Village Commission Moves To Aid Northville Downs Buy Land

The Northville Village Commission voted unanimously Monday evening to let the Wayne County Road Commission know it is not opposed to sale of a 1½-acre piece of park property to the Northville Driving Club. The vacant land is on River St. and has been separated from the park by the new Seven Mile cut-off.

The commission's action was taken in the face of opposition by Village President Claude N. Ely, a long-time resident of the portion of the village near the race track, who said any use of the land in question for racing purposes would be detrimental to property owners in the area.

Carlo Asks Assistance
Action by the commission was in response to a plea from John Carlo, president of the Northville Downs, for assistance by the village in acquiring the land. The Wayne County Road Commission had told him, Carlo said, that it had no objection to selling the land if the Village does not object. Road Commission officials had asked Carlo to obtain a letter from the Village, signifying that it was not opposed to the sale.

Carlo was informed that the land is now zoned for residential use, and that even if it is purchased by the Northville Driving Club for track use, a change in the zoning ordinance will be necessary before it can be utilized for any purpose other than residential.

Wants Track Improved
Carlo's request for cooperation resulted in a general discussion of the difficulties, which North-

ville Downs is having with the State Racing Commission in competing with other tracks in the Detroit area for a good schedule of racing dates. Racing Commissioner James H. Inglis has asked that the Downs racing plant, including its barns, be brought up to the same standard as the newer tracks near Detroit, Carlo explained. He said Northville Downs is anxious to make desired improvements, but that it is handicapped by the lack of land.

The property on River St. is desired for badly needed barns, Carlo said. If it cannot be rezoned for this purpose, the Downs will be forced to use the vacant property at the northwest corner of Center St. and Edw. Hines Drive for this purpose, he explained. The latter site is regarded as a poor alternative, however, because horses would have to cross Center St. in going to and from the track. Carlo believes that traffic on S. Center St. will increase greatly after the Seven Mile cut-off is completed this spring.

Duplicate Services at Methodist Church

The First Methodist church will begin duplicate worship services this coming Sunday, Feb. 13 at 8:45 and 11 a.m. This is due, in part, to the remodeling and improvement program of the church. The Fellowship Room adjoining the sanctuary is being made into an attractive chapel. A lovely altar is being presented by Mr. and Mrs. Wilbur Becker in memory

Girl Scouts To Have Card Party February 17

Mrs. R. M. Atchison

Mrs. C. M. Goodrich

Plans for the Girl Scout card party Feb. 17, were completed by Chairman Mrs. Russell Atkinson and co-chairman Mrs. C. M. Goodrich last week.

The card party will be held in the Community building at 8 p.m., and tickets may be obtained from Girl Scout and Brownie leaders. Local merchants will donate the table prizes and there will be a drawing of tickets for door prizes. Refreshments will be served following the games.

Included on the committee are Mrs. Richard Kay, serving; Mrs. C. W. Rodgers, cake solicitation; Mrs. Roy Van Atta and Mrs. Guy Coykendall, coffee; Mrs. Harold Wagenschutz and Mrs. Drake Older, door prizes; Mrs. Nelson Schrader, table solicitation.

Women bringing cakes or tables to the Community building are reminded that they will be unable to gain entrance to the building until 3:30 p.m. the day of the party.

TWO MAYORS BACK DEFENSE STAMP SALES—Distribution of defense stamps to students toward the accumulation of a defense bond will be held weekly in the public schools every Thursday, starting Feb. 17 under the sponsorship of the women's auxiliary of the Lloyd H. Green post of the American Legion. Supporting the drive are the village, schools and the post office, according to Mrs. Donald H. Severance, auxiliary chairman in charge. With the sign that will let students know "today's the day", are, from left, standing, Superintendent of Schools Russell H. Amerman, Elementary School Principal Charles T. Pregitzer, Edward Mollema, Jr., mayor of the senior student council; Mayor Claude N. Ely, Postmaster Leland V. Smith, and Assistant High School Principal Frederick Stefanski. Seated, Mrs. Severance.

Class of '56 Named To Sell Tickets for Legion Show

Plans for the American Legion amateur variety show at the Community building Friday, April 1, moved ahead this week with the naming of the junior class of Northville High school as a ticket selling group and selecting March 18 as the date for the elimination contest for amateur acts of one or more persons.

High School Principal Elroy V. Ellison said that the student council had approved the sale of tickets at a session Tuesday. The ticket sale will be handled to benefit the class fund.

Members of the committee from the junior class are Larry Graham, chairman; Donna Batchelder, Barbara Archer, Phyllis Howard, Susan Mairs, Roger Nieuwkoop and Jim Mosher.

The elimination of talent contesting for the show which will award prizes of \$100, \$75, \$50 and \$25 will be conducted by eight judges, according to Paul Burnham, general chairman of the affair. An entry blank is on page 12 of this issue of the Record. The deadline for returning the blank is Saturday, March 12.

Blanks for entering the competition, and tickets are available also at the Carrington agency, Famous Clothing, Gunsell's Northville Drug, Northville Florist Shop, Northville Record, and Harwood's Standard Oil filling station at Novi.

High School Slated for Three Entries At State Festival

Two musical groups and an individual from Northville High school were cited at the area Music Festival at Ypsilanti, last week, sponsored by music teachers of the state. As a result of being among the best performers, they will participate in the statewide festival in March at a city yet to be announced. The participants were coached for the concert by Leslie Lee, director of music at the high school, and his assistant, Robert Williams.

Marilyn McCarthy, clarinetist, gave a solo, resulting in her selection over 30 others.

The saxophone quartet topped seven other groups from several surrounding communities. It was composed of Kathleen Leavenworth, Fred Schultz, Shirley Snow and David Hartner.

Rated best among 10 groups was the brass sextet from Northville, consisting of Dennis Proctor, Michael Willis, Joel Seoule, David Hartner, Roger Nieuwkoop and Judy Leavenworth.

\$1,931 Is Final Total for March of Dimes

With all collections in, Mrs. Eldon Biery, chairman of the March of Dimes, reported total contributions of \$1,931. The largest amount was obtained through the Mothers' March—\$1,235. Schools were second with \$275, while the canisters produced \$221 and the dime's cards, \$200.

In expressing gratitude to all for their aid to the annual campaign of the National Institute of Infantile Paralysis this year, Mrs. Biery singled out the efforts of Police Sgt. Gil Glasson, Charles Carrington, participants in the Mothers' March, Miss Ruth Knapp of the public schools, and Sr. Anita Louise of Our Lady of Victory school.

Maybury Is Ready for Alterations Costing \$125,000

Work will start soon on a \$125,000 renovation and alteration program at the William H. Maybury Sanitarium as a result of completion of the transfer of about 160 women patients there to other hospitals and the early discharge of some for continued out-patient treatment at Herman Kiefer hospital in Detroit.

Medical Supt. Dr. W. L. Howard stated that the patients were sent to the American Legion hospital at Battle Creek, the State Sanitarium at Howell and Herman Kiefer.

The annex vacated by women will be converted into a children's building. This unit will accommodate 130 children. Occupancy is expected within three to four months. The youngest patient admitted last year, Dr. Howard, asserted, was five months old. During the last five years the average age has been five years.

A feature of the new setup will be quarters for the segregation of newly-admitted children from juvenile and infant cases that have been undergoing treatment for a longer time. The three-story quarters, equipped with the

Village Commission To Meet Monday

The Northville Village Commission has scheduled a special meeting for Monday, Feb. 14 to consider paying part of the cost of paving S. Center St. this year, adopt a dog ordinance worked out jointly with Northville township, and to consider sale of a piece of vacant property.

The proposal to pave S. Center St., which is a county road, results from a new cost estimate worked out by the Wayne County Road commission.

The property whose sale is to be considered lies on E. Main St. across from the old Northville spring. It is the lot with the large hole extending along the west side of the street between Lyke's Gulf service and Petz Brothers.

The subject has arisen because of a request by Dr. Heinrich H. Handorf that he be permitted to purchase it as a site for a new office building from which to conduct his medical practice. The cost of the first building would be \$15,000, Dr. Handorf told the commission. Additional units are planned later for business and professional purposes if the need arises, he said.

Crusoe Promoted By Ford Motor Co.

Lewis D. Crusoe, 44000 W. Nine Mile Rd., has been made an executive vice-president of the Ford Motor Co., according to Henry Ford, II, president.

Formerly vice-president and general manager of the Ford division, Crusoe will now "be in charge of the company's three automotive divisions—Ford, Lincoln-Mercury and Continental," Ford asserted.

