## for the Record

by G. H. C.

We can think of no better editorial this week than the following one from last Sunday's Free Press, in which Publisher John S. Knight quoted Foreign Editor Ludwell Denny of the Scripps-Howard newspapers. Apparently Mr. Knight liked what Mr. Denny said. We have an idea that a lot of our readers may like it too.

### Patches on An Old World

A recent conference of 19 Scripps-Howard editors in Washington brought forth some impressive words of wisdom from Foreign Editor Ludwell Denny and his predecessor, William Philip Simms.

Because their thinking is so akin to my own, particularly with reference to the need for reappraising our policies, Mr. Denny's summary is offered for your consideration.

This global crisis cannot be cured by putting patches on the pre-war world. New worlds are in the making.

Any speedy cure is quackery. The American idea that we can cure everything with a few billion aid dollars, a few Madison Ave. advertising stunts, a few divisions and bomber bases abroad—all without sacrifice of luxury living at home—is insane.

Our democracy is not exportable. Democracy is indigenous; or it is nothing. We can help others achieve it, but not by trying to make our brand fit divergent heritages and different conditions.

We cannot buy allies. Military aid should be concentrated on genuine allies—those determined to fight for their own freedom. Except for charity and the minor nuisance value of subsidies, economic aid should be limited to Point Four technical assistance, and foreign financing should be left to the World Bank and the Export-Import Bank.

The world is not to blame for Communism but for chaos. A United Europe and a healthy Middle East could not be endangered by Soviet infiltration, or a strong Asia by Chinese expansion.

Finally, in our long overdue reappraisal of U.S. foreign policy, let us remember the simplest fact of all: America is not God. There is a limit to our capacity and our responsibility. We cannot run the world. We cannot set it right.

The best we can do is to preserve our own strength in a weak world, sharing where our kind of help is wanted, preserve our sanity in a mad world which may profit by our successful example, preserve our faith in human decency in a dark world which needs that more than all our money, munitions and manifestoes.

We can defeat ourselves by our fallacy of easy solutions and quick victory, by the delusion that we have all the answers—or could make others accept them if we had.

The world is in chaotic transition from an old western civilization to a new global nuclear age whose nature is unknown. We, in strength and in patience, must keep the faith and make the long, long fight.

JOHN S. KNIGHT

## U-M Specialists Recommend 30-50 Member Committee

That the proposed 30-member committee to study Northville school curriculum needs is not too large, as claimed by two school board members early this month, was the opinion voiced by representatives of the U. of M. school services bureau at a public meeting in the Community Bldg. April 18.

To the contrary, the U. of M. representatives are reported to have said that such a curriculum committee could range from 30 to 50 members.

The four U. of M. representatives, Dr. R. Kehoe, Leslie Trow—(Continued on Page 10)

## 4 Petitions Filed for School Board

According to R. H. Amerman, superintendent of Northville public schools, four petitions were taken out as of Wednesday morning for election to the Northville school board.

Petitions were taken out for Mrs. H. F. (Eliza) Wagenschutz and Nelson Schrader, present school board members, and Mrs. William (Martha) Milne and Robert Shafer.

The three year term of both Mrs. Wagenschutz and Nelson Schrader expires this year.

Deadline for filing petitions is 4 p.m., May 12. The election will be held June 11.

POSING WITH THE F.B.I. wanted poster and a Northville Record file, Patrolman Eugene King recreates one of the first steps in his investigation which led to the capture of a fugitive last week.

## Northville Patrolman Assists FBI In Capture of Wanted Man

Patrolman Eugene King assisted ten Detroit F.B.I. men last week in the capture of a wanted man who had been living in Northville for the past year and working as a tree trimmer.

A complaint had been filed in Casper, Wyo. Feb. 25, 1955, against John Howard Soto, 21, charging him with fleeing from the state of Wyoming to avoid prosecution for the crime of assault and armed robbery in the beating of a merchant seaman near Medicine Bow, Wyo.; however, a wanted poster for Soto was not released to the Northville station until two weeks ago.

### NHS Boys Give Tip

Clayton Pethers and Peter Gross, NHS students, saw the wanted poster at the police station Wednesday, April 18. They told Patrolman King they thought the wanted man had recently married one of their classmates and was living in the city.

### Starts Investigation

With this clue to follow, King visited the Record office and checked recent issues for the wedding announcement. He found an identical name and the address of the newly married couple.

King watched the home of the suspect and copied Soto's car license.

Back at the police station, King sent a teletype message to Lansing and received a reply that tallied with Soto's name and birth date.

### F.B.I. Alerted

Approximately two hours after the case began, Police Chief Joseph Denton was telephoning the Detroit F.B.I. Three men were sent here and after they satisfied themselves, seven additional F.B.I. men were dispatched to Northville.

King drew a sketch of the land and the F.B.I. men stationed themselves in strategic positions.

Soto was under surveillance from 6:30 p.m. until his capture at 10:30 p.m.

Soto was taken to the U.S. Deputy Marshall's office in Detroit and tried in Federal Court April 19. He waived removal to Wyoming and was held on \$2,500 bond.

This was Soto's second offense. Previous to this he had been convicted of grand theft.

## NHS Senior Emerges As Oratory Champ

Judy Thompson, 17, won the district honors in the Detroit Times Tournament of Orators Thursday, April 19.

Judy won the contest at Cody high school. Her competition included speakers from Cody, E. Lee of Wayne speech department, and George Steiner, manager of WTVS, Detroit's educational TV system.

Like thousands of other high school and college contestants in the national Hearst newspapers Tournament of Orators, Judy spoke on John Adams, second president of the U.S. and a great figure of the American Revolution.

Earl Sloan, Cody speech teacher and contest chairman, said that Judy has the "poise and stage presence of a college girl."

A student at Saginaw's Arthur Hill high school until her family moved to Northville this year, Judy's only previous experience in speech competition was two years ago in a Saginaw declamation contest.

Since enrollment at NHS, Judy's coach has been Miss Florence Panattoni, head of the NHS speech department.

The inter-district contest was held Tuesday, April 24. Judy competed with six other district winners, but did not place among the top four.

Inter-district winners will compete May 7 in the Veterans' Memorial Bldg., Detroit, for the right to represent the Detroit area in national competition.

### Random Notes

## From "file 13"

A month or so ago we ran a item in this column about the "talking" stamp machine recently installed in Detroit. Several days ago, the following letter came to our attention:

"I read where the Post Office Department has been toying with the idea of installing coin-operated stamp machines that say 'thank you' to all purchasers. While I think this is an extremely civil service, I also get the edgy feeling that it may be setting a dangerous precedent.

"I, for one, have enough trouble with coin machines without having one talk back to me. Probably the day is not far distant when the little mechanical carousels which intrigue children in front of supermarkets and elsewhere will tap each youngster on the shoulder as soon as the music stops, grin evilly and hiss, 'Go ask Daddy for another dime!'"

"There is doubtless some advantage in a talking automaton (Continued on Page 10)

## Voting Day Will Be June 5

# Special Election Called To Annex Property In Novi Twp.

After numerous setbacks, the proposed 250-home, \$3,500,000 "Yerkes Farm" subdivision moved a step closer to reality early this week.

In a letter from the Michigan Secretary of State, Northville officials were notified that they had succeeded, by means of a recently passed legislative amendment, in calling a special election for the purpose of annexing the 70-acre Yerkes farm to the City of Northville.

The letter set May 10 at the date of the special election.

### Caught Off Guard

However, city officials were caught off guard and found they had insufficient time to prepare for the election. They then requested and received a change in date to June 5.

The property, lying north and east of Northville's Oakwood subdivision, is now owned by Detroiters Richard Beneicke and Robert Krue and is the proposed site for their 250-home subdivision.

Early last year, Beneicke and Krue requested annexation of their property to Northville in an effort to secure city water and sewage facilities needed for their homes. The Northville council had previously refused to furnish the water and sewer connections for the entire project unless the area became part of the city.

### Special Act

"A special act of the recent state legislature amended the statute pertaining to annexation procedures in two counties," according to Northville City Attorney Philip Ogilvie, "thus making it legal to call a special election for annexation."

Prior to this amendment, signed by the governor late last month, a special election on the

## Who's Laughing?

# Joke Backfires On Flip Proprietor

In last week's copy of the Record certain members of the Northville Improvement committee were quoted as saying that Angelo Gadiola would donate his Main St. property to the city providing that it would be used for parking purposes.

