"Teacher of Year" Award Goes To Edward Mollema

Edward C. Mollema

The Northville Saturday Luncheon club made its first "Teacher of the Year" award to Edward C. Mollema, instructor of world history, American government and World Problems at Northville High school.

Making the presentation on behalf of the club at the commencement program was Clifton C. Hill. Mollema has been associated with the Northville school system for the past 18 years.

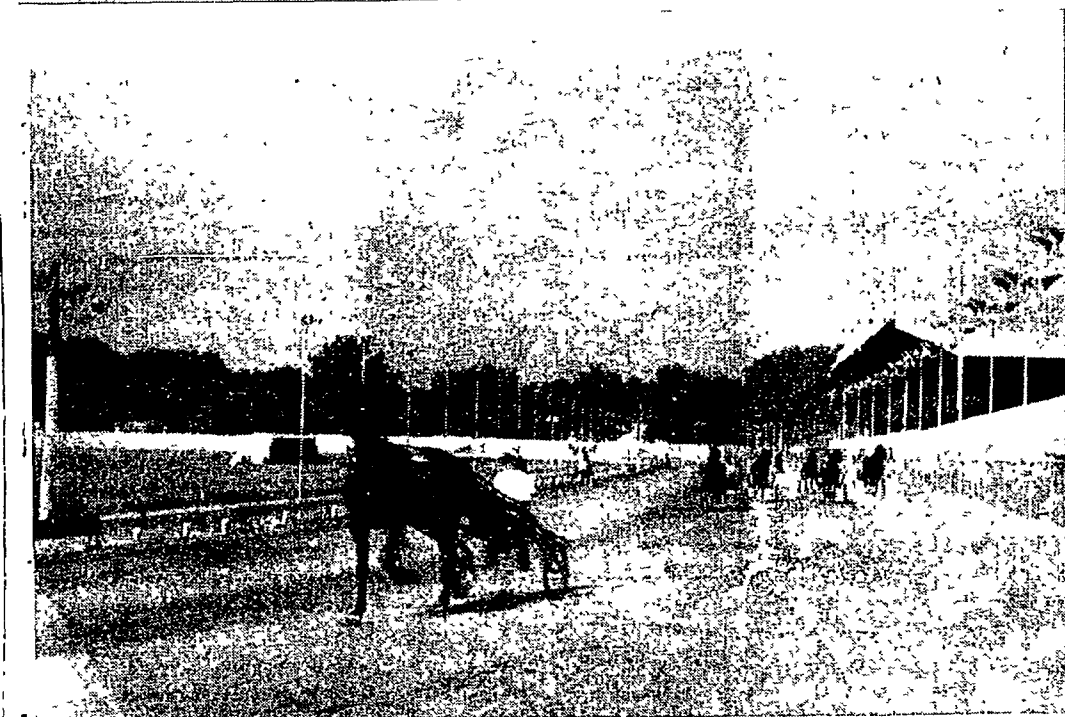

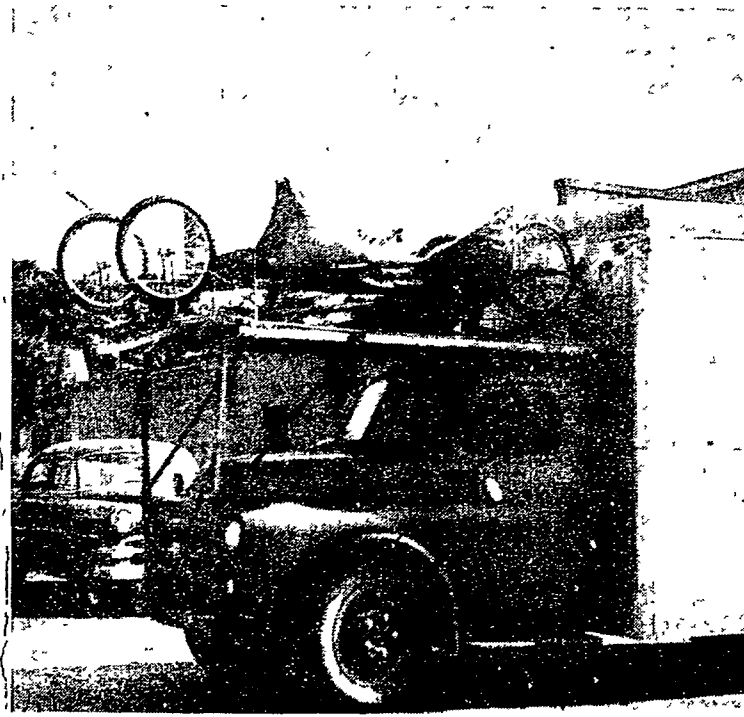

After receiving an A B degree and a Master's degree in Latin from the University of Michigan

he taught at the Detroit Institute of Technology and at that institution's night school for ten years.

He is a member of the Northville Masonic lodge, the Northville Teacher's club, the Detroit Schoolmen's club and the Northville University of Michigan club.

Hill also presented scholarships to the following students: John Clark, the C. E. Stephenson award, donated by Hill; John Funk, the Tunis Biddle award and Marilyn Engel, the Northville Driving club scholarship.

Downs To Open Racing Season Friday

THE HORSES ARE RUNNING

at Northville Downs. The 38-day harness racing season will

open officially tomorrow night

and entrants are busily preparing for the coming meet. Owners

and trainers are carefully grooming their horses (upper

left), and dozens of horse vans (above right) have been arriving daily with the familiar

sulkies tied above the cabs.

10,000 Expected To Attend First Race; City Profits In 1955

Northville took on a busier-than-usual appearance this week in anticipation of the start of the 12th year of harness racing at Northville Downs at 8:30 Friday evening.

Bright and shiny house trailers—and some that are not so shiny—filled up the small trailer park across Center St. from the Downs, and were to be seen parked for the season in private yards near the track.

Cash registers in the stores along Main and Center streets seemed to ring a little louder—and much more frequently—than they have during the months since the final race was run last year. They were responding to the spending for food and miscellaneous other items needed by the transient residents who come each year with the horses, and depart when the brief season ends.

The Northville Downs crew was busily engaged in completing the "finishing touches" of readying the Downs for at least 10,000 patrons who are expected for the opening.

This year, however, something new has been added. The village which over an 11-year period chose to pass up more than half a million dollars it could have received as its share of the estate's tax on pari-mutuel betting at Northville Downs, voted this spring to become a city. In doing so, it qualified legally to get approximately \$80,000 a year in rebated racing taxes which it could not have claimed had it remained a village.

Perhaps this accounts for the seeming optimism of the five city commissioners in looking to the city's future. Certainly their job of handling the city's business affairs should be made easier unless the city's new prosperity induces extravagant tastes that have been impossible to gratify heretofore.

John Carlo, general manager of the Downs, predicts the best season in the history of the local oval. Judging from the record number of applications, his early predictions for new standards in betting and performances on the track are quite probable.

He reports more than 1,000 applications for stall space have been received and the track had to turn down at least 100.

Northville won't be troubled with a strike by horsemen since an agreement was reached several weeks ago.

Northville Rotarians To Help In Selling Products of Blind

Northville Rotary club members will be knocking on doors starting Thursday evening when the Blind Products sale begins.

Sponsored by the Rotarians in conjunction with the Blind Products Sales of Detroit, the sale will last until Saturday noon.

Residents will have a chance to purchase brooms, ironing board covers, clothes pin bags and other items made by the independent blind. These people receive no charity, welfare or institutional aid.

Forty per cent of the gross sale will be retained by the Rotary club and 60 per cent will go to

the Blind Products Sales Co. The Rotary's share will be used for the charities and activities in which the club participates. No donations will be accepted.

Blind Products Sales is the largest employer of blind people in the United States, with over 200 blind working at the present time. There are 350 blind waiting for jobs, and it is hoped that employment will be upped by an increase in the market with the help of organizational sales such as this one. Blind Products Sales is not charity, but a chance for blind people to make a respectable income.

Ordinance Prohibits Roadside Stands, House to House Peddlers in Northville

In sharp contrast with the undercurrent of anxiety which prevailed at the June 6 Northville City Commission meeting, when it was feared Novi township might start legal action to forestall annexation of the Yerkes subdivision, the Commission's meeting last Monday night was calm to the point of being dull.

During the two weeks that had elapsed, it had become apparent that the difficulty of establishing a sound legal basis for attempting to prevent or delay Northville's annexation plans probably would deter any official action by Novi township officials. The commission seemed inclined to write off the entire episode as having been of a political nature designed to pacify a few "die-hard" Novi boosters who profess to fear that Northville will attempt to annex most or all of Novi township.

The commission is not unaware, however, that Northville's incorporation as a city lying in two counties will pose many legal problems for which there is no precedent. Under such circumstances, some legal steps to determine proper procedure are deemed not unlikely, especially in the matter of determining how Northville residents will vote in Wayne and Oakland county elections.

Probably the most important business transacted by the Commission was the enactment of an amendment to an old Village ordinance to prohibit conducting a retail business from a stand located on a street, alley or other public place, and requiring a license for house-to-house selling. This ordinance was requested by the Northville Rotary club two weeks ago to force off Plymouth Ave. the peanut stand which has long operated across the road from the Northville spring. Discussion of the peanut stand at that time led to criticism of the vegetable and fruit stands which have operated in past summers (Continued on Page 10)

City Will Survey Gravel Pits for Water Well Site

Northville Commissioners John F. Stubenvoll and A. Malcolm Allen met this week with representatives of Manning & Locklin Gravel Co. to discuss the possibility of locating a city water well on the company's property.

Stubenvoll reported to the commission that there is a good likelihood that an adequate water supply can be obtained from this source, and that Manning & Locklin agreed to permit the city to have a water consultant survey the property. After the survey has been completed, the gravel company will entertain a proposal from the city for purchase or lease of sufficient land for a well, and a building to house pumps and other necessary equipment.

MSU Student On Record Staff for Summer Months

Miss Lauretta Paternoster of Liberty, Mo., a senior at Michigan State University, will be a member of the Record's editorial staff during the summer.

Miss Paternoster is residing at 315 Griswold Street with Mr. and Mrs. E. B. Cavell.

NORTHVILLE'S SUMMER RECREATION is now in full swing, and Stan Johnston, director (rear) is as busy as the proverbial one-armed paper hanger with the itch. Above, he is supervising a game of leather tennis just getting under way. The youngster about to hit the ball is James McCarthy.

Yerkes Subdivision Sewer-Water Job Awarded Locally

Following a detailed discussion of plans for development of the Yerkes farm as a residential and commercially zoned subdivision to be annexed to Northville as soon as feasible, the city commission this week awarded its portion of a contract for installation of sewers and water mains.

The work is to be done by the Novi Building Service at such time as Messrs. Richard Benelcke and Robert Krue, developers of the subdivision, deem expedient. Their go-ahead will be contingent upon when the subdivision plat is recorded and upon progress in the various legal steps of the annexation procedure. As developers of the subdivision, they will pay the major part of the \$19,895 cost of the construction job. (Continued on Page 10)

Northville Students Buy \$2,469 Savings Bonds

Indians; Mrs. Carl H. Clendenning, Americanization, manual for citizenship; Mrs. Carroll Mulligan, Junior American citizenship; Mrs. Lawrence E. Mack, national defense; Mrs. Ernest Shave, representative of co-ordinating council, and Mrs. Del Hahn, program.

