W. A. Elys Celebrate Their 56th Wedding Anniversary

Mr. and Mrs. W. A. Ely of Linden St. celebrated their 56th wedding anniversary Sept. 20. Mr. Ely, who has lived in Northville for 70 years, is the youngest living member of a family of 11 children and was born near Ypsilanti. Mrs. Ely has lived in Northville for 60 years and was born in South Lyon township. A son and his family, Mr. and Mrs. James Ely and daughters, Patti and Mary Ellen, of Milford gave a dinner Saturday for the Elys to celebrate both the anniversary and Mr. Ely's 85th birthday which was Sept. 16. The Elys also have a daughter, Mrs. Preston Brady, who with her husband and son, Donald, live in Sea Cliff, Long Island, N.Y. Donald, who just finished serving two years with the armed forces, is attending school in Schenectady, N.Y. where he is studying civil engineering. Mr. Ely never misses a ball game on radio or television and has been a Tiger fan for many years.

Dodge Packs 4,268 Persons Into Downs To See New 1956 Cars

Amidst a barrage of aerial bombs which startled this community Monday night, Dodge division of Chrysler Corp. revealed its 1956 line of passenger cars in an outdoor extravaganza at Northville Downs which attracted 4,268 persons.

Northville was selected as the scene of the outdoor exhibit, a strikingly unusual bit of showmanship, because of its accessibility to Dodge dealers from the states of Ohio and Indiana as well as Michigan.

Many newspaper men as well as municipal officials from Detroit and nearby cities watched with interest as the show unfolded in a pyrotechnic display that lent a fourth of July air to the proceedings.

Two drivers from a famous dare-devil show, put on a thrilling demonstration of skillful maneuvering two new cars over and around a series of ramps. Then wide screen movies in color depicted the development of the 1956 cars while spotlights picked them out of a long parade of gleaming vehicles on the race track. Afterwards the crowd was taken on an inspection of the new models parked within the oval where they were shown the new push button driving inaugurated by Dodge, the new high fidelity record player for cars which brought a murmur of "ohs" from the spectators, and many other new features. These 1956 cars are

Don Severance Ass'n. President

Donald B. Severance, 392 Fairbrook Ct., was elected president of the State Court Records Ass'n. at the annual convention held in Grand Rapids Sept. 10. Severance was vice-president of this organization of 200 members for the past two years.

Rotarians Seek Donations for Rummage Sale

Final preparations are being made this week for the Northville Rotary club's annual rummage sale Sept. 30 and Oct. 1 at Northville Downs, according to Wally Westerfield, chairman.

"We'll find a buyer for anything," Westerfield promised, "and trucks will come to the home to pick up donations, large or small." In the past, items donated have ranged from pianos to plaster, he said.

All funds collected from the drive, Westerfield, will be used for civic improvements around Northville.

The hours of the sale will be "from nine to nine, rain or shine," Friday and Saturday, Sept. 30 and Oct. 1.

Westerfield listed three numbers to call for prompt pick-up of household goods, clothing, toys, fruit, etc. They are Northville 1405-J2, 1127 or 1123-M.

Calendar of Events

Oct. 8 — Blue Star Mothers Daisy Day.

Oct. 10 — 13th Anniversary dinner of Blue Star Mothers at Rotunda Inn, Pine Lake, 7 p.m.

for a TD. The fourth touchdown of the half found Dick Davidson, Plymouth fullback, scoring from the 4-yard line.

The third quarter was scoreless with Plymouth missing an attempted field goal for the only serious scoring threat. However, the Rocks scored twice in the final period on a 25-yard pass to Ferguson and a 5-yard run by Davidson, the busiest ball carrier on the field all evening.

This Friday the Mustangs will meet Howell at Ford field. Last Friday Howell had an easy time running over Fenton 28-0 and will give Northville a true test if they have any thoughts of making Howell their first victims.

County Shares Sewer Cost

One possible objection to the construction of any cut-off, as advanced by Stubbenvoll, was that after it is built the county will probably turn back the present route of 8 Mile Rd. traffic—Base-

line, N. Center and Randolph streets—to the city for future maintenance as they no longer would have the status of county roads. As an offset to this possible future expense, it was pointed out after the meeting that if the Carlisle route goes through, Wayne county will share with the

City Commission Acts To Stop Friction In Police and Fire Depts; Defers Action on Cut-off

Stubenvoll Named To Meet With County Road Commission

Decision on whether the City of Northville should cooperate with Wayne and Oakland counties in facilitating construction of a cut-off that would take traffic on 8 Mile Rd. out of the center of the city has been deferred until the next meeting of the city commission Oct. 3.

Postponement of a vote, which apparently would have been 4 to 1 in favor of such cooperation, came after Commissioner John F. Stubbenvoll had asked several questions about the cut-off that Commissioner Ed Welch and City Attorney Philip Ogilvie were unable to answer specifically. Following a remark by Stubbenvoll that he did not believe the commission was ready to vote on the matter, he was appointed by Mayor Claude Ely to join Messrs. Welch and Ogilvie in another conference with Wayne County Road officials.

So He Can Learn Stubbenvoll's appointment to the committee was obviously made to give him an opportunity to ask questions he may have relative to various aspects of the cut-off proposal.

Welch told the commission he and Ogilvie had met with Wayne county road commission officials, including the commission's top legal authority last Friday. He showed them the petition against the cut-off signed by 111 residents of Oakwood subdivision and presented at the previous commission meeting. Welch said that in answer to his inquiry whether an alternative route for the cut-off just north of Oakwood subdivision would be feasible, he was informed that the Carlisle route is the only one that will comply with the law.

A letter from the Road Commission to the City Commission quotes the following excerpt from Act 283 of Public Acts of 1909 as the authority for its decision on Carlisle St.

Carlisle Only Legal Route "The boards of county road commissioners of adjoining counties may unite in laying out and establishing a county road on or near the line between their counties, and may institute proceedings to acquire the lands for such road, and may thereafter construct and maintain such road at the joint expense of the counties."

The letter adds: "In our opinion, Carlisle St. meets the specification of 'on or near the line between their counties.' Since Carlisle St. is a practicable location, any location more distant than Carlisle St. would not be in compliance with the law and, therefore, impossible."

Syd Frid, a resident of Oakwood subdivision, appeared at the commission meeting in open opposition to the proposed Carlisle route, saying: "I think you're going to ruin the whole subdivision."

Frank J. and Richard T. Martin, brothers who live in Oakwood subdivision, also appeared before the commission to ask for a careful investigation of all aspects of the cut-off, including the anticipated amount of traffic it will carry in the future. Frank Martin lives at 497 Carlisle and Richard Martin lives at 811 Novi Ave. While both quite obviously don't care for the proposed cut-off route, their endeavor to avoid any appearance of partisanship based solely upon self-interest was evident to all.

County Shares Sewer Cost One possible objection to the construction of any cut-off, as advanced by Stubbenvoll, was that after it is built the county will probably turn back the present route of 8 Mile Rd. traffic—Base-

line, N. Center and Randolph streets—to the city for future maintenance as they no longer would have the status of county roads. As an offset to this possible future expense, it was pointed out after the meeting that if the Carlisle route goes through, Wayne county will share with the

Citizens' Advisory Group Appointed After Argument

The Northville City Commission this week ratified by a four to one vote the proposal advanced by Commissioner Malcolm Allen at the previous meeting for appointment of a citizens' advisory committee to formulate a five-year program of public improvements for the city.

Comm. Stubbenvoll opposed appointment of such a committee by the present "lame duck" commission, saying it was a matter that should be left to the incoming administration after the new city charter is adopted later this fall. He had also opposed the plan when Allen first brought it up two weeks earlier.

(The phrase "lame duck" is ordinarily understood to apply to an elected official who has been defeated for reelection but who is serving out the balance of his term of office.)

Stubenvoll's "lame duck" description of the commission drew the fire of Commissioner Ed Welch and Mayor Claude Ely. Welch retorted: "We're not a lame duck commission. We were elected by Northville voters to do a job and I'm in favor of doing it." Ely said: "If we're going to wait for a new commission to be elected before we transact our business we might as well close up shop and go home until the election is over."

Committee Is Named Names of four private individuals for the committee were proposed by Commissioners Allen and Reed, the two-man committee appointed by Ely two weeks ago to work out details and report back to the full commission. They were Merrill Sweet, a former village commissioner, Forrest L. Doren, former village president, Wilson Funk and Nelson Schrader. Funk was recreation director of the village for several years and was in charge of constructing the Community Bldg. two years ago. Schrader will represent the downtown business district.

Ely accepted the committee's recommendation and made the official appointment. He added Allen and Reed to the committee as representatives of the city commission.

Reasons for Opposition Stubbenvoll's opposition appeared to be based largely upon his feeling that the appointment of such a committee should be left up to the city administration that will be elected when Northville residents vote on a new charter in November. An entire new commission and a new mayor will be elected then.

He said: "I don't have any objection but perhaps the new commission won't even want such a committee. I think we're getting a little premature and you're getting all worked up about something." To his question relative to where the committee would get funds if it becomes necessary to obtain advice from outside engineering sources, Allen replied that any such expenditures would have to be approved by the city commission.

Ely expressed the opinion that the committee will be an asset to the community. Welch added: "I agree heartily."

Local Men Hunt Game In Wyoming

Nelson Schrader and Orson Atchinson flew to Sheridan, Wyo. Saturday to hunt deer and antelope.

They are staying at a ranch 65 miles from Sheridan which is within closer range of wild game, and will fly back to Northville Sunday.

Low Pay, Long Hours Caused 3 Patrolmen to Seek Jobs

Mayor Claude Ely and the Northville City Commission moved swiftly this week to forestall resignations by the three patrolmen comprising the local police force because of low pay and long hours and an apparent let-down of morale due to a number of petty grievances within the department.

Immediate cause of the city's action was the resignation, since rescinded, of Patrolman Eugene King to accept a position with the Plymouth Police Department at \$400 additional salary and a work week four hours shorter than the 48 required locally. Patrolmen Roman Nowicki and Frank Hines also were admittedly on the lookout for better paying jobs and shorter hours.

Fire Department Friction Ely also revealed that because of considerable friction in Northville's fire department, he and Commissioners Earl Reed and Malcolm Allen had held a two and one-half hour meeting last Thursday evening with 13 of the volunteer firemen. He reported that after frank discussion of department grievances a program was decided upon which it is hoped will revive morale among the men.

Police Program Ely's recommendations for the police department won the unanimous approval of the full city commission. They were:

1. An immediate increase of \$400 per year for all members of the police force, to bring yearly salaries to \$4,725 for patrolmen, \$4,825 for Sgt. Gil Glasson and \$5,225 for Chief Joseph Denton.

2. Addition of a fourth patrolman at a starting salary of \$4,316, the former salary of Northville patrolmen.

3. New type uniforms with double breasted jackets and soft caps and without shoulder straps, to be provided by the city at a cost of approximately \$170 each.

4. A maximum allowance of \$75 per year per man for replacement of any part of the uniform.

5. A meeting between the Police Commissioner (Mayor) and the entire department three or four times a year to talk over department problems and discuss new police law, literature pertaining to police functions, police school courses that may be available and which can be taken by the men at their own expense.

6. An arrangement whereby there shall be two officers in the police car at all times on the midnight shift.

In bringing the situation in the police department to the commission's attention Ely said he had not heard about the resignation of Patrolman King until Commissioner Reed told him. "I know now that we're on the verge of losing all of our force. Two have jobs in other communities and I can't see why we should train good men and then lose them because our pay scale is lower than in any surrounding communities," he said.

Comparative Police Salaries The following table shows the annual salary of patrolmen in seven nearby cities:

	Annual Unif'm Work Salary Allow. Wk.
Wayne	\$4446-0 40
Dearborn	\$4369-0 40
Livonia	\$4316-0 40
Garden City	\$4800-100 44½
Inkster	\$4695-95 44
Northville	\$4325-0 48
Plymouth	\$4325-4944 60 44

Reed Sees Emergency Commenting that the city was facing an emergency with the police department, Commissioner Reed moved acceptance of Ely's 6-point program. The motion was seconded by Commissioner Ed Welch and approved unanimously by the commission.

Monthly Fire Chief Report Commissioner Reed brought the disension in the fire department

Stirton To Be Optimist Speaker

William E. Stirton, vice-president of Wayne university, will describe interesting aspects of his three month visit to Indonesia this summer at the next meeting of the Northville Optimist club meeting Wednesday, Sept. 28.

As head of a four-member team of educational experts sent to that country by the State Department's International Cooperation Administration, Stirton was in charge of surveying Indonesia's technical schools and colleges and making recommendations to the Indonesian government for their im-

WILLIAM E. STIRTON

provement. It is anticipated that a group of American teachers in various technical fields may be sent to that country next year to assist in setting up a broadened school and college program.

Stirton is well known to Northville residents, many of whom heard him speak at the Northville high school commencement exercises last June. Only this week he was named by Secretary of Defense Charles E. Wilson to a Joint Civilian Orientation conference next month. Among his many official positions he is executive secretary of the Detroit Educational Television Foundation and a member of the National Citizens Committee for Educational Television. He is also a member of the board of directors of the Family Service Society of Metropolitan Detroit, Michigan Society for Mental Health, and the Public Relations Society of American-Michigan Chapter. He is a member of the Wayne County Board of Supervisors, the Governor's Commission on the St. Lawrence Waterway, Great Lakes Tidewater Commission, and the Detroit - Tomorrow Committee, serving on three of its subcommittees—the Executive committee, Inter-Community Relations committee and the Cultural Center committee. He is also a member of the Metropolitan Detroit Committee on Aging.

News Around Northville

Ronald M. Schipper of Orchard Dr. was among summer students who received a diploma from the University of Michigan. Schipper won his master of arts degree.

Mrs. C. Harold Bloom and Mrs. Del Hahn invited friends to a luncheon and shower in honor of Mrs. Elroy Ellison on Friday at the Hahn home on W. Main St.

Mr. and Mrs. Jack D'Haene of Seven Mile Rd. attended the Kisebath family reunion at Devil's lake last week. There were 56 relatives present.

Helen Meaker and her roommate, Betty Marr of the Bronson Methodist hospital in Kalamazoo were week end guests of Betty's parents, Mr. and Mrs. M. F. Meaker of Seven Mile Rd.

Cynthia Mellen, who has been teaching dancing at the Livonia Dept. of Recreation for eight weeks this summer, is now teaching at the Jordan dance studio.

Misses Lena and Parmelia Kohler and Mrs. Roy Terrill were the luncheon guests of Mrs. Matt Vogler at Walled Lake Tuesday.

Mrs. C. E. Woodruff has returned home from a week in Sessions hospital where she had treatment for a back injury which occurred while she and the doctor were on vacation at her family home on Lake Willoughby, Orleans, Vt.

Mrs. Harvey Whipple was hostess to the Tuesday Book club where Mrs. Walter Couse gave a resume of her trip to Europe this summer.

Bud Cansfield left Monday for service. He has enlisted for three years in the signal corps of the army.

Mr. and Mrs. John Congo and son, Bill, of Boston, are guests of his brother and family, the James Congos, this week. Bill is entering University of Michigan as a freshman this fall.

Dr. H. S. Willis, director of North Carolina sanatoriums at Chapel Hill, N.C., married Dr. Gertrude Mitchell of Detroit on Sept. 10.

Mr. and Mrs. Elmer DeKay are enjoying a two weeks vacation at their cottage at Rifle lake.

Kenneth Peter is the new member of the Robert Ely family, 485 Gardner. The baby was born Sept. 16 at Mt. Carmel hospital and weighed eight pounds, five ounces.

Mr. and Mrs. Ray Bogart of Detroit, formerly of Northville, were honored at the home of their son and wife, Mr. and Mrs. Harold Bogart, of Rosemont Rd., Sunday. They celebrated their 40th wedding anniversary. Mr. and Mrs. Ed Bogart, Mr. and Mrs. Lawrence Bogart, Mr. and Mrs. Claude Ely from Northville attended.

Mr. and Mrs. Fred Gotts and Larry returned last week end from a trip through the Upper Peninsula.

Pvt. Robert A. Gregory, son of Mr. and Mrs. Floyd Gregory, 408 Randolph St., enlisted in the U.S. Army Aug. 29. He will be stationed at Ft. Leonard Wood, Mo.

Staff Sgt. Jack Potts, Mrs. Potts and small daughter, Terry, arrived in Northville this week from San Antonio, Tex. to visit the Robert Yerkes on Haggerty. Mrs. Potts was formerly Ann Yerkes. Mrs. Potts will be happy to have her friends call on her during the two weeks she and her family will be here.

