## for the Record

by G. H. C.

The proposal for including Northville in a larger school district embracing the entire Northville-Nowi area, as detailed elsewhere on this page, may come as a surprise to many Northville taxpayers. Presumably, the plan is the best solution which the Area Study Committee proposing it can find to meet the pressing need for better schools in the growing area.

Lacking the intimate knowledge of underlying factors, which the committee must have developed, no outsider is in a position to pass judgment at this time on the basic soundness of the committee's proposals. No crystal ball is required, however, to forecast that the consolidation plan has little chance of becoming an actuality in the near future. Certainly it hasn't a ghost of a chance of adoption by July 1st, which is the date recommended by the committee.

Voters living in the established and well financed Northville school district, which for years has been taking tuition high school students from the outlying area, will quite naturally want to know if their taxes would be raised by becoming a part of the larger district now proposed. Perhaps this is a selfish, short range viewpoint, but it is one that cannot be ignored, especially as the Northville segment of the Area Study Committee withdrew from the study project several months ago, thus putting the rest of the committee on notice that Northville wasn't interested in the larger consolidation.

Another aspect of the committee's plan that will require considerable "selling" to voters in the Northville district is the proposal that the board of education of the proposed larger district appoint a seven-member advisory committee for a period of three years to represent the geographic interests in the district. Unquestionably, if the consolidation were to go through, and if such a committee were to be appointed, it should represent the geographic interests of the district. Still, the timing of the proposal appears psychologically unfortunate.

We are reminded of Frazer Staman's recent statement that "the Novi township board wasn't elected to sign away portions of the township." Staman's remark was made in connection with the desire of the promoters of the Yerkes subdivision adjacent to Northville to annex the area to Northville. Similarly, it isn't logical to expect the Northville school district to eagerly submit to becoming a small fish in a big puddle, no matter how worthy the cause.

In view of the withdrawal of Northville members of the study group some time ago, voters living in the Novi as well as the Northville areas, must wonder why the committee's report failed to include an alternate plan in case Northville won't agree to the over-all consolidation plan. With Northville's participation very questionable on the basis suggested by the committee, it would seem that the study group should have presented the alternatives which will confront the balance of the area.

### Local Possum Puzzled

Is He Posing Or Just "Playing Possum?"

Even the possums are puzzled by the weather lately. By all the rules, any sensible peace-loving possum should be all curled up in some quiet corner taking a long winter's nap. But not this possum. He was discovered late Saturday afternoon poking around the backyard of the John Stark family at 840 Scott St. in Northville.

Stark, whose hobby is photography, managed to get this fine close-up picture of Mr. Possum's Saturday stroll. For other photography fans, Stark says the picture was taken with a Speed Graphic camera using Royal Pan film, f22, 1/200 sec., with a flash bulb as a fill-in to supplement the available natural light.

After "playing possum" for about an hour, the visitor tired of the poke, prods and flash bulbs. He was last seen ambulating into the distance to wherever possums amble on a Saturday evening in the spring.

### Golden Anniversary Dance Set for April 16

The Northville Rotarians are sponsoring a Golden Anniversary dance to be given in the Community Bldg. April 16. This event is being celebrated nationally and commemorates the 50th year of the existence of the organization. A special stamp has been issued in Washington in honor of the occasion.

Harry Smith, president of the local chapter, announces that the WWJ-TV dance band with Jane Palmer, vocalist, has been secured for the evening.

### Langfield Heads Program for "Michigan Week"

Conrad Langfield

Conrad Langfield, head of Northville Laboratories, has been appointed chairman of Michigan Week activities in Northville by Mayor Claude N. Ely.

In announcing plans for observance of the week, State Chairman Russell Swaney, manager of the Detroit branch of the Chicago Federal Reserve District, said that the exchange of mayors between Michigan municipalities would be on Monday, May 2. Mayor Ely will trade spots with the mayor of Centerville. The week will start on Sunday with religious observances throughout the state, Swaney said.

### Dr. Hirsch Joins Staff of State Mental Hospital

Dr. Lore Hirsch, recently dismissed from her post as clinical director of the department of psychiatry at Wayne County General hospital, according to Dr. Philip of the Northville State Mental hospital, according to Dr. Philip N. Brown, superintendent.

Brown said that while Dr. Hirsch had differences with Eloise, that he was impressed with her background and training. He declined to comment the ouster.

She is a graduate of Heidelberg university, has taken post-graduate work at Bellevue hospital in New York City, and had been connected with a Veterans Administration hospital in New York state. Dr. Hirsch is also a diplomat of the American Board of Psychiatry and Neurology.

At the local hospital she will service the outpatient department, follow up persons in convalescent status and supervise residents and nurses under her. Compared with an annual salary of \$12,000 a year at Wayne County General hospital, she will receive \$10,000 at Northville.

### Krezel, Rambeau Win In Legion Speech Contest

James Rambeau and Kenneth Krezel of Northville High school, discussing "The Constitution", were winners of the oratorical contest sponsored by the Lloyd H. Green post of the American Legion. Paul Hammond and Charles Bahnmiller were judges.

Krezel was first in the contest for the 17th Congressional district competition staged at Plymouth. He will compete in further competition later this month.

### Mayor Claude Ely's Record Wins Salute From 75 Neighbors

There's an old saying: "Write Your Congressman", usually implying that some wrong has to be corrected. Sparked by an entirely different motive about 75 neighbors and friends of Mayor Claude Ely got together at the VFW hall last Sunday to tell Ely that he had been a good neighbor, a good friend and a good mayor.

The testimonial, a block party, conceived a few months ago, gathered momentum under the stimulation of Wilson Funk, Leland Smith, Allen Buckley and Elmer DeKay.

The program had a "This Is Your Life" theme that traced the Ely story: from boyhood, the Army, a position with Detroit Edison, the city commission, to the village's highest honor—mayor.

Subjects not touched on by narrators of Ely's life were covered in pictures. Bits here and there along the line in an interesting and fruitful life were recalled by Mrs. Harry Wagenschutz, Mrs. Elmer DeKay, Robert Ely, Mrs. Horace Boyden, Mrs. Ray Bogart, Gordon Allen, Robert "Pop" Ware of Rifle Lake and Ray Bogart.

Accorded solos were played by Glenn Schultz. Further appreciation of the mayor was shown in his receiving a gold cigarette lighter and other gifts. The committee expressed its gratitude to the Veterans of Foreign Wars for donating the use of its quarters.

Among the photographs was a group photo taken 45 years ago, when Ely had reached voting age. Posing in it were Ross Dixon, now a resident of California; Howard Whipple, W. Seven Mile Rd.; Milo White, deceased; Harold Tibbitts, Farmington township; Ray Bogart, Detroit; L. P. Stage, now living in California and Clyde Schults, W. Cady St.

HIS NEIGHBORS feted the Mayor of the Town at a surprise testimonial in the VFW hall last Sunday. A resident of the neighborhood most of his life, Ely was shown evidence of the esteem and appreciation his block holds for him. Left to right: Mrs. Elmer DeKay, David Hartner, Mrs. Harry Wagenschutz, Mrs. Claude Ely, Ely, Miss Sally Wagenschutz.

### Financing Plan for Improvements To Center Street Okey With County

Construction and resurfacing of Center St. this summer was assured Tuesday when the Board of Road Commissioners of Wayne County agreed in a phone conversation with Village Commissioner Earl Reed to allow the village to pay the first half of its share of the cost after tax collections, start about July 15.

At the regular meeting Monday night the village commission studied the agreement received from the road commissioners, which stipulated that half the cost should accompany the signed agreement to be returned to the county.

This procedure would call for a check for \$7,675, an amount which will not be available until new tax money is received. The commission decided Monday to request a later payment date. The balance of the project is due when the work is completed.

**Details of Projects**  
The agreement between Northville and the county highway commission calls for constructing a 37-foot concrete pavement from Cady St. to Edward N. Hines Dr., including curb and drainage structure.

Center St. from Main St. to Cady would be given a resurfacing treatment on the 36-foot existing pavement with one inch of asphaltic concrete.

### Plans Completed for "Spring" Dance

Mrs. Jack Reynolds, chairman for the Northville Mothers' club informal spring dance, has announced that Don Bernard and his orchestra will furnish music. The dance is to be held in the Community Bldg. March 19.

Proceeds from the dance will be used where needed in the new grade school on N. Center St. and for the milk fund for needy children which the club has sponsored for many years.

Mrs. Edward Angove is chairman of the ticket committee and Mrs. Karl Karg is publicity chairman.

### Legion To Help On Bonus Forms

The Lloyd H. Green post, American Legion, will distribute application blanks for the Korean bonus and aid veterans in completing them and provide notarization at the post when the blanks are available. They are expected soon.

Upon receipt of the forms here, the post headquarters will be staffed from 6 to 10 p.m. to handle the applications. A discharge of photostatic copy must be presented when the application is filled out. Officials of the post said they did not know when the forms will arrive here.

## Merger Of 6 School Districts In Northville-Nowi Area Proposed

A plan calling for consolidation of six school districts in the Northville-Nowi area, including Northville, by July 1, and for the construction of a new senior high school on a suitable site between Northville and Novi, was to have been recommended to the boards of education of the six districts Wednesday evening, March 9 by the Area Study Committee which has been surveying local school needs since last fall.

(Because the Record went to press before the meeting occurred, the results of this meeting cannot be reported in this issue.)

### Radio Station Plans To Scout Legion Talent Show

With March 12 as the deadline for entries in the amateur talent show under the auspices of the Lloyd H. Green post of the American Legion drawing close, Paul Burnham, chairman, said that at the first of the week there were 50 persons representing 47 entries and 17 types of acts.

In addition to Northville and Novi, the acts will come from Livonia, Farmington, Plymouth, Walled Lake, South Lyon and Clarenceville.

Both the elimination contest March 18 and the performance April 1 at the Community Bldg. will be scouted for talent by radio station WPON, Pontiac. Richard Kline, chief announcer for the station, will be master of ceremonies.

Entries from Northville and the surrounding community Monday included Janice Morgan, Joel Soule, Charlene McGee, Richard Drew, Glen Schultz, George Bennett, Leo Campbell, Jacquelyn Sharp.

Judy Leavenworth, Dave Hartner, Fred Schultz, John Clark, Roger Niuewkoop, Jeff Schoof, Roberta Schroeder, Kathleen Leavenworth, Norman Somers, Shirley Snow, John Funk, Mike Willis, Sandy Morse, Phil Boeke, Dennis Proctor and Lois Rody.

To be eligible for competition for the \$250 in prizes, entry blanks must be left at the Record office before noon Saturday, March 12 or at the post office not later than 4 p.m. that day.

The most numerous entries are from vocal quartets and soloists and piano soloists.

### Inter County League To Start Sun., May 1

The Inter-County Baseball league met in Plymouth Sunday and started plans for the coming 20-game season beginning May 1 by electing last year's officers. They are Clarence Levandowski, Plymouth, president; Percy Bassett, Plymouth, vice-president; Earl Gray, Plymouth, secretary; and Ray Levandowski, Dearborn, treasurer.

Represented in the league are Northville, Plymouth, Farmington, Wayne (two teams), River Rouge, Wyandotte, Garden City, Allen Park, Redford, Detroit (Automobile Club of Michigan, 1954 champion), Dearborn and Belleville.

Playoffs will begin the first Sunday in September, with a 500 percent average required for qualifying teams.

The plan was submitted to the Northville Board of Education Monday evening, together with an invitation to attend the larger meeting in the Novi Community Bldg. The Northville board reminded the committee, however, that Northville decided several months ago that its district was not interested in consolidation and had withdrawn from the study committee at that time.

The committee's recommendation was that Northville, Novi No. 8, East Novi No. 2 Fr'l., Durfee No. 6 Fr'l., Chapman No. 7 and Putnam No. 9 school districts be consolidated into one administrative unit for educational purposes, and that a 7-member committee of citizens be appointed by a newly formed board of education for the district to act as an advisory group for a minimum period of three years. It asked that this advisory board represent the geographic interests in the district.

It also recommended that the elementary school buildings in use in Northville and Novi continue in use for elementary educational purposes and that the Chapman one-room building be used as long as it is needed.

Northville's present senior high school, under the committee's plan would be converted into a junior high school as soon as a new high school could be built. It recommended that the present junior high school grades 7 and 8 be retained in the Novi school building during the period of construction of the new senior high school.

As a site for the new high school, the committee suggests 40 acres between Northville and Novi, to be selected after consideration of the population distribution of the new school district.

The study of area school facilities started last fall with representatives of the Northville school district participating along with those from the outlying territory. The nine members of the committee from Northville took part in the early discussions but withdrew after considering the over-all problem from Northville's standpoint.

### Land Use Survey Set By Board

Shortly after the new zoning ordinance becomes effective March 23, possibly within a week, a survey of land uses, including inspection for non-conforming uses, will be started, the Northville Township Zoning board announced at its meeting Tuesday night.

Don Nutting, township building inspector since 1949, who will assist the board in the survey, was briefed by its members on the new regulations at the meeting.

### FIRST ROBIN REPORT

W. A. Cook of 242 S. Center and Mrs. Joseph Miles of E. Eight Mile Rd. reported seeing robins last week.

Reading from left to right: Clarice 13, Thomas 8, and David 3, children of Mr. and Mrs. August Wickie. William 9, Patricia 5, Tommy 3, children of Mr. and Mrs. William Higgins.