The D.A.R. insignia was presented to charter member Mrs. R. E. Cooper who is leaving soon to reside in California.

In the fall the D.A.R. will present the American Creed to the Plymouth and Northville schools in observance of Constitution Week—Sept. 17-23. The creed will be placed in every room in the grade schools.

Betty Wilson and Leslie Nagy Spend Honeymoon in Florida

Betty Wilson and Leslie Nagy were united in marriage June 4 at 7:30 at the First Presbyterian church of Northville in a double ring service. The Rev. Harold F. Fredsell and the Rev. John O. Taxis officiated at the ceremony.

Betty is the daughter of Mr. and Mrs. William Wilson of 723 Grace St., and Leslie is the son of Mr. and Mrs. Louis Nagy of Frederick St., Northville. Mrs. Kellogg sang "I Love Thee" and the "Lord's Prayer".

The bride was given in marriage by her father before an altar decorated with palms, white gladioli and white stock. Her gown was fashioned of chantilly lace and nylon tulle and she carried a prayer book, orchids and stephanotis.

Jackie Wilenius of Walled Lake attended Miss Wilson as matron of honor and the bridesmaids were Elaine Wilson, Northville, and Jane Wilson of Turtle Creek, Pa. They were dressed alike in gowns of crystalet in aqua, blue and pink. They carried daisies dyed to match their gowns and matching headpieces.

Michael Nagy acted as best man and Leonard Hix of Wayne and John Wilson of Northville, ushered.

Mrs. Wilson chose an aqua silk gown and wore an orchid corsage. Mrs. Nagy wore rose crepe and lace and an orchid corsage.

A reception for 300 persons was held in the V.F.W. hall following the wedding ceremony. Bagpipes led the grand march which was followed by old time and modern dancing to the music of Ralph

Carr and his orchestra. Mr. and Mrs. Nagy drove to Florida for a two weeks honeymoon.

Local Ford Scholar Invited To Dearborn

Miss Alice C. Newton of 325 First St., who was graduated this month from the University of Michigan, has been invited to attend an awards convocation in Dearborn Sunday in honor of the first class of Ford Fund scholarship winners.

Miss Newton graduated from high school in 1951. Of the 70 youths in this first class, 56 remained in the program throughout the four years. Three are now in military service. Michigan will be represented at the scholars' convention by 33 members of the 1951 class of winners and 49 youths who received Ford Fund scholarships this year.

Outdoor ceremonies to be held on the grounds of Fair Lane, former home of the late Henry Ford, will feature speeches by Dr. Harlan Hatcher, president of the University of Michigan, and Benson Ford, Ford Motor Co. vice-president and group director.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

DEMOCRATS ARE GANGING UP on Highway Commissioner Charles M. Ziegler again.

Gov. Williams and his Democratic state administration board are bearing down on the Republicans who will administer Michigan's new \$35,000,000 a year road-building fund in tax boosts.

So, days after the motorists started paying 1 1/2 cents a gallon more for gasoline, Williams and his official staff asked Ziegler why he hadn't built any new roads yet.

Ziegler said a quirk in the Federal-state financing plan and collection of the tax increase specified quarterly instead of monthly payments, causing a two-month delay.

Williams said he was "disappointed" at the lack of progress. He was joined in the sniping attack by other Democrats.

"I'm not God, or any of his relatives," snapped Ziegler.

The Governor stated he will brook no unnecessary delays in getting the roads built under a program which was one of the biggest political and legislative issues in years.

To get a head start, Ziegler has moved up a number of priority projects from 1956 to 1955.

He said other problems would be in the scarcity of enough concrete for a massive roadbuilding program. Steel and manpower also are in short supply.

"We're in better shape than any other state," Ziegler said. "We will be able to start some of the major projects within two months."

Williams stated he has been "informally notified" that there is plenty of cement for the work.

The first big battle the harassed Ziegler and the Democrats ended with Williams insisting the highway department work faster and Ziegler saying it was doing the best it could.

Forces on both sides were withdrawn, but Williams has called another meeting for June 24.

HUCKSTERS HAVE BEEN CHASED out of the capitol and state office buildings.

Controller James W. Miller signed an order forbidding sales of candy, magazines, knit goods, newspapers or magazines in state offices.

He said the order was "just a matter of good business" to prevent confusion in the offices and state employees from being solicited on the job.

For the first few days, the order stopped deliveries of newspapers, a tradition in the late afternoon. Pressed for an explanation, Miller said:

"The order says sales, not deliveries."

THREE REPUBLICAN groups, which have become separated along the line, all maneuvered for a spot in the shadow of Detroit's Mayor Cobo.

They wanted to sound him out on the possibility of becoming the party's 1956 candidate to run against Williams or his next-in-line for succession to the executive office.

The entire action was seen by

party faithful as the beginning of another split.

First group to consider Cobo was in the legislature. His name was mentioned both hopefully and seriously for the past four years.

Republicans led by Senators Haskell L. Nichols (R-Jackson) and Lynn O. Francis (R-Midland) flew the Cobo flag early.

After a caucus, it was decided to go ahead with a luncheon in Detroit, at which time Cobo would be asked to declare himself—or at least to start thinking about his chances.

A week before the luncheon, State Republican Chairman John Feikens called on Cobo, almost unannounced.

The meeting was considered the first party overture. Legislators felt a trifle slighted.

The third group, always behind the scenes, is a number of Detroit business and industrial executives who have backed Cobo for non-partisan offices in the past.

The executives figured they were overlooked in the rush to get the popular mayor for the candidacy.

Cobo is extremely quiet about all the hubbub.

In the past, he has waited for certain signs before moving. He has always come out on top in his election campaigns and insid-

ers feel he will wait to see how his strength might carry over into a partisan battle.

But, the performance furnished strong evidence that Republicans are interested in winning back the governor's chair in 1956, whether the candidate is an old-line faithful or not.

Democrats also are aware of the Cobo ascension in the thoughts of Republicans. Gov. Williams has already charged Cobo with missing the boat with a highway financing program.

Police Answered 123 Calls in May, Fines Totaled \$800

Police Chief Joseph Denton reports that fines collected in May totaled \$800, compared with \$607 for the corresponding month a year ago. Calls answered dropped to 123 from 133.

The number of violations for the last month, with the comparative figures for a year ago in parentheses, are: traffic violations, 105 (130); missing persons, 3 (3); autos stolen, 0 (2); bicycles stolen, 1 (1); uttering and publishing, 1 (1); arrests, 12 (5); persons bitten by dogs, 1 (3); dogs reclaimed and owners fined, 1 (2).

Accidents investigated, 7 (3); petty larceny, 2 (1); vandalism, 1 (1); prowlers, 2 (2); recovered persons, autos recovered, 0 (2); bicycles recovered, 1 (1); court cases, 12 (6); to Eloise, 0 (2); dogs under observation, 1 (3); to Pas-tur Institute, 0 (1); summons issued, 100 (124).

Northville Talent Asked To Try Out For Lowell Showboat

Lowell Showboat is again inviting Michigan amateurs to participate in Showboat Talent Night, in a search for new acts to present in the big show, the last week in July.

Two contests will be held, July 9 and 16 at 8 p.m., giving talented young people an opportunity to try out for the professional stage. In a decision to hold two talent nights this year, the Showboat Committee felt that each contestant could be allotted more time to present his act, and give a better show to the large crowd that is always on hand to view the contest. Each Talent Night is open for about 25 acts and there are no special requirements.

Several former winners of the talent contest are now appearing on television, radio and the professional stage.

Amateurs may enter by simply writing a letter describing the act or number to Mr. C. H. Runciman, chairman of Lowell Show-

boat Talent Night, Lowell, Mich. Mr. Runciman will then notify the act whether to appear on the July 9 or the July 16 program.

There will be six winners selected from the two contests. Each winner will receive a contract to appear on the big Lowell Showboat program which will be held July 25 through July 30.

Ideas will sell when little else finds a market.

Who's showing its heels to the high-priced cars?
The Motoramic Chevrolet!
The other low-priced cars aren't even in the running!

..and you're gone!

IT'S EXCITEMENT ON WHEELS!
The light turns green... you nudge the accelerator ever so gently... and you're gone! That's the way it is in the Motoramic Chevrolet. When your toe says "Let's go," a hoodful of high-compression horsepower explodes into action, sweeping you away from traffic tangles, making short work of steep hills, putting new fun in your driving life!

RECORD-SMASHING ACTION!
That's what you get with Chevrolet's new "Turbo-Fire V8"! In the recent NASCAR* stock car competition at Daytona Beach, Chevrolet showed its heels to all other low-priced cars. In the one-mile straightaway run, the first two cars—and six of the first ten—were Chevrolets! And in acceleration runs from a standing start against all comers, Chevrolet beat all low-priced cars—and every high-priced car except one! Chevrolet's two new "Blue-Flame" sixes have plenty of sizzle, too. In fact, they're the highest powered sixes in the low-price field!

TREAT YOURSELF TO ADVENTURE
Come in and drive the car that is making 1955 famous! That's the only way you'll discover all the exciting reasons why Chevrolet's stealing the thunder from the high-priced cars!

CHRISTIAN SCIENCE CHURCH

Main and Dodge Streets
Plymouth, Michigan
How spiritual understanding of the law of God opens the door to individual growth and progress will be brought out at Christian Science services Sunday.
Scriptural selections in the Lesson-Sermon entitled "Christian Science" include the following from Psalms (19:7): "The law of the Lord is perfect, converting the soul: the testimony of the Lord is sure, making wise the simple."

The value of understanding this law will also be brought out in passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy, including the following (128:46,14): "The term Science, properly understood, refers only to the laws of God and to His government of the universe, inclusive of man. . . . A knowledge of the science of being develops the latent abilities and possibilities of man. It extends the atmosphere of thought, giving mortals access to broader and higher realms. It raises the thinker into his native air of insight and perspicacity."

BUICK SPECIAL 2-Door, 6-Passenger Riviera, Model 46R

They're making it the
BIGGEST-SELLING BUICK
OF ALL TIME

Maybe you'd better see for yourself why
folks just won't do without this great car

PEOPLE say success makes success—but we say people make success, and how!

It's people—just like you—who are snowballing Buick sales this year to an all-time peak.

It's people—just like your neighbors down the street—who are snapping up these gorgeous new Buicks almost as fast as we get them from the factory, and causing Buick production to climb to new levels every month, to handle the unparalleled demand.

And it's people—just about from every walk of life—who keep Buick sales soaring without letup—and who have moved Buick more solidly than ever

into the charmed circle of America's top best sellers.

But why? Why this phenomenal swing to Buick on the part of people who can choose any new car?

Because Buick's a buy—definitely.

And because it's a bold beauty that catches the eye and holds it—that's for sure.

And certainly because it's supremely level of ride—and a sweet joy to handle—and a mighty bundle of high-voltage V8 power to melt away the miles and the high hills.

But most of all, because Buick this year is a performer like no earth-bound vehicle ever was before...

Because Buick—and only Buick—has the airplane-principled magic of Variable Pitch Dynaflo* where you switch the pitch for big gas savings in cruising—or for whip-quick getaway response and acceleration when you need a sudden safety-surge.

