

The Northville Record

For 84 Years - - Friend, Companion and Kindly Counselor

Volume 84, Number 32

Northville, Michigan, Thursday, January 6, 1955

7c Per Copy, \$2.50 Per Year In Advance

for the Record

by G. H. C.

Did you receive your annual "greeting" from Uncle Sam this week? You'll get it in a day or two if it hasn't arrived already. More than 63 million income tax forms have been put in the mail by the Internal Revenue Service. They are out a month later than last year because they had to be revised to include changes in the 1954 tax law. This gives you a month longer to file your final return for 1954, which is due April 15. The deadline in previous years has been Mar. 15.

Commissioner John F. Stubenvoll told the Village Commission Monday evening that it will receive the long-delayed survey of water rates charged by the village at its next meeting. The survey was ordered by the commission more than a year ago to determine if local rates are equitable between large users and home owners, and if they are high enough to provide an adequate margin of profit to cover depreciation and repairs to the water system.

The National Retail Grocers Association, which is a BUYER of advertising reports that of every 100 new customers put on the books of any store, 15 have been lost by the end of the first year, 28 at the end of the second year, 39 at the end of the third year, 49 at the end of the fourth year, and 56 at the end of the fifth year. Only 19 of the original 100 remain at the end of the tenth year.

Perhaps we are prejudiced by self interest, but the figures appeal to us as a strong argument for consistent good advertising as one of the best means of attracting new customers. Check for yourself which Northville stores appear to be doing the best business. You'll find that almost without exception they are regular advertisers in the Record. They have learned from experience that if they call attention to the good values they offer, and give friendly service to their customers, they can build sound businesses. It will always pay you to check the Record's advertisements before doing your week-end shopping.

Double parking by delivery trucks in the downtown shopping area is a perennial headache for the village commission, to say nothing about the inconvenience and danger to shoppers. Commissioner Ed. Welch broached the subject at the last commission meeting, thereby provoking considerable heated discussion about what course the village should pursue in ticketing offending drivers. It was pointed out that except for Gussells, the E.M.B. Market and the Northville Record, all business along Main St. can be serviced from the alleys if alley parking regulations are enforced. The commission instructed Police Chief Joe Denton to try first to get the cooperation of truck drivers in unloading at the rear of stores, but if this proves unsuccessful, to issue traffic tickets.

First Aid Class To Start Friday

The Civil Defense first aid class will start Friday in Room 3 at Northville High school, from 7:30 to 9 p.m. Charles Fox of Livonia will be the instructor. Classes will continue for nine weeks with one additional evening for make-up work. The course must be completed in order to receive a first aid certificate. In case of an enemy attack or natural disaster, only trained volunteers are allowed directly on the scene. "When you have trained your family," Mrs. Arthur Carlson, Red Cross branch chairman for Northville, said, "and have prepared your home, you have more than doubled your chances for survival in an atomic attack or a natural disaster. It is advised that one person in every home be trained in first aid."

Volunteers may call Mrs. H. Godfrey, 793-W, or Mrs. Carlson, 402.

Heart Attack Fatal To W. C. Brady

Wayne C. Brady, 53, died suddenly at his home at 605 Grace St. Jan. 3 of a heart attack. He was born in Middleville, Mich. Sept. 4, 1901, the son of Clarence and Nellie Brady. He had lived in Northville the last 14 years and was employed by the Zayti Trucking Co.

Surviving are two daughters: Mrs. Donald Hayes, Livonia, and Mrs. Harold Hinckley of Grandville; a brother, Lyle, of Hastings; and three sisters, Mrs. Carl Marble, Middleville, Mrs. Gertrude Thomas and Mrs. Lydia Sothard, both of Hastings, and Mrs. Florence Cole of Calif. There are three grandchildren.

Rev. Stanley Forkner conducted services at the Casterline Funeral home at 1 o'clock Wednesday. The remains were then taken to the Deeler Funeral home in Middleville, where services will be held Thursday at 2 p.m. Burial will be in Rutland cemetery.

Tomorrow's Citizens

Top row, left to right: Maureen 5, John 3, Steven 2, children of Mr. and Mrs. Frank Pauli. Bottom row, left to right: Michael 3, Martha 8 and Betty Jo 18 months, children of Mr. and Mrs. I. Paul Terry.

FIRST "SOCIAL" EVENT of the New Year was this gathering of Rotarians at the annual New Year's day breakfast held at the home of Dr. and Mrs. Walter Belasco, 790 W. Main. This is the 20th year the breakfast has been held. Seated, left to right, are Rotarians Russell H. Amerman, G. R. Johnston, Walter Belasco and E. M. Bogart. "Ladies in Waiting", ready to serve the traditional pancakes, sausage and coffee are: Mrs. Fred Casterline, Mrs. Belasco, Mrs. Garnard Niece, Mrs. E. M. Bogart, Mrs. M. C. Gussell and Mrs. Douglas Lorenz.

Property Owners Protected Against Gravel Excavation

The Michigan Supreme Court has handed down a decree sustaining the right of the Northville Sand and Gravel Co. to excavate gravel from approximately 30 acres at the southeast corner of W. Seven Mile and Beck roads and a 3-acre tract at the southwest corner of the same roads.

The decree provides, however, that the excavation must be done in a manner that will not destroy property values of the adjacent area, and for restoration of the excavated area to prescribed grades after the gravel is removed.

The action before the Supreme Court was instituted by the gravel company to establish its right to remove the gravel, notwithstanding the present Northville township zoning ordinance which would prohibit the opening of a gravel pit. It based its claim on the fact that it had at one time back in the 1930s taken gravel from the disputed area, and therefore was a prior user whose operations could not be affected by the township's subsequent rezoning of the land. The township argued that the gravel operation (Continued on Page 12)

Over 200 Entries Expected for Skate Contest

If last year's record repeats, more than 200 champion contestants and novice skaters will be entered in the skating competition Saturday, Jan. 8 on the Mill pond. The meet is sponsored by the Optimist club and the Northville Recreation department, according to Stanley Johnston, recreation director.

Barbara Marchetti, national and North American indoor and outdoor speed skating champion, will not appear because of a virus infection. Jean Robinson and Don Snyder, both of Michigan, national title holders in their respective classes, will top the list in the championship division.

The competition begins at 1:30. Novice events start after the championship groups have performed. Novice entries will consist of youngsters and adults from the surrounding area. They will compete in their own class unless they desire to enter the championship strata.

Entries may be made at the time of the meeting, Johnston said. It is expected that most of the beginners will be from Northville.

The different classes which may be entered are: senior, 18 years and over, men and women; intermediate, 16 to 17; junior division, 14 to 15; juvenile, 12 to 13; midgets, 0 to 11; toddler, 8 to 9; and cradle, 7 on down.

Bishop Marshall R. Reed

Christian leader, should give promise of a stimulating address, said the Rev. Ivan E. Hodgson, pastor of the local church.

Bishop Reed was born in Onsted, Mich. and has spent his entire ministry in his native state. He was graduated from Albion college, Garrett Biblical Institute, and received a graduate degree from Northwestern university. He also studied at Drew university. He was ordained to the Christian ministry in 1917.

Bishop Reed has been greatly honored by his church as well as by schools of higher learning. After serving pastorates at Gaines, Onaway, Redford, Jef-

(Continued on Page 12)

5 Democrats Seek Township Offices

The Democratic party will have five candidates for Northville township offices at the February election, against 10 running on the Republican ticket.

Dr. E. B. Cavell has filed nominating petitions for the position of supervisor, and will run against incumbent Mollie Lawrence, Republican.

Conrad Springer, Democrat, will compete for the office of township clerk against incumbent Fred W. Lyke, Republican.

Fred E. Van Atta, Democrat, will run for the board of review against Fred A. Fry, Republican incumbent.

Francis P. Gazlay, Democrat, had filed for township treasurer against Roy M. Terrill, Republican incumbent.

Keith E. Simons, Democrat, will run for constable against Republicans Joe Denton and Gill Glas-

The only candidates for other township jobs are Republicans Robyn D. Merriam and Ralph L. Hay, Sr. for trustee and Paul H. Schulz and Edward M. Bogart for justice of the peace.

Criticize Traffic Light At Hutton St.

The danger to pedestrians at the corner of Main and Hutton streets because of the "blank" side of the traffic light at this intersection was again the subject of considerable discussion by the Village Commission Monday evening.

The subject was brought up by Comm. Ed. Welch, who pointed out that pedestrians who try to cross Main St. from the municipal parking lot cannot see whether the traffic light is red or green. Consequently, they must wait for approaching traffic to come to a stop before starting across the street.

Comm. John Stubenvoll pointed out that the side of the light toward the parking lot was left blank so motorists will not drive into Main St.

The commission's final decision was to place "wait" and "walk" faces in the traffic light on a trial basis. Should this prove unsatisfactory it is probable that the Wayne County Road Commission will be asked to install special pedestrian signals at the corner.

Clutch Jerkers Meet

The Clutch Jerkers, a hot rod organization, met at the home of Clifford Shoebridge on Beck Rd. Wednesday. The Clutch Jerkers are grateful to Mrs. Mary Jones for sponsoring the last "Poker Run".

Mrs. Dorothy Stansell of Dearborn entertained the J. E. Strauses of Beck Rd. at dinner Dec. 30.

Yerkes Farm Optioned For Subdividing Into 250-Home Development

'54 Police Calls Totaled 1,304, \$8,807 In Fines

Four zeros appear on the 1954 annual report of Police Chief Joseph E. Denton to the Village commission. In a total of 1,304 police calls answered during the past year, there were no murders, robbery from persons, felonious assaults, or forgery cases. Fines collected amounted to \$8,807.

Traffic violations topped the report, with 1,106 followed by 1,067 summons issued and 114 arrests, to contribute to a busy year for Chief Denton and his staff. Sixty-eight accidents were investigated.

Figures for other classifications in the report to Village President Claude N. Ely and the commission were: grand larceny, 8; uttering and publishing, 20; bicycles stolen, 16; autos stolen, 11; breaking and entering cases, 7; prowler and peeper cases, 25.

Ten Go To DeHoCo

Cases for coroner, 3; to Detroit House of Correction, 10; rabies cases, 2; persons bitten by dogs, 24; windows found open and unsecured, 46; dogs reclaimed and owners fined, 25; teletype messages sent out, 89; civil defense white tests received, 12; missing persons, 24; recovered persons, 24; petty larceny, 29; bicycles recovered, 14; autos recovered, 10; juvenile cases, 10; for lie detector test, 1; vandalism, 11; indecent exposure, 1; and suicides, 2.

To Eloise, 6; to Circuit court, 1; justice court cases, 143; to Pasture Institute, 2; dogs destroyed, 58; doors found unlocked, 73; and drivers' licenses revoked, 7.

In December police handled 75 calls; issued 74 summons; reported 76 traffic violations and made 6 arrests. Vandalism cases totaled 11. There were 5 court cases.

Charles Dayton, Baseline Rd., just returned from a week of skiing at Waters, Mich. He reports the skiing was excellent.

Prospects appear bright for the development of a 250-home subdivision on the Yerkes farm, which adjoins the northeast corner of Northville. If the project materializes, it can mean construction over the next two to three years of homes valued at approximately \$3,500,000 and very sizable addition to the village and school district tax income. It also could mean an additional population of approximately 1,000 persons.

Richard Benecke and Robert Krue, Detroit, appeared before the Village Commission Monday evening to say

Litsenberger Has Inside Track for Auto Plate Sales

The chances that John Litsenberger, 132 Dunlap St., will be in charge of auto license plate distribution in Northville for the office of Secretary of State James M. Hare were regarded as excellent in Democratic and Republican circles Wednesday.

