## Horse Show Marks 40th Year June 4 - 5

### William Stirton Will Be Commencement Speaker

William E. Stirton, vice-president of Wayne university in charge of university services and development, will be the speaker at the 86th Northville High school commencement program in the Community Bldg. Tuesday, June 9 at 8 p.m.

Born in Inlay City, Stirton moved to Detroit in 1914. After graduation from Cass Technical High school there he worked his way through the University of Michigan, acquiring a bachelor's degree in physics and mathematics. Last year he received an honorary degree from Cleary college.

He began his educational career as a teacher at Cass Technical High school after association with Michigan Bell Telephone and other Detroit industries. During the war Stirton was in charge of the War Training program in Detroit public schools, which trained 337,000 men and women for war production jobs in the Detroit area.

In 1944 he was named principal of Cass Technical High school. He has also taught at Purdue university. In 1951 he was made assistant to the president at Wayne and director of the division of community relations.

#### Other Activities

Stirton is a past president of

ber of the Wayne County Board of Supervisors, and the Governor's Commission on the St. Lawrence Waterway.

The remainder of the program will be: class processional, audience participation in singing "The Star Spangled Banner", led by Leslie G. Lee; invocation, the Rev. Bernard J. Pankow, pastor of St. Paul's Lutheran church; salutatory, Dennis Proctor; group music, members of senior class.

Valedictory, Gayle Ashburn; piano solo, Priscilla Older; scholarship awards; presentation of class, High School Principal Elroy V. Ellison; granting of diplomas, Supt. of Schools Russell H. Amerman; singing of "America", benediction, Rev. Pankow, and class recessional by the high school band.

#### Rev. Hodgson Will Speak

The Rev. Ivan E. Hodgson, pastor of the First Methodist church, will be the speaker at the Baccalaureate service at the Community Bldg. Sunday, June 5 at 8 p.m. His subject will be "Underwriters of the Home".

Other parts of the program will be class processional, high school band; invocation, the Rev. John O. Taxis, pastor of the First Presbyterian church; "America", by

### "Country Fair" Set For Sat., June 18 At Hospital

Ed McKenzie, Detroit disc jockey, will be master of ceremonies at the "Country Fair" at Northville State hospital Saturday, June 18 under the auspices of the Citizens Auxiliary committee, Mrs. J. A. Wolfe, president, Detroit, announced this week.

Proceeds from the fair will be applied to the purchase of a bus to transport patients to public activities and to supply needy ones with dentures, glasses and other items.

Among the features of the affair on the hospital grounds from 10 a.m. to 10 p.m. will be a "moving style show", with 20 professional models from Detroit selling programs and corsages. A travelogue and readers are also scheduled. Lunch will be served from 12 to 2 o'clock, with a charge of \$1.25 for adults and 50 cents for children.

There will be 20 booths, one of which will be operated by patients at the hospital. The booths will offer dolls, baked goods, flowers, candy, needlework, toys, ceramics, jewelry, fish pond, art goods and novelties. There will also be "white elephant" and "parcel post" stands. Three of the booths will be in charge of persons from the hospital's staff—the psychiatric division, social workers and the patient's therapy division.

Walter Irving is chairman of the fair, with Leif Bergen as co-chairman. Others on the committee are Mrs. J. Dwyer Kinnucan, Mrs. J. Milton Robb, Mrs. Harvey Hansen and Dr. John Dorsey, chairman of psychiatry at Wayne university college of medicine.

The Citizens Auxiliary committee, organized last year, on a non-profit basis, has about 400 members. In addition to Mrs. Wolf, president, other officers of the unit are Arthur Leslie, Dearborn, vice-president; Mrs. Lee Keller, Detroit, secretary; and Mrs. H. E. Gustafson, Royal Oak, treasurer.

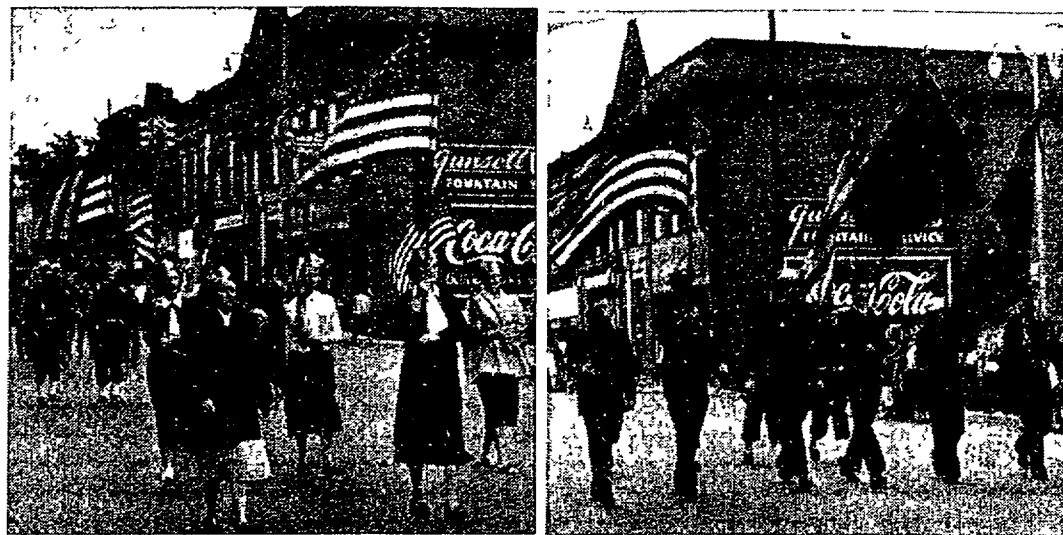

It is estimated that about 500 of the institution's 1,400 patients need financial aid that is not provided for in its budget.

### Juniors Eligible To Enter Flowerama

Flowerama, the 16th annual flower show of the Northville branch of the National Farm and Garden Assn., to be held in the Northville Community Bldg. on Friday, June 17, will have many added attractions besides the regular exhibits, according to Mrs. Clifton Hill and co-chairman, Mrs. Orson Atkinson.

There will be commercial and hobby displays and plants, punch, jams and jellies and "dollar day" specials will be on sale.

In the junior class division, class 1 will take entries from

NORTHVILLE REPEATS ITS ANNUAL SALUTE TO WAR DEAD — After memorial church rites Sunday, village organizations marched Monday to honor those fallen in conflict, then heard U.S. District Attorney Dwight speak on "Loyalty". As for the past 18 years, the parade terminated at the home of Conrad Langfield to receive ice cream, with Langfield as host. He said that 137 dozen ice cream confections were eaten.

### for the Record

By G.H.C.

About the only indication that times have changed since Northville became a city is the confusion among former village officials in trying to remember to say "city" instead of "village". Otherwise, the town goes its quiet way as heretofore. It probably will continue to do so indefinitely.

Tom Carrington, chairman of the charter commission elected to write a city charter, says the commission is not planning any radical changes. "We'll just try to draw up a set of rules (charter) for running the city as its residents want it to be run. With an annual budget in excess of a quarter million dollars, the city's taxpayers will be entitled to expect safeguards to provide for wise administration of its business. The old village charter was recognized as being in need of revision in certain other respects, and our group will try to incorporate such changes as seem necessary in the new charter. We realize that the committee is merely an agency of the people in writing the new charter, and that they will have the final say in accepting or rejecting it."

Adoption by the Northville board of education of a resolution favoring annexation of six school districts in Salem and Novi townships leaves several questions un-

(Continued on Page 12)

children nine years and under. In class, 2, the ages are 10 to 14. These classes are invited to exhibit flower and vegetable specimens and arrangements.

The contributions made by Conrad E. Langfield and his father, Edward C. Langfield, to the Northville High school band over the past years were recognized publicly at the final band concert of the season in the Community Bldg. Tuesday evening. Leslie G. Lee, director of the band, recalled that the elder Langfield was responsible for its organization many years ago, and that he had supported it generously by purchasing instruments for many years. Since his father's death, "Con" has continued to back it financially, said Lee, "this week making a substantial contribution in memory of his father and mother." Langfield was also thanked by Lee for his gift to the school of a fine piano for use in the Community Bldg. Robert Coolman, president of the board of education, accepted the piano from Langfield for the school system. From left, Lee, Langfield, Mrs. Langfield and Coolman.

### Editorial In Post Contributed By Northville Man

This time it was a Northville man who played a role in helping the Saturday Evening Post maintain its reputation for using an article minus a time element when submitted to the Post, which becomes timely when it appears on the pages of that publication.

F. R. Sproule of Northville contributed the lead editorial in the May 21 issue of the Post on federal highway financing. While the issue was still current, the analysis by Sproule became news of the week when President Eisenhower's road program fell by the wayside in Washington. Action on a state road program by the Michigan legislature last week added timeliness to Sproule's editorial from a more localized viewpoint.

Sproule, 47500 W. Six Mile Rd., technical superintendent of the calcium chloride department of Wyandotte Chemicals Corp., by virtue of his technical training and business background, has become a recognized authority on highway construction.

Recent examples of this were his appearance before the Senate Roads committee in Washington at hearings in connection with the Eisenhower project, which met an immediate Democratic counter-proposal, and as an expert on highway financing at the highway symposium under the auspices of the U.S. Chamber of Commerce.

(Continued on Page 8)

### Wilson President OF UAW-CIO Local

Bill Wilson has been elected president of Local 896 UAW-CIO at the Ford valve plant here. Other new officers are Larry Garden, vice-president; Walter Packer, secretary; Vernon Newton, financial secretary.

Others are sergeant-at-arms, Art Hurrelbrink; trustee, Dale Richmond; chairman, J. T. Stone, and Henry Row and Harry Seidelberg, committeemen.

### 5 From Northville Graduate At MSC

Five Northville students will be among the 1,828 graduates of Michigan State college Sunday, June 5. Adm. Arthur W. Radford, chairman of the U.S. Joint Chiefs of Staff, will be the speaker at commencement exercises in Macklin stadium.

Those from here who will receive degrees are Cynthia Baker, daughter of Henry E. Baker, 43777 W. Six Mile Rd., B.A. elementary education; Richard Gussell, son of Mr. and Mrs. M. C. Gussell, 900 W. Main St., B.A. speech; Edwin J. Neitzke, son of Mrs. Anna E. Howser, 8941 Napier Rd., B.S. park management and municipal forestry; Peggy Ann Price, daughter of George I. Price, 776 N. Center St., B.A. elementary education; and Jane Marie Stroh, daughter of Arthur J. Stroh, 87100 W. Eight Mile Rd., B.A. English.

