City To Buy 4 Voting Machines

Twp. Board Passes Trailer Park Ord.

The Northville township board passed an amendment to the existing zoning ordinances, creating a new district, R3 Mobile Homes District, and establishing a new use within the commercial district.

The amendment will provide for the building of trailer parks, motels and motor courts in the commercial districts.

Prior to the board's approval the amendment was submitted to the township zoning board and the county coordinating committee. Both gave their approval.

License Fee Lowered

Attorney Littell was asked to draft an amendment to the dog ordinance, lowering the price of unsexed female dogs to \$1. The fee will be retroactive as of January 1956 and refunds will be given to those persons who have already purchased a license.

Business Booms for Dog Catcher

One township resident asked the board to "...guide the activities" of the dog warden. "We have dogs for protection," he said, "and we didn't buy them to chain them up."

A woman spectator said, "then you should train your dogs to stay on your property."

The man said that his dog was picked up twice in his neighbors yard, but it was his neighbors fault. "He had a compost pile," the man said, "and my dog was only four months old... she was too young and innocent to know any better." The man said that dogs are needed for protection in the country.

"They won't protect your property if they're on someone else's land", a board member said.

"That's right, that's right, that's right," said the woman nodding her head. She added, "I have the same trouble with one of my neighbors and when she gets hauled into court and pays a couple of \$7.50 fines she'll learn to keep her dog at home."

"That's almost impossible," the man said.

"Take your dog to the dog training class," she said.

Another spectator said, "I want the dog catcher on my property between 8:30 a.m.-9:30

a.m. to catch the loose dogs."

Another said, "I want the dog catcher on my property between 9:30 a.m.-10 a.m., he'll catch two dogs."

Township Clerk D. J. Stark ended the discussion by proposing that Trustee A. Lawrence discuss the purchase of a truck with Northville Councilman A. M. Allen. The truck will be used to pick up stray dogs. The township agreed to pay half the cost of the truck; their share is not to exceed \$250.

Police Calls Drop But Fines Are Up

Northville police calls continue to take a drop as the current February report by Chief Joseph Denton indicates, but the total fines collected are higher than the 1955 amount.

Northville police answered 72 calls during February this year as compared with 85 calls last year, but they collected \$614 this year as compared with \$595 last year.

The complete report follows with last year's total, for comparison, in brackets:

Accidents investigated 9 (3), traffic violations 64 (76), summons issued 62 (73), grand larceny none (none), petty larceny 3 (2), juvenile cases 1 (none), vandalism cases none (1), breaking and entering 2 (none), prowler calls 1 (4), missing persons 2 (2), recovered persons 2 (2).

Autos stolen none (2), autos recovered none (2), bicycles stolen none (none), uttering and publishing 1 (7), forgery none (1), arrests 7 (7), court cases 7 (7), to DeHoCo none (none), to Eloise none (none), persons bitten by dogs none (none) dogs under observation none (none), dogs reclaimed and owners fined none (2), to Pastuer Institute none (none), dogs destroyed 4 (4), windows found open and unsecured 2 (2), doors found unlocked 3 (7), telephone messages sent out 18 (17), drivers license revoked 1 (none).

Total fines collected \$614.00 (\$595.00).

5 Yrs. To Pay \$6,692 Total

A motion was made and passed at the city council meeting Monday evening to purchase four electric voting machines.

The machines, which are made by the Shoup Voting Machine Corp., will cost a total of \$6,692 and will be paid over a five year period. Councilmen Reed and Stubenvoll were appointed by Mayor Ely to arrange for the purchase.

The council said that the machines would not arrive in time to be available for the school election.

Councilmen Canterbury and Stubenvoll were delegated to consider storage quarters for the machines.

Property Valuations

A tentative millage rate was presented by the city assessor, E. M. Bogart, and was given support by the council.

The newly passed charter allows the city to use up to 20 mills; however, Bogart said that it would be advantageous to use the lowest possible rate.

The council and Bogart agreed on a tentative 19.5 millage rate which would bring the city \$85,259.85. A 20 mill rate would make the total \$87,446.87.

Bogart said that the assessed valuation of the city proper was 2,629,000; Oakwood subdivision, \$263,000, and personal property tax totals are \$1,479,900.

The board of review will be in the city hall Mar. 13, 14, 15, 16 and 27 from 9 a.m. to 4 p.m. to listen to any appeals from the taxpayers. Last year 11 people made an appearance.

City Sells Lot

The council made a motion to sell the property on S. Main St. (Continued on Page 10)

Rotarians Elect Bd. of Directors

Northville Rotarians elected six members to the 1956 board of directors at their regular meeting Tuesday, Mar. 8.

Elected to the board were Doug Land Smith, Ed Devine, Leonard Lorenz, Lee Eaton, Joe Rewitzer and Stan Muczynski. The board will decide the activities and policies of the club for this year. At the Mar. 13 meeting the board will name the members who will be installed as the 1956 officers. The officers to be considered are president, vice-president, secretary and treasurer.

GIRL SCOUTS in the Northville area will celebrate the 44th birthday of scouting in the U.S. Monday, Mar. 12. Approximately 300 girl scouts and brownies will assemble in Amerman school at 4 p.m. for an afternoon of entertainment and to enjoy a piece of the giant birthday cake. The 14 troops are now busy collecting contributions for the Juliette Low fund. Pictured above depositing their money in a penny jar are Sandy Parmenter and Pam Parmenter. Mrs. Alfred Parmenter, chairman of the Northville girl scout and brownie leaders, is holding the jar. Mrs. Alex Laurence, Mrs. Rolf Batzer and Mrs. Alfred Parmenter are in charge of making arrangements for the scout rally.

And It's Only 10c

Record Announces Special Classified Ad Page For Boys And Girls 7-13 Yrs.

Opportunity is knock knockin' on the door of every Northville area boy and girl 7-13 years of age.

We don't want to mimic the carnival barker who might say: "This is the most sensational, amazing, superb, absolutely positively stupendously wonderful bargain ever to be offered to the youngsters today," but it just so happens that IT IS.

Read on kiddies and if this doesn't just rock you off your lid, we'll just better quit rockin' on a square.

The Northville Record announced this week that a new addition, a junior classified ad section, would begin Mar. 9. The special section will not appear on the regular classified page, but will have a regular spot in the paper.

Any boy or girl within the age limit of 7-13 is eligible to advertise. The only requirement is that

the ad be composed and written by the junior advertiser.

Ads are limited to 15 words and must be beneficial to the junior advertiser. By that we mean, for example, the Record will not accept an ad like "refrigerator for sale" from an 8-year-old, unless of course, he owns it.

The only fee for this service is a slight charge of 10 cents for each ad.

If you want to advertise your business (baby sitting, snow shoveling, lawn mowing, etc.), sell your spaceman helmet, trade your white rat for fishing worms, buy a book, or anything else... just drop by the Record office and do it through the junior classified ad section.

Adults use Record classified ads because they get BIG results. If you want to be successful, too, start advertising today... in the Record.

"You Get What You Pay For" Says P-TA Millage Committee

Why is school tax levy necessary?

The P-TA publicity committee on millage answered that question in a release to the Record this week. The answer, according to them is:

"For the past five years, your school taxes have included a special six mill levy passed by the voters of the Northville School District in 1951. This special levy has expired. The Board of Education asks that this six mill levy be renewed and that an additional four mills be granted to meet the financial needs of a growing system.

"The total levy of ten mills is necessary to continue the in-

Architect Named For Proposed High School

The Northville Board of Education voted pay raises this week for local teachers ranging from 15% for those with eight years teaching experience to 26% for beginners without experience. It also:

Named Eberle M. Smith as architects for the proposed new high school;

Approved in principle the formation of a new curriculum study committee recommended by Superintendent R.H. Amerman;

Decided to ask voters to approve a levy of 10 mills for ten years to help defray school operating expenses.

Mrs. Wagenschutz Candidate for School Board

Mrs. Harry F. (Eliza) Wagenschutz will be a candidate for reelection to the Northville Board of Education at the coming June election, she announced at the board's meeting last Monday evening. Her announcement was prefaced by a statement that she had received several calls within the past few days from friends and acquaintances who had been told she would not seek reelection.

"To clear the air so there will be no uncertainty concerning my wishes, it seems advisable to say now that if the people of Northville and the surrounding area comprising the Northville School District feel I have done a creditable job I shall be happy to stand for election to another term."

Mrs. Wagenschutz expressed the opinion that she had become rather well acquainted with school policies and needs during her first two year term which expires in June, and that this knowledge would enable her to be an even better school official if she is reelected.

The new teacher salary schedule provides that a beginner with a bachelor of arts degree will get \$4200 next year compared with the present starting salary of \$3350, an \$850 increase. A beginner with a master of arts degree will receive \$4500 compared with \$3550 at present, an increase of \$950.

Pay for teachers with a bachelor's or master's degree mounts at the rate of \$200 for each year of teaching experience to a maximum of \$5800 for the bachelor's degree compared with the present \$5050, and \$6100 for the master's degree against \$5250 now. The new plan enables a teacher with eight years' experience to reach the maximum whereas it now takes ten years.

Cost Approximately \$45,000. R. H. Amerman, superintendent, estimated that the raises will increase the salary budget for the present number of teachers approximately slightly more than \$45,000 per year. Although nothing was done this week about salaries for administrative and operating employees of the school system it is likely that they also will receive somewhat higher pay next year.

An additional cost for the 1956-57 school year will be the salaries of five additional teachers who will be required to handle the larger pupil enrollment that is expected. Their combined salaries are expected to run in the neighborhood of \$25,000.

Northville Salaries Lowest Background of the new salary schedule was afforded by a study of comparative starting and maximum salaries for 42 cities and villages in the southeastern Michigan area. This study was given to the board of education by the professional problems committee of the Northville Teachers' club, co-chaired by LaGene Quay and Ron Schipper. It showed Northville

Random Notes

From "file 13"

We are happy to report at this time that the old mill wheel at the Ford valve plant is again turning at a somewhat slower and more dignified pace.

A subscriber informed us last week end that it was the wish of the late Henry Ford that this old wheel be kept running at all times. But we are sure that even Henry wouldn't have asked the wheel to keep up such a wicked pace as was evident several weeks ago.

Kite flying, marble tournaments, baseball games... all are sure and welcome signs of spring. Another sign of spring, which we feel is not so welcome, is the practice of defacing local cemetery grave markers. BB guns, crayons, sharp objects... all are used for the purpose.

The young advocates of this pastime talk quite openly about their sport. We are inclined to feel that their parents should

sither have a heart-to-heart talk or, if that fails, apply a little diplomatic pressure to the kids' rear ends.

March is indeed a busy month. In case you haven't heard, March is Cheese 'n Ry-Krisp month. Cottage Cheese-Peach Salad Month and One Dish Meals with Cheese Month.

The weeks in March are also busy. We are now midway through National Television Servicemen's Week and Spring Millinery Week, Girl Scout Week, National Rice Week and Campfire Girls Week are just around the corner.

A week further down the road are Irish Linen Week, Jewish Youth Week and Dried Fruits Week. Bringing up the tail end of the month are National Salesmen's Week, National Wildlife Week and Let's Play Ball Week.

We figure as how we might as (Continued on Page 10)

2,000 New Employees By '58

Burroughs Corp. To Build Addition

Burrough Corporation will begin construction this spring on a new 204,000 square foot addition to its Plymouth division plant facilities, it was announced today by John S. Coleman, president.

The new one-story building will increase the size of Plymouth division operations to 840,000 square feet, or 19 acres of manufacturing area.

"The new plant is needed to provide manufacturing and assembly space for expanding product lines," Mr. Coleman said. "It is scheduled for completion during the first quarter of 1957, and if present economic trends continue, it is expected that by 1958 an additional 2,000 employees will be required to

man it." There are 3,500 men and women presently employed at the Plymouth division.

Third Expansion This will be the third expansion of the corporation's Plymouth operation since 1950. In that year a one-story 150,000 square foot addition was built, and another plant of the same size was added in 1952. The new building will be similar to these in design. The other Plymouth division plants consist of a five-story main building, warehouse and a 100,000 foot warehouse. Burroughs occupied its first plant in Plymouth in 1938 when the five-story main structure and power house, facing on Plymouth Rd. were completed. These two buildings were designed by Albert Kahn, the multiple

story structure was patterned essentially after the Burroughs main plant in Detroit. The new buildings added in 1950 and 1952 are one-story plants to facilitate new concepts of manufacturing.

Before World War II and for some time afterwards the Plymouth division was devoted to the manufacture of a variety of the company's products including the cash registering machine, calculator, office chairs and supplies and defense products. During World War II the plant was engaged almost exclusively in the manufacture of the famed Norden bomb sight.

In 1949, the plant took over production of the semisensitive accounting machine, which it has been producing ever since.

