75 Zoning Violations Described in Report

Approximately 75 uses of property in Northville township were not in conformity last spring with provisions of the new zoning ordinance adopted by the township board on Feb. 15th.

This is revealed by a written report prepared by Waring and Johnson, planning consultants for the township zoning board.

The Waring and Johnson report was filed with the township board and Donald Nutton, build-

ing inspector, more than a month ago. Nutton is responsible for administering and enforcing the zoning ordinance.

Some of these non-conforming uses can be remedied if the township board adopts a strict enforcement policy. Others must be brought into conformity with the ordinance after a specified time. Uses that were in existence prior to adoption of the township's previous zoning law, or amendments thereto, can only be brought into conformity with the ordinance if the owner chooses to do so.

Many Sub-Standard Houses

Sub-standard housing in the Gerald Ave. section and elsewhere in the township comprises the largest single group of violations. Because many of these houses were in existence before the township had a zoning ordinance, the means apparent. With respect to the 24 sub-standard dwellings in the Gerald Ave. area, the report suggests a slum clearance project.

Signs that do not conform to the ordinance's size limits constitute the second largest group of non-conforming uses. These must be brought within the law's limitations by Feb. 15, 1956.

House Trailer Violations

House trailers were the largest group in violation. Here there appears to be a good chance for control by the township. The report lists only 12 trailer violations existing at the time it was prepared last spring but many more have sprung up with the improvement in weather. Minor non-conforming uses included unsightly grounds, businesses in residential areas and basement dwellings.

2nd Turtle Derby Offers Fifteen Cash Prizes

There will be 15 cash prizes this year in the Recreation Dept. —Northville Record Second Annual Turtle Derby, Friday, July 29, open to boys and girls 15 years old and under.

First, second and third prizes will go to the turtles that whizz across the finish line in that order. But a turtle's speed is not the only thing that will bring cash to their sponsors.

While the winners in the speed category may be holding post mortems after being in the money and gloating, along with the familiar phrases such as "It was easy," "The winner crowded me on the home stretch," "I wasn't in my best condition," "Why don't they fix up this track?" others will be entered in different kinds of competition.

There will be prizes for the biggest, and smallest turtles and the one with the most original

Polio Marchers Invited to Belle Isle Program

All persons in the Northville and Novi areas who participated in the Mother's March on Polio and their families are invited as special, honored guests at the 15th annual observance of Old Timers' Day on Belle Isle, Wed., July 20.

Started by George W. Stark as a tribute to the band and the Detroit Federation of Musicians, Old Times' Day grew and expanded into a celebration of Detroit's birthday. On July 24, Detroit will be 254 years old.

Program for the day includes the Belle Isle Tigers and Detroit Old Time Baseball Assn.

5 p.m. Old time dancing directed by Betty Lloyd of the Dept. of Parks and Recreation. Fire Commissioner James L. Mahon, will be master of ceremonies.

7 p.m. Twilight recital by Gordon Young, organist and choir master of the First Presbyterian church, on the Nancy Brown Carillon.

8:15 p.m. Leonard B. Smith will conduct the band concert, for the 10th successive year, at the Jerome H. Kemick band shell. Miss Anne Malloy, talented Detroit singer will sing, "You'll Never Walk Alone" — theme song of the Mother's March on Polio. The Belle Isle Bathing Beauties—members of the Detroit Historical Society Guild—attired in B. B. (before Bikini) bathing suits will give a number on the concert program and also act as ushers.

Anne Campbell, Detroit News poet, who organized the Mother's March on Polio in Wayne county, asks that the Mothers' March group attending the picnic and concert, meet with her at the band shell at 7:45. A special section of seats will be reserved for the March of Dimes volunteers and their families.

Surviving are his wife, Emma, of 132 Orchard Dr., four sons; Alfred of Northville, Lawrence of Plymouth, Ray of Riverside, Cal., and Robert E. of Detroit; and two daughters; Mrs. Esther Berend of Hampton, Va., and Mrs. Ruth Arnold of Livonia. There are 18 grand-children. Two sisters, Mrs. Lydia Bloom of Detroit and Mrs. Hazel Redman of Hamilton, Ont., also survive.

Funeral services were held on Wednesday at 2 o'clock at the Casterline Funeral home with Dr. Harold Fredsel of Detroit and John Hazelton officiating. Burial was in Oakland Hills cemetery.

Mr. Parmenter was an employee of the Ford Motor for 35 years until his retirement.

Chedrick Elected To Head Lloyd H. Green Legion Post

Charles Chedrick has been elected president of the Lloyd H. Green post, American Legion. Other officers for the coming year are Ralph Hay, Jr., senior vice-president; James Madigan, junior vice-president; Charles Bott, finance officer; John Steimel, historian; James Howarth, Jr., sergeant-at-arms; Frank Lewis, chaplain.

Delegates to the state convention, which will be held in Detroit this year, Aug. 4-7, are Chedrick, Hay, Lewis, Altenberg, and Madigan.

Since the death of Robin Cory, commander of the post last spring, Chedrick had been commander to fill out the unexpired term of Mr. Cory.

It's H & H Standard Service Now

NEW OWNERS OF FILLING STATION—Harry Wagenschütz, manager of the Detroit Edison office here and his brother, Harold, with the Juday Standard Service for the past five years, have purchased the Juday business at Church and East Main streets from Richard Juday. The station has been renamed H&H Standard Service. Harold will manage the operation.

Alfred Parmenter Buried Wednesday

Alfred Parmenter, a resident of Northville for 35 years, died Saturday at the Aitchison Memorial hospital after a long illness. Mr. Parmenter was born in Hamilton, Ont., Sept. 7, 1890. His parents were John and Harriet, both deceased.

Surviving are his wife, Emma, of 132 Orchard Dr., four sons; Alfred of Northville, Lawrence of Plymouth, Ray of Riverside, Cal., and Robert E. of Detroit; and two daughters; Mrs. Esther Berend of Hampton, Va., and Mrs. Ruth Arnold of Livonia. There are 18 grand-children. Two sisters, Mrs. Lydia Bloom of Detroit and Mrs. Hazel Redman of Hamilton, Ont., also survive.

Funeral services were held on Wednesday at 2 o'clock at the Casterline Funeral home with Dr. Harold Fredsel of Detroit and John Hazelton officiating. Burial was in Oakland Hills cemetery.

Mr. Parmenter was an employee of the Ford Motor for 35 years until his retirement.

Burnham Heads District Legion

Paul Burnham, 40100 E. Eight-Mile Road, was elected Commander of the 17th district American Legion at the election held July 8 at Redford, Mich., post home.

Other officers elected were, Richard Massengill of Livonia, senior vice commander; Harold Wilson of Plymouth, junior vice commander; George Shannon, Redford, Detroit, finance officer; Mel Allen of Redford township, chaplain; and Richard Kelso, of Rosedale Park, historian.

Dutch Elm Scourge Kills 75 Northville Trees

After completing a survey of elm trees in Northville for detection of Dutch elm disease, a representative of the state department of agriculture and Green Ridge Nursery, forestry consultants to the city warned private property owners of the ravages, cost and inconvenience of the disease to them.

Bernie Bovee, a graduate of municipal forestry at Michigan State University, represented the Green Ridge Nursery in making the survey, according to John Miller, head of Green Ridge. The representative from Michigan State University Cooperative Extension Service was Ronald Stockler.

About 75 affected trees were found in the area under survey—all property within the corporate limits of the city and a quarter-mile strip around it. This is about four times the number of trees uncovered in last year's search, Miller said. This figure is consistent with trend of the spread of the disease in eight-county area map prepared by Green Ridge Nursery from the 1954 Dutch Elm Annual Report by the Michigan department of agriculture. The expected loss for this area in 1955 is placed at approximately 28,700 trees.

While the disease was originally described by plant pathologists in Holland, its first incidence in the U. S. was noted in Atlantic seaboard states. Not until 1950 was it noticed in Michigan, when nine affected trees were found in Wayne county. In 1951, there were 74 cases; 300 in 1952, 1,218 in 1953 and 5,794 in 1954.