It's sheer thrill, and pure pleasure, and a big boon to your gasoline budget—and you really ought to try it.

Come visit us soon—this week, at the latest—and see for yourself why this is the car folks just won't do without—the biggest-selling Buick of all time.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series.

Recreation Items

MIDGET BALL

The Northville Midgets won their first start last week by the score of 20-7. The local lads, ages 10 to 12 years, had little trouble downing the Livonia Center Midgets who gave Northville 13 runs in the first inning on two hits, nine walks and numerous errors.

Twelve-year-old Karl Karg pitched the first four innings, with "Woody" Woodruff finishing up the game.

The midgets are a group of boys ranging in age from 9 to 12 years. This team belongs to the league of the Livonia Recreation Department, which was the little league last year. Their games are six innings in duration, with the distances between the bases and from the pitching to home plate shortened to 75' and 50' respectively.

The Northville Midgets are sponsored by the local recreation department. The department also has two other teams in the Livonia league Class "F", 14 years and under; class "E", 16 years and under.

The Record will carry a complete schedule of the games in each of the age classifications next week.

DAY CAMP

Some 50 youngsters a day attend the day camp sponsored by the recreation department in the first week of the "vacation of fun" program.

Arts, crafts and games are offered for three hours every day, Monday through Friday, from 9 a.m. to 12 noon. Youngsters of elementary school age are invited to attend. The location is the elementary school playground.

SWIMMING

Swimming every day, Monday through Friday for young and old. A bus will leave the high school at 1 p.m. All you need is a swim suit, towel and 15 cents.

Swimming every Tuesday and Thursday nights for the teenagers 13 years and up. The bus leaves at 6:30 from the high school. The charge for admission to Groome's Beach is 30 cents.

T-SHIRTS

There are still some recreation T-Shirts available. By wearing one of these shirts you can go swimming free of charge on Wednesdays. The cost is one dollar and you can buy them any morning at the day camp between the hours of 9 and 12.

Last year, 1,575,000 volunteers gave service to the American Red Cross, of which many thousands served on a full-time basis.

A real friend is a friend who understands us and still is.

Northville Bows To Garden City, 11-7

The Northville team in the Inter-County league lost to Garden City Sunday, 11-7. Garden City collected 15 hits, against 11 for the local nine. Northville committed four errors, compared with one for the visitors.

Garden City scored four runs, with two men out in the first inning when Dave Snyder hit a triple, with the bases loaded.

Northville plays Plymouth here Sunday at Cass Benton park.

Basketball school will begin June 27 at the Community Bldg. All boys interested, report to Mr. Kay at the following times: ages 10-14, 7 p.m. to 8 p.m.; 15 years and up, 8 p.m. to 9 p.m.

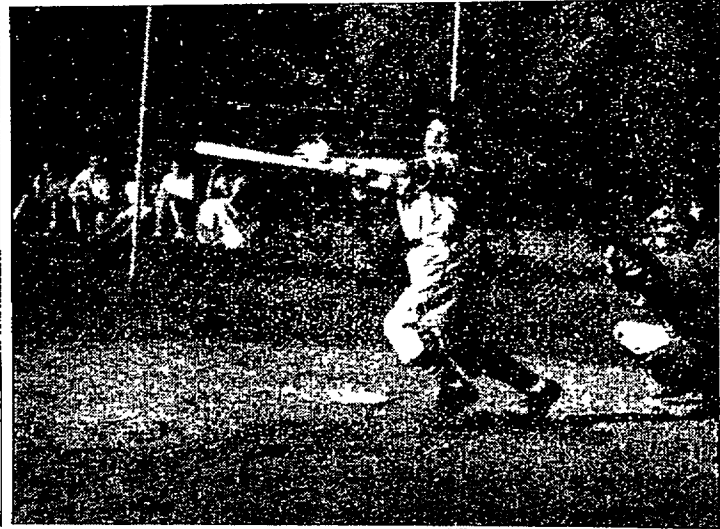

Any fellows interested in playing softball on Monday nights report to Ford field at 6:30. A few players are still needed around the ages of 21 to 25.

It's easy to understand why the Northville Midgets won their first

game of the season by a 20-7 score at left, must have hit home runs when you look at the eager faces with three men on bases — or in this picture. The young Babe might one of them have struck Ruths in the two bottom pictures out with the bases loaded.

The makers of **Super-Refined No-Nox**, the clean-burning gasoline, now bring you a **new super-refined motor oil...**

New Gulfpride H.D. Select

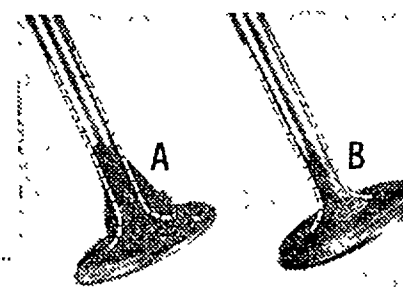

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30. Lets you follow your car manufacturer's recommendation for each season.

...the **only** motor oil in the world **super-refined** by the Alchlor Process for modern high-compression engines.

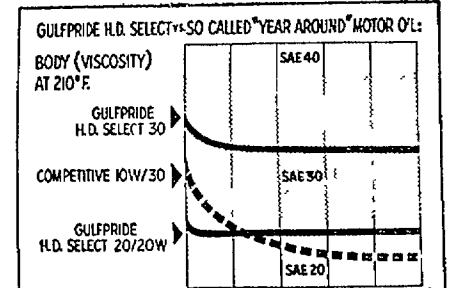

Not a compromise, multi-viscosity oil that tries to be an "all-season," "three-grades-in-one" oil. Contains no artificial thickeners that break down in your engine and increase oil consumption.

This completely new kind of motor oil—made possible by Gulf's exclusive Alchlor Process—is available in 3 grades to give you the finest protection, the best oil mileage for your make of car—in every season.

- **Controls carbon**—cause of knock, pre-ignition, valve failure and loss of power in high-compression engines.
- **Combats corrosive acids**, rust and deposits that build up on engine parts. Keeps hydraulic valve lifters quiet and free-acting.
- **Assures lower oil consumption** than the multi-viscosity "all-season" motor oils, because it has natural viscosity and contains no artificial thickeners that break down in your engine.
- **Provides the toughest protective film** ever developed in a motor oil... assures better engine protection for all cars under all driving conditions.

"Coked" valve "A" is from engine using a so-called "all-season," multi-grade oil. Coke-like carbon deposit is a cause of sluggish performance and ultimate valve failure. Clean valve "B" is from engine using new Gulfpride.

See how Gulfpride H.D. Select holds its "body" (viscosity). This new oil contains no artificial thickeners that break down under heat and pressure. But note how quickly a typical multi-viscosity 10W-30 oil starts to lose its body.

Automatic Clothes Dryer Approved

Experiments by Wayne university with clothes drying methods show that homemakers work less when they use an automatic clothes dryer. Employing a photographic

technique of time exposures and light tracings, Prof. Everett Phelps, physics department chairman, and Mrs. Frances Sanderson, home economics department chairman, studied the movements of a typical homemaker as she hung washing on the line and as she transferred laundry from washer to electric dryer.

Fewer tracings of light when the laundry was shifted from washer to electric dryer provided visual proof that clothes dryers reduce the amount of effort required.

Prof. Phelps also evaluated the two methods in scientific terms by computing the number of foot-pounds of work expended in hanging clothes on an outdoor line compared to the foot-pounds required to remove the same number of articles from washer to dryer.

He found that in a typical situation, hanging the laundry of an average family taxed 43,000 foot-pounds of work from the homemaker, transferring the same laundry from washer to dryer required only 1,000 foot-pounds.

It was noted during the experiments that the most fatiguing part of hanging wash outdoors is climbing the basement stairs with a basket of damp clothes.

The second hardest operation for the homemaker is straightening up after bending over to pick damp clothes out of the basket.

Do today's job with yesterday's tools and you'll be out of work tomorrow.

Obituaries

ROBERT C. MORRIS

Robert C. Morris, 32, died Sunday in University hospital, Ann Arbor, following a one-week illness.

He lived at 1201 E. Lake Dr., Walled Lake, and had been a member of that community for ten years. Born in Breathitt County, Ky., Morris was the proprietor of Bob's TV and Radio Repair Service in Walled Lake.

He is survived by his wife, Viola; a son, Charles Raymond, and his parents, Mr. and Mrs. Doc Morris, all of Walled Lake.

Other survivors are two brothers, Rudy and Russell, both of Walled Lake, and five sisters, Betty and Wilma of Walled Lake, Emma Morris of New Jersey, Mrs. E. K. Coats of Springfield, O., and Mrs. James Morris of Xenia, O.

The body was taken to the Richardson-Bird Funeral home in Walled Lake where funeral services were held Wednesday, with the Rev. Paul McAllister of the Church of Christ, officiating. Burial was in Oakland Hills Memorial Gardens cemetery.

Nancy Wiles Weds Kenneth Roberts In Ceremony At Novi Baptist Church Saturday

Mr. and Mrs. Kenneth Roberts

Gowned in white lace and net over taffeta, Nancy Wiles became the bride of Kenneth Roberts in a double ring service at the Novi Baptist church June 18 at 7 p.m. The Rev. J. A. O'Neill officiated. Nancy is the daughter of Mr. and Mrs. Ed Wiles of 25400 Wixom Rd., and the bridegroom is the son of Lloyd Roberts and Mrs. Matthew Nixon of Detroit and Novi.

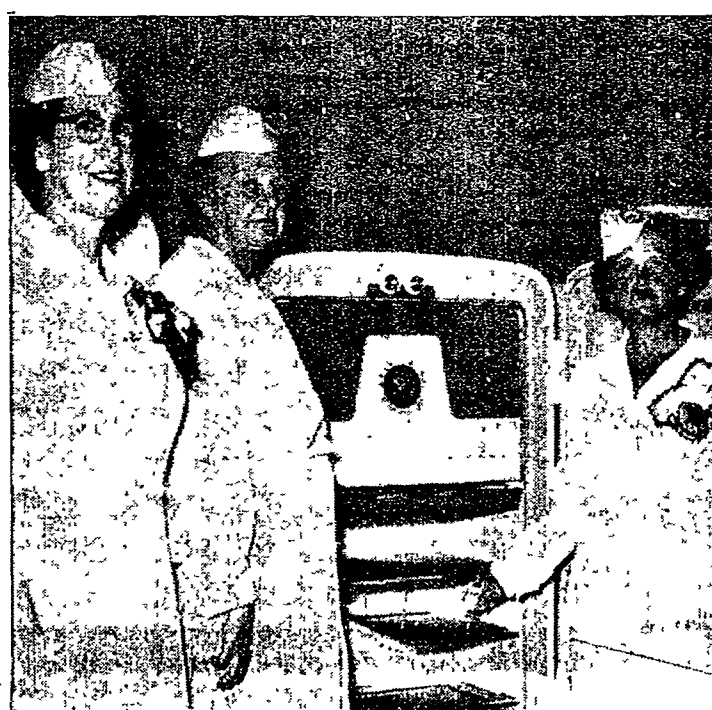

With her gown of white the bride wore a fingertip veil and carried a bouquet of white carnations centered with a white orchid. Miss Mary Flint played the wedding march and accompanied Mrs. Evelyn McCormick who sang "I Love You Truly" and "On, Promise Me."