The day after the paper came out Gadiola told the Record, "It was all a joke."

"You see," Gadiola explained, "one day these two committee members met me on the street and told me about the parking idea. 'Fine,' I said, 'it's a good idea. I'll donate my property.' Sure I said it, but I only said it once and in a joking way, naturally."

"Did you see those men again?" we asked.

"Once," Gadiola nodded. "I was doing some work around my bowling alley and one of them asked me the width of my property. I told him and he walked away."

"I paid taxes on that property for 15 years," Gadiola said, "I'd be silly to give it away. Who gives away property on Main St.?" he questioned.

We assured him that we didn't know and asked him if he learned a lesson from his experience. "I hope so," he sighed. "The barber wanted to charge me \$2.50 for a haircut today. He thought I was rich... said if I could give away property I could also pay the top price."

"You live and learn," Gadiola mumbled as he left the Record office.

### Two Elections

Two lots at the northern end of the triangular, west of Novi Rd. and south of the railroad track, have not been included in the request. Ogilvie said these residents were not in favor of annexation.

Two elections will be held on the annexation question June 5, one for the people of Northville and a second for the handful of Novi township residents in the area considered for annexation.

A majority vote in both elections is necessary before the annexation becomes a reality. However, informed sources expect little opposition to the move, either on the part of the few Novi residents involved or the people of Northville.

The meeting will be devoted to election of new officers for 1956.

Mrs. Frederick W. Solomon, Mrs. Joseph Spagnuolo, Mrs. George C. Tegge, Mrs. Bruce L. Turnbull, Mrs. R. M. Van and Mrs. Joseph Scida will serve refreshments.

## News Around Northville

Mrs. Thomas Campbell and son, Thomas, of Wing Ct. left by car Sunday for a vacation in Washington, D.C., Virginia and other southern states.

Nelson Schrader and son, N.C., Rick Goodrich and son, Jeff, and George Clark found fishing hazardous in Leamington, Ont. last Saturday. They reported waves eight feet high washing over the piers.

Mr. and Mrs. Robert Campbell of Loveland, Ave., Livonia, entertained several Northville and former Northville residents for dinner Sunday evening. They included Mr. and Mrs. Robert Germain, Mr. and Mrs. Malcolm Pierce of Plymouth, David Pottinger of Detroit and his fiancée, Miss Marilyn Christenson of Milwaukee, Wis. Dave and Marilyn will be married June 2 in Wisconsin.

Mr. and Mrs. George Alexan-

der attended the spring meeting and dinner of the Great Lakes Section, Institute of Food Technologists, at the Prince Edward hotel, Windsor, Ont., April 20. Mr. Alexander is chairman of this organization.

Mrs. Myrtle (Phillips) McLoughlin, is a resident at Eastlawn Resthaven.

Hospital Corpsman James Wiley and Mrs. Wiley left Sunday after a three weeks visit with their parents, Mr. and Mrs. Otto Wiley of 43000 8-Mile Rd. Wiley was graduated Mar. 30 from the U.S. Naval hospital in Portsmouth, Va. and goes to his new base in Camp Lejeune, N.C., where he will work as a hospital corpsman in the marine hospital there.

## 40th Wedding Anniversary

Mr. and Mrs. S. W. Reed were honored on their 40th anniversary April 22 at a buffet dinner party held at the home of their daughter and son-in-law, Mr. and Mrs. Donald Lanning, 10029 W. 7-Mile Rd.

Twenty-nine relatives and friends from Detroit, Greenville, Hazel Park, St. Clair and Northville helped the couple to celebrate.

In addition to Mrs. Lanning, the Reeds have three daughters who live out of town.

## Floor Coverings Are Being Exhibited Now

A window exhibit of floor coverings is being featured at the Schrader Furniture store during National Home Demonstration Week, April 20-May 5. Free pamphlets are also being made available at the store.

For further information regarding lessons on selection of floor coverings, interested women are asked to call Mrs. John Ling, 869-W or Mrs. Samuel Geraci, 168.

## What's Cooking?

(What's your favorite dish? If you will share it with other Northville housewives, please call The Northville Record's society editor, telephone 200.)

Mrs. Sidney Frid offered us two recipes this week and being unable to choose between them, we decided to give them both to our readers along with a menu for a full course meal.

While tasting one of Mrs. Frid's delicious coconut tarts, she told us she had also written down the recipe for a salmon loaf that has always been a favorite with her family. It is quite different from the usual salmon loaf because it contains vegetables and mushrooms. It is truly a mouth-watering casserole to serve your family or guests.

The Frids reside in a new ranch house at 865 Grace St. They have two children who are both married. The daughter, Patricia, Mrs. Raymond Plaut, lives in Drayton Plains. Both were graduated from Northville high school. Mr. and Mrs. Frid are very proud of their five grandchildren and recently added another room to their two bedroom home so they have plenty of room for visitors.

## SALMON LOAF

1 large can red salmon  
1 can green lima beans  
1 medium size can of mushroom stems and pieces  
2 cups cream sauce  
2 tablespoons lemon juice  
¾ cup bread crumbs  
2 stalks celery, diced  
Boil 4 medium carrots and 2 medium onions  
Drain cooked vegetables and add lima beans and mushrooms. Butter a casserole, place half of the vegetables in bottom and sprinkle one-half of the salmon broken in small pieces. Add half of the lemon juice and sprinkle half the crumbs over this. Then pour one half of the cream sauce. Repeat.

Bake three-quarters of an hour at 350 degrees. This makes six good servings.

1½ cups brown sugar  
2 unbeaten eggs  
1 tsp. vanilla  
¾ tsp. salt  
1½ cups milk  
1 cup shredded coconut

(Pecans or walnuts can be substituted if desired)

Line muffin tins with unbaked pie pastry. Fill each three-quarters full of mixture. Bake at 350 degrees for three-quarters of an hour to one hour. Makes 1 dozen tarts.

## Second Course In Beauty Training To Be Held May 1

The second of two beauty programs sponsored by the Northville BPW club will be held May 1, 7:30 p.m. at the Presbyterian church house. The third program has been cancelled due to conflicting dates.

Miss June Mayhew, representative from the J.L. Hudson Co., will present "Aisles of Beauty". Instructions on speech, interviewing, salesmanship and telephone conversation will be given by another speaker.

High school seniors and juniors, BPW members and other interested women are invited to attend. Refreshments will be served following the speeches.

### FREEMAN CARR

Freeman Carr, pioneer in harness racing, died Sunday at Beyer Memorial hospital, Ypsilanti, at the age of 90.

Carr was well known among horsemen for, although he lived in Dearborn, he trained horses in Northville for the past 36 years up until last winter. Sixty-seven years ago he raced harness horses on West Grand Blvd. in the snow. He is survived by a daughter, Mrs. Alice Sims of Wayne, and a son, Malcom of Lexington, Ky., who is also a well known owner-trainer, in Northville, and a brother, Judge Leland Carr, of Lansing.

Funeral services will be held Thursday at 2 p.m. at the Uth Funeral Home in Wayne. Burial will be in Hilltop cemetery in Belleville, Mich.

The average family spends from \$150-200 per year on a vacation, according to AAA.

Northville's annual P-TA Carnival, an affair that has gained increasing popularity, will open Friday, May 4 at 6 p.m. The grade school, high school and Community Bldg. on Main St. will house the various activities. Some of the many attractions for the children will be the Midway in the Community Bldg. sponsored by the Optimist and Rotary clubs; four (4) fish ponds sponsored by the Red Cross, American Legion Auxiliary, Girl Scout Troop No. 11 and the high school teachers. One of these will be a "Walking Fish Pond".

The VFW Post 4012 is sponsoring a new attraction "The Red Ball Express". The Cub Scouts are having an "Air Rifle Range" with cork pellets. Cartoons for the children will be shown at intervals by the Presbyterian Men's club.

An annual feature, "The Cake Walk" will again be presented by the Business and Professional Women and the VFW Auxiliary. Carnival-style snapshots will be available through the Camera club. The Cooperative Nursery school will have a "Cookie Booth" and the Northville Mothers' club will offer home-made candies. There will be a corner of the high school gym for Tea-Leaf reading and the general P-TA will sponsor its usual "white elephant" sale.

A baby orchid booth is endorsed by the Northville Branch of the National Farm and Garden Ass'n. The state police will be present with a display of weapons and a career booth.

