## Haskell Leaves Training School After 30 Years as Superintendent

Medical Superintendent Robert Haskell, 75, who took his last official glimpse of the Wayne County Training School last week, after almost 30 years of service. His retirement was effective July 1, and he and Mrs. Haskell will reside in Florida. Seventy-year-old Haskell, first head of the school, has watched it grow from an institution of 10 buildings to the huge and sprawling campus it is today. Born in Portland, Maine, he has retained much of a thick and interesting Eastern accent. After being graduated from Columbia Un-

iversity in 1907, he received his medical doctor's degree at the University of Michigan. He taught for two years at the medical school of Syracuse University and was assistant medical director at the state psychopathic hospital at U-M. This, incidentally, was the first psychiatric clinic established in the world. Before coming to Northville, where he made his home on the training school grounds, he was superintendent of Ionia State Hos-

## New York City Uses Jr. Police In Northville As Model

The Junior Police of Northville, another of the various activities of the Recreation department, has the distinction of being different from organizations with similar names. It cultivates friendship and respect by boys police officials, without asking the boys to assume any "police" duties whatever. No "snooping," no participation in any Police activities are major points in the organization's policies. That news about the Northville Junior Police has spread is indicated in the fact that Police Chief Joseph Denton was recently requested by Police Commissioner Michael Canestaro of New York City to give him a description of the unit's setup here. Continued interest by the New York official was shown by a request last week for copies of the

AFTER SIGNING UP FOR MEMBERSHIP in the Northville Junior Police, John Spietz, a fourth grader, son of Mr. and Mrs. Fred Spietz; and Jim Juday, in the fifth grade, son of Mr. and Mrs. Richard Juday, listen as Police Chief Joseph Denton explains some of the rules of safety in handling an air-rifle. Recreation Director Stanley Johnston looks on.

# Northville Twp. Quits Trailer Enforcement

## Dr. Handorf Named Treasurer of Beyer Hospital Staff

Dr. Elmer A. Goerke of Romulus was elected chief of staff of Beyer Memorial Hospital, Ypsilanti, at the annual meeting of the medical staff. He succeeds Dr. Marcia L. Potter, Beyer's first woman Chief of Staff. Dr. H. H. Handorf of Northville was elected treasurer. Elected to the Executive committee of the staff were the following: Dr. W. R. Rekshan of Allan Park, resident radiologist, vice-chief of staff; Dr. V. M. Zerbi, Ypsilanti, secretary; Dr. C. W. Spears, Ypsilanti, member at large; Dr. F. N. Hanson, Wayne, member at large; and Dr. M. L. Potter, Ypsilanti, past chief of staff. Dr. Goerke, who has served on the executive committee for the past three years, has been a general practitioner in Romulus for 25 years. A graduate of Wayne University and the University of Michigan, he interned at Grace Hospital and took special pediatric studies at Children's Hospital. He resides in Dearborn and has a son and two daughters.

## Frid Named Pres. Of Rotary Club

C. N. Frid was installed as the new president of the Northville Rotary Club at the club's Tuesday noon meeting. A Northville resident for many years, Frid has been a member of Rotary Club since 1946. He took over the presidency from H. B. Smith, retiring president. Assisting Frid during the coming year will be Vice President J. M. Miller, Secretary E. M. Bogart, and Treasurer A. H. Schulte. Members of the board of directors for the coming year are Frid, J. J. Brummel, R. D. Lorenz, Miller, Smith, F. T. Anderson, and G. W. Niece. Committee or Club service appointments for the year were also announced at the meeting. Miller will direct the club's service activities. The annual auction will be organized by W. A. Westerfield, R. C. Stone, and R. D. Lorenz. Rev. J. O. Taxis and Dr. W. K. Belasco head the fellowship committee. Other committee appointments are C. H. Johnson and Joe Revitzer, Attendance; Stan Muczynski and George Lockhart, Club Bulletin; H. B. Smith and P. R. Ogilvie, Membership; R. H. Amerman and T. R. Carrington, Rotary Information; C. F. Carrington and L. N. Cummings, Public Information; E. L. Devine and G. R. Forrer, Magazines; and T. R. Carrington and M. C. Gumsell, Classifications.

Ogilvie and C. T. Dethloff will serve as Sergeants-At-Arms. A change in the club program set-up for the coming year was announced by Frid. Three Rotarians will be in charge of arranging the programs for each month during the coming year, he said.

## 2nd Annual Turtle Derby July 29 at Grade School

With due homage to the famed turtle in the sweepstakes with the hare in Aesop's Fables, it can be argued that anything connected with the turtle world takes time. So, to give kids plenty of time, the date of the Second Annual Turtle Derby, sponsored by the Recreation Dept., and the Northville Record, has been set for Friday, July 29, at the Elementary School playground. Plenty of time for what? Plenty of time to catch one or more turtles, time to race turtles against each other to determine which one has the speed, stamina, decoration that will make a winner of one of the many prizes to be offered. Recreation Director Stanley Johnston is working out details of the competition now. They will be announced soon. In the meantime, boys and girls are urged to start lining up turtles that they figure can get across the finish line like a true champion—one that have the stuff that produces winners in jet plane races or the winner at the Indianapolis speedway on Memorial Day. Turtles may look and act alike, but some are faster than others. What's In a Name? They are fast enough, to get such previously used or suggested names as "Greased Lightning," "Sound Barrier Breaker," "The Flash," "Jonah, the Jet," "Rocket Rollie," "Speed King," "Swiftie," and many others. As a warning, entrants are reminded not to let a name fool them. Many learned the hard way last year that some "sleepers," in the language of the sports world, were entered.

## Northville Youth In Close Race For Speech Prize

Alvin Skow, social science, mathematics and drama teacher on the Northville high school faculty, and Donald Severance, trustee of the board of education, delegates to the International Optimists convention at Montreal, have returned home. Also in the group attending the party were Mrs. Skow, Mrs. Severance, Miss Florence Panatoni of the high school faculty, Brody Humphries, the Northville high school boy sponsored by the Optimists convention at Montreal, and the club's international oratorical contest. The boys were divided into two teams, based on the drawing of odd and even numbers in the elimination rounds. Skow said that, fractions of a point separated the qualities of the contestants in the odd-numbered group, of which Brody was a member. The first prize, a \$1000 college scholarship, was won by a Montreal youth who delivered his speech in French. Brody's reaction to the trip was "The motto of the Optimist club, 'The Friend of the Boy,' doesn't really begin to express what Optimists really do for boys."

## Record Wants Kiddies' Pictures Taken Free for Publication

They grow up so fast, don't they, folks? Why not let us help you preserve your memories by making an everlasting picture of your youngster in our tomorrow's citizens, a photographic feature to be published soon in the Northville Record? We've invited United Studios, of Elkhart, Ind., an experienced children's studio, to take these special pictures for us. An expert children's photographer, equipped with the very latest in lighting, the new "speed" lights which eliminate all movement and floodlight glare, will be here Thurs., July 21 in the Community Bldg. The special studio will be set up and will be open from 11 a.m. to 7 p.m. These special lights enable the photographer to obtain natural expressions on children who are ordinarily frightened of bright lights. There is no charge to the parents, absolutely no strings to our invitation. Parents do not have to be subscribers nor even readers of this newspaper. Neither are they obligated to purchase pictures after they are taken. Selection of the pose to be printed in the paper is left to the parents, at which time additional pictures may be ordered, if so desired, from the representative of United Studios. Make our TOMMOROW'S CITIZEN'S this year a big success folks! Remember the date, Thurs., July 21 at the Community Bldg. and don't miss this free opportunity to see your children's pictures in print.

## Hospital Invites Patient Aid; \$100 Given by Legion

Ray A. Altenberg, post officer of the local American Legion, presented Dr. Robert R. Yoder, assistant medical superintendent, Northville State Hospital, with a \$100 check from the Lloyd H. Green Post 147 of Northville. The money is to be used to provide small weekly allowances for indigent veterans in the hospital who would otherwise have no spending money, according to John Chedrick, post commander. Dr. Gordon Forrer, clinical director of the hospital, states that "indigent patients long abandoned by relatives, friends and the community, and having no one to turn to but hospital staff members, are now being provided with spending money from a special fund which has been set up for the purpose. Deriving its income principally from the patient-run snack bars, the Indigent Patient Fund has also received many generous contributions from members in the community. It is our opinion that the provision of spending money for the indigent mentally ill will have far reaching and beneficial consequences for them. It will impart a sense of dignity, of value, and cannot help contribute to the therapeutic efforts of the hospital staff." Any organizations or persons wishing to participate in this program may send checks or money orders payable to the Northville State Hospital Indigent Patient Fund, 41001 Seven Mile Rd., Northville.

## GAW Pact Given OK at Valve Plant

Twenty three of the 240 employees of the Ford Valve plant who voted against a walkout to obtain the Guaranteed Annual Wage proposal by the UAW-CIO, took the same stand when the polling on ratification of the agreement was held at the local headquarters on Main street, J. T. Stone, chairman of the local state Tuesday. When the issue first came up, 165 employees voted approval of a strike. In the ratification action, 107 voters favored the agreement between Ford Motor and the Union. The drop in the number of affirmative ballots cast in the latest voting is attributed to a feeling that the agreement was already assured by the previous tally with a diminishing interest in the final phase of the contract negotiations.

## Dr. Shafter to Sell East Lawn Hospital

Dr. Royce Shafter, owner of East Lawn Sanatorium, stated last week that he has decided to sell the institution. Shafter, a Detroit physician, said that further developments are not expected for about two weeks. East Lawn, a Northville landmark since 1922, has been privately operated. Starting in the early 1930's, it has cared for state-county supported tubercular patients. The transfer of the last of these patients is now taking place in line with a policy of removing such patients from all private outlets to hospitals under state and county jurisdiction.

