COLD AIR NIPPING at their noses doesn't seem to bother these young winter enthusiasts or the many hundreds like them who spent the past week end tobogganning, sledding and ice skating at nearby Cass Benton Park

## Twp. Hall Open

The Northville Twp. Hall is now open for business. The offices will be open Monday through Friday from 1 to 5 p.m.

The township offices are in the old Waterford school building off 6-Mile Rd. near the viaduct. Township officials report that the building was recently remodeled and redecorated.

## Hit-Run Driver Trapped By Leaky Radiator

Northville police followed a trail of water left by a leaky radiator and apprehended a hit-run driver minutes after his offense.

Boyd Lockard, 27, 108 Randolph, hit a parked car and neglected to stop. "I didn't think that I did any damage," Lockard said.

Lockard entered a plea of guilty Jan. 25 and was fined \$75 and costs by Judge Bogart.

## Residents Approve Amendment 24 from N.H.S. In All-League Band Passed By Twp. Zoning Board

Approximately 50 Northville township residents attended the public hearing Jan. 24 at Waterford school to discuss the proposed amendment to the Northville township zoning ordinance.

The amendment which, among other things, permits the establishment of a mobile home park or trailer coach park, specified requirements and regulations in respect to the establishment, conduct and maintenance of such places.

### Good Response

Chairman of the zoning board, Robert H. Shafer, said that there was "...good public response to the hearing and no dissension whatsoever."

"After a discussion and ques-

tion period we found it necessary to make minor adjustments in the amendment," Shafer said, "but the amendment was well received."

### Six Adjustments

The six adjustments which will be included in the amendment include:

A. Specification of concrete strength as well as thickness for trailer coach stands.

B. Clarification of requirement for underground wiring from electric service poles to mobile homes.

C. Establishment of alternate provision for curbing streets for purposes curbing fullfills and acceptable with entire mobile home park plan when submitted to zoning board for plan approval.

D. Clarification for green belt planting area.

E. Specify conditions for use of skirting on mobile homes.

F. Adjustment of minimum height for building allowed in mobile homes park.

### Spectators Approve

According to Shafer, R. H. Rinehart, a spectator, expressed his appreciation to the board for their "...good response to the township's planning needs." The group of residents present applauded to show their approval.

Another spectator, C. Bowlby, made a statement that the amendment should be accepted. A show of hands and another round of applause by the spectators registered the majority approval.

### Amendment Passed

Harold D. Putnam moved that the amendment be submitted to the county coordinating commission. Ralph M. Gibson seconded the motion.

Johnson will submit the altered draft to Attorney James Little who will then write a letter of transmittal and forward the proposed ordinance to the county coordinating commission.

## Lucky Numbers

The three lucky numbers picked at Carle's market Monday are:

PR-62336, \$8 worth of meat;  
PR-62863, \$4 worth of meat;  
PR-62049, \$2.50 worth of meat.

Winners should present their tickets to Fritz Carle and collect their prizes.

One ticket is given for every \$1 spent and the drawing is held every Monday at 4 p.m. It is not necessary for winners to be present.

## 24 from N.H.S. In All-League Band

In competitive try-outs held at Milford Jan. 7, an All-League band of 64 members selected from seven schools was formed. The Northville high school band, under the direction of Leslie G. Lee was fortunate to have 24 members chosen to play in that elite group.

Northville bandmen honored by this membership are Lillian Zinnecker and Donna Frisbie, flute; Carol Tabor, oboe; Carolyn Burkman and Judy Drew, Bb clarinet; Richard Drew, alto clarinet; Fred Schultz and Tucker Williams, bass clarinet; Janice Howarth, bassoon; Shirley Snow and Rose Marie Willis, Judy Leavenworth, Jeff School, Doug Ware and Roberta Schroeder, cornet; Dave Hartner and Don Gardner, French horn; Mike Willis, John Schwartz and Kathy Hodgson, trombone; Dewey Gardner and John Wortman, baritone; Harry Sedan, bass; Lois Rody, drums.

The All-League band will present three concerts next month: Feb. 1 at Milford, Feb. 9 at Holly and Feb. 13 at Northville. All concerts will begin at 8 p.m. and the public is invited and urged to attend. Admission is 50 cents for adults and 25 cents for children.

## Speed Law Takes Effect At Midnight Tonight

Changing Signs of The Times

Midnight Thursday (tonight) marks the hour Michigan's new speed law goes into effect, according to State Police Commissioner Joseph Childs. The new signs are already in place on Grand River.

And State Police are under orders to "get tough right at the start," he added.

At 12:01 a.m. Friday, the new

# FORD VALVE PLANT MANAGER RETIRES

## 45 Years Service At End

### Started As Operator In Machine Dept.

Edwin M. Flaherty, manager of the Ford Motor company's Northville valve plant and a pioneer in the company's small plant operations under the late Henry Ford, retired Jan. 31.

Over 200 friends and business associates attended the going-away party held in his honor at Hawthorne Valley Country club last week.

Asked if it was a surprise, Flaherty said, "No, it's customary to say goodbye to the old man that way. I've gone to about 55 of them and it would have been a surprise if there hadn't been any party."

Flaherty and his wife are planning to live in Florida eight months of the year and will spend the four summer months at their cottage in northern Michigan.

Joined Ford Co. in 1911 Born in Detroit on Oct. 30, 1890, Mr. Flaherty joined the company in December, 1911, as an operator in the automatic screw machine department of the Highland Park plant.

Following successive promotions at Highland Park, he was named assistant superintendent of the Northville plant in 1920. The valve plant, one of the company's first village industry plants, was opened in 1919.

He returned to Highland Park as a department superintendent in 1928 and a year later was transferred to the Rouge in the same capacity. He was named assistant superintendent of the Rouge glass plant in 1930.

Mr. Flaherty returned to Northville as plant superintendent in 1934, and became manager in 1940.

During World War II, he was superintendent of all B24 assemblies at the Willow Run bomber plant. In 1945, he once again re-

(Continued on Page 10)

EDWIN M. FLAHERTY, retired manager of the Ford Motor Co. valve plant, posed in front of the factory a few days before leaving his job.

## License Sales On Increase Here

Motor vehicle licenses are now on sale in Northville at the Shell Station, 340 N. Center St., according to the proprietor, John Litsenberger.

Licenses may be purchased from 9 a.m. to 5 p.m. every day except Saturday.

Litsenberger said that sales now are 200 ahead of last year. "I don't think that people are buying them early," he said, "there are just more cars."

Litsenberger said that license plates should be purchased early to avoid the last minute rush. "Besides," he said, "you'd be surprised how many people have difficulty finding their title."

Licenses will be on sale throughout the month of February.

## Calendar of Events

### NORTHVILLE

Feb. 3—Woman's club. Book review by Mrs. C. M. Goodrich.  
Feb. 3—Orient Chapter special meeting, 7:45, Masonic Temple.

Feb. 13—Blue Star Mothers Chapter 47 meet with Mrs. George Fisher, Beck Rd.

## Skating Races Set for Saturday, Feb. 4

Sharpen up your skates and listen to the weather reports because if everything goes right the Northville Recreation department's skating contest will take place at the Mill Pond this Saturday, Feb. 4 at 1:30 p.m.

Stan Johnston, recreation director, said that the races were postponed last week due to the weather. Here's hoping that, we won't have to run this story again next week...pictures of the winners and the trophies would be much more interesting.

## It's Leap Year... Girls Can Ask Boys To Valentine Dance

"This is leap year, girls, and it's perfectly all right for you to invite your man to our big Rotary club Valentine dance Feb. 11," Chairman Walter Belasco announced early this week.

The tickets are only \$2.00 per person and Red Johnson's band from the University of Michigan Union will furnish the music.

Being held at the Northville Community Center, the dance was planned to raise money for the building fund of the new Western Wayne County Crippled Children's Center in Wayne.

## New Boss For City's Largest Industry

AUSTIN STECKER

Austin Stecker has been named plant superintendent of the Ford Motor Co. Valve Plant in Northville. Stecker succeeds Edwin Flaherty whose resignation became effective Jan. 31.

Stecker joined the Ford Motor Co. in 1932, working in the chemical and metallurgical department in Detroit. During the war years he worked at the Willow Run plant. Other promotions followed and Stecker was transferred to Dearborn as the materials engineer and then to Central Office Quality Control.

He entered the Parts and Equipment Division in 1951 and until recently was in the manufacturing engineering department of the Parts and Equipment Manufacturing Division's general office in Ypsilanti.

Stecker, his wife and two teenage daughters have made their home in Plymouth for the past 15 years.

## Do You Have Weeds, 1,300 Sq. Ft. Can Be Weeded for 25 Cents

One thousand three hundred square feet of asparagus bed can be made weed-free with one ounce of chemical costing 25 cents. That's the latest word from Professor Stanley Ries, horticulturist at Michigan State university.

Dr. Ries will speak on the subject of controlling weeds with chemicals at 7:30 p.m., Tuesday, Feb. 7 at the Cooperative Extension Service Bldg., 3930 Newberry St., Wayne, Mich.

Dr. Ries has supervised demonstration weed control plots in over 35 Michigan counties. New chemicals are tested right in the vegetable grower's field. Many new chemicals can reduce labor in weeding even in small gardens according to Dr. Ries.

Dr. Ries received his doctorate degree from Cornell university.

## Faye Austin and Thomas Raeburn of Scotland To Wed

Mr. and Mrs. Edward Austin of 404 Beal Ave. announce the engagement of their daughter, Faye, to William Robert Raeburn, son of Mr. and Mrs. Thomas Raeburn of Prestwick, Ayrshire, Scotland. No date has been set for the wedding.

## Thailand Minister Will Speak At Church Luncheon

The Presbyterian Women's Assn. will have the Rev. Herbert W. Stewart, retired Presbyterian missionary from Thailand as their guest speaker at their 12:30 luncheon Wednesday, Feb. 8.

Mr. Stewart has spent 44 years in Thailand. His work was largely evangelistic, at first in a district so large he could not cover it more than once a year. There were no motor roads and his traveling was done by bicycle or on foot. After Pearl Harbor he escaped into India where he taught English and Bible in the boy's school.

In 1945, after a brief furlough in the United States, Mr. and Mrs. Stewart returned to Thailand. From that time he has been engaged in church work and in the preparation of Christian literature for use in the churches. In 1952, he attended the dedication of a new church in Nan, built almost entirely with funds contributed by Thai Christians, many of whom are poor.

Mr. Stewart is a native of Pennsylvania, and a graduate of Grove City college and Western Theological seminary in Pittsburgh.

Mrs. George Mellen is chairman of the day with Mrs. Joseph Denton having the call to worship. The reception committee is Mrs. Gerritt Rocks and Mrs. Lee Shipley.

## RUMMAGE COLLECTION

Clothes and toys will be collected this week for a rummage sale to be sponsored by the Wayne Apostolic church. Residents wishing to donate articles are asked to contact Mrs. Davidson, 16675 Mead Rd, phone 20-W.

## News Around Northville

Mary Ellen Crusoe, daughter of Mr. and Mrs. Claude Crusoe, is home for her mid-semester vacation from Marquette college in Milwaukee.

