Apartment Fire Loss \$2,500

Seven Northville firemen and two fire engines answered a fire call at 41131 E. 8-Mile Rd. Monday morning which resulted in an approximate \$2,500 loss, according to Fire Chief William McGee.

The back west end corner of the garage-apartment was completely burned. "The smoke was terrific," McGee said.

Asked what the cause of the fire was, McGee said, "That's hard to determine. I haven't finished my report yet."

The apartment, owned by Lewis W. Alexander, was not occupied at the time.

Councilmen Allen and Canterbury were appointed by Mayor Ely to investigate current taxi service in Northville; to study the possibility of the city supporting two taxi companies; and to meet with both parties who presented tax applications to the council meeting April 2.

The taxi cab controversy came as a result of many things:

The Northville Taxi Co. was sold to Roy McLain and John Badalutz about six weeks ago. No application for a license transfer was made until this week because as Badalutz said, "We didn't know anything about it."

The original permit expired Mar. 1.

Quentin Biddle, owner of the Northville Coach Line questioned the taxi service that Northville residents were receiving and also submitted an application for a license.

According to the current law, the city can license only one taxi company.

City Attorney Philip Ogilvie met with the three men last week, but no permanent settlement was reached.

Biddle suggested to the council that temporary permits be issued to both companies until the council could decide whether the city needed one or two taxi companies.

"I don't think that the city could afford two cab companies," Badalutz said.

Councilman Stubenvoll said that according to city population

10 Mill Levy To Be Used For Higher Operating Expenses

Northville voters gave their support to the school board at the special school election Tuesday when they approved the 10 mill levy with a vote of 3-1.

Man Hangs Self At Eastlawn

A 68-year old man, described as being "despondent", hung himself at Eastlawn Rest Home last week.

Lloyd Clinton Boyer was found dead in his room by Mrs. Geneva Jarrette, a nurse aide.

Mrs. Lee Pursty, a bookkeeper for the rest home, said that she had delivered mail to Mr. Boyer's room at 9:15 a.m. and heard him moving around in his private bathroom. "I didn't see him," she said, "but I heard him."

Approximately one hour later Mrs. Jarrette entered the room and found Mr. Boyer sitting on the floor with a sash cord tied around his neck and the bed post.

According to the police report, written by Sgt. Gil Glasson and Officer Alex Funke, Mrs. Jarrette and Mrs. Opal Imonen, R.N., said that Mr. Boyer was despondent. "At various times," they said, "Mr. Boyer said that he wanted to die. He once requested pills to take his life."

Mr. L. Krynich, medical examiner, pronounced Boyer dead and had his body removed to the county morgue.

Mr. Boyer had been a patient at Eastlawn for "a couple of months" according to hospital personnel.

A brother, Victor, arranged for burial services in Burr Oak, Mich.

A total of 660 persons voted.

484 Votes — YES

169 Votes — NO

7 Votes — Spoiled

The election culminated weeks of campaigning by the P-T-A, teachers and school board. Special leaflets had been printed, publicity chairmen were doing a full time job and special meetings were called to inform the public on the necessity of approval at this election.

The 660 vote was described as being "a good turnout for a school election."

The approval authorizes the board of education to levy an annual tax up to 10 mills (\$10 per \$1,000) of assessed valuation for school operating expenses. This is four mills more than is now being levied. The power to make this levy will run for 10 years.

Superintendent of Northville Schools Russell H. Amerman said that if the 10 mill operational tax levy had not been approved it would have been impossible to operate next year on the six mill levy without increasing a large deficit.

"Even this year," Amerman said, "without the additional new teachers and the pay increase for school employees, it is possible that the system may end up with a small deficit unless future receipts from state aid run ahead of estimates."

Approval at this election allows the school board to raise the present salary schedule for teachers by approximately \$50,000, effective next year. This increase was believed necessary by the board and school administrative officials if Northville is to retain present members of the teaching staff and be able to hire qualified new teachers in the face of higher pay elsewhere. It is expected that the pay scale for other school personnel will be brought in line with the higher teachers' salaries.

Next year Amerman said that it would be necessary to hire five new teachers in addition to the 56 now on the payroll. Their salaries probably will run between \$20,000 and \$25,000 and will require two of the additional four mills levied.

The lead story in last week's Record by Russell H. Amerman, explained the reasons for the 10 mill tax.

Briefly, the article said that the increase was "...simply a matter of having to meet increased operating costs resulting from the rapid present and foreseeable growth in the number of boys and girls of school age in the district, which requires more teachers and other school personnel, and more supplies for use in teaching and other phases of school operation."

Local RC Fund Drive Helps Maintain Blood Bank

Finances to maintain the Red Cross blood program are included in the Red Cross budget, the bulk of which was secured this year by the Chapter's participation in the fall United Fund Foundation Torch Drive.

"Northville did not take part in the Foundation drive and is currently conducting a Red Cross fund drive through the mail."

"Hospitals usually find it necessary to make a charge to the patient for the technical services involved in its administration, but there is no charge for Red Cross blood," said Mrs. William Turner, volunteer chairman of the Regional Blood program.

Three persons in the Northville area are authorized to accept requests for blood from members of the Northville Red Cross blood bank account and relay these requests to the Red Cross Regional Blood Center for handling: Mrs. Arthur Carlson, Northville 402; Mrs. Emma Reid, Northville 354-M, and Mrs. Clifford Winter, Northville 379.

John M. Sullivan, executive director of the Detroit Red Cross chapter, today reported that 62,250 pints of blood were collected by the Detroit Regional Blood program last year. More than 1,000 accounts are held in the names of individuals or organizations such as club, lodge, church, community, management and labor groups.

Miss Norene Denune, 633 Novi Ave., reported that two Oldsmobile Starfire hub caps were stolen from her Ford automobile parked in front of her home.

The hub caps were taken sometime during 6 p.m. Wednesday and noon Thursday. The loss was estimated at \$16.74.

dom Notes From "file 13"

We overheard a couple of teenage boys talking in the grocery store last Saturday. One was telling the other all about his new "cat wagon". Being among the unenlightened and unfamiliar with the term, we hung around within eavesdropping distance long enough to find out just what a "cat wagon" is...it's a convertible.

And while we're on this subject, the Wall Street Journal carried this story last week...

"Charlie was very glum because his favorite girl had ditched him for another fellow. His parents felt sorry for him. His father said:

"I feel sorry for Charlie," but his mother remarked.

"Don't you worry about Charlie, he'll pull out of this. Charlie has initiative, Charlie has good looks, Charlie has personality, Charlie has charm."

At this point, Charlie, who was

listening from the sidelines, remarked: "And if Charlie only had a sleek convertible like that other fellow has, he could get his girl back."

Dennis Ferguson, 110 Maplewood, called us Mar. 15 and said that he just saw two robins. That was a blizzard day too! They were probably headed south.

Congratulations seem to be in order for the Depositors State Bank. They recently received an award for selling more Series E and other savings bonds than their quota.

Someone read our story last week about the need for a dog catcher and said, "What this town needs is a cat catcher."

Commenting on this remark, Chief Denton said, "Did you ever try to catch a cat?"

(Continued on Page 10)

Biddle said, "I think Northville should get the service that it deserves. If they need more, they should have it."

Ogilvie said, "I thought that last week you decided that you didn't want the taxi service."

"It has always been my intention to go through with this," Biddle said. "I want to give the people of Northville the service that they deserve."

Badalutz told the council that earlier in the evening he and his partner were approached by Biddle and told that if they would sign an agreement not to go into the bus service for 10 years he (Biddle) might give up the taxi idea.

"We have no thought of going into the bus business," Badalutz said, "but we don't want to tie ourselves up on paper for 10 years."

Biddle said, "We're talking about taxis now, not buses."

Badalutz said, "Mr. Mayor, he (Biddle) has a letter in his pocket right now. I swear, and my partner will too, that Mr. Biddle told us that if we signed his agreement he would present the council with that letter...withdrawing his application for a taxi license."

Mayor Ely banged his gavel and

1 Woman - 5 Men To Serve On Mich. Week Committee

Five men have been appointed to serve on the Northville committee for Michigan Week...and now they're waiting for a woman.

The woman will be a representative from the local Business and Professional Women's Assn. She will most probably be named at the group's regular meeting Monday evening.

Present committee members and the organizations they represent include John F. Stubenvoll, city council; Cy Frid, Rotary; Harold Wagenschütz, Exchange; Don Hamilton, Optimist; and George Clark, Retail Merchants Ass'n.

Mayor Ely said he plans to call a meeting of the committee next week at which time a chairman will be elected.

Michigan Week is scheduled for May 20-26.

One of the interesting features of the program includes Mayors Exchange Day, May 21. Who will be Northville's mayor that day?

EASTER SEAL DRIVE SWINGS INTO ACTION

RAINBOW GIRLS were getting prepared for their part in Easter Seal drive this week. Here they are with their canisters and lilies. Left to right, back row: Mrs. M. J. Willing (Mother Advisor), Penny Niece, Genevieve McGee, Carole Lemmon, Nancy Kellogg, Carol Hawley and Sandy York. Second row: Patty Willing, Joan Dunsford, Ardith Robertson, Lou Ann Comer, Nancy Frankland, Roberta Schroeder, Linda Cutright and Becky Kellogg. Front row: Beverly Stone, Barbara Mapes, Barbara Rollings, Corinne Dickerson, Penny Young and Jackie Simonds.