PREPARING FOR the coming school election Mar. 20, Sally Wagenschutz, school employee, was kept busy this week checking the registration books for the Northville school district.

BRIDAL STYLES will be only a part of the BPW Style Show to be held in the Community Building Friday, Mar. 9. Models, new fashions, entertainment and refreshments have been planned for the ladies (and gentlemen's) enjoyment. Models above are Joan Sanders and Janet Malott, bridesmaids, and Betsy Merriam, bride.

Garden Club Sponsors Bird House Contest

Russell Reimer, NHS biology teacher, and E. V. Ellison, high school principal, will speak at the regular meeting of the Northville branch of the Woman's National Farm and Garden Assn. meeting Monday, Mar. 12 at 1 p.m. in the Community Bldg.

Members and their guests are invited to come early to view the bird houses on display in the lobby.

The bird houses will be entries in the contest sponsored by the Garden Club. Prizes of money and ribbons will be awarded for the best houses.

The junior high entries are judged according to the Detroit News bird house specifications. Cub Scout entries are judged on merit alone.

The judges are Ed Mollema and Gene Quay, NHS teachers. Both of the judges have studied the subject and are quite well versed on bird house specifications.

The "guiding light" in this contest, according to members, is Bill Renard, industrial artist teacher, whose enthusiasm for this program has been very con-

Spring Is In The Air Birds Sighted In Town

If you believe that birds are any indication of the coming of spring then shout "hooray" dear reader, because spring is in the air.

During the past week many people have reported seeing robins and other birds in town. A few of the more unusual reports follow:

Red Crossbills

Residents of Northville and the surrounding area who are interested in bird migration were given a rare treat Sunday. A pair of red crossbills came to the feeding station of Mr. and Mrs. George Hill on W. 7-Mile Rd.

The crossbill is named for its peculiar bill which looks like a deformity. The top part of the bill is crossed over the lower bill at the tip. This enables the bird to insert its bill into the side of the pine cones. To get the

seeds, he opens his bill and tears the cone scales at the base.

The chief diet of the crossbills consists of pine cone seeds, but they are wanderers and are rarely seen in this area.

Crocus In Bloom

Despite a driveway of solid ice last Thursday, Mar. 1, six crocuses were in full bloom in the Glenn Cummings' yard on 6-Mile Rd.

Red Winged Blackbirds

Mr. and Mrs. Laurence Masselink on 7-Mile Rd. sighted the first red winged blackbirds beyond their orchard last week. The meadow lark's song could be heard there a week ago.

Oriole Sighted

Mrs. Harry Duerson and Mrs. James Huff saw an oriole Monday morning on top of the big elm tree on Dunlap St. The bird's singing attracted Mrs. Duerson's

attention and she identified it after observing it through her field glasses.

A. N. Keith's Novel Reviewed At Book Club Tuesday

The Tuesday Book club met with Mrs. W. Leonard Howard on W. 8-Mile Rd. this week.

Mrs. Harvey Whipple reviewed Agnes Newton Keith's book, "Barefoot in the Palace". The author and her husband were in the Philippines in 1953 and 1954 during the time of great political changes. Since Maysaysay has been president of the Philippines, the people of the Islands have been admitted to the Palace where formerly only royalty trod.

Mr. Keith was sent to the Philippines as a forestry expert by the United Nations.

FOR THE BUSY HOMEMAKER

"I've Got A Hint . . .

Mrs. Frederick B. Hartt and daughter Merrie

Our homemaker this week, Mrs. Frederick B. Hartt of 15894 Northville Rd. is a collector of copper. She has found that copper, as well as silver and brass are often covered with a protective coating of lacquer to prevent tarnishing. As time goes on, this is not very satisfactory for it changes the color of the metal.

Mrs. Hartt's homemaker hint is this — she removes the lacquer with acetone, which can be purchased at drug stores. The metal can then be polished and relacquered if desired.

The Hartts have two daughters, "Merrie", four, who is shown above with her mother and Prudence who is six.

R.H. Fifield To Speak At Teachers Club Meet Mar. 15

Russell H. Fifield, professor of political science at University of Michigan, will be the guest speaker at the Teachers club meeting Thursday, Mar. 15. The meeting will be in the Community Bldg. at 8 p.m.

He is a member of the Phi Beta Kappa and Phi Kappa Phi.

He has held the following assignments in the government service: Dept. of State 1944-45; American Foreign Service Officer in China 1945-47; Consultant, Dept. of State, 1953, and Fulbright Research Professor in the Philippines 1953-54.

Among Prof. Fifield's publications is "Woodrow Wilson and the Far East", New York 1952. He is a recipient of the 1953 George Louis Beer Prize of the American Historical Assn. and has had numerous articles in professional journals such as the American Political Science Review, American Historical Review, American Journal of International Law and Foreign Affairs.

Attorney Will Speak At Altar Society

Our Lady of Victory Altar Society will meet Mar. 14 at 1 p.m. at the home of Mrs. Carroll Mulligan, 42565 E. 8-Mile Rd.

Following the business meeting, Mrs. Claude Crusoe, program chairman, will introduce the guest speaker, Mrs. Dorothy Broeder, Detroit attorney, and past president of the Marygrove alumni. Mrs. Broeder will speak on "The Legal Aspects of the Trial of Christ".

Every member is requested to bring a guest.

Russell H. Fifield

Northville residents are invited to attend and are reminded that there is no charge for admission.

Professor Fifield will lecture on "Recent Developments in the Far East".

Professor Fifield received his degree from Bates College in 1935 and his M.A. in 1940 and Ph. D. in 1942 from Clark uni-

BIRTHS

Mr. and Mrs. Orlow G. Owen of 50085 W. 7-Mile Rd. announce the birth of a daughter, Marna Ann, born Mar. 3 at Mt. Carmel hospital. Marna Ann weighed six pounds, seven ounces.

Iris Richardson and Richard Fairfield were married at Angola, Ind. Feb. 24.

Iris is the daughter of Mrs. Clara Richardson of 23675 Novi Rd., and the late William S. Richardson. Richard is the son of Mr. and Mrs. Frank Fairfield of 502 Novi St., Northville. After a short honeymoon through northern Michigan, the couple will make their home with the bride's mother on Novi Rd.

SLATED FOR Thrift Shop sale are these boxes of clothing being unloaded from the station wagon by Mrs. Robert Niemi. The Thrift Shop opened today and will maintain regular store hours through March 24; 9 a.m. to 5 p.m. daily, and Fridays from 9 a.m. to 9 p.m. The shop is located on the ground floor of the telephone building at the corner of N. Center and Main. The sale is being sponsored by the Women's Assn. of the First Presbyterian Church. Any persons wishing to donate clothing or household goods are asked to telephone the Presbyterian Church, Northville 674, to arrange for collection.

MSU Dinner-Dance At Hawthorne C.C.

A Michigan State University Alumni suburban dinner-dance will be held Saturday at Hawthorne Valley Country club.

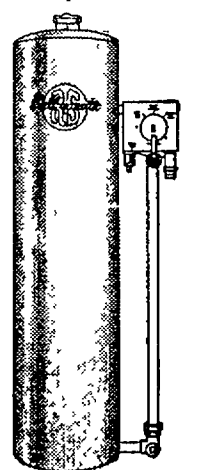

Mr. and Mrs. Orson Atchinson, Mr. and Mrs. Nelson Schrader, Mr. and Mrs. Edward Angove, Mr. and Mrs. Dayton Deal and Mr. and Mrs. James Mahoney are among the Northville couples who will attend.

Dave Biery, son of Mr. and Mrs. Elden Biery will be home this week following an appendectomy in Beyer hospital in Ypsilanti.

HERE'S GOOD NEWS! We can rent an R-S Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

R-S
Ball-O-Matic
WATER SOFTENER

They're both right. The Reynolds Rental Plan is really sensational! You rent an R-S Ball-O-Matic 30,000 Grain Capacity Water Softener for only \$3.25 per month. You control it and regenerate it as often as you want. It's yours to use—just as if you owned it.

It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the zero-soft water you need. All the water in your home will be zero soft, and can be used abundantly.

Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R-S Ball-O-Matic (or you can keep the rental unit, if you wish).

See us today. You can't afford to be without soft water!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a Reynolds quality softener. Factory installation and factory service.

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Keith Simons and sons Mark 4 and Jeff 3. Our recipe this week was given to us by Mrs. Keith Simons, shown above with her two sons. The newest member of the Simons family, seven weeks old Melanie, was too sleepy to be included in the picture.

This recipe for Bully Pudding was given to Mrs. Simons by her mother, Mrs. Gerald Taft. Mrs. Taft states she has had the recipe for 25 years but does not remember just where it came from, it is a good recipe and easy to prepare. Mrs. Simons says black walnuts give the most distinctive flavor but you may use English walnuts or pecans—just whatever your preference happens to

be. The Simons live at 438 Eaton Dr.

BULLY PUDDING

1 cup white sugar
½ cup butter or margarine
2 eggs
1 cup sweet milk
1 tbs. flour
½ tsp. baking powder
1 cup walnuts
(black or English)
1 cup chopped dates
Mix all but dates and nuts thoroughly. Fold in nuts and dates and pour into greased 9" square tin. Bake about 45 minutes at 350 degrees. Serve with whipped cream.

Easter Seal Campaign To Start March 10

A goal of \$1754 was announced today by Easter Seal Chairman Roy Stone, as he launched the 1956 mailing campaign for funds for crippled children to be raised during the annual Easter Seal drive which officially opens Saturday, Mar. 10, and continues through Apr. 10.

"Approximately 3250 appeal letters containing sheets of Easter Seals are being mailed to Northville residences," said Stone.

During the month-long drive canisters will be placed in business establishments and a lily parade will be held in the shopping area of Northville Mar. 24 led by Mrs. Betty Willing as chairman.

Chairman Stone is being assisted in this annual appeal for crippled children funds by a committee of three Rotarians, J. F. Stuhenvoll, Joe Revitzer and W. K. Belasco.

Northville is one of 22 communities in Western Wayne county who receives the services of the Wayne Out-County chapter, Michigan Society for Crippled Children and Adults.

A goal of \$40,000 is the aim of the Wayne Out-County chapter to be able to continue its services during 1956 and increase programs already in progress.

The Wayne Out-County chapter maintains offices at 31433 Ford Rd., Garden City until new Easter Seal Center can be built this summer. They employ a full-time field worker and secretary. The board of directors which con-

sists of 16 members from various areas in Western Wayne county serve without compensation. Cyril N. Frid serves on the board from the Northville community.

Contributions from the local area will go to support the direct services of the Easter Seal Society which includes transportation to clinics, hospitals, treatment centers, day camp for crippled children, recreation program for teenagers and adults, educational assistance, diagnostic fees and loaning special equipment to the severely homebound handicapped.

The annual drive is conducted nationwide Mar. 10 through Apr. 10.

See "Hit Parade of Gardens" At Fair Grounds Exhibition

You have all heard of the musical "Hit Parade" but a new and different "Hit Parade of Gardens" is being introduced at the 1956 Michigan Flower and Garden Exhibition which will be held at the Michigan State Fair Grounds from Mar. 17-25.

There will be 20 contest gardens built by professional landscape men in the "Hit Parade of Gardens". All will be practical gardens and speakers in each garden will provide music which will be played from a tape recording of the 20 musical numbers which have been selected. The public will judge these gardens as they did last year and the winner will receive a 1956 Dodge.

Photo Contest
Werner M. Hoy, general mana-

RITA KAY SKOW recently received her nurses cap in a ceremony at Foote Memorial hospital in Jackson. Miss Skow is the daughter of Mr. and Mrs. Alvin P. Skow, 530 W. Main St.

George Washington's home and formal gardens at Mt. Vernon will be reproduced as the feature attraction. The house will be built to scale at one half the size of the original.

This year the emphasis in the gardens will be on color. There will be 1,000 Azalea plants with hundreds of blooms on each, 50 Camelia bushes offering many varieties and colors, Hydrangeas, Bagonia, Tulips, Hyacinths, Daffodils and many other bulbous plants. The formal beds will be outlined with Virginia Boxwood and Yews, while the shrubs in the garden will include Dogwoods, Rhododendrons and Dahphne.

Flower Arrangements

Along one wall the Chrysler Corporation in conjunction with the Michigan Horticultural Society will present the flower arrangements section exhibit "Cover Page". Here flowers will be arranged to suggest covers for various magazines in the categories of Highways and Byways, Vacation Days, News of Arts and Crafts, News of Homes and Gardens and Childrens books and stories.

Floral Clock

One of the most outstanding exhibits in the Coliseum will be that of the Detroit Dept. of Parks and Recreation, "Melody Lane". It will be a reproduction of a city boulevard and stretch down the center of the building. It will feature at the far end a reproduction of the famous Floral Clock of Edinburgh, Scotland. The clock, which will be 20 feet in diameter and composed of living flowers, will keep time as does the original in Edinburgh.

