband is the mayor of Long Beach, Miss. and they operate a motor court on the Gulf. Many of the horsemen from Northville Downs are wintering in New Orleans where a 40-day meet will soon open.

Mrs. Donald P. Yerkes entertained eight guests at a luncheon at Meadowbrook Country Club Friday. Included were Mrs. Del Hahn, Mrs. Harold Bloom, Mrs. Leonard Howard, Mrs. James Little, Mrs. Gerald Harrison, Mrs. Harry Wagenschutz and Mrs. Claude Crusoe.

Mrs. Charles A. Smith of Nine Mile Rd. returned last week from Yakima, Wash., where she attended the wedding of her granddaughter, Gwen Walker. Another granddaughter, Judy Collard, of Paint Post, N.Y. came back with Mrs. Smith through Yellowstone National park.

Mr. and Mrs. Ronney Jennings have moved to an apartment in Lansing where Ronney will attend Michigan State college. Mrs. Jennings, formerly Dolores Bell, has accepted a position in the office of Oldsmobile.

What's Different About The Baptist Church?

The Baptist Church has a scriptural financial policy. Several years ago the Baptist Church decided to abandon the usual methods of raising money and started practicing the scriptural method of bringing their tithes and offerings into the storehouse through the regular collections. Since that time we have not engaged in serving meals, we do not have rummage sales or baked goods sales. We do not solicit funds from the businessmen and members of the community to help finance our church program. And yet, every need for salaries, general expenses and building improvements have been met and the church is free from indebtedness and has money in the bank! Members are not required to pledge stated amounts, neither are they solicited for funds. All offerings are by voluntary contribution. The Baptist found out a long time ago that if the Gospel is preached and we look after God's business then God will look after our business. Last year the Baptist congregation gave \$13,717.32 in voluntary tithes and offerings. No lengthy appeals for money are made from the pulpit and usually less than thirty seconds is spent in announcing the offering. Two or three times a year the Pastor brings a message from the Bible on the subject of giving so that the people may be taught in this grace as well. Salvation—not finance—is the theme of the preaching. If you agree with this financial policy, then I'm sure you'll accept this invitation to attend the services at the..
