CHARTER PASSES - - - WINS BY 5-1 VOTE

40% Of Registered Voters Go To Polls

Allen Leads In Council Race With Newcomer, J. S. Canterbury, Close 2nd

Northville electors Tuesday accepted the new city charter by a vote of 523 to 115, or a margin of more than four, and one-half to one.

They also elected six new city officers, of whom five were incumbents under the village administration.

Claude N. Ely, who had been village president, becomes mayor of the new city for a two year term. Ely, who was unopposed, collected a total of 560 votes out of a total of 653 cast.

Allen-Canterbury Lead

A. Malcolm Allen, commissioner for the village, and John S. Canterbury, a comparative newcomer to Northville (5 years residence), easily led the race for council and were separated by only five votes when the final tabulation was made. Allen polled 453 and Canterbury 448. By polling the two highest totals, Allen and Canterbury were elected to four year terms as council members.

An interesting sidelight of the Allen-Canterbury tabulation was that Allen led in Precinct No. 2 by 13 votes, the totals being 169 for Allen and 153 for Canterbury. In Precinct No. 1 the situation was reversed, Canterbury leading Allen by 11 votes. The totals for this precinct were Canterbury 295 and Allen 284.

Reed Is An Easy Third

Earl Reed, who was serving his first term as a village commissioner, ran an easy third for council, but polled 73 votes less than Canterbury and 78 less than Allen. His total was 375.

Stubenvoll Noses Out Welch

The hottest contest, and one that was in doubt almost until the final ballot was counted, was between John F. Stubenvoll, veteran village commissioner, and Ed Welch, who was serving his first term on the village commission. Stubenvoll won by a slender margin of eight votes, with a total of 330 to Welch's 322.

The interesting aspect of the Stubenvoll-Welch race was that it resulted in an exact tie in Precinct No. 1, where each man polled 197 votes. In Precinct No. 2, however, Stubenvoll led Welch by an eight vote margin which proved the decisive factor in the election.

F. Alton Peters, who had been a member of the village commission for several years ran sixth with a total of 273 votes.

Bogart Unopposed for Justice

E. M. Bogart, incumbent justice of Northville township, was unopposed for city justice-of-the-peace and polled a total of 560 votes. Bogart's election to the city post is tantamount to resignation as township justice as he no longer will be eligible to hold a township office. However, the power of justice-of-the-peace crosses city-township lines so he will still be able to handle cases arising in the township.

Positions To Fill

When the new City Council meets Monday evening, Dec. 19, it will decide on a date to fill the following positions which until now have been on an elective basis: City Clerk (Mary Alexander), Treasurer (A. Russell Clarke), and Assessor (E. M. Bogart).

The following positions will be filled from the council's membership: commissioner of public works, finance committee, recreation committee, assistant police commissioner, fire commissioner, and community building committee.

Also up for reappointment for two-year terms will be the following village officials: Police Chief Joseph Denton, Superintendent of Public Works Herman Hartner Jr., Attorney Philip O'Neill, Building Inspector Stanley Waterloo, and a Board of Review. Appointment to the Board of Review will be on a staggered basis.

Charter Vote Expected

Ratification of the new city charter did not come as a surprise to those who have followed its progress since the charter commission which drew it up started work last spring. At no time was any public controversy permitted to develop and there was a minimum of publicity on the one or two points of disagreement within the commis-

sion. When only seven electors showed up at the charter commission's public meeting last month which was held expressly to inform the public, it became almost a foregone conclusion that it would pass easily at the special election this week.

Acceptance of the charter marks the final step taken by Northville in the second attempt to become a city. An earlier effort in this direction two years ago met with vigorous opposition by persons residing in the area just outside the village boundaries, who would have been annexed under the plan at that time. Their opposition, plus resentment at the village's attempt to also annex the area to the south of the village, including the Northville State hospital, was sufficient to pile up a "no" vote on incorporation in 1953 of 527 against a "yes" total of 452.

The move to make Northville a city this year went through smoothly from the start because proponents of the proposal avoided the mistake of trying at this time to annex adjoining areas. It won by a vote of 476 to 334 at the election last spring.

Court Action On Re-Zoning Ended

Upon being informed that the Northville village commission had revoked its recent re-zoning of the St. Lawrence property, and agreement by attorneys for the village and Northville Downs that the re-zoning had been illegal by reason of failure to give proper notice as required by statute, Circuit Judge Frank Ferguson Tuesday dismissed the suit brought by six city and township residents to invalidate the ordinance. Plaintiffs were Charles H. Mumery, Irving J. and Dorothy M. Shoebridge, John and Fieda Haller and F. D. Sober.

Action by the village commission in revoking its re-zoning action last week had accomplished the purpose of the suit, which was to stop construction of stables on the property by Northville Downs. It is expected, however, that Northville Downs will again make application to have the property re-zoned as soon as the new city government is organized and procedure for handling re-zoning applications is set up.

200,000 Pieces of Mail Cancelled In Northville

Postmaster Expects 550,000 More Before Christmas; P.O. Will Be Open Sat. & Sun.

Checking the program of his "Mail Early for Christmas" campaign, Postmaster Leland Smith predicted today that the 1955 holiday season will be a real record breaker as he noted the mounting flood of Christmas cards and gift packages.

"Last year we cancelled a total of 525,000 pieces of mail between Dec. 1st and the 25th. This year we have already cancelled 200,000 Christmas cards, letters and packages, and the real rush is just starting," Smith continued, "we expect to cancel 550,000 pieces between now and Christmas."

The postmaster went on to say the mounting volume of Christmas mail makes it doubly important for everyone to help on the "Mail Early for Christmas" program. He warned that packages mailed to out-of-state points after this week may not be delivered in time for Christmas.

Smith said the flow of Christmas cards is running about normal,

but parcel post is definitely behind schedule and suggested that all out-of-state parcels still to be mailed should be sent by air parcel post, and he pointed out that Christmas cards addressed to the most distant points should also be air mailed.

Special Christmas hours have been scheduled. The post office will be open Saturday, Dec. 17 from 8 a.m. to 6 p.m. and will be open Sunday, Dec. 18 from noon until 4 p.m. All first class city deliveries will be made Sunday by mail carriers.

Postmaster Smith reminded residents again that all gifts should be wrapped securely with plenty of heavy paper and tied with strong cord. Write legibly or better yet, print the recipient's full name, street address, zone number, city and state on all mailing labels and Christmas cards. Send all cards by first class mail and be sure to include your name and address on the Christmas card envelopes.

Christmas seals and "Do not open until Christmas" stickers may be used but always place them on the back of your gift parcels or Christmas cards, leaving the address easy to read.

Merchants To Offer Prizes In Home Xmas Decorations

Christmas decorations are already appearing throughout the city of Northville and again the Merchants Assn. are offering four turkeys as prizes for the most effective home decorations.

The four prizes will be awarded in four sections of the city. Paul Folino is chairman of the decorations committee this year. Judging the homes will be Bruce Turnbull, Charles Freydl, Mrs. Garret Barry and Alfred Sibley.

Donations for the Christmas decoration fund can be made at George Clark's Hardware, Paul's Sweet Shop and Altman's Store. Prizes will be awarded two days before Christmas.

Township Board Must Appoint Successors to Lyke and Hay

Acceptance of the new city charter by Northville electors at the special election Tuesday presents certain problems which the Northville Township Board must act upon in the near future.

Most important of these will be the necessity for Supervisor Mollie Lawrence, Clerk Fred Lyke and Trustee Ralph Hay establishing residence in the township to hold their official positions.

Supervisor Lawrence has already made plans to establish residence at 18910 Beck Rd.

Both Lyke and Hay have said privately that they do not wish to move outside the city and it is presumed that they will offer their resignations as soon as the city charter vote is certified late this week, or earlier.

(Editor's Note: When contacted Wednesday noon, Treasurer Roy Terrill said that he had no knowledge of any township meeting to be held before next week.)

Following their resignations, the remaining members of the board have the authority to appoint successors to serve out the unexpired terms. Those on the board in addition to Supervisor Lawrence are Treasurer Roy Terrill and Trustee R. D. Merriam.

In anticipation of Northville formally becoming a city, the township board has already signed a five-year lease with the

Northville Board of Education for the vacant Waterford school, which is to be used as a township office. The building has been renovated and can be used immediately for storage of township records and as a meeting place instead of the Northville Public Library.

Twp. Value \$7,241,280

Roll Is \$232,740

The assessed valuation of the Township of Northville is \$7,241,280, as compared with \$6,985,650 in 1954, according to Township Treasurer Roy M. Terrill. The total tax roll is \$232,740.40 as compared with \$219,660 in 1954.

The real estate assessed valuation is \$5,656,930 and the personal assessed valuation is \$1,584,350.

Roy M. Terrill will be at Depositors State Bank to collect taxes each Tuesday and Friday starting Friday, Dec. 16, until March 1, 1956. After March 1, the taxes will have to be paid at the Wayne County Treasurers office in Detroit.

Payable to the county treasurer out of taxes is the sum of \$79,412.10 which includes county tax, drain tax, and care of the poor and special educational tax.

The township pays out of the county charge \$7,706.16 towards the care of the poor at Wayne County General hospital and \$7,444.46 drain tax at large.

The township deficit of the roll is \$7,213.24 and the reassessed rejected tax amounts to \$21.82.

School taxes are as follows: Northville Public school, \$147,244.25; No. 6 N & N, \$2,024.43; and Plymouth Township schools, \$11,251.04.

Terrill pointed out that the tax rates for the three school districts are: Northville Public school, \$31.32 per M; No. 6 N & N, \$18.11 per M; and Plymouth Township schools, \$34.20 per M.

Trailer Fire Sends Mother And Two Sons To Hospital

A young mother and her two sons were severely burned when an oil heater exploded in their house-trailer early Saturday morning.

The trailer, parked on Gerald Ave., was occupied by Mr. and Mrs. Joseph Pearce and Mrs. Pearce's two sons by a former marriage, Harold 2, and Roger 3.

Taken to Sessions hospital for immediate treatment for burns were:

Mrs. Joseph Pearce, burned around the head, arms and legs. Roger Armstrong 3, burned on and about the left hand.