### Student To Return To Germany July 19

Traute Schaefer

Traute Schaefer, German exchange student sponsored by the Ann Arbor Council of Churches in her senior year at Northville High school, will return to Germany July 19 for further studies. During the annual honors convocation at the high school Tuesday she delivered an address on "Freedom of Speech". At the program, High School Principal Elroy V. Ellison, said of Traute, "You have made a significant contribution to our life in Northville during the past year."

### Record Needs Photographers

The Northville Record is embarking this week on a new policy of pictorial news coverage. This policy was instituted with the hope of furnishing an even better and more interesting newspaper to our rapidly growing list of subscribers.

The Record, however, does not have a staff of sufficient size to take all the pictures required for this increased pictorial coverage.

An appeal is therefore being made to all amateur photographers, novices as well as experts, to aid this newspaper in its efforts. Pictures of local meetings, groups, civic and social activities and current events will constantly be needed for publication.

Full credit will be given for each picture in the form of a "credit line" below the picture giving the full name of the photographer.

Submitted photographs may be any shape or size, but must be accompanied by the negatives and information regarding the subject matter of the pictures. All negatives and prints will be returned to the owners.

Any camera is capable of taking good pictures suitable for newspaper reproduction. All pictures of the Parent Teacher Assn. carnival appearing throughout this week's issue were taken with a box type camera which, including the flash attachment, cost approximately \$15.

For those photographers who prefer to borrow a camera for coverage of a specific event, The Record has two such cameras available.

### Events Scheduled in 25 Classes; 4-H Competition Added Feature

### Dinner To Honor Haskell; Post To Buoniconto

A testimonial dinner to honor Dr. Robert H. Haskell, retiring as medical superintendent of Wayne County Training school, is being planned by the administrative board and the faculty of the school in the school gymnasium June 22 at 6:30.

Mrs. Fred R. Johnson of Detroit, member of the administrative board for the school, is chairman of the committee for the dinner. Others on the committee are Thomas Rosetti, child care director; George Ebling, child welfare superintendent, and Walter Kenzie, business manager of the institution.

Dr. and Mrs. Haskell plan to make their home in Winterhaven, Fla. His retirement is effective July 1.

Haskell's successor will be Dr. Pasquale Buoniconto, superintendent of the Delaware State Training school. Dr. Buoniconto, 46, won the position in civil service examinations.

A graduate of Yale university and the medical college of Royall's university, Naples, Italy, he is also a fellow of the American Psychiatric Assn. He is married and has two children.

It is planned to present Dr. Haskell with a memory book of letters and testimonials at the dinner. The committee is anxious that all friends and associates of Dr. Haskell have an opportunity to contribute material for the book.

Letters should be sent to George Ebling, Wayne County Training School, Northville. He wishes to receive them before June 10.

### 200 Pints Given To Blood Bank

Mrs. William Forney, chairman of the Red Cross blood bank visit at the Methodist church here stated Wednesday that 116 pints of acceptable blood were collected.

The visit of the truck means replenishment of the village's supply which is being used more frequently for emergencies and in child birth, according to Mrs. Arthur Carlson, Northville Red Cross chairman.

Compared with the period shortly after World War II, when Mrs. Forney and Mrs. Lester reactivated the local unit a truck driven by a woman came from Detroit, with one assistant, while today's motor-driven facilities have 12 on the staff. The cost of sending the truck here is \$200.

### Mrs. Geraci Heads Coordinating Unit

The Co-ordinating Council of Northville has elected the following officers for the coming year: Mrs. Samuel Geraci, president; Ed Welch, vice-president, and Mrs. Helen McCarthy, secretary.

In addition to the above, the administrative board will consist of Dr. Wilbur Johnston, Fred Sterner, Mrs. Louise Cansfield and Edward Mollema.

When the Northville Optimists' annual Junior Horse show gets under way at Northville Downs Saturday and Sunday, June 4 and 5, it will mark the 40th year of horse competition in the community of Northville.

Well known early residents of Northville, E. M. Starkweather, Harry B. Clark and Nelson Schrader, Sr. were among the founders of the equine events that have been carried on through the years. Old clippings show that S.L.A. Marshall, the noted author and foreign news correspondent of the Detroit News, reported many of the events of earlier years.

In keeping with this traditional Northville event, 12-year-old Sarah Schrader, granddaughter of one of the founders, will be riding in competition at this year's show.

For the past seven years, with the modern accent on youth, the show has been all-junior competition, and has become the state's outstanding junior event. All divisions are represented in the program. Western horses, hunters, jumpers, American saddle horses, 4-H classes, harness racing horses.

(Continued on Page 12)

### Carrington And Woodworth Head Charter Group

Northville's new city charter commission held its first meeting last night (Wednesday) to discuss preliminary steps in bringing a city charter for presentation to the voters at a special election—the next move following the electorate's 475-334 decision May 22 to incorporate the village as a city and discard the charter that has been in use since 1927.

After being sworn in by Village Clerk Mrs. Mary Alexander, the new commission, named at the time of the special election on the charter issue, selected Thomas Carrington and Gerald Woodworth co-chairmen, and Lynn Sullivan, secretary.

Other members of the group are A. Malcolm Allen, John E. Stubenvoll, Earl L. Reed, Ed C. Welch, Levi M. Eaton and Harvey Ritchie.

### City Commission Signs Interceptor Drain Contract

The Northville city commission voted at a special meeting Tuesday evening to sign a contract with the Wayne County Road Commission for its share of the Middle Rouge Interceptor drain, and to ask the road commission to enlarge the drain district to include that portion of the city now situated in Oakland county, the area occupied by the new grade school and the area embraced in the Yerkes subdivision.

The present drain district includes only areas in Wayne county.

The commission also opened bids for laying water mains and sewers in the Yerkes subdivision of which most of the cost is to be borne by the subdividers. Five bids, ranging from a low price of \$19,206 to a high of \$32,381, were submitted. The commission will award the contract formally at its regular meeting Monday evening after it has examined the qualifications and equipment of the two lowest bidders.

### Tomorrow's Citizens

David, 8 months, and Beth Ann, 7, children of Mr. and Mrs. Red Remein, Novi.

## Awards Given Northville Students At Annual Honors Convocation Tuesday

The annual honors convocation was held at Northville High school Tuesday, May 31. The presentation of honorees was given by E. V. Ellison, principal of Northville High school to R. H. Amerman, Supt. of Schools. The address was given by Traute Schafer, Exchange student.

## Gail Lawrence New President of C.A.R.

The installation of Miss Gail Lawrence, daughter of Mr. and Mrs. Donald Lawrence of Northville, as junior president of Plymouth Corners Society, Children of the American Revolution, was held May 25. Retiring president is Miss Mary Cruse.

Other officers installed were John Cruse, first vice-president; James Cutler of Plymouth, second vice-president; Janet Willoughby of Plymouth, recording secretary; Becky Coolman and Ann Hulsing, corresponding secretaries; Betsy Merriam, treasurer; Don Lawrence, chaplain; Ann Hulsing and Ann Taylor, historians and scrap book; April Corey, color guard; Randy Eaton, color bearer; Martha Mulligan, registrar, and Betty Worth of Plymouth, entertainment.

Mrs. Kenneth Corey of Plymouth was recently elected the new senior president.

The meeting was held at the home of Gail and Don Lawrence, on Nine Mile Rd.

### Patriotic Club Meets May 9

The Patriotic club will meet with Mrs. Nellie Freydl May 9 at the home of Mr. and Mrs. Frank Freydl on E. Seven Mile Rd. Members bring sandwiches but no table service.

### Bradshaws Buy Home

Mr. and Mrs. Bruce Bradshaw of Detroit have purchased the Donald Sober home on Sheldon Rd. and will move in during the latter part of June. Bradshaw is a lecturer for the J. L. Hudson Co. on interior decorating. The Bradshaws' son, Kent, will enter Dunnison college this fall. Another son, Robert, is in high school. Mrs. Bradshaw's father, P. G. Thompson, from Portland, Me. will make his home with them.

## Wick Takes Part In "Big Red I" German Exercises

Pvt. Thomas C. Wick, son of Mr. and Mrs. Fred W. Wick, 230 Fairbrook St. is a member of the 1st Infantry Div. in Germany.

The "Big Red I" division, in Europe since the Allied invasion of the continent in World War II, is now engaged in intensive training including realistic field problems and maneuvers.

Wick, a mail clerk in Headquarters Co. of the 18th Infantry Regiment's 2nd Bn., arrived overseas in January of this year.

He entered the Army in December, 1953, and completed basic training at Fort Knox, Ky.

For every 100 deaths in Michigan last year 316 births were recorded... about three babies for every (one) death.

### TYPEWRITERS

You Can't Serve a Better Drink Than Pure, Wholesome Milk, Fresh from the Farm...

## Here's Why:

Milk, the finest drink known to man, is the one basic food you need more than any other to feel your top level best each day. No other single beverage can give you the qualities provided by nature in this cool, refreshing liquid.

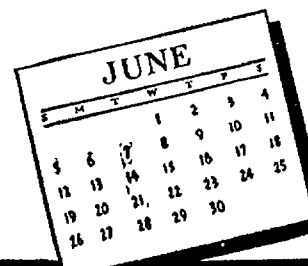

Milk gives you energy and pep, reduces fatigue, eases nervous

tension. It is your only practical source of calcium needed every day.

The daily supply of pure, fresh milk for the city millions is the proud and somewhat complex responsibility of the dairy farmer. Never in history has the product he supplies in such abundance been so good, as high in quality and as inexpensive in relation to other commodities. Serve it often this summer!

### • JUST TRY THIS IN JUNE —

Drink at least 3 glasses of Milk every day during the next 30 days. Feel the difference and see what the economical Health Habit of drinking Milk regularly will do for you!

### Customers' Corner

Here Come the Brides!  
We see lots of new faces at A&P every day... but especially during June. Because June is the traditional month for weddings. And A&P is the traditional place for brides to do their food shopping.

Most of them are following in the footsteps of mothers and grandmothers who first walked down our aisles many Junes ago. And all of them are discovering that they get more low prices on more items, more days of the week at A&P.

You don't have to be a June bride to make this dollar-stretching discovery. Anyone can do it... anytime at all. Come see... come save... at A&P!

### News Around Northville

Mrs. William Horsfall returned last week from a week's visit in Bay City with her sister, Mrs. Walter Grant, and other relatives.

Miss Katherine Kampf flew home from New York City to spend last week end with her parents, Mr. and Mrs. T. J. Kampf, Jr.

