James Whipple, 21, Dies Rotary Is Host In Chicago Air Crash

Funeral Set For Friday At Casterline of his fraternity, Delta Chi. He played piano in a fraternity com-**Funeral Home**

A tragic airliner crash in Chicago Sunday claimed the life of well-known Northville man, 21-year-old James Whipple.

Twenty-one others were killed when the plane, carrying 43 passengers, nosed down in a morning fog at Midway Airport, hit a billboard and rammed through a fence in a burst of flames.

Whipple, the only son of Mr. and Mrs. Howard Whipple of 51700 W. Seven Mile Rd., was returning home from ROTC summer camp at Webb Air Force Base, Big Springs, Tex.

Born in Highland Park, he was graduated from Northville High school in 1951. He attended Michigan State university and would have been graduated from there in three months. A political science major with a B average, Whipple had Air Force service

Jr. Police To Attend mingham Miss Belfore is a speech Field Day August 6

All members of the Northville Junior Police and those who wish to join the group are requested by Recreation Director Stanley Johnston to meet at the rear en trance to the Community Bldg. Friday, Aug. 5 at 10 a.m.

At this time T-shirts made es pecially for the Junior Police will be distributed without charge to the boys. Wearing of the Junier Police T-shirts is necessary for attendance at the annual Detroit Police Field Day Saturday, Aug

Belfore, 21, of 255 Linden, Birand swimming instructor at Cranprook Institute, Bloomfield Hills.

Whipple's father is parks suprintendent at the William H. Maybury Sanitorium. Other surviving relatives are

Frank Wilkinson of Northville, Mrs. Orson Corwin of Wayne and Mr .and Mrs. Fred Nollar, who reside in the Ann Arbor vicinity.

The funeral will be held at:2 p.m. Friday at the Casterline Funeral home with the Rev. Dr Harold Fredsell offic sting. The burial will be in kurai Hill

Whipple's Delta Chi fraternity brothers will be pallbearers.

Two local men were recently retired from the Ford Valve plant in Northville, Pictured on their last day at work with Foreman William Statezni (center), are Stanley Gierczyk of 48762 W. Nine Mile, (left) and M. J. Giles of 5639 Oakman Blvd., (right).

To 19 Returning **Exchange Students**

More than 175 Northville Rotarians, wives, exchange students and their foster parents attended of his fraternity, Delta Chi. He the Rotary club's German Exchange Student Farewell dinner at the Presbyterian church Tuesday evening.

The 19 German students left the following morning for New York where they will board a ship for their journey home.

Although the trip home will be a happy one for the students who are looking forward to seeing their families again, there were signs of sadness at the farewell dinner. Boys and girls who had arrived here as total strangers one year ago found it hard to say good-bye to their foster parents, whom they had grown to love and respect. For the foster parents, too, the parting was not an easy one. The students had become a part of their families.

A turkey dinner was served by ladies of the First Presby-terian church, followed by a short program headed by Master of Ceremonies Ed Devine. Rotary President Cy Frid welcomed the group on behalf of the Northville group.

Rotarian Scott K. Price, a fost er parent from Fowlerville, gave a toast to the departing students and Northville's exchange student, Traute Schaefer, toasted the host families.

Rev. Chester H. Loucks, pastor of the First Baptist church in Ann Arbor, was introduced to the students. Rev. and Mrs. Loucks will serve as chaperones and accompany the students to Germany

The 19 exchange students came to Michigan during the past year as part of a program sponsored by the Michigan Council of Churches and the State Depart ment. The educational exchange program is designed to give German students a better idea of community and family life, in

Michigan communities partici pating in the project are Allegan Bay City, Birmingham, Boyne City, Charlotte, Constantine, East Detroit, Fowlerville, Grand Rapids ,Hillsdale, Niles, Northville, Owosso, Pontiac, St. Joseph, Sodus, Southfield, Three Oaks and Union City.

\$300 a year to apply on maintenance of the pavement through the track property as long as a contract between the city and the track for \$500 a day for municipal services furnished to the track is in effect. The amount is limited to \$300 by charter restrictions, the letter to the track management pointed out.

A letter from the Retail Merchants Assn. of Northville, signed by President George Clark, asked the commission "to increase the fees for peddlers by a substantial amount. It is the feeling of the association that everyone selling merchandise in the community should pay a fair share of the cost of government. This the peddlers are not doing at present," the letter stated.

It was decided to wait until adoption of the new city charter to alter the fees.

In reply to an earlier request from the city commission to the common council of Detroit to consider favorably the request of Northville Bus Lines for support by Detroit for an increase in service to William H. Maybury Sanitorium the, Northville body received a letter from Clifford Prevost, executive secretary to Mayor Albert H. Cobo, stating that the matter was under considera-

Detroiter Stabbed Twice in Shoulder At Northville Downs

Joseph Hitchcock, 14128 Riopelle, Detroit, was stabbed twice in the right shoulder at Northville Downs last Friday night as he was leaving the track by an unknown assailant Identification was hindered, Hitchcock said because a crowd was leaving the track at the time.

After being taken to the first aid station at the track, Hitchcock was sent to Sessions hospital by Dr. L. W. Snow, track physician. Hitchcock has been released from Sessions.

1,240 Acres Acquired For Conservation By State of Michigan

Michigan's Conservation Commission recently approved the purchase of 1,240 acres of land for public conservation purposes.

This does not mean the commission or the state government is pursuing a land-grab policy, Conservation Department Director Gerald E. Eddy points out.

A state highway map shows vast areas of northern Michigan to be owned either by the state or federal government, but this picture may lead to the wrong impression.

Actually, the department administers about 4,000,000 of Michigan's 36,000,000 acres, land divided in state parks, game areas, state forests and other projects. But the state administers few

projects where ownership is totalblocked in. In most state forests, for example, only a percentage of the land inside the project boundaries is publicly owned. The 1,240 acres recently purchased was for the most part private land inside dedicated projects that became available at a reasonable price. Slowly, these areas are being blocked in to provide maximum recreation and conservation use to Michigan's public.

Cardinals Plan Tryout Camp At Monroe August 1-2

A St. Louis Cardinal baseball tryout camp will be held at Cairns Field in Monroe Aug. 1 and 2. Prominent Cardinal scouts will be on hand to conduct the workouts which may result in a baseball career for some of the youthful hopefuls on hand. Workouts, open to all players between 17 and 23, start each morning at

10 o'clock. Players attending the trial sessions need bring only a glove, baseball shoes and a uniform, if he has one. All other equipment will be furnished by the St. Louis National League team.

