

## ZONING BATTLE ENDS WITH COMPROMISE

### for the Record

by G. H. C.

Now that the battle over re-zoning the St. Lawrence property appears to be over, with the racing interests and the City Council prepared to accept the Planning Commission's original recommendation, it is appropriate to reprint this week a portion of the Record's editorial of Nov. 3. It appears below.

"... the City Planning Commission acted wisely when it listened to objections of township residents and then dealt with the re-zoning application on the basis of its relative advantages to the city and its disadvantage to individuals who are so unfortunate as to own property that probably will be depreciated by the erection of horse barns. The Planning Commission's effort to come up with a compromise plan that would give Northville Downs the barn site it must have, and at the same time to cushion the depreciation to adjoining property which these barns will cause was a goodwill move that should not be shrugged off lightly."

The Record staff was pleased to receive notification this week from the Michigan Press Ass'n. that this paper has been selected for special honors in the General Excellence Contest which the association conducts annually among all Michigan weekly newspapers. The award is to be made formally at the annual convention in Lansing next week.

### More Than Half of Township Taxes In

"\$133,000 has been collected in township taxes during the past month," said Northville Twp. Treasurer Roy M. Terrill this week, "and that is unusually good." The tax roll totals \$232,000.

Township taxpayers have until Feb. 29 to pay their taxes to the treasurer who has set up an office at Depositors State Bank on Main St.

Starting Mar. 1, all taxes will have to be paid in Detroit at a 4% add-on interest rate.

### Random Notes

#### From "file 13"

With the new year well under way, it seems safe to tell a story which happened last year involving a benevolent patrolman and a respected, although somewhat inebriated township resident.

While cruising along a side road one cold night, the policeman came upon a car parked in the road. The lights were on, the motor off, and the occupant soundly asleep in the front seat wearing off the effects of a few too many beers.

After moving the car over to the side of the road, the patrolman stretched the driver out into a more comfortable position and covered him with a car robe. Attaching a neatly worded note to the car visor, the patrolman rolled the windows down slightly for fresh air, locked the car, and tossed the keys back inside. The note read simply, "Compliments Novi Township Police Department."

It's not going to snow or sleet or freeze—how can it? We just received the first garden catalog of the season and to put a new twist on an old phrase, if the garden catalog comes, can spring be far behind?

How can we believe in dreary winter weather when we see giant size roses and juicy red tomatoes bloom right in front of our eyes with all the perfection that only a seed catalog can produce?

Two enterprising young men, an insurance man and a local druggist, were discussing the advantages of taking a lawnmower along to the Hawaiian dance being sponsored by the Northville Mothers club. It seems they heard that all of the women will be wearing grass skirts.

In reporting to the City Council on efforts to secure a site upon which Northville can drill several test wells, Councilman John F. Stubenvoll paid Mr. and

Mrs. John Jones, owners of the desired property, this high compliment: "If all people I have to do business with in this kind of work were like Mr. and Mrs. Jones it would be a pleasure."

News releases arrive at the office by the bag full. Some are used and some are filed permanently in file 13. One of the latter category was received last week announcing the promotion of a company manager. This week another release came in from the company saying please cancel the last release, "he has left the company." We've heard of people leaving because they didn't get promoted, but this one has us stymied.

It can happen to anybody, or so it seems. One of the local police officers found a parking ticket on his car when he returned from an off-duty shopping trip. "I didn't know it was your car," he was told by his ticket-writing fellow officer. Hm-m-m.

The trend nowadays seems to be toward self-service. In some cases this seems good, in other cases we have our doubts. But one recent example meets with our hearty approval. One of the local restaurants, Black's White House, now serves buffet lunches every noon except Monday. Offering a wide variety of meat, vegetables and salads, the whole self-service deal costs only a buck. And the homemade strawberry jam and hot rolls alone are worth the price of admission.

And speaking of fine food brings us around to the subject of diets. With the holidays over and Lent just around the corner, a diet fad seems to be making the rounds. It seems about as contagious as the flu.

Whether any long-term results will appear from this self-imposed starvation remains to be seen. The bug has bitten several of our staff members so we will have a chance to observe the (Continued on Page 12)

AREA CHAIRMEN discussed the March of Dimes promotion campaign at a recent banquet in Detroit. Looking at one of the money collecting boards are, left to right: Charles Gehring, Wayne County campaign director; Mrs. Eve Meacham, Livonia chairman; Mrs. Virginia Bartel, Plymouth chairman, and Mrs. Janet Reynolds, the Northville chairman.

## Mothers To March On 'Night of Porchlights'

Traditionally, the biggest money-maker for the March of Dimes in this area is the Mothers' March, scheduled to be conducted the last Thursday in January. Last year the Mothers, under the chairmanship of Mrs. Eldon Bieri, collected \$1,200.

Making detailed plans for the Northville Mothers' March this year is its chairman, Mrs. J. W. Reynolds, 16491 Homer.

While thousands of women

have been perfecting the organization of the Mothers' March and getting ready for the Night of Porchlights, Mrs. Reynolds said that there are still areas where volunteers are needed. Women who can give one hour on behalf of polio patients and call on their neighbors, are asked to telephone Mrs. Reynolds. In this vast army of American women, volunteers from every walk of life act together against a disease that strikes in every type of home.

Mrs. Reynolds said that she and her workers will not send letters to local organizations this year, asking for contributions. If any groups wish to donate any funds they are asked to direct them to Mrs. Reynolds.

Downtown Collections  
Canisters and dime boards, put in downtown stores at the beginning of the month are rapidly

being filled according to the chairman, Charles Carrington and Gil Glasson.

The money will be collected at the end of the month.

Blue Crutch Day

This Saturday, Jan. 21, the safety squads of both elementary schools and the parochial school will be working on the Blue Crutch Day Drive as their contribution to the March of Dimes program.

The safety squads are under the direction of Sister Anne Nicelae, Our Lady of Victory school; James Madigan, Amerman school and J. Stanley Weaver, Northville school.

TAP Group

The "Teens Against Polio" group, headed by assistant high School Principal Frederick Stefanski, had a very successful drive.

Peanut sales at basketball games and in the downtown area last Saturday netted \$192.88. The dance last Friday produced \$65.94, and the Senior Student Council donated \$50.