New Officers Named For Novi Methodist Sunday School

The new Methodist school officers were installed last Sunday. They are Mrs. Russell Buttion, Sunday school superintendent; Mrs. J. D. Mitchell, assistant superintendent; Mrs. Glen Schenmann, secretary-treasurer, and

Mrs. Celia Sharpe, organist. Mrs. Louis Larson, teaches for youth group; Mrs. Victor Gillette, teacher for juniors; Mrs. Jack Crawford and Miss Harriet Angel, primary group teachers. Mrs. J. D. Mitchell, Mrs. Robert Skellenger, Mrs. Doyce Ward, Mrs. Radcliffe and Mrs. Rose will teach beginners and nursery group.

Blue Star Mothers Launch New Drive

EXAMINING THEIR GOAL, a new 12 cubic foot refrigerator for the Veterans' Hospital in Ann Arbor, are, left to right, Mrs. R. E. Ward, Mrs. Joe Gardella and Mrs. Paul Ginst. Members of the Novi Blue Star Mothers Chapter No. 47, these ladies are heading their chapter's drive to outfit the new recreation kitchen at the Veterans' Hospital with a refrigerator.

The recently completed kitchen adjoins the hospital's social center and is used for all social functions, as well as for preparing food donated by various organizations. However, due to lack of funds, the kitchen has been without a refrigerator for storing food. The Blue Star Mothers often take food for the boys on their weekly visits.

The first \$50 toward their goal was donated by Novi Chapter No. 47. Additional funds will be raised through a public card party combined with a pie and apron sale at the Novi Community Building Friday evening, July 22, and through donations of interested Novi residents, according to Mrs. Gardella, chairman of the drive. Frisbie Refrigeration in Novi is furnishing the refrigerator shown at cost.

Mr. and Mrs. Gordon Blakeslee of Lake Forest, Ill. are visiting the latter's brother, Russell Buttion and family, and her sister and family, Mr. and Mrs. Ray Warren and children.

Rev. Ronald Buttion is still on the critical list at Hurley hospital, in Flint.

Mr. and Mrs. William Kresin of Dearborn spent the week end with their daughter and son-in-law, Mr. and Mrs. Gerald Race of Dixon Rd. Janet Race returned with her grandparents to Dearborn for a few days vacation.

The Erwin F. Geppert and the Russell Taylor families will hold a family reunion at the Taylor home June 23. Relatives will be present from Detroit and Grosse Pointe.

Gerry Hazelton, proprietor of a garage at 41841 Grand River, is a patient at Mt. Sinai hospital, Detroit. He has been ill for several months.

Mr. and Mrs. Herman Smith left Tuesday morning for a few days of fishing on Saginaw Bay near Caseville. While there they will visit Mrs. Smith's sister and husband, Mr. and Mrs. John Kinde.

Funeral services for Mrs. Emil Stubbe were held in Detroit on Monday of this week with interment in Woodmere cemetery. Mrs. Stubbe has been a patient in a convalescent home near Pontiac for the past several months.

Roddy Nornberg of Wisconsin, fraternity brother of Mike and John Rackov at University of Michigan, spent the week end at the Rackov home on First St.

John Rackov has resumed work at the research laboratory at Willow Run for several weeks this summer. John is a senior at U-M.

Mike Rackov and his son, William, and grandsons, Mike and John, celebrated Father's Day by attending the ball game at Kensington park Saturday between Northville and Plymouth teams.

Elmo Richards and daughter, Marian, of Southfield, visited his daughter, Mrs. Rex LaPlante, Sr., last Friday.

Mr. and Mrs. Hadley Bachert and Mr. and Mrs. Charles Trickey, Sr. went on a fishing trip to northern Michigan last week on Tuesday.

Mr. and Mrs. Robert Marr are the parents of a son, James Carl, born at Sessions hospital Tuesday, June 14. Mr. and Mrs. Alfred Gow of Novi Rd. are the maternal grandparents.

Police Patrol Lake By Boat

A police patrol boat will be in operation on Walled Lake every Saturday, Sunday and holiday during the summer months, according to Lee BeGole, Novi police chief.

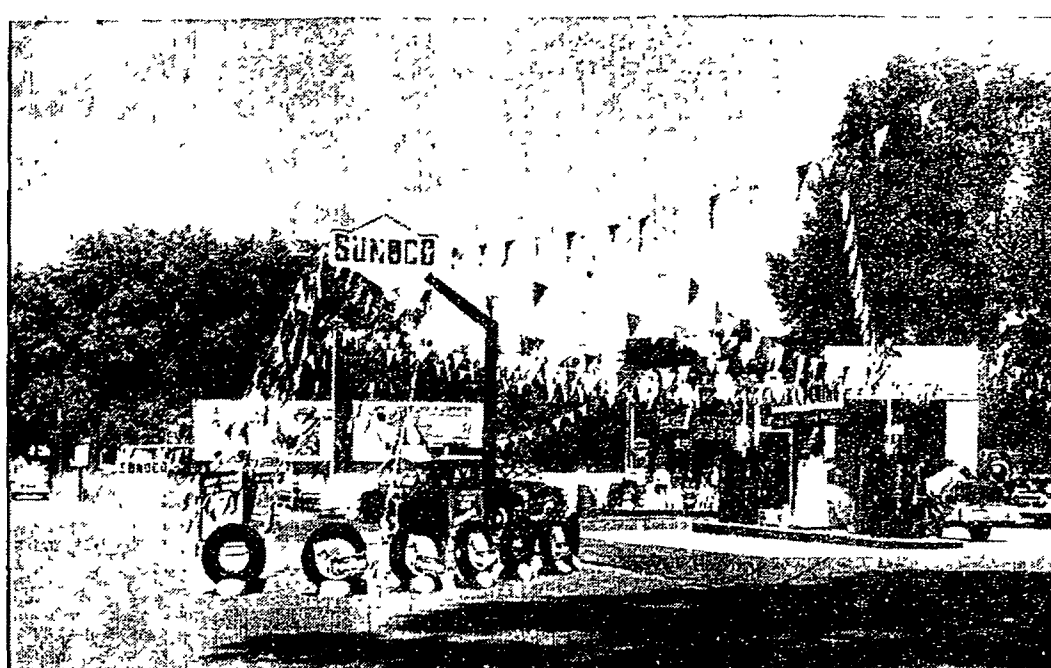

Operated by Patrolman Verne Loeffler, the boat has been placed in operation at the requests of many residents in the area. The police department has received numerous complaints on speed boat operators who swamp fishing boats and drive unnecessarily close to swimmers in the lake.

A state law governing reckless operation of motor boats will be rigidly enforced, BeGole added.

Baptist Bible School

Bible school at Novi Baptist church started at 9:30 Tuesday morning and will continue until Friday of this week and again next Tuesday through Friday until 12 o'clock each day. Mrs. Dora Eby, Sunday school superintendent, will be in charge.

Moyer's Sunoco Station Has Grand Opening

NOVI'S NEWEST BUSINESS, Lawrence Moyer's Sunoco service station, 43090 Grand River, celebrated its grand opening last Thursday, Friday and Saturday. Ivy plants were given to all ladies attending the opening, while the men received key chains and the children received candy and balloons. The building, a cement block structure with porcelain steel front, is of the latest design and is leased by Moyer from the Sun Oil Co. Moyer is a resident of Garden City.

State Police Study Speed Zone On Ten Mile Road

The petition by Willowbrook residents to have a speed zone established on Ten Mile Rd. between Meadowbrook and Haggerly roads has been referred to the Michigan State police for further study, it was announced June 15 by R. W. Osgood, Oakland County Road commission traffic engineer.

Before a speed limit can be established on a county road, state law requires that the volume and speed of existing traffic be surveyed. Therefore, according to Osgood, a radar speed check will soon be made in the area as part of a traffic survey. If the survey shows the need for a speed control zone, it will then be established.

Also, as a result of requests from Willowbrook residents, a "dead end" sign will be erected on Mill Stream Rd. in the near future.

Rebekahs Elect Representatives To Assembly

About 40 Oddfellows and Rebekahs attended church services Sunday at Novi Methodist church. At the last lodge meeting Doris Darling was elected district deputy president for another year, Irene Wendland was elected representative to the assembly for two years and Kathryn Bachert was elected two year alternate. Last year Irene Kahrl was elected representative and Doris Darling as alternate.

Twelve members attended the Past Noble Grand club at the home of Eva Behrendt on Meadowbrook Rd. last Thursday.

Regular meeting of the Rebekahs will be held June 23.

Mr. and Mrs. Tom Morrison, Nancy and Tommy and Mr. Morrison's mother, Louise, had a five day trip to the Upper Peninsula. They enjoyed a day at Mackinac Island, then across the ferry to St. Ignace and up to the Soo locks. Then they went to the Tahquamenon Falls where they took a boat trip of four and a half hours and then walked to the falls. They then proceeded on up to Munising and went out on Lake Superior on a boat trip to see the picture rocks. They saw plenty of deer and at one cabin where they stayed, the owner fed a baby deer, two weeks old, with a baby's bottle. The mother had been killed on the highway.

"Dog Gone" Long Time; Duke Glad To Be Home Again

Duke is home again.

Well known to many Novi residents, businessmen, church-goers, and school children, Duke was a gentleman. His sudden disappearance one day in July, 1954, caused much speculation and sad feeling. Yesterday, Duke was again making the rounds, renewing old acquaintances, and making new friends.

There is much to be explained about his 11-month disappearance, and Duke is reluctant to talk about it. What's past is past, and anyway it's the future that counts. As near as his closest friend, Frazer Staman, can figure out, Duke became lost on that July day almost a year ago. Perhaps he was the victim of amnesia. His whereabouts during this 11 month period may always be something of a mystery. But it is known that he spent some time in Plymouth and in Hillman, Mich.

Tuesday morning, while driving through the outskirts of Plymouth, Staman spotted his friend walking along the road. The two old friends recognized each other instantly. Few words were exchanged. Each could sense the joy in the other's heart.

Duke is Frazer's 9-year-old spaniel.

\$1603 Raised By Blue Star Mothers

Mrs. Thyra Gardella, hospital chairman of the Blue Star Mothers chapter representing Novi, Wixom, and Walled Lake, reports the chapter raised and disbursed over \$1600 this past year.

Benefitting from money raised from bake sales, card parties and other events are the following: hospital fund, \$744.50; servicemen's hospital fund, \$344.69; child welfare work, \$29.73; welfare work, \$238.38, and community work, \$246.58.

The total sum raised, \$1603.78, represents a year of hard work for the 30 members active in this organization.

Novi Girl Scouts

Senior Girl Scouts met at the home of Leader Mrs. Bellinger on Tuesday, June 14 for the last meeting of the summer. A report was given on the bake sale and additional plans were made for the camp-out to be held the last week in July.

Due to the illness of Mrs. Florence Hays, neighborhood chairman, Mrs. Jeanne Clarke represented Novi at the monthly district meeting held Tuesday morning at the home of Mrs. Wendell Brown in Farmington. Reports were heard on the Daisy Lowe Restoration fund with money due at any time from troops for this fund. There were 2500 girls signed up in Southern Oakland county instead of the expected 800. These activities will include bus tours, bike trips and swimming lessons. Novi girls will get information directly from Southern Oakland Girl Scout office and not from individual leaders.