As result of the switch in administrations at Lansing Jan. 1, Litsenberger is said to be slated to succeed Thomas R. Carrington, appointed to the plate sales position by former Secretary of State Fred M. Alger Jr. in 1948.

While no definite date for the transfer from Carrington to Litsenberger has been set, it is pointed out that the change probably will be made as soon as possible, possibly by early next week. Litsenberger has served Northville as both village treasurer and township clerk.

Carrington said the local office has sold approximately 5,500 license plates for the past two years. About 750 of the 1955 plates have been sold so far, he estimated.

New Year Square Dance Party Held

Mr. and Mrs. J. E. Straus of Beck Rd., with several of their friends, formed three sets at a New Year's eve square dance given by Scott Colburn at Fisher school in Redford township. Mr. and Mrs. Charles Houseley of Rosedale Park entertained the dancers at a dinner party at their home later in the evening.

that they have an option on the 60 to 70 acre farm and would like to have it annexed by the village, and included on the tax roll, if they are able to go ahead with their development plans. They are prepared to put in all subdivision streets, water mains and sewers, and otherwise develop the acreage in accordance with the village's long range planning, they said, if the village will bring its water mains and sewers to the edge of the property. This is the custom in other cities under similar circumstances.

Promise To Be "Good Neighbors"

"We are coming to the village commission at this time to lay our plans in the table so every one may know what we propose to do, and how we plan to do it," Benecke said. "We feel that our development program will be a good thing for Northville and we want to be good neighbors from the start. If it is not feasible for our property to be annexed to the village and placed on its tax roll before the vote on becoming a city takes place, it is our wish that it be done as soon as possible after Northville decides whether it will become a city, or remain a village."

Commission members assured Mr. Benecke and Mr. Krue that they are sympathetic to their plan and that, barring unforeseen opposition, the commission feels that it will be willing to co-operate to the extent requested Mayor Claude N. Ely appointed committee composed of Commissioners Stubenvoll, Allen and Welch to meet with Benecke and Krue Thursday evening to analyze their plan in detail and report back to the commission at a special meeting as soon as possible.

Record Announces New Appointments

The Northville Record announces the appointment of Thomas N. Cummings as business manager, and George B. Deery as managing editor, effective Jan. 1.

Cummings, son of the publisher, has been Tacoma representative of Brown & Bigelow for the past four years. He resigned there on Nov. 30 and came to Northville early in December. Since then he has served as advertising manager, succeeding Richard Ambler, who resigned to become associated with the George Clark Hardware after doing an outstanding job for the Record.

Cummings will continue to handle Record advertising, but will take on additional responsibility for enlarging and improving news coverage in the outlying area around Northville, circulation promotion and other duties.

He was graduated from the University of Michigan in 1949. With his wife, Rosanne, and daughter, Wendy, he lives at 37850 Seven Mile Rd.

Deery is a native of Tecumseh, Mich. He has been engaged in newspaper work and public relations in Detroit for nearly 30 years, during part of this period in association with Glenn H. Cummings, publisher of the Record. His editorial experience includes service as Tecumseh and Adrian correspondent of the Free Press, editor of the Michigan Graphic, published by the old First National Bank, Detroit, and writer for the Michigan Investor. He comes to the Record from the First of Michigan Corp., for which he has been handling advertising and public relations. Deery attended the University of Michigan in the middle '20s.

New Presbyterian Minister

Rev. John Otto Taxis

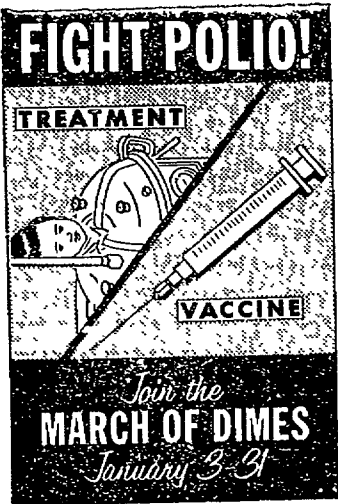

At a congregational meeting held Sunday morning after the morning service, the Rev. John Otto Taxis, Minister of Education at the Bethesda Presbyterian Church of Bethesda, Md., was extended a unanimous call to become the pastor of the First Presbyterian church of Northville, which has been without a pastor since Dr. Fredsell resigned June 30.

They have two daughters, Linda Ann, age 9, and Barbara Carol, two and a half. The family hopes to be in Northville about Feb. 1.

Rev. and Mrs. Taxis spent Sat-

March of Dimes Is Under Way

Canisters and posters for the March of Dimes have been placed in public locations, according to Mrs. Eldon Biery, chairman for Northville. The distribution was made by Charles Carrington. The

only special event planned for the annual drive to aid in the cure and prevention of polio is the Mothers' March to be held later in the month.

Mrs. Biery requests that volunteers for the Mothers' March call her at her home, 317 Dunlap St., phone 217-W.

"We have had six bad years of polio and the Wayne County chapter of the National Foundation for Infantile Paralysis has had to call many times upon the national emergency fund to pay bills for the patients who look to us for help when polio strikes," Charles L. Gehring of the Detroit Tigers, Wayne county campaign director, said.

"During the last six years 4,812 cases have been reported in the county and the Wayne County Chapter has spent \$2,504,327 on patients. This has meant approximately \$1,176 per day every day in the year for the last 71 months."

Village Transfers \$15,000 To Bolster Its Cash Balance

Transfer of \$15,000 from the Northville water fund to the Village's general fund was approved by the Village Commission Monday. This will bolster the Village's Dec. 31st cash balance of \$2,420 and permit it to operate on an "economy basis" until next year's tax receipts become available.

The present tight cash position was foreseen at the start of the year as a result of unusual expenditures in 1954.

FACTS OF HISTORY

Our modern history books would have us believe that many years and generations passed before the human race learned to use copper and iron. They tell us that man passed through what is called the Early Stone Age, the Late Stone Age and then the Copper Stone Age, thence to the Bronze Age somewhere between 2500-1200 B.C. This was followed by the Iron Age at about 1200 B.C. However in 1933 Dr. H. E. Frankfort discovered in the ruins of Asmar, which is located about 100 miles N.E. of Babylon, an iron blade which was made about 2700 B.C. thus pushing back the known use of iron some 1500 years.

The Bible, which incidentally is the only History Book in existence which never had need revision due to the findings of archaeologists, tells us that even while Adam was living his descendants learned the use of copper and iron. They even invented musical instruments. Read it in Genesis 4:22. According to Archaeological notes the people who lived before the flood had such items as painted pottery, flint implements, tools of volcanic glass, copper axes and mirrors, hoes and sickles, fish hooks and model boats, most beautiful vitrified pottery and even cosmetics. Even a chariot has been found with such architectural accomplishments that indicate an advance civilization.

NEWS FROM NOVI

YOUR CORRESPONDENT — MRS. LUTHER RIX
Phone Northville 245-J

Mrs. Esther Munro left this week for Florida. Enroute she visited her sister in Indiana. Mrs. Marie Travis will stay in the Munro home during Mrs. Munro's absence.

Mr. and Mrs. Charles Tricky, Sr. and Mr. and Mrs. Charles Trickey, Jr. and children spent New Year's with their daughter and sister's family, Mr. and Mrs. Duane Bell at Walled Lake.

Mrs. Henrietta Hicks, Detroit, spent New Year's week end with her daughters, Mrs. Erwin F. Gelpert and Mrs. Russell Taylor.

Jeffrey Hicks, Detroit, spent a week's vacation with his cousin, Bobby Taylor.

Earl Banks is home from Mt. Carmel hospital, Detroit. Banks was seriously ill for about two weeks in the hospital where he underwent a major operation. He is improving slowly but satisfactorily.

Mr. and Mrs. Thomas Bennett and son, Detroit, were New Year's guests of their niece and nephew, Mr. and Mrs. John Eby of Twelve Mile Rd.

Church News
Watch Night at the Baptist church was well attended. From 10 to 11 there was a social hour with refreshments, and from 11 to 12, devotionals.

On Jan. 6, the boys and girls of the Bible Heirs group met at the church. Mrs. O'Neil is their leader.

Sunday school teachers and officers of the Novi Baptist church met at the home of Mrs. John Eby on Twelve Mile Rd. Jan. 4.

The Baptist Mission band will have its regular monthly meeting next Jan. 13 at the Baptist parsonage.

Boy Scouts
The Cub Scout pack will meet Jan. 14 at the Community building. Denis Ray will be received into the pack at this meeting. Badges, awards and arrows will be given out and the theme will be "Railroads".

There are three dens in the pack. Mrs. Pat Rice will be den mother of the cubs in Clark subdivision. Mrs. Russell Taylor is den mother for the cubs on Novi Rd. and Mrs. Vincent Hayes, den mother for the cubs on Twelve Mile Rd.

Mr. and Mrs. R. E. Ward are leaving soon for a month's vacation at Miami, Fla. During their

absence, Mr. and Mrs. Doyce Ward will take charge of the store at Beck and Grand River.

Mr. and Mrs. Russell Race, Sr. are planning to leave for Sarasota, Fla. some time this week for the rest of the winter.

Mr. and Mrs. Russell Race, Jr. have moved to Redford.

Janet Race, daughter of Mr. and Mrs. Gerald Race, Dixon Rd., celebrated her 12th birthday Jan. 3 with a party. She entertained 12 girls.

Mr. and Mrs. Elwood Coburn, Dixon Rd., are the parents of a daughter born Dec. 26 at Beyer Memorial hospital in Ypsilanti.

Rebekah Lodge News
The Novi Rebekah lodge Past Noble Grands will install officers at Milford lodge Jan. 5.

Installation of Novi Rebekah lodge officers will be held Jan. 15. They will be installed by the Past Noble Grands.

The next regular meeting of the Novi Rebekahs will be Jan. 13.

The Independent Rebekah club met at the Staman home in Novi Jan. 5.

Girl Scout News
The Novi Senior Girl Scouts visited Cranbrook and the Art Institute in Detroit Dec. 29. They were accompanied by Mrs. Kenneth Bassett, Mrs. Ernie Schultz and Mrs. Vincent Hayes Jan. 6 and 7. The girls were the guests of the Farmington Mariner Scouts at the lodge at Pickerel lake in the Highland Recreation area.

AmVet Auxiliary News
At the last regular meeting of the Perry Kenner AmVet auxiliary the following officers were elected: president, Audrey Ortwine; first vice-president, Laree Bell; second vice-president, Doris Callan; secretary, Irene Wendland; treasurer, Dorothy MacDermid; chaplain, Arlene Rippey; sergeant-at-arms, Lillian Trickey; liaison officer, Shirley Saincome; parliamentarian, Betty Sutton, and PRO, Jeanne Clarke.

Installation will take place on Jan. 4, with Rita Allen, regional director, the installing officer. Hospital Chairman Dorothy MacDermid reported delivering 35 bags of cookies to veterans at Oakland County TB Sanatorium. At this time it was decided to serve the Board of Commerce dinner Jan. 6 with Audrey Ort-

wine and Dorothy MacDermid as co-chairmen.

Mary Louise Taylor reported serving coffee and cake to the Cub Scout Council Dec. 14 in the Community building. Plans were made to attend the district meeting Jan. 10 at 8 p.m. at the home of Mrs. Albert Olson in Pontiac. The state president is expected to be present. Hostesses for the Christmas party were Audrey Ortwine, Shirley Saincome and Betty Sutton.

Board of Commerce
The Novi Board of Commerce will meet in the Community building for its January meeting Jan. 8. The meeting will begin with dinner at seven.

Girl Scout News

Gathered by Karen Bayless

Troop 8—
Our troop went caroling the Tuesday before Christmas. We sang at the Atchison hospital, Sessions hospital and various homes. Everyone then went to Dorothy Welch's home where we had hot cocoa and donuts and were entertained by an unusual comedy recording of "The Football Game" and Romeo and Juliet.