Mrs. Arlene Nelson was home from Michigan State Normal college to spend the week end with her parents, Mr. and Mrs. R. G. Nelson of Napier.

Twenty-two friends of Mrs. Huston Butler (Carolyn Ratliff) were invited to a stork shower for her Wednesday at the home of Mrs. Frank Freydl on E. Seven Mile Rd.

Mrs. Herbert Tucker of Royal Oak visited her granddaughter, Mrs. Ronald Anderson on Ridge Rd. over the Memorial Day week end.

"Harlequin Dreams" was the theme of the dance recital given by the Thompson Dance studio of Ann Arbor in the Community Bldg. here Saturday. Mr. Thompson has been teaching a group of Northville youngsters this past season.

Friends from Detroit, Birmingham and Franklin enjoyed a luncheon May 23 at the home of Mrs. Paul Schulz on W. Seven Mile Rd.

Mrs. James Spagnuolo was called to Tilbury, Ont. last Friday because of the serious illness of her mother.

Mrs. Mary Alexander went to Boyne City over the week end to visit her son-in-law and daughter, Mr. and Mrs. Theron Bray and grandchildren, Paul and Patsy.

Before leaving for a week end with friends in Lansing, Mr. and Mrs. Joseph Kirkey of Carpenter St. attended the wedding of Evelyn Clemens in Inkster. Evelyn is the daughter of Mr. and Mrs. Stephen Clemens.

David Kirkey and Mary Lovewell were the sponsors for Mr. and Mrs. Bruce Grace of Detroit in the Confirmation ceremony at Blessed Sacrament cathedral in Detroit Sunday.

Clinton Nutter, 122 E. Dunlap St. is home convalescing after being hospitalized.

Mrs. T. N. Kampf was co-hostess with Mrs. Leonard Howard at the Howard home last Wednesday at a stork shower for Mrs. Blake Couse. Mr. and Mrs. Couse have recently moved into a new home near Farmington.

Sonia Clark had a surprise party on Tuesday for her eighth birthday. Eight little guests enjoyed a hamburger roast at the Clark home on E. Seven Mile Rd.

Mr. and Mrs. Merner Eilber will spend the week end with Mrs. Eilber's sister and husband, Mr. and Mrs. L. A. Birk in Guelph, Ont. On Sunday they will drive to Toronto to visit Mrs. Eilber's brother and wife, Mr. and Mrs. John L. Routledge.

Mr. and Mrs. Don McLain from Commerce spent the week end with Mr. and Mrs. Allen Buckley at their cottage at Rifle lake.

Capt. John Joslin, his charming and tiny Japanese wife, Lili, and four months old son, Leo, were visitors in Northville last week end at the Charles Freydl home. Capt. Joslin is a nephew of Mrs. Bruno Freydl and was on his way to McClure Air Force base in Burlington, N.J. from California after spending three years in Japan.

Mr. and Mrs. Stanton Schaeffer and Miss June Nelson from Birmingham, spent Memorial Day week end at Macatava on Lake Michigan.

Pfc. William Gaab has been discharged from the armed forces and has returned to his home at 105 Fairbrook. He was at Fort Sill, Okla. with the Artillery Center of the World.

Mr. and Mrs. Alexander went to Boyne City over the week end to visit her son-in-law and daughter, Mr. and Mrs. Theron Bray and grandchildren, Paul and Patsy.

Before leaving for a week end with friends in Lansing, Mr. and Mrs. Joseph Kirkey of Carpenter St. attended the wedding of Evelyn Clemens in Inkster. Evelyn is the daughter of Mr. and Mrs. Stephen Clemens.

Grandale at Ypsilanti  
All games played at 3 p.m. except when scheduled otherwise.

The league leading Clarkston baseball team turned back the Mustangs 6-1 at Cass Benton park May 23. Roy Johnston, Clarkston second baseman, led a 13 hit attack against the Mustangs with 4 straight singles.

Bill Yahnke, the league's leading pitcher, turned back the Northville lads with but two hits and struck out 10.

The league standings as of that date were

	W	L	T
Clarkston	9	1	0
Clarenceville	9	2	0
Brighton	7	5	0
Milford	6	5	1
Northville	4	7	0
Keego Harbor	2	8	1
Holly	1	10	0

Aubrey King reached his third win of the season May 19 when he pitched a five-hit shut-out 3-0 victory over Keego Harbor at Keego. He struck out 11 and walked three. The game was closely contested all the way and was only won by some alert base-running on the part of the Mustangs.

Two of Northville's runs were scored when Paul Schulz and Bud Bell stole home. The other run was chased home by a long hit in the sixth inning.

### Northville Lands Last In League Track Meet

The powerful Milford track team smashed to an easy victory in the league track meet held at Milford. Clarkston, the only team with a chance to catch the Indians wilted before the balanced power of the large 42-man squad. Northville's team of only 13 members were unable to garner a point and finished last.

Teams in order of finish were Milford, Clarkston, Clarenceville, Keego, Brighton, Holly and Northville.

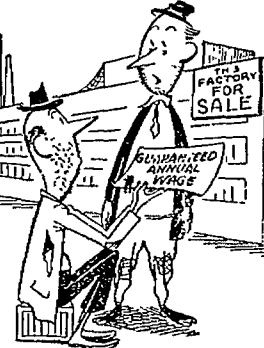

### Brighton Takes League Golf Title

The defending Northville Mustang golf team lost its title to the Brighton Bulldogs on Friday. Plagued by a rib injury to its key player Allan Cockin and inability of another starter, Paul Hamlin, the Northville team finished fifth.

Earlier in the year the Northville team had met and defeated most of the league teams in dual competition.

The order of finish was as follows: Brighton, Keego Harbor, Clarkston, Milford, Northville, Holly and Clarenceville.

for this wide-open beauty

It's the new kind of hardtop—

### The 4-Door Riviera!

A HARDTOP is a car that looks like a Convertible with the top up—but has a solid steel roof overhead — and no center posts in the side window areas.

Up until just recently, it could be built in volume only with two doors—not more—because it would take wholly new structural principles to hinge another set of doors without floor-to-roof center posts.

But Buick came up with those new structural principles and is now building—in volume—hardtops with four doors.

You see one pictured here. It's the 4-Door Riviera. And it's taking the country by storm...

Because here, at long last, is an automobile

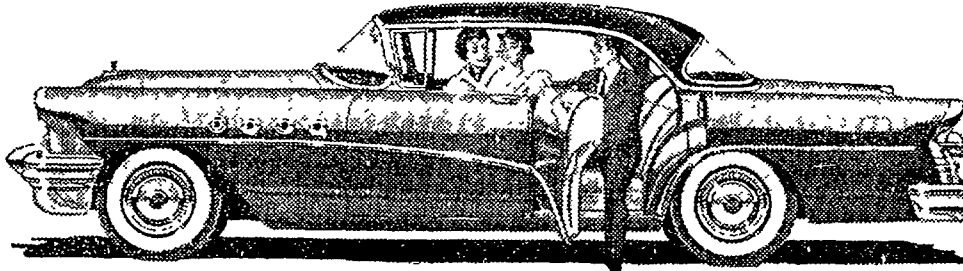

with the sleek and sporty styling of a true hardtop—but with separate doors for rear-seat passengers, plus the added room of a full-size Buick Sedan.

On top of that, this beauty is all Buick—with the buoyant ride of Buick's all-coil springing—the wallowing might of Buick's record-high V8 power—the whip-quick getaway and sizable gas savings of Buick's spectacular Variable Pitch Dynaflo.\*

And it's available in Buick's two lowest-priced Series—the budget-tagged 188-hp SPECIAL, and the high-performance 236-hp CENTURY, illustrated here.

Come visit us for a first-hand meeting with the 4-Door Riviera—and see how quickly and how easily the last word in automobiles can be yours.

\*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

## Obituaries

### MRS. MARGARET HOCHKINS

Mrs. Margaret Hochkins, 135 E. Cady, aged 72, died Saturday at University of Michigan hospital. She was born in England, the daughter of John and Mary Robinson. Her husband, John, died six years ago.

Mrs. Hochkins, who lived in Northville for the past 25 years, is survived by four sons: Leslie of Van Nuys, Calif.; Edwin of Livonia; James of Inkster, and John of Northville. One brother, George Robinson, of Redford, also survives.

Funeral services were held at 3 o'clock Tuesday at the Casterline Funeral home with the Rev. Ivan Hodgson conducting the services. Burial was in Grand Lawn cemetery.

### MRS. CATHERINE HILL

Mrs. Catherine Hill, mother of Clifton D. Hill of Northville, died May 28 in Detroit after a long illness at the age of 81. Mrs. Hill was born in Ontario, Canada, to Esther and Benjamin McLeod. She came to the United States at the age of three and spent most of her life in Alpena, except for five years in Northville.

Besides her son, Clifton, Mrs. Hill is survived by two daughters: Mrs. Violet Spens of Yaba City, Calif.; Mrs. Kathleen Mehar of Hammond, Ind.; a brother, Harry, of Flint; and a sister, Mrs. Margaret Stokes of Flint; seven grandchildren and five great-grandchildren also survive. Funeral services were held last Tuesday at 9 a.m. at the Phillips-Bahnmler Funeral home with the Rev. David Davies of St. John's Episcopal church, Plymouth, officiating. Burial was in Evergreen cemetery, Alpena.

### MRS. JANET LINCOLN

Funeral services were held last Tuesday at 1 o'clock at the Casterline Funeral home for Mrs. Janet (Jennie) Lincoln who died Saturday at her home in Salem at the age of 87. She was born in South Lyon township Oct. 17, 1868 and her parents were John McLaren and Martha Palmer. Her husband died several years ago.

Surviving are two daughters: Mrs. Fern McRoberts of Ithaca, and Mrs. Francis Frampton of Salem; a cousin, Mrs. Laura Russell and an aunt, Mrs. Francis Palmer, both of South Lyon. Also surviving are eight grandchildren, 18 great-grandchildren and five great-great-grandchildren.

Rev. Cora Pennell conducted the services and burial was in the Salem Walker cemetery.

Mrs. Lincoln had lived in Salem since 1912.

## Pethers Pitches One-Hitter Against Taylor Center Nine

The Northville High school Mustangs won a non-league game with Class A Taylor Center 2-0 Friday. Cap Pethers, a freshman, pitched a one hit game. He was in trouble only when he walked or hit men. He struck out four batters.