A move for annexation of voters to pass on the proposal. Chapman school district No. 7, The board had previously been Novi township, to the Northville petitioned by about 100 persons public school system started in the district to go ahead with the annexation plans.

This figure is approximately the tendent of public instruction in number of eligible voters in the letters dated July 18 to William district. There is a required waiting period of six days between man school board and Northville the calling of the election and

"This approval is granted," Taylor told the two districts infeels that well established high school centers should extend their boundaries to include territory now being serviced for either elementary and/or high school

Step In Solidifying

"Our indications are that the Northville board is giving serious consideration to the annexation of all districts which are a part of its logical service area.

"The annexation of Novi No. 7 s a step in solidifying the Northville High school area."

It is planned to push the annexation plans to completion before the opening of the new school year. According to the school census, Chapman district has 35 pupils from the kindergarten through the sixth grade and 17 in the seventh grade through 12th.

A special meeting last Thursday of the Northville board of education called at the request of the state department of public instruction to reaffirm an earlier resolution on annexation of schools decided to table the matter for future consideration.

Want All Members Present

It was the consensus that Board President Robert Coolman and Supt. of Schools Russell Amerman should be present at a discussion of the state proposal. Both were on vacation at the time of the

May 19 the board adopted a resolution "in favor of annexing any of the following districts: Salem Union, East Novi No. 2 fractional; Durfee No. 6 fractional; Chapman No. 7, Novi No. 3 and Putnam No. 9.

The resolution reserved the right "to submit any such annexation proposition to a vote of the electorate of the district . . . and to abide by the result of such vote.

Another study of reaffirming the earlier action was the desire of the board to learn what action the state department would take on the proposed annexation of the Chapman district.

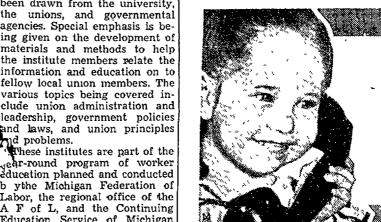

Sterner Appointed To Advisory Group At Valparaiso U.

Wilfred A. Sterner of 22701 Beck Rd., has been invited by Valparaiso university, Valparaiso, Ind., to attend the second annual campus convention of the Valparaiso Advisory Council on Aug 5-6.

Convention participants will discuss problems and methods of gaining increased understanding and support for Valparaiso's program of Christian education.

Sterner was appointed by Dr. O. P. Kretzmann, V.U. prisident, to serve as a member of the Valparaiso Advisory Council. The Council is composed of representatives from congregations of Synodical Conference Lutheran

James Whipple, 21, Dies Rotary Is Host In Chicago Air Crash

Funeral Set For Friday At Casterline **Funeral Home**

A tragic airliner crash in Chicago Sunday claimed the life of a well-known Northville man, 21-year-old James Whipple.

Twenty-one others were killed when the plane, carrying 43 passengers, nosed down in a morning fog at Midway Airport, hit a billboard and rammed through a fence in a burst of flames.

Whipple, the only son of Mr. and Mrs. Howard Whipple of 51700 W. Seven Mile Rd., was returning home from ROTC summer camp at Webb Air Force Base, Big Springs, Tex.

Born in Highland Park, he was graduated from Northville High school in 1951. He attended Michigan State university and would have been graduated from there in three months. A political science major with a B average, Whipple had Air Force service

Jr. Police To Attend Field Day August 6

All members of the Northville Junior Police and those who wish to join the group are requested by Recreation Director Stanley Johnston to meet at the rear entrance to the Community Bldg. Friday, Aug. 5 at 10 am.

At this time T-shirts made especially for the Junior Police will be distributed without charge to the boys. Wearing of the Junior Police T-shirts is necessary for attendance at the annual Detroit Police Field Day Saturday, Aug.

a career in teaching.

To 19 Returning **Exchange Students**

tarians, wives, exchange students and their foster parents attended the Rotary club's German Exchange Student Farewell dinner at the Presbyterian church Tuesday evening.

The 19 German students left the following morning for New York where they will board a ship for their journey home.

Although the trip home will be a happy one for the students who are looking forward to seeing their families again, there were signs of sadness at the farewell dinner. Boys and girls who had arrived here as total strangers one year ago found it hard to say good-bye to their foster parents, whom they had grown to love and respect. For the foster parents, too, the parting was not an easy one. The students had become a part of their families.

A turkey dinner was served by ladies of the First Presbyterian church, followed by a short program headed by Master of Ceremonies Ed Devine. Rotary President Cy Frid welcomed the group on behalf of the North-

Rotarian Scott K. Price, a foster parent from Fowlerville, gave a toast to the departing students and Northville's exchange student, Traute Schaefer, toasted the host families.

Rev. Chester H. Loucks, pastor of the First Baptist church in Ann Arbor, was introduced to the students. Rev. and Mrs. Loucks will serve as chaperones and accompany the students to Germany

The 19 exchange students came to Michigan during the past year as part of a program sponsored by the Michigan Council of Churches and the State Department. The educational exchange

program is designed to give German students a better idea of community and family life, in

Michigan communities participating in the project are Allegan, Bay City, Birmingham, Boyne City, Charlotte, Constantine, East Detroit, Fowlerville, Grand Rapids ,Hillsdale, Niles, Northville, Owosso, Pontiac, St. Joseph, Sodus, Southfield, Three Oaks and Union City.

Angove Appointed To Group Advising Board of Education

Edward Angove has been appointed to the Advisory Committee of the Northville Board of Education by the board.

After receiving a B.S. degree from Michigan State university. Angove attended University of Michigan and the University of Chicago. While enrolled at Chicago, he studied meteorology, a subject which he later taught to pilots at Metropolitan Air Base in Van Nuys, Calif., and Bryan field at San Antonio.

Angove is associated with the Winthrop-Stearns, ethical drug division of Sterling Products Corp. With his wife and three children he lives at 20181 Valley Rd., in Bloomcrest subdivision

lap siding. In addition to Dr. Handorf's and problems. office, the building will be arranged to provide three examination 🗠

sociate's

youngsters are asked to meet at the elementary school at 9:30 for the turtle gathering expedition.

Officials for this year's contest will be Mayor Claude Ely, Police Chief Joseph Denton, Constable Gil Glasson, School Board Presi dent Robert Coolman and R. D. Merriam, a member of the Recre ation Dept. committee.

