TRAPPED. Sgt. Gil Glasson and Police Chief Joe Denton "nailed" Mayor Claude "Pete" Ely last Saturday on the City Hall steps to buy the first ticket and button to the 2nd Annual Northville Football Bust banquet and dance. Needless to say, the Mayor offered no resistance, just dug in and paid.

## Football Bust Banquet Nov. 12; Boosters To Sell 1,000 Buttons

The Northville Boosters Committee has set November 12 as the date for their 2nd Annual Football Bust Banquet and Dinner to be held at the high school.

Members of the committee are Allan Buckley, chairman; Gill Glasson, Dr. J. K. Eastland, Mrs. Clayton Meyers and Dr. Snow.

### GUESTS

Those to be honored at the banquet include the varsity football team, reserve football team, junior high school football team, varsity cheer leaders, junior varsity cheer leaders, the football queen and her court, Our Lady of Victory parochial football team, Northville high school marching band, the football coaches and the band leaders.

### PROGRAM

The program is still incomplete, but according to Dr. Snow, publicity chairman, it will include the presentation of letters to members of the football squad; a short address by a speaker still to be announced, and a magic show.

Tickets for the banquet are being limited to honored guests and their parents; however, the public is invited to purchase orange booster buttons at a cost of 50c which will admit them to the entertainment program and the dance. Boosters are trying to sell 1,000 buttons to defray the banquet expense.

Buttons may be purchased from members of the Rotary club, American Legion and the auxiliary, VFW and the auxiliary, Optimist and Exchange clubs.

## Commission Notes

**NEW WELL** — The Northville City Commission this week passed a resolution to instruct the firm of Lewis, Harris and Noy, water consultants, to start drilling a test well on the triangular parcel of city-owned land where Northville Rd. and Main St. meet. A geological survey was made and approved by the state. The surveyor's report included three possible sites, two of which Commissioner Stubenvoll was reluctant to disclose.

Stubenvoll said that Ford Motor Co. has three 60-foot wells surrounding the proposed site now and they are pumping 900 gallons per minute.

The test well will be 8 inches, with a 12-inch casing and will cost approximately \$10,000.

**COMMERCIAL RUBBISH** — A commercial rubbish container, made of corrugated metal and mounted on skids is scheduled to be constructed in the near future as an experiment in commercial collections.

Commissioner Allen said that if the plan is successful, three such containers would pay for themselves in one year by man-hours saved.

With this sort of arrangement it would be necessary for merchants to deposit their rubbish in the containers, placed in central points in town. The rubbish collectors would need to stop only at the three (or whatever number is decided on) containers.

**RESIDENTIAL GARAGE** — The city commission instructed the city clerk to write a letter to the present garbage contractor, informing him that "... if Northville residents do not receive better

## Commission Approves Million \$\$\$ Program

Northville city commissioners gave their approval Monday evening to the Baseline cut-off which has been estimated as a million dollar project.

Planning of the road is in the early preliminary stages which involves the acquisition of a 70-foot strip of land along the north side of Caryle St. The additional land will be used to widen the 50 foot road, to 120 feet, a county road requirement. The county will attempt to secure right-of-ways after Dec. 1 of this year; however, actual construction is not expected to begin until 1957.

Financing will be distributed among the following: Federal Government, \$500,000; Wayne county, \$400,000, and Oakland county, \$100,000.

According to the engineers, the new road is expected to take care of traffic for at least 15 or 20 years.

At the Sept. 6 meeting of the commission, Oakwood subdivision property owners presented a signed petition with 111 names protesting the cut-off. At that time, Commissioner Stubenvoll was doubtful about the "rightness" of the project.

## Board Ignores Amerman, Smith, Ellison, Kay

The Northville Board of Education ignored the recommendation of Superintendent of Schools Amerman and three school principals, Ellison, Smith and Kay, and turned down the request of the Parent Discussion group for \$400 to further their adult education program.

Eural Clark, board member, moved to grant a request by Mrs. William Milne for up to \$400 to cover the first term of the program. Nelson Schrader seconded the motion; however, in a roll call vote Schrader voted "no" and

## City Waits For News On Closing Of 85 Year Old Fish Hatchery

The Northville fish hatchery has ceased to function as a rearing place for large mouth bass, blue gills and trout. Most of its ponds are dry, its fish have been given away or recently destroyed by pollution in the river, and the spring which has been providing water for the rearing of fingerling minnows for 85 years is so low that it poses a serious threat to future operations.

Only 57 bass and 105 blue gills remain at the hatchery for brood stock and as it takes three years to grow a bass and two years to grow a blue gill. There can be no fish for distribution during the next two to three years.

This drab situation was learned

by the Record this week when it asked Captain E. R. Widmeyer, head of the hatchery for 23 years, if the pollution reported two weeks ago in the river had affected the hatchery. Capt. Widmeyer replied that about two weeks ago the water in the hatchery ponds became so low an investigation was made to learn the cause. "When we went to the inlet through which water from the stream entered the ponds, we found it plugged up with dead fish from the stream," he said.

He explained that the hatchery had lost 155 large mouth bass, 120 blue gills due to the pollution. These were removed and buried, together with those plugging the inlet, he said.

Although Capt. Widmeyer has received no official word from the Federal Fish and Wildlife Service that the hatchery is to be closed, the fact that its operations are virtually at a standstill already, coupled with the low water level and Widmeyer's approaching retirement, make this appear a virtual certainty.

F. B. Frost, sanitary engineer for Michigan Water Resources, was contacted in his Lansing office this week by the Record. Frost said that his department had no idea about the cause of pollution. "When we arrived in Northville last week," Frost said, "everything was normal. There was no evidence of pollution except for the dead fish."

## Board Stymied in 5 Month Tilt on Zoning Enforcement

Northville Township officials instructed Township Attorney James E. Littell last week to look for some legal grounds that can be used to improve the Gerald Ave. section.

The board's action was taken at a "private" meeting in the home of Supervisor Mollie Lawrence Sept. 27, according to minutes of the meeting which were read at the board's regular monthly meeting Tuesday, Oct. 4. The regular meeting was held in the usual room in the basement of the Northville Public library.

### Same Complaint for Years

The minutes of the private meeting quoted Supervisor Lawrence as saying the board's decision to try to improve the Gerald Ave. section was the result of numerous complaints by township residents. Supervisor Lawrence said at the meeting this week that the complaints were

similar to those which have been made in past years.

Littell reported to the board that the township lacks authority to enter into a slum clearance project in the Gerald Ave. section, as is recommended in the township's new zoning ordinance. He said he will explore other means of improving the situation.

### Orders Nuisance Stopped

The board also instructed Littell Tuesday evening to notify Grady Thompson, said to be the new owner of property at Northville Rd., near 7-Mile to cease and desist in maintaining a nuisance on the premises in violation of the township's zoning ordinance. The nuisance was said by Littell to be an outside privy. Littell issued such a cease and desist notice in July to Carl Schoultz, as owner of the property, following a complaint lodged with the township board in early May. He also sent similar letters to the owner of an adjacent piece of property and to tenants on both the Schoultz and the other piece of property.

It was Donald Nutten, township building inspector, who supplied

## Salesman Disturbs Peace; Fined \$25

A Grosse Pointe Shores salesman discovered, to the tune of \$25, that it doesn't pay to disturb the peace of any Northville business person.

Gerard Worthington, 32, walked into Pride Cleaners last Thursday and said to Mrs. Boyd, "Let's exchange telephone books." Mrs. Boyd thought that he was from the telephone company and when she asked him, he just smiled, took her telephone book, and walked away.

The telephone book that he left was a year old and minus the yellow pages.

Mrs. Boyd called police. Police officers found Worthington in a local restaurant and charged him with disturbing the peace. The following day he was fined \$25 and costs by Judge E.M. Bogart.

"Maybe it was a stiff fine," Chief Denton said, "but we don't like to have the peace of our citizens disturbed."

Work started this week on paving the S. Center St. and 7-Mile Rd. cut-off, both of which were closed to traffic a few days ago. Before the actual paving can start, a storm sewer must be installed on the two-block stretch of Center St. between Cady and Edw. Hines Dr. The grade of this portion of the street also has been lowered. Both sections of road are being paved by Louis and Frisinger, Ann Arbor contractors, who were successful bidders for the Center St. job and who have taken on the 7-Mile cut-off job as a sub-contractor for the original low bidder.

DIRT WAS FLYING last week as the ditch-digger rolled up Center St., digging a trench for the laying of sewer pipe.

## New Member Added To Record Staff

Publisher Glenn H. Cummings announced this week that Miss June Faulds has joined the Northville Record staff as managing editor.

