## Reasons Why Northville Should Become A City

### By Citizens Committee On City Incorporation

Last week we reviewed some of the advantages of a city as compared with a village form of government in Michigan. These basic advantages account for the continuing trend of villages voting to become cities. Decided improvements have resulted from such changes in dozens of Michigan communities and the local citizens have benefited and been well satisfied with the change.

In this letter we would like to clarify some possible misunderstandings and state the position of the Committee with respect to the race track as it relates to city incorporation.

We would like to emphasize in all sincerity that changing Northville to the legal status of a city would in no way change the character of our community. It is expected that the greater efficiency to result will help accelerate improvements but it will not change Northville from being a pleasant residential community. Merely becoming a city will not affect the area, population, growth or complexion of our town. Also, changing to city status would have absolutely no effect on our schools. Our school districts and entire school system in no way would be affected by this change.

What about the exact form or organization of government for the city? This is a good question but one that cannot be answered specifically at this time. Since the present charter is considered inadequate and out-of-date, it is expected that the new charter will include modernization and many improvements. When the citizens of Northville vote on the question of becoming a city they also will vote for members of a Charter Commission. Those elected to the Charter Commission will, after careful study and public hearings, prepare a proposed charter. The recommended charter must be put to a public vote. If not approved, the process must be repeated until a charter is adopted by the voters. (If a charter is not approved within two years after voting to become a city—the election is in effect cancelled and the "city" returns to its status as a village.)

The subject of Northville Downs often has come up in discussions on city incorporation. Our Committee believes that because of many inherent advantages the citizens of Northville should vote to change to a city form of government. These advantages exist entirely apart from any consideration of the race track. Just as these same advantages exist in scores of other villages that have voted to become cities. It is true, however, that under present conditions, Northville, as a city, would receive considerable additional revenue from the race track.

The Village of Northville by contractual arrangement now receives \$500 for each day of racing held at Northville Downs. This payment by the track is for water, fire and police protection, and other direct services rendered. The fact of becoming a city would not affect this arrangement. On the other hand, twenty percent of state collected taxes on pari mutuel betting is returned to the city (but not the village) in which the tax is collected. Last year this would have amounted to approximately \$80,000 in additional revenue for Northville. So long as a race track operates within a community it seems only fair that part of the taxes collected should go to that community—indeed that was the theory and intent of the state law which provided for returning part of the tax to the city in which a track is located. In summary, the location of a race track here in no way detracts from the many basic advantages of changing over to city status. On the other hand, it does mean an incidental and supplemental advantage of providing substantial additional revenue to the city.

## Pointer Field Trials Set for April 23-24

The Michigan Pointer club will hold its annual spring field trials at the Highland Recreation area Saturday and Sunday, April 23 and 24.  
Beginning at 8 a.m. Saturday, the Open Gun Dog Stake, open to all pointing breeds, will start. Other stakes following will be the Amateur Gun Dog stakes, for pointers only, the Derby stake, for pointers, and Puppy stake. Drawing will take place Friday evening at 8 p.m. at Franchfield Farm club house at 46820 W. Eight Mile Rd. Entries may be made up until the time of the drawing. All bird dog owners are invited to enter.  
Judging the hunting ability of the pointers will be Floyd Breughn of Birmingham and John Knox of Garden City.  
Information on entries and the trials may be had by calling J. P. Malley, Northville 475. Malley is president of the Michigan Pointer club.  
**CLUTCH JERKERS HOLD POKER RUN**  
The Northville Clutch Jerkers had a poker run last Thursday night. It was won by Bill King and Terry Gates.  
Apr. 29—Cardiac clinic, Novi Community hall, 9:30 a.m.

**TROUT PLANTED BY SCOUTS DUE FOR DOOM**—About 5,000 rainbow and brook trout have been planted in the stream through Cass-Benton park during the past two weeks by Boy Scout Post Explorer 242, in co-operation with the Northville Exchange club. These fish will be the prey in the Trout Fishing Derby sponsored by the Northville Record and local merchants Sat. Apr. 30. Prizes will be given for the longest and heaviest trout. Harry Sedan was chairman of the Exchange committee connected with the project. Russell P. Reimer is leader of the Scout post. Standing, from left to right: Bill Baker, Bob Watson, Harold Wilson, Ed Mollema, Bill Tierney, Larry Green, Charles Hawes, Bob Gillick, Don Atwood. Sitting: George Miller, E. V. Ellison, E. W. Esberi, Chas. Bahnmiller, E. R. Widmyer, Dr. E. B. Cavell, Dr. Stuart Campbell and Kenneth Rathburn.

## Northville Record Will Sponsor Annual Trout Derby April 30th

Boys and girls, get out your fishing tackle for the opening of trout season Saturday, April 30. Oil up your reels and test your pole and lines to be sure they're strong enough so that "big one" won't get away.  
Come to the Record office next week to pick out the prize you'll try to win in the Rouge Trout Fishing Derby open to all boys and girls up to and including 16 years of age. They'll be on display in the Record window starting next Monday.

**5,000 Trout Planted**  
As in former years 5,000 legal size trout have been planted in the range between the fish hatchery and 6 Mile Rd. by scouts of Explorer Post 242, under supervision of members of the Northville Exchange club and hatchery officials. Three thousand were planted April 13 (they'll be the unluckiest trout) and 2,000 more were put in the stream April 20. It is hoped that they'll have time to move up and downstream before the season opens so anglers all along the river bank will enjoy a good catch.

## Lutherans Host To District Parley of Laymen's Group

St. Paul's Lutheran Church of Northville will be the host congregation for the annual convention of the Southeastern Michigan District Lutheran Laymen's League at St. Paul's Lutheran church April 23 and 24.  
The Lutheran Laymen's League sponsors the International Lutheran Hour which is heard over 700 radio broadcasting stations in this country, 65 foreign countries in 56 different languages.  
The convention will open April 23 at 2 p.m. in the church with a devotion by Rev. C. L. Thalacker. This will be followed by a message of welcome by Mayor Claude Ely.  
During the afternoon session a tour of Northville has been planned for the women attending.  
A banquet is planned for Saturday evening at 6:30 p.m. in the church hall. Toastmaster will be Rev. E. E. Rossow, former pastor of St. Paul's. His ability as toastmaster is being praised.

## Salk Injections Begin April 27 At Grade School

The first inoculations with Salk anti-polio vaccine will be given at the Northville grade school Wednesday, April 27 for both public and parochial school pupils.  
Miss Ruth Knapp, R.N., stated Wednesday that 267 consents from parents approving the injections had been received. In the public school there were 101 first graders and 125 from the second grade. Forty-one first and second year children from Our Lady of Victory school will be treated.  
The second inoculation which had been previously announced for May 4 will not be held until later in the month, Miss Knapp stated. The date will be announced in the Record as soon as it is available.

### Warning !!!

Game wardens on the watch for illegal fishing before the trout season opens have asked the Record to warn all boys and girls not to fish in the Rouge river before the season opens April 30. Some boys are reported to have been dipping out the newly planted trout with pails last week end. "This," says the game warden, "is a naughty thing to do which mustn't be done too soon."

Equally as important as the fact that 5,000 trout have been planted is the fact that this year the Northville Record, with the co-operation of many local merchants, is reviving the annual fishing derby which was abandoned last year. As an incentive (if one is needed) to get every boy and girl in Northville to enter the competition for catching the longest and heaviest trout, many valuable prizes are to be given away to the lucky or most proficient anglers.

Stone's Gamble Store is giving away a fiberglass rod and reel. Trickey's at Novi is donating a fly rod; Northville Electric, an electric lantern; Famous Store, a plaid sport shirt; E.M.B. Market, two cases of pop; Paul's Sweet Shop, all the ice cream two winners can eat "at one sitting"; Gunsell's drug store, an Esterbrook pen.

The Northville Record will give a \$25 War Savings Bond to the boy or girl who catches the heaviest trout. Many other local merchants, including Brader's, Freydl Cleaners, Altman's Center St. Grocery and Clark's Hardware also have promised to put up prizes. A complete list of all trophies will be printed in the Record next week.

**Three Age Groups Eligible**  
To make the Derby interesting

## Foreign Students To Speak Tonight

The foreign students from the International Center of the University of Michigan who are to present a program in the Community Bldg. tonight are Joaquin Sinek from Valparaiso, Chile; Surendra Purchit of Jodhpur, India and Raja Nasr from Beirut, Lebanon. This is the last of the series sponsored by the Coordinating Council and is scheduled for 8 p.m.  
There will be no regular meeting of the Coordinating Council this week.

## Plans Started To Cite Jubilee Of Fr. Heraty

Fr. Anthony Heraty, pastor of Our Lady of Victory Catholic church, will observe his 25th anniversary in the priesthood June 7. He has been pastor here for the past four years.

The first event marking the quarter-century jubilee will be a social affair Saturday, April 23. Proceeds from a revived spring dance sponsored by the Holy Name Society and the Mothers' club of the parish hall will be included in the customary purse presented clergymen when service milestones are reached. The dance and card party will be at the Community Bldg.

In addition to guiding the parish and its school, he is chaplain of the Northville State hospital and Eastlawn Sanitarium. While

## Recreation Dept. Offers Expanded Play Program

Northville youths are assured a wide range of outdoor and indoor activities this summer under the Recreation Department's expanded program of both events and facilities approved by the Village commission Monday.

The summer plans had been previously approved by the Recreation committee composed of R. H. Merriam, Robert Coolman, Ed Welch, R. H. Amerman, Mrs. Leo Lawrence and Tony Bongiovanni.

Recreation Director Stanley Johnston anticipates that swim-

ming will again be the most popular pastime. Last year it drew 4,000 in day and night sessions. This summer sport will be conducted at Groome's Beach, Whitmore Lake, where a life guard is on duty.

The cost to swimmers will be 15 cents for the afternoon. Buses will be used for the trip daily Monday through Friday, leaving the school at 1 o'clock. A supervisor for girl swimmers will be named later.

Baseball is already under way for boys 14 years old and under, with a turnout of 50 for the first class and practice. This figure was considerably beyond expectations and will be boosted further this summer when the 16 and under group starts.

