The Northville Township board held its regular monthly meeting Tuesday evening. The session lasted two and a half hours, but no business of consequence was transacted. Except for five minutes devoted to voting a \$500 contribution to the Northville High School band, and a few minutes to ratifying the minutes of the preceding meeting, board members spent the time talking about the new zoning ordinance which the Zoning board has spent four years developing for the protection of township property owners.

* * * *

The Zoning board has developed an ordinance which, in our opinion, will not only protect present property owners, but also will provide a framework within which the township can grow soundly in future years. There is nothing in the ordinance to disturb any reasonable person. Evidence of this is to be found in the fact that the Zoning board has held five open meetings to which the public was invited to come and discuss every detail. Whereas the board was legally bound to advertise only one meeting for this purpose, it leaned over backward to tell the public its story by advertising the meetings four different times. The pay-off was that only a handful of township residents showed up to read the proposed ordinance. No one objected to its provisions.

* * * *

As a sidelight, the only member of the Township board to attend any of the Zoning board's meetings was Roy Terrill, treasurer, who came once. Other board members were provided with copies of the ordinance a week in advance of the formal meeting last Tuesday.

* * * *

The Zoning board had hoped the Township board would ratify the ordinance at this week's meeting so it could become effective at an early date. Township board members agreed that it is an excellent ordinance, but one or two of them said they had heard questions from a few constituents. Only Bob Merriam was willing to take a positive position in favor of adopting it. The others, perhaps suffering from an attack of "electionitis", preferred to postpone action until a special meeting Feb. 15.

* * * *

It is to be hoped that action will not be further postponed until after the April election.

Banquet To Honor 200 Safety Patrol Boys and Girls Set for February 10

Final plans for the Safety Patrol banquet to be held Thursday, Feb. 10 at 6:30 p.m. at the First Methodist church have been announced. PTA President Mrs. Richard T. Martin. Mrs. R. Yoder is chairman of the Room Mothers' club which each year organizes the banquet under the auspices of the PTA.

Committee chairmen working with Mrs. Martin and Mrs. Yoder are Mrs. Wilfred Becker, entertainment; Mrs. Edwin Mueller, program; Mrs. Richard Kay, tickets; Mrs. George Muller and Mrs. Alfred Parmenter, decorations, and Mrs. Fred Hicks and Mrs. Essie Nierder, publicity.

Approximately 200 safety patrol boys and girls and their parents will be honored at the banquet. Because of space limitations, attendance at the dinner will be limited to safety patrol members and their families.

Other guests will be Mr. and Mrs. Richard T. Martin, Mr. and Mrs. Joseph Denton, Rev. and Mrs. Ivan E. Hodgson, Mr. and Mrs. C. T. Pregitzer, Fr. Anthony Heraty and Mr. and Mrs. James Madigan. Joseph Denton will be master of ceremonies. The program will commence with the singing of the "Star Spangled Banner" and close with "America". Mrs. M. J. Willing will be at the piano.

Rev. Ivan E. Hodgson will give the invocation followed by the dinner, prepared by the ladies of the Methodist church. Mrs. Wilson Clark is chairman of the dinner committee.

Will Give Chalk Talk
Russell Amerman, following the meal, will say a word of welcome. Other after-dinner speakers will be C. T. Pregitzer and James Madigan.

The highlight of the evening's program will be Patrolman Marc Graber, cartoonist with the Traffic Safety bureau of the Detroit Police Dept. Patrolman Graber has been giving chalk talks for the past ten years and has just completed 22 shows at the J. L. Hudson Co. Graber has drawn

pictures of persons from clues given for identification purposes. The Girl Scouts of Troop 14 have helped the decoration committee with the making of nut cups. Each nut has a safety patrol boy and girl on each side made of various colors of construction paper. Scattered throughout the center of the table will be scenes depicting village streets with homes and safety patrol boys and girls at their posts. Girl Scouts of Troop 13 will assist the ladies of the church in setting tables.

From Fifth and Sixth Grades
Members of the safety patrol boys and girls of the fifth and sixth grades and are under the supervision of James Madigan.

Following are the safety patrol boys and girls of the public school: Carol Janetzke, Carla Sarver, Richard Willing, Donald Busch, Harold Schmidt, Laurie Chabot, Barbara Hodgson, Julie Gazlay, Karen George, Vicki Junod, Richard Kernozeck, Kent Frid, Ross Hahn, Eugene Willnow.

Carol Caudle, Robert Earhart, David Hay, Robert Hansen, Gerry Jerome, Robert Schneider, Susan Ely, Susan Price, Richard Anderson, John Kohler, Dean Patterson, Fern Kinnaman, Bryan Melten, Tim Weiss, Mike Myers.

Jim Anderson, Susan Cowie, Sharon Beshear, Gerry Mathews, Connie Springer, Janet Thompson, Mary Long, Janice Campbell, Maralyn Lahr, Bill Milne.

Sharon Bongiovanni, Lynn Spietz, Sherry Coykendall, Sharon Mellen, Hester Keller, Joan Turney, Laurie Bogart, Susan Husken, Karen Shipley, Jim Lawrence, Jo Lawrence, Gary Kohs, Gerry Biddle and Robert Galli.

NEW GRADE SCHOOL NEARLY READY

COLD CASH GETS COLDER — Relatives and friends of the shivering staff of Depositors State bank came to the rescue last week when the heating unit above the door failed to operate on three near-zero days — Tuesday, Wednesday and Thursday. Their loans to the bank — just the opposite of the frozen type — were half a dozen electric heaters until James Cowie of Northville Heating repaired the heater over the entrance where new doors have been installed. Cowie interrupted a trip to the hospital for an operation to get the heater "well". The "condition" of Alayne Austin, a teller, above, and other employees was said to be showing improvement with shots of warm air being administered regularly now by the overhead heat outlet.

Boy Scouts Plan Big Program for Scout Week

National Boy Scout Week, Feb. 6-13, will be highlighted by several events in Northville. These will include a Cub Scout Blue and Gold dinner Feb. 7 at the Veterans' of Foreign Wars hall at 6:30, an Explorer Scout demonstration, the kickoff of a drive for sustaining members headed by Village Attorney Philip R. Ogilvie, and the investiture of a new troop at the Methodist church.

Arthur E. Henry, Detroit district executive of the Boy Scouts, will speak at the Cub affair. His topic will be the ideals of scouting which will stress the part that must be played by parents in a successful Cub program.

The Optimist club sponsors Explorer Troop No. 24. The troop will participate in the observance of the week designated for local commemoration in a proclamation by Mayor Claude N. Ely. The Explorer group will stage a camp site display and demonstration in the vacant store at 110 N. Center St. It will be open afternoons and Friday evening.

Ogilvie pointed out that about one-fifth of scouting's income is accounted for in sustaining memberships, contributed by Friends of Scouting. They make contributions in addition to Chest fund or Torch drive donations.

Troop Officials Named
The entire Sunday morning service at the Methodist church will be devoted to the investiture of a new group—Troop 731. Henry will conduct the investiture. Ogilvie, a member of the district or organizations extension committee of the Boy Scouts, will present

the charter to the new unit. Henry's subject at the ceremony will be "My God and My Country".

Officials of the new group will be Robert Deering, institutional representative; Clyde Ferguson, chairman; Donald E. Robinson, Joseph C. DeJohn, Charles F. Strautz, Charles Logeman, committeemen; W. E. McCarthy, explorer advisor; Ralph Gallagher, scoutmaster, and Richard Nash, assistant scoutmaster.

The nation's 3,660,000 Cub scouts, Boy Scouts, Explorers and their adult leaders are observing their 45th anniversary this year. "Building for a Better Tomorrow" is the theme for 95,000 scouting units, led by 960,000 adult volunteer leaders. Since 1910, more than 22,750,000 Americans have been identified with the movement.

Two Shanties Burned At State Hospital

Fire attributed to an overheated stove destroyed two construction shanties, with an estimated loss of \$10,000, on the grounds of Northville State hospital about midnight Saturday. The Northville fire department was called.