Scribe, Karen Bayless

Troop 10—
The meeting was held this week and called to order by Carol Krezel. Badges we will earn on our wilderness hike this June are: outdoor cook, back yard camper, adventurer, and some girls will finish their camp craft. Elise Wagenschutz brought the nibble box.

Scribe, Corrine Bertoni

Troop 13—
We held our Christmas party at the home of Mrs. Severance. The East Lawn Sanatorium enjoyed the Christmas favors we made for them and thanked us for singing carols there on Dec. 21. We gave our mom's gifts which we had made ourselves.

Scribe, Sharon Johnson

Due to the holiday season no meetings for some troops have been held prior to or during this week.

Events Of The Past In Northville

ONE YEAR AGO—

There was a bumper crop of babies born here in 1953—346. Seventy-four deaths were recorded.

Drillers continued their search for oil on the LeMaster farm this week but no successful results have been reported.

Sgt. Richard Lyon just returned from duty in Germany and is visiting his aunt, Rhea Lyon of Cady St.

Leslie D. Lee and Robert K. Erwin were among the members of the Michigan State college marching band who headed for California and the Rose Bowl game.

Progress was shown in the Community building. It was to be completely roughed in within the next three weeks.

FIVE YEARS AGO—

Mr. and Mrs. Lynn Sullivan won first prize in the Christmas decoration contest.

Mayor C. E. Langfield entertained the Rotary club and guests at the Northville Laboratories Tuesday noon.

The Exchange club contributed approximately \$900 worth of benefits to the community in 1949.

Mrs. Edith R. McKenna, head dietitian at Maybury Sanatorium, was honored at the annual Christmas open house for her 25 years of service.

Mr. and Mrs. David Catton became the parents of a son, David John, born Dec. 26.

TEN YEARS AGO—

Babson saw a 10 percent business drop in 1945, due to war production cutbacks.

Fire destroyed the DeKay school on W. Seven Mile Rd. Insurance covered \$1800 of the loss. Rev. Harold Fredsell sent seasons greetings from Skagway, Alaska.

Kathryn Marburger and Pfc. Robert Dienhart were married in Our Lady of Victory church.

Mr. and Mrs. Neil Hannaford spent Christmas holidays at their cottage in Sault Ste. Marie, Ont.

TWENTY YEARS AGO—

Northville experienced severe cold and high winds this week. The mercury hit an official low of five below zero.

Delphia Hill was home from Vassar college and Jane Hill from Kingswood college, to spend the

holidays with their parents, Mr. and Mrs. Sherwin Hill of E. Eight Mile Rd.

Some 30 persons attended the sleighride party at the Leo J. Davis home given in honor of the birthday of Mrs. Wilbur M. Brucker, wife of former Governor Brucker. Gov. Brucker, Judge Homer Ferguson and Mrs. Ferguson were also guests.

The following students at Michigan State college were home for the holidays: Arline Richardson, Martha Keeney, Ward Van Atta, Herbert Berend, Nelson Schrader, Jr., Elmer Perrin and Charles Meinsinger.

Chester Shoebridge had an emergency appendectomy at Sessions hospital. He is reported to be doing fine.

FORTY YEARS AGO—

Will L. Tinnham was appointed as Northville's new postmaster.

Kurnal Babbitt is home for the holidays from St. Paul's school in Concord, N.H.

Ruth Christensen and Bert Clark, June and Carroll Dubuar came home last Friday from Ann Arbor where they are attending college.

The Northville Woman's club contributed the price of two barrels of flour—\$10—for the large consignment sent to Belgium from Detroit.

The house on Willis Carpenter's farm west of town, which was used as a school room until a new building is completed, was entered by thieves Saturday night. All the school's supply of pencils, etc., were taken, including a violin belonging to the teacher, Lucille Woodworth, of New Hudson. On the violin was inscribed "Cremona, Antonius Stradivarius" with either the date of 1760 or 1790 following.

Bandits in Follansbee, W. Va., forced the cashier to hand over \$172 in admissions. You've guessed it—the picture showing that night was "She Couldn't Say No." (Really!)

Two patrolmen in Pueblo, Colo., are under suspension for delivering a hot lunch to a fellow patrolman who is in the clinic, charged with possession of burglary tools. What was the lunch? Hard-boiled yerge?

Wayne U.'s TV Weatherman Tells How to Predict Michigan Weather

Dr. Everett R. Phelps, professor of physics and astronomy at Wayne University, waits for the cue to begin his television weather broadcast over WJBK-TV, Channel 2, Detroit.

The old adage about everyone doing anything about it probably is just as true today with television on the daily scene. Weather experts have become as popular as many TV stars for their daily interpretations and predictions of local and national weather conditions through the medium of television.

Dr. Everett R. Phelps, professor of physics and astronomy at Wayne University, and TV weatherman for station WJBK-TV Channel 2, Detroit, says that the layman can predict fairly accurately the coming weather in Michigan.

"Generally," Dr. Phelps said, "weather conditions move across the country from west to east. Since the high pressure areas called 'highs,' the low pressure areas called 'lows,' and the weather fronts move eastward at about 20 m.p.h., Michigan normally gets the weather that was experienced in Minnesota, Wisconsin, Iowa, and northern Illinois the previous day."

"Therefore, by looking at the conditions in these areas on the TV or newspaper weather maps, a pretty good estimate of the Michigan weather can be made for the following day."

Storms are usually associated with low pressure areas and with the passage of cold or warm fronts. A weather front is the dividing line between two masses of air at different temperatures. If

the warm air is doing most of the moving, it will rise up over the cold mass and the meeting of the two masses is called a warm front. Rain or snow, depending on the season, often occurs 150 miles in advance of the warm front. When cold air moves into an area it "noses" under the warm air pushing it up. Showers often occur from 50 to 100 miles in advance of a cold front and as much as 100 miles behind it.

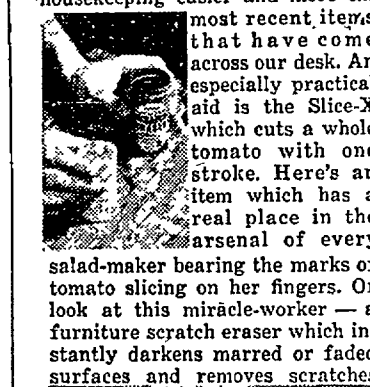

Under certain conditions of sudden changes in pressure and temperature, violent thunderstorms occur. Occasionally arising within one of these storms will be a very rapid circulation of air called a tornado in Michigan. Tornadoes are most likely to occur during the spring months, particularly in May, and usually between the hours of 4 and 7 p. m.

Here are some interesting facts on the Michigan weather: Record coldest was -51 degrees at Vanderbilt on February 9, 1934. Record hottest was 112 degrees in Mio on July 13, 1936. Annual mean temperature is 45 degrees. Average annual rainfall is 30.7 inches. Since 1916, there have been 100 tornadoes recorded in Michigan. Previous to 1953, 11 people were killed in tornado disasters. However, in 1953 alone, there were 132 tornado fatalities in Michigan.

Guide To Good Shopping

by Pamela Morrison

Exit the old-fashioned kitchen slave. Enter the modern kitchen master. When Grandma was a bride kitchen chores were back-breaking tasks. Long hard hours were spent at dull-as-dishwater culinary jobs. But gadget-minded America has come up with just the things to make housekeeping easier and more efficient. For example, take the three

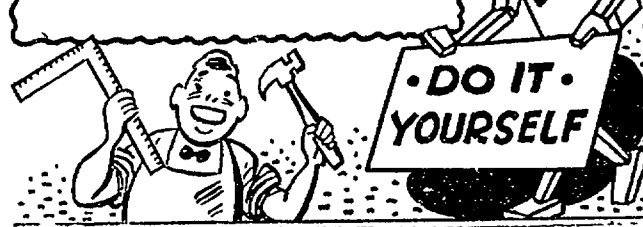

most recent items that have come across our desk. An especially practical aid is the Slice-X which cuts a whole tomato with one stroke. Here's an item which has a real place in the arsenal of every salad-maker bearing the marks of tomato slicing on her fingers. Or look at this miracle-worker—a furniture scratch eraser which instantly darkens marred or faded surfaces and removes scratches.

Converts any pot into a versatile steam-cooker. —L.A. with a single dab. Here is a chance to stop trembling every time Junior goes near the good furniture. A few passes with this magic wand and the furniture is smoothed while your nerves are soothed. Then there's a new steam basket which makes any pot a steam cooker... quickly defrosts frozen foods, steam cooks baby foods, fruits and vegetables, preserving the natural flavor and vitamins. These inexpensive items are among the many available from Mrs. Damar's Kitchen Korner, 850 Damar Building, Newark 5, N. J.

YOU CAN BE A HANDY ANDY AND REPAIR AND MAKE THINGS DANDY

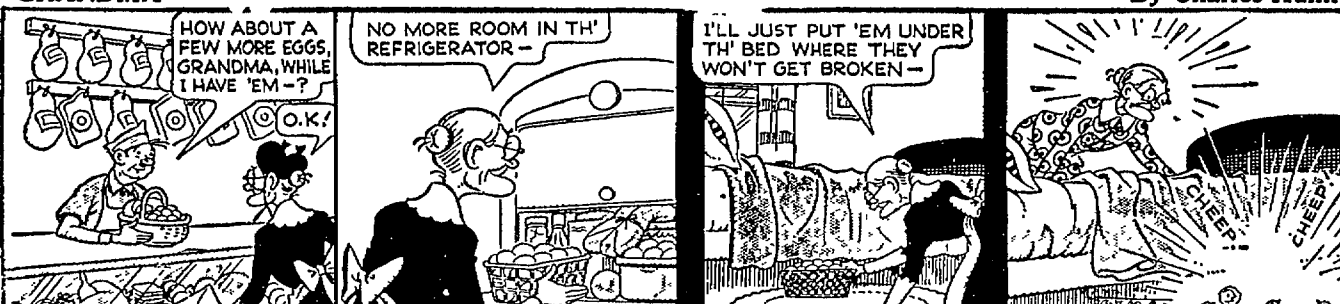

There's nothing quite like a Masonite hardboard for walls, ceilings, underlayment, case backs and ends, for shelving and a whole myriad of day-in and day-out applications. Peg-Board, Tile Board and Leatherwood are also much used Masonite products. We have them.

What's the NEW news in the '55 cars?

Is it V-8 Power?
Ford has had it since 1932
Ford was first to offer a V-8 engine in a low-priced car. And since the original Ford V-8 was introduced in 1932, more than 14,000,000 Ford V-8's have been built. This is more V-8's than all other manufacturers.

Is it Ball-Joint Suspension?
Ford had it in 1954
Ford introduced Ball-Joint Front Suspension to the low-price field in 1954. This superior type of suspension has been standard on Ford chassis design in 20 years. And now, it's standard on the '55 Ford.

Is it oil and battery signal lights, curved instrument panel, rotary door latches, push-button door handles, power-lifts for all windows, Overdrive, Hotchkiss Drive?
Ford has had all of them, too!

Is it hood-high fenders?
Ford introduced them in 1952
The 1952 Ford brought a new look to the American car. This innovation set the long, low look of the car.

Is it suspended pedals?
Ford introduced them in 1952
Introduced in the 1952 model, Ford was first in the low-price field with suspended pedals. This advanced type of pedals eliminates dusty, drafty holes in the floorboard. Suspended pedals are extremely easy to use.

The NEWS is Thunderbird Styling

It's not the look you saw in any of last year's cars. It's the new look inspired by the Thunderbird. And it set the styling for Ford's '55 lines.

The NEWS is Trigger-Torque Power

It's trigger-quick "GO" which can obey your commands in 7/100 of a second—four times faster than you can wink.