Rotary Members Send Letters Rainbow Girls To Sell Lilies

Easter Lily Sales are scheduled to take place in the Northville shopping district Friday evening and Saturday morning with 16 volunteer workers offering miniature paper lilies to shoppers hope to boost funds for the annual Easter Seal drive which is now in progress.

Under the leadership of Mrs. Betty Willing, 16 members of the Rainbow Assembly No. 29 will gather at the Masonic Temple Friday evening to receive their lily sale supplies and be designated their stations where they will encourage shoppers to buy a paper Easter Lily to help contribute services to 18 crippled children and adults living in the community.

The Friday evening sale will be conducted from 6 p.m. to 9 p.m. and the Saturday morning sale will start at 9 a.m. and continue until 12 noon.

Last year, Northville shoppers contributed \$141 to the traditional lily sale which is held in conjunction with the annual Easter Seal drive sponsored by the Wayne Out-County Chapter of the Michigan Society for Crippled Children and Adults.

Seal Chairman R. P. Stone for the Northville Rotary club who are conducting the mailing campaign, reports that several hundred envelopes from the more than 3200 appeal letters mailed to residents at the beginning of the drive, Mar. 10, have been returned.

Mr. Stone stated that he and his committee would start to tally contributions this week. Rotary members who make up Stone's committee are J. F. Stubenvoll, Joe Revitzer and W. K. Belasco.

Proceeds go to the Wayne Out-County Chapter who extend services to crippled children and adults throughout Western Wayne County and are financed entirely from voluntary contributions, solicited during the annual Easter Seal campaign.

This 23rd annual drive continues through April 10.

BUSILY STUFFING envelopes for the Rotary Club's Easter Seal campaign is Northville Grade School Principal Harry Smith (right). The unidentified man next to Smith preferred to remain anonymous. More than 3,000 envelopes were stuffed and mailed to nearby residents by the Rotary club this year, according to Chairman Roy Stone.

## Mrs. E. A. Chapman Elected President of Northville Woman's Club For 2-Yr. Term

Mrs. E. A. Chapman was elected president of the Northville Woman's club for the coming two years at the annual meeting held Friday in the Community Bldg. Mrs. R. M. Atchison is the retiring president.

Other newly elected officers and board members are: vice president, Mrs. Charles Yahne; recording secretary, Mrs. A. M. Lawrence; corresponding secretary, Mrs. Mark Gardner, and treasurer, Mrs. Alfred Millington.

The new board members are Mrs. H. A. Boyden, Mrs. Claude Cruse and Mrs. R. M. Atchison, Mrs. Theodore Kampf and Mrs.

Barton Connors remain on the board for one more year.

The meeting opened with a fifteen luncheon which was followed by an amusing "What's My Line" program directed by Mrs. Richard Kay. The masked panel consisted of Miss Dorothy Killagallon (Mrs. Douglas Bathey), Fried Allen (Mrs. William Milne), Arlene Rancid (Mrs. Harper Britton) and Bennett Turf (Mrs. William B. Crump).

The panel was required to guess the hobbies of the following contestants: Mrs. Walter Couse, furniture refinishing; Mrs. W. L. Howard, bridge; Mrs. Merritt Meaker, collecting buttons; Mrs. James Littell, making hats; Mrs. Alex Lawrence, girl scouts; Mrs. William Walker, Jr., gardening, and Mrs. Nelson Schrader, Jr., hunting. Mrs. J. W. Cheatham replaced John Daly as moderator. Mrs. C. M. Goodrich was technical assistant.

The program was sponsored by the makers of "Sludge", a new detergent guaranteed to do away with that dazzling white wash and replace it with a new and fascinating dirty grey! Mrs. Kay and Mrs. Karl Karg took care of the commercials with humorous realism.

A good rule to follow in using color in clothing accessories: The brighter the color the less often it should be repeated.

MRS. NELSON SCHRADER was the only contestant who stumped the panel at the Woman's club meeting Friday. She is signing the blackboard on the stage at the Community Bldg.

## News Around Northville

Airman 3rd Class William L. Russell left for Oakland, Calif. Monday enroute to Japan. His wife, Roberta, and daughter, Deborah, will stay with his parents, Mr. and Mrs. Alfred Galli of Maxwell Rd.

Mr. and Mrs. John Northrup and two children have moved into their new home at 19410 Clement Rd. They formerly resided at 905 Spring Dr.

Mrs. Charles Cosselmon of Six Lakes, Mich. is a Northville visitor. She divides her time with the Bart Connors and Mrs. Iva Tabor.

Sunday, Mar. 25, Mr. and Mrs. George H. Gardner of 21655 Chubb Rd., will celebrate their 50th wedding anniversary with an open house from two to eight o'clock for their friends and neighbors.

Mr. and Mrs. George Stalker of Hinsdale, Ill. were among the out-of-town guests here for the Bayless - Wagenschutz wedding Saturday. The Stalkers stayed with the Jack Taylors in Plymouth.

Mrs. W. F. Chapman returned home Friday after spending several weeks in Florida.

Mrs. Nelson Schrader, Jr. and her daughter, Sarah, returned last week from a three week's vacation in Florida. They visited Mrs. Schrader's parents in Fort Lauderdale. Jeffery Moffatt, son of Mr. and Mrs. Jack Moffatt of Lantana, Fla., gave a beach party for Sarah. The Moffatts were former Northville residents.

Mr. and Mrs. Horace Aenckbacker of W. 6-Mile Rd. were happily surprised last week when Mr. and Mrs. John Aenckbacker of Marietta, Ga. surprised them. The brothers had not seen each other for 13 years.

Lt. Richard K. Somers landed at Selfridge Air Force base Saturday afternoon on a routine cross-country flight from Perrin AFB, Sherman, Tex. He was able to spend a few hours with his parents, Mr. and Mrs. Richard Somers of Grace St., before the return flight to his air base Sunday afternoon.

Mr. and Mrs. J. E. Straus of Beck Rd. were among the 16 guests invited to a St. Patrick's dinner party at the home of Mr. and Mrs. James Robertson in Grosse Pointe.

Mr. and Mrs. Charles Buttermore of Lake St. left for a three weeks trip to Florida this week. They expect to visit New Orleans and Missouri on their return home.

Mrs. Harper Britton of W. Dun-

lap St. was hostess to 17 guests for a miscellaneous shower honoring Nancy Harrison whose marriage to Richard Weirama of Yale, Mich. will take place June 16. Nancy is the daughter of Mr. and Mrs. Gerald Harrison, former residents of Northville. Nancy was unable to be present as she is attending school at Michigan Central college in Mt. Pleasant, but her mother was given the honor of opening Nancy's gifts.

Mrs. Carolyn Seefeldt, Social Service director at Northville State hospital, returned this week from several weeks in the West Indies. Most of her time was spent in revisiting Haiti.

## WWI Aux. Organized By Area Women; To Meet Mar. 25

According to Mrs. A. C. Carlson, a World War I Auxiliary has been organized in Northville.

"Women from Northville, Plymouth, Farmington, Livonia, Detroit and Dearborn are making plans to work along with World War I men in securing a pension of \$100 per month, with no strings attached, when these men reach the age of 60," Mrs. Carlson said.

The purpose of the auxiliary also is to plan social gatherings.

There are three pension bills in committee for consideration, the VFW bill, American Legion and World War I. Legislation matters are complicated and it will take much study and hard work to secure benefits for World War I men. The first step is to secure a charter from the Congress of the United States for this World War I organization. Thousands are joining throughout the country and Michigan already has its own department.

All eligible women are urged to meet at the VFW Hall with their husbands Mar. 25, 2:30 p.m. Pot-luck supper will be served.

Saturday evening, Mar. 24, 6:30 p.m. there will be a dinner sponsored by the Lansing Barracks 235 World War I and their auxiliary at the Reo Club House, 1331 S. Washington Ave., Lansing. For further information call 402.

To save time in preparing community or large-scale meals, buy butterettes instead of cutting brick butter, suggest MSU home economists.

## Barbara Bayless-Bruce Wagenschutz Vows Spoken At Candlelight Ceremony March 17

Barbara Margaret Bayless and Bruce Wagenschutz spoke their marriage vows in an impressive candlelight service at the First Presbyterian Church Saturday at 8 p.m. The double ring ceremony was performed by the Rev. John O. Taxis before an altar decorated with baskets of white flowers, palms and candelabra.

Mrs. Barton Connors played the wedding march and accompanied William G. Williams who sang "I'll Walk Beside You" and "The Lord's Prayer"

The bride is the daughter of Mr. and Mrs. Paul Bayless of W. 8-Mile Rd. Her husband is the son of Mr. and Mrs. Harry Wagenschutz of 341 Beal St.

