Northville Downs' Hope For Extra Racing Days Grows Dim

Northville's chance of getting 33 additional days of racing this year by taking over the meeting for that period at the Jackson Raceway were dimmed last week when Racing Commissioner James M. Inglis turned down a petition signed by 53 Northville business men.

Spokesman for the group was Carl Johnson, president of the Northville Retail Merchants Assn., at a meeting with Inglis in Detroit. The Jackson course is considered a fire hazard by the racing commission on advice of State Fire Marshal Arnold Renner. Racing this year at Jackson is contingent upon removal of hazardous barns.

The local group asked favorable disposition toward Northville if dates for the Jackson program are permanently withheld as result of not complying with commission's rulings. The Jackson dates are from Sept. 23 to Oct. 30.

Ray of Hope for Northville
It is reported by some persons close to racing that the news out of Jackson is that the management will not be able to meet the changes laid down by the fire marshal through the racing commissioner. This possible inability is a ray of hope for Northville Downs, they said.

Meanwhile, Northville Downs is tearing down condemned barns with a total of 110 stalls and going ahead with plans for its 38-day program from June 24 to Aug. 6—one day less than last year.

Where new barns will be erected to replace those dismantled has not been definitely announced, John Carlo, president of Northville Downs is in Florida, Downs offices reported.

An initial step in its acquisition of land for new barns was made before his departure, however, when Carlo appeared before the village commission and received its promise to tell the Wayne County Road commission that it is not opposed to sale of a 1 1/2-acre piece of park property to the Northville Driving Club. The unused land is on River St.

"Spring Dance" To Be Event of Mar. 19

The Northville Mothers' club is sponsoring a Spring Dance, March 19 at the Community building. The dance is to be informal and the dance band will be announced later.

For many years, this club has sponsored a milk fund for needy children and in the past few years has purchased playground equipment for the grade school, furnished a teachers' room in the high school and one in the grade school. Proceeds from the Spring dance are to be used where needed in the new grade school on N. Center St.

Day of Prayer To Be Observed Friday

The local observance of the World Day of Prayer will be held in the Village library Feb. 25 at 2 p.m.

Leaders in the service entitled, "Abide With Me" will be Mrs. A. W. Parmenter, Mrs. W. E. McCarthy, Mrs. L. J. Marcoux, Mrs. Merner Eilber, Mrs. Emma Reid and Mrs. C. F. Logeman. Special music will be provided by Mrs. Richard Somers, pianist, and a women's trio, Mrs. D. D. Older, Mrs. W. G. Williams and Mrs. W. C. Becker.

Speakers will be Mrs. Ivan E. Hodgson and Mrs. John O. Taxis, who will speak on the themes, "A Panorama of the Day" and "Prayer for World Leaders and Peace".

Church women of Northville are urged to attend this service and unite in prayer with women around the world for understanding and peace among nations and the propagation of the Gospel of Christ.

Workers Collect \$2,402 for Ideas At 2 Ford Plants

Workers at both the Northville and Waterford plants of the Ford Motor Co. submitted winning ideas in the company's employee suggestion plan—19 at Northville and 24 at Waterford last year.

At Northville, 69 suggestions won 29 awards totaling \$1,131, while 88 ideas on improving processes and procedures at Waterford resulted in 35 citations aggregating \$1,271.

Northville employees listed by Ford as winners in last year's competition were: Calvert Earehart (4 accepted ideas), Richard Smith (3), Charles H. Wilson (2), Grover Peters (2), Lillian Kelen (2), Stanley Waterloo (2), Wilber Bachelor (2), Earl L. Riddle, William J. Scott, Richard E. Bates, Harold A. Tomhave, Clyde Fisher, C. W. Johnston, Harold Pankow, Clel Boyd, Henry Rochoon, Evelyn Bates, Grant H. Eggert and Gerald Vernon Raymond.

The Waterford plant's representation and the number of ideas submitted by each included: Mar- (Continued on Page Seven)

Handorf Offer Accepted By Village

The Village commission voted Monday to accept the offer of Dr. H. H. Handorf for the vacant lot across from the old Northville spring, bounded by Plymouth Ave., Park Place and Cady St., subject to leasing proposals advertised by the commission.

Handorf offered a yearly rental of \$30, plus the equivalent of village and township taxes, based on the assessed valuation each year. Motion for the acceptance of the Handorf offer, the only one made for the property, was made by Commissioner Earl L. Reed.

30-Year Lease
The commission's terms for leasing the land required that the leasehold period be for 30 years, with an option to renew for 30 years; that the lessee erect a building costing at least \$15,000, filling of the property to curb level, construction of a retaining wall and a sidewalk along the Plymouth Ave. side of the property.

Comm. Reed told the commission a week ago that the cost of filling the property to curb level will be approximately \$4,500 and that a retaining wall will cost \$1,800.

Before further action on the lease the village must arrange to cancel an agreement with the Wayne County Road commission to devote the property to park purposes. When the land was deeded to the village several years ago it agreed to use it for park purposes. The heavy volume of traffic passing the location makes it hazardous for recreation uses, the commissioners pointed out.

William Liverances Celebrate 60th Wedding Anniversary With Open House Sunday

The 60th wedding anniversary of Mr. and Mrs. William Liverance, 761 Thayer Blvd., was celebrated Sunday with a family dinner and open house from 2 to 5 p.m.

Mrs. Liverance was born on Eight Mile and Middlebelt and her husband was born in Germany but came to this country when he was a year and one-half old.

Twenty-seven years ago they retired and came to live in the Village.

Mr. and Mrs. Liverance had four children, two of whom are living. A daughter, Mrs. Esther Lofton lives with them. There are three grandchildren and one great-grandson, a month old.

Over 90 friends and neighbors dropped in to congratulate Mr. and Mrs. Liverance.

1954 Activities of Local Red Cross Chapter Described

During the past year the local Red Cross blood bank, under the chairmanship of Mrs. William Forney, has supplied 75 pints of blood to Northville residents. One bloodmobile has been held in Northville with excellent response; in addition, the personnel has been supplied for a bloodmobile at St. John's seminary, and two at the Detroit House of Correction. Another blood drive is scheduled for Northville in May.

Home service chairman, Mrs. William Cansfield, has been instrumental in getting several service men home in cases where there has been illness or a death in the family. This committee also works with the veterans' organizations when home surveys are needed.

30 Study First Aid
The first aid class, organized by Mrs. Hugh Godfrey, has been attended by 30 residents who are now ready to begin the second half of their training. This class is conducted by Mr. Fox of Livonia, who is certified by the Red Cross. High interest in the class is evidenced by the fact that absenteeism has been negligible.

The annual membership drive will begin March 1 under the direction of Mrs. Winter. Last year Northville had a quota of \$1700, and went well over the top with a total of over \$2200.

A canteen class is in the process of organization. As soon as a date is decided upon, further information will be available.

A bus will be provided to take registrants to downtown Detroit headquarters for the first class. The second and third class will be given in the village.

Charles Carrington, chairman of the disaster committee, has been cooperating with civil defense agencies.

Mrs. Arthur C. Carlson, chairman, and all other officers of the Northville branch of the American Red Cross were re-elected at the annual meeting recently. Other officers are: Miss Evelyn Ware, co-chairman; Mrs. Richard Nash, volunteer service chairman; Miss E. Ware, secretary, and Mrs. Samuel Geraci, treasurer.

The following committee chairmen were appointed: Charles Carrington, disaster; Conrad Spring, co-chairman; Mrs. Sidney J. E. Forney, office assistant; Mrs. W. E. Forney, blood bank; Mrs. Emma

Reid, co-chairman; Mrs. Hugh Godfrey, first aid; Miss Mary Hollis, home nursing; Miss Ruth Knapp, junior red cross; Mrs. Edith McKenna, canteen; Mrs. Marie Secora, co-chairman; Mrs. William Cansfield, home service; Mrs. C. C. Winter, fund drive, and Mrs. Emma Reid, Mrs. C. C. Winter, and Miss Margaret Rager, board of directors.

