Exchange Club Moves To Carry On Crusade Over Racial Issue

The battle over dictatorial methods and racial exclusion within the National Exchange clubs raged anew here Wednesday noon as members of the Northville club sought an interpretation of a letter from national headquarters which carried a threat of expulsion.

The threat did not deter the club from voting to carry on a crusade among other Michigan clubs, in an effort to gain support and force an amendment to the national constitution. Such a crusade is in violation of that constitution, and may lead to drastic action on the part of the National Board of Control, a spokesman said.

Active hostilities began last week when Atty. Clifton D. Hill, a past president of the club, introduced a resolution to surrender the club's charter. Basis for the resolution was the action of the National Board of Control in expelling a California club which refused to exclude a Chinese doctor from membership, and the threat of similar expulsion of the Northville club for its attempts to have the restriction "white male" removed from the constitution.

Despite exhortations by Ralph G. Adams, club service director from national headquarters in Toledo, and other Exchange officials, club members stuck to their announced opposition to exclusion of citizens not of the white race as a way of "democracy". They did, however, vote to exclude the press, as well as others not members of the Northville club.

Although considerable oil had been poured on the troubled waters in the interval between the two meetings, the battle erupted anew after Hill introduced a motion to withdraw his original resolution in the interest of peace and tranquility.

Sidney Frid, who had been allied with Hill in the movement against continuing the traditional segregation restriction, objected on the ground that the club should first hear what Adams, as a representative of the national headquarters, had to say on the matter.

Misinterpreted?

Adams, attempting to smooth the ruffled feelings of the Exchangeites, said he felt that the letter from national headquarters had been misinterpreted. He pointed out that an effort to change the constitution must be made in orderly fashion, and said that national headquarters would not refuse a hearing on any issue.

A. Russell Clarke, however, declared that the letter gave the club no alternative but to accept expulsion if it did not go along with national policies. Pres. Joseph Zrenchik complimented Adams for his defense of the National Board of Control, but insisted that according to the letter, the national headquarters considered the matter a dead issue.

Said Frid: "They can't be such fine gentlemen as you say they are. They must be crazy to write a letter like that!"

Not Democratic

On a question from Elroy Ellison, Adams repeated a statement made at a previous visit that the Exchange club is not a "democratic" organization. There is a difference between "democratic" and "selective", he said, and like many other clubs, members are selected, and do not obtain membership upon application.

Ronald Muir, member of the state board and of the Northwest Exchange club of Detroit, said that Northville's action last week had made many Detroiters "sick". "They were saying," he declared, "what is Northville trying to force down our throats?"

Former state president William Watson, of Ferndale, appealed for unity, and said "We do not need the press, or anybody else, to listen in on our affairs." He approved the principle of taking Exchange issues to other clubs, which remark gained applause although Adams insisted that the constitution denied that right for the purpose of disrupting Ex-

Village, Burkman Still at Odds on New Subdivision

Necessity for providing a right of way for a future road and other obstacles apparently have doomed the subdivision planned by Jack Burkman, Northville builder, on the old Cousins property at the west end of Dubuar St.

For the second time, the Village commission has raised objections to the proposal, and both the builder and R. P. Beneicke, Detroit architectural engineer, said at a committee meeting Tuesday evening that the restrictions probably could not be complied with.

Commissioners Earl Reed, and John Stubenvoll pointed out that the county would require a 30 foot strip along the west line of the six-acre site for a future roadway. Another objection was that the proposed winding road through the property was too long—900 feet—for a dead end street.

No provision for an exit, and the narrow entrance to the property from Dubuar St. also were cited as objections. The entrance, approximately 27 feet wide, is bounded by property which the owners decline to sell.

Although convinced that the cost of meeting the requirements would be too great, Burkman said he still hopes to come up with a plan that will be acceptable.

Novi, Brighton To Present Cantata

The combined choirs of the First Methodist church of Brighton and the Novi Methodist church will present a Christmas Cantata, "City of the Star" by Roger C. Wilson. It will be presented in Brighton at 11:30 a.m. Dec. 19, and the same day in Novi at 7:30 p.m.

The Cantata is under the direction of Mrs. J. M. McClucas with Celia Sharpe assisting at the organ. Soloists will be Mrs. Russell Button, Mrs. Glen Taylor, Miss Claudette Doan and Judd Green. Celia Sharpe and Mrs. Button will sing a duet. Mrs. George Scott, Mrs. Dan Beirer and Joe Clark will sing as a trio. There will also be a Womens Chorus. The public is cordially invited to attend the cantata.

Adult Recreation Program Is Set

Some of the "older youngsters" in Northville and vicinity will get an opportunity to limber up unused muscles Wednesday evening, Dec. 29, when the Northville Recreation department begins its adult education program.

Women as well as men will be offered a chance to slim down waistlines during an evening of relaxation from 8 to 10 p.m. at the Community Center. There will be no charge, and Director Stanley Johnston extends a cordial invitation to any adult who feels in need of recreation.