In addition to the cash awards n four races for the fastest turtles, the biggest, the smallest and the one with the most original decoration, there will be a special prize for each of the contestants,

In the four races there will be a first prize of \$3; second, \$2, and third, \$1. The best in the other Work is nearing completion on three categories will be awarded

Snapping turtles and leather necks are barred from the contests, which are open to both boys and girls. There is no previous registration of entries.

All turtles will be eligible to compete in all four races if they have not placed as a winner in previous races that day. All furtles should be marked with identification on the back.

Ross Attends AFL Union Education Course At MSU

Robert Ross of Northville was enrolled in the week-long "Union It has been necessary to use Education Institutes" on the the quarters as a classroom. The Michigan State university campthe us last week. Two separate institutes were conducted concurrently at Kellogg Center, one for the A F of L Building and Construction Trades, and other for Federal, Industrial, Ser vice Trades and other unions af filiated with the A F of L,

The teaching staff and research experts for the Institutes have been drawn from the university the unions, and governmental agencies. Special emphasis is being given on the development of naterials and methods to help the institute members relate the information and education on to Homes, Inc., the structure will fellow local union members. The be 44x24 feet, plus an 8x12-foot various tonics being covered invarious topics being covered insection. The exterior walls clude union administration and leadership, government policies and laws, and union principles

These institutes are part of the year-round program of worker education planned and conducted ythe Michigan Federation of Labor, the regional office of the ing A F of L, and the Continuing Education Service of Michigar

The City Commission voted Mon-\$300 a year to apply on maintenance of the pavement through the track property as long as a contract between the city and the track for \$500 a day for municipal services furnished to the track is in effect. The amount is limit ed to \$300 by charter restrictions. the letter to the track management pointed out.

A letter from the Retail Merchants Assn. of Northville, signed by President George Clark, asked the commission "to increase the fees for peddlers by a substantial amount. It is the feeling of the Supt. of Schools Russell A. Amassociation that everyone selling merchandise in the community should pay a fair share of the cost of government This the peddlers are not doing at present," the letter stated.

It was decided to wait until adoption of the new city charter to alter the fees

In reply to an earlier request from the city commission to the common council of Detroit to consider favorably the request of Northville Bus Lines for support by Detroit for an increase in service to William H. Maybury Sanitorium the, Northville body received a letter from Clifford Prevost, executive secretary to Mayor Albert H. Cobo, stating that the matter was under considera

Residents Warned On Garbage Pickup

The city commission Monday requested City Clerk Mary Alexander to send notices to residents asking for conformance with rules on garbage collections.

Residents are to be reminded to set garbage receptacles out where they can be readily seen by the collectors, but not on the curb. Garbage collection days are Tuesday and Friday.

Business of The After 7-Month Wait, City Commission Voted Mon-State OK's Annexing Of Chapman School

Chapman school district No. 7, public school system started Dec. 15, 1954, was approved by the annexation plans. Claire L. Taylor, state superintendent of public instruction in letters dated July 18 to William Templeton, member of the Chapman school board and Northville

Templeton, upon receipt of the information Wednesday, said that an election will be held in the district as soon as possible for

Detroiter Stabbed Twice in Shoulder At Northville Downs

Joseph Hitchcock, 14128 Riopelle, Detroit, was stabbed twice in the right shoulder at Northville Downs last Friday night as he was leaving the track by an unknown assailant Identification was hindered, Hitchcock said because a crowd was leaving the track at the time.

After being taken to the first aid station at the track, Hitchcock was sent to Sessions hospital by Dr. L. W. Snow, track physician. Hitchcock has been re leased from Sessions.

1,240 Acres Acquired For Conservation By State of Michigan

Michigan's Conservation Com mission recently approved the purchase of 1,240 acres of land for public conservation purposes.

This does not mean the commission or the state government pursuing a land-grab policy, Conservation Department Director Gerald E. Eddy points out.

A state highway map shows vast areas of northern Michigan to be owned either by the state or federal government, but this picture may lead to the wrong

Actually, the department administers about 4,000,000 of Michigan's 36,000,000 acres, land divided in state parks, game areas, state forests and other projects.

projects where ownership is totally blocked in. In most state forests. for example, only a percentage of the land inside the project boundaries is publicly owned. The 1,240 acres recently purchased was for the most part private land inside dedicated projects that became available at a reasonable price. Slowly, these areas are being blocked in to provide maximum recreation and conservation use to Michigan's public.

Cardinals Plan Tryout Camp At Monroe August 1-2 A St. Louis Cardinal baseball

tryout camp will be held at Cairns Field in Monroe Aug. 1 and 2. Prominent Cardinal scouts will be on hand to conduct the workouts which may result in a baseball career for some of the youth ful hopefuls on hand. Workouts, open to all players between 17 and 23, start each morning at 10 o'clock.

Players attending the trial sessions need bring only a glove, baseball shoes and a uniform, if he has one. All other equipment churches. will be furnished by the St. Louis National League team.

A move for annexation of voters to pass on the proposal. The board had previously been Novi township, to the Northville | petitioned by about 100 persons in the district to go ahead with

> This figure is approximately the number of eligible voters in the district. There is a required waiting period of six days between the calling of the election and the opening of the polls.

"This approval is granted," Taylor told the two districts involved, "because our department feels that well established high school centers should extend their boundaries to include territory now being serviced for either elementary and/or high school

Step In Solidifying

"Our indications are that the Northville board is giving serious consideration to the annexation of all districts which are a part of its logical service area.

"The annexation of Novi No. 7 is a step in solidifying the Northville High school area."

It is planned to push the annexation plans to completion before the opening of the new school year. According to the school census, Chapman district has 35 pupils from the kindergarten through the sixth grade and 17 in the seventh grade through 12th.

A special meeting last Thursday of the Northville board of education called at the request of the state department of public instruction to reaffirm an earlier resolution on annexation of schools decided to table the matter for future consideration.

Want All Members Present

It was the consensus that Board President Robert Coolman and Supt. of Schools Russell Amerman should be present at a discussion of the state proposal. Both were on vacation at the time of the

meeting.

May 19 the board adopted a resolution "in favor of annexing any of the following districts: Salem Union, East Novi No. 2 fractional; Durfee No. 6 fractional; Chapman No. 7, Novi No.

8 and Putnam No. 9.

The resolution reserved the right "to submit any such annexation proposition to a vote of the electorate of the district . . . and But the state administers few to abide by the result of such

Another factor in delaying study of reaffirming the earlier action was the desire of the board to learn what action the state department would take on the proposed annexation of the Chapman district.

Sterner Appointed To Advisory Group At Valparaiso U.

