

AMERMAN GIVES REASONS FOR TAX INCREASE

BROWNIE TROOP 3 grouped around the birthday cake at Amerman school Monday and sang "Happy Birthday to us". Fourteen troops of Northville girl scouts and brownies, and their leaders, joined in to celebrate the 44th birthday of scouting in the U.S.

Increase Av. 23c Per Week

P-TA Urges "Yes" Vote In School Election

What does the school levy mean to the taxpayer?

The P-TA publicity committee on millage said this week that the school levy can mean "the difference between an adequate education for your children or a lower than average education under less than desirable conditions."

The release to the Record further stated that, "the local schools must have the 10 mill appropriation in order to maintain at the least the present level of education."

Prices Up
"School operation costs have risen; our enrollment has risen. In order to meet these costs and have good schools, we must provide the necessary money for the

operation of our schools.

"The income from the millage is necessary to allow our local schools to provide salaries that will help to get and keep qualified teachers; to purchase necessary instructional supplies and to maintain and service the school buildings and equipment."

Education...Citizens' Duty
"The different between good schools and inadequate schools is very small in dollars and cents to the individual taxpayer."

"Education is one of the cheapest items in the taxpayers budget. Education is the most important factor in the preservation of our American democracy."

"It is the duty of every citizen to see that our future citizens have the necessary education to

become useful, thinking citizens.

"Good education is cheap. Sub-standard education can be extremely expensive when the final results are considered."

"The difference in cost to the average taxpayer to help provide an education for our children to meet today's demands is only \$12 increase averages 23c per week per year or 23 cents per week,

which amounts to one package of cigarettes per week.

"The taxpayers of the Northville school district cannot afford to let a matter of 23 cents per week stand in the way of an adequate education for the children of our community."

"A favorable vote Mar. 20 is a vote for the welfare of our children."

City To Cut Taxes \$10,000; Triple Improvement Spending

Northville taxpayers will pay approximately \$10,000 less taxes to operate the city during the coming 16 months than they paid for the 12 months ended Feb. 29 but the city will spend more than three times as much for public improvements as during the past year, according to Councilman John F. Stubenvoll.

The lower tax levy and higher expenditures for public improvements will reflect the receipt of approximately \$105,000 of revenue from racing last year, Stubenvoll said.

The city tax rate for the coming year is tentatively set at 19.5 mills (\$19.50 per \$1,000 of assessed valuation) compared with 14.7 mills for the year just ended. The higher rate will be more than offset by an across-the-board reduction in assessed valuation of real property to 55% of the figure for last year, which figures out as a 27% reduction in real estate taxes.

Personal property assessments will be based upon values reported by taxpayers and are not subject to the reduction that applies to real estate.

Assessor E. M. Bogart pointed out that "the general reduction in real estate assessments is to bring them in line with comparable assessments in Northville and Novi townships for the purpose of levying school and county taxes. The village was prohibited from levying more than 15 mills in taxes and to raise enough money to cover village expenses its assessed valuations had to be higher. School, county and township taxes were levied last year on considerably lower township valuations of property inside the village. The City of Northville, however, must levy its own school and county taxes and property owners would be severely penalized if the previous high property valuations were used. The city's need for operating revenues on the lower valuation will be handled by the proposed 19.5 mill tax rate,

Curriculum Study Group Organizing

A group of interested citizens met in the high school home economics room Thursday, Mar. 8 to organize a curriculum study committee.

The 26 persons in attendance heard Supt. of Schools R. H. Amerman present a recommendation which had previously been presented to the board of education Mar. 5.

The report carried recommendations relative to a complete study of the whole curriculum, grades kindergarten through 12th grade and included the areas of adult education and junior or community college.

Following the report, volunteers were selected to form a nucleus of the Curriculum Committee of Northville. The following temporary officers were elected: James Schiefer, chairman; Mrs. R. R. Yoder, secretary, and Mrs. L. Hahn, publicity. Other members are Dr. Robert Yoder, Mr. and Mrs. Kenneth Conley, Robert Hart, Francis Gazlay, Mr. Sproule, Mrs. Hinchey.

OLD AND NEW PAY SCALES				
Below are shown the present teachers' pay scale and the tentative pay scale which will go into effect if the voters approve the proposed 10 mill tax levy at next Tuesday's election.

City Warned

Provide Parking Space Or Lose Business

Northville business men were told this week that the Northville-Nowi area will grow tremendously within the next few years. Simultaneously they were warned that if adequate parking space is not provided to make shopping easy and convenient, the city may lose out to new shopping centers which provide such parking accommodations.

The prediction and warning came from R. H. Wilson of the Detroit real estate firm, Turner & Wilson, who was guest speaker at the monthly meeting of the Northville Meeting Merchants Ass'n. Wilson is an authority on real estate development trends and problems. He had previously spent some time, inspecting the Northville business district and parking areas with a small group of local merchants.

City Officials Guests
Guests at the meeting were Mayor Claude N. Ely, Councilmen John F. Stubenvoll and A. Malcolm Allen, Planning Commission Chairman George Zerbel and Lynn Sullivan, also of the Planning Commission. Wilson pointed out that parking (Continued on Page 8)

Absent Voters

Voters in the Northville school district who plan to be out of town on election day, Mar. 20, can apply for an absentee ballot at the office of School Superintendent R. H. Amerman or see Mrs. Harry Wagenschutz any day from now until the deadline, 2 p.m., Saturday, Mar. 17.

\$1,754 Goal

Easter Seal Campaign Starts

Blue and red Easter Seals — crippled children's colorful messengers for the 1956 drive went out to 3,250 Northville residents last week for funds to aid 18 crippled children and adults, in the area who need services rendered by the Wayne Out-County Chapter, Michigan Society for Crippled Children and Adults.

The penny Easter Seal, designated with a lily symbolizing the Spirit of Hope which is associated with Easter, is making its 23rd appeal to citizens and their contributions mean H-E-L-P for these unfortunate individuals.

County Goal
T. F. Kuckelman, campaign chairman for the Out-County drive said the campaign officially opened Mar. 10 and will continue through Apr. 10 with a goal of \$40,000 to be raised for some 2000 handicaps living in the area.

"This annual appeal provides an opportunity for the residents of Northville to contribute financial assistance which brings care, treatment and rehabilitation to these unfortunate people," said Kuckelman.

Lily Sale
R. P. Stone is heading the local campaign which is conducted annually by members of Northville Rotary. Mr. Stone reports that Mrs. Betty Willing will hold a lily sale in the shopping area Mar. 24 to help boost funds for the 1956 drive which has a goal of \$1754 to be raised during this month-long appeal.

A total of 735 crippled children

and adults received transportation to clinics, hospitals, brace shops, day camp and recreational programs in 1955.

Sixty-two crippled children attended the Easter Seal day camp last summer. Thirty-five Happy Friendship club members, a teen age group, sponsored by the chapter attended 12 planned recreational activities the past year and 25 severely homebound handicapped adults were taken to four out-of-the-home planned outings.

All funds donated to this drive help support these services and many other so necessary in helping the handicapped adjust to useful lives.

Governor G. Mennen Williams (Continued on Page 8)

Random Notes

From "file 13"

One irate citizen stormed into the office this week to relate an incident that he believed demanded the immediate attention of the press and city planners.

"Do you see this envelope," he said, waving a long white envelope, "in here is my check to pay a very important insurance premium. Do you know what I almost did? I almost mailed it in the trash can across the street."

"The trash cans are all painted the same color as the mail boxes," he continued, "there should be some difference."

Attention city council: at least one citizen would like for you to have the trash cans repainted. No color specified, just as long as it isn't post-office-box-green.

After all, in this day of rush rush, you can't expect people to stop and read "trash" or "mail box"... it takes too long.

Thanks to F. W. Hamill, W. E. MacFarland, Gil Glasson and someone who signed himself "subscriber", we have the answer to the 17 cows mystery puzzle from last week.

The administrator borrowed one cow from a neighbor making a total of 18 cows. The first son received half which is nine; the second son received a third which is six, and the third son received a ninth which is two. Nine plus 6 plus 2 equals 17, and the neighbor's cow was returned. As "subscriber" says, "The solution of the riddle is, the fa-

ther is attempting to use a formula to make 2 and 2 add up to 5, a mathematical impossibility. But he tried. Boss Kettering says, "There are a lot of smart young fellows around who never went to college" and the impossible has been done."

"Subscriber" also included one article which he dedicates to the P-TA. Taken from the Detroit News it says: "Middletown, O.: If a test given today at Taft Elementary School here is any indication, it's getting tougher all the time to complete the second grade."

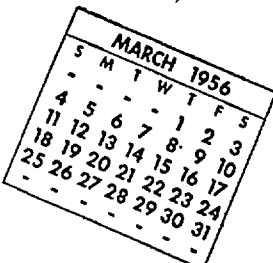

"Even dads and grads would have a tough time coming up with the answer to this question, included in a quiz yesterday:

"John bought a pencil for 2 cents. He bought an apple for 3 cents. How much did Sam spend?"

Monday afternoon, a few of the winners posed for pictures: Front row, left to right: Glenn Schultz, 1st for Martin house; Jeff Goodrich, 1st for Bluebird house; Terry Kingsley, a kindergarten student at Amerman school, was the youngest entrant and received a 4th prize; Thomas Weidner, 1st for a feeder. Back row, left to right, Dennis Ferguson, two second prizes, one for a Wren house and one for a Bluebird house; Don Boyer, 1st for Wren house, and Stan icks, 2nd for a feeder.

The Youth Fellowship group of Novi Methodist church will sponsor a dance in the Community Bldg

Save "White Elephants"

P-T-A Makes Carnival Plans

Plans are in the making for the annual P-T-A Community Carnival, scheduled for Friday, May 4.

The general chairman for the affair is Mrs. C. M. Hammond, Mrs. E. C. Cavey, Jr. is the secretary and Richard Ambler is the treasurer. Chairmen for various activities are to be appointed and will be announced in a later edition.

There will be an organization meeting of all activity chairmen Monday, Mar. 26, 8 p.m. at the home of Mrs. Hammond on Tim-

berlane Rd. Any persons interested in volunteering time to the project or suggestions are invited to attend the meeting.

The chairman of the White Elephant Sale, Mrs. John Begle, is asking Northville families to save "White Elephants". Children will be asked to bring them to school in a few weeks.

"White elephants," according to Mrs. Begle, are books, games, jewelry, furniture, clothing and toys for which the owner has no use, but which someone else might desire.

Announcement Of 23 Bird House Winners Climaxes Interesting Garden Club Meet

A spring-like atmosphere prevailed at the March meeting of the Northville Branch of the Woman's National Farm and Garden Assn. which was held at the Community Bldg. Monday.

The tea table was centered with a colorful replica of a bird house and spring blossoms which were made by the girl scout troop sponsored by the club.

Following the luncheon, Russell Reimer, biology teacher in Northville high school, spoke to the group of his experience last summer at the Conservation camp at Higgins lake which he attended on a teacher's scholarship sponsored by the local Garden club.

Elroy Ellison introduced William Hopkins, chief park naturalist for the Huron-Clinton Metropolitan Authority. Mr. Hopkins showed a color film of the nature trails of Kensington and Metropolitan parks and explained the way wild life is preserved and encouraged at these two parks.

The Tern and Blue Winged Teal were shown nesting at Metropolitan park while a flock of 800 Canadian geese, a large herd of deer as well as other animals and native flowers, were shown from Kensington park.

The meeting adjourned to the lobby of the building to view the bird house display.

The Garden Assn. announced the following winners in the Bird House contest:

Feeder: 1st, John Weidner; 2nd, Stan Hicks; 3rd, Doug Tegge; 4th, Ken Smith.

Wren House: 1st, Don Boyer; 2nd, Dennis Ferguson; 3rd, Richard Bondy; 4th, Clifford Stoll.

Blue Bird House: 1st, Jeff Goodrich; 2nd, Dennis Ferguson; 3rd, Doug Whitford; 4th, Bill Chizmar.

Martin House: 1st, Glenn Schultz.

Twenty-four entries were received from the grade school and the youngest entrant was five-year old Terry Kingsley.

Cub Entries
Wren House: 2nd, Chris Gazlay, Den 8; 3rd, Ralph Hay, Den

GARDEN CLUB bird chairman Mrs. W. J. Jodway and W. R. Renard, industrial arts teacher, admire a few of the many bird houses which were entered in the contest. Judges for the event were Ed Mollema and LaGene Quay.

11; 3rd, Robert Turnbull, Den 5.

Martin House: 1st, Frank Hykal, Den 3.

Feeder: 2nd, John Samuel, Den 11.

Blue Bird House: 3rd, Chris Gazlay, Den 8.

Honorable Mention: John Gibson, Den 1; Robert Sproule, Den 1; Eric Peterson, Den 6; John Weidner, Den 7.

In addition to receiving awards of blue, red or white ribbons, winners received cash prizes: \$4 for first; \$3 for second; \$2 for third, and \$1 for honorable mention.

There are still several bird houses for sale.

First prize winners in the contest are on display in the window of Northville Men's Shop.

REFRESHMENTS were being served in Mrs. Carrie Dickinson's third grade classroom at the Amerman school last Thursday. The occasion was a "Pioneer Life Exhibit" presented by the class for their mothers. The children told stories, showed pictures and did some fancy square dancing. The room mothers, Mrs. Howard Myer and Mrs. Fred Hix, Jr., are serving at the buffet table.

120 E. MAIN ST. PHONE 80 OPEN FRI. EVE.

Bryans Return from S. A. Cruise

Columbia, Ecuador, Peru and Chile were some of the ports visited by Mr. and Mrs. Carl Bryan of W. Main St. on their 8-week cruise. They returned Saturday full of enthusiasm for a ocean trip "on a freighter".

Point of departure was New Orleans where they spent a week prior to sailing on the "Gulf Panmer", a ship of the Gulf and South American Steamship Co. The ship carried 12 passengers on the cruise.

They passed through the Panama Canal and in South America visited Lima, Peru, which is an hours ride from the sea, and Santiago, Chile which is 200 miles from port.

The Bryans said it was a restful, leisurely trip and they are looking forward to a similar trip next year.

BIRTHS

Mr. and Mrs. A. Nicosia (Maxine Wick) announce the birth of a son, Samuel, born Mar. 6 at Waukesha, Wis. Mr. and Mrs. Henry Wick are the grandparents.

Luxurious mink stoles, frothy bridal gowns, afternoon frocks and sports wear dazzled the eyes of spectators at the Business and Professional Woman's club fashion show at the Community Bldg. last Friday.

Approximately 400 persons witnessed the showing of fashions and accessories furnished by the Villa Dress Shoppe, Freydl's Women's Shop, Freydl Cleaners and Tewksbury Jewelers of Northville. Furs from Richland Furriers of Blissfield and bridal gowns from Jeannette's Bridal Shop of Detroit were also shown.

Organ music was furnished by Richard King of Grinnell's Co. of Ypsilanti. Several novel acts were performed, including a ballet dance by Cynthia Mellen and tap dances by Barbara and Candace Jodway, Linda and Nany Luelfing, Sonja Clark, Diana Markham and Bonnie Jordan.

Jan Wynn of WWJ-TV sang three numbers and Carolyn Smith of Farmington, who also appears on TV sang two numbers accompanying herself on her guitar.

The Richland Fur Co. introduced its show with an international theme — their own dancer

performing the French "Can Can" in an elaborate red and black costume. She also danced the Charleston in a racoon coat — the era of 1926. Gowns from Mexico, South America, as well as the famous Pendleton sports clothes were also shown in the Richland portion of the show.

