Have you ever wondered what might happen to Northville's business district if a good fire ever got started? The Village Commission was given the answer at its last meeting by Ayers, Lewis, Norris & May, consulting engineers, who were retained more than a year ago to make a study of the local water system. This firm reported that the fire department would run out of water at the end of three hours fighting a really large fire.

Also, the firm's report indicated that home owners as a group are the only ones being charged enough for their water to cover normal costs. (This is the group using up to 12,000 gallons per quarter.) The firm set 11 cents per thousand gallons as a fair cost of production. The village's rates, above 12,000 gallons per quarter, range downward from 10 cents to seven cents. These rates are subject to a 10% discount for prompt payment, so actually the local rates for large users range downward from 9 cents to 6.3 cents per thousand gallons.

Probably the Village Commission won't be universally thanked for raising water rates, as the report indicates it must if the water department is to be placed on a sound financial basis. Nevertheless, we are confident that it will see the logic of the situation and act accordingly as soon as it has had a reasonable opportunity to study the report.

As for digging another well to supplement present capacity, that appears to be a "must" about which there should be little argument.

The report also brings out several other facts about Northville's present water system.

The Village gets its water from two wells, each 95 feet deep. One has a capacity of 350 gallons per minute. It is five years old. The other is 12 years old, and has an estimated capacity of 500 gallons per minute. Supplementing the wells, is a 250 gallon per minute supply of spring water, making the total supply about 1,100 gallons per minute.

Water from the springs has a high iron content and also contains hydrogen sulphide. It flows by gravity into an iron removal plant, and thence is pumped into the 450,000 gallon storage reservoir.

Water from the wells also contains considerable iron. It is pumped directly into the reservoir without passing through the iron removal plant.

The firm made no study to determine what particular improvements and additions to the water system are desirable or necessary, with the exception of an additional well, well house and pumping unit. It suggests the desirability of improvements at the iron removal and filter plant for the spring water; also that certain additional valves, mains and other work will be necessary.

The suggested new rate schedule assumes that \$100,000 will be spent for improvements to the system, and that rates must be sufficient to cover fixed charges on this investment, plus operation and maintenance charges for the present system, additional charges caused by new construction, and normal small main extensions.

Tax Receipts Rise To \$147,000 Mark

Township Treasurer Roy M. Terrill reported that as of Saturday, \$147,000 in township taxes had been collected out of a total levy of \$219,000.

Pointing out that payments are "unusually good", Terrill reminded taxpayers that they have until the last of February to pay the levy and avoid penalty. He will receive payments at the Depositors State Bank on Tuesdays and Fridays and Friday evenings.

Camera Fans Invited To Form New Club

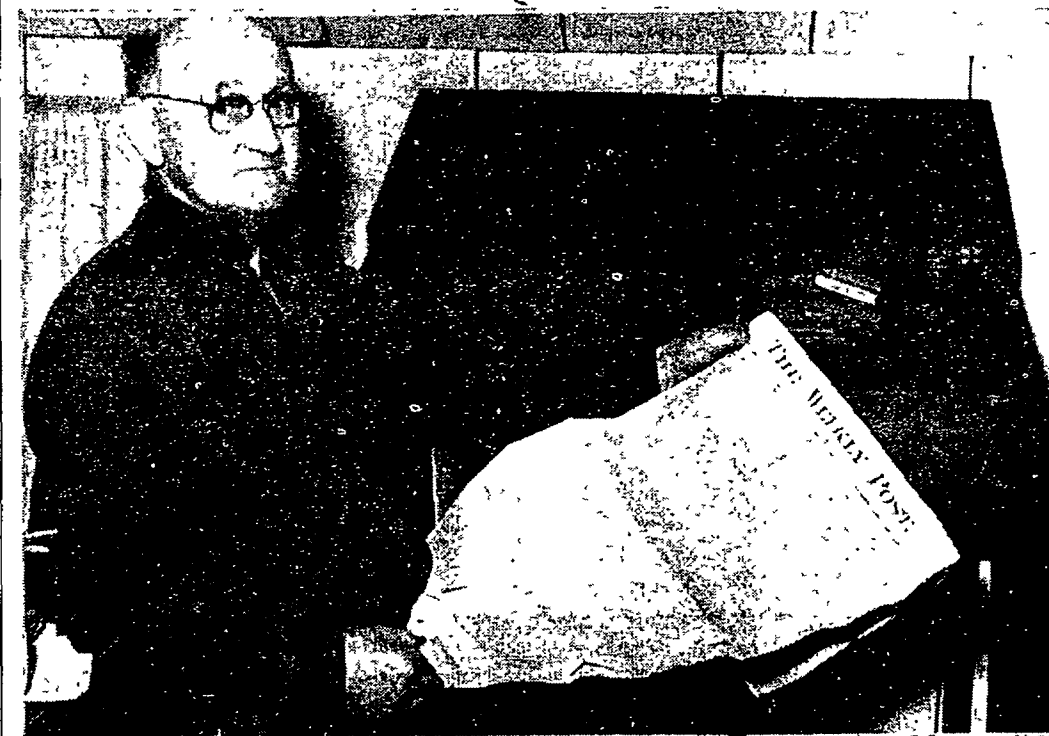

Camera fans are invited to attend a meeting at Stone's Gamble store tonight (Thursday) at 7:30 p.m. to discuss forming a 35 mm. Photo club. If sufficient interest is shown in the project, regular meetings will be held to study and discuss photographic techniques, according to Wilson Funk, who is getting tonight's meeting together.

Mothers March Against Polio Tonight

Sitting at a 150-year-old black walnut desk, Burton Munro, 25550 S. Taft Rd., scans an 1867 copy of the Weekly Post, one of the many publications and papers of the last century in his historical collection. The paper was published in Detroit.

Burton Munro's Historical Relics Recall Michigan's Back History

Curios and family relics that are more than 100 years old are among the prized possessions of Burton Munro, who dropped in at the Record office last week to show us a century-old letter.

A subsequent visit to his home at 25550 Taft Rd., brought forth many treasured reminders of bygone years. Among these was a \$6.25 receipt for taxes paid in 1870 by Munro's grandfather, the late B. B. Munro, on 40 acres of land in Southfield township. This sum covered highway, school and library tax for the year.

Munro keeps this tax receipt and other interesting possessions from Canada and the U.S. in a 150-year-old black walnut desk which was brought to this country from the vicinity of London, Canada, by his family. This heirloom houses a variety of historical papers. In contrast to the tax bill on 40 acres, the possession of one Morgan stallion, "Farmer", for which posters were printed, called for a payment of \$10 in taxes. The horse was brought here from New York State in 1869.

Woodward Toll 2 Cents a Mile There are two tickets for a "double team" of horses to travel the plank road, shortly after the end of the Civil War. The cost on this highway from Pontiac to Detroit, which is now Woodward Ave., was two cents per mile. In a collection of currency and coins inherited from Burton's grandfather are a \$1 bill dated 1863 and one for \$2 issued a year later.

In addition to "The Weekly Post", which Munro is shown reading, there is an 1869 copy of "The Great American Tea Co. Advocate". The Great American Tea Co. later became The Great Atlantic & Pacific Tea Co. of today. Articles in the "Advocate" were devoted mainly to news from China, and descriptions of

the anticipated organization here would also benefit from the facilities of the new ACS information center which will be opened in Plymouth Feb. 1 at 821 Penniman, he said.

It is expected that the center will become the headquarters for Northville, Novi, Livonia and surrounding communities. A staff of volunteers will operate the headquarters daily.

Station Entered, No Loot Taken, Shay Reports

Within 15 minutes after Bob Shay closed Shay's Northville Shell Service, a filling station owned by Russell Shay at 446 Plymouth Ave., it was broken into Thursday, shortly after midnight.

Making a routine check, Police Officer Eugene King found that a window in the front door had been broken and one opened in the rear. Bob Shay, who resides next door, was summoned by King. He reported nothing missing.

King said that as he approached the building in his scout car, he saw a gray prewar sedan speeding away. He concluded that the police car was spotted by the violators.

"Magic In Music" Theme of Concert Given In Plymouth

"Magic In Music" will be the theme of the concert by the Plymouth Symphony orchestra at Plymouth High school Sunday, Jan. 30. Open to the public without charge, the concert begins at 4 o'clock.

Every number in this presentation is associated with magic. Emil Raab, conductor, said in either in content or background, plaining the selection of the title for this fourth concert of the season.

Planned as the annual "Family Concert", Sunday's program will offer the first performance of the string class, conceived by the Junior Symphony committee of the Symphony Society. The class was started last fall. It is taught by Donald Morris.

Nat Sibbold will be narrator for the Sunday performance, using a script by Nelson and Ruth Havensstein. Both are members of the symphony.

Legion To Sponsor Amateur Show Here April 1

The American Legion's Lloyd H. Green Post will hold an amateur variety show at the Northville Community building at 8:30 p.m., Friday, April 1. Amateur talent from Northville and surrounding towns will be invited to compete for prizes of \$100, \$75, \$50 and \$25.

The Legion's show will be staged simultaneously with a Home Town Bargain Day sale by Northville retail merchants on the week end of April 1 and 2. The sale will be extensively advertised throughout the entire area. Many local merchants will also include in their advertisements notification of the Legion's show.

