Center St. Paving Projects Start In Spring; Cost \$15,350

Work will start this spring on paving S. Center St. from Cady to Edward Hines Dr. and on resurfacing N. Center St. from Dunlap to Baseline Rd.

This good news came to light at the special meeting of the Northville Village Commission Monday night when President Claude N. Ely disclosed the result of recent negotiations with the Wayne County Road Commission. As a county road, Center St. is maintained by Wayne county, with the Village sharing part of the expense.

\$300 Offered for Lot

Also disclosed at the Commission meeting was a cash offer of \$300 by Dr. Heinrich H. Handorf for the vacant lot across from the old Northville spring, bounded by Plymouth Ave., Park Place and Cady St. Dr. Handorf previously informed the Commission by letter of his intention to erect a professional building on the property.

Although the proposal was discussed at some length, the Commission did not take action directly on the Handorf offer. Instead, it voted to advertise the property for lease for a period of 30 years, with an option to renew for a like period. The advertisement, which appears in this issue of the Record, specifies that the lessee must erect a building costing not less than \$15,000 on the property within one year. This proviso was in the offer which Dr. Handorf made to the Commission.

Village Attorney Philip Ogilvie was instructed to make certain revisions and corrections to the dog ordinance which the Commission had intended to vote on Monday evening, and supply each commissioner with a copy prior to the Commission's next regular meeting Monday, Feb. 21. If the revisions are satisfactory the Commission will probably adopt the ordinance then.

Save Money on Paving

The S. Center paving project will cost the Village \$13,000, with the county standing the balance of the cost, which is much greater. When the matter was first taken up with the county two years ago, the Village's share would have been \$28,781. The much lower figure now results from a change in the county's formula for splitting the cost of paving county roads running through villages and cities. The old formula provided for an equal division of the entire cost of such roads between the municipality and the county. The new formula (Continued on Page 8)

Clarification

The Record sincerely regrets the apparent misinterpretation of several statements which appeared in last week's story on the Yerkas Subdivision. Novi was stated as being "... Not in Favor." Novi is in favor of the project and is only opposed to the plans for annexation to Northville. It was also stated that "... if Northville becomes a city in the spring election, annexation would sever the property from Novi Township entirely."

This is true. However, such annexation, even if Northville becomes a city must still be voted upon by the people concerned. For further information on Novi Township's attitude toward the new subdivision, read "Your Supervisor Reports" on Page 3.

Petitions For Vote On City Charter Ready Next Week

Petitions for a special election to vote on incorporating Northville as a city will be circulated next week, Philip Ogilvie, village attorney, stated Wednesday.

The proposal which the petitions will place on the ballot calls for incorporating as a city only the area inside the present Village boundaries.

The city proposal which was turned down by the voters two years ago by a vote of 527 to 452 would have annexed considerable land outside the Village.

100 Signatures Needed

A minimum of 100 signatures of property owners who are qualified electors residing in the village are required to bring the proposal before the voters.

Members of the incorporation committee, which will distribute the petitions, are Thomas Carrington, Stuart Thomson, Lynn Sullivan, all co-chairmen; Charles Bahrmler, Mrs. Arthur Carlson, Levi Eaton, Cyril Frid, Mrs. Martha Milne, Edward Mollerma, John Canterbury, Mrs. James Green and Leland Smith.

New Zoning Law Passed By Northville Township Board

The new zoning ordinance for Northville township was passed by the township board Tuesday. It will come effective in about 30 days. In preparation for four years the ordinance was before the board for passage Feb. 1.

It was decided at that time to allow additional time for possible objections. Several persons attended last night's session and asked questions. There was no opposition offered, however.

The ordinance was designed to protect not only present property owners, but to provide a framework within which the township can grow soundly in future years.

Members of the zoning committee are Robert Shafer, chairman; J. Ralph Gibson, John Miller and Harold D. Putnam. W. C. Johnson of Waring and Johnson, planning consultants, acted in an advisory capacity to the group.

The Township Board also approved the subdivision plans of Frank Whipple covering an area on the north side of Main St. west of the village. The plans had previously been approved by the Township Zoning board.

The next step is to submit them to Wayne county authorities for their approval and to be recorded in county records.

New Scout Troop Invested At Methodist Church

Highlight of Boy Scout Week was the Tenderfoot investiture service at the First Methodist church Feb. 6 at 11 o'clock. District Executive of the Boy Scouts of America Arthur E. Henry presented the troop charter for Troop No. 731 to Rev. Ivan E. Hodgson.

Philip Ogilvie, local representative installed the scoutmaster, Ralph W. Gallagher; assistant scoutmaster, Richard Nash; institutional representative, Robert W. Dearing; committee chairman, Clyde Ferguson, and committee members, Joseph DeJohn, outdoor activities; W. E. McCarthy, explorer advisor; Charles Strautz, chairman of membership; Donald E. Robinson, chairman of advancement, and C. F. Logeman, secretary-treasurer.

The newly installed scoutmaster, Ralph Gallagher, conducted the investiture service for Douglas DeJohn, William Gallagher, Stephen Juday, David Nash, Frederick Strautz, James McCarthy, Eugene Willnow, Robert Burton, Donald Busch, Dennis Riley, Ross Hahn, Dennis Cooper and Mike Meyers. Mr. Henry spoke on "My God and My Country".

High School Pupils Subject for Panel On Vocations

A panel discussion on "Vocational and Educational Counseling", designed for special appeal to parents of students in the upper grades and high school students, will feature a meeting of the Parent-Teacher Assn. at the Community building Thursday, Feb. 24 at 8 p.m. High school students are invited to attend.

This type of counseling is considered highly in efforts to aid youth in the solution of its problems, according to educators and PTA leaders.

The panel will cover the most desirable attitudes among both employers and students. It will be composed of A. Russell Clarke, president of Depositors State Bank; Jack Patterson, personnel department, Northville State hospital; Miss Katherine Giltner, high school faculty, and Dr. Russell Atchison, with Robert Hart, PTA vice-president as moderator.

Another panel along similar lines is being planned for Mar. 24.

Add Evening Hours To License Sales

With the March 1 deadline for license plates drawing close, approximately one-half of the village and township drivers have not purchased 1955 plates, according to John Litsenberger, in charge of plate distribution here.

About 800 passenger car tags have been sold locally, since Litsenberger took over the position Jan. 13, using his Shell service station at 340 N. Center St. as headquarters.

About 10 percent of the fees for trucks have been paid. Owners of commercial carriers usually wait until the last few days before the old plates become illegal, he stated.

From Feb. 21 through 28, Litsenberger said that hours for license plate sales will be extended to include evenings until 9 p.m., except Saturday when the office will be closed at 5. The tags are not available on Sunday.

4,000 Cancer Pads Sewed By Women

The volunteer efforts of women resulted in the dispensing of 4,000 finished cancer pads here last year, according to Mrs. Gladys Clark, chairman. Pads for sewing are available at her home, Mrs. Carpenter said. She requests that persons ask for them in the afternoon or evening. Mrs. Clark will be glad to enlist volunteers in the forthcoming Crusade for Cancer, she added.

Spectators Show Feelings As Milford Conquers Northville By 28 to 21 Score

Feelings ran high among spectators representing both teams at Friday night's basketball game here between Northville and Milford. Milford won 38-21.

Northville athletic officials point out that they had a strategy to win which they were emphasizing, but that it did not work out. While Milford has been criticized by other teams in the Wayne-Oakland county league for amassing a large number of points against weaker teams, it was prevented from doing the same against the Mustangs. The methods of the two teams resulted in considerable time in which there was no action—the local quintet trying to bring Milford out on the floor, while the visitors were relying on their highly successful defense of tall players grouping and holding their arms outstretched for a barrier.