Before coming to Northville Miss Faulds, pronounced "Falls", was the editor of the Garden City Guardian, one of five associated weekly newspapers serving Western Wayne county.

She graduated from Cleveland Preparatory high school, Cleveland, O., in 1950 and attended Western Reserve university where she studied English and journalism.

Miss Faulds lives with her parents, one brother and four sisters in Wayne.

## Adult Driving Classes Open

Al Jones of the Northville high school teaching staff announces that the adult driver training course is now open for applicants.

This course includes a series of seven lessons, one and one-half hours each of behind-the-wheel training. Four adults will be trained at one time.

All applicants must register in the office of the superintendent of schools. A fee of \$15 is required for the course and this is to be paid to the board of education.

## FOOTBALL BOX SCORE LAST WEEK'S GAME Northville 20 Milford 7 THIS WEEK'S GAME Northville vs. Clarenceville (Away)

## Help Wanted!

The Record regrets its inability to publish a detailed story about the football game last week with Milford. Our staff works two and three evenings each week in getting out the paper and we have no one available to cover the games. Coach Ron Schipper has helped out by writing the stories of the previous two games but he has so many other things to do that we believe it is an imposition to ask him to write our stories also.

Athletic Director Al Jones tried earlier this fall to find some high school student who would report the games for pay, but without success. The Record would like to give better news coverage to high school athletics but this can be done only if someone can be found who is willing to handle the job.

## Northville Mothers' Club Holds Meeting

The Northville Mothers' club will meet at the home of Mrs. H. Handorf Oct. 10. Mrs. Jack Reynolds, Mrs. Gerald Doub and Mrs. Matt Houser are the co-hostesses for the social evening.

## Allison To Speak At Optimist Meeting

Douglas F. Allison, programing and facilities planning manager of Lincoln division, Ford Motor Co., will speak on the plans for the new Lincoln plant at Wixom Rd. and Grand River at the next meeting of the Northville Optimist club Wednesday, Oct. 12.

Allison was born in Windsor, Ontario, and was formerly programming assistant to the general manager of the Continental division. He attended W. C. Kennedy Collegiate institute and was

graduated from the University of Detroit with a bachelor of aeronautical engineering degree in 1946 when he enrolled in the Ford Motor Co. orientation program.

Since joining the Ford Motor Co., Allison has been a buyer and senior buyer with central staff purchasing, and administrative engineer in the product engineering department of Special Product Operations, which became the Continental division in October, 1954.

THE JINGLE-JANGLE of money, and smiling faces were very much in evidence last week end when members of the Rotary club held their rummage sale at Northville Downs. Left to right: Mrs. Ralph VanSickle and daughter, Catherine; Mrs. Cy Frid Rotary helper; Mrs. T. R. Carrington, Rotary helper, and Mrs. Doris Wick. In the background, Rotary President Cy Frid holds up a handbag. "Very good buy—worth every cent that you donate," he said. What a hustler!

## Evening Ceremony Unites Janet Gray and Edwin Freeh

MRS. JANET FREEH

Janet Marie Gray and Edwin J. Freeh, Jr. were united in marriage at an eight o'clock ceremony in the Methodist church Saturday evening. Rev. Ivan Hodgson, assisted by the father of the bridegroom, Captain Edwin J. Freeh, performed the double ring service before an altar decorated with white chrysanthemums, gladioli and candelabra.

The bride was gown in chantilly lace over nylon net. The fitted bodice was fashioned with a neckline of illusion applied with lace flowers. The full skirt was floor-length. A lace cap and tiara of seed pearls secured the finger-tip veil of illusion. White orchids, stephanotis and velvet ribbons with seed pearls formed her bouquet.

The maid of honor, Miss Jean Daman, 2230 Witherell, Detroit, wore a ballerina-length gown of rose-raspberry crystalet with

headpiece to match. The bridesmaids, Miss Dorothy Hoagg of Detroit and Mrs. Alfred Turner, Jr. of Wayne, wore gowns identical with the maid of honor in aquamarine. All attendants carried bouquets of pink carnations with matching velvet ribbons.

Cathy Mummary, 394 First St., was the little flower girl and she wore a floor-length frock of pink crystalet.

The bride is the daughter of Mrs. Irene Gray and Clifford Gray of Northville. Her husband's parents are Capt. and Mrs. Edwin Freeh of Watertown, Mass.

John Lambert of Indiana, Pa. was best man and Richard Gray, brother of the bride, Larry Frank and Larry Erwin of Cincinnati, O. and Mary Freeh of Watertown, Mass. were the ushers.

Mrs. Gray wore brown with brown accessories and Mrs. Freeh

wore a navy blue suit with navy accessories. Both mothers wore corsages of pink roses.

Following the wedding ceremony, a reception for 200 guests was held in the church hall. For the wedding trip to New York and Massachusetts, the new Mrs. Freeh wore a brown ensemble and the white orchid from her wedding bouquet.

Mrs. Freeh, Jr. was graduated from Northville high school and attended the Virginia Farrell beauty school. Her husband was graduated from high school in Syracuse, N.Y. A Marine, he served in Korea and other places for three years. He is now attending Detroit Business Institute, studying to be an accountant. The couple will reside at 130 W. Grand Blvd., Detroit.

Guests were present from Caro, Ulby, Gagetown, Plymouth, Ypsilanti and Ann Arbor, Detroit, Cincinnati, O., Massachusetts, Pennsylvania and New York.

## NHS Girl Takes Cooking Course At Michigan State

Miss Corine Kay Clark, Northville high school, Northville, received advanced training in homemaking education at the 8th annual Michigan Homemaking Teachers conference at Kellogg Center, Michigan State university, Sept. 29-Oct. 1.

More than 500 teachers learned about new developments in fabrics, fashions, furnishings, homemaking and allied fields.

"There are tremendous opportunities for able young women in the field of homemaking education," declared Dean Clifford Erickson, of the MSU College of Education, in his address to the conference. He contended that, "it was unfortunate that more capable young women do not take advantage of the fine occupational opportunity in this field."

Many speakers lauded the work of the homemaking instructors, praising them for the instruction and guidance they give to the many high school girls of the state.

Theme for the event was "More Satisfying Personal and Family Living Through More Realistic Approaches to Teaching." The teachers heard major addresses by Dr. Mary Lee Hurt, chairman of the Homemaking Education Curriculum Program, Michigan State university, and Miss Esther Middlewood, State Department of Mental Health.

The conference was sponsored by the Michigan Department of Public Instruction and the Homemaking Education Curriculum committee.

## WCS To Start Study Classes

The Methodist WCS Mission study class meets for four Monday evening sessions in the chapel at 7:30 beginning Oct. 10.

Mrs. Glenn Frye will teach the course on "Indian Americans". Study books will be available for \$1.25. This study is for all adults.

## D.A.R.'s Antique Show Set for Oct.

The Sarah Ann Cochran chapter, Daughters of the American Revolution, Plymouth and Northville, is readying for its second annual Antique show and sale.

Dates for the event have been set for Oct. 11, 12 and 13 from 12 noon to 10 p.m. at VFW hall on Lilley Rd., Plymouth.

A wide variety of antiques will be displayed and sold. Proceeds will go towards various historical and patriotic projects sponsored by the D.A.R.

Chairman of the year's show is Mrs. Harry N. Deyo. Assisting her on plans for the event are Mrs. Martin Kirehboff and Mrs. J. Rusling Cutler, in charge of advertising, and Mrs. Howard Sharpley, ticket chairman.

Regent of the local D.A.R. chapter is Mrs. Claude A. Crusoe.

## Exchange Club Hears Girls' State Delegates

Girls' State delegates were the guests of the Exchange club meeting Sept. 28.

Kathleen Heatley, Donna Frisbie, Carolyn Burkman and Shirley Snow told of their experience at the University of Michigan. They all highly valued the insight into political and governmental functions which they experienced through duplicating these actions under guidance of well qualified U-M advisors.

The American Legion Auxiliary Unit 147 sponsors these Girl State delegates each year.

Elroy Ellison presided at this luncheon meeting. Harold Wagenschutz was the guest of his brother, Harry, and Ivan Ely was the guest of Carl Ely.

## More Students Added To List

Five more college students are added to the two lists already printed by the Record. They include Larry Meyer, Jim Mitchell and Joan Weismeyer, Michigan State university; Howard Meyer, Albion and Barbara Prunty, University of Arizona.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

**Mrs. Schipper and 10-month-old son, Timmy**  
Family recipes are tried and proven and Mrs. Ron Schipper's prune bread is no exception. This recipe is her mother's and has been in the family for a long time. It is a simple one and easy to prepare and a change from orange and banana breads.