Eagle Donation Ups March of Dimes Total to \$2,050

The March of Dimes fund has been boosted beyond the total announced recently by a \$50 donation from a matinee sponsored by the Northville Eagles, Aerie No. 2504 and auxiliary, headed by Galen Cripe and Mrs. Helen Robertson, respectively.

This brings the Northville area contributions to \$2,050, compared with \$2,065 last year, according to Mrs. Eldon Biery, drive chairman both years. In 1954 Northville donations reached \$1,548.

The 1955 drive would have surpassed the preceding year, Mrs. Biery pointed out had the Oakwood area been included in the Northville fund, as it had been in the past. The Oakwood total last year was about \$100. This year Oakwood was covered by Novi solicitors.

Northville Pushes Search for Water

Continuance of search for admittedly needed additional water supply for Northville by Village Commissioners John F. Stubenvoll and A. Malcolm Allen was recommended by the village commission Monday on motion of Commissioner Earl L. Reed.

Stubenvoll and Allen reported they will continue their discussion with the Silver Springs Water Co., Detroit, toward using some of the water flowing on the firm's property on Railroad Ave.

Further progress toward utilization of this supply is contingent on expansion of distribution of the bottled spring water by Silver Spring and the question of whether sharing the flowing source would be disturbed by pumping operations by the city.

Testing for a water supply on the property of Manning & Locklin Gravel Co. and other sources are under consideration.

150 Votes Cost Twp. \$1.82 Each In Primary

Monday's primary election cost Northville township \$1.82 for the 150 ballots cast. Election officials were paid \$206 for staffing the two voting booths, according to Fred Lyke, township treasurer. Advertising, required by law, added another \$67 to the total. Ballots were furnished by Wayne county.

An anticipated light vote because there were no contests for township offices, was somewhat better than expected because of favorable weather. Candidates were confined to offices in Wayne county.

Merchants List Prize Winners for Bargain Days

Northville Retail Merchants Assn. reports a good response to the three days of bargains in local stores last week end. Merchants were impressed by the longer distances traveled by buyers, compared with previous bargain days here, according to Carl Johnson, president of the association.

Plans are under way for a two-day bargain festival April 1-2, the week end of the American Legion amateur talent show at the Community building.

Other communities from which shoppers came to Northville are indicated in the stubs deposited for the prizes awarded by the merchants. The lucky coupons were drawn Monday at the Depositors State Bank by Miss Leona Parmelee, assistant cashier of the bank.

Winners were: Wayne Aldrich, Farmington, Shavemaster; Mrs. J. R. Plunkett, Northville, fryer; Marge Winkler, Plymouth, toaster; Clara Loranec, Northville, roaster; Mrs. Ted Asch, Northville, lamp.

Two tickets to the Northville P & A theatre were won by Erma McLean, Plymouth; Mrs. Earl Gray, Plymouth; Mrs. Bayne Pratt, Novi; Audrey Ortwin, Novi; Mrs. Donald Cash, Wixom; R. J. Banfield, Wixom; Mrs. Mathilda E. Haack, Wixom; Mrs. Jacques Cane, Livonia; Viola Lute, Livonia; J. E. Biederstadt, South Lyon; Mrs. Harry Bulmon, South Lyon; Arnold Cogger, South Lyon; Mrs. H. Lamont, Salem; Mrs. Erna Glaser, Northville; Agnes Kimball, Northville; Mrs. Charles Gots, Northville; A. Schaldenbrand, Farmington; Otto Wendt, Farmington; Miss Olga Fuoco, Farmington; and Mrs. Minnie Esch, Farmington.

Village Asks Tests At Bad Corner

Reports of increasing traffic and hazardous conditions at the turn at N. Center St. and Baseline Rd. at the village commission Monday resulted in a decision to ask the Wayne County Road commission to survey the intersection and make recommendations for added safeguards.

Listing the disadvantages of an outdoor, public drinking fountain in the downtown area led to a discussion of the need for public restrooms. Commissioner A. Malcolm Allen was asked to study the matter and report to the council. The commission decided to advertise for bids on the purchase of a new village truck.

Tickets Ready for Spring Flower Show

The Northville branch of the National Farm and Garden Assn. is selling tickets for the annual Spring Flower and Garden show at the State Fairgrounds in Detroit March 26 through April 3. Tickets may be purchased through the Northville Garden club for 85 cents from the treasurer, Mrs. Gerritt Rooks. They are \$1.25 at the gate.

National Security Destroyed By Technological Progress

Technological progress which has been carried to its greatest heights in the United States and has brought this nation a higher standard of living than any country has ever before achieved, has also destroyed our national security, Dr. Alfred Kelly, chairman of the Wayne University history department told members of

the Northville Women's club at the club's annual dinner last Friday evening.

Bombers Wipe Out Security
Intercontinental bombers which were pioneered by the U.S. aviation industry, but now are also made by the Russians, have wiped out ocean barriers that protected us a century ago, and in doing so, they have destroyed our security forever, Dr. Kelly said.

He discussed contemporary United States foreign policy against the background of a hundred years ago, when the Atlantic ocean was an impassable military barrier and Europe was made up of a number of great states which effectively restrained each other from becoming a controlling power. At that time, he pointed out, sailing ships still traveled the oceans and no enemy from across the Atlantic could hope to attack the U.S. successfully.

Balance of Power Goes
The invention of the steamship brought a technological revolution in the art of warfare about 1880-90, and by 1906 the Atlantic had ceased to be a barrier. At about the same time, the balance of power in Europe began to disintegrate, leading to World War I, when Germany sought to conquer all Europe. Never after World War I was an effective balance of power reestablished in Europe. It was this situation that led to the attainment of great power by Russia.

Dr. Kelly said the basic change in world conditions has made it impossible for the United States to play a dominant role in world events, but that we as a nation are unwilling to accept this situation. As a safeguard against Russian power, we have been trying to develop a world balance of power to regain the old security of the 1850's.

Total War Is Mass Suicide
He told his audience that total war today would be a terminal war for both Russia and ourselves. "Preventive war," he added, "makes utter nonsense." As proof of his contention, he pointed out that we did not resort to massive retaliation in Korea and Indo China.

Dr. Kelly's conclusion was that we must be prepared to live with the war clouds that develop intermittently. He believes there is (Continued on Page Seven)

New Dog Ordinance Effective March 13

The new dog ordinance for the village, approved by the village commission Monday, will become effective March 13—21 days after passage by the council. Next week's Record will carry the regulations in detail.

An important provision is that a dog cannot run without a leash on property other than that owned or occupied by its owner. The deadline for licenses this year is March 19 but will be March 1 in succeeding years.

Dogs must be vaccinated 60 days prior to issuance of licenses. They are required to wear current license and vaccination tags at all times. All dogs must be licensed.

Penalties are \$3 for the first impoundment, seizure or delivery within a license year, \$5 for the second, and \$10 for each subsequent violation.

There is an additional charge of \$1.50 for each dog picked up that is not vaccinated. Charge by the village for the care and feeding of a dog is \$1.50 a day or fraction of a day.

Village Asks To Use Scout Building for Activities

Following a report on the use of the Boy Scout building, Dunlap and Hutton streets, after it is not needed for school purposes, Mayor Claude N. Ely told the village commission Monday that he would contact the various organizations interested in using the building and appoint a committee from them.

The survey on the use, upkeep, operation and finances of the quarters, was made by a group headed by Commissioner Ed Welch.

Other members of the committee are Supt. of Schools Russell H. Amerman, Donald Severance of the board of education, Paul Burnham of the American Legion and Leslie Gingell, leader of Boy Scout Troop N-1, sponsored by the Lloyd H. Green post, American Legion.

It is planned to use the building for Boy Scout and recreational activities, with a board in charge of its policies and operations.

Costs of the project would be shared among several groups, according to present plans. The committee headed by Welch estimated that the annual cost for operating the project would be approximately \$2,700.

The Scout building will not be needed in the school system because of construction of the Russell H. Amerman school on N. Center St.

\$3,263 Village Share of State Vehicle Tax

The Village of Northville received \$3,263 from fourth quarter motor vehicle fund collections, according to the state highway department. Net receipts of the department were \$29,700,924 for the quarter. This compares with \$27,084,596 for the last three months of 1953.