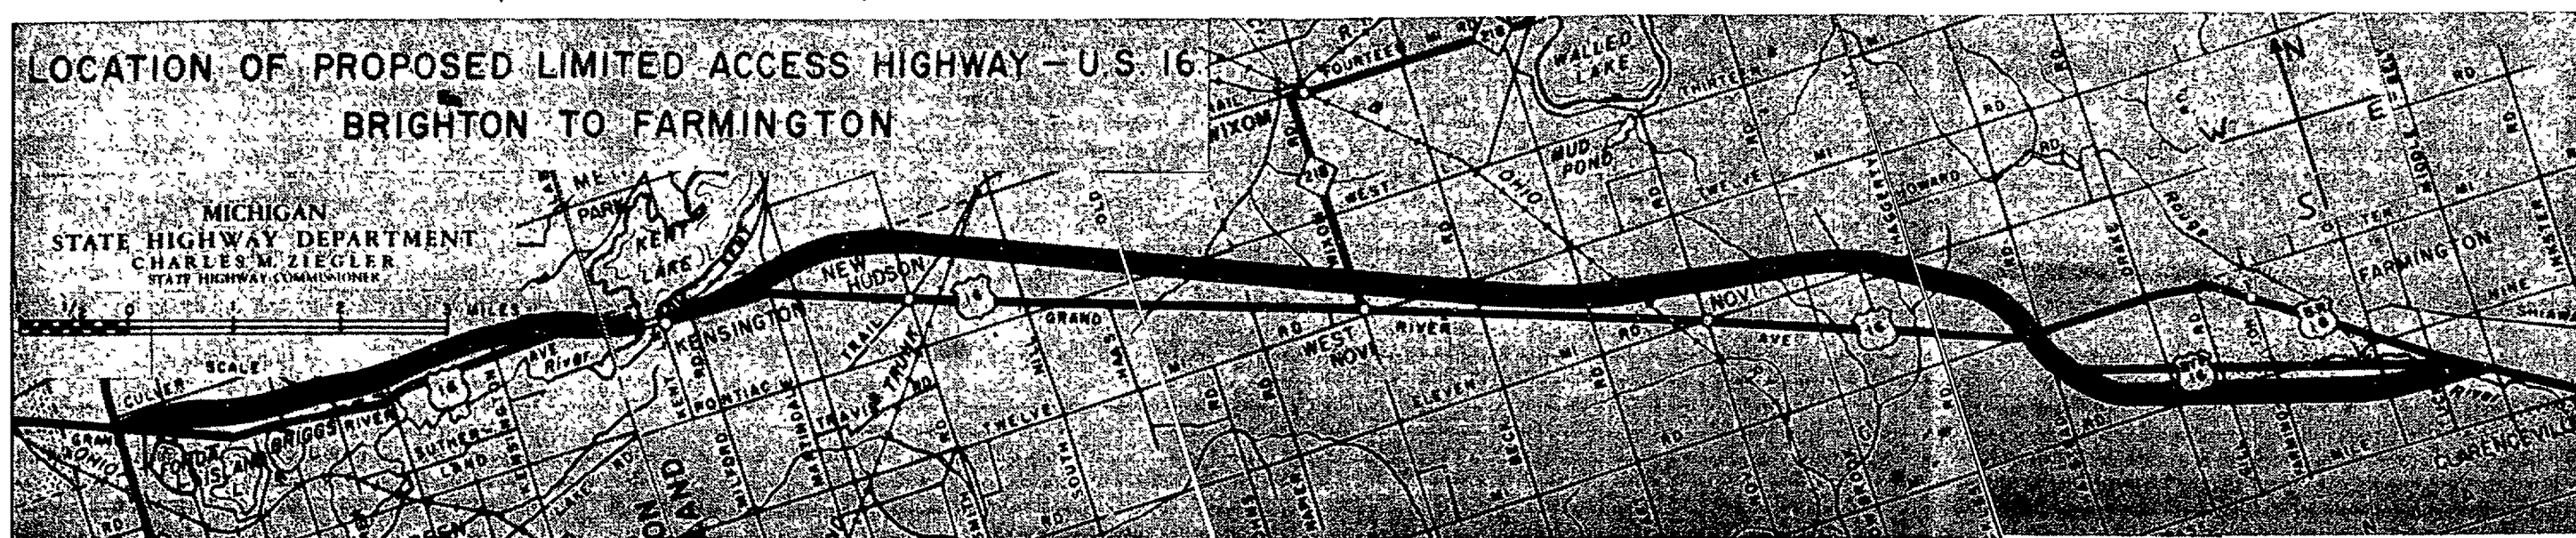

What's going on among your friends? The Record wants to print all the news each week about our Novi neighbors. Phone Mrs. Luther Rix, 245-J, or the Record office, 200 and 1101, so we'll be sure to know the news.

## ROUTE FOLLOWED BY NEW US-16 HIGHWAY

### Plans Laid To Paint Novi Baptist Church

The homemakers class of the Novi Baptist church held a meeting on Saturday evening in the church basement. Plans were discussed for painting the walls, floor and furniture in the basement.

The next meeting will be held Friday, April 1.

The Novi Girl Scouts, Brownies, leaders and committee women will attend church in a body at the Novi Baptist church on Sunday, March 13.

### Fred Soloman Speaks At AmVet Meeting

Novi AmVet Auxiliary of Perry Kenner Post No. 76 held a special meeting at the post home Tuesday, March 1. Fred Soloman, AmVet Service officer, gave a talk regarding benefits derived from membership in a veteran organization.

Chaplain Arline Rippey and President Audrey Ortwin participated in the ceremony of draping the charter in memory of one of the charter members, Mrs. Jeanne Mommson St. Clair. The evening was concluded with refreshments served by Mrs. Doris Callan and Mrs. Irene Wendland.

The auxiliary and post will hold a joint meeting Monday, March 7 at the home of Mr. and Mrs. Harold Ortwin.

Plans were discussed for a dance to be held March 19.

Reports were given on various money making projects during the month. Motion was made to have a display at the 4-H pre-achievement day March 25, and plans were made to attend the opening of the Bemis Olson post home in Pontiac, March 13. Refreshments were served by Mrs. Ortwin and Mrs. Bell.

### Sixth Grade Gives Desk and Table

The sixth grade Busy club has earned more than \$100 on its greeting card sale. The actual amount will be given as soon as all money is turned in.

With the money earned, it will purchase a desk and table for the library.

### NEWS of NOVI

by Mrs. Luther Rix  
Phone Northville 245-J

Mrs. Steve Hicks is ill at her home on Eleven Mile Rd.

Miss Hattie Bailey of Detroit spent Saturday at the home of her brother and sister-in-law, Mr. and Mrs. K. Bailey.

Mr. and Mrs. Doyce Ward and daughter, Denise, attended a birthday celebration for the latter's two sisters at the home of a brother-in-law in Dearborn Saturday night.

Mrs. Leo Harwood has been on the sick list for the past few days.

Mrs. Rix and Mr. Alfred Gow had a family gathering at their home on Novi Rd. Sunday. Present were Mr. and Mrs. Alfred Gow, Jr. and sons, Michael and Craig, of Redford; Mr. and Mrs. Robert Mafr and son, Dennis, of Farmington Rd. and Mr. and Mrs. Arthur Walker of East Lansing.

Mr. and Mrs. Burton Munro are expected home the latter part of this week from Reo Hondo, Tex. where they have been visiting the former's son, James, and his family since the early part of February. The Munros also visited Mexico.

Lydia Munro, daughter of Mr. and Mrs. Brent Munro is recovering from a serious ear infection.

Mr. and Mrs. James Walden and son, Jimmy of South Lyon spent Sunday with Mr. Walden's parents, Mr. and Mrs. Ralph Walden of Twelve Mile Rd.

Mr. and Mrs. Ed Branch and Mr. and Mrs. Dan Linder spent Sunday visiting a cousin, Mrs. Belle Bates in Flint.

Monday evening, Mr. and Mrs. Ed Branch had a dinner party for the family to celebrate the wedding anniversary of Mr. and Mrs. Branch, and also the wedding anniversary of Mrs. Branch's parents, Mr. and Mrs. Dan Linder, and the birthday of Mr. Linder.

The children and grandchildren present were Mr. and Mrs. Keith Branch and two sons and Mr. and Mrs. Duane Branch of Plymouth.

Leola Neely returned to Ann Arbor hospital Monday, March 7 for additional surgery. Cards would be appreciated.

### Graders To Stage Operetta Sat.

The operetta, "Days o' Kerry Dancing", will be presented in the Novi Community Bldg. on Saturday, March 19 at 8 p.m. by the sixth, seventh and eighth graders of Novi school.

Some of the cast include Granny O'Malley, Claude Mairs; Patrick O'Malley, Richard Schmieder; Nora, Judy Wood; Eileen, Bonnie Bellinger; Pat O'Malley, Steve Spizak; Rose O'Malley, Sharon Clark; Dinny Sheeley, Carl Leavenworth; Princess, Jackie Bailey; Prince, Tommy Schrest.

There will also be Leprechauns, Goblins and Fairies.

### Plans Launched for School Fair On Friday, May 6

The Novi Mothers' club again will sponsor the annual School Fair May 6, in cooperation with the Novi school faculty.

The following teachers and their committees have selected these activities:

Kindergarten, movie and string ball game, committee, Mesdames Sharpe, Willacker, Arnold and Stevenson.

First grade, bake shop, committee, Mesdames Garner, Ritter, Rice and Smith.

Second grade, grab bag table and games; committee, Mesdames Bentley, Krug, Dye and MacDearmaid.

Third grade, white elephant and wishing well; committee, Mesdames Crane, McCollum, Harwood and McGilvray.

Fourth grade, fudge, ice cream, pop corn, games and fortune teller; committee, Mesdames Wilcox, Taylor, Hayes, Mairs and Paquette.

Fifth grade, kitchen; committee, Mesdames French, Lien, Edelman and Sientz.

Sixth grade and Mrs. Boyd's first and second grades combining for a gift shop. Classes will sponsor own games. Committee, Mesdames Salow, Boyd, Bailey, Trotter, Loynes, F'Geppert, Clarke, Smith and Schenimann.

Seventh grade, games and souvenirs; committee, Mesdames Griffith, Coleman, Pratt and Kolik.

Eighth grade, greenhouse, fish sale and spook house. The girls are making corsages. Committee, Knodle, Crawford, Leavenworth and Snow.

The various committees would appreciate any items suitable for their projects. Suggestions and constructive criticism will also be welcomed.

Mrs. Russell Taylor is general chairman.

Beat the Easter Rush with your spring dry cleaning.

We operate our own cleaning plant.

FREYDL'S CLEANERS

### Novi Scout News

Brownie Troop No. 493 held election of officers at their meeting March 2 in the basement of Novi school. New officers are: president, Christine Larson; secretary, Leola Neely; treasurer, June Loynes; clean-up, Dawn McCollum. Treats were by Margurite Miller. They also had a discussion of the birthday party and rehearsed songs for the party.

Brownie Troop No. 492 met at Novi school in the cafeteria. The girls worked on the birthday party to be held at the Novi Community Bldg. March 18.

Troop No. 491 worked on bill-folds in the seventh grade room at their meeting March 2. Mrs. Mary Guntzville assisted leader, Mrs. Vivian Coleman. Due to illness, Mrs. Harwood could not be present but sent treats to the girls.

Troop No. 490 met in the Community Bldg. Wednesday. The girls are to be responsible for the table decorations for the birthday party so discussions were held on that. They also rehearsed their song for the Girl Scout Sunday program to be held at the Novi Baptist church Sunday, March 13.

Troop No. 456 also met in the Community Bldg. and worked on programs for the birthday party. They joined Troops 490 and 493 in working on songs for the birthday party.

Troop No. 602 met in the kindergarten room March 2. The girls made babushkas, using crayons, on prints. Mrs. MacGillivray assisted the leaders. The girls made plans to attend a television show. One of the Brownies, Helen Jean Steinhagen is ill in Ann Arbor hospital.

Senior Troop met at the home of Mrs. Florence Hayes. They had election of officers. Elected were president, Carol Wendland; vice-president, Judy Wood; secretary, Suz. Mairs; treasurer, Claudia Mairs; scrapbook, Sandy Moody; luncheon roll, Jackie Bailey; yearly chart, Kay Ray. The new Senior leader is Mrs. V. Bellinger. Judy Wood served cookies.

A new Senior guest arrived from England, Pamela Reed, was

### Novi School News

The Novi school board of education has added about 65 new books to the school library.

Ruth Boldt, who has been a pupil in the fifth grade, has moved to Romeo. Her classmates gave her a farewell party Thursday at the Four and One club. Cake and pop were served by Dennis Marshall and his committee.

Mrs. Meyers, former teacher of Novi school, visited the third grade last Tuesday.

Mrs. Crain's children are busy making donkey and fish of paper mache for the operetta.

The "N" club of Novi school will have a fun night as a money making project April 5.

Noel F'Geppert and Orin Stader of the sixth grade have perfect attendance for the school years so far.

Linda Loynes, Janet Sharpe, Noel F'Geppert, Tommy Darling and Michael Eby have a B or better average on their report cards for this marking period.

The fifth grade welcomes Ross as a new pupil from Walled Lake. James Frisbie, fifth grader, is ill with the mumps.

Virginia Early is a new pupil in the fourth grade.

Fourth graders on the sick list are Virginia Pounders, who is ill with scarlet fever; Rita Crawford is home ill with the mumps, and Lisa Schwartz and Mary Larnee are sick with the flu.

Fourth grader Robert Boldt has moved to Romeo.

Quite a few children are absent from Mrs. Boyd's room with tonsillitis and mumps. Patty Dye is in the hospital where she underwent a tonsilectomy.

The first grade children are working on their third set of reading and work books.

welcomed into the troop. She was a former Girl Guide. The Seniors are planning on taking the first aid course starting next week.

Mrs. Mae Skellinger reports delivering of Girl Scout cookies now ordered will be available during the week of March 14. Reorders of cookies may be had by calling Mrs. Skellinger anytime until March 29.

All Brownies, Girl Scouts, leaders and committee women are planning to attend services at the Novi Baptist church March 13.

### Church Service Marks Start of 4-H Week

The 4-H club girls and boys started National 4-H Club week by attending church in a body at the Novi Methodist church.

Local organizations are invited to have exhibits at pre-achievement day March 25 at the Novi Community Bldg.

Last week 14 members of the 4-H club handicraft went to the Dearborn Leather Co. to study leathercraft. Mrs. James Cotter and Mrs. James Wimmer accompanied the young people.

The 4-H Sewing club meets on Saturday afternoons at the home of Mrs. Celia Sharpe to work on clothing and knitting.

### Novi 4-H Girls To Host Other Clubs March 25

The Novi 4-H girls (Country Slicks) have invited all 4-H clubs in southwestern Oakland county to take part in pre-achievement day program in the Novi Community hall at 8 p.m. March 25, according to Mrs. Sarah Wimmer, leader of the Novi group.