Other changes voted by the board of directors were the elevation of Ernest R. Breech as chairman of the board, Del S. Harder, executive vice-president, and Robert S. McNamara and Dwillard J. Davis as vice-presidents.

Downtown Display Shows Activities of Explorer Scouts

Increasing public interest in the display of Boy Scout Explorer Troop 242 at 110 N. Center St., was reported Wednesday by J. P. Malley, chairman of Scout activities of the Optimist club which sponsors the troop.

Set up to commemorate the 45th anniversary observance of Scouting, Feb. 6-12, the display shows different aspects of scout lore, prepared under the direction of R. P. Reimer, leader of the troop.

Members of the troop are Harold Wilson, Bill Tierney, Don Atwood, Ken Krezel, George Hawes, Charles Hawes, Larry Green, Bill Bakke, Bob Watson, Bob Gillick and Joe Wooten.

Training School Entertains Rotarians

Sixty students of the Wayne County Training school were the guests of the Northville Rotary club Tuesday. They presented a patriotic program centered around the birthdays of Washington and Lincoln consisting of dramatic skits and music.

The program was prepared by Miss Mabel Bowers, Mrs. Sadie Rust and Mrs. Florabel Sullivan of the faculty. Other appearances by the students from the school are being considered, according to Lynn Sullivan, vocational training superintendent.

Work Start Set for Five Cottages at Hawthorn Center

Construction of five cottages at Hawthorn Center for emotionally disturbed children on 80 acres of state-owned land near the Northville State hospital will start in about two months, according to Garrett Rooks, engineer for the state here. The five cottages will house 52 children and "mother" and "father" resident for each.

Although the center is a neighbor of the Northville State hospital, its superintendent, Dr. Philip N. Brown, said that it will be an entirely separate project. The only connection between the two institutions will be the use of state hospital utility and some other facilities by Hawthorn.

Present construction activity at Hawthorn Center, which will have cost approximately \$2,000,000 when completed is on the foundation of the one-story administration building. Completion of the first buildings in the plan is anticipated for early in 1955. A staff of about 50 persons will be needed to operate the center.

Designed To Cut Future Costs
In pointing out the need for such facilities, the State Department of Mental Health declared, "Since it is recognized that our future state hospital population will come from the children of today and a large portion of these potential mental cases are now giving evidence of what will happen."

Northville and Clarkston Tie for Debate Honors

Wayne-Oakland High school debate league competition ended with the announcement that Clarkston and Northville tied for first place.

Both teams finished up the season with a record of six wins and two losses apiece and have been invited to participate in the regional tournament which will be held Feb. 21-25. The location of the contest has not yet been announced.

The two schools scored their point victory after debating the subject: "Resolved, that the Federal Government should initiate a policy of free trade among nations friendly to the United States."

Coaches for the winning debaters were speech teachers Miss Panatoni of Northville and June Cooper of Clarkston. Other competitors were Holly, third place; Milford, fourth place, and Brighton, fifth place.

Yerkes Subdivision Plans Move Forward; Novi Not In Favor

An agreement between the Village of Northville and the D. & R. Building Co. covering subdivision of the west portion of the Yerkes farm adjacent to the northeast corner of Northville was signed at the Commission meeting Monday, Feb. 7.

The area, known as Subdivision 1, runs north from Baseline Rd. along the east side of Novi Ave. About 40 houses are to be built along the east side of Novi Ave. and on another parallel street to be opened one block east.

One provision in the contract which has caused a

Move To Purchase 16 Acres Started By School Board

Eying expansion of the Northville school system, at some future date, the board of education decided Monday to determine the possibilities of acquisition of 16 acres of land at the corner of Bradner and Six Mile roads.

In the belief that the purchase of the tract could be a good investment in the event that it might not be chosen for a school site, the board asked its attorney, James E. Littell, to study procedures for obtaining the land. The area is adjacent to the abandoned Waterford school which was annexed to the local system in 1951.

It is owned by H. A. Marshall of Grosse Pointe. The date of occupancy of the new Russell H. Amerman elementary school on N. Center St. has not been decided yet because of work required to get the school grounds in shape and sidewalks built after a spring thaw. Widening of the street and leveling off of sharp grades are also under consideration.

The purchase of \$9,072 new office and school room furniture was tabled until the March meeting to allow time for further investigation of the types favored for the \$300,000 10-room Amerman school.

Amerman and High School Principal E. V. Ellison will meet with Mrs. Mary Ann Atkinson, Novi school superintendent, to discuss the outlook for attendance of Novi students at the Northville High school. They will make a report to the next meeting of the board.

Feb. 28 was set for a special meeting to consider teachers' salaries and contracts for the 1955-56 school year.

Girl Scout Fair Set for March 12

The chairman of the Girl Scout Fair, Mrs. Gerald Doub, announces that initial plans for the fair are complete. It will be held in the Community building March 12 from 2 to 4 p.m. The program will revolve around high points in Brownie and scout activities.

There will be a display of handicraft in the side room and the Scouts and Brownies will sell fudge, candy apples, aprons, beaded rings, cookies and many other articles in the front of the Community building. Proceeds from this event will go to the Juliet subdivision No. 2.

seeming conflict of interest between the Village of Northville and Novi township, concerns annexation of the new subdivision by Northville. The D. & R. Building Co., which will do the subdividing, has agreed to see that the property is annexed to the Village, (or City), as soon as possible. The property is located in Novi township, however, and if Northville becomes a city at the spring election, annexation would sever the property from Novi township entirely. Should the vote on becoming a city fail, however, the property could be annexed to the Village without removing it from the Novi township tax roll.

Vote Against Proposal

When Richard P. Beneicke and Robert Krue, representing the D. & R. Building Co., appeared before the fact finding committee of the Novi Township Planning Commission to ask approval of their plan the committee voted against it. The Novi Township board has tabled the fact finding committee's report for the time being and it is believed that no decision will be reached until Northville's status as a village or a city is determined this spring.

Favorable action by Novi township officials could have made annexation of the property a very simple matter. Northville commission members familiar with the law covering annexation feel, however, that Novi's attitude means only a slight delay, and that ultimately the property can be brought into the village or city by a vote of the people concerned.

Start On 40 Houses

Work on the first 40 houses will be started as soon as possible by the D. & R. Building Co. Each house is to cover a minimum area of 840 square feet and is to be built in conformity with the Village building code. The subdivision layout is to be approved by Village authorities, and those of Novi township, Oakland county and the state. (Such approval has no connection with Novi township's approval of annexing the subdivision to Northville.)

The subdivider also agrees to install all sewer and water lines from the Village mains and lay and construct all sidewalks, drives, curbs and gutters, drains and streets. The latter are to be paved with either bituminous asphalt or concrete at the builder's expense.

The Village has agreed to provide water and sewer services to the subdivision, to grade and prepare for paving that portion of Novi Ave. which abuts on Subdivision No. 1, and bear one-half of the cost of a sewer pumping station, if one is necessary, in Subdivision No. 2.

New Board Heads Public Safety; Seeks Patrolman

A board of control for the Novi department of public safety, which will have complete supervision over the operations of the police and fire departments, was appointed at the meeting of the township board Monday evening.

The board will consist of Frazer Staman, chairman; Russell Woodworth, secretary; Cameron Lodge, William Flynn and Edmund Yerkes, vice-chairman.

After its first meeting Tuesday morning the newly formed group asked for applications for the position of patrolman. As in the case for all future openings for fire and police work, the applications of persons for patrolman will be screened and passed on the board.

The Latest In Fire Trucks - - - 1918

Some people admire fire engines, others chase them, but Harold Miller of 46411 W. Grand River went one step further and bought one recently. A Reo Speed Wagon dating back to 1918 may now be seen occasionally racing down Grand River. Miller, whose hobby is antiques, is restoring the engine to its original efficiency and beauty.

Originally the engine served as a private fire fighting apparatus for the Apple Crest Farms on Nine Mile Rd. For years, however it had been stored on blocks in one of the barns. Miller claims he had his eye on the machine 20 years ago. When he found out it was for sale last fall, he purchased it.

Northville residents may recognize the engine as the one displayed by George Miller, local auto dealer, in conjunction with his new car showings this winter. It was at Miller's garage that the bright new coat of red paint was applied.

Rejuvenation efforts are hampered somewhat by the fact that all parts must be hand-made since parts for 1918 trucks are in rare supply. The engine is equipped with pneumatic tires complete with inner tubes, and a 4-cylinder valve-in-head engine. The Northeast starter is a chain drive between the flywheel and the engine.

The siren is the hand crank type and mounts on the hood. The water pump is connected to the motor and automatically engages when the motor is disengaged.