Paul Burnham, vice-commander of the state Legion district and past commander of the post here is chairman of the event. With more associates yet to be named, Charles Carrington, Charles Bahmiller and Conrad Springer, have been selected to head up committees for the affair.

The first entertainment of its kind here, the event will be staged in cooperation with the Northville schools and will be open to entertainers between the ages of 12 and 18.

Entry blanks may be obtained from merchants; Elroy Ellison, principal of Northville High school, Legionnaires and at the Record office. Entries must be received at the Record office by noon March 12, or if mailed, to Box 100, Northville. They must be postmarked not later than that time. Admission charge for the show will be \$1.

Walther League To Hold Confirmation Reunion Service

A confirmation reunion service is planned by the Walther League for Feb. 13 at 7:30 p.m. at St. Paul's Lutheran church. All who have been confirmed in the church in the past 15 years, since and including 1939, are invited. The members of the different classes will take part in a candle-light ceremony. The whole congregation and friends are also invited. After the service a social hour with entertainment and refreshments will follow.

Additonal Funds Sought For Northville Hospital

A \$750,000 appropriation for construction of an occupational and recreational therapy building at Northville State hospital is recommended by Gov. G. Mennen Williams in his budget message to the state legislature.

Another sum in the budget would be applied on the continuing construction of the Hawthorn Center for children at the hospital. Williams has requested \$1,162,000 for this project, which

was started late last year. Gerritt Rooks, resident state engineer for this development, states that plans for the center call for five cottages for youth from 6 to 16 years of age, administration building, classrooms, a gymnasium and swimming pool.

Has Better Chance Now A stronger effort to get the expenditure approved for the therapy building will be made this year. First broached about two years ago as a \$1,250,000 addition to the local facilities, the center has not been pushed because of the more urgent need for five patient buildings, a maintenance shop, storage and laundry facilities, Supt. Philip N. Brown points out.

With these additions either completed or under way, Brown hopes for favorable action at this session of the legislature.

The \$1,250,000 figure, based on preliminary drawings by architects, two years ago but now reduced to \$750,000 in the governor's latest budget suggestions, would mean a reappraisal of the original plan, Brown asserted.

When the preliminary plans of the quarters for occupational and recreational therapy first came off the drawing boards, they covered areas for an auditorium, swimming pool, bowling alley and craftsmanship classes in addition to woodworking, weaving and home economics.

The auditorium, in contrast to the present hall which seats 180, would be larger for the staging of plays and showing movies to a greater number of patients.

Slicing of the appropriation would mean probable elimination of the swimming pool, possibly other changes, in the opinion of Brown. The proposed building would be a one-story structure built around a patio.

For Roy Stone, had lettered a sign and changed the window display to appropriate articles that included a crib, high chair, baby scales and a jumper. For use at a later date, there was a bicycle in the background. It had been decided before hand that if the baby was a girl, Stone's four boys could select a name, if a girl the new arrival would be named by their daughter. Roy is one of the few persons who can boast of "having a son a day older than my father." His father, 84-year-old Gust Stone, who resides with the Stones, observed his birthday Jan. 26.

School Expansion Starts March 1 At Walled Lake

It is planned to start construction of additions and improvements to the Walled Lake school system about March 1, according to Superintendent of Schools Clifford H. Smart.

With the sale of a \$550,000 bond issue to Watling, Lerchen & Co., Detroit, and associates Monday, the next step in the project will be the opening of bids from contractors Feb. 21.

Included in the financing is \$250,000 earmarked for either a new elementary school, or additions to present facilities currently planned for completion in 1956. Sufficient increases in enrollment could alter these plans to make an earlier start, Smart said.

Definitely scheduled, however, for groundbreaking early in March are:

A gym and office unit to be connected with the high school. A multi-purpose room at the Twin Beach elementary school. Kindergarten facilities at Walled Lake elementary school. Glengary elementary school will have six more rooms, a library and office.

30 Recruits Seek Funds for Polio In Mothers' March

About 30 persons will participate in the annual Novi Mothers' March for the March of Dimes according to Mrs. Dorothe Snow, president of the Novi Mothers' club, which has charge of the solicitation.

Associated with Mrs. Snow in the Mothers' March are Mrs. Lilian Tickney and Mrs. Jeanne Clarke. The entire township will be covered and residents are asked to leave porch lights on so that volunteers will know where to call.

The club sponsored the first immunization clinic which was completed last Tuesday with Dr. Monroe of the Oakland County Health Dept. in charge. The second clinic will be held in February.

At the Mothers' club meeting Monday, Neighborhood Chairman Mrs. Vincent Hayes presented five year pins to Mrs. George Lien and Mrs. Fred Loynes. Special "thanks" awards were given to Mrs. Georgia Larson and Mrs. Emma Edelmann. The following ladies were invested as adult girl committee: Mrs. Florence Slentz, Mrs. Bonnie Dye, Mrs. Bernice McCollum, Mrs. Lulu Whittington, Mrs. Dorothy MacDermid, Mrs. Marge MacGillivray, Mrs. Vi Bellinger, and Mrs. Margaret Mairs.

Several were not present who are entitled to pins. They will receive their pins at the Neighborhood meeting Monday, Jan. 24 at Novi school.

Novi News Brings Comments From Citizens

After two weeks of carrying the new feature, the Novi News, representative citizens were interviewed for their reactions to the additional coverage.

Russell Woodworth, township treasurer: "Of course, we like the new Novi page. I personally feel as though Northville and Novi are natural neighbors, so to speak, and this additional coverage is gratifying and I think deserving."

Mrs. Lawrence S. Garden of Taft Rd spoke approvingly, "I'd like to thank you for your thoughtfulness in sending us these sample copies of your paper. We enjoy reading about our neighbors."

Earl Banks, township clerk, reflected the attitude of another township official in his remark, "I'll be glad to see the day when Novi fills up both of those pages with our own interests, ads and all."

Mrs. Banks, wife of the clerk, expressed the housewife's viewpoint. "I like to read about what my neighbors are doing and the new page last week was all about people I knew."

Mrs. Douglas Dye of Novi Rd. said, "The new page is awfully nice. The special space makes our happenings seem more important and it gives us more news about civic affairs."

Patrolman D'Arcy Young of the Novi township police department, said, "The new special features are excellent. Let's face it, we like reading about ourselves and feeling that our work is appreciated."

Frank D. Clark, a trustee of the Novi Township board and ardent Novi supporter, says with forcefulness, "I like the new set-up. We can always use extra publicity, we'll take all you can give us. It's taken Northville a long time to recognize that we are as valuable a neighbor to you as you are to us."

A sidelight touched upon during an interview with township officials brought out a humorous note. A name by which to refer to a Novi resident gave these township officials an opportunity for some creative imagining.

Everyone had a go at it. Rejected and left by the wayside were suggestions like "Noviite" and "Novier". Equally unattractive were "Novillian" or "Novinian". "Novist" met with some serious consideration until the plural quality was tried at which time unanimous trial proved "Novists" too much for even the most controlled sibilance (hisser).

At this writing, the identity of a Novi resident will be forced to include a proper name and adjective.

Township officials will be happy to receive any considered suggestions pertinent to solving this literary dilemma, but they feel the subject was quite fully covered, so as we say, it must be plausible.

FIVE GOOD reasons for supporting the fight against polio were set forth Jan. 20 when Novi School held its annual March of Dimes assembly program. Honored guests at the program were the five Novi children shown above. All five children have had polio and have received benefits from the research and aid made possible by the contributions of their fellow Novi citizens. The children are, left to right, Ruth Munro, Jeff Crawford, John Sheppard, Ruth Boldt and David Leavenworth. Ruth Munro was crowned Queen of Novi by Township Supervisor Frazer Staman in a special ceremony held the evening of Jan. 21 at the March of Dimes card party benefit in the Community building.

Your Supervisor Reports

A motion for a special census to reapportion county sales tax funds was defeated by a narrow margin last Friday, Jan. 21, at a meeting of Oakland County city and township supervisors at Pontiac.

The special census was asked for by certain cities and municipalities in the county whose populations have doubled and even tripled since the 1950 census. State sales tax funds are distributed by the counties to the various cities, townships, and municipalities within their boundaries in proportion to the population as determined by the census.

In the case of Novi Township, their share of the tax revenue was determined by the population of the township at the time of the 1950 census. Another census does not normally come until 1960. Therefore, a ten year budget is set up in 1951 based upon this amount of tax money.

Major purchases are made and long range plans are instituted with the knowledge that a certain amount of money is available for the ensuing 10-year period.

Novi Township has shown a steady growth of slightly more than 20% since the 1950 census. But this growth is rather dwarfed by the phenomenal increase in population of areas closer to Detroit such as the city of Oak Park, which has increased almost 300%.

Therefore, a special census at this time would almost certainly result in a reapportionment of funds. The municipalities and townships such as Novi, which have shown a steady, healthy growth in both industry and population, would come out second best in any such vote.

The situation might be compared to a steadily employed young man who decided to buy a home with a 10-year mortgage. He assumes the responsibility of the mortgage note on the basis of his anticipated income over the next 10-year period. A certain portion of that income will make payments on the mortgage. If, at the end of five years, the young man received a considerable cut in salary, it will take more than fancy financial juggling to meet the mortgage plus his other financial obligations.

The motion for a special census was defeated by 10 votes.

