Northville Home Hit By Fire

Above are the remains of the Loren Montgomery home, which was destroyed by fire July 22. All that is left is the stove and refrigerator shown in the picture.

THREE TINY COFFINS—two white and one blue—stood side by side in Rural Hill cemetery Monday afternoon, following the funeral of Constance, Calvert and Rebecca Montgomery.

Tragic Blaze Takes Lives Of Three Local Children

Fund Drive Started By Local Merchants

Approximately 150 people attended the funeral Monday of the three Montgomery children, victims of a tragic fire which swept their home on Max-

well Rd. near Five Mile, July 22. Calvert R. Montgomery, 5, and his sister, Rebecca, 4, were already dead of suffocation when a family friend and the children's father, Loren Montgomery, carried them from the burning home. Their 8-year-old sister, Constance, died later in Wayne County General hospital.

The fire was discovered shortly after midnight by the father, who said he had fallen asleep on the living room sofa and awoke to see flames which he said "seemed to come from the dining room."

Northville Fire Chief William McGee, however, said all signs indicated the fire started near the living room sofa.

A drive, sponsored by the Retail Merchants Assn., is under way to collect money for the Montgomery family. Funds may be deposited in any of the containers in local stores. Money may also be mailed to the Record office, and a list of contributors will be published in next week's paper.

The fire had also been discovered by Charles Harrison of Plymouth, who was driving past the home and stopped to assist in the rescue.

The Montgomerys both work at the Worden's Specialties Co. in Plymouth, and Mrs. Montgomery was at work when the fire broke out. She is the daughter of Mr. and Mrs. Calvert Earehart, 440 Grace St., Northville.

Services for the children were held at the Casterline Funeral home. Burial was in Rural Hill cemetery, with the Rev. Peter Nieuwkoop officiating.

Mrs. Wallace On Merchants Board
Mrs. Herman Wallace, owner-partner in the Villa Dress Shoppe, has been named a director of the Northville Retail Merchants Assn., George Clark, president, announced today. Mrs. Wallace has been in business here about 18 months.

Race Meeting Nears Close

Northville Downs will begin its last week of harness racing Monday Aug. 1 closing its 12 season Saturday night, Aug. 6.

It appears that all records of mutual handle and attendance will be broken this year, according to John J. Carlo, executive general manager.

The all-time record for a single night's wagering was set last Friday (July 22) when fans poured \$349,150 through the betting windows during the annual \$10,000 Michigan Pacing Derby.

The best previous night was on July 23, 1954, when the mutual handle was \$340,975. The best previous this year was \$330,324 on July 16.

Meantime, the average daily handle is running way above the 1953 record of \$239,834. After setting the all-time single night's record, the average is up to \$252,548, which is \$12,714 per night better.

Carlo said that attendance should total approximately a quarter of a million by the end of the 38 nights of racing of approximately 6,500 fans nightly—a new attendance average.

Northville Record Makes Own Cuts With Fairchild Scan-A-Graver
According to legend, it was a Chinese sage who first said: "One picture is worth more than 10,000 words."

If that is true, the picture content of today's Northville Record and Novi News sums up the value of many hundred thousand words.

This is the first of a comprehensive program to increase the use of pictures in these newspapers. The Record and News now have in operation a Fairchild Scan-A-Graver engraving machine. This machine not only permits increased use of pictures, but also more rapid production of the printing plates. The result is better and more timely pictorial coverage.

Northvillites Get \$400,000 from Track

City Gets First Check for \$13,703 from Race Meet

Members of the Northville city commission who have wished for years that Northville were a city so it could profit substantially from harness racing at Northville Downs smiled broadly last week when Clerk Mary Alexander received a check for \$13,703 from the state auditor general's office. It was the first time Northville has shared in the state's tax of 4% on all betting at Northville Downs. The city's share was 20% of the state 4%. It covered only the first six days of the current 38-day racing meet.

By the time the season ends Saturday, Aug. 6, the track's pari-mutuel "take" is expected to be in excess of \$9,000,000. The city's share, including its share of the "breakage" should be in the neighborhood of \$90,000. In addition, it will receive \$500 from Northville Downs for each night of racing, or \$19,000, to bring the total for 1955 to about \$110,000.

(Northville's total tax levy for the 1955-56 fiscal year is only \$95,000).

At the right, Clerk Mary Alexander is handing the state's \$13,703 check to A. Russell Clarke, president of Depositors State Bank for deposit. Clarke is also city treasurer. The check is shown in the bottom picture.

The all-time record for a single night's wagering was set last Friday (July 22) when fans poured \$349,150 through the betting windows during the annual \$10,000 Michigan Pacing Derby.

The best previous night was on July 23, 1954, when the mutual handle was \$340,975. The best previous this year was \$330,324 on July 16.

Meantime, the average daily

handle is running way above the 1953 record of \$239,834. After setting the all-time single night's record, the average is up to \$252,548, which is \$12,714 per night better.

Carlo said that attendance should total approximately a quarter of a million by the end of the 38 nights of racing of approximately 6,500 fans nightly—a new attendance average.

E. Tawas Camp Out Drew 18 Scouts

Eighteen Boy Scouts have returned from attending the annual camp at East Tawas, concluding a safe and what was termed one of the "best camp-outs ever staged by the Northville scouts," by (Continued on Page 8)

Downs Must Locate Site for New Barns; Long Parking Lease

When Northville Downs concludes its current racing season Saturday, Aug. 6, Northville residents and the city itself will have profited to the extent of more than \$400,000 from the 38-day harness race meet.

Last year's figure was somewhat higher because the track spent \$150,000 improving its buildings and grounds, with all materials used purchased locally except sheet aluminum roofing.

Who Profits From Track
This golden flood of spendable dollars has been going into the pockets of local citizens in varying amounts since racing started here 12 years ago. That it will continue in the future is a matter of concern to a great many persons in Northville—the 100 or more who will receive over \$90,000 for their 38 days work at Northville Downs this year; the local merchants whose sales reflect the buying of 500 non-residents who make Northville their home during the racing season; the approximately 180 Northville Driving club stockholders who receive 1% of the mutual handle as rent for the track property (approximately \$95,000 this year), and the City of Northville, which this year will receive approximately \$110,000 directly and indirectly from Northville Downs. The latter sum is \$15,000 more than the city is collecting as taxes this year from its property owners.

There is also the very considerable number of property owners adjacent to the track who derive substantial revenue from parking of cars nightly, and others who rent rooms, trailer space, etc. for the duration of the season.

Downs Must Build Barns:
The reason for concern over continuation of racing is that Northville Downs must obtain additional land upon which it can construct barns for 300 horses. Last year two barns for 70 horses were torn down to make room for an addition to the mutual department and other improvements. Barns with stalls for 110 horses were torn down this year upon orders from the state fire marshal.

As a temporary solution for the 1955 season, approximately 190 horses are housed in tents this year. One hundred fifty are on the St. Lawrence property at the southwest corner of Sheldon Rd. and Edw. Hines Dr. and 40 are in a tent on Downs property at the northwest corner of the same streets.

This situation leaves much to be desired from the standpoint of fire hazard, and even more from the standpoint of modern track facilities that in the long run must be made competitive with those of neighboring tracks.

Must Ease Nutcracker
John Carlo, general manager of Northville Downs, which holds the harness racing license from the state and leases the track property from the Northville Driving club, makes no secret of the fact that his group feels that it is impossible to continue indefinitely on the present basis. (Continued on Page 8)

Annexation Vote Set For Aug. 8 By Chapman District

Chapman school district will hold a special election Monday, Aug. 8, on annexing with the Northville public school system, William Templeton, moderator of the district, announced Tuesday.

The polls will be open in the school at Taft Rd. and Nine Mile Rd. from 1 to 8 p.m. Approved by the state department of public instruction last week, the annexation is being pushed to completion before schools open in September.

School census figures show that the Chapman district has 35 pupils from kindergarten through the sixth grade and 17 in the seventh grade through 12th.

Barthel Cleared In Accidental Death

Leo S. Barthel, 20, of 20985 Halsted St., Northville, was completely cleared after an investigation of the accident which caused the death of a Hazel Park woman Wed., July 20.

Mrs. Christine Love, 29, of 1226 Bernhardt east, Hazel Park, was killed when she leaped from a car into the path of Barthel's auto on Eight Mile rd., near Orchard Lake rd., Farmington township.

Barthel, son of Mr. and Mrs. Wm. Barthel, told State Police of the Detroit post that he had no chance to avoid hitting her, as another car was coming from the opposite direction and Mrs. Love was lying in the road.

Mrs. Love, out for a ride with Al Kolar of Farmington, had just jumped from Kolar's car when she was hit. She was pronounced dead at Redford Receiving Hospital.

State Police had ordered both men held pending further investigation, but both were later cleared and released.

Alarmed Parents Seek Early Paving Of Center Street

Concerned over the possibility that failure thus far to pave Center St. will result in an estimated 50 pupils at the new Russell A. Amerman school being exposed to the traffic and weather hazards, parents were ready to urge action as soon as possible at the regular meeting of the board of education meeting next Monday, (Aug. 1).

A spokesman for the parents said this week that requests that the area near the school be paved before the school opens in September had been made to members of the Northville city commission, the Northville board of education, the Oakland County Road commission and the Novi township board of supervisors.

The replies in each case were that the none of these governmental units "had the money" to proceed with the paving now, he said.

Sixth Graders Rate High in Reading Test

The reading habits of pupils have come in for considerable discussion in the last few months in various publications, mostly in an uncomplimentary manner.

It's a different story with the three 6th-grade sections in the Northville Public schools, where a test near the end of the school year showed outstanding ability in nationally recognized reading tests.

The Metropolitan Reading Achievement Test, according to Richard Kay, sixth grade instructor when the tests were given, showed higher than average ability to read on the part of the pupils, who will be in the seventh grade when schools reopen in September.

In explanation of the figures, Kay points out that a standing of seven would be satisfactory for the boys and girls ready to enter the first year of elementary high school.

Against this basic figure of seven, 35 pupils in one sixth grade section reached a reading achievement average median of 7.95; another 35 attained a mark of 8.5, and third sixth grade room registered an average median level of 8.

In June, Kay was named an assistant elementary school principal. He will be in charge of the new Russell A. Amerman school on N. Center, to be used for the first time when the fall term opens.

Mrs. Mary Donovan Shown Operating New Scan-A-Graver

McClure - Hopkins Rites Read in Chelsea Church

A white faille taffeta gown was worn by Jean Kathryn McClure for her marriage to Frederic W. Hopkins. Graceful folds of the full skirt fell into a short sweeping train. Her fingertip veil of Venetian lace was brought from Venice last year by the bride. It was held in place with a Juliet cap. She carried white gardenias, stephanotis and ivy.

The rites were read at 4:30 p.m. at the First Congregational church in Chelsea before an altar decorated with white gladioli, candelabra and palms. Mrs. J. Frederic Hopkins of Detroit sang "Oh, Promise Me" and "The Lord's Prayer". The Rev. Mr. Toy officiated at the double ring service.

Jean is the daughter of Mr. and Mrs. M. W. McClure of Chelsea. The bridegroom is the son of Mr. and Mrs. N. W. Hopkins of Plymouth.

Miss Barbara Arnold of Belleville, maid of honor, wore a ballerina length gown of maize faille taffeta with a matching petal hat, and carried white marguerites and ivy. Cousin of the bride, Nancy Atkinson of Chelsea was the bridesmaid and wore an identical gown in pale green and carried white marguerites and ivy.

John M. Hopkins of Plymouth, the bridegroom's brother, acted as best man. Seating the guests were James H. Hopkins and Lawrence Thomas of Ypsilanti and Wallace Hopkins of Detroit.

For her daughter's wedding, Mrs. McClure chose a gown of powder blue taffeta and wore a corsage of pink rosebuds. Mrs. Hopkins was gowned in beige net and lace and wore orchid mums.

A reception for 300 guests was held in the church parlors following the ceremony. Mrs. John Hopkins, Mrs. James Hopkins, Mrs.

Honor Jean Dodge At Shower Tuesday

Mrs. Del Hahn, Mrs. Harry Wagonschutz and Mrs. Harold Bloom were hostesses for a miscellaneous shower Tuesday honoring Miss Jean Dodge of Walled Lake.

Twenty-five guests were invited to a salad supper at the Hahn residence. Miss Dodge and Richard Coolman are to be married the 20th of August at the First Presbyterian church in Northville.

Kirk-In-The-Hills Outdoor Art Show Slated For Sept. 15-17

The Kirk in the Hills Annual Outdoor Art Festival will be held this year from Thursday, Sept. 15, through Saturday, Sept. 17.

Open to all artists, both professional and amateur, over 1,000 entries were received for last year's show . . . nearly 700 in the arts (oils, watercolors, graphic arts and sculptures), and another 400 in the crafts.