Currently, Miller has removed the ladders, poles and hose for reconditioning. When everything is fixed up and back in place, Miller claims the engine will be better than new. "After all," he says, "the engine now has 37 years of experience."

Dawn McCollum brought treats and led the grace. New officers elected were president, Judy Dye; secretary, Dawn McCollum, and treasurer, Leola Neely.

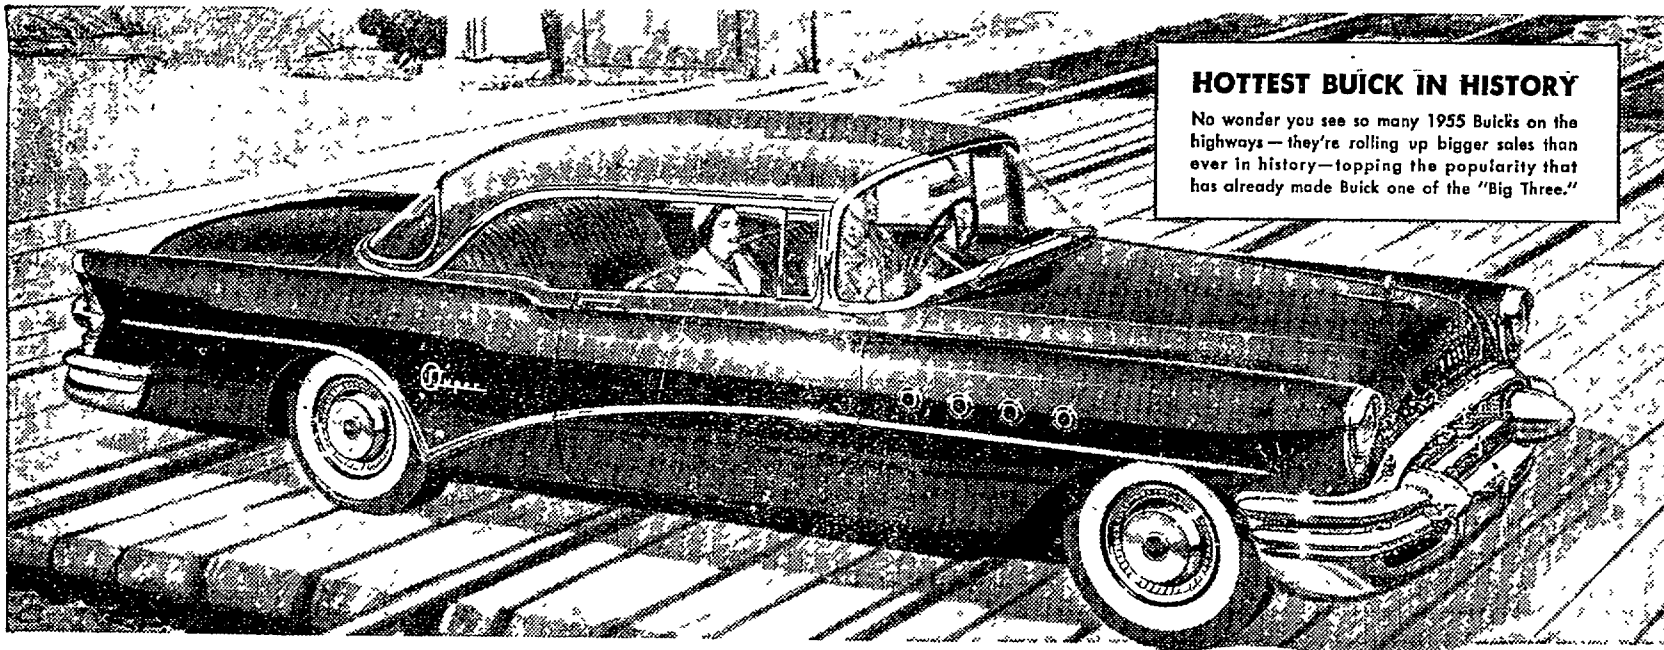

Brownie Troop No. 492 met in the basement of the school where the girls worked on their Valentine gifts. Pamela Harnden has transferred from a Brownie troop in Detroit to Novi. Linda Eary and Linda Gombasy had treats.

Intermediate Troop No. 491 had their regular meeting Wednesday. They opened with the promise. Mrs. Harrowood brought patterns for making belts and a collar. Later on they will make coin purses. Treats were brought by Carolyn Edelman and Donna Lien. They closed with good night circle. Secretary, Kay Gatrell.

Intermediate Troop No. 490 met at the home of leader, Mrs. Jack Eby. Mary Schenimann had the opening. They finished making their mothers' Valentine gifts and continued work on back yard camper's badge and also finished plans for a Valentine party. Marilyn Miller had the closing. Scribe, Marilyn Miller.

Intermediate Troop No. 490 met at the Community building and after short business meeting they discussed future activities. Two groups presented nosebag dramatics in pantomime. Group 1, "Old Peoples' Home in Canada" and Group 2, "Three Little Bears".

Even the bumps are smoother in the '55 Buick ride

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever in history—topping the popularity that has already made Buick one of the "Big Three."

To be completely honest—there are some bumps which *nothing* will level out completely.

Yet even the real rough ones turn out a lot smoother when you take them in a 1955 Buick.

And that's not just our say-so. New owners of these bright new beauties keep telling us that.

So you may wonder—how come? What's different about the Buick ride that makes it such a marvel?

The answer is—plenty.

Most cars have coil springs on front wheels only. Buick has them *all around*—and this year they're newly calibrated for even deeper smothering of jounce and jar. So here your ride is balanced, buoyant, level, serenely smooth.

Most cars drive through the rear springs. Buick drives through a *torque-tube* that takes up all driving thrust, wipes out rear-wheel wiggle and wag, steadies your going to a sure and solid track.

And no other car in all America has these great comfort extras *plus* the backbone of a massive X-braced frame *plus* both direct and lever-type shock absorbers to snub after-bounce *plus* a special front-end geometry to stabilize "cornering" *plus* tubeless tires on

extra-wide rims for softer riding and greater stability.

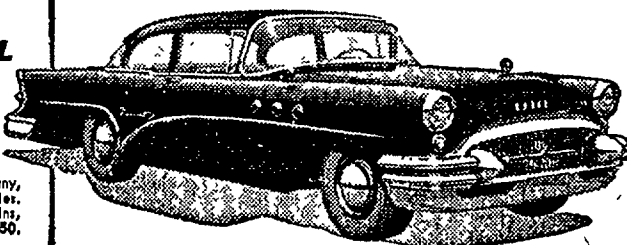

Surely, you owe it to yourself to *try* this great Buick travel, just to judge things for yourself.

You'll find it the nearest thing to velvet on wheels—and made even more so by the silkiness of record-high V8 power and the absolute smoothness of new Variable Pitch Dynaflo.* Come visit us this week—for sure.

Scout Troop Plans Off to Good Start

Reorganization of Novi's Boy Scout Troop 54 under the sponsorship of Novi Volunteer Fire department was making fast progress this week.

A temporary committee composed of William Piquette, William MacDermaid and Douglas Watson was studying the appointment of a scoutmaster and meeting place, according to Robert Skellinger, camp activities advisor for the Ottawa district of the Clinton Valley Boy Scout council.

Boys who are interested in scouting and men who can help in the movement are asked to get in contact with Watson. It is planned to announce the date and place of the first meeting soon. The membership roll is expected to include between 15 and 20.

Ladies' Night Plans Completed by Board of Commerce

A sellout crowd of 225 people is expected this Saturday night for the Sixth Annual Ladies' Night of the Novi board of commerce, according to Leo Harwood, president.

Final plans for the annual dinner and dance were made at the regular board of commerce meeting held last Thursday night.

Thirty-four members attended the meeting. Featured speaker for the evening was Professor Frank W. Suggitt, conservation authority from Michigan State college. His topic was "Our Land and You".

For the Ladies' Night, home-style dinners of ham and turkey are being served by Robert Carter's Rosewood restaurant in Novi. After the dinner, there will be a floor show. Ben Tinkham from the Novi Inn is furnishing the talent and sponsoring the show.

Ziegler To Speak March 3

Following the entertainment, guests will dance until 1 a.m. to the music of Harold Grimoldby and his five-piece dance band. Chester Finney will call the square dances.

The postponed directors' work session was held last Tuesday night in preparation for the dinner dance. The directors resorted to action instead of words to prepare the Community building for the event.

Speaker for the March 3 meeting of the board of commerce will be Charles Ziegler, state highway commissioner. Ziegler will discuss the new super expressway being planned between Detroit and Lansing, and how it will affect Novi residents.