The NEWS is Angle-Poised Ride

An advanced form of Ball-Joint Suspension which not only swallows the big bumps, but also minor flaws, to make even smooth roads ride smoother.

Test Drive Thrilling Trigger-Torque in the truly new FORD!

Here's THE ANSWER

to all your HOT WATER PROBLEMS

An Automatic GAS WATER HEATER

Enjoy the convenience of instant hot water service whenever you want it. The automatic gas water heater will make household tasks easier and faster... It's important, too, for modern automatic clothes washers and dishwashers because they perform best with lots of extra piping hot water.

Don't put up with the old-fashioned way, install an economical, automatic gas water heater today.

The First H-Bomb Victims

Recent reports describing the conditions of 22 Japanese fishermen who were showered with a radio-active fall-out in the Pacific ten months ago provide an awesome indication of the terrible power of the H-bomb. One of the fishermen died from the effects of radiation some time ago and the remaining 21 members of the Lucky Dragon are still hospitalized.

Japanese doctors have been making intensive tests on these 22 unfortunate men and some conclusions have been reached. They are important because they constitute the first medical reports on H-bomb victims.

For one thing, all 21 of the remaining victims are sterile. Doctors are not sure whether this will be a permanent condition, or not, but many medical men believe it will be. The severest injury from the radio-active fall-out of an H-bomb has centered in the generative organs, such as the liver.

The worst features of the effects of the fall-out are traced to the unpleasant truth that radio-active contamination begins to show up, in many cases, only after weeks or months. For instance, changes in the blood composition of the 22 fishermen were not noticed for some time, although after a few months a marked deterioration in the count of white blood cells were noted.

It is also unfortunately true that, in a period of between four and six weeks after their contamination, all of the 22 fishermen suffered bleeding in the intestines, kidneys, noses and gums.

This is not the complete story of the injuries suffered by the 22 fishermen, but it is sufficient to impress upon all civilized peoples that atomic warfare with hydrogen bombs is a calamity which must not be allowed to overtake modern civilization. Although doctors may some day find a partial answer to the effects of radio-active contamination, these effects are so devastating today and so utterly uncontrollable, that a war involving hydrogen bombs would inflict a fatal blow upon the steadily rising health level of the peoples of the world.

Right To Work, Right To Live

The right to work is no less sacred than the right to life, liberty and the pursuit of happiness.

Laws in 17 states express the will of the people that the right to work shall not be denied any man—because of membership or non-membership in a labor union.

The framers of our Constitution may or may not have foreseen that ambitious leaders of labor would one day seek to force all men to belong to unions as a condition of getting and holding a job. But today that situation exists and, in order to protect the freedom of the individual, the 17 states have passed laws to implement and give force to what is implicit in our Constitution—that the right to work shall be guaranteed to all men.

No wonder Secretary of Labor Mitchell's attack on these laws before the recent CIO convention provoked such a storm of protest in many quarters!

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

by Gene Alleman

STATE GOVERNMENT reform movements under the "Little Hoover" Commission have taken a new turn.

After five years the State Legislative Committee on State Government Reorganization disbanded; turned over 30 reports to the full legislature.

"Our job is finished and it's now up to the legislature," said Senator Frank Andrews (R-Hillman).

Reforms in every major facet of

government were proposed in the study which started with researchers who dug out the facts and passed them on with recommendations to a citizens' advisory committee.

The group of citizens—all leaders in labor, industry, education and business—worked over the reports from the researchers and passed on the modified recommendations to the legislative group.

Lawmakers gave the reports a third screening, then recommended them as statutes.

Major reforms have been few and far between, but both Democrats and Republicans agree that those which did become law have made state government more efficient and have realized some economies.

"An example is the records center, which saves office space and makes old records available in a central filing system," Andrews said. "This alone is saving thousands of dollars each year."

Among important recommendations ignored so far by the legislature are abolition of the elective auditor-general in favor of a legislative auditor; the centering of all administrative power in the governor.

Andrews said he would ask for a special legislative committee to press for all the reforms recommended by the commission.

PRISON INMATES

were given a testimonial turkey dinner for working overtime to finish a \$45,000 farm dormitory at Jackson State prison.

The building was one of several spread over the prison system to ease the overcrowding crisis.

Prison officials wanted the building completed before the first of the year. They used inmate labor to trim the costs and to speed up the work.

By working overtime and during lunch periods and on their free days, the more than 30 prisoners finished the job well ahead of schedule.

"They worked hard for us and we want to show them that we appreciate it," said John J. Spencer, assistant corrections director in charge of institutions.

MICHIGAN IS RALLYING its people for the annual week in which the state's products are promoted, from the crops grown on the farm to the automobiles built in the cities.

Veterans organizations and the state's 1,200 service clubs are the latest to pledge their help.

Merrill Graham, of Concord, is chairman of the Michigan Week Council of Service clubs. A regular speaker before service clubs and a Michigan booster, he said:

"We want to mobilize the service clubs throughout the state as a tremendous force in the 1955 Michigan Week campaign."

"Michigan Week (May 15-21) is intended to build loyalty and pride in our state and greater knowledge of its wonderful advantages. We want to mobilize every county."

Graham started work on his part of the project with top men from the following clubs:

Zonta International; Kiwanis International; Altrusa International; Michigan Association of High Twelve clubs; Toastmasters

International; Michigan State Exchange club; Civitan International; Optimist International; Michigan Business and Professional Womens' clubs; Rotary International, Lions clubs, and the Michigan Pylon club.

Veterans organizations have

The First H-Bomb Victims

Recent reports describing the conditions of 22 Japanese fishermen who were showered with a radio-active fall-out in the Pacific ten months ago provide an awesome indication of the terrible power of the H-bomb. One of the fishermen died from the effects of radiation some time ago and the remaining 21 members of the Lucky Dragon are still hospitalized.

Japanese doctors have been making intensive tests on these 22 unfortunate men and some conclusions have been reached. They are important because they constitute the first medical reports on H-bomb victims.

For one thing, all 21 of the remaining victims are sterile. Doctors are not sure whether this will be a permanent condition, or not, but many medical men believe it will be. The severest injury from the radio-active fall-out of an H-bomb has centered in the generative organs, such as the liver.

The worst features of the effects of the fall-out are traced to the unpleasant truth that radio-active contamination begins to show up, in many cases, only after weeks or months. For instance, changes in the blood composition of the 22 fishermen were not noticed for some time, although after a few months a marked deterioration in the count of white blood cells were noted.

It is also unfortunately true that, in a period of between four and six weeks after their contamination, all of the 22 fishermen suffered bleeding in the intestines, kidneys, noses and gums.

This is not the complete story of the injuries suffered by the 22 fishermen, but it is sufficient to impress upon all civilized peoples that atomic warfare with hydrogen bombs is a calamity which must not be allowed to overtake modern civilization. Although doctors may some day find a partial answer to the effects of radio-active contamination, these effects are so devastating today and so utterly uncontrollable, that a war involving hydrogen bombs would inflict a fatal blow upon the steadily rising health level of the peoples of the world.

Right To Work, Right To Live

The right to work is no less sacred than the right to life, liberty and the pursuit of happiness.

Laws in 17 states express the will of the people that the right to work shall not be denied any man—because of membership or non-membership in a labor union.

The framers of our Constitution may or may not have foreseen that ambitious leaders of labor would one day seek to force all men to belong to unions as a condition of getting and holding a job. But today that situation exists and, in order to protect the freedom of the individual, the 17 states have passed laws to implement and give force to what is implicit in our Constitution—that the right to work shall be guaranteed to all men.

No wonder Secretary of Labor Mitchell's attack on these laws before the recent CIO convention provoked such a storm of protest in many quarters!

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL
by Gene Alleman

STATE GOVERNMENT reform movements under the "Little Hoover" Commission have taken a new turn.

After five years the State Legislative Committee on State Government Reorganization disbanded; turned over 30 reports to the full legislature.

"Our job is finished and it's now up to the legislature," said Senator Frank Andrews (R-Hillman).

Reforms in every major facet of

government were proposed in the study which started with researchers who dug out the facts and passed them on with recommendations to a citizens' advisory committee.

The group of citizens—all leaders in labor, industry, education and business—worked over the reports from the researchers and passed on the modified recommendations to the legislative group.

Lawmakers gave the reports a third screening, then recommended them as statutes.

Major reforms have been few and far between, but both Democrats and Republicans agree that those which did become law have made state government more efficient and have realized some economies.

"An example is the records center, which saves office space and makes old records available in a central filing system," Andrews said. "This alone is saving thousands of dollars each year."

Among important recommendations ignored so far by the legislature are abolition of the elective auditor-general in favor of a legislative auditor; the centering of all administrative power in the governor.

Andrews said he would ask for a special legislative committee to press for all the reforms recommended by the commission.

PRISON INMATES were given a testimonial turkey dinner for working overtime to finish a \$45,000 farm dormitory at Jackson State prison.

The building was one of several spread over the prison system to ease the overcrowding crisis.

Prison officials wanted the building completed before the first of the year. They used inmate labor to trim the costs and to speed up the work.

By working overtime and during lunch periods and on their free days, the more than 30 prisoners finished the job well ahead of schedule.

"They worked hard for us and we want to show them that we appreciate it," said John J. Spencer, assistant corrections director in charge of institutions.

THE DEAN of Michigan prisoners, Tony Duley, is starting his 48th year behind bars for a 1907 murder in Oscoda.

He has long since been eligible for commutation of his sentence by the governor, the first step toward freedom. He is 69 years old.

Now feeble and frail, Duley has been promised a home for the rest of his days by a South Haven family, Mr. and Mrs. Marion Barton, who became his first visitors in 10 years in 1952.

There have been roadblocks to Tony's release, but he is still hopeful. Prison officials say he has paid his penalty and law enforcement officers have no objections to his release, probably in June.

tiny! NEW! HEARING AID

ZENITH'S *Finest Quality!*

Never before has \$75 brought such hearing aid clarity, compactness, convenience and operating economy! The "75-X" is hardly larger than a pocket lighter, yet it offers performance equal to some aids at least twice its size and many selling for at least three times its price.

Until then, Tony is "just waiting for another chance," hoping it won't come too late.

MICHIGAN IS RALLYING its people for the annual week in which the state's products are promoted, from the crops grown on the farm to the automobiles built in the cities.

Veterans organizations have

International; Michigan State Exchange club; Civitan International; Optimist International; Michigan Business and Professional Womens' clubs; Rotary International, Lions clubs, and the Michigan Pilor club.

Veterans organizations have

"Michigan Week (May 15-21) is intended to build loyalty and pride in our state and greater knowledge of its wonderful advantages. We want to mobilize every county."

Graham started work on his part of the project with top men from the following clubs:

Zonta International; Kiwanis International; Altrusa International; Michigan Association of High Twelve clubs; Toastmasters

International; Michigan State Exchange club; Civitan International; Optimist International; Michigan Business and Professional Womens' clubs; Rotary International, Lions clubs, and the Michigan Pilor club.

Veterans organizations have

been organized to depict the role Michigan has played in keeping America free since the revolutionary war when the state was a territory.

"The potentialities of the co-operation of these two great groups is almost beyond estimate," said Graham.

Wild Life Notes...