Bill Avery, Taylor pitcher, also allowed only one hit and struck out eight. Bud Bell's double and good heads-up base running by John Chapman led to Northville's two runs. This victory reversed an earlier 2-1 victory by Taylor Center.

## Northville Trims Wallaceville Nine, Bows To Wayne

The Northville team in the Inter-County baseball league split its holiday bill, thumping Wallaceville, 17-4 Sunday and losing to Dietrich Buick of Wayne Monday, 8-2. Both games were at Cass Benton park.

In the Sunday affair the local team scored three runs in the first inning; two in the second, four in the fifth, five in the sixth, two in the seventh and one in the eighth.

The losers picked up two in the first; and one in the sixth and seventh frames. Northville made 16 hits, compared to 7 for Wallaceville.

Batteries for Northville were Panch and Benaquist; for Wallaceville, Orleski and Hutchinson.

Monday, Wayne Dietrich collected 15 hits against Northville's 10, but the latter's five errors were costly. Wayne was charged with one error. It started off with four runs in the first; one in the fifth, one in the seventh and two in the eighth.

Batteries were: Northville, Nix and Benaquist; Wayne, Durcous and Hubler.

## News About Salem

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY  
PHONE NORTHVILLE 1410-M11

George Eggenberger is in University hospital with an injured leg.

Mrs. Carleton Hardesty entertained 13 guests at a birthday party May 23 in honor of Kenneth Hardesty.

The Ladies Aid met at the home of Mrs. William Cole on Thursday with 23 present. After a pot-luck there was a regular monthly meeting and cancer pads were sewed.

**Primary Room School News**  
The school picnic will be held today, June 2, at the Willows in Cass Benton Park.

**Upper Room School News**  
The upper room had its room picnic at Kensington park Thursday, May 26. It went on a guided nature trail. The guide was Mr. Damm.

**4-H News**  
All 4-H members in the Salem area should remember the 4-H Community Club Saturday, June 4 from 7:30 to 11. There will be a special welcome program for all new members. There will also be a square dance caller, Conrad Eichorn from Ann Arbor. Light refreshments will be served. Admission is five cents. All 4-H club members and their families are invited to attend.

**CHRISTIAN SCIENCE CHURCH**  
The way to healthier, happier living through spiritual understanding of God as the only real creative power will be brought out at Christian Science services this Sunday.

The Lesson-Sermon entitled "God the Only Cause and Creator" includes the account of Christ Jesus' healing of the centurion's servant who was "sick of the palsy, grievously tormented" (Matt. 8).

Among the correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following (231:30): "Man, governed by his Maker, having no other Mind,—planted on the Evangelist's statement that 'all things were made by Him (the Word of God); and without Him was not anything made that was made,—can triumph over sin, sickness, and death.'"

The Golden Text is from Acts (4:24): "Lord, thou art God, which hast made heaven, and earth, and the sea, and all that in them is."

## Eastman Method Is Topic of Camera Club

The 35mm Camera club Eastman Kodak lecture for this evening, June 2, will be "Tips on Kodachrome and Kodacolor." This slide-illustrated talk is directed to the beginning picture maker who has a general knowledge of camera operation and who may or may not have used Kodachrome or Kodacolor film.

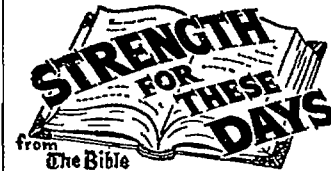

A brief comparison of Kodachrome and Kodacolor films opens the talk. The basic rules for obtaining good results with color films are listed—correct exposure, good lighting, proper lighting contrast, and well-chosen camera viewpoint.

Considerable emphasis is placed upon exposure principles. Several illustrations are used to indicate how changing sky conditions affect the density, contrast, and, in some cases, even the color of a finished Kodachrome transparency or Kodacolor print.

Examples are given of the results obtained when rules are followed or broken. Some of the details explained are the relation of time of day, of sky condition, and of subject type to exposure; the efforts of exposure on the colors in the finished

transparency; exposures guides and tables; reflectors and synchronized flash for control of lighting contrast; composing to avoid a distorted impression of the color of the subject; close-ups; and changing camera position to improve composition. Visitors are welcome.

Plans are being made for a picnic and a picture shooting session at Cass Benton park June 16.

Father, forgive them; they know not what they do.—(Romans 8, 11.)

Reading these immortal words, the prayer of Christ Jesus as he hung dying on the cross of Calvary, how can we hold resentment, hatred, unforgiveness in our hearts? These are cancerous growths that can destroy us, and it is so easy to rid ourselves of them if we will but follow the glorious example set before us.

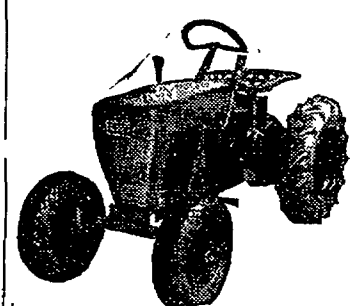

WENDELL M. HENRY

Appointment of Wendell M. Henry to the executive staff of the Detroit Area Boy Scout council has been announced by Council Executive Amos R. Shields. Henry will serve as District Seven (the Sunset District) executive of the western portion of Wayne County, including municipalities of Wayne, Inkster, Garden City, Plymouth, Northville, Livonia, Belleville, Romulus and New Boston.

He replaces Arthur Henry, former District Seven executive recently transferred as scout executive of the Paul Bunyan council with headquarters at Midland.

Present membership of the Sunset district is 4,739 scouts and leaders registered in 103 cub scout packs, boy scout troops and explorer units.

## July Start Set for Harrawood \$50,000 Service Center, Cafe

Plans for a \$50,000 automotive service center and restaurant on the northeast corner of Novi Rd. and Grand River were announced this week by Leo Harrawood.

Harrawood, who owns and operates the present service station occupying the site, said that final papers were signed last week and construction is expected to start in mid-July.

The buildings, which will be of porcelainized steel construction throughout, will be approximately 50 feet to the rear of the present buildings.

### Letter To The Editor

Dear Sir:

The repetition of a wanton killing of dogs on our highway prompts me to write this letter. One expects Foolish Teenagers and drunken drivers to do things like this. BUT when a teacher of Novi Public School deliberately and maliciously runs down four dogs without trying to avoid them, without trying to stop or even sound his horn and then morbidly turn to us, his students and bus riders, and say, "It's just a mangy cur." I think it's time something is done or at least let the rest of the public know about it.

How can our parents expect us to become well established citizens when they will allow such a monster to teach and lead us in our every day experiences?  
 A Teenager

Completion date for the project is tentatively set for early September. "The old structure will not be torn down until the new buildings are completed," Harrawood explained, "thus insuring no interruption in service during the change."

Before moving to Novi in 1949, Harrawood and his family lived in Highland Park where he was associated with a local finance company. He leased the station in May, 1949, and purchased the property two years later.

## Memorial Rites, Parade Drew Record Crowds

One of the largest crowds in recent years turned out Monday morning to watch Novi's annual Memorial Day parade.

Many long-time residents estimated the crowd to be the largest they had ever seen in the area.

On of the highlights of the parade was the first public appearance of Novi's newly formed Drum and Bugle Corps. The 40 school children, with their music and precision marching, drew impressive applause from the crowds as they passed in review.

Groups participating in the program were the AMVETS of Perry Kenner Post No. 76, who furnished the color guard and firing squad, the AMVET Auxiliary, the Blue Star Mothers, the Gold Star Mothers, the Oddfellows, civil defense personnel, senior scouts, girl scouts and cub scouts.

Tribute was paid to the men and women who have given their lives in the defense of their country in three ceremonies. Exercises were held at Novi cemetery, Oakland Hills Memorial park, at the community's living war memorial, the Novi Community Bldg.

## Farm Bureau Topic Is A.S.C. Program

The South Novi Farm bureau held its regular monthly meeting at the Novi Community Bldg. with Ed Erwin, chairman, opening the meeting. The discussion, led by Arthur Heslip, discussion leader, was on the new look of the A.S.C. program.

Mrs. Philip Anderson and Mrs. Paul Bayless served ice cream, cake and coffee to the members present.

WILL BE A THING OF THE PAST—Soon to be replaced by a \$50,000 automotive service center and restaurant is Harrawood's Service station on the northeast corner of Grand River and Novi roads. Construction is expected to begin in July.

## Novi Highlights

by Mrs. Luther Rix  
 Phone Northville 245-J

Mrs. Joe Gardella had a luncheon which was also a surprise party for Mrs. Fred Mandlik last Wednesday. Others present were Mesdames John Klaserer, Walter Tuck, Paul Ginstel, Luther Rix, Steven Stephens, Ralph Walden, Royal Lamontagne, E. Smith, William Paquette.

Mr. and Mrs. John Klaserer, Jr. have been moving into their new home in Clarke subdivision. Their home on Novi Rd. is being torn down to make way for the new Grand River cut-off.

Mr. and Mrs. Luther Rix and Mr. and Mrs. Edward Rix and son, David, of Plymouth spent the week end at Oaknoll cottage at Pretty Lake, Mecosta, over the week end.

Mr. and Mrs. George Atkinson and Mr. and Mrs. Glenn C. Salow spent the week end at their cottages near Lewiston.

Mr. and Mrs. Ed Branch left Friday evening for their cottage near Crystal Lake to spend the week end.

Mr. and Mrs. Hadley Bachert visited relatives and friends at Carson City on the holiday week end. They also visited Mr. and Mrs. Branch at their cottage near Crystal Lake.

Mr. and Mrs. William Paquette and children of Clarke St. spent the week end with Mr. and Mrs. Otis Cox at Coldwater.

Mr. and Mrs. Willis Miller entertained at a dinner in honor of their daughter, Marilyn, who was confirmed at Emanuel Lutheran church in South Lyon, with the Rev. Alfred Walther officiating.

## Reed Represents Prudential Firm

The appointment of Noel V. Reed, 46300 12 Mile Rd., as a representative of Prudential Insurance Co. of America was announced last week by company officials.

