### Northville and Novi School Districts Facing Similar Population Growth Problems

By Glenn H. Cummings

Should the Northville and Novi school districts unite as one large school district serving the two communities and work out a common educational program on a long range basis?

Or would it be better for each community to go it alone, with Northville expanding its school system sufficiently to take Novi pupils on a tuition basis until Novi grows enough to support its own school system from kindergarten through high school?

These questions are a matter of grave concern to thoughtful citizens in each community? Conversations with school officials in both places lead to the inescapable conclusion that both Novi and Northville would prefer to operate independently of each other if it is financially feasible to do so. However, it is equally true that neither community is as fully informed on the financial aspects of operating separately or together as they should be if they are to vote of the matter of Northville annexing the three Novi districts, as the latter requested last June.

The Northville district is in the unenviable position of being almost 100% residential, with the additional disadvantage of having several tax free institutions owning large areas of land. These include the House of Correction, the Michigan State hospital, Maybury Sanatorium and the Wayne County Training school. Just within its present boundaries it faces a growth in school population in the next 10 years ranging from a "probable" 83% to a "possible" 140%.

(The 83% figure was presented to the Citizens' School Study Group last Wednesday evening by Robert Shafer, chairman of the group's sub-committee on population trends. It would mean 1382 elementary and 1012 junior and senior high students by 1965 living in the present Northville district alone, Shafer said. No one knows how many tuition pupils may be attending Northville schools 10 years hence.) See story elsewhere on this page.

Shafer's population forecast, which he said is conservative, did not attempt to cover Novi's possible growth.

The Novi situation is complicated now by Ford's announced intention of locating its Lincoln division plant and general offices in Novi township at the corner of Wixom Rd. and Grand River, just a few hundred feet outside the western boundary of Novi No. 8 School District. The Walled Lake Consolidated District will gain a large addition to its tax roll from the plant, while the Novi and other school districts will get a big boost in school population without any comparable increase in their tax base to help support their schools.

Nevertheless, Novi is hoping that lightning may strike twice in the township, with some other large industry or several smaller ones following the example which Ford has set. Should this happen, Novi would be well able to support a school system without being annexed to Northville.

Northville, on the other hand, has little chance of ever getting any large scale industrial development. While its school authorities are admittedly only lukewarm to joining up with Novi at the present time, they also are aware that Novi may strike the jack-pot it hopes for. Should this prove to be the case sometime in the next few years, and should Northville now turn thumbs down on annexing the Novi districts, they know the decision might be one to be regretted for many years.

Thus, both the Northville and the Novi districts are at a cross-road and must decide in the not too distant future whether to go down one road together or to take separate roads.

### Herbert Harndens Wed Fifty Years

Mr. and Mrs. Herbert Harnden, 115 Church St., will celebrate their 50th wedding anniversary with a reception at the Veterans' Memorial hall Friday at 8 p.m.

The Harndens are well known residents of Northville, having owned and managed the Harnden Paint and Glass Co. on Church St. for the past nine years.

Mrs. Harnden was born in Detroit and her husband was born in Ionia. They were married in Detroit in 1905 and have one daughter, Mrs. M. R. Comer who resides on Novi Rd. Lou Ann Comer is the Harnden's only grandchild.

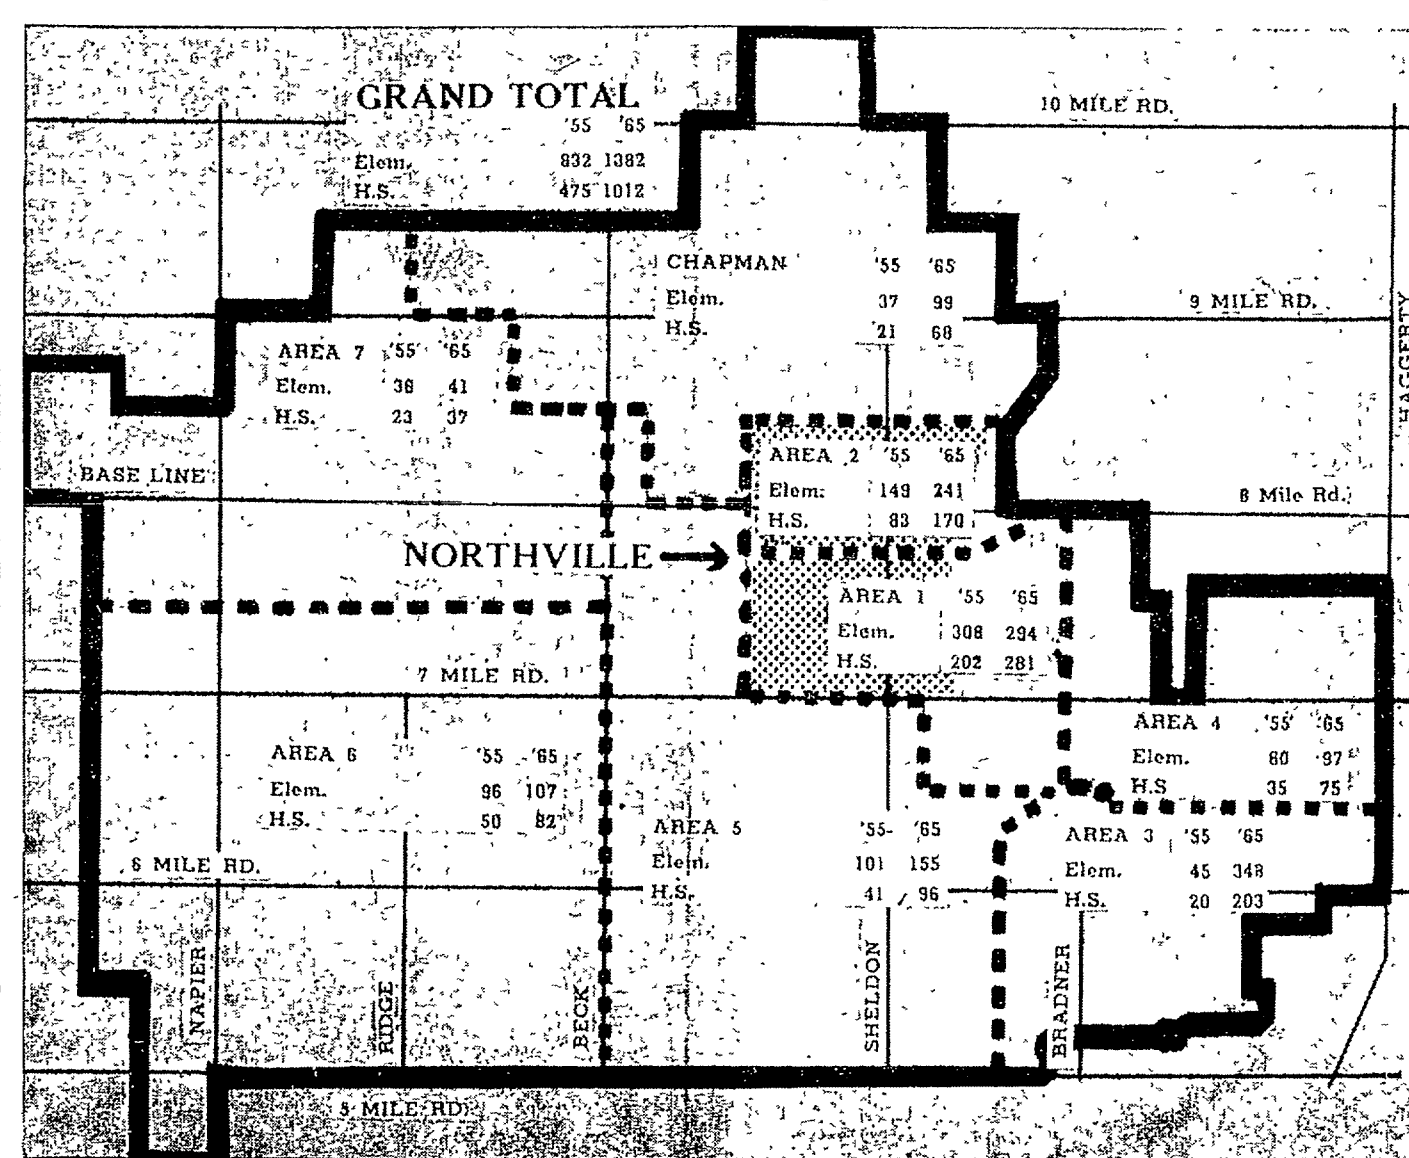

Before settling in Northville, the Harndens lived in Cincinnati, Philadelphia, New Orleans, Nashville, Tenn. and Cleveland.

### Northville Rents Street Sweeper

The Northville City Commission voted at a special meeting this week to lease a street sweeper from the Telford Equipment Co., Detroit, for \$300 per month, with the privilege of having the

rental fee apply on the purchase price of \$9,995 if the machine proves satisfactory. Commission members anticipate that the machine will easily save the amount of the rental fee each month and if this proves to be the case the commission probably will vote to buy the machine next spring. The present rental agreement is for a minimum of three and a maximum of nine months.

### Northville School District Population Forecast

### New City Charter Drawn; Expect Early Election

Final details of the proposed City of Northville charter were ironed out at a special meeting of the Charter Commission Tuesday evening and a special election to ratify it is planned for November or early December.

Determination of the exact date awaits a ruling by the state attorney general's office on whether it is legal to hold a special election in the city to vote on annexing the proposed Yerkes subdivision. City Attorney Philip Ogilvie expects the attorney general's ruling within a few days.

If the attorney general rules in favor of a special election in the Yerkes subdivision situation, that election and the charter vote will be held simultaneously. Otherwise, the charter election will be held alone in a few weeks.

The Charter Commission plans to release a summary of the proposed charter for publication in a few days. This will be followed by advertisement of the entire charter and a public meeting at which members of the Charter Commission will explain the various provisions and answer such questions as voters may submit in writing.

The charter election will also be the occasion for electing an entire new slate of city officials, including a mayor, four commissioners and a justice of the peace.

### Children Receive First Toxoid Shots On October 5th

Miss Ruth Knapp, RN, announces that dates have been set for the three toxoid shots to be given school children: Oct. 5, Oct. 26 and Nov. 16. Children who have already had the three shots may receive a booster shot at this time. Booster shots are given every three years.

Children should appear at the elementary school at 9 a.m. on the dates specified and local doctors, will be there with registered nurses and mothers assisting.

Notices are being sent out this week, Miss Knapp said, and parents are urged to sign and return them before Oct. 5 as no shots will be given unless each child has returned the notice to Miss Knapp signed by a parent.

### Zoning Changes Proposed

A public hearing on proposed changes to the Northville township zoning ordinance will be held by the zoning board Tuesday, Oct. 11 at 8 p.m. in the Northville Library Bldg.

One proposed change provides that all lots must be served by a municipal sewer system or an approved disposal system acceptable to the Wayne County Board of Health. This provision, it is believed, will strengthen the township's authority to deal with builders and subdividers working with small size lots. It is primarily designed as an added safeguard to health.

Another change will limit construction in two-family districts to single and two-family dwellings. Other structures that have been permitted in two-family districts in the past—terrace dwell-

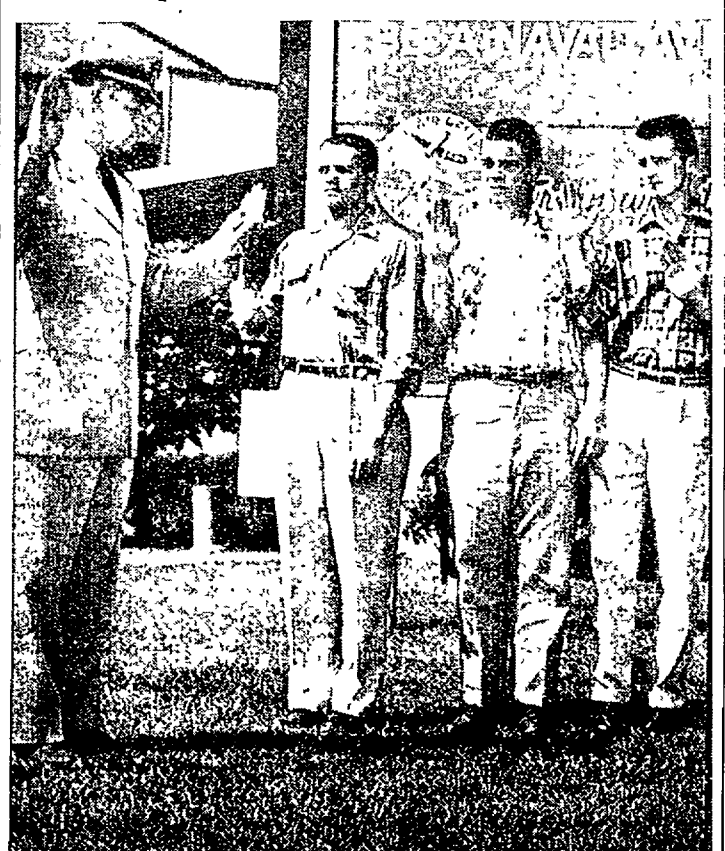

ings, rooming houses, tourist, hospitals, rest homes, etc.—will henceforth be permitted only in general commercial districts if the amendment is adopted by the township board.

A proposal to rezone approximately 56 acres of land owned by Gerald F. Taft from an R-1-E (country estates) classification to R-1 (one-family) residences will also be considered.

### St. Mary Hospital Doctors Meeting Called for Oct. 6

An open meeting for physicians interested in the St. Mary hospital will be held at the Felician Sisters Convent at 7:30 p.m. on Oct. 6.

### James Lapham Sworn in As Naval Air Cadet

—Official United States Navy Photograph

A group of young men take the oath of allegiance which starts them off on careers in Naval Aviation. Lieutenant William H. Mayo administered the oath Sept. 14 at the U.S. Naval Air Station, Columbus, O., to Naval Aviation Cadet James M. Lapham (left), 835 W. Main St., who attended Tri-State College, Angola, Ind. Other boys are Thomas Koehler and Harry B. Walters, Dayton, O.

### Mustangs' League Opener Is With Milford Friday

Following their second straight loss of the season, the Northville Mustangs will open Wayne-Oakland county league play with Milford at Ford Field tomorrow night. Milford, winner over Oxford in their opening game, was defeated last Friday by the pre-season league favorite, Clarenceville. With their entire backfield experienced veterans of last season Milford will bring to Northville a fast, aggressive ball club. This game is a must for the Mustangs if their season is to be successful. However, after two straight defeats, Northville must be considered the under dog in this contest.

Last Friday evening the Mustangs lost a defensive struggle to Howell high school 7 to 0. A first quarter Northville pass, intercepted by R. Smith, a Howell linebacker, was returned 42 yards for the only touchdown of the game. Good punting by McMackin of Howell and Bell of Northville kept each team in their own territory throughout the evening. Howell's only other touchdown drive came in the second quarter when they reached the Northville 14-yard line but a 15-yard penalty set them back for good.

The final period of the game found the Mustangs showing their first signs of any offense all year. A good passing attack sparked a drive that was halted by a pass interception on the Howell 20-yard line. During this drive some brilliant pass receiving by Dave Biery and Bill Yahne rolled up four first downs for the Mustangs.

Howell failed to cross the 50-yard line until the final minute of play. This is a tribute to the defensive play of the Northville team who made fewer mistakes than they did the preceding week when they were swamped under by Plymouth. However, a football team must score to win games and unless there is more fire and determination in their blocking and running the opponent's goal line will remain untouched by the Mustangs.

**Madigan Goes To Taipei**  
A/3C Michael Madigan, son of Mr. and Mrs. William Madigan of E. Eight Mile Rd., was transferred recently to Taipei, Formosa from the 804th Hdq. Squadron, Hunter Air Base, Savannah, Ga. where he expects to remain for a year.

### Northville School District Growth May Exceed 140%

The Northville Board of Education and the Citizen's School Study Group are actively considering ways and means of coping with an increase in the number of children of school age in the present Northville School District that may run between 83% and 140%.

This would mean somewhere between 2400 and 3100 pupils from the present Northville District in attendance at Northville schools. Their present enrollment from this district is 1307.

The foregoing figures were presented in part to the Citizens' School Study Group last Wednesday evening by Robert Shafer, chairman of the group's sub-committee on population trends. Other members of the sub-committee are Beryl Baskins, Eural Clark (school board member), and Ed Angove. Superintendent Amerman has met with the sub-committee in an ex-officio capacity.

**Foresee 2400 Students**  
Shafer presented the sub-committee's report as a "preliminary" forecast, subject to revision when necessary. He talked only about an "estimated probable increase" of 83%, to 2400 students in the present district. He emphasized, however, that the committee had probably been ultra-conservative. The "estimated maximum possible" increase of approximately 140% was developed by the Northville Record by applying the same formula to the sub-committee's basic forecast of new dwellings in the area within 10 years that Shafer used in estimating the "probable" increase of 83%. The 140% increase would mean 3100 pupils from the present district.