Special guests were Mrs. Hunt and Mrs. Mac Gillivray. Program Aides Nadine and Judy Wood assisted the leaders.

Novi School News

Beth Ann Remein has moved away from Novi and is now attending Northville school. She was in Mrs. Bentley's first grade.

The third grade pupils made the tallies for the March of Dimes card party.

Danny Dagne, third grader, is ill with the mumps.

The following fifth graders have had perfect attendance so far this year: Freda Angel, Larry Snow, J. R. Barton, Butch Rice and Carol Moody.

The fourth grade pupils have been busy making model farms and forest ranger stations in the "Building Our Community" class. Kenneth Hayes planted crops on his model farm and his corn, oats and rye are growing very fast.

Bobbie Jean Davis made her crops of paper and twigs. She made her animals of clay and pipe cleaners.

The new pupil in the fourth grade is Gerrit Steenhagen who came from Howard school in Dearborn.

The following children have not been absent for the three marking periods this year: Sue F'Gepert, Jeffrey Crawford, Ellen Harsh, Kenneth Hayes, Sharon Gattrell, Diane Harrawood, Robert Taylor, Sharon White, Bobbie Jean Davis, Linda Gombass, Ivan Fisher, Billy Adams, Lois Barton and Carol Newbegin.

Novi AmVets Hear Project Reports

President Audrey Ortwine called a special meeting of the Am-Vet Auxiliary Thursday, Jan. 20 at her home. Reports were heard from the standing committee chairmen as well as reports from the regional delegates, the toy demonstration and Board of Commerce dinner. Plans were made for officers to attend the mid-winter rally in Grand Rapids in February.

Liaison officer Shirley Saincome reported the men were having a spaghetti supper and dance in February. Plans were made to maintain the polio booth Sunday, Jan. 23. Special guest was Mrs. Goodfellow from Farmington. The women sewed on cancer pads during the meeting.

The Novi AmVet Auxiliary held a Fra-tex plastic demonstration at Novi school Jan. 18. About 20 ladies were present. Refreshments were served by Mrs. Duane Bell and Mrs. James Bailey.

The following auxiliary members attended the regional meeting in Pontiac at the home of Mrs. Albert Olson Monday, Jan. 10: Mrs. Laree Bell, Mrs. William MacDermid, Mrs. Harold Ortwine, Mrs. Ed Callan, Mrs. Kenneth Rippey and Mrs. Bill Sutton. Special guest of the evening was President Maria Miller.

Novi Party Boosts March of Dimes Fund

Ruth Munro, 6-year-old daughter of Mr. and Mrs. Brent Munro, 25550 Taft Rd., was crowned queen of the March of Dimes in Novi at a benefit card party, which was very successful.

Over 100 persons were present. There were prizes at each table and several door prizes.

"Growing Old Is A Privilege Denied To Many"

Mrs. Lydia Adell Richardson, affectionately known as "Gram", celebrated her 99th birthday last October with an open house at the Novi Convalescent home where she is now a guest.

Mrs. Richardson has lived all her life in Oakland county and in the vicinity of Novi. She was born in 1855 on a farm in West Bloomfield township, one mile from Pleasant Lake, and four miles north of Walled Lake.

Her parents were Lydia and Andrew B. Moore, and as a young girl she moved with her parents, three brothers and two sisters to Pontiac.

In 1882 she married Dell Richardson and they moved back to the farm where their only child, a son, Carey, was born. Three of their four grandchildren were also born on the farm, Mrs. Helen Stevenson of Novi, Mrs. Etta Hummell of Morro Bay, Calif., and

John Richardson. Ralph Richardson, another grandson, was born on a nearby farm. Ralph now lives at Lower Straits Lake.

Mrs. Richardson's husband, Dell, died in 1923 and her son, Carey, in 1927. Her grandson, John, was killed in an automobile accident a few months after his discharge from service in World War II.

Mrs. Richardson has six great-grandchildren, Russell and Carey, sons of Mrs. Stevenson; Nancy, John and Kathy, children of Mrs. Hummell, and Brenda, daughter of John Richardson.

About three years ago Mrs. Richardson went to California with her granddaughter, Mrs. Hummell and stayed with the family for 18 months.

She has been an active member of the Order of the Eastern Star at Commerce and has a life membership. She is also a member of the Methodist church of Walled Lake.

Blessed with good health, she broke her hip when 87 years old but was able to walk again in a few weeks. Her only complaint now is that she cannot see to read. Her friend and roommate, Mrs. Eva Wagner, reads to her every day.

About six years ago, Mrs. Richardson took her first plane ride accompanied by her granddaughter, Helen. She visited her nephew, Roy Seeley, an attorney in Springfield, Ill.

Until recently she has been an active member of the Golden Age club sponsored by the Civic Club of Walled Lake.

A life-long Democrat, Mrs. Richardson would have it known that at the last election she voted for Eisenhower.

Blue Star Mothers List Many Projects In Busy Two Years

Retiring President Mrs. R. E. Ward of the Novi chapter of the Blue Star Mothers gave an impressive review of the activities of the group during her two-year tenure of office. After installation a meeting was held at the home of Mrs. Doyce Ward to plan for the coming year.

New members during the two years were Mrs. Siame Lees, Mrs. Mildred Davis, Mrs. Linda Barber, Mrs. Helen Fessler, Mrs. Mary Stephens, Mrs. Bell Lemay, Mrs. Mabel Blake and Mrs. Thelma Wood. Reinstated was Mrs. Florence MacDermaid.

The Mothers marched in the Memorial day parade at Novi and Walled Lake. They served the Father and Son banquet at VFW hall in Walled Lake, and also served at the AmVet rally dinner.

Represented at Conventions

The chapter was represented by several members at the district meetings. Myra Ward and Hazel Mandlik were elected delegates to the state convention in Detroit in June. Hazel Mandlik, Myra Ward and Thyra Gardella attended the state conv in Saginaw, also held in June. Zetta Tuck, Alma Kiaserner, Hazel Mandlik and Myra Ward attended the national convention in New York in October.

In their hospital work, the Mothers worked at the induction center and put on a bingo party at Dearborn hospital, also helped with a carnival at Dearborn hospital and worked at Maybury sanatorium.

Money-making projects over the two-year period were two card parties held in April with Mrs. Alma Kiaserner as chairman. They netted \$150 for the two years.

"Daisy Days" held in September, 1953, earned \$150 and "Daisy Days" in September, 1954, \$178, with Mrs. Laney Rix as chairman. The annual bazaar and luncheon was held in December, 1953, and earned \$263.30.

11th Birthday Party

In December, 1954, with Hazel Mandlik as chairman, profit from the bazaar and dinner was \$218.69. Other money making projects were bake sales, cooking, and serving Board of Commerce dinners.

The chapter celebrated its 11th anniversary in October, 1953, with a dinner at Black's White House in Northville. The 12th anniversary was celebrated at a banquet in the Novi Community building, served by several of the Mothers.

Mrs. Mary Ginst served as chairman of the affair and others present were State President Iva Stringer, National Hospital Chairman Mary McDonald and Blue Star Mothers from Farmington and Northville.

Remember Sick

Cards and plants were sent to sick and hospitalized Mothers. They also attended funerals and remembered the bereaved.

The Mothers helped with chest x-ray and blood banks, and attended luncheons and card parties at other chapters.

Mrs. Thyra Gardella was chairman for the "Household Hints" books for which she collected advertising material. It netted the chapter \$45.

Help Santa, Too

At Christmas time the men and women in the service were presented with a gift. The Mothers also took Christmas gifts to veterans at Maybury sanatorium.

They are also interested in civil defense. Mr. Flannery spoke on civil defense at the February meeting in the Community building. The chapter donated 40 yards of muslin for civil defense work.

Magazines were delivered to Maybury San. Also 200 potted plants. Veterans in the township have been helped generously during times of illness. Ten dollars per month and one-quarter of the "Daisy Day" profit is sent the Rehabilitation Foundation for servicemen and gifts are given to all those entering service.

St. John's Church At Plymouth Elects Vestrymen

St. John's Episcopal church at Plymouth held its annual meeting Saturday after a pot-luck supper, with Mr. and Mrs. Frank Henderson acting as co-chairmen.

Five new vestrymen were elected to replace Harry J. Christensen, James E. Hardimon, Kenneth L. Hulsing, Robert D. Willoughby and LeRoy Hull. The newly elected vestrymen are Messrs. J. W. Cheatham, Dr. John Vos, William Scott, William Boob and Douglas Berry.

The reports presented indicated progress both from the standpoint of membership and finances during the past year. Progress has also been made in the building fund of the church.

Grave Charge Cemetery Accused of Disturbing Peace

A representative of Oakland Hills Memorial park, appeared voluntarily in Novi Justice court last week to answer a complaint that his cemetery was disturbing the peace.

The complainant, Stanley Wilson, swore out a complaint to Justice of the Peace Edmund P. Yerkes charging "... LeRoy L. Granzow did then and there ... manufacture cemetery vaults in a noisy manner, contrary to the Zoning Ordinance of the Township of Novi."

Wilson operates a business and owns rental property on the southeast corner of Novi and Twelve Mile roads. He stated that the noise resulting from a diesel engine used by the cemetery in manufacturing vaults has resulted in the loss of tenants and rental income, and the lowering of property values.