Barbara approached the altar on the arm of her father who gave her in marriage. Her gown of regal lines was fashioned of white skinner satin and imported Alencon lace. The fitted bodice was finished with appliques of Alencon lace embroidered with pearls. Shirred push-up sleeves completed the bodice.

The bouffant skirt fell into a chapel sweep train and was appliqued with lace and pearls around the entire skirt. A fingertip veil of French silk illusion was held in place by a satin cap heavily incrustured with pearls. White Amazon lilies and stephanotis formed the bridal bouquet.

Karen Bayless, sister of the bride, was maid of honor and Salli Wagenschutz, the bridegroom's sister, and Dolores Doskocho of Detroit, a college friend of the bride, were bridesmaids. Their chic, sheath gowns were identical in design in white lace lined with peau de soie.

The fitted bodice had a boat neckline and the back of the gown was fashioned with an enormous bow and wide panels extending to the hem of the silk matching the lining. They wore matching crown caps of silk with wide brims of net, and carried bouquets of carnations colored to match their gowns.

The maid of honor wore yellow and the bridesmaids wore blue.

for her daughter's wedding. It was a sheath design with full side drapery. She wore a matching hat and a white orchid corsage. Mrs. Wagenschutz also wore a sheath gown in champagne peau de soie with side drapery of matching hat and corsage of brown orchids.

Following the marriage ceremony, a wedding reception for the 250 guests was held in the church hall.

After a week's honeymoon by car, Mr. and Mrs. Bruce Wagenschutz will be at home at 437 N. Center St.

Added attractions this year are an exhibit and sale by the Michigan Weavers' Guild, a hooked rug exhibit, and a demonstration of chair caning.

Lunch and tea will be served daily. Doors will be open from 11 a.m. to 10 p.m. daily.

## County Extension Director Announces Two New Agents

Mr. P. R. Biebesheimer, director of Wayne County Extension service, announced this week that Mrs. Eleanor Mullikin and Mrs. Nina Lou Baird would

Eleanor Mullikin

serve the Northville area as home demonstration agents.

There had previously been one agent and one assistant agent, however, Mr. Biebesheimer said that the increased amount of work and the desire to be of more service to the county necessitated the employment of two agents.

Mrs. Mullikin was formerly an assistant agent. Mrs. Baird recently joined the county service as a replacement for Miss Emma DuBord who retired earlier this year.

As representatives of the Cooperative Extension Service of Michigan State university, the agents' work with Wayne County homemakers covers all areas of home economics as well as subjects dealing with community improvement.

Mrs. Mullikin and Mrs. Baird work through the 65 organized home demonstration groups, as well as radio, television, newspapers, distribution of bulletins and other methods, to extend the educational service to all Wayne County homemakers.

The program is based on the belief that "Today's Home Builds

Tomorrow's World". The primary purpose is to bring to homemakers the latest information for better family living.

Mrs. Mullikin has been with the extension service since August, 1954. She is a graduate of the college of home economics at Michigan State university. She previously had been a distributive education coordinator at Pontiac high school and earlier, on-the-job training supervisor of women's ready-to-wear at Crowley Milner & Co. of Detroit. Mrs. Mullikin has a four year old son and makes her home in the village of Wayne.

Mrs. Nina Lou Baird recently received her degree in home economics from the University of Illinois. She has had ten years

Nina W. Baird

4-H experience and has been a 4-H club leader, delegate to National 4-H Club Congress, National Clothing Achievement winner, and delegate to National 4-H Club Camp.

### Latest Adams Book Reviewed

"Grandfather Stories" will be reviewed by Mrs. E. M. Starkweather at the Northville Review club Thursday.

The book was written by Samuel Hopkins Adams and is a humorous family history laid in New York state in 1880 when the Erie Canal was an important and heavily traveled waterway.

The author states that his paternal grandfather lived near the canal where his family made periodic duty calls. It was during these calls that Grandfather related the tales that became the inspiration and title of this book by Mr. Adams.

### Card Party Mar. 26 To Provide Patients With Allowance

The Citizens Auxiliary committee of Northville State hospital will hold a luncheon and card party in the fourth floor auditorium of Kern's Mar. 26 at 12:30 p.m. Tickets will be \$1.25. There will be door and table prizes. The committee is composed of Mrs. Ernest Ashley, chairman; Mrs. Clarence B. Edwards; Mrs. Samuel Gibbons; Mrs. Lester Solar and Mrs. Samuel Sitorsky. For ticket information call Mrs. L. Solar, PR. 5-5315 or Mrs. E. Ashley, TO. 7-6803.

Dr. Philip N. Brown, medical superintendent, said, "Many are prone to forget patients who have spent long periods in hospitals without spending money. The patients are bound to feel desolate and rejected, and the staff considers a small weekly allowance necessary for the treatment needed in rehabilitating such patients."

"At Northville there are 460 patients who, if it were not for the generosity of others, would be completely indigent. Before the fund was established to give the patients spending money, many had been completely penniless for years. One can imagine the feeling of desolation, isolation and rejection one would feel were he without money to purchase small necessities. As part of the overall treatment program, providing a small spending allowance for patients is an immense advantage, one which the staff feels is extremely important in the maintenance and encouragement of self-respect and dignity in patients. I should like to appeal to all generous people in behalf of the indigent patients to attend. This gathering as a means of aiding these patients," Dr. Brown said.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Home made bread is the light poetry of the kitchen — that fabulous air-borne delight that few housewives find time to bother with these days of "store bought" bread. But what is more mouth-watering than the fragrance of freshly baked bread or more delightful to gaze upon than its golden brown crust?

Now get out your flour and yeast and try this delicious French bread recipe supplied this week by Mrs. Bernard J. Pankow, wife of the Rev. Pankow of St. Paul's Lutheran church. The Pankows have two sons, David 8 and James 5, who well know the taste pleasure of home-made bread.

#### FRENCH BREAD

1 pkg. quick-acting yeast,  
2 cups lukewarm water  
4 cups all-purpose flour, sifted  
1 tablespoon sugar  
1 1/2 teaspoons salt

Dissolve yeast in one cup of lukewarm water. While yeast softens, sift flour, sugar and salt together in a large bowl, then stir in the dissolved yeast. Add just enough of the second cup of water to hold the dough together. Mix until you have a soft, rather sticky dough. Cover with a cloth, set bowl in a warm spot (not near direct heat) and let rise until double in size. This takes from 2 to 4 hours depending on the warmth of the kitchen.

When dough is high and spongy punch it down with your fist and knead well. Divide bread in two parts and place each in a greased 6" round baking dish (glass casserole is perfect). Cover again with cloth and let rise until it reaches top of baking dish.

Brush top of bread with melted butter (gives tasty flavor to the crust) and bake for 1 hour in 375 degree oven.

BROWSING THROUGH THE THRIFT SHOP last week, this little fellow picked up a clock, put it to his ear and said, "I'll buy it if it runs." Just goes to show that both children and adults are finding things that they want at bargain prices at the Thrift Shop. The shop is being sponsored by the Presbyterian Women's Ass'n. Business will continue in the old telephone building on N. Center St. until Saturday.

### HOW MANY MILES is it from your basement to your telephone?

It surely must seem like miles every time you dash upstairs when the phone rings. All that sprinting is really unnecessary when you consider the low cost of having a telephone in your basement. The monthly charge is just about a dollar. There is just one installation charge no matter how many additional phones you have installed at the same time. You have only to call our Business Office to order yours.

### JUST 80 YEARS AGO

this month Alexander Graham Bell spoke these words over the first telephone. "Mr. Watson, come here, I want you." Today the telephone company offers more than 400 kinds of service. For example, besides conventional telephones, we provide telephone service to ships and automobiles, trains and trucks, foreign countries, radio and television network service and equipment for automatic telephone answering and photograph transmission. Wherever a communications need exists the telephone company stands ready to serve.

## '56 DODGE Coronet

## it's your King Size Buy!

Luxurious new '56 DODGE CORONET is bigger by far than other medium-priced cars! Bigger in size, comfort, performance, style! Yet it is priced right down with the lowest-priced cars. A big Dodge Coronet V-8 Lancer hardtop costs only 95 cents a week more than "hardtops" in the small-car field!

Size it up with others in the medium price field	
Car "B"	Dodge is 6.9 inches longer
Car "M"	Dodge is 5.6 inches longer
Car "O"	Dodge is 7.7 inches longer
Car "P"	Dodge is 6.4 inches longer

Price it against small cars in the "low price field"	
Car "C"	Dodge is 14.5 inches longer
Car "F"	Dodge is 13.5 inches longer

Yet Dodge costs only \$4.11 a month more (less than 95 cents a week!)\*

More legroom front and rear! More hiproom front and rear! Wider doors! Greater steering wheel clearance! More rear deck space! New '56 Dodge is bigger inside and out! Looks bigger! Rides bigger! Is bigger!

Why settle for a small car, when a new '56 Dodge Coronet brings you so much more for so little more? Here's the big-car ride and roominess, big-car luxury and looks in a full line of King Size Coronets, priced right down with the small cars!

\*Comparing price of Dodge Coronet V-8 Lancer against average price of same body style of the "low price 3." Price difference based on 24-month financing after 1/2 down payment.

Push-button driving and record-breaking performance!