The Jeannette Bridal Salon showed three bridal parties, each model carrying colorful bouquets furnished by the Jones Floral Co.

A bouquet of American Beauty roses was presented to Mrs. John Stenson, president of the BPW, by the members of the club.

Proceeds from the fashion show will be applied towards a trophy and educational fund for the Northville high school "Miss BPW of the Year".

The high school student who meets the qualifications on the application blank issued by the BPW will have her name on the trophy which will remain at the school to be used each year. The winner will receive a citation to keep. Miss BPW will be a guest of the local club at the state convention at the Statler hotel in April.

N'ville. State Hosp. Representatives To Speak At Wayne U.

The Health Committee of the Detroit Junior Board of Commerce is planning to promote Community Health Week, Mar. 18-24 with the theme, "Know Your Community Health Resources."

As part of this program Dr. Robert R. Yoder, assistant superintendent, and Abraham Brickner, psychiatric social work supervisor and co-ordinator of public relations at Northville State hospital, will present a program on mental health Wednesday, Mar. 21 at 7:45 p.m. in the auditorium of the Kresge Science Library, Wayne university, corner Second and W. Kirby.

Mr. Brickner will introduce the program and will discuss "The Community Responsibility in Mental Health Care".

Dr. Yoder's talk is titled "Where Does Mental Health Begin". He will cover the importance of early recognition of mental illness and will also outline the Care and Treatment Program at Northville State hospital.

A film, "Preface To Life" will be shown with discussions and questions from the audience to follow.

There is no admission charge and the program is open to the public.

Fr. Heraty To Address DAR

The Sarah Ann Cochrane chapter of the Daughters of the American Revolution will meet at the home of Mrs. Kenneth Hulsing, 1010 Church St., Plymouth, Mar. 19 at 1 p.m.

The Rev. Fr. Anthony Heraty of Our Lady of Victory church in Northville, will speak on the subject, "Protect America's Future Through Patriotic Education" — the National DAR theme this year.

Tea will be served by the social committee and Mrs. Hulsing is chairman. Mrs. Irving Blunk will assist.

Masked Panel To Guess Contestants

Friday concludes the Woman's club meetings for the year. A tureen luncheon at 12:30 will precede a presentation of "What's My Line" directed by Mrs. Richard Kay.

The panel will consist of Mrs. William Milne, Mrs. W. B. Crump, Mrs. Harper Britton, Mrs. Douglas Bathey, Mrs. J. W. Cheetham will act as moderator.

The names of the contestants are "top secret" as the panel members will be masked and will try to determine their identity through their hobbies.

What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Williams "Fries" These Cookies

The cookie jar at the William G. Williams home is always filled with Welsh cookies — a recipe from the Welsh family of Mr. Williams. These cookies with a glass of milk rate a rave for the children's after school snack. They form a tasty accompaniment to a cup of coffee for grownups, too, as they are not too sweet.

The Williams live at 446 Eaton

Dr. and have three children who keep their mother busy filing that cookie jar. They are Tucker 14, Janice 12 and Donna 10.

WELSH COOKIES

1 cup shortening
1/2 cup sugar
1 egg
1/2 cup milk
2 cups flour
4 level tsp. baking powder
1 pinch salt

1 cup currants
Cream shortening and egg. Add sugar and then the other dry ingredients, alternately with the milk. Add the currants last.

After chilling thoroughly, roll out and cut with cookie cutter. Bake in the manner of pancakes on a griddle on top of the stove. The griddle should be lightly greased just enough to keep the cookies from sticking.

Walkers To Attend Meet In Wash., D.C.

A release from the Washington Chamber of Commerce this week stated that Mr. and Mrs. William B. Walker, Jr., 39900 E. 8-Mile Rd., have made reservations to attend the 44th annual meeting of the Chamber of Commerce of the U.S. in Washington, D.C.

The meeting will be held April 29-May 2.

Sessions of the four day meeting will include information about the atom in our lives through developments in industry, agriculture and medicine.

Mrs. W. Johnson Tours East With Wooster Choir

Mrs. Waldo Johnson flew to Cleveland Tuesday to join the Wooster college girls choir on their eastern tour.

Mrs. Johnson will act as chaperon when the choir presents concerts in Pittsburgh, Baltimore, Philadelphia and Washington. Tom Johnson is business manager for the choir which gave a concert in Northville last year. Mrs. Johnson will be gone a week

"I've Got A Hint..."

Mrs. George Mellen Pours Sauce Into Container

In addition to "managing" a home, busy homemakers lead somewhat of a social life. They have club and organization memberships which demand some of their afternoon time. There are also special shopping days and visiting days that arise from time to time.

An afternoon away from home is something that a homemaker has to plan. When she returns, her family is waiting for dinner. What to fix for these quick dinner days is Mrs. George Mellen's hint this week.

"I prepare a meat and tomato sauce," Mrs. Mellen said, "that can be used in a variety of ways. I prepare enough for several dishes and place it in the freezer."

On busy days it is ready for Spanish rice, hamburgers, casseroles or whatever I prefer."

Time is saved by making the sauce in quantity and in advance. On a meeting day a casserole dish can be fixed in the morning without the fuss of having to prepare the meat sauce. The sauce can be taken out of the freezer the night before, mixed with the casserole dish in the morning, and popped into the oven when the homemaker comes home late in the afternoon.

The Mellens have three children in school. Cynthia is in high school, Sarah and Brian are in grade school. Another son, Peter, is in the armed service.

DAR Conference To Be In Jackson

The Daughters of the American Revolution will hold its annual state conference at the Hotel Hayes, Jackson, Mar. 15 to 17.

The following Northville delegates were elected at the Feb. 20 meeting: Mrs. Claude Cuscoe, regent; Mrs. Walter Gempferline, first vice-president; Mrs. Harry Deyo, state honor roll chairman; Mrs. Robert Willoughby, state treasurer; alternates were Mrs. John Burkman, Mrs. D. W. Hahn, Mrs. Howard Sharpley and Mrs. Lawrence Mack. Others attending the state conference are Mrs. Earl Mastick and Mrs. Dwight Randall.

The five Good Citizens who will be honored at a luncheon at the hotel Mar. 17 are Marilyn Paul, Plymouth; Janet Owens, Northville; Katherine Marshall, Bentley; Joan Ferrera, Garden City, and Nancy Green, South Lyon. Mrs. Frazer Carmichael, Good Citizen chairman, will also be present. Good Citizens from all over the state will attend this meeting also.

On Furlough

Cadets Rick Atchison, John Clarke and Bob Watson of Kemper Military Academy in Boonville, Mo., arrived home Wednesday. The cadets are home on a five day spring furlough.

Rainbow Girls To Be Entertained At Traverse City

The 28th Annual State Grand Assembly of the Order of Rainbow for Girls will convene at Traverse City Thursday, Apr. 5, and continue in session through Saturday, Apr. 7, according to Mrs. E. Alberta Coburn, Supreme Nature of the International Order of Rainbow Girls and Supreme Inspector for Michigan.

The sessions, which will be presided over by Miss Dawn Huebler of Plymouth, will be held in the St. Francis auditorium on E. 11th St. Traverse City Assembly No. 55 will act as hosts.

Tickets for the various banquets are \$3 per person and reservations can be made with Mrs. Ruth Carstens, 1235 Beaconsfield, Grosse Pointe, Mich.

Record Searches For The "Little Woman" Who Doesn't Do Everything The Hard Way

Like Demosthenes searched the streets for an honest man; like Prince Charming searched for Cinderella; like the farmer searched for the needle in the haystack...Record staff members have been searching this area for homemakers with helpful household hints.

The only different is...what we're looking for shouldn't be hard to find.

Women all over the country have proven that they have imaginations and can invent time-saving devices; therefore, it seems safe to conclude that the women in this area are also capable in these respects. Yet... hints are hard to find.

Many women have told us, "I do everything the hard way." Well, how about helping these poor home-slaves who have no time for extracurricular activities because their work is never done.

Most women who have been married for any length of time have devised a few short-cuts in their everyday job of homemaking.

Cleaning closets at different times during the year, cooking in quantity, washing children's hands, waxing floors and instructions for easy-care of bronze are all hints we have published recently. Perhaps yours has to do with ironing, making beds, washing clothes or cleaning wood-work.

Flower Show Tickets At Cut-Rate Price

Tickets to the Michigan Flower and Garden exhibition are being sold by the Northville Garden club.

Regular \$1.50 tickets are on sale now at the special pre-show price of only 85 cents. Those persons interested in buying tickets can make reservations by phoning Mrs. M. Eilber, 1305-W. The "Hit Parade of Gardens" will be held at the Michigan State Fair Grounds Mar. 17-25.

Appointment

The Northville Garden club appointed Mrs. William B. Walker as their representative to the National Council of the Woman's National Farm and Garden Assn. The appointment was made at their regular meeting Monday, Mar. 12.

I'VE GOT A HINT

NAME _____

ADDRESS _____

TELEPHONE NO. _____

CALL ME AT _____

TIME DAY

I understand that upon publication of my hint I will receive a one-year subscription or renewal to the Northville Record or Novi News, valued at \$3.

There are hints that you use and we want them...homemakers need them...so please share them.

There is room for improvement in every job; most homemakers have hints, and need new hints, some need them desperately. One newly-married girl cried a few months ago because her husband said, "There must be a HARDER way for you to do your work." This particular girl is clipping our weekly hints, using what she can and saving others for future reference.

Now is the time for all clever homemakers to come to the aid of their sex.

A one-year subscription or renewal to the Northville Record or Novi News is being offered for each hint, a \$3 value. Isn't that an incentive? With that savings you could take your husband or boyfriend out to dinner. That's right, boyfriend! You don't have to be married to have a hint. We're aware of the fact that some bachelor-gals know their way around a broom and dust mop.

The coupon opposite this story has been printed for your convenience. If you will mail it or leave it at the Record office, 101 N. Center St., our staff will be most happy to make immediate arrangements with you. Or, if you'd rather, phone us at Northville 200.

A regular meeting of the Northville City Council was held at the City Hall Monday Eve., Mar. 5th, 1956 at 8:00 P.M.

Present: Mayor Claude N. Ely, Councilmen Canterbury, Reed and Stubenvoll.

Absent: Councilman Allen. Minutes of the last regular meeting were read and approved.

Bills amounting to \$9,485.00 were presented for payment, and it was moved by Canterbury, seconded by Reed that same be allowed and paid. Carried.

Communications were read from the Northville Retail Merchants' Assn., regarding a meeting to be held at the V.F.W. Hall on March 13, 1956 to discuss the parking problem in Northville, to which the City Council is invited; from Mr. Jagow, Engineer, about a discrepancy in the mileage shown on the Mileage and Condition report of the State Highway Dept., and from Dr. Handorf again submitting his offer to purchase Lot 9 of Assessor's Plat No. 1 as per terms and conditions previously agreed upon.

After the reading by Philip R. Ogilvie, Atty., of Ordinance No. 132, an Ordinance to provide necessary procedures for purchase and sale of City property, it was moved by Canterbury, seconded by Reed, that this ordinance be adopted as read. Carried.

The following resolution was presented for adoption: "Whereas, the Council for the City of Northville has determined that the City has no further use for the following described property: Part of Lot No. 9, Assessor's Northville Plat No. 1 of William P. Yerkes Addition to the Village of

431 YERKES NORTHVILLE

Northville of Block 12 of Plat of the Village of Northville, as recorded in Liber 19, pages 241 and 242 of Deeds, and part of the south ½ of Section 3, T1S, R8E., Village of Northville, Wayne Co., Michigan, as recorded in Liber 66 of Plats, Page 45, Wayne County Records, and

Whereas, the said Council feels that said property should be sold only for certain specified uses and that the use of same be subject to certain restrictions;

Now, Therefore, it is hereby resolved that the Council for the City of Northville deems it to be in the best interest of the City that the requirement of selling real property via sealed bids, as set forth in Ordinance No. 132, be waived and that the described property be sold at private sale.

Moved by Councilman Reed, seconded by Councilman Stubenvoll, that the foregoing resolution be adopted as presented. Motion carried.

It was then moved by Reed, seconded by Stubenvoll, that the above described property be sold to Dr. Heinrich Handorf of 300 Wing Court, Northville, Michigan, for the sum of one thousand (\$1,000.00) dollars, Dr. Handorf to install a sidewalk along Plymouth Ave., place a barrier on the old bridge, build a retaining wall at the end of the property, and also to pay for the title insurance policy. The City of Northville to pro rate the amount paid by Dr. Handorf for the lease, which was executed in June, 1955. This work to be completed within a reasonable length of time. Motion was carried.

Chief Denton submitted the report of the Police Dept. for the month of February, 1956.

Treas. A. R. Clarke's report for the same period is as follows:

GENERAL FUND

Balance January 31st, 1956	\$80,000.79
Receipts	\$13,417.42
Disbursements	\$12,186.21
Balance Feb. 29, 1956	\$81,282.00

Bonds \$7,400.00

Fire Chief William McGee reported that there were no fires during the month and Supt. Herdman Hartner reported on the work being done by the Dept. of Public Works. He also reported that the well drillers were expected in Northville within a week.

Moved by Reed, seconded by Canterbury, that these reports be accepted and placed on file. Carried.

As per advertisements for sealed bids on curb and gutter work to be done in the alley north of E. Main St., bids were opened from Wm. J. Kloote, Jr. of Grand Rapids, Michigan, amount of bid, \$4,340.00 and Edward R. White, Berkley, Michigan, amount of bid, \$3,663.00.

The Council adjourned to the office of the City Clerk to discuss these bids with our engineer, Mr. Jagow, and upon returning to the Council Chamber Mayor Ely reported that it was the recommendation of our engineer that the bidders be checked before action is taken on bids, and that same be acted on at the next regular meeting Mar. 19th, 1956.

Moved by Stubenvoll, seconded by Canterbury, that the firm of Ierman, Johnson & Hoffman, of Ann Arbor, Michigan, be engaged to audit the City books for the fiscal year ending Feb. 29th, 1956. Carried.

Councilman Allen is to talk with Mr. Jagow, our engineer, about engineering the balance of the streets in Northville which have not already been done.

Councilman Canterbury reported that the committee ap-

pointed by Mayor Ely to consider the purchase of voting machines met on Monday, Feb. 27th, and after weighing the subject from the standpoint of convenience to voters, as well as accuracy and speed in the tabulation of votes, and also taking into account the fact that they can be amortized over a period of years, and what can be saved in the hiring of personnel for the conduct of elections, it was the consensus of opinion that the City should buy voting machines. The Shoup machine is recommended because it is the one approved by both the Michigan Municipal League and Wayne County. It is also recommended that same be purchased on a five-year payment plan.

Moved by Mayor Ely, seconded by Councilman Canterbury that the recommendation of the Committee to purchase four (4) Shoup Voting Machines be accepted, same to cost \$1673 each, or a total of \$6,692, to be paid over a period of five years. Motion was carried.

Mayor Ely, appointed Councilmen Canterbury, Reed and Stubenvoll to make arrangements for the purchase of these machines.

Clerk was instructed to write the Retail Merchants Assn. that there is a committee working on the question of acquiring additional parking property.

Councilman Reed reported that High Street bridge was badly in need of repairs, and Mayor Ely said he would have Councilman Allen get someone to look over the situation and make recommendations as to what should be done.

Mayor Ely reported that he had been notified by the Michigan Week Committee that Michigan Week would be celebrated May 20th through May 26th, 1956, and that Mayor's Exchange Day would be May 21st. He appointed Councilman Stubenvoll, as Mayor or Pro Tem, to act in his stead on that day. Former Village Pres. C. E. Langfield will be asked to assist in these arrangements if possible. A committee consisting of one member from each of the following organizations will be in charge of the program for Michigan Week: Rotary Club, Exchange Club, Optimist Club, Business and Prof. Women's Club and the Retail Merchants Assn.