Wilfred A. Sterner of 22701 Beck Rd., has been invited by Valparaiso university, Valparaiso, Ind., to attend the second annual campus convention of the Valparaiso Advisory Council on

Convention participants will discuss problems and methods of gaining increased understanding and support for Valparaiso's program of Christian education.

Sterner was appointed by Dr. O. P. Kretzmann, V.U. prisident, to serve as a member of the Valparaiso Advisory Council. The Council is composed of representatives from congregations of Synodical Conference Lutheran

Mr. Sterner is a member of St. Paul's Lutheran church here.

ecious jewel

Brother,

.... so instead of thinking of all the things you should run right down to Stone's Gamble Store and buy, let's think of ways to keep cool. If you're under five feet tall and don't care what the neighbors think, we have a super dandy wading pool for you to stretch out in. It's good for kids, too. Another way to keep cool is to pack the family into the flivver and go on a picnic. Thermos bottles, plastic cups, baskets, grills, hamburger and hot dog sticks, charcoal that's all you need.

Or if Mom says it's too much work to get the kids ready for a picnic, find yourself a nice shady spot and rig up one of those new fangled barbecue outfits. They come in six delicious flavors, big ones with wheels, little ones with out wheels, round ones that spin, etc., but they're inexpensive and you can cook some mighty good steaks on them.

NOW ALL THIS ADVICE ISN'T EXACTLY FOR FREE, AND ALL THOSE WONDERFUL IDEAS WE TOLD YOU ABOUT WELL IT JUST SO HAPPENS THAT WE SELL PIC-NIC SUPPLIES, BARBECUE SETS, AND WAD-ING POOLS AND THEY'RE DARNED GOOD

So as we said before, it's too hot to run down to our store. Walk down instead. You'll be glad

Ann Arbor hospital.

An expenditure of approximately \$100,000 is being made to enlarge the plant and to build an open steel shed which **Blue Star Pushes** will serve as a crane covering and

storage area. In addition, the firm is building a new office building in front Party, GI Plans and to the east of their present Final plans have been completed for the card party, apron and plant at an estimated cost of

Construction on the plant addition and crane shed is being handled by Paragon itself, since they are in the structural steel business and built the original plant last winter.

The office building, however, is being built by a general contracting firm from Ferndale, Richert, Dryer & Endress, Comple tion is expected in 90 days.

Upon completion of the office building, Paragon's main office will move from its present location at 26290 W. Eight Mile Rd. in Southfield Township to its new Novi quarters.

Although Paragon's employment fluctuates widely according to the number of contracts on hand, average employment figures for the office and plant are expected to be in the neighborhood of 200, according to a com-

of Mr. and Mrs. George Lien of W. Twelve Mile Rd. was celebrated Sunday. Between 250 and 300 guests attended the open house at the Lien home from 2 to 5.

Presiding at the tea table were Mrs. Vincent Hayes of Novi, Mrs. Tom Edwards of Birmingham and Mrs. Ezra Mason of Williams Lake, Mrs. Oliver Kister served punch and Mrs. Arthur Schnute had charge of the guest book.

The house was decorated with colorful bouquets of flowers, dress review the latter part of gifts of friends of the Liens. August.

State Approves Chapman District Annexation Plans

Annexation of Novi School District No. 7, known as the Chapman district, to Northville was approved by the state department of public instruction Wednesday.

In a letter to. William Templeton, a member of the Chapman school board, Supt. Claire L. Taylor said, "This approval is granted because our department feels that established high school centers should extend their boundaries to include territory now being serviced for elementary and/ or high school purposes.'

pie sale to be staged by the Novi Blue Star Mothers at the Com-Templeton, upon receipt of the information Wednesday, said that an election will be held in the Chapman district as soon as possible for voters to pass on the who have not yet obtained them. proposal which now has the sanc-At the benefit Friday evening, the Blue Star chapter will have on display the refrigerator tion of the state. The Chapman board had previously been petitioned by about 100 persons in the district to proceed with plans for annexation. Guests can be assured that the Community hall will be cool and

A special meeting of the Northville School board, held last Thursday for the purpose of discussing the annexation requests of thre other Novi districts, was postponed until a later date.

Many of the Northville board members were on vacation and it was the opinion of those present that Board President Robert Coolman and Supt. Russell Amerman should be present at a discussion of the proposed an-

A hearty welcome is extended

Quick Thinking By Killeen Leads to Capture of Bandits

The quick thinking of a young Novi service station attendant, Jim Killeen, led to the quick arrest of two gunmen who confessed taking \$289 from Harrawood's Standard Service at Grand River and Novi Rd. early last Thurs-

day morning. The bandits who confessed to the hold-up were Larry Annin and Richard Franck. In addition to this robbery,

the men also confessed other robheries in the Detroit area and implicated additional members of a gang which state police said had peen operating in the Detroit and Flint areas for several months.

Took License Number

Killeen first noticed the two nen when they entered the service station about four o'clock in the morning. While the two men were in the restroom, Kileen became suspicious and decided to jot down the license number of the men's car which was parked on Eleven Mile Rd., a short distance from the station. He jotted down the number on a desk pad and covered it up. The men came out of the restroom and left without incident.

They returned, however, about five minutes later and ordered gas. They then pulled guns and ordered Killeen to turn over the money and checks which were kept below a display cabinet. After ordering him to lay on the floor, one of the robbers tore the receiver off the nearby phone and the two men fled to their

set up. The license number was traced to a woman in Flint who said she had loaned the car to two friends. State police rounded up the pair over the week end. After being identified by Killeen, they confessed the robbery and implicated five others as members of their "gang".

State Police Withhold Names

Officers of the state police post at Seven Mile and Grand River refused to disclose the names of the additional members of the

Annin and Franck said they had disposed of most of the checks and some jewelry at the corner of Telegraph and Nine Mile roads, but detectives who went to the scene were unable to locate that portion of the loot. In their haste, the bandits had overlooked over \$400 which was kept in the safe.

The pair were arraigned in Judge Ingall's justice court, Farmington, on a charge of armed robbery. They waived examination and were held on \$25,000 State police were immediately bond. The case will be tried in

THE SCENE OF THE ROBBERY at Harrawood's Service station last Thursday morning is pointed out by Jim Killeen, quick thinking young attendant whose clues led to the quick arrest of the two armed gunmen. Killeen is nointing to the sh -the \$289 in cash and checks was locked for safe keeping. On the floor are the keys which the two men forced Killeen to use to open the cabinet. In the lower left corner is the telephone receiver which one of the men tore off the wall as they escaped.