**More League Teams**  
Stepped up interest in baseball will probably be reflected in having at least two teams and possibly three in the Livonia Recreation league, compared with nine last season, Johnston said in the report given the Village commission's O.K.

He recommended that Jerry Heaton, now handling the Saturday baseball school, be named to direct the summer baseball activity, for which most of the equipment has been purchased.

The added assistance from Heaton on a growing baseball participation is requested by

## Austin Elected Optimist Head

The Northville Optimist club has elected Max Austin, president. Other officers for the coming year are John Canterbury, vice-president; Stan Schaefer, second vice-president; Bob Williams, secretary; Del Hahn, treasurer; Rev. Bernard Pankow, chaplain and Don Hamilton, sergeant-at-arms.

Directors elected were Joseph Crupi, Dr. Donald Young and William Milne.

Father Heraty

pastor at Milan he was chaplain of the Federal prison there and the state hospital at Ypsilanti.

The expansion of the parish under his guidance is probably best indicated in the growth of the parochial school, conducted by the Sisters of St. Dominic. When Fr. Heraty came here from Temperance in 1952, the school had an enrollment of 118, compared with 154 now, and an anticipated 165 pupils when the new term opens next September.

## Juniors Present "Lost Horizon" April 21 and 22

The junior class of Northville High school will present "Lost Horizon" April 21 and 22 at 8 p.m. in the Community Bldg.

The play, under the direction of Alvin Skow, and student directors Gail Lawrence and Donna Frisbie is the first serious drama to be given in Northville for some time. Proceeds from the play will be applied to the fund for the junior class trip to Washington.

The cast includes Walt Palmer as Conway, Carolyn Burkman as Helen, Dave Waterloo as Mallinson, Jim Weston as Barnard, Donna Batchelder, Miss Brinklow; Charles Hawes, The High-Llama; Anthony Olivitch, Chang; Irene Bongiovanni, Tashi; Evelyn Clark, Lo Tsen; Janice Owens, Al-Ling; Sue Cantrell and Barbara Archer, Myra; Judy Huff and Nancy Bowen, Elizabeth; Max Robertson, Wyland; Charles Early, Rutherford; Ken Krezel, Tibetan.

The play is the story of four kidnapped travelers from a wreck- (Continued on Page 4)

## Frogner Becomes the Principal of Durfee Intermediate School

Promotion of Herbert N. Frogner to the position of principal of the Durfee Intermediate school in Detroit will be effective at the opening of the school year next September. The announcement was made by the Detroit board of education.

Frogner has been principal of the Gruesel Intermediate school since 1951. Previously he was assistant principal of Nolan Intermediate.

The Durfee school, located on Collingwood, has an enrollment of 2,000 students.

Frogner entered the Detroit school system in 1920 after he returned from service in the 32nd division in France in World War I.

## First Wasn't Really First, So Now First Is Fonda

Novi residents who for many years have lived on First St. found Friday morning that they now live on Fonda St. And residents of Martin Ave. have to learn to pronounce their new street name—Minervia.

These were only two of the more than 50 street names that were changed Friday morning throughout the township. Most of the residents took the changes in stride, but a few of the more irate ones thought up some new names of their own, mostly directed at township officials whom they believed responsible for the street changes.

## Middle of Road Policy Labeled Reckless On US-16

A 3-way automobile accident in which three persons were injured occurred April 13 on Grand River just east of Novi.

As a result of the accident, Jewell B. Smith, 49, of Detroit, received a traffic citation and has been ordered to appear in Novi Justice Court to answer reckless driving charges preferred by Robert Stein of Milford.

According to Lee BeGole, Novi director of safety, Miss Smith's car was travelling west in the center lane at a high rate of speed in a no passing zone when it went out of control and veered into oncoming traffic sideswiping the rear corner of a truck and trailer driven by Marvin Armstrong of Detroit. Her car then careened into a pick-up truck driven by Clarence S. Reading of Davisburg. Stein was a passenger in Reading's truck.

Reading and Stein were treated for minor lacerations and then released. Miss Smith was taken to Sessions hospital for treatment of lacerations and head injuries.

## Plans Submitted For Subdivision

A plat map showing 28 proposed building sites in the Yerkes subdivision was submitted to the Novi township board for approval last week by the D&R Building Co. of Detroit.

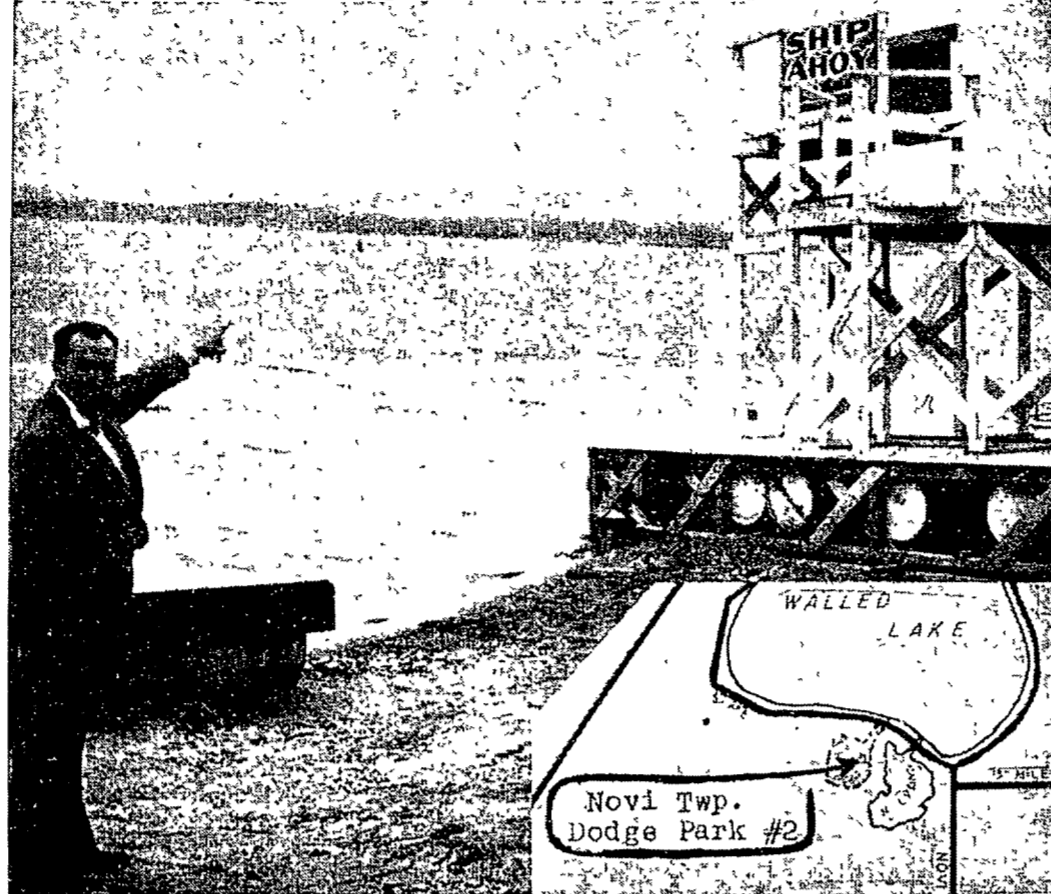

The 28 lots, each of Novi Ave. between 8 Mile Rd. and Carlyle St., represent the initial stage in the proposed development of the 80-acre Yerkes property.

No action was taken by the board on approving or rejecting the map at last week's meeting.

According to Frazier Staman, township supervisor, a special meeting of the board will be held in the near future to further discuss the matter.

The Detroit River yearly carries more tonnage than the Rhine, Thames, Seine and Volga rivers combined.

## Novi Township's Dodge Park No. 2 To Open Soon

Novi Township Dodge Park No. 2, a 26-acre recreation center owned and operated by the township for the use of its residents, is being readied for the warm days ahead. Shown inspecting the huge raft and diving board equipment is Russell Woodworth, township official, who manages the park. This raft will be towed out into deep water in a few days and will be the main attraction for the hundreds of residents who seek relief from the summer's heat. The raft, constructed by Woodworth, will hold approximately 40 bathers and is equipped with both a high and low diving board. It is one of the many facilities available in the park. The long, sandy beach is equipped with slides, swings, and a merry-go-round for small fry. Complete bath house and boating facilities are available. The inland portion of the park features complete picnicking and camping facilities, with electrical connections for trailers. The park will officially open April 30, according to Woodworth, and will be open daily until early September. The above map (inset) shows the location of Novi park.

## Novi School News

Marilyn Miller has been chosen valedictorian and Cary Ciot salutatorian for the 1955 Novi graduating class.

About 70 Novi children received polio shots at South Lyon on Wednesday. They were taken by several mothers.

Novi school children were shown the film, "Meet Outstate Michigan" during their lunch hour Friday.

Donna Mae Lien is absent from the fifth grade because of illness. George Ciot, Dana Jean Crawford, Charles Rice, Allen Ross and Roberta Willacker are on the honor roll.

Noel F'Gepert, sixth grade pupil, has never been absent or tardy this year.

Those in the sixth grade who have had "B" or better averages on their report cards are Janet Sharpe, Carol LaPlante, Tommy Darling, Michael Eby, Charles Early, Linda Loyne, Noel F'Gepert, Karen Schneider and Martha Goodfellow.

The pupils in Mrs. Boyd's room who have been neither absent or tardy for the past six weeks are Larry Brugman, Ruth Munro, Peggy Angel and Randy Ledford.

## Novi Scout News

The Senior girl scouts are planning to help serve at the Oltawa district Tuesday evening at the Community Bldg.

Brownie Troop No. 493 made plans for attending day camp this year and practical knot tying. Diane Eby brought treats.

Intermediate Troop No. 491 is working on its Mother's Day project.

Brownie Troop No. 602 had an investiture service and welcomed several new girls into the troop. The girls made set-ups for camp. Lynn McDermaid brought cup cakes for the candle service.

Brownie Troop No. 492 made plans for a cook-out next week and discussed conservation. They also had election of officers.