"From the very first year (1952), the Outdoor Art Festival has met with such success and enthusiasm," states Peter J. Robotti, general chairman, "that the Kirk now annually offers its beautiful grounds to foster the growing appreciation of art and nature in the same spirit in which the church offers the community a place to worship."

Although it is a non-jury exhibition, over \$1,000 in prizes are offered for outstanding works. Exhibits will be offered for sale. The exhibits will be open to the public from 1 p.m. to 7:30 p.m.

Paul Tovey and Mrs. Jack Wellnitz assisted.

Jean donned a navy and white linen redingote dress for the wedding trip by car through northern Michigan. The couple will make their home in Livonia.

Mrs. Hopkins graduated from Michigan State university and was affiliated with Alpha Xi Delta. She taught at Bentley High school in Livonia. Mr. Hopkins graduated from the same college and was affiliated with Delta Sigma Phi. He is field supervisor for Travelers Insurance Co.

Introducing . . . The Rene Van Ee Family

Above is Mrs. Rene Van Ee and (left to right) Bill, Jan Christopher, and Richard.

Our newcomers for this week are the Rene Van Ee family of 18400 Ridge Court.

They are former East Detroit residents, and Van Ee is a project engineer for General Motors at Willow Run.

Their 9-room modern home, which stands high up over a pond bordered by weeping willows, was built by Ralph Docksey.

Mrs. Van Ee says her hobby is "raising boys", and they have four lively sons to prove it. They are Richard, 7, Bill, 6, Jan Christopher, 2 and a half, and Rene, 5 months.

during the three days of the show . . . with guided tours of the church scheduled from 2 to 6 each day.

Promising additional pleasure to visitors, an organ recital at 4 o'clock in the church chapel and a 15 minute Carillon recital at 5

When they first moved into the house, the family was immediately impressed by the picturesque scenery and, adds Mrs. Van Ee, "three weeks and four cases of chicken pox later, we still love it."

The three oldest boys swim in their front-yard pond, and occasionally fish out a turtle or two.

Mrs. Van Ee likes to paint, and her husband golfs in his spare time.

The couple purchased their home through the Northville Realty Co.

p.m. have been scheduled for Thursday, Friday and Saturday. The Kirk in the Hills is on West Long Lake Road in Bloomfield township, approximately a half mile west of Telegraph Rd. (U.S. 24).

Rev. Evans Chosen Speaker At Fair Sunrise Service

The Rev. Dr. Louis Hadley Evans, considered one of the 12 outstanding religious leaders of America, will be the Sunrise Service speaker at the Michigan State Fair Sunday, Sept. 4.

This was announced by Don L. Swanson, general manager of the state fair which sponsors the service in cooperation with the Detroit Council of Churches.

Rev. Dr. Louis Hadley Evans

Dr. Evans is minister-at-large of the Board of National Missions of the Presbyterian church in the U.S., a new position created for bringing the message to groups in government, education, colleges and universities, armed forces, lay conventions of industry and labor, radio and TV broadcasting, etc.

Life Magazine described him as "a man whose energy seems inexhaustible and whose sermons are full of well thought out Christian doctrine and plain speaking."

Tau Kappa Alpha, national col-

lege honor society in speech, selected Dr. Evans as recipient of its national award as "Speaker of the year 1951 in the Field of Religion."

News Week chose him as one of America's ten leading clergymen and Christian Century Magazine lately chose the Hollywood Presbyterian church, where Dr. Evans held tenure for 12 years, as one of the 12 outstanding churches of America.

At present Dr. Evans is sum-

mer minister at the National Presbyterian church in Washington, D.C., among whose members are President and Mrs. Eisenhower, Mr. and Mrs. John Foster Dulles and many other Cabinet and Congressional figures. He has held this post since 1953.

Our greatest glory consists not in never falling, but in rising every time we fall.

Chevrolet's got more GO!

Chevrolet's "Turbo-Fire V8" pours out more horsepower per pound than any other engine in its field. That's one of the things that make Chevrolet the new winner in stock car competition.

It's one reason young-minded, on-the-go people take to the new Chevrolet like trout take to water. And it's one reason you really ought to try this new Chevrolet yourself. *Soon, we hope . . . if only to see why Chevrolet's causing such a commotion!*

**FEATURE FOR FEATURE
... CHEVROLET'S
GOT MORE FOR YOU**

**9 engine-drive choices
on all models**

9

Two great 8's—the 162-h.p. "Turbo-Fire" or, optional at extra cost, 180-h.p. "Super Turbo-Fire"! Two great "Blue-Flame" 6's — most powerful in their field. And three modern drives to suit your driving!

**Best known, best liked
body in the business**

You'll find Fisher Body on some of America's high-priced cars and on Chevrolet. But not on any other car in Chevrolet's field!

**12-volts for twice
the punch**

Chevrolet has 'em—the only 12-volt electrical systems in the low-price field. You get quicker starting in all weather, plus finer performance and a greater reserve of electrical power.

**Something new in
steering and suspension**

With Ball-Race Steering and Glide-Ride Front Suspension, this new Chevrolet rides, handles and corners like a sports car!

Local Youngsters Buy Tiny Press And Print Own Club Newspaper

By Lauretta Paternoster

It may not be a giant press, but it's going to roll.

A group of little people with big hopes and expectations invaded the Record office recently to pick up supplies for a brand new newspaper they plan to publish.

Competition? Doubtful, but who knows. Perhaps this one-page, four-by-ten-inch "Beal Town News" will sweep the city.

The group, fifth and sixth graders, were representatives of the "Meadowbrook Country Club" and proudly displayed a tiny toy press, purchased at a local hardware store for \$3.47.

Their club, boasting 15 eager members, received that particular name because the youths were able to obtain discarded 1954 club badges from Meadowbrook, thus saving money they would have had to spend if they'd made their own.

Editor Tommy Bongiovanni explained that the publication, which will come out on Thursdays, was named "Beal Town News" because many of the club members live on Beal St.

The paper, says Bongiovanni, will contain gossip, movie schedules from both Northville and

Plymouth, and names of winning horses at the Downs.

He adds, "And if there are any accidents in town, we'll cover those, too."

The press came equipped with rubber stamping equipment and

a printer's journal, and is run by turning a small crank on one side.

Longingly eyed at the hardware store was a \$10 press, but lively Bongiovanni explains that the group is being economical and "just can't afford that kind". The

club is using business psychology in planning to distribute the first three or four issues "for free", but, they say, if the paper goes over big with the younger set they're going to start charging three cents per copy. After all,

even miniature papers have an overhead.

Bill Yockey, Record plant manager, gave the group quite a scare when he jokingly announced that they owed him two dollars for cutting their paper to size. They stood in wide-eyed horror, wondering where they'd get this unexpected sum, when Yockey said "forget it". Relieved looks rippled slowly over their faces, then came smiles.

No report on their progress has been received, except for a comment from one of the youngsters who was seen on the street at a later date. He said, "It's not as easy as we thought".

Field Training For Guardsmen Starts Saturday, July 30

Annual field training for more than 11,000 Michigan National Guardsmen will get under way Sat., July 30, with the movement of Michigan Air National Guardsmen to Alpena Air National Guard Base.

Some 1,400 officers and airmen from the Detroit, Battle Creek, and Lansing areas will move by plane, bus, and military convoy to the Alpena training site for two weeks of ground and air training.

Movement of Michigan Army National Guardsmen to four other field training sites will follow on August 6 and 13. An expected 8,875 officers and men of the 46th Infantry Division and attached units will rendezvous Aug. 6 at Camp Grayling, Michigan's own historic military reservation.

During the same week end, the 246th Tank Battalion with units at Dowagiac, Niles, Sturgis, and Three Rivers, and the three regimental tank companies from Monroe, South Haven, and Detroit, totaling some 600 officers and men, will move to Fort Knox, Kentucky, for their two weeks of field training.

On Aug. 6 also, some 60 officers and men assigned to Detroit's Company A, 878th Engineer Aviation Battalion, will travel to Camp Williams, Camp Douglas, Wisconsin, for training with the parent battalion.

Last to move to their 1955 field training site are Detroit's 146th Antiaircraft Artillery Battalion and the 222nd Antiaircraft Artillery Detachment, whose 250 members will train Aug. 13 to 27 at Camp Claybanks, north of Muskegon.

Back in the swing of another armory training year already are some 875 other Michigan Guardsmen of three antiaircraft artillery battalions which trained June 26 to July 10 at Camp Haven, Wis.

News Around Northville

Mr. and Mrs. Robert J. Montgomery, 103 N. Center St., are the parents of a five pound son, James Lawrence, born July 22 at Sessions hospital. Mrs. Montgomery was formerly Wanda McKinney.

Mr. and Mrs. Merritt Meaker Jr., and family of Dearborn, spent Sunday with the Senior Meakers.

Mr. and Mrs. Orson Atchinson were guests of the Charles Elys on their boat, "Ulinda", last Thursday.

Mr. and Mrs. Gerald Woodworth and their nephew, Denny Ferguson, returned Sunday from a three weeks cruise on their 42 foot cruiser, "Silver Spray II". They left from Miller's Harbor on Lake St. Clair, stopping at various harbors enroute to Georgia Bay. They reported ideal weather the entire trip.

Miss Helen Meaker, a student of nursing in Bronson Methodist hospital in Kalamazoo is home with her parents, Mr. and Mrs. Merritt Meaker, for a month's vacation.

Mrs. Jack Dickinson entertained Mrs. George Alexander, Mrs. Orsan Atchinson and Mrs. Clare Duval of Birmingham at luncheon at Meadowbrook country club last Friday. The PGA tournament was the entertainment for the afternoon.

Mr. and Mrs. Robert Coolman, Richard Coolman and Jean Dodge attended the Price family reunion in Ludington last week end.

Mrs. Fred Huff and daughter, Mrs. M. W. Hubbard Jr., from Rego Park, N. Y., are spending their vacation with Mrs. Bernice Marshall of Reservoir Rd.

Mrs. John Clarke and sons, Marshall and Russell, are leaving Saturday to spend three weeks at Torch lake.

Dick Keen and son Kippy will spend their vacation camping on Higgins lake for a couple of weeks.

Mr. and Mrs. William O'Brien and daughter Sharon, and Mary Ellis McCurt of Chicago are guests of the Fred Collins this week.

Mrs. Fred Butler of Maxwell Rd., will review "Good morning Miss Dove" by Francis Patton, Thursday at the Northville Review club. Mrs. E. A. Chapman will be hostess to the club.

Mr. and Mrs. Wayne Smith of Oberlin, Ohio, spent two weeks with Mrs. Smith's mother, Mrs. William Cansfield prior to going to Durand. Mr. Smith will take charge of the Congregational church there during the absence of the regular minister, who is on vacation.

Bud Cansfield is spending the summer at Sargent Camp, Peterborough, N. H., acting as counsel.

for. The camp is sponsored by Boston University. Bud is also gathering material for his master's thesis.

Mrs. Donald Bryant, formerly Sarah Burke of 8564 W. Seven Mile Rd., is traveling as a singer with K. C. Jones orchestra as a vocalist. Mrs. Bryant attended Northville High school and sang at many school functions.

Mr. and Mrs. Richard Hackett of Jackson were week end guests of Mrs. Hackett's parents, Mr. and Mrs. Parker Holden. Mr. Hackett spent part of the time watching the P.G.A. tournament at Meadowbrook Country Club.

Miss Isabel Merrill of Cleveland is a house guest of Mr. and Mrs. Paul Bayless this week.

Pvt Ron Dahlager was home on a two day leave last week. He is completing 10 weeks tank training at Ft. Knox, Ky. Ron is the son of Mr. and Mrs. C. N. Dahlager of Grace St.

Mrs. Mabel Cooley and Mrs. Ida B. Cooke returned last week from a vacation through the Canadian Rockies.

Jay Page, who moved to Fairfield, Conn., with her parents, Mr. and Mrs. Joseph Page last year, was a guest of Nancy Lawrence of Meadowbrook Rd., this past week. Jay visited her grandparents in Birmingham also. Mrs. Lawrence invited the 21 members of Girl Scout Troop No. 8, of which Jay was a member, to a get-together.

Mrs. Clifton Hill was hostess for members of the Northville Mothers club at a swimming party and pot luck luncheon July 20.

Carol Allen returned home last week end after spending five weeks at Chippewa ranch near Mt. Pleasant.

Mrs. Harvey Whipple entertained at a luncheon last Wednesday in honor of Mrs. M. W. Hubbard Jr., of Rego Park, N. Y.

It's a Girl
Mr. and Mrs. Jeff (Skip) Sutton of 522 Rouge are the parents of a daughter, Debra Lynn, born July 19 at Sessions hospital and weighing six pounds eight ounces.