Mr. and Mrs. Ralph Foreman, Jr. of W. 7-Mile Rd. and Mr. and Mrs. Charles Burke of Traverse City, vacationing in Florida, visited Orlando recently, the state's largest inland city. They dined at Gary's Duck Inn, a seafood specialty restaurant famous for its jumbo shrimp.

Sylvia Hollis, a senior student nurse at Grace hospital, was home last week on vacation.

Mr. and Mrs. Fred Walker, 539 Rouge St., announce the birth of a daughter, Eva Louise, born at

Sessions hospital Jan. 25. The baby weighed nine pounds and one ounce. Eva Louise has two brothers, Clayton 3 and Richard 20 months.

Arlene Nelson, a student at Michigan Eastern college, Ypsilanti, was home for the week end visiting her parents, Mr. and Mrs. R. G. Nelson of Napier Rd.

Mr. and Mrs. C. O. Hammond were Sunday guests of their aunt, Mrs. Freda Wessel in Ann Arbor.

Mr. and Mrs. Claude Crusoe, Mary Ellen and Jack, drove to their summer home at Mullet lake for the week end.

Mr. and Mrs. J. E. Straus at-

tended a farewell dinner in Grosse Pointe Saturday evening at the home of Mr. and Mrs. Ben Faircloth honoring their son, Dr. James Faircloth, who left for California Monday to enter the armed services.

Mr. and Mrs. Robert Lemon (Marjorie DeJohn) of W. 7-Mile Rd., announce the birth of Denise Louise. The baby was born Jan. 28 at Mt. Carmel hospital and weighed eight pounds two ounces.

Mr. and Mrs. Harry German visited their son and family, Mr. and Mrs. H. E. German in Belding last week.

Tom Johnson, son of Dr. and Mrs. Waldo Johnston of Novi Rd., is home on vacation from Wooster college.

Mrs. Robert Haas entertained 18 of her friends for a "hobo" party at her ranch on W. 6-Mile Rd. Friday. For luncheon, the guests were supplied with lunch boxes tied with bandanas fastened with huge blanket pins; informal attire was requested. Bridge with amusing door prizes followed the luncheon.

Mrs. Harold Church, Mrs. Carl Miller and son, Carter Church, left Tuesday by motor for Phoenix, Ariz. for a month's vacation. Mr. Church expects to fly out and join them in two weeks.

Mr. and Mrs. C. R. Fox of De-

troit were guests of Dr. and Mrs. E. B. Cavell Sunday.

Mr. and Mrs. Glenn Cummings, Mr. and Mrs. Thomas Cummings, Mrs. John Donovan and Miss June Faulds attended the Michigan Press convention at Kellogg Center in East Lansing Friday and Saturday.

Mr. and Mrs. Richard Hackett gave a birthday dinner Wednesday in honor of Mrs. Hackett's father, Parker Holden. Guests included Mr. and Mrs. C. W. McLoughlin, Mr. and Mrs. Richard Key, Mr. and Mrs. C. M. Goodrich, Mr. and Mrs. Fred Collins, Mr. and Mrs. Karl Karg and Dr. and Mrs. R. M. Atchison.

Mrs. Ida M. Cook, who resides with her daughter, Mrs. E. B. Cavell, is still confined to her bed.

## Dr. Buoniconto Traces Mental Health from Dark Ages To Present Day

Harold S. Hartley, president of the Northville P-TA, reported that over 120 persons heard Dr. Buoniconto, medical superintendent of the Wayne County Training school, address the Parent-Teachers Assn. last Thursday evening in the Community Bldg.

Hartley said that Dr. Buoniconto traced the history of the treatment of the mentally ill from the dark ages to the present, stating that only in recent years has the general public come to have a more correct understanding of mental defectiveness, and that many misconceptions still exist. "For example," he said, "when a crime is committed by a mentally sub-normal person it assumes exaggerated proportions in the mind of the public, whereas the percentage of such crimes approximates the percentage committed by so-called normal people."

Dr. Buoniconto emphasized that no matter how low the mental activity of a human being might be, it could be raised by

intelligent care and guidance. For example, persons admitted to the Wayne County Training school with an intelligent quotient of 80 caused by emotional stress have often left the institution for normal life with a much higher I.Q. At least one such person became a major in the army, and some others have become foremen in their respective jobs.

During the question period, Dr. Buoniconto informed the P-TA that the average length of time people stayed at the school was 3.7 years, and that the number of persons admitted each year was not much greater than the number discharged, thus giving the school one of the best ratings in the country. He added that the basis of treatment of the persons admitted, was understanding kindness, the imposition of the least amount of restraint, and the creation of an environment in the classrooms and cottages as much as possible like that of the normal child at home and in school.

### Resolution Passed

The meeting passed a resolution offered by Fred Galli, chairman of the legislative committee, supporting the Kelly Bill for Federal Aid to School Construction now in the House of Representatives, and a similar bill supported by President Eisenhower, now in the Senate. Members were urged to write letters to their senators and representatives urging their favorable vote on these bills.

### New High School

The next meeting of the PTA will be held in the Amerman school Thursday, Feb. 23 at 8 p.m. The Citizens Advisory committee will report on the all-important question of the need for new school facilities, particularly a new high school. It is expected that all civic organizations will make a special effort to bring their members to this meeting. If necessary the meeting will be changed from the Amerman school to a larger hall in order to accommodate more people. If so, a later announcement will be made.

## Obituaries

### Greta E. McTigue

Mrs. Greta E. McTigue, a resident of Northville for the past three years, died in the Oakland County Infirmary Sunday.

Mrs. McTigue was 64 years of age and was born in Tyron, Pa. Her parents were James and Sarah Weekly. She is survived by her husband, Frank, of 46079 Sunset, Northville.

Wednesday at Casterline Funeral Home. Funeral services were held on home. Rev. John O. Taxis officiated and burial was in Rural Hill cemetery.

### Emil J. Racx

Emil J. Racx, 19171 Clement Rd., aged 62, died of a heart attack in Redford Receiving hospital Saturday. He was stricken while riding on a bus to Detroit.

Mr. Racx was born in Budapest, Hungary Nov. 29, 1894. He is survived by his wife, Emma, of the above address; a son, Ernest, of Washington, D.C. and a daughter, Mrs. Gertrude Middleton of Detroit and one grandchild.

Funeral services were held on Wednesday at the Casterline Funeral home. Mr. Richards of Salem officiated and burial was in Rural Hill cemetery.

Mr. Racx was a violin teacher and lived in his home on Clement Rd. for the past 29 years.

### Leroy Van Atta, Sr.

Leroy W. Van Atta, Sr. died at Sessions hospital Jan. 26. He was 82 years of age. His parents were Albert and Maria and he was born in Salem May 21, 1873.

He is survived by his wife, Florence, of 7778 Six Mile Rd.; a son, Leroy, Jr. of South Lyon; a daughter, Mrs. Milama Kogelschatz of Detroit, and one grandchild, Rolf Kogelschatz.

Funeral services were held on Monday at the Casterline Funeral home. The Rev. Patrick Clifford of Plymouth officiated.

Burial was in Walker cemetery at Salem.

Mr. Van Atta had resided in Salem all his life.

### Esther S. Munro

Mrs. Esther S. Munro, a resident of Novi for 53 years, died at her home on Grand River Saturday at the age of 71. She was born in Howell township Aug. 12, 1885 and her parents were Charles and Janette Geer.

Mrs. Munro's husband, James died in March of 1954. She is survived by a son, Donald, of Chino, Calif.; a daughter, Mrs. Mary Guntzville of Novi, and seven grandchildren. A sister, Mrs. Clark Bassett of LaPorte, Ind., also survives.

Funeral services were held on Tuesday at the Casterline Funeral home. The Rev. Morris of Ypsilanti and the Rev. J. A. O'Neill of Novi officiated. Burial was in Novi cemetery.

Mrs. Munro was a member of the Novi Baptist church.

## Local Man Gets GM Service Award

Service awards designating 25 years' employment were presented to 134 persons employed at the Detroit plant of General Motors Ternstedt division Friday night, Jan. 20 at a Statler hotel banquet.

Among those receiving service awards was Joseph C. DeJohn, 17637 Beck Rd., Northville.

H. M. Rissman, plant manager, presented gold watches to the new members of the 25-year group which now numbers 1,579 present and former employees. New members are honored annually.

## "MAN WITH THE GUN"

## Alma College President To Speak At First Presbyterian Church Sunday

Dr. John Stanley Harker, president of Alma college, will be the guest minister Sunday, Feb. 5 at both services in the First Presbyterian church.

Dr. Harker is an ordained minister of the Presbyterian church. His college work was done at Grove City college, Grove City, Pa., and his theological training was received at McCormick Theological seminary, Chicago, Ill. In addition to this usual preparation for the Presbyterian ministry, Dr. Harker continued graduate study at the University of Pittsburgh, taking both a MA and Ph. D from that university. In 1941, his Alma Mater conferred an honorary Doctor of Divinity on him. During his years in the Synod of Ohio, he was honored with a LL. D from Cedarville college, Cedarville, O.

Dr. Harker became president of Alma college in January, 1951. During the four years that have elapsed, great gains have been made by the college. The faculty has been substantially enlarged and faculty salaries materially increased. The physical plant of the college has been improved. The most noticeable improvements have been the construction of three new buildings and a new athletic field.

Alma college was founded and is under the control of the Synod of Michigan, Presbyterian

Church, USA. It is a fully accredited liberal arts college with strong emphasis on Christian culture. Over 4,000 students have gone out from the Alma campus into constructive careers and Christian citizenship. The college

Dr. J. S. Harker

is coeducational and its enrollment is limited to 600. Its slogan is—"Where Friendliness Links Learning to Living."

Several of our local high school graduates are now attending Alma, including among them are Priscilla Blackburn of Orchard

We Reserve the Right to Limit Quantities. Prices Effective Through Sunday, February 5, 1956

The Mothers club of Our Lady of Victory school will have its monthly business meeting Feb. 7 at 8:30 p.m. in the church hall.

The meeting will be devoted to a discussion of scholarships for graduates of Our Lady of Victory school.

Mrs. John T. McGuire, Mrs. John Manica, Mrs. Melvin H. Mitchell, Mrs. Carroll J. Mulligan and Mrs. William F. O'Brien will have charge of refreshments.

Leisure time is the finished product of greater efficiency.

## Burroughs Awarded \$1,058,552 Contract from U.S. Air Force

The Burrough Corporation's Plymouth division has been awarded a \$1,058,552 United States Air Force contract renewal for the manufacture of gun-bomb-rocket sights, it was announced by Major General David H. Baker, directorate, procurement and production material command in Dayton, O.

AMC is the world-wide procurement supply and maintenance source for the entire air force.

## Ford Motor Co. Posts \$50,000 For Teen-Age Craft Contest

Ford Motor Co. today began distribution of more than 55,000 individual entry blanks to vocational educators for the company's 1956 Industrial Arts Awards and Student Craftsman's Fair program.

