Village To Draw Contract With New Subdivider

Groundbreaking for the first 18 homes in the Yerkes subdivision development will be speeded up as a result of action by the Village commission Monday.

The commission ordered Village Attorney Philip Ogilvie to draw up an agreement with the D and R Building Co. of Detroit, for consideration at its next meeting Feb. 7. This will cover the charge which the Village will make for water connections to the new houses, its commitment to furnish sewer and water service, and the subdivider's agreement to stand the cost of certain improvements inside the subdivision.

Commissioners John F. Stubenvoll, A. Malcolm Allen and E. C. Welch, appointed earlier in the year to hold discussions with the Detroit firm, were named by Ogilvie to assist Ogilvie in drawing up the agreement.

It is estimated that ground will be broken for the first dwellings about 60 days after the signing of the contract between Northville and the builders. In the meantime, necessary preparatory work will be rushed to assure the earliest possible start, Robert Krue asserted. He is associated with the D and R Building Co.

65% of Homes Due in Two Years
The first group of 18 homes will be built on Novi Rd., north of Baseline Rd., adjacent to the Oakwood subdivision.

The proposed contract, designed to expedite a start on the project and protect both the Village and the persons promoting it, will probably call for completion of 65 percent of the dwellings within two years, a copy of the agreement between the Benecke interests and the Yerkes family, agreement on sharing the cost of a pumping station necessary as the number of homes grows beyond the original 18, and details of connecting with the Village sewer and water system.

Robert Krue, representing the Detroit firm, told the commission that his firm is paying the Yerkes family double the price of the remaining acreage for the land on which the first homes will be erected.

University Women Meet In Plymouth

The Plymouth branch of the American Assn. of University Women will meet Thursday, Jan. 20 at 8 p.m. in the home of Mrs. F. B. Foust, 9072 S. Main St., Plymouth. The co-hostesses will be Miss Mildred Field and Mrs. W. R. McCabe.

The Legislative Study Group will sponsor the meeting and Mrs. Taylor Seeber, a member of the Grosse Pointe branch of AAUW, will discuss the National Legislative program of the AAUW. Mrs. Seeber was a member of the state legislative committee and is now a member of the national committee.

Stubenvoll, Strautz Promoted By Depositors Bank

The promotion of John F. Stubenvoll and Charles F. Strautz by directors of Depositors State Bank Tuesday was announced by President A. Russell Clarke.

Stubenvoll succeeds Clarke as cashier. Clarke was elevated to the presidency after the death of John Boyce last fall.

Strautz has been made assistant cashier and auditor. Re-elected were Charles H. Walker, vice-president, and Leona Parmalee, assistant cashier.

Directors were also re-elected. They are E. M. Bogart, A. Russell Clarke, M. C. Gussell, R. M. Terrill, Charles H. Walker, G. C. Woodworth and D. P. Yerkes, Jr.

Announcement was made of the declaration by the board of a regular dividend of 75 cents a share payable Feb. 1, to stockholders of record Jan. 15. Earnings for the year, after reserve for estimated 1954 income taxes, were indicated at \$3.83 per share.

Colts Are Tamed By Milford Five

The Northville Colts dropped another game last Friday to the Milford reserve team by the score of 56 to 46. After trailing 22 to 9 at the end of the first quarter, the yearlings put on a last half surge to come within three points of tying up the score.

Since the loss of two of its best players to the varsity team, the reserves have been fighting an uphill battle. Their efforts in the last game showed marked improvement and the Colts will be looking for another win tomorrow night when they take on Holly.

Roger Nieuwkoop was high scorer, with 18 points. The entire squad saw action while four of the starting five were eliminated because of fouls before the game was over. A total of 54 fouls were called in the game.

P-TA Will Show Camp Trip Movie On January 27th

Thursday, Jan. 27 at 8 p.m., the Parent-Teacher Assn. will present a program in the grade school lunchroom. It will feature motion pictures, picture slides, displays, and a short explanation of the successful camping trip taken by two fifth grade classes last May.

Under the direction of Miss Margaret DeKett and Mrs. Wilson Funk about 60 fifth grade adventurers spent a week at the Albert Sleeper State park.

Miss DeKett and Mrs. Funk will discuss their objectives during this experience, and relate through movies, tape recordings, and displays, the origin of the trip, how it was financed and what success and what troubles were encountered. The project, rich in its educational values, promises to be the subject of an interesting and inspiring program.

Refreshments will be served. All friends of the school are invited to attend.

Higher Water Rates Proposed For Northville

Marilyn Holman

Marilyn Holman Testimonial To Value of March of Dimes Giving

If a 'testimonial to the value of polio treatment made possible' by the National Foundation of Infantile Paralysis is needed to stimulate cheerful support of the organization's March of Dimes fund raising drive, Mr. and Mrs. Robert Holman, 17875 Beck Rd., will gladly take the stand.

They will offer as evidence their three-year-old daughter, Marilyn, who today might be wearing braces if she had not been rushed to University hospital at Ann Arbor last Oct. 15 when doctors told her parents she was suffering from polio.

Pretty, curly-headed Marilyn was more fortunate than many, for she had to spend only 35 days in the hospital. While there, her costly treatments were paid for by the National Foundation for Infantile Paralysis.

The picture above shows Marilyn fully recovered and able to live a normal life, whereas with-

out the excellent care which was provided under the Foundation's auspices, she might be facing the future as a cripple.

The Holmans also have two sons, Bobby, 7, a student at Northville school, and Randy, 4.

Mothers' March Readied for Jan. 27; Jars Collect Dimes

With plans being completed for the annual Mothers' March Thursday, Jan. 27, Northville residents were in the meantime showing their generosity to the March of Dimes by depositing contributions in the counter canisters.

Mrs. Eldon Biery, Northville chairman, said that nearly 100 persons will solicit in the Mothers' March from 7 to 8 p.m. The Northville area will extend from Eight Mile Rd. to Haggerty Rd. and from Five Mile Rd. to Napier Rd. Novi solicitors will call on residents of the Oakwood subdivision, Mrs. Biery said.

The volunteers will visit every home where a porchlight, candle, or lamp shining in the front window indicates that the resident wishes to give to the fight against polio sponsored by the National Foundation for Infantile Paralysis.

Under treatment now in Herman Kiefer hospital for polio, Mrs. Charles Butler, 46170 Bloomerest Dr., was whisked in an ambulance from the hospital to the home purchased by the Butlers Sept. 10, three days before she was stricken.

She was carried on a stretcher through the home, furnished with selections by her husband. Butler emphasized the value to her of having the satisfaction of having a "look-see at the house after four months of rough going."

Mrs. Butler is spending her days at Herman Kiefer in a chest respirator and nights in an iron lung. Mr. and Mrs. Butler have a two-year-old son, Bradford. A Detroit newspaper used a picture spread to cover Mrs. Butler's trip.

Another subject of several photos in a Detroit daily was Katherine "Casey" Clendening, six-year-old daughter of Mr. and Mrs. Carl Clendening of Northville. Katherine, also a Herman Kiefer patient, became ill Nov. 25 with bulbar polio and spends all of her time in an iron lung.

POLICE SERGEANT Gil Glasson spurred contributions to the March of Dimes in three locations by promising to furnish the last dime in each large counter card. He shows Mrs. Eldon Biery, March of Dimes chairman for Northville, the final step in filling 18 cards from the Northville Restaurant, Northville Hotel bar and Ramsey's bar. The 18 cards had been filled by Wednesday noon. They represent a total of \$151.20 for the drive. Glasson is plugging hard to see the sum rise substantially before the solicitation ends Jan. 31.

Events Listed For January 20 Skating Meet

The skate meet, sponsored by the Optimist club and the Recreation Dept., will be held Jan. 30 at 2 p.m., weather permitting. Ice on the mill pond is six inches thick and the ice should be in good condition. Those boys and girls who are afraid to enter because they think they aren't good enough should not be discouraged from entering the races.

Usually, the one who wins the race is the skater who can stay on his or her feet for the distance, Stanley Johnston, recreation director, said.

There will be races for the adults in the senior class for those 18 years old and over. They are welcome to enter at any time or at the time of the races.

Trophies and medals will be offered as prizes for the first, second and third places in that order.

Two Races In Each Contest
Each class will consist of two races, the 440-yard dash and the 220. The 440 will be two laps around the track and the 220, one. The winners will be determined upon the basis of points. Thirty for first, 20 for second and ten for third.

If the contestant competes in two races in his class the highest possible score he or she could accumulate would be 60 points and this would win the trophy to be given for that division. The second and third highest number of points would win the silver and bronze medals in that order.

Here is a list of classes or divisions to be entered:

Senior men, (18 years and over), 440 and 220-yard dash; senior women, (18 years and over), 440 and 220-yard dash.

Intermediate
Intermediate boys, (16 to 17) 440 and 220-yard dash; intermediate girls, (16 to 17), 440 and 220-yard dash.

Junior
Junior boys, (14 to 15) 440 and 220-yard dash; junior girls, (14 to 15), 440 and 220-yard dash.

Juvenile
Juvenile boys (12 to 13), 440 and 220-yard dash; juvenile girls, (12 to 13), 440 and 220-yard dash.

Midnet
Midnet boys (10 to 11), 220 and 100 yards; midnet girls, same age and distance.

Cradle
Cradle boys, (8 to 9), 220 and 100 yards; cradle girls, same age and distance.

Toddler
Toddler boys, (7 and under), 100 and 50 yards; toddler girls, same age and distance.

Entries should be made ahead of time. However, anyone can enter at the time of the race.

Calendar of Events

NORTHVILLE

Jan. 20—Second lecture in Co-ordinating council series. Speaker, MSC Assoc. Prof. Frank W. Suggitt, 8 p.m. at Community Bldg.

Jan. 20—WILPF meets with Alta Powers, 227 Hutton, 1 p.m.

Jan. 21—American Legion pancake and sausage supper, 6 to 9, at Legion hall.

Jan. 21—Orient Chapter No. 77, 7:30 p.m.

Jan. 21—21-22—Am. Legion Auxiliary rummage sale, Veterans' Memorial hall, 9:30 to 5:30.

Jan. 21—Northville Woman's club meeting. Speaker, Norman May.

Jan. 22—Couples club square dance, Presbyterian church, at 8:30. \$1 couple. Everyone invited.

Jan. 22—Northville Mothers' club guest night at grade school.

Jan. 24—BPW meets at Methodist church house. Dinner at 6:30. Mrs. Imogene Leonard to speak on dolls. Doll exhibit.

Jan. 25—American Legion Auxiliary pot-luck supper and meeting 6:30.

Jan. 25—Circles of WSCS of the Methodist church meet at 12:30 for pot-luck luncheon and business meeting. Bertha Neal Circle meets with Mrs. Russell Clarke; Grace Tremper with Mrs. Ed Bogart; Lucy Filkins with Mrs. Charles Logeman.

Jan. 26—Adult athletic program in Community Bldg.