Mr. and Mrs. Eural Clark spent last week in Marlette, Mich. where they attended the funeral of Mrs. Clark's brother, William Heeney.

Dr. and Mrs. R. M. Atchison returned Wednesday from a trip to New York where they attended a sports car event.

Mrs. Milton Van Gordon, the former Marlene Muscat, daughter of Mr. and Mrs. Victor Muscat of Walled Lake will leave Sept. 28 for New York and sail Sept. 30 on the USS American to join her husband in Schweinfurt, Germany, where he is stationed with the 10th Army division. This Saturday, Mrs. Victor Muscat is giving a farewell party in her honor with 60 guests invited.

Mrs. Albert Northrup leaves on Monday to spend ten days in Baltimore, Md.

Mr. and Mrs. Herbert D. Litchfield of Pittsburg, Pa. spent Friday to Sunday with Mrs. C. Ray Litchfield, 214 S. Center. Dr. and Mrs. F. H. Litchfield of Pinconning came Saturday for the week end.

The Northville Review club will meet at the home of Mrs. Richard Krafve in Bloomfield on Thursday. Mrs. Krafve formerly lived in Northville. Mrs. Del Hahn will go the review.

Mr. and Mrs. Oscar Webber of Owendale and Mr. and Mrs. Robert Grummel of Port Austin were week end guests of Mrs. Melinda Schrader. Mrs. Webber and Mrs. Schrader are sisters and Mrs. Grummel is a niece.

Sober Home Scene of Tea Saturday

Mrs. T. N. Kampf, Jr. and Mrs. F. D. Sober gave a tea for 75 of their friends on Saturday at the F. Donald Sober home.

The former-Bradner farm home, well over 100 years old, was attractive and gave the delightful feeling of hospitality. The three walls of the dining room, painted by Mrs. Sober in scenes of the red barn at the Wayne County Training school, Boothbay Harbor, Me., and a scene in the foothills of the Green mountains where the Sober's family lived, were most fascinating.

The tea table centerpiece of white clematis was enhanced by silver candelabra. Mrs. F. Alden Shaw, Mrs. J. R. McColl, Mrs. Harvey Whipple and Mrs. T. G. Hegge presided at the tea table.

Out of town guests were Mrs. Gail Paussey of Detroit, Mrs. M. Craig Miller of Birmingham, Mrs. Grandville Ryan of Franklin Village, Mrs. Fred T. Farr and Mrs. J. Ridley of Romeo and Mrs. James Cook of Detroit.

WALLED LAKE COUPLE WED

Gail Derwin Stevens and Sally Jean MacDonald, both of Walled Lake, were united in marriage in a double ring ceremony by Justice E. M. Bogart Tuesday evening Sept. 13. Mr. and Mrs. Burl Storey of Walled Lake were the attending witnesses.

RAINBOW INSTALLATION TO BE HELD SEPT. 27

There will be an installation and majority service for Northville Rainbow Assembly No. 29 on Sept. 27 at 7:30. This will be an open meeting and all Rainbow girls eligible for majority are urged to attend.

Party Honors Mrs. Chas. Meisner on 80th Birthday

Congratulations to Mrs. Charles Meisner, 220 Plymouth Ave., who celebrated her 80th birthday on Sept. 19.

Her daughter, Mrs. Cliff Schutte and granddaughter, Mrs. Jack Peat arranged a party for over 20 guests to honor the event.

Among the guests were Mr. and Mrs. James Huff, Mr. and Mrs. Adam Karsten, Mr. and Mrs. Joseph Shipley and daughter, Dorothy Jean, Mrs. Emma Copeland, Mrs. Dewey Burrell, Mrs. Helen Teschka, Mrs. Fred Balko, Mr. and Mrs. William Kreger, Mr. and Mrs. Charles Kreger, Louie Meisner, Mrs. Maile Cochran, Cliff Schutte, Jack Peat and son, Jackie.

MSU Alumni To Hold Pot-Luck

The Northwest Suburban Alumni club of Michigan State university has planned a get-acquainted pot-luck supper to be held in the new Farmington high school cafeteria Thursday, Sept. 29 at 6:30.

Following the supper, Dr. Malcolm Trout, a professor at MSU since 1928, will bring the group up to date on the latest campus activities and developments. He will have a new centennial film in color and sound, "The Second Hundred," which will show MSU's advancement through the years. Bob Toll of the Alumni office will present slides and charts showing the projected expansion of the college campus for 1970.

The meeting is open to all alumni living in Farmington, Livonia, Plymouth, Northville, Wixom, South Lyon and Walled Lake area. Those attending are requested to bring their own table service and a passing dish.

Legion Aux. Sets Up Year's Work

At a planning session on Monday evening at the home of the president, Mrs. Paul Burnham, plans were set up for the year's work of the American Legion Auxiliary Unit No. 147.

The next regular meeting of the auxiliary will be held Sept. 27 at 8 p.m. at the home of Mrs. Wilbur Johnston, 139 W. Dunlap St. Members are requested to bring patterns and materials for aprons, holders and other articles for sewing for the Christmas bazaar.

Other activities for September will be a bake sale Sept. 30 at 10 a.m. at the Merritt Insurance office with Mrs. Milo Chapman and Mrs. Charles Westphall as chairmen.

The auxiliary will function with one business meeting on the second Tuesday each month and a social gathering the fourth Tuesday, with those meetings in the homes of various members.

Committees of the various activities planned will be announced on later dates. Remember our shut-ins and ill members with cards.

EVEN THE SCHOOL BOARD TAKES A "COFFEE BREAK"

Inspects Ellison's Remodeled Office

The Northville Board of Education took time out in a marathon session last week to visit High School Principal Elroy Ellison's new office located in a floor area formerly occupied by the auditorium stage.

Ellison, who has heretofore occupied what might charitably be called a cubbyhole office that was inadequate in almost every respect, played host by serving coffee and donuts to board members and school officials. Afterward the board reconvened for another two-hour stretch of transacting school business.

YOUR HOSTS — ART & EMMA LEWIS

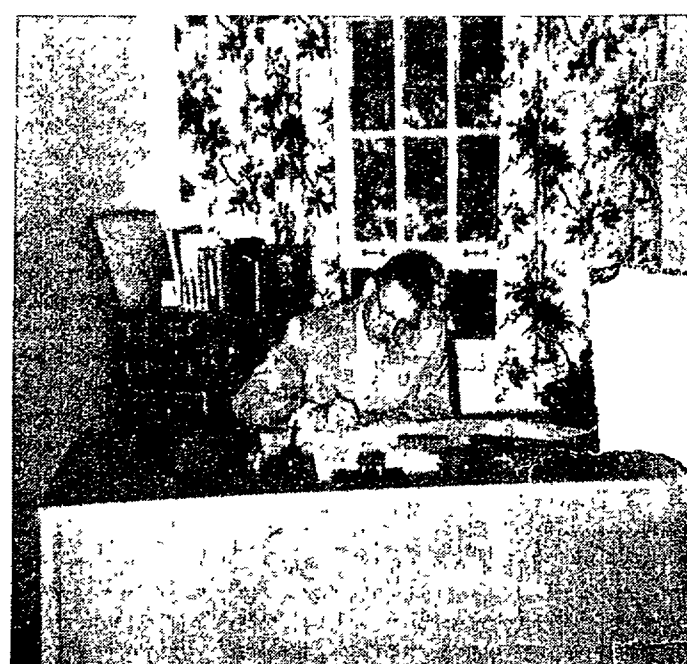

Life Can Be Grim! Board President Bob Coolman and Nelson Schrader appear to be contemplating the future with grave misgivings, if we may judge from their sober expression.

Life Also Can Be Pleasant!—Mrs. Harry Wagenschutz and Don Severance found the coffee good, the company pleasant and the occasion one for a friendly exchange of pleasantries.

Elroy Ellison was unmistakably enjoying his role of genial host, with no thought of the problems coming up the following morning.

This picture, taken at 7 o'clock the next day after five hours sleep, shows Elroy as the efficient high school principal whom everyone knows and likes.

Plymouth Township School District Adopts New Name Next Week

Plymouth Township School District will be known as the "Plymouth Community School District" after Sept. 26, according to action taken by the board of education at its monthly meeting last week.

The name change came about following a request from the Wayne County Board of Education asking for a definite name by Sept. 21, or else be assigned a name and number by the county board. A school code adopted by the legislature this year requires fourth class schools to decide or be assigned definite names or numbers.

Although the school board could have selected its same name, the group voted unani-

mously to delete "Township" and add "Community" because of a misnomer. The district, they pointed out, not only includes Plymouth township and city, but also parts of Canton township, Northville township and Superior township.

Sept. 29 Date Set for Lutheran Bazaar

The date of the annual bazaar and luncheon of the Lutheran Ladies has been announced by the general chairman, Mrs. Fred Heidt, Jr.

The bazaar will open at 10 a.m. on Thursday, Sept. 29 in the parish hall of St. Paul's Lutheran

church. Luncheon will be served from 11 a.m. to 1 p.m.

Mrs. Emily Amy will serve as luncheon chairman and Mrs. John Gibson is ticket chairman.

The Walther League, St. Paul's auxiliary and Ladies Aid will have booths which will be in charge of the following: Aprons, Ann Lien; fancy work, Florence Schnute; baked goods, Mrs. Fred Steiner and Mrs. Krauter; produce, Mrs. Martin Strasen; mystery

table, Mrs. Elsie Balko; plants, Mrs. Edward Drews; Walther League, Barbara Heidt; auxiliary, Mrs. Fred Wenker.

2nd Polio Vaccine Given Wednesday

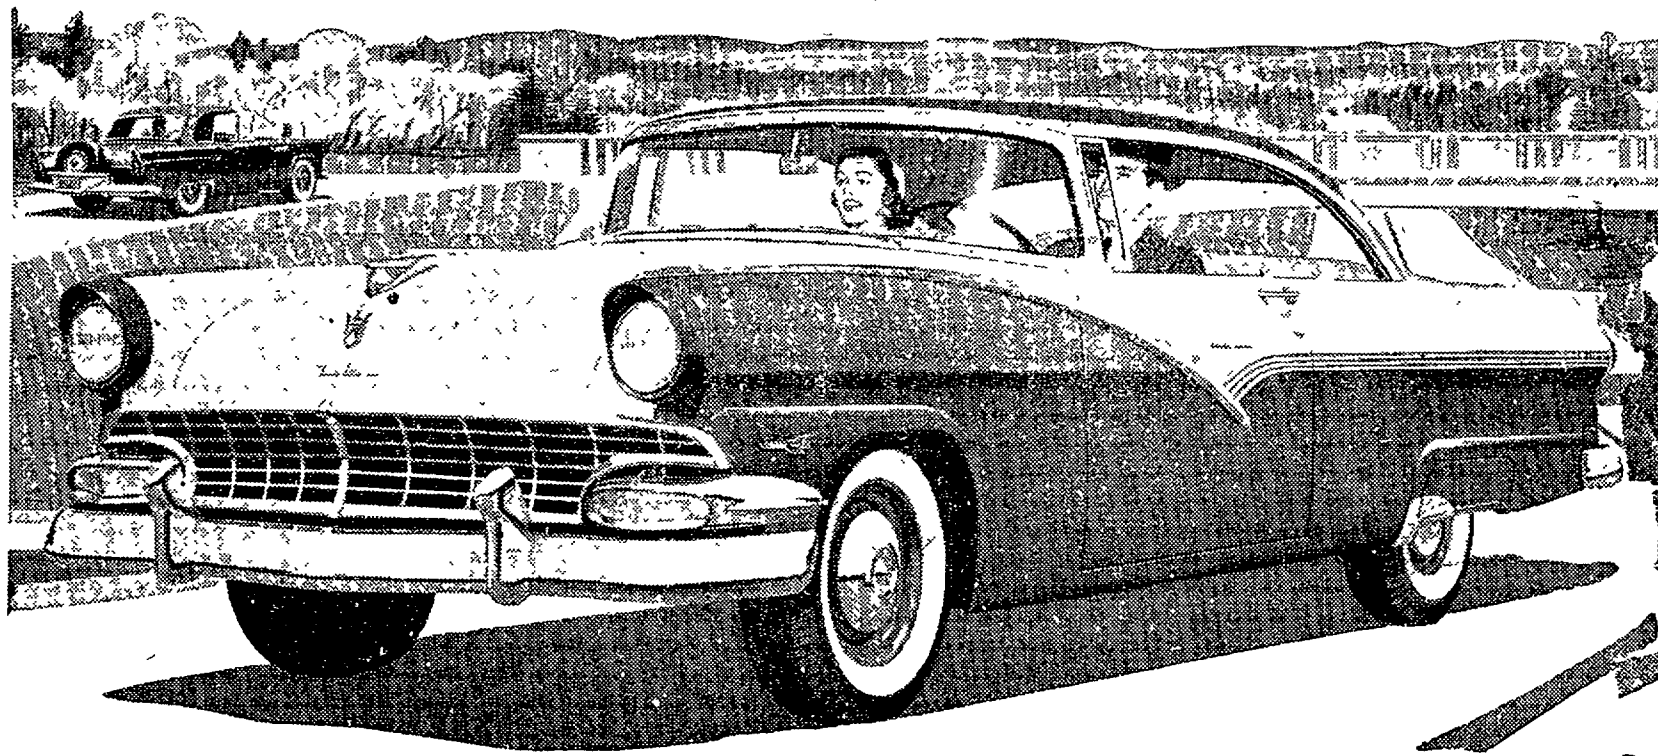

Miss Ruth Knapp, R.N., announced that 275 children received their second inoculation of the Salk vaccine Wednesday morning.

The children included 40 students from Our Lady of Victory, 100 from the Russell American School and 135 from the Main St.

Ten children from other ties received second inoculation upon presenting signed slips from their parents.

An average of one mile would be saved annually for each ten miles of the proposed 40,000 mile interstate highway system.

Here Friday! NEW '56 FORD! The fine car at half the fine car price!

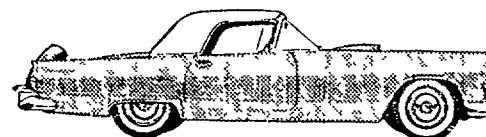

With new 202 h.p. Thunderbird Y-8

New 202-h.p. Thunderbird Y-8 engine is available in Fordomatic Fairlanes and Station Wagons. In Fordomatic Customlines and Mainlines you can have the 176-h.p. Y-8. And Ford's new 137-h.p. Six is available in all 18 models.

...with new Thunderbird styling

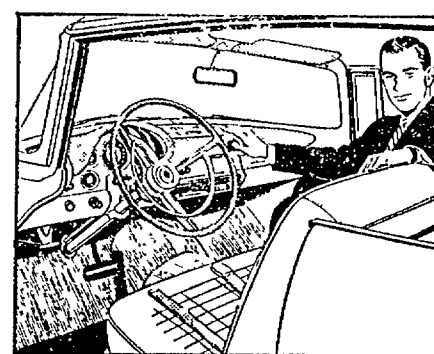

The new '56 Ford looks like the Thunderbird! You'll find the same graceful lines... the same long, low silhouette... the same dashing appearance... styling which helped the fabulous Ford Thunderbird to win America's heart.

...with new Lifeguard Design

For '56, Ford brings you the greatest safety news in a generation... Lifeguard Design. In cooperation with universities, medical associations and safety experts, Ford learned the cause of most serious injuries in accidents. To provide extra protection against these hazards Ford developed the new Lifeguard features described at right.

But there is still more wonderful news! Ford brings you Thunderbird power in a modern deep-block Y-8... Thunderbird beauty, too... rich new interiors... quality throughout.

See it... try it... you'll agree the '56 Ford is the fine car at half the fine car price.

Ford's new Lifeguard features are: a new deep-center design steering wheel, to act as a cushion in event of accident... double-grip door locks to reduce chance of doors opening under shock... optional padding for control panel and sun visors to help lessen injuries... optional seat belts to help keep occupants in seats.

Come in... See the new '56 FORD

NORTHVILLE

PHONE 1320

for the Record

by G. H. C.

Northville is to be congratulated on the civic mindedness of those city and township residents who are joining together as the Adult Education-Community Study Group to analyze and discuss present and future community problems.

The group is an outgrowth of the course in community development which was conducted here last winter with the cooperation of the Ford Foundation and the City Adult Education Department of the University of Michigan. Without any official status, but with a membership of 25 men and women who were sufficiently interested in the various problems which confront the Northville community to devote many hours to their analysis of possible means of solving them, the project was among the most worthy carried on here last year.