Civil Defense Study Starts at Twp. Hall On Wed., March 2

A series of weekly classes in civil defense will be held Wednesday evenings beginning March 2 at Novi Township hall, according to Ernest Pitchford, Novi civil defense chairman. The purpose of the meetings will be to instruct residents in emergency police work, first aid,

life saving and criminal law. The courses will last approximately nine weeks and are open to all residents of Novi township. An organizational meeting to lay out plans for the classes was held last Thursday evening at Pitchford's home, 1367 East Lake Dr. Local civil defense officers attending were John Flannery, director; Kenneth Bassett, head of wardens; Duane Bell, captain of first aid and life saving; Henry Turner, head of auxiliary police; and Clare Hellyer, chief of transportation. Also present were Lee BeGole and Harold Ortwine. The classes in civil defense

police work will be under the instruction of Lee BeGole and will consist of both classroom and actual field experience. Criminal law classes will be under the leadership of John Flannery, publisher of the Novi Citizen. Duane Bell will supervise the first aid and life saving classes. As many Novi residents as possible are urged to attend, according to Pitchford.

School Bond Issue for \$200,000 Sold To Chicago Firm

Novi School District No. 8 sold its bond issue of \$200,000 for a 10-room addition to the school to Barcus, Kindred & Co., a Chicago bond firm, which presented the most advantageous price to the district, compared with bids by five other groups. The sale was made Feb. 16. Coupon rates on the issue will be 2%, 2½, 2¾, 1% and 1¼ percent.

The financing through the sale of bonds was approved Sept. 29 last year by a vote of 147 to 24 when there was a small turnout at a special election.

Plans for a start on construction as early as possible will mean completion for opening next September. Charles Lane, Ann Arbor architect designed the structure, with one-story and all-steel frame, as a south wing to the main building, thereby preserving existing tennis courts and athletic field facilities.

The exterior will be brick facing. In addition, to up-to-the-minute building and educational features the new quarters will have locker rooms.

There were no funds available for such rooms when the Community building was planned. Since that time school athletics have reached an important part in community activities.

"Hot Seat" Fire At Novi Equipment

A genuine hot seat was encountered by members of the Novi fire department Friday evening at the Novi Equipment Co., 25460 Novi Rd.

William Welke, plant protection officer, reported at 7:05 p.m. that a late model sedan was on fire in the parking lot. Firemen arriving on the scene found the front seat in flames. The flames were soon extinguished. The cause of the fire was undetermined. Owner of the car was William P. Wines, 4350 Brophy Rd., Howell.

South Lyon School Visited By Group On Consolidation

Six members of the Novi School Study group visited the South Lyon school system Tuesday, Feb. 15 in an effort to gain additional information on their study of consolidated school districts.

The group is composed of representatives of each school district in the township. Some township residents have been in favor of a consolidation plan linking the Novi schools with a nearby community.

Other residents claim that the certain growth of the township in the next few years makes consolidation of all the Novi districts into a separate all Novi system feasible and possible.

The purpose and aim of the study group is to study the operations of nearby consolidated systems and come up with a consolidation plan of their own acceptable to all groups.

Representing the study group for the South Lyon visit were Mrs. Dora Ebe, Harold Miller, Paul Berra, William Mairs, Mrs. Andy Burgess and Mrs. Ross Correll. Frazer Staman, township supervisor, accompanied the group.

In January, the group visited the Huron Valley consolidated school system serving the Milford area.

Walled Lake OES To Serve Dinner

Members of Walled Lake chapter No. 508, Order of the Eastern Star, are serving a country style turkey dinner Sunday, March 6 at 1 p.m. and again at 4 p.m. Mrs. Ray Sheppard is general chairman, Mrs. Ray Eno, kitchen chairman, and Mrs. Charles Dill, in charge of the dining room.

Reservations may be made by calling Mrs. Lloyd Shipman, ticket chairman, Empire 3-3754; Mrs. Dwight Wiseman, Market 4-2268 or Mrs. Roy Sheppard, Northville 972-J2. The public is invited.

AmVets Dinner Set for Saturday

The Perry Kenner Post No. 76 AmVets and AmVets auxiliary will hold a benefit spaghetti dinner Saturday night, Feb. 26th, at their new building in Wixom. Dinner will be served from 5:30 until 8:00 and will be open to the public. Proceeds will be used to complete the furnishing of the Novi AmVets' new headquarters, formerly the Wixom Community building.

Miller Attends Tractor Preview

Harold Miller, owner of Miller's Farm Service, on Grand River Ave., plans to soon show the new 400 tractor manufactured by J. I. Case Co., Racine, Wisc. Miller has attended a preview for the model in Lansing.

In the 50-horsepower class, the tractor was first developed as a diesel, then the same features such as electric-hardened crankshaft with five bearings, were built into a gas engine, with adaptations for gasoline, LP gas, and distillate. Case has also introduced new Eagle Hitch mounted implements for the 400 model.

Confusion Compounded -- The Culprits

Pictured above are the two voting machine levers that caused so much confusion at Novi's primary election Feb. 21. Under the present election system, voters are required to vote either the Republican or Democratic ticket—not both. The above levers, if pulled, made it impossible to go astray and vote a split ticket. Many voters, however, forgot to pull the levers. Where the ballot specified "Vote for one", these impartial people did just that. They voted for one candidate in each party. And the voting machine didn't have sense enough to tell them they were wrong.

Banks Wins 2-1 In Novi Primary

Earl Banks, Novi township clerk, defeated Leo Harra-wood to win in his bid for renomination by the Republican party in a lightly attended but hotly debated primary election Tuesday.

The light attendance saw less than one in seven registered voters come to the polls.

The heat in the contest was furnished after the polls closed. Because of new voting machines being used in the election, there were about 35 more votes cast than there were voters.

This being a primary election, voters were supposed to vote either the Republican or the Democratic tickets. Two levers on the machines for this purpose were supposed to prevent the voting of a split ticket. Something went awry. Where the ballot specified "Vote for one", some voters did . . . they voted for one Democrat and one Republican.

According to township officials, any decision on the election will be up to Oakland County Clerk Lynn Allen. Because Tuesday was

Earl Banks a legal holiday, Washington's birthday, Allen could not be reached for comment.

Banks, Novi township clerk for the past 34 years, piled up 192 votes. Harra-wood followed with 93 votes.

In the Justice of the Peace race, William H. MacDermaid led the Republican ticket with 138 votes. John B. Flannery, his Republican opponent, received 117 votes. Herbert Koester, running unopposed on the Democratic slate, received 86 votes.

For trustee, incumbent Frank D. Clark led in the Republican race with 189 votes. Charles Trickey, Jr. totaled 171 votes. Virginia M. Noble, running unopposed on the Democratic ticket received 77 votes.

Results in the race for constable were as follows: Glenn C. Salow, Jr., 162; Harold Miller, 195; Wilber C. Patterson, 133; Duane Bell, 209; and Vernon C. Loeffler, 143.

For the office of township supervisor, Frazer Staman, running unopposed by either party, received 239 votes. Russell Woodworth, also running unopposed for township treasurer, received 230 votes.

Of the more than 2300 registered voters in the township, the light turnout saw only 305 voters cast their ballots. This included absentee ballots which are represented in the above totals.

Children Sculpture In Snow

"Snow People" of Re nown Visit Novi School

The entire school population of Novi school turned out Wednesday noon and magically the front lawn became a land of fantasy, snow-peopled with historic and story book characters.

Since February is the birthday month, Mrs. Wilcox's first grade constituted a huge three tired multi-colored cake.

Mrs. Crane's third grade placed Martha Washington there, radiant in her flame colored gown.

Mrs. Bentley's second grade molded two sheep and Mrs. Boyd's

group an elephant.

Mr. Knodle's eighth graders contributed some water craft and a mermaid.

Mrs. French's fifth grade depicted a scene from their social studies called Boonesborough, a figure of Daniel Boone and the fort he constructed in Kentucky in 1775.

Through this land of make believe whizzed a train made by Mrs. Salow's sixth grade.

The first grade went modern and made a statue of their teacher, Mrs. Garner. Down upon this scene looked the immortal Abraham Lincoln, beautifully sculptured by Mr. Griffith's seventh graders.