Jan. 27—P-TA, 8 p.m., Grade school lunchroom.

Jan. 27—Rev. E. M. Moffat, guest speaker at Methodist church, 7:30 p.m., will speak on India.

Jan. 28—American Legion fish fries start on this date. Serve from 6 to 9, American Legion hall.

Jan. 29—University of Michigan Glee club Community Bldg. at 8:30.

Jan. 29—VFW open house at post quarters from 12 to 5 p.m.

Jan. 30—Skating meet for Village and Township boys and girls, Mill pond, 2 p.m.

Feb. 2—Adult athletic program in Community Bldg.

NOVI

Jan. 21—Winona club meets at home of Mrs. Amelia Ford, 216 West St., 1 p.m., Pot-luck.

Jan. 21—March of Dimes card party, 8 p.m. in Community Bldg.

Jan. 27—Novi Mothers' March, 7 to 8 p.m.

Jan. 30—Annual AmVet breakfast at Community Bldg.

Feb. 2—Adult athletic program at Novi Community Bldg.

Feb. 5—Novi AmVets dance at post hall, Wixom, 9 to 1:30.

Feb. 12—Novi Chamber of Commerce Ladies' Night.

To Hold Open House Sat. In Observance of VFW Week

Northville Post 4012, Veterans of Foreign Wars, will observe National VFW Week with an open house at the post quarters Saturday, January 29 from 12 to 5 p.m., Commander Arthur Ash announced Wednesday. The public is invited. Mayor Claude N. Ely signed a proclamation designating the week as one of tribute to VFW.

Engineering Firm Says Present Rates Don't Cover Costs

Water rates that would increase the revenue of the Northville Water department approximately 58% annually were suggested to the Village Commission this week by independent engineers retained more than a year ago to analyze the local system's rate structure.

The engineering firm also told the Commission that Northville's present water supply would be exhausted at the end of three hours in the event of a large fire.

The firm suggested drilling an additional well to remedy the latter deficiency. It also said "the revenue from present rates has been proven inadequate, and if the system is to be placed on a sound financial basis, rates must be considerably increased."

Report Is Mildly Critical

A letter from the firm, which accompanied the formal report, was mildly critical of the Village's cost accounting, and also of delay in receipt of information from Village officials. "The cost accounting detail in the auditor's reports is not sufficient in some cases to make the type of analysis that would normally be desirable . . ." the letter said. "Also, we have not yet received from the Village, as previously requested, certain physical data concerning plant and system, including wells, pumping units, mains, chemical analysis of water and other information which would have been of assistance in preparing our report."

Rates Inadequate

The firm's analysis of the water system's revenues and costs over the past six years showed that "the present rates are inadequate to properly provide for the present water department requirements, without regard to the increasing demands and necessary additions and extensions." In only two of the six years has the system earned a small profit, and this has been less than \$1,000, the report shows. The table below shows financial results:

1948-49	Loss \$9,092
1949-50	" 5,254
1950-51	" 1,637
1951-52	" 253
1952-53	Profit 75
1953-54	" 904

The report says "an additional well and well house and pumping unit should be soon provided, together with necessary connections to the distribution system. Certain additional valves, mains and other work also will be found to be called for. Without establishing at this time the exact improvements to be provided, it is estimated that the revenues from new rates should be adequate to cover the fixed charges on \$100,000 of new improvements, plus any additional operation and maintenance charges involved."

Suggested New Rates

Rates suggested by the engineering firm are 50 cents per 1,000 gallons for the first 6,000 gallons used per quarter, 25 cents per 1,000 gallons for the next 14,000 gallons used per quarter, and 11 cents per 1,000 gallons for all water used in excess of 150,000 gallons per quarter. A hydrant rental charge of \$50 per hydrant is also proposed.

It suggests that minimum charges per quarter could be as follows:

Per Quarter	
1 1/2" meter 6,000 gal.	\$ 2.75
3/4" meter 6,000 gal.	3.00
4" meter 14,000 gal.	5.00
1 1/2" meter 28,000 gal.	8.50
2" meter 56,000 gal.	15.50

Applying the above rates to water use in 1953 would have produced a revenue of \$24,650 from metered water. An additional net hydrant charge of \$3,950, would have shown total revenue of \$28,600, compared with actual revenue of \$15,669.

Tomorrow's Citizens

Top row, left to right: Kathy, 8, daughter of Mr. and Mrs. Robert Lyke of Coldwater, Mich.; Carolyn, 11, Bobby, 7, bottom row, left to right, Mary Lou, 5, children of Mr. and Mrs. Edwin Langtry; Dennis, 1, Mike, 4, children of Mr. and Mrs. John Gatterli, Wixom.

(Continued on Page 12)

FOUR PERSONS were injured and one auto demolished in a collision Sunday night at Grand River and Wixom Rd. between cars driven by Vernon Wilson, 28, of 1430 Ladd Rd., Walled Lake, and Glenn E. Killeen, 19, of 26399 Beck Rd., Novi. Killeen's car was wrecked after leaving the highway and turning over several times. No police charges had been taken against the drivers. Mary Lou Wilson, 19, of 1420 Ladd Rd., Walled Lake, suffered head injuries. Killeen, with a fractured skull, and Gerald F. Becker, 43500 Grand River, with a fractured ankle and scalp lacerations, were taken to Sessions hospital, Northville, and later to University hospital, Ann Arbor. Cris J. Sickilla, 16, of 216 Sibley, Wixom, sustained leg lacerations.

Social News

Mrs. J. W. Erwin was honored at a pink and blue shower Thursday evening at the home of Mrs. David O'Leary in New Hudson. For the evening's diversion the guests played buncos with Mrs. Hilda Little winning first prize. Other guests were Mrs. Clifford Glenoweth, Mrs. James Erwin, Mrs. Edward Erwin, Mrs. Irene Raney, Mrs. Gladys Earl, Mrs. Robert Black, Mrs. Wagner, Mrs. Viola Seeley, Mrs. Harold Miller, Mrs. Stanley Orzechowski and Mrs. Luther Rix. Mrs. Erwin received a variety of lovely gifts after which Mrs. O'Leary, assisted by Mrs. Chenoweth, served a luncheon.

On Saturday evening, Mr. and Mrs. Luther Rix entertained at a birthday dinner in honor of their daughter, Mrs. David O'Leary. Others present were Mr. O'Leary and Randy, and Mr. and Mrs. Edward Rix and David of Plymouth.

Mike Rackov is back home again after two weeks in St. Joseph hospital in Ann Arbor.

John and Mitchell Rackov are home for a period of two weeks while mid-term examinations at the University of Michigan are in progress.

Mrs. Paul Ginstle of Novi was to sail Thursday on the Empress of Scotland for a three weeks' Caribbean cruise. The cruise will

include docking at Haiti, Puerto Rico and the Virgin Islands. From there the ship sails to Curacao and Venezuela. It returns through the Canal zone, docking at Jamaica and Havana, enroute to New York.

Mr. and Mrs. John C. Archibald are home after spending two months in Bradenton, Fla. Visits with vacationers Mr. and Mrs. Alfred Ennis of Plymouth and the Neal Hannafords of Northville highlighted their holiday activities.

The Winona club will meet for a pot-luck luncheon at 1 p.m. Friday, Jan. 21 at the home of Mrs. Amelia Ford, 216 West St. The luncheon will honor club members who have had birthdays in January.

Mr. and Mrs. Matthew Boring were the weekend visitors of the Fred Canning family of Grosse Pointe Woods. Canning is Mrs. Boring's nephew.

The Charles C. Bonars enjoyed a visit with their young grandson, Terry, and his parents, Mr. and Mrs. James Smith of Livonia last week end. Sunday dinner guests included Mr. and Mrs. Harry S. Wolfe, also of Livonia.

Several neighbors and friends of Mrs. Matthew Boring dropped in Tuesday afternoon for a visit and to say happy birthday.

The E. G. Lowrys will be settled at their new address on Wixom Rd. sometime this week. Mrs. Lowry is the sister of Mrs. William E. Cox and the daughter of William A. Evans, also of Wixom Rd.

Lucien Dandison is now a patient at Novi Convalescent home.

Mr. and Mrs. Glen C. Salow and Mr. and Mrs. Glen Salow, Sr. returned last week from a vacation in Florida. On the way home Mrs. Salow, Sr. had the misfortune to fall and injure her ankle. She is at Atchison Memorial hospital, Northville.

Benefit Card Party

Don't forget the March of Dimes card party Friday, Jan. 21 at 8 p.m. in the Community building. Tickets are available at the door or call Mrs. Jack Eby. Highlight of the evening will be when Township Supervisor Frazer Staman will crown the queen of the March of Dimes. There will be a table prize and refreshments. Co-chairmen are Mrs. Vincent Hayes and Mrs. J. D. Mitchell.

The Novi Mothers' March will be held Thursday, Jan. 27 from 7 to 8 p.m. Mrs. Dorothe is in charge of the March of Dimes and anyone desiring to help for an hour in the worthwhile project is asked to call and offer their services.

Sunshine Club

Mrs. Robert Davis and Mrs. B. F. Davis entertained the Sunshine club last Wednesday at the Davis home on Twelve Mile Rd. After a pot-luck dinner the officers for the coming year were elected: president, Mrs. Bertha Wood; vice-president, Mrs. B. F. Davis; secretary, Ruth Pritchard, and treasurer, Hattie Garlick.

W.C.T.U.

Newly elected officers of the local union of the W.C.T.U. are Eva Gleason, president; Susan Mairs, vice-president; Bill Walter, secretary; and Hattie Garlick, treasurer. The February meeting will be held at the home of Mrs. Andrew McCollum on Eleven Mile Rd.

Shown above is the architect's drawing of the Novi school building as it will appear when the new 10-room addition is completed. The new addition is the long one-story structure on

the right. It will form a south wing to the existing two-story main building. Completion date for the building is set for early fall. Charles Lane, architect, Ann Arbor, designed the building.

New Novi School Features Described

Charles Lane, Ann Arbor architect, outlined many of the outstanding and unusual features of the new \$200,000 Novi-school addition at a meeting of the Mothers' club last Monday evening at the Novi Community building.

The building, a one-story, all-steel frame structure, will form a south wing to the existing main building. It was decided to build the new addition to the south instead of the east to preserve the existing tennis courts and athletic field facilities.

The facing on the addition will be of brick which will closely resemble the material used in the original building. Interior walls will be of cinder block construction with steel reinforcing. The roof will be a butterfly type supported by steel beams. This combination of cinder block, brick, and steel is designed to provide a fine resistant structure of the latest design.

In addition to fluorescent lighting, each classroom will have two bubble type plastic skylights.

Each classroom will also have individual controls for heating and ventilating. The heating for the building will be a hot water system which can also operate as a ventilating system in periods of

hot weather.

In addition, five of the rooms will have their own individual wash basins. All rooms will be equipped with coat closets for the pupils.

