Another Elm Destroyed

This towering elm was the second of two giant trees at the corner of S. Center and Cady streets to fall victim of the Dutch elm scourge which has killed nearly 100 elm trees in Northville during the past two or three years. It was cut down and destroyed last week by a Green Ridge Nursery crew. Several other trees in Northville are affected by the dread disease for which there is no known remedy, but which is said to be preventable by periodic spraying. They are to be cut down as soon as possible.

Merchants' Sale To Feature Bargains, Kiddie Rides and Pie-Eating Contest

Northville merchants will launch the fall selling season next week with a city-wide sale lasting from Thursday, Aug. 25 through Saturday, Aug. 27 and featuring "bargain specials" designed to appeal to both the eye and the pocketbook.

Officially designated as "Northville Bargain Days", the merchandising event will be one of the greatest "cooperative" sales ever put on locally, according to George Clark, president of the Northville Retail Merchants Assn. It will be advertised in the Northville Record and a special six-page "Shopper" that will go in the mail Aug. 23. The latter will reach nearly 11,000 homes in the Northville, Plymouth, Farmington, Walled Lake, Livon-

ia, South Lyon and Novi area. With the Record's approximately 2,700 circulation, the advertising messages of participating merchants will reach more than 13,500 homes. Important features of the three-day sale will be a Kids Pie-Eating contest and a Kiddie Circus, both of which will be held on the parking lot at the southwest corner of Main and Center streets. The Kiddie Circus will last three days, featuring rides and the Pie-Eating contest will be held at 7:30 p.m. Saturday, Aug. 27. All entrants must leave their names at Ritchie Bros. Laundromat, 144 Center St. First prize will be three dollars; second prize, two dollars, and third, one dollar.

Deadline Against Trailer Use Is Set By Northville

The Northville city commission this week gave Charles Mickalacki 60 days to remove his house trailer from the former Peter Wall property on Griswold St., which Mickalacki purchased nearly a year ago and has been remodeling since.

Mickalacki appeared before the commission after being notified by the Northville police department that he is in violation of the city's zoning ordinance restriction on the occupancy of trailers. The ordinance permits use of house trailers in the city under certain limitations only for the period starting 10 days before the race meet at Northville Downs each year and ending on the 10th day after the meet ends.

Deadline Is Set

The commission also ordered the police department to move against all trailer occupants who had not departed by Aug. 16, which was the 10th day after the 1955 season ended.

Mickalacki admitted using his trailer for several months, but explained that he had experienced unexpected delays in remodeling his house. He told the commission he plans to sell the trailer immediately, and use the proceeds to speed remodeling.

Mickalacki was told that it is not the desire or intention of the commission to impose any undue hardship upon him as long as he is exerting a diligent effort to complete his house. Mayor Claude N. Ely apparently expressed the commission's feeling when he said: "The city has an ordinance expressly prohibiting use of house trailers except during the limited racing season. We feel that you have already knowingly committed a violation, but there seem to be some extenuating circumstances. This commission has previously permitted one other house trailer to remain in use longer than the ordinance specifies, due to illness of its owner. We will make an exception in your case."

Garden Club Plans 2-Day Workshop

The Northville Branch of the Woman's National Farm and Garden Assn. will sponsor its workshop No. 2 in cooperation with the extension service of Michigan State university on Aug. 30-31 in the Community Bldg.

The workshop is free and everyone interested in landscaping or having garden problems is urged to attend.

Dr. H. L. R. Chapman of MSU will conduct the workshop, assisted by Dr. Carter Harrison, a soil specialist and an outstanding authority on lawn care and methods of exterminating crab and quack grass. Dr. Buford H. Grigsby will explain the latest methods used at MSU experimental department in weed eradication on the home garden. Dr. Chapman will discuss how, why and where to plant the home gardens.

There will be a question and answer period at the end of each session for the discussion of individual problems of those attending the workshop. Plants for identification or cuttings of diseased plants for which suggested treatment is desired, should be brought.

Workshop No. 2 will open promptly each day at 10 a.m. and last until 4 p.m., with a one-hour intermission at noon. Coffee will be furnished but those attending should bring their own sandwiches.

City Concerned By Prospect of Oakwood Floods

Considerable concern was expressed by Mayor Claude N. Ely and various members of the Northville city commission Monday evening over the prospect of additional flooding of residential property in Oakwood subdivision by water draining off the grounds of the new Amerman elementary school when the fall rains come in September.

Property owners with homes flanking Carlyle St., which starts at Center St. across from the school grounds, and runs east with a down hill slope, have been bothered for years by flood water from the higher ground on which the school is situated. When the school grounds were graded last spring to fill in several low spots which had served as reservoirs to hold excess water from heavy rains and melting snow in spring, these property owners found their previous difficulties multiplied.

Many complaints have been lodged with the city commission recently accompanied by demands for storm sewers to carry off the flood water. The commission has been trying, with no success to date, to work out some deal whereby Oakland county or Wayne county will share the expense of putting in storm sewers.

To the commission's apparent great distress, it learned Monday evening from School Board President Robert Coolman that a bulldozer was to start immediately on an additional grading project that will divert surface drainage into Hill St. Also, this proved almost too much for the commission's equanimity, and for a half hour the air was filled with vigorous protests and speculation by the mayor and others as to the legality of changing the natural land contour. The general tenor of the remarks and remonstrances was that "they can't do this to us."

Commissioner Ed Welch was asked by the commission to redouble his efforts to set up a meeting at which the city can ask either Wayne or Oakland county, or both, to share the expense of storm sewers. They'll call a special meeting the minute Welch can find someone to meet with.

Coolman remained as an interested spectator throughout the discussion, but appeared quite unruffled by the disturbance created by his remarks. With a quiet smile he observed to another spectator:

"The homeowners whose property is being flooded have been asking the village for storm sewers for years. Maybe this will help them get some action."

When the discussion subsided it appeared that Coolman probably was correct.

Paul Burnham New Commander of 17th Legion District

Paul Burnham, 40100 E. Eight Mile Rd., will be installed as commander of the 17th District of the American Legion in the Methodist church house Friday at 8 p.m. The 17th District comprises the American Legion posts in Northwest Wayne county. David McDougal is the retiring commander.

Mrs. Adah Langmaid of the Plymouth Passage Gayde auxiliary, will be installed as president of the district. Mrs. Lena Hammond will be installed as district treasurer and Mrs. Virginia Burnham as a member of the executive board.

Among the seven officers being installed two are from Northville, Paul Burnham and Donald Severance who is the new judge advocate.

Installing the officers will be the ritual team of Voiture 102 of Detroit. The new department commander, Don J. Smith of St. Johns and Department Vice-Commander Robert Parks of Howell will also be present.

Refreshments will be served at the American Legion Hall on Dunlap St. following the installation. The public is invited.

On Aug. 23, the Lloyd H. Green post and unit will hold their installation of new officers at the Veterans Memorial Bldg. at 8 p.m. with a short business meeting following. Catherine Johnston, assisted by the past presidents, will install the officers of the unit.

SCHOOL REGISTRATION IN 2 WEEKS

Vacation is already over for Superintendent Russell H. Amerman (left) and Elementary Principal Harry Smith, who have been getting plans set since the first of the month for

resumption of school right after Labor Day. Elroy Ellison, high school principal, and Dick Kay, assistant elementary principal, were still vacationing when this picture was taken.

Northville Schools to Resume Regular Classes September 12

It won't be long 'til school bells ring again. That's the happy thought of the week, passed on by School Superintendent Russell H. Amerman to the Northville boys and girls who only a short time ago were looking forward to a L-O-N-G summer vacation, and to the 55 teachers and five administrators who were hoping to recuperate from an arduous year.

Whether or not the kids have enjoyed as much fun as they anticipated, or their teachers have had as much rest as they hoped for, all good things must come to an end sometime.

For boys and girls who have not attended Northville schools previously, the time will be 9 a.m. Monday, Aug. 31, when registration will be held for students from kindergarten through the 12th grade.

Registration Starts Aug. 31

Registration offices will be open from 9 to 12 and 1 to 4 on both Aug. 31 and Sept. 1. Those in grades 7 to 12 must register in the high school principal's office. All others, from kindergarten through sixth grade, will register in the principal's office of the Northville Grade school on W. Main St. No registrations will be taken at the new Russell H. Amerman Elementary school on N. Center St.

All students registering should bring their promotion blank, report card or transcript of credits from their previous school. They will be assisted by faculty members in choosing their study program for the coming year.

Prizes, in the games of chance, are items volunteered by the surrounding communities and individuals. Northville members of the Northville State Hospital Volunteer Service working on the fair are Mrs. Charles Mummery, Mrs. Arthur Verschaeve, Mrs. L. D. Rambeau and Mrs. Lucille Tanner. Grey Ladies are Mrs. William C. Davis, Mrs. Arthur Gruener and Mrs. Marvin Partridge. There will be 16 booths sponsored by various groups and the volunteers will assist wherever needed. Radio and TV entertainment will be provided for the patients.

The most desired contributions are home baked cakes and anyone desiring to contribute a cake may have it picked up by calling 1290, and ask for Social Service. Items suggested as prizes that Continued on Page 10

Classes start for grades 7, 8 and 9 at 8:30 a.m. Thursday, Sept. 8 and last the entire day. These grades will not meet again until Sept. 12.