Moved by Mayor Ely, seconded by Canterbury, that the starting pay of any new police officer hired will be \$4316.00. After a ninety day probation period, if recommended by the Chief of Police, that salary shall be increased to \$4512.00; after an additional three months' period, if recommended by the Chief, the salary will be \$4716.00. Motion was carried.

It was then moved by Comm. Reed that Patrolman Alex Funke be paid \$4512.00 annually; retroactive to the end of his ninety-day probation period, in conformity with the above motion. Carried.

No further business appearing, meeting was adjourned.

HERE'S GOOD NEWS! We can rent an R-S Water Softener
at a cost that's so low we'll be money ahead when
our savings on soap and other things are consideredTHAT'S RIGHT! And when we're ready to buy
a new R-S Ball-O-Matic we'll get credit
for a generous portion of the rent we've
paid. IT'S THE BEST DEAL WE CAN GET!R-S
Ball-o-matic
WATER SOFTENERThey're both right. The Reynolds Rental Plan is really
sensational! You rent an R-S Ball-O-Matic 30,000 Grain
Capacity Water Softener for only \$3.25 per month. You
control it and regenerate it as often as you want. It's
yours to use—just as if you owned it.
It will only cost you 13¢ a day (in extreme cases a
few cents more) to have all the softest water you need.
All the water in your home will be zero soft, and can be
used abundantly.
Then, when you're ready to buy a water softener, you
receive a credit for the rent you've paid to apply on a
new R-S Ball-O-Matic (or you can keep the rental unit,
if you wish).
See us today. You can't afford to be without soft water!Ball-O-Matic water softeners have been manufactured in Detroit
since 1931. There are probably more of them installed in this area
than of all other makes combined. You are sure with a Reynolds
quality softener. Factory installation and factory service.

CONTRACT AWARDED FOR NEW LINCOLN PLANT

PREPARATIONS FOR 129 MORE HOMES in Willowbrook Village are well under way this week as earthmoving machines (in the bottom photo) level land and make roadways in the newly subdivided area. The Willowbrook Civic Assn.'s newly renovated clubhouse (upper left) is being dismantled and moved to make room for the project. Gas and water lines are to be installed as soon as the roadways have been graded. Several dozen shiny new red fire hydrants are already on the site (upper right). Completion of the new homes is expected by early summer.

Willowbrook Gets 129 More Homes

Work begins on roads, gas, water mains; Builder to feature two new model homes

Plans for 129 additional homes in Willowbrook Village were announced this week.

The homes, to be built on the south side of 10-Mile Road immediately east of the present homes, will be known as Willowbrook Estates Subdivision No. 3.

Clearing and grading work in the area began last week and bulldozers and earth movers are building roads and installing water and gas lines at the present time.

The first two permits for the new project were recently issued to B. L. Smokler & Co., Detroit builders. These first two homes will be erected on the south side of 10-Mile Rd. as display homes, a company official said.

The houses will be of a new design, having a completely different floor plan. One of the models will have an enclosed garage, township officials disclosed. Building of the 129 homes is scheduled to get under way early this spring, as soon as the grading is completed and gas and water mains installed.

All roads in the development will be blacktopped, township officials added.

MICHIGAN HOMEMAKER OF TOMORROW—Elizabeth Ann Kunst of Catholic Central High School, Grand Rapids, Mich., was named Michigan's Betty Crocker Homemaker of Tomorrow. She received the state's highest score in a written homemaking examination and will be awarded a \$1,500 scholarship by General Mills. She will also receive an expense-paid trip with her school advisor April 8-12 to Washington, D. C., colonial Williamsburg, Va., and Philadelphia. Miss Kunst will be a candidate for the All-American Homemaker of Tomorrow \$5,000 scholarship award.

The Sunday School children are practicing for their Easter Sunday program.

Mrs. George Newbegin is assisting Mrs. O'Neil with the Bible Heirs on Thursday afternoon.

Mrs. Jack Eby has charge of the handicraft work for the Junior B.Y.'s Thursday nights.

Novi Girl Scouts

Birthday Party

Forty-four years ago on Mar. 12, 1912 Mrs. Juliette Gordon Lowe founded the Girl Scouts of the United States in her native Savannah, Ga. Mrs. Lowe brought the idea of scouting to this country from England where she was associated with Lord Baden-Powell and his sister, who organized the Boy Scouts and the association of Girl Scouts.

On Sunday, Mar. 11 girl scouts in Novi began their week of celebration by attending church services at the Novi Baptist and Novi Methodist churches.

On Wednesday, Mar. 14 all troops will be gathering their pennies for the World Friendship Fund and festivities will reach a climax at the birthday party Friday, Mar. 16 at 7:30 in the Novi Community Bldg. when scouts, brownies and their families will gather for a program.

Folk dances in native costumes, songs, skits and refreshments will be in store for those attending. At the present time there are three brownie troops, two intermediate troops and one senior troop in the Novi Neighborhood Assn., which is headed by Mrs. Vincent Hayes, neighborhood chairman.

There are a total of 91 girls, 12 leaders and 25 committee people and members-at-large registered.

Troops 491, 492 and 493 re- (Continued on Page 8)

Novi Highlights

By MRS. LUTHER RIX
Phone Northville 245-J

The infant daughters of Mr. and Mrs. Doyce Ward and Mr. and Mrs. Beebe were baptized at the Methodist church in Novi last Sunday morning.

Mr. and Mrs. Oather Pounders and family visited friends and relatives in Ferndale Sunday to celebrate their daughter's first birthday.

Dennis Pounders has sufficiently recovered from the measles and is able to be back in school.

Mrs. Jack Harnden is a patient at Beyer Memorial hospital in Ypsilanti.

Mrs. John Gow is seriously ill at the University hospital in Ann Arbor.

Mr. and Mrs. George Alkinson and Mr. and Mrs. Glen C. Salow spent the week end at their cottages near Lewiston.

David, son of the Rev. and Mrs. J. A. O'Neil of Novi has returned to Albest college at Belleville, Ont. in Canada.

Mrs. William Hansor, Sr. is now employed by Paragon Co. in Novi and has been working there for the past three weeks.

Mrs. Hadley Bachert will attend a luncheon board meeting of the District Rebekah officers at the home of the president, Mrs. Bessie Davis in South Lyon Friday.

Mrs. Esther White of Seely Rd. entertained her pinocle club at a luncheon Tuesday. The guests were Viola Groeneweg, Signa Mitchell, Billy Lien, Ruth Cook, Florence Hayes, Dorothy Paquette and Viola Seely.

Mr. and Mrs. Earl Banks are both ill at their home on E. 11-Mile Rd.

Mr. and Mrs. Russell Race, Sr. spent Sunday with their son and daughter-in-law, Mr. and Mrs. Russell Race, Jr. in Livonia.

Dr. Lynn Leavenworth came from his home in New Jersey to attend his mother's funeral, Mrs. James Leavenworth last Monday.

Mr. and Mrs. James Kirkwood will entertain a group of relatives from Harper Woods, Warren, Detroit and Novi on Palm Sunday in honor of their daughter, Roberta Ann's confirmation that morning.

Mr. and Mrs. George Kahl called at St. Joseph hospital in Ann Arbor to see the latter's sister and brother-in-law, who are both patients there.

Al Pritchard, who has been confined to his home on Novi Rd. is now in St. Joseph's Mercy hospital in Pontiac.

W.E. Wood Named General Contractor

FoMoCo Spokesman supplies details On construction and progress to date

Awarding of the contract for building Ford Motor Company's multi-million dollar Lincoln division headquarters and assembly plant was announced last week by company officials.

W. E. Wood Construction Company of Detroit was selected as general contractor for the plant and office building.

Wood company workmen have already started work on the site, Ford officials said. The workers are currently making base lines, starting the foundation and setting up sewer lines.

A Ford spokesman also gave additional information on the progress of the new plant. "The C&O Railroad has completed its 'However, there will be approximately 2,500 additional feet of line to our property, he said, track laid on plant property in the future."

The firm of Sudgen and Sivier, Inc. have been busy preparing the plant site for the past few months. Several interesting facts were released pertaining to this earth-moving and site preparation. Being employed are 10 scrapers with a capacity of 18 cubic yards each, 5 bulldozers, 4 cranes using drag lines, clams, backhoes, and a one-half ton "frost ball".

On the average, these machines move 2,000 cubic yards of dirt each day. As much as 8,000 cubic yards of dirt have been moved in a single day.

Long Construction of Detroit has already begun the excavation for the general office building.

Approximately 50 per cent of the manufacturing area has been graded. The boiler house area is now at its proper grade level. Also, the land facing Wixom Rd. is being built up. Ford's present headquarters is now in a two-story brick house facing Wixom Rd. Two resident engineers live there.

On the excavation of the general office building foundation, the first anchor bolt was set this week.

Pvt. Bundoff At Fort Lewis, Wash.

Ft. Lewis, Wash. — Army Pvt. Christian J. Bundoff, son of Mrs. Catherine Bundoff, 40141 12-Mile Rd., Novi, recently arrived at Fort Lewis and is now a member of the 2d Infantry Division.

Bundoff, assigned to Co. B of the division's 9th Regiment, was last stationed at Fort Leonard Wood, Mo. He entered the Army in November 1955.

The 22-year old soldier is a former employee of Ford Motor Co. in Livonia. He attended Wallend Lake high school for two years.

IT WAS SAID...

"Ignorance breeds monsters to fill up all the vacancies of the soul that are occupied by the verities of knowledge. He who dethrones the idea of law bids chaos welcome in its stead."

—Horace Mann

OPEN 24 HOURS A DAY, Novi's newest coffee shop is located next to Leo Harrawood's Service Center at Novi Rd. and Grand River. Under the operation of Mrs. Jacqueline Baird of 12-Mile Rd., the shop will feature short orders and carry-out service. Waitress Hazel Brown is shown behind the counter serving the customers.

SPECIAL NOTICES

IN MEMORIAM

Time flies by
Your memory lingers on
And we miss you very much
As the years roll on.
In memory of Frank Oliver by
his sister, Rebecca Dunham.

CARD OF THANKS

To Aitchison Memorial Hospital,
to all my Star and Shrine friends
for kindnesses, cards, gifts and
flowers received.

Thank You,
Emeline Slover

NEW HOMES

Enter USA Contest At Rathburns

Rathburn Chevrolet Sales is participating in an unprecedented family automobile contest offering prizes ranging from realistic child-size models to two-car grand awards including 1956 Corvette sports car. Kenneth Rathburn announced last week.

A total of 63 new cars and 60 pedal-operated children's models will be given away in the nationwide competition, which runs from Mar. 1 through Apr. 14.

In recognition of the growing trend toward two-car families, each of the three revolutionary grand awards will include a Corvette in addition to one of the 60 four-door 1956 Chevrolet Bel-Airs.

The child-size prizes, called "Kiddie Corvettes", are striking replicas built to one-third scale. They are outfitted with precision ball-bearing wheels, semi-pneumatic tires and two-speed transmissions which aid youngsters in pedaling up grades. Contest entry forms being distributed at Rathburn's dealership contain three lines to a new chorus of the familiar Chevrolet theme song, "See the U.S.A. in your Chevrolet". Entrants fill in the fourth line and return the forms to the dealership during one of the three 15-day periods of the contest.

A grand two-car award, 19 single-car awards and 20 Kiddie Corvettes will be given away for each of the three periods. Contest officials stress that those who enter early stand the best chance because entries entered in one contest period are also eligible for the remaining contest periods. The winners will be announced and their cars delivered by the Chevrolet dealers in the areas.

Judging, however, will be done by an independent agency. The three lines of the chorus to be completed are:

"Get that big feel—get behind the wheel
"Thrill to beauty, power, sales performance, too
"When your drive is done, you'll want to order one..."
The fourth line, judged on freshness and originality of thought, must rhyme with "too".

Birthday Celebrated

Mrs. Harry G. Marburger of Thayer Blvd. celebrated her birthday Mar. 14 with her five children and their families.

A daughter, Mrs. Robert Dienerheart (Kathryn) from Milwaukee arrived Saturday. Another daughter, Mrs. Francis Brennan (Jean) and two sons, David and John, arrived Tuesday from Beacon, N.Y.

Mrs. Marburger's sons, Howard of Plymouth and Jack of Northville, and their families joined the party at the home of another son, Irvin and his family on Thayer Blvd.

A sister, Mrs. Edna Keith of Plymouth, arrived for the birthday dinner and festivities Wednesday.

Open Monday, Tues. & Wed. from 9 A.M. to 6 P.M.

Open Thursday, Friday & Saturday Evenings until 900 P.M.

Wednesday evening the Alcorns entertained Mrs. Alcorn's parents, Mr. and Mrs. Norvell Kuhn in honor of their 30th wedding anniversary.

Guests of the Marinoffs Saturday evening were Mr. and Mrs. D. Elsie, Mr. and Mrs. A. Homer, Mr. and Mrs. Joe Murphy, Mr. and Mrs. Lee Hillis and Mr. and Mrs. C. Morton. After tearing the men away from the TV hockey game they played Yatzie. A smorgasborg lunch was served.

The Willowbrook board of directors met at the home of Fred Costello Mar. 7. One of the main topics of conversation was the site for the new community building. They will report on their progress after the next meeting.

Charles Trickey explained the delinquent tax problem at a general meeting of the Willowbrook Community Assn. last week. Mrs. Gladys Earl was nominated as an associate member of the Willowbrook Assn. to show her our appreciation for her interest in our activities and the boys' club.

There was also a discussion of the proposed race track on 10-Mile Rd. and Haggerty. The executive board is looking into this and will report their findings later.

The entertainment committee is planning a bake sale Mar. 24. Willowbrook families will be called upon for donations. A social event in April is also being planned—a Greyhound mystery bus trip for either a Friday or Saturday night. There will be more details later in the Willowbrook column.

It was proposed to rent out our dishes from the Community Bldg. We have 60 cups and plates. A small donation will be asked for the use of the dishes and any

issued a proclamation this week proclaiming Mar. 10-Apr. 10 as Easter Seal month. The proclamation said:

"There are in the State of Michigan, thousands of crippled children and handicapped adults. Our right to aid the crippled is a privilege to be accepted, guarded and exercised fully. We have a responsibility for giving each child a chance at health and happiness and a future means of livelihood.

"It is economically sound to make possible such services as those finances through Easter Seal funds, since these services help dependent crippled children to become independent and self-sustaining results. The specialized services of rehabilitation, medical and educational aid for the crippled are efficiently and effectively administered by the Michigan Society for Crippled Children and Adults, Inc., and its local affiliates in this state. "THEREFORE, I, G. Mennen Williams, Governor of the State of Michigan, do hereby proclaim the month from Mar. 10 to Apr. 10, 1956, as Easter Seal Month in Michigan, and urge all citizens to support this drive generously and thereby lend a helping hand to our crippled children."

broken will have to be replaced. For further information call GR 4-2523.

Mrs. Annie Walkins of Plymouth is visiting the Marinoffs this week. She is their grandmother.

Any new members wishing to join the Community Assn., call GR-4-3520, GR-4-1271, GR-4-2680 or GR-4-2582.

Agnes Morrison and Gladys Earl attended the Town Club's party and fashion show last Friday evening.

The next general meeting will be held at Novi Community Bldg. May 8 at 8 p.m.