Some of the activities available are as follows: badminton, shuffleboard, volleyball, table tennis and basketball. Those who plan on taking part in any activities other than shuffleboard should wear tennis or gym shoes.

CHRISTMAS comes but once a year, and these two youngsters pictured in a Northville store are making sure they know just what to ask for in their letters to Santa. Above, Frank, 4, son of Mr. and Mrs. Charles Konopaski, 317 Yerkes, looks over a Prince

Former Northville Resident Is Dead

Funeral services for Philip H. Bryan, 61, a former resident of Northville, were held Tuesday at the Van Valkenburg chapel in Redford with burial in Glen Eden cemetery. Mr. Bryan died Dec. 11 at his home on Outer Drive in Rosedale Park after a long illness.

The deceased was born in Charlotte, Mich., but spent his boyhood years in Alpena where his father published the Alpena Evening News. The family moved to Northville in 1911. After a year at the University of Michigan, he returned to Northville and in association with his brother, Carl, developed a fluorishing spring water business in Northville and Detroit. This business was carried on until the outbreak of World War I when he enlisted in the U.S. Navy for the duration.

From 1919 to 1931, Bryan was employed by the Ford Motor Co. in a managerial capacity at Louisville, Cleveland and Detroit. In the early thirties he left Ford to enter business for himself, pioneering self service laundries in Michigan. He was a 32nd degree Mason.

Besides his wife, Helen, he is survived by a son, Philip K., a daughter, Mrs. Barbara Velasis; his mother, Mrs. Homer K. Bryan; a sister, Mrs. Ruth Windhorst, all of Detroit, and his brother, Carl H., of Northville.

Santa To Appear In Northville Friday

It won't be long now, boys and girls.

That jolly round fellow in a red suit and a white beard soon will make his annual visit to Northville — provided, of course, that there are enough GOOD boys and

girls in this vicinity to make it worth his while.

He's scheduled to make his first appearance on Northville streets at 7:30 Friday evening, according to Carl Johnson of the Retail Merchants Assn.

Of course, the visit tomorrow night is only a preliminary to the real thing. Johnson said he had

Hunters' Ball To Be Revived

The Hunters' Ball, which will be given Saturday night at the Community building, will be a revival of an event which originated over 25 years ago. The King's Daughters, which sponsor the ball, hope to again make it an annual event.

The original Hunters' Ball was given after Christmas and at that time, trucks drove around to Northville homes gathering up Christmas trees. The trees were set up around the dance floor and redecorated. At the first ball, the gentlemen came appropriately costumed in hunting garb but the temperature of the ballroom, adjusted to the comfort of the women, proved to be higher than the hunters could endure so that costume was abandoned the following year for a more comfortable attire.

The ball will be informal and dancing will continue from 8 to 12 with refreshments.

Members of the committee are: chairman, Mrs. Paul Beard; assistants, Mrs. William Cansfield, Mrs. Fred Casterline, Mrs. Charles Carrington, Mrs. E. B. Cavell and Mrs. William Lee Walker, Jr.

Parents Warned On Ice Skating

Parents of children who like to skate are warned to keep their youngsters off the Ford mill pond until the Northville Recreation department has been able to arrange for strict supervision and has taken all possible safety precautions.

Although there have been no accidents thus far this year, Director Stanley Johnston said that intermittent warm weather had made the ice soft in spots, and some parents had expressed concern over the safety of children skating there.

He said the pond is a "natural" for fine skating, and when the proper supervision is announced, all lovers of the sport will be encouraged to participate.

GREETINGS from the President have been received by Mrs. Inez Parker, 43300 Eight Mile Rd. However, these are not the kind with which millions of Americans have been called into military service. The President, through his personal secretary, congratulated Mrs. Parker on her 95th birthday Dec. 12. Mrs. Parker also received congratulations from Gov. G. Mennen Williams, as well as more than 100 cards from friends and relatives in Hawaii, California, Arizona, Florida and other states. —Record Photo

New Long Range Zoning Plan Is Prepared for Northville Township

Recent squabbles over zoning restrictions, and population growth in the township of Northville over the past two years, have resulted in preparation of a far-reaching ordinance which is expected to be put into effect next spring, attorneys for the Township Zoning commission revealed this week.

Two years of intensive study and effort have gone into the proposed new ordinance for the township, exclusive of the Village of Northville.

Officials Deny School Claim for Willowbrook

A claim by Paul LeBost, builder of the new Willowbrook village on Ten Mile Rd., that an option had been taken on property for a new school in the area was denied this week by both school and township officials.

The property designated by LeBost is situated at the northeast corner of Ten Mile and Novi roads and is owned by Art Junod of Northville. Mrs. Mae Atchinson, superintendent of Novi schools, said that she had attended every meeting of the school board since Willowbrook village was begun and that no mention of providing new school facilities in the area had even been mentioned.

No Knowledge of Plan Township Supervisor Frazer Staman also said that he had no knowledge of such a plan.