At a touch of your finger, you command the greatest performing car on the road today — bar none! The new '56 Dodge shattered every record in the book — including world records held by expensive foreign models — in its sensational 14-day official run on the Bonneville Salt Flats. The '56 Dodge V-8 holds more performance records than all other American cars combined.

# Minutes of the Board of Education

March 5, 1956

The meeting was called to order at 7:45 p.m. by President R. F. Coolman.

Present: R. F. Coolman, E. F. Clark, E. Jane Wagenschutz, N. C. Schrader, R. H. Amerman.

Absent: D. B. Severance.

Others: Approximately 20 interested citizens.

The minutes of the last meet-

ing were reviewed and it was moved by Mr. Clark that they be approved as published. Mrs. Wagenschutz supported the motion. Carried.

Communications were received as follows:

Livonia Public Schools; Wayne County Association of School Boards; Northville Mothers' Club; William J. Emerson, Superintendent of Schools for Oakland County; Frank Bartlett, Superintendent of Schools for South Lyon; Wayne County Board of Ed-

ucation; University of Michigan Bureau of School Services; P.T.A.; Mrs. Secord; Mr. and Mrs. Vandenburg; Mr. and Mrs. Junod; Mr. Sproule; Mr. and Mrs. Galli.

## Report of Superintendent:

1. State Aid—outline of proposed legislation and how it can affect the Northville District.

2. Salary Schedule and Millage Election—outline of salary schedule proposed by Teachers' Club and its relations to the millage election. The 8 mills proposed to be elected will not cover this schedule and probably 10 mills would not cover it either. However, the superintendent suggests a compromise plan which could be cared for by a 10-mill tax levy.

3. Retirement - Social Security—outline of several problems created by change-over from straight retirement into social security program. Under the new plan, effective April 1, 1956, about 40 teachers who earn more than \$4800 per year will be overpaying their retirement this year in the approximate amount of \$30.00 each. Total of \$1,233.08 for the school. The school bears a moral obligation to reimburse the teachers for this overpayment, and has agreed to do so.

4. Curriculum Study Committee—recommend that the Board of Education appoint a Curriculum Study Committee for a period of approximately 18 months, composed of 20 or 30 people to be

selected by the Board and the P.T.A.

5. Annexation Problems—Mr. Amerman to meet with Mr. Julius Haab, Washtenaw County Superintendent of Schools, Mr. Bartlett of South Lyon and Mr. Isbister of Plymouth, to discuss possible annexation of several school districts in Salem Township with one or more of these schools.

6. Greenfield Village Trip—Miss DeKett requests permission to take her Fifth Grade class to Greenfield Village for an overnight trip, properly chaperoned and financed. Superintendent recommends permission be granted.

7. Boxelder Bugs at Waterford—Township officials are experiencing great inconvenience at Waterford School, now the Northville Township Hall, from boxelder bugs. Mrs. A. M. Lawrence requests permission to cut the offending trees around the building. Permission granted.

8. North Central Association—recommend that Mr. Ellison again be sent to the North Central Association meeting at Chicago in April, expenses paid.

Report of the Treasurer:

Cash received during February, 1956 \$58,805.29

Balance in General Fund, 2-29-56 -7,321.77

Balance in 1936 Bond and Coupon Account, 2-29-56 \$1,250.00

Balance in 1949 Debt Retirement Fund, 2-29-56 \$13,264.08

Balance in 1954 Debt Retirement Fund, 2-29-56 \$23,791.81

Balance in Building and Site Fund, 2-29-56 \$9,867.68

Moved by Mr. Schrader and seconded by Mrs. Wagenschutz that the report of the treasurer be accepted. Carried.

Auditing Committee approved for payment bills and payrolls as follows: bills, \$5,252.20; payrolls, \$33,512.51. Moved by Mr. Schrader that these accounts be paid when funds are available. Second by Mrs. Wagenschutz. Carried.

Unfinished Business—None.

## New Business:

1. Architect for new high school: Mr. Coolman asked the Board to decide whether they would like to re-employ Eberle M. Smith Associates or would rather hire a new architect. Mr. Schrader moved that the Board retain the services of Eberle M. Smith Associates. Second by Mr. Clark. Carried.

2. Salary Schedule: Mr. Amerman presented two schedules for the Board's consideration.

A. \$4200 minimum, A. B. degree—\$4400 M. A. degree

\$5800 maximum, A. B. degree—\$6000 M. A. degree

\$200 increment for 8 years

B. Teachers' Proposed Schedule

\$4200 minimum, A. B. degree—\$4500 M. A. degree

\$6200 maximum, A. B. degree—\$6500 M. A. degree

\$250 increment for 8 years

Schedule A would cost approximately \$44,000 more than the current schedule and Schedule B would require \$66,000 plus in additional funds.

Following considerable discussion by board members, teachers, visitors, Mr. Amerman recommended the adoption of Schedule A on a one-year basis, with the suggestion that a special committee be appointed to review the entire salary and financial picture of the school district and present their findings and recommendations to the board by next fall.

Moved by Mrs. Wagenschutz that the following salary schedule be adopted for one year: starting salary, A.B. \$4200, M.A. \$4500; maximum A.B. \$5800, M.A. \$6100. \$200 increment for 8 years. Motion was seconded by Mr. Clark. Carried.

3. Millage Election: Moved by Mr. Schrader that the motion passed in the February 6th board meeting, which called for an eight-mill levy for 5 years, be amended to read "10 mills for 10 years". Seconded by Mrs. Wagenschutz.

Ayes: 3

Nays: 0

Carried.

4. Special Meeting: Decided to hold a special board meeting on March 21st for the purpose of canvassing the election returns of the special millage election of March 20, 1956, and to consider individual salary terms and openings for the 1956-57 school year.

5. Curriculum Study Committee: Moved by Mrs. Wagenschutz that the board accept the recommendation of the superintendent and that Mr. Amerman be authorized to present it to the P.T.A. open

meeting on March 8. Second by Mr. Schrader. Carried.

6. Greenfield Village: Moved by Schrader, seconded by Mrs. Wagenschutz, that Miss DeKett's Fifth Grade be permitted to make the field trip to Greenfield Village, as planned. Carried.

Upon motion by Mrs. Wagenschutz and second by Mr. Schrader,

the meeting was adjourned at 11:55 p.m.

## Letter To The Editor

**Northville Record**  
The time to put out a fire is when you first smell smoke. I refer to that portion of the articles in the March 8th and 15th Records on the "white supremacy" attitude in Northville. For information to the gentlemen who wrote these articles let me assure them there never has been a racial problem in Northville and I don't believe there will be unless agitators create one.

Negro children have gone to our school and been treated the same as the rest. I personally conducted a weekly Christian Endeavor for two years for 20 Negro young people at the Maybury Sanatorium, sponsored by the Presbyterian Church. It was a happy project and several Detroit churches took part. When the Northville Business and Professional Woman's Club sponsored Community Concerts a few years ago one of the outstanding artists was Camilla Williams.

I don't believe the quotation of Harry Hopkins, "the people are too damn dumb to know what's good for them," applies to the citizens of Northville because we do meet our problems as they arise, not hastily but conscientiously, so until there is a racial problem let's not create one.

Sincerely yours,  
(Mrs. A.C.) Bea Carlson

The Liberty Bell was cracked in 1835 while being tolled for the death of Justice John Marshall.

## Dr. McNally To Speak To Men's Club

Leroy B. McNally will be the speaker at the Methodist Men's club dinner meeting in the church house Monday, Mar. 26, 6:45 p.m. Mr. McNally will speak on the subject, "A Layman's View of Stewardship". He is a member of St. Mark's Methodist church, Detroit, and is a prominent attorney in that city.

Mr. McNally is the chairman of St. Mark's Commission on Finance, has served as president of the Methodist Union of Greater Detroit and is a trustee of the Children's Village.

## Employment Agency Opens In Brighton; Will Serve N'ville.

The Livingston Employment Service announced its grand opening this week with offices located at 9815 E. Grand River, Brighton.

The operation of the agency, which is privately owned and operated, brings into the Northville and surrounding areas a new form of business enterprise which will help both employers and job seeking persons.

With offices located at Brighton, the agency plans to serve various communities throughout Livingston county as well as outlying areas which border in several counties such as Ingham, Washtenaw, Wayne, Oakland, Genesee and Shiawassee.

The Livingston Employment Service will operate under requirements of the statutes of the State of Michigan with a Class I

and Class 2 license. This license permits the agency to engage in a wide and varied field of occupations. For example, those persons who are interested in the following occupations may be assisted by this service: waitresses, hotel clerks, laborers, construction workers, secretaries, accountants, engineering, store clerks, bartenders, factory workers, stenographers, nursing, housekeepers, maids, all clerical, industrial sales and machinists. All occupations may be in three classifications: permanent, part-time or temporary. The agency is owned and will be operated by Robert and Lillian Bugni who reside at 1110 Spencer Rd., Brighton. Mr. Bugni is a graduate of the University of Wisconsin and has been employed in various fields of labor relations and industrial engineering for the past 15 years. Mrs. Bugni has had several years experience as a private secretary in the Detroit area.