Because there seems to be a need for continuing study to enlighten the citizenry at large, the group has been reactivated this month under the leadership of John S. Canterbury as president. Membership for the 1955-56 year is open to anyone in the area who is interested in community affairs and community problems. Meetings are to be held in the Community Building the first Tuesday of every month. Anyone who attends regularly and is willing to take part in the various study projects will be richly rewarded by a better understanding of the problems that confront the Northville community. Out of such study can develop an informed public opinion that can go a long way toward intelligent solution of problems that will arise from year to year.

For many years we have been prone to squelch those who disagree with our opinion by quoting some familiar adage like "All's Fair in Love or War", "Honesty is the Best Policy" or "A Fool and His Money Are Soon Parted". The number of such old sayings is legion, and we've used most of them at one time or another to put an effective end to controversy that could be settled by words alone.

Until now we've never given much thought to whether such sayings were correct or not. We just assumed that whoever thought them up in the first place must have known what he was talking about.

Now, however, we are beginning to wonder if we may not have been wrong all these years. This disquieting fear comes as a result of the efforts of the Ford Motor Co. to acquire two farms for a right-of-way on which to build a track to the proposed Lincoln plant from the railroad between Novi and Wixom. It seems the owners of these two farms have held them so many years that they can't bear to part with them for sentimental reasons; there are reports that only a half million dollars for each farm will assuage the sorrow that will be caused by transferring title to the automobile company.

Here then, is a situation which casts grave doubt on the truth of the adage about there being no sentiment in business. And if this doubt be well founded, what about the other sayings that we have been so fond of quoting in the past? Are they, perhaps, also subject to question? Must we try in the future to win our arguments without benefit of plagiarizing the words of wisdom of some forgotten seer?

Like many another weighty problem, the answer lies in the future. Only time, and the final result of Ford's right-of-way will tell us how much sentiment is to be found in business.

Northville High Elects Officers

Class election of officers among the 648 high school students have been completed as the high school rolls into its second week of the fall term.

Miss Florence Panattoni and Stan Johnston were chosen sponsors of the senior class with the following officers: president, Ken Krezel; vice-president, Walter Palmer; secretary, Carolyn Burkman; and treasurer, Larry Graham.

Sponsors of the junior class are Edward Mollema and Mrs. Leslie Leg. Class officers are: president, John Schwartz; vice-president, Wanda White; secretary, Judy Junod, and treasurer, Gary Holman.

Al Jones and Donald Van Ingen are sponsoring the sophomore class with the following officers: president, Bill Keene; vice-president, Jim Hammond; secretary, Mary Hill; treasurer, Ed Wittenberg.

The freshman class chose Clarence Mason and Mrs. Violet Bradford as sponsors. The class officers are: president, Jim Strange; vice-president, Barbara Mapes; secretary, Jean Moberg; treasurer, Shirley Louton.

The senior student council have Assistant Principal Fred Stephanski as sponsor. James Allen was elected mayor; Janice Howarth, secretary, and Roger Nieuwkoop, treasurer.

Mrs. Ida B. Cooke was chosen sponsor of the junior student council. Officers are mayor, Roger Atchinson; vice-president, Charles Hicks; secretary, Jay Ann Wittenberg, and treasurer, Fred Steeper.

Pvt. David Boyd Finishes Army Course

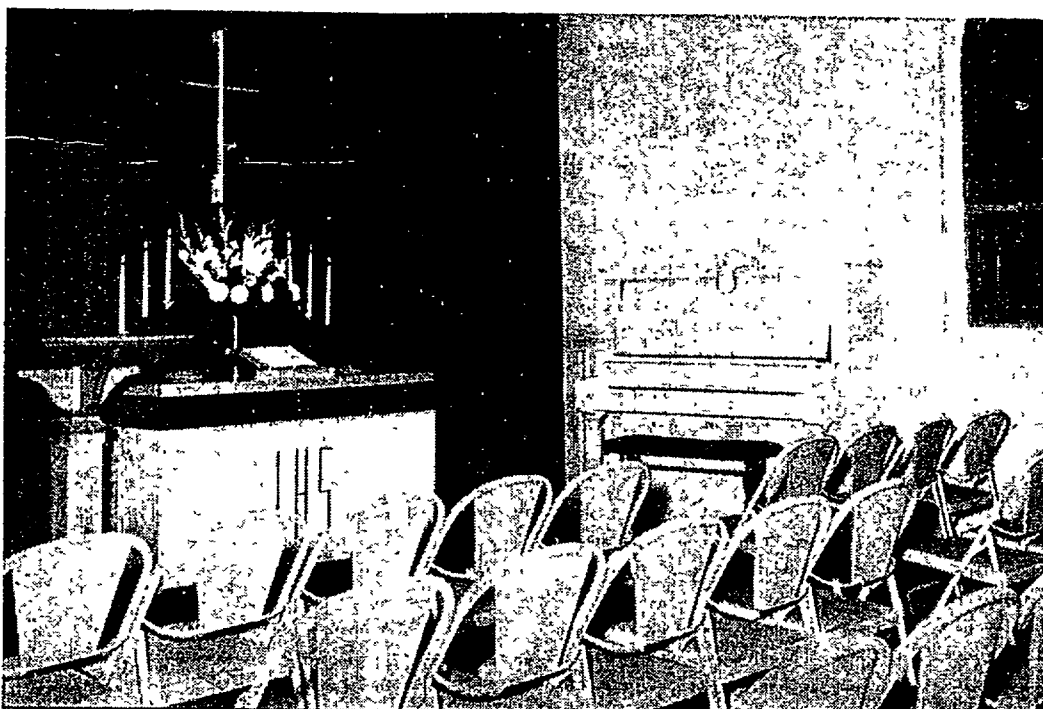

Fort Riley, Kans. — Pvt. David F. Boyd, son of Clifford C. Boyd, 46070 Bloomcrest Dr., Northville, recently was graduated from the Army's Clerical Procedure school at Fort Riley, Kans.

Pvt. Boyd, who completed basic training at Fort Riley, is a clerk-typist in Co. D of the 41st Engineer Battalion.

A 1954 graduate of Michigan State university, East Lansing, he entered the Army last April.

Methodist Chapel Dedication Sunday

A service of dedication will be held Sunday, Sept. 25 at the 11 o'clock worship service in the First Methodist Church. Glenn Long, chairman of the board of trustees, will present the newly remodeled chapel, memorial altar, altar appointments, prayer desk, stained glass windows, hymnals and choir chairs to Rev. LaVerne Finch, superintendent of the Ann Arbor district.

for dedication. Further remodeling will continue this fall with the construction of corridors in the basement, western exit and new lavatories. Saturday, Sept. 24 at 6:30 p.m. the Annual Homecoming Dinner will be held in the Church House which at that time will be dedicated as "The William Richards Fellowship Hall" to be sponsored by the Wesleyan Service Guild.

Gail Matzen Feted Saturday Evening

Mrs. Leonard Howard of Ann Arbor and Miss Mary Jean Woodruff of Beck Rd. entertained at the Woodruff home Saturday in honor of Miss Gail Matzen.

Ten guests were invited to the miscellaneous shower and buffet supper. Miss Matzen will be wed in November to Dean Niedernhofer.

P.T.A. To Hold First Meeting Tonight

The Northville Parent-Teacher Ass'n. will hold its first meeting, Thursday, Sept. 22 in the Community Bldg. A representative of the Wayne County Juvenile Court will discuss juvenile delinquency.

Letter To The Editor

Most people when they write a letter for printing don't sign their names but I will. You might not know in the beginning when you read this but as you read farther it will explain itself clearly.

I'm the wife of a man in Novi, not just an ordinary man, but to me, the best there is. Not only is he a good husband and father, but a good business man. He and I were not brought up in the luxuries of life, but what we have we worked hard and for.

PTA officials urge all parents to attend regularly during the year so they may be fully informed about school problems.

Brought up on a farm in Indiana, he worked as hard as a boy could, from the time he was nine years old. We've been married 15 years now and I can say he's worked for everything he's owned and prospered for if it took 20 out of 24 hours to do so.

He was in the army for some time and came home totally disabled. But that didn't stop him. Not only was he brave but he's got more courage than most men ever had.

I've sat back and heard slams and read articles of him in the township paper, but still he carries on. Not only for himself, but for our family and this community.

So I ask: "Is that wrong. Is this the thanks you get for doing your best and what you think is right?" If so, I guess World War I, World War II and Korea can't ever help us.

I think it's time people examine

themselves. Jealousy and prejudice won't get anyone anywhere, not even Leo. We don't feel we're privileged characters but we are human. No matter what other people feel, I and our two daughters are very proud he's ours and that he still carries on. Could you?

Mrs. Leo Harrawood
27000 Novi Road

Shower Honors Eileen Shock

Mrs. Elmer DeKay and Mrs. Claude Ely honored Miss Eileen Shock Sept. 15 with a miscellaneous shower. Twenty-six guests were invited to the DeKay home for the neighborhood party. Miss Shock and Richard Lane of Wayne will be married Oct. 1.

THIS IS THE FIRST in a series of columns written to keep you posted on new and interesting telephone items. Almost every day technical inventions appear on the scene and unusual stories about telephone service come along. We'd like to tell you about them. And then, too, we'd like you to get to know us better and the things we do to make sure that you get the best telephone service in the world.

HAVE YOU HEARD about the new "hands-free" Speakerphone? You can hear and talk to the person at the other end of the line without lifting the handset. It's done with a small microphone and a pint-sized speaker. This isn't just an experimental model. Hundreds of these telephones are in use in offices, hospitals and in homes, too. It only costs \$6.60 a month extra, including federal tax.

HERE'S A QUIZ to try on your family. It's been found that most people guess too high when asked about Long Distance rates. What would you say the rate would be for a three-minute station-to-station call after 6 at night to Indianapolis, Toledo, Chicago, New York, San Francisco? Here's a clue: Did you know that you can call any place in the United States for \$2 or less?

Indianapolis 65¢ Toledo 40¢ Chicago 65¢
New York \$1.00 San Francisco \$1.90
plus 10% federal tax

MAKE IT A *Pontiac*
for a good deal and
a good deal more!

We're matching Pontiac's
record sales with
record-breaking trades!

You can put this down for a fact. You won't match our deal anywhere else in town because this one pays off double!

For a starter, you'll get an appraisal too good to pass by. We're out to make September another record-breaking month, and all trades are figured on a volume basis. Your car can command a better deal from us right now than it ever will again.

For the clincher, you'll get a car that is way

ahead of anything near its price... designed and engineered to stay new for years.

You'll get style that sets the fashion for tomorrow.

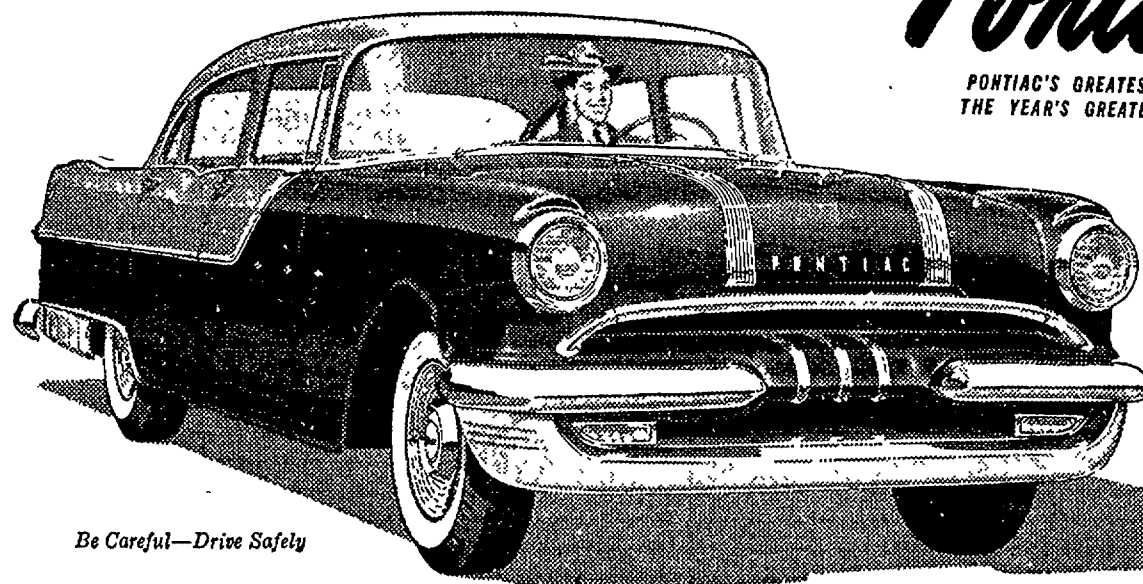

You'll get the advanced performance of the Strato-Streak V-8, newest engine in the industry.

You'll get the size you must have for safe cornering and solid security.

You'll get the latest innovations in springing, brakes and steering to cushion the ride and make driving an effortless pleasure.

Come in for the deal with the double payoff and drive away a big, high-powered future-fashioned Pontiac. You have the word of half a million owners—you'll never make a better buy!

Safety and Traffic Problems Are Discussed By Local Study Group

Safety and traffic problems were discussed at length at the organization meeting of the Adult Education - Community Study Group in the Northville Community Bldg. Sept. 13.

The group elected John S. Canterbury president for the coming year. Other officers are Ed Welch, vice-president; Mrs. Harvey Ritchie, secretary-treasurer; Stanley Muczynski, membership chairman.

Meetings will be held the first Tuesday of each month at the Community Bldg. at 7:30 p.m. The public is invited to participate in all discussions and all interested persons are urged to join the group.

Members expressed the opinion that "the fine safety program of local authorities in the Northville community is outstanding and worthy of comment and praise." They especially commended the spirit of safety as developed by the Northville Police Dept.

The group also agreed that as the movement of people to the suburban areas progresses, the increased traffic congestion on principal highways will create acute safety and traffic problems in the Northville area. An analysis was made by the group of the cause of serious automobile accidents. The opinion was expressed that careless licensing of drivers is a major contributing factor. It emphasized that as time goes on the public will become more interested in a higher standard of law enforcement, driver education courses in schools, stricter standards of driver licensing, more traffic engineering improvements, and moral support for an adequate highway financing program.

The committee commended to the community of Northville the program of traffic education outlined by Michigan State university. The study group was presented with a brochure from Michigan State entitled "What Can the Colleges Do About the Traffic Problem". That institution has now put into effect a four year program of education in traffic administration which includes the organization of a Highway Traffic Administration Center at East Lansing.

High tribute was paid to the retiring president, Mrs. Samuel Geraci, for her work of the past two years in organizing and developing the program of community problem study and research.

Higher Learning Calls 49 Students

Trunks, suitcases and boxes are going out of Northville in all directions as students leave for college. Many are entering for the first time with the usual excitement connected with such an advantage in learning.

The following list may not be complete and the Record will appreciate any names that have been omitted.

Heading for Michigan State university are Gloria Clark, Ruth Croll, Loraine Darling, Leanna and Marcia Doeksen, Marilyn McCarthy, Lynn Matzen, Joan Wallace, Barbara Millington, Wayne Janetzke, Marilyn Sharpe, Linwood Fritz and Larry Gotts.

On their way to Michigan State Normal college, Ypsilanti, are Mike Collins, Mike Green, June

THE NORTHVILLE RECORD — Thursday, September 22, 1955 — 5

King and Eugenia Green. Students going to the University of Michigan will be Mary Lovewell, Gayle Ashburn, Cathy Rambeau, Gay Duerson, Mr. and Mrs. Leonard Howard, Lucien Lovewell and Mary Jean Woodworth.

John Clarke and Rick Atchison will attend Kemper Military academy; John Funk, Dennis Proctor and Dave Goss will study at General Motors Institute; Paul Hamlin, Hillsdale college; Cynthia Gates, Jones School of Nursing, Ann Arbor; Franny Malley, Monticello; Ed Mollema, Michigan School of Mines; Priscilla Older, Oberlin; Peggy Hammond, Albion.

James Rambeau, Kenyon; Florence Raub and Charles Ely, Ferris Institute; Peter Pletch, Oklahoma university; Rita Skow, W. A. Foote Memorial hospital, Jackson; Joel Souel and Elise Lockhart, Wayne university; Pat Benjamin, Bob Jones university, S. Carolina; Priscilla Blackburn, Dick Willis, Bruce Rose and Glenn Howarth, Alma; Mary Lou Litsenberger, Western college, Kalamazoo, and Tom Johnson, Wooster.