Granzow, manager of the cemetery located on the northeast corner of Novi and Twelve Mile roads, appeared voluntarily to deny the charge.

After both Wilson and Granzow had presented their cases, Justice of the Peace Yerkes handed down his decision, "Case Dismissed".

Wilson promptly announced that he plans to take the case to a higher court.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

by Gene Alleman

MICHIGAN BECKONED tourists and tossed a bouquet at its resort operators in the same motion.

Both gestures came as the U.S. Department of the Interior warned that drought conditions are prevalent over two-thirds of the nation.

But the report made Michigan look like an oasis, with its more than 11,000 inland lakes and resort areas catering to both the summer and winter trade. It said: "Michigan is immune to drought. The Great Lakes waters are clear, cool and soft, and no part of the state is more than 95 miles from one of the Great Lakes."

The Michigan Department of Economic Development took the cue to remind everybody with a mailing address that the state has 2,242 miles of Great Lakes shoreline.

It praised the resorts for taking advantage of the gifts of nature and asked other states to send its weary and worn, restless and thirsty citizens up to Michigan for a vacation.

The letter to other states said: "Michigan is a good place to live. Come to Michigan."

DEMOCRATS WHO SOLD SIX of the state's top offices are hurrying to join Gov. Williams' campaign to scorch Republicans who hold the other two.

The first sally came when five of them joined Williams at their first Democrat-dominated administrative board meeting.

Where Highway Commissioner Charles M. Ziegler had only Williams to feint with before November, he now faced six.

He was criticized for coming to the meeting with less information about project bids than Democrats wanted. Next day he was blasted again for trying to pay a damage claim on the advice of an assistant attorney general.

As the legislature gets into the highway problem, he will again be a target of the Democrats—and some Republicans who, rightly or wrongly, figure him as a partisan liability.

Ziegler remains calm through it all with three years still to run in his present term.

He stated that he has built as many roads as possible with the available funds and that he needs up to \$6,000,000,000 to bring all the state's trunklines, roads and streets up to standards.

have stirred the sympathy—and ire—of the Michigan Corrections Commission.

Officials said there are 400 youths behind bars between the ages of 15 and 17 and that facilities to handle the tough adult convict are "a reproach to the state when applied to youths."

That was the estimate of Commissioner Talbot Smith as he bowed out of the system to become a Supreme Court justice. He asked for a complete reform of the youthful-offender policies. He said:

"Putting these youngsters in with hardened criminals is just plain murder."

First, he asked that a separate reception center be created for youths and that the penal code be changed to soften the procedures of arrest, prosecution and preliminary sentences.

Then, as a long-range program he suggested a separate set of facilities for youths which feature education, training and reform.

"We can salvage some of these youngsters and we should have some temporary arrangement established immediately," he said.

The next step will be conferences between corrections officials and the Michigan Youth Commission in an effort to work out a program to present to the legislature.

MICHIGAN STATE COLLEGE, which pioneered services to farmers for education, will be 100 years old in 1955.

First students were instructed to "bring your own axes" and a college was started, the first under the Morrill Act creating land-grant colleges.

Since that early beginning, the college has grown to enrollments up to 16,000 students. It has trained men for war and educated them to follow peacetime pursuits.

Hundreds of farmers throughout the state send regularly for information from the college on how they can increase their profits and field agents in every county lend a hand.

The college also has become a liberal arts university, offering degrees in education, the languages, engineering, English, home economics and dozens of other courses.

For its centennial year, the college has arranged national conferences of a number of distinguished scientific and cultural organizations and a sparkling array

First Federal Reports Savings Up \$19,673, 402

First Federal Savings wound up its 20th anniversary year with substantial gains in savings—a net increase for the year of \$19,673,402, according to Walter Gehrke, president.

First Federal paid 1954 earnings at the current rate of 2%, that amounted to \$2,195,000. This money went to some 80,300 savings customers.

"A particularly large savings gain in December leads us to feel that the habit and resolution to save continues strong with people of all occupations and walks of life. The present outlook is for another year of growth for savings institutions of our type, who number more than 6,000 in this country, and whose assets now exceed 30 billion dollars," Gehrke stated.

Perry W. Richwine is manager of the First Federal branch at 843 Penniman in Plymouth. He is also a first vice-president of First Federal Savings.

"We are, of course, happy that so much of the public's savings (last year well over \$3,900,000,000 of it)—went into insured savings and loan associations," Gehrke said. "From reports in a national magazine, this is 44% of the \$8,100,000,000 that went into all types of savings accounts. Last year, these insured associations were the nation's largest source of mortgage loans for home building, buying and alterations," he pointed out. This is a post-war record.

New Books Offer How-To-Do-It Tips, Plays and Fiction

Useful non-fiction volumes are among the latest additions to the Northville library, according to Miss Ruth Lyon, librarian.

There are "How To Do It's", published by "Better Homes & Gardens"; "Home Improvement Ideas", from the same publication, and "The National Electrical Code Handbook".

The latter is designed to tell "how to handle all types of wiring and installation jobs in strict accordance with the National Electrical Code", according to the jacket blurb.

In "The Speaker's Special Occasion Book", the publisher states that "The editors have not been content merely to provide some pieces to write for Christmas, or Easter, or Flag Day."

"There is, in each instance, a background sketch, giving you the history and philosophy of the event."

Also, in the non-fiction classification are "U.S. Camera for 1954".

"Best Plays" Received There are 34 titles—one for each year since 1919—in "The

First Prize Stories" from the O. Henry (William Sydney Porter) Prize Awards. "The Best Plays of 1953-1954" is another of the new arrivals.

Among the new fiction titles are two on the "Best Seller" list of the New York Times, "The View from Pompey's Head" by Hamilton Basso, and "Benton's Row" by Frank Yerby. Yerby authored "The Foxes of Harrow" and the "Vixens".

"The Golden Wildcat" was written by Margaret Widdemer. It is described as "a reappraisal of the days when America was in a precarious balance between English rule and French conquest—a story of intrigue and treason, loyalty and love."

"Letters To a Stranger" is a novel by Elswyth Thane.

There's a new
zip to Dynaflow*

— and better gas mileage to boot!

This is something you really ought to try.

Even though you may be familiar with earlier versions of Dynaflow Drive—either from personal experience or from hearsay—you owe it to yourself to press the pedal of a 1955 Buick with Variable Pitch Dynaflow.

Just as simple as ever to operate—easier, in fact, with the new positioning of the lever. Just as smooth as ever, with nary a lag, halt or hesitation throughout the speed range.

But brother!—hang on to your hat when you call for action!

Because that's what you get, instantly.

Because twenty power blades inside the very heart of this wondrous automatic transmission switch their pitch for getaway performance—much like the airplane's propeller is angled for take-off.

It's as simple as that—but far more thrilling than words can tell.

And it's a big boon to your gasoline money, too. For, just as the plane's propeller changes

pitch aloft for greater fuel efficiency in cruising, so the Dynaflow "propellers" change pitch to deliver a lot more miles per gallon in normal driving and cruising.

Come in and try it—this week. You'll find it harnessed to the highest V8 horsepowers in Buick history—and housed in the bold new styling that says Buick and nothing but.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

Long, Slow Cooking
Is True Secret
Of Italian Cooking

NEXT time you're searching for something unusual, try this satisfying version of a famous Italian dish. It's a taste-tingling dish which is spicy and pungent with a rich and fragrant tomato sauce which brings compliments galore.

If you chill the meat mixture before handling, the meat balls are more easily formed.
Italian Meat Balls and Spaghetti
(Serves 8)

Sauce:
2 tablespoons olive oil
1/2 cup chopped onion
1/2 cup chopped green pepper
1 clove garlic, minced
2 6-ounce cans tomato paste
1 No. 2 can tomatoes
2 teaspoons salt
1/2 teaspoon pepper
2 teaspoons chili powder
1/2 teaspoon oregano
Cheese Meat Balls:
1 pound ground beef
1/2 pound ground pork
1 cup grated Parmesan cheese
1/2 cup chopped parsley
1 clove garlic, minced
1 cup tomato juice
1 egg beaten
2 teaspoons salt
1/2 teaspoon pepper
1/2 teaspoon oregano
1/2 cup rolled oats (uncooked)

1 pound thin spaghetti
For the sauce, heat olive oil in large skillet. Brown onion, green

Much of the preparation for this Italian Spaghetti and Meat Balls can and should be done in advance to let the flavor ripen. Cook the sauce slowly and add the meat balls to it. Leaving in the refrigerator overnight for use the next day is a good solution.

pepper and garlic in hot oil. Add remaining ingredients and mix thoroughly. Simmer over low heat for an hour.

While sauce is cooking mix together all ingredients for meat balls. Shape mixture into 24 balls. Brown them in hot shortening. Place meat balls in sauce during the last half hour of cooking.

Cook spaghetti in boiling, salted water according to directions. Drain well. Serve meat balls and sauce over spaghetti.

Try Something New
With Baked Chicken

Chicken is a favorite food for many people, and they like it well in many versions. Here are two of the most delicious ways of preparing chicken that I've found in some time.

This baked chicken is rich with a sizable chunk of butter and plenty of milk while the casserole is good for family or company dinners.