Mrs. Vincent Hayes attended the girl scout district meeting on Tuesday in Farmington. Plans were made for Novi to be hostesses for a thank-you tea for all registered adult girl scouts May 17 in the Community Bldg.

All brownies and girl scouts are planning to go to day camp this year should send their registration cards in as soon after Monday, April 18 as possible. Anyone desiring campership forms or information may contact either the leader or neighborhood chairman, Mrs. Hayes.

## Novi Baptist Church News

Thursday, April 21 at 3:15 p.m. the "Bible Heirs" will meet at the church.

After Bible study and prayer meeting Wednesday, April 27 at the Novi Baptist church the annual church business meeting with election of officers will be held.

The Mission band met at the home of Mrs. Ted Remein last Thursday. The following officers were elected: president, Mrs. Alma Johnston; vice-president, Mrs. Ruth LaPlante; secretary, Mrs. Belle Walter; treasurer, Mrs.

## Jahn's Growth Is Aided By Civic Efforts

Started with the idea that "the neighborhood needed a hardware" John's Livonia Hardware Co., 33421 Five Mile Rd. at Farmington Rd., has grown in 10 years from a small hardware and sporting goods store in a 20x20 ft. building to one of the largest and most complete in western Wayne county.

The firm is participating with other merchants in the Farmington-Five Mile Rd. area in a nine-day birthday bargain festival, according to Clarence P. Jahn, head of the company.

Jahn opened the store in 1942; expanded it to 20x50 feet in 1945 and added another 20 feet of space in the following year. In 1947 a new building was constructed on the south side of Five Mile Rd. Further growth was effected in 1954 when a 70x70 ft. increase in space was completed.

While guiding an impressive growth program in his business, Jahn has been active in civic affairs. He has resided in the community for the last 17 years.

At the present he is president of the Chamber of Commerce, and the Livonia Rotary Youth Foundation, and vice-president of The Bank of Livonia. A charter member of Rotary Jahn, for three years has chairmanned the annual Rotary carnival. He was first president of the Coventry Gardens Improvement Assn., sparked the 1953 Torch Drive, and served for four years on the planning commission.

In 1945 Jahn's branched into the lumber business, which was sold in 1953 to Lloyd Wilkie who operates it under Livonia Lumber and Supply.

The firm's employees are Marvin in Kemp, Pete Sutyak, John Sparks, Howard Majeski, Jerry

Jahn, Norma Phipps, Paul Schumacher, John Hacko and Charles McKinney.

# For Full Benefits of High Octane Gasoline you need Shell Premium with TCP

If certain engine deposits did not form inside your combustion chambers as a result of your daily, short-haul driving, any good high octane gasoline would do very well.

But because this kind of driving increases the build-up of these deposits, you need a gasoline with a special kind of additive.

The reason is simply this:

As your engine warms up, these deposits warm up, too—glow red hot. And these glowing particles act like hot coals—ignite the gasoline mixture ahead of time . . . before the pistons reach proper firing position. This is called pre-firing and means that power works against you instead of for you.

In addition, these same deposits have another power-wasting effect: They foul spark plugs, causing your engine to miss.

Engineers will tell you there's nothing more wasteful of power and gasoline than pre-firing and spark plug "miss."

But there is an answer—there's one high octane gasoline that gives you all the advantages of high octane without the power-crippling effects of these deposits—Shell Premium Gasoline with TCP.

TCP, the Shell-developed additive, fire-proofs the deposits so that they no longer cause pre-firing. No longer can they glow red hot and ignite the gasoline mixture. And TCP stops spark plug "miss," too. Your spark plugs do the job they are supposed to do.

Start getting the full power built into your engine. Get Shell Premium with TCP. It's the most powerful gasoline your car can use!

\*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

## Safety Patrol Given Bird's Eye View of Traffic

Leo Harrawood treated the safety patrol boys and service squad girls to an airplane ride April 14.

Those taking the trip were Thomas Sechrest, Allen Geer, Roger Chesebrough, Ronnie Loynes, Dennis Snow, Donald Boyer, Sandra Moody, Bonnie Bellinger, Jackie Bailey, Mary Ciot, Claudia Mairs, Jerry Coleman, Karelene Kolk.

Mr. Shape, kindergarten teacher, is the service squad leader. Mr. Griffith, seventh and eighth grade teacher, is the safety patrol leader.

Also guests of Harrawood piloting his Piper Tri-Pacer over Brighton, Walled Lake and Milford was the Explorer troop of Boy Scouts from St. Williams Catholic church at Walled Lake.

In this group were Frank Salla Jr., Jim Rozek, Mike Smith, Leon Soba, Tippi Naubert and Troop Leader Frank Salla.

## Young Pupils In Fair Plans

More attractions have been announced for the Novi School fair May 6. The kindergarten will have a movie, a string roll game; first grade, a bake sale; second grade, a grab bag and games.

Mrs. Mary Louise Taylor is chairman of the event.

## Cardiac Clinics Slated For Novi

A cardiac clinic will be held at Novi Community Bldg. April 29 at 9:30 a.m. This clinic is being conducted by Mrs. Hixon of the Oakland County Extension office.

It is sponsored by Michigan State college and the Michigan Cardiac Assn. This clinic is not a diagnostic clinic but will be beneficial to any handicapped person or anyone interested in handicapped people.

It is meant to show how to con-

serve energy or find new ways of doing every day chores, depending on each person's handicap. Anyone interested in handicapped people or having a handicap himself is invited to attend. These classes will be held April 29, May 6, 13 and 20.

## Tractor Accident Fatal To Snyder

Hamilton G. Snyder, 43, of Novi was crushed to death Thursday evening when his tractor overturned, pinning him to the ground.

Snyder was removing tree stumps from his property at 25587 Clark St. when the accident occurred. A slipping towline attached to the stump caused the tractor to make a sudden lunge forward and upward. The tractor overturned, pinning Snyder beneath it, according to D'Arcy Young, Novi patrolman.

State police and an ambulance were called, but Snyder was pronounced dead on arrival at Atchison Memorial hospital, Northville.

An employee of Novi Equipment Co., Snyder had worked in the receiving department of the firm since 1947.

He is survived by his wife, Emily, and their daughter, Nadine. Funeral services were held Monday at the Casterline Funeral home, Northville. Members of the Novi AmVets, Perry Kenner Post 76, and Chaplain William MacDermaid conducted the services.

### Subtractions that Add Up!

We've been doing a lot of subtracting at A&P since the first of the year...reducing the prices of hundreds of grocery items. And you don't have to be a mathematician to figure out how these subtractions can add up to big savings for you. The solution is simple: Just choose your favorites from the hundreds of popular foods... frozen, canned, packaged and in glass... that A&P is now featuring at reduced prices. Then compare and see how much lower your total bill is!

## WRITE IN PRICES YOU'VE BEEN PAYING... SEE WHAT A&P SAVES YOU!

Before you do any more marketing compare the prices advertised here with what you've been paying! Why? Because when you see how these low prices can cut your weekly food bill... you'll want to buy everything you need at A&P. That's what thousands upon thousands of thrifty folks are doing every day. Comparison has convinced them that they get more low prices on more items, more

days of the week at A&P. We think it will convince you of this fact, too. So fill in the box beside each low A&P price with the price you've seen or paid elsewhere for the same brand or quality. Then add up both columns and compare the totals! The difference will show you why everybody's saying, "Come see... come save at A&P!"

The luncheon table was centered with an arrangement of yellow daffodils and snapdragons and the smaller tables with bowls of violets and forsythia to carry out the spring-time mood.

## Dr. Frank Adams Addresses BPW District Meeting

The annual Spring District No. 2 meeting of the Business and Professional Woman's club was held at Meadowbrook Country club, Northville, Sunday, with over 150 members from Walled Lake, Milan, Dearborn, Livonia, Ann Arbor, Belleville, Dundee, Farmington, Garden City, Monroe, Northville, Plymouth, Wyandotte, Wayne, Ypsilanti and Lincoln Park attending.

A coffee hour started at 11 in the morning followed by a business meeting with Miss Evelyn Burke, chairman of the district, presiding. Miss Burke was reelected chairman for the coming year, Miss Elizabeth Etz, secretary-treasurer, and Miss Beatrice Boldt of Belleville, vice-president.

At two o'clock the members were seated at three long tables in the main dining room of the club. Each guest found a favor at her place—a small ceramic statue of a horse. Each member was presented with a ceramic pin of a horse's head to hold her identification ribbon of silk. The ceramic favors were fashioned and made by Mrs. Mabel Stenson, vice-president of the Northville club, and her committee, for this meeting.

The tables were decorated with spring flowers and replicas in copper of the Northville spring. The copper wells were made by Miss B. E. Ware and her committee especially for this meeting also.

Mrs. Mabel Cooley, president of the Northville club, welcomed the members and Miss Etz gave the devotional.

After the dinner, a sextet composed of Miss Margaret Sours, Miss Elizabeth Schultz, Miss Diana Lane, Miss Pearl Hench, Miss Florence Keith and Mrs. Mary Alexander, sang two numbers accompanied by Mrs. Bart Connors.

Miss Etz introduced the speaker, Dr. Frank D. Adams of Pontiac, minister emeritus of Farmington Universalist church, who dramatized the play, "Outward Bound". Dr. Adams, besides being a world traveler, was at one time head of a committee composed of 50 representatives of every social, economic and political group in Detroit. He was appointed by Mayor Frank Murphy during the time of the depression. Upon conclusion of the play, Miss Schultz sang "The Lord's Prayer" and the president adjourned the meeting.

Committee chairman who had charge of the meeting were Mrs. Mabel Stenson, general chairman; Mrs. Marcella Douglas, co-chairman; Miss B. E. Ware, decorations; Mrs. Arthur Carlson, reservations; Miss Alice Forward, co-chairman of reservations; Mrs. Mary Alexander, hostess; Mrs. Clara Broda, coffee hour; Miss Kathryn Giltner, publicity, and Miss Eleanor Cook, assistant chairman.

A model of the famous Eiffel Tower will be part of the decorations for Mercy college's "Parisienne Fantasy", a dance sponsored by Mercy's Theta Alpha Chi sorority and which is to be held Friday, April 29 from 8:30 to 12 midnight in Mercy college's social hall. The affair will be semi-formal and strictly date. "The Blue Notes", popular Detroit group, will provide music for the evening. Proceeds of the dance will go for the benefit of Mercy college's scholarship fund.