The Schippers reside at 302 Orchard Drive.

### PRUNE BREAD

Sift together: 1½ cups flour, 1 tablespoon soda, 2/3 cup sugar, ½ teaspoon salt.  
Cut 3 tablespoons of shortening into the above mixture, mix 1 cup prunes cut-up in small pieces and ½ cup milk. Pour prunes and milk over the flour mixture and stir until just mixed.

A little prune juice (¼ cup) may be added if the mixture seems too dry. Bake 1 hour at 350 degrees.

## Garden Association To Hear Expert

Mrs. W. B. Chase, 43800 E. Eight Mile Rd., will be hostess to the Northville branch of the National Farm and Garden Ass'n. Oct. 10 at 2 p.m., when Ray Hemstock, director of the Detroit Garden Center, will speak on "Fall Preparation of Your Spring Garden."

Harold Hartley, Jr., an eighth grade student whose hobby is photography, took colored slides of some of the arrangements at the flower show held at the Community Bldg. Harold will project some of these colored slides for the Oct. 10 meeting of the Northville branch of the Woman's National Farm and Garden Ass'n, at the home of Mrs. C. M. Chase on Eight Mile Rd.

Mr. Hemstock has a bachelor of science degree from Michigan State Teachers college, Ypsilanti, where he had charge of the plant conservatory and taught natural science in the high school. He is a native of West Virginia.

After returning from the city of Dearborn, where he was superintendent of Parks and Recreation for 25 years, he was appointed director of the Detroit Garden Center in May, 1954. The center is a clearing house for all garden groups in the metropolitan area, serving as consultant in their program planning and making available the fine facilities of the White House on Belle Isle for meetings and teas.

The Garden center is maintained chiefly by individual annual memberships of one dollar. Membership entitles a member to bulletins on garden problems, schedule of work shops, use of library of 3,000 volumes, etc.

Some 5,000 telephone calls on garden problems were answered by the director this past year. The Garden Center is ready to serve the gardeners of the Detroit area. Phone LO 7-8580 or LO 7-4424

## A Sorry Situation

We direct that attention of Northville Township residents to the lead story on Page 1 of the Record this week. Though it is a straight news story, the record of facts which it relates makes it also an editorial on the subject of township government which needs no further argument or exposition on our part.

Our only observation is that there is one situation in the township that is even more disheartening than the sorry record of the township board. It is the disinterest of Northville Township residents in the manner in which their elected officials run the township. Occasionally someone attends the meetings to gripe about something he doesn't like—and then goes home without waiting to see how the board conducts its other business. But not in many months, if ever, has a township resident attended a meeting in the role of a private citizen interested in township affairs.

It will be enlightening to see who will be the candidates for membership on the township board if Ralph Hay and Fred Lyke go out when Northville formally becomes a city. Both will automatically be forced off the board unless they move into the township, and neither is likely to do that. Two other board members—Bob Merriam and Roy Terrill—are township residents whose terms of office will not be affected by the city election. Supervisor Lawrence likewise can continue in office if she moves into the township. Should the township be fortunate enough to have two strong men willing to run for the Hay and Lyke positions, they and Merriam could become a nucleus capable of administering township affairs as they should be handled.

Can two such civic-minded individuals be found?

## City Commission To Be Commended

The Northville City Commission is to be commended for stepping up to the 8-Mile Rd. cut-off situation on its merits, rather than running for cover after receiving a petition opposing the cut-off which had been signed by 111 persons.

Since Wayne and Oakland counties first told the city they will jointly put in a road to link the two ends of 8-Mile Rd. east and west of the city and take its present traffic off of the thickly populated Randolph, N. Center, Baseline streets, Mayor Ely and Commissioners Allen, Welch, Reed and Peters had indicated that they believed its advantages to the city as a whole far exceeded its disadvantages to a comparatively few property owners along the route it will take through Oakwood subdivision.

Only Commissioner Stubenvoll was skeptical at the commission's meeting Sept. 19, perhaps because as a resident of the Oakwood subdivision he may have been more sensitive to the feelings of his neighbors who had signed the opposing petition. But Stubenvoll too, after joining Commissioner Welch in a final meeting with Wayne Road officials, told the city commission Monday evening that his trip to Detroit had convinced him the cut-off will be good for the city. His "conversion" made unanimous the commission's decision to give the counties permission to use the Carlyle St. route for the cut-off.

## FROM THE LIGHTER SIDE OF THE READER'S DIGEST

When we moved from an old house in the city to a brand new house in a small suburban town, our youngsters were intrigued by all the modern conveniences and mechanical marvels. The eight-year-old took particular notice of the new and shiny telephone. "What's that?" he asked.

"Why, that's the telephone," his mother said, surprised at the question.

"But it hasn't any numbers on it or a dial like our phone. How does it work?"

"You just lift the receiver and a woman answers, and you tell her what number you want."

The boy's eyes widened in astonishment. "Boy!" he exclaimed. "How easy! Is everything modern out here!"

## Burroughs Makes New Appointments

The appointment of two men to head Accounting and Industrial Relations functions of the new Plymouth division of the Burroughs Corp. has been announced by General Manager Robert A. Niemi.

John B. Coyle, who has been personnel manager at the Plymouth plant since 1953, was appointed Manager of Industrial Relations. In the new position Coyle will direct Industrial Relations and Public Relations programs for the division.

John F. Rouse, who has been in charge of accounting activities at the plant since 1953, has been named Division Controller.

## New Army Reserves Program Explained To H.S. Students

Northville high school students in the 10th, 11th and 12th grades were informed of the new army reserve program Tuesday afternoon by Reserve Instructors from the Ann Arbor sub station, Major Krenitsky and Sgt. Gillespie.

Krenitsky and Gillespie explained the six and eight year reserve program. Enlistment in the former includes two years of active duty and four years of service in the reserves. The eight year program was recommended for boys and girls wishing to enter college since they serve only six months of active duty and seven and a half years in the reserves.

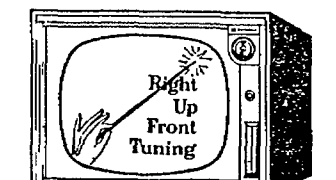

Local civic organizations wishing more information about this program are asked to contact the local reserves representative Captain Frederick Stefanski who is also assistant high school principal.

A REPORT FROM THE CAPITOL

By Elmer White

REPUBLICANS ARE HOPEFULLY JUGGLING four candidates for governor, convinced whichever gets the nod will have to go against Gov. Williams.

Plans of State Chairman John Feikens, who said both Gov. Williams and President Eisenhower will run in 1956, may be changed if the president announces his intention to run.

The illness of the president will have a bearing on his availability for a second term. But Democrats are looking for Gov. Williams to try for a fifth term, regardless of the national situation.

Williams is in the habit of breaking precedent. He won his first term in 1948 in a nominally Republican stronghold and his popularity with the voters is still at a high pitch.

Because of an early primary in Michigan, Williams will have to cast off from hopes for a fifth term if he wants to go for a spot on the national Democratic ticket.

"Most governors can go into the convention and keep a grip on the job back home," said one top Michigan Democrat. "If Soapy wants to try it, he has to abandon Michigan."

Republicans have one question now: Who can beat Williams? Separate groups have rallied support for the nomination behind Mayor Cobo of Detroit; Congressman Ford of Grand Rapids; Congressman Bentley of Owosso, and Dr. John A. Hannah, president of Michigan State University.

The two congressmen appear to

# The '56 FORD with new LIFE GUARD DESIGN

Only in FORD...  
new 202-h.p. Thunderbird Y-8

For '56, Ford brings you the most exciting safety news in car history. It is Lifeguard Design—developed after more than two years of research to help protect you against the major causes of car-accident injuries. A deep-center Lifeguard steering wheel has a cushioning effect in accidents. Lifeguard double-grip door latches resist springing open under shock. Optional safety belts are designed to keep passengers in their seats. And optional Lifeguard padding for instrument panel and cushioned sun visors gives you extra protection if you are thrown against these surfaces during an accident.

At last you can have fun like the Thunderbird's in a family-size car! The '56 Ford's mighty 202-h.p. Thunderbird Y-8 engine gives you instant response at all driving speeds. And deep-block design means that you get this tremendous Thunderbird-like "GO," smooth as cream, whisper-quiet.

Only in FORD... new Thunderbird Styling

All 18 new Fords have the dramatic, go-getting lines of the fabulous Ford Thunderbird. Decked out in the flashing brilliance of the very latest colors, they'll make your heart beat faster. And

wait until you see the wide choice of interiors! They're smartly styled and color-keyed to match exterior beauty.