A new feature this year in the food department makes it possible to obtain a wider selection of food for the evening meal. "Sloppy Joes", baked beans, cole slaw, cake, ice cream and coffee will be on sale in the Community Bldg., with tables and chairs available for the comfort of the diners. The Northville Women's club will prepare the cake, ice cream and coffee. Other food has been solicited from the general P-TA through the Room Mothers organization.

Junior high students will sell popcorn; the home economics students with their teacher will make and sell candied apples with the assistance of Girl Scout Troop No. 13. The Student Council will have hot dogs and pop and the ever-popular cotton candy will be available.

The Exchange club will set up an archery range outdoors where

there will also be a Carousel for tiny tots. The pony rides will also be on the playground with the cooperation of "M" club members. Some of the teaching staff will act as barkers for the weight-guessing contest. The OLV Mothers' club will sponsor a pie-eating contest for the junior boys (7th and 8th grades) at 9 p.m.

Music will be played throughout the evening by three different groups, Rock and Roll, Dixie Land and New York Combs, by Bob Williams and some of his talented musicians.

At 9:30 p.m. Diane Bahnmiller will assist the master of ceremonies in announcing the 50 names of the lucky people who will receive certificates for gifts donated by local merchants and organizations. A certificate is given with each strip of 20 five cent tickets. All school students are having an advance sale of tickets beginning Monday, April 23.

There have been some additions to the list of donations for gift certificates: a girl's bicycle, Northville Driving club; beef roast, Carle's Center St. Market; one cleaning, glazing and year's storage for a fur coat (and \$300 insurance policy for coat), Merchant's Fur Ass'n., D. Hurd Clark.

Any men or women wishing to volunteer their help in this community activity are invited to call Mrs. E. C. Cavey, Northville 1285-J.

## Showers Fete Bride-To-Be

Jean Buttermore, 429 Lake St., a bride-to-be, was honored by two bridal showers this month. Shirley Mapes of Fairbrook Rd. gave a miscellaneous shower April 15. Judy Sechlin and Joan Rody were co-hostesses at the home of Judy's grandmother, Mrs. A. Porter on Northville Rd. for a combination personal and kitchen shower April 17.

Miss Buttermore's marriage to Pamphile Roseffle will be solemnized Saturday at Our Lady of Victory church in Northville.

If you are considering buying a portable sewing machine, remember it needs to be light enough in weight so you can move it. It loses its function as a portable if it is necessary to depend on a strong arm to carry it. Its case should be sturdy and compact and it should be easy to remove and replace the machine.

## Engagement Announced

Former Northville residents, Mr. and Mrs. Ernest H. Wood, now of Hollywood, Fla. announce the engagement of their daughter, Beverly Jane, to Andrew Coulbrough, Jr., son of Mr. and Mrs. Andrew Coulbrough, Huntington Woods, Mich. The bride-elect attended Sullins Junior college and Michigan State university. She is now a stewardess with Eastern Airlines, Miami, Fla. Mr. Coulbrough attended Michigan State University and is a sales engineer with Manegold Equipment company, Detroit. Sept. 15 has been set for the wedding.

### Start?

Many, many First Federal customers have had savings accounts for their children, opened soon after the youngsters were born. They start with a small account for the new baby. Then, it's surprising how such savings grow with money gifts for Christmas and birthdays. Later, the child's own after-school earnings are added. Besides offering important training in thrift, this plan builds savings for college, or for a start in business. Savings here are insured to \$10,000.

The unending, supreme justice  
of God, which brings freedom  
and peace in the measure that it  
is understood and adhered to,  
will be brought out at Christian  
Science services Sunday in the  
Lesson-Sermon entitled "Ever-  
lasting Punishment."

Scriptural passages will in-  
clude the following from Prov-  
erbs (3:11, 12): "My son, despise  
not the chastening of the Lord;  
neither be weary of his correc-  
tion: For whom the Lord loveth  
he correcteth; even as a father  
the son in whom he delighteth."

Selections to be read from "Sci-  
ence and Health with Key to the  
Scriptures" by Mary Baker Eddy  
will include the following (542:  
19-21): "Let Truth uncover and  
destroy error in God's own way,  
and let human justice pattern  
the divine."

The Golden Text is from Prov-  
erbs (13:21): "Evil pursueth sin-  
ners: but to the righteous good  
shall be repayed."

## "As The Cracking of Thorns..."

The joy of the unbelievers, the  
non-Christians can only be super-  
ficial and of short duration. Al-  
though they may appear ever so  
joyful, their happiness is not very  
rooted. Inwardly they are the  
most unhappy. Boisterous mirth  
and slapstick comedy cannot give  
lasting joy to a man who is not  
right with His God.

## "As the cracking of thorns

under a pot, so  
is the laughter  
of the fool. This  
also is vanity."  
(Ecclesiastes 7:  
6). A very fit  
comparison. The  
laughter of a  
fool is similar to  
the burning of  
thorns under a  
pot, which pro-  
duces a great  
noise and huge flames but con-  
tributes a heat that is negligible;  
for soon the blaze is gone, and  
only a few scattered ashes re-  
main. So is the laughter and the  
joy of the unbelieving fool.

This can be exemplified fur-  
ther by an anecdote. One day a  
man came to a religious counsel-  
or for comfort and peace of con-  
science. The counselor, instead of  
fulfilling his sacred obligation  
and offering the man the conso-  
lation of the Gospel, told him:  
"Forget about those things! Go  
to see and hear that famous com-  
edian who is playing in our city  
and is keeping his audience in a  
constant roar. That man will dis-  
pel these morbid broodings of  
yours." There was a moment's  
silence. Then the visitor confes-  
sed: "I am that comedian!"

So shallow and artificial is the

joy of this world. Many a man's  
heart is bleeding and breaking  
within, while his lips are forced  
to laugh. What other reason can  
be given for the disproportionately  
large number of suicides in  
the entertaining world?

A few years ago Hollywood  
was stunned by the suicide of  
one of its most popular actresses.  
Like millions of other American  
girls she had craved for the hap-  
piness of the world. In the words  
of a newspaper article, published  
shortly after her death, happi-  
ness for her meant: "being rich  
and famous. It meant having a  
big car and fine clothes. It meant  
having a shapely body, un-  
ashamedly shown. It meant be-  
ing in love with a handsome man.  
It meant applause." All of these  
were hers in abundance; and al-  
though she had entertained mil-  
lions of movie goers and soldiers,  
she herself had found no peace  
of heart. She committed suicide  
by taking a powerful overdose  
of sleeping pills. Here was one  
who had posed as a picture of  
joy and happiness, but who, de-  
pendent and despairing, took her  
own life.

## God's Prescription for a Happiness Without End

We can be assured that there  
is nothing artificial or shallow  
about the joy that God prescribes  
for us. It is an imperishable joy,  
the roots of which go deep into  
Calvary, into the sacrificial death  
of Jesus, where we find the pa-  
don and the peace of God. A mil-  
lion sinful joys of this world can-  
not soothe the heart and con-  
science, but one believing look  
at the Christ who died for us on  
the cross can bring joy unknown  
and ineffable.

takeeth from you." (John 16:22).

By hearing the Gospel and be-  
lieving in Christ one can come  
into possession of this eternal and  
unfading joy. Have you followed  
God's prescription?

## HERE ARE THE FACTS ABOUT THE MILK STRIKE!

The ill-advised milk strike, in which organized labor endeavored to "take over" the dairy farmers of the Detroit milk shed, proved one thing: That labor union practices and the business of independent farmers don't mix.

It became evident from the start that the instigators were not striking the dairies for a higher price. They had, in fact, agreed with dairies they would take the prevailing market price for farmers' milk!

Instead, they directed their attack against the dairy farmers' own organization, the Michigan Milk Producers Association, which they aimed to control or destroy. In this attempt, forces within organized labor sought to capitalize on the economic plight of the farmer and exploited a minority group of farmers to their own ends.

There should be no misunderstanding the fact that MMPA is a dairy farmers' cooperative, operated by the farmers, for the farmers, to cooperatively market their milk and protect their economic interests. It was the propaganda line of the strike leaders to mislead the farmers and the public in this respect.

The obviously false claim of strike leaders that they won a price increase was a part of this propaganda technique. Actually, nothing good for the dairy farmer resulted from the strike. Rather, only harm was accomplished, the seeds of dissension were sown, and the real issues and facts were wilfully misrepresented.

### What Caused the Strike?

The strike stemmed from the ambition of a few within organized labor to control the Detroit milk market and to collect union dues from dairy farmers who ship milk to that market. To accomplish this, the strike organizers turned farmer against farmer in their drive to destroy his cooperative organization.