The meeting will give Novi girls, and those from other clubs, an opportunity to model dresses and other items of apparel which they have made in their sewing projects this winter, Mrs. Wimmer

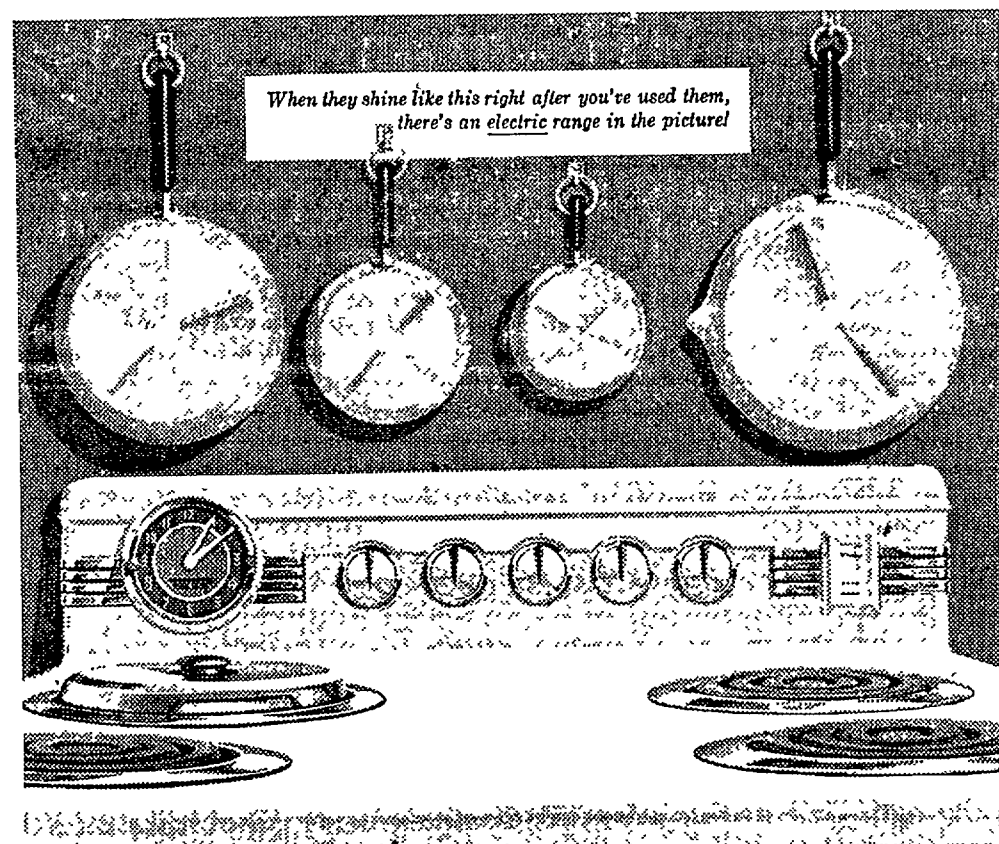

March 22, the 20 members of the girl's 4-H club who are competing, will meet at the home of their leader, Mrs. Wimmer.

The present leader of the boy's 4-H club is Jack Applling, and his assistant is James Wimmer.

states. By this means they will get experience and gain confidence when they enter the county 4-H competition at Pontiac the following week.

Following the dress rehearsal there will be a dance. Cookies and coffee will be served. Admission will be 35c for students and 50c for adults.

# Speakers Outline Plans for New US-16 Hwy.

Detailed plans for the new US-16 limited access highway were outlined by two representatives of the Michigan State Highway Dept. last Thursday evening at the monthly board of commerce meeting in the Novi Community Bldg.

Carl Weber, assistant chief engineer, and Ed Bellenbaum, route location engineer, presented detailed plans and explanations of the new multi-million dollar highway project.

According to Weber, the decision to make the road a limited access highway following an entirely new route was determined by several factors. First, the federal government will pay 80% of the costs of newly constructed interstate highways, provided these new roads are limited access highways.

Detailed studies, according to the federal government, have shown that limited access type roads save money through substantially increased capacity. They claim that a limited access road can handle approximately three times as much traffic as a similar road with access at every intersection and place of business.

When faced with the problem of an ever increasing amount of traffic on the present Grand River, federal and state highway authorities decided that any widening of the present route would only serve as a stop-gap measure, and that in another five years, the same overcrowding would again exist.

They cite the widening of certain main arteries in downtown Detroit soon after the war. Temporarily, they relieved the congestion, according to Weber, but now less than 10 years later, the amount of traffic has increased to the point where the situation is worse than before. This is due, primarily, to the tremendous increase in the number of vehicles on the road today.

In addition to being a sounder investment in future needs, highway authorities have found the limited access roads are less liable to disturb community planning and development.

Long term studies of limited access highways by the states of Texas and California have come up with substantially the same

findings. They find that there is less congestion on the other roads in the areas served, more business develops, land values increase, and community planning is helped instead of hindered. However, some businesses such as restaurants, motels, and service stations are necessarily harmed, the studies point out.

If the present Grand River site was to be converted to a limited access road, a service road would have been needed on each side to handle local traffic, Weber said. This would mean much valuable commercial property would have to be removed. It would also mean that one of the busiest arteries in the state would be torn up for several years while construction was under way. The detour itself would be very expensive.

Therefore, the decision was made to build the highway along a new but parallel route in a less expensive location. According to Weber, the north side of Grand River was chosen in the Oakland County area because of lower land values and more favorable geographical factors.

Bellenbaum outlined the route the new highway will follow. A 15-foot long map was mounted on the wall for this purpose. The southern intersection of the road will be at Middle Belt Road and Grand River.

It will run parallel to and just south of the Farmington cut-off, which will become a service road. At the western end of the cut-off, the road will swing across Grand River and follow a parallel route 1800' to 2000' north of the existing route as far as Kent lake, where it will swing down close to Grand River for several miles. Then it will swing north again following

# Novi News

RAIN, MUD, and SNOW failed to halt construction crews during their first week's work on the new \$200,000 Novi elementary school addition. By the week's end, work was well under way on the new building, which is expected to be ready for occupancy this fall.

a parallel course until it again intersects Grand River and terminates just east of US-23.

Access points to the new road in this area for both east and west bound traffic will be at Farmington Rd., 9 Mile Rd., 10 Mile Rd., Novi Rd., and Pontiac Trail which will be re-routed to join with Milford Rd. Several other roads will have access for traffic going in one direction only, while lesser roads will be blocked off entirely.

Bellenbaum stated that planning, designing, and surveying of the new road began two years ago. If enough right-of-way can be purchased this spring, the highway department hopes to do much of the work this year on the grade separations and intersections.

To speed work along, extra people have been employed to help the state in their land buying work. Outside consultants are helping in the designing of bridges.

In line with the policy of planning not only for the present but

for future needs as well, the 4-lane divided highway will have room enough on each side for an additional lane if and when necessary. All overpasses and underpasses are being built with this possibility in mind.

According to Weber, the state hopes to have portions of the new road open to traffic in 1956.

In 1954 the International League of Red Cross Societies was enlarged to 73 members with the recognition of the National Red Crescent and Red Cross Societies of Afghanistan and the German Democratic Republic.

## Flapjacks Followed By Ferndale Five

The Methodist church will serve a pancake dinner this Saturday night at the Novi Community Building followed by square dancing. Dinner will be served from 5:30 until 7:30.

From 9 until 1 there will be square dancing featuring the music of Floyd Snyder and his Ferndale Five.

The first woman student at Michigan State college was admitted in 1870.

## 73 Attend Novi Bd. of Commerce Dinner Meeting

Seventy-three members and guests discussed everything from schools to highways at the monthly board of commerce meeting last Thursday night at the Novi Community Bldg.

The featured speaker for the evening, Charles M. Ziegler, state highway commissioner, was ill and unable to attend the meeting. However, he sent two representatives who outlined plans for the new road and conducted a question and answer period after the program.

Speaking on the new limited access highway were Carl Weber, assistant chief engineer, and Ed Bellenbaum, route location engineer.

Considerable discussion arose when President Leo Harwood announced that the speaker for the next Board of Commerce meeting Wednesday, April 6, would be Dr. William J. Emerson, superintendent of the Oakland County School District. Emerson will discuss the possibility of a high school in Novi in the future, according to Harwood. This meeting will be open to the public. Since a large attendance is anticipated, dinner will not be served. The exact time of the meeting will be announced later.

Some members of the board of commerce felt that it was not in the best interests of the commu-

## Toastmasters To Meet Weekly

William MacDermid, president of the Novi Toastmasters club, announced that the Toastmasters will hold weekly meetings at the Community Building every Friday night, 7:30 until 9:30.

Anyone interested in learning to speak effectively before groups is urged to attend. Coffee and donuts will be served after each meeting.

nity to have such a public meeting at this time. They pointed out that a special school study group was appointed to work on this problem and come up with an answer. This study group, which has been investigating the problem of schools for Novi for about one year, is reported sharply divided in its findings.

A special vote was taken on the matter. Twenty-five members were in favor of having Dr. Emerson speak to an open meeting of Novi citizens. Seven members were opposed. Dr. Emerson will speak as planned.

A merit award was presented to the Novi board of commerce by the Novi AmVets on behalf of their organization. The award was for outstanding community service which the board of commerce has strived to promote in recent years.

The dinner was served by the members of Novi Mothers' club.

## Soot Doesn't Suit Firemen Called To Seeley Fire

A chimney fire which proved more dirty than dangerous sent members of the Novi fire department heading for the showers after answering a call from the E. H. Seeley residence at 25640 Seeley Rd. last Saturday morning.

From the amount of smoke in the sky, many residents thought the whole eastern end of the township was on fire. However, the fire fighters found only an accumulation of soot in the chimney, according to Dept. of Safety officials.

Chief Glenn Salow climbed up to the chimney top and attempted to dislodge the soot with a brick on the end of a long wire. This was apparently destined to succeed until the brick got stuck.

Then, assisted by John Killeen, Salow used a large towing chain to dislodge the brick and the soot. The dirtiest point in this filthy story came when someone inside the house opened a draft door and sent the soot and smoke skyward into the faces of the firemen.

First and Third Tuesday of Each Month.

## NOVI TOWNSHIP BOARD OF REVIEW MARCH 14 and 15

The Novi Township Board of Review will meet at the Novi Township Hall at 25850 Novi Road, between the hours of 9 A.M. and 4 P.M. on the above dates for the purpose of reviewing the assessment rolls of Novi Township.

FRAZER W. STAMAN, Supervisor

## HOTTEST BUICK IN HISTORY

No wonder you see so many 1955 Buicks on the highways—they're rolling up bigger sales than ever before in history—topping the popularity that has already made Buick one of the "Big Three" in total national sales.

**Who says you can't have getaway and gas saving too?**

*(maybe you'd better try Variable Pitch Dynaflo!)*

As any automotive engineer will tell you, the goal in automatic transmissions has long been a design that would give top acceleration and top gas mileage—and still be absolutely smooth.

Well, it's easy to step up acceleration, or gas mileage—but tough to do both together—unless a lot of gearshifting takes place, which cuts down on smoothness.

So Buick engineers looked to aviation for the answer—and brother! what a wondrous new magic they came up with!

They took a leaf from the airplane's variable pitch propeller—which switches the pitch of its blades one way for quick take-off—and another way for better gas mileage aloft.

They brought the same principle to Dynaflo Drive\*—to the twenty

propeller-like blades in the Dynaflo "stator." They engineered these blades to swivel like the blades of the plane propeller—and with the same results.

In cruising and in all normal driving, the blades are angled for fuel economy—and you get a lot more miles from a tankful of gas.

But when you have to move instantly—when you need quick getaway, or a sudden burst of safety-surge power to get out of a tight spot on the highway—you just press down that gas pedal, and you're off in a split second.

You've never felt anything like it before—because there's never been anything like it before in an automobile.

It's action that's sheer thrill—action that's backed by the highest V8 horsepowers in Buick history—action that's sending Buick sales soaring to record-high levels.

Come in and try it, at the wheel of a Buick SPECIAL, CENTURY, SUPER or ROADMASTER. You have nothing to lose—and the most thrilling buy of the year to meet.

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

NORTHVILLE 1185

# Victorious Over Holly; Mustangs Are Tripped By St. Mary's, 61-69

The District basketball tournaments began last Friday at the Walled Lake gym. Four teams were entered—Northville, Holly, Orchard Lake St. Mary's and Walled Lake. A drawing was held to determine the pairings. Northville drew Holly, with Walled Lake playing Orchard Lake.

Northville played Holly at 7 p.m. and the second game was held at 8:30 on the same night. The winners of the two games played off on Saturday at 7:30 p.m.

Northville won the 1st game 67-53. Darwin Teska was captain and high man for the night with 20 points. Cap Pethers, who recently turned 15, scored 14 points. Paul Schulz' contribution was 12 points.

Northville's team needed little coaching throughout most of the game, except when Holly "pressed" or guarded the men that were bringing the ball up the floor. The teamwork was good and everybody seemed alert.

Towards the end of the game with about four minutes to go, Northville was enough ahead so that the coach could substitute quite freely, which he did.

The score by quarters was:  
1st—Northville 16, Holly 10  
2nd—Northville 28, Holly 17  
3rd—Northville 46, Holly 35  
4th—Northville 67, Holly 53

One oddity was that all of Northville's points scored in the second quarter were put in by Darwin Teska.

## Kritch To Coach Garden City Nine In Inter-County

Joe Kritch, 640 Fairbrook Dr., has been named manager of the Garden City team in the Inter-County league. Now a scout for the New York Yankees on a part-time basis, Kritch is also assistant sales manager of Ralph Ellisworth, Inc., Ford dealer.

Born in Detroit, he started in baseball as a shortstop with the Findlay club in the Ohio State league in 1937. In following years he was in the Northeast Arkansas league, San Antonio in the Texas league and joined the Toledo Mudhens in 1940.

He became a scout for the St. Louis Browns minor league club in 1941. In Detroit sandlot baseball he was manager of the Pepsi Cola team for six years.

## BOY SCOUT TROOP 731 HIKE TO KENT LAKE

Boy Scout Troop 731 enjoyed a hike to Kent lake Saturday. The boys saw wild geese, deer tracks and a number of wild animals. Following the hike, they concluded their activities with a cook-out.

The 11 boys were accompanied by Scoutmaster Ralph Gallagher, his assistant, Richard Nash and committee members: J. E. Straus, Joseph DeJohn and W. E. McCarthy.

200 Scores: Van Sickle 205, LaBarge 202, Rowland 200, 209-598, C. Freydl 203, Robertson 201.

## Family Outboard Cruising Is 1955 Boat Show Theme

Engines, Hulls Available to Fit Almost All Incomes in Sports, Boat, Travel Show at Detroit Fairgrounds

Winters are too long to suit yachtsmen, but there's nothing that shortens the long months like the annual Detroit Sports, Boat and Travel Show that opens Saturday, March 12 and continues through Sunday, March 20 at the Michigan State Fairgrounds.

The snowstorms, cold weather and icy rains are forgotten for a while, and sailors—whether they be cruiser, outboard, sail or rocking chair tars—feel that it's all downhill from now to summer when they have an opportunity to inspect the numerous nautical exhibits of the 1955 edition of the show.

Theme of the marine portion of this year's show is the increased interest in outboard cruising. Tied in closely with this idea is the fact that more and more families are choosing the outboard cruiser as the ideal form of summertime family recreation.

The growth of outboard interest since the end of World War II has been phenomenal and now the manufacturers have developed both engines and hulls to the point where there is an outboard combination available in the style, size and price to fit almost every income.

Preceding these rapid strides has been improved performance that has contributed so much to the acceptance of the outboard engine. No longer is it the much-maligned butt of the cartoonist's humor. It has become the implement by which yachting is destined to reach so many American families.