Carol Marie Kaiser, daughter of Mr. and Mrs. Martin Kaiser of Northville, heads the committee in charge of decorations.

Further information may be obtained by calling Mercy college, Kenwood 1-7820.

## Mrs. Putnam Gives Gardening Hints

Mrs. H. B. Putnam of E. Eight Mile Rd. will speak to the Northville Mothers' club at the meeting April 25 at 8 p.m. which will be held at the home of Mrs. Wayne Wilcox on W. Seven Mile Rd. Mrs. Putnam, who is an authority on gardening, will give methods of gardening which involve less upkeep. House and Garden, in the March 1955 issue, published an article about Mrs. Putnam describing her gardens and home on W. Seven Mile.

Co-hostesses for the social evening of the club will be Mrs. Richard Juday and Mrs. George Alexander.

Cards of Thanks

We wish to thank our friends and relatives who honored us and also for the gifts we received on our 35th wedding anniversary open house April 17.  
Mr. and Mrs. Herman Teshka

We wish to thank all our friends and neighbors, nurses at Acheson hospital, Fred Casterline and Rev. Harry Lord. Especially Mr. and Mrs. Freydl and employees for their kindness during our sad bereavement.  
Francis R. Wilkinson  
Mr. and Mrs. Howard Wilkinson  
Mr. and Mrs. Joseph Sanchez and Family

In Memoriam

In loving memory of our dear son and brother, Perry Kenner, who gave his life at Okinawa April 1945. Only those who loved him know how much we lost ten years ago. Always remembered by Dad, Mother and Sisters.

In loving memory of our daughter and sister, Gladys Bedore, who passed away four years ago, April 13.  
Miss you darling more and more as the years go by  
We'll never forget you in our hearts.  
God be with you.

Girl Scout News

Troop 8—Our dramatics group continued practice on their one act comedy "Accent on Revenge", which centers around the life of four college co-eds. The leather group is advancing with their wallet and purse tooling. Punching of the leather for lacing will probably begin next week. Our Girl Scout cookies were passed out.  
Scribe, Karen Bayless

Troop 10—We had a marshmallow roast at Mrs. Doub's home. We made final plans for our trip to Plymouth Cabin and made other plans for our wilderness hike in June.  
Scribe, Corinne Bertoni

Troop 11—At our last meeting two girls gave reports on their badges. We were each given our equipment to fill our first aid kits. Our Girl Scout cookies were passed out. We rehearsed our coming play which will be presented to our mothers.  
Scribe, Betty Stremich

Troop 13—At our April 18 meeting we went on our nature hike and then returned to Mrs. Tompson's house; there we all got some Girl Scout cookies to sell. Connie Springer brought the nibble box.  
Scribe, Sharon Johnson

Troop 14—We rehearsed our play and made plans for entertaining a brownie troop. We studied agriculture and nature for our second, class rank.

## News About Salem

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY  
PHONE NORTHVILLE 1410-M11

Mrs. William Pickard, Mrs. Knowles Buers and Mrs. Harry Brown attended a baby shower Thursday in Northville.

Gale Trost and Mary Alyce Pickard were Sunday afternoon callers at the home of Mr. and Mrs. Harry Brown.

Sunday guests at the home of Mr. and Mrs. A. C. Wheeler were Mr. and Mrs. George Stein of Detroit and Mr. and Mrs. William Wheeler of Holly.

Mr. and Mrs. Herbert Famuliner and Janet, Laura and Susie were dinner guests of the Woodrow Davis of Pine Lake Saturday.

Mr. and Mrs. William Edmunds and sons spent several days in Chicago and Terre Haute, Ind.

Mr. and Mrs. Gilbert Alter attended a family picnic Sunday at Elizabeth park in Trenton to celebrate the birthday of Mrs. Raymond Alter, Jr.

Mr. and Mrs. John Branan, Louise and Walter were Sunday afternoon callers at the home of Mrs. Alta Opydycke.

**Primary Room School News**  
The primary room had movies on posture and Asiatic countries and made posters on them.

Mary Lou Lanning is back in school. She has had the mumps.

**Upper Room**  
All the 4-H members of the bird study project have finished their bird notebooks. They are now ready for the fair in August.

A few of the pupils in school are going to give demonstrations on conservation.

Last Tuesday in geography there was a movie on Southeastern Asia. It was a review of subjects just studied in geography. There was also a movie, "The Walking Machine". It was about improving posture.

With spring wildflowers coming out, classes are starting wild-flower projects.

## Cancer Group Shows Film for Women April 22

"This year 50,000 women in the U.S. will develop cancer of the breast, which kills more women than any other type of that disease," Mrs. C. Oscar Hammond, chairman of the Northville unit of the American Cancer Society, said Tuesday in announcing a free showing of the film, "Breast Self-Examination." It demonstrates a simple method of detecting the early symptoms of breast cancer.

All local women's organizations are urged to see this film and two other short films Friday, April 22 at 1:30 p.m. at the Methodist church house.

Dr. R. M. Atchison will be present to speak on the subject and answer questions.

Even though 3,000,000 women over the age of 35 have seen this motion picture, only one in ten is being reached, it is said. There over the age of 35 have seen this film, ASC added.

## Camera Club Slates Views of Yosemite

Thursday, April 21 at 7:30 p.m., the Northville Camera club will be entertained by Dr. Wilbur Steinginger showing slides of desert flowers from Yosemite National park.

On April 28, the Northville Camera club will meet with the high school camera club at the high school at 7:30. Lester Wilson of the Photographic Center, Plymouth, will have charge of the program which will be a discussion on filters and a demonstration of slide procedure.

## 4th, 5th Graders Will Stage "Rip Van Winkle"

An operetta, based on the Washington Irving legend, "Rip Van Winkle", will be presented April 29 at 8 p.m. at the Community Bldg. by the fourth and fifth grade pupils under the direction of Mrs. Eleanor Burton, grade school music teacher.

The scenes of this amusing operetta are laid in the Catskill mountains prior to the Revolutionary War period. The last act takes place after the war is over. The story is full of humor, regardless of Rip's sad experience of being driven out of his home by his wife during a raging thunder storm. His friendship with the Hendrick Hudson gnomes of the mountains and all of his experiences are told in song and dance.

Sets and costumes were designed by Stanley Hench, Northville art teacher in the grade schools. Miss Margaret Sours is the accompanist. All the children will have an active part in the production of the operetta. Mrs. Burton was assisted by the fourth and fifth grade teachers.

The public is invited. An offering will be taken between acts.

## "Explorers" See South Dakota

Last Wednesday, three members of Explorer Post No. 242 returned from a trip to South Dakota. The members were Harold Wilson, senior crew leader, Ken Krezel and Rolley Gaab. Leonard Bogatitus drove them out in his car.

While there they visited Chuck Hiltz who was their old Explorer advisor. He was transferred to South Dakota in November. They also saw the Black Hills, Mount Rushmore and the Badlands.

## BPW To See Films of National Parks

Colored movies with sound, furnished by Ford Motor Co., will provide the program for the April 25 meeting of the Business and Professional Woman's club.

Films on Yellowstone National Park, the Canyon, Country and Highways by the Sea (California and Oregon) have been chosen for this meeting.

## Alma Trustee Will Address Presbyterians

The First Presbyterian church will observe Alma college Sunday at the 11 o'clock worship service. The general assembly of the presbyterian denomination has set this date as Christian College Sunday throughout the nation. The Synod of Michigan has selected Alma college for this emphasis.

Herbert Estes, an alumnus of Alma and a member of the college board of trustees will be the guest speaker as he presents "The Alma Story". Estes will be available for a brief time following the morning worship to answer questions of interested young people.

Rev. John Taxis will preach at the 9 o'clock service and will conduct the 11 o'clock.

**ANSWER  
THESE  
QUESTIONS  
YOURSELF!**

1. Are you getting your full quota of rest from your hours in bed?
2. Are you getting relaxing comfort like stretching out on warm beach sand?
3. Do you realize that good bedding is the least expensive thing that you can put into your home?
4. Have you given any serious thought to the comfort of your beds recently?

If you can't honestly answer "yes" to these questions by all means pay us a visit now.

**ALL SIZES**

Maybe you're king-size, and like the three bears you need bedding that fits you. We can get you any size, in length or width you need. Use your present bed. We can supply you with bed rail extensions for extra length.

**Fr. Heraty . . .**

(Continued from Page 1)  
a leaning toward detective stories when relaxing in the lighter vein, along with current fiction. Some of the TV offerings meet his fancy, too.

**Sent To Dearborn**

Born in New York City, he attended Xavier High school and Cathedral college in that city before graduating from St. Mary's Seminary, Baltimore.

His first assignment after ordination 25 years ago was to Sacred Heart parish, Dearborn, followed by residence at South Haven and Holy-Cross parish, Detroit. His first pastorate was at Northfield, from which he was transferred to Milan, then Temperance.

Fr. Heraty, either by intent of archdiocesan officials or coincidence, has found himself heading parishes that were "sick" financially when he took over, a member of the Archdiocese of Detroit familiar with his achievements, told the Record.

Northville was cited as an example. A \$63,000 obligation of Our Lady of Victory church has been reduced to \$31,000 and plans started for erection of a \$100,000 church, probably next year.

A Debt Melter  
Other instances were the elimination of a \$4,500 debt in two years tenure at Northfield, wiping out a \$2,500 debt at Milan and building a cash balance of \$25,000 in seven years.

These accomplishments, however, were topped with the local Catholics' leader when he was stationed at Temperance. Arriving there in 1946, he found the parish saddled with payments totaling \$15,500. When he left there in 1952 there was no debt. In addition, a convent costing \$25,000 had been constructed.

(Continued from Page 1)

Johnston so that he can spend more time on the Morning Day Camp—"the part of the summer program that needs the most overhauling." Johnston analyzed the declining interest last year after a good start, to the desire of youngsters to have new activities and the need of someone experienced enough to supply them.