Spring Water Use Studied for Water Source

Commissioners John F. Stubenvoll and A. Malcolm Allen held an initial meeting last week with representatives of the Silver Spring Water Co., Detroit, to discuss purchase by the Village of the company's property for use as a supplementary water supply.

The meeting was prompted by the recent report of an independent engineering firm that the Village might exhaust its water supply to fight a large fire at the end of three hours. The report suggested that this hazard could be minimized by drilling a new well.

Location of Property

The property under consideration is a two acre tract just east of the C & O tracks at Railroad Ave. On it is located the big natural spring from which water has been taken to be bottled and sold in Detroit for many years. It was the idea of the Village Commission that if this property could be acquired on any reasonable basis, a large well might be put down at some distance from the present spring, but still tap the same water vein from which the spring rises. Stubenvoll and Allen were appointed by Village President Claude N. Ely to investigate the situation.

Still Bottle Water

Representing the Silver Springs Water Co. were Paul M. McKenney, president, and H. E. Manley, general manager. The Detroiters now bottle some of the water for distribution under the trade name "Silver Springs" in a building on the property. After a report to the next regular meeting of the commission, Feb. 21, Stubenvoll and Allen expect to meet again with McKenney and Manley.

The latter were prevented from taking a more definite stand at the first meeting by two main factors, one of which developed as a result of the proposal. That was whether pumping the flowing water by the village and continuance of its use for bottling purposes would change its condition. (Continued on Page 8)

Tax Payments At Bank End Friday, Feb. 25

Township Treasurer Roy M. Terrill states that Friday, Feb. 25 will be the last day he will be at Depositors State Bank for the collection of Northville township taxes. The final day for payment, without incurring penalty, is Feb. 28.

Tax payments as of last Saturday had reached a total of \$170,335, he said. This represents 81 percent of the entire levy for this township.

Bargain Days Are Here Again; Merchants Invite Public To 3-Day Sales Event

Northville merchants are going all out for three days this week—Thursday, Friday and Saturday—in offering outstanding bargains.

More than that, they are offering four valuable prizes. You don't have to buy anything—even if you can resist the high values at lower prices on local merchants' shelves these three days.

You don't have to be present at the drawing for the prizes. Just clip the coupon in the upper left-hand corner of the page. Write your name and address on it; then deposit it at any of the stores advertising in this issue. It gives you a chance to win any one of four, valuable, nationally-advertised gifts:

- 1—Nesco electric roaster, valued at \$25.95
- 2—Alladin Magic Touch lamp, valued at \$39.50
- 3—Sunbeam electric frying pan, valued at \$24.95
- 4—General Electric electric toaster, valued at \$19.95

The drawing will be made at Depositors State Bank Monday, Feb. 21. Winners will be notified by mail immediately. The names also will be posted in the Record window and will appear in next week's issue of the Record.

Gaffield Warns Against Imposter

An unauthorized person, purporting to represent the Gaffield studio, 659 W. Ann Arbor Trail, has been attempting to make telephone appointments for photographs in homes, according to John Gaffield, owner.

Gaffield states that his firm does not take photos outside his studio. The Gaffield studio was broken into last Tuesday night.

Girl Scout Card Party Tonight

The Girl Scout card party, to be held tonight in the Community building at 8 p.m., promises to be a success due again to the work by the various committees, Girl Scout leaders, Brownies and the cooperation of the local merchants.

Many cakes have been solicited for the party and following the refreshments, cakes will be sold.

Lodges OK Drive for Building At Youth Camp

The Novi Rebekahs and Odd Fellows have voted to do their part in raising money to help build the new dining hall at the Boys and Girls camp at Big Star lake.

The "Buck a Block" campaign has, during the past two years, raised about 50 per cent of the funds needed for construction of the dining hall.

Novi lodges will donate \$1.00 per member to help with the project so that the boys' and girls' camp can open on schedule in June.

Plans Completed for Blue Star Party

Twelve Blue Star Mothers of the Novi chapter met at the home of Mrs. John Klesner Monday evening.

Final plans for the card party Friday evening, Feb. 18 at the Novi Community building were completed. Door prizes and table prizes will be given and sandwiches, cake and coffee served. Tickets are \$1.00.

Your Supervisor Reports

by Frazer Staman

Considerable confusion has arisen lately with regard to Novi Township's attitude toward the proposed residential development of the 80-acre Yerkes property on Eight Mile Rd.

The township board is definitely in favor of the subdivision. The board is opposed, however, to the annexation of the property by Northville. We believe the proposed development would be an asset to the area. We believe the plans as outlined by the builders have much merit.

But we also believe that it is our job as elected township officials to govern and build the township, not give it away.

Besides, do we have the moral authority to give something away that belongs to the people?

During recent years, all our efforts have been directed toward giving Novi Township residents more and better service. The township hall was built, a full-time police department was organized, and fire fighting equipment was purchased. Why are we building up our community in this manner if we are eventually going to give it all away?

In recent years, elections were held concerning annexation by Walled Lake to our north and Northville to our south. The voters, in both cases, went on record against such annexation.

In the face of these recent votes, there seems little doubt as to where our duty as elected officials lies. Somewhere we must take a stand. We choose to take it here. Any proposed annexation of portions of Novi township should be decided by the residents themselves—by a vote.

If Northville becomes a city in

the coming election, the residents of the new subdivision could then petition for annexation if they wished. A special election would then be held with the residents of the City of Northville and Novi township casting ballots. A separate election would be held for residents in the proposed area of annexation. Majority voters would be required in each case before annexation could take place.

If the people and merchants of Northville really want this new subdivision, the question of water and sewer facilities for the Yerkes property could easily be solved. The builders say their only reason for requesting annexation is their need for Northville's water and sewer facilities.

In most cases where an outside area joins up with city water and sewer facilities, a special assessment is levied on the residents of the area to pay for the new facilities.

ties. In this case, however, the builders agree to install the facilities complete to the southern edge of the subdivision and include them in the purchase price of the houses.

At the recent Novi township board meeting, the fact was disclosed that the city of Detroit furnishes similar facilities to many areas in southern Oakland county. Further inquiry also disclosed that certain areas of Northville township outside the Northville village limits are now using the village water supply.

In nearby Plymouth, a similar situation exists where the city furnishes facilities to surrounding areas. In such cases as this, outside territories are often served on a double rate basis, the residents in the outside areas paying this extra charge to offset the increased cost of service to their area.

As for a solution to the annexation problem, that too is possible. Let the people decide—vote.

Honor Wm. Mairs On 80th Birthday February 13th

Open house honoring William Mairs on his 80th birthday was held at the Oddfellow hall Feb. 13.

Over 100 guests from Detroit, Pontiac, Ypsilanti, Kalamazoo, Wayne, Commerce, Oxbow Lake, Northville, Farmington, Walled Lake, Port Huron and Novi were present.

Mrs. Frank Shotwell of Oxbow Lake and Phyllis Crance of Walled Lake, nieces of Mr. Mairs, served at the refreshment table which was decorated with a birthday cake. The head table was decorated with red carnations and white candles in crystal candelabra.

Among the many gifts received

ed by Mairs was a platform rocker and a lamp from the Rebekahs and Oddfellows and friends.

The party was sponsored jointly by Mr. and Mrs. George Mairs and Novi Oddfellows and Rebekah lodge. George Mairs is the only son of Mr. and Mrs. William Mairs. He lives next door to his parents at 43034 Grand River.

A feature of the program was the reading of a book, "This Is Your Life" prepared by Mr. and Mrs. George Mairs and read by Lodge Brother George Atkinson, who was master of ceremonies for the occasion. During the reading of the high lights of Mairs' life, several people associated with Mairs in his social community and business life gave appropriate remarks.