Harold Armstrong 2, burned around the head, hands, face, arms and legs.

Joseph Pearce suffered slight burns. He was treated and released.

Harold was given first aid treatment by Dr. Bosch and then transferred to the Ann Arbor University hospital. A hospital representative said that Harold will

spend some time in the hospital.

Mrs. Pearce and Roger were discharged from Sessions hospital Tuesday morning.

The fire destroyed the house-trailer and all of the family's personal and household property.

The 5 a.m. fire alarm was answered by approximately ten Northville firemen.

Police Answer 112 Calls In November

Police Chief Joseph E. Denton reported that the Northville Police department answered a total of 122 calls in November, 26 over the 1954 figure. A total of \$1,158 was collected in fines as compared with \$671 last year. Traffic violations (120), were

almost doubled compared to last year (72).

The following numbers in brackets represent the 1954 record figure: arrests 20 (12); court cases, 20 (12); persons bitten by dogs, 1 (3); juvenile cases, 3 (3); petty larceny, 5 (3); vandalism cases, 2 (1); accidents investigated, 1 (2); to Eloise, 1 (1).

SANTA CLAUS IS HERE AGAIN. That jolly man in the fire-engine red suit and snow white whiskers is making his headquarters in Northville in the store building next to the bank. Santa listens to children rattle off their Christmas list every day between 3 and 5 p.m. and 6 and 8 p.m. During the other hours Santa gives last minute instructions to his workers at the North Pole and walks around town visiting with the busy merchants and shoppers. "Of course you're not too old," Santa Claus said when Pat Berdan 14, and Sharon Budd 15, queried him before sitting on his lap and whispering their Christmas wishes in his ear this week.

Famous Paintings Featured At AAUW Meeting Dec. 15

The Plymouth branch of the American Assn. of University Women will meet Thursday, Dec. 15 at 8 p.m. in the home of Mrs. E. E. Crosby, 15335 Lakeside Dr.

The Arts Study group will sponsor the meeting for which they have prepared a program of special interest at this Christmas season. It is entitled "The Christmas Story in Art Masterpieces".

The story of the birth of Christ has inspired the world's finest art, and the greatest painters of the western world, especially those of the Renaissance period, have interpreted the Nativity theme in their works. Reproductions of famous painting by Raphael, Grivelli, Bosch, Lippi, Weydon, David and Bellini have been borrowed for this occasion by Mrs. R. L. Nulty, chairman of the Arts group. Mrs. L. T. Scharmen and Miss Irene Truesdell will describe the paintings, give the background of the artist and the characteristics of his paintings. Also, a short film, entitled "Christmas Around the World", will be shown with Mrs. R. N. Fritz presenting the commentary.

The Arts group meets the second Thursday of each month. Membership in the AAUW is not by invitation. Any interested woman university graduate is eligible to attend meetings and eventually join the group. For additional information call Mrs. G. L. Petersen at 621-J.

Camera Club Meets Tonight; Will Shoot Table Top Displays

The adult camera club will meet Thursday, Dec. 15 at 7:45 p.m. in the recreation building on Dunlap St. to discuss and shoot table top displays.

Mrs. Dearing, club president, would like to remind those members who have Cal-cam focal guides to bring them along and also any articles that would make pleasing subjects for table top photography.

Guests are welcome to attend the meeting.

23 Students Tour Chrysler Plant

Twenty-three students from the physics class of Northville high school, accompanied by their physics teacher, LaGene M. Quay, took a field trip through Chrysler Engineering, Highland Park plant, recently.

The 23 students were shown the various parts of the plant where extensive testing, quality control and research work is carried on. Bob Hart, dean of Chrysler's Undergraduate school, talked to the students about high school curricula that they should follow if interested in engineering. He also showed the students through the Chrysler Institute, undergraduate and graduate divisions.

Average TB Case Costs \$15,000; Taxpayers Pay Largest Amount

Dear Readers of The Northville Record:

For many years you have supported the work of the Tuberculosis and Health Society by your generous contributions to the Christmas Seal Sale. You can take pride in the progress that has been made toward the defeat of tuberculosis in our community—but tuberculosis has not been conquered.

Recently a man in this town packed his bags and said goodbye to his family. He couldn't say when he would be home again. He is 48, has a wife, a boy in high school, a girl in junior high, a small house, and modest savings. He has worked for one firm here for nine years. The future looked fine, until tuberculosis struck.

What happens now? He can be fairly sure he'll get well although TB does take 18,000 American lives a year. His case was discovered early, during an industrial x-ray program and he'll get the best possible treatment in Herman Kiefer hospital.

How much will it cost to get him back on his feet? The average is about \$15,000, including medical care, compensation, pensions, relief payments, and loss of wages. Most of this cost is paid for by you as taxpayers.

What about his family? You can imagine that it won't take long to eat up that nest egg. Will his wife have to go to work? What about those youngsters who need attention and care? Community agencies that you support will advise and help. But it will be difficult times for this family until the father comes home, and no one can promise when that will be.

And when he comes home, will he have to be trained for other work? This, too, costs money.

To put it bluntly, this family has switched from the asset to the liability column in this community. Tuberculosis is a preventable disease, an unnecessary disease, yet 400,000 Americans have it.

The money you give to the TB and Health Society is spent to prevent TB: to teach people how to build and keep good health, to find unknown cases of TB that may be spreading infection in this community, to help former TB patients keep well and back into the community asset column, and to find through scientific research ever better ways of preventing and treating TB.

When you buy Christmas Seals you are protecting the health of your own family. You are mak-

ing an investment in the future of your community. With your continued support we can wipe out tuberculosis in Wayne county.

If you have not received your Christmas Seal in the mail you will find them in Seal Seller boxes in your community or you may call Woodward 1-1697 and the Seals will be sent to you immediately.

Yours sincerely,
William S. McNary
Chairman

Mrs. R. M. Atchison and Seven Year Old Roxanne

At this time of year we think of colorfully decorated Christmas cookies; rich, dark or light fruit cakes; red or green holiday punch but rarely of a holiday pie. And why not?

Mrs. R. M. Atchison has given her Christmas Egg Nog pie recipe for the "What's Cookin'" column this week because it is particularly appropriate for this holiday season. Decorated with red and green candied cherries, it is truly a gay, mouth-watering concoction. Served other times, sprinkle nutmeg or chopped nuts over the top.

The Atchison's youngest child, Roxanne, aged 7, is shown watching her mother prepare the Egg Nog pie. Roxanne has an older sister, Rhonda, who is 10. Dr. and Mrs. Atchison also have two sons, Rick, a cadet at Kemper Military academy in Boonville, Mo., and

CHRISTMAS EGG NOG PIE

1 tbs. plain gelatin (1 envelope)
2 tbs. water
½ pt. coffee cream
½ cup sugar
¼ tsp. nutmeg
3 eggs, separated
2 tbs. rum
1 tsp. vanilla
½ pt. whipping cream

Soak gelatin in cold water for five minutes, or until soft. Combine thin cream, sugar, beaten egg yolks and nutmeg in top of double boiler. Cook over hot water, stirring constantly until mixture coats the spoon. Remove from heat and add soaked gelatin. Stir until dissolved. Cool. Add rum and vanilla.

When cool enough to be syrupy, fold in stiffly beaten egg whites and cream whipped until stiff—adding each separately. Put in regular or graham cracker pie shell and place in refrigerator until firm enough to cut.

Decorate with red or green candied cherries for the holidays, or sprinkle nutmeg or nuts over the top.

Sherry

Appointment of Joseph R. Sherry, as merchandise manager of the Detroit branch of the Kroger Co. has been announced by C. O. Talla, branch manager. He succeeds Joseph W. Stacey, who was recently named manager of the retail food company's branch in Wichita, Kans.

At the same time, Talla announced appointment of Edwin A. Schuler to the newly-created post of advertising, sales promotion, and public relations manager for the branch.

Sherry, a graduate of the University of Chicago, joined Kroger in Cincinnati, O., 22 years ago as a meat cutter. In 1937 he entered the general office sales promotion department and ten years later joined the grocery merchandising staff. For the past two years he has been director of merchandising of Kroger manufactured products.

A native of Detroit, Schuler joined Kroger in 1937 as a grocery clerk. After holding several positions in the branch, he entered the grocery merchandising department in 1946 and the following year was named grocery buyer. Prior to his present appointment, he was grocery field sales manager.

As merchandise manager, Sherry will be in charge of buying and selling of meat, grocery and produce items for 110 Kroger retail stores in this area. Schuler will be in charge of advertising, sales promotion, and public relations for the branch.

Are You Going Broke Wrapping Xmas Presents? Try These Helpful Hints

"I paid almost as much for the wrappings as I did for the gift." How often have you heard that? With so many Christmas gifts to wrap this month, the paper, cards, ribbons, seals and other decorations for packages can add up to quite a sum, but Eleanor Mullikin, Wayne County Home agent, declares you can wrap quite an attractive package at little expense.

She suggests using a little imagination. Look around the house and see what scrap materials you can find that would make an attractive or unusual wrapping.

Ends of wallpaper rolls, whether left over from your own walls or bought as odd stock at your local paint store, are especially pretty for large packages. Then tie the package with a big red ribbon. Or you may want to use some left-over crepe paper for the bow. Just be sure to crinkle the edges.

Small pieces of aluminum foil or shelf paper from the end of the roll are excellent for wrapping those smaller packages. Or if you have a young child who finger-paints, why not wrap gifts in some of his paintings?

White, green, red or blue tissue paper is quite inexpensive. Make your paper original by pasting on "cut-outs" from last year's Christmas cards. Do this after you have wrapped the package so that you can place them in spots where they will be most effective. White tissue paper can be made quite appealing by spattering it with red or green ink or water with food coloring added. For a very fine spattering, Mrs. Mullikin suggests brushing the ink or colored water through a tea strainer. Or you may want to use stencils to make a regular design with the color.

The annual Christmas party given by the Western Wayne County Board of Realtors at Arbor Lil in Plymouth was attended by 110 Realtors and guests on Monday, Dec. 12.