According to Werner Hoy, tickets are now available from Michigan Garden Club members throughout the state and from neighborhood florists at the special pre-show price of only 85 cents.

Mt. Vernon Reproduced

Chrysler Corporation's outstanding exhibit "America the Beautiful" will be located in the Coliseum Annex. This year

Legion Post To Celebrate 37th Birthday

The Lloyd H. Green American Legion Auxiliary Unit 147 has completed plans for the Post's birthday party which will be held at the Legion Home Tuesday evening, Mar. 13.

To start the festivities, a co-operative dinner will be served at 6:30 p.m. A special birthday cake will be featured at the occasion. Legion members, families and friends who attend are asked

to bring their own table service and passing dish. Meat, dessert and coffee will be furnished by the auxiliary.

The celebration is a nationwide event. During the month of March thousands of Legion posts from coast to coast will observe the 37th anniversary of the forming of the organization.

Mrs. Oscar Hammond is the general chairman. Mrs. Mary Bahmiller and Mrs. Hazel Wright are in charge of entertainment.

Notice of Last Day of Registration

OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICH.

To The Qualified Electors of Said School District:

PLEASE TAKE NOTICE that the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, has called a special election to be held in said School District on Tuesday, March 20, 1956.

Section 532 of Chapter 8 of the Michigan School Code provides as follows:

"The inspectors of election at any annual or special election shall not receive the vote of any person residing in a registration school district whose name is not registered as an elector in the city or township in which he resides"

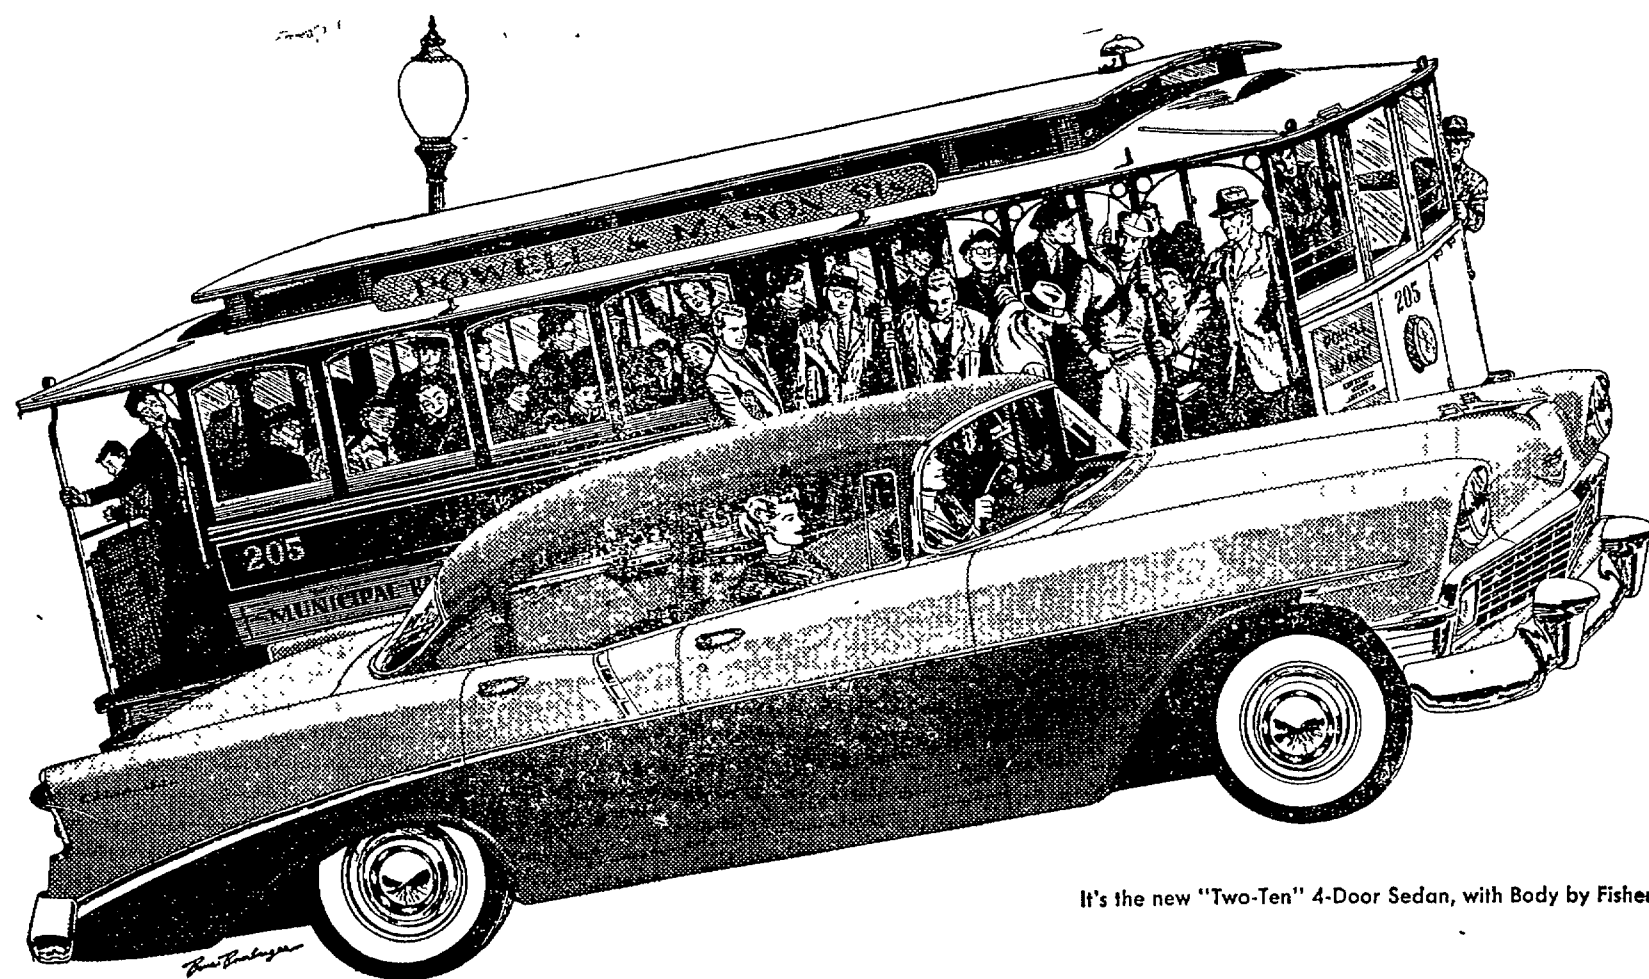

THE LAST DAY on which persons may register with the appropriate Township Clerk or City Clerk in order to be eligible to vote at the Special Election called to be held on Tuesday, March 20, 1956, is Friday, March 9, 1956. Persons registering after 5:00 o'clock P.M., Eastern Standard Time, on the said Friday, March 9, 1956, are not eligible to vote at said Special School Election.

Under the provisions of the Michigan School Code, registrations will not be taken by school officials and only persons who have registered as general electors with the township clerk of the township in which they reside or the city clerk of the city in which they reside are registered school electors. Persons planning to register with the township or city clerks must ascertain the days and hours on which the clerks' offices are open for registration.

THIS NOTICE IS GIVEN BY ORDER OF THE BOARD OF EDUCATION OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN.

E. JANE WAGENSCHUTZ
Secretary, Board of Education

Nobody "spared the horses" in the '56 Chevrolet!

It's the new "Two-Ten" 4-Door Sedan, with Body by Fisher.

This new beauty's got power. Big, deep-breathing power that's panther-quick and silk-smooth. Power that puts new kick in your driving and makes passing far safer.

Feather-touch the gas pedal—and you find out right quick that nobody spared the horses here!

A flick of your toe is all it takes to unleash a hoofbeats of power. Power that makes passing far safer by saving seconds when they really count! Power that's smooth as silk—and as full of action as a string of firecrackers!

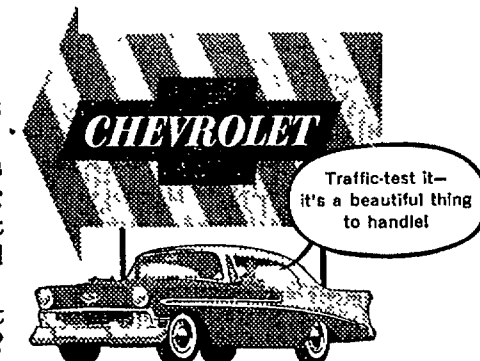

ers! Big, deep-breathing power that ranges clear up to 225 h.p.!

But power's just one of the things that make for safer, happier driving in a Chevy. For instance, you get safety door latches and directional signals in all models.

Come on in and see how the hot one handles. Why not make it soon?

Air conditioning—temperatures made to order—at new low cost. Let us demonstrate!

CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets

Plymouth, Michigan

How faith advanced to spiri-

tual understanding of God pro-

vides the answer to sin, lack, and

other discords will be brought

out in the Lesson-Sermon enti-

ty "Substance" at Christian Sci-

ence services Sunday.

From the King James Version

of the Bible will be read the fol-

lowing (Romans 14:22): "Hast

thou faith? have it to thyself be-

fore God."

Among the passages to be read

from "Science and Health with

Key to the Scriptures" by Mary

Baker Eddy is the following

(23:16): "Faith, if it be mere be-

lief, is as a pendulum swinging

between nothing and something,

having no fixity. Faith, advanc-

ed to spiritual understanding, is

the evidence gained from Spirit,

which rebukes sin of every kind

and establishes the claims of

God."

The Golden Text is from He-

brews (11:1): "Now faith is the

substance of things hoped for,

the evidence of things not seen."

THE FATHERHOOD OF GOD

The concept of the Brother-
hood of Man under the Father-
hood of God has come to the
front in the thinking of the so-
cial, political, and religious
worlds. It is both a noble and

dangerous thought. It is noble
in that it puts no premium on
race, class or nation, and puts
tremendous responsibility on all
of us for social action and jus-
tice; it is dangerous in that it
cuts to shreds the Evangelical
tenets of faith which asserts that
we become sons of God through
personal belief in Jesus Christ.

I almost shudder when I hear it
spoken of so often with little
thought of clarification on the
part of the speaker or writer.

There is little reason for con-
fusion if one takes
care to notice
the distinction
of the "Father-
hood of God"

and the "Broth-
erhood of Man"

as viewed in
terms of the so-
cial solidarity of
the race and the
spiritual frater-

ernity of those
united by faith in Christ.

This noble idea has been ac-
cepted by some and must be

practiced if the nations of the
world are to survive. This dan-
gerously shrinking planet of ours
is furnishing the stage upon
which races and classes are re-
volting and "tragedy" is being
played before our very eyes. The
common man is asserting his
rights. The cries of the orientals,
the natives of South Africa, and
those being discriminated against
in our own land must be heard.
The cry of common brotherhood
and fatherhood has been ex-
pressed by Helen Keller in these
words—"Bishop Brooks taught
me no special creed or dogma;
but he impressed upon my mind
two great ideas—the fatherhood
of God and the brotherhood of
man—and made me feel that
these truths underlie all creeds
and forms of worship. God is

love. God is our Father, we are
his children; therefore the dark-
est clouds will break, and though
right be worsted, wrong shall not
triumph." From the standpoint
of our relationship with a com-
mon humanity with world re-
sponsibility, we are members of
a common brotherhood. This is a
noble concept and must be ap-
preciated, yet there is a spiritual
basis for Christian brotherhood.

Many years ago I heard one of
the outstanding preachers of the
country express the idea of child-
ren of God like this—"the poten-
tial sons of God." In fairness to
our Christian faith I should like
to make several distinctions re-
lating to God our Father. Pri-
marily, He is the God and Father
of our Lord and Saviour Jesus
Christ. Christ is uniquely His
son, the "only begotten." Upon
His

PUBLICATION OF ORDINANCE No. 132 City of Northville

AN ORDINANCE TO PROVIDE NECESSARY PROCEDURES FOR PURCHASE AND SALE OF CITY PROPERTY

The City of Northville Ordains: SECTION 1. General Policy

1. a. All purchases shall be evidenced by a purchase order signed by the Purchasing Officer.

1. b. All sales of city property shall be evidenced by a written agreement or contract of sale.

1. c. No sale or purchase shall be divided for the purpose of circumventing the dollar value limitations contained in this ordinance.

SECTION 2. Purchases: Limitations on and Requirements Respecting

2. a. The Purchasing Agent is hereby authorized to make purchases on behalf of the City, without consent of the Council, where each such purchase shall not exceed the sum of \$500.00.

2. b. All purchases in excess of \$500.00 shall only be authorized and ordered by the City Council.