## Light Work for Lovely Hands!

It's a pretty tight spot—no question about that! But it's no work for this lovely lady. For she's at the wheel of a 1956 Cadillac—and here is the world's gentlest resting place for feminine hands. In fact, even the most difficult of driving maneuvers seldom require anything beyond the merest gesture of a hand on the wheel... and the lightest touch of a toe on the accelerator. And not only is she always at her ease—but at her loveliest as well.

Seldom, indeed, is a woman seen under more flattering circumstances than she is in the "car of cars"—calm, serene and rested... and surrounded by Cadillac's great luxury and beauty. And how proud and happy she is! For imagine, if you can, the priceless joy of owning and driv-

ing a motor car recognized everywhere as the "Standard of the World"!

To any lady reading this advertisement, we offer this simple suggestion. Come in soon... and see for yourself.

And to any gentleman who might be listening in—well, perhaps there is a lady whom you would like to see always at her ease—and at her loveliest—and at her proudest.

The magic formula is waiting for you in our showroom—and we'll be delighted to assist in the transformation at any time.

P.S.: We have some special news about cost and delivery that you will find difficult to resist. Better come in while the facts are so favorable.

## Leading Presbyterian Layman Named Good Friday Speaker

Albert K. Stevens, Ph.D., associate professor of English of the University of Michigan, will be the guest speaker for the traditional Good Friday service for the community.

The annual service will be held in the First Methodist church Friday, Mar. 30, beginning at 1:30. Rev. Ivan Hodgson, pastor of the First Methodist church, will preside. He will be assisted by Rev. Mr. John O. Taxis, pastor of the First Presbyterian church.

Dr. Stevens has been on the faculty of the University since 1927 and has been active in the affairs of the University through its adult education program, the extension work, and since 1949 he has served on the faculty of the school of education. Among his many special teaching courses, Dr. Stevens presents "The Bible as Literature," one of the popular courses on the University campus.

Since 1940 Dr. Stevens has been the faculty advisor to the Inter-Racial Assn. and a member of the supervisory committee on student cooperation houses since 1942. One of these houses bears his name in recognition of his interest in this student movement.

Dr. Stevens is a member of the Ann Arbor Presbyterian church, and was elected to the office of Ruling Elder of that church. Recently he was elected to membership on the Christian Education committee of the Presbytery of Detroit, and serves in the field of student relationships.

The Rev. J. O. Taxis said, "It is a pleasure to invite the public to this service of worship and inspiration."

## State OK's Novi School Consolidation

### Meeting To Be Held Friday, March 24

#### New Petitions To Be Circulated In Area Calling for Special Consolidation Vote

Consolidation of the four Novi school districts moved a step closer to reality this week.

William Medlyn, superintendent of Novi District No. 8 received written notification that approval of the organization of a fourth class consolidated school district had been granted by Clair L. Taylor, State Superintendent of Public Instruction.

The proposed 4th class school district would presumably include the East Novi, Putnam and Durfee districts, in addition to Novi District No. 8.

Having secured the approval of the state, the backers of consolidation are again preparing to circulate petitions which will require signatures of a majority of the voters in each area.

Following submission of these new petitions, a special election on the consolidation question will be called.

"The procedure to be followed is complex," Oakland County Supt. William Emerson announced, "I think it would be well if the petitioners, along with the boards of education affected, meet together for the purpose of discussing plans and procedures."

Emerson followed this with an announcement that such a meeting would be held Friday, March 24, in the library of the Novi school at 8 p.m.

#### Local Ins. Agent Earns Membership In President's Club

John W. Henderson of Novi, agent for Connecticut General Life Insurance Co., has qualified for membership in the company's President's Club.

In making the announcement, Manager E. Joseph Gryson of the Detroit branch office said that President's Club is Connecticut General's top-prestige group for agents. Membership is earned through outstanding achievement in both sales performance and quality of service to clients.

As a member of this honor group, Henderson is eligible to attend the annual meeting of the President's Club to be held this

### Cub Pack 54 Wins In Display Contest

The Novi Cub Scouts of Pack No. 54 won a ribbon for being the second place winner in the window display contest for Ottawa district.

The contest was held during Boy Scout anniversary week. The display for Pack 54 was in Harneden's store.

At the Mar. 9 pack meeting all Cubs took part in the flag ceremony. Two new Cubs, Billy Mairs and Mark Hamer were welcomed into the pack.

Dennis Ray received a silver arrow for completing ten wolf electives.

Bobby Taylor received a Lion badge and one gold and one silver arrow.

Skits were presented by all dens present. Den Four was absent due to illness.

After the skits the Cubs retired the flag and the parents joined them in singing, "God Bless America."

Refreshments were served by Den One after which they all entered into a game.

#### Good Friday Service

Good Friday services will be observed at the Novi Baptist church from 12 to 1 p.m.

Bible Heirs of the Baptist church will have an Easter party Thursday at the church at 3:30.

year in Nassau, Bahamas, B.W.I., April 10-13.

Henderson is married and lives at 24455 Mill Stream Lane in Novi.

BEING SWORN IN as acting clerk of Novi township is Hadley J. Bachert, long-time resident of the Novi area. Justice of the Peace Edmund P. Yerkes administered the oath of office. Bachert was appointed to the post by the township board Monday night following the announcement that Clerk Earl Banks is too ill at the present time to perform the duties of his office.

#### Novi Democrats Get Charter April 9

The Novi township Democratic club will be presented a charter by a representative of the Oakland County Democratic committee, at their next regular meeting Monday, April 9. The meeting will be held at Novi Union hall.

According to A. L. Marsh, publicity director for the club, members paying their 1956 dues at this time will be charter members of the club.

### Novi Mothers Club Sets Dates For School Fair

"If you want to have fun... plan on coming to the Novi School Fair," said members of the Novi Mothers club this week. At their last regular meeting the club decided on the day, May 11, and the time, 7:30-9 p.m., and the place, Novi school.

"New concessions have been added this year," Mrs. Dahlinger said, "like games of chance, a snack shop, parcel post, and a museum of hobbies." The museum of hobbies will be

an exhibit of collections such as craft work, paintings, antiques, ceramics, scientific displays, etc. Persons wishing to enter their collections should contact the Mothers' club. Prizes will be awarded for the three best showings.

The school fair is an annual event sponsored by the mothers to raise extra funds for equipment and material to assist in the school program.

The Charles S. Crawford of South Lake Dr., Novi Township, are home again after several weeks of vacationing on Florida's lower gulf coast.

### Will Take Over Job Immediately

#### Cemeteries, Northville and Taxicabs Discussed At Township Board Meeting

An acting clerk for Novi township, Hadley J. Bachert, was appointed Monday evening following information received by the township board that Clerk Earl Banks is too ill to perform the duties of his office.

In addition to this appointment, the board allotted funds for maintaining the cemeteries, discussed relations with Northville, and read a taxicab ordinance proposed for adoption.

Bachert has been a Novi resident for 15 years and lives at 43455 Fonda with his wife, Kathryn.

#### Many Activities

Employed at Wixom Co-op, Bachert is engaged in many local activities. In addition to being treasurer of the Novi Oddfellows, he is a member of the AMVETS, VFW, American Legion and Masonic Lodge.

Bachert will start his new position immediately. Supervisor Frazer Staman announced.

#### \$500 for Cemeteries

The sum of \$500 was allotted to the Novi Cemetery Board for operation during the next fiscal year. The board was unanimous in approving this move.

A letter from the City of Northville came under fire next. The letter requested the township board to pass a resolution ceding a portion of vacant land west of Center St. between Baseline and the new American school.

### 4 "Shaken-Up" On Grand River

Four draftsmen from the Paragon Construction Co. had their lunch-hour interrupted Wednesday when the car in which they were riding was hit by a steel truck.

The car was turning into the driveway of Saratoga Farms restaurant when the truck attempted to pass it. The trailer part of the truck hit the car.

Walter Stetz of Redford, passenger in the car, received neck and chest injuries. The other occupants, John W. Moeller, Walter Miela and Stanley Miela, the driver, were reported to have been "shaken up."

Damage to the car was estimated at \$600. Truck damages totaled \$50.

#### Reasonable Neighbor

Trustee Frank Clark spoke up at this point, saying "They (Northville) have a problem with that road. One half lies in the township and the other half in the city. I think we should give them a little consideration and meet with them... see what can be done." (Continued on Page 10)

### Fire Completely Destroys Second House In Willowbrook

For the second time in less than two months, fire swept through a partially built house in Willowbrook subdivision Friday evening and burned it to the ground.

Three Novi fire engines raced to the scene minutes after the alarm was in. Police Chief Lee BeGole was one of the first to reach the fire. "I saw it was no use," he said, "the roof and walls had collapsed, but we had to put the flames out... they were endangering the adjoining houses."

Houses on both sides of the burning house were watered down. The house, which was being built on E. LeBost Dr., was partially constructed. The total loss was estimated by BeGole as being "...about \$2,000."

Cameron Lodge, Novi electrical inspector, stated that the cause of the fire has not yet been determined. Lodge has been conducting an investigation, but has not yet completed his report.