Northville was represented by Realtors L. M. Eaton and C. H. Bryan. Other guests included Bruce Annett of Pontiac, the outgoing state president of the state association; and Stewart Butts of Ann Arbor who succeeds Annett for 1954; Ruth Whiting, executive secretary; Burt Saunders, executive vice-president; Charles Sill, lecturer on real estate at the University of Michigan; and Donald Treadwell, regional vice-president of the National Assn. of Real Estate Brokers.

The new officers for the ensuing year on the local board are Leon Merriman of Plymouth, president; John McFarlane of Grand City, vice-president; Edward G. Martin of Wayne, secretary; and Donnell Merritt of Northville, treasurer.

L. M. Quay Takes Students To Detroit Engineering Meet

LaGene M. Quay, Northville high school physics teacher, took the following students to the Detroit Engineering Society Vocational Guidance conference in Detroit Dec. 7: Bill Bake, Irene Bon-giovanni, Gerry Dresselhouse, Larry Green, David Mosher, James Mosher and Alvin Newton.

The students heard Kenneth Meade, head of the Industrial Education Division of General Motors Corp. speak on "What Is Engineering?"

In the afternoon the students were given vocational guidance by scientific people from Michigan industry as well as from out-of-state industry representatives.

New Michigan Speed Law Goes Into Effect February 3, 1956

A statewide speed law of 65 miles per hour in daylight and 55 miles at night will go into effect February 3, 1956. It is Michigan's first maximum speed law in nearly three decades.

Voted by the Legislature as it ended a four-day special session, the measure failed by two votes in the House to get immediate effect and will become effective 90 days after adjournment, midnight Friday, Nov. 4.

The interval will allow time to educate the public and provide signs on state and county roads, officials said.

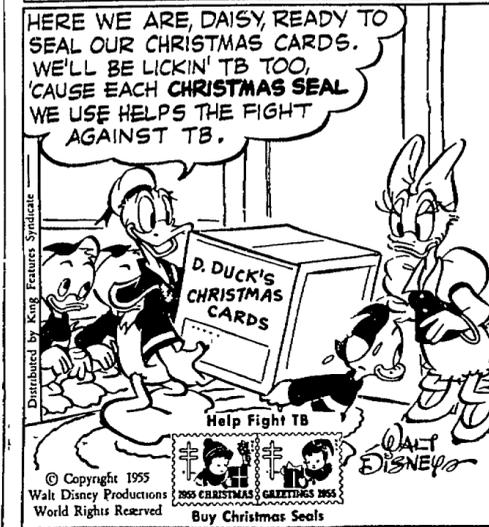

State Police Commissioner Joseph A. Childs predicted the new law "will save lives."

"With the help of the speed law and other highway safety measures the Legislature enacted, Michigan should do a lot to reduce its traffic toll of 50,000 deaths and injuries a year," Commissioner Childs said.

The House refused to accept the Senate's plan to impose the speed limits only in the southern part of the lower peninsula and the Senate finally agreed to make them statewide.

Gov. Williams, who had advocated the bill almost exactly as it was adopted, praised lawmakers for their highway safety program. He stated that the speed control law and the addition of 200 State Police troopers to expand highway patrols were very important in the field of traffic safety.

Housewarming Surprises New Home Owners

The Ralph Foreman, Jr. were surprised Dec. 10 when 45 guests arrived at their new home on W. Seven Mile Rd. for a housewarming.

The affair was arranged by the senior Foremans and the new home-owners were presented with many lovely gifts. Black's Catering furnished a holiday cake which was decorated with a Christmas cake and figures representing the junior Foremans.

Local Brown Swiss Breeder Sells Bull To Doctor In Cuba

A Brown Swiss breeder, Edward W. Porath of Northville, has recently sold the bull, Active of Water Cross, 118808, to Dr. Carlos Garcia Hernandez, Cienfuegos, Cuba.

This news item came from a report from Fred S. Idtse, secretary of the Brown Swiss Cattle Breeders' Assn., Beloit, Wis.

SPEAKING OF CARDS

AFTER-DINNER TRICK

Did you ever find yourself with that "too satisfied to move" feeling after a wonderful holiday dinner with all the trimmings?

With the Yuletide season here there may be moments when you'll want to keep the party going without undue exertion on the part of your guests—or yourself. Here is a simple card trick that even one of the youngsters would find delight in. It is really a contest between two players but is fun to watch and the bystanders will be quick to take up the challenge.

Only 15 cards are needed and it doesn't matter what they are. Simply lay them face down in three rows of five cards each, as shown in the diagram. Then proceed as follows:

In turn, each of you draw either one, two or three cards at a time. The object of the game is to leave the last card for your opponent. You are the loser if you have to pick up the last card.

To win this game, you simply add the total number of cards picked up as you go along. If you can get the second, sixth and tenth cards, you are certain to win. If your opponent gets the second, you can still beat him if you take the sixth and tenth cards. This is what happens:

Suppose your opponent starts and picks up two cards; then you take one (a total of three); and he takes two (a total of five). You need take only one card at this point in order to win. After you have obtained that sixth card, regardless of whether your opponent takes one, two or three on the next draw, you can get the tenth.

And with five cards left, no matter whether he takes one, two or three on his turn, you can take enough to leave the last card for him.

NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN that a public hearing will be held on a proposed amendment to the Zoning Ordinance of the Township of Novi on the following proposed change to the Zoning Map:

To change the following described lands from an Agricultural District to an M-1, Light Industrial District.

Those certain pieces or parcels of land situate and being in T. 1 N., R. 8 E., Novi Township, Oakland County, Michigan, more particularly described as follows:

The west 1/2 of the southeast 1/4 of Section 6, except the west 50 acres thereof, said parcel of land containing 31 acres more or less.

A strip of land 100 ft. in width being the south 100 ft. of the east 137 acres of the northeast 1/4 of Section 6, containing 4 acres more or less.

The southwest 1/4 of the northwest 1/4 of Section 5, containing 40 acres more or less.

Part of the northwest fractional 1/4 of Section 5 beginning at the center of Section 5, thence west along the 1/4 line 1352.5 ft. to the north and south 1/2 line; thence north on said 1/4 line 1322.5 ft. to the 1/2 corner; thence east 455.7 ft.; thence north on said 1/4 line to the southerly right of way line of The Chesapeake and Ohio Railway Company; thence southeasterly along said right of way line 1197 ft. to the north and south 1/4 section line; thence south on said 1/4 line 1335 ft. to the place of beginning, containing 49 acres more or less.

That part of the northeast 1/4 of Section 5 lying south of The Chesapeake and Ohio Railway Company's southerly right of way line containing 25.7 acres more or less.

That part of the east 137 acres of the northeast 1/4 of Section 6 lying south of the north 1/2 line except the south 100 ft. thereof containing 51.5 acres more or less.

Such hearing will be held at 8:00 o'clock P.M., Eastern Standard Time, at the Township Hall located at 28580 Novi Road, January 4th, 1955.

NOTICE IS FURTHER GIVEN that a copy of the tentative map may be examined at the Township Hall during the office hours each day, Monday through Saturday noon, until the date of the public hearing.

Care Packages, \$1; Gov't. Releases Dairy Products

Sending a \$1 CARE Food Crusade package this Christmas is like giving a hungry overseas child or adult a quart of milk a day for the next 65 to 80 days, Milton Hult, president of the National Dairy Council, said recently.

It depends upon which country you designate when you make your CARE donation, he said, as the contents vary for different areas in the world.

The packages this year contain federal-held dairy products exclusively. The U.S. Government has released these foods to CARE—enough for 2 million Food Crusade packages.

The 22 pound package for Italy, Yugoslavia, Berlin and West Germany contains: 7 pound cheese; 9 lbs. of non-fat dry milk; and 6 lbs of butter (contents equal in nourishment to 80 quarts of milk). A 20-lb. package for distribution in Greece offers 14 lbs. cheese and 6 lbs. butter (equals 70 quarts of milk). The third package, for India, Pakistan, Hong Kong, and weighing 19 lbs., contains 13½ lbs. non-fat dry milk and 5½ lbs. of butter oil or butter equals 65 quarts of milk.

How can you send a package overseas? By contributing \$1, or more to CARE, Chicago, or to your local CARE office.

Urging \$1 contributions, CARE points out that while America has a bountiful food supply: "In Greece, tonight, a family goes to bed hungry. In West Germany, a

refugee family needs supplementary foods. In Asia, a child cries from hunger. These are but a few of the 500 million of the world's peoples who daily struggle in the never-ending battle against hunger."

Contributors may choose the country they wish to help. Each package will bear the name and address of the American donor, and will be distributed to a hungry child, family or institution chosen by CARE on the basis of greatest need.

Although Americans, through their government, are giving the food to CARE free, the donations are necessary as that agency must raise \$1 for each 20 to 22 lb. package in order to meet the costs of packing and distributing the food abroad. Donations are not limited to the Christmas season, as CARE will continue to distribute the special packages overseas throughout the winter season.

Ice Fishing Shanties Must Be Identified

Lansing, Dec. 14 — Ice fishermen are reminded that all shanties and shanties used on the ice must be identified on the outside with the owner's name and address in letters of insoluble material at least two inches high. Complete fishing regulations are listed in the Michigan fish law digest, now available with 1956 fishing licenses at all state license dealers.

EXCITING NEW BEACH FASHIONS FROM SAN FRANCISCO . . . Previewed at California's National Fashion Press Week were these new sports fashions created by Designer Stephanie Koret of San Francisco. The swim suit is in pastel Tiburon print—a silky blend of cotton and acetate. The front is shirred; the back elasticized for perfect fit. It may be worn either strapless or with its matching "spaghetti" straps. To ward off cool breezes, the model carries the suit's pretty companion orlon sweater. It has short sleeves and is lined in Tiburon print to match the suit. Both sweater and swimsuit are washable. The girl at the left is wearing Stephanie Koret's glamorous cotton knit Capri pants and color-coordinated cotton T-shirt. In interesting popcorn texture, the slim pants are tapered, with V slits at the outside of the legs. The gay polka dot T-shirt is hip length and has three-quarter sleeves. Both pants and shirt take the absolute minimum of care—just toss them in the washing machine, let them drip dry and they're ready to wear! They're guaranteed hot to shrink or stretch and they're resistant to dirt, wrinkles, mildew and perspiration. Setting for the photograph is San Francisco's Marina beach with the famous Golden Gate bridge in the background.