AmVet Activities

The Novi AmVet Auxiliary met at the home of Mrs. Ken Rippey Tuesday, Feb. 1. Treasurer Dorothy MacDermaid reported profit on plastic demonstration. An invitation was used from the Cub Scouts inviting all auxiliary members and families to the Blue and Gold party.

Laree Bell now has a list of paid-up AmVets obtainable by Auxiliary members for membership purposes.

Doris Callen reported on Cub Scout pack meeting which she attended also gave suggestions of articles Cubs should use in their program.

President Audrey Ortwine reported delivering clothes to needy family from the clothing bank.

Due to illness, Mrs. Betty Trickey has resigned as S.O.S. chairman. Plans were made to sell sandwiches and operate check room at AmVet dance Feb. 19. Following the meeting Arline Rippey and Shirley Saincome furnished refreshments.

President Audrey Ortwine and Hospital Chairman Jeanne Clarke represented the AmVet auxiliary at a get-acquainted tea at the Oakland County TB San. in Pontiac. This tea was held on behalf of the staff of the sanatorium for all organizations who had contributed either time or materials for the patients.

After the meeting the staff and Miss Alexander, recreation director, took a tour of the hospital.

Mrs. Hazen, Novi Pioneer, 94 in October

Mrs. Alice (Jay) Hazen was born 93 years ago on a 200-acre farm in Montcalm county Oct. 21, 1861, to Charlotte Hunt and George Dennis. When she was four years old she moved with her parents, one brother and three sisters to her grandfather's farm at Ten Mile and Taft roads. When she married Jay Hazen in 1884, she became the mistress of the farm home of her husband on W. Grand River where they lived for 54 years.

In the early pioneer days with her parents, Mrs. Hazen had many pleasant adventures with the friendly Indians who came to

trade thin baskets for salt pork and farm produce.

Mrs. Hazen taught school for four terms at the school that was built on her father's farm after the land was cleared.

Mrs. Hazen was one of the organizers of the Argonaut club. They were young people who were interested in all the outstanding problems of the day. Their discussions were on farming, political issues, congressional events and many other topics. Argonaut means "Greek ship that set sail for a foreign shore." Of the 20 young men and women that were the first members of the

club only Mrs. Hazen and Mrs. Byron Power of St. Petersburg, Fla., are still living.

Active In Baptist Church

For the 54 years Mr. and Mrs. Hazen lived on the farm they were active members of the Novi Baptist church. After they retired from the farm they moved to Wing St. in Northville and became members of the Baptist church here.

Mr. Hazen died in 1945. Mrs. Hazen now lives with Mr. and Mrs. T. M. Parsons on Wing St. Mrs. Hazen's major misfortune began 30 years ago with a broken bone. Since that time she has had eight broken bones at different times which have meant many months in the hospital. However, at 93, Mrs. Hazen can walk around the house with the aid of her walker and otherwise enjoys good health.

The picture above was taken at Thanksgiving time while Mrs. Hazen was a house guest of Mr. and Mrs. Harold Miller of W. Grand River.

30% of Tax Levy Still Outstanding

With little more than two weeks left to pay their 1954 taxes, Novi Township Treasurer Russell Woodworth reports that slightly more than 30% of the accounts are still outstanding. \$140,000 has already been collected, which represents a little over two-thirds of the \$205,028.96 total.

The deadline for payment of the taxes is Tuesday, March 1, according to Woodworth. They may be paid in person or by mail addressed to Woodworth at his residence, 425 S. Lake Drive, Walled Lake.

Grand River Crashes Put 3 In Hospital

Passing other vehicles on Grand River resulted in three persons being hospitalized last week from injuries in two different collisions.

Feb. 2, Miss Mary Ruth Early, 61, Detroit school teacher, suffered arm and shoulder injuries when her car overturned west of the Novi Rd. intersection. Miss Early was attempting to pass a truck driven by George M. Root, 46600 Fourteen Mile Rd. Root had stopped and signalled a left turn when struck by Miss Early's car which then overturned. She was taken to Atchison Memorial hospital.

Saturday morning, during a heavy snowfall, Mr. and Mrs. Del-

bert W. Sherman of Milford were seriously injured when their car went out of control while attempting to pass another car west of Taft Rd. Sherman's car skidded into the path of an oncoming truck driven by Charles Denton of Ypsilanti. The truck suffered only minor damage but the Sherman car was totally demolished. The Shermans are still in Atchison Memorial hospital. Their condition is listed as fair.

COMING EVENTS

Thursday, Feb. 17, the past noble grands will meet with Mrs. Charles Trickey, Sr. There will be a pot-luck luncheon at noon.

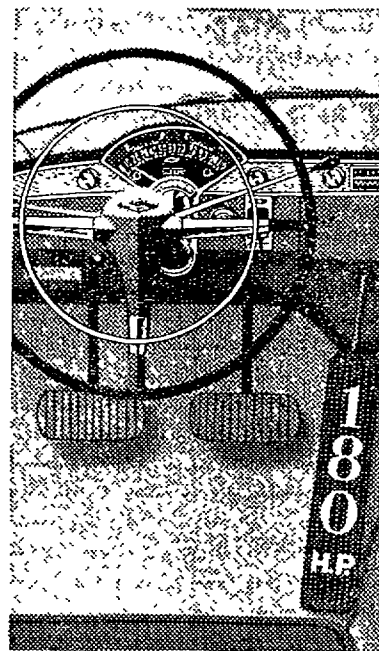

The Novi chapter of Blue Star Mothers will meet at the home of Mrs. John Klesner on Novi Rd. Monday evening, Feb. 14. Final plans for the card party Feb. 18 will be completed at this meeting.

How many "horses" would you like?

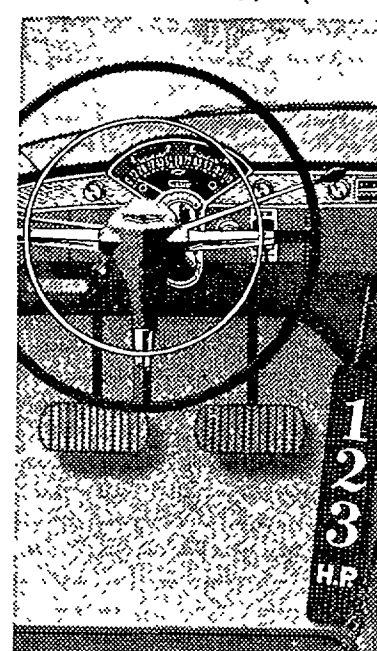

Created for drivers who put a premium on blazing acceleration, the "Super Turbo-Fire V8" has all the advanced engineering features of Chevrolet's V8 design... plus dual exhaust system and a four-barrel carburetor. Optional at extra cost.

A silk-lined cyclone of power, the "Turbo-Fire V8" boasts the shortest stroke in the low-price field. More compact than other V8's, it has the highest compression ratio (8 to 1) in its class... and the exclusive Chevrolet 12-volt electrical system.

The "Blue-Flame 136" takes advantage of the cushioning effect of Powerglide* to set the standard of six-cylinder valve-in-head efficiency, gives the ease of automatic shifting at lowest price. It, too, has 12 volts... and quiet hydraulic valve lifters. *Optional at extra cost.

The ultimate development of Chevrolet's 26 years' experience with the valve-in-head six, the "Blue-Flame 123" is the world's yardstick for automotive value. And its thrifty 7.5 to 1 compression offers performance that is gratifyingly smooth and lively.

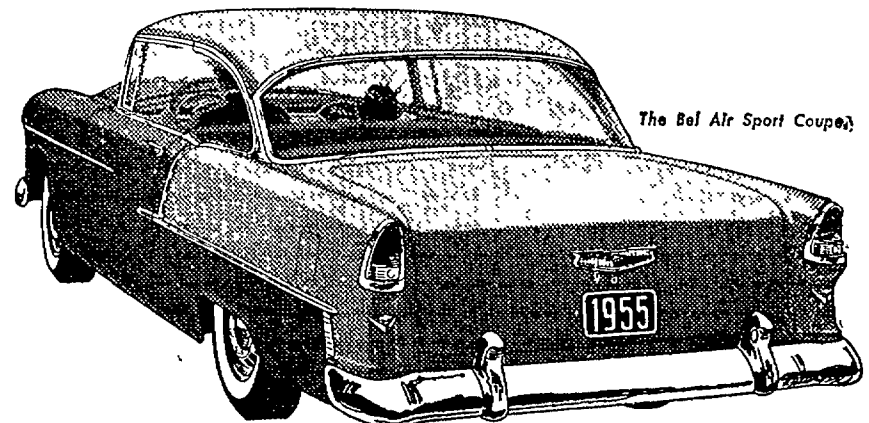

All with the style that's stealing the thunder from the high-priced cars

No matter which engine you choose, you get Chevrolet's sparkling-new body design, the smartest styling on the road. You get that commanding view through the Sweep-Sight windshield, visibility that lets you see all four fenders. You get a velvety ride you never expected from a low-priced car... a "big-car" way of going that stems from the flexing ease of Glide-Ride front suspension, the stability of outrigger rear springs. You get your pick of three modern drives, a full range of power assists... and you get all this with Chevrolet's well-known thrifty ways. Come drive a Chevrolet and discover the whole story!