The greatest damage was reported to have been in the loss of electrical equipment for a new maintenance plant in the building used by Shaw Electric Co. of Detroit. The other building was workmen's and tool quarters of Fuller Construction Co. Tools stored in both units were also damaged or destroyed.

Entry Blanks Ready for Amateur Show Friday, April 1

School cooperation in the staging of an American Legion amateur variety show has been extended by the student council of Northville High school to the Lloyd H. Green post, according to Paul Burnham, chairman of the project.

The show, April 1 at the Community building, offers four cash prizes totaling \$250 for winning acts. It also has the support of local retail merchants. They are staging a Hometown Bargain Day sale the same week end—April 1-2.

Ticket sales will be headed by Charles Bahnmiller and Charles Denune; arrangements, Conrad Springer; staging, David McDougall and Robert Yerkes, and promotion, Charles Carrington.

Lloyd H. Green post officials emphasize that every phase of the project is under local cooperation and guidance, with assistance of neighboring localities in the distribution of entry blanks for performers and tickets.

Any type of act consisting of one or more persons is eligible. Age limitations are from 12 to 18. Application blanks, however, must be left at the Record office not later than noon March 12, or if mailed to box 109, Northville, postmarked not later than that date.

An entry blank permits aspirants to try for prizes of \$100, \$75, \$50 and \$25.

Blanks for entering the competition, and tickets are available also at the Carrington agency, Famous Clothing, Gunsell's Northville Drug, Northville Florist Shop, Northville Record, and Harrowood's Standard Oil filling station at Novi.

Sweetman Residence Destroyed By Fire

The home of Mr. and Mrs. Louis Sweetman of Six Mile Rd. was destroyed by fire Thursday evening. Firemen were called from South Lyon, Plymouth and Superior townships to help fight the blaze which lasted six hours in sub zero weather.

The women of Salem township served coffee to the firemen.

Salem Extension Club
Mrs. Charnell Hardesty will be hostess to the Salem Extension club Tuesday, Feb. 8.

A special meeting of the Salem Extension club will be held Feb. 4 at the home of Mrs. Ford Schroeder on W. Six Mile Rd. The lesson is to be on civil defense. Anyone is welcome to attend.

New Study Group Forming To Survey Northville Needs

Enrollment in the new Community Development course to be given by Blue A. Carstenson, of the University of Michigan, under sponsorship of the Northville Coordinating council is still possible, according to Mrs. Samuel Geraci, chairman of the Coordinating council.

The course will run eight weeks, starting Tuesday, Feb. 8, with each class lasting two hours. The fee for the course is \$8. Enrollment can be made by phoning Mrs. Geraci.

The new series of studies of community problems will be patterned after the course given last fall under the joint sponsorship of the Ford Foundation and the Community Adult Education department of the University of Michigan. That course was attended by 25 local men and women representing practically every governmental and civic organization in town. The course is called "You and Your Community".

Favorable Rating for Village

The results of the first course were regarded as a successful step ahead in community relations. It was found that Northville compares favorably with other areas across the nation, including Ferndale, Midland and Ann Arbor, in Michigan.

Township Board To Vote on Zoning Ordinance Feb. 15

The Northville Township board will consider adoption of a new township zoning ordinance on Tuesday, Feb. 15. The meeting will be an adjourned session of regular monthly meeting last Tuesday evening.

The zoning ordinance has been in preparation four years by the Township Zoning board, which recently held a series of five public meetings to which township residents were invited to inspect the ordinance and voice any objections. Only a handful of persons attended, and no objections were made.

Township board members said their Feb. 15 meeting will provide any interested parties an opportunity to voice an objection direct to the board.

The board also voted Tuesday to increase its donation to the Northville school band from \$250 to \$500 this year.

Incomplete Total for Dimes March Placed at \$1,418

A \$1,200 collection from the Mothers' March last Thursday boosted the total contributions received by Mrs. Eldon Biery, chairman of the Northville drive for the March of Dimes to \$1,418 Wednesday. Collections yet to be received will increase the total, Mrs. Biery said.

The largest sum still to be reported will probably be from the canister installations in business locations. Some persons not available when the Mothers' March was staged have made donations to her personally since then, Mrs. Biery said.

Miss Florence Knapp, school nurse, said that the fund was bettered by \$244 with the gifts from the public school students. The grade schools' total was \$203 and the higher classes collected \$41.

Sr. Anita, in charge of the drive against polio by the National Foundation of Infantile Paralysis at Our Lady of Victory parochial school, said collections there aggregated \$34.

Bids Are Due Friday for Equipment; School Board To Consider Prices Soon

Final steps toward completion of Northville's new \$300,000 Russell H. Amerman Elementary school on N. Center St. are now being taken and the purchase of equipment for delivery on or about March 1 will be considered by the Board of Education at its meeting next Monday evening.

Establishment of a date for flooring the new school will de-

pend upon what can be done to prepare the grounds for student use when the spring thaw sets in, according to Russell H. Amerman, superintendent. Until sidewalks can be laid and other improvements to the grounds made, the clay top soil would make use of the grounds impossible during the spring. The subject of a date for occupancy will be considered Monday by the school board.

Mr. Amerman said this week that representatives of several large companies dealing in school supplies have been in consultation with the school faculty, and have been told to submit their bids to supply class room seats, teachers' desks, library tables and similar equipment by Friday, Feb. 4. These bids will be tabulated by school officials for submission at the board meeting Monday. Ten day delivery after receipt of orders has been promised by the suppliers, Amerman said.

Separate bids for miscellaneous teaching supplies will be taken at a later date. Such supplies were on display in the Northville Community building last week for inspection by a faculty committee.

Will Handle 300 Pupils

The building will have 10 classrooms, and a multi-purpose room, with heating and air conditioning units in each, for the accommodation of 300 pupils from the kindergarten through the sixth grade. Each room in the one-story building on a 10-acre site has a new type sky light, in which glass block is used for better diffusion of light.

In contrast to the common use of "school brown" for many decades, Northville's new school will have such shades as rose tan, popcorn yellow, light grey, green, bright yellow, and orange. Ceilings are of acoustic tile.

Not only are the Amerman school facilities a partial answer of overcrowding in schools here, they will also serve the growing residential areas in that section of the community. The proposed subdivision on the Yerkes farm is near the school, which features spacious wooded grounds.

Auxiliary Spurs U.S. Bond Sales

Northville schools will be among the first in the state to participate in a renewed drive for the sale of U.S. Defense Savings bonds through the accumulation of stamps, under the sponsorship of the woman's auxiliary of the Lloyd H. Green American Legion post.

Mrs. Donald B. Severance, civil defense chairman of the auxiliary, said that the village commission, schools and the post office are cooperating in the reactivation of the plan for buying stamps toward the purchase of a bond.

The first collection day will be Thursday, Feb. 17, with each Thursday designated as sale day for the stamps at specified stations. Pupils will be supplied with folders, in which the stamps can be mounted.

Sale of the stamps has been dormant here, as far as any organized effort is concerned, since the sale of Defense Savings bonds in post offices was discontinued about six months ago.

The U.S. Treasury department points out that through the installment plan schools throughout the nation promote the savings program "to teach thrift and wise money management. The treasury's thrift teaching aids can be used in regular courses in arithmetic and mathematics."

Spaniel Trainers Elect Mesnard for Eighth Term

For the eighth consecutive year, Howard Mesnard, breeder and trainer of hunting spaniels, Wall-ed Lake, was unanimously elected president of the Southern Michigan Springer Spaniel Training club at its annual banquet and election of officers Jan. 29.

Other officers elected were Dr. James Stover, Highland Park, vice-president; Sam Moorehatch, Grosse Pointe, second vice-president; Keith VanDusen, Detroit, recording secretary; Mrs. Roy D. Chapin, Jr., Grosse Pointe, corresponding secretary, and Eric Medberg, Detroit, treasurer.

Directors elected were John Blanock, Detroit; Robert Williams and William F. Peschel, both of Royal Oak.