Visited South America

During the program talks were given by George Klein of Detroit, Deputy Grand Master of Michigan Oddfellows; Thomas Pugsley, also of Detroit, Grand Guardian of Michigan, and Glen Hammel of Kalamazoo, Past Grand Master of Michigan.

Rev. Charles G. Morse of Ypsilanti, gave the invocation and closing of the program. Several letters were read from old friends not able to be present.

Mairs worked for the Port Huron Engine and Threshing Co. in his early life and made two trips to Argentina, South America, for that company, setting up and operating their machinery.

Bake Sale Dance Planned By AmVets

The Perry Kenner post and its auxiliary held a joint meeting at the home of Charles Trickey, Jr. Feb. 9. Financial and membership reports were given from both groups.

Plans were made for a joint bake sale in March with the place to be decided later. Final plans were made for the dance Feb. 19 at the post home, the auxiliary to handle the checkroom and sell coffee and sandwiches upstairs. Discussion of the spaghetti supper on the 26th was held and work committees were planned. Every member has tickets available to the public at \$1.25 for adults and 50 cents for children.

Faculty To Host School Mothers

The Novi School Mothers' club will hold its regular monthly business and social meeting Monday, Feb. 21. The Novi faculty will be hostesses for the evening.

The program will include Mr. and Mrs. G. B. Feighner of Royal Oak who will show slides of their tour last summer through England, Scotland and France. Music will be furnished by Suzanne Wilcox and Connie Milbourne of Roosevelt High school of Ypsilanti.

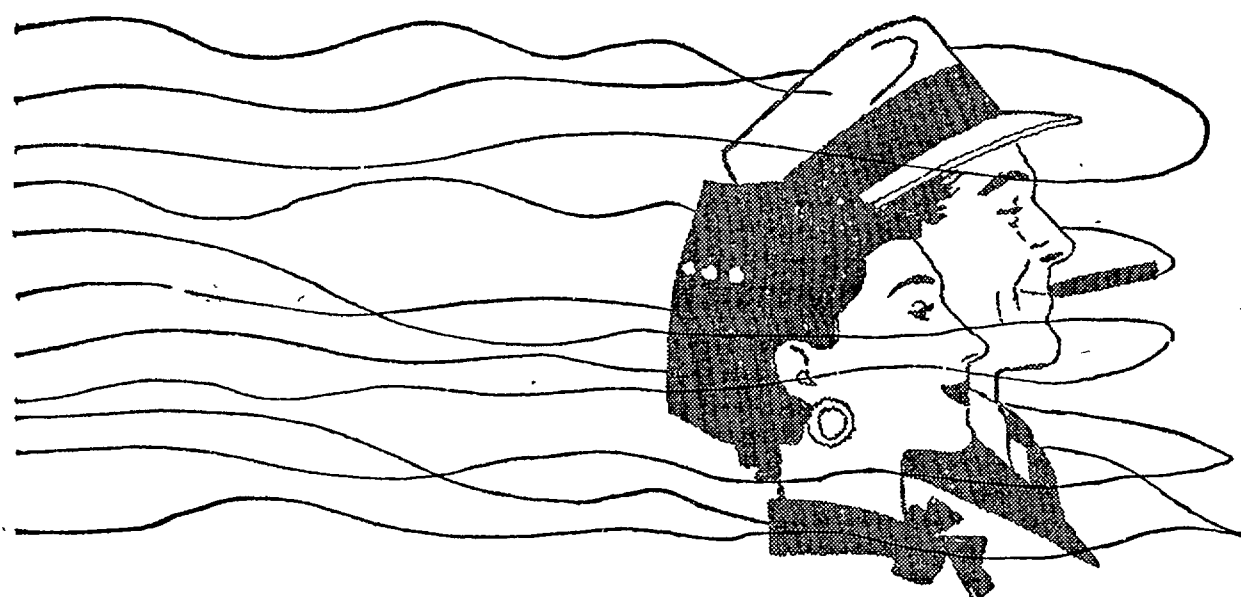

They will give two vocal duet numbers. Mrs. Sharpe and Mrs. Boyd will play a piano duet.

erating their machinery.

On the second trip to South America he was accompanied by his bride, the former Susie Davidson, whom he married Sept. 26, 1906.

He later operated a threshing outfit in partnership with Eugene Coe of Walled Lake. At that time he lived at Walled Lake. This partnership was later dissolved and he bought a complete threshing outfit of his own. The family moved to Novi in 1915 where he operated the threshing business for several years.

After the threshing business became slack he started a lawn mower repair shop in a building next to his home where he does a thriving business.

115 Couples Attend Novi Board of Commerce Dance

A record crowd of 115 couples attended the sixth annual Ladies' Night of the Novi board of commerce last Saturday evening in the Community building.

Valentine's day was the theme of the decorations and home style ham and turkey dinners were served amid surroundings of hearts and red and white table cloths. The dinners were served by Carter's Rosewood restaurant.

Speeches were held to a minimum and the dinner was followed by a floor show arranged by Ben Tinkham's Novi Inn.

Just as the floor show got under way, a call came through for members of the volunteer fire department who were attending the banquet. The Bob Johnson house at 46735 Twelve Mile Rd. was reported on fire.

An overheated chimney was found to be the cause of the fire, which was immediately brought under control. The firefighters then returned to watch the remainder of the floor show.

Modern and square dancing followed until 1 a.m. to the music of Harold Grimoldby and his five-piece dance band. Cakes and ham sandwiches were served following the dancing.

Pins Presented To Cubs, Adults At Banquet

A large crowd was present for the Cub Scout Blue and Gold banquet Friday. The theme for the year has been "Railroads". The centerpieces were miniature trains and miniature trains were given to each family containing a plant.

Invocation was given by Rev. J. A. O'Neil, also the benediction. Welcome was given by Cubmaster Kolk, who also presented year pins to the Cubs. One year pins went to Russell Stevenson, Bill Erwin, Jeff Crawford and Philip Simenton. Two year pins went to Larry Snow, Jim Nicolow, Jim Frisbie, Bill Gregory, Bobby Taylor, Kenny Hayes, Dennis Paquette, Butch Rice and Bill Adams. Three year pins to Jackie Kolk, Ronnie Earle, Gregord Lar-

son and Harry Scheniman. Presentation of pins to adults was given by Mrs. Callan. One year pins to Philip Simenton and Dorothy Paquette. Two year pins to Ray Kolk. Three year pin to Jack Eby. Four year pin to Ardena Leavenworth. Five year pins to Carl Leavenworth, Charles Verhaag, Glenn Schenimann, Russell Taylor and Mary Louise Taylor.

All dens put on skits and the closing ceremony was conducted by Assistant Cubmaster Simenton.

Marilyn Miller, Secretary. Regular meeting of the Intermediate Troop No. 491 opening with the Girl Scout promise was held Feb. 9 at Novi school. Treats were brought by the leaders and a heart-shaped cake was sent by Mrs. Pounders for the girls. They had two plays, "Three Little Pigs"

and "Goldie Locks". Discussion of cookie sale was held and they closed with the Girl Scout circle. Intermediate Troop No. 490 met at Novi school. The girls are working on a project in clay and had their first experience in kneading clay into objects.

Brownie Troop No. 493 met in Novi school. The girls continued to work on their dramatization of the Brownie story. Lois Gattrell and Dawn McCollum brought treats.

Brownie Troop No. 492 met in the basement of Novi school. The girls made Valentine bookmark cards for their mothers. The lead-

ers furnished cake and candy for their Valentine party.

Brownie Troop No. 602 met in the first grade room at Novi school. They made Valentine hats and had special treats and Valentines from the leaders. They also started a gift for their mothers. They closed by singing songs.