For the benefit of our new neighbors, here is a list of our reliable baby sitters in the Willowbrook area: Mrs. A. Ferguson GR-4-1306, Nancy Morrison (16) GR-4-2523, Diane Danforth (15) GR-4-3178, Jay Ann Wittenberg (14) GR-4-2582, Sharon Williams (13) GR-4-6304, Judy Secrist (14) GR-4-7424, Sandra Grant (12) GR-4-9741.

Happy birthday to Sandra on her 12th birthday Mar. 12 and her brother, Mike, on his birthday Mar. 13 - his 16th.

which is less than the 20 mills that cities are permitted by law to levy.

Board of Review

The Northville board of review has set up their office in the city hall. The first day that they met, Mar. 13, four taxpayers made an appearance. The board will be in the city hall Mar. 15, 16 and 27 from 9 a.m. until 4 p.m. to listen to appeals from the taxpayers.

SOME PARENTS SAY -

Many times in visiting homes I have heard parents say, "We will not influence our children in making choices and decisions in the matter of religion." "We let them decide whether they want to go to Sunday School, we will not force them to go."

"We will not tell them what Church to go to, we let them make their own choices." Does this not seem unreasonable in view of the fact that we make a number of other choices for him while he is yet a child? We choose his food. We choose his companions as far as possible. We tell him when it's time to get up. When he gets to be 5 or 6 we (by compulsion) choose to send the little dear off to school to be influenced by his teachers. All along we try to influence him to choose the good and the best—but religion? No, we'll let Junior choose his own course! If parents were as concerned about the moral and religious training of their children as they are about their secular education we would see every child in Sunday School every Sunday. Proverbs 22:6 says, "Train up a child in the way he should go; and when he is old, he will not depart from it."

ately, voters will be asked to approve the issuance of bonds to raise funds for its construction.

More Teachers Necessary
Aside from the high school, the Northville school district is growing rapidly and the greater number of boys and girls in school is requiring more teachers than were necessary only a few years ago. Next year, for example, it will be necessary to hire five new teachers in addition to the 56 now on the payroll. Their salaries probably will run between \$20,000 and \$25,000, and will require two of the additional four mills that the board of education is asking for authority to levy if and when needed. (The district's assessed valuation next year will be about \$10,000,000 and a two mill tax on this valuation would raise \$20,000.)

In addition the board has agreed to raise the present salary schedule for teachers by approximately \$50,000, effective next year. This increase was believed necessary by the board and school administrative officials if Northville is to retain present members of the teaching staff and be able to hire qualified new teachers in the face of higher pay elsewhere. It is expected that the pay scale for other school personnel will be brought in line with the higher teachers' salaries.

Looking ahead to next year, and the years to follow, we can foresee a steadily rising need for supplies and teaching equipment such as art supplies, typewriters for larger typing classes, etc. One concrete example is paper towels for wash rooms, of which we now use 75 cases a year compared with 50 cases just a few years ago.

Broader Curriculum Needed
More difficult to detail specifically, but nevertheless of major importance in providing adequate educational opportunities to Northville youth, is the need for further improvements in our curriculum. Teachers and our administrative staff agree that there is need for improvement in our counseling and guidance service. There also is need for expanding our shop and home-making programs so more pupils can be handled.

Not only is there need for increased instruction in certain fields; there are some areas in which present instruction would have to be curtailed or abandoned should the request for additional millage be turned down. One would be the remedial reading program which was started last fall, which involves one teacher working with children who need special help in reading and other subjects. Another could be the speech-correction program which is now being carried on jointly with Plymouth and in which approximately 30-35 Northville children are being taught. The time is coming when Plymouth probably will carry on this program alone for its students. When it arrives, Northville must be prepared to carry on alone.

As a final reason why the board of education is asking approval of a 10 mill operational tax as a substitute for the present 6 mill tax which has been in effect for the past five years, expenses of running the schools have advanced so much it would be impossible to operate next year on the six mill levy without increasing a large deficit. Even this year, without the addition of five new teachers and the pay

Parking ...

(Continued)

ing for shoppers is generally recognized as a community problem and a community responsibility in older cities. "If convenient parking is not available, people will do their shopping elsewhere and the retail district will suffer. Not only will this affect local merchants individually; they will not be able to maintain stores that can pay high taxes, and the city's tax revenue will be correspondingly affected."

City Has Parking Plan
Following Wilson's recommendation that the city develop a definite plan for its future development, George Zerbe, chairman of the Planning Commission, pointed out that his organization had submitted a definite program to the old Village Commission some three years ago for developing downtown parking areas. "I don't know what happened to the plan, but it was worked out with a great deal of care at the specific request of the commission," he said. Zerbe also expressed the opinion that local merchants and their employees are to blame for some of the

present lack of parking space because they use areas set aside for customers for their own all-day parking.

Commissioner Stuebenvoll confirmed the existence of a parking program at the city hall and added that the city council has a special planning committee working on an over-all capital improvement program which includes paving, sewers, water and parking. "Now that Northville is a city and gets a larger revenue from the race track, we should be able to do many more things than were possible in the past," he concluded.

YOUR PARTNER IN SAFETY!

Here, from your partner in safety—the truck driver—are some friendly suggestions for furthering safe driving on our highways. If everybody cooperates, we'll all enjoy happier, safer driving.

1. Be sure your car is in good operating condition at all times.
2. Obey all traffic laws.
3. In planning a trip, don't schedule more miles per day than you can comfortably and safely drive.
4. On long drives, stop now and then to rest and relax.
5. Never pass on a hill.
6. Courtesy and patience are two very necessary ingredients of safe driving.
7. Don't follow too closely the car ahead of you.
8. Accident statistics continue to rate speed as the number one cause of automobile accidents — so keep it down.

MUSTANGS CRUSHED 77-47

The Northville Record

SECOND OLDEST NEWSPAPER IN WAYNE COUNTY—EST. 1868—Thursday, March 15, 1956 — 9

Walled Lake, Champs; Defeat Milford For District Title

By Bob Montgomery

Last Friday night was a bad night for the Mustangs of Northville as they faced the Walled Lake team and were defeated in a fast and rough game.

Both teams started out fast with the Mustangs having a poor night in shooting field goals.

Cap Pethers' efforts were futile even with the 16 points that he netted. He had a hard time finding the net and a more difficult time putting a ball through it.

Larry Hughes, 6 foot 2 Walled Lake center was given the job of guarding Northville Pethers. Hughes held the 6 foot 5 Pethers to 16 points while scoring 26 himself.

When the half ended Northville was trailing 32 to 25.

At the opening of the second half it was apparent that Walled Lake was going after a win. They took every advantage of the breaks that came their way. They started netting more field goals and made good their majority of free shots.

As the last period progressed, Northville was losing pace and control which was their best defense against the Walled Lake five who were having a field day.

When the game ended, the scoreboard read 77 to 47.

The victory moved Walled Lake into the finals against Milford, which defeated Brighton 68-52.

W. L. Wins District Honors. Walled Lake defeated Milford, 71-51 in the district finals Saturday night. The team now moves on to the regional tournament at Pontiac.

Second place finisher in the Class A-dominated Inter Lakes conference this year, Walled Lake successfully checked Milford's Wayne-Oakland League champions, holding their two top men, Jim Davidson and Fred Baker, to 15 and 16 points.

Larry Hughes, Walled Lake's 6 foot 2 center, led his team's scoring parade with 21 points.

Fishermen Invited To U-M Clinic

If you're a real fishing enthusiast chances are you've already begun polishing up your equipment and getting your tackle in shape for the coming season.

And although it may be a little early for getting out into the field — and stream — you can at least come and talk about fishing at the University of Michigan's Fishing Clinic, to be held Saturday, Mar. 17.

Fisheries experts will be on hand to give tips on fishing and conservation of lakes and streams for the future, and tackle manufacturers will be there to show the latest equipment ready for this summer's activity.

Among the speakers at the clinic, to be held from 12:30 to 6 p.m. in Waterman and Barbour gyms on the U-M campus, will be Justin W. Leonard, assistant director, Michigan Conservation Dept. (MCD); David S. Shetter, MCD; Stanford Smith, U.S. Fish and Wildlife Service; and Walter R. Crowe, Institute for Fishers Research.

Other participants in the program will be U-M's fisheries experts, Homer Circle of James Heddon & Sons, and Ben Hard-

WE'VE HEARD BALET training could be useful to basketball players . . . helps them develop poise on the court. We don't know if this Mustang ever studied the art, but he was up in the air a good deal during the Walled Lake-Northville game Friday.

esty of the Shakespeare Co., national bait and fly casting champion.

Topics for discussion include: trout lakes and streams, how to tell fish apart, skin diving, natural baits, the Great Lakes and their game fish. All the talks will be illustrated with slides or movies.

Admission will be \$1 for a family group, couple, or single adult; 25 cents for unaccompanied children under 18.

Did you know that Calvin McVey of Chicago in the National League made six hits in seven trips to the plate on July 22, 1876—and duplicated the feat three days later?

Jr. High Teams Close Season With Victory

By Philip Jerome

The Northville junior high teams closed out the basketball season last Wednesday afternoon by sweeping a double header from Thurston. The games were played in the old gym.

The seventh graders had to fight for their victory. They came up with 23 points in the final half to down their rival from Thurston 29-23.

The eighth grade team had an easier time in, trouncing Thurston 68-31. The leading scorers for the Northville team were Joe Gotro and Roger Atchinson each netting 25 points. Both men beat the previous record of points by one player in a single game.

The seventh grade team went into the second half of their game trailing 16-6. Points by Kent Frid, Karl Karg and Richard Willing helped Northville to move up within three points of Thurston. The score was 23-20 in favor of Thurston as the third quarter ended. Northville scored nine points and held Thurston

scoreless in the last quarter to win.

Kent Frid led the way for Northville with 15 points. He was given good support by Karl Karg who hit for 7. Richard Willing picked up 3 points. David Hay got 2 points. John Archer and Bob Earhart finished out the Northville scoring with a point each.

The big 50 points scored jointly by Roger Atchinson and Joe Gotro made things easy for the eighth graders in their 68-31 victory. Northville started out quickly and took an early 21-2 lead in the first quarter. Thurston never recovered. The local team continued the pace the rest of the way. Northville led 29-8 at halftime and 47-20 going into the final quarter.

Jim Patterson got 8 points to follow Atchinson and Gotro in the scoring. Mike Eastland had 6. Larry Nitzel and Woody Aenbacher each contributed a field goal. Thurston scorers were led by Jones who hit for 10 points.

At What Age Should

SAVING

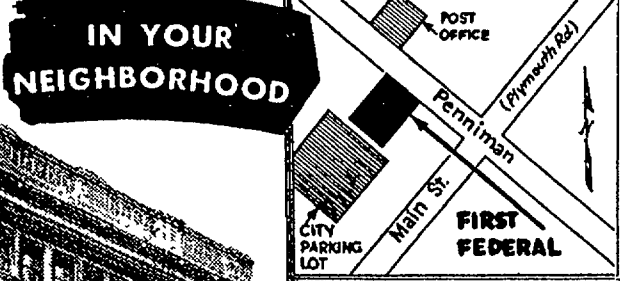

Start?

Many, many First Federal customers have had savings accounts for their children, opened soon after the youngsters were born. They start with a small account for the new baby. Then, it's surprising how such savings grow with money gifts for Christmas and birthdays. Later, the child's own after-school earnings are added. Besides offering important training in thrift, this plan builds savings for college, or for a start in business. Savings here are insured to \$10,000.

- Exchange burned-out lamp bulbs
- Replace worn-out appliance cords
- Leave electrical appliances for repair
- Pay electric bills

THE DETROIT EDISON COMPANY

Mr. Robert H. Kennedy (right), President of the Detroit Electrotyping Co., and Chairman of the Detroit Employing Electrotypers and Stereotypers Association and Mr. Velmer Bartrem, President of the Detroit Electrotypers Union No. 54, make the same statement with equal satisfaction:

"We have written Blue Cross-Blue Shield into our collective bargaining agreement"

Mr. KENNEDY: "When our collective bargaining agreement came up for renegotiation a year ago, the major demand the union made was that Blue Cross - Blue Shield benefits be written into the agreement on an industry-wide basis."

Mr. BARTREM: "That is right. Our union preferred Blue Cross-Blue Shield protection."

Mr. KENNEDY: "Before that, the Employing Association spent quite a bit of money investigating the different kinds of hospital-surgical-medical insurance programs. We decided that there was nothing like Blue Cross - Blue Shield."

Mr. BARTREM: "I have it and like it. I've heard no complaints about Blue Cross - Blue Shield."

Mr. KENNEDY: "I have it, too. I wouldn't be without it."

Blue Cross-Blue Shield.

Events of the Past in Northville

News Items Taken from the Files of the Record

1955 . . .

Gayle Ashburn and Dennis Proctor were named valedictorian and salutatorian of the class of 1955.

Ed Welch was selected regional vice-chairman of Region III of the Michigan Municipal League at the regional meeting in Dearborn Mar. 10.

Mary Lovewell received the DAR Good Citizen award for 1955.

Kenneth Krezel of Northville high school was awarded third place in the third zone oratorical contest at the Royal Oak post of the American Legion. The third zone comprises the 6th, 7th, 8th, 17th and 18th districts.

1951 . . .

Alice Newton and John Rack-

ov were valedictorian and salutatorian of the class of 1951.

The Northville fire department was kept busy over the week end putting out minor fires, most of which were caused by citizens starting grass fires.

Mrs. Carl Hunt of N. Center St. returned last week from a month's stay in California.

Mrs. J. Leslie French of Ann Arbor will be the speaker at the last meeting of the Northville Woman's club.

1946 . . .

Robert C. Sears, 407 Yerkes St., has recovered at 115th General hospital in England from wounds received Dec. 2, 1944 and has been released for return to duty.

George L. Clarke of Pontiac

has purchased the Hammer hardware and took possession last week.

A daughter, Heidi Ann, was born to Dr. H. Handorf and Mrs. Handorf of Wing Ct. at the University maternity hospital, Ann Arbor Feb. 25.

Mrs. E. K. Dolph celebrated her 95th birthday Mar. 13.

1936 . . .

Willard D. Stark died at the age of 70. He was held with high esteem by his business associates and loved by his friends.

A number of cases of small pox have been reported in Detroit and Mrs. S. D. Bray, school nurse, advises that all children who have not been vaccinated within the past five years, should go to their family doctors for the vaccine.

T. W. Hill, aged 67, died at the Sherwin Hill home on 8-Mile Rd. Mrs. W. H. Yenkes was hostess to her bridge club Tuesday.

1916 . . .

Cass Benton, tax commissioner of Wayne county, has tendered his resignation.

Letters to the Editor

Editor

Northville Record
Your interest in the health and welfare of our community as evidenced by your generous support of the March of Dimes has been an important factor in the success of the 1956 campaign.

The public service The Northville Record renders to its readers is far reaching in its results. The fight against polio is not over in spite of the encouraging victory we have won through research so far. By giving the facts to your public on every phase of the fight against polio you have brought the day nearer when that dread disease will be a thing of the past.

As yet we do not have the final figures on the campaign but, as always, we shall let you know as soon as possible.

Again our warmest thanks and all good wishes for continued prosperity.

Charles L. Gehring
Campaign Director

Editor

Northville Record
A letter respecting school problems and written by Dr. Robert Yoder, M.D., was published in the Northville Record of Thursday, Mar. 8, 1956. His letter contained criticism but also suggestions for solving school problems, and these proposals, it appears to me, deserve the serious consideration of everyone.