Discipline is learned by every man during his first six weeks in the army and his first six months of marriage.

**NOTICE OF
PUBLIC HEARING
ON PROPOSED AMENDMENTS
TO ZONING ORDINANCE OF
THE
TOWNSHIP OF NORTHVILLE**

Notice is hereby given that the Zoning Commission of the Township of Northville will hold a public hearing on Tuesday evening, October 11, 1955 at 8:00 o'clock P.M. in the basement of the Library Building, Northville, Michigan, for the purpose of considering the text and map of proposed amendments to the Zoning Ordinance of the Township of Northville, as amended. The following is the text of the proposed amendments to the Zoning Ordinance of the Township of Northville, as amended:

Zoning Ordinance of the Township of Northville, Michigan

Ordinance:

PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of two (2) new paragraphs to read as follows:

All lots must be served by a municipal sewer system or an

approved disposal system capable of disposing of the effluent, acceptable to the requirements of the Wayne County Health Department.

In areas where the soil conditions are found to be inadequate to support septic tank facilities and special means of disposal must be provided for in order to safeguard the health of the community, and the lot areas as prescribed in this Ordinance are sufficient to furnish this safeguard, no building permit shall be issued for a building unless the lot area is sufficient in size to support the disposal system as shall meet the approval of the Wayne County Health Department.

PART II. That the Zoning Ordinance of the Township of Northville is hereby amended by the deletion of paragraphs (c), (d), (e), (f), (g) and (h) of Section 7.01 and the changing of paragraph (i) to become paragraph (c) and paragraph (j) to become paragraph (d) of Section 7.01 of Article VII.

PART III. That the Zoning Ordinance of the Township of Northville is hereby amended by amending paragraph (f) of Section 10.01, Article X to read as follows:

Section 10.01 (f)
1. Single family terrace dwellings

**ORDINANCE NO. 13
PROPOSED
AMENDMENT TO THE ZONING ORDINANCE
OF THE
TOWNSHIP OF NOVI**

THE TOWNSHIP OF NOVI, OAKLAND COUNTY, MICHIGAN, ORDAINS:

PART L. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi, is hereby amended by amending Section 10.02 of Article X of said Ordinance to read as follows:

Section 10.02 BUILDING HEIGHT. No building, hereafter erected or altered in any M-1 District, shall exceed forty (40) feet or three (3) stories in height; provided, however, such height may be increased one (1) foot for each five (5) feet by which such building is set back in excess of one hundred (100) feet from the property lines.

PART II. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi, is amended by adding thereto the following provision: The followings lands situate in Town 1 North, Range 8 East, Novi Township, to-wit: the East one-half (E½) of the Southeast one-quarter (SE¼) of Section 6 and that portion of Section 7, aggregating 275 acres, more or less, lying north of the north line of the New Farmington-Brighton Expressway and east of a line parallel to and distant 1000 feet, more or less, from the west line of said Section 7 are hereby rezoned from R1F-District—Small Farm District and AG District—Agricultural District to M-1 District: Light Industrial District, and said lands may be devoted to the uses permitted by Section 10.01 of Article X of said Ordinance.

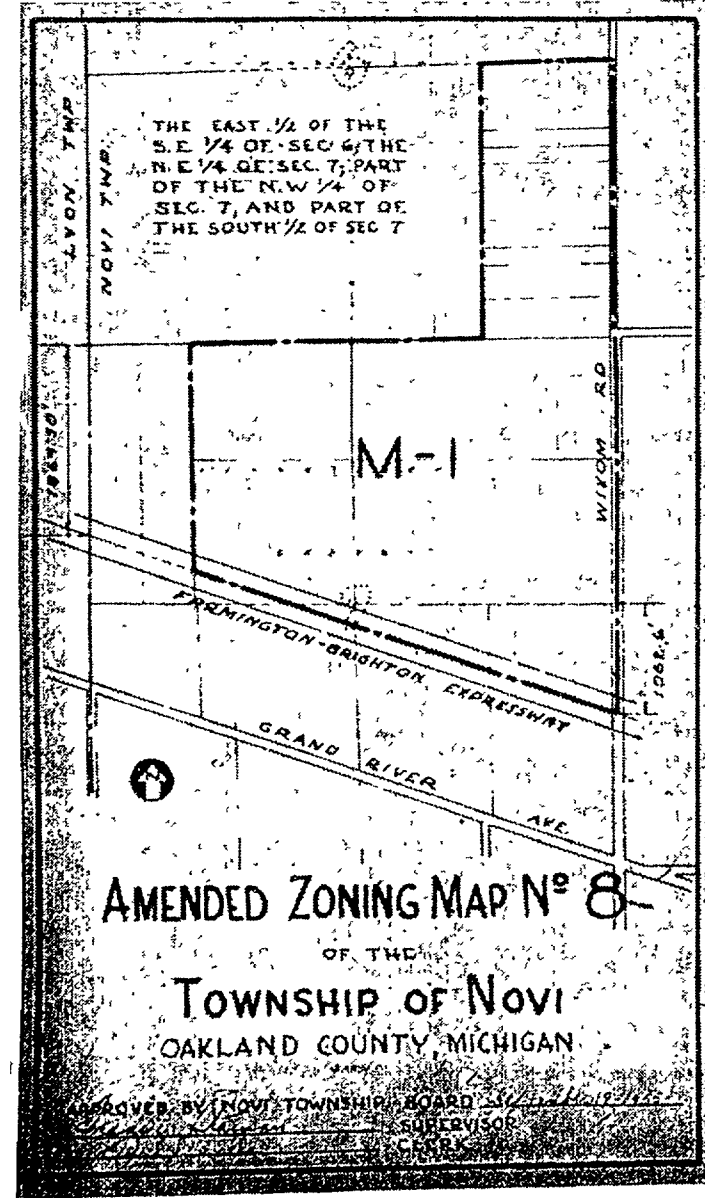

PART III. That Ordinance No. 2, known as the Zoning Ordinance of the Township of Novi, is hereby amended by amending the Amended Zoning Map as indicated on said Zoning Map No. 8 attached hereto and made a part of this Ordinance.

PART IV. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of any ordinance in conflict with any of the provisions of this Ordinance are hereby repealed.

PART V. WHEN EFFECTIVE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect upon final enactment and publication hereof.

PART VI. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof.

Frazer W. Staman, Supervisor Earl Banks, Clerk
I, Earl Banks, Clerk of the Township of Novi, do hereby certify that the above ordinance was approved and adopted by the Novi Township Board at a regular meeting thereof, duly called and held on the 19th day of September, A.D., 1955, and was ordered to be given publication in the manner prescribed by law. Earl Banks, Clerk

of not more than eight (8) housekeeping units each, when all are erected at the same time.

2. Boarding and rooming houses or tourist homes.

3. Private clubs, fraternities and lodges, except those the chief activity of which is a service customarily carried on as a business.

4. Hospitals, rest homes, sanitariums, clinics (not including an animal hospital) and other similar uses.

5. Institutions of a philanthropic or charitable nature.

6. Private garages or community garages, when in conjunction with dwelling units, either separate or in connected groups having common and unpierced dividing walls between contiguous private garages.

PART IV. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART V. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of ordinances in conflict herewith are hereby repealed.

PART VI. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

A proposal to rezone approximately 56 acres of land in the northeast quarter of Section 4, Northville Township, form an R-1-E classification to an R-1 classification will also be considered.

The tentative text of the proposed amendment and the tentative map showing the rezoning of the above described area may be examined any weekday evening between the hours of 8:00 o'clock P.M. and 9:00 o'clock P.M. at the home of Robert H. Shafer, Chairman of the Zoning Commission, 18101 Sheldon Road, Northville, Michigan.

This notice is given pursuant to Section 14 of Act 184 of the Public Acts of 1943, as amended.

Policemen...
(Continued)
the fire department but I think it has been ironed out."

Ely Supports Reed
Following Stubenvoll's reply that "to me it just looks like giving \$50 away to a guy," Ely supported Reed's position, saying: "There has been a lot of friction in our fire department. Because of this we held a meeting last Thursday night with the entire department. Thirteen of the 15 firemen attended. It was the first time to my knowledge when representatives of the city commission have ever met with the firemen. A lot of things were ironed out in the two and one-half hour meeting."

Ely said that because of the apparent friction a vote was taken on whether the volunteer department wanted a new fire chief and that the big majority voted to keep Chief William McGee. He added that the men said the meeting last Thursday night was the first ever held at which they could iron out their troubles.

Commissioner Malcolm Allen urged that it would be only good human relations for the city commission to keep in closer touch with the fire department. He felt that one way to maintain a closer relationship would be to require monthly reports from the fire chief.

After hearing of the department's troubles, apparently for the first time, Stubenvoll agreed with Reed's request for the monthly report and the \$50 compensation, saying: "If you're going to revise the fire department and ask more of the chief, I think he probably should be compensated."

Northville Host To Hardware Meeting
Hardware merchants and their employees together with traveling salesmen of wholesalers and manufacturers, in Washtenaw and Wayne counties will attend the 34th annual district meeting sponsored by the Michigan Retail Hardware Ass'n. to be held Wednesday, Sept. 28 at the Northville Community Bldg., according to the announcement today by George L. Clark, George Clark Hardware, Northville, chairman.

State meetings in Lansing each addressed the club on various aspects of their experiences. The boys were Walter Palmer, David Hartner, David Waterloo, Roger Nieuwkoop, John Schwartz, Gary Holman and Vern Muller.

The Exchange club football banquet for the local football squad will be held Nov. 30. Presentation of awards will be made and an address by an outstanding sport celebrity will be the main feature of the program.

The members of the Northville Rotary club have been invited to join in this Wednesday evening event. Elroy Yellison is in charge of the program.

Exchange Club News
Fred Kuehnau, German exchange student and Fritz Carle, were guests at the Sept. 14 meeting of the Northville Exchange club.

Boys of the Northville High school who had attended Boys' State meetings in Lansing each addressed the club on various aspects of their experiences. The boys were Walter Palmer, David Hartner, David Waterloo, Roger Nieuwkoop, John Schwartz, Gary Holman and Vern Muller.

Bob Morse Wins Match At Edgewood
Bob Morse of Brader's department store won his match Sunday in the semi-finals at Edgewood Country club one up in 19 holes. He will play a 36-hole match for the club championship Thursday, Sept. 22. Good luck, George.

Amerman Attends Annual Conference
Supt. of Schools Russell H. Amerman returned Tuesday from a 3-day conference in Traverse City of the State School Superintendents Ass'n.

The conference marked the 25th anniversary of the organization of the association. An attendance of 800 in Traverse City was a contrast to the first meeting 25 years ago when only 44 schools were represented. There are now 600 high school districts in the association.

Parents, that have boys in service who will be 21 before the date of the banquet, are urged to contact Fred Lyke, township clerk, or Mrs. Mary Alexander, city clerk, and secure applications to mail the boys. The applications must be filled out and returned before the banquet.

TWP. BOARD APPROVES FORD SITE

Trickey Defends Board's Stand on Harrowood Project

Charles Trickey, Jr., Novi township treasurer and a member of the township board, this week defended the board's action in permitting the new Harrowood service station continue to use the same septic tank connection that was used by the old station for many years. Trickey said the township board has authority under the township building code to consent to deviation from its provisions "where practical difficulty or unnecessary hardship is involved." The action taken in Harrowood's case was in the best interest of the citizens of Novi township, he added.

Trickey's defense of the township board was in the form of an open letter to the citizens of Novi township replying to a critical article published by the Novi Citizen a few days ago. His letter follows:

"Recent articles appearing in the Novi Citizen have criticized the action or the lack of action on the part of your Township Board. Like all stories there are usually two sides. I will endeavor to give you the reason for the latest action for which we came under fire and you be the judge whether or not we had you, the citizens of Novi township in mind or not.

"The action that I am referring to is the decision to let Leo Harrowood continue to use the septic tank connection to the drain, not a new one but one that has been used by that property and many others along Grand River for some 30 years. Leo's property is not large enough to install a field system and a well, as the two have to be seventy-five (75) feet apart.

"Leo has an option to purchase the property east and adjoining his property and has promised the Board of Appeals that he will give the right of way of twenty feet to provide space for an alley. This is good sound thinking on

Since Mr. Trickey's letter was written, Harrowood has announced that he has been able to complete negotiations for the purchase of an eight-tenths acre of ground on 11 Mile Rd. directly east of the service station now under construction. He is giving an easement to the township immediately for an alley at the rear of the premises. The additional land will be available for a regulation sewage drain field in the event that present users of the existing storm sewer are required to construct their own drainage facilities, he stated.

the part of the Board of Appeals because if this area develops into a shopping center we will be able to provide an alley for fire protection.

(Continued on Page 10)

Novi Landmarks Are Disappearing

A FAMILIAR SIGHT on the corner of Grand River and Novi Rd. disappeared last week as wrecking crews began demolishing Leo Harrowood's service station. The station, which was originally built by Charles Trickey, Sr., had

occupied the corner since 1929. In its place, Harrowood is planning a modern all-steel automotive service center and restaurant. Construction on the new \$50,000 building is scheduled to begin this week, Harrowood said.

ONE OF THE OLDEST BUILDINGS in Oakland County, a Novi landmark for many generations, this old building at the corner of Grand River and Novi Rd. is to be torn down soon. Former township supervisor, Frank Clark, recalls the days when Josh McCrumb ran the old general store in this building. McCrumb's grandson, Fred McCrumb, now lives in Northville. H. H. Jones bought him out near the turn of the century. In 1912 Jones' son-in-law, Matt Moeren, took over the store and operated it for 41 years, until a year before his death in 1954. It was known as the M. J. Moeren General Store. Mrs. Frazer Staman,

Moeren's daughter, recalls that her father had the first gas station in the township before the first World War. Built on a little wooden platform, the pump operated by a handle on the side. In the general store, "Matt" carried a wide variety of merchandise ranging from horse collars and drugs to groceries and hardware. But times have changed. This is the age of tractors, spotless pharmacies, and garishly lighted super markets. The old general store is no longer an important part of community life. No decision has yet been made regarding the use of the property once the store is torn down, according to Mrs. Staman.

Engineer Gives More Details On Ford Plant

A tentative layout and highway plans for Ford Motor company's new Lincoln plant were disclosed at the Sept. 14 meeting of the township zoning board by Ford project engineer Arthur Bruckert. Bruckert showed the board members and spectators pictures of the present Lincoln assembly plant in Wayne and the Ford assembly plants at Louisville, Ky. and San Jose, Cal.

He then showed the group an artist's sketch of a proposed design for Lincoln's new plant in Novi to be known as the "Detroit Assembly Plant". He emphasized that plans were still very much in the drawing board stage at this time, however.

The drawing board showed a 3-story office building built in a T-shape facing the Farmington-Brighton expressway. Landscaping and limited parking would be available in the front of the building, with much additional office parking in a courtyard to the rear.

The base of the T, which would stretch northward and connect with the plant, would contain the plant offices. All operations connected with the running of the Novi plant would be conducted in this portion of the building, Bruckert said.

The two wings of the building facing the expressway would house the main headquarters of Ford's newly organized Lincoln division. Until early this year, Lincoln and Mercury were combined in a single division.

The assembly plant shown in the drawing was primarily a 2-story structure with a 3-story area in the center of the building. Facing Wixom Rd., the plant was situated a considerable distance from the road and the area between was devoted to employee parking.

Bruckert disclosed that the highway access to the plant would probably be from Wixom Rd. instead of the expressway. He expressed confidence that the highway department would provide an interchange for Wixom Rd traffic where it crossed the expressway.

Rebekah Bazaar To Be Held Sept. 28

The annual Rebekah bazaar and rummage sale will open at 9 a.m. Sept. 28 in the IOOF Hall in Novi, it was announced by Mrs. Irene Kahrl this week.

Board Unanimously Okays Rezoning

An amending ordinance rezoning a 325-acre of land northwest of Wixom Rd. and Grand River for use by the Ford Motor Co. was unanimously approved by the Novi Township Board Monday evening.

The land, which was rezoned from an agricultural to a light industrial classification, is scheduled to become the site of the home offices and main assembly plant for Ford's Lincoln division.

No Objections

The board's action followed a Sept. 14 public hearing by the township zoning board on the question of rezoning. Despite former objections by a few individuals, no opposition was voiced to the zoning board at the hearing and its members unanimously voiced themselves as being in favor of rezoning the property. A poll taken among spectators at the meeting also resulted in unanimous approval of the proposed plan.