Mustangs Wilted Under Fiery Blasts of Orion "Dragons"

Northville journeyed to Lake Orion Friday, Feb. 4 and lost to the Dragons 81-60 in a non-league tilt.

With Cap Pethers and Bud Bell back in the Mustang line up, the home town fans were expecting a victory. The game started with Lake Orion getting the first two points but Northville retaliated with a quick two pointer by Bell. The first quarter seesawed back and forth and when the buzzer went off the score was 14 to 12 in favor of Lake Orion.

The scoring for Orion was led by Leroy Wiley who tallied seven points for high man in the opening quarter. The scoring for the Mustangs was evenly distributed over the starting quintet with the exception of Bell with four points.

In the second quarter the roof fell in as far as the Mustangs were concerned, as the big center from Orion led the Dragons as they outscored Northville 25 to 12. Pethers tallied eight for Northville as he gave an individual effort to keep Northville in the game. The half ended 24-39 with

Northville on the short end as usual.

During the third quarter the Mustangs were outscored by seven points, although this did not indicate the true nature of the game, Northville played aggressive defense and settled down on offense.

In the fourth quarter, Northville played its best part of the game. They outscored Orion in the fourth by one point. In scoring 22 points in the final quarter, the Mustangs reached their second highest scoring output per quarter and per game for the whole season.

Leroy Wiley and Ezra McLaughlin scored 20 and 16 respectively. Cap Pethers, playing his first game since he was injured, was co-high man for Northville with Darwin Teshka. They each had 14 points.

"Throngs" of Pupils Awarded Prizes In Score Contest

The youthful participants at Paul's Sweet Shop in the contest to forecast Northville High school basketball contest scores found it tougher to figure the angles in guessing the score of Friday night's game with Lake Orion.

Consequently, the Recreation department, which finances the prizes—first place, a banana split; second, a malted milk, and third, a soda, found itself picking up a tab for only three winners in the Lake Orion encounter. This was quite a change of pace from the more numerous winners in the games with Holly and Keego Harbor. Bob Johnson, Tom Slaven and Priscilla Clark were the three winners.

Paul Polino, owner of the shop, says that the number of contestants in the competition, which is open to students, is increasing weekly. That the girls are holding their own in picking the right number of points, or the closest total to the final score is probably an understatement that ranks with that of the Southerner who called it "the little ole North American Continent."

Becky Coolman won on the Keego Harbor game, while Joe

Wooton, William E. Allen and Bonnie Walker tied for second. In the same game there was a three-way tie for third among Ray Hood, Ed Mollema and Tom Bongiovanni.

The Holly fracas was either a setup for the student experts on the care and feeding of Mustangs or they had traded their crystal balls in on shiny new, more efficient 1955 models. The crowd of ten winners for that week was not an entirely male cast either.

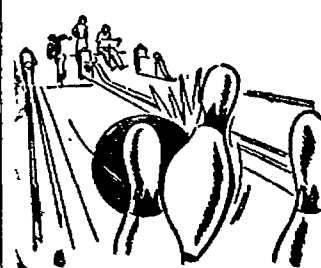

Jim Allen was in first place. Four of the "Ask-me-the-score" set were lined up in second place—Bonnie Walker, Connie Schock, Ruth Ann Burns and Jo Houser.

Another Crowd of Winners
Lonesomeness, solitude, the "I-want-to-be-alone" attitude, lone wolves, and timidity in crowds all went out the window in the scramble for third place.

Of the five winners in the group Dorothy Welch upheld the reputation of the feminine side. Others in this small army of not-so-bad but not-so-good predictors were Mac Burns, Cap Pethers, Albert Pethers and James Mosher.

In the last four games the winning group for the Brighton engagement was the only one that stands out as a "strictly stag affair."

Such masculine names as ED-DIE Beard, WALTER White and LARRY Clark were the first, second and third place winners, respectively.

No gasoline-no, not a single one- has higher octane than New 1955 GULF NO-NOX

This lamp is burning the "DIRTY-BURNING TAIL-END" of gasoline which GULF refines out

This lamp is burning NEW SUPER-REFINED GULF NO-NOX, the clean-burning super-fuel

but octane alone is not enough...

That's why new Super-Refined Gulf NO-NOX is specially made to burn clean—to protect your engine—to give you thousands of extra miles of full engine power.

Fill up with new Super-Refined Gulf NO-NOX and feel the difference, right from the start, in full engine power that lasts! You'll get:

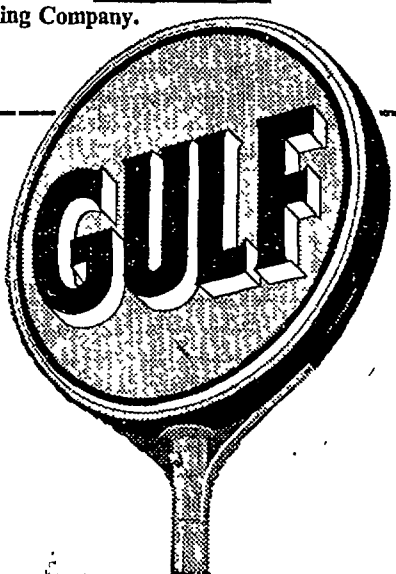

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness . . . instant starts . . . fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the

finest—in power, in performance, in engine protection.

- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Refining Company.

New 1955 GULF NO-NOX

It's super-refined...to burn clean!

The '55 gasoline for all high-compression engines

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you mile after mile.

That's why, instead of trying to fight harmful deposits with so-called "miracle additives"—inside your engine—Gulf believes in preventing them from forming in the first place; removes the cause—the "dirty-burning tail-end" of gasoline, at the refinery, to bring you new NO-NOX.

Just look at the plates in the photo above, and see what a difference Gulf super-refining makes!

Walther League to Sponsor Reunion Service Sunday

The Walther League of St. Paul's Lutheran church will sponsor a confirmation reunion service in their church Sunday evening at 7:30. All who were confirmed as children in their church, or elsewhere, and new members of the past 15 years beginning with the class of 1939 are asked to take part in a candle lighting ceremony to renew their promise of faithfulness to Christ the Light of the World.

A social gathering with refreshments will follow the services.

The whole congregation and friends are invited to the reunion services.

Atchinson Invited To Opening Day at MSC Centennial

Harry S. Atchinson, Northville, president of Michigan Farmers Guild, will be among the invited guests at Founder's Day ceremonies at Michigan State college, Feb. 12 marking the opening day of MSC's centennial year observance.

Michigan State has invited representatives of colleges and universities, learned and professional societies, alumni and business from all over the nation to help start the celebration of its 100th year.

It was on Feb. 12, 1855, that the governor of Michigan signed the legislative act establishing Michigan Agricultural college. The first such college in the nation, M.A.C.—now M.S.C.—became the model for the land-grant college system set up under the Morrill Act in 1862.

Founder's Day initiates a year-long commemoration of this significant event which changed the

course of higher education in America.

The principal event of Founder's Day will be the convocation at 3 p.m. in the college auditorium with the main address to be delivered by Dr. James B. Conant, former president of Harvard, now U.S. High Commissioner for Germany.

CARD OF THANKS

We wish to thank members of Northville Lodge F & A M No. 186, Orient Chapter No. 77, White Shrine No. 44, all our neighbors and friends and family for their acts of kindness shown our loved one. The phone calls and cards from each one during his long illness brightened his days. Also, Dr. Handorf and nurses, Casterline, and Rev. William Hughes for services rendered. Also, thanks to all who sent flowers in respect to our loved one which helped lessen our grief.

You Just Can't Buy Better Beef Anywhere Than KROGER TENDERAY BEEF

Don't be fooled! Be sure of what you buy! . . . Some stores are selling lower grades of meat and inferring that it is choice beef by not advertising the U.S. Grade along with their price! The USDA Choice seal on all Kroger Tenderay Beef is one more way of showing Kroger's high standards of quality and perfection.