**More Children On Farms**  
Areas 6 and 7, which are strictly farming districts, will not build up to any sizable extent during the coming 10 years, but the committee foresees two children per dwelling in these areas.

Area 2, which includes Oakwood subdivision and other parts of Northville north of Main St., is also seen as a growing area, with a maximum of 450 new dwellings and a probable 250.

Area 1, which is the southern half of the city, is seen as already virtually built up. The committee feels that both the probable and the maximum number of new dwellings in this area will be only 50 during the coming 10 years. The reason, Shafer said, is that there are only a few vacant building lots available.

Shafer's committee has made no attempt to forecast the increase in population of the various districts comprising the Novi area.

### FORECAST OF NEW DWELLINGS IN DISTRICT BY 1965

The following table was presented as a forecast of the number of new dwellings that will be constructed in the present Northville School District during the coming 10 years. The committee has also estimated, based upon its present knowledge of subdividing plans in various areas, how many children there will be per dwelling in each of the eight areas into which the district has been arbitrarily divided. By multiplying the "guessed" number of children per family by the prospective number of new dwellings, and subtracting the probable number of children who will be under five years of age, it arrived at the projected "probable" increase of 2400 in the number of school pupils. Using the committee's estimate of the maximum number of new dwellings and the number of children per dwelling, the Record arrived at its maximum figure of 3100 pupils.

	New Dwellings				Estimated No. Children Per Dwelling
	Estimated Minimum	Estimated Maximum	Estimated Probable	Estimated No. Children Per Dwelling	
Area 1	25	50	50	1	1
Area 2	100	450	250	1	1
Area 3	150	600	350	2	2
Area 4	40	100	65	1.5	1.5
Area 5	100	300	150	1	1
Area 6	10	50	25	2	2
Area 7	4	20	10	2	2
Chapman	50	300	150	1	1

### Friday, Saturday Set for Rotary's Rummage Sale

Plans for their annual rummage sale and a talk by Rotary's new district governor, Fred Rollins, Jr., highlighted the Northville Rotary club's Tuesday meeting.

The rummage sale, which is being held beneath the grandstands at Northville Downs, will last two days, Sept. 30 and Oct. 1. The sale will continue from 9 a.m. until 9 p.m. each day, according to Wally Westerfield, chairman.

Rollins, the new district governor for the 39 Rotary clubs in this area, spoke of his experiences at the governors' conference at Lake Placid, N.Y. and the 50th

anniversary convention immediately following in Chicago. He outlined the organization's plans and objectives for the next 50 years.

Food, clothing, building materials, toys, appliances and tires are just a few of the items that will be available at the rummage sale, Westerfield said.

A piano has been donated by one of the members, Al Jones, while another member, piano technician George Lockhart, has volunteered his services in tuning and reconditioning the piano for any prospective buyer. This, Westerfield said, is just one of the many bargains available at the Friday and Saturday sale.

A lunch counter will be set up on the grounds and there will be plenty of free parking space. Any last minute donations of saleable items, large or small, may be made by calling 1405-J2 or 1123-M, Westerfield said.

## Tidwell - Dahlager Wedding Held in Home Garden Setting

Mr. and Mrs. Stanley Dahlager

The flower garden of the bridegroom's parents, Mr. and Mrs. Noble Dahlager, 839 Grace St., formed the setting for the wedding of Hester Jeannine Tidwell and Stanley James Dahlager at two in the afternoon Sept. 3.

Hester, the daughter of Mr. and Mrs. James David Tidwell of 589 Starkweather Ave., Plymouth, wore a chapel length gown of illusion tulle over taffeta. The bodice featured a victorian neckline and was trimmed with chantilly lace and seed pearls. Her French imported headpiece secured a fingertip veil. Stephanotis, ivy and a white orchid formed her bouquet.

The bride was given in marriage by her father, Rev. David L. Rieder of the First Baptist church in Plymouth read the marriage service.

Louvinia Ann Tidwell was the maid of honor and was gowned in a maize yellow ballerina-length, frock of chiffon over taffeta with picture hat of tulle and ribbon. She carried Fuji mums of yellow, gold and amber with hanging ivy. Bridesmaids were Jean McAllister, Jane Lane, Norma Burnette and Shelve Bizwell, and all wore identical ballerina-length gowns of chiffon over taffeta with matching picture hats. Two gowns were in avocado green and two in honey beige. All attendants carried cascade bouquets of Fuji mums with ivy.

David Tidwell and Charlotte Reimann served as ring bearers. David wore a tuxedo and Charlotte a floor-length dress of chiffon. Both carried satin pillows with lace trim. Linda Reimann was flower girl and wore a floor-length chiffon frock with matching hat. She carried a basket of mum petals.

Rod Dahlager acted as best man. Ushers were Kenneth Myers, Thomas Campbell, Larry Burnette and Ted Masters.

Mrs. Tidwell chose a gown of honey beige-chiffon over pink taffeta for her daughter's wedding. Mrs. Dahlager wore a gown of light blue lace over taffeta with seed pearl bodice and dark blue accessories.

A reception for 200 guests was held in the First Baptist church parlors in Plymouth. Out-of-state guests came from Wisconsin, Minnesota and Tennessee.

For the wedding trip to the Smoky mountains in Tennessee, Chattanooga and Union City, Tenn., Mrs. Dahlager wore a two-piece blue suit with black accessories.

Stanley was graduated from Northville high school in 1952 and Hester was graduated from Plymouth high school in 1954. They are residing at 744 Thayer Blvd., Northville.

## Showers Honor Bride-To-Be

Showers are raining down on Eileen Shoch, whose marriage to Richard Lane of Wayne, will be solemnized Saturday.

On Sept. 21 Eileen was honored with a miscellaneous shower given by Mrs. Eleanor Dethloff of High St. There were 16 guests present and after Eileen opened her presents, games were played and luncheon served. Co-hostesses were Shirley Dethloff and Patricia Schoch.

Monday, Mrs. Richard Earehart and Mrs. Jerry Nowland invited 15 guests for another miscellaneous shower for Eileen.

## Brown-Dayton Wedding Set for October

Mr. and Mrs. Walford Brown of Chubb Rd. announce the engagement of their daughter, Janice

JANICE BROWN

Marie, to Robert E. Dayton, son of Mr. and Mrs. Acel Dayton of Baseline Rd.

The couple, both graduates of Northville High school, plan to be married in October.

## U. S. Stamp Sale Resumed for Year

The sale of United States Savings stamps was resumed in the Northville schools Thursday, Sept. 22 and will continue every Thursday morning throughout the school year. The project is sponsored by the Lloyd H. Green Unit 147, American Legion.

Mrs. Claude Ely and Mrs. Merrill Sweet are co-chairmen for the sale of stamps. Serving in the various schools will be Mrs. Claude Ely, high school; Mrs. May Winter, Mrs. Emma Reed, Mrs. Richard Kerr and Mrs. Donald Severance, Main St. grade school; Mrs. Merrill Sweet, Mrs. Stuart Thomson and Mrs. Jim Green will sell in the Russell Amerman school on Center St.

Parents of the afternoon kindergarten children are asked to send their money on Wednesday afternoons, thereby eliminating additional workers on Thursday afternoon.

## Woman's Club To Hold Luncheon Meeting Oct. 7

The Northville Woman's club will hold a luncheon at the Oakland Hills Country club Oct. 7 to start its fall series of meetings. Guest speaker for the occasion will be Howard Hallas, director of Public Relations for American Motors Corp.

Hallas is both an excellent speaker and a public relations man of high standing in Detroit, where he served last year as president of the Detroit chapter, Public Relations Society of America. He was closely associated with the financing of U. of M.'s Phoenix project, and especially with the corporate gifts portion of the fund raising campaign.

The luncheon meeting of the Woman's club is traditionally the big event of the year and is the occasion on which many members bring guests.

## News About Salem

YOUR CORRESPONDENT — MRS. CARLETON HARDESTY  
PHONE NORTHVILLE 1410-M11

The Salem fire department was called to a house fire at the McCarthy brothers home on Brookville Rd. Plymouth was called to bring their Scott air pack and they responded immediately.

Mr. and Mrs. Edward Lynn of Grand Rapids spent the week end at the Herbert Famuliner home. Mr. and Mrs. Dean Hardesty were Sunday dinner guests at the home of Mr. and Mrs. Elmer Bennett.

Mrs. Hardy returned to Texas after spending the summer with her daughter, Mrs. Wm. Kelly.

Mrs. Herbert Famuliner, Mrs. Eleanor Tanner, Mrs. Carleton Hardesty, Mrs. Clyde Hodgson and Mrs. William Clay attended the officers training class for extension in Ann Arbor Monday.

The Federated Ladies Aid met at the home of Mrs. Raymond Lewis with 40 present last Thursday.

Carleton Hardesty and Calvin Wheeler attended the football game at Ann Arbor Saturday.

Mrs. Eleanor Tanner and son, Jim, and daughter, Sharon, spent Sunday at the home of Mrs. Ray Clark in Monroe.

Mr. and Mrs. Gilbert Alter spent Saturday evening at a family party at the home of Mr. and Mrs. Raymond Alter in Lincoln Park.

Mr. and Mrs. Dean Hardesty and children spent Sunday evening at the home of Mrs. Alta Opdycke.

Mr. and Mrs. C. J. Hardesty and sons, Ronald and David and Mr. and Mrs. Raymond Kelly and daughter, Lea, went to Lansing Sunday.

Mrs. Fred Varren held a luncheon Friday honoring Mrs. George Brown who is leaving for Japan Oct. 13.

Mrs. C. L. Wheeler visited her sister, Rev. and Mrs. M. F. Early at Lansing.

Mr. and Mrs. W. G. Wheeler were Sunday dinner guests at the A. C. Wheeler home.

Mrs. William Bock, as a representative of the Worden's Farm Bureau, together with Mrs. J. Lutchka, attended the Washtenaw Farm Bureau Women's district meeting at Stoney Creek Methodist church last Thursday. Election of officers followed a pot-luck luncheon. Mrs. L. Price gave a very interesting talk about the various duties and activities of the Washtenaw County Health Dept.

## Elementary School Hours Changed To Lighten Bus Load

In order to alleviate the congested bus schedules and to shorten the lunch period which has proved to be too long, the time schedule for elementary grades in both the Amerman and Main street buildings will be changed. The new schedule will become effective Monday, Oct. 3.

Under the new plan ALL students (high school and elementary) will start school at the usual time (8:30 a.m.) but the afternoon session for elementary school children will commence at 12:40 p.m. instead of the present time. Kindergarten through third grade will be dismissed at 3 p.m. while grades four through six will be dismissed at 3:25 p.m.

Parents of kindergarten children involved in noon transportation are being notified individually. In cases where other bus changes are made, notice of these changes will be made by the school through the teachers and children.

## Morse Champion At Edgewood Club

Bob Morse of Brader's Dept. store, won the club championship of Edgewood Country club Thursday, Sept. 22.

It was an exciting match all the way. Bob had his opponent three down at the end of 18 holes, but he had putter trouble on the next nine holes and they were all even at the end of 27 holes.

But, Bob, grand competitor that he is, bounced back to take his opponent on the final nine holes and won four and three for the 36 holes.

Now showing through Friday — Jack Hankins — Joan Collins  
"LAND OF THE PHAROHS" (Cinemascope, Color) Shows 7-9

Shows 3-5-7-9

Sun., Mon., Tues. — Marilyn Monroe — Tom Ewell in  
"SEVEN YEAR ITCH" (Cinemascope and Color)  
Shows Sun. 3-5-7-9 Mon., Tues. 7-9

Starts Wednesday, Oct. 5—"WE'RE NO ANGELS"

The art study group of the American Assn. of University Women, Plymouth branch, met at the home of Mrs. William Bock Thursday to discuss plans for the Christmas program which will be presented at the general December meeting. Refreshments were served by the hostess after the discussion.

Don't forget the free chest x-ray will be Oct. 31 at the Salem Fire hall from 2 to 8 p.m.

## Salem Federated Church Sets New Sunday School Mark

New Sunday School attendance records have been set at the Salem Federated church on each of the past two Sundays and interest continues to run high, our

Salem correspondent, Mrs. Carleton Hardesty, reports.

On Sunday, Sept. 18 there were 160 in attendance, or seven more than the previous record of 153 established approximately a year ago. Last Sunday, Sept. 25, which was Parents Day and Rally Day, Sunday School attendance mounted to 202 and there were 163 present at the morning worship service.

The church has established a building fund for the purpose of installing bathrooms, improving Sunday School facilities, and any other future improvements found to be necessary. A goal of \$1000 has been set, to be reached by Dec. 1. Funds will be raised for this project only through the offerings of those who see the need and have a desire to have a part in it.

The last Sunday of every month has been declared Building Fund Sunday, at which service a special offering will be taken for this purpose. On Sunday, Sept. 25, the first Building Fund Sunday, this special offering totaled \$216. The church extends a cordial invitation to all in our area who would like to worship at its services.

Mr. and Mrs. George McCollum, 45700 Eleven Mile Rd., spent part of their vacation at Sun Valley while on a western trip this month. They returned home Sept. 19 and George is now back at his job behind the prescription counter at Gussell's drug store.

## News Around Northville

Mr. and Mrs. Earl Collins and three children will move to 370 Park View Dr., Plymouth, on Thursday. They formerly resided at 776 N. Center in Northville.

Mr. and Mrs. Richard Earehart spent last week end at Rifle lake with Mrs. Earehart's parents, Mr. and Mrs. Elmer DeKay.

Russell Amerman, Eural Clark and Mrs. Harry F. Wagenschutz attended the dinner meeting of the Wayne County Board of Education in Wayne Monday night.

Cliff Hill is a patient in Mt. Sinai hospital in Detroit suffering from an infected arm.

Mrs. Mark Gardner and Mrs. John Burkman attended the Piety Hill antique show in Birmingham Wednesday.

Mr. and Mrs. Harry Wagenschutz and Mr. and Mrs. Harold Bloom are leaving this week for their annual hunting trip. They will spend one week at the Wagenschutz cottage at Rifle lake and the second week at the Bloom cottage on St. Joseph's island, Ontario.

Gail Matzen

Mr. and Mrs. Donald Matzen of 21937 Novi Rd. announce the engagement of their daughter Gail, to Dean Niedernhofer, son of Mr. and Mrs. Niedernhofer of Alton, Ill.

Gail was graduated from Northville High school in 1952 and attended Monticello college in Illinois and Northwestern university School of Medical Technology at Wesley Memorial hospital in Chicago. She is employed at Northville State hospital at the present time as a medical technologist.

Dean is a graduate of Washington university in St. Louis and at present is a graduate student in Chrysler Institute of Engineering. The young couple will be wed Nov. 26 at the First Presbyterian church in Northville.

## News Around Northville

Mr. and Mrs. Facknitz and two older children, Ann and Mark, flew to Philadelphia Wednesday for a few days visit there and in New York City.

Mr. and Mrs. Andy Orphan returned this week from a trip through the Upper Peninsula where they visited the Porcupine mountains. They reported the fall colorings in the forests were at their best around Marquette and Negaunee and are hoping their colored movies will be successful.

Mr. and Mrs. William B. Petz of 40125 Stoneleigh, announce the arrival of Jennifer, born Sept. 21 at Beyer Memorial hospital in Ypsilanti. The baby weighed five pounds, eight ounces and she has two sisters and two brothers.

Mr. and Mrs. Joseph Kirkey and son, Jimmy, visited the Emerson Rutans Sunday. The Kirkeys, who resided at 872 Carpenter, moved to Lansing last July.

Mrs. Jean McQueen and son, Russell, Mrs. Othal Baggett, Ronnie and Darlene, and Miss Vera Lute visited the zoo in Toledo Saturday.

Mrs. W. S. Dunn, formerly of Northville, notified the Record that she is spending several weeks with her parents, Mr. and Mrs. C. Chauncey of Soddy, Tenn. The Chauncys recently celebrated their 70th wedding anniversary.

Mr. and Mrs. Donald Bergman of E. Cady St. (Lucille Morse), announce the birth of Pamela Jo, born Sept. 17 in Mt. Carmel hospital. The baby weighed five pounds, 15 ounces.

Mrs. William Horsfall of Horton St. just returned from a two weeks visit with friends and relatives in Bay City and Saginaw.

Mr. and Mrs. Charles Lapham of E. Main St. are the proud parents of a daughter named Terry Lynn. The baby weighed seven pounds, seven ounces and was born in William Beaumont hospital, Royal Oak. Mrs. Lapham was formerly Maxine Clark.

Mr. and Mrs. R. G. Nelson of Napier Rd. are spending the week at Winnepeg. Linda Nelson is a guest of the Howard Meyer family during her parents' absence.

Mrs. Edna Drews of San Diego, Calif. returns Thursday to California after a three weeks visit with her brother, Ralph Foreman.