### Who Were the Strike Leaders?

Major leadership and direction came from organized labor. Joined with these professionals were a former union organizer and a small group of dairy farmers who have consistently opposed the methods and policies of MMPA and sought this means of imposing their will on the MMPA membership.

### What Were the Real Issues?

This was not a strike for a higher price for milk nor did it accomplish any economic advantage for farmers. The real issue was recognition of the so-called Fair Share group, organized labor's "front," for the purpose of dues collection and check-off. By this action, the strike directors sought to gain control of the assets and functions of MMPA.

### Who Won the Price Increase?

The bargaining power of MMPA, carried out in an ultimatum voted at the March 28 delegates' meeting, was alone responsible for the price increase gained on April 1. The Class I price of \$5 would have been achieved sooner and without ultimatum if obstructionist tactics of strike leaders and others had not blocked price negotiations carried on by the MMPA Detroit sales committee.

### What Are the Economic Facts?

The increased price of \$5 per cwt. applies only to that portion of the milk used for bottling and fluid purposes. It is not a net price to the farmer, who must pay marketing and shipping costs. Only part of the milk can be sold at this price, the rest must be used for manufactured products at the prevailing market price.

### Outside Milk a Problem

Another factor not to be overlooked is the deluge of milk which results in any market where a higher than average price prevails. Competition from outside the milk shed can cause havoc for regular producers, even to the extent of losing their market.

No one realizes more fully the serious problems of the dairy farmer than does the MMPA, whose affairs are directed by these self same farmers. The present farmer price squeeze is the nation's Number One problem. It cannot be solved by mob action nor by looking for help from agitators outside the ranks of agriculture. They have their own axe to grind.

## Officers Elected At Co-op. Nursery

The election of officers and a white elephant sale highlighted the April 9 meeting of the Northville Cooperative Nursery school.

At the end of the regular business meeting a slate containing names of officers to be voted upon was presented by President Mrs. William Secord. Those who were elected to hold office for the remainder of 1956 until May 1957 were: president, Mrs. Irvin Marburger; secretary, Mrs. Robert Lawson of Plymouth; treasurer, Mrs. Gordon Forrer.

Mrs. Paul Gerhardt of Plymouth was auctioneer for the white elephant sale held after the regular business meeting. A profit of \$50 was realized and has been designated for equipment. The first white elephant sale held last year was so successful, it was decided to make it an annual event at the closing of the year.

Mrs. William Madigan, former teacher in the nursery school, and former President Mrs. Charles Hall, were guests. Refreshments were served by co-hostesses Mrs. Robert Ewalds, Mrs. Arthur Gotts and Mrs. Jack McCrumb.

A board meeting was held at the home of Mrs. William Secord April 16. Newly elected officers were present to hear the annual reports from outgoing chairmen.

Two birthdays were celebrated in the nursery school: Jane, the daughter of Dr. and Mrs. Gordon Forrer, celebrated her birthday April 6 with the four year old group, and David, son of Mr. and

## Lincoln Div. Man To Speak at Wixom PTA

James L. Crow, industrial relations manager of the Lincoln Division, will speak at the Thursday meeting of the Wixom P-TA, according to Wilhelmina Lahti, publicity chairman.

Mr. Crow is a native of Flint and a graduate in industrial psychology from the University of Michigan. He resides with his wife and four children in Livonia.

The public is invited to attend this meeting which begins at 8 p.m.

On display the same evening will be works of art by the students of Wixom school. Installation of the newly elected officers for the coming year is also on the agenda.

Refreshments will be served by the fourth grade room mother, Mrs. Thomas Wiles.

The Methodist Men's club of the First Methodist Church of Northville will be presented its charter Monday evening, April 30 in the church house.

Paul McKelvey, Ann Arbor District Lay Leader will make the presentation and be the principal speaker for the evening.

The Methodist Men's club movement received its start in 1942 when six clubs organized.

Since that time it has grown to include 10,000 clubs across the country. Four thousand clubs have been added in less than three years.

Members of the First Methodist Church of Ann Arbor which helped organize the club in February of this year will be guests at the presentation.

## Scott W. Cole Announces Candidacy As State Rep.

Scott W. Cole, resident of Northville, announced this week that he would be a candidate for state representative on the Republican ticket in the fourth district of Michigan. This district was created two years ago and includes Oakland county which also includes the area north of Baseline Rd. in Northville.

Coie, who is on the teaching staff at the University of Michigan, was granted permission to run for public office at a meeting of the Board of Regents held last week.

Cole stated: "I feel there is a great need for individual representation in the out-district due to the great influx of people and rapid progress we are making in becoming a heavily populated area."

## Letter To The Editor

To the Editor:

The letter pertaining to double parked commercial vehicles was very timely and interesting to me. While on our lunch hour several weeks ago, myself and several other people in the car found ourselves penned in at the curb by a double parked truck when we were ready to return to work. We were only able to get out of the parking space when a car behind us pulled out and we were able to back up and pull around the truck....

We asked (the police) if it was not a state law that it was a violation for any vehicles to be double parked on a public highway, for deliveries or otherwise.

What is the answer

ville. The ladies of the committee will contact you for your donations to the cake sale.

Mr. and Mrs. A. Ferguson of LeBost Dr. are new grandparents to a new granddaughter named Susan Beth, who was born at Providence hospital Wednesday,

April 18. She weighed eight pounds, two ounces. She made quite an entry into the family as she was born on her grandfather's birthday. Mrs. Ferguson has been staying at the home of her son taking care of Kerry, their grandson. The parents of the new baby are the Ferguson's son and daughter-in-law.

Our next Willowbrook Assn. general meeting will be held on May 8 at 8 p.m. at the Novi Community Bldg. on Novi Rd. We hope to see all our new residents at that meeting.

Mrs. Dorothy Barnes of LeBost Dr. reminds us of the Northville State hospital open house Sunday, April 29, 9:30 to 3:30. There will be conducted tours. Mrs. Barnes gives her time with the Gray Ladies at Northville.

Mrs. Shirley Hurlburt of Willow Lane had guests for lunch last Thursday. They were her former neighbors, Mrs. Rose Donovan and Ella Green and Mrs. Jean Louwmen of Walled Lake.

Mr. and Mrs. Earl of 10-Mile Rd. entertained their pinochle club Saturday evening. Their guests were Mr. and Mrs. Hallick of Mooringside Dr., Mr. and Mrs. Little of Novi, Mr. and Mrs. Shoen of Novi and Mr. and Mrs. Jack Carter of 10-Mile Rd. A lunch was served later in the evening.

Mr. and Mrs. George Marinoff, Eddie and Jay Ann, and Mr. Bauer of Union Lake were on hand at Willow Run airport to meet Mrs. Bauer of Union Lake on her return from a 2½-week vacation with her sister, Mr. and Mrs. William Stremich of Cardiff By The Sea, Calif. It was Mrs. Bauer's first plane ride and she was quite impressed with the plane trip. The Bauers are Mrs. Marinoff's parents.

The Morrisons and Mrs. Louise Morrison visited Leanington, Ont. Sunday where the Morrisons have their cottage. They enjoyed dinner at the Poplar Inn in celebration of Mrs. Louise Morrison's birthday. She is Mr. Morrison's mother.

A card party is planned for the benefit of the cancer fund Saturday, April 28 at 8 p.m. at the Novi Community Bldg. Table prizes, door prizes and raffle prizes and refreshments. Tickets are \$1. Everyone is cordially invited. For further information call Mrs. Gladys Earl, GR-4-5587.

Any ladies of the Willowbrook area who have interesting recipes please call Mrs. Morrison at GR-4-2523.

Happy birthday to Mrs. Joan LaBram on her birthday April 19.

Happy birthday to John Bauer of Mooringside Dr. on his fourth to Debbie Carter on her fifth, Mike Barnes on his fifth, Robin Nelson on her sixth, Lynda Johns on her 11th and Jay Ann Wittenberg on her 14th.

Mr. and Mrs. Al Harden and children have moved from their place on Fonda St. to E. Grand River in Novi.

## SCIENCE IN YOUR LIFE

### Wanted: Scientists

By 1960, it is estimated that the United States will be short 100,000 scientists and engineers.

This crisis has been brought on by the present-day failure of our educational system to produce the scientists that our future demands.