There were seven coke-burning salamanders in the house which were being used to take the frost out of the ground. Following the first fire, a

watchman was hired to protect unfinished houses during the 6 p.m.-6 a.m. hours and to watch the salamanders.

However, Lodge said that the watchman was not on E. LeBost Friday evening when the fire started. "He left at 8 p.m.," Lodge said, "because he said that he didn't feel well." The fire started about 8:45 p.m.

The fire was first noticed by Officers Loeffler and Mazuchowski. They were in the patrol car a little north of 10-Mile Rd. They radioed the police department at 8:45 p.m. and the first engine was on the scene at 8:52 p.m.

### Novi Landmark Torn Down To Make Way For Used Car Lot

The old general store on the corner of Grand River and Novi Rd. was torn down this past week end and in its place will be a used car lot.

A Novi landmark for many generations, the two story building was built almost 100 years ago and used as a general store until 1953.

Former Township Supervisor Frank Clark recalls the days when Josh McCrumb ran the old general store in this building. H. H. Jones bought him out near the turn of the century. In 1912 Jones' son-in-law, Matt Moeren,

took over the store and operated it for 41 years, until a year before his death in 1954. It was known as the M. J. Moeren General Store.

Mrs. Frazer Staman, Moeren's daughter, recalls that her father had the first gas station in the township before the first World War. Built on a little wooden platform; the pump operated by a handle on the side.

In the general store, "Matt" carried a wide variety of merchandise ranging from horse collars and drugs to groceries and

hardware.

#### Three Days for Tear Down

Richard Adel, owner of the Novi Earthmoving Contractors Co., and four of his employees tore the building down in three days. "We ran across a few unusual things," Adel said. "The wooden beams were put together with wooden pegs and the roof rafters were made of logs."

The wreckers began their job by tearing off the gable roof, then the ceiling, floors and beams. The walls were knocked down last. Adel said that the basement

sides will be pushed in, filled with dirt and brought up to grade.

The building was 75 feet long and 35 feet wide.

#### Had A Permit

"For those who seem so concerned," Frazer Staman said, "there was a permit issued to tear the building down."

Staman said that "...the land has been temporarily rented to Wesley 'Wes' Coon for a used car lot."

#### Opens In Ten Days

Wes Coon, used car dealer in

Detroit for 34 years, said that his Novi car lot will open within 10 days.

"This is a growing up and coming community," Coon said, "and I think that there are a lot of used car buyers out here."

Coon has been a Novi resident for four years and just recently sold his Detroit business to devote all of his time to Novi.

When asked if he had any plans for improving the property Coon said, "Oh yes, I'm going to put in a cinder and gravel lot and put up a lot of lights."

## Board Appoints...

(Continued)

worked out. I'm inclined to be a reasonable neighbor."

Staman said he would get together with Ogilvie and call a meeting within the near future.

## Need Sewers

Staman then read a letter from the Veterans' Administration saying that recent soil percolation tests, conducted on the land immediately south of the presently constructed Willowbrook houses and the land in the vicinity of 9-Mile and Taft Rd. were not favorable.

The VA went on to say that their organization would not finance any houses in these areas unless an adequate sewage disposal system was installed.

A taxicab ordinance was then read to the board. Under the terms of the ordinance, cabs based in Novi would be protected against outside cab competition. Outside companies would be allowed to deliver passengers anywhere in the township.

Similar ordinances are now in effect in Walled Lake and Northville. Novi cabs have been harassed because they have been unable to pick up passengers in surrounding communities, and at the same time cabs from the other communities have picked up fares throughout Novi.

Trickey moved that the ordinance be tabled for study until the next meeting.

Stanley Balon of Wixom Rd., assessor, asked the board when the next zoning meeting would

be called.

Staman answered him saying, "Mr. Johnson (the zoning consultant) is on vacation and as soon as he gets back, Jim Erwin says he will call a meeting."

A motion was made to pay the bills and the meeting was adjourned.

## Novi School

(Continued)

The third graders are participating in a health contest.

Robert Grewing is a new member of the second grade class. He formerly attended Walled Lake school.

## Back In School

Judith Neeley, Roberta Willacker, Linda Jackson, Robert LaFond, Ronald McHale, and Billy Edmonds are back in school again after recovering from the measles and the flu.

## 5th Grade

Fifth grade pupils have been making many things symbolic of Easter. The best Easter bunny baskets were made by Rita Crawford, Sharon Pounders, Barbara Wallace and Ginger Cheeseman. They also made and displayed Easter posters in the library. Sharon White and Diane McCollum made Easter nut cups.

Jimmy Jones was out of school for several days due to an accident which required 12 stitches in his scalp.

## 8th Grade

Grace Atkinson has been absent from her eighth grade classes due to illness. The eighth grade has acquired some Japanese dancing mice.

## Novi Girl Scouts

BROWNIE TROOP 602 met Wednesday, Mar. 14, at Novi school. Treats were furnished by Velya Pounders. The girls practiced their dance and made plans for a hike next week.

BROWNIE TROOP 493 met and practiced for the birthday celebration Mar. 14. Lois Gotrell and Gretchen Schneider had treats.

BROWNIE TROOP 149 collected their Juliette Lowe World Friendship pennies. They also made St. Patrick trays favors for the Novi Convalescent home. Committee member, Mrs. Dorothy Paquette, assisted with the craft work. Treats were furnished by Gloria Jean Rogers who brought a special cake decorated with the new troop numbers, and ice cream. Her father, Mr. Rogers, attended the meeting.

INTERMEDIATE TROOP 491 practiced their songs for Friday night. Sharon Gatrell passed out cookies assisted by Karen Schneider and Freda Angel. Treats were furnished by Virginia Pounders.

INTERMEDIATE TROOP 492 met in the basement of the school Mar. 14. Cookies were passed out with the help of Mrs. Cheeseman. Special guests were Mrs. Skelinger and son. Treats were furnished by Ginger Cheeseman.

SENIOR TROOP of Novi were the guests of Mrs. Lawrence's Senior Troop. The girls played games and had refreshments. A very enjoyable time was had by all.

Postmasters at their convention in Detroit have just been viewing a talking stamp machine.

You put your money in, receive your stamps and the machine says: "Now buy some more and save a trip," or "Introduce me to your friends, I like new customers." And as you walk off it calls, "Thank you, these stamps are sanitary."

A major shirt company is putting a new pair of men's shorts on the market. They have a red left leg, a green right leg and a white seat... and are called "port and starboard".

There's a new tooth paste that comes in bourbon, scotch and rye flavors.

In Canada there's a new insurance company that will sell auto insurance only to teetotalers.

What's it all up to? Well, one thing at least. If you're caught in a pair of those shorts talking back to a stamp machine with alcoholic toothpaste on your breath, you can't buy any of that Canadian auto insurance.

Quote of the week: "You don't have to smoke at a council meeting... all you have to do is inhale."

appointed Allen and Canterbury to investigate further.

A temporary permit was issued to the Northville Taxi Co.

The council appropriated a sum of money, not to exceed \$250, for the purpose of buying a truck for dog catching.

Councilman Allen was appointed to work with the township in the purchase.

The truck will be owned jointly by the township and city since the township also appropriated \$250 for the truck.

The services of the dog warden will be paid by the city and township, according to the number of calls each has.

Precincts, Definite

Northville's two voting precincts have been decided as the following: those who live in Wayne County will vote in the Community Bldg. Those persons living in Oakland County will vote in the garage of Glenn C. Long, 411 Baseline.

Long was contacted by Ogilvie last week and agreed to allow the city to use his garage for voting purposes. One of the new voting machines will be in use there at the August election.

Contract Awarded

The contract for completing curb and guttering in the alley between E. Main and E. Dunlap was awarded to Edward R. White of Berkley, Mich. for \$3,663. White was the lowest of two bidders.

Work on the alley is scheduled to begin April 5 and completed by April 30.

WANTED —  
A GOLD MINE

A Federal agency in Washington received a letter from a man in Denver saying, "I retired not long ago and have been looking for something to keep up my interest. I think prospecting will do. Please send me a map of all the undiscovered gold mines in Colorado."

Well, even the generous Washingtonians cannot map "undiscovered gold mines." Now, I cannot tell you where to find any gold mines either, in the literal sense of the word, but I can tell you where to find information that will be of more value than a thousand mines. Since man is a mortal creature that one day must depart from this life and leave all material wealth behind, the information on how to attain life eternal in Heaven is of more value than gold. The Bible expresses it in these words, "For what is a man profited, if he gain the whole world, and lose his own soul?" Matt. 16:26. The salvation of his immortal soul is worth more than any material possession. The knowledge that leads one to salvation becomes a very precious bit of information. Have you discovered this valuable information in your Bible? Read now the Gospel of John for this gold mine.

# The Teens Speak Up . . . .

DARWIN

KRIS

WALTER

ERLYNE

NORMAN

JANICE

We agree with an oft repeated phrase, "Music hath charm." What type of music charms teenagers? If the six NHS students we interviewed this week are any indication, it takes all kinds of music.

Here's what we asked:

What kind of music do you like best? Why?

Who is your favorite male singer?