Some games have already been purchased which can be set up on the playground in a short time and provide "big muscle" for this activity. Designed for kids in the 5-12 year bracket, this phase of the summer plans also includes arts and crafts. It runs from 9 to 12 Monday through Friday.

**Free Lessons**  
The charge for tennis lessons this year will be dropped. Details of a tournament in which winners would be presented with small trophies are still to be worked out.

Likewise in the case of basketball instruction, there would be no charge this year, according to the Johnson projection. The instructor, tentatively, would be Dick Kay, coach of the Northville High school quintet.

For the first time, the wide variety of events sponsored by the Recreation Department will be recorded on 16mm movie films. The movies will be available for showings at meetings of organizations, as well as being a pictorial history of local youth taking advantage of modern, supervised recreational facilities. The department has acquired a 16mm. magazine load movie camera.

**Lutherans . . .**

(Continued from Page 1)  
master is well known throughout this area.

Guest speaker for the evening will be the international president of the Lutheran Laymen's League, Louis Menking, superintendent of Lutheran schools at Chicago.

The Sunday convention church service will be at St. Paul's at 10 a.m. April 24. The service will be conducted by Rev. B. J. Pankow, local pastor. Choral music for the service will be by the guest choir from St. John's Lutheran Church of Wayne under the direction of E. T. Bradtke. An invitation is extended to the public.

The concluding convention session will begin at 2:30 p.m. April 24 with an opening devotion by Rev. I. M. Brackebusch. Following the devotion there will be reports by Roy Krause, L.L.L. Clubman editor; Paul Metzger, Lutheran district representative, and Menking.

The local Lutheran Laymen's League committee for the convention is as follows: general chairman, F. W. Fischer; co-chairman, F. Sterner, Sr.; convention secretary, N. Liebold; convention treasurer, L. Haack; registration, W. Sterner; banquet, A. Janetzke; music, C. A. Luchman; housing, F. Sterner, Sr.; ladies tour, Mrs. B. J. Pankow, Mrs. Arthur Schnute and Miss Hanna Strasen; parking and transportation, E. Baughman; reception, A. Schnute; publicity, M. Strasen.

New to the program this year will be campouts to a state park, "with some responsible parents taking over the supervision." Other new recreational outlets for youth are being considered for the summer project.

**Another Turtle Race**

A popular attraction inaugurated last year, the turtle race, which is co-sponsored by the Northville Record, will be repeated this year. The pet and doll show is scheduled for the last week of the program. Zoo trips are slated every two weeks. Archery will be sponsored for both boys and girls.

There are also plans for Saturday night dances in the Community Bldg., with profits earmarked for equipment used by the school orchestra. Parents would be asked to chaperone these affairs.

Enthusiasm on the part of the kids, particularly those of elementary school age is looked for when they are offered T-shirts at a cost of \$1 to them. If they wear the T-shirts on Wednesdays, they will not be charged for swimming.

For the first time, the wide variety of events sponsored by the Recreation Department will be recorded on 16mm movie films. The movies will be available for showings at meetings of organizations, as well as being a pictorial history of local youth taking advantage of modern, supervised recreational facilities. The department has acquired a 16mm. magazine load movie camera.

## Holly H.S. Nine Drubs Mustangs 10-1 In Opener

Holly High school handed Northville a decisive beating in the first game of the season 10-1 Thursday, while its pitcher, Conklin, held the Mustangs to three hits. The visitors collected nine hits off King.

Holly opened up its campaign for scores in the second and wound up that frame with four tallies. It picked up two more in the fifth and let the boom down again in the ninth for another four runs. The local nine committed seven errors.

After four scoreless innings, Northville saved the game from the scoreless classification by bringing in its lone run. Holly played errorless ball.

## Group Makes Yearly Trip For Smelt

The fishing is fine in Au Gres bay, according to the Northville Marching and Smelt Dipping club which made its fifth annual trek to the smelt mines of northern Michigan last Thursday.

After dinner at Frankenmuth, the group headed north and arrived back in Detroit early Friday morning with between 600 and 700 pounds of the silvery smelt caught in 1½ hours under the light of the silvery moon.

The members of the Northville Marching and Smelt Dipping club, alias Dippers Deluxe, are L. V. Smith, William Frost, Len Bogatius, Roy Line, Jack Boyd, D. J. Stark, Gil Black, Keith Simmons, Frank Defina, Robert Wagenschutz, Roy Stone and sons, Leroy and Martin Stone, Charles Hall, Carter Church, Eugene Maloney, Allen Wagenschutz and Otis Tewksbury.

# You can't duplicate the "3 Plus" advantages of Blue Cross-Blue Shield!

- HOSPITAL SERVICES, NOT LIMITED CASH!** No other state-wide plan gives you basic services the way Blue Cross does, through its contract with the hospitals! Other plans give you fixed cash payments, which may pay only a small part of your hospital bill... the big part to be paid by you!
- DOCTOR SERVICES, NOT LIMITED CASH!**—with a choice of a \$2,500 or \$5,000 family income ceiling medical-surgical contract. You get service benefits if your family income meets the requirements of the contract you choose. The service benefits provision is offered only by your Blue Shield Plan.
- YOUR BLUE CROSS-BLUE SHIELD CARD CUTS RED TAPE!** Eliminates need for making a hospital deposit! No forms to fill out on admission to the hospital... no claims to file... no wait for payment. Blue Cross - Blue Shield Plans are the only plans that contract directly with your hospital and doctor.

Nothing can replace... or come close to replacing... the "3-PLUS" advantages of Blue Cross - Blue Shield protection against the cost of hospital and doctor care!

And—with hospital care something that 1 in 3 families need every year, think how important it is that your family be protected!

Chances are, your family is protected... and protected by Blue Cross - Blue Shield (nearly half the people in Michigan have it!).

And granted, you may think Blue Cross - Blue Shield protection is good. But it's far more than "good." It's so good that millions of Michigan people have found they just can't afford to be without it. There is no substitute... and here's why—

**HOSPITAL SERVICES... NOT CASH!**  
Unlike plans that provide you with fixed cash benefits to cover the cost of hospital services (and rarely do you get enough cash!), the Blue Cross Comprehensive Contract gives you all the basic hospital services themselves... regardless of the cost.

This protection provides up to 120 days at a time... at almost any general hospital in Michigan, and at Blue Cross member hospitals all over the country! Every enrolled member of your family gets this very same protection, too.

**DOCTOR SERVICES... NOT CASH!**  
Any time you need hospital care, you'll surely

need a doctor's care, too... and it's against the cost of in-hospital doctor care that Blue Shield protects you.

Just as it's possible to get hospital services through Blue Cross, it's possible to get doctor services through Blue Shield.

Blue Shield offers you a choice of a \$2,500 or \$5,000 family income medical-surgical contract. If your family income meets the requirements of the contract you choose, the cost of your participating doctor's in-hospital services will be covered by Blue Shield. This service benefit provision is made available to you only through Blue Shield. In any event, regardless of your income, liberal amounts will be paid to the doctor of your choice.

**NON-PROFIT ORGANIZATIONS**  
Blue Cross and Blue Shield are non-profit organizations... sponsored by Michigan hospitals and doctors so that Michigan people can have the kind of protection they need, and at a cost they can afford. Together, these plans offer more protection for the money than you can get through any other organization.

Compare other plans with your Blue Cross - Blue Shield. Look for the "3-PLUS" advantages. You won't find them offered by any other state-wide protection plan. That's why there is no substitute for Blue Cross - Blue Shield.

If you do not already have Blue Cross - Blue Shield, ask your employer or your union representative how you can get low-cost group coverage for you and your family. (A company with as few as five employees may qualify as a group.) Or, call or write the Blue Cross-Blue Shield office listed in your telephone book.

## Mustangs Given 12-1 Beating By Clarenceville

Northville high school baseball team bowed to Clarenceville Monday at Clarenceville, 12-1 in a five inning game, shortened by the 10-run rule which halts any massacre when 10 tallies have been totaled for the top team.

As in their loss in the first game of the season to Holly, 10-1, the Mustangs refrained from entering the egg business—goose eggs—by scoring one run in the second inning.

## Flat Rock Oval Opens May 1; Motor City Later

The 1955 auto racing season in Michigan will officially open at Flat Rock speedway Sunday, May 1, Promoter Andy Barto has announced.

Barto said an open house program will be held at the Flat Rock oval April 24, when the public will be admitted free to inspect the installations, meet its favorite drivers and watch warm-up races.

Barto said workmen will finish refurbishing the Flat Rock track in time for the open house program, while others at work at Motor City speedway will require more time because of the more extensive improvements being made there. It is planned to open Motor City speedway early in May.

Barto plans to hold Sunday afternoon races at both tracks until weather permits a switch to night programs. His target this year is 60 events at Motor City and 40 at Flat Rock.

Take the Key and See...  
the New **PACKARD**  
with Torsion-Level Ride  
Smooths the Road... Levels the Load... Automatically  
Here's comfort you've dreamed of... and a ride to set you dreaming! It's the new Packard Torsion-Level Ride—a new system of suspension eliminating conventional coil and leaf springs to give you comfort unequalled by any car, on any road.  
In other cars, twisting forces due to wheel shocks are transmitted to the frame. You submit to the resulting pitch and bounce... the car is subjected to wracking of frame and body. But with Packard Torsion-Level Suspension, these same twisting forces are transmitted along the new torsion bar system, and absorbed before they can reach either frame or passengers. And an ingenious power-controlled levelizer automatically compensates for changes in passenger and luggage load.  
All this is yours plus the tremendous power of the new "free-breathing" V-8 engine developing 275 horsepower in the Caribbean and 260 in all other models. Plus, too, the smooth response of the new Packard Twin Ultramatic—actually two transmissions in one. All this in a setting of magnificent luxury and beauty. See and drive this one new car in the fine car field. "Ask the Man Who Owns One."

## Driver Fined \$75 After Collision

Louis Charron, 37810 Baseline Rd., Farmington, was found guilty of reckless operation of an auto when arraigned before Judge of the Peace Edward M. Bogart.

Driving out of an alley on S. Center St., Charron collided with a car driven by Iltis Knodell of Leaf River, Ill. He was fined \$75 and costs.