Thompsons Lose Two Dogs In Fire

Two dogs were burned to death and 22 others were saved in a fire that completely destroyed one of the buildings at Thompson's Bird Dog kennels, 48200 W. Twelve Mile Rd. Monday morning.

An overheated stove pipe was believed to be the cause of the

ing about 40 other dogs. Their daughter, Mrs. Joanna Tester, was in charge of the kennels.

The center section of the kennels was completely destroyed by the time Novi firefighters arrived. Chief Glenn Salow, Jr. and Asst. Chief Fred Lyons immediately summoned aid from the nearby Commerce Township Fire Dept.

A southerly wind assisted the firemen in their efforts to keep

fire, according to members of the Novi Township fire department, who fought the blaze.

The fire was first discovered about 10:30 Monday morning by Paul W. Patterson of Flint, who had stopped by on business. Patterson noticed, upon approaching the residence, that the kennels about 250 feet to the rear of the house were in flames. He immediately called the Novi fire department.

The owners of the kennels, John J. Thompson, and his wife were in Albany, Ga. at the time, train-

ing the fire away from the remaining buildings, and the fire was soon brought under control, despite near zero weather.

An English pointer and a setter were the only dogs killed in the fire. The remaining 22 dogs were rescued, according to Mrs. Tester.

The Thompsons take most of their dogs south to Georgia each winter for several months training in bird hunting. At present they have 40 dogs on their southern trip. They are expected to return immediately.

Week end guests of Mr. and George Fisher of Beck Rd. were the former's brother-in-law and sister, Mr. and Mrs. Carl Uldgren and daughter, Adeline, and his brother, Efron Fisher.

On Monday, Mr. and Mrs. George Fisher and his visiting relatives attended funeral services for Mr. Fisher's brother-in-law, Fred Foster, at Schrader Fu-

ing ice cream and cake to his classmates at school in the afternoon.

Judy Ritter of the fifth grade celebrated her 11th birthday Feb. 7.

She treated her classmates to birthday cake.

The fifth and sixth grades sponsored a Valentine dance Feb. 14. Guests were the seventh and the eighth graders.

The sixth graders are making travel folders as a project in social studies. The folders will contain pictures, maps, flags and reports on France, Switzerland, Germany, Austria, Belgium, the Netherlands, Spain, Portugal and the British Isles.

Mrs. Garner is ill with laryngitis and Mrs. Gale has been substituting for her.

The Oakland County Health Dept. will hold its second health clinic at Novi school this week. This time, for vaccinations.

Get a proved V-8 NOW ...a FORD V-8

Built by the world's greatest builder of V-8's

Ford has built more V-8 engines than all other manufacturers combined... over 14,000,000! And this tremendous V-8 experience has enabled Ford in '55 to turn out in quantity the finest V-8's in the low-price field. So why wait? You can get a proved Ford V-8... and start enjoying its brilliant new performance, and new-car dependability right now!

Enjoy Ford's new

Trigger-Torque Power

For '55, Ford offers the brilliant-performing new Y-block V-8 and the even more powerful Y-block Special V-8. Both deliver Trigger-Torque power, which means you get the power you want when you want it, throughout the entire driving range of your car. With new Trigger-Torque Power you can have split-second starts... faster passing ability for a greater feeling of security... top-notch response at all speeds. And with Ford's high-compression, low-friction design and

deep-block construction, you can enjoy smooth performance and long engine life.

Relax in the smooth comfort of new Angle-Poised Ride

Ball-Joint Front Suspension, which Ford introduced in its field last year, has proved itself over billions of miles. For '55 it is still better. Springs are set at an angle to absorb shock from the front as well as straight up. This provides delicate

responsiveness to cushion tiny bumps as well as husky "muscle" to flatten big bumps.

Take your pick from 16 brilliant new Ford Models

This year, you get Thunderbird-inspired styling in any Ford you choose. And there's a variety of excitingly new single and two-tone body colors with charmingly color-keyed Luxury Lounge Interiors.

Come in for a Trigger-Torque Test Drive!

Mrs. Bertha K. Lute Buried Saturday

Funeral services were held Saturday for Mrs. Bertha K. Lute, 19250 Newburg Rd., who died Feb. 9 at University of Michigan hospital in Ann Arbor.

She was born Nov. 6, 1892 in Toledo, O., the daughter of Theodore and Minnie Christ. Besides her husband, Charles, she is survived by four daughters: Mrs. Celeste Van Hellemont and Mrs. Bernice Baggett of Northville, Mrs. Jean McQueen and Miss Vera Lute of Livonia; five sons: Homer and Tom of Livonia, Wilber of Newark, O., Bill and Don of Northville, and a sister, Mrs. Randall Engelhardt of Toledo, O. There are 11 grandchildren.

She was a member of St. Paul's Lutheran church of Livonia and was taken there from the Casterline Funeral home for the funeral services. Rev. Theodore Sauer officiated and burial was in Riverside cemetery in Plymouth.

Mrs. Lute had lived on a farm on Newburg Rd. for the past 45 years.

Mrs. Gary Deal To Be Buried Today

Funeral services will be held this afternoon at 2 p.m. at the Casterline Funeral home for Orlean Deal, well known Northville resident, who died at the Univer-

sity of Michigan hospital Monday morning after a long illness.

Mrs. Deal lived in Northville for 42 years and operated a beauty salon for 27 years. She was born in Laphams Corners, Salem, April 3, 1886 and her parents were Henry and Mattie Van Aken.

Besides her husband, Gary, she is survived by a son, Dayton of Riverside, Calif., and a daughter, Mrs. Gertrude Galaspy of Muskegon. There are six grandchildren.

Rev. John O. Taxis of the Presbyterian church will officiate at the services and burial will be in Lapham cemetery, Salem.

Funeral Services Held In Canada for Mrs. F. M. Fennel

Mrs. Florence Maude Fennel died in Sessions hospital Feb. 9 at the age of 73 after a long illness. She came here a year and a half ago from Canada to visit her daughter, Mrs. V. L. Slater, and was taken ill while here visiting.

Mrs. Fennel was born in Gravenhurst, Ontario, Canada on Dec. 8, 1882. Her parents were Vergham and Phoebe Godbold.

Besides Mrs. Slater, the deceased is survived by two brothers, Hugh of Winnipeg, and Jack of Gilbert Plains, Manitoba, Can.

The body was at the Casterline Funeral home until shipped to Dauphin, Manitoba, Canada. Funeral services were held in Gilbert Plains and burial was in Eldon cemetery, Gilbert Plains.

NOTICE

The Village of Northville is considering the leasing of lot No. 9 of Assessors Northville Plat No. 1, which lies on the south side of the curve in Plymouth Avenue, and which is bounded by said Avenue, Park Place and Cady Street, for the purpose of having a professional type building or the equivalent thereof erected thereon. The general terms of lease on said property as follows:

1. Leasehold period 30 years, with a option to renew for like period.
2. Lessee to erect a building on said property within one year from date of lease. Said building to cost not less than Fifteen Thousand (\$15,000) Dollars.
3. Lessee to fill the property with acceptable fill to curb level.
4. Lessee to construct Four Foot sidewalk along Plymouth Avenue side of property.
5. Lessee to build retaining wall connecting the Two bridges on the creek side of said lot.
6. Lessee to share One-half the cost of erection of a barrier on the Plymouth Avenue Bridge.
7. Lessee to adequately landscape the property and to survey same if necessary.
8. No vehicular traffic to be allowed to enter or leave said property from Plymouth Avenue.