Only in FORD...  
so many worth-more features

Feature after feature marks the new Ford as truly a fine car... a fine car at half the fine-car price! With Lifeguard Design, Thunderbird style and Thunderbird power, the '56 Ford offers an unequalled host of worth-more features. These include a sturdy K-bar frame, a welded, sound-insulated steel body, king-size brakes and many more features that combine to make this new Ford the outstanding car buy for '56.

## Trees Given Free for Reforestation

Lansing — Trees for fall planting are still available from the Conservation department's three state nurseries.

Red, white and jack pines, ranging from two to four years old, are sold for reforestation and Christmas tree production, but not for ornamental plantings.

Prospective buyers may obtain order blanks and prices lists from the department's forestry division at Lansing, 26.

## Waterfowl Survey

Lansing, Oct. 2 — Waterfowl hunters are being asked to cooperate in a federal survey designed to protect future waterfowl populations.

Purchasers of duck stamps this year receive postcards for reporting their hunting activity and success. The U.S. Fish and Wildlife Service, by compiling the cards, will learn if the proper harvest of surplus birds is being made. Too large or too small a harvest would affect future hunting.

The cards are available, when the hunter buys his stamps, at more than 700 post offices throughout the United States.

## Plans for Coordinating Council's Annual Banquet Near Completion

The Northville Coordinating Council is in the process of completing plans for their annual citizenship banquet to be held at St. Paul's Lutheran church, 6:30 p.m., Wednesday, Oct. 19.

The banquet is an annual affair which is given in recognition of those young adults who have qualified themselves to vote in the American way by reaching the age of 21.

Guest speaker for the occasion will be John B. Holden, president of the Adult Education Ass'n. of Michigan, Inc. He will speak on "The Right to Adult Education and to Citizen Participation".

Holden is a member of the Michigan State university staff at Kellogg Center for Continuing Education. He is also a member of the National Executive committee of the Adult Education Ass'n. Chairman of the Names Com-

mittee is Mrs. W. E. McCarthy. Members of her staff include Mrs. M. J. Mulpot and Mrs. Louise Cansfield.

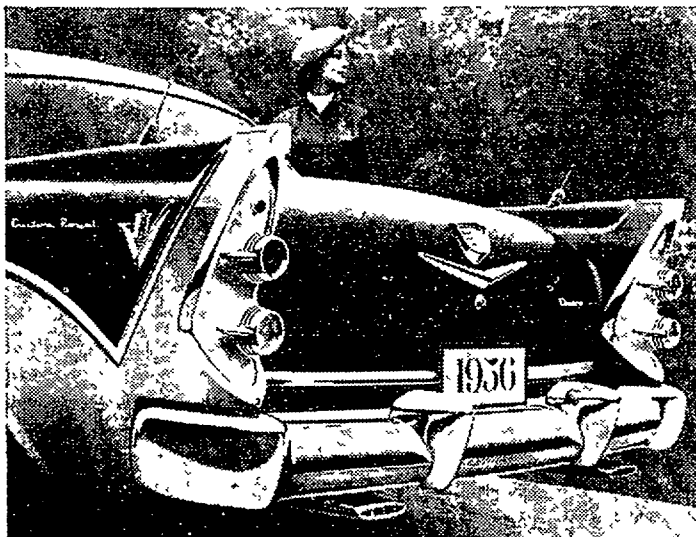

Decorations are being supervised by Mrs. Lee Heaton, representing the Northville Garden club; and Mrs. Ernest Shave, representing the D.A.R.

Tickets are being handled by Fred Sterner, Dr. Wilbur Johnston and Ed Welch.

### NEW OFFICERS

At a recent meeting the following Coordinating Council officers were elected for the year 1955-56: Mrs. Samuel Geraci, president; Ed Welch, vice-president; Mrs. W. E. McCarthy, recording secretary; Mrs. C. M. Goodrich, corresponding secretary; Dr. Wilbur Johnston, treasurer; and Miss Ruth Knapp, R.N., school and state health.

## Aircraft Effect for '56 Dodge

Unique high-sweep rear fender tail fins lend an aircraft-like effect to the new Dodge cars for 1956. They, with the twin-jet taillights immediately establish this car's identity. Framed with a gleaming band of chrome, the taillight area boasts a unity of design seldom achieved in automotive styling. On Custom Royal models, the taillight and back-up light are housed in slotted chrome bezels. At night, light from the taillight shines through the slots, aiding in side visibility. On the deck lid, a new crest serves as identification and is similar to the one used in the front. Reflecting the treatment given the front end, a slim "V" on V-8-equipped models is placed directly below the crest. Dual chrome exhausts, as shown, are standard on all Custom Royal V-8 models.

## Dr. Forrer To Speak At New York Meet

Gordon R. Forrer, clinical director of Northville State hospital will attend the Academy of Psychosomatic Medicine at the Plaza hotel, N. Y., Oct. 6-8.

At the Oct. 7 morning session, Dr. Forrer will speak about the Psychological Effects of Atropine Toxicity Therapy.

Specialists in psychiatry, neurology, psychosomatic medicine, neuro-pharmacology, neurosurgery, dermatology, internal medicine, cardiology, allergy and other specialties will unite to discuss ways and means of providing medical patients with the kind of psychosomatic care which will lessen the emotional impact of illness, and help the patient make the best possible recovery from his illness, where this is possible — or, in instances where medicine has no curative treatment, to furnish the patient with the greatest degree of comfort possible.

Newcomers to Northville are the George Jerome family of 743 Horton. Rev. Jerome is chaplain for Maybury Sanatorium and Northville State hospital. He is also closely associated with former Presbyterian minister, Dr. Harold Fredsell in the Kales building in Detroit. Rev. Jerome works as assistant to Dr. Fredsell who is director of church extension in the Detroit area.

The Jeromes moved to Northville from Erie, Mich., where he was pastor of the Presbyterian church there. Previous to that he was director of the Youth Division for five years in the Protestant Social Service Bureau in his home town of Syracuse, N.Y.

This summer the Jeromes managed the Sarah Grindley camp on Joslin lake near Chelsea.

Mrs. Jerome an accomplished vocalist, is a native of New York City and met her husband while he was attending theological school there.

With Mr. and Mrs. Jerome in the picture are their four children: Philip 11, David 9, Jane 5, and John, whom Rev. Jerome calls "The Champ", is six months old.

The Jeromes like Northville and particularly their home with its huge yard for the children.

## Co-op Nursery News

Northville Cooperative Nursery announces that the three year old class began its session Oct. 1. Mrs. Pat (Fred) Hart is teaching this group. The orientation meeting for this group was held at the Presbyterian church Oct. 3, with Mrs. Terry Secord and Mrs. Marylin Lorenz acting as co-hostesses. The four year olds have been meeting since Sept. 17 under the instruction of Mrs. Joyce Schipper.

Nursery mothers for four year olds will meet at the home of Mrs. Eleanor Warren, 520 Pacific Ave., Plymouth, at 8 p.m. Oct. 10 for the monthly meeting. Co-hostesses will be Mrs. Joyce Faust and Mrs. Francis DeMott.

On Sept. 30 the nursery children enjoyed their first field trip to the Parmenter Cider Mill. Each child and attending mother was presented with a glass of cider and a doughnut. Andrew, son of Mr. and Mrs. Andrew DeMott of Plymouth celebrated his birthday that day and Andrew treated each child with a doughnut to enjoy with the cider.

## Martin Elected Head of Willowbrook Group

James Martin, 24420 Willow Lane, was elected president of the Willowbrook Village Ass'n., and a set of by-laws for the organization was adopted at a meeting Tuesday night in the Novi Community Bldg.

Officers serving with Martin for the coming year are Robert Waugh, 1st vice-president; Fred Costello, 2nd vice-president; Jane Marinoff, secretary, and Leonard Berardi, treasurer.

### Directors Named

Jack Carter and Mrs. Bernard Weisberger were elected to the board of directors for a two-year term. Robert Byrd and Mrs. Jack Carter were elected directors of the organization to serve a one year term, thus establishing a rotation system for the election of directors.

The by-laws of the organization, designed to "promote and maintain the well being of the community known as Willowbrook Village," were discussed with the group by Martin, then acting chairman.

A committee consisting of Weisberger, Waugh and Costello had been appointed at an earlier meeting to study and draw up the proposed set of by-laws, and their proposals were submitted to the group in written form. The laws were adopted with only minor changes.

Committees will be named, Martin said, to study various village problems such as the water system, schools, roads, etc.

### Medlyn Speaks To Group

Superintendent of Schools William Medlyn of Novi School District No. 8 spoke briefly to the group on the need for a larger and more complete school system in the Novi area.

He said the Novi districts were all faced with similar problems and that he felt confident a solution to these problems could be worked out in the future.