Takes Oath As Township Treasurer

MRS. RUSSELL WOODWORTH, wife of the late township treasurer, takes the oath of office to succeed her husband. Trustee Frank Clark administered the oath at a special meeting of the Novi Township Board Friday morning. Mrs. Woodworth was appointed to the post by a unanimous vote of the Township Board following the death of her husband, Russell Woodworth, in an automobile accident last month.

THE QUICK, EASY WAY

PART COLLIE, PART BULLDOG, and full of affection, there is

only one thing-Rusly needs a home. His present owner, Mrs.

Frank Bryan of 21120 Haggerty Rd., is an elderly woman and

feels she is no longer able to take care of Rusty. "He is a young

person's dog," Mrs. Bryan said. "He is only a year old and

playful and deserves a boy who can play with him." Mrs. Bryan,

who's husband died several years ago, spends much of her time

visiting relatives and is not able to furnish the companionship

the dog needs. Shown above with Rusty is Mrs. Bryan's grand-

son, Richard Edwards, 10, of Detroit, who is spending a week

with his grandmother. Anyone interested in adopting Rusty may

call Mrs. Bryan at Northville 941-Jl.

Union School was called to order N.J., but lived in Detroit for at 8 p.m. by Moderator Gordon

Burnham.

minutes be accepted as read, supported by Mrs. Hilton. Carried. many more advantages for child-Moved by Grant Currie that ren. we have one reading of the financial report of the Treasurer Judy, who is 12 years old and

Green. Carried, Glenn Burnham read the re-

Moved by Grant Currie that report be accepted as read. Supported by Lee Sizemore. Carried. Moved by Lloyd Birckelbaw that depository for 1955-56 school funds be left to the decision of the board. Supported by Elmo

Clemens. Carried. Discussion followed on our school situation. Mr. Burnham gave our school census figures and explained very thoroughly our overcrowded school, especially the lower room, stating that according to present figures there will be 47 downstairs this next September when school starts He gave three possible solutions, namely: (1) sending some of the upper grades to other schools. (He explained this is not practical due to cost, even if the other schools would accept them, which they have up to now, refused) (2) Building a new room. (This we would have to bond for, Burnham's expired three year but first we would have to get term followed. permission from Lansing before we could do it. Mr. Haab, County School Commissioner, says he is sure the State will not allow us to) or (3) Reorganize with North- Mrs. Famuliner. ville or South Lyon. (This is by far the best solution. Then we would be assured of a place to send our high school students and Salem Union School probably would be used for the younger children, to save so much transportation. There was a concensus of opinion that all of us would like a school in our community years. Term to expire in 1958. for expected growth.

Moved by Mrs. Bock that the Mr. Alexander to contact North-School Board attempt to secure ville Public Schools. Mrs. Honke the use of the Town Hall for the to contact South Lyon School 1955-56 school year. Supported No one appointed to contact Sal-

by Mrs. LaMont.

Motion later withdrawn with consent of support.

Moved by Charles Raymor that, Carried. we have a meting two weeks from tonight (July 25) and that chair appoint committees to explore possibilities of use of Town Hall and, or, sending upper grades to Northville or South Lyon. Supported by Mr. Lanning. Carried.

Raising of additional mills was brought up by Moderator Parham. No mention of raising mills had been on the Annual Meeting

Moved by Mrs. Houke that 12 mills be raised for one year only. Supported by Mr. LaMont.

The chair appointed Peter Stoianoff and Elmo Clemens as tell-

First Federal Announces $2\frac{1}{2}\%$ Rate

Effective July 1st, 1955, First Federal Savings of Detroit has increased the current earnings rate on savings accounts to 21/2%, it is announced by Walter Gehrke, mian Steamship Co. in Galveston. President. First Federal has headquarters on Griswold across from the City Hall, with neighborhood branch offices at Woodward at McLean, Grattot at 7-Mile, Woodward at 9-Mile, Grand River at idence hospital, Detroit. Mr. and

Timber Wolves Still Roam In U.P.

Michigan still has from 40 to 100 timber wolves roaming its wild upper peninsula regions.

A recent Conservation Dept. survey shows the wolves scattered in a possible 16 areas of the upper peninsula.

The Huron Mountain area of northern Baraga and Marquette counties appears to be home for the largest colony of wolves, with Luce and northern Chippewa counties in the east end holding second place Two other major colonies are in southern Gogebic county and northeastern Iron county.

Last year, 23 wolves were presented for bounty. Twenty-seven were bountied in each of 1951, 1952 and 1953.

The future of the wolf in Michigan is questionable. Formerly, the big canines were common be low the Straits of Mackinac, but none has been bountied in the lower peninsula for at least 40 years. In the upper peninsula, the annual total bountied has held at its present low for a number of years, though the continuing spread of civilization could soon entirely. However, he has persisted against 118 years of having Chicago. a price on his head. On of the first acts of the first Michigan legislature in 1837 was to set a bounty against wolves.

The Dept. survey was made July 10. from trapping records and tract reports sent in by conservation employees and compiled during the last year.

Nations have no existence apart 20th. from their people. If every person in the world loved peace, every nation would love peace:

TIGER BALL GAME TODAY

There, are 'still some tickets' available for the Tiger ball game today (Thursday). This trip to Briggs Stadium is arranged by the Recreation Department and will accomodate 80 youngsters and eight adult supervisors.

The trip and ball game are free. You must sign up to be eligible to go. You may sign any morning between the hours of 9 and 12 noon at the elementary school playground. One of the supervisors at the day camp will take care of you.

Recreation Department's baseball going. program are especially urged to attend. However, they must sign up to be eligible. Any boy or girl betwen Moon and Virdon. When may attend and a special invita- it was decided at top level on the

JUNIOR POLICE

Let's go, Junior Police. The Detroit Police Field Day will be Aug. 6. You can go free of charge and a nice new "tee shirt" will be yours to wear. Make a note to keep this day open. More details will be in the Record.

Swimming every day, Monday through Friday for young and old. A bus will leave the high school at I p.m. All you need is a swim suit, towel and 15 cents.

T-SHIRTS

There are still some recreation T-Shirts available. By wearing one of these shirts you can go to beat for the Rookie of the Year swimming free of charge on Weddistinction in the National league. nesdays. The cost is one dollar and you can buy them any morning at the day camp between the hours of 9 and 12.

Northville Downs Draws 10 Top Pacers

\$10,000 Michigan Derby Friday At

Ten of the fastest pacers in the nation, including the defending champion Warpath from Saunders Mills stables, will seek the winner's share of the \$10,000 Michigan Pacing Derby pot Fri-

day, July 22 at Northville Downs. The stake, second of the rich, traditional events sponsored by the State's pioneer pari-mutuel harness track, promises to be the best ever staged at Northville.