Mrs. Drews formerly lived in Northville. Her daughter and husband, Mr. and Mrs. Morris Pearl of El Cajon, Calif. expect to arrive in Northville a week from Sunday to visit in Northville.

Mr. and Mrs. Parker Holden returned last week from a three weeks vacation in Kingsville, Ont. Their son-in-law, daughter and grandson, Mr. and Mrs. Richard Hackett and Richard Holden of Jackson spent a week with them at Kingsville.

Mr. and Mrs. J. F. Green of Cady St. attended the opening of Lebanon Raceway in Ohio last week end.

Mr. and Mrs. William Bailey of Cady St. were co-hosts with Mr. and Mrs. Harter of Livonia for a barbecue at their home Saturday night. Thirty-five men and boys from the Church of God in Livonia attended the affair.

Several members of the Michigan branch of the National Farm and Garden Assn. attended a council meeting at the Union building in East Lansing Thursday.

### King's Daughters Plan Two Events

The King's Daughters will open their fall season with a "Fall Spread" meeting Oct. 18 at the home of Mrs. Charles Conklin, 321 N. Center.

Luncheon will be served at 12:30 and members are requested to bring a passing dish and table service.

On Oct. 27, Mrs. William B. Walker, Jr. of Happy Acres Farm on E. Eight Mile Rd., will open her home to the King's Daughters' benefit card party. Dessert will be served at 12:30 with card games and table prizes following.

Tickets for the affair are \$1.50 and reservations may be made by calling Mrs. Paul Beard, 2874.

### Delores Teshka Elected Rainbow Worthy Advisor

The Northville Rainbow Assembly No. 29 installed Delores Teshka as Worthy Advisor for the coming term at their meeting on Sept. 27 at the Masonic Temple.

Other officers installed were Penny Niece, Genevieve McGee, Corrin Dickerson, Roberta Schroeder, Janice Dixon, Barbara Williams, Patty Willing, Beverly Stone, Lois Leavenworth, Judy Boyd, Nancy Frankland, Elsie Sedan, Barbara Mapes, Carole Lemmon, Janice Morgan and Ardith Robertson.

### Formality Faded At Saturday Tea

Mrs. H. Handorf was hostess for a hilarious "Come-as-you-are" tea Saturday afternoon at her home on Wing Ct.

Her guests arrived in all sorts of attire. Several were barefooted or in stocking feet, others were dressed in shorts, slacks, pajamas and slips. Pin curls were in evidence as well as heads wrapped in towels and scarves. A few of the guests maintained their attitude of respect for a tea by wearing hats and white gloves with their shorts or slacks.

### Harriet Angel - Vernon Martin Wed September 23

Miss Harriet Angel, daughter of Mr. and Mrs. Earl Angel of Beck Rd., Novi township, and Vernon Howard Martin, son of Mr. and Mrs. Lonnie Audry Martin of Walled Lake, were quietly married Friday evening in the Methodist parsonage at Brighton with the Rev. J. M. McLucas of the Novi Methodist church reading the single ring ceremony.

The young couple were attended by the bridegroom's brother and sister-in-law, Mr. and Mrs. Lyndle Martin of Walled Lake.

After a short honeymoon the couple will reside at 1432 Oakshade Rd., Commerce, in their new home. Mr. Martin is employed by Russell Button, excavating contractor, of Novi.

### OLV Mothers' Club To Meet October 4

Mrs. Hugh S. Godfrey will preside at the Oct. 4 meeting of the Mothers' club of Our Lady of Victory school.

The meeting beginning at 8 p.m. will be held at the home of Mrs. Joseph J. Gill, 18855 Haggerty Rd. Arrangements will be handled by Mrs. Robert T. Flattery, Jr., Mrs. Roy Flavin, Mrs. Herman Hartner, Jr., Mrs. Robert

Hester and Mrs. Dwight H. Grayson.

Mrs. Godfrey, as first vice-president, takes over the duties of Mrs. Robert G. Wetterstrom who will be vacationing with Dr. Wetterstrom in New York.

Success is just a good idea coupled with hard work.

An important point about stock car racing that may not have occurred to you:

**The safer car wins... and Chevrolet is the big winner**

Auto races aren't won by brute horsepower. Roadability, acceleration, precision steering and stamina—the very qualities that make a car safer for you—are the keys to victory on the track! And that's why Chevrolet is top car, by far, on the NASCAR (National Association for Stock Car Auto Racing) Sport Track circuit.

#### Faster acceleration means safer passing

Chevrolet's cannonball acceleration has punched past many a bigger car to victory. But the same blazing surge is a vital safety factor on the highway—one that can whisk you more safely around other cars and out of critical situations.

#### Easier, super accurate steering

Nimble is the word for Chevrolet. But you don't have to see them in action on a tight quarter-mile track

to judge how they make other cars seem clumsy. You can feel that yourself in the press of traffic, and sense the feather-light precision of Ball-Race steering in every curve. There's extra safety, too, in Glide-Ride front suspension that sops up the harshest bumps—that lets your car "keep its feet under it" for maximum traction on the roughest roads.

#### More stability on curves

Chevrolet's famous stability means money in the bank to the race driver—it lets him broadside through turns faster and smoother. But it means peace of mind to you on the road—more comfort in every curve and less body-roll with broad-based Outrigger rear springs, extra security if you have to swerve sharply to meet an emergency, a solid "one-piece" feel that is a delight to any driver.

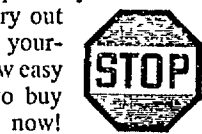

#### The ability to slow down and stop quickly and smoothly

Those big 11-inch brakes have averted many a disaster in the close-packed battle of racing. But they weren't designed for that; they were made to give you "heads-up" stops and extra stopping power in traffic, on mountain grades, on high-speed expressways. Competition has merely proved their margin of superiority!

Come in and try out this new winner yourself... and see how easy we're making it to buy a Chevrolet right now!

#### A growing list of Chevrolet victories in stock car competition

## "The Meanest Racket"

Almost every week the Northville Record receives classified advertisements from firms promising remunerative self-employment to anyone who will send \$1 or \$2 to the advertiser for "full information". Without exception we throw them in the waste basket because 99% of them are just a racket which might victimize some of our readers if we were to run them.

Assistant Postmaster D. J. Stark mailed us the following article last week. We reprint it because it expresses our sentiments exactly.

"One of the meanest confidence games in existence today is that which filches money from the aged man or woman living on a small fixed income.

"And yet, notes Chief Postal Inspector David H. Stephens, this is a racket that has been increasing by leaps and bounds as our national population grows older, and more and more citizens live on annuities or investment returns.

"One racket that has particularly alarmed postal inspectors is that which offers 'profitable work' to the pensioner, but which proves in the final analysis to be nothing but a scheme to defraud, Mr. Stephens noted.

"It seems logical to a pensioner, for example—particularly if he is laid up at home with a disability—that addressing advertising post cards would be a profitable 'at home' business.

"In some instances, though, where post card addressing at home 'for profit, etc.' is offered, it sends dollars into the hands of confidence men, not the pensioners.

"The system is simple. The confidence man inserts classified advertisements in newspapers and magazines throughout the country. The ad appears in the 'help wanted' columns, which would give the impression that the advertiser is in need of employees.

"The ad might read:

"Earn extra cash addressing post cards at home."

"This ad may go on to say that a \$1 fee is charged for 'instructions.' Unfortunates are taken in by the thousands.

"What they receive in the mail is not a job offer. It is a booklet listing the names of several well-known firms that do advertise though post card circulars.

"Then, the unfortunates check with the firms listed and find they already have an office staff employed to send out the cards.

"The person who sends in \$1 for such worthless tripe feels foolish and \$1 seems hardly enough to warrant a formal complaint, so the swindler goes his merry way."

## What 100 New Families Can Do To Your Town's Budget

What happens when a hundred new families arrive in a medium-sized city?

To begin with, it means about 450 new people, including 100 children, 67 in grammar school, 33 in high school. This calls for 2.2 new rooms in grade school and 1.65 new rooms in high school, which will cost about \$120,000. Four new teachers will have to be hired. The 100 families will add about \$30,000 a year to the school operating budget.

Besides teachers, the city will need four-fifths of a new employee in the police department and two-

thirds of a new fireman, upping the police budget by \$4,510 and the fire department budget by \$2,820. All sorts of extra jobs will have to be done from collecting taxes to collecting garbage. Add four new city employees at a total price of \$12,000 to \$15,000.

The water department must pump 10,000 gallons more each day. Traffic will be increased by 140 cars and trucks. And the city may have to add 500 new volumes to the city library, part of a visiting nurse, yes—a fraction of a cell in the town jail!—CHANGING TIMES.

## MICHIGAN MIRROR

A REPORT FROM THE CAPITOL

By Elmer White

POLITICIANS ARE SWAMPING soapboxes in Michigan as both parties stack their ammunition for 1956 campaigns.

Republicans, with a story for the working man, are going after the labor vote.

Democrats, prosperous with a full slate of incumbents in the capitol, are wooing the farmer.

The switch in emphasis will have an effect on the 1956 election, both sides claim. The new areas of campaigning are expected to make Michigan one of the hottest states in the drive for votes.

"We are going to show the laboring man that he has benefited from a Republican legislature," said Republican State Chairman John Feikens.

Democratic State Chairman Neil Staebler said the party is whipping together a "state farm program" to show normally Republican farmers that they would do well to vote the other way.

"The Republicans are driving the family off the farm with their agricultural policies," he said. "Corporations are buying the land as business enterprises."

Both parties conducted spirited voter registration campaigns in September.

Democrats aimed a major campaign gun at the 80 percent farm parity, claiming President Eisenhower promised 100 percent.

Laboring folk in Detroit will be bombarded with the idea that Republicans in the legislature have increased workmen's and unemployment compensation benefits.

All this, while the guessing game reaches new peaks over who will be the candidates.

Feikens insists that Gov. Williams will go for a fifth consecutive term and President Eisenhower will try for his second four-year stay in the White House.

The governor, who has been mentioned as a Democratic presidential candidate, is silent on the thought but has done little to indicate which way he might go.

Democrats are patient, but some top party leaders figure it will be for a fifth term in Lansing.

Here's how they analyze it: Potential candidates at Chicago next Aug. 13—except Gov. Williams—will be able to go into the convention, campaign for the nomination, and still hold a spot open back home.

Williams will have to make his decision before going to Chicago and it will have to be public, because the deadline with withdrawing from the gubernatorial race expires before Aug. 13.

Conceivably, Gov. Williams could be nominated for the presidency by Democrats and still be the candidate for governor in Michigan.

What would happen in that case is an interesting project for any attorney that happens to be in the mood for a night of contemplation.

Whatever is accomplished in the special session of the legislature in October will also have an influence on 1956.

The governor has called the legislature into special session to consider highway safety, care for mentally retarded children and a \$200 a year pay increase for 50,000 school teachers.

crease for teachers to their \$4,000 minimum wage plank.

Some teachers are working for relatively low wages in Michigan schools and poorer districts are hiring uncertified teachers regularly.

Party support for the tieup of the two issues died in a State Central Committee meeting.

Rep. John Penczak (D-Detroit) said he and others plumped for the \$4,000 annual wage floor in the last session of the legislature. He said:

"We took an awful beating. If you want the \$4,000 a year guarantee, you're going to have to send us more Democrats."

## Social Security Warning Issued

A considerable number of widows, young children, and aged parents of working people who died between June 1940 and September 1950 have failed to claim the monthly benefits payable to them under a 1954 change in the social security law, announced Harry Baltuck, manager of the Detroit-Northwest social security office. Those who do not apply for their benefits before Oct. 1, he pointed out, will not be able to receive benefits for all the months back to September 1954, the effective date of the new provision in the law.

Under this provision, it is now possible to pay monthly social security benefits to the qualified survivors of workers who died between June 1940 and September 1950 if the deceased wage earner had credit for as little as a year and a half work under social security. The families of many of these workers applied for benefits at the time of the family breadwinner's death, Mr.

Baltuck said, but were told that they could not receive payments because under the law, at that time, the worker had not earned enough social security credit to provide survivors benefits for his family.

Where a claim for social security benefits is filed within 12 months of the time a beneficiary is first eligible, his payments can be made to him retroactively for the whole period. Mr. Baltuck pointed out. But if a claim is delayed for more than 12 months, benefits for some months will be lost. He therefore urged the survivors of workers who died between June 1940 and September 1950 to get in touch with their nearest social security offices before Oct. 1, 1955. Qualified claimants who apply before that date can be paid benefits back to September 1954.

Monthly benefits under this provision may be paid to the aged widows of such workers who at the time of death had worked on jobs under social security for at least a year and a half—to surviving children under 18 years of age, and to their mothers. Where no widow or children survived the worker, payments can be made to his aged parents if he was providing their support.

The Detroit-Northwest social security office is located at 14600 Grand River, Detroit 27.

Let's take  
a walk around  
the NEW '56 FORD!

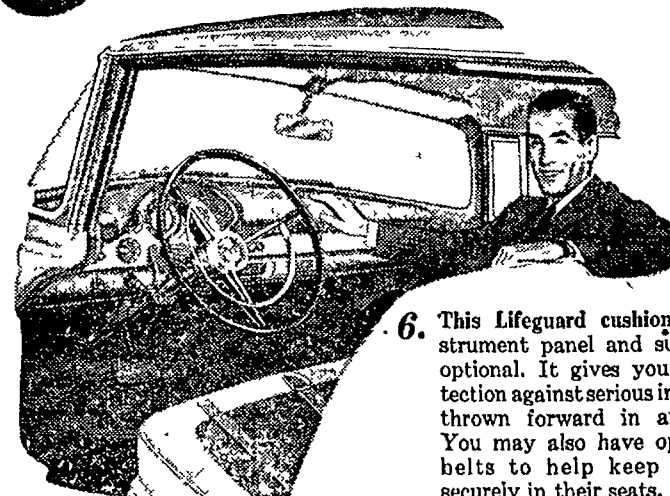

It's the fine car at half the fine car price!

3. Here's what you ride on. This frame has five cross-members including a K-bar member up front. It can take it! And Ford's Ball-Joint Front Suspension really blots out bumps.

5. Note the deep-center design of this new Lifeguard steering wheel. The wheel rim is over three inches above the post to help cushion the driver in case of an accident.

6. This Lifeguard cushioning for instrument panel and sun visors is optional. It gives you extra protection against serious injuries when thrown forward in an accident. You may also have optional seat belts to help keep occupants securely in their seats.

2. Here, on your left, is the inspiration for the styling of the '56 Ford—the famous Ford Thunderbird. You can see the similarity from any angle. Look at those broad, flat hoods, those visored headlights, for example. Here is styling that will stay in style.

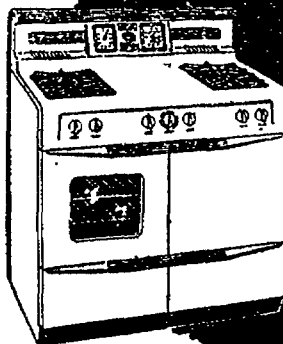

7. Here's Ford's new Lifeguard door latch. A double-grip locking engagement reduces the chance of doors springing open under impact. Chances of serious injury in accidents are less when passengers remain in the car.

Well, that covers the important points. But there's a lot more. So we'd like to invite you to come in and see the new '56 Ford for yourself. Then you'll see the colorful new exteriors and interiors, the quality workmanship that is evident everywhere. Then you'll learn the full story. You'll know that Ford is the fine car at half the fine car price.

## Saddle News

By Jane Hoyt  
GARfield 1-7625

The Mt. Clemens show was one of the best organized shows in the whole circuit. It was presented by the American Legion Post No. 4 at the old polo grounds. The women's auxiliary staffed the refreshment booth, and fed the multitude not only with hamburgers and hot dogs, but with home-made cooking.

The children were entertained with a merry-go-round, and other rides, and to top off the event the officials raffled a color TV. Carl Romig, a member of an old circus family, filled the intermissions with laughter and glee with his dog, donkey and pony act.

The officials of the show were given a great hand, not only for their splendid work, but for their time and effort, and were escorted into the ring in a fine two-seated surrey with the top down. It is extremely hard to find such a buggy in such good condition today.

Sandy Bortz won three firsts with her horse, Sweetheart, and fourth with "Lois Beaverkettle" in the three gaited stake. "Noble Cinnamon Sue" of the Don San stable won second and third in the three gaited stake. Sharon Smith won sixth in the stake class and third in the ladies' three gaited.

Sharon Horn on "Dr. Jubilee" won the western parade class. This is a black gelding, and the rider was dressed in black velvet. The only color was a red plume on the pole of the horse.

Mr. Wallace showed "Mountain Breeze" and "Invitation," and won second and third with his new gelding. This is remarkable as this horse has only been in training three weeks.

Eleanor Petterson from Tree Haven won fourth, third and second in the five gaited classes on "Gray Sensation". Zisha Heinrich on "Our Prediction" won third in the ladies five gaited.