Each classroom will have its own color scheme, with the exception of the blackboards—which won't be black. They aren't called blackboards anymore. They're called chalk boards, and they're green instead of black, for easier reading. The chalk will still be white.

Another useful feature of the new building will be locker rooms. When the Community building was designed and built, no funds were available for locker rooms. Since that time, school athletics

have become an increasingly important part of the community program.

Novi Scout News

BOY SCOUTS

"Railroad" was the theme of the meeting of the Boy Scouts at the Novi Community building. Flag ceremony was by Den No. 1. Bobcat ceremony was by Dennis Ray, Keith Crawford, David Cook and Dennis Cook.

Advancements: Bear badge, one gold, one silver arrow, William Erwin, James Frisbie and James Nicolow; Lion badge, William Gregory, one gold and one silver

arrow; arrow achievements, Ronnie Earle, one silver arrow; Russell Stevenson, one silver arrow. All of the dens had skits and took part in the closing ceremony after which they all saw a movie. Refreshments were furnished by Den No. 3.

GIRL SCOUTS

Troop No. 602 met at Novi school Wednesday, Jan. 12. The girls made year books. Leaders were assisted by Program Aide Nadine Hayes and Judy Wood. Treats were furnished by Beth Ann Remein.

Troop No. 493 met at the school and made plans for a service project for the children's hospital. They discussed presentation of year pins. Christine Larson brought treats.

Troop No. 492 worked on Girl Scout laws. Leaders were assisted by Mrs. Cheeseman and treats were furnished by Judy LaFond and Lissa Schwartz.

The new Intermediate troop, under leadership of Mrs. Brun, met in the Community building. The girls had a display of International projects and worked on first aid. They had election of officers and patrol leader is Martha Goodfellow; secretary, Linda Loyne, and treasurer, Linda Kolk.

Senior Girl Scouts met at the home of Mrs. Ken Bassett. Four new members were welcomed into the troop. They were Sharon Edelman, Judy Wood, Claudia Mairs and Jackie Bailey. The girls made posters for the March of Dimes. Joan Bassett treated the girls to hot ginger bread with whipped cream. Nadine Hazen and Carol Wendland attended the Senior Planning board in Royal Oak.

Troop No. 491 opened their meeting with Girl Scout ceremony and they worked on bill-

AmVet Activities

The date of the dance which the Novi AmVets will sponsor at the post home in Wixom has been changed from Feb. 5 to Saturday evening, Feb. 19.

Tentative plans have been made for a spaghetti supper at the post home Feb. 26.

Sunday, Jan. 30, the annual breakfast will be held at the Novi Community building. Election of officers and installation will follow. State Commander J. Carroll Kay will install the newly elected officers.

Feb. 5 and 6, several members of the Novi AmVet post will attend the mid-winter rally in Grand Rapids. Post officers will attend classes for instruction in their duties as officers.

The Novi AmVets will participate this year in the annual \$2000 scholarship given by AmVets to a boy or girl whose father, either disabled or killed in World War II. The AmVets are seeking information from Farmington, Wallend Lake and Northville areas on possible recipients for the award.

Treats were furnished by Velma Pounders and Frieda Angel and closed with good night circle.

Troop No. 456 met at the home of Mrs. Jack Eby and each girl brought an idea for a Valentine gift for their mother. Mary Schenmann had opening and Dorothy Wood the closing. The girls also made plans for starting work on camping badges.

Mrs. Jack Eby, Mrs. Pauline Bassett, Mrs. Vincent Hayes and Mrs. Leslie Clarke attended Troop Camp course in Royal Oak Jan. 12.

Record Want Ads Bring Results

State Is Buying Road Right-of-Way

Two representatives of the Michigan State Highway Dept. were at the Novi Township hall Jan. 11 and 12, buying right-of-way property for the proposed US-16 limited access highway.

Actual work on the highway, which when completed, will furnish a limited access expressway from Farmington to a point just east of Brighton, will begin this year.

The state highway representatives had aerial photographs of the entire new route. They explained to property owners exactly where the new expressway will run, and also negotiated for the purchase of the required right-of-way. The representatives will be back at a later date to interview more property owners who are affected by the new road.

The road will have its eastern end and the junction with the present Farmington cut-off. On its western end, it will join Grand River again at the present intersection of US-23 and US-16, one mile east of Brighton.

It will bisect Novi township and will cross Novi Rd. at a point where the John Klaserner, Jr. home now stands. The Klaserner's home, a gray cement block dwelling, is at 28769 Novi Rd., just north of the school.

Cost of the project will be approximately \$11 million. Sixty per cent of the cost will be paid from federal funds. The remainder will be state funds, with the exception of the overpasses in which the county will share a small portion of the cost.

Work on the overpasses and limited access intersections, which will account for a major portion of the funds and construction time, will start later this year.

A tentative completion date has been set for 1957, at which time the present Grand River will assume the status of a county road.

Over 100 See Rebekahs Installed

Approximately 100 people attended Rebekah installation of officers Saturday, Jan. 15 by the Past Noble Grand.

The new officers installed were Grace Frisbie, Noble Grand; Thelma Cheeseman, Vice-Grand; Margaret Marshall, recording secretary; Gladys Hayes, treasurer; Anna Ortwin, financial secretary; Kathryn Bachert, R.S. to Noble Grand; Gertrude Enders, L.S. to Noble Grand; Elva Bean, warden; Marcella Richards, conductor; Ruth Woodworth, inside guardian; Celia Sharpe, chaplain; Doris Darling, R.S. Vice-Grand; Olga Tuck L.S. Vice Grand.

A pot-luck lunch was served in the dining room after installation.

On Wednesday, Jan. 12, Mrs. Frazer Staman and Mrs. Charles Trickey, Sr. visited the Ferndale lodge. Mrs. Staman was the installing officer of the Past Noble Grand Assn. of District No. 6. A luncheon preceded the installation of the Ferndale officers.

The Past Noble Grand will install new officers at Clyde Rebekah lodge Jan. 20.

The Past Noble Grand club will meet Jan. 26 at Sister Dorothe Snow's residence. Pot-luck dinner will be served at noon.

On Wednesday a basketball (Continued on Page 11)

Styling that's stealing the thunder from the high-priced cars!

It costs no more to form a sheet of steel into a graceful shape than it does an awkward one—so price has nothing to do with styling. Only the talent of its designers determines whether a car is a delight to the eye or it isn't.

You couldn't find more pointed proof of this than the 1955 Chevrolet—for here is a low-priced car that has snatched the styling spotlight, overshadowing even the highest-priced creations with its subtle sweep of line, the bold rake of its deep-curved windshield.

New V8 and two new 6's

But the Motoramic Chevrolet has advances in engineering that even surpass its styling. There are three ultra-efficient new engines—the 162-h.p. "Turbo-Fire V8" and two "Blue-Flame" 6's. There is a whole new chassis design, with spheri-

cal-joint front suspension that spurns bumps like a swallow skimming a lake, and Anti-Dive braking control to check that sharp "nosing down" of the front end.

There are three new drives—sturdier Synchro-Mesh and, optional at extra cost, a slicker Powerglide automatic transmission or the flexibility of Touch-Down Overdrive . . . plus all the power helpers you could wish. Try a 1955 Chevrolet—now—and find out why it is stealing the thunder from the high-priced cars.

MORE THAN A NEW CAR . . .

House in Path of U. S. 16 By-Pass

THE NEW US-16 expressway between Farmington and Brighton will make a change in the lives of the John Klaserner family, whose home is shown above. The new highway will intersect Novi Rd. at the exact spot where the Klaserner home now stands at 28769 Novi Rd., just north of the grade school. Cost of the Oakland county portion of the highway is estimated at \$11 million.

What's going on among your friends? The Record wants to print all the news each week about our Novi neighbors. Phone Mrs. Luther Rix, 245-J, or the Record office, 200 and 1101, so we'll be sure to know the news.

Novi News

All the news about Novi Township affairs, doings of its various civic organizations and social groups. What has happened—what's going to happen—and when. Read the Record to know what's going on.

"IT ALL STARTED WHEN I DIDN'T HAVE ENOUGH HOT WATER FOR SHAVING"

So many troubles start just the same way! There are more than one hundred household uses for hot water and a shortage of that essential commodity is mighty frustrating.

End your water worries with a new automatic Gas water-heater. It's 3 times faster than any other kind run by an all-automatic fuel, yet it actually costs less to buy, install and use.

NOVI'S NEWEST INDUSTRY—In lieu of a huge neon sign which will soon identify this structure to all passersby, we'll introduce it. The new building will be the home office of Paragon Construction Co., fabricators of structural steel. The building is located on Grand River, just west of Novi.

Production Starts At Paragon's New Factory

The Paragon Construction Co. began production last Monday in its new factory on Grand River, just west of Novi, according to Gilbert Innes, Paragon's secretary. Employment will increase gradually to approximately 125 persons.

Work was finished only last Friday on completely enclosing the structure. Final sections of windows and walls were put in place just before the company began moving in its manufacturing equipment and materials.

Paragon is a fabricator of structural steel used in buildings, bridges, and heavy construction. It also manufactures material handling equipment for the railroad and automotive industries. In line with its business of fabricating structural steel, Paragon built its own factory. Construction began last August.

According to Frazer Staman, Novi township supervisor, Para-

gon chose the Novi location because of the fine railroad and highway facilities available in the area.

Beginning early in February, Novi residents and passersby will have little trouble identifying the new factory. A neon sign, with letters approximately 16 feet high, will be erected across the top of the building. The letters will be in gold on a blue background.

Although manufacturing began last Monday, the entire facilities of the plant will not be in operation for three or four months, according to Innes.

At that time, Paragon's main office will move from its present location at 26290 W. Eight Mile Rd. in Southfield township, to the new Grand River building.

The Paragon Construction Co. was organized in September, 1947. It is headed by Frank DePodesta of Detroit.

Northville churches invite you to their services. Every week the Northville Record lists the time of services of the various denominations.

Two Democrats Try for Novi Offices

The Democratic party will have two candidates for Novi township offices at the Feb. 21 primary election against 12 running on the Republican ticket.

Frazer Staman will run unopposed for township supervisor on the Republican ticket.

Earl Banks, the incumbent, will run against Leo Harwood for township clerk. Both are Republicans.

For township treasurer, Russell Woodworth, the incumbent, heads the Republican ticket unopposed.

Competing for the trustees' position in the township will be Mrs. Richard Noble, Democrat. Opposing her will be Frank Clark, incumbent, and Charles Trickey, Jr. Bernard Kitson, the other Republican incumbent, is not running for re-election.

For justice of the peace, Herbert Koester, Democrat, will run against Republicans John Flannery and William MacDermid.

The office of township constable seems to be the most popular

Call For School Bids Planned For Early Feb.

Final blueprints were checked Tuesday, Jan. 18 for the new \$200,000 10-room addition to the Novi school, according to Mrs. Louis A. Larson, secretary of Novi School District No. 8.