Mrs. Lucille McKinney of West Dunlap St., has just completed four weeks volunteer work at the Easter Seal day camp at Plymouth. Mrs. McKinney was director of the camp for two weeks. Fifty-eight handicapped children 3 1/2 to 14 years of age were enrolled. Mrs. McKinney wishes to thank the Northville Boy scouts for the excellent job they did in assisting with these children.

Mr. and Mrs. Ray Rogers and daughter Judy, of Fort Worth, Tex., were guests of the J. E. Straus of Beck Rd., last week. The Rogers family lived on Beck Rd., near Seven Mile before moving to Texas three years ago.

Mr. and Mrs. Andrew Orphan

entertained Mr. and Mrs. Roy Westfall, Miss Mary Darby of Ind., and John Nixon of Detroit for dinner Friday night. Following the dinner they enjoyed dancing at the Detroit Yacht club.

Mr. and Mrs. Charles Batt returned Friday after a weeks motor trip to Sault Ste. Marie. They left Tuesday to spend the rest of this week with Mrs. Batt's mother, Mrs. Walter Buchholz in Defiance, Ohio.

Mr. and Mrs. Ward Cook, Mr. and Mrs. Elmer Perrin, Mr. and Mrs. Howard Atwood and Mr. and Mrs. Tom Carrington attended a Commandary picnic at the home of W. J. Livingston on Schoolcraft Sunday.

Several members of the Couples club of the Presbyterian church spent Sunday at Youth Island, White Lake. Dr. and Mrs. Harold Fredsell are spending the summer there.

Mrs. Ella Gaffield and Mr. and Mrs. Robert Dixon were Sunday dinner guests of the Herbert Dryers on Novi Rd.

The Charles Bahnmillers, Drs. Wetterstroem and Belasco and Russell Clarkes, Fred Andersons and Mrs. Art Schulte and son enjoyed a cooperative steak roast at the home of Mr. and Mrs. Clifton Hill on Beck Rd., Saturday evening.

Mr. and Mrs. Charles Hogle and Mrs. Mable Shoules were Saturday evening guests of Mr. and Mrs. Lucius Blake.

Mrs. Norman Roberts and daughter Suzanne were week end guests of Mr. and Mrs. Lloyd Roberts in Detroit.

It's A Boy
Mr. and Mrs. Floyd Kupsky, 318 Yerkes St., announce the birth of Floyd James Jr., born July 20 at Mt. Carmel hospital. The baby weighed nine pounds and six ounces.

A letter to the Record from James Morton Dixon of 5649 Cantaloupe Ave., Van Nuys, Calif., advises that his mother, Marie Esther Dixon died July 15. The Dixons formerly resided at 235 Rayson St.

If any man be in Christ, he is a new creature; old things are passed away... (II Corinthians 5, 17.)

Each new day that God gives us can be a new, clean beginning, a starting-from-scratch, a completely new and useful and happy life, with His help through our devotion and prayers. The mistakes and failures of yesterday can be wiped away completely—'behold, all things are become new.'

From left, Sid Junod and Walt Stobble, proprietors of Sid and Walt's Gulf service station on Plymouth Ave. look over the beginning of the professional home of their new neighbor, the landscaped clinic to be erected by Dr. H. H. Handorf.

Sylvia Malott To Wed In December

ANNOUNCEMENT HAS BEEN MADE of the engagement of Sylvia Page Malott to Charles L. Tomlinson of Detroit. Sylvia is the daughter of Mrs. Forest J. Malott Jr., and the late Forest Malott of Northville. Tomlinson is the son of Mr. and Mrs. William L. Tomlinson. Sylvia is a senior student in the nursing school at the University of Michigan. Her fiancé is a graduate of Albion college and University of Michigan college of engineering. A December wedding has been planned.

Gift of New Bus Cheers Patients At State Hospital

Patients at Northville State Hospital were formally presented with a 35-passenger bus by the Citizens Auxiliary Committee of the hospital last week.

The bus finished in a light cream shade, with a deep green trim, is named "The Hilltop Special." It cost \$9,200.

Ever since the hospital has opened, there has been a need for a bus on the hospital grounds to take the patients on swimming parties, to baseball games, the state fair, Shrine circus, shopping trips and other activities. When the Citizens Auxiliary committee was beginning to form in September, 1954, the first major objective of the group was defined as the purchase of a bus to be presented to the hospital for patient use.

Mrs. J. A. Wolf, 14121 Glastonbury, Detroit, is president of the Walter Irving, 47, East Adams, was general fair chairman, and his co-chairman was Dr. John Dorsey of the Wayne University College of Medicine.

According to Dr. Robert R. Yoder, assistant medical superintendent at the hospital, "the bus will make it possible for us to provide a more complete recreational therapy program for our 1,500 patients. We not only are grateful to the C.A.C. for providing the bus, but also appreciate the interest of a citizens group, such as this, in the welfare of our patients."

The presentation of the bus was made by Mrs. Wolf and Irving. To receive the bus, in behalf of the hospital, was Dr. Philip N. Brown, medical superintendent and Elmer, a patient, who is president of the Northville State Hospital Patients' Representative Council.

—Photo by Detroit Free Press

HERE'S THE 35-PASSENGER BUS presented by the Citizens' Auxiliary Committee of the Northville State hospital to the hospital last week. In the foreground, Dr. Philip N. Brown, superintendent of the hospital, formally accepts it from Mrs. Joseph Wolfe, Detroit, C.A.C. chairman. Behind them, from left, are H. Gustafson, Royal Oak; J. J. Gamalski, Detroit, and Mrs. Elsie Trembley, Detroit, all members of the C.A.C. bus committee; Mrs. Roy Carr, Royal Oak; Mrs. H. Gustafson, Royal Oak, C.A.C. treasurer; Mrs. Helen Hodler, Huntington Woods; Walter Irvine, Detroit, chairman of the recent "Country Fair", staged by the C.A.C. on the hospital grounds; Mrs. Carolyn Seefeldt, director of social service at the hospital, and E. F. Lewis, central regional sales manager, coach division, General Motors Corporation.

GETTING READY FOR A NEW SCHOOL year are Dick Kay, named an assistant elementary school principal in charge of the Russell A. Amerman school, to be opened in September and Mrs. Robert Coolman, secretary of the elementary school department. Born in Detroit, Kay attended McKenzie High school and after graduation from Wayne University started teaching at Northville in 1949. He has also been a member of the athletic coaching staff, concentrating on basketball and football. Kay has completed work on his master's degree at Wayne on elementary school administration. He has been president of the Teachers' club of Northville, a member of the Co-ordinating Council, a deacon of the Presbyterian church and on the board of the Parent-Teacher Assn. He was a pilot in the Navy from 1942 to 1948. Kay is married and the father of two children.

SONGS OF THEIR HOMELAND were sung by German exchange students July 19 at their farewell dinner sponsored by the Northville Rotary Club. Shown leading the students in singing is Walter Bosse, exchange student from Fowlerville, Mich. The fourth girl from the right is Northville's Traute Schaefer. The following morning the group left for Germany. The exchange student program is sponsored in this area jointly by the Mich. Council of Churches and the State Dept.

No Hot Clues On Takers of Cool Beer

The theft of 15 cases of beer from storage quarters at Northville Downs was discovered by Miss Marjorie Severson, manager of Michigan Sports service concessions at the track, when she arrived at work Tuesday morning. The loss was reported to the city police department.

Another robbery between the time of the closing of the track Monday night and Tuesday morning was the loss of 14 bags of peanuts and a novelty toy from one of the stands.

After failure to gain entrance through a window, the thieves jimmied the lock on a door to take the beer. The latter procedure was also used to gain admission to the concession stand.

Dr. and Mrs. E. B. Cavell and Mr. and Mrs. F. J. Broad of Detroit attended the funeral of C. J. Barr at Mayville Sunday.

The first step in getting rid of mosquitoes is to spray any standing water on your property where mosquitoes breed, say experts from the U.S. Department of Agriculture. This may include pond, salt marsh, irrigated pasture, or a bit of old rain water standing in a cast-off tin can, old tire, or roof gutter.

Santa Claus Visits Stone's

BOXES, BOXES, AND MORE BOXES . . . HUNDREDS OF THEM arrived early this week at STONE'S GAMBLE STORE. This is the first shipment of an estimated \$27,000 worth of Christmas toys which Roy Stone will be offering customers during the holiday season. "Advance buying in large quantities gives our customers the advantage of widest possible selections at lowest prices," Stone said. "But don't wait until winter to come in," he added, "because we've got what you need for these hot summer days too . . . PICNIC SETS, BARBECUE SUPPLIES, GARDEN SPRAYS, SUMMER TOYS, PAINTS, INSECT REPELLENT, AND FISHING SUPPLIES." Shown in the above photo examining the newest Christmas shipment are two of Stone's sons, Martin, left, and Kenneth.

Mrs. Richardson Joins Church

It's never too late. That was the idea of 99-year-old Mrs. Lydia Adell Richardson, who was baptized and received into the Novi Methodist Church last Sunday by the Rev. McLucas. A resident of the Novi Convalescent home, she has spent her entire life in Oakland county and in the vicinity of Novi. She will celebrate her 100th birthday in October. She has been an active member of the Order of the Eastern Star at Commerce and has a life membership. At the age of 93 she took her first plane ride. Mrs. Richardson was not certain if she had ever been baptized or not, so she decided she'd be sure this time.

Special Meeting Set for Aug. 2 by Blue Star Mothers

Tuesday Aug. 2 a special meeting of the Novi Chapter Blue Star mothers will be held at the home of Mrs. Joe Grandella on 12 Mile Rd. The mothers are to meet at 12 noon for lunch. National Church Day for Blue Star Mothers is Sunday Aug. 7. The Novi chapter will attend the Walled Lake Methodist Church for a 10 o'clock service in full uniform.

Novi Mothers Club Holds Picnic at Park

The Novi Mothers Club held its annual picnic last Friday at the wading pool in Cass Benton Park. With the members and their families and invited friends. There was a good attendance.

Girl Scout Camp Starts Tues., Aug. 2

The following Girl Scout leaders attended pre-camp session training at Camp Indianwood for day camp which starts August 2. Mrs. Florence Hayes, Mrs. Billie Hunt, Mrs. Lulu Whittington, Mrs. Marge F. Geppert, and Mrs. Jeanne Clarke. They are interested in obtaining the number of girls whose applications for Day Camp were returned. Either the girl or her mother are asked to call Florence Hayes or Jeanne Clarke.

METHODIST CHURCH NEWS

Brighton and Novi churches will have a combined open air service at Kensington Park next Sunday. A student minister from Howell will preach and a young woman from Brighton will sing.

Novi Highlights

by Mrs. Luther Rix
Phone Northville 245-J

Mr. and Mrs. Charles Crawford of S. Lake Drive Novi Twp. entertained the latter's cousin, Mrs. Wm. H. Elsner from St. Paul, Minn., over the week end. Mrs. Elsner is on her way from a three months European trip. She is active in civic affairs in St. Paul and is at the present time secretary of the International Institute of that city.

Mr. and Mrs. Russell Taylor and sons, Russell Jr., and Bobby have just returned from a week at Snider Lake.

Mr. and Mrs. Ed Putman and son Larry, and daughter, Rosetta are vacationing at their cottage at Snider Lake.

Mr. and Mrs. Clare Lockwood spent five days last week in the Upper Peninsula where they visited Sugar Island and Tahquamenon Falls. They spent a day with Ed Putmans at Snider Lake. The Lockwoods expect to return to the north the latter part of this week for five more days.

Mr. and Mrs. George Hines of Largo, Fla. have been visiting their children, Mr. and Mrs. Don Hines, for the past two weeks. They expect to spend the next two weeks with relatives in Missouri and Texas before they return to their home.

Mr. and Mrs. Oather Lackey of Arkansas have been spending the past week with the former's sister, Mrs. R. E. Ward and other relatives.

Mrs. Metz Steward and children of Arkansas are visiting her mother, Mrs. J. W. Chandler, of Wixom and also Mr. and Mrs. David White of Novi.

Mrs. R. E. Ward entertained a group of 35 relatives Wednesday. They had a picnic dinner in the Park and later they returned to the Ward home where Mrs. Oather Lackey was honored at a pink and blue shower. The occasion was also the birthday of Mrs. Ward's sister-in-law, Mrs. J. L. Lackey.

Alfred Gow returned home Friday from University hospital and is recovering from his operation.

Mr. and Mrs. Carl Dufresne and two sons of Bay City were the guests of Mr. and Mrs. George Fisher. Dufresne is Mr. Fisher's brother.

Mrs. Sam Whiski spent the week with Mr. and Mrs. George Fisher. Wednesday evening the Fisher home was the scene of a picnic attended by 27 former neighbors of Mr. and Mrs. George Hines, now of Largo, Fla.