Grades 1 through 6 report for classes at 8:30 a.m. Sept. 9. Kindergarten morning class reports at 8:30 a.m. Sept. 9 and kindergarten afternoon class reports the same day at 1 p.m. These grades also do not meet again until Sept. 12.

Regular class sessions for all grades begin on Sept. 12 at 8:30 a.m. This day will be the first meeting of grades 10, 11 and 12.

Record's Managing Editor Stricken By Heart Attack

George B. Deery, managing editor of the Northville Record since Jan. 1, 1955, suffered a heart attack on the boat returning to Detroit from Bob Lo last Saturday evening. He was taken by ambulance to Receiving hospital when the boat docked, but was pronounced dead upon arrival there.

That Mr. Deery had made a surprisingly large number of friends among local merchants, city officials and professional people, has been evidenced by the number of personal calls and telephoned expressions of condolence and sympathy to the Record office as news of his untimely death circulated quickly by word of mouth early this week. Without exception, these friends have paid tribute to the diligent and sincere effort which he made to cooperate with individuals and organizations in printing their news factually, and in the same kindly spirit that always characterized his dealings with friends and acquaintances alike.

Praised By City Officials
Members of the Northville city commission and Mayor Claude N. Ely, at their meeting Monday evening, voted that an expression of sympathy and appreciation of Mr. Deery's cooperative spirit be sent to his sister, Mrs. Robert Sack, of Adrian. The letter, signed personally by Mayor Ely, follows:

Dear Mrs. Sack:
The Commissioners of the City of Northville wish to express to you their deepest sympathy in the passing of your brother, George Deery. While his stay in Northville was of short duration, his cheery disposition and his spirit of cooperation had made him very well liked by all who had enjoyed his acquaintance.

Safety Measures Are Adopted for School Children

The Northville city commission voted this week to close West St. to public travel between Main and Cady streets as a convenience and safety precaution for elementary and high school students. Under the new arrangement, school buses will load and unload in the closed street, which runs between the high school and grade school on W. Main St.

It had been anticipated that some opposition to the move might develop but none was apparent when the commission considered the subject Monday evening. Instead, commissioners said several residents had expressed approval of the move, especially with respect to its safety aspects.

The commission also announced that steps are being taken to safeguard children walking on N. Center St. to attend the new Russell H. Amerman Elementary school, which opens for the first time in September. During school hours, Center St. is to be entirely closed to vehicular traffic between Baseline and Hill streets.

Merchants Adopt New Emblem

Shown above is the new and attractive seal of the Northville Retail Merchants Assn. Designed by Harvey and Dick Ritchie of Ritchie Bros. Laundromat, it is the first seal to be used by the association. It will appear on advertising material, merchants' stationery, and signs which will be placed in the outskirts of the city.

Longthorne Hurt In Auto Accident On Northville Road

Hazen Longthorne of 212 Plymouth Rd., Northville, suffered arm lacerations and possible chest injuries Tuesday morning when his auto struck a railroad abutment and then another car, on Northville-Plymouth Rd., south of the Ford Waterford plant. Continued on Page 10

Guess What This Picture's About?

This is supposed to be a picture of the new carpet that was laid in Northville's Masonic Temple last week. For those who can't see the carpet but are interested in the identity of the men who crowded into the background, they are, from left: Walter E. Miller, C. Ray VanValkenburgh, William Monroe, Earl Gray, Ted Donathorne, Roy Stone, T. R. Carrington, William Duguid Sr. and Ralph L. Hay Sr. Back row: Gordon Allen, Harry Sedan Jr. and Harry Sedan Sr. Only five remained after the picture was taken to help lay the carpet. The others had urgent business elsewhere. The old carpet was laid in the Temple in 1911, but the

scuffling feet of six organizations' members have since worn it out. A carpet committee, headed by Frank Dunsford, made plans to purchase another one which would cost several thousand dollars, and the plans became a reality Aug. 10 when Schrader Furniture store installed a brand new carpet. Voluntary donations aided in the purchase, but according to Walter Miller, past president, a few more donations would be greatly appreciated. First to enjoy meeting on the new carpet will be the Northville Commandery No. 39 K.T. with Em. Sir Lawrence W. Matthews as commander.

Mrs. Henry Schnute

Seated above is Mrs. Henry Schnute, who celebrated her 80th birthday Aug. 4 with a family dinner party at Black's White House. Mrs. Schnute who was born in Monroe, Mich., and Mr. Schnute have lived in Northville since 1918 with the exception of nine years when they returned to Monroe. Mr. Schnute taught school in Monroe for a few years and has taught music in Northville for many years.

The Schnutes have four children, Selma, who is employed at Northville State hospital, Rev. Alvin, a minister in Detroit, Milton who lives in Hot Springs, S.D. and who flew orchids here for his mother's birthday, and Arthur who is employed at the post office. There are ten grandchildren.

Detroit To Host Hobbyists In '56

Mrs. Betty Kupsky of 318 Yerkes St. was elected executive vice-president of the All-States Hobby club at its 7th annual convention at Roanoke, Va. in July.

The club will hold its 1956 convention in Detroit at the Detroit Leland hotel July 27 through 29, according to Mrs. Kupsky.

The All States Hobby club was organized in 1949 by a small group of hobbyists and has since grown to a membership of 1,400, representing all types of hobbies. The first convention was held in Indianapolis, Ind.

The purpose of the club is to sponsor the yearly conventions, with a hobby show held in conjunction with it. All members may enter exhibits and compete for prize ribbons. There is a grand prize for the best exhibit of the entire show.

Highlights of the conventions are the hobby show, an evening of entertainment by members, a hobby auction, sales tables by the club, and dealer-member business meetings where the new officers are elected and the next year's convention site chosen.

Anyone with a hobby is invited to join All States Hobby club. The membership includes a subscription to the monthly magazine, "All State Hobbyist"; all club privileges of attending the

W. B. Walker, Sr. Buried Monday

William Walker, Sr. died Friday at the home of his son, William Walker, Jr., 39900 Eight Mile Rd., with whom he had lived for the past four years.

Walker was born Aug. 17, 1868 in Prague, Austria and was 86 years of age. His parents were Joseph and Anna and they came to this country when he was seven years old, settling in Detroit. He lived in Detroit until the death of his wife four years ago when he came to Northville to live with his son.

Another son, Edward, of Detroit survives and there are three grandchildren and 11 great-grandchildren.

Funeral services were held last Monday at the Casterline Funeral home with the Rev. John O. Taxis of the First Presbyterian church officiating. Burial was in Woodmere cemetery, Detroit.

HOME FOR ELDERLY LADY

Wish to locate modest small kitchenette apartment within easy walking distance of downtown for elderly retired registered nurse. Permanent after Labor Day. An alternative, perhaps preferable, would be pleasant room with meals in home of elderly couple to whom reasonable compensation with minimum requirements would be welcome addition to their monthly budget. This lady is 75 years of age, in good health, friendly and easy to have around. By disposition she probably would spend most of the time in her room but she should also be made to feel welcome with the family should she desire. Box 25, % Northville Record.

Carolyn Miller Guest At Shower

Carolyn Miller, daughter of Mr. and Mrs. John Miller of Napier Rd., who will become the bride of Ronald Schlegel Aug. 27, has been the guest of honor at several showers in Lansing and Northville.

Her Lansing friends entertained her July 9 and an aunt of Mr. Schlegel's in Lansing entertained her on July 29. Aug. 2, Sally Davis and Barbara Bayless invited 12 girls for a linen shower in her honor at the Davis home.

Miss Panattoni Coaches Three Contest Winners

Miss Florence Panattoni, drama instructor at Northville High School, selects a play to be staged during the school year.

What makes a winner?

A logical person to answer that question would be Miss Florence Panattoni, Northville High School's good-natured drama instructor who has coached three students to victory in the annual

Optimist Oratorical contest.

"Miss Pan", as she is called by many, has had a wide background in speech and dramatics, which probably accounts for her ability to inform and interest her students.

A graduate of Northern Michigan College of Education in Mar-

quette, she received her master's degree from the University of Michigan and is presently working on a doctorate there.

David Lee

quette, she received her master's degree from the University of Michigan and is presently working on a doctorate there.

She was active in debating and drama groups throughout her college career, and taught for three years in Menominee before coming to Northville High six years ago.

Miss Panattoni resides with her parents in Plymouth, where she

Brody Humphries

English and speech, is advisor to the Forensics club, and directs one of the two plays put on each year.

Kenneth Krezel

Miss Panattoni uses no textbook in her speech class, and believes that giving actual sales

talks, etc. is more useful. She does assign reading from various books, however. "Julius Caesar" is one of her favorites, and it has become a favorite of many of her students.

The three winners she has coached for the Optimist contest were Kenneth Krezel, David Lee and Brody Humphries. The boys wrote their own speeches, and Miss Panattoni coached them during her lunch hours and in the evenings.

She is an avid reader and likes to fish "because it's so quiet and restful."

Her favorite hobby is gardening and a beautiful flower garden behind her home proves that she is as talented at this hobby as she is at dramatics work.

W. Sterner Attends Valparaiso Meeting

Wilfred Sterner of 22701 Beck Rd. was termed an ambassador of a modern Wittenberg university at a week end meeting on the campus of Valparaiso university in Indiana.