In the five-year span beginning in 1950, the number of science and engineering graduates has dropped more than 50 per cent. High school enrollment has climbed 16 per cent, but the number of qualified science teachers has fallen 53 per cent.

Equally disturbing is the fact that out of every 100 public high schools in the nation, 23 offer neither physics nor chemistry courses, and mathematics and physics courses for 800,000 students are being conducted by teachers whose training has been in other fields.

What to do about this grave problem? Government, and industry are working to provide scholarships, grants and the like to promote science education and research. One major chemical firm, Chas. Pfizer & Co., Inc., has pointed out the need for more science students in its annual report to its 19,000 stockholders. Others also are participating in programs to stimulate science education.

However, most of the basic work to eliminate this problem will have to be done on the community level—at board of education meetings, where school curricula are decided, in bond issue votes, where academic facilities are decided, and in the home itself, where parental advice can help a youngster decide his future.

Science is in danger in the United States, and it will remain in danger until we produce more scientists.

James L. Crow, Lincoln industrial relations manager, will outline his company's plans for the Novi-Wixom area at the April 26 meeting of the Wixom P-TA.

Crow, manager of the newly-established industrial relations office of Ford's Lincoln Division, has been doing personnel work at Fords since 1950.

In 1954 he became staff assistant in the office of the executive

James L. Crow vice-president of the Ford Motor Company.

The meeting, which is open to the public, will be held at the Wixom school, Common Rd. at 8 p.m.

On display the same evening will be works of art by the students of Wixom school. Installation of the newly elected officers for the coming year is also on the agenda.

Refreshments will be served by the fourth grade room mother, Mrs. Thomas Wiles.

## Loeffler Suffers Mild Heart Attack

Verne Loeffler, well known Novi businessman and policeman, was taken to a Northville hospital Saturday suffering from what doctors term a mild heart attack. At last report, he was listed in fair condition.

Owner and operator of Verne's Welding Shop and manufacturer of Ritecraft plastic boats, Loeffler lives with his family at 4532 West Rd.

In addition to working for the Novi police department on the evening shift, he has served as township constable for many years.

## Cancer Card Party Set for April 28

Table prizes, door prizes, a free drawing, refreshments and lots of fun are in store for Novi residents Saturday evening at the Novi Cancer Drive's April 28 card party, according to Mrs. George Waite, chairman.

"Plans are now complete," Mrs. Waite added, "to make this the biggest and best card party of the season. Everybody is invited and all proceeds will go to the Cancer Drive."

Assisting Mrs. Waite on the card party committee are Mrs. Charles Trickey, Sr. in charge of ticket sales, Mrs. Clarence Ortwine in charge of refreshments, Mrs. Thelma Doan in charge of fund raising and Mrs. Frazier Staman, assistant chairman.

The time and place: Novi Community Bldg. Saturday, 8 p.m.

## Novi Girl Scouts

Intermediate Troop No. 491 discussed patrol procedure duties, etc. at their meeting last week. Also discussed day camp and received applications. Treats were furnished by Shirley Coleman and Karen Schneider.

Intermediate Troop 492 met in

"THEY LOOKED LIKE BIRDS flying through the air," a nearby resident said describing the accident on 12-Mile Rd. in which two New Hudson men were severely injured and their convertible car was totally demolished. Willard Crook and George Carter were taken to Pontiac General hospital in serious condition after their convertible went out of control late Monday afternoon, careening over an embankment and through an adjoining field for almost 400 feet before coming to a halt. The two occupants were thrown out of the car as it rolled over several times, and Crook landed approximately 100 feet from the car. Witnesses said the convertible was trying to avoid hitting a slowly moving car it had overtaken. They estimated the speed of the car at 85 m. p. h. Shown examining the wreckage of the car is Robert Ortwine of the Grand River Auto Service.

the basement of the school. They worked on Buddy burners and water-proofed matches.

Brownie Troop 149 made sit-ups for camp. Mrs. Altaffer was special guest. Ann Altaffer brought treats of cupcakes. The new girl in the troop is Rosemary Sheppard.

Brownie Troop 492 worked on laws, made charts and maps for fly-up requirements. Karen Ross brought treats. Officers for this month are president, June Loynes; vice-president, Margaret (Continued on Page 6)

The Ladies Pinochle club met at the home of Glenna Grant last Tuesday evening. After six games a buffet luncheon was served. Prizes were won by Sylvia Klerkx, Marcella Ferguson, Shirley Hurlburt and Phyllis Berardi.

Last Tuesday afternoon Helen Waugh and son, Robbie, and Shirley Hurlburt and Agnes Morrison enjoyed the afternoon roller skating at Roldredrome.

Debbie Carter was very disappointed in not having her fifth birthday party Tuesday, as she came down with the measles on Sunday. She will celebrate a little later on with her friends.

Ann Williams of Mill Stream attended the Michi-Gras at the University of Michigan Friday. Mrs. Williams' mother, Mrs. Ruth Phillips, is at University hospital in Ann Arbor for observation. She has been there over a week.

We are welcoming back to our midst Marion Lees and daughter, Janet, who arrived home Saturday evening after their long stay with Mrs. Lees' mother, Mrs. Council, for three months at Daytona Beach, Fla. Welcome home Marion.

The Keating boys, Gary and Kevin, had the 10-day measles. Mr. and Mrs. Joe McMaster of Nankin township gave a birthday dinner in honor of A. Ferguson of LeBost and Mrs. Agnes Morrison whose birthdays fall on April 18 and 19, to help them celebrate were Mr. and Mrs. Ben Ferguson of Detroit, George Ferguson and Kerry Ferguson of Garden City. After dinner they received many lovely gifts.

Mrs. Cathy Buck of LeBost Dr. is on the sick list. She is home with a ruptured disc which may result in surgery. Hope she feels better soon.

Denise Duprey of LeBost Dr., who will be two the end of this month, fell off her parent's couch last Sunday night and broke her shin bone and had to have it set. She will be in a cast for about six weeks.

Mr. and Mrs. Douglas Thackway and children, Charles and Bruce, were guests for dinner of the Ames of Mooringside Dr. Sunday.

Janice Waugh is home from school for a few days as she isn't feeling up to par.

The Weisbergers of E. LeBost had a blessed event at their home over the week end. Their cat had five kittens. Anyone interested in having one after six weeks may call Mrs. Weisberger at GR-4-0790.

Mrs. Zane Brondstetter of W. LeBost Dr. was elected second vice-president of Our Lady of Victory Mother's club.

Mr. and Mrs. C. H. Platz of Rogers City, Mich. were house guests for the week end at the home of their daughter, Mr. and Mrs. Cook of McMahon Circle. They were quite impressed with their daughter's new home.

Mr. and Mrs. Cook of McMahon Circle were guests of Mr. and Mrs. Travis Nagle of Livonia last week.

Don't forget the Willowbrook Assn. cake bake sale planned by the social committee for May 11 at Freydl Men's store in Northville. (Continued on Page 6)

## Novi School Notes

The Novi eighth graders are busy with plans for their graduation.

The sixth grade class has a new pupil. He registered in the class April 23 and his name is Dennis Gilbert.

**Fourth Grade**  
When the fourth grade class went to the Planetarium the following mothers provided transportation: Mrs. John F. Eby, Mrs. William Fox, Jr., Mrs. Woodrow Long, Mrs. Clarence Goodfellow and Mrs. Charles VanEvery.

Leola Neely has returned to school after being in the hospital several weeks.

The fifth grade invited the fourth grade to attend their program about pioneer days.

**Second and Third Grade**  
Nancy Moody showed her class a baby fox and Ronnie Ward is bringing a baby rabbit to school which he rescued.

The children are studying wild flowers and birds in preparation for a nature study trip to the woods.

**Fourth and Fifth Grade**

Last week Dennis Paquette brought a rabbit to school and this week he brought a bat. A hamper was brought to school by Jerry Weaver last week.

Sharon Gattrell went to Milford as a guest to watch the spelling bee.

**Fifth Grade**  
The fifth grade showed their pioneer project to many visitors. Among the visitors were Mrs. Jack Crawford, Mrs. Ira Cheeseman, Mrs. Erwin F'Geppert, Mrs. Russell Taylor, Mrs. George Atkinson, Mrs. Wilcox and her fourth grade and Mrs. Salow and her sixth grade.

The fifth graders have been busy making fair posters. The posters are about fortune telling, the kitchen and picture taking.

**Spelling Bee Winner**

Gladys Parker won the district spelling bee by correctly spelling the word "despair". Agnes Fuller was runner-up.