First, second and third prizes were awarded to sixth, seventh and fifth grades, respectively.

NEWS of NOVI

by Mrs. Luther Rix Phone Northville 245-J

Mrs. Paul Ginste returned last week from a three week's cruise on the "Empress of Scotland" in the Caribbean Sea. She visited Cuba, Haiti, Puerto Rico, Jamaica, Venezuela and Panama.

Mr. and Mrs. Edward Rix of Ann St., Plymouth were hosts to the members of their pinochle club Saturday evening. Mr. and Mrs. Woodrow Ross of Plymouth substituted for Mr. and Mrs. Russ Race, who are spending the winter in Florida. Winning first prizes

Mrs. Rix were Al Gow and Mrs. Otis Tewksbury; second prizes went to Mrs. Howard Greer and Otis Tewksbury. Consolation prizes went to Mr. and Mrs. Ross.

Mrs. Luther Rix visited her mother, Mrs. George Tobias at the farm home near Williamston one day last week.

The local chapter of the WCTU has been postponed until next month.

Mr. and Mrs. Leo Harra-wood entertained Sunday at a birthday dinner for 22. The occasion was the eighth birthday of their daughter, Debra, and the latter's niece, Bonnie Boundy, of Highland Park who was 11, and a nephew, Kenneth Roesler, who was 12. Other relatives present were Mr. and Mrs. Arthur Roesler of Detroit and Mr. and Mrs. Raymond Boundy and Mrs. Linda Wichline and Miss Jean Wickline of Highland Park and Mr. and Mrs. Jack Morris of Clark St.

Mr. and Mrs. Andrew McCollum celebrated their 48th anniversary Sunday, Feb. 20.

Rebekahs Dining Room Fund Rising

Because of bad weather conditions only 16 members were present at the regular meeting Feb. 10 of Rebekah Lodge. All members of the lodge were paying the \$1 assessment fee to help build the new dining room at camp, a voluntary "brick a block" campaign. The present building has been condemned by the fire department. The building is to be finished this spring in order to be open for summer camping.

The Past Noble Grands met last Thursday at the home of Mrs. Charles Trickey, Sr. on E. Grand River.

The Independent Rebekah club will meet at the home of Mrs. Blanche Clutz at Walled Lake. The theme will be funny hats with prizes given to the ladies wearing the funniest hats.

Novi Teachers Lead Sun. School Course

Sunday school teachers training classes will be held at the Walled Lake Methodist church, beginning Wednesday evening. Instructors are from the Flint Methodist church.

Lenten services will be held in the Novi Methodist church on three Sunday evenings before Easter, March 6, March 20 and April 3.

Mid-week prayer service and Bible study will be held at the home of Mrs. Edna Hill Wednesday evening.

World Day of Prayer will be observed Friday, Feb. 25. It was started 68 years ago by a group of women from the United States. Now 130 countries participate, all praying for world peace.

A carload of young people from the Novi Methodist church attended the Ann Arbor district youth rally Sunday afternoon. Mrs. James Wimmer furnished transportation.

Extension Group's First Meeting Mar. 1

A new extension group is being organized. It will meet at the home of their leader, Mrs. Rex LaPlante Tuesday, March 1.

In the group now are Mrs. George Mairs, Mrs. Jackie Wilenius, Mrs. Fred Loynes, Mrs. Royal Snow and Mrs. Jerry Kent.

The lessons are furnished by Michigan State college. The first lesson will be "Living Together in the Community". At the meetings once a month the hostess furnishes coffee and the guests bring sandwiches.

Norrin Addresses Farm Bureau

The South Novi Farm Bureau met Tuesday evening, Feb. 22 at the Novi Community hall. The speaker of the evening was Henry W. Norrin, who spoke on "Applied Social Security for Farm People".

Blue Star Party Nets \$100 for Veterans

The Novi chapter of the Blue Star Mothers had a successful card party at the Novi Community building Friday evening. They cleared over \$100. All the Blue Star Mothers contributed to the success of the project.

Those who were present besides the chairman, Mrs. Steven Stephens, were Mesdames Gardella, Walden, Fisher, Ginste, Smith, Ward, Rix, LaMontague, Tuck, Mandilk, Klasermer and Lockwood.

Contributing greatly to the success of the card party were the door prizes, generous donations of business people. Those who donated prizes were James Frisbie, Northville Florist, Ward's Store, Brader's store, Detroit Edison, Bell's Greenhouse, Watkin's Florist, Spicer Orchards, Johnson's Gift Shop, Rosewood Restaurant, Novi Hardware, Novi Auto Parts, Gunsell's Drug store, Saratoga Farms, Whitaker Dept. store, Mrs. George Lien, Mrs. Dirk Groenberg and a large

basket of food by the Blue Star Mothers local chapter.

Mrs. Fred Mandilk made and decorated two birthday cakes that were presented to Mrs. Harold Miller on her birthday that evening and one to Mrs. Leo Harra-wood for her daughter's birthday on Sunday. Mrs. Mandilk also made and decorated the doll cake which was won by Mrs. Luther Rix.

The money obtained from the party will be spent in hospital work for veterans of World War I and II.

AmVet Auxiliary Hears Reports On Projects

Perry Kenner AmVet Post No. 76 Auxiliary met at the home of Dawn Bailey on Twelve Mile Rd. Tuesday, Feb. 15. Doris Callan, child welfare chairman, reported presenting the Cub Scouts with flag covers and money for reference books at their annual Blue and Gold dinner Feb. 11. Jeanne Clarke, hospital chair-

man, reported attending a get-acquainted tea at Oakland county TB san. Feb. 3. Plans were made to buy curtains and pans for the post home kitchen. It was decided to make a contribution to the drum and bugle corps soon to be formed at school; also to give the Cub Scouts a treat on their trip to the circus.

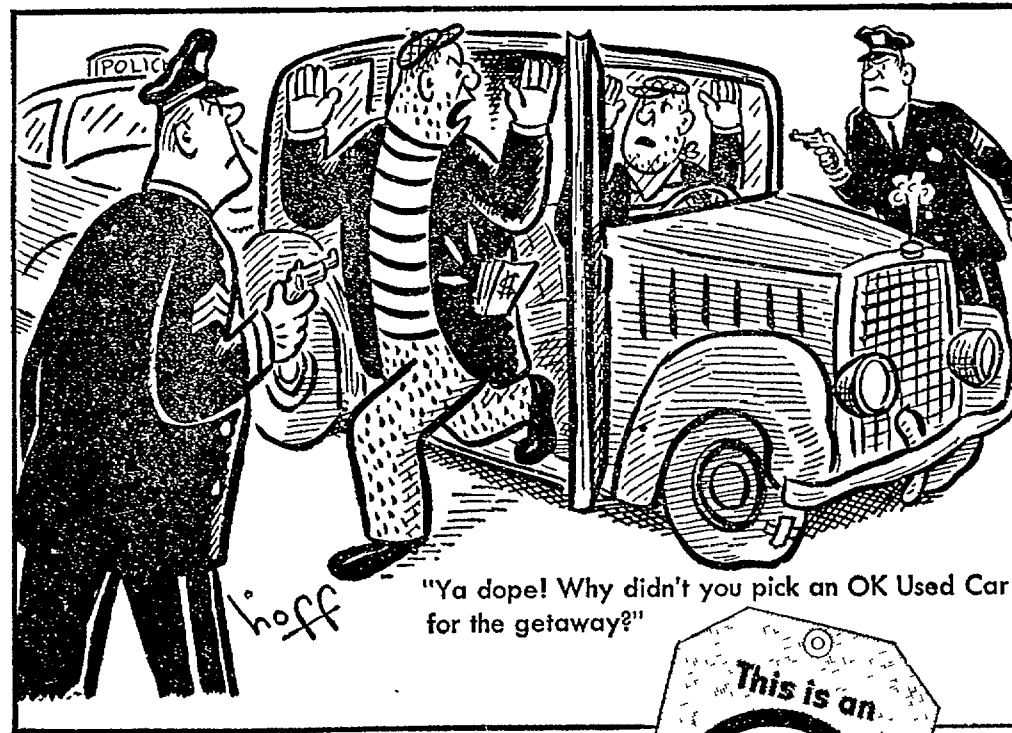

Plans were also made to obtain a drape for their charter in memory of one of their charter members, Mrs. Jean Momsen, who passed away recently.