In the fine harness stake class, Dr. Elrod's "Sara Beaverkettle" won first, and "Power Glide" from the don San stable won second.

The Tennessee Walking horse stake was won by "Daughter of Champion" owned by the Benj. Westfall farms, and was ridden by Jimmy Casson.

The Morgan horse halter class stake was won by "Star Hawk" and received the Walter Rheda Kane Grand Champion trophy.

"King's Captain Dare" owned by Claude LaVasseur was retired from the show ring as Mr. LaVasseur rode the horse Mr. Casson told of its long show record, and what a wonderful heart and willingness the horse possessed. It was a part of a show that is seldom viewed.

## Masons To Confer F. C. Degree Oct. 3

The Past Masters of Northville Masonic Lodge No. 185 will confer an F.C. degree Monday, Oct. 3 at 7:30 p.m.

Reservations for the dinner, which will be served at 6:45, must be in by Sept. 29, and may be made by calling the secretary, Robert Coolman, or William Monroe.

## Library Hours Changed for Fall

A change in hours of the Northville Library was announced this week by Librarian Mrs. H. Wilcox. Beginning Oct. 7, the library will be closed on Fridays until further notice. Hours will be 11:30 to 8 Monday through Thursday and Saturday, 9 to 6.

## Obituaries

### WILLIAM REYNOLDS

William Reynolds, a resident of Northville for 47 years, died in Sessions hospital Sept. 25 at the age of 88. His parents were John and Mary and he was born in Inkster Aug. 30, 1887.

Funeral services were held last Tuesday at the Casterline Funeral home with the Rev. Ivan E. Hodgson officiating. Burial was in Rural Hill cemetery.

Mr. Reynolds is survived by a nephew, Harold Menthew of Northville, and two sisters, Mrs. Margaret Smith of Dearborn and Mrs. Elizabeth Bell of Long Beach, Calif. He lived in his home on 512 Baseline Rd. He retired from the Ford factory about 14 years ago and had been employed by the Village of Northville from then until the time of his death.

### SAMUEL BENJAMIN

Prayer service was held Sunday at the Casterline Funeral home for Samuel Benjamin, 1811 E. Walled Lake Dr., Walled Lake. He died Sept. 25 at the age of 73. He was born in Chicago, Ill.

A daughter, Mrs. Emma Goldberg of Elk City, Mo. survives. Mr. Benjamin, who was employed for 37 years by Fred W. Pearce who owns and manages amusement parks, managed the park at Walled Lake.

The body was shipped to Kansas City, Mo. for burial.

### HARRY CLEMENS

Services for Harry Clemens, who lived on 8810 Six Mile Rd., Salem, for the past ten years, were held at the Casterline Fu-

neral home Wednesday. Rev. Richard Burgess of the Salem Congregational church officiated.

Mr. Clemens died Saturday in Alpena General hospital of injuries sustained in an automobile accident. He was 71 years of age and was born in Clarksville, Mich. His parents were Samuel and Nellie.

Surviving are a son, Elmo, of Northville, and Samuel of Mason; three daughters, Mrs. Betty Baarlaer of Alpena, Mrs. Nellie O'Loane of Howell and Mrs. Lucena Reid of Seattle, Wash., and a brother, George, of Flint. There are 12 grandchildren.

Burial will be in Clarksville cemetery Thursday at 1:30.

### GEORGE MILNE

Services were held Saturday at the Casterline Funeral home for George Milne who died at Glenbrook Convalescent home in Livonia Sept. 22. He was 81 years of age and was born in Aberdeen-shire, Scotland Aug. 5, 1874. His parents were Andrew and Margaret.

He is survived by one son, Alex F., of 36 Wiltshire Dr., Avondale Estates, Ga.

The Rev. John O. Taxis officiated and burial was in Rural Hill cemetery. Lodge No. 182, F.&A.M. held graveside services. Milne was a member of the Northville chapter of the Masonic lodge and of the Presbyterian church and had lived in Northville since 1917. He was a retired Ford Motor Co. employee.

### MRS. VELMA MACK

Mrs. Velma Mack died in University of Michigan hospital Monday, Sept. 26 at the age of 53. Her parents were William and Agnes Hobbs and she was born in Redford June 16, 1902.

Funeral services were held last

## Northville Baseball Team Wins Inter-County League Championship

The Northville baseball team beat Plymouth 6 to 1 this week in the final match of a five game play-off and by so doing became 1955 champions of the Inter-County League.

The team had been runner-up for the league championship in 1953 and 1954.

Other teams in the league are Grandale Merchants, Wayne Merchants, Ralph Ellsworth Garden City, Allen Park Merchants, Lincoln Park Merchants, Wallaceville Merchants, Wayne Dietrich Buick and Ypsilanti.

Northville went into the play-off with a record of nine wins and nine losses, but in a sharp reversal of form won four out of five games in the final series. There were five teams in the play-off series.

Manager Steve Folino pointed out that the local team lost two valuable players just prior to the play-off series. Seventeen-year-old Walter Messina was signed by the

New York Yankees and Johnny Matsook, former Michigan State ball player, went to the Cleveland Browns professional football team.

The Northville club roster included Ben Aquisto, catcher; Ray Heiniger, first base; Bob Turey, second base; Frank Maria, third base; D. Mana, short stop; T. Venditti, left field; Norm N. Mergelski, center field; Ted Nix,

THE NORTHVILLE RECORD—Thursday, September 29, 1955—5

right field and Bob Durue, John Trujillo, Walter Shy, Lee Vandeetti, pitchers. Folino worked as utility outfielder as well as manager.

Heiniger formerly played in the minors for the Chicago White Sox and Mergelski with the Brooklyn Dodgers.

Sponsors of the Northville team this year were Brader's Department Store, Turnbull Electric, John Poulos, Northville Bar, Ramsey Bar, Schrader's Furniture, Ely Coal and Fuel Oil, Cav-

### CARD OF THANKS

I wish to thank my neighbors and friends for their kindness during my recent stay at University Hospital.

Fern Peck

A mortgage may be necessary at times, but one's conscience should be kept unencumbered.

You'll marvel at the ease and simplicity of PLYMOUTH'S PUSH-BUTTON DRIVING. Coming to the lowest-price field for the first time OCTOBER 21.

## State Farmers Can Get Free Trees

Lansing, Sept. 21 — Southern Michigan farm operators desiring free trees and shrubs under the state's farm game habitat program can apply now by dropping a card to the Conservation Department's game division at Lansing 26.

About 1,333,000 trees and shrubs will be shipped in late October to farmers who asked for the plantings earlier this year.

Hunters pay for the stock to provide more food and cover for small game in southern Michigan. The money comes from taxes on hunting equipment, distributed under the Pittman - Robertson program.

Farmers gain by getting trees for field windbreaks, multiflora rose for "living fences", and other erosion-stopping plantings. After planting, farmers are not obligated to let hunters use their lands.

To date, more than 4500 southern Michigan farms have made use of the programs.

Farmers do their own planting

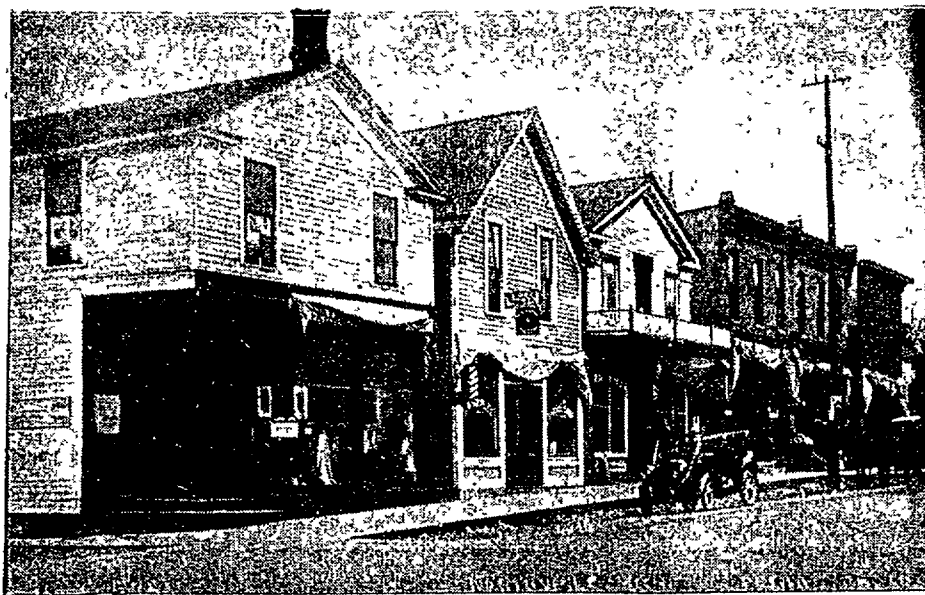

under the program, but state workers help with plans and planting advice wherever desired.

The program is limited to farms in general below the Bay City-Muskegon line.

## NROTC Examination Is Set for Dec. 10

The tenth annual competitive examination for high school seniors who desire to attend college and train for careers as Naval officers will be held throughout the nation Dec. 10, the Navy announced today. Applications for the NROTC are now available at all high schools, colleges and U.S. Navy recruiting stations. They must be submitted by Nov. 19.

Successful candidates will start their Naval careers in colleges and universities across the country in 1956, with substantial financial assistance from the government. After a normal college education, graduates will be commissioned in the Regular Navy or Marine Corps, for active duty with the Fleet throughout the world.

This old-time picture of downtown Northville was taken about 1910, according to Mrs. George Dixon, 401 Yerkes Ave., who loaned it to the Record for publication. It shows the stores on the west side of N. Center St. The building at the corner, where the Record office is now located, was occupied by the Wm. Gorton men's clothing store. Next is John McCullough's cobbling shop and above Allen's tailor shop,

which was operated by Curley Allen's father. The third building is the old DUR waiting room and a confectionery store; above, Lyman Ball's photography studio. The fourth building was the home of Schrader Bros. furniture and Parson's grocery. The last building in the row was Miss Bove's ladies store. The Record will be glad to publish any pictures of old Northville and will appreciate having them sent in.

## Imagine Beavers Big as Bears!!!

The Giant Beaver, who lived in Michigan ten thousand years ago at the end of the Ice Age, was as large as the modern black bear, according to University of Michigan geologist Russell C. Hussey.

How the prehistoric forest must have reverberated when he slapped his tail! Plainly the beaver that toils in Michigan today would have been no match for that giant creature.

The house of one of these oversized beavers measured nine feet across.

"The Giant Beaver was just one of an amazing assemblage of animals, completely unknown to our state today, which came to live here with the return of the forests and grass lands after the ice retreated," he states.

"Skeletons of the Woolly Mammoth have been found in Michigan and the condition of the bones indicates that they are only a few thousand years old. This elephant came to North America by way of a land bridge that connected Siberia and Alaska. He was well equipped to withstand low temperatures since he was protected by a heavy growth of woolly hair next to the skin and several inches of fat just beneath his shaggy hide," Professor Hussey says.

"Skeletons of the American Mastodon are more common here than are those of the Mammoth. They have been found in a number of places throughout the state commonly in swamps, and buried to depths of only a few feet," he states.

An unusually well preserved skeleton, found near the town of Owosso, has been mounted in a standing position in the U-M Museum and is one of the University's finest and most spectacular exhibits.

The professors calls attention to the fact that many of the Mastodon bones from the swamps of Michigan are so recent and fresh that they will contain some of the original organic material, and even pieces of cartilage are found fastened to certain parts of the skeleton.

"Such discoveries mean that Mastodons survived in our state until comparatively recent times, and they must have been common all through the forests of Michigan. But nobody has been able to explain why the elephants and mastodons survived the worst conditions of the Ice Age and then, when living conditions were apparently getting better, disappeared completely from North America."

Describing still another animal,

now vanished from the scene, Professor Hussey remarks that the Musk Ox lives today in Greenland and the northernmost parts of Canada. "When the great glacier occupied most of the Canadian region these animals were forced to retreat southward before the slowly advancing ice front and then when the climate grew warmer, they migrated northward, since their natural habitat was in the colder parts of the continent. Skulls of the musk ox have been found in Michigan and there is a well preserved skull of one of these animals in the University Museum."

"Some of these long-vanished animals may have been seen by the advance guard of Indians who once lived in this region. But they are all gone today and the cause of their disappearance is a profound mystery," Professor Hussey concludes.

## U.S. Eating Habits Show Big Change

Today's average American eats about the same amount of food, measured in pounds, as an average American ate 50 years ago. But the kind of food he eats is the big change.

According to research done by the U.S. Department of Agriculture, there were increases in dairy products (except butter), eggs, meats, fish, poultry, citrus fruits, tomatoes, vegetable (leafy, green and yellow) and sugars and sirups. In contrast only half as many potatoes and sweet potatoes and half as much flour and corn meal are eaten now as compared to 1909.

Increases in the eating of fresh fruits and vegetables is probably due to the advances in transportation, refrigeration, merchandising and geography of production. Fifty years ago available food changed with the seasons because perishables had to come from nearby due to slow transportation.

It seems today's average American has replaced the high calorie counts of potatoes with those of fats. Although the food supply today is eight per cent lower in calories, a large portion of the calories comes from the use of fats and oils in salads and cooking and from the so-called invisible fats in whole-milk dairy products, meat, poultry and fish.

More of the carbohydrate supply comes from sugars and less from potatoes and grain foods. And, the report continues, many

## Paralyzed Wayne Graduate Enters Medical School

Nick Kobane, 37, paraplegic February graduate of Wayne university, began a new phase of his educational career recently by enrolling in the university's college of medicine and attending classes in his wheel chair.

Nick, a patient at Detroit's Receiving hospital for 17 years, was mistaken for a thief and accidentally shot down by a policeman. He is paralyzed from the chest down.

Nick graduated earlier this year with a bachelor of arts degree from Wayne. He was an honor student in chemistry.

Ten Detroit businessmen took an interest in Kobane and formed the Nick Kobane club. They have spent \$21,000 financing his undergraduate education, which took him seven years to complete.

Admittance to Wayne's medical school is the next step toward fulfilling Kobane's dream of becoming a doctor. Inspiration, according to Nick, came from his friends on the staff of Receiving hospital.

"If determination will do it," Nick said, "I will win myself a degree in medicine. I don't know how long it will take, but I'm going to try."

## St. John's Names Advisory Committee

The Rev. David T. Davies, rector of Saint John's Episcopal church in Plymouth, announced this week the selection of an advisory committee which is to serve on the Building Fund campaign in October.

Frank Henderson, senior warden, is chairman of this committee. The other members are J. W. Cheetham of Northville, Henry J. Christensen, Lewis H. Goddard, Dr. John F. Vos and Robert D. Willoughby. Mr. Davies is an ex-officio member of the committee.

It is intended that the canvassing of members of the parish will take place on Sunday afternoon and evening Oct. 23. All services on that Sunday will be devoted to developing spiritual values of the building fund drive.

of the diet changes are shifts from the lower priced to the higher priced foods. Some of these higher prices result from increased processing of many foods. Even though they are more costly, they save the homemaker many long hours in the kitchen.

## Women's Dorm. for Alma College

Dr. John Stanley Harker, president of Alma college, announced today that a contract for the construction of a new women's residence hall costing approximately \$800,000 has been awarded to the Miller-Davis Co. of Kalamazoo. The new residence hall will house 207 women students. The building includes also four meeting rooms for sororities, a large lounge, small lounges on each floor, a recreation room, a small infirmary, and guest rooms. The building is scheduled to be completed by Sept. 1, 1956.

The fund for the new women's residence hall was initiated by the college board of trustees. The gifts of trustees, individuals and foundations totals \$500,000 to date. The college will continue its campaign with the expectation that it will be possible to open the new building debt free next September.

## More Students Off To College

Added to the list of Northville young people attending college printed in the Record last week are Carol Ann Sparling, Mt. Pleasant; Nancy Littell, Carleton college, Minn.; Dick Gray and Arlene Nelson, Mich. State Normal, Ypsilanti; Bob Heslip, St. Benedict's college in Atchison, Kans.; Bob Freydl, Mr. and Mrs. John Poulos, Nancy Dewsbury, Tom Heslip, David Lee, Bob Pullen, Michigan State university; Conrad Burkman, Cleary college, Ypsilanti; Ruth Pullen, Detroit Business school.

## 730,000 Hunters Seen This Year

Lansing, Sept. 28 — An estimated 730,000 hunters will go to Michigan's fields and forests this year for the annual small game seasons, some of which open on Oct. 1.

Conservation Dept. leaders expect most hunting on the Saturday opening will be for waterfowl, ruffed grouse and deer by archery. A number of lesser seasons gets under way that day, but most generally draw only incidental hunting.

The important southern Michigan pheasant, squirrel and rabbit seasons don't start until Oct. 20, but all three species may be hunted in limited northern areas starting Oct. 1.

Raccoon hunting also starts in

the north country Oct. 1, but in the south, baying hounds and midnight hunts under harvest moons won't get under way until Oct. 20.