By MRS. LUTHER RIX  
Phone Northville 245-J

Mrs. Belle Walter, who spent the winter months with her brother, William McCowan in Mason and Ormond Beach, Fla., is now visiting her sister, Mrs. Clyde Johnston and other relatives in Novi. Later in the season Mrs. Walter and her brother plan to move into their new home at Ormond Beach in Florida.

Mr. and Mrs. Alfred Gow entertained their pinochle club of 12 Saturday evening at their home on Novi Rd. First prize winners were Mrs. Russell Race and Luther Rix.

Mrs. Ed Branch, Mrs. Dan Linder and Mrs. Duane Branch visited relatives in Flint last week, Wednesday.

Several ladies from the Novi Baptist church were luncheon guests of the Walled Lake Baptist ladies in the church last Tuesday. After luncheon pictures were shown and a lecture given by a visiting missionary.

Mr. and Mrs. Keith Branch spent the week end in Chicago recently. The occasion was the wedding of the latter's brother.

Mr. and Mrs. George Atkinson, Mr. and Mrs. Glen C. Salow and Mr. and Mrs. George Kahrl were among 500 who attended the 137th anniversary of the founding of Oddfellowship at Highland Park Sunday. They watched the parade which formed at Palmer Park Casino and later attended the rites at Temple Israel.

Mr. and Mrs. Don Larson of Lansing visited the former's parents, Mr. and Mrs. Louis Larson and latter's mother, Mrs. Helen Spifak over the week end. They took their three year old son, Louis, who was recuperating from a tonsilectomy at his grandmother's, Mrs. Spifak, back to Lansing with them. Don is attending Michigan State university at East Lansing.

Entrance application blanks for junior high and senior groups were given out Sunday for those who wish to go to Judson Collins Methodist camp this summer. Mrs. Louis Larson, who is in charge, would like to know by the week end how many will attend camp. The charge is \$23.50 for six days of camp.

## Beauty Contest Planned By Novi AMVETS

The degrees will be conferred by Walkerville Lodge, Walkerville, Ontario, at Edmonson Junior high school.

Dinner will be served from 5:30 to 7 p.m.

## a Dog's Life

DOGS AND ACCIDENTS

by Dr. E. M. Gildow  
Director, Friskies Research Kennels

Since most dogs are playful and venturesome, you may be called upon occasionally to provide first aid following minor mishaps. Major accidents will require a veterinarian's care.

A dog hurt in an accident nearly always suffers shock, which should be treated before cuts and breaks. Cover him

Dog of the Week:  
CHIHUAHUA.

Smooth coat: One to six pounds in weight. Coat, soft, close and glossy. Long coat: Two to eight pounds in weight. Coat, soft, either flat or slightly curly, with undercoat. Colors: solid, marked or splashed. Fifth in popularity.

warmly and administer a stimulant. Coffee with cream and sugar is excellent. Don't give alcohol; it is a depressant.

Apply pressure bandages or tourniquets for bleeding wounds. Don't keep them in place too long, for damage to the tissues may result. Stop excessive bleeding by holding a boric-acid pack against the wound as tightly as possible until it can be properly bandaged. Deep cuts should be stitched.

Broken bones should also be treated professionally. Straighten broken legs, taking care not to cut a blood vessel with the sharp bone edges. Apply a splint, a stick or straight piece of wood, by laying it along the leg and tying it above and below the break. Never move a dog with broken ribs, pelvis or shoulder blade. Send for a vet.

A dog may bite when in pain. Loop a bandage around his muzzle, tie a knot under the chin, bring it around the head and knot again behind the ears.

Puppies are occasionally knocked unconscious when they chew electric cords. Here, as in drowning, artificial respiration should be given. Press in and out on the dog's ribs just back of the front legs, at the rate of about 20 pushes a minute.

**Feeding Tips:** Although some fat is essential in a dog's diet, don't add too much. Most commercial dog foods, such as Friskies, already contain enough. Too much fat may reduce the food eaten by growing pups so they don't get sufficient essential nutrients for normal growth. In older dogs, it may cause overfatness.

## Students Learn Safety and Marksmanship

SAFETY MARKSMANSHIP are two of the aims of the newly formed Rifle club at Novi school. Having received their membership in the National Rifle Assn. only last December, club members and advisors have already completed work on a rifle range in the basement of the school and attend weekly meetings to learn more about the proper care and handling of firearms and marksmanship. Approximately 35 students are enrolled in the club under the leadership of Teacher Don Knodle and Instructor Ira Cheeseman. Drawing a bead on the target in the above photo are (left to right) Ronnie Loynes, Mary Schenimann and Donald Coleman. In the lower photo, Cheeseman instructs Mary in the proper adjustment of the rifle sling.

## Northville Team Plays Exhibition Game April 29

The Northville Merchants baseball team will play their first exhibition game Sunday, April 29 at Cass Benton Park at 1 p.m.

The opposing team will be the Class A team of the Detroit Baseball Federation which is managed by Cass Michaels. Michaels is also a scout for the White Sox.

The manager of the Northville team, Joe Kritch, said that the Northville merchants are rallying and giving their financial support to the local team. One thousand and one hundred dollars has been collected so far. The goal is \$1,500.

"We'd like for everyone in Northville to come out and watch us play this Sunday and every Sunday," Kritch said.

**a Dogs Life**

### WHEN PUPPIES ARE EXPECTED

by Bob Bartos  
Manager, Friskies Research Kennels

There's nothing more appealing than a "family" of newborn puppies, but too few dog owners have ever learned how to care for the expectant "matron."

Unless complications develop, it is quite common for the family pet to have her litter at home. Puppies can be expected about 63 days after your pet has been mated. If she has not been wormed prior to mating,

Dog of the Week: COLLIE.

Height: 22 to 24 inches. Rough collie: Outer coat abundant, harsh; inner coat soft, furry, close. Smooth collie: Short, dense, flat coat; abundant undercoat. Colors: Sable and white, black and tan with white markings, blue merle, varied. Seventh in popularity.

she should be wormed within two to six weeks to help insure that her litter is free from this problem.

As pregnancy advances, her appetite will increase until she is eating about twice her normal amount. Feed her a well balanced diet such as a good commercial dog food. The amount should be reduced the last two weeks of pregnancy.

She needs plenty of exercise, but jumping and strenuous running should be avoided. During the last few days she may enjoy short walks, but don't over-tire her.

A few days before the puppies are due, her coat should be sponged with germicidal soap. Clip the hair around her vaginal and mammary regions and clean carefully.

When labor begins, she will be restless and will quite literally tear up her bed. If she is attached to you, she'll probably appreciate your being around during the normal labor period of five or six hours.

Puppies are occasionally born in a sack-like membrane which the mother will tear open with her teeth. If she doesn't, the membrane must be removed immediately, or the puppy will die from lack of oxygen. Should complications arise, such as a green discharge, or if labor is prolonged, call your veterinarian.

See that the mother and babies are warm. After whelping (giving birth) give her warm milk, but no solid food for several hours.

**Feeding Tips:** When weaning puppies, feed them a soupy mixture of a good prepared dog food, with twice as much lukewarm water as food.

HERE'S GOOD NEWS! We can rent an R-S Water Softener at a cost that's so low we'll be money ahead when our savings on soap and other things are considered

THAT'S RIGHT! And when we're ready to buy a new R-S Ball-O-Matic we'll get credit for a generous portion of the rent we've paid. IT'S THE BEST DEAL WE CAN GET!

**R-S**  
**Ball-O-Matic**  
**WATER SOFTENER**

They're both right. The Reynolds Rental Plan is really sensational! You rent an R-S Ball-O-Matic 30,000 Grain Capacity Water Softener for only \$3.25 per month. You control it and regenerate it as often as you want. It's yours to use—just as if you owned it.

It will only cost you 13¢ a day (in extreme cases a few cents more) to have all the zero-soft water you need. All the water in your home will be zero-soft, and can be used abundantly.

Then, when you're ready to buy a water softener, you receive a credit for the rent you've paid to apply on a new R-S Ball-O-Matic (or you can keep the rental unit, if you wish).

See us today. You can't afford to be without soft water!

Ball-O-Matic water softeners have been manufactured in Detroit since 1931. There are probably more of them installed in this area than of all other makes combined. You are sure with a Reynolds quality softener. Factory installation and factory service.