That it soon will be the nation's largest participation sport... Boating used to be the exclusive property of those who could afford a shoreside residence or a yacht club membership. Now the outboard owner can consider his garage or backyard a yacht club, for that's all the space he needs to store his outboard boat unit.

From this home base of operations the outboard salt can trail his craft to an almost countless number of lakes and rivers where he can launch his craft and enjoy a leisurely day or weekend afloat as master of his own ship.

Emphasis on outboard cruising isn't intended to give the impression that this is the only nautical exhibit visitors will see at the Boat Show. They'll still find the most complete assembly of boats and marine gear ever brought under one roof.

There are many large cruisers, inboard, runabouts, sailboats, dinghies, marine electronic equipment, trailers and all manner of marine hardware and accessories.

Of course, boats are not all that's offered at this big sportorama. Added features include a big tank show where some of the country's outstanding performers will be on hand to entertain twice daily, with three shows on Saturdays and Sundays. In addition, the country's leading manufacturers of sports equipment will exhibit at the show.

And, too, there is the travel show portion that will lead visitors to Michigan's lakes and resorts for a real vacation this summer.

Look high  
and low...

1. You can buy a big, powerful Pontiac for less than many models of the lowest-priced cars or stripped economy models of higher-priced makes!

2. Only Pontiac gives you luxury-car size plus the sensational Strato-Streak V-8!

Biggest car at its price (122" and 124" wheelbases) • Most powerful car at its price (180 horsepower) • Only car at any price with distinctive Vogue Two-Tone Styling and the riding and driving ease of the torsion-free, shock-proof Chassis.

The most enthusiastic Pontiac owners are those who have taken this advice. They've looked the field over from top to bottom—and here's what they learned:

Pontiac is way up there with costly cars in wheelbase, roominess and riding ease. It's big and comfortable, yet handles with expensive sports car nimbleness. The exciting

dash and compelling drive of the Strato-Streak V-8 produce the richest thrills in motoring. And Pontiac is America's most distinctive car in styling as in action.

Come in for the facts about this "all-time" value leader and our generous appraisal of your present car! Find out how little it takes to switch to modern motoring.

## NEW TRUCK FEATURES PLASTIC SIDE PANELS

A new idea in retail delivery trucks is introduced by Chevrolet in its 1955 line of 75 commercial cars and trucks on 15 wheelbases. Called the Cameo Carrier, the vehicle was designed for exclusive shops which have long sought a modernistic unit in keeping with their merchandise. Note how glass fiber side panels are carried flush with the cab. The body color is ivory, with cab in brilliant red.

## SCHOOL NEWS

### Fluoride Treatment Again Available To Northville Schools

The sodium fluoride treatment for prevention of tooth decay is again being made available to Northville schools, including Our Lady of Victory, according to a letter from the Michigan Department of Health to Miss Ruth Knapp, R.N., school nurse.

This will be the fourth summer this program has been carried on with the approval of local dentists, the PTA and Mothers' club.

Miss Knapp reports that a letter has been sent out to parents of children in the second, fifth and eighth grades advising them to fill in the application at the bottom of the letter if they desire their children to have these treatments. A fee of \$3 per child, payable before May 1, is charged to cover costs of supplies and the hygienist.

The fluoride treatment reduces cavities 40% and consists of four visits over a week period, supporters of the treatment state. Teeth are cleaned and four applications are made to the surface of the teeth. It has no effect on decay already in evidence, and is not a substitute for dental care but is valuable in the control of new cavities, they add.

### Art In Grades Stresses Child's Expression

At one time, art as a part of the school curriculum, was regarded with suspicion and when it was included it was done with a restricted and narrow approach. Art was "learning how to draw or paint". Many people still have that concept of art, but actually that is only part of it, according to Stanley Hench, elementary school art director.

The real value of art is its expressive character; how it helps the child know himself and discover hidden secrets of the world. Learning the skill of painting and drawing is only a means, a tool to a much greater end: expressing what one feels. Creative art can be likened to a flashlight which shines in a darkness of materialism, stereotype and fear, Hench added.

The boys and girls of grades five and six attempted to express their own ideas by interpreting music. They listened to such pieces as "The Sorcerer's Apprentice", Ravel's "Bolero" and "Mother Goose Suite" and made colorful designs full of line, shape and pattern showing how the music made them feel.

Gerald Hykal of the sixth grade and Dan Brown and Sandra Scheifer of the fifth grade made very rhythmic designs.

Another example of using a skill as a means toward an end was the construction of funny faces by the first grade children and the making of fantastic animals by the second and third grades.

In both cases the skill was cutting and pasting but the end was the use of imagination. The first grade children enjoyed themselves making funny faces that were extremely individualistic.

The features were pasted in such a way that they stood out from the face. Hair, mustaches, beards and even some of the noses were curled.

**Originality Evident**  
When the children made their fantastic animals they came up with some strange creations. They used parts of different animals' bodies and assembled these into a whole. Perhaps an alligator body was used with birds' wings, elephant's legs, a duck's head and a lion's tail. Needless to say, such

a concoction caused a lot of comment and each child was only too glad to explain his creation, the art director said.

The children in grades two to five made paper bag puppets and their subject was a well-liked one, cowboys. The bodies were made out of colored paper and decorated with crayon. The bags were used for the faces and after the features were drawn on, the bags were stuffed with paper and attached, along with the arms, with paper fasteners. The boys and girls had a lot of fun on this project and took a great deal of pride in their productions.

Christine Robinson and John Callaghan of the second grade did very well on their cowboy puppets as did Barbara Forsythe and Melinda McKernan, third grade; Lois Shetler and Carol Budek, fourth grade; Stephanie Reed and Bill Milne, fifth grade.

### Cancer Group Seeks More Aides

The American Cancer Society issued a plea this week for aid in manning its new center at 821 Penniman Ave., Plymouth, through its Northville representative, Mrs. C. O. Hammond, 511 N. Center St. The hours are 10 a.m. to 4 p.m. Monday through Friday. There is also work for women on cutting and making dressings.

Persons interested in the society's program are invited to attend a meeting at the Oakwood school at 8 p.m. March 17.

### Ignores Flasher; Pays \$15 Fine

John E. Zaccagnini, 23001 Radcliff, Oak Park, pleaded guilty to not stopping his truck at a flasher signal. Arraigned before Justice E. M. Bogart, he was fined \$15 and costs.

### Northville Rotary Elects Directors

The Rotary club of Northville held its annual election of directors from which officers for the coming year will be named. M. C. Gussell was chairman of the nominating committee.

The new directors named were Cyril Frid, G. W. Niece, John Miller, Fred Anderson, J. J. Brummel and Douglas Lorenz.

Cyril Frid has been named chairman of the On-to-Windsor committee. Mrs. Frid will handle arrangements for Rotary-Anns for the international affair March 20-21.

### No Bikes Stolen, Denton Reports for First Time

In the 11 years and 11 months that Joseph Denton has been police chief of Northville, February marked the first time when his monthly report to the village commission did not contain a single case of either a bicycle being stolen or one being recovered, he said.

Denton was appointed to the position 12 years ago in April after having been with the Ford valve plant here on plant protection.

February fines collected totaled \$595. This compares with \$645 in the same month last year. Traffic violations aggregated 78, compared with 66 a year ago; there were no grand larceny, juvenile or breaking and entering cases in the last month.

Two stolen autos and two missing persons were reported. There were no instances of persons being bitten by dogs. Two dogs were reclaimed and the owners fined.

### Christian Scientists Schedule Lecture In Farmington

That Christianity, as taught by Christ Jesus, can be applied to present-day individual and world problems will be the topic of a free public lecture on Christian Science to be delivered March 14 at 8 p.m. in the Farmington High school auditorium by Peter B. Biggins of Seattle, Wash.

Biggins, a member of The Christian Science Board of Lectureship, will speak under the auspices of First Church of Christ, Scientist, in Farmington. His subject will be "Christian Science: How Everyone Can Practice Christian Healing."

Biggins was trained for the practice of law in Edinburgh, Scotland. Later, in Manitoba, Canada, he gave up the prospect of a successful legal career to engage in the practice of Christian Science healing. He has been a teacher of Christian Science since 1922 and a member of The Christian Science Board of Lectureship since 1935. In the latter capacity he has traveled all over the world.

### Cub Scout News

Monday evening, March 7, the Cub Scouts of Northville held their monthly pack meeting.

Cubmaster Fran Gazlay held inspection of the Cubs after the colors were brought forward. A movie on Cub Scouting was then shown to parents and boys, then Mr. Gazlay spoke to the parents while the boys played games.

Awards were passed out and the meeting was adjourned.

WOMAN'S WORLD

# Frequent Smile Can Do Wonders For Personality

IF SOMEONE has said to you, "You'd be prettier if you smiled more often" this should be a cue to ask yourself or some close friend or relative some questions. People close to you may hesitate to speak of how often you frown, squint, arch your brows, scowl or other facial misbehavior, but an open attitude on your part may help elicit some information.

Frequent smiling bespeaks happiness and the lack of smiles may point to conditions you should do something about. Sometimes the solution may be very simple. For example, short stockings and tight shoes may put an unconscious

When it's too warm for a coat and too cool for just a skirt and blouse, you'll like this interesting knitted sweater which features loose but not full sleeves, a braided effect from shoulders to the pockets and bright circular buttons.

## Face Your Condition

When your smile is not as natural as it should be, it may be that you're trying to hide some defect of the teeth. This would be a good time to have the condition given attention.

Squinting may indicate a need for having the eyes checked or glasses changed. If your face is flustered and it's an effort to smile, then your physical condition may require improvement.

Negative personality traits can ruin your disposition as well as your smile so you might check up on little things that upset you and see what can be done to resolve your problems. A desire to do something about being irritated over certain small things can often do wonders in helping ironing them out.

## Lip Make-Up

Your smile will be lovelier, too, if you will select a good lipstick and then use it to advantage. A properly made-up mouth offers the proper frame for a lovely smile.

Lipstick color should go with the tone of your skin as well as enamel on the teeth and be flattering to both. Buy several small sizes of lipstick and check them carefully under different lighting to help choose the one which looks best.

Apply the color with a good brush for a clean line. A lovely smile is often marred if you have teeth smeared with lipstick. Be certain to blot off the excess. Then face the world and smile your loveliest.

## Colors Will Add Spice to Drab Rooms

Color is the least expensive of all home furnishing decorations. Yet, think how much color can do to enliven your home! It makes drab rooms cheerful, it gives the plain a touch of glamor.

One of the best colors to be used for a lively and warming accent is red because it is eye-catching and lively. However, if you don't care for red, there are other colors which serve the purpose just as well. Perhaps you might like to consider turquoise or aquamarine or even brass or copper tones.

Any of these suggestions is especially important if you have lately come to feel that your home is not warm enough as far as the color choice is concerned.

## Dawn Campbell - Cliff Schroder Wed In Ann Arbor Feb. 26

Dawn Campbell and Cliff Schroder were united in marriage Feb. 26, at 8 p.m. in the home of the bride's aunt and uncle, Mr. and Mrs. Bruce Avis in Ann Arbor. Dawn is the daughter of Mr. and Mrs. Del Campbell and Cliff is the son of Mr. and Mrs. John Schroder. Mrs. Cora Pennell officiated.

The bride wore a ballerina-length gown of white lace and finger tip veil and carried a bouquet of white roses and carnations. Her maid of honor was Barbara Springer and her bridesmaid was Janice Brown, both of Northville. Both attendants wore identical ballerina length gowns of lace with headpieces to match and carried bouquets of carnations tinted to match their gowns.

Barbara wore light blue and Janice, coral. Milan George sang "Because" and "The Lord's Prayer", accompanied by Mrs. Jack Boyd, sister of the groom.

John Schroder of Oak Park, brother of the bridegroom, acted as best man and Don Stiers of Melvindale was the usher.

Mrs. Campbell was gownned in royal blue taffeta and wore gardenias. Mrs. Schroder wore a wine colored dress and gardenias.

Following the wedding ceremony, the 75 guests were served refreshments.

For the honeymoon in northern Michigan, Dawn changed to a grey tweed suit. Both Mr. and Mrs. Schroder graduated from Northville High school, Dawn in 1955 and Cliff in 1949.

## Garden Club Sponsors Bird House Contest; Mrs. Reynolds Will Talk

Highlights of the March meeting of the Woman's National Farm and Garden Ass'n. next Monday will be a talk on birds by Mrs. Perry J. (Millie) Reynolds and the selection of winners in the bird house building contest among local boys and girls. The contest is sponsored each year by the Garden club. The meeting is to be held in the Community Bldg. so the bird houses may be displayed for public inspection.

Mrs. Paul Schulz, hostess, with her assistants, Mrs. Merner Eilber, Mrs. Frank C. ZeBorick, Mrs. Charles Ely, Mrs. Robert Niemi and Mrs. Glenn H. Cummings, will serve tea at one o'clock for members and their guests.

The subject of Mrs. Reynolds' talk will be "The Value of Birds, and How to Attract Them to Our Back Yards". Mrs. Reynolds is a member of the board of directors of the Detroit Audubon Society. She has taken graduate work in several colleges and has done a large amount of field research in natural science. She teaches the latter subject in adult education classes in Detroit.

Prizes are provided by the Garden club for students taking part in the bird house contest. Mrs. W. J. Jodway will be in charge of the

## Club NEWS

**VFW**—The VFW will hold a bake sale March 11 at Don Merritts. Mrs. Bebe Myers is chairman.

## Mothers' Club

The Northville Mothers' club will meet March 14 with Mrs. William G. Williams on Eaton Drive. Co-hostesses are Mrs. Leslie Ginnell and Mrs. Richard Ambler.

## Past Matrons

Mrs. Lucille McKinney will be hostess to the Past Matrons club of Orient chapter Wednesday evening, March 16. Other guests will include Past Patrons, wives and husbands. The 6:30 cooperative dinner will take place at the home of Mrs. McKinney's daughter, Mrs. Robert Montgomery, 103 N. Center St.

## Library Club

There will be a St. Patrick's Day dance March 11 in the high school sponsored by the Library club. It will be from 7:30 to 11:30.

## Simple Additions

If you're afraid of a bright flash of color, then start by a single addition or two. Fresh lampshades, new cushions, a new dado or some pottery may be all that you need.

Once you have achieved success with a few simple additions you can go ahead and make additional ones. Changes can be gradual and still be effective.

## Warming Colors

Do you have rooms which are predominantly cool in tone and feeling. You'd be surprised how these can be warmed without changing the basic color scheme of the room or without drastic changes.