## Wynnings Hits Ace At Plymouth Club

Russ Wynnings, 46120 W. Main St., used a No. 6 iron to ace Plymouth country club 189-yard 13th hole last week, qualifying him for membership in the hole-in-one tournament. Wynnings is associated with Michigan Seamless Tube at South Lyon, which will deliver a V-8 Plymouth with automatic transmission. Marr Taylor Ford Sales was awarded the order for a 1/2-ton pickup truck. Groceries will be notified by the police department that grocery carts on the streets and in parking lots will be impounded if not collected periodically.

## Only "Pressure" is Getting Action -- After 90 Days

Failure of the Northville township board to effectively enforce restrictions on the use of house trailers in the township in past years has apparently led to a complete breakdown of enforcement efforts this year, except under pressure. This became evident at the board's meeting Tuesday evening when Donald Nutton, township building inspector in charge of enforcement of the zoning ordinance under the board's direction, reported that he had issued no trailer violation notices in 1955. Nutton said that last year he issued violation notices in all known cases of illegal use of trailers but that "nothing was done when most notices were ignored. The public meeting also disclosed that not only has Nutton ceased issuing trailer violation notices this year, but that the township board is not willing to assume responsibility for enforcing the new township zoning ordinance which it adopted only last February 15. Its seeming abdication of its enforcement duty was shown up in its refusal to proceed against the occupants of "more than 40" house trailers estimated by board member R. D. Merriam as being in violation of the ordinance. The 40 were considered as consistent and persistent violators of the present and previous zoning ordinances as contrasted with the probably 15 to 20 trailers occupied illegally by persons connected with the current racing meet at Northville Downs. Merriam said: "If we send them notices and then don't follow up, it's a waste of time. If we do follow up our notices with legal action, it will cost too much money." Mrs. Mollie Lawrence, supervisor, said: "We try to be helpful rather than hard boiled." Asked what "being helpful" meant, she said: "We send them notices that they are in violation and try to show them how to remedy their violations."

## Mrs. Paul Burnham New President of Legion Auxiliary

Mrs. Virginia Burnham was elected president of the American Legion Auxiliary Lloyd H. Green Unit No. 147 at the June meeting. Other officers elected at that time were, first vice president, Mary Bahmiller; second vice president, Dolly Chedick; recording secretary, Hazel Wright; financial secretary, Clara Alexander; treasurer, Bernice Denune; historian, Catherine Todd; chaplain, Marjorie Cory; and sergeant at arms, Leila Hagadorn. Virginia Burnham and Lorraine Steimel have been chosen as delegates to attend the American Legion Auxiliary convention in Detroit next month with Lena Hammond and Helen Sweet as alternates. President Burnham announced the cancelling of the July 15 meeting and requested that the annual reports be presented at the meeting on July 26. The meetings of the 17th District American Legion Auxiliary have been discontinued for the months of July and August. Buoniconto Heads Training School Dr. Pasquale Buoniconto, succeeding Dr. Robert Haskell as medical superintendent of the Wayne County training school, arrived in Northville Thursday and began his official duties Friday, July 1. Married and the father of two children, Buoniconto was superintendent of the Delaware State training school. He is 46 years old. Buoniconto is a graduate of Yale University and the medical college of Royals University in Naples, Italy. He won the position here at Northville through civil service examinations. Name New Chaplain For Northville State Hospital The Rev. Fr. Joseph P. McElgunn, has been named Roman Catholic chaplain of Northville State Hospital and the University of Michigan hospital at Ann Arbor according to the Catholic Archdiocese of Detroit. Fr. McElgunn was formerly stationed at St. Gregory parish on the west side of Detroit. Up until the time of the appointment of Fr. McElgunn, the Rev. Fr. Anthony J. Heraty, pastor of Our Lady of Victory church, and predecessor pastors there have been chaplain at the state hospital. The transfer of the chaplaincy of Northville State hospital from the jurisdiction of the Northville pastor is attributed to increasing duties for the head of the growing local parish.

## Lacquer Is Poured On Ford Worker's Auto at Plant

A check of local stores that resulted in no knowledge of the sale of a small bottle of yellow lacquer left police without a clue in the vandalism to the car driven to work by Mrs. Emery Drake, 1476 Commodore, Walled Lake. When the shift ended at the Northville Ford plant Thursday, she discovered that yellow paint had been poured on the left side, door and fender of the car between 6 a.m. and 2 p.m. The small container from which most of the contents had been poured was found on the plant parking lot ground. Because the car, a 1955 sedan, has a red finish, removal of the stain is impossible, requiring a new painting at an estimated cost of \$50, police said. Calendar of Events NORTHVILLE July 11—Novi School district No. 6, Fractional annual meeting. July 21—Recreation group go to Tiger game.

## \$10,000 Governor's Cup Attraction July 8 Draws Top Harness Horses

The annual \$10,000 Governor's Cup Trot will be held Friday night (July 8) at Northville Downs.

It is one of the two major Northville events of the season. The other is the \$10,000 Michigan Pacing Derby to be held Fri, July 22.

The Governor's Cup Trot has attracted a field that includes many of the best in the east and midwest. Racing Secretary Harry Hatch believes that about 10 will face the starter.

The list of nominations includes Lord Steward, Rhythmic

Song, Betty Astra, Scotch Valley, Nancy Song, Darn Safe, Lord Pick and Pronto Don.

Lord Steward is the third leading money winning trotter of all time. He came in second for the 1955 \$10,000 President's Cup trot at the Baltimore Raceway. Rhythmic song set the record time for the \$10,000 Detroit Trotting Derby at Hazel Park.

The first racing for the Governor's Cup at Northville was in 1945. The record is held by the great Proximity who trotted the mile in 2:02 4/5 in 1948.

Post time Friday night is 8:30.

## Recreation Items

The zoo trip scheduled for July 21 has been cancelled. In its place, the recreation department will sponsor a trip to a Detroit Tiger ball game. All youngsters participating in the recreation baseball program are urged to sign up for this trip with Gerald Heaton or at the day camp on the elementary school playground. Others interested do not have to be in the baseball program to be eligible for the trip. Time and place of departure will be announced later.

Hey kids! Start catching your

turtles now for the 2nd annual turtle race which will be held Thurs., July 29. Big cash prizes will be offered to the winners in several races.

On Aug. 11 the second annual pet and doll show will be held on the elementary school playground.

### DAY CAMP

Some 50 youngsters a day attend the day camp sponsored by the recreation department in the first week of the "vacation of fun" program.

Arts, crafts and games are offered for three hours every day, Monday through Friday, from 9 a.m. to 12 noon.

9 a.m. to 12 noon. Youngsters of elementary school age are invited to attend. The location is the elementary school playground.

### SWIMMING

Swimming every day, Monday through Friday for young and old. A bus will leave the high school at 1 p.m. All you need is a swim suit, towel and 15 cents.

### T-SHIRTS

There are still some recreation T-shirts available. By wearing one of these shirts you can go swimming free of charge on Wednesdays. The cost is one dollar and you can buy them any morning at the day camp between the hours of 9 and 12.

## SPARKLES FROM THE DIAMOND

From Sporting News

Baltimore's Memorial Stadium has a reputation of being a tough park for long ball hitters. But Bonus Baby Bob Nelson isn't worried. According to The Sporting News, the 18-year-old was asked what he thought about it after a private workout. "It doesn't look too big for home runs to me," he said. And when asked how many he had hit into the seats in practice he said, "Oh, four or five, I guess." Nelson's a pitcher and first baseman.

A new major league winning record is possible this year. No club has ever met the pace of the 1906 Chicago Cubs, who won 116 games. But, says the Sporting News, the Brooklyn Dodgers at this point are playing at a faster pace than those Cubs did. The Cubs won 70 of their last 86 games to set up the record of 116 wins. The Dodgers, to equal the mark, had to win 67 more after games of June 23, but had 89 games in which to do it.

Manager Leo Durocher of the Giants suspended all restrictions on his players for a night in the hope of shaking them out of their slump. After their 8 to 7 loss to the Braves June 19, Leo called off restrictions and told his boys to have a good time. The last time he did that, was in 1950, after the Giants had dropped a double-header to the Cardinals. The Giants immediately went on a spurt that carried them from sixth place to third.

## PATTI PAGE ON TV FOR OLDSMOBILE

Patti Page will star in her new TV show twice weekly over 200 television stations from coast-to-coast beginning early in July. The Oldsmobile Dealers of America will sponsor the program which stars one of America's most popular singing artists.

## Dressen Swings At Panty Waists

Manager Chuck Dressen is concerned about the Emily Post influence in the major leagues. What, he says, is happening? There's just too much politeness.

At a recent clubhouse meeting of his Washington Senators, says The Sporting News, Dressen let loose. "Is knighthood back in flower?" he asked. "Or maybe they're your lodge brothers."

By way of explanation later, Dressen said he's worried about the extreme politeness that's been taking hold. It started several years ago, and he has watched it grow. "My guys, for instance," he said, "while at the plate pick up the mask, wipe it on their clean uniforms and hand it back on a tray to the other team's catcher. I'm expecting any day that a guy will go sliding into base and a fellow from the other team will borrow the ump's whisk broom and brush him off."

### Must Save Steps

Go into it further, Dressen said that when a man picks up a mask, he's saving the opposing catcher just so much effort. And maybe that's just the step he'll need to beat out a hit which will cause the home team trouble or score the winning run.

A ball player, Dressen said, has only so many years of playing ball. He should make the most of it by being an all-out competitor. There are good dividends, he said, for the hustler. "But how competitive can you be," he went

on, "when you're on the same ball field in opposing uniforms and you stop for a social chat about 'How are the kids? How's the missus? What kind of bait are you using for bass?'"

You'd think, said Dressen, that it's a bridge game. But it isn't. It's highly competitive, and the players can't afford to lose their competitive edge. "I'm not saying," he said, "that every ball player is that way. We're getting a different breed of cat from when I broke in. In those days, you didn't belong until you made the team. They'd chase you out of the batting cage if you were a rookie. I'm just telling how the old-timers did it. But when you did make the team," he added, "you all fought for each other. Now, a ball player might just as well be punching a clock. He plays his game, takes his shower, and is on his way."