You get the finest U. S. Grades of grain-fattened beef, deliciously tender and mouth-watering, every time!

The Kroger Tenderay method makes this fine beef tender naturally — without aging, without loss of fresh flavor and savory juices.

You get more meat for your money, because Kroger removes excess bone and waste before your Kroger Tenderay Beef is weighed and priced.

Katzenmeyer - Touse Rites Held in Hillsdale

A reception was held in the church parlor following the ceremony. Mrs. Myron Henry Katzenmeyer, the bride's aunt, Mrs. Hugo Friedrichs, Mrs. Windsor Hall Roberts, Mrs. H. Frazier Mattson, Sr., Mrs. William G. Williams and Mrs. Edgar C. Welch of Northville, presided at the coffee table. Winifred, Mary and Dorothy Welch of Northville served the wedding cake and ice cream. Miss Karen Katzenmeyer, the bride's cousin, was in charge of the guest book.

Guests from Northville were Mr. and Mrs. Earl Gibson, Mr. and Mrs. Robert E. Davis and family, Mr. and Mrs. William G. Williams and family, Mr. and Mrs. George Weiss and daughter, Barbara, Miss Ruth Knapp and Mr. and Mrs. Edgar Welch and family. Other guests came from Detroit, Dearborn, Plymouth, Ann Arbor, Ypsilanti, Belleville, Onsted, Adrian, Grand Rapids, Kalamazoo, St. Joseph, Jackson, Lansing and Grosse Pointe, Mich., Toledo and Akron, O.

The couple will reside at 713 W. South St., Kalamazoo, where the bridegroom will attend Western Michigan College of Education.

The First Presbyterian church of Hillsdale was the setting Saturday afternoon, Feb. 5, for the marriage of Miss Ann Katzenmeyer, daughter of Mr. and Mrs. Karl Pontius Katzenmeyer of Hillsdale, to James Bennett Touse, son of Mr. and Mrs. Gale G. Touse, also of Hillsdale.

The bride was formerly Director of Christian Education at the First Presbyterian church in Northville.

The Rev. Glenn B. Ogden performed the ceremony before an altar banked with white gladioli, palms and candelabra. Mrs. Lloyd Morningstar played the traditional wedding music and accompanied the soloist, William G. Williams of Northville, who sang "How Do I Love Thee?" by Lippe and "O Perfect Love" by Barnby.

Given in marriage by her father, the bride wore a gown of candlelight taffeta with Point d'Alencon lace trimming at the neck line. Her Juliet cap was also

fashioned from candlelight taffeta with a nylon tulle veil. The bride carried a cluster of Eucharist lilies with white hyacinth bells.

Miss Ruth Katzenmeyer of Grand Rapids was her sister's maid of honor. Mrs. Robert H. Bamford of Dearborn was the matron of honor. The attendants wore aqua crystal gowns, taffeta Juliet caps, and white kid gloves. They carried bouquets of cymbidium orchids and mimosa.

Culver Stage Bailey of Romeo, Mich., was the best man. The ushers were William Henry Katzenmeyer of Detroit, the bride's cousin, Robert Touse of Jackson, Philip Touse of Jackson, and John Robert Touse of Belleville.

For her daughter's wedding, Mrs. Katzenmeyer chose a gown of charcoal grey crepe with pink accessories. She wore a corsage of violets. Mrs. Touse also chose pink accessories for her blue shantung gown. She wore a pink camellia corsage.

Mrs. Ellison To Be Garden Club Hostess

Mrs. E. V. Ellison of W. Dunlap St. will be hostess to the Valentine party of the Northville branch of the National Farm and Garden Assn. Feb. 14. The speaker, John Miller, has chosen "The When, Why and How of Pruning" and "Dutch Elm Disease" for his topics.

Assisting Mrs. Ellison will be Mrs. Jack Burken, Mrs. Harvey Whipple, Mrs. Ralph Hay, Mrs. H. Marburger and Mrs. Parker Holden.

Each member is asked to bring a flower instead of a Valentine for exchange.

Northville is progressive. Keep up with its progress by reading the Northville Record each week.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Record's society editor, Telephone 200.)

With three growing boys, Tom 13, Billy 9, and Jimmy 7, Mrs. William F. Weidner finds it necessary but almost impossible to keep the cookie jar filled. Especially when she bakes these old fashioned molasses cookies which the two younger boys are eating—warm from the oven. Everyone remembers how good molasses cookies and a glass of milk tasted when school was out. They probably are the most satisfactory culinary discovery of all time—for hungry boys, that is.

MOLASSES COOKIES

1 cup sugar
1½ cup shortening and
¾ cup butter
2 eggs
1 cup molasses
2 teaspoons baking soda
1 teaspoon ginger
1 teaspoon cinnamon
5 cups flour
Cream sugar, shortening and butter together and add eggs. Mix well and stir in molasses.

Sift dry ingredients and add two cups of flour to the mixture. Mix well and add remaining flour.

Put small amount of the mixture on to a floured board and work extra flour in by hand until of rolling consistency. Roll, sprinkle with sugar and cut out with cookie cutter. Arrange on cookie sheet and bake 10 to 15 minutes.

The Weidners live at 627 Fairbrook.

LINCOLN

...a man of prayer

Is it true that "only weak men pray"? Surely, no one who is acquainted with the life of Abraham Lincoln will accuse him of being a weak man.

Yet he did not hesitate to write: "I have been driven to my knees many times by the conviction that I had nowhere else to go. My own wisdom and that of all about me seemed insufficient for the day."

The truth is that strong men pray. The man who has recognized his own limitations and has learned how to tap the divine reservoir for courage, strength, and wisdom is the really strong man.

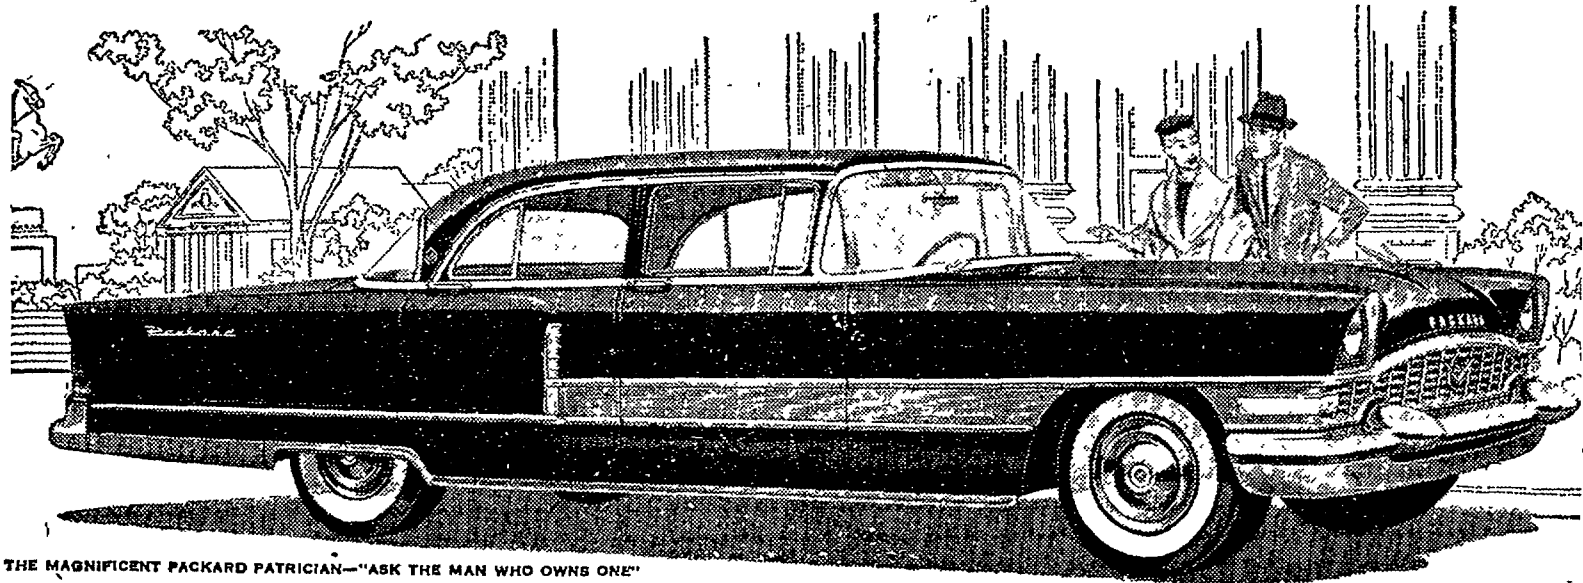

Jesus promised his believers, "Whoever ye shall ask the Father in My name, He will give it to you." The man who has come to God through faith in Christ has found a source of power beyond the comprehension of the unconverted.