The nationwide Industrial Arts Awards program, which attracted over 35,000 entries last year, is designed to encourage pride of craftsmanship and creative imagination among students enrolled in junior, senior and vocational high schools.

Ford Motor Co. has posted \$50,000 for awards to teen-age craftsmen, including 32 grand awards which will bring winners and their instructors to Dearborn, Mich., for three-day, expense-paid vacation holidays.

Hugh C. Ralston, manager of the Ford educational affairs department, said winners of 738 cash awards, as well as 864 place winners, will be announced in July after final judging by a panel of leading educational and industrial specialists.

Henry Ford II, Ford Motor Co. president, has evaluated the Industrial Arts Awards as an "opportunity to help the nation's youth by promoting a greater ap-

preciation for the industrial arts and developing pride of workmanship which is vital to the future of American industry."

The 1956 competition is divided into 14 divisions—mechanical drawing, woodworking, electrical, graphic arts, leather, ceramics, jewelry, models, wrought metal, patternmaking and molding, plastics, machine shop, architectural drawing, and an open division.

Competition is open to students under 21 in any public, private or parochial school. Further information, as well as rule books and entry blanks, may be had by writing to: Industrial Arts Awards, Ford Motor Co., 3000 Schaefer Rd., Dearborn.

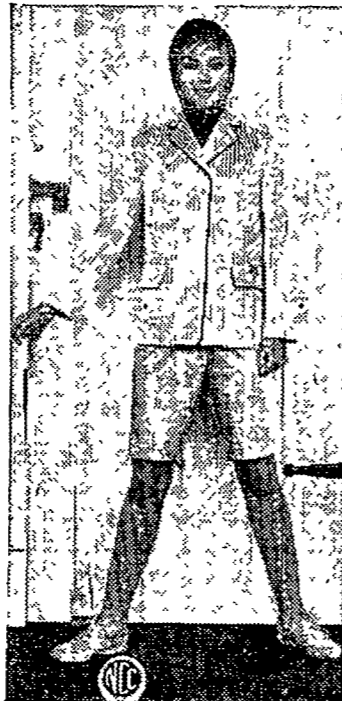

## Tom Johnson Does Independent Study At Wooster College

Seniors at the College of Wooster, O. are completing their Independent Study program. The college inaugurated in September, 1946, a special plan of upperclass study. Under this plan, a student in each term of his last two years will use one-fifth of his time in "independent study." This term is an attempt to suggest the heart of the upperclass program and the human adventure it encourages.

Tom Johnson, son of Dr. and Mrs. Waldo Johnson, 22047 Novi Rd., prepared a paper on "A Study of Some of the Practical Applications of the Electrodermal Response" for his Independent Study project. A psychology major, Tom plans to enter medical school. He is a member of Men's Assn. and Young Republicans as well as president of the Psychology club.

The college said that in his junior year the student begins his investigation of some special topic, either writing some three or four papers upon it or conducting some equivalent investigation; the papers or methods are rigorously criticized in conference. In his senior year the student writes a senior essay or solves some special problem; for this work his junior year has directly prepared him.

## VERSATILE KHAKI

Cotton khaki today is part of the fashion world, as well as an essential fabric for the military. Seventeen magazine reports that cotton khaki is popular in young fashions this winter. This eye-catching outfit pairs a khaki and white blazer of cotton twill with cotton khaki shorts. The hood is an important fashion trend, the National Cotton Council notes.

## IN THE PINK

Here's Dame Fashion's practical answer to today's demand for glamorous, but easily washable, fabrics for playwear—cotton corduroy separates. "Pretty Maid" of St. Louis uses a "pink watch" plaid for walking shorts to team with a long jacket in solid pink corduroy.

## Light, Low-Calorie Banana Dessert

Here's the spring song for the dieter! A walloping big serving of banana fruit dessert that contains only 80 calories! As sweet as sweet can be, fully satisfying and pretty as a picture, Dietetic Banana Fruit Dessert owes its low calorie content to the magic of Sucaryl, the new non-calorie sweetener which can be cooked at any temperature without becoming bitter or losing its sweetness.

For spring-time parties — or anytime parties — guests will bless the hostess who thoughtfully provides not only a lovely 80 calorie party dessert like our recipe for today, but who also provides a handy supply of Sucaryl for sweetening party beverages. Just think of sipping all the coffee or tea that you wish without any a calorie to worry about when you use Sucaryl for sweetness. Enjoy your next party... and enjoy today's dessert, Low Calorie Banana Fruit Mold.

### Dietetic Banana Fruit Mold

1 medium banana  
1 8-oz. can dietetic fruit cocktail  
1 cup orange juice  
1 envelope unflavored gelatine  
2 teaspoons Sucaryl solution or 16 tablets, crushed  
¾ cup hot water

Slice banana into bottom of 1 quart mold. Drain fruit cocktail, add fruit to mold. Add juice from fruit cocktail to orange juice. Soften gelatine in ¼ cup of mixed juices. Heat Sucaryl and hot water to boiling; add to gelatine, stir until gelatine dissolves. Add remaining fruit juices; chill to consistency of unbeaten egg whites. Pour into mold; chill until firm. Unmold; garnish with salad greens. Makes 4 servings.

Each serving contains 80 calories; 2 grams protein; 0 grams fat; 18 grams carbohydrate.

If made with sugar, each serving would contain 181 calories.

## Camera Club To Show Slides At Feb. 2 Meeting

Mrs. Audrey Joki and Mrs. Elizabeth Hoose will show slides at the next Camera club meeting Feb. 2. The subject of their showing will be scenery shots which were taken during their visit to Europe last summer.

Mrs. Robert Dearing, club president, issued a reminder to members this week saying that this meeting is also assignment night. The assignments given to members on still life and table

tops will be shown. There will be a limit of four slides to a person. All slides should be titled.

The Argus Co. tour, which was postponed because of the weather, is now planned for Thursday, Feb. 9. Members and guests will meet at the Scout Bldg. at 6:45 p.m. and leave together.

## P-TA Chairman Tells Why Parents Should Write To Senators In Wash.

In a recent release to the Northville Record, P-TA legislative chairman, Alfred P. Galli, told why parents should write to Senators Potter and McNamara in Washington, D.C. Galli's letter follows:

"The Washington Conference on Education, held in the latter part of November, highlighted for the public what has long been known by educators in our country. It was generally agreed that most of the states in our country cannot begin to provide sufficient classrooms, and adequately trained teachers, to properly educate our children.

"It is estimated that at the current building rate, there will be a shortage of 407,000 classrooms by 1959; at present there are 700,000 children on double sessions; at present children are attending classes in tents, stores, lodges and church basements. The record in Michigan is nothing to brag about. Many schools in our state are unsanitary, overcrowded, hazardous fire-traps.

"What can you as an interested parent, or citizen, do about it? Here is a suggestion: Write to Senators Charles Potter and Patrick McNamara, Senate Building, Washington, D.C., asking that they give their unqualified

support to the Administration bill S-2905, shortly to be considered in the Senate. Then, while you are still in a writing mood, and still imbued with a high sense of responsibility for the adequate education of the youngsters of our country, write to Representative Martha Griffith asking her to support the Kelley bill, HR 7535, now awaiting house action. Surely when the House and the Senate meet to compromise on these two bills, after they have been duly passed separately, we will be one long stride closer to having provided better educational opportunities for the school children of tomorrow.

"When should you write these letters: Right now! There is no time to lose."

## THE OLD TIMER

"It's a wise man who won't let yesterday use up too much of his today."

ANDRA McLAUGHLIN is famed for her interpretative skating. She does such favorites as the hula and the Charleston in her fifth annual appearance with the 1956 Hollywood Ice Revue, coming to Olympia for 26 performances Feb. 3rd through Feb. 26th. The Scotch-Irish lass was born in New York, grew up in Colorado Springs where she developed her skating ability, starring both as a speed skater and a figure skater and even playing on a boys' school team at one time.

### Step Into A Wallpaper Garden

To get away from a pushing, hurrying world, you might step into your own quiet Oriental garden right in your living room. The decorating trick that fools your eye in the above photograph is a scenic wallpaper. Flowering branches bid you welcome as you enter. They are backed by delicate traceries of mountains, a pagoda, bamboo bridge and a quiet stream.

Against this Oriental background, the contemporary furnishings—asettee, table and chest of Far Eastern design, gain dramatic emphasis. While designer-artists have surpassed any previous creations in scenic and repeat patterns with a scenic effect, the great diversity in wallpapers of all types makes it easier than ever to find designs to fit any background, whether traditional, provincial or modern.

Supposing your problem is a jutting protrusion or dreary structural beam. Wallpaper won't do a Houdini and whisk away the ugly jog, but the right paper can give an optical illusion of a continuous wall. Many current papers have widely-spaced designs on light backgrounds. These designs can open-out a cramped, hemmed-in room and give the illusion of open-airness and space.

With a few strokes of a brush, wallpaper can do more than any other single thing to beautify a room.

### Lapham In Hospital

Naval Cadet James M. Lapham is confined in the U. S. Naval hospital at Pensacola, Fla. following major surgery. He will be there for six weeks. Cadet Lapham recently was graduated from pre-flight training school.

### Plymouth Man Fined Here for Drunk Driving

Driving under the influence of liquor resulted in a \$75 fine plus costs for a Plymouth man.

Byron M. Murray, 60, 42440 Lakeland St., Plymouth, entered a plea of not guilty. He was found guilty by Judge Bogart Jan. 28 and fined.

In addition to the fine, the judge recommended that Murray's license be revoked for 90 days.

Chief Denton said that this was the second drunk driving case handled by his department this month.

### Wixom School Adds Faculty Member

Wixom school welcomes its new sixth grade teacher, Mrs. D. E. Sanders of 3986 Benstein Rd. Mrs. Sanders was raised and educated in Kansas, but since her marriage has been to many parts of the United States, wherever her husband's business takes them. The Sanders have three school-age boys attending the Commerce school.

Mrs. Sanders replaces Mrs. Claudia Baker, who was given a farewell party by the sixth grade students Jan. 26. Cakes, cupcakes, cookies and pop were served. After square dancing and waltzing, the party ended with the presentation of a beautiful musical jewelry box to Mrs. Baker.

The boys' supervised recreational program is proving a success at Wixom school. Recently 16 fifth and sixth graders congregated in the Wixom gym where they were taught basketball. Additional get-togethers are planned for every Saturday morning between 9 and 11 a.m.

### Novi 4-H Notes

The Novi 4-H club girls have a new leader, Mrs. Evelyn Cotter. The next regular monthly meeting will be held at 7 p.m., Tuesday, Feb. 7 at the home of Kathleen Cotter, 27875 Haggerty.

Around 100 attended the surprise party the 4-H club girls gave honoring their former leader, Mrs. James Wimmer. The party was held in the Community Bldg. Jan. 20. Friends, neighbors and parents of the girls were present.

### Speed Limit ...

(Continued)

New reflector signs reading "65" in the sunlight and changing under the glare of headlights, to "55", and replacing the old "end speed control" signs at the edges of outstate communities.