Flames Engulf Novi Rd. Barn

... Ten Minutes Later

WITH LIGHTNING-LIKE ACTION, flames tore through the barn at 27400 Novi Rd. Tuesday afternoon completely demolishing the structure. The inside was already in flames (top photo) three minutes after the fire was first reported by Emery Green. Ten minutes later, the final structural timbers gave way and the building collapsed (lower photo). Fanned by a brisk westerly wind, the flames and smoke were visible for miles. Firemen concentrated their efforts on saving the tool shed immediately to the right of the barn. As a result, the only damage to the tool shed was on the north side of the roof. Commerce Township also answered the call as part of the departments' mutual aid program. The building was owned by Pierce Kupstaites of Detroit.

Chick-Stamper Wedding Set for August 6

Mr. and Mrs. John Chick, formerly of South Shore Dr., recently announced the coming marriage of their daughter, Barbara, to Joseph Stamper of Detroit. The marriage rites will be performed Aug. 6 in Our Lady Queen of Apostles church, Hamtramck.

Jay Ostrander Visits Former Students

Jay Ostrander, former teacher at Novi's Bassett school, visited many friends in Novi township during a short visit to the area last week.

Ostrander, who lives in Gladwin, Mich., taught the upper grades at the school, which was located at 13 Mile and Meadowbrook roads, during the last seven years of its existence. Ostrander was well known throughout the area for the class trips he organized to Chicago, Canada, New York and Washington, D.C.

Hospitalized Vets Receive Refrigerator From Blue Star

The Novi chapter benefit party last Friday evening was successful. To date, the club, has cleared \$254. The refrigerator has been delivered to the Recreation kitchen of the Veterans hospital in Ann Arbor.

The Blue Star mothers are grateful for the generous donations of private individuals and for the business people of Northville and Novi who donated \$79.40 and 26 door prizes. A complete list is being compiled and will be announced later.

Special guests who were present were the state president, Mrs. Ivah Stringer; hospital chairman at Veterans in Ann Arbor and the president and several members from Detroit Chapter No. 5.

the Willowbrook Corner

by Mrs. Thomas Morrison
Phone Farmington 1310J2

Mr. and Mrs. John Lees of 409-76 Mooringside Dr. are former residents of Detroit. Lees is employed for Ford, engineering dept. He plays golf and bowls.

Visiting the Lees from Florida is her mother, Mr. and Mrs. Thos. Council.

Mr. and Mrs. Richard Rairigh of 23874 East LeBost are from Toledo, O. They have two daughters, Janet, 19, and Tammie, 4. Rairigh is with General Motors Photographic.

Miss Janet Rairigh attends Iowa State College. She is in her third year. Janet is engaged to Joseph Blum of Walnut, Ohio. He attends ISC also.

Mrs. Rairigh hobby is ceramics. The Richard Swensons of LeBost Dr. spent a few days at Higgins Lake.

Mr. and Mrs. Floyd Ferguson of LeBost were in Hamilton, O. last week end. Their mother, Mary Meister accompanied them back to her home. She had been here a few weeks visiting.

Deborah Campbell of Hamilton Ohio, is the guest of Mr. and Mrs. F. Ferguson for two weeks.

The Bucks are on vacation for two weeks and are doing their own landscaping.

Mrs. Shirley Hurlbert and Richard Larry are home from their five weeks in Miami, Fla. They visited Mrs. Hurlbert's parents, Mr. and Mrs. Frankland.

Mr. and Mrs. Laurence Hobbs of Willow Lane, had as guests for the week end Mrs. Hobbs mother, Mrs. Louise Lang and brother Charles Lang of Cleveland, O.

Sunday they visited Mrs. Hobbs daughter, Mr. and Mrs. Mintz of Royal Oak.

Sunday night the Waugh's entertained their neighbors, Joan

and Bert LaBrom and Paulas Richard Iverson.

The Hurlberts of Willow Lane attended a family reunion of Hurlberts at Battle Creek Sunday.

Mr. and Mrs. Lewis Chismark of East LeBost Dr. have guests from Australia, Mr. and Mrs. Milton Skinner. They are visiting America enroute home from a world tour. Skinner is Mrs. Chismark's cousin.

Jerry Martin is home from Buffalo, N. Y. but Christine is staying two more weeks. She is visiting her aunt, Mrs. Rafalski.

Brit Christine is staying two more weeks. She is visiting her aunt, Mrs. Rafalski.

Mr. and Mrs. Buck were dinner guests of J. R. Leonard of Birmingham, Sunday evening.

Jerry Martin has his boyfriend Donald Kuplerski visiting from Detroit.

Jack Carter was admitted to the Detroit Osteopathic hospital last Wednesday.

Tommy Morrison is home after spending a week at Flor-Dale Resort, Mears, Mich. with his aunt, Mr. and Mrs. Jack Morrison.

The Marinoiffs and Eddie, Joy Ann spent the week end at Kincardin, Canada. They had dinner in Mt. Clemens with Art Holmes Friday night.

Jay Ann stayed for a week at the Murphys cabin.

The Morrisons enjoyed a late swim and picnic supper Friday at Kent Lake with Mrs. Morrison sister, Mr. and Mrs. Joe McHaster and family and their cousin's Mr. and Mrs. Bill Fergusons and family.

Happy birthday to Denise LaBrom who was three on July 25. A happy birthday to Janice

Bids To Be Opened On Novi Bridge August 3

Bids on the first project of the new US-16 expressway, a bridge which will carry 12 Mile and Beck roads over the super highway, will be opened Aug. 3 in Lansing, according to State Highway Commissioner Charles Ziegler.

This bridge project, two miles northwest of Novi and a short distance north of the present US-16, will mark the beginning of actual work on the \$11,000,000 Brighton to Farmington expressway.

The 12-Mile and Beck roads structure will consist of

four, rolled-beam spans totaling 233 feet in length with a 48-foot-wide roadway and three-foot-wide sidewalks on each side of the span. There will be facilities to enable traffic to get on or off the expressway at this point. The completion date for the project is June 15, 1956.

The expressway, when completed, will start at US-23 just east of Brighton and extend 21 1/4 miles to a connection with the present divided highway on US-16 east of Farmington near Middle Belt road. It will replace present US-16 between these two points. The estimated cost is \$11,000,000.

Commissioner Ziegler said the Highway Department hopes to have under contract the four-lane, divided roadway and all of the 15 other bridge and grade separation projects required on the 16 7/8 mile long section between Kent lake and the connection with present US-16 east of Farmington before the end of 1955. Every effort is being made to obtain the necessary right of way to make this accelerated schedule possible.

On this section, in addition to the 12-Mile and Beck road separation, expressway structures will be constructed at the Huron-Clinton parkway just west of Kent lake, at Milford, South Hill, Old Plank, Wixom, Novi, Meadowbrook, Haggerty, 10-Mile, Drake, Orchard Lake and Farmington roads; at the crossing of the present Farmington by-pass, near Farmington; at the Grand Trunk Western railroad near New Hudson and at the Chesapeake & Ohio railroad near Novi. The present US-16 bridge at Kent lake will be used as part of the expressway as it is a modern span with a 4-lane divided highway.

Interchanges for traffic will be provided on the expressway at 12-Mile, Huron-Clinton parkway, Milford, Novi and 10-Mile roads and at the east end of the expressway where it will be linked to present US-16.

Engineering surveys are now being conducted on the 48 mile

long section of the expressway from Kent lake west to US-23 and as soon as the surveys are completed, construction and right of way plans will be prepared as rapidly as possible and projects placed under contract.

Holmes Elected Alumni Head

About 35 persons attended the annual school reunion this year. Guests were present from Pontiac, Detroit, Commerce and nearby communities.

The officers were as follows, president Ed. Holmes; vice-president, George Mams, Secretary and treasurer, Dorothy Snow. Saturday, July 2 is the date set for the reunion next year.

AMVET Auxiliary Pushes Plans for Party, August 25

Novi AmVet Auxiliary met at the Post Home Tuesday July 19. Special guest was Regional Director Rheatha Houck from Pontiac. Plans were made for style show Aug. 25, in the Novi Community building. There will be a card party in connection with the show.

Mrs. Laree Bell is in charge of the card party, Mrs. Audrey Ortwine and Mrs. Arline Rippey will direct the style show.

Miss Caroline Goffney is in charge of the posters and Mrs. Rudy Wendland will have charge of tickets. Plans were also made to assist the Blue Star Mothers in their project for a refrigerator for the Ann Arbor hospital, with a donation. Refreshments were served by Laree Bell and Dorothy MacDermaid.

Cool Drinks "On the House"

COOL DRINKS ARE NOW BEING OFFERED to all residents who visit the township hall. Early this week a new electric water cooler was installed in the lobby. Earlier this month the township board had voted to purchase the water cooler. The new machine is expected to result in a saving over the previous method of keeping the water at a drinkable temperature. (The previous method was to turn the faucet on and leave it running.) Adding to the attractive appearance of the fountain in the above photo is Miss Viola Tamm, township secretary.

Waug she will be 7 Aug 3 And to Steven Bernard who will celebrate his 12 birthday July 29.

A belated anniversary congratulation to the Bert LaBroms. Mrs. Charles Coca, 48150 Gd. River, won the first fight in the women's State Tournament at Oakland Hill County club Friday.

We have eight new families across Ten Mile. Joan LaBram is planning to have the first club meeting some time in September.

Operator of Novi's Newest Radio Station

THIRTEEN-YEAR OLD CAMERON COGSDILL, received his license and call letters last week from the Federal Communications Commission in Washington, D.C. Cameron's station, known as KN6MNO, is officially located in LaJolla, Calif. but during the summer months it is located at 48449 W. Nine Mile Rd. He and his family, Mr. and Mrs. Glen Cogsdill and daughter, Christy, are spending several months with his grandparents, Mr. and Mrs. Joe Lapham.

Cameron first became interested in electronics during his 8th year in high school. He took the novice operator's exam several months ago, shortly before leaving on his trip east. Upon being notified last week that he had passed, Cameron immediately made preparations to go on the air.

A nearby friend, John Vos, of Plymouth, also a licensed operator, attempts to carry on conversations with Cameron over station WN6WRD. The two boys were neighbors prior to Cameron moving to California a year ago.

Before receiving his license, Cameron was permitted by law to receive messages only. He was able to pick up signals and conversations from all parts of the United States, Canada, and as far south as Argentina.

In the above picture, Cameron is sending Morse code on his assigned frequency in an effort to establish contact with his Plymouth friend. On the right is his transmitter and to the left is his receiving set complete with ear phones through which he receives the signals. Sitting on the receiver is a small tube tester which Cameron built in high school.

Cameron plans to join the Sea Scouts when he returns to California. The scout ship is equipped with a radio transmitter.

FOR MAY 15 Bible Comment: Walk With Him To Know The Christ

TO know the Christ, to see the Messiah revealed in Jesus of Nazareth, should not be difficult for us.

We have before us the accumulated evidence of the New Testament Gospels.

We might envy the experience of those who first saw Him and heard Him when He was here on earth, but we have advantages that they did not have.

We of today stand with all the evidences and assurances of the time and the ages.

But for us, as for those who saw and heard with wonderment, the Christ does not come with His fullness unless we, too, see Him with wonderment.

The first essential for the knowledge of the Christ is to know that story of the earthly life of Jesus, to walk with Him in Galilee, Samaria and Judea, to wander in the fields and villages and byways, as well as to journey to the feasts, Jerusalem and the Temple.

An amazing thing about the Gospels is that they are always new. They convey always a sense of wonder.

It is as we read and know the Gospels that the truth and richness and the experience of all that follows comes alive—the letters of St. Paul, and of Peter, James and John; the effect of the Gospel upon disciples in a pagan world, and the revelation of what Christ has been to those who have known, loved and followed Him in all the centuries of Christian faith.

"To know the love of Christ, which passeth knowledge—" That is the richest and greatest experience man can have, and any man can have it.

News About Salem

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY
PHONE NORTHVILLE 1410-M11

Mr. and Mrs. Herbert Famulin, Janet and Susan, spent Sunday at the home of Mr. and Mrs. Oscar Granger of Thamesville, Canada. Mr. and Mrs. Sam Wheeler and three children spent Friday at the Mr. and Mrs. A. C. Wheeler home. Mr. and Mrs. Charles Stacey were Sunday dinner guests at the Glenn Stacey home on Napier road.

Sunday callers at the A. C. Wheeler home were Mr. and Mrs. Roy Dickerson of Columbus, O., Mr. and Mrs. I. Dickerson of Northville, Mrs. Myrtle Nixon, W. Forshe and Ray Forshee of Ann Arbor.

Mrs. Alta Opdycke and Mrs. Cloyd Hardesty returned home Saturday from Washington, D.C. A picnic dinner was held Sunday at the Gilbert Alter home to celebrate Carolyn Alter's birthday.