In his criticism of the School Board he made the following statement:

"The attitude of the board has been odd in other respects also; a charge which had been brought to my attention by a citizen to maintain a policy of 'white supremacy' in Northville. This charge has never been proven but has been responsible for the next scheduled program of the PTA which will be on segregation and civil rights."

I whole-heartedly support Dr. Yoder in his attack on 'white supremacy', however, in order that his statement should not be misinterpreted, I wish to say

that at the meeting of the PTA Executive Board which approved the various programs to be submitted to the membership, no mention was made of the School Board. I myself had originally suggested a meeting in interracial problems because I felt it would be in the interest of democracy. However, I had no knowledge then, nor do I have now, of the official attitude of the School Board on this question. I personally hope, of course, that they will affirm support of the American principle of the economic, political and social equality of all races.

The meeting on inter-racial problems will be held on Thursday, March 22, 8 p.m. in the Community Bldg., and the public is strongly urged to come and hear a speaker from the Human Relations Council of the City of Detroit. Since Northville bears its share of the responsibility for solving this serious problem in a democratic manner, we hope everyone will attend who can possibly do so.

Harold S. Hartley
President - PTA

Obituaries

MRS. JAMES LEAVENSWORTH

Lillie Etta Leavensworth died Mar. 8 at the Country Convalescent home in Milford at the age of 77. She was born in Mentone, Ind., June 4, 1878. Her parents were Abraham and Nancy Doran.

Her husband, James, 44911 12-Mile Rd., and a son, Roscoe Bowen, of Mentone, Ind., survive.

Funeral services were held on Monday at the Casterline Funeral home with the Rev. J. A. O'Neill of the First Baptist church in Novi, officiating. Burial was in Novi cemetery.

Mrs. Leavensworth was a member of the Mission Board of Novi Baptist church and the Order of Eastern Star, Walled Lake Chapter No. 508.

She had resided at the Country home for the past 18 years.

State Hosp. Needs Clothes and Toys

The children's ward at Northville State hospital is now open and 60 children are expected to be registered there by the middle of the summer.

Dr. H. R. Yoder, who is in charge of the children's unit, has asked the community to participate in helping furnish items of clothing and toys suitable for boys 8 to 14 years of age. Indoor and outdoor play equipment is also desired.

To assist in this request, the Northville Mothers club has placed a container in Depositors State Bank and anyone wishing to contribute clothing or toys, may place them there.

Dr. Yoder asks that the clothing be in good condition and be wearable for a reasonable time.

The children are primarily from deprived homes and are emotionally disturbed — not mentally retarded.

G.S. Council Meet

Mrs. Karl A. Karg announced this week that the Northville Girl Scout Council will have their regular meeting Tuesday, Mar. 20 at 8 p.m. at the home of Mrs. Alfred Parmenter on Thayer Blvd.

SPECIAL SCHOOL ELECTION

NOTICE OF SPECIAL ELECTION OF THE QUALIFIED ELECTORS OF NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT, WAYNE, OAKLAND AND WASHTENAW COUNTIES, MICHIGAN

TO THE QUALIFIED ELECTORS OF SAID SCHOOL DISTRICT:

PLEASE TAKE NOTICE that a special election of the qualified electors of said School District will be held in the Northville City Hall in said District on the 20th day of March, 1956, for the purpose of submitting the following proposition:

Shall the limitation on the total amount of taxes which may be assessed against all property in the Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan, for all purposes, except taxes levied for the payment of interest and principal on obligations incurred prior to December 8, 1932, be increased as provided by Section 21, Article X of the Constitution of the State of Michigan by ten (10) mills (\$10.00 per \$1,000.00) of the equalized valuation of all property in the School District for a period of ten (10) years from 1956 to 1965, both inclusive, for general operation purposes?

Each person voting on the above proposition must be a citizen of the United States, over twenty-one (21) years of age and a resident of the State for six (6) months and of the School District for thirty (30) days prior to the date of election.

I, Harold E. Stoll, County Treasurer of Wayne County, Michigan, do hereby certify that, as of February 20, 1956, the total voted increases in excess of the Constitutional fifteen mill tax rate limitation and the years such increases are effective are as follows affecting the taxable property of Local Unit:

NORTHVILLE PUBLIC SCHOOLS SCHOOL DISTRICT OF WAYNE, OAKLAND AND WASHTENAW COUNTIES

Portion located in Northville Township, Wayne County, Michigan

LOCAL UNIT	DATE OF ELECTION	VOTED INCREASE	YEARS INCREASE EFFECTIVE
County of Wayne	Apr. 4, 1955	.75 mill	1955 to 1969 inclusive
Northville Public Schools School District of Wayne, Oakland and Washtenaw Counties	July 20, 1949	10. mills	1949 to 1964 inclusive
	Jan. 19, 1954	5.5 mills	1954 to 1973 inclusive

TOTAL INCREASES IN EFFECT

Years: 1956 to 1964, inc.	1965 to 1969, inc.	1970 to 1973, inc.
Mills: 16.25 each year	6.25 each year	5.5 each year

Signed / Harold E. Stoll (L.B.)
HAROLD E. STOLL
Wayne County Treasurer

Date: February 20, 1956

I, Charles A. Sparks, County Treasurer of the County of Oakland, State of Michigan, do hereby certify that according to the records in my office, as of February 20, 1956, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 21 of the Article X of the Michigan Constitution, affecting taxable property in the Northville Public School District, Wayne, Oakland and Washtenaw Counties, Michigan, in said County as follows:

LOCAL UNIT	VOTED INCREASES	YEARS INCREASE EFFECTIVE
Northville Public School District, Wayne, Oakland and Washtenaw Counties, Michigan	10.00 5.50	1949 to 1964, incl. 1954 to 1973, incl.

Signed / Lloyd M. Sibley, Deputy
CHARLES A. SPARKS,
TREASURER OF OAKLAND COUNTY

I, the undersigned, County Treasurer of the County of Washtenaw, State of Michigan, do hereby certify that according to the records in my office, as of February 20, 1956, the total of all voted increases in the tax rate limitation above the 15 mills established by Section 21 of Article X of the Michigan Constitution, affecting taxable property in the Northville Public Schools known as School District 2f1 Northville in said County, is as follows:

LOCAL UNIT	VOTED INCREASE	YEARS INCREASE
#2f1 Northville School District	10.0 mills	1949-1964 incl.
#2f1 Northville School District	5.5 mills	1954-1973 incl.
Salem Township, Washtenaw County	0.0 mills	
County of Washtenaw	1.25 mills	1953-1972 incl.

Signed / W. F. Verner
W. F. VERNER
Treasurer of Washtenaw County, Michigan

Dated: February 20, 1956

The polls will open at 7:00 o'clock a.m. and close at 8:00 o'clock p.m., Eastern Standard Time.

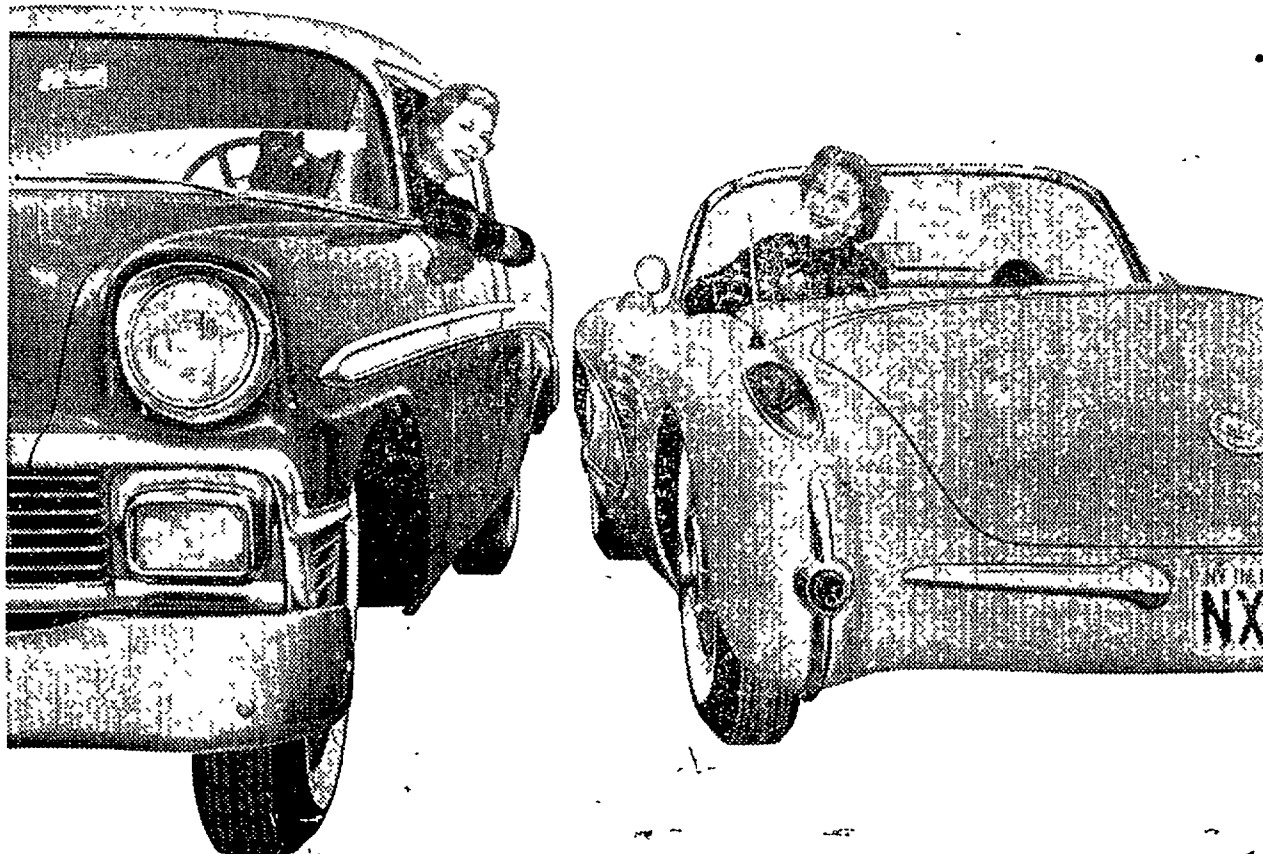

This notice is given by order of the Board of Education of Northville Public Schools School District, Wayne, Oakland and Washtenaw Counties, Michigan.

CHRISTIAN SCIENCE CHURCHES

Main and Dodge Streets
Plymouth, Michigan
The idolatry of relying on material rather than spiritual power will be stressed at Christian Science services this Sunday.
Keynoting the Lesson—Sermon entitled "Matter" is the Golden Text from Isaiah (42:8): "I am the Lord; that is my name: and my glory will I not give to another, neither my praise to graven images."
Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (277:29): "Nothing we can say or believe regarding matter is immortal, for matter is temporal and is therefore a mortal phenomenon, a human concept, sometimes beautiful, always erroneous."

The following is among the passages to be read from the Bible, (Isaiah 44:9): "They that make a graven image are all of them vanity; and their detestable things shall not profit; and they are their own witnesses; they see not, nor know; that they may be ashamed."

from the PASTOR'S STUDY

By The Rev. Father Anthony Heraty
Our Lady of Victory Church

By the time these words are printed, we shall be quite close to Palm Sunday and Holy Week. Catholic Services and Devotions will be held in the evening for the last three days of Holy Week. The question will naturally arise is "Why the change in time or why the Restored Holy Week?" An explanation is due and we offer the following:

On November 16, 1955, the Sacred Congregation of Rites issued a decree (approved by Pope Pius XII), which provided for the restoration of the Order of Services of Holy Week. The changes involved were not made to create a novelty or "something different" nor to dig ancient ceremonies out of the distant past. They were made for the benefit of our people, to help them, relive the sacred events of the closing days of Christ's life. Originally the Holy Week

rites were performed at the same hours of the same days that the sacred mysteries occurred. The solemn Mass of the Lord's Supper on Thursday evening recalled the institution of the Holy Eucharist. Friday afternoon the liturgical function recalled the Lord's passion and death. A solemn vigil began on Holy Saturday night and ended Easter morning with the joy of the Resurrection. But during the

Middle Ages, these religious services were, for various reasons, transferred to the morning hours. Torn from their proper time-setting, they lost their original meaning.

In more recent times another serious change took place. Thursday, Friday and Saturday of Holy Week had long been holy days of obligation, so that Catholics, freed from servile works,

(Continued on page 14)

Remember when Father carefully honed his straight razor on a fine whetstone and strapped it on a leather belt or the heel of his hand? He sometimes had a lot of trouble getting it sharp enough and never suspected that Mother borrowed it occasionally to rip a few seams. Remember?

New Safety Device Now Optional On Clipper Line

A non-slip differential which
automatically overcomes adverse
driving situations such as might
be caused by snow and ice is be-
ing offered on all 1956 Clipper
models, it is announced by Petz
Bros., Northville's Packard-Clip-
per dealer.

The new safety and conven-
ience device, W. B. Petz said,
will be an optional equipment
choice on the Clipper line. Until
now the non-slip differential was
available only on luxury Pack-
ard models.

The decision to make the non-
slip differential available on
Clipper cars brings to the medi-
um-price car field one of the

major improvements in automo-
tive differentials in more than
30 years.

The Clipper non-slip differen-
tial transmits extra power to the
rear wheels in the proportion
necessary to solve an adverse
driving situation and to the rear
wheel where power can be used.

For example, suppose one rear
wheel is unable to get tractive
grip in sand, gravel, snow, on
ice or on any other adverse road
conditions. The Clipper non-slip
differential will transmit tracti-
ve force to the rear wheel on the
firmer surface, and this
transmission of power will be as
much as 80 percent to the degree
necessary to propel the car.

Did you know that the Brook-
lyn Dodgers used 24 players in
a game against the New York
Giants in 1948?

The Teens Speak Up . . .

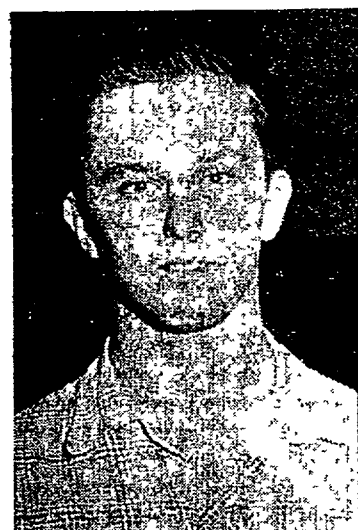

DAVID

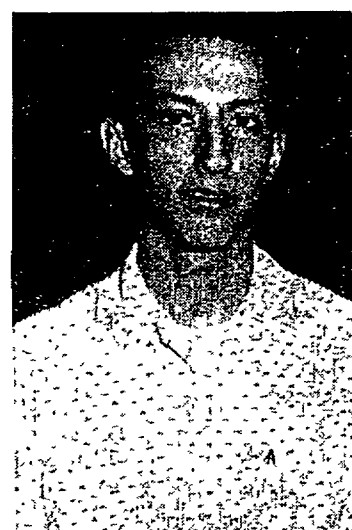

ROGER

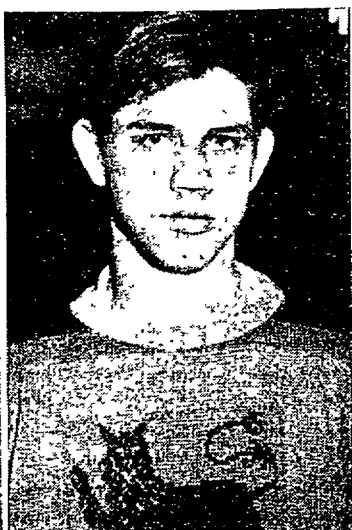

HAROLD

JOE

NORM

ANTHONY

Repeating the same questions that we asked the girls last week we asked NHS boys:

At what age would you like to get married?