Racing Secretary Harry Hatch indicated that all but three of the original 14 nominees will be on hand—he checked with the owners over the week end.

Warpath, who beat off the challenge of Bert Brennan's Mighty Brewer and A. D. Knapp's Walter McKlyo a year ago, is a definite starter. The defending champion has been campaigning with unusual success on the Ohio circuit and recently won at Cleveland's Grandview oval in

Mighty Brewer is back in top form after a siege of illness during the early spring and will have to be considered as a threat.

Ken Cartnal's Freeman Hanmark several times during the winter in California and was a consistent winner at Hazel Park for the big one.

er McKinney, Billy Dee's Hillover, who was close to the 2:00 crest Attorney, Archie Niles, Jr. has The Scamp ready. The \$10,000 stake is divided into two mile dashes which will

ard, the fire Negro to represent

tion, and Pitcher Herb Score of

the Cleveland Indians.

The St. Louis Cardinals once | suring up to expectations at this again seem to have the ranking point of the campaign. They are candidates for Rookie of the Year honors in the National League. Last year the honor went to Cardinal Wally Moon as Publisher J. G. Taylor Spink of The Sporting News had forecast early in the season.

Spink is looking for the Cardinals to repeat. At the end of spring training he tabbed Third Baseman Ken Boyer is the most likely youngster to succeed Moon. But now, in a mid-season reevaluation, he feels that Outfielder Bill Virdon and Pitcher Luis Arroyo, both Cardinals of On Aug. 11 the second annual pet and doll show will be held candidates.

There are others in the running. Spink mentions Ed Roebuck, Brooklyn relief pitcher; Roberto Clemente, Pittsburgh outfielder; Bob Speake, Chicago first baseman-outfielder; Pitcher Sam Jones of the Cubs; Outfielder Stan Palys and Pitcher Rudy Minarcin, both of Cincinnati, and Glen Gorbous, Philadelphia outfielder.

Virdon and Arroyo gave rich promise in the first half of the season. If they fail to live up to that promise in the second half, says Spink, the honors are likely to go to Roebuck, unless Speake can regain the batting touch that The boys participating in the sparked the Cubs in the early

Link Between The Two

Strangely enough, there's a link eve of the 1954 season to use Moon in the outfield, the Cardinals listened to Yankee bids for Enos Slapghter. From a list of minor league players submitted by the Yankees in the deal, the Cardinals finally picked three,

one of them Virdon. Virdon is as fast as Moon and outstanding defensively with a powerful throwing arm. He has hit consistently against both lefthanders and righthanders. Arroyo, after being unimpressive in spring training, has been terrific, with a nine won and three lost record through July 7.

These two men, says The Sporting News, if they can maintain their fine play, are the ones distinction in the National league. Looking at the American league

rookies, The Sporting News says that two players picked as freshmen of great promise are mea-

best new-car buy could easily be as long as the car itself. We have simply chosen two of the most important reasons to give you a quick and compelling picture of how much car you really get when you make the smart move to Pontiac.

There is one more vital fact which does not show in the picture above. That is the striking fact of Pontiac's very modest price-easily within the reach of any new-car budget.

These are three important reasons why Pontiac is today's outstanding value. But there are many, many more!

Take beauty, for example. There is no car on the road with such unmistakable glamour as a Pontiac! Coming, going or standing still this magnificent car stands out in any company.

Come in and see for yourself. Pontiac is obviously your car!

BRUMMEL LOCKER SERVICE

No wonder this Hardtop is the HIT OF THE YEAR!

ITS 4-DOOR HANDY

-and priced for action!

This one you'll just have to see.

It's a beauty. It's a brand-new kind of car. It's a Buick Riviera with four doors. And to top it all-it's a Special -the lowest-priced of all Buick Series.

Know what that means?

It means you can have the newest hit in hardtops—the most advanced new body design yet-and you can have it in the price range of America's smaller cars.

It means you can have a steel-roofed car with the long, low, sweeping sportiness of a convertible—with no center posts in the side window areas-and with two separate doors to the rear.

And you can have all this hardtop

> s High rounding

beauty with sedan comfort and convenience at the easy-to-take modest extra cost of a 4-door model over a 2-door model.

But if you think that's all-listen:

This gleaming grace of automobile is a Buick through and through-a '55 Buick, from the hottest-selling line of Buicks in all history.

So here you have the soft, firm steadiness of Buick's all-coil-spring ride and torque-tube stability. Here you have Buick brawn, Buick solidity, Buick handling ease, Buick styling and visibility and interior luxury.

And here you have the lift and life of vigorous new V8 power of record might-and coupled to the spectacular

performance of Buick's Variable Pitch Dynaflow.*

Why wait a day longer - when you can come in right now and try the first true hardtop with the extra comfort, room and convenience of a full-sized 4-door sedan?

Drop in tomorrow, first thing - for a look at the price, and an idea of the whopping-big trade-in deal our huge sales volume permits us to make.

*Variable Pitch Dynassow is the only Dynassow Buick builds today. It is standard on ROADMASTER, optional at modest extra cost on other Series.

Thrill of the year is Buick

CHRISTIAN SCIENCE CHURCHES

day of each month.

Main and Dodge Streets Plymouth, Michigan

The healing power of true prayer will be set forth at Christian Science services on Sunday in the Lesson-Sermon entitled "Truth". Among the scriptural selections to be read is the account of Christ Jesus' healing of the child with the "dumb spirit" including the answer his disciples received to their question as to why they did not cure the child: "And he said unto them, this kind can come forth by nothing, but by prayer and fasting" (Mark 9:29).

The practical power of prayer is also brought out in passages to be read from "Science and

tures" by Mary Baker Eddy including the following (11:27-31): "Prayer cannot change the un-alterable Truth, nor can prayer alone give us an understanding of Truth; but prayer, coupled with a fervent habitual desire to know and do the will of God, will bring us into all Truth." SALEM FEDERATED

Goodwill Industries Seeks Work For Slack Season

Two-thirds of all the materials collected at Goodwill Industries are picked up during the onethird of the year devoted to spring house-cleaning. Although this creates a great deal of activity in the Goodwill workshops, during these few months, it also means that Goodwill Industries is hard pressed to keep all of its employes working full time dur-

ing the balance of the year. Goodwill is able to maintain full employment opportunities for its 400 physically handicapped employees only through the continuous flow of usable, repairable discards. Clothing, shoes, toys, small appliances and some types of furniture are the items which provide the largest number of

FUN

in the large economy size!