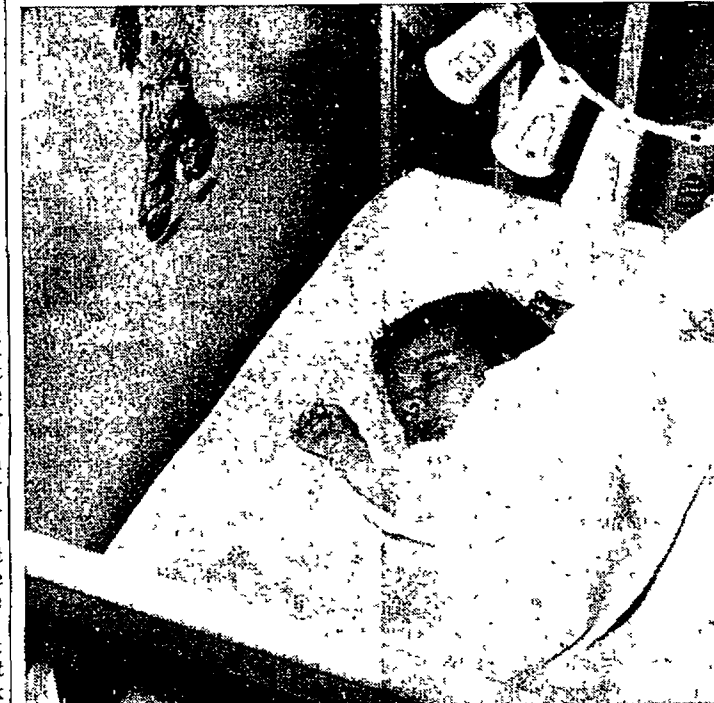

Mr. and Mrs. Reed came to this country from England several months ago with their two children and have recently moved into their new home on 12 Mile Rd.

## Rebekahs Hold Birthday Party

Wednesday, June 30, the Rebekahs sponsored a birthday party at the Novi Community Bldg. There were 12 tables, one for each month of the year, decorated appropriately, with a hostess presiding for the luncheon at 12 o'clock.

Mrs. Alice Waite was chairman.

## Willowbrook's "First Lady"

This is Cheryl LaBrom—Unimpressed by her title of "First Lady" and the fact that she is the first child to be born in the Village, Cheryl LaBrom's only thoughts are of sleep and bottles. The daughter of Mr. and Mrs. Bert LaBrom, 24400 LeBost Dr., Cheryl was born May 3 at Mt. Carmel hospital and tipped the scales at 7 lbs., 5 oz. The LaBroms also have another daughter, Denise, age three.

Sunday, May 29.  
 Marilyn, who will be graduated from the eighth grade next Wednesday is an honor student and is 13 years old.

The guests who were present for the dinner are Mr. and Mrs. Leslie Jensen of Hillsdale, who is Marilyn's godmother; Mr. and Mrs. Harold Miller and son, Bill; Mr. and Mrs. Stanley Orzechowski; Mrs. Ida Miller and Robert Hildebrand, a student at the University of Michigan.

## Novi School Notes

Freda Angel, J. R. Barton and Roy Rice of the fifth grade had perfect attendance for the school year. Dennis Marshall, Carol Moody, Russell Stevenson and Lay Snow were absent for only one day during the school year.

Barion Stater was the only pupil in the seventh grade who was neither absent nor tardy for the school year.

Thomas Seacrest of the eighth grade graduating class is leaving Novi school. His parents are moving to St. Paul, Minn.

Three pupils in the second grade have not missed any school this year. They are Judy Dye, Cecil Barton and Lois Gattrell.

Novi school pupils who do not get their report cards on Friday can get them from Supt. Mrs. Atkinson.

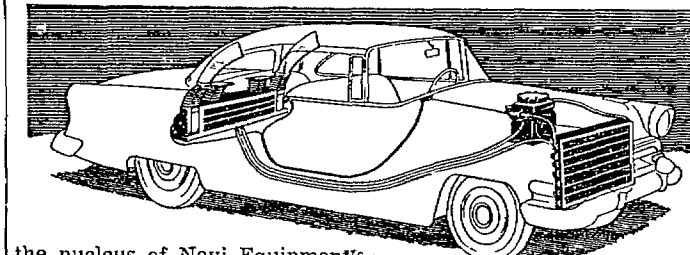

Debra Lou Harrawood, third grader, has chalked up an impressive record of never having missed a day of school in three years. She was awarded a special certificate in honor of her record.

## Novi Equipment Offers New Type Air Conditioner

A new type car air conditioning system was released to franchise dealers on a nationwide basis recently by Novi Equipment Co., 25460 Novi Rd.

The cooling system, designed for most modern makes of cars, is the result of several years development and research. Priced several hundred dollars below most other air conditioning systems on the market, the Novi unit is capable of reducing inside car temperature from approximately 110° to 72° in a matter of minutes, according to company officials.

Eighteen warehouses and service centers from coast to coast from

the nucleus of Novi Equipment's nationwide distribution and sales organization.

Using Freon as a refrigerant, the unit is self contained and operates independently of all other accessories. The compressor and condenser unit are forward to the motor, beneath the hood. A separate fan belt powers the compressor unit.

The evaporator unit is behind the rear seat, in the forward part

## Canadian Nitery Is Destination Of "Mystery Cruise"

A "mystery bus trip" took 17 members of the Novi board of commerce and their wives to a Canadian night spot last Thursday night.

The "mystery trip", which started out at the Novi Community Bldg and ended up at the Elwood Casino, Windsor, near Ontario, is an annual affair staged by the board.

After boarding the bus, without any knowledge of their destination for the evening, the passengers opened a series of five envelopes at intervals. These envelopes contained clues which ultimately directed the party to Elwood. Dinner, dancing and a floor show furnished the schedule for the evening.

Attending the party were the Jack Crawfords, Harold Millers, Gerald Trotters, Walt Tucks, Richard Greenbergs, Ted Slentzes, Richard Ritters, Ross Corrells, Tom Arnolds, Ray Harrison, Owen Bellingers, Russell Buttons, Jim Frisbies, Henry Bashians, Leo Harrawoods, Jack Marshalls, Dale Enners and Dr. Harold Morris.

## Planning Board Recommends OK On Plant, Factory Sites

Approval was recommended for an asphalt mixing plant and further industrial and commercial development on a 15-acre parcel of land bordered by the Pere Marquette Railroad tracks, Grand River, and Novi Rd. at a special meeting of the Novi Township Planning board Tuesday night.

The approval was recommended to the Township board on a request by Don Wells, Inc., Detroit paving contractors. The firm seeks to erect a "Cummer semi-portable asphalt plant" and main office on Lot No. 17, supervisor's plot plan No. 3.

According to Don Wells, president of the firm, the plant would use approximately one-half of this 15-acre site. A portion of the remaining area would be divided into four parcels about 100'x500' which would have railroad frontage and be available for use by light manufacturing plants.

Another portion of the area the portion facing Novi Rd., would be split into 65' frontage lots for commercial use. A roadway would enter the property from Grand River at a point about 800' west of Novi Rd. and continue through to a point on Novi Rd. just south of the Township hall. This road would furnish access to the mixing plant and the industrial sites and would follow a course roughly parallel to the creek which runs through the property.

Trees planted along the roadway and a belt of shrubs around the office and parking area are planned to screen the operations from passing traffic.

The plant, which mixes sand and gravel with the hot liquid asphalt cement, is equipped with a dust collecting system and washer. Heat is furnished by fuel oil. Thus the plant is entirely free from dust and odors when it is in operation, according to Wells.

Wells estimated between 50 and 60 thousand yards of dirt will have to be moved to establish the proper grades on the existing property. This work will be accomplished during the summer, fall, and winter and operations at the new plant are not expected to get under way until spring.

At present, the firm, which was established by Wells five years ago, is located at 26900 Northwestern highway and their mixing plant is located on Eight Mile Rd. just east of Evergreen Rd.

Because the hot mixed asphalt must not be allowed to cool in transit to the road construction jobs, the trucks are limited to hauls of 25 miles or less. The central location and the available railroad facilities were important factors in the selection of the Novi site, according to Wells.

## Martins Mark 60th Year of Marriage

MARRIED 60 YEARS—Mr. and Mrs. Frances Martin observed their 60th wedding anniversary Sunday, May 29 at their home at 43244 Eleven Mile Rd. Mr. and Mrs. Martin were married at the home of her parents, Mr. and Mrs. David McDonnell at Willow, the present site of the Willow Run airport. They lived at Denton for three years while their only child, a son, Erwin, was born, then they moved to a farm at Thirteen Mile Rd. and Walled Lake. They sold the farm in 1925 and moved to their present home on Eleven Mile Rd. Mrs. Martin's mother was born on the same farm where Mrs. Martin was born and was married. Her father was born in Adrian. Martin's father, Ira Frances Martin, was born in Oakland county and his mother in Livonia. Both Martin and his father before him were farmers. They moved to Willow when Martin was six years old and were neighbors of Mr. and Mrs. David McDonnell. Their children attended school together. Their son and daughter-in-law, Mr. and Mrs. Erwin Martin live next door to their parents and took them out to dinner to celebrate their anniversary. Martin, who is now 79 years old, has been an Odd Fellow for 46 years. Mrs. Martin is 77 years old and a Rebekah since 1923.

## School Athletes Cited At Banquet

HONORED RECENTLY BY THE NOVI MOTHERS' CLUB at a banquet in the Community Bldg. were members of the Novi school "N" club, an athletic honor society formed last fall for the boys who win their letters in football, baseball, wrestling, and basketball, and girls who win letters in basketball. Initiation was held last month for newly announced letter winners. In the front row, from left are Richard Ritter, Allen Geer, Sherry Davis, Claudia Mairs, Joyce Klein, Bonnie Pratt and Sharon Edelmann. Standing in the center row are Tom Seacrest, Tom Ritter, Gerry Coleman, David LaFond, Club President Bonnie Bellinger, Dorothy Wood, Midge Wendland, Joan Pawlitzki, and Mary Ciof. In the top row are Willard Sprenger, Roger Cheeseman, Hugh Crawford, Sandy Moody, Judy Wood, Mary Schenimann, Dorothy Boyer, Sharon Clarke and Jackie Bailey. Absent from the picture is Janet Race.

## the Willowbrook Corner

by Mrs. Thomas Morrison  
 Phone Farmington 1310J2

Mr. and Mrs. Walter Thompson of 40990 W. Ten Mile Rd. are former residents of Detroit. Mrs. Thompson works at Burroughs Plymouth plant and Mr. Thompson works for Burroughs Detroit plant. They have two sons. One son is in the Navy submarine service in the Mediterranean. He has served one and one-half years. The other son is Gary, 15, who attends school in Northville.

Mr. Thompson's father, who has been bedridden for seven years, is in St. Joseph hospital, Ann Arbor. He fell out of bed and broke his hip.

Mr. and Mrs. Richard Miller of 24380 LeBost Drive are also former residents of Detroit. Mrs. Miller works for Ford Motor Co., tractor division, and Mr. Miller works for the Detroit Edison Co.