In order to keep the disease from spreading, in a community

the first infections must be found after they occur and control measures promptly applied. These measures consist of removal of affected trees and spraying over an extended period of time.

Another spraying period is due now. The first was finished last spring. The most noticeable sign of Dutch elm disease is the wilting of one or more of the branches of infected trees. The wilting leaves become yellow, and later turn brown when dead.

Branches with dead brown leaves may hang among the foliage of healthy branches, as a further indication that the trees may have the disease, Bovee stated.

A Michigan State College bulletin points out that "Dutch elm disease is a community problem. The wider the area over which controls are carried out, the better will be the results." Healthy trees within a distance of 700 yards of diseased trees are in danger of becoming infected.

"Attacks In 2 Ways
"The minute spores of the fungus germinate in the water conducting tissues of the living elm tree," the MUS bulletin adds. "As the fungus grows, it causes the tree to form gums which plug the water conducting tissues. This condition, along with the poison which the fungus produces, causes the tree to wilt and die."

Many trees die in the same season that infection occurs. Some are killed within a few weeks. Only a few live longer than the second or third season. All elms are susceptible.

Two types of beetles are important carriers of the disease—a small European elm bark beetle

Novi Schools Want To be Annexed to Northville District

Three Novi township school districts voted Monday to request annexation to the Northville school district. They are Novi No. 8, East Novi No. 2, frl. and Novi No. 9, frl.

The vote was by their respective school boards, following receipt of a letter from Oakland County School Superintendent William J. Emerson urging that they ask annexation now if they feel that the future of their districts will be best served by reorganization around Northville.

Surprise to Northville

The move came as a surprise to Northville school officials, who, at the request of the state department of public instruction, have called a special meeting of the Northville board of education for tonight (Thursday) at 8 p.m.

The present development follows considerable discussion earlier this year between the Northville board and the state department of public instruction about how best to handle the school problems of Northville and the rapidly growing Novi community. Northville withdrew last fall from a large study group engaged in analyzing the various aspects of the pressing problem because it feared that annexation or consolidation would not be in the best interest of the local district.

On May 19, however, the Northville board of education adopted a resolution favoring annexation of any of the Novi districts, plus the Salem Union district, if asked to do so. The resolution reserved the right to submit any such annexation proposition to a vote of the electorate, and to abide by the result of such vote.

Special Meeting July 14
In asking Northville to hold a special board meeting tonight, state officials have asked the school board to reaffirm the May 19th resolution, which had the school board to reaffirm the May 19th resolution, which had the affirmative votes of Donald B. Severance, Mrs. Harry Wagenschütz and Eural Clark. Nelson Schrader cast the only dissenting ballot. This re-affirmation of the old resolution is desired by the state not later than July 15th, according to local school officials.

Although it, too, received the letter from Oakland county school Superintendent Emerson, the Durfee district No. 6, frl. voted not to ask for annexation at this time, according to Paul M. Beard, member of the Durfee board.

The Chapman district asked Northville to be annexed as long ago as last May. Approval by the state department of public instruction is the only factor holding up a special election to bring

the agreement between Northville and the Chapman district calls for action by the boards "sooner than later," Emerson points out. He added that "this is not a legal step, but is merely an indication of your desire to bring this thing to a vote in your district at a later time this summer."

He stated that indications are that Northville will probably act favorably on your request. "Should Northville request approval of annexation by the State Superintendent of Public Instruction the state will all probability grant the appeal and you should hold an election within 90 days," Emerson said.

The Oakland county educator repeated that he favors the consolidation as compared to the annexation but added that others do not share this view.

"The people in Lansing to whom I talked yesterday (July 6) have no feeling in the matter one way or another, except that they feel that the whole issue should be brought to a head early this summer so any reorganization may take effect prior to the opening of school," Emerson told district officials.

Emerson said that "in a year or so the people of any annexed district will find they have just as much a part to play in the reorganized district as if the joining together had come through consolidation."

Test of Northville's Attitude
Emerson ended his letter with the statement; "If you take the action suggested . . . we will know from the way Northville treats your request whether all districts in the area affected will be given an opportunity to join with a greater Northville school system. This is a most important and crucial matter. It can only be brought to a head through your action."

Record Wants Kiddies Pictures Taken Free for Publication

They grow up so fast, don't they, folks? Why not let us help you preserve your memories by making an everlasting picture of your youngster in our tomorrow's citizens, a photographic feature to be published soon in the Northville Record?

We've invited United Studios, of Elkhart, Ind., an experienced children's studio, to take these special pictures for us.

An expert children's photographer, equipped with the very latest in lighting, the new "speed" lights which eliminate all movement and floodlight glare, will be here Thurs., July 21 in the Community Bldg. The special studio will be set up and will be open from 11 a.m. to 7 p.m.

These special lights enable

the photographer to obtain natural expressions on children who are ordinarily frightened of bright lights.

There is no charge to the parents, absolutely no strings to our invitation. Parents do not have to be subscribers nor even readers of this newspaper. Neither are they obligated to purchase pictures after they are taken.

Selection of the pose to be printed in the paper is left to the parents; at which time additional pictures may be ordered, if so desired, from the representative of United Studios.

Make our TOMMOROW'S CITIZEN'S this year a big success folks! Remember the date, Thurs., July 21 at the Community Bldg. and don't miss this free opportunity to see your children's pictures in print.

Pictures of the Rear View of Alleged Sub-Standard Buildings on Plymouth Ave.

This is the view from the railroad track of some of the buildings and trailers on the three lots at 19000 and 19630 Plymouth Ave., are said to be owned by Carl Schoultz, Northville, and John Bunya, Plymouth. The Northville township board instructed its attorney, James E.

Littell last week to seek action from the owners to bring their properties in conformance with the township zoning ordinance.

A report on these properties, and others in the township, prepared by Waring and Johnson, planning consultants for the township zoning board, was given

to the township board more than a month ago. Grouping all of them under the name Carl Schoultz, 590 Baseline rd., Northville, it said with respect to their non-compliance with the zoning ordinance:

"Nature—Trailer used as dwelling. Three shacks, sub-standard;

two privies existing in "C" (general commercial) district.

Recommendation—Ordinance should be enforced as under Sec. 3.27. Sub-standard dwelling should be made to comply under Sec. 3.13."

Sec. 3.27 provides that "the use of . . . trailer coaches

shall not be allowed . . . in any district, except that a temporary permit may be issued for the parking of one house trailer for not more than 60 days within any calendar year when occupants are provided with sanitary facilities used by the household . . . or