Miss Ruth Knapp, school nurse and director of the director of the school rooms campaign, reported that \$115.50 has been received from the high school, \$225.40 from the two elementary schools and \$45.45 from Our Lady of Victory school.

The Senior Student Council would like to thank everyone who contributed and helped to make the high school drive a success.

Why Support March of Dimes?

Many persons have asked why they should go on giving support to this cause. "After all," they say, "we have a polio vaccine now."

The Wayne County Chapter of the National Foundation for Infantile Paralysis has answered that question with four reasons:

1. Polio is still striking and striking hard. There were 30,000 victims last year.

2. Some 68,000 polio patients depend on the March of Dimes for aid. They need mechanical substitutes for arms and legs and lungs. They need their medical bills paid. They need someone to help adjust to their handicaps.

3. Funds are needed to continue research and gain new knowledge on polio's cause, prevention and cure.

4. Funds are also needed to train the many polio fighters... the specialists.

The cost is great, but the value received is greater still. It can't be measured. No one can measure the value of human happiness and human life, but it counts for more than everything else.

## Niemi Heads Area Junior Achievers

Robert A. Niemi, Northville resident and general manager of the Burroughs Corporation Plymouth division has been named chairman of Junior Achievement for the Plymouth-Northville-Livonia area, it was announced by Don E. Ahrens, General Motors vice-president and president of the Board of Junior Achievement of Southeastern Michigan.

In accepting the appointment Mr. Niemi pointed out that Junior Achievement in Southeastern Michigan has grown from a standing start seven years ago to over 5,500 boys and girls functioning in 14 business centers in Detroit and suburban communities. "The Burroughs Corporation has backed Junior Achieve-

ment since its inception," Niemi said, "and I am proud to carry on the work that is building a generation of young men and women endowed with a fuller understanding of how our business system operates."

"At the present time," Niemi added, "the J. A. Center in Plymouth serves achievers from Plymouth high school, Bentley high in Livonia and Northville high school. As the need grows, additional centers will be considered for these communities."

These miniature corporations are sponsored by the Chevrolet Motor Car Division of General Motors Corp., Barnes Gibson Raymond Div. of Associated Spring Corp., Evans Products Co., Michigan Bell, Daisy Mfg. Co. and Burroughs.

## Original Recommendation Of Planning Commission Accepted By City Council

The recent argument over re-zoning the St. Lawrence property for track use and permitting winter stabling at the new location appeared well on the road to settlement at the conclusion of the City Council meeting Monday evening.

Councilman Earl Reed proposed an ordinance incorporating all recommendations of the City Planning Commission as adopted at an executive session after its public hearing had been adjourned at a late hour last Friday evening.

They were:

Re-zoning Regulations  
1. To permit only 250 horses to be stabled in Northville Downs barns at any one time during the off-season (winter) months when no race meeting is being held. (This ceiling on winter stabling had been asked by Northville Downs and the Northville Driving club to quiet fears that an unlimited number of horses would be stabled here.)

2. To re-zone the St. Lawrence property for track use for the period commencing 15 days before the annual summer racing meeting and ending 15 days after the meeting closes.

3. To automatically change the zoning classification of the property back to R-1 (residential) if and when there is no longer a race track in Northville.

out spreading out into a new area.

120 Attend Hearing  
The Planning Commission's hearing was moved to the Fellowship Room of the First Presbyterian church when 120 persons appeared at the City Hall as witnesses and spectators. The order of procedure as established by T. R. Carrington, chairman, was for witnesses favoring the re-zoning request to offer their testimony first, followed by those who opposed the proposal.

Dr. Snow, president of the Driving club, was the first witness. He was followed by John Carlo, general manager of Northville Downs, and James H. Inglis, Michigan Racing Commissioner.

The new city charter provides that the ordinance be tabled until the next meeting on Feb. 6 and that it be advertised in the meantime so a hearing can be held prior to the council's vote on it. Acceptance of the ordinance is anticipated.

Analysis of Recommendation  
In summary, the Planning Commission's recommendation and the proposed ordinance give Northville Downs and the Northville Driving club the re-zoning required for construction of up to 300 stalls for use during the racing season. Construction of such stables—180 stalls prior to the 1956 race meeting and an additional 120 stalls by 1957—had been made a condition for Northville Downs to obtain racing dates this year and next.

It denies the application of the two organizations for permission to use the new barns for winter stabling, which must remain in the present area where it has been conducted for years.

The thinking of the majority of Planning Commission members in prohibiting winter stabling on the new property, as judged from individual remarks in the course of the executive session, was that the Downs will be replacing the wooden barns on the present track property in a year or two with masonry barns which can be used for year-around stabling. It was felt, therefore, that the complaints about poor quality of present winter stables can be remedied by the Downs management with-

## Northville Downs Earns Profit of \$103,045 In 1955

Northville Downs earned a profit of \$103,045 in 1955 before provision for Federal income taxes and showed a higher rate of return on gross income than either Hazel Park Harness or Wolverine Raceway.

These facts are shown in the 1955 report of the State Racing Commissioner which was issued last week. The report also disclosed a sharp decline in earnings of all three harness tracks over the past three years. Northville Downs has suffered a 60% decline since 1953 when its earnings were \$258,495. Hazel Park Harness dropped off 46% and Wolverine declined 23%.

Northville Downs' 1955 profit was ahead of 1954, however, when earnings hit a low of \$71,954.

Dr. Snow Issues Denial

Dr. Snow started his testimony by reading an excerpt from the Jan. 12 Northville Record, as follows: "The primary consideration seems to have been lost sight of in the controversy that followed Dr. Snow's attempt last November to get the Council to hold a quickie secret meeting..." Dr. Snow then said: "... I want to state definitely that the statement that I attempted to call a quickie secret meeting is (Continued)

EAGER SALESMEN covered the downtown area last Saturday, selling peanuts for the March of Dimes campaign. Cooperative Northville citizens "shelled out" for polio willingly, boosting the peanut sales to over \$190. In the above picture, left to right, Donald Earhart, Bonnie Walker and Mary Welch smilingly collect a donation from a generous, although unidentified woman.

## Smartest Buy in the fine-car field

You've probably noticed that more and more people seem to be stepping into the upper circle of fine cars.

And there can be no doubt that "good times" have a lot to do with this.