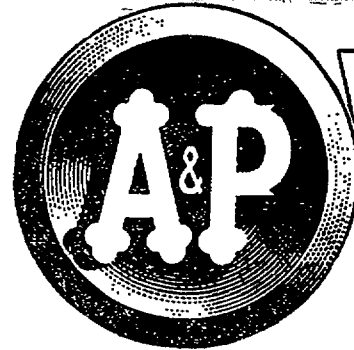

Unless otherwise stated all expenses attendant to the fulfillment of the foregoing conditions must be borne by the Lessee.

If additional information is required contact Commissioners A. M. Allen or Earl Reed.

Any persons interested in submitting a leasing proposal along the lines specified, shall present same in writing to the Village Clerk before 8:00 o'clock P.M. of Monday, February 21, 1954.

The Village Commission will consider all proposals at its regular meeting on Monday evening, at 8 o'clock P.M. February 21, 1955, and reserves the right to reject any and all proposals.

**Cub Scout Dinner
Honors A. Carlson**

Cub Scout Pack No. 1 of Northville observed the Scout birthday celebration with a pot-luck dinner for 150 at VFW hall Feb. 7. Rev. Peter Nieuwkoop gave the invocation.

Following the dinner, the guest speaker, Arthur Henry, district executive of Cub scouts, gave a short talk on the place of parents and their responsibilities in the Cub movement.

Ed Angove then bid a farewell to Arthur Carlson, who originated Cub scouting in Northville 20 years ago and who has taken an active part in Scout work ever since. Alex Funke, the new liaison between the VFW, the Cub sponsors, was also introduced.

Angove also bid farewell to Oren Schneider, Cubmaster for the past two years, and introduced the new Cubmaster, Fran Gazlay, who will assume his post at the April pack meeting.

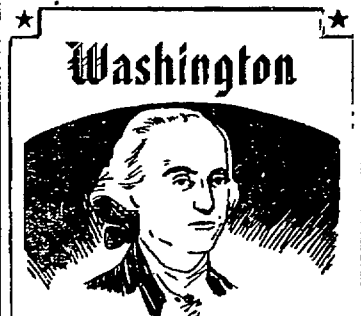

Roy Rew, magician from Plymouth, entertained with tricks.

Rector Lee Massey, pastor of our first church, wrote: "I never knew so constant an attendant in church as George Washington. No company ever withheld him from church." Americans today might well emulate the church-going habits of the "father of their country." Mrs. William Bock attended the meeting of the Educational Study group of the American Assn. of University Women at the home of Mrs. John Barnes at Robinwood in Plymouth last Tuesday.

Mr. and Mrs. Howard Shipley of Plymouth and Mr. and Mrs. Kenneth Procter of Chelsea were Sunday afternoon callers at the home of Mrs. George Bennett.

Mr. and Mrs. Nick Lawless of Portland and Mr. and Mrs. Ralph Bussey of Detroit were Sunday afternoon callers at the A. C. Wheeler home.

Mr. and Mrs. Veldon Lewis and

Mr. and Mrs. Perley Jones of Flint spent Sunday at the home of Mr. and Mrs. Glenn Hardesty. Mr. and Mrs. Cloyd Hardesty of Whitmore Lake was a Sunday evening caller at the home of Mrs. Alta Opdycke.

Mrs. Charles Stacey has been staying in Plymouth with Mrs. Ernst Evans while Mr. Evans is in the hospital.

Mr. and Mrs. Ronald Hardesty and son, Douglas, were Wednesday evening dinner guests at the home of Mr. and Mrs. Charles Melow in Plymouth.

The Salem Extension met last Tuesday with Mrs. Charnell Hardesty. Since no lesson was scheduled for this meeting it was arranged to have E. Reed Fletcher of Howell, son of Mrs. Fan Lou Fletcher, give us a talk on legal matters.

First Aid Classes

A Red Cross first aid class will be given at Salem Town hall beginning Thursday, March 3. It will run nine consecutive Thursdays, from 7:30 to 9:30 p.m. a total of 18 hours for the course.

Anyone is welcome to enroll. Those from the tenth grade of high school and up are eligible.

Enrollment may be made by signing the sheets provided at Bond's grocery, Trading post, or Bieljeske's grocery, or by calling Mrs. C. James Hardesty, Geneva 8-8318. Enrollment must be complete by the end of February, so that manuals may be ordered. They will cost 60 cents each, payable at the first aid meeting.

School News

Mr. and Mrs. C. James Hardesty entertained 14 guests at a supper after the Farm Bureau dance Saturday night. The affair was in honor of Dean Hardesty, on his birthday. Besides the guest of

honor and his wife, those present were Mr. and Mrs. Donald Tiffin, Mr. and Mrs. Carleton Hardesty, Mr. and Mrs. Charles Mankin, George and Leland Brown and their dates, and Darel Hardesty and his fiancée.

Mrs. Fan Lou Fletcher is at her daughter's home in Dearborn, recuperating from the heart attack she suffered last week. Although still confined to her bed, she is resting well and is expected to be up soon. She will remain in Dearborn for an indefinite period. Her address is c/o Mrs. Ralph Lou Dunn, 22702 Gregory Ave., Dearborn, Mich. At this time no visitors are permitted but the immediate family.

Mrs. Fred Varren of Six Mile Rd. met with an accident last Friday while on the way to work. Due to the slippery condition of the roads her car collided with a truck at the corner of Curtis and Five Mile roads. She suffered slight injuries.

We have two more pupils, Barbara McGarry in the second grade has been a former pupil, and Patty McGarry will be in our beginners class.

The upper room have received their report cards. On the honor roll are Raymond Dahl, Bob Hilton, Alice Stanley, Joan Wilson, Janet Famuliner, George Clemens, Kay Roberts, Elizabeth Bures and Mary Ann Bock.

The primary room had a Valentine party. Each child made individual Valentine's bag. Several little visitors came to the party.

The county nurse visited here last Friday. Arrangements were made for immunization tests. They will be held early in March.

The upper grades had a Valentine party Monday, Feb. 14. Raymond Dahl was our king and Alice Stanley was our queen. They also had two knaves. They were George Clemens and Janet Famuliner.

The upper grade room is going to the Ann Arbor Civic orchestra concert at Hill auditorium Feb. 23. They also plan to go to the museum to see the birds of Michigan the same day.

4-H News

About 50 4-H club members attended the 4-H Community club held Feb. 5 at Salem Town hall. We had games led by Joyce Wilson, Gretchen Pohnert, Joan Wilson, Mary Ann Bock, Bob Hilton and Gary Clement. We also had songs and a program which featured a film "My Model Farm", and some demonstrations.

Dudler Appointed Representative of Fuller Brush Here

Michael Dudler, 920 Cambridge Rd., Berkley, has been assigned the Northville, Novi and South Lyon district for the Fuller Brush Co., he announced last week. He succeeds George Wilson and C. B. Payne.

Dudler has been a Fuller Brush representative for the past four years in the Rogers City-Alpena area.

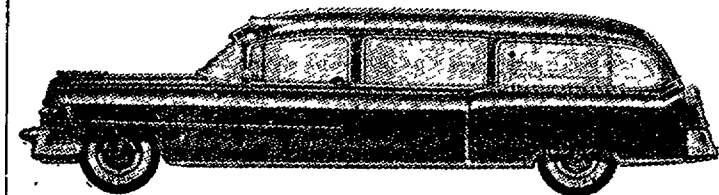

Mr. Richard Engle

Roseville father says, "We paid a \$1581 debt with four dollars!"

"A guy is pretty lucky when he can clear up a \$1581 debt with one four-dollar payment," says Mr. Engle, of Roseville. "That's just what happened when our two-year old daughter was hospitalized for 78 days. She'd been seriously burned . . . required constant attention in the hospital . . . so much so, in fact, that the hospital bill was \$1581! But all we had to pay was four dollars . . . and all the rest was automatically taken care of by our Blue Cross Comprehensive Contract. On top of that, Blue Shield paid the biggest part of our doctor bill! You bet we're a Blue Cross - Blue Shield family . . . for keeps!"