Mr. and Mrs. Tom Morrison entertained her mother and father, Mr. and Mrs. A. Ferguson, and her aunt and uncle, Mr. and Mrs. B. Ferguson last Sunday for dinner.

Mr. and Mrs. Robert Waugh live at 24422 LeBost Drive and are former residents of Roseville and California. They have two children, Janis, 6, and Robert, 16 months. Mr. Waugh works for American Motors, Detroit. He is a former Kalamazoo policeman. Kalamazoo is their home town.

Mr. and Mrs. Waugh entertained her mother and father, Mr. and Mrs. H. W. Peters on their 35th wedding anniversary Sunday, May 22.

Mr. and Mrs. William Benjamin of 24466 LeBost, former residents of Plymouth. Mr. Benjamin works for Baker Simonds & Co., Detroit investment bankers. Mrs. Benjamin worked for Michigan Bell Telephone Co. in Plymouth.

Mr. and Mrs. Benjamin are our newest newlyweds here at Willowbrook. June 19 will be their first anniversary. They are expecting an addition in August. Plymouth is their home town.

Richard Hurlburt celebrated his 12th birthday Monday, May 30 with his family, his grandmother, Mrs. Mable Hurlburt, and aunt and uncle, Mr. and Mrs. H. Meyer.

Mrs. Hurlburt's brother is home recuperating from an operation.

Mr. Baraldi is going to have a boys club when we have a few more boys in our community.

Mr. and Mrs. J. F. Buck of 24350 LeBost are former residents of Detroit. Mr. Buck works for American Motors, Nash division. Mrs. Buck works for Ford Motor in Highland Park. They are golf enthusiasts. Mr. Buck escorted Mrs. America on her public ap-

**Editorial . . .**

(Continued)  
Sproule's editorial, "Why Make Our Children Pay for our Highways", follows:

President Eisenhower's proposed ten-year program in which the Federal Government would spend \$25,000,000,000 and the states a like amount represents an effort to catch up with the new demands on our highway system. The proposal that the Federal half of the improvement program be financed by a newly created "authority" which would issue long-term bonds has been criticized by Senator Byrd of Virginia, and others, including the new Comptroller General, Joseph Campbell, on the ground that it is a device to bypass the Federal budget.

Apparently the President's advisers are pessimistic as to their ability to persuade people to pay for roads as they are built. At any rate, the Administration proposal provides for no increase in the Federal gas tax. Other proposals have been made, but most of them omit reference to hiking the Federal gas tax or requiring the states in which Federal money is to be spent to contribute equal amounts.

Thus the states will be tempted to follow the Federal lead in trying to do it the "easy" way—by borrowing or letting the Federal Government take over.

Such a policy suggests a lag behind public opinion. It has been proved that good roads cost the vehicle owner less than poor ones. The business done by toll roads indicates that people understand this and will gladly pay for better roads when they get their money's worth. In California, for example, the gas-tax rate has been doubled since 1946 because the people have discovered that the extra amount they pay for better roads pays dividends in gasoline saved and in reduced wear and tear on automobiles and human nervous systems.

Undoubtedly, bond issues will be needed for some part of the program, but the more pay-as-we-go money that goes into it the better. If we can't cut down our debt charges when the country is rolling in prosperity, we never can. Anyway, most of our gas-tax rates—as low as three cents per gallon—are as obsolete as a five-cent cup of coffee and pitifully inadequate, as compared with the usual one and one-half cents per mile, for passenger cars, which we gladly pay to travel a

**Events of the Past in Northville**  
News Items Taken From the Files of the Record

**ONE YEAR AGO—**

There were 421 contestants entered for the annual Northville Junior Horse show.

Frances Danley, daughter of Mr. and Mrs. Robert Danley, won the beauty contest sponsored by the AmVets at Novi for the Northville, Novi and Walled Lake area. Ione Holmes, daughter of Mr. and Mrs. Hiram Holmes of Novi Rd., was runner-up.

The Northville Record was 84 years old.

Mrs. Cliff Rollings was named president of the Northville Mothers' club.

John Miller was chairman of the Rotary club committee that collected articles for use by handicapped children in handicraft work. The Rotary club cooperated with the Michigan Society for Crippled Children in the drive.

**FIVE YEARS AGO—**

David Lee, son of Mr. and Mrs. Leslie Lee, won the state oratorical contest sponsored by the Optimist at Port Huron.

Struck by lightning, a \$60,000 dairy barn on the Edward Porath farm, 66496 E. Six Mile Rd., was burned to the ground. Sixty head of Brown Swiss cattle were saved.

Bruce Turnbull and Clifton D. Hill were named Northville delegates to the convention of Michigan Exchange clubs. That year it was held on the S.S. City of Cleveland 111, which cruised to Sault Ste. Marie then returned to Detroit.

Richard Scharchburg won the Parent-Teacher Assn. scholarship. Cadet William Taft, son of Mr. and Mrs. Gerald Taft, graduated from Culver Military academy.

Dr. V. George Chabut, George Clark, Nelson Schrader and Donald Severance were candidates for election to the board of education.

Mrs. Walter Couse was named president of the Parent-Teachers Assn.

The Mothers' club elected Mrs.

toll road. At fifteen miles per gallon of gas, a highway toll of one and one-half cents per mile works out as a tax of twenty-two and one-half cents per gallon of gasoline.

It should be possible to capitalize nationally on the experience of the few states which have attempted to capture for their own use some of the saving which individual motorists and truckers enjoy because of better highways. Such states have done two things. They have made a study of the state's highway problem. They have then presented the problem and the cost of doing something about it to the people. Where this has been done, there has been no lack of support for modern highways. If the Federal Government were to require each state, as a condition for receiving Federal aid, to provide every vehicle owner with a nontechnical presentation of a sound long-range highway program, including financing, the results in terms of public support would be astonishing. The presentation could be in the form of an easy-to-read pamphlet, perhaps distributed to automobile owners along with their license plates.

It is ridiculous to assume that a man paying from \$800 to \$1000 a year to drive a car will not consent to increase his road contribution by forty dollars a year when he knows that the forty dollars will be saved in car-operation costs, with a bonus of savings in time and possibly even his life.

Nelson Schrader president.

Ann Yerkes, daughter of Mr. and Mrs. Robert G. Yerkes, completed training as a Capital Airlines hostess and was assigned to the firm's Detroit station.

Pat B. Chase, a major in psychology at Oberline college, was elected a delegate from the physical science division to the educational policy committee at Oberlin.

Miss Florence Panattoni's high school speech class attended a banquet at Station WWJ-TV, Detroit.

At the movies it was "Cheaper by the Dozen" with Clifton Webb, Jeanne Crain and Myrna Loy; "The Man on Eiffel Tower" starring Charles Laughton, Franchot Tone, Burgess Meredith and Jean Wallace. Alan Ladd and Wanda Hendrix got top billing in "Capt. Carey, USA".

**TEN YEARS AGO—**

Police Chief Joseph Denton marked the close of his first year with the Northville police department.

Miss Grace Pollock's kindergarten room and Charles Yahne's high school class were leaders for the week in bond sales during the 7th war loan drive. The elementary building had reached 54 percent of its quota of \$34,090, while the upper grades had reached the 80 percent mark toward raising \$31,080.

"A Royal Scandal" offered the emoting of Tallulah Bankhead and Charles Colburn, while the territory east of Grand's tomb was covered in "Beyond the Pecos" and "I'm from Arkansas."

EMB Market advertised in the Record: "Get Your Groceries the EMB Way, Delivered Free the One-Hoss Shay Way." This ad was not intended to be in the light vein—it was interlarded with overtones of the Pacific war. Postmaster Leland V. Smith explained that, unable to get gasoline for truck deliveries, the store purchased a horse and acquired a discarded milk wagon in Detroit. Then it was in a position to offer delivery.

The Wayne County Training school was seeking men and women cottage attendants at \$2,340 a year for a 48-hour week.

James H. Sexton, resident of Plymouth, was appointed a judge of the Wayne county probate court by Gov. Harry F. Kelly.

**TWENTY YEARS AGO—**

Cinema clients were seeing Will Rogers in "Life Begins at Forty".

James Barton and Helen Mack in "Captain Hurricane", and Chester Morris and Jean Parker in "Princess O'Hara".

Northville High school graduated its largest senior class—59 students. Mary Louise Boyden was valedictorian. There were 48 seniors in the preceding year's commencement exercises.

The A & P store moved into its new building on the north side of Main St.

More than 1,500 poppies were sold in one day—Saturday—by American Legionnaires, according to Claude N. Ely, commander of Lloyd H. Green post.

Tom Carrington started clerking in the grocery department of the Kroger store.

**FIFTY YEARS AGO—**

Yerkes & Yerkes Co. began to operate its newly purchased plant at Millford.

Hiram Cook, said to be the last survivor of the war of 1812, was buried in New York City. He was a cousin of Mrs. Morris Nichols of Northville.

**How many telephone extensions should your home have?**

An extension in the bedroom cuts down on threestone stair climbing. It's a blessing, too, when you're ill in bed.

An extension in your teen-ager's room lets your youngster speak in precious privacy and without disturbing other members of the family.

An extension in the den saves steps when the phone rings, lets you make those important calls in quiet privacy.

An extension in the kitchen or laundry room makes life much easier. Saves steps and lets you keep an eye on things during phone conversations.

# To the Men and Women of the Ford Motor Company

*(Text of a letter from Henry Ford II  
to 140,000 hourly employees of the Ford Motor Company  
throughout the United States)*

Here at Ford Motor Company, we think of the new labor contract we proposed to the UAW-CIO last Thursday as a Ford Partnership in Prosperity Program.

Because it is so important to you and your family, I want to share with you the beliefs which led us to this far-reaching proposal.

We believe the outlook for the future is very bright. We are not pessimistic about the American economy or the automobile business. Quite to the contrary, we are optimistic about the chances for our company to continue to grow. We are optimistic about the chances for more and better jobs. And we are optimistic about making more and better products.

These prospects for more of the good things and our ability to share them with you are the most important things we have been thinking about as we negotiate with the union.

We sincerely believe that two aims should be uppermost. First, the new contract should make it easier for our company and our employees to take advantage of the opportunities that are before us. Second, the new contract should provide a good way for our company to share the fruits of our progress with our employees as we move ahead.

The employee security program which we propose has been designed to work toward these goals. Let me state the main principles of the program as simply as I can.