Sterner, with 150 other Valparaiso advisory councilmen and their families, attended the second annual Valparaiso advisory council convention there. The council is composed of lay members of Lutheran churches throughout the U.S. who represent Valparaiso, a Lutheran university, in their respective home congregations.

Dr. Walter E. Bauer, dean of the Valparaiso faculty, predicted a great and influential future for the school, comparing it to Wittenberg university in Germany, where the Protestant Reformation was born.

Dean Bauer told the councilmen, "As representatives of Valparaiso university, you may be the ambassadors of the Wittenberg of the twentieth century for all of Lutheranism in America."

Sterner is a member of St. Paul's Lutheran church in Northville.

Goodwill Truck To Be Here Aug. 22

Persons wishing to contribute household discards to help the handicapped employees at Goodwill Industries are asked by Miss Edith Sorenson, local telephone representative, to be certain that it is the Goodwill truck which makes the pick-up. "All Goodwill trucks are a bright red color with the name of the organization painted in large white letters on the side," Miss Sorenson said.

Since Goodwill trucks do not make door to door solicitations, the drivers stop only at homes where a request has been made in advance to Miss Sorenson. Persons who do not expect to be home when the pick-up is made may leave their discards near their rear door. Items to be taken should be plainly marked for Goodwill Industries.

The next regularly scheduled pick-up by the Goodwill trucks in Northville, Plymouth and Rosedale Gardens will be Monday, Aug. 22. Anyone with clothing, shoes, toys, small appliances and other household articles to be contributed may arrange for a pick-up by calling Miss Sorenson at Northville 571.

Household discards are used by Goodwill Industries to provide jobs and training for 400 physically handicapped men and women in the Detroit Goodwill workshops.

Ever hear of wooden streetcar tracks? Well, they had 'em in Salem, Ore., years and years ago, according to the National Lumber Manufacturers Assn. In fact, workmen digging a water main ditch in Salem recently unearthed a stretch of wooden streetcar tracks which hadn't been used in 40 years. The men said the tracks were still in excellent condition.

Expectations are that a total of 5,800,000 passenger cars will be turned out this year.

WHAT happens when a business has a really great year? A bonus is declared—right?

Well, sir—get set for a windfall, because this is more than Buick's greatest year. This is the *greatest*.

Not only is Buick outselling every car in America except the two most widely known smaller cars—we're breaking every sales record in our history. Right now we're past the mark set in our best full year—and still going great guns.

So we're slicing a melon with you in the form of an all-out trade-in allowance—a profit-sharing bonus deal that beats even the big trades we've been giving all year. After all, we've gone way beyond our expected volume—and can now afford to stretch our trade-in allowances to practically our break-even point.

And that puts you more easily than ever before in the driver's seat of the hottest-selling Buick in history...

Thrill of the year is Buick—
Biggest-selling Buick in History! *(So we're trading high, wide and then some!)*

Events of the Past in Northville

News Items Taken From the Files of the Record

ONE YEAR AGO—

Restoration of the First Presbyterian church, oldest Protestant church in this area—is approaching completion. The church was erected in 1845 and shares honors with the old "Mariners" church at the foot of Woodward Ave. in Detroit, which was erected in 1848.

Oil has been struck in a third well in the Northville area. The Charles Nerreter well brought in a good grade of oil at a depth of approximately 4,500 feet.

Because of the shortage of classrooms in Northville, the Village commission granted the school board permission to utilize the Boy Scout building at Dunlap and Rayson streets.

Two members of Detroit families, both children, were drowned in Walled Lake Sunday when the overcrowded boat in which they were enjoying an outing was swamped by a large wave.

Joyce Howarth and William Voska were united in marriage in the Presbyterian church.

FIVE YEARS AGO—

Bruce Turnbull and Merritt Meaker have been designated by the local Exchange club to be their delegates at the national convention in Washington, D.C.

Enrollment at Michigan State college in 1949-50 was the highest on record. A total of 20,499 students were enrolled.

Margaret Louise Ely and Ernest Kent Esbaugh were married in the Presbyterian church last week.

Mr. and Mrs. W. F. Chapman announce the engagement of their daughter, Lois, to Robert Houghton of the American Legation, Damascus, Syria.

Mr. and Mrs. Sterling Sanford

and family of Detroit were week end guests of the Parker Holdens. Mrs. Sanford is the former Marceline Hemingway, sister of author Ernest Hemingway and is well known as a lecturer on the modern theatre.

TEN YEARS AGO—

Ray G. Hartner was commissioned a Second Lieutenant in the Army of the United States upon successful completion of the Officer Candidate course at the infantry school at Fort Benning, Ga.

The Driving club is spending some \$8,000 for paint and improvements on the Northville Fair grounds.

William Asher, son of Mr. and Mrs. Ed Asher of 502 Grace St., has been awarded the Silver Star for gallantry in action while fighting with the Third Infantry at the Siegfried Line, Germany.

Shrieking sirens, bells and bellam broke loose as the community went wild as end of the war was proclaimed by President Truman. The celebration continued well after midnight. Many attended church and the Legionnaires paraded. All ears had been glued to radios for several days and when the final announcement came, Northville joined the rest of the country in celebrating.

Captain Carlton G. Denton, commanding officer of B Battery of the 482nd was decorated for heroic achievement in connection with military operations against the enemy.

TWENTY YEARS AGO—

A proposed addition to Northville High school, to be built with the aid of Works Progress administration funds, will cost \$25,000.

Irvin Marburger, Ray Westphall and Jack Junod are spending a week camping near West Branch.

Mr. and Mrs. G. C. Woodworth and Mr. and Mrs. W. M. Jones are vacationing in New York City going by motor.

Mr. and Mrs. Sherrill Ambler and daughter, Evelyn, drove to Fremont, O. Sunday where Miss Evelyn remained to spend a week with relatives.

The horse show at the fair grounds promises to be the best ever. Senator Couzens has entered four horses. Forty boxes have been reserved so far.

FORTY YEARS AGO—

The pipes for the Northville end of the new gas plant have arrived and the laying of the pipes will commence shortly.

Northville should have gas by fall.

James A. Ashley writes in a letter to the Record that he is having a great trip—he is in Paris, France doing some work for the Red Cross society.

FIFTY YEARS AGO—

Charles A. Sessions, M. A. Porter and William Stark will soon establish a ginseng farm on Mr. Sessions place north of town and will start with 50,000 plants.

The Detroit Rifle Co. is looking for a site for their new factory and are considering Northville quite seriously.

The Hall-Carr Furniture Co. is doing a rushing business.

State Parks Are Handling Record Number of Visitors

Lansing, Aug. 17—State park attendance is up a whopping 12% this year from the record-breaking season of 1954 and camping in the parks has increased nearly 20% from last year.

A Conservation Dept. summary to Aug. 1 shows that 11,119,000 persons visited the state's 58 parks and recreation areas to that date. A total of 54,000 campers pitched tents and parked trailers.

To Aug. 1 last year, parks entertained 9,836,000 visitors and 44,000 campers.

The total attendance for 1954 was 15,200,000. An estimated 17,000,000 are expected to use the parks before the end of this year.

Cause of Luzerne Forest Fire Unknown

Lansing, Aug. 17—Conservation authorities report that the cause of the recent big forest fire near Luzerne is unknown and the investigation is closed.

The fire burned 500 acres and a dozen hunters' cabins and outbuildings in Huron national forest on July 14. It was the largest single blaze to hit Michigan in at least three years.

U.S. Forest Service and state Conservation Dept. officials co-operated in the investigation.

To date this year, reported forest fires have burned 5,086 acres of Michigan forests and grasslands. The total does not include fires on federal forest lands.

The four leaders in U.S. exports are industrial machinery, automobiles, grain and cotton.

2,000 Will Compete At 40th Annual State 4-H Show

More than 2,000 Michigan 4-Hers are putting the finishing touches on projects, demonstrations and exhibits for the 40th annual State 4-H show. They will be competing for money and award trips.

These 4-Hers selected to represent Michigan's 60,000 4-H club members, were chosen at the final training and elimination meetings held in various districts in Michigan during the past month.

The judging school eliminations applied to members judging dairy, livestock, poultry, crops, vegetable garden, home improvement, food preparation, canning and clothing. Winners in archery, public speaking and talent acts were also selected.

Going into its 14th year on the Michigan State university campus, the show is scheduled for Aug. 30-Sept. 2. The four-day competitive event has been held on the MSU campus since 1942 when the state fair in Detroit was abandoned during the war. Since then, the boys and girls have wanted to return to the campus to hold their final statewide show each year. In the 14 years it has been held at MSU, the state show has more than tripled in size.

Premiums totaling \$18,000 and award trips to the International Dairy Exposition, National 4-H Club Congress, International Livestock Exposition, all in Chicago; Waterloo Dairy Cattle Congress, National 4-H Camp in Washington, D.C. and the Toronto Exposition will be given.

About 5,000 individual exhibits will adorn four buildings on the campus. Friends and family of 4-H are welcome to attend the programs and exhibits. They will see 1,100 head of livestock, 300 chickens, 150 rabbits and 25 wool fleeces, besides the other displays of home and garden.