A different type player is coming into the game these days, Dressen admitted, many of them college men. They are better educated, dress better, and naturally have better manners.

"Little Lord F" Stuff  
"But," he said, "I don't think the fans like all this Lord Frotteroy stuff. A lot of these fans die hard. They hate the opposition. They love the home club. I'm not advocating rowdiness. People get tired of constant bickering with the umpires. But some guys just don't have any fight. If they have something to beef about, they should do it."

"I'd like to see less politeness and more aggressiveness. Let's stop picking up the other guy's mask. Why, I remember when players of opposite teams used to get mad at each other. This was in the day when the gloves were left on the field. So maybe I had a beef with one of the other team's infielders. I'd take his glove and throw it as far as I could. Let the monkey tire himself out retrieving his glove. I'd kick a mask away. I wouldn't wipe it clean on my uniform."

"Let's cut out all this fraternizing. Save it for the winter months. Let's go back to baseball and leave the etiquette to Emily Post."

# See the Difference?

(No Center Posts!)

188-hp Buick SPECIAL 6-Passenger, 4-Door RIVIERA, Model 43

## This 4-Door Beauty is the Newest Hit in Hardtops

You certainly ought to come see why this new kind of hardtop is headed for the best-seller list.

It's a Buick Riviera, of course.

Which means the low and rakish look of a Convertible—a solid steel roof overhead—and no center posts in the side window areas to obstruct your view.

But that's only the beginning.

Here you get two extra doors. They open to the rear compartment. So no one in the front has to move when someone gets into or out of the rear.

Here you get massive half-pillars on either side on which the front doors latch and the rear doors hinge. (That's

why you see no center posts above the door line.)

Here, too, you get wholly new structural principles in body design and strength that give this beauty the extra safety of rock-firm solidity at the top, sides and bottom.

And here—bless those Buick engineers!—you get a lot more room in the rear compartment. For the 4-Door Riviera gives you over 9 inches more hiproom and 5 inches more legroom—yet with no increase in wheelbase or over-all car length.

So we repeat—you certainly ought to come in and see this stunning new kind of hardtop.

It's the last word in beauty, comfort, convenience. It's available in Buick's two lowest-priced Series—the SPECIAL and the CENTURY. And it's all Buick—power, ride, handling—and the spectacular performance of Buick's Variable Pitch Dynaflo.\* Drop in today—tomorrow at the latest—and learn what Buick's all-time record sales year can mean to you in the way of a whopping-big trade-in deal.

\*Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

**Mr. and Mrs. Lloyd Van Gordon**

A sequin covered tiara held in place Marlene J. Muscat's French illusion fingertip veil for her marriage to Milton Gene Van Gordon Saturday morning. Her floor length gown was of chintilly lace over nylon tulle, tiered from the bodice to the hem of the skirt. The fitted bodice was styled with long, wrist length sleeves of lace and a V-neckline. She wore a string of pearls, a gift of the bridegroom. Her bouquet was white rose buds centered with a white orchid.

Father John Foley read the 10 o'clock rites before 150 guests at St. Williams church in Walled Lake.

Marlene is the daughter of Mr. and Mrs. Victor A. Muscat of 215 Wainwright St., Walled Lake. Her husbands parents are Mr. and Mrs. Lloyd Van Gordon, 2600 Union Lake Rd., Commerce township.

Honor attendant was Carrie Agius of Detroit. Acting as bridesmaids were Mary Rick, Mary Pittsaro, Pat Quick and Barbara Stevens. All attendants wore identical ballerina length gowns of lilac colored nylon lace and carried cascade bouquets of white carnations. Their headpieces matched their gowns.

Victor Joseph Muscat, brother of the bride, was best man and the guests were seated by Irwin,

Melvin and Maurice Van Gordon and Fred Micallef.

Mrs. Muscat chose a gown of blue silk with white accessories. Mrs. Van Gordon wore a dark blue nylon gown with light blue accessories. Both mothers wore corsages of red rose buds.

A wedding breakfast was held for the guests immediately following the ceremony in the AM-VETS hall in Wixom. A reception for 400 was held in the same hall at 8 o'clock the same evening.

Mr. and Mrs. R. D. Merriam and daughter, Betsy, of Beck Road arrived home Tuesday from Los Angeles via American Airlines, at the end of a three weeks vacation Enroute to California, a project flight to the Grand Canyon was cancelled, due to bad weather, so this portion of their trip was made by "Drive-it-Yourself" car.

While visiting Mrs. Merriam's sister, Mr. and Mrs. G. M. Knowles and family, at Trona, Calif., in the Mojave Desert, side trips were made to Death Valley National Monument, Yosemite National Park, Sequoia National Park and the Coast Line from San Luis Obispo to Los Angeles.

Dr. A. A. Holcomb is confined to Sessions hospital.

Mr. and Mrs. Dave Hoyer recently moved from East St., to River St., in Northville.

Mr. and Mrs. Robert Sechrest of Novi Rd., moved Tuesday to St. Paul, Minn., where they will make their home.

Mrs. Gladys Clark, and daughter, Mrs. Florence Russell, have

Mrs. Elmer Perkins has been spending the last week and a half with her daughter, Mrs. Ruth Wilson of Hillsdale.

Mr. and Mrs. Cornell Greavu of Plymouth Ave., were week end guests of Mr. and Mrs. John Russ of Indianapolis.

Mr. and Mrs. R. D. Merriam and daughter, Betsy, of Beck Road arrived home Tuesday from Los Angeles via American Airlines, at the end of a three weeks vacation Enroute to California, a project flight to the Grand Canyon was cancelled, due to bad weather, so this portion of their trip was made by "Drive-it-Yourself" car.

While visiting Mrs. Merriam's sister, Mr. and Mrs. G. M. Knowles and family, at Trona, Calif., in the Mojave Desert, side trips were made to Death Valley National Monument, Yosemite National Park, Sequoia National Park and the Coast Line from San Luis Obispo to Los Angeles.

**Did You Ever Hear the One  
About the Dairy Farmer?**

If you haven't, you should make the acquaintance of your Dairy Farmer! He furnishes about a fourth of your food every day and does so for a sixth of what you pay for the other three quarters. Ask any dietician.

This morning, as they do every morning 365 days a year, 13,000 dairy farmers arose at the crack of dawn, fed, watered and milked a quarter of a million tested cows, shipped 2,395 tons of pure, fresh milk to Detroit. That's 2.2 million quarts, including a surplus over table needs going into ice cream, cottage cheese and other healthful dairy products.

Putting on call an abundant daily supply of milk requires production and marketing efficiency of the highest order. The milk assembly line starts with a heifer. It's a line, 3 years long, you can't stop or start with a

push-button. Besides, your dairy farmer cooperatively owns plants, laboratories and transport equipment for receiving, testing, conveying and processing his milk shipments.

He supports industry-wide research for the improvement of his product and its uses. He employs management, scientists, technical personnel, stenographers, and truck drivers, in getting his milk from farm to market.

When you meet this farmer, he'll tell you truthfully that he earns less than factory wages for the time and money spent, but he'll say you'll get your milk, fresh from the farm, tomorrow morning.

*Twin Pipes that play sweet music!*

**Chevrolet's "Super Turbo-Fire V8" with 180 h.p.**

You can spot this one by the twin tail-pipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super seat? Chevrolet's superb valve-in-head V8, with the shortest stroke in the industry, the most power per pound, and the only

12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

\*Optional at extra cost.  
†Station wagon models have single exhaust pipes.

## Dr. Cavell was City's First Vet; Recalls Olden Days in Northville

Above is Dr. E. B. Cavell, veterinarian in Northville for over 49 years, and dog, "Mona Lisa."

By Lauretta Paternoster

The name's the same, but the job is different.

Being a veterinarian in 1955 is a far cry from what it was in the old days when Northville was a wee and struggling farm community, says 77-year-old Dr. Edwin Brooks Cavell, known to most as Doc.

Next year on the first day of May, Cavell will have been practicing in Northville for 50 years, and is "still goin' strong", as he puts it.

A well-known and respected figure in the city, the doctor was born Nov. 3, 1877, in Michigan's Livingstone county. After graduating from Howell High School, he went to Medicine Bow, Wyo., to dig dinosaur bones with a Carnegie Museum expedition. He also spent five years in Laramie, Wyo., training and shipping horses to the East. While in Laramie, he attended night classes in dry farming at the University of Wyoming.

Doc, who possesses a remarkable sense of humor, then enrolled at the Ontario Veterinary College in Toronto and was graduated in 1906.

On May 1 of the same year he set up his practice in Northville, and has remained here since.

Married Izzetta Cook. In 1907 he was married to Izzetta

M. Cook of Northville, and the young couple lived in a home on the corner of Center and Cady streets. They later purchased the old Butler homestead on Griswold, where they resided for 39 years.

The Cavells have three children: Mrs. Sterling Eaton of Plymouth, Mrs. Robert Casady of San Diego, Calif., and Dr. E. B. Cavell, Jr., of Tawas City. They also have six grandchildren, two great grandchildren, "Butch" a parakeet, and a pet monkey named "Elmo."

Very popular with Northville's children was another monkey, "Elmer," who was stolen after 19 years with the Cavells.

Doc has obviously set a good example as a veterinarian, because his only son, Edwin Brooks, Jr., is now a vet in Tawas City, and his grandson, Edwin Brooks III, is a junior in the college of veterinary medicine at Michigan State University.

**Work Is Easier Now**  
It seems, however, that things are fairly easy now compared to the days when Doc made the rounds to visit sick farm animals in a buggy drawn by horses.

Mrs. Cavell recalls the many times when she met him on the road with a fresh horse so that he could go out on another call. She would then bring the tired horse back to the barn, feed and curry it and prepare to greet Doc on his return with a cup of hot coffee.

"In the winter he rode in a cutter and wrapped himself in an old buffalo blanket", she says, "and many times he came home with icicles hanging from his face."

Now most of his work is done in a small hospital behind his home at 315 Griswold. The Cavells moved into the home, formerly the William Yerkes homestead, last fall.