Rooms in which blue or bluish green is the predominant shade can be carefully accented with a rich shade of cranberry red.

exhibit. Most of the bird houses will be for sale and orders may be placed with the boys who made them. All houses are to be made according to specifications and under the direction of Mr. Renard, teacher of industrial arts in the high school.

## Mrs. Verschaeve Has Beautiful Sacred Lily of India

Mrs. Arthur Verschaeve has been proudly inviting friends to see a rare and beautiful Sacred Lily of India which her daughter, Artura, gave her a year ago.

Last summer, after the bulb was planted outside in her garden, it grew four small branches covered with leaves which grew vertically, then spread out to resemble the shape of a small umbrella.

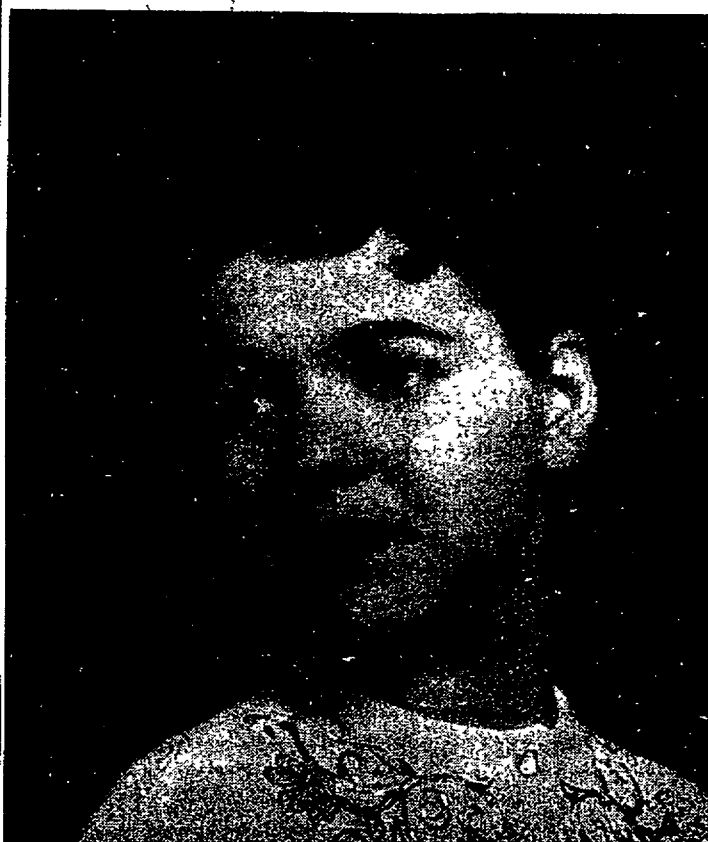

The leaves were unusual in shape—often used in Indian designs. When the leaves wilted down in the fall, the bulb was brought into the darkened basement to rest with no earth or water around it.

As Mr. and Mrs. Verschaeve were leaving for a trip to Mexico in January, they noticed a little growth starting in the center of the bulb. On their return, Mrs. Verschaeve brought the bulb to the light, placing it in a basket with no water or earth.

In three weeks time, it sent up a 12-inch stalk topped by a beautiful lily, deep egg plant in color and resembling a Calla lily in form. A center pistil of the same color extended about four inches out of the flower. It is an unusual flower to see but it has a most putrid and offensive odor.

# Of Interest To Women - - -

## Engagement Announced

Mr. and Mrs. Henry Carlson of 24349 Fordson Hwy., Dearborn, announce the engagement of their daughter, Veronica, to William Myers, son of Mr. and Mrs. Stanley Myers of 411 Yerkes St., Northville. The young couple plan to be married in April.

## BIRTHS

Mr. and Mrs. William Herter (Marcella Funke) 408 Auburn, Plymouth, announce the birth of Michael David March 5 at Garden City hospital. Michael weighed seven pounds and ten ounces. The grandparents are Mr. and Mrs. Alex Funke, who reside in Northville.

## Weddings

Floyd E. Carver and Miss Marie A. Kwasiorski, both of Detroit, were united in marriage in a double ring service by Justice E. M. Bogart March 5. Hugh Fleming of Detroit and Miss Vera Quackenbush of Royal Oak were the attending witnesses.

Three out of every five students enrolled in elementary and secondary schools are currently serving as volunteer members of the Junior Red Cross.

## WILD OR WINSOME For Beauty's Sake

PACK AWAY ALL YOUR CARES... relax and rejoice in the chic, sleek comfort of this breath-taking leopard print nightgown by Vanity Fair. As exciting as a leopard cat climbing a rose bush in your garden, this latest addition to the Vanity Fair Beauty Jungle is saw-tooth edged at the scoop neckline, mid thigh hemline and sleeve openings... otherwise uninhibited. Designed as an answer to the Call of the Wild in Cafe Society, to teenagers and the college crowd, it is sure to be a headliner in your fall nighttime wardrobe. Carved out of luxurious nylon tricot, this jungle gem is easy to wash and dries to smooth perfection without pressing. And at the left, is the shortest nightie of them all. The demure long sleeves and covered up effect of the close fitting collar contrast charmingly with the high hemline, to emphasize the ever-popular long-legged look. Dainty eyelet embroidery creates the collar and sleeve ruffles and outlines the deep pointed yoke. Also in wonderful nylon tricot. Matching briefs with both these nighties, to complete the perfect bedtime costume.

## Girl Scout News

**Gathered by Karen Bayless**  
Troop 8—Our meeting was held at Dorothy Welch's home. We discussed the swimming program and finished our plans for the Girl Scout Fair. After our meeting we had punch and cookies.  
Scribe, Karen Bayless

Troop 10—We finished our favors for the party we are giving for the children of one of the wards in the hospital. We made our final plans and practiced for the Girl Scout fair.  
Scribe, Corine Bertoni

Troop 12—Wednesday, March 2, 1955. We had Mrs. Thompson's Troop 13 to our meeting. Our two troops, together, are going to put on a camp-out demonstration at the Girl Scout Fair. We practiced for it. We enjoyed hot chocolate and cupcakes supplied by Mrs. Dresselhouse.  
Scribe, Sandy Philips

Just two days remain until the Girl Scout Fair. The Girl Scout Council would like to take this opportunity to remind parents and friends of Brownies and Scouts that the Fair will begin promptly at 2 p.m. and all are cordially invited.

## Brownie Scouts

At our business meeting we talked about the Girl Scout Fair. Kathy Bentley will give the money to the Juliet Lowe fund. Dorothy Budd brought the nibble box.  
Susan Shafer, Scribe

## Parks Offer Trip Guides

Now is the time to sign up for spring nature field trips in Kensington Metropolitan park and other parks of the Huron-Clinton Metropolitan Authority.

Chief Naturalist Bill Hopkins said that many trips are already scheduled as far ahead as May. The services of Hopkins and Kensington aide Charles Damm are available free to organized groups by calling or writing the Huron-Clinton Metropolitan Authority, 1750 Guardian building, Detroit 26, Woodward 1-5865.

At Kensington and Lower Huron parks, nature trails are well-marked and may be followed without a guide. Detailed descriptions of the Kensington trails are available free at the Park office. The number of school and club groups bearing illustrated nature talks by the H-C-M-A naturalist has zoomed in 1955. From a total audience of 1,986 in 1954, the figure has already jumped to nearly 2,000 during the first nine weeks of 1955.

## Ruth Knapp, R.N., Volunteer Aide To Girl Scouts

Ruth Knapp, R.N.

Few people know that besides being kept busy as school nurse, Miss Ruth Knapp, R.N., has another job that she does voluntarily for the Girl Scout council.

Brownies or Girl Scouts who have outgrown their uniforms, may turn them in to Miss Knapp who makes any necessary repairs. Any girl without a uniform may contact Miss Knapp and she will provide one. A contribution of \$2 may be made by the girl's family but no contribution at all is agreeable also. The money goes to the Girl Scout council.

Miss Knapp has on hand, at the present time, five scout uniforms and one Brownie uniform.

LARRY NITZEL placed second in the first annual model plane contest sponsored by Stone's Gamble store. He entered a gasoline powered model, winning a model plane kit. James McDermid and Albert Pons won duplicate model kits when they tied for first. George Bennett of Plymouth was the judge.

## John Wesley's Life Depicted On Film

A new motion picture, "John Wesley", will be shown to the general public in the First Methodist church, Northville, Thursday, March 17 at 7:30 p.m., according to the Rev. Ivan E. Hodgson, pastor.

The feature length film (77 minutes) is in color and was produced cooperatively by the Methodist church and J. Arthur Rank.

The Rev. Mr. Hodgson describes the film as follows:

"It brings to the screen for the first time the dynamic and colorful 18th century evangelist and educator. John Wesley's miraculous rescue from a burning house at the age of five, at the beginning of the film, forecasts the dramatic and eventual life which unfolds in this story of a man of slight stature but of impelling influence upon his contemporaries and upon history.

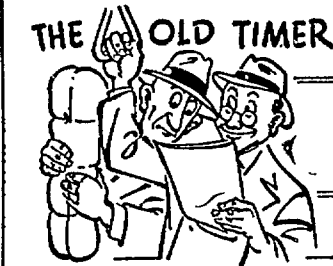

"The English clergyman thought his venture in America as a missionary to the Indians was a failure but it opened the door to a revolutionary spiritual discovery, in which John Wesley felt his 'heart strangely warmed'. This spiritual experience gave him courage to face mobs unafraid, to ride 250,000 miles on horseback, and gave impetus to a revival movement which changed the masses of English people from a low state of moral degradation to sturdy and happy uprightness. "His enthusiasm" was frowned upon by the lethargic leaders of the church of England of that day, but it was this new-found enthusiasm which enabled him to influence so many phases of the life of English-speaking peoples. His appeal to the common man, his establishment of schools, clinics, lay preaching and societies—finally sending of supervisors for the movement in the new world after the American Revolution—all these make the film one which will be long remembered."

## Two Services Announced By Presbyterians

The Session of the First Presbyterian church announced this week the inauguration of two church worship services. The early worship will begin at 9 a.m. and the second will be at the regular 11 a.m. hour.

In taking this action the Session is affording the opportunity, to accommodate all who desire to worship God, according to the Rev. John Taxis, pastor. The past few months have created a rather crowded condition during services, and this did not seem to the elders to be safe nor conducive to worship.

The church school will continue to hold its classes for all ages at the regular 10 a.m. time. This new schedule of services will begin Palm Sunday, April 3 and will continue through the last Sunday in June.

"Some men with big ideas about how to run our ship of state can't even paddle their own canoe."

## Cleanser Has Own Elbow Grease

BY EDNA MILES

THE household cleaning problems that every homemaker must tackle daily are one by one being reduced to nothingness by science.

True, we haven't yet reached the point where we can loll back and read the paper while dinner cooks itself and the dishes wash themselves, but we're approaching that point.

Newest of the cleaners for porcelain is a nonabrasive liquid cleaner that will, the makers claim, get sink, bathtub or wash basin sparkling in no time. It's handled with a mere wet-and-wipe application, with either sponge or cloth.

Every housewife knows that cleaning porcelain can be a difficult job. It has a fine glaze and a tough durable surface but it can be injured by scratches, hair tints, clothes dyes, stains, or rust. And sometimes extra elbow grease doesn't achieve the desired cleaning results.

This new liquid cleaner works effectively without hard rubbing or scrubbing, the maker claims, and the porcelain is left gleaming. Further, the manufacturer claims this new product is odorless and cannot make the hands red or rough.

No rub-a-dub-dub with this new liquid porcelain cleanser, according to its manufacturer. It's said to be easy on the hands.

## Timely Tips

Don't let that urge for doing that comes with crisp weather wear you down. There always are easy ways to do things. Here are a few tips to help make light of your chores:

To loosen tight screws or bolts, put a few drops of peroxide on them and let it soak in for a few moments. They'll come away much easier.

Nail a rubber heel to the bottom of your ladder or stool legs and they won't slip.

Painting your steps? Do every other one, then let them dry so you can walk on them while you paint the remaining half.

To prevent spotting hinges or latches when painting a door, rub a little petroleum jelly on them first. Stray paint will then rub off with a wisp of a cloth.

Pour melted paraffin in the bottom of your garbage can to prevent rust.

Of the 3,700 Red Cross chapters throughout the United States, one out of every three is staffed solely by volunteers.

## TOP CAR...TOP SIX

of the low-price 3!

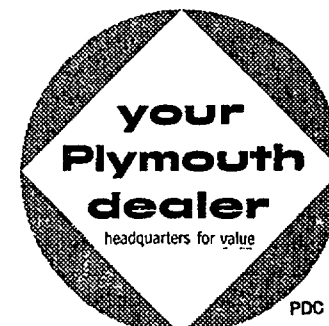

BIGGEST SIZE, SMOOTHEST PERFORMANCE, HIGHEST ECONOMY

Take a turn at the wheel behind Plymouth's new PowerFlow 117 engine—see why it's the smoothest, thriest 6 in the lowest-price field. Here's power for all driving needs, plus the super-smoothness of the PowerFlow's Chrome-Sealed Action. No other low-price car has it, and it's your guarantee of more years of gas-saving economy and trouble-free performance.

Taxicab operators, who depend on cars for a living, buy more PowerFlow 6's than all other makes combined... they say the PowerFlow 117 is the most economical, most efficient 6 ever built! Its L-head

design means fewer working parts, less friction. Its automatic choke meters each drop of fuel. Its bypass cooling system gives you quick warm-up in cold weather; dozens of other exclusive features promise you much lower operating expense.

The PowerFlow 117 engine is one big reason why the big swing this year is to the forward-looking Plymouth. Another is the new 167-hp Hy-Fire engine, the most powerful standard V-8 in Plymouth's field. Plan to drive a big, beautiful Plymouth with either of these two great powerplants soon—how about today?

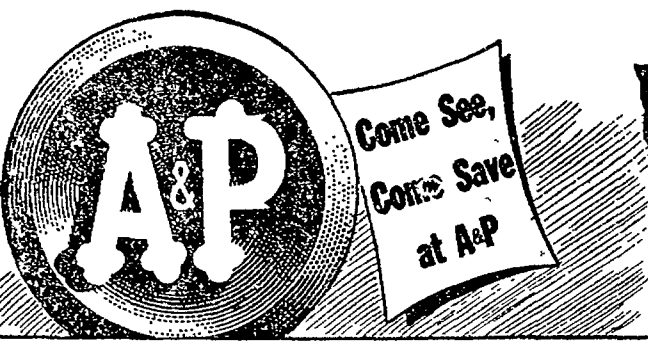

Best buy new; better trade-in, too

**News About Salem**

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY  
PHONE NORTHVILLE 1410-M11

The Ladies' Missionary Circle of the Federated church held its monthly meeting March 1 at the home of Mrs. Harty Brow. All of the members brought baby articles to be packed and sent to our missionaries.