In his prospectus, LeBost had claimed that Novi not only would take care of school children in the new village, but already had taken an option on the property at Ten Mile and Novi roads, upon which it was planned to build a new school when population growth warranted.

James Erwin, of the East Novi school district, who owns property across from the site, also said that his district has no such plan for a new school to take care of Willowbrook children.

A real estate agent who is handling the property also denied that any action had been taken upon it for school purposes.

A firm of Pontiac engineers has been conducting a survey on water facilities for Willowbrook village. Supervisor Staman said that the firm of Johnson and Anderson had been asked to investigate and report to the township board on the water system being constructed by LeBost. He said at present only one 12" well was being provided and under state health regulations a standby well would be needed.

Minimum Provided

State requirements provide that a minimum of two and a half gallons of water per minute per house must be provided for and all such regulations will have to be complied with, Staman said, before the township will consider taking over the water system.

LeBost already has asked that the township take over the water system in accordance with a statement by health authorities that such a system could be operated more efficiently by a government body.

It is anticipated that the township eventually will take over the system but Staman said that if it did, a special assessment district would be created encompassing the Willowbrook area only and that this would have no bearing on the rest of the township and no taxes would be collected outside the Willowbrook area for water purposes.

Egg Smasher Is Sought By Police

Someone smashed an egg on the front seat of his car last Saturday night and Paul R. Cook of Plymouth doesn't like it a bit.

He complained to the police that the culprit apparently had "done the dirty deed" through sheer maliciousness while his car was parked in the Village parking lot north of Main street.

A public hearing on the proposed new ordinance has been scheduled for Thursday evening, Jan. 6 at 8 p.m. in the Village hall.

Meetings Set

For the benefit of those interested in the new ordinance and its provisions, the Township Zoning commission is holding a series of weekly meetings on Thursday evenings, at 8 p.m. in the Village hall, at which time the tentative text and maps of the new ordinance are available for inspection and study. The first of these meetings was held Dec. 9.

Unprecedented growth in the metropolitan area since the end of the war and the potential growth anticipated for the future has made it clear to Township officials, residents, subdividers and large land owners that an up-to-date zoning ordinance providing for the most modern provisions as to land use and development is an absolute necessity for Northville township, the preservation of its property values, and the welfare of its present and future residents.

Long Range

The proposed new ordinance embodies, the most recent thinking of planning authorities and consultants for long range growth of metropolitan fringe areas. The Zoning commission has availed itself of the services and facilities of the Metropolitan Regional Planning commission and of the firm of Waring & Johnson, Township planning consultants, in the preparation of the basic plan of the Township and the drafting of the text of the proposed ordinance and its maps.

So as to aid subdividers and large land owners who desire to plan for future land use, the basic plan makes certain suggestions in relation to roads, drainage areas and other important public welfare considerations in view of topography and anticipated uses. Consultations with school authorities have been held so that future school development and needs can be anticipated and indicated on the basic plan. Provisions have been made for land use of areas now devoted to gravel excavations when the gravel supply has been exhausted.

Eight Zones Provided

Eight district zones are provided in the new ordinance; namely, country estates, one family residential, small farms, two family residential, agricultural, public use, general commercial and light industrial districts.

Several major improvements and modern provisions are contained in the new ordinance, such as provisions for offstreet parking, green belt planting to screen industrial and certain commercial

School District Audit Completed

An examination of the accounts and records of the Northville School district has been completed by a Detroit accounting firm, and were found to be in order as of the close of the school fiscal year, June 30, Supt. Russell Ammerman said this week.

Total bonded indebtedness of the district is listed as \$403,500, including a \$300,000 bond issue authorized in 1954, \$90,000 from 1949, and \$13,500 from 1936. The \$300,000 is for the new elementary school on N. Center which is now nearing completion.

Total receipts for the year are listed as \$421,861.75, and disbursements as \$391,975.45, leaving a balance of \$29,886.30.

Northville Student Nurse Finds Hospital Work Both Interesting and Satisfying

Even though student nurse Sylvia Hollis will have only a brief part of the Christmas season at her Northville home, she looks forward contentedly to her holiday week schedule at the Grace Hospital School of Nursing in Detroit.

"I love my studies and the correlated work in the hospital," says the pretty, dark-haired daughter of Mrs. Margaret Hollis of 410 Beal St., Northville. "I always had nursing in mind, right from early childhood. Keeping to schedule at holiday time is all right. You see, I get home frequently on my free days for visits with the family."

Besides Mrs. Hollis, the family includes Sylvia's brother, Max, and sister, Gloria.

Incidentally, it's because the student nurses' four weeks of vacation are allocated throughout the year that regular schedules are maintained at holiday time.

Parties Planned

Merry Christmas parties are on the agenda, however. These take place at the Helen Handy Newberry Nurses residence, where the students live during their three-year study program.

Sylvia is on the entertainment committee making plans for the party her class will have next Monday evening, Dec. 20. A Dec. 21 fete will be a Christmas tea for all Grace hospital nursing personnel including the students.