It's Here! The car all America has been waiting for THE NEW PACKARD

THE MAGNIFICENT PACKARD PATRICIAN—"ASK THE MAN WHO OWNS ONE"

...with exclusive Torsion-Level Ride and the World's most powerful engine!

America's new choice in fine cars — the great new Packard—is the result of years of planning, designing and testing to build an individually distinctive automobile embodying more engineering advancements than any automotive achievement of our time. You will find it the most luxurious car in a long line of history-making Packards. The new Packard truly reflects your pride in the finest.

NEW TORSION-LEVEL RIDE automatically levels the load... smooths the road. Imagine not knowing or caring whether the road under you is rough and pitted or boulevard smooth! Incredible? Yes! And until you experience this new kind of ride, you can't begin to realize the importance of Packard's exclusive system of unitized torsion suspension that makes it possible.

Instead of using conventional coil or leaf springs to cushion the bumps, full-length torsion bars absorb road shocks automatically before they can reach you. Driving is easier, less fatiguing and much safer. And an ingenious power-controlled levelizer keeps the new Packard always on an even keel. Compare this new Packard with whichever car you think is the finest made in America today. You are invited to give both cars the same tests over the same terrain. Then decide which offers the most truly luxurious performance.

POWER-PACKED PACKARD V-8's... 260 AND 275 HORSEPOWER built by the master motor builders who pioneered the V-type engine. The most powerful engines in any production car today... 260 horsepower in the Patrician and

the Four Hundred models, 275 in the Packard Caribbean... created for the most discriminating motorists in America.

NEW TWIN-ULTRAMATIC TRANSMISSION is actually two automatic transmissions in one — puts a choice of starts at your finger-tips... lightning getaway... ultra smoothness for traffic.

ADVANCED GRACEFUL STYLING of this new Packard is the most distinctive of all motor cars. Long low lines... massive grille... gracefully tailored rear deck... every detail of design bespeaks Packard distinction and good taste. Interiors are breath-taking... reflect the decorator-smart fashions of today's finest homes. We invite you to come in for a Test Ride in this new kind of fine car.

Now...more than ever before...nothing on earth rides like a Packard

We invite you to come in today... LET THE RIDE DECIDE

Services Held for Mrs. Ralph Willis

Norma M. Willis died Saturday at Beyer Memorial hospital in Ypsilanti at the age of 68. Mrs. Willis was born Sept. 10, 1885, in Ludington, Mich. Her parents were John and Dora Mathews. When she was six months old, her parents moved to Northville and she lived here all her life.

She is survived by her husband, Ralph, 131 N. Wing St., and one daughter, Mrs. Alfred Parmenter, of Thayer Blvd. There are two granddaughters, Sandra and Pamela, also surviving.

Funeral services were held Tuesday from the Casterline Funeral home. Reader D. Victor Grieshammer of Eighth Church, Scientist, Detroit, officiated. Burial was in Rural Hill cemetery.

Mary Allen Predmore Dies at Age of 94

Mary Allen Predmore died Feb. 3 at her home, 122 Church St., where she had lived for 65 years. She was born in Leonia, Mich., Jackson county, in 1860 and would have been 95 April 29. Her parents were Henry and Roxanna Allen.

She is survived by her only daughter, Mrs. Maude Harmon, who had lived with her for the past 20 years; a nephew, Glenn Charter of Plymouth; two granddaughters, Mrs. Shirley Beam of Redford and Mrs. Francis Kennedy of Buffalo, N.Y. There are five great-grandchildren and three great-great-grandchildren.

Funeral services were held Saturday at 3:30 at the Casterline Funeral home with Rev. Peter Nieuwkoop officiating. Burial was in Rural Hill cemetery.

Mrs. Predmore was the oldest living member of the First Methodist church of Northville.

Chester Arthur Buried Saturday

Funeral services were held at 1 o'clock Saturday at the Casterline Funeral home for Chester Abram Arthur who died Feb. 1 at Beyer Memorial hospital in Ypsilanti.

He was 73 years of age and was born Dec. 11, 1881 in Lyon township, the son of George and Ellen Arthur. Surviving are his wife, Maud, 4888 1/2 W. Seven Mile Rd.; two daughters, Mrs. Helen Luttrell, Cheboygan, and Mrs. Eileen Hizer, Tecumseh. He was a stepfather to Mrs. Genevieve Ely of Dania, Fla., Harold Parmenter,

Mrs. Vivian Junod and Mrs. Dorothy Farrell of Northville. A niece, Helen Arthur of Detroit, also survives.

Rev. William Hughes officiated and burial was at Riverside cemetery in Plymouth.

Arthur was a member of Lodge 186, F & A M, Eastern Star Orient Chapter No. 77 and Trinity Shrine No. 44. He was employed at the Warren Products Co., and had lived in Northville for the past 12 years.

There are ten grandchildren and four great-grandchildren.

Pallbearers were Ivan Dickerson, Frank Martin, Russell Bickley, Arthur Buckbery, Frank Henderson and Norman Pattison. Masonic services were conducted by Northville Lodge F & A M.

MRS. IDA M. PUTNAM, only sister of Mrs. Chester Arthur, died in Mason, Mich. Feb. 1, a half hour before the death of Chester Arthur. Mrs. Putnam, who was 75 years of age, was a frequent visitor in Northville.

Mrs. Arthur, Mrs. Dorothy Farrell and Harold Parmenter attended the funeral Friday. Burial was in Williamston, Mich.

Northville Teachers Hear President of State Group

Miss Ellen Solomonson, president of the Michigan Education Assn., addressed a recent meeting of the association's Northville chapter. She is a classroom teacher on leave from the Sault Ste. Marie schools.

Miss Solomonson discussed state equalized valuation, improved assessments, state school aid, social security, retirement, and welfare of pupils and teachers.

The speaker was introduced by Miss Margaret Sours, vice-president and program chairman. Leslie Lee is president of the local chapter of the Michigan Education Assn.

Cecil Elmore, Wayne county field representative of the MEA, also participated in this meeting. Refreshments were served by the hospitality committee, headed by Miss Ruth Knapp.

The keynote speaker at the February meeting will be C. P. Titus, superintendent of schools in Nankin township. He will discuss social security and retirement. Mrs. Martha Egge is chairman of arrangements for the 6 o'clock dinner which will be served to the faculty by Papin's Catering service preceding this meeting.

How far are we from Atoms for Peace?

Here's an up-to-the-minute progress report:

Just what is the potential of Atoms for Peace?

Well, a three-pound rod of uranium, no larger than a small flashlight, offers a power-potential equivalent to 60 carloads (4,000 tons) of coal. Of course, it takes a great deal of special equipment to produce and deliver this power. But three pounds of uranium can furnish, for a period of eight hours, enough electric power for all of the three-and-a-half millions of people—all of the homes, stores, farms and factories—served by Detroit Edison in Southeastern Michigan.

heat exchangers and other devices for handling liquid metals at extremely high temperatures. As the simplified diagram below shows, the problem is to bring heat energy from a reactor, or atomic furnace, to the turbine generator. Enough equipment will be installed to test the liquid metal section of the plant.

• As another key part of this program, the Associates authorized development of a special boiler, or steam generator, to operate under nuclear heat conditions.

• To accomplish these major advances in their long-range program, the Associates will spend \$3,815,000 in 1955, and all are sharing the costs.

The project is a striking example of the effectiveness of industrial teamwork in doing things that have never been done before on this scale.

Member companies of the Atomic Power Development Associates hasten results by pooling the special talents of their personnel. Company-owned research and development facilities also have been made available.