The building, which was authorized by a special election last Sept. 27, will house students of the Novi and Putnam school districts. Students from the Putnam District No. 9 will attend the school on a tuition basis as in past years.

and an all-Republican slate is running. Wilbert C. Patterson and Verne Loeffler, both incumbents, will run against Harold Miller, Duane Bell and Glen Salow, Jr. Closing date for registration for the Feb. 21 primaries will be Monday, Jan. 24. The final election will be Apr. 12.

Upon approval of the final blueprints by the members of the school board, a call for bids will be issued. No final date for submitting bids has been set, but it will probably be early in February, according to Mrs. Larson.

Actual construction of the building is tentatively set to begin about the end of February. By September, when the fall semester begins, school board members hope to see at least half of the rooms completed and in use.

Sale of Bonds Set For Expressway To Parallel US-16

Another step in the progress of getting a new four-lane highway between Brighton and Farmington started early this year will be made Thursday morning when bids from investment houses for a \$5,000,000 bond issue will be opened.

The cost of the 23-mile, divided route will be \$11,000,000. It is to be covered by the sale of these bonds, plus current motor vehicle revenues and federal aid as the project advances.

With the present means of financing, and federal aid as the project advances, it is expected that the expressway will be finished in three years, according to First of Michigan Corp., Detroit investment securities firm.

Under ordinary procedure, on a pay-as-you-go basis, the construction would require about 10 years, it adds. Blyth & Co., New York, and First of Michigan are co-managers of one of the several syndicates expected to bid for the issue.

sue. The bond issue would be paid off by 1974.

Room for More Lanes
Oakland county supervisors have voted to participate in the construction costs of the limited-access highway, which will have a right-of-way wide enough for future additional lanes, if needed.

Brighton-Farmington expressway, starting from US-23 easterly, will be a short distance north of present US-16 to Kent lake.

There, it will connect with the bridge over the Huron river which was completed in November, 1948. This bridge already has a four-way route.

East of the bridge, the new construction will also be a short distance north of the old US-16 as far east as Halstead Rd., just west of Farmington. At this point the present US-16 cut-off starts the by-pass of Farmington on the south.

Here the new expressway will swing slightly south of the present cut-off and parallel the cut-off easterly to a junction with the present US-16 divided route just west of Middlebelt Rd.

Teenagers Fined By Novi Justice

Three teen-age youths were fined for excessive noise and improper mufflers after appearing before Novi Justice of the Peace Edmund P. Yerkes Jan. 13.

The youths were apprehended the evening of Jan. 9 by Novi Director of Safety Lee BeGole. Their cars were equipped with the so-called "Hollywood" type mufflers which amplify rather than silence the sound of the exhaust.

Fined were Harold Karry, 19, Livonia, \$10 and \$15 costs; Dave Whalen, 19, Livonia, \$20 and \$15 costs, and Frank E. Eckles, 19, Northville, \$10 and \$15 costs. Eckles and Karry were first offenders.

(We liked this editorial in the Wall Street Journal a few days ago. What a grand idea for all of us—if it would only work.)

Bookkeeping With Mirrors

Many a man harassed with debts has probably thought how nice it would be if by just pretending he didn't owe that mortgage on his home he could make the debt go away.

In fact, some men harassed by creditors have tried to improve the appearance of their affairs by forgetting to list some of their debts on the balance sheet.

Ever since the managers of the Federal Government began to be harassed by its debts some twenty years ago they have been repeatedly charmed by the same temptations. There has been a parade of schemes for "modernizing the budget" which, when examined, prove to be schemes for pretending that things are better than they are.

The so-called "capital budget" proposes to take large expenditures for public works and the like and put them outside the regular budget; their cost would not be considered a part of the regular expenditures and hence would not be computed in the deficit. The adoption of an exclusively "cash budget" is sometimes urged; the substitution of this for the regular budget would let the Government forget about any accrued expenses while it happily spends all its current revenue.

Now still another scheme, which seems at first glance to be simplicity itself, is being talked of in connection with the huge new highway building program that will be presented to this Congress.

This highway program as proposed by a special committee will run into many billions of dollars; the committee estimates the Federal Government's share at \$25 billion. The problem is how to fit this large expenditure into a budget already several billions in the red and how to borrow the money without swelling an already-swollen public debt.

The committee wants to set up a special Government-owned "highway corporation" and let it issue the bonds. These would not technically be debt obligations of the Treasury. But to protect the investors and make these bonds attractive, the Treasury would pledge itself beforehand to pay the corporation each year a sum sufficient to

pay off the bonds. The money for this would come out of the Government's current regular revenues from gasoline taxes and such additional taxes as it might levy in the future.

It is also suggested that this special corporation be given the "mandatory power" to tap the Treasury for loans up to \$5 billion whenever it gets short of funds.

Thus so far as the creditors are concerned there is the security of a charge on the faith and credit of the public treasury. But the Government's books will suggest its debt hasn't increased a bit.

The scheme borrows the color of legitimacy from analogy with the many toll road or bridge authorities already in existence. But these are, where properly constituted, self-contained operations having their own revenue and responsible for their own debts. This proposal would set the debt outside the Treasury's books while leaving the Treasury all the liabilities, actual and contingent.

This would be a plain piece of pretense. It's only effect would be to mislead people as to the true state of their Government's financial affairs, and to let some political managers boast that they had accomplished a piece of fiscal legerdemain.

If we have to go deeper into debt to finance this highway program let us at least not kid ourselves about what we are doing. Let us keep an accounting system that reflects the true state of affairs, however harassing.

A man hasn't profited himself a bit, and he can delude himself into deeper trouble, by hiding a mortgage from himself behind trick mirrors.

Michigan Mirror

by Gene Alleman

BITTER ECHOES of 1937 are resounding in the Michigan Senate. Now, as then, victorious Democrats are trying to strengthen their hand in the legislature.

Republicans who hold majority on the Committee on Committees deftly side-stepped the maneuver.

Only Democrat on the committee, Lt. Gov. Philip A. Hart, asked for "proportionate representation" for Democrats on all standing committees "in all fairness to everyone concerned."

In the past, Democrats have been given membership on each of the committees which must approve all legislation before it goes to the floor for a full Senate vote.

Republicans flatly rejected the request of Hart and reminded him that Democrats were less inclined to share committee assignments when they wielded the political whip.

Senator Creighton R. Coleman (R-Battle Creek), Republican caucus chairman, came up with the

statistics:
"In 1937 when Democrats held the Senate, 16 to 15, Republican members were given 87 of the 219 committee seats—a far cry from proportionate membership."

Hart urged the committee to follow the lead of the new Democratic State Administrative Board which gave two minority Republican seats on each of six committees.

"The formula was accepted there and I think it would be fair to use it in the Senate," he said.

Republicans retorted that Democrats would get a fair share of committee seats, but not as many as Hart proposed in his request.

Senator Edward Hutchinson (R-Fennville) tossed in a new element in the short skirmish. Suspicious of the proposal from the start, he said:

"Hart's formula would have given Democrats 40 per cent of the committee memberships, but the Democrats have only 33 per cent of the Senators."

SOCIAL LEGISLATION will play a major role in the new laws of the 1955 session.

The aged who depend on welfare checks for a subsistence living will be the first to be considered, in a bill sponsored by Senator Harry F. Hittle (R-Lansing).

Hittle's idea is to increase old age assistance monthly checks from a maximum \$70 to \$80 and benefits for those requiring medical treatment from \$80 to \$90.

"Some of the people trying to eke out a living on the present maximums are really against the wall financially," said W. J. Maxey, state welfare director.

The last increase, from \$60 to \$70 a month came in 1952, but Maxey said that the costs of rental housing, medical treatment and

clothing have risen to a point creating a crisis for the aged.

He said that about 25 per cent of the aged now are receiving old age assistance checks would receive the extra maximum under the bill and about 15 per cent the extra medical allowance.

The proposal is hitched to increases for those receiving aid to the blind and disabled, brackets which can be increased by administrative action if the Hittle bill passes.

WITH OTHERS CROWDING the political arenas to battle over highways, the state official most concerned pointed to a problem most have overlooked:

Highway Commissioner Charles M. Ziegler gave Michigan a clue why the highway dollar is not buying the roads it was intended to provide, even with the 1951 gasoline tax boost.

"Since 1940, the cost of building highways has increased 148 per cent, an almost impossible obstacle," he said.

Some slight gains have been made in the past two years when more Federal money became available, but he estimated that it would cost \$6,000,000,000 to bring the state's highway up to modern standards.

How to finance it?

Ziegler said he sees no alternative to raising the state gasoline tax another two cents, raising the total on each gallon of gas motorists buy to 6½ cents.

Gov. Williams says the job can be done without more taxes and Republicans are skeptical, even about how to finance the proposed \$500,000,000 bond issue.

Along with the controversy comes the prospect of another legislative investigation of gasoline prices in Michigan, which already have soared well over other states.

One observer summed it up:

"We'll probably have a bond issue on the April ballot for highway construction. We'll probably have an increase in the gasoline

tax. Whatever happens, we need the roads—and now."

Letters To The Editor

Northville Record

Dear Sirs:

We would like to renew our subscription to the Northville Record, and also one copy of "A History of Northville."

We are both much interested as my husband spent most of his life in Northville until we came

to California in 1925.

I am especially interested as I was music and art teacher in the Northville schools for several years and read with interest the progress of the school.

Of course, most of the pupils I had are now grandfathers and grandmothers.

I enjoy the school news in your paper also.

Mrs. J. M. Joslin
(nee Frances Cole)

PHONE NORTHVILLE 1410-M11

Social News

Mr. and Mrs. Cora Savery were recent dinner guests of Mrs. Alta Oddycke. Other visitors were Mr. and Mrs. Cloyd Hardesty of Whitmore Lake.

Mr. and Mrs. C. L. Hardesty spent an evening at the Glenn Hardesty home on Seven Mile Rd. Mrs. Knowles Buers attended a Sunday School teachers meeting in Ann Arbor last week.

The Missionary Circle met with Mrs. Ray Pond recently with 11 members present. The following officers were elected: president, Mrs. Esther Hockett; vice-president, Mrs. Ruth Clay; secretary-treasurer, Mrs. Beth Whittaker.

Mr. and Mrs. Wally Geda spent a recent Saturday evening at the Gilbert Alter home. Other guests of the Alters were Mr. and Mrs. Frank Cuchetti.

Mrs. William Bock had lunch with Mrs. Fred Orloff at her home in Detroit last week and was a dinner guest of Mr. and Mrs. John Jarno in Birmingham.

The Worden Farm Bureau group met at the home of Mrs. William Bock last Friday.

Mr. and Mrs. William Krause and son, Bill, of Birmingham were recent dinner guests at the William Bock home.

Mr. and Mrs. Elmer Bennett visited Mrs. Ray Richman recently at Beyer hospital where she underwent an operation.

Mrs. A. C. Wheeler was reported on the sick list again.