One of the most important features is the Ford Savings and Stock Participation Plan. It gives the company a way to help you and your family build security for the future on your own initiative. It will encourage family savings and at the same time give you an opportunity to become a stockholder in Ford Motor Company and share in its profits and growth.

Another important part of the program is called the Ford Employees Income Stabilization Plan. It provides a way for the company to advance some of your wages to you, if you want them during periods of lay-off. The funds would be repaid to the company after you return to work, *without interest* and under very liberal conditions.

A third feature of the program would take the form of liberal severance pay, the exact amount depending on your wage rate and seniority.

The new program would continue your "annual improvement factor" wage increase. It would also increase your benefits under the company's pension, insurance and health programs, and add new benefits for your family.

These are the main features of the program, but there are many more. Together, they make up a package that can give you higher pay and more security.

Naturally, our company had to calculate many risks in proposing such an extensive program. If the union accepts it, we will have to make many financial commitments immediately for many years ahead. That is why we favor a five-year contract.

Nobody can really guarantee the future. The best we can do is size up the chances, calculate the risks involved, estimate our ability to deal with them, and then make our plans with confidence.

That is exactly what the company has done in proposing this prosperity partnership program for the next five years.

I hope that you and your family will give it a great deal of thought.

Sincerely,

*Henry Ford II*

7:30 p.m., Fellowship of the  
Concerned.  
To make fluted cucumber slices,  
draw the times of a fork length-  
wise on the cucumber. Then cut  
it into thin slices.

## WHILE YOU SLEEP

TONIGHT, while you are fast asleep, they'll be  
unloading a truck-trailer at your favorite food  
store — carting in the refrigerated meat, fresh,  
iced vegetables and fruit, and all the other choice  
articles of food you'll find on display when you  
go marketing tomorrow morning.

Food stores want their customers to have a  
full selection of fresh merchandise every morn-  
ing — so they call on trucks to stock their shelves  
and counters while you and most of Michigan  
sleep.

Without trucks, food stores just couldn't give  
the customer this sort of service. Without trucks  
— well, things just wouldn't be the same at all in  
any business and the people of Michigan just  
wouldn't be enjoying the modern comforts and  
conveniences they're enjoying today.

## Save TODAY for Better Living TOMORROW

Saving, after all, is just storing up some future "buying power." Most people save out of income so they can enjoy life more fully, later on. First Federal invites you to save here for a home, education of children, a business opportunity, or any other worthwhile purpose. Any amount opens your account, and savings are insured to \$10,000. You'll like the friendly people you meet at First Federal Savings of Detroit!

Current 2% Rate

Earnings start the 1st on accounts opened by the 10th of the month

## FIRST FEDERAL SAVINGS OF DETROIT

843 PENNIMAN, PLYMOUTH

### Hubbert Heads State Sales At Air Filter Firm

Due to the increasing emphasis being placed on air pollution control, Catalytic Combustion Corp., Detroit, is expanding its facilities for manufacturing fume combustion systems and oxidizing catalysts.

As a first step, R. J. Ruff, president, has announced the appointment of Gordon F. Hubbert, a resident of Northville for the past three years, as manager of the Michigan sales district. Besides being an enthusiastic hunter and fisherman, Hubbert devotes a major portion of his time to the boy scout movement here.

Hubbert was formerly with Wheelco Instrument division of Barber-Colman. Prior to that, he was process engineer at Electro-Motive division of General Motors in La Grange, Ill. He attended Northwestern university, and during World War II served as an electrical maintenance engineer aboard a U. S. Navy destroyer. Hubbert is a member of the American Society of Metals, the Midwest Industrial Gas Council and the Instrument Society of America.

### Early Start Set For Ford Plant At Livonia

Ford Motor Co. has announced plans for constructing a 580,000-square-foot addition to the Livonia automatic transmission plant.

M. L. Katke, general manager of the Automatic Transmission division, said the addition is the first project in the company's new \$625,000,000 facilities expansion program.

Construction will begin immediately and initial production work in the new area is scheduled to start in mid-1956. J. A. Swint, plant manager, said the Livonia operation ultimately will employ more than 8,500 workers, exclusive of divisional personnel. The plant presently employs approximately 5,000 people.

It is on a 152-acre site on Plymouth Rd. The addition will be constructed on the north side of the facility.

### June Spotlights Dairy Industry's Impact In State

June is Dairy Month. The June Dairy Month committee is boosting dairy products during the month by telling about some of the efforts to improve quality, according to Michigan State college.

Already, Michigan has laws governing the processing of its dairy products—and it has had them longer than any other state. Michigan led the way in compulsory pasteurization of dairy foods.

Researchers at MSC are striving to make products even better by testing various processes to increase shelf-life. And marketing specialists are working on better means to get the product to Mrs. Homemaker in its natural condition.

Economically, dairy products are important. Estimates are that one of 15 U. S. families depends on the dairy industry for income either as labor wages or for sale of milk. In Michigan the percentage of families deriving their income from milk would be even greater.

Even in Michigan, where the automotive industry is the largest, more motor vehicles are used in the distribution of milk than any other commodity.

A quart of milk a day per person will supply nearly one-half the family's food requirements while taking one-fourth the food budget, MSC states.

### Evabelle Clark Graduates From N. M. University

Miss Evabelle Clark, daughter of Mr. and Mrs. William F. Clark, 114 West St., will be among the 122 seniors to receive diplomas at the University of New Mexico's commencement exercises Thursday, June 2.

An art student, she will receive a bachelor of arts degree, after which she will take the university's summer course in dramatics at Ruidoso, N.M. The headquarters of the school are Portales.

After graduation from Northville High school, Miss Clark attended Adrian college for two years, then matriculated at the New Mexico school.

### Local Police Join Drive For Safe Summer Driving

Police Chief Joseph Denton announces that the Northville police department is joining the State Safety Commission and the Michigan State police in a 101-day traffic accident prevention program called "Slow Down And Live". It will run until Labor Day.

Last year 535 people lost their lives between Memorial Day and Labor Day.

According to Denton, the program is aimed at those driver behavior faults associated with "in a hurry" complex and the "one first" attitude on the highway.

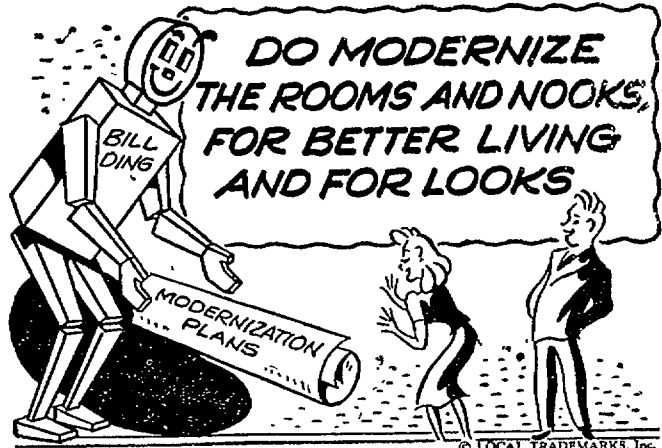

They include the motorist who

is speeding, excessive speed, or too fast for conditions; the driver who passes dangerously; the fellow who steals the right-of-way; and the person who follows too closely. National figures show that these were responsible for 90 percent of the deaths.

"Early in June," the chief said, "schools close and children are out on streets and highways

without the protection of school safety programs. Thus motorists should "Watch Out For Kids" and "Slow Down For Kids'."

During June the traffic safety authorities are placing special emphasis on dangerous passing and safety posters displaying the warning "Keep In Your Lane" are being displayed throughout the state.

Add a picture window, a new roof, new siding, a new room or garage. We have the materials and some helpful information on how to do it together with the estimated cost. Your inquiries and orders will get prompt attention.

## Save Money, Kids! Keep Your Shirt On - Wednesdays

Boys and girls who swim at Groome's Beach, Whitmore Lake, under the Recreation Dept. program this summer can cut down the cost of swimming on Wednesdays to no charge at all, if they wear the colorful T-shirts which the department offers for \$1 each, according to Stanley Johnston, recreation director.

Johnston points out that, with nine Wednesdays of swimming scheduled for this summer, at the usual charge of 15 cents, kids who wear the shirts on Wednesdays "can come out on the best end of the deal."

The shirts are on display in the window of The Northville Record. Arrangements to purchase them must be made with Johnston.

## Willowbrook . . .

(Continued)

pearance when she was here in Detroit last month.

Mr. and Mrs. Lloyd R. Ferguson of 24255 LeBost are former residents of Bayside, Long Island. Mr. Ferguson works for American Express Co. He was transferred from New York to the Detroit office. Mr. Ferguson's home town is Pontiac and Mrs. Ferguson's home town is Hamilton, O. Their hobbies are bowling and fine music. Jay Ann Wettengery made her confirmation Sunday, May 29 at Resurrection Lutheran church in Detroit. She looked very sweet in her white robe and white dress. She had pink accessories.

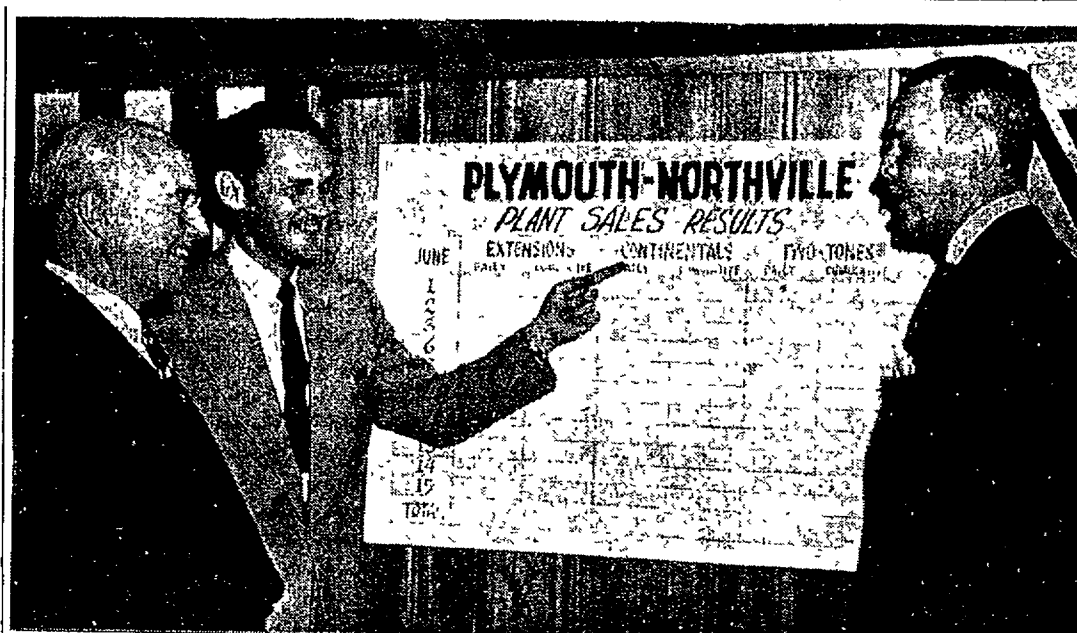

Her mother had open house for their family and friends. Some of the guests were her grandparents, Mr. and Mrs. Bower of Union Lake, Mr. and Mrs. Bill Stremick of Albuquerque, N.M., Mr. and Mrs. Joe Murphy and family of Detroit, Mr. and Mrs. Bob Valade of Detroit and Mr. and Mrs. Morrison and Nancy and Tommy. She received many lovely gifts.