Novi AmVets Elect Lintz As New Post Commander

William (Doug) Lintz was elected commander of the Novi AmVets Perry Kenner Post 76, last Sunday morning at its annual breakfast in the Novi Community building.

Assisting Lintz during the coming year will be Senior Vice-Commander Charles Trickey, Jr., Junior Vice-Commanders William Sutton, Orville Whittington, Harold Ortwine, Finance Officer Duane Bell, Judge Advocate Paul Meridith, Provost Marshal Arthur Chase and Senior Service Officer Fred Solomon. Bell will also serve as junior service officer.

The election day breakfast, which is an annual affair, was prepared under the direction of Trickey.

New officers were sworn in by State Commander J. Carroll Kay. After the ceremony, the first business meeting under the leadership of the new officers was held.

Plans were made for attending the AmVet's Mid-Winter rally this week end, Feb. 5 and 6, in Grand Rapids.

Representing the Novi AmVets at the rally will be Solomon, Trickey and Lintz. The rally is set up as a two-day schooling for those officers who wish to attend a few meetings and learn the duties of the various offices in the AmVet organization. Special classes are held under the guidance of state officers.

A less serious note in the rally will be furnished by the Sad Sacks, the fun organization of the AmVets. An informal dance and party will be held Saturday night. Presiding over the rally this year will be AmVet National Commander Rufus H. Wilson.

Blue Star Mothers Schedule Projects

The Novi chapter of the Blue Star Mothers were the guests of their president, Mrs. Fred Mandiluk on West Rd., for a luncheon Jan. 26. After lunch the Mothers outlined a plan of activities for the coming year.

A card party was planned for Feb. 18, with Mrs. Stephan as chairman, to be held at the Novi Community building. A dessert luncheon card party will be held at the home of Mrs. Gertrude Lee in Walled Lake. A visit to the hospital at Easter time with Easter baskets and treats was planned. Two bake sales are scheduled during the year, Daisy Day in September or October and a bazaar and luncheon in November or December. The mothers all agreed to celebrate their 13th anniversary by taking their dinner out.

Novi Convalescent Home Is Well Known Landmark; Served Many Years As School

Pictured above is one of the old landmarks in Novi Township. Newcomers to Novi will recognize the building as the Novi Convalescent home. To oldtimers it will bring back memories as the first schoolhouse in Novi.

Situated at 26245 Novi Rd., just north of Grand River, the building is across the street and just south of the present Novi school.

Built before the turn of the century, the old school building for many years housed all eight grades plus the first two years of high school. High school juniors and seniors attended Northville High school. In 1928 the present school was built. Later, the building was sold and remodeled into a rooming house.

The building was again remodeled in 1951 and in the fall Mrs. Mattie DePaege opened the Novi Convalescent home. In August, 1953, Mr. and Mrs. Clare Lockwood, the present owners, purchased the home from Mrs. DePaege.

AmVets Work By The Light of The Silvery Moon

With the aid of a bright moon, floodlights, and hot coffee, volunteers from the Novi AmVet's Perry Kenner post set up a swing shift several nights last week in their efforts to complete work on their new building in Wixom.

Using pneumatic air hammers to drill into the frozen ground,

the volunteers braved near zero weather to complete outdoor plumbing work on their new headquarters which was purchased last summer.

Among those volunteering for the swing shift were Duane Bell, Bill Sutton, Harold Ortwine, Kenneth Rippey and Doug Lintz. Furnishing moral support plus cream for the coffee was Lee BeGole who happened to be patrolling the area in his scout car.

The new home of the Perry Kenner post is at Wixom Rd. and Pontiac Trail. It was formerly the Wixom Community building. Prior to their purchase of this building last summer, the AmVets rented a building at the northeast corner of Ten Mile and Meadowbrook Rd.

Plans for the formation of a drum and bugle corps for the school, with the Community council and AmVets contributing funds for the group's organization, were made at a meeting of the council Monday.

Special guests were O. Sump from Pontiac United Fund office and Mr. Wells and Mr. Leland from Huron Clinton Valley Boy Scout council.

Three new members were elected to the council: Frazer Staman, Mrs. Wimmer extended an invitation for all organizations to participate in a display at the girls 4-H club. Pre-achievement day is March 25.

Guests presently living at the Novi home are Eva Wagoner, Judy Baylo, Anna Anderson, Dolly Butler, Anna Mair, Lydia Richardson, Edna Hoaglin, Eugene Root, Lucien Dandison, Clarence Newell, Mabel Herriman, Major Hantz, William Blackwell, Fred VanEvery, Ida Allen and Anna Landeau. The latter seven guests have lived at the home since its founding in 1951.

In addition to Mr. and Mrs. Lockwood, who manage the home, there are four nurses, Lucille Dermocour, Shirley Baas, Marie Middleton and Lillian Miller. Anna Mulraney is the cook.

Said bonds will mature serially on the 1st day of May in each year as follows: \$7,000 in the year 1956, \$8,000 in the year 1957, \$10,000 in each year from 1958 to 1963, \$12,000 in each of the years 1964 and 1965, \$13,000 in each of the years 1966 and 1967, and \$15,000 in each year from 1968 to 1972, all years inclusive. Bonds Nos. 100 to 200, both inclusive, maturing in the years 1968 to 1972, both inclusive, are subject to redemption by the school district prior to maturity, in inverse numerical order, on any one or more interest payment dates on and after May 1, 1958, at par and accrued interest plus a premium on each bond in accordance with the following schedule:

\$20 if called to be redeemed on or after May 1, 1958 but prior to May 1, 1961;
\$15 if called to be redeemed on or after May 1, 1961 but prior to May 1, 1964;
\$10 if called to be redeemed on or after May 1, 1964 but prior to May 1, 1967;

\$5 if called to be redeemed on or after May 1, 1967. Notice of redemption shall be published not less than 30 days prior to the date fixed for redemption, at least once in a newspaper or publication circulated in the City of Detroit, Michigan, which carries as a part of its regular service, notices of the sale of municipal bonds. The remaining bonds will not be subject to redemption prior to maturity. Both principal and interest will be payable at such bank or trust company as shall be designated by the original purchaser of the bonds.

The bonds are to be issued for the purpose of defraying the cost of erecting and furnishing an addition to the school building in said school district and acquiring an addition to the site thereof, and will be the general obligations of the school district which is authorized and required by law to levy upon all the taxable property therein such ad valorem taxes as may be necessary to pay said bonds and the interest thereon, subject to such limitations upon the said taxing power as may result from the provisions of Section 21 of Article X of the Michigan Constitution and the Michigan Property Tax Limitation Act. The electors of said school district at an election held on September 27, 1954, increased the tax limitation by 8 mills for the years 1955 to 1974, both inclusive, for the payment of principal and interest on said bonds and the establishment of a reserve therefor.

For the purpose of awarding the bonds, the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from March 1, 1955 to their respective maturities with respect to bonds maturing prior to the year 1971, and to May 1, 1960 with respect to bonds maturing in the years 1971 and 1972, and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the school district. No proposal for the purchase of less than all of the bonds or at a price less than their par value, will be considered.

A certified or cashier's check in the amount of \$4,000 drawn upon an incorporated bank or trust company and payable to the order of the Treasurer of the school district must accompany each bid as a guarantee of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid be accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of the unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Berry, Stevens & Moorman, attorneys, Detroit, Michigan, approving the legality of the bonds. The cost of said legal opinion and of the printing of the bonds will be paid by the school district. Bonds will be delivered at Detroit, Michigan.

The right is reserved to reject any or all bids. Envelopes containing the bids should be plainly marked "Proposal for Bonds".

First Two Families Occupy Homes In Willowbrook

Two families tied last Monday for the honor of being the first family to move into Willowbrook Village.

The Leon A. Hurlburts moved into their new home at 24439 Willow Lane. At the same time, the George Marinoffs moved into their home a block south at 24230 LeBost Drive.

Despite the fact that the Marinoffs live further south, there was little difference in the climate. Both families braved near zero weather on moving day.