## Will Explain S.S. Coverage For Maids

A special social security meeting at Plymouth April 28 has been arranged for household workers and those who employ them. A representative of the Detroit-Northwest Social Security office will be here to discuss social security coverage for this type of work and to answer questions.

The meeting will be in the basement room of the Plymouth post office from 1:30 to 2:30 p.m.

## Speed Violation Costs Driver \$35

James R. Wallace, 13952 Turner, Detroit, was arrested for speeding. He paid \$35 fine and costs before Justice Edward M. Bogart. Police started to trail him on E Main St. and arrested him on Plymouth Ave.

They estimated that he was driving approximately 50 miles per hour.

## 'Eyes' of Home

## Right Color Important On Windows

Windows need the warmth of good color as much as any other part of the house. Windows are eyes to a home, and the paint selected should harmonize with the roof, siding, and trim colors. If the windows are wood they can be readily redecorated to suit a change in the overall color scheme.

Painting windows is simple, but keep these pointers in mind:

Paint new windows before installation, not after, especially in newly built houses. Modern window units are precisely manufactured millwork and must be protected from moisture and plaster spatter during building operations if they are to give best service. Factory-built units of ponderosa pine are already protected with a water-repellent preservative treatment against warping, swelling, shrinking, and rotting.

**Putty Failure Prevented**

A prime and one additional coat of paint or other finish, both inside and out, will prevent putty failure and afford protection during construction. The prime coat should be relatively thin paint, for ready absorption by the wood, and fast drying.

When painting the outside, lap paint or varnish onto the glass slightly and cover the putty thoroughly. On the inside, paint or varnish up to the glass.

Keep the paint off weatherstripping. If paint gets on the weatherstrip, wipe it off immediately. Use solvent and steel wool if necessary. Otherwise the windows will stick.

Time will be saved in the long run if long handles are removed during painting. Protect other hardware with some kind of covering.

**Don't Close Until Dry**

If the window is a casement or awning type, don't close the sash until the paint is dry. This will prevent fouling the weatherstrip with paint, and will keep the sash from sticking in the frame.

If it is a double-hung window, paint and dry the sash before placing them in the frame.

## Veterans At Ford Valve Plant

Ewald Miller (left), and "younger" brother, Carl, reminisce about the years since 1925 when they began working at Ford's Northville plant. Both reached the 30-year mark last month and they received pins in recognition of their long service with the company. Although Carl is two years younger than his brother, he has eight days more seniority. Carl lives at 36442 Ford Rd., Wayne, and Ewald at 7910 Hix Rd., Plymouth.

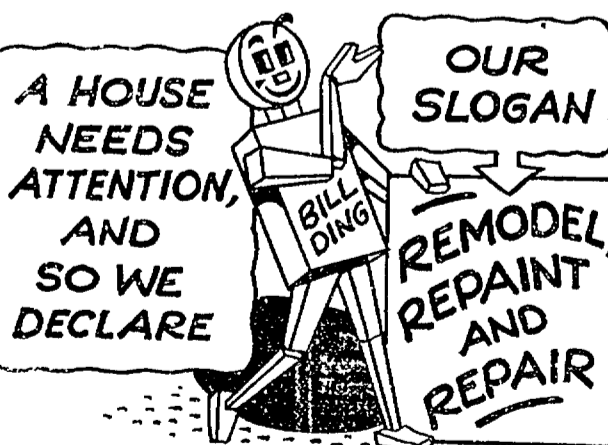

J. Vernon Newton (right), an employee at the Ford Northville plant, is congratulated by Foreman Walter Mielbeck as he receives a wrist watch for his 35 years of service with Ford Motor. Newton has gained a reputation within the company for other reasons than his long service record since two of his six children have won Ford Motor Co. fund college scholarships. Alice, who received her scholarship in 1951, will be graduated from Wayne university this fall. Walter, a 1953 winner, is in his second year at the University of Michigan. Newton and his family live at 325 First St., Northville.

## COLOR PRINT SERVICE

Kodachrome and Kodachrome print orders are quickly serviced. The average delivery time does not usually exceed 7 days. Special delivery shipments sent and received each day make this possible. Ektachrome and Ansco color film are processed or printed in about the same length of time. A trial will convince you.

MEN'S PAJAMA INSTITUTE appeals to the ladies, who are currently enjoying the "let's wear men's pjs" fad. There just AREN'T any gals who require large sizes.

## Grade Staff Plans Work-Shop For Friday, May 13

The Northville grade school staff is planning a work-shop planned for May 13. This is the day the secondary staff will attend a Schoolmasters' meeting.

The school's kindergarten through the sixth grade, met at luncheon April 5 in the home economics room of the high school, according to Elementary Principal C. T. Pregitzer. Clay Lafferty and June Salisbury and the Wayne Superintendent's staff, sat in with them at that luncheon to help plan this day of activities and to assist in gaining source persons the day of activity.

Later, the committee discussed its planning with the entire staff. The consensus of the whole staff was concurred and a plan set up to have a general meeting in the morning at 9 a.m. and the social hour following the general meeting. From 10 to 12 those attending will break up into three groups, each unit with a different problem.

Group 1 will deal with individual differences, group 2 with problem evaluation and group 3

will begin to analyze the curriculum and attempt to work out a way so that next year it might carry out a work-shop just in the area of curriculum.

Committee representatives who attended the luncheon were kindergarten, Ann Chizmar; first grade, Margaret Sours; second grade, Florence Keith; third grade, Martha Egge; fourth grade, Margaret DeKett; fifth grade, Myrtle Funk; sixth grade, Richard Kay. Pregitzer also attended with two county staff workers.

Corinne Clark and her students prepared and served a luncheon.

## MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

MASS PRODUCTION EDUCATION is getting a lot of attention from those shocked at statistics. College presidents tell the legislature that the 100,000 students on overcrowded Michigan campuses will grow to 200,000 by 1970. They present figures showing that \$150,000,000 will be needed to enlarge the four year colleges to handle the flood.

THAT'S THE POINT where Senator Don VanderWerp, (R-Fremont) stepped in. "We simply must not build vast empires at Michigan State College and the University of Michigan," he said. VanderWerp, a former weekly newspaper publisher who never lost his ability for a direct, well-considered attack at the heart of a problem, figures that if education is to become big business, then big businessmen should be consulted.

HE TAKES A DARK VIEW of educators building campuses when their training is for building character in scholars and courses in curricula. So, VanderWerp is pushing his proposal to organize a committee of business and industrial executives to tell the state how to build a statewide educational plant. First, he wants Michigan State and the University to concentrate on the last two years of work and offer advanced courses, leaving the first two years mainly to others.

HIS TENTATIVE PLAN calls for state aid to community and junior colleges in all parts of the state, financial assistance to church-connected colleges according to the number of students taught. "I can see no danger to the theory that the church and state should be separated," he said.

PRELIMINARY FIGURES indicate to VanderWerp that the state

could save up to \$50,000,000 to the estimated \$150,000,000 the college presidents seek if his plan is carried out.

State aid would go only to those community and junior and church-connected colleges offering courses directing a student toward the larger schools and advanced work.

From a personal standpoint, he figures that it will be easier for a student fresh out of high school to get his first two years of college nearer home.

Some do not have the ready money, he said, to embark on a costlier try at the bigger schools.

They could budget their cash—a sum for the first two years, but the bulk to be spent on advanced work—when and if they go on.

"THESE FOUR-YEAR colleges don't specialize anyway in the first two years," he said.

VanderWerp told of enrolling at the University of Michigan and telling his advisor that he wanted to specialize in economics.

"He told me rather curtly that I had two years of college work to complete before I could specialize," VanderWerp said. "I could just as well have taken that two years nearer home and at less expense."

VANDERWERP FEELS DEEPLY about the problem. He is the chairman of the Senate committee on education.

He feels that students from small communities could get "lost on the big campuses where there are thousands of others" before getting their start in college work on a local level.

VanderWerp said he would not advocate expanding the number of community and junior colleges—just build them up with state aid to the point where they could handle the first two years.

GOING A STEP FARTHER, Senator Carlton H. Morris (R-Kalamazoo) is interested in ex-

## Two Best Sellers In Latest List At Library

Several new books, including two on the "best seller" list of The New York Times, have been received by the Northville public library, Miss Rhea Lyon, librarian, states.

"Gertrude Lawrence As Mrs. A", ranks second on the list compiled by the Times. It is a biography of the late star by her husband, Richard Stoddard Aldrich. Sixth on the same list is "The Healer", a novel of professional competition and love in the medical field in New York.

Others are "The Cut of Her Jib", Clara Nickerson Boden's novel about Cape Cod sailing families; "The Bride of the Mac Hugh" deals with romance and fighting in 17th century Scotland; "The Buckskin Cavalier" was authored by John Claggett.

A familiar name, Margaret Culkin Banning, appears on the cover of "The Dowry", which "directly touches on the 9½ million women who mix marriage with a career." "Bride from New Or-

leans" concerns a girl who came from Paris to marry one of the early settlers. The author, Edward F. Murphy is a Catholic priest.