Lansing — An old resident, the wild pine marten, came back to Michigan last week after an absence of probably more than half a century.
A department of lands and forests forester in the White River area of Ontario, north of Lake Superior, caught one of the quick little tree-living animals and had it shipped to Michigan.
It is being held at Cusino Wildlife experiment station in the central upper peninsula.
Several months ago, Michigan conservation department workers set up a project to welcome the marten back and asked help from Ontario in capturing some delegates. The plan was to release enough of the tawny, three-pound point-eared creatures so a colony could get started in some remote upper peninsula woods area.
So far trapping efforts have been limited—"We call this first one the lone pine marten," quipped one game worker—but more work is expected to be done on the project in 1955.
Lansing — Hunters have returned five ear tags from deer shot in the central upper peninsula and all show that deer, in that area at least, do not travel very far from their place of early life.
The five were bagged within 25 miles of the Cusino wildlife experiment station where all were live-trapped and tagged during the last few years. Each had traveled an average of 15 miles between the time of tagging and the time of being shot.

provement program in 1955.
Further work is also slated on the Huron river in Washtenaw county between route M-23 and Barton pond.

Butler, Bingaman Selected for Guild Citations

Michael J. (Dad) Butler, 84-year old dean of Detroit sports, has been awarded the Sport Guild's annual Bud Shaver Memorial award, one of the highest honors in the nation, the Guild Award committee has announced. The late Mr. Shaver was sports editor of The Detroit Times.

The Shaver award is made annually by the Sports Guild to one who has aided youngsters and contributed his efforts to promoting clean sports over a long period of time.

The award has previously went to Benny Oosterbaan, Johnny Shada, Biggie Munn, Spike

Briggs, Buddy Parker and Lloyd Brazil. This year's trophy will be presented to Butler at the Eighth Annual Award banquet in the grand ballroom of the Sheraton Cadillac hotel, Detroit, Jan. 27.

The Shaver award and the Gus Dorais Memorial award are the two highest honors given by the Sports Guild annually. Les Bingaman has been chosen to receive the Dorais award this year.

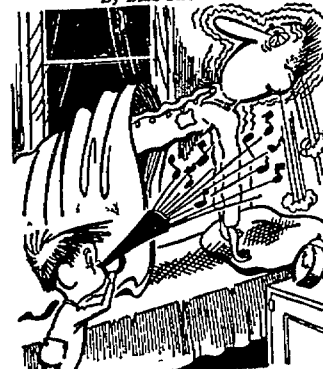

The award committee announced two more selections during the past week. Edgar Guest, Detroit Free Press poet, long active in boys work, will receive a plaque in recognition of his contributions to the youth of the community while Norbert Schemansky, world champion weight lifter, was the first chosen in his field to receive recognition.

June Stack of Hamtramck, who has repeated her national indoor girls' championship victory, and

Al Bigelow, manager of the Helin amateur baseball team, were others selected by the award committee so far.

Of Interest To Women - - -

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Record's society editor, Telephone 200.)

Before leaving for California for a month's visit with her mother, Mrs. W. A. Wininger, Mrs. Elroy V. Ellison took time out to give this recipe for Noodle Stroganoff. Serve it any time—your families will love it and it is especially good for Sunday night suppers as you can make it ahead of time.

Mrs. Ellison suggests that a tossed salad, salt sticks, assorted cheese and fruits be served with this tasty casserole dish. A hint—add the sour cream at the very last. Try it—it's delicious.

Noodle Stroganoff

1/4 cup butter or margarine
1/4 cup chopped onion
1 minced clove garlic
2-3 oz. cans sliced mushrooms, drained
1 lb. chuck meat, ground
3 tablespoons lemon juice (fresh, frozen or canned)
3 tablespoons cooking sherry
1 can undiluted condensed beef consommé
1 teaspoon salt and pepper
1/2 lb. medium noodles
1 cup commercial sour cream
chopped parsley and ripe olives

In hot butter in skillet, saute onions, garlic and mushrooms until lightly browned. Add beef; cook, stirring, until red color disappears. Stir in lemon juice, sherry, consommé, salt, pepper. Simmer, uncovered, for 15 minutes. Stir in uncooked noodles. Cook covered five minutes or until noodles are tender. Mix in sour cream, heat quickly but do not boil. Serve at once sprinkled with parsley and place ripe olives around on top.

The Ellisons reside at 552 W. Dunlap St. and they have one daughter, Shirlyn Gay, who is 13 years of age.

Will Discuss Church School

Miss Ruth Wardlaw, publication division field representative of the Board of Christian Education, will meet with parents, teachers, and friends of the Presbyterian Church School to discuss the Church School program at the Presbyterian church Jan. 6 at 8 p.m.

Miss Wardlaw has been visiting in the Orchard Lake, Milford and Farmington churches this week. During December, she counseled with leaders in Presbyterian churches in Western Michigan and in the Flint area.

Her visits are sponsored by the national Board of Christian Education and the Synod's Directors of Christian Education. Reports from these churches where Miss Wardlaw has visited state that her ability to make the goals of church school teaching will inspire all who hear her to work more diligently.

Her help in lesson planning, along with her experience in training new teachers, will be a great help to many.

Miss Rd. will entertain at a luncheon for Miss Wardlaw Thursday noon. Members of the Christian Education Council and teachers in the Church School of the Northville church have been invited to meet Miss Wardlaw at this time.

CARD OF THANKS

We wish to thank those who have visited our mother, Mrs. Elizabeth Tact, and sent gifts and cards to her.

Mr. and Mrs. Robert Geraghty

CARD OF THANKS

I wish to thank my friends and neighbors, Fred Casterline and Father Heraty for their kindness during the death of my father, Hiram Alger.

Leslie Alger

Tots Play Group In New Term; Hears Dr. Yoder

The Cooperative Pre-School Play group of Northville met Jan. 3 at the First Presbyterian church for a business meeting and a round table discussion directed by Dr. Robert Yoder, based on a movie, "Fears of Childhood".

Dr. Yoder feels that most fears and discipline problems in childhood are built up over a long period, and are not a result of a few isolated incidents. One of today's serious family problems is caused by the father being home so little while the child is awake, he said.

The disturbances which this brings can be remedied while the child is small, but in adolescence it is too late to form the close associations that would have helped to guide him, the speaker pointed out.

Mothers with children from 2 1/2 to 5 years of age are welcome to join the new semester at Cooperative Nursery school, which meets Monday, Wednesday and Friday mornings at the First Presbyterian church. Further information may be obtained from Mrs. Charles Hall, 226 Church St., phone 776.

Woman's Club To Hear Wm. Pitney of Wayne University

William Pitney, instructor in ceramics at Wayne university, will speak on "Stoneware and Porcelain" at the Woman's club Jan. 7. Mr. Pitney's talk will highlight the first meeting in 1955 which will be guest day. Members are urged to invite guests to hear this interesting talk.

The speaker has a wide background in the arts. He is a graduate of Pratt Institute of Brooklyn and took his master's degree at the New York State College of Ceramics, Alfred university, Alfred, N.Y. He has exhibited in the Designers-Craftsmen show, a touring show which is visiting all the principle cities of the country. For the past six years, he has also exhibited in the show sponsored by Syracuse university.

With his scholastic background, participation in the arts, and his teaching record at Wayne university, Mr. Pitney promises to be a very interesting speaker.

Club members and guests will meet in the Village library at 2 p.m.

Northville Women At Presbyterial

The Detroit Presbyterial Society met at the Emanuel Presbyterian church, W. Grand Blvd., Wednesday. Guest speaker was Mrs. J. R. Salisbury, president of the National Council of Presbyterian Women, USA. Her theme was "Christ Is The Way". Mrs.

Salsbury interpreted the Presbyterian Women's objective for the 1954-55 Quadrennium.

Northville women attending were Mrs. Ruth Chase, Mrs. Joseph Denton, Mrs. Alfred Parmenter Sr., Mrs. R. G. Nelson, Mrs. L. J. Maroux, Mrs. Howard Atwood, Mrs. Charles Hall, Mrs. Robert Orlick, Mrs. Lee Shipley, Mrs. Charles Conklin, Mrs. Joseph Cowie, Mrs. George Ramshaw and Mrs. Howard Meyer.

Greens Market Sale Successful

Mrs. George Alexander, president, and the Greens Market committees of the Northville branch of the Woman's National Farm and Garden Assn., would like to thank the people of Northville for helping to make the Greens Market a success.

Especially do they wish to thank the Northville school for the use of the Community building, where the greens were displayed so effectively; George Clark's Hardware for its contribution; Jones Floral for its cooperation; the merchants who displayed the Greens Market posters, and the Record office for use of office space on Saturday. All these things are gratefully appreciated by the officers and members of the club.

Woman's Union Meets January 12

The Woman's Union of the First Presbyterian church will hold its first meeting of 1955 Jan. 12. Following a "winter picnic" luncheon at 12:30, and the reading of the annual reports, new officers will be installed by Mrs. Eva Covert, president of the Detroit Presbyterian society. The theme for the meeting will be "Proclaim Christ, The Way".

The executive board will act as hostess with Mrs. R. G. Nelson as chairman of the day.

Garden Club To Meet January 10

The January meeting of the Northville branch of the Woman's National Farm and Garden Assn. will be held at the home of Mrs. W. J. Jodway, 21066 Cambridge Dr., Jan. 10 to elect officers for 1955.

Assisting the hostess, will be Mrs. David H. Clark, Mrs. Riley Allen, Mrs. Charles Altman, Mrs. Glenn Cummings and Mrs. Joseph Hoehl.

OES Meeting Canceled

The special meeting of Orient chapter No. 77, scheduled for Jan. 7, has been cancelled.

Detroit News Will Feature Northville Students' "History"

An article on "A History of Northville", written by students of the eighth grade social studies class of the Northville junior high school, is in preparation by the Detroit News. Photographs were taken Monday of the project at the school and the Record office.

Under the direction of Alvin P. Skow of the teaching staff, students on the project were Karen Thibos, Bonnie Walker, Reba Beardon, Sharon Hill, Ruth Clarke, Elsa Couse, Tom Williams, Mary Hill, William Yahne and Becky Coolman.

"A History of Northville" is available at the Record office and at several local stores at 60 cents per copy.

Schipper Family To Move To Milwaukee

Pieter Schipper of Bradner Rd., Plymouth, has been made general manager of the Investment Foundry of the Howard Foundry in Milwaukee, Wis.

As soon as living arrangements are completed, Mrs. Schipper, Kersti, Pieter and Vicky will join Mr. Schipper in Milwaukee.

MRS. CHARLES HALL TO VISIT ALLEN PARK SCHOOL

Mrs. Charles Hall, president of the Cooperative Nursery school and Treasurer Mrs. William Seccord, are planning to visit the Allen Park Cooperative Nursery school on Jan. 7 to observe the nursery in operation and to learn new methods and techniques.

IN MEMORIAM
In loving memory of dear mother and grandmother, Mabel Knowlton, whom God saw fit to take from us one year ago, Jan. 9, 1954. Sadly missed by Mr. and Mrs. Lawrence Syrett.

CARD OF THANKS
I wish to thank the management and employees of the Northville Ford plant for gifts and kindness shown upon my retirement.
Alfred W. Parmenter

Former Presidents Feted During Visit

Mr. and Mrs. Fred Hoffman and Fritz Willamen have been guests of Mr. and Mrs. Fred Kirshberg, 670 W. Baseline, for the past two weeks.

The Hoffmans and Willamen resided in Northville many years and have hosts of friends here who have entertained them since their arrival. Among some of the parties was a dinner given by

Mr. and Mrs. Clyde Schoultz of Cady St. and a luncheon at the home of Mrs. Mary Marburger. Friday, Mrs. Schoultz and Mrs. Arlo Hauger will entertain Mrs. Hoffman at a tea. Tuesday, Mrs. Charles Altman, Sr. and Mrs. M. L. Hoysradt gave a bridge luncheon at the Hoysradt home on Waterford Rd.

Monday, they will leave in a new car purchased this week by Willamen, going first to Florida and then to California.

News Around Northville

Mrs. E. V. Ellison of W. Dunlap St. left Wednesday for a month's visit in California with her mother, Mrs. W. A. Wininger, in El Monte, Calif. Elroy and daughter, Shirlyn Gay, plan to keep house while Mrs. Ellison is away.