No Plan To Split Northville, According To Township Board

Fire Department Requests New Engine At Regular Township Board Meeting

The Novi Township Board has no plans under way with regard to the much-rumored attempt to separate Oakwood Subdivision from the City of Northville, Supervisor Frazer Staman announced Tuesday night.

However, several plans for blocking future Northville annexation in Novi Township were set forth by spectators at the bi-monthly board meeting.

The possibility of legal action being taken by some resident of Oakwood Subdivision in a "taxpayer's suit" was discussed. Also, an inquiry was made regarding the possibility of incorporating a small portion of Novi Township as a city. Such a city would have the power to annex surrounding areas.

Taxpayer's Suit Possible

In answer to the subject of a "taxpayer's suit", Staman said that it was entirely possible that legal action might be taken by some resident of Oakwood subdivision. Having a city which crosses county lines raises difficult legal questions and problems, according to Staman. Many decisions must be made, and it is entirely possible that some Oakwood resident may take one of these decisions to court, he added.

Staman also set forth the population requirements for Novi to become a city. A small segment of the township could incorporate as a city if it had not less than 750 people in a square mile. To incorporate the entire township as a city, the law requires an average of 500 people per square mile. Therefore, Novi Township, with 36 square miles, would require a total population of 18,000 residents.

The fact that such a high population might become a reality in the not too distant future, however, was born out several weeks ago in a NOVI NEWS story announcing a quarter-million expansion program by The Detroit Edison Co. Edison is spending this sum immediately to increase its facilities in the Novi area to accommodate a potential 14,000 residents.

The spectators favoring city status for Novi felt that as an incorporated city, the area would be in a better position to withstand future annexation attempts by Northville and Walled Lake.

Firemen Send Delegates

A delegation from the Novi volunteer fire department, headed by Chief Glenn Salow, Jr., presented the board with requests for additional equipment, repairs on existing equipment, and a new fire engine.

The delegation informed the board that the fire hydrants in Willowbrook Village were reported to have a different size hydrant connection than the other hydrants in the township. This, the delegates said, would require a special adapter coupling and a length of soft suction hose. The board agreed to purchase the necessary adapters. According to Salow, members of the fire department are scheduled to visit Willowbrook tonight to examine the water system, the hydrants, and the fire fighting problems which might be encountered in the area.

Another fire department delegate present favored equipping a standard make chassis with a fire-fighting body and equipment.

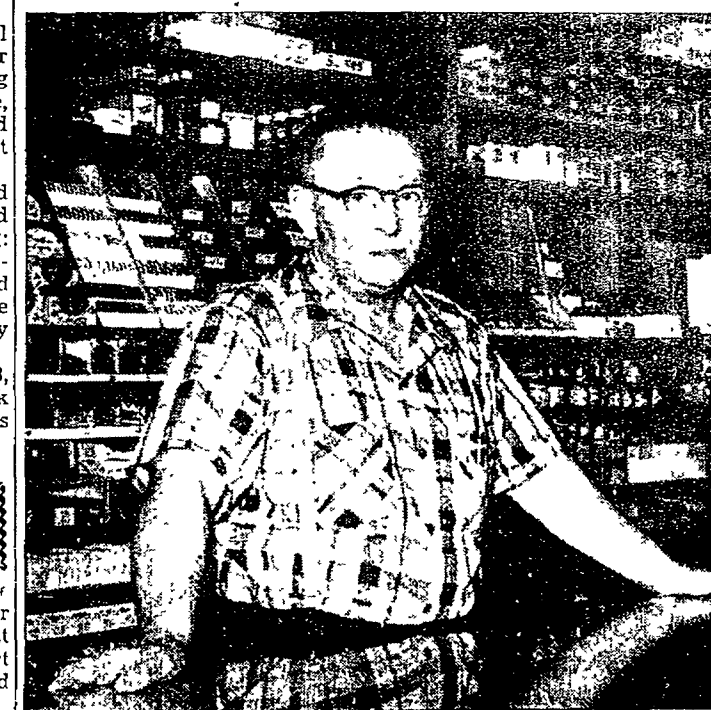

A board member cited the example of several nearby communities who operate a small specially equipped panel truck as an emergency rescue unit. This small unit is reported able to adequately handle approximately 90% of the fire calls, resulting in a great saving in manpower and equipment.

Staman suggested that the board convene at its earliest convenience and spend a day looking at the various types of engines available.

All parties agree on one point, however—the new engine, if purchased, should be painted red.

Your Merchants

Charles Trickey, Sr.

A man who turned his hobbies into a thriving business, Charles Trickey, Sr. owns and operates Trickey's Hunting & Fishing store at 43220 Grand River.

Trickey and his wife, Lillian, came to Novi in 1929 from Royal Oak, Mich. with their two children, Charles, Jr. and Laree. They lived on First St. (Fonda) and Trickey operated a service station at the corner of Grand River and Novi roads. His hobbies of hunting and fishing gradually established a foothold in the service station, however, and soon there were as many guns, fishing rods, and tackle for sale as there were tires and batteries.

After 20 years in the same location, Trickey sold his business to Leo Harwood and founded his present hunting and fishing shop. The new log building with its large parking lot occupy the property once owned by Dr. A. A. Holcomb.

FORD DEALERS'

ANNUAL

USED CAR

CLEARANCE

JUNE 18 TO JULY 2

You'll feel like a kid on Christmas morning when you see
the terrific array of used car specials we're offering during
this clearance. You'll choose from all makes, all models
... every one marked down to sell immediately!

Why do we have this once-a-year used car clearance at
this time every year? Because our stock of used cars
(traded in on our best-selling Fords) is at its yearly high.

We must make room for the steady stream of desirable
trade-ins coming in each day.

You'll find every car an A-1 value. For each has been
checked by our expert mechanics ... men you can trust
to check the car right!

And you know that every used car we sell is backed by
our good reputation as established businessmen. We want
your good will. And we hope to sell you another used car,
or perhaps a new Ford some day.

So come in while the picking's good. No matter how
little you want to pay ... you'll find you can't deal better!

Remember the dates: From June 18 to July 2

In Memoriam

In loving memory of Andries (Pete) Keller who passed away June 22, 1955. He has left us a beautiful memory and a sorrow too great to be told.

But to those who loved him and lost him

His memory will never grow old.

His pleasant smile and cheerful ways are happy memories of bygone days.

Sadly missed by the
Peter J. Keller family

DEATHS

Miss Mildred Paddock died Monday at Whitehall Convalescent home on Grand River at the age of 86. She was born in White Oak, Ingham County and her parents were James and Sarah Post Paddock.

Surviving are two brothers, James of Northville and Ford R. of Pontiac, and a sister, Mrs. Jessie F. Spaulding of Detroit. The body lay at the Phillips-Bahnmler Funeral home until Wednesday noon when it was taken to Woodlawn cemetery for graveside services. The Rev. John O. Taxis of the First Presbyterian church of Northville conducted the services.

Miss Paddock had been a resident of Northville for the past 25 years and lived at 10201 W. Six Mile Rd.

Schools close and the small fry gather in the spacious parks around Northville for the annual clambakes. Mrs. Eleanor Dethloff's Children's nursery group gathered at "The Willows" in Cass Benton park with their parents along to enjoy the picnic and help keep track of them.

REALTORS HONOR McFARLANE—Don McFarlane of Garden City was honored at a recent dinner meeting of the Western Wayne County Board of Realtors in Plymouth for his 45 years in the real estate business. About 70 persons attended the affair. Shown (left to right): Lee Eaton, past president and charter member; Richard Jeffery of Detroit, speaker; Clyde Alexander, Plymouth, president; Donald McFarlane of Garden City, charter member and past president; Hector and John McFarlane, both of Garden City.

St. Clair Man Named TB Association Pres.

Theo V. Eddy, St. Clair's superintendent of schools, was elected president of the Michigan Tuberculosis Assn., at a meeting of the MTA board of trustees. Replacing Eddy as vice-president of the state Christmas seal organization

is Charles H. Baker, Jackson. Newly elected to the MTA executive committee is Mrs. Cecil Creal, Ann Arbor. The election climaxed the 47th annual meeting of the MTA, held this year at the Michigan State College Union Building, East Lansing.

You can avoid criticism by saying nothing and doing nothing.

Amendments To Village Ordinance Number 103

The Village of Northville ordains:

That the Village ordinance No. 103, which is an ordinance to regulate and license hawkers and peddlers and to prohibit the sale by hawkers and peddlers, of goods, wares, merchandise, fruits, vegetables and foodstuffs without a license, shall be amended as follows:

Sec. 1. (a) No person shall engage in the business of hawking, peddling or vending at retail any goods, wares, merchandise, fruits, vegetables, foodstuffs, or other commodities from any stationary stand, of either a temporary or permanent nature, upon any street, alley or public place within the Village (City) limits, except as hereinafter provided.

(b) No person shall engage in the business of hawking, peddling or vending at retail any goods, wares, merchandise, fruits, vegetables, foodstuffs or other commodities from door to door or from any hotel or rooming house, on foot, or with a pushcart or vehicle, either by sample or by taking orders for delivery then or in the future, without first obtaining a license as hereinafter provided.

(c) The "business of hawking peddling or vending", for the purposes of this ordinance shall include selling or offering for sale at retail any class of commodities by sample or by taking orders, or otherwise, for delivery then or in the future. It shall include those who travel about the village, during the conduct of business above mentioned, and those who sell from (temporary) stands in or on the public streets or from door to door, but shall except stalls in public curb markets for which rentals are charged.

(d) The provisions of this ordinance shall not apply to the acts of persons selling products produced, grown or manufactured by their own labor and sold on or in front of their own residence, nor unlawfully to interstate commerce.

The above amendments apply only to Section 1, of said ordinance the remainder of this ordinance shall remain in as full force and effect as it was prior to these amendments.

Adopted by Northville Village Commission June 21st, 1955.

Fight to Preserve Forests Pays Off

LANSING, June 22—Michigan gained ground in its fight against forest fires last week.