The tricky question of when it officially gets dark will be left to the discretion of the police, Childs said, in the absence of a ruling from the Attorney General's office.

A safe policy, Childs said, will be to consider it night when the majority of the drivers on the highway have turned on their lights.

Each day is the only one of its kind.

Jim calls them

# Urges Cooperative Action On School Problem

By William Medlyn  
Superintendent, Novi School District No. 8

For the past several weeks, the nation has been debating the implications of the White House Conference on Education. It is quite possible that the implications and conclusions as brought out in the Conference, tend to lose their local significance as we talk in terms of the millions of dollars being needed for adequate school housing. Yet the basic data of these overwhelming statistics are to be found in our local school districts.

Since education is continually moving forward and as our society demands more and more from our schools, we must as interested citizens continually evaluate the adequacy of present school district organization.

Perhaps we in education have used such terms as crisis so often that it has become a mere cliché. It is not my intention to again "cry wolf". However certain facts must be brought forward

in order that the citizenry may be informed as to what faces them in the future.

Dramatic changes have become evident in our township within the past several months. The industrialization of the area has become a very pronounced reality. Undoubtedly other industries will continue to move into and develop within the immediate area.

Coupled with industrialization, will be an increase in population. Just how much of this increase will be and how rapidly it will come about is purely speculative at this time. However the metropolitan area of Detroit has many examples of the type of growth that we might expect to take place here. Livonia, Garden City and Farmington are examples.

In every instance schools have been one of the major problems which an area has had to face. Buildings must be built, teachers and other staff members must be hired to run the schools, and numerous other administrative problems must be ironed out if the children are to be educated.

What should be done to prepare for the increased demands upon our schools?

One of the first steps that should be taken is the unification of the existing school districts into one district. This action should be taken now. There are several reasons for taking action at this time.

First of all, the districts as they now exist are too small by themselves to support a complete educational program from kindergarten through high school.

Second, we must consider the action that the county board of education must take in the summer of 1957. A state law requires that by July, 1957, all "closed" school districts (districts not operating their own schools) will be attached to a nearby school district.

Regardless of the district that will absorb the closed districts, it would be safe to say that no operating district within the area is planning on the enrollment of an additional several hundred children

in one or two months before school opens in the fall of 1957.

Classroom space would be non-existent and it would be virtually impossible to hire a large number of teachers at such a late date. The children would be faced with make-shift housing and quite possibly reduced classes.

In view of the above, possibility, planning must be started now. It has been our experience that it takes approximately 18 months to plan a building, sell bonds, and complete construction.

Third, the Novi area will undoubtedly develop into a relatively large community. Granted, it will take a few years, but at the end of that time there will be sufficient tax base and sufficient school population to support a complete operating school system.

Fourth, we have the time to begin planning now. The problem is a mutual one for all of the school districts in Novi township and cooperative action by the residents of this area should be taken at this time.

## Miller To Head Novi Goodfellows

Harold Miller, well known Novi business man, was elected president of the Novi Goodfellows at their annual meeting last Tuesday night.

Serving with Miller for the coming year will be Vice-President Thomas Morrison, Secretary Virginia Noble, Treasurer Richard Ritter and Trustees Gerald Trotter, Fred Loynes and Frazer Staman.

## Walled Lake Man Badly Beaten By 2

A Walled Lake man suffering from shock and head injuries was found at Grand River and Novi Rd. by Novi police early Saturday morning.

The victim, Robert Edmund Gale of 1393 Nolita in Walled Lake, was picked up by police officers shortly after 3 o'clock in the morning.

He said that while driving home from work in Detroit, he had been feloniously assaulted by two strangers in Farmington. He was dazed and suffering from concussion when discovered, police said.

Michigan state police detectives are questioning two suspects regarding the case. Gale is employed at the Michigan National Guard.

## Icy Roads Cause Minor Accidents

Icy roads slowed traffic to a snail's pace throughout the township Saturday afternoon and evening, police reported, but although three accidents were reported involving considerable property damage, there were no injuries.

A moving van slid sideways with a car on 10-Mile Rd. A short time later, a car slid off the road at Novi and 9-Mile roads striking a telephone pole. Another car slid off the road and into a ditch a few minutes later between 8- and 9-Mile.

## Novi Highlights

By MRS. LUTHER RIX

Phone Northville 245-J  
Mr. and Mrs. Mike Rackov of Fonda St. are vacationing in Florida.

Mr. and Mrs. James Wimmer have sold their farm on 11-Mile Rd. and are moving this week end to their newly purchased farm at Hartland. All their neighbors got together last week and gave them a going-away surprise party.

The 4-H club girls also had a surprise party honoring Mrs. Wimmer, who has been their leader in 4-H club work for the past few years. The 4-H club will also miss the Wimmer children, Donald, Kenneth, Barbara, Jean and Gerry.

Mr. and Mrs. James Smart, Mr. and Mrs. Clyde Wyatt and Mr. and Mrs. Leslie Peters spent Sunday with Mrs. Robert Hunt of 11-Mile Rd.

Mrs. Allen Gotro is still in Florida with her sons, Michael and Tommy, caring for her mother who recently returned home from the hospital where she underwent a major operation.

Mrs. Henry Sauers of Clarke St. is a patient at Florence Crittenden hospital recovering from a major operation.

Mr. and Mrs. George Lien are expected home this week from a short vacation in Florida.

Mr. and Mrs. John Panalone have sold their home on Clarke St. and have bought a new home in Dearborn, where Mr. Panalone will be near his work at the Lincoln Mercury plant.

The Cub Scouts accompanied by the Den Mothers, attended the Shrine Circus Monday. Their guests were the librarian and safety patrol boys and girls of Novi school.

Mr. and Mrs. Leroy Holmes

## Gentlemen, Swing Your Partners And Promenade The Hall . . .

Novi school children are intently practicing their latest steps in preparation for a square dance exhibition to be staged before the Novi Board of Commerce at their Feb. 9 meeting. Shown in the upper left photo are Sharon LaFond and Rickey Dryer. Freda Angel and James Frisbie are intently maneuvering at the upper right. Joining hands in the lower photo are, clockwise from lower left, June Loynes, Danny Dague, Carol Newbegin, Bobby Taylor, Sharon LaFond, Rickey Dryer, Freda Angel, and James Frisbie (back to camera).

## Possible Solution Seen In Novi School Problem

Solution of Novi's school problems appeared one step closer January 25 when representatives of three school districts informally agreed to circulate petitions requesting consolidation with Novi District 8.

Members of the Durfee and Putnam school boards agreed to secure signed petitions from residents in their areas.

A citizens committee representing the East Novi area enthusiastically agreed to lay the new proposal before their group at its next meeting and to take necessary steps upon meeting with the group's approval.

Called By District No. 8  
The meeting called by District No. 8 in an effort to find a workable solution to the rapidly growing school problem, was held in the library of the new Novi elementary school addition.

Representing District 8 at the meeting were board members James Mitchell, Georgia Larsen, Dorothy Snow, Ray Harrison, Bill McDemaid and Superintendent William Medlyn.

Ed Yerkes and Paul Beard represented the Durfee District, and Andrew Burgess and Don Hines represented Putnam District.

Fred White was the only member of the East Novi board able to attend, but a citizens committee consisting of Mrs. Shirley Bernard and Bernard Weisberger was also present to represent the area.

Discussed Report  
Feeling that there were certain immediate problems to be faced by all districts present, the group first discussed the area study report of last year which recommended uniting with the Northville district. There was a feeling among some of the members present that such a union was not feasible at the present time.

The discussion which followed covered such phases of the problem present facilities, immediate or foreseeable needs, tax base and transportation problems.

After discussing the various problems and points of view, the various board members present decided the problem was of such importance that it warranted an expression from some of the residents themselves. They agreed that the best course to follow was to request the Oakland County superintendent of schools to initiate consolidation proceedings. According to law proceedings can be initiated in any one of three ways:

1. By a resolution of each board of education affected.
2. By written request of at least 10 residents of each school district.
3. By a combination of written requests by some districts and resolutions by others.

(Continued on Page 10)

## the Willowbrook Corner

by MRS. THOMAS MORRISON  
PHONE GREENLEAF 4-2523

We are introducing to our neighborhood this week Vincent and Eileen Miklas of 23971 W. LeBost Dr., formerly of Howell. Mr. Miklas is employed by the Master Electric Motor Sales office in Detroit. They have four children: Paula 7, Vincent III 4, Shawn 3 and Mark 6½ months. Paula is in the second grade in Our Lady of Victory school in Northville. Both Mr. and Mrs. Miklas were raised in Manistee.

Another new family is Lewis and Beatrice Diem, 23925 W. LeBost Dr., formerly of Livonia. They have two children: Glenda 5 and Dennis James 3. Mr. Diem was graduated from Northville high school and Mrs. Diem from Plymouth. Mr. Diem is a switchman for the C&O Railway in Plymouth. His hobby is home movies.

Our third new family is Mr. and Mrs. Donald Golbey of 23901 W. LeBost, formerly of Detroit. Mr. Golbey is a salesman for Parker Rustproof Co. of Detroit. Mrs. Golbey is a stenographic supervisor for Florez, Inc., Detroit. Mr. Golbey's hobby is flying.

The Dupreys were guests of Mr. and Mrs. Romeo Donofrio of Detroit Thursday. Saturday evening they attended an American Legion dance. Mr. and Mrs. John Sherman of Detroit were their guests Friday evening.

The Swensons were guests of Mr. and Mrs. Desmond Hamill at the Marygrove college alumni dance Friday at the Latin Quarter in Detroit.

The Hurlburt family of Willow Lane were guests Thursday evening of Mr. and Mrs. Hazen Meyers of Detroit. Mrs. Mable Hurlburt was also a guest. Sunday guests of the Hurlburts were Mr. and Mrs. Evans of St. Clair Shores.

Chris and Harry Prappas of Mooring Side Dr. entertained Mr. and Mrs. Phil Barnes and Mr. and Mrs. Len Berardi Saturday for an evening of cards and a lunch. Chris Prappas is inviting the ladies of Willowbrook to a jewelry party Wednesday, Feb. 15.

The Williams of Mill Stream attended the Montreal-Red Wing hockey game Sunday night. Ann Williams attended a sorority dance Thursday evening and on Tuesday evening attended the Cooley High senior prom at the Veterans' Memorial Bldg., Detroit.

Mr. and Mrs. John Lees of Mooring Side Dr. and daughter are enjoying a visit to Mrs. Lees' parents, Mr. and Mrs. T. Council in DuBerry, Fla. Mr. Lees returned last evening and Mrs. Lees and daughter are staying for a few more weeks.

Voting registration in the Willowbrook area last Saturday was

## Assn. Directors Hold First Meeting

The Novi Civic Assn. will hold its first board of directors meeting Feb. 7, according to Ernest Pitchford, newly appointed publicity chairman for the group.

Pitchford reports that 24 residents of "area No. 55 (Novi Rd. to Haggerty between 12 and 13 Mile roads)" met last week at the home of Mr. and Mrs. N. Strauch of Summit Dr. The group elected Morley Earle as director to represent the area.