Better Miter Box

HERE'S a miter box that has two advantages. Miter boxes can be cut on either or both sides, and the outfit has a solid base. Take three

pieces of 1 x 2 lumber and cut them to a length of 10 inches, according to *American Builder*. Nail them to a 2 x 4 about 24" long into which 45-degree miterers and a straight cut have been sawed. Finally, nail a piece of 1 x 2 about two feet long on each side of the 2 x 4.

Now there's an electric toaster on the market that does three slices at once.

Introducing... The Wm. Sample Family

Pictured are Mrs. William Sample and (left to right) Sandy, Inez, Bill and Charles. Mr. Sample is a guard at the Ford valve plant, and the family has been living at 505 Grace for five weeks.

This week's new folks in Northville are the William Samples of 505 Grace St.

Residents of Detroit for the past two years, the family moved into the large home they now rent about five weeks ago.

Mrs. Sample is from Quitman, Ark., and her husband, a native New Yorker, is a guard at the Ford valve plant. Prior to his employment at Fords, he served for 15 years in the U.S. Army and spent part of this time in Japan and Korea.

The peppy Sample family numbers seven, including Katie McGee, the smiling, colored housekeeper who resides with them. The four children, in stair-step order, are Sandy 3, Bill 4, Inez 6, and Charles 7.

The family loves the quiet and peaceful life in a small city, and they plan to take part in as many community activities as possible.

Mrs. Sample expressed appreciation of Northville's recreation program for children, and it seems her children are participating in a big way. Both boys won prizes in the recent turtle race held here, and one of the girls took a second prize in the pet and doll show.

Mr. and Mrs. Sample, who will have been married 13 years in December, plan to join the local Presbyterian church.

Sample has several interesting aquariums in the house, and his hobby is breeding fish.

Prof. To Address AF Reservists

Featured speaker at a meeting of the Air Force Reserve in Plymouth Tuesday night will be Professor Henry L. Bretton of the University of Michigan.

The meeting will be held at 7:30 p.m. in the Veterans' Memorial hall on Main St., Plymouth, and Larry Ransom, commanding officer, urges all reservists to attend.

Bretton, professor of political science, was born in Berlin, Germany, but is a naturalized citizen. He received his BA degree from Yale, his MA and his doctorate from U. of M.

During World War II he served with the office of strategic service, and at the present time is a 1st lieutenant in the Organized Reserve Corps.

In 1953 he wrote a book called "Strasemann and the Revision of Versailles". He contributed to "Governing Post-War Germany" and collaborated with U. of M. professors Pollock and Meisel to write "Germany Under Occupa-

Rev. John Taxis To Conduct Services At Camp Grindley

Rev. Mr. Taxis of the First Presbyterian church here has been invited by the Presbytery of Detroit to conduct the regular evening Vesper service at Camp Sarah Grindley. Camp Grindley is one of the unique youth camps under the sponsorship and direction of the Detroit Presbytery and is one of the few such camps open to all boys and girls of any race color or creed.

Many of those attending this camp would have been without the values of camping experience if it were not for this provision by the Presbytery.

The staff of this camp is drawn from the Christian leadership of Presbyterian Churches of the Presbytery and the Synod as well as those who serve on the staffs of the various Community houses in the city of Detroit.

Of additional interest is the fact that Rev. Taxis' daughter, Linda, will be among the Vesper Attenders since she elected to attend this camp period.

Visitor Arrives Here After Forced Plane Landing In Omaha

Mrs. C. J. Stark of Denver, Colo., a sister of Mrs. James Spagnuolo, had a trying time getting to Northville Tuesday.

It was her first airplane trip, but instead of smooth gliding she encountered a forced landing in Omaha, Neb., when a propeller went out on the 68-passenger plane she was riding in.

After an hour wait, she boarded another plane and finally arrived at Willow Run airport, where Mrs. Spagnuolo met her. Mrs. Stark, a registered nurse, plans to stay in Northville about a week.

She hasn't lost faith in sky travel, however, and decided to return to Colorado by plane. "Only this time it'll be a non-stop flight," she says.

The immensity of the coal piles used to generate electricity is well demonstrated at one giant Ohio utility where the 300,000-ton stockpile reserve represents 22.8 per cent of one day's total U.S. mine production.

Scenes from Walt Disney's "Davy Crockett, King of the Wild Frontier", soon to be shown in this area.

Nine Out of Ten Workers Are Now Covered By Social Security Act

The Detroit-Northwest Social Security Office, 14600 Grand River Ave., will participate in the nationwide observance of the 20th anniversary of the enactment of the original social security law, Harry Baltuck, district manager, announced today.

The Social Security Act became law Aug. 14, 1935. "At that time only about one worker in ten was covered by any retirement system, and only about one worker in 20 by a public retirement program," Baltuck said. As of July of this year, 104,000 persons in Wayne County were receiving a total of \$6,034,000 monthly in old-age and survivors insurance payments.

9 Out of 10 Covered

Pointing out that 9 out of 10 people who work for a living can now look forward to retirement benefits under the old-age and survivors insurance program, Baltuck said that the original law provided only old-age protection. It applied to some 33 million workers in commerce and industry. The 1939 amendments added payments for dependents of retired workers and for the survivors of workers who died.

It was not until 1951 that coverage of the self-employed, and to certain employees of non-profit organizations, regularly employed domestic and farm workers, and some employees of Federal, State and local governments. Ten million more workers were brought under the program through the 1954 amendments which extended coverage to self-employed farmers, most farm employees and workers in private households, and certain self-employed pro-

Big Name Stars To Appear At Michigan State Fair

Tickets for the opening day Coliseum and Grandstand shows of the Michigan State Fair will be sold for \$50 instead of \$150 if purchased in advance at Wrigley supermarkets, announced Donald L. Swanson, State Fair general manager, who said the advance sale in all 60 Wrigley supermarkets will be Thursday, Aug. 18 and continue through Thursday, Sept. 1.

Starring in the Coliseum show on opening day, Friday, Sept. 2, will be Joni James, Mills Brothers, Fontane Sisters, Roy Hamilton, Honey Brothers and the Kirby Stone Quartet. There will be performances at 3, 5 and 9 p.m.

Appearing in the Grandstand will be Duncan Renaldo starring as the Cisco Kid and a full scale Border Legion rodeo. There will be performances at 2:30 and 8:30 p.m.

Swanson emphasized that the Wrigley advance tickets will be good only on opening day, which

has been officially designated as "Wrigley Day".

Joni James and Roy Hamilton will appear in the Coliseum Sept. 2, 3, 4 and 5. Frankie Lane and Ella Fitzgerald will appear Sept. 9, 10 and 11. The Mills Brothers, Fontane Sisters, Honey Brothers and Kirby Stone Quartet will perform Sept. 2, 3, 4, 5, 9, 10 and 11.

Duncan Renaldo as Cisco Kid will appear in the Grandstand Sept. 2, 3, 4 and 5 while Gail Davis as Annie Oakley will appear Sept. 6, 7, 8, 9 and 10. The Border Legion rodeo is scheduled for the entire nine days. In the Grandstand on Sept. 11 at 2 p.m. will be a 250-mile auto race and the Canadian Daredevils thrill show at 8 p.m.

Freight Trains Collide; 9 Cars, 2 Engines Derailed

Two locomotives and nine freight cars were derailed on the Chesapeake & Ohio tracks between Novi Rd. and Nine Mile Rd. early Friday morning when one freight train crashed into the rear of another.

The only injury reported was a dislocated knee suffered by Engineer George O'Leary of Saginaw.

The accident occurred shortly after six in the morning. A 61-car southbound train had been halted on the northern

5 Cars Ditched In 3 Mile Stretch Within 8 Minutes

A rain soaked slippery pavement at dusk spelled disaster and the ditch for five cars on a three mile stretch of Novi Rd. within an eight minute period Saturday evening.

The first of the mishaps occurred at 7:53 p.m. when a southbound farm tractor driven by Charles Bodner of Detroit was overtaken and struck in the rear by a late model sedan operated by E. C. Batten of Plymouth. Both cars were thrown off the road by the impact. Bodner was on his way to a piece of land he farms on Novi Rd. near Nine Mile. The accident occurred near the Novi cemetery several blocks south of Grand River.

Eight minutes later, between Eight and Nine Mile roads, a northbound car driven by L. Roy Crites, 120 Rexton St., Novi, was struck by an oncoming car driven by Robert A. Smith, Jr., 120 N. Rogers, Northville. Smith applied his brakes as he passed an unidentified car already in the ditch. His car skidded out of control and into the path of the oncoming car. As a result, all three cars ended up in the ditch.

No serious injuries resulted from either accident, although the confusion, coupled with the rain, produced a first rate traffic tie-up.

Novi Couple Wed In Baptist Church

Sandra Akins and Archie A. Richardson were united in marriage in an informal wedding ceremony at 7 o'clock on Aug. 13 at the First Baptist church in Northville with the Rev. Peter Nieuwkoop officiating at the double ring ceremony.

Sandra is the daughter of Mr. and Mrs. C. E. Akins of 44190 Grand River, Novi, and her husband is the son of Mrs. William Stewart Richardson and the late Mr. Richardson of Novi.