Mr. and Mrs. Wm. Taft of South Salem Rd. announced the birth of a son, born July 24 at Mt. Carmel hospital, Detroit. He weighed 7 pounds and 10 ounces. Mrs. Taft is the former Joann Van Aken.

Mr. and Mrs. Glenn Hardesty spent the week end at Flushing. Saturday evening they attended the wedding of Mrs. Hardesty's sister.

Mr. and Mrs. Howard Shipley

spent Sunday afternoon at the Mrs. Geo. Bennett home.

Mr. and Mrs. Elmer Bennett, Gale, Linda, Jerry, Mr. and Mrs. Dean Hardesty, Bob Dawn and Debbie spent the week end in northern Michigan.

Mrs. Fred Orloff of Detroit was a guest on Wednesday at the Wm. Bock home.

Mrs. Arthur Gulick and son, Jim, and Mrs. Leo Scharmen of Plymouth were callers one day last week at the Wm. Bock's home.

Mrs. John Westerdahl, daughter of Mrs. Pauline Merrit, is home for 3 weeks. Then she will leave for New York. Mrs. Westerdahl has been in South America for six months.

Mrs. William Kelly, Mrs. C. J. Hardesty and Mrs. Raymond Kelly, of Salem Home Extension Group, attended one day's session of the Homemakers' Conference Thursday. Mrs. Geo. S. Brown also attended as guest of the group.

Mr. and Mrs. C. J. Hardesty had dinner with Mr. and Mrs. Charles Ruddy in Detroit, Sunday afternoon. In the evening the two couples attended "Cinema Holiday" at the Music Hall. Ronald and David Hardesty spent the day with the Raymond Kelly family, on seven mile road. They helped Lea celebrate her eighth birthday.

Salem Girl Wed At Whitmore Lake

Before an altar decorated with large bouquets of white gladioli and shasta daisies, Noreen Wallace became the bride of Darel Hardesty July 16 at a 7 o'clock ceremony in the Methodist church in Whitmore Lake.

Mrs. C. N. Pennell, retired former pastor of Salem Federated church, officiated at the double ring ceremony in the presence of 75 guests.

Noreen, the daughter of Mr. and Mrs. Herbert Wallace, wore a waltz length gown of white satin with a lace bodice and a finger tip veil.

Darel is the son of Mr. and Mrs. Cloyd Hardesty of Whitmore Lake.

Mrs. Robert Valentine of Ann Arbor, matron of honor, wore a waltz length gown of green nylon. Ned Hardesty, brother of the bridegroom, was best man. Seating the guests were Jack Wallace of Hamburg and Donald Folts of Whitmore Lake.

Following a reception at the Hamburg Hall the bridal couple left on a short trip for Northern Michigan. For traveling the bride chose a blue nylon dress with white accessories. Upon their return they will live in their new home at 10495 Campbell drive in Hamburg.

Noreen works at the Michigan Bell Telephone Co., in Ann Arbor and Darel is employed at a machine shop in Ann Arbor.

MSU Clinics Praised by NHS Students

Two young Northville students are enthusiastic about their participation in the speech clinic and Youth Music program at Michigan State University this summer.

Carolyn Burkman completed four weeks in the speech clinic and David Hartner three weeks in the music program Carolyn is

Carolynn Burkman

the daughter of Mr. and Mrs. Jack Burkman and David is the son of Mr. and Mrs. Herman Hartner Jr.

In the final week of Carolyn's course, three one-act plays were presented. Carolyn played the part of "The Spirit" in "The Summons of Sarnel." Parents and friends were invited to attend a luncheon following the plays at which time certificates were presented to the students. There were 29 students in the dramatic class. Students were housed at Abbott Hall. Carolyn was sponsored by the Forensics club.

David Hartner

The Youth music program, in which David Hartner was enrolled included band and choir which were under the direction of faculty members of MSU.

On July 13, David played over radio station WKAR, Lansing, in the French horn quartet and again on Thursday evening in the student recital. On July 16 he played in the concert band and the Michigan State Youth concert orchestra in the Band Shell on the MSU campus. This was open to the public and also on station WKAR.

Northvillites Get \$400,000 from Track ...

Carlo so notified the board of directors of the Driving club at a stormy meeting three weeks ago, when he also told of plans to organize a group to build a new track if facilities that are so badly needed cannot be secured here.

Since then, there has been considerable scurrying around behind the scenes by Driving club officials and others in an effort to ease the nut cracker pressures which prompted the Carlo group's talk about abandoning the Northville track in favor of a new location.

Driving Club Cooperative

The Driving club is known to have offered to assist Northville Downs in financing new barns by pledging its present property, along with the proposed new barns, as security for approximately \$600,000 which it is estimated will be required to bring track facilities up to standards required by State Racing Commissioner James H. Inglis. However, the plan calls for Northville Downs paying off the mortgage out of its future profits, whereas Carlo's group feels that the Driving club, as landlord, should stand the cost of this major improvement. Driving club officials, however, say that if Northville Downs pays the bill, it can amortize the improvements over the period of a new lease and thus obtain an income tax advantage that would materially offset the cost. If the Driving club, as owner of the property, paid for the improvement, it could only depreciate then on a much lower basis and with very little tax advantage in comparison with that available if they are made leasehold improvements by Northville Downs.

Seek St. Lawrence Property

Regardless of who pays for the barns and other improvements, they cannot be built until a site can be secured adjacent to the track. The St. Lawrence property is regarded as the best available location and negotiations for outright purchase or a long-term lease are reported to be under way.

Parking space is another problem faced by the Downs management. A couple years ago a lease was worked out for a considerable

area of the Harley Cole property on Center St. at a reported figure of about \$6,000 annually. Any over-all plan to keep Northville Downs in operation and to build the barns and other facilities that are so badly needed would necessarily involve extension of the Cole lease for a long-term period. Otherwise, if Cole chose to utilize the property for some other purpose when the present lease expires, the track would find itself in an impossible position.

See Success In Month

Driving club officials are optimistic about working out a new lease with Northville Downs in connection with an extensive modernization and expansion program for the track. They are, in fact, working actively to ease the local pressures that have made life difficult for Mr. Carlo and his associates. If the various local interests involved adopt an attitude of not killing the goose that lays the golden egg, there appears to be a good chance for announcement within the next month or so of a new long term contract that will keep Northville Downs open for at least 15 to 20 years.

Tawas Camp-Out

(Continued)

Camp Director Monroe Weston.

Making the trip this year were Robert Henson, grandson of Mr. and Mrs. Arthur Carlson, who was awarded the Best Camper award; Arnold Gornell, Mike Eastland, Walter Palmer, David Waterloo, Jim Weston, David Rayl, Woody Aenchbecker, Ronald Dethloff, Chips Ely, Robert Burton, Terry Junod, Murray Lyke, Ronald Weber, Dick Weber and Ian Hensen. Tent leaders were Mike Eastland and Woody Aenchbecker.

Chips Ely was elected Grand Muff of King's Court. The Scouts wish to thank the Optimist club of Northville and the drivers who transported the boys. They were Ivan Ely, Dr. J. K. Eastland and Clyde Dethloff.

Commenting on the failure of some fathers to visit their sons at camp, Weston said "if it isn't watched very carefully, scouting is failing in Northville. What is the reason?"

IT WAS ANOTHER HOT DAY last Thursday, but that didn't keep 45 Northville mothers from taking their children to the Community Building for photographs that will appear in future issues of the Northville Record — a continuation of the "Tomorrow's Citizens" series familiar to readers of the Record. The photos were taken by William Meinert, a staff member of United Studios, experts in child photography, Angola, Ind. Here Meinert photographs one of the early arrivals — Diane Beason, two-year-old daughter of Mr. and Mrs. William Beason, 18740 Valencia Rd.

Wallaceville Loses To Northville, 6-0

The Northville club in the Inter-County league snapped out of a losing streak of four games last Sunday to take Wallaceville to camp, 6-0. Northville's 10 hits compared with five for the losers, and its errorless playing contrasted with two boners by the Wallaceville nine.

The local lads garnered one run the third inning; three in the fourth, and two in the seventh. Batteries for Northville were Ted Nix and Benequist and Hale and Serey for Wallaceville.

Sunday the Northville team meets Lincoln Park at Cass Benton park at 3 p.m.

SPARKLES

FROM THE
DIAMOND

From Sporting News

Manager Harry Walker of the Cardinals says it's the "lively bat" and not the "lively ball" that's responsible for so many home runs. "We've got fellows up there now," "who swing 30-ounce bats with pencil-like handles and all the wood concentrated in the fat end. They swish those things around like batons and—pop—you're liable to be licked any old time." Walker says that while real sluggers, like Ted Williams, Joe DiMaggio, Stan Musial and Ted Kluszewski, would be sluggers in any age, there are those of lesser repute who would not have done so well with the old-style, heavier bats.

In the All-Star Game in Milwaukee, there were 20 strikeouts. But who, asks The Sporting News

Higgins, 'Manager of Year?'

The Boston Red Sox are in a mid-season splurge. They've been coming back strong. But it's not because of the heroic work of this or that player, says The Sporting News—it's a team job. Behind the team, the string-puller is the quiet well-schooled Manager Mike Higgins. The way he has been doing his job, might create a new policy among major league managers in hiring managers.

When General Manager Joe Cronin announced the appointment of Higgins last October, not much attention was paid to what may have been a change in policy by Owner Tom Yawkey. In the past, Yawkey had picked managers who had been so-called boy wonders. Men like Bucky Harris, Lou Boudreau, and Cronin. These men started their managerial experience while playing regularly in the major leagues. They were high-priced stars as players, and as managers.

But in Higgins, says The Sporting News, the Red Sox have a man who was "famed out" to learn the managing business. He came back to the Red Sox after eight years of successful managing in the minors, from Roanoke

will remember that? The 45,000 fans in the ball park, and the millions who saw it on television, will most likely never forget the two home runs—the first-inning blast by Mickey Mantle and the game-buster by Stan Musial in the 12. Incidentally, Sports Writer Bob Addie of Washington started his All-Star story this way: "Old pros, like soldiers, never die; they come alive to break a tie."

When Willie Mays hit two home runs in the July 7 game against the Phillies, it was the sixth time this season he had connected twice in one game. If he keeps going, he has a chance to break the record for most games with two or more homers. Ralph Kiner now holds the record in the National League—10 games. In the American League, Hank Greenberg holds top spot with 11.

Through July 13, the American League's top slugger, Ted Williams, had a slugging percentage of .913 for this year, well ahead of what he did last year. In the 29 games Williams played before the All-Star break, the Red Sox star had 29 extra-base clouts among his 39 hits. He had hit 12 homers, 11 doubles and three triples.

Nineteen relatives attended a birthday party for Mrs. Ida M. Cook at the E. B. Cavell home Sunday afternoon. Mrs. Cook celebrated her 86th birthday.

to Louisville. He was not a Boy Wonder. But, in his first year of managing the Red Sox he has received interest in major league baseball in New England.

How Higgins was chosen to lead Boston this year is interesting. It had appeared that Boudreau would be back to fulfill his two-year contract. But then, suddenly, Higgins was in. The way Cronin explained it, if the Red Sox did not bring Mike up they might have lost him. One American League club and another in the National wanted him.

If you ask the Red Sox players who is responsible for their comeback, almost to a man they'll name Higgins. He himself won't take credit. He says it's the all-out cooperation of the players, coaches, trainer, and even the equipment man. "It's a pleasure," says Higgins, "to manage the bunch."

It has been a job for a patient man. As Yawkey says, "He has more patience than I would have shown, had I been managing earlier this season." That was at a time when the Red Sox had slumped to 10 games under the .500-mark and were 14 games out of first place. But Mike had patience—and confidence in his men.

His greatest exhibition of patience and confidence, says The Sporting News, was his handling of Pitcher Tom Brewer. He kept using him although Brewer didn't win any of his first eight starts. Higgins said only, "He'll get going." And Tom did get going. Up to July 14, he had won six out of his last seven games. By not being dropped out of rotation, Brewer's confidence was saved. "If my manager thinks I can win," Tom said, "why shouldn't I?"

What is the secret of Higgins' success? Well, he himself believes it's because he has a happy ball club. "I always try to handle players with one thing in mind," he said, "that I was a ball player myself."

Higgins doesn't change with circumstances. He's the same while winning as he is while losing. While his club's spurt has raised flag fever, he refuses to become excited. He knows, without taking the credit himself, that he has a much improved club. He isn't hunting any personal headlines and he doesn't want any bouquets. He wants a happy club and a winning one. As of now, it looks as if he has both.

Shortstop Joe DeMaestri of the Kansas City Athletics is now a member of the Big Six. In a game against Detroit, July 8, DeMaestri got six hits in six times up.