Mr. and Mrs. Jack Reynolds and son, Jay, of Homer St. returned last week end after spending the holidays with Mrs. Reynolds' parents, Mr. and Mrs. Lou Stewart, in Jacksonville, Fla.

Mr. and Mrs. J. L. Calkins of N. Center St.

Holiday guests of the J. L. Calkins were Mr. and Mrs. George Calkins and daughter, Judy, of Gaylord, Cpl. Robert Calkins, who just returned from France, A 3/C Ronald Calkins, Mrs. Norma Buckler and children, Mr. and Mrs. Kenneth Calkins, Mrs. E. R. Lawrence of Farmington, Miss Violet Kohn of Detroit and Terry and Patsy Calkins of Plymouth.

Cpl. and Mrs. David G. Hazlett and son, Jeffery, have returned to their home in Alexandria, Va. after spending the holidays with their parents, the Percy Hazletts, and the D. J. Starks.

Mr. and Mrs. James Price visited at the J. L. Calkins home Sunday.

Mr. and Mrs. Walter Couse entertained the priests from the Marian Hill academy, Dearborn, for a dinner during the holidays.

Mrs. Paul Schulz entertained at a luncheon during the holidays in honor of the 85th birthday of Mrs. Metta DuBrule, mother of Mrs. M. L. Hoysradt. Mrs. Fred Hoffman, formerly of Northville and now residing in California, was one of the honored guests.

Leonard Howard, Jr. was host to six couples at a New Year's eve party.

Mr. and Mrs. B. W. Second entertained at a New Year's eve party at their home on W. Seven Mile Rd.

Mrs. Ernie Shave was hostess to her luncheon and bridge club Wednesday.

Mr. and Mrs. Wayne Smith of Oberlin, O. spent the holidays with Mrs. Smith's mother, Mrs. William H. Cansfield.

Arlene Jerome returned to Bronson Methodist hospital in Kalamazoo Sunday after a two weeks vacation with her parents, Mr. and Mrs. Clarence Jerome, of Dubuque St. Arlene is taking nurses training.

Dr. and Mrs. T. G. Hegge spent Christmas with their daughter and husband, Dr. and Mrs. R. C. Bates, at the Great Lake Training center in Chicago.

Mr. and Mrs. F. Donald Sober of Sheldon Rd. spent the holidays with Mrs. Sober's brother and family, Mr. and Mrs. Charles Burr, of Manchester, Conn. and Mrs. Sober's mother, Mrs. C. R. Burr, also of Manchester. Later Mrs. Sober visited friends in New York City.

The Tuesday Book club met at the home of Mrs. Pieter Schipper on Bradner Rd. Mrs. T. G. Hegge gave an interesting and entertaining review of the "Soo Canal" by William Ratigan.

Mrs. Harvey Whipple has returned from spending the holidays with her daughter and son-in-law, Mr. and Mrs. E. A. Brown, and grandson, David Brown, of Avon Lake, O.

Dr. and Mrs. Kenneth Teich and their two daughters, Carrie and Claudia, of Duluth, Min. were week end guests of the Jim Mahoney's of S. Rogers St.

Mr. and Mrs. J. W. Cheetham, W. Main St., entertained six couples at a buffet supper on New Year's day.

Following the reception at the Presbyterian church Sunday, Mr. and Mrs. Howard Meyer entertained the new minister and his wife, Rev. and Mrs. John Taxis, and Mr. and Mrs. Jack Blackburn at dinner in their home on W. Eight Mile Rd.

Mr. and Mrs. Rano Papini entertained at a family dinner New Year's day with relatives coming from Grosse Pointe and Farmington.

The Marshall Huffs of W. Seven Mile Rd. spent New Year's week end with relatives in Grosse Pointe.

A distinguished guest, Princess Cherbitoff, spent the holidays in Northville visiting her brother, C. W. McLaughlin, W. Dunlap St. Returning from Europe, she stopped in Northville for the holidays enroute to Florida to join her husband. Mrs. McLaughlin, who was stricken with polio last summer, and who has been under treatment at University hospital, is now able to spend week ends

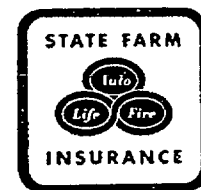

at home with her husband and three children.

New Year's eve guests at the Joseph Kirkey home on Carpenter St. included Mr. and Mrs. Steve Clemens and Everill Clemens of Grosse Pointe, Mr. and Mrs. Charles Batt, Mary Lovewell, and their son, Robert Kirkey, who was home on leave from Fort Devons, Mass.

A daughter was born Dec. 31 to Mr. and Mrs. William Higgins, Jr. of W. Main St. at Henry Ford hospital. The baby weighed eight pounds, 12 ounces and was named Mary Joanne.

FIGHT POLIO

Give to the **MARCH OF DIMES**

1955 may well be the "year of decision" in the long, hard fight against polio. Science, after years of unflinching research, appears about to score a stunning triumph over this dread disease. Funds are urgently needed NOW for the final push to victory. Every dollar contributed speeds the day when the world can at long last be free from this grim destroyer of life and limb.

The opportunity is here . . . the time is now to deliver the "knock out" blow to polio. Give from your heart to the March of Dimes.

NEWS NOTES FROM THE WEST POINT PARK AREA

YOUR CORRESPONDENT — MISS L. A. AULT
Phone Farmington 1461-M

Mr. and Mrs. Arlo Sheets of Ft. Wayne, Ind. were Christmas week end guests of the former's sister, Mrs. Homer Coolman and her family on Shadyside Ave.

Sydney Rowe, Detroit, spent an evening with his sister, Mrs. Ralph Voorhies, and her family, Shadyside Ave., recently.

Mrs. Lena Oldham, Farmington Rd., spent Christmas week end with her daughter, Mrs. Aulen, in Melvindale.

Mr. and Mrs. Forrest Ault and three children, Hubbard Ave., were guests of the latter's sister, Mrs. Leo Woods and her family, Inkster, Dec. 27.

Mrs. Lewis, Detroit, was a Christmas guest of her granddaughters, Ellen and Susie Lewis, and their mother, Mrs. Genevieve Lewis, Hubbard Ave.

Mr. and Mrs. Thomas Roberts and their three daughters of Mon-

roe spent Dec. 26th with relatives in this community.

Mr. and Mrs. Johnson Porter and three children of New London, O. were guests of Mrs. Porter's parents, Mr. and Mrs. M. E. Ault of Mayfield Ave. Dec. 28.

Mrs. Walter Rehahn, Mayfield Ave., was a Christmas guest at a family dinner given at the home of her son, Al Hardy in Wayne. Mrs. Don Masters and son, David, from Wyandotte, were Christmas guests of the former's parents, Mr. and Mrs. Ed Grant, of Farmington Rd.

Mr. and Mrs. William Owen and their daughters from Detroit were Christmas guests of Mr. Owen's parents, Mr. and Mrs. Albert Owen of Mayfield Ave. The Kenneth Owens of W. Seven Mile Rd. were also guests.

Mrs. Louis Graham, Mayfield Ave., visited her daughter, Mrs. Stanley Morgan in University hospital, Ann Arbor Dec. 29.

Accordions solos by Gloria and Richard Kauranen were a much appreciated feature of Neighborhood Bible school's program Dec. 26.

Miss Beverly Bohlinger, recently of Mayfield Ave. now attending school in Adrian, visited here Dec. 26. She was accompanied by her aunt, Mrs. Oldenburg, Adrian.

The Leslie Grundys of Hubbard Ave. attended a family dinner at the home of Mrs. Grundy's sister on Ten Mile Rd., Christmas.

Mr. and Mrs. Don Bohlinger and daughter, Debbie, spent Christmas with Mrs. Bohlinger's mother, Mrs. Ervin Bohlinger, at the Esther Middlewood home in East Lansing.

Mrs. Ernest Tallman, Mayfield

Ave., who has been ill several days is reported considerably improved.

Mr. and Mrs. Nelson Nordyke, Grand Rapids, were visitors at the M. E. Ault home Dec. 26.

The Stuart Shauler family, formerly of Farmington Rd., Livonia, but now residing in Detroit, are spending a few weeks in Florida.

Miss Homer Coolman, Shadyside Ave., has been ill with the flu.

Dale Hardy, Plymouth, was a recent visitor at the home of his grandmother, Mrs. Walter Rehahn, Mayfield Ave.

Mr. and Mrs. Deloid Ramage, Robinson Ave., spent Christmas with their daughter, Mrs. Arleigh Hamm, Garden City. Mr. Hamm, who has been hospitalized for several months was able to spend the holiday at home.

Mr. and Mrs. George Middlewood of Farmington Rd. spent Dec. 26 with the former's sister, Miss Esther Middlewood, in East Lansing.

Mr. and Mrs. Jim Schult and daughter, Janet, were Christmas guests of Mr. Schult's sister, Mrs. James Maynard, Detroit. On the day following, the Maynards visited relatives on Shadyside Ave.

Coastguardsman Wayne Ault, son of Mr. and Mrs. Clinton Ault, home on leave from Cape May, N. J., called on Robert Bingley, Northville, Dec. 26.

Twenty persons were at a dinner given by the Homer Coolmans, Shadyside Ave., Christmas. At her home on Clarita Ave., New Year's eve, a family celebration honored the 11th birthday of Anne, daughter of the Edwin Johnsons.

Herman Schult, Ellwood, Ind., spent the Christmas week end with his family on Shadyside.

William Varhol, home on leave from the Navy, was a guest of his mother, Mrs. John Varhol, Shadyside Ave., Dec. 29.

Mr. and Mrs. William Fisher, Mayfield Ave., were Christmas guests of their daughter, Mrs. Ralph Houtz and her family near Ypsilanti.

Mr. and Mrs. Henry McMillan and sons, Terry and David, Detroit, were Christmas guests of Mr. McMillan's sister, Mrs. V. C. Reddy and her family on Shadyside Ave.

Mrs. William Greene, formerly of Hubbard Ave., now of Detroit, is as a result of a fall in her home Dec. 26, confined to the house with rib fractures and foot injuries.

On Dec. 28, Mr. and Mrs. John Aittama, Shadyside Ave., were guests at a luncheon given by their niece, Mrs. William Juntilla, Burg Rd. The luncheon honored Mrs. Juntilla's mother, Mrs. Gust Harmola, who has spent the last several weeks in this locality and is shortly returning to her home in Cadillac.

Mrs. Grace Simpson of Mayfield Ave. spent Wednesday at the home of her daughter, Mrs. Edward Brugman in Novi.

Mr. and Mrs. J. C. Dunaman of Farmington Rd. were Christmas

Fred Balko, Sr., Well Known Farmer, Succumbs At 63

Funeral services were held Monday for Fred Balko, Sr., 23167 Napier Rd., who died Dec. 29 at Sessions hospital after a long illness. He was born in Southfield township Feb. 2, 1891, the son of John and Wilminnie.

Surviving are his wife, Elsie; and three sons, Howard, Fred, Jr. and Norwood, all of whom live in Northville; two brothers: Edward of Northville and William of Pontiac, and five grandchildren.

The body lay at the Casterline Funeral home until Monday and funeral services were held at St. Paul's Lutheran church with the Rev. Bernard J. Pankow officiating. Burial was at Glen Eden cemetery.

Mr. Balko was a member of St. Paul's Lutheran church. His parents moved to the farm on Napier Rd. 61 years ago when he was two years old. He farmed and lived there all his life.

OH, MAN—Fitted for coed or career girl, man-tailored shirts of combed cotton are offered this season in multicolor or charcoal-gray stripe, or may be had in other designs.