Leon Hurlburt and his wife, Shirley, moved to Willowbrook from Detroit. They have two boys, Dick, 11, and Larry, 7. Dick and Larry are entering Northville school. Mrs. Hurlburt says the boys were one of the chief reasons for the family's decision to move to Willowbrook. "We wanted some place for the boys to play besides the middle of the street," she said.

Hurlburt is assistant sales manager in the Detroit area for the United Specialties Co., a Chicago firm engaged in the manufacture of original equipment automotive parts.

George and Jane Marinoff also have two children. Eddie is 14 and Jay Ann is 13. They both attend Northville school. Like the Hurlburts, the Marinoffs also moved to Willowbrook from Detroit's northwest side.

Marinoff was a amateur hockey player with the Atlantic City Sea Gulls and the Branford Seniors in Canada. After the war, he entered the paint contracting business. He is currently engaged in painting the interiors and exteriors of all the houses in Willowbrook Village.

Both the Hurlburts and Marinoffs have 3-bedroom ranch-style homes. Among the unusual features of the homes are folding doors in many of the closets and doorways. The heating systems are perimeter hot air type built into concrete slab foundations. Wall-to-wall carpeting is featured in most of the rooms and the bath. The fireplace is raised from the level of the floor and is designed to circulate warm air throughout the room.

When interviewed this week, representatives of Paul LeBost, builder, said that several other families are scheduled to move into their new homes soon.

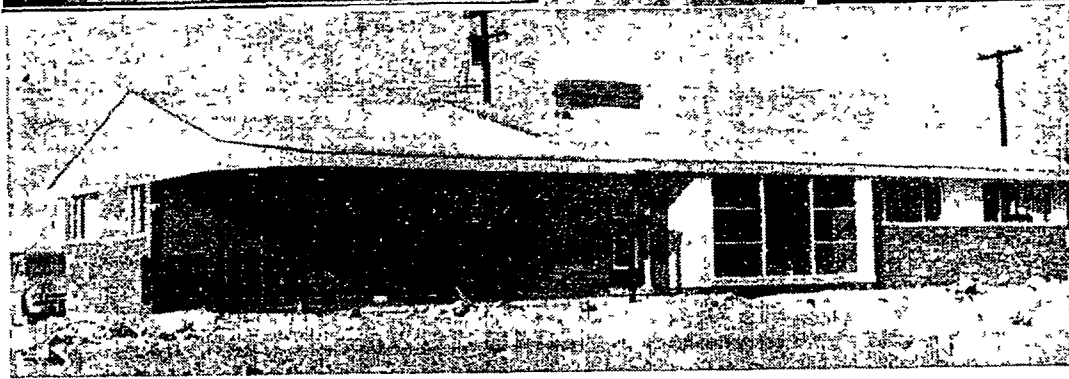

Novi Girl Scout News

Intermediate Troop No. 491 met at Novi school Wednesday, Jan. 26. The girls worked on bill-folds assisted by Mrs. Vivian Coleman in the absence of their leader, Mrs. Leo Harwood. Judy Ritter treated the girls to chocolate cake and they closed with the good night circle.

Brownie Troop No. 492 worked on the fifth girl scout law. Donna Beardon brought treats and Program Aide Judy Wood assisted the leaders.

Brownie Troop No. 493 met at the school and finished handbags and took them home. Marguerite Miller furnished treats.

Intermediate Troop No. 456 met at the home of their leader, Mrs. Jack Eby, Monday, Jan. 24, after school. Due to the absence of one girl who had the opening ceremony, Mrs. Eby explained

The two "first families" of Willowbrook Village and their new homes are shown above. The top photo shows the home of the George Marinoff family at 24230 LeBost Drive. The middle inset picture on the left shows the Marinoff family. Jane and George, their daughter, Jay Ann, 13, and son, Eddie, 14. The lower house is the new home of the Leon A. Hurlburts at 24439 Willow Lane. Leon and Shirley Hurlburt are shown in the right middle inset. The Hurlburts also have two children, Dick, 11, and Larry, 7.

the meaning of the World pin, salute and sign. They continued work on their Valentine gifts and started planning on backyard camper's badge. Claudia Parks had the closing.

Intermediate Troop No. 460 met at the Novi Community building. In the absence of Mrs. Bruns, the leader, the girls played scout games and sang songs under the leadership of Mrs. Amelia Good-fellow.

The Senior Troop met at the home of Mrs. Kenneth Cook, under the sponsorship of Mrs. Roy Moody. The girls danced and made plans for future events. The girls are selling Curtiss candy and fruit rolls to make money for a canoe trip in the spring. Sharon Edelmann served home made hot donuts at the close of the evening.

Brownie Troop No. 602 made tray favors for Valentine's Day for the convalescent home and played some new games. Mrs. Billie Hunt brought treats for the girls. Mrs. Mac Gillvary assisted the leader.

Mrs. Vincent Hayes, Mrs. Jack Eby, Mrs. Pauline Bassett and Mrs. Leslie Clarke received troop camp licenses on Thursday, Jan. 27 at Camp Nairn near Ortonville where they spent two days for additional training.

The Girl Scout Neighborhood meeting of adult girl scouts was held in the school basement Jan. 24. Mrs. Mae Skellenger is chairman of the cookie sale which will start Feb. 14. Only intermediate and senior scouts will be selling cookies this year. Mrs. Marge Mac

Gillvary and Mrs. Evelyn Tuck are delegates to the annual meeting in Birmingham. Plans were made for the Girl Scout Sunday Mar. 13 when all the girls will attend church services at the Novi Baptist church. Plans were also made for Juliette Lowe celebration in March. Mrs. Rex Dye and Mrs. Bernice McCollum were in charge of refreshments and they had a special cake honoring Mrs. Emma Edelmann who will be moving shortly.

Heap Big Noise But No Fire

Novi did not have a dozen firebugs on the loose last Wednesday evening, Jan. 26, despite the fact that the fire whistle went off every five minutes.

In response to numerous questions from puzzled resident, Safety Director Lee BeGole explained that the whistle was merely being repaired that evening. Some badly needed new parts were being installed. In the course of the repair work, frequent testing was required.

The whistle is now fixed. From now on, when you hear the whistle, it's no false alarm.

faining to the Northville community," Ed C. Welch, publicity chairman, stated.

The course starting Feb. 8 will review some of the problems that were pointed out in the course last fall, and will go a step farther by undertaking to analyze them in detail, and suggest means of solving them.

Subjects in this classification are:
Substandard housing, health

and sanitary conditions in some areas; lack of forward (long range) planning; need for equitable property tax assessments; inadequate financing of local government and village charter revision.

Inadequate local government structure and organization; curbs, streets, gutters and public lighting improvement; inadequate enforcement of traffic (speed) and dog ordinances.

Others are the need to encourage light industry to locate here; lack of a citizens' league or civic association; Chamber of Commerce; need for vocational and personal counseling service, and inadequate news coverage.

Girl Scout News

Gathered by Karen Bayless
Troop 10—Our meeting was called to order by Carol Krezel. Tickets were passed out for the Girl Scout card party. We are working on party favors for the children at the sanatorium. Some scouts were appointed to supply things for our skating party Feb. 12.

Scribe, Corinne Bertoni

Troop 11—At our last meeting we had our investiture ceremony. The newly invested girls were Carol Crupi, Barbara Brown and Sandy Lane. Mrs. Austin gave a wonderful speech on girl scouting and first aid. Many of the mothers were present. Our meetings will now last about one and one-half hours.

Scribe, Betty Stremlich

Troop 12—Jan. 26 we met at the Presbyterian church and then went skating at the Mill pond. We enjoyed hot chocolate and cookies which our leaders, Mrs. Langtry and Mrs. Dresselhouse prepared for us. Then we were dismissed.

Scribe, Sandy Phillips

Troop 13—In line with working toward our good grooming badge, Ilene Schoch, beautician from Joseph's beauty salon, gave us a most interesting talk on care of the hair. She also advised each one of us individually what hair style we should wear for each particular type of face. We enjoyed the nibble box brought by Carol Janetzke.