Meeting was adjourned with closing prayer. Refreshments were served by Laree Bell and Dawn Bailey. The next meeting will be held March 1.

Father-Son Banquet On Sat., Feb. 26

A father and son banquet will be held in the basement dining room of the Novi Baptist church Saturday, Feb. 26. Mr. King will be in charge of the music and program.

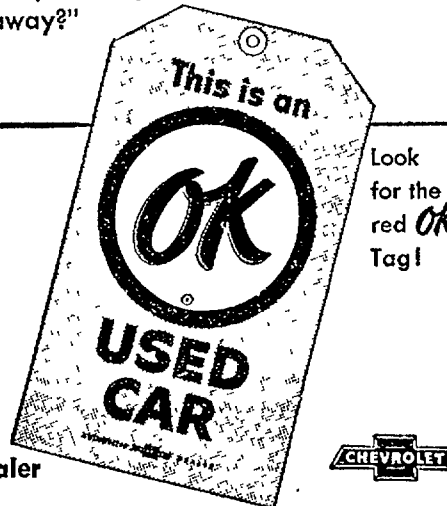

Mrs. Clyde Johnston and Mrs. Jack Bby are on the kitchen committee and Mrs. William Flint and Mrs. Leslie Clarke will direct the serving in the dining room.

Johnston Stresses Summer Program

"It is my belief," Recreation Director Stan Johnston said in a report to the Village commission that "young people are not spending enough time at home with their education."

He recommended that the department keep its activities at a low level during the school year because of the number of functions and activities carried on by the school during the school year. A full program of events and activities should be staged in the summertime, he said.

Also pointed out in the report was the need for recreational outlets for adults, which are often overlooked in the eagerness for youth programs.

Among the adult projects offered are shuffleboard, badminton, table tennis, handball, basketball, volleyball and other games. Several women are participating in these games which are held Wednesday evenings from 8 to 10.

Girl Scout News

Gathered by Karen Bayless
 Troop 11—Our patrols now have names, Happy Workers and Merry Makers. Linda McKinney brought the treat. We're working on our sewing and handicraft badges.

Scribe, Betty Stremich
 Troop 12—Wednesday, Feb. 9, we went out to Mrs. Dresselhouse's house. We made birdhouses and talked about our next badge which will be our dancing badge. We enjoyed cookies brought by Sarah Mellen.

Scribe, Sandra Philips
 Troop 13—We had our Valentine party Monday night. Mrs. Severence treated us to Valentine cookies, then we all had a lot of fun acting out pantomime skits. Each of us brought a Valentine for Shirley Dethloff, who had an operation for appendicitis.

Scribe, Sharon Johnson
 Troop 8—Our last meeting was held at Barbara Weiss' home. We had only part of the troop there so we just had a discussion. We had Girl Scout life savers passed out for each girl to sell.

Scribe, Karen Bayless
 Troop 14—We had a Valentine party, Valentine cake and ginger ale. We then played records and acted them out. We talked about our second class rank and badges.

OBITUARIES

CAROLINE NICHOLS
 Carolyn, 23-day old daughter of Mr. and Mrs. Olie Nichols of 359 Lake Drive, Walled Lake, died Feb. 18 at University hospital in Ann Arbor.

Besides the parents, a sister, Judy, survives.
 Prayers were said at 1 p.m. Sunday from the Casterline Funeral home and the body was sent to Five Points, Ky. for interment in Smith's cemetery.

JEANNE ST. CLAIR
 Jeanne Marie Monsen St. Clair, former resident of Novi, died in Los Angeles, Calif. Feb. 16 at the age of 33. She was born in Novi May 26, 1921. Her parents, Martin and Margaret Lake, are both deceased. Mrs. St. Clair had lived in Novi all her life until she moved to California three years ago.

Besides her husband, Robert, she is survived by a daughter, Sandra; a brother, Richard Lake in the U.S. Air Force; a sister, Mrs. Phyllis Solomon of Northville; a grandfather, Eugene Ver Duyn of Milford and an aunt, Bernadine Grant of Milwaukee.

The body was sent to the Casterline Funeral home Saturday and graveside services were held Monday at Oakland cemetery with the Rev. John Taxis officiating.

AMERICA'S FOREMOST FOOD RETAILER . . . SINCE 1859

THE GREAT ATLANTIC & PACIFIC TEA COMPANY

Urges New Homes, Modernization In '55 Building

Families in Northville desiring to build a new home or modernize an older one this year will find conditions more favorable than at any time in many months, according to Harold C. Church of the Nowels Lumber & Coal Co., local retail lumber dealer and member of the Public Affairs committee of the National Retail Lumber Dealers Assn.

"Building costs have become stabilized, time payment loans can be obtained on the most attractive terms ever offered, and the market offers a greater variety of good materials than ever before," Church said.

"In addition, the number of skilled workmen is at an all-time peak, which means the building work can be started and completed sooner and better quality of work is assured. Materials of all kinds are available on short notice.

"Buyers who take advantage of government insured or guaranteed mortgage loans to purchase new homes will find monthly payments at an all-time low because more time is allowed for repayment of the principal, and down-payments are the lowest ever offered.

"Home repairs and improvements can be paid for over a period as long as 36 months, and no down payment is required in many cases.

"Mortgage funds currently are plentiful, although further expansion in the high building rate experienced during the past year might bring back the shortages experienced some months ago. However, lumber dealers and other building industry organizations are cooperating to keep funds flowing steadily, even in smaller communities where shortages always appear first."

Technique Talks Slated By 35mm Camera Club

Beginners as well as advanced camera fans are invited to hear Kenneth and Lois Whittaker, professional photo-retouchers, who have been employed many years by Detroit's leading commercial studios. They will discuss photo-retouching and will demonstrate interesting phases of the art. The Whittakers will provide the program for the Northville 35mm Camera club Feb. 24, at 8 p.m., at Stone's Gamble store.

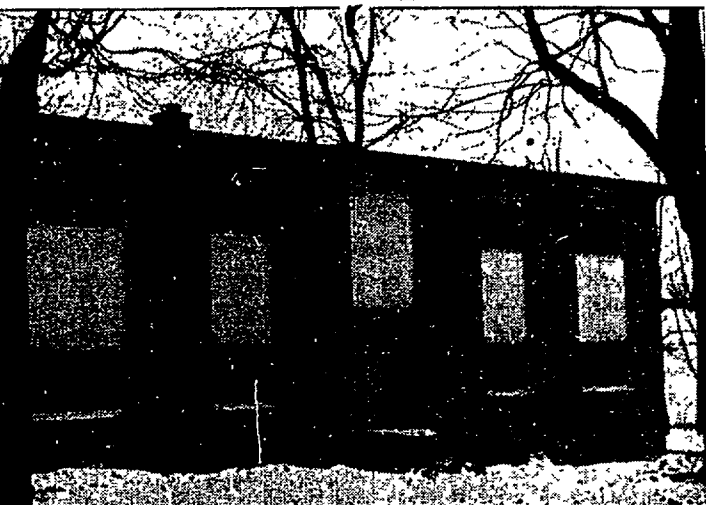

Their hobby is 35mm photography, both belonging to active camera clubs in Detroit.

Camera enthusiasts are invited to bring indoor films with them to the session March 3 when the "Majorettes" of Northville High school will pose. The group will be available for pictures from 7:30 to 8.

On the same evening Robert R. Wilson, sales manager of Argus Camera Co., will discuss the numerous ways in which 35mm cameras can be used.

Members will meet March 10 at the home of Dr. W. L. Howard where he will describe and demonstrate procedures on copying. Dr. Howard will also show scenes taken on a trip to the West coast.

New Clark Apartments

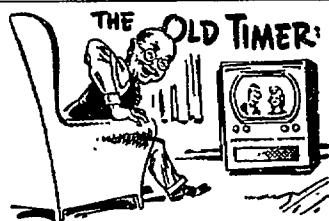

Four 4-room unfurnished units are in the Griswold Apartments erected at Griswold and Butler streets by George L. Clark, owner of George Clark Hardware Co. In addition to this first section, which was started last autumn the property has sufficient land for another 12 apartments. Malcolm F. Scott of Farmington was the architect. The apartments have been equipped with the latest facilities. Construction is of brick veneer.