## Co-ord Council Celebrates Birthday; Elects Officers

The meeting of the Co-ordinating Council April 19 in the City Hall, marked the retirement of Mrs. Jennie Geraci as president, the election of Ed Welch as president for the coming two years, and the 16th anniversary of the organization of the council. Other elected officers are Mrs. William H. Cansfield, vice-president; Mrs. Ernest Shave, recording secretary, and Dr. Wilbur Johnston, the re-elected treasurer.

The council table was covered with a lace cloth and centered with a beautifully decorated cake to commemorate the 16th year of the council's activities. Cookies, candy, sandwiches and coffee were served following the business meeting with the compliments of Mrs. Geraci.

### Organized In 1940

The Council was first organized in 1940 and is composed of representatives from various clubs and organizations in Northville. In 1954, through the efforts of Mrs. Geraci, the council became a charter member of the Adult Education Assn. of Michigan.

The association is sponsored by the Ford Foundation and Community Adult Education Dept. of the University of Michigan. Two classes were formed: "You and Your Community" and "Community Development". A book covering the studies made by the second class was published and is being used by the State of Michigan to demonstrate what can be accomplished in a small community.

Proceeds from the Co-ordinat-

ing Council lecture series in 1955-56 was turned over to the Community Building Fund.

Other projects of the Council this past year were the sale of Booster Buttons for the Northville Football banquet; assisting the P-TA in approaching various organizations for funds to furnish the kitchen in the Community Bldg.; suggested replacement of drinking fountain; worked on the problem of keeping the Northville theatre open; Community Calendar; health program, and the sponsoring of the Citizenship Recognition banquet.

Now being considered by the Kentucky General Assembly is a bill that would change the title of pupil officer to "director of pupil personnel". We suggest another bill designating kids who play hooky as "unlicensed curriculum abstainers".

Several months ago we ran an item about an evident "speedup" at the Ford valve plant. The old mill wheel was turning so fast that the "gently falling" water was unable to keep up with it.

You can imagine how flattered we were last month to find our column the subject of a vigorous editorial in the local union's plant publication. The union acknowledged the deplorable situation but said it was beyond their control.

Early one morning this week we again observed the wheel and it was with a great deal of consternation that we noted it was COMPLETELY MOTIONLESS.

We feel that perhaps the union was being a bit too modest when they said the situation was beyond their control.

KEEPING UP WITH THE TIMES, Novi now has a completely modern auto service center featuring 24-hour service and an adjoining coffee shop. The public is invited to participate in the grand opening which will be held this Saturday and Sunday. Everyone is being urged by Owner Leo Harrawood to register for the prize drawings. The lower picture is the forerunner of the present station, operated during the 20's in conjunction with the old Novi Hotel.

### CLEAN-UP -- DON'T BURN UP

NATIONAL BOARD OF FIRE UNDERWRITERS  
COMBUSTIBLE TRASH IS A FIRE HAZARD — BUT REMEMBER  
BURNING IT ON A WINDY DAY IS EVEN MORE DANGEROUS!

### IS TRUTH RELATIVE?

A fairly new device in thinking is threatening the very foundation of our standard for "Truth". Those who advocate this line of thinking say that "Truth" is relative since it is determined by localities, nationalities & the ages. What may be regarded as true by one nation may be regarded as false by another. What may be highly esteemed in one age is abhorred in another generation. Whereas this may contain an element of truth yet it contains also conclusions that lead to serious error. For example, the Kinsey report proved that a lot of people are guilty of the sin of adultery, but this does not change the seventh commandment which says, "Thou shalt not commit adultery." Adultery was a moral wrong then, and it is now. It's just as wrong in the sight of God for an African to commit this sin as it is for educated America. All Christians regard the Bible as an authoritative book and accept it as a rule for faith and practice. When the Bible speaks, no opinions are needed. When the Bible is silent, our opinions are to be based upon reasoning which would be in line with what God has declared. "Yea, let God be true, but every man a liar." GOD'S WORD IS TRUTH!

bridge, Mrs. Lois Sebastian and Dr. R. Hutchcofe, participated in a panel discussion April 18 at the Community Bldg., which revolved around Northville's curriculum needs. Four school board members and approximately 40 P-TA members and interested persons attended the meeting. President Robert Coolman had opposed the 30-member committees as being too large, was unable to be present at the April 18 meeting.

Nelson Schrader, who also had expressed opposition to the committee, said at the conclusion of the talk with the U. of M. people that after becoming better informed as to the curriculum committee's job he could vision the need for a larger committee.

The Northville curriculum submitted a list of questions which were answered by Dr. Kehoe.

Committee members said that the meeting was very helpful and the committee received some very valuable information in regards to organization and methods of obtaining information to conduct a study. The committee has not yet been given formal recognition by the school board.

R. H. Amerman said that the school board might possibly have an informal meeting this week to talk about the committee and membership; however, formal approval, if given, will be done at the regular meeting May 7.

## Lost, But Not Found

John Reagan, manager of Pontiac Lake state park, uses a magnifying glass to try to identify the owner of a billfold that was found in his park area last summer. All other items in the picture also were found in the park, from a Bible to a baseball bat. Visitors to Michigan's 58 state parks annually lose hundreds of items, then fail to place claims at park offices.

### 3 Local Men Go Fishing In Acapulco

Three Northville men recently returned from a ten day trip to Mexico where they reportedly enjoyed themselves touring, shopping and, as the pictures on this page indicate, fishing.

#### Shopping

Sid Frid, Cliff Hill and Earl Reed bought purses, dress goods, leather goods and other things while shopping in Mexico City. "We had to bring something back for our wives," they said.

#### Touring

According to the men, one of the unique cities they visited was Taxco. They arrived there at the beginning of a week-long Easter celebration. "One night there were 4,000 people marching in a parade at 1 a.m.," Reed said, "and that was a sight to see." According to the men, "Taxco is a very different city. The streets are as wide as our alleys and the buildings are hundreds of years old. There is a law in Taxco that prohibits the erection of new buildings."

#### Fishing

The three men spent several days fishing in Acapulco. Frid and Reed caught one sailfish each; Hill caught two. The average weight of each sailfish was 100 pounds.

Reed said that they gave the fish to natives who made sailfish soup. "We were going to get the fish stuffed and mounted," Reed said, "but then we decided that they were too big and the job too expensive."

This was the first trip that the men took together, but they expressed the hope that it wouldn't be the last.

Industries has been able to fit each job to the individual handicap of the employee, see equipment which has been designed to make work easier for these people, and see the handicapped help themselves to a better life.

### Goodwill Industries Invite Public To Open House May 10

Goodwill Industries today set aside Thursday, May 10 as the date of tribute to its out-of-town representatives.

This day will be part of the celebration planned for national Goodwill Industries Week May 6-12, which has been officially dedicated by both President Eisenhower and Governor Williams.

"Goodwill Industries would like to have as many people as possible from towns outside of Detroit attend its Open House on this day," said Harold H. McKinnon, executive secretary.

Guided tours have been planned for club and church groups and luncheon will be served from 12-1 p.m. in Goodwill's non-profit cafeteria. A full course meal averages 50 cents.

Contributors will be able to see how their usable discards become saleable items in Goodwill's retail stores. They will see Detroit's most diversified industry in operation. They will get a realistic picture of what it means for a handicapped person to have a profitable job and will get a better understanding of the number of people that are trained and rehabilitated through articles donated by the public which would otherwise be thrown away. They will see how Goodwill

NORTHVILLE CUB SCOUTS held their annual kite flying contest recently. A crowd of 50 Cubs, Den Dads and Den Mothers met on a hill in Cass Benton park to see which Cub would be the first to get his kite aloft. The winner was Ronald Vradenburg who won a softball bat. Those Cubs whose kites had been torn by the near gale wind assembled gliders. John Hinman's box kite was the center of attraction when it was shattered by a flock of birds and forced down. Many of the kites were made by the boys and their dads. The kites were decorated with Cubbing designs and emblems. According to the Cubmaster, Mr. Gazlay, the boys are now working on full sized totem poles which will be on display at the Scouting Exposition May 17, 18, 19 at State Fairgrounds.

## Expect 400 Entries At Dog Show

The Livonia Kennel club will hold their all breed sanctioned dog show at Detroit Race Course, Schoolcraft and Middlebelt, in Livonia, Sunday, April 29.

The show will feature an estimated 52 different breeds with approximately 400 dogs. An all breed obedience trial will also be held.

Seventy-five percent of the ticket sales will go to Leader dog school for the blind. The Livonia Lions club is sponsoring the advanced ticket sale.