The bride was gowned in a white brocade crystalite, ballerina-length dress. The dress was fashioned with a fitted bodice and an accordion pleated panel in the front of the full skirt. She wore a white nylon net picture hat and carried a crest bouquet of tea roses.

Her only attendant was Miss Clara Lusk of Roseville, who wore a sky blue raised cotton ballerina gown and a white pic-

ture hat. She carried white carnations.

Chris Bundoff of Novi was the best man and Chris Brakke of Farmington and Dick Fairfield of Northville seated the guests.

For her daughter's wedding, Mrs. Akins chose a deep blue striped taffeta with beige accessories and wore a corsage of white carnations. Mrs. Richardson wore black with white accessories and a corsage of white carnations.

A reception for 200 guests was held at the American Legion hall following the ceremony.

The young couple plan to live in Novi and are now building their home there. Mrs. Richardson is from Oklahoma and has lived in Novi for the past three years. Her husband was formerly from Kentucky but has lived in Novi for over ten years.

Pfc. Marvin Traxler At White Sands, N.M.

Pfc. Marvin R. Traxler, son of Mr. and Mrs. Ray E. Traxler, 4154 Alston St., Walled Lake, is a member of the 9577th Technical Service Unit at White Sands Proving Ground, N.M.

A 1954 graduate of Jonesville, Mich. Community High School, Traxler entered the Army in July 1954 and completed basic training at Camp Chaffee, Ark.

Welcome to our new residents, Mr. and Mrs. Philip Barnes and their children, Carol Thayer, 12, and David Thayer, 13. They are from Jackson.

Stephen Chismarck has Tommy Christopher from Detroit as his guest this week.

Mrs. Sally Nelson's grandmother, Mrs. Phelps of Birmingham, visited her Monday and enjoyed being with her great-grandchildren.

The Jack Carters went to Oak Ridge, Tenn. last week to get

their boys who had been visiting there. Mrs. Paul Hills, who is Mrs. Carter's sister, and her two sons, Barry and Jeffery, came back with them for a week's vacation.

Mr. and Mrs. Robert Waugh entertained his parents, Mr. and Mrs. L. C. Waugh and Ronnie and Lynn Ellen from Kalamazoo, on Saturday and Sunday. Then Mrs. Waugh's parents, Mr. and Mrs. H. W. Peters, also from Kalamazoo, visited them Sunday and Monday.

The Fred Costellos had guests from Cleveland, Mr. and Mrs. E. G. Long.

There was a surprise birthday party for Louis Chismarck last Saturday. Guests were Mr. and Mrs. Harry Norman, Mr. and Mrs. George Nelson, Miss Karen Nelson, Neil Nelson, Larry Chismarck and Louis Chismarck, Sr., all from Detroit.

Best wishes to Mr. and Mrs. L. Hobbs on their wedding anniversary Aug. 20.

Happy birthday to Tommy Tamgh Aug. 19.

Child Struck While Playing In Road

Linda Shepard, 4½ year old Novi girl, was struck by a passing car while playing on Novi Rd. Monday afternoon.

Linda, the daughter of Mr. and Mrs. Frank Shepard, was playing with other children on the roadside. As a car driven by Miss Glenn Hamer, 44129 Twelve Mile Rd., approached, the child darted into its path.

According to Police Chief Lee BeGole, Miss Hamer could have done nothing to prevent the accident. She was not held.

Linda was taken to Sessions hospital in Northville for treatment of head and leg lacerations. Her condition was pronounced as good.

JOHN BLARD TO FILL PULPIT AT BAPTIST CHURCH SUNDAY

John Blard, of the Gideons, will be the speaker at the First Baptist church in Novi during the absence of the pastor.

THE CABOOSE MISSED OUT when this picture was taken just north of Northville Friday morning. The southbound engine (above right) plowed into the rear of another southbound freight train (above left) derailling nine cars and both engines. Two of the sets of wheels in the foreground belong to the missing caboose which was thrown off the track. Two more misplaced cars are shown in the picture at the left.

LaRue Bogart, Lifetime Resident, Dies At Age 71

LaRue Noble Bogart, lifetime resident of the Novi area, died Friday at the age of 71.

Active in civic affairs in both Novi and Wixom, Bogart served as Novi Township Justice of the Peace for the past 30 years. He resigned his position on July 4, 1955. Prior to his death, he had been in Pontiac's St. Joseph hospital for several weeks suffering from a heart condition and a broken arm.

Surviving Bogart are his wife, Floyd, and six children. The children are Miss Mildred Bogart of Novi; Mrs. Fred Wagnitz, Jr. of Wixom; Mrs. Alfred Gaedt of Wixom; Mrs. Walter Pashby of Dearborn; Mrs. Elmer Clemens of Northville, and Louis Bogart of Webberville. The couple has 20 grandchildren and five great-grandchildren.

Bogart was born in Wixom July 20, 1884 and grew up on the family farm at 50747 W. Seven Mile Rd. (An article appeared in this paper last week relating the history of this house which has been owned by the Bogart family for over 100 years.) He has been a member of the Wixom Baptist church for the past 60 years.

Funeral services were held Monday at the Wixom Baptist church with the Rev. William Green officiating.

Trio Plead Guilty To Larceny Charges

Three local residents pleaded guilty to a larceny charge in Novi Justice Court last week. Each received a fine, probation, and suspended sentence.

The three men were Elmer Noble, 1456 Ladd Rd.; Bill Brewer and Joe Johnson of Wolverine Village.

The trio was sighted while removing tools from the truck of Ray Harrison, 2292 Austin Dr. His truck was parked at Grand River and Novi Rd. when a nearby resident saw the men remove the tools from the vehicle. The license number was traced and the men confessed to the larceny charge when apprehended.

Board Stands Firm On Roads and Liquor Licenses

The application of Elmer Bergstrom, Wixom, for a resort liquor license was turned down Monday night by a unanimous vote of the Novi Township Board.

In turning down Bergstrom's request and petition, the board stated that other long time businessmen in the area had been seeking such a license for many years. They felt that it would be unfair to those businessmen to grant a license to Bergstrom at this time in view of their past refusals to take similar action. Trustee Frank Clark went on record in favor of allowing no more resort liquor licenses in the township.

Approval Given PROVIDED . . .

The board also stood firm with regard to the recently passed ordinance requiring all new subdivisions to have black topped roads. A proposed subdivision on the Walled Lake Golf and Country club property was given tentative approval PROVIDED they comply with the new road ordinance. Such a compliance would be out of the question, the developers of the land stated. They said that possibly a small portion of the subdivision facing an existing road might be sold for subdividing in the near future.

While on the subject of black topping, the board members made a gesture of their strong belief in this type of paving. They voted unanimously to have the parking area in front and on the south side of the township hall surfaced. The Plymouth Paving Co. was awarded the black topping contract on a low bid of \$1,126.35. Trustee Clark urged action on this matter immediately, if not sooner, saying that the work

Novi Democrats Hear Judge Adams

Circuit Court Judge Clark K. Adams was the featured speaker at the Aug. 8 meeting of the Novi Democrats.

In addition to lauding the advantages of a two party system of government, Judge Adams speculated on the possibility of Governor G. Mennen Williams as a presidential candidate. The great stumbling block to Williams' candidacy would be the candidacy of Adlai Stevenson, Adams said.

The regular monthly meeting night of the group was designated as the first Tuesday of each month, according to Mrs. Helen I. Barber, local Democrat.

Trickey Named Twp. Treasurer As Mrs. Woodworth Resigns

Charles Trickey, Jr. was appointed Novi Township treasurer Monday evening following the resignation of Mrs. Russell Woodworth, wife of the former township treasurer.

Trickey, 32, is well known in the Novi area and had recently been elected to the position of township trustee.

Mrs. Woodworth, in resigning from the post which she had held for less than two months, said that her physician had advised her that the strain and responsibilities of the post would be injurious to her health.

The township board had appointed Mrs. Woodworth to the treasurer's position in July to fill

Subdivision Plans Outlined for Crusoe Estate

A 20-acre subdivision on the Lewis D. Crusoe estate at the northwest corner of Novi and Nine Mile roads was granted tentative approval at the Novi Township Board meeting Monday night.

The plat map, dividing the 20 acres into 16 scenic building sites, was presented to the board by the Fred Blackwood Co., a land development firm from Birmingham, Mich. The plans show 16 large building sites adjoining the creek which bisects the area.

Brookland Farms Subdivision will be the name of the development, according to Roger Blackwood, Blackwood Co. official. As soon as these 20 acres are fully developed, additional portions of the Crusoe estate will be opened for subdividing, he added.

The Blackwood Co. will not build the houses, Blackwood stated. An outside builder or builders will construct the homes.

Crusoe is reported to be keeping approximately 25 acres surrounding his present home.

Charles Trickey, Jr.

the vacancy caused by the sudden automobile death of her husband June 28.

Following Trickey's appointment by the township board to succeed Mrs. Woodworth, Supervisor Frazer Staman said that the board had no immediate plans for filling the position of trustee

Donna Frisbie Selected 4-H Queen

Donna Frisbie, 17-year-old Novi girl, was selected queen of the ninth annual Agricultural and 4-H Fair Aug. 10 at Pontiac.

Competing against 16 other girls representing various 4-H clubs in Oakland county, Donna, pretty five foot two inch blond, was awarded the honor and trophy shown above.