Waterfowling will depend pretty much on the weather—as usual—and duck hunting devotees prefer cold, blustery, gusty days for their sport.

All the state's 4000 license dealers—hardware stores, sporting goods shops and farm stores—have been supplied with licenses, duck stamps, Game Law Digests and other information on hunters. The Digest gives details of all season regulations.

Usually the man who inherits a barrel of money starts right out to whoop it up.

## Contract To Pave 10 Streets Let

The A & A Asphalt Co. was awarded the contract for paving 10 city streets this fall by the City Commission at a special meeting Monday evening. The price quoted was \$20,790.

The streets to be paved are Oakland, Rouge, Novi, Carpenter, Grace, Lake, Rayson, N. Rogers, Dubuar and Linden.

## Amerman Retires As Crippled Children Society Director

School Superintendent Russell H. Amerman this week attended his last meeting as director of the Wayne Out-county chapter, Michigan Society for Crippled Children and Adults. He has been active in the Society's affairs and a director for 16 years, during eight of which he also served as treasurer. He has been vice-president during the past year. Because of previous long service and pressure of business, he tendered his resignation as a director some time ago.

## More Homes Scheduled for Willowbrook Area

Sixty-five new building permits were recently issued for construction of residential homes in Willowbrook Village, according to township officials.

The homes, which will be located on both sides of Ten Mile Rd., will be of contemporary design similar to the houses which were recently built.

B. L. Smokler of Detroit is the builder and Paul LeBost will continue to handle sales and property development in the area, it was announced.

The majority of the new homes will be built immediately south of the present Willowbrook Estates Subdivision No. 2. Approximately 48 permits have been issued for this area and several houses were already well under construction early this week. Veterans Administration financing will be available for these homes, according to Carson Hollingsworth, vice-president of the LeBost Construction Co.

Seventeen permits have been granted on the north side of Ten Mile Rd., the houses to be built on remaining vacant land in the area. They will conform, in size and style, to the existing homes in that area. Prior to the issuance of these permits, 61 dwellings had been built.

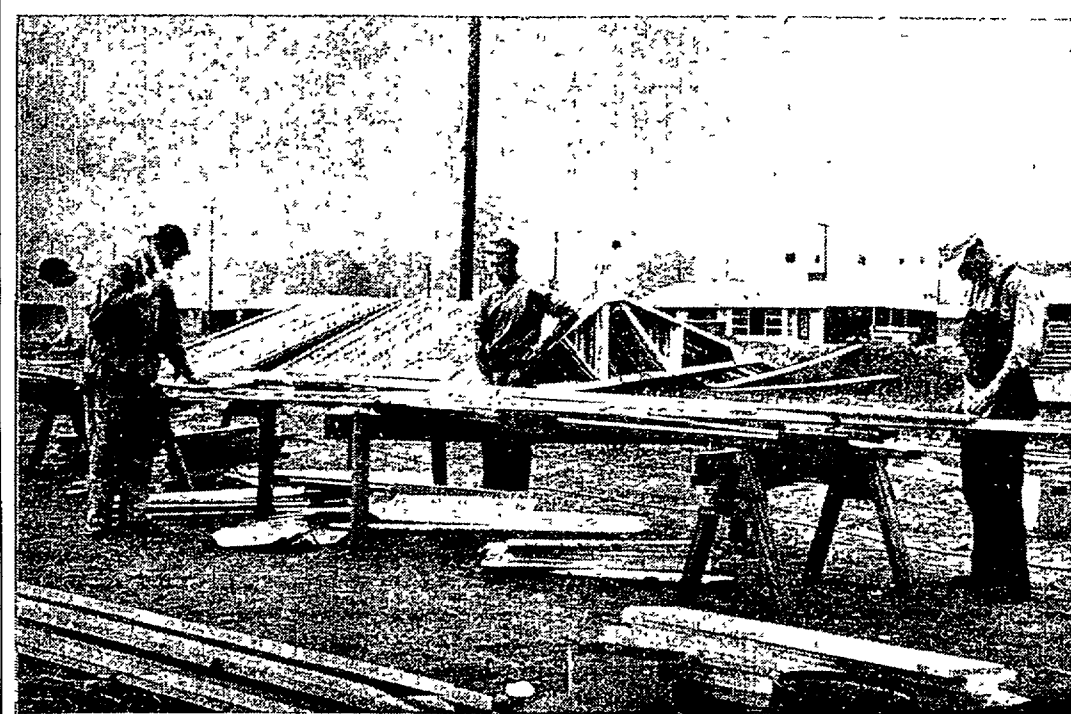

Upon completion of this latest group of houses, the total number of dwellings in the area will reach 150. In addition, Hollingsworth said that his firm applied for financing 95 additional homes Monday.

Eventual plans call for between eight and nine hundred homes in the Willowbrook area, Hollingsworth added, and the builders are looking forward to the erection of a shopping center next spring.

## Pre-Nuptial Shower

Miss Kathy Leavenworth was honored at a miscellaneous pre-nuptial bridal shower at the Novi Baptist church Tuesday evening.

## 65 Building Permits Issued in Village

FABRICATING AND ASSEMBLING ROOF TRUSSES for new homes in Willowbrook was well under way this week with announcement that approximately 65 new building permits had

been granted to B. L. Smokler & Co., Detroit builders. The houses, similar in design to existing homes in the area, are being rushed for late fall completion.

## Formation of Safety Dept. Discussed at Joint Meeting

### Seek Answers To Rapid Growth Problems Within Township

The formation of a Novi department of public safety, combining the functions of the present fire and police departments, was proposed Monday night at a meeting between fire department officers and the township board.

In an effort to seek answers to present and future growth problems in the area, the group agreed to seriously study the proposed merger of the departments. They also unanimously agreed to launch a more thorough training course in fire fighting techniques.

Township and fire department officials plan to visit the city of Oak Park Thursday night to study the "department of safety" plan first-hand. Oak Park is one of several metropolitan Detroit communities which have had the plan in operation during the past few years.

"Through such a merger," said Supervisor Frazer Staman, "we feel we might offer residents of the area more efficient fire and police protection for less money." "All police officers," he added, "would be known as safety officers and would be fully trained in fire fighting as well as police work."

Representing the firemen at the meeting were acting fire chief Fred Loynes, Homer Kent, Bill McDermald, Mike Smith and Don Walters.

Keeping pace with the growth of the area, the township has recently purchased an American LaFrance fire engine at a cost of approximately \$20,000. Delivery is expected early this fall, according to Staman.

Fire engines, as well as police patrol cars, are now equipped with two-way radios for instant intercommunication.

## Plan Square Dance for Tomorrow Night

The Novi Square Dance club will resume activities Sept. 30 with Floyd Snyder furnishing the music.

The dances, which are open to the public, will be held in the Novi Community Bldg. There will be modern, square and round dances. Refreshments - will be available in the building.

Additional square dance dates for the coming year will be Oct. 28, Nov. 25, Dec. 9, Jan. 7, Feb. 11, Mar. 10, Apr. 7, May 5 and June 2.

## Oddfellows Plan Bird Trip Oct. 17

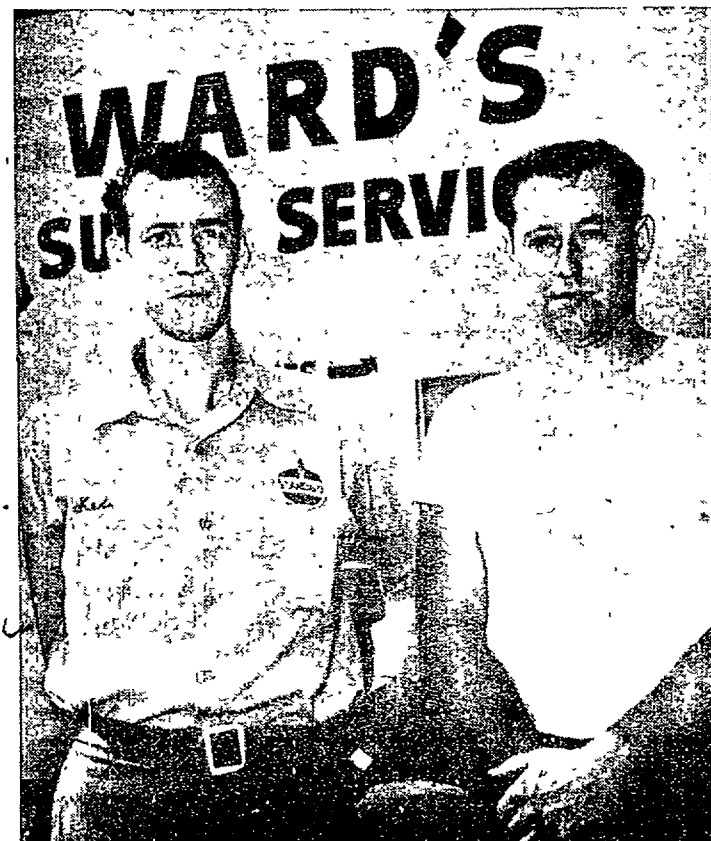

Novi Oddfellow Lodge No. 487 is sponsoring a trip by Greyhound bus to Jack Miners Bird sanctuary at Kingsville, Ontario Sunday, Oct. 30. Members may make reservations by contacting either Hadley Bachert or George Atkinson. Reservations must be in by Oct. 17.

## Novi Girl Scouts Meet At Home of Mrs. Vincent Hayes

Novi neighborhood girl scouts met at the home of Mrs. Vincent Hayes on 12 Mile Rd. Plans for the fall include some changes in leadership in the troops. Leaders in charge are as follows: seniors, Mrs. Vi Bellinger; Intermediate Troop No. 456 and No. 460 will be combined and present leaders, Mrs. Dora Eby and Mrs. Oda Bruns will be assisted by Mrs. Marge F'Geppert; Intermediate Troop No. 491 will be led by Mrs. Vivian Coleman assisted by Mrs. Billie Hunt. The newest Intermediate Troop No. 492 will be led by Mrs. Ruth LaPlante and Mrs. Alice Ritter. Brownie Troop No. 493 will be led by Mrs. Bonnie Dye assisted by Mrs. Gatrell. Brownie Troop No. 492 will be led by Mrs. Lulu Whittington assisted by Mrs. Marge MacGillivray. A new brownie troop will be formed if there is a need. If

## MEET

### Your Merchants . . .

Lester and Doyle Ward

A second generation business, Ward's Super Service at Grand River and Beck Rd. has grown from two small pumps in front of a grocery store to a modern, completely equipped, automotive service center.

Founded in 1929 by Reuben and Myrza Ward, the station and grocery store were originally located at Grand River near 12 Mile Rd. The Wards had moved to Novi from Detroit with their two sons, Lester and Doyle.

In 1939 the Wards purchased 10 acres of land on the southeast corner of Grand River and Beck Rd. and built their present grocery store, installing several gas pumps near one corner of the store.

Ten years later, Lester and Doyle took over the fill-

## the Willowbrook Corner

by MRS. THOMAS MORRISON  
PHONE Greenleaf 4-2523

The next Willowbrook Civic Assn. meeting will be held at the Community Bldg. Tuesday, Oct. 4 at 8 p.m.

Introducing this week:

Mr. and Mrs. Jack Parent, 23821 W. LeBost Dr., formerly of Detroit. They have been married four years. He is a graduate of the University of Detroit Law school and works for Fidelity Casualty Co. in Detroit. Mrs. Parent is a graduate of Marygrove college. Prior to moving to Willowbrook she worked in the Oakland branch of Michigan Bell Telephone Co. Bridge is a favorite pastime of both.

Mr. and Mrs. Gordon Promo,

**FISHING WAS GOOD** in Willowbrook Pond, according to David, 14-year-old son of Mr. and Mrs. Philip Barnes of Willowbrook. The pond, while not exactly impressive in size or appearance, often yielded some good sized fish such as the bass David is shown holding in the picture. Stocked with fish by the former owners, the pond was recently filled in to make room for additional houses.

23893 LeBost, were married only four months ago and came to Willowbrook from Detroit, where Mr. Promo works for United Auto Electric Parts Co. Mrs. Promo is bookkeeper-secretary at Wyoming Plumbing and Heating. Mr. Promo's hobby is collecting coins, of which he has about 150 books. He attended Holy Redeemer school in Detroit. Mrs. Promo is from Pennsylvania.

Mr. and Mrs. Roman Wojcikowski, 23971 LeBost, came here from Livonia. They have two boys, Jack, 9, and Gary, 3. Jack attends the new Amerman school in Northville. Mr. Wojcikowski is advertising manager for Vernors Ginger Ale. Just after moving to Willowbrook he was transferred to Cleveland so they will be leaving shortly.

Mr. and Mrs. Wesley Alcorn, 23970 W. LeBost, moved here from Detroit where he is employed at Burroughs. They have one son, Terry, who was four in June. He takes dancing lessons in Detroit. Mr. Alcorn's hobby is television; his wife's are skating and bowling. They have recently enclosed their carport as a garage.

Mr. and Mrs. George Ames, 41008 Mooring Side Dr., moved here from Detroit, where he

(Continued on Page 10)

## Rebekah Lodge News

At the regular meeting Thursday night, Noble Grand Grace Frisbie honored the past noble grand. A very impressive tableau expressing friendship, love and faith, the motto of Oddfellowship, was put on by several sisters.

Lunch was served afterwards. The noble grand presented each past noble grand with a lovely plant. Independent club will be held Wednesday, Oct. 5 at the home of Mrs. Anna Ortwine, 36910 Nine Mile Rd., Farmington.

## Novi Methodist Ladies Will Go To Brighton Church

Ladies of the Novi Methodist church are planning a trip to Brighton Oct. 10 to attend a meeting at which the Otto sisters from Saginaw will relate their experiences as missionaries in Africa. The meeting is to be held at the Brighton Methodist church. It will be preceded by a pot-luck dinner at 1 o'clock.

The Women's Society for Christian Service of the Novi church will serve dinner for the Novi Board of Commerce next Thursday evening, Oct. 6. Mrs. Pitchford and Mrs. Watza are in charge.

## AMVET Auxiliary Holds Anniversary Dinner In Plymouth

The Novi AMVET Auxiliary celebrated their anniversary at a charter banquet at the Mayflower hotel in Plymouth Thursday evening. State President Mrs. Gladys Seek of Detroit was the speaker. The State P.R.O. Historian Mrs. Lucille Povlitz was also present.

## Novi Bd. of Ed. To Meet October 5

The regular meeting of the Board of Education of Novi school District No. 8 will be held in the school office Wednesday, Oct. 5 at 8 p.m. This meeting is being held one week earlier than usual in order that all board members may be present.

## Novi School Notes

The Novi Mothers' club gave \$50 to the teachers to use in their rooms.

Roger Cheeseman and Bonnie Bellinger are captains of the two teams in the magazine sales contest. Grades six, seven, eight and nine make up the teams.

Lou Ann Casteel from Northville is the new pupil in the fourth grade.

The newly elected officers for the fourth grade room club are Holly Fox, president; Kathleen Probst, vice-president; Dawn McCollum, secretary, and Diane Eby, treasurer.

Roger Casteel has joined the morning kindergarten. Kindergarten are making paper mache fruit this week.

The third graders are studying trees, their kinds and uses. They have on display a fine collection of leaves taken from their own home trees.

The fourth and fifth grade elected the following officers for their club: president, Pamela Harnden; vice-president, Dennis Paquette; treasurer, Frank Steinberger, and secretary, Virginia Early.

The fourth grade pupils made candles this week in science class. Fifth grade news: The pupils are studying chemicals in science.

(Continued on Page 10)

## Patrol Boys Make Novi Roads Safe

**MAKING SCHOOL DAYS SAFETY DAYS** is the job of these safety patrol boys at the Novi Public school. Eighth graders who volunteer to serve for a year, these boys help make Grand River and Novi Rd. safe for youngsters on their way to and from schools. In the front row, left to right, are Patrol Captain Jerry Coleman and

his lieutenants, Orin Stader, Bob Little and Bairon Stader. In the second row are Jack Faulkner, Paul White and Carl Watson. In the third row are David LaFond, Steve Spisak, Ronnie White, Johnnie Ledford and Willard Sprenger. Teacher Richard Griffith is the group's sponsor.

## NORTHVILLE PUBLIC SCHOOLS

### Board of Education Minutes

September 13, 1955

The meeting was called to order at 7:30 p.m. by President Robert F. Coolman.

Present: R. F. Coolman, D. B. Severance, Mrs. H. F. Wagenschutz, N. C. Schrader, R. H. Amerman.

Absent: E. F. Clark.

Others present: James Littell, E. V. Ellison, Glenn Cummings, Alvin Skow, Allan Buckley, Robert Merriam and Ralph Hay of the Northville Township Board, Harry B. Smith, Richard W. Kay.

The minutes of the last regular meeting and a special meeting were reviewed and approved as written.