Local Power Requirements To Rise 15% During 1955 Edison Co. Forecasts

Electric power requirements in the Northville area will be about 15 per cent greater this year than in 1954, according to Detroit Edison Company forecasts.

Harry Wagenschutz, Edison's local manager in Northville, said that the modernization program, which is now under way and scheduled for completion in early fall, is designed to keep the electric power supply well ahead of the demand.

Estimated at costing over \$100,000, the project will include the installation of new and additional substation equipment, and the construction of another distribution circuit. Revised, the electrical system will be sufficient to handle the electrical needs of a community of about 17,000 people.

"Northville's steadily increasing industrial, commercial and residential use of electricity reflects the growth and progress of the community," Wagenschutz said.

"It is also true that residential customers are using more electricity every year. Detroit Edison estimates customers are using more electricity every year. In 10 years the average residential customer will be using at least 3,600 kilowatt-hours of electrical energy a year as compared to the present 2,760 kilowatt-hours." By 1975 the average customer will use 6,400 kilowatt-hours annually, according to Edison predictions.

Detroit Edison bought the municipal plant in Northville on Oct. 2, 1916. Here are some statistics that show the increase in customers since that time.

Year	Customers in Northville and Township

Hardware Dealers Slate Annual Meeting Here September 22

The Southeastern Michigan District of the Michigan Retail Hardware Dealers Assn., will hold its annual meeting at the Community building Sept. 22, according to George Clark, head of Clark Hardware Co. Clark is chairman of the group, which represents about 50 communities.

An attendance of about 75 persons is expected at the affair. In addition to a program being arranged by H. W. Schumacher, Lansing, executive secretary of the association, there will be an election at which a successor to Clark will be named.

TAKING OUT THE "IF"

Many honest, Bible believing Christians are still groping in the darkness of unbelief in refusing to accept at full value the eternal life given them when they accepted Christ as their Saviour. They often say, "If I get to heaven—" or "If I'm saved—" Friends, there need be no "If" in your Christian life. You can make sure right here and now that heaven will be your home. In I John 5:13 we read, "These things have I written unto you that you may know that ye HAVE eternal life, and that ye may believe (that is trust) on the name of the Son of God." Turn to John 5:24, "Verily, verily I say unto you, he that heareth my word and believeth on Him that sent me hath (present tense) everlasting life, and shall not come into condemnation (judgment) but is passed from death unto life." Do you believe that? Have you met God's conditions of putting your trust in the Saviour? Then why doubt that God will carry out His portion of the promise to give you everlasting life and spare you from the judgment? When you doubt God's promise you not only rob yourself of the peace God intended that you should have but you are guilty of the sin of unbelief.

"Loch Alpine" To Feature Two Spring Fed Lakes, Golf Course, Forests

A unique subdivision that is known to many residents of this area opened to the public Saturday on the Huron River Drive outside of Ann Arbor. Loch Alpine comprises over 600 acres of unspoiled rolling countryside which is being divided into large home-sites from a half-acre to a full acre in size.

Loch Alpine, owned by Shubow & Hollo Detroit builders and land developers, offers the seeker of a spacious home site the ready-made advantages of winding gravel roads, a water system, hydrants for fire protection and a sewage treatment system that has been approved by the Michigan Department of Health.

Some 548 home sites, starting at \$2,950, are being offered by Brooks-Newton Realty, Incorporated of Ann Arbor. Families who purchase these sites will be able to go golfing, fishing, swimming and boating in the summertime, and they can go skating, skiing and engage in winter sports practically in their own back yards.

The unique feature of this subdivision which appeals especially to sports-minded home builders, is the fact that Loch Alpine contains two spring-fed lakes which

have been stocked with fish, plus an 18-hole golf course which will be reactivated in the near future. This hilly, picturesque countryside is sprinkled with shade trees and bordered by the Huron River. A Techbuilt model house is already under construction on this property and others will follow soon.

Treweek Completes Clerical Course At Ft. Knox, Kentucky

Pvt. Bruce H. Treweek, 22, whose wife, Donna, lives at 21126 Haggerty Rd., recently has been graduated from the Armored Replacement Training Center's Common Specialist Clerical school at Fort Knox, Ky. The course included typing, Army clerical procedures and record keeping.

Private Treweek, son of Gilbert C. Treweek, 25195 Westmoreland Dr., Farmington, entered the Army last February and completed basic training at Fort Knox.

A member of Delta Tau Delta fraternity, he graduated from the University of Michigan and worked for R. R. Donnelley and Sons Co. in Chicago, as a civilian.

Honor is a harder master than law.

—Samuel L. Clemens

Energy In 40-Acre Brush Fire Equal To Medium A-Bomb

There's as much total energy released in 40 acres of burning brush as there is by exploding one medium A-bomb, according to Kenneth P. Davis, University of Michigan professor of forestry.

And if this doesn't give an idea of a forest fire's destructiveness, Davis cites figures which say that 10 million acres a year catch fire, with yearly dollar losses running in the 100's of millions.

He points out that the U.S. as a whole spends some \$70 million a year for forest-fire fighting and prevention, but there are still about 170 thousand fires each year. And, he emphasizes that "93 percent of all forest fires are man-caused!"

Michiganers should be particularly alert to the hazards of forest fires since this state has on record some of the most numerous and destructive in the nation's history, Davis says. In 1930 there was a high of almost 5,000 fires;

in 1925 some 800 thousand acres were burned over and in 1911 more than 3 million dollars was burned up. The entire face of the Upper Peninsula has been changed by fire, he states.

"But thanks to Michigan's Department of Conservation, which is one of the best in the country, these staggering losses in land

and money have virtually been brought under control," Davis declares.

Fire-fighting now is largely mechanized; power plows and tractors are equipped with power spray nozzles, two-way radios and walkie-talkies, and one tractor does the work of 50 men, he says. Airplanes supplement watch

towers. But, he adds, it is up to all individuals to protect the forest lands by careful observance of conservation laws, and the Smokey Bear campaign of the Assn. of State Foresters' and the U.S. Forest Service attempts to alert people to the dangers of forest fire.

Most Modern, Shortest Stroke V8's* in any leading truck!

New Chevrolet Task-Force Trucks

Here's the measure of a truly modern V8 engine —Chevrolet's advanced oversquare design. It means less friction... greater efficiency... longer engine life!

Here are more dollar-saving reasons why new Chevrolet trucks offer you the most modern V8's* your money can buy!

MODERN 12-VOLT ELECTRICAL SYSTEM
Double the punch for quicker starting and more efficient ignition for finer performance.

GAS-SAVING HIGH-COMPRESSION RATIO
With a high 7.5 to 1 compression ratio, Chevrolet's new V8 truck engines squeeze extra power—and work—out of gas.

EXTRA-HIGH POWER PER POUND
Since these V8's deliver high power per pound of engine weight, more

power is available for hauling.

ADVANCED AIRCRAFT-TYPE VALVES
Valve action is more positive for finer, smoother performance.

FLOATING OIL INTAKE... FULL-PRESSURE LUBRICATION
Oil intake selects the cleanest oil for positive, full-pressure engine lubrication.

*V8 standard in the new L.C.F. models, an extra-cost option in all others except Forward-Control models.

Year after year... America's best selling trucks

BASEBALL IS THE MOST POPULAR among the Recreation Department activities this summer, with boys of all ages participating, according to Recreation Director Stanley Johnston. Here Dick Biery is at the plate in a game with Livonia between teams of boys 16 years old and under.

Roe Called "Out" On Spitball Claim When A Dodger

The former Dodger pitcher, Preacher Roe, got himself publicity by the bushel by his recent story in a national sports magazine that he used the outlawed spitball as his "money pitch."

"I threw spitballs the whole time I was with the Dodgers," Roe was quoted as saying, "seven years in all."

Well, not everybody believes that. And one who emphatically doesn't is Larry Goetz, veteran

National League umpire.

"If Roe was throwing a spitball and it was such a good pitch," Goetz said, "what did he quit for? He was still throwing as hard as ever last year."

Roe's story in the magazine was that when he threw this spitball the ball came up to the plate and then dropped "like a dead duck." But Umpire Goetz told The Sporting News he never saw any of his pitches act that way. "A spitball," Goetz said, "is like a knuckleball. There's no rotation to the ball. There's no one way it will break. It jumps around like Hoyt Wilhelm's ball on his good days."

Sneaky Fast Ball

"I worked a lot of games behind the plate when Roe was pitching," Goetz went on, "I never once saw him throw a spitball, and I've seen some thrown by real experts—Burlingame, Grimes, Joe Pate, Dave Danforth. Roe had good control, a little curve, a change-up and a sneaky fast ball, that's all. Control—that's about all a lefthander needs in order to win in the majors."

Goetz also scoffed at Roe's statement that Catcher Roy Cam-

panella never called for the pitch, but could always handle it. "That's a laugh," he said. "Roe didn't have enough stuff to cross Campanella up. Campy could catch a guy with Roe's stuff without any signs. Roe was a junk baller," he continued. "You've seen them—guys like Ed Lopat and Ken Raffensberger. They're always nibbling at the outside corner of the plate, then they shove one inside."

The only way to detect a spitball, Goetz said, is by the way it reacts as it comes up to the plate. And he says he feels he's well qualified to spot a spitball. In his book, Roe's story is just that—a good story.

Frick Kets in On the Act

Baseball Commissioner Ford Frick didn't get excited about Roe's story. "I doubt very much," he said, "that Roe got away with as much as he says he did. If he still were in baseball, we would do something about it. But he has retired, and now is beyond the reach of any action by us."

Players on the Dodgers also weren't very excited, or very convinced. "I don't know that Preach ever threw a spitball," Pee Wee Reese said. "All I know is that he never threw one in batting practice. So I take it that he never threw one."

Pitcher Carl Erskine commented that Roe didn't need a spitball

Top "Downs" Racers Headed For Fair At Fowlerville Aug. 3

August 3, marks the opening of the 1955 Southern Michigan Fair and Race Circuit at Fowlerville. The circuit closes at Hillsdale on October 1.

Fowlerville has scheduled four colt races with total purses of \$6,000 for the opening day. These consist of a 3-year old trot, 3-year old pace, 2-year old trot, and 2-year old pace.

On April 1, 177 colts were entered in the four races, insuring overflow fields in each race. The track record of 2:05 3-5 for 3-year old pacers was set by Bold Knight in 1953, the 3-year old trotting record of 2:10 2-5 is held by Song of Scotland.

Mr. Chief is the holder of the 2-year old pace record at 2:11 1-4 and the 2-year old trotting record was made by Vanaway at 2:14 1-5.

Based on this years performance at Northville Downs the outstanding entries in the 3-year old pace are: Liz 2:05 2-5 owned by John Toner of Detroit; Knight Stick 2:05 4-5 owned by Mrs. Al Easton, Wayne; Gallant Pick 2:09 4-5 owned by Julia Terpstra, Holland.

In the 3-year old trot are: Sweet Mike 2:09 4-5 owned by Hickory Farms, Manchester; Mark Volo 2:10 owned by C. H. Oxinger, Reading; and Dick Colby 2:10 1-5, owned by Fenton and Utter, Fowlerville.

The local track has a rating of the 10th fastest fair track in the United States and it is expected that the present records will be lowered.

to win. And Campanella had a statement with a smile in it that just about settled the issue. "All I know about spitballs," he told The Sporting News, "is that I swung at a lot more of them than I ever had to catch."

"Among the inconveniences that'll disappear if you ignore them long enough are snow and adolescence."

Some of the nations fastest horses contested in these "colt" events among which were: Carty Nagle 2:00 (winner of 37 consecutive races) winner here in 1937, Walter McKlyo 1:58 4-5 and \$38,730; Royal Blackstone 1:58 3-5 and \$101,570.

Royal I. Frisco 2:01 3-5 was the winner of the 1954 3-year old pace in 2:07 and has earned nearly \$15,000, to date. He is a son of Royal Blackstone.

The best preparation for the future is the present well seen to, and the last duty done.

Northville Board of Education - - - Minutes of Annual Meeting

June 13, 1955
Present: Mrs. R. H. Amerman, Mrs. Willima Chizmar, Mr. Bart Connors, Miss Gertrude Martin, Miss Ruth Knapp, Mr. E. V. Ellison, Mr. and Mrs. Drake Older, Mr. Kenneth Conley, Miss Florence Keith, Miss Ada W. Fritz, Mr. Harry B. Smith, Mr. R. Hart, Mr. William Milne, Mr. Gazlay.

Meeting was called to order at 8:10 P.M. by Pres. R. F. Coolman.
Members Present: R. F. Coolman, Eural F. Clark, E. Jane Wagenschutz, D. B. Severance.

Members Absent: N. C. Schrader.
The notice of the annual meeting was read by Mrs. Wagenschutz.
The secretary read the minutes of the last annual meeting.