Lebanon Baked Chicken
(Serves 4-5)
1 2 1/2-3 1/4 pound chicken (ready to cook)
1 teaspoon salt
1 cup flour
1/2 pound butter
3 cups milk
1/2 teaspoon pepper

Roll pieces of disjointed chicken in flour and sprinkle with salt and pepper. Melt butter in baking dish, add chicken and bake in a hot (425°F.) oven until thoroughly browned, about 15 minutes. Add scalded milk and bake uncovered in a moderate (350°F.) oven until the meatiest pieces are tender, about one hour, turning occasionally.

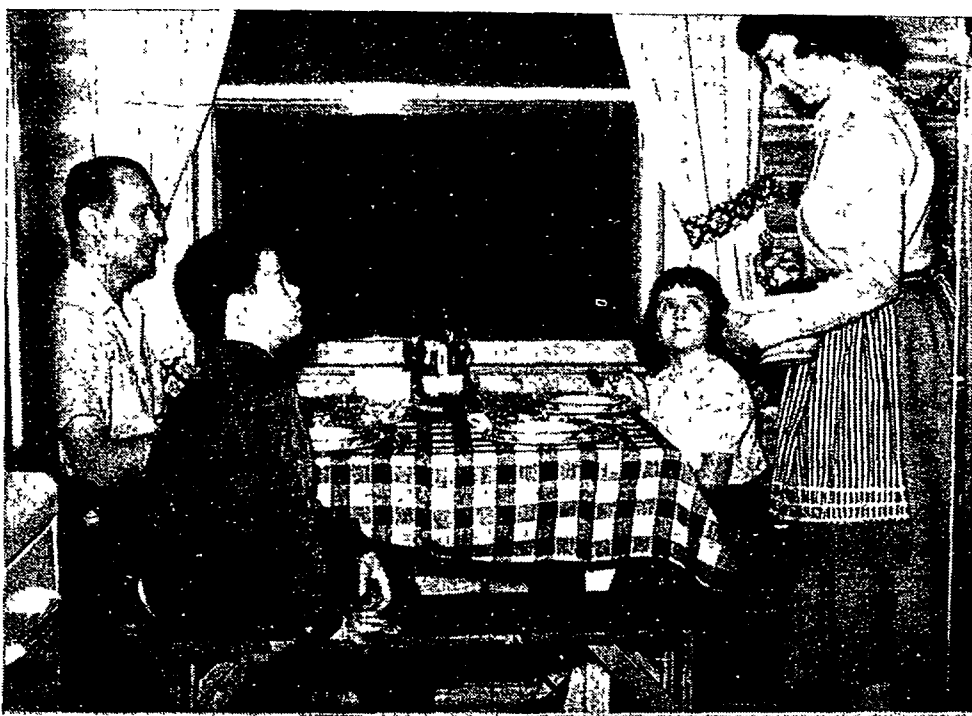

Chicken Casserole De Luxe
(Serves 6)
1 3-pound chicken (ready to cook)
1 1/2 teaspoons salt
1 medium onion
1 cup chopped celery
1 8-ounce package egg noodles
1 can mushroom soup
1 cup buttered bread crumbs

Cook chicken, celery and onion until tender. Remove meat from bones and chop fine. Strain stock. Add noodles to stock and cook eight minutes. Drain liquid from noodles. Combine chicken and noodles in mixing bowl. To soup add enough stock to make 3 cups and season with salt. Add soup-stock to chicken and noodles and mix. Place mixture in greased casserole and sprinkle with buttered bread crumbs. Bake in a moderate (350°F.) oven for 30 minutes.

What's
Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Record's society editor, Telephone 200.)

Mr. and Mrs. Rano Papini of Wing Court, are noted for their good Italian cooking and Minestrone soup is one of their favorite dishes. Mrs. Papini says it is now possible to purchase the special cheese, sausage and seasonings used in this recipe in Northville and she recommends Minestrone soup, with the miniature pizzas as a full course meal. The soup is hearty and full of nourishing vegetables and if you have never tasted it, try it for a new epicurean experience.

Shown above are Mr. and Mrs. Papini with their two children, Penn 8, and Claire 7, waiting to be served one of their favorite Italian soups.

Minestrone
(Italian Soup)

4 pints good beef stock	1 clove minced garlic
1 onion, cut fine	1 cup macaroni
8 carrots	1/2 cup tomato paste or
4 stalks celery	2 cups stewed tomatoes
1/4 of a small cabbage	1/2 salt, pepper to taste
1/4 chopped parsley	1/2 grated Romano or
1 cup dried navy beans	1/2 Parmesan cheese
or kidney beans	

Soak beans overnight, drain, add fresh water and cook until soft. Drain and add to stock with rest of chopped vegetables. Simmer until vegetables are tender. Season to taste. Serve with grated cheese.

MINIATURE PIZZAS

Miniature pizzas are delicious served with Minestrone.
1 pkg. English muffins
1/2 lb. Mozzarella cheese
1/2 lb. Pepperoni sausage
1 cup stewed tomatoes or
diluted tomato paste
Oregano (herb) for seasoning

Slice and toast muffins, put on baking sheet and lay a slice of cheese on each muffin, add several teaspoons of tomato and about 6 thinly sliced rounds of pepperoni on top. Sprinkle with Oregano and broil until cheese melts.

King's Daughters
Report Activities
for Year of 1954

The annual meeting of the Mizpah Circle of King's Daughters was held Jan. 4 at the home of Mrs. John Litsenberger.

Reports for the year included sewing 2,416 cancer pads. Other sewing projects included the making of bed jackets for child patients in the University of Michigan hospital, as well as repairing used clothing. The latter is collected throughout the year and, after being put in good condition, is given to deserving families in the Village.

Two local girls were sponsored for a two week period at the King's Daughters Camp Missaukee at Lake City.

The King's Daughter's and Son's Home in Redford received \$231 from the Mizpah Circle in addition to six bed trays, a number of bed jackets made by the members, and gifts at Christmas time to each of the "family" at the Home, wash cloths and soap and miscellaneous items.

The visiting committee made many calls on shut-ins, besides sending flowers, fruit and books to them throughout the year. The hospital bed and wheelchair, belonging to the Circle, are in constant use.

King's Daughters members contributed their time and effort toward promoting, staffing and being donors for the local Red Cross blood bank.

The total amount spent by this group for the year 1954 on community projects in Northville is

approximately \$200.

With the help of the members and the local police force in compiling lists of needy families, 12 Christmas baskets of food, toys and clothing were distributed.

The King's Daughters made 35 calls on the sick and shut-ins at Christmas time, taking each shut-in a fruit cake.

The second payment of \$400 was made on the hospital pledge. Other contributions made by the club in 1954 include: P-T-A, \$5; and \$25 toward the Halloween party sponsored by the Mothers' club. A card party for raising of funds was held at the home of Mrs. William B. Walker, Jr. The annual King's Daughters bazaar and luncheon held in April, 1954, was a great success. Mrs. E. B. Cavell was chairman of this affair. Another project this year was the Hunter's Ball in December.

As much more clothing was distributed this year, the supply is low, especially children's clothes. Outgrown boots, shoes, dresses, coats, sweaters, snow suits, boy's pants and jeans, jackets and socks are all needed and anyone having any of these articles to dispose of, may call 515 for pickups or leave them at the Village hall and mark them "King's Daughters".

PAST MATRONS MEET

The Past Matrons club met at the home of Mrs. E. M. Bogart Jan. 19. Mrs. E. L. Sietz was her assistant. A dessert luncheon was followed by a business meeting and social hour. The next meeting will be at the home of Mrs. Elmer DeKay on Yerkes St. at 12:30, Feb. 16.

Mrs. Earlene Gaffield, 768 Grace St., announces the marriage of her daughter, Carol, to John Chisholm, son of Mr. and Mrs. Duncan Chisholm of Cady St. The young couple plan to live in Northville for the present.

EMMA DUBORD TO SPEAK
ON CARE OF FABRICS

Miss Emma DuBord, Wayne County Home Demonstration agent, will speak at the Leaders' meeting in the Northville library Friday at 9:30 a.m. Her topic will be "Clothing, Care of Modern Fabrics". The fabrics discussed will include the new synthetics, such as nylon, orlon, dacron, etc.

Gail Ann Bemish
and William Green
Married Jan. 22

Mr. and Mrs. Leslie M. Bemish of Northville announce the marriage of their daughter, Gail Ann, to William L. Green, Jr., son of Mr. William L. Green of Napier Rd. Father Anthony J. Heraty officiated at the 10 a.m. nuptial mass at Our Lady of Victory church Jan. 22.

The bride was attended by Eugenie Green, sister of the bridegroom, and Leslie Ann Sheehan, cousin of the bride. Lawrence Bemish was best man.

A wedding breakfast was held at Botsford Inn for the immediate family.

The couple will reside in Ann Arbor while Bill is attending Michigan State Normal college.

"Dolls" Theme of
BPW Meeting

Mrs. Imogene Leonard of Troy, Mich., displayed over 50 of her collection of 1,000 dolls at the Business and Professional Women's club dinner at the Methodist church house Monday night. Mrs. Leonard has been collecting dolls for over ten years and has studied the early history of materials, methods, costuming and use of dolls.

Mrs. Leonard holding one of the dolls of her collection of 1,000.

She stated that dolls originally were not used as toys as they are today. Some were sent over here from Europe to the colonists to show the fashions in Europe at that time. They were made of papier-mache, rags, parian, bisque, wax, china and wood.