Big event of the current week is the Christmas dance on Friday evening, Dec. 17, for all the Grace nursing students and their dates. They'll dance from 9 o'clock to midnight to the music of an orchestra in a setting of pine, cedar and holly spiked with huge red satin bows.

Sylvia will be among the Glee club carolers in the hospital on Thursday evening, Dec. 16, from 7 to 8 p.m., then all will rush back to Newberry residence for a tree-trimming party. On the 14th was a Yuletide party feting the alumnae.

After a year of study at the University of Michigan, Sylvia Hollis decided upon the nursing field. She had worked as an aide at Sessions hospital and the Northville State hospital before entering the Grace Hospital School of Nursing in February, 1954.

She has a feeling for psychiatric nursing, she says. At present, however, she is enjoying her medical and surgical course and the lectures by the doctors. Eventually she may decide to get a degree in science, she said.

Not All Work

It isn't all work, though. Asked her favorite recreational interest, she admitted she loved dancing most.

She bowls with other student nurses at the Art Center Recreation Center, the Grace teams being accompanied by Mrs. Helen Ashburn, of Northville, who is social director at the nursing school. Sylvia's favorite spectator sport is basketball, with football a second.

Biggest thrill of her study career was receiving her cap in July.

"When you get your first cap after the six-months basic study, you feel you're really a student nurse," she said. In February, Sylvia's cap will have a narrow black ribbon band added, another mark of advancement.

On her visits home, ten-year-old sister Gloria asks avidly about the school and hospital. For at this point, Gloria too has her sights set on being a nurse, according to her student sister.

ABOUT THIS TITLE

Why is this column titled Let's Reason? I have been asked that question. Here is the answer.

Thirty years of journalism, writing features, editorials, observing people from the Arctic shores to near Cape Horn, and from Honolulu to Switzerland, crystallized the following observations:

1—Probably a majority of people are motivated more by vagrant ideas and emotion than by reason. They are not trained to reason, or have become mentally inert, or unwilling to accept the verdict of their own reason—which is unreasonable conduct. They want to do and have what pleases them. That's that.

2—Many people are swept easily into the currents of custom without inquiring whether the custom is wholesome or necessary. They insist on being "in style," even if it hurts. For example, time was when a woman was not a "lady" if she didn't have her waist cinched so tight it not only

hurt but the cinch actually damaged her liver and lights.

3—Many people are controlled more by traditions than by facts and logic though simple logical analysis would blow enslaving traditions sky-high, as the fashion of waspish waists and bustles was finally demolished by reason.

4—Many people are afraid of criticism by others. Fear often causes sheepish surrender of individuality and induces physical and mental ills.

5—The person who refuses to analyze himself and fails to analyze others, but with kindly intent, is a bubble blown by gentle zephyrs and hellish gales, and is bound for NOWHERE.

6—Good citizenship and democracy are the progeny and everlasting wards of Reason subjecting all problems of self and

the nation to sharp, unselfish analysis.

Why do you hold certain beliefs? Why do what you are doing? Why want this and that? Why play blindman's buff with Life? So—

LET'S REASON!

Mrs. Ruth Bennett

Detroit housewife says, "We can't afford to be without Blue Cross-Blue Shield!"

"Two years ago my husband and I had a terrible automobile accident in Pennsylvania," says Mrs. Bennett. "I went to the hospital with two broken legs and a fractured hip. Lucky for us we had the Blue Cross Comprehensive Contract and Blue Shield. My Blue Cross Comprehensive Contract covered my whole hospital bill for 120 days—and, a year later, paid another big bill for 103 days resulting from the same accident! Blue Shield paid a big part of my doctor bill, too. Just that one accident would have cost us \$3,700 if we hadn't had the Blue Cross Comprehensive Contract and Blue Shield!"

With 1 in 3 families facing hospital bills within a year, can you afford to be without protection like this? Over 3 million Michigan people have Blue Cross - Blue Shield. Probably some of your close friends have it. Ask them if they don't agree: there's no finer protection against hospital and doctor bills at any price!

It's easy to find out how you can enjoy low-cost Blue Cross - Blue Shield group enrollment. A company with as few as 5 employees may qualify as a group. Call or write: Blue Cross - Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

STUPIDITY PERSONIFIED

Sen. Joseph McCarthy's attack on President Eisenhower, in which he virtually accused the President of protecting Communists, was every bit as stupid as it was ill-timed.

Just out of one scrape, the senate having voted overwhelmingly to condemn certain of his acts, it should have dawned upon even a moron that the better part of valor would have been to keep his mouth shut.

Instead, "Hot Water" Joe immediately launched another blast of invective and vituperation, this one aimed at one of the most popular and respected men of our day.

The result, inevitably, was to lose for McCarthy many friends and others who up till then had been on his side partially at least.

It is one thing to support an embattled public servant whose primary aim has been to defeat those whose creed is the overthrow of all that is American; quite another to continue that support when he blatantly and senselessly attempts to besmirch one to whom all Americans look for inspiration and guidance.