Surprising, how little it takes to put this big dreamboat in your driveway for keeps. And your dollars couldn't begin to buy more pure pleasure anywhere else. Here's beauty that's putting the high-priced cars in the shade. Here's action that'll have you driving the long way home just for the fun of it. You owe yourself this new Chevrolet. Come in and see how easily you can swing it!

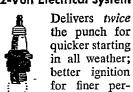

YOU CAN PAY A LOT' MORE MONEY AND STILL NOT GET ALL THESE CHEVROLET ADVANTAGES!

Body by Fisher

many of America's

costliest cars-you get it only in Chevrolet in the low-price field.

12-Volt Electrical System

Ball-Race Steering

formance!

Special ball bearings in the steering gear reduce friction . . . make steering a lot easier.

High-Level Ventilation

Takes in air above road heat, fumes and dust. A special chamber prevents rain from entering the car, and supplies a more even flow of air.

Outrigger Rear Springs

Spaced wide apart to give you sure-footed stability on curves.

Anti-Dive Braking

Chevrolet's the only car in the industry that stops with its head up! An exclusive Chevrolet development greatly reduces "nose down" under sudden stops.

SCIENCE IN

YOUR LIFE

The "Whole" Patient Our life span is 30 years longer today than it was 75 years ago, thanks partly to the antibiotic drugs. Now, by combining antibiotics with vitamins and practicing the ages-old concept of treating the "whole" patient and not just his disease, science has put new wonder

Just how long you lay in a sickbed suffering from a severe infection depends on your body's ability to fight its way back to normal. Reinforced by marshals its entire resources

to beat back illness and invading bacteria. These invading bacteria, and sometimes the germ-killing antiotics, th functions out of kilter. Your body's nutritional needs are altered and often you cannot eat enough of the

right foods to aid your body. Thus, you suffer a nutritional deficiency which may extend your recovery period long after the infection has been licked.

According to Dr. Felix Marti-Ibanez in the medical journal Antibiotic Medicine, modern science now has the means to attack both the infection and the vitamin deficiency. He reports that a combination of vitamins and antibiotics in a single dosage form such as Tetracyn-SF or Terramycin-SF gives physicians a weapon to treat the "whole" patient and thus shorten his stay in the sickbo

. When the summer heat bears down, a screened porch really helps. A very little lumber takes care of the framing. Lots of time for enjoying it and there is always another year.

Anything else you plan to build? We have the materials and would hurry them along to you. Just keep our phone ringing. We like it.

before you have driven 400 miles.

Your daily, short-trip driving causes an increase in engine deposits. In the combustion chambers these deposits glow red hot, and start the gasoline burning before the piston is ready for the power stroke. This results in pre-firing—a major cause of power loss. And the greater the amount of engine

deposits, the greater the tendency toward pre-firing. TCP additive, blended into high octane Shell Premium Gasoline, actually neutralizes these deposits. In combustion chambers, they no longer set

off the gasoline too soon. Pre-firing is stopped. . That's why Shell Premium with TCP acts like a phantom mechanic—re-powers your engine without lifting the hood.

*Shell's Trademork for this unique gasoline additive developed by Shell Research. Patent applied for.

Here's what happens:

Only Shell Premium Gasoline has both TCP and High Octane!

World's Greatest

Cleansing Agent

listen to your radios are accustomed to hearing adver-

tisements on the remarkable ability of certain soaps and pow ders to remove

dirt and stain. Some go so far

is to say that their product does everything. But there is one stain that soap cannot remove, and that is the stain of

your sins. We read in Jeremiah 2:22 "For though thou

wash thee with nitre (lye in the Revised Version) and take

thee much soap, yet thine iniquity is marked before me,

saith the Lord". This, then, is something soap cannot do. But there is a cleansing agent that we read about in I John 1:7

that is able to remove that

stain of sin. We read in the last part, "The BLOOD of Jesus Christ, His Son cleanseth us from all sin". This is

the only remedy known to man and has been revealed by

the Lord God. Let me tell you how it is applied. Matt. 26:28,

"For this is my blood of the

new testament (that is agree-

ment or covenant) which is shed for many for the remis-sion (forgiveness) of sins."

Rev. 1:5, "—and washed us from our sins in His own

blood". The moment you ac-

cept Christ as your personal

Saviour, that moment the atoning blood of Christ cleans-

Angoves Use "Do-It-Yourself" Method **And Build Own Home in Three Years**

By LAURETTA PATERNOSTER; Married 12 years, the couple

It took a heap o' workin' to make this house a home.

Building contractors come and go, but they have nothing over on Mr. and Mrs. Ed Angove, who built their own home in only three years.

From the foundation to the shingles, they did it all themselves, with the exception of plastering and installing ceramic tile in the bathrooms.

Ed, who was graduated from Michigan State University in 1940 and is now a special representative for Winthrop-Stearns, Inc., did the work in his spare time with the help of his wife, the former Louise Alexander.

They worked on week ends, and usually from 7 to 11:30 on week nights, she says. At one ime it got so cold that Lou had to heat the shingles before throwing them up to the roof where Ed was pounding ,so that they

wouldn't crack en route.

The ranch-type "house that Ed built" stands at 20181 Valley Road in the Bloomcrest subdivision. It consists of seven rooms, planned and decorated solely by the Angoves, and also a two-car garage which Ed plans to convert into a

recreation room.
On May 4, 1952, they turned over the first shovelful of earth, and on June 4, 1955, the family

# Second Car He Ever Owned!

Time was when a man wouldn't have considered a Cadillac until he had owned four-or five-or even six different motor cars But nowadays more and more motorists-like the

happy man you see in the picture above-are stepping right up from their first car to a Cadillac. There are, we think, two basic reasons for this

wonderful change. To begin with, the temptation to make the move to Cadillac has never been greater than it is today.

The car's arresting grace and beauty . . . its captivating luxury and graciousness . . . and its heart-winning performance have all been brought to new peaks of perfection for 1955.

And secondly, the path to Cadillac has never before been so clearly marked or so easily traveled.

Take original cost, for instance. The purchase price

of the lowest-priced Cadillac is actually little more than many models in the medium-price field.

And then consider Cadillac's economy. Few automobiles of any size or make will travel farther on a gallon of gasoline . . . and the car is all but free from any save the most routine costs of maintenance.

And, finally, there is the car's resale value. Year after year, Cadillac cars return their owners a higher percentage on their original investments than any other automobiles in the land.