But all by itself, it doesn't explain the sudden spurt in sales of the finest of Buicks—the 1956 ROADMASTER.

For it has always been our experience that folks with the wherewithal to buy any car they choose are apt to be the choosiest of all.

So it seems quite clear that the marked and increasing preference for ROADMASTER is in the fineness of the car itself.

We can tell you why very simply.

ROADMASTER starts off with all the virtues that have vaulted the full line of Buicks to soaring popular favor—then caps that acclaim with a worthiness all its own.

You sense this especial eminence at once—in the individualized styling of this gracefully proportioned car.

You recognize it again—in the quiet elegance of its custom appointments—and in the good taste of its luxurious fabrics and color harmonies.

But you know it for sure in the lift and thrill and spirit of ROADMASTER performance.

For here is the obedient might of the highest-powered V8 engine in Buick history—coupled to the flash-fast response and absolute smoothness of an advanced new Variable Pitch Dynaflo—most modern transmission in motoring today.

And here is Buick comfort, Buick handling ease, Buick roadability, and the great Buick ride—each brought to its peak in this Buick of Buicks.

In all truth, no man who puts true merit above mere symbol could ask for more than is his in ROADMASTER.

If that applies to you, we'll be happy to arrange an introduction. Will you phone us—or come in—for a demonstration soon?

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Waiting for a freshly baked spicy pumpkin pie to cool are the four lively children of the Charles Bahnmillers and their mother. Little 10 months old Patricia hasn't tasted pies yet but she will someday experience the taste delight of this all-time favorite. Mrs. Bahnmiller's recipe, made with evaporated milk, is especially appetizing.

The other children in the picture are Diane 5, Marianne 4 and Michael 2, who is an irrepressible Hollywood "hater". The Bahnmillers reside at 404 W. Main St.

### PUMPKIN PIE

1½ cups canned pumpkin  
¾ cup sugar  
½ tsp. salt

½ tsp. ginger  
1 tsp. cinnamon  
¼ tsp. nutmeg  
3 slightly beaten eggs  
¾ cup evaporated milk  
1 cup milk

Thoroughly combine pumpkin, sugar, salt and spices. Add eggs, milk and evaporated milk and

plain milk and blend. Pour into 9-inch pastry lined pie pan. Bake in hot oven (450 degrees) for 10 minutes. Reduce heat to 350 degrees for about 45 minutes or until mixture does not adhere to knife. Serve warm or cold, plain or with whipped cream. Use your favorite pastry recipe

## NOTICE OF PUBLIC HEARING

MONDAY, FEB. 6th, 1956 — 8:00 P.M.

## CITY HALL

NOTICE IS HEREBY GIVEN That a public hearing will be held at the time, place and date specified, on an ordinance proposing two amendments to the Zoning Ordinance for the City of Northville. The text of the proposed ordinance is as follows:

The City of Northville ordains:

That the Zoning Ordinance for the City of Northville be amended as follows:

1. That those portions of Lots 230 and 231 of Assessor's Northville Plat No. 3, which lie more than 450 feet west of the center line of Sheldon Road be re-classified and re-zoned from R-1 to T-1 classification, subject, however to the following restrictions:

- That said property revert to R-1 classification when there is no longer a race track in Northville.
- That the use of said property be restricted to the period of time allocated for the conducting of racing at the Northville Downs Race Track, plus 15 days prior and 15 days subsequent to said racing dates.

2. That Section 20:02, Use Restrictions of the Zoning Ordinance, be amended to add thereto the following:

Provided further, that the use of all property within this T-1 District for the wintering of horses be limited to the capacity of 250 horses at any one time.

This ordinance to become effective ten (10) days after date of enactment.

WE admit it. This is our slack season of the year. So to keep our factory trained installation crews busy, we're offering you this BIG 10% discount right now!

And you'll save double—because the amazing Timken Silent Automatic "Wall-Flame" Oil Burner has reduced fuel oil bills up to 25% for home owners by the thousands! Don't put up with an outmoded, rattle-and-fuss furnace or boiler. Say good-bye to coal and ashes—to shoveling—to damper tending. Here's heat that's completely automatic—clean—healthful for all the family! And it can be installed right away, with so little interruption in heat that you hardly notice it!

Let us give you a free cost estimate right away! Show you exactly how little it will cost for you to have the world's finest oil burner, furnace-burner unit, boiler-burner unit, or water heater. And remember—you will save 10% if you buy NOW! Ask us about easy terms—nothing down, 36 months to pay.

NO OTHER TYPE OF OIL BURNER is as economical or efficient in operation as this Timken Silent Automatic Wall-Flame Burner! Completely blankets wall surfaces of your furnace or boiler with a blue-hot flame—to get the most heat from every drop of fuel! Only one moving part. Nothing to get out of order. Soon pays for itself in fuel savings alone!

**Texas Cow Girls Play Basketball Here February 7**

Give me a mask and call me Lone Ranger...the west is moving to Northville for a one night stand.

The Texas Cow Girls vs. the male members of the Northville high school faculty, will play a game of basketball at the Community Building Tuesday, Feb. 7 at 8:15 p.m.

The game is being sponsored by the Athletic Dept. Admission prices will be \$1 for adults and 75 cents for students.

The profits from the game will go toward the purchase of face masks for the high school and junior high school football teams, both the varsity and reserve squads. The masks will cost an estimated \$300 and are necessary for safety reasons.

"One of our boys suffered a broken jaw last season," said Al Jones, athletic director, "and others had minor face injuries. We want to prevent these accidents and face masks seem to be the solution."

So hop on your horse, or rather into your horse-powered jalopy and see the gals from Texas play basketball.

LINDA YEABBY, a forward on the Texas Cow Girls basketball team is one of the players due in Northville Feb. 7. Linda is said to be "a heady player, good ball handler and scorer. She is exceptionally good with the one-handed hook shot and good on defense."

A bee can only sting once, because it loses its stinger on the first stab. Wasps, hornets and yellowjackets are equipped for repeat performances.

**CO-OPERATIVE NURSERY NEWS**

The Northville Co-operative play group resumed classes Jan. 4. Four children have joined the three year old group: Ann, the daughter of Mr. and Mrs. William Davis; Allison, daughter of Mr. and Mrs. William Crump; Claudia, daughter of Mr. and Mrs. Eugene Whitehorn, and Julie, daughter of Mr. and Mrs. James Ross of Plymouth. Two birthdays were celebrated at the school Jan. 6 with special parties for Debbie, daughter of Mr. and Mrs. Francis Clinton, who was five years old, and for Allison Crump who was three.