CAR Show Offers Wide Variety Of Talents

A diversified program has been arranged by Plymouth Corners chapter of the Children of the American Revolution for its Annual Amateur Talent Scout show Saturday, Feb. 26 at 8 p.m. in the Northville Community building.

The acts are as follows: Carolyn Fellhauer, tap dance; Ann West, piano solo; Shirley and Lois Austin, singing duet; Michael Wallenmaier, song and dance man; Glenn Schultz, accordion solo, "Sabre Dance" and "Melody of Love".

Penelope Haller, Patricia Rykawska and Gloria Miller, tap dance; Bob Romp, Cameron Hudson, Dan Hargrove and Dick Man-

The beautiful Bel Air Sport Coupe with Body by Fisher

It's highway robbery!

For sheer fun out on the road, Chevrolet's stealing the thunder from the high-priced cars!

Up to this year, maybe there were reasons for wanting one of the higher priced cars. If you demanded something extra in driving fun... something really special in the way a car handled and felt and responded to your wishes... you simply had to pay a premium to get it.

Not any more! The Motoramic Chevrolet for 1955 has changed all that. In fact, it's stealing the thunder from the high-priced cars on their own home-grounds—out on the highway.

Talk about excitement! You have 162 high-compression horsepower under the hood with the

new "Turbo-Fire V8" (180 h.p. is optional at extra cost in all V8 models if you want it.) Or you can take your pick of two new "Blue-Flame" 6's—the hottest, highest powered sixes in the low-price field! Any one of these three engines brings you all the good things that come from Chevrolet's long leadership in valve-in-head design.

As for drives, just name it. Chevrolet offers new Overdrive, Super-Smooth Powerglide (extra-cost options), or a new and finer Synchro-Mesh transmission.

You're headed for fun in the Motoramic Chevrolet! You're headed for a ride such as you'd expect only in highest priced cars. You're headed for "heads up" stopping, too, and easier steering. All this, with Chevrolet's traditional economy. Come in and put this "show car" on the road!

WOMAN'S WORLD

Groom Yourself Now To Bring Forth Real Beauty

Few women are born beautiful. But good care and careful grooming can make most women beautiful or at least so attractive that people will think of them as beautiful.

The time to start putting yourself in shape for the newer, lighter fashions is right now. Winter may have worked havoc with your skin, your hair style may no longer be becoming and your figure may need a bit of reforming.

Skin and Hair
As the days become longer and sunnier, murky complexions will look even worse. The remedy? Try extra cleansings and plenty of rich creams or oils to get rid of winter dryness and scaling. The same goes for body skin, especially elbows, legs and hands which may have chapped and roughened during the cold weather.

Put the accent on plenty of green salads, fresh fruits and milk to help build beauty from within as well as without. Vitamins in fruit and vegetables are very beneficial to skin care.

Protect your skin against water, soap, detergents and weather by regular applications of a good lotion. Just as important as the use of a lotion is the careful drying of hands after they have been in water.

Nightly sessions with a bath brush on shoulders, scaly arm and legs, followed by a glossing with silk-smooth lotion will get you ready for those days when you go hoseless and in sunbaked dresses.

Use Single Recipe For Three Cookies

Cookie baking is simplified and the family's desire for variety satisfied with a single basic cookie recipe which may be varied very easily in three different, delicious ways.

Three-Way Cookies
½ cup butter
½ cup sugar
2 cups flour
¼ teaspoon soda
2 tablespoons grated orange peel

Clarke-Lapham Rites Read In Plymouth

Gowned in lace and net over satin, Maxine Clark became the bride of Charles P. Lapham at 8 o'clock Feb. 5 in St. John's Episcopal church in Plymouth. The Rev. David T. Davies read the double ring rites before 130 wedding guests.

Maxine is the daughter of Mr. and Mrs. John Clark of W. Six Mile Rd. Charles is the son of Mrs. Both Lapham of Northville and Maurice Lapham of Bay City. The bride's gown had a fitted bodice of satin covered with a net and lace high-necked and long-sleeved bodice. A full lace peplum fell over the net and satin skirt which was floor-length with a train. Her fingertip veil was held in place with a tiara of sequins and pearls. She carried white stephanotis and a white prayer book.

The bride's sister, Evelyn, was her maid of honor. The bridesmaids were Judy Sechlin of Plymouth and Nazera Shamee of Northville. All the attendants wore scarlet crystaletta ballerina-length gowns with net headpieces

½ cup orange juice
Cream together butter and sugar. Add flour that has been sifted with soda, alternately with orange juice. Blend in orange peel. Mix until smooth. Use for the following:

Spiced Cookies
2 tablespoons sugar
¼ teaspoon cinnamon
¼ teaspoon cloves
¼ teaspoon allspice
¼ teaspoon nutmeg

Mix above ingredients and work into one part of three-way cookie dough. Roll out on slightly floured board ¼" thick. Cut into 2-inch circles and place on greased baking sheet. Press blanched almond halves around edges, if desired. Use small piece of candied orange peel for center. Bake in a hot (400°F) oven for 10 to 12 minutes. When cool, brush with frosting made of ¼ cup confectioners' sugar and 2 teaspoons orange juice.

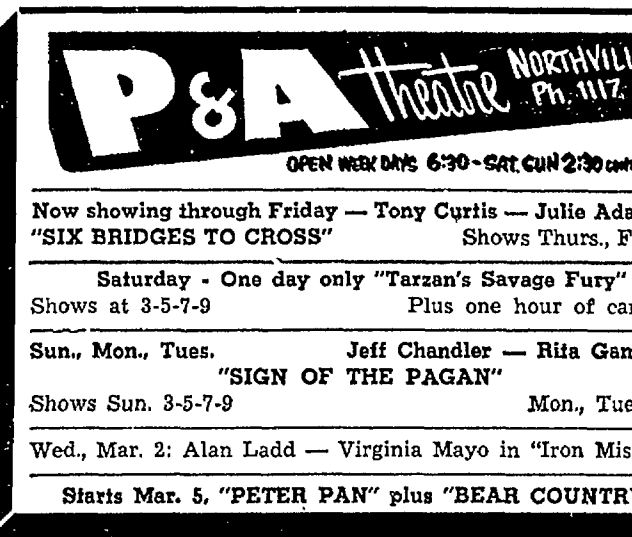

Filled Cookies
Roll three-way cookie dough thin. Cut into desired shapes. Place 1 tablespoon fruit filling or jam on centers of half the cookies. Cover with other half of cookies and press edges together with fork. Bake in a moderate (375°F.) oven for 8 to 10 minutes.

Good Market for Local Handicraft

There is a definite market for handicraft work in this area, according to Duncan Hursley, proprietor of the Early American Shop on S. Main St. in Plymouth.

Mr. and Mrs. Hursley and Mrs. Harold Hartley (Northville) have transformed an old Plymouth home into a shop featuring early American antiques. A very fine reproduction of an early American hand-carved pine framed mirror, pine table, chests and a few chairs are some of the articles on exhibit. Handicraft in-

cludes weaving, baskets, ceramics and hand painted china. Portraits done in pastel by Marion Sober are featured. Two French portraits dating back to 1830 are on display.

Local people interested in marketing their handicraft may contact Mr. Hursley.

Try New Way to Prepare Eggs

BY DOROTHY MADDOX

NOW is bargain time for eggs—one of our most important sources of top-quality protein. Hens are laying in record volume, and producers' prices are at rock bottom.

Here are some excellent directions for cooking eggs, prepared for us by Kathryn B. Niles, distinguished home economist of the Poultry and Egg National Board in Chicago. Nothing elaborate about them, but awfully good for family menus.

Baked (Shirred) Eggs
Break and slip 1 or 2 eggs into greased individual shallow baking dishes. Bake in slow oven (325 degrees F.) 12 to 18 minutes, depending upon firmness desired. Serve from baking dishes.