Mrs. Leonard also displayed some early toys, such as stoves, carriages and blocks which give the collector an idea of the way of life in the early 1800's.

Mrs. Leonard feels that any collection of authentic antiques is a rewarding hobby as the collector's items increase in value with the passing of years.

Cynthia Mellen, talented ballet dancer and daughter of Mr. and Mrs. George Mellen of E. Baseline Rd., entertained the members of the club with a ballet danced to the music of Poldini's "Dancing Dolls", a dance for which she worked out her own choreography for this occasion.

Cynthia teaches dancing in Redford and Northville and studies under Theodore Smith in Detroit. Her balance, poise and grace have been perfected after many years of study.

Florida Honeymooners
To Reside In Indiana

Following their wedding Jan. 15 in the First Methodist Church of Northville, Mr. and Mrs. Christy Jay Miller (Judith Ann Walker) left for Florida by car for a two weeks' honeymoon trip.

The bride is the daughter of Mr. and Mrs. William Lee Walker of 42625 E. Seven Mile Rd. Her husband is the son of Mr. and Mrs. A. P. Miller of Middleberry, Ind.

For the evening ceremony, which was read by Rev. Hughes of Milan, Judith Ann wore a ballerina-length gown of white faille. The bodice which was made of faille woven with silver threads had a square neck line and long sleeves. Her fingertip veil of illusion was held by a close fitting headpiece of pearls. She wore a string of pearls which was a gift of the bridegroom. She carried white orchids and candlelilies.

Nancy Wiles was maid of honor and wore a ballerina gown of green faille. Nola DeKay, Bonnie Lee Walker and Eileen Schoch were the bridesmaids and wore gowns identical with the maid of honor's in light blue, pink and coral faille, respectively. The flower girl was Sherry Marie Walker, and she wore a frock of yellow organdy. All the attendants carried muffs to match their gowns with gardenias fastened on the muffs. Their headbands were made of the same material as their gowns.

Lester Miller, brother of the bridegroom was best man. Ushers were Clarence Miller, Kenny Roberts and Maylin Miller.

Mrs. Walker chose a gown of white with yellow velvet trim and wore a yellow orchid corsage. Mrs. Miller wore a light blue gown with dark blue accessories and a yellow orchid corsage.

The bride wore a tan suit with dark brown accessories for traveling.

Upon returning from their honeymoon, the young couple plan to make their home in Middleberry, Ind.

CKLW-TV Sets
Black's Encore
for January 31

As a result of many inquiries following their first TV show, Mr. and Mrs. William Black will again present a program of "Foods" on the Myrtle Lobbitt Family, Food and Fun show on CKLW-TV on Monday, Jan. 31 at 2:30 p.m. The Blacks operate Black's White House dining rooms here.

Mr. and Mrs. Black are calling their demonstration "Food Calendar for 1955". It will cover the months of January through June, with suggestions for special holiday parties. The patriotic and Valentine's day themes will be carried out for February and St. Patrick's day for March. For April, bridal showers will be featured.

For June, the Blacks will show a bridal tea table and will assemble a wedding cake which will form a centerpiece for the table. The demonstration will end with a complete decoration of the wedding cake.

All ideas and suggestions used by the Blacks on the program will be available to the viewers upon request to CKLW-TV.

Troop 11—At our last meeting many of the girls worked at their sewing projects. We rehearsed the investiture ceremony. Next Wednesday the mothers are invited to come to the investiture and there will be snacks for the mothers and daughters.

Scribe, Betty Stremick

Troop 13—Along with our sewing badge we are now working toward our good grooming badge

and Mrs. Thompson, our leader gave us each a pamphlet of "good grooming". We discussed further plans for going to the Hollywood Ice Revue next month. Linda Bell brought the nibble box.

Scribe, Sharon Johnson

Tuesday evening the Girl Scout council of Northville honored 43 leaders and co-leaders of Brownie and Girl Scout troops, at a delightful pot-luck dinner at the home of Mrs. Nelson Archer. Mrs. Drake Older assisted.

Mrs. W. E. McCarthy assumed the post of president left vacant by Mrs. C. M. Goodrich. Mrs. Drake Older is the new vice-president.

What's The Score For Next Week? Ask The Gals

If the knack to size up two basketball teams and translate the why's, if's, when's, wherefore's and whatever's, plus those wholly unpredictable things called "breaks", into the final score, are any basis for becoming a sports editor, then Northville High school girls have the edge over boy students.

Take Mary Welch, a freshman, for instance. In the weekly contest conducted by Paul Folino, proprietor of Paul's Sweet shop, Mary came within four points of the score between the Northville Mustangs and Brighton. In this first contest of the season, she had competition from 73 other students.

Then Mary Anne Ratliff, a senior, won for the Northville-Milford encounter. She was seven points from the actual score.

That week there were five ties for third place. This group was 13 points off in its forecast of the tally at the final whistle.

Age doesn't seem to be a major factor either in picking the score at Paul's Sweet Shop. Young Tommy Bongiovanni, a seventh grader, was first, with a predicted score that came within six points of the final count for the Northville-Clarkston game. He nosed out Roger Weber, a freshman, with 7 points off, and Joe Humphries, a junior, 8 points.

Plans Completed For Skate Meet; Trophies On Display

The 14 trophies which will go to boys and girls who will participate in the skating meet Sunday, Jan. 30 on the Mill pond under the sponsorship of the Optimist club and the Recreation Dept. are on display in the Main St window of the Record office.

The contest will start at 2 p.m. Recreation Director Stanley Johnston said entries would be appreciated ahead of time, but added that anyone can enter at the time of the race, as well.

Trophies and medals will be awarded for first, second and third places in each of the seven events open to both boys and girls. Winners will be determined on the basis of points—30 for first position, 20 for second and 10 for third place.

The Novelaires, top quartet in the University of Michigan Glee club, will be featured in the concert to be given by the glee club at the Northville Community building Saturday, Jan. 29 at 8:30 p.m. The U-M club of Northville is sponsoring the appearance of the 96-year old musical organization here.

Since its founding, and particularly in recent years under the direction of Dr. Philip A. Duey, the club has gained nationwide

recognition. It presents a program of widely varied selections ranging from the works of the masters to the more popular numbers of the day.

Also included is a special group of traditional college songs, designed to bring back nostalgic memories to all college grads.

Past members of the club include such celebrated artists as Stuart Churchill, who has for many years been a tenor soloist with Fred Waring's Pennsylvania

ians, and Chase Baremeo, a baritone, formerly with the Metropolitan Opera company. Thomas E. Dewey, former governor of New York, was a soloist with the glee club in his days as a student at the university.

Dr. Duey came to Michigan in 1947 as a professor of vocal music after a distinguished career as a professional singer. A veteran of some 5,000 radio broadcasts, Duey sang on the first broadcasts of six coast-to-coast programs.

Events Of The Past In Northville

ONE YEAR AGO—

Milford defeated the varsity basketball team, 57-47, and the Colts, 49-26.

The Presbyterian church held its 125th annual meeting.

Only 63 voters were against the \$300,000 bond issue for the new elementary school, the proposal won the support of 334 citizens. Five ballots were voided.

Mary Jane Campbell was installed as worthy advisor of the Northville Order of the Rainbow.

Dr. Michael R. Randazzo, osteopathic physician and surgeon, became associated with Dr. Cecil B. Jackson. A University of Detroit graduate, Dr. Randazzo, took his professional training at the Chicago College of Osteopathy.

Mrs. Donat Bedore of Butler Ave. was hostess at a birthday party in honor of her daughter, Mrs. Esther Blackwell.

Plans were completed for the installation of Nov's new Baptist minister, M. J. O'Neill.

FIVE YEARS AGO—

Edward C. Welch was elected president of the Northville chapter of the National Council of Presbyterian Men, Robert Davis, vice-president; Maxwell Austin, secretary, and Hurd Sutherland, treasurer.

Charles Carr, Paul Burnham, Merrill Sweet, Sherwood Evans and Fred Meaker composed the committee for an American Legion post tag party.

Mrs. Sue Bongiovanni, in the beauty shop business for the past nine years, purchased Thomas J.

Ankner's beauty shop.

Mr. and Mrs. John Bouhers of Beck Rd., observed their 61st wedding anniversary.

Northville Blue Star Mothers elected Mrs. M. F. Meaker, president.

Village Treasurer R. F. Coolman reported a balance of \$72.89 in the Northville general fund.

The Ford Trade school basketball five was victorious over the Northville Mustangs, 47-24.

TEN YEARS AGO—

The Wayne County Training school advertised for men or women cottage workers at a starting salary of \$2,184 for a 48-hour week.

Hazel Wins of Northville was married to Lloyd Lynch of Wall Lake.

With paper mills shutting down because of lack of waste paper, the Northville Legion post announced another wartime collection of discarded paper.

A Record classified ad offered timothy hay for 90 cents a bale. Staff Sgt. Elmer Balko was awarded the Bronze Star for bravery under fire in France.

Because of wartime conditions, three Northville High school students who had finished their courses were graduated. Ted Baldwin and Otis Cox were awaiting calls to the service. The third graduate was Catherine Callas.

The next wartime tin can collection was scheduled for Feb. 15.

Mrs. Pete Sexton was elected president of Our Lady of Victory Altar society.