The children are enjoying a new tool bench which has been added to their play equipment. It is complete with vises, saws, hammers, planing and sanding tools and has proved a very popular toy.

The mothers meeting was held Jan. 9 at the home of Mrs. John DeMott, Jr. of Plymouth. This was a business and social meeting.

**READ A GOOD BOOK** lately? Here's one we think you'll enjoy, as will all the family. It's the new edition of the *Telephone Almanac*. It's chock-full of interesting, informative reading. Wonderful drawings, too. Kit Carson, the opening of the Erie Canal, the ringing of the

Liberty Bell, and, of course, the story of the beginning of telephone service. Contains many tips for farmers, businessmen, housewives, students and other telephone users. Pick up your free copy at our Business Office.

\*\*\*\*\*

**WHAT'S THE WORST** part about running a home? Many housewives will tell you it's the "running." There ought to be some way to cut out all those unnecessary steps. Fortunately, there is—additional telephones. Installed in the bedroom, the living room, kitchen and basement, they save countless steps and a lot of time for the home "manager." And, of course, they make possible better service for everyone in the family. The cost? Less than four cents a day, plus a one-time installation charge. Order your additional telephones from the Business Office today.

\*\*\*\*\*

**MORE AND MORE** people are using Conference Calls to hold family meetings. Conference Calls used to be made chiefly for business purposes, but the word is getting around that they're wonderful experiences, too, for families whose members are miles apart. All you do, you know, is tell the Long Distance operator, "I want to make a Conference Call." You give her the names and telephone numbers. She'll get all the folks on the line at whatever time you specify. Then everyone can speak to and hear each of the others.

### Medals and Trophies To Be Awarded

## Skating Races Scheduled Jan. 28 At Mill Pond; Distances Told

No entry blanks are needed to enter the skating races at the local Mill Pond Saturday, Jan. 28 at 2 p.m. The only requirements are that entrants be public or parochial school students in the immediate area, and that they enter the races for their age group.

Trophies and medals will be awarded to winners by the sponsors of the racing meet, the Northville Recreation Dept. and the Northville Optimist club.

Points for the prizes will be figured for each age group on a basis of 50 points for first place; 30 points for second place, and

10 points for third place. The boy and girl with the highest point total will win a trophy for his or her age group.

Hoping for freezing weather, Stan Johnston, recreation director, issued a plea this week for all skaters to stay off the pond after the Friday and Saturday before the races. "We'd like to flood and spray the area of the pond where the ice race track will be laid out," Johnston said.

Following is a list of the age groups and distance races:

6 and 7 years:  
Boys, 100 yards and 50 yards  
Girls, 100 yards and 50 yards

## "Sure Shots" Set To Shoot; Charter Here from Wash.

The Novi Sure Shots, a rifle club, received their charter from Washington, D.C. The following students were elected to the executive committee: president, David LaFond; vice-president, Ronald Loynes; executive officer, Roger Cheeseman; treasurer, Tom Darling, and secretary, Bill Boyd.

The National Rifle club is a national organization with the express purpose of teaching its members knowledge and skill in the handling of firearms, management of target shooting ranges and competitions, and to develop among its members those qualities of leadership, loyalty, cooperation and good sportsmanship which are essential to good citizenship.

Clyde Johnston was able to go back to work again this week after an illness of three weeks.

Mrs. David O'Leary celebrated her birthday Sunday at a family gathering at the home of her parents, Mr. and Mrs. L. C. Rix on Fonda St. Mr. and Mrs. Edward Rix and son, David, of Plymouth were also present.

# NOVI'S NEW \$20,000 FIRE ENGINE FINALLY HERE; WORTH WAITING FOR

## Unit Accepted Saturday By Township Officials

It's finally here! Novi's shiny new \$20,000 fire engine arrived last week and, upon completion of performance tests, was officially accepted by township officials Saturday afternoon.

Featuring the latest equipment and design, the new engine is similar to equipment now in operation in Plymouth, Livonia and Nankin Township. With the new vehicle, township officials hope for a slight adjustment of fire insurance rates in certain areas of the township, especially the rapidly growing Willowbrook area.

**Custom Made**  
A product of the American LaFrance Corp., the new engine is designed from the tires up expressly for fire-fighting. Each unit is virtually custom-made, Novi unit having been on order since early last July.

With a pumping capacity of well over 750 gallons of water per minute, the new engine is capable of supplying water to three 2½" hose lines simultaneously. In tests, conducted Saturday at the south end of the Northville Mill Pond, the engine pumped at the rate of 930 gallons per minute with little trouble, township officials said.

**Dual Motor**  
Equipped with a 2-way radio, the new engine will be housed at the township hall and will be able to maintain instant contact with other township vehicles at all times.

One of the most unusual features of the 265 h.p. engine is the "dual operation" motor. Specially designed and built by American LaFrance for their own vehicles, the new engine has 12

cylinders, and either bank of 6 may be operated independently in an emergency.

Two complete sets of wiring, two sets of spark plugs, two generators, two batteries, two carburetors...everything is in duplicate. In case one system goes bad, a flick of the switch puts the other fuel and electrical system into instant operation.

**More Aid Available**  
The specially enclosed cab carries five men in addition to those riding on the sides and tailgate of the engine.

The new engine, which is to be used throughout the township, will be supplemented by additional equipment from nearby communities when needed. Members of a tri-county firemen's mutual aid group, the Novi fire-fighters are able to draw additional equipment and manpower when needed from such nearby communities as Commerce, Farmington, Livonia, Plymouth, Canton Township, Nankin Mills and Bloomfield Hills.

## Stage Bake Sale for Polio Drive

A benefit bake sale for the March of Dimes will be held by the Novi Rebekah lodge this Saturday at the lodge hall on Novi Rd. just north of Grand River.

The sale, which will open at 11 a.m., will feature homemade donuts and coffee, according to Mrs. Frazer Staman, chairman.

For those not able to attend the sale, a home delivery service will be available by calling Northville 3046 or 180-W8. Chances will also be sold on a cake decorated and baked by Mrs. Harold Miller.