Who is your favorite female singer?

WALTER PALMER, 17, senior, said "I like pop records best, there's lots of life to them...I don't like anything dull." (For those who are not hep, pop is short for popular.) "My favorite gal singer is the singing rage... Patti Page," Walt said. "I don't have a favorite male singer... but I do like a male group, the Four Aces."

KRIS KARG, 15, sophomore, said that she liked jazz, "the kind that Benny Goodman plays," she said, "you can dance to it." Kris liked her singers in groups too, The Chukles and the McGuire Sisters.

DARWIN TESHKA, 18, senior, likes classical music. "I plan to be a music teacher," Darwin said, "and I appreciate classical music more than this pop stuff. Pop is o.k., but not what you really call music." Darwin likes the music of Rogers and Hammerstein. Ezio Pinza is his favorite male singer and he also likes Helen Traubel, "she's got a good voice," he said.

ERLYNE PATTERSON, 17, junior, likes pop music. "It kinda excites you," she said, "and it really moves...so does rock and roll." Kay Starr is Erlyne's favorite singer. When we asked

## Ken Krezel Entered In Debate Finals At U. of M. Campus

Fifteen Michigan high school students will meet on the University of Michigan campus Tuesday, Mar. 20 for the semi-final round of the Detroit Free Press \$2,800 debate scholarship contest.

Among the finalists is NHS senior, Ken Krezel.

At 4 p.m., Wednesday, Mar. 21 the six finalists will speak before an audience in the Rackham Lecture Hall for prizes ranging from \$1200 scholarship to a U.S. \$100 savings bond. The topic to be discussed by the contestants is: Resolved: That the Federal Government Should Guarantee Higher Education to Qualified High School Students Through Grants to Colleges and Universities.

The six speakers in Wednesday's program will have survived a year of highly competitive debating which included more than 800 debaters from 191 Michigan high schools.

The program at the University will be presented under the aus-

her what male singer she liked she said, "My boyfriend will kill me, but it's Mario Lanza."

NORMAN TISHKA, 17, sophomore, likes hillbilly music best. "It has just the rhythm I like," Norman said. Norm likes to listen to hillbilly music but he said that he dances to music like "See Ya Later Alligator." "I like Web Pierce's singing," he said, "and I like to hear Mae West sing. I watch her on the Saturday Night Jamboree."

JANICE KIMBELL, 16, junior, likes "medium" music, "nothing fast and frantic," she said. "Right now I like instrumentals like Lisbon Antigua. Pat Boone and Kay Starr are my favorite singers," Janice said.

## 48,000 Awards Being Offered 4-H's.

Awards for 48,000 4-H club members are offered in the first announcement of 1956 National 4-H Award Programs by the National Committee on Boys and Girls Club Work, Chicago.

County, state and national winners in 4-H Poultry, Garden, Dairy and Entomology programs will be honored for outstanding achievement. Boys and girls are urged to begin now to keep accurate records of their accomplishments, since the awards will be made on the basis of the reports submitted by the 4-H members.

Complete information on the award programs is available at county Extension offices or from the State 4-H Leader.

## J. Clarke Receives Athletic Award

John Clarke, son of Mr. and Mrs. A. Russell Clarke, 720 Fairbrook, was awarded a junior college varsity basketball letter for outstanding performance on his team this season at Kemper Military School, Boonville, Mo. The award was presented in an athletic assembly conducted by Lt. Col. J. G. Kralovec, director of athletics. He was given high recognition for his playing ability by his coach.

Clarke was named all-conference honorable mention by the Interstate Athletic Conference at a recent meeting of conference officials at the Kansas City (Kans.) Junior college, and in further honors was elected co-captain of his Kemper team by team members.

Robert Freydl, son of Mr. and Mrs. Charles Freydl of Eaton Dr., graduates from Michigan State university Thursday. He will receive his bachelor of science degree in forestry and is planning to take a post graduate course later.

## Burgess, Felker On Dean's List At Hillsdale College

John Burgess, son of Mr. and Mrs. Andrew Burgess of 25805 Beck Rd. and Bruce Felker, son of Mr. and Mrs. Ancil Felker of 113 Randolph, were named to the Dean's Honor Scholastic List at Hillsdale college as a result of grades received during the fall semester.

## NHS Band To Present Concert

The Northville high school band, under the direction of Leslie Lee and Robert Williams, will present a concert Apr. 4 in the Community Bldg. at 8 p.m.

A special feature will be a number by the cornet trio which won first division rating in the district contest, and a brass ensemble.

The All-League band gave two concerts Wednesday — one in Clarenceville and the other in Brighton. Two more concerts will be given Mar. 23 in Clarkston and West Bloomfield.

membership into Epsilon Delta Alpha, honorary scholastic society on the Hillsdale campus.

## T. Johnson Active In Wooster College Mock Convention

Wooster, Ohio, Mar. 22 — A mock political convention will be

held on the campus of The College of Wooster Saturday, Mar. 24.

Seven administrations ago in 1924, Wooster students held their first mock convention. It was Re-

publican in form and on the fifth ballot it nominated Calvin Coolidge, the party choice in the national convention. By student vote, the convention will be Republican again this year.

Tom Johnson, son of Dr. and Mrs. Waldo T. Johnson, 22042 Novi Rd., Northville, is a co-chairman for the Michigan delegation with Frank Storch of Bay City.

Tom is manager of the Girls' Chorus, president of Psychology club and a member of Young Republicans.

The White House was first lighted by electricity in 1890 during the term of President Benjamin Harrison.

You'll find it, too, in the fact that here you can get the matchless smoothness of the world's most modern transmission. For, at your option, you can also have the new double-action take-off—and the extra gas-saving mileage—of Buick's advanced new Variable Pitch Dynaflo†.

So, how about it? Will you come in real soon? We've got the facts and the figures—and the car—to prove everything we've told you—waiting for you.

†Now Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

### Join Buick's "THRILL-A-MINUTE CLUB"

Just drop in and drive a 1956 Buick. Discover the new thrills in ride, handling, power and switch-pitch performance to be had in the Best Buick Yet.

THIS is the one that measures BIG — by any yardstick you choose . . .

BIG in solid pounds and honest inches . . .

BIG in high-compression horsepower . . .

BIG, best of all, in the way it makes small money talk.

For, this strapping beauty is the 1956 Buick SPECIAL — biggest package of high-fashion luxury and high-stepping performance ever offered in Buick's lowest-priced Series.

What that boils down to is just this:

You can call this brawny Buick your own for only a few dollars more than the price of the well-known smaller cars — for even less than some models of those very same cars. And the price we proudly print here backs up that statement.

But low price, alone, doesn't explain why Buick outsells every other car in America except the two well-known smaller ones.

The big reason, you will find, is because Buick gives you so much more pure automobile for the money.

You'll find it in the bigger thrill you get from commanding the agile might of Buick's big new 322-cubic-inch V8 engine.

You'll find it in the greater smoothness of Buick's superb new ride — in the utter serenity of Buick's new handling ease—in the bigger satisfaction of Buick size and roominess and steadiness and styling.

# from the PASTOR'S STUDY

By the Rev. B. J. Pankow, Pastor  
St. Paul's Lutheran Church of Northville

"And when Jesus had cried  
with a loud voice, He said, Fa-  
ther, into Thy hands I commend  
My spirit; and having said thus,  
He gave up the ghost." (St. Luke  
23:46).

Usually the dying expire with  
a weak sigh, a gasp, or a last  
word which is  
hardly above a  
whisper. All  
their strength  
and energy are  
gone; and that  
is why the pulse  
fails and the  
heart ceases to  
beat. However,  
the last words of  
Rev. Pankow Jesus before His  
death were spoken with a loud  
voice. He did not die out of ex-  
haustion. No, in the very act of  
dying, He still possessed all the  
might necessary to escape death.  
The superhuman, supernatural  
strength of the dying Christ be-  
speaks but one thing: He was the  
Son of God, God Himself. This  
powerful, thundering, ear-rend-

ing cry so amazed the Roman  
centurion that it brought about  
his conversion. Mark relates:  
"And when the centurion, which  
stood over against Him, saw that  
He so cried out and gave up the  
ghost, he said, Truly this man  
was the Son of God!" (St. Mark  
15:39).

The manner of Christ's death  
also proves that He laid down  
His life voluntarily. He had said:  
"No man taketh it from Me, but  
I lay it down of Myself. I have  
power to lay it down, and I have  
power to take it again." (St. John  
10:18). Even in those last mo-  
ments before His death Christ  
could have descended from the  
cross. But He wanted to die. Wil-  
lingly He gave Himself, out of  
love for us. "Christ also hath  
loved us, and hath given Himself  
for us, an offering and a sacrifi-  
ce to God." (Ephesians 5:2).

Let us also ponder the deep  
meaning of Christ's last words  
on the cross. When He cried with  
a loud voice, "Father, into Thy  
hands I commend My spirit!" He  
wished His enemies, His friends,  
and the whole world to know  
that despite the suffering He had  
endured on the cross, God was  
still His Father. He knew that  
He was no longer forsaken by  
God. He had been forsaken only  
because it was necessary to make  
full payment for the sins of the  
world—and part of that payment  
was to be forsaken of God. Now  
knowing that His Father was  
wholly satisfied with His work  
of redemption, God the Son  
commends, that is, commits, en-

trusts His soul to the Father's  
loving care.