Mr. Severance moved that the details of the treasurer's report be eliminated in the reading of the minutes. Mrs. Chizmar seconded the motion, which was carried.

Mr. Severance moved that the reading of the Superintendent's report at last year's meeting be waived. Mr. Amerman seconded the motion, which was carried.

There being no additions or corrections to the minutes, Mr. Ellison moved their adoption. Mr. Smith seconded the motion which was carried.

The treasurer's report was distributed among the electors. Mr. Severance moved that the reading of this report be waived and that it be published in the Northville Record. Miss Martin seconded the motion, which was passed. Mr. Severance then asked the treasurer if there was any part of the report to which he would like to draw attention. The treasurer then elaborated to some extent the factual and statistical information contained in the report.

TREASURER'S REPORT

GENERAL FUND	
Statement of Receipts and Disbursements	
July 1, 1954 through May 31, 1955	
July 1, 1954 — Balance	\$ 29,886.30
Receipts	
General Property Taxes:	
Current Taxes:	
General Fund	\$ 96,141.47
Owing to Debt Retirement Fund	5,795.40
Delinquent Taxes	4,280.86
Interest on Delinquent Taxes	223.88
State of Michigan:	
Primary Fund	31,508.70
School Aid	139,389.99
Sales Tax	34,912.30
Vocational Educational Grants	713.91
Tuition	36,852.31
Transportation Fees	1,503.95
Rentals — Community Center	755.00
Miscellaneous	867.49
TOTAL	\$352,945.28
Total of Receipts and Beginning Balance	\$382,831.56
Disbursements:	
Administration	\$14,121.79
Instruction	238,944.96
Operation of School Plant	44,267.45
Maintenance of School Plant	8,239.46
Fixed Charges (Insurance)	2,589.25
Auxiliary Services (Transportation, Health Service, etc.)	14,595.45
Capital Outlay	8,893.24
Bradner School Site — Down Payment	5,000.00
Miscellaneous	187.39
TOTAL	\$336,638.99
May 31, 1955 — Balance	\$ 46,192.57
Estimated Receipts and Disbursements for Balance of Fiscal Year	
May 31, 1955 — Balance	\$46,192.57
Estimated June Receipts	42,000.00
	\$88,192.57
Estimated June Disbursements:	
Payrolls and Bills	\$49,139.87
Transfer to Debt Retirement Funds	5,795.40

E. JANE WAGENSCHUTZ, Secretary

Mr. Amerman then gave an oral report on the general condition of the school and the work done and progress made during the school year. Mr. Severance moved, and Mrs. Wagenschutz seconded, that the superintendent's report be accepted as given and published in the Northville Record.

SUPERVISOR'S REPORT

To the Board of Education:
This annual statement concerning the Northville Public School System is an attempt to deal with progress to date and problems of the future as we see them from here. It is hoped that these comments and observations will prove helpful to the Board of Education and Community as they work together toward a better school program for tomorrow.
RUSSELL AMERMAN, Superintendent
The activities of the Board of Education, the Administration, the faculty and citizens can be highlighted by a brief review of several accomplishments.

One achievement for which we can all receive credit is that to date there has been a teacher for every classroom and a classroom for every child. And no child has been on a half day schedule. We have also maintained a favorable teacher-pupil ratio of 30-35 pupils per teacher.

Another fact for which we can assume satisfaction is the quality of the professional standards of the faculty. No child is being taught by a teacher with a substandard or special certificate. It might be of interest to know that with one exception all teachers hold degrees from recognized colleges. There are thirty-four teachers with the bachelor's degree and seventeen who have earned their master's degree. Several will receive their degrees from various graduate schools by September 1955. And perhaps of equal importance, and certainly satisfaction, many staff members have and are enriching their talents through travel, work experience, conferences, study, etc.

It is also significant that the administrative staff is adequately trained, certified and experienced to provide the necessary leadership to this school system.

Another highlight of the year has been achieved through the organization of a citizens advisory committee by the school board to work with the school in studying the present and future problems of the school system. It is most encouraging to observe the interest, skill and enthusiasm with which this committee of twelve busy people has attacked the school matters placed before it. They are concerning themselves with financial problems of the district, the ever growing child population, school district boundaries, adequate teachers salaries, the recruitment of teachers, future school sites, the need for a new high school building (when, where, size) and other related items. Within the next school year we hope to be able to present their findings and recommendations.

Concurrently with the above activities you will find that both the elementary school and high school staff have been engaged in taking a critical look at the curriculum, studying, evaluating, discussing it in terms of possible revision, in terms of present and future needs. The elementary school staff recently conducted a most worthwhile one day workshop in this connection and plans are being formed to carry on next fall.

The high school faculty has held numerous meetings and appointed sub committees to devise a new secondary school, philosophy, to review the various goals and objectives of the program, to make a thorough analysis of the high school building needs, etc. All are to be commended for their sincere devotion to and personal interest in the welfare of the boys and girls of the school district.

The new modern and fully equipped Amerman Elementary School will be ready for 300 children in the fall and plans are under way for a dedication service at that time. This new unit will take care of elementary school needs for two or three years and in the meantime we must be busy with plans and arrangements for more classrooms. We can add a wing to this new building or build on the newly acquired site in Waterford, whichever is most feasible.

Looking ahead we can readily single out a few of the urgent issues which will command our attention. First is the question of enlargement of the school district area. It is perhaps the most urgent and controversial problem currently challenging our attention. Time does not permit a detailed analysis here but progress reports will be given from time to time through the press and otherwise.

And then we are faced with the perennial quest for more money: more money for better salaries, for specialized services such as counselling services, special education classes for the slow learner and remedial reading, and others. Gradually increasing revenues never keep pace with the added costs of instruction.

Another serious problem about which we hear so much is the shortage of classroom teachers. We may really feel the pinch next fall.

The Northville Schools have been operating for the last five years on a special six mill tax levy which will expire with the 1955 tax assessment. The Board of Education and the Citizens Advisory Committee are working on a complete appraisal of the financial structure of the school district with particular attention being devoted to this matter. Another special levy to replace this one may be necessary.

In conclusion let me assure you that the Northville School System is in good condition and that it is keeping abreast of the latest and best developments in the field of Education. We pledge our devotion to the cause of providing the best possible educational program for all the children. We assure you of our complete cooperation in meeting these needs.

R. H. Amerman

MICHIGAN MIRROR
A REPORT FROM THE CAPITOL
By Elmer White

SCHOOL BOND money raised in desperation last spring may go virtually untapped for a year. Voters approved a \$100 million bond issue for the state to back up loans for hard-pressed school districts flooded with new students.

The idea was to finance everything a school district could not handle in the way of building projects above the 13-mill ceiling imposed by the constitutional amendment.

THEN THE DISTRICTS would levy the 13 mills until the money was repaid over a 25-year span. It was whisked through the legislature and onto the spring ballot. Legislators envisioned long lines of administrators using the money within weeks.

The first district, in Garden City, qualified for a \$1,250,000 bond issue but its officials appeared disinclined to ask for a loan. Others are in the same position.

ATTY. GEN. Thomas M. Kavanagh said he doubted whether any state bonds would be needed for another year, though he admitted the important consideration was that the fund is available.

"It becomes increasingly clear that loans to school districts will be fewer than expected," he said. Another bit of irony: The fund was designed to help districts mushrooming with higher populations. Kavanagh pointed out that the more people, the more taxes can be collected at 13 mills.

"Some of the districts may find that they can finance their emergency building programs without state help," he said.

LEGISLATORS SEEKING ANSWERS to pressing problems of the state are fanning out into 32 summer investigations financed by \$131,000.

The results will be ready for the 1956 session when many of the inquiries will give birth to bills.

Some of the investigative committees are old, like the group studying Michigan's draining and flood control, highways, higher education and debt management.

BUT OTHERS ARE TAPPING new fields for the first time, including juvenile delinquency, the plight of caring for mentally retarded persons.

The list includes a study of the retirement systems for public employees.

MAJOR REFORMS NEVER adopted but proposed and debated in sessions since 1950, include abolishing the auditor general's office and creating a legislative auditor, making the post of superintendent of public instruction appointive instead of elective.

"I feel the groups have made important contributions to the welfare of the state," Andrews said.

Walter P. Reuther, president of the CIO, and Charles E. Wilson, U. S. Secretary of defense, will speak at the University of Michigan on Aug. 3 and 8, respectively, in the University's Summer Session series of lectures relating to "Michigan."

Reuther will speak at 4:15 p.m. Aug. 3, in the Rackham Lecture Hall, on "Labor and Michigan." He will be followed at 8 p. m. by a panel on the "Impact of Unionism on Michigan's Industrial Economy." Participants will include: Prof. William Haber of the economics department, chairman; Frank Rising, general manager, Automotive and Aviation Parts Manufacturers, Inc., and Leonard Woodcock, vice-president, UAW-CIO.

At 8 p. m., Aug. 8, Wilson will lecture on a topic of current importance which will be selected shortly prior to the day of his appearance. His talk will be given in the Rackham Lecture Hall.

A look into the future will be on the bill when panel discussants from several fields speculate on "Michigan—2000 A. D." at 8 p. m., Aug. 2.

On the panel will be Justin R. Whiting, chairman of the board of Consumers Power, chairman; Amos H. Hawley, head of the U-M Department of Sociology; Samuel T. Dana, dean emeritus of the School of Natural Resources; Edward T. Vincent, chairman of the Department of Mechanical and Industrial Engineering; and Phil Carroll, consulting industrial engineer, Maplewood, N. J.

And there'll be a look at history to round out the program. The battles of Chancellorsville and Gettysburg, and Sherman's exodus from Atlanta will be the subject of radio broadcasts over WUOM, the University's station, on July 29, August 5 and 12 at 8:15 p. m.

List Reuther and Wilson As Speakers U-M Lecture Series

Walter P. Reuther, president of the CIO, and Charles E. Wilson, U. S. Secretary of defense, will speak at the University of Michigan on Aug. 3 and 8, respectively, in the University's Summer Session series of lectures relating to "Michigan."

Reuther will speak at 4:15 p.m. Aug. 3, in the Rackham Lecture Hall, on "Labor and Michigan." He will be followed at 8 p. m. by a panel on the "Impact of Unionism on Michigan's Industrial Economy." Participants will include: Prof. William Haber of the economics department, chairman; Frank Rising, general manager, Automotive and Aviation Parts Manufacturers, Inc., and Leonard Woodcock, vice-president, UAW-CIO.

At 8 p. m., Aug. 8, Wilson will lecture on a topic of current importance which will be selected shortly prior to the day of his appearance. His talk will be given in the Rackham Lecture Hall.

A look into the future will be on the bill when panel discussants from several fields speculate on "Michigan—2000 A. D." at 8 p. m., Aug. 2.

On the panel will be Justin R. Whiting, chairman of the board of Consumers Power, chairman; Amos H. Hawley, head of the U-M Department of Sociology; Samuel T. Dana, dean emeritus of the School of Natural Resources; Edward T. Vincent, chairman of the Department of Mechanical and Industrial Engineering; and Phil Carroll, consulting industrial engineer, Maplewood, N. J.

And there'll be a look at history to round out the program. The battles of Chancellorsville and Gettysburg, and Sherman's exodus from Atlanta will be the subject of radio broadcasts over WUOM, the University's station, on July 29, August 5 and 12 at 8:15 p. m.

Milk Queen Serves Self

Michigan Dairy Queen Joanne Barrett gives the milk vending machines a try in the student center at Wayne University, Detroit, where by inserting a coin and pushing a button, students get a carton of cold fresh milk, quickly, easily. Increase in use of machines, particularly in factories, and milk sales potential of vendors and dispensers are subjects of study and a report made by a committee of the Michigan Milk Producers' Association.

said. "Now we should get as many as possible into effect."

REPUBLICANS HAVE created a party promotional scheme to fight off Democratic inroads in the legislature.

A special five-member committee of Republican Senators has been appointed to help out in 1956 campaigns in districts where Democratic nominees are threatening.

The committee was named in the face of fresh attempts by liberals to change the apportionment of legislative seats.

Under the present system, the Senate is elected according to

hold the Senate, the city Democrats the House.

DEMOCRATS HAVE always maintained that the entire legislature should be apportioned on the basis of population, a situation that would give urban areas control. Republicans figure districts—area plus people—is the fairest.

The Republican committee will work in marginal districts.

"We plan to get money to help

from the Republican State Central Committee," said Senator Creighton R. Coleman (R-Battle Creek).

CHRISTIAN SCIENCE
CHURCHES
Main and Dodge Streets
Plymouth, Michigan
How spiritual understanding of
God as divine Love assures man
of wise guidance and unlimited
inspiration will be brought out at
Christian Science services this
Sunday.