How large a family do you want?

Would you like to make Northville your permanent home after marriage?

JOE HAYES, 17, senior, wants to get married after he graduates from college. "About 22 or 23," he said. When we asked him how many children he would like to have, he shook his head and said, "I don't want just one, but on the other hand I don't want 25...maybe three." Joe said that he doesn't want to live in Northville. "I don't know where," he said, "but not here. I want to get away from cities and live in the country."

ANTHONY OLIVICH, 17, senior, would like to graduate from college with a degree in chemical engineering and then establish himself in the business world before he marries. Anthony said he might get married when he's 28 years old. "I'd like two children," he said, "and I'd like to live in Northville or a similar small town."

ROGER NIEUWKOOP, 17, senior, expects to graduate from college as a science teacher and complete two years in the service before getting married at "about 24." He would like two children. "Yes, I'd like to live in Northville," Roger said, "but you never know where you'll have to live when you're a teacher."

DAVID MOSHER, 17, senior, hopes to marry when he's 24 years old. At that time he expects to be graduated as a minister. David would like three children. He said, "No, I wouldn't want to live in Northville. I want to live in Texas. It's the best place I ever lived."

NORM SOMERS, 17, senior, is the only boy we interviewed who said, "I want to be a bachelor." (Personally we don't think that

Children Assigned New Homework

Northville children will leave school Friday afternoon with a new kind of homework—loads of it. The papers they will carry home Friday explain their big task, which is to collect clothing for "Bundle Week in Michigan," a project co-sponsored by public schools and Save the Children Federation.

Teachers have tacked posters to classroom walls, urging pupils to "Bring Hope to a Needy Child, Give Good Used Clothing to Your Bundle Drive." Monday through next Friday should prove a very busy period.

Superintendent of Schools Russell Amerman explained today, "Getting clothing for children is a national project of Save the Children Federation. The cloth-

ing the girls will let him do that. "I want to go to college and study pharmacy," Norm said. "The second question there was, of course, no answer. Norm said, 'No, definitely I will not live in Northville. I want to live in the northern part of Michigan. There are more sport activities there to participate in during all the seasons.'"

HAROLD WILSON, 17, senior, intends to graduate from college with a degree in business administration and get married when he's about 24 years old. He would like to have two children. Harold doesn't want to live in Northville either. "I would like to live in some part of the lower peninsula," he said. "I like to meet new people...change the scenery. I know too many people here."

OUR COMMENT: Some like it here, some like it there...to each his own.

Out of the 11 teenagers we interviewed, only two wanted to leave the state of Michigan. This should make Michigan Week promoters happy because they say, "It's great to live in Michigan."...the teenagers we interviewed seemed to think so too.

ing we raise money for mainly to help needy boys and girls in the Southern Appalachian Mountains and on the Navajo Indian Reservation. I hope our schools will make a sizeable contribution to this important drive."

Mr. Amerman said that children's clothing is the major need, but infant and adult wear are also welcome. All clothing should be clean, mended if necessary, and wearable.

Save the Children Federation will distribute most of this clothing in the United States. Some will be given without charge to boys and girls on the Navajo Reservation and in the Southern Mountains. Some will be sold for nominal prices to those mountain people who rebel against accepting charity. The remainder will be shipped overseas to Europe and Korea or stockpiled for use during emergencies such as fires, floods, or earthquakes.

The Federation was founded in 1932 as an international child service agency and has national headquarters at 345 E. 48th St., New York City. It operates in 10

overseas countries and in isolated rural areas of this country. Included among its national sponsors are Miss Faith Baldwin, Raymond E. Baldwin, Mrs. Sherwood Eddy, Mrs. Dwight D. Eisenhower, Herbert Hoover, Henry R. Luce, Sen. H. Alexander Smith, the Rt. Rev. Henry St. G. Tucker and Thomas J. Watson.

For the price of five pounds of potatoes you can cook twelve complete meals for a family of four on your electric range. Note of interest: only an electric range is "white-glove" clean. No wonder smart homemakers say:

"You can Live Better...Electrically"

SEE YOUR DEALER OR DETROIT EDISON

TAKES OFF LIKE YOU'RE WEARING SPURS

Come try it —
and you're in **BUICK'S THRILL-A-MINUTE CLUB**

THE THRILLS begin in the first sixty seconds —and from then-on they come in clusters.

Right off, you feel the stepped-up getaway in Buick's new Variable Pitch Dynaflo®—a blazing new take-off even before you switch the pitch.

Because now—right in the topmost inch of pedal travel—right where you do most of your driving—right in the fuel-saving economy range—you're moving with a solid new "take-hold" getaway that's brisk and blessedly smooth.

Then you double the thrill.

For when you want to pass—or climb—or get out of a tight spot fast—you floor the pedal and switch the pitch. That brings you an absolutely smooth burst of full-power go-ahead on the split second—and it's the nearest thing to soaring flight yet.

It's a double-barreled package of excitement—

and it's teamed with the most powerful V8 engine in Buick history—a 322-cubic-inch engine with no less than 9.5 to 1 compression in every CENTURY, SUPER and ROADMASTER.

All that would seem like thrill enough—but you'll find you've hardly scratched the surface.

You'll find yourself glowing all over from the sweet and level buoyancy of Buick's great new ride.

You'll feel a serene satisfaction from the way this trim beauty handles and corners and tracks to the road with the truest sense of direction yet.

And certainly you'll have to feel the good feeling that's yours just from bossing this big and brawny and beautifully sculptured automobile that's like a thing alive, and impeccably obedient.

We'd like you to know and feel all this firsthand—just by trying out a new Buick. That's all you do to join Buick's Thrill-A-Minute Club.

Why not become a member in good sitting today? And when you do, we have some big-thrill news on prices, too.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

Pastor's Study ...

(Continued)

could be present at the morning services. In 1642, because of a shift in economic conditions, Pope Urban VIII was forced to declare the last three days of Holy Week no longer holy days of obligation. With schools, factories and business places open on these days, the solemn and important liturgical services have been held in churches that in many cases were almost deserted.

These Holy Week services have such dignity, sacramental force, and power for nourishing christian life (which cannot be supplied by substitutes), that they had to be restored to the people. And so the church, by simplifying the services and restoring them to their proper time-setting, makes it possible for Catholics to attend in great numbers and reap the rich spiritual benefits of Holy Week.

The Restoration of the Holy Week services poses the danger that it might be considered as merely a new "time-table" of services or a change in ceremonies. To understand Holy Week properly and to realize its full significance and bearing on our lives, we must go back to the final week of our Blessed Savior's mortal life on earth and beyond that — into the Old Testament.

(Adam, by his sin of disobedience, lost for us humans the

great gift of divine life, but God promised to send a Redeemer who would restore it. Later on, when His chosen people (the Israelites) were oppressed as slaves in Egypt, God chose Moses to liberate them. On the night of the Passover, they were to eat the Paschal Lamb and smear its blood on their doorposts so the destroying Angel would not kill their first-born sons. Then God led them out of Egypt through the Red Sea, going before them by day in a pillar of cloud and by night in a pillar of fire, and feeding them with manna in the desert. Finally He made them a great nation under King David, from whom His divine Son was descended, through Mary.

These Old Testament types are fulfilled in Christ and recalled in our Holy Week worship. Palm Sunday is a popular demonstration in honor of Christ the King. Holy Thursday marks the Passover Supper at which He gave us the Holy Eucharist. On Good Friday the Lamb of God was slain to redeem us. The "blessed night" of Holy Saturday brings us the Risen Christ, the light shining in the darkness (the Pillar of fire), who led us from sin to life through the waters of Baptism.

Holy Week must be not merely a reenactment of the drama of Redemption, but re-living it, which we actually experience. It must bring about in us vital results, not a mere "putting on" of virtues, like hanging orna-

Girl Scout News

Collected by Corinne Bertoni Brownie Troop No. 4
Our meetings are from 3:30 to 4:30 every Monday night after school at the Scout Hall. At our last meeting we had a small puppet show, which all the girls enjoyed. Diane Geraghty received her Brownie pin. We all enjoy and look forward to our meetings.

Scribe, Susan Conway

Girl Scout Troop No. 17
We practiced for our play and worked on our play costumes. Karen Peterson was chosen to present our Juliette Low pennies.

Leader, Mrs. LeFevre

Girl Scout Troop No. 11
At our last meeting we worked on items to sell at our bake sale. We brought our Juliette Low pennies and Linda McKinney was chosen to present them. We closed

on a Christmas tree, but a "growing in Christ" through the divine life of sanctifying grace, like the vine whose living branches bear fruit.

ed our meeting with taps.

Scribe, Maureen O'Brien

Girl Scout Troop 10
At our last meeting we discussed and looked over the requirements for the Good Grooming proficiency badge. We decided on the refreshments for our square dance that will be held Friday, April 6.

Scribe, Sandy Niles

Girl Scout Troop 8
We finished painting the chairs and making the curtains for the Scout Hall where we have been holding our meetings. Twice a week we supply the Old Mill Restaurant with cakes. The girls take turns making the cakes and the money goes to our troop treasury. Wednesday, the 14th we entertained the Novi Girl Scouts.

Scribe, Roseanne Perrault

Girl Scout Troop 14
We finished our afghan squares. We also talked about what to do about our good grooming badge. Then we made our boxes to put our knitting in.

Scribe, Murilla LeFevre

Services in American Legion Hall, N. Center and Dunlap. Sunday 10 and 11 a.m. Sunday, 7:30 p.m.

Amendment to the Zoning Ordinance of the Township of Northville, Michigan

AN ORDINANCE ENACTED UNDER ACT 184, PUBLIC ACTS OF 1943 OF THE STATE OF MICHIGAN, AS AMENDED, TO PROVIDE FOR THE ESTABLISHMENT OF ZONING DISTRICTS LYING WHOLLY WITHIN THE UNINCORPORATED PARTS OF THE TOWNSHIP OF NORTHVILLE, WAYNE COUNTY, MICHIGAN, WITHIN WHICH ZONING DISTRICTS THE USE OF LAND, NATURAL RESOURCES, AND STRUCTURES, INCLUDING TENTS AND TRAILER COACHES, THE HEIGHT, THE AREA, THE SIZE, AND THE LOCATION OF BUILDINGS HERE-AFTER ERRECTED, THE LIGHT AND VENTILATION OF SUCH BUILDINGS, THE AREA OF YARDS, COURTS AND OTHER OPEN SPACES, AND THE DENSITY OF POPULATION SHALL BE REGULATED; TO PROVIDE FURTHER FOR A METHOD OF ADMINISTRATION AND ENFORCEMENT OF ITS PROVISIONS AND TO PRESCRIBE PENALTIES FOR THE VIOLATION OF ITS PROVISIONS; TO PROVIDE FOR A BOARD OF APPEALS AND ITS POWERS AND DUTIES.

THE TOWNSHIP OF NORTHVILLE ORDAINS:

PART I That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of Section 1.52 and 1.53 respectively, to read as follows:

1.52 MOBILE HOME OR TRAILER COACH. Any mobile home, house car, house trailer or similar mobile unit, which may be used as a portable lodge or sleeping quarters.

1.53 MOBILE HOME PARK OR TRAILER COACH PARK. This term applies to any lot or tract of land upon which three (3) or more occupied mobile homes, or trailer coaches are harbored either with or without charge and shall include any building or enclosure intended for use as a part of the equipment of such park.

PART II. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of Section 2.01 by the addition of the following District designation:

4A. R-3 MOBILE HOME DISTRICTS.

PART III. That the Zoning Ordinance of the Township of Northville is hereby amended by the deletion of Section 3.07 from the Ordinance.

PART IV. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of a new Article to appear and become known as Article VII A. R-3 MOBILE HOME DISTRICTS as follows:

ARTICLE VII A. R-3 MOBILE HOME DISTRICTS

Section 7A.01. USES PERMITTED. In all R-3 Districts no building or land, except as otherwise provided in this Ordinance, shall be erected or used, except for one or more of the following uses:

(a) All uses permitted in R-2 Districts.

(b) Mobile home parks, on approval of the Township Zoning Board, pursuant to Article XV, Section 15.03 (f).

7A.02 R-2 USE. Any use permitted in R-2 Districts shall comply with all the requirements as specified for those used in Article VII.

7A.03 MOBILE HOME PARK REQUIREMENTS

(a) STATE ACTS. Mobile home parks shall comply with Act 143 of the P.A. of 1939 and Act 255 of the P.A. of 1949 and Act 216 of the P.A. of 1955 being M.S.A. 5.278 etseq, or as amended.

(b) BUILDING HEIGHT. No building or structure, hereafter erected or altered in a Mobile Home Park, shall exceed one and one-half (1½) stories or twenty-five (25) feet.

(c) So as to maintain yard space for the different sizes of mobile homes or trailers, the following minimums shall be required:

1. An open area shall be provided on each mobile home lot, to insure privacy, adequate natural light and ventilation to each home and to provide sufficient area for outdoor uses essential to the mobile home, eighty (80%) per cent of the lots in any one Mobile Home Park shall not be less than three thousand (3,000) square feet in area and twenty (20%) per cent of the lots in any one Mobile Home Park shall not be less than two thousand four hundred (2,400) square feet in area.

2. The sum of the side yards at the entry side and non-entry side of a Mobile Home stand shall be not less than thirty-two (32) feet, except that for the twenty (20%) per cent of the lots having not less than twenty-four hundred (2,400) square feet of lot area, the minimum sum of side yards shall be not less than twenty-

five (25) feet. Provided, however, there shall be a side yard of not less than fifteen (15) feet at the entry side of the mobile home stand and a side yard of not less than five (5) feet at the non-entry side of the mobile home stand. There shall be a rear yard of not less than five (5) feet at the rear end of the stand and a front yard of not less than ten (10) feet at the front end of the mobile home stand. For irregularly shaped side yards, the sum is determined as the sum of the average width of each side yard, provided that the required minimums above are maintained at all points in the side yard.

3. No mobile home shall be located closer than fifty (50) feet to the right-of-way line of a main public highway, or twenty (20) feet to the Mobile Home Park property line.

4. Paved, off-street car parking spaces shall be provided in sufficient number to meet the needs of the occupants of the property and their guests, without interference with normal movement of traffic. Such facilities shall be provided at the rate of at least one and one-quarter (1¼) car spaces for each mobile home lot.

5. Each mobile home lot shall be provided with a stand consisting of a solid concrete apron eight (8) feet wide by forty-five (45) feet long or two (2) concrete ribbons each not less than twenty-four (24) inches wide and forty-five (45) feet long and such apron or ribbons shall be five (5) inches in thickness and shall be of Grade A Concrete. Where concrete ribbons are used the area between the ribbons must be filled in with a six (6) inch layer of crushed rock or slag.

6. Enclosed canopies or skirting shall not be permitted on any mobile home, provided, however, a uniform skirting supplied by the Mobile Home Park Management may be permitted on approval of the Township Zoning Board. Each mobile home shall be jacked up on a uniform jack or uniform block, which shall be supplied by the Mobile Home Park. No mobile home shall have its wheels removed (except for repair), be placed on posts, walls or any other temporary, or permanent foundations; and no other building or structure shall be attached to it other than one (1) metal utility cabinet. This shall not prevent the use of an awning of aluminum, canvas or fiber glass, which space may be screened in with mesh screen. Such screened area shall not be greater than nine (9) feet in width nor shall said area be enclosed or glassed in.