For the first 40 years of his practice, Doc remarks, he dealt mostly with large animals—horses, cows, hogs, etc. But with the use of farm machinery on a large scale, the amount of stock has been reduced and now his practice centers mainly on dogs, cats and other small animals.

**Associated With Tracks.**

Cavell works under the racing commission at Northville Downs, and also at the MRA, track in Livonia. He takes saliva tests on the winning horses at both these tracks to make certain they have not been doped to make them run faster.

He was the first veterinarian in Michigan to administer these tests, and has worked at the Downs each racing season since it was built.

Every night, attired in a beige poplin vet jacket, he departs for the race track with a bag of sandwiches and thermos of coffee in hand.

Doc likes to read Western stories, and has an avid interest in hunting and fishing. He also keeps a small garden, and often tries his hand at cooking. One of his specialties is dumplings.

Cavell was a member of the Northville school board for 14 years, 12 of which he served as

president. He was once president of the Michigan Veterinary Medicine Association, and is now the oldest living member of the club.

He is also a member of the Exchange Club, Macabees, Odd Fellows lodge, Elks, Woodmen, and Masons.

At 77, he has no immediate plans for retirement, and has certainly disproved the theory that folks over 65 should take to their rocking chairs.

## Johnston Named To Air Force Post

Colonel G. R. Johnston of Northville was appointed commander of the new Air Force Reserve Unit in Plymouth at a special meeting held there Tuesday night.

Captain Lawrence Ransom of Plymouth was named executive officer.

The unit will cover the Northville, Novi, Farmington, Livonia and Plymouth areas.

All Air Force Reserve officers and enlisted men are asked to attend the next meeting to be held at 8 p.m. July 12 in the Plymouth Veterans' Memorial building.

Colonel Johnston, formerly managing editor of the Northville Record, is now a public relations man for Dodge in Detroit.

## Important thought to keep in mind:

If you want to keep the new engine under the hood clean as it is today, use that great new Super-Refined Gulf NO-NOX—the clean-burning gasoline . . . and its super-refined teammate, new Gulfpride H.D. Select Motor Oil.

**New Gulf No-Nox Gasoline** delivers not just the highest octane but

**full working octane**

because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean. That's why it pays to always use new NO-NOX, Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get . . .

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock and engine stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team. New Gulf NoNox Gasoline and

**New Gulfpride H.D. Select Motor Oil**

The only motor oil super-refined by the Alchlor Process for modern high-compression engines.

Assures lower oil consumption Provides the toughest protective film ever developed in a motor oil Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30.

# Northville Nine Drops Two Games To Wayne Teams in Inter-County

The Northville nine in the Inter-County league dropped two games to the Wayne opposition over the holiday week end. Monday Wayne Dietrich had the long end of a 7-4 tally. The Wayne Merchants had already taken the Northville aggregation down the line Sunday 6-2.

Monday's downfall was caused by errors and wildness of the pitchers, according to Steve Folino, Northville manager.

Wayne collected nine hits and committed one error, against seven hits and two errors for the losers. Folino used Harry Edsell and Walter Shy on the mound, Benequist catching. Durjus and Badahow were the batteries for Wayne.

With eight hits each, it was the well-placed extra-base ones that made the Wayne Merchants masters over Northville. Both committed one error.

The local nine's two runs came in the third inning when Messina, second base, walked; Merglewski, center-field, hit safely; Marra, third-base, singled to score Messina. Short-stop Turezyn's single bagger sent Merglewski home. Zeppa fanned out; T. Van Detti, right field, flied out to center field and Francassa, left field, struck out.

The home run of Wayne's short stop R. Cavanaugh, also made Worden, second base, the first man to face Tiujillo in the game and deceive a base on balls. McGinn first, singled; C. Cavanaugh was retired on a long fly to outfield; Martin, third base, reached first on a single, while Gunther landed on first through a fielder's choice; Mach followed with a single that scored Martin.

After catcher Middlestack was given a pass to first, Gladding, the Wayne hurler, cracked a single that brought Gunther home. Worden was handed a free base on balls, forcing Mach to score; McGinn ended the inning with a fly to right field.

In the wake of the disastrous first frame, Northville's Tiujillo settled down and the winners were erased one, two, three, with the exception of the fourth and seventh innings, when four men faced him. His battery mate was Benequist.

Grandale plays Northville here next Sunday at Cass Benton park at 3:30 p.m.

### Summer Bible Study Attended by 116 at Methodist Church

The Methodist Vacation Bible School closed last Thursday night with an Achievement Night program.

Mrs. Wm. Chizmar, director, announced that there was a total enrollment of 116 students plus 18 adult workers. The average attendance each day was 102 and 60 percent of the students had a perfect attendance record.

The children's offerings of \$68.91 for the two weeks will be used to send Bibles to Japan and to support Bible Schools for migrant worker's children.

### Northville Youths Guests of Tigers

The first 80 boys in the Recreation department baseball program to notify Recreation Director Stanley Johnston of their desire to attend will be guests of the Detroit Baseball Co. Thursday, July 21.

They will see the game between the Detroit Tigers and the Baltimore Orioles at Briggs Stadium. The contest will be on TV. The group will go to Detroit in school buses.

Boys are asked to contact Johnston during weekdays at the grade school playground.

Johnston is seeking volunteer adults to aid him in directing the group on the Detroit trip.

### New Social Security Hours Announced

Beginning July 5, the Detroit Social Security offices will be open from 8:45 a.m. to 4:45 p.m., Monday through Friday. The Detroit-Northwest office is at 14600 Grand River (corner Hubbell) Detroit 27.

He is poor whose expenses exceed his income.

—Jean de la Bruyere

### July Sky Features Bright Comet Says U-M Astronomer

If you're interested in comets now's the time to bring out the binoculars for a sweep of the north horizon where a bright one is budding, says University of Michigan Astronomer Hazel M. Losh.

About two-thirds of the way from the bowl of the Big Dipper to the bright star Capella in the constellation Auriga is a comet which is rapidly approaching naked-eye visibility, she says.

Comets revolve around the Sun with their tails pointing away from it and the one now visible has a well-defined nucleus with a misty tail more than one degree in length perpendicular to the horizon, she describes.

"It's worth while to take a look at it since comets as bright as this one have been rare in the past several years," Professor Losh points out.

Now's a good time to look at the Milky Way too, she adds. It's almost parallel to the eastern horizon from Cassiopeia in the north through Cepheus and Cygnus, where it conspicuously divides two branches, the western branch passing to Scorpion and the eastern through Aquila and Sagittarius.

To the unaided eye it's a soft misty light but even binoculars show that it's made up of myriads of faint stars and nebulae, she says.

Another feature was the fact that the earth will have reached its greatest distance from the sun for the year on July 4. This doesn't cool things off in the slightest, says Professor Losh, we just aren't that far away.

Mrs. Sam Pickard of Eaton Dr., received a surprise visit from her grandson, Elmer Boilat of Byron, Mich., Monday night. William Wadley of Bryon accompanied her grandson.

### July Showers for August Bride

The approaching marriage of Gail Blackburn and Robert Schaffer of Farmington has occasioned several showers for the bride-to-be.

Gail, the daughter of Mr. and Mrs. Jack Blackburn of Orchard Dr., and Robert will be married August 13.

June 28, Mrs. Harold Fredsel and Mrs. Robert E. Davis entertained 30 guests at a kitchen shower at the Davis home on 12 Mile Rd., Novi. Last Friday Mrs. William G. Williams, Mrs. Alfred Parmenter Jr., and Mrs. Edwin R. Langtry gave a joint personal shower for Gail at the Parmenter cottage at Wolverine lake.

### New Books Shelves At Local Library

Here's a list of the latest books, fiction and non-fiction, available at the Northville branch library.

In the fiction category, newer books are "The Quicksilver Pool", a compelling novel of Civil War days in New York, by Phyllis Whitney; "The Hidden River", by Storm Jameson; "Yonder", a new novel by Margaret Bell Houston; "Sincerely, Willis Wayde",

a portrait of an American businessman of our times, by John P. Marquand; "Captain Cut-Throat", a novel of the astonishing events in Napoleon's camp at a crucial moment in history, by John Dickson Carr; and "A Grand Man", by Catherine Cookson.

In the non-fiction class, newer books are "Why Johnny Can't Read," by Rudolf Flesch; "Fragrance in the Garden," by Norman Taylor; "Pottery and Porcelain" by Litchfield, and "Better Homes and Gardens Home Building Ideas."

**Mogens Carlsen Returns to Denmark**

Mogens Carlsen of Copenhagen, Denmark, was a guest of Mr. and Mrs. Leslie Lee for several days last week. Mogens is a son of the family David Lee stayed with when he was an exchange student in 1950 and 51.

Mogens returned to Denmark, July 6, after working in the United States for a year and a half studying production methods in paper mills in Savannah, Ga., Milwaukee, Wis., and California.

## Seven Injured At Thrill Ride In Park Accident

Panic broke out among spectators at the Walled Lake Amusement Park Sunday night when a 40-foot length of steel cable on an amusement ride snapped loose, injuring seven people.

They were Mrs. Beatrice Schwartz, Mrs. Ray Fischer, and Mrs. Harriet Ross of Detroit; Maurice Lechner and Donna Spehar of Pontiac; Harry Goodleman of Toledo; and George A. Smith of Hazel Park.

The amusement device was a plane ride with six small planes attached to a high center pole by half-inch thick cables.

According to Robert Templeton, manager of the park, one of the cables attached to a plane carrying two passengers broke without warning. The cable with a piece of metal fitting attached, lashed through the crowd of approximately 150 spectators. The passengers in the plane were unidentified and escaped injury.

## Yerkes Jails Three In Night Session

Three Detroiters were sentenced to 10 days in the Oakland County Jail and fined \$125 each at a special session of Novi Justice Court Sunday night.

Arrested were Herbert E. Brown, Peter Kuczynski, and Andrew O. Hafichuk, all of Detroit.