2. c. All of such purchases which do not exceed the sum of \$1,000.00 may be authorized and ordered by the City Council without the necessity of advertising for sealed competitive bids.

2. d. Sealed bids shall be asked for in all transactions involving the expenditure of \$1,000.00 or more, and the transaction evidenced by written contract submitted to and approved by the Council; provided, however, that this requirement shall not extend to instances involving the employment of professional services, and that it may be waived in instances where the Council, by unanimous consent, deems it to be clearly to the City's advantage to contract without competitive bidding.

2. e. All open market purchases shall, wherever possible, be based on competitive bids which may be solicited by the Purchasing Officer via telephone or mail. The Purchasing Officer shall keep a record of all open market orders and the bids submitted in competition thereon; and such records shall also be open to public inspection.

2. f. Purchases from public utilities with which the city has a franchise shall not be governed by this ordinance.

SECTION 3. Notices

Inviting Sealed Bids

3. a. Notices inviting sealed competitive bids shall be published in a newspaper of general circulation within the city or in appropriate trade publications at least four (4) calendar days prior to the final date for submitting bids.

3. b. Such notice shall briefly designate the supplies, materials or equipment desired, or the construction project to be undertaken, the amount of the bid bond (corporate surety cash, certified check or cashier's check) required, and the date, time and place of filing and opening of bids. The right shall be reserved to reject any or all bids, or parts thereof.

3. c. The Purchasing Officer shall mail copies of the official notice to such qualified vendors or contractors as he may deem necessary to give actual notice to interested bidders and to obtain competitive bidding.

SECTION 4. Form of Bids

4. a. Bids submitted in response to such notice shall be sealed and be accompanied by the specified bid bond.

SECTION 5. Bids, Method of Handling

5. a. Sealed bids shall be opened by the Council in public at the time and place specified in the official notice. After opening the bids the Council may review the same and act thereon, or may refer them to an appropriate city official or employee for tabulation and/or recommendation before acting thereon.

5. b. Any competing bidder may examine the bids and the tabulation.

5. c. Upon reviewing the bids, together with any recommendations made with respect to same, the Council may reject the bids or determine the lowest responsible bidder or bidders and award the contract or contracts accordingly. Quality offered, delivery terms, and service reputation of the vendor may be taken into consideration in determining the successful bidder.

5. d. In case the Council determines that it is not possible to choose between two or more bidders to determine which one is the lowest responsible bidder, the successful bidder may be determined by lot, or the Council may authorize the Purchasing Officer to purchase the commodities in the open market at not to exceed the lowest bid price for each such commodity.

SECTION 6. Execution of Contract

6. a. After award of a contract as hereinbefore provided, the contract documents, together with a performance bond running to the City and a labor and material bond running to the People of the State of Michigan and complying with the provisions of Act 187, P.A. 105, as amended (C.L. 1948, Sections 570.101-570.105), each of said bonds to be in an amount not less than the total amount of the contract, shall be executed by the successful bidder and submitted to the City Attorney for approval and the Council for execution.

6. b. All bids, deposits of cash or certified or cashier's checks may be retained until the contract is awarded and signed. If any successful bidder fails or refuses to enter into the contract as herein provided, the deposit accompanying the bid shall be forfeited and the Council may, in its discretion, award the contract to the next lowest responsible bidder, or readvertise.

SECTION 7. Sale of Property

7. a. Whenever any city property, real or personal, is not needed for corporate public purposes, the same may be sold.

7. b. Personal property not exceeding one hundred dollars (\$100.00) in value may be sold for cash by the Purchasing Officer for the best price obtainable or traded to the vendor of new equipment replacing it.

7. c. Personal property with a value in excess of one hundred dollars (\$100.00) may be sold after advertising and receiving competitive bids, as provided in Sections 3 to 5, inclusive, of this ordinance, and after approval of the sale has been given by the City Council; or such personal property may be traded to the vendor of new equipment replacing it, upon approval of the City Council.

7. d. Real property shall be sold in the same manner as personal property over one hundred dollars (\$100.00) in value unless the City Council shall unanimously determine that it is clearly to the City's advantage to sell such property without competitive bidding. The sale of land which shall have been approved by three-fifths (3/5) of the city electors voting thereon at any general or special election shall not be subject to the provisions of this article.

SECTION 8. Validity of Contracts

8. a. The foregoing provisions of this article, except Section 1 hereof, shall be deemed to establish, in general, the procedure to be followed, but shall not be held to be mandatory. Any contract approved by the Council and not prohibited by the laws of the State or the provisions of the Charter shall be valid even though one or more of the provisions of this article may not have been observed.

SECTION 9. Effective Date

9. a. That because of the urgent need for the purchase of certain supplies, materials and equipment, pursuant to the provisions of said ordinance, the same is deemed to be immediately necessary for the preservation of the public peace, health and safety of the City and the ten (10) day waiting period is hereby waived and this ordinance shall therefore take effect immediately.

Passed by the City Council March 5, 1956.
(Signed)
Mary Alexander
City Clerk
Dated 3-6-56

Letter to the Editor

Dear Sir:

As a member of only three years standing in this community — which according to some people places me in the "furriner" category — as a professional person who must deal with persons under stress and in trouble, as well as the behavior of all persons, and lastly as a member of a PTA which has changed from an overgrown coffee-and-doughnut club to an active cohesive force, I feel that I must bring to the attention of all citizens the attitudes and behavior of certain elected officials toward the growth and increased unity of this PTA.

First, allow me to point out that the growth of the PTA was a reflection of the growth of the entire community. It was a reflection of the change of the status from "village" to "city". It was occasioned most by the pressing school problems. These are:

FIRST — a threatened loss of the academic status of Northville high school. In my conversations around the city I am not convinced that the citizens realize the significance of this menace.

SECOND — the fact that this school district pays the lowest rock-bottom salaries of any school district in this part of the state. Many excellent teachers still residing in Northville have

resigned to accept positions in surrounding areas because of the salary issue. Others are contemplating a similar move. Those who remain often must take several other jobs to support their families. It is an established fact that a broom-pusher in an industrial plant makes more money than a teacher with a post graduate degree.

When the PTA board attempted to discuss this problem with the school board individually these were the responses:

1. "This PTA is gittin' too big for its britches."

2. "What this board does is none of your business."

3. "So what? Teachers have three months vacation annually. There were also thirty-veiled threats to revoke the PTA charter. With the exceptions of Clark and Mrs. Wagenschutz who politely agreed to consider all problems, the board treated the PTA with contempt, arrogance and seemed to have the attitude that if they remained silent this "upstart PTA" will quiet down and the "good old village-type PTA" will return. Their attitude reminds one of the late Harry Hopkins who said, "The people are too damn dumb to know what's good for them."

The attitude of the board has been odd in other respects also; a change which was brought to my attention by a citizen that the board is attempting silently to maintain a policy of "white supremacy" in Northville. This charge has never been proven but has been responsible for the next scheduled program of the PTA which will be on segregation and civil rights.

Actually the best work of the board was accomplished by a study committee. They worked hard, long and without reward to develop a prospectus for a new high school. Their work is deserving of the highest praise. In an original letter I had felt that an attempt was being made to use the site of the school as a method of "slum clearance," thereby killing the proverbial two birds with the solitary stone. A two hour conference with the man who started the whole heated discussion on Feb. 23 has convinced me that nothing foul was afoot. I think, as do most people, that the Gerald Ave. site with its train track, gravel pits and town dump represents a greater physical hazard to the children in school than any other site proposed, and think it should be rejected upon that basis. After all our only concern in this matter should be the children.

To the problems raised I offer the following hypotheses as a considered solution.

1. A revision, complete and total, of school financing. The current method is based upon an era when our society was primarily rural. This era is now past. Some method needs to be found so that state and county institutions of this area are properly bearing their share of school financing. Personally, I oppose federal intervention in any area provided that local and state agencies can fulfill the need. However, I have yet to see the school district that can be proud of the job it's doing — the danger to this country from federal aid is minor, as compared to the threat of neglect and substandard education without it.

2. An emphasis on "brains and not brawn". It takes people to teach children. If the teachers were treated by the governing body with the respect due them; if teachers were paid the highest and not lowest salaries in the community, children could be adequately taught in a barn. If we continue to drive the teacher into several jobs or out of his chosen profession completely, the most palatial building will have a hollow ring and its program will be poor and ineffective.

3. Greater Public Interest — As long as only 500 people in this community elect a school board, the board will represent a hard-core minority of the populace.

4. Setting an example by which our children, those whose problems are ours can be proud. We are giving to the next generation a world that is one complete mess. Let us not indulge in such antics by shouting how patriotic we are out of one corner of our mouths, while we proclaim such doctrines as "white supremacy" from the other. The fact that such a practice is accepted in Alabama, does not credit to the State of Michigan, and the City of Northville to adopt it.

THE NORTHVILLE RECORD—Thursday, March 8, 1956—5

cepted in Alabama, does not credit to the State of Michigan, and the City of Northville to adopt it. In conclusion let me say that I have been busy meeting with citizens of this community privately about these matters. I shall continue to do so, because like all parents I want my children to be better citizens than the generation which has preceded them.

MRS. ZONA MAY HARRIS
Mrs. Zona May Harris, 16225 Homer Rd., Northville township, died Mar. 1 at Sessions hospital after a brief illness. She was 77 years of age and was born Feb. 24, 1879 in Appleton, O. Her parents were George Scott and Rose Overturf.

Mrs. Harris was active in lodge work. She was Past Matron of Orient chapter No. 77, OES, Northville, Past Worthy High Priestess of Trinity White Shrine No. 44, Farmington, and honorary member of Royal Oak White Shrine No. 31, Royal Oak. She had lived in Highland Park until 1917 when she moved to her present address.

Besides her husband, Jacob, she is survived by a son, Warren, of Homer Rd.; two brothers, Robert Scott of Akron, O. and John Dunbaugh of Ashland, O., and four grandchildren.

Funeral services were held on Mar. 3 from the Schrader Funeral home in Plymouth under auspices of the White Shrine of Farmington. Rev. Henry J. Walsh of Plymouth officiated. Interment was in Oakland Hills Memorial Gardens. Pallbearers were William Monroe, Raymond VanValkenburgh, Michael Willing, Edward Mollema, Howard Atwood and Ralph Simons.

The new curriculum study committee was proposed by Superintendent Amerman and approved by the board to "make a survey and present recommendations covering the total educational needs of the community — K-12, adult education, junior college, in terms of the following:

"A. Future educational needs in terms of preparation for college and in terms of vocational experiences;

"B. Future educational needs in terms of good, wholesome, responsible citizenship;

"C. An evaluation of the educational program in terms of present school citizenship. (What it does to boys and girls while they are growing up.)"

The proposed committee is to consist of 10 members appointed by the P-TA, 10 by the board of education, some faculty representatives appointed by the Teachers' Club, an administrator or two, and a couple high school students appointed by the Student Council. The committee would stay in existence 18 months and make quarterly reports to the board of education. Its functions will be entirely advisory in nature and its work will be financed by the board of education up to \$500.

Long Talk Precedes Agreement
The salary agreement between the board of education and the teachers' club was reached only after lengthy discussion between board members, administrative school personnel, teachers and the public. Board members Nelson Schrader and Eural Clark professed fear that if the voters are asked to approve a tax of 10 mills to cover operating costs they may turn down the bond issue that will be necessary to build a new high school. (The district has been levying a special 6 mill tax to cover operating expenses for the past five years.) After the raise in pay had been unanimously agreed**Established 1869

upon Schrader expressed the opinion that the 10 mill levy will pass by a good margin at the coming election Mar. 20 but that "we will see more 'no' votes than we have ever seen before."

Schrader and Board President Robert Coolman also precipitated a lively discussion after the salary question had been decided by criticizing the manner in which the teachers have sought to enlighten the public about their salary situation and the participation by teachers and the public in the meeting then in progress. Said Schrader: "So much has been done it has created confusion. ... We're getting to the point where there are getting to be two sides to every issue. It's city against township; those who are for the track and those who are against it. ..."

In referring to the board's action on salaries, Coolman said: "We could have done this in 15 minutes if there had been no one to interfere."

Those who had previously spoken in favor of the raises and in criticism of the board's apparent reluctance to permit the public to vote on the matter included Mrs. Martha Milne, representing the P-TA, Harry Smith, assistant elementary principal, Richard Kay, Amerman School Principal, James W. Schiefer, Ron Schipper, LaGene Quay, Kenneth Conley and Mrs. Robert Williams.

It was after Schrader had expressed fear that voters would not approve a new high school if they were asked to vote now on a 4 mill increase in the school

**Ken Krezel Wins
Oratory Contest**

Kenneth Krezel of Northville is being congratulated by Lloyd H. Green Post 147, Northville Commander John A. Credrick on winning the Legion's 17th District Oratorical contest held at the Redford township post home Friday, Mar. 2.