Tangerine Mums Yummy Holiday Dessert

The little zipper-skin fruit from Florida which is as symbolic of Christmas as Yule trees should go into the toe of every stocking, and also into lots of your holiday meals. Here's an idea for a light dessert to follow the heavy main course—a bowl of nuts and a platter of "mums" fashioned of tangerines, centered with mint patties for flavor contrast. To make the mums, cut the tangerine peel in six sections and peel down half of the way but do not remove. Cut sections of peel with scissors into very fine slivers. Spread the sections apart sunburst fashion. Raisins or maple sugar candy may be used in the center in place of the mint patties.

A Christmas Pie

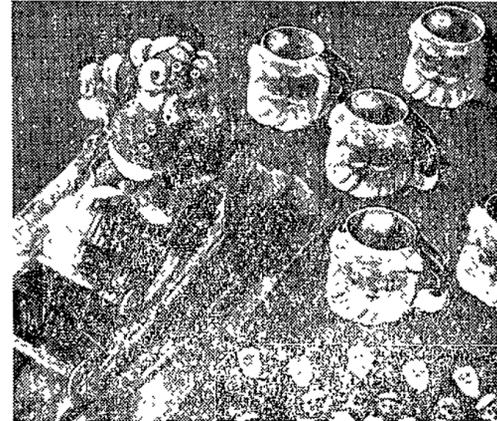

Every hostess strives to surprise and please her guests with food that is unusual—the special dish that is "different." From the Pyrofax Gas test kitchen comes the recipe for this pie, perfect for Yuletide entertaining. The subtle blending of pineapple and cranberries results in a delicious filling and the pie crust tree cut-outs add an attractive touch. You'll surely want to try it.

Cranberry-Pineapple Pie
 3½ tablespoons quick-cooking tapioca
 1½ cups sugar
 ¼ teaspoon salt
 3 cups fresh cranberries
 1 can (16 oz.) pineapple tidbits
 Water
 1 pkg. pie crust mix

Combine tapioca, sugar, salt and cranberries in saucepan. Drain pineapple; measure juice; add water to make 1½ cups; pour into saucepan. Cover; bring to boil. Cool, stirring occasionally; add drained pineapple. Prepare pie crust as directed on package; roll out enough pastry for lower crust ¾-inch thick; line 9-inch pie pan; flute edge. Roll out remaining pastry; cut with Christmas tree cookie cutter. Arrange cut-outs on cookie sheet. Bake pie in hot oven, 425°F., 45 minutes. During last 10 to 12 minutes, bake cut-outs. Arrange on pie after it cools.

THEIR OWN CHRISTMAS PARTY MORE FUN FOR THE CHILDREN

The Christmas season is such an important time for children! An idea which will keep the little folks happily occupied and help busy mothers, too, is to let them have

a part in preparing a party of their very own.

Plan simple refreshments that they can help make. The little ones can cut sandwiches into stars and Christmas trees with cookie cutters and they can decorate cookies by sprinkling on colored sugar after Mother has spread them with icing.

For a beverage, since chocolate is a favorite flavor, they will love Carnation Instant Chocolate Flavored Drink. It's so easy even small children can make it all by themselves. Mothers like it because it provides whole-milk amounts of protein, calcium and B-vitamins even when mixed with water. If the small "small fry" are giving the party,

it can be served warm with a marshmallow. The "magic crystals" dissolve instantly in hot or cold water and the handy pouring spout makes it easy for the children to mix without spilling... there's no mess for Mother to clean up. All they have to do is add the "magic crystals" to warm water, stir and it's ready to drink. A quart of Instant Chocolate will serve 7 or 8 children. To make a quart of this nourishing beverage, just add 2-1/3 cups of "magic crystals" to 3½ cups of water and stir lightly.

If you want to really dress up the occasion, serve the hot chocolate drink in Santa Claus mugs and decorate the table with paper Santas or a tree with a little gift for each child.

NOVI TO HAVE POSTAL ROUTE SATURDAY

THE PROBABLE AREA TO BE COVERED BY NOVI'S NEW MAIL ROUTE is shown on the above map of the township. Covering portions of former Northville, Farmington and Walled Lake routes, the new route was established through persistent efforts by local officials who cited the needs of the rapidly expanding Novi area. Residents will continue to receive their mail even though it bears a Northville, Farmington or Walled Lake destination, Novi Postmistress Marjorie Watson said. A revised map showing exact boundaries will be published next week.

Larger Building for Post Office Needed — May Use Township Hall Temporarily

Novi will have its own rural mail delivery starting Saturday. Novi Postmistress Marjorie Watson made this announcement Tuesday noon. There is speculation that most of the homes in the area bounded by 10-Mile Rd., Wixom Rd., 12-Mile Rd. and Haggerty Rd. will receive mail on the new route.

Phone Northville 245-J

Temporarily, mail for the affected areas will continue to be sorted in the Northville, Farmington and Walled Lake post offices. A Novi carrier will then pick it up and deliver it to the newly established rural route.

No announcement has been made as yet regarding the possibility of building a larger post office in Novi or putting an addition on the present building. Temporarily, officials say, there is a possibility that the township hall may be used during the Christmas rush.

People in the affected areas will continue to receive their mail bearing the old Farmington or Northville addresses, Mrs. Watson said, but they should notify their friends of the change in the near future. They should also remember to notify the publishers of magazines to which they subscribe.

Goodfellows To Sell Special Editions December 16 and 17

Novi Goodfellows' second annual newspaper sale will take place this Friday and Saturday, Dec. 16 and 17. Goodfellows will be selling a special Goodfellow edition of The Novi News to anyone and everyone for whatever it will bring.

And it will be these same newsboys who will deliver the baskets of food, clothing and toys to our less fortunate neighbors in the township. Their only pay for the long cold hours they spend selling papers on a street corner will be the satisfaction of helping others.

Purpose of Sale

Several days before Christmas, these emissaries of happiness will carry out the most enjoyable part of their annual self-imposed task. It is then they will shoulder baskets of clothing, food and toys and seek out their neighbors in need. They will visit homes where sickness has wiped out families' finances, homes where the aged are hard-pressed to stretch their meager pensions, and homes where small children hope but don't really expect to be visited by Santa Claus.

The clothing and toys in these baskets will go to make the lives of these children happy for the all-too-brief holiday period.

No Child Without

"No child without a Christmas" means just that to the Goodfellows, and all those people of good will who provide the support that enables them to carry out their yearly mission.

Newspapers — Chief Revenue

The chief source of their charitable revenue, of course, comes from the sale of newspapers on Goodfellow Day. It is then that the individual giving can truly show the extent of his kindness, for he knows that every cent he

gives for the Goodfellow edition of this paper he buys goes to those for whom it was intended.

For this is one charity without "administrative expenses." All of the work is given, voluntarily; there is no clerical expense, no

Anyone knowing of a needy family in the township is urged to call Mrs. Owen Bellinger at Northville 1200-M12 or Frazer Staman at Northville 705 as soon as possible.

rent, and no overhead to pay.

Goodfellows In Novi

Yeoman workers in the field in Novi are the members of the police department, fire department, Rebekahs, Farm Bureau, Oddfellows, Board of Commerce, Blue Star Mothers, AMVETS, Mothers club, and all of the Novi churches. Even the school children have helped this cause. They presented a program at the school and donated the proceeds to the Goodfellows.

As Supervisor Frazer Staman said, "Practically everybody in the community is helping . . . working together to make Christmas a brighter day for those less fortunate."

The Goodfellows goal this year is \$1,500. Collections last year totaled \$1,031.

Technicolor Turkeys, Pink, Blue and Green, Stolen Tuesday Night

Three turkeys, a pink one, a blue one, and a green one were reported stolen from the Grand River Turkey Farm, 46901 Grand River, Tuesday night.

The technicolor turkeys had their feathers dyed with food coloring and were to have been given to the school children at Novi, Farmington and Northville. The wire enclosure surrounding the birds had been cut, Novi police said. Since it was dark, it is doubtful if they knew how bright his "hot" turkeys really were.

"The school children expect these turkeys," said D. J. Latchford, owner of the turkey farm, "and we're going to dye some more just to make sure they're not disappointed."

Watch that Hub Cap! Several Stolen Here

"Hey buddy, want a hub cap cheap?"

If someone approaches you with this sort of sales talk, watch out . . . the hub caps are probably "hot."

According to the Novi police department the stealing of hub caps has been a common occurrence since the cold weather began.

Last week Saturday, Mr. and Mrs. Carl Morten experienced the feeling of being the victims of hub-cap thieves. After leaving a party, the Mortens discovered that not only were the hub caps from two wheels taken, but in the process, the valves were broken, and the tires flattened.

The cooperation of all citizens is asked by the Novi Police Dept. If you see someone taking or trying to sell hub caps report it at once.

Dig Deep, Brother—Its Tax Time Again

Novi Township taxes are now due and payable. Treasurer Charles Trickey, Jr. announced this week. The deadline is March 1, 1956 and bills may be paid either by mail or at the township hall during certain specified hours. A complete listing of hours will be found in a notice on page 15 of this issue.

Boys Club Sells Christmas Trees

The Willowbrook Boys club will be selling Christmas trees at the Willowbrook Community Bldg. Saturday afternoon and evening. Prices of the trees are between \$2 and \$3.

The proceeds will go to the Boys' club for much needed equipment.