The three arrested at different times Sunday evening, were driving in the wrong lanes while approaching hills on Grand River. Liquor and beer was found in their cars. In sentencing the men Justice of the Peace Edmund P. Yerkes issued a warning that all cases of reckless and drunken driving in the township would be severely dealt with an effort to halt the increasing number of automobile mishaps in the area.

## Novi Highlights

by Mrs. Luther Rix  
Phone Northville 245-J

Dr. and Mrs. Lynn Leavenworth and daughters, Nancy, Debby, and Beth Ann, and son, James, of East Orange, N. J., are visiting the former's brother Carl and family and his parents, Mr. and Mrs. James Leavenworth for a few days.

Dr. Leavenworth was formerly a member of the Baptist church in Novi. Rev. Ronald Batten is reported to be slightly improving at Hurley Hospital in Flint where he has been seriously ill for several weeks.

Mr. and Mrs. Geo. Atkinson spent the Fourth of July week end at their cottage near Lewis-ton.

Mr. and Mrs. Fraser Staman are spending some time at their cottage near Cheboygan, where Mr. Staman will rest and recuperate from his recent automobile accident.

Glen C. Salow Jr. returned to his home after four days in the Pontiac hospital. He will remain in bed for a few days to recover from injuries to his ear and knee and bruises sustained in the auto accident last week.

Mr. and Mrs. Fran Jennings celebrated their 25th wedding anniversary last Thursday June 28th. They were presented with a silver service pieces by members of their family.

## Building to be Ready for School Opening

WORK IS PROGRESSING rapidly on the new 10-room addition to the Novi Elementary School. The much delayed structural steel arrived last month and has already been put in place. The photo above was taken from the southeast corner of the school property and shows the extent of the new \$200,000 building. At the left is a view of the corridor in the new building showing the cement block and structural steel construction designed according to the most modern fire-proof standards.

## Early Appointment Seen for Post of Township Treasurer

Action is expected to be taken at the Novi Township Board meeting Monday night on the appointment of a successor of the late township treasurer, Russell Woodworth.

Woodworth, treasurer for the past two years, was killed June 28 in an automobile accident east of Walled Lake. He had been re-elected to an additional two-year term in the recent April elections, running unopposed on the Republican ticket.

The law requires that his successor be appointed by the remaining members of the township board. Since his second term began only recently, the person appointed to the post will serve in the capacity of treasurer for almost the full two year term.

## Staman, Salow Are On Recovery Road

Township Supervisor Frazer Staman and Fire Chief Glenn Salow Jr., are reported in good condition and are convalescing at their homes following the fatal accident June 28 in which Township Treasurer Russell Woodworth was killed.

Staman and Salow, both suffering from facial lacerations and mild concussions, are still under doctors' care.

## Car-Tree Crash Results in Death Of 3 Detroiters

Three Detroiters were killed Friday when their car skidded out of control into a tree on 10 Mile Rd. just west of Napier Road.

State police who answered the call described the accident as "one of the worst" wrecks they had ever witnessed.

The occupants were killed instantly when their car crashed broadside into a large tree. Wet pavement was believed to have caused the driver to lose control.

The dead were William G. Daggs, Philip A. Bauman, and Loree Bauman, all of Detroit.

## Banks Recovering At Mt. Carmel

Earl Banks, township clerk and senior member of the township board, is recovering from his recent operation at Mt. Carmel Hospital. His wife reports that he has steadily improved and is now having a few visitors. Prior to this operation, Banks had achieved an impressive record for a man in public service—he had attended the township board meetings for the past 35 years without missing a single meeting.

## Miss Richardson's Condition Called Fair

Miss Iris Richardson, 18, of 23675 Novi Rd., is in fair condition at the Pontiac General Hospital, according to hospital authorities.

Miss Richardson, a passenger in the car in which John Welch of Walled Lake was killed June 27, is suffering from a brain hemorrhage and multiple fractures. She still has nurses in attendance 24 hours a day and is allowed no visitors.

## AMVET Auxiliary Plans Style Show

At the June meeting of the Novi AMVET Auxiliary at the post home in Wixom a Style Show was planned for fall.

Potluck supper will be held at the Post Home Saturday evening July 9 for the AMVETS and the Auxiliary. Supper will be at 6.

## Baptist Church News

Rev. and Mrs. J. A. O'Neill are spending a weeks vacation in Canada. While there they will attend the wedding of a nephew near Toronto.

During Rev. O'Neill's absence, Rev. E. C. Eby, father of Jack Eby, will occupy the pulpit Sunday, July 10.

Jack Eby, who has been a patient at the University Hospital in Ann Arbor for several weeks is reported to be slowly improving.

## Elementary School Addition Now Progressing Rapidly

Rapid progress is now being made on the \$200,000 addition to the Novi elementary school, according to Charles Lane, Ann Arbor architect in charge of construction.

Previous delays in the arrival of structural steel are now being overcome, Lane reports, and although the project was approximately four weeks behind schedule early last month, it now appears that this time will be made up during the summer months.

Present plans still call for a completion date of Sept. 1, the date originally specified in the contract. Should any unforeseen delays develop, however, the school board has been assured that at least part of the classrooms will be available for the opening of school, according to Mrs. Georgia Larson, secretary of the school board.

The new 10-room addition will actually contain nine classrooms. One of the rooms, a study hall, is designed so that at any time it can be converted into two regular size classrooms. In addition, the building will contain offices for the elementary and junior high schools, a boys' locker room, health room, and a teacher's room. The corridor of the new building will connect with the corridor in the existing building. The addition, which features skylights and a butterfly design roof utilizes large amounts of steel and concrete for maximum fire protection.

Temporarily, part of the building will house the new junior high school, the seventh through ninth grades. The three rooms and the study hall on the south end will be used for this purpose until the facilities are needed for the ever-expanding enrollment in the elementary school. The Michigan State department of public instruction has approved the new building for temporary use as a junior high, according to Mrs. Larson.

The accident occurred between 9 and 10 Mile Rds. According to Novi police, Eckles was driving at a high rate of speed and attempted to pass a car in front of him. Mrs. Williams was coming from the opposite direction, and the two cars struck head-on.

Mrs. Williams suffered cuts and bruises, and her auto was demolished. Eckles sustained a fractured spine, and Sikkila, who was riding with Eckles, suffered a badly broken leg.

No police action has been taken on the case as yet.

## MEET

## Your Merchants . . .

Ted Slentz

One of Novi's luckiest businessmen, lucky to still be alive, is Ted Slentz, operator of the Shell service station at 11 Mile Rd. and Grand River.

It was the 16th of April, 1953, Slentz recalls, when a gravel train, consisting of a tractor, semi, and four-wheel trailer made a fast and furious visit to his establishment, totally demolishing the station. Slentz miraculously escaped with only an injured leg.

For the next year, he operated his business from a small shanty on the rear of his property, keeping a wary eye for run-away trucks. In the spring of 1954 he moved into his present modern station which was erected on the site of the old one.

A native of Howell, Slentz has been a resident of Novi for the past 16 years. He lives with his wife, Florence, at 26070 Clark St. They have two children, Robert and Marion. Robert, 15, is a sophomore at Northville High school and Marion, 10, is in the sixth grade at Novi school.

Prior to starting his own business in 1948, Slentz worked for Ford Motor and Harry Watson. An active member of Oddfellow Lodge, Slentz says that since starting his own business, he hasn't had time for any hobbies.

## First Family Moves Into Willowbrook Estates Sub. No. 2

FIRST FAMILY of the new Willowbrook Estates subdivision No. 2, the Charles Kucinskis, 40995 10 Mile Rd., moved into their new home Friday. Shown in the picture above are Mrs. Charles Kucinskis; Bobby, age 5 months; George, 13; and Gail, 3½.

Mr. Kucinskis was at work when the photo was taken. He is an electrician for Rotary Electric Steel in Detroit. The Kucinskis plan to make extensive additions to their home as soon as possible. A 2-car garage, an enclosed breezeway, and an outdoor patio are among their planned improvements.

Several other families moved into the development during and after the Fourth of July weekend and most of the 61 houses now under construction are rapidly nearing completion.

However, some difficulty has been encountered with the water system installations which have failed to meet the Novi Township building code requirements. The water mains and connecting service lines have been installed well above the possible winter frost line, posing the possibility of winter freeze-ups throughout the development. Fire hydrants, in some instances, have their bases one to two feet above the present ground level.

Additional building plans have not been announced as yet but it is understood that another large scale development will be commenced next month immediately south of the present subdivision No. 2.

No developments are reported as yet with regard to the much talked about shopping center on the southeast corner of Meadowbrook and 10 Mile Roads. The property is zoned for commercial use, but, according to township officials, no request for a building permit has been received at this date.

Mr. and Mrs. C. W. Poulson and Mr. and Mrs. Chas. Poulson of Milford were week end visitors silver tray service and many other at the home of Mr. and Mrs. Fran Jennings.

Mr. and Mrs. Luther Rix and Mr. and Mrs. David O'Leary and son, Randy spent the week end at the Rix cottage at Putty Lake, Mecosta.

Mrs. Effie Garner and Mrs. Belle Walter visited at the home of Mrs. Wm. Abbott in Milford last Thursday.

Barbara and Sunny Maie Julian of Detroit are spending a few days with their grandmother, Mrs. Paul Gunste while their parents, Mr. and Mrs. Clem Julian vacation at Calumet.

Mr. and Mrs. Harold Miller spent the 4th of July week end at Mio.

Mrs. Viola Lamontagne entertained a group of children at a swimming party at Kent Lake last Wednesday.

Mr. and Mrs. Erwin F. Geppert and daughters, Noel and Sue, returned Monday from a weeks vacation at Traverse City.

Mrs. Andy Kozak and children Kum and Danna Lyne, left Thursday morning for Champaigne, Ill., to visit her parents and other relatives for a few days.

## School Reunion Set For Sat., July 9

The Novi School reunion will be held in the Novi Community Building Sat. July 9. Guests are to assemble at 3 p.m. A potluck supper will be served at 6 p.m. in the Building.