Medlyn also invited the group to inspect the newly built \$200,000 10-room addition to the Novi grade school at a later date.

Willowbrook wives served coffee and donuts to the group during an intermission early in the evening.

### Introducing This Week . . .

Andrew and Terry Proimos of 23828 E. LeBost are former residents of Highland Park. Mr. Proimos works for the Michigan Towel Supply Co. of Detroit as sales manager. Mrs. Proimos works at the Henry Ford hospital as a medical secretary. They had their second anniversary Aug. 15. The Proimos like to attend all sports and like to bowl. Mrs. Proimos likes to sew and is making all her own draperies for their home. Mr. Proimos is a native Detroit and Mrs. Proimos is from Missouri. They are planning an addition to their new home which will include a recreation room and a 2-carport. The Proimos moved to Willowbrook for the rural life and open living.

Mr. and Mrs. Murray Yaco of 41050 McMahon Circle have one son, Lincoln, who is two months old. They have been married two years in June. Mr. Yaco works for Garwood Industries in Wayne and is a native Detroit while Mrs. Yaco is from Grand Rapids. They both like to read and write short stories. Mr. Yaco is an avid fisherman.

Mr. and Mrs. Chismark of LeBost took their out-of-town guest, John Cummings, who was visiting them from Washington, to Northland for a visit. He was quite impressed with the center. Mrs. Cummings will spend two weeks with the Chismarks in December before going to England. Mr. Cummings is attached to the Scientific Australian Legation in Washington.

Mr. and Mrs. Nelson of E. LeBost attended the Michigan-Michigan State game in Ann Arbor last Saturday. They had a picnic before the game at the island and came back to the Nelsons for dinner after the game. They attended the game with Mr. and Mrs. Richard Harvie.

## Board of Commerce To Revise By-Laws

A proposed revision in the organization's by-laws will be discussed at tonight's meeting of the Novi Board of Commerce, according to Dirk Groenenberg, secretary.

The by-laws have not been revised since 1947, according to Leo Harwood, president. Copies of the proposed revisions have been mailed to all members, he added.

"The Board of Directors has given much time and thought to these by-laws, which they consider a necessary preliminary to the revitalization of the Board of Commerce into a strong, active, and effective force in the community," Groenenberg said.

Dinner will be served at seven o'clock in the Novi Community Bldg. and the meeting will follow at eight.

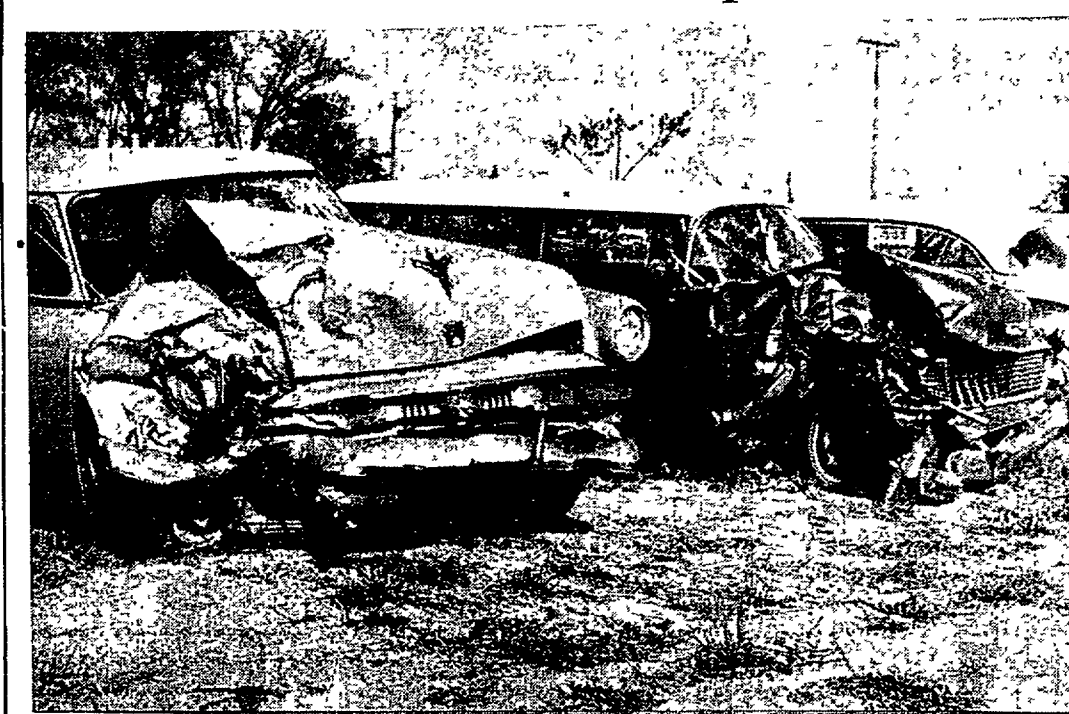

## Officers Elected At S. Novi Farm Bureau Sept. 28

The South Novi Farm Bureau met last Tuesday night in the Novi Community Bldg. for their monthly meeting with 19 members present.

Mrs. James Erwin and Mrs. Ross Correll were hostesses for the evening.

The following officers were elected: president, Philip Anderson; vice-president, Ray Raney, and secretary-treasurer, Mrs. Philip Anderson.

## Two Cars and One Lane Equal . . .

LUCKILY, ONLY THE CARS WERE DAMAGED when two oncoming drivers decided to travel in Grand River's center lane at the same time. The accident occurred late Saturday evening at the intersection of Grand River and Meadowbrook Rd. According to Police Chief Lee BeGole, it is not known what caused the accident except that the two cars were in the center lane at the same time. That in itself, of course, was sufficient cause, he added. Charles Deleuillere, 21, of 46220 W. 11-Mile Rd., was taken to Sessions hospital in Northville for treatment of minor injuries, but was released on Tuesday. Willard Gay, 32, of Detroit, was the driver of the other car and escaped unharmed. Gay's car is shown on the right in the above picture.

## Village Residents Warned By Police

The Novi Police Dept. released the following notice this week to be effective immediately for all Willowbrook motorists:

No parking in front of a public or private driveway, or within 5 feet of such driveways.

No parking within an intersection or within 15 feet of the intersection of property lines at an intersection of highway.

No parking within 15 feet of a fire plug.

Cars must be parked with traffic, that is, the right hand side must be against the curb.

The speed limit of 25 m.p.h. will be strictly enforced in all residential districts, but this does not mean that motorists can drive at that speed all the time . . . only when it is safe.

Chief BeGole also suggested that the young children of the village should not ride their bicycles on 10-Mile Rd.

## Fund Drive Set To Start Oct. 17

Leo Harwood is chairman of the United Fund Drive this year, which will start Monday, Oct. 17. A meeting is called for Tuesday, Oct. 11 at the Town Hall to complete the final plans.

The township will be divided into four sections with various groups responsible for canvassing the areas. The West Novi Ass'n. will be responsible for the northwest section with Mr. Flannery heading the committee.

The Mothers' club with Mrs. Dye, Mrs. Ritter and Mrs. Krug will canvass the northeast section.

The Blue Star Mothers, headed by Mrs. Ward, and the Farm Bureau under Mr. and Mrs. Burgess, will take care of the southwest section.

The board of commerce and Cub Scouts will canvass the southeast section headed by Leo Harwood, Jack Crawford, Russ Taylor and Phil Simonton. Mrs. Morrison will be in charge of the Willowbrook area.

Mrs. Jack Cohoon and her son, Steve, from Camp Pendleton, Calif., are visiting the Jack Crawfords for several months while Marine Captain Jack Cohoon is in Okinawa.

The Woman's Mission band will meet at the home of Mrs. Etta Leavenworth Oct. 13 with a noon luncheon and afternoon program.

## Novi Highlights

by Mrs. Luther Rix  
Phone Northville 245-J

Jack Eby attended church services at Novi Baptist church Sunday for the first time since he was seriously injured in an automobile accident last spring.

Mrs. Howard Greer entertained 14 ladies from the Grace Tremper Circle of the Northville Methodist church last Tuesday. After a pot-luck luncheon and business meeting the ladies worked on bonnets for Korean women.

Mr. and Mrs. Howard Greer were hosts to the members of their pinocle club Saturday evening at their home on W. Grand River. Mrs. Al Gow and Luther Rix won top honors for the night.

Mrs. David O'Leary underwent a major operation at New Grace hospital in Detroit last week on Thursday.

Mr. and Mrs. Harold Miller spent the week end at Mio returning Sunday evening.