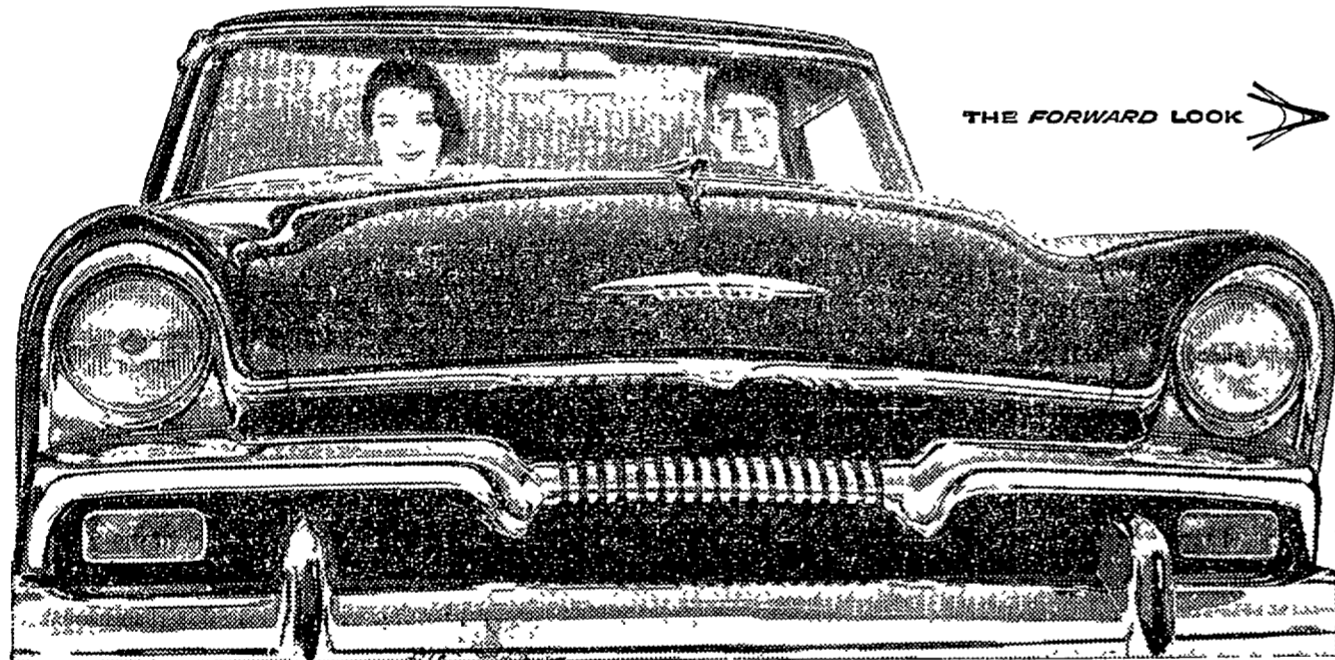

Also dealing with the early period in America is "Hatchet in the Sky", Mary Cooper Gray's chronicle of an exiled Scottish laird and gentleman adventurer. The widely known Louise Dickinson Rich comes up with another. This time it's the story of two sisters in a typically small American town titled "Under the Elms".

"Better Homes and Gardens" offers a discussion on diets. "Do It-Yourself Guide to Home Decorating and Painting" was prepared by Devco Home Decorating Institute.

## FACTS PROVE IT!

GET THE FACTS ON "ALL 3" LOW-PRICE CARS  
AND YOU'LL HAVE PROOF **PLYMOUTH IS FIRST:**

**FIRST IN SIZE**—By actual measurement, the 1955 Plymouth is the longest car of the low-price 3. (It's even bigger than some medium-price cars.) Plymouth is truly a big car... 17 feet long!

**FIRST IN ROOMINESS**—Plymouth is also the biggest car inside, with the greatest hip room and leg room. More comfort for you! And Plymouth's trunk, by far the largest in its field, lets you pack practically everything.

**FIRST IN VISIBILITY**—Comparison proves that Plymouth's glamorous new Full-View windshield—with cornerposts swept back both top and bottom—gives you the greatest visibility of "all 3."

**FIRST IN BEAUTY**—Compare styling and see why *Charm*, a leading fashion magazine, chose Plymouth "Beauty Buy of

the Year." Plymouth's long, sleek **Forward Look** wins over the hand-me-down styling of the "other 2."

**FIRST IN ECONOMY**—Smoothest and thirdest engine of all! That's Plymouth's fast-stepping new 6-cylinder PowerFlow 117. Its Chrome-Sealed Action gives you extra thousands of trouble-free miles.

**FIRST IN COMFORT**—Plymouth offers you the most comfortable ride you ever experienced in a low-price car. Only the biggest car in the lowest-price field can give you true big-car riding comfort.

**FIRST IN EXTRA VALUE**—Plymouth gives you many extra-value features that the "other 2" low-price cars don't have. Come in today and let us show you why Plymouth is **first** for value!

**Why pay up to \$500 more for a car smaller than Plymouth?**

Don't be fooled by the claims of so-called medium-price cars that they cost practically the same as Plymouth. When you compare price tags you'll find that, *model for model*, Plymouth sells for much, much less than medium-price cars, and gives you more car for your money!

## TREES CAUSE 90% OF ELECTRIC SERVICE INTERRUPTIONS DURING STORMS

High winds, ice, and sleet are the indirect reasons for most power failures. The damage is done by broken branches, or trees that are split by nature's tantrums. And when there's no power, there are no lights—the refrigerator, clock, radio, furnace, won't work. In your home, and homes all up and down the street, things come to a standstill.

Edison has a tree control program that guards against such interruptions to your electric service. Crews, under trained foresters, work round the calendar. Their job? Keeping 81,000 miles of lines in service!

These men trim or remove trees growing under or near power lines. (Telephone and police and fire department signal lines are very often on the same poles as are electric lines. Interrupted service on these lines is extremely serious, too.)

Edison crews travel from neighborhood to neighborhood. When they are in your area, they will contact you and request permission to work on any of your trees that may need attention. You will find that these men try very hard to maintain the beauty of your trees. The tree control crew in your neighborhood is there to help you!

### MSC Speakers Offer Variety Of Subjects

Clubs, organizations and other groups throughout Michigan are helping Michigan State college celebrate its 100th anniversary this year by making use of MSC's Centennial program service.

Michigan State is providing the opportunity for participation by making available a great variety of programs, utilizing the resources of its faculty and staff members. Already more than 90 faculty and staff members have made appearances and have presented upwards of 200 talks on different specialized subjects.

The primary purpose of the program is to provide organizations around the state with speakers from the College who can talk interestingly and authoritatively on a wide variety of subjects.

Talks have ranged from such subjects as "Mountain Climbing in Alaska" to "The Best of Benchley", and have taken in, among others, the fields of art, health, agriculture, economics and entomology.

Organizations interested in the program service may inquire about specific programs and dates by writing to Dr. Gordon L. Thomas, Centennial program service, Wells hall, Michigan State college, East Lansing.

**Drives Home Safety Lessons** — Tuesday, April 26 will be Safety First Day for pupils in the Northville and Novi Grade schools when Jerry McSafety and his "voice", Wayne Fernellus, will present a traffic safety program. Under the sponsorship of Marr Taylor Ford Sales, they will appear in Northville at 10 a.m. and in Novi at 1 p.m. The pair is widely known for its safety advice, made impressive through entertainments, throughout the Detroit metropolitan area.

## Events of the Past in Northville

News Items Taken From the Files of the Record

#### ONE YEAR AGO—

Village President Pro Tem John F. Stubenvoll traded posts with Mayor Thomas Welsh of St. Clair Shores as part of the annual observance of "Michigan Week". President Claude N. Ely and Mrs. Ely were on a trip through the West at the time.

Final plans were shaping up for the annual Parent Teacher Assn. carnival under the chairmanship of Charles Bahnmiller.

Mrs. Cliff Winter, chairman of the yearly drive for Red Cross funds, said that \$2,254 was donated. The quota had been set at \$1,200.

Mrs. Arthur J. Verschaev and daughter, Artura, lectured on the making of costume jewelry at the spring festival sponsored by the Logansport, Ind. Art Assn.

Barbara Couse, daughter of Mr. and Mrs. Walter Couse, and Marlene Weiss, daughter of Mr. and Mrs. George Weiss, were members of the University of Michigan band, which presented concerts in several state cities.

#### FIVE YEARS AGO—

At the first anniversary dinner of the formation of the Optimist club, perfect attendance pins were given to five members—Dr. L. W. Snow, Dr. A. A. Holcomb, George Zerbel, K. H. Babbitt and Arthur Carlson. James Littell was installed as president for the club's second year.

Winners in the Veterans of Foreign Wars auxiliary essay contest were Gail Bemish, first; Andree Owen, second; Ann Beckel, third, and Donna Schnute, fourth.

Charles Root, Jr. was selected president of UAW-CIO Local 896 at the Ford valve plant.

#### TEN YEARS AGO—

Under a new wartime government regulation, no consumer would be allowed to receive more than 80 percent of his normal supply of coal.

The Green Thumb set found onion plants priced at 10 cents a bunch (about 85 to 100 plants in a bunch) at a chain store; fancy yellow onion sets at 25 cents a pound and certified Maine seed potatoes tagged at \$4.98 for a 98-pound bag.

Northville churches and schools joined with those of the nation in holding services for the late President Franklin D. Roosevelt. Local stores closed Saturday afternoon during the funeral hour.

#### TWENTY YEARS AGO—

The budget for the village of Northville was set at \$50,000—the same as the figure for the preceding year.

An ad offered an 8-room house, with 2-car garage and furnace on a 66x165 foot lot on W. Main St. for \$2,400; six rooms, with bath and furnace on Randolph St. had an asking price of \$1,200; seven

rooms on Dunlap with "an extra large lot," \$2,700, and five rooms with bath and furnace on Carpenter St., \$2,800.

#### FIFTY YEARS AGO—

The streets of Northville were to be oiled, the village commission decided. It authorized the purchase of 20,000 gallons of oil at a cost of \$400.

A temperature of 92 in the shade was reported.

**4th Grade Alerted On Bike Safety; Prizes Awarded**

Spring time is bicycle time! Anticipating the influx of many old bicycles and some new, the fourth grade class at the Scout building has completed a thorough study of bicycle safety.

A Bicycle Safety Education project developed by the American Automobile Assn. formed the basis for this study. Included in the unit were an outline of the bicycle's origin, statistics on bicycle accidents, Michigan laws and local regulations relating to bicycle operation, and a complete bicycle maintenance program. The climax of the study was a two-day inspection program of all the bicycles used by the children of the class. On the first day they were inspected by Mrs. Robert Dearing, parent sponsor, and James E. Madigan, class teacher.

Among the points covered were brakes, headlights, tail reflectors, wheel alignment, cleanliness and general "ride-ability". On the second day, the same bicycles were inspected again by Police Chief Joseph Denton, Mrs. Dearing and Madigan. The same safety checks points were examined.

**The Winners**

Ratings were given on the basis of improvement and reliability. Bicycles two years and older owned by Jim Riley and Ann Rodgers were judged as the most improved. Receiving honorable mention for owners of new bicycles were Bobby Martin, Chuck Somers and Etta Rutan.