Zoning board member George Simmons recommended that the proposed amending ordinance be referred to the township board with a recommendation for its adoption. The motion was seconded by Harry Watson. Following the board's unanimous recommendation, the ordinance was submitted to the Oakland County Coordinating Zoning committee, which granted approval the following day, Sept. 15.

Sentimental Value Defined

Acquisition of two additional parcels of land adjacent to the plant site for railroad facilities has not gone so smoothly, according to reliable sources. Reluctant at first to part with their land because of "sentimental value", the two property owners are reported to have finally stated their asking price, \$500,000 for each parcel.

A Ford official, when informed of the offer, was heard to remark, "It might be cheaper for us to go underground."

Novi Baptist To Attend Convention

The Novi Baptist church will be represented by delegates at the Michigan Baptist convention to be held at Alpena Oct. 13-16.

Tonight, Thursday, the church will hold a Rally Day banquet at 6 o'clock, to be followed by pictures of the Galiana Children's home in Kentucky. Everyone is welcome to attend.

Sunday, Sept. 25, Rally Day will be held during the Sunday School period. Promotion certificates will be awarded to the children.

Form Village Boys' Club

A WILLOWBROOK BOYS' CLUB complete with a clubhouse and 19 members has been formed in Willowbrook Village. Acting as advisor to the group is Leonard Berardi (shown at the top of the picture), a village resident. The clubhouse, a small white building on 10 Mile Rd., one block east of the village, has been made available to the group as a meeting place by Paul LeBost, builder. Members of the club have been busy for the past several weeks cleaning up the house and grounds, planning hikes, and organizing basketball and football teams. Some of the parents in the area have donated a few tables and chairs, magazines, and games. The boys have managed to round up some athletic equipment, and are on the lookout for other possible donations of furniture and equipment. Present members of the club are Martin Kleckx, Mike Connelly, George Kuchinskis, Jerry Muns, Richard Hurlburt, David Thayer, Tom Connelly, Pete Carter, Jerry Martin, Steve Bernard, Joseph Dinser, Terry Muns, Claude Earl, Tom Morrison, Jerry Connelly, Eddie Wittenberg, Vic Carter, Gary Thompson and James Parker. The club is open to boys between the ages of 7 and 16, according to Berardi, and the initiation fee is \$1. Dues are 25 cents per month, he said. At present, there are 19 members in the club, which is open week day evenings from 6 until 8:30 and Saturdays from 12 until 6. The boys attend meetings whenever they can and are not required to attend every night. Berardi's phone number is GReenleaf 4-2680 and he requests any parents call him for additional information.

Novi Schools Have Record Enrollment

Enrollment in Novi public schools reached a new high of 357 this week, with some prospect that a few more children will enroll during the next few days.

Services of several special education instructors will be available this year through cooperation of the Oakland County Department of Education. These will include a school nurse, a speech correctionist, a teacher for home-bound children ill and unable to attend regular school sessions and a visiting teacher.

The annual school magazine sale will start Sept. 22 and run two weeks. Save your subscription order for Novi school pupils.

Second Grade News
The second grade science class has made a weed chart that has 15 varieties of common weeds and the pupils are learning to recognize them by name.

New members of the second grade class are Ronald McCollum of Northville, John Cunningham of Wyandotte and Laura Hallock of Walled Lake.

Jimmy Trotter shared his birthday treats with his second grade classmates Friday afternoon.

"N" Club Meets
The Novi school "N" club had the first meeting of the new school year Friday with 24 members enrolled. A masked ball is being planned in the near future. The first grade now has 31 enrolled with Danny Chinnick enrolling last week. Connie Ross, who has been ill is expected back Monday of this week.

The seventh grade class has an interesting collection of insects made by the members of the class. They make reports and identify the insects.

Wednesday, Sept. 14 the fifth grade elected officers and organized their class. President is Carol Newbegin; vice-president, Brandon Faulkner; secretary, Barbara Wallace and treasurer, Sharon White.

The second and third grade class have a pet frog. They have not yet given him a name "Jumpy". The sixth grade social study class made a chalk mural of ancient history. A scene of the "Sphinx and the Great Pyramids of Gizeh" were drawn by Donna Lien, Cheryl Murphy, Wilfred Ramsey, Shirley Campbell, James Barton, Joe Hedrick, Dennis Marshall and Judy Ritter.

The next scene, "Jerusalem", was drawn by Freda Angel, Carol Moody, James Frisbie and Murrel McQueen. A scene from Babylon

was drawn by Philip Simonton, Michael Ross, Gregory Larson and Bill Krist. A scene showing early man building a fire was chalked in by Shirley Coleman, Marion Slentz, Russell Stevenson and Richard Ramsey. A picture of "Egyptian Builders" was drawn by Clifford Bearden, Susan Shaw, Roy Rice and Dorothy Serevello. "A Galley Goes to Sea" was drawn by Jack Kolk, Larry Snow, Mike Hedrick and Cathy Noble.

Michael Ross, sixth grader, had the misfortune to break his index finger Tuesday.

The first art project of the sixth grade was a crayon etching. This is done by covering the cardboard with several different light colors then putting a heavy coat of black crayon over the colors then etching the drawing with a sharp knife.

Orle Benjamin Buried Saturday

Orle Benjamin, 1175 Ladd Rd., Walled Lake, died in Sessions hospital Sept. 14 after a six months illness. He was 66 years of age.

Mr. Benjamin had been a lifetime resident of Walled Lake where he was born July 9, 1889. He was a farmer and thresher.

Funeral services were held by the Richardson-Bird funeral home in Walled Lake at St. Matthews Lutheran church Sept. 17. The Rev. O. A. Gerken officiated and burial was in Oakland Hills Memorial Gardens cemetery.

Besides his wife, Ada, the deceased is survived by a daughter, Mrs. Douglas Groves of Pontiac; a sister, Mrs. Mine Regan of Crosswell; and a brother, Allen, of Twin Beach, Pontiac. There are two grandchildren.

Novi AMVET Ladies Seeking Donations for Disabled Vets.

The Novi AMVET Auxiliary has issued an appeal for all types of eye-glass frames for the use of patients in veterans' hospitals. Old frames are fitted with new lenses at the hospitals. Also requested are donations of used or new playing cards for use of disabled veterans.

Anyone wishing to donate either eye-glass frames or cards should contact any auxiliary member or Hospital Auxiliary Jeanne Clarke at Northville 1207R.

The Novi Auxiliary met at the home of Mrs. William Gregory, Walled Lake, Tuesday, Sept. 20.

Novi Highlights

by Mrs. Luther Rix
Phone Northville 245-J

Mr. and Mrs. Charles F. Crawford of S. Lake Shore Dr. entertained Mr. and Mrs. Martin Hayden and son, Michael at a picnic supper Sunday. Last Wednesday, Mr. and Mrs. Grant Eggert of Wixom were dinner guests of Mr. and Mrs. C. F. Crawford at Cunningham's Fisherman Wharf on the St. Clair river.

Mr. and Mrs. Roy Robinson and son are now occupying the Crawford guest cottage for the winter months.

Mrs. Bertha Wood of W. Grand River has been on the sick list but is feeling better.

Mrs. Mike Rackov is home again and able to be up and around the home. Mrs. S. Litrich of Mt. Clemens called to visit her old friend, Mrs. Rackov, Saturday.

(Continued on Page 10)

Novi 4-H Girls To Take New Members

The Novi 4-H Girls will take in new members and outline projects for the coming year at their meeting Oct. 4. They met at the home of their leader, Mrs. James Wimmer on 11 Mile Rd. last Tuesday and spent the evening finishing work on their various projects.

Salow Resigns, Questions Board's Appointment Power

The resignation of Glenn Salow Jr. as Novi township fire chief was officially announced at Monday night's township board meeting.

Although the resignation had been a matter of rumor for several weeks, official word from Salow of his action was withheld until the Sept. 19 board meeting. Salow delivered his resignation verbally, declining to submit it to the board in writing.

In submitting his resignation, Salow questioned the right of the board to "appoint" a new chief. Salow said that the firemen themselves had a right to "appoint" their own chief, and the board had only the power of "approval".

Supervisor Frazer Staman sharply disagreed with Salow's point of view. However, the board unanimously accepted Salow's resignation.

Staman suggested a meeting between the firemen and board members to iron out difficulties and acting chief Fred Loyne set the meeting time for Monday, Sept. 26.

The fire department had previously voted, upon Salow's resignation, to move their officers up one notch and appoint Bill MacDermaid a lieutenant.

the Willowbrook Corner

by MRS. THOMAS MORRISON
PHONE GReenleaf 4-2523

To all parents, members and future members of the Willowbrook Village Boys' club: I would like to give a complete understanding of what I am trying very sincerely to accomplish with this club.

Mr. LeBost has given his permission for the use of a small farm house on Ten Mile Rd., just east of the village, for our club house.

The present members did a very fine job cleaning it, so that it would be presentable to everyone concerned.

We do not have much at present, except a couple of tables and chairs, a few outdoor games, such as football, baseball, etc. on the premises. Would appreciate any items donated, to help the club get started.

The initiation fee is \$1, plus 25c per month. At present the club consists of 17 members and is open Monday, Thursday, Friday, from 6 to 8:30 p.m. and on Saturday from 12 noon to 6 p.m.

A few parents have a misunderstanding of the hours the boys are spending at the club. The hours are as specified and the boys are free to leave at any time and are not required to attend every night. I hope this explains the procedure of this club. For more information concerning

this matter, contact me at the club house or call GR. 4-2680.

Thank you,
Leonard Berardi

Introducing . . .
Mr. and Mrs. Bernard Weisberger, 23941 E. LeBost, and two children, Johnathan 3, and Lise 16 months, formerly of Oak Park. Mr. Weisberger, an associate professor of history at Wayne university, and an author, has had two books published and more recently an article in the American Heritage magazine. Before coming to Wayne he taught history at Antioch college and lived at Yellow Springs, O. Their hobbies are camping and reading.

Mr. and Mrs. Philip Barnes and two children, David 14, and Carol 13, 23985 E. LeBost, formerly of Jackson. Both children attend Northville public schools. David plays the accordion and piano; Carol the piano only. Mr. Barnes is associated with Arthur Anderson & Co., certified public accountants. He was originally from Grosse Pointe. Mrs. Barnes' home was in Jackson. Both enjoy golf. Mr. Barnes' other hobby is his workshop. They have a year old German shepherd dog, Prince.

Mr. and Mrs. William Rickley of 49991 Mooring Side Dr. are former residents of Brighton. They have one daughter, Sandy. (Continued on Page 10)

**NOTICE OF
PUBLIC HEARING
ON PROPOSED AMENDMENTS
TO ZONING ORDINANCE OF
THE
TOWNSHIP OF NORTHVILLE**

Notice is hereby given that the Zoning Commission of the Township of Northville will hold a public hearing on Tuesday evening, October 11, 1955 at 8:00 o'clock P.M. in the basement of the Library Building, Northville, Michigan, for the purpose of considering the text and map of proposed amendments to the Zoning Ordinance of the Township of Northville, as amended. The following is the text of the proposed amendments to the Zoning Ordinance of the Township of Northville, as amended:

**Proposed Amendments to the
Zoning Ordinance of the
Township of Northville, Michigan**

Ordinance No. 13
PART I. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of two (2) new paragraphs to Section 3.08 of Article III to read as follows:

All lots must be served by a municipal sewer system or an

approved disposal system capable of disposing of the effluent, acceptable to the requirements of the Wayne County Health Department.

In areas where the soil conditions are found to be inadequate to support septic tank facilities and special means of disposal must be provided for in order to safeguard the health of the community, and the lot areas as prescribed in this Ordinance are insufficient to furnish this safeguard, no building permit shall be issued for a building unless the lot area is sufficient in size to support the disposal system as shall meet the approval of the Wayne County Health Department.

PART II. That the Zoning Ordinance of the Township of Northville is hereby amended by the deletion of paragraphs (c), (d), (e), (f), (g) and (h) of Section 7.01 and the changing of paragraph (i) to become paragraph (c) and paragraph (j) to become paragraph (d) of Section 7.01 of Article VII.

PART III. That the Zoning Ordinance of the Township of Northville is hereby amended by amending paragraph (f) of Section 10.01, Article X to read as follows:

Section 10.01 (f)
1. Single family terrace dwellings

- of not more than eight (8) housekeeping units each, when all are erected at the same time.
- Boarding and rooming houses or tourist homes.
- Private clubs, fraternities and lodges, except those the chief activity of which is a service customarily carried on as a business.
- Hospitals, rest homes, sanitariums, clinics (not including an animal hospital) and other similar uses.
- Institutions of a philanthropic or charitable nature.
- Private garages or community garages, when in conjunction with dwelling units, either separate or in connected groups having common and unpierced dividing walls between contiguous private garages.

PART IV. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART V. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of ordinances in conflict herewith are hereby repealed.

PART VI. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

A proposal to rezone approximately 56 acres of land in the northeast quarter of Section 4, Northville Township, from an R-1-E classification to an R-1 classification will also be considered.

The tentative text of the proposed amendment and the tentative map showing the rezoning of the above described area may be examined any weekday evening between the hours of 8:00 o'clock P.M. and 9:00 o'clock P.M. at the home of Robert H. Shafer, Chairman of the Zoning Commission, 18101 Sheldon Road, Northville, Michigan.

This notice is given pursuant to Section 14 of Act 184 of the Public Acts of 1943, as amended. **NORTHVILLE TOWNSHIP ZONING COMMISSION**

(Continued)
the fire department but I think it has been ironed out."

Ely Supports Reed
Following Stubbenvoll's reply that "to me it just looks like giving \$50 away to a guy," Ely supported Reed's position, saying:

"There has been a lot of friction in our fire department. Because of this we held a meeting last Thursday night with the entire department. Thirteen of the 15 firemen attended. It was the first time to my knowledge when representatives of the city com-

mission have ever met with the firemen. A lot of things were ironed out in the two and one-half hour meeting."

Ely said that because of the apparent friction a vote was taken on whether the volunteer department wanted a new fire chief and that the big majority voted to keep Chief William McGee. He added that the men said the meeting last Thursday night was the first ever held at which they could iron out their troubles.

Commissioner Malcolm Allen urged that it would be only good human relations for the city commission to keep in closer touch with the fire department. He felt that one way to maintain a closer relationship would be to require monthly reports from the fire chief.

After hearing of the department's troubles, apparently for the first time, Stubbenvoll agreed with Reed's request for the monthly report and the \$50 compensation, saying: "If you're going to revise the fire department and ask more of the chief, I think he probably should be compensated."

**Exchange Club
News**

Fred Kuehnau, German exchange student and Fritz Carle, were guests at the Sept. 14 meeting of the Northville Exchange club.

Boys of the Northville High school who had attended Boys'

State meetings in Lansing each addressed the club on various aspects of their experiences. The boys were Walter Palmer, David Hartner, David Waterloo, Roger Nieuwkoop, John Schwartz, Gary Holman and Vern Muller.

The Exchange club football banquet for the local football squad will be held Nov. 30. Presentation of awards will be made and an address by an outstanding sport celebrity will be the main feature of the program.

The members of the Northville Rotary club have been invited to join in this Wednesday evening event. Elro yEllison is in charge of the program.

**Northville Host To
Hardware Meeting**

Hardware merchants and their employees together with traveling salesmen of wholesalers and manufacturers, in Washtenaw, and Wayne counties will attend the 34th annual district meeting sponsored by the Michigan Retail Hardware Ass'n. to be held Wednesday, Sept. 28 at the Northville Community Bldg., according to the announcement today by George L. Clark George Clark Hardware, Northville, chairman.

**Bob Morse Wins
Match At Edgewood**

Bob Morse of Brader's department store won his match Sunday in the semi-finals at Edgewood Country club one up in 19 holes. He will play a 36-hole match for the club championship Thursday, Sept. 22. Good luck, George.

**Amerman Attends
Annual Conference**

Supt. of Schools Russell H. Amerman returned Tuesday from a 3-day conference in Traverse City of the State School Superintendents Ass'n.

The conference marked the 25th anniversary of the organization of the association. An attendance of 800 in Traverse City was a contrast to the first meeting 25 years ago when only 44 schools were represented. There are now 600 high school districts in the association.

**21-ers Banquet To
Include Soldiers**

With the "21-ers" banquet scheduled for Oct. 19, the Coordinating Council is anxious not to omit any young people who may be eligible.