For the program there were games and two movies. The movies were made possible by John Gable and Glenn Burnham. Refreshments were served and square dancing followed.

Karen Tiffin, daughter of Mr. and Mrs. Donald Tiffin, Sharon Hardesty, daughter of Mr. and Mrs. Glenn Hardesty, Debra Hardesty, daughter of Mr. and Mrs. Dean Hardesty, Douglas Hardesty, son of Mr. and Mrs. Ronald Hardesty and David, son of Mr. and Mrs. Murray Lucas, were baptized Sunday, March 6 by the Rev. Cora Pennell at her home.

Because of the large number of primary children, the beginners and first grade children will attend school in the morning. The second and third graders will go in the afternoon.

Mrs. Charles Raymor, Sr. flew to Washington State to see her mother, Mrs. Elizabeth Collins, who is ill.

Immunization for diphtheria and small pox was given at the Salem Union school March 9.

The Salem fire department spent Sunday afternoon burning the remains of the L. Sweetman home that was destroyed by fire last month.

**Grand River Office Opened By Congresswoman**

The first class in the first aid course met last Thursday at the Salem Town hall. There were 17 enrollees despite unfavorable weather.

Congresswoman Martha Griffiths announced last week that she had opened an office at 16049 Grand River, at the corner of Rutland. The phone number is BRoadway 3-9151. Mrs. Rose Stephan will be in charge.

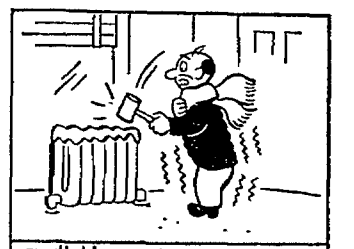

Mrs. William Bock attended funeral services for Charles Schermerhorn in Detroit. Mr. Schermerhorn, close friend of the family, died very suddenly last Tuesday at his work in Plymouth.

The hours are from 10 a.m. to 2 p.m. Monday through Friday; 7 p.m. to 9 p.m. Wednesday nights and from 1 p.m. to 3 p.m. on Saturdays.

Mrs. Pauline Merritt, Mrs. Arthur Hoffman, Mrs. Reynold Esch and daughter attended a baby shower at the home of Mrs. Frank Rutman.

In 1954, one among every 10 servicemen and women was given Red Cross help each month at a camp or hospital.

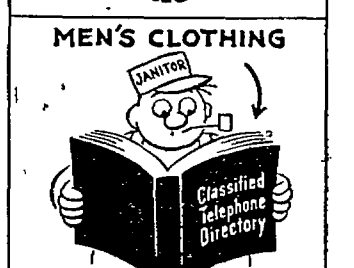

Mr. and Mrs. Ed Lynn and family of Grand Rapids were the week end guests at the Herbert Famuliner home.

Mrs. Glenn Northrup returned to her home Sunday evening after spending a few weeks at the home of Glenn Hardesty.

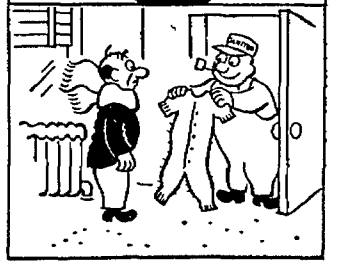

Mrs. Harry Brow and Mrs. Knowles Bueers spent Friday afternoon at the William Pickard home.

Mr. and Mrs. Perley Jones of Flint are staying a few weeks at the Glenn Hardesty home.

Mr. and Mrs. Donald Tiffin spent Sunday evening at the Carleton Hardesty home.

Mr. and Mrs. Raymond Alter, Sr. and Mr. and Mrs. Wally Geda spent Saturday evening at the Gilbert Alter home.

Mrs. Henry LaMont attended the Detroit Kennel club show at the State Fair Coliseum.

Classified Telephone Directory

Mr. and Mrs. Pearl Opdycke of White Lake spent Wednesday afternoon with Mrs. Alta Opdycke.

4-H News

On March 5, about 75 4-H members attended the 4-H Community club. Before the meeting all the officers and leaders appointed the following committees:

Program, Mrs. Herbert Conant, adult chairman; Berva Adams and Priscilla Hilton, 4-H chairmen; clean-up, Frank Geiger and Paul Geiger; membership, Mrs. Drayton Cort, Mary Ann Bock and Bonnie Burnham; recreation, Mrs. Harvey Pohnert and Nancy Cort; refreshments, Mrs. Herbert Famuliner and Joyce Wilson.

## "Hello Girls" Cited In Summoning Aid for Baby

The efforts of the Northville office of Michigan Bell Telephone Co. in summoning aid for an injured infant are slated for an article in an early issue of the Michigan Bell, the firm's publication.

"A helpful telephone operator was a 'friend in need' to a terrified Northville mother whose 17-month-old child recently fell down a flight of stairs.

Mrs. James K. Stowe, 19576 Fry Rd., was working in her kitchen when she heard her baby falling. She frantically rushed to the stairs to find the child at the bottom, bleeding profusely.

Since her husband works afternoons, and she has no close neighbors, Mrs. Stowe found her telephone especially helpful in summoning medical aid.

Mrs. Stowe expressed her appreciation for the help of the Northville telephone operator, Mrs. Shirley Golze, and her supervisor, Mrs. Florence Russell, in a letter to the company.

**NORTHVILLE TELEPHONE** office was quick in its assistance to aid Mrs. James K. Stowe, 19576 Fry Rd., when the Fry's baby fell downstairs. Two of them worked simultaneously to get medical help. From left, Mrs. Shirley Golze, operator; Mrs. Lillian Timm, chief operator; Mrs. Florence Russell, supervisor.

## Easter Seal —

(Continued from Page 1)  
the Easter Seal Society.  
Chairman Roy P. Stone said, "We hope our citizens will support our Easter Seal appeal as generous this year as they have in the past."

F. A. Casterline is chairman of the coin containers which have been placed in shops and stores. During the month-long drive a lily parade will be held in the business district of Northville to help boost funds for the campaign. Plans for it are being made now.

Funds raised in this annual appeal support the direct services of the Wayne Out-County chapter who endeavor to meet the unmet needs of the crippled children and adults in the local communities.

Services include transportation to clinics and brace shops, crutches, wheelchairs, special equipment, occupational therapy and recreational program. The chapter holds a summer day camp in July for 63 children, 30 young adults 15 to 25 years old and for a group 25 years and older.

An innovation in this year's drive will be acknowledgement of contributions of \$5, or more, from fund headquarters, Stone said.

## Explorer Post Spends Week End Up North

Explorer Post 242 spent the week end at the cabin of Mr. and Mrs. G. Prough near Atlanta. The boys who participated are Bob Gillick, Charles Hawes, Larry Green, Bill Baker, Don Atwood, Harold Wilson and Bill Tierney. Leonard Bogatits and Russell Reimer went along as advisors. The camp-out lasted from Friday until Sunday night.

The days were spent in the woods around Atlanta. A hike was taken on Saturday through two feet of snow. The rest of the time was spent in activities in the cabin.

## '98 Northville Star Stressed News On Bicycling

In contrast to automotive industry news in today's newspapers, the Northville Star of Sept. 15, 1898, carried a column headed "Notes of the Wheel, Matters of Interest to Devotees of the Bicycle." The paper is owned by Roy Stone.

The sub-head of the article listed "The Revival of Spring Frames Will Be a Feature Next Season—The English Curved Tube in Favor—Some Useful Inventions."

An article on racing states that cycle racing "in these days is becoming an exact science and men ride faster, farther and more continuously than ever before." It was noted in the column that the speed for a mile had been reduced to 3:47 seconds from a previous record of a mile in six minutes.

Coal was offered for \$8 a ton. Another ad depicted Admiral Dewey handing out plugs of chewing tobacco to a crowd of men swarming on a dock. The copy read: "Dewey Americanizing the Philippines. Where Battle Ax goes it pacifies and satisfies everybody—and there are more and more men are chewing Battle Ax plug."

The ad tied in with current national and international news with the statement that "You find it in Maine—'You find it in India; and you'll find it in Spain (Very Soon)."

What appeared, from the headline, to be the only important reference to the Spanish-American war turned out to be a testimonial letter for a patent medicine. The head read "A Critical Time During the Battle of Santiago."

A "Star" item, with a Wayne dateline, said that "work on the Detroit, Plymouth and Northville Electric Railway is going right along 'with a large gang widening and filling in the roadway north to Plymouth.' Iron and ties were being laid in Plymouth township, the story said.

One ad priced slates at from 5 to 20 cents; a pack of envelopes, 2 cents; 24 sheets of note paper, 1 cent; ink, 3 cents per bottle; 2 lead pencils for 1 cent, and 6 slate pencils for 1 cent.

**Handy Jim's  
FIXIN-UP TIPS  
For the Home**

**Non-Clogging Gutters**  
A SIMPLE, inexpensive way to keep leaves from clogging your gutters and getting into the downspouts and drainage system is to install some small rolls of half-inch galvanized mesh wire.

Buy a piece 30 or 36 inches wide and cut it into pieces 6 inches by 9 inches. Each is rolled into a little

cylinder until the edges touch. Fasten the edges together with copper wire, hairpins or small pieces of non-rusting electric wire, says *Family Handyman*. Drop these into your roof gutters at intervals, especially over the spout. Occasionally remove and shake them out.

The Spanish-American war was the first war in which Red Cross nurses participated.

## Change Place for Youth Parley

The Northwest Council for Retarded Children will hold its regular monthly meeting March 11 at 8:30 p.m. This meeting will be held in St. Michael's school hall, 11311 Hubbard at Plymouth Rd., instead of in the usual meeting place.

Wendell Morris, president of the Mt. Pleasant Parents Assn. for Retarded Children, and vice-president of the Michigan Assn., will be the speaker. Morris has been named fund director for the National Assn. for Retarded Children.

All parents of these children or anyone interested in the welfare of retarded children are invited to attend this meeting. The Northwest Council includes all of northwest Wayne county, including Plymouth, Northville, Farmington, Redford township and Livonia.

## Corners Society To Meet March 16

Plymouth Corners Society, Children of the American Revolution, will meet at the home of Karen, Susan and Ann Hulsing on Church St., Plymouth, March 16 at 5:30 p.m.

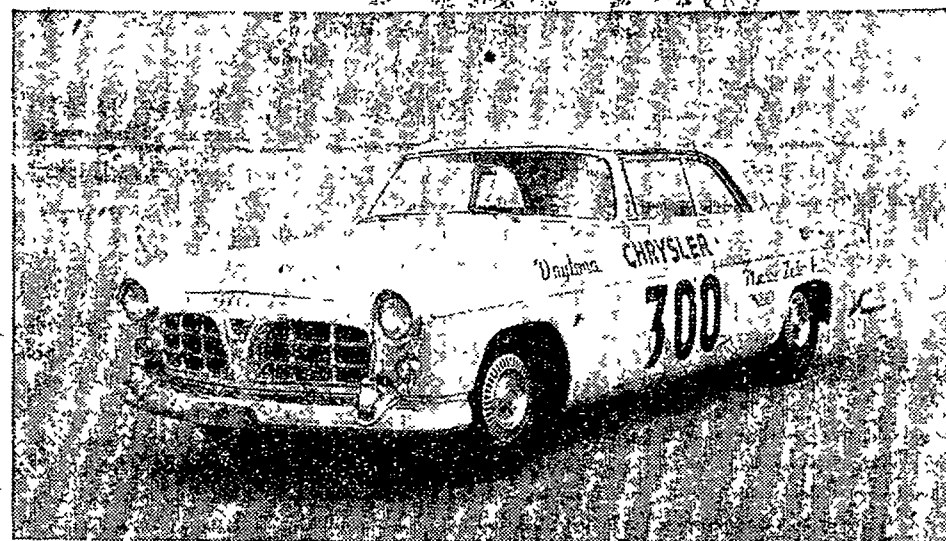

Plans will be made to attend the State conference to be held at the Hotel Rowe in Grand Rapids April 1. O-Wash-To-Nong Society is hostess chapter for the conference.

John Crusoe will review the book, "Soo Canal" by William Ratigan, written to commemorate the 100th anniversary of the first Soo canal.

Supper will be served after a brief business meeting.

Madison, Wis., zoo had a unique decoration during the holidays: an un-Christmas tree. Children were urged to leave candy, popcorn and peanuts under it so they wouldn't give the animals a stomach-ache. Goodies were rationed later, said officials.

## CHRYSLER 300's SWEEP SPEED CHAMPIONSHIP

Warren Koeching races down the sand at Daytona Beach at the wheel of the Chrysler 300 which he drove to a new U. S. stock car speed record of 127,580 miles per hour on February 22, winning the NASCAR National Speed Trial Championship, giving the Chrysler 300 a clean sweep. In all, five Chrysler cars were in the first eight finishers in the NASCAR Speed Week event.

## Comment:

### St. Paul Told Of Riches Christians Possess

"POOR, yet making many rich"; that is how Saint Paul describes the condition and privilege of the early Christian believers, many of whom were evidently quite poor in worldly goods. "As having nothing," he adds, "and yet possessing all things."

It was not a chance remark or a sentimental idea on the apostle's part, but an expression of his settled philosophy concerning the Christian's possessions. And also, in the First Epistle to the Corinthians, he reasoned more directly concerning the Christians' wealth.

The Christian belongs to Christ, Christ is God's. All things belong to God. Therefore, he writes to the Corinthians, "All things are yours."

The cynic may protest that this sort of wealth will not pay the rent. There is a point in the criticism, but it might also be pointed out that Paul was no visionary dreamer regarding the practical affairs of life.

He worked at his trade as tent-maker to support himself, and he insisted that everybody else should work. He would have no loafers in the Christian community.

Further, if he admonished Christians to "be one another's burdens," he qualified this with the declaration that "every man shall bear his own burden." There never has been, even to our time, a clearer statement of social and individual responsibility.

His words forcefully bring to attention that there is a reward of inner wealth and richness for which no amount of material wealth or possessions can compensate.

One who has missed the Christian's treasure that God and He offer.

The world's first radio-controlled traffic lights will go into operation in Chicago sometime next summer. Frequency-modulation signals from a central station will actuate the signals.

Recent slight rise in cost of living, first since last July, is blamed by Department of Labor on higher price tags and lower trade-in allowances on purchase of 1955 autos.

Michigan students comprise 80 percent of MSC's enrollment.

## FIRST CHURCH OF CHRIST, SCIENTIST

Main and Dodge Streets  
Plymouth, Michigan

The fact that health and holiness result from spiritual understanding of God's nature will be brought out at Christian Science services Sunday.