#### Communications:

1. E. V. Ellison, expressing appreciation to the Board for the re-modeling of his offices and inviting the Board to inspect the office at their convenience.

2. Teen-Tours, Inc., expressing the appreciation of that company for the excellent behavior of Northville High School Senior Class on their trip to Washington in May.

3. Raynor Roofing, advising that the cost of repairing the roof of the new school will be \$120.00.

4. State of Michigan, a check for \$721.77, representing vocational aid.

5. Bids on folding chairs: Standard School Service—\$3.85 to \$4.60 Marshall Company—\$5.60 and \$6.35.

6. Notice of State School Board Conference Oct. 4-5 at Lansing.

7. U. of M. re transcripts of graduates, complimenting this school on the scholastic background of Northville High School students attending the University.

8. Mrs. Davidson, requesting rental of Waterford School building for religious services for one week.

Mr. Amerman, Mr. Ellison, Mr. Smith and Mr. Kay then gave the board a comprehensive report on the beginning school situation, including the following enrollment figures: High School, 648; Grade School (both buildings), 865. Mr. Ellison reported that the book-keeping, home economics and art departments are especially overcrowded. He requested the purchase of ten additional bookkeeping tables, which he has room for, to enable him to take care of that many more bookkeeping students. Mr. Smith has an immediate need for another 8th grade room and Mr. Kay needs six more chairs and three 1st grade tables.

The Board authorized the employment of another teacher for an additional 6th grade room and instructed the Superintendent to order the bookkeeping tables and the furniture needed at the Amerman School.

Mr. Smith requested permission to restrict use of the school lunchroom to children who ride the buses or live out of town. Board granted this permission on a trial basis.

Board authorized the purchase of a new Standard duplicating machine for the two offices requesting them, the high school and Amerman School.

The Superintendent placed the tax resolution before the Board, with two suggestions as to possible millage to be levied for 1955. After some discussion Mr. Severance moved that the 1955 tax rate be set at a total of 19.45 mills, consisting of 2 mills for 1949 Debt Retirement, 3.5 mills for 1954 Debt Retirement, and 13.95 mills for General Operating Fund. The motion was supported by Mr. Schrader and was carried.

Mr. Schrader moved and Mr. Severance supported the motion, that the maximum rate of tuition be charged to students from other districts. This sets the tuition charge for 1955-56 at \$334.67 for elementary students, of which the State will pay \$157.00, and for high school students at \$376.50, of which the State will pay \$177.00. The motion was carried.

Mr. Amerman had requested permission to attend the M.A.S.A. conference at Traverse City on September 19 and 20, and Mr. Severance made a motion that the superintendent be authorized to attend this conference, accompanied by his wife, all expenses to be paid by the Board. The motion was supported by Mr. Schrader and was carried.

Mr. Amerman acquainted the Board with the installation of the Type "C" program of special education and asked the Board to authorize the employment of a teacher to take Mrs. Waterman's place on the days when she will be working on this program. This permission was granted.

Mr. Merriam and Mr. Hay, of Northville Township, approached the Board with a request that the Township be allowed to lease the Waterford School building for use as a voting precinct and as a township office. President Coolman appointed Mr. Schrader and Mr. Severance to meet with the Township Board to discuss the proposition and to reach some agreement with the Board as to rental fee, etc. They are to report back to the next school board meeting.

Treasurer's Report: The Treasurer reported the following receipts and balances:

Cash Received during August, 1955 . . . . . \$44,687.95

Balance in Building and Site Fund, 8-31-55 . . . . . 15,255.40

Balance in General Fund, 8-31-55 . . . . . 69,304.93

Balance in 1936 Bond and Coupon Account, 8-31-55 . . . . . 250.00

Balance in 1949 Debt Retirement Fund, 8-31-55 . . . . . 12,170.73

Balance in 1954 Debt Retirement Fund, 8-31-55 . . . . . 26,741.63

Mr. Severance moved that the Treasurer's report be accepted and Mrs. Wagenschutz seconded the motion, which passed.

The Auditing Committee approved bills and payrolls as follows: Payrolls, \$18,926.27; Bills, \$12,341.67. Mr. Severance moved that the bills and payrolls be paid, Mrs. Wagenschutz seconded the motion, which was carried.

Mr. Allen Buckley discussed with the Board his views regarding the condition of the football field and possible ways of improvement. The Board explained the difficulties and expenses entailed in keeping up this playing field, but felt that present circumstances do not justify additional expenditures of any large amount at this time. The problem was discussed at some length and the Board expressed its appreciation to Mr. Buckley for the interest he has shown in coming to talk with them about it.

Mr. Severance moved that the meeting adjourn at 1:30 a.m. and the motion was seconded by Mrs. Wagenschutz and passed.

### Camera Club Opens Fall Meetings

The Northville 35mm Camera club will resume its meetings Sept. 29, with a business meeting at the high school in Room 9 at 7:30. All members are urged to attend. Club president Mrs. Robert Dearing announced that from tonight up to January, all meetings will be the first and third Thursday and will be held at the high school.

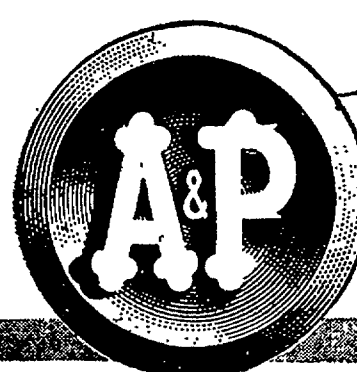

The following week, Oct. 6, Dr. W. J. Steininger from the Maybury San. will narrate for the Eastman Kodak slide showing, Thursday evening at 7:30 at the high school, Room 9.

The illustrations throughout are examples of interesting and effective pictures made outdoors at night. The specific situations include how to photograph scenes with street lights, wet pavements, burning buildings, floodlighted buildings, fireworks, lighting, snow, and with pedestrians or lighted vehicles moving through the picture area. An illustrated leaflet to be given away at the close of the lecture contains 27 examples of subject matter types suitable for night photography.

As an added feature of interest Dr. Steininger will show slides on his trip through the Rocky Mountain National park, north-west of Denver.

## Willowbrook ...

(Continued)

works in the Ford Building as a barber. They have four children, David 7, Rolf 6, George 2 and Marilyn 1. Mr. Ames' hobbies are golf and bowling; his wife's are carpentry and woodworking. She has made several articles for their home, including a cocktail table, what-not, a rocking horse and sand box for the children. She admits having designs for remodeling the cupboards and closets in the house. Her training in woodworking came from a shop course taken at Highland Park high school. She also enjoys knitting and sewing. In addition to being a practical nurse who trained at St. Luke's hospital in Marquette and worked at Herman Keifer hospital, she is interested in PTA activities here.

Mr. and Mrs. Charles Soderberg of 23898 W. LeBost Dr. are formerly of Minneapolis. Mr. Soderberg worked for the St. Paul Insurance Co. in Detroit. They have been married three years and have one daughter, Cynthia, who will be one year old in October. Mr. Soderberg's home is in Sioux City, Iowa and Mrs. Soderberg is a Chicagoan. His hobbies are building, refinishing furniture and radio work, while Mrs. Soderberg likes to sew and also refinish furniture. Their three pets include a collie named "Connie", a Persian cat, "Smoky", and a parakeet named "Lou". They are staining and refinishing all their own furniture for their new home. Mr. Soderberg does engineering auditing for his company in St. Paul. He is a graduate of the University of Iowa. Mrs. Soderberg had one year at the University of Colorado and one year at the University of Iowa where she met her husband. Mr. Soderberg is a Sigma Chi and she is a Kappa Delta.

Mr. and Mrs. Angus Ferguson of 24401 LeBost Dr. are former residents of Detroit. Mr. Ferguson works for Sealtest Creamery and has been a milkman for 30 years. Mrs. Ferguson worked for Awrey bakeries as a store manager until she recently gave up her job to live in Willowbrook. They have three married children and seven grandchildren. Mrs. Ferguson has a collection of Royal Doulton figurines as a hobby. The Fergusons went to Scotland for three months last year to visit relatives and friends. It was their first trip each, since they came to America. They flew both ways.

Mr. and Mrs. Chismark of LeBost Dr. are entertaining a friend this week end from Australia. He is John Cummings who works for the diplomatic service in Washington, D.C.

Mr. and Mrs. Weiss of Mooring Side were to entertain a few friends Saturday, Sept. 24 at a dinner party, which turned out to be a surprise party. Their guests were Mr. and Mrs. Harold Heuman of St. Clair Shores, Mr. and Mrs. Arthur Bogue of Detroit and Mr. and Mrs. John Doran of Detroit. Their guests surprised them with a beautiful floor plant and wrought iron brass holder. They played pinochle after dinner.

Mr. and Mrs. Dick Miller of LeBost attended the Notre Dame football game last Saturday at South Bend, Ind. The Weiss entertained friends

for dinner last Sunday. They were Mr. and Mrs. Ernie Tracy and daughter, Carol, of Detroit.

Mr. and Mrs. Good of LeBost Dr. had a scare this past week. Their son, Jonathan, 3, lost the use of his leg and was taken to St. Joseph hospital in Pontiac where x-rays did not disclose the source of his trouble and within a couple days the use of his leg returned.

The first baby shower given in Willowbrook Village was given in honor of Marian Lees of Mooring Side. It was given by three of her neighbors, Sally Nelson, Jeanne Duprey and Eleanor Trayton. Present from Willowbrook were Rita Byrd, Marguerite Parent, Betty Hood, Mary Disner, Marion Weiss, Zan Bromstetter, Aldean Carter, Marilyn Ames, Lynn Soderberg, Shirley Bernard, Dorothy Barnes, Mary Rareigh, Gloria Alcorn, Rosemary Yaco, Agnes Moniso, Chris Praypor, Betty Crane, Ann Hallick, Janet Rickley, Margaret Bunker, Mary Chismark, Eleanor Treeton, Marion Lees, Jeanne Duprey and Sally Nelson. The ladies, many of whom were strangers to each other, introduced by a memory game which broke the ice for the fun of the evening. They played bingo and prizes were won by Mary Rareigh, Aldean Carter, Pat McCann, Mary Disner, Jane Weisberger, Janet Rickley and Gloria Alcorn. Mrs. Lee received many lovely gifts.

Mr. and Mrs. Lloyd Ferguson spent several days of vacationing in Hamilton, O. visiting relatives and friends. They had as their house guests the past week, Mr. Ferguson's parents, Mr. and Mrs. R. L. Ferguson of Hamilton, O. Mr. and Mrs. W. D. Bodary and children of Finleyville, Pa. were their guests last week end.

The A. Fergusons of LeBost Dr. entertained their sister and brother, Mr. and Mrs. B. Ferguson, of Detroit for dinner Sunday afternoon.

The Morrisons of LeBost Dr. had a few of their neighbors to help them celebrate their 16th wedding anniversary Saturday, Sept. 24. Their guests were Jane and George Marinoff, Harley and Cecelia Beach, Phyllis and Lenney Berardi, Dick and Clara Miller, Ritchie and Paula Swenson, Bob and Helen Waugh, Fred and Anna Costello, Jack and Cathy Buck, Aldean and Jack Carter, Betty and Joe Mc Masters, Jim and Sophia Martin, Bill and Ann Ferguson. They played cards and a luncheon was served later.

The neighbors surprised the Morrisons with a lovely gift of a copper topped pink canister set, step-on can and waste paper basket for which they would like to thank them for.

Monday evening, a pinochle club got under way. They were 15 ladies who attended and the first meeting was held at Aldean Carter's. It was discussed that the club would meet Monday evenings, twice a month.

Willowbrook residents are urged to go to the Township Hall and register to vote.

Don't forget the square dance at the Novi Community Bldg. Friday, Sept. 30.

Mr. and Mrs. Marinoff have really been working around their place with the help of Mr. Marinoff's parents, who are visiting them from Canada. They have planted quite a few new evergreens which included a lovely blue spruce and they have also

spent the week end at the former's parent's cottage, Mr. and Mrs. Ed Branch, at Crystal lake.

Last week end Mr. and Mrs. George Kahrl were the guests of Mr. and Mrs. Edwin Branch at their cottage at Crystal lake near Stanton.

Mrs. Hadley Bachert, Mrs. Roy Marshall and Mrs. Gale Enders entertained at the Bachert home honoring Mrs. James Frisbie on Wednesday evening.

Mrs. Herbert Tucker is in the Detroit Osteopathic hospital where she underwent a major operation.

Mr. and Mrs. Trickey entertained a group of 32 guests at a picnic supper on their terrace last Sunday. They were Mr. and Mrs. Carroll Kay and children of Grosse Pointe, Mr. and Mrs. Moy and children of Highland Park, Mr. and Mrs. Robert Johnston and children of Detroit, Mr. and Mrs. Chester Benton and children of Allen Park, Mr. and Mrs. Charles Ward and children of Detroit and Mr. and Mrs. John Dagenal of Livonia.

This week Sunday, Mr. and Mrs. Charles Trickey had a family gathering at their home on Fonda St. The guests were Mr. and Mrs. Duane Bell and their three children, Dr. and Mrs. Marvin Blaers and two daughters of Grosse Pointe and Mrs. Blaess' mother, Mrs. Conka, also of Grosse Pointe.

Mrs. Edna Hill of Novi and Mrs. Mattie McLaren of California were luncheon guests of their sister-in-law, Mrs. James Erwin, at Rotunda Inn, Pine lake, last Sunday.

Mrs. Ina Bailey is the new manager of the Novi Repair shop which opened for business Sept. 20 from 9 to 6 daily except Sunday. Mr. and Mrs. Bailey and their four children have lived at 26285 Novi Rd. for the past eight years.

Mrs. Luther Rix will be staying at the David O'Leary home in New Hudson while her daughter, Mrs. Betty O'Leary, is a patient in New Grace hospital.

Mr. and Mrs. Charles S. Crawford of South Lake Dr. took a color tour throughout northern Michigan and the Upper Peninsula for a few days last week.

Mr. and Mrs. Charles Crawford were Sunday dinner guests of Mr. and Mrs. Ernest Edge at their Lakeland Ave. home.

## Baptist Church News

Next Sunday, Oct. 2 the Lord's Supper will be observed at Novi Baptist church.

Sunday evening at 6 the B.Y.F. will meet at the church for their first fall meeting.

Most talked about woman is she who leaves the meeting first.

It won't strain your eyes to look on the bright side of things.

reseeded their lawn. They are also enclosing and making their carport and storage space larger and are planning to paint and remodel their patio.

Pastor J. A. O'Neill of the Novi Baptist church has given a special invitation to the people of Willowbrook to come and visit their church in Novi.

ing station business and moved it to a new building just east of the grocery store.

Lester, 26, married the former Diana Brunner of Plymouth. They live at 25275 Novi Rd. with their three children, David, 6 months; Debbie, 3, and Ronald, 8.

After attending New Hudson and Northville high schools, Lester served in the army for several years. An ardent golfer if and when he has time, he is also a member of the Presbyterian church.

Doyse, 28, married a Detroit girl, Jo Ann Huntley. They have one daughter, Denise, 4, and live at 27053 Wixom Rd. A graduate of New Hudson high school, Doyse was in the navy during the war. A licensed pilot, Doyse pilots his own plane during spare hours.

## Novi Girl Scouts ... Novi School ...

(Continued)

your girl is seven years old or will be seven this year, please call Mrs. Hayes so her name can be placed on the waiting list.

Used uniforms were discussed and all uniforms are to be turned in to the leaders with the price listed for sale. Training will start next week for both brownie and intermediate leaders. A special craft session is available Sept. 27 at the home of Mrs. Watson in Royal Oak at 2 p.m. The first brownie and scout meetings will be held Sept. 28 after school from 3:30 to 4:45. The next neighborhood meeting is scheduled for Oct. 12 at the school prior to the scout meeting.

An outdoor institute for all girl scout leaders will take place at Indian Wood Day Camp Oct. 11, from 9:30 a.m. to 2:30 p.m. Registration is no later than Oct. 3 to Girl Scout Headquarters at Royal Oak.

## Prosperity, Peace Possible in World, Says U-M Writer

Ann Arbor — A world of peace and prosperity is possible, provided "men turn their minds and hearts to the solution" of the problems of war and depressions.

This is the conclusion reached by J. Philip Wernette, professor of business administration at the University of Michigan, in a book, "The Future of American Prosperity", published by the Macmillan Co.

Professor Wernette says "major depressions can be prevented in the future by the combined actions of private enterprises and government." For the government he recommends the establishment and operation of a "functional fiscalmonetary system" which would supply an appropriate money supply, properly timed, to provide an adequate market for "the huge and growing stream of goods which an expanding economy can produce."

On the subject of war and peace, he said a world race is going on—a race between cooperation and catastrophe. "Men of good will have only one course—that of supporting world cooperation. Without that, the fragile thing which we call civilization

(Continued)

In connection with this study they made a cake which Mrs. Darling, cafeteria manager, baked in her oven. The following brought materials for the cake: Ginger Cheeseman, Carol Newbegin, Brenda Coburn, Lois Barton, Rita Crawford, Lana Whistle, Carolyn Maier and Sharon White.