Meetings are scheduled for this week in several additional areas, Pitchford added. The areas affected are numbers 1, 10, 20, 45, 60 and 70. Complete details of these area boundaries may be obtained by calling MArket 4-1430.

quite successful despite rain and freezing road conditions. On hand to help in the registering were Jane Marinoff, Mary Williams, Sylvia Klerkx and Agnes Morrison. We would like to thank Mrs. Earl Banks for coming. (Continued on Page 10)

## McEwen, Trickey Named Consultants

Two members of Novi's Perry Kenner AMVET post, Charles Trickey, Jr. and Jack McEwen, were appointed consultants to the national AMVET organization, a spokesman for the group announced this week.

Trickey will act as an advisor on membership policy while McEwen will work with the resolutions group.

## 21 Attend S. Novi Farm Bureau Meet

Last Tuesday the South Novi Farm Bureau met at the Novi Community Bldg. with 21 persons present. Ed Erwin led the discussion on "Stabilized Wages"

New members of the group are Mr. and Mrs. Henry McCollum, Mr. and Mrs. Riley, Mr. and Mrs. Bruce Simmons and Mr. and Mrs. John Cockrum. Lunch was served at the close of the meeting by Mrs. Philip Anderson and Mrs. Gladys Bayless.

## Residents Urged To Donate Blood Feb. 6

All Novi residents who are eligible are urged to donate blood to the Novi Community blood bank Monday, Feb. 6. The Red Cross Bloodmobile will be at the Wixom school from 2 until 8 p.m.

The bank has been arranged for the convenience of Novi and Wixom residents who wish to replace or donate blood. Any resident of these two towns may draw from the bank for their family or friends.

A free lunch will be served. No appointment is necessary, but to insure against loss of time by waiting those who wish to donate blood are asked to telephone Mrs. Ruth Madigan at MArket 4-2953 or Mrs. Richard Noble at MArket 4-1606.

## Additional Novi Features

School Notes ..... Page 10  
Girl Scouts ..... Page 10

## W.L. Man Returns from Korea

Taegu, Korea — Sgt. Richard E. Hoehner, son of Mr. and Mrs. Edmund P. Hoehner, 3198 Winterterry Rd., Walled Lake, is scheduled to return to the U.S. after serving in Korea with the 8202d Army Unit.

Hoehner, a radio operator in the unit's headquarters, entered the Army in March 1954. He completed basic training at Camp Chaffee, Ark. and arrived in the Far East October 1954.

The sergeant attended the University of Detroit and Western Michigan college.

## Baptists Plan for Pot-Luck Supper

The Novi Baptist church will have a family night pot-luck supper Friday, Feb. 10 at 6 p.m. The homemakers group will have charge of the dining room and the Mission band will take over in the kitchen.

The Lord's Supper will be observed Sunday, Feb. 5.

## Changing Tires Easy With New Auto Jack

The most revolutionary change in the design of the automobile jack since the days of high pressure tires is featured as standard equipment on all 1956 Buicks. The jack is similar in design to those used in garages, featuring two bases instead of one, and can be operated with the foot. Jacking points have been marked on the frame to eliminate any doubt about where the new jack is to be placed.

## Events of the Past in Northville

News Items Taken from the Files of the Record

### ONE YEAR AGO—

A \$750,000 appropriation for construction of an occupational and recreational therapy building at Northville State hospital has been recommended by Governor Williams.

The Roy Stones announce the birth of their fifth son this week.

Plans are being completed for the American Legion Lloyd H. Green Post amateur variety show to be held April 1.

### FIVE YEARS AGO—

Dr. Russell M. Atchison spoke on "The Effects of the Atom Bomb" at the Northville Exchange club.

1st. Lieut. Scott Cole of Northville was awarded the Silver Star for gallantry in action against the enemy while serving with the 1st Cavalry Division in Korea.

Mr. and Mrs. Erlin J. Cobb celebrated their 60th wedding anniversary Jan. 28.

Slippery streets slowed automobile traffic to a crawl last week.

Mobile Unit X-rayed 2,847 people in Northville.

### TEN YEARS AGO—

Mrs. Carl Bryan resigned as librarian of the Northville library after more than ten years' service.

Work is now in progress on the extension and improvement

of Main St. west from Clement Rd. to Beck, by the Wayne County Road Comm.

The continued cold weather has brought the community and state face to face with a coal problem. A continued spell would bring an acute shortage in the area.

A new wing is to be added to Sessions hospital.

Mr. and Mrs. Gill Glasson of Fairbrook Rd. announce the birth of a son, Larry James, Jan. 20.

### TWENTY YEARS AGO—

Classes continue in spite of the destruction by fire of the 8-room grade school building. Housed in the American Legion hall, the Lapham State Bank and the Richardson building, the classes began work Monday. Third graders are in the American Legion hall, second and sixth grades are in the Richardson building and first, second and third in the bank building.

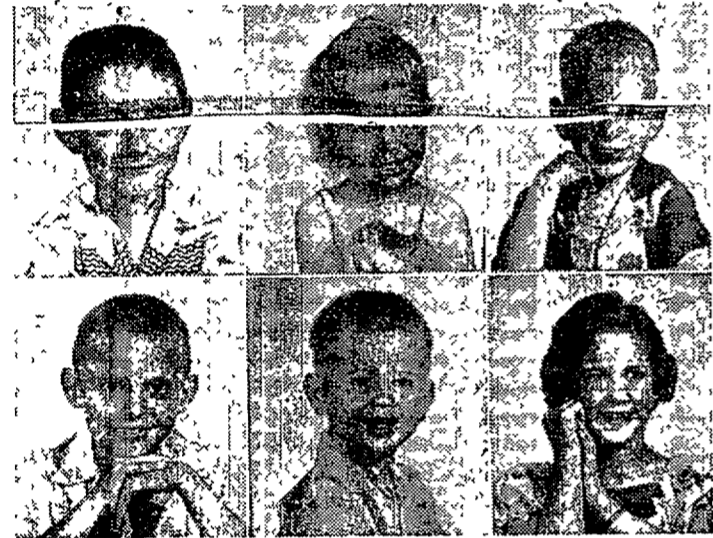

The 1935 World Series game movies were shown at the Exchange club luncheon.

### FORTY YEARS AGO—

Edward Bogant is suffering from an attack of quinsy.

Mrs. E. C. Hinckley was called to Belleville the first of this week because of the death of her 90-year-old father, David Soop.

"Another thing that isn't worth what it costs is telling a man what you think of him!"

## Novi School

(Continued)  
the boards of other districts.

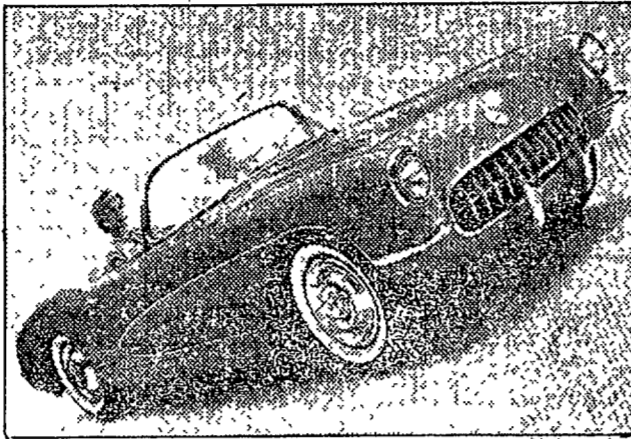

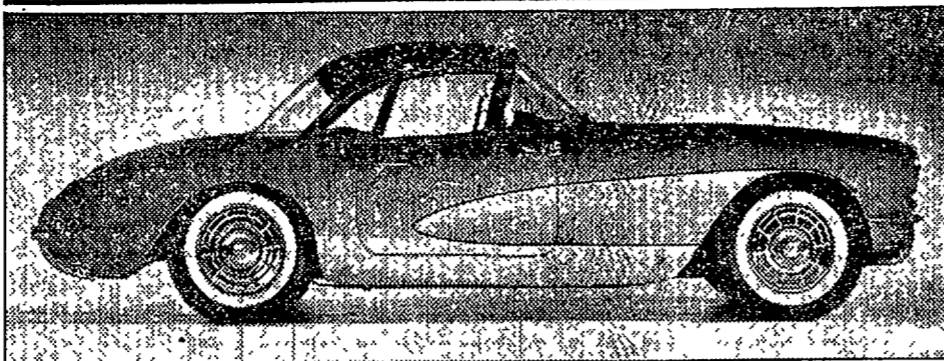

### "Great Step Forward"

If the request is approved by the county superintendent, and subsequently approved by the state superintendent of public instruction, petitions are circulated throughout the districts and upon receiving signatures of 50% of the qualified voters, an election is then held on the consolidation question.

"This meeting marked a great step forward," Medlyn emphasized, "and we are now approaching a point of positive action."

The signed petitions are expected to be forwarded to the county superintendent's office by the latter part of February, he added.

## Chevrolet Introduces Restyled Corvette

Chevrolet adds another chapter to its pioneering achievements with a new Corvette in the sport car field. Among principal features are a power-actuated fabric top, lift and a removable solid top, which like the body is built of reinforced glass fiber plastic. The car has been completely restyled and offers either a manual or Powerglide transmission coupled to a V8 engine of 225 horsepower. In appearance the latest Corvette may be readily distinguished from previous models. Rear fenders sweep downward and the sides of the body carry a sculptured depression. Exterior color choices list black, green, copper, red, blue and white, with the cockpit color-keyed in beige or red.

## File 13...

(Continued)

during their march for polio last week despite the lack of cooperation from their local publicity department.

And speaking of the Mothers' March, we take off our hats to the group of mothers who spent a cold winter night doing a much needed job.

And here's another one from the Wall Street Journal . . .

Mr. Ferris gazed mournfully at the corpse of his late friend, who had recently become an atheist. "Well," said Ferris in a dreary tone, "You sure look fine—a clean shave, a new suit of clothes, and a white pair of gloves on. All dressed up—and no place to go."

In case any of our readers are wondering just who this guy named Mr. Ferris is, we can give you one clue—he's a big wheel.

## Flaherty...

(Continued)

turned to the Northville valve plant as manager.

### Recalls First Job

Mr. Flaherty recalls that his first job in the automotive industry was in 1909 as a hand screw machine operator with the Leland Faulkner Co. in Detroit.

He is married and has four children, including a son working for the Ford International Division, and lives at 117 North Wing St., Northville. He is a 32nd degree Mason.

Flaherty will be succeeded by Austin Stecker, whose title will be plant superintendent.

## Willowbrook...

(Continued)

ing over and helping us set up and register the people. We also would like to thank the many people who helped by calling and reminding the people to register. Also, those who braved the weather outside to go calling at homes: Mr. Byrd, Mrs. Ames, Mr. and Mrs. Weisberger, Mrs. Brandtetter and all those whose names I didn't receive.