## Speaker Named for UF Meeting Jan. 19

Dwight Sump, representative from the Pontiac office of the United Fund, will be the speaker at the United Fund and Community Chest meeting at the Township Hall Thursday, Jan. 19 at 8 p.m. All township residents are invited to attend.

## Novi School Notes

### Fifth Grade

The fifth grade pupils are working on many kinds of posters. The posters that went on display in Novi business places are those made by Carol Newbegin, Ginger Cheeseman, Diane McCollum, Rita Crawford and Carolyn Mairs.

### Fifth and Sixth Grades

The fifth and sixth grades shared in paying for a record player. On the fifth grade committee were Diane McCollum and Jeff Crawford. In the sixth grade were Jimmy Frisbie and Frieda Angel.

### School Collection

The total contribution for the March of Dimes was \$107.48. Mrs. Crane's room was highest with \$15 and Mrs. French's room was second with \$12.21.

### Fourth and Fifth Grade

Everyone in the fourth and fifth grade made polio posters. The winners were: first prize, Pam Harnden; second prize, Ellen Harsh, and third prize, Diane Harrawood. The fourth and fifth grade had their assembly on polio contributions.

The following students were neither absent or tardy this school year: Mary Schenimann, Dorothy Wood, Nancy LaSalle, Bairon Stader and David LaFond.

### Sixth and Seventh Grade

(Continued on Page 6)

PRIDE AND JOY of township officials, firemen and residents alike, this shiny new American LaFrance fire engine which was delivered to the township last week end. Capable of pumping nearly a thousand gallons of water per minute, the new engine will be housed at the township hall and will be available for fire-fighting throughout the entire township. Two spectators are shown above examining the engine during field tests conducted last Saturday at the Northville Mill Pond.

## Three Novi Couples Celebrate Golden Wedding Anniversaries

**Mr. and Mrs. W. H. Parks**  
Mr. and Mrs. W. H. Parks of 1980 Austin Dr., Walled Lake, will celebrate their 50th wedding anniversary Jan. 22 with an open house at the Novi Community Bldg. from 2 to 6 p.m.

The Parks were married in Tawas City where Mrs. Parks was born. Mr. Parks was born in Novi. They lived in Ypsilanti, Plymouth and Northville before moving to Walled Lake 14 years ago.

Four foster children, two boys and two girls, were raised by Mr. and Mrs. Parks and they are proud of their 14 grandchildren. Their children are Mrs. Albert Champagne, Mrs. Myrtle Fogg, William Henry Low, all of Ypsilanti and Gorman L. Groves of Walled Lake.

Mr. Parks is 72 and Mrs. Parks is 73.

**Mr. and Mrs. Will Flint**  
Mr. and Mrs. Will Flint were honored on their 50th wedding anniversary Jan. 3 at the home of the former's sister, Miss Mary Flint, on 12-Mile Rd. Mrs. Earl Banks, sister of Mrs. Flint, was co-hostess with Miss Flint for the evening's festivities to which only relatives were invited.

Since 1915 Mr. and Mrs. Flint have lived on their fruit farm at Novi and 12-Mile roads. Mr. Flint's grandfather came to Michigan in 1832 and Mrs. Flint's parents, Mr. and Mrs. Will Simmons, are old pioneers of Novi township.

Mr. and Mrs. Flint are active members of the Novi Baptist church and Mr. Flint, who retired from the fruit business three years ago, served on the Novi school board for several years and has been active in community affairs.

**Mr. and Mrs. Charles Bassett**  
Mr. and Mrs. Charles Bassett of 12-Mile Rd., one-half mile east of Novi Rd., celebrated their 50th wedding anniversary Jan. 17.

Mr. Bassett was born on the farm where he now lives and has lived there all his life. There are a few farms that have remained in the same family as long as the Bassett farm—since the early 1800's. Mr. Bassett's father was born on this farm and lived there all his life also. Mrs. Bassett was also born in the Novi area.

They have two daughters and one son: Marvin of Lapeer, Kenneth of Novi, and Mrs. Edna Champ of Walled Lake. They have two grandchildren.

**Democrats Disclose Drive**  
Better roads and 100% voter registration are the aims of a drive being conducted by the Novi Democratic club. Secretary Helen Barber announced this week. The club's next meeting will be held Feb. 13, she said.

OFFICERS FOR THE COMING YEAR were elected by the Novi Board of Commerce January 12. Shown in the first row, left to right are Vice-President Dirk Groenberg, President Leo Harrawood, and Trustee Ernest Pitchford. In the back row are Treasurer Jim Martin, Secretary Walter Thompson, Trustee Tom Arnold and Trustee Jack Crawford.

# from the PASTOR'S STUDY

By The Rev. John Taxis, Pastor  
 First Presbyterian Church, Northville

## "AS SIMPLE AS A, B, C"

In these days that are troublesome with conflicting ideas, with demands upon time that make it

important for us to keep abreast with the necessary reading to keep ourselves informed of developments in our world; it comes as a refreshing thought to all of us that there are many little things that we have learned in early childhood, in the form of some little couplet or some little song, that have spoken to us a truth, a tremendous message that we have been able to keep in all its simplicity. Often when this more or less depressing feeling gathers round me; through the conflicting demands of one person and the conflicting demands of another; and the total tragedies of life seem to press around, I think of the enjoyment that my father used to have in placing of many little placards in his study. Some, I know, you have seen elsewhere; like "Quiet, Genius, at Work" or "My Time is not your Own"; or yet again the single word "Think". Many of these little placards in his study were changed from time to time. But there was one that he kept regularly near his desk. It was brief. And the point, like the others, was packed with a tremendous wallop of truth in a few short sentences of thought. I have remembered the words a long time. And this is what was on the placard:

"God said it:  
 Jesus did it:  
 I believe it:  
 That settles it!"

This I submit to you, as a reader, to be very concise way of expressing utmost faith and trust in the basic things that undergird our faith in religious world. There is a tremendous logic emanating from a vital faith, so expressed. How often have we wished to have a message of the Bible so compactly put! Here, indeed, is a confession of faith worth a thousand words for a multi-premised logical syllogism. Here also is the answer of faith to skepticism; to indifference; to the one who would argue the minutiae of the law: to simply state with powerful conviction these four logical statements, drawing a very definite and positive conclusion.