Judging was on the basis of past 4-H activity, appearance, poise, and speaking ability. The number of years of service in 4-H work and the number of projects completed counted for 40% of the possible points in choosing the queen.

A member of the Northville 4-H club, known as The Northville Country Slicks, Donna is the daughter of Mr. and Mrs. James Frisbie, 28175 Novi Rd. Frisbie is the owner of a local refrigeration and appliance business.

The field of 16 entries was narrowed down to six finalists and there were several minutes of debating among the judges before they announced their decision.

A senior in Northville High school, Donna has been a member of the "Country Slicks" for the past five years and has completed 47 projects. Two previous years, she has been a runner-up for the title. One year she placed third, and the other year she was a member of the queen's court.

Judy Vanderhoof, a 17-year-old Milford girl, was runner-up for Donna's title.

More than 2,500 4-H members from 56 clubs throughout the country are displaying their work at the fair.

Catholic Church Site Offered On Ten Mile

PROPOSED SITE FOR A CATHOLIC CHURCH is the 40-acre tract now occupied by this farm house at 40681 Ten Mile Rd. The tract of land, located just east of Willowbrook Estates Subdivision No. 2 on the south side of Ten Mile Rd. was recently offered to the Catholic church by Paul LeBost, developer of Willowbrook Village.

Local church officials are reported to be enthusiastic over LeBost's offer. Tentative plans call for the eventual erection of a church, school, and home for nuns on the site. The possibility of using some of the property's existing buildings is being explored by LeBost and Catholic officials.

HOME FOR ELDERLY LADY
Wish to locate modest small kitchenette apartment within easy walking distance of downtown for elderly retired registered nurse. Permanent after Labor Day. An alternative, perhaps preferable, would be pleasant room with meals in home of elderly couple to whom reasonable compensation would be welcome addition to their monthly budget. This lady is 75 years of age, in good health, friendly and easy to have around. By disposition she probably would spend most of the time in her room but she should also be made to feel welcome with the family should she desire. Box 25, % Northville Record.

ORDINANCE NO. 2

Amendment to the Zoning Ordinance of the Township of Novi

AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI
THE TOWNSHIP OF NOVI ORDAINS

PART I. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi is hereby amended by amending the Amended Zoning Map as indicated on said Zoning Map attached hereto and made a part of this Ordinance.

PART II. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi is hereby amended by the amending of Sections 4.04 and 6.04 as amended, respectively, to read as follows:

Section 4.04 LOT AREA. A one family dwelling in R-1 Districts, together with accessory buildings, hereafter erected, shall be located on a lot having not less than twelve thousand (12,000) square feet of area and shall have a width of not less than sixty (60) feet at the front or rear building line. Provided that a lot may be not less than sixty (60) feet in width at the front or rear building line and contain not less than nine thousand (9,000) square feet in area if provided with either a community water or a community sewer system. Provided that a lot may be not less than sixty (60) feet in width at the front or rear building line and contain not less than seven thousand five hundred (7,500) square feet in area, if provided with a community water and sewer system. This provision shall not prohibit the construction of a one family dwelling on a lot of record prior to the adoption date of this Ordinance.

red (7,500) square feet in area, if provided with a community water and sewer system. This provision shall not prohibit the construction of a one family dwelling on a lot of record prior to the adoption date of this Ordinance.

Section 6.04 LOT AREA. Every lot in an R-2 District, occupied by a one family dwelling shall provide a lot area as required in Section 4.04 of this Ordinance. Every lot occupied by two (2) or more living units shall provide an area of not less than twelve thousand (12,000) square feet for the first living unit, plus seven thousand five hundred (7,500) square feet for each additional living unit and such lot shall not be less than sixty (60) feet in width at the front or rear building line; provided, however, when such lot is provided either with a community water system or a community sewer system, such lot shall contain not less than nine thousand (9,000) square feet for the first living unit, plus four thousand (4,000) square feet for each additional living unit; provided further, when such lot is provided with both a community water system and community sewer system, such a lot shall contain not less than seven thousand five hundred (7,500) square feet for the first living unit, plus four thousand (4,000) square feet for each additional living unit. This provision shall not prohibit

the construction of a one family dwelling on a lot of record prior to the adoption date of this Ordinance.

PART III. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of any ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

PART IV. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

PART V. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

Frazer Staman, Supervisor
Earl Banks, Clerk
I, Earl Banks, Clerk of the Township of Novi, do hereby certify that the above Ordinance was approved and adopted by the Novi Township Board at a regular meeting thereof, duly called and held on the 15th day of August, A.D., 1955, and was ordered to be given publication in the manner prescribed by law.

Longthorne ...

(Continued)

Longthorne, driving north in a 1955 Chevrolet, struck a bridge abutment and swerved over the center line into the opposite lane striking a south-bound auto driven by Raymond Bernerd of Detroit.

The Wayne county sheriff's department quoted Longthorne as saying he didn't feel good and "I think I passed out." An investigation of the accident will be held, they added.

Longthorne is in Sessions hospital, where his condition was reported as "fair" Tuesday afternoon.

English Women Meet After 43 Years

A HAPPY REUNION took place last week when Mrs. Mary Jane Pickard of 330 Eaton Drive saw her sister-in-law for the first time in 43 years. Seventy-year-old Mrs. Ellen Gordon hopped aboard a plane for the first time in Saskatoon, Canada and was met in Toronto by Mrs. Pickard's daughter, Mrs. Mary E. Barnes of Swartz Creek. Mrs. Gordon is a sister of the late Sam

Pickard, a meat dealer in Northville. Both of the women are from Yorkshire, England and are the only two remaining of a group that emigrated from England many years ago. "She's been promising to visit us for three or four years," says Mrs. Pickard, "but I never thought I'd see the day." Mrs. Gordon plans on staying in Northville for about three weeks.

C.D. Vacancy Discussed
An appointment to the recently vacated post of civil defense director was discussed but no action was taken.

A Walled Lake resident, inquiring about the recent decision to install street lights in a portion of the south shore area, was told by Supervisor Staman that the lights had been ordered but that the manufacturer had a considerable backlog of orders. He speculated that it would be several months before the lights could be installed.

The West Novi Assn. presented a resolution drawn up at its recent meeting to have a second voting precinct in the Novi and Thirteen Mile Rd. area. Staman said that a second precinct will definitely be established, but the low state of the budget makes it impossible to construct a new building for the purpose.

The township must use one of its present buildings for the purpose, he added, and the most likely building at the moment seems to be the Community Bldg. on Novi Rd. just north of Grand River.

Charles Eilber To Teach In Wales

Charles R. Eilber, son of Mr. and Mrs. Merner Eilber of 321 Rayson St., is one of four Detroit area teachers among 100 instructors aboard the SS United States enroute to England to teach during the coming school year under an exchange program sponsored by the U.S. Dept. of Health, Education and Welfare.

Mr. Eilber's wife and two daughters, Janet and Diane, accompanied him. They will reside in Rhyl, N. Wales, a town of 18,000 population on the coast of the Irish Sea.

The salaries of the teachers will be paid by their home school boards during their absence. Transportation costs are partially covered by federal grants.

Teachers from England who will arrive Aug. 16 in New York will substitute for the American teachers in the communities where they taught and will exchange homes and cars.

NHS Class of '39 Holds 1st Reunion

The class of 1939 of Northville High school held its first reunion Aug. 14 in the VFW hall. Rain changed the location from Waterford Bend where a picnic had been planned.

Forty-four adults and 42 children enjoyed the buffet dinner and many of the guests had not seen each other since they were graduated.

Various prizes were awarded, among them was a door prize sent by Mrs. John Wolf, (Maxine Perkins) who is in North Africa with her husband who is a lieutenant commander in the Air Force. This prize was won by Mrs. Andy Orphan (Faith Liebetreu).

Other prizes awarded were: Mr. and Mrs. Ralph Lee (Catherine Biery) for being married the longest; Mr. and Mrs. Cecil Nirider, who came the longest distance; Mr. and Mrs. Robert Deinhart (Katherine Marburger) for having the largest family—five children, and who also came from a long distance, Menominee Falls, Wis.

Miss Katherine Giltner, one of the 1939 senior class sponsors, was a guest also.

An album has been made of letters and pictures from class members too far away to be present and it is in possession of Mrs. John Gibson of Six Mile and Sheldon roads. Later, the album will make a round robin tour to the absent members.

Free Chest X-Rays For Visitors at State Fair

Again this year visitors to the Michigan State Fair, Sept. 2-11, will have an opportunity to get a free chest x-ray, general manager, Donald L. Swanson, announces.

Within the ten day period last year, 11,546 persons had chest x-rays without cost at the two mobile units operated at the State Fair by the Detroit Dept. of Health. Dr. Joseph G. Molner, Detroit Commissioner of Health, said that of this number 169 persons were referred to their physicians for some health reason brought to light by the chest x-ray.

In this group there were 58 inactive cases of tuberculosis, and nine active cases. Also 23 cases of heart condition and one case of lung cancer were found.

Every person 15 years old and older is urged to have the x-ray examination. There is no charge to any visitor at the State Fair, regardless of residence.