Mrs. Morrison and Nancy and Tommy had a family picnic planned for Monday. But as the weather was bad they had an indoor picnic at her aunt and uncle's, Mr. and Mrs. B. Ferguson of Freeland, Detroit.

Mr. and Mrs. Good enjoyed a night out last Friday. They saw the night ballgame in Detroit.

A word of warning to Willowbrook residents was sounded last week when three cars were ticketed for improper parking.

The residents of the area are drawing up a petition to have signed for presentation to the Oakland County Road commission asking that 40 m.p.h. speed limit be posted on Ten Mile Rd. between Meadowbrook and Haggerty roads.

**BELL STARTS EXTRA PHONE DRIVE**—Michigan Bell Telephone has begun an all-out sales campaign designed to put at least one extension telephone in every Northville home. Dubbed as "Operation Step Saver", the drive will run from now until June 15. According to Ed Devine, plant chief, the local crew is "going out after a new Bell System sales record for extension telephones." "Operation Step Saver" was kicked off at a luncheon at the Mayflower hotel in Plymouth attended by William M. Day, Michigan Bell's vice-president and general manager; W. T. Kirk, general plant manager; and other top officials of the company and the local men who will carry out the project. Al Derks, division plant sales supervisor, said the keynote of the sales drive will be demonstrations by the installers and repairmen of the convenience and safety features of an adequate telephone arrangement in the home. Shown in the picture above, from left: Day, William E. Shane, vice-president; Greg Sides, area installation foreman.

## Community Board At U-M Elects Two From Northville

Supt. of Schools Russell H. Amerman and Mrs. Samuel Geraci, president of the Northville Co-ordinating Council, have been elected to the Advisory Board for Communities at the University of Michigan.

Amerman, a charter member of the board since its organization 15 years ago, was appointed by the Northville Co-ordinating Council. Mrs. Geraci was named by the U-M Adult Education department, which is headed by Prof. Howard Y. McCluskey.

Northville can take pride, Mrs. Geraci said, in the selection of the report on the activities and ramifications of the various community projects here being submitted to each member of the U-M board of regents.

The presentation was made by McCluskey. Northville's record is considered an outstanding example, whose record can stand as goal for other areas in the opinion of U-M authorities, she said.

es, stock horses and the Junior Olympic team jumping competition. Starting time both days will be 1 p.m. The program will run until 5:30.

It is expected that over 400 entries in the 25 classes that make up the show will take to the ring in the two-day period.

Northville is the season's opener for the five-trial competition that makes up the schedule for the Junior Olympic Jumping League teams.

Registered for the season's competition are 12 teams, divided into Class A and Class B divisions. The teams are:

Class A: Northville Equestriennes, Bloomfield Irishmen, Toledo A's, Bloomfield Crestwoods, Birmingham Outlanders, Grosse Pointe Rascals, Bloomfield BOH's.

Class B: Bloomfield Thunderbirds, Detroit Triangles, Toledo B's, Livonia Railtoppers, Birmingham Bess.

1955 marks the fourth year of the Optimist club sponsored team competition which has become the foremost junior training ground for future Olympic riders. Frank Duffy of Birmingham, one of the first to ride in the competition, is now a member of the U.S. Equestrian team that will compete in the next Olympic games at Melbourne, Australia in 1956.

New to Michigan horse show competition will be the trotting and pacing harness horse classes. Horsemanship drivers will qualify as to their ability to handle the lines of their Standardbreds, and will then compete in regulation half-mile races, one on Saturday and one on Sunday.

From Plymouth will be Sandy Penney, driving Bon-Air, and Dena Penney, driving Ming Chung. Pontiac will have Frances Lobeck driving Pastime Kay. Pat Swarthwood of Northville will drive Iva Blackstone.

From Inkster will be Jeannette Currier driving Jacquellan Ida. Other entries are Frances Kritch of Northville, Randy Grant of Bloomfield, and Jim Merriman, Jr. of Belleville.

All of the Northville and Plymouth 4-H members will be on hand Sunday for the 4-H horsemanship and the many western events that will be run off on the final day. The 4-H judging awards from Saturday's 4-H competition at South Lyon will be awarded to the winners at the Northville show on Sunday.

Youngest entries in the show, the lead rein class, are Mark Simmons, 3½ year old, of Northville, and Margaret Owen, 5, also of Northville. Other Northville entries are Julie Older, Janet Porath, Frannie Malley, Mike Zayti and Susy Eastland.

The show is put on by the Northville Optimist club to provide funds for its many projects for the youth of the community, and for underprivileged children.

Of the 26 events, 12 will be run on Saturday. The schedule is as follows: for Saturday, two of the team jumping events, two hunter seat equitation classes, working hunters, two western equitation classes, lead rein class, ponies under saddle, harness horsemanship, palomino horses, half-mile harness race.

Sunday's program will have dressage (in the morning) finals for team jumping, hunter hacks, individual F.E.I. jumping, bending race, western pleasure horses, trail horses, 4-H horsemanship, junior stock horses, English equitation, western horsemanship championship, half-mile harness race, Junior Olympic team awards, 4-H judging awards.

## Girls Advance In Scout Rank

Novi Intermediate and Brownie Scouts participated in a fly-up ceremony Wednesday, May 25. Brownie Troop No. 492 and leader Mrs. Ruth LaPlante and Mrs. Alice Ritter advanced into the Intermediate Scout program.

The following girls flew up, Donna Beardon, Brenda Coburn, Ginger Cheeseman, Rita Crawford, Linda Early, Bobby Davis, Sue F'geppert, Diana Harrawood, Linda Gombasy, Ellen Harsh, Judy LaFond, Diane McCollum, Carolyn Mairs, Carol Newbegin, B. Wallace, Sharon White, Sharon Pounders, Mary Lawrence, Pam Harnden, Virginia Early and Leola Neely.

Also on the program was presentation of year pins by Mrs. Bonnie Dye, leader of Brownie Troop No. 493 to Debby Harrawood, Lois Gattrell, Judy Dye, Dawn McCollum, Christine Larson, Diane Eby, June and Jane Loynes, Marguerite Miller, Margaret Nail and Leola Neely.

This was the last meeting for Intermediate and Brownie troops until fall except for individual troop plans for summer.

Miss Mary Jane Redwine of the Southern Oakland Scout office was special guest at the regular meeting of the Novi Girl Scout leaders and committee personnel.

The Senior Girl Scouts met at the home of their leader, Mrs. V. Bellinger on Thursday, May 26. Ten girls have completed their first aid course. During the evening the girls made plans for their camping trip this summer.

## SIGN FOR MOON TRIP

At least four Denver area residents have signed up for their trip to the moon or to Mars on the first space - trip at some future date. "All Aboard for the Moon or Mars" appeared in the Parade section of the Rocky Mountain News of May 19th. The article predicted that interplanetary travel may not be too far in the future. With it was a reservation blank with instructions to mail it to Hayden Planetarium in New York City. "The local residents who made their reservations probably won't be leaving next week," said a commentator, "but, in say 20 years, their reservation might mean something." Better than a trip to the moon or to Mars is the first flight awaiting believers at the coming of the Lord Jesus! Harkened to the divinely inspired description of it: "For the Lord Himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God; and the dead in Christ shall rise first; then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air; and so shall we ever be with the Lord. Wherefore comfort one another with these words." I Thes. 4:16-17.

## Lutherans Plan Vacation Bible School June 13-24

St. Paul's Lutheran church, High and Elm streets, Northville, will again conduct a Vacation Bible school this month for children age five and older, according to the Rev. B. J. Pankow, pastor. The school will be in session June 13-24. Classes will meet each day Monday through Friday at 9 and 11:45 a.m.

Children may enroll in the Sunday School office Saturday, June 11 from 9 a.m. until noon or before or after Sunday school hour the next two Sundays. (Sunday school begins at 11:15 a.m. and closes at 12:15 p.m.)

Each Vacation Bible School morning will begin with a brief service in the church. After this the children will divide into different classes for Bible study and activities that will help the children take God into their lives.

Songs, film strips, handicraft, and supervised games will be a part of the daily schedule.

Modern visual aids will be employed to supplement older methods of teaching. There will be no tuition charge, but freewill offerings will be received every day during the chapel service.

The children will sing a special hymn in the regular church service June 19 and June 26. On the evening of the last day of school June 24 at 7:30, the parents and friends of the children will be invited to a program which will be presented by the pupils in the parish hall. In addition to the program there will be a display of the handicraft projects.

## Courses Planned For Deaf Pupils

The Wayne County Board of Education is currently planning public school programs for the deaf children of Wayne county who are not already being served.

Mrs. June Salisbury, director of the Department of Special Education requests the parents of all such deaf children to notify her at 301 Tower Section, City-County Bldg., Detroit, at as early a date as possible in order that plans may be made for the 1955-56 school year.

In the last 20 years, Michigan's population climbed relatively more than that of any other state in the north-central region.

## For the Record . . .

(Continued)

answered, and probably that is the only way it could be at this time. In reserving the right to submit any such annexation proposition to a vote of the people and to abide by the result of such a vote, the matter of annexation of the entire area is as much in the air as it was before the resolution was adopted. No one knows for certain how the Northville district would vote, although it is a good guess that

there may be strong objections unless they can be shown both the wisdom and the necessity of unification of the area's schools.

Nor will it be helpful in the solution of an admittedly difficult question if representatives of the various districts concerned make demands or issue statements from which it will be difficult to retreat at some later date. It is to be hoped that what is best for the children of the entire area can be worked out in harmony by the leaders of the districts concerned and that a genuine effort will be made in this direction.