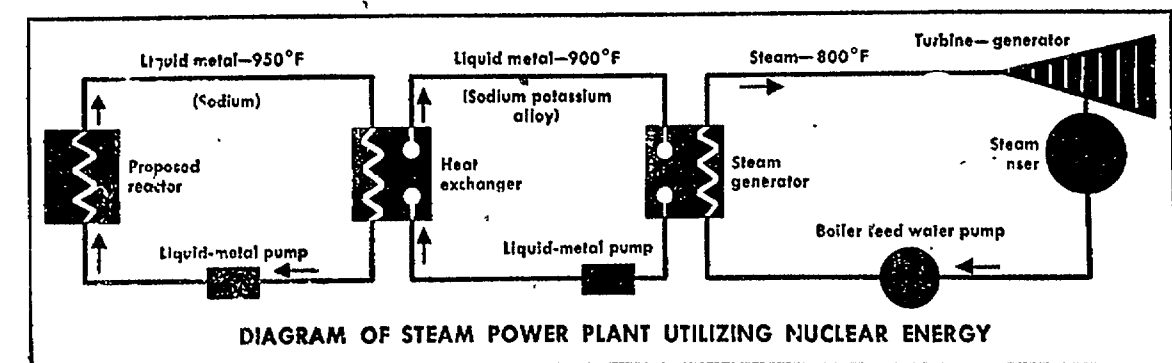

All 33 Associates share the same kind of vision—the vision of a better world.

Several years of work still lie ahead, yet, thanks to this kind of cooperation, hope for atomic energy for peace is a dream that can come true in our time!

LAST WEEK, in Detroit, representatives of the 33 member companies of the Atomic Power Development Associates announced their research and development program for 1955.

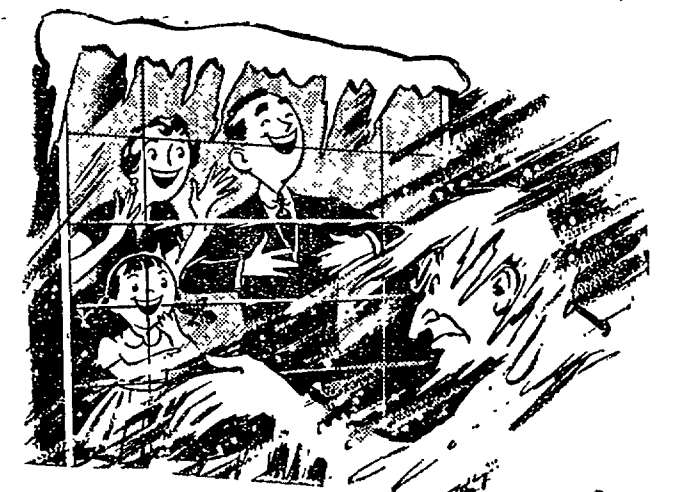

The submarine U.S.S. Nautilus has recently demonstrated that atomic electric power can be produced. Commercially, however, the cost is too high. The resources of the Associates, therefore, are mobilized to discover an economically practical way to harness uranium, a source of energy that can benefit mankind for thousands of years. These 1955 plans are important forward steps toward the goal of using atomic energy to produce electric power.

• Major target in the 1955 program is to build a whole new system of pumps, piping,

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

by Gene Alleman

MICHIGAN'S 1955 Legislature is getting off to one of the roughest starts in years, beset by the ghosts of old issues and the birth of new problems.

Taxpayers and the cost of government combine the ingredients of the biggest issue: Money.

The state ended the fiscal year with a \$3,000,000 surplus in the treasury, not counting the deficiencies of overspent public agencies. The road ahead will be rocky.

Gov. Williams checked in with a budget which forecasts a \$46,000,000 deficit next year unless another source of revenue can be tapped.

Then comes the rest of his program, a multimillion dollar bit

for education on all levels, a highway bond issue to cost initially \$500 million; expansions of services elsewhere.

"The big problem, which nobody has discussed yet is where to get the money for these things," said Senator Creighton R. Coleman (R-Battle Creek).

Tax plans are popping up in every corner of the legislature.

Some legislators favor a new batch of "nuisance taxes," on motels, hotel rooms, soft drinks and other goods and services. Williams would like to have his corporation profits tax.

Nobody doubts that the controversial Business Activities Tax will be extended beyond its March 15 expiration date. Both

Democrats and Republicans want to avoid another direct assault on consumers.

Senator Carlton H. Morris (R-Kalamazoo), new tax committee chairman in the Senate, said:

"Whatever kind of tax is enacted, we all know that in some way the consumer is going to have to pay it. It's a question whether we can afford these expansions at this time."

HIGHWAY SPEED LIMITS will be an issue again, with State Police Commissioner Joseph A. Childs for the first time in support of a ceiling.

The bills came pouring in for a 65 mile an hour daytime limit and 55 at night.

Childs cites surveys showing that motorists cannot stop in the distance covered by their headlights at night of they are traveling over 55.

"The increase in the number of accidents in which drivers lose control of their cars is another indication that speed kills and that

a limit is necessary if it cannot be self-imposed."

PROSPERITY CONTINUES in Michigan.

Banking Commissioner Maurice C. Eveland said that the 1954 total resources of state banks reached \$3,757,000,000 during the first peacetime boom, a gain of \$137 million.

Nearly half the deposits in state banks are in time and savings accounts with the thriftiness of Michigan's citizens being characterized by an increase of nearly \$86,000,000 in savings deposits.

"The record should be gratifying to every citizen, showing a healthy economic situation highlighted by a substantial gain in savings deposits," Eveland said.

SOCIAL LEGISLATION will get a big play in the 1955 session.

Democrats have recruited Republican co-sponsors for the oft-tried and oft-defeated Fair Employment practices Commission bill and the usual liberalizations in workmen's benefits have been proposed.

a union—a facet of discrimination Republicans feel is as important as FEPC.

Senator Philip Rahoi (D-Iron Mountain) introduced a bill to extend the 26-week coverage of unemployment compensation to 52 weeks, a broad hint at the guaranteed annual wage.

"That one will never even get out of committee," said one Republican member of the Senate health and welfare committee.

Other bills call for unlimited benefits for disabled workers, medical care as long as necessary beyond the present ceiling of 18 months, and lifetime assistance if permanently disabled.

The CIO is after further liberalizations of the unemployment and workmen's compensation laws and Republicans indicate they may go along—but not all the way.

Yerkes Elected Head of Lumber Dealers

Donald P. Yerkes, Jr., head of the Northville Milling & Lumber Co., was elected president of the Michigan Retail Lumber Dealers Assn. at the annual convention in Grand Rapids last week.

Yerkes has spent his entire business life in the lumber field, having become head of the firm upon the retirement of his father several years ago. He is a director of the Depositors State bank.

Scout Dillenbeck Awarded Honor By Catholic Church

Max Dillenbeck, son of Mr. and Mrs. Max Dillenbeck, 334 Plymouth Ave., was among the 210 Boy Scouts in the Catholic Archdiocese of Detroit to receive the Ad Altare Dei award, from Auxiliary Bishop Henry E. Donnelly at Blessed Sacrament Cathedral in Detroit Sunday. The Rev. Fr. Anthony J. Heraty, pastor of Our Lady of Victory church, is chaplain for Catholic Scouts here.

Max, the first Northville Catholic Scout to receive the honor is

pen in the future," it is felt that establishment of treatment will not only increase the chance for most of these children to have a productive and useful life, but will also help save a great deal of money for the state in cutting down the future costs of their care.

The center is on Haggerty Rd. between Seven and Eight Mile roads, about 1 1/2 miles from the entrance to the Northville State hospital. Use of utility and other services of the state hospital mean, according to the state department of health, "a very substantial savings in original capital costs and in operating expenditures."

troop advisor. He is a former student of Our Lady of Victory school here. Max is now working on his life scout rating. Sunday was Max's 16th birthday.

About 1,200 Scouts, officials and friends attended the ceremony, representing 55 parishes, the biggest number that has ever qualified for Catholic Scouting's highest honor.

At present there are more than 8,000 boys enrolled in scout troops, explorer posts and cub packs under the auspices of the archdiocese, plus 2,300 adult leaders. This is an all-time high. The number of participants has been increasing steadily for the past year.

CHRISTIANITY & TOLERANCE

The Christian faith teaches us to be tolerant. Real Christianity does not conquer by the sword. It leaves the matter of surrender to Christ to the individual for voluntary decision.

He may accept or reject God's gracious offer to be rescued from the penalty of his sins, and it follows naturally that he must reap the results of that choice. However, Christianity in another respect is perhaps the most intolerant of all the other faiths. It teaches us that there is only one Saviour and the only person through which eternal life may be obtained. John 14:6 Jesus said, I am the Way, the Truth, the Life; NO MAN COMETH UNTO THE FATHER BUT BY ME. Again in Acts 4:12, "Neither is there Salvation in any other for there is none other name under heaven given among men, whereby we must be saved." Jesus Christ admits no other competitor. There is no room in the Christian faith for Christ and an idol. Nor does true Christianity recognize more than one way of salvation. The Apostle Paul made that clear when he said, "But though we, or an angel from heaven, preach any other Gospel unto you than that which we have preached unto you, let him be accursed." (Gal. 1:8)