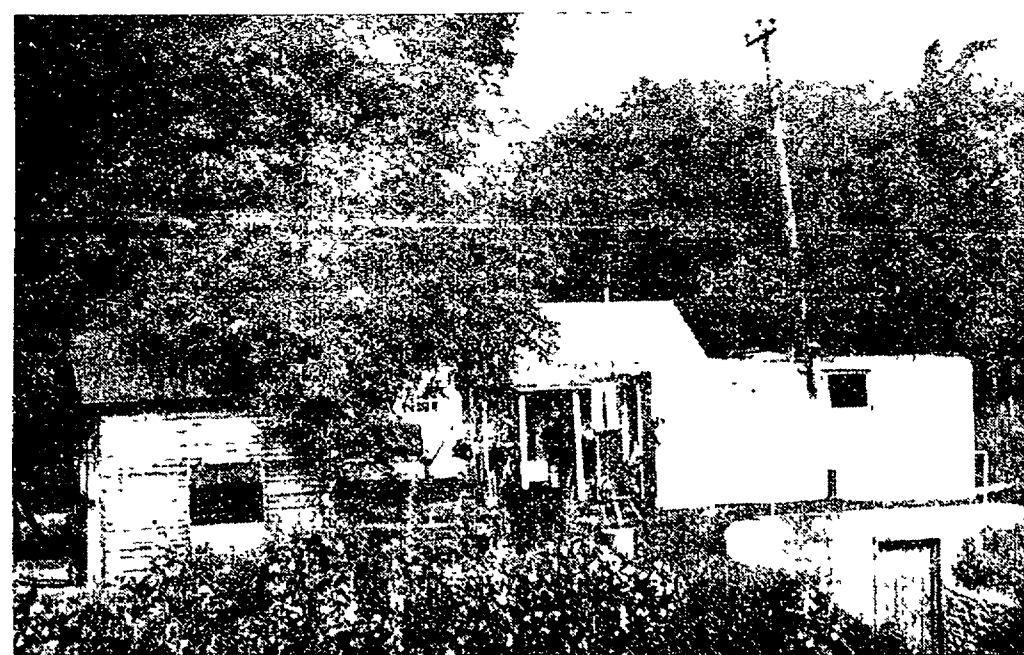

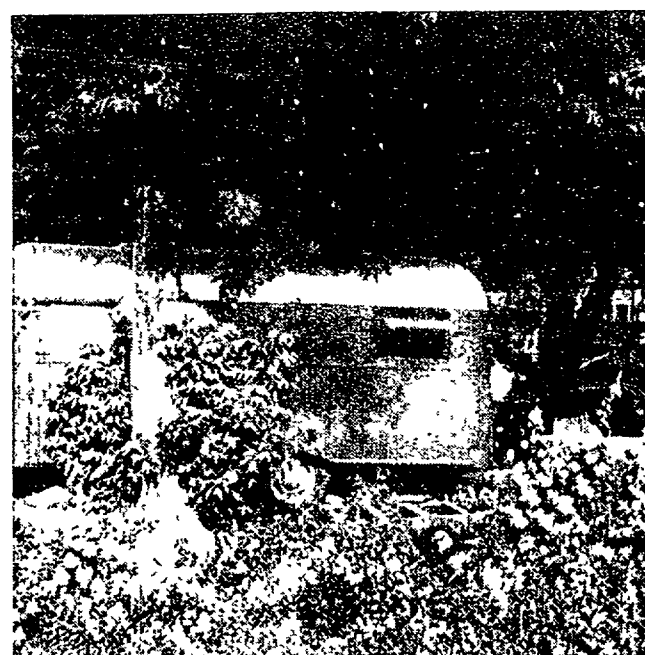

other approved sanitary facilities."

Sec. 3.13 provides that "all sub-standard temporary basement dwellings which have been heretofore erected or occupied, are hereby declared to be unlawful dwellings and shall be vacated within a period of two years, or

otherwise altered to comply with the provisions of this ordinance. Buildings erected as garages shall in no case be occupied for dwelling purposes unless they comply with all the provisions of this ordinance."

Glady Thompson, who said he lives in a house on one of the

three lots, said its interior is in excellent condition. He also denied that anyone from either of the addresses had used the railroad right-of-way for toilet purposes, as testified at the July 5 meeting of the township board, and reported in last week's issue of the Record.

Davidson's 71 Wins Track Golf Meet At Plymouth

Forgetting horses for just one day, 62 race track employees last Sunday held their annual Race Track Golf Tournament at Plymouth country club. Detroit area track owners provided over \$300 worth of prizes, and a roast beef dinner followed at 7:30 p.m.

Low scorer was Fred (Swede) Davidson, who makes the engagements at M. R. A. for Jockey M. Gonzales. Davidson's 71 was a five lower than Track Policeman Paul Ryder, 76, with Jockey Sam Williams close up at 77. M.R.A. Manager R. Leavitt had 90, Northville Downs' Starter Hoyer 98, and calculators Hall, Prosser and Rooney shot their usual 88.

Although any employee of the tracks was eligible to compete, very few of the women sellers played. Of the six game enough to try their skill, Mrs. C. Bunkers' 112 was lowest.

Michigan Bell Sends \$8,286,000 Check To School Fund

Michigan Bell Telephone will make a record contribution of \$8,286,000 to the Primary School Fund this year.

A check, \$4,143,000, covering the company's half-year payment has been turned over to Louis M. Nims, state revenue commissioner, by Courtney W. Edit, assistant treasurer of the company. Another check of like amount will be paid Oct. 31.

The 1955 payments will exceed the tax of a year ago by more than \$1,000,000. Payments this year, Edit said, will raise the company's total contribution to more than \$128,000,000 since 1908 when the Primary School Fund provision was embodied in the state constitution.

The company's tax is allocated to school districts throughout the state on the basis of the school census. Michigan Bell is the largest single contributor to the Primary School Fund.

Liberty will not descend to a people; a people must raise themselves to liberty. It is a blessing that must be earned before it can be enjoyed.

The masses must be loved and saved. They can only be saved if powerful, actual standards of excellence are set up before them. —Dr. Charles Malik

She married a good provider!

Dad's a whiz as a good provider — even thought of the home food freezer!

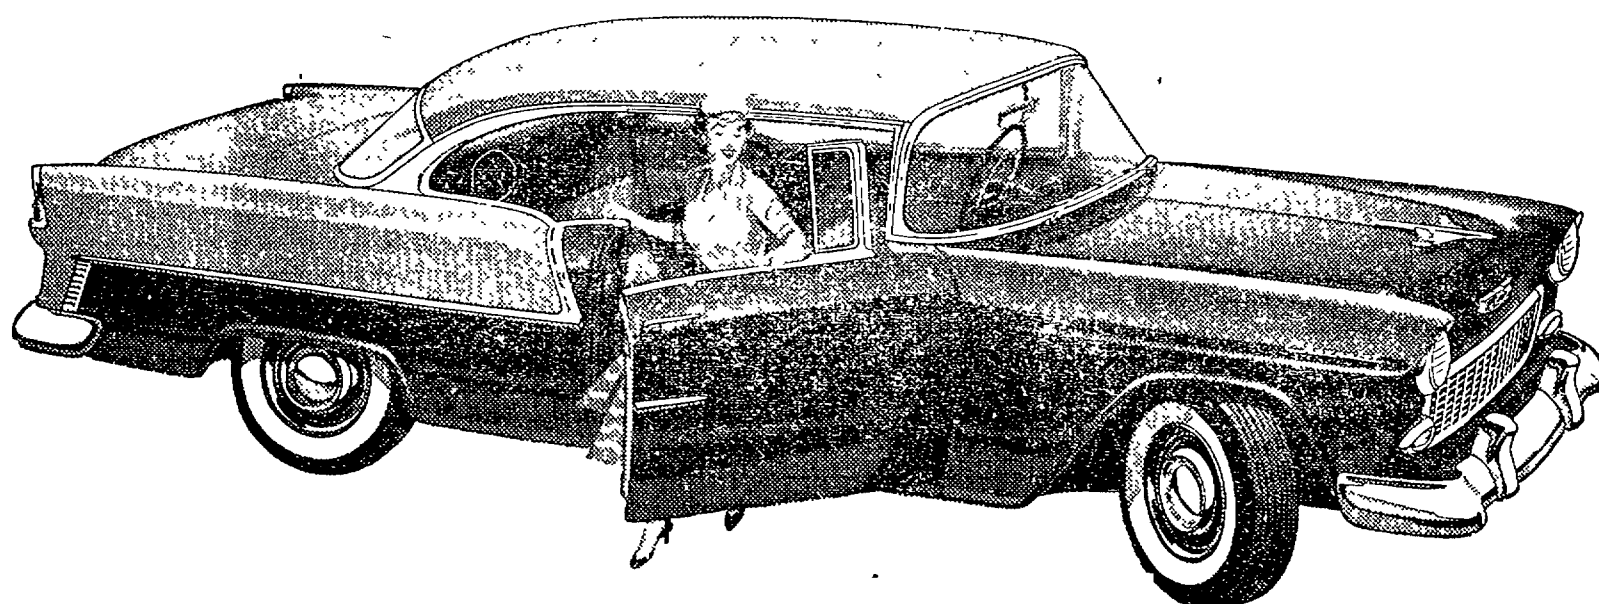

And Mom, who likes to set a good table, finds it the best friend a cook ever had. It keeps in arm's reach the good things (and the good buys) she's always coming up with.

Mom shops once a week or less now, too, thanks to her HFF.*

Chevrolet's got
a new honey of a hardtop
...with a lower-than-ever price tag!