The Lesson-Sermon entitled
"Love" will include the following
passage from the Biblical account
of the guidance the children of
Israel received in their flight from
Egypt: "And the Lord went be-
fore them by day in a pillar of a
cloud, to lead them the way; and
by night in a pillar of fire, to
give them light; to go by day or
night: He took not away the pil-
lar of the cloud by day, nor the
pillar of fire by night, from be-
fore the people" (Exodus 13:21,
22).

Among the correlative passages
to be read from "Science and
Health with Key to the Scrip-
tures" by Mary Baker Eddy is the
following (45:18-21): "Love in-
spires, illumines, designates, and
leads the way. Right motives give
pinions to thought, and strength
and freedom to speech and ac-
tion."

The Golden Text is from I John
(4:8): "He that loveth not know-
eth not God; for God is love."

Praise Home Rule,
"Free Advice", For
Small Communities
One of the biggest assets of
Michigan's small units of govern-
ment is the "expert" who lives in
the community and gives his time
and energy to the community's
development and planning.
Good words for local commu-
nity leaders were voiced by two
representatives of local govern-

ment at Michigan State univer-
sity's summer forum in state and
local government.

"Small communities depend
very much on the free advice of
experts living in the community,"
said Mayor David Calhoun of
Huntington Woods. In his town,
the mayor said, a group of men
are serving on one commission
"whose combined salaries are
probably \$500,000 a year, but they
serve the community for nothing,
except their desire to help and
improve it."

Agreeing that such service is
"a wonderful thing" was James
L. Gardner, president of the
Michigan State Assn. of Super-
visors. "It means a lot," he said,
"to get for free a lot of high-class
talent who can do future plan-
ning, prepare information and
make suggestions."

In discussing Michigan's home
rule act, Mayor Calhoun declared
that "we have always felt very
strongly that home rule is the
way we would like to be govern-

ed. It is not up to the legislature
in Lansing to tell us what to do
internally."

Mayor Calhoun also objected to
what he called "the legislature's
attempt to set the hours for fire
and police officials." Contending
that this is a matter for the local
community to decide, he said the
setting of these working hours
by the state would amount to "in-
terference."

Newest thing in Room with a View

It's the 4-Door Riviera-
the stunning new hit
of America's Hardtops

WHEN Buick introduced this
nation's first hardtop—the
Riviera—folks went for it, and fast.

They liked the Convertible look of
this 2-door beauty—long, low and
rakish. They liked the added security
of the steel roof overhead. And they
certainly liked the absence of
center posts in the side window areas
— which gave a completely unbroken
view left and right.

People liked it all so well that, over
the past six years, they made the
Riviera the biggest-selling hardtop in
the world, bar none. And it still is.
Now Buick has come up with
another great advance in hardtops —
the 4-Door Riviera—and it's a sensa-
tional hit.

It has everything the original 2-Door

Riviera has—plus separate doors for
rear-seat passengers, and a whale of
a lot more room for them.

Rock-solid half-pillars on either side
are what latch the front doors and
hinge the rear ones. So there's no
center post above the door line—and
a completely open sweep of view to
both sides.

And the roominess provided by this
gorgeous new hardtop is really some-
thing—over 9 inches more hiproom
and 5 inches more legroom in the rear.

Why don't you come see this brand-
new kind of automobile that's heading
up the parade of the hottest-selling line
of Buicks in history?

That way you can also try Buick
comfort, Buick power, Buick ride and
handling and roadability—plus the
electrifying action of Buick's Variable
Pitch Dynaflo.*

Do it this week—tomorrow would be
fine—and you'll see what record
volume really means in the way of
record-high trade-in deals.

*Variable Pitch Dynaflo is the only Dynaflo Buick
builds today. It is standard on ROADMASTER, optional
at modest extra cost on other Series.

Thrill of the year is Buick

THIS UTTERLY GORGEOUS SPOT WHICH IS THE LAST OF ITS KIND WITHIN EASY DRIVING DISTANCE OF NORTHVILLE, OFFERS YOU THESE FANTASTICALLY WONDERFUL FEATURES

• 2 private spring-fed lakes, fully stocked by the U of M
Plenty of swimming. Plenty of fishing for every one, right in your own backyard

• An 18 hole golf course
You can shoot a couple of holes before dinner, right in your own backyard

• Property borders beautiful Huron River
You can go canoeing, boating, fishing, exploring—before breakfast, after dinner, or all day long, right in your own backyard

• Acres and acres of woods and rolling hills
Hiking, picnics, camping trips—are all yours to enjoy right in your own backyard

• Complete natural facilities for all types of winter, and summer sports
Sledding, tobogganing, swimming, fishing, skiing, skating—are here for you and your children to enjoy right in your own backyard

ALL CITY FACILITIES

Loch Alpine has its own water and sewer system. Water system includes 15 miles of water mains. There will be no septic tanks. Bus service will take your children to school. This is a rural community with all the conveniences of city life.

HOW YOU CAN PURCHASE ONE OF LOCH ALPINE'S DREAM HOME SITES

From 9:00 A.M. to 8:00 P.M. daily, sales representatives will be at the entrance gates of Loch Alpine. By placing a small deposit with one of these representatives, you may reserve the Loch Alpine home site of your choice. As all lots will be sold on the basis, "first come—first served," may we suggest early action on your part for widest selection.

SIZE OF HOME SITES

Loch Alpine consists of over 600 acres. This has been subdivided into 548 lots, which range in size from a half acre to a full acre.

RESTRICTIONS

All homes will have to meet the approval of a central committee. All homes will be required to meet minimum square footage requirements. These precautions will safeguard your investment.

Loch Alpine offers the most exquisite home sites ever made available to residents of Southeastern Michigan. Imagine living in a home atop a beautiful knoll. From your picture window you look out at a cascading brook, a winding river, two sparkling lakes, an 18-hole golf course, and miles of green forests. All right in your own front yard . . . and only 25 minutes from Northville. Loch Alpine is like a Northern Michigan park. It's a place that will rest and relax you . . . a place where you can stand on your front doorstep and hear nothing but utter, absolute, serene silence. It's a place where children can run and run and run in air so fresh and crisp and clean they'll eat like young colts. It's a place of such rare beauty that your roots will go down deep that the love of Loch Alpine will never be dislodged from your thankful heart. Treat yourself to a Loch Alpine visit this week end. View one of nature's most lovely creations which has been made into a real dream homesite by the addition of roads, water mains and sewers. We'll be waiting to welcome you!

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Alvin Skow and son, Delano, went to Chicago with five entries in the National Model Airplane contest, giving Northville representation for the first time in history of the competition.

H. Adrian Willis, was named Kelvinox national advertising manager. He joined the firm in 1944 and had been supervisor of national advertising since 1951.

In Novi, three gasoline pumps were knocked down and other damage done to Harwood's service station by a Detroit motorist who was said to have been traveling 70 miles an hour.

Glenn C. Long, Northville contractor, was the subject of an article in "Plumbing and Heating Business", a national trade publication, on how Long conducted the open house and "housing warming" at his firm.

Sally Wagenschütz, daughter of Mr. and Mrs. Harry Wagenschütz, and James Rambeau, son of Mr. and Mrs. L. D. Rambeau, completed a four-weeks' course

in the High School Speech Institute at Michigan State university.

FIVE YEARS AGO—

Chick Harbert, Meadowbrook Country Club pro, with his partner, Bob Hamilton, won seventh place prize at Inveness Country Club, Toledo, invitational golf tourney. Harbert and his partner won the contest in the preceding year.

Dr. Victoria Lovewell attended the 54th annual convention of the American Osteopathic Assn. at Chicago.

Robert Davis was named president of the Novi school board. Other new officers were Frazer Staman, retiring president, treasurer; James D. Mitchell, secretary; James Frisbie and William H. MacDermid, trustees.

The new outdoor swimming pool at Meadowbrook Country Club was dedicated.

The movie ads listed Shelley Winters and MacDonald Carey in "South Sea Sinner." Also "The Eagle and the Hawk," starring John Payne, Rhonda Fleming and Dennis O'Keefe, with no leading characters for "Bomba, the Jungle Boy on Panther Island."

Speeches by Village Commissioners John F. Stubenvoll and Gerald Woodworth at the Rotary club meeting on "The Future of Northville" prompted Leland V. Smith, program chairman, to arrange a debate at a future club meeting on "Should Northville be Converted to a City?"

Ten Years Ago—

Four Northville men were inducted into the army in the July quota. They were Robert L. Gotts, Dayton H. Deal, David P. Rayl and Robert L. Ware.

Barton Connors, Mary Louise Lee, Corine Clark, and Marcia Sparling were named by the University of Michigan to membership in the all-state orchestra at Camp Interlochen.

C. Harold Bloom, local repre-

sentative of the Michigan secretary of state's office, reminded auto owners that license plates for six months were on sale.

Technician Maxwell F. Austin, was awarded a Soldier's Medal at Okinawa by General Stilwell.

Sgt. Royal McCormick, the first boy to enter the armed forces from Novi township, returned home to marry Evelyn Hill.

A \$10,000 fire hit the home of J. J. Hettche on Eight Mile Rd. Freydl's Cleaners installed additional machinery.

Twenty Years Ago—

The price of gasoline in Northville—about 19 cents a gallon—was not affected by gas wars in Detroit and other state cities.

Fire caused \$5,000 damage to the office of Dr. L. W. Snow.

Shirley Temple was a hit in "Our Little Girl." Other cinema attractions were Mr. and Mrs. Martin Johnson's "Baboon," "Ladies Love Danger," with a cast that included Mona Barrie and Gilbert Roland.

Leslie G. Lee's 25-voice, Northville-Plymouth chorus concluded the season with a concert in Tecumseh.

"Pere Marquette" by Agnes Repplier was among the new books at the library.

50 Years Ago—

The "kissing bug" was infesting Northville. It hit its victims sharply on the face, causing pain, followed by swelling.

6% Drop In Output Of Michigan Apples Seen For This Year

Michigan stands sixth among apple producing states, but the 1955 crop in the 21 commercial counties will be less than last year's yield. Early apples such as the Yellow Transparent and Duchess already are being harvested in southern counties.

The apple harvest in the commercial counties is expected to total 59 million bushels, it was announced by Director G. S. McIntyre, of the Michigan Department of Agriculture, following receipt of the most recent information of the Federal-State Crop Reporting service.

While this year's yield is expected to be only 100,000 bushels less than a year ago it actually is about 30 percent less than the 5-year average. During the years from 1949 to 1953 the average was 8.39 million bushels.

Lighter production this year is expected because of a freeze on May 9 which took a toll of all fruits, some worse than others. Peaches, the harvest of which is now beginning, came through the cold better than some other fruits. Apples and cherries were both reduced substantially.

Nationally the apple crop will be four percent below last year's production, but only one percent under the average. The national apple crop is expected to amount to 105.5 million bushels.

Aside from the early varieties, which are highly regarded for pies, sauce and home canning, there are several popular kinds that do well in Michigan. Among them are Wealthy, McIntosh, Jonathan, Delicious, Northern Spy, Grimes Golden, Winesap, Greening and others.

In buying apples purchasers should remember that under Michigan law the grade, size, variety and name and address of the grower or packer must show on the container.

He who is not liberal with what he has, does but deceive himself when he thinks he would be liberal if he had more.

—W. S. Plummer

No amount of ability is of the slightest avail without honor.

Important thought to keep in mind:

There's no need to worry about stalling in hot-weather traffic; no need to worry about balky hot-engine starting! Just fill up at your Gulf station with New Super-Refined Gulf NO-NOX—the gasoline that's made with evaporation control to prevent vapor-lock. And always protect your engine with New Gulfpride H.D. Select, the motor oil that controls carbon.

New Gulf No-Nox Gasoline delivers not just the highest octane but

full working octane

because it's super-refined to burn clean

See what a difference Gulf super-refining makes. Gulf takes out the "dirty-burning tail-end" of gasoline—at the refinery—to bring you new clean-burning Gulf NO-NOX.

NO GASOLINE, no matter how high the octane, will let your engine deliver full power performance—mile after mile—unless it burns clean.

That's why it pays to always use new NO-NOX. Gulf NO-NOX is the clean-burning fuel that gives you full working octane day in, day out. In addition, you get . . .

- more complete engine protection
- extra gas mileage in short-trip, stop-and-go driving
- freedom from vapor lock, engine stumbling and stalling
- no knock, no pre-ignition—even in today's high-compression engines

Now! For the ultimate in working octane performance, always use Gulf's super-refined gas-oil team...New Gulf No-Nox Gasoline and

New Gulfpride H.D. Select Motor Oil

The only motor oil super-refined by the Alchlor Process for modern high-compression engines.

- Controls carbon
- Combats corrosive acids, rust and deposits

- Assures lower oil consumption
- Provides the toughest protective film ever developed in a motor oil

Available in 3 grades—SAE 10W, SAE 20/20W, SAE 30