So if you want a Cadillac-don't feel that you have to advance gradually to the car of cars.

If you are ready to make the move, the automobile you now own is the perfect steppingstone.

Why not stop in soon and see for yourself? You'll find that we have some very pleasant news for you about cost and delivery.

Three Northville High school boys—Douglas Bennett, Dick Al-kire and Lamar Nalley started army training at Ft. Leonard Cavell were re-elected to the board of education.

As a winner in an essay contest, Miss Rita Sprenger was awarded a trip to Alaska.

Mrs. H. E. Lapham gave the University of Michigan history department a document, dated 1842, listing the persons who withdrew from the Methodist Episcopal church of the Saline district because it failed to take a stand against slavery.

Northville marked its first anniversary under the ownership of Neil Hannaford.

The moving of nine of the 12 cottages at Eastlawn Sanitorium and redecorating them was started. When completed, all the cottages would be a straight line running west of the main building, except one.

A grocery advertised "ice cream as low as 29 cents a quart". Leading the new books acquired by the public library was a Pulitzer prize winner, "The Old Maid" by Zoe Atkins. The play was a dramatization of Edith

convention of Michigan press photographers held at East Lansing, Mich. The three-day session, which was held at Michigan State university's Kellogg Center, included workshops on every day problems encountered by newspaper photographers. The young lady shown above, though hardly considered a problem, served as a model for the session on photographic lighting. Casting a critical eye on the situation is Mrs. Peter Gowland, wife of the well known glamour photographer. Mr. Gowland was a featured speaker at the convention.

The difference between perserverance and obstinacy is, that one often comes from a strong will, and the other from a strong won't. -Henry Ward Beecher

#### Picked fresh... right from your freezer!

It's a snap to keep beans as fresh as the day they were picked, in a home food freezer!

Home-grown or bargain specials, your fruits and vegetables will stay garden-sweet for months. And they'll retain all their healthgiving vitamins and minerals, too. No doubt about it! You'll love a home food freezerand the menu-magic it performs.

THIS BABY'S NOT CAMERA-SHY! He wants his picture in the Northville Record. The Record has invited an expert children's photographer to take pictures of your kiddies, free of charge. He will be in the COMMUNITY BLDG. THURSDAY, JULY 21 from 11 a.m. until 7 p.m. on that day. Selection of the pose to be printed in the paper is left to the parents. Don't forget to be at the Community Bldg. on July 21, if you want your children to be newspaper personalities.

#### MSU Grads Start At \$4,223 Salary; Up \$257 Over 1954

Michigan State university graduates of this year are making more in average starting salaries than MSU graduates of 1954.

Figures released by the MSU Placement bureau disclose that 1955 graduates have started at an avrage yearly pay of \$4,223, or \$257 more than the \$3,966 average of a year ago.

e year ago.

Employers offered higher pay this year to graduates of each of MSU's colleges, compared with last year, according to Placement Director Jack Breslin. The highest average salary, \$4,750, went to students in veterinary medicine.

Better salaries also are being garnered by students with master's and doctor's degrees. Starting salaries for master degree students average \$5,059 compared with \$4,886 last year. And those with doctor's degrees average \$6,455 this year while the aver-

age a year ago was \$6,268.

Approximately 6,400 interviews were conducted on the campus during the school year by 569 employers from 25 states, Breslin said The number of job opportunities continued to be the greatest in the field of engineer-

Following are the average starting salaries for graduates of MSU's colleges: veterinary medicine, \$4,750; engineering, \$4,476; science and arts, \$4,310; agriculture, \$4,224; business and public service, \$4,025; education, \$3,643, and home economics, \$3,552.

These starting salaries are exclusive of other benefits, such as traveling expenses.

Patient waiting is often the highest way of doing God's will.

—Jeremy Collins

#### Boat Speedsters To Receive Fines

Lansing, July 18—A motorboat operator recently paid a fine and costs for reckless operation of his craft in the vicinity of other water users.

State police, sheriffs and conservation officers are empowered to make arrests for such violations and have been alerted to curb dangerous boat operation especially during the busy summer months.

#### Campers May Get Advice

Lansing, July 18—State, parks are groaning under an overload of visitors this year, but not all are crowded to capacity.

During the Independence Day week end, for example, when all available campsites were taken at several parks in southern Michigan, campers could find excellent places to park their trailers or pitch their tents at such areas as Traverse City, Harrisville and Rogers City.

The parks and recreation division of the Conservation Dept. at Lansing will be glad to advise campers of areas to try for a less crowded holiday.

#### Letter To Editor.

Dear Sirs.

Enclosed is a check for two years subscription. I do not want to miss any copies of the Record as I enjoy it very much. It is good to keep in touch with Northville, where I spent so many happy years.

Sincerely,

Ethel R. Pohl 2254 Narin Drive Winter Park, Florida

New Gulf No-Nox Gasoline delivers not just the highest octane but

See what a difference Gulf super-refining makes, Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new, clean-burning Gulf NO-NOX.

## full working octane

because it's super-refined to burn clean

Nogasoline, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it hurns clean

mileafter mile—unless it burns clean.
That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get...

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor-lock, engine stumbling and stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf NoNox Gasoline and

The only motor oil super-refined by the Alchlor Process for modern high-compression engines.

- ern high-compression engines.

   Controls carbon
- Provides the toughest protective film ever developed in a motor oil
- Combats corrosive acids, rust Available in 3 grades SAE and deposits 10W, SAE 20/20W, SAE 30.

NOT ME. I'm where I belong. My Mom is missing, and I don't like it.

She's not really lost, or anything like that. She's out shopping. But the way she shops, she's missing from home for hours and hours at a time, and that's what I'm yelling about.

Mom has still got that old-fashioned idea that you've got to go way off to the big-city stores to get good buys. This means she's gone from home twice as long as the other mothers around here. They have found that they can get the same merchandise . . . at prices just as low as anywhere else . . . right here in our own community.

They're not fooled any more by those so-called "savings" at the big city stores. They know it costs money to run a car and to park it. They know it's lots more pleasant and relaxing to shop in the local stores, where they're welcomed as friends and neighbors, and that means they get a lot of special service that the crowded, big-city stores just can't bother with.

When Mom gets home I'm going to explain all this to her. Of course, she's usually so tired and grumpy after fighting traffic all day on her shopping trips, she doesn't pay much attention to me. But tonight I'll insist. I'll prove to her she'll be dollars ahead every month if she shops right here at home. And she'll be patronizing the local people who have invested in our community and are paying for its schools, parks, churches, and are supporting many civic organizations.