Maybe you've had a yen for a hardtop but couldn't quite squeeze it into your budget. If so, this baby's for you! It's the hardtop as only Chevrolet builds it. Long, low and plenty saucy, like its convertible cousin. It's an honest-to-goodness hardtop, too—no center pillars when you roll down the windows. Nothing but fresh air and a picture-window view. Best of all, this big, beautiful "Two-Ten" Sport Coupe is priced right down with the two-door sedans in Chevrolet's field. It lists for less than any other leading hardtop sold today. Come in and see what a wallop bargain it is.

COMBINE YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS!

Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolet built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

Defiance College Trains Workers For Small Paper

A high school graduate from the Northville area may have opportunity to train for community newspaper work in a new one-year course at Defiance College, Defiance, Ohio. The college has three linotype machines and presses to be used as "laboratory equipment" for the journalism class. Practice on the linotype will supplement training in news gathering and writing.

Some publishers are helping high school graduates pay tuition, on condition they work for the home paper a year. If the student later decided to continue in college, all of the year's training will give credit toward a degree.

The president of Defiance College, Kevin McCann, is a former publisher of weekly papers in the Chicago area. He now is serving at the White House as an assistant to President Dwight D. Eisenhower. He believes that work on community newspapers should be encouraged as one of the best opportunities for useful employment.

Information may be secured by writing to the admissions director at Defiance College, Defiance, Ohio.

Students also will learn type-writing, accounting and oral and written English. One elective class will be included, such as shorthand, business mathematics or advertising.

An announcement from the college says that many weekly and small daily papers are in short of help. The new course is being tailored to their needs, which are different from the metropolitan press. The student will be trained in business, editorial and mechanical departments—an all-round ability needed on the weekly paper.

"Operator! This is an emergency!"

Mrs. Florence Russell Mrs. Shirley Golze Mrs. Stowe and Vicky Lyn

Mrs. James K. Stowe, of Northville, was in the kitchen when she heard Vicky Lyn scream.

The 17-month-old baby had climbed to the top of the stairs. By the time Mrs. Stowe reached her, the baby had fallen to the bottom, injuring herself badly.

The frantic mother rushed to the telephone. She knew she must get someone to take them to the hospital.

When the operator, Mrs. Shirley Golze, heard Mrs. Stowe's excited voice she quickly called the Service Assistant, Mrs. Florence Russell, in case extra help was needed.

Mrs. Stowe declined the operators' offer to call the police. After making several unsuccessful calls to relatives, she finally reached her aunt, Mrs. Lester Kitchen. She sped to the house and took the Stowes to the hospital.

There little Vicky Lyn's injuries were treated and Mrs. Stowe took her home.

Mrs. Stowe wrote to Michigan Bell:

"The operators were so nice, even though they could hardly hear me. My baby was crying and I was so upset I could hardly speak. Thank you for your wonderful assistance when I needed help so badly."

\$1,200,000 Disbursed To First Federal Savings Clients

June 30 earnings paid to savings customers totalled more than \$1,200,000, reports Perry Richwine, vice-president of First Federal Savings and Detroit and manager of the Plymouth branch. Earnings payments are made each June 30 and Dec. 31. This is First Federal's 42nd semi-annual payment. With gains in savings totals averaging about 20 percent a year for the past several years, earnings payments have kept pace. Earnings paid in 1953 were \$1,828,118; in 1954, \$2,195,421, the bank states. First Federal has more than 80,000 savings customers.

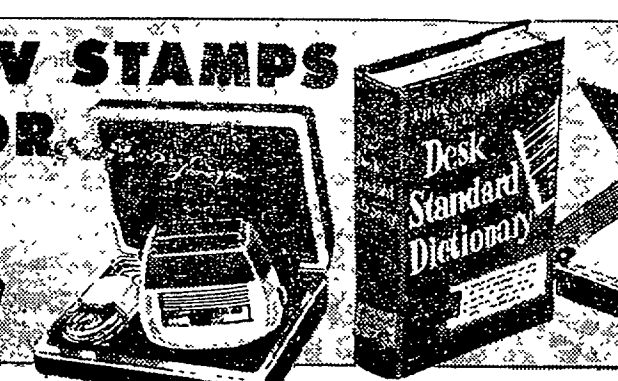

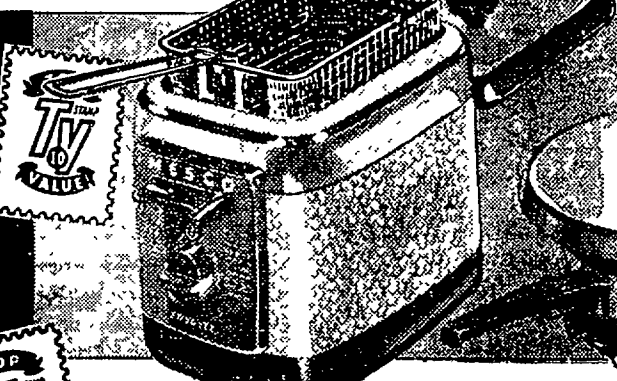

Nationally, it is pointed out that more than 14,000,000 Americans now have their savings in the country's thousands of savings associations. Most of these associations are members of the Federal Home Loan Bank System. Many like First Federal of Detroit, are members of Federal Savings and Loan Insurance Corporation.

In such insured associations, savings are insured to \$10,000 by a government agency.

Burroughs Workers Start Annual Vacation Friday

All production activities at Burroughs Plymouth plant will be suspended during the last two weeks of July for employee vacations and annual inventory, it was announced Wednesday by Robert A. Niemi, Plant Manager. Manufacturing operations will cease at the end of the July 15

night shift. The plant will resume operation Monday morning, Aug. 1st.

During the first week of the shutdown, a skeleton force of about 400 employees will be working, 175 of which will be taking annual inventory.

During the last week of July, personnel will be further reduced to only those necessary for building and tool maintenance, and plant protection.

STATE BANS TRAINER FOR DOPING HORSE

The driver-trainer license of James Helder was revoked for the remainder of the year by the Michigan Racing Commission last Saturday when Helder was convicted of giving procaine to Gallant Pick, winner of the second race at Northville Downs, June 30.

The owner of the horse, Mrs. Julia Terpstra, was held blameless. An official of the local track said that the purse which would have gone to Gallant Pick was distributed among other horses in the race.

Mrs. Allison to be Buried in Indiana

Mrs. Stella M. Allison died suddenly Monday evening at the age of 69. She had lived in Pennville, Ind., previous to coming to Northville 27 years ago.

Mrs. Allison was born in Pennville and her parents were William and Cynthia Earhart Whitacre. Her mother survives and lives in Pennville.

Also surviving are her husband, Noah E. of 376 First St., a son, Donovan, and a daughter, Mrs. Forrest Doren, all of Northville; a brother, Albert Whitacre of Portland, Ore., and one grandson, Jack Doren who is in the Air Force, Long Beach, Calif.

The body will remain at the Phillips-Bahmiller Funeral home until Friday morning when it will be taken to Pennville, Ind., for a church funeral service and interment there.

Mrs. Allison was a member of Orient chapter No. 77, Order of the Eastern Star, Winona club of Northville and a member of the First Methodist church.

IRVING HAMILTON

Funeral services were held July 9 for Irving, four year old son of Mr. and Mrs. Curtis Hamilton of 6710 Five Mile Rd., Salem Twp. The child died July 7 in the University Hospital in Ann Arbor.

The body was taken from the Castlerline Funeral home to the First Baptist church in Northville for services. Rev. Peter Nieuwkoop officiated. Burial was in Worden cemetery.

Lady Horse Owner Robbed of \$200

Mrs. Julia Terpstra of Holland, Mich., owner of horses racing in the meet at Northville Downs, reported to police that her purse containing \$200 had been stolen.

She said that she put it down while looking at a horse. When she looked for it, it was gone.

Race Player's Luck Includes \$35 Fine, Broken Right Arm

Double trouble has been the experience of Walter Sharply, 14676 Stoepel, Detroit. Arrested for disturbing the peace at a cashier's window at Northville Downs, he sustained a broken right arm when he pushed it into the cage

window of Joseph Kovack, Dearborn, a cashier. Kovack grabbed his arm, according to police. Sharply complained about "the service," when Kovack returned to the window after a few minutes absence.