The weather Saturday night didn't stop a few from going ahead with the plans of bowling at the Walled Lake bowling alley. Those attending were Mr. and Mrs. Klerkx and Martin, Mrs. Mary Williams, Mr. and Mrs. George Marinoff, Mr. and Mrs. Ron Grant, Mr. and Mrs. McMaster, Mrs. Sophia Martin and the Morrisons.

The Morrisons attended the funeral of a relative, Lewis Ludos, in Farmington Wednesday.

Mr. and Mrs. Barnes of Mooringside Dr. named their new baby daughter, Peggy Jean.

The Beaches of 10-Mile Rd. have a new addition to their family, a daughter, Claudace Susan, whom they adopted. They have a son, Randy, also adopted, who will be four years old in March. Susan was born Nov. 3, 1955.

Happy birthday to Bill Johns who was 13 Jan. 28 and to Carl Swenson who will be one Feb. 5.

Congratulations to Pat and Walter Pinner on their fourth wedding anniversary Feb. 4, and to Chris and Harry Prappas on their third anniversary Feb. 8.

## Novi Highlights...

(Continued)

announce the birth of a son, Mark, born recently near Stewart Air Force Base in New York state. Mr. and Mrs. Hiram Holmes of Novi Rd. are the proud grandparents.

Hiram Holmes has returned to his work at Novi Equipment Co. after nearly a year's illness.

Mr. and Mrs. George Ruttman and daughter, Ruth, of Detroit were Sunday dinner guests of Mr. and Mrs. Charles Crawford of S. Lake Dr., Novi township.

Mr. and Mrs. Richard Noble had the dedication of their new home at 42520 E. Grand River, Tuesday, Jan. 24. Rev. J. M. McC. Lucas of the Novi Methodist church and Rev. C. F. Oliver of the Walled Lake Methodist church officiated. Mrs. J. M. McC. Lucas presided at the old-fashioned parlor organ and all the guests sang. Guests were present from Dearborn, Birmingham, Brighton, Walled Lake and Novi.

Mrs. Luther Rix visited her mother, Mrs. George Tobias, and other relatives at Williamston last week.

Mr. and Mrs. George Atkinson spent last week end at their cottage near Lewiston.

Mrs. Glen C. Salow was called to California by the death of her aunt.

Donald Munro came from his home in Pomona, Calif. to attend the funeral of his mother, Mrs. Esther Munro, Tuesday.

Mr. and Mrs. George Walje and R. E. Ward are having a three weeks vacation with Mr. and Mrs. McRoberts at Clearwater, Fla.

Mr. and Mrs. Fred Garlick visited relatives in Clarenceville on Sunday.

Mrs. Leo Harwood entertained at a shower honoring Mrs. Arthur Karschnick Friday at her home on Novi Rd. There were 28 ladies present who spent the evening playing games and watching Mrs. Karschnick unwrap her gifts after which refreshments were served.

## Novi Girl Scouts

The new Brownie troop made chemical gardens from clinker plants at their meeting Wednesday, Jan. 25. They also made some plaques using the Brownie "do's and don'ts". Mrs. Courtney Stamper was special guest.

### Troop 602

Brownie Troop No. 602 celebrated Nadine Snyder's birthday at their troop meeting. Committee member Mrs. Snyder served ice cream, cookies, cheese and crackers.

### Troop 493

Brownie Troop No. 493 met at Novi school last Wednesday. The girls discussed their part in the birthday celebration which will be the "International" theme. They also talked about the possibilities of attending day camp.

### Troop 491

Intermediate Troop No. 491 opened their meeting by repeating the girl scout promise. They finished their stocking dolls. Lana Whistle and Karen Schneider brought treats.

### Marian Slentz, Scribe

### Troop 492

Intermediate Troop No. 492 met in the basement of the school Jan. 25. The girls practiced two songs for their part in the birthday celebration. Booklets from the Johnson Wax Co. entitled "Easy To Make Gifts" were passed out to the girls.

### Scribe, Sharon White

### Senior Scouts

The senior scouts met at the home of Sharon Clarke for a skating party and short business meeting at which time the girls made plans for their part in the girl scout birthday party. Refreshments of hot chocolate and donuts were served. The next meeting will be held at the home

## AMERICA A SAHARA?

In a recent issue of the Time magazine a Manufacturers Research Ass'n. suggests the possibility of America becoming a vast Sahara. Even American ingenuity cannot increase the amount of rainfall. It pointed out that 160,000,000 Americans use 220 tons of water yearly. It takes 65,000 gallons of water to produce a single ton of steel; 64,000 gallons of water to make a ton of paper. Industrial users are being urged to use every method to save water! Water is an absolute necessity to life and industry. The Bible speaks of another kind of water. It is called "The Water of Life." The Lord Jesus used this expression while dealing with the woman of Samaria as recorded in John 4. By comparing further passages such as John 7:37-39 we discover that he was making a comparison to the life giving Holy Spirit and water. As water is a necessity to the physical life of man, so the Holy Spirit is a necessity to give eternal life and to maintain it in the soul. Once a person has partaken of this water of life he will never thirst again. The reason is that the new life in Christ is completely satisfying. It is the abundant life here, on this earth, and springs up into everlasting life hereafter.

of their leader, Pauline Bassett.

### Girl Scout Leaders

Neighborhood meeting of the girl scout leaders and committee people was held at the Novi school Jan. 18. Plans for the fly-up in the fall were made to involve Troop 493.

Following registration, Troop 491 and 456 will work together with Mrs. Coleman as leader and Mrs. Eby and Mrs. F'Geppert to assist. Mrs. Mae Skellinger will head the cookie sale which begins Feb. 6, and delivery will be made Mar. 14.

Day camp was discussed and there is a possibility that Novi might have a chance to have their own local day camp. Mrs. Jack Eby will head this project. Refreshments of ice cream sandwiches and cake were served by Mrs. F'Geppert and Mrs. Taylor.

## Novi School Notes

### Fourth and 5th Grades

The fourth and fifth graders made finger paintings which will be on display in the school library.

Some of the boys and girls will dance at the Board of Commerce meeting in February.

### Fifth Grade

Mrs. French's fifth grade held their regular monthly business meeting. Carol Newbegin and her committee of Mike Deaton and Jo Ann Miller presented a "Beat the Clock" program that was wonderful.

The fifth grade saw the film, "Iron Ponies" Friday.

The fifth graders are finishing their projects on water and its use to man. Posters and booklets have been made by everyone in the class.

### Eighth Grade

Miss Eva White, senior at Ypsilanti Normal college, visited the eighth grade class Friday. The eighth graders had a coasting party Sunday.

### Fourth Grade

The fourth graders have been busy with finger painting this week. They also have a winter scene on their bulletin board.

**Second and Third Grades**  
Allen Fisher has recovered from his operation and is back at his home again.

Mark Hamer and Nadine Snyder celebrated their eighth birthdays this past week.

Third grader Douglas Burton is back in school again after a brief illness.

**Sock Hop** . . . . .  
The "N" club will sponsor a "Sock Hop" at the Novi Community Bldg. Feb. 25. All teenagers are invited.

### Basketball

The Novi junior high basketball team defeated the South Lyon ninth grade team last week with R. L. Griffith coaching the Novi team.

### Sixth Grade

Mrs. McDonough is teaching the sixth grade during the absence of their teacher, Mrs. Salow.

Michael and Patty McDermaid

visited the sixth grade room on Friday.

The sixth grade pupils were happy to receive a card from their teacher, Mrs. Salow while in California.

## Double Duty

New this fall is a convertible shirt with no top collar button, which promises to be particularly popular on college campuses. Especially designed for double duty, this Arrow collar looks smart with a V-neck sweater when worn open, as stays give the short, flared points a slight roll. When held closed with a tie, it looks equally smart as a dress shirt. In addition to white oxford, this shirt comes in colors and checked broadcloths.

## Mrs. Goodrich To Review Ruark Book

The Northville Woman's club will hear one of its members, Mrs. C. M. Goodrich, review the book, "Something of Value" by Robert Ruark at the meeting this Friday.

Ruark, who has spent considerable time hunting in Africa, has written a story of the Mau Mau uprising and included a saga of a white hunter and his family. The author, who writes a daily syndicated column in The Detroit Free Press, is qualified to report on this frightening revolt of the African natives. The story is authentic and unforgettable.

Orient Chapter No. 77, OES

There will be a special meeting of Orient Chapter Friday, Feb. 3 at 7:45 p.m. in the Masonic Temple. Regular officers will exemplify the degrees. A social hour with refreshments will follow the meeting.

GIRL SCOUT TROOP NO. 14

This week we learned how to mend socks. This is part of our sewing badge.

## Former Resident Weds Missouri Girl

The marriage of Miss Nancy Lawler, daughter of Mr. and Mrs. Homer Dwight Lawler of Plattsburg, Mo., to Charles Lee Stephens, son of Mrs. Samuel Kingsley Stephens, of Nashville and the late Mr. Stephens, was impressively solemnized Saturday evening, Dec. 31 at Old Mission Methodist church in Kansas City, Kans. The Rev. Benjamin J. Schmidtke, assisted by the Rev. Elston M. Hines officiated at the double ring ceremony.

The warm glow of burning candle provided the color theme for the bridal party. The bride, approaching the altar on her father's arm, was gown in candlelight satin and chantilly lace, the full skirt extending into a cathedral train. She carried a garland bouquet of white carnations and ivory Johanna Hill roses with satin ribbons embroidered in silk.

Mrs. Edward B. Pace of Dallas, Tex., cousin of the bride, was matron of honor. She wore a gown of ivory silk taffeta of waltz length and carried a garland bouquet of Strelitzia (Bird of Paradise) with showers of ivory velvet and gold cord amidst blue ribbons accenting the throats of the Strelitzia.

The bridesmaids, Mrs. Ned R. Nelkin, sister of the groom; Mrs. William B. Harding, Miss Eleanor Owen and Mrs. Edward Stark, all of Kansas City, and Miss Gloria Rasch of Nashville, Tenn. and Miss Amanda Higgins of Coral Gables, Fla., wore gowns identical to that of the honor attendant and carried similar bouquets.

Little Sherry Lee Nelkin, niece of the groom, was flower girl. She carried a French basket with blue pom pom chrysanthemums.

S. Kingsley Stephens, Jr. of Plymouth, Mich. was best man. The groomsmen were Phillips Cox, George E. Breckinridge of Kansas City, James H. Adkins of Nashville and Don Ellenberger, N. R. Nelkin of Kansas City and Edward B. Pace of Dallas, Tex.

The bride's mother wore a gown of dior blue silk and alien lace with matching accessories and the bridegroom's mother wore a gown of wintry navy Chantilly lace with matching accessories. Both wore corsages of pink perfection camellias. At the entrance to the chancel were urns with "gladiolus," "English stock" and "chrysanthemums." Candelabra with jade foliage holding ivory tapers, decorated the chancel. Down the aisle were tall wrought iron candelabra holding burning tapers and decorated with ivory ribbons and foliage.

Following the ceremony, a reception was held in the church parlors. The bride's table skirted in ivory silk and tulle was centered with a crystal epergne filled with Johanna Hill roses and gardenias. Smilax and clusters of the same flowers spread out to the bride's cake and punch bowl.