New Films Cover Business, Home

The following films have recently been acquired by the Audio-Visual Center of the Wayne County Library. They are available to all schools and organizations in Wayne county.

The Audio-Visual Center suggests that persons planning programs order their films as far in advance as possible to assure not being disappointed. The Audio-Visual Center is open daily from 9 a.m. to 5 p.m. The Center is at 27228 Michigan Ave., Inkster, telephone 5-4377.

HEAD OF THE HOUSE — A dramatic portrayal of the emotional problems of a young boy rebelling against his father's overly repressive discipline.

ROOTS OF HAPPINESS — A story of a family living in a poor rural area of Puerto Rico. Points out the recognizable elements that make a happy atmosphere for

family living, particularly the role of the father.

TELEPHONE COURTESY — Deep, down into the red is where Mr. Burton pictured his business going the day he called his office and discovered his employees lacked telephone courtesy. He makes a study of his company's problems, then reorganizes the office accordingly. He follows up with an employee "show" at which he illustrates good telephone manners.

THANKS FOR LISTENING — Centered around a young office worker who has built up an antagonistic attitude toward his business telephone calls. Not realizing it, his attitude is reflected in his voice to those "on the other end of the line". A voice, "Miss Telephone", shows him how people in all walks of life use their telephone always to the best advantage.

Let us design a one or two-color letterhead you will be proud to use in your business. Best quality; reasonable prices. The Northville Record.

'Twas the day before Christmas

A deep snow had blanketed the streets of Ironwood. Indoors, families were making plans for the festive season. The telephone company, too, was making its preparations for the busiest night of the year.

That was when Mr. and Mrs. Norman H. Thomas, whose home is pictured above, found their telephone was "dead." They called the telephone company from a neighbor's house. As Mr. Thomas later wrote: "In spite

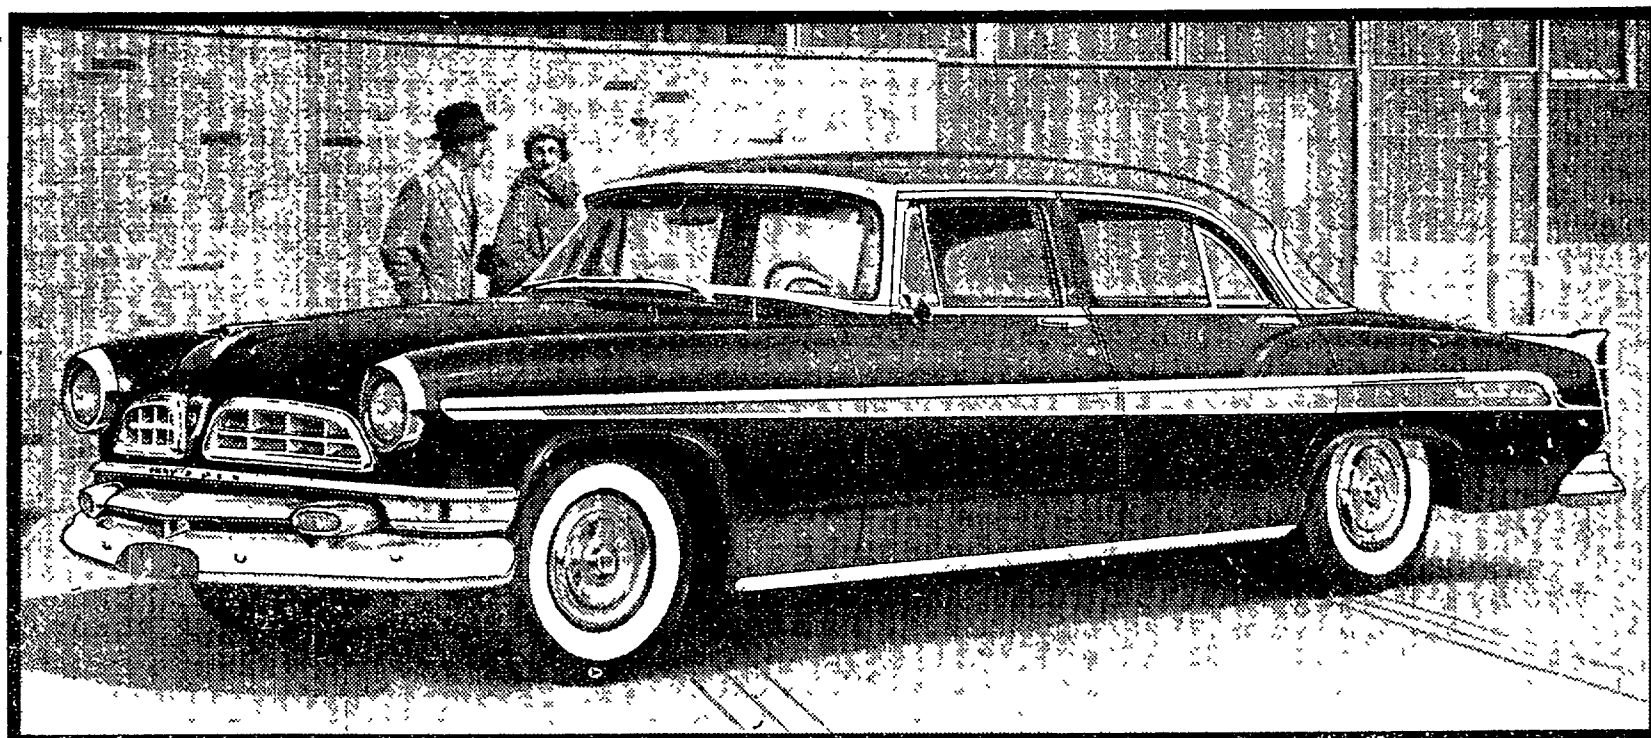

of the fact that this was the day before Christmas, with the added obstacle of a fresh, deep snow, a repairman* arrived in twenty minutes. Within one hour from the time the trouble was reported, he had new lines up and the telephone working.

"If this earnest and sincere workman reflects the training policy of your company, then Michigan Bell Telephone Company certainly is doing a most remarkable job."

*Exchange repairman Robert E. Gotthard

1955 CHRYSLER NEW YORKER DELUXE 4-DOOR SEDAN

AN EXCITING NEW DIRECTION in motorcar styling begins with Chrysler for 1955... longer, and inches lower than other big cars, in the most striking new car design of recent years! Noteworthy is the new sweepback Super-Scenic Windshield that "wraps around" both top and bottom for greater (and safer) vision. All Chryslers are now V-8's, with

engines up to 250 hp. The new Chrysler look of mobility and purposeful power is further translated into action by the most automatic transmission in any car... exclusive Chrysler Full-time Power Steering... and Power Brakes with a new, safer acting double-width brake pedal. By all odds, this is definitely the car to look at and drive first in 1955!

CHRYSLER'S 100-MILLION-DOLLAR LOOK!

... a forecast fashion for all cars to follow!

GOOD DRIVERS DRIVE SAFELY!

Plating Plant Opened By Chevrolet

The largest automatic plating facility in the world, capable of producing an automobile bumper every three seconds, is rapidly moving into full operation at Chevrolet's new spring and bumper plant on Eckles Rd., between Schoolcraft and Plymouth roads.

The ultra-modern installation plates raw stock in three straight-line machines that total nearly a third of a mile in length. On carrier loads of 335 tons each, the steel bars go through a two-and-a-half-hour, 31-step process of cleanings, washings, rinsing and platings. They are loaded at the start by hand and unloaded at the end, but pass through the plating procedure automatically in a unique application of elevators and shuttles.

The three lines operate independently of each other and can turn out a total of four acres of plated surface in 16 hours. Each machine is 535 feet long, 17 feet wide and 25 feet high.

Has Electronic Control

Heart of the automatic operation is an "electronic detective" that uses 710 miles of wiring to

keep a finger on approximately 25,000 control points along the lines.

Upright illuminated panels carry a complete diagram of the electrical layout controlling each plating machine. Each point on the diagram represents one of the 25,000 control points and is wired directly to that part of the machine.

Simply by using a test probe, much like a telephone operator working at a giant illuminated switchboard, an electrician can "tune in" instantly on any one of the thousands of points and tell how that part of the machine is performing. This eliminates traveling the length of the machine to locate trouble. Checking can also be done with power on.

Two Levels for Plating

The plating plant, installed and engineered by the George L. Nankervis Co. of Detroit, is on two levels and covers an area equal to three football fields.

On the first level is accessory equipment such as pumps, heat exchangers, filters, air washers, storage, mixing and skim tanks. The second level contains plating machines and tanks, motor-generator sets, electrical control equipment and blowers. Plating and storage tanks hold a volume equivalent to 109 railroad tank cars.

The outlay continuously agitates, constantly filters and keeps solutions at exact temperatures. Actual plating is done at mid-point between the two levels. Tanks extend by 30 inches above the second floor, allowing for easy accessibility, clear observation of

the process and easy maintenance.

Each automatic line has a completely independent copper-nickel section and a chromium section. Bumpers go through 20 pre-cleaning and plating sequences in the copper-nickel sections, enter one of 15 copper plating tanks, are nickel-plated in 12 tanks, buffed out and sent through 10 sequences in the chrome sections.

Two automatic flat polishing machines polish, wash, bonderize and lubricate the sheet metal prior to forming. From there, the material is transferred to six gigantic presses where bumpers are formed in advance of plating.

Presses Weigh 930,000 Pounds
Each press weighs 930,000 pounds and exerts up to 2,500 tons of pressure. After this, the parts pass through a series of trimming and punching presses and on to a series of automatic buffing machines.

An elaborate exhaust system carries buffing residue to huge washing machines which operate like sluice boxes in mining to collect the waste particles.

The \$14,000-square foot Livonia plant is more than a plating installation, according to Edward H. Kelley, general manufacturing manager of Chevrolet. The plant also houses sufficient coil and leaf spring manufacturing facilities to supply all of Chevrolet needs.

Kelley revealed the plant can turn out from 5,000 to 7,000 leaf springs an hour, starting with raw stock. The spring process includes grinding, coiling and forming, quenching, heat-treating, drawing, shot-peening and testing.

A fully equipped testing and chemical laboratory contains all the technical facilities for control of the bumper plating and spring manufacturing materials and processes, Kelley said.

Spring and bumper fabrication formerly was part of the Chevrolet-Detroit Forge plant. The Livonia plant has been completed without loss of production.

Dick Coolman Graduates from Michigan State

Dick Coolman, son of Mr. and Mrs. Robert Coolman, W. Dunlap St., was one of 300 graduates in the fall commencement exercises of Michigan State college. Dr. Harry Newburn, president of the TV and Radio center of the University of Michigan, was the speaker.

MSC President John A. Hannah and Mrs. Hannah, presided at a reception held for the graduating class following the formal exercises. Dick majored in a general business course.

Leaders Center Meets Jan. 6

The Wayne County Home Demonstration Council Extension service will hold a Leaders Center Jan. 6 from 9:30 to 3 at the Community Building, according to

Mrs. Samuel Geraci. Prof. R. Smuckler of Michigan State college will speak on "Citizenship (United Nations) In Laymen's Language". The meeting will be under the direction of Miss Emma DuBord, home demonstration agent for Wayne county.

Let's Reason

by A. M. Smith

Here we are on our way into another year, beginning to get readjusted to normal living after the Christmas jollity, giving, receiving and feasting, and the bells, whistles, music and joyous racket of New Year's first big moment, 12 Midnight, Day One, 1955, A.D.

May we not forget what A.D. means—a milestone on the rugged and stormy crusade of Christendom for lasting Peace of Man-

kind. Today, that Peace is nearer to winning, and nearer to losing, than in all the 20 centuries of the long period of history labeled "A.D."