Mr. and Mrs. William Mairs celebrated their 49th wedding anniversary on Sunday, Oct. 25 with a dinner at the Mairs' home. Their son and daughter-in-law, Mr. and Mrs. George Mairs and their five grandchildren were present and served the dinner which had been prepared at the George Mairs' home.

Mrs. R. E. Ward and her sisters, Mrs. J. L. Lackey and Mrs. J. W. Chandler of Wixom, and a niece, Mrs. Iris White, took a color tour Sunday. They crossed over to Windsor from Detroit and traveled through Canada to Sarnia and Port Huron, then on to Harbor Beach and Bad Axe.

A pink and blue shower honoring Mrs. Joe Gatterl at the home of Mrs. Pete Gatterl was given by the sisters-in-law on Monday.

On the sick list are Mrs. J. Posenburger of 10-Mile and Wixom roads, who is very ill in Pontiac hospital.

Mrs. Herman Hagerdorn, Sr. is also reported to be very ill. Miss Viola Tamn was honored at a bridal shower last Friday night. The shower was given by Catherine Gardner of Halsted Rd.

Mr. and Mrs. Allen Shaw of Rinjin Gani, Nigeria, Africa, announce the birth of a son, Carl Evan, born Sept. 24. Mrs. Shaw was formerly Marquerite, daughter of Mr. and Mrs. Fred Coykendall of 12-Mile Rd., Walled Lake.

Mr. Shaw is the son of Mr. and Mrs. Oscar L. Shaw of New Brunswick, Can. Both Mr. and Mrs. Shaw are missionaries — Mrs. Shaw from the local Baptist church in Walled Lake.

## All Boys Invited To Scout Hike

Boy Scout and Cub Scout troops are being organized in the Novi and Willowbrook area.

Phillip Simonton, Cub scoutmaster, and Douglas Walston, Boy scoutmaster, are the men to contact for membership.

Cubs meet every other Friday and in their "Dens" once a week. Den mothers are needed in the Willowbrook area.

All Willowbrook boys are invited to attend a hike to Kensington park Oct. 9. All boys are welcome regardless of their interest in joining the scout troop.

## Novi School Notes

Roger Cheeseman is leading in magazine sales. Total sales to date amount to \$603. The sales continue for another week.

The cooperation of parents is asked in connection with the school lunch program. Children are urged to bring in payment for all lunches for the week on Monday.

The Novi school would like for the person who borrowed their records from the juke box last summer to return them. The younger children are heart-broken at the loss of "Hokey Pokey" and the "Bunny Hop". The records were a gift to them from Mrs. George Lien.

The fifth grade finished their reading unit on dogs with a poster contest. Michael Eby, seventh grade winner of the VFW poster contest, and Marian Slenz, sixth grader, acted as judges. Winners were Ginger Cheeseman, first; Carolyn Mairs, second, and Lina Whistle, third.

The eighth grade class went horseback riding at Wroten's ranch one day last week.

The fourth grade science class has been making candles. They are also making a mural of the community.

The third graders are busy learning how to make masks at school.

Michael Ross who has been a member of the sixth grade class has moved to Detroit. He was elected vice-president of the "4 Plus 2" club. James Frisbie has been elected to take his place as vice-president.

Second Grade News  
Sandra Bach suffered a broken wrist bone Wednesday of last week. She is now attending school with her arm in a cast.

Leldon Nail is absent from school this week with tonsillitis.

Gregory Hedrick has not been able to attend school this week because of illness.

George Ciot was at his grandmother's home in Indiana for two

## Two Girls Hurt At Railroad Crossing

Two young girls were seriously injured Friday morning when their pick-up truck went out of control at a Novi Rd. railroad crossing and careened into a nearby light pole.

The girls, Dorothy Sanders, 28, of Wayne, and Georgia "Dixie" Goldsworthy, 16, of Walled Lake, were taken to Pontiac General hospital.

Georgia, who lives at 511 Leon Rd., Walled Lake, suffered from a concussion and back injuries, while her companion suffered from a concussion and multiple fractures.

According to Novi police, Miss Sanders was driving south along Novi Rd., and, after crossing the railroad crossing just north of 8-Mile Rd., evidently lost control of the vehicle. It traveled out of control for almost 200 feet, coming to a stop against a utility pole about 12 feet off the road. The vehicle was reported totally wrecked.

## Girl Scouts Elect Officers

Brownie Troop No. 493 met at Novi school Wednesday, Sept. 28 for the first time this fall. Election results are as follows: president, Kathleen Probst; vice-president, Dawn McCollum; secretary, Jane Loyne; treasurer, Margurite Miller; clean-up committee, Jane Loyne. The girls met with their new co-leader, Mrs. Gattrell of 11 Mile Rd. The girls voted to have treats once a month instead of at every meeting.

The combined Intermediate Troops No. 456 and 460 met on Wednesday and planned a cook-out to finish a badge. They also made sit-upons.

The Senior Troop met at the home of leader, Mrs. Bellinger, for a cook-out. Plans were made for one meeting each month to be an athletic program and each girl will take turns at entertaining in her home.

Intermediate Troop No. 492 met at the school and had election of officers. The new officers are: president, Carol Newbegin; vice-president, Barbara Wallace; secretary, Diane McCollum, and treasurer, Sharon Pounders.

Brownie Troop No. 602 met in the kindergarten room of Novi school and made banks from salt boxes. They plan to save money for next summer Indianwood day camp. Committee woman Mrs. Dorothy MacDermaid assisted the leaders.

## AMVETS Set Date for First Dance

The Novi AMVETS' Perry Kenner Post No. 76 will hold their first dance of the season Saturday, Oct. 22 at the AMVET post home in Wixom. Lasting from 10 until 2, the dancing will be both modern and square and Chet Finney will be featured as caller. The same orchestra that played for last winter's dances will furnish the music. The public is invited, a spokesman for the AMVETS said, and the admission is one dollar per person.

## Couple Celebrate 40 Years of Marriage

Open house was held at Novi Baptist church Sunday afternoon honoring Mr. and Mrs. Clyde Johnston on their 40th wedding anniversary.

Mrs. William Flint and Mrs. Belle Walter presided at the refreshment table which was centered with a four-tiered wedding cake and decorated with red and white carnations and gladioli.

Out of town relatives were Mrs. Johnston's brother, William McCowan, Mr. and Mrs. Howard McCowan and son, Duncan, from Mason, Mr. and Mrs. William Abbott and children of Milford and Mrs. Edith McDermott of Livonia.

Mr. and Mrs. Johnston received many lovely gifts, along with good wishes from their many friends who were present for the happy occasion.

days. His grandmother has been very ill.

The children are enjoying their newly acquired goldfish and two turtles.

## Asks Board To Seek New Building Inspector

William J. Flynn, Novi Township building inspector, submitted his resignation to the township board Monday night after four years of service.

"The job of the building inspector," Flynn said, "is rapidly becoming a full time operation, and I am unable to give the job my full time." He added that he would appreciate the appointment of a successor at the board's earliest convenience.

Board action on Flynn's resignation was deferred until a successor can be found.

The Monday night meeting, which was marked by a sharp decline in attendance, was one of the quietest and most orderly meetings to be held in recent months.

### New Plant Proposed

Don Wells, Inc., a Detroit asphalt paving company, submitted final plans for their proposed plant and industrial site development adjacent to the railroad southwest of Grand River and Novi Rd.

The project, which calls for industrial site development along the northern side of the railroad and commercial sites along Novi Rd., is scheduled to get under way this fall if the board grants approval, a spokesman for the company said.

The board tabled the plans until the next meeting in order to make a further study of the proposed roads within the platted portion.

### Harwood Appears

Novi businessman Leo Harwood appeared before the board to appeal the township's demand for a 20-foot easement through the rear of his property. He was represented by Attorney Sylvester Pheny.

Pheny argued that granting the township full use of the 20-foot strip was all that could be required of Harwood and he offered to submit Harwood's

written permission for township use of the 20-foot strip. The board agreed to accept Pheny's proposal.

### Staman Reports

Staman reported on the Sept. 29 trip to Oak Park by members of the township board and fire department. He said the group had studied various phases of the combined police and fire department which has been in operation in that community for some time.

Known as the department of safety, the group consists of employees trained in both police and firefighting work. Policemen, Staman said, carry their firefighting gear in their patrol cars at all times. Last year, Staman pointed out, 34% of the Oak Park fires were handled by police cars.

### Receive \$1,685

The office of civil defense notified the township that they would pay half of the cost, or approximately \$1,685, involved in purchasing the two-way communications network now in operation within the township.

All township police and fire vehicles are now equipped with two-way radios and are in constant contact with the township hall. Until now, the township has been leasing the equipment.