Justice Edward M. Bogart found the defendant guilty and fined him \$35, plus costs and witness fees.

GOOD ATTENDANCE PAYS OFF—Cy Frid, new president of the Northville Rotary club presented pins for consistent attendance records to Ed Devine for a one-year record and City Attorney Philip Ogilvie for a six-year span after installation of new officers of the club. From left, Devine, Ogilvie and Frid.

It is with deep appreciation that I would like to take this opportunity to thank all the people in the Northville area for their loyal patronage while I operated the Junday Standard Service.

Township Board Appoints Woodworth's Wife Treasurer

Mrs. Ruth Woodworth, wife of the late Russell Woodworth, was appointed by the Township Board Monday night to fill her husband's unexpired term as Township treasurer.

The appointment to fill the two year term was nominated by Charles Trickey Jr. and seconded by Frank Clark. The vote of the three member board was unanimous.

According to Supervisor Frazer Starnan, Mrs. Woodworth will be sworn in as soon as details can be arranged, possibly at a special session later this week.

Mrs. Woodworth is the mother of three children, Linda, 7; Richard, 17, and a married daughter, Mrs. James Carl. The family lives at 425 South Lake Drive.

A native of Pontiac, Mrs. Woodworth has lived in this area since her marriage. She is a member of the Rebekah Lodge.

The job of township treasurer will not be a new one to Mrs. Woodworth since she had assisted her husband in his work for many years.

Walled Lake Officials Pay Tribute to Russell Woodworth

The Walled Lake City Council and government officials, in a letter to the Novi Township Board, paid tribute to the late Russell Woodworth, township treasurer.

"We are sure," the letter said, "that it will be most difficult to replace a man who has so faithfully served the people of Novi Township." The letter was signed by City Clerk Ray Price.

Buiding Permit Hits \$309,800 During June

39 building permits for a total of \$309,800 were issued in Novi Township during the month of June, according to township building inspector William Flynn.

55 Attend AMVET Pot Luck Supper

About 55 were present for the pot luck supper family night last Saturday evening at the AMVET post home in Wixom. The AMVET team and the Western Electric team played a game of baseball with the AMVETS winning by a score 9-5.

Several Auxiliary members attended the Regional meeting in Pontiac Monday evening. The Auxiliary cook books will be available soon.

Mr. and Mrs. Frank Benn of Clearwater, Florida arrived in Novi last week to spend a three week's vacation with their daughter and son-in-law, Mr. and Mrs. Gerald Trotter.

Patsy Trotter, suffering from complications of scarlet fever, spent several days in St. Joseph hospital in Pontiac last week.

Novi Cub Scouts attended the baseball game at Briggs Stadium in Detroit last Thursday. They were accompanied by Fred Loynes, Al Harden, Mrs. C. A. Goodfellow, and Mrs. Russell Taylor.

Miss Cecelia Tabler of St. Louis Mo., is the summer guest of Miss Carolyn Gaffney, while taking summer graduate work at Michigan State University. Saturday Miss Gaffney and her guest attended the wedding and reception of Dr. Teresa De Rubic at Lincoln Park. Miss Gaffney and Dr. De Rubic were former roommates while attending college at Kirksville, Mo.

Mr. and Mrs. Arthur Walker of East Lansing spent the week end with the latter's parents, Mr. and Mrs. Alfred Gow. Mr. Walker spent some time at the Air Force Naval Reserve Base at Grosse Ile.

Dr. and Mrs. Woodrow Buehler and children, Karen, Nancy and Rickey and a friend were the week end guests of their parents, Mr. and Mrs. Emerson Wadland. Nancy and her friend will spend the week with her grandparents.

Mr. and Mrs. Chas F. Crawford of S. Lake Drive Novi township, have been entertaining for the past week, Miss Chas Schroeder and Michael Hayden of Detroit. Sunday guests at the Crawford home were Michael's parents, Mr. and Mrs. Martin Hayden.

Russell Taylor and his son, Bobby, are attending the Shriners Convention in Chicago this week.

Mr. and Mrs. Russell Race Jr., and daughter Linda, formerly of Dixon Road, have bought a home on Pine Tree St., in Livonia and have just recently moved there from Redford.

Mr. and Mrs. Arthur Pounders and their six children spent the week end with their sister and parents at Cheboygan. Their son Donald, stayed on for a few days of fishing with his grandparents.

According to township officials who have inspected the water system, many of the water mains and service lines in the project are within two to three feet of the ground surface under the street and at the ditches. This is well above the winter frost line, officials say, and unless corrected, the situation could result in many frozen pipes during a cold winter. The township building code calls for a minimum distance of 4'6" below ground level for all water lines.

Lake Residents Attend Township Meeting Monday

More than 100 residents from the area adjacent to the south side of Walled Lake threw the Monday evening meeting of the Novi township board into a state of disorganized pandemonium.

Ostensibly, they were at the meeting to protest the occupancy of a house at 811 South Lake Dr., by a colored family. However, the subjects discussed included zoning ordinances, police protection, boats, ski clubs, and parked cars.

At times, as many as three people held the floor at once, each stating his point as vigorously and as loudly as possible.

About the only things under control at the session, according to one of the spectators, were the tempers of the township board

MacDermid And Mitchell Win School Election

William MacDermid and James Mitchell won seats on the Novi District No. 8 school board at Monday's election.

MacDermid, a former school board member, polled the highest number of votes, 66, to unseat incumbent member Jack Crawford who received 45 votes. Mitchell, also an incumbent, retained his seat on the board with 58 votes. Leo Harwood, a sticker candidate, received 9 votes.

members, who showed admirable restraint.

The township board agreed to discuss the racial situation with the Negro family involved and try to work out a solution. Some of the residents suggested that the township acquire the property. They suggested uses ranging from a fire hall to a youth center, a voting place, and a speed boat launching site.

The Novi police department was alternately praised and berated by the residents. Half a dozen residents found fault with various aspects of the law enforcement; then someone offered a resolution commending the department for its fine work. The resolution was enthusiastically adopted by the crowd, which then promptly resumed its criticism of the department. This procedure was repeated several times.

Ski clubs came under fire in some of the most bitter attacks of the evening. Reckless operation of power boats on the lake has

Compromise Seen in Racial Dispute

A PEACEFUL COMPROMISE to a racial problem seemed in sight early this week when a "for sale" sign was posted on the house at 811 South Lake Drive which had recently been purchased by a Negro family. After a talk with representatives of the Novi Township Board, the family, Mr. and Mrs. J. W. Griffine of Detroit decided to sell their recently acquired property to a white family. Before purchasing the property, the Griffines had been told that their new neighbors had no objection to Negro neighbors. Anxious to avoid trouble, Mr. and Mrs. Griffine agreed that the wisest move was to sell their property. Mr. Griffine has been an employee of Ford Motor Company for 30 years and Mrs. Griffine is a state official in the Parent Teachers' Organization.

Several attempts to damage the property and a mass protest meeting held last week at the south end of the lake brought the matter to a head. It was after this protest meeting that township officials initiated the discussions with the Griffines which resulted in the property being offered for sale. A group of over a hundred residents took their protests before Monday night's township board meeting.

A "mile of dollars" for the Novi Methodist Church building fund is the latest goal of Walt Tuck, prominent Novi business and civic leader. The length of the dollars hasn't reached a mile yet, but Walt is shown above examining the first fifty feet. He says the bills is made up entirely of voluntary contributions. Most of the bills are autographed with the names of their donors.

Walt was born in Detroit but came to Wixom to live at the age of 9. He attended school in Wixom and in the early twenties he married a Milford girl, Zetta Bush. They

decoration. The possibilities for designs and gadgets on the turtles are almost limitless, according to Recreation Director Stanley Johnston.

For example, last year one of the top dogs, beg your pardon, top turtles, in attention-getting value was one with a celluloid propeller on his back.

Turtles need not be entered before-hand to be eligible for competition. They will race from the center of a 30-foot circle to the outside circumference on the elementary school play ground.

Johnston reminds boys and girls that it's not too early to start lining up entrants for the "Race of the Year."

have two sons, Harold and Donald. Harold is married and lives with his wife, Evelyn, just south of the family business.