The Lesson-Sermon entitled "Substance" will include the following passage from "Science and Health with Key to the Scriptures" (241:19-21, 23-24): "The substance of all devotion is the reflection and demonstration of divine Love, healing sickness and destroying sin. . . . One's aim, a point beyond faith, should be to find the footsteps of Truth, the way to health and holiness."

The power of God is also stressed in selections from the King James Version of the Bible including the following (Hebrews 4:12): "For the word of God is quick, and powerful, and sharper than any two-edged sword, piercing even to the dividing asunder of soul and spirit, and of the joints and marrow, and is a discerner of the thoughts and intentions of the heart."

## CARD OF THANKS

We wish to thank our friends and relatives for the flowers and cards, the staff at Atchison Memorial hospital, Ray and Fred Casterline. Also Rev. Rossow for his comforting words during the sickness and death of our mother, Mary Kreeger.  
Mr. and Mrs. Walter Kreeger  
Mr. and Mrs. Norman Grimwade and family

Mr. William Marko

Hamtramck auto worker says, "A bill for \$400 didn't worry us!"

"Most families would probably have to dig into their savings to pay a \$400 hospital bill," says Mr. Marko. "But I had a bill that size, and our savings didn't suffer at all, because my family has Blue Cross-Blue Shield. Under our Blue Cross Comprehensive Contract, I got all the hospital services I needed. . . . over \$400 worth, and they didn't cost me anything. We've got Blue Shield for doctor bills, too, and that covered \$165 for our doctor's services. All I had to do was show my Blue Cross-Blue Shield card at the hospital, and benefits were paid automatically. I've never seen anything like it!"

Blue Cross-Blue Shield plans have been more successful than any other in gearing benefits to actual, current hospital and doctor charges. How important this realistic kind of protection is. . . when your family stands a 1 in 3 chance of facing a hospital bill within a year!

Find out how your family can have low-cost group coverage. A company with as few as 5 employees may qualify as a group. Today call . . . for a Free Blue Shield . . . 441 E. Jefferson, Detroit 26, Michigan.

# MORE PEOPLE BOUGHT FORD CARS IN 1954 than any other make!

Ford passenger-car sales to customers outnumbered those of any other make by thousands\*

## AND IT'S EASY TO SEE WHY!

Ford is the leader in styling

Motorists know that Ford has set the style trend in the industry for years. And now, with styling inspired by the fabulous Thunderbird, Ford is farther out front than ever!

Ford is the leader in V-8 power

Ford was first in its field (by 23 years) to provide the advantages of V-8 power. Since that time, Ford has built over 14,000,000 V-8 engines—more than all other makers combined! For 1955, Ford offers two new and mighty V-8's, as well as a most modern Six—all with the split-second response of Trigger-Torque power!

Ford is the leader in ride

Ford was first in its field to introduce Ball-Joint Front Suspension—the greatest advance in chassis design in 20 years. And, for '55, it's even better. Springs are set at an angle to smooth out even the tiniest bumps. It's the new Ford Angle-Poised Ride.

## Michigan Mirror

by Gene Alleman

MICHIGAN'S TOP educators are fanning out over the state to find at the grass roots level what the federal government can do for the school system.

Booming enrollments have jammed classrooms. School districts are faced with the task of providing more space.

The dilemma has reached from the country school district which needs another building to Washington, where President Eisenhower has drafted tentative plans for a gigantic school aid program.

"We've got to find out exactly what is needed in Michigan," said Dr. Clair L. Taylor, Superintendent of Public Instruction.

Taylor and school superintendents of the state have combined with other government experts on all levels to prepare the information for the 1955 White House Conference on Education.

The Conference Program was organized in January and local schoolmen began to collect data on their own needs, preparing to funnel it through regional meetings and a later state meeting.

Michigan will send 26 delegates to the White House Conference next November, one for each \$1,000 turned over by the federal government for expenses.

The plight of Michigan's schools will be a reflection from the local districts of the predictions voiced by Taylor for the past two years.

Taylor said Michigan will need 2,000 more classrooms annually for the next four years and qualified teachers to man them.

"Michigan's problems include the need for classrooms, the training of teachers, higher salaries to attract new talent to the profession and an understanding of the

needs by the public," he said.

At the same time, Michigan's legislature is shaping the state's educational finance program to fit whatever federal aid is forthcoming after the White House Conference.

Committees of both chambers are working on higher education problems of overcrowded campuses. One expert said \$150,000,000 would be needed within 15 years to provide just the needed buildings.

"We have a crisis in education in Michigan and we must take the leadership and responsibility in providing an answer to it," said Senator Creighton R. Coleman (R-Battle Creek).

GREAT LAKES resort areas will be under investigation in the next few weeks in a fight over state-owned land.

Michigan was given ownership of all submerged lands when it was admitted to the union and an 1890 law passed by the legislature dedicated everything underwater to hunting and fishing.

Atty. Gen. Thomas M. Kavanagh assigned an assistant, Nicholas V. Olds, to find out why the law had been ignored and cities and private interests were filling in shoreland to extend their holdings.

"They're trespassing, and that's the only definition under the law," Olds said.

The first blow was struck at St. Clair Shores where Olds took developers of the offshore land into court to restrain them from filling in more lake bottom.

Later, reports began filtering in from Saginaw Bay, Bayport, Tawas City, Alpena, Traverse City and Benton Harbor.

"There may be a lot more places we don't know about yet, but we'll find them," Olds said.

Plans are under way to permit those who already have developed the filled-in land to purchase it from the state and obtain clear titles. Another phase of the proposal would enable the conserva-

tion department to issue permits for future fill-ins.

MICHIGAN INSURANCE experts devastated the male ego with a few nice words about women drivers.

They said that women drivers under 25 were better insurance risks when behind the wheel than either men or women over 25.

Adding weight to the statement, the National Bureau of Underwriters ordered liability insurance rate cuts for policies covering cars driven by ladies under 25.

Another major factor in the announcement of the deductions was the rate cut for those drivers who had completed recognized driver-training courses in schools or colleges.

LEGISLATORS CAN PARK near their work these days with-

out searching for a commercial lot near the capitol or challenging the efficiency of nearby parking meters.

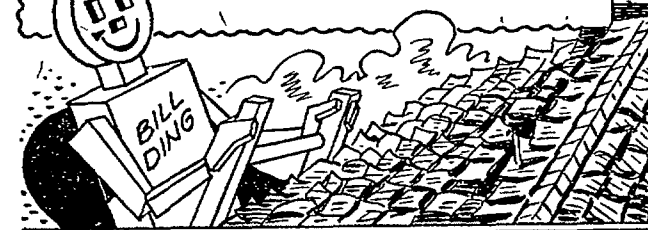

Cutting through the carpet-like lawn behind the capitol, workmen have created another 150 parking spaces with add to the 110 already in use closer in.

The new lot was opened the first day of the 1955 legislative session, rushed to partial completion the day before. It still needs some work. Said Controller James W. Miller:

"It will be blacktopped after the spring thaws."

Joseph R. Williams, former Detroit lawyer, was appointed the first president of Michigan State college in 1887.

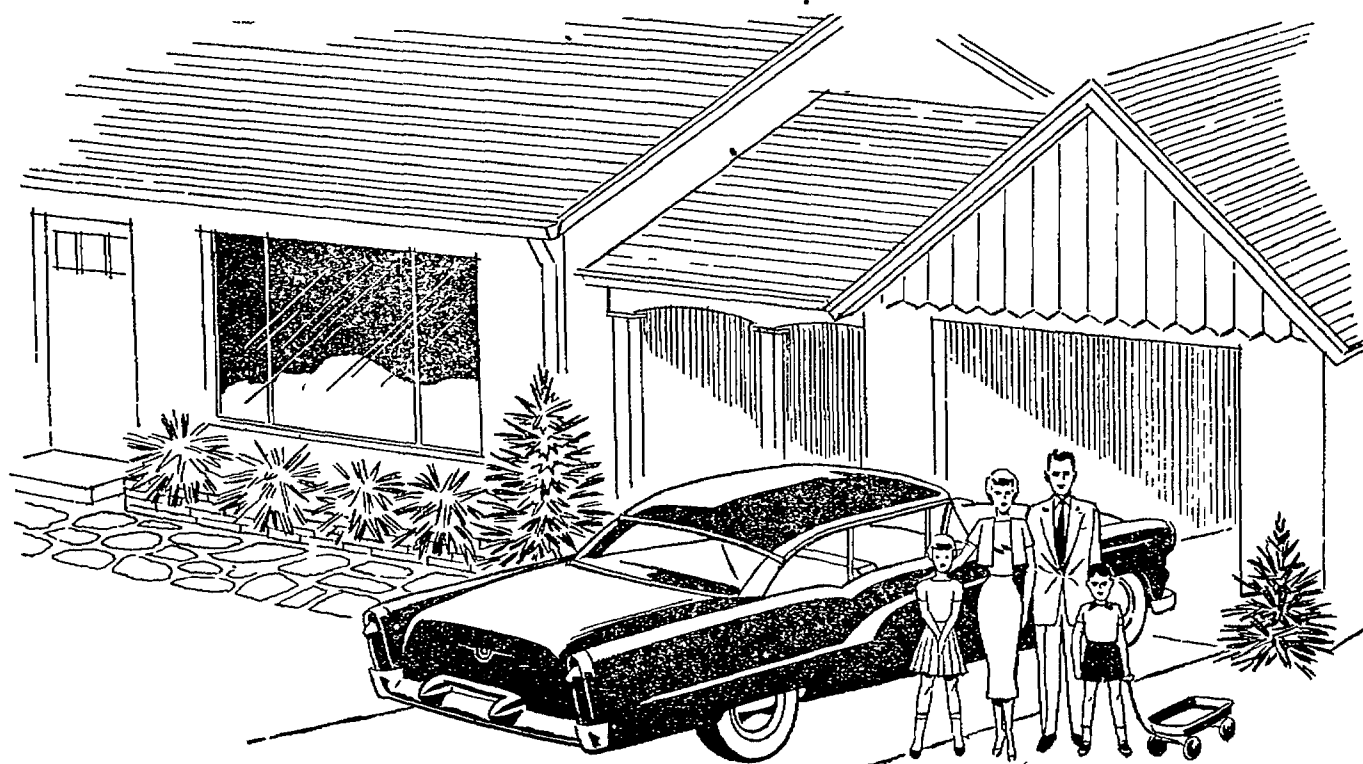

**ARE THOSE SHINGLES  
GETTING CURLY?

This lamp test shows what a difference Gulf super-refining makes. Gulf refines out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX.

HERE'S HOW New 1955 No-Nox burns clean...

## HERE'S WHAT

New 1955 No-Nox  
does for engine parts...

This spark plug is from one of the original equipment plugs used in Gulf test fleet cars. Normally, plugs need cleaning or replacement after 5,000 to 10,000 miles. This plug and its mates did not need cleaning or replacement after 15,000 miles with new NO-NOX.

what's more...No gasoline—no, not a single one—has higher octane than...

This is GULF'S PLEDGE  
to the motoring public

- We at Gulf make this promise to America's motorists. We will not permit a single competitor—no, not a single one—to offer a gasoline superior to our own superb No-Nox.
- It is our sincere belief that No-Nox is the finest gasoline on the market today, and no matter what others do or say we will keep it the finest—in power, in performance, in engine protection.
- This is not a boast, not a claim. It is a pledge to you, the motoring public—a pledge backed by the resources—and the integrity—of the Gulf Refining Company.

## New 1955 GULF NO-NOX

Fill up now with new Super-Refined Gulf NO-NOX and feel the difference in power that really works for you mile after mile. Right from the start, you'll get these lasting benefits:

- More complete engine protection than with so-called "miracle-additive" gasolines.
- Extra gas mileage in the short-trip, stop-and-go driving you do most.

- Stall-proof smoothness . . . instant starts . . . fast, fuel-saving warm-up.
- No knock, no pre-ignition—even in today's high-compression engines.

It's super-refined...to burn clean!  
The '55 gasoline for all high-compression engines.

## Events of the Past in Northville

News Items Taken From the Files of the Record

### ONE YEAR AGO—

The Girl Scout card party cleared \$400, Mrs. Harry Wagenschultz reported.

Northville high school band won a rating at the Michigan Band and Orchestra festival in Ypsilanti that placed it in the state finals.

Mrs. Arthur Carlson was re-elected chairman of the Northville Red Cross branch.

The board of education and the village commission approved the lease turning over the Community building to the former for one year.

Northville High school clinched its claim to first place in basketball standings in the Wayne-Oakland league by defeating Keego Harbor 63-60. The reserve team conquered Keego Harbor.

### FIVE YEARS AGO—

George Weiss was named general chairman of the Presbyterian father and son banquet. Other members of the committee were Max Austin, Hurd Sutherland and Levi Eaton.

Leo Mainville, proprietor of the est member of the Exchange club, Northville Drug Co., was the new.

Frank Watzka headed the Northville Red Cross drive.

Barbara Handorf, a recent graduate of the University of California, Los Angeles, visited her father, Dr. H. H. Handorf.

Both Northville teams lost to the Keego Harbor cagers. The Mustangs were downed 55-40, and the Colts, 48-32. Dick Stanley was highest scorer with 13 points.

### TEN YEARS AGO—

The OPA cut the allotment on sugar for home canning season to 20 pounds, compared with 25 pounds in the previous year.

More than 200 attended the father and son banquet at the Methodist church. E. V. Ellison presided. George Locke toasted the sons and David Amerman, the fathers.

The response to the tin can collection was light. Only one load was picked up.

An eight-pound bag of oranges cost 50 cents, new potatoes, 5 pounds, 35 cents; smelt, 22 cents a pound, and bulk sauer kraut, 6 cents a pound, according to a chain store ad in the Record. An independent grocer's ad stressed the fact that no points were needed for its canned chop suey or chicken chow mein.

Spencer Tracy and Van Johnson were the stars in the movie, "Thirty Seconds over Tokyo".

### TWENTY YEARS AGO—

Northville high school basketball team climaxed an undefeated season — won 14 consecutive games — by defeating Melvindale, 22-16 for the Suburban league championship. Members of the team were Robert Lyke, Cloyce Myers, Donald Bray, Day-

ton Deal, William Duguid, George Westphal, Henry Huffman, Irvin Marburger, Essie Nirider, Nick Reechko, Ted Watts coached.

Charles W. Hamilton, the Novitownship supervisor, said he would not run for reelection because of his appointment by the state as agricultural supervisor for Oakland, Macomb and Lapeer counties. The decision automatically made Frank Clark supervisor, since he was the only nominee of either ticket.

Mrs. Notman Denne and E. M. Bogart were chairmen of the Eastern Star-Masonic ball.

Patients at Maybury sanatorium were enjoying radio headsets obtained through a drive conducted by Pat Dennis, radio editor of The Detroit Times.