Correction from last week: Jeff Crawford is the president of the fifth grade.

The sixth grade decided to name the club the "4 Plus 2" club. The new officers are president, Frieda Angel; vice-president, Michael Ross; secretary, Donna Lien, and treasurer, Greg Larson.

The sixth grade project this week is making science notebook covers. They are the hinged type note books and are covered with oil cloth, shelf paper or hand made art paper.

Donna Lien and Michael Ross are absent from the sixth grade because of illness.

The seventh grade class elected the following officers: president, Bill Trotter; vice-president, Dan Triplett; secretary, Mike O'Neil, and treasurer, Mike Eby.

## DEER TAKE WINTER GARB

Lansing — Fawns will have lost their spots and velvet will be gone from the antlers of bucks by the time archers take the field Oct. 1.

Recent Conservation Dept. field reports indicate the herd is taking on winter garb with bucks shining antlers and pawing ground while waiting for fall mating battles.

Field workers count deer at night by "shining" with spotlights and have chance to examine the animals.

Ever wonder why after dinner speakers are usually men? Women can't wait that long.

A woman has reached middle age when her shoes pinch her more than men do.

may disappear from the face of the earth in a final holocaust."

In the 262-page book, which is well supplied with charts and tables, Professor Wernette reviews the economic history of the past and present and takes a look into the future.

# 82 YEAR OLD PARMENTER CIDER MILL DRAWS VISITORS

Visitors from far and near flock to Northville's 82-year-old Parmenter Cider Mill with their children at this season to watch the mill in operation and enjoy the tangy flavor of the fresh cider. One of the oldest businesses in Wayne county, the mill has been operated continuously since 1873 by the Parmenter family. Four generations, starting with the founder, B. A. Parmenter, have found cider making a business to their liking. As with the Northville Spring, it gives the city a flavor reminiscent of olden times. B. A. Parmenter, known to everyone as "Madge", ran the mill alone until 1895, when his son, W. A., became a partner. "Madge" retired in 1920 and W. A. ("Lonny") took over full operation. A son, Harold, known as "Cider", helped the father, and later his mother after the father's death in 1943. The present owner, Harold's son, Robert, became in

1953 the fourth generation to operate the mill. When the mill started apples came loose in the wagon box and had to be shoveled into tanks of water to be washed; then crated and carried inside. About 1910 scales were installed to weigh the apples and eliminate the labor of crating but it was not until 1947 that the present electrically driven conveyor belt was installed to carry the apples direct to the second floor without manual labor. The original cider press was operated by horsepower for the first two years. Then a steam threshing machine engine took over to be replaced eventually by a stationary steam engine. In 1910 the steam engine was replaced by an electric motor which is still in use. This year Robert Parmenter has finished off a retail store in knotty pine and installed tables and a doughnut machine for the convenience of customers who wish to sip their cider on the spot.

Although trucks rather than farmers' wagons now bring apples to the Parmenter Cider Mill in Northville, the methods and product are still pretty much the same as when the original mill (above) was built by B. A. Parmenter 82 years ago. The mechanized conveyor carries them to a 2nd floor storage area.

Tons of apples come to the Parmenter mill daily during the busy season to be pressed and have their juice extracted as delicious flavorful cider. The mountain of apples above will be washed, then moved by a conveyor belt to the hammermill to be ground into pulp ready for pressing to extract their juice.

Michigan's 43,000 safety patrol boys guarded their posts last year without a single school child fatality at a school crossing. They couldn't have performed the feat without the cooperation of the pupils. Therefore, Automobile Club of Michigan asks parents to urge their youngsters to help their safety patrols by continuing to cooperate. Auto Club also reminds drivers to be extra cautious near schools, at both patrol-guarded and unguarded crossings. To bring this message direct to the Michigan school children, Auto Club has distributed almost 11,000 full-size copies of this poster to educational institutions throughout the state.

## 35,000 Archers Will Hunt Deer Oct. 1

Lansing — Sept. 28 — An estimated 35,000 archers will go afield during the Oct. 1-Nov. 5 bow and arrow deer season this year, a record high for one of Michigan's fastest growing sports. Last year, 33,000 hunted with bow and arrow and the year before, 31,000 archers went afield. Admittedly, not many of these hunters will bag their deer. Last year, 5½ percent toted home whitetails and success the year before was about the same. But some attraction beyond venison in the pot keeps drawing new members to the bow and arrow clan. The first archery license was sold in Michigan in 1937. Each year since, with the exception of the war years of 1942 and 1943, has seen a sizeable increase in the sport.

On the interstate rural roads throughout the country 15,115 curves are sharper than standard 560 grades exceed the maximum, and 916 other grades are too steep for prevailing traffic conditions.

The ground-up apples fall through the vertical metal chute onto racks which are covered with heavy cloths. Ten of these racks, stacked one upon another, are called a "cheese". The cheese goes under a belt-driven screw press which extracts the cider.

During the pressing process, several screenings of the cider are made to remove microscopic particles of pulp. The three Parmenter boys, Robert, Richard and Raymond take theirs straight from the trough instead of from the barrel as grown-up customers must.

**Be Warmer in every Room**

Compare and you will buy a Quaker "Super-Challenger."

## Northville State Hospital Seeking Additional Gray Lady Volunteers

The American Red Cross Gray Lady Service has announced a recruitment period for additional volunteers to serve at Northville State hospital. Representatives from the Detroit chapter will be at the hospital, 41001 Seven Mile Rd., Friday, Sept. 30; Oct. 6, 7 and 12, between 10 a.m. and 4 p.m. to interview applicants. The following qualifications have been established: Age 25-55 years; physical examination by

the applicant's physician and personal references. The training course will be conducted at the hospital and is followed by a 35-hour probationary period. Gray Ladies are asked to serve a minimum of 150 hours a year and purchase their own uniform and shoes.

The Gray Lady Service at Northville State hospital was established in September, 1952, and since that time, the 12 Gray Lad-

ies have become important members of the hospital team, according to Mrs. Carolyn Seefeldt, director of Social Service. They assist in recreational projects, occupational therapy, at ward parties and helping individual patients. They work closely with members of the various hospital departments and attend some of the hospital staff meetings.

## Eleven Tons of Carp Taken from Raisin River at Tecumseh

Lansing — Twenty-three thousand and pounds of carp were removed from the Raisin River at Tecumseh recently.

The rough fish had grubbed out vegetation and roiled about 1½ miles of the river so game fish had little chance to grow. A poison, applied by trained Conservation Dept. personnel, killed only a small number of undersized bass, pike and panfish.

Fisheries workers ran similar experiments recently on waters near Flint and Saginaw. The hope is that the poisoning will give game fish a headstart to control the rough fish problem in the future.

The poison loses its effect after a few days and in this case, a dam kept it from spreading down river

Anytime a man opens the door and helps his wife into the car, you can bet that has just acquired one or the other.

## CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets  
Plymouth, Michigan

The perfection and supremacy of God's infinitely good creation will be emphasized at Christian Science services this Sunday.

Readings from the King James Version of the Bible and correlative selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will comprise the Lesson-Sermon on the topic of "Unreality".

From Ecclesiastes (3:14) will be read the following verse: "I know that, whatsoever God doeth, it shall be for ever: nothing can be put to it, nor any thing taken from it: and God doeth it, that men should fear before him."

Among the correlative passages to be read from Science and Health is the following (525:20-22): "Everything good or worthy, God made. Whatever is valueless or baneful, He did not make;—hence its unreality."

11 a.m., Morning prayer and sermon.

## Wayne University Offers Accredited Government Course By Radio

On Sept. 19, Wayne university began its first regularly accredited course by radio. Every Monday, Wednesday and Friday evening at 7 p.m., a course in American government, listed in the catalogue as "Government 101" will be heard over Wayne's FM radio station WDET at 101.9 megacycles.

The course will cover the structure, principles, and processes of American government. Dr. Carl O. Smith, professor of government, will be the lecturer, and he will answer questions mailed in by students. He will also mail out supplementary printed materials to listeners who enroll in the course.

Students who take the course by radio will pay the regular tuition, purchase a text, and come to the campus four times during the semester only, to take examinations.

Government 101 can be used by students to satisfy the "Public Acts" requirement for degree. The course will be of obvious value to immigrants working toward citizenship, and it will also provide a good refresher for all Americans at a time when the democratic form of government is being challenged.

Since the radio course will require only four on-campus meetings, many persons otherwise unable to take advantage of the course

## Ordinance No. 12 Township of Novi

An Ordinance enacted pursuant to Act No. 185, Public Acts of 1943 as amended, to regulate the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area and maintenance of all buildings and structures in the unincorporated portions of the Township of Novi; to provide for the issuance of permits and collection of fees therefor; to provide penalties for the violation thereof; declaring and establishing fire limits defining the scope and authority of the Building Inspector; and repealing all Ordinances and parts of Ordinances in conflict therewith except Ordinance No. 2 known as the Zoning Ordinance of the Township of Novi.

### THE TOWNSHIP OF NOVI ORDAINS:

Section 1. Adoption of Building Code. Certain documents, copies of which are on file in the Office of the Clerk of the Township of Novi, available for inspection by the distribution to the public at all times, and which are marked and designated as the "Abridged Building Code" and the "Basic Building Code", 1950 Editions respectively, and approved by the Building Official Conference of America, Incorporated, on November 2, 1949, with the additions, insertions, deletions and changes as adopted by the Board of Supervisors of the County of Wayne, October 8, 1951, and known as the County Building Code; the Plumbing Code of the City of Detroit, Michigan, the same having been adopted March 16, 1943, and revised March 26, 1946, and being Ordinance No. 305-D of the City of Detroit; and the National Electrical Code, adopted in 1951, are hereby adopted, and are to be used, considered and enforced jointly, with the "Basic Building Code" serving as a supplement to the "Abridged Building Code" with the additions, insertions, deletions and changes prescribed in Section 3 of the "County Building Code", the "Plumbing Code of the City of Detroit" and the "National Electrical Code" in regulating the erection, construction, enlargement, equipment, alteration, repair, moving, removal, demolition, conversion, use, height, area, and maintenance of all buildings and structures in the unincorporated portions of the Township of Novi, and including the penalties for violating the provisions of said code and establishing of fire limits; and each and all of the regulations, provisions, penalties, conditions and terms of said "Abridged Building Code" and "Basic Building Code", 1950 Editions approved by the Building Official Conference of America, Incorporated, on November 2, 1949, with the additions, insertions, deletions and changes prescribed in Section 3 of the County Building Code as adopted by the Board of Supervisors of the County of Wayne, October 8, 1951, and on file in the office of the Wayne County Clerk; the "Plumbing Code of the City of Detroit" and the "National Electrical Code", are hereby referred to, adopted and made a part hereof, as if fully set out in this Ordinance, except as herein otherwise stated.

Section 2. Purpose. The purpose of this Ordinance and Code is to provide minimum standards to safeguard life and limb, health, property and public welfare, by regulating and controlling the design, construction, quality of materials, use and occupancy, location and maintenance of all buildings and structures within the Township of Novi and certain equipment specifically regulated by this Ordinance.

Section 3. Additions, Amendments and Clarification of Reference Ordinance.

(1) Wherever, in said Reference Ordinance, a municipality is mentioned and no name is therein given, said municipality shall be construed to mean the Township of Novi; and wherever, in said Reference Ordinance, a state is mentioned without giving the name thereof, such state shall be construed to be the State of Michigan.

(2) Wherever, in said Ordinance, the term "Building Official" is used, same shall be deemed to mean such person, persons or organization as may be designated by the Novi Township Board as "Building Inspector".

(3) Wherever, in said Ordinance, reference is made to the Basic Building Code, said reference shall be deemed to refer to the latest amended Basic Building Code, adopted by the Building Officials Conference of America, Incorporated.

(4) Wherever, in said Ordinance, there appears to be a requirement that certain documents and papers, including the Abridged Building Code and the Basic Building Code, shall be kept on file in the office of the Building Official or other person, it shall be deemed sufficient if said documents and papers are on file in the office of the Township Clerk, in the Novi Township Hall.

(5) Section 104.13 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 104.13, is hereby amended to read as follows:

104.13 BOARD OF APPEALS. The Board of Appeals, as established under the Zoning Ordinance of the Township of Novi, shall be the Board of Appeals on matters arising out of the enforcement of the provisions of this Ordinance.

CHAIRMAN OF THE BOARD. The Board shall select one of its members to serve as chairman, and the Building Official shall serve as secretary to the board and shall keep a detailed record of all proceedings on file in the Department of Building Inspection.

EXEMPTION OF MEMBER. No member of the board shall pass on any question in which he is engaged as contractor or material dealer, or in the preparation of plans or specifications, or in which he has any personal interest.

COMPENSATION OF BOARD OF APPEALS. Compensation of appointed members of the board shall be determined by the Township Board.

APPLICATION FOR APPEAL. In case of dissatisfaction with the decision of the Building Official, the question, in dispute, may be referred to the Board of Appeals; and such board shall proceed to hear and determine the appeal. Provided, however, that the Building Official shall have the right to order the immediate abatement and correction of any eminently dangerous condition to life or property within the scope of this Ordinance. Application for appeal may also be made when it is claimed that the true intent of this Code or rules legally adopted hereunder have been incorrectly interpreted; the provisions of this Code do not fully apply, or an equally good or better form of construction can be used.

NOTICE OF MEETING. The Board shall meet upon notice of the chairman within ten (10) days of the filing of an appeal or at stated periodic meetings if warranted by the volume of work.

PUBLIC HEARING. All hearings shall be public; and the appellant, his representative, the official of the municipality and any other person, whose interests may be affected by the matter of appeal, shall be given an opportunity to be heard.

ADJOURNED MEETING. Two (2) qualified members shall constitute a quorum; but when three (3) qualified members are not present to consider a specific appeal, either the appellant, the Building Official or their representatives may request a postponement of the hearing.

(6) The blank spaces in Section 104.5, of said Ordinance, are hereby completed to provide penalties on conviction of One Hundred Dollars (\$100.00) fine or imprisonment for not more than ninety (90) days or both.

(7) Section 104.6, of said Ordinance, is hereby completed to provide the following schedule of permit fees:

Valuation of Work	Fee
Less than \$100.00	No charge
\$100.00 to \$500.00	\$2.00
\$500.00 to \$1000.00	\$4.00
More than \$1000.00	\$1.00 per each additional \$1,000.00 or part thereof.

(8) Section 104.61 of the Abridged Code as amended by the Wayne County Code by the addition of a new section to appear and become Section 104.61, is hereby amended to read as follows:

104.61 MOVING OF BUILDINGS. No building shall be moved into, or from one lot to another lot in a district when such building is not of a type permitted in that district. A permit for the moving of a building shall not be issued until a cash deposit, in the amount of Five Hundred Dollars (\$500.00), shall have been deposited with the Township Treasurer to cover any damages suffered or expenses incurred by the Township arising from the moving of the building and to guarantee the removal of all debris from the property and leveling of the lot in a manner satisfactory to the Building Official. The making of such cash deposit shall not prevent the Township from the collection of further damages in excess of the amount deposited in the event further damages are sustained. Such cash deposits shall not be required when a building is to be moved within the limits of the property on which the building is located.

(9) Section 106.1 of said Ordinance provides for the insertion of the date of adoption. Said date of adoption shall be deemed to be the date of the publication of this Ordinance.

(10) The Fire District Subdivision set forth in Section 107.1 of said Ordinance shall be deemed to be the business, and/or commercial, and manufacturing districts as established by Ordinance No. 2, the Novi Township Zoning Ordinance and the Zoning Map and amendments thereto.

(11) Section 113.23 on Page 51 of the Abridged Code to be deleted from this Ordinance.

(12) Section 113.67 of the Abridged Building Code is hereby amended to change the requirements of Section Number 118.9 in the 6th line to Section 118.17.

(13) Section 117.1 of the Abridged Building Code as amended by the Wayne County Code, is hereby amended by amending the 4th paragraph to read as follows:

117.1 Private water supplies, hereafter constructed and in-

stalled, shall comply with the minimum specifications which are established by the Health Department of the State of Michigan or the Oakland County Health Department.

(14) Section 117.12 of the Abridged Building Code as amended by the Wayne County Code is hereby amended to read as follows: 117.12 All sewage disposal systems, installed in the Township of Novi, shall conform to the Oakland County Health Department Standards and shall be checked and approved by the Building Official of the Township.

(15) Section 117.13 of the Abridged Building Code as amended by the Wayne County Code, is hereby amended to read as follows: 117.13 All plumbing, hereafter installed, shall conform to the minimum code requirements of the State of Michigan. The provisions of the City of Detroit Plumbing Code, as adopted by the City of Detroit, shall apply to all installations made in the Township of Novi, with the exception of those sections of the Plumbing Code which are specifically covered by the Wayne County Building Code.