Walt entered the automotive business in August, 1925. He started an automobile repair and machine shop business known as Walt's Garage. He saw an opportunity in the auto parts business and at the height of the depression established Novi Auto Parts which he operated along with his garage business.

His parts business prospered and in 1945 he remodeled his building and machine shop, discontinuing his automotive repair business. Today, wholesale auto parts and machine work account for the major portion of his business and his salesmen call on over 300 customers within a 25-mile radius of Novi.

One of the most civic-minded men in the area, Walt is past president of the Board of Commerce, a former school board official, a member of the Oddfellows Lodge, and chairman of the finance committee at the Methodist Church. Walt was also fire chief of the Novi fire department for 25 years.

(Incidentally, Tuck credits the "mile of dollars" idea to another Novi businessman, Leo Harrawood.)

Despite this heavy schedule of activities, Walt occasionally finds time for his hobbies, hunting, fishing, and gardening.

Zoning...

(Continued)

Typical Examples

The following typical non-conforming uses, together with the zoning board's recommendations, are from the official report, which also lists names and addresses.

Example 1—Two trailers used as residence. Trailer to west of house used by mother, in R-1-E district. (Country estates.) Recommendation—Township Board should enforce ordinance.

Example 2—Three trailers used for dwellings in M-1 district. (Light industry). Sub-standard dwelling. Lot \$110; buildings \$500. Recommendation—A slum clearance project should be undertaken under the direction of the township board.

Example 3—Trailer used as dwelling in R-1-F district. (Small farms.) Recommendation—The Township board should enforce ordinance.

Example 4—Two sub-standard dwellings in R-1 district. (Country estates.) Recommendation—Township board should enforce improvement of these homes by requiring the proper sanitary facilities to be installed.

Example 5—Barn being used as temporary dwelling in R-1 district. Recommendation—Owner should be notified of violation. Ordinance should be enforced.

Example 6—Basement dwelling in R-1 district. Recommendation—Township board should encourage the completion of this dwelling to provide a better living condition, pursuant to Sec. 3:13 of zoning ordinance. (Sec. 3:13 provides that all sub-standard temporary basement dwellings shall be vacated within a period of two years, or otherwise altered to comply with provisions of the zoning ordinance.)

Example 7—Sub-standard dwelling. Two dwellings on this lot in R-1-F district. Recommendation—Township board should encourage improvement of this home by requiring proper sanitary facilities.

Example 8—Garage being used for the repair of cars, trucks, etc. Junk cars stored in back of garage in R-1-F district. Recommendation—This is a use in violation of the previous ordinance. The circumstances of this case should be investigated by the building inspector and course of action determined accordingly.

Costs of replacing large elm trees that have been destroyed by the tiny beetles is virtually prohibitive.

Copies of a pamphlet describing the disease and its treatment in detail are available, without cost from Green Ridge Nursery.

The township board agreed to investigate the possibility of installing marking buoys or floats around designated swimming areas in an effort to control the operation of the boats.

Police Chief Lee BeGole also outlined the efforts now being made by the township to enforce safe operation of these boats. He explained that for the first time a police patrol boat is assigned to the lake on weekends and holidays. Operated by patrolman Verne Loeffler, the boat has done much already to improve existing conditions, BeGole said.

Grandale Whips Northville Nine

Northville lost its third successive game in the Inter-County league Sunday when poor pitching and errors were responsible for the short end of a 9-3 score in a game here with the Grandale Merchants.

The local nine made 10 hits

and committed four errors, against 14 hits and two boners for the winners.

After scoring one run in the opening inning, Grandale collected four markers in the second; one in the fifth, and three more in the eighth. Northville's three tallies were accounted for by one in the first and two in the third frame.

Manager Steve Folino has signed Johnny Matsock, former Michigan State University baseball star for the Northville club. Matsock is a shortstop. Also signing on the dotted line was Al Fracas, a pitcher from MSU.

The local nine plays at Allen Park next Sunday. Other games in the league Sunday are: Wallaceville at Lincoln Park, Wayne at Plymouth, Garden City, Wayne Dietrich at Wayne, and Ypsilanti at Grandale.

Recreation Items

The second annual turtle race will be July 29 on the elementary school playground at 10 a.m. This event, sponsored by the Northville Record and the Recreation department, features the racing of turtles from the center of a circle 30 feet in diameter to the outside circumference. The first turtle to reach this finish line is declared the winner.

Any youngster may enter the races if he or she is 15 years or under. Money prizes will be offered in each of the four races for first, second and third place winners. Money prizes will also be awarded to the owners of the biggest, smallest and the turtle with the most original design. All turtles should have some sort of identification mark on their back. All turtles will be eligible to compete in all four races if they have not placed as a winner in any of the previous runnings. Turtles need not be entered before hand to be eligible to compete.

More details will be announced in the next issue of the Record.

PET AND DOLL SHOW

On Aug. 11 the second annual pet and doll show will be held on the elementary school playground.

BASEBALL GAME

There are still some tickets available for the Tiger ballgame on July 21. This trip to Briggs Stadium was arranged by the Recreation dept. and will accommodate 80 youngsters and eight adult supervisors.

The trip and ballgame are free. You must sign up to be eligible to go. You may sign any morning between the hours of 9 and 12 noon on the elementary school playground. One of the supervisors at the day camp will take care of you.

The boys participating in the recreation department's baseball program are especially urged to attend. However, they must sign up to be eligible. Any boy or girl may attend and a special initiation is extended to the Junior Police.

JUNIOR POLICE

Let's go, Junior Police. The Detroit Police Field Day will be Aug. 6. You can go free of charge and a nice new "tee shirt" will be yours to wear. Make a note to keep this day open. More details will be in the next issue of the Record.

DAY CAMP

Some 50 youngsters a day attend the day camp sponsored by the recreation department in the first week of the "vacation of fun" program.

Arts, crafts and games are offered for three hours every day, Monday through Friday, from 9 a.m. to 12 noon. Youngsters of elementary school age are invited to attend. The location is the elementary school playground.

Messina, 2nd Base, Goes to Yank's Ky. Farm Club

Wally Messina, second baseman with the Northville baseball team in the Inter-County League this season, has signed with the New York Yankees. He has been assigned to the Owensboro, Ky., club of the Class D Kitty league.

Messina, 18 years old, played his last game with Northville Monday. He was a parochial league star in Detroit as a member of the St. Philip and St. Bernard teams.

He is reported to have received \$4,000 plus a contract. Since starting with Northville this year Messina has been scouted by several big league teams. He was signed by Mickey Cochrane, former catcher for the Detroit Tigers who is now a coach for the New York Yankees.

Sanctioned Match Slated by Livonia Kennel Club Sun.

The Livonia Kennel club will hold its 1st All Breed Sanctioned Match Sun., July 17, 1955 at the Detroit Race Course, Schoolcraft and Middlebelt Rds, Livonia.

SWIMMING

Swimming every day, Monday through Friday for young and old. A bus will leave the high school at 1 p.m. All you need is a swim suit, towel and 15 cents.

T-SHIRTS

There are still some recreation T-Shirts available. By wearing one of these shirts you can go swimming free of charge on Wednesdays. The cost is one dollar and you can buy them any morning at the day camp between the hours of 9 and 12, or 9 free days of swimming.

Michigan Stops Use Of a Separate Presidential Ballot

Many important changes in the election laws will be in effect when Michigan voters go to the polls next year.

There no longer will be a separate ballot for president of the U. S. The Presidential ballot will be combined with the state ballot for the first time since 1937.

Among other major new provisions of the new election code are the following:

All communities now must use written applications from a voter for a ballot. Previously, communities of less than 5,000 population were not required to use written applications.

A majority of the members of

This match is expected to draw 50 different breeds. Besides the regular judging and array of trophies and ribbons, Charles Art of will stage an act with the dept's the Dearborn police department trained German Shepherds.

Judging starts at 1 p.m. All AKC registered dogs 6 months of age or over, are eligible except champions. Refreshments will be available. The show will go on "rain or shine," there are facilities for putting the show on indoors, according to Gene Burman, president.

the election board must be present at all times, compared with the previous requirement that three be present.