Kenneth also won the contest last year and was presented with a medal by District Americanism Chairman Charles Carrington.

Barbara Fuston of Livonia placed second and Art Voisin of Redford township was third. The subject of their orations was "The Constitution of the United States".

As district winner, Kenneth will participate in the zone contest to be held at Mason, Mich. Mar. 12 at 8 p.m.

The winner of the national contest to be held at Columbia, S. C. Apr. 16 will receive a \$4,000 scholarship.

tax for operating expenses that Mrs. Milne asked him: "What good is a new high school going to do us if we refuse to pay our teachers enough to keep them in our system?"

Harry Smith told Schrader: "Your (the board) attitude on letting the voters decide is a good indication to the teachers of your willingness to try to get their salaries up somewhere near the rest of the area. These schools belong to the public and they should be given a chance to vote. I don't see how you can approach it any other way."

Girl Scout News

TROOP 11. Our last meeting was a business meeting. We discussed plans for our trip in June. Our president, Patty Siock, has recently been named a Catholic Miss for March.

Scribe, Maureen O'Brien

Girl Scout Troop No. 14 — At our last meeting we knitted more on our afghan. We also talked about making knitting boxes.

We are going to decorate oatmeal boxes and put our knitting supplies in them.

At this week's meeting each girl brought something from home to represent a musical instrument, such as pans, spoons, pan covers, bells, whistles, combs with tissue paper, etc. We formed a band and Mrs. Jones played the piano. Each girl took a turn leading the band. This was part of earning our music badge.

Scribe, Murilla LeFevre

Move To New Home

Mr. and Mrs. Richard Hackett (Camilla Holden) and their son, Richard Holden have moved into their newly purchased home on Grandview. The Hacketts formerly lived in Jackson and until recently with the Parker Holdens in Northville while their home was being built.

Parker Holden drove to Tucson, Ariz. last week to bring back Mrs. Holden who has been there since December. They arrived home Monday.

**Scouts Will Wash
Cars March 17**

Bill Bake, secretary of Northville Explorers Post 242 announced this week that the troop will wash cars Saturday, Mar. 17, from 9 a.m. to 6 p.m. at Petz' garage on Plymouth Ave.

The price will be \$1.50 per car. This will include picking up the car, washing it thoroughly, and returning it.

Those wishing pick-up and delivery service are asked to call Russell Riemer.

The scouts will be washing cars to earn funds for their post.

BOARD NAMES LEONARD ATTORNEY FOR TOWNSHIP

Farmington Lawyer To Act As Novi Twp. Legal Counsel

Archie Leonard, Pontiac lawyer, was appointed attorney for Novi township at Monday night's board meeting.

In addition to the new appointment, the board gave tentative approval to a subdivision, discussed real estate, awarded a printing contract and pondered the problem of what to do with the township cemeteries.

"Leonard (a Farmington resident) is very familiar with township laws," Supervisor Frazer Staman said, "and at the present time he is also handling the legal affairs of Farmington and Troy townships."

Charles Davis, former Novi township attorney, resigned because of the pressure of other business. "He told me he did not have the time needed to continue the job," Staman announced.

Tentative approval of the subdivision at 8-Mile and Beck roads was granted to Ranch Homes, Inc. of Birmingham. Located at the northeast corner of the intersection, the plat contains 146 homesites plus a recreational area.

The subject of real estate came up before the board in a letter from Edna and Charles Crawford, 339 S. Lake Dr. The letter was read to the board. Referring to a house in the area now owned by negroes, the letter said the township had a "moral obligation" to protect nearby property owners.

The letter went on to propose township ownership of the property, saying it was the "only solution". Uses as a first aid station, voting place, recreation center, etc. were suggested. "If we buy the houses in all such cases that may come up in the future, we (the township) will find ourselves in the real estate business," Staman commented. The board decided to turn the matter over to their attorney for advice.

The subject of financial aid to maintain the two cemeteries in the township was discussed. Both cemeteries were established before perpetual care funds were required by law. "Upkeep runs approximately \$500 per year," Staman said, "and at present the township is practically maintaining them."

A WARNING TO DRIVERS was issued this week by Novi Police Chief Lee BeGole as he unpacked a shipment of traffic signs destined for Willowbrook Village. "These black and yellow steel signs will be erected along 10-Mile Rd. and throughout the Village in an effort to control the speed of cars and trucks, thus making the area safer for the residents' children," BeGole said.

FINAL PLANS AND LAYOUTS for the Novi School's second annual yearbook are well under way under the direction of the yearbook advisor, Donald Knodle. Shown working on the yearbook layouts in the above photo are (clockwise, left to right) Willard Sprenger, Claudia Parks, David LaFond, Janet Sharpe (standing), Mary Scheniman, Grace Atkinson, Gerald Swartz (standing), Dorothy Boyer, Bill Boyd (standing), Roger Cheeseman, Mary Ciot and Sherry Davis. Knodle says the yearbook will be ready for distribution in mid-May.

Four Fatalities Reported In Feb.

Four traffic fatalities, the first of the year, were listed in the Novi township police report made public at Monday night's board meeting.

Three of the fatalities, however, were just outside the township limits, Police Chief Lee BeGole explained. They occurred on Grand River one-quarter mile west of the township limits on Feb. 24.

Other unusual cases listed included buyer-seller trouble, disorderly woman, landlord-tenant trouble and missing clothes.

F. Stamans Join Novi Farm Bureau

Mr. and Mrs. Frazer Staman became members of the South Novi Farm Bureau at a meeting in the Novi Community Bldg. Wednesday, Feb. 28.

The bureau announced that new members wishing to obtain Blue Cross insurance should contact the secretary, Mrs. Howard Greer. Applications must be in the office by Mar. 15.

Hostesses for the February meeting were Mrs. Harold Miller and Mrs. Bruce Simmons.

Lansing Merchant To Speak Tonight At Bd. of Commerce

R. Palmer, secretary of the Lansing Retail Merchants Assn., will be the featured speaker at tonight's meeting of the Novi Board of Commerce.

At dinner, served by the Novi Blue Star Mothers, will precede the program. Visitors are welcome, according to President Leo Harwood, and the dinner will be held in the Novi Community Bldg. at 7 p.m.

Palmer, long active in Lansing business and civic affairs, will speak on the general business picture for Michigan.

A film prepared by the Michigan State Police will also be shown.

Novi Lodge Have Initiation

The Oddfellows initiated three men at the meeting Monday evening: Laurence Schardt, 12-Mile Rd.; Matthew Staman, Wixom Rd.; and Jack Kahl of Walled Lake.

The Rebekahs will have a special initiation night Thursday, Mar. 15 with a pot-luck lunch following.

The Past Noble Grands will meet Tuesday, Mar. 13 at the home of Kathryn Bachert on Fonda St. There will be a pot-luck luncheon at noon.

Ann Williams was elected vice president of her graduating class at Cooley high school last week. She was honored at a victory party at the home of Sandy Heustin by her fellow classmates. There are 685 students in her class.

Mr. and Mrs. Jack Carter of Ten Mile Rd. entertained the Bob Waugh and Ollie Thompsons on Saturday evening.

Mr. and Mrs. Glen Hill from Knoxville, Tenn. and Mr. and Mrs. C. Hill of Van Dyke were guests of the Carters of Ten Mile Rd. for dinner Sunday.

Mrs. Gloria Alcorn is giving a jewelry party Mar. 15 at 8 p.m. and is inviting all the ladies in Willowbrook who would like to attend. She lives at 23970 W. LeBost.

Mrs. Shirley Hurlburt attended a tea at the Rosedale Park Community Center Mar. 4.

The Dupreys are leaving this week for St. Petersburg, Fla. to visit Mr. Dupre's family. They (Continued on Page 10)

the Willowbrook Corner

by MRS. THOMAS MORRISON
PHONE GREENLEAF 4-2523

Introducing to our neighborhood this week: Marilyn and Richard Vykdyal of 23881 W. LeBost Dr. They are our second newlyweds in Willowbrook and were married in September. Richard works for Detroit Transmission division in Ypsilanti and his home town is Farmington. Marilyn's home town is Detroit. Richard attended Cornell university. Marilyn is a graduate of the school of nursing in Providence hospital, 1951. Her hobby is sewing and knitting. Richard likes all sports but prefers golf.

Paul and Constance Wickham, 41135 McMahon Circle, formerly of Syracuse, N.Y. Mrs. Wickham's home town is New York and her husband's is Bradford, Pa. Mr. Wickham's hobbies are golf and horse racing and Mrs. Wickham enjoys bridge. She is a graduate of Syracuse university school of nursing.

Carolyn and John Hanna of 41151 McMahon Circle were former residents of Detroit. They have three children, Marty 7, Peggy 4 and John 2 months. Mr. Hanna works for the Oldsmobile division of General Motors in Detroit. He attended Denison university in Grandville, O. and is a Delta Gamma. The Hannas like to play golf. John is a native Detroit and Carolyn is from Indiana.

Ann and Clifford Hawley, Jr. of 41103 McMahon Circle are formerly of Philadelphia, Pa. They have two children, Clifford III, 7 and Steven 4. Mr. Hawley's home town is Philadelphia and Mrs. Hawley is from North Carolina. Clifford works for Pre-

cision Grinding Wheel Co. in Detroit. Mr. Hawley was stationed at Barbours Point, Hawaii for two years while in the Navy Air Corps. He enjoys golf and they both like to play bridge and would be interested in joining a bridge club.

Claudine and James L. Lacy of 41071 McMahon Circle are former residents of Redford township. They have one son, Billy who is two years old. They both enjoy all sports. Their home town is Cookeville, Tenn. Mr. Lacy works for Curt Hall, Pontiac dealer in Farmington as sales manager.

Audrey and Glenn Cook of 41087 McMahon Circle, formerly of Flint. Mr. Cook is assistant director of industrial relations for Michigan Limestone in Detroit. They are both spectators of sports and enjoy all sports and music. Mr. Cook likes to participate in sports. He attended Ohio State university and his home town is Circleville, O. Mrs. Cook is from Rogers City.

Mr. and Mrs. Lewis S. Dien of W. LeBost are receiving congratulations on the birth of a daughter, Deborah Marie, born Feb. 28 at Mt. Carmel hospital. She weighed eight pounds. Mr. Dien wishes to thank his brother-in-law, members of Plymouth Rock Lodge for the blood donated to Mrs. Dien.

Mr. and Mrs. Leonard Berardi of Ten Mile Rd. celebrated their tenth wedding anniversary Mar. 2.

The Willowbrook board of directors met at the home of Bob Waugh last week.

Officers Installed By AmVet Auxiliary

Officers were installed at the last meeting of the Novi AMVET Auxiliary. Those installed were:

Laree Trickey, president; Dawn Bailey, 1st vice-president; Doris Callan, 2nd vice-president; Irene Wendland, secretary; Dorothy MacDermaid, treasurer; Betty Trickey, parliamentarian and public relations chairman; Arlene Rippey, chaplain, and Audrey Ortwine, sergeant-at-arms.

The next meeting will be held at the home of Arlene Rippey Tuesday, Mar. 13.

A PREVIEW of what the fashionably dressed younger set is expected to wear was staged in Willowbrook Village Feb. 23 when Joan and Audrey Swenson, daughters of Mr. and Mrs. Richard Swenson, took part in a neighborhood fashion show.

12% of Taxpayers Still Holding Tight

Approximately 12% of Novi township taxpayers are delinquent in their tax payments, Township Treasurer Charles Trickey, Jr. disclosed Monday.

Of the 278,507.91 total assessment, \$238,443.61 had been received at the date the report was prepared and \$40,064.30 was delinquent, Trickey reported.

All delinquent tax payments must now be made directly to the Oakland County Treasurer's office, he added.

The balance in the active general account was reported to be \$798.38. A total of 321 dog licenses were also reported sold in the township up to Mar. 1.

Mothers Club Wants "White Elephants"

Members of the Novi Mothers club are looking for "white elephants" to be used in the making of prizes for the annual Novi Fair in May.

"White elephants" are described by members as being "small pieces of material, odd pieces of yarn, old household items and anything you'd like to get rid of."

Those interested in making donations are asked to call GREENLEAF 4-5587 or GREENLEAF 4-2523.

Novi School Notes

8th Grade
The eighth grade young people had a roller skating party Friday night.

Steve Spisak was absent from the eighth grade classes all last week due to illness.

6th Grade
Wilford Ramsey, Roy Rice, Jack Boyd and Larry Snow have been neither absent nor tardy this year.

The sixth grade honor roll includes Jack Boyd, Philip Simonson, Freda Angel, Shirley Coleman, Shirley Campbell, Cheryl Murphy and Cathy Noble. All have had A's and B's for the marking period.