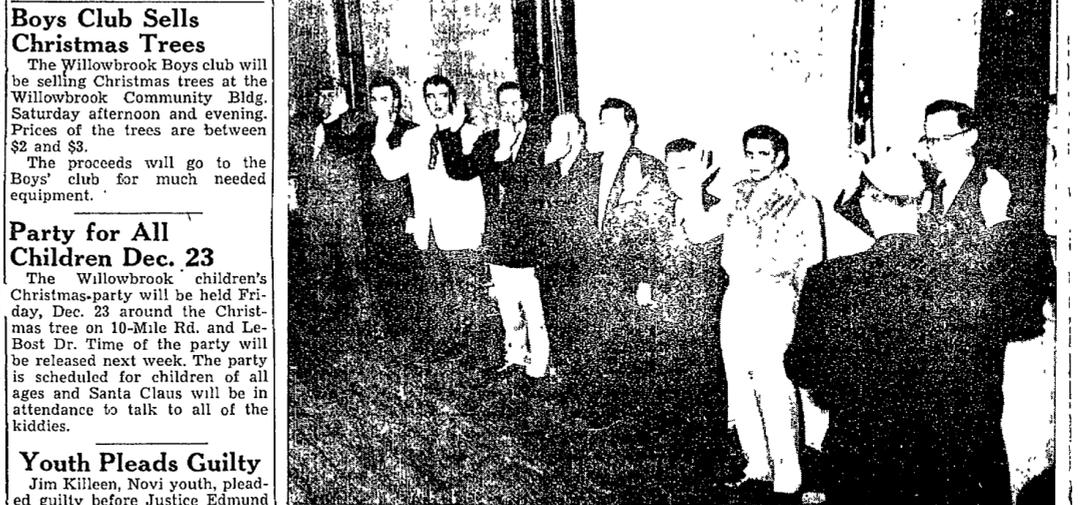

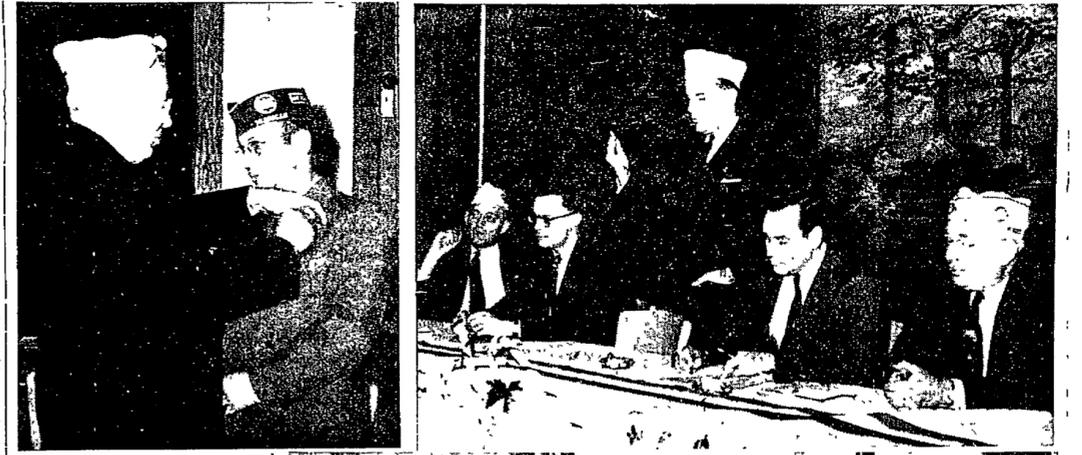

Party for All Children Dec. 23

The Willowbrook children's Christmas-party will be held Friday, Dec. 23 around the Christmas tree on 10-Mile Rd. and LeBost Dr. Time of the party will be released next week. The party is scheduled for children of all ages and Santa Claus will be in attendance to talk to all of the kiddies.

Youth Pleads Guilty

Jim Killen, Novi youth, pleaded guilty before Justice Edmund P. Yerkes last week on a charge of breaking and entering a Grand River filling station and escaping with approximately \$400. Killen waived examination and was bound over to circuit court.

Pending the report of a probation officer, he was released in the custody of the Oakland county veteran service officer, Floyd Cremer, until sentence has been passed.

NATIONAL COMMANDER Rudolph Pesata, above right photo, was guest speaker at the Novi AMVET installation of officers Friday evening. Pesata told the group that one of the greatest challenges facing veterans' organizations today is future expansion of membership. The combined membership of all veterans' organizations, Pesata said, accounts for only one out of every seven veterans.

Novi Police Chief Lee BeGole was sworn in as commander of the Perry Kenner post at the installation of officers following the banquet. Installed along with BeGole were Senior Vice-Commander Bob Gazlay, Junior Vice-Commanders Orville Whittington and Carlos Fitzgerald, Finance Officer Duane Bell, Adjutant Bill Rackov, Judge Advocate Paul Meredith and Provost Marshall Art Chase. In the upper right photo past commander of the post, Doug Lintz, was presented with a past commander's pin by State Commander Edward W. Numbers (left).

ALL SET TO GO, members of the Novi Goodfellows gathered at the township hall last Saturday to receive their newspaper bags and last minute instructions from Chairman Charles Trickey, Jr. The Goodfellows, who are trying to raise \$1,500 during Friday's and Saturday's paper sale, want to make sure that no child, aged couple, or needy family in the township goes without a Christmas.

Christmas Party Season Starts At Baptist Church

The Christmas party season has started at the Novi Baptist church and festivities are scheduled until Dec. 22.

Mrs. Pauline Graham gave her Sunday School Sunbeam class a party at the church Saturday afternoon.

The Bible Heirs, Bible Believers and Audrey Hine's class will have a combined Christmas party at the church Dec. 15 at 3:30.

The junior BYF are having a Christmas party at the Jack Eby home on 12-Mile Rd. Dec. 16.

The Baptist Sunday School Christmas program will be held at the church Thursday, Dec. 22 at 7:30 p.m.

The biggest room in the world seems to be the room for self-improvement.

LET THEM SPEAK —

Voltaire, the French Atheist, once said, "It took twelve ignorant fishermen to establish Christianity, I will show the world how one Frenchman can destroy it."

Twenty five years after his death, the Geneva Bible Society purchased his home for a Bible Storage building and used his printing press to print an entire issue of the Bible!

Robert Ingersoll, "the Great Agnostic" said that twenty five years after his death there would not be a church in the land. He died in 1899!

Thomas Paine, a noted American infidel and author said, as he was dying, "I would give worlds, if I had them, that 'The Age of Reason', had never been published. O Lord help me! O Christ help me!"

Napoleon Bonaparte, the military strategist of the ages, said "I die before my time, my body will be given back to the earth. Such is the fate of him who has been called Napoleon. What an abyss between my deep misery and the eternal kingdom of Christ."

Jesus Christ, the Man whom all of these rejected said, "For God so loved the world, that He gave His only begotten Son, that whosoever believeth in Him should not perish, but have everlasting life" and again "I am come that ye might have life and have it more abundantly."

Willowbrook . . .

(Continued)

Mrs. George Marinoff.

The Weiss family of Mooring Side Dr. were guests at dinner Sunday at the home of Mr. and Mrs. Ernest Tracy of Detroit.

The first party for the Willowbrook Community Assn. was a huge success. There were 89 people present at the card party. There were 14 pies and nine cakes donated for the refreshments. There was also money donated to the children's party. We will have more about the party in next week's column, and the names of the donors and people who won prizes.

The Morrisons attended the annual Christmas party of the Dairyman's Union. Also the Morrisons' guests at the party were Mrs. McMaster and family. The children all received lovely gifts, candy and pop corn.

After the card party last Saturday the Carters of 10-Mile Rd. took a quick trip to Cincinnati, O. to pick up Mrs. Carter's mother, Mrs. Della Hill of Oakridge, Tenn. who is staying with them for six weeks. Mr. and Mrs. Roy Pruett of Oak Ridge brought Mrs. Hill to Cincinnati.

Blue Star Mothers Elect Officers; Make Christmas Plans

The Novi chapter of the Blue Star Mothers met at the home of Mrs. Luther Rix Monday night.

The Mothers sent a box of clothing to their adopted Korean war orphan, Stella. They also sent a \$25 CARE package to the Korean Gospel Mission.

The following officers and committees were elected and appointed: president, Hazel Mandilk; 1st vice-president, Alma Klaserer; 2nd vice-president, Elva Pennell; secretary, Mary Stephan; financial secretary, Myra Ward; treasurer, Gerie Lee; historian, Laney Rix; chaplain, Viola Lamontagne; patriotic instructor, Ethel Smith; Americanism chairman, Stella Walden; hospital chairman, Thyra Gardella; community chairman, Lottie Race; and child welfare chairman, Mary Ginste.

The annual Christmas party is planned for Friday evening, Dec. 23 at the home of Mrs. Gerie Lee in Walled Lake.

Novi School Notes

The Safety Patrol boys and the Service Squad girls were given a party last Friday sponsored by Mrs. Salow and Mr. Griffith of the Novi teaching staff.

6th Grade

The sixth graders are entering 19 posters in the Goodfellow poster contest.

Mrs. Salow's sixth grade contributed the most to the Red Cross drive. They gave \$6. Other classes gave as follows: Mrs. French \$5.28, Mrs. Boyd \$3.57, Mrs. Schwartz \$3.05, Mrs. Sharpe \$2.75, Mrs. Crane \$2.66, Mrs. Wilcox \$2.60, Mrs. Garner \$2.56, Mr. Griffith \$1.65, Mr. Callahan \$1.57, Mr. Knodle \$1.16, Mrs. Bentley \$1.04.

The sixth grade pupils are to be congratulated for their splendid work in the school library always courteous and helpful when loaning out books.

3rd Grade

The third grade pupils are making Christmas angels for their room. They have a New Zealand rabbit which they call "Pinkie" because he has pink eyes. They also have a little mouse which Cecil Barton brought to school.

5th Grade

Carol Newbegin was in Detroit for three days last week showing her Hereford steer in the 26th annual 4-H Club Livestock show. Carol's steer weighed 955 pounds and brought 26 cents per pound. Carol won seventh place in the show.

Freda Angel, J. R. Barton, Shirley Campbell, Cathy Noble, Roy Rice, Dorothy Servello, Larry Snow and Wilfred Ramsey have been neither absent nor tardy this school year.

The following pupils have had perfect attendance: Mary Schenman, Nancy LaSalle, Byron Stader, David LaFond, Willard Sprenger, Paul White and Dorothy Wood.

This week, a set of Compton's pictured encyclopedia, purchased by the Board of Education, was stamped and cataloged by the sixth graders.

The sixth grade librarian reported 423 story and reference books were loaned out from the Novi school library this week.

The following fifth graders have had perfect attendance for this year: Jeff Crawford, Brenda Coburn, Lois Barton, Sue Ferguson, Billy Adams, Gerrit Steinhagen and Kenneth Hayes.