Miss Martha Ann Lamar played a program of piano music during the reception.

Mrs. Robert Gall of Kansas City, Miss Joanne Jackson of Plattsburg, and Mrs. Charles Turner of Hopkins, Mo. assisted at the guest book and the bride's table.

For traveling the bride chose a blond cashmere suit with brown and blond accessories. Her corsage was a brown semibud orchid.

MRS. CHARLES LEE STEPHENS

After a honeymoon on the Gulf Coast, Mr. and Mrs. Stephens will be at home in Lawrence, Kansas, where Mr. Stephens will finish his senior year at Kansas university. Mrs. Stephens is a graduate of Stephens college, Columbia, Mo. and recently graduated from St. Luke's Hospital school of medical technology in Kansas City.

Charles Stephens graduated from Northville high school in 1950. He attended Hillsdale college before a three year enlistment in the Marine Corps.

## The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST. 1868—Thursday, February 2, 1956—11

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

A beautiful copper chafing dish bubbling with "something" that has a delicious aroma, candlelight and congenial friends around your table—what could be more inviting? Especially if the "something" in the chafing dish is this culinary delight—Shrimp Newburg.

Mrs. Stanton Schaefer (Andrea Owen) gave us this week's recipe and states that it is a recipe that will please everyone who likes seafood.

The Schaefers, with their little charmer, Stacey Ann, reside in their newly purchased home on W. Six Mile Rd. Stacey will celebrate her first birthday Feb. 7.

### SHRIMP NEWBURG

Prepare 1 pound cooked shrimp. Melt 2 tablespoons of butter and stir in 1 1/4 tablespoons of flour until blended. Add slowly: 1 cup of cream.

When the sauce is thick stir in 3 tablespoons of tomato catsup and 3/4 tablespoon of Worcestershire sauce and 1/2 teaspoon dry mustard.

Add the cooked shrimp to the sauce and stir them about until well heated. Season with salt and pepper and a few grains of cayenne pepper. Immediately before serving add 2 tablespoons of cooking sherry. Serve from chafing dish over rice.

Mrs. Stanton Schaefer and Stacey Ann

You may substitute cream of celery soup instead of the white ingredients, catsup, etc.

## NOTICE OF PUBLIC HEARING ON PROPOSED AMENDMENT TO THE ZONING ORDINANCE OF THE TOWNSHIP OF NOVI, NOVI, MICHIGAN

NOTICE IS HEREBY GIVEN, that a public hearing will be held on a proposed Amendment to the Zoning Ordinance of the Township of Novi on the following proposed change to the Zoning Map:

- To change that area now designated as R-1-F, lying north of the north line of the new Farmington-Brighton Expressway; south of West Lake Drive; and east of Wixom Road to the north and south 1/8 line of the West 1/2 of Section 8 to an M-1 Light Industrial District.
- To change that area now designated as AG and R-1-F lying north of Nine Mile Road including the West 1/2 of the S.W. 1/4 of Section 26, all of the S. E. 1/4 of Section 27 and the east 1/2 of the S.W. 1/4 of Section 27 to an R-1, Single Family Residential District.

Such hearing will be held at 8:00 P.M., Eastern Standard Time, at the Township Hall located at 28580 Novi Road, February 7, 1956.

NOTICE IS FURTHER GIVEN that a copy of the tentative map may be examined at the Township Hall during the office hours each day, Monday through Saturday noon until the date of the public hearing.

JOHN

VIRGINIA

Northville high school students were recently asked the following questions:

"A citizens committee is now studying curriculum for the new high school. Are there any courses that you would like to see taught or expanded? What is your favorite subject?"

JOAN SANDERS, 16, junior, named English as her favorite subject and her choice was reflected in her answer to our first question. "The new high school should, by all means," Joan said, "have a larger and more extensive library. The one that we have now is cramped and the books are 'beat out'. The science classes 'should have additional equipment,' she continued, "and better facilities are needed for the history classes. All we have now are maps."

BILL POWELL, 13, 7th grade, was one of the many junior high students who favor the home economics program and would like more of it. "Instead of just six weeks instruction in each of the three phases (sewing, cooking and workshop) I think it would be nice to have a full semester of each," Bill said. "I think it would also be nice if the junior high students were able to choose their subjects like the high school students." Mathematics is Bill's favorite subject.

DOROTHY WELCH, 16, junior, would like to see the sociology department expanded. "We need more equipment to work with," she said. "Our language section needs to be improved with the addition of more languages." Dorothy was also of the opinion that boys were not being offered enough classes of

## Entries Drop 40% In Score Contest

Winners of Paul's Sweet Shop "Pick the Score" contest were released this week and all of you boys can throw your hats in the air... last week a boy picked the perfect score.

It was the second time that a perfect score was picked since the contest began last year. The first winner was a girl. Now who will break the tie?

The score last week was Northville 60, Clarkston 51. Winners were Aubrey King, 60-51; Jerry Segler, 59-50, and third time winner Karen Bayless, 57-49.

Only 60 names were entered in last week's contest and Paul Polino would like to know the answer. "They look at the sheet," Paul said, "but they don't write down any score. They used to be at least 100 scores entered until this week."

Winners of the Northville 78, Holly 64, game were Jackie Campbell, 76-62; Mickey O'Leary, 69-64; and Karen Bayless, 72-66.

The upset of the season, as far as score picking is concerned was the Clarenceville game. Northville was defeated 75-50 and the winning scores were as follows: Larry Green, 60-68; Janice Robertson, 59-61; and Janet Robertson, 40-90.

special interest and suggested a better workshop and the introduction of an aviation class. Dorothy's favorite subject is English.

JOHN HOOSE, 16, junior, is a new high school student having transferred from Iron River recently. John thought that the organization of the Future Farmers of America, or a subject like agriculture, would prove interesting to many boys. As far as present classes are concerned, "The chemistry class should have larger quarters, more and newer equipment," John said. "We now have a tiny lab in the basement with just one air vent." John also thought that if the library was enlarged and a different filing system put into use, the library would attract many more students. John's favorite subject is biology and he is partial to all science courses.

VIRGINIA KWASEK, 16, junior, would like to see the new high school incorporate "...more facilities for the home economic classes and more mechanical classes for boys. We also need more foreign languages," she said. Virginia would like to have the shorthand class instead of the present one. Typing is Virginia's favorite subject.

## Available Now! New Nature Film from Detroit Area

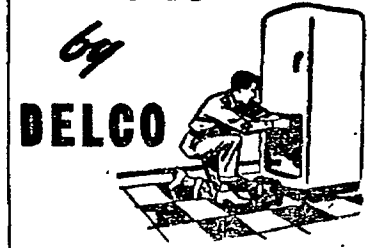

Wild birds, animals, a snake, and even a cray fish are the actors in a 20-minute color film taken in Huron-Clinton Metropolitan Authority Parks and now ready for showing to school groups.

Bill Hopkins, chief naturalist for the Authority, said that appointments for the showing could be made by calling or writing H-C-M-A headquarters, 1750 Guardian Bldg., Detroit 26, WOODWARD 1-5865.

The 16 mm film covers the life history of the tern colony at Metropolitan Beach and traces the life of geese from eggs in the nest to adulthood, finally showing hundreds on wing over Kensington Metropolitan park.

Other sequences show a blue winged teal nest in which the ducks are hatching, the life of the Cooper's hawk from nest to full growth, and some activities of a young skunk, a raccoon, a

## Pilot Study Group To Start New Classes In February

Plans are now in the making for a new series of parent and teacher discussion groups to begin in mid-February, under the Northville Pilot Study plan. It is anticipated that there will be one group for teachers, and one group for new parents which will start in February.

The Pilot Study groups were originally conceived by the visiting teacher, to improve the home-school relations, through parent group participation.

The original plan had the real interest and support of the superintendent of schools, school principal and the teachers.

The visiting teacher, Mrs. Alta Moore, contacted the Merrill-Palmer school in Detroit, through their Community Service program, in an effort to find leadership for this kind of program. A staff member of the Merrill-Palmer school, Miss Gladys Panton, has worked with these groups for the past two years. Expenses incurred for this program have been shared by the parents, the Northville board of education and the Northville P-TA.

These discussion groups provide an opportunity for parents, and parents and teachers, to explore together their feelings, attitudes, methods and difficulties for the resolution of individual, family and school problems.

Information regarding membership in these groups may be obtained from the following

## LEGAL

John L. Crandell, Atty.  
Northville, Michigan  
STATE OF MICHIGAN  
County of Wayne  
ss. 436,294

At a session of the Probate Court for said County of Wayne, held at the Probate Court Room in the City of Detroit, on the sixteenth day of January, in the year one thousand nine hundred and fifty-six.

Present James H. Sexton, Judge of Probate.

In the Matter of the Estate of JAMES E. JACKSON, a minor. The petition of James H. Dick-ey having been heretofore filed in this court praying that he or some other suitable person be appointed guardian of said minor.

It is ordered, That the twentieth day of February, next at two o'clock in the afternoon at said Court Room be appointed for hearing said petition.

And it is further Ordered, That a copy of this order be published once in each week for three weeks consecutively previous to said time of hearing, in the Northville Record, a newspaper printed and circulated in said County of Wayne.

James H. Sexton, Judge of Probate  
I do hereby certify that I have compared the foregoing copy with the original record thereof and have found the same to be a correct transcript of such original record.

John E. Moore, Deputy Probate Register  
Dated Jan. 16, 1956

When you say "I'll wait till spring"...

# Just look what you're missing!

It doesn't cost a penny more to own and enjoy this KING-SIZE DODGE CORONET right through the winter months!

**1 Extra months at no extra cost!** Your big new '56 Dodge Coronet will carry the same high resale value in the years ahead whether you buy now or wait till Spring. It's model year that determines resale value. There is absolutely nothing to gain by "holding back" on this big, glamorous '56 Dodge Coronet that's creating such a sensation. Every day you wait you're throwing away the pleasure that can be yours right now!

**2 So much more to enjoy!** This new '56 Dodge Coronet is the only car in its field to bring you such KING-SIZE value at such a low price. It is longer, bigger, more luxurious than many cars costing a thousand dollars more. It offers you the Magic Touch of push-button driving, the break-away power of the world's record-breaking Red Ram V-8 engine, the trend-setting beauty of Jet-Fin styling. Why not act today?

**3 SOMETHING BIG HAPPENED IN THE LOW PRICE FIELD!** That's right—this full-size, full-styled, full-powered Dodge Coronet is priced down with the small cars. Here's no stripped-down "price special" ... it's complete! And it brings you the "Magic Touch" of Dodge push-button driving: Surest, safest, easiest way to drive you've ever known! Step up to the Dodge Coronet today!

# THURSTON DOWNS MUSTANGS 49-47

## Lose Lead, Lose Game By Two Point Margin

Reserve Team Hot; Scores Third Victory

By Bob Montgomery

The Mustangs of Northville were defeated by the Thurston Eagles in one of the season's dullest games. The only excitement of the night came in the last minutes of the fourth period when the scoreboard read 47 to 45 in favor of the Mustangs. As the final period neared, Patterson committed a foul on Thurston's Goscinski who made good both of the free throws awarded him. With only seconds to play, the score at 47-47 the second foul was committed on Goscinski who again tallied for two free shots. At this point the game came to a close with the Mustangs and Coach

points. Bell and Biery each collected 10 points for the losers.