### Annexation?

Township Treasurer Charles Trickey, Jr. made a motion to annex the city of Northville, renaming it South Northville. The motion was seconded by Trustee Harold Miller. No vote was taken, however, and the matter was shelved indefinitely.

## MEET

## Your Merchants . . .

Leo Harwood

His phone number is 3034 but more than likely his wife will tell you he's at some meeting or other.

Whether it be Board of Commerce, Oddfellows, AMVETS, Shrine, United Fund, Goodfellows, church, or any other local organization, Leo Harwood will be found taking an active part. A born organizer, Leo himself puts it this way, "I enjoy people and I enjoy organization work."

A person might ask if all these activities leave him any time for family life with his wife, Bernice, and two daughters, Diana Lee, 10, and Debra Lou, 9. Leo emphatically says "yes" and a look around his home at 27000 Novi Rd. will bear him out.

A far cry from the 4-room log cabin they purchased in 1945, the home is as well laid out and livable as any in the area. Leo and his wife point with pride to the many additions and improvements made since they have lived there.

In addition to building an extra room and finishing

**DON'T SCRATCH THAT ITCH! IN 15 MINUTES.**  
 You MUST be rid of the ITCH or your 40c back at any drug store. ITCH-ME-NOT actually gives triple-action relief. It deadens the itch, peels off tainted outer skin. KILLS GERMS AND FUNGUS ON CONTACT. Fine for eczema, foot itch, other surface rashes. Today at Gunsell's Drug Store, 102 E. Main St., Northville.

### Legion Auxiliary Receives Award

The Lloyd H. Green Unit No. 147 of the American Legion received national recognition last week from Legion Auxiliary headquarters in an award of the purchase price of a U.S. bond for their efforts in promoting the stamp savings program in the local schools the past year; and was awarded on the basis, to the unit submitting the most effective and stimulating bond program.  
 Mrs. Donald Severance was the auxiliary chairman of the drive and Mrs. Paul Burnham was auxiliary president.

## LOOK AT ALL THE CHECKERED FLAGS CHEVROLET'S COLLECTED!

Drive with care... EVERYWHERE!

Great Features back up Chevrolet Performance: Body by Fisher—Ball-Race Steering—Outrigger Rear Springs—Anti-Dive Braking—12-Volt Electrical System—Nine Engine-Drive Choices.

Every checkered flag signals a  
 Chevrolet victory in official 1955 stock car  
 competition—not only against its own field  
 but against many American and foreign  
 high-priced cars, too!

Let's translate these Chevrolet victories into your kind of driving.

You've got to have faster acceleration to win on the tracks. And that means safer passing on the highways. You've got to have better springing and suspension. Again, safer and happier motoring for you. You've got to have big brakes that act fast and smooth... and easy, accurate steering. More things that make your driving safer.

But it's more fun to try these things out than just to talk about them. So come in and let's take a ride.

The safer car wins...  
 and Chevrolet's  
 the winning car

NOW'S THE TIME TO BUY!

## Teens Invited To Rock 'n Roll Dance

The new "rock 'n roll" teen club of Livonia will hold another of its weekly teen-age dances this Friday, Oct. 7, from 8 p.m.-midnight.

Music will be furnished by Jim Mulla (Molay) and his rhythm combo. Entertainment will also include a floor show designed for teen-age interest.

Refreshments are available and tickets can be bought at the door. The club is located west of Inkster Rd. on Grantland, in the union hall.

## NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENTS TO ZONING ORDINANCE OF THE TOWNSHIP OF NORTHVILLE

Notice is hereby given that the Zoning Commission of the Township of Northville will hold a public hearing on Tuesday evening, October 11, 1955 at 8:00 o'clock P.M. in the basement of the Library Building, Northville, Michigan, for the purpose of considering the text and map of proposed amendments to the Zoning Ordinance of the Township of Northville, as amended. The following is the text of the proposed amendments to the Zoning Ordinance of the Township of Northville, as amended:

**Proposed Amendments to the Zoning Ordinance of the Township of Northville, Michigan**  
The Township of Northville Ordains:

**PART I.** That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of two (2) new paragraphs to Section 3.08 of Article III to read as follows:

All lots must be served by a municipal sewer system or an approved disposal system capable of disposing of the effluent, acceptable to the requirements of the Wayne County Health Department.

In areas where the soil conditions are found to be inadequate to support septic tank facilities and special means of disposal must be provided for in order to safeguard the health of the community, and the lot areas as prescribed in this Ordinance are insufficient to furnish this safeguard, no building permit shall be issued for a building unless the lot area is sufficient in size to support the disposal system as shall meet the approval of the Wayne County Health Department.

**PART II.** That the Zoning Ordinance of the Township of Northville is hereby amended by the deletion of paragraphs (c), (d), (e), (f), (g) and (h) of Section 7.01 and the changing of paragraph (i) to become paragraph (c) and paragraph (j) to become paragraph (d) of Section 7.01 of Article VII.

**PART III.** That the Zoning Ordinance of the Township of Northville is hereby amended by amending paragraph (f) of Section 10.01, Article X to read as follows: Section 10.01 (f)

## Customers' Corner

Anniversary Album

You can see by A&P's up-to-the-minute methods of food distribution that we definitely don't live in the past. But, like most oldsters, we do cherish our memories. We've collected quite an album full since 1859. But there's always room for more. And this month, as our 96th Anniversary rolls around, we're adding to our fond recollections of those who have contributed to A&P's steady growth.

Among them are the thousands of loyal A&P employees whose untiring efforts have helped us carry out our founder's policy of bringing more good food to more people for less money, and the millions of customers who have shown their approval of this policy by their continued support and patronage.

We're mighty proud to have so many friends represented in our album of memories and hope to add many new ones in the coming year.

FREE as a bird—

She has an **ELECTRIC** Clothes Dryer

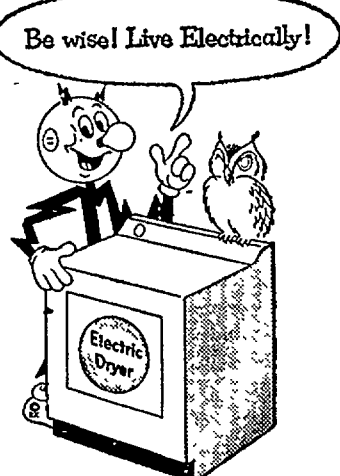

There's nothing like an electric clothes dryer to help you fly through washday. Put the wetwash in; take the dried clothes out. It's as simple as that!

You're as free as a bird—and as lively, too. For you have cut out all that lifting, lugging, climbing stairs with baskets of heavy wet laundry.

You're free to do the many things you'd like to do—enjoy your family, work at community projects, tackle those put-off jobs that never seem to get done.

You'll like the way an electric clothes dryer takes the work out of washday.

of approving the project without further consideration. Consequently, actual voting on the issue was deferred until the Oct. 3 meeting to give Stubbenvoll the opportunity to confer with Wayne County Road officials. Attending the meeting with Stubbenvoll was Commissioner Ed Welch and City Attorney Ogilvie.

Commissioners Stubbenvoll and Welch reported that the commission has no alternative insofar as the proposed construction is concerned.

"The planning is being done in the interest of Northville's present and future and the commission will be acting in the interest of the majority if they pass this resolution," Welch said.

**Facts About the Road**  
Carlyle St meets the specification and any location more dis-

tant would not be in compliance with the law and therefore, impossible.

The road will be an alternate route leading to M-23 going to Lansing, Grand Rapids, and some-day Lake Michigan. It will also be a direct route to Detroit.

The present Baseline road will not be abandoned by the county; however, this is no guarantee that it and Randolph St. will not be turned back to the city.

The proposed route will eliminate four dangerous intersections at the C&O Railroad and Novi Rd., 8-Mile Rd. and Novi Rd.; C&O Railroad and Baseline, and the curve on Novi Rd.

Safety precautions will be taken and foot overpasses will be erected for school children.

**About the Storm Sewer**  
A storm sewer will be installed on the south side of Carlyle St. during the spring of 1956. The city will be obliged to pay 50% of the cost.

Littell with the names of owners and tenants in July, as well as with a description of the nature of the zoning violation. Littell said this week that he had not been supplied with Thompson's name as a tenant of one of the properties and accordingly, Thompson had not been notified of the violation officially.

At its original August meeting, three months after the original complaint, the board voted to give Schoultz another month to comply with the ordinance. Thirty days more passed, and at the September meeting the board heard a report that Schoultz had sold the property to another party. After another 30 days, on Oct. 4, the board asked Littell to send Thompson a cease and desist order similar to the one he sent Schoultz 90 days ago.

The total elapsed time since the first complaint was voiced to the township board has now reached five months.