The fifth graders who gave a dance program for the Oddfellows at Oddfellow lodge last Monday night were Jeff Crawford and Barbara Wallace, Larry McCollum, Ginger Cheeseman, Kenneth Hayes and Carol Newbegin and Jimmy Jones and Carolyn Mairs.

The word "vanilla" comes to us from the Spanish—means "little pod". Pure vanilla is formed from the seed of a species of orchid.

Distinctive Table Top

IF YOU have a coffee table with a marred top but otherwise good appearance, you can make it like new without a lot of laborious refinishing. And at the same time you can give the table a distinctive feature that it never had—a marble pattern top with a surface that takes abuse.

The simple job is done by applying a new top in the form of a plastic-finished Marlite panel in one of five authentic marble patterns. Widely used for walls and ceilings, the material is available at lumber yards.

Saw a panel to fit, allowing a fraction of an inch for smoothing edges by planing and sanding. Bond the panel to the table with adhesive and leave weights on top until the adhesive is set. Wax the edges or paint them to harmonize with the marble pattern and table finish.

Your new table top, with its baked-on plastic finish over a tempered Masonite hardboard base, will defy attacks by beverages, heat and wear. Dampcloth wiping will clean it.

Before coming of white man, the grape was the only one common fruits known to North America.

Bell Ringers Choir Performs for Garden Club

The Northville branch of the Woman's National Farm and Garden Assn. held their Christmas meeting at the festively decorated home of Mrs. William B. Walker on Monday of this week.

Following a pot-luck luncheon Richard Drew played several piano selections. The members then sang Christmas carols led by Mrs. Russell Button.

Mrs. Glenn Cummings, program chairman, introduced the Bell Ringers choir of the First Presbyterian church, giving some of the background of the purchase of the bells used by the choir. Mr. and Mrs. Charles Walker, who donated the bells, bought them at a small foundry just outside of East London, England, called Whitechapel Foundry. The same methods are still in use today that were used 200 years ago when it was established at the time this same foundry cast our country's Liberty Bell and also the bells which strike the hour in London's Big Ben.

William Williams, director of the choir, conducted the Bell Ringers in several well loved selections. The Northville Bell choir is one of the very few in this country.

Open House for Houghtons Starts Holiday Season

The Northville holiday season was started Sunday, Dec. 4, with an open house at the home of Mrs. W. F. Chapman.

The open house honored Mrs. Chapman's daughter and son-in-law, Mr. and Mrs. Robert Houghton of Saudi, Arabia.

The holiday spirit prevailed in the candlelighted rooms of one of Northville's most charming homes. Some 100 guests came during the early evening to wish the Houghtons well in their next assignment which will take them to Jidda, Saudi, Arabia, early in January.

MICHIGAN BELL

OLD MAN SUN powers rural telephone system! That's the news from Americus, Ga., where successful experiments using the Bell Solar Battery were recently conducted. The Solar Battery, an invention of Bell Telephone Laboratories, is the first

successful device to convert the sun's energy directly into a substantial amount of electricity. While it is still too early to predict the future role of the Solar Battery, its development is part of continuing research to help bring more and better telephone service to rural areas.

DID YOU KNOW that Michigan Bell is the largest single taxpayer to the State primary school fund? This year over 8 million dollars was paid by Michigan Bell to the fund. The fund is allocated to school districts throughout Michigan in proportion to the number of pupils in each.

TRYING TO SOLVE that Christmas shopping question, "What can I give that's different?" How's this for an answer—EXTENSION TELEPHONES. They make a unique gift—not likely to be duplicated by others. And they'll be appreciated every day of the year—save countless hours—take the "run" out of running the home. The cost—just \$1.21 a month, including tax, plus a one-time installation charge. Order your gift telephones from our business office today—gift-wrapped free to be installed after Christmas.

Singers Welcome To Join Messiah

The annual presentation of "The Messiah" will start at 7:30 Sunday at the First Presbyterian church.

Leslie Lee, director of "The Messiah", asks that any college students who have formerly sung in the Messiah will be welcome to take part this year. Rehearsal is at 3 o'clock Sunday afternoon.

Mrs. Bart Connors will be the accompanist.

Soloists are four University of Michigan School of Music students: Hildren Kronloiken, soprano; Alice Dutcher, alto; Dan Pressley, tenor, and Wendell Orr, bass.

ride through the air. And, for new volumes with treasurers you haven't met, she reminds that your public library is an excellent place to go.

Miss Harrison adds a few more suggestions to her list of family Christmas reading. She asks, "Do you remember Louisa Alcott's description of Little Women making merry of a meager Christmas? Or, Rat and Mole's activities in the Wind in the Willows by Kenneth Grahame?" Miss Harrison also suggests for fine reading aloud Eugene Field's Why Do the Bells of Christmas Ring?

Ellison Heads Exchange Club

At the luncheon meeting of the Exchange club of Northville on Dec. 7 the following officers were elected for the coming year: president, E. V. Ellison; vice-president, Wilson Funk; second vice-president, Harold Wagenschutz; secretary, Merritt Meaker; sergeant-at-arms, George Locke and assistant sergeant-at-arms, Dr. E. B. Cavell.

Reading Christmas Stories Aloud Is Fun for All Ages

Reading aloud is one of the most delightful ways for the whole family to share Christmas joys, declares Grace Harrison. Miss Harrison is an instructor in the child development department at Michigan State university. She feels that there is a wealth of Christmas poems, stories and legends that appeal to the youngest as well as the oldest members of a family.

The pre-schooler may catch the feeling of the story, she explains, even though he doesn't understand every word. Or, he may like the sound or the rhythm.

For those reading selections especially directed toward children, Miss Harrison suggests The Long Christmas by Ruth Sawyer and Told Under the Christmas Tree, a collection by the Association for Childhood Education.

One of Miss Harrison's favorite suggestions is to gather around the fireplace and reread the account of Tiny Tim's Christmas dinner or Donder and Blitzen's

Teen Talk

Teens To Organize Against Polio

Miss Kathleen Heatley, Northville high school senior, and Frederick Stefanski, assistant Northville high school principal, were among the Wayne county representatives to the March of Dimes Polio Forum held recently in Detroit.

The program, according to Miss Heatley, was designed primarily for the teen-agers, to explain what polio does and how teen-agers can help.

Miss Heatley said that a polio film will be shown in Northville Friday, Dec. 16 which will include on-the-spot pictures of the polio epidemic in Massachusetts and Wisconsin this past summer.

After the film and talk by a polio foundation representative, Miss Heatley and the Student Council will try to organize a group, "TAPS", a term meaning "Teens Against Polio".

Members of TAPS will try to promote money for the foundation by selling peanuts at basketball games (shell out for polio), sponsoring dances and visiting hospitalized teen-agers to boost their morale.

Any interested teen-ager is asked to contact Miss Heatley. Adults are also invited to contribute to this project in time, ideas or money.

Field Trips Popular With High School Students Here

Field trips are gaining in popularity at Northville high school. Many of the teachers have taken their students on trips to supplement their classroom lessons.

The Commercial club, composed of students majoring in commercial subjects will tour the Burtoughs plant in Plymouth Dec. 16 with their teacher, Miss Kathryn Gilmer.

Students enrolled in the drivers training course will visit the traffic court in Detroit Dec. 21 with their instructor, Al Jones.

Cash Ideas Wanted By H.S. Students

Got an idea for making some fast money? You do... well, students at the high school would like to know about it.

Two machines, a money-counter and a money-wrapper, have been received at the school for a trial period. With the use of the machines, an all-day job of sorting, counting and wrapping money can be reduced to two hours.

The machines will be available to the Northville school system and could be used for various jobs involving money, such as the milk project, Christmas Seals, sports events, etc. The machines cost a total of \$561. School clubs and groups have been asked to figure out ways to finance the machines, could you help, too?

Parents Invited To Amerman Christmas Program Dec. 20

Parents and friends of Amerman school students are invited to attend the special Christmas assembly at 8 p.m., Dec. 20.

The program will feature the voices of the school choir in a Christmas Carol concert. An afternoon performance will be given for the entire school.

Parents and friends of Amerman school students are invited to attend the special Christmas assembly at 8 p.m., Dec. 20. The college semester began in September 1955 and will terminate February, 1956.

PART OF THE INITIATION required before acceptance into the "N" Club included being dressed (?) like the above boys. Apparel for the day included a white shirt worn backwards or a colorful T-shirt, a "crazy" hat, pant legs rolled up, striped socks, and a "goody bag" to be carried and nibbled from during class hours. Some of the "goodies" included candy, onions, gum and garlic. The boys had to call "N" Club members "sir", shine their shoes, shoot off cap pistols and beg teachers for more homework.

3 Military Cadets Return Home for Holiday Season

A Christmas furlough for three cadets from Northville, active in the academic, military, athletic and general program at Kemper Military school, Boonville, Mo., will begin Dec. 17 and continue through Jan. 3.

Cadets from Northville are Bob Watson, son of Mr. and Mrs. E. W. Watson, 46221 Bloomcrest; John Clarke, son of Mr. and Mrs. A. R. Clarke, 720 Fairbrook, and Rick Atchison, son of Dr. and Mrs. R. M. Atchison, 3325 Rogers. Many activities have been highlighting the pre-Christmas season at Kemper, including a program honoring the famed Will

Rogers, a Kemper cadet in 1896-98, a big homecoming celebration, which featured a dance and football game, with Kemper high defeating Wentworth high from Lexington, Mo. 25 to 6, and football banquet, with Harold "Red" Grange, "the galloping ghost" of the University of Illinois in the mid-twenties, as speaker. On the night before Christmas furlough begins, cadets will have their own division parties in halls gaily decorated in festive colors.

Keeping Up With The Grades

3rd Grade — Mrs. Martha Egge

The boys in our room made some toys from job sheets. A job sheet is a piece of paper with directions on it. The boys made a windmill, Indian teepees, a basket, a hat, a cart, a candleholder, a cup, a box, a cradle, a spiral. They made these things with colored paper, paste, scissors, crayons and rulers. The girls are going to do some weaving soon.