"And having said thus, He gave  
up the ghost." The significance of  
this statement lies in the fact  
that Christ truly died. Had He  
not actually died, His work of  
redemption would not have been  
completed. He had said, "It is  
finished!" only because in the  
next few moments He was going  
to breathe His last. He made "His

are the Lord's." (Romans 14:8).

# Dodge leads all pick-ups on all 4 counts!

① HIGHEST  
V-8 HORSEPOWER-  
TO-WEIGHT RATIO...  
Greater Hauling Power

② BIGGEST CAB  
Extra Room For  
Extra Comfort

③ HIGHEST PAYLOAD CAPACITY  
For Bigger, More Profitable Hauls

④ DODGE COSTS LESS  
Than Any Other Truck  
With Automatic Transmission

# Don't buy a truck blindfolded...

Check Dodge before you buy, and get more truck per dollar!

Choose any yardstick of comparison you can  
name—you'll find no other truck measures up  
to today's bigger, more powerful DODGE.

Prove it yourself. Give the new truck you may  
be thinking of buying a good, thorough going  
over. Dig into its payload rating, horsepower-  
to-weight ratio, cab size, performance, and  
price. Get the facts, right from the engineers'  
specification book. Then take time to...

Check Dodge. Match every one of these points  
against what you get in a DODGE truck, and  
see how much more Dodge gives you for each  
dollar you invest.

You owe it to yourself to get the best buy for  
your money, so be sure to get your Dodge  
dealer's deal before you decide—before you  
make the unfortunate mistake of paying more  
for your next truck and getting less.

Easier on driver—especially  
with automatic transmis-  
sion. You get the largest  
cab for greater comfort,  
largest wrap-around win-  
dshield for greater safety.

Easier to turn. Dodge has  
industry's shortest turning  
radius—requires much less  
effort to park, make U-turns,  
maneuver through heavy  
downtown traffic.

Easier to load. Low body-  
floor means just an easy  
lift from ground to truck,  
saves you work every time  
you load, every time you  
unload.

Easier on gas. Dodge higher  
horsepower-to-weight ratio  
means less pulling effort  
required of engine, assures  
greater efficiency, maxi-  
mum gas economy.

## New Postage Stamps To Show Wildlife

Lansing, Mar. 22 — The first of three special postage stamps emphasizing the importance of wildlife conservation will be released in Fond du Lac, Wisconsin May 5.

Postmaster General Arthur E. Summerfield said the design of the first stamp portrays a wild turkey in flight and represents an outstanding example of conservation work being carried on by state and federal agencies. Michigan is one of several states which have wild turkey restoration programs.

Other stamps in the series, which was designed by Bob Hines, artist for the federal Fish and Wildlife Service, will represent a mammal and a fish. Specific design and sale of the other two stamps will be announced later.

From the Lighter Side  
of The Reader's Digest

One question on an examination given to Royal Australian Air Force trainees posed this problem. "What is the first thing you would do if you were piloting an aircraft and the Queen of England fell out of the back seat?"

The answers varied a good deal. "I'd swoop down and try to catch her," said one hopeful.

"Commit suicide," said another.

"Disappear," said a third. The approved solution? "Adjust tabs to compensate for reduced weight in the rear section."

Natural GAS

YOUR SILENT SERVANT

## Gas Burns Up All Garbage And Trash

A gas incinerator disposes of everything from vacuum cleaner sweepings to ham bones and work bench litter. The fine ash it leaves need only be disposed of once or twice a month and makes a good fertilizer.

There are more than a dozen manufacturers in the field. Basically, incinerators are of two efficient types: (1) Those with a clock control that sets off a high, hot flame. (2) Those with a steady pilot flame. Models are available for both inside and outside installation.

A gas incinerator costs no more than a sink disposer, yet does twice the work . . . And they operate for only a few cents a day.

Only GAS does so much, so well . . . the modern fuel for automatic cooking . . . refrigeration . . . water-heating . . . house-heating . . . air conditioning . . . clothes-drying . . . incineration.

**New City Directory Lists 10,544 Names**

It may or may not be a sign of spring, but anyway this community has a new city directory, now being delivered to subscribers by R. L. Polk & Co. of Detroit.

The 1956 directory is a handy volume listing 10,544 personal and business names in Plymouth and Northville and on the surrounding rural routes, representing an increase of 520 names over the 1953 edition according to the Polk records. Eighteen was continued as the minimum listing age, and the aforementioned count considers the combined names of man and wife as only one name, the publishers explained.

Special features of the directory include the designations of owner-occupied and rented homes and places of business having telephones; and short stories of Plymouth and Northville.

256 Different Businesses  
Testifying to the community's variety of enterprise, the directory people found 256 different types of business here, and these groups are catalogued in the directory's (yellow) pages from "Accountants" to "Wood Products". Among these listings one will find such newer classifications as "Dairy Bars" and "Television" and such old ones as "Feed Dealers" and "Piano Tuners".

Replaces 1953 Edition  
There will be a distribution of the new directory to replace the 1953 edition in Directory libraries maintained by the directory association members at the Chambers of Commerce of other cities, the publishers announced. These copies, to be used for free reference by the general public, will represent Plymouth and Northville to the outside and will show what makes them "tick", the publishers pointed out. The local unit of this out-of-town directory service is maintained at the Polk national headquarters offices, 431 Howard St., Detroit.

Holding the fore and aft positions on the new Plymouth roster

are Bruce Abrahams and Anna Zywick. Holding corresponding positions on the Northville roster are Raleigh Adcox and Joseph A. Zrenchik. A glance at the family names in the directory discloses such picturesque examples as Orphan, Kinkhorn, Holycross, Pentecost and Woolweaver.

**Letter To The Editor**

Dear Mr. Cummings:

Members of Northville Chapter of North Wayne District of Michigan Education Association wish you to know that they appreciate the fairness with which you have given publicity to current school problems of concern to all of us. It is very satisfying to our staff to realize that it is functioning in a community vitally interested in fair consideration of school conditions affecting all who participate, when they know the truth. We thank you for making known to our city the issues so important to the future success of its educational system.

**TWENTY YEARS AGO—**

Bruno Freydl, one of the last of Northville's old business men, died Monday after a severe attack of influenza. He was 62 years of age and was for many years well and favorably known in the business circles of the village. The stores of the village were closed during the funeral services as an expression of sympathy.

PWA has approved a project for a new reservoir here.

A daughter, Gail Verell, was born to Mr. and Mrs. John Blackburn on Mar. 16.

Phil Palmer and F. A. Fry attended the funeral of Charles

HERE'S GOOD NEWS! We can rent an R-S Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

They're both right. The Reynolds Rental Plan is really sensational! You rent an R-S Ball-O-Matic 30,000 Grain Capacity Water Softener for only \$3.25 per month. You control it and regenerate it as often as you want. It's yours to use—just as if you owned it. It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the zero-soft water you need. All the water in your home will be zero soft, and can be used abundantly. Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R-S Ball-O-Matic (or you can keep the rental unit, if you wish). See us today. You can't afford to be without soft water!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a Reynolds quality softener. Factory installation and factory service.

**Try the V-8 that smashed 30 world records in one day!**

Discover what happened at the thrilling Kingman, Arizona performance run! Try this Ford yourself... for pick-up... for passing... for hill-leveling! You'll love what you experience!

Photographed at world's most modern test track—Ford's new desert proving grounds at Kingman, Arizona.

**It's the 225-h.p. Thunderbird Special V-8 you can have now in Ford!**

At 6 p.m. on Saturday, February 25, a '56 Ford set out to re-write the record book at the new Ford Proving Grounds, Kingman, Ariz. Just a little over one hour later, this 225-h.p. Ford had set 30 new world marks—ranging from short runs to 100-mile performance! To you this record-breaking performance promises the most exciting response ever delivered for so little money. Hills you've long known will disappear. Stop lights will be fast fading memories within instants after your foot nudges the throttle. And when it comes to passing, you'll pass in a wink with plenty of "whoosh" in reserve.

**Thunderbird looks, too**

But you get more than record-breaking performance when you drive a Ford V-8. You get the long, low look of the Ford

Thunderbird. It's the kind of sleek, years-ahead styling for which Ford is famous.

**Let Lifeguard Design Start Protecting You**

And, of course, you get Ford's exclusive Lifeguard Design. Among all cars in the low-price field, only Ford gives you this extra protection. Doesn't your family deserve this extra safety in the event of an accident?

**More real economy, real stand-up**

So whether you judge a car on performance... or safety... or styling, it's easy to see that your best buy is a Ford V-8. And as an added benefit, you get the economical upkeep and built-in value that are part of the Ford tradition. So... come

in today, won't you? Slide behind the wheel of this 225-h.p. Ford that set 30 world performance records! Take it out on the road... and let it whisk you from "whoa" to GO as you've never gone before! When you return you'll understand why Ford is the V-8 with the world's biggest following.