Nutten's comment to the Township Board was enlightening. Without specifying who he was referring to he said: "All I've got out of him is just conversation. . . . He hasn't done one damn thing yet."

Mr. and Mrs. F. M. McCormick of Maxwell Rd. returned Tuesday from a vacation trip to Manistee lake.

## CHURCH MEMBERSHIP SOARS

"An unprecedented 20th century movement toward religion had gained such momentum that more than six out of every ten Americans belong to churches, according to the latest religious census shows." Maybe people take this upward surge of Church membership as a token a better spiritual condition in our nation. I regret that I am forced to take an opposite view. In previous religious awakenings it has always been accompanied by a decrease in crime and immorality. Such is not the case today—in fact crime and immorality are also soaring.

Something must be wrong. I wonder, could it be the salt has lost its savor? (Matthew 5:13). When Church members could not, if their life depended upon it, tell you what one must do to be saved; when they look at you as though you were speaking in a foreign language when you talk to them about repentance, sanctification, etc.; one begins to wonder what breed of pre-fession Christians have joined our churches. When they curse, work on the Lord's Day, drink, gamble and live like people who never darken a Church door, one wonders—can these be Christians? Certainly they are not the kind that the Bible speaks about; Let us remember that Church membership cannot make a soul right with God.

Donald Severance voted "no". Mrs. Wagenschütz was absent. Schrader explained his "no" vote by saying, "I voted 'no' because I don't think that I'm qualified to decide the matter."

Mrs. Milne retorted with, "Then you are not prepared to accept the recommendation of Superintendent Amerman and the three school principals?"

"No", said Schrader. Severance said that he voted "no" because he didn't think that there would be enough parent participation to warrant such a program.

Mrs. Milne was contacted the following day, Tuesday, and said that the discussion group would proceed with their plans without the financial backing of the school board.

"The study group has great merit and great value from the preventative standpoint," Mrs. Milne said, "and Mr. Schrader didn't understand that. Schools have to be concerned with mental health. Furthermore, the schools were going to have Miss Patton of the Merrill-Palmer school in Detroit at their service one day a week to help teachers and parents with problem children."

The discussion group will continue with their meetings on a tuition basis, with the help of the P-TA. Meetings will be held in the home economics room in the high school. Miss Patton has agreed to serve as moderator for the beginning group this first semester.

## Township Lease of Old School Building Probable

Before leasing the idle Waterford school building from the Northville Board of Education, the Northville Township Board will get an estimate of what it will cost to put the building in serviceable condition. Should the cost prove reasonable, the board

off the second floor, they have added a two-car garage (which is so full that Leo can't get either car in it), built a large recreation room in the basement, built a large screened-in porch, and completely remodeled the small rental house at the rear of their property.

Born in McCleanboro, Ill., 35-year-old Leo came to Detroit in 1937. After some courting, much of which was done in the vicinity of Novi, the couple claim, Leo and the former Bernice Wickline were married in 1940. They lived in Highland Park for several years until Leo entered the army in 1942. After serving on the European front for several years, Leo was discharged in 1945.

Several months later they purchased the 4-room log cabin on Novi Rd. from John Klasner, Sr. At that time, Leo was working for the Associated Discount Co., a large finance company in Detroit.

In 1949 he leased the gas station at Grand River and Novi Rd. from Caroline Gaffney and operated it along with his job in Detroit. Several years later he purchased the property from Mrs. Gaffney and the following year, discontinued his Detroit job to devote full time to the station.

In addition to the station, however, he organized a catering service at Novi Equipment Co. and his parents, Mr. and Mrs. W. A. Harrawood, came to Novi to operate it for him. Leo sold that business about a year and a half later.

An ardent flying enthusiast, Leo owns and operates his own plane, a new Piper Tri-pacer which he keeps at the New Hudson airport. During the last year alone, he traveled over 4,000 miles by plane. Leo's family shares his enthusiasm for flying and the whole family takes many short vacations and trips in the plane.

In addition to flying, his other hobbies seem to be remodeling the house and doing organization work. Leo is president of the Novi Board of Commerce and past regional commander of the AMVETS.

Regarding his much talked about new \$50,000 service station, Leo credits the loyalty of his many customers in the community for making the expansion program possible.

When asked about a possible opening date for the new station, Leo said, "We'll be pumping gas this week end . . . well, next Tuesday for sure."

ter service the city will terminate their contract." This action was taken as a direct result of complaints made at the city hall by irate townspeople.

**NEW POLICEMEN** — Police Chief Joseph Denton and Mayor Claude Ely announced the appointment of a new policeman, Alex Funke.

Funke was sworn to office Oct. 1 and has a requisition in for his uniform. He will start his 90-day probationary period in two weeks.

**NEW NAME** — The recently appointed citizens advisory committee requested the commission to give them a name. It did. The group will now be known as the "Northville Improvement Study Committee".

**FREE MOVIE** — The commission approved the request of Stan Johnston to show color movies of the recreation department's summer program at the next meeting. The public is invited to see the 20-minute movie at the city hall, Oct. 17 at 7:30 p.m.

probably will lease the building for \$25 per month on a three to five year basis.

This was the consensus of opinion expressed by board members at their regular monthly meeting Tuesday evening.

As related previously to the school board by James E. Littell, attorney for both the township board, the township will need an office for the clerk and supervisor, as well as a new polling place, as soon as Northville adopts a charter and formally becomes a city.

At present Clerk Fred Lyke and Supervisor Lawrence use their residences for office purposes, including the storage of township files and records on all matters. He told the board of education that the township may establish a regular office in the Waterford school for the convenience of township residents.

## Ambler In New Job

Dick Ambler resigned last week from the George L. Clark Hardware store to accept a position in the newly created salary equalization division of Chrysler Corp. in Detroit. Dick says the new post will put him again at the type of work he is familiar with and likes the most. He handled a similar job for Kaiser Frazer before that firm contracted its Michigan operations.

Congratulations to Martha and George Ames on their ninth wedding anniversary Oct. 8 and to the Donald Keck's of LeBost Dr. on their fourth anniversary.

## Exhibit Rules for Wild Animals

Lansing, Oct. 7 — The public hearing to discuss new regulations on exhibitions of wild animals was held last week at Higgins Lake training school.

Michigan has about 25 roadside zoos or other small exhibitions of animals, licensed and regulated by state law. The new regulations, however, tighten up specifications on the types and sizes of pens to be used, the distance the public must remain from the animals, the number of animals that may be housed in one pen and other regulations.

## Northville Man Named Building Fund Chairman

J. W. Cheetham of Northville has been selected as chairman of canvassers for the building fund campaign of St. John's Episcopal church, Plymouth. Cheetham will be assisted by Kenneth E. Stevens. The two men are planning a meeting for team captains to be held this coming week end. At the meeting, captains will be briefed as to their work and will start to select the members of their teams.

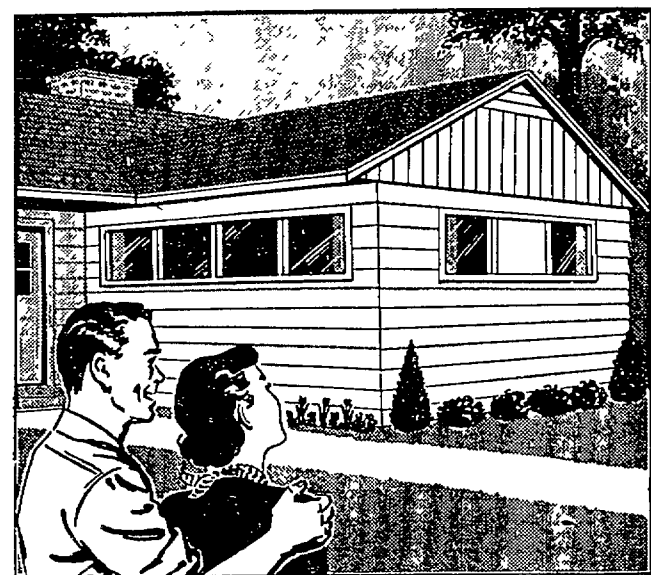

Mrs. Walter K. Sumner is serving

as chairman of a committee arranging for a series of 30 neighborhood meetings for all members of the congregation. Mrs. John F. Vos is vice-chairman.

The meetings will be held Monday, Tuesday, Wednesday and Thursday of next week at the homes of members of the church. The meetings are intended as a means of explaining to all in the church the plans for the building fund campaign. No solicitation will be carried on in any form, according to the committee. The meetings will be entirely informal and full discussion of the program is to be encouraged. Each adult in the parish is to be invited to one of these meetings by one of the hostesses, over the coming week end.