Election inspectors must submit a written application before appointment, stating political affiliation, education, experience, and other information.

New Rule on Challengers
Challengers must now be registered electors of the city or township in which they act, and candidates cannot act as challengers.

Ballots no longer will be initiated by election inspectors. County clerks must have their offices open for election purposes all day on election day and to remain open until all returns are in. Copies of all returns must be made available to the press and other interested persons.

Paper ballot precincts are limited in size to 800 registered voters and machine precincts to 1,400, with one machine provided for each 600 registered voters.

Township caucuses must be

held on the same day as primary elections.

State party conventions can be held as late as Sept. 1, in 1956.

Anyone circulating election petitions must state his full address, including street and number or rural route.

Absent voters ballots must be voted on voting machines immediately after the polls close and the last voter has cast his ballot.

Votes cast for a deceased candidate shall not be counted.

NOW-Biggest Trade-in Deals ever on the Biggest-Selling Buicks in History!
Come in and see!

You can sit this pretty for only \$2251⁸⁸ *

delivered locally!

We'll mince no words.

You can buy a Buick SPECIAL like the one shown here if you can buy any new car.

You can boss this big and brawny Buick Sedan for just about the price of the smaller cars—even for less than some models of the three most widely known smaller cars. The price we show here proves that.

But you can't get anywhere else for the money what you get in this or any other new Buick — and that's something you really ought to look into.

For Buick sales are soaring to all-time best-seller highs this year just because more and more people are discovering how much more automobile their dollars buy in a Buick than the same dollars buy elsewhere.

They find Buick a bigger package of automobile for the money—bigger in power thrill, in comfort, in ride steadiness, in structural solidity.

They find Buick size and styling an added prestige—Buick roadability and handling ease an added pleasure—Buick brawn and precision an added reassurance.

And they find Buick performance a thrill without peer—for where else can you get the whip-quick response and bettered gas mileage of Variable Pitch Dynaflo?

Maybe you'd better drop in for a visit and see how much real automobile and fun and deep-down satisfaction your money buys in Buick.

*2-door, 6-passenger Buick SPECIAL Sedan, Model 48, illustrated. Optional equipment, accessories, any state and local taxes, additional. Prices may vary slightly in adjoining communities. Even factory-installed options are bargains.

Whether you want the low-priced SPECIAL, the high-powered CENTURY, the extra-roomy SUPER, or the custom-built ROADMASTER—you'll find the price more than right and the trade-in deal terrific. Can you make it today?

+Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

DID YOU KNOW

- that the Buick SPECIAL is priced below any other car of 188 horsepower and 122-inch wheelbase?
- that the Buick SPECIAL is priced below some models of the three well-known smaller cars?
- that the Buick SPECIAL gives you more pounds of automobile than any other car at its low price?

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Do old fashioned molasses cookies give you that nostalgic feeling? These will! And every cookie jar should be filled with these particular drop cookies at all times. They are filled with plump raisins

and spices which stay moist and have a rich molasses flavor.

Mrs. Clarence Jerome, who gave us this recipe, sends them to her daughter, Arlene, who is studying nursing at Bronson Memorial hos-

pital in Kalamazoo. Arlene says the cookies are usually gone 15 minutes after the box is opened.

Above, Mrs. Jerome is taking a pan of hot cookies from the oven and eyeing her is her 11 year-old son, Jerry, standing beside her waiting for one of those delicious fresh cookies.

The Jeromes reside at 419 Dunbar St.

Molasses Drop Cookies

1/2 cup sugar
1/2 cup shortening
1/2 cup sour milk
1/2 cup molasses
2 and 1/2 cups flour
1/4 teaspoon salt
1 egg
1 teaspoon soda
1/4 teaspoon cinnamon
1/4 teaspoon nutmeg
1/4 teaspoon cloves
1/4 teaspoon ginger
1/4 teaspoon allspice
1 cup raisins

Cream sugar and shortening, add egg and beat again. Add sour milk and molasses. Sift flour and salt, soda and spices and add to the other mixture. Add the raisins last.

Bake in 350 degree oven for about 15 minutes.

WHEN EVERYTHING GOES KAPUT!

Bringing electric power to you is a big job. Sometimes high winds, ice, sleet or rain play havoc by breaking or bending trees so they in turn break the wires. Such serious inconvenience to you can be eliminated by systematic trimming or removal of trees growing directly under, or too close alongside, power lines.

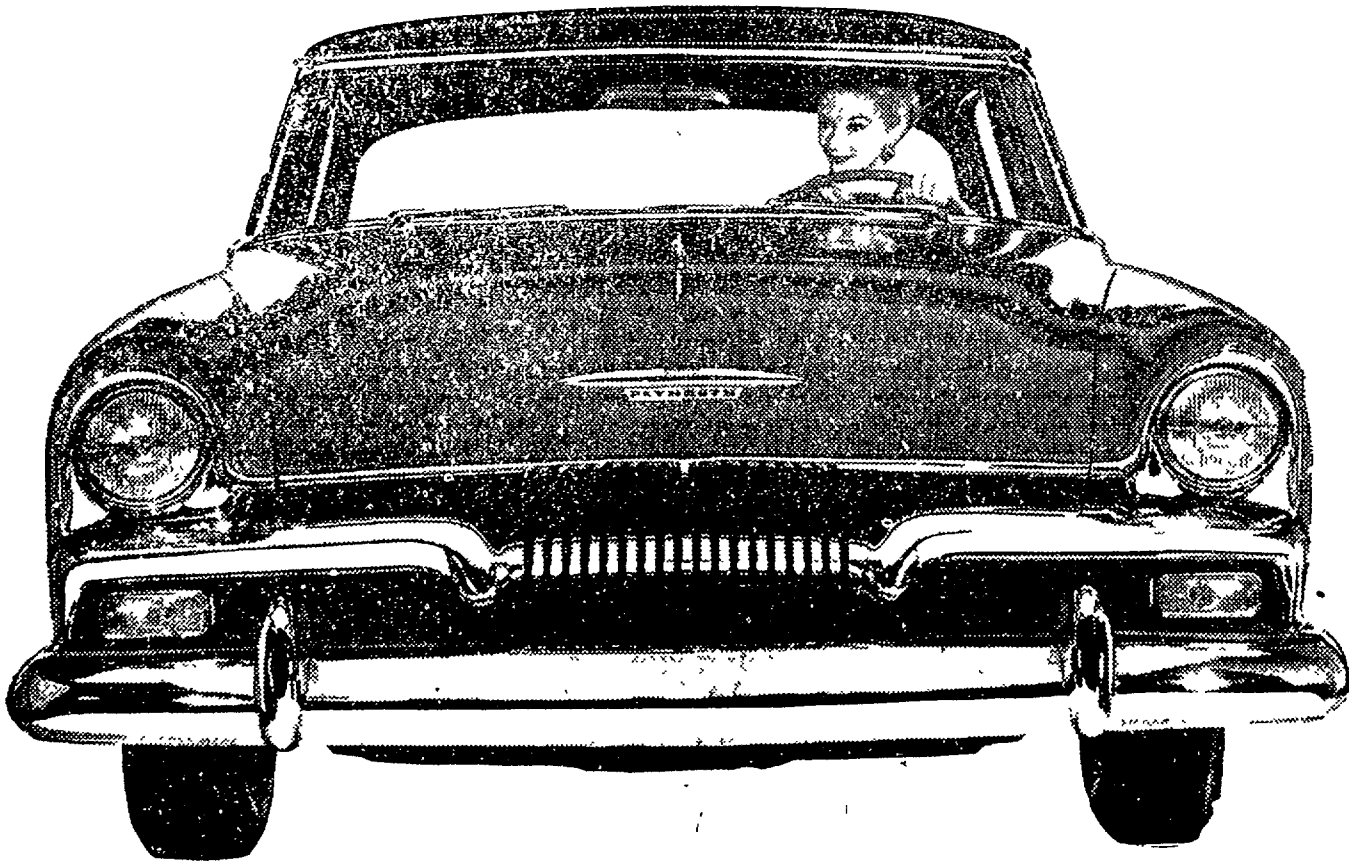

That's the purpose of Edison's tree control program. Experienced crews, supervised by trained foresters, work around the calendar. Their job? The

sometimes stupendous task of keeping 81,000 miles of lines in service!