Scribe, Sharron Johnson

Troop 8—Our last meeting, a teen-talk, was held at Mrs. Lawrence's home. The teen-age boys and girls felt the talk was very helpful in answering our questions on social problems, etc. The students also had a supper before the talk.

Scribe, Karen Bayless

Mr. Henry Pickering

Royal Oak man says, "Blue Cross-Blue Shield saved me from a lifetime debt!"

"I'd be in debt for the rest of my life if it weren't for Blue Cross-Blue Shield," says Mr. Pickering, of Royal Oak. "I made two trips to the hospital this year—had four operations, and was hospitalized for almost four months, all told. Hospital bills were almost \$4,000, and with my Blue Cross Comprehensive Contract, all I had to pay was fifty cents! Not only that, but Blue Shield paid another \$1,000 for surgery and medical services! Believe you me, I could never get along without Blue Cross-Blue Shield!"

Think of it! One in three families will face an unexpected hospital bill this year. This could mean a bill for your family! Can you afford to be without protection like the kind that saved almost \$5,000 for Mr. Pickering?

Join the over 8 million Michigan people who have Blue Cross-Blue Shield. Find out how you can get low-cost group coverage for hospital and doctor bills. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross-Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

WOMAN'S WORLD

Let Vegetables
Add Variety
To Winter Meals

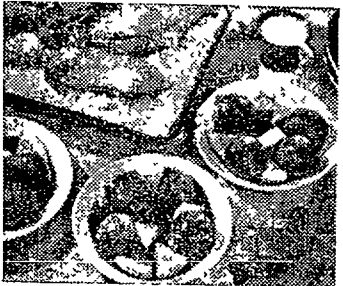

IT'S just as important to consider the color and flavor of meals as to make certain they're really nutritious. Even plain, cold weather fare can be wholesome and gay if you will do something special with vegetables.

Here are canned beets ready to add both color and an orangetangy flavor to your menus:

Orange Glazed Beets

(Serves 4)

- 1 1/2 cups orange juice
 - 3 tablespoons sugar
 - 3 tablespoons butter or substitute
 - 2 tablespoons cornstarch
 - 2 tablespoons lemon juice
 - 1 No. 303 can whole beets, drained
 - Salt and pepper
 - 1/2 cup diced, unpeeled orange
- Combine orange juice, sugar and butter. Heat to boiling point. Combine cornstarch and lemon

Tender whole beets cooked in a refreshing orange-lemon juice sauce with orange pieces make a delicious winter vegetable. This vegetable is especially delightful with roast duckling.

juice. Mix well and add to orange juice mixture. Cook until thickened, stirring constantly. Add beets, salt, pepper and orange. Mix well and heat to serving temperature.

Cabbage and carrots are plentiful supply at the markets. When prepared in this way, they are delightful:

Braised Cabbage

(Serves 6)

- 3 tablespoons butter
- 3 cups shredded fresh cabbage
- 1 cup shredded raw carrots
- 1/2 cup stock (beef or chicken)
- 1/2 teaspoon salt
- 1/2 teaspoon ground black pepper

Melt butter in skillet with tightly-battered cover. Add cabbage, carrots, stock, salt and pepper. Cover closely and simmer over low heat for 15 minutes or until vegetables are tender. Top with grated cheese, if desired.

Save Money on
Children's Wear

Clothing youngsters on a slender budget is something of a trick many homemakers have discovered, but with some thought it can be done.

Doing the sewing yourself is one item, but there are others which experienced mothers have found.

Growing Clothes

Clothing specialists are now designing children's apparel which will actually "grow with the child." You'll find that clothing of this type costs a bit more than one size, but then the materials are durable and construction is excellent.

This new clothing expands simply by your pulling out a seam or thread at expedient places, and behold! you have another size.

You can incorporate these ideas into your sewing, too, by making a garment larger than your pattern. Hems, pants legs and waists can easily be made larger and tucked in cleverly until the material is needed.

Selecting Styles

Styles you select in children's clothing has a lot to do with how long the child can wear them especially if he or she is growing rapidly.

A good illustration of this is in little girl's coats. A happy choice is a coat with a full back and raglan sleeves, both of which will give growing room. Cuffs may be added to lengthen the sleeves.

In dresses select those with an indefinite waistline and roomy sleeves. These two features alone make a dress "growable."

You can add extra length to most dresses by ripping out the stitching at the waistline and setting in a belt, wide or narrow, as is needed.

Blouses and Shirts

If you make or buy button-on blouses and shirts, select those which are long. This will permit lengthening by lowering the buttons.

Front and back yokes can be replaced on many shirts, blouses and dresses with a contrasting fabric. You may find it essential to cut a larger armhole, and then add contrasting sleeves to the armseye.

Too short blouses which are still roomy enough through the shoulders might be limited to wearing with jumpers and pinafores rather than combining with skirts in which their brevity is noticeable.

What's
Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Record's society editor, Telephone 200.)

Mrs. Samuel Geraci, who is one of Northville's most active citizens in civic affairs, is also just as busy at home preparing her delicious Italian dishes which she generously shares with her friends. Lasagne (pronounced Lah sahn ya) is a very special Italian casserole dish, and readers who like pizzas and other Italian foods, will find this recipe different and well worth trying.

LASAGNE ROLLS - Baked

1. Sauce:

- 2 cans tomato paste
- 1 large can of strained tomatoes

Cook this over low heat.

2. Meat:

- 1/2 lb. lean chopped beef
- 1/2 lb. lean pork
- 3 eggs
- 1/4 cup bread crumbs
- 1 cup Italian grated cheese
- Salt and pepper to taste

Make the above into small balls after it has been thoroughly mixed. Brown the meat balls in 3 tablespoons of olive oil. Add 1 large diced onion and brown until golden color. Add this to the sauce. Mushrooms may be added if desired. Cook sauce about three and one-half hours over low heat and stir occasionally.

3. Parboil 1 pound Lasagne (noodles which are about two inches wide and eight inches long and can be obtained at Eastern market.) Roll each Lasagne carefully and stuff with meat balls and hold together with toothpicks, putting a generous portion of the sauce over each roll. Half fill baking dish with tomato sauce and carefully arrange the Lasagne rolls in the dish, side by side. Add the remainder of the sauce and bake in moderate oven for 20 minutes. This serves 6 to 8.

The tomato sauce may be cooked the day before. The Prince Lasagne No. 14, is high in protein and low calorie starch reduced and is 35 cents a pound.

Dr. Ina A. Milroy,
91, Buried Monday

Dr. Ina Anette Milroy died Jan. 27 at the age of 91 years, at the home of her niece, Mrs. Donald C. Young at 43879 Nine Mile Rd. Funeral services were held at the Casterline Funeral home Monday with the Rev. E. E. Piper of St. Mathias church officiating.

Dr. Milroy had been a college instructor for more than 45 years and taught up until she had reached the age of 77. She was the sixth American woman to receive a doctor of philosophy degree at the University of Berlin. After receiving her doctorate, she taught chemistry, physics, French and German at many colleges in the Midwest, East and South. She had retired in 1942 after 15 years as an instructor at Macalester.

Miss Milroy was born in Red-college, St. Paul, Minn. Her husband died Dec. 4, 1883 and attended high school in Northville.

Surviving are three nieces, Mrs. Donald Young, Mrs. Waldo Johnson, and Mrs. Elizabeth Welfare, and three nephews, Dedrick Milroy of Brighton, Fred Christensen of Boulder, Colo. and John Christensen of Northville.

Burial was in Bellbranch cemetery, Redford township.

Portrait Photos
First Subject
for New Club

The newly organized Northville 35 Camera club will meet in its quarters above Stone's Gamble store Thursday, Feb. 3 at 7:30 p.m. The club will center its interest on comparisons between members' photography, not theory, at its meetings the first and third Thursday of the month. Stone is donating the quarters as headquarters for the club.

All interested in photography are invited to join the organization, which sets its dues at \$1 every six months. Tonight's meeting will be devoted to basic work in photographing portraits. At some of the future meetings it is planned to have authorities on photography from camera and film firms as speakers.

John Stark will show slides at the meeting tonight of wild life on Isle Royale. The pictures were taken on Stark's trip to the Lake Superior island last summer.