Recent guests of Mrs. Pauline Merritt were Mr. and Mrs. Charles Melo of Plymouth.

Mrs. William Bock attended the monthly meeting of the Educational Study group, American Assn. of University Women, Plymouth branch, last Tuesday at the home of Mrs. Ester Hulsing.

Mrs. Clara Scharmen reported on the meeting of the School-Community Planning group. The hostess served cake and tea.

Paul Zimmerman was the guest speaker at the Federated church Tuesday evening. He also showed movies on their work in Tennessee.

Mr. and Mrs. Ronald Hardesty of Plymouth are the proud parents of a boy born Jan. 15 at Mt. Carmel hospital.

Twenty-seven guests were present at a surprise birthday party in honor of Carleton Hardesty Sunday evening.

Mr. and Mrs. Charles Stacey were Wednesday dinner guests at the A. C. Wheeler home.

Mrs. George Bennett spent Sunday at the home of Mr. and Mrs. Glenn Shipley in Northville.

Mrs. Donald Tiffin attended a baby shower in honor of Mrs. Fred Wick Sunday afternoon.

Mrs. Pauline Merritt and Mr. and Mrs. Glenn Sayles attended a birthday dinner in honor of Mrs.

Sayles at the Donald Merritt home in Northville Sunday.

Mr. and Mrs. Raymond Alter, Jr. were Sunday dinner guests at the Gilbert Alter home.

Mr. and Mrs. I. Shipley of Fowlerville spent Tuesday with Mrs. Pauline Merritt.

Salem Extension

Salem Extension met at the new home of Mrs. Margaret Kelly. The meeting was called to order by Vice-Chairman Muriel Kelly. The community project for the year was discussed but was left for further discussion at the next meeting. Mrs. Gagnon joined the group making the total membership now 20. The lesson on "Taking It Easy In the Kitchen" was then given by Mrs. Ruth Gates and Mrs. Margaret Kelly. Lunch was served by the hostess after which the members departed having learned a few short cuts in the kitchen.

Upper Grade School News

Our room is having a hobby show. Some of them include coin collections, stamp albums, model airplanes, buttons and potato plants.

The Busy Beavers Conservation club is putting on a Paul Bunyan dance Friday, Jan. 28, from 8 to 11 p.m. at Salem Town hall. Frank Gendron, 4-H club agent, will be the caller. The dance is to help send children to 4-H camp.

We had two light committee reports last week: "Who Besides Edison Has Experimented With and Improved Light" with the chairman, Cynthia Honke; and Joan Wilson and Dennis Young helping. Also "How Many Uses Are There for Light." The chairman was Alice Stanley with Janet Famuliner as helper.

We also had two demonstrations on first aid. The first was "How To Pack a First Aid Kit" with Joan Wilson and Janet Famuliner. The second was "How To Take Care of Accidents When You Are By Yourself" with Kay Roberts, Sharon Dolan, Eldon Raymor, Cynthia Honke, Elizabeth Buers, Gary Clement, Bob Bryant and Charles Earhart.

Mary Earhart lost her parakeet when it flew outdoors. The children in the upper grades are holding a hobby show from Jan. 11 to 19.

Primary Room

The primary room is studying about birds. They are going to make bird houses.

The children have a grocery store. They have labeled their groceries and have made their own money.

The second and third grades are making puppets for a play they will give titled "White Satin".

There were two birthdays in January. Diane Anderson was eight years old Jan. 18. Belinda Dolan was six years old Jan. 17.

The Orange and Black

Eighth Graders Buy Stock

The third section or eighth grade math is the proud owner of one share of Burroughs stock. It was decided by the class for each to contribute a given amount in order to purchase the stock. A committee was set up to study the market and select several different companies for the class to choose from. Burroughs was chosen for a number of reasons. It was felt that by actually owning a share of stock much more interest is developed, hence more learning takes place. They are now following the progress of their stock, which will be sold back at the end of the year.

Exams Set for Jan. 25-26

High school examinations will be held on Jan. 25 and 26. The schedule will be similar to that of previous years, with the exam period being one and one-half hours long.

Jan. 27 and 28 will be occupied with registering and assigning classes to new students. All students now enrolled are to be registered within the next two weeks.

Attend Meetings

Mr. Yabne and Mr. Ellison attended a luncheon for the Oakland County Secondary School Assn. which was held at the Waldron hotel in Pontiac. They were part of a panel which discussed "Reading Problems On A Secondary Level".

Mr. Lee and Mr. Williams attended the Annual Music Educators conference held at the University of Michigan Jan. 7-8.

Jan. 12, Mr. Ellison and Mr. Jones went to Keego Harbor for a League Board of Control meeting. The purpose was to set up the basketball schedule for next year.

Debating

A series of All-League debates was held in Northville Jan. 11. This year's question is: "Resolved: That the United States Should Initiate a Policy of Free Trade Among the Nations Friendly to the United States". At four o'clock a lunch was served by the Forcense club, after which the second round of debates began.

Host League Student Council. Mr. Stefanski and the Northville Student Council will be the hosts for a gathering of the League Student Council.

First Aid Class Started. First aid classes for adults started Jan. 7. This course will run for 10 weeks, meeting at 7:30 p.m. in Room 3. Anyone desiring information can contact Mrs. Godfrey.

All-League Band Rehearsal. Jan. 15 Mr. Lee, Mr. Williams and about 25 band members traveled to Brighton for the All-League band try-outs. Members of the All-League band will rehearse at Clarenceville Jan. 21.

Miscellaneous

Mr. Meaker's sociology class made a trip to the Wayne County Training school Jan. 12.

The Varsity club held a meeting Jan. 12.

Spellman studios were at the school Jan. 10-11 to take pictures for the Palladium.

FTA Visits Wayne U.

On Jan. 12, the FTA club, along with others from this area attended a meeting at Wayne university. The program included a tour of the campus, information about the training necessary for a teacher's certificate, luncheon, and a talk by one of the university's staff members.

WOMAN'S WORLD

Hearty Beef Stew Will Give Plenty Of Satisfaction

WHEN you serve a succulent beef stew with a ring of boiled rice, you have a one dish meal which needs only a simple salad and dessert to give you a complete meal.

Anyone with the heartiest appetite can leave the table with a satisfied feeling after beef stew. Both chuck and beef bones are used to give richness to this stew, while monosodium glutamate enhances the taste of both meat and vegetables in it.

Delicious Beef Stew (Serves 6)

- 4½ tablespoons cream corn starch
- 1 tablespoon monosodium glutamate
- ½ teaspoon paprika
- 2 teaspoon salt
- 1½ pounds beef chuck, cut into 2" cubes
- 2 tablespoons fat
- 1½ pounds beef bones
- 3 cups hot water
- 1 bay leaf
- ½ cup chopped celery
- 6 carrots sliced 1" thick
- 6 small onions
- ¾ cup cold water
- 3 cups hot, cooked rice

Mix together corn starch, monosodium glutamate, paprika and salt. Roll beef cubes in this mixture to coat thoroughly, then brown slowly in hot fat in heavy kettle. Sprinkle any remaining coating mixture over meat. Add soup bones, hot water and bay leaf. Cover and simmer 1½ hours or until meat is tender. Add cel-

Carol Lynn, the attractive miss shown above with her mother, Mrs. Emil Nuottila, is eight months old and doesn't help her mother make this delicious chocolate cake yet—but she will someday. Mrs. Nuottila, who was Shirley Carlson, and Carol Lynn are residing with the Arthur Carlsons, 201 Fairbrook, while Emil is in service.

This is a favorite cake of the Carlson and Nuottila households:

Cocoa Light Cake

Measure into mixing bowl—all measurements level: 2 cups sifted cake flour 1 teaspoon salt 2 cups sugar 2/3 cup cocoa ¾ cup Crisco or butter ¾ cup milk

Beat vigorously by hand or electric mixer at medium speed for two minutes. Then mix in 1½ teaspoon soda and ½ teaspoon baking powder. Add ½ cup milk 3 unbeaten eggs and 1 teaspoon vanilla. Beat vigorously 2 minutes at medium speed.

Pour batter into two 9-inch layer pans which have been rubbed with Crisco or lined with heavy wax paper. For small pans, fill one-half full and bake cup cakes with the remaining batter. Bake in moderate oven at 350 degrees for 30 minutes. Cool cake in pan on rack 15 minutes before removing.

Ice top and between layers with Seven Minute frosting.

ery, carrots and onions. Cover and continue cooking until vegetables are tender, 20 to 25 minutes.

Remove soup bone. Place meat and vegetables in serving dish. Blend cornstarch with cold water and add gradually to hot liquid. Cook until thickened, about 5 minutes, stirring constantly. Pour gravy over stew. Pile hot, cooked rice around edges.

Do Your Lingerie In Washing Machine

Most women think they're giving lingerie the finest care possible if they carefully sort out slips, panties, bras and blouses and wash them in the bathroom. Certainly this is the gentlest washing care which can be given them, but is not the best. Laundering lingerie in this fashion will not get it as clean as it should be, and it will begin getting gray within a short time.

Besides do you or yours like to have a bathroom full of dripping lingerie? Of course not, and menfolk, though they often won't say anything about it, do object.

Be Modern

It's a good idea to be modern about lingerie as anything else. Do it in your washing machine, whether it's an old type or a new type automatic one. Either way can regulate the washing action to about two minutes, which is all that's required. These clothes do not need to be run through the whole cycle.

This washing method is far faster and easier than the wash basin idea. The action of the water does not damage the lingerie since it is so short.

Use lukewarm water and light suds, avoiding heavy duty detergents or soap. If you wish, let the lingerie stand in this for 15 minutes, spin the water out and rinse. If you prefer spin them in the washer for a minute or two.

Using Precautions

Just as with other laundry, see that clothing is mended before washing so seams won't give. Hook all bras together. Bows or blouses should be tied loosely.

White nylon lingerie is very prone to picking up other colors, so wash all of this type of clothing with white things. If you don't have enough white nylon things to fill the washer, white, lightly soiled cottons can be used to fill the load.

Mesh bags can be used for the very fragile nylon things. In this way you might even put your lace through the machine if you like.

Rinse your lingerie carefully. This is one of the secrets of clean laundry for rinsing will help much of the loosened soil to drift away.

Of Interest To Women - - -

Mrs. L. T. Logeman left by plane Monday to return to her home in Sioux Falls, S.D. She had spent a month with her son and family, the Charles Logemans, on Rayson St.

Mrs. Fred Casterline celebrated her 85th birthday at a family dinner on Jan. 13 at the home of her daughter and husband, Mr. and Mrs. Dana Briggs. Other guests were Mrs. Casterline's three children and families: Mr. and Mrs. Howard Dixon, Mr. and Mrs. Clyde Casterline and the hosts, Mrs. Clifford Casterline. Two sons, Clifford and Ray Casterline and wife, were unable to attend because of illness. Mrs. Casterline makes her home with her son, Charles, in New Hudson.