The corrected total number of acres damaged this year now

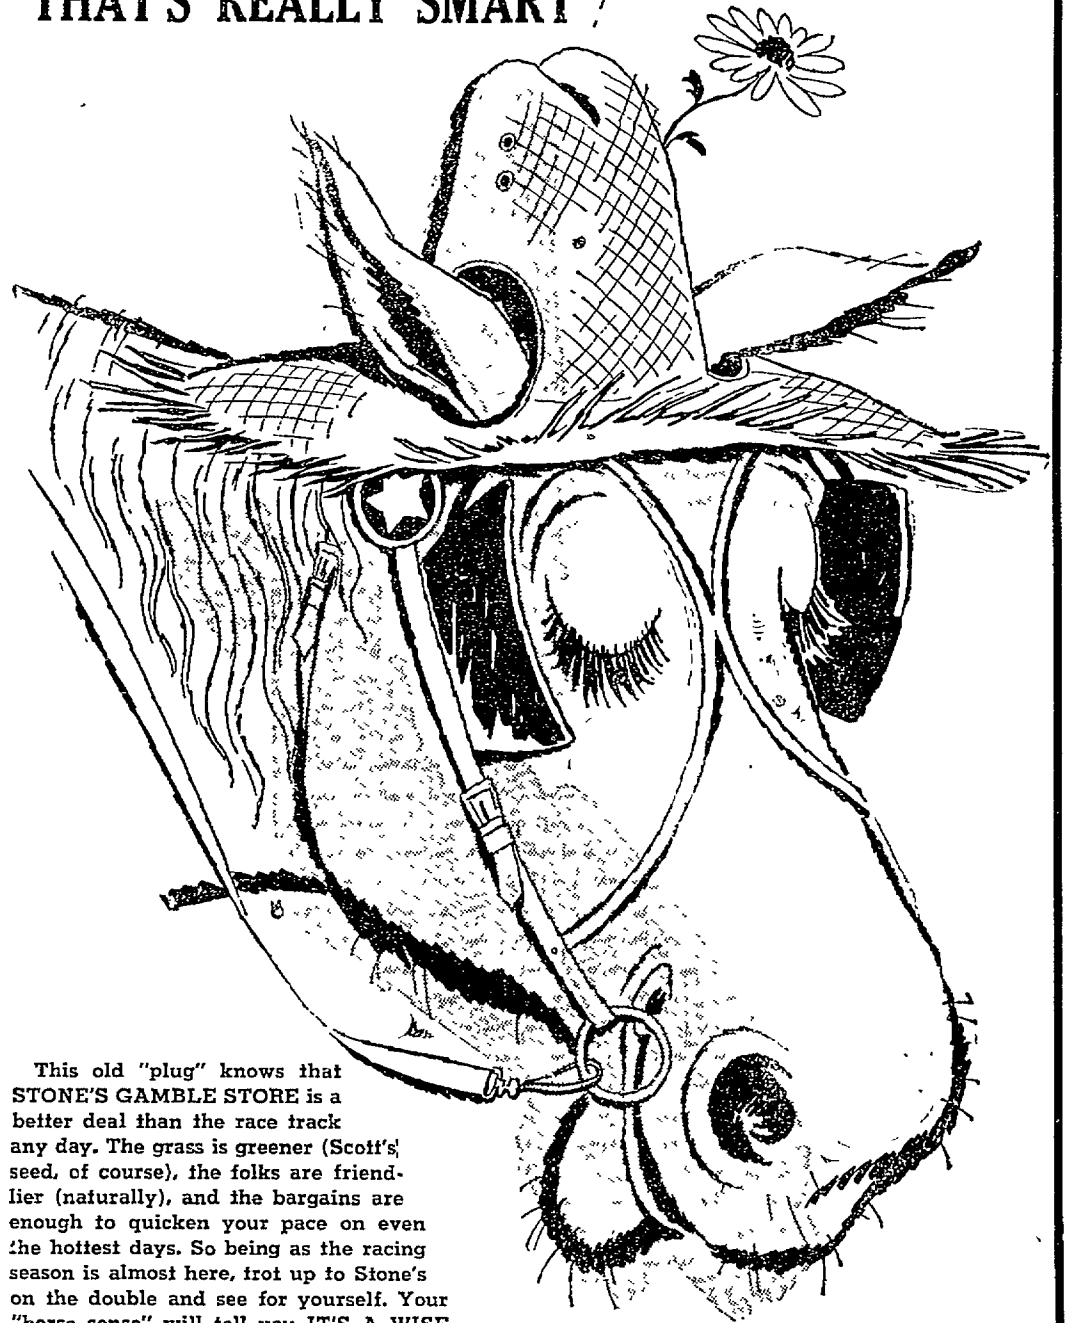

stands at 3,397. Previously, the loss was listed as 3,640 acres.

A review of the loss summary by districts uncovered the discrepancy.

It is good to see through a thing; it is better to see a thing through.

To give those broiled lamb chops a different flavor try marinating them in a sauce made with half cup water, half cup soy sauce and a half clove of garlic. Cover them and refrigerate about six hours before broiling.

HERE'S A PLUG THAT'S REALLY SMART!

This old "plug" knows that STONE'S GAMBLE STORE is a better deal than the race track any day. The grass is greener (Scott's seed, of course), the folks are friendlier (naturally), and the bargains are enough to quicken your pace on even the hottest days. So being as the racing season is almost here, trot up to Stone's on the double and see for yourself. Your "horse sense" will tell you IT'S A WISE BET.

"Let us show you how easy it is to drive a CHRYSLER!"

Chrysler owners know it and we'd like you to know it—Chrysler is winning performance honors, hands down!

Come prove it to yourself by taking the "100-Million-Dollar Ride!" It's a driving thrill that no other car can give you... with America's finest family of V-8 engines to choose from... up to 300 hp; mightiest of all Teamed, mind you, with PowerFlite automatic no-clutch drive... which for honey-smooth take-off power leaves even "second best" out of sight!

Chrysler is a big car. Low, long and sleek. It has fashion

experts coining new terms to fit it, like "tailored steel." Yet, thanks to countless exclusive drive-features (all Chrysler-originated) it handles as easy as a wave of your hand. There's Full-Time Power Steering, for one. Chrysler Power Brakes, for another. Extra large... extra easy to apply... extra safe stopping power!

That's why we say you're not only miles ahead in a Chrysler, but years ahead as well. Isn't now a good time to start pacing the field in the car that's the big news of 1955? We're ready to start you off—the minute you say when!

COME TAKE THE CHRYSLER "100-MILLION-DOLLAR RIDE!"

The Handorf lease gives Dr. Heinrich H. Handorf the right for one year, but does not obligate him, to erect a building or buildings on the premises "for medical offices, clinic or hospital purposes, and other professional offices as the tenant may decide." Handorf is to pay \$280 rent for the year plus any water and sewer benefit charges and any special assessments.

Raise Special Policemen's Pay
The pay raise for special policemen was authorized unanimously by the commission members. It brings their rate to \$1.70 per hour, and \$1.80 for the assistant to Chief Denton.

Other moves that were agreed upon were:
(1) Installation of a public drinking fountain on the Roy Stone property on the south side of Main St. just south of the Northville Drug store;
(2) Purchase of a bulldozer, a new police car and a new 1½-ton pick-up truck.
(3) To partly fill in the Fairbrook spring;
(4) To close the alley adjacent to Paul's Sweet Shop and install a new curb;
(5) To ban parking during the racing season on the east side of Yerkes Ave. and on the east side of Plymouth Ave.

(6) To again lease the Community Center to the Board of Education for another year;
(7) To share on a 50-50 basis with Northville Laboratories the cost of laying a new sidewalk

from 7 Mile Rd. to the company's office entrance, and tear up the remainder of the old sidewalk leading into Rural Hill cemetery.

Dickinson was graduated from Northville High school in 1952 and has been in the navy since that time.

Ford Will Consider Northville In Its Expansion Plans

Mayor Claude N. Ely this week received a letter from J. S. French, general manager of the Ford Motor Company's parts and equipment manufacturing division, assuring the city that it will be considered in any expansion program the company may develop.
The letter was in reply to one sent to Henry Ford II, assuring him of Northville's appreciation of the contribution made by the local valve plant to the city's welfare, and of the city commission's desire to cooperate in any Ford expansion plans.

Mr. and Mrs. Leonard Howard

Two popular young Northville people were wed in a double ring ceremony at the Northville Methodist church Saturday evening at 7 o'clock. Marilyn Joanne Funk and Leonard Rice Howard spoke their vows before an altar decorated with candelabra and tall vases of blue and white flowers. Rev. William Hughes, from Milan, assisted by the Rev. Ivan Hodgson, officiated at the ceremony.

Mrs. Russell Hanlon sang "With This Ring" and "Panis Angelicus". The bride, who is the daughter of Mr. and Mrs. Wilson S. Funk of 438 Yerkes St., wore a floor-length gown of white embroidered nylon over taffeta made princess style. The tight fitting bodice and cap sleeves were edged with lace. Her finger-tip veil was held by a small cap crown of antique renaissance lace and pearls. Baby daisies and white stepotis surrounded a white orchid in her bouquet.

The brides attendants were dressed alike in powder blue nylon shantung made princess style and they wore small blue halos covered with the same material as their frocks. They carried shower bouquets of blue tinted daisies.

Jane Cesler of Dundee, the bride's roommate at college, was the maid of honor. The bridesmaids were Ann Lampman of Grosse Pointe and Phyllis Howard, sister of the bridegroom.

The bridegroom's best man was William B. Canfield. John Funk, brother of the bride; A. Thomas

Hudson of Wayland, Charles H. Watson of Crystal Falls and John McCann of Beulah were the ushers.

Mrs. Funk chose a gown of rose lace with beige accessories for her daughter's wedding. Her corsage was a ruby throated orchid.

Mrs. Howard wore a Christian Dior gown of toast and pink silk organza and a corsage of pink sweetheart roses.

Following the wedding ceremony, a reception for 300 guests was held in the Methodist church house.

The new Mr. and Mrs. Leonard Howard drove to Beverly Lake, Delta, Ont., for their honeymoon.

Out of town guests included Miss Sylvia Howard of Minden, Ontario; Dr. Howard's brother-in-law and sister, Mr. and Mrs. Harold Russell, of Toronto; Ward Russell and his fiancée, Miss Shirley Bacon, of Toronto; Mr. and Mrs. Leonard Stromquist and daughter, Kay, and son, Pete, and Mr. and Mrs. Richard Rice, of Topeka, Kan.; Mrs. Stromquist and Mr. Rice are sister and brother of Mrs. W. L. Howard; Mr. and Mrs. William J. Johnston and daughter, Beverly, of Pickford, Mich.; and Mrs. J. W. Funk of Maryland, grandmother of the bride.

Mrs. Howard is a senior in the School of Education at the University of Michigan and Mr. Howard, graduate of Albion college, is a junior in the Medical school at the University of Michigan.

16th Northville Flower Show Features 200 Entries

—RECORD PHOTO

Mrs. Joseph Denton, above, looks at her award-winning creation in the arrangements in metal containers division. It was made of a brass tray with a matching brass crane at the side of an arrangement of plantain lily leaves and took first place.

Community Center Affords Space For Beautiful Displays

The Northville Community Center became a fragrant and colorful setting Friday afternoon and evening for the 16th annual flower show of the Northville branch of the Woman's National Farm and Garden Assn.

This year's show, called "Flowerama", displayed well over 200 entries.

Mrs. Clifton D. Hill, chairman, and Mrs. Orson Atchinson, co-chairman, were gratified by the interest shown by members and townspeople which helped to produce a show of such proportions.

Judges Mrs. Ullenbruck, Mrs. Jenkins and Mrs. Wilson, all officers of Michigan Division, expressed amazement at the wealth of material and splendid color combinations found in the arrangements.

Table settings were judged on their own merits, and first awards were made to Mrs. E. V. Ellison, dinner table; Mrs. John Haller, breakfast table; Mrs. Clifton D. Hill, breakfast beside the pool, and Mrs. John Burkman, luncheon table.

For blooming house plants, first award went to Mrs. Roy Matheson, second award to Mrs. Howard Greer, and third to Mrs. Eahart. Mrs. William B. Walker, Jr. and Mrs. Howard Greer both received first awards for non-blooming house plants.