## Cottage Site Chosen For Mother's Picnic

The Novi Chapter of the Blue Star Mothers will hold their annual picnic Monday, July 11 at the summer cottage of Mrs. Walter Tuck at Walled Lake.

## Novi Calendar

July 9—Potluck supper at AMVET Post home, 6:30.  
July 9—Novi school reunion. Community bldg. 3 p.m., potluck supper at 6.  
July 11—Blue Star Mothers annual picnic at summer cottage of Mrs. Tuck, Walled Lake.  
July 13—Girl Scout counselors pre-camp session at Indian Wood.  
July 22—Blue Star Mothers card party. Community Bldg.

## Blue Star to Stage Card Party, Sale

Novi chapter of Blue Star Mothers, will sponsor a card party, pie and apron sale at the Novi Community Building Friday evening July 22.

There will be table prizes and several door prizes.

## Bd. of Commerce Adjourns Until Fall

There will be no Novi Board of Commerce meetings in July and August, according to Leo Harwood, president.

Because of the summer vacations and hot weather, meetings will not be resumed until Thursday, Sept. 1. There will, however, be a directors' meeting July 21, Harwood said.

## the Willowbrook Corner

by Mrs. Thomas Morrison  
Phone Farmington 1310J2

The first family to move into the area south of 10 Mile were the Charles Kucinskis of 40995 W. 10 Mile Rd., who moved in on June 28.

They have three children, George, 13, Gail, 3 and one-half, and Robert 5 months. Mr. Kucinskis is an electrician for Rotary Electric Steel.

Mr. and Mrs. J. Carter of W. 10 Mile were guests at a cocktail party given by Mr. and Mrs. Zerya on Saturday for their nephew Eugene Sizeman, who was graduated recently from Annapolis Naval Academy.

Walter Thompson, son of Mr. and Mrs. Walter Thompson, is home for a 12-day leave. He returned 170 days ago from duty in the Mediterranean with the Navy Submarine Service.

Mrs. Joyce Benjamin was honored at a stork shower on June 29 at the home of Mrs. Velt Brown. It was given by Jean Pritchett.

Mr. and Mrs. Costello of Willow Lane had dinner and cocktails at the Detroit Yacht Club with three couples who sailed from Cleveland to meet the Costellos.

Mr. and Mrs. Carter took their out-of-town guests Mr. and Mrs. Clyde Hill of Kentucky to see Cinerama Holiday. The Carter's nephew appeared in the film with the Annapolis choir.

Walter Thompson of 10 Mile Rd. caught a 17 inch large-mouthed bass and a 13 inch bass in the Willowbrook pond.

Mr. and Mrs. W. Benjamin dined at Saratoga Farms Saturday night with Jean Pritchett and

Elt McAllister.

The Morrison's attended a surprise birthday party for Mrs. Morrison's mother, Mrs. A. Ferguson.

Mr. and Mrs. Maw and family spent the week-end at their summer home at Lake Chemung.

Eddie Whittenberg is spending a week at Union Lake with his grandparents, Mr. and Mrs. Otto Bauer.

Mr. and Mrs. J. Martin, Mr. and Mrs. L. Bacaridi and Mr. and Mrs. Ferguson and Mrs. Meister of Willowbrook attended a picnic at Homestead Lake Sunday.

The Swensen's 4-month-old son, Carl, is back in the Children's hospital for about two weeks.

Mr. and Mrs. George Marinoff and daughter Jay Ann spent the week end at Port Austin. Their guest was Nancy Morrison.

On the 4th of July, the Morrison's entertained 19 guests on their patio, where lunch was prepared.

Four new families have moved into Willowbrook, and we'll have more in our column about them at a later date.

Mr. and Mrs. Sommerville have been enjoying their Friday evenings at Northville Downs.

Don't forget our moonlight Bob Lo boat trip on Sat. night, July 16. Mrs. Joan La Bram would like to hear from the ladies on her club idea.

Girl Scout Counselors Meet  
Day camp counselors will have a pre-camp session at Indian Wood, July 13.

## MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

UNEASY PEACE REIGNS over Gov. Williams' office and the domain of Highway Commissioner Charles M. Ziegler. But both are keeping their powder dry.

Williams has been heckling Ziegler since last year over Michigan's road system.

It was a shambles and Ziegler was slapping on patches rather than building new roads, according to Williams. This session the legislature added 1½ cents to the gasoline tax.

For weeks, Williams and his aides needed Ziegler to get started. Ziegler, one of the two remaining Republicans on the State Administrative Board, said the money wasn't yet available, but he would see what could be done.

Then came the strategy. Ziegler popped up with a \$1,200,000,000 highway program, complete with a priority schedule to give the state 1,440 miles of major highways and 400 miles of routes in metropolitan areas.

It will be completed in 10 years, Ziegler said.

Slightly abashed at the sudden show of progress, Williams called off his running battle with Ziegler.

He has developed a reasonable plan," Williams said.

It has been a long haul since last October when Williams and the Democrats made the highway issue a major plank in the party campaign for election.

GOP Party leaders plainly were unhappy that Ziegler was a storm center. At one point, there was talk of turning over the new highway program to a separate agency

So now Ziegler comes up with a long-range plan for highways—an impressing presentation showing it must have been in preparation long before the tax bill for \$35 million was passed.

Where does that leave politicians next year at the time for vote-gathering?

Republicans can point to Ziegler and take credit for the highway program. Williams will say it wouldn't have been achieved without prodding from Democrats.

That way the motoring public will pay the tax, ride on new roads and accept any explanation they want—if they want one.

FARMERS ARE GETTING another service from the state and Michigan State university.

The state agricultural commission approved a program creating a swine herd inspection system, complete with certification of herds.

And the commission also gave a boost to the promotion of Michigan agricultural products by granting funds to four major organizations for the purpose.

They are American Farm Economics Assn. \$480, the Benton Harbor Market \$10,000; the Michigan Bean Shippers Assn. \$1,300; the Michigan Beekeepers Assn. \$20.

CLARK J. ADAMS, a Pontiac attorney, should feel right at home in public life again.

He was appointed by Gov. Williams as the new fourth circuit judge in Oakland county. He will take office Jan. 1, 1956 and be required to face his first election test the next November.

During his career, Adams has served in all three branches of

state government, legislative, administrative and judicial.

First, he served three terms as a member of the House from the second Oakland county district; he was Williams' first legal advisor and was later appointed to the Michigan Supreme Court.

Defeated in his try for reelection in 1953, Adams returned to private law practice in Pontiac. He was appointed in the spring to the Michigan Corrections Comm.

He will serve on the commission until he takes the bench as circuit judge next Jan. 1.

"Adams has always done a good job wherever he served," said one executive office aide. "He will make a lot of friends for himself and do the public a great service."

LEGISLATORS ARE ORGANIZING a 15-member study committee to work out the future of higher education in Michigan.

There will be five members from each chamber and another five, composed of businessmen, industrial executives and possibly an educator.

Already a difference of opinion has developed.

Senator Don Vander Werp (R-Fremont) is anxious to aid junior and community colleges while Senator Carlton H. Morris (R-Kalamazoo) goes more for building up four-year colleges.

The committee will hold hearings in the capitol and around the state during the summer and come up with recommendations for the 1956 legislative session.

"We've got to find the answers," Vander Werp said. "This is a \$150 million problem."

## MSU Scholarship Is Prize for Best Essay on Celery

The Michigan Celery Promotion Assn. has announced that Michigan celery growers and shippers will award a one-year scholarship to Michigan State university for the writer of the best article of 500 words or less on the subject, "Why I Think Michigan Celery Is a Good Michigan Crop".

"The celery association is including the scholarship award in its overall program to maintain and improve the quality of Michigan Celery," said Howard Trapp, of Beulah, association secretary. "It is a practical way to encourage Michigan young people to become more interested in growing and marketing better Michigan Celery."

The award will be a scholarship consisting of freshman year tuition to Michigan State university,

school of agriculture. The scholarship will be awarded to a Michigan high school graduate, boy or girl, by the Michigan Celery Promotion Assn.

The contest opens July 1 and closes Aug. 15. All entries must be postmarked before midnight, Aug. 15.

Because schools are closed for the summer, the association will encourage entries through celery growers, shippers and packers, and through county agents, demonstration agents, the extension service, through the press, TV and radio, and other interested groups.

The State Board of Agriculture at its June 17 meeting urged the Celery Assn. to go ahead with the scholarship plan.

Entry blanks and information on the scholarship award contest are available from the Michigan Celery Promotion Assn., 415 Association of Commerce Building, Grand Rapids.

## Bought in December . . . enjoyed in July!

Turkey, bargain-priced in December, tastes especially good in July. Thanks to a home food freezer, poultry (and practically anything else) will retain all its natural flavor.

No matter how you serve it—cold and sliced; in a salad, or piping hot with all the trimmings—your turkey will be as fresh and tasty as it was the very day you put it away in your home food freezer. And here's a hint—with a freezer you can convert leftovers to "planned-overs." In your freezer they'll stay as tasty as when first prepared.

# SAVINGS QUALITY!

## Customers' Corner

### Vacation Vacation

Every summer about this time the same thing happens. The childish chant, "No more pencils, no more books!" gives way to the plaintive refrain, "What can we do now?"

If the answer has you stumped, here's a constructive suggestion: Why not let your youngsters help with the family food shopping at A&P?

It's a pleasant and profitable pastime. Pleasant because children enjoy being treated as courteously as grown-ups... and that's how they always are treated at A&P! Profitable because responsibility tends to make them more self-reliant and dependable. In fact, you'll probably be surprised to discover what a big help small marketers can be. Try it and see!

## Events of the Past in Northville

News Items taken from the File of the Record

### ONE YEAR AGO—

The contracts for the less than one-half mile Seven Mile Rd. cut-off for \$143,053 were awarded. Of the total, \$47,473 was for the bridge over the Rouge river.

Improvement of housing and sanitary conditions in the Gerald Ave. subdivision was studied by the Northville Township board.