And I say, again to you, it has been a source of my own personal comfort and joy, many times, to think of these few sentences in terms of the conflicting ideas that surround us. That cutting through it all is the light of God's love; the light of God's purposes; the assurance of belief issuing from faith. And so in time of conflict of ideas, when the soul seems to be tempest tossed, and the mind distraught, remember these little words from an obscure pastor's study that might strike a note of faith and assurance and give you hope and strength for the morrow. To the Christian, this great summary of the whole Biblical purposes and truth is really as simple as A, B, C.

Rev. Taxis

# Trojans Defeat Mustangs 75-50

By Bob Montgomery

A sharpshooting and fast Trojan team made the Mustangs of Northville bow to defeat in a game that was riddled with fouls last Friday.

The first quarter gave some indication of an even match; however, as the game progressed, it was obvious that Clarenceville's aggressiveness was dimming the spirit of the Northville quintet.

The third period opened with the Trojans in the lead by 61 to 32 and still continuing to pour in the baskets and increase their score.

Ridling from Clarenceville made it a good night for himself and his team as he netted 27 points, 15 of which were thrown from the foul line. Patterson and Teshka were high for Northville with 13 and 12 points in the same order.

# Local Bird-Watchers Identify 3,064 Birds In Nation-Wide Bird Census

A group of Northville residents recently participated in a nation-wide bird census conducted under the auspices of the National Audubon Society.

Covering the vicinity of Northville, Kensington Park and the Froud Lake Recreation area, some 28 different species totaling 3,064 birds were identified.

Among the species seen were 600 and more Canada geese, 875 black ducks, 300 mallards, 7 song sparrows, 85 goldeneye ducks, 4 red headed woodpeckers, 1 mourning dove, 1 golden-crowned kinglet, 1 great blue heron, 4 robins, 47 slate-colored juncos, 2 brown creepers, 90 tree sparrows, 500 crows, 1 kingfisher, 6 spar-row hawks, 8 tufted titmice, 8 white-breasted nuthatches, 14 bobwhites and numerous more common birds.

Participating from Northville were Mr. and Mrs. John Begle, Mr. and Mrs. Cy Frid, Mr. and Mrs. Harold Hartley, Harold Duncan, Hartley and Frank Mul-ler. In addition were Richard Root of Plymouth, Miss Betsy Eustedt of Detroit and William Hopkins of Ann Arbor, natural-ist for the Huron-Clinton Metro-politan Authority.

A census taken at Ann Arbor on Jan. 2, revealed 46 species including ruffed grouse, a cat-bird, a flicker, evening gros-beaks, purple finches and other birds rarely seen in winter, or, in some cases, any other time.

On Jan. 3, Harold Hartley, bird-bander for the U.S. Fish and Wildlife Service, banded a myrtle warbler which came to the feeding station with a flock of house sparrows.

ly. The game was in complete control by Northville as was wit-nessed by all onlookers and proved by Coach Johnston as he rested his starters at several in-tervals by using his entire staff of substitutes.

The second half opened under similar conditions with the Mus-tangs far ahead in the scoring column. Poor passing and the in-ability to control the backboards proved to be Holly's downfall as the Mustangs continued to score point after point.

Officials Harris and Dechaine kept the boys from each club in constant surveillance with their keen observation of all fouls and other illegal procedures.

McDaniels of Holly scored 12 points and was high scorer for his team.

The Northville reserves played one of their better games of the season in defeating the Holly juniors in a close game. The 50 to 45 victory was the first of the season for the reserve team.

# Cager In The Spotlight

BILL YAHNE, 6'2½" sophomore, is the Record's sixth Cager in the Spotlight. Bill plays forward position. Bill was a member of the freshman team last year and scored in double figures in all but one game. Coach Johnston said that Bill is a good rebounder and "... we're looking for a lot of help from Bill this year. We expect to use him a lot next year." Bill is the son of Mr. and Mrs. C. D. Yahne, 512 Eaton Dr.

PUBLICATION OF  
PROPOSED ORDINANCES

PLEASE TAKE NOTICE, That two ordinances have been presented to the Council for the City of Northville, and that action upon same is proposed to be taken on Monday Eve., Feb. 6th, 1956, at 8:00 P.M. The texts of the proposed ordinances are as follows:

## AMENDMENT TO NORTHVILLE CITY ZONING ORDINANCE

The City of Northville Ordinance: That the Zoning Ordinance for the City of Northville, be amended as follows:

1. That those portions of Lots 230 and 231 of Assessor's Northville Plat No. 3, which lie more than 450 feet west of the center line of Sheldon Road, be re-classified and re-zoned from R-1 to T-1 classification; subject, however, to the following restrictions:

- That said property revert to R-1 classification when there is no longer a race track in Northville.
- That the use of said property be restricted to the period of time allocated for the conducting of racing at the Northville Downs Race Track, plus 15 days prior and 15 days subsequent to said racing date.

2. That Section 20:02—Use Restrictions of the Zoning Ordinance—be amended to add thereto the following: Provided, further, that the use of all property within this T-1 District for the wintering of horses be limited to the capacity of 250 horses at any one time.

## PREVENTION OF OBSTRUCTIONS TO PUBLIC UTILITY EASEMENTS

The City of Northville Ordinance: That it shall be unlawful to install, erect, or cause or permit to be installed or erected, any permanent structure on or across an easement dedicated, or reserved for the use of public utilities.

Permanent structure means and includes a garage or other buildings, or trees which will prevent or interfere with the free right or accessibility of said easement.

(Signed)  
MARY ALEXANDER, CITY CLERK

Dated 1-17-56

## Tomorrow's Citizens

Top row, left to right: Mark 3½ and Jeffery 2½, sons of Mr. and Mrs. Keith Simons; James, four months, son of Mr. and Mrs. James Wallace. Bottom row: Claire eight, daughter of Mr. and Mrs. Rano Papini; Carol, seven, daughter of Mr. and Mrs. Charles Yahne, and Christi, three, daughter of Mr. and Mrs. Jack Stovall.

## Events of the Past in Northville

News Items Taken from the Files of the Record

### ONE YEAR AGO—

John Stubenvoll was promoted to cashier and Charles Strautz assistant cashier of Depositors State Bank, it was announced by President A. Russell Clarke this week.