Harold Albert Secord, Jr. and Rita Jane Gomoluch, both of Ply-

Hospital Needs Pianist for Religious Hour

Rev. Richard Geiger, Protestant chaplain at Northville State hospital, is looking for a man or woman who would volunteer to play the piano one hour each Sunday from 6:30 to 7:30 p.m.

The patients wish the same type of services as are conducted in their own communities and are disappointed when they cannot sing hymns. At present, none of the patients can play for the group and the services of a person who could play hymns on the piano are being requested.

Anyone wishing to assist is urged to contact the social service department, Northville 1290, between 9 a.m. and 5 p.m.

Automobile Design Topic at Woman's Club Meeting Friday

Norman E. May, who will address the Northville Woman's club, Friday on "Automobile Design—Where Is It Headed?", is well equipped to speak on this subject. He studied mechanical engineering at Case Institute in Cleveland, O. and Iowa State college in Ames. He graduated with a bachelor of science degree from Central Michigan college, Mt. Pleasant.

During World War II, his pattern-making and mechanical engineering talents were put to work for the U.S. Navy.

Prior to joining the Fisher Body Craftman's Guild in 1951, May was instructor in industrial arts and mathematics in the Rockford, (Mich.) High school.

This meeting will be a guest day tea. A short musical program will precede Mr. May's talk. Mrs. H. W. Kellogg of Sheldon Rd., accompanied by Mrs. Thomas Lock of Plymouth, will give a couple vocal numbers. Mrs. Kellogg was prominent in musical circles in Grand Rapids where she lived prior to moving to Northville.

mouth were united in marriage by Justice E. M. Bogart Saturday evening, Jan. 15. Jackie Kellems of Wayne and Miss Sallie Messink of Detroit were the attending witnesses.

GRAND OPENING

FRIDAY, JANUARY 21st

We're glad to be in Northville again and hope that our many friends will stop by and see us in our new location.

Eighty Plus Club

Songs and poems tell us that "the best things in life are free", but it is sometimes a bit difficult to convince the younger generation that this is so.

But when Mrs. Letty Ann Yerkes, who resides with her daughter and son-in-law, Mr. and Mrs. A. V. Barber, was asked what events in her life impressed her the most, she replied that it was her four grandchildren; the three sons of the A. V. Barbers, and the daughter of Mrs. Vine Yerkes, who live next to the Barbers.

Mrs. Yerkes is 91 years of age and was born Nov. 17, 1863, at Ray Center, Macomb county, north of Mt. Clemens. Her parents were Jane and Henry Dove. She dimly remembers her mother who died when Letty was only four years old.

When she was 14 she moved to Cleveland to live with her grandmother but came back frequently to visit her father and sister at Ray Center. It was on one of these visits that she met Harmon Yerkes whom she married in 1889 when she was 26.

The first home of the young Harmon Yerkes was what is now the Charles Ratliff home of E. Eight Mile Rd., which is situated next to Meadowbrook Country club. The Ratliff home, with the Meadowbrook golf course, used to be the old Will Yerkes farm.

From there they moved to an 80-acre farm in South Lyon. In 1906 they moved to the farm where she now lives, 39040 E. Nine Mile Rd., the second house east of Haggerty. There they raised their three sons, Joe, Osmund and Vine and a daughter Alice.

Joe was killed in World War I, Osmund lives on W. Main St., and Vine lived on the farm next door until his death in 1939. Harmon Yerkes died in 1932.

The grandchildren who gave Mrs. Yerkes so much joy are her daughter, Alice's three sons, David, Bob and Bill Barber. David runs the farm, and Bob and Bill served on the Korean front and are now attending Michigan State college. Her granddaughter, Betty, is the daughter of the Vine Yerkes and is now Mrs. David Hay. She has two sons.

The farm on Nine Mile was land granted to Stephen Roger by the government and the farm house, an old landmark, was built in 1834.

Few are privileged to reach the age of 91. Mrs. Yerkes has had a useful and simple life and perhaps that is the secret of her happiness and longevity. She is a charming and interesting person and loved by all who know her.

Sisters Installed As Officers In Rainbow Girls

Faye McGee and Genevieve McGee, daughters of Mr. and Mrs. William McGee of 540 Carpenter St., Northville, were installed as Worthy Advisor and

Genevieve McGee

Faith at the public installation of officers for Northville Assembly No. 29 for Rainbow Girls at the Masonic Temple on Jan. 25.

Faye McGee

It was the first time in the history of Northville Assembly that sisters were elected to serve as officers at the same time. Other officers installed were Worthy Assistant Advisor, Janice (Continued on Page 12)

Troop 10—We discussed our skating party and worked on our ties. Joanne Lessway brought the nibble box.

Scribe, Corinne Bertoni

Troop 11—At our last meeting we decided to use the money saved in our treasury, to go to the Hollywood Ice Review Saturday. We have a new co-leader, Mrs. Crupi. Mrs. Marsh has moved to Dearborn. We divided into two groups and decided to bring materials to work on next week.

Scribe, Betty Stremich

Troop 12 — Wednesday, Mrs. Cowie, mother of Susie Cowie, showed us how to do the running stitch, baste and overcast for our sewing badge. We enjoyed the nibble box brought by Marilyn Laehr. We hope to finish our sewing badge next week.

Scribe, Sandra Phillips

The Girl Scout Council is making good progress with plans for a pot-luck dinner to be held Jan. 25 at the home of Mrs. Lee Archer. The dinner is in honor of the new council that will take over on that date.

Brownie News

Collected by Dorothy Welch
Troop 15—We had the second play of "Love Conquers All". Brownie Troop 17 was our audience, later we went into our parlors and gave our dues. Then both troops played games.

Scribe, Donna Williams

Troop 17—We had a regular meeting and started to learn to square dance. Then the meeting was adjourned.

Scribe, Rose Marie Siok

Troop — We met at Mrs. Cokin's house on Smock Rd. We

Practically all new homes have some type of built-in insulation. We buy Balsam Wool and Fiber Glass in truck and carloads. You should plan to use it in your new home. The older homes not so equipped can greatly improve living comfort and lower heating costs by installing insulation. We are always ready to figure with you.

The Studebaker-Packard Corporation presents—

A medium-priced car for those who desire distinctive individuality!

CLIPPER CONSTELLATION—245 HORSEPOWER

The 1955 Clipper

Built by Packard Craftsmen

CLIPPER IS THE CAR THAT MAKES IT SMART TO BE DIFFERENT. Here's the car expressly designed to be distinctive in appearance as well as in performance . . . the 1955 Clipper . . . every inch a thoroughbred . . . precision-built by Packard Craftsmen to traditional Packard Standards of quality and good taste.

If you hesitate to buy a medium-priced car because six months hence it will be "everybody's car"—the 1955 Clipper is for you! For in the Clipper you will find the individuality you seek . . . and to which you are entitled.

225 AND 245 HORSEPOWER V-8 ENGINES

With the most powerful engines in its field, you will command more responsive power than is available in any other car in the medium-price range. Precision engineering made famous by Packard makes the new Clipper engines compact, quiet, efficient.

TWO TRANSMISSIONS IN ONE

Clipper's new Twin Ultramatic Transmission is actually two transmissions in one . . . puts a choice of starts at your fingertips . . . lightning getaway . . . cruising glide. Teamed with the new Clipper V-8 engines, it provides outstanding gasoline economy.

NEW GRACEFUL STYLING

1955 Clipper styling features distinctive sweeping lines. The luxurious interiors of the Custom, Super and DeLuxe models offer an unlimited choice of harmonious color combinations. The 1955 Clipper is distinguished in its timeless good taste . . . it reflects the inimitable Packard touch!

We invite you to come in and drive the 1955 Clipper today. Compare it with any car . . . for appearance, for performance, for outstanding value. You'll agree that the 1955 Clipper gives you distinctive individuality in the medium-price field!

Enjoy "TV READER'S DIGEST"—ABC-TV Network—Check TV listings for time and station.

We invite you to see and drive the 1955 Clipper today

30 Bird Species In 2,000 Counted By Audubons

Jan. 2, several young members of the Northville Junior Audubon society, accompanied by adults, made an all-day census of the winter bird population in an area which included parts of Kensington park and Proud Lake Recreation area, as well as the vicinity of Northville.

The count was taken in conjunction with a national Christmas bird census which has been taken every year since 1900. In that year, 28 ornithologists made the count: this year 7,000 scientists and amateurs.

The group which divided its attention to varied places, found a total of 30 different species of birds including 2,000 individuals.

The following is a complete list: Canada geese, 600 plus; mallards, 500 plus; black ducks, 500 plus; scaup, 1; American golden-eyes, 25; red-tailed hawk, 3; sparrow hawk (kestrel), 4; bob-white, 10; ring-necked pheasant, 21; mourning dove, 5; great horned owl, 1; red-headed woodpecker, 3; hairy woodpecker, 3; downy woodpecker, 7; blue jay, 51; crow, 94; black-capped chickadee, 64; tufted titmouse, 12; white-breasted nuthatch, 19; brown creeper, 1; winter wren, 1; golden-crowned kinglet, 5; northern shrike, 1; starling, 32; English sparrow, 294; meadowlark, 3; cardinal, 17; goldfinch, 9; slate-colored junco, 44; tree sparrow, 42.

Also two unidentified hawks and one unidentified shrike.

The group making the census included Racine Bailey, Frank Bosak, Mr. C. Dam, assisting naturalist at Kensington park; Betsy Eichstedt of Detroit, Cy Frid, Dorothy Frid, Kent Frid, Catherine Heatley, Harold S. Hartley, Harold Duncan Hartley, Thomas Heatley.

William Hopkins, naturalist on the staff of the Huron-Clinton Metropolitan authority; Skip Klocke, Gary Klocke, Frank Muller, Richard Root of Plymouth and David Ryder.

Obituaries

WILLIAM E. MATHESON

William Edward Matheson, a former Northville resident, died at the home of his daughter, Mrs. Evelyn Hanna, 565 N. Adams St., Plymouth, Jan. 16 at the age of 90. He had been ill for several months.

Matheson was born May 28, 1864 in Brighton, Sussex, England, the son of George and Maria. He was a retired farmer and had lived in the Northville area since 1914 when he moved here from Portage LaPaire, Manitoba, Canada. While he was in Northville, he lived for a time on E. Baseline Rd., and was known for his love of flowers which was shown in his beautiful garden. For a time he was employed by the Jones Floral Co.

Besides Mrs. Hanna, he is survived by another daughter, Mrs. Elsie Van Sickle of Northville, and a son, Roy, of Rogers St. There are five grandchildren, 12 great-grandchildren and one great-great-grandchild.

Funeral services were held Wednesday at the Casterline Funeral home with Rev. Peter Nieuwkoop officiating. Burial was in Novi cemetery.

Matheson was a member of the Orangemen of Canada.