In the arrangement or composition division, the following awards were given for using modern or unusual material or combinations of materials: Mrs. Orson Atchinson, first; Mrs. Jack Reynolds, second; Mrs. John Riggs, third, and Mrs. Paul Schulz, honorable mention.

Griffiths Fights For Food Stamps

Congresswoman Martha Griffiths (D) of Michigan challenged the administration last Friday to support a food stamp program for the distribution of surplus agriculture commodities.

Mrs. Griffiths invited administration support in testifying before the House Committee on Agriculture on her bill, H. R. 3773, creating the food stamp program.

Mrs. Griffiths characterized the food stamp idea as an excellent opportunity to accomplish two important goals. She said:

"This will give up an effective relatively simple way of disposing of mountains of surplus food commodities, and under the program these commodities will go to low income and needy persons in this country."

The stamp plan implements a food distribution program passed by the 83rd Congress wherein the Secretary of Agriculture was empowered to donate surplus food to needy persons and public institutions in the various states.

But in the 11 months of its operation this program has only reached approximately 3,000,000 people out of a potential of 16 million who could be declared eligible for this food, Mrs. Griffiths said.

In addition to those on public welfare rolls (900,000) surplus food could be given to the 2.5 million unemployed, many of whom have exhausted their compensation benefits; those 6 million persons receiving cash assistance now from the federal government in the blind, old age, disabled, and aid to dependent children programs; and the 7.3 million now receiving social security benefits, Mrs. Griffiths said.

Mrs. Griffiths said the food stamp program would be particularly important to Detroit which was the first large American city to attempt food distribution to the needy under the federal program.

"The Detroit common council has unanimously endorsed this program. There are now 65,000 people in Detroit certified by the welfare department to receive surplus foods. The present program has meant high distribution costs, additional warehouse and delivery facilities, and has raised the difficulty of finding enough retail grocery stores to serve as distribution centers," she declared.

Mrs. Griffiths pointed out that under the stamp program the food would be handled in the normal channels of trade and that any grocer could participate in the distribution. Mrs. Griffiths added:

"We had success with a food stamp program in 1939-43 in this country and there is no reason we cannot manage the same setup again at this time. It is regrettable the Administration has not had the imagination to step out and support this program."

Vets To Discuss Pension Plans

Persons interested in pensions and hospitalization benefits for World War I veterans are requested to attend a special meeting on Thursday, June 30 at 8 p.m. in the Veterans of Foreign Wars home on Plymouth Ave.

Additional information can be obtained by calling Leon Gagner, Northville 455.

Louis Lannings' 50th Anniversary

Sunday, July 3 will mark the 50th wedding anniversary of Mr. and Mrs. Louis Lanning. The Lannings, who reside at 9400 Tower Rd., were both born in Michigan and have spent most of their married life in Northville. Lanning was a foundry worker for 45 years and is now employed at Warren Products. Married in Pontiac a half-century ago, the couple has six children, five of them now living in Northville and the other living in South Lyon. They also have 13 grandchildren and six great-grandchildren. They will be honored at an open house reception on July 3 at the V.F.W. hall in Northville, from 2 until 5 p.m. No invitations have been sent, and all friends of the couple are invited to call.

4,000 are Attending MSU Summer Term

EAST LANSING, June 22—More than 4,000 students enrolled June 21 and 22 in Michigan State College's annual summer school. Classes start for both six and nine-week sessions, according to Dean Thomas H. Hamilton, summer school director. The six-week session will end July 29 and the

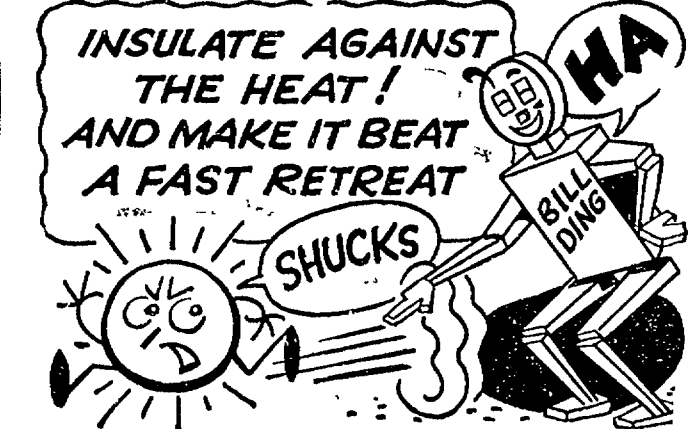

nine-week session, Aug. 19.

Nearly all the departments of the college will be in operation and in addition, 10 summer school workshops for teachers and administrators will be held during the summer months.

Included among the off-campus locations where instruction will be offered are the Gull Lake Biological Station, the Leelanau Summer Art School at Leland, the Dunbar Forest near Sault Ste. Marie and the Clear Camp near Dowling.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Elegant is the word for this Cheese Cake and the McNeiece children think it's "licking good", too. Mrs. James McNeiece cuts the recipe in half for her family and bakes it in a pyrex pie dish. If you use the full recipe you may use a pyrex baking dish instead of a spring pan. Mrs. McNeiece says it comes out just fine this way too.

The McNeiece family moved into their new brick ranch home at 20145 Woodhill in April.

Shown in the picture are Mrs. McNeiece with the baby, seven months old Cindy. Licking the beaters and spoon are Jimmy, three and a half; Donna, whose seventh birthday was June 17, and Kathy, who is five.

CHEESE CAKE

Cream well to soften, three 8-ounce packages of Philadelphia cream cheese. Beat 4 egg whites until stiff and blend in 1 cup sugar. Combine with the cheese and beat until smooth, adding 1 teaspoon of vanilla.

Pour into a 3-inch deep casserole buttered and lined with 6 graham crackers crumbed. Bake 25 minutes at 350 degrees.

Top with 1 pint of sour cream to which 2 tablespoons of sugar and one-half teaspoon of vanilla have been added. Smooth the top and put back in the oven for 5 minutes. Take out and cool in the refrigerator for at least 2 hours.

A topping of chopped nuts or fresh strawberries gives an added flavor.

MOST Modern V8 FOR YOUR JOB!

**NOW...THE SHORTEST STROKE V8's
IN ANY LEADING TRUCK!**

Now new Chevrolet Task-Force trucks bring you the industry's most advanced V8 engines* with an ultra-short stroke for reduced friction and wear. Here are some of the modern features they bring you.

Modern 12-volt electrical system

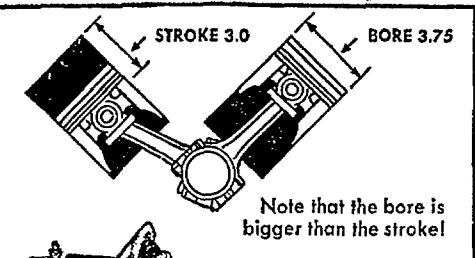

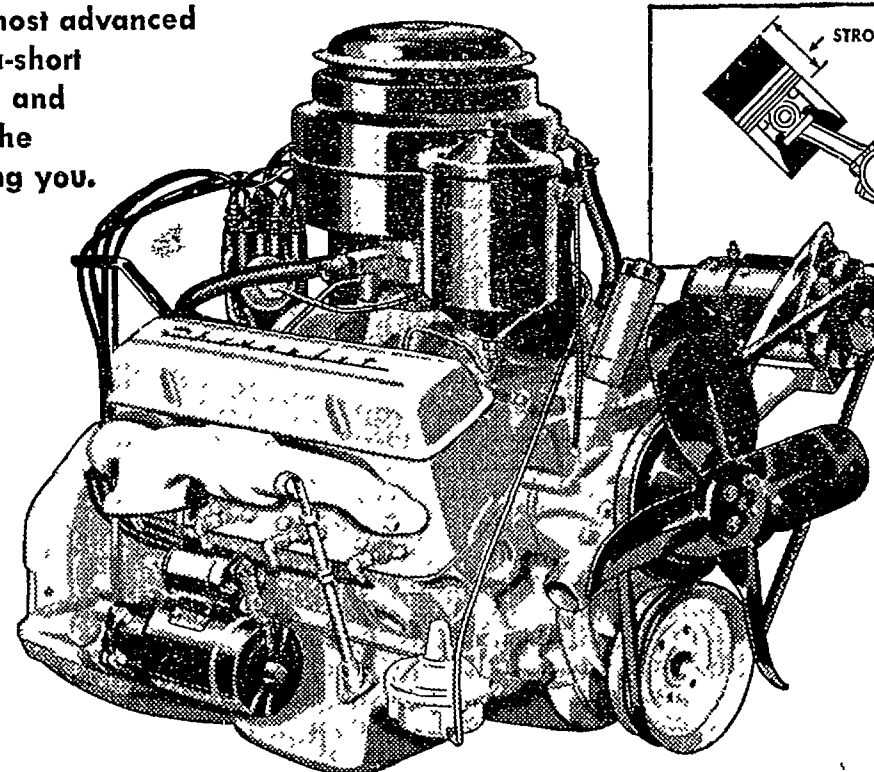

You get double the punch for quicker starting and more efficient ignition. Also, you have a greater reserve of electrical power.

Gas-saving high-compression ratio

With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of every tankful of gas. Hauling costs go down!

Extra-high power per pound

Compact, super-efficient design results in high power output per pound of engine weight. This means more useable power!

Advanced aircraft-type valves

A new valve train design permits each valve to function independently—as in modern aircraft engines. Valve action is more positive.

Floating oil intake . . . full-pressure lubrication

New floating oil intake selects the cleanest oil for engine lubrication. Full-pressure lubrication provides positive protection.

*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

Letter to the Editor

Dear Sir:

In the May 5 issue of your paper, an item was published in the column "For the Record" about the policy of the Aetna Life Insurance Company in handling overdue premium payments.

In the story, it is inferred that an overdue premium notice sent to the agent indicates the com-

pany is anxious to let the insurance lapse. Actually, just the opposite is true. The sole reason for sending the notice to the agent is so that he will personally telephone or call on the policyholder to remind him that the grace period for payment of the premium is about to expire.

You draw your mistaken con-

clusion from the fact that we instruct the agent not to give the policyholder the overdue notice. This is done for a very specific purpose, so that the policyholder will remit the payment with the original premium notice sent about 20 days before the due date. This is the only form that permits the quick recording of the premium payment in the proper manner. Like any business organization, we have designed certain forms for the most efficient and economical processing of our daily business. The notice sent to policyholders is designed for this purpose in recording premium payments. Accordingly, the use of this form is helpful both to us and to the policyholders.

In sending the overdue notice to agents, requesting them to make a personal contact with the policyholder, we feel we are performing a service for policyholders who, for some reason or another, may have overlooked the payment of the premium on the due date.

Your suppositions, while drawn from a matter involving the Aetna Life, also have impugned the good faith of the life insurance industry whose services have been voluntarily subscribed to by 90 million people and which is entrusted with providing some degree of financial protection and security for three out of every four families.

Local Boys View Mock Trial at MSU

The six Northville boys attending Wolverine Boys' State at Michigan State University in East Lansing viewed a mock trial last night as one of their lessons on the system of justice.

The trial, staged by the State Bar of Michigan, was held in MSU's spacious Jenison Field House and was open to the public.