Many who stood by McCarthy during his battles with the army and the senate investigating committee which recommended his censure, will now desert him. The feeling is growing that the junior senator from Wisconsin, however lofty his motives may have been in the past, is no longer the kind of leader Americans want.

To charge that McCarthy is un-American would be absurd. But someone should tell him there is much merit in the hoary axiom: "He who keeps his mouth shut gets into far less trouble than he who keeps it open."

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Allemen

REPUBLICAN LEGISLATORS will look twice before asking taxpayers to foot the bill for a gigantic expansion of Michigan's colleges.

At the same time they feel strong pressure to make the overcrowded system of higher education fit the enrollment boom which educators claim will double the campus population by 1970.

"We just can't do it all in one day and come up with the result the people of Michigan deserve," said Rep. Rollo G. Conlin (R-Tipton).

As a stopgap, Conlin's interim study committee plans to ask the 1955 legislature to expand four teachers colleges to full-fledged liberal arts colleges.

All offer four year courses now and the major change would be padding out the curricula, offering a greater area of education.

Conlin said the expansion idea was drafted to hit Michigan State Normal College at Ypsilanti, Western Michigan College of Education at Kalamazoo, Central Michigan College of Education at

Mt. Pleasant and Michigan College of Education at Marquette.

The committee figures that Ferris Institute at Big Rapids, just taken over as a state institution two years ago, could be expanded to take care of any special educational need.

At present, Ferris is one of the

PATRONAGE PIE, SMALL AS IT IS, is being portioned out by Democratic victors who turned out four Republican key officials in the last election.

Actually there are relatively few jobs the winners can claim. Each is entitled to a deputy and a secretary. Most other positions under civil service.

Major exception is the situation in the secretary of state's office: 411 branch offices where auto licenses are sold. James A. Hare, new secretary of state, is destined to appoint all of these.

This arrangement has served as a tidy little political organization for many years. Republicans are now working towards putting the set-up under civil service, which would take licensing out of politics.

They will receive cooperation from civil service. "I've been thinking of proposing this for

some time," said Arthur J. Rasch, state civil service director.

Democratic victors were besieged with job seekers as soon as election results were known. They were reported to have found it necessary to "hide out." Hare told about applicants who waited outside his home until 3 o'clock in the morning.

First appointment went to Sidney H. Woolner, who ran the campaign which returned Gov. Williams for his fourth term and swept a Democratic State Administrative Board into office.

Woolner held a series of public and private jobs before his appointment as deputy secretary of state by his new boss, James A. Hare. Woolner's new post pays \$10,500 a year.

Other jobs as deputies range from \$12,000 in the attorney general's office to \$8,450 in the auditor general's office.

MICHIGAN HAS NAMED a 22-

member citizens committee on education to attend the 1955 White House Conference. Members will take with them ideas on how to meet the need for more schools and more teachers.

The committee, financed by \$27,630 in Federal Funds, was appointed by Dr. Claire L. Taylor, superintendent of public instruction.

GOV. WILLIAMS' vendetta against Highway Commissioner Charles M. Ziegler ran into a stone wall: a state law.

After Williams' victory, he blasted at Ziegler, one of two remaining Republicans in elective state office, for failing to ask for bids before letting contracts on two small road projects. He did not pursue the battle at the time because the projects were already under way, but they let Ziegler know that it mustn't happen again.

Atty. Gen. Frank G. Millard, a Republican swept out of office by the Democratic landslide, then came up with a statute that Williams had overlooked.

"There's nothing to require that the highway commissioner ask for bids," he said.

That was the first round. Winner was Ziegler with help from Millard. There will be many more before either Williams or the highway commissioner leaves office.

FARMERS AND RESORT OWNERS have Michigan State College working for them, trying to figure how best to get traffic over the roads.

At the request of the American Land-Grant College Association, Michigan State made a survey on "What a College Can Do to Help Solve the Traffic Problem." Upshot of the survey was a recommendation that each state have a central traffic survey center. College officials already are approaching prospective donors to help finance the projects.

That way, they figure taxpayers will be spared expense and will get a true picture of highway needs before being asked to sink their money into roads.

CHRISTIAN SCIENCE CHURCHES

"Is the Universe, Including Man, Evolved by Atomic Force?" is the subject of the Lesson-Sermon to be read at Christian Science services Sunday.

Man's God-given dominion over materialism, including the so-called laws of chance and misfortune, is brought out in the readings from the Bible, among which is the account of Paul's restoration of Eutychus, the young man who "fell down from the third loft, and was taken up dead" (Acts 20).

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (424:5): "Accidents are unknown to God, or immortal Mind, and we must leave the mortal basis of belief and unite with the one Mind, in order to change the notion of chance to the proper sense of God's unerring direction and thus bring out harmony."

Greens Market Opens Friday at Community Bldg.

Mrs. Clifton D. Hill and Mrs. Howard Meyer will be "Pick Pocket Marys" at the Greens Market of the Northville branch of the National Farm and Garden Ass'n., Michigan division, to be held in the Community building Friday, Dec. 17.