FARMINGTON MASONS HAVE FRIEND'S NIGHT

Trinity Shrine No. 44 of Farmington is having "Friend's Night" at the Farmington Masonic Temple, Jan. 20 at 8 p.m. and they have extended an invitation to members of the Northville lodge to attend this meeting.

Record Want Ads Bring Results

Ogilvie Picked For Fund Drive To Aid Scouts

Philip R. Ogilvie has been named Northville community chairman for the sustaining member enrollment drive by the Boy Scouts of America in the Detroit area.

Arthur Schnute and A. Russell Clarke, members of the committee here last year, have been re-appointed and others are being recruited for the solicitation, which is planned to coincide with National Boy Scout week in February.

Plans for the 1955 sustaining member enrollment in District Seven (the Sunset District) got under way last week.

Outstanding businessmen and scout leaders of Western Wayne county attended a dinner meeting as guests of District Vice-Chairman Miles Dietrich.

Community enrollment chairman and team captains learned from Dietrich of the Detroit Area Scout council's urgent need to supplement its present budget.

Approximately one-fifth of Scouting's operating income comes from sustaining memberships contributed by "Friends of Scouting," who primarily are individuals and groups who make contributions to worthy causes above and beyond their Chest Fund or Torch drive donations.

Without sustaining membership support, a number of present services would have to be discontinued, said Dietrich, such as subsidizing of training courses, furnishing of Eagle badges, and continued operation of the leadership training center of the scout reservation and Scout ranch.

Pfc. Brandt's Outfit Slated for Japan

Ft. Campbell, Ky. — Pfc. Guy M. Brandt, III, son of Mr. and Mrs. Guy M. Brandt, Northville, recently re-enlisted in the Regular Army for a period of four years under the new army rotation plan "Operation Gyroscope".

Formerly the army replaced outfits overseas on an individual basis. However, under Operation Gyroscope an entire unit will move as one group to replace an overseas unit. The latter method adds more stability, assures married personnel the presence of wife and children, and builds esprit de corps within the unit, the Army states.

The 508th "Red Devil" Airborne Regimental Combat team, to which Pfc. Brandt is assigned, will be among the pioneers in the latest army equipment. The Red Devils will replace the 187th Abn. RCT in Japan by July 1955.

The mission of the 508th is to train for and maintain combat effectiveness of the troops in its command.

Exchange Aids 10 Vision Cases

The Northville Exchange club added four cases in December to the list of children for whom it provided eye treatment, bringing the total for the year to ten.

For the past six years, the club has financed treatment of children who have been handicapped visually and would have been deprived of aid because of lack of money in their families.

Edwin E. Van Cleve, assistant to the secretary of the National Exchange club, Toledo, spoke at last week's Exchange meeting on "Structural Organization of Exchange Clubs." He was introduced by President Charles Bahnmiller.

Chevrolet Adds "Dream Model" Station Wagon

Chevrolet's second "dream car" from the General Motors Motorama was put into production last Tuesday, Jan. 18, according to Ken Rathburn, Northville Chevrolet dealer.

The vehicle is the Nomad, a modernistic station wagon that excited universal admiration when first displayed at the Motorama in New York a year ago. T. H. Keating, general manager of the division, disclosed the Nomad will be the 15th model and fifth station wagon in the Chevrolet passenger line for 1955.

"Our decision to build the Nomad has been prompted by two developments in addition to the favorable comments on the experimental model," Keating explained.

Sales Up 12 Fold
"First is the almost unbelievable increase in the popularity of this type of vehicle. Since the end of the war, the annual sale of station wagons has multiplied 12 times.

"The second reason is our conviction that the current decentralization of population has created a new mode of city-country living which in turn has created a need for a fresh station wagon design. In the Nomad we will offer the utility of the normal station wagon with unusual luxury and beauty."

The Nomad body is of steel construction, mounted on a conventional Chevrolet chassis. It is a two-door and may be selected in one of 12 two-tone exterior colors and seven two-tone interior trim combinations. The car

will be available with V8 or six-cylinder engines, Powerglide automatic shift transmission, manual shift and overdrive and most of the other options listed for the Chevrolet passenger cars.

Burrughs Center Attracts 3,155

Every state in the Union and 20 foreign countries were represented among the 3,155 persons who visited the Exhibit Center at Burrughs Detroit plant during 1954.

This is an increase of nearly 30% over the 1953 figure. The Exhibit Center features the latest developments in business machines and equipment.

"RELIGIOUSLY ILLITERATE"

According to Major Charles I. Carpenter, Air Force Chief of Chaplains, "Fifteen - eight percent of the Air Force enlistees lack understanding of what is good and is evil. They are religiously illiterate." The ignorance of spiritual things among our people is amazing. The average high school student can name the latest movie star or the highest on the "Hit Parade" but the Word of God is very foreign to them. The fault can be laid at the door of the Home, the School and the Church. Parents who do not attend a sound Bible Teaching Church and fail to acknowledge God in their homes are bound to bring up their children in spiritual and moral darkness. In our schools the Bible is prohibited as a text book while philosophies of aethism and infidelity are cleverly woven into the texts. Many churches no longer use the Bible as the theme of their preaching and teaching. We cannot sow these seeds of neglect, unbelief and infidelity and not reap a crop of evil doers. History shows that where the Truth of God's Word has been suppressed or neglected the accompanying result has always been a wave of increased violence and crime. LET'S INCLUDE THE BIBLE IN OUR QUEST FOR KNOWLEDGE!

CHRISTIAN SCIENCE CHURCHES

God's readiness and willingness to heal sickness and sin today, as He did in Christ Jesus' time, will be set forth at Christian Science services this Sunday.

Scriptural selections in the Lesson-Sermon entitled "Truth" will include the account of the successful healing missions of Jesus' disciples, as recorded in Luke's Gospel (Chapters 9, 10).

The ever-availability of the Christ, Truth will be brought out in readings from "Science and

Health with Key to the Scriptures" by Mary Baker Eddy, including the following (142:31): "Truth is God's remedy for error of every kind, and Truth destroys only what is untrue. Hence the fact that, to-day, as yesterday, Christ casts out evils and heals the sick."

The Golden Text is from Psalms (57:3): "God shall send forth his mercy and his truth."

TO BE HELD ON

Mon., Feb. 21, 1955

To the Qualified Electors of the Township of Northville, County of Wayne, Michigan

Notice is hereby given that in conformity with the Michigan Election Law" I, the undersigned Township Clerk, will upon any day, except Sunday, and a legal holiday, the day of any regular or special election or general election, receive for registration the name of any legal voter in said Township not already registered who may apply to me personally for such registration. Registrations will be received at my residence, 430 E. Main Street, Northville, Michigan. Provided, however, that I can receive no names for registration during the time intervening between the 30th day before any regular, special, or official general election and the day of such election.

Notice is hereby given that I will be at the Northville Village Hall on

Sat., Jan. 22 & Mon., Jan. 24

the last day of registration and the 30th day preceding said election from 8:00 o'clock a.m. until 8:00 o'clock p.m. on said days for the purpose of reviewing the registration and registering such of the qualified electors in said Township as shall properly apply therefor.

TRANSFERS FROM ONE PRECINCT TO ANOTHER: Any registered elector may upon change of residence within the township or village cause his registration to be transferred to his new address by sending the clerk his signed request stating his present address, or by applying in person.

FRED W. LYKE, Township Clerk

Now is the time to buy your '55 FORD!

'55 Ford Fairlane Town Sedan... a four-door beauty that will be at home wherever you park it

Here are 5 good reasons why:

- It's always a thrill to own a great new car. And there's an extra thrill in driving the car that everybody is talking about... like they're talking about the new '55 Ford. There's no wonder that the 16 beautiful new Ford models are creating such a lot of excitement. For they are styled to mirror the beauty of the Thunderbird—the famous Ford personal car that has won the warmest approval of motorists all over the country. You see the long, low graceful lines of the Thunderbird reflected in every Ford model for '55. You have a broad range of exciting new single and two-tone body finishes from which to make your selection. And you can take your pick from an exceptionally wide variety of beautifully color-keyed interior schemes to "tailor" your new Ford to suit your individual preferences. Printed illustrations just can't depict the beauty of the new Fords. For your fullest enjoyment and appreciation, visit your Ford Dealer and see these brilliant new Fords "in the flesh!" Then get behind the wheel and Test Drive Ford's brilliant new Trigger-Torque power.
- YOU CAN ENJOY MORE PLEASANT AND SAFER DRIVING ALL WINTER LONG
- YOU CAN HAVE A V-8 NOW... AND IN THE LOW-PRICE FIELD There's the 162-h.p. Y-block V-8, or the 182-h.p. Y-block Special V-8—available with Fordomatic in Fairlanes and Station Wagons.
- YOU'LL ENJOY FORD'S NEW, SMOOTHER ANGLE-POISED RIDE Ford's famous Ball-Joint Front Suspension is now angle-poised to smooth out tiny road flaws as well as big bumps.
- YOUR PRESENT CAR WILL NEVER BE WORTH MORE IN TRADE It's good sound business judgment to buy a new '55 Ford NOW. For your present car is going down in value every day. Make a better trade NOW!

Test Drive the new **FORD V-8** Now!

Frosh Go To Town (2 Towns, That Is): Brighton, Milford

Northville freshman basketball team chalked up two victories last week. Monday it lambasted Brighton, 41-11, then whipped Milford Thursday, 35-24, for the latter's first defeat of the year after three victories.

The Redskins stopped Northville center Bill Yahne, holding him to one point. Dick Biery, forward, tallied 14 points. High scorer for Milford was Dick Lodge, with 13.

With two games won and one loss, the freshmen met Clarenceville there Wednesday, Feb. 2.

Score by periods:

Northville	8	20	25-35
Milford	10	16	17-24

Playing on a slippery floor, the local lads were too much for the smaller players on the Brighton quintet. Coach Al Jones used 11 men, with Dick Yahne scoring 14 points, against three by Marx, highest scorer on the opposing team.

Score by periods:

Northville	8	15	25-41
Brighton	0	2	8-11

Pfc. Richardson In Maneuvers

Army Pfc. Robert L. Richardson, son of Mr. and Mrs. Vern Richardson, 3227 Newton, Walled Lake, is serving in Germany with the 1st Infantry Division.

The "Big Red 1" division, in Europe since the Allied invasion of the continent in World War II, is now engaged in intensive training including realistic field problems and maneuvers.

Richardson, a cannoneer with Battery B of the 7th Field Artillery battalion, entered the Army last March.

Mustangs Lose To Milford For First League Loss

Last Friday the Northville Mustangs suffered their first loss in league competition. Paul Hamlin, Joe Girardin, James Rambeau, John Clarke and Jim Wiley started the game for Northville. The Milford Redskins turned the trick in downing Northville 84-53.

Jim Davidson started the scoring by taking the opening tip and putting in his well-known jump shot. Milford continued the scoring until the end of the quarter when the score read 21-7.