Parents, that have boys in service who will be 21 before the date of the banquet, are urged to contact Fred Lyke, township clerk, or Mrs. Mary Alexander, city clerk, and secure applications to mail the boys. The applications must be filled out and returned before the banquet.

TWP. BOARD APPROVES FORD SITE

Trickey Defends Board's Stand on Harrowood Project

Charles Trickey, Jr., Novi township treasurer and a member of the township board, this week defended the board's action in permitting the new Harrowood service station continue to use the same septic tank connection that was used by the old station for many years. Trickey said the township board has authority under the township building code to consent to deviation from its provisions "where practical difficulty or unnecessary hardship is involved." The action taken in Harrowood's case was in the best interest of the citizens of Novi township, he added.

Trickey's defense of the township board was in the form of an open letter to the citizens of Novi township replying to a critical article published by the Novi Citizen a few days ago. His letter follows:

"Recent articles appearing in the Novi Citizen have criticized the action or the lack of action on the part of your Township Board. Like all stories there are usually two sides. I will endeavor to give you the reason for the latest action for which we came under fire and you be the judge whether or not we had you, the citizens of Novi township in mind or not.

"The action that I am referring to is the decision to let Leo Harrowood continue to use the septic tank connection to the drain, not a new one but one that has been used by that property and many others along Grand River for some 30 years. Leo's property is not large enough to install a field system and a well, as the two have to be seventy-five (75) feet apart.

"Leo has an option to purchase the property east and adjoining his property and has promised the Board of Appeals that he will give the right of way of twenty feet to provide space for an alley. This is good sound thinking on

Since Mr. Trickey's letter was written, Harrowood has announced that he has been able to complete negotiations for the purchase of an eight-tenths acre of ground on 11 Mile Rd. directly east of the service station now under construction. He is giving an easement to the township immediately for an alley at the rear of the premises. The additional land will be available for a regulation sewage drain field in the event that present users of the existing storm sewer are required to construct their own drainage facilities, he stated.

the part of the Board of Appeals because if this area develops into a shopping center we will be able to provide an alley for fire protection.

(Continued on Page 10)

Novi Schools Have Record Enrollment

Enrollment in Novi public schools reached a new high of 357 this week, with some prospect that a few more children will enroll during the next few days.

Services of several special education instructors will be available this year through cooperation of the Oakland County Department of Education. These will include a school nurse, a speech correctionist, a teacher for home-bound children and unable to attend regular school sessions and a visiting teacher.

The annual school magazine sale will start Sept. 22 and run two weeks. Save your subscription order for Novi school pupils.

Second Grade News

The second grade science class has made a weed chart that has 15 varieties of common weeds and the pupils are learning to recognize them by name.

New members of the second grade class are Ronald McCollum of Northville, John Cunningham of Wyandotte and Laura Hallock of Walled Lake.

Jimmy Trotter shared his birthday treats with his second grade classmates Friday afternoon.

"N" Club Meets

The Novi school "N" club had the first meeting of the new school year Friday with 24 members enrolled. A masked ball is being planned in the near future.

The first grade now has 31 enrolled with Danny Chinnick enrolling last week. Connie Ross, who has been ill is expected back Monday of this week.

The seventh grade class has an interesting collection of insects made by the members of the class. They make reports and identify the insects.

Wednesday, Sept. 14 the fifth grade elected officers and organized their class. President is Carol Newbegin; vice-president, Brandon Faulkner; secretary, Barbara Wallace and treasurer, Sharon White.

The second and third grade class have a pet frog. They have not yet given him a name 'Jumpy'.

The sixth grade social study class made a chalk mural of ancient history. A scene of the "Sphinx and the Great Pyramids of Gizeh" were drawn by Donna Lien, Cheryl Murphy, Wilfred Ramsey, Shirley Campbell, James Barton, Joe Hedrick, Dennis Marshall and Judy Ritter.

The next scene, "Jerusalem," was drawn by Freda Angel, Carol Moody, James Frisbie and Murrel McQueen. A scene from Babylon

was drawn by Philip Simonton, Michael Ross, Gregory Larson and Bill Krist. A scene showing early man building a fire was chalked in by Shirley Coleman, Marion Slentz, Russell Stevenson and Richard Ramsey. A picture of "Egyptian Builders" was drawn by Clifford Bearden, Susan Shaw, Roy Rice and Dorothy Serevello. "A Galley Goes to Sea" was drawn by Jack Kolk, Larry Snow, Mike Hedrick and Cathy Noble.

Michael Ross, sixth grader, had the misfortune to break his index finger Tuesday.

The first art project of the sixth grade was a crayon etching. This is done by covering the cardboard with several different light colors then putting a heavy coat of black crayon over the colors then etching the drawing with a sharp knife.

Orle Benjamin Buried Saturday

Orle Benjamin, 1175 Ladd Rd., Walled Lake, died in Sessions hospital Sept. 14 after a six months illness. He was 66 years of age.

Mr. Benjamin had been a lifetime resident of Walled Lake where he was born July 9, 1889. He was a farmer and thrasher.

Funeral services were held by the Richardson-Bird funeral home in Walled Lake at St. Matthews Lutheran church Sept. 17. The Rev. O. A. Gerken officiated and burial was in Oakland Hills Memorial Gardens cemetery.

Besides his wife, Ada, the deceased is survived by a daughter, Mrs. Douglas Groves of Pontiac; a sister, Mrs. Mine Regan of Croswell; and a brother, Allen, of Twin Beach, Pontiac. There are two grandchildren.

Novi AMVET Ladies Seeking Donations for Disabled Vets.

The Novi AMVET Auxiliary has issued an appeal for all types of eye-glass frames for the use of patients in veterans' hospitals. Old frames are fitted with new lenses at the hospitals. Also requested are donations of used or new playing cards for use of disabled veterans.

Anyone wishing to donate either eye-glass frames or cards should contact any auxiliary member or Hospital Chairman Jeanne Clarke at Northville 1207R.

The Novi Auxiliary met at the home of Mrs. William Gregory, Walled Lake, Tuesday, Sept. 20.

Novi Landmarks Are Disappearing

A FAMILIAR SIGHT on the corner of Grand River and Novi Rd. disappeared last week as wrecking crews began demolishing Leo Harrowood's service station. The station, which was originally built by Charles Trickey, Sr., had

occupied the corner since 1929. In its place, Harrowood is planning a modern all-steel automotive service center and restaurant. Construction on the new \$50,000 building is scheduled to begin this week, Harrowood said.

ONE OF THE OLDEST BUILDINGS in Oakland County, a Novi landmark for many generations, this old building at the corner of Grand River and Novi Rd. is to be torn down soon. Former township supervisor, Frank Clark, recalls the days when Josh McCrumb ran the old general store in this building. McCrumb's grandson, Fred McCrumb, now lives in Northville. H. H. Jones bought him out near the turn of the century. In 1912 Jones' son-in-law, Matt Moeren, took over the store and operated it for 41 years, until a year before his death in 1954. It was known as the M. J. Moeren General Store. Mrs. Frazer Staman.

Moeren's daughter, recalls that her father had the first gas station in the township before the first World War. Built on a little wooden platform, the pump operated by a handle on the side. In the general store, "Matt" carried a wide variety of merchandise ranging from horse collars and drugs to groceries and hardware. But times have changed. This is the age of tractors, spotless pharmacies, and garishly lighted super markets. The old general store is no longer an important part of community life. No decision has yet been made regarding the use of the property once the store is torn down, according to Mrs. Staman.

Novi Highlights

by Mrs. Luther Rix
Phone Northville 245-J

Mr. and Mrs. Charles F. Crawford of S. Lake Shore Dr. entertained Mr. and Mrs. Martin Hayden and son, Michael at a picnic supper Sunday. Last Wednesday, Mr. and Mrs. Grant Eggert of Wixom were dinner guests of Mr. and Mrs. C. F. Crawford at Cunningham's Fisherman Wharf on the St. Clair river.

Mr. and Mrs. Roy Robinson and son are now occupying the Crawford guest cottage for the winter months.

Mrs. Bertha Wood of W. Grand River has been on the sick list but is feeling better.

Mrs. Mike Rackov is home again and able to be up and around the home. Mrs. S. Litrich of Mt. Clemens called to visit her old friend, Mrs. Rackov, Saturday.

(Continued on Page 10)

Novi 4-H Girls To Take New Members

The Novi 4-H Girls will take in new members and outline projects for the coming year at their meeting Oct. 4. They met at the home of their leader, Mrs. James Wimmer on 11 Mile Rd. last Tuesday and spent the evening finishing work on their various projects.

Salow Resigns, Questions Board's Appointment Power

The resignation of Glenn Salow Jr. as Novi township fire chief was officially announced at Monday night's township board meeting.

Although the resignation had been a matter of rumor for several weeks, official word from Salow of his action was withheld until the Sept. 19 board meeting. Salow delivered his resignation verbally, declining to submit it to the board in writing.

In submitting his resignation, Salow questioned the right of the board to "appoint" a new chief. Salow said that the firemen themselves had a right to "appoint" their own chief, and the board had only the power of "approval".

Supervisor Frazer Staman sharply disagreed with Salow's point of view. However, the board unanimously accepted Salow's resignation.

Staman suggested a meeting between the firemen and board members to iron out difficulties and acting chief Fred Loynes set the meeting time for Monday, Sept. 26.

The fire department had previously voted, upon Salow's resignation, to move their officers up one notch and appoint Bill Mar-dermaid a lieutenant.

Engineer Gives More Details On Ford Plant

A tentative layout and highway plans for Ford Motor company's new Lincoln plant were disclosed at the Sept. 14 meeting of the township zoning board by Ford project engineer Arthur Bruckert. Bruckert showed the board members and spectators pictures of the present Lincoln assembly plant in Wayne and the Ford assembly plants at Louisville, Ky. and San Jose, Cal.

He then showed the group an artist's sketch of a proposed design for Lincoln's new plant in Novi to be known as the "Detroit Assembly Plant". He emphasized that plans were still very much in the drawing board stage at this time, however.

The drawing board showed a 3-story office building built in a T-shape facing the Farmington-Brighton expressway. Landscaping and limited parking would be available in the front of the building, with much additional office parking in a courtyard to the rear.

The base of the T, which would stretch northward and connect with the plant, would contain the plant offices. All operations connected with the running of the Novi plant would be conducted in this portion of the building, Bruckert said.

The two wings of the building facing the expressway would house the main headquarters of Ford's newly organized Lincoln division. Until early this year, Lincoln and Mercury were combined in a single division.

The assembly plant shown in the drawing was primarily a 2-story structure with a 3-story area in the center of the building. Facing Wixom Rd., the plant was situated a considerable distance from the road and the area between was devoted to employee parking.

Bruckert disclosed that the highway access to the plant would probably be from Wixom Rd. instead of the expressway. He expressed confidence that the highway department would provide an interchange for Wixom Rd. traffic where it crossed the expressway.

Rebekah Bazaar To Be Held Sept. 28

The annual Rebekah bazaar and rummage sale will open at 9 a. m. Sept. 28 in the IOOF Hall in Novi, it was announced by Mrs. Irene Kahl this week.

Board Unanimously Okays Rezoning

An amending ordinance rezoning a 325-acre of land northwest of Wixom Rd. and Grand River for use by the Ford Motor Co. was unanimously approved by the Novi Township Board Monday evening.

The land, which was rezoned from an agricultural to a light industrial classification, is scheduled to become the site of the home offices and main assembly plant for Ford's Lincoln division.

No Objections

The board's action followed a Sept. 14 public hearing by the township zoning board on the question of rezoning. Despite former objections by a few individuals, no opposition was voiced to the zoning board at the hearing and its members unanimously voiced themselves as being in favor of rezoning the property. A poll taken among spectators at the meeting also resulted in unanimous approval of the proposed plan.

Zoning board member George Simmons recommended that the proposed amending ordinance be referred to the township board with a recommendation for its adoption. The motion was seconded by Harry Watson. Following the board's unanimous recommendation, the ordinance was submitted to the Oakland County Coordinating Zoning committee, which granted approval the following day, Sept. 15.

Sentimental Value Defined

Acquisition of two additional parcels of land adjacent to the plant site for railroad facilities has not gone so smoothly, according to reliable sources. Reluctant at first to part with their land because of "sentimental value", the two property owners are reported to have finally stated their asking price, \$500,000 for each parcel.

A Ford official, when informed of the offer, was heard to remark, "It might be cheaper for us to go underground."

Novi Baptist To Attend Convention

The Novi Baptist church will be represented by delegates at the Michigan Baptist convention to be held at Alpena Oct. 13-16.

Tonight, Thursday, the church will hold a Rally Day banquet at 6 o'clock, to be followed by pictures of the Galiana Children's home in Kentucky. Everyone is welcome to attend.

Sunday, Sept. 25, Rally Day will be held during the Sunday School period. Promotion certificates will be awarded to the children.

Form Village Boys' Club

A WILLOWBROOK BOYS' CLUB complete with a clubhouse and 19 members has been formed in Willowbrook Village. Acting as advisor to the group is Leonard Berardi (shown at the top of the picture), a village resident. The clubhouse, a small white building on 10 Mile Rd., one block east of the village, has been made available to the group as a meeting place by Paul LeBost, builder. Members of the club have been busy for the past several weeks cleaning up the house and grounds, planning hikes, and organizing basketball and football teams. Some of the parents in the area have donated a few tables and chairs, magazines, and games. The boys have managed to round up some athletic equipment, and are on the lookout for other possible donations of furniture and equipment. Present members of the club are Martin Klerkx, Mike Connelly, George Kuchinskis, Jerry Muns, Richard Hurlburt, David Thayer, Tom Connelly, Pete Carter, Jerry Martin, Steve Bernard, Joseph Dinser, Terry Muns, Claude Earl, Tom Morrison, Jerry Connelly, Eddie Wittenberg, Vic Carter, Gary Thompson and James Parker. The club is open to boys between the ages of 7 and 16, according to Berardi, and the initiation fee is \$1. Dues are 25 cents per month, he said. At present, there are 19 members in the club, which is open week day evenings from 6 until 8:30 and Saturdays from 12 until 6. The boys attend meetings whenever they can and are not required to attend every night. Berardi's phone number is GREENleaf 4-2680 and he requests any parents call him for additional information.

the Willowbrook Corner

by MRS. THOMAS MORRISON
PHONE GREENleaf 4-2523

To all parents, members and future members of the Willowbrook Village Boys' club: I would like to give a complete understanding of what I am trying very sincerely to accomplish with this club.

Mr. LeBost has given his permission for the use of a small farm house on Ten Mile Rd., just east of the village, for our club house.

The present members did a very fine job cleaning it, so that it would be presentable to everyone concerned.

We do not have much at present, except a couple of tables and chairs, a few magazines and games . . . plus outdoor games, such as football, baseball, etc. on the premises. Would appreciate any items donated, to help the club get started.

The initiation fee is \$1, plus 25c per month. At present the club consists of 17 members and is open Monday, Thursday, Friday, from 6 to 8:30 p.m. and on Saturday from 12 noon to 6 p.m.

A few parents have a misunderstanding of the hours the boys are spending at the club. The hours are as specified and the boys are free to leave at any time and are not required to attend every night. I hope this explains the procedure of this club. For more information concerning

this matter, contact me at the club house or call GR. 4-2680. Thank you, Leonard Berardi

Introducing . . . Mr. and Mrs. Bernard Weisberger, 23941 E. LeBost, and two children, Johnathan 3, and 'Lise 16 months, formerly of Oak Park. Mr. Weisberger, an associate professor of history at Wayne university, and an author, has had two books published and more recently an article in the American Heritage magazine. Before coming to Wayne he taught history at Antioch college and lived at Yellow Springs, O. Their hobbies are camping and reading.

Mr. and Mrs. Philip Barnes and two children, David 14, and Carol 13, 23985 E. LeBost, formerly of Jackson. Both children attend Northville public schools. David plays the accordion and piano; Carol the piano only. Mr. Barnes is associated with Arthur Anderson & Co., certified public accountants. He was originally from Grosse Pointe. Mrs. Barnes' home was in Jackson. Both enjoy golf. Mr. Barnes' other hobby is his workshop. They have a year old German shepherd dog, Prince.

Mr. and Mrs. William Rickley of 40991 Mooring Side Dr. are former residents of Brighton. They have one daughter, Sandy. (Continued on Page 10)

SOFA BED SEAT IS CUSHIONED IN FOAM RUBBER!