2nd Grade — Mrs. Isabelle Spooner

The parents and families of Mrs. Spooner's second grade room enjoyed a very pleasant pot-luck dinner Tuesday evening of last week in the Community Building. It was sponsored by the room mothers, Mrs. William Davis and Mrs. Fred McKernan. Robert, James and David Strosser are happy and proud. They have a new baby sister, Diane Rose. Tommy Pruett is a new pupil in grade two. Tommy moved here from Tennessee.

1st Grade — Miss Margaret Sours

We went to the Ford Rotunda last Friday. Some of our mothers went with us. We saw many beautiful dolls. The Christmas tree was very big and had some ice skates underneath it. We all went to see Santa Claus

Training Program for Drivers Classes To Be Expanded

High School Principal E. V. Ellison will meet with high school principals from Oakland county and a representative from the department of public instruction, at the Birmingham Community House Jan. 5.

The purpose of the meet will be to determine course requirements for drivers education classes as designed by the Michigan Dept. of Public Instruction.

Ellison said this week that plans will soon be made in Northville to expand the drivers training program to comply with the Michigan legislature which has made it mandatory as of Feb. 1, 1957, that any person under 18 years of age must have completed a course in drivers education in order to receive a drivers' license.

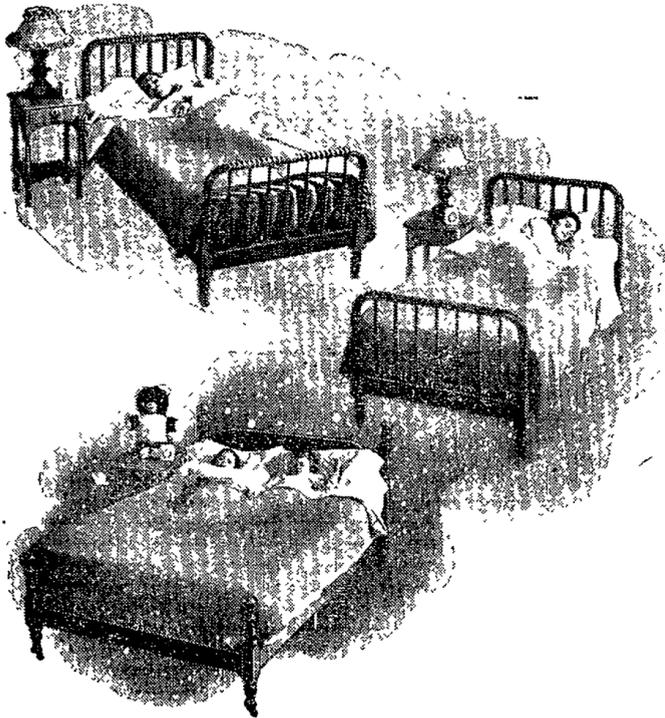

The drivers training program is now covering 2/3 of the students who graduate from school. According to plans, the program will be expanded 1/3 or 1/2.

In the course now being offered, students receive 60 hours of classroom instruction and 10 hours behind the wheel. According to Ellison, the Northville course is above the state average.

and told him what we wanted for Christmas. Then we saw four of Santa's reindeer.

We went to the theater to see a Christmas story. When we came back, Mrs. Watson helped us paint a mural about our trip.

Cager In The Spotlight

DAVID WATERLOO, 6' 1" Northville high school senior, is the Record's third Cager in the Spotlight. Waterloo, who plays forward position, was a member of the reserve basketball team last year; however he did play on the varsity squad occasionally. "We look for Dave to help us out this year a lot," said Coach Stanley Johnston this week, "he did a good job the last ballgame." David is the son of Mr. and Mrs. J. Stanley Waterloo of 134 Rayson St., Northville.

Lead Changed Hands Many Times, Margin Not More Than 4 Points

By Bob Montgomery

A near capacity crowd of Northville and West Bloomfield fans watched the Mustangs down their opponents by the slim margin of 2 points.

Northville opened the game with a fast score and moved steadily upward, never hard pressed by Keego during the first quarter. Throughout the second period the tide began to turn and Keego boosted their score to within four points of the Mustangs by the end of the first half. At this point the tally read 27 to 23.

G. G. Heaton Gets Varsity Award from Wayne U.

Gerald G. Heaton, 560 Orchard Drive, Northville, is among 28 football players who have received varsity awards from Wayne university for their play during the 1955 season. The awards were announced by the University's athletic advisory board.

Heaton, a guard, is a sophomore in Wayne's College of Education. Although slated for regular duty, he missed several early season games due to a broken finger received in practice. When he returned he played effectively and his 210 pounds lent strength to the middle of the Tartar line.

Heaton is a veteran of three years in the Marines, some of the time spent in Korea. While in the service he played basketball and football. At Northville High he was a seven letterman.

This year's award marks Heaton's second at Wayne. He won a minor award last season as a freshman.

Recreation Notes...

THE GYM is open on Saturday from 9 a. m. to 12 noon for grade school and junior high school boys. It is open from 1 p. m. to 3:30 p. m. for high school boys and adults.

ARCHERY instructions have been discontinued until spring. Reason for the cancellation, according to Recreation Director Stanley Johnston, is "bad weather and no instructor." Archery lessons were scheduled to be given in the scout building during the winter months, but Johnston said that no material could be found that was thick enough to protect the walls from the arrows.

No Skating Yet On Mill Pond

Chief of Police Joseph Denton and Stanley Johnston, recreation director, issued a release this week stating that the ice on the Mill Pond is unsafe and that no skating will be allowed until it is thicker.

Johnston said that "unsafe for skating" and "safe for skating" signs will be ready soon and will be posted at the pond for the convenience of the skaters.

If the ice is ready this week, supervised skating will begin Dec. 16. There will be no night skating allowed until the lights are installed. Some lighting equipment has arrived and it is hoped that the lights will be up sometime before Christmas vacation starts.

Bobcat Hunting Season Opens December 15

Lansing, Dec. 14—The first bobcat hunting season in Michigan history will open Dec. 15 in the lower peninsula.

Bobcats, long regarded merely as predators, were given game animal status by act of the 1955 legislature and have been protected from trapping and hunting in the lower peninsula Oct. 15.

The hunting season on 'cats will close March 15. Meanwhile, bobcats still will be bountied as predators in the upper peninsula.

Moved by Comm. Welch, seconded by Comm. Reed, that bills be paid. Carried.

After discussing the matter of the Wayne Co. Health Department acting in the capacity of Health Commissioner for the City of Northville, due to the resignation of Dr. Chabut, with Dr. Cadwell, Director of Wayne Co. Health Dept. and Morton Hilbert, Chief of the Sanitation Dept., it was moved by Comm. Reed, seconded by Comm. Allen, that the Wayne Co. Health Dept. be constituted to act as Health Officer for the City of Northville. Carried.

Petition which was presented at the last regular meeting, which needed additional signatures to become effective, was again presented with the required number of signatures, requesting that the Commission repeal the Zoning amendment as adopted Nov. 7, 1955, and its entirety only the recommendations of the Village Planning Commission in respect thereto, or in the alternative.

Call a special election at which an ordinance embodying the recommendations of the Village Planning Commission shall be submitted without alteration to the vote of the qualified electors of the Village of Northville.

Pres. Ely stated that the Commission had twenty-one days to act on this petition. Atty Ogilvie reported that a suit in Chancery had been filed, to which the City of Northville was a defendant, contesting the validity of amendment to the Zoning ordinance on 2 counts:

1st. That the notice regarding the holding of the public hearings was not timely given.

2nd. That the action of the City Commission in passing said ordinance was unreasonable and arbitrary, and therefore invalid.

While service in this suit was incorrect, it was accepted in order not to delay action in this matter.

It was moved by Comm. Welch, seconded by Comm. Reed, that the City attorney be authorized to appear for the City of Northville in the suit on Dec. 9th, 1955. Motion was carried.

A number of questions were raised regarding matters pertaining to both the petition which had been filed and the suit, and after a brief discussion of the issues raised, Comm. Reed presented the following resolution:

WHEREAS, the City Commission did on November 7th, 1955, enact the following:

The City of Northville ordains: That the Zoning ordinance for the Village of Northville be and the same is hereby amended as follows: That those portions of Lots 230 and 231 of Assessor's Northville Plat No. 3 which are 450 ft. west of Sheldon Rd. and which are presently zoned as R-1, be re-zoned to T-1 classification. Provided, however, that should the track be abandoned as such, then this property to revert to R-1 classification.

Motion made by Comm. Reed, seconded by Comm. Stubenvoll, that the foregoing amendment be adopted. Motion carried unanimously, and,

Whereas it has been discovered that the legal requirement regarding publication of notices of hearing on said ordinance was not given in accordance with the statute in such case made and provided, and

Whereas by reason of the failure to conform with said statutory requirement the said ordinance has been challenged as being invalid, and

Whereas the Commission for the City of Northville does believe this ordinance to be invalid by reason of the failure to give proper notice as above specified, and

Whereas, a referendum petition has been filed with the City Clerk protesting the enactment of the above ordinance and requesting its repeal or submission to the voters, with certain amendments,

Now therefore it is hereby resolved that the Commission by reason of the failure to conform with the statutory requirement regarding publication of notices of hearing on said ordinances, hereby nullifies and cancels its action of November 7th, 1955, with regards to this invalid ordinance.

It is further resolved that in response to the petition filed protesting enactment of this ordinance, that the said ordinance is hereby repealed.

It is further resolved that the Building Inspector for the City of Northville be directed to revoke and cancel the building permit which he issued under this invalid ordinance.

Motion by Comm. Reed, seconded by Comm. Allen that the above resolution be adopted. Carried unanimously.

Moved by Comm. Allen, seconded by Comm. Peters, that an extension be granted to the A & A Asphalt Paving Co., to whom the contract was awarded for paving the streets which are already curbed, until July 1st, 1956, and that the terms of the contract remain the same as when contract was let and that bonds be re-issued when work is begun. Motion carried unanimously.

Chief Denton submitted his report for the month of November 1955, and Treas. A. R. Clarke reported the following balances in the several accounts as of Nov. 30th, 1955:

General Fund	\$101,796.65
Water Fund	\$18,985.25
Rural Hill Cem. Tr. Fund - Cash	\$608.00
Rural Hill Cem. - Inv.	\$6,900.00

The report of the Fire Dept. for November 1955 was as follows: 4 City Calls, 2 Township Calls and two mutual aid calls.