The two Dept. of Health units will be located at the northeast corner of the Picnic Grove and the northwest corner of the Mall. A third unit, sponsored by the Detroit Tuberculosis Sanatorium, will be located at the southwest end of the Picnic Grove. All units give free x-rays.

With the exception of the technicians, the Dept. of Health units will be completely staffed by volunteers from the Detroit

Health Guild. If a condition is found that requires treatment, free hospital care is available to every patient.

A SCREW LOOSE SOMEWHERE

Albert E. Alrich says, "When I spoke to 800 students in a State University I was informed that the Bible should not be mentioned in the school. The same afternoon I was invited to talk to about 800 men in the State Penitentiary and the Warden asked me if I would give them the Bible Truth. One State passed a law forbidding the Bible to be read in the schools; the same state passed another law making it mandatory that the Bible be placed in every cell. What reasoning! A fence at the top of the precipice is much better than a hospital at the foot of the hill. Of this we are sure, that Skid Row in Chicago was never the result of teaching the Word of God to children in their early years of their lives. True Bible preaching will act as a detergent in any community. Our officials are so concerned about Juvenile Delinquency and educational authorities are at their wits end trying to keep some sort of discipline in their schools, yet all the while casting their vote against the very Book that teaches respect of authority and places the fear of God in their hearts. It does not take a very wise person to see that there is a screw loose someplace!"

HUNTING NOTES

From all reports at this writing there will be little or no change in Michigan's fall hunting seasons and regulations this year as compared to last, with the single and important exception of confining deer hunters to shooting of antlered deer only. (Bow hunters, however, will continue to have their choice of antlered or antlerless deer.)

Grouse Unchanged

Despite a cyclic drop in grouse populations in almost every part of the state the season and bag limits remain the same—because, according to game biologists, gun pressure has little or no effect on the numbers of this upland game birds anyway.

And, while partridge appear to be in short supply the pheasant families have been producing at a terrific rate. While the records show Michigan hunters killed approximately 1,100,000 cock pheasants in 1954, it's a pretty good bet that this year's bag will be even larger! Broods of young birds running as high as 16 and 17 have been reported frequently in the Thumb section, and farmers are saying we'll have a bumper crop.

Duck Hunting Same?

There is only a slight possibility—and that may be erased before this goes to print—that there will be any change in water-

fowl regulations, save for an extension of the jacksnipe season. The nesting season for ducks in the far reaches of northern Canada call for about the same number of flight ducks as last year, and Michigan flyways should offer as good or slightly better shooting than last fall. Of course, weather plays an all-important part in this. Frequent passage of weather "fronts" with accompanying high winds during the season make for the best shooting.

Dear Herd Slightly Larger

Some 400,000 hunters who go for big game every fall will be interested to hear that natives of northern counties say they're seeing quite a few more deer than at the same time last year. The fawn crop seems pretty well distributed—with no single county showing any excessive increase.

However, if you're thinking in terms of deer per square mile the northeastern corner of the lower peninsula probably continues to hold the most animals—too many, as a matter of fact! Much of the land is under private view where the harvest has been below good biological requirements.

Taken all in all Michigan hunters can look forward to top flight sport in all departments for the fall of '55.

No Lolling By Lollar When It Comes To Nabbing "Stealers"

Someone once said of Catcher Sherman Lollar of the White Sox that he "looks kinda lazy" the way he saunters from the dugout. Paul Richards, then manager of the White Sox, retorted: "I'm not concerned with what he does coming and going. It's what he does at the plate that counts."

These are quotes from a story by Lollar in the current issue of The Sporting News. The story gives a good picture of the character and capabilities of the catcher who is rated by White Sox General Manager Frank Lane as one of the best backstops in the American League.

Lollar is a quiet guy. He's the type who may say "Hello" at the beginning of the season and "Goodbye" when the season is over, with nothing in between. Definitely not an arm-waving holler guy. But, while he speaks softly, he carries a big stick.

One of the things he did last season was to throw out the last 18 runners who tried to steal on him. No one, says The Sporting News, stole on him after May 11, and only four out of 22 made it all season. And one of the things Lollar did this season was to hit seven home runs in ten days, from April 23 through May 3.

Best Pitcher

Not many White Sox followers know who the "best pitcher" on the team is. Well, he's no pitcher at all. He's Sherman Lollar. Only those who know the sign language between pitcher and catcher during ball games and those who sit on skunk sessions before games can get any real idea of Lollar's value to his team.

If there are any catchers in the league as good as or better than Lollar they would have to be Jim Hegan of the Indians and Yogi Berra of the Yankees. Lollar saw service with both clubs, but missed taking over the Number One spot because of Hegan and Berra. The Yankees sent him to St. Louis Browns in the winter of 1947, and it was from the Browns that the White Sox acquired him in November of 1951.

General Manager Lane says he went all out to get Lollar, and believes the White Sox might have won the pennant in 1951 had Lollar been with them. Lollar that year was helping someone else. He was the favorite receiver of Ned Garver, who won 20 games as a Brownie in 1951.

John Sherman Lollar was born in Durham, Ark. and brought up in Fayetteville. He might have inherited some of his aptitude for ball playing from his father, who played semi-pro ball. At 14, Sherman played American Legion baseball, and after three years of that, played amateur baseball in the Ban Johnson League in Pittsburg, Kans.

After attendance at State Teachers College in Pittsburg, he played semi-pro ball and then

got into organized ball with the Baltimore Orioles, then a minor league team. He went up to Cleveland in 1946, but then came more minor league play with Baltimore and Newark, and after that—since 1947—with the Yankees, Browns and White Sox. Manager Marty Marion, like Frank Lane, says, "I'd hate to be without him." But that doesn't destroy Lollar's modesty. When told he was going to be featured in The Sporting News, he said: "Why? I haven't done anything outstanding."

Four home runs in one game are a rarity. Only seven men have achieved that feat. But there's something in the home run line that's even rarer. That's two grandslammers in one game. Only three men have done it—Tony Lazzeri of the Yankees in 1936, Jim Tabor of the Red Sox in 1939 and Rudy York of the Red Sox in 1946.

Hunting Licenses Are Now Ready for Shipment To Dealers

Lansing, Aug. 17—Michigan's 4,000 hunting and fishing license dealers will receive 1,500,000 deer and small game hunting licenses in the next six weeks.

Conservation Dept. shipments to the dealers will start this week and continue through the first two weeks of September.

The shipment is larger than any made in any other state or any Canadian province. Even for Michigan, it will be a record year, slightly above last year.

Wild Life Notes...

TWO BEARS CAPTURED

Lansing, Aug. 17—Two bears were captured in Cusino wildlife station live-traps during the week end.

Three others were captured in July.

All were tagged and released as part of a continuing Conservation Dept. study of bear habits.

PERMIT REQUIRED FOR PETS

Lansing, Aug. 17—Wild birds and animals cannot be imported into Michigan without first obtaining an importation permit from the state Conservation Dept.

Conservation officers have had to enforce this regulation several times in recent weeks to the unhappiness of persons who obtained wild "pets" without first fulfilling requirements of state law.

Mail order houses, game farms and individual outstate sell many wild animals as pets; importation of these is possible when the purchaser obtains a free permit from the department's field administration division at Lansing 26.

SKEET SHOOT

The 1955 national skeet shooting championships will be held at the Oakland County Sportsmen's club near Waterford, Aug. 28-Sept. 4, and shooters from throughout the U.S., Canada, Cuba, Puerto Rico, Mexico, South America and Europe are expected to take part.

Twenty skeet fields will be in operation for the event, which will be open to the public daily from 9 a.m.

NEVER BEFORE in the American League's 55-year history has the pennant race gone this far with so many teams still in solid contention for the title.

Where in years gone by, two or at the very best three clubs still could be considered in the "running" at such a late stage, this year New York, Chicago, Cleveland, Boston and Detroit all remain in the thick of the fight.

Naturally, with five of eight teams fighting for the pennant, interest in the American League is much greater than in many previous campaigns.

The rugged dogfight has drawn attention almost completely away from the National League, where Brooklyn is making a run-away of the race, a situation completely reversed from a few years back when the Yankees were way out in front but five teams were blanketed out front in the senior circuit.

Powerhouse Gone

Several factors are responsible for the dramatic American loop race. For one thing, the Indians are not as strong as the champions of last year and the Yankees certainly are not the powerhouse of old.

For another, the Red Sox and the Tigers show vast improvement over last year, both at bat and on the mound.

In addition, Chicago is enjoying the natural improvement of an upcoming team of the past few years and even sixth-place Kansas City is vastly superior to the Philadelphia A's of 1954, knocking off

the top teams frequently (consider the four straight they took from the Tigers recently.)

Not since 1948 has the race been as tense, but in that one it boiled down finally to Cleveland and Boston, with the Indians beating out the Red Sox in a playoff.

Before that, New York, Detroit and Cleveland were comparatively closely bunched in 1950, with the Yankees winning out over the Tigers in the final week.

Wasn't Around

Old time sports writers tell O'Diz that the 1908 pennant race was likewise close and exciting, but I can't report about that one. I wasn't around then.

But O'Diz can write plenty about this year's humdinger. Casey Stengel tells me the Yankees are having their headaches because only Yogi Berra and Elston Howard are hitting consistently. "It's hard to believe we're sixth in team batting," he says.