The Northville Business and Professional Women's club contributed \$300 to the Community building fund. Raising the money was the club's "Project of the Year". Miss Ruth Knapp, school nurse, chairman of the project committee was named a member of the Community building committee.

New tuberculosis cases in 1953 in Northville totaled only five, compared with 15 in the previous year.

### FIVE YEARS AGO—

Novi school district No. 8 electors had their choice of two candidates for the school board, Jack Crawford, incumbent, or William H. MacDermid.

The Northville school board elected the following officers:

Eural Clark, president; Nelson C. Schrader, vice-president; Robert Coolman, treasurer, and George Clark, secretary. Donald Severance was the fifth member of the group.

The West Salem Methodist church reopened its doors after being closed for nearly 15 years. A widely-known landmark in Salem, the church was nearly 100 years old. The Rev. Patrick J. Clifford was the pastor. Music was from a 60-year-old organ.

Mrs. Leo Lawrence gave a bridal shower for Miss Peggy Ely, daughter of Mr. and Mrs. Claude Ely.

Donna Suzanne, daughter of Mr. and Mrs. James McNeice, celebrated her second birthday.

June Haver and Gordon McRae were the stars in the film, "Daughter of Rosie O'Grady". The big names in "Francis" were Donald O'Connor, Patricia Medina and Zasu Pitts. Ruth Roman, Dane Clark and Raymond Massey were in "Barriecade".

Dr. W. L. Howard of Maybury Sanatorium attended the American College of Chest Physicians convention and the annual parley of the American Medical Assn. in San Francisco.

A Ford dealer offered a '49 Ford custom 8 sedan for \$1,295; a '48 Nash 600 sedan for \$895 and a '48 Ford tudor for \$950.

### TEN YEARS AGO—

Merritt Meaker was elected president of the Northville Exchange club and Luther Lapham, president of the Rotarians.

Boy Scout Troop N-1 was presented its charter. H. M. Parnenter was scoutmaster, with Russell Clarke and Harold Schoulz assistant scoutmasters.

The Rev. John McLucas of the Novi Methodist church was returned for the second year of his pastorate.

The newly organized Northville Post 4012, Veterans of Foreign Wars, announced plans to organize a women's auxiliary.

Helmut Dantine and Andrew King were leading names in the film, "Hotel Berlin". Also billed for that week was "The Flame of the Barbary Coast", which offered the acting of John Wayne and Ann Dvorak.

### TWENTY YEARS AGO—

The village tax roll was \$50,000 the same as the preceding year but the rate was reduced from \$19.70 per thousand to \$19.48.

New volumes at the public library included "Don't Ever Leave Me" by Katherine Bruch; "To Think of Tea" by Agnes Repplier; "Roll River" by James Boyd, author of "Drums".

New extraction methods introduced at Northville Laboratories were the subject of an article in a national technical magazine called "Glass Lining".

Movie goers could see James Dunn and Mae Clark in "The Daring Young Man", James Oliver Curwood's "Red Blood of Courage", with Kenneth Maynard; Lew Ayres, Claire Trevor and Walter King in "Spring Tonic". A double feature that listed no stars was "The Bride of Frankenstein" and "Lightning Strikes Twice".

FIFTY YEARS AGO—Northville Maccabees were among 400 from surrounding towns who marched in the Fourth of July parade in Plymouth.

Around 20 percent of bed sheets sold are colored. In choosing a colored sheet, MSU clothing and textiles experts suggest you be sure that the color is fast to laundering and light.

Howard to Narrate  
On Filter Film  
For 35MM Club

Dr. W. L. Howard will narrate  
for the Eastman Kodak Co. slide  
showing Thursday evening at 8  
at Stone's Gamble store. The title  
of the talk is "Filters for Picture  
Improvement."

Why filters are needed for both  
Kodachrome and black-on-white  
film to record a scene effectively  
will be explained. Comparison  
pictures depict the effects obtain-  
ed with the Kodak Wratten filters  
numbers 8, 15 and 25.

Other procedures which will be  
explained are polarized light, the  
Kodak Pola-screen and its use in  
darkening the sky and ability to  
emphasize values in a scene; haze  
penetration with the use of filters  
as well as with infra-red film;  
why filters and Pola-screens are  
ineffective with a "gray" or over-  
cast sky; and the term "filter fac-  
tor" and how filter factors are  
used in calculating exposures.

An added feature of interest  
will be some aerial photography  
shots and also a series of colored  
slides of the Ostend hotel which  
burned recently at Atlantic City.

An invitation is extended to  
either the novice or specialty  
photographer who wishes to fur-  
ther improve his outdoor pictures.

American Red Cross is the board  
of governors, which consists of  
50 members, who serve without  
compensation. Eight of the mem-  
bers are appointed by the presi-  
dent of the U.S., 30 are elected by  
chapter representatives, and  
12 are elected by the board itself  
as members-at-large.

ing.

**CHRISTIAN SCIENCE  
CHURCH**

Main and Dodge Streets  
Plymouth, Michigan

Humanity's need for clear  
thinking and Christian living will  
be stressed at Christian Science  
services this Sunday.

Readings from the King James  
version of the Bible and "Science  
and Health with Key to the Scrip-  
tures" by Mary Baker Eddy will  
comprise the lesson-sermon en-  
titled "Sacrament."

The following passage will be  
among those read from Science  
and Health "Ask yourself: Am I  
living the life that approaches the  
supreme good? Am I demonst-  
rating the healing power of Truth  
and Love? If so, then the way  
will grow brighter 'unto the per-  
fect day.' Your fruits will prove  
what the understanding of God  
brings to man" (496:9 Ask-14).

The Golden Text is from Levi-  
ticus (19:2): "Speak unto all the  
congregation of the children of  
Israel, and say unto them, Ye  
shall be holy; for I the Lord your  
God am holy."

**New Mass Hours  
Set for Weekdays**

A new summer schedule of  
weekday Masses at Our Lady of  
Victory Catholic church, has been  
announced by the Rev. Fr. An-  
thony J. Heraty, pastor. Mass is  
being said everyday, with the ex-  
ception of Sunday, at 7 o'clock  
and 7:30.  
The Mass hours on Sundays re-  
main the same as before, Fr. He-  
raty said.

None are more hopelessly en-

**CHRYSLERS  
"100-Million-Dollar Ride!"**

**All this, and more, is yours in a Chrysler!**

World-famous FirePower V-8  
engine, the most powerful type  
V-8 on the road today—up to 300  
hp! Airplane-type design provides  
unparalleled safety reserve power.  
**PowerFlite** Fully-automatic Drive,  
the smoothest and most automatic  
no-clutch transmission in any car!  
New dash panel shift lever—an  
important milestone in conven-  
ient car control!

**Exclusive Full-time Power Steering**,  
the only power steering that works  
all the time without effort. You  
can turn and park with just a  
single finger on the wheel, and  
still maintain a constant, secure  
"feel of the road."

Extra-large, extra-safe Power  
Brakes bring you to swift, sure  
stops with much less effort. A  
double-width foot pedal enables  
you to brake easily and safely  
with either foot.

**Double-strength Oriflow shock  
absorbers** provide twice the cush-  
ioning power of ordinary kinds,  
giving you smooth, comfortable  
rides over even the roughest roads!

**Super-Scenic sweptback windshield**  
is wrapped around both top and  
bottom, giving you greater vision,  
greater safety. Swept-back de-  
sign enhances car's look of for-  
ward motion.

**Here is the car that literally does everything  
for you—and does it so easily!**

Chrysler's Full-time Power Steering is the  
only power steering that gives you a full-  
time feel of the road. Chrysler's airplane-type  
V-8 engines (up to 300 horsepower!) are the  
only ones that give you a new measure of  
safety reserve power. Chrysler's brand-new  
PowerFlite Transmission is the only fully-  
automatic drive with handy dash panel control  
and "smooth flowing" surge of power.

There's plenty more that will amaze you  
when you slip behind the wheel of a new  
Chrysler. See or phone your Chrysler Dealer  
today for an unforgettable demonstration!

### Haskell Leaves

(Continued)

children at the school are all able to be helped, he adds.

This higher grade group of mentally retarded individuals now comprises between 35 and 75 per cent of state institutions—the same institutions that were once prepared to handle only hopeless cases on a custodial basis. According to Haskell, Wayne County's school does not merely provide a home for children, but offers a curative and remedial program.

**First in Remedial Reading**

Haskell says the school was the first in the world to offer remedial reading classes to mentally retarded children. Dr. Kirk Hegge and his associates initiated the program here, which features teaching by the phonics method. This

### Do Good People Go To Heaven?

The world has a way of measuring folks by the things that they do and those who are kind, neighborly, doing work of charity, etc., are those who, in the minds of most people, will occupy heaven. May I startle you with this statement—there will be more good folks in hell than real bad ones? Why is this? Simply because heaven is not gained by our goodness or merit. Titus 3:5 says, "Not by works of righteousness which WE HAVE DONE, but according to His mercy He saved us, by the washing of regeneration and the renewing of the Holy Spirit." Eternal life in heaven is declared to be the Gift of God (Rom. 6:23) and, therefore, is not a reward for goodness or merit. Heaven will be occupied by people who, realizing their sinful condition, have gone to the Lord and pleaded and have received mercy through the Lord Jesus Christ. Salvation is not given to anyone because they deserve to be saved. If this were the case, there would not be anyone in heaven for all of us deserve the very opposite. The wondrousness of God's redemption plan is that it saves undeserving, hell-bound sinners who will come in God's appointed way—via the Lord Jesus Christ as their crucified and risen Saviour.

method is identical to the one advocated by Dr. Rudolph Flesch, author of "Why Johnny Can't Read."

The training school is well-known all over the world, and during the past years Haskell and his staff have carried on a professional correspondence with almost every country.

Last week a letter was received from a woman doctor in Jerusalem who attended Iowa State as an exchange student, and visited the training school several years ago. She thanked Haskell for his Christmas greetings, which she had just received, and commended the school for the wonderful job they are doing in rehabilitation of children.