Frankenmuth Girl
Married Saturday to
Robert M. German

Marjorie Kern became the bride of Robert M. German of Northville in an afternoon ceremony Saturday at St. Lorenz Lutheran church in Frankenmuth.

Rev. M. E. Mayer officiated. Miss Betty Wickson was soloist, accompanied by E. N. Eggen, organist.

The bride, a daughter of Mr. and Mrs. Walter J. Kern, was attractive in a gown of Chantilly lace. It was made with a net and

Mrs. Robert M. German

tulle over satin skirt which ended in a train. Delicate appliqued sequins and seed pearls adorned the illusion neckline of the gown. A matching headpiece secured her fingertip veil. She carried a cascade bouquet of Amazon lilies and stephanotis.

Mrs. Carl H. Dubac, Ann Arbor, was matron of honor while Mrs. Robert G. Ely, Northville, was a bridesmaid. Both wore aquamarine gowns made with full pleated waltz-length skirts. The Empire bodices featured off-the-shoulder necklines. Both had matching headbands and carried bouquets of roses. Mary E. Lehnner, the flower girl, wore a ruffled and pleated gown designed like the bride's. She carried a tiny cascade bouquet made of pink sweetheart roses.

Dave Pottenger, Detroit, was best man for the bridegroom, who is a son of Mr. and Mrs. Loyde M. German, Northville. Robert G. Campbell, Northville; Malcolm G. Pierce, Plymouth, and Franklin L. Kern ushered. Timothy Eggen was a junior attendant.

Two hundred and fifty guests attended the dinner and reception at Fischer's hotel, Frankenmuth.

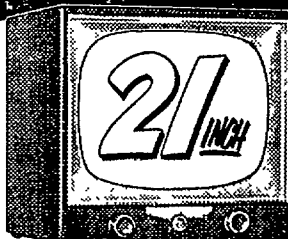

The couple will live in Ann Arbor where the bride is affiliated with the University Hospital clinic. She attended University of Michigan. Mr. German plans to attend U. of M.

Mrs. T. N. Kampf to
Give Book Review

Mrs. Theodore N. Kampf, Jr. will review a book about American women at the Northville Woman's club Friday. "These Are The Women" by Mary Ormsbee Whitton, is her choice.

Music for the day will be provided by club member Mrs. Lawrence Hiltz, violinist, accompanied by Mrs. Bart Connors.

By having a club member give a book report and members providing the musical program, the women will be reliving the early days of the Northville Woman's club when members participated in all meetings.

LONDON TERRIFIED!

"Women screamed in the streets... others fell to their knees on the sidewalks and prayed... a man groped through the inky blackness and shouted, 'The end of the world has come!'" This is the news report of what happened in London on Sunday, January 16th of this year. A thick darkness settled down on Sunday afternoon mystifying and frightening thousands of people during its 10 minute duration. No doubt many people who read this account laughed at the fearfulness of the people of London. But, Christian people who have an understanding of Bible Prophecy know that people have every reason to fear and tremble of that which lies in the pathway of future events in the Book of Revelation from Chapter 6 to 19 we have the description of the Great Tribulation yet to come. A time which the Bible describes as "Such was not since the beginning... nor shall be again." During the first three, and a half years, one-quarter of the world's population will die. Global war, unprecedented famine, uncontrollable diseases shall claim the lives of 600 million people. The sun will be darkened and the moon shall be blood red and the very foundations of the earth will be shaken. Christ offers to become your Deliverer from this awful day of Judgment—will you accept His offer now?

Late Rally Gives Varsity Victory Over Keego Harbor

The Northville Mustangs kept their Wayne-Oakland league title hopes alive by downing Keego Harbor Tuesday, Jan. 25. Up until the last two minutes the varsity five had the crowd on the edge of their seats. The game looked as if it was going to end the same way that the Holly game did, with Northville losing again in the last few minutes. But with 2:32 to go on the clock and Northville behind by one point, 46-45, Northville started a rally. They sank two field goals and two free throws to Keego Harbor's one free throw.

The game, ending a four game losing string for the varsity, finished with Northville on the long end of a 53-47 score.

The game started off in typical league competition style, with each team matching each other, basket for basket. The score at the end of the first quarter was Northville 14, Keego 10.

Although Northville's John Clarke and Darwin Teshka seemed to have control of the backboards, the Mustangs couldn't build up any lead. The Keego Harbor Presidents outscored the home team in the second quarter, so the half ended leaving Northville one point behind, 38-37.

At the beginning of the third quarter Northville couldn't quite get used to the opposite end, thus Keego kept its slim lead throughout most of the third quarter.

Then when Northville finally fired up and built up a two or three point lead, the Presidents would tie it up again. Near the end of the third and the beginning of the fourth quarter the lead changed hands nine times. The score at the end of the third quarter was Northville 38, Keego Harbor 37.

Towards the end of the fourth and final quarter Northville showed some spirit and put the game on ice winning by a margin of six points.

Northville's high man for the night was Paul Schulz with 12 points. Coach Kay was pleased with the point spread between his players, because it indicated Northville had to depend on no one particular man, but rather all five of them.

Northville was strengthened by the return of Darwin Teshka to the lineup after an absence of five games. The individual high man of the game was Frank Rogers of Keego with 25 points.

In the league standings Milford and Clarkston are tied for first with 5-1 records, Northville and Keego are tied for second with 3-3 records.

Biery Stars As Colts Add Two Victories

The Northville reserves, showing improvement with every contest, won two games last week. They romped over Keego Harbor 54-30 and outlasted Brighton 43-37.

Dave Biery was high man for Northville in the Keego game, netting 25 points and he also took the scoring honors with 12 in the Brighton contest.

Mustangs Lose Close One, 33-30, To Brighton

The Mustangs lost a close league game, Jan. 28, 33-30, to the Brighton Bulldogs. The game did not vary from the usual pattern of league games in that there was quite a bit of pressure on both teams from the opening whistle to the closing buzzer.

The deviation from the normal was in the scoring. The combination of both final scores only added up to 63 points, 30 of which were Northville's contribution.

Brighton opened up the scoring with a field goal and two free throws for an early 4-0 lead. The scoring lagged a bit from there on and the quarter ended with Brighton leading 9-5.

Midway through the second quarter Coach Kay substituted some of his reserves. The reserves finished out the quarter and they cut Brighton's lead from six to two points. As the teams went to the locker rooms at half time, the score read Brighton 13, Northville 11.

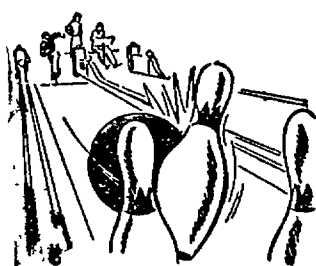

Evidently inspired, Northville came on the floor in the third quarter and tied the score. From there they went into a two point lead. Brighton tied the score, but Northville again got a two point lead. Brighton tied it up and then went into the lead.

At the close of the third quarter they were still leading 24-21. Northville tied it up twice in the fourth quarter but Brighton, playing control ball, finally opened a hole and Leon Sipes drove in for what proved to be the winning basket. Jerry Michaels added a final free throw.

Pat Patterson was high man for both teams with 11 points. John Clarke added seven more for Northville, while Leon Sipes, the "Fullef" brothers, Gerry and Don, scored 10, 9 and 7 points, respectively for Brighton.

Northville actually lost the ball game at the foul line, because both teams hit for the same amount of field goals but Brighton had a better percentage at the line and therefore won the game:

33 Win Prizes from Optimists At Skate Meet

More than 100 competed for prizes Sunday on the Mill pond in a skating contest sponsored by the Optimist club and the Recreation department. Stan Johnston, recreation director singled out the generosity of the Optimists in making the meet, held under excellent weather conditions, possible.

First place winners were given trophies. Silver medals went to second placers, while those who rated third slot were awarded bronze medals.

The winners and the various age classifications were:

Use of Vaccine Urged To Halt Whooping Cough

If your child has not been protected against whooping cough, see your family physician about it immediately. Dr. F. S. Leeder, director of disease control for the Michigan Department of Health, warned.