You will find these men try very hard to maintain the beauty of trees. When they are in your area, they will contact you and request permission to work on any of your trees near lines that may need attention. The crew will work carefully—their interest and responsibility is minimizing interruptions to your electric service, and that of your neighbors.

Players Plan Picnic Saturday

The Farmington Players have planned an evening July 16 at the home of Mrs. Lillian Donaldson at Union Lake. Swimming and a pot-luck supper are part of the program.

The success of two one-act plays, presented June 18 on an outdoor stage, was the inspiration to the players and their guests for the picnic.

Nurse Role Played By Miss Clark in University Play

The second production of the Ruidoso, N. M., summer theatre opened this week end July 8, 9, 10. The play is "Night Must Fall" and will also play on Friday, Saturday, and Sunday, July 15, 16, 17. The theatre is sponsored by Eastern New Mexico University, Portales. Miss Ronnie Clark, daughter of Mr. and Mrs. F. Clark, a student at the university, plays the role of Nurse Libby.

Vows Exchanged in Plymouth Church

Miss Marilyn McClumpha became the bride of Jack Marr in ceremonies at the Presbyterian church in Plymouth at six o'clock on July 1. Dr. Henry J. Welch read the single ring service.

Marilyn is the daughter of Mrs. Mary McClumpha of 50285 Warren Rd., Plymouth, and her husband is the son of Mrs. Rebecca Marr of 580 Plymouth Ave., Northville.

For her wedding, Marilyn chose a street length gown of pink tulle. The fitted bodice had a sweetheart neck line and short sleeves. She carried a white orchid.

Mrs. McClumpha wore a gown of gray rayon crepe and a corsage of pink carnations. Mrs. Marr wore a red nylon gown and a corsage of white carnations.

Following the ceremony, a reception for 75 guests was held at the VFW hall.

Mr. and Mrs. Marr drove to northern Michigan for a week's honeymoon. They are residing at 580 Plymouth Ave.

Important thought to keep in mind:

There are times when it can be awfully embarrassing to stall. There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

New Gulf No-Nox Gasoline delivers not just the highest octane but full working octane because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean. That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get...

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock and engine stalling
- no knock, no pre-ignition—even in today's high-compression engines

Fortune Telling And Star Gazing

It is amazing to find that millions of dollars are spent annually by people in the United States to inquire into the future.

Numbers of our congressmen are regular patrons of these establishments. It is reliably stated that Hitler consulted the Astrologers before conducting an important phase of his farfare. Many ask, is there anything to it? The Bible teaches us that in the realms of powers of darkness are demons, fallen angels and spirits. It is their purpose to deceive both the wise and the simple. Many people have been led astray by the Satanic teachings and prophecies of Spiritualism, Fortune Tellers and Crystal Gazers. Listen to what the Bible says in Deuteronomy 18:10-12, "There shall not be found among you any one that maketh his son or his daughter to pass through the fire, or that useth divination, or an observer of times, or an enchanter, or a witch, or a charmer, or a consulter with familiar spirits, or a wizard, or a seer. For these things are an abomination unto the Lord." We see, then that the Bible does not deny the powers of those workers of iniquity but warns His people against them. If your life is anchored in Christ you will have no occasion to inquire of the morrow.

MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

INDUSTRY AND LABOR have turned politics and laws topsyturvy in Lansing. Republicans increased weekly benefits to idle workers from \$42 to \$54 maximum, keeping the \$30 maximum for single men. Gov. Williams signed the bill but didn't like it.

WILLIAMS SAID DEMOCRATIC plans would have given workers—all workers—50 per cent of their regular earnings during idle periods. Republicans say their plan already does that.

Realists and those with adding machines say both are right, except that Williams is referring to take-home pay and Republicans to gross wages.

Republicans say the benefit increase gives Michigan the "best unemployment compensation law

in any industrial state." Williams calls it "pitiful" and says the average boost is 71 cents.

That part of the argument is natural.

LABOR AND MANAGEMENT in Detroit, by negotiating modified guaranteed annual wage settlements at General Motors and Ford, set new scenery for attitudes.

The new contracts allow idle employees to collect state unemployment benefits, then the companies add in a percentage to give the idle worker a certain percentage of his weekly wage.

THERE IS A NEED for legislation to erase the ban against recipients of unemployment com-

pensation from otherwise receiving income while idle. Republicans are in favor of the changes.

Williams hinted at the possibility of Republicans raising benefits next year, so the proportionate share of the industries will be less when the benefit claims come in.

Williams, always in favor of higher benefits, said he might be joined by Republicans in the legislature who, he claims, have ignored his appeals for increases.

"IT WILL DEMONSTRATE again the tender regard of the Republican party for big business," he said.

The fortunate participants in the controversy are the workers. Whatever happens now, they will benefit under any version of the plan—and most workers vote on election day.

RESORT AREAS DEPENDING upon tourists in all seasons for the year for their existence had some welcome news this week.

The Michigan Tourist Council told legislators it would use the full \$44,000 increase in its 1956-57 budget for advertising and promotional activities.

Ralph W. Budd, president of Great Lakes Greyhound Lines and three-time chairman of the council, said:

"We want to assure the legislature the money will be spent as we promised when the increase was granted."

WHILE WORKING on the general summer tourist season at the normal concentration, the council said it would work toward extending the season in the early spring and late summer.

Another idea will be to concentrate more on winter sport areas, to make Michigan a year-round vacation area.

MICHIGAN STATE COLLEGE is now Michigan State University but the change still is making.

The legislature changed the name effective July 1 to give the first agricultural college in the nation the stature MSU has earned in its 100 years.

Dr. John A. Hannah, president of the new university, has ordered that stationery supplies, cafeteria dishes and other items bearing the old name be used up before the new-name replacements are requisitioned.

The Alma Mater and the Spartan Fight Song have been changed to rhyme and still carry the university designation.

OTHERWISE, THERE WAS NO celebration along the banks of the Red Cedar when the change became official.

"We've long been a university and there's little cause for celebration at getting what we deserve," said one student.

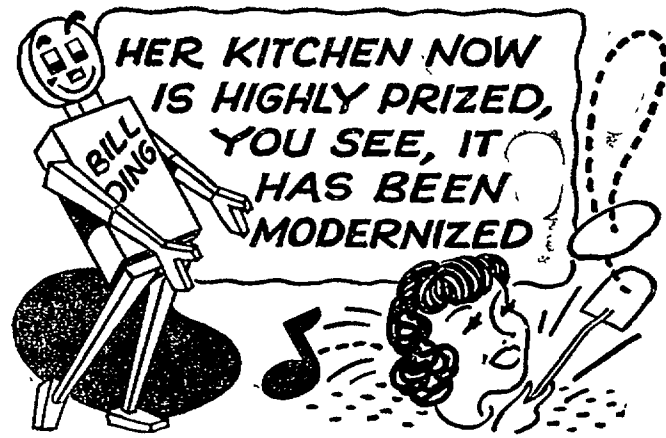

AUD. GEN. VICTOR TARGONSKI just received an unprecedented grant of legal power.

Atty. Gen. Thomas M. Kavanagh ruled that Targonski could cancel an annual county land tax sale if the treasurer failed to make the bidding competitive and sell each parcel separately.

WITHOUT POINTING A FINGER, Targonski hinted broadly that some treasurers were selling large parcels of land to friends without competitive bidding.

Kavanagh also ruled that if a tax sale were cancelled, the land would revert to the state, the treasurer and his bondsman would be liable for the cost of re-advertising the subsequent sale and for the interest which the state lost by the delay.

As a crowning opinion, Kavanagh said that if treasurers failed to follow the letter of the tax sale law, a petition would be started for their removal.

There is no good time to mess up a kitchen with remodeling but summer time is better than most. Usually a new window or two will make a good start. We would like to suggest Andersen Window Units as tops in better windows. All types, casements, gliders, hopper or awning and standard sliding. We have samples to show you.