A circuit judge presided and practicing lawyers participated in the sixth annual event. The jury was composed of boys selected from the group attending Boys' State. A fictitious case involving a charge of negligent homicide arising out of a teen-age hot rod accident was used for the trial.

The boys from Northville, who will be on the campus until Saturday, are David Waterloo, Bernhard Muller, Roger Nieuwkoop, Gary Holman, Walter Palmer and David Hartner.

State Record Set In Tree Distribution

LANSING, June 22—Conservation Department nurseries distributed a record 17,800,000 seedling and transplant trees this spring, with 1,800,000 being planted on public forest areas.

The public forest plantings also were a record high, in keeping with the Department's stepped-up planting program.

The other 16,000,000 trees were distributed for private forest plantings, scattered generally throughout the state.

Summer Lectures At U-M Offer Wide Variety of Topics

Teaching, writing, folklore and atomic power will be the focal points of the University of Michigan's Summer Session program of lectures and exhibits between June 28 and July 6.

"The Crisis in Teaching—The Michigan Solutions" will be the topic for a panel discussion to be held at 8 p.m. on the 28th. Participants will be Willard C. Olson, dean of the U-M School of Education, chairman; Mrs. J. L. Fricke, regional vice-president of the Michigan Congress of Parents and Teachers; Howard R. Jones, professor of school administration at U-M; and Ruth Ellsworth, associate professor of education, Wayne University.

On June 29 Carl Cramer, novelist, teacher and editor will talk at 4:15 p.m. on "The American Spirit—Michigan Brand." His lecture will be part of a Michigan Writers Conference sponsored by the Department of English June 29 and 30.

F. Clever Bald, assistant director of the Michigan Historical Collections at the university, will discuss "Romance in Michigan History" at 4:15 p.m. on July 5. A reception in the collections room will be held at 5 p.m. And at 7:30 p.m. Chippewa and Ottawa Indians will present songs, dances and stories in "An Aptanabon (Midsummer Festival)," arranged by Gertrude Kurath, president of the Michigan Folklore Society.

"Michigan's Future in Atomic Power" will be the topic of a lecture by Detroit Edison President Walker L. Cislser on July 6 at 4:15 p.m. A panel discussion on "The Atom and Michigan Citizens" will be held at 8 p.m. Participants include Henry L. Gomborg of the Michigan Memorial Phoenix project; E. Blythe Stasen, dean of the U-M law school; Ralph A. Sawyer, dean of the school of graduate studies; Dr. Fred J. Hodges, chairman of the department of radio; and Cislser.

WJBK-TV to Carry Conservation Show

LANSING, June 22—About 1,000,000 persons will see the Conservation Department's 15-minute television show, "Michigan Conservation," each week this summer.

Station WJBK-TV in Detroit will carry the show regularly at 9:15 a.m., on Saturdays starting June 18 and CKLW-TV in Windsor, Ontario, will cast the program at 2:30 p.m. on Sundays, starting July 3.

The program originates at the Michigan State College station, WKAR-TV, in East Lansing and film strips are then sent to 14 stations throughout Michigan, in Green Bay, Wis., and to two Ontario stations.

Vacation Bible School Plans Evening Program

The Methodist Vacation Bible school achievement program will be held Thursday, June 30. The students are preparing a short entertainment for their parents and friends of the church, with refreshments and a social hour to follow. There will be a display of their accomplishments in the study of "Jesus Christ" with many interesting exhibits.

A welcome is extended to all parents and friends of the church. Mrs. William Chizmar, director, announces that the enrollment has been larger this year than in previous years.

"21-ers" Banquet In Planning Stage Now

The annual citizenship dinner sponsored by the Co-ordinating council and several civic organizations, has been slated for Oct. 20.

Mrs. W. E. McCarthy, who is in charge of lining up the "21ers", asks that any person who reaches their 21st birthday between October 1934 and October 1935, or who has become a naturalized citizen, contact her. Registration with the Village clerk and the Township clerk must be on file in order to participate in the citizenship banquet.

If interested parents will call, it will help in preparing accurate lists and prevent the possibility of an omission at the banquet in October.

Legion Auxiliary To Host Men of Green Post At Supper

The American Legion Auxiliary, Lloyd H. Green Unit 147, will hold a pot-luck supper at Veterans' Memorial building Tuesday, June 28 at 6:30 p.m.

Members of the Lloyd H. Green post will be guests.

All members are urged to come and bring their picnic suppers. Election of officers will be held immediately after the supper.

It has been announced that the poppy posters done by Elaine Drew and Margaret Ann Kupsky each won first prize in their class at the contest of the 17th District American Legion Auxiliary. The girls each received five dollars.

The posters have been sent to be judged in the Poppy Poster contest of the American Legion Auxiliary, Department of Mich.

Rising Sales Trend Revealed To Dealers

Wilbert J. Pelz and William B. Pelz, of Pelz Brothers, Studebaker dealer here, have returned from a major meeting with Studebaker officials in Detroit, where they learned that sales of Studebaker passenger cars and trucks in this region are running ahead of the national pace.

The meeting was one of the first to be held throughout the U.S. in which the company's sales heads and dealer organization are launching Studebaker's strongest sales promotion program since before the war.

William A. Keller, Studebaker sales manager, told the Pelz brothers and other dealers that Studebaker produced more cars in

the first five months of this year than in the first nine months of 1954, and that constantly rising sales have reached a volume more than 50 percent higher than the comparable period in 1954.

Studebaker retail sales in the region of which Northville is a part, are running more than 10 percent ahead of the national average, it was disclosed. Pacing the sales climb in this area is the Commander V-8 which was re-

positioned from the medium-price field this year to become one of the four competitors in the low-price V-8 field.

At the meeting, the local dealers discussed with Keller and other sales officials the new Studebaker program developed by the company, which includes a new styling division, intensified new merchandising activities, new engineering and production advances, and expanded advertising

Campers Find Parks Chilly Last Week

LANSING, June 22—Michigan's park system received little use from campers and picnickers last week because of cold weather.

But two records were set at Fort Wilkins state park on the tip of Keweenaw peninsula. First, a 92-year-old visitor with his 67-year-old youngster in tow weathered the cold spell and even camped at the park. And second, a record-size family of father, mother, four sons and 17 grandchildren also camped during the week.

Take your choice: Wait for opportunities or make them.

BE SEPARATE

"Stop forming intimate and inconsistent relations with unbelievers... therefore come out of company with them, and separate from them, the Lord has said," is the way the Williams translation renders II Cor. 6:14 and 17. A good number of real Christians remain in fellowship with those who are undermining the Gospel; and they talk as if their conduct would be approved by our Lord in the day of His appearing. Such Christians should read carefully the above scripture again. Such Christians feel that by remaining in fellowship with the unbelievers, they will be able to win them over to the truth, and for Christ I am reminded of two boys who found a couple of linnets (small finch birds) in a field and put them in a cage beside their canary bird, hoping that the canary would teach the linnets to sing. It wasn't long however, before the canary bird was chirping like a linnet! That is the way it works. Christians soon lose their testimony for Christ by continuing their fellowship with those who deny the Word. "Complicity with error will take from the best men the power to enter any successful protest against it," said Spurgeon. The Christian must take the initiative and part company with those who reject the fundamentals of the Gospel.

Turnbull Loses Only His Toothbrush In Las Vegas

June appears to be a lucky month for the Turnbells, of the Northville Electric Shop, who five years ago this month and again this June, won national prizes as a top salesman of electrical equipment.

In June 1950, Cliff Turnbull won a trip to Atlantic City in a Philco contest for top salesman.

This year his son Bruce, now active head of the local appliance shop, was one of Motorola's 1500 top retail dealers in the United States. The prize was a four-day vacation trip to Las Vegas, Nevada, with the visiting retailers arriving by plane in groups of 300. Immediately upon arrival at the airport, Turnbull and the others were outfitted in sombreros and western clothing ties, after which they were taken to El Rancho Vegas, which was headquarters for the four-day holiday.

Upon entering El Rancho Vegas, each guest was handed a grub stake of 25 silver dollars as an expression of western hospitality.

Following the visit to Las Vegas, Turnbull went to Los Angeles where he visited the Russell Hodges in Long Beach. Mrs. Turnbull had planned to fly to Los Angeles and return to Northville with her husband but a bad case of poison ivy interfered.

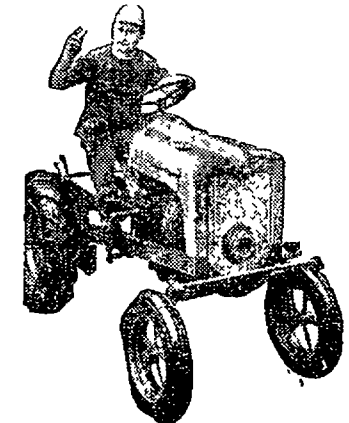

Turnbull returned by American Airlines and reported the only thing he lost in Las Vegas was his toothbrush.

Plans Under Way To Reactivate Junior Police

The Northville Junior Police are requested to re-register with Police Chief Joseph Denton as soon as possible. On Aug. 6 this organization will travel to the University of Detroit stadium for the annual Detroit Police Field day.

Chief Denton and the Recreation Dept. would like to reactivate this group of boys for some summer time activities. Plans are also being made for a possible trip to Briggs stadium for a Tiger ball game.

Michigan Families Boost Insurance

Michigan families owned 9,623,000 life insurance policies providing \$13,451,000,000 of protection at the start of this year, a new high record, the Institute of Life Insurance reports.

This compares with \$14,419,000,000 owned in this state a year before and \$6,599,000,000 at the start of 1946.

"The years since the end of World War II have seen a tremendous expansion of life insurance ownership, as more and more American families have set up

planned programs of financial security, and also have endeavored to bring their insurance in line with the improved standard of living," Holgar J. Johnson, Institute president, commented. "In this state, the nine-year rise in the amount of life insurance owned has been 134 percent. That represents an important gain in the family financial security of the people of this state."

Of the total life insurance owned January 1 in Michigan, \$8,409,000,000 was in 3,296,000 ordinary life insurance policies. Purchases of new insurance of this type in this state amounted to \$1,089,967,000 in 1954, exclusive of credit life insurance.

Trout Released In Streams This Week

LANSING, June 22—First plantings in the Conservation Department's projected long-range experiment to stimulate rainbow trout fishing are being carried out on northern waters this week.

A total of 27,200 two-year-old rainbows are being released near the mouths of northern streams to see if a steelhead trout management plan used on the West Coast will work here.

Rainbows spend their first two-three years in the stream of birth, then migrate downstream to the Great Lakes where they live the next two-three years. During the time in the big lakes, the fish

grow and take on weight rapidly. When mature at four-six years of age, they migrate upstream to spawn and at this time provide the first important recreation to anglers.

Fisheries workers on the Coast use this growth cycle to advantage by planting young steelheads near the mouths of streams. The fish take on weight in the ocean, then return up the streams where planted.

Vandals Ruin Trees By Peeling Bark

LANSING, June 22—Bark peeling from birch trees is a growing problem in vandalism.

Conservation Department field workers say many of the white trees are losing their hides to vandals.

"I don't know how to stop it," says Arthur C. Elmer, chief of the state park system, "but peeling sure changes a beautiful tree into an unsightly mess in a hurry."

The problem has been most noticeable in parks and game areas in the southern lower peninsula.