The chances that your family will have an unexpected hospital bill within a year are 1 in 5! With odds like that, wouldn't it be well worth the little it costs to have Michigan's most widely accepted protection against hospital and doctor bills—Blue Cross - Blue Shield?

Find out how your family can enjoy low-cost group coverage. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross - Blue Shield (in or write: Blue Cross - Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

This is the new 1955 Cadillac ambulance now in service for the Casterline Funeral home. In addition to Northville, it will be available to residents of Novi, Salem, Livonia, Wixom, and other surrounding areas. It is completely equipped with latest facilities.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total sales.

This is for sure . . .

There's never been anything in your car-driving experience like the feel of Buick's new Variable Pitch Dynaflow*—because there's never been anything like it in a car before.

In a modern plane, yes. For this is the principle of variable pitch propellers used on airplanes. Their propeller blades change "pitch" for quick take-off—then change to another "pitch" for better gas mileage in cruising aloft.

Now you can do the same thing on the ground—in a 1955 Buick.

Twenty propeller blades are ingeniously engineered into the Dynaflow

unit. They pivot—one way for a big boost in gas mileage while cruising—another way for brilliant new performance.

You switch the pitch for instantaneous acceleration just by pressing the pedal way down. Then it happens . . .

A build-up of momentum smooth as oil—and quick as a split second. Dazzling new response on getaway—or a spectacular burst of instant safety-surge power when you need it on a highway.

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series.

It's pure thrill—and a happy surprise in its far better gas mileage in cruising. Yet Variable Pitch Dynaflow costs not a penny more than earlier versions of this wonder drive.

How about you trying it?

And look into the sizzling new horse-powers, the fresh new styling, the ever-level ride, the eye-opening low prices—all of which are making the 1955 Buick the hottest seller in all history. Come in this week, won't you?

Thrill of the year is Buick

50 Million Gallon Capacity
Another consideration was plans of the Detroit firm to expand its sale of Silver Springs Water. Further time is required for tests and final conclusions on widening the scope of present sales.

Capacity of the well is estimated at 50 million gallons a year, or roughly one-third of the current water consumption of the village.

Conditions favoring an arrangement to utilize the spring water include a relatively low estimated cost of from \$4,000 to \$5,000 for installation of pumping facilities.

Also, the bottling building now on the premises could be used for a municipal garage.

Should negotiations on a more definite basis fall through, the village may investigate the possibility of a water supply on the Manning & Locklin Gravel Co. property, which virtually surrounds the well.

While no tests have been made on this property, its proximity indicates that it could be a productive source for the recommended boost in the village water supply.

Northville chose the latter course, as had other Wayne-Oakland league teams against Milford under similar circumstances.

"Sparkle and Shine" Fade
Northville spokesmen readily admitted after the game that Milford has a definitely outstanding team. They did not rule out, however, that final totals in the game might have been closer or in favor of Milford had not followed its particular type of play. Conversely, Milford might have run up a big lead over the Mustangs if the latter had not employed the strategy they did.

"The sparkle and shine of the

Milford quintet soon wore off on those occasions when our team could engage them on a man-to-man basis," Northville Coach Dick Kay said.

"Jack Menzie, Milford mentor, is reported as having said his team "is so good I can't hold them down."

In its first 11 games this season, Milford averaged an impressive 79 points per game. The average had dropped to 65 points in the last two fracas.

Northville, champion of the league for two of the last three years, met Milford Jan. 14 at Milford for their first league game of the season shy three men—Bud Bell, Cap Pethers and Darwin Teshka because of illness. The badly crippled local basketballers still managed to collect 53 points against Milford's 84.

Description of Game

In the game the Mustangs did themselves justice in the first period keeping within three points of Milford, 17-14. Play in the second period was slower with Milford outscoring Northville, 9 to 4, to lead at the end of the half, 26-18.

Referees stopped the game in the third quarter when coin tossing started. Milford Coach Minzey's reaction to the Mustang strategy to force out the Milford team to a man-to-man basis was "the only thing I'm afraid of is that my players will get cold standing around."

Northville kept possession of the ball until midway in the fourth quarter. Milford then picked up 12 points to three for Northville.

Northville meets Holly here Friday night. In their last engagement, Holly was victorious, 52-51.

Man's
Shortsightedness

In the year of 1820, a Congressional Committee on Patents advised the Congress to close the U. S. Patent Office. They said that the age of inventions had come to an end. We could not expect any more

scientific discoveries and inventions! Well, if your great "Grandpappy" was a member of that committee and was alive today he would surely see how shortsighted he was. Just think of the things which have been invented since that time! It strikes me that our shortsightedness is the cause of a lot of our difficulties. Our best laid plans go astray because we cannot see one day beyond the next. For this reason it's mighty good to be able to place our hand in the hand of God who knows the end of all things as well as the beginning. God has revealed many wonderful things to us in His revealed Word. When men read I Peter 3:1-12 they laughed at the possibility of this world being destroyed by sudden fiery blasts. In this day of the A and H and C bombs they no longer laugh. A good cure for our shortsightedness is faith in the Sure Word of God, with it you can see ETERNITY!

Mustangs Win, 64-51, Over Clarenceville in 8th League Tilt

Northville romped to an easy 64-51 win over Clarenceville last Tuesday, Feb. 8 as it met the Trojans for the second time in the eighth league contest of the year. Northville's starting quintet composed of Pethers, Bell, Hamlin, Patterson and Teshka boomed off to an early first quarter lead. With Patterson leading the scoring with six points, Northville led at the end of the first period 20 to 13.

The Mustangs eased up in the second period as Frank Grosse tried to fire up the last place Clarenceville team with an individual effort of eight points.

However, Northville managed to outscore the Trojans 12-11 and maintain an eight point lead. The scoreboard read 32-24 at half-time.

The third quarter opened with Clarenceville's Frank Hanaford determined to cut the Mustang's lead as he dumped in eight points

for the Wayne-Oakland cellar dwellers. Northville's third period scoring was scattered as the Mustangs outscored the Trojans 15 to 12, bringing the score to 47-36 in favor of Northville.

The fourth quarter followed the pattern of the first three, with still another Clarenceville player, Frank Reed trying to lead his team to victory as he piled in 11 points. Northville playing its most consistent ball of the season maintained its poise and quelled the Trojan rally as the game ended.

High men for Clarenceville were Frank Reed with 17 and teammates Frank Gross and Frank Hanaford with 13 and 12, respectively. Northville scoring was highlighted by Pethers with 15 and Teshka, Patterson and Biery with 11 apiece.

Three Frosh Wins In Six Straight Include Milford

The Northville frosh journeyed to Clarenceville Feb. 2 to capture their fourth straight basketball win. Dick Biery and Dave Janetzke remained on the sick list which hampered the Mustangs but they still managed a 21-10 halftime lead.

In the third period the lead was cut to 28-23 and Bill Yahne fouled out.

With Jim Hammond taking over for Bell and hitting for nine points and Tom Ledford getting light, the Northville team managed a 20 point fourth period while holding Clarenceville to 14.

This assured the 48-37 win. Jim Hammond and Tom Ledford led the scoring for Northville, each with 13, while Cliff Wellman had 12 for Clarenceville.

On Feb. 14, the freshmen held a scrimmage with the Plymouth frosh and came out on the long end of a 37-16 count.

Although this was an unofficial score the Mustang frosh will number it among their wins for the season. Dick Biery had 10 points and Dave O'Neil 9 for the winners.

Northville downed Milford to rack up its sixth straight frosh win by a score of 32-20. Sickness continued to take its toll of the Northville kids with Dave O'Neil and Richard Buckley unable to make the trip.