### RESERVES WIN

The Northville reserves beat the Thurston reserves in a well played game on the Thurston court. Biery, the new addition to the reserve team, proved his ability by scoring 23 points to lead his team to victory. This makes the third win in a row for Coach Al Jones and his boys, we only hope they can keep it up.

## Cager In The Spotlight

WALT PALMER, 5' 8" senior, is the Record's eighth Cager in the Spotlight. Walt has spent one year on the varsity team as a regular and is considered an active player. Besides his interest in basketball, Walt is an officer on the student council. Walt lives with his brother and sister-in-law, Mr. and Mrs. Paul Palmer, 112 Walnut.

## Al Jones Releases Statistics About Texas Cow Girls

Athletic Director Al Jones released the line-up for the Texas Cow Girls basketball team this week.

The girls will play against the male members of the Northville high school faculty at the Community Bldg. Tuesday, Feb. 7.

Tickets may be purchased at the door, \$1 for adults and 75 cents for students. Proceeds from the game will go towards the purchase of face masks for the football team.

### LINE-UP

RUTH MARTINSEN, guard, Waco, Tex.—An outstanding female basketball star. One of the truly great players and ball handlers. A good passer and out shot artist.

FLO HOLDER, guard, All-American girl star from Texarkana, Tex. A good all around aggressive player and scorer. One of the top female players.

SHIRLEY DOROW, 6' 2" center from San Antonio, Tex. A hook shot artist from either side and exceptional ball handler and pass off artist. Has a good one handed shot.

LINDA YEABY, forward, Kings Ranch, Tex.—A heady player, good ball handler and player. Good one handed hook shot and good on defense.

RUTH MEYER, Dallas, Tex.—A rugged forward, good rebounder and all around player. Good one handed shot and team player.

DOLORES KALNFLEITER of Laredo, Tex.—Good rebounder, works hard and is a good inside shot. Former All State star with lots of drive at 5' 11".

THE NORTHVILLE RECORD—Thursday, February 2, 1956—13

## Jr. High Team Does It Again Defeats Ford School 28-22

By Philip Jerome

The Northville eighth grade basketball team, paced by Jim Patterson, defeated Ford School of Dearborn, 28-22 last Wednesday on the local court to gain its first victory of the season.

Northville jumped off to an early lead. Baskets by Patterson, and Juday put Northville out in front 12-5 in the first quarter. Northville continued to breeze along in the second. Ford picked up only two points in the entire period and the half ended with Northville out in front by a score of 18-7.

With a big lead to work on, Coach Madigan substituted free-

ly in the second half. Everyone on the squad got a chance to play except Wade Deal, who has a leg injury.

Ford outscored the local team in the third quarter by a single point but Northville led by 10 points, 24-14. Ford put on the steam in an attempt to make up the deficit but they only succeeded in narrowing the margin to 6.

All the starting five for Northville scored points. Jim Patterson was high with nine. Nitzel, Juday and Eastland each got two. Atchinson picked up six. Two reserve players also scored. Connelley got three points and Stuber picked up two.

# There's a '56 FORD to fit every pocketbook!

Prices start as low as **\$1533.07\***

### MAINLINE SERIES

powered by the mighty Ford V-8 or I-6 engine

Ford Mainline models are favorites with buyers who prefer subtle beauty combined with dependable, economical transportation. Mainline Fords are priced right down with the lowest-priced cars. But they are built to the same high standard of mechanical excellence that you find in every Ford.

### CUSTOMLINE SERIES

with your choice of Ford's big V-8 or I-6 engine

Ford Customline models have generous ornamentation and distinctive styling that set them apart from the many "look-alike" cars of the day. These cars are available in a wide choice of beautiful single and two-tone body finishes with tasteful upholstery combinations to harmonize with exterior color treatments. And Ford's modern power-assists are available to make the Ford Customline model of your choice as "automatic" as you want it—at reasonable cost.

### FAIRLANE SERIES

with the terrific Thunderbird V-8 engine at no extra cost . . . or Ford's thrifty I-6 engine

The superb Ford Fairlane models come to you for hundreds less than many other cars that they surpass in distinguished beauty and topnotch performance. Fairlane models are offered in an extra-large choice of handsome single and two-tone body colors . . . with luxurious upholstery materials. And of course you can have Ford's wonderful power-assists. As in all '56 Ford models, you get Ford's exclusive Lifeguard Design to give you and your family extra protection against car-accident injuries.

Come in . . . Test Drive a '56 Ford of your choice . . . and you'll be convinced that you can go finer for less with a new Ford!

## CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets  
Plymouth, Michigan

Divine healing— healing through spiritual means alone— will be a topic dealt with at Christian Science services Sunday.

day in the Lesson-Sermon entitled "Spirit".  
Luke's account of Christ Jesus' healing of the "woman which had a spirit of infirmity 18 years, and was bowed together, and could in no wise life up herself" (Luke 13) will be included in the readings from the King James Version of the Bible.

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include the following (316:7): "Christ, Truth, was demonstrated through Jesus to prove the power of Spirit over the flesh, — to show that Truth is made manifest by its effects upon the human mind and body, healing sickness and destroying sin."

The Golden Text is from Psalms (143:10): "Teach me to do thy will; for thou art my God: thy spirit is good; lead me into the land of uprightness."

## SALEM FEDERATED CHURCH

Richard Burgess, Pastor

Sunday:  
10:30 a.m., Morning Worship.  
11:35, Sunday School hour.

## OUR BROTHER'S KEEPER

During the month of February a minister almost sub-consciously thinks of race relations. Perhaps, it is due in part to the tremendous influence of Abraham Lincoln, whose birthday we celebrate at this time, and the practice of many churches in emphasizing brotherhood on the second Sunday in February.

A dastardly deed was committed in the Summer of 1955 which cast a darkened shadow over our land. It chilled the blood of every red-blooded American and pale the cheek of every spiritually sensitive soul. I am referring now to the murder of the 14-year-old Emmett Till. The kidnapping and murder was bad enough but the trial which ensued was a travesty of justice.

This kind of thing furnishes the enemy of democracy with fuel for infernal fires and casts a shadow upon the American missionary whose faith is often associated with the land from which he comes. We believe that the blood of Emmett Till cries out from the earth against all those who have such a distorted sense of justice.

All is not dark for there were rays of light which passed through this ominous cloud. I am indebted to Life Magazine for these few lines coming from its editorial: "The soul of Emmett Till himself was known but to a few but it was a thing of value. It was fashioned on July 25, 1941 by the Lord God Almighty who placed on it this distinctive seal: This is My son, akin to all others, but unlike any one of them. Like each of My children he is unique, irreplaceable, immortal. I hereby send him among other men, who are his brothers."

"Sleep well, Emmett Till; you will be avenged. You will also be remembered, as long as men have tongues to cry against evil. It is true now as it was when Christ said it almost 2,000 years ago: 'For there is nothing covered that shall not be revealed; neither hid that shall not be known.'"

Another ray of light came from a church up in New England. A Methodist church invited a Negro minister to be its pastor. This church was without a minister and this intelligent, spiritual Christian leader filled the pulpit for several Sundays. Upon their recognizing this man of God for what he was, he became the pastor of this church. Although there wasn't one Negro member of the

congregation; yet, here was a people capable of appreciating values that went beyond the skin.

This matter of race prejudice is not easily overcome; oftentimes Christian people are the victims of it. Although we know that it is not rational; yet, we find it distorting our judgments. Many of the readers of this article will judge themselves as being fair-minded people—void of prejudice, but may I ask you a few questions? Would a Negro be welcomed to eat in all of our restaurants? Would the color of his skin hinder his being employed in one of our stores? Upon making application for a position on the teaching staff in our schools, would his ebony face cast a shadow? Honestly, would you be happy if a Negro entered your customary place of worship and sat down beside you? Would you welcome him into the fellowship of the church with the same degree of joy as another of your own race and class? We have this sign on our bulletin boards, "All Are Welcomed". Just what does it mean? Remember that it was in the religious South where Emmett Till met his "Waterloo".

A missionary who labored on the east coast of Africa tells this story: One day a little black boy came to him and said, "Was Jesus a white man or a black man?"

**Northville Lodge,  
No. 186, F. & A. M.**

REGULAR MEETING  
Second Monday of each month  
JACK G. LISS, W.M.  
R. F. COOLMAN, Secretary

The missionary was going to say right away that Jesus was a white man, but he happened to guess what was in the black boy's mind. He knew that if he said Jesus was a white man the boy would turn away with a sad look, thinking that everything that was good had been given to the white man. So the missionary thought a moment. He remembered that Jesus lived, when on earth, in a very warm country, that the people there are dark-skinned, though not black. So he answered, "No, Jesus was not a white man, nor a black man, but sort of between the two. He was a kind of brown."

"Oh, then he belongs to both of us, doesn't he?" exclaimed the little fellow with delight.  
"Yes," said the missionary, "He belongs to both of us."

Bread, nowadays, compared to that in the mid-30's, contains four times as much thiamine, three times as much riboflavin and about twice as much calcium and iron and niacin.

# WE KNEW IT WAS GOOD -but oh, brother!

1956 Buick Roadmaster  
6-Passenger, 4-Door Riviera,  
Model 73

It STARTED right on announcement day.

On that day, we made bold to call this the Best Buick Yet. (A pretty big statement, we're sure you'll agree.)

But, in the scant three months since then, we've had ample proof of how more-than-right we were—

Not just from the tremendous initial interest shown in the new 1956 Buicks—

Not alone from the way our sales have zoomed past all expectations—

But more especially and more clearly and more positively from the enthusiastic "play back" that's coming from happy new-Buick owners.

So, if you'd like the story firsthand—see if you can get a '56 Buick owner to stand still long enough to tell it to you.

For it's a real news story you'll hear about:

You'll hear about a wallop-big new 322-cubic-inch V8 engine that delivers its record-high power with the obedience of a bird dog.

You'll hear about a terrific new Variable Pitch Dynaflo\* that gives double-action take-off and instant acceleration right in the driving range—along with a thrifty boost in gas-saving mileage. Yet, when you do floor the pedal to switch the pitch—you get an extra abundance of safety-surge power to pull out of tight spots on the highway.

You'll hear about a new "sweetness" of ride made even more buoyant by deep-oil cushioning and all-coil springing—and about a new ease of handling and steering—and a new four-footed sureness when taking the turns.

So what's left to be told?

Except the news of brilliant new Buick styling inside and out—which you can see for yourself. And the question, "How much?"—which only you can answer.

For, you can go all the way from the bedrock-priced SPECIAL—to the high-stepping CENTURY—to the outstanding SUPER—and on to the custom-built ROADMASTER.

Why not come in—right soon? Learn how easy we'll make it for you to step into the '56 Buick circle—without busting out of your budget.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