Their green gauze skirts will be covered with pockets from which shoppers may select gay little corsages to wear for the holidays, or to tie on to those special Christmas packages.

The Market this year, chairmaned by Mrs. Fred Collins, co-chairman Mrs. D. Hurd Clark, will take on a festive atmosphere where wreaths, centerpieces, cones, loose greens and roping will be for sale and punch will be served.

The Greens Market benefits the Village as a whole since it is the Garden club which sponsored the landscaping of the Community building.

The Garden club also contributes to a scholarship for a student at Michigan State college, and proceeds from the sale of Christmas decorations will go into this fund.

TV Show To Feature Black's Whitehouse

Black's Whitehouse, well known Northville caterers, will be featured on the Myrtle Labbitt "Family, Food and Fun" show on CKLW-TV at 2:30 Thursday on Channel 9.

Mrs. Labbitt attended several functions in Northville for which Black's had catered, and among them was the 25th anniversary party of the Samuel Geraci, a wedding and a party celebrating Mrs. Labbitt's 18th year on radio. She was favorably impressed with the food and the attractive way in which it was served and called for their services when her own daughter was married.

The Blacks will show a "Holiday Tea Table" on the show Thursday, showing tea sandwiches and little cakes which can be made by housewives.

Mrs. Labbitt has been on radio for 19 years and on her present informal show since September. Her daughter, Doris, who is Mrs. Jack Junod, works with her on the TV show. She is a home economics graduate of Wayne university and the mother of three little girls and a six months old son.

The Labbitts, having resided in Northville a number of years ago, have always had a personal interest in the Village and the program Thursday promises to have considerable mention of Northville and its history.

Of Interest To Women - - -

"PICKPOCKET MARYS" are these two comely Northville women. However, the police are not looking for them. The name comes from the many-pocketed skirts they are wearing; the pockets being filled with gay little corsages to be selected by shoppers at the Greens Market of the Northville Branch, National Farm and Garden Assn., to be held in the Community Building Friday. At left is Mrs. Clifton D. Hill, holding a Christmas decoration of evergreen boughs, topped with white candles. Mrs. Howard Meyer, right, holds a silver-net something or other also featuring a white candle. —Record Photos by GRJ

Mrs. Howard Hostess To Garden Club

Mrs. Leonard Howard of W. Eight Mile Rd. was hostess Monday to the Northville branch of the National Farm and Garden club for the annual Christmas party. The 43 members present exchanged gifts and enjoyed a Christmas program, which included music and a play presented by the 23 members of Mrs. Elmer Wilson's Brownie troop. Mrs. Richard Kay is co-sponsor of the troop.

Co-hostesses were Mrs. L. Heat-on, Mrs. Sparling, Mrs. Whipple, Mrs. Geraci and Mrs. Scott.

Woman's Club Tea Will Honor New Members

A gala Christmas tea will honor new members and guests when the Woman's club of Northville meets at the library tomorrow. The annual tea, held in the main reading room before a blazing fireplace, will be served by Mrs. Karl Karg and her committee. Christmas greens donated by the Garden club, and candles will center a bountiful tea table at which Mrs. C. C. Yerkes and Mrs. W. H. Cansfield will preside. The interesting program which

has been planned for the day will be highlighted by the soprano singing of Mrs. Estelle Andrews, voice teacher from the Art and Music Institute of Detroit. She will sing Schubert's "Ave Maria" and three spirituals: "Behold That Star", "New Christmas Morning"

and "Sweet Little Jesus Boy" accompanied by Mrs. Ivan Hodgson. William G. Williams will also present the Presbyterian Bell Ringing choir in a program of three carols, introduced by a narrative reading by Mrs. Donald Sober.

MORE THAN 40 TO 1

TRUCKS serve you night and day — bringing you everything you eat, wear, or use — but that's not all!

Trucks pay as they serve — and pay handsomely — for a large portion of the money that goes to build Michigan's roads, schools, and hospitals comes out of the registration fees, gasoline taxes and property taxes paid by the owners of the trucks that serve Michigan.

It takes the road taxes paid by more than 40 automobiles to equal those paid by just one large truck-trailer! Dollar-wise, the comparison is around \$45.00 for the average passenger car against nearly \$2000 for the average large truck-trailer.

No wonder they say trucks pay their way — and more!

YOUR CORRESPONDENT — MISS L. A. AULT

Neighborhood Sunshine Sisters held an enjoyable meeting at the home of Mrs. Walter Rehahn on Mayfield Ave. last Wednesday afternoon. About a dozen were present. The Christmas story, according to the gospel of Luke was read by Mrs. V. C. Reddy and Mrs. Cecil Willet. A poem was read by Mrs. Charles A. Armstrong. It was reported that Mrs. Ervin Bohlinger, for whom the group had sponsored a birthday card shower, had received 76 cards. Plans were completed for the Sunshine Sisters' Christmas activities. Refreshments were ice cream and cake.