The game was extremely rough but the Mustang frosh found it to their liking and led 8-4 in the first period. They were never headed, leading at the half, 13-10 and the third quarter 18-10. Earlier in the year the frosh defeated Milford here by a score of 35-24. Tom Ledford had nine points and Bill Yahne eight.

Northville Colts Win Two Tilts, Bow To Milford

Northville Colts pulled their win and lost record up to the 500 percentage mark in the last two weeks with two victories and one loss.

The two wins occurred against Lake Orion and Clarenceville by the respective scores of 47 and 40 and 47 to 33.

In the Lake Orion game the Colts trailed all of the game up until the last five minutes of the ball game when the Lake Orion defense fell apart against a tight press.

The yearlings went on to win by scoring 18 points in the final quarter. Roger Nieuwkoop was high point man in the ball game with 11 points. While Walter Palmer trailed close behind with 9 points.

At Clarenceville, the Colts had less trouble while holding a score of 10 to 14 point advantage most of the game. Dave Waterloo took the scoring honors with 19 points and Mac Burns helped out with 10.

Scrapping hard all the way last Friday night the Colts lost a 44 to 36 verdict to the Milford reserves. Taking 14 shots in the first quarter and not hitting one, while Milford scored four buckets, proved to be the deciding factor as both teams played to a 36-36 tie for the last three quarters.

ONE YEAR AGO—

With Coach Dick Kay, a patient at Mt. Carmel hospital in Detroit, the Northville Mustangs held their lead in the Wayne-Oakland league by trimming Clarenceville, 63-40, under the direction of Reserve Coach Stan Johnston.

Mrs. Joseph Page was chairman of the banquet honoring the safety patrol for schools.

Mrs. Harry Duerson joined the Record as society editor. Former-

ly with the state welfare office and the attorney general's department, Lansing, she had also been society editor of "Lumelight" magazine, Lansing.

State Racing Commissioner, James H. Inglis turned down a request for six additional days of racing at Northville Downs. He told Manager John Carlo that the Northville plant had the best dates in the middle of the summer—after cutting the local track

from 48 to 39 days. The nine days were divided between Hazel Park and Wolverine Raceway, both of which have their programs in the spring and fall, Inglis pointed out.

Maj. Harold Sparling was promoted to lieutenant colonel. He was post surgeon at Letterkenny Ordnance depot, Chambersburg, Pa. A native of Northville, Sparling, received his degree from the University of Michigan school of medicine.

Miss Lillian Dickinson was one of the five finalists in the "Miss Heartbeat" contest at Cleary Business college, Ypsilanti.

Arthur Schnute was elected a member-at-large of the Sunset district, Detroit area council, Boy Scouts.

The Hartford Day Spring, published by Jack Sinclair, son of Mr. and Mrs. George Sinclair, won second prize among papers under 1,275 circulation in the recent general excellence contest sponsored by the Michigan Press Assn.

John B. Flannery, Novi's new

Girl Scout News

Gathered by Karen Bayless
Troop 8—Because the sophomore class went to see Romeo and Juliet we did not have a scout meeting last week.
Scribe, Karen Bayless

Troop 11—Our troop divided into two patrols and elected officers for each patrol first patrol, president, Sandy Lane; assistant, Joann Norse; secretary, Patty Siok. Second patrol, president, Carol McDonald; assistant, Carol Crupi; secretary, Sandra Harris. Mrs. Austin helped us get acquainted with the patrol system. We were invited by Troop 10 to a skating party at Mrs. Doub's home on Fairbrook. The rest of the evening we played games and danced.
Scribe, Sharon Johnson

Scribe, Betty Stremich
Troop 13—We made our final plans for our trip to the Hollywood Ice Revue this coming Saturday and we are all pretty excited about it. Then we had a discussion on good grooming. We went to Dr. Maleske's office and he gave us a most informative talk on the care of teeth. Mary Long brought the nibble box.

Troop 14—We had dues, then gum for a nibble box and we made favors for the safety patrol banquet. We then had our good night circle.
Scribe, Gloria Hollis

BROWNIE NEWS
Gathered by Dorothy Welch
Brownie Troop No. 1 met at the Community building Monday and played games.
Jean Downer, scribe

Troop 6—We went to a children's concert on Sunday. We had our Brownie birthday on our regular meeting day.
Debbie Older, Scribe

Troop 17—We had a regular meeting, then we made gifts for our fathers for Valentine's day. Muriel LaFevre brought the nib-

ble box.
Rose Mary Siok, Scribe
Troop 16—We had a treat brought by Carolyn Cockins. We started our Valentine's day boxes for our mothers. We made a bird feeder and put suet in it. At the close of our meeting we said our pledge.

Karen Peterson, Scribe
Troop 15—We made scrapbooks for our tenderfoot requirements. We learned second Girl Scout rule. Kathy Beckel brought the nibble box.

Edison Co. Offers Guide on Planting Trees and Shrubs

Detroit Edison has launched a special informational program aimed at showing customers how proper tree planting helps in maintaining good electric service. As a key feature of the program, the company has prepared a booklet, "Planting For Permanent Beauty", which suggests trees and shrubs that thrive in this climate; tells where, when and how they are best planted; and explains the reasons why. The booklet—available at Edison customer offices—stresses the

damage improperly selected and planted trees can cause, and asks cooperation in planned planting that will benefit the homeowner and his community. It is pointed out that most of the interruptions of electric service caused by storms are the direct result of falling trees and limbs, and that damage brought about by normal tree growth also is substantial.

The company believes that mutual understanding of the tree problem, together with thoughtful planting for the future, will be of advantage to municipalities, to homeowners, and to public utilities of all kinds.

Bell Pleads Guilty On 2 Traffic Counts

David Bell, 1332 W. Bates, Birmingham, pleaded guilty to failure to stop at the red flasher signal at Fairbrook and Rogers streets and reckless driving when arraigned before Justice E. M. Bogart Friday. He paid \$100 and costs for the reckless driving violation and \$5 and costs for the lesser offense.

Let us design a one or two-color letterhead you will be proud to use in your business. Best quality; reasonable prices. The Northville Record.

Rise And Shine -- And Thank Levi

You've probably never heard of Levi Hutchins. But when your alarm clock rings each morning you can thank Levi, who invented the thing in Concord, Mass., in 1787. (And that was even before the Russians invented it.)

If you're an average American, getting up for work, school or to prepare breakfast for your family, undoubtedly you have no love for the sound. But look at it this way—that bell is tolling for you and you do have to get up. So why not get up right away and avoid that early morning hassle?

You'll be better off in several ways. You'll enjoy washing and dressing at ease, once you get used to it. More important, you'll have the time for a good breakfast—something everybody needs and all too few get.

Nutritionists say that breakfast is the most neglected meal of the day. And most of them agree that breakfast is at least as important as the other meals and should supply one-fourth to one-third of the body's daily requirements for protein, minerals, vitamins and calories.

Failure to have enough to eat or the right kind of breakfast usually results in fatigue, irritability and lessened efficiency and work output, the experts say.

A basic breakfast pattern set forth by nutritionists consists of fruit or fruit juices, cereal, milk or coffee, bread or toast and butter or fortified margarine. Eggs, bacon or other meats should be included several times each week. Dr. Neige Todhunter, head of the Department of Nutrition, University of Alabama, believes lack of time is the reason why so many people skip breakfast.

"In talking of an adequate breakfast," Dr. Todhunter says, "the question of adequate time should be stressed. The lack of breakfast is a serious problem in many parts of the country, and one of the main reasons why so many children and workers fail to have breakfast is because they do not have time for it."

So think of Levi when your clock rings tomorrow morning. All he's trying to do is give you a better start on a better day and help you to better health.