With both teams just about doubling the scores in the second quarter, the first half ended with the score Northville 16, Milford 38.

In the third quarter and final quarter Northville was still outscored 29-21 and 17-16, so the final buzzer ended with Northville on the short end of a 84-53 score.

Dave Waterloo scored 14 free throws to be high man for Northville. Jim Rambeau was second with 11.

Jim Davidson took scoring honors for the night with 29 points. Sam Sherwood was second for Milford with 15 points. The score for Milford was not too unusual since Milford has a game average of 74 points.

Clarkston is at the top of the league as it won from Brighton Friday. Northville is tied for second place with Milford. Holly pulled an upset by winning from Keego Harbor. As of Friday night the league championship could go to anybody with Northville still being in a good position.

The Northville Mustangs journeyed to Plymouth Tuesday night to meet the Rocks in a non-league contest. Even though Plymouth is not a member of the league this was an important game to the Mustangs.

The Rocks jumped ahead in the first quarter and outscored the Mustangs 18 to 10.

Setting the pace with a relentless fast break the mighty Plymouth team continued to pull ahead and led 43 to 19 at half-time.

The Mustangs came out of the locker room set to stop the powerful blue team. From the opening whistle Northville dominated play and outscored Plymouth 15 to 11 in the third quarter, but the Rocks regained the range, which Northville failed to find throughout the game, and outscored the Mustangs 14 to 4 in the final quarter. The final was 38-68 in favor of Plymouth.

Clarence Patterson, high man of the evening, led the Mustangs with 20 points and Mac Burns tallied 7.

High man for Plymouth was Clifford with 13 points followed by Davidson, Day and Wilhelm with 12 apiece.

How Christian Science Heals

"HOW I LEARNED TO OVERCOME LACK"

WHRY (1600 k.c.)

Sunday - 9 A.M.

The Mustangs have had considerable trouble this year with their lack of ability to score. In this game and in the Milford game Friday night they controlled the ball as much as did their opponent but failed to dump in the all important baskets.

Fore and Aft- and Curbside, too-

It's the style hit of the year!

You can take our word for it when we tell you this:

The first time we put eyes on the 1955 Buicks, we really raised a cheer.

To top the looks of last year's Buick—the car that moved Buick into the top three of the nation's best sellers—that was something.

That gave us two hits in a row, we figured—and it seems we figured right.

For with these stunning new 1955 Buicks, we're getting even more noses pressed against our showrooms windows than last year—and more folks coming in to look and study and drive and buy.

But bold new styling, of course, is just one reason for the sensational success of these great cars.

New power is part of the picture—robust new V8 power in record might—236 hp in the CENTURY, SUPER and ROADMASTER—188 hp in the low-priced SPECIAL.

New performance, too—from the dynamic action of Buick's Variable Pitch Dynaflo* that gives you far better gas mileage in normal driving and cruising—and full-power

getaway or safety-surge acceleration, but instantly, and with infinite smoothness.

So you can see that just looking isn't enough. You have to take that wheel in your hands, try that power, feel that Dynaflo take-hold surge, sample that Million-Dollar Ride—and check the hard-to-pass-up prices we're quoting.

We'll gladly help you do all that. Why not come in this week?

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Events Of The Past In Northville

ONE YEAR AGO—Novi Mothers' club elected Mr. Myra Ward as president.

Sgt. James F. Thompson, son of Mr. and Mrs. O. C. Thompson, 726 Fairbrook Rd., returned to the U.S. after 13 months in Korea. He had been awarded the Commendation medal.

"Chick" Harbert, Meadowbrook Country club pro, tied for second place in the Los Angeles Open golf tournament with Jerry Barber, LaCanada, Calif.

Mr. and Mrs. Ernest Wilsher, Rogers St., celebrated their 50th wedding anniversary. Wilsher was formerly chief electrical engineer of the Dodge division of the Chrysler Corp.

Induction dates were set for Earl Hollis, Ronald J. Grissom, Bruce E. Stratton and Gary Hix. Robert J. Herter was admitted to the state bar. After graduation from Concord State college at Athens, W. Va., he received his L.L.B. from the U-M law school.

FIVE YEARS AGO—J. Stanley Waterloo, building inspector, reported issuance of 51 building permits valued at \$130,350 in 1944.

Chief of Police Joe Denton was congratulated on his birth anniversary.

Tulane German, daughter of Mr. and Mrs. Harry German, was selected by the Daughters of the American Revolution for its Daughters of America Good Citizenship award.

Inkster defeated Northville High school Mustangs, 34-24. The Colts failed to make the grade, losing 43-22.

Joe Spagnuolo was vacationing in Florida.

A classified ad offered a used Ford stake truck with dual wheels and extra gear, "in good condition", for \$100.

Five pounds of oranges could be purchased for 35 cents, a pound of bacon for 39 cents. Sweet potatoes were tagged three pounds for 29 cents.

Police offered a reward for persons destroying parking meters.

TEN YEARS AGO—Supt. of Schools R. H. Amerman was notified that Northville schools would continue on the three-year approval list rating of the University of Michigan—the highest rating for any school by U-M.

S. L. Brader announced that his partner, Harry Hummelstreib, had purchased Brader's interest in S. L. Brader's department store. A nephew of Brader, Hummelstreib's merchandising background included association with J. L. Hudson Co., Ernst Kern & Co. and Crowley, Milner & Co., in Detroit.

Notified of their induction dates were Frank Defina, Richard Porterfield and Ross M. Snow.

Nelson C. Schrader was chairman and Mrs. Kenneth A. Kitchener co-chairman of the March of Dimes.

TWENTY YEARS AGO—Mrs. Jennie White, Northville's oldest resident, died. She had been a member of the Presbyterian church for 76 years.

Mrs. Judd Allen picked pansies from her yard. She discovered them when two feet of snow, piled from the sidewalk, had melted away. Mrs. William Merritt served salad with lettuce from the Merritt garden.

A record classified ad offered a four-year-old Chevrolet coupe for sale by the owner for \$250. It had a new battery, five tires, and had traveled 32,000 miles.

The Northville High basketball team trimmed Trenton 28-13 and plagued Plymouth, 28-13.

Shoppers could get creamery butter for 32 cents a pound; Wisconsin cheese for 19 cents, rolled rib roast for 19 cents. Picnic ham was advertised for 15 cents a pound and oysters at 19 cents a pint. Fillet of haddock was priced at 15 cents a pound.

Mrs. Mary Dean Robinson, former Northville resident, observed her 100th birthday at the Thompson home in Detroit.

FIFTY YEARS AGO—Mr. and Mrs. George Huff celebrated their 50th wedding anniversary. They used the same table cloth at the golden milestone that decorated the table on their nuptial day.

A basketball team was organized at the high school, with Grace Yerkes, a U-M grad, as coach.

Detroit United Railway, the electric inter-urban line serving Northville, had disrupted schedules due to a heavy snow storm. Shoveling was necessary to free several of the cars.

Donald, little son of Mr. and Mrs. D. P. Yerkes of Milford, suffered a sprained ankle.

Hospital Adds 4 Gray Ladies from Northville

The 17 newest members of the Northville State hospital American Red Cross Gray Lady service, including four Northville residents, received their certificates and became full fledged Gray Ladies Jan. 5.

Following the presentation ceremony there was a tea in honor of the new Gray Ladies in the hospital cafeteria. Hostesses were Mrs. Dorothy Wilde, American Red Cross, Detroit chapter, liaison, and Mrs. Florence Ryckman, Wayne county Gray Lady chairman.

Guests included all of the 37 hospital Gray Ladies and the following members of the hospital staff: Mr. Fred Galli, RN, nursing officer; Miss Harriet Miller, occupational therapist; Miss Janet Paterson, director of occupational therapy; Jack Patterson, personnel officer; James L. Grisell, director of clinical psychology; Miss Tikvah Haggai, psychiatric social worker, and Mrs. Carolyn Seefeldt, director of social service. Mrs. Seefeldt also acts as hospital liaison with the Gray Lady service.

Gray Ladies from Northville are Mrs. Joyce L. Gruner, Marilyn Rd.; Mrs. Margie A. Davis, Grandview; Mrs. Isobel Partridge, W. Eight Mile Rd., and Mrs. Sue Gassman, Halstead Rd. Mrs. Gruner and Mrs. Davis received their certificates at the presentation ceremony.

New officers were also installed; Mrs. Mardine Leitch of St. Mary's, Detroit, was succeeded by Mrs. Kay O'Connell, Evergreen, Detroit.

The Detroit chapter of the National Association of Cost Accountants announces the appointment of Douglas A. McGregor as team captain for the year 1954-55. As captain of Team No. 22, McGregor will direct the activities of approximately 35 members during the coming year. These activities include technical ac-

McGregor Named Team Captain By Cost Accountants

NEWCOMERS . . . Mr. and Mrs. James Andrews and family, formerly of Kalamazoo, have made their home at 51630 W. Eight Mile Rd. Mr. Andrews is a general pastor of the Full Salvation Union, an interdenominational fellowship.

1955 season." Last year, 208,575 patrons at the Northville track bet \$8,810,557 during the 38 days of racing. On one day contests were cancelled because of rain. This compared with a 48-day meet in 1953, when 256,159 persons paid \$11,512,019 into the pari-mutuel machines.

In the past six years, during 298 days of racing meets, the attendance at Northville Downs has totaled 1,407,538. Wagers for the period aggregated \$60,788,313.

The 1954 Northville meeting was "fairly successful, with a drop in mutuel handle of only 5.8 percent and a slight increase in attendance over the previous year," the report shows. Activities were rained out on one Saturday.

Income from track commission, admissions and concessions here last year was \$1,037,789; purses totaled \$320,138, and other operating expenses and improvements, \$645,697. This left \$71,954 in earnings before federal taxes.

Northville Teacher Suffers Injuries

Mrs. Ida Cook, 516 Rouge, a Northville grade school teacher, is confined to her home, suffering from injuries received in an auto accident Jan. 12.

Mrs. Cook was returning from Plymouth in the evening over a slippery highway when her car skidded in front of an on-coming traffic and collided with another car.

The occupants of the other car were uninjured. Mrs. Cook's car was badly damaged and she suffered a fractured wrist and bruises.

"Dolls" To Be Topic Of Talk At BPW Club

Mrs. Imogene Leonard of Troy, Mich. will be the speaker at the first meeting in 1955 of the Business and Professional Woman's club Jan. 24 at the Methodist church house.

Dinner will be served at 6:30 followed by the business meeting after which Mrs. Leonard will speak. The speaker will have a display of dolls—especially the dolls our ancestors knew.

Water Rates —

(Continued from Page 1)

Would Just Cover Costs

The study estimates the metered use of 140 million gallons of water in 1955. At the foregoing rates, including a hydrant charge, the Village would receive \$30,950, compared with its estimated water costs of \$30,750. Costs include \$15,500 for production, \$12,250 for distribution, and \$3,000 for miscellaneous costs.