An engineering firm told the Village Commission that Northville's present water supply would be exhausted within three years in the event of a large fire. It was suggested that an additional well be drilled and that the water rates be increased.

Mrs. L. J. Marcoux was installed as president of the Woman's Union at the Presbyterian church.

The Paragon Construction Co. began production of its new factory on Grand River just west of Novi.

### FIVE YEARS AGO—

Mimi Harrison, daughter of Mr. and Mrs. Gerald V. Harrison, was chosen the DAR Pilgrim by the senior class and faculty.

Tom Sutton, Houston Butler and Dick Robinson joined the Air Force and left Northville on Jan. 11 for training in Texas.

Mr. and Mrs. E. J. Cobb of Grace St. observed their 60th wedding anniversary.

### TEN YEARS AGO—

The Ely & Son Coal Co. office building located near the Pere Marquette depot was destroyed by fire early Monday afternoon.

The loss was estimated at \$1000. Walter Zells of Thayer Blvd., who is vacationing at Lake Worth, Fla., reported catching a sailfish which was six feet, 11 inches long.

Mrs. T. J. Knapp of Dunlap St. enjoyed a visit from her nephew, Lt. Col. Royal S. Copeland of Suffern, N.Y. The Colonel returned recently from Czechoslovakia where he was a member of the army of occupation.

### TWENTY YEARS AGO—

Flames destroyed the 8-room brick veneer grade school building here. It is believed that sparks from the chimney caught in the cupola of the roof. Miss Constance Lee, a nurse at Sessions hospital, discovered the flames. The building was erected in 1907 and was considered a fire hazard.

John McCulley, for 30 years a shoe merchant in Northville, Thursday night closed his business doors.

A teletype machine was installed in the Village Hall.

Phillip Baldwin was a lucky boy in having all his school books saved from the school fire. He had taken them to Ann Arbor where he spent a few days to be near his father.

### FORTY YEARS AGO—

William Scott bought the house on Randolph St. occupied by Mr. and Mrs. Charles Shipley.

## Re-zoning . . .

(Continued on Page 12)

a downright slanderous lie. I contacted no councilmen by phone, I contacted no councilmen by letter, I saw no councilmen on the street. What the council did was their own business."

(Editor's note: The Record's reference to "a quickie secret meeting" arose from the abortive "get-together" of the former village commission at 9 a.m. Saturday, Oct. 29, called by Commissioner Earl Reed the previous evening after having received a notice from Mayor Claude N. Ely that a meeting originally set for Saturday had been called off.

Reed told the Record afterward that both Northville Downs and Dr. Snow wanted the meeting held Saturday to approve the zoning change. He also quoted Dr. Snow as saying when he was told the meeting had been called off: "It doesn't matter too much. If the Downs had been on the job they could have got this whole thing settled two months ago."

Another commissioner told the Record he was informed about the meeting by Reed, speaking over Dr. Snow's private telephone from the doctor's home. A third commissioner quoted Reed as having

told him "Dr. Snow wants the meeting Saturday morning."

If it is the desire of this paper to report local events accurately, all of the foregoing statements appeared in the issue of Nov. 3, 1955 and have not been called inaccurate to this time. However, should any of the three commissioners wish to issue new statements about the situation the Record will gladly publish them.)

## Winter Stables

With reference to the request for winter stabling in the new barns to be built on the St. Lawrence property, Dr. Snow testified that "conditions are not satisfactory at the track where they take summer barns and make them over into winter barns with artificial fronts." He inferred that if the Downs was denied

winter stabling on the St. Lawrence property it would put the men employed in winter training here out of business.

Race Comm. Ingrid Testifies  
Racing Commissioner Ingrid testified that the re-zoning request to alleviate the shortage of stall space at the Downs, but said issuance of racing dates to the track is not contingent upon wintering horses here. Winter stalls built on the present track property would merely replace existing stalls and would not increase the total number available for the summer racing meet, he said.

Early this week State Racing Commissioner James H. Inglis awarded Northville Downs 35 days for harness racing this summer compared with 38 days last year. The dates are July 10 to Aug. 18.

Carlo told the commission that if it gave permission to build 100 winter stalls on the St. Lawrence property, the Downs would still winter up to 150 horses in the present barns. Snow, Carlo and Inglis were unanimous in describing the present barns as unsatisfactory for winter stabling.

## Witnesses Favor Re-zoning

Several witnesses were called to testify to the character of personnel employed at the track during the winter. They included Justice E. M. Bogart, Chief of Police Joe Denton, James Walker, groom; Harry Nugent, groom; J. Westover, horse shoer, E. L. Seitz. Other witnesses who testified in favor of the re-zoning were Alex Lyke, Elmer Perrin, Harley Cole, Cliff Turnbull, Arthur Carlson, Dr. J. K. Eastland, Gil Glasson, Allen Buckley, Jack L. Dewsbury and James Green.

Those who appeared against the proposal were Frederick J. Collins, Rev. John Taxis, Arthur Procter, William Milne, W. C. Becker, Bruce Bradshaw, Don Sober, Walter Couse and Robert H. Shafer.

Taxis Speaks As Individual  
Mr. Taxis emphasized that he was speaking as an individual expressing his personal opinion, and that nothing he said was "to be construed as any official statement concerning the organization I represent." Thereupon he asked Racing Commissioner Inglis:

"Is it the prerogative of the Racing Commission to enter a community as Racing Commissioner and purport or even convey the idea of a personal interest in the interests of the Driving club or any club in a given locality? . . . Is it in order for your office to be able to make recommendations to localities recommending favorable action or unfavorable action?"

The Commissioner replied: "It should have been clear to all that my remarks were entirely from the standpoint of the racing program in Michigan and also for the racing program as it exists in Northville. . . ."

Recommendations Against Re-zoning  
Mr. Taxis added: "My recommendation is that the petition be denied. . . . I maintain that the policy that is best for the City of Northville is the containment of the present holdings of both the Northville Downs and the Driving club, and that for the future best interests of the city in all of its cultural aspects, educational aspects, that the best policy for a planning commission thinking in terms of ten, fifteen, twenty years, would be to contain this disproportionate holding of property in relationship to other holdings on an area-wide basis, as far as planning for a city of the future is concerned."