"The present increase in whooping cough cases is an urgent reminder that we must maintain a high level of protection against this disease by immunization," Dr. Leeder declared.

"The younger the child the greater the hazard," he said. Ninety-eight cases of whooping cough were reported to the Michigan Department of Health in the last week of 1954, compared to 72 cases reported in the last week of 1953.

Cases Double In Year

The total number of whooping cough cases in Michigan for 1954 was 5,620, almost double the 2,932 cases reported in 1953.

1954, there were 13 deaths reported in Michigan as a result of whooping cough, compared to 13 deaths in all of 1953.

About 90% of the whooping cough cases are children under 10 years old.

Immunization against whooping cough should be started when your baby is three months old. Your physician will give him treatments with whooping cough vaccine, or with a combined vaccine that also protects against diphtheria and tetanus.

No Charge for Vaccine

Both products are furnished free for the people of Michigan by the Michigan Dept. of Health. A booster dose by the time the youngster is three years old will make sure he is fully safeguarded.

Whooping cough starts like an ordinary cold. Coughing begins, usually, within a week and it may be severe enough to be followed by vomiting. The average case of whooping cough lasts from two to three months, Leeder said.

Whooping cough is spread in the discharges from the nose and throat. The disease is most infectious in the very early stages, before the characteristic coughing starts.

Children who have whooping cough should be under a physician's care. They should have as little contact as possible with persons outside the family, to stop spread of the disease and also keep the sick child from getting another infection that might result in serious complications.

Split-Level House Gains Popularity

The split-level home, a type built on a stagger plan combining two-story privacy with ranch house convenience, is increasing in popularity, American Builder says. The magazine reports that in one development the first 73 of 74 homes sold were of the split-level type.

MARTEN RE-ESTABLISHED

Another experiment in game management in Michigan sees the possible addition of the pine marten to the list of animals of our state. Once upon a time, in the long ago when Michigan Indians used fur pelts for money the marten was a highly prized fur. As a matter of fact the fur of the marten is said to be the most beautiful of all carnivores—even finer than chinchilla—and more durable. The advance of civilization into the Michigan wilderness, together with heavy trapping pressure, exterminated the marten from our local scene many years ago. Now a marten, trapped in Canada, is at the Conservation Department's game experiment station at Cusino in the upper peninsula, and it may be the first of many to be re-introduced to our forested areas.

Other Game Recently Introduced

While our game division in Michigan has recently introduced the wild turkey, and some years ago the ptarmigan (an arctic grouse), there is far more hope for survival of the marten. The wild turkey has been subject to disease since its release this year, and a number of dead birds have been found. The ptarmigan, transplanted from that portion of Canada close to the arctic circle, apparently took one look at Michigan and departed across Lake Superior for the familiar tundra of its favored homeland.

Loves Life of Comfort

The pine marten is almost the size of a house cat. It worships warmth and comfort, spending much of its time in a moss-lined den in a tree, coming out in the sunshine to sprawl luxuriously along a nearby limb. When it comes to food, mice and squirrels are choice—and as fast as a red squirrel moves the marten is faster, running it down.

With ease. It is a savage fighter. So sharp are the marten's claws and teeth that few other animals will tackle it. Consequently its only real enemy is man. It has a great weakness for sweets, and trappers soon learned that the marten was the easiest of all animals to capture with the right bait. This single fact played an important part in the extermination of this interesting Michigan animal.

Most people still don't believe it. But it is true. And when you look into the facts, you'll find these two solid truths:

Buick is one of the "Big Three" in sales volume—and hotter this year than ever before. And Buick is one of the "Big Three" when it comes to prices which make such popularity possible. The price we show here proves it.

So why not get what a Buick has to offer, if you are in the market for a new car?

You find that the dollars you pay for Buick buy you a lot more automobile—and the sheer satisfaction that comes with bossing a brawny traveler of this caliber.

You find it in the record-high V8 power that gives life to this spirited performer. You find it in the soft and level and cruiser-steady ride that comes of all-

coil springing and torque-tube stability. You find it in the extra roominess, the extra frame strength, the extra tread width, the extra silencing—all part and parcel of every Buick.

We could tell you about the little things, too. Things usually charged for as "extras" in other cars, but yours as standard equipment at no extra cost in every Buick. Things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in glove and trunk compartments—and so on.

But—you get the idea. This is a buy, this '55 Buick—a great buy—and a thriller from the instant you press its gas pedal. Come in this week and check things for yourself, won't you?

OUR THANKS to the COLLEGE OF AGRICULTURE MICHIGAN STATE COLLEGE

for 100 years of outstanding service to the farmers of this state.

Again We Look Forward To FARMERS' WEEK February 7-11, 1955

During that week thousands of Michigan's farmers will meet with the faculty and staff of the Extension Department of the College of Agriculture to learn about and discuss new developments, and improved methods in the production and marketing of agricultural products.

In the field of dairying untold good has come to the milk producing farmers of the State as a result of the research, experimental and educational work of the College of Agriculture. This organization of 17,000 dairy farmers is happy to commend Michigan State College for its splendid contributions to the dairy industry throughout its entire 100 years of operation.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

by Gene Alleman

MICHIGAN IS GETTING the tax answer it expected weeks and months ago.

Rather than scour for another revenue source, Republicans are ready to extend the life of the business activities tax beyond March 15.

The tax is a story in itself. When adopted to become law without Gov. Williams' signature, tax law authors figured it would bring in \$32,000,000 a year and keep the budget balanced.

Last year for the first time since the sales tax diversion plunged state government into red ink, the budget was balanced and the business activities tax was responsible.

Republicans, who forced it through the legislature over Williams' protests, believed they had arrived at a levy which kicked up a minimum of criticism and a maximum revenue.

During the first year, the take was around \$28,000,000—a sum still formidable, a budget-balancer.

Republicans, who put the March 15, 1955 expiration date on the original bill, figured it would be well to extend the only tax bill in history that had not kicked up a storm of protest.

Senator Carlton H. Morris (R-Kalamazoo), new chairman of the Senate taxation committee, put in a simple bill the first day of the 1955 session. It merely erased the expiration date.

"It's better than looking for a substitute which would collect that kind of money with as little objection," he said.

But, there is still a doubt whether it will be enough for next year, with demands coming in every hour on the hour for more money to run state government.

As an example, W. J. Maxey, state social welfare director, said he would turn in a \$5,000,000 deficiency report. The extra costs to maintain dependent children and the needy aged are responsible.

Will there be anything else to add to the tax picture? Said Morris:

"I'm not as yet prepared to say what new tax demands, if any, will be made on Michigan citizens."

REPUBLICANS AND DEMOCRATS are at war again in the legislature.

To set an example, the Democrats divided up committee assignments on the powerful State Administrative Board to give two holdover Republicans a proportionate representation.

On the five-member committees, the two Republicans got two seats and on one three-member committee, one assignment. That was the pattern Democrats hoped would carry over in the legislature.

So, Republicans in the Senate rebelled.

After a day of bickering in a secret session, the Republican majority on the committee on committees, rejected the Democratic plea for a proportionate share of the seats.

As it now stands, the Democrats have much less than a membership on committees than their proportionate membership. Republicans say they're just following the Democratic policy when they had the majority in 1937.

THIS MAY NOT BE NEWS around Cadillac and its Caberfae ski resort, but Gery Williams finally found a pair of ski boots that fit.

There was a crisis when Caberfae, which had invited the entire Williams family and other notables for a week end, found that Gery, the governor's only son, wore size 14 boots.

The shoe had just appeared when a shoemaker came into the executive office with an out-sized box. It contained ski boots for Gery.

Miss Julie Lawler, the governor's personal secretary, was shocked.

"Are these for Gery or Paul Bunyan?" she asked.

There were a lot of guesses, but the best one was that they were for Williams' 6 foot 2 inch son—who is one inch taller than his dad.

MICHIGAN'S AGED will get a break this year, if all goes well in the legislature.