5th Grade
The fifth graders have been busy making harps and other things symbolic of St. Patrick's Day with Rita Crawford as the chairman.

They are also making maps showing Daniel Boone's expedition on the wilderness road. The best ones were those made by Kenny Hayes, Barbara Wallace, Diane McCollum, Jeff Crawford, Sharon White and JoAnn Miller. Got well cards were made and sent to Mr. Parks and Zeola Neely.

4th Grade
The fourth grade pupils are making movies about truck farmers. They are also writing stories of what they learned about

Novi Girl Scouts

BROWNIE TROOP 602 practiced an American folk dance for the Girl Scout birthday celebration. Treats were furnished by Dixie Daque. This troop could use the help of a piano player in their practice for the celebration. Leaders are Mrs. Lulu Whittington and Mrs. Marge MacGillivray.

BROWNIE TROOP 493 are practicing the Girl Scout laws for their part in the celebration. This troop is also collecting Christmas cards for use in the hospital. Leaders are Mrs. Bonnie Dye and Mrs. Lyle Gatrell.

INTERMEDIATE TROOP 491 opened by Lana Whistle in the absence of the president. Donna Lien brought treats. The girls are invited to a party Mar. 21 from 7-9 by the Senior Scouts. It was planned to have JoAnn Miller accept the pennies for the Juliette Lowe Friendship fund and for Karen Schneider to carry the pennies the night of the program.

INTERMEDIATE TROOP 492 worked on their costumes for the celebration and practiced in the Community Building. Treats were furnished by Brenda Coburn and Virginia Early.

SENIOR TROOP met at the home of Shirley Snow on Novi Rd. The girls celebrated Shirley's birthday with a small party. They made plans for the rest of March.

The NEW BROWNIE TROOP received 149 as their number and they now have 15 members. Mrs. Jeanne Clarke and Mrs. Vi Belinger are the leaders with a committee composed of Mrs. Erwin FGeppert, Mrs. Clara Wilkner, Mrs. Dorothy Paquette, Mrs. Wilma Marchetti and Mrs. Freda Baze. Last meeting they worked on their display for the Girl Scout birthday party and treats were furnished by Sharon Marchetti.

Kindergarten
Billy MacDermaid, David Rippey and Mary Lynn VanSickle have had perfect attendance so far this year.

1st and 2nd Grade
Many pupils in the first grade are out of school ill with the measles. Janice Paralone has left school and is now living in Dearborn.

Patty Dye brought treats for her room to help celebrate her 12th birthday.

Ronnie Ward and Nadine Snyder are on the sick list and Tim Krug is with his mother visiting in Florida.

2nd Grade
Those who were neither absent nor tardy this year are Allan Ross, Joan Bonham, Judith Neely, Roberta Willacker, Mary Key Smith, Robert LaFond and Samuel McQueen.

Johnny Cunningham is moving (Continued on Page 10)

Events of the Past in Northville

News Items Taken from the Files of the Record

ONE YEAR AGO—

Conrad Langfield has been appointed chairman of Michigan Week activities in Northville by Mayor Claude Ely.

James Rambeau and Kenneth Krezel of Northville high school were winners of the oratorical contest sponsored by the Lloyd H. Green Post of the American Legion.

Seventy-five neighbors of Mayor Claude Ely gave a testimonial block party for him Sunday.

New directors of the Rotary club are Cyril Frid, G. W. Niece, John Miller, Fred Anderson, J. J. Brummel and Douglas Lorenz.

FIVE YEARS AGO—

Ten handicapped cases in Northville have been aided by the Easter Seal funds.

Walter L. Couse of W. 7-Mile Rd., president of the Associated General Contractors of America, addressed the AGC convention in Boston, Mass. last week.

Samuel Pickard, founder of the Farmers Market, died Mar. 4 at Sessions hospital at the age of 73. He was born in Leeds, England.

The Northville Business and Professional Woman's club celebrated its third birthday this month.

TEN YEARS AGO—

Mr. and Mrs. Leo Hollis of First St. received a letter from their son, Pfc. Leo, Jr. one day last week and a wire from the War Dept. the next, telling them Leo had been slightly wounded on Luzon.

Frank Hills will soon reopen his real estate office in the Hills building on W. Main St.

Eugene Perrin, son of Mr. and Mrs. Elmer Perrin has been named editor of the official publications of Dow Chemical Co. at Midland.

Mr. and Mrs. Frank Robinson of Taft Rd. received a letter from their son, S/Sgt. Fred who is a prisoner of war in Germany. He told them not to worry about him, that he was alright.

TWENTY YEARS AGO—

Rehearsals have started for the senior play. Included in the cast are Tom McLoughlin, Evelyn Ambler, Thyrza Lester, Frances Alexander, Ralph Bogart, Jack Stuhenvoll, Ida Altman, Rita Springer, Dorothy Vroman, Jack Junod and Charles Strautz.

Seekers for seats on the village council are Orlow Owen, E. M. Bogart, Froyd G. Shafer and John W. Perkins.

Ray Labbutt, who has been advertising manager of the Record for the past year, has tendered his resignation to accept a position in Detroit.

FORTY YEARS AGO—

At the mass meeting held in the Alseum theatre Sunday in the interests of the dry cam-

paign, Mr. Filkins said, "A saloon is a saloon whether in a hotel or an alley" and added that he was against them any place.

Ed Sessions has rented his farm near Plymouth and will soon move to Northville. They expect to occupy the Claude Walter house on Grace Ave.

The marriage of Miss Clara Johnson to Frank D. Clark of Ypsilanti was solemnized at the home of the bride's parents, Dr. and Mrs. R. M. Johnson.

Newspaper Drive Slated March 10

Boy Scout Troop N-5 will complete their spring newspaper drive on Saturday, Mar. 10.

Scouts will canvass the village; however, to insure pickup of any quantity of paper call Northville 3068 or 3076.

The fine cooperation of city residents will help provide a big year of scouting for Troop N-5.

well get in the act and are hereby proclaiming the week of Mar. 8 through 14 as National Be Kind To Your Hometown Paper Week. Acts of kindness may include financial contributions in any amount ranging from \$1 to \$100. Remember, these contributions are NOT deductible from your income tax and will be used solely for the entertainment of your newspaper staff.
The mayor of an Alabama town had the best idea... he declared the week of Mar. 18 through 24 National Nothing Week.

We know that "30" means "the end" in journalism (and usually the end of women's birthdays), but what we want to know is how did Northville Rotarians forget their birthday? Russell Amernman reminded the group that they had one... their 30th... on Feb. 26.

Rain, rain go away, come again some other day. We thought that March brought winds that blow, but we haven't seen any girls' skirts blowing. We did find out though, that the skies could open up and really let go with a shower... like this week. So, if we get March showers do we get April flowers or more showers?

And while we're on the subject of weather and seasons, we

heard an "early spring" lover quote poetry the other day, he said:

"Spring means more than just a season!
Spring means magic in your blood!

Spring means joy beyond all reason!"

And a pessimist answered, 'Also Mud!'

Somebody mailed us this little gem of a riddle with no answer. Confidentially, we don't have time to think twice about anything on a Wednesday morning so after a quick once over we decided to pass it along to our readers. If no one calls up with the answer by Thursday noon we'll go over it again. There's nothing like a peaceful day-after-the-paper-comes-out to just sit around and figure out riddles.

In the meantime...
"A wealthy man in India died and left, among other things, 17 cows to be divided among his three sons. The first son was to get one-half of the cows; the second son to get one-third of the cows, and the third son, one-ninth of the cows. The cows had to be divided that way and could not be cut up. How did the administrator divide them?"

If we figure it out Thursday we'll put the answer in next week.

Voting Machine -

to Dr. Handorf for \$1,000 and considerations.

The considerations include building a sidewalk; placing a barrier before or after the foot bridge is removed; building a retaining wall at the end of the property, and paying for the title policy.

At the time that Dr. Handorf leased the S. Main St. property last summer the city was unable to sell it; however, after the council adopted an ordinance governing the purchase and sale of city property at the Monday meeting the property was eligible for sale.

Councilman Reed estimated that Dr. Handorf had invested approximately \$10,000 in the property to make it usable.

Michigan Week Committee.
Mayor Ely appointed Councilman Stubenvoll to the Northville committee for Michigan Week which will be celebrated May 20-26.

The remaining five members will be delegates from the following city clubs: Retail Merchants Assn., Business and Professional Women's club, Optimists, Rotary and Exchange.

Each club is expected to nominate a delegate this week and a chairman will be elected by the group.

Bids

Two bids were received for the paving of the alley behind Putnam St. The city engineer recommended that both bids be tabbed for further consideration until the Mar. 19 meeting. Bids were received from E. R. White, Berkley, \$3,663, and William J. Kloote, Jr., Grand Rapids, \$4,340.

JUDY

JOYCE

EVELYN

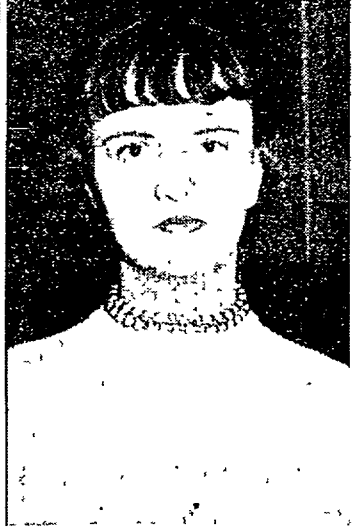

BECKY

PAT

FAYE

LILLIAN

JOYCE LEMMON, 17, senior, wants to attend a business school after graduation and then work awhile. "I'd like to get married when I'm about 21 or 22 years old," she said. "Three children" seemed to be Joyce's idea of an ideal family. "No, I don't want to live in Northville after I'm married," she said. "I'd like to move down south...maybe Florida. I don't like the winter weather up north."

JUDY HUFF, 17, senior, wants to work after graduation and get married when she's "about 20". "I want four, five or maybe six children," Judy said, "and I wouldn't mind living in Northville forever. If we couldn't live here I'd want to live in another small town."

EVELYN CLARK, 17, senior, is engaged now and is planning to be married in two years, when her fiancé is out of service. After graduation Evelyn will attend Burroughs Calculating school and work for awhile. "I'd like to have three children," Evelyn said, "and we're planning on living in Northville. We both like it here."

BECKY COOLMAN, 15, sophomore, wants to go to college and study either teaching or musical therapy. "I want to work awhile after that," Becky said, "and probably marry when I'm 23." "Two children," was the answer to the second question and an emphatic "No" answered our third question. "I don't know where I'll live after I'm married," Becky said, "but it won't be Northville."

PAT HIX, 17, senior, is planning to be married this year in May or June. "It would be nice

NHS Band Wins 1st Division Rating

The Northville high school band, under the direction of Leslie G. Lee, won a first division rating at the District Band Festival at Wayne university Sunday.

Fourteen bands were entered in the Class B division in the district which comprises Wayne, Macomb, Washtenaw, Oakland and Monroe counties. The bands are rated according to school enrollments.

The Northville band is now eligible to enter the State Festival which will be held in East Lansing Apr. 21. Only first division winners from all over Michigan may enter.

The winning musical numbers by the Northville band were a march, "San Lorenzo" and the overture, "Elsa's Procession to the Cathedral" by Wagner.

Makes Dean's List

Carol M. Kaiser, 47390 Main St., received academic honors for the semester Sept. 1955-Feb. 1956 at Mercy college.

Honors were given those students who had a 3.25 average or above. Carol is a member of the junior class.

The list of students was made available by Sister Mary Justine, Dean of Detroit's Mercy college.

to have three children," Pat said. Her fiancé is in service now and Pat said that they won't live in Northville. "We want to live in Michigan," she said, "but someplace up north."

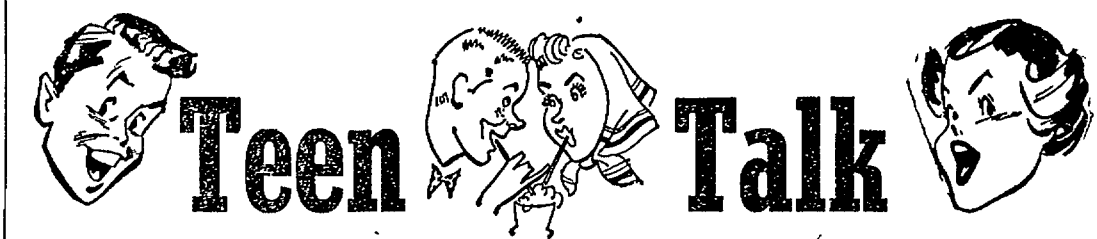

FAYE MCGEE, 17, senior, hopes to graduate from nursing school and work awhile before getting married. She wants four children and said, "I would like to live in Northville, it's a small friendly town."