All the members of the class received a treat from Mrs. Dearing. As first prize winners Jim Riley and Ann Rodgers were treated to their choice of refreshment.

As a result of this study and inspection program, all the bicycles brought in by the children showed improvement in maintenance.

Testing results indicated that all the children appreciate responsibilities which govern the bicycle operator in today's heavy traffic.

**Letters To The Editor**

Dear Sir

I am seeking to trace the descendants of Archibald and Harriett (Goodwin) Crombie, who settled in Northville sometime toward the close of the last century. Mrs. Crombie was a sister of my father. Mr. Crombie was a carpenter and builder, I think.

They had four children, two sons dying in youth, the older son, Elmer's death took place in 1886, I think. There were two daughters, Mrs. Nellie (Crombie) Martin, whose husband was Ernest L. Martin. They lived shortly after the turn of the century at Fenton, Mich. The other daughter, Ida (Crombie) Lundy, whose husband was John Lundy, lived at Northville, when I was a youth.

I've lived outside the state of Michigan for many years, but am now living in Grand Rapids, and have been utterly unable so far to trace this branch of my father's line at all.

Where they moved to, if they did, I have been unable to learn. I have also been unable to trace either daughter, or their families. I am quite sure Mrs. Martin has two little boys, and Mrs. Lundy a daughter, but have no record of their names.

I am wondering if there is any one at Northville who would recall them, or know what became of them? If you know of any record of them or anyone who might afford information about this family, I would greatly appreciate it.

Sincerely yours,

## FIRST CHURCH OF CHRIST SCIENTIST

Man's God-given dominion over  
the bondage of fear will be  
brought out at Christian Science  
services Sunday.  
The Lesson-Sermon entitled  
"Probation After Death" will in-  
clude the following from the King  
James Version of the Bible (He-  
brews 2:9,15): "But we see Jesus  
who was made a little lower than  
the angels for the suffering of  
death, crowned with glory and  
honour; that he by the grace of  
God should taste death for every  
man. . . . And deliver them who  
through fear of death were all  
their lifetime subject to bondage."  
Among the correlative passages  
to be read from "Science and  
Health with Key to the Scrip-  
tures" by Mary Baker Eddy is  
the following (426:16): "When it  
is learned that disease cannot  
destroy life, and that mortals are  
not saved from sin or sickness by  
death, this understanding will  
quicken into newness of life. It  
will master either a desire to die  
or a dread of the grave, and thus  
destroy the great fear that be-  
sets mortal existence."

## Got an itch to switch the pitch?

Here's the New Hit in Hardtops  
—the 4-Door Riviera—

WANT to do what a pilot does  
when he clears for take-off?

Want to feel the pulse-quicken-  
ing thrill that comes of giving the gun  
to a high-powered automobile with  
the world's first airplane-inspired  
transmission?

Want to try Buick's Variable Pitch  
Dynaflow\*—the spectacular new  
wonder drive that's the talk of car  
makers and car buyers alike—and  
the drive that's sending Buick sales  
soaring to new record-breaking  
highs?

Well, sir—be our test-pilot guest at  
the wheel of a '55 Buick and let  
today's Dynaflow do the honors.

When you press the pedal as you  
normally would, you move ahead in  
velvety smoothness, getting plenty  
of miles from each gallon of gas . . .

Because twenty propeller-like  
blades inside the Dynaflow unit,  
spinning in oil, have an angle of  
"pitch" for top economy—like the  
modern plane's propellers when  
cruising in the air.

But comes the need for emergency  
acceleration, and—like a pilot does  
for quick take-off and climb—you  
switch the pitch of those Dynaflow  
propellers for action, just by press-  
ing the pedal all the way down.

Instantly, you get full-power

response for split-second getaway,  
or for a sudden safety-surge to get  
out of a tight spot on the highway.

It's a response thrilling beyond all  
previous experience—because  
there's never been anything like it  
before in any car.

And we'd like you to try it—along  
with the wallop of the new V8 power,  
the cruiser-steady ride, the fine  
handling ease, and the true big-car  
roominess that are all part and  
parcel of every Buick.

Can you come in today—this week,  
for sure—and test pilot the hottest  
Buick yet built?

\*Dynaflow Drive is standard on Roadmaster, optional  
at extra cost on other Series.

## WOMAN'S UNION HEAR MRS. VREELAND SPEAK

Fifty members of the Woman's Union of the Presbyterian church attended the Spring picnic and pot-luck luncheon at the church April 12.

Mrs. John O. Taxis gave the devotionals and Mrs. Esther Vreeland, dean of women at Alma college, was the speaker.

## Dr. J. M. Gray's Conversion

"At fourteen years of age, when I knew the Creed, the Lord's Prayer and the Ten Commandments I was confirmed in the most holy faith by a Bishop of my church and was taught in the catechism that I had become a child of God, a member of Christ. But I believed none of that since I was converted. That happy event took place about eight years after my confirmation. My conversion was like this—I was reading a book entitled "Laws from HEAVEN FOR LIFE ON EARTH". The book attracted me, though I did not care for my Bible. One evening my eyes fell on this sentence, "Every soul not already one to Christ is already lost". It was an arrow of conviction to my soul. An overwhelming sense of my lost condition fell upon me. Hell seemed open to receive me, and my soul was hanging over the abyss. I had absolutely no plea but for mercy. Daily I said my prayers since childhood, but that night, like Saul of Tarsus, I really prayed. The blessed Saviour placed upon my lips, "God be merciful to me a sinner." And God heard it. That night he lifted me out of the miry clay, and planted me upon a rock. He put a new song in my mouth!"

## University Women To Meet April 21

The Plymouth branch of the American Assn. of University Women will meet Thursday, April 21 at 8 p.m. in the home of Mrs. E. Houston, 13991 Ridgewood Dr.

This meeting is sponsored by the Special Study Group on Education of which Mrs. Kenneth Hulsing is chairman. Members of the group as a panel will review books and discuss questions of educational interest and value. Mrs. Lee Scharnon will review Mortimer Smith's "The Diminished Mind"; Mrs. W. J. Worth will review Paul Woodring's "Let's Talk Sense About Our Schools". The subject of "Facing Our Schools in the Decade Ahead" will be discussed by Mrs. John Barnes; Mrs. Don Sutherland will present observations on "Gifted Children and Their Needs". Because of Mrs. Hulsing's position of member of the board of education, she will be able to offer first-hand information on the subject of "School Problems Facing Plymouth". Those members present will be invited to participate in a general discussion.

Mrs. Houston's co-hostesses will be Mrs. Scharnon and Mrs. J. W. Sponseller. Members who can arrange to drive together to the meeting are asked to do so.

## Mrs. Crusoe Attends D.A.R. Convention

Mrs. Claude Crusoe, Children of the American Revolution committee member of the Sarah Ann Cochran chapter of the Daughters of the Revolution, is attending the 64th Continental Congress of the DAR in Washington, D.C. April 18 to 22. She will also attend the CAR National convention April 23 to 24 in Washington.

The DAR meeting scheduled for April 18 was postponed until April 25 due to the convention dates. It will be held at 1 p.m. at the home of Mrs. Earl Kenyon, 45011 N. Territorial Rd., Plymouth.

Other members attending the convention in Washington are Mrs. Harry N. Deyo, Regent of the Sarah Ann Cochran chapter; Mrs. Robert D. Willoughby, newly elected treasurer of the State DAR and second vice-regent of the local chapter.

Miss Janet Willoughby of Plymouth Corners Society will also attend the CAR convention in Washington.

## PTA To Hear Van Tyne, U-M Zoologist

Dr. Josselyn Van Tyne, chief of an expedition to arctic Baffin Island last summer, will be the speaker at the Parent-Teachers Assn. meeting Thursday at 8 p.m. April 28 in the grade school. Dr. Van Tyne will exhibit specimens of snow geese, blue geese, Lapland longspurs collected on Baffin Island and show Kodachrome slides of that area.

At present, professor of zoology at U-M and curator of birds at the zoology museum, Van Tyne is not only one of America's most distinguished ornithologists, but one of the scientists of world fame who attended the International Congress of Ornithology held last year in Geneva, Switzerland.

He is a past president of the Wilson Ornithological club, 1934-37; a former editor of the Wilson Bulletin, 1939-48; and a past president of the American Ornithological Union: 1951-53.

Van Tyne is a graduate of Harvard and has published, among other works, "The Life History and Distribution of Kirtland's Warbler", (a rare warbler breeding only in the Jack-pine country of the lower peninsula); "The Birds of Chichen-Itza, Mexico" and "A Check-list of the Birds of Michigan".

## Retarded Child Subject of Talk

Tuesday evening, April 26 at 8 p.m. in the Veterans Memorial Bldg., 100 W. Dunlap, the American Legion Auxiliary Unit No. 147 will present Rev. Horace White, who will discuss the problem of the retarded child.

Working out of the Lapeer State Home and Training school, Dr. White acts as mediator and counselor for the parents of children in the home. His long experience in the field and gentle understanding have guided countless families into healthier adjustments to their individual problems.

## Miss Starkey To Speak At WSCS

The annual meeting of the Ann Arbor District, Woman's Society of Christian Service, is being held in the First Methodist church of Plymouth today, Thursday. Mrs. Philip Gentile of Detroit, a United Nations observer, will be the morning speaker.

Mrs. Edward Stahly, Detroit Conference president, and at one time a resident of Northville when Dr. Stahly was associated with Maybury sanatorium will install the officers.

The afternoon speaker will be Miss Bertha Starkey, who has spent 42 years in the field of Christian Education among the Japanese people.

Those attending from Northville are Mrs. Merner Elber, local W.S.C.S. president; Mrs. Wilson Clark, Mrs. Arthur Gotts, Mrs. Mrjory Lanning, Mrs. Ivan Hodgson, Mrs. Oscar Hammond, Mrs. Fred Carter and Mrs. Harvey Engle and Mrs. A. Russell Clarke. Mrs. William Canfield, district president, will preside.

The busiest waterway in the world is the Detroit River.