Show hours will be from noon until 7 p.m. Admission is 50 cents per person and children under 12 will be admitted free.

## Wolverine Mgr. Anticipates Big Season

Orlow G. Owen, vice-president and operational manager of the Wolverine Harness Raceway, said this week that he anticipates big things in the 40-night trotting meeting at Detroit Race Course from May 9 through June 23.

Owen said that the 1956 Wolverine harness season promises to be the best ever. "The finest standardbreds, the ablest drivers and the best stables will take part in the meeting which will open the harness racing year in Michigan," he commented.

Owen was one of the pioneers in the establishment of pari-mutuel harness racing in Michigan at Northville Downs in 1945 and he has been one of the primary architects of the amazing popularity which harness racing has achieved in the Wolverine State in the past decade.

In his first year in harness racing at Northville, Owen served as an assistant and track announcer.

## NHS Track Team Adds Points In Last Two Meets

The Mustang track team picked up 37 points in a meet with West Bloomfield and Bloomfield Hills April 17.

Grieg Chapman won both dashes; Dick Biery took first and Joe Maw third in the 440; Bill Yahnne was first and Tom Heatley third in the 880. Gary Holman came in fourth in the mile. Bob Wagenschutz made his best effort. .43 feet 4 inches to win the shot put.

Dick Biery, trying the broad jump for the first time, took second place. Dick Stuber and Roger Rathbun improved on their previous performances in the mile and 880.

In a meet at Oak Park April 20 the results were even better. Biery won the 440 and Yahnne the 880.

In the mile, Holman was second and Stuber broke into the scoring column by placing third. Yahnne won the high jump and Heatley was second in the 880. The makeshift (and unofficial) 880 relay team also finished first.

This week the track team meets Walled Lake reserves and Milford, both are evening meets.

Willie Mays has been with the Giants only four seasons, says The Sporting News, but already he is the team's second ranking home run hitter with 116. Hank Thompson leads with 121 homers in eight seasons.

His zest for harness racing continued unabated and he rose steadily to the post of manager of Northville Downs. In 1952 Owen was offered and accepted his present post at Wolverine Harness Raceway.

Owen lives at 50085 W. 7-Mile Rd., Northville.

# Makes Friends with the Meanest Roads

(Have you tried Buick's great new ride?)

THE SWEET WAY a '56 Buick rides on all sorts of roads is something you find nowhere else on wheels.

Capricious roads that twist and turn — unruly roads that rock and roll — tired roads, battered and beaten — they all seem to wear company manners the moment a Buick approaches.

Why? Simply because Buick comes with what it takes to put any road on its best behavior — the completely ride-engineered combination of chassis, engine and automatic drive that is obtainable in no other car.

And that's gospel truth whether you drive a new SPECIAL, CENTURY, SUPER or ROADMASTER.

No other car matches the firm, true tracking of Buick's own ride foundation — buttressed by branny X-braced frame and torque-tube drive — cushioned on coil springs and deep-oil shock absorbers.

No other has such width of tread and length of

wheelbase within dimensions so trim and tidy that Buicks turn, park and garage more easily than smaller cars.

No other duplicates the assurance of steering, brakes and rear axle so precisely geared and gaited for the nimble handling that's a safety "must" in modern cars.

And certainly no other name plate promises the soaring sweep of power that wells from the big 322-cubic-inch V8 beneath every new Buick bonnet.

Nor does any other automatic drive put power to its car's rear wheels with the swift, unruffled pace of Variable-Pitch Dynaflo® — and that goes double every time you "switch pitch" for whip-quick, safer passing.

But why stop to count reasons — when results are what you're after? Wouldn't you rather really feel Buick's new "sense of direction" on straightaway, curves and corners?

Wouldn't you rather relax in supreme comfort while tooling this powerful performer over roads you always hated to travel?

Well, sir, we cordially invite you to drop in on us and do just that.

Make it this week, won't you? Sample the ride that has charms to win any old road — and get first-hand figures on prices that make Buick owning a more positive pleasure.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

DELORES

KAY

MARJORIE

According to NHS students we interviewed recently it takes more than money to term a person "successful". It was interesting to note that without exception the youngsters believed that money isn't everything.

The question this week:

"In your opinion, what makes a person successful?"

"Can you give us an example of a successful person, living or dead?"

MARJORIE LEE, 16, junior, bubbled forth her answer. "A successful person is the person who is willing to try and has the will to do whatever he wants to do. He sets his mind on a certain thing and sees it through. You don't need money to be successful," she said, "you should have a little, but you don't have to be rich." Marjorie gave her sister as an example of a future success. "She wants to be a beautician," Marjorie said. "She's working now and has enrolled in a school in Detroit. With her determination she will be the success that she wants to be."

SHARON BUDD, 16, sophomore, said, "To be a success you've got to work and not be afraid of it." Other factors that go along with success, according to Sharon, are cooperation, an education, and friends. "Everyone can be successful if they want to be," she said, "you don't need money." Sharon listed her cousin as a successful person. "She graduated from high school last year, got a job at Burroughs, and is now head of the girls in her department. She knows what she wants and she works toward her goal," Sharon said.

JIM HAMMOND, 15, sophomore, told us his ideas without a moment's hesitation. "To be successful a person needs an education," he said, "not too many are successful without one. Good grooming is important too," Jim continued, "and ambition. A person has to go out and work for what they want. Money doesn't mean a person is successful because some people inherit wealth." Jim named Al Kalline a success. "He doesn't let it go to his head and he doesn't stop working."

## Local Girl On MSU Handbook Staff

Miss Marilyn Joyce McCarthy, daughter of Mr. and Mrs. W. E. McCarthy, 531 W. Main St., was recently appointed to the staff of "Helot", the student orientation handbook at Michigan State University, sponsored by the MSU student government, associated women students and Blue Key, men's honorary.

Miss McCarthy is a graduate of Northville high school and is now a freshman at MSU.

New Jersey is popularly called the Garden State.

HUBERT BLACK, junior, said that success depends upon "will-

ingness and ability to gain knowledge on all aspects of life. A person has to work toward a goal continuously," Hubert said that his parents were successful. "My folks worked for 15 years without making money," he said, "but they have finally been successful in putting over the type of product that they wanted to and are now realizing some profit."

DELORES BURRELL, 17, senior, said, "It takes a lot of personality first of all. Then mix in a good education and a smattering of good looks and you get success." Delores mentioned that money isn't necessary, "You can have it and still not be successful," she said.

KAY HOUSER, 17, junior, thought that personality rated uppermost. "You've got to get along with other people," she mentioned, "and money doesn't count. A person should make a success out of himself rather than his job." Kay said that Walter Reed was a good example of success. "He conquered yellow fever without much help from people and with very little in the way of facilities."

## 5th Grade Writes Letter To Public

"Ladies and Gentlemen: Are you going to the bank Saturday, April 28 from 9 to 12? If so, stop and buy some delicious homemade baked goods."

"Miss DeKett's 5th grade class of the R. H. Amerman school is planning a bake sale to help make possible their trip to Greenfield Village. This overnight trip in May will cost approximately \$225 and to earn part of the money the class has been selling all occasion cards. The treasury stands at \$146."

Sincerely,  
The 5th Grade Class"

## MICHIGAN BELL

TELEPHONE lines

ONE GOOD EXAMPLE of how telephone research benefits all of us is the amazing transistor. This versatile marvel, an electronic amplifier, was conceived, invented and developed at Bell Telephone Laboratories. As development progresses, transistors are replacing vacuum tubes in more and more telephone equipment. Tiny and mechanically simple, transistors last longer than vacuum tubes and need little power. These economical features help keep down the cost of providing telephone service.

WHAT DO YOU have planned for, say, next week end? Perhaps a drive to see some friends or relatives in the next town. Or maybe you're going to spend a quiet two days at home. Either way, the telephone can help you enjoy your week end. If you're planning a visit, call ahead and let the folks know just when you'll be there. And if you're just going to loiter around the house, wouldn't that be a good time to talk to those out-of-town friends or loved ones? Telephone calls cost so little and they are so appreciated.

BREAKFAST IN BED is one good example of luxurious living. But that's a luxury most of us can't often afford. A bedside phone on the other hand is a very inexpensive "luxury." For about \$1 a month you enjoy the comfort and convenience of an additional telephone at your finger tips. It will mean the end of stumbling around when you make or get calls at night—you just reach for the phone. To order your bedside telephone, call our Business Office.