Make the most of that room you have been wanting to "re-do" — use this beautiful ensemble that will assure you 24 hours-a-day comfort! The sofa bed is so typically colonial, yet modern in convenience — opens quickly and easily into a comfortable double bed. It's extra comfortable day AND night because the seat is cushioned with buoyant foam rubber over the springs. See the mellow maple finish, the colorful Early American prints. Discover, too, the concealed spacious bedding compartment ideal for storing pillows and blankets. The matching lounge chair and platform rocker, each cushioned with innerspring backs and seats, and 3 occasional tables will fully furnish the room you have in mind — and all 6 pieces can be yours COMPLETE for only \$169.00

BE OUR GUEST . . .
We cordially invite you to stop in and see our outstanding collection of handsome EARLY AMERICAN ACCESSORIES.

Willowbrook . . .

(Continued)

who is 5½ and attends Northville school. Mr. Rickley is a brick and mason contractor out of Ann Arbor. Mrs. Rickley retired in March, after working for the Wolverine Tractor and Equipment Co. as a private secretary. They have a six month old collie which answers to "Jennie". The Rickleys are contemplating a breezeway, den and garage addition to their new home in the spring.

Mr. and Mrs. Clifford Bunker of 41007 Mooring Side are former residents of Detroit and formerly of Wisconsin. Mr. Bunker is superintendent of industrial education at Chrysler. They have three children: Teddy 7, who attends Northville school and is in the third grade, and Paul and Ann, twins, who are four years old. Mr. Bunker likes to play tennis and golf and Mrs. Bunker does a lot of reading and likes to knit. Mr. Bunker teaches geometry one night a week at Wilbur Wright school in Detroit.

Mr. and Mrs. Donald Keck of 23871 W. LeBost Dr. are formerly of Dearborn. They have one son, Terry, who was three Sept. 3. Mr. Keck works for Bush Motor in Wyandotte and his hobby is golf. Mrs. Keck collects records. Mr. Keck has his master's degree from the University of Michigan.

Mr. and Mrs. Mike Brondstetter, 23805 W. LeBost Dr., are former residents of Willow Run Village and have four children: Sandra K. 10, Constance 17, Lorraine 5, and Mike Fredrick III, who is two. The girls attend Our Lady of Victory school in Northville.

Mr. Brondstetter works for Cadillac Motors. Mike likes to play baseball. He played for the Cadillac service team. He also enjoys golf. Mrs. Brondstetter likes to play bridge.

Mr. and Mrs. Robert Keating of 41070 McMahon Dr. are former residents of Highland Park. They have two children, Gary, who will be five soon and Kevin who is 18 months old. Mr. Keating is with Cadillac Storage of Detroit.

Mr. and Mrs. Kenneth Goyt of 41118 McMahon Dr. are former residents of Inkster. They have one son, Terry. Mr. Goyt is a brick layer of W. Savage. Mrs. Goyt works for A. C. McMahon. They are interested in golf and enjoy seeing hockey games.

Mr. and Mrs. Robert McCann of 41086 McMahon Circle are former residents of Detroit. They have a one year old daughter, Judy. Mr. McCann is a teacher at Gomer's school, Detroit. He teaches social studies. Mrs. McCann works for General Motors. Mr. McCann likes golf and also enjoys working in the summer as a recreation director at Detroit schools.

We had 32 couple from Willowbrook at the association meeting last Tuesday. We were very proud of such a nice turn out on our first get-together. Jim Martin is our temporary chairman. His address is 24420 Willow Lane. Our committee names are as follows:

Robert Waugh, 24422 LeBost; Fred Costello, 24461 Willow Lane; Bernard Weisberger, 23941 East LeBost; and Mrs. Marinoff, secretary.

The first meeting of the Willowbrook Little Theatre will be Monday, Sept. 26 at 8 p.m. at the home of Mr. and Mrs. Kenneth Bernard. All are welcome.

Mr. and Mrs. Harly Beach of Ten Mile attended the wedding of her aunt, Mrs. Dorothy Kameniski Sept. 17.

Mr. and Mrs. Steven Marian and children, Gail and Steve, Jr. from Oshawa, Ont. visited the George Marinoffs this past week end. Saturday was Gail's birthday and Monday her Uncle George's, so Sunday was the scene of a birthday party for both. Mr. and Mrs. Paul Marinoff, George's mother and dad, also from Oshawa, and another sister and brother-in-law, Doreen and Ray Blanchard and sons, Mark and Wayne from Royal Oak, helped to celebrate. Grandma and grandpa Marinoff are staying on for awhile to help get the Marinoff property in ship-shape.

Mr. and Mrs. T. Morrison entertained her mother and dad, Mr. and Mrs. Ferguson and an aunt and uncle, Mr. and Mrs. B. Ferguson for Sunday dinner on Sept. 18 while they were working on Mr. and Mrs. Ferguson's new home on LeBost Dr.

Mr. and Mrs. Swenson planted a few evergreens and blue spruce and Scotch pines this week.

We have three very reliable baby sitters. They are Jay Ann Wittenberg, 24230 LeBost who is 12; Carol Barnes, 23925 E. LeBost, also 12; Nancy Morrison, 24319 LeBost, who is 16.

Belated wedding anniversaries: The Clifford Bunkers on their 14th anniversary.

The Robert McCanns on their second anniversary.

Mr. and Mrs. Freytag on their anniversary Sept. 4.

Mr. and Mrs. Weisberger on Sept. 9.

Mr. and Mrs. Leon Hurlburt of Willow Lane on their 14th anniversary Sept. 20.

Mr. and Mrs. Tom Morrison on their 16th anniversary Sept. 23, and

Mr. and Mrs. Birch of LeBost on their anniversary Sept. 25.

Belated birthday greetings to Terry Keck who was three Sept. 3; Judy McCann on her first birthday and Janet Rairigh on Sept. 25.

guests Sunday at the Mandilk home on West Rd.

Harold Miller is on the road to recovery from his recent illness.

About 20 guests were invited to a pink and blue shower honoring Mrs. Eugene Huyck of New York (the former Jean Trapp) at the Trapp home in Salem. Mrs. Stanley Orzechowski of West Grand River, high school classmate and friend of the Trapp triplets gave the shower. Jean's triplet sister, Jane, Mrs. Lora Davis of Brighton and her triplet sister, June, Mrs. Fred Brockmiller from Illinois were both present. The other guests came from Livonia, Whitmore Lake, Brighton and Novi.

Mrs. R. E. Ward and several Farmington ladies attended the past presidents club of the Dept. of Michigan Blue Star Mothers at Midland Tuesday.

The Blue Star Mothers, Novi chapter, will have their 13th anniversary dinner at the Rotunda Inn at Pine Lake instead of in Plymouth as previously stated, on their regular Oct. 10 meeting night at 7 p.m.

Rickie, daughter of Mr. and Mrs. John Pantalone of Clark St., has been home two weeks from the hospital where she underwent serious heart operation. Although unable to go to school yet, she is having her regular school lessons taught by a home-bound teacher of Pontiac.

Mrs. John Pantalone, Sr. has returned to her home in Salt Lake City after spending two weeks with her son's family, the John Pantalones, Jr.

Mrs. Louis Asborno of Detroit is staying with her sister, Mrs. John Pantalone, for a few weeks.

Mr. and Mrs. G. A. Stever of Owosso spent the week end with the latter's sister and brother-in-law, Mr. and Mrs. Alfred Gow.

Mrs. Mattie McClaren of California is in Michigan visiting her brother, James Erwin and family, and her sister, Mrs. Edna Hill, and other relatives and friends.

Passenger Safety Stressed In '56 Ford Models On Display Friday, September 23

Safety features offered for the first time by an automobile company, power equal to the Thunderbird, and lower body silhouettes are available in 1956 Ford cars which 6,800 Ford dealers place on display this Friday, Sept. 23.

The new Fords will be built in four series offering 18 body styles—two more than in 1955. They are available in 13 solid exterior colors, or 21 two-tone combinations.

A "Thunderbird Y-8" engine leads the power selections available for 1956. It is installed on Fairlane and Station Wagon models, and develops 202 horsepower for Fordomatic, or 200 hp for overdrive or standard transmission. Customline and Mainline Fords offer a Y-8 engine developing 176 hp for Fordomatic, or 173 hp for overdrive or conventional drive. Also, the economical Ford six, increased to 137 hp, is available on all models with all transmission types.

Ford safety research, coupled with studies of medical groups, led to development of a "lifeguard design" in 1956 models.

New door latches give added protection against the chance that doors may open under impact. They have been proved in full scale crash tests at Dearborn.

To keep the driver's chest from hitting the steering column in a crash, the new three-spoke Ford steering wheel has its center hub recessed 3 1/2 inches below the wheel rim.

Rear view mirrors have a special backing designed to prevent shattering.

Front and rear seat mountings have been strengthened so they will resist greater impact.

In addition, Ford offers two optional safety devices. Seat belts, designed to withstand pull up to 4,000 pounds, will help to hold occupants inside cars, and to prevent forward motion. Foam plastic padding for instrument panels and sun visors will help to absorb impact if a person is accidentally thrown forward.

Styling advances in the Ford for '56 include a new grille with oblong parking lights at the outer ends, set in frames which wrap

around the fender sides. Body side molding is restyled for Fairlane, Station Wagon and Customline models. Restyled tail lamps and deck lid handles, a larger recessed hood ornament, and a completely new instrument panel are offered in all models.

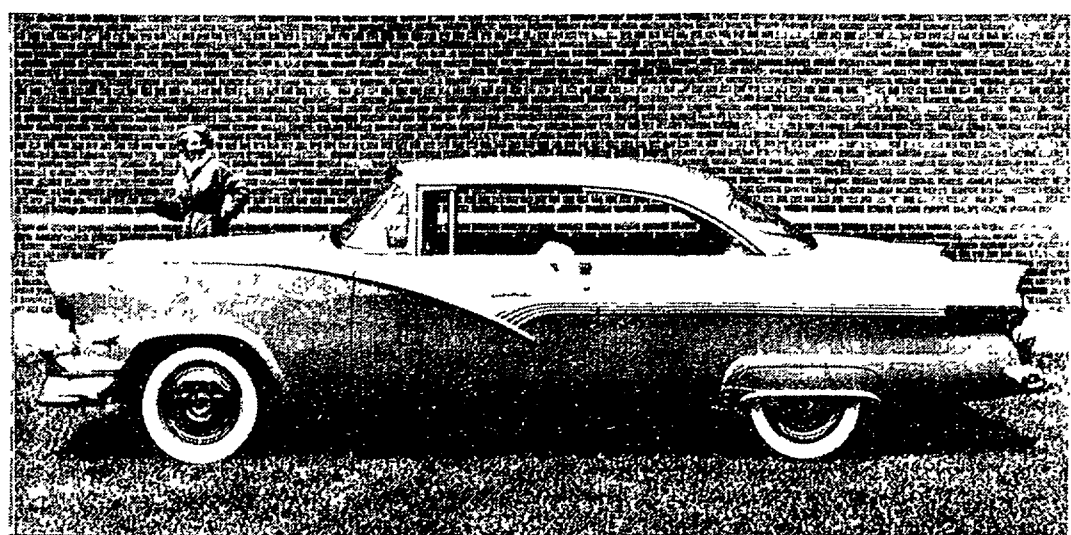

The 1956 Victoria is 1 1/2 inches lower than the comparable 1955 model. Two door and four door sedans also have new tops reducing total car height almost a full inch. However, headroom was not reduced since the contour change is mostly along the top's center line, and fabric headlinings are installed closer to the steel top.

An addition to the line is the Parklane Station Wagon, a two door car which offers an eight by five-foot load space with tailgate extended. It is fitted inside with deluxe upholstery and trim combinations, and has special bright metal trim inside and outside. Early in the model year, Ford will start production of a new four door Victoria style in which side pillars have been eliminated to provide all-around vision.

A 12-volt electrical system is standard on 1956 models, providing 80 percent faster engine cranking, and more capacity to handle the increasing number of accessories being ordered on cars today. The new 30-ampere Ford generator has 61 percent greater power output than last year's model. Batteries have 22 percent more capacity.

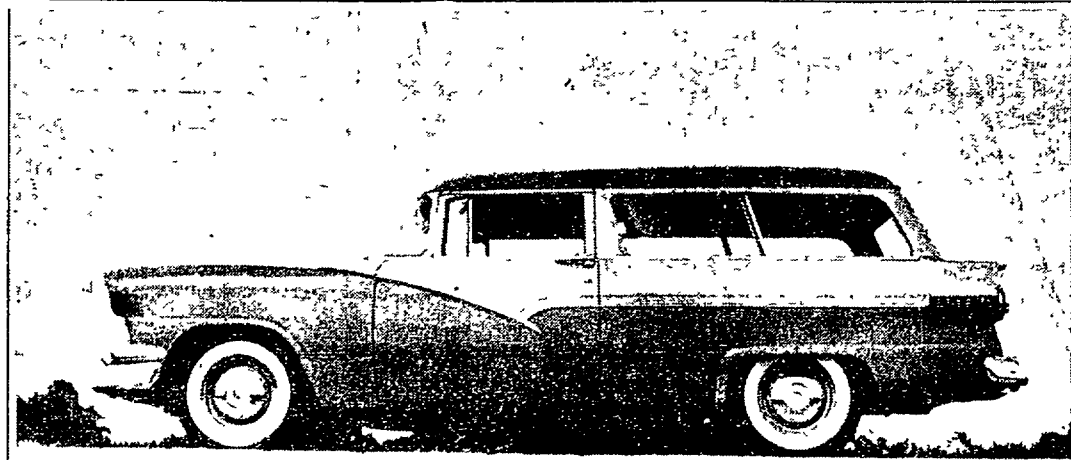

Optional convenience and comfort features in the 1956 Fords include power steering, as well as power-operated brakes, seats and window lifts. Air conditioning, fresh air heaters, and tinted safety glass are available. This year Ford offers a signal-seeking radio which automatically selects new stations. A dual-range automatic control adjusts the set for city or country listening.

The nation's foremost highway engineers and traffic safety experts estimate that an adequate system of highways would save 3,500 lives a year by reducing accidents 40 to 50 percent.

A roof line one and one-half inches lower than last year's model is offered on the 1956 Ford Victoria, shown above. New styling of the protective chrome moldings on the car's sides emphasizes its changed silhouette. The Victoria is one of seven models in Ford's Fairlane series, which also includes a two-door Club Sedan.

four-door Town Sedan, Sunliner convertible, Crown Victoria and Crown Victoria Skyliner. Fairlane series 1956 Fords with Y-8 engines offer engine power equal to the Ford Thunderbird, with dual exhausts and four-barrel carburetors as standard equipment. The new models go on sale tomorrow, Friday, Sept. 23.

Newest member of the Ford car line is this 1956 Parklane station wagon, a two-door 6-passenger luxury model. It enlarges the total number of Ford station wagon types to six. The Parklane is distinguished by special chrome trim treatment on the sides and around the windows. Inside, it has deluxe upholstery and woven

fabric floor carpets. But it still offers full station wagon utility, with an eight-by-five-foot load space when the tailgate is down. The Parklane is available with the 202-horsepower Thunderbird Y-8 engine, or the Ford I-block Six. The new models will be on display at Marr Taylor's Ford Sales, Northville, starting Friday, Sept. 23.

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST. 1868—Thursday, September 22, 1955—11

Pheasant Hunting Good This Year

Lansing — Pheasant production this year is "excellent" and if weather and other conditions are up to snuff this fall, Michigan hunters will harvest 1,250,000 ringnecks during the Oct. 1-Nov. 10 general season.

Conservation department workers made this prediction at the completion of the annual pre-season mail carrier census this week. Ralph Blouch, department game specialist, said 572 rural mail carriers voluntarily counted broods and total numbers of birds seen during their regular daily rounds of southern Michigan in recent weeks.

Their reports show the pheasant population up slightly from last year and now standing at a 10-year peak. In 1954, hunters bagged 1,126,000 birds.

The pattern of production by southern lower peninsula areas follows that of previous years; the Thumb showed the highest number of birds, the Ottawa county area was second, the central counties were third, southeastern Michigan fourth and southwestern Michigan last. Four counties on the fringe of the main pheasant area, Mecosta, Newaygo, Oceana and Gladwin, all showed some decline from 1954 populations.

The carrier survey fits into the general pattern of others conducted earlier this year. One important sampling came from 271 farm cooperators who said in summary that the hatch this year was generally successful and that they saw more birds than last year. Conservation officer counts, now being tabulated, will provide another pre-season census check in the near future.