"Growing Old Is A Privilege Denied To Many"

Charles H. Bloom remembers sailing to Manistique when he was 18 years of age and running into such a violent storm on Saginaw Bay that the sails of the vessel were nearly blown away. As a boy, he was familiar with sails and sailing boats, since his father operated a sailing loft at the foot of Woodward Ave., where the Bob Lo boats now dock.

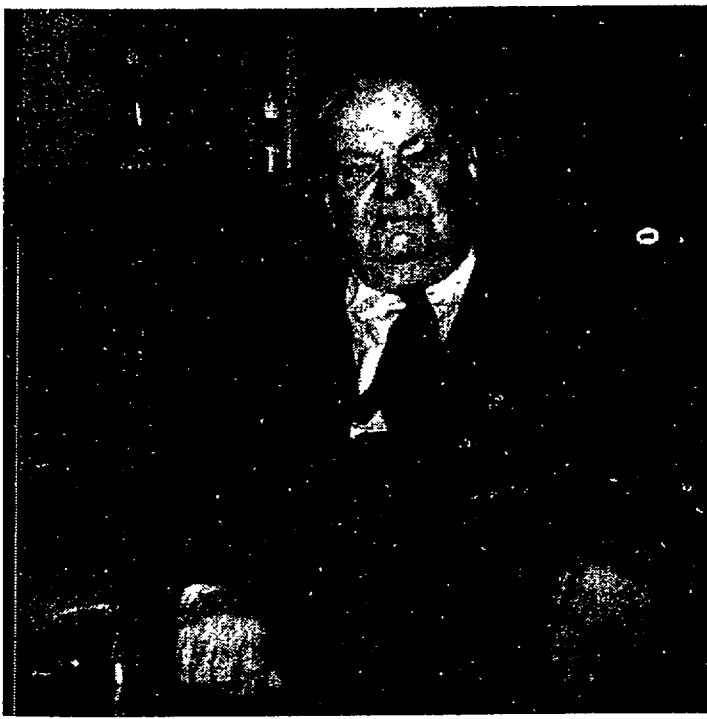

Born in Detroit in 1867 on Clifford and Duffield, near where Cass Technical school now stands, he attended Willis school in Detroit. His father and mother, Nelson and Mary Anne, were the parents of a large family.

They wanted their children to receive an education, but drew the line at high school, as it was way, way down town, and much too far away for youngsters.

Insurance has been his business most of his life. His older brother,

Nelson, was in the insurance business too, so when Charles was 19 he became affiliated with the same company—the old Michigan Fire and Marine Insurance Co. He soon became manager of the local department of the Michigan branch, also worked in various departments as adjuster and special agent and was at one time appointed agent for Michigan and Ohio. He remained with this company for 57 years, until he retired in 1943.

On Oct. 19, 1893, Charles married Mattie Beattie, daughter of Mr. and Mrs. James B. Beattie of Northville. Beattie was a cement mason and contractor and built the home at 710 W. Main St., where Charles now lives with his only son, C. Harold Bloom, and family. Beattie built the whole house himself. Charles and his wife were married there.

Charles H. Bloom

Following their marriage, the Blooms lived in Detroit for a few years and then moved to Northville. He used to walk to the depot every morning and take a train into Detroit to work, walking home again at night. Mrs. Bloom died three weeks ago.

Hunting deer, bear and fishing occupied his spare time. These hobbies are shared with his son, Harold. He remembers his hunting trips around Midland with particular pleasure. And fishing? He fished wherever there was water. Bloom has enjoyed fishing in the St. Mary's river up at St. Joseph's island in Canada, where Harold and his wife have a summer home.

Feb. 15, next Tuesday, Charles Bloom will be 88 years of age. Each year in the past he has celebrated his birthday by having dinner for some of his old friends from Detroit.

They come out and enjoy dinner with him and talk over the days when sailing vessels were commonplace on the Great Lakes and Detroit was not the automotive center it is today.

He has two granddaughters: Martha, who is a sophomore in

The Bloom Residence

Northville High school, and Mrs. Robert Williams (Celia Bloom) who resides at 430 E. Main. He is proud of his great grandson, two and a half month old Robert Williams.

NO GHOST TOWNS

For hundreds of Michigan communities, motor vehicles are the sole means of transportation—autos and buses for passengers, trucks for freight. These communities are not served by any other transportation system!

Yes, wherever there are roads—and Michigan is known for its many miles of good highways—trucks can and do perform a vital service for the people, bringing them everything they eat, wear or use—swiftly, economically.

There are no ghost towns in Michigan. Folks in small, out-of-the-way communities are as well fed, well housed and well clothed as the people of Michigan's largest metropolitan centers—thanks to trucks.

World Prayer Day At Library February 25

"Abide in Me" is the theme for the 69th annual observance of the World Day of Prayer sponsored by United Church Women. Identical services will be held in 128 countries, 20,000 observances in the U.S. Services begin on Tonga Islands, where Queen Salote leads her subjects in prayer and close with observances on St. Lawrence Island, Alaska.

The purpose is to unite all Christians in a bond of prayer and to make an offering for Christian Missions at home and abroad. The service for 1955 has been prepared by Jorgelina Lozada, minister of a Disciple church in Buenos Aires, Argentina.

The Northville observance will be held in the village library, Feb. 25 at 2 p.m. Women of Northville are urged to attend and enter into the prayer for understanding among all peoples, for the growth of the Christian church around the world and for peace.

Rev. Raymond A. Valenzuela, a native of Temuco, Chile, will address the local Methodist church Sunday evening, Feb. 20 at 7 p.m. Rev. Valenzuela was educated in the U.S. and returned to his homeland as a Methodist missionary...

He is pastor of the First Methodist church in Concepcion, Chile, and has been a missionary since 1943.

Rev. Valenzuela's engagement here is of significance in that he is head of the student center work at Concepcion—a project to which the local church contributes.

Mystery Mothers Revealed At Baptist Banquet

A banquet for 81 mothers and daughters of the Baptist church at Livonia Inn Tuesday climaxed the Mystery Mother project begun about a year ago by the Ladies Charity Circle. Mothers who had drawn the names of girls who were remembered throughout the year in secret with cards and gifts were revealed at the banquet.

Decorations were commemorative of St. Valentine's day.

Mrs. Frank Gardner, Mrs. Jim Setser and Mrs. William Stiles won prizes in a bean-bag contest.

The program began with the singing of songs under the direction of Mrs. Stuart Sauber, accompanied by Mrs. Winona Dahmer at the piano. Prizes were awarded to the oldest mother present, Mrs. Chatfield; the youngest mother, Mrs. Kenneth Birdsall; the oldest daughter, Miss Joyce Lemmon and youngest daughter, eight-month old Carol Ann Birdsall.

A mother and daughter combination, Mrs. Rano Papini and Clare gave a recitation honoring mothers and a reading about little girls after which Sandra Ware played an accordion solo.

An inspiring message was delivered by the guest speaker, Mrs. Roy McBeth of Strathmoor Judson Baptist church of Detroit. The invocation, closing words and prayer were given by Mrs. Peter Nieuwkoop, president of the Ladies' Charity Circle. Mrs. Charles Haynes, vice president, presided over the program.

Appreciation is due Mrs. Bud Lemmon, Mrs. Don Miller, Mrs. Frank Stanford, Mrs. Wilbur Bermyan and Mrs. Ray Custer for painting and sale of tickets to Mrs. Frank Martin and Mrs. Rano Papini for table decorations; to Mrs. Lawrence Tibbos and Mrs. C. Haynes for program arrangement.

Like to look back? Who doesn't? Each week the Northville Record scans events of past years in "Events of the Past in Northville."