These are days for serious thought about the mightily contending forces of Goodwill and Evil. What part shall each of us, and our Nation, play in the drama which must soon end in destruction, or in a workable Brotherhood of Men?

No nation can be guided by goodwill toward other nations if the ruling force in the lives of the multitude of individuals who ARE the Nation is not unwavering goodwill toward all, beginning at home and reaching to every human being on Earth. It is a deadly contradiction to say that a nation of selfishly bickering and contending individuals and groups can be united in any goodwill toward other nations.

The Prince of Peace reduced all laws of human relations to the simple statement: "Thou shalt love thy neighbor as thyself", and defined that love in the incomparable of the Samaritan. The Samaritan was a common man, without class distinction, whose kind of love for his neighbor was, and still is, the only possible solution of the problem of universal Peace.

No doubt that if the Samaritan had chanced on the scene when thieves were beating and wounding the lone traveler he would

have fought with all his might for justice, fair dealing and peace.

Perhaps the essence of all worthy New Years resolutions is: "I will be a Good Samaritan throughout this Year of The Lord."

delivered locally!

MAYBE you didn't know that the price of this 1955 Buick SPECIAL 2-door, 6-passenger Sedan has moved still closer to those of the so-called "low-price three."

And maybe you didn't know that now you can boss this broad and brawny new beauty for even fewer dollars than some models of those very same "three."

So we proudly show our price here to prove it.

But no simple dollar figures can ever tell you how much more sheer

automobile you get for your money in this '55 Buick. You have to discover that firsthand.

You have to look into the record-high V8 power that puts the whip to this dazzler—and see by sampling what that means in the lift and life and joy you feel in driving.

You have to judge for yourself how much more luxury and comfort and stability so little more money buys here—more room, more visibility,

more frame strength, more tread width, more ride steadiness.

And you have to learn by *doing* what a rich fine feeling it is to travel in the boldest new styling of the times—in beauty that's long and low and sports-car smart—and as definitely distinctive as the name on the hood.

Come in for a demonstration of Buick for '55. We promise you the thrill—and the buy—of the year.

-LEGAL-

Dora Lacy Olin, Administratrix of said estate, 8102 E. Jefferson, Detroit 14, Michigan
STATE OF MICHIGAN
County of Wayne
ss. 370,798

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the Seventeenth day of December, in the year one thousand nine hundred and fifty-four.

Present Thomas C. Murphy, Judge of Probate.
In the Matter of the Estate of RALPH MERTON OLIN, Deceased.

On Reading and filing the petition of Dora Lacy Olin, administratrix of said estate, praying that this Court amend and correct the original petition filed by her in said matter and insert thereon, as an heir-at-law of said deceased, the name of ALBERT LACY OLIN:

It is ordered, That the Thirty-first day of January, next, at ten o'clock in the forenoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

Thomas C. Murphy, Judge of Probate
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.
Dated Dec. 17, 1954
Raymond A. Sudek, Deputy Probate Register 31-33

BACK IN FASHION—This is not a picture resurrected from the "flapper" era of the '20's—it's one of the latest creations among the fall fashions. Of black jersey, fashioned by "Sportswear," it features no waistline, a loose blade belt and a wide sailor collar. Even the beads are reminiscent of the flapper era.

GENUINE PULL-CAT—Karen Mulqueen, 4, squints gleefully as "Skippy" forgets his cat-show manners, and pulls her hair during an all-breed tabby show at Jones Memorial Children's Center, in New York City.

"It's simple. First you find a place where school teachers, truck drivers and clerks have invested their savings to buy machinery and buildings. That's a factory. Then you just ask for a job!"

WE PRINT ANYTHING EXCEPT MONEY! Letterheads, envelopes, sales books, wedding invitations, business forms, booklets, handbills, etc. Phone 200 for estimates. The Northville Record.

Portraits Belong in the Home

Decorators are dreaming up unique ideas proving that portrait photographs belong in the home.
You'll see them mounted on beautiful leather mats in high fashion colors, matted on coarse linen and burlaps and fishnets, on tortoise shell paper. And in some cases, they're even mounted directly on wallpaper whose motifs lend themselves well to such treatment—like wallpapers with square or rectangular patterns. Framed portrait photographs are being hung on interesting textured backgrounds such as perforated wallboard and expanded metal lath.
Portrait photographs are now seen in practically every room of the house—not only in the living room, but in the dining room, the dinette, the bedroom, the rumpus room, the foyer and a display of portraits is an excellent way to make a monotonous spare wall interesting.

A panel of perforated wallboard becomes a perfect background for portrait photographs. The wallboard is brought away from the wall with strips of moulding so that pegs can be inserted in the perforations for easy hanging. Backgrounds such as this allow for interchanging pictures as portrait collections are added to. Use golf tees for pegs on which to hang pictures.

"Con" Langfield Puts Post Office In Good "Odor" Over New Year Holiday

No one has ever said that the service of the Northville post office stinks—far from it.

But, on the other hand, neither did the hundreds of loyal supporters of its fast and efficient handling of mail ever expect the man-made headquarters of Postmaster Leland V. Smith and his staff to have the fragrance of the prettiest spot in the Garden of Eden. It did smell nice, however, over the New Year holidays.

Now already burdened taxpayers need not rise up in heated protest over spending the taxpayer's hard earned money to perfume the post office, nor will any Congressional investigating committee call Postmaster General Summerfield on the carpet for such nonsense, if the true facts are made known.

C. E. Langfield's Northville Laboratories was expecting a quart bottle of oil, a basic concentrate for lilac shaving lotion, to be sent (or should we say "scent") from France. Broken in shipment, it has left its mark in the post office by a heavy aroma.

How heavy is the aroma? Well, if you emptied 512 bottles of shaving lotion in the post office, the present sweet-smelling effect

would be the result.

"Con" Langfield tells us that the concentrate, with other necessary ingredients, would make that many bottles of lotion.

"Con" also tells us that over in Europe, where they make perfumes, 20 tons of rose buds are crushed to produce one pound of oil of rose, a perfume ingredient. It appears that shipping the oils that go into sweet smelling things in a concentrated form isn't such a bad idea after all, even if they do get broken once in a while.

What we're trying to say is: "What in the world would 'Smitty' and his staff do with a 20-ton shipment of rose buds, if Langfield should decide to go into the perfume business on a large scale?"

Village Building Permits In 1954 Total \$425,609

Building permits valued at \$425,609 were issued by the Village of Northville in 1954. Building Inspector J. Stanley Waterloo reported to the Village commission. These included 21 new houses valued at \$254,680, 47 house alterations costing \$45,369, and 18 commercial alterations costing \$107,600. A total of 112 permits were issued during the year.

The 1954 total has been exceeded only once in the Village's history. In 1953 the total was \$515,475. This included the Community building.

Waterloo's report summarized building in the Village for the seven-year period 1948-54 as follows:

Permits	Cost
1948 88	\$332,644
1949 51	130,350
1950 63	359,280
1951 95	331,060
1952 80	279,485
1953 82	515,475
1954 112	425,609

Total 571 \$2,373,908

One significant feature of the report is that only 101 new homes have been built in Northville in the past seven years, or an average of 14.4 per year.

Demonstration Agent's Column

One of the tastiest treatments you can give a good steak is to broil it but there are some foods which aren't at their best when broiled. Emma DuBord, home demonstration agent in Wayne county, lists some of these foods. She says that veal has too little fat, no marbling and much connective tissue which needs long slow cooking in moist heat to make it tender.

Fresh pork, she points out, is not suited to broiling because much of the flavor is in the fat and broiling melts the fat away. Also, pork needs long, slow cooking to develop its full flavor and to assure thorough cooking. Like veal, pork chops and steaks need moist heat to bring out their flavor and make them more tender. Braising is usually suggested for cooking these meats.

The home agent explains that less tender cuts of meat, such as round steak, either plain or cubed, are usually braised. If broiled, the connective tissues are not softened enough and the meat will not be tender and palatable. Thin cuts of tender meat may become dry and leathery if broiled. They cook through before browning on the outside. These thin cuts could be pan broiled.

Mrs. Ray Groomer, former Northville resident, died Tuesday night at University hospital in Ann Arbor. Mrs. Groomer was a resident of Plymouth at the time of her death. For information as to time of funeral, call the Schrader Funeral home in Plymouth.

Combat Dutch Elm Disease In 1955.

Northville will spray its elm trees again this year to protect them against Dutch elm disease, which is spreading rapidly in southeastern Michigan.

This was the unanimous decision of the Village Commission Monday evening after discussing a 1955 preventive program with John Miller, of Green Ridge nursery. Miller handled the spraying program last year, covering all elm trees on Village property and along county roads inside the Village. Many property owners also had Miller spray their trees when he was doing the Village job.

Miller told the commission that several diseased trees were discovered in the Village last summer and that more probably will be struck with the disease this year. Infected trees must be cut down and burned immediately. When located on private property this is at the property owner's expense.

Green Ridge nursery was also told by the commission to work with the Village's public works department in trimming trees along Northville streets.

Hill, Ogilvie & Grenn Dissolve Partnership

Dissolution of the law firm, Hill, Ogilvie & Grenn, with offices in Northville and Detroit, was announced this week. The dissolution became effective Dec. 31.

Both Hill and Ogilvie have practiced law in Northville for several years. Although no longer in partnership, they will continue to share the same office at 113 N. Center St. Hill will also continue to practice in the firm's Detroit office.

Northville Wells Produce 9,400 Barrels of Oil

At the end of its first year, a progress report from the Northville oil field shows that eight wells in operation have produced about 9400 barrels of oil, state conservation department officials said Monday.

In addition, two gas wells are in production and eight others containing varying amounts of gas and oil have been shut in for one reason or another.

The field is located about five miles west of Northville, and the discovery well was opened about one year ago.

Since then, 49 wells have been drilled within about five miles of the pilot operation. A number of others are contemplated.

Most drilling has been to the deep-lying Trenton rock formation about 4300 feet down. In the past in Michigan, most petroleum production has come from shallower levels, but the deep well production has given hope that the Wolverine state may in the future continue to prove worthwhile for petroleum work.

Lt. Col. Herbert Berendt, with Mrs. Berendt and their three children, left Monday for Hampton, Va. after spending the Christmas holidays with the Herman Berendts and the Alfred W. Parmenters.

Gravel Pit —

(Continued from Page 1)

had been abandoned by the Northville Sand and Gravel Co., which thereby had abdicated its claim to exemption from the zoning law as a prior user.

Property Owner Protected. Discussion of the court decree at the monthly meeting of the township board Tuesday evening

centered around the fact that the court had gone a long way in protecting adjacent property.

The decree provides:

1. That the City of Plymouth be given an option to purchase approximately 17 acres of the gravel company's land to square off property on which it has wells which provide the city with water. The option price is \$500 per acre.

2. The remaining 30 acres at the southeast corner may be excavated, but not closer than 50 feet from the southerly right of way on Seven Mile and the easterly right of way on Beck.

3. All over-burden must be saved for use in refilling and re-grading the area.

4. The excavation is to start at the north side of the property and proceed in an orderly manner toward the southern boundary. After the first 100 feet is excavated the gravel company is required to plant shrubs to screen the operation from view from the roads.

5. After the gravel has been removed, probably in about five years, the entire frontage along Seven Mile and Beck must be re-filled to the same level as the roads for a distance of 170 feet from the roadway. The fill-in must be done with non-rubbish and non-refuse. Back of this 170 foot strip along the roads, the excavation must be graded on a 2 to 1 slope that will permit the growth of grass and shrubs.

6. Throughout the excavation period no washing, screening or stone crushing may be done on the property; therefore, the only equipment that will be in use will be shovels and trucks.

(The Record will print next week a more complete resume of the court decree for those persons who wish to know more detail about the protection afforded to property owners.)