FISHERMAN'S FOLLY

It's a funny thing about fishermen. In July and August hundreds of thousands of them scatter over the countryside, seeking and finding a nice looking lake in high hopes of hooking and netting one they'll never have to lie about!

The temperature's high and the fish are low—so low, in fact, that the lures rarely reach them in the cool shadows of deep-pond weed beds where they go to escape the heat waves. The warm water has curbed their normal appetites. Fancy, wobbling, rainbow tinted, sparkling and spangled lures may drift tantalizingly past their noses. Luscious looking minnows neatly pinioned to a partially concealed hook will swim by invitingly. A wriggling, substantial cluster of night crawlers may be suspended just overhead, casting a watery aroma in all directions. None of this means anything to that grand-daddy bass or pike suffering from heat prostration!

Then comes September and October—the most beautiful months of all in Michigan Outdoors.

Fish Wake Up! Cool nights chill the surface waters of our lakes. The annual

"turnover" of the water begins. Fish life is reactivated. Appetites, long minimized by high temperatures, become ravenous. Bass, pike, perch, bluegills, muskies—they're all on the prowl for a big meal. Alas, the spangled lures, the luscious minnows, the big gobbs of night crawlers are not to be found. Our fishermen have left the lakes just as the fishing turns for the best!

Now and then a lonely fisherman wanders onto the scene, casts a lure into a pocket of sunken logs, begins a retrieve, and BOOM! Dreams come true. Grandpa Bass gives his all in a hair-raising battle, but succumbs gloriously in the end, and our fall fisherman goes home a hero!

Fall Fishing's Fun! Once you discover that fish bite better in the fall you're in for even more revelations. The cool crisp air of a fall day is an invigorating thing to soul and body. The color pattern of trees and shrubs is an exciting vision of nature. The clear, blue water, free of weed pollen and algae, completes the symphony of impending change. So don't put away that rod and reel so soon. Fish again in Michigan in the fall!

Hunting, Fishing Licenses Available Last of September

Lansing — All Michigan's 4,000 hunting and fishing license dealers will be equipped to sell archery, small game and deer hunting licenses to the general public during the last two weeks of September.

Conservation department workers are planning to hit a Sept. 16 deadline to complete the mammoth job of mailing the more than 1,200,000 licenses. The chore is bigger than that of any other state or Canadian province and annually takes about six weeks to complete.

Also, Game Law Digests and supplements will be available from dealers at the same time.

Conservation Booklet On Game Recipes Free To Housewives

Lansing — "Good Eating from Woods and Fields", popular booklet of game recipes, is again available from the Conservation department this fall.

With hunting seasons just around the corner, the annual run on the free booklet is knitting into present supplies.

The 24-page colored and illustrated booklet, boon companion to bewildered housewives, lists a variety of recipes for such small game as pheasant, rabbit, goose, duck, beaver, woodchuck, opossum, raccoon, muskrat, grouse and woodcock.

Methods of dressing, cooking and preserving game meat are included.

Joint efforts of Michigan State university food specialists and department workers produced the book. A post card request to the department's publications room at Lansing 26, brings it on the run.

Refrigerator MOTORS

CHRISTIAN SCIENCE CHURCHES
Main and Dodge Streets
Plymouth, Michigan

How righteous thoughts and actions lead to lasting health and happiness will be brought out at Christian Science services Sunday in the Lesson-Sermon entitled "Reality".

Scriptural selections to be read include Paul's advice to the Philippians (4:8): "Finally, brethren, whatsoever things are true, whatsoever things are honest, whatsoever things are pure, whatsoever things are lovely, whatsoever things are of good report; if there be any virtue, and if there be any praise, think on these things." Correlative passages to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (261:4): "Hold thought steadfastly to the enduring, the good, and the true, and you will bring these into your experience proportionately to their occupancy of your thoughts." The Golden Text is from Jeremiah (51:10): "The Lord hath brought forth our righteousness: come, and let us declare in Zion the work of the Lord our God."

FIRST METHODIST CHURCH

8 p.m., Church Planning conference.

During 1954 the American Red Cross Disaster Services financially assisted an average of one family every 75 minutes and gave emergency mass care to one person every nine minutes.

If people do not know the good you have done it is a waste of time to tell them.

NOTHING IN FRONT OF YOU BUT FRESH AIR!

Drive with care . . . EVERYWHERE!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

Aim that Chevrolet hood down a
stretch of open road—and relax.
You're all alone! Because nothing
in its field can match the stride
of Chevrolet's "Turbo-Fire V8."

Pick a point on the compass, your favorite Chevy model—and let yourself go! Arrow for the far horizon and let Chevrolet's "Turbo-Fire V8" unravel the ribbon of highway. You're driving the car that can't even be touched for performance in its field. Chevrolet, you know, is the leading winner in NASCAR* Short Track competition against all comers. (Yes, that includes many high-priced jobs!)

Fancy names and claims don't count in this league. Acceleration, cornering and handling ease are the things that determine the "winner"—all qualities that make for safer, happier highway driving. And Chevrolet's got 'em like nobody else!

Have you bossed this beauty yet? Come in and take the key!

Farmers May Order Tree Seedlings Now

Michigan farmers can get a special packet of forest seedlings adapted to windbreak use. The new packet along with the order list for other trees has been announced by the conservation nursery at Michigan State university.

The seedlings are for delivery in the fall of 1955 and the spring of 1956, according to W. Ira Bull, MSU forester in charge of the nursery.

The windbreak packet includes 100 red pine, 100 Norway spruce and 100 white spruce transplants. Transplants of red pine, Jack pine and white spruce along with seedlings of white pine, Jack pine, Austrian pine and Scotch pine are available for reforestation use. Hardwood seedlings on the list include black locust, American elm and red oak.

Douglas fir transplants on the list for the first time in several years, according to Bull. Black walnut stratified for spring planting will also be available for purchase during the winter and spring. Early purchasers can get small numbers of Norway spruce and tulip poplar.

Trees sold by Michigan State cannot be used for ornamental plantings, warns Bull. They cannot be planted within corporate limits of towns and cities, nor can they be planted on building lots in residential subdivisions outside of cities.

Orders can be made now for both fall and winter planting. Price lists and order blanks are available at county extension offices and soil conservation district offices. They may also be obtained by writing to the Conservation Nursery, Michigan State University, East Lansing.

Playful Playmate Poorly Appreciated

A recreation minded beaver joyfully joined a group of youngsters at Rogers City municipal beach recently and began to take part in their water fun.

His joy soon turned to gloom. His young playmates scampered for shore. Unappreciated, he drifted about looking for new companions.

He found these in conservation officer Ned Curtis and a local sportsman, who tried to boat the critter with a landing net. When this failed, the two men herded his misguided bather into shallow water where Curtis scooped him up by hand.

The animal was released in Trout Creek. In many places, beavers have moved from usual creek haunts this summer because of a lack of rain and general hot weather.

Of the total of 36,300 people killed last year, 27,300 met death in rural areas, including towns under 2,500 population.

Sure are lots of people putting on an act who aren't on the stage.

There are now 3,366,000 miles of highways in the U.S. Two out of every three miles of that network are inadequate. At least one out of every three miles is unsafe for driving.

Civil Service Has Vacancies

The Michigan Civil Service Commission in Lansing announced today that several vacancies for Fruits and Vegetables Inspectors exist with the state. These are permanent positions that pay \$68.80 to \$76.00 weekly. Graduation from high school or possession of a license to inspect fruits and vegetables issued by the United States Department of Agriculture is required.

Interested persons may obtain application for examination from their nearest Michigan Employment Security Commission branch office, or by writing directly to Michigan Civil Service, Lansing 13.

The total waste over all roads in the U.S. due to all contributing unfavorable factors amounts to \$3 billion a year.

Suburban Shopping Center Continues Spread Unabated

Five more new suburban shopping centers have been built in the past year in the Detroit metropolitan area. Ten others are in the process of construction, and 13 more are planned. These startling facts on the unabated spread of retail centers in the Wayne-Oakland-Macomb area were reported today in a study prepared by the Detroit Metropolitan Area Regional Planning Commission.

"In the past three years a total of 13 integrated commercial cen-

ters, designed for one-stop shopping, have been erected in the Detroit Region," said George Honzko, author of the report and associate planning analyst of the Commission's staff. "These centers range in size from Northland, the huge regional center erected by the J. L. Hudson Co. in Southfield township of Oakland county, to small community centers like Telefont Market in Dearborn township of Wayne county."

Among the larger centers completed in the past year are Lincoln Park Plaza in Lincoln Park, the Miracle-Mile located in Grosse Pointe Woods and Cherry Hill Plaza in the village of Inkster.

Under construction, the new Sears, Roebuck and Company development in Lincoln Park, with 200,000 square feet of shopping

space, leads the list. Northwood, at 13-Mile and Woodward is nearing completion and will have 25 stores and provide parking for 1,500 cars. In Macomb county, Lake Shore Village in St. Clair Shores is scheduled for completion later this year.

Of the 13 planned suburban centers, Eastland in Harper Woods will start building this fall. This second large J. L. Hudson development will rival Northland in size. Southgate Center, a Federal store enterprise in Ecorse township, is also scheduled for construction work this fall. Eastwood center in East Detroit and Bloomfield Shopping Town in Bloomfield Township are two other large planned commercial enterprises.

The report notes that the market for the large regional shopping center is rapidly closing. Wise planning is essential for the smaller centers as competition among suburban shopping centers begins to parallel the competition that has long existed among downtown stores and neighborhood shopping facilities in the urban core. With the growth of new suburban centers, it is most likely that the distribution of retail purchases outside the city of Detroit is being altered.

Trunkline Highway Bids Let Sept. 21

Low bidders were determined Sept. 21 in Lansing on the four state trunkline highway construction projects, Highway Commissioner Charles M. Ziegler announces. Included in the letting was the first road project to be let on the Brighton-Farmington expressway (US-16 relocation between US-23 near Brighton and present US-16 east of Farmington); a paving project to complete the US-12 relocation in Jackson county; and a concrete paving project on the M-21 relocation in Ottawa county.

The Brighton-Farmington expressway project will consist of 5.4 miles of grading and drainage structures for dual roadways from 12-Mile Rd. east to 10-Mile Rd., in Novi and Farmington townships in Oakland county. This is the third project to be let on the expressway. A bridge to carry 12-Mile and Beck roads over the expressway and another structure to carry the expressway over Farmington Rd. were recently let. The completion date for the 5.4 miles of grading and drainage structures for the dual roadway between 12-Mile and 10-Mile roads is Aug. 31, 1956.

Huge Insurance Benefits In 1954 Residents of State

Life insurance companies paid \$197,697,000 in 1954 on policies of Michigan residents, the Institute of Life Insurance reports.

These payments included \$109,702,000 to living policyholders in the form of matured endowments, disability benefits, annuity payments, cash surrender values paid out and dividends to policyholders.

The \$87,995,000 balance consisted of death benefits.

"The use of life insurance policy dollars for the policyholders' own living needs has increased materially in recent years," Holgar J. Johnson, Institute president, commented. "More and more families have been setting up life insurance programs which call for specific living benefits as well as the basic death benefits. These living benefits have now become an important part of the flow of life insurance funds to American families. For the country as a whole, nearly \$3,000,000,000 is now going to living policyholders annually as benefit payments."

Last year the total of all payments to policyholders and beneficiaries in this state amounted to \$197,697,000.

Of the total living benefits received in 1954 by the families of this state, \$21,374,000 was for matured endowments; \$3,201,000 for disability benefits; \$15,617,000 for annuity payments; \$28,576,000 for policy cash surrender value payments, and \$40,934,000 for dividends to policyholders.

For the country as a whole benefit payments to U.S. families by all life insurance companies were \$4,947,127,000 in 1954, of which 58 percent were for living benefits and 42 percent for death benefits. The amounts paid nationally were: matured endowments, \$540,809,000; disability benefits, \$110,196,000; annuity payments, \$456,828,000; policy cash surrender value payments, \$833,900,000; and dividends to policyholders, \$933,188,000. This made total payments to living policyholders, countrywide, of \$2,874,921,000, compared with \$2,525,329,000 the year before and \$1,276,539,000 ten years ago. Death benefit payments for the country as a whole were \$2,072,206,000 in 1954, compared with \$1,980,861,000 the year before and \$1,204,718,000 ten years ago.

American Arts Festival Is Planned for September 29 at Detroit Art Institute

Loans from the world's greatest collection of Northwest Indian arts are being unpacked now at the Detroit Institute of Arts for the American Arts Festival starting Sept. 29.

The Institute will open six special autumn exhibitions in the space of nine days. Detroit's first post-World War II review of architectural progress in residential, commercial-industrial and institutional building opens on Tuesday, Sept. 20. Starting the same day will be a related display showing how ceramics, metal, glass and textiles by Detroit area craftsmen have been used by architects. These two shows will be on view through Oct. 18.

Indian Arts of the Northwest Pacific Coast and Alaska is one of four exhibitions comprising the American Arts Festival to run from Sept. 29 through Oct. 30. The other exhibitions are: one of the country's finest collections, the Mr. and Mrs. Lawrence A. Fleischman collection of American painting and sculpture; the reopening of the redecorated Whitey hall, 18th century Philadelphia mansion; and 18th century Decorative Arts from Michigan collections.

The famous Axel Rasmussen collection of the Portland (Ore.) Art Museum will provide most of the wood carvings, elaborately decorated textiles, baskets, and

ivory, bone and wood artifacts for the Indian exhibition. The show will represent the culture of the tribes living between the mountains and the sea along the 1,000 mile stretch of coast from Puget Sound in Washington to Alaska who were the greatest wood workers and navigators of all the American Indians.

Utensils used in the lavish Potlatch feasts, costumes decorated with beads, buttons and appliques in totemic designs, and masks, carved figures and rattles from ritualistic ceremonies will be shown.

Michigan was fourth most popular waterfowl hunting state in the nation last year, topped only by California with 177,000 hunters, Texas with 152,000 and Minnesota with 144,000.

University Regents Accept \$10,000 Grant from Bridge Builder

Ann Arbor — The regents of University of Michigan have announced the receipt of a \$10,000 gift from D. B. Steinman, designer and chief engineer of the Mackinac Bridge, to establish a scholarship fund in the School of Engineering.

The grant was made through the David B. Steinman Foundation, established by Dr. Steinman and his family to provide financial aid to deserving students to enable them to complete their engineering education.

During the past six months the David B. Steinman Foundation

has given a total of \$60,000 in grants to six educational institutions. The gifts are inspired by Dr. Steinman's life-long gratitude for similar aid he received in the form of scholarships and fellowships as a student.

IS IT IN THE BOOK?

People are greatly perplexed these days about the differences in interpreting the Bible, and they may well be. It is for this reason that we are constantly urging our readers to read the Bible for themselves. In this way, they will gain a first hand information on what the Bible contains. It is my contention that most of our differences are not due to interpretation, but rather that what is contended for is not in the Bible at all. Certain church traditions passed down to present generations are often times accepted as having Biblical authority. There are man made rules, superstitions, and ideas prevalent today which are without scriptural foundation. One is amazed at some things which, according to some people, are supposed to be in the Bible. Now, if we will make the Holy Bible the foundation of what we believe, then we must get into the habit of checking what we read and hear by the Book. Can this statement be proven with definite scriptural references? After careful examination and comparison with other scriptures is this the true meaning of the passage? If it is in the Bible you can depend on it. "How firm a foundation ye saints of the Lord is laid for your faith in His excellent Word."

Parents Urged To Check Lights On Bicycles

Police Chief Joseph Denton urgently reminds parents of the danger of allowing children to ride their bicycles in the street without proper reflectors. Each fall a number of bicycle incidents are reported and this could be avoided if parents would see that the bicycle light rules are observed.

The rules read "All bicycles when in use on any street at night shall carry at least one lighted lamp on front of such bicycles, which said lamp shall show a white light and shall be of such a nature and so displayed that it may be seen at least 200 feet in the direction toward which the bicycle is proceeding; and if such front lamp is so arranged that it shows a red light visible for a distance of at least 200 feet in the rear thereof, then no red light attached to the rear of such bicycle will be necessary; PROVIDED, HOWEVER, that where such front lights does not show a red light for at least 200 feet from the rear thereof, then there shall be attached to the rear of such bicycle one lighted lamp or reflector showing a red light visible for a distance of at least 200 feet from the rear thereof, such lamp to be attached thereto and kept lighted from one-half hour after sunset to one-half hour before sunrise."