The Christmas meeting of the Sunshine Sisters will be held in the Neighborhood church Wednesday, Dec. 22 at 2 p.m. There will be the annual grab-bag exchange of gifts. For the grab-bag each woman should bring a small, inexpensive gift, preferably homemade. Also, each is asked to bring a second gift, suitable for an old lady in one of the hospitals. Tea aprons, handkerchiefs, homemade candy and cookies are suggested as suitable gifts for these elderly women.

Relatives and friends gathered at the home of Lyman Mayhew, Merriman Rd., Dec. 4, and gave a 21st birthday celebration to Richard Varhol, son of Mr. and Mrs. John Varhol, Shadyside Ave. A large group were in attendance. Various stunts and games provided entertainment. An appetizing lunch was served. Mr. Varhol received many handsome gifts.

A brush party at the home of Mrs. Walter Rehahn, Mayfield Ave., Friday evening, proved a pleasant get-together for a group of neighbors.

Mr. and Mrs. Howard Middlewood of Farmington Rd. visited the latter's sister, Mrs. Ada Bohlinger in East Lansing Dec. 5.

Mrs. Harold Wulf, Brentwood Ave., is a patient in Mt. Carmel hospital, Detroit.

Louis Graham of Mayfield Ave. is recuperating from painful bruises recently received when his car was rammed into and badly damaged by another car.

James Michael, young son of Mr. and Mrs. Stanley Morgan, Mayfield Ave., was ill all of last week.

The two-year-old son of Mr. and Mrs. William Richardson of Mayfield Ave., fell while playing about his home Dec. 7 and received a bad gash in his head.

Edward Brugman and daughter, Marylyn, of Novi, visited at the home of Mrs. Grace Simpson, Mayfield Ave., Thursday.

Freda Ault, Norfolk Ave., called on Mrs. Charles Haas in Redford Wednesday morning.

Mrs. Richard Stevens, Hubbard Ave., has been reported ill.

Mrs. Louvornia Wagner of Detroit was again visiting old neighbors on Shadyside Ave. Dec. 5.

Mrs. Wallace Seger of Farmington was a Monday evening guest of Mrs. V. C. Reddy of Shadyside Ave.

Trucks from the Goodwill Industries, Detroit, made collection in this area Dec. 6. Response was fair, considering the recent "Do

A Good Turn Day" conducted by Boy Scouts.

Mr. and Mrs. John Aittama of Shadyside Ave. were recent guests of Mr. and Mrs. Rudy Aittama in Detroit.

The Kenneth Skows of Mayfield Ave. were guests at a dinner party given by Mrs. Skow's mother, Mrs. Adolph Konoffa in

Detroit. Robbie Imonen, who has been convalescing from surgery made necessary by an attack of polio last year, was able to return to school last week.

Miss Patty Brunelle of Detroit spent a recent evening at the Skow home on Mayfield Ave. Illness of a granddaughter, Su-

Army Pvt. Robert C. Evans, son of Mrs. Virginia E. Evans, of Angling Rd., Livonia, is a clarinetist in the VII Corps "Jayhawk" band in Germany. The band recently played during ceremonies for visiting French Generals Marcel La Jouanle, commandant of the French I Corps, and Raymond Pedron, commandant of the 4th French Infantry division. Gathered by Karen Bayless

Troop 8—
We had a supper and teen talk at Mrs. Lawrence's this week with Mrs. Witwer as a guest. We wrapped gifts for the three letters we have taken for the Maybury Sanatorium. We plan to go Christmas caroling closer to Christmas. Wednesday was our last meeting until 1955.

Scribe, Karen Bayless

Troop 11—

We decided to bring gifts for our Christmas party Dec. 15. The party will last about one and one-half hours. We will have refreshments consisting of pop, ice cream and cake or cookies that Jane Platterly and Carol Crupi will bring. At our last meeting we decided not to make a Christmas gift due to the lack of time. The rest of the evening we decided to play games.

Scribe, Betty Stremlich

Troop 12—

Wednesday, Dec. 1 and Dec. 8, we worked on our mother's Christmas gifts. We talked about our Christmas party and enjoyed treats given by the mothers.

Scribe, Sandra Philips

Troop 14—

We had our dues and then we started weaving baskets. We had cookies as a nibble box. We made favors, for candy or nuts, for the sanatorium.

Scribe, Sylvia Hollis

Troop 21—

Every month our troop does a service project for someone. In November we made things for the State mental hospital. Veterans at the East Lawn Sanatorium received tray favors for Christmas. A pot-luck supper at our leader's home, Mrs. Willings, is planned for Christmas. We will have no further meetings until January.

We have appointed no scribe as of yet. Mrs. Willing.

OBITUARY

G. CARMIE BENTON

G. Carmie Benton died Dec. 8 after a long, lingering illness at Atchison Memorial hospital. He was born 82 years ago in Waterford, Northville township, the son of Gideon P. and Margaret Noe Benton.