LILLIAN ZINNECKER, 15, a sophomore, wants to get married after she graduates from college and has an opportunity to pursue a career, "about 24 or 25," Lillian said. She wants three or four children and would like to live in Northville, "if it remains as nice a community as it is now."

NEXT WEEK the boys give their ideas on this same subject.

—Photo by H. Hartley, Jr.

WINNERS in the recently sponsored Pep Club Orange and Black contest were, left to right: Don Earehart, Jay Ann Wittenberg and Sandy Moase. According to the judges these three students had the most original and unusual Black and Orange combinations. "It wasn't the clothes," said one judge, "it was the color combo!" The winners received free basketball tickets for their efforts.

Over one and one-half million couples were married in the U.S. last year according to a recent marriage survey.

The average age for marriage, according to the reports, is 23 years for girls and 26 years for boys; the average couple has 2.2 children; and only 65 percent of married couples have made their residence in their "old home town".

We wondered how these averages stacked up with local teenagers so we asked them the following questions:

At what age would you like to get married?

How large a family do you want?

Would you like to make Northville your permanent home after marriage?

Sr. Boy Wins Trip To Wash.

Jerry Dresselhouse, 17, NHS senior, has won a four day all-expense trip to Washington, D.C. in a salesmanship contest sponsored by the Detroit Free Press.

Jerry proved his salesmanship by increasing his 169 customer carrier route to 196 during the contest. Jerry bought his route in August 1955.

The four day holiday will begin tonight, Mar. 8 when Jerry and other Free Press winners in the Detroit area board a D & C train for Washington.

The boys will be guests at the Willard hotel. Several tours of the city are planned and among the sights that the boys will see are the following places: Supreme Court, Senate and House Chambers, White House, Justice Dept., Lincoln Memorial, Jefferson Memorial, Ford Theatre, Tomb of the Unknown Soldier, Mt. Vernon and the Pentagon.

The group will return to Detroit Sunday morning.

Jerry is saving his route money toward his college education. He hopes to attend Lawrence Tech and major in civil engineering. He is the son of Mr. and Mrs. Herman Dresselhouse, 19730 Marilyn.

IN CITY TRAFFIC where tensions usually mount, Chrysler's cat-like flexibility brings a wonderful sense of calm. And those admiring glances confirm your judgment that this is America's biggest fine car buy.

THEY'LL THINK YOU PAID \$1,000 MORE
when you drive the year-ahead car!

The only cars with which you can compare a Chrysler Windsor V-8 are the other luxury cars... because that's what the Chrysler Windsor V-8 is. But you can own this car for the cost of a medium-priced car! And at this price, it simply defies comparison.

Take the way it handles in city traffic. Something quite wonderful happens. Instead of feeling tense, you're utterly relaxed—thanks to Chrysler's full-time Power Steering System and a host of other brand new Chrysler exclusives. You're handling a big, powerful car that

responds like a mind reader. It does the work for you. Your Chrysler is beautifully balanced between the forward thrust of its mighty airplane-type engine and the most powerful brakes in the industry. This car flows! Yet, if you can afford any car in the medium-priced field, you can afford to step up to a Chrysler Windsor V-8. Compare its year ahead new-car features with the other leading cars in its price class. We think you'll agree that it looks and acts like a car that costs \$1,000 more than it does!

"PowerStyle" CHRYSLER

Natural GAS

YOUR SILENT SERVANT

Your Natural Gas Comes A Long Way

The natural gas you get at the turn of a valve has traveled hundreds of miles. Laying pipelines to carry it to you presents many engineering problems.

Rivers are only one of the hazards which must be overcome on the pipeline's cross country journey. Since gas is lighter than air, 30 pounds of ballast are used for each foot of 30-inch pipe in a water crossing.

Corrosion is another headache engineers have minimized by coating and wrapping the pipe before it goes into the ground.

Millions of dollars in equipment join with labor and know-how to keep natural gas flowing to your home or place of business. Natural gas is your dependable low-cost servant.

Only GAS does so much, so well... the modern fuel for automatic cooking... refrigeration... water-heating... house-heating... air conditioning... clothes-drying... incineration.

Pastor's Study...

(Continued)

Christ. These receive the spirit of adoption whereby they cry, Abba Father. Jesus made this distinction very clear in his answer to his own family, "For whosoever shall do the will of God, the same is my brother, and my sister, and mother." Men are not by nature the sons of God, in the same sense that Believers in Christ are so designated. The Universal Brotherhood means brethren that are united by faith in Christ. The same is true of the Universal Fatherhood of God. There are peculiar blessings for those who are members of "The Body of Christ": Fatherly care and the object of his peculiar love, fellowship of kindred minds and an assured inheritance. This is the greatest fraternity in the world—supra-national, supra-racial, supra-class and supernatural.

Thirdly, God is exclusively the Father of all men. In the sense of creaturehood and dependence, man in any condition is a son of God (Acts 17:28). Although, man in his sin cannot possess the filial consciousness or know God as Father; but God, in His attitude to man, is always and essentially Father. In his state of sinfulness, man is a potential son of God. The process and power of his awakening to true sonship issues from the fatherly love of God, who sent His Son and gave the Spirit. He is "the Father" absolutely, "one God and Father of all," who is over all, and through all, and in all. Let us walk worthy as true sons of the Father and seek to be perfect even as He is perfect.

seven years later was promoted to bench foreman. Transferring to the Plymouth Division in 1946, he was appointed assistant foreman (nights) in the quality control and inspection department. During the spring of 1953, Alger was made foreman of all night quality control operations. Prior to his new promotion, he was foreman of the receiving, inspection and salvage department.

J. Krezel Finishes Hydraulics Course

John Krezel of Krezel Pump Service, Northville, has returned from Salem, O. where he was one of 35 pump dealers attending the Deming School of Practical Hydraulics.

The school was conducted at the factory offices of the Deming Co., manufacturer of commercial and industrial pumps. Krezel sells, installs and services Deming pumps and water systems in this area.

Deming schools in Practical Hydraulics were developed to train dealers in the efficient selection, installation and service of pumps.

In the modern classroom at the Deming factory, dealers work with actual problems and pumps

in operation. Classes include sessions on theory, proper pump selection and installation and new products. Dealers, at the school use the facilities of the Deming engineering staff when required. More than 1500 dealers have attended the school.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that a special election of the qualified electors of said School District will be held in the Northville City Hall in said District on the 20th day of March, 1956, for the purpose of submitting the following proposition:

Shall the limitation on the total amount of taxes which may be assessed against all property in the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided by Section 21, Article X of the Constitution of the State of Michigan by ten (10) mills (\$10.00 per \$1,000.00) of the equalized valuation of all property in the School District for a period of ten (10) years from 1956 to 1965, both inclusive, for general operation purposes?

Each person voting on the above proposition must be a citizen of the United States, over twenty-one (21) years of age and a resident of the State for six (6) months and of the School District for thirty (30) days prior to the date of election.

I, Harold E. Stoll, County Treasurer of Wayne County, Michigan, do hereby certify that, as of February 20, 1956, the total voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT OF WAYNE, OAKLAND AND WASHTENAW COUNTIES

Portion located in Northville Township, Wayne County, Michigan

LOCAL UNIT	DATE OF ELECTION	VOTED INCREASE	YEARS INCREASE EFFECTIVE
County of Wayne	Apr. 4, 1955	.75 mill	1955 to 1969 inclusive
Northville Public Schools	July 20, 1949	10. mills	1949 to 1964 inclusive
School District of Wayne, Oakland and Washtenaw Counties	Jan. 19, 1954	5.5 mills	1954 to 1973 inclusive

TOTAL INCREASES IN EFFECT

Years: 1956 to 1964, inc.	1965 to 1969, inc.	1970 to 1973, inc.
Mills: 16.25 each year	6.25 each year	5.5 each year

Signed / Harold E. Stoll (L.B.)
HAROLD E. STOLL
Wayne County Treasurer

Date: February 20, 1956

I, Charles A. Sparks, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of February 20, 1956, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 21 of Article X of the Michigan Constitution, affecting taxable property in the Northville Public School District, Wayne, Oakland and Washtenaw Counties, Michigan, in said County as follows:

LOCAL UNIT	VOTED INCREASES	YEARS INCREASE EFFECTIVE
Northville Public School District, Wayne, Oakland and Washtenaw Counties, Michigan	10.00 5.50	1949 to 1964, incl. 1954 to 1973, incl.

Signed / Lloyd M. Sibley, Deputy
CHARLES A. SPARKS,
TREASURER OF OAKLAND COUNTY

I, the undersigned, County Treasurer of the County of Washtenaw, State of Michigan, do hereby certify that according to the records in my office, as of February 20, 1956, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 21 of Article X of the Michigan Constitution, affecting taxable property in the Northville Public Schools known as School District 2nd Northville in said County, is as follows:

LOCAL UNIT	VOTED INCREASE	YEARS INCREASE
#2nd Northville School District	10.0 mills	1949-1964 incl.
#2nd Northville School District	5.5 mills	1954-1973 incl.
Salem Township, Washtenaw County	0.0 mills	
County of Washtenaw	1.25 mills	1953-1972 incl.

Signed / W. F. Verner
W. F. VERNER
Treasurer of Washtenaw County, Michigan

Dated: February 20, 1956

The polls will open at 7:00 o'clock a.m. and close at 8:00 o'clock p.m., Eastern Standard Time.

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

E. Jane Wagenschutz, Secretary
Board of Education

Capacity Crowd Watches

Mustangs Upset Milford 70-64

Three Players Ousted For Fouls; Pethers Leads With 28 Points

By Bob Montgomery

Friday night saw the Mustangs of Northville upset the quintet from Milford in a fine display of basketball. The game was watched by an over-capacity crowd with spectators standing at each end of the court and in the doorways. Fans were even being refused admittance because there was no standing room. (I should know, I watched the first half from the main corridor).

This was the tenth match all the way through...each club wanted a victory. Milford had to win to maintain their unbeaten season and Northville wanted to break the streak.

The game was close as the half found Milford leading by only three points, a small margin if the type of play to follow could be based on the first half.

When the third period ended the scoreboard read 51-51 and this tie was the mark that began to tell on Milford.

Northville had no easy time of it throughout the last quarter, but it was quite apparent that they had no intention of letting this game slip through their fingers.

Pethers of the Mustangs came through with his matchless one-hand shots that kept Northville in the lead.

Bell and Yahne were ejected from the game, but the tide was evened as Baker of Milford was also counted out on fouls.

Northville fans became excited as the close of the game approached with only a slight margin of victory in sight, but enough if the Mustangs could control the ball and make good their shots.

As the time was running out, the ball was snatched back and forth by each team. Neither team was in any position to tally as the tenseness grew and the possibility of victory for Northville was in sight.

Shortly before the horn sounded, the crowd cheered with delight and the Mustangs jubilantly left the floor with their 70-64 upset and the end to a very successful season.

Score by Quarters:
Northville 70 17 15 19 19
Milford 64 15 20 16 13
Points by Players:
Northville
Teshka 18
Patterson 11
Pethers 28
Bell 8

Nieuwkoop 3
Yahne 2
Milford
Davidson 30
Priestley 11
Green 9
Baker 10
McFarlang 2

DEMONSTRATING one of his famous one-hand bucket shots is Northville's 6' 5" center, Cap Pethers.

NORTHVILLE grows 'em bigger and bouncier, at least that's what Milford found out last Friday when they went down to defeat on Northville home ground. The Mustangs Patterson (27) and Teshka (32) didn't let the Milford player get away with a thing.

State Basketball Tourney Starts Fri. In Walled Lake

The Northville basketball team will play the Walled Lake team in the district tournament this Friday at Walled Lake, 8:30 p.m. Prior to the Northville game, Brighton will play Milford at 7.

According to Northville Coach Stanley Johnston, the winners of the two Friday night games will play for the district championship, Class B, Saturday, Mar. 10 at 7:30 p.m. That game will also take place in Walled Lake, the district center.

"Every basketball team in the state is eligible to play in the state tournament regardless of their league standing," Johnston said.

Four teams are assigned to a district. Northville drew Walled Lake at a meeting of the school coaches last Tuesday in Walled Lake.

7th-8th Grade Teams Roll Up Highest Scores Of Season

By Philip Jerome

The Northville seventh and eighth grade basketball teams swept both ends of a double header from Whitmore Lake last Friday afternoon in the old gym. The seventh graders picked up 34 points in their game while holding the visitors to 11. The eighth graders really went to town running up a 75-20 score.

The two wins were needed to get an even break for the week as both local teams had gone down to defeat in games played earlier.

The seventh graders lost to Our Lady of Good Counsel school of Plymouth 24 to 14 Tuesday. The eighth graders lost the only road game of the week Wednesday to Hoston, 25-23.