Moved by Comm. Reed, seconded by Comm. Welch, that these reports be accepted and placed on file. Carried.

Moved by Comm. Allen, seconded by Comm. Reed, that the City purchase a \$500.00 Series "J" Government Bond with the cash in the Cemetery Fund. Carried.

Comm. Allen reported that the several service club signs at the intersection of Plymouth Ave. and 7-Mile Rd. will have to be moved when the 7-Mile Cut-off is opened to traffic. It is recommended that all of these signs be attached to one post. Contact is to be made with these organizations to arrange to making this change.

No further business appearing, meeting was adjourned.

"A MAN AND HIS MONEY"

During the past two or three months thousands of churches throughout our nation have been engaged in the consideration of Christian Stewardship. They have been laboriously, working over budgets; amounts; items; and figures. They have been discussing the standards for giving, for the guidance of people. They have been involved in collecting visiting teams that go out on visitation programs and all other mechanical necessities of a successful visitation in the matter of Christian stewardship. Often this

becomes a very deadly serious business and, of course on second thought, we know it to be quite important. Quite often it develops to be a "touchy subject" and is a matter that should be handled with the greatest of tact and understanding. So, it was in such an atmosphere that the following parable came to my

desk. And I believe it does us all some good to look at the little lighter side of life and to enjoy not only the truth but also the humor that is involved in such a modern parable. So I would like to share it with you.

"TIPPING and TITHING"

"Now it came to pass, on a certain Day at Noon the Editor was a Guest of a certain rich Man. And the Lunch was enjoyed at a popular Restaurant. And the Waiters were very efficient. "Now when the End of the Meal was at Hand, the Waiter brought unto the Host the check. And the host examined it, frowned a bit, but made no comment.

"But as we arose to depart, I observed that he laid some Coins under the Edge of his Plate. Howbeit, I know not what Denomination the Coins were.

"But the Waiter who stood nearby smiled happily, which being interpreted, means that the Tip was satisfactory.

"Now with such customs we are all familiar. And this Parable entereth not the Merits or Demerits of Tipping.

"But as I meditated on the Coins that become Tips throughout our Nation, I began to think of Tips and Tithes. For the proverbial Tip should be at least a tithes, lest the Waiter turn against you.

"And as I continued to think on these Things, it came to me

that few people who go to Church treat God as well as they honor their Waiter. For they give unto the Waiter a Tithes, but unto God they give whatsoever they think will get them by.

"Verily, doth Man fear the Waiter more than he feareth God? And doth he love God less than he loveth the Waiter?

"Truly, truly, a Man and his Money are past Understanding!" Sometimes one is almost driven to the point of agreement with the statement "the most sensitive nerve in the Anglo-Saxon Race, is its one that leads to the pocket-book." Truly, truly, a man and his money are past understanding.

Dr. J. Leslie French Honored At Dinner

Dr. J. Leslie French, a Presbyterian minister remembered in Northville for his stirring messages while serving as interim pastor during the years 1944-46, was honored at an anniversary dinner in Ann Arbor recently. Occasion for the celebration was the 50th anniversary of the Presbyterian University Pastorate. The First Presbyterian Church in Ann Arbor, founded in 1826, was the scene of a nationally significant anniversary. It was in the year 1905 that Dr. French, now retired, was called to serve as the first pastor to students at a state university. Dr. French and other former

student workers were recognized at the evening dinner and entertained by students of the college who presented a brief historical skit.

Dr. L. Fay Campbell, Secretary of the Division of Higher Education of the Board, spoke at the dinner.

OLV Mothers Club Has Christmas Party for Mental Patients

"A Bit of Christmas for the Mental Patients" was the theme of the Christmas party given by Our Lady of Victory Mothers club Dec. 6. Members of the club gathered at the home of Mrs. Hugh G. Godfrey with gifts for patients of the Northville State Mental hospital.

Party festivities were interrupted briefly as Mrs. Andrew A. Bertoni reported on the Holiday House Party and Mrs. Gordon Hubbert announced the following door prize winners: Mrs. Frank Moore, Royal Oak; Mrs. A. Conner, Mrs. D. J. Robinson, Livonia; Mrs. R. J. Grambeau, Ann Arbor; Mrs. E. C. Cheeseman, Mrs. Charles Hamilton, Mrs. Elizabeth Gamble, Mrs. L. Whittington, Mrs. J. P. Malley, Mrs. V. E. Clark, Mrs. Gordon Albaugh, Miss DeKett, Mrs. W. S. Oriental Art Topic for Woman's Club Guest Speaker

Scott Cole, guest speaker at the Northville Woman's club on Dec. 16, owns a collection of oriental art which is unique in this country. Cole is a graduate student working at the University of Michigan Research Laboratories.

During his service with the Army in Japan he began his collection of oriental pottery, buying a few pieces at first. He now has a collection representative of a cross-section of the dynasties from Shang to Ming, including a large group of sixth dynasty tomb figures, and several Temmoku tea bowls from the Sung dynasty.

Cole went to Korea during the recent conflict as aide to Gen. Hobart Gay. He spent his free time hunting for celadons, pots of a soft green glaze made by the Koreans and stored his finds in the back of a jeep. "However," Cole says, "a well-placed shell took care of both the pots and the jeep."

Wounded, Cole was evacuated to the states. When he recovered, he returned to Japan as assistant to Gen. Walter Wieble.

Obituaries

INFANT LORANG

The infant son of Mr. and Mrs. John H. Lorang, Jr. of 45285 Grand River, Novi, died Dec. 4 in a Detroit hospital. The Phillips-Bahmuller Funeral home removed the body to Holy Sepulchre cemetery where private graveside services were held.

Besides the parents, the baby is survived by one brother, John H. Lorang III; the maternal grandparents, Mr. and Mrs. Alfred C. Porritt of Novi, and the paternal grandparents, Mr. and Mrs. John H. Lorang, Sr. of Wall-ed Lake.

MAUD SCHARCHBURG

Funeral services were held Saturday at 2 p.m. at the Casterline Funeral home for Maud Scharchburg who died suddenly at her home on 238 Linden Dec. 7.

Mrs. Scharchburg had lived at the above address for 38 years and previous to that had lived in Bad Axe and Ovid. She was born in Bath, Mich., and her parents were Jennie and Harvey Sober.

Surviving are her husband, William; two sons, Donald and Harvey of Northville; a daughter, Mrs. E. H. Beach of Northville; a brother, S. W. Root of Farmington, and a sister, Mrs. Viva Barton of Northville. Two grandchildren also survive: Richard, son of Mr. and Mrs. E. H. Beach, and Martha, daughter of Donald.

Rev. Peter Nieuwkoop officiated and burial was in Rural Hill cemetery.

Oldsters Return from Long Trip

Mr. and Mrs. Andrew Carlson returned by train Saturday from a visit in North Dakota and Chicago. They were snowbound in N. D. for four weeks.

The Carlsons, with their son and wife, Mr. and Mrs. Art C. Carlson left Oct. 10 by car to take a vacation together. Something they used to do when Andrew returned from World War I in 1919. At that time the younger Carlsons made their home with them in St. Paul, Minn. Since that time the Art Carlsons raised a family of five children here in Northville and a few years ago the Andrew Carlsons came to Northville to live with them.

The four Carlsons visited Andrew's brother in Duluth and then drove on to Cavalier, N.D. to visit another son, Harry, and his family—four grandchildren and seven great-grandchildren.

Mr. and Mrs. Art Carlson returned Nov. 1 after traveling some 5,000 miles through 10 states.

Andrew Carlson is 87 and his wife is 83 and they remained in North Dakota to celebrate Andrew's 87th birthday.

NOTICE

"It is unwise to pay too much, but it's worse to pay too little. When you pay too much, you lose a little money—that is all. When you pay too little, you sometimes lose everything because the thing you bought was incapable of doing the thing it was bought to do. The common law of business balance prohibits paying a little and getting a lot. It can't be done. If you deal with the lowest bidder, it is well to add something for the risk you run. And if you do that, you will have enough to pay for something better."

To the Supervisor of the Township of Northville, Wayne County, Michigan
Madam:

You are hereby notified that the Board of County Road Commissioners of the County of Wayne, Michigan, did, at a meeting of said Board held on October 27, 1955, decide and determine that the certain portion of road described in the minutes of said Board, heretofore taken over as a County road, should be absolutely abandoned and discontinued as a public highway.

The portion of the minutes of said meeting fully describing said portion of road is attached hereto and made a part of this notice, which is given under and by virtue of Act 283 of the Public Acts of 1909, as amended.

In testimony whereof, I have hereunto set my hand at Detroit, Michigan, this 28th day of October, A.D., 1955.

BOARD OF COUNTY ROAD COMMISSIONERS OF THE COUNTY OF WAYNE, MICHIGAN
Michael J. O'Brien, Chairman
William E. Kreger, Vice-Chairman
Charles L. Wilson, Commissioner
By Marvin C. Buyers, Acting Secretary and Clerk of the Board

Commissioner Kreger moved the adoption of the following resolution:

WHEREAS, All the south ten feet of Phillips Road adjacent to Lot 10 of "GRAND VIEW ACRES" being a subdivision of part of the S.W. 1/4 of Sec. 1, T. 1 S., R. 8 E., Northville Twp. Wayne Co., Michigan, as recorded in Liber 51 of Plats on Page 13, Wayne County Records.

is a county road under the jurisdiction of this Board; and WHEREAS, there are no buildings of any character located upon or along said above described portion of county road; and

WHEREAS, said portion of county road is of no use or benefit to the public for highway purposes; and

NOW, THEREFORE, BE IT RESOLVED, that said portion of county road be and the same is hereby absolutely abandoned and discontinued and shall cease to exist as a public highway; and

BE IT FURTHER RESOLVED, that this Board hereby determines that it is to the best interests of the public that said portion of county road be absolutely abandoned and discontinued.

The motion was supported by Commissioner O'Brien and carried by the following vote: Ayes, Commissioners O'Brien, and Kreger. Nays, None. Absent, Commissioner Wilson.