Pinky Higgins tells me that the Red Sox are up there because of the hitting and fielding of shortstop Billy Klaus and first baseman Norm Zauchin, improved pitching and inspirational spark provided by Ted Williams.

Chicago has obtained needed batting power—through the addition of former Tigers Walt Dropo and Bob Nieman—to go with its fine pitching, speed and defense. Cleveland is not doing as well as last year because the pitching has slackened and the power hitters are not connecting as often in the Hickory and Horsehide game.

How understanding of divine Mind's government of man brings health and harmony into daily experience will be set forth at Christian Science services Sunday.

The Lesson-Sermon, entitled "Mind" includes the account from the King James Version of the Bible of Christ Jesus' healing of the man afflicted by leprosy (Luke 5).

Among the correlative passages to be read from the Christian

Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy is the following: (180:25-27): "When man is governed by God, the ever-present Mind who understands all things, man knows that with God all things are possible."

The Golden Text is from 1 Corinthians (2:25): "Who hath known the mind of the Lord, that he may instruct him?"

The Lord gave, and the Lord hath taken away; blessed be the name of the Lord.—(Job 1, 22.)

When we pray, as in the Lord's Prayer, that 'Thy Will be Done,' we are affirming our steadfast faith that whatever God directs for us is for the best—for God is all-seeing, all-knowing, all-good and all-loving-kindness, now and forever.

To the Supervisor of the Township of Northville, Wayne County, Michigan

Madam:
You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on July 21, 1955, decide and determine that certain streets described in the minutes of said Board should be County roads under the jurisdiction of the Board of County Road Commissioners. The minutes of said meeting fully describing said streets are hereby made part of this notice, and are as follows:

"Minutes of the regular meeting of the Board of County Road Commissioners of the County of Wayne, Michigan, held at the Board's offices on the 7th Floor, City-County Building, Detroit, Michigan, at 9:00 A.M., E.S.T., Thursday, July 21, 1955.

Present: Commissioners O'Brien and Kreger. Absent: Commissioner Wilson.

Commissioner Kreger moved the adoption of the following resolution:

BE IT RESOLVED by the Board of County Road Commissioners of the County of Wayne, Michigan, that the following described roads be and they are hereby taken over as county roads and made a part of the county road system of the County of Wayne:

All of Springwood Drive, also all of Ross Road, also all of Whipple Drive as dedicated for public use in Whipple Estates Subdivision or part of the N. 1/2 of Sec. 4, T1S, R8E, Northville Township, Wayne County, Michigan, as recorded in Liber 77 of plats on page 65, Wayne County Records, constituting a total of 0.443 mile of county roads.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes: Commissioners O'Brien and Kreger.

ger. Nays: Absent: Commissioner Wilson."

THIS NOTICE IS GIVEN UNDER AND BY VIRTUE OF ACT NO. 283 OF THE PUBLIC ACTS OF 1909, AS AMENDED.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 28th day of July, A.D. 1955.

A REPORT FROM THE CAPITOL

By Elmer White

EDUCATORS ARE REACHING the showdown stage in their split over how to meet doubled college enrollments by 1970.

The latest developments have widened the gap between public and private schools and the opposing theories of a college education for all and training only for those who can use it.

It all started in Michigan months ago when the Association of College Presidents told Gov. Williams they would need \$150 million to expect to meet the rush to the campuses.

Private and some church-connected colleges entered the scene at this point.

Senator Don Vander Werp (R-Fremont) took up the cudgels against "tax-supported educational empires" and developed a plan for state aid to smaller colleges.

He formed a legislative committee of 10 to work with five businessmen to iron out the details.

The idea is to build up the small schools as preliminary educational steps toward the four-year specialized institutions, like Michigan State university and the University of Michigan.

DO YOU KNOW...

...that one out of every 8 borrowers, at age 30, won't live to complete the payments on his 20-year mortgage? Plan to leave your family a home—not a mortgage to pay.

"We can save up to \$100 million of the estimated cost if we do it this way," he said.

Private colleges reacted to the program of the public institution presidents in varied ways.

Reduced from academic language, their comments charge that public institutions are recruiting students away from private schools and then socking the taxpayer to finance more facilities.

Duplication of courses was another point. Three public colleges have forestry curricula, for instance.

The latest champion of the private school view was Dr. Simeon Leland, dean of liberal arts at Northwestern university.

He charged that public-supported institutions have "grossly over-estimated" their needs and were urging higher education upon young people whose aptitudes were inadequate to handle it.

Dr. John A. Hannah, president of Michigan State university, and a champion of the theory of education-for-all, said:

"It was the most completely irresponsible speech I ever heard uttered by a college man."

More conservative, but still of a mind with Hannah, Dr. Harlan H. Hatcher, president of the University of Michigan, said:

"I can think of a lot of expectatives."

Fr. Celestin J. Steiner, president of the University of Detroit, called Leland's speech "a clear, factual and marvelous exposition which should help clear up in the public mind a lot of misconceptions."

Fr. Steiner is a leader of the private-college group, which with some notable exceptions, would like to see the Vander Werp plan go into effect.

He said his university is not on the hunt for state money, but "we wouldn't refuse it if it came." Vander Werp plans a series of

meetings with his committee in the fall to prepare something definite to lay before the 1956 legislature.

"We hope to resolve these disputes and give Michigan a realistic and economical answer to our problem of higher education," he said.

POLITICAL SEERS PLACE significance in the company Gov. Williams kept at the governor's conference in Chicago.

They expect Williams to make his move toward the national Democratic political scene soon, and his every maneuver is tested for signs and portents.

The four-term Democratic governor took Lt. Gov. Philip A. Hart and Rep. Ed Carey (D-Detroit) to the conference—possibly for the experience.

Hart is being groomed as the heir-apparent if and when Williams ever leaves the executive

office. Carey, a former CIO official, is the Democratic wheelhorse in the House.

Normally at the governor's conferences, hopefuls for the presidential nominations sound out sentiment in other parts of the country.

If Williams moves out, Hart and Carey will be very much in the news as leaders of the party Williams leaves.

State Fair Invites Drum Majors To Compete for Prizes

Talented drum majors and majorettes from every section of Michigan will again compete in the Drum Major contest for state championships at the 1955 Michigan State Fair Sept. 2-11.

Entries must be made on official blanks which may be obtained by writing to the Michigan State Fair, Detroit 3. All entries must be returned by Monday,

Aug. 22. The contest is under the direction of Graham T. Overgard, director of musical events and special activities.

Contestants will be required to appear in uniform and twirl through a 10-inch march record of their own selection. There will also be an individual novelty contest consisting of flag twirling, two-baton twirling, dancing and twirling, acrobatic and twirling, and fire twirling.

All contestants will be divided into age groups, and each age group will be graded or judged into five divisions. Division winners will receive medals and will participate in the finals.

Every effort will be made to see that competing drum majors and majorettes enjoy themselves. They will participate in the daily Fairgrounds parade and also will be given free tickets to all activities sponsored by the State Fair management, according to Donald L. Swanson, general manager.

New Research Tool

Termed one of the biggest advances in research equipment in recent years, this new electron beam generator has been installed in Michigan State College's agricultural engineering building. The million-volt machine can irradiate food products to lengthen keeping quality. Here, M. S. C. Engineer D. E. Wiant prepares an experiment for irradiating potatoes to prevent sprouting and increase storage life. The machine kills bacteria and molds in food without heating it. (M. S. C.)

NHS Class of '35 Hold Reunion At Cass Benton Saturday

Members of the Northville High school class of 1935 will have their first reunion and family picnic on Saturday, Aug. 20, between noon and six o'clock in Cass Benton park. If it rains, the reunion will be held in the high school.

Of the 59 graduates, 35 have definitely accepted and a crowd of over 100 is expected.

Mrs. Ida B. Cooke has always claimed them as "her" class since she was grade school principal and their teacher in the fifth and sixth grades and continued to be their sponsor through high school acting as chaperon on their trip to Washington. Russell Amerman

was superintendent and Paul B. Thompson principal at the time they were graduated.

Anyone wishing to make reservations should call Mrs. Holman, Plymouth 1259-M.

ARE YOU KIDDING

DO YOU MEAN you're actually going on one of those long, tiring shopping trips way off to the big city again? Gosh, Mom, hardly *any* of the other mothers do that any more, and I think it's time we remodeled your ideas on the family shopping.

You put a lot of extra miles on the car . . . a lot of extra dollars on the car bills for the month. You spend hours and hours in heavy traffic, pushing through those crowded big-city stores, dealing with strange clerks who are just too busy and rushed to give you much personal attention. You come home exhausted . . . too tired to play with me.

I've heard you say you do it to save money . . . but you're kidding yourself, if you believe that. *Prices in the stores of your own com-*

munity are just as low as anywhere else. By shopping near home, you'll be spending less money on the car . . . more time with your family. You'll find it pleasant, leisurely, and relaxing. You'll enjoy the special personal attention and service that local folks receive in the local stores.

And when you buy at home, you're building home-town payrolls . . . you're contributing to local progress. You're doing the neighborly thing, by trading with the businessmen whose taxes pay for our schools and parks . . . you're patronizing the folks who support our churches, charities, and civic organizations.

I'm not kidding when I tell you that it's smart . . . it's thrifty . . . and it's right . . . to shop in your own community.