(16) Section 117.14 of the Abridged Building Code as amended by the Wayne County Code, is hereby amended to read as follows: 117.14 No plumbing work shall be performed except by a master or journeyman plumber licensed under the laws of the State of Michigan and registered with the Township of Novi. Registration fee shall be One Dollar (\$1.00) for master and Fifty Cents (\$.50) for journeyman plumbers. Nothing herein contained shall prohibit any bonafide owner from personally installing plumbing in his own residence, provided that said owner shall:

- (1) Apply for and secure a permit covering the work proposed.
- (2) Pay the required fee.
- (3) Do the work himself or herself in accordance with this Code.
- (4) Apply for inspection.
- (5) Receive approval of the Inspector.

(17) Section 117.0 of the Abridged Building Code, is hereby amended by the addition of a new section to appear and become Section 117.16 to read as follows:

117.16 Septic Tanks and Disposal Fields. When a sewer is not available the Building Official may grant a permit for the use of a septic tank or other sewage treatment tank, with the required disposal field, provided, such tanks and fields shall be constructed in accordance with the recommendations of the State Department of Health. Percolation tests made by the Oakland County Health Department or other approved agency shall be submitted to the Building Inspector along with the application of a Building Permit. Two such tests shall be made for each field. The tank and field shall meet the requirements of the State Department of Health based on the number of bedrooms, persons served and the percolation tests of the absorption area. Whenever a sewer is available use of existing treatment tanks shall be discontinued and connections made to such sewers.

(18) Section 119.93 of the Abridged Building Code is hereby amended to change the Section Number 118.9 in the 4th line to Section 118.7.

(19) Section 121.0 of the Abridged Building Code is hereby amended by the addition of new sections to appear and become Sections 121.5, 121.51, 121.52, 121.6, 121.7, 121.8 to read, respectively, as follows:

121.5 Permits. No electrical equipment shall be installed within or on any building, structure or premises, publicly or privately owned, nor shall any alteration or addition be made in any such existing equipment without first securing a permit therefor from the Building Official, except as provided in Section 121.8 and except that no permit will be required to execute any of the classes of electrical work specified in the following paragraphs 1 to 4, inclusive:

- (1) Minor repair work, the replacement of lamps or the connection of portable electrical equipment to suitable permanently installed receptacles;
- (2) The installation, alteration or repair of electrical equipment for the operation of signals or the transmission of intelligence;
- (3) The installation, alteration or repair of electrical equipment installed by or for an electricity supply agency for the use of such agency in the generation, transmission, distribution or metering of electricity;
- (4) Any work involved in the manufacturing, testing, servicing, altering or repairing of electrical equipment or apparatus, except that this exemption shall not include any permanent wiring other than that required for testing purposes.

Application for such permit, describing the work to be done, shall be made in writing to the Building Official by the person, firm or corporation installing the work. The application shall be accompanied by such plans, specifications and schedules as may be necessary to determine whether the installation, as described, will be in conformity with the requirements of this Ordinance. If it shall be found that the installation, as described, will conform with all the legal requirements and if the applicant has complied with all provisions of this Ordinance, a permit for such installation shall be issued.

No deviation may be made from the installation described in the permit without the written approval of the Electrical Inspector.

121.51 Fees for Permits and Inspections. Fees for electrical permits shall be as established by resolution of the Township Board. 121.52 Inspection and Certificates. Upon completion of any installation of electrical equipment, which has been made under a permit, it shall be the duty of the person, firm or corporation, making the installation, to notify the Electrical Inspector, who shall inspect the installation within twenty-four (24) hours, exclusive of Saturdays, Sundays and holidays, of the time such notice is given or as soon thereafter as practicable.

When a certificate of approval is issued authorizing the connection and use of a temporary installation, such certificate shall be issued to expire at a time to be stated therein and shall be revocable by the Electrical Inspector for cause.

When any electrical equipment is to be hidden from view by permanent placement of parts of the building, the person, firm or corporation installing the equipment shall notify the Electrical Inspector and such equipment shall not be concealed until it has been inspected and approved by the Electrical Inspector; provided, that on large installation, where the concealment of equipment proceeds continuously, the person, firm or corporation, installing the electrical equipment, shall give the Electrical Inspector due notice and inspections shall be made periodically during the progress of the work.

If upon inspection the installation is not found to be fully in conformity with the provisions of this Ordinance, the Electrical Inspector shall at once forward to the person, firm or corporation making the installation a written notice stating the defects which have been found to exist.

121.6 Connection to Installation. It shall be unlawful for any person, firm or corporation to make connection from a supply of electricity or to supply electricity to any electrical equipment for the installation for which a permit is required or which has been disconnected or ordered to be disconnected by the Electrical Inspector, until such connection has been authorized by the Electrical Inspector.

121.7 License to do Electrical Work. It shall be unlawful for any person, firm or corporation to engage as an independent contractor, or for any person to engage in the trade of Electrical Journeyman, in the installation, alteration, maintenance or repair of electrical wiring, equipment, apparatus or fixtures for light, heat or power purposes when the electromotive force exceeds 30 volts in or about the building and/or structure located within the Township of Novi without first having procured a license.

Electrician contractors and journeyman electricians, licensed by cities, villages or townships in the metropolitan district of Detroit, may register to do work in the Township of Novi for a fee of One Dollar (\$1.00).

License fees for electrical contractors shall be Twenty-five Dollars (\$25.00) and for electrical journeyman One Dollar (\$1.00) and such license shall expire December 31st of each year.

121.8 The provisions of this code shall not apply to electrical power supply companies for communication agencies in respect to generation, transmission or distribution of electrical power and light, to public communication transmission systems, to operation of signal systems used exclusively by public service agencies, to installation of equipment used by railway utilities and public carriers or to radio transmission systems, other than the equipment and wiring for power supply and the installation of radio towers and antennas whether erected on buildings or on the ground.

(20) Section 123.51 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 123.51, is hereby amended to read as follows:

123.51 Sale or Rent. Signs erected to announce the sale or rent of the property, so designated, provided such signs are not more than ten (10) square feet in area. Subdivision ground signs announcing the name of the subdivision and lots or homes for sale, provided such signs are not over six (6) feet in height nor more than sixty (60) square feet in area.

(21) Section 123.82 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 123.82, is hereby amended to read as follows:

123.82 Projecting Signs. A projecting display sign erected to the walls of a building or structure outside of the building lines is hereby deemed unlawful. Such signs shall be reconstructed or removed as herein required.

(22) Section 124.31 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 124.31, is hereby amended to provide an approved bond in the sum of Five Thousand (\$5,000.00) Dollars.

(23) Section 125.15 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 125.15, is hereby amended to read as follows:

follows:

125.15 Fire District No. 1. In Fire District No. 1 structural frames may be erected of wood or other material of similar combustible characteristics covered with metal or other approved non-combustible material, when no more than thirty-five (35) feet in height and seventy-five (75) feet in length.

(24) Section 125.17 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 125.17, is hereby amended to read as follows:

125.17 Maximum Size. In all locations, when constructed entirely of noncombustible material, ground signs may be erected to the height as permitted in the Novi Township Zoning Ordinance. (25) Section 126.12 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 126.12, is hereby amended to read as follows: 126.12 Closed Signs. A closed roof sign shall not be erected above the roof of any building to exceed the height permitted for the Zoning District in which it is located.

(26) Section 126.13 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 126.13, is hereby amended to read as follows:

126.13 Open Signs. An open roof sign shall not be erected above the roof of any building to exceed the height permitted for the Zoning District in which it is located.

(27) Section 126.14 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 126.14, is hereby amended to read as follows: 126.14 Combustible Supports. Within Fire District No. 1, no roof sign shall be supported on or braced to wooden beams or other combustible construction of a building or structure unless otherwise approved by the Building Official.

(28) Section 128.11 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 128.11, is hereby amended to read as follows:

128.11 Maximum Projection. No such sign shall project over a street or other public space. No such sign shall project more than ten (10) feet from the face of the building or structure.

(29) Section 130.1 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 130.1, is hereby amended to read as follows: 130.1 Pole Signs. Pole signs shall be constructed entirely of noncombustible materials, except as provided in Section 124.46 and shall conform to the requirements for ground and roof signs as the case may be. No part of such sign shall extend beyond the street or highway lot line.

(30) Section 132.16 of the Abridged Building Code, as amended by the Wayne County Code by the addition of a new section to appear and become Section 132.16, is hereby amended to read as follows:

132.16 No person, firm or corporation, or their lessee or agent, shall construct or maintain a barbed wire fence, particularly or wholly around any area in any street, avenue, alley, lane or public highway, or in or along any street or in front of any public space or place, or nail or cause same to be nailed or fastened in any form, shape or manner upon any building or structure. Provided, however, this shall not prohibit the use of barbed wire fencing on farms or small farms for the purpose of enclosing cattle or other animals.

Section 4. Unlawful Acts. It shall be unlawful for any person, firm or corporation to erect, construct, enlarge, alter, repair, move, improve, remove, convert or demolish, equip, use, occupy or maintain any building or structure in the Township of Novi, or cause the same to be done contrary to or in violation of any of the provisions of this Ordinance and Code.

Section 5. Penalties. Any person, firm or corporation violating any of the provisions of this Ordinance and Code shall be deemed guilty of a misdemeanor, and each such person, shall be deemed guilty of a separate offense for each day or portion thereof during which any violation of any of the provisions of this Ordinance and Code is committed, continued or permitted, and upon the conviction of any such violation, such person shall be punishable by a fine of not more than One Hundred Dollars (\$100.00) or imprisonment for not more than Ninety (90) days or by both such fine and imprisonment.

Section 6. Repeal. All Ordinances or parts of Ordinances in conflict, herewith, are repealed except where there is conflict between this Ordinance and Ordinance No. 2, "The Township Zoning Ordinance" and where said Ordinance No. 2 prescribes a more stringent requirement, the said Ordinance No. 2 shall prevail.

Section 7. Effective Date. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect Thirty (30) days after final passage and publication. State of Michigan ) SS

County of Oakland)  
I, Earl Banks, Clerk of the Township of Novi, do hereby certify that the foregoing is a correct copy of an Ordinance as passed by the Township Board of the Township of Novi at its regular meeting held September 19, 1955.

EARL BANKS, Township Clerk  
Township Clerk

## October Will Be "Month of Moons"

Ann Arbor — October will be a month of moons, two of them full—one Harvest, one Hunter's.

So says Associate Prof. Hazel M. Losh of the University of Michigan Astronomy Dept. And the full moon of Oct. 1 will be the year's Harvest Moon, which is defined as the full moon occurring nearest the time of the autumnal equinox in mid September.

The second full moon, seasonably called a Hunter's Moon, might this year be called a Halloween Moon—it occurs Oct. 31. Due to the Moon's path being nearly parallel to the horizon at these times, the Moon will appear sooner than at any other time during the year, thus supplying harvest and hunting evenings will full moonlight for several nights in a row.

## U-M Dramatizes Michigan's Part In Civil War

Ann Arbor — A special series of radio broadcasts about the important part Michigan Regiments played in the Civil War is planned for presentation to Michigan audiences this fall and winter.

"To Make Men free", created by The University of Michigan Broadcasting service, is a series of quarter-hour radio programs dramatizing the role played by

Michigan troops in the key battles of the war between North and South.

Seven programs were given as a pilot series on station WUOM, Ann Arbor, during July and August. The success of these trial broadcasts, according to Prof. Waldo Abbot, U-M director of broadcasting, "encouraged us to expand the series and offer it to radio stations throughout the state."

If traffic volume increases by 50 percent during the next ten years, as estimated, accidents at the present rate will take 55,000 lives annually by 1965.

## VFW Announces Membership Drive

Mrs. Glory Brown, membership chairman of Northville Ladies Auxiliary to Post 4012, Veterans of Foreign Wars, announces the opening of the 1955 membership drive.  
Every eligible veteran and his family is invited, and encouraged, to share in the program of the Veterans of Foreign Wars and its auxiliary.  
Through their legislative program the Veterans of Foreign Wars have secured many of the benefits which are now available to all veterans and which are being enjoyed by many. The posts and auxiliaries have a wide variety of programs including Americanism, youth activities, community service and hospital work.  
There is no better insurance, at any price, than the Veterans of Foreign Wars National Home at Eaton Rapids, Mich., where children of members, or a former deceased member, of the Veterans of Foreign Wars are assured an education, health, happiness and security.  
Mothers, sisters, wives, daughters and widows of deceased or honorably discharged men who have served on foreign soil or waters during time of war are eligible to membership in the ladies auxiliary. Also, women of the armed forces of the U.S. who have had foreign service in time of war and possess an honorable discharge and their mothers, sisters or daughters are eligible to join the ladies auxiliary.  
A cordial invitation is extended to all eligible women to join the Northville Auxiliary to Post 4012 of the Veterans of Foreign Wars. Call or write Mrs. Glory Brown of 19540 Maxwell St., phone 3007-W.

—Paid Adv. 18-20

Commandant, Ninth Naval District, Great Lakes, Ill.  
Cpl. William Schoultz, son of Mr. and Mrs. Clyde Schoultz of Cady St. was cited by the Prince of Belgium for meritorious service.

## TWENTY YEARS AGO—

## FIFTY YEARS AGO—

W. D. Withington's handsome carriage team which was entered at the State Fair by his son-in-law, S. V. Miller, captured first prize.  
The Hall-Carr factory shut down Wednesday and the Bell foundry Thursday to allow all hands who wish to do so to attend the state fair.

## Craftsman's Guild Offers \$90,000 In Car Competition

Eight university scholarships worth \$20,000 and another \$70,000 in cash and U.S. Savings bonds are the stakes in the 1956 Fisher Body Craftsman's Guild model car competition, it was announced today by James P. Wines, secretary of the Guild.

In addition to individual awards to successful young model car builders, the Guild awards permanent trophies to the schools attended by first state, regional and national winners.

Since 1930, the Fisher Body competition has awarded 140 university scholarships valued at \$441,500 to national winners. More than \$700,000 in cash and other awards have been made to thousands of boys winning state and regional honors.

The 1956 competition offers the young car designers the opportunity to build sports cars, hardtops, convertibles or station wagons as well as two- or four-door sedans.

The Fisher Body model car competition has become nationally famous as one of industry's most successful talent sources. A survey of former winners revealed that the same dreams that help a boy design and build an award-winning model car helped most of them to become prize-winning adults, too.

In addition to the many who become industrial and automotive designers, the survey found doctors, lawyers, bankers, architects,

publishers, engineers and manufacturers.

Enrollments are being taken now for the competition by Guild field representatives who are visiting thousands of public and parochial schools throughout the country.

Any boy in the United States between the ages of 12 through 19 is eligible to enter the competition and may obtain an enrollment card by writing to the Fisher Body Craftsman's Guild, General Motors Corp., Detroit 2.

A booklet on model car design and construction, the only textbook of its kind for youths wishing to learn about automobile design, is given to each boy enrolling in the Guild. It was prepared by professional designers from the General Motors Styling section, Fisher Body division engineers and the Technical Staff of the Craftsman's Guild.

## Walled Lake Man Succumbs At 72

Leslie J. VanBuren, 1231 E. Lake Dr., Walled Lake, died on Sept. 18 in Pontiac General hospital after an illness of four days. He was born Aug. 8, 1883 in Highland, Mich. and was 72 years of age.

Funeral services were held at the Richardson-Bird funeral home in Milford Sept. 21 with the Rev. Robert Worgess of the Milford Methodist church officiating. Burial was in Highland cemetery, Highland, Mich.

He is survived by his wife, Edna E. and five children: Russell J. of Highland, Roy L. of Plymouth, Mrs. Ada W. Mathews of

Charlevoix, Mrs. Wanda C. Durham of Harrison, Mrs. Dorothy Rank of Farmington. One sister, Mrs. Lillian Atley of Fenton also survives. There are 28 grandchildren and two great-grandchildren.

Of the 10,050 bridges in the rural interstate system, 8,187, or 81 percent are below standard width.

## ADVICE FOR CIVIL DEFENSE

Professor George Vetter of New York University speaking to 400 civil defense wardens said, "When the bombs start falling sing hymns." There is no question but what the hymns of the church have been comforting and encouraging to Christians in the hour of danger and trial. However, to those who have not become acquainted with the God and Saviour of whom the hymns speak may find that it takes more than even a Christian song to still their fears and fit their souls for heaven, should a bomb fall too close. It's not the song, it's the Christ of the song that we need every hour. Why wait until the bombs fall to become acquainted with Him? Recently a church displayed the following sign, "When the bombs start falling, this church will be open for prayer, but it may be too late then. Better come next Sunday." Surely you will find as thousands of others that Christianity is as good to "live with" as it is to "die with". II Cor. 6:2 "For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee; behold, now is the accepted time; behold, now is the day of salvation." For your eternal welfare accept the Saviour today!