TWENTY YEARS AGO—

Dr. L. W. Snow, president of the Northville Young Republican club, appointed Harold S. White, Robert G. Yerkes and Kenneth A. Martin as chairmen of committees to reorganize the club's activities.

Ten pounds of damp wash cost 49 cents, 10 pounds of sugar 47 cents. Lard was 15 cents a pound.

Two streets were added to the village map — Silver Springs Court and Railroad St.

Large white leghorn hens for \$1 each were offered for sale in a Record classified ad.

Bob Angove was general chairman of the Northville High school J-Hop.

The price tag on an eight-piece dining room suite with a walnut

finish was \$49 according to the ad of a local furniture store.

FIFTY YEARS AGO—

Hall Carr Mfg. Co. bought the property of the old Globe Furniture Co. It expected to start production about Feb. 1.

Mr. Arthur Hochman

Man from Rochester
says, "I'm a lot
better off because of
Blue Cross-Blue Shield!"

"Blue Cross-Blue Shield saved the day for me," says Mr. Hochman of Rochester. "I was in the hospital for over two months. Really needed the works—oxygen, operating room, anesthesia—and you find that they can really amount up in no time! My hospital bill alone was over \$1500. I didn't have to pay a penny of it! My Blue Cross Comprehensive Contract covered it all! And—Blue Shield paid \$400 of my doctor bill, too. It would take me years to get rid of that debt if I didn't have Blue Cross-Blue Shield. Like I say, I'm a lot better off because I've got it!"

What if your family had a unexpected hospital bill this year? One in every three families will! Wouldn't you be a lot better off with protection like the kind that saved over \$2200 for Mr. Hochman?

Find out how you can get low-cost Blue Cross-Blue Shield group coverage for hospital and doctor bills. A company with as few as 5 employees may qualify as a group.

Today, call or write: Blue Cross-Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

Divine Love's inexhaustible supply of good for man will be brought out in the Lesson-Sermon entitled "Love" at Christian Science services Sunday.
Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (494-10):
"Divine Love always has met and always will meet every human need. It is not well to imagine that Jesus demonstrated the divine power to heal only for a select number or for a limited period of time, since to all mankind and in every hour, divine Love supplies all good."
Among the passages to be read from the Bible is the following from Psalms (103:2-4): "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thine diseases; Who redeemeth thy life from destruction; who crowneth thee with loving kindness and tender mercies."

Lutherans Start Lecture Series On Bible Sunday

Sunday, Jan. 30, at 11:15, following the service, Rev. B. J. Pankow, pastor of St. Paul's Lutheran church, Northville, will begin a series of 24 lectures for adults entitled: "What Does the Bible Say?"
These lectures will be held in the meeting room opposite the choir loft of the church. To get acquainted with the Bible, the first part of the lecture hour will be devoted to a rapid survey of the Bible, giving attention to the chief contents and most beautiful passages of the individual 66 books.
The rest of the hour will be on the most important teachings of

the Bible. In addition, a historical synopsis will be given of the people in the Old Testament, the life of Christ, the founding of the New Testament church, the Reformation, and the story of the church down to the present era.
The lectures will be held in an informal way, and ample time will be allowed for discussion. Those who come are asked to bring their own Bibles, but extra Bibles will be available. Maps and illustrated folders will be used.
The subject of the first lecture Sunday will be: "What Does the Bible Say About Itself?" All who are not regular members of any church are invited. Anyone desiring more information may contact Rev. Pankow, phone 151.

"It usually doesn't take too long for the man with push to pass the man with pull."

26 Free Throws Don't Get Holly Over the Hump

With Fritz Smith hitting for 21 points last Friday at Holly, the Northville Colts notched their second win of the season by a score of 53 to 47.

The reserves fought off a last quarter surge by the Holly yearlings to salvage the game in which all the players saw action.

Holly made 26 of its points via the free throw line.

Dave Biery was second high man with 8 points while Nieuwkoop, Palmer, Skow, Newton, Atchinson, Holman and Hollis also contributed to the scoring.

Score by quarters:

Northville	15	17	5	16	53
Holly	12	8	10	17	47

Harbert Honored By Sports Guild For Golf Skill

"Chick" Harbert, Meadowbrook Country club pro and Professional Golfers' Assn. champion; Ellen Richard and Connie Todoroff, synchronized swimming champions, and Lee Schoenith, top driver in, power-boating during 1954 have been added to the list of those to receive Sports Guild awards this year.

Harbert was chosen "outstanding in golf" by the Sports Guild Award committee, which so far has named 13 prominent Michigan sports figures to be honored at the Eighth Annual Sports Guild Award banquet at the Sheraton Cadillac hotel, Detroit Thursday, Jan. 27.

Miss Richard and Miss Todoroff won a team trophy for their efforts in teaching, demonstrating and gaining recognition for synchronized swimming throughout the world. As a result of their efforts, the sport will be included among the competitive events in the 1956 Olympic games.

Schoenith won his award by his consistent showing in Gale powerboats, which ruled the unlimited division during 1954.

There's more than meets the eye in many news dispatches from Lansing. Every week "Michigan Mirror" by Gene Alleman tells Northville Record readers what's going on behind the scenes.

Northville Drops Close One To Holly; Clarkston Wins

Since the bonus free throw was inaugurated in basketball this winter, coaches have used it for a crutch. Clarkston, however, proved that you can win without dumping in that extra toss in a game played Tuesday, Jan. 17.

In a vital Wayne-Oakland game Clarkston defeated Northville 51-43 by tallying 6 more field goals than its Class B opposition. Clarkston now is undefeated in its bid for the Wayne-Oakland County league crown.

The Mustangs sank 13 of 23 free throws while Clarkston dropped in 21 field goals, however, with Ritchie Johnston getting 7 and teammate Bob Yahne got 6. This compares with 15 field goals for Northville with John Clarke hitting for 7.

The score at the first quarter was 3 to 15 with Clarkston leading. Northville closed the gap and outscored the Clarkston quintet by 4 points in the second period, 17-13. The teams were evenly matched in the final half of the game, getting 23 points apiece, which, of course, was not enough for the Mustangs to come out on top.

In the most heart-breaking game of the season Northville dropped its third league game in five starts to Holly 52-51. Northville got out the crying towel as, with 11 seconds left in the game and Northville ahead by 1 point, little Wayne Freeman became the hero of the evening by scoring his sixth field goal of the night.

The game was a nip and tuck battle with neither team gaining an advantage. The score at half-time was knotted at 25 all. When the third quarter drew to a close Northville was leading by 2 points but Holly battled back to win in the final quarter by 1 point.

The high man of the evening

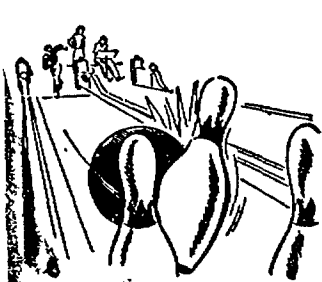

was Freeman as he added starch to his hero role with 15 points. Clarence Patterson dumped in 14 for Northville and Mac Burns hit for 12.

In other league games Clarkston remained in first place by defeating Lowly Clarenceville 54-34 and Keego Harbor moved into third place with a 43-40 victory over Brighton. Milford was idle in the league.

Northville Meets Brighton Friday

Northville meets Brighton Friday night as the second whirl around the league begins. With the teams all evenly matched the league crown is waiting for the team with the most get up and go. With a little experience under its rather green belt the Mustangs are hoping for a much better showing.

Cadillac

Only 35-But He Has Earned It!

Used to be you didn't see a young man at the wheel of a Cadillac very often.

Most of the proud and happy people driving Cadillacs showed at least a little gray at the temples.

But things are changing. In fact, it isn't at all unusual any more for a man in his thirties to move up to the "car of cars."

There are two basic reasons for this.

In the first place, success is coming earlier now to a great group of young men than in years gone by.

Men are going into business and the professions with fine technical training which starts them off at levels they used to be years in attaining.

And, secondly, the news of Cadillac's remarkable economy is spreading far and wide.

Actually, once a man feels justified in making the initial investment, he is economically on sound ground when he selects a Cadillac.

First of all, he can keep it and drive it with pride for almost any period of years he may elect—for its endurance is beyond all practical measurement.

Upkeep is remarkably low—and few cars of any size or price will run farther on a gallon of gasoline.

And even when it comes to the purchase price, there is much to be said for the "car of cars." There are twelve models of other makes which actually cost more than the lowest-priced Cadillac.

Thus, it is small wonder that more and more people in a younger age bracket are making the move to Cadillac. It has become a logical and practical thing for them to do.

So, if you are ready for a Cadillac—remember that achievement—and not age—is the criterion.

3 From Northville At Installation For Realtors

A large number of realtors were present for installation of the new officers of the Western Wayne County Board of Realtors at their regular monthly dinner meeting held at Arbor-Lil Monday.

Northville realtors attending were Don Merritt, Levi Eaton and Carl Bryan, all members of the multiple listing, which is a group within the Western Wayne County board. Retiring President George Anderson gave the gavel to Realtor Clyde Alexander of

Plymouth who takes over for 1955. During Alexander's term the local board increased membership by 50 percent, a record for the entire state of Michigan. Gross sales in the Multiple for the past year totaled \$1,160,274 in this general area.