Variations:
1. Circle a strip of partially cooked bacon around edge of dish. Line bottom of dishes with buttered crumbs.

2. Line bottom of dishes with buttered crumbs. Place a slice of cheese atop crumbs, then break eggs into dish. Top with grated cheese or crumbs. Proceed as above.

3. Pour 1 to 2 tablespoons cream into each dish. Break eggs into dish and proceed as above.

Puffy Omelet
(2 to 3 servings)

Four eggs, separated; 1/2 teaspoon salt, 1/4 cup water, 1/2 teaspoon pepper, 1 tablespoon fat. Add salt and water to egg

Baked eggs for breakfast or lunch are an economy treat, and there's nothing elaborate about them.

whites. Beat until stiff and shiny and until whites leave peaks when beater is withdrawn. Add pepper to yolks and beat until thick and lemon-colored. Fold yolks into egg whites.

Meanwhile, heat fat in large skillet (10-inch diameter) until just hot enough to sizzle a drop of water. Pour in omelet mixture. Reduce heat. Level surface gently.

Cook slowly until puffy and

lightly browned on bottom, about 5 minutes. Lift omelet at edge to judge color. Place in a slow oven (325 degrees F.) Bake until knife inserted into center comes out clean, 12 to 15 minutes.

To serve: Tear gently, using 2 forks, into pie-shaped pieces. Invert "wedges" on serving plate so that browned bottom becomes the top, or omelet may be folded in half.

Proper refrigeration helps to maintain the original quality of eggs. Eggs may be stored commercially for several months at temperatures as low as 32 degrees F.

In the home, egg quality is maintained by storage in the refrigerator or at cool temperatures. Whenever possible buy eggs that have been kept under refrigeration.

Brilliant New Styling-Blazing New Power at everybody's price*

The 1955 Pontiac is evidence that price is no longer a factor in making the step to fine-car luxury and performance. Every new Pontiac you see emphasizes the fact that here is the most distinctively styled car of all. But Pontiac's brilliant styling is only part of all that's new and modern in this great General Motors masterpiece. A few

minutes behind the wheel provides the clinching evidence. Pontiac's mighty Strato-Streak V-8 responds instantly, whether you're in city traffic or cruising the open road. With Pontiac's new, bigger brakes and recirculating ball steering, handling is almost effortless. New wide-stance rear springs; roomy, luxurious Body by

Fisher and shock-proof chassis complete the fine-car picture. Normally, all this would add up to high price—but Pontiac has changed the pattern with prices that start so close to the lowest that if you can afford any new car you can afford the easy and satisfying step to Pontiac pride and distinction. Why not come in at your first opportunity and get the facts and figures?

Go Modern... Go Pontiac
 WITH THE SENSATIONAL STRATO-STREAK V-8

Three Great Lines—All with Strato-Streak V-8 Power 860... 670 and STAR CHIEF
 Engineering advances by the score have been incorporated in Pontiac's Strato-Streak V-8 to enhance even further Pontiac's reputation for economy, dependability and long, trouble-free life.

Northville Cagers Hold Clarkston To Slim 4-Point Margin In Important Game

Northville moved into Clarkston to meet the league leaders and lost 41-45 in an important battle to both teams. With most of the Milford team in the stands scouting the game, Clarkston was determined to make a good impression, as it will meet the colleague leader this Friday night to decide the championship of the Wayne-Oakland league.

With Cap Pethers, the 14-year old baby of the squad, leading the way, with four points, in the opening quarter, the Mustangs matched the mighty blue team with eight points.

In the second quarter, however, the pace quickened and Lanny Leak led Clarkston to a 24 to 20 halftime lead, with eight points, while teammate Johnston added six.

The Mustangs came out highly inspired at the beginning of the second half and scored 14 points to Clarkston's eight in the third quarter. The Mustangs led 34-32 as the buzzer ending the third quarter sounded.

In a nip and tuck fourth quarter Northville held their slim lead until late in the game. Then with only two minutes remaining Lanny Leak and George Lang led Clarkston to their ninth. Wayne Oakland victory with four points apiece. The Mustangs lost the range and were outscored 13 to 7 in the final quarter.

High men for Northville were Bell and Teshka with 13 and 12 points, respectively. Lanny Leak led Clarkston as he was high man of the evening with 14 points.

Mustangs Even Up With Holly Team, Victorious By 60-56

In their last home match of the season, Northville avenged their Jan. 21 defeat to Holly 60-56. In contrast to last week's rather slow style of play, this week's game was an action-packed affair.

Coach Kay, since it was the last home game, used all of the seniors during most of the game. The seniors and whole team were equal to the occasion and played a good game.

In support of this fact is that the field goal or shooting percentage, 40 percent, was about the highest it has been all season. The Mustangs hit 24 out of 60 attempts.

Northville held a lead throughout most of the game, although the lead was in danger of being taken away several times. Holly had quite a scoring potential and would have overtaken Northville if given much of a chance. But a unique aspect of the game was that Northville's baskets appeared to come at key times.

The score at the end of the 1st quarter was 18-10 in favor of Northville. Holly had opened the scoring with a free throw. Northville tied it up and fought off a couple of ties at the end of the quarter. Cap Pethers put in nine points in this quarter for the Mustangs.

Then Coach Kay substituted his reserves for a whole new line-up. The reserves, evidently fired up, increased the margin by three points, for a 30-19 halftime lead.

At the beginning of the second half the coach stayed with his seniors, although Holly is noted

as a strong second half team. Holly opened with the expected rally and gained back three of the 11 point lead. Paul Schulz found the range in the third quarter and got six points to preserve the Mustang lead. The quarter ended with Holly getting 19 points to Northville's 16.

The Holly coach substituted quite frequently in the third and final quarters trying to tire Northville. His plan was almost successful as the "Boughs" of Holly outscored the home team by four points, 18-14.

The game was marked by the return to scoring form of John Clarke, who got 16 points and was high man for both teams. This was the first game all year that all the Northville members who played, scored. Jerry Hunter and Norm Walek were high for Holly with 12 points apiece.

Following the Holly victory, Northville is tied with Keego for third place. The tie will be played off Friday, Feb. 25 in Keego Harbor's new gym. The first game starts at 7 p.m.

Colts Rare Up, Holly Withers

With Gary Holman sinking a drive-in shot in the last 20 seconds the Northville reserves won their eighth game of the season last Friday night by the score of 41-39.

Holly took a 14-4 lead at the end of the first quarter and the Colts fought back all the way to edge them out in the final seconds of the game.

The Colts hope to whip Keego tomorrow night at Keego Harbor for the final game of the season.

High School Exhibit Will Show 60 Photos from U. S. Contest

From all parts of the country several thousand boys and girls submitted photographs to the eighth annual (1953) National High School Photographic awards.

A jury of three judges selected a representative group of some 60 prints for grand awards, special prizes and honorable mentions. These prize winning pictures will be on exhibit at Northville High school March 1-15.

The collection of fine prints is a glimpse through the teen-ager's looking glass. It's a pictorial wonderland of personal experiences and interpretations.

This is GULF'S PLEDGE to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Refining Company.

New 1955 GULF NO-NOX

Always remember: Octane alone is not enough. Only a gasoline that burns clean can make its full octane power really work for you. New NO-NOX is super-refined to burn clean for lasting power. Fill up and feel the difference in:

- More complete protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in short-trip, stop-and-go driving motorists do most.
- Stall-proof smoothness... instant starts... fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

It's super-refined... to burn clean!
The '55 gasoline for all high-compression engines

Cadillac

The Story that Silence Tells!

You'll probably never hear a 1955 Cadillac. It is so wonderfully quiet in operation that you can detect only the soft whisper of the wind... and, occasionally, the pleasant song of the tires on the pavement. Insofar as the car itself is concerned, there is only—silence!

But listen, if you will, to the remarkable story this silence tells about the "car of cars."

"Here," it says, "is a mechanism so flawlessly designed and so faultlessly engineered that every component performs with absolute perfection."

"Here is truly scientific styling—so basically good and sound that there is literally no noticeable resistance from wind or road."

"And here is craftsmanship so superb and so pains-taking that not a trace of vibration can be heard."

And how eloquently it speaks of the satisfactions of Cadillac ownership!