Township Resolution  
Shafer presented a resolution by the Northville Township Zoning Commission opposing the proposed re-zoning. It said in part:

"Being a closely knit community . . . we look upon ourselves as adjoining neighbors and believe that we should conduct ourselves and our activities in such manner that we do not at any time, whenever avoidable, injure each other. We consider the power to zone the use of property within our areas to impose upon us the moral, if not the legal, responsibility of exercising this power in such manner that in instances where our communities adjoin, our zoning should be co-ordinated, so that there results a well-planned community for the benefit of all."

"We therefore, respectfully submit that the City of Northville in considering the request for the change in zoning, give full and adequate consideration to the impact such change would have upon the community at large. We shall always hold ourselves and our services available to the City of Northville whenever and wherever it is believed that we can be of assistance."

The Planning Commission voted on two motions covering the re-zoning. One was by George Zerbel, seconded by Ernie Ebert, that the property be re-zoned T-1, with the use limitation of 15 days prior and 15 days after the race meeting and a reversion clause to re-zone it back to R-1 (residential) when there is no longer a race track in Northville. The second was an amendment to eliminate the use restriction in the original motion, offered by

Harvey Ritchie and seconded by Lynn Sullivan.

The vote on the amendment came first and received the affirmative votes of Ritchie, Sullivan and Carrington. Those voting against it were Eaton, Woodruff, Ebert, Zerbel, Hoehl and Wagenschultz.

The commission then voted unanimously in favor of the Zerbel motion.

## Episcopal Church Has Annual Parish Meeting Jan. 14

The annual Parish meeting of St. Johns Episcopal church, Plymouth, was held Jan. 14 in the Church Hall. There was a goodly Duncan Hartley and Frank Mulers present and the reports submitted showed advance in every department of the church. The building fund treasurer, Harry J. Christensen announced at the meeting that the new rectory built on the new site three years ago is completely paid for.

An important item of business at the annual meeting was the election of vestrymen. The term of Messrs. Ernest W. Ebert, Jr., Herbert D. DeBorde and Douglas Berry expired. The following were elected to serve for a period of three years: Messrs. Lewis H. Goddard, William Milne and William Davidson.

The chairman of the building committee, Sidney D. Strong, submitted a progress report and announced that the firm of Wheeler and Becker, architects, had been engaged to prepare the plans for the new church to be erected on our four acre site on Sheldon Rd. just north of the Plymouth Colony.

## Bank Resources Up \$932,000 Over Last Year's Total

Total resources of Depositors State Bank of Northville, Mich. reached \$7,336,266.42 for a new year-end high. This was a gain of \$932,000 over 1954's year-end figures as revealed at the annual shareholder's meeting held Tuesday, Jan. 17.

All directors and officers were re-elected. Directors are E. M. Bogart, A. Russell Clarke, M. C. Gussell, R. M. Terrill, Charles H. Walker, Gerald C. Woodworth and D. P. Yerkes, Jr.

Officers include A. Russell Clarke, president; Charles H. Walker, vice-president; John F. Strubenvoll, cashier; Charles F. Strautz, auditor and assistant cashier, and Leona Parmalee, assistant cashier.

Announcement was made of the declaration of the semi-annual dividend of \$1.00 per share payable Feb. 1, 1956. Also of the acquisition of building adjacent to the bank on the west which will be used to expand present banking quarters.

## Obituaries

AMY A. NORTHROP

Funeral services were held on Friday at the Casterline Funeral home for Amy A. Northrop who died in Atchison Memorial hospital Jan. 11. She was born in Lapham's Corners, Salem township, 57 years ago. Besides her husband, Glenn, she is survived by two daughters, Mrs. Elizabeth Buers of Salem; Mrs. Clara Smith of Farmington; a son, Floyd, of Ypsilanti; her mother, Mrs. Nellie Larned, and eight grandchildren. Rev. Richard Burgess of the Salem Federated church officiated at the services in Northville. Another service was held at the Charlton Community Hall in Johannesburg, Mich. Saturday, with the Rev. E. Raymond Hempill officiating. Burial was in Mt. Hope cemetery in Johannesburg. Mrs. Northrop was a member of the Plymouth Grange and the Mom's Club of Plymouth. She lived in Johannesburg for the past six years but previous to that time resided in the Northville-Plymouth area.

## Exchange Club News

Bill Hicks of Farmington was the guest of Charles Freydl, Jr. at the Exchange club meeting Jan. 11. Ken Krezel and Bob Johnson, representatives of the senior class, were also guests.

John W. Swain, president of Mergraf Oil Co., and John Richwine presented samples of Mergraf products to the members. Mr. Swain explained the industrial uses of the Mergraf compounded oil products and stated that the company is one of the half dozen largest producers of industrial oil products in this country. Their tank trucks deliver the oils in ten nearby states.

The company is satisfied with their location in Northville and will always maintain a plant here. However, within a year they expect to have to start operations at a branch plant at some location where water transportation is available.

## Mission Movie

A world tour of missions, by means of film strips in color, will be conducted in the parish hall of St. Paul's Lutheran church, High and Elm streets, Northville, from 8 to 9 p.m. Monday, Jan. 23, Friday, Jan. 27 Monday, Jan. 30, according to the Rev. B. J. Pandow.

This tour, also announced as an Epiphany Mission School, will show the work of the Lutheran Church—Missouri Synod in its far-flung mission fields. Edward C. Drews, one of the elders of St. Paul's Lutheran church, will serve as narrator.

Friends of the congregation are cordially invited.

## THE ROCK OF AGES

Most all of us are familiar with the painting of the "Rock of Ages". Have you ever noticed that there are two versions of this picture? The one picture shows the rock, shaped like a cross, rising up out of the water with a person clinging to it. Under the picture is inscribed the word "Saved". The other picture has exactly the same setting, but on this one the person is clinging to the cross with one hand and with the other is reaching down and grasping the hand of another. As I thought about that, I realized that in these two versions we have a graphic picture of all Christians. One Christian having found the Saviour, enjoying peace and security in Him. Below her could be inscribed the word "Saved" for having put her trust in Him she is promised eternal life.

The second is the Christian who has found security in Christ and is concerned about helping someone else to that place of peace and safety as well. My Christian friend, I wonder which picture represents you? Are you concerned enough about others to speak to them about the Saviour who died that they might enjoy eternal life? You have the only Gospel that can save them. Why not share it with them?