Those receiving the \$70 a month maximum in Old Age Assistance will get \$80 and those requiring medical care \$90 if recommendations of the Social Welfare Commission are heeded.

The commission made the proposal because rents and medical costs were increasing. Strangely, the cost of food is remaining constant.

Senator Harry F. Hittle (R-Lansing) introduced the bill. Then came Senator Philip Rahoi (D-Iron Mountain) with a proposal to increase both phases of the program to \$80 a month.

Hittle followed up with a bill to repeal the lien law, which empowers the state to reclaim welfare money from the state of the recipient after his death.

More U.S. Money For Libraries Asked In Bill

Northville and Plymouth and the two townships would qualify for additional financial aid under a bill introduced by Congresswoman Martha W. Griffiths to make approximately \$220,000 available to Michigan for the establishment and extension of public library services in communities of less than 10,000 population.

The measure asks for \$7,500,000 in federal matching funds over the next four fiscal years to the various states for use in the rural library program.

Mrs. Griffiths, representative from the 17th district, emphasized the bill would aid in bringing books and the general services of a library to 841,293 Michigan residents who, according to State Librarian Mrs. Loleta D. Fyan, are now without such advantages.

Mrs. Fyan has stated there are five counties in Michigan—Arenac, Keweenaw, Lake, Luce and Montmorency, without any public library facilities at all.

No New State Money Needed

Mrs. Griffiths pointed out the bill in no way imposes federal restrictions or conditions, or interference with state and local administration of library programs.

This bill also reserves to the state librarian or other designated state agency complete discretion as to the use of the federal funds granted.

Presbyterian Women To Hear Missionary
P. Carter Speers, former missionary from Pakistan, will speak at a meeting of the Women's Union of the Northville Presbyterian Church Wednesday, Feb. 9 at 1 p.m. Mrs. George Mellen will be chairman of the day. For 39 years

Speers was on the faculty of Forman Christian college in Lahore, first as a professor of chemistry and later as head of the chemistry department.
Effected largely through his efforts, a revision of the courses and procedure of the department, the Punjab government showed its approval by making a generous grant toward the construction of a new building for industrial chemistry.
When India was partitioned Speers was one of the chief leaders in the organization of a place for medical aid to sick and injured refugees. This project has grown into the United Christian hospital in Lahore. A Princeton graduate, he retired from active service under the board of foreign missions of the Presbyterian church in the USA. He is now with the information service of the Pakistan embassy in Washington.

Hobbyist Needs Year To Carve Unique Gavel

An interest in the history of unusual and rare woods and the collecting of fine woods has led Albert E. Hackett into a hobby which produces unique gavels. Using spare time, it takes almost a year to complete one of his projects.

Residents of Northville had an opportunity to see an example of his work when he presented a gavel to Mrs. Norman Pattison at her installation as Worthy Matron of Orient chapter, Eastern Star.

Hackett made a larger carved gavel into which the normal sized gavel fits snugly.

The gavel contains 64 separate pieces of wood. Seventeen pieces comprise the handle. The pin is set in wood from the White House.

The initials of white holly are set in ebony from Peking, China. Other woods used were black walnut, rosewood, boxwood, Brazilian burled wood, acacia, maple, mahogany, teak, yew, oak, apple and several pieces from the jungles which are unnamed.

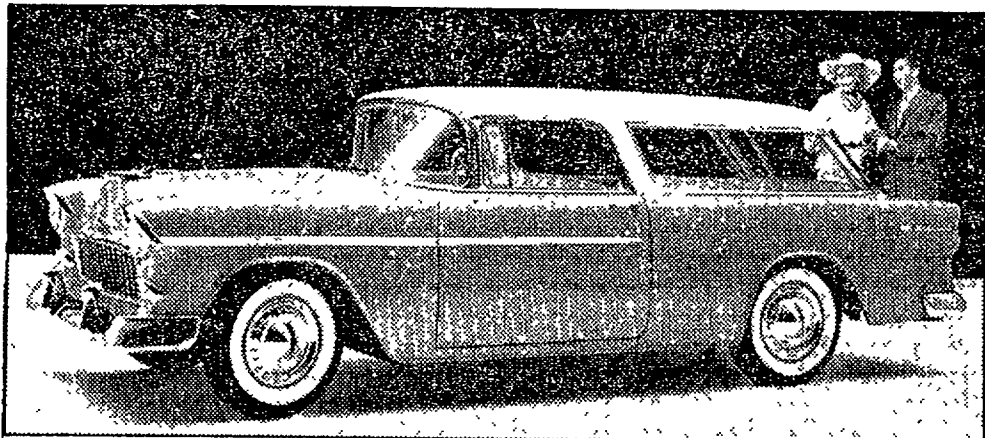

Farewell Party Held For Jeff Page

John Batzer reports that the Weasel patrol of Scout Troop N-5 had a going-away party Jan. 25 for Jeff Page in the Batzer home on N. Center St. The Page family moved to Fairfield, Conn. Feb. 1.

The boys of the patrol, Dennis Madigan, Jack Cruse, Hank Bosak and John Batzer, presented Jeff with a scout knife as a token of their friendship. Jeff is a member of the seventh grade in the Northville Intermediate school.

The party was strictly a "stag" affair as the boys cooked their own supper.

\$5,525 Village Share of Mich. Bell Tax for Schools

Michigan Bell Telephone Company's payment to the state primary school fund was the largest in the company's history and Michigan Bell remained the largest single contributor in 1954, it states.

Robert Maurer, manager here for the company, reported that \$5,525 of the total tax payment was allocated to the public school system of Northville.

The amount last year was \$7,235,000, in state property taxes. Michigan Bell, in common with railroads, Pullman, railway express, telegraph and other telephone companies, pays such a tax earmarked for the primary fund in lieu of other property taxes.

Schools throughout Wayne county, including the village of Northville, received a total of \$2,481,075 from Michigan Bell's payment.

Maurer said the payments were

based on a school census of 1,270 in Northville and 570,362 in Wayne county.

Divided by the state school census of 1,664,726, based on 1953 figures, the tax amounted to \$4.35 for each youngster in the state between the ages of five and 19.

Exchange Hears Talk on Remembrance Ads

James L. Abernathy, Detroit district sales manager of Brown and Bigelow, was the speaker at the Exchange club meeting Jan. 26. Ed Welch, local representative of Brown and Bigelow, introduced Abernathy who explained factors involved in selecting items to be manufactured for use in remembrance advertising.

He said the greatest growing product as an advertising medium is playing cards, with the advertising forming part of the back design. The widespread use of playing cards provides that repetitive reminder so essential in good advertising.

Nursery School To Meet February 7

The February meeting of the Northville Cooperative Nursery school will be held Monday, Feb. 7 at 8 p.m. at the home of Mrs. William Secord, 46675 W. Seven Mile Rd.

A brief business meeting, which will include the reports on the workshop of the Wayne-Oakland County Cooperative Nursery council attended by nursery personnel, will precede a program planned by nursery teachers, Mrs. Edwin Langtry and Mrs. William P. Madigan.

Mrs. Langtry has charge of the children between 2½ and 3½; Mrs. Madigan has children between 3½ and five. Both groups enjoy water painting, puzzles, music, rhythm band, working with dough, games and free play with nursery equipment. The teachers plan to give a report on the accomplishments of the children in the nursery and their plans for

them for the remainder of the school year.

The welcome and refreshment committee will be headed by the hostess, Mrs. William Secord, and her co-hostesses, Mrs. Paul Gerhardt and Mrs. Phyllis Post.

Gillies Fish Film Shown To Scouts

Don Gillies, outdoor editor of the Detroit Times, was a guest of Explorer Scout Troop No. 242 at a special meeting for new members in the grade school auditorium. Gillies presented an interesting color film of deep sea fishing off the Florida Keys.

Along with his work on the Times, the writer has produced many films of hunting, fishing and other sporting events of outdoor life covering an area from Alaska to South America.

Besides the members of the troop, the event was attended by parents of the boys and members of the Northville Optimist club, which sponsors the Explorer Scouts.