It testifies to the rest and relaxation to be found at the wheel. It promises peace of mind... and greater driving safety. And it pledges dependability—and endurance—and economy of operation.

Clearly, no one can tell the Cadillac story as well—or as convincingly—as the car itself!

And if you haven't as yet "heard" this remarkable story, we hope that you will accept our invitation to come in and spend an hour at the wheel.

You'll agree, we're certain, that the 1955 Cadillac is its own best spokesman.

Devil's Food Cake

A good stand-by is Devil's Food cake and if you follow Mrs. Robert Orlick's recipe and use sour cream you will create a poem in pastry. Little Linda Jane, 10 months old, shown above with her mother, is too young for such rich desserts but it won't be long before she will be asking for second helpings of this delicious cake.

The Orlicks live on Romary Acres, Napier Rd.

1 1/2 cups sugar	1/2 cup cocoa
2 eggs	1 teaspoon vanilla
1 cup sour cream or 1/2 cup shortening and 1/2 cup sour milk	2 cups flour
1 teaspoon soda	1 teaspoon baking powder
	1/2 cup hot water

Cream sugar and eggs. Blend soda with the sour cream and add to batter. Mix cocoa and hot water and add this to the batter. Sift the remaining dry ingredients and mix all together.

This makes two eight inch layers or one large loaf. Bake at 350 degrees 25 to 30 minutes.

Mrs. E. V. Ellison Hosts Garden Club

The Northville branch of the National Farm and Garden club met Monday, Feb. 14 at the home of Mrs. E. V. Ellison on W. Dunlap St. Assisting the hostess were Mrs. John Burkman, Mrs. Harvey Whipple, Mrs. Ralph Hay, Mrs. H. G. Marburger and Mrs. Parker Holden.

There were 32 members and one guest present. For a Valentine exchange, the members brought a great variety of plants which were a surprise and delight to all who received them.

Mrs. George Alexander and Mrs. T. G. Hegge presided at the tea table decorated with roses under antique glass and from which dainty and colorful sandwiches and cookies were served, all in keeping with Valentine's day.

John Miller, the speaker, gave the Garden club members some very important information on the "When, Why and How of Pruning" and what to look for to be able to detect Dutch elm disease.

The March meeting of the Garden club will be held at the Northville Community building with Mrs. Paul Schulz acting as hostess. The speaker will be Millie Reynolds, who will talk on "Attracting Birds". At 3:30 p.m., the Bird House exhibit with Mrs. W. J. Jodway as chairman.

Assisting Mrs. Schulz will be Mrs. Charles Ely, Mrs. Glenn H. Cummings, Mrs. Robert Niemi, Mrs. Merner Eilber and Mrs. F. C. Zebornick.

Birdhouse Contest To Be Held Mar. 14

The bird house contest which will be held March 14, is sponsored by the Northville branch of the National Farm and Garden Assn.

It is conducted under the direction of Willard Renard of the public school industrial art department.

The contest will be held and the houses displayed in the lobby of the Community building. The public is invited to view the boy's work. Some of the houses will be for sale.

The ninth grade shop boys are building wren, bluebird and martin bird houses and bird feeders under the Detroit News contest specifications. There will be prizes of ribbons and money for different classifications.

Couple Wed In Angola, Indiana

Mr. and Mrs. Frank Bongiovanni, Sr. announce the marriage of their daughter, Lucy, to Charles Austin of Plymouth at Angola, Ind., Feb. 11.

The young couple will reside in Northville.

Mrs. Frederick Filer

Dearborn housewife says, "Hospital bills don't cost us borrowed money now!"

"It's the most wonderful feeling when you don't have to borrow money to pay hospital and doctor bills," says Mrs. Filer. "That's the way it is with us, now that we've got Blue Cross - Blue Shield. When I had to be in the hospital for forty-nine days . . . just the hospital bill was around \$1,000! We were completely covered, under our Blue Cross Comprehensive Contract. In addition to that, Blue Shield paid \$137 for medical services I needed. There weren't any forms to fill out, and we didn't have to wait for any payments. Everything happened automatically!"

What if this were your year to have a hospital bill? There's a 2 in 3 chance that it will be! Wouldn't you and your family be a lot better off if you had protection like the kind that saved over \$1,100 for Mrs. Filer?

Join the over 3 million Michigan people who have Blue Cross - Blue Shield. Find out how you can get low-cost group coverage for hospital and doctor bills. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross - Blue Shield, 441 E. Jefferson, Detroit 26, Michigan.

Mrs. Sober Presents Girl Scout Council Thanks Donors To Card Party

Mrs. Donald Sober, artist and lecturer, was the speaker at a meeting sponsored by the Sarah Ann Cochran chapter, Daughters of the American Revolution, Plymouth and Northville Feb. 21 at the home of Mrs. Robert Willoughby in Plymouth.

Presented by the J. L. Hudson Co. Speakers' Bureau, Mrs. Sober's theme was "Choosing Art Objects for Your Home". It was an informal discussion on one-of-a-kind decorating accessories in brass, ceramics, enamel, copper or wood.

Included in the discussion were points on how to use handmade art pieces in a room for added color and character with background material on the artist craftsmen, their lives, studios and the art they create. The program was dramatized with an interesting display.

HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three."

\$2251⁸⁸ puts it in your driveway!

Local delivered price of the 2-door, 6 passenger Buick SPECIAL Sedan, Model 59, illustrated. Optional equipment, accessories, state and local taxes, if any, additional. Prices may vary slightly in adjoining communities. Even the factory installed extras you may want are bargains, such as: Heater & Defroster . . . \$81.70; Radio & Antenna . . . \$92.50.

CHANCES are, you'll be way over if you *guess* at the local delivered price of a 1955 Buick. Most people are. And that's easy to understand when you look at a Buick. It's big, broad, roomy—powered for thrilling action. In prestige alone, it would seem to carry a high price tag.

But when you check into things, you discover this surprising fact: Buick is in the nation's top three when it comes to sales volume—and when it comes to low prices that make such huge popularity possible.

The price we show here is one proof of that. And an even bigger one is the soaring success of the 1955 Buick—hottest car in all Buick sales history.

So why miss out on Buick style and power and room and ride when you can have it all if you can afford any new car?

Why do yourself out of the fun and pride and deep satisfaction of bossing a big and brawny beauty like the one pictured here, when the dollars you pay for this Buick buy you so much more sheer automobile?

And why pay extra for things like direction signals, oil-bath air cleaner, full-flow oil filter, automatic lighting in the glove compartment—when such things, and more, are yours in every new Buick as standard equipment at no extra cost?

Drop in for a visit this week and start checking things.

We believe that when you look into this great car—when you see what you get for the low price you pay—and when you discover what happens when you nudge that gas pedal—you'll say it's gospel that Buick's the thrill and the buy of the year, hands down.

Thrill of the year is Buick

When? Where? How?

A moment of your time please, and a question or two. The Bible plainly says in John 3 that "Ye must be born again". It is the Divine Requirement for getting to Heaven, and no exceptions are made. Now let me ask you, "Do you expect to get to Heaven?" You do? Fine! Now let me ask you another question, "Have you been born twice? If so, WHEN? WHERE? HOW? You don't know? Why, friend, if you cannot answer the when, the where, and the how, the chances are that you have never been born again and the sooner you face up to it, the better. You will never get to Heaven without it. You can go to Heaven without being baptized or becoming a member of some Church, or without ever giving a nickel to the Church BUT you cannot get to Heaven without being born again. Jesus said so! Please do not confuse the new birth with reformation, resolutions, and determinations. The new birth is a new life imparted to your soul by God, the Holy Spirit. It is the gift of God to all sinners who will repent and put their faith in the Lord Jesus Christ. Read John, Chapter 3, and I Peter 1: 23-25 from your own Bibles and you will have the information you need.

WHAT WOULD YOU DO WITHOUT THE TELEPHONE? *

Moments of danger make the telephone's importance clearer than ever. Yet even in day-to-day living it proves its worth in countless ways. It runs errands for you, keeps you in touch with loved ones far away, brings good news. There's just no end to its usefulness. That's what makes it worth far more than it costs.