### FIFTY YEARS AGO—

The Northville Driving club had its "last race of the season" on

Dunlap Blvd. There were three contests.

James Dart bought John Scherer's interest and the harness firm's name was changed to Cattermole & Dart.

The Condensing and Cheese Co.'s plant was back to normal operation after extensive repairs of damages caused by fire.

### Camera Club To Meet Tonight

The Northville Camera club will meet at Stone's Gamble store on March 10 at 7:15 for questions and discussion.

At 8 o'clock the club members will proceed to the Community Bldg. where John Borbridge, Alaska's Indian law student at the University of Michigan, will show slides of "Life in Alaska".

### Visnyak Listed Among GI's In German Maneuver

Augsburg, Germany — Cpl. Robert H. Visnyak, son of Mr. and Mrs. Louis Visnyak, 50191 W. Nine Mile Rd., Northville, recently participated in an Army winter training maneuver in southern Germany with the 5th Infantry division.

Cold weather fighting and survival were emphasized in the exercise, part of the division's year-round over-all training program.

Visnyak, a squad leader with Company K of the 11th Regiment, entered the Army in March 1953 and arrived overseas in August 1953. He is a graduate of Northville High school.

### Cornelius Gabler To Speak At U-M Pot-Luck Supper

To mark the 138th birthday of the founding of the University of Michigan, members of the Northville Alumni Assn. are planning a pot-luck dinner Friday, March 25 at the Presbyterian church house. Members are asked to bring food contributions and table service for their party to the church house so dinner may be served at 6:30 p.m.

The committee, Mrs. Levi Eaton, Mrs. Max Austin and Mrs. Robert Yerkes will be on hand to prepare coffee and set up the tables and welcome both guests and members.

Cornelius L. T. Gabler, AIA, one of the architects and planners of the North Campus of the University has been asked to speak on the whys and wherefores of this tremendous project. Mr. Gabler's presentation will be interesting to everyone due, in part, to his use of three dimensional pictures as illustrations. Glasses for viewing them will be provided.

All members and local alumni will be contacted to coordinate the pot-luck dinner and are urged to attend this annual birthday anniversary of their alma mater.

### Doeksen Named To Attend Safety Course

R. W. Doeksen, 480 Orchard Dr., in charge of safety education at Waterford High school, will attend a follow-up course on safety at Kellogg Center March 25-26. The program is sponsored by the Michigan Inter-Industry committee and the Allstate Foundation.

Subjects for discussion will be added safety for new and future cars by automotive engineers, specific school problems and new developments in schools. James M. Hare, secretary of state, will speak on new procedures in driver licensing and the driver improvement program of the state.

### Teachers Sponsor Alaska Lecture On March 10

John Borbridge, a law student at the University of Michigan, will speak and show slides in the Northville Community building at 8 p.m. Thursday, March 10 on "Life in Alaska". Borbridge is an Alaskan Indian, married, and has several children.

The program is sponsored by the Northville Teachers' club. The public is invited.

### Northville Girl Receives Award

Lillian, daughter of Mr. and Mrs. Carl Zinnecker of Ridge Rd., has received a commendation award in the Detroit News Writer's contest. The honors will be awarded April 27 at the Rackham Educational building in Detroit. Lillian entered an essay in the junior division, under the tutelage of Edgar Bovee, Northville school instructor.

The Zinneckers are newcomers in Northville, having moved here from Detroit last August.

Auto welder finds  
easiest way  
to pay hospital bill

"The \$900 hospital bill I had would have put an awful dent in my savings," says Mr. Falbo, of Roseville, "but, fortunately, I had Blue Cross-Blue Shield. When the hospital saw my Blue Cross-Blue Shield ID card, it worked just like money. They provided me with the care I needed . . . and every cent of the bill was covered by my Blue Cross Comprehensive Contract. I've got Blue Shield, too, and that came in handy on my doctor bill. I don't know of any protection plans that take a load off your mind the way Blue Cross-Blue Shield plans do!"

Your family has a 1 in 3 chance of facing a hospital bill within a year! That's why you need protection . . . and the most realistic protection you can get is Blue Cross-Blue Shield. Because only Blue Cross-Blue Shield plans gear benefits to actual, current hospital and doctor charges . . . to provide you with protection you need, when you need it!

Find out how you can have low-cost group coverage. A company with as few as 5 employees may qualify as a group. Today, call or write: Blue Cross-Blue Shield 441 E. Jefferson, Detroit 26, Michigan.

## New City of 20,000 Population Is Slated for Ypsilanti Township

Plans for transforming Ypsilanti township into a planned community of some 5,000 dwellings housing 20,000 persons were announced recently by the Willow Development Co., which on Feb. 23 agreed to purchase for \$1,500,000 the 1,650-acre Willow Run Village. The war-famed housing project has been operated by Ypsilanti township since the federal government abandoned it last Nov. 1.

Stewart Didzun, writing in the Sunday Detroit News, had this to say about the forward plan for Ypsilanti township:

"Officials of Ypsilanti Township, already one of Michigan's wealthiest townships on a per capita basis, are wondering how long they can avoid levying a property tax now that a \$150,000,000 housing development is being launched at their doorstep. 'Like many other political subdivisions in the metropolitan Detroit area, Ypsilanti Township suddenly has found that its one-time rural atmosphere is to be replaced by a suburban movement of city dwellers.

**5,000 Homes**

"The developers over a 10-year period intend to transform the village into a pre-planned community. The official name is the Ypsilanti Township Housing Community.

"A 'city' of 20,000 persons means additional problems, like providing the many services to which erstwhile city dwellers are accustomed.

"But, Ypsilanti Township officials aren't complaining. In recent years, many of the squat, barrack-like units in Willow Run Village have become eyesores. The vacant areas of land which the government had leased since 1942 have been unproductive.

**Costly To Maintain**

"And while rentals from the units total about \$1,000,000 annually, it has been costly to maintain them. Therefore when the government said the units must be razed by 1958, township officials were happy.

"But because the township now levies no direct property tax, the township stands to gain nothing in assessments on the dwellings and structures within the contemplated \$150,000,000 development.

"So far we haven't needed to," says Donald Ehle, township clerk. "We have built a township hall and maintained all township facilities on revenues gained from state intangible taxes and sales tax diversion funds."

"People are going to want added services," said Henry F. Hicks, township supervisor. "The initial public improvements will be paid by the developers, however."

"There is one helpful clause in the contract. The developers agreed to pay an improvement

fee, about \$100, on every home which they build. This will go for community facilities.

**To Double Valuation**

"The same holds true for adjoining Superior Township, in which part of Willow Run Village is located. Superior Township, which waived its rights to purchasing the village from the federal government, likewise levies no direct property tax.

"Washtenaw County and Willow Run School District now stand to gain the most from the sale. The development, when completed, likely will double Ypsilanti Township's present equalized valuation of about \$73,000,000 as well as Superior Township's valuation of \$6,000,000.

"General Motors Corp.'s Transmission Division, which now owns the war-time B-24 bomber plant operated by Ford Motor Co., pays about 75 per cent of Ypsilanti Township's taxes. This makes its 15,000 residents among the 'wealthiest' in the state."

## Leader Training Class Offered By Scouts

Horace Cooke, Garden City, Leadership Training chairman for the Sunset district, Boy Scouts, this week announced instruction opportunities for Boy Scout and Cub Scout leaders. Formal courses will open at 7:30 p.m. Tuesday, March 15, at Burger Junior High school, Garden City. The training is open to all adults interested in learning leadership skills, techniques, ceremonies and program planning.

The course for Cub Scout leaders will run for six weeks and will be directed by veteran instructor Edwin Willis, Livonia. Leaders for the Scoutmaster course will be James Culbertson, George Enot and George May, all of Livonia. This course will run for seven 2-hour sessions, concluding with an overnight camp April 22-24, at the Charles Howell Scout reservation at Brighton.

This will be the last series of training opportunities until September. Over 100 men and women are expected to attend from all over Western Wayne county.

## Fiction, Non-Fiction In New Books At Library

The addition of several new volumes to the Northville library has been announced by Miss Rhea Lyon, librarian. Including both fiction and non-fiction titles, they are:

"Practical Electrical Wiring" by H. P. Richter.

"Modern Pioneering in Alaska" by Margaret Melin.

"North of Saginaw Bay" by E. J. Petersen.

"The White Squaw", sequel to "North of Saginaw Bay".

"Home Improvement Ideas", published by Better Homes & Gardens magazine.

"Blow the Wind Southerly" by D. E. Stevenson.

"My Several Worlds, a Personal Record" by Pearl Buck.

"Love of Seven Dolls" by Paul Gallico.

"One White Star" by Gladys Hasty Carroll.

"Good Morning, Miss Patton" by Frances Gray Patton.

"Scott's Standard Postage Stamp Catalog".

"The Cross and the Crown", a history of Christian Science by Norman Beasley, who is not a member of that sect.

"Stedman's Shorter Medical Dictionary".

"Modern Air Conditioning, Heating and Ventilating". This book is designed to apply existing therapy to actual practice, the authors state.

## Frid Takes Part In Army Test At Ft. Hood, Texas

Fort Hood, Tex. — Cpl. Norman J. Frid, 26, son of Mr. and Mrs. Cyril Frid, 515 Dubuque St., Northville, recently participated in a special Army test exercise at Fort Hood, Tex.

Purpose of the exercise was to test combat command experimental formations organized by the 1st Armored Division to adapt to the latest concepts of atomic-age ground warfare.

Cpl. Frid, whose wife, Marcia, is now living in Killeen, Tex., is a mechanic in Headquarters and Service Company of the division's 1st Tank Bn.

A 1947 graduate of Northville High school, he entered the Army in June 1953 and completed basic training at Fort Knox, Ky.

## DEATHS

**MRS. WALTER FLETCHER**  
Mrs. Fan Lou Fletcher, 71, of 8315 W. Six Mile Rd., Salem township, died Thursday, Feb. 24 at Oakwood Memorial hospital after a short illness. She was born April 24, 1883 in Dayton, Ky., the daughter of James A. Reed and Caddie A. Connor. She was married on June 16, 1904 to Walter

Eugene Fletcher. They came to this residence in November of 1937, where Mr. Fletcher died in January, 1943.

Mrs. Fletcher is survived by two daughters, Mrs. George S. Brown, of Salem; Mrs. Ralph Lou Dunn, of Dearborn; and a son, Mrs. Cora M. Pennell officiating.

E. Reed Fletcher, of Howell; 11 grandchildren and five great-grandsons, and a sister, Mrs. Clifford Connor, of Georgetown, Ind.

## COLOR PRINT SERVICE

Kodachrome and Kodachrome print orders are quickly serviced. The average delivery time does not usually exceed 7 days. Special delivery shipments sent and received each day make this possible. Ektachrome and Ansco color film are processed or printed in about the same length of time. A trial will convince you.

Prompt service on 35mm. duplicate slides and 8mm. and 16 mm. duplicate movies as well.

There's even more to Chevrolet styling than meets the eye!

This is beauty with a bonus . . . for Chevrolet styling is designed to add safety and comfort while you drive, and to return greater value when you trade.

Truly modern lines are shaped by usefulness. You can see what we mean in the deep crystal curve of Chevrolet's Sweep-Sight windshield . . . a dramatic style note, certainly, but one that stems from the need for wider, safer vision. Or take high-set taillights—they add to the impressive length of line . . . but they are up there where they can be seen for safety's sake, and as convenient guides in parking. So, too, with the jutting peaks over the headlights.

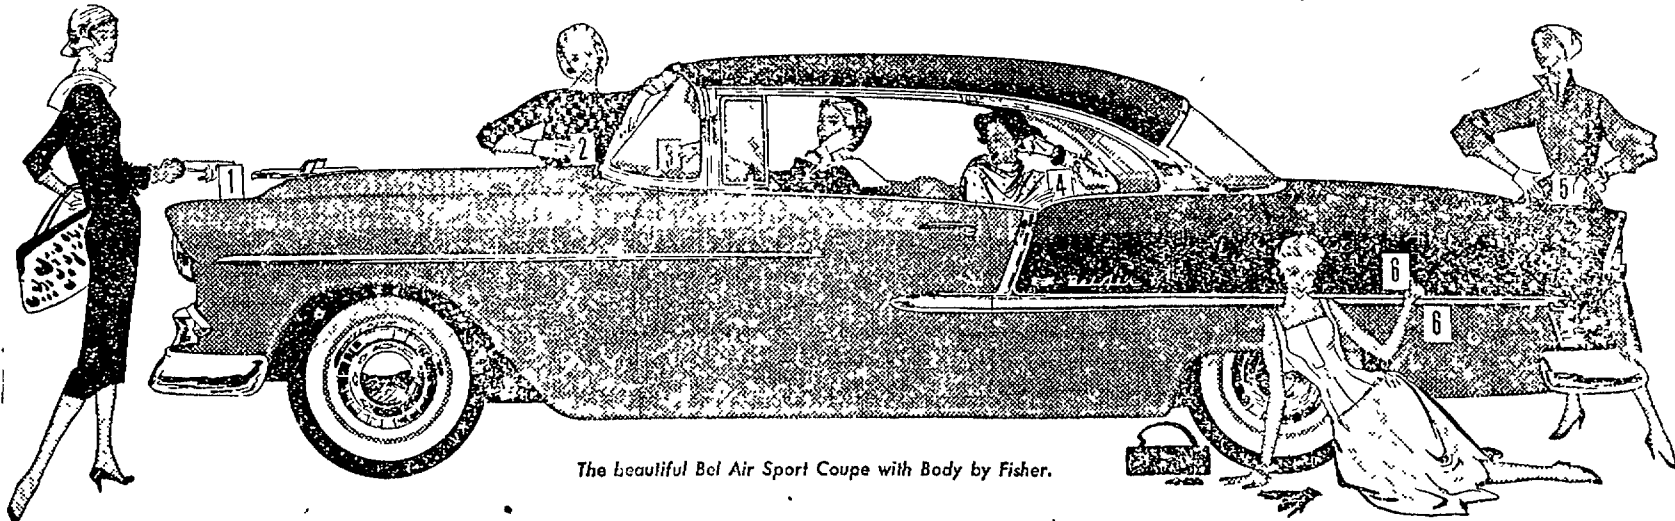

The smart louvers across the hood aren't just decoration . . . they mark the intake for the High-Level ventilation system for cleaner, fresher air. And the whole shape of the body—its lowness, the dipped belt line—is merely a reflection of a lowered center of gravity, the added stability.

This is truly functional styling that serves you better every mile, and preserves its value against the distant day when you trade. This is Body by Fisher—another Chevrolet exclusive in the low-price field. Come in and let us demonstrate that this new Chevrolet is just as exciting to drive as to look at!