(d) In order that a Mobile Home Park may be harmonious within itself and also with its surrounding neighbors, the following regulations shall be required.

(1) Streets shall be provided on the site where necessary to furnish principal traffic-ways for convenient access to the mobile home site, and other important facilities on the property. The street system shall provide convenient circulation by means of minor streets and properly located collector and arterial streets. Closed ends of dead-end streets shall be provided with a turning circle of not less than forty (40) feet outside radius.

The rights-of-way shall be of adequate width to accommodate the contemplated widths of pavement, sidewalk and planting strips, but shall not be less than sixty (60) feet for main drives or entrance drives and not less than fifty (50) feet for minor or secondary streets.

Streets shall be paved and such pavement shall be of adequate width to accommodate the contemplated parking and traffic load in accordance with the type of streets, but shall not be less than twenty-seven (27) feet in width for main drives or entrance drives, provided, however, such pavement may be twenty (20) feet in width when no parking is allowed on the pavement. The pavement width for minor or secondary streets shall not be less than twenty (20) feet.

Curbing shall be required, provided, however, the Township Zoning Board may approve plans without curbs where such plans show other adequate means for the control of surface drainage, protection of the edges of the pavement and the roadway shoulder and for the prevention of erosion along the shoulder and berm of the roadway.

All streets and appurtenant structures shall comply with the standards as required by the Wayne County Road Commission for subdivision streets.

2. The Mobile Home Park primary walk system, including

walks along main drives and secondary streets, shall be not less than three (3) feet in width and not less than four (4) inches thick. The secondary walk system, including walks from each mobile home entrance to facilities on the lot and connections to the primary walk system, shall be not less than thirty (30) inches wide and not less than four (4) inches thick. All walks shall be of Grade A concrete.

3. All electric lines, from supply poles and leading to each mobile home stand, shall be underground and shall be provided with a 3 wire balanced 115-230 volt supply. When separate meters are installed, each meter shall be located on a uniform standard post on the lot line of each mobile home stand. Wiring shall comply with Detroit Edison Code for Mobile Home Parks.

4. There shall be provided an area of not less than one hundred (100) square feet for recreation, for each mobile home lot in the Mobile Home Park, with a minimum area of not less than five thousand (5,000) square feet, which shall be no longer than two (2) times its width, located not more than five hundred (500) feet from the furthest mobile home lot served. Such area shall be developed and maintained by the management so as to provide healthful recreation for the children of the Mobile Home Park.

5. A greenbelt planting strip, not less than twenty (20) feet in width, shall be located and continually maintained along all exterior boundary lot lines not bordering a street. Such greenbelt shall be composed of one (1) row of deciduous and/or evergreen trees, spaced not more than forty (40) feet apart and not less than three (3) rows of shrubs, spaced not more than eight (8) feet apart and which grow at least to a height of five (5) feet or more after one (1) full growing season and which shrubs will eventually grow to a height of not less than twelve (12) feet.

6. The front yard and side yard adjacent to a street shall be landscaped and the entire Mobile Home Park shall be maintained in a good, clean presentable condition at all times.

7. No business, of any kind, shall be conducted in any mobile home, trailer or building or on the premises of the Mobile Home Park.

8. Street and yard lights, sufficient in number and intensity to permit the safe movement of vehicles and pedestrians at night, shall be provided, and shall be effectively related to buildings, trees, walks, steps and ramps.

9. All fuel oil and all gas tanks shall be located on each mobile home lot in a uniform manner. All tanks shall be of an approved type to comply with building code standards and shall be equipped with vent pipes and with fused valves. All tanks shall be elevated on non-combustible stands and placed on a concrete precast base.

10. Each mobile home may be provided with one (1) metal utility cabinet, which shall not exceed four (4) feet in width, three (3) feet in depth and five (5) feet in height, which shall be uniform as to size and location throughout the Mobile Home Park. All cabinets shall be kept clean and shall be maintained in a good condition.

11. There shall be no storage underneath any mobile home and each mobile home lot shall be maintained in a clean and presentable condition at all times.

12. Mobile home lot line fences shall be uniform in height and shall not exceed thirty (30) inches in height and shall be constructed in such a manner as to provide firemen access to all sides of each mobile home.

13. The grounds of the Mobile Home Park shall be graded to drain properly.

(e) BUILDINGS. All buildings shall meet the requirements of the Northville Township Building Code and the requirements of the State of Michigan or the Federal Housing Administration whichever is the most restrictive.

(f) ENTRANCE AND EXIT APPROVAL. Entrances and exits from County or State highways shall have the prior written approval of the Highway Authority having jurisdiction within the Township.

PART V. That the Zoning Ordinance of the Township of Northville is hereby amended by the amending of Section 10.01 by the addition of a new paragraph to appear and become known as paragraph (h) to read as follows:

(h) Motels.

PART VI. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of a new section to appear and become Section 10.12 to read as follows:

Section 10.12 MOTEL AND MOTOR COURT REGULATIONS.

(a) LOT AREA AND YARD REQUIREMENTS FOR MOTELS OR MOTOR COURTS. In C-Districts each unit of a motel or motor court shall be provided with a lot area of not less than six hundred (600) square feet for the first unit of one hundred seventy-five (175) or more square feet and an additional lot area equal to two (2) times the room area for each additional room of eighty (80) square feet or more; side yards of not less than ten (10) feet each; a front yard of not less than twenty-five (25) feet; and a rear yard of not less than fifteen (15) feet; and no separate buildings shall be less than ten (10) feet apart.

Where the front yard is used to provide an access road and off-street parking space, a planting strip not less than five (5) feet wide shall be provided and maintained along the front lot line, two (2) driveway openings not more than twenty-four (24) feet each in width excepted, as a landscaped area with a low hedge or suitable planting.

(b) SIZE OF MOTEL OR MOTOR COURT UNITS. Each unit shall have one (1) room of not less than one hundred fifty (150) square feet of floor area, a bathroom of not less than twenty-five (25) square feet of floor area, and not less than fifty (50) square feet of floor area for a kitchenette, if such kitchenette is provided.

(c) One complete dwelling unit, of not less than seven hundred and twenty (720) square feet of floor space, for the permanent residence of the owner or manager of the motel or motor court, shall be provided as a part of each motel or motor court group.

(d) MOTEL OR MOTOR COURT OCCUPANCY. No guest shall occupy a motel or motor court unit for more than sixty (60) days within any calendar year.

(e) GREENBELT OR BARRIER WALL. Where a motel or motor court is adjacent to a residential district, or where a rear yard of a motel or motor court is located on the opposite side of a street zoned for a residential use, a four (4) foot chain link fence or a masonry wall, not less than three and one-half (3½) feet and not more than five (5) feet in height, shall be erected on the property line and a greenbelt planting strip shall be planted and continually maintained inside of and parallel to such fence or masonry wall. The greenbelt planting strip shall be composed of deciduous or evergreen trees, spaced not more than forty (40) feet apart and not less than one (1) row of shrubs spaced not more than five (5) feet apart and which grow at least five (5) feet or more in height; provided, however, that no deciduous tree shall be planted nearer than twenty-five (25) feet of any adjacent side property line.

(f) OFF-STREET PARKING. Off-street parking requirements for motels and motor courts shall be the same as for Tourist Homes (3.21 (h) 3).

PART VII. That the Zoning Ordinance of the Township of Northville is hereby amended by the addition of a new paragraph to appear and become known as paragraph (f) of Section 15.03, as follows:

15.03 (f) Permit a Mobile Home Park to be established or extended in a district permitting such use, when it is found, after review of the plans, the State Application, and any other pertinent information, that such Mobile Home Park will meet with all the district requirements and the laws of the State of Michigan and that such location, when fully developed and landscaped, will be in harmony with other uses in the district and provided, that the necessary community facilities are available to furnish services for the Mobile Home Park.

PART VIII. VALIDITY. Should any section, clause or provision of this Ordinance be declared by the courts to be invalid, the same shall not affect the validity of the Ordinance as a whole, or any part thereof, other than the part so declared to be invalid.

PART IX. CONFLICTING PROVISIONS REPEALED. Any ordinance or parts of any Ordinance in conflict, herewith, are hereby repealed.

PART X. EFFECTIVE DATE. The provisions of this Ordinance are hereby declared to be immediately necessary for the preservation of the public peace, health and safety and are hereby ordered to take effect thirty (30) days after final enactment and publication.

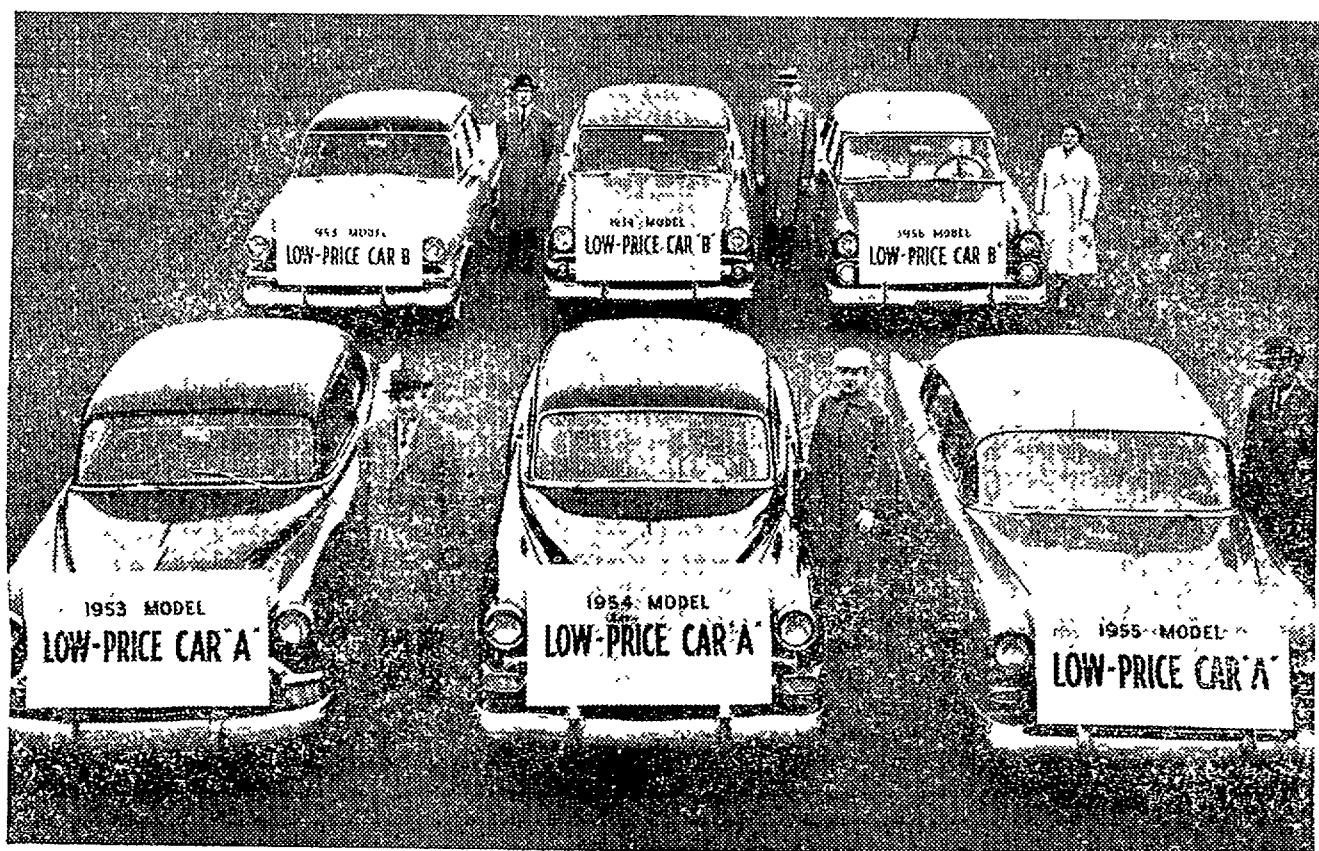

NORTHVILLE TWP. BOARD
Mollie Lawrence,
Supervisor

Daniel J. Stark, Clerk

I, Daniel J. Stark, Clerk of the Township of Northville, do hereby certify that the above Ordinance was approved and adopted by the Northville Township Board at a regular meeting thereof, duly called and held on the 6th day of March, A.D. 1956, and was ordered to be given publication in the manner prescribed by law.

Daniel J. Stark, Clerk

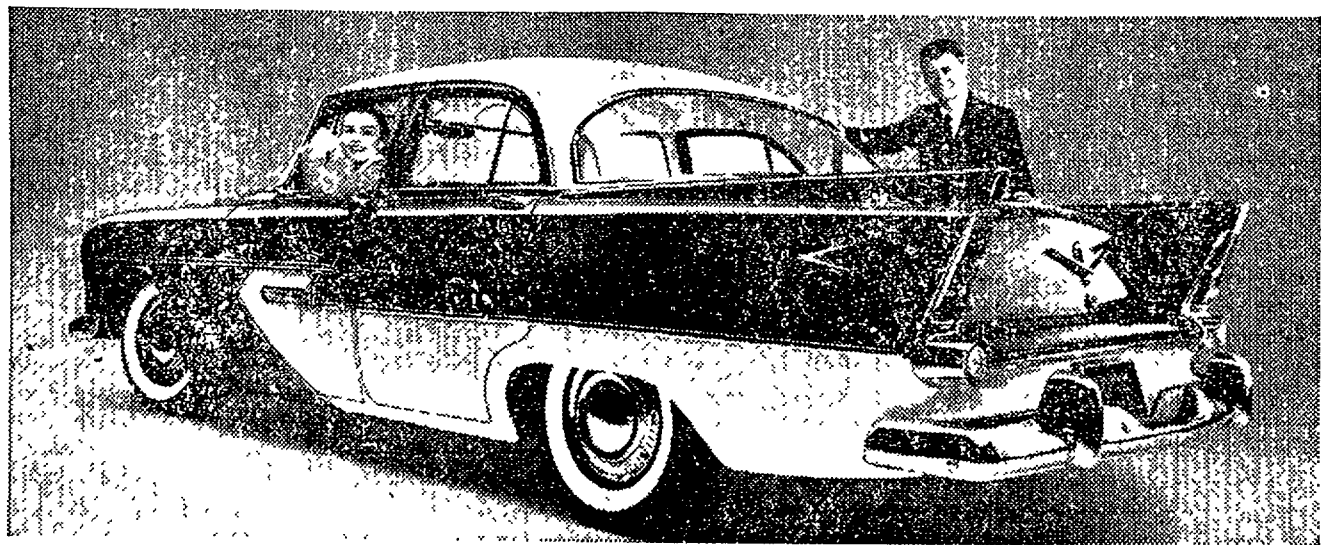

If you own one of these cars...

it'll pay you to trade now for a new 1956 PLYMOUTH

Perhaps you haven't bought a new model of your present make of car because you've been disappointed at how little that car has changed this year. Fact is, the only really NEW low-price car this year is PLYMOUTH, and it'll

pay you to buy a new 1956 Plymouth NOW. Your present car is at the peak of its trade-in value today, and right now you'll get a money-saving High Volume Deal at your Plymouth dealer's. See him today—you'll be glad you did.

ONLY PLYMOUTH'S NEW THIS YEAR. In a year of otherwise "warmed-over" car styling, Plymouth brings you tomorrow's styling today in its all-new Aerodynamic Design. Plus the biggest size of any low-price car.

NEW PUSH-BUTTON DRIVING—Plymouth's alone in the low-price three! A positive mechanical control, Push-Button Drive is the safest and easiest ever designed! Optional on all 29 new Plymouth models. Try it!