The Northville seventh grade team took an early lead in the game with Whitmore Lake and never lost the advantage. The score was 8-4 at the end of the first quarter. Northville added eight to lead 16-8 at halftime. Northville kept up the scoring pace in the second half. They went into the last quarter leading 26-6. Whitmore Lake added five to make their total of 11 while Northville picked up 8 to make 34.

Richard Willing led Northville with eight points. Karl Karg and Steve Willis followed with six each. Fred Steeper and George Kuchinskus each got four. David Hay, John Archer and Kent Frid got two apiece.

Eighth Grade
The eighth grade team hit for 26 points in the first quarter of their game with Whitmore Lake to clinch the contest. Northville led 38-9 at half time.

Coach Madigan put his first string in for the first time in the third quarter. They came up with 22 points in the quarter to give

the local team a 56-14 lead. Northville picked up the remaining 14 points in the last quarter to give it the 74 point lead. The final total was the highest of the season.

Twelve players got into the game and all scored for Northville. Wade Deal led the way with 14 points. Woody Aenckbacker hit for 10. Atchinson got 8. Eastland and Connelly each got 6. Nash, Hix, Juday, Stuber, Patterson and Nitzel each picked up 4. Gotro got 2. All points were scored from the field. Northville did not get a single point from the free throw line.

Tuesday Game
Hoston squeezed out a 25-23 victory over the eighth grade team as Northville ran out of steam in the last quarter Tuesday.

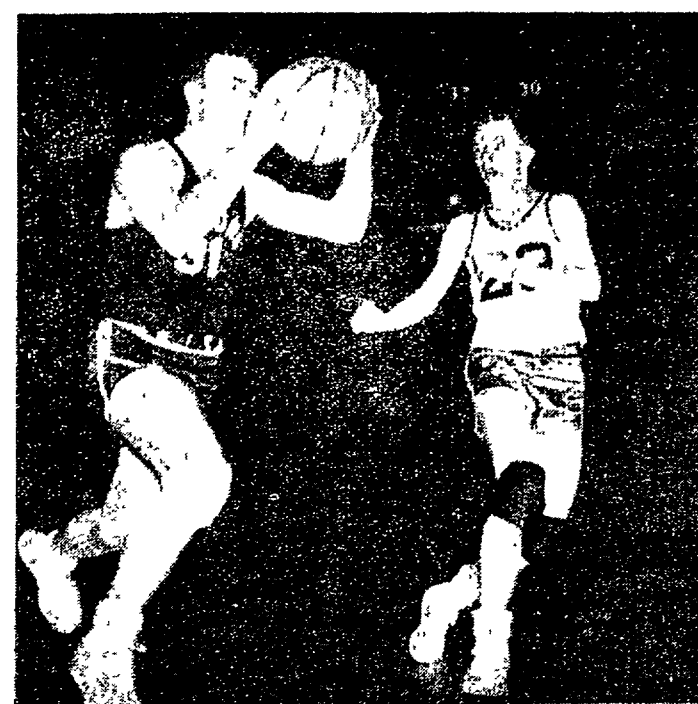

Northville trailed by a single point as the teams went into the final quarter. Baskets by Gotro and Atchinson had enabled Northville to pull up from a 19-12 halftime deficit.

The only points Northville could get were made by Deal on three tosses from the free throw line. Hoston got a basket and a pair of points from the free throw line to win.

Atchinson hit for 8 points to lead the local scorers. Gotro tallied 6. Deal got 5 and Patterson scored 4.

The seventh grade team also

HEADING off a Milford runner is the Mustangs Roger Nieuwkoop. The Northville players were really on the ball last Friday and whipped the Milford team 70-64.

bogged down in the last quarter as they lost to Our Lady of Good Counsel 24-14. Northville failed to score a single point in the closing quarter while the visitors got eight. The Plymouth team held a 12-7 advantage at the half. Northville trailed 16-14 at the end of the third quarter.

Kent Frid topped the scores with 6 points. Hix made 5, Stuber 2 and Aenckbacker 1 to complete the scoring for Northville.

Ford Wins at Stock Car Racing "Olympics"

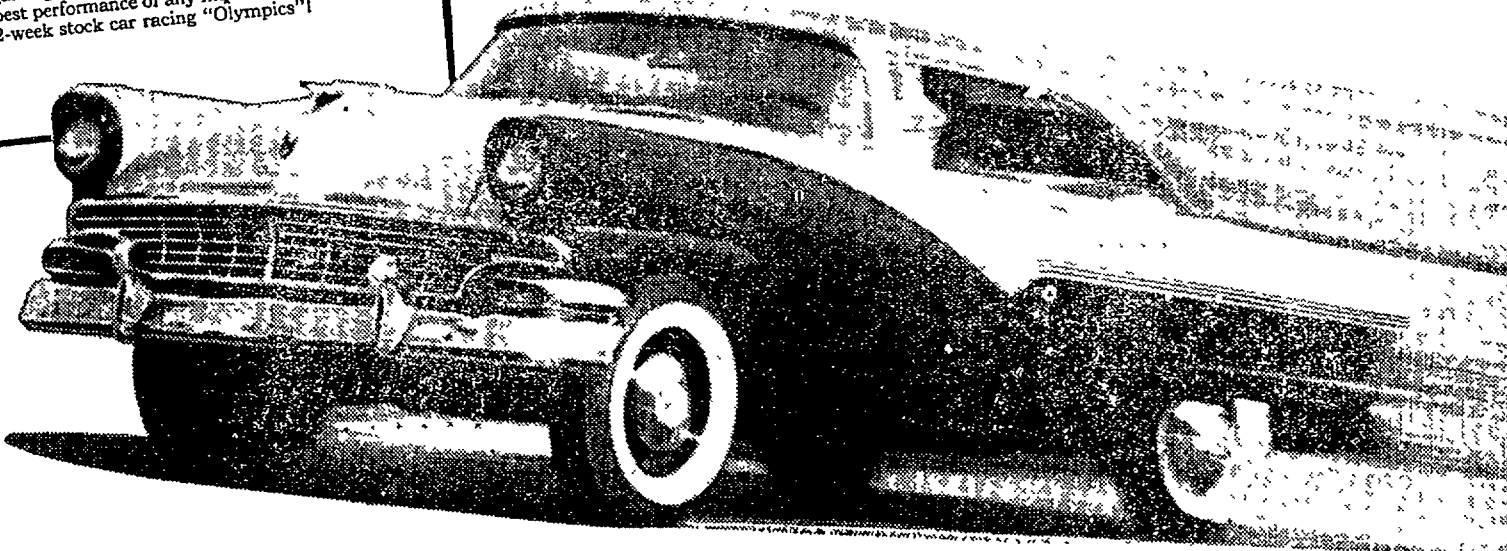

HERE'S FORD'S RECORD AT NASCAR'S DAYTONA BEACH NATIONAL SPEED WEEKS

FIRST in Sports Car Acceleration
A Ford Thunderbird set a new record for American production sports cars, sprinting a measured mile from a standing start in only 40.5 seconds—reaching a top speed of nearly 150 mph!

FIRST in top speed—class 4
A Ford "Six" took top honors in the Flying Mile for Class 4 American production passenger cars!

FIRST in 160-mile Convertible race
Ford V-8's took 1st and 2nd place in the National Convertible Championship Race. Ford not only won over all cars entered, but it also topped the all-time record for the Grand National Championship Race.

FIRST in over-all performance
Ford won the Pure Oil Manufacturer's Award by gaining the greatest number of points for the best performance of any make of car in this great 2-week stock car racing "Olympics"!

The Ford V-8 again showed its taillight to all competitors in the "Olympics" of stock car racing at Daytona Beach, Florida.

In blazing across the finish line Ford demonstrated once more the sizzling performance that keeps it the largest-selling V-8 in the world. No other car in the field could match Ford for getaway "git" . . . for straightaway acceleration . . . for all-around roadability. To see exactly how the other cars trailed behind Ford, see the chart at the top of this page.

One of the secrets of Ford's performance is the tremendous torque (wheel turning power) developed by Ford engines. For example, Ford's new

225-h.p. Thunderbird Special V-8 engine develops more torque than any other engine in the low-price field. This means quicker response, smoother running in the kind of driving you do. Just a gentle nudge of Ford's accelerator and *whoosh!* You pass in instants when instants count!

Ford now offers this mighty 225-h.p. engine with any Ford Fairlane or Station Wagon model with Fordomatic. What's more, these engines are coming off the assembly lines right now! So why wait? Come in today for a Test Drive. Find out for yourself about Ford's exciting performance. Find out why Ford is the V-8 with the world's biggest following!

Visiting Teacher Serves Community

Mrs. Moore Assists Parents, Children, School Personnel

140 V.T.'s in Mich.; School Systems Want To Hire More, But Demand Exceeds Supply

Many Northville residents are not aware of the many special services offered by the Northville school system. One in particular, the visiting teacher, is not often brought to the attention of the public due perhaps, to the intensity of her work, and the time element.

The visiting teacher for the Northville school system is Mrs. Alta F. Moore, from Wayne County Board of Education. She is one of 140 visiting teachers in Michigan and serves in the Melvindale, Dearborn Township, Nankin Township, Livonia, Northville area schools.

The purpose of her work is manifold, but her main job is to help those children who are having difficulties in adjusting to school situations before the problem becomes of a serious nature, thus carrying on a preventive type of program and working with parents, teacher and child.

Not everyone has the opportunity to become acquainted with Mrs. Moore, but those who do, have the pleasure of knowing a charming woman who possesses capabilities and drive far beyond those of the average woman. By her own words she admits that she enjoys her work, and her words are proven by her deeds.

Gives Time Freely

Mrs. Moore gives her time freely to PTA groups and parent-study groups; she projects mental hygiene films at various gatherings and speaks at church meetings, service clubs and many other organizations which invite her to broaden their scope in the mental health program.

Many of her leisure hours are spent in consultations with parents who phone her in the evening. Technically, Mrs. Moore's job is finished for the day when school is dismissed, but she usually seems able to find time to help an anxious parent whenever she is needed.

Qualifications
What qualifications does Mrs. Moore have? She received her BS degree from Wayne university and her MS degree from the University of Michigan. She has served in the field of education in the capacity of classroom teacher, principal and supervisor of instruction, also selected to assist organize a school program for American children in Germany. She has been a delegate to the National Education Assn.

REGULAR CONFERENCES with school administrators is one part of Mrs. Alta Moore's tremendous job. In the photograph above, she is shown conferring with Amerman School Principal Richard W. Kay.

and the Michigan Education Assn., serving on various committees locally and nationally. She is also a member of Delta Kappa Gamma, a national honorary sorority for women educators, and at the present time is program chairman.

Everyone Works Together

Children are brought to the attention of Mrs. Moore by their classroom teacher, through the

administrator and also by request of parents. When a child begins experiencing problems from the normal, (such as having difficulty in reading, which may be a result of emotional problems; or difficulty in getting along with others) the visiting teacher is asked for advice. The school arranges a conference for the parents with Mrs. Moore. There are too many causative

factors for children's anxieties to list. Many times the type of behavior that is being manifested in terms of the child's development is normal but disturbs the adult and is often labeled misbehavior. Frequently adult standards are thrust upon young shoulders long before they have acquired enough experience and understanding to assume responsibilities. Children are com-

pared with brothers and sisters, cousins, and neighborhood children in terms of intellectual achievement and acquisition of skills and social graces to their great disadvantage.

Individual conferences with parents and teachers by the visiting teacher help them to understand why children behaved as they did and how the reaction of adults to this behavior either aggravated or alleviated the situation. Adults vary in the degree of strength which they have in handling children's problems. The more strength and acceptance they have, the easier it is for the visiting teacher to help them. This sometimes involves a long period of time and frequent interviews.

Need for V.T. Great

Because of the volume of cases, only a few could be handled on an intensive basis. It seemed necessary to extend the visiting teacher service to greater numbers so that the simpler problems could be eliminated before they reached a crisis.

The schools would like to hire additional visiting teachers, but there is a shortage of qualified people. Mrs. Moore must allocate her time between five systems. The Northville school system is allotted of her time, only one day every two weeks.

The establishment of study groups for parents and teachers under trained leadership so they could discuss behavior problems of children promised to strengthen the overall mental health program in the school and community. It seemed to be the answer to help parents and teachers to

realize that others are struggling with similar problems and it was believed that such a group would bring home and school closer together in their joint task of developing better citizens.

The idea was presented to the Wayne County Board of Education. The Board accepted it wholeheartedly and offered to defray some of the expenses. The help of school administrators and teachers was necessary and the Northville group enthusiastically supported the Pilot Study Groups which started in Northville in the school year 1954-55, with the leadership of Mrs. G. Pantan of the Merrill-Palmer school.

A pioneer of the Northville Pilot-Study group, consultant and advisor to the school system and parents, friend of the children, Mrs. Moore is always ready to be of assistance to children, parents and school personnel, if the need arises.