Haskell worked closely with the children of the school, and the staff keeps in contact with them after they have been "graduated" and given jobs in the community. Many of the youths have no families, so suitable homes in the city must be found for them.

Upon his retirement, Haskell received many gifts, including a "memory book" containing letters from schools, hospitals, courts, welfare agencies, universities and friends all over the world.

### Trailer Zoning

(Continued)

that he would bring property in conformity with the ordinance. On the latest occasion, Nutton said Schultz told him it would take 90 days to dispossess his tenants. Nutton added that Schultz had told him they were not paying their rent. Littell informed Nutton that it would take only 7 days to evict them for non-payment of rent, and only 30 days under any other circumstances.

Nutton also told the board and Littell that the other two lots are in the name of a "Mr. Moe" on the tax roll but that Schultz had told him they actually are owned by John Bunyee, of 40595 Joy Road. Nutton said he had not been able to contact Bunyee in the 60 days since complaint was first made to the township board by Al Gleason, of 42422 Seven Mile Rd.

Because Nutton had failed to give either Schultz or Bunyee, the alleged owner of the other two lots, a formal written notice of their violations of the ordinance, the board took the position that Littell should put them on notice now so Nutton can report back to the board next month on whether they will comply voluntarily.

**90-Day Lag From Complaints**

Gleason's original complaint was made to the township board at its meeting two months ago. If the board waits until its next regular meeting to institute legal action, a 90-day lag between the first complaint and the start of official action is indicated.

Nutton described the buildings as being substandard in many respects. Of one, he said: "I wouldn't keep my dog there."

The Schultz property has water

### Kim Kozak Marks Fifth Birthday

Kim Kozak, daughter of Mr. and Mrs. Andy Kozak, of Clarke St. celebrated her fifth birthday Tues. July 4, with a party at her home.

Her guests were Teresa and Ronny McHale; Janis and Dennis Paquette, Nadine Snyder, Kay Stan and Gerry Gillette, Gayle and Dougie Watson, Cindy and Del Ortwine, Chuckie Rice, Dawn and Diane McCollum, Shirley Coleman; Denise Ward, Noel and Susie F. Geppert, Bobby Taylor, Lynn and Betty Mac Dermid, Susan and Ricky Griffith, Peggy and Mark Saincome and Diane and David Pipperry.

### Beer Bottle Hits Rathburn Window

A beer bottle thrown in the night through the window of Rathburn Chevrolet Sales, 560 Plymouth Ave., caused damage estimated at \$300. The broken window was discovered by Ralph Hay when he opened the office Thursday morning.

It was impossible to obtain fingerprints, police said, because the bottle was smashed into such small fragments.

from Northville. Neither building has sewers, he said. Both have trailers which were said to be not in conformity with the zoning ordinance.

Lengthy discussion centered around whether a new privy has been built on one lot within the past two or three months, to replace an old one that Nutton said, either fell down or was pushed over. This would be a definite violation of the zoning ordinance.

Nutton and Gleason agreed that a shed had been put up recently but neither was certain what it is being used for. Gleason, as a private citizen, apparently felt he lacked jurisdiction to investigate. Nutton said there were claims that the new shed is for tools. He also suggested it may have a dual use. He had not entered it to find out, however.

No one thought to inquire what toilet facilities are being used if the new building is not a privy. Gleason told the board, however, that he is sure the shed is not being used as a privy by all tenants all the time because on a recent morning when he was driving on Seven Mile Rd. one individual was ignoring the building in favor of the railroad right-of-way.

Nutton also told the board that he will serve a formal zoning ordinance violation notice on Frank Hill, said to be the owner of property at 18340 Plymouth Ave. on which a house trailer is being used as sleeping quarters within a few feet of the roadside. The complaint in this case, Nutton said, will be failure to obtain a temporary trailer permit for its use as living quarters not to exceed 60 days in any one year. The trailer has been on the lot in excess of 60 days Nutton said.

### Another in Battle Over Coffee Prices

Is the time drawing near when some restaurant in Northville will pay a customer to drink a cup of coffee with his meal?

Last week Paul Zogas and Paul Triantis, proprietors of the Northville Restaurant, announced that there would be no charge for coffee, when served with a meal.

In the preceding week, a five-cent charge, compared to the usual 10-cent price tag for a cup of java, with a meal, was posted by Peanut's Place, adjacent to the Northville Restaurant.

### Northville Marine Participates In California Exercise

Marine Cpl. Donald A. Thomson, son of Mr. and Mrs. Arthur M. Thomson of 48399 W. Mile Rd., Northville, participated in amphibious training exercises conducted by the 1st Marine Division's 5th Regiment off the coast of Southern California.

The regiment sailed from San Diego, June 12 with a Navy Task Force. After five days of training at sea, the Leathernecks made an amphibious landing near Oceaside, Calif., on the Camp Pendleton, Calif., reservation. Two days of tactical maneuvers followed.

The exercise was the first large-scale amphibious training conducted by the division since its redeployment from Korea three months ago.

### Health Department Reports Increased Births and Deaths

Both deaths and births were up in the first months of 1955, according to a report issued recently by the Michigan Department of Health. And the health department warned vacation-bound families that accidents rank fourth as a cause of death in the state.

During the first quarter of 1955, health department provisional records show 15,690 Michigan deaths against 14,951 in the same three months in 1954.

Last year's 10 leading killers are still on top, the health department said. These are: heart disease, cancer, vascular lesions, accidents, diabetes, pneumonia, influenza, immaturity, arteriosclerosis, congenital malformations and nephritis and nephrosis.

The continuing high number of deaths caused by accidents should sound a note of caution to vacationers, the department urged.

"Accidents are needlessly killing about 300 Michigan people each month," said Dr. F. S. Leeder, director of disease control and statistics.

On a more cheerful note, the health department report showed Michigan recorded 73,082 births in the first five months of 1955, about 500 more babies than were born in the same period last year. If the high birth rate continues, Dr. Leeder said Michigan is certain to surpass the record of 190,000 births set last year.

### Neighboring Lanes Included in Road Bid Program

On July 20 the state highway department will receive bids on the construction of some \$4 million of projects of routes designated in P.A. 87, known as the

### News . . . About Salem

A family picnic was held Sunday at the Mrs. Geo. Bennett home with 30 present.

A Bible school program was held Thursday evening at the Federated church.

Prizes were awarded to those who brought the most boys and girls. Janet Famuliner won a jewelry set. She brought nine girls. Tommy Dolan won a swimming set, he brought three boys to Bible school.

Certificates were presented to those that were there every day and a puzzle to each child that learned their Bible verse each day.

The Salem fire department was called to the Russell Knight home to a grass fire on Wednesday morning.

Mr. and Mrs. Lloyd Birkelbaw and daughters, Mary and Ruthie spent the week end in Illinois.

Mrs. Charles Jacobs of Detroit spent four days with Mrs. Henry LaMont.

Mr. and Mrs. Calvin Wheeler went to Ypsilanti last week to see a friend at the hospital.

### Ledford Promoted To Staff Sgt. at Selfridge Base

Robert J. Ledford, son of John C. Ledford, has been promoted to the rank of staff sergeant at Selfridge Air Force base.

Sergeant Ledford is assigned to the Field Maintenance Section of the 575th Motor Vehicle Squadron.

During a previous tour of duty with the U. S. Army, Serg. Ledford received a four-month course in Automotive Vehicle Mechanics. He served with the Army in Germany from 1947 to 1950. Ledford has been in the Air Force since February 1952. He attended Pontiac high school.

Coleman Bill of 1955, Highway Commissioner Charles M. Ziegler announces.

These projects will be financed from funds provided by the one and one-half cent increase in the gasoline tax and the 10 percent increase in certain truck license plates under the 155 Act.

At the same time, bids will be received for projects totaling in excess of \$4 million on other State trunklines to be financed from regular highway funds.

Included in the projects on routes designated in Act 87 will be the following:

9.9 miles on M-17, known as the Ann Arbor South Belt. The larger section of 8.6 miles of this project will be four lane divided, limited access expressway on new location from US-23 on the east to US-12 west of Ann Arbor. The work will consist of grading, drainage structures, and concrete pavement built to interstate standards.

### PATRIOTIC CLUB

The Patriotic club will meet at the home of Mrs. Maude Archer, 48881 W. Seven Mile on July 14. There will be a 12 o'clock potluck dinner. Bring a passing dish. All members are urged to attend this meeting.

### PUTNAM SCHOOL DIST.

The annual meeting of the Putnam school district No. 9 will be held at the home of Don Hines on Monday, July 11 at 8.

MORE BOYS NEEDED FOR PEE-WEE NINE—This group plays Monday and Wednesday morning at 9:30 near the wading pool at Cass Benton Park. The age bracket for this classification is 7-9 years.

### Application Ready For Entrance to Air Force Academy

Congresswoman Martha W. Griffiths (D) has announced the acceptance of applications for the 1956 class of the U. S. Air Force Academy.

Mrs. Griffiths said she is entitled to nominate 10 young men from the 17th District who would compete in physical and intelligence tests for 1956 appointments.

Mrs. Griffiths said:

"This opportunity is particularly valuable for young men who will be entering their senior high

school term this fall. The Academy will be conducting examinations throughout the fall and winter and it is most helpful for a boy to have his application in early. The deadline is Jan. 31, 1956."

"To be eligible, a boy must be a citizen, of good moral character, unmarried, and must be at least 17 and not more than 22 by July 1, 1956."

Mrs. Griffiths said appointment to the academy, as well as to the other service schools, represents a wonderful opportunity for a young man to obtain a fine education and at the same time serve

his country.

All together Michigan will be entitled to 12 places in the 1956 class. The 12 final nominees will be selected from those attaining the highest ratings on examinations, she added.

Mrs. Griffiths invited boys and parents interested to write her in Washington or contact her office in the district at 16849 Grand River, phone BRoadway 3-9151.

Mrs. William Aston, who suffered a broken hip and ankle several weeks ago, came home University hospital last week.