PLYMOUTH GIVES YOU MORE VALUE for your dollar with features such as electric windshield wipers, Safety-Rim wheels, twin-cylinder front brakes that the other low-price cars don't have. See the NEW Plymouth today!

PDC

From the day you buy it...through all the years you own it...you'll spend less on a Plymouth. That's one reason more Plymouths are used as taxis than all other cars combined.

PLYMOUTH costs less

OVER 30 EDITIONS EASTER BIBLES From 35c to \$22.50

This year give life-time Bibles for inspiration, for happiness and for health. Wide range in Testaments, King James, Moffet, New Revised versions in red, white, and black leather.

Also popular books by Billy Graham, Peale, Marshall, etc. Also Bible dictionaries, histories, Bible stories, "How Came The Bible?" by Goodspeed, etc.

PURSELL OFFICE SUPPLY

637 South Main Plymouth
Open Monday and Friday evenings 'til 9 o'clock

Fashions change in roof coverings as well as hats. The new white and pastel colors seem to change the whole appearance of a house either old or new. Our Bird and Carey lines may be old reliable products but their colors are brand new and right up to the trend. Let us prove it to you with our samples. Monthly payment plan if you like.

WATER SOFTENER

Introducing the completely new concept in water softening, the CENTURY FULLY AUTOMATIC.

- There's nothing else like it on the market
- End your hard water, rusty water, and other problems connected with water
- FREE ESTIMATES
- Free water analysis
- Easy Terms (no money down, 36 months to pay)
- 10-year warranty
- Dowex lifetime mineral (guaranteed for life)
- Guaranteed to remove iron from your water. Satisfaction or your money back guarantee

• An Electric "BRAIN" regenerates this ultra-modern softener... NO BUTTONS, NO VALVES to turn, no service men tracking in Fall mud and winter slush.

We Will Make An Allowance on Your Old Water Softener In Trade

SHOWING OFF their new brightly colored rest mats are kindergarten children at the Amerman school. The mats are made of quilted plastic; one side is plain colored and one side is floral print. The kindergarten room mothers, Mrs. Rolf Batzer, Mrs. Frederick Stefanski, Mrs. LaGene Quay, Mrs. John Stubenvoll and Mrs. Frank Bongiovanni, purchased the mats from the profits of a recent bake sale. The pupils happily posed for this picture with their teacher Mrs. Ann Chizmar. Top row, left to right: Linda Johnson, Bill Harrison, Lanny Stratton, Larry Biddle, Harry Sanders, Bill Sample and Craig MacDermid. Middle row, left to right: Jane Jerome, Lucinda Hotchkins, Susan Cox, Renee Westphall, Ronnee Bell and Louise Marroni. Bottom row, left to right: Rhonda Bongiovanni, Lynne Bentley, Sandra Bongiovanni and Sharon Miller.

Sixth Graders Present Foreign Lands Program

Twenty-eight sixth grade students of Mrs. Eva Donovan, at the Amerman school, entertained approximately 61 guests with a "Foreign Lands" program Mar. 7.

The class had been divided into nine groups, each representing a country of Central Europe.

With the help of Mrs. Burton, each group presented a folk dance or song typical of their country.

Following the entertainment the students gave a short history of their country including its cultural influence to civilization.

The room mothers prepared special refreshments for the program featuring popular dishes of each of the countries. The variety included Switzerland, Cheese Fondue; Hungary, Lemon Drops; Belgium, Red Cabbage and Apples; Poland, Polish Sausage; Germany, Cookies; Austria, Chicken Paprika; France, French Bread; Czechoslovakia, Czechoslovakia Wonders, and Holland, Droste's Cocoa.

WINNER, ELEVENTH NATIONAL TRAFFIC SAFETY POSTER CONTEST

The children would like to thank all of the teachers in the Amerman school who helped them with their special project

3rd Grade Election

The third grade class of Miss Pearl Hensch, in the Amerman school, held an election last week.

Those elected to office for the month of March were Barbara Zavcar, chairman; Sandra Moe, caretaker; Ronnie Vradenburg, hall cop, and Stephen Chismark, librarian.

These four officers will also represent room 8 in the Representative Assembly.

Third Grade Students Write Report On Food Project

Third grade students in the Northville grade school recently completed a unit on food under the direction of their teacher, Martha S. Egge.

Four of the students, Jean Downer, Linda Hall, Mary Severance and David Schmidt, wrote a report which the Record prints below.

The report not only shows what the children studied and learned, but the way in which they did it... working together.

A UNIT ON FOOD

By Jean Downer, Linda Hall, Mary Severance and David Schmidt

In the third grade, room eight, we had fun. We made things out of clay and colored paper. We will tell you about the things we made.

Linda Puff and Donald St. Clair worked on grains. They ground corn and got corn meal. Jean Downer ground wheat between stones. She had whole wheat flour, and after she sifted it, she had white flour and bran. Cereals are made from grain.

Most dairy products come from a cow. Garry Davis and Linda Hall worked on dairy products. Linda made a cow, and Garry made some milk bottles, cheese, cream and butter out of clay. Ice cream is a dairy product.

Ham and pork come from hogs. Roast beef, beef steak and beef heart come from cattle. Bacon comes from hogs. Kenneth Reid and Gerald French worked on meats. Robert Elwell learned that buttons, soap, brushes, and leather come from cattle and hogs too.

Lemons, limes, grapefruit and tangerines are called citrus fruits. The name grapefruit might have come from grapes because they grow in bunches. James Weidner, Jack Ellerholtz and Mary Severance worked on citrus fruits. Mary made a factory where fruit juices are canned.

Fish is good food. Here are some names of shell fish; oysters, shrimp, lobster and crabs. Most lakes have fresh water in them and water that comes from the ocean is salty. Salty water has lots of good fish in it too. Salmon is a salt water fish. Leonard Fritz worked on fish.

We have three kinds of sugar. They are cane sugar, beet sugar and maple sugar. Cane sugar stalks look something like corn. Sugar cane grows where it is warm. Beet sugar grows in places where it is cool. Bees get nectar out of flowers. Then they make honey out of the nectar. When we did our project, Brenda Polak worked on honey. Frederick Williams, Susan Flavin and Terry Collins worked on sugar.

Cherries, plums, apples, pears and peaches are all local fruits. All fruits are very good for you. James Ritchie and Ray Casterline worked on local fruits.

Chickens, ducks, geese and turkeys are poultry. Stanley Kaczor and Danny Lowe made ducks, chickens, geese and turkeys out of clay.

Nuts are protein. Protein is good for you. An English walnut has a thin shell. Lots of English walnuts are grown in California. Brazil nuts come from South America. Pecans are grown in

our southern states. Kent Hunter, Kenneth VanSickle and Roger Linehart worked on nuts when we did our project.

Tropical fruits grow best where it is hot most of the time. Bananas grow with the bananas pointing up. Dates grow in bunches. When the dates are ripe they are yellow. One pineapple is a pineapple plant. Pineapples grow on pineapple plantations. Linda Angell, Patty Sousa and David Schmidt were on the tropical fruit committee.

Barbara Zerbel worked on berries.

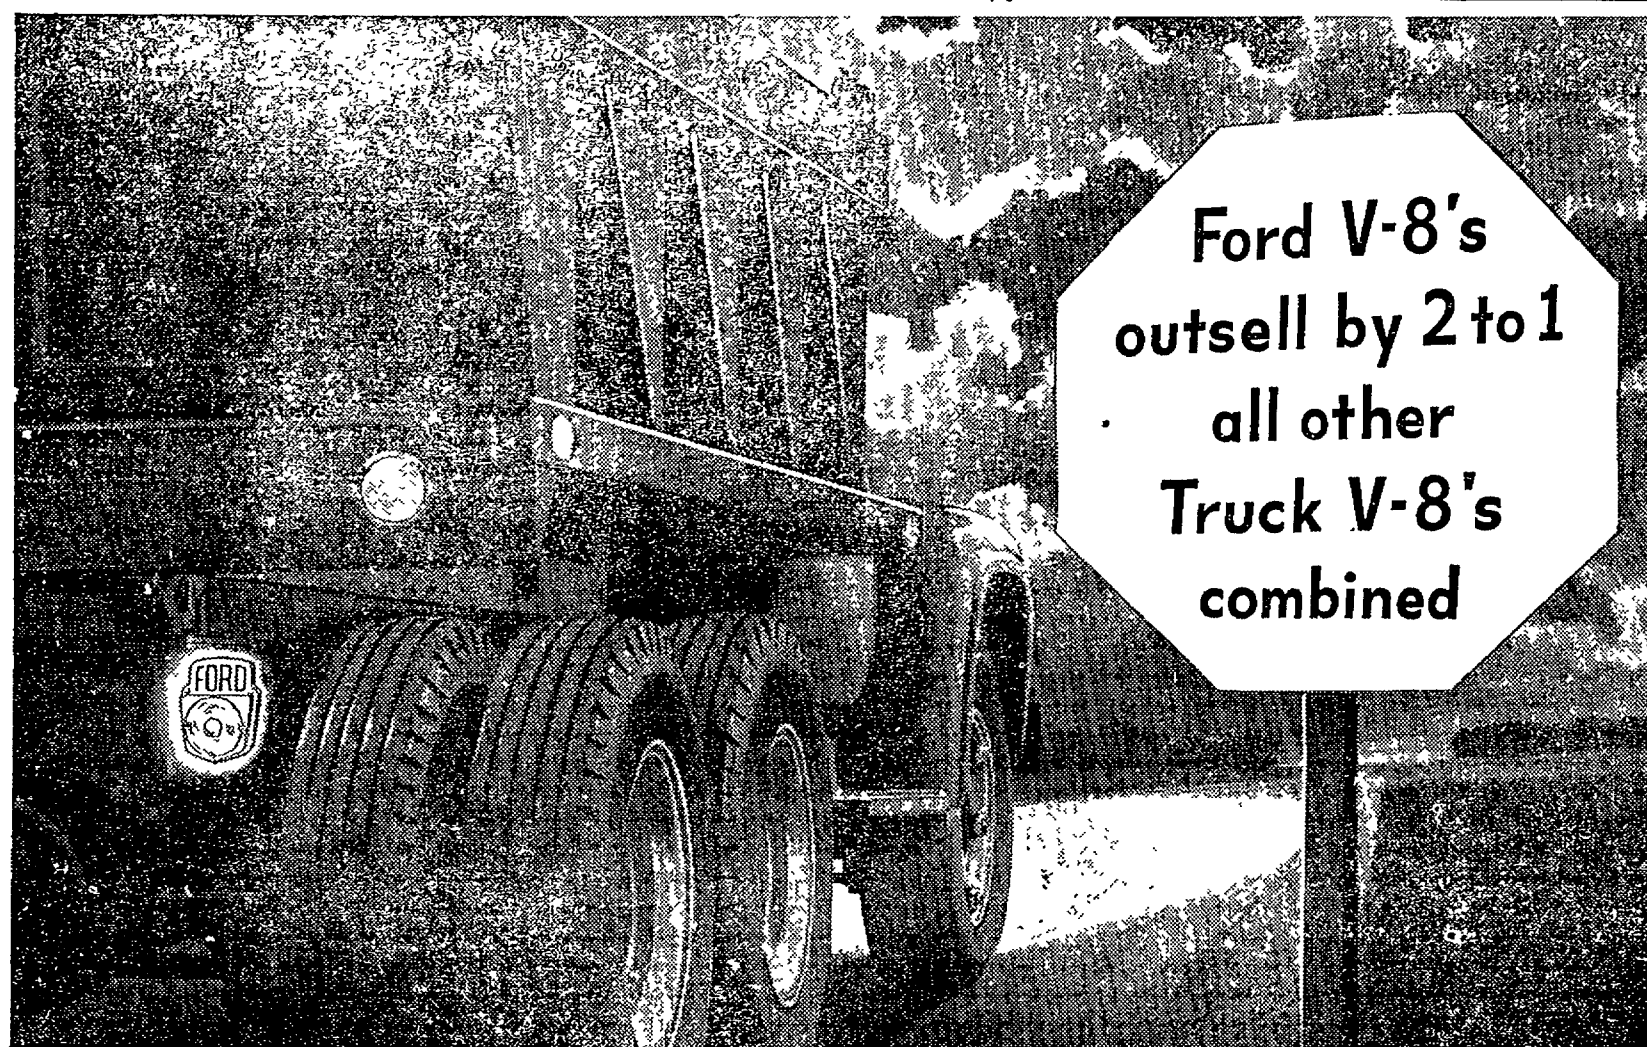

Justine Cusson and Bonnie Rorabacher made many different kinds of vegetables. We should eat cooked and raw vegetables every day. They are very good for your health. Maureen Darnell worked on vegetables too.

Economical performance is the big reason why Ford's the V-8 leader!

It takes a FORD to squeeze maximum power out of today's gasoline

Prefer a SIX?

Ford is the only manufacturer who gives you a Short Stroke Six in the light-duty field. It's the most modern, most efficient Six because it gives you more horsepower per cubic inch than any other Six. And in a Ford Six you get integral valve guides, free-turn intake and exhaust valves—plus a deep-skirt crankcase for longer, smoother engine operation.

Shown above is the biggest Pickup box in the ½-ton field—a new 8-ft. box, available on the Ford Pickup at low extra cost.

Only Ford gives you modern Short Stroke power—
V-8 or Six—in every truck! Short Stroke design means up to
53% more power with no increase in engine size

Just one kind of engine can give you all the mileage built into today's gas. And that's a modern Short Stroke engine—the new kind of truck power pioneered by Ford.

Short Stroke engines develop the kind of power that used to be possible only with much bigger engines. And Short Stroke engines do it on less gas! The shorter stroke means less piston travel,

which means less friction to waste power and gas, and less wear, too. You get more usable power also—power that works for you at the rear wheels!

New Ford Trucks save you money when you buy! Ford is America's lowest-priced line of V-8 trucks.* And right now your Ford Dealer is offering attractive terms for spring. Call him today and find out what a sweet deal you can get!

*Based on a comparison of suggested list prices.

FORD TRUCKS

Ford Trucks Last Longer! Certified by Independent Insurance actuaries for the ninth consecutive year! Studies of over 10,068,600 current license registrations show that Ford Trucks last up to 9.9% longer than any of the other 4 leading truck makes!

COME CLEAN
WITH ME,
MOM!

YOU may be able to kid yourself, but you can't kid me. Even if I am still wet behind the ears, I know that the way *you* do the shopping doesn't save any money. In fact, if we really figure it out, we'll discover several dollars a month going down the drain.

I'm talking about your habit of gallivanting off to the big-city stores. That kind of shopping is just about all washed up with the really smart women around town. They've decided against spending money for gas, oil, parking, and car repairs. They've decided there's no point to fighting heavy traffic into the city and back, wearing themselves out, spending hours away from their homes and children.

There's no need for it at all, because all the merchandise you want has been brought here by the merchants of this community—and the prices are just as low here as anywhere else.

You could soak up some good advice from the really smart shoppers. They've found they get extra special service from the local businessmen . . . the kind of friendly consideration that big-city stores just aren't set up to provide. They find shopping in the local stores is pleasant and relaxing, without a lot of rushing and pushing . . . and they know they'll be home in plenty of time to fix dinner.

The folks who shop near home are saving money, Mom; and you're just kidding yourself if you don't get into the swim with the smart buyers. *You'll be dollars ahead . . . you'll be hours ahead.* And you'll be playing the part you should in our own community by dealing with the folks who pay for our schools and streets and parks . . . the people who support our charities and civic organizations.