Funeral services were held at the Phillips-Bahnmler Funeral home on Saturday, Dec. 11 at 2:30 with the Rev. Dr. Harold F. Fredsell officiating. Burial was at Rural Hill cemetery, Northville.

Besides his wife, Lillie, he is survived by three sons: Howard of Los Angeles, Calif.; Thomas of Sonora, Calif.; and Seth of Northville, and one daughter, Mrs. H. P. Paul of Pigeon, Mich.

Benton was a member of Northville Lodge No. 186, F & A M and for the past 20 years was a director of the Depositors State bank.

Mr. Thomas DiGaetano

Detroit butcher says, "My family would be hard-pressed if we didn't have Blue Cross-Blue Shield!"

"It's when you need Blue Cross-Blue Shield that you find out what wonderful protection it really is," says Mr. DiGaetano. "We needed it this summer. My wife was taken to the hospital unexpectedly . . . she was there for 83 days. It cost almost \$2,200 just for the hospital part, and our Blue Cross Comprehensive Contract covered every bit of it. Blue Shield paid \$277 to our doctor. My family would be hard-pressed if it weren't for Blue Cross-Blue Shield."

Will your family be the one in three that will have a hospital bill within a year? If so, how would you pay it? Wouldn't you be a lot better off with the kind of protection that saved over \$2,450 for Mr. DiGaetano's family? That kind is the Blue Cross Comprehensive Contract and Blue Shield!

It's easy to find out how you can enjoy Blue Cross-Blue Shield group protection for hospital and doctor bills. A company with as few as 5 employees may qualify as a group. Call or write Blue Cross-Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

160 Millions Spent In Michigan By Kroger Company

Detroit — More than \$100,791,000 was spent by the Kroger Co. in Michigan in the past year, C. Olaf Talla, Kroger's Detroit branch manager, said today.

The retail food company spent \$83,585,000 of that total for Michigan products, many of which were shipped to the company's stores in 19 middlewestern and southern states.

Noting his company's large purchases in this state, Talla said, "Michigan is a good source for the merchandise we sell in our stores because of the broad diversification of its agriculture and the scope of its industrial activity. Naturally we do a lot of buying in Michigan, both for our stores in this state and for those in other states."

Kroger's largest agricultural purchases in the state included eggs, milk, beef, cherries, apples and other orchard crops, fruit juices, frozen fruits, navy beans, tomatoes and tomato products, asparagus and other vegetable crops, berries, cheese, butter and poultry.

In addition to merchandise bought by the company, Talla said wages and salaries paid to Kroger's Michigan employees totaled \$14,415,000.

Terrill pointed out that the tax rates for the three school districts are as follows: No. 2 Fractional, \$30.73 per \$1,000; Plymouth \$30.66; and No. 6, \$15.47.
The half-mill tax raised by Oakland county for handicapped children has been spread on the roll in No. 6 school district, a small part of which is within the township.
The deficit of \$10,161.27 resulted because the one mill tax on assessed valuation did not cover care of the poor nor the Middle Rouge drain, Terrill declared.

Social Studies Program Given

The social studies class of the junior high school presented a program for parents and friends at the Community center Tuesday evening. The program followed a pot-luck dinner and was sponsored by Mrs. Violet Bradford and Alvin Skow, members of the junior high school faculty.
The program consisted of a series of skits portraying the early troubles of the Nation and Groucho quiz in which students participated.
Approximately 60 persons attended, including high school Principal Elroy Ellison.

change policies.
Meaker Lauded
Hill lauded Merritt Meaker, who last week led a movement to exclude the press from the club's deliberations, saying: "Mr. Meaker is no bigot, no segregationist. He wants only to keep matters within the club."
Meaker also appealed for unity and an orderly method of settling the controversy, and said again that he thought that outsiders should be excluded.
It was at this point that Hill made a motion that the press and all those who were not members of the club should leave. When the room had been cleared, the members then voted to carry on a crusade among Michigan clubs on the racial issue. At the end of two or three months, if support cannot be gained, the club may then consider whether to remain within the Exchange circle, or withdraw.

(Esie Nirider, reported last week as having voted for expulsion of the press, actually voted against it. The Record is glad to make this correction.)

"PEWMONIA"

"Pewmonia" is a disease found among people who usually are professing Christians are people who attend Church most every Sunday. Usually, however, they attend in the mornings and seldom are found in Church in the evening services and on Prayer Meeting night. There are two kinds of "Pewmonia", one fatal, the other crippling. Those who have the fatal variety are the people who sit in the pews on Sunday (Most any Church will do) who pay little attention to the message and believe that their regular occupation of the Pew will somehow get them to heaven. This variety is so fatal because the only offer God makes of salvation is to those who will humble themselves and receive Christ as their Saviour. (John 1:12). No where in the Bible does God say that He will give eternal life to those who go to church! The second variety of "Pewmonia" which cripples even real Christians is that spoken of in the Book of James (1:22) who hear the Word but do not do anything about the message they hear. The message given by their minister is to them but a lovely oration and never considered to be something for practical experience. Here is hoping you do not have either type of "Pewmonia".