Freak Accident Blinds Youth In One Eye

A freak accident caused the loss of an eye to Colin Sikkila, 13, of Walled Lake Jan. 15 while he and Dick Norton were in Dodge park.

The boys were carrying a B B gun as they walked through woods, when they saw a shotgun shell half buried in the ice. Colin shot at the shell, which exploded, one pellet grazing his ear and the other lodging in his eye.

Winter Scenes Used By Pupils In New Art Idea

Children of the fourth, fifth and sixth grade art classes have attempted something new in creative art expression, according to Stanley Hench, grade school art teacher.

The students, under his direction, made quick sketches of boys and girls who posed in the different attitudes of skiing, skating, sledding, snowballing, etc. Five minutes was allowed for each sketch of the model so there was no time to indicate detail, only to show the lines of action.

After the sketches were made, the children drew a scene, on another sheet of paper of a skating pond with snow covered hills in a way that their previously drawn figures would fit in nicely.

Good composition was stressed in the arrangement of figures and objects such as trees and houses. Proportion was discussed too.

The children then drew the sketches they had made on their scene, adding all the details and coloring them brightly. The result was a creative expression of winter fun. Donald Biery, fourth grade; Christine Muller, Jimmy Anderson and Peggy Collins, fifth grade; and Emilie Wilson, sixth grade were given special mention for their fine art work on these winter scenes.

Hench used still another creative idea in Mrs. Waterman's and Mrs. Reng's second grade rooms. The children wanted to picture their winter play in a creative manner also, but executed it together in a painted mural. They drew a winter scene in chalk on the board. This scene was discussed and necessary changes made.

A large sheet of mural paper was placed on the floor and the children drew their scene again on the mural paper. Then they painted it with poster paints. Not all the children could draw and paint on the mural at one time but they took turns and all of them contributed something of their own to the scene.

Well Baby Clinic At Shelden Center

The Wayne county sponsored Well Baby clinic will be held Feb. 2 at the community room of the First Federal Savings at Shelden Center from 1 to 3 p.m.

The clinic is for well children, three months to five years of age, whose families cannot financially provide for routine medical supervision or referrals from private physicians.

Children will be given shots for small pox, diphtheria, tetanus and whooping cough. Appointments are necessary and may be made by calling Mrs. Southgate at Livonia 8609.

Livonia Books "Zouaves" At Dance For Polio Fund

The American Legion Zouaves of Jackson, one of the all-time top-flight drill teams, will perform at a March of Dimes benefit dance at Bentley High school, Livonia, Jan. 29.

The Livonia Legion post is responsible for the appearance of the group, which has appeared twice on Ed Sullivan's "Toast of the Town" TV program. A more recent recognition was a trip to Hollywood a month ago for a sequence in a forthcoming Danny Kaye movie.

The team's cadence is 320 steps a minute, compared against a normal speed of 120 steps. The Zouaves, a regular attraction at national American Legion conventions, will appear at 10 o'clock.

Another feature is the Great Lakes Steel Choral group. It will sing at 9:15. Dancing is scheduled from 8 to 12. The admission fee is \$1 per person.

CARD OF THANKS

Pupils' Donation Of \$232 Swells March of Dimes

Northville students have contributed \$232.55 to the March of Dimes, Miss Ruth Knapp, school nurse, reported Tuesday. Grade pupils donated \$191.55 and the upper classes \$41 to the check to be sent to Mrs. Eldon Biery, Northville chairman of the drive this year.

A possible explanation of the much higher amount from the younger students, Miss Knapp said, is that in the past few months the consequences of polio attacks have been brought closer home to them.

Katherine Clendening, a pupil, is an infantile paralysis patient at Herman Kiefer hospital in Detroit. The mother of two grade school children, Mrs. C. W. McLoughlin is under treatment at University hospital in Ann Arbor.

Stallion Shown In Readers' Digest

A Morgan stallion, owned by Mr. and Mrs. Milo Grant Dugan of Mar-Lor farm, 52373 W. Eight Mile Rd., was used for the illustration with "The Horse that Became a Legend", in the January issue of Reader's Digest, according to C. Fred Austin.

Verran's Laddie 8981 was pictured in the masthead. Residents of Vermont, where the breed originated, evaluate the breed by using expressions that there are "Morgans and other horses", the author states.

Auto Coverage Cut, Cort Says

A statewide reduction in auto insurance rates for private passenger cars has been announced by Drayton J. Cort, local agent for State Farm Mutual Automobile Insurance Co., Bloomington, Ill.

Also cut were comprehensive coverage rates throughout Michigan except in Detroit, and liability rates in many counties. Total savings to State Farm Mutual's 225,000 Michigan members will exceed \$390,000 annually, the company stated.

Black Found Guilty Of Noise Charge

Hubert Black, 21, of Northville was sentenced Wednesday to pay a \$15 fine and \$5 costs by Justice E. M. Bogart for excessive noise and disturbing the peace while driving in the village. Officer Eugene King, who made the arrest, said that Black was racing his motor and making fast starts. He was placed on 90 days probation.

Skating Periods Announced For Village Mill Pond

Hours under which skating on the Mill pond will be supervised have been announced by Recreation Director Stanley Johnston. William Fisher will be in charge. The police department will enforce the regulations of hours, Johnston said.

Supervised hours on week days will be from 3 to 6 p.m. until Saturday. The Saturday schedule is from 9 to 12 and from 1 to 6.

Sunday skating will be at the person's own risk. It is recommended that on Sundays parents accompany children, especially in the youngest age group, Johnston said.

Miss Clark In Cast Of Play Staged By U. M. University

Miss Evabelle Clark, daughter of Mr. and Mrs. W. F. Clark, 114 West St., a commercial art student at Eastern New Mexico university, is a member of the university theatre's "Magic Apple", a children's play.

Miss Clark graduated from Northville High school in 1950, then studied home economics at Adrian college for two years. She changed to the study of art at the New Mexico school, where she is a senior.

She is president of Kappa Phi, an art sorority. While at Northville High, she was active in girl's athletic activities.

In addition to the staging of the play in Portages, N.M., home of the school, performances will be given in other cities in the state.

Mr. Floyd VanSickle

Inkster Husband says, "Blue Cross-Blue Shield saved us years of debt!"

"I guess no one would mind paying \$100 to get out from under \$1150 in hospital and doctor bills," says Mr. VanSickle, of Inkster. "I lost \$1050—what Blue Cross-Blue Shield saved my family. I spent a month in the hospital this year. Had no idea that it could cost so much, but I had to have a lot of attention. Our Blue Cross Comprehensive Contract covered all but \$40 of the bill, and Blue Shield paid my doctor \$190. It just goes to show how valuable Blue Cross-Blue Shield is when you need it. My wife and I are certainly thankful we've got Blue Cross-Blue Shield. Wouldn't have anything else!"

Unexpected hospital bills! They happen to one in every three families each year. Will you have one in your family this year? If so, wouldn't you be a lot safer if you had protection like the kind that saved \$1050 for Mr. VanSickle's family?

Find out how you can get low-cost Blue Cross-Blue Shield group coverage for hospital and doctor bills. A company with as few as 6 employees may qualify as a group. Today, call or write: Blue Cross-Blue Shield, 441 E. Jefferson, Detroit 26, Michigan

LEARNING TO PRAY

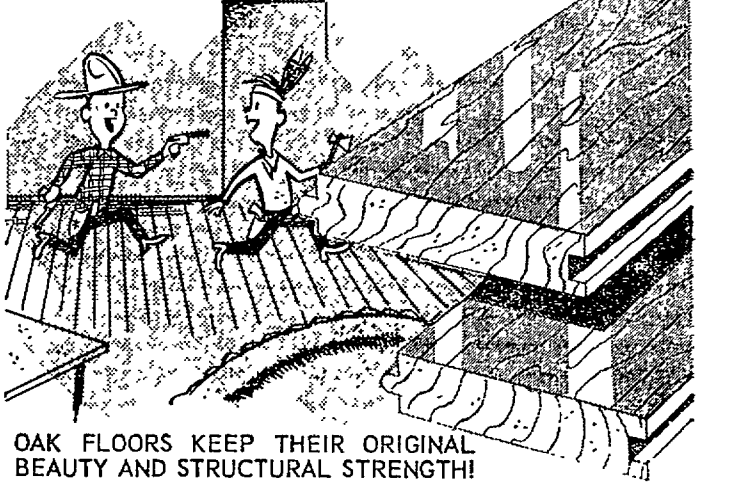

A young soldier returning from the foxholes of Korea wrote this urgent plea. "Advise mothers to teach their children to pray. I wanted to talk with God but I didn't know how." We do not have to live very long before we find that we often stand in need of special help from God. Happy is the person that has learned the Science of Prayer. Allow me to suggest three important rules for praying. First, BE SURE THAT YOU ARE CONNECTED! Since man has sinned he is cut off from God so that God will not hear him when he prays unless he accepts Christ as his Saviour. Christ is the Mediator (go-between) between God and man. (1 Tim. 2:5). Without Him there is no connection. Secondly, we must learn to talk to God as we would another person, remembering, of course, to be highly respectful of His Person. Thirdly, since God does not speak to us in audible words in making reply to our prayers, we must believe that, since we have come through Christ that He will hear and do according to His perfect will for our lives. The Bible is an excellent text book on Prayer—Study it!
